*The Mission*

# Our Story

It was on a beautiful, sunny day the summer of 2019 in hills of San Gimignano, Italy, that Perfect Pairings Charcuterie began. Nestled in the countryside of Siena, while cheese and olive oil tasting, I felt overcome with the need to share my passion for charcuterie with the world. Perfect Pairings goes beyond curating the most beautiful cheese and meat displays you will ever find, we bring together the warmth, aroma, and tastes that were inspired by Siena cheeses and Italian wines.

*“If more of us valued food  
and cheer and song above  
hoarded gold, it would be  
a merrier world.”*
