And, Jesus answered and spake unto them again by parables and said, The Kingdom of Heaven is like unto a certain king, which made a marriage for his son. And, sent forth his servants to call them that were bidden to the wedding: and they would not come. Again, he sent forth other servants, saying, Tell them which are bidden, Behold I have prepared my dinner, my oxen, and my fatlings are killed, and all things are ready: come unto the marriage. But, they made light of it, and went their ways, one to his farm, another to his merchandise: And, the remnant took his servants and entreated them spitefully and slew them. But, when the king heard thereof, he was wroth and he sent forth his armies, and destroyed those murderers, and burned up their city. Then saith he to his servants, The wedding is ready, but they which were bidden were not worthy. Go ye therefore into the highways and as many as you shall find, bid to the marriage. So, those servants went out into the highways, and gathered together all as many as they found, both bad and good; and the wedding was furnished with guests. And, when the king came in to see the guests, he saw there a man, which had not a wedding garment: And, he saith unto him, Friend, how camest thou in hither not having a wedding garment? And, he was speechless. Then said the King to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth. For many are called, but few are chosen.

## CHAPTER FORTY-TWO - PART II

### The Sign of the Coming of the Son of Man!

For, as the LIGHTENING COMETH OUT OF THE EAST, and shining even unto the west, so shall also the coming of the Son of Man be! (Matthew 24:27)

And, Jesus sent mine angel to testify unto you these things in the churches! I am the root of the offspring of David, and the BRIGHT AND MORNING STAR! (Rev. 22:16)

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, I am Most High! There is no god besides me! Oh, yes, there are counterfeits! There are liars, who call themselves gods, when they are no gods, but counterfeits! For, up until now, I have shared My glory with no one!

But, now comes another day! Now comes another time, a glorious time, wherein I will share My glory! I will share it with the saints! I will share it with the pure and clean souls, who are worthy to marry Me, worthy to receive My holy seed, worthy to bear My child! Oh, yes, this is so; for now is the time! Now is the time when My glory will fall on many and this very glory will change many lives! Oh, yes, they will be forever changed!

My Little One, who has My mind? And, who can understand Me? Who knows My ways? For, My ways are higher than all ways!

Now, My Little One, comes My glory as no human has ever seen; and this very glory comes into the earth through you! Oh, yes, through you, My Little One; for you, and you alone, have paid the price! You have been called! You have been tried and tested in severe and harsh ways; and you have been found worthy to bear My holy seed, to be the mother of My manchild!

And, now comes the fortieth month, the fortieth month since the birthing of My Kingdom began in South Africa! Yes, the beginning of the forty long months, through which you have been continually tortured and continually persecuted by the dark and evil coalitions of Satan, the evil fallen angels, the wicked humans and the dark Annunaki (the Nephilim). And, oh how you have labored! How you have travailed! How many tears you have shed, as many fled far from you, as many labeled you with all manner of lies and accusations, and as many deserted you, adding heartache to heartache!

But, through it all, My Little One, you never stopped praying to Me and to My Son! You never stopped loving us and you never stopped loving others, even those, who deserted you, and who maligned you! Oh, yes! This is so; for through all of your suffering, My love and My forgiveness in you has grown from day to day! For, daily you walk in My great love, in My grace and in My great mercy! And, through all that you have suffered, your faith in Me and in My Son has only grown! Yes, indeed, by leaps and bounds your faith has grown; for you have known since the beginning of Revelation 12, that through this very work, I would release mighty blessings upon humanity!

Now, comes the end! Soon, and oh so soon, people the world over will know the truth of Revelation 12! And, people the world over will know that Linda Newkirk of Mayflower Arkansas (USA) is the true woman of Revelation 12! There is none other, and there will never be another Woman of Revelation 12.

 From The Mountain Prophecies Copyright 2007

Now, My Little One, comes My glory! With the advent of Comet 17/P Holmes comes My glory into the whole earth! For, what was a comet is no longer a comet! And, it is not a planet, but the long-awaited portal to My throne! This is the bridge to My throne, which is now being created before the eyes of the whole world! And, this bridge, My Little One, is attached to you, through the manchild, through My holy seed, which is in you!

By the day, My manchild is filling up the layers of this bridge; and on some photos of Comet 17/P Holmes, these layers are beginning to manifest! And, as you know; for you have seen it today, this portal is already beginning to attach to the earth through the manchild, who is in you! The manchild in you is now expanding greatly and rotating with the portal in the heavens! (And, what a great marvel, my Dear Ones, to experience what our Father is doing through the manchild in my body now!)

My Little One, the time is at hand, and soon, when many will see a woman in the midst of this portal, in what most will still call Comet 17/P Holmes! Yes, they will see a woman and more clearly so, as the few remaining weeks pass, even the Woman, who wears the crown with twelve stars, this woman being you, My Child! Yes, you, Linda Newkirk, the true woman of Revelation 12, the very one, who has birthed My holy seed, who has mothered My manchild, and who has helped to make him ready to return home!

And, this portal, this bridge is akin to a birth canal, a birth canal through which My manchild will be birthed back to Me, a birth canal though which all will be birthed back to My throne for the grand heavenly event, which is at hand! First, the wedding of My Son to you, his spiritual queen, then to many, many who stand in line to receive what awaits them in heaven!

Oh, My Little One, this is soon, oh so soon, and precious little time is left! May all take My heavenly invitation to heart, that this grand heavenly event is overflowing with guests from all over the world!

Yes, indeed, look and behold the bright and morning star! Behold the sign of the coming of the Son of Man! For, it is visible now for all to see; and in the coming few, remaining weeks, this heavenly manifestation will only grow in strength and power!

My Little One, type this and release to the people soon; for there remains precious, few weeks!

I am your Father Yahweh, yea Jehovah, Most High God!

As witnessed, dictated and recorded this 17th day of November, 2007,

Linda Newkirk

My Dear Ones, what is known as Comet 17/P Holmes can be seen over the North American continent in the early morning hours. Look to the northeast from between the hours of about 4:00 AM to around 7:00 AM and you will see a very bright star, brighter than anything else in the sky and growing by the day! This is the sign of the coming of the Son of Man, truly the Bright and Morning Star! Blessed is the Name of our Wonderful Father Yahweh, forever and ever; and blessed is the precious Name of His Son Jesus, Saviour of Humanity!

Get ready, my Dear Ones, for the time of His Coming is truly at hand! Receive your heavenly invitation with great gusto! Oh, what grand times await all of humanity! And, great hope is at hand for all of creation!

HALLALEU-YAHWEH FOREVER AND EVER! BLESSED IS HIS HOLY NAME!

Looking to see you soon,
Your Sis,
Linda

## CHAPTER FORTY-TWO-PART III

### IMPORTANT NEWS ABOUT THE COMING OF OUR SAVIOUR; AND MUCH MORE!

My Dear Brothers and Sisters, I come to you in love on this cold and wintry day, from this little Arkansas mountain; and I hope that all is well with you! Outside, the wind is blustery and the sky dark, so exemplary of the weather for many weeks. Cold, windy and unpredictable weather from day to day; and here and there throughout this time, a day of sunshine and relative warmth! A weather, which is so indicative of the times in which we live! A weather, which so well depicts the hearts of mankind! A weather, which so depicts the conditions of the world in which we live, the conditions of the governments, the conditions of the people; and the conditions, which are right for the severe cataclysms, which are coming into the earth! Also, my Dear Ones, the conditions, which are right for the Coming of our Saviour!

I hope that by this time, you are deeply grounded in your spiritual walk, with a solid foundation in Jesus and His word, a solid spiritual walk, founded on the principles of goodness and righteousness! For, of a truth, the whole world will soon be shaken! The people will be tossed and turned as ships upon a stormy ocean, ships without rudders! All, who are not grounded in their spiritual walks, will soon be cast headlong into the great and dark spiritual abyss of the terrible tribulation; and many will perish in such a

dark place! For, surely the Great Tribulation, the last three and one half years looms darkly ahead! And, oh how close it is!

### Many, who say, "Lord, Lord," will be left behind!

Oh, so unwise it is to think that one is exempt from these most perilous of times because of having "known the Lord" for so many years! For, one's spiritual condition cannot be ascertained from the length of time that one has "known" our Saviour! What matters is how long one has truly obeyed Him, truly loved Him, and truly put Him first! For, many say that they are "saved," when they are full of every kind of sin! And, even when we often speak of "saved," my Dear Ones, we are often speaking of different kinds of "saved?"

### Is Saved the Same as Eternal Salvation?

For, was Jerusalem not destroyed, and many people killed and others taken into captivity, all because of their backslidden ways! Few were "saved" from this great judgement of our Father against them! Were not all of those, whom our Lord brought out of slavery in Egypt, destroyed, because of rebellion? Their dead bodies falling in the wilderness! None were "saved" from this! Did the backsliders, the proud and the haughty, not mock Noah for many years! In the end, they all drowned in the churning waters; and our Father only "saved" Noah and his family! For, they were the ONLY RIGHTEOUS ONES! And, in Sodom and Gomorrah, only Lot and his family were "saved" from the destruction of those cities; as they were the ONLY RIGHTEOUS ONES!

Now, in these instances, we see how our God "saved" these few from terrible destruction; and how he destroyed others, one way or the other! **But, is the saving of one's body from destruction, the same as "eternal salvation?" No! Not at all, and we must not get the two confused! For, eternal salvation involves eternal life;** and when you read below, even from our Saviour's own words, you will learn a little more about eternal salvation!

 From The Mountain Prophecies Copyright 2007

### What is Eternal Salvation; and who is saved?

Those, who persevere in righteousness to the end are saved! Is this not what our Saviour tells us in Mark 13:13? "...**but, he that shall endure unto the end, the same shall be saved!"** We also get another glimpse of just who is "saved" from these words in Romans 9:27 **And, Esaias also cried concerning Israel, though the number of the children of Israel be as the sands of the sea, a remnant shall be saved!" PAY ATTENTION TO WHAT THE SCRIPTURES ARE TELLING US!**

And, we go on reading: **"Then said one unto Him, Lord are there few that be saved? And, He said unto them, 'Strive to enter into the strait gate: for many, I say unto you, will seek to enter, and shall not be able!'"** (Luke 13:23-24) Go and read the verses, which follow, this one for your selves! **PAY ATTENTION TO WHAT HE IS TELLING US!**

For, when our Saviour comes and shuts the door, many shall be outside knocking, trying to get in! For, those, who are outside, proclaim that they have eaten and have drunk in the presence of the Lord; and that He has taught them in the streets! But, our Lord will not be moved to change His mind when He says to them, **"Depart from me, ye workers of iniquity!**

### Clawing all over each other to get to this bridge!

I was in the bank in the Summer of 2006 when I told the young teller that our Saviour is coming soon! And, she replied to me that she knew, that she had a dream about it! And, in this dream, as she told it to me, she saw that there appeared a bridge, which was overhead in the sky; and that people were clawing all over each other, as they were trying to get up to this bridge!

Will the clawers, the pushers and the shovers make it to that bridge, the coming heavenly bridge, which will manifest at the coming of our Saviour? **None will!** For, this bridge will not be "stormed" by those, who wish to take it! Then, the Lord will say to them at His coming, "Depart from Me, ye workers of iniquity!" And, oh what howling will go up among the people; for they will all be able to "see" others as they are taken

up and onto this bridge and the acute and painful awareness will suddenly hit them! Yes, a deep sorrow in the pits of their bowels, a knowing that they not been counted worthy to go with our Saviour!

### The Narrow Way! The Strait Gate!

### What You need to Know!

In Matthew 7:13-14, we are told: "Enter ye in at the strait gate: for wide is the gate, and broad is the way that leadeth to destruction, and many there be which go in thereat: Because **straight is the gate, and narrow is the way, which leadeth unto life, and few there be that find it."**

What is He saying here? Is He not answering the person's question from Luke 13:23, which I have written a few paragraphs back? **"Lord, are there few that be saved?"** Wherein, the Lord said, "Strive to enter in at the strait gate ..." Now, when we read His words in Matthew 7:13-14, we can understand a little better! For, He more clearly answers the above question about salvation, when He states! **"Few there be that find it!" PAY ATTENTION TO WHAT HE IS TELLING US!**

And, what does He mean by, **which leadeth unto life?** My Dear Ones, is He not speaking of **eternal life? What we have all been waiting and longing for! The gift of eternal life!**

### But, what must we do to get eternal life?

Lets go to Matthew 19:16 and look at the Lord's answer to this very question! **"And, behold, one came and said unto Him, Master, what good thing shall I do, that I may have eternal life?** And, HE said unto him, Why callest thou me good? There is none good, but ONE, that is, **God: but if thou wilt enter into life, KEEP THE COMMANDMENTS!"** Note that our Saviour uses the word "life" in answer to the man's question about "eternal life!" So, in this sense, "life" and "eternal life" are interchangeable! **PAY ATTENTION TO WHAT HE IS TELLING US!**

 From The Mountain Prophecies Copyright 2007

Then, as we proceed in the verses, which follow, we read that this same one asked Jesus about which commandments he should keep; and when Jesus told him which commandments, the man said that he had kept these from his youth! Then, Jesus said to him, "If thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven; and come and follow me."

**BUT, MY DEAR ONES, THIS ONE DID NOT CHOOSE TO DO AS JESUS SAID; FOR HE HAD GREAT POSSESSIONS! AND, THE WORDS OF OUR SAVIOUR PIERCED HIS HEART AND A GREAT SADNESS OVERCAME THIS ONE!**

**So, what did Jesus then say? MATTHEW 19:21-23: "Verily, I say unto you, that a rich man shall hardly enter into the kingdom of heaven. And, again I say unto you, it is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God!" PAY ATTENTION TO WHAT HE IS TELLING US!**

### The Idols of Material Wealth!

**My Dear Ones, this man had kept the commandments from his youth; but would not give up his wealth to come and follow after our Lord! For, he loved too much the things of this world! And, such a one shall hardly enter into the Kingdom of God, for the love of the world is far greater that the love of our Lord and God!**

### Hear this warning, Oh you people!

**The love of material wealth and worldly treasures is a great trap, a great prison; and only serves to keep one tied to this world and all of its idols! There is no place for the money lovers and the materialistic people in God's Kingdom! For, all such things can only be considered as the WORSHIP OF IDOLS! May we all take note; for in due season, all that any hold dear in this world, will pass away as dust in the wind! Therefore, I warn you to take heed to our Saviour's words, that you cease to pile up treasures in the earth, but that you take your wealth and do good deeds for others, while you can! Store up your treasures in Heaven; for this is all that any can take out of this world!**

### How we Must Walk Before Our Lord and God!

Therefore, we must put our God first, love Him above all, and show that we love Him by obeying Him and walking humbly as little children before Him! It is written! "Suffer the little children to come unto Me, and forbid them not: for of such is the kingdom of God! Verily, I say unto you, Whosoever shall not receive the kingdom of God as a little child, shall in no wise enter therein." Luke 18:16-17 PAY ATTENTION TO WHAT HE IS TELLING US!

### Will There Be Only One Harvest of Souls?

My Dear Ones, when our Saviour was in the earth, He often spoke in parables to the masses; but to His devoted followers, He told them the meaning of many mysteries. When we read our Saviour's words throughout the Holy Scriptures, we clearly see many of these parables! And, some of them, we do not understand to this day!

But, my Dear Ones, we are in the very last days, and if we ever needed for Him to unravel some of these mysteries, now is the time. So, I share with you some of what seem as mysteries to me; and I hope that He will quicken the hearts of all, who sincerely seek further understanding! For, from reading the Scriptures, it seems that He takes two, if not three distinct harvests of clean souls! WILL HE THEN HAVE THREE DISTINCT MARRIAGES? I DO NOT KNOW; BUT LET US LOOK AT SOME OF THESE "MYSTERY" SCRIPTURES!

### The Three Measures!

**"And, the Lord said unto them, Whereunto shall I liken the kingdom of God? It is like leaven, which a woman took and hid in three measures of meal, till the whole was leavened!"** What does He mean by this, by leaven, which is hidden in three measures? (Luke 13:20) My Dear Ones, I cannot be altogether sure, but this has been in my heart for some time. Remember that He is speaking of the Kingdom of God, that is, I believe, the Kingdom of God in the earth! Could this "holy" leaven be the matured "manchild," the seed of our Saviour, which will go to the Bride, but in three different harvests? **TAKE NOTE OF THESE THREE DIFFERENT MEASURES!** Then, read on!

 From The Mountain Prophecies Copyright 2007

If we consider that the first measure to be leavened is the "Firstfruits," the first harvest, could He very well take another measure around the middle of the last 42 months; and another measure at the end? Possibly; and to this end, I bring these verses to your awareness! Luke 12:35-38 "Let your loins be girded about, and your lights burning; and ye yourselves like unto men that wait for the Lord, when he will return from the wedding; that when he cometh and knocketh, they may open unto him immediately. Blessed are those servants, whom the Lord when He cometh shall find watching: verily I say unto you, that he shall gird himself, and make them to sit down to meat, and will come forth and serve them. **And, if he shall come in the second watch, or come in the third watch, and find them so, blessed are those servants!" My Dear Ones, what are these second and third watches? NOTE THE MENTION OF OUR SAVIOUR'S RETURNING FROM THE WEDDING (THE FIRST WATCH), PLUS TWO DIFFERENT WATCHES!**

And, we continue on: "Watch ye, therefore: for ye know not when the master of the house cometh, **at even**, or at **midnight**, or at the **cockcrowing, or in the morning!** Lest coming suddenly, he find you sleeping. And, what I say unto you, I say unto all, Watch!" (Mark 13:35) **NOTE THAT THREE DIFFERENT TIMES ARE GIVEN!**

Then, my Dear Ones, we can read the parable of the ten virgins! Firstly, our Saviour tells that the Kingdom of Heaven is likened unto ten virgins! (For the whole parable, go and read Matthew, 25:1-13) And, **while the bridegroom tarried**, the foolish ones slept, but not the wise ones; for they were watching for Him. And, at the midnight hour, there was a cry made, **Behold the bridegroom cometh!"** But, the foolish ones had no oil in their lamps and they were not allowed to go! Instead, they had to go and pay a price for their own oil! And, while they went away to pay their price, the bride went in with the bridegroom and the groom shut the door! Therefore, the Lord tells us to WATCH! FOR, WE DO NOT KNOW THE DAY AND THE HOUR!

### Two forty-two month periods!

My Dear Ones, what is this **midnight hour?** I tell you: go to Rev 12 and read the two "wilderness" verses! (Rev 12:6 and Rev12:14) And, to the woman of Rev 12 is assigned two distinct 42 month periods in this wilderness place! But, when the second 42 month

period begins, to this woman are given the wings of a Great Eagle, so that she can fly into her own place in the wilderness!

### The First Harvest!

So, when the first set of forty-two months is up, at the **midnight hour,** at the **halfway mark** in the seven years tribulation period, then our Saviour comes! We are also told in Rev 12:10 **"And, I heard a loud voice in heaven saying, Now is come salvation, and strength, and the kingdom of our God, and the power of Christ**..." **So, from this very verse, we know that SALVATION surely comes with Revelation 12! THIS IS THE FIRST HARVEST OF SOULS! THE HARVEST OF THE FIRSTFRUITS, OR OF HIS BRIDE!**

### The Harvest at the very end of the last forty-two months!

Our Lord's words in the following verse tells us that He will also come **after** the tribulation! Mark 13:23&24 **"But, in those days, after that tribulation** ...**then shall they see the Son of Man coming in the clouds**..."

**SO, MY DEAR ONES, FROM THIS STUDY OF THE WORD, WE CAN CLEARLY SEE THAT OUR LORD IS COMING TWICE, THE FIRST AT THE BEGINNING OF THE GREAT TRIBULATION AND ANOTHER AT THE END OF THE GREAT TRIBULATION; BUT WILL HE ALSO COME A THIRD TIME, POSSIBLY IN THE MIDDLE OF THE GREAT TRIBULATION!**

### But, a Third Harvest?

My Dear Ones, this may very well be the case; for He tells us to watch! He speaks of **three** different watches, of three different times of day and of **three** different measures! **And, I tell you these things now; for many are going to be sorely disappointed, unto the point of giving up, when our Saviour shuts the door and leaves them behind at the time of the first harvest! Yet, my Dear Ones, if you are not counted worthy to marry our Saviour with the first harvest, you must examine your lives, repent, persevere and live righteously! For, He may very well come and**

 From The Mountain Prophecies Copyright 2007

**take another group around midway of the last three and one half years; and then most certainly another at the last.**

### The On-going Marriage!

I do not know if there are, for a fact, three separate marriages, but I put this out to you; and perhaps He will soon give us all a better understanding about this! For, we KNOW that our Lord wishes to SAVE souls; and we also KNOW that during these most horrendous of times, that He is going to pour out His love, grace and mercy upon the lost! **BUT, WE ALSO KNOW THAT HE IS A RIGHTEOUS GOD AND THAT HE IS ONLY GOING TO MARRY THOSE, WHO ARE CLEAN AND WHITE, WITHOUT SPOT OR BLEMISH!**

My Dear Ones, it is very important that you understand the above concepts about **salvation** and **eternal life and how these relate to the BRIDE;** for there is much confusion about these very concepts! For, many have told anything and everything to the masses about these two very important events! Some have done so in ignorance, while others have done so, just to tickle the ears of their congregations, and to fill up their coffers! But, even so, at this very late hour, it is extremely important that we all better understand these two very important concepts! For, time is literally running out for much of humanity! Take heed of our Lord's very words! **There is NO EASY WAY to SALVATION! There are NO SHORTCUTS! For, STRAIT IS THE GATE AND NARROW IS THE WAY!**

### More about Revelation 12 and Satan's On-going attempts to stop your heritage!

My Dear Ones, daily Satan directs at me his anger and wrath for what is at hand! Oh, he is furious about the manchild; and what this means for humanity! Daily assaults on my mind, my body and my spirit! Truly, I have seen the kingdom of Satan from the inside, having lived beneath it for more than 57 months! Yes, 57 months since the U.S. Government placed their stealth craft in the air over this land; and they have followed me in all of my travels, up and down the world! Since that time, I have been their virtual prisoner! Yes, indeed, a prisoner for love of the Lord Jesus Christ! How greatly blessed I am to be counted a prisoner for love of our Almighty God!

Dear Ones, through their own words, they call their assaults against me, "the greatest experiment ever to be done to a living human being." For, a fact, I have lived a DANIEL LIFE for years; and have survived the most horrendous kinds of torture and persecution only because of the love, the grace and mercy of THE MOST HIGH GOD YAHWEH! FOR, DAILY HE MAKES EXAMPLES OF THEM! DAILY, HE DEFEATS ALL OF THEIR SCHEMES! JUST AS IN THE DAYS OF MOSES AND THE PHAROAH, IT IS NOW WITH ME! For, they come almost hourly, by the day and night, with yet another scheme, with yet another twist on what they have already done to me; and daily our FATHER AND BLESSED SAVIOUR DEFEAT THEM IN ALL OF THEIR SCHEMES! OH BEAUTIFUL AND WONDERFUL GOD HE IS!

LICKING THEIR WOUNDS THEY GO! HOWLING INTO THE NIGHT, SATAN SCREAMS! BELLOWING OUT HIS ORDERS AND SCREAMING IN DEFEAT, HE FLEES, ONLY TO RETURN AGAIN AND AGAIN! FOR, OUR FATHER ALLOWS IT! OUR FATHER ALLOWS HIM TO COM HIM BACK INTO MY FACE, DAY AFTER DAY; FOR THIS IS OUR FATHER'S WORD IN REV 12 FULFILLED; AND THIS IS ALSO OUR FATHER'S DEVELOPING WORK THROUGH THE MANCHILD!

### The Manchild is a 'Handsome Man and A Handy Man!

AND, OH WHAT A BEAUTIFUL MANCHILD! FOR, THROUGH ALL THAT THEY DO TO ME, THIS BEAUTIFUL MANCHILD OF REV 12 IS BEING CARRIED TO GREATER AND GREATER HEIGHTS! THROUGH ALL THAT THEY DO TO ME, HE IS ONLY GROWING AND GROWING IN THE GREAT AND AWESOME POWER OF YAHWEH! SUCH A BEAUTIFUL SIGHT TO BEHOLD! FIRE AND GLORY ARE UPON HIM; AND OH WHAT A BEAUTY HE IS! INDEED, OUR SWEDISH BROTHER DREAMT SO APPROPRIATELY OF HIM WHEN HE DREAMED THAT THE MANCHILD IS A "HANDSOME MAN AND A HANDY MAN!"

### The Tests and Trials of Revelation 12

These great persecutions, my Dear Ones, have been my tests and trials, and continue to be my tests and trials! For, it is written! Rev 12:4 …**"and, the Dragon stood before the woman, which was ready to be delivered, for to devour her child as soon as it was born!"** Oh, yes! This hideous dragon was in my face a long time before our Saviour gave me this beautiful baby of light, that day being the May 10, 2006, in

Pretoria South Africa! And, to this day, Satan orchestrates all of the persecution, which is directed at me via the U.S. military and others!

But, this must be, even according to the words of our God, as written in Rev 12:13 **"And, when the dragon saw that he was cast into the earth, he persecuted the woman, which brought for the manchild."** Yes, it is written that Satan persecutes the woman; and all must be fulfilled according to the Scriptures! Therefore, Satan continues to be in my face; and I fully expect this to be the case until our Saviour returns; but even so, this is but a small price to pay for being part of such a beautiful and glorious work of our Lord and God! I would gladly do it all over again, even if I knew in advance about such horrors that I would have to go through! Yes, indeed, I am exceedingly blessed to be a prisoner for the love of our God! So greatly honored to be able to be a part of such a wonderful work of our Lord and God; and I would not want it any other way!

## THE HORRIBLE TECHNOLOGY, WHICH AWAITS ALL OF HUMANITY!

## AND, THE MANCHILD WAR!

My Dear Ones, I have much to tell you in this update, so bear with me as I try to remember the most important aspects of what has been happening since I last wrote to you about these things. I will also tell you why our Saviour is delaying, somewhat, His coming; and I will go into this later in this update!

But, first, I will try to explain to you some things about this terrible technology! **For, I feel that it is very important for me to go into the technology, which is being used against me; as this technology is going to be used against many of you! It is going to be used against their prisoners, the dissidents, the leaders, who will not conform, and any and everybody, whom they choose to use it on!**

Therefore, I will do my best to describe to you somewhat, this technology; for you really do need to be informed; and at this point, none is better able to do that than I

am! However, **I warn you, as well, that if you do not have our Father Yahweh and our Saviour to help you, you can in no wise get free from this horrible technology!** I suspect that there must be millions, who are already infested with various aspects of this terrible technology and are not even aware of it! And, I suspect, as well, that many of their victims are already dead, or are total mind-control zombies!

## THE ALIEN TECHNOLOGY, WHICH IS NOW IN THE POSSESSION OF THE U.S MILITARY!

Last year, I told you about the technology, which the Annunaki brought in! I told you how they would direct their sound wave technology at me, via their craft (bronze colored disk shaped craft) and that they would weave tight and sophisticated patterns into my brain, and into other parts of my body. They used metal threads and even tiny particles of glass and they weaved them even into my whole body! They followed me into town and assaulted me in my car, even in restaurants with this terrible technology! And, as I was going along, on several occasions, they would fly their craft low, just above the trees!

Over and over again they have done such things to me, and have also given such technology to Satan and the wicked humans in the U.S. military and most likely in other nations as well!

With the Annunaki came the notion of the "total body suit", or the total infilling of my body with such horrendous things! And, all of these evil hoards have done these things to me, and worse since April 11 of 2007, the first day of the full body suit! (For a better understanding of the Annunaki and Planet X, or the tenth planet, from which they come, read the translations of the ancient Sumerian texts in the books of Zechariah Sitchen! Many of them were called "gods" in times of old; and they are back now, very much running this world, alongside Satan, the evil fallen angels and the wicked humans! This, my Dear Ones, is the Fourth Kingdom of Daniel!)

## THE 360 DEGREE DNA MANCHILD!

For many months in times past, I would have to be quiet and "in the Spirit" as the manchild diligently worked to remove what they had put into me! Bit by bit, he

 From The Mountain Prophecies Copyright 2007

unwound and unfastened and unwove huge numbers of differing patterns, all of them complex and woven into my tissues until my whole body was solid with them! Solid, my Dear Ones, solid with metal, glass and whatever else they chose to weave into me! This is what they call "the total body suit!" And, oh what pain some of this caused me! For many, many days, I could hardly walk! For many days, I knew so well, (and continue to know), that I was alive only because of the grace, the love and mercy of our God! Oh, these were many, many hard days, and I shed many tears. But, even so, our Father got me through; and through it all, He has continually grown the manchild until nowadays I feel little or no pain at all, no matter what they do to me!

### The Growth of the Manchild, of the 360 Degree DNA!

But, I assert to you that the growth of the manchild has been slow! **Even line upon line and precept upon precept;** for every bit of growth has been according to our Saviour's determination and according to His hand upon and in the manchild! During those long months, there would many days wherein the manchild would be extremely quiet, when he worked so slowly, as if he were sleeping! Times, when I did not know what was going on, but would have to draw close to our Lord and get through these times as best as I could, walking in faith and trusting in the Lord! In times past, these quiet times would go on for days! But, as the months have gone by, the quiet times of the manchild, the times of relative inactivity, have become both fewer and shorter in duration!

I believe that during these extremely quiet times, our Saviour was working on him! Our Saviour was opening up something in Him; and this took time! This meant that I must wait upon our Lord; for when this was indeed the case, I could do little! These times were hard, my Dear Ones! Great tests and trials; but our Father Yahweh and our Blessed Jesus, Messiah, carried me through every one of them in victory! Blessed is our ALMIGHTY LORD AND GOD! FOR, EVERY VICTORY IS HIS!

### But, at these times, oh how the evil ones gloated!

Oh, how the evil ones gloated when the manchild went into the quiet phases! Coming and going through the walls of my house through using their "electromagnetic ring"

technology! Oh, how the walls have popped and the lights flashed as they have come and gone, only to come again and again, and again, daily and all through the night, even now, the same! After with every scheme, they have been in my face, raiding my space, gloating in their pride, believing that I would never get free of such great amounts of metal and glass in my body! Oh how they poured it on me, through all of their mind control think tanks, bombarding me with loud frequencies, calling my house and leaving absurd messages on my answering machine, bellowing our their orders and making their bizarre commands!

But, I just have continually just laughed at them! I have held them in derision, just as our Father Yahweh laughs at them! He surely muses at them, at their arrogance, in their believing that they can defeat their CREATOR! Laughing stocks! Clowns! Buffoons, they are!

Over and over again, I have shut off their bizarre threats! I have hung up on their bizarre calls; and I have continually praised our Lord and God! I have continually sung to our God; and when the Spirit of God has come upon me, I would pray against them in my heavenly prayer language! So many nights, I have been out on my porch at 2:00, 3:00, even 4:00 AM; standing under their ships and praising our MIGHTY GOD YAHWEH!

### Beautiful Friends in the Skies!

And, there have been times when the heavenly hosts of Heaven would see me! The ships of our Father would also be in the sky; and they would slowly blink their white lights in agreement with my praises! During these times of such severe persecution, it has been such a comfort and such a joy to know that the beautiful hosts of heaven are all around! They are busy, my Dear Ones! They are about our Father's work and they so love us all! Blessed are these beautiful Hosts of the Most High God Yahweh! I love them so; and so hope to see their beautiful faces one day! But, until then, I send them such great love and many thanks of deep gratitude! For, they do a great work for our Father and for all of us; yet so few of us even know of them! "Sending you much, much love, and big and joyful thanks, my Dear and Beautiful Friends in the skies!"

 From The Mountain Prophecies Copyright 2007

And, so these government ops, stooges, hired hit-men, perverts, whoremongers, yes men and women of Satan, mind control demonic hounds from hell, the circus of the Macabre still stalk me! They do not give up, not even for one moment! From moment to moment, they persist in trying to take over the manchild, in trying to take over my body, in trying to take over my mind, in trying to take over my spirit! In my face, hovering over my head all day and night, every day and night in their stealth aircraft, always stalking me, but oh how they are continually licking their wounds!

### Failures and Losers!

Oh, how frustrated they must be! How frantic they are becoming! For, by the day, all of their best planned schemes have failed them! For, daily I am a living testimony of the power of our GOD! Daily, my very existence is an affront them! Daily, they must all scratch their heads in disbelief; for who could ever live through such things, especially a woman, all alone in a wilderness place!

They have killed so many for so long and they have gotten away with all that they have done; but my Dear Ones, I am a servant of the Most High God Yahweh! My whole life is dedicated to Him; and from day to day, I continually love Him and lift up His Holy Name in praise and thanksgiving! For many years, this has been my way of life!

If I were not a true servant of Yahweh, they would have succeeded in killing me long ago! Oh, how my presence pains the Bushes and the other perverts, who have raped and sodomized me! For, I am a living testimony against them; and soon enough, I will see our Father's vengeance on all of them! But, the timing of His punishment is unknown to me, only that it is coming up soon! For now, my Dear Ones, I do my best to stay focused on this work, to keep my eyes on our Lord and God; and I leave the rest up to Him!

### My Heart is Humbled and Full of Gratitude!

Oh, how exceedingly blessed I am! And, how grateful I am for a God, who is so absolutely beautiful, so faithful, so grand, that I have no words to accurately describe Him! I have no words to describe the depth and the heights of My love for Him! For, He

is good beyond measure! And, He is mindful of me, a little person, who was among the worst of sinners! Yet, even considering my previous sinful state, He has chosen me for such a beautiful work! Not that I am deserving; and do not feel deserving, but am continually humbled and continually thankful for such an opportunity to serve Him in such a beautiful way! Glory, glory, glory to the awesome Name of Yahweh, Most High God, forever and ever! All the praise, the glory, the honor and the power to Him and His Beautiful Son forever and ever!

### Extremely Important Information!

### How they take over the minds, the bodies and the spirits of many humans!

My Dear Ones, prior to the time that the Annunaki came in, neither Satan, nor the U.S. military had the ability to target a person from one of their ships and do such horrific things! Oh, Satan and his fallen angels could knit strings into one's body! They did this to me many times; and the Dragos, the fallen angels, who came in during the war in Heaven, were proficient at it! For, they all had about ten huge, black nails on each hand; and with these nails, they could knit up my body very quickly! They simply reach right into one's body and put such things! But, the tall Greys and the Reptiles (also fallen angels), all weave things into one's body, mostly electrically conductive threads! But, they also add many other kinds of things! Even the short robotoid greys are "weavers!" Yes, they reach right through one's skin, right into one's body; and they put in what they choose!

### Lies, Lies and More Lies!

Sound like science fiction? You bet! And, those in the U.S. military lie, lie, lie, even about the presence of any disk-shaped craft in the sky! For, they obviously do not want others to know that they have been in possession of such technology for decades! And, you can bet that they will most assuredly continue to lie about this most horrific of technologies, which they are using on the unsuspecting!

**Lie, they do! Lie they have done; and they will continue to lie until the time of the UFO invasion; and I will touch on what I know of this later on!** But, as far as this terrible technology, this is the reality, which all are about to face! For, soon, these evil

hoards will swarm the whole earth! Satan and all of his demonic hoards; and all will see for themselves the truth of what I have been telling you for years! The USA has their own disk-shaped craft and other kinds of craft, which seem to operate via the electromagnetic field of the earth! Satan and his hoards all have such craft, many of them disk-shaped! The Annunaki also have them; and our Father in Heaven also has them! The Hosts Of Heaven often travel in them! I will speak more about this terrible technology, but first I will give you a little more information on the fallen angels.

### THE FALLEN ANGELS ARE ALL EVIL! ALL SERVANTS OF SATAN!

### AND ALL WANT YOU TO BE TOTALLY ENSLAVED, OR DEAD!

**My Dear Ones, these evil hoards are all proficient at doing things to cause pain to others! Plus, they have a long history of exerting mind control on the unsuspecting! All of humanity has been their playground, their laboratory subjects for gross experiments and abuses! And, through such great assaults, such as abductions, and various kinds of mind control, they have risen up to the top of this world; and they are now in control of the world governments! Yes, all of them hopping high for their leader, Satan! And, all of them working hand in hand with the wicked humans, to enslave us all and/or to kill us all and take over the planet!**

The Fourth Kingdom of Daniel is fully operant in the world; and few are the wiser! The is the kingdom of iron and clay, the iron being all of them and the clay being the humans!

### The Human/ Fallen Angel/ Satanic Hybrids!

In Daniel 2:43, we are told these words about this wicked kingdom! **"And, whereas thou sawest iron mixed with mirey clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay!"**

Here, we are told that **they mix their "seed" with the "seed" of men!** They mix their DNA with human DNA! Have they even fornicated with women, or men, to produce

human hybrids? Conduct Internet searches regarding abductees and note those, who remember such things! The tales of the various abductees, who are carried into their ships, and into the bowels of the earth and made to fornicate with fiendish beings! These fiendish beings are the fallen angels! And, note, as well, that this verse in Daniel refers to these very days, to the end times!

Even from our Saviour's own words, we know that Satan has his own children! **"For ye are of your father the devil, and the lusts of your father ye will do!" (Matt. 8:44) YES, INDEED, THESE CHILDREN OF SATAN, THESE BLOODLINES, ARE IN POSITIONS OF POWER ALL OVER THE WORLD! AND, THEY ARE, FOR A FACT, RULING THE WORLD!**

### They Have Mixed With Humans Before!

Have they not mixed themselves with the "seed" of men, mixing their DNA with that of men before? Yes! And, not in a laboratory! The words in the Book of Enoch tell us that they saw the beautiful human women as fair and that they forsook their heavenly stations and came down and mated with the earthly women, producing giants! In the Book of Enoch, Enoch tells us that it was the angels, who forsook their heavenly station and came down and mated with humans! Extremely tall, huge! They were giant beings and wicked, teaching the people all manner of witchcrafts. In fact, this is what is written in the Book of Enoch! Read the following!

**Enoch 7:1- It happened after the sons had multiplied in those days, that daughters were born to them, elegant and beautiful. And, when the ANGELS, the sons of heaven, beheld them, they became enamored of them, saying to each other, let us select for ourselves wives from the progeny of men, and let us beget children. 7:6 And, bind ourselves by mutual execrations, that we will not change our intention, but execute our projected undertaking. 7.7 … their whole numbers being two hundred … 7:10 Then, they took wives, each choosing for himself, whom they began to approach, and with whom they cohabited, teaching them SORCERY, INCANTATIONS, AND THE DIVIDING OF ROOTS AND TREES. 7:11 And the women, conceiving, brought forth giants …7:12 …These devoured all which the labor of men produced; until it became impossible to feed them.**

So, yes, indeed! They have done it before and they have done it again! For, there are now among us those, who are indeed children of the fallen angels, children of Satan and his hoards! We are being told this in Daniel! They are the very "bloodlines" which are so important to Satan, the very ones that he continually picks and puts into positions of world power! Like the Bushes, the Clintons, the Queen of England, the Rockefellers, the Rothschilds, etc. You get the picture! They want their hybrid humans in positions of power! They put them there and they keep them there!

### Why these seed do not mix!

The previous words in the Book of Daniel tell us that they do not mix, the iron and the clay! They do not intermingle! Why is this? For, a fact, my Dear Ones, Satan and his hoards will always view the humans as inferior to them, as but pawns in the big game, those, who are to be used up and discarded! Satan and his wicked fallen angels have all been around for a very long time, and the humans all have relatively short life spans! They do not trust humans and they mind control all of them in their service, so as to keep a tight reign on every one of them! They drug them, implant their brains and bodies and push them into every kind of kind of criminality and gross immoralities! If they get out of line, the puppet masters pull the rug out from under them through blackmail and/or death! If they get out of line, they are all easily expendable! Every one of them is held in place via a very tight noose; and they are all keenly aware that they will walk the line, or be six foot under, or worse! This is how Satan controls his own!

These wicked humans will always be "below" their evil puppet masters! Nevertheless, this is the Fourth Kingdom of Daniel; and it is alive and fully functioning in our very midst; for these are the very last days of this current world situation as we know it to be! And, I am thankful, thankful indeed, that we are in the very last days of this wicked kingdom; for soon comes our Father Yahweh's Kingdom, a kingdom of righteousness and holiness! And, it is coming forth, even in the midst of such horrors and chaos!

### Many Ignorant Humans!

Yet, we must not think that all in Satan's Kingdom are of the seed of Satan and the fallen angels! Many of them are ignorant humans, who have sold their souls to Satan and the fallen angels, all for power, money and prestige! **Yes, these evil hoards USE the gullible, ignorant humans, but at the same time hate them and will only work with those, who are fully under their control through mind control and through electrically implanted brains! THERE IS NOT ONE FREE HUMAN IN SATAN'S SERVICE! NOT ONE! ALL OF THEM ARE UNDER THEIR WATCHFUL EYES, AND ALL OF THEM UNDER MIND CONTROL!**

**Hell is a very hot place and it is going to fill up with a lot of extremely wicked people! Yes, wicked indeed! For, they love a lie; and they love every wicked thing! Come out of this, oh ignorant humans, while you still can! Flee far from this evil! The judgement of Yahweh is going to run hot on you; and you will burn in the fires of hell for a very long time!**

### The Great Tribulation is Upon us!

Wake up, my Dear Ones! Come out of your slumber! Come out of your denial! Get your heads out of the sand! What I write about is real! It is deadly serious and none can help you, save our Lord and God! Jesus paid the price for all of us! He came to set the captives free; and He is coming back to set up the Kingdom of our Father! And, through His work through this very manchild, He is going to bring forth His Kingdom through His Bride!

**So, turn to the Only One, who can help you! Listen to me! Repent and get your lives in order; for in one instant any could fall into their evil hands and be none the wiser, if even alive at all! ONLY YAHWEH AND HIS BEAUTIFUL SON JESUS CAN KEEP ANY OF US FROM FALLING INTO THE HANDS OF THESE EVIL HOARDS! Hear what I am telling you! Repent now! The devil is on the prowl for your soul!**

### Getting Back to their horrific Technology!

My Dear Ones, I have digressed somewhat as regards the fallen angels! But, even so, this is much-needed information! Now, I wish to get back to their horrible technology,

which is being used against the humans; and has been used against them, in some way, or the other, for some time! Even as I have told you previously, all of these wicked, fallen angels are "weavers," but the Annunaki "weaving technology", which they gave to Satan and to the wicked humans put them light years ahead of where they were! In fact, the USA military did not have this technology before then! If they had possessed it, they most assuredly would have used it on me!

Remember, as well, that according to what was given to me via a man, who is high-up in the intelligence services of another country, (around Feb of 2005), that the U.S. military had, at that time, only recently completed the successful use of the "electromagnetic ring" technology! This technology gives them the ability to leave their ships via an electromagnetic tube, and to enter into leave any place unnoticed by all, who are there! When they come and go, the walls pop and often there is a small flash of light! Otherwise, one would not be aware of their presence; for within this tube, the humans are operating beyond our visual spectrum! Through such horrific technology, they are now in a position to do as they please to any and everyone on this planet! Yes, the electromagnetic ring technology was completed not long before the beginning of 2005; and in 2007, they were given the horrific electromagnetic weaving technology through the Annunaki!

### The Electromagnetic Weaving Machine from Hell!

### What is coming upon humanity!

The first feeble attempts of the U.S. military to weave threads into me via external devices were really laughable. A string going this way; and one going that way; one connecting to one side of my throat and another stretching out to the other side! And, up and down my body with coarse metal strings! But, as the months have gone by, they have gotten more and more sophisticated with their weaving! Now, they are able to target me through the computers on their stealth craft and to literally weave up a large part of my body, and almost solidly so, within a very short time, say thirty minutes, or an hour! Given two hours, I would say that they could knit up anyone's body and do so almost, or in a near solid fashion! The speed at which they weave up

ones body is also variable, and may be fast or slow, all depending how they program their computers to "weave!"

**How does this work; and**

**How Does This Machine Feels on One's Body!**

My Dear Ones, at times it seems that they extend a device from their craft! There have been times when I felt for a certainty that they were extending an invisible arm from their craft and grabbing onto me; for with the DNA spirals, which now extend outside of my body, I can actually reach out for several feet and can feel this very long extension, which is grabbing onto me! And, by the day, they do such things to me regularly!

At other times, I have known that someone was in my house and was standing before me and was directing a hand-hale device at me! When this happens, I hear the high-pitched sound waves and I also feel the knitting, which is going on in my body!

This has happened daily for many months; as they never let me out of their sight! But, at other times, I felt that they had me on their "radar" so to speak and were pummeling my body via certain patterns, which manifest on their computers, and that these patterns were electromagnetically woven into my body! I most definitely believe that this is what the Annunaki do, but remember that the humans have had to grow in this technology! So, their knitting seems to be done in variable ways!

What does one experience when targeted by this weaving machine? Well, it depends on whether they have their "knitting" speed set on high or low. If it is on low, one may feel soft undulating waves as they hit the body with the knitting strings; and accompanying this motion, one will most definitely hear very high-pitched sounds. One will also feel the knitting strings as they attach to certain body parts! One will sense the machine moving here and there as it makes certain designs.

As these strings go through the covers, and the pillows on one's bed, there will be sounds like "Shhhh, shhhhh, shhhh" and a rustling in the fibers of the bed covers and

 From The Mountain Prophecies Copyright 2007

pillows! At times, they will make sharp jolts against one's body with this machine, which will literally knock one's body and push and shove at one's body! It is usually at these times, that they are forging these substances deep into bones and deep into flesh! At times, however, the jolt to the body may be just another assault to persecute and to keep one awake! You will know when you get hit by their jolts and by their knitting machines!

### How the Annunaki Use Such Devices!

My Dear Ones, I heard the Annunaki speak of weaving such horrific things into the bodies of their prisoners! I really do not know how such horrific technology is going to manifest in others on this planet! The pain of such things would be unbearable if one is not carried in the love and grace of our Lord and God! How agonizing is this pain going to be? I suspect worse than any of us could ever imagine! For, I have most assuredly endured great pain from time to time!

### The Hearts of Many Shall Fail Them!

My Dear Ones, I suspect that the hearts of many will fail them because of such pain! I suspect that the bodies of many others will be taken over completely, their minds under the total control of these wicked hounds from hell! For, shall none get free of such things, except through the power of our God! And, this is for a certainty one of the reasons that He is raising up the manchild under such circumstances! For, the Bride, the Supernatural Army, will so need our Saviour's power through His Manchild, to help all of you! Therefore, the manchild is in actually in training!

My Dear Ones, I tell you for a fact that this is going to be severe beyond any words to describe it! I am at a loss in trying to describe the effects of such horrors, which are going to befall those, who do not know our God; and therefore have no faith in Him! But, this technology will not be used, just on the lost! These evil hoards are going to make war against the Christians!

I know that many are worried about implants and rightly so, but my Dear Ones, with these machines, they can far exceed the effects of any kinds of implants; for the whole

body becomes one great biological object, which has been turned into metal, plastic, glass, or whatever they so choose to tightly weave into one's body! The whole body become one giant implant!

**Don't Turn A Blind Eye to What I am Telling You!**

**Get on your knees Before the Lord! Repent!**

**And, pray that You are Counted Worthy To Escape These things!**

Oh, yes, I know that this is hard to grasp! It is difficult to understand what I am telling you! For, who has ever heard of such things? You and I have had no reason to suspect that such technology even existed! Where would we ever get such a notion? I tell you that I have lived a naïve life! **I have lived a simple life, cut off from such horrors, and I , COULD NOT IN ANY WAY HAVE EVER IMAGINED SUCH THINGS!** These thoughts would have never entered into my mind; for I have had no reason to ever suspect that such horrors existed!

Yet, I daily live through such things! Too bizarre for words! And, as I continually live through such things, I am therefore in a position to tell you the truth! This is not human technology, but alien technology, which is now in the hands of ruthless humans! They have it; and they are going to use it widely! Mark my words in this! It is just a matter of a very short time!

**The UFO Invasion!**
**Many Will Believe That They are Here to Help Them!**

And, this is why you need to get ready spiritually, emotionally and mentally for what is at hand, as best as you can anyway! For, at the time of the UFO invasion, they will most assuredly use this technology on many, who will naively get into their ships! They will end up as total mind controlled slaves, if they live at all! And, though I have not received any words from our Father about this UFO invasion, our Dear Brother in Canada has dreamt three times of this UFO invasion; and I absolutely believe that this is going to be! In his dreams, he is shown that there is a massive UFO invasion. He looks to see many, many of them in the sky, and people, like zombies, go and get onto these craft.

Some time back, I read about a woman, who was abducted via one of these craft., and if I remember correctly, she stated that this took place in the early 80s. As she could not remember what happened, she went into hypnosis to recover these memories! What she found out was that she was taken by some of the small (robotoid) greys! And, once inside the ship, she had wanted to look around! However, she was forbidden to do so, and her attention was re-directed by this grey robotoid, to a screen, like a television screen. What she saw on the screen was a time of war; and many were going and getting on these ships! This was on http://www.rense.com some time back and perhaps it is still there! Though I have left out some, I am sure, I believe that I have recalled most of what she told.

So, herein is apparently their plan! When the war comes, they will fill up the skies with their craft and many, who have been already programmed, will just go like zombies and get on these ships! My Dear Ones, BEGIN NOW TO PRAY AGAINST THIS, THAT OUR FATHER WILL BURN UP THE PROGRAMMING IN THE MINDS OF THESE PEOPLE RIGHT NOW! PRAY FOR THESE SOULS, SO THAT WHEN THEY HAVE THIS INVASION, NONE WILL GO! For, oh what horrors await those, who naively get on these ships, believing the lie that these wicked hounds from hell, have come to help! Oh, Dear Ones, lift up this prayer continually before our Lord and God, that He moves now, ahead of this invasion, to free these Dear Souls!

### Why our Father allows all of this to happen to me!

My Dear Ones, as I have told you above, this is how our Father is raising up the manchild, the spiritual DNA of our Saviour! Through the daily horrors, which they inflict upon my body, our Father and our Saviour are raising up this manchild and they are preparing Him for war! He is being made ready for the Supernatural Army! And, day by day, he is growing in power, in statue and strength! Through so many horrors, through so much persecution, He is being made ready for the Bride! And, through all that our Lord and God is putting into Him, He will have the know-how to fight on behalf of all of humanity! Yes, he must be wise to their horrific technology; and this is how our Saviour is preparing Him for battle!

My Dear Ones, we so desperately need the Supernatural Army! How we need the Kingdom of our God in our midst! How we need the power of our God! Oh, how we must all get a longing for the coming of our Saviour! And, how we must all get a longing for the salvation of souls! A longing for our Father to equip us to be able to fight such horrific technology! Oh, my Dear Ones, stay in deep prayer on behalf of all of humanity! Only our God can help us; and we so desperately need His power in this dark and evil world!

### HOW DO THESE ASSAULTS AFFECT THE MANCHILD!

### WHAT IS HE LIKE NOW?

My Dear Ones, the manchild is daily growing in such power, that he is literally becoming an all-consuming fire! He is fire, my Dear Ones! Awesome power! The power to burn up many, large and varied rocks, which they forge into my body! The power to burn up, and dissolve huge amounts of metal, glass and in recent months massive amounts of very hard plastic, like the kind, which is used on automobiles! Yes, he is becoming an all-consuming fire! Sometimes exceedingly great heat manifests throughout my whole body! And, after he burns up what they put in me, he then rotates the many DNA spirals and carries all of this stuff out of my body!

This process is on-going all day and all night! For, when they see that the manchild has burnt up and dissolved what they put in, they target me from the ships, or come into my house and use hand-held weapons and pummel my body with more of the same! Frantic they are to put out the light in the manchild, to put out the fire! So, they are continually putting much into my body in order to shut out the fire of the manchild, to overload him and to cause him to slow down or to stop altogether.

Since the manchild spins in a counterclockwise fashion, they not only put massive amounts of these foreign substances into my body, all in order to try to stop the spin, But, also they make wing-like objects and create various extensions from my body, all in an effort to stop the spin of this beautiful manchild! These extensions may go out for two to three feet from my body, all connected to my body, into my spine, through what is most often these days very hard plastic! And although these things cannot be

seen through normal visual channels, (because of the nature of this technology) these things can be felt; and the weight of them can be felt!

And, so it goes from day to day! But, take note of what I am telling you! The manchild is becoming full of the fire of God, full of the glory of our Saviour; and one day our Saviour will determine that he has grown to his own specifications, and then He will come for His Bride!

I wish to mention to you as well that the main way that they have tried to shut out the light and fire of the manchild for many months has been through the weaving of coarse fibers into my whole body. These coarse fibers are coated in an oily substance and interwoven in these fibers are strands of very hard plastic! From time to time, I find one or two of their fibers, or other tiny remnants of things in my bed, which did not make it into my body, or which came out of the field! I do not know why this is; and I do not know how any of their technology really works. I can only guess, but as they are driven into one's body via a huge electromagnetic field, these also seem to stay in that field and cannot be seen, but can be felt in one's body, as I have told you! The smell of this oil permeates my pajamas, my bed covers and my housecoat to such a degree, that I must nightly change my pajamas! The smell of this oil reminds me of the smell of playdough!

A friend of mine, (who has worked on inventions with magnets) told me that they are infilling me with the fibers, in order to try to shut down the electrical field of the manchild! I suppose that that is what the oil is for also!

### The Perfect Weapon!

I have told you before that what they forge into my body, cannot be picked up on x-ray diagnostic tests, and possibly not on any tests! I told you about going to the emergency room last year when I had so much metal in my body, that when I moved, there was a muffled sound, like someone walking on a tin roof; and I was in so much pain from the metal, which was melded into my tissues, that I could hardly walk for about four days! I did not go to the emergency room for help, as I knew that none of them could help me! I went to get an x-ray of my chest to see what, if anything, would

show up on film! In spite of all that was in me, the huge amount of extraneous metals, NOT ONE THING SHOWED UP ON FILM! FOR, I LOOKED AT THE FILM!

Therefore, I can only conclude that these extraneous substances in people's bodies cannot be seen on standard x-rays! I do not know if this is so with MRIs and other kinds of tests, like the CAT scan!

Though I do not understand this technology, I believe that they are somehow able to take metals, plastics, and whatever else they choose and cause these things to operate at a frequency, which is beyond the visual spectrum! This is what they do to themselves when they come and go through their electromagnetic tubes! And, if they can do such things with themselves, surely they can do such things with any and other objects as they choose! They can thereby cause these things to be unseen to the physical eye, and to be undetectable through ordinary means!

Yes, indeed! They have created the "perfect weapon," and are able to carry out the "perfect crime," or so they believe! All on this planet are prisoners to this horrific technology; and the only saving grace comes through our Lord and God! No one else is going to help you; and no one else can help you!

### Unparalleled Arrogance!

**Oh, they are arrogant! Those in the U.S. military! The fallen angels! Satan and the evil Annunaki hoards! And, as such they are full of every egoistic downfall! Yes, they have risen high, but oh so great shall be their fall! For, all of their schemes are known to our God! All of their technology is known to our God! All of their arrogance is known to our God; and one day He is going to lay them low! He is going to bring them down out of their high towers! He is going to debase all of them; and He is going to bring forth His mighty Kingdom into the Earth!**

### A Righteous People!

He is going to raise up His righteous people and they are going to put under their feet all of this evil! They are going to be full of the holy fire, of the power and glory of our Saviour! Through His very manchild, these are going to "marry" our Saviour; and they are going to clean up some evil in this Earth! The Bride will soon be taken; and oh yes, they are coming back in radiant glory, the glory of our God! HALLALEUYAHWEH!

But, while I am on the subject of the arrogant humans, I will show you something!

My Dear Ones, herein I list just some of their IDs, which they left on my caller ID in the month of January of 2008! Usually made-up, or fake numbers, along with their fake names! They know that I will not listen to their dribble on my answering machine; and they know that I will not listen to their calls, so they leave their arrogant notes on my caller ID! Cowards they are! Bullies of the worst kind! Read on!

### How and why most are going to fall!

**So many of you are of the mistaken notion, "Oh better you than me!" You believe that if you lay low and stay far from people like me that all will be well with you! But, I tell you right now, that you are already taken! You are already their prisoner; and you know it not! For, when you see one of the servants of the Most High, who is going through persecution; and you shut your mouths; and you shut your wallets; and you stay far away, lest such come upon you, I tell you right now that you are already their prisoner! Prisoner of their terrors, prisoner of their fears, prisoner of your own cowardice, prisoner of your own selfishness, prisoner of your own lack of love and concern for others! And, the list could go on and on; but you surely get the message!**

**And, this is where most all of you are right now concerning these works of Revelation 12! In fact, I had to petition our Father and ask Him to allow me to write this message; for He had determined to give you little, save for His warnings of destruction! But, in spite of the way that most of you have done regarding these works, I wish you only love! Long ago, I forgave all, but even so, you are still you; and you must sort through your own lives! You must overcome all that is a barrier between you and our Lord and God. None can do for you what you must do for yourselves! But, just remember one thing: JESUS FORGIVES! OUR GOD LOVES AND HE FORGIVES; BUT AS HE SAYS IN ONE OF THE FOLLOWING MESSAGES, HE IS ALSO AN ALL-CONSUMING FIRE! TRULY, IT IS A FEARFUL THING TO FALL INTO THE HANDS OF THE LIVING GOD! Heb 10:31**

Yet, in spite of all that I have been through; and all that the evil ones have done to destroy these beautiful works, I have but one thing to shout to the whole world!

### A HOLY CHILD HAS BEEN BORN! A MANCHILD, WHO WILL SOON RULE THE WORLD WITH A ROD OF IRON!

**Stand up, oh you nations; and rejoice! For, a child has been born into the earth! Even to a woman, who is now approaching sixty years! A GLORIOUS CHILD! A BEAUTIFUL CHILD, A CHILD OF SPIRIT, LIKE NONE OTHER! A RADIANT CHILD! ONE, WHO IS BEING INCREASINGLY FILLED WITH THE POWER AND GLORY OF OUR GOD!**

**A LIVING FIRE, AN ALL CONSUMING FIRE! OH, YES! HE IS BECOMING AN ALL-CONSUMING FIRE, A FIERY FURNACE! BEAUTIFUL BEYOND DESCRIPTION IS THIS BEAUTIFUL HEAVENLY BOY OF SPIRIT! THE MANLY MANIFESTATION OF OUR SAVIOUR'S DNA! HIS SEED INDEED! HOLY, PURE, RIGHTEOUS, SO PERFECT, SO BEAUTIFUL! THE VERY BIRTHING OF OUR FATHER'S KINGDOM IN THE EARTH! OUR SAVIOUR'S BEAUTIFUL GIFT TO HIS BRIDE; AND TO ALL, WHO WILL ENTER INTO HIS KINGDOM! A BEAUTIFUL BOY, THE INTIMATE COMPANION OF THE "SONS OF GOD, WHO WILL SOON MANIFEST!"**

**YES, INDEED! THIS IS WHAT THE EVIL ONES SEE! THIS IS WHY THEY CONGREGATE IN THE SKIES OVER MY HOUSE AND WHY THEY HAVE BEEN THERE FOR 57 MONTHS! FOR, THEY KNEW WELL IN ADVANCE OF MY KNOWING! SATAN KNEW! HIS EVIL HOARDS KNEW! OH, THEY KNEW ALRIGHT!**

### What Satan and his fallen angels knew all along!

WHEN THE WAR IN HEAVEN WAS GOING ON, AND THE DRAGOS (SATAN'S FALLEN ANGELS) WERE ABOUT TO BE DRIVEN INTO THE EARTH, MICHAEL, THE ARCHANGEL WOULD SAY TO ME OVER AND OVER AGAIN, ‘They are coming right for you! They are coming after you!" And, I, being so naïve of all that was going on, would say to myself, "But, why me?" Why are they coming after me?"

At that time, our Saviour had not even given me the Baby Boy Spirit of Rev 12! But, oh how they came after me! Oh, hell on earth it was! As if the bowels of hell had been opened up, they swarmed me, sticking all manner of things into my flesh, burning me, knitting my body up with so many kinds of electrically conductive threads! Monsters, with heads of birds and bodies like those of penguins, black bodies covered in black scales! With about ten long claws on their hands and feet! Hideous Drago/fallen angels! Oh, yes, with these horrific claws, they wove into my body massive amounts of electrically conductive threads! For over two and one half months, this horrific war went on!

 From The Mountain Prophecies Copyright 2007

### A Flood of Satan's Hideous Fallen Angels!

They came after me; and I fled! But regardless of where I went, I could not escape them! For there were billions of them! This was the "flood", which Satan sent after the woman; and this scripture had to be fulfilled! "And, the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood. And, the earth helped the woman, and the earth opened her mouth, and swallowed up the flood, which the dragon cast out of his mouth!"

### The Earth Swallowed Them Up!

And, then what happened along with the flood? The first interdimensional portal, which I have written of in this book, opened up; and the archangels and other angels under the direction of our Saviour rounded them up, these hideous Dragos, and they tricked them into the open portal, wherein they carried them into the middle of the earth via this opening in the earth! **"And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth."** And, surely these hideous and evil creatures are now in the Lake of Fire! Blessed God we have; for if all of these evil creatures had been allowed to descend upon humanity, few would be left!

### The Last Phases of Revelation 12

Oh, yes these parts of Rev 12 have all been fulfilled; and we are now entering into the very last phases of Revelation 12! Not much left and not much time left for you to repent and come clean before our Lord and God! For, as of the 18th of February of 2008, forty-two months will have passed since Revelation 12 began in South Africa! And, when the time of Revelation 12 is ended, and our Saviour comes for His Bride, the time of great sorrows shall come upon the whole earth!

### Understanding the Wilderness Place of Revelation 12

My Dear Ones, I understand more fully now about the eagle wings of Rev 12:14! I now know that the eagle wings will bring me back from Heaven, along with the rest of the Bride! The Bride will also get her own wings! (Beautiful God we have!) **"And, to the**

**woman are given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times and a half a time, from the face of Satan!"**

My Dear Ones, take note of the fact that when I return upon these wings, that **Satan will not be in my face!** For, he will not wish to be; but he will be in yours! This is indicated through the words of our Lord in the very last verse of Rev 12; and I will get to this shortly! But, first I want to comment on the wilderness place of both Rev12:6 and Rev 12:14! For, these two verses had been a continual mystery to me until our Father gave me understanding a very few weeks past!

At the time that he gave me understanding, I was, as is so often the case, wondering when He would come for me and for all of you, who are to go, at the coming of our Saviour! Oh, so many times I have sought Him on this; and was that day seeking Him again, when He quickened my understanding! **He made me see that these two verses about the wilderness place actually refer to TWO DISTINCT FORTY-TWO MONTH PERIODS!** Oh, that was a shocker; and something, which He had not shown me at all; and my first question to Him was, "Father, why did you not show me this before?" And, His answer to me was, **"It would have been too hard on you to know this in advance! It was better for you to believe that My Son would be coming any day!"**

This, my Dear Ones, was His mercy! This was His love; for in this He is so correct; as He is correct in all things! For, this hope that our Saviour could literally come any day has kept me going from day to day, and through terrible torture and persecution this beautiful hope has often sustained me! But, I also understand why He could tell me now! It is because of the fact that the manchild has grown so! He quickly dissolves so much by the minute, by the day and the hour; and the great pain and stress in my body is minimal, as compared to what it has been in the past!
So, this being the case I began to ponder on the timing of our Saviour's coming! Not that I can really figure this out! But, realizing, however, that our Father gave me this information about the first forty-two month period so that I would KNOW that there remains yet some months!

**What are these two forty-two month periods?**

Oh, yes! A few of us were so expecting Him before Christmas, as He gave us a certain timeframe to get many invitations into the streets; and we worked very hard! But, even as he gave this timing in a dream, He gave another mystery dream, which we could not understand! And, I will go into some of these dreams later!

At this point, I wish to address the two distinct forty-month periods. Now, the first verse states: "And, the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days!"

When I looked at this verse, I realized that I must be in this wilderness place, this very wilderness place in which I live, one, which has forests on three sides and even forests across the road, which goes in front of my house. And, even though, there are houses up and down the road, I cannot see them from where I live! I actually do live in a wilderness place and I also live in a spiritual wilderness.

So, this being said, I tried to determine when the Lord would begin my stay in this wilderness place! For, I had gone to South Africa and came back to the land in the Spring of 2005! At that time, I was going through a divorce with my previous husband, who was also living on the land in the mobile home! And I moved back onto the land on March 07 of 2005, but the land was not actually given to me as a legal residence until on around the 9th of May of 2005.

I also wish to point out, that the second verse about the wilderness place could not pertain here; that is, the verse about the "eagle wings"! For, it was not until October 09 of 2007, that I was able to work out a deal with my ex-husband to keep this half of the land and the mobile home! Then, and only then did this place become my place! So, the reference to the wilderness place, which God prepared would not be appropriate here as regards the second forty-two month period! But, when I come back on the eagle wings, I will come back to my own place, not fleeing as before, but flying in the power of our Saviour!

So, the first forty-two months begins, I believe, either from the March 07 timeframe of 2005, or from the May 09 timeframe, and goes forward! Not forty-two months from the time of the beginning of Rev 12 in South Africa; for this will end on February 18 of this month!

But, by beginning the first forty-two months with my coming onto the land, instead of the previous date of its beginning in South Africa, I know in my heart of hearts, that our Father has built into Rev 12 an added time of grace for all of humanity! An added amount of time, if you will, for all to repent, to come to our Lord! And, a time for others to get prepared for the very hard times, which are at hand!

Know as well, that I am not in any way stating that our Saviour will come on forty-two months past either of these dates! For, He could come earlier if He so chooses. And, he could also extend this time! And, why would I say the latter? That, He could extend the time? Because, He is Most High; and He does as He will! But, He is also bound by His word, even if we do not understand it!

And, there is one verse in the Book of Daniel, which I do not understand at all! Not, that there are not many; but this particular one stands out at me! "Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days." How does this compute into months? It is forty-four and one half months! Does this relate to the last forty-two month period, to the time of the Great Tribulation? NO!! For, the word so clearly states, "And except that the Lord had shortened those days, no flesh should be saved: but for the elect's sake, whom he hath chosen, he hath shortened the days." (Mark 13:20) This refers to the last forty-two month period, or to the time of the Great Tribulation!

Could Rev 12 be extended that far? I do not know; and I cannot say, but I put this out as food for thought! I know that our Lord wants to SAVE SOULS! I know that HE IS RIGHT NOW POURING OUT HIS GRACE UPON HIS PEOPLE! LOOK AT HIS GREAT GIFT THROUGH THE WEDDING INVITATION! IF HE SHOULD CHOOSE TO STAY HIS HAND OF GREAT JUDGEMENT FOR THIS LONG, AND ALL TO SAVE MORE SOULS, I CAN ONLY SAY,

 From The Mountain Prophecies Copyright 2007

BLESSED IS HIS HOLY NAME! FOR, I KNOW THAT HE DOES NOT DESIRE THAT ANY SHOULD PERISH! BUT, EVEN SO, I DO NOT KNOW WHAT HE WILL DO!

### THE COMING WAR AGAINST THE SAINTS!

Now, I want to get into the very last verse of Rev 12! **"And, the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ!"**

### MY DEAR ONES, SATAN IS GOING TO MAKE WAR WITH THE REMNANT, WITH THOSE, CLEAN SOULS, WHO KEEP THE COMMANDMENTS OF GOD

When is he going to do this? Will it be soon; even before the coming of our Lord, or is this to take place against the Bride, after she comes back from heaven, along with others of the remnant? I do not know!

I cannot say when he is going to MAKE WAR, BUT HE IS GOING TO MAKE WAR AGAINST THE RIGHTEOUS AND CLEAN SOULS! Perhaps, this is not until the rule of the antichrist when the Bride comes back, but even so, it is going to be!

Now, I hope that you have read about all that he has done to me; and the word only states that SATAN PERSECUTES THE WOMAN! But, considering that he does such horrific things to me; and this is ONLY PERSECUTION, what is WAR AGAINST THE REMNANT going to look like?

**"And, the dragon was WROTH with the woman, and went to MAKE WAR with the REMNANT of her seed, which keep the commandments of God, and have the testimony of Jesus."** What is the testimony of Jesus? The word tells us that the Testimony of Jesus is the Spirit of Prophecy! (Rev 19:10) In other words, I believe that he makes war against the spirit-filled Christians, particularly against the prophets!

My Dear Ones, I tend to believe that this will take place when the Bride comes back, although I am not totally sure! For, the word states that when I come back with the eagle wings that Satan is not in my face! And, as he is no longer in my face, he is in the

face of the righteous souls; for he is very angry with me! But, he can do nothing to me at that point; for he has been allowed his time in my face! Plus, at that time, he is not going to like to be on the receiving end of the fire!

My Dear Ones, hard, hard times are ahead for the righteous souls! This is the word; and it is going to be fulfilled to the letter, just as Rev 12 has is also being fulfilled to the letter! Pay attention, all of you, who are of the remnant; and get prepared! And, to the rest of you, who have been out chasing the vanities of the world, I warn you now!

## COME BACK TO YOUR FIRST LOVE!

If you do not know our Saviour, do not waste another day! For, if you have no faith now; how will you suddenly get faith when the world, as you know it, is passing away right before your very eyes! For, there will be killing, death, disease and destruction as none could ever imagine! Hear what I am saying to you; for it is written! SATAN IS GOING TO MAKE WAR AGAINST THE RIGHTEOUS, BUT FOR A FACT, HE IS GOING TO MAKE WAR AGAINST ALL HUMANS! The whole world will groan and weep beneath the weight of such evil and destruction! I have shown you the written words; and these very words WILL BE FULFILLED, just as every word in the book of Revelation will also be fulfilled.

My Dear Ones, I am in a position to speak these words of truth to you, to know the truth of Revelation 12, even as it has unfolded in the earth; for I have lived every minute of Revelation 12; and from day to day still go through the hideous assaults of Satan and his disgusting hounds from hell circus! Yes, indeed a circus, a circus of the Macabre; and they all live for evil! They delight in evil! They literally thrive on it! Oh, what horrors await the whole world!

## SATAN IN THE EARTH

SATAN HAS BEEN CAST DOWN! HE HAS BEEN CAST DOWN INTO THE EARTH FOR OVER TWO YEARS! Some months past, a certain prophet seemed irate with me and said, "Satan is not going to be cast down! He is coming up out of hell!"

 From The Mountain Prophecies Copyright 2007

**All I can say is read Rev 12:7-8 "And, there was a war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels and prevailed not, neither was their place found any more in heaven!"** This clearly tells us as well that the Dragos, who were cast down with Satan, are fallen angels! (Archangel Michael called them Dragos!) It also tells us that there was a war in heaven; and that Satan and his angels lost. **They were cast down, even as I have told you; for I, myself, lived through this war; and was visited regularly by Michael and Rafael, both of them archangels!** They fought with our Saviour in this war, alongside many other angels and hosts of Heaven!

And, since that time, I can tell you for a fact that SATAN HAS BEEN BUSY, LAYING THE GROUNDWORK FOR HIS KINGDOM IN THE EARTH! HE IS GETTING HIS HOUSE IN ORDER, HIS CARDS IN ORDER, BEFORE HE LETS THE HAMMER DOWN ON THE REST OF YOU! And, all that keeps him out of your face is the on-going work of our Father and Saviour through Revelation 12! For, because of this work, Satan is in my face and not yours, for this is written and must be! When this is finished, he is going to be in your face and worse that any could ever imagine! For, what our Father makes him hold back now, He will be allowed to release upon the people, when this if finished!

### The Day of the Lord!

Truly our Saviour warned us when He told us that the day of the Lord is a time of darkness, gloominess! (Joel ch2) Oh, gloominess in the skies, gloominess in the world and gloominess in the hearts of people the world over! For, many have lost hope! Many have fallen to the snares of Satan and they cannot get free! And, the hearts of many are cold; for they have forsaken the Lord of Great Love, Light and Life! Oh, yes, indeed! A WORLD OF DARKNESS AND GLOOMINESS AS HAS NEVER BEEN KNOWN! AND, IT IS ONLY GOING TO GET WORSE! But, even so, our Saviour is coming! He is coming for His Bride! He is coming for the wedding guests; and He will take whomever else, as He so pleases! But, now for more shocking news from our Father!

### We Have Not Seen the Last of Niburu, or the Tenth Planet!

I also warn you, my Dear Ones, that we have not seen the last of Niburu! We have not seen the last of Planet X! These are our Father's recent words to me regarding Niburu! "You have not seen it all!" That is all that he said! And, why did I ask him about the 10th planet, about Niburu again; for He told us that it came through last year! I asked him because of a part in Revelation 12, which I do not understand; and this is the part: **"And, there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads."** What is this great red dragon wonder, which is to appear in heaven?

I used to believe that this pertained to the war in Heaven, but I began to wonder about this manifestation in heaven! Will this manifestation be visible for all to see, just as the woman with the crown is to be visible for all to see? And, if this is to be visible for all to see, when will this be visible for all to see!

Last year, a great manifestation happened in the skies! A great winged disk, as some saw it, came roaring through; and it was in the skies for several months! With this two-winged disk came many of the Annunaki, very tall beings, some of them also called ancient gods, who have, very long lives, "eternal life", but many of them evil as well! And, with the passage of this winged disk, came something huge, which broke up and fell in great parts across the face of the sun, this also disappearing into a fiery mess into the sun! This was seen in the SOHO (the sun camera) photos at that time!

At that time, our Father told us that this was Niburu! But, as He gives in part and we prophesy in part, often we do not fully understand what he gives! This has most certainly been the case with much that He has given me over the years. And, I have learned the hard way, to look at what He says and to ask questions and wait; for what He gives is almost NEVER all of the picture! What I have found is that most often, there is more, oh so much more! This is how I know Him; for He does not have our mind and He does as He pleases, giving what He so chooses, and keeps unto Himself what He so desires! So, from what He now says, I can only gather that we have more to see as regards Niburu! For, these are His words, "You have not seen it all!" Therefore, I am left wondering whether we are undergoing a kind of Niburu Parade!

 From The Mountain Prophecies Copyright 2007

And, what we saw last year when this part passed was considerable! Some months past, I read that the earth slipped on its axis somewhere around 30 degrees at the time of the passing of this great spectacle! This was written by a scientific organization, and I read it on the Internet; but I am sorry that I do not remember all of those particulars at this time! They claimed that the earth actually slipped on its axis by this amount around December of 2006, which would have been around the time of the appearance of this object in the sky. But, I suspect that that is not altogether the case!

For, it was in late January or perhaps early February of last year, when this object was close and very bright in the skies, that I saw the course of the moon change drastically in the sky from one night to the next! And, from the distance that it displaced itself from one night to the next, I gathered that the earth has slipped on its axis somewhere around forty degrees, or so, give or take some degrees!

But, I have read recently on http://www.whatdoesitmean.com that the electromagnetic North Pole has been over northern Canada this winter; and in Sweden, which borders the Arctic Circle, I know that this has been a much milder winter for them! Yet, here in Arkansas, blustery winds, and much cold weather in the low 20's F. In the Midwestern USA also extreme and sustained cold this winter! So, I can believe that with the passage of this two-winged "monster" some great changes have already taken place in the Earth!

### Great Losses to Satan's Kingdom!

Our Father recently showed me a vision in which he represented Satan's Kingdom as a black circle; and then there appeared a set of white teeth and took a bite out of this circle! When this bite was taken out, there remained only between a fourth and a third of his kingdom left! So, for a fact, his kingdom is going to be greatly diminished, and I believe that this will be the case, even before it rises!

After the above vision, our Father showed me someone with a shoulder weapon, the kind, which fires small missiles from one's shoulder; and this was fired at the body of the black dragon, Satan, who is also called a red dragon. And, when the first missile

was fired at him, the missile took off most of his left wing; and when the second missile was fired, it took off most of his right wing! So, he was then unable to fly!
In that same vision, I saw Hillary Clinton! She was dressed in a clown suit with big, blousy arms, big, bloomer-type legs, huge, white shoes, and a big white collar on her suit! She turned around, bent over and poked her rear end up into the air; and on her rear end was a sign, which read, "Kiss my butt, America!" Then, she went and got onto the back of the black dragon and I saw her grab hold of the stubs of what was left of his remaining wings!

Will she become President? I do not know, but this has been their plan for a long time! A plan worth killing John Kennedy Junior for! A Bush plan, and just another trick for Bush Sr. to hold onto power!

So, will they pull it off? They have stolen the last few elections; and this one will be no different! Whoever they put in, we can all count on one thing! The election will be fixed and stolen again!

### A Time of God's Judgment Is Just Ahead!

When our Saviour comes for His Bride, will he then pour out judgements on the whole world? YES, EVEN AS HE IS NOW POURING OUT HIS GRACE ON ALL PEOPLE!

For, even ahead of this time of great judgement, He is giving out free to all, who would accept them, wedding invitations! Opportunities for any and all to be a part of something so awesome, something so grand! A glorious visit to heaven, which will forever change you!

**My Dear Ones, I hope that you have made many copies of this wedding invitation, and that you have given it to all, whom you know. I hope that you have made copies and have left them in train stations, bus stations, nursing homes, jails, hospitals, and any place, where the downtrodden might find one to read!**

**If you have not paid attention to the great gift of grace, which our Father is giving through this wedding invitation, it is time for you to wake up and take note! Do**

**your part to help save souls! Do not neglect this! This wedding invitation is such a gift of grace, such a gift of love, such a gift of mercy to all! Do not take it for granted! And, do not mock and scoff such a gift! For, if you do, you may very well be among those, who perish! I tell you that this wedding invitation is for real! Love others enough to share with them what our Father is so freely giving! What one rejects now, one may very well cry out for when he or she sees others, who are leaving on the HEAVENLY BRIDGE!**

If you have not sought our Father about this invitation for yourself, tell our Father in Heaven that you want this! Shout out to Jesus and say, "Oh, Lord, don't leave me behind! I want this gift! I want to be a guest at this wedding. Hear my cries; for I want to be there, Lord!" And, look and wait with great hope; for by the day, we are getting closer and closer!

### The Niburu Parade?
### And, also dreams about Comet 17P Holmes!

My Dear Brother in Canada sent me a dream lately, a dream, which an Eskimo had! And, in this dream, he saw what appeared to be a sun coming up on the horizon, but he knew that it was too early for the sun to come up, even a couple of hours too early. Our Brother in Sweden was given a dream over a year ago in which he looked to the east and saw what appeared the most beautiful sunset, full of orange! Our Brother in Canada saw a diffuse light in the east and described what he believed to be a comet, the center of it somewhat bright and this light extending out from it for some distance. But, I do not know what predominant colors were in his dream!

As this Dear Brother in Canada had two previous dreams about Comet 17P Holmes, he thought that the above manifestation in the east was another comet dream! But, as for me, I did not really know at the time what he was seeing! Then, came the reminder from our Brother in Sweden about the "sunset" in the east and the most recent dream of this Eskimo! I do not know what all of this means; but I think again of the words in Revelation 12:3 **"And, there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads".**

My Dear Ones, for some months, we have been seeing a very bright star in the East! For a while, I lost track of Comet 17P Holmes (as it was originally in the northeast sky) and believed erroneously that this very bright star in the east was the comet! But, after some time of seeing it, I realized that this very bright star must surely be Venus, the Morning Star! And, bright indeed! Venus, a great fire in the sky! The brightest star in the sky; and clearly visible for some months in the east, just before sunrise! But, what is apparently coming in the East is something else! Could this be the rest of the Niburu train? (If you know nothing about this wandering star, which is called Niburu, the Tenth Planet, or Planet X, go and find the most authoritative books on the subject, which are written by Zechariah Sitchen!)

**More on Comet 17P Holmes!**

Comet 17P Holmes is moving on out; and is now difficult to see with the unaided eye! Jim Mccanney reported on his website, http://www.jmccanneyscience.com that this comet had a series of small eruptions on the night of December 25 of 2007! But, still not the eruption, that we have been looking for!

Nevertheless, a few of us know more about what is going to take place with this comet, based on dreams, which our Lord and God gave to a this Dear Canadian man, a Dear Brother, who has worked closely with me in these works for many months! The same is also true for this Dear Brother in Sweden! As they have both worked with me as my friends and prayer partners in these works, our Father in Heaven has given them both many dreams about these works!

And, it was during the months of November, December of 2007 and January of 2008 that our Father gave such a long series of dreams to them about these works and also many dreams to a Beautiful Swedish Sister, whom I have never met, but who, along with her husband, has worked very hard to give out the Wedding Invitations in the Baltic Sea area.

**How our Father in Heaven is working through a few of His Faithful Ones!**

 From The Mountain Prophecies Copyright 2007

Based on a dream, which our Lord gave to this Canadian Brother, we few thought that our Saviour would surely come before Christmas of 2007! So, we all worked quite hard to get the Wedding Invitations out into the streets! In fact, our Canadian Brother put about 16-17,000 printed copies into the streets and into the hands of the people in and around his neighborhood in Canada! He also worked hard to send out well over ten thousand e-mails, which contained the Wedding Invitation! And, I might add, out driving in snow storms to get these copies out to the people! Blessed is he; and blessed is the Dear Brother, who owns the printing company! For, he never charged a cent for printing up all of these invitations! Precious Man!

The same with our friends in Sweden! Out in snow storms and bitter cold, handing out the Wedding Invitations! And, a Dear Sister in North Dakota, out in the cold, handing out Wedding Invitations! Two sisters in South Africa, working and sending them out! A Dear young man, who has been taking his "bus" money and making copies in Missouri and placing them in public places!

Our Father in Heaven has shown in dreams that a nice harvest of souls will come out of the Baltic Sea area, and all based on the work of our Swedish Brother and Sister! My Dear Ones, you can easily be a worker of the harvest! It doesn't take much effort to make a few copies of the Wedding Invitation and to put these copies in public places, or to hand them to total strangers!

**And, now more on the dreams of Comet 17P Holmes!**

So, why am I taking time at this point to discuss the Wedding Invitation? Because, my Dear Ones, it was during the time of passing out these Wedding Invitations, that our Lord and God gave a stream of prophetic dreams about these works, and about what is to come in the sky! For, our Father had given a timeframe of five weeks for us to give them out; and from that dream it seemed that He would come before Christmas! But, before the five weeks were up, he gave another dream to the Canadian Brother and in this dream, he looked up and saw a very bright object in the sky, like a full moon, but brighter. A friend of his was with him; and this friend said, "Look at the moon!" And, this Canadian man said, "It cannot be the full moon! The full moon was two weeks ago!"

Well, we did not really know what to make of this dream, but believed that it related to an anticipated giant eruption of Comet 17P Holmes and we thought that this would take place two weeks past the full moon in November of 2007! This date would have been on December 08 of 2007, one day past the end of the five week timeframe! But, when the end of the five weeks came and the end of this two-week period came, we knew that our Saviour had put off His coming ! In fact, He told me that through a prophetic message, that He was extending this time by a very short and few weeks! Yet, as the weeks passed and he did not come and another full moon came and went and nothing happened two weeks past this full moon, we knew that He was not yet coming! But, still we did not know when this manifestation would appear in the sky! Something, which would look like a full moon, but brighter! Something almost like a second sun!

So, we waited; and our Father began to give a series of dreams to our Swedish sister and Brother, dreams, which indicated that He was coming soon! In fact, our Swedish sister continued to dream about getting ready for a trip! Night after night, the same dreams, about packing and getting ready for a trip! Then, going to the airport and seeing the plane, but not getting on it! (And, also our Canadian brother, dreaming about the trip to the airport!) Then, our Swedish Sister dreamed that a small group of us actually got on the plane, but were told that we must get off the plane as some urgent situation had to be taken care of! So, we all disembarked and went back into the airport! In the last dream, which our Father gave to her, she was told that we must leave the airport, go back home and wait to be called!

And, our Swedish brother had many dreams about the Finnish (Finish) woman, the Finnish (Finish) line, etc. He also saw the manchild as a man, who was riding a very fast bicycle; and behind him were the marathon runners (the bride)! This very fast cyclist went across the Finish line, going extremely fast, crossing the line, turning around and going back in the other direction after he crossed the half-line of the marathon! Behind the manchild were the marathon runners; also turning around and going back in the other direction! Our Swedish friend, a former Swedish champion marathon runner, was close on the wheels of the manchild cyclist. But, when the manchild crossed the line,

and turned around and went back the way that he came, he could no longer keep up with him, as he was moving so fast!

This prophetic dream, indicative again that the marathon runners, the Bride will go across the Finish line, but will get back into the race! And, after crossing over into Heaven and coming back, the manchild will be extremely powerful! And, such is the case with the Bride as well; for the manchild will be in the bride! Oh, glory, glory, glory to our Almighty God Yahweh; and to His Beautiful Son, our Saviour forever and ever!

### A Few More Words on Comet Holmes!

My Dear Ones, we do not know when this comet will light up as another sun-like, or full moon-like object in the sky! And, perhaps it will not be the comet, which will actually brighten up this way, but the heavenly bridge, which will come near it, or through it! But, we have every reason to know that this is going to happen! For, our Father has told us so!

I read most recently about a most interesting dream, which a man had! (Sorry, I do not have this link) A dream, wherein he saw that a blue comet came down into the earth and the light from this comet lit up people's hearts! Many others have dreamed about such a thing in the sky! Just go to the Internet search engines and look under prophetic dreams; and you will see that our Father is speaking to many about what is to come in the skies!

### Comet 17P Holmes Dream and the Heavenly Portal!

Now for the second dream, which was given by our Father to our Canadian Brother, which relates to this heavenly portal! In this dream, he said that he looked up in the sky at the comet; and that the comet was quite small! And, then, suddenly, there came a hand, and the hand began to draw, first a line under the comet, as I understand it; and then a box, which sat in this line and over the comet. He stated that this line, plus the box on top of it reminded him of a top hat, or possibly a cake! Then, the hand drew a cylinder, the top of the cylinder pointing toward the top of the hat, and

extending downward at a 45 degree angle. He stated that this long narrow cylinder looked like a candle, but that the candle was not lit!

Let us take a look at what he saw in his dream! First, that the comet is going to be very small when this door appears in it! It may be so small that it is even out of sight of the telescopes! And, from this indication, as given through our Father before Christmas of 2007, that there is yet a wait until our Saviour comes!

But, the hand in his dream, surely our Father's hand, drew, what I believe to be the interdimensional door, which will come through the Comet! Inside the door and behind the door, is what appears to be a "candle", but is, I believe the interdimensional portal, which leads to the throne of our God! It is not lit yet, even when the Comet gets very small; for there remains yet a time! But, when our Father in Heaven is ready, He will light the portal, which will shine out through what is called Comet 17P Holmes!

My Dear Ones, we do not know when this will be! We only KNOW THAT OUR SAVIOUR IS EXTENDING THE TIME OF HIS COMING! I ALSO BELIEVE, MY DEAR ONES, THAT AN EXTENDED TIME OF GRACE HAS BEEN BUILT INTO REVELATION 12, EVEN FROM THE BEGINNING! A TIME OF FINAL PLEADING! A FINAL CALL TO MANY, WHO ARE, OTHERWISE GOING TO PERISH IN THE CHURNING WATERS AND IN THE TERRIBLE UPHEAVALS IN THE EARTH! ABOVE, I HAVE TOLD YOU OF THESE THINGS! I WARN YOU: BECAUSE OF THE FACT THAT HE TARRIES A LITTLE LONGER, DO NOT BE AS THE FOOLISH BRIDE, BUT STAY AWAKE AND STAY WATCHFUL!

### In Summation of What I have Just Told You!

My Dear Ones, I wish to re-state, or recapitulate some of what I have just told you! FROM ALL THAT OUR FATHER IN HEAVEN HAS SHOWN US, WE DO NOT KNOW WHEN THIS PORTAL WILL OPEN UP THROUGH THIS COMET! IT COULD BE LITERALLY ANY DAY, OR EVEN SOME WEEKS, OR STILL MONTHS! FOR, OUR FATHER WILL DO AS HE CHOOSES AND WE ARE NOT PRIVY TO KNOW THEST THINGS! BUT, WE DO KNOW THAT THE OPENING OF THIS HEAVENLY PORTAL WILL HAPPEN AT THE TIME OF THE COMING OF OUR SAVIOUR! WE ALSO KNOW THAT WHEN THIS HAPPENS, THAT ALL OF HUMANITY WILL SEE IT! WE ALSO EXPECT TO SEE SOMETHING ORANGE, OR REDDISH IN THE EAST!

 From The Mountain Prophecies Copyright 2007

WILL THIS BE SEEN AT THE SAME TIME THAT THE PORTAL OPENS? WE DO NOT KNOW! THIS COULD BE THE CASE, BUT WE AWAIT FURTHER CLARIFICATION FROM OUR FATHER, REGARDING THIS MATTER!

### Visions of Earth Changes and Deaths of those in positions of power!

A few days past, as I was praying, I looked to the South in a vision and I saw a very fiery woman, or angel; and in her hand she held a bow. She took this bow and shot an arrow first at Washington DC and when the arrow hit, I saw a massive crumbling of blocks and concrete, as if an earthquake had hit the Capitol! Then, the angel, or woman, shot other arrows, and I not now remember the exact sequence, but I will try to remember all that I saw! She shot an arrow into New York City and I saw a great earthquake there! She shot an arrow into the East Coast and I knew that there would be great damage there! She shot an arrow into California and I saw that part of it fell into the Pacific! She shot an arrow into the base of the Great Lakes, and I knew that the New Madrid was about to blow! She shot an arrow into the ocean near Appalachicola Florida and I saw a mountain of water shoot up from the ocean; and I knew that there was big trouble for Florida and for this gulf area. Then, she shot an arrow into coast of Mississippi and Louisiana; and I knew that there was great trouble for these coastal areas. And, she also shot an arrow into Yellowstone, and I knew that it would soon blow!

Why the flaming angel, or woman? I can only guess that this was shown to me in this way; for this flaming woman could represent the end of Rev 12, when the manchild in me is filled with the glory of God; and our Saviour comes for us! And, if this is the case, I believe that our Saviour is showing us what is about to happen when He comes for His Bride! In a following message, He also warns us! He gives grave warnings about terrible upheavals in the earth, which are soon to come; and as I said before, I believe that these terrible upheavals will come when He comes for His Bride!

As I was writing this update, a precious young man called me from Kansas City Missouri and he told me of a very relevant dream, which he had about three weeks past! First, he told me that the 39th parallel runs through Kansas City Missouri and then he told me that he was standing on 39th Street in Kansas City Missouri in the

dream! That, in the dream, he looked and saw that the ocean had "come down" and that all, which was north of the 39th parallel was under water!

Why would this be? I saw many years ago, that when the New Madrid blows, the Great Lakes will dump into the Mississippi River; and that a great bay, of sorts will develop, consuming much land! I saw then that the USA will be divided into two parts and that the ocean will come in and consume much land. I saw that Memphis TN will be swept away, that much of Alabama, Mississippi and most all of Louisiana will be under water. I saw that much land between Little Rock and the Mississippi River will be under water. And, even two summers ago, I saw that as far west as Mayflower Arkansas, there will be massive flooding! In fact, I saw that the houses in the bottom land in and around Mayflower Arkansas were all covered in water! So, take heed to our Father's warnings! He is telling you to get out of these places; for many, many are going to be swept away, and/or buried under massive amounts of rocks! Will all of these changes take place at once, or in stages? I cannot say for a certainty; but as the flaming woman shot the arrows, one after the other, I tend to believe that they will come that way, one after the other!

### Visions of Death for world leaders and others!

My Dear Ones, our Father in Heaven has told me for some time that He is going to punish those leaders, who have daily tried to kill me; and who have stalked me for years. Up until this time, I have not seen His vengeance on them, but even so, I know that He has a timing for all things! The following are some of the visions, which our Father has given me, some of them repetitively over the last three to four months.

In what was perhaps the first of the visions, I saw three caskets, all three blanketed in U.S. flags and all three in what appeared to be the Capitol Rotunda in Washington DC. On seeing the three caskets, with the flags, apparently at the Capitol, I believed that these must surely be government leaders.

Then, in a subsequent vision, I saw that George W. Bush was lying down, as if sleeping, when a black bird came and pecked him! From the vision, I did not know if he were

 From The Mountain Prophecies Copyright 2007

asleep, or dead, but when the black bird came and pecked him, I felt for a certainty that George W. Bush was dead!

Then, in a subsequent vision, which came quickly after the above vision, I saw Richard Cheney and he was headed up an escalator! Looking ahead, I could see that he was in a hurry to get to a high room, a room, which was high above the escalator! However, on the handrails of the escalator, there were actual chains, like bicycle chains, but wider! And, as "Dick" Cheney neared the top of the escalator, I would see that his hands were getting caught up in the chains and were becoming badly mangled in the chains. In fact, he was brought to his knees by the chains and was unable to get free! A crew of people came, removed him from among the chains, put him in a stretcher and hauled him away into the darkness!

So, will George W. Bush die, or be murdered; and Vice President Cheney also be incapacitated, and unable to be president? From these visions, this appears to be the case!

Then, came other visions, several visions about huge numbers of graves, all of them dug and all of them awaiting those, who will go into them! Our Father said that He is going to put large numbers of people into these now-prepared graves; and all of them involved in the on-going attempts to kill me; and or to stop our Father's works through Revelation 12! Including a very strong prophetic warning to the Queen of England, that He is going to put her in the grave! Oh, yes, she has been involved in this stalking against me! In South Africa! In Sweden, English intelligence agents after me. We three saw them and heard them! She and George W Bush, George H.W. Bush, the CIA and the South African Government were deep into the smear campaign, which they directed at me in the fall of 2004, and since! So, I do expect that soon enough the Queen of England will fill one of those graves.

Other visions: In one vision, I entered into a door, which led into a long hallway. In this hallway, I saw that some doors were opened; and some were closed. As I went down the hallway and I looked into one open door, I saw Chelsea Clinton. She was in a bed, and at this point I do not remember if both legs were broken, or if only one leg was

broken! But, she has apparently suffered an accident; and her mother, Hillary Clinton was there, but looked very, very old, like a dried up mummy!

In another vision, I was once again in a hospital, and again going down a hallway, and off to the left, I looked and saw Bill Clinton in a hospital bed. In the room with him was a fat man, who was smoking a cigar. This fat man picked up a glass and gave some water to Bill Clinton; and almost immediately after that sip, the head of Bill Clinton fell over, as if asleep, or dead. I heard the fat man say, "I had better take this out!" And, he gathered up his cigar and put it into his pocket. I fled through the wall and outside onto a terrace and looked into Clinton's hospital room as some medical personnel and government types came in! I heard one of the doctors state that it was believed that Clinton had hepatitis, and could not understand his quick death from that! I watched as they were all telling how they would handle his death!

Will Bill Clinton actually die in a hospital, or is this vision simply telling us that He is going to be murdered? I do not know; for our Father's visions are very complicated and may not always come out exactly as they appear! For, they are all symbolic! But, I believe that Bill Clinton will most likely fill one of the three caskets!

Then, the visions of the death of George Herbert Walker Bush! I do not believe that there has ever been a more evil man on the face of this planet! Ever! His many years over the CIA! His alleged involvement in the murder of John F. Kennedy! His alleged attempted murder of Reagan, so that he could become president; and even reports that as Reagan was actually incapacitated from the shooting, that Bush actually ruled for the last years of his presidency! The back-door rule of this man through the Clinton presidency! The two being old "drug running" buddies through the Mena airport in Arkansas! The two stolen elections, in which George W. Bush was apparently NEVER ELECTED, from all that we have read; but stole the presidency! Still, behind the scenes in the presidency of his son, is George Herbert Walker, still ruling behind the scene! Even Bush's Sr's old government and oil buddies running America again, right into the ground! And, the current Bush Sr. plot to put Hillary into the presidency, all so that he can continue to rule America! Even the alleged killing of John F. Kennedy's son, so that

 From The Mountain Prophecies Copyright 2007

Hillary could take his place as senator of New York! Oh, the evil that this man has done; and it knows no bounds! And, soon comes his demise!

For, this is what I saw in visions about the soon death of George Herbert Walker Bush. I lifted a door, which went underground and as I descended the stairs, I thought to look straight ahead. But, there came a light in my face and the words, "Look to the left". I believe that the door was closed, if I remember correctly; and I had to open the door to go in! Once in the room, I saw a bed in the far corner; and walking closer I saw that there on the bed was George Herbert Walker Bush. I saw his big feet sticking up in the air, and on looking beside his bed, I was really shocked! For, Bush seemed to be dead, but there alongside him stood one of the tall "Grey", beings, which I know to be so utterly evil. All of them fallen angels! And, I just "knew" that this monster had just exited the body of George Herbert Walker Bush! And, on looking at the head of Bush Sr., it was not the face that I saw, but a metal plate in the back of his head; and on this plate was strange writing! Oh, my, I thought! Surely, he has been controlled by this monster for a very long time; and now he is dead! Then, I saw another vision; and it was the tombstone of George Herbert Walker Bush!

Then, again, some weeks later, I saw a woman, who was kneeled at a grave. Her long, white scarf was flowing from her neck and was draping part of the headstone on the grave. Then, a hand came and removed the scarf and I saw the name, "George Herbert Walker Bush! Then, I heard the woman say, "I was hoping that it would not come to this!

Then again, only a few days past! I saw three clay pigeons on a wall; and there came a gun and blew the three pigeons off the wall! In an instant, they were all blasted away! Are these three clay pigeons the three, who will fill up these three caskets, three of the nations' presidents?

I expect this, my Dear Ones; and I expect this to take place fairly soon! For, our Father keeps bringing these visions back to me, in one way, or the other! He will settle all that they have done to destroy our Father's works through Revelation 12! It is at hand! Blessed is His Holy Name!

### Our Father's Judgments on President Mbeke of South Africa!

I hear now important things about Mbeke, the South African President, who was involved with the Queen, and with the Bushes in the smear campaign against me in South Africa! They, along with some of their servants in South Africa, stole my website in South Africa and smeared my name all over the world! They spread bold-faced lies about me, orchestrated an horrendous assassination against my character! To this day, many still believe their lies and the lies others, who have had known satanic involvement!

From what some in South Africa are telling me, Mbeke has all but lost his presidency to the one, who is now leader of the South African ANC, the major political party in South Africa. As I understand it, most of Mbeke's supporters on his government staff have been replaced by the opposition! He has, in effect, no power in the South African Government! He is a president in name only! I am told that people "boo" him wherever he goes; and apparently he has even been thrown off a stage, or off stages! He is shamed in all of South Africa! He is mocked and jeered! He is scorned; as many hate him all over the nation!

Yes, indeed, all will reap as they sow. This is for a certainty, part of our Father's judgement on this wicked man! For, he and his British and American allies caused many in South Africa to mock and scorn our Father's works in South Africa! To mock me, to throw stones of judgement and accusation against me; and to work collectively to try and destroy our Father's works of Revelation 12!

Oh, yes, when our Father is ready, He judges the evil ones! He judges those, who do harm to his prophets and who will not repent! It is a terrible thing to fall into the hands of the Living God (for judgement)!

### OUR FATHER"S MESSAGES TO YOU!

And, now my Dear Ones, comes the most important! I have saved it until the very last! Below, you will see the most recent messages from our Father in Heaven to you! Read on; and take His words to heart!

 From The Mountain Prophecies Copyright 2007

## FIRST MESSAGE FROM OUR FATHER IN HEAVEN

### February 01, 2008

**My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. Listen to Me, Little One, and write as I say that all may be the wiser! Hearken, I say, all you nations! Rise up and hear what I say! Open your eyes to see! Burst open your ears to hear! For, do you not see that he whole world stands on a precipice? The whole world now overlooks a great abyss! Who can stay My hand of judgement? Who can turn back My hand of timing? Who can know what I will do, or when I will do a thing? None, I say! None can stay My hand and none can know My ways!**

**For, surely many say: that is not of the Lord! He did not do such a horrible thing to His people! He has not brought such judgement! He has not destroyed in such a way! But, I tell you now that these speak in ignorance! They speak foolishness! They speak the desires of their own hearts! For, I create and I destroy! For, I am both a God of great love and an all-consuming fire!**

**Oh, yes, I am an all-consuming fire! And, this part, most wish to leave out! They want to believe that I am love, but My love burns hot! My love cannot look upon evil and be pleased with it! Oh yes! I strive with the sinners! I have striven with you all since the beginning! And, all of you, sinners! For, I am full of love, mercy, and grace toward all! But, even so, I am also an all consuming fire! And, when I warn and warn, and warn through the mouths of My prophets and you despise My warnings, mock My prophets and even throw them out of your midst, oh then, after so much of this, I will turn against the mockers! I will turn against the scorners; and I will set My eye toward you for total destruction! I will utterly destroy the wicked! I will destroy the mockers! I will destroy the rebellious; and My word is replete with such instances of My judgement! But, I do not destroy without warning! And, oh how I have warned you, you, My people all over the world! Oh, yes, I have warned you! But, few and I mean few have listened!**

**Oh hard-necked and stiff-necked generation! A generation of vipers! Mockers, slanderers, backbiters, accusers, rapists, sodomites, perverts, liars, murderers, and thieves of every description! Undisciplined and unruly! Fit for destruction!**

**Full of every deception! Oh, my whip shall fall hard on you! And, of a sudden, I shall rip the rug form beneath your feet! Of a sudden, I shall take away all that you cherish and hold dear! Of a sudden, I shall break you like a twig in the wind! Of a sudden, I shall destroy your families, destroy your houses, destroy your careers, and take away your easy lives! Of a sudden, I shall lay waste to your cities, to your coastlines, to your high-minded governments, and to you panderers and peddlers of falsehoods and lies! In one instant, I shall deal such a blow to My own house and such a blow to Satan's Kingdom, that indeed, the New World Order will go forth on wobbly knees!**

**Oh, yes! This is so; and this is at hand! For, when I take My bride, I shall throw the world in such turmoil, that overnite, there shall come about massive starvation! Overnite, millions upon millions will perish in the churning waters! Overnite, millions upon millions will be buried beneath the crumbling rocks of earthquakes that are so great, that your instruments have never measured such things! Oh, yes, overnite millions upon millions without electrical power! Millions upon millions without food! Millions upon millions dead! Banks closing and no money to be had! Wars, terrible wars quickly thereafter breaking out all over the world, as Satan's own try for world domination! Terrible torture, persecution, and killing of many Christians! Mind control re-education camps in your midst and the new world order mind control teams working feverishly to take over the minds of the weak Christians and to use them for their own! Massive killing camps, which far exceed anything Hitler ever had, as far as their grotesque horrors! A war against the so-called Christians, such as never before, with any and all methodologies used against them to cause them to denounce Me and My Son!**

**Trials by the fire! Oh, great and terrible trails by the fires of persecution, starvation, wars, and deprivations of every kind! Harsh! Severe! Nuclear destruction! Poisoned food! Harsh! Severe! Oh, the weeping! Oh, the wailing, as all that all hold dear in this world, evaporates before their very eyes!**

**Oh yes, the whole world now stands at the edge of this great abyss! And, what keeps you from tumbling into the abyss? I do! I have stayed My hand and I will**

**stay My hand a little longer! But, know one thing and know this for a certainty! When Revelation 12 is ended, then the whole world will go headlong into the abyss!**
**In that I allow you a little more time, I do so that you humble yourselves unto repentance! That you get on your knees before Me and confess your sins! Forsake your sins! I forgive the truly repentant and the sincere of heart!**

**In that I delay a little longer the coming of My Son, I do so also to allow you to prepare for the harsh times, which are ahead! To all, who are able to do so, get out of the cities! Get survival-oriented! Consider the times of massive starvation, massive power failures and wars! Put away food for three and one half years! Put away seeds so that you can garden! Put away supplies; for you will find that the stores shelves quickly empty out when this devastation hits! I tell you now, massive devastation, and as yet never before seen, (to you) destruction in the earth! Prepare for hard times!**

**Yes, I will soon take My Bride, but she will come back! Most wedding guests will come back; and I will keep whom I will! But, do you suppose that you are going to escape anything! I say, prepare! And, get away from coastlines! Remove yourselves from the areas of the Great Lakes, and the swath of land, which stretches between the Great Lakes and Mississippi River; for one day these lakes will dump into the Mississippi River!**

**Remove yourselves from California coastlines and get far inland! For, one day soon, the ocean will reclaim much of this! To My people, I tell you, pack up and leave Florida! That's right! Such a judgement will come upon Florida, that when I am through with it, only a string of islands will be left! Pack up and move from the Gulf Coast, and make haste! For, so great shall be My destruction along this coast!**
**Where will you go! Fast, pray and seek My face; and I will guide you! Put Me first and I will show You My will!**

**Yes, I am tarrying a while longer, but even so, it is but a short while still! Do as I say! Live for Me! Put Me first wherever you are! Though many may soon perish, I will take all, who love and honor Me and My Son! Even if your body perishes in a prison camp, you will be at peace! For, My Son will be there to take you!**

**But, some I wish to preserve! You will be here through it all! Listen to Me! Get prepared! Come out of New York City! Leave the East Coast! Hear what I tell you now! For, in one day, such a great upheaval shall strike the world, as none of you have ever seen in recent years!**

**I am your Father Yahweh! Hear My words! Repent! Live for Me! Stop your selfish ways! Give to Me what is Mine! Bless My prophets and My anointed servants and I bless you! Steal from Me and I allow Satan to steal from you! You have robbed Me! You have stolen from My house and I command that you give to Me what is Mine; and I will give to you what is sure!**

**I am your Father Yahweh, yea Jehovah, Most High God!**

## SECOND MESSAGE FROM OUR FATHER IN HEAVEN

## FEB 02, 2008

**My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! Yes, My Child, you ponder on much; and you consider much, as to what you should tell the people and what you should leave out! For, through dreams, visions and prophetic messages, I have given much to you and to two more, who speak with you, almost daily, and who work closely with you! And, let it be known to all, that in times**

**past, I would have you to freely tell of all that I have given, that all may be the wiser, and that all may be blessed! But, of a truth, I do not put this in your heart as My will!**
**Yes, much has been given to you three and I have had you share much of this with a few! And, why only a few? For, these have been faithful to help with these works! These, My Chosen and Blessed Ones, have blessed you financially, so that you could pay your bills and continue to do My work of Revelation 12! They are your friends!**

**But, how many are these? Enough to be counted on one hand! These are sadly the numbers! For, most all, on seeing what you have gone through, have fled far from you! Some, you hear from sporadically; but most, not at all!**

**Many have risen up to mock and scorn these works and many have risen up to believe those like Sherry Elizabeth Elijah Nikomiah and Pamela Schuffert, who say that they serve Me and they do not, but are pawns of Satan and government mind control elite!**

**Oh, yes these and many more just like them, who say that they are free of Satanism, but are not! Loud mouths, who come to wreak havoc among My sheep! Disseminators of lies, bold-faced lies, and slander! Backbiters, accusers, who destroy My house and scatter My sheep, all in My Name!**

**Oh yes! Many have followed after them and many have believed and further disseminated their lies! And, for these reasons, I have cut off many, cut them out of My house, cut them out of My heritage for them! For, I will have none among Mine, who lie and who will not repent, who slander, and will not repent, who backbite and will not repent, who spread disinformation and misinformation about my true prophets, and will not repent! Oh, you adulterous generation! You mockers! You slanderers! Save you repent soon, you will see the burning fires of hell!**

**Yes, my Little One, I would have you tell much! I would have you tell much about what all are about to face! I would have you tell much about My beautiful manchild, who is now becoming full of My fire and glory! I would have you tell much about all that I do for you daily and all that you also witness and endure! But, not so! Not so at this time, and perhaps not so from here until the coming of My Son!**

**For, herein is the greatest singular event since the birth of My Son! This is the birth of His Son, the spiritual blueprint for the new human race! A work so grand that it is being heralded all over the world by the Satanists! A work so grand that it is being watched and monitored by many governments! A work so grand that Satan and the Annunaki overlords never take their eyes off of it!**

**But, the humans, who are meant to receive such a grand miracle, the second greatest miracle for humanity, second to the birth of My Son, mock and scorn! They stay far from you; and so few help financially with these works that it is a great shame upon this earth! But, even so, I have reserved a few faithful ones; for I am a God of love, mercy, honor and faithfulness! But, of a truth I tell you right now that few; and I mean few are deserving of the manchild! And, many, who stand in line to receive the manchild, will not, save they repent! For, I will utterly pass them over!**

**So, this is why, My Child! This is why I do not speak to your heart about telling the people more! I will not allow you to cast My pearls before the swine!**

As witnessed, dictated and recorded this 2nd day of February, 2008,

**Linda Newkirk**

**And, my Dear Ones, our Father's words began to trouble me; and I had great sorrow in my heart! For, so much had been given through dreams and visions!**

**And, I felt that many would lose much if He did not allow me to tell what I have given you above. And, after my pleas before Him, He gave me the following message!**

### THIRD MESSAGE FROM OUR FATHER IN HEAVEN

### FEBRUARY 03, 2008

**My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! Blessed are you, My Little One; for you are full of love, even for those, who have mocked and scorned you! For, I know your heart and you do not wish to see any perish!**

**Father, I ask you to forgive them all! I have forgiven them, Father! I just hope that they see the errors of their ways, that they wake up and repent! For, the thought that they will burn in the flames of hell is a very sad thought, a terrible sight, Father; and I take no delight in such a thing, but feel great sorrow for any and all, who must go there! I can only say that I was once very lost, and You heard my cries! Our Saviour heard Me and He loved Me into His beautiful presence! HE showed me love, great love, mercy and grace; and from day to day, Father, He still carries me in His loving arms of mercy and grace!**

**Father, these have no idea what they mock and what they scorn! So many are lost! So many are cutoff from Your Spirit and confused and bewildered! I pray that you draw them to our Saviour, that you turn their hearts, and they will be turned!**

**Father, you have given us so much through dreams, visions and prophecies, and I ask you, Father, to reconsider, that you allow me to release most, if not all of what you have given, at least what is relative to the world situation! Father, if these truths can touch one heart, if they can turn one soul, I will be glad! You have told us, Father, not to put our candle under a basket! Therefore, I ask you to allow me to write of these things! Pour out Your grace and mercy, your love upon your people, Father! Upon the sick, upon the lost and hurting! Give them your truths,**

**Father! Please do not hold back, even though many mock and scorn! For, surely some, on seeing the truth, will repent! Father, hear my cries!**

**My Little One, I am a God of great love and great mercy and grace; and this is why I am continually striving with My people! But, even so, My patience wears thin with so much blatant and open rebellion! My patience wears thin with the proud, with the haughty and with those, who love a lie! But even so, even as you ask of Me this thing, I will allow it! For, you do so out of love! Daily persecuted you are, beyond what any could ever imagine! The worst of space-age technology being used against you! And, your trials and tests many, but your heart full of love for the lost! For, you, My Little One, have been where they are!**

**Go in My love; for I will guide you in this! I am your Father Yahweh, yea Jehovah, Most High God!**

As witnessed, dictated and recorded this 3rd day of February, 2008,

**Linda Newkirk**

And, so it goes my Dear Ones!

To my Beautiful and Dear Friends, who have run the race with me and have not run away, I love you with a big, big love and you know that I am continually lifting your Names up to the Most High God! To those of you, who I hear from now and then, know the very same! To many of you, who I never hear from, just know that I love you as well. But, above, all my Dear Ones, you are greatly loved by our Precious Lord and God! And, He is now offering such a beautiful gift to you and to all of humanity through His wedding invitation to you! To you mockers and scorners, I have forgive you all, but if you do not repent of your mocking of what is precious to our Father in Heaven, you may very well end up in the flame of hell! I hope that you repent; for a great and wonderful gift awaits you in Heaven!

To my Precious Friend T. I wish to say "Thank you, Dear One, for the beautiful roses!" Such a beautiful array of multicolored roses, 24 in all! I do not have your current mailing address and I cannot send you a card of thanks, but just know that it was such a joy to receive these beautiful roses and to enjoy them on such bleak days in January!

T., I must tell you something so beautiful. Just two days prior to receiving your beautiful roses, I had told our Saviour in prayer that I would so like to do something special for Him, just to show Him how much I love Him! That I would so like to pick Him the most beautiful bouquet of flowers, to write Him the most beautiful poem, and to sing just for Him the most beautiful song! Other words of love, I spoke to Him, but I most remember these few words. So, when I received your flowers, I thought of my words to our Saviour and tears came to my eyes. For, our Saviour had used your heart, my Dear Friend T. to send me flowers. As I thought of what He had done, tears welled up in my eyes; and I heard Him say to me, "When you have done it to the least of them, you have done it unto Me!"

Until next time, my Dear Ones,

Go in the love of Jesus! He is our Beautiful Way!
Your Sis,
Linda Newkirk

PS I am including a copy of the Wedding Invitation at the end of this very lengthy update. For all, who would like to do so, I ask you to make copies of this wedding invitation and to give these out as you are able to do so. And, please share chapter forty-two, part III with others! For, herein is MUCH MEAT OF THE WORD!

## FROM THE MOUNTAIN PROPHECIES

## An Open Invitation to A Spectacular and Timely Heavenly Event!

### OUR FATHER IN HEAVEN SPEAKS!
### RECEIVE, BELIEVE, AND ASK!

"My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God; and I come to you today to impart to you a message of My great love, of My great mercy and of My great grace!

My Little One, few know, or believe, that you, Linda Newkirk, the same Linda Newkirk of Mayflower, Arkansas (USA), are the Woman of Revelation Chapter Twelve! And, few know how you have labored, how you have travailed, how you have suffered, and how you have often wept beneath the weight of unspeakable persecution! And, all for the love of Me, for the love of My Son and for the love of humanity!

Yes, few know and of those, who know, few believe! For your trials have been so great as you have travailed beneath the feet of Satan and all of his demonic hoards! Oh, yes, you have travailed to bring forth My holy seed! A tiny seed indeed when it was given to you; but at this time, it has been maturing in your body for more than seventeen months! And, during this time, it has been growing in strength, power, and stature until it is, for a certainty, now a "manchild!" And, soon, oh so soon, it will be birthed back to My throne! But, not without you; for he is a part of you!

My Child, I have told you that, as the Woman of Revelation Twelve, you are the spiritual mother of My Kingdom! What grows in you is My Kingdom Seed! It is also the seed of My Son, Jesus, who is Saviour of Humanity! All, who marry Him, will receive this seed! All, who come into My Kingdom, to work in My service, and to be a part of My Kingdom, the queens, the kings and all others, must receive this seed! None will be a part of My Kingdom, who do not have this seed!

 From The Mountain Prophecies Copyright 2007

My Little One, as I have told you, soon and oh so soon, I will take you and My "manchild," my now-matured holy seed, back to My throne! And, what awaits you in heaven is most surely the second greatest celebration ever to take place in heaven, the first being when My Son returned after He was crucified!

Now comes another grand celebration in Heaven and in some ways, perhaps in many ways, it is even more grand than when My Son returned, but not in all ways! For, this celebration, this marriage to My Son, will go on for some time; with you, My Little One, being the first to marry Him, your marriage to Him coming through the now-matured holy seed of My Son! For, you are the spiritual mother of My Kingdom, the very one, who has birthed the holy seed into the earth, which is now a manchild!

My Little One, you have so often wanted these works to be finished! So often you have sought this; for you have wanted an end to the constant persecution, which is directed at you! But, you have not wanted to leave this Earth and to come into Heaven without your faithful friends! In fact, My Little One, your cries have continually come before My throne, wherein you have repeatedly asked that all "clean" souls be allowed to come with you and the manchild when you come to My throne!

And, yes, My Child, I shall grant this request (that your faithful friends be allowed to come with you), but in an even greater way than what you ask! Surely, I will now give the grace, great grace to you, that when I come for you and the manchild, I will also take those, have been your faithful friends. But, My Little One, I extend more, and I extend it to those, who are on the streets, who are in the highways and the bi-ways! Even if they do not know if Revelation Chapter Twelve is true; and even if they do not know a thing about what you have been through, if they ask of Me with a sincere heart and a humble heart to come, I will allow many of them to come with you, even total strangers! I will answer the calls of many, even those, who are lost and who sleep under the bridges!

Yes, I offer to them now a grand trip to heaven, a trip to behold the wedding of the ages, a chance to be a part of something so grand, that all of heaven is daily in great

anticipation! And, this wedding, My Little One, is the wedding of My Son, as He first weds you, the spiritual mother of My Kingdom in the Earth!

Oh, yes soon, and oh so soon, you will have paid your price, your great price indeed, to birth My Kingdom into the Earth! And, all subsequent marriages to My Son could only come about because you have paid the price! If you have not paid the price to birth My Kingdom into the Earth, I would have no Kingdom in the Earth! And, soon, oh so soon, I shall so greatly reward you! For, you will marry My Son first and all will soon know that you are the woman, who bears the crown with twelve stars, the true Queen of Heaven, indeed!

Now, my Little One, I open up My invitation to this wedding, not only to your faithful friends, but to all, who truly wish to come, who can truly believe and truly ask! And, while I now allow you to post this on the Internet as a public invitation, I now call up others, who see and know the truth of what I write, to copy this message into printed form and to take it and to distribute it into the streets, wherever they live!

Some may need to translate this message into their own language! And, I call you now! I call you from the continents; and I call you from the islands to take this message, to copy it into printed form and to widely distribute it to those in the streets, where you live! I now invite anyone, who can receive the truth of what I tell you and who can believe, thereafter asking with a sincere heart, to be a guest at this most grand of weddings in heaven!

Oh, yes, this is true! This is real! And, this invitation is not being sent directly to the churches! This is not My desire; for they have overwhelmingly spurned these works of Revelation Twelve! My invitation now goes into the streets and I call forth My workers, the sincere of heart, those, who also wish to be a part of this grand wedding, to come forth now! I call you to come forth and to copy this message and to take it into the streets, take it into the jails! Take it into the villages! Take it into the highways and the bi-ways; and make haste! For, this wedding is soon, oh so soon, not many weeks away!

 From The Mountain Prophecies Copyright 2007

Though many of My own have rejected these works, and are thereby unworthy to come, many others will not reject this invitation, but will shout with glee! For, they will hold dear what I now give so freely!

Oh, yes this is unexpected! All that I give now is unexpected! But, oh so soon, many will get a trip into heaven, which will forever change them! And, they will see the very first wedding, ever, in heaven, the wedding of My chosen, daughter, Linda Newkirk, the Woman of Revelation Twelve, to My Son! Thereafter, Linda Newkirk will begin her work as the Queen of Heaven, my Son's very own queen; and as such will bear much power in Heaven and in the Earth!

All, who take seriously this invitation, and who come to Me in prayer, truly believing and truly asking to go, will indeed be received as guests of this grand heavenly event! And, yes, even some of these will be evil! For, first, I am a God of great love, of great mercy and grace! And, through this invitation of love, many will be forever changed!
My Beloved Child, type this and get this posted on the Internet soon! I will touch the hearts of many, who read this message, that they copy it onto paper and distribute it into the streets, where they live!

Come, Oh you nations! Receive what I freely offer! For, now My grace, My love, My righteousness, and My glory comes forth as you could neither have imagined, nor could have conceived in any way!! Glorious rewards now come to those, who believe!
I am your Father, Yahweh, yea Jehovah, Most High God!

**Matthew Chapter Twenty-Two (verses 1-14), and how this relates to our Father's Invitation!**

And, Jesus answered and spake unto them again by parables and said, The Kingdom of Heaven is like unto a certain king, which made a marriage for his son. And, sent forth his servants to call them that were bidden to the wedding: and they would not come. Again, he sent forth other servants, saying, Tell them which are bidden, Behold I have prepared my dinner, my oxen, and my fatlings are killed, and all things are ready: come unto the marriage. But, they made light of it, and went their ways, one to his farm, another to his merchandise: And, the remnant took his servants and entreated them spitefully and slew them. But, when the king heard thereof, he was wroth and he sent forth his armies, and destroyed those murderers, and burned up their city. Then saith he to his servants, The wedding is ready, but they which were bidden were not worthy. Go ye therefore into the highways and as many as you shall find, bid to the marriage. So, those servants went out into the highways, and gathered together all as many as they found, both bad and good; and the wedding was furnished with guests. And, when the king came in to see the guests, he saw there a man, which had not a wedding garment: And, he saith unto him, Friend, how camest thou in hither not having a wedding garment? And, he was speechless. Then said the King to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth. For many are called, but few are chosen

# CHAPTER FORTY-THREE

## Oh, Howl, All You People!

## So Great Are The Coming Judgements of Our God on America and Canada!

My Dear Brothers and Sisters, for some days I have been seeking our Lord and God as regards the coming great destruction of the New Madrid Fault areas in the USA! Specifically, I have sought Him to give me a map of the destruction and how it might look if people do not get on their knees in deep repentance before Him! After some days of seeking Him, our Father in Heaven gave me both a map and a message regarding this near destruction! Below, you will read this message, plus a previous warning, which was given to me on February 01, 2008! Also, included, you will read a grievous warning, which our Father gave to Matthew Stephen, which validates much of what our Father has already given to me! When you see this map of destruction, which could soon be a reality, you will be distressed, my Dear Ones!

Initially, our Father had told me to fast for three days, but on the very first morning of the fast He gave me this map and His message regarding this great destruction! And, oh, my Dear Ones, I felt so troubled! So greatly troubled and weak all over, as if I had been ill! So great was my heartache and so troubled was my spirit, that our Father told me to stop the fast as He had this work for me to do; but honestly I had no strength to do it! Oh, the horrors of what awaits humanity! Oh, the tragedies! Oh, the great destruction, so great that I am without words to describe the devastating impact of these visions, alone!

Save many repent of their sins and come back to their FIRST LOVE, to our LORD AND GOD, as many as 115 million people, or more, could drown in the USA and Canada when the New Madrid Fault line blows! Just in this area, alone, these great numbers could perish! And, I am not even addressing the great and terrible destruction, which awaits the REST of the nation! Truly, I have no words to describe my great sorrow!

 From The Mountain Prophecies Copyright 2007

## AN URGENT CALL!

My Dear Ones, it is urgent that these messages get out to the masses; and that they get out to the churches! If you will not do your part, then who will help? Will you sit on the sidelines and wait for everyone else to get these warnings out to the people? Will you wait for everyone else to do what you, yourself must do? I TELL YOU THAT THESE MESSAGES FROM OUR FATHER MUST GET OUT TO THE PEOPLE, AND A GREAT HOWLING, A GREAT REPENTANCE MUST GO UP ACROSS THESE AREAS, AND SOON! IF THIS GREAT REPENTANCE DOES NOT TAKE PLACE ACROSS THE USA AND CANADA, AND SOON, MANY MILLIONS OF PEOPLE WILL SOON BE WASHED AWAY, OR COVERD UP IN MUD AND ROCKS!

Look at the Enclosed Map (pg 572)! Do your Part Now!

What are you going to do? Will you make copies and distribute them far and wide! (Some printers may give you reduced rates; or even print copies for free! ASK!) Will you get on the Internet and work night and day to get these warnings out to the governments of all of these states, including all state legislators and to all in the US Senate and Congress? To mayors and others in local governments? Will you work night and day to get these warnings out to all churches in the states in which you live? Will you work night and day to get these warnings out and into the hands of people in the streets? Will you work night and day to get these messages into the newspapers? And, will you work night and day to get copies into public places, like rail stations, bus stations, etc. Will you do your part now? For, soon all that you have may very well be gone; and you, too! Your retirement nest egg will mean nothing when you perish, along with all that you have!

### Financial Needs for “From the Mountain Prophecies!”

In addition, “From the Mountain Prophecies” needs finances for mass mailings; and finances so that I can travel to position angels of protection in the areas, which our Father will designate, and to speak His judgements! (And, oh, how I hope for many angels!) Yet, even to be able to travel, I need a newer car; as mine is now 15 years old,

and has over 215, 000 miles on it! Plus, it is also in need of many repairs! So, even to be able to carry out our Father's wishes, I need the finances to do so.

If you will not hear my cries, if you despise these warnings of our Lord and God and if you turn a blind eye and a deaf ear, you may very well perish in the coming churning waters, and you will not be held unaccountable before our Lord and God! For, I telling you that this is a great work, a vast work to do and little time in which to do it! You must rise up and do your part now!

Get off your money, and get busy using it to help save the people of America and Canada! My Dear Ones, as much as HALF of the population of Canada could perish when these waters come crashing down! Time is of the essence and little of it is left until these great tragedies hit!

## OUR FATHER'S GRIEVOUS WARNING TO THE PEOPLE OF THE USA AND CANADA!

### March 01, 2008

**My Little One, I am your Father Yahweh, yea Jehovah, Most High God! My Precious Child, you have come to me, seeking, fasting, and longing to know more as regards the terrible fate of the New Madrid Fault! And, although, I showed you**

**this massive destruction years ago, I showed you more of a bird's eye view! Now, as you seek Me with a great longing, I shall show you more of what awaits both America and Canada as regards one of the greatest and most unstable fault lines in the world! For, this fault line is deep, very deep; and its branches go far and wide across the USA and into Canada! Therefore, when it cracks open, it will devastate much!**

**As you have asked me to show you the impending destruction, which awaits the greatest areas, I have given you a crude outline of the areas, which will be totally under water, or under water, with only islands remaining here and there! (See enclosed map, pg 572!)**

**Take note of what I am showing you! Yes, the ocean will come down! Look north into Canada at the Hudson Bay! Huge, My Little One! And, because of tributaries from this great body of water, it stands to empty into Lake Superior! Then, look to the west to Lake Winnipeg! Another unstable area, which may very well open up and dump into Lake Superior!**

**From Lake Huron, look east to the Atlantic Ocean! Another massive area, which will open up and further dump the Atlantic Ocean into Lake Erie! When connected, these areas form the bowl of a large Y! Connect this bowl with the Mississippi River (via a straight line)! Then, consider the massive faulting beneath these areas, which will be further stressed by the addition of these churning waters, and you get a picture of the massive destruction!**

**Water may very well come into Little Rock Arkansas! Most of Louisiana under water, along with most of Houston and areas north of Houston, even to 150 miles inland, under massive amounts of water! The land broken up, with only islands remaining!**

**Water down into Missouri, with only islands remaining here and there! The states in the USA, which are beneath these lakes, inundated with massive amount of**

**water and all washed away! Some islands may pop up here and there when the waters recede!**

**To the East, water could go to Knoxville, TN, with all of Mississippi under water, save a few islands, which may remain! Water could claim more than half of Alabama and break up North Florida all the way to the coast! With massive tidal waves sweeping across most of Florida and the Gulf Coast of Florida severely breaking up!**

**Earthquake devastation into New York City! A massive earthquake! With much of New York City going into the water! Washington DC, the same! Georgia, much devastation! Water could come inland to Macon, Ga, as the fault line goes through Atlanta, Georgia and out to Augusta, Georgia, and down into Macon Georgia! Therefore, waters could come into middle Georgia!**

**Much devastation for Virginia, devastation to Oklahoma City, into parts of Texas, all the way to Dallas! Northern Arkansas devastated! The Arkansas River becoming very wide, with a possible seaport in Little Rock, Arkansas!**

**And, much, much more, my Little One! Too much to tell you, herein! I only give you an outline as you have asked Me to show you how bad it will be, but all may possibly be even worse, if people do not repent in this wicked nation, and soon! Neither will Canada be spared! For, she is the wicked twin of America!**

**I have only shown you what will happen with the New Madrid Fault line, but even so, the rest of the USA will not be spared! Even, great, great destruction on the West Coast, on the East Coast, and elsewhere; especially as regards Yellowstone (Volcano) and the devastating effects of volcanic eruptions in the USA, alone!**

**WILL ANY OF THIS BE STOPPED, OR MODIFIED? I AM MOST HIGH, AND I HEAR THE CRIES OF THE FAITHFUL! I ALSO HEAR THE CRIES OF THE LOST, OF THOSE, WHO ARE STEEPED IN REBELLION! IF MANY IN THESE AREAS WILL GET ON THEIR KNEES AND OFFER UP A SINCERE REPENTANCE BEFORE ME, I WILL LESSEN THIS GREAT**

**DEVASTATION! BUT, IF YOU WILL NOT REPENT, BUT CONTINUE ON IN YOUR WICKED WAYS, THEN THESE PARTS OF THE USA, CANADA, AND EVEN MORE WILL BE DESTROYED, EVEN AS I HAVE OUTLINED HEREIN! IF, NOT WORSE!**

**I am your Father Yahweh, yea Jehovah, Most High God! Write these things, My Little One, and get them out soon! I will raise up others to help you financially with the postage and even to help you get a better car so that you can travel to some of these places to both speak my judgements and to station angels of protection over certain areas! Be of good courage; for I will raise up helpers and I will provide finances that you need! I am your Father Yahweh, yea Jehovah, Most High God!**

**As witnessed, dictated and recorded this 1st day of March, 2008,**

**Linda Newkirk**

Following, you will read our Father's previous message of warning, which was given on February 02/01/2008, plus a vision of warning, which also relates to this prophecy! This message was posted on http://www.prophecies.org on 02/21/08 in Chapter Forty-two, Part III of Book Twelve!

Take note of these numbers, 2/1 and 2/21; for when you read Matthew's message, which is below, you will see that his message also has much to do with the number "21"!

## THE VISION OF THE FLAMING WOMAN!

A few days past, (around the last week in January of 2008) as I was praying, I looked to the South in a vision and I saw a very fiery woman, or angel; and in her hand she held a bow. She took this bow and shot an arrow first at Washington DC and when the arrow hit, I saw a massive crumbling of blocks and concrete, as if an earthquake had hit the Capitol! Then, the angel, or woman, shot other arrows, and I do not now remember the

exact sequence, but I will try to remember all that I saw! She shot an arrow into New York City and I saw a great earthquake there! She shot an arrow into the East Coast and I knew that there would be great damage there! She shot an arrow into California and I saw that part of it fell into the Pacific! She shot an arrow into the base of the Great Lakes, and I knew that the New Madrid was about to blow! She shot an arrow into the ocean near Apalachicola Florida and I saw a mountain of water shoot up from the ocean; and I knew that there was big trouble for Florida and for this gulf area. Then, she shot an arrow into coast of Mississippi and Louisiana; and I knew that there was great trouble for these coastal areas. And, she also shot an arrow into Yellowstone, and I knew that it would soon blow!

## MESSAGE OF WARNING AS GIVEN FROM OUR FATHER IN HEAVEN ON 02/01/2008

### His Great Judgements, which are at hand, for America!

**My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. Listen to Me, Little One, and write as I say that all may be the wiser! Hearken, I say, all you nations! Rise up and hear what I say! Open your eyes to see! Burst open your ears to hear! For, do you not see that the whole world stands on a precipice? The whole world now overlooks a great abyss! Who can stay My hand of judgement? Who can turn back My hand of timing? Who can know what I will do, or when I will do a thing? None, I say! None can stay My hand and none can know My ways!**

**For, surely many say: that is not of the Lord! He did not do such a horrible thing to His people! He has not brought such judgement! He has not destroyed in such a way! But, I tell you now that these speak in ignorance! They speak foolishness! They speak the desires of their own hearts! For, I create and I destroy! For, I am both a God of great love and an all-consuming fire!**

**Oh, yes, I am an all-consuming fire! And, this part, most wish to leave out! They want to believe that I am love, but My love burns hot! My love cannot look upon evil and be pleased with it! Oh yes! I strive with the sinners! I have striven with you all since the beginning! And, all of you, sinners! For, I am full of love, mercy, and grace toward all! But, even so, I am also an all consuming fire! And, when I**

**warn and warn, and warn through the mouths of My prophets and you despise My warnings, mock My prophets and even throw them out of your midst, oh then, after so much of this, I will turn against the mockers! I will turn against the scorners; and I will set My eye toward you for total destruction! I will utterly destroy the wicked! I will destroy the mockers! I will destroy the rebellious; and My word is replete with such instances of My judgement! But, I do not destroy without warning! And, oh how I have warned you, you, My people all over the world! Oh, yes, I have warned you! But, few and I mean few have listened!**

**Oh hard-necked and stiff-necked generation! A generation of vipers! Mockers, slanderers, backbiters, accusers, rapists, sodomites, perverts, liars, murderers, and thieves of every description! Undisciplined and unruly! Fit for destruction! Full of every deception! Oh, my whip shall fall hard on you! And, of a sudden, I shall rip the rug form beneath your feet! Of a sudden, I shall take away all that you cherish and hold dear! Of a sudden, I shall break you like a twig in the wind! Of a sudden, I shall destroy your families, destroy your houses, destroy your careers, and take away your easy lives! Of a sudden, I shall lay waste to your cities, to your coastlines, to your high-minded governments, and to you panderers and peddlers of falsehoods and lies! In one instant, I shall deal such a blow to My own house and such a blow to Satan's Kingdom, that indeed, the New World Order will go forth on wobbly knees!**

**Oh, yes! This is so; and this is at hand! For, when I take My bride, I shall throw the world in such turmoil, that overnight, there shall come about massive starvation! Overnight, millions upon millions will perish in the churning waters! Overnight, millions upon millions will be buried beneath the crumbling rocks of earthquakes that are so great, that your instruments have never measured such things! Oh, yes, overnight millions upon millions without electrical power! Millions upon millions without food! Millions upon millions dead! Banks closing and no money to be had! Wars, terrible wars quickly thereafter breaking out all over the world, as Satan's own try for world domination! Terrible torture, persecution, and killing of many Christians! Mind control re-education camps in your midst and the new world order mind control teams working feverishly to take over the minds of the**

**weak Christians and to use them for their own! Massive killing camps, which far exceed anything Hitler ever had, as far as their grotesque horrors! A war against the so-called Christians, such as never before, with any and all methodologies used against them to cause them to denounce Me and My Son!**

**Trials by the fire! Oh, great and terrible trails by the fires of persecution, starvation, wars, and deprivations of every kind! Harsh! Severe! Nuclear destruction! Poisoned food! Harsh! Severe! Oh, the weeping! Oh, the wailing, as all that all hold dear in this world, evaporates before their very eyes!**
**Oh yes, the whole world now stands at the edge of this great abyss! And, what keeps you from tumbling into the abyss? I do! I have stayed My hand and I will stay My hand a little longer! But, know one thing and know this for a certainty! When Revelation 12 is ended, then the whole world will go headlong into the abyss!**

**In that I allow you a little more time, I do so that you humble yourselves unto repentance! That you get on your knees before Me and confess your sins! Forsake your sins! I forgive the truly repentant and the sincere of heart!**

**In that I delay a little longer the coming of My Son, I do so also to allow you to prepare for the harsh times, which are ahead! To all, who are able to do so, get out of the cities! Get survival-oriented! Consider the times of massive starvation, massive power failures and wars! Put away food for three and one half years! Put away seeds so that you can garden! Put away supplies; for you will find that the stores shelves quickly empty out when this devastation hits! I tell you now, massive devastation, and as yet never before seen, (to you) destruction in the earth! Prepare for hard times!**

**Yes, I will soon take My Bride, but she will come back! Most wedding guests will come back; and I will keep whom I will! But, do you suppose that you are going to escape anything! I say, prepare! And, get away from coastlines! Remove yourselves from the areas of the Great Lakes, and the swath of land, which**

**stretches between the Great Lakes and Mississippi River; for one day these lakes will dump into the Mississippi River!**

**Remove yourselves from California coastlines and get far inland! For, one day soon, the ocean will reclaim much of this! To My people, I tell you, pack up and leave Florida! That's right! Such a judgement will come upon Florida, that when I am through with it, only a string of islands will be left! Pack up and move from the Gulf Coast, and make haste! For, so great shall be My destruction along this coast!**

**Where will you go! Fast, pray and seek My face; and I will guide you! Put Me first and I will show You My will!**

**Yes, I am tarrying a while longer, but even so, it is but a short while still! Do as I say! Live for Me! Put Me first wherever you are! Though many may soon perish, I will take all, who love and honor Me and My Son! Even if your body perishes in a prison camp, you will be at peace! For, My Son will be there to take you!**

**But, some I wish to preserve! You will be here through it all! Listen to Me! Get prepared! Come out of New York City! Leave the East Coast! Hear what I tell you now! For, in one day, such a great upheaval shall strike the world, as none of you have ever seen in recent years!**

**I am your Father Yahweh! Hear My words! Repent! Live for Me! Stop your selfish ways! Give to Me what is Mine! Bless My prophets and My anointed servants and I bless you! Steal from Me and I allow Satan to steal from you! You have robbed Me! You have stolen from My house and I command that you give to Me what is Mine; and I will give to you what is sure!**

**I am your Father Yahweh, yea Jehovah, Most High God!**

**I was driving back from Spokane to my house in the Mountains, as I was driving back, I was worshiping the Lord Jesus.** I began to cry before Papa, because the Lord placed a special person on my heart whom I love dearly. As I lifted that person up unto the Lord, I desired the best for that person, I began to cry more. I told Papa God how much I love your Son, Jesus. All I could say was, I love you so much Lord God Almighty. Then as I was driving along, a song I liked, by James Taylor, popped into my head. so, I began to sing it. The lyrics go like, "I've seen fire and I've seen rain, I've seen sunny

days I thought would never end, I've seen lonely times when I could not find a friend," and the song goes on.

So, I got home and the fireplace was going, I took my guitar and just worshipped for two hours trying to have a breakthrough. It was a sweet time of worship unto the King. Then I took my Bible, I opened it and fell on my face before the Lord God, I was in major battle. I got up and went into the kitchen to prepare to break bread . I came back to my special place and fell face down. All I could do was weep as He purified my heart and Papa God melted my heart after two hours of crying before the Lord.

**I was very weak I went to get up and by this time I was tired, so I said Lord I am going to bed, I had my computer on and I went over to turn it off and the Lord said no, I want to speak to you, I want you to write.** So I took my Bible, and I had it open to one of the Old Testament prophets books. I fell back down on my face and wept more. Needless to say I woke up quickly, the Lord God had my attention.

**The Lord said remember my son, I given my Angel charge over you, For what I am about to tell you, the time has now come, it is the appointed time.** I looked at the clock at that moment it was 12:21 A.M. and the room got very bright and I looked and saw a man in white linen holding a sword. As I looked behind him, I could see a large body of water. Just then the angel of the Lord pointed with His hand, and there appeared before me the United States of America. I saw four huge Angels one standing on the West Coast, East Coast, the Great Lakes and the Gulf Coast, They had these huge swords in their hands, they held them out to each other touching the tips of all four swords together. Then they pulled back and held up their swords in the air, just then, I heard the voice of the Lord say, **son of man prophesy against the holy places and to the land of America. The Lord God said tell America I am against her, at that moment I saw the righteous and the wicked running, all over America.. I said Lord why are they running?** " He said for they are running to hide from my Judgment," Just then I looked again and I saw the man in white linen, raise up his sword with two hands I saw His waist, there was a gold band around Him. He swung His sword in a 360 degree wave. Then He flew up in the Air and there where lightning bolts that came out from His face. I looked again at his face, it looked like lightning,

then He stuck His sword down into the middle of the White House, and it just blew apart, like it was no longer needed, the president was struck. I saw another 911 rise up that was seven times greater, and military troops were blocking all roads,

**At that moment the Angel on the West Coast turned to face the Pacific Ocean, I saw four demon spirits rise up, the angel of the Lord commanded, you must let go of the sea, the demons yell out two times no, no. Just then the Holy Angel of God Almighty, took His sword and struck the Pacific Ocean. Then the sea rose up hundreds of feet in the air, the demons screamed out and the Angel of the Lord struck them and they disappeared. The sea was rapidly coming towards the west coast and went towards many other countries.**

**Then I looked at the Angel that struck the sea, and I wept, and said, the souls of men, is there not another way? The Lord God said, my son they would not repent of their wicked ways. I said Lord what about the righteous, He said I have told them to get out, and many did not listen, many of them love their homes and their lifestyle more then Me. They wanted all the comforts just like the world and when I warned them they kept going their simple way, they want to take their wealth with them, but they refuse to give it up for me. Just like Lot and all the children of Israel all they own will be required of them. They all died and only Lot and his two daughters came out alive, with just the clothes on their backs, this my son, is how it will be for many.**

**Just then I looked at the Angel standing over by the Great Lakes,** He pointed over to me, He said you must strike the Great Lakes and tell them to repent, the time is at hand and the time is running out, you must hurry. I fell down again and wept , I became so weak ,I just trembled, I heard this voice say my son, I love you, I know your heart but you must rise up .Then this hand touched me and stood me up, but I fell back down and wept more, I cried out, Lord God Almighty please save these people. My son stand up, I will be with you, you must warn these people, I wept more and said Lord I am incapable and I am nobody, who am I, Lord that you should call upon me. Rise up, very well Lord, I will obey even to the point of death., I love you so much.

**Just then the Angel I saw at first with the gold band around His waist pointed up in the air. There were four Angels flying down out of heaven, they had their swords extended out in front of them.** The first Angel struck the earth and America just quaked, the second struck this huge massive oil/gas tank and fires started up all over the country, the third struck the air and thousands of tornadoes started up all over the country at the same time. There were droughts and floods all over, all the crops were destroyed, and millions of homes were wiped out. The fourth one struck all the government buildings, and the whole economic wealth fell to the ground and burned up, and many politicians fell over and died. I saw the Military get attacked and the Pacific fleet get hit.

**Then the Angel at the Gulf Coast said to me, come closer, tell the people at the Gulf Coast and Louisiana that it will be ten time worse than Katrina, and then the Angel struck the Gulf Coast and people were being suck out to sea, everyone that lives there. As I looked to the East Coast I saw the Angel strike the sea just then twelve eroding hurricanes appeared up and down the East Coast and the coast line dropped off into the Atlantic Ocean from twenty miles to sixty miles inland .**

The Lord God Almighty said disaster has come upon the whole land. Oh America, you have refused to love the truth, therefore the Lord God Almighty has sent forth a decree of judgment upon you America. For the sins of America has reached the heavens. Woe, Woe, unto you America because you have not Repented , I will not hold back my Judgment, any longer. This is the hour, the time has come. You America have shed innocent blood and now, even now, I have sent my death Angel upon you, I have given my command Oh Angel of my Judgment go descend upon her, bring upon her all the innocent blood that she has slain. Tell America , I will not turn back my Judgment. Then this vision ended. Around 4:30 A.M. I saw many other things, but that is it for now, the vision came to a end.

**VERY IMPORTANT!**

**I asked the Lord to confirm this in His word since this all stared at 12:21 A.M. He showed me Ezekiel chapter 21. It is very important that all those who read this vision, read this scripture . EZK. 21, Babylon, God's sword of Judgment . This**

**passage was one of the 200 scriptures given to me on Nov. 20,1993 with the map of the coming destruction of America**

**On Feb.9, 2008 I went to bed and Papa God woke me up at 2:22 A.M. that night He spoke to me about many things and many chapters of His Holy Word and this same Chapter of Ezk 21 came up that night, also. He showed me about eight other letters He wanted me to write. This vision happens to be one of these letters. But the vision happened on Feb.21,2008, Read :Isaiah 3**

**"Repent now, take heed, for I am the Lord God, Fear not, I am the Lord, I shall not be mocked"**

**Special Note : I just got back Jan. 21,2008 from a Ministry road trip ,The West Coast I-5 trip and took my Cedar Staff and struck the Pacific Ocean ,all three State Capitols CA. OR. WA. and saw many power things happen, I will be releasing a letter about that later.**

# CHAPTER FORTY-FOUR

## The Son of the King is Going Home!

My Dear Brothers and Sisters, since I last wrote to you, much has been going on with our Father's work! Through the hearts of a beautiful family, whom I have known for years, our Father in Heaven supplied me with a newer vehicle! And, through the heartfelt love of a few of you, I have been able to do much traveling!

Our Father Yahweh has sent me traveling to Oklahoma City, OK and He spoke great judgement! Houston, the same, great judgement! Dallas, TX the same, great judgement! Atlanta, GA judgement with mercy! Memphis, TN judgement with mercy! Birmingham, AL judgement with mercy! Atlanta, GA judgement with mercy! Little Rock, AR, judgement with mercy!

Our Father also placed a giant angel about 75 miles northwest of Dallas, one also in Tupelo Mississippi, one between Atlanta and Macon Georgia, and one between Little Rock and the Mississippi River!

Our Father also sent me on a 4100 mile round trip to Los Angeles, where He placed two giant angels on either side of Los Angeles. He calls these angels "geographical angels." They can be about two hundred feet tall, and when standing, there can be a distance of about one half mile between their feet. He placed these on either side of Los Angeles to lessen the effects of the great earthquake, which is coming; and to lessen the effects of the great tidal wave. This was one great mercy run; for our Father Yahweh has heard the cries of many, who seek His mercy!

On that same trip, our Father uprooted a great demonic stronghold, which was over San Diego, CA and placed a giant angel over San Diego. He also uprooted many demonic forces around San Diego and placed supporting angels around San Diego. He also placed a geographical angel over Tucson AZ!

Less than two weeks ago, I got back from another mercy trip, which was almost 4000 miles roundtrip. On this trip, our Father Yahweh sent me up and beneath all of the Great Lakes! I traveled into Missouri, Illinois, Wisconsin, Ohio, alongside and under Lake Michigan, across northern Indiana, under Lake Erie, as I traveled Pennsylvania, and into Buffalo New York to Niagara Falls! I crossed into Ontario Canada alongside Lake Ontario, then traveled alongside Lake Huron, under Georges Bay in Canada. From there, I traveled back down into Michigan, under Lake Huron! And, from there back down Michigan, to near Port Huron, and across Michigan, up to the Michigan Peninsula!

I traveled under Lakes Huron and Lake Superior to Duluth Minnesota, down to Des Moines Iowa, into Kansas City Missouri, back Fort Smith Arkansas, and down to my home, which is near Conway, AR.

In Canada, our Father Yahweh placed 37 of these giant angels in and around these Great bodies of water in Ontario. Within the USA, along the New Madrid fault areas, He placed an additional 150 , plus, of these great angels, and others that I am not even aware of, as He said that He let out more than those, that I saw.

While traveling south from Duluth, he let out about fifty of these great angels and told me that He has released the Hosts of Heaven to help them to get to westerly locations, as I am and have been greatly concerned about the looming eruption of Yellowstone Volcano!

The very presence of these great angels will considerably diminish the devastating effects of the New Madrid fault when it slips! My heart's prayer has been also that our Father place significant numbers of these angels in the west to Midwest to diminish the great numbers of earthquakes, which are headed for those areas! I know that He has heard our cries! He has seen our tears and He is moved to great mercy! Blessed is the mighty Name of Yahweh Most High God! What a wonderful, loving, and merciful God He is!

You may be interested to know why it was necessary for me to travel to so many areas. It was necessary for me to physically go to these places as the angels needed to come

down the interdimensional portal, which is connected to the manchild spirit, who has now been in my body for over 29 months.

Throughout all of these trips, Satan, the US military and the fallen angels have continually persecuted me with the horrendous technology, which they possess. In and through it all, the manchild spirit has continued to grow; and our Father Yahweh has continued to keep me in spite of all that they have done. What a gloriously wonderful God we have! I have no words to describe my great love for Him and for His beautiful Son.

Our Father Yahweh has given me two messages for you! Read on!

### Our Father Yahweh's first message

### September 27, 2008

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! Listen to Me, My Little One, and write as I say, that all may be the wiser! For, herein are what may very well be the last of My warnings through you, before that great and terrible day of the Lord. For, the time is at hand when all the prophetic warnings of all of My true prophets shall be fulfilled, in all of their entirety.

I have stayed My hand for a season and I have kept back much destruction from this land. I have been merciful to this backslidden nation of America! I have extended grace upon grace unto this land and unto this people, only to have the masses trample My grace and devour My great mercies.

Still and through it all, My hand of grace and mercy is outstretched upon this land and upon these errant people! For, My love is great for you all! But, oh how pained I am and how pained I have been! For, in spite of all the warnings of impending doom and devastation, which are in all of your faces, few and I mean few can read the warning signs.

And, oh what warning signs all over the world. Indeed, a straw economy! A straw economy worldwide, where the worth of all things is based on printed currencies, which have no value! How long do you think that such a think will hold? Oh, not long I tell you! For, a strong wind of doubt and fear will soon blow this currency asunder!

Rumblings all over the world, and a few can hear them! Roaring tides of uncertainty and fear the world over in the financial circles; and Satan and his are set and ready to ride these tides of despair and hopelessness; and for your own destruction, too!

All that has been foretold through the mouths of my true prophets is now at hand and is already upon you! It is not a time of if or when! It is now! No longer to be put off for a future year! It is now, and it is already upon you!

Next comes the prepared chaos! Joblessness! Homelessness in great numbers! Severe food shortages! Famine! Martial law! Nuclear war! Great earthquakes! Mighty storms, far greater than you have ever seen!

Are you prepared for such things? No! I tell you, NO! For, overwhelmingly, you have not believed the previous warnings! And, neither will you, in general, receive this one!

But, even so, this is where you are and this is what you now face! And, oh how difficult this is going to be for many, who call themselves Christians, and have surely depended upon a rapture to escape all such horrors!

Yes, I am coming for Mine! I am coming for My bride; and I will also take many wedding guests! But, they will come back; for there is much work for them to do! But, how many of you are even waiting and watching for this great event? The WISE ONES are; but oh how foolish the rest! Foolish, indeed! For, through the mouth of this prophetess, you have all been told! But, even so, many of you have mocked and scorned! And, to your own detriment!

For, the work of My servant, Linda Newkirk, a long and difficult work, indeed, is about to be completed! And, this work will surely bear a mighty fruit for Me and for all of

 From The Mountain Prophecies Copyright 2008

humanity! A work of great travail, of hardships, and of suffering, like none other, this servant has endured, and she has now come to the very door of its completion! And, pleased, indeed, I am in the selfless labors of this chosen one! For, she has persevered in spite of the scorning, mocking and berating of large numbers of you! And, in spite of so much hate and so much contempt from the mouths of some of you, My chosen vessel has prospered in My work. For, I am with her, and have never left her side! Now comes her hour of victory, and all the world shall know that Linda Newkirk is indeed the true Woman of Revelation Chapter Twelve! For, she and she, alone, has paid the price to bear My sons' son, the manchild of Revelation Twelve! And, any day now, he and she will return home! And, along with them, a few faithful ones, who have remained her steadfast and loyal friends! I will not desert these and neither will she!

And, when she and the manchild spirit go; and soon, I will put her in the sky! I will indeed clothe her in the Son, the manchild Son, and I will indeed put the moon beneath her feet! Yes, all the world will know of her labors! For, I will reveal the truth of all things! And, many will weep! Many will be sorely ashamed for their mocking and scorning!

For, all will soon see and will soon know that Revelation Chapter Twelve is indeed finished! My servant, Linda Newkirk, the true Woman of Revelation Twelve, the true Queen of Heaven will indeed appear in the Son and she will indeed have a crown with twelve stars! The true mother of humanity! The true mother of a new race of humans! And, as such she will indeed bear much power in heaven and earth! And, she will get honor, which I intend for her to get, which she is deserving to receive! For, she has paid a heavy price! A terrible price indeed! Now into the 50th month since Revelation 12 began in South Africa and now into the 30th month since she was given the manchild, who was then only a tiny babe!

And, when this work is finished, it is indeed a new day for all of heaven and for all of humanity in the earth! For, great and mighty blessings then come back to humanity through my beautiful bride; and even through the wedding guests! But, also terrible, terrible times in the earth!

My Blessed Daughter Linda Newkirk, I am well pleased in you! Be of good cheer and rejoice; for all that you have waited for, all that you have longed for, and all that you have labored for, is now within your very reach!

I am your Father Yahweh, yea Jehovah, Most High God!

**Second message from our Father Yahweh**

**September 27, 2008**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! You ask for another confirmation from Me, that I would indeed have you to write as I have given you! And, largely you ask for it, My Child, as you want no glory for yourself! You, I have planted in a wilderness place, where few even know anything about My works through you from day to day! Quietly, you go about My works from day to day, and you want no glory for yourself! Even when I speak of the importance of what I do through you and when I speak of your great heavenly rewards, you are at a loss for words! You do not grasp the profundity of what I tell you! And, when I give you a message to share with all, that I am indeed pleased in you, you shy away from My words of praise! Yes, many have falsely labeled you a “glory hound”! They have branded you as selfish and desiring of praise and honor! But, from their own minds and through their own thinking, they jealously brand you with such labels!

What I have to say about you, I say for the whole world, for your work is unlike that of any other, My Little One! And, while you want no praise, I know this! But, I honor you, My Little One; for I am very pleased in you!

Yes, I want you to write and to publish what I have just given you! And, I will have you write more, even as I touch your heart to do so! For, you, My Little One, stand on the brink of eternity, and behind you all of My faithful ones, who will also cross the threshold of eternity with you!

It is time to rejoice, My Little One! It is time for all to rejoice! For, the Son of the King is about to be birthed back to Heaven! Unto Heaven and unto all of the Earth, the Son of the King is about to be born! And, because of the King's Son, a new generation is about to be born! For, in him and through him comes the glorious bride of the King!

The singing rivers proclaim My presence! For, I created them! They proclaim the name of the King of Kings and now they know and sing another song! The song of the King's Son!

My Little One, more than any person alive or dead, you know about the Son of the King! For, he lives in you; and has lived in you for over 29 months! His cry is heavenward; and the gates of Heaven are now open unto him and you! All of Heaven is in a continuous state of rejoicing, for the two of you are coming home in victory! A mighty victory, My Little One! A mighty victory for all of humanity, when the Son of the King comes home and the King' Son marries himself to the appointed souls!

Oh, how Heaven rejoices! I rejoice and the King of Kings rejoices! Am I not pleased in you, My Beloved Child? Oh, yes! I am pleased and I wish to tell you that I am exceedingly pleased in you! For, your labors have been sustained! They have been arduous and intense! Indeed, great has been your suffering! Great has been your pain and sorrow! And, you have wished no praise for yourself! You have wished no glory! But, even so, I want the whole world to know, My Little One, that I am greatly pleased in you! And, many will soon know the truth of your labors! And, all who truly know and understand will rejoice and be glad!

I am your Father Yahweh, yea Jehovah, Most High God!

# CHAPTER FORTY-FIVE

My Dear Brothers and Sisters, I greet you in the Name of our Beloved Saviour, Jesus, our Mighty King of Kings, and Lord of Lords; and send you much love in His Precious Name!

Few, few, few of you know of the great events of these past few weeks as regards the coming of our Saviour, but herein I wish to enlighten you somewhat as to the many visitations of our Saviour and His urgent messages regarding His imminent coming! It must have been near the end of August, or so, while I was outside and working in the yard, that our Saviour appeared to me and told me that He was going to give me a series of visitations to show me that His coming was indeed imminent!

The very next day, He appeared to me and therein began a series of almost daily visitations from Him; and on some days, He visited me more than once. These beautiful visions began to unravel a glorious, heavenly message from our Saviour; and this message from Him was that our Father in Heaven had approved for Him to come for me and the manchild, and of course immediately following would go the bride and the wedding guests. On several occasions, I met our Saviour on the bridge of light, and beside me was the little boy of Revelation 12, who was so beautiful and full of light. On other occasions, I would be with the little boy of Revelation 12 and alongside me and this beautiful little boy of light would be our Saviour! At other times, I would find myself in a garden of great light, and with me this beautiful, little boy of light, our Saviour's precious, little son! And, our Saviour would be walking alongside us both! I knew that soon, and oh so soon, we three would stand before the throne of our Father, as He would soon empower His precious son with his glory, and thereby make Him ready for His beautiful Bride.

As the days went by, a great anticipation began to grow within the hearts of a few of us; and I also held great expectations as regards the many millions of wedding guests, which our Father had previously told me that He would be taking to this most beautiful

of heavenly events. But, also, my Dear Ones, our Father's promise to me in the summer of 2004, began to tug at my heartstrings! His promise to me at that time was that He would give me my hearts desire! And, my heart's desire was and is that He would allow me to see the salvation of the greatest numbers of souls!

It was perhaps a couple of weeks before the Feast of the Tabernacles, as I was praying with a Dear Brother that I asked our Father in Heaven if He would take an additional twenty million wedding guests, but even as I had asked for these, I thought to ask for an additional ten million, or thirty million additional wedding guests, altogether. This Dear Brother, whom I pray with often, agreed with me in this request before our Lord and God and we left this prayer at our Father's feet, not knowing what He would do.

During the days following this request, our Saviour continued to appear to me, and we were by then so certain that He would be coming on the Feast of the Tabernacles. However, some few days before the feast, our Father in Heaven spoke to me and He told me that He had received this request for the additional thirty million wedding guests, and that He would honor it! He also told me that this would mean that He would extend the time of Revelation 12 by some few days as He would need to make preparations for the incoming of these great numbers.

I continued to think that perhaps He might still come in the Feast, as a "few days" of additional time to me could be literally three, or four days. So, I reasoned that a few days could still put the coming of our Saviour during the Feast of the Tabernacles, perhaps during the middle of the Feast. But, on the fourth day of the feast, which was the 17th day of October, I awoke early in the morning with a KNOWING that our Saviour would not come during this feast.

Although, I felt somewhat sad that this would be delayed, I also remembered our Father's words, "You will be so glad when you SEE why I have delayed His coming!" And, my sadness was quickly gone and I then began to wonder just how long our wait could be. It was two days later that our Father spoke to my heart; and He told me that He would need between two and three months to make preparations for the incoming

 From The Mountain Prophecies Copyright 2008

of these additional wedding guests. Yet, He also told me that He was not telling me that He would come at that time!

When our Father spoke to me in subsequent conversations, He told me that the ONLY reason that the coming of our Saviour was delayed was because I had asked for these additional guests. And as the days began to pass away during this Feast of the Tabernacles, I laid another prayer at our Father's feet; and a few of my Dear Friends agreed with me in this prayer! This prayer, my Dear Ones, is that that our Father take all of the time, by which He will shorten the last three and one half years, and place it all on the end of Revelation 12; and if there is enough time, would he then please double the additional numbers of wedding guests to make a total of 60 MILLION wedding guests! Be advised that these are additional guests! He has already told me that He would be taking millions of wedding guests; and He has already prepared for these!

These latest requests prompted our Father to give me the message, below; and in this message, you will read His words regarding this request. At this point, I can truly say that I do not know what He will do; as He is Most High; and He does as He will! But, even so, I continue to ask for these extra numbers! For, I KNOW that ALL, who go into the light as wedding guests will be forever changed by this light and surely greatly desire thereafter to "marry" our Saviour! Yes, they most certainly will come back into the earth, "on fire" for our Saviour, surely desiring to be next in line to marry Him. This is one way, my Dear Ones, we will surely see the salvation of great, great numbers of souls, who would not otherwise make it! And, for this, it is all well with me to wait a while longer!

Our Mighty God blesses me abundantly from day to day, and He carries me in victory daily through all of the great assaults against my body! All is well with me in spite of all that these wicked ones continually do to my body, all in their efforts to steal the manchild, or to stop these works any way they possibly can. But, even so, they have lost on all accounts; and only because of the great love, the great mercy, the great grace, the mighty power and the constant forgiveness of our Saviour toward me and my many faults and shortcomings. Blessed is the Holy Name of our God Yahweh and

blessed is the Name of His Beautiful Son, Jesus, Messiah! I love them beyond any words! How exceedingly blessed I am to be counted worthy to go through such things for love of our Mighty God and Saviour; and for love of each of you!

Few can realize how much Satan and his hoards hate me and how much the hate the baby boy of Revelation 12! Few can realize their great angst at what is taking place on this little Arkansas mountain; and few can grasp the profundity of these works! But, Satan and all of his hoards of fallen angels grasp it perfectly and they have made me the target of their great ire for years! And, this being the case, I am greatly pleased to wait some few more months, and oh how glad I am that our Father has granted our request to add these additional millions! And, if it be His will, my heart's desire is that He increases these numbers to add even more millions of additional wedding guests! For, every soul, who gets to go to Heaven to this beautiful wedding is one more, who may very well marry our Saviour and be forever free of this monster from hell, who needs very much to go back there!

I have also been exceedingly grateful for every geographical angel, whom our Father has placed in and around these most dangerous of fault lines! For, these are mighty angels and they are greatly needed to hold back these plates when the earth is turned upside down! And, yes! This is going to happen! And, sooner, rather than later! This is the ONLY REASON that He is releasing these giant angels.

And, this brings us to another facet of my recent plea before our Father in Heaven: That, if He does extend this time that He will allow me to travel more within the USA to other quake prone areas, so that He releases still more of these angels in America ! But, ALSO, MY DEAR ONES, THAT HE WILL MAKE A WAY FOR ME TO GO OUTSIDE OF AMERICA TO OTHER CONTINENTS, SO THAT HE WILL RELEASE SOME OF THESE GIANT ANGELS IN OTHER GREAT EARTHQUAKE PRONE AREAS AROUND THE WORLD!

The next message is our Father's reply regarding some of these requests; and this one will be followed by one more message from our Father as well.

## First Message from our Father in Heaven

### October 20, 2008

My Blessed Child, I am your Father Yahweh, Most High God. Be at peace, My Little One, and know that I love you greatly. My Little One, many come and many go, but a few have stayed the course; and a few know and understand the timing!

Many hope against hope that the bleak financial situation in the world will reverse itself, that the wayward government in this nation will emerge with yet another plan of rescue, that the dark clouds, which are upon the horizon will pass away. But, My Little One, this storm of unimaginable proportions will not pass away! It is building up steam, building up force from moment to moment!

My Little One, the midnight hour is at hand! Indeed, a dark hour! A time of great troubles in the Earth and the time for the catching away of the Bride. Oh, yes, this has been a long wait! A long wait indeed for you, My Little One, as you have suffered and travailed under severe persecution! Great have been your tests and trials, which have brought you to this point of surrender in Me! To a point of total peace, to a point of total forgiveness and love, even for your enemies!

Few know, my Little One, that I had determined for My Son to come for you, and for My Bride and the Wedding Guests, even at the Feast of the Tabernacles! Yes, indeed, I had given Him permission and He was set to come! But, I changed the timing: and changed it only on one account! You, My Little One, interceded on behalf of the lost and asked Me to take 30 million more wedding guests! On this, I could not make a decision right away, but did after some days of consideration, make a decision to meet your request.

And, this, for you, My Little One, means an additional amount of time, to be added to Revelation Twelve! Truly, your appointed days for Revelation Twelve are almost up, lacking only a couple of days. But, as you sought Me on this, as you asked Me for this; and as I have heard your prayers, I have granted this! I have also told you that this will lengthen your time between two to three months. But, that also I could not assure you that I would be coming at the end of this time!

And, still you come back and ask for more! You ask whether I will add to your time beneath the feet of Satan and the U.S. Military, all of the time that is taken from the end of the last three and one half years! And, if so, would I then double the amount of additional wedding guests, to a total of sixty million! And, these being additional wedding guests; for already I had made arrangements for many millions.

And, I have not shut My mind to what you have asked! But, look upon your request with delight! For, this request is one of love for all souls! And, I may consider this in the affirmative! But, even so, I must weigh many things!

My Little One, My promise to you from some years past was to give you your heart's desire! And, you wanted nothing for yourself, only to see the salvation of the greatest numbers of souls!

I have told you that all wedding guests will indeed be forever changed by their experiences at the wedding; and for this reason, you want the greatest numbers of wedding guests! For, they will surely want to be next in line to marry My Son! Yes, indeed, changed by all that they experience in Heaven! And, yes even some of these will be evil!

Yes, I am considering your request and soon I will provide you with My answer. In the meantime, My Little One, I will send you on more trips so that I can release more angels into these areas, which face severe cataclysms, whether through volcanoes, winds, tidal waves, or severe storms. You have petitioned Me to allow you to go overseas and to visit other earthquake fault lines and areas, which face severe cataclysms when the Earth is turned upside down! Therefore, My Little, I may consider this! If others, who live overseas in these damage-prone areas will help financially, I may consider your going there, so that I can release these angels! For, as you have written, these angels must descend from My throne through the heavenly portal, which is connected to the manchild of Revelation Twelve, who is within you and around you! For, He is also a great doorway to My throne! So, My Little One, you must be physically present in these areas where these angels are to go!

 From The Mountain Prophecies Copyright 2008

These are not warring angels, but huge geographical angels, who are able to hold back the shifting plates, to stop the raging winds, and to turn back the tidal waves, or to even stop volcanic eruptions. But, Satan, on seeing what is done, will set up his armies to try and stop them from reaching their destinations! For, he wants you all dead and he abhors the presence of these mighty angels! This is why I recently released some of the Hosts of Heaven to help some of the angels, which I released through you in the Minnesota and Iowa areas, to get to more westerly locations.

My Little One, if people want these angels, they must cease to be selfish with their finances and others must help with these works! It is shameful how most have done regarding these works, but even so, through the hearts of so few, I have sent you, My Little One, on some long and tiring trips, and I have released many angels.

Now, I must send you to the East Coast and down to Florida and then along the Gulf Coast, and back to Arkansas, where I plan to release many of these giant angels. After this trip, I may consider a trip to Yellowstone, and to the Pacific Northwest.

My Little One, I stress that if people want the protection of these giant angels in other areas, they must provide the finances for you to get there and back! And, even provide the travel over certain areas of terrain in these countries once you get there, so that I can release these giant angels! The burden for this, My Child, is not on you! It is upon those, in those nations, which face great catastrophes when the earth is turned upside down! And, the Earth will be turned upside down, and soon! For, soon enough the rest of the Nuburu train will manifest in the sky!

There remains little time for these angels to be placed in overseas areas! There are those, who could even provide a private jet to get you quickly to many nations! Japan is one nation, which will be severely broken up! Russia will be severely broken up! China, Northern Australia, East Africa, and other areas of Africa, Northwest Scandinavia (Nordic Countries), and Also Alaska, as well as many countries all over the world!

My Little One, I am willing to consider your request of my placing all of the time, which will be removed at the end of onto your time! I may add to your time if I see a great

interest in your traveling overseas for the placing of these great angels! Otherwise, My Little One, I will not consider this for many reasons! And, yes I know that you ask for the additional time, first and foremost for the additional thirty million more wedding guests, bringing these additional numbers to a total of 60 million extra wedding guests! These additional guests have been and still remain your motivation in asking Me to place more time onto the end of Revelation Twelve! But, you also ask for the additional angels, and I may consider adding the additional time to Revelation Twelve if I do indeed see a need for it!

If many show an interest in the placing of these angels and if they will provide the means for you to travel to these areas, I may then consider the rest of your plea! But, My Little One, the hour is very late! And, the truth is that a lackadaisical attitude has taken over the lives of most! They do not want to help with these works! Only few, few help! Yet, you continue to beg for the souls of so many; and I may give you what you ask for only because of the fact that you are willing to take the suffering onto your own body for this amount of extended time; and only out of the love of your heart!

But, My Little One, I do not know that I want to put this upon you! For, great is the persecution against you and great are your hardships and suffering from day to day! But, even so, you continue on in My love and continue to ask for the salvation of the greatest numbers.

Just know, My Little One, that I am weighing your concerns! I am weighing your requests, but on this, I have made no decision yet! I am looking! I am watching; and I will see what I will do!

I am your Father Yahweh, yea Jehovah, Most High God!

 From The Mountain Prophecies Copyright 2008

My Dear Ones, please note here that I have believed for quite some time that our Father in Heaven would cut short number of days in the last three and one half years; and our Father has also told me that this time would be cut short! Scriptures also support this shortening of days!

But, as I have recently spent some time in deep prayer and seeking before our Father and our Saviour, He has brought some information across my path as regards this shortening of days; and from this bit of information, it seems that these days may be shortened in some way that I do not clearly understand! I will provide more on this as I understand better what has come my way.

The Bible verses to which I refer are this one: “For then shall be great tribulation, such as was not since the beginning of the world to this time, no nor ever shall be. And, except those days should be shortened, there should no flesh be saved: but for the elect’s sake those days shall be shortened.” Matthew 24:21-22

MY QUESTION, AT THIS TIME, IS WHETHER THESE ACTUAL NUMBERS WILL BE SHORTENED, OR WHETHER THE ACTUAL HOURS IN THE DAY WILL BE SHORTENED! IN OTHER WORDS, THE SAME NUMBER OF DAYS, BUT TIME, WHICH IS ACTUALLY SPEEDED UP! IS THERE MORE STILL? ANOTHER HIDDEN ASPECT? I CANNOT SAY!

Please note that since I prayed for the above things, our Father in Heaven told me that He would not add to my time, the time, by which the days of the Great Tribulation are shortened! He also told me that He will not send me on trips at this time and for His own reasons! He has also not given me any affirmative answer as regards my request for an additional thirty million wedding guests, that is, thirty million more than the thirty million extra wedding guests, that He promised at the time of the Feast of the Tabernacles. That is all that I can tell you right now! Pray, my Dear Ones! We can never know what our Lord and God will do! For, He is full of love, mercy, grace, forgiveness and long-suffering; and He greatly loves each of us!

**Second Message from our Father in Heaven**

**October 27, 2008**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, look at the season and know that not one leaf shall fall, that I, even I, am not aware of! And, not one event shall come to pass around you, that I take not notice of! For, I have called you, My Little One, I have called you to a very difficult walk! I have called you to a walk of briars and thorns, a walk of sorrow, heartache and tears. A walk of ridicule and derision, a walk of shame! Shame, oh yes, shame you have born, yet innocent of so many lies, which have been laid upon you! Sorrow, you have born, yet not so much your own, but sorrow for a world, which is gone deaf and blind, a world, which is lame, a world, which looks through glasses darkly! Yes, a great sorrow you have born; for a beautiful work I do in their midst, an awesome work of great love, of My great love for all of humanity I do ! Yet, on seeing, they see not! On hearing, they hear not! And, for this, you mourn, My Child, even as a mother would mourn for her children, you mourn for the blind and the deaf! You lament for the lame!

For, unto you is given a beautiful babe of light! Even, My very own unto you! And, oh what a marvel he is! For, he is not of this world; but of Me! From Heaven he came to you and to heaven he will return with you and many, many souls!

For, My kingdom is at hand! And, great shall be the joys of all, when they see that indeed, you have written what is true! For, you, and you, alone, I have called as the earthly mother of My very own son of spirit. For, he is not flesh and blood as some may think; but spirit, even as I am spirit! And, to heaven, he shall return as spirit, ,yes even a divine blueprint for a new generation of souls! Yet, My Child, who truly understands? Who truly knows and grasps the profundity of what you write?

He, that is broken, of a contrite spirit. This one can grasp what I have called you to! For, this one I can confide in! This one I can confer with! This one, I can impart My intimate secrets to! But, the rest have been blinded!

And, even among My prophets, a conspiracy exists to silence these works! A conspiracy to shut out and destroy these works! For, even as many of the Jews tried to

 From The Mountain Prophecies Copyright 2008

destroy the works of My Son in the Earth and refused to recognize or honor him, now come those, who are also of My own house! Even among My own prophets are many and they mock and scorn My work through you. They call you all manner of names, even as the Jews labeled My Son with all manner of names. And, they refuse to believe that I have called you for such a work, instead choosing to align themselves with one another and to concur with one another in their own false delusions.

For, sin has blinded them! Sin has deafened them! High-mindedness has cut them off and I have left them in the shallow end! Having itching ears, they prefer the smooth things and the smooth things they rattle on about among themselves! And, the deep things they understand not, and neither are they inclined in that direction! For, they want the easy way and the easy way I give them!

But, you, My Little One, I have put in the furnace of afflictions! I have put you in My fiery furnace, that I might try you as pure gold, that no dross remains in you: That you, forgive them all, and that you walk daily in love and forgiveness, even to forgive your enemies and to pray for them, that you might be ready for your heavenly assignment!

For, to whom much is given, much is expected! Therefore, know, My Little One, that your time is not yet, but close! And, be of good cheer and know that even so, the world will be a little darker yet! The dark storm shall be clearly visible! Great signs and wonders shall manifest in the heavens and be clearly seen by all! Then, I will send My Son, who will come, even as a thief!

And, I will open up a heavenly gate! I shall put you on the bridge and you shall beckon to the bride and to all wedding guests! And, they shall follow you, My Little One! I shall part the heavens and Mine shall pass over! Even as, in the time of Moses, when I parted the Red Sea and Moses led Mine out on dry ground!

And, so it shall be, that you, My Little One, shall lead them out, that I shall part the heavens, and the whole world will see you, there at the gate to My heavenly bridge and they shall marvel! And, the foolish shall be confounded, but the wise will know that

this is the day and this is the hour wherein My Son has come as a thief (Rev 15:15) and many, many shall be taken! But, also many, many shall grieve!

Your wait, My Little One, and the wait for My Faithful and for all, whom I choose to take, is but for a little while yet! And, when you see many signs in the heavens, you will know that then, at that time, your hour is at hand!

And, I will continue, My Little One, as you read and as you wonder! But, I tell you that this is so, that even as Isaiah has written it to be, "Before she travailed, she brought forth, before her pain came, she was delivered of a man child." (Isaiah 66:7-8)

And, did I, myself, not make reference to a man, who is to be born in My own words, " A woman when she is in travail hath sorrow, because her hour is come, but as soon as she is delivered of the child, she remembereth no more the anguish, for joy that a MAN is born into the world." (St John 16:21)

Have these things not been a mystery, even as regards these words? "And, she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne." (Rev 12:5)

And, yet still, My Little One, My words, " And he that overcometh, and keepeth My works unto the end, to him will I give power over the nations, and, he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received from My Father." (Rev 2: 26-27)

Or, My words through the mouth of My prophet Micah: "Now, why dost thou cry out aloud? Is there no king in thee? Is thy counselor perished? For, pangs have taken thee as a woman in travail. Be in pain, and labour to bring forth, O daughter of Zion, like a woman in travail: for now shalt thou go forth out of the city, and thou shalt dwell in the field, and thou shalt even to go Babylon, there shalt thou be delivered, there the Lord shall redeem thee from the hand of thine enemies." (Micah 4:9-10)

 From The Mountain Prophecies Copyright 2008

And, "Therefore, will he give them up, until the time that she which travaileth hath brought forth …" (Micah 5:3)

Have I not spoken mysteries? Have I not hidden the truth in plain view, yet so few see and understand!

Have I not foretold of a new generation of souls, which is yet to come through these very words, "…a great people and strong; there hath not been ever the like, neither shall be any more after it, yea, even unto the years of many generations. A fire devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness; yea and nothing shall escape them." (Joel 2:2-3)

Yet, all of these things remain a mystery to most! For, the blind on seeing see not, and the deaf, on hearing, hear not! But, the hearts of the wise see and they know! Yet, they be few!

And, even so, this has been the case with Revelation Twelve, that this (work) would be before the faces of all and those the world over could read of it, if they chose to do so, and they would know! But, on seeing, they see not, and on hearing, they hear not! For, sin has cut them off!

And, you, My Little One, (are) bearing My beautiful child of light, My divine blueprint for a new generation of souls! And, who is even the wiser?

The U.S. military is the wiser; for they have made you their prisoner! Satan is the wiser; and all of his kingdom the wiser; for he is constantly in your face, working day and night to steal what is Mine and/or to tempt you and lead you into errors any way he can conceive of! And, these see and they know the marvels of what I do in you and around you through the Son of the King! But, of the rest of the world, few see, few know and even fewer understand.

But, so has been your plight, that this would be no easy work for you, but, one, which has been full of sorrow and heartache! But, even so, before that hour of travail, which is to come upon the whole world, a MAN will be delivered back to My throne! For, he will be born back to heaven, even from whence he came! And, so will all, who are deemed worthy to go!

Go in peace, My Little One, and know that I will never leave you! For, My eyes are always upon you! I am your Father, Yahweh, yea Jehovah, Most High God!

# CHAPTER FORTY-SIX

My Dear Brothers and Sisters, herein you will find the latest message of our Most High God, Yahweh, regarding the near-imminent collapse of the United States of America. His message is of utmost importance; and I beg you to take this message very seriously.

At this late hour, there is little that will be done to reverse this most imminent of judgements from our Father in Heaven! Last night, He showed me that we have crossed lines, both economically and militarily, from which there will be no turning back. This should come as no surprise to those of you, who have been looking and listening!

## About 28 solid years of warnings through the mouths of latter-day prophets!

May it be known, that our Father Yahweh has pleaded with this nation for about 28 years (or more) through the mouths of His prophets! Through the mouths of His prophets, He has warned repeatedly of His great judgments to come upon this land if the people would not hearken unto His voice and repent!

But, alas, so few have heard, and still continue on in their ways of rebellion, refusing to serve the Only God, the One God, the Creator, Yahweh, Most High God, who is also known as Jehovah.

However, in spite of such arrogance on the parts of so many; and in spite of such utter regard for His words and for His great love, our Beautiful and Loving Creator still stretches out His hand of great love and mercy to all in this nation, and even to all in the whole world! Even at this late hour, if the lost and the wicked would repent and call upon His name and upon the Name of His beautiful Son Jesus, Yeshua, Messiah, He would hear! For, He is first a God of great love and great mercy!

The Only Way to our Father is through His Son, Jesus, Saviour, Messiah, King of Kings and Lord of Lords!

I beg you, my Dear Ones, do not let another day catch you deep in sin. Call upon the Name of Jesus, who stands as our Great Mediator between us and our Father! Jesus forgives! He will hear your heartfelt cries! He will take you into his arms, and He will love you! He would not have you to be lost! He will give you His Spirit to comfort you; and He will make your journey light!

Remember His great love for us, that He came from Heaven, a pure and radiant soul; and the He laid down His life for us, that we might have life abundant. Jesus paid the price for all of us to be free from the yokes and bondages of the evil god of this world! He truly came to set the captives free and to give us LIFE ETERNAL!

Remember His great love for you and remember His great example of love and sacrifice for us all! The Lord of Lords and the King of Kings loves you greatly! Come to Him on bended knees, with a broken heart and a contrite spirit and He will forgive your sins! Please do not wait another day, for every minute that you wait is one more minute closer to hell. Only Jesus can keep you from hell! Hell is real and it is a horrendous place of fiery suffering!

**Jesus warned against being lukewarm!**

Please, my Dear Ones, hear my cry! Get on fire for Jesus, or you may not make it! To you in the churches, who should KNOW JESUS, I call out to you to remember our Saviour's warnings about being lukewarm! He, himself said, "I know your works, that thou are neither cold nor hot: I would thou wert cold or hot. So then because thou are lukewarm,and neither cold nor hot, I will spue thee out of my mouth." (Rev 3:15-16) Our Saviour will reject those, who choose the shallow walk, and who sit in the amen corner on Sundays and then go about their love of the world the rest of the week.

Hear me now when I tell you that a great judgement is coming onto the churches of America! They will burn across this land; for the wrath of our Father in Heaven is great against many churches, who are full of the blind, who are leading the blind! He shall

 From The Mountain Prophecies Copyright 2008

destroy them with fervent heat and with the presence of foreign armies. And, many shall be hauled off to concentration camps! He has shown me in years past what will happen to many, many churches in America!

### The Wolf is at the Door!

My Dear Ones, there is precious little time left before we see great, great destruction in America and many millions dead. Please help me get this message out to the masses. As much as you are able, please send this message out to many sources, to churches, to message boards on the Internet and to the general public! And, if you are able, please make copies and disseminate this message to the people in the street. For, we have now reached the end of the road for America! We are witnessing the imminent fall of this nation!

## A MESSAGE FROM OUR FATHER IN HEAVEN

### October 24, 2008

### "The Imminent Fall of the United States of America!"

Oh Rise, Oh blessed and cherished daughter of Mine, My blessed daughter of Zion! Arise and stand up once more, My beloved child, to speak of My judgements, to speak of My warnings, that the blood of the people of this nation, be not upon your hands! For, over and over again, I have called you, and I have sent you, and you have piped for Me! You have piped My messages! But, on reading, they hear not! On seeing, they see not! But, even so, My Little One, the wolf is at the door! The walls of defense have been torn down! The high tower is deserted and the mouths of my watchmen have all but gone silent!

Blind sheep! Blind shepherds! And, all now facing a fierce, blinding wind of ripping and cutting sand! A fierce storm blowing in! A tidal wave of destruction at hand! Rivers of tears upon this nation! A howling as none have ever seen! A great howling indeed! For,

the ravenous wolves meet in secret, seeking how they will devour this land, whom they shall devour and whom they shall carry off!

Cities of America, soon many cities, but ruinous heaps, deserted wastelands! Burned! Charred! Dissolved and clean removed! With vacuous hollows in the earth only remaining! Gone, the great skyscrapers, and millions upon millions of souls, their bodies melted in the debris! Coyotes, rooting for bones and withered skins! Ravens, pouring over the ruinous heaps! The stench of the burning of the cities filling the land! Oh, you blind and deaf nation of America! How, you have perverted My word! How you have despised My warnings! How you have deserted Me in all of your affairs! How you have trusted blindly in the arm of the flesh! And, how greatly you have put your faith in lying, satanic leaders and in lying and filthy preachers of the word! And, how you have sold Me out for but a tinker's toy of this world!

Gross, gross immorality! Gross sins of the flesh! Gross worship of many idols and strange gods! Yes, this is so; and early, I have awakened My prophets and I have sent them out early in the day to warn you, to warn you to repent, or perish in the coming troubled times! I have kept them up late, warning My prophets! And, I have given them many dreams and many visions for many years, of the great destruction, which awaits America if you will not repent! And, many have run among you and they have warned you, for I have sent them!

But, you as a nation, would not hear! For, you love the world and what is in it; and My very words through the mouths of My prophets, my words and warnings offended you! Oh, you wicked generation! Oh, how your sins have piled up on you! Mountains of sins and few, oh so few of you caring at all!

Now, oh rebellions nation of America, you hour is upon you! Your hour of great destruction! Your hour of great economic woes! Your hour of a great military assaults against you, from which you will never recover!

Yes, hear My words, oh you rebellious nation of America! America is about to fall! I am sending a grievous war upon you! Out of the North shall come a mighty army! Missiles

 From The Mountain Prophecies Copyright 2008

shall rain down upon your cities! A burning, a great burning of your nation, of your cities shall be seen all over the world!

Your sons and daughters shall be carried away as slaves! The wicked shall fill up their death camps with your families. A great howling shall go up all over this land and even the heathen shall say, “Look what their God did to them!”

Yes, America shall be utterly broken! Clean broken down! No more shall the merry laughter fill this land! No more! For, great shall be your sorrow! Great shall be your weeping!

But, even so I will not utterly desert you! If, even then, you will humble yourselves before Me, and if you will repent sufficiently of your sins, I will send My Son! And, he and he, alone, will drive the foreign armies out of your land!

And, I will stretch out My hand to you as a parent would to a long-lost child! And, I will cuddle you as an infant! I will embrace you and comfort you again! My miracles will run in your midst and all of the world will know that I am still Your God!

But, even so, your great judgement is at hand! For, no longer can I tolerate your gross rebellion, your worship of idols, your love of the world, and your love of a lie! I am not in this! You have routed me out of this nation! Few, and I mean few truly love Me, and truly serve Me! And, at hand now and oh so soon is your hour of destruction!

I am your Father Yahweh, yea Jehovah, Most High God!

# CHAPTER FORTY-SEVEN

## A Technology so Terrible!

## NONE can survive it, except through Divine Intervention!

My Dear Brothers and Sisters, I have owed you this chapter for some time, but I have had to wait upon the promptings of the Spirit of God; for even to write of some of these things is so very devastating to me. Therefore, I have needed to be guided by our Father's promptings in all things!

### Satan's great attempts to stop the works of Revelation 12!

In the past I have written about the terrible technology, which those in the military of the USA, who work in conjunction with Satan and the fallen angels, even the Annunaki gods of old, have used against me. For a fact, my Dear Ones, since Satan and those in this government were given this terrible technology almost two years ago, they have perfected the use of it on me! And, they have done so in their efforts to stop the work of Revelation 12 and the growth of the manchild spirit, who is within me!

In other words, their great assaults against me have also been their attempts to stop these works of our Saviour and to keep the Bride from ever leaving the Earth, and from receiving what our Saviour has for them, which is the heritage of the manchild spirit, or the spiritual DNA or our Saviour. For, this is how the Bride will "marry" our Saviour! They will get His spiritual DNA, and they will become as HE is! Yet, they will also be beneath him and as such will carry the amount of power, which their spiritual cups are able to hold. So, in this way, there is a spiritual hierarchy in the Kingdom of our Saviour.

Satan and his fallen angel hoards and their counterparts in the US military and even in other militaries around the world, have worked night and day for many months to try and steal the manchild spirit! I have written about these things; and in the months,

which have passed since our Saviour gave the manchild spirit to me, they have not stopped in their wicked assaults against me, but have only escalated. Therefore, our Saviour has grown the manchild in size and power, all in order that he may both defend himself and me through the power, which our Saviour puts into him! Therefore, he now exists several feet outside and above my body, but he also has much fire in him; and this fire is greatly needed to dissolve the great amount of foreign substances, which these evil ones forge into my body, both night and day!

My Dear Ones, these high-minded, proud, and haughty wicked ones have surely reasoned that they could steal Him and even take over heaven, as the manchild is also connected to a bridge, which goes into heaven. So, if they could steal him, they could thereby even storm heaven! Yes, indeed Satan's goal is and has been to even upseat our Father in Heaven, the very one, who created Him.

In addition, my Dear Ones, they have surely reasoned that if they could STEAL THIS HEAVENLY DNA, or TAKE ME OVER any way they could, that they could STOP THE REIGN OF OUR SAVIOUR IN THE EARTH, and that in so doing, that they could STOP THE ADVANCEMENT OF THE HUMAN SOULS, WHO STAND TO GET THIS NEW DNA. THAT IS, THEY COULD STOP THE BRIDE FROM EVER RECEIVING THE SPIRITUAL DNA OF OUR SAVIOUR AND THEREBY STOP THEM FROM ENTERING INTO THE GREAT REALMS OF LIGHT, WHERIN MANY OF THEM ARE DESTINED TO RULE AND REIGN.

My Dear Ones, they have also most assuredly reasoned that by filling my body with copious amounts of metals, plastics, and anything else that they could imagine, THAT THEY COULD PUT OUT THE LIGHT, OR THE FIRE IN THE MANCHILD AND OVERPOWER HIM, thereby, bringing to a halt the coming Kingdom of our Saviour in the Earth.

Daily, they have pressed on, maintaining their convictions to ANNIHILATE ME, TOTALLY TAKE OVER MY MIND, OR TO STEAL THE MANCHILD! There has been no middle of the road; and their assaults against me have been UNRELENTING! THEIR PERSECUTION AGAINST ME HAS BEEN GREAT! THE TORTURE AGAINST MY BODY HAS AT TIMES BEEN EXTREME, but even so, AM I NOT STILL HERE! DO I NOT CONTINUE TO WORK FOR OUR

 From The Mountain Prophecies Copyright 2008

LORD AND GOD! AM I NOT ABLE TO GO ON ABOUT MY OWN BUSINESS AND THE BUSINESS OF OUR FATHER?

### Wondrously and Supernaturally Carried in the Arms of our Saviour!

AND, MY DEAR ONES, THIS IS THROUGH NO STRENGTH OF MY OWN! THIS IS OF NO ABILITIES OF MY OWN, BUT THROUGH THE SUPERNATURAL POWER OF THE ONE GOD, THE ONLY GOD YAHWEH, THROUGH OUR BELOVED SAVIOUR JESUS, AND THROUGH THE POWER OF THE BEAUTIFUL SPIRIT OF GOD, THAT I AM CARRIED FROM DAY TO DAY! BLESSED IS THE NAME OF OUR MIGHTY GOD YAHWEH, JEHOVAH, AND HIS BEAUTIFUL SON, FOR THERE IS NONE BESIDE HIM!

FOR, I TELL YOU NOW; AND TAKE NOTE OF WHAT I AM TELLING YOU! I DO NOT BELIEVE THAT ANYONE COULD LIVE IN THE MIDST OF THIS TERRIBLE TECHNOLOGY, WITHOUT DIVINE INTERVENTION! FOR, THEY WOULD SURELY DIE OF PAIN, OR THEIR MINDS WOULD BE TOTALLY TAKEN OVER THROUGH THE PROGRAMMING OF THE WICKED ONES! AND, AS SUCH, THEY WOULD BECOME AS MIND CONTROL ROBOTS, OR ZOMBIES!

FOR, ONCE THIS TERRIBLE TECHNOLOGY IS IN PLACE IN ONE'S BODY AND ONCE THEY ALSO ASSAULT SUCH A ONE WITH "VIRTUAL REALITY" EXPERIENCES AND UNDER DRUGS PROGRAM THEIR MINDS, THE VICTIMS WOULD NOT STAND IN CONTROL OF THEIR OWN MINDS, LEST OUR FATHER IN HEAVEN CARRIED THEM THROUGH.

### The Truth is Being Made to look like Science Fiction!

My Dear Ones, if this sounds like science fiction to you, then perhaps it is the truth that they have been feeding us through many movies, and these truths being made to LOOK LIKE SCIENCE FICTION!

Yes, they lay the bold truth right in front of our faces and show it as science fiction, so that when others write of the truth, that many will rise up and mock, name-call and slander the purveyors of such truths, calling them INSANE, and labeling the truth as SCIENCE FICTION!

But, oh so terrible indeed for any of you, who stand up to mock what I am telling you. For, I tell you the truth as much as I can even describe it; and I warn you of what is not only coming upon you, but what is already being used upon you. Ignorant is the one, who dismisses what I tell you of now, and fans it off as an unwelcome intruder. I tell you of what I have endured nonstop regarding this terrible technology for almost two years, and even before that, I went through the terrible technologies that they had at their disposal at that time.

But, this technology is worse that any science fiction that you can read of; and the most horrific thing about it is that it is ALREADY BEING USED ON UNTOLD NUMBERS OF HUMANS; AND WHO IS EVEN THE WISER?

My Dear Ones, I am the wiser; for I have lived through it and have suffered greatly at their hands. But, even so, OUR MIGHTY GOD HAS KEPT ME. HE HAS NOT KEPT ME FROM GOING THROUGH WHAT HE DETERMINED WHAT I MUST GO THROUGH; BUT HE HAS CARRIED ME THROUGH IT ALL IN VICTORY FOR HIM AND IN VICTORY FOR ALL OF HUMANITY.

Yes, indeed, they go licking their wounds and howling into the night; for all that they have done to take me over and over again, to take me as their total captive and or to kill me has failed. For, they think to overcome the power of the Most High; and they are but fools, even as vain dogs, who go chasing their tails!

But, even so, my Dear Ones, this has been a very difficult walk and one, which few can even grasp and understand. And, as best as I could, I have tried to warn you; and now my Dear One, comes one to me, who has been taken over through this wicked technology!

### The True Story of One,
### Who has been taken captive through this horrific technology!

My Dear Ones, I will try to write of what I know, but even to write of this thing is so emotionally painful to me. For, some years past, even about five years past, I knew this young man. I never knew him personally, but was on his radio show, perhaps twice

 From The Mountain Prophecies Copyright 2008

that I can remember. And, now and then I would speak to him over the telephone. At that time, he was doing much to expose the corruption in the government. He was a very brave young man, who was then only about 25 years of age. I always considered him to be very bright and thought him to have a good future ahead of him in investigative journalism, though I was also very well aware of the many perils, which he would face, as I was also going through persecution from the evil ones, even at that time.

As it was, I would soon go to Africa to begin our Father's work on Revelation 12 and I would not hear anything else of this young man. Some said that he came under extreme attack from the federal government of this nation; and that he just disappeared. The last that I heard of him was that he was under government assaults, that he was being pursued by unknown assailants, that he was under threat by government helicopters, and other kinds of assaults.

But, some weeks past, I received some e-mails from this dear, young man, and I could see that he was in trouble. I sent him my telephone number and after some days he called me. From that conversation, my Dear Ones, I made some notes; and also came away from that conversation feeling so emotionally devastated because of what this dear soul has suffered! And, also devastated, my Dear Ones, to know that the wicked ones have taken over the mind of a beautiful, young man, and that they have not only programmed him, that they have put him through what seems to be some sort of virtual reality torture, which has greatly traumatized him. They have also apparently totally filled his body with this wicked technology as he told me that they have given him a fake spine and fake bones in his legs, that he cannot even feel his own legs. He also told me that he has a fake stomach as well as other fake body parts. He told me that he is neither alive, nor dead, but living between worlds.

My Dear Ones, I tell you the following, even with great reservation, for I do not wish to impart any degree of disbelief upon what he has experienced; and I do not wish to add to his suffering in any way. For, I do believe that he has experienced what he says, and that to him, his experiences are real. For, when one's body is full of these foreign substances and then one is subjected to a "reality" movie experience, this reality

impinging upon every nerve, upon every fiber of one's being, then the experience is as real as anything that one will experience. And, if the Spirit of God is not present to help one distinguish between what is real and what is not real, and also to shield one from the depths of such terrible experiences, then one can only assume that such is real. So, I share these things with you out of love for you, and out of love for this dear man! My Dear Ones, remember him in your prayers! Pray to our Father to set free this young man, who did his best to alert the rest of us to the perils of this wicked world! Pray for our Father to supernaturally intervene and to make him free! May we all join forces to wrap him in the depth of our love!

What have they done to him? Satan and his hoards have TAKEN HIM TO HELL. From what he tells me, he has experienced a virtual hell! They have TORTURED HIM IN HELL! They have CRUCIFIED HIM and made him to feel the excruciating pain of this said crucifixion. They have put him in something like a black hole and they HAVE TORN HIS BODY APART MOLECULE BY MOLECULE and the pain of it as he tells me is greater than anything any of us could ever imagine. He tells how they have PUT THE SINS OF THE WORLD ON HIM; and from what he describes, he also felt such a thing! He also tells me that they did these things to him in February of this year; and that he does not know how long he lay on his bed.

He believes that our Father HAS PROMISED HIM HIS OWN KINGDOM IN HELL; and he tells me that he does not want to go to heaven, and does not want eternal life, but wants this KINGDOM IN HELL, SO LONG AS HE IS NOT TORTURED IN HELL and is ABLE TO TORTURE THOSE, WHO HAVE DONE THIS TO HIM. HE ALSO TELLS ME THAT NONE SHALL GET OFF THE EARTH AND GO TO HEAVEN, UNLESS THEY GO THROUGH HIM. He also tells me that he suffers excruciating pain all of the time and he believes that his body is full of nanoparticles!

My Dear Ones, I write what he has told me, though this is not all of it; and I truly believe that his experiences have been extremely real to him! What they have done to him is intense mind control and through this wicked technology, he is unable to know what is real and what is not real. My Dear Ones, they have taken him over and made

 From The Mountain Prophecies Copyright 2008

him captive. I KNOW THAT HE IS FULL OF THIS WICKED TECHNOLOGY; AND THAT HE HAS MISTAKEN SATAN FOR OUR FATHER IN HEAVEN!

The wicked ones have taken one of their so-called DISSIDENTS, and they have TORTURED HIM, FILLED HIS BODY WITH FOREIGN SUBSTANCES, WHICH HE CANNOT GET FREE OF. They have given him VIRTUAL REALITY EXPERIENCES, WHICH HAVE BEEN UTTERLY REAL AND ABSOLUTELY BRUTAL! FURTHERMORE, THEY HAVE LIED TO HIM AND HAVE MADE HIM TO BELIEVE THESE LIES ABOUT HAVING HIS OWN KINGDOM IN HELL; AND AS HE HAS ENDURED ABSOLUTELY "REAL" EXPERIENCES, HE ALSO BELIEVES THEIR LIES TO BE TRUTH! I ALSO HAVE NO DOUBT THAT HE IS CONSTANTLY BOMBARDED VIA TERRIBLE ELECTROMAGNETIC PULSES TO KEEP HIM IN A TOTAL MENTAL PRISON. AND, WHEN HE GETS THE LEAST BIT OUT OF LINE, THEY PUNISH HIM WITH UNBEARABLE PAIN.

He also tells me that the NSA has called him and told him that they are going to lock him up! So, my Dear Ones, they come right out and show their association with all that is being done to him!

My Dear Ones, why would they do such a thing to this young man? I can only imagine that as he has been a powerful voice against them in the past, and as they have seen his abilities, they wish to make him a powerful weapon FOR THEM in the future!

**Will there be a fake UFO Invasion before the return of our Saviour?**

**Will they pretend to be there as friends, who will save all?**

And, how would they use him? My Dear Ones, I do not know for sure, but a Dear Brother in Canada had a dream, or perhaps more than one dream, in which there is a UFO INVASION. IN THE DREAM, OR AS IT WERE, DREAMS, HE SAID THAT MANY PEOPLE WERE JUST GOING OUT AND BEING SUCKED UP INTO THE UFOS, AND AS I UNDERSTOOD IT, AS IF THEY WERE PERHAPS IN SOME SORT OF TRANCE, IN PERHAPS A PROGRAMMED MANNER.

MY QUESTION IS: COULD THEY HAVE SUCH A PLAN FOR THIS YOUNG MAN? TO PUT HIM OUT ON THE AIRWAVES AT THE RIGHT TIME, TO TELL THE UNSUSPECTING THAT THEY COULD ONLY GET OFF THE EARTH THROUGH HIM AND THAT THEY MUST COME WITH HIM! THAT, THEY MUST GET INTO THE SHIPS, SO THAT THEY COULD BE SAVED!
COULD SOMETHING LIKE THIS BE AFOOT? AND, IF NOT THROUGH THIS ONE, THEN THROUGH ANOTHER ONE, OR EVEN THROUGH SEVERAL OTHERS?

Is it their plan to take radio voices, which the people have known and trusted and to use them to round up the unsuspecting? As I understand it, others have also dreamt of such a UFO invasion! Could this even take place before our Saviour comes, to further fool the unsuspecting, and to cause them to be led away, even carried into the underground bases, only to end up as this Dear Brother has ended up, mind controlled and imprisoned by this terrible technology!

My Dear Brothers and Sisters, think on these things! Pray, my Dear Ones! The Antichrist is in power and we are in big, big trouble in this nation and in all nations.

### A Series of Judgements Coming upon America!

Our Father has shown me that He is bringing a series of judgements against this nation, even before our Saviour comes. The California fires are but one of his judgements; and some of these judgements shall be solely against the evil ones. Through these terrible judgements, surely some will fall to their knees in repentance, get clean, and thereby be found worthy to marry our Saviour! I truly hope that many do so!

### The Haughty prophets and the backbiters in the Body of Christ!

There is a grievous blindness and deafness among the Body of Christ; and AMONG THE PROPHETS, WHO WILL NOT LOOK AT THE TRUTH! They only wish to speak the smooth things and they continually rise up to MOCK THE DEEP THINGS, WHICH OUR SAVIOUR HAS GIVEN!

 From The Mountain Prophecies Copyright 2008

MY DEAR ONES, IN NO WAY WILL OUR SAVIOUR MARRY SUCH! IN NO WAY WILL HE MARRY THE PROUD, THE HAUGHTY, THE BACKBITERS, AND OTHERS AMONG HIS BODY, WHO WILL NOT REPENT! Do not be deceived in this!

### Why is our Saviour Tarrying?

I ABSOLUTELY BELIEVE, EVEN BEFORE OUR SAVIOUR COMES, THAT HE IS GOING TO PUT SOME SEVERE PUNISHMENTS ONTO THE BACKS HIS PEOPLE! I KNOW FOR A FACT THAT HE IS TARRYING, BUT WHY IS HE TARRYING? IS HE TARRING BECAUSE HE MUST YET PUNISH SOME, WHOM HE WISHES TO MARRY, TO FURTHER CLEANSE THEM AND TO MAKE THEM WHITE!

### Repent, oh Children of the Most High

### Get Clean and Stay Clean; or you will not be counted among His Bride!

My Dear Ones, our Savoiur has made this perfectly clear to me! N0 ONE WILL MARRY OUR SAVIOUR, WHO WILL NOT LOVE THEIR BROTHERS AND SISTERS, AND ALSO FORGIVE THEM! And, as my friend, Gayle Smith so appropriately reminded me, 'THEY MUST ALSO FORGIVE THEMSELVES!"

I STRESS TO YOU, MY DEAR ONES; AND I WARN YOU GREATLY THAT NONE WILL MARRY OUR SAVIOUR, WHO GOSSIP, BACKBITE AND SPEAK MALICIOUS RUMORS ABOUT OTHERS, WHO WREAK HAVOC IN THE BODY OF CHRIST AND WILL NOT BEND A KNEE FOR SORROW IN REPENTANCE FOR WHAT THEY HAVE DONE! NONE WILL MARRY HIM, WHO WILL NOT FORGIVE THEIR ENEMIES, AND WHO HARBOUR ALL MANNER OF HATE AND ANGER IN THEIR HEARTS! NONE WILL MARRY HIM, WHO ARE NOT SOLD OUT TO OUR FATHER AND TO OUR SAVIOUR, AND WHO DO NOT LOVE HIM ABOVE ALL AND MAKE HIM FIRST,AND KEEP HIM FIRST!

Our God will not be second! If you want Him to be second, or third, or last in your life, you will be cast headlong into the Great Tribulation. Our Savour has given us two great commandments, the first being to love our God above all, and to love others, even as we love ourselves. My Dear Ones, we must LOVE ONE ANOTHER; AND IF WE WILL NOT

LOVE ONE ANOTHER AND FORGIVE ONE ANOTHER, WE WILL NOT COUNTED BE AMONG THE CHILDREN OF THE MOST HIGH AT THE TIME OF HIS COMING!

My Dear Ones, following is a recent message from our Father in Heaven. In this message, He tells about the terrible technology, which is in the hands of these wicked ones! He also tells about His own impending great judgements upon them! READ ON AND BE WARNED!

**MESSAGE FROM OUR FATHER IN HEAVEN**

**December 03, 2008**

**"A Terrible Technology!"**

My Blessed Child, I am your Father, Yahweh, yea Jehovah, Most High God. My Little One, hearken unto Me! Listen with ears ever so attuned to Me and with eyes ever so fixed upon Me! For, herein I shall tell you a new thing, even an answer to many of your prayers!

My Little One, did I not hang the heavens; and have I not stretched them out, even as I have seen fit? Did I not create the Earth and all that is in it? Have I not created good, and have I not created evil? Have I not set the hands in motion, and none can stop their movement, but me?

Do I not even form the thoughts of the wicked, and order the words of the just? Am I not in control of all things?

Yet, even so, Satan and his many hoards wish to override Me, the very One, who has created them! They wish to rise up and take control, even of Me, and to sit at the head of all that I have created!

Am I not aware of their particle collider and their vast search for the "god" particle? Am I not aware of all that they do with the quark technology and how they have manipulated such to enslave all of you with foreign particles, thereby overriding your own bodily senses? And, (all of this is) according to their own designs, to thereby take

over your every thought and to make you robots and virtual slaves, unable to free yourselves from the massive amount of foreign particles in your own bodies?

Are they not deeply advanced in this work, even unto the enslavement of vast numbers, of which you know nothing? They have simply vanished! They have disappeared, even many of their own, whom they have falsely imprisoned; and many also believing them to be dead! But, many of these are not dead! They are automatons, robots, whose human bodies have been so infiltrated with electronically conductive substances, that they are no longer capable of having any thoughts of their own! This is what has taken place. This is what is going on in their bid to rule the whole Earth and in their bid to take over the minds of all of you!

But, even so, My Little One, have you not attempted to explain to all about a technology, which you do not understand: A terrible technology, wherein these wicked ones in the U.S. Government and elsewhere are able to take common substances, like glass, rubber, metal, or plastics, and to drive them molecule by molecule into a living body, that living body, having been your own. And, if I did not carry you in My own hands, they would have killed you or taken you over long ago! But, I do carry you! And, I have carried you through unspeakable horrors, which they have done to your body! I have not kept you from what I, Myself, determined that you must go through!

And, you are right, My Little One, that these common substances, once modified in a submolecular manner in this way, and then driven into one's body, cannot be seen through normal physical means or channels. A hideous technology indeed, and their assaults against you and My Son's Son of Spirit has been unrelenting night and day for many, many months.

But, My Little One, know that I have not caused you to go through this for naught! True, these have been your great tests and trials, for soon I will give you great power over them! True also, that these have been great tests and trials for the little boy of Revelation 12; for herein he has also grown greatly, even now extending far outside of your body and full of fire indeed, so that he dissolves these terrible substances, rotates

and removes them from your body! And, he works hard, night and day, to do as he knows to do; and as I empower him to do!

But, for those, who are otherwise full of this technology, there is no hope, save what comes from Me!
Those, who have the eyes to see, can see; and they will know why I am preparing the manchild for My Bride; and (they will know) why I have chosen to bring Him up amidst such terrible technology! For, My Blesssed Child, he will do much to free many of this most horrific of tortures!

Furthermore, My Little One, there has come a time wherein I will begin to exact great judgments upon those, who have done this to you and to the Son of the King! And, My Little One, that time is now! Now, My Child, I shall stand up and I shall begin to exact a series of great judgements against all, who have been involved in this horrific work, not only against you, but against many, who are now totally enslaved!

Yes, indeed, this is another tower of Babel, yet worse, and even as I spoke to you this morning, I will send a great confusion into their midst! So great shall be their darkness of mind, that many, many shall commit suicide! And, I tell you that this great judgement is My first in a series of judgements against them. And, this great judgement shall hit leaders and high-level directors of these evil works, as well as those, who are far removed from the mainstream of it and who work in the periphery of it!

For, I shall confound them all! Their minds, I shall confound, and all of their data and databases I shall confound, such that it will seem to many, many of them as if they have entered into a black hole! The god particle they seek, but the black hole particle they will get!

Be at peace in these things, My Little One, for even as I raised up Moses and even as I sent Moses to speak judgements against the Pharaoh, I will also raise you up and through the very words, which I speak through you, shall come many judgements against the wicked ones, who continue to persecute you and assault you from day to

 From The Mountain Prophecies Copyright 2008

day! And, My judgements against them shall become increasingly more severe! You will see, My Little One, and you will know; and many shall also see and know that I now stand up, that I have raised myself up now in My judgement against them.

I am your Father Yahweh, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 3rd day of December, 2008,

Linda Newkirk

Oh, my Dear Brothers and Sisters, this is where we now are. Facing the rule of the antichrist, facing unspeakable terrors to come upon this land, even a great terror strike against this nation; and soon. For, only about three days past, I looked and saw part of a great city as it was crumbling to the ground. I saw in that city skyscrapers and tall buildings and a moment later, I saw that about a third of this great city was gone, that it was fallen clean down, every brick scattered and broken totally down. And, even as I was considering that perhaps this could be because of a great earthquake, I saw white light go through this great city! Will this be a nuclear attack on one of the cities in America? It may very well come to pass, and soon. Then, I remembered our Father's words to me a few days prior in which He said that something is about to happen in America, which will affect every border of this nation! So, what more are we looking at? My Dear Ones, I do not know, but realize that many will most likely die, and very soon, in this nation.

Therefore, I warn you to repent of all of your sins. Stop doing evil and humble yourself before our Saviour, through weeping and deep sorrow for your sins, that you may be forgiven, and thereby be spared the fires of hell, or the great punishments of outer darkness. For, great is such punishment upon the backs of sinners.

My Dear Ones, it is even now in this nation, as our Father spoke through the mouth of the prophet David Terrell recently, that IT IS SEVEN TIMES MORE WICKED IN AMERICA NOW, THAN IN SODOM, AND THAT THERE ARE SEVEN TIMES MORE EVIL SPIRITS!

Therefore, as people of this nation will not repent and even many of our Father's own people will not repent, and will not love others and forgive them, these great judgements shall come upon the land until people will humble themselves and stop their judging, stop their malicious ways and stop mocking the word of God and His true servants. My Dear Ones, it is WOE TO THE SINNERS! TURN FROM THESE GRIEVOUS SINS; FOR IF YOU WILL NOT TURN, YOU COULD SOON END UP IN HELL.

JESUS FORGIVES SINS. HE IS MERCIFUL AND FULL OF LOVE AND GRACE; AND HE IS PLEASED IN THOSE, WHO WILL LOOK UPON THEIR SINS AND OFFER UP SINCERE PRAYERS OF REPENTANCE. HE HEARS THE SINCERE CRIES OF THE TRULY REPENTANT.

MY DEAR ONES, SEARCH YOUR HEARTS. AND COME UNTO OUR SAVIOUR, ON BENDED KNEE, EVEN AS A LITTLE CHILD, FULL OF TEARS AND REPENTANCE FOR YOUR SINS; AND HE WILL HEAR YOUR CRIES.

BUT, PLEASE DO NOT CONTINUE TO WAIT; FOR SURELY MANY WILL SOON DIE IN THE MIDST OF HIS CONTINUED JUDGEMENTS AGAINST THIS LAND.

My Dear Ones, I love you all! Therefore, know that I AM NOT SITTING IN JUDGEMENT OF YOU! I WARN YOU OUT OF LOVE FOR YOU; FOR I WAS ONCE AMONG THE MOST LOST. THEREFORE, I KNOW WHAT IT IS TO BE LOST; AND I ALSO KNOW WHAT IT IS TO WALK IN THE LOVE, THE FORGIVENESS, AND WONDERFUL PEACE OF A BEAUTIFUL AND LOVING SAVIOUR AND FATHER. This is His promise to us for loving Him above all and obeying Him.

If you have special needs, send me a letter or an e-mail; and I will pray for you!

# CHAPTER FORTY-EIGHT

## BARACK HUSSEIN OBAMA IS THE ANTICHRIST

**Coming out of Africa, through the European Illuminati, a subject of the Queen of England, backed by the Vatican, empowered through the Israeli Mossad, Communist/Marxist groomed!**

**WAKE UP, OH YOU PEOPLE! THE HOUR OF GREAT JUDGEMENT IS UPON THIS NATION; AND UPON THE WHOLE WORLD!**

## EXTREMELY IMPORTANT
## MESSAGES FROM OUR FATHER IN HEAVEN

### FIRST MESSAGE FROM OUR FATHER IN HEAVEN
**November 15, 2008**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, hearken unto Me! Listen and write as I say, that all may be the wiser! For, a time of great trouble is upon the whole world! A time when nation shall rise up against nation, families against families, a time wherein one's greatest enemies may be in his own household! A time of great want, of famine, of global wars, pestilences, and diseases as never seen before! A time when very powerful families of great evil shall stand up against one another, with one out to destroy the other! A time when Satan does, indeed devour his own tail, that his head may be crowned! Oh, yes, you have seen such a thing, such an artwork with Satan devouring his own tail, and at the same time that he devours his own tail, a crown is put upon his head.

Now, My Little One, take note! Look through these glasses and through these new lenses, which I now put on your eyes; and tell Me what you see!

"My Father, I see black boots, like those of Hitler, shiny and new, but large, long and wide! And, for now, I only see the boots."

 From The Mountain Prophecies Copyright 2008

“But, look upward, My Child, what do you see?”

“My Father, I see that the boots belong to Barack Hussein Obama! And, also, my Father, I see that he is dressed as a Nazi! He is wearing a Nazi uniform and over his heart and on his left pocket is a Nazi emblem! He wears a green beret and on the left side of this beret, but near the middle of his forehead is another Nazi emblem. He carries a baton; and emblazoned on the end of it is also a Nazi emblem. Oh, my Father, this is not good!”

“Yes, my Child, through his calm demeanor, through his use of clever words, he has deceived the whole world! But, do not be deceived, My Little One! Now, when I change the lenses in these glasses, what do you see?”

“My Father, I see a bright candle! It is indeed very bright; and I can neither see past it or around it.”

“No, you cannot, My Child, not now. But, as I put a shade on this candle, what do you see?”

“My Father, I see, of course, that the candle is dim, very dim, so dim that I no longer see it, but only see a very faint light; and where the candle was, I now see Barack Obama! And, I see, as well, that he has no light, but is full of many lying demons and seducing spirits, and out of his mouth come many blasphemous things! His every word is full of darkness and his teeth are like black posts. His countenance is also no longer that of Barack Obama, but that of a beastly image, who stands tall in the faint light! And, the appearance of this beast is vague to me; therefore, I am left without words to explain what I see; for I have never seen anything like it. His fingernails are long and curled! His toenails are long and curled and he paces up and down in the oval office, something like a caged animal! Oh, my Father, tell me about what I see.”

“My Little One, all of the world shall wonder after what they perceive to be the light of the world! Nations shall wonder after a false light and nations shall heap praises upon

a false light! And, many shall wonder after this light! Many shall thereby be deceived and shall fall and worship this false light, giving great honor to what is false! For, many are now longing for someone to come and to rescue them from the forces of great evil! They want a Saviour, but do not wish to bend a knee to the real Saviour, who is Jesus, My Son. For, they love the world and what is in it; and the Real Light of the World, they refuse! For, they do not wish to repent, but to continue on in their wicked ways! Therefore, they shall honor a false light and they shall call him the light of the world! And, many shall fall at his feet and shall worship him, when he is no man, but a beast, who appears to be a man!

And, through this very one, many, many shall fall the whole world over! And, many shall be deceived! For, they are looking for a man to rescue them from the evils of the world! And, this one shall rise and he will begin then to devour parts of Satan's Kingdom, to devour Satan's own tail, all in order that he may be crowned king of this world! For, when he is king of the world, Satan will indeed be king, if only for a short while.

Therefore, what you see now, with this man, who is not even yet inaugurated, is a great push to uproot long-held, Bush-Rockefeller-Clinton power bases in America, thereby removing their power from this nation, so that it falls more readily into the hands of the power elite in Europe and into the hands of the Israeli Mossad, and in to the hands of other nations.

To all of you, it may appear that he is doing a great work to destabilize the drug empire of the Bushes and Clintons, and to bring back to America, what these have stolen and robbed from this nation! Do not be deceived!

For, his great push to take these trillions and to sit over this great amount of wealth is being driven by the European Satanists in their bid to destroy America and also by the Vatican, the Israeli Mossad, and even others.

 From The Mountain Prophecies Copyright 2008

If his behavior seems unseemly for someone, who is not yet even inaugurated, it is because of the fact that he dances high for Satan, higher than all of the rest! And, he dances well for the European elite and for the Israeli Mossad, who put him in power.
It is a grave mistake indeed, that so many believe that he has at heart the interests of America. He does not! He is the final nail in the coffin of this great nation.

For, the real light of the world, you, as a nation, have overwhelmingly trampled! And, now, you have the false light, one who is really a beast in great disguise. The real Light, My Son, you have overwhelmingly rejected! But, this false light, you will overwhelmingly follow, and so will many, many the world over!"

"Oh, Father, this is even as I have felt in my spirit."

"Yes, My Little One, this is even as you have felt; for I have quickened your spirit to see beyond the facade and to see a man of obscurity arise to world power in such a short time. A man, who is no man at all, but a beast! And, the whole world will long after the beast! And, many will take the mark! And, they will fall and worship the Beast! None, whose names are in the Book of Life, will worship the beast, but of the rest, My Little One, vast numbers will take the mark! For, they will idolize this one, and they will believe in him! And, they will do as he says, for they are cut off from My Spirit! But, the wise will know who he is and the wise will teach many!

Now, you know, My Little One; and all will also know, who have the heart to receive! Barack Hussein Obama is Satan's number one ruler in the world! And, the high-level Satanists of other nations, along with his god Satan, are his driving force! And, he has but one goal for America and this is to bring you down, and to bring other nations down, even other ruling elite of Satan, who stand opposed to giving up their power. For, he will rise and exalt himself above all.

Be not deceived! For, now is the time for the rest of the Book of Revelation to be fulfilled! And, the time is at hand also, when Revelation 12 will also be completed and with it mighty blessings coming back for humanity! For, as the antichrist system rises, My Kingdom also rises in the Earth.

I am your Father Yahweh, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 15th day of November, 2008,

Linda Newkirk

For a few days, my Dear Ones, I waited upon our Father; and I also longed to know more of this man! And, because of this longing, our Father gave another confirmation of who he is! And, it was during the time that our Saviour was speaking to me and giving me the following message that a Dear Brother called me early in the morning. Normally, I would not have answered the phone, but I felt the tug of the Spirit in my heart, that I should answer the call. This Dear Brother told me that he had run across an article, which detailed how Obama had been in Russia as early as 1992, and that even then, the word was that he would be senator! I have not yet had a chance to read this article, but even so, this was but another confirmation, which our Saviour wanted me to have as I was beginning to receive His words! Below, you will read His words, and you will also understand that the Nazi education of this man. Obama, is indeed deep.

**SECOND MESSAGE**

**JESUS SPEAKS!**

**November 20, 2008**

My Blessed Child, I am your Friend, I am your teacher, I am your Saviour, Jesus, Messiah of the World, and as you know Me and call Me, King of Kings and Lord of Lords.

My Blessed Child, you have received of our Father and of Me, a second confirmation of what you have been given as regards Barack Obama's being the antichrist.

(Please note: My Dear Ones, this second confirmation was given during prayer and after great heartfelt seeking and longing before our Father! It was during this time of prayer, even before He gave me this message on this very day that He told me that it is time for the above message to go out and that what He has told me is indeed as it is. Thereafter, He also began another confirmation through these words of our Saviour. And, his words continue on …)

And, even as I give you this message, I have also had a Dear One, to call you, and to give you added information about Obama's being under foreign control, even under Russian/Marxist control! And, this has been unknown to you, and unknown to most, that he has been well-groomed and well-prepared by the Russians for his role in bringing about a Marxist/Communist dictatorship in America!

Just know, My Little One, that his roots go deep, that his roots are dark, and that they stretch wide in Communist/Marxist teachings and doctrines, even as I have shown you in a previous vision! For, these words and visions of our Father are also My words and visions to you! Obama has been brought through the ranks and has been deeply indoctrinated and trained in subversive techniques. And, he has been groomed and prepared for this time of world communism and Satanism; for nothing of such a magnitude happens in Satan's kingdom by chance! But, even so, am I not in all of this?

You, Oh, My People in this nation have refused Me! You have refused our Father! You have forsaken righteousness, preferring instead to follow after the world, and to trust in the arm of the flesh, and to believe in men and their powers! Yes, indeed, to trust in a wicked government to rescue you, to fix your problems and to provide for you!

Now comes the very antichrist into your midst and you see it not! For, you are looking for someone to SAVE you from your own downfall! You are looking to a man to fix the world situation! You are looking to a man to save you from war, to save your houses, to save your jobs and to save your families! Yes, you are looking to a man and I have

given you a man, who will lie to you! He will tell you every smooth tale! He will con you with every smooth plan, even as he leads this nation off a cliff, to a point of no return. Even as he sets up death camps in your midst and even as he executes your families and even as he ravages your land with war and destruction, he will tell you that this if for your own good! Even as he beheads and kills you by the hundreds of thousands, oh yes, he will tell you that the terrorists and the dissidents must be purged.

Oh, yes he will do these things! He will cast you into a third world war and quickly so, to cause you to be attacked and to be annihilated and/or carried away by the foreign soldiers. But, he will not be satisfied with only bringing this nation to its knees. He will look to the whole world, and wish to conquer the whole world; and to bring to its knees the whole economic system in the world.

For, he would have all in the world to bend a knee to him and to worship him. And, many, many will bow and serve him and many, many will worship him and many, many will take the mark of the beast. But, the tried and true will not! My Faithful will not, yet these things shall be; for they are now upon you!

Be not troubled, My Little One, for even so, all of these things must be! I tell you now that Barack Hussein Obama is the antichrist and that the false prophet is also already known and is standing in the shadows. For, now is the time that the world knows, even as I have told you, that Barack Hussein is the antichrist and he will rise over this wicked nation! And, know that our Father has placed him here and many, many of you have believed a great lie! Yes, you have first loved a lie!

I have called and sent My prophets throughout this nation to warn you to repent of your wicked ways, and you would not! You would not receive My warnings of correction, but have overwhelmingly scoffed at My warnings to repent, or perish. Therefore, your hour is at hand, wherein I will raise up the antichrist over this land, and you will drink of the bitter cup of your own sins! For, oh so wicked you are, Oh Nation of America!

 From The Mountain Prophecies Copyright 2008

I have rounded you up, Oh House of Israel, and I have given you this land of America; and I have blessed you above all nations, only to see you raise up your skirts for every whoremonger, to see you chase every filthy sin of the flesh, and to love every vain thing! Now, comes the time of My great judgement against you! For, no longer can I bear to look upon your sins and gross rebellion!
Hear Me, you Nation of America, My days of warnings are fast coming to an end! Yes, indeed! For, the time of My judgement is upon this nation and upon the whole world!
But, even so, I will not leave you to be utterly destroyed and consumed by this great evil, which is upon you! For, I will also soon, and Oh so soon, take My Bride and many wedding guests! And, I will send My Bride back into the Earth and most of the wedding guests I will also send back; and for some months I will pour out My glory upon all flesh!

But, also there will come a time of my removal of this glory, wherein I will take My Faithful and will hide them in places of refuge and safety, wherein no evil shall go! And, into these places of refuge, I shall take many others as their hearts become right with Me and as their lives become clean! But, no evil will come therein!

And, I shall also send forth My Bride, who will work mighty miracles in the midst of such darkness and through these also shall come great judgements upon the wicked! But, even so, no harm shall come upon them; for My wrath is not meant for my Bride!

Go in peace, My Little One, and know that I have shown you the truth about Barack Obama and have also now confirmed it to you! Type and send out what I have given you, for it is also time for all to know, who can receive the truth!

I am your Lord of Lords, your King of Kings, Jesus, Messiah, Saviour!

My Dear Ones, take to heart what is written! And, please help me to get this message out to the people of this nation and even to other nations! Copy and disseminate it in the streets, that the people mighty be fed. Send out over the internet to various churches and civic groups; and post on message boards all over this nation, and around the world, so that the people may be fed. For, a time a great trouble is upon the whole world! Therefore, I also warn you to repent of your sinful ways and to draw close to Jesus, who sees, he hears; and He forgives.

My Dear Ones, you may note, as well, that there is missing, chapter forty-seven of Book Twelve. I was in the process of preparing chapter forty-seven when the current chapter was given. Stay in touch, as you will not want to miss this chapter! It contains some very shocking information about what many will experience in the mind control/ re-education camps.

Sending you my heartfelt love.

## CHAPTER FORTY EIGHT-PART II

### Barack Obama is a Rothschild, and more!

"My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. Listen to Me, My Little One, and write as I say, that all may be the wiser! My Blessed Child, what do you see?"

"My Father, I see a screened door, an old screened door, and the mesh screen, which was once metal, is full of rust and decay. And, all that remains of this screen are little patches of it in the corners. At the top of the door, all is rotted and gone, except for a little, which remains; and, at the bottom of the door, the screen is also rotted, but a piece still remains, which is somewhat in the middle. This piece resembles a flap, which is curled up! Father, I do not know what this means."

"My Little One, step back and look; and then tell Me what you see."

"My Father, I see that I am on a large circular porch and as I walk down some wide and steep, stone steps, I realize that I am leaving a very large building. As I walk out and past the steps, and down a long sidewalk, I look back to see the scope of this very huge building! But, also, my Father, it is a building, which is in great disarray! For, windows are broken out! Thieves have obviously entered therein and even some of the contents of this huge building can be seen on other parts of the porch: a worn sofa on one part of the porch, and a used mattress elsewhere. And, even as I look past all of this and in through some of the broken windows, I can see that many of the rooms are empty; and once-beautiful curtains have been ripped to shreds! This huge house is really in a mess!"

I look around now to see if there are signs of life, as to whether there is anyone left in this great palace; and I sense that there is someone present.

As I gaze upward, I see a huge cracked chimney; and two other chimneys, which are broken down, with only a few remaining bricks intact. Of these three, only the one chimney seems to be intact and functional. And, looking around on the roof, I see that many of the roof tiles are blown away, exposing here and there the bare wood.

“My Father, what is this? What happened to this huge house.”

“My Little One, do you know whose castle this is?”

“My Father, I have a feeling that this may be the same castle that I saw many years ago, the castle of the Rockefellers and Rothschilds and the Royals of England.

“You are correct in this, My Little One, and this is what you see by the remains of the three chimneys.”

“Oh, Father, not much remains of this house.”

“You are correct in this, My Little One. Only one chimney is left standing and this is the Rothschild chimney. The others are left only in fragments.”

“So, Father, what happened?”

“Thieves entered therein, My Little One, and greatly robbed from the Rockefellers and from the Queen of England! Therefore, the brotherhood and collusion among these three great families has been greatly eroded.”

“So, who is left and what is he doing?”

“The Rothschild man is left and as you can see, he is counting his vast wealth. He is looking at all that he has amassed.”

 From The Mountain Prophecies Copyright 2008

“Father, did he steal from the other two?”

“Yes, but not only did this one steal, others also stole from them.”

“But, why?”

“My Little One, many will wish to rule the world; and during this short time, many will try.”

“So, what is going on, My Father?”

“The push is going on, My Child, to consolidate the wealth (of the world) into the hands of fewer and fewer individuals.”

“So, what has happened to the wealth of the Queen and the Rockefellers?”

“They still have plenty, but much of their wealth has also been stolen.”

“Stolen by whom?”

“Robbers and grave diggers.”

“Robbers and grave diggers? What do You mean?”

“It has been stolen by those, who have dug their own graves. For, they shall all be found out; and they all shall pay with their lives.”

“Who will find out, Father?”

“The New World Order Nazi Police State.”

“And, who are these?”

“Those, who are coming into power in America.”
“But, Father, have we not already seen this with the Bushes and their fake war on terror, with all of their lies, so that they could stuff their own pockets and the pockets of their oil baron friends?”

“Yes, you have seen it, but they have also dug their own graves. For, this worldwide Nazi police state is being pushed and brought in by the workings of the few, who remain standing and who have the most wealth.”

“So, how does this relate to the Rothschild man?”

“Is he not standing? Is he not counting his many bags of gold? Is he not looking at all of his bank accounts?”

“So, what are You saying, Father?”

“My Little One, he is the only one, who is left in the house.”

“But, what about the Queen and the Rockefeller man?”

“Are they left in the house? Has that house not been robbed and only one remains?” Is that house not split and broken, and will never be the same again?”

“I see that it is broken, that it is pillaged. So, Father, what does all of this mean?”

“It means a new world power base, which is centered in Europe! And, it is to this power base that your new king belongs.”

“You said, King.”

“Yes, I said, ‘King.’”

 From The Mountain Prophecies Copyright 2008

“My Father, tell me more.”

“My Little One, what do you see?”

“My Father, I see Barack Obama. He walks up the steps of this huge castle, knocks on the door and he is greeted by a servant. This servant leads him down a long hallway and on the walls of the hall are portraits of many important past leaders, and just glancing among them, I see Winston Churchill and Bill Clinton, among others. The servant goes ahead of Obama and ushers him through an open door; and into the presence of the Rothschild man, who sits at a desk. The Rothshild man is dressed in a suit as a business man, but his countenance quickly changes and I no longer see a man, but a beastly creature.

The Rothschild man says, ‘sit, my friend. For I have a need for speed. Here, take a pill and let me see what will be. Twiddly dee! Twiddly dee!’ And, he takes a pill of speed and gives Obama a pill of speed and I see that someone then lowers a big, heavy, metal lever and a big ship, which was idle, begins to roar forth as it churns up the waters.

‘Sonny Boy,’ he says to Obama, ‘it is time to speed things up! Do you see what is just ahead in the water? A giant boulder, Sonny Boy; and this boulder is out to sink our ship! Do you see what is written on this rock?’ (And, clearly I also see as well that this is no ordinary rock, but a giant rock, like the Rock of Gibralter. And, suddenly the rock disappears and I see our Saviour, towering above the water, His mighty arms outstretched.)

‘See that rock, Sonny Boy! That is trouble. Therefore, it is time for you to dance and to dance fast!’ Then, he reaches down and removes Obama’s work shoes and he places on his feet instead, shiny, black tap dance shoes. And, as he does so, I hear him say, ‘Dance, Sonny Boy!’

Then, the Rothcshild man continues: ‘And, this is My promise to you, that if your dance in perfect before me and if your walk is perfect before me, a golden crown for you! And

in your pocket a third of My Kingdom! Are you not one of my very own, that I should so handsomely reward you? For, have I not seeded you and have I not planted you? Even a young twig from this very tree you have grown! And, I, myself, have prepared you to make you ready to receive the gold card that I now give you!

Oh, rise, you King of Persia! A Jew you are, yet deceived they shall be! And, all shall bow to their new king! For, will you not rescue the Arabs? Will you not dance their Moslem dance? Will you not free the oppressed Palestinians? Will you not bring solace to the hearts of the Jews?

Eat up, my boy! Eat of the blood of every nation! Gorge yourself with their meat, for your plate is full of the meat of nations! Clean the plates, which are before you. Leave not one morsel, not one piece of their meat! Stuff yourself now, for I will make you fat, oh boy of mine.'

And, Obama did eat all of the meat, which was on many plates before him. And, his belly became huge, like that of a pregnant woman and he surely looked pregnant to me. In fact, he looked as if a huge tire had been placed around his midsection. Then, the Rothschild man came and put a huge belt around his waist and he fastened a shining, new gold belt buckle atop the belt! And, on the belt buckle was a circle with a v in the middle.

'Victory is yours, Sonny Boy; for I have given you the meat of the nations and you shall now have a great appetite for the meat of the nations; and you shall gorge yourself.'
And, this was a strange sight indeed, to see Obama looking this way and quickly he grew, his legs much longer and his pants bottoms much too short, clearly half-way up to his knees.

And, the Rothschild man cut a piece out of a circle, like a piece of pie, and this piece was about one third of the pie; and he rolled it up and put in into Obama's pocket; and straightaway, Obama levitated and flew out the open window. And, as he passed through the window, I heard the screams, the cries of every kind of ghoulish creature, and it was as if the depths of hell had been opened.

 From The Mountain Prophecies Copyright 2008

"Oh, Father, this is bad!"
"It is, My Little One, very bad, indeed; and all that you see is a mystery to many, but to you, My Little One, I would not have this to be a mystery. Be at peace and go your way! For, many things shall happen, which seem strange; but to My Faithful, they will know; and these things will not seem strange.

I am your Father, Yahweh, yea Jehovah, Most High God.

My Dear Ones, I shall speak more on these things as our Lord and God so directs me, but I shall leave you with one very important prophetic vision, which our Saviour gave me in 1997! This is from Chapter Seven of Book One of these prophecies, which are written on

http://www.prophecies.org;

and it is extremely relevant to the above message from our Father.

The two dogs spent two and one half days, back and forth, back and forth, trying to read the tape. "It is encrypted. Get more dogs," she orders. Then, 18 more dogs appear. They run the tape through many computers. And, after 21 days, the code is broken. The tape reads:

I am the Supreme Commander of all world forces.
I have been given authority, dominion over Earth, and all its people.
All are subject to me and my directions.
THE ROTHSCHILD MANIFESTO

And, with these words, I leave you for now, my Dear Brothers and Sisters. I send to each of you my heartfelt love!

Jesus is our Only Way,
Your Sis,
Linda

My Dear Brothers and Sisters, since I wrote the above, I realized that I should insert here a very important bit of wisdom, which the Spirit of God imparted yesterday to a Dear Brother, Mark. To understand what our Father has shown him, read these very important words in Rev 13:18 HERE IS WISDOM. LET HIM THAT HATH UNDERSTANDING COUNT THE NUMBER OF THE BEAST: FOR IT IS THE NUMBER OF A MAN; AND HIS NUMBER IS SIX HUNDRED THREESCORE AND SIX. (666)

To this end, my Dear Ones, let us examine the name of BARACK HUSSEIN OBAMA! COUNT THE NUMBER OF LETTERS IN HIS NAME! THE TOTAL IS 18, OR 6+6+6, OR 666.

# CHAPTER FORTY-NINE

## "A Dilemma for the Whole World"

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! Yes, King of Kings, Lords of Lords and Lords of the Universe. My Little One, hearken unto Me! Observe what I show you! Listen to what I tell you! For, herein is shown a dilemma for the whole world! My Little One, what do you see before you?

My Father, I see a caldron, a steaming caldron; and as I reach to lift the lid from this steaming caldron, it is hot indeed and I can only touch it for a moment, having to quickly toss it aside! For, exceedingly hot is this caldron!

My Little One, it is you, who have lifted the lid; and to you it has been given (the right) to lift this lid; and now all is also to spew forth! All is about to boil over and to blow and spew forth!

Father, why has it been given to me, this right to lift this lid? This, I do not understand.

My Little One, you, and you alone, are the Woman of Revelation Twelve. To you and to you, alone, has been given My Son of Spirit, the little boy or Revelation Twelve. Satan's eyes are always upon you! He and his hoards are ever in your face! They watch and record your every move! Their assaults are on-going and great against you! They hang onto every word that I give you and they hang onto every vision, and every prophecy that I give you! They are greedy to find out what I give you and they lust after every word that I give you! For, they wish continually to steal the manchild spirit, to overpower him, to overpower and take you and to steal and overtake the heavenly portal, which is connected to the manchild spirit, who is within you! Like greedy rats, they stand in your face, and they surround you continually like ravenous wolves, set and ready to devour every crumb and every morsel that I give you! Nations have set their security alerts based on what I have given you! The economic crash of October

2008 was based on my alerts to you that I was planning to come at that time! The Israeli assault (against the Palestinians) was and is based on My alert to you that I was planning again to come, around the end of last year! World events and world decisions have been molded and forged and executed on what I tell you and what I have shown you!

My Blessed Father, this is even as I have been thinking. For, so great are the military operations against me! And, when it appears that you are about to come, the sky is a huge roar with the presence of so many military craft. And, they escalate their assaults against me and in a very great way! Oh, Beloved and Beautiful Creator, it is this way and it has been this way for a very long time.

Yes, My Child, this is so; and this is why I have both allowed and caused you to take the lid off the seething caldron.

Yet, my Lord, I do not fully understand all of this and I do not know where we are right now in the whole scene of the end-time events.

My Little One, this is where you are. See the treasury chest.

Yes, My Lord, and it is old, ornate and very well built.

And, into your hands I put the key to this treasury chest.

I take the key, an old and heavy key and it is very hot to the touch, so I insert it quickly into the keyhole and turn it quickly until I hear a click! And, then to my amazement, liquid light begins to pour out of the keyhole until the whole box melts right before my face and therein, inside the box, is a little, soft and fluffy pillow and on this purely radiant little pillow is a doll, which looks like a Raggedy Ann doll and in the back of the doll is a key. I turn the key, which opens a box and a small scroll rolls forth and out of the box.

 From The Mountain Prophecies Copyright 2009

I sense that there may be some sort of evil script on this scroll as I see words, which I cannot interpret and suddenly hear some words of magic…"abra ka dabra" Then, just as suddenly as I hear these words, I find myself going down and into a nearly dark room and I see therein the new president of the USA and he raises his right hand, not to a Holy Bible, but to another book, and I can see within this book, that it is hollow. Then, just as quickly as I see this new president taking this oath, with his hand on a hollow book, I am carried headlong now into the very hollow of this book, which rests beneath his hands.

And, there I find myself in another room, which is beneath the room, where I have just seen the new president, who was then taking his oath of office. I am at once met by the groans of many ghouls and ghostly howls of many demons and swishing sounds in the spirit. There, in that room, I see Bill Clinton and the two Bushes, Bush Sr. and Bush Jr. They each have in their hands a wine glass, which is clearly full of blood; and I watch in amazement to see that each one takes his glass and drinks all that is in the glass before him. I see in the eyes of Bill Clinton that he is full of evil spirits; and looking at the faces of the other two, I see that they, too, are full of great and dark evil spirits. Each of them now makes a chant and takes a sword, each one with his own sword; and each one lays his sword across the sword of the other. As they cross their swords, they each say, "Unto death!"

And, oh I see it now, that the three swords cut through a mannequin of the new president, and that this mannequin is the Raggedy Ann doll. And, the three swords cut him, that is the mannequin and this rag doll is cut into three pieces.

I look now above to the one, who was swearing before the hollow book and I no longer see him before the hollow book, but lying in the street, or it seems to be a street. For, around him are many and they are looking at this new president as he lies in a pool of blood. And, I do not know whether he is dead or alive, but I fear that he is dead. For, truly, he is limp like rag doll and others now hover around him as if they are looking for a sign of life.

And, just now, the three emerge from their hiding place; and they believe themselves to be victorious. For, they are smiling, joking and joyous unto themselves. But, it is at this point as well that I see a stream of light and this stream of light descends upon this new president, who looks dead. And, even as I see this stream of light descend upon him, I hear sirens and quickly see ambulances emerging in the darkness. And, oh so terrible this is, Father! For, these three surely plan another coup!

Now, My Child, look and write what you see.

My Father, I see a very large cemetery, with an arched entrance, and I am walking into this cemetery now. Ahead of me is quite a show, with a large U.S. flag flying and other flags flying also. And, I see in the midst of all that is going on a casket, which is open; and I walk up slowly to this casket and I see therein the body of George W. Bush Senior. Looking past him, I see then a second casket, and this one is draped with a flag and lifting the lid and peering inside I see the body of George Bush Jr., and thereafter I see yet another casket, which is also draped with an American flag. And lifting the lid, I peer inside and see the body of Bill Clinton.

These three are all in a row and amazingly with Bush Sr. first, then Bush Jr. and then Clinton last! In the background, I hear the shots of a rifle and hear the sounds of a lonesome bugle. It seems that the time may be in the spring, for I see tiny flowers amidst the graves! As I look among these graves I also see Laura Bush walk away and as she does so, she drops a white handkerchief and on this handkerchief are the words, “Good riddance!”

I walk back outside of the cemetery and look back one more time! When I look back, I see the spirit of Satan, the Red Dragon as he hovers over the three caskets. Than, I read in words, which are above him, “A time of trouble! Double trouble and toil! For, I am now come into my own!”

Then, I see Laura Bush as she gets into a black limousine and around her feet are many pieces of gumdrop candies, and surely this means something. Then, I hear the words

 From The Mountain Prophecies Copyright 2009

"Now, Ronald Reagan will rest in peace. For, his would-be murderers go by the way!" (Ronald Reagan liked to eat gum drop candies.)

Then, I see a black vault a very large black vault. The door to this vault swings open and I look within it and step into it for a very short distance. It is hollow and empty, save for some wet and rotting cash, which is in one distant corner. I step back quickly as the stench of mold and mildew, which comes from the soggy cash, is strong. As I quickly make my way out of the vault, the door slams shut quickly and I see written on the outside of the vault, U.S. Treasury! For, it is now empty and what cash remains is no good!

Straightaway, I hear a catchy tune, the light and airy sounds of a flute. The noise comes from above and I look up to see the new president as he comes riding up on a white horse. He dismounts the horse and comes to stand in front of a podium. Before him is a very large crowd and he has in front of him a very large document. He begins to read the words of a new constitution, a new constitution for the USA and of course, what he reads are good-sounding words. But, behind this new constitution, I see prison bars, many prison bars and new prisons, which will house those, who will commit the new crimes.

And, in the streets, I hear a grievous howling go up as babies are snatched from the arms of their mothers. And, a grievous smell, as the smell of various toxic gases pour through the streets. And, I hear the cries and the moans of many as they go to their banks and no money comes from the ATM machines. And, I see now long lines as many wait to buy corn, milk, bread and cheese. And, a grievous unrest grips the people as the food becomes scarce! And, the cars pile up for lack of cash to buy gas! And, riots ensue in the cities as soldiers and police gather in dark attire and they appear here and there all over America as roads and streets are closed. And highways are blocked as the soldiers and police look up and down, far and wide for those, whose names are on the list!

Then, I see this new one, this new president on the television and his words are, "Change for a safer nation and for a safer world!" And, here and there all over this

nation are red eyes, red from all the tears! Red from all the sorrow and pain! For their saviour has become their great tormentor and their True Saviour, The Lord of The Universe, they do not know.

And, I see then a stairway of light, and some few, who go up it, like angels of light! And, some few, who come down this stairway, like angels of light. And, they take their places in the world and in this nation, amidst this torture and persecution. And, among them are two, who are exceedingly tall, like trees! And, their power is great to shut up, to pull down, to loose, to bind, to heal and even to destroy! And, I see that these two are also the two beautiful candlesticks and from them flow the golden oil! And, they stand tall, very tall, above all humans and creatures. For, they now bring a new power into the earth, a power, which has never been known or seen in the Earth. And, lightening bolts go between their hands and as they hold their hands up, I see a very large bowl; and from this bowl a continual stream of liquid light. They snap their heels and I see them now high above the earth. Our Saviour stands between them and I hear Him say the words, “Not just now, but soon. Soon, indeed!” And, when I heard him say the last “soon”, to both of these were given giant wings of light, that they may descend from the presence of the Lord and that they may be able to travel at His will to any and all places in the Earth, even as He so directs. And, no bars shall hold them back! And, no storms shall hinder or prevent them! And, no road blocks shall stop them! And, no authorities in the earth shall have power over them until their time is up! Oh, so lovely is this vision, my Lord!

Yes, My Little One. And, all that you see shall now come about very quickly, even in its entirety. Write as I have given you and post, that all may be the wiser. I am your Father, Yahweh, yea Jehovah, Most High God.

# CHAPTER FIFTY - PART I

## "An Urgent Call to the Bride of Christ!"

## This could be the Last Call!

My Dear Brothers and Sisters, it is good to be back with you and to share in the wealth of revelations from our Beloved Lord and God. For, so gloriously good is He and full of love and long-suffering! His bowels are full of love, mercy and compassion; and He is slow to anger and quick to forgive. Blessed is the Name of our Mighty God, Yahweh, Jehovah, Most High God, Father, Son and Holy Spirit! For, even from the beginning, He has loved us with an everlasting love, his promises sure and His covenant to us forever and ever.

My Blessed Brothers and Sisters, I so delight in the love of our wonderful Saviour, our Mighty God and Creator; for daily I see His great miracles in my life, such great miracles that I am without words for so much of what I see and experience. Surely, I am exceedingly blessed to suffer such persecution for love of Him and for love of each of you; and I delight in what He has called me to suffer for love of Him. For, He is such a wonderful God and He is one God of great love and perfection, desiring that we be even as He is, perfect in every way. And, truly, the ones, whom He loves, He also tries, tests and purifies. Therefore, my Dear Ones, what a delight it is to suffer for love of Him; for in and through all things that we suffer, we are surely purified, made white and clean. Therefore, may we all rejoice and be exceedingly glad when we are called to suffer for love of the One, who has so blessed us and called us to serve Him. Blessed is the Holy Name of Yahweh, Most High God and Blessed is the Holy Name of Jesus, Messiah, Saviour of Humanity.

### The Beautiful Son of the King!

So lovely is the work of the beautiful Son of the King, the precious manchild of Revelation Chapter Twelve. He is a delight to see; and His works are heavenly works;

for from Heaven He comes and to Heaven, He will soon return, and straight to the throne of our Saviour He will go. He is now over thirty-two months old and growing stronger and more full of the power, the strength and the light and fire of our Saviour every day. Marvelous things He does to dissolve the massive amounts of hard plastic, which are put into me via the ships of the U.S. military and through the hands of Satan and all of his hoards. For, from the beginning, even before our Saviour gave me the manchild spirit on May 10 of 2006 in Pretoria South Africa, Satan and all of his hoards have made me their target of great persecution. And, at that time, the manchild was only a baby and was in my body as a spot of liquid light, of liquid fire from heaven. And, the wicked ones, on seeing this fire, began to try to steal this new heavenly DNA, the DNA of our Saviour and as I have written, they filled my body with foreign flesh as they attempted to grow this new DNA onto the flesh of others. But, after about six months, they gave up on this as they knew that they could not steal this new DNA, the manchild spirit in that way.

Following that six month period of great torture, they then began to infill my body with great amounts of metal, glass and other kinds of foreign matter in their attempts to totally put out the light in the manchild and to render him incapable of moving and working. And, since April 11 of 2007, these wicked ones have daily attempted to infill my whole body and even the space around my body with massive amounts of foreign substances, to the point that they have hoped to render the manchild immobile and to make me thereby captive.

Through this wicked and terrible technology, our Saviour has continued to “grow” the manchild, until he now reaches far outside of my body! And, he also needs to do so because of the fact that this terrible technology now reaches far outside of my body, even by several feet. And, because of the fact that our Saviour has needed to “grow” him, even to save both of us, He has constantly added new power, light, fire and strength to the manchild.

### Why You Need to Know of this Terrible Technology!

In past writings, I have told you of this technology, but I will refresh your memory a little as regards this technology. The U.S. military has come in possession of

 From The Mountain Prophecies Copyright 2009

technology, which is not of human origin. It appears as if the are using “quarks”, which are tiny, but unstable particles of light; and that they pair these unstable light particles with sound and push this heat producing light through common substances, like plastics, metals, glass, etc, and in so doing, they totally change the vibratory rate of such substances, thereby causing them to exist in an area outside of our own reality, but impinging upon our reality. For, these substances, once converted in such a way, cannot be seen, and neither can they be felt, if one were to reach out to them to feel them around one’s periphery. However, they can be felt as obstructions in one’s body and as such can cause one much pain and to even stop bodily processes to the point of murder; for with such technology, they can make ones body hard with foreign substances and can shut down all bodily processes, thereby murdering another. And, if not murder, then total enslavement.

These substances seem to exist a step or two outside of the reality in which we live. For, in a relaxed state, one can feel the boundaries of such things within the body. For, they permeate ones being and such things can also be sensed outside one’s body.

My Dear Ones, this technology is one great horror story; for it is one reality, this being these foreign substances, which is superimposed upon another reality, that reality being the body in which one lives. Some of these substances may be highly conductive electrically, in which case when one is filled with such substances and subjected to a constant bombardment of electrical impulses, one could lose control of ones own cognitive processes, unless our Saviour intervenes so protect one and to keep one from being taken over.

And, this is surely one very big reason, my Dear Ones, that our Saviour has chosen to bring up the manchild spirit, His own son, amidst such horrors. For, in this, He, too, is tried and tested; and He is made ready for the Bride.

And, as for me, such has been an exceedingly difficult journey! For, I have suffered great pain and torture as the manchild has needed to grow, to master and to overcome all that they have laid before him. However, this has also been a richly rewarding

journey; for through so much suffering, I have lived a most wonderful and miraculous life.

Oh, what joys and what hope amidst so much sorrow and persecution. For, through it all, I have never lost sight of the fact that a beautiful ending is coming into these works. A beautiful gift for all of humanity is coming forth through this little saviour, who has lived in me now for over thirty-two months. And, yes He is a saviour and will be a saviour and used as a saviour as the Son of the Saviour of the whole universe. He will indwell the Sons of God and these will do the will of our Saviour, they in Him and He in they, a beautiful work indeed, to save humanity. Oh, indeed glorious beyond any words.

And, so, my Dear Ones, I have been in the midst of a technology, which is so terrible that I really lack words to describe it; and I have also been in the midst of such a miraculous journey that I also lack words to describe it. For, of a truth, I have daily lived a life of Shadrack, Meshach, Abednigo and Daniel. For, the ravenous lions have surrounded me night and day, the sky roaring daily with the presence of so many military ships. They have for a fact surrounded me by day and night like ravenous dogs, seeking daily to devour me and the beautiful manchild spirit. They have laid wait for me and they have pummeled me on all of their “devil” days, on their number eleven days and they have regularly initiated their satanic practices against me. Satan has been daily in the skies around my house and steadily in and out of my house, seeking to devour my very soul. Enemies have risen up against me and they have delighted in my suffering, thinking me to be full of sin and under punishment of our Saviour, when in fact this is and has been my price to bear the beautiful little boy of Revelation Chapter Twelve, the spiritual DNA of our very Saviour, His very own little son of light.
In Love to Our Lord and God!

And, yet, my Dear Ones, in the midst of all of my suffering and the suffering of the little boy of Revelation Twelve, we have never been alone! And, even though our Saviour planted us in a wilderness place and alone we sit before the evil god of this world, He has never left or forsaken us. But, indeed, He has hid us beneath His wings; and He has carried us in the palms of His hand. He has fed us from the living waters of

 From The Mountain Prophecies Copyright 2009

Heaven and He has nurtured us and loved us when it seemed that most in the whole world reviled us and joined forces with Satan to persecute us. He has carried us through the valley of the shadow of death and He has truly prepared a table for us before the faces of our enemies. He has shined His light upon us and through the coldness of a dark and uncaring world, He has warmed us with His light and love. He has stood beside us when others deserted us in droves and He has repeatedly taken all of our burdens and made our journeys light. He has lifted our sorrows and has repeatedly filled our hearts with song, even when the sky was a roar with the sound of so many military crafts and engines.

### A Song of Love for You, Oh Blessed King of Kings!

Oh, Beloved Saviour, Blessed Most High God, Oh, Glorious Creator of All, Lords of the Universe, oh how we love you! How we praise you, Oh Holy One! How we delight in you, Oh, Blessed Saviour; for you are ever faithful, full of love, compassion, mercy and full of great and awesome power. You have heard our cries in the midst of the night when we stood beneath the roaring ships. When we cast our eyes heavenward, you looked down upon us with love. You have tended to our every need; and during the long nights of great torture and persecution, you have lovingly stroked us with your hands of love and comfort. When Satan has risen up against us as a roaring lion, you have shut and bound his mouth and when ravenous humans would have daily taken our lives, you have carried us in your heavenly hands of great love and power. Oh, Great King of Kings, oh Great Lord of Lords, you are our Saviour and there is none other. You are our delight and the song of our hearts. You are our rainbow in the storm; and you are our Hightower. You are our Strong-arm and our Fortress in the midst of War. You are our Island in the Storm, the very rudder of our ships. Oh, blessed Saviour, daily our eyes are upon you, our hearts fixed and set upon you. For, you and you alone are our sustenance. You, and you alone, are the love of our lives, You, and you alone, are the delight of our hearts and it is to you that we call for deliverance. And, now, oh Love of our Lives, the hour is late and we know that you have heard. We know that you have set a date, that you have marked a time. We know that the end of a very long line is at hand and that a long road comes quickly to its destination. We know that your hand of light is but a quickstep away and that you are making ready the last few hearts. Oh, yes, Oh, Delightful and Blessed Saviour, we sing your praises;

for we know you and we love you above all, knowing for a certainty that you will speedily deliver us, knowing for a certainty that you will also deliver and take the pure of heart, knowing for a certainty that you have already wrapped and sealed our heavenly rewards and the heavenly rewards of the just. Oh, Blessed Saviour, receive the great love of our hearts and our continual songs of gratitude and thanksgiving; for of a truth, you and you, alone are Most High. You and you alone are Saviour and it is to you that our hearts are sealed in love. Oh, Blessed Saviour, we await you with great anticipation and with great love, joy and thanksgiving in our hearts. For, you have heard our cries in the night and you have seen our tears in the day; and you will now come quickly to make an end of all suffering and to bring forth even your great promises to your bride and to all of humanity. Oh, Blessed Saviour, in great anticipation, we long and we wait and we send up to you the great love of our hearts; for we are bound to you in great love and in great honor and we greatly desire to please you, to do your will, to bless you and to bring you glory. Oh, receive these songs from our hearts, oh Love of our Hearts, oh Blessed Saviour! Oh, what a price indeed, and we have all but paid it, and even so, our time will surely be soon up, even as you stated it is the message which follows. And, then comes a glorious event, so grand that daily all of heaven is in great anticipation. For, soon indeed, the little boy of Revelation Twelve will return to you, our Beloved, Saviour, to Your very throne, from whence He came.

**A Message from our Lord and God**

**"An Urgent Call to the Bride of Christ!"**

**January 21, 2009**

Hearken unto Me, oh Blessed Daughter of Mine, and write as I say! For, I am your Father! I am your Saviour! I am most High God! King of Kings, Lord of Lords and Lords of the Universe!

 From The Mountain Prophecies Copyright 2009

Oh, Blessed Daughter of mine, as a line from My hands is made straight and without crooks or bends, so have I set My path in you! As a stream of My light goes forth and as it is straight, without crook, or bend, so have I made the course of My light in you!

And, as a mother hen so gathers her chicks, even one by one, and shelters them beneath her wings, so have I gathered you and others of My Faithful, to shelter you, and to nurture you for My great bounty, which I wish to bring forth in each of you!

As a golden egg of pure and radiant light is my will in each of My Faithful stewards, and it is now that My golden eggs of light in each of you are readying maturity. My golden eggs of light in each of My Faithful are nearing the time when such eggs will be harvested back to Me!

Such an egg of radiance, of joy, of hope, of completion, I have put into each of Mine and have so nurtured it, until it is ready to be harvested back to Me, with all of My purposes within each one having been accomplished, having been completed.

My Little One, you know and you understand well that I would have come on so many occasions. You have known of My imminent plans to come for My Faithful and on more than one occasion, this has been so! But on looking and on searching these very eggs, which I have put into My Faithful, I could not yet come! For, I have seen various stages of unreadiness and unripeness! And, on so seeing, I have lingered, in not only coming for you, but in coming for those, whom I wish to take to My throne when I take you!

For, on searching their hearts, I have found all manner of judging. I have found all manner of sin. I have found all manner of spiritual unreadiness; and the whole bride whom I wish to take and marry when I marry you and the manchild, I cannot take!

I warn you and I warn you now, that all over the world FEW ARE READY! FEW, my Little One, because few are sold out to Me! Few love Me above all! Few strive to be clean by the minute, by the hour and by the day; and grievous sins have crept into the lives of those, whom I wish to marry, such that if I were to come now for you and the manchild, few of My true bride would be ready! For, they will not come totally clean before Me!

They will not love one another, even as I have commanded, but wish to set themselves up as judges, as holier-than-thou, and are full of all manner of worldly thoughts and desires.

I cannot and will not marry these, My Child! Be advised! Be warned! For, I will not continue to delay My coming for you and for the manchild, based upon whether anyone else is ready! Be advised, my Blessed Child, that this is the last delay, by which I will delay My coming for you and the manchild! This is My last delay and some of this delay is for reasons of your own prayers! For, even as you have sought Me to come and even as I have showed you that I would, your own prayers for others have caused compassion to stir up within my bowels on behalf of these, who are not ready to go into the light! And, I have been moved in compassion to delay yet again the timing of My coming for you and the manchild and for those, who will then also marry Me!

But, be advised, oh you backslidden and wayward bride of Mine! I will not continue to delay the rewards to My chosen daughter, the mother of Revelation Chapter Twelve, and the mother of My Spiritual Son of Revelation 12. For, to delay for love of you is to extend her own time of suffering beneath the feet of Satan and all of his hoards. And, I will not continue to add to the suffering of this one, My chosen daughter. For, she does suffer and has suffered exceedingly because she bears My spiritual Son, the little boy of Revelation Chapter Twelve, a beautiful gift for humanity, indeed, a glorious gift for My bride, wherein through the manchild, through my Spiritual Son, all will marry Me and become My Sons, the heirs to My throne!

In that you, oh My Bride, and have neither cared about it, nor have been concerned about it, is to your own undoing. For, be warned, oh you sleeping bride, and you bride of Mine, who stands in disarray: I shall surely come for My bride!

I have been sounding the alarm through the mouths of My prophets. They have heard ME tell of My intentions to come in months past. And, I have been ready! All in heaven is now prepared and ready and I am giving this one last shout! There shall be no other delay, past this one! I only delay now as My bowels of mercy and compassion have

 From The Mountain Prophecies Copyright 2009

been moved to extend this time for a short time indeed! For, many of you, oh My Bride, stand on the brink of being ready! But, you are not ready!

LET IT BE KNOWN THAT I WILL MARRY NO GOSSIP-MONGERS. NO PURVEYORS OF HATE OR MALICE, SAVE YOU REPENT IN DEEP SORROW AND SEEK MY FORGIVENESS FOR ALL.

I WILL MARRY NONE, WHO DO NOT LOVE OTHERS, EVEN TO LOVE YOUR ENEMIES, TO PRAY FOR THEM AND TO BLESS THEM.

I WILL MARRY NONE, WHO HAVE ANY SORT OF UNFORGIVENESS IN THEIR HEARTS.

I WILL MARRY NONE, WHOSE BOWELS ARE NOT FULL OF LOVE AND COMPASSION TOWARD ALL.

I WILL MARRY NONE, WHO DO NOT HAVE MERCY AND COMPASSION TOWARD THE LOST, THE HURT AND THE SUFFERING.

I WILL MARRY NONE, WHO HAVE NOT SPENT LONG HOURS IN PRAYER BEFORE ME, NIGHT AND DAY, SEEKING ME TO JUDGE THEM, TO PURIFY THEIR SINS THROUGH FORGIVENESS AND TO MAKE THEM WHITE.

I WILL MARRY NONE, WHO LOVE THE WORLD AND WHAT IS IN IT.

I WILL MARRY NONE, WHO ARE ADDICITED TO TELEVISION, OR TO ANY OTHER WORLDLY THING!

I WILL MARRY NONE, WHO LUST AFTER THE FLESH AND WHO LOVE THINGS OF THE FLESH.

I WILL MARRY NONE, WHO MAKE TELEVISION THEIR COUNSEL, AND WHO LOOK UPON VIOLENCE.

I WILL MARRY NONE, WHO BACKBITE, AND WHO MOCK AND SCORN MY TRUE WORKS AND WILL NOT REPENT.

I WILL MARRY NONE, WHO STAY UP LATE TO CHASE THINGS OF THE WORLD, AND WHO PUT ME LAST.

I WILL MARRY NONE, WHO LOVE THE WORLD AND WHAT IS IN IT! FOR, I DEMAND THAT YOU RENOUNCE THE WORLD AND ALL OF ITS EVIL MATTERS AND CONCERNS.

I WILL MARRY NONE, WHO LOOK UPON ANOTHER WITH EYES OF LUST, OR WHO COVETS, OR JEALOUSLY LONGS AFTER WHAT BELONGS TO ANOTHER.

I WILL MARRY NONE, WHO DO NOT PUT ME FIRST, KEEP ME FIRST AND LOVE ME ABOVE ALL, CHERISHING MY COMMANDMENTS AND OBEYING THEM ALL.

REPENT, OH, YOU BRIDE OF MINE! I WILL COME FOR A CLEAN BRIDE! AND, BE WARNED, THAT I COME VERY SOON AND BE WARNED ALSO THAT AT THIS TIME AND FROM MY VANTAGEPOINT, SAVE MANY OF YOU GET CLEAN AND QUICKLY SO, I WILL TAKE AT THIS TIME FEW INDEED! FOR, FEW INDEED YOU ARE, WHO HAVE MADE YOURSELVES CLEAN! BUT, EVEN SO, IT IS NOT FOR ANY LACK OF WARNINGS THAT I AM COMING FOR MY BRIDE! I HAVE WARNED YOU! AND, THE TIME OF MY TARRYING IS FAST COMING TO AN END.

I am your Father Yahweh, yea Jehovah, Most High God, Jesus, Saviour, King of Kings and Lord of Lords.

# CHAPTER FIFTY-PART II

## THE KINGDOM POWER: HOLY ANOINTED CLOTHS

### Message from our Father in Heaven

### April 06, 2009

Hearken unto Me, My Blessed Child, for I am your Father, Yahweh, yea Jehovah, Most High God, even Creator of all things, yes, the Very One, who also came in the flesh, Saviour, Lord of Lords and King of Kings.

My Little One, I call you today for a special purpose, for a special message unto you and unto My people! For, it is of My bounty that I wish to impart to My people! It is of My holiness that I wish to impart to My people! It is of My righteousness that I wish to impart to My people. And, it is through you, My Little One, that I wish to impart this holiness, this righteousness.

For, I have called you to a holy walk! I have called you to a walk of righteousness, a walk of purity, a walk of sacrifice, to a wilderness walk. I have called you to a walk of great sorrow, of great suffering, even torture and pain, much pain indeed and much suffering.

For, I have called you to no ordinary walk, but to a one-of-a-kind walk, that walk being to be the spiritual mother of My very own spirit son, the little babe of Revelation Chapter Twelve, or as it is written as well, the manchild of Revelation Chapter Twelve.
Now, My Little One, he is nearing the time wherein I shall take Him home! He is nearing this time, and he is full of much fire! He is full of constant anointings and great surges of My holy power!

And, I commission you now to pray over and anoint many handkerchiefs with this power, that as many as would want one of these anointed handkerchiefs, would be able to receive one.

For, many are sick! Many are spiritually wounded! Many are in various states of bondage under Satan. Many suffer greatly all over the worlds and many are in need of help!

My Little One, the power of the manchild spirit has never before been unleashed into the Earth. This is My Kingdom Power and is like nothing else. This is a very special power, a very special anointing. I will release this Kingdom Power into cloths to heal many diseases, to restore body parts, to break satanic bondages and strongholds, to free one of demonic possession, and to bring forth mighty miracles into the lives of many souls!

These anointed cloths are holy! All, who honor these as holy and respect the anointings, which are upon them, will see that the anointings remain on the cloths! The anointings will stay and the cloths can be used over and over again to heal the sick, to set the captives free and to bring forth every kind of miracle.

But, these cloths must be respected. They must be kept in a clean place! They must be honored and cherished, or the anointings will leave.

It is good to pray with these cloths! It is good to place the cloths on the heads of the sick and the suffering and to pray over others with cloths in this way for healing, deliverances, and so on.

And, the anointings will stay, even over some years, when there is a deep respect for these cloths, and for the anointings on these cloths.

These anointings are coming from Me through the manchild spirit! This is My Kingdom Power and is to be cherished and revered!

My Little One, make these cloths available to as many as would ask for them! These cloths are free, but if some would like to help you with the finances to purchase the white handkerchiefs, or if some would like to send you some new, white, men's handkerchiefs to be anointed for these purposes, blessed are they indeed!

 From The Mountain Prophecies Copyright 2009

My Little One, let all know that a principle of faith is involved here! If they do not believe or do not respect this anointing, it will leave! Respect what I now give! Fear Me and walk in obedience and humility and you will see what I will do for you, for your loved ones and even for complete strangers through these anointings!

But, be not careless with these cloths! Do not disrespect them! Do not throw them around; for what I put on these cloths is holiness!

Are you ready for holiness? Are you ready for My Holy Presence to come into your home and into your life?

If you cast these cloths around and give them to the dogs, I will cast you around and give you to the dogs!

But, if you truly desire to have the Kingdom Power in your midst and you truly desire to know this holiness and this power, write for these cloths and one will be sent to you!

My Little One, I will be with you in this and I will bless you with the anointings for these cloths! And, all, who respect these cloths and these anointings on these cloths, will have the anointings remain on these cloths. And, as such they will be a blessing to many! For, when they take these cloths and put them on the heads, or other ailing body parts of the sick, and ask and believe, then many, many shall see healings, deliverances and miracles of many kinds, even the raising of the dead!

I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER FIFTY - PART III

### Our Father's Blessings To You Through the Holy Anointed Cloths!

My Dear Brothers and Sisters, I thank you, who have shared your experiences with the holy anointed prayer cloths! And, herein, I wish to entail some of what you have shared with me; for it is my heart's desire that all of the praise, all of the honor, all of the glory and all of the power go to our Blessed Lord and God, the Lord of Hosts, God Almighty, Lord of Lords and King of Kings. And, forever and ever, this is so!

**Two testimonies from a friend in North Carolina,**

**in my own words, as best as I can remember from what he told to me:**

"When I got the prayer cloth, I knew what it was, and I kissed the package. Power went into my heart! I felt a kick in my stomach and joy (the joy of the Lord) came over me!" GLORY TO OUR ALMIGHTY GOD!

 From The Mountain Prophecies Copyright 2009

"I had a great pain in my back, a very bad pain! So, I took the prayer cloth, put in on my back, still in the plastic cover, and slept with it like that. When I awoke, all of the pain was gone!" GLORY TO OUR ALMIGHTY GOD!

**And, this from a friend in Sweden!**

"I slept with the prayer cloth on my heart, and I dreamed a dream!"

Dear Ones, I will now tell you this man's prophetic dream and I hope that I remember it even as he explained it to me. He dreamed that he saw a group of small birds fly into a tree, about six birds, and suddenly these turned into eagles and flew away. Then, he saw three more trees and small birds gathering into these three trees. He thought that he would be able to count these birds as the numbers were not great, but he was not allowed to count them. However, he supposed that these numbers were about twenty-five birds. And, quickly after landing in these trees, these small birds also turned into eagles and flew away!

This is what our Lord and God is telling me to tell you about this dream: "The harvest is at hand; and it will be both as you expect and also as you do not expect! For, I will surely have My Elijahs! And, I will also have My pillars of fire and My clouds!" May all be the wiser! GLORY TO OUR MIGHTY LORD AND GOD!

**And, this from a friend in California:**

My Dear Ones, I will attempt to relate these experiences to you as best as I can, in my own words, from what was told to me!

"I received the package in the mail as was afraid. I saw light circling the package and felt a tingling in my hands when I held the package." Later, "I picked up the package, and my hands became red, my legs became red and power went through my body! Since that time, I have felt closeness to God that I have never felt in my life!"

**From a man in China, in my own words!**

Great oppression was against this man's head as he was under assault via witchcraft and demonic attacks. A cloth was placed over his head and one, who held the cloth, prayed for this man. All of the demonic assaults and the heavy pressure on his head were driven off his head and dissolved. These cloths were used to dissolve other assaults as well; and this dear soul is now free and doing very well from what I have heard! BLESSED IS THE NAME OF OUR MIGHTY GOD!

My Dear Ones, these are the oral reports, which you have given to me. Please send me an e-mail, telling me of our Saviour's beautiful blessings to you through His power in these anointed cloths! And, I will be glad to share the joy of your blessings with the world!

Hoping to hear from you soon!

Sending much love to you all!

## CHAPTER FIFTY - PART IV

Hello, my Dear Brothers and Sisters! Greetings and much love to you in the Name of our Blessed and Mighty Saviour, King of Kings and Lord of Lords! All of the glory, all of the honor, all of the praise and all of the power to Him forever and ever! For, He is surely worthy, worthy, worthy! WORTHY IS THE LAMB! OOOOOOOO-EEEEEEEEE!!!!! GLORY TO GOD!

It was night before last, my Dear Ones, on the night of the 20th of May of 2009 while I was praying that I asked our Blessed Saviour to show me something in the Spirit! And, not knowing if He would reveal anything, or would desire to do so, I just prayed and waited. But, of a sudden, I was carried up, swiftly so, and from that vantage point, I could see one of Satan's wicked ones in my kitchen, and just as suddenly I saw this wicked one, fire came down on him, and I no longer saw this dark entity in my house! And, as quickly as this was done, I was back in my body!

What is most interesting about this experience is that our Lord and God has required me to be under the feet of Satan for these past few years and He has not allowed me to fight them or to participate in any battles against them, except on very rare occasions. For, I have had to lie down with them in my face, get up with them in my face, all day and all night long, day after day!

Satan and his wicked hoards have been in my face for over three years! As of May 01 of this year, the U.S. military has parked stationary, aerial craft parked over or near my house for six years! And, they have also followed me in all of my travels, these craft being clearly visible not only to myself, but to date, to many others as well!

My Dear Ones, these battles have been great; and in all things I have had to wait upon the Lord, for He, and He alone has fought my battles. Powers and principalities of great darkness have come up against me; and in no way could I have survived for even one day if our Lord and God had not fought my battles! Therefore, I have needed to rest in the Lord and trust in the Lord!

I have also had to watch and wait for Him to put His power into His beautiful, little Son, the Manchild of Rev. 12, so that he could fight these battles also. Blessed and precious is he! For, He has needed to grow into his current stature and power; and this has been a slow process. And, for these and other reasons, I have had to endure and to go through great tests and trials as I waited and longed for the time when these works would be finished and this beautiful son of The King would return to the throne of our Lord and God, from which he came!

So, when I was carried up and saw the fire come down on this evil one, I greatly rejoiced in my heart, for in so witnessing such a glorious event, I was and am in such great expectation for what is at hand: that is, the glorious appearance of the Kingdom of our Mighty Lord and God in the earth!

However, that brief experience would not be the end of what our Saviour would show me that night, at around 8:30, or 9:00, which was actually Ascension Day on the other side of the world. For, Ascension Day had already begun as I understood, although there seems to be contradictory dates as to some of these very important events. Nevertheless, that day was and is surely a very important day for these works. For, the beautiful events did not stop with fire coming down on the evil entity of Satan. But, quickly thereafter, I saw myself standing on a mountain, or a hill, and I was full of light and great light was all around me. But, even as I gazed upon this vision of myself in the light, I was carried into that glorious light and was so amazed to stand in that awesome light of our Mighty God. And, yes I was in that light! I was supernaturally carried there and I was looking upon my arms of light and my clothes of light and my feet and shoes of light and I greatly marveled to be in such glorious light. And, great joy erupted in my soul and my spirit overflowed with the joyous presence of our Mighty God!

But, even so, I was not there long, but was quickly thereafter carried back into my body! And, oh, my Dear Ones, my soul was so full of joy and praise that I rose straight up and began to turn in all directions and to praise our Mighty God and to thank Him for His great love, for His great power, and for the wonderful visitation, which He had just given to me!

 From The Mountain Prophecies Copyright 2009

Oh, so wonderful, so lovely, so awesome is our Mighty Saviour, Jesus, Beautiful and Glorious! And, to this very moment, I am so moved by what He did for me and showed me that night! For, I know in my Spirit that SOMETHING SO GRAND IS AT HAND FOR THE FAITHFUL! BUT, NONE OF US CAN EVEN IMAGINE ONE BIT OF IT! FOR, TRULY WE LIVE IN IGNORANCE OF THE VERY NATURE OF THE GLORIOUS AND HEAVENLY EVENT, WHICH IS SO VERY CLOSE! YET, IT IS FOR US TO CARRY ON IN FAITH AND LIVE AS HUMBLE AND OBEDIENT SHEEP, UNTIL SUCH TIME, THAT WE ARE INDEED QUICKENED INTO THE PRESENCE OF OUR WONDROUS GOD!

Then, my Dear Ones, came the following morning of May 21, 2009! I had checked my phone early and I saw that someone had been calling me at around 8:00 AM, but no number showed up on my caller ID, only “private caller!” So, my first impression was that this may have been the evil ones, for they so often disguise their numbers or put in fake names so that these fake names, or fake numbers, register on my caller ID! But, I am so used to such things that nowadays I barely take notice of what they do!

However, my cell phone began to ring and I noticed that my Dear Sister from South Africa was calling me and I was so delighted to see her name and number appear on my cell phone. For, she is one of the women, who was called of our Lord and God, to spend much time praying and interceding for the birth of the manchild in South Africa in the spring of 2006! This Dear Sister, along with another Dear Woman of God from Botswana were appointed by our Lord and God to be birth mothers for the little Babe of Revelation 12.

For a week, beginning on May 03, 2006, the three of us began to pray, fast and study the word seeking for the birthing of the babe of Revelation 12. And, it was on May 10, 2006 at around 9:30 AM, that our Saviour appeared to me in an apartment in Centurion South Africa, a suburb of Pretoria, and He delivered into my arms a very perfect baby of pure light. Blessed is the Name of our Mighty God!

And, thereafter, my Dear Sister, Misani, the birth mother, who called me, came to the America and stayed with me for six months and saw for herself the great persecution,

which I was under. Blessed Sister and Friend! I will always love her and great are her heavenly rewards.

My Dear Ones, when I went back to South Africa in late March of 2006, I was just longing to be back among friends, and also hoping to escape some of the horrors, which I was experiencing. I did not go back there, expecting to receive the babe of Revelation 12, but to escape some of the horrors of the War in Heaven, which had been going on since around February 21 of 2006, wherein Satan was cast down and with him many billions of Dragos.

However, there was no escaping! For, Satan and his wicked hoards went with me to South Africa! And, the two archangels, Michael and Rafael, were frequently visible around me. And, many of the U.S. military were constantly assaulting me from their ships and through their terrible technology and many wicked and grossly ugly demonic hoards, who were being cast down, were constantly coming after me.

For, the archangels would repeatedly tell me that hundreds of thousands, or even millions were being cast down and that they were coming for me and "you will take some hits until we can get them rounded up!" That is, rounded up and driven into the mouth of the earth, which had opened up in late February, just as these wicked ones were being driven out of the heavens!

And, being totally overwhelmed by this great war, I could not understand why they were coming for me! Yet, over and over again, the archangels would warn me, and then these wicked ones would begin to attack me, burning me and sticking me with sharp objects! And on top of that U.S. military personnel, who were then able to travel in their "electromagnetic tubes," were out to kill me any way they could!

And, once I arrived in South Africa, I got pneumonia and the wicked ones in the U.S. military were coming into my bedroom and injecting infected phlegm into my sinuses and liquids into my lungs in their attempts to kill me. So, my Dear Ones, I had no time to think of the babe of revelation 12! I was simply focused on survival! And, so I

thought that in going to South Africa, if I were among friends, the travail would not be so great!

But, this was erroneous thinking on my part, for even in the airplane, Satan and his demonic hoards were out to kill me, riddling my body with foreign substances and on several occasions, trying to choke me to death when I fell off to sleep. But, by the grace and the power of our Mighty God, He kept me. Blessed is the Name of our Mighty God! I love Him so!

Therefore, you can get a glimpse of WHY I was not looking to receive the babe of Revelation 12, but my Dear Sister, Misani was looking and our Lord and God put a mighty Spirit of Prayer in her for the birthing of this babe; and she would frequently come to me and say, "We must pray for the birthing of the little boy!" And, we so prayed, but I must confess that I could not imagine how this would be and I could not really focus on it very much as the persecution against me was horrendous!

But, even if I were ignorant that the birthing was at hand, Satan was not ignorant of such a birthing! And, I now know that He was sending such a flood of evil ones after me because he knew that this birthing was at hand and that this very birthing would spell the end of his horror reign on this planet. Therefore, all of Satan's wicked hoards knew what would come forth through the birthing of this little Son of the King, but I did not understand. However, my Dear Friend and Sister, Misani, understood that there must come a little babe; for the Lord called her and anointed her to be one of the birth mothers and to have a mighty spirit of prayer as regards the birthing of this beautiful little babe of light!

So, my Dear Ones, you can understand somewhat my great love for this Dear Sister and why I was so glad to see her calling! And, oh so lovely were her words to me yesterday morning, on the morning of the 21st day of May of 2009! And, due to the excitement in her voice, I knew that I was to take notes of what she was telling me. And, although, I was not able to write all that she told me, I have written some of it; and you, too, will be greatly touched by what she told me! And, after she told me such wondrous things,

I asked her if she would mind if I shared her testimony with you; and she was glad to have me share her beautiful experiences with you!

**The Words of Misani!**

I was very ill for the last two years and I could not get any victory! I did the right things, but could not get victory. When I got your cloth (the holy anointed cloth) I started praying, asking God to touch me with the Kingdom Power and to heal me! I was praying and took communion for one week! One week after I began this, I started eating, for I had not been able to eat, but only a few things, like rice, celery and a few other things! It made me sick to eat more! So, I started eating after one week; and I believed that I was healed. However, on Monday, the 18th of May, I got so sick, with fever and diarrhea.

I have been so full of pain for two years! So, I put the cloth on all painful areas! This morning, suddenly I realized how the enemy would attack all body parts, one after the other! But, this morning, I felt victory and I knew that I was healed! I started eating and I knew that I was healed! Early this morning the power went off and the storm struck the alarm! I looked out and the clouds were red, like fire clouds! This passed on and this afternoon at 3:00, I went to lie down, so I got the anointed cloth and prayed! Then, I felt the Spirit of God. The Spirit began stirring. I have been so sick that I could not feel the Spirit! So, I praised Him, and I began to pray for many and for the Kingdom power!

And, suddenly, the power (of God) was so strong and I began to pray for you. “Lord, I speak to the Woman of Revelation 12 and I tell her to rise and to be revealed!” And, the power (of God) was so strong and all day it was like the day when the little boy (of Revelation 12) was born! And, I just knew that it is time for him to go. (to be born back to the throne of God!) I just felt it so strong and I knew!

Then, I asked our Father to please give me a scripture! (Misani reads the Scriptures a lot and knows them well!) So, He gave me this Scripture in the Bible…John 16:20-21 (King James Bible)!

 From The Mountain Prophecies Copyright 2009

Verily, I say unto you that ye shall weep, and lament, but the world shall rejoice; and ye shall be sorrowful, but your sorrow shall be turned into joy! A woman when she is in travail hath sorrow, because her hour is come: but as soon as she is delivered of the child, she remembereth no more the anguish, for joy that a man is born into the world.

Misani Continues …

Oh, it was just wonderful! Then, I realized why the alarm went off! There is no more alarm! The time of sounding the alarm is up! The last alarm has been sounded!

And, I looked outside and there was a single white cloud. This disappeared and left a blue hole in the sky! (My Dear Ones, the manchild makes a blue hole in the sky! For, he rotates the clouds and very often, there is a blue hole over my house, and beyond! Oh, so lovely!)

I could not get victory for eleven years! But, God sent victory through the Kingdom Power! (End of Misani's testimony!)

And, thank you so very much, my Dear Sister, for sharing what our Lord and God has done for you!

OH, GLORY TO OUR MIGHTY GOD! GLORY, GLORY, GLORY! FOR, WE TRULY ARE NOW GETTING GLIMPSES OF WHAT IS AT HAND!

**And, this is a testimony from a Dear Brother, whom I have known for some years!**

**May 03, 2009**

Dear Sister Linda

This past Friday and Saturday, I woke up very tired, bad headache and body ache! I could hardly walk! I just had to stay in bed and could not even eat! I felt so bad! I thought about going to see a doctor! That night, I slept with the holy anointed cloth! All of a sudden come Sunday morning; I woke up feeling no pain at all, kind of like I

had never been sick at all. I give all the praise, all of the honor, all of the glory and all of the power to our Blessed Lord and God! Praise God!

Your Brother in Christ
(from Texas)

**And, another Dear Soul wrote from Canada:**

Just wanted to write and say thanks for the anointed cloth. I received it last Thursday and on Friday I did my prayer standing up with my palms open and the anointed cloth in the left hand and as I prayed I could feel the energy in the cloth, for my left hand became very warm! (end of testimony)

My Dear Ones, in the past, others have also told me of how these cloths would become warm in their hands. For, when I pray over them, I feel the fire of God going into them. This fire comes down on me and my whole body gets very hot with the presence of this heavenly fire! Oh, Blessed and awesome God that we have!

This is His work; and I so want to see His Glorious Name Exalted above every nation, every tribe, every kindred and people, yes indeed even above every hill and above every tall tree! So, precious is our Beautiful God and Mighty Saviour! There is none like Him! He died for us! He paid the price for our salvation! He created us; and He created all things! Oh, my Dear Ones, may our hearts be filled with praises for Him and love for Him and with love for one another! How blessed we are!

And, with these words, I will leave you for now! Let me hear what our Lord and God is doing for you through His anointings on these cloths! Sending much love to you all!
Your sis through our Blessed Saviour,

# CHAPTER FIFTY- PART V

Greetings and much love to you, my Dear Brothers and Sisters! I hope that all is well with you and that you are growing stronger in your faith from day to day!

Following, you will read some of the testimonies, which you have sent to me, regarding our Father's anointings on the cloths!

My Dear Ones, I share these testimonies with you; for our Blessed Saviour is worthy of all of the praise, all of the honor and all of the glory forever and ever! Glorify His Name, my Dear Brothers and Sisters! Sing to Him! Rejoice in Him and thank Him; for all of the Earth sings His praises!

My Dear Ones, from time to time, the trees and even bushes and other kinds of plants tell me of their cognizance of our Saviour and of His spiritual works! The little animals know His beautiful Spirit and they also stand in awe of Him! All of Creation knows Him, yet so many humans are cut off from His Beautiful Light, Spirit and Power!

My Dear Ones, Jesus is our Creator and He loves us all with an everlasting love! He wants to make us free of sins and bondages! Jesus came to set the captives free; and through His anointings on these cloths, He is able to make you free! Trust in Him! Confess your sins and don't stop believing in Him! If He does not hear your prayers the first time, do not give up, but be tenacious in your pleadings! For, He will hear you if you persevere in faith!

## Our Saviour's Words!

Firstly, I wish to relay a brief message from our Saviour to you, who have these cloths and to those of you, who will yet receive them! Pay attention to what He is telling you in this message! Some are getting blessings, some are getting healed and some are being delivered, but our Father tells us in His message that He has put "hidden" gifts into these cloths, so you cannot know what you will receive!

However, my Dear Ones, to be able to receive, you must come believing and with great expectation for what He will do for you through His anointings on these cloths! If you doubt, or if you are skeptical, or if your heart is full of unforgiveness or uncertainty, you will block the flow of the Spirit and power of God; and you will not get what He wishes for you to have!

Just know, my Dear Brothers and Sisters, that our Saviour has put healings into these cloths for many types of illnesses! He has put deliverances into these cloths for many kinds of deliverances from demonic possession and demonic assaults! He has put deliverances into these cloths for many kinds of addictions, which are all demon fed and controlled! And, He has put miracles of many kinds into these cloths and also many kinds of unexpected spiritual gifts and impartations!

If you come as a little child, believing, respecting our Saviour's anointings on these cloths, and fearful of our Mighty God and of His power, you will surely be blessed by His anointings on these cloths! And, if you do not receive at first, persevere in asking, even as our Sister Misani persevered!

Read on and be blessed!

### Our Father's New Message to You Regarding His Anointings on these Cloths!

Come unto Me, My Blessed Child; for I am your Father, Yahweh, yea Jehovah, Most High God! My Little One, many look here and many look there! They are busy looking and busy seeking to know what this one says and what that one says; but be warned, oh My Precious Flock! Many come with lying words, with lying signs and wonders! So beware! Come away from mindless chatter and sensationalism!

My Little One, I have commissioned you to fast from time to time, to pray over oil and to take this holy oil and with it to anoint cloths for My people! I have guided you to take these holy anointed cloths and to pray further with them in your hands and I have

 From The Mountain Prophecies Copyright 2009

imparted many blessings, healings and other kinds of miracles from My throne into these cloths!

My Little One, I have put hidden gifts from My throne into these cloths and those, who seek (Me) with great longing and even with fasting will receive the deeper heavenly gifts, which I have put into these cloths!

My Little One, may all take note of Misani's testimony! For, she knows Me, My Little One, and she knows you! She knows the truth of My work through you, the truth of Revelation 12! And, as such, she sought (Me) with her whole heart; for she knew that I had put great power, blessings, healings and deliverances and other precious gifts from My throne into these cloths! She did not stop seeking when she did not immediately get My gifts to her on the first day, but kept on until I released into her the very gifts, which I had put into the cloth for her, a wonderful healing and a mighty visitation from My Spirit with much power and great anointings!

How many have believed and have sought as Misani? Many look at their cloths as relics, or as artifacts! They observe them with their thoughts and try to dissect them with their minds! They look at the cloths with skepticism and say to the cloth: "Perform!" And, when they get nothing, they add to their own disbelief!

But, all, who come as little children, and who believe in Me and who know and believe that you are My servant, who come seeking and believing, will receive! They will receive great blessings through My anointings, which I have put on these cloths!

So, My word to all is this! If you have not received miracles, blessings, healings and other mighty manifestations of My gifts and power through these cloths, fast and pray with the cloths! For, the darkness of your heart or the darkness of your thoughts has blocked your receipt of My gifts for you!

Remember: I have put many hidden gifts into these anointings, which are on these cloths! Those, who come as little children, truly seeking and longing for these gifts, anointings, healings, deliverances and other blessings will receive! I have also put

something new on these cloths, even My anointings and power of My Beautiful, Little Son, the Manchild of Revelation 12!

Go in peace this day! I am your Father, Yahweh, yea Jehovah, Most High God!

As witnessed, dictated and recorded this 18th day of July, 2009,

Linda Newkirk

**More of Your Testimonies Regarding These Cloths!**

Dear spiritual mother, how are you? First of all, I would like to apologize! On the 22nd of May, I received your prayer cloth! Today is June 03 and I received yet another cloth from you! Thank you, thank you, thank you very much! I am so excited to tell you (that) when I put the cloth on my head in prayer, I was touched by the love of God, and so moved to tears! I can feel from my head (that) forces entered into my body!

We were having a meeting on that evening! I felt peace and it was not the same as before! I sing praises to God and every single word we sing bring(s) tears! The words from the Bible seems like living things, came into my heart! His word became living!
After the meeting, I asked the brothers and sisters if they can stay and pray! Many did! There are two sisters that had pain in their joints and their legs no longer hurt anymore!

We have oppositions, mainly the elders in the church! I always feel sorry for them. Why the sons and daughters of God wanted to stand with the devil together! I was thinking to wait until more sisters got healed and when they witness for the Lord, then write to you! But, for the last two Sundays, the meetings were cancelled, maybe by the devil! I cannot wait, and can only tell you truthfully, because I could not disavow you and our Lord. The night I received the handkerchief, my whole body was like on burning fire! Praise the Lord! And, we thank you again for the love of God, the Father! Also, wanted

to tell you that there is another sister, who believes, too! I see her. I am going to give her one. Please pray for me. Thank you! Your Spiritual Child

Dear spiritual mother, how are you! You are God's Beloved and I must respect you so. You can share all of my testimony because our main purpose of being is to witness for the Lord, and to manifest God's glory! Want to tell you one more good news! One sister told us with great joy (that) for three years her pain caused by menstruate have been so intense, each time she have to take pain killer; and this time, she was about to see a doctor!

When we put the prayer cloth on her, she heard the Lord said (He) will heal her, and she got really healed! This time, she feel no pain! She is happy! All the glory to Mighty God! There is also another sister, (who) after the cloth was put on her head, the next day, she has been filled with the Holy Spirit for the whole day, and tears keep coming. Her heart felt like to seek the praising song named, "Tears of Thanksgiving," and she found that song right away! So marvelous! I feel happy when I know this! Blessed are you!

**Your Spiritual Child!**

Oh, so lovely is this testimony! Thank you, Dear and Beautiful One, for sharing these wonderful testimonies!

My Dear Brothers and Sisters, I have been longing in my heart to post these testimonies sooner, but have also sought the Lord for help to grasp and digest His very words, that I am spiritual mother! Because of this testimony and others of you, who write and call me spiritual mother, the Lord gave me Chapter Fifty-Six of Book Twelve! For, I feel so lowly and also so afraid when others call me spiritual mother! It is not that I disbelieve our Lord's words when He calls me Spiritual Mother; for I do believe! But, His very words are so deeply humbling and because of His very words, I so greatly desire to be a better servant to you all!

### Second Testimony!

How are you, workers in the Lord? We received sister Linda's handkerchiefs! Thank you very much for your love and work! Praise God for His marvelous hand!

We prayed to God for the meaning of the handkerchief. The Lord gave us a vision, (and) told us that taking the handkerchief is like to hold the hands of the Lord! We are very happy! This handkerchief bears the promise of healing! Let us regard it as a holy treasure. Let only those, who have good faith to have! I asked 33, and you sent 34. Praise God for giving more! However, the Lord has instructed us to only give out to around 20 people. He also indicated this giving out (of) handkerchiefs may last until 2012, and we should be careful in keeping them, that will be used later to heal the sick!

…… our church is directly led by Jehovah, God! It is spirit-filled! In these days, if one is not directly led by God, he or she is so easy to get lost, be deceived by Satan! We are so greatly blessed! We want to become prayer warriors, to become workers of the harvest! The Lord teach(es) us to pray, to heal the sick, bless the poor, instruct the weak, rescue the lost! Whoever experiences the Holy Ghost has no reason not to believe the Lord! The problem is so much temptation from worldly things, and to many people, this is too much, but may we all be counted worthy to God's choosing and His building up of us!

### Our Overseas Friend!

Hello, my Dear Friend, thank you for sharing these words from our Lord and God! Please write back and share our Father's blessings, for He is so good to His Children the world over! Sending much love to you all!

### Brian's Testimony!

I have honored my prayer cloth from the first day I received it! I felt its power when (it was) still in the envelope! I have been falling into little sex sins and my body has reaped corruption.

 From The Mountain Prophecies Copyright 2009

I am a runner and the worst places a runner can be injured are the knees and ankles. Both were actually injured to the point of no running and I knew exactly why!

I was impressed by a wonderfully anointed spiritual leader to use My prayer cloth, hesitant to open it because I did not want to dirty it up (spiritually). I placed it on my ankle, while it was still in the package and I immediately began to see visions of blessings and comfort and light of Jesus; and the truth of His manchild!

I then heard the Holy Spirit whisper that true humility would (cause me to) take it out of the package and use it more fully. My ankle is wrapped as I write this and it is tingling along with my (now) fully healed knee, which is not wrapped. Most importantly, I know for sure that the presence of God is in my room! I feel so delivered and clean this moment! The manchild is real! Jesus forgives!

Brian's Testimony Continued!

It is the following morning and my ankle is completely healed! I also have the feeling of "go and sin no more," lest something worse overtake me!

Also, last night (when I first put the prayer cloth on my ankle, there came) flooding and lightening and thunder, louder that I have EVER experienced! I am telling you the truth!

It is not the cloth! It is the manchild, Linda's prayers and God on this cloth! Listen! I am fearful! The things I have experienced since last evening trump (exceed) the healing! This woman is no joke! I will be sure to send a little tithe of my increase to show my appreciation so that others can be blessed! Thank you for being so richly set apart!

Brian's Testimony Continued!

I am truly delivered from the masturbation stronghold! Usually, I might go ten days and fall once, but recently I was falling daily! This is what I mean! I am back in my zone (back to right living) and the sense of hopeless battle has been removed. I have a renewed desire to fight the porn sites! Hallelujah to (for) the anointed cloth!

Blessed Brian! He tells me that he has been delivered from this long-standing sin, and that he no longer has desires or thoughts regarding such sins! Glorious God that we have! May we all lift up the Mighty Name of Yahweh, Most High God, and may we continually praise and glorify our Saviour, the very Love of our Lives!

### The Love of Jesus for the Addicts!

My Dear Ones, I so often pray for the addicts the world over! For, I was once addicted to alcohol; and our Father set me free over 20 years ago! I know that only God can set anyone free of addictions; for all addictions are fed and controlled by demons!

No one ever stands up in school and says, "I want to grow up to be an addict!"

And, no one can ever know if they will be addicted to a certain thing! But, when the addict partakes of this addictive substance, whether a drug, or alcohol, or porn, or gambling, or food, or anything else, such a one is then off and running hard into this addiction!

I have no doubt that addicts are born as addicts! Remember what I have told you regarding reincarnation, that reincarnation is true and this is the way for spiritual advancement for the souls and has been so since the beginning! For the latest information, which I have written regarding our Saviour's teachings of reincarnation, read Chapter 55 of Book Twelve of From the Mountain Prophecies!

Addicts try to keep secret their addictions and it is partly through this "secret" that the demons have an even greater hold! For any addict to be free, each one must face the addiction and so greatly desire to be free! They must plead with our Lord and God to be free, or they will not be free! But, there must first come honesty in one's heart about the addiction! To openly confess this sin is the very first step in becoming free!

My Dear One, porn addiction and other sex sins are sweeping the world! Millions upon millions are addicted to porn and are full of lust demons! Those, who begin their journey into porn and lust, do not see anything wrong with such sins and before they know what has happened to them, many cannot stay away from the porn sites!

 From The Mountain Prophecies Copyright 2009

Addiction to porn is a bottomless pit; for the addict is never satisfied with whatever the addiction brings. This leads to bolder and more absurd attempts to satisfy the demons of addiction and this is one great reason that we so often hear of such bizarre sex crimes!

My Dear Ones, our Father has put the power into these cloths to uproot and break the power of these addictions by freeing one of the demons, which feed these addictions. Through His great power, He is able to purge one's thoughts of such things and bring freedom from addictions, where there was no hope!

The Lord, Our God, surely brought such freedom to Brian and caused Him to submit his testimony, so that you, who suffer such things, would know that there is hope for you! Jesus loves you, my Dear Ones! He loves you the way you are, even and especially if you are full of every kind of sin!

And, I love you, too, my Dear Ones; for I was also once an addict! I have been in the midst of deep sin; and our Saviour made me free and keeps me free through His great mercy, grace, love, compassion and forgiveness. I can never thank Him enough, or love, worship, praise and honor Him enough; for He has made me free and keeps me free! Oh, Blessed and Glorious God that we have! Jesus came to set the captives free; and He wants to make you free!

Keep the testimonies coming, so that the faith of the weak may be strengthened, and so that our Mighty God might be glorified in all of the earth! Lift up your voices, my Dear Brothers and Sisters, and praise Him mightily! Glorify His Holy Name; for He is worthy of all of the praise, all of the glory and all of the honor, forever and ever!

Sending much love to you all,

Your Sister through our Blessed Saviour,
Linda Newkirk

# CHAPTER FIFTY-ONE

## "Three Rings within the Sun"

"Rise up, oh blessed daughter of Mine! Hearken unto Me! Listen carefully to My words! For, I am your Father! I am your Maker, Lord God Almighty, Creator of All Things, Yahweh, Jehovah, Most High God!

Look! My Little One, what do you see? What do you behold?"

"My Father, I see, as it appears, a sun! And, this sun is full of fire! It is also divided into three, separate divisions by rings within rings, those three rings making three concentric circles.

And, then, my Lord, I am in the midst of the rings in the midst of the fire of this sun. And, I hear great crackling (sounds) as if this is coming from the fire; and hissing sounds, also amidst all of this, a great roaring sound. Oh, Father, it is as the great roaring sound of the tunnel, through which You sent me to get the soul of a loved one, and to bring this one back to her body, so that her life might be extended.

And, amidst this roaring and this fire, there you are oh, Glorious Saviour! And, You stand before me, while I sit now at a small table before You!

It is a table, which is prepared for one and before me is a plate, a most beautiful, white plate! And, on the plate, I also now see three divisions, yet these divisions seem to be of spirit, for they come and go from the focus of my vision, with the three divisions visible and then only the white plate visible. And, there beside this white plate is a fork and a spoon of pure gold and a chalice of pure gold. And, on the plate also is food, but only one big amount of food, which also fills the three divisions, which are on the plate.

 From The Mountain Prophecies Copyright 2009

And, in the chalice, I see clear water, yet when I look again, I see water of fire. So, it is both clear, and then also water of fire! And, when it is clear, I can see that it is very deep water and that it goes down into very deep and narrow wells, which separate out into other narrow passageways!

Oh, I so long to leap into that chalice and to swim these deep and narrow waterways! For, I know, My Lord, that these are very deep springs of You! Oh, Blessed Saviour, I love You so! You are my delight! You are my portion, and you are the love of my life! I so long to marry You; and I so long for the day when you will come for me and Your beautiful, little Son, and for all, who also love you above all! Oh, Blessed Saviour, we hunger for You! Oh, how we love You, oh Beautiful and Righteous God!"

"My Little One, do you know and understand about the sun, which is divided into three parts?"

"My Lord, I believe that this sun, which is divided into three parts, represents three years! Three years for the manchild spirit, Your beautiful, little Son, to be in my body! And, when these three years are up, you will surely do something awesome as regards these works, and also for your faithful, loved ones. For, I see the three circles and then I stand in the fire, amidst the roaring tunnel and there you feed me and water me!

My Lord, what are these three divisions, which are on my plate?"

"My Little One, these three divisions represent three distinct harvests; and these three divisions also represent (three) groups, which I will also take with this first harvest!"

"My Lord, why is this on my plate?"

"My Little One, it is on your plate; for you will be first among these three groups; and as far as the three harvests, you will be in the earth to see them all! For, they are all tied to your physical body! For, your physical body is tied to the portal, which leads to the throne of God! And, when the time is right, I open up the portal through which you and these others enter! Do you understand?"

"Yes, my Lord, after so many years of being (physically) tied to these portals, I understand! So, My Lord, this means that I will be in the earth for all of the remaining time of the last seven years?

"You will be there, but soon, you will get a supernatural body; and soon you will be able to travel this portal to go up and down as guided by My Spirit.

Yes, My Little One, many, who are worthy are about to follow you! And, a goodly portion of these will come back and will also live in the Earth! Others will go back and forth and will stay in the Earth for varying amounts of time as visitors! Others will stay with Me and will not go down or come up! For, they will stay herein!"

"So, My Lord, many surprises are at hand for Your people!"

"Many, indeed! And, great suffering and great persecution is at hand for the rebellious and for My sleeping and lukewarm house!"

"My Lord, I know that this must surely be close! For, on May 10, 2009, the manchild spirit, your beautiful, little Son of Light will be three years old! And, this will complete the three circles in the sun!"

"You have said it well, My Little One! May all look ahead and be the wiser!"

Type this and get it posted for My People!

 From The Mountain Prophecies Copyright 2009

My Dear Ones, it was in the early days of January of this year when our Lord and God showed me a relatively small number of marathon runners, who had crossed the finish line. At that time, I knew that these were part of the Bride of Christ, but as I looked around and saw such few numbers, I could not really understand what I saw. But, then, even as now, I so wanted our Lord to come. And, He knowing the great longings of my heart, showed me three Xs; and they were all standing. Then, I saw the first X fall, then the second X quickly fell and part of the third X fell away, leaving only about one third of the X remaining. Then, I saw the remaining part of the third X fall away, and thereafter I saw a green light.

I knew that these three Xs represented three periods of time, and was so hoping that they represented three days, but these days came and went. Our Saviour also gave me, at or near the time of seeing the three Xs, the vision of the sun, which was divided into three concentric circles. This was another confirmation that He was telling of the passage of three distinct timeframes before He would come. But, I so hoped that these would not be more than three weeks. And, it was shortly thereafter that He also gave the Urgent call for the Bride of Christ in Chapter Fifty of these works. Then, I knew that He would tarry a little longer; for there were many, who desperately needed to receive these words.

Thereafter, three months passed, and by this time, we knew that we were looking toward the three year mark. But, even so, may we all be cautious in getting overzealous in expecting something to happen on May 10 or even a day after, or a week after. For, in the vision of January, after I saw the three Xs fall, there was a short space after the three Xs and then the green light. So, I feel that there may be a little wait after the manchild turns three years old, but I do not expect a long delay.

His coming for His Bride could be tied to the Feast of the Firstfruits, but there are several conflicting dates regarding the timing of this Feast. I have been made aware of one of these dates as being in July of 2009 and another in late May of 2009! So, my Dear Ones, it is for us to be vigilant and to stay in deep prayer and walk a spiritually clean walk before our Lord and God, repenting daily and loving and praising our Mighty God every day of our lives! For, He is surely about to come for the first harvest

and then, my Dear Ones, terrible things will come to pass in the nations and all over this world!

May we all walk in fear and trembling before our Mighty God; and remember that we are as dust is to dust, and be humble, walking daily in obedience to his commandments. For, He is Almighty! He created all things! Make Him the Love of your Life! For, He is indeed the very breath of our breath and the very life of our life!

Read chapter fifty-two for His dire warnings for this rebellious nation!

Sending much love to you all!

Your sis through our Blessed Saviour,

# CHAPTER FIFTY-TWO

## America, the Whore of the World, Your Hour of Great Judgment is at Hand!

Rise up, oh Blessed Daughter of Mine! For, I am Your Father, Your Creator, Yahweh, yea Jehovah, Most High God! My Little One, do you see what is before you?

Yes, my Father, I see a great sword, a very great sword, indeed; and it is full of fire! And, it is sharp, very sharp, very big and bright! It is Your sword, oh Blessed Saviour; and it is in Your hands! And, it strikes America! Right down through the middle of the nation it goes and with it a roaring fire! Here and there, all across America, then goes forth this roaring fire!

I cup my ears; for I am trying to discern what You say, oh Blessed Saviour, amidst this roaring fire!

My Little One, these are My words! Oh, America, you grievous nation, full of every evil, foul and devilish thing! I am against you, oh America; and I shall divide and separate you, oh America! I shall divide and separate the righteous from the unrighteous; the pure from the impure! And, once I do this, I shall give you over to the sword! I shall give you over to the famine! I shall give you over to disease and to the dividing and conquering armies!

For, I am against you, oh harlot daughter of Mine! I made you great oh America! Oh, House of Israel, I gathered you from among all nations and I gave you a home, even as I had promised you! And, I prospered you and blessed you above all nations! You rose up in your power and you set yourself up high! You robbed! You raped! You pillaged, and you intermingled yourselves with evil and whorish gods! You allowed those whores to rise up to positions of great power and to overrun and to take away all of your rights, one by one! For, in your silence, you agreed with their whorish ways!

And, in the privacy of your own homes, you catered to every kind of filth and every kind of evil and abominable thing! You have loved violence! You have loved fornication and adultery! You have robbed your children of their innocence; for you have fed them sex and violence! You have shed innocent blood and have delighted to kill your babies before they could be born! For, you wanted the freedom of every abominable practice of the flesh and you have loved money and all that it could buy!

You have made yourselves slaves so that you could have two, three, four and five cars and could live in big houses, though your nation and individual families are laden with debt through exorbitant usury!

Your have lain on your backs and have been the world's whore! You have polluted My churches with the strange fire and with feel-good messages and sermons! And, you have hated and despised My prophets! You have mocked them and you have scorned them and have thrown them out of your midst!

Now, comes your time, oh America! Your time of great judgement at My hands! For, your great and abominable sins are come up and constantly in My face! And, I shall heap upon your heads the evils of your works!

And, I say to you, this shall not be put off! For, even as I tell you these words, rest assured that My great judgements against you, oh House of Israel, shall not be put off! For, I shall put a hook in the noses of your enemies; and I shall drag them forth onto this nation!

I shall surely raise up Russia, China, an Arab alliance and even many other nations and they shall make war against you! They shall overrun you and they shall sorely grieve you! Your losses shall be great indeed; but they will not totally devour you!

A famine, a sore famine is upon you, oh wicked and backslidden daughter of Mine! For, you say, "I am fat, and I am happy and no evil shall come upon me." But, I say that you are blind and you are naked and the whole world sees your nakedness and will exploit your nakedness!

 From The Mountain Prophecies Copyright 2009

You say, oh America, “I am comfortable in my home! I am comfortable!” But, I say that I shall sorely grieve your comfortable lifestyle, for a loaf of bread shall be sold for $10.00 and then for $20.00, and where then will be your comfort? Will you not eat your own children? Will you not kill and eat your own family members? For, I have blessed this land! I have given you plenty and you have played the whore with every passerby and with every stranger!

And, you, in your churches, who comfort yourselves in your holier-than-thou attitudes, woe to you, you proud, haughty and arrogant preachers! For, I shall drag you down off your pedestals! I shall pull down your high looks! I shall lay you low and black-booted thugs shall run across your backs! The execution gallows shall await you! For, the enemy will utterly burn your churches and will bring down your high looks! For, you have lifted yourselves up and you have made yourselves as gods over your little kingdoms! You mock My true prophets and throw lies against them! And, you rise up in your arrogance to bring My true servants to shame! But, I shall bring you to shame, oh proud, haughty and arrogant preachers! For, I shall clean remove you and hell’s pits shall be filled with you! For, you will not stand in My face! Oh, you proud and haughty preachers of My word! For, I have looked and I have seen the insides of your shirts and this insides of your trousers! And, you are but dead men, full of maggots, and putrid and grievous sores!

Oh howl, you breadbasket of America! For, I shall upset your corn fields! I shall lay waste to your wheat fields! I shall cripple your farms of plenty! For, I shall loose the destroyer in your midst and what he does not destroy, war will destroy! And, what war does not destroy, the pestilence will destroy!

Woe to you with babes, who suck at the breasts! For, I shall dry up your breast milk! Oh, how you have bragged and taken confidence in your birth control, in your abortions, and in your dry teats! I loathe all that you have done; and you have done it to hoard unto you stuff and money and to parade your filthy sex in your bedrooms! (It is) even far worse among man and wife than what many see in whorehouses and harems! Oh, you wretched women! How you have "slutted" yourselves! And, you have made your children all the more like you! Therefore, your breasts shall sag and hang

low! Your sucking babes shall perish in your arms; for you have prided yourselves in the killing of the innocent unborn! You have shed innocent blood, that I hate, and I shall now require it of you, oh harlot nation!

Yet, even so, I will not totally destroy you, (America)! However, I will diminish you; and I will debase you! For, My wrath is great indeed against you!

And, oh that you had listened! Oh that you have paid attention to what this servant of Mine has told you about the horrific, Satanic, other-worldly technology, which will be used against you! But, you mock, oh you nation of mockers! And, you scorn, oh you nation of scorners! And, now you shall be thrown headlong and quickly so into a hellish technology that is so horrific that many of you shall simply vanish in the midst of this technology! For, it is a combination of two different worlds! And, many will be sucked into another world from which you will not get free! And, neither will there be any to hear their cries! For, you have despised the Only One, who could help you!

Oh, weep and howl, oh you nation of America! For, I have marked you and I have set you for destruction! A great destruction indeed! For, I have warned you and warned you and warned you for many, many years and you have overwhelmingly turned a blind eye and a deaf ear! Do not expect this to be put off! It will not be put off, but is now in your very face!

I am your Creator, your Father, Yahweh, yea Jehovah, Most High God!

EXODUS 6:3 “And, I appeared unto Abraham, unto Isaac, and unto Jacob by the name of God Almighty, but by my name JEHOVAH, was I not known to them!” King James version of the Holy Bible

Did our Creator not come in the flesh as Jesus, that we might all be saved! But, as such, He showed only a very small amount of His power, for He clearly came as a servant, to save, and not to judge or condemn. But, beware; for He now comes with the sword; and He is going to thoroughly clean the threshing floor!

In love for you and in love for your Loved Ones, I warn you now to repent, or perish! For, many will soon die in the coming fires!

## BOOK TWELVE PART III

## CHAPTER FIFTY-THREE - PART I

### The spiritual condition of the churches in America ;

### The economic and military condition of the USA ;

### Great Treachery among the leaders of this nation!

My Beloved Child, I am your Father, Yahweh, yea Jehovah, Most High God! Sit and write as I tell you today, that My people may be the wiser, not only in this nation of America , but in the whole world! My Beloved Child, my Precious Little One, what do you see?

My Father, I see a farm implement, a disk, a big plowing device, which would go behind a very large tractor! It sits in a field, which is overgrown and full of many weeds, even young saplings! And, the circular disks on this plowing device are rusted, extremely rusted and decayed from the weather and the elements! So much so, that the plow is in such extreme decay that it is no longer usable for plowing! For, in such a corroded state, these disks on this plow would fall apart once put into the ground and pulled behind a tractor! Truly, one could not plow a field with this device!

My Father, this disk has been abused, neglected and thrown away! Someone has not cared about it! Someone has not maintained it, and has been very wasteful with it! For, such a plowing disk is quite expensive! So, the disk has been thrown out to rot and the field is overgrown with many weeds and young saplings! Soon, it will no longer be a field for growing crops at all; for the saplings will become trees and will overtake the whole field!

And, also Father, as I stand here beside this plowing disk, I catch a smell of something dead! I look ahead to see that vultures are circling and then I step back from the plow to see what the vultures are desiring to eat! Oh, I see it now! And, not far away at all,

 From The Mountain Prophecies Copyright 2009

just at the edge of the field, perhaps the length of a football field away! It is not far and I can see the dead cow and oh what a stink! And, even from this distance I can see the cow on its back with its legs raised straight up! Oh, I can see it well even from this distance! The belly of the cow is hollowed out! And, now Father, you are allowing me to see it up close, even as with microscopic and telescopic vision! And, its eyes are also hollowed out! Its teeth are badly broken, or missing! This is a strange site for even a dead cow! Yet, I look, Father, and on the side of this dead cow, I see that it has been branded! The brand on the side of the cow reads, " USA !"

Then, as I glance a little behind the cow, I see an old man! He is dressed well, but his beard is scruffy! And, in his hand is a very old gun, like those, which were used in older days of America , which must be manually packed with ammunition! It is like a musket gun! And, this man points this gun at the cow, which is obviously already dead! Father, this makes no sense to me!

No, My Little One, it makes no sense to you now! For, you must be quickened by My Spirit and given understanding regarding this vision! My Little One, this field is My church in America ! The plow is My Spirit in My churches in America , or should, I say the absence of My Spirit?

The dead cow is America and the well-dressed man, who watches over the dead cow, but uses an old out-of-date gun is the military of the USA!

My Little One , America has been gutted! The eyes of this nation have been put out! Your teeth, your military and industrial might, have been plucked up, squandered, pillaged and broken!

My Little One, America is a dead cow! They churches are dead and have no spirit! They do not operate in the gifts of My Spirit, except in very small numbers, who are scattered here and there! There is no real plowing of My spiritual fields! My prophets have loved the smooth things and will not tell My people the hard things!

This is the state of this nation! Look beyond the old man with the outdated gun and tell Me what you see!

My Father, I see Bill Clinton and I see George H.W. Bush and they stand over a group of Chinese and Russians and those from other oriental nations and also what appears to be Arabic, or other dark-skinned people! Then, I hear George H.W. Bush say, "The whore is yours! What will you give me for the whore?"

Then, one, who is oriental, a big man, but whether big in stature, or in power, or both, I cannot tell! But, this big one says to George H.W. Bush! "Here it is! A first strike, that will wipe out all major cities, all major hospitals, all major fuel depots, all major shipping centers, and all major airports! We will give you this with rapid speed and you will keep your lives! You will keep your families! You will keep your possessions and you will rule the world with those, who are so appointed to rule! When the whore is gone, we will all eat her flesh and drink her blood, what is left of it!"

Then, I see George H.W. Bush and he takes out a red playing card! It is a red ace of spades and he puts it into his left, front coat pocket and as it goes over his heart, I hear him say, "Better red than dead!"

Oh, Father, what evil and what treachery!

This is so, My Little One, and the final nails are being driven into the coffin of this nation, even as you write these words! A quick strike is being prepared for America and these are the culprits!

Father, what would you have me to do?

Write as I say and do as I say! Many are pleading for more time, yet time is running out for this nation!

Father, I have so waited for you to finish these works and to bring in the next phase of these works! I so hoped for you to take this little manchild to your throne on the Feast

 From The Mountain Prophecies Copyright 2009

of the First Fruits! Father, what can I expect and what can others expect, that is the faithful, Father? What can they expect?

My Little One, oh how I would have liked to bring forth the fullness of My promises at this time! But, unknown to you, many are praying and fasting for more time! My Little One, more time for humanity means more suffering for you!

I have carefully weighed all prayers and have considered all things and will grant a little more time for the salvation of more souls and for more genuine warnings to go out! But, a little more time (only)!

**My Blessed Child, I am going to do something grand for My Faithful, for My Tried and True! I am going to begin to release the manchild spirit into some of them, here and there throughout the whole world! For, when you went into the light on Resurrection Day, He also went into the light! Gifts from herein have been added unto him and unto you, even yesterday when I visited you, on the Day of Pentecost! Therefore, even as I promised you in the earlier writings, I am going to begin to release the manchild into some, who are here and there, all over the world!**

**My Little One, I will impart him supernaturally to those, who are ready to receive him and also to those, who deeply long to have him! Things have taken place in the spirit, mighty things regarding the little manchild! And, even though you do not understand the nature of all that has transpired, just know that much has happened! A certain timing had to pass and once this was passed, I was then able to bring forth certain elements into the manchild, which you are not aware of and neither do you understand this!**

I regret to tell you that your time of suffering will go on; for I am giving more time! And, (this is) all because of the fasting and prayers of others, many of whom are on the other side of the world! My Little One, I promised that you would see the salvation of the greatest numbers of souls and because you asked for this, and I promised this, your suffering will be far greater than that of any prophet, or any apostle, ever! I am

true to My promises, and to whom I give much, I also expect much! Therefore, your suffering will go on, even for some time yet, but from day to day, I will increase My power in the manchild!
Continue on in My work and be not troubled! But, remember in all things that I am first a God of great love and mercy and I do not delight in punishing My people! But, will plead with them even until the very hour of destruction!

I am your Father, Yahweh, yea Jehovah, Most High God!

### The spiritual condition of the churches in America ;

### "The Deep Waters!"

My Little One, oh Blessed Daughter of Mine, come unto Me, My Beloved, that you may drink of My deep wells and springs! For, you so hunger for the deep things of Me, and in this, you will not be disappointed! My Little One, get on your face and lap up My deep water, even as a thirsty, little lamb! Drink, for you thirst for Me; and I desire to water you!

Oh, my Father, this deep water smells so lovely, like the deep aroma of lilacs, or perhaps gardenias! And, oh so lovely it is to drink! For, these are sweet waters, Father! They are pleasant to behold and pleasant to taste!

Yet, I have more for you, My Little One! Take this tablespoon of liquid at My hands; for if one drinks of these deep waters, one must also take a tablespoon of bitterness!

So, I take the tablespoon of bitterness and it seems to be very caustic in my mouth, something like the effect of eating a green persimmon! Oh, my Father, to drink of these waters is so lovely, but it almost seems that I must also be punished for drinking of these lovely, deep waters!

My Little One, most of My prophets like to drink of the shallow wells and they are happy with the shallow wells and I just allow them to go on and be happy in their shallow walks! They drink of the shallow! They walk in the shallow and they shall soon pay a great price (for their shallow walks)!

But, you, My Little One, desire to drink of the deep wells of Me, to swim in the deep wells of Me! But, to do so, you will pay a bitter price! And, you pay this price every day of your life, by the day and by the night! So, you drink and you pay!

This is alright, my Lord! Far better for me to pay in this way and to be in the midst of your deep and holy walk, than to pay later in a drastic and unexpected way! Even if my burdens are great and my price great, my Lord, I still wish to drink of the deep wells of You and to swim these deep wells (of You)! And, to climb the heights of You and to travel the breadths of You, my Beautiful Saviour! For, You, oh Lord, are the love of my life! You are my heart's desire! You are my morning joy and my cup of delight all through the day! You are my solace in the darkest of nights and my place of refuge in the midst of the violent storms! Surely, oh Blessed Saviour, You are My all, the very Source of All Things, the Blessed Creator of all, the Beginning and the Ending! Oh, Glorious God, I so delight in You! I so cherish You, even above all, I cherish You! For, You are my portion and my heart is after You, oh Cherished Saviour! Whatever Your will, whatever Your desires for me, I so want and desire to do! For, in me, I wish no speck of darkness, but to be a radiant chalice of pure light in Your hands! Therefore, oh Beloved Saviour, thy will be done in my life, even as it is done in Heaven! And, in this Earth, Your Precious Kingdom come and Your perfect and holy will be done! I love You so, oh Blessed Saviour! Oh, Love of My Life, how I love you!!!!!

My Little one, what is it that you walk on?

My Lord, it is a measuring stick and it is short and very straight!

Yes, it is a measuring stick and you are walking on my measuring stick of righteousness! This is My standard, My Standard of Righteousness that I raised up in the whole Earth! And, this Standard is My Son, the manchild of Revelation 12! He is the standard that I raised up in the Earth after I, Myself, caused the flood, (the evil Dragos) to be sent after you! I threw them down from the Upper Realms! I caused this flood to come after you! And, I caused the Earth to open a mouth (the interdimensional portal) and caused them (the Dragos) to be swallowed up! Then, I raised up the Standard of Righteousness! My Little One, I have put in you this Standard of Righteousness, this standard of holiness, and this standard is the little babe of Revelation 12! This is the standard and I have placed you on this narrow walk of holiness and I have caused you to walk it, that My words concerning you and concerning Revelation 12 and all, who

 From The Mountain Prophecies Copyright 2009

would follow, would be fulfilled! For, through Revelation 12, much is being fulfilled in the Earth!

My Lord, is there something more, which I should know about drinking these deep waters, and about this bitter spoon?

Yes, My Child, there is something, which you should know! You have paid a terrible price to drink of these deep waters and you will pay a terrible price for a while yet! Few in this Earth are ready to drink of these deep waters, for they do not wish to pay a terrible price! Yet, My Little One, you are one, who has earned this right and I gladly now water you from these deep waters! Much that has been withheld from you, will now be given freely to you! For, My Blessed Child, you have had to enter into a wilderness place, so that My work could be done in you and so that the little manchild could get to this point! And, I will keep you in this wilderness place for now, but of many deep things, I will now feed you and water you!

Be of good cheer! Be glad, My Little One, that through great travail, through great hardships and suffering, I have brought you to this holy place in Me! And, as such, My Precious Child, I am jealous for you! Rest in Me and be at peace in Me; for I fight all of your battles! I am Your Father! I am your Saviour, and I, too, so longingly await that day of marriage to My Beautiful Bride!

## CHAPTER FIFTY-FOUR - PART II

### "Father, how will they receive the manchild?"

Oh, Blessed Father, I come back to You with questions, and I pray, oh Blessed Savoiur, that You will answer my questions, not for myself, oh Blessed God, do I ask, but for those, who will receive the manchild. Father, how will they receive the manchild?

My Little One, those, who fast and pray, who also live righteously before Me, will receive the manchild as I deem them ready to receive him! For, those, who hunger and thirst after holiness will walk in holiness! My Little One, the manchild, the babe of Revelation 12 is holy! He is My Son and none will bear him, will have My Son inside them, except those, who choose a walk of holiness! They must love Me above all and desire holiness and righteousness and must live clean lives! I will impart the manchild spirit to each one according to his or her spiritual readiness to receive Him! My Little One, the manchild spirit will go out from you, My chosen vessel in the Earth! You will not need to visit them, though you may visit some! You will not need to touch them, though you may touch some! My Little One, I will cause the transfer of My Little Son from you to these, as they are ready to receive Him!

Father, how will they know if they receive Him?

How did you know, My Little One?

Father, I saw You and I saw the little babe in Your hands and You gave Him to me! You put Him first in My arms and then He grew in my body!

So, it will be with them! Some will see Him! Some will hear Him! Others will sense Him! But, all will know when they receive Him, if not immediately, soon thereafter! They will see His fire! They will know His fire and they will walk in His fire! And, this fire will also grow in those, who desire My holy walk!

 From The Mountain Prophecies Copyright 2009

Father, will some receive Him, who choose holiness, but do not even know of the manchild?

Yes, some will receive Him in this way and they will perceive that they walk in a new kind of power!

Father, would this (the receiving of the manchild) be considered to be part of the Latter Rain?

Yes, part, but not all!

Father, what more should they know, that is, those, who desire the little manchild?

They should love Me above all, obey Me, walk in righteousness and fast and pray for this impartation!

Will he (the manchild) be imparted from one to another also?

Yes, this will also take place, but not much of this in the beginning stages!

Go in peace and know that all of this is now at hand! I am your Father Yahweh, yea Jehovah, Most High God!

Blessed Saviour, I have a few more questions! Will You please answer these questions of my heart?

Yes, My Little One, I know your questions and I will answer them now! Yes, Satan, who now stands in your face, will seek to find these, who have the manchild spirit! When he finds one, who has the manchild spirit, he will do to that one, what he has done to you! He will search the heart of such a one to look for anything false, for any kind of vanity, pride, or for any other kind of weakness, that he can exploit, or create a door through which he can thereafter enter through to tempt that one! He will also begin to use this terrible technology against that one, all in order to cause great suffering and

hardships, to cause such a one to give up in his or her spiritual walk! He will stalk these as he has stalked you and he will also begin to make war against Christians all over the world, all in order to kill many righteous ones and to stop them from getting the manchild spirit! Those, who persevere in righteousness, will see the manchild grow in stature and in power in their bodies! But, if they fall and do not repent, the manchild will shrink until he disappears and goes back to The Source!

Father, will Satan be able to steal the manchild in this way? For, he wishes to steal him and he has tried to steal him!

He will not be able to steal Him, for I will not allow him to steal the manchild spirit! But, through his great assaults and temptations, he will cause some to lose the manchild, once they get him!

Thank You, oh Blessed Saviour! Thank You very much for sharing these things! But, I have one more question, oh Blessed Saviour! Will Satan be able to kill any, who have the manchild spirit?

For, those who have the manchild spirit and who walk in holiness and continue on in holiness and righteousness, Satan will be unable to kill them! He will be able to torture them and to persecute them, but he will be unable to kill them! Go in peace, my Little One, for this is My work and I will send the manchild to whom I so please! This work shall go forward; for I so determine it! I am your Father, Yahweh, yea Jehovah, Most High God!

## CHAPTER FIFTY-FOUR - PART III

### "For, I am Creator! I am holy and holiness calls unto holiness!!"

### "The Impartation of the Manchild Spirit, the Son of the King!"

My Blessed Child, come to Me on bended knees, and with a spirit of fear and trembling; for I am Most High! I am Creator of All Things!

My Little One, do you know what "hearken unto Me" means? It means to hear Me deep within your soul, deep within your spirit, even with fear and trembling! For, I am Creator! I am holy and holiness calls unto holiness! Deep calls unto deep!

My Little One, My call now goes out to My people! My call goes out to My true Sons and Daughters and it is a call unto holiness! My Blessed Child, My Little Son, the Babe of Revelation 12 is about to go out to My people! He is about to take up residence in My literal Sons! For, even though they be women, and receive the manchild spirit, they are My Sons manifest, the Sons of God manifest! For, within each one is My very own Son!
My Little One, you are their spiritual mother! You are the spiritual mother of the Sons of God in the Earth! For, if there were no manchild spirit to take up residence in them, this manchild being My very own Son of Spirit, there would be no Sons of God in the Earth! None could be My literal sons if they did not have My very own Son of Spirit in them! Understand?

My Little One, it is time for the Sons of God to manifest and I will cause them to manifest! But, may all know, may all understand that none could or would manifest without the presence of My very own Son inside of them! My Little One, you are the spiritual mother of the Sons of God; and you are the very first Son of God manifest! For, my very own Son lives within you!

Blessed are you, My Little One; for you have stayed the course! Amidst terrible persecution, alienation, mocking scorning, backbiting, slander, hate, malice, daily

persecution and torture, you have stayed the course! I have made your bed hard and I have given you a walk of briars and thorns; but now, My Beloved Child, now after so many years of suffering and pain, all of your travail is about to pay off!

My Little One, I will exalt you! I will exalt you high and put you over My people, even on My right hand! For, you have daily laid down your life for Me! You have daily picked up your cross and you have born your burdens amidst great heartache and suffering! My Little One, I will cause this work to be remembered throughout the eternities! I will make a name for you, my Blessed Child; for you have daily died to self and to the things of this world, so that I could live and grow in you, even through My very own Son of Spirit!

I shall send a cloud of shame, My Blessed Child! I shall send a cloud of shame upon all, who have mocked and scorned you! I shall send upon them rivers of tears, for they have crucified Me anew through the work, which I have brought forth through you! Rivers of shame shall flow over My people in South Africa, as they have overwhelmingly deserted you! They have become a nation of mockers and scorners, of backbiters and liars! Rivers of shame shall overflow them; and they shall greatly regret the knives, which they have stuck in your back!

And, you, oh America , home of My Beloved Child, of My very own Son of Spirit, you have behaved as badly, or even worse that those in South Africa! Your numbers are exceedingly greater and your river of shame shall be far deeper and far wider! For, you have seen what My very own daughter, this servant of Mine, Linda Newkirk, the Woman of Revelation 12, has endured! And, you have joined yourselves together to mock and scorn her, to throw stones at her, to throw shame and sorrow upon her, which she did not deserve to bear!

And, from such a nation of great numbers indeed, from week to week, from month to month, so very few of you have lifted even one finger to help My servant Linda Newkirk with these works, whether financially or otherwise! But, you have joined forces, one with the other, to put a foot in her back and a fist in her face!

 From The Mountain Prophecies Copyright 2009

Oh land of plenty, how you have hoarded your blessings unto yourselves! How you have hated and despised My works of Revelation 12 through My true servant, Linda Newkirk! Oh, how you shallow, arrogant, and false prophets have banded yourselves together, one with the other, and you have thrown your lies against My servant, Linda Newkirk! Rest assured that none of you will receive My Son, the manchild of Revelation 12, unless you weep and howl for your sins! I shall pass you over oh South Africa and I shall pass you over oh America ; and few of My Sons shall be manifest in you, save you look upon your sins and repent with great weeping and sorrow!

Where were you, oh America , when you saw the suffering, the torture and the persecution of this one, My servant, Linda Newkirk? Oh, how you false friends and acquaintances scattered yourselves when you saw her torture and suffering! Oh, how quick you were to label her “sinner,” and “false!” Oh, how you fled; for you treasured your stuff! You treasured your things; and the Faithful Ones, who have remained, could be counted on less than ten fingers! For, you false ones, you fake ones, you users and abusers fled and you joined forces with the persecutors, with the liars and with the servants of Satan! And, you have stayed away! These years, you have stayed away! But, I have reserved unto Myself a few Faithful Ones, and these have remained steadfast! They have remained faithful to these works and these few have provided financially for My faithful servant, Linda Newkirk! And, she has not wanted! I have seen to it!

Yes, you have trampled My true servant, Linda Newkirk! You have stomped her into the mud and you have trampled her! But, even so, I have never deserted her, but have always been with her! And, My Servant, Linda Newkirk, has lived a most miraculous life! Now! I say, NOW, I shall lift her up! I shall exalt my servant Linda Newkirk; for I desire to do so! I shall exalt her in the Earth and I shall exalt her throughout the eternities! For, she and she, alone, has born My very own Son of Spirit! And, to bring him forth and to make him ready to be birthed into My very own Sons, she has had to walk daily and to live daily in the very midst of hell, itself! Oh, yes! This have been her walk, but even so, I have been with her in the midst of the very hell, which I put her in! And, now My work through her will bear mighty fruits, not ten times more, not 100 times more, but billions of times more! Yes, a mighty fruit is about to be born through these works

of Revelation 12, the birthing of My very own Sons into the Earth, even My Kingdom Come and My will be done!

Humble yourselves, oh My Children and make yourselves holy habitations! For, My Son will indwell only holy habitations! Separate yourselves out of the world! Go each of you, into your own wilderness places, so that I can commune with you in deep ways! For, deep calls unto deep! Holiness calls unto holiness! For, it is "HOLINESS UNTO THE LORD!" It is holiness that I give and holiness, which you must give back! Make yourselves ready, oh My Sons; for holiness calls unto holiness!

I am your Father! I am your Saviour, yes Jehovah, yea Yahweh, Most High God!

# CHAPTER FIFTY-FIVE

## Many Perish For Lack of Truth!

**"And, ye shall know the truth and the truth shall make you free! Jn 8:32**

Greetings to you, my Dear Brothers and Sisters; and in the Name of our Glorious Saviour, I send you much love, hoping that all is well with each of you and that you are busy preparing spiritually for the soon coming of our Blessed Saviour for His Bride!

I thank those of you, who have come forward to help with these works; and I so thank those of you, who have taken an interest in these anointed cloths, some of you sending funds to help send them out and a few of you sending a considerable number of white handkerchiefs!

Merciful and Great God that we have! He sees your good works, my Dear Ones! He knows; and He will bless you accordingly! Big hugs to you all! I am sorry to say that I am behind on my correspondence! So much is going on all of the time and I am frequently so very tired from so many assaults from Satan and the wicked ones through their terrible technology! So, if you have written and I have not gotten back with you, bear with me! I am hoping to catch up soon with my correspondence!

Many, many of these cloths have now gone out and I am writing an update on some of your testimonies regarding your blessings from these cloths! You will be able to read of these latest testimonies soon in Book Twelve, Part V of Chapter Fifty! I hope to finish this shortly and get it to you, so keep watching!

**Whoso privily slandereth his neighbour, him will I cut off:**

**him that an high look and a proud heart will not I suffer. Psalms 101:5**

My Dear Ones, for some years there have been wild and slanderous accusations leveled against me by certain parties; and as time goes on, these accusations just get more

and more absurd! Usually, I just ignore these bizarre accusations and go on with my life; but I also realize that these wild accusations of a few hate mongers have also affected many of you in a very adverse manner! I know that many read what these purveyors of hate and libel have to say about me, Linda Newkirk, and do not know what to think as I seldom respond to their hate!

However, in spite of all that they have done to destroy me and these works, I have no malice or hate in my heart towards them, but surely pity, for if they do not repent, the fires of hell will surely be their inheritance! For, these liars and purveyors of half-truths, distorted truths and misinformation will surely pay a heavy price for their deliberate attempts to destroy the works of our Father and for scattering His sheep! "… and all liars will have their place in the lake, which burneth with fire and brimstone …" Rev21:8

Therefore, my Dear Ones, I am taking the time to address, at least, some of these vicious lies and liars in hopes that, if you are one, who has believed these liars and lies, that you will take note of the truth! For, many of you have not only believed such lies, but you have also spread them as truth, making yourselves also accountable before our Lord and God!

I hold no malice towards any of you in my heart; but only hope that you will see and know that truth, and also repent if you have been a vehicle for the dispensing of such lies! If you have been a vehicle for the spreading of such lies, whether in innocence or malice, our Most Merciful God will surely forgive you, if you repent! For, He is, above all things, full of love, mercy and grace, ready to forgive and faithful in every way!

But, be apprised as well, my Dear Ones, there exist those, who are hired by the intelligence services of the U.S. Government, whose sole directive is to stir up strife, to spread lies, misinformation, distortions and half-truths! The main goal if these Satanists, who employ them, is to cause dissention in the Body of Christ and to scatter the Sheep! Therefore, my Dear Ones, be wise; for Satan has been cast down and he is in a great uproar to steal your heavenly inheritance! Indeed, a great war is going on for your soul; and this war is replete with every kind of chicanery! Therefore,even more

 From The Mountain Prophecies Copyright 2009

than ever, it is now imperative that we all walk humbly and as little children before our Lord and God, even with fear and trembling!

My Dear Ones, my heartfelt prayer for each of us is that our hearts are filled with truth, love, forgiveness, faith, long-suffering and humility, that we may be found worthy to have the Spirit of God as our constant companion and friend, and that we may be found blameless before our Lord and God at the last day!

Now, I will proceed to address some of these most grievous of lies! So, read on …

### The Bold-faced, Slanderous lies, Half-truths and Misinformation of Pamela Schuffert against Linda Newkirk

For some years, Pamela Schuffert has recklessly claimed that I put a death curse on her! The truth of what happened is that our Father in Heaven warned her to stop smearing my name, to repent of her character assassinations and outright slander against me, or within about a month, she would die! During this timeframe, she accused me of doing witchcraft, and of doing this witchcraft on the Winter Solstice; and she continued on and on with her railing! However, by her own admissions, towards the end of the given month, she became very sick! I really do not know what happened, if and whether there was any repentance in the heart of this woman, but I do know that our Father had mercy on her! He spared her the very judgement, which He had spoken against her! For, above all, He is a merciful God!

My heart's desire is that our Lord will be merciful to Pamela Schuffert, still; and that she will not see the fires of hell! I truly do hope that she sees the evils of her ways and repents; for our Father's words are very clear about the fate of all liars:

"all liars will have their place in the lake, which burneth with fire and brimstone!"

It has been perhaps seven years or so since I, Linda Newkirk, last spoke on the phone with Pamela Schuffert, and as I remember, not on more than three or four different occasions did I speak with her. I must admit that I felt great compassion for her as I

felt that she was being victimized by government operatives and even sent her money to help with her expenses. But, it would only be later that I would come to know her viciousness and to become a victim of her baseless accusations and outright lies!

As I understand it from what I have read, and also from Pamela Schuffert's own admissions, Pamela Schuffert's father was a high-level Satanist in a position of considerable power in the U.S. military! And, it was within such a satanic environment that Pamela Schuffert brought up!

### How the Satanists Abuse their Children!

My Dear Ones, it is important that you understand what usually happens to these children, who are brought up in the homes of Satanists! They are most often severely abused, both sexually and physically; and this abuse begins at a very early age; and in some situations even while the fetus is still in the womb! And, often this abuse, which is inflicted upon them, is with the specific intent of causing a fracturing of their personalities, which may often result in Multiple Personality Disorder!

That the Satanists do this to their own children, is not fiction, but fact! Do your own searches! There is much information on the Internet, which has been written by those, who have either come out of Satanism, or attempted to come out! However, my firm belief is that few, few, few ever get out of the Satanism, which they were brought up in! For, through their various techniques of mind control, their wicked, satanic controllers always have a back door into their minds, and are thereby able to cause them to do their "secret" bidding!

What is the purpose of their using their own children to create Multiple Personality Disorders? My Dear Ones, those, who have multiple personalities, usually have one primary personality, but other personalities also, which are usually hidden, some manifesting only some of the time. And, those, who are skilled in mind control, are able to then draw forth the hidden personalities and cause them to do certain things, which the main personality may know nothing of! This is the ultimate kind of mind control!

 From The Mountain Prophecies Copyright 2009

Some have come forth, who were brought up in Satanic, CIA families; and they have revealed the truth of their lives! They have told their horrific stories, and so great, indeed, have been their travails and sufferings! I have known and spoken personally with two of these! They have so wanted to be free, but from my last conversations with them, they were still being stalked by their Satanic/CIA controllers!

Therefore, my Dear Ones, in spite of all of the lies of Pamela Schuffert against me, Linda Newkirk, I can only have pity and compassion for her and truly hope that our Lord and God will make her free of all of her satanic programming!

**Grievous Warnings to you, the Body of Christ!**

My Dear Ones, I have been under these kinds of satanic assaults for so long that these assaults have become irrelevant to me! I ignore them and go on with my life; but for the sake of so many of you, who follow after Pamela Schuffert and others, who are just like her, it is for you that I write this expose! For, much is about to happen in this world and it is extremely important that you come away from people, who have no other purpose that to divide the body of Christ and to scatter the Sheep of our Saviour.

You, the babes in Christ, and you, the poorly informed and the misinformed, have become their victims and you do not know any better! For you, I am writing this; for in and of myself I do not care what they say; as I know the Dark Source, who inspires all that they do against the Body of Christ! But, you, my Dear Ones, are the scapegoats in their hate and slander!

Remember: Most, who are brought up in such Satanic families, do not get free of their controllers, but become their property all of their lives! Again, I tell you this in great compassion for them; for this is one very great tragedy; and when you read what Pamela Schuffert has written about me, keep in mind her Satanic upbringing! And, be wise, my Dear Ones; for many come as sheep, but inwardly are ravenous wolves! They come in the Name of Jesus, but Jesus is far from them! They come boldly “to look out for your welfare,” but they are intent upon scattering and destroying the Body of Christ! By their fruits, you shall surely know them!

**Never trust, whatsoever, any government, intelligence operative!**

My Dear Ones, the Satanists are skilled at mind control and every one, who is of any standing whatsoever in this satanic order, is absolutely under some sort of mind control. Remember, as well, that all, who are in the intelligence services of the USA, and I am sure, also other nations, must agree to certain forms of mind control! Some of this mind control is much more severe than other kinds of mind control; and as I understand it, the level of mind control to which they are exposed depends upon the nature of their top secret clearances. For, this reason, I warn you now, as I have so suffered from these phony, caring CIA types, NEVER TRUST ANY KIND OF INTELLIGENCE OPERATIVE! Stay for from them! They will look you in the face with kind eyes and at the same time stab a knife in your back! They will pretend to be your friend and betray you in every sense of the word! My Dear Ones, they will always betray you for the benefit of their superiors; for they are under mind control and have sworn allegiance to the Satanists, who are over them, whether they are aware of this, or not!

**The Satanists are out to Control your Mind**

**and to take over your very heart! Indeed, to take over your very soul!**

But, be advised as well, that the amount of mind control, which is done on the civilian population, is mind boggling! Most are aware at this point that the “shooters” who go into the schools and into other places, and mindlessly kill so many, are most often under severe mind control! Television and movies are full of mind control, perversions and lies! The printed media is full of mind control, perversions, and absolute lies! Through the cell towers and through other hidden and occult means, mind control messages are rampant! Through the U.S. military’s spraying of the skies, they are poisoning the people and putting them to sleep. Through the drinking water, they are numbing the minds of the people through the dangerous poisons of fluorine and chlorine! At every turn the people are under heavy assault, whether it is through porn, which destroys one’ morality and leads the unrepentant soul into hell, or through prescription drugs, alcohol, cigarettes, or illegal street drugs. The traps are there for each of us at every turn of the road!

 From The Mountain Prophecies Copyright 2009

A great war is going on; and it has been going on for a very long time; and this war is for the destruction of your very soul! Wake up, my Dear Ones; for these wicked ones have infiltrated every avenue of truth! They have infiltrated the churches! They have infiltrated the social groups and clubs. They have infiltrated your very homes and your very lives in any and every way possible! The only way that you can even begin to understand, or to grasp this great war, which is being leveled at you, is to COME OUT OF THE WORLD AND ALL OF ITS TRAPS! IF YOU PARTAKE OF THIS EVIL AND CONTINUE TO CONSUME IT, YOU WILL DIE IN IT!

Hear me when I tell you, My Dear Ones, the sheer amount of mind control, which is done under the direction of the U.S. military is far greater than anyone would ever imagine; and they go after their enemies with a vengeance to totally destroy them! In their pursuits, they are relentless and vicious! This, my Dear Ones, is the nature of the Beast!

I can tell you a lot from the horrors, which I have experienced at their hands! I can tell you that for a fact, the U.S. military has the capability to pick up anyone that they so choose, via their antigravity machines, to drug anyone, and to subject anyone to mind control! I have written about their relentless pursuits against me; and I have also warned you that they are able to control the minds of most people! But, if your heart is right with God, if you walk uprightly before Him, He will protect you from their hideous assaults! They will not be able to control your mind, no matter what they do; for our Mighty God will bring you through their terrible assaults in victory every time! Blessed and Mighty God that we have! Glory to His Holy Name forever and ever! I love Him with a big love!

My Dear Ones, July 01 of this year marks 74 months since the U.S. military initially parked their antigravity ships in the air over my house and over my land; and they have been there since that time! They have followed me in all of my travels; and they have tried every scheme they could possibly conjure up to take me over, to kill me, to destroy my reputation through gross slander and outright lies, and to destroy these works at any and all levels! And, in all of their assaults they have been doggedly

determined and unrelenting! Yet, through the love, the grace, the mercy and the absolute power of God Almighty, they have failed!

### Why the Satanists are able to Control the Minds of So Many!

Remember, my Dear Ones: If your heart is not right with God and if you do not live right and according to the dictates of our Saviour, you will fall under their control, either partially, or totally, should they decide to come for you! What they do in their mind control, in conjunction with Satan and the wicked fallen ones, is to search your heart and to search your mind for fears, and for wrong behaviors, or hidden things (secrets) within you! Once they map out these things, they will get to work in controlling you and further enslaving you through your own fears and weaknesses!

Do not believe that it takes them a long time to put one under mind control! With their abilities to pick one up, carry one through the walls of their home and into their ships, (through their electromagnetic tube travel) it is easy for them to take anyone! With the use of strong drugs, they are able to quickly put one into a deep sleep, access all of one's secrets and fears and begin their work of breaking the will of the victim and beginning their control of the unsuspecting! And, I mean "unsuspecting!" Most will never, ever know that they have been picked up, carried off, and subjected to any kind of mind control, both because of the memory-erasing effects of the drugs and also because of post hypnotic suggestions!

My Dear Ones, THIS IS NOT SCIENCE FICTION, BUT REALITY! THIS IS WHAT THE SATANISTS IN THE U.S. MILITARY DO, WHAT THEY CAN EASILY DO; AND WHAT THEY HAVE DONE TO HUGE NUMBERS!

### What you must do to remain and stay free!

My Dear Ones, have no 'secrets" before God! Come clean before Him! Confess your sins to Him with weeping, tears and great sorrow and He will hear your cries! Jesus forgives, but you, my Dear Ones, must come out of the world and away from its traps; for the lures of the world are poison to the soul and the spirit! This is surely one very important reason that our Lord warned us to come out of the world and to forsake the

 From The Mountain Prophecies Copyright 2009

evils of this world! For, you will certainly fall captive to what is in and of the world, that you still love! And, sexual lures are one of their primary controls and traps! It is far better to abstain totally and stay far away from sex; for this is one of their main traps and temptations, through which they enslave many the world over!

### The Power of Thoughts!

Virtually, most everyone in the House and Senate of the USA, are held in place via some sort of sordid lust or sexual secret! Those in positions of power over these congressional men and women, are thereby able to control them because of having "the dirt" on them; for this very "dirt" is also their prison!

And, remember, my Dear Ones, that those in the U.S. military have the electronic capability to download your thoughts and to interpret your thoughts! So, what you think to be hidden, my Dear Ones, is not hidden, but in plain view of those, who want to exploit you! Yes, this is true! The U.S. military has the electronic capability to download the electronic signals of your brain, your thoughts, and to decode your thoughts! This is why you hear so much nowadays about "thought crimes!" Thoughts are things!

Our Saviour warned us about our thoughts when He said, "…Whosever looketh on a woman to lust after her hath committed adultery with her already in his heart." (Matthew 5:28) He warned about the power of thoughts; and our very thoughts make us free, or make us guilty! Therefore, my Dear Ones, ask our Saviour daily to purge and purify your thoughts with His Holy Fires, to purge and purify your heart, to purge and purify the light of your spirit and the purge and purify your soul with His Holy Fires! Ask Him to send His fire baptisms to burn every sin out of your soul; and be before Him constantly seeking these things, not just now and then, but from day to day, even from hour to hour, if need be! Seek to be a chalice of pure, radiant and holy light in His hands; and do not give up in your pursuits of this most wonderful of goals!
My Dear Ones, stay in deep prayer before our Lord and God, seeking with your whole heart, mind, soul and strength! Live for Him daily! Love Him above all and make and keep your way straight! This is the Only Way to Salvation! There is none other!

By giving you this background information, I have taken something of a circuitous route when addressing these assaults of Pamela Schuffert! But, you have needed this background information on Satanism and you have needed to know what you must do to survive in these terrible times! You have needed to know how the Satanists operate and how they treat their own children, (even from a very early age,)! For, without this information, you could and would not understand how this woman, Pamela Schuffert, may very well have been one of their mouthpieces all of her adult life! "Wherefore, by their fruits, ye shall know them." (Matthew 7:20) Therefore, …

Read on for more concerning Pamela Schuffert's lies against Linda Newkirk

As to the wild accusations of Pamela Schuffert that I carried on with new age talk with her on the phone, her accusastions are utter nonsense! I despise new age stuff and have nothing to do with it! Although when I was lost did read it, and I have written the truth about reading new age books when I was lost! But, my Dear Ones, I did not know Jesus! I did not know the Bible as I was spiritually lost! However, that was more than twenty years ago; and during these past twenty years, our Lord and God has taught me much!

Through her railings, Pamela Schuffert paints me as "new age" as a worker of witchcraft and on and on she goes with her rants! But, I advise you again to take a serious look at Pamela Schuffert and her satanic background; for the fruit surely does not fall far from the tree!

As to Pamela Schuffert's wild accusations against me, Linda Newkirk, that my reference to our Saviour as "Master" is of new age origin, I say again "utter nonsense!" For, Pamela Schuffert is counting on the fact that so many of you do not read the Scriptures!

However, hear what the Scriptures say about Master Jesus Christ! (Matthew 23:8) "…For one is your master, even Christ…"

 From The Mountain Prophecies Copyright 2009

By His own words, our Saviour calls Himself MASTER! And, furthermore, our Saviour is surely ascended, for the Scriptures tell us in Mark 16:19 “So then after the Lord had spoken, He was received up into heaven, and sat on the right hand of God.”

He was received up, my Dear Ones! He is ascended, but I do not call Him ascended master as Pamela Schuffert so wildly charges! However, if one wishes to call Him “Ascended Master Jesus,” one is correct in so doing! For, He is both Master and Ascended! However, I do not personally call Him Ascended Master Jesus, I call Him, Saviour, for He is Saviour, and there in none other!

Herein, I show you plainly the bold-faced lies and distortions of Pamela Schuffert as she attempts to make me out to be a New Age kook! My Dear Ones, these are the kinds of things that the CIA/Satanists do in their attempts to separate and destroy the Body of Christ! Behold and beware!

Why am I even bothering to refute such misinformation and outright lies? For you, my Dear Ones, for the babes in Christ and for those, of you, who do not know how the Satanists operate! For, they mix truth, even bits of truth in with all of their lies, thinking that you will bite the bits of truth and take their whole bait! And, this is but one analysis of how the Satanists operate, so be wise to their tactics and ever vigilant; for they are ever vigilant to destroy the Body of Christ and to scatter the sheep!

Regarding Pamela Schuffert’s accusations that I have talked of karma and reincarnation, I can tell you that the word “karma” seldom enters my mind and I honestly cannot say when I have last thought of the word, or used the word, although it is a legitimate word for one’s spiritual debts! But, what does come to my mind frequently are these words: (Galatians 6:7) “Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap!”

Many think that in dying they will escape the results of their evils, but I tell you that none escape, but will reap, even as they have sown! This is the law! Yet, forgiveness transcends the law! Forgiveness is the love of God manifest in such an awesome and wonderful way, that He makes us free from the holds of these past debts!

Now, regarding Pamela Schuffert's other wild claims, which link reincarnation to New Age doctrines, I say, nonsense! Have I spoken of reincarnation? Absolutely! Have I written about reincarnation? Absolutely! But, be not deceived! Reincarnation is not New Age doctrine as Pamela Schuffert so wildly claims!

My Dear Ones, I sought our Saviour for about six months in prayer, almost daily, as to whether reincarnation is true! Our Saviour not only told me that reincarnation is true, but also has given me confirmations in both visions and dreams about the veracity of reincarnation! It is absolutely true and if these, who claim otherwise sought the Lord as I sought Him about this very truth, they would also know that reincarnation is true! So, in this case, this woman has written a truth, and that truth being, that I spoke of reincarnation! But, she has mixed this truth with lies, accusations and distortions! Through her wild claims that reincarnation is a lie and that it is also New Age, she is throwing stones and condemning truth! This is how the Satanists do!

**We are tied to many souls through unforgiveness!**

**So, observe what they do! Weep for the evil, which they cast upon you!**
**Then, go to our Saviour in prayer and forgive them!**
**Regardless of what they do,**
**and even if they do not ask you, forgive them anyway!**
**When you truly forgive, you will be free of any future soul ties to them!**

Many will be born back into the earth, even into the families of all of their enemies; and for this reason, it is important that we forgive others, even when they do not ask us to forgive them! For, if we will not forgive, neither will our Saviour forgive us!!! And, by having unforgiveness in our hearts, we may cut ourselves off from the Spirit of God and suffer greatly, also keeping a bond between us and the other person (s), which we will face at another time!

As for reincarnation, our Saviour showed me not once, but on many occasions that reincarnation is true! The concept of reincarnation is not "new age," as I have previously told you, but is, and has been, the true way for the advancement of souls

 From The Mountain Prophecies Copyright 2009

since the beginning of humanity! If one has the ears to hear, let him hear, but if he has no ears to hear, he will then go on his way and reject this most important of principles!

I repeat again that the concept of reincarnation is not new age, but is how creation was set up from the beginning! If you are interested in reading more through the words of our Saviour regarding reincarnation, go and find one of the lost gospels, called “Pistis Sophia!” You can purchase this book on the Internet and it is not very expensive! I do not know whether all is translated correctly in this gospel, or whether all is preserved correctly; but I do recognize the words of our Saviour and see the awesome operations of the Spirit of God in this book! Our Saviour expounds upon many great wonders and mysteries of the Light Kingdom! You, the reader, will also see how He greatly expounds upon the concept of reincarnation and what goes on between lives! He also tells much about the great punishments for sins, the demons, who are over the chastisements, and the specific chastisements for many sins! He tells of those, who are born blind and with many physical defects and how these physical defects relate to sins in previous lives, like stealing, among other kinds of sins! So, go with an open mind and with an open heart and find this book and read it! Your eyes, your ears, your soul and your heart will be opened to many deep truths if you truly are seeking with an open and honest heart!

Some of you may say, “Well, reincarnation is just not Biblical!” Therefore, I will give you a few Bible verses! Accept them if you will, but if you cannot accept them, I can truly say, “At least, you have been told!” Matthew 17:10-13

And his disciples asked him, saying, Why then say the scribes that Elias must first come? And, Jesus answered and said unto them, Elias truly shall first come, and restore all things. But I say unto you, that Elias is come already, and they knew him not, but have done unto him whatsoever they listed. Likewise shall also the Son of man suffer of them. Then the disciples understood that he spake to them of John the Baptist!

Why did the disciples understand that Elijah came as John the Baptist? Is this not reincarnation? And, did they not accept readily what our Saviour told them? If they did not understand about the principles of reincarnation, they would not have so readily

understood and accepted that Elijah came back as John the Baptist, the same soul in another body!

Rev 20:4

…And I saw them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his mark upon their foreheads, or in their hands; and they lived and reigned with Christ for a thousand years. BUT THE REST OF THE DEAD LIVED NOT AGAIN UNTIL THE THOUSAND YEARS WERE FINISHED. THIS IS THE FIRST RESURRECTION.

My Dear Ones, how do the dead live again! They are dead! They surely cannot live again unless they are born again into the earth! When the dead live again, what more is this than reincarnation? If they are dead, they must surely get some new bodies if they are to live again!

Isaiah 65:17,20

For, behold I create new heavens and a new earth: and the former shall not be remembered, nor come into mind. …"

My Dear Ones, take note! There is coming a new earth and we will live on the new earth! However, we will not remember this one! The above passage clearly tells us that we will not remember living on this old earth! This is a most obvious and clear scripture regarding our incarnating on another earth!

In "Pistis Sophia," our Saviour tells of the cup of forgetfulness, which we all must drink before we come into the earth again to take on a new body! We are forced to drink a cup of forgetfulness, and because of drinking this cup of forgetfulness, we do not remember our past lives in this earth unless The Spirit of God shows them to us!

However, accusers like Pamela Schuffert and her buddy, Elizabeth Sheri Elijah Nikomia rail at me and accuse me, Linda Newkirk; for telling you the truth about reincarnation! They take this teaching and seek to beat me with it, making me out to be false, or some new age kook!

 From The Mountain Prophecies Copyright 2009

Many have not sought the truth about reincarnation and they disbelieve, so these two find many, who are either unaware of this truth, or many, who are vehemently opposed to it, and thereby many accept as truth all of their lies and misinformation! Just as the Satanists are known to do, these two women manipulate words and concepts to make the truth look like a lie and a lie look like the truth! So, beware!

"The tree is known by his fruit." Matthew 12:33

**Remember these Warnings from our Saviour!**

My Dear Ones, remember our Saviour's warning: "Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravenous wolves." (Matthew 7:15) Both Pamela Schuffert and her friend, Elizabeth Sheri Elijah Nikomia claim to be prophetesses of God, but take heed to our Saviour's very warnings against false prophets! Behold the fruits of their works!

Take heed, my Dear Ones and remember, too, our Saviour words of warning to each of us! "And then shall many be offended, and shall betray one another, and shall hate one another. And, many false prophets shall rise, and shall deceive many."

Remember all of these warnings from our Saviour; and furthermore, keep in mind His following words: (Matthew 7:16-20) "Ye shall know them by their fruits…every good tree bringeth forth good fruit, but a corrupt tree bringeth forth evil fruit. A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit … by their fruits, ye shall know them."

Read on as I address more of Pamela Schuffert's lies against me, Linda Newkirk!

Pamela Scuffert's wild accusations that I, Linda Newkirk, was thrown out of a church in South Africa, is once again, one, big bold-faced lie! Our Father said to me, "Pack your bags today; for you will be leaving tomorrow!" No one asked me to leave, and no one threw me out! And, even though I did not know where I was to go when I left that farm,

our Saviour sent someone to get me the next day, even as He told me; and I stayed with these Dear People in South Africa for some months!

Furthermore, regarding Pamela Schuffert's lies, (which are the parroted lies of Elizabeth Sheri Elijah Nikomia against me, Linda Newkirk,) which claim that I, Linda Newkirk have ever claimed responsibility for 911, is one of the most outrageous lies that I have ever heard in all of my life! When I address the lies of Elizabeth Sheri Elijah Nikomia later in this update, I will surely address this big, huge, slanderous lie! The rest of Pamela Schufferts lies, I will not even address; but admonish you to be exceedingly careful in believing anything that Pamela Schuffert prints or publishes. For, by her own words, she is shown herein to be a liar extraordinaire! (Matthew 7:20) "By their fruits ye shall know them."

I wish to add a few additional comments regarding Pamela Schuffert! She claims to be a reporter and has made herself a watchwoman over this nation! She also told me that she is a prophetess of God! However, I warn you again: when you read what Pamela Schuffert writes, consider her satanic upbringing and be extremely cautious, even when she seems to print the truth! For, as I have just shown you, this woman has taken some truth and mixed it with many lies, distortions and half-truths! My Dear Ones, this is what the Satanists do! They take truths and either mix them with lies, or make truths into lies; and through such slanderous campaigns, they set out to destroy their enemies! My Dear Ones, be wise; for Satan is wise to fool and deceive you; and he has infiltrated the whole world with his lies and with his liars!

### The On-going Slanderous Lies of Elizabeth Sheri Elijah Nikomia (also spelled, Nikomiah) against Linda Newkirk

My Dear Ones, it was back in the winter of 2001 that a very sweet woman called me and asked me to help Sheri Elijah! This woman is a Dear Soul, who comes from a very straight, spiritual family of singers. The Father of this woman, who is now dead, had visited heaven many times, and wrote a beautiful book about his visits to heaven! So, it was because of the requests of this Dear Woman of God that I agreed to help Sheri Elijah get free of her satanic husband. My Dear Ones, this involved much spiritual

 From The Mountain Prophecies Copyright 2009

warfare on my part for both Sheri Elijah, her friend, Sharon, and her son and also many late night calls, asking me to intercede and to pray for them as they made their escape route from Indiana and into Canada, where Sheri's friend, had bought a house on the coast of Newfoundland, I believe, although I am not altogether about this location!

At any rate, they found that it was extremely cold in Newfoundland, if that was indeed the correct location; and that they could not stay in the house as it was riddled with strange and demonic happenings, to the point that they became afraid to stay there!

What is most interesting about all of this is that Sheri Elijah, aka, Elizabeth Sheri Elijah Nikomia, had said that God had given her directives to tell her friend, Sharon, to take her life savings and to buy this house for them! However, according to what they told me, they could not stay there because of the extreme cold and because of the fact that this house was reportedly an old freemason lodge, and was utterly full of demonic presences!

My Dear Ones, my question is and has been, "Did our Lord and God really tell Sheri, aka, Elizabeth Sheri Elijah Nikomia, to direct her friend to take her life savings and to buy this house, a demon-infiltrated freemason lodge, a home and habitation of demons and devils?"

**The Personal Experiences of Linda Newkirk regarding Elizabeth Sheri ElijahNikomia**

At any rate, as they had no place to go and found themselves in quite a terrible situation, I told them to come to Arkansas and I would help to find them a place to stay! I found them an apartment in Conway Arkansas and they sent me money to pay for these expenses! But, straightaway after they arrived, I could see that something seemed to be very wrong with Sheri's friend! She seemed to be suffering from some sort of severe mental problems and from time to time would say some very strange things! I could also see that Sheri's son seemed quite troubled and traumatized; and he was a teenager at that time! But, my Dear Ones, who wouldn't be troubled under such circumstances? I do not tell you this in a judging way, but tell you so as to give you

some background information as to my dealings with Sheri Elijah, her friend, and he son!

However, strangely enough, Sheri Elijah did not seem troubled to me, in spite of coming away from such great evil! She was constantly talking about her website and about getting more links to it, which was and still a quandary to me!

From the beginning, I saw things in Sheri Elijah, which disturbed me and one was her seeming obsession with money, with living big! She talked of living in a big house and of driving a big car, and I believe that she told me that she drove a Lincoln Continental!

I carried them around and helped them find furniture for their dwellings as Sheri's friend, Sharon, wanted her own apartment! I also took them to get groceries on many occasions and helped them settle into their abodes!

However, it was only after some few, short weeks, or so, although I do not remember exactly how long they had been in Arkansas, that I received a copy of an e-mail, which Sheri Elijah had sent to a so-called prophetess friend of hers; and in this e-mail she was backbiting me and spreading lies about me regarding our Saviour's teachings of reincarnation and other things! It was at that time that I confronted her about her lies and backbiting; for I was greatly shocked to find such a letter after I had sought to befriend them and to help them through their great trials! And, I told Sheri Elijah that I had been good to them and that she had returned evil for the good, which I had done for them! I also told her that she would go back into captivity with her satanic husband as she had returned evil for good; and I could in no way trust her any longer! And, it was a fact that within a very short time, she did go back to her satanic husband.

Sheri Elijah told me that she began to live with her satanic husband when she was 13 years old and that she was married to him for over thirty years! She told of the presence of a Satanic altar, which was reportedly under the stairs in their house and told me of how their pets would disappear, some of their cats suddenly hanging on a line, and dead in the basement, even when there was no one home! She also told me

 From The Mountain Prophecies Copyright 2009

how her husband would pick up drifters to work for him as he had a construction company!

My Dear Ones, perhaps the most shocking of all my experiences with Elizabeth Sheri Elijah Nikomia was to hear an audio tape of Sheri Elijah speaking in a man's voice! Yes, a man's voice; and she and her friend, Sharon, seemed to be genuinely excited about this tape! According to Elizabeth Sheri Elijah Nikomia, she had no control over this "demonic" possession and did not know when such a man's voice would speak through her. She admitted that such "possession" had happened during certain speaking engagements!

Apparently, Elizabeth Sheri Elijah Nikomia did not have a clue that she was being possessed by a demon, who was speaking through her in a man's voice, but seemed really glad about this manifestation, as this demon was warning about hell! I must tell you that it was very disturbing to hear this tape and even more disturbing to see that these women were actually pleased in this tape! I am certain that many others also heard this audio tape as she proudly displayed it on her website for many years!

"By their fruits, ye shall know them."

My Dear Ones, I give you these details so that you will know that Elizabeth Sheri Elijah Nikomia did not just happen to "meet" me as she insists, but I dealt with her on the phone for several months before they got to Arkansas, always praying for them and for their freedom; and that I knew them personally here in Arkansas for some weeks, although I do not remember exactly how many weeks I knew them! In addition, I give you these details as MS ELIZABETH SHERI ELIJAH NIKOMIA IS NOT FORTHCOMING ABOUT HER SATANIC ROOTS; AND WE HAVE NO WAY OF KNOWING OF HER SATANIC ROOTS AND HOW THESE MANIFEST IN HER LIFE, OTHER THAN WHAT SHE HAS REVEALED AND ALSO BY THE VERY FRUITS OF HER WORKS!

And, as you will clearly see through revelations, which are given here, the fruits of Elizabeth Sheri Elijah Nikomia bear many lies! Remember our Saviour's words, "a good tree cannot bring forth evil fruit. Neither can a corrupt tree bring forth good fruit"

Elizabeth Sheri Elijah Nikomia takes great pride in telling the world that I accept responsibility for the 911 catastrophe; and this in one huge, slanderous lie! What I wrote, and it is in the writings of http://www.prophecies.org, is that about three days before the 911 event, our Father in Heaven told me to take the spiritual rod, which He has given to me, and to go in the spirit and to strike the capitol of the USA! He then told me that He was about to bring a great judgement upon this nation! I REPEAT THAT OUR FATHER IN HEAVEN SAID THAT HE WAS ABOUT TO BRING A GREAT JUDGEMENT UPON AMERICA; AND ONLY ABOUT THREE DAYS LATER, OR SO, THE 911 EVENT TOOK PLACE!

AT NO TIME, HAVE I, LINDA NEWKIRK, EVER TAKEN RESPONSIBILITY FOR THE 911 EVENT AS BOTH ELIZABETH SHERI ELIJAH NIKOMIA AND HER BOSOM BUDDY, PAMELA SCHUFFERT, SO SLANDEROUSLY REPORT!!!!

Allow me to make it perfectly clear again, that in no way did I, Linda Newkirk, ever make any kind of statement in which I took responsibility for 911 and in no way can my words be construed to mean any such thing! But, this woman, Elizabeth Sheri Elijah Nikomia, has continually spread this bold-faced, slanderous, lie in her attempts to destroy the name of Linda Newkirk and to destroy our Father's prophetic works! Through her wild smears, she has greatly slandered my name, has sought to do great harm to these prophetic works, and has thereby done much to divide the Body of Christ!

BUT, WHY, YOU MIGHT ASK, WOULD SHE WISH TO DO SUCH A THING? IS MS ELIZABETH SHERI ELIJAH NIKOMIA AFRAID THAT I MIGHT TELL THE TRUTH ABOUT HER SATANIC ROOTS, EXPOSING HER DARK SECRETS, AND THAT PEOPLE WILL KNOW THE TRUTH? IS THIS THE REASON THAT SHE HAS WORKED SO HARD TO DESCREDIT ME? IS SHE HOPING THAT OTHERS WILL NOT BELIEVE THE TRUTH WHEN I SPEAK OF HER SATANIC ROOTS

In addition, this woman, Elizabeth Sheri Elijah Nikomia, makes one big deal of my taking a broom and pounding the floor to make a point; for she so tries to conjure up images of witchcraft in my home! But, none can be found in my house, even though these two have both tried; for I serve Yahweh, the Lord God Almighty, and I love Him with my whole heart, with my whole mind, with my whole soul and whole strength! For,

 From The Mountain Prophecies Copyright 2009

He is the Delight of my life and I love Him greatly, and exalt His Holy Name! Glorious God that we have!

Elizabeth Sheri Elijah Nikomia and Pamela Schuffert became bosom buddies in spreading their hate against me; and almost five years ago joined forces with Dirk Van Vuuren in South Africa, who also had his own reasons for trying to discredit and destroy me and these works! But, before I address this man and his many wrongs against me, I have some serious questions for Elizabeth Sheri Elijah Nikomia! For, some of her victims have come to me for help and our Blessed Lord and God has set them free! Glorious God that we have! And, through these victims, I have received some very disturbing information, regarding the works of Elizabeth Sheri Elijah Nikomia!

Ms. Elizabeth Sheri Elijah Nikomia (Nikomia), these are my questions to you!

1. You were apparently brought up in the midst of Satanism since you were thirteen years old! By your own confessions, you ran away with your soon-to-be satanic husband at that tender age and proceeded to live with him for over thirty years! I want to know for the record and for all, who read your slurs: how many of these satanic ceremonies did you participate in? How many of these so-called “drifters”, who were employed by your husband, were sacrificed to Satan? What kind of Satanic/witchcraft practices have you been in and what kind of witchcraft do you still participate in? Ms. Elizabeth Sheri Elijah Nikomia, some of your victims have come to me for prayer and for spiritual help and as such I have even more questions for you!

2. Ms Elizabeth Sheri Elizabeth Nikomia, did you, or did you not entice seven of your webmasters to leave their wives and to turn over to you their life savings, their 401 Ks and even money from the sale of their houses, to you??

3. Ms Elizabeth Sheri Elijah Nikomia, did you, or did you not show up in Alaska about six years ago with one of your webmasters? And, is it not true that this webmaster disappeared, his last known whereabouts reportedly being with you and your son in Alaska? And, word is that to this day, his wife and family mourn him!

4. Ms Sheri Elizabeth Elijah Nikomia, did you, or did you not meet with a diabetic woman in a motel room in the western part of the USA; and in your presence this woman went into a diabetic coma, thereafter needing hospitalization! And, is it not true that this woman had in her possession a large amount of money; and that when she came back to her motel room after her hospital visit, her money was gone? Is it not true, Ms. ELIZABETH SHERI ELIJAH NIKOMIA, that you showed up later with this woman's money, but according to the claims of this woman, most all of it her money was gone! And, this woman, being unable to prove the amount of money, which she previously had in her possession, was powerless to do anything about the so-called missing money! Did this event not take place!

5. Is it true, MS ELIZABETH SHERI ELIJAH NIKOMIA, that you sit in a witchcraft circle and chant, and that you also leave your body from time to time to go out and influence the dreams of others?

6. Is it not true, Ms. Sheri Elizabeth Elijah Nikomia, that you regularly convince others to leave their spouses and their families because you tell them that their families are evil and of the devil?

7. Ms. ELIZABETH SHERI ELIJAH NIKOMIA, IT IS TIME FOR YOU TO COME CLEAN ABOUT YOUR SATANIC/WITCHCRAFT ROOTS; AND IT IS TIME FOR YOU TO STOP SPREADING YOUR HATE AND LIES! YES, YOU HAVE DECEIVED MANY, AND YOU EVEN DECEIVED ME FOR A WHILE, BUT I KNOW YOU! I KNOW THE LIAR THAT YOU ARE; FOR YOU HAVE LIED ABOUT ME FOR YEARS! I KNOW THE BACKBITER YOU ARE; FOR YOU HAVE BACKBITTEN ME FOR YEARS! I KNOW THE GOSSIPMONGER YOU ARE ; FOR YOU HAVE SPREAD HATE AND MALICIOUS LIES ABOUT ME FOR YEARS

MS ELIZABETH SHERI ELIJAH NIKOMIA, IT IS TIME TO STOP RUNNING FROM NATION FROM NATION! IT IS TIME TO STOP HIDING BEHIND FAKE POST OFFICE BOXES AND MAKING PEOPLE BELIEVE THAT YOU ARE IN AMERICA, WHEN IN FACT YOU ARE FLEEING OVERSEAS AND FROM WHAT I UNDERSTAND NOW LIVING IN NEW ZEALAND! IT IS TIMETO FACE THE FAMILIES OF ALL OF YOUR VICTIMS AND IT IS TIME TO COME CLEAN ABOUT ALL THAT YOU KNOW REGARDING THE WHEREABOUTS OF YOUR WEBMASTER,

WHO DISAPPEARED ABOUT SIX YEARS AGO! His family has been in great distress and is still in great distress! They are in great need of closure regarding the disappearance of their Loved One! And, may the God of Truth and Righteousness bring this closure to them, that they may rest from all of their mourning for their Loved One!

My Dear Ones, for so many years, I have endured the harassment, the malicious lies and slanderous rumors of these two women! But, when Dirk Van Vuuren in South Africa turned against me, Linda Newkirk, and aligned himself with the South African Government and the CIA, he also contacted those, whom he knew to be my enemies, namely these two women, Pamela Schuffert and Elizabeth Sheri Elijah Nikomia! And, thereafter, they aligned themselves with one another in their attempts to destroy me! All of these years, I have been quiet about what I perceive as Dirk Van Vuuren's real reasons for hating me and what I perceive as his real reasons for trying to destroy me, but at this time, I will go into some of these reasons, as I understand them to be! For, I wish to get the truth out and to settle the issues once and for all as regards Dirk Van Vuuren's lies against me, Linda Newkirk.

My Dear Ones, when I went to South Africa in the summer of 2004, it was at the request of Dirk Van Vuuren and others in South Africa, who had been blessed by these prophetic works, with many receiving prophetic dreams from the anointings on the cloths, which I sent there, and also others being healed! Even little children were receiving prophetic dreams from our Father's anointings on the cloths, which I sent down by the hundreds! So, my Dear Ones, they were all being exceedingly blessed and they invited me to come down.

After my arrival in South Africa, I would stay in Dirk Van Vuuren's house! Also, on his farm, he had a small church and we regularly met in that church! From week to week, the numbers swelled in that little church, until there was literally no room for the people to sit in his church! Many had to sit outside; for there was a real and genuine outpouring of the Spirit of God and regular manifestations of the Spirit and power of God among the people!

However, it was within a day or two of my being in Dirk Van Vuuren's house that I had a very powerful vision of a man, who was killed in the very room in which I was sleeping! I could see that he was a thin man, tall and thin, and also knew that he was a heavy drinker of alcohol and a smoker! I saw that he was sitting in a chair in that very room when someone came up with an object of some sort and beat this man in the head! Then, I saw that others came and they dragged this tall and skinny man out of this bedroom!

Also, my Dear Ones, in that room and in Dirk Van Vuuren's house, there was much demonic activity, with closet doors in that bedroom coming open all by themselves and noises in my room and out in the hall outside of my room. For about one week, I did much in the spirit to drive the demonic presences out of this room and out of this house! One night, as I was deep in prayer, I suddenly found myself up above my physical body and fire, literal white fire, came down all around me and into the hallway outside of my room! At that time, I saw what seemed to be a black wind, which went roaring through the walls, making a great noisome calamity, and a great noise upon the roof as it exited the house! This wicked, demonic presence was in a great hurry to get away from this fire of God! Praises to the Holy Name of Yahweh, Most High God and to His Beautiful and Mighty Son, Jesus!

The next morning when I left the house to go into the chapel for prayer at about 6:30 AM I saw that there was a room on the top of the house and that the door of this room was flung open. I asked Dirk Van Vuuren if anyone had been up there the night before and he said, "No, no one has been up there for about three weeks."

At any rate, my Dear Ones, a day or so after seeing the murder of this man in the room, where I slept, I told Dirk Van Vuuren, that a man had been killed in that room, a skinny man, and that he had been dragged through the doorway and into the hall. And, Dirk Van Vuuren was quick to tell me that "yes" someone had been killed in his house, but that he was a fat man and that he was accidentally killed in his office, which was down the hall! He also told me that he and another man were freed of anything to do with this murder and that it was deemed an accident!

 From The Mountain Prophecies Copyright 2009

However, my Dear Ones, just prior to my leaving the farm, I asked an elderly man on the farm, a devoted servant of our Lord, about this murder! I said, "Do you know about a murder, which was committed in the house of Dirk Van Vuuren?" And, he told me that he was aware of such a murder, which happened before he came to the farm! Then, I asked this Dear Man of God if he knew whether this man was a fat man, or a skinny man, and he told me that he knew for a certainty that this man was a skinny man!

My Dear Ones, I left Dirk Van Vuuren's farm because our Lord and God told me to! Dirk Van Vuuren and his wife had begun to turn against me and had begun to side with the very ones in the South African Government and the CIA, who were out to destroy the beginnings of Revelation 12 and our Father's work in South Africa! I had been given a dream regarding one of these intelligence infiltrates and also confronted this man and his counterpart in an open meeting in Dirk Van Vuuren's church! It was after this encounter, that Dirk Van Vuuren decided to become my bitter enemy!

It was certainly no secret that Dirk Van Vuuren had intelligence connections in the South African Government; for he would regularly come into the church with reports regarding President Mbeke of South Africa, and even President Bush! And, on one occasion, Dirk had intelligence information regarding a late night telephone call between Mbeke and President Bush and told of Mbeke's request to President Bush as to what should be done regarding Linda Newkirk! It was and is no secret how much the Bushes hate me and how much that have done to try to destroy me and this was also known by Dirk Van Vuuren!

So, my Dear Ones, Dirk Van Vuuren knew all along that certain ones hated me and had tried to destroy me! He knew that the President of the USA was greatly against me and also his evil Father, Bush Sr., and he also knew that the South African Government was against me! All of those on his farm could also see the ships of the U.S. military in the night sky, their humming antigravity machines looming over Dirk's farm; and they knew that they were present because of me! At night, many of us would go out and look at them; and they were low enough that their blinking red and green lights were clearly visible for all to see!

Some, who lived on the farm, were even awakening with needle marks on them; and I, myself, had been waking up with such marks on me for two to three years! So, we knew that they were busy abducting some from the farm and later we would know that they were busy trying to mind control many, to make some do their bidding! So, I do not discount at all that mind control would have, or could have been used against Dirk Van Vuuren, or on any, who would become my enemies and thusly enemies against these prophetic works!

It would be later, after I left the farm, that a young prophet, (who followed me, along with his wife and son,) would be taken up into one of the crafts of the U.S. military; and he would remember the whole event! He described all in great detail and told of those from the farm, who were also in the ship. He told of how they were hooked up to brain monitoring machines and other kinds of monitors and how they were drugged some of them appearing to be asleep, or even dead, as he so thought when he was there! My Dear Ones, The Spirit of God surely caused him to remember the whole thing! Blessed God that we have! For, truly, nothing is hidden that won't be revealed!

So, my Dear Friends, the plots of the evil ones, the Satanists and government operatives and of others, who have much to hide, is indeed very thick! Their great assaults against these prophetic works only serve to give credence to their Satanic origins! Their unrelenting attempts to eradicate the works of Revelation 12 from off the face of this planet have not prevailed and will not prevail; for these works are of Yahweh, Most High God! And, what is of Him will stand, regardless of what others do to the contrary!

Now, back to Dirk Van Vuuren's verbal assaults against me, Linda Newkirk!

So, through his knowledge of my enemies, Pamela Schuffert and Elizabeth Sheri Elijah Nikomia, Dirk Van Vuuren wasted no time in contacting them in his attempts to destroy me! Why was he in such a rush to do his great evils against me? My Dear Ones, could it have been true that Dirk Van Vuuren was eager to destroy my credibility, should I ever go public with our Father's revelations regarding the death of the skinny

 From The Mountain Prophecies Copyright 2009

man! From the vision, which was given to me by the Spirit of God, this skinny man was only sitting in a chair, and not in any way hostile, not at the time that he was assaulted!

So, was a man really murdered in that bedroom and dragged out of there? I believe so! Could the fat man really be the skinny man? If the skinny man is indeed the fat man, there would surely be obvious reasons to work hard to destroy my credibility!

Why did Dirk Van Vuuren tell me that a fat man was murdered in his office, but that no one was murdered in the bedroom, in which I slept? And, why did he tell me that the murder was an accident? And, by his own words, no one was charged with a crime! Has there been a cover-up of a great crime! Does a murderer run free still? These things I want to know, Dirk Van Vuuren!

I have also since wondered why Dirk Van Vuuren's wife told me that they "should have had the house cleaned" before I came there! Cleaned of what? Bad spirits? Bad memories?

My Dear Ones, in view of what the Spirit of God showed me about the death of this skinny man, I can only surmise that Dirk Van Vuuren must have surely had a very big motive in trying to destroy me and to ruin my reputation! And, this is for a fact what he set out to do! Dirk Van Vuuren came after me with a vengeance and told me that he would make sure that no one in South Africa would ever believe one word I would write, that he would literally destroy me in South Africa. He spread the word far and wide that I was insane! He and his group took a mirror copy of http://www.prophecies.org and hi-jacked these copyrighted works! They smeared "false prophet" at the top of my website and wrote defaming and slanderous things about me on the front page of my own website in South Africa; and they kept it up for more than two months!

In addition, I had bought a small camper from Gawe Strampe, who lived on Dirk's farm. I gave cash money to Dirk, who then gave it to Gawe. I never got a receipt for the sale, but when I was about to leave, Gawe willingly handed me the title and other relevant paper work for the camper, for he knew that I had bought it. And, when I left, my

friend also carried along my small camper behind her car. This camper was really of no use to me; for I had purchased it for a friend, who would be coming to South Africa!

A few weeks after leaving Dirk's farm, I chose to give the camper to the young prophet and his wife, who had followed me, along with their precious son! But, we needed to know the place of purchase so that the title could be transferred. However, Dirk Van Vuuren and Gawe Strampe would rise up against me and accuse me of stealing this camper! They further threatened to press charges against me, based on their false allegations!

My Dear Ones, I absolutely would not enter into a fight with them about the camper, so I told them to come and get the camper, knowing full well that they were the ones, who were stealing!

It would be about six weeks later, when I had left South Africa and was living in Sweden, that we would get a call in Sweden from my Sister and Friend in South Africa! She would then tell us how one of Gawe Strampe's relatives had called and told that Gawe Strampe was on night patrol on the farm, and that he had leaned up against a bus (a tour bus, which had been made into a residence) and that he had been electrocuted by touching the bus, thereafter falling backwards and splitting open his head! This, my Dear Ones, is the report, which came to me in Sweden! To hear of his untimely death and that Gawe died in such a horrific manner was greatly shocking and indeed very sad!

However, once I returned to South Africa, I would hear another tale regarding the death of Gawe Strampe, and this tale being that he slipped in the shower, hit his head and died! Could there be another mystery, which is hiding in the death of Gawe Strampe? Even one, which is eerily reminiscent, of the fat man/thin man?

My Dear Ones, Dirk Van Vuuren would not easily stop his hate campaign against me! From Sweden, I sent him certified mail demanding that he cease and desist this hate and smear campaign, and take down the mirror copy of http://www.prophecies.org, or

 From The Mountain Prophecies Copyright 2009

I would most definitely sue him for 20 million U.S. dollars. Thereafter, he stopped his smear campaign, but it still lives on through the Pamela Schuffert!

My Dear Ones, all of these years, I have given over to our Father in Heaven, all of these slanderous accusations and after so many tears, have forgiven them and have moved on with my life! In spite of all that so many have done to destroy me, I absolutely refuse to harbor hate in my heart against them, but truly do pity all, who get joy from such evil! I have forgiven them and have prayed for our Father's mercy upon them all, but they just continue on!

Someone recently wrote me and asked me why I hate Dirk Van Vuuren, that Dirk and his wife hate me greatly and others there hate me; and I told this person that I hate no one, but have forgiven all; for I absolutely refuse to walk in bitterness. And, because I have spiritually moved past all of the hurt and sorrow, which these have caused me and have forgiven them all, I have not desired to refute any more of their lies and accusations!

I am confident that in due season, our Mighty God will settle this massive debt and so I wait and have waited all of these years! And, in spite of what these and CIA employee and spreader of hate and disinformation, Stew Webb, have done to destroy me, Linda Newkirk, I have no malice in my heart towards them, but have had to forgive them and move on with my life!

Realize, my Dear Ones, when you see, bold-faced lies against me and these works, that there exist paid, government, Satanist "lackeys," whose sole livelihood is to spread malicious hate and slander, to smear the names of the servants of God, and to destroy the credibility of the truth bearers! And, they do not care what they say; for they know that they are being paid by the government (Satanists) and as such the government is not going to do one thing to them! Beware! For, these nameless, faceless types infiltrate the message boards and they are on their rampages to both destroy and to scatter the Body of Christ! So, consider the sources of hate, malice, slander and blasphemy against our Lord and God and against His true servants! For, these kinds of

assaults are indeed rampant and through their dark and evil deeds, such operatives are terrorizing the whole world!

So, in closing, my Dear Ones, I hope that you understand why I have come forward at this time to rehash so many hurts, so many things, which I have forgiven in past years and to set the record straight again! My Dear Ones, it is for those of you, who have been so wounded by these lies, your faith having been diminished, or totally shattered by such accusations! I also come forward on behalf of some of you, who have been so gullible, or naïve, that you have believed these lies. Just know that I do not fault you for being gullible or naïve; even as I was naïve as to the true nature of these people!

My Dear Ones, it is far better to believe the best in others and to be made to see the worst, than it is to believe the worst and to be made to see that there was good there all along, thereby, having great shame for having misjudged the good intentions of another!

So, if I have erred in initially believing the best in all of these, who have later become my enemies, I am glad that they had to show me their true colors! For, in the beginning I surely wanted to believe the very best about them all!
And, with these words, I leave you in love, hoping that you are, at least, a little bit wiser!

Sending you much love in the Name of our Blessed Saviour,
Your sister through our Blessed Messiah,

Linda Newkirk

# CHAPTER FIFTY-SIX

## As Dust is to Dust, Afraid before our Mighty God!

Come to Me, My Beloved Child, that I may take all of your burdens and make your journey light! Awaken unto new visions and new dreams and new ways!

And, immediately after our Lord's words, I saw then that I rested comfortably in a bed of light, and on my body was a robe of light; and when I arose, I placed on my feet, shoes of light! And, all in my room was made of light! The curtains, made of light, the window, made of light; and in my room, the most beautiful of fragrances, akin to those of jasmine, roses and other wonderful, heavenly scents!

I walk to the window and cast open the window; and when I do so, a thick smell hits my nostrils! Air, so heavy! Air, so thick, air so full of malodorous scents, wretched, oh so wretched the smell!

Quickly, I shut the window and move back a bit from the window, only to look down now on the happenings in the street! For, it is a loathsome sight, Satan, himself, that old dragon, stirring in a big, black pot, and busily casting the contents of the pot into the air and out into the street!

Satan calls forth couriers, who bear smaller, black pots and they fill their pots with the caustic brew from the larger pot and they run here and there throughout the city, some taking roads, which lead afar! Over the hills, they go and out into the vastness of the valleys! They toss their terrible brew into the homes, into the streets and into the houses as they go; and little children, so precious and innocent, take up the brew and begin to blacken themselves! Quickly thereafter, they begin to wither and many of them dry up and die before my very eyes! Old people swallow this hideous brew; and just as quickly as they do so, a dark look of death comes over them all! From the

streets and from the hills and valleys, skeletal frames and vacant and hollow eyes look back at me!

Oh, Father, I know that this really represents people all over the world right now; and I am so saddened to see these vacant eyes everywhere I go, in the streets, in the shops, in the countryside! Oh, Father, wherever I go, I see vacant, hollow eyes looking back at me! Children, who have been robbed of their innocence through sex and violence! Homes filled with evil and generations devoid of the Spirit of God! Oh, Father, I am so saddened by this rampage of evil and my heart is so broken for the lost! Oh, Blessed Saviour, how I long to see Your Kingdom Come and Your Will Be Done on the Earth as it is in Heaven!

Oh, Blessed Saviour, daily these lost souls are stacking up in hell and in Outer Darkness! Father, the churches are dead all over this nation and few walk in Your power! Oh, Blessed Saviour, have mercy on the lost! Have mercy! My heart so mourns for them! Have mercy, oh Merciful God; for we have sinned! Oh, how grievous have been the sins of this nation and you have cuts off this nation! It is clean cut off, oh Blessed Saviour! You have turned us over to the Destroyer!

What is that roaring wind, oh Mighty God? A roaring, fierce and grinding wind, like the sound of many freight trains! For, I hear it, Father, a terrible wind!

My Little One, it is two winds that you hear! You hear the wind of My Spirit; and you hear the calamitous wind of great destruction, which barrels down on this nation! For, I am about to clean house in America! I am about to uproot and pluck up all that has not born fruit! I am about to send My destroying angels to lay bare, that which bears an ugly fruit! I am about to strip the vine of cancerous growths! I am about to clean the threshing floor of all that is not of Me! I am about to shake this land and rattle the windows of the Capitol of this nation! I am about to send the canker worm to consume and what he does not consume, the Destroyer will devour! I am about to send a plague, which is so devastating that the bodies shall be piled high and burned in pyres, as in the old days! I am about to send the many foreign armies to further plunder this land and to further weed out and to further consume and take, even what those in this

 From The Mountain Prophecies Copyright 2009

nation love and desire above all, their stuff and things! I am about to send the Destroyer upon the dead churches and even as I have promised! I am about to send a great and mighty judgement upon the lying and greedy preachers of My word! I am about to tear down the dead churches and I am about to make a Name for Myself all over again!

For, in the midst of this great judgement, I shall raise up My righteous and holy ones! Though hell shall rise up against them, they shall not die! Though armies shall camp 'round about them, I will deliver them! Though winds shall rage against them, and though tsunamis should roar around them, they will not perish! Though nuclear weapons should sound around them, these shall not be harmed! Though they should be injected with plagues and with every poisonous thing, they shall not die!

My Little One, these are your spiritual children! Do you see where you are spiritually, My Little One, that I have put you in a place of great light, that I have removed you and insulated you from the whole world! Daily, you lie down amidst My great light and fire; and daily you get up amidst My great light and fire! You live in the midst of such glorious light and fire; for My Son of Fire and Light is within you and without you! His radiance fills your whole house and brings the scents of heaven into your presence!

Yes, Satan and his many demonic hoards and his many children are constantly in your face, constantly attacking your body, constantly trying to kill you and/or to put out the light of the manchild, who is in you! But, in all things, they fail and have failed; for by the day, My light and fire increase in you and around you!

My Little One, you are the spiritual mother, the earth mother of the new generation of souls! My Little Son, who is in you, is the heritage of My Bride! Soon, these will walk in the earth in My great power; and great and marvelous works and wonders they will do! For, I commission them to pull up, to bring down, to plant and to raise up!

Be of good cheer, My Little Child; for the time is at hand wherein I will take (unto Me) these, who have been thusly born into the earth, and also have been commissioned to do such wonders for Me!

Oh, Blessed Saviour, I feel so lowly, and do not feel to be of any significance; for I was once such a great sinner, and am still a sinner before You! I feel so afraid before You, oh Blessed Saviour, and do not feel worthy to be called “spiritual mother!” When people call me “spiritual mother,” I am so humbled and afraid! For, I wish only to be a servant, oh Lord, and do not seek any honor! For, all of the honor is Yours, oh Mighty God! You are Most High and we, oh Lord, are as dust is to dust!

Oh, Blessed Saviour, You know me and You know that I am afraid before You, oh Lord! I am so afraid and only wish to be at Your feet! When You tell me that I am “spiritual mother,” and I write what You say, oh Lord, I know that You speak truth and I accept what You say, but cannot in any way imagine what You say, oh Blessed Saviour! For, daily I am persecuted, oh Lord, maligned, slandered, tortured and under foot of the enemy! How can I imagine what You say, even though I know that You tell me the truth?

My Little One, I know these things! For, I know your heart! I know you through and through! I have caused you to go through such suffering and yes, I have carried you! And, yes I know that you do not seek honor and do not desire honor, but I shall nonetheless raise you up and I shall give you honor! I shall give you great honor in the Earth and among My people; and I shall also give you great power! For, you have sought neither, but I shall give you both!

My Little One, never in the history of the whole earth has one person ever endured, or had to endure such sustained assaults from the enemy! And, never has a single person ever had to endure the severity of the assaults, which you have suffered through the horrific technologies of the enemy! So great have been your trials, My Little One, and so great has been your suffering and your heartaches! Also, so greatly I shall exalt you, My Blessed Child, even as I have told you!

My Little One, I have brought you to a place of great light in Me! This is the first part of your vision! I have filled you with My love, with My compassion, with My great light and love, even with love for your enemies! And, I have given you a heart of forgiveness towards them! I have filled you with My light and have caused you to walk in great

 From The Mountain Prophecies Copyright 2009

miracles and wonders! For, you are My Beloved Child, greatly loved by Me and I honor you, My Little One! For, daily you lay down your life for Me and for all of humanity, that you might take it up again!

Those, who do not love their lives unto death, will also walk in such light! They will follow after you, My Blessed Child; for I have made you their example! Who will suffer such things for love of Me? Who will lay down his or her life for Me and let go of all fear, of all self, and walk in love and forgiveness? This one, I will raise up! This one, I will exalt! This one will inherit My Kingdom and will walk in My Kingdom power!

Do you understand, My Little One, that you are their spiritual mother? You are the spiritual mother of My Kingdom seed, of My very own seed, of my very own Son of Spirit, of the babe, the manchild of Revelation 12!

Those, who receive a prophet in the Name of a prophet, will receive a prophet's reward! But, those, who receive and love and honor you, will receive heaven's reward! For, those, who honor you, honor Me, the One, who has sent you! And, as such, those, who honor you, who brings forth My Kingdom Seed, honor the Kingdom of Heaven; and such a one stands in line as co-inheritor of My Kingdom!

If others will not receive you and My works in and through you, but mock and blaspheme My works through you, they will, in no wise, inherit My Kingdom; for they are not ready to inherit My Kingdom! But, all, who come as little children, who are lowly and afraid before Me, who are repentant and teachable, as humble, little children, these, My Beloved Child, are material for My Kingdom! They are the heavenly cloth of My Kingdom Tapestry and these shall enter therein and these shall shine as the stars! So, the hour is truly at hand, My Little One, for My Kingdom Come and My Will Be Done in the Earth, even as it is in Heaven!

I have shown you herein your spiritual state before Me and I have shown you the very spiritual place to which I have brought you! Soon, the gates of Heaven shall swing wide open and I shall bring you and My Son to My very feet, where you so long to be! And,

right behind you shall come all, who have also become, even as you are, full of My light, love, mercy, grace and forgiveness!

All that I have shown you, I have shown you for a purpose and a reason! My Little One, you are the spiritual mother of My people and as their spiritual mother, you go back, even to the beginning! I would not and could not have called anyone else to be the spiritual mother of My very own Son in the earth, to bear Him full term, and to go through such unspeakable torture and persecution! You, My Little One, are the spiritual mother of both My people and of My very own Son of Spirit in the Earth, the little babe of Revelation 12, or as he is also called the manchild!

However, My Little One, you have been so afraid to accept that you are the spiritual mother, although you know this! You have been truly afraid, my Beloved Child! But, embrace who you are; and even as you so desire in your heart, be determined to be evermore the servant to all! For, this is My will manifest in your heart and in your thinking!

Oh, my Lord, I know that you speak the truth, but you also know that I wish no honor, only to serve You and Your people! Therefore, oh Lord, I ask You to bless me with a greater heart for love and service towards Your people, and a heart, which is full of mercy, compassion, love and caring for all of them! For, truly oh Blessed King, I feel so lowly, and so afraid!

Go in peace, My Little One; for all that you ask and more shall be given to you! Post this as the next chapter of Book Twelve and also post the testimonies of some, who have written to you (about the prayer cloths)! For, their testimonies are legitimate and

their words are true! I am glorified in and through their words and you are blessed, My Little One!

# CHAPTER FIFTY-SEVEN

## Our Father is Still Pleading! Make Your Way Straight!

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! Sit and write, My Little One; for this message is not only for you, but for My people the world over!

### Listen, oh Precious Children of the Most High!

Listen to Me, My Little Ones! Listen and listen well, all, who follow after Me, and who seek after Me! My question to all, whether you are a part of a church, or whether you walk alone is: "What kind of person are you?" Have you seen? Have you taken note? Do you know who you are? Do you understand what I expect of you and how you are to get there?

Listen to Me, My Little Ones, and take note of all that I tell you! For, many of you see, but you are spiritually blind! Many of you hear, but you are spiritually deaf! Many of you say that you love Me, but you do not love others!

How can you love Me, when you do not truly love others? For, to love Me is to love also My sheep; for even as I laid down My life for you, will you lay down your life for your brothers and sisters? I ask you, oh Children of Mine, will you go out of your way to help the truly persecuted; or will you go out of your way to shun them? Will you pick up another stone to pummel the accused and the slandered, or will you reach out in love to comfort them?

My Little Ones, is your walk real before Me, or is it built upon fears, lies and deceptions? Anyone can talk the talk, but will you walk the true walk?

What is in you that keeps you from being real with Me? Is it the love for the world and all that is in it? Is it love for self and for all that you hold dear regarding self and self-

 From The Mountain Prophecies Copyright 2009

will? Are you determined to get your way, to have your own way? Are you sneaky about this? Pretending (that) you love and serve Me, but instead are self-serving?

Is your heart full of fears? What do you fear? Is your heart full of blaming and unforgiveness? What troubles you?

What are you running from? Can you run far enough to get away from Satan and his demons? Can you run fast enough, and far enough to get away from your own sins? Can you successfully hide from who you are and what you are?

### I Warn You that You are, Overwhelmingly, Not Ready for My Coming!

My Little Ones, listen to Me! Take heed to these questions, which I pose to you! For, My People, I warn you that you are overwhelmingly not ready for My coming! Few of you all over the world are ready to marry Me! Though I tell you and I warn you to make your way straight, to repent, and to come clean before Me, so many of you wish to follow a recipe!

### Only the Tears of Sorrow can Melt A Frozen Heart!

Remember that true repentance must come from the heart! For, the hearts of most are full of every kind of evil! So, true repentance must begin with true sorrow for one's sins! Only the tears of sorrow can melt a frozen heart! Only true repentance before Me will bring you true and lasting forgiveness from Me!

### The True Heart Calls out To My Spirit of Truth!

Do not shun My words to you! In My works, there are no short-cuts! There is no speedy fix! The true heart calls truly out to My Spirit of Truth! Truth is indivisible; and the way of truth is the gateway to My throne!

My Little Ones, you cannot escape from you! You cannot run far enough to get away from you! You cannot hide from you! As the old saying goes, "Wherever you go, there you are!" It is time to be real and truthful in all of your affairs! Stop lying to yourselves and stop lying to Me! I know the real from the unreal! I know the truth from the lies!

### Will You be Truthful With Me?

Stop shunning Me! Stop shunning My truths! I am not blind to who you are, but know all things about you! I resonate to the pure truth within you! Will you be truthful with Me, truly truthful and (will you) stop half-truths, and half-measures? If you will not spend quiet time with Me, how will you truly know Me?

### You, Who Love the Surface Walk, Must Take Heed!

Too many of you skate along! You love the surface! But, I have told you that deep calls unto deep! Will you be content to be a surface skater? Will you continue on in your surface walk? Who are you fooling? I am not a fool! But, you, My Little Ones, who love the surface walk, must take heed! For, you are skating on thin ice and when you least expect it, you will be cut off!

I have told you! I have warned you that I have laid a dividing line! I have set it out and I am seriously sorting out Mine, the true from the untrue, the false from the real! It will come suddenly upon you! Be warned! The lukewarm, I will cut off! The phony, I will cut off sharply! The surface skaters, I will cut off sharply and without notice!

What do you want from Me? That I should be blind, even as you are blind? That I should be deaf, even as you are deaf? I am neither and will not be a part of your illusions!

### I Tarry Now, But not for Long!

You have precious, little time to make your lives right before Me! I tarry now, but not for long! Will you be content to harbor your lies, to harbor your fears, to harbor your own hard hearts ( full of unforgiveness); or will you get right with Me and get real with Me?

“Do you hear that thunderous noise, My Little One?”

“Yes, my Father!” (And, it was such a loud noise in the Spirit, like 100 train boxcars crashing into each other!)

 From The Mountain Prophecies Copyright 2009

### My Hammer of Judgement!

My Little One, it is the sound of My hammer as I let it down in the whole earth! This is My hammer of judgement; and it is even now coming down over the whole earth! And, My hammer of judgement shall catch unawares all, who will not repent and get right, get truthful with Me!

### What Will You do When You are Persecuted?

My Little Ones, if you will not love this one, My Chosen Vessel, because she is so persecuted; and if you flee from this one, who is so persecuted, what will you do when you are persecuted? Will you deny Me? Will you take the "mark?" What will you do then? For, now many of you choose to run in fear!

Behold the gallows! Behold the gassing chambers! Behold the guillotines! Behold the massive mind control camps! This is what awaits many of you, who will not get right with me now! The hour is testing is upon you!

### Weep! Truly be Sorry!

Come before Me with weeping and great sorrow, My Little Ones! Weep for your sins! Weep for your hardened hearts! Weep! Truly, be sorry! Otherwise, I will not hear your cries!

My hammer of judgement has struck the earth! Open your ears! Listen to Me! Time is running out for humanity! So terrible is the thunderous sound of My great and imminent judgement!

### I am Tarrying for Love of You!

My Little Ones, I am tarrying for love of you! Only, for love of you! How much longer will I tarry? I do not know! But, do not waste this time in vain pursuits! Continue in your fears and you will die in your fears! Make your hearts right with Me!

Would you lay down your life for love of others, even as I laid down My life for love of you? I tell you: Love one another, even as I have loved you!

I am your Father, Yahweh, yea Jehovah, Most High God!

As witnessed, dictated and recorded this 3rd day of August, 2009,

Linda Newkirk

My Dear Brothers and Sisters, take note of what I am about to tell you; for a most interesting chain of events followed this message from our Father in Heaven!

I called a Dear Friend in Canada to tell him of this message at around 12:54 central daylight savings time! He told me of a dream, which he had the night before; and in this dream, he was aware that he had been working with some power transformers!! However, he saw in his dream a new kind of power transformer, one of pure, white light; and he was greatly looking forward to working with this new kind of power transformer!

This Dear Brother is an inventor and has worked with electricity a great deal; so possibly he was thinking that the new power transformer could represent a new invention! However, on hearing of his dream, I felt so sure that these power transformers are prophets of God; for he has worked with some, sending out their warnings, but for about the last ten months, or so, he has mostly sent out our Father's warnings, which have been given to me! And, what a work he has done; for he has sent out somewhere around one and one half million of these warnings to churches and individuals, alike, in both Canada and the USA!

So, I felt certain that the power transformers are prophets and that the new kind of white light power transformer is none other than the manchild, our Saviour's Son! He is

 From The Mountain Prophecies Copyright 2009

the heritage of the Bride; and he lives in me, having been given to me by our Saviour on May 10, 2006!

Some few hours after our Father gave me the above message, I thought that I needed to check the news; and had been somewhat preoccupied with checking the news that day, having checked it two or three times, a most unusual thing for me! For, I may go for several days duration, and not get on the computer at all!

At any rate, I thought to check the Internet news at around 5:00 PM Central Daylight Time, and saw that there had been four earthquakes in the Gulf of California! Following, are the times and the numerical values of these quakes in Universal Time! I also noted on the USGS that by that time, around 5:00 PM, there had been 21 quakes altogether in the world for that day, the 3rd of August of 2009!

To see these four large quakes, and to be later aware of the significant timing of these quakes, was and is greatly shocking! Remember our Father's (above) words to me that He was letting His hammer down; and when He did so, I had heard such a great roaring in the Spirit!

**The Gulf of California Quakes on August 03, 2009!**

Gulf of California magnitude (5.8) 17.55 UTC
Gulf of California magnitude (6.9) 17.59 UTC
Gulf of California magnitude (5.0) 18.33 UTC
Gulf of California magnitude (5.9) 18.40 UTC

My Dear Ones, these quakes occurred in Universal time, and I was not sure of the conversion of Universal time to central time! So, I thought to ask another Dear Brother to clarify this time conversion for me, he, being an engineer and a map man, and liking to do such things!

However, when I called him to tell him of our Father's words and to ask him to check this timing, he was eager to tell me of a dream, which he had the night before, somewhat like our Dear Brother in Canada! He told me that he had dreamed that the

truth singers, two of them, a man and a woman, had come back and that they were singing again! He related that the people did not believe that the truth singers would come back again, and were also astonished to see them singing again!

At that time, this Dear Man did not yet know of our Father's words of warning for all to get right, to get real, and to be truthful with Him! So, as he told me about the truth singers, I knew that our Father had given him this dream as a prelude to His above "truth" message to me!

My Dear Ones, I wonder whether the truth singers could be the little manchild and me; or if the truth singers could be me and our Dear Brother in Canada! For, this Dear Brother has done such a great work in sending out our Father's warnings of truth! And, in our combined work, we are most assuredly connected by the mercy, grace and abounding miracles of both our Saviour and His Beautiful, Little Son of Light, the little Manchild of Revelation 12! And, I believe that this is also true for all of you, who help me with these works in any capacity!

Oh, so lovely is the work of this little boy of Revelation 12; and soon I will give you an update on him! For, he must surely be the power transformer, which our Canadian friend dreamed of!

This Dear Brother, who told me the dream of the truth singers, would call me back later, giving me information correlating Universal time with Central Standard Time; and from what he told me, there is a six hour time differential! In other words, as I understand it, 1800 UTC is 12:00 Central Standard Time! However, I would later realize that Central Standard Time must be converted to Central Daylight Time ( a yearly time conversion in the USA, which allows for more "working" daylight hours) and this would change the time differential to five hours! I believe that this is correct, but if I am mistaken, I am sure that some of you very bright ones will help me to get this right!
The timing is indeed important as regards what I am telling you regarding these quakes and the timing of our Father's letting down His hammer of judgement! For, I finished writing our Father's message (above) at around 12:45 PM on the afternoon of August 03, 2009! And, I believe that He began to dictate this message to me at around

 From The Mountain Prophecies Copyright 2009

11:00 AM on the morning of the 3rd of August, though I am not altogether certain about this exact timing!

So often our Father says to me, “Come and Sit, for I have something to tell you,” and I do not always take note of the time! But, in this case, I did take note of the timing when I finished this message! For, after this message, I called first our Dear Brother in Canada and the timing of this call was 12:54 PM on August 03, 2009!

From all that I can determine, it seems that these quakes occurred shortly after, or so near to, the timing of our Father’s words of warnings, that He had let down His hammer of judgement on this nation! That same night, He would clarify this great warning for the people of this nation; and for those on the West Coast! For, while I was praying with another Dear Friend over the telephone, He would appear to me in a vision with great words of warning for those, who live on the West Coast!

In that time of prayer, our Saviour would stress that these are warning quakes signal ling terrible judgements, which He is about to release against this errant nation! Yet, these four quakes, a grievous warning, indeed, have gone unnoticed by most people in this nation!

### The Vision of our Saviour on the Night of Aug 03, 2009!

During this time of prayer on the night of August 03, 2009, I would see our Saviour, and in His hand a great rod of light! With this great rod of light, He struck the Pacific Ocean, just off the coast of California! Immediately after He struck the Pacific Ocean, I would see undersea mountains, moving and crumbling, beneath the Pacific Ocean! I would also see giant plates and shelves of undersea rocks as they moved out of place, buckling and heaving up beneath the power of the rod in our Saviour’s hand! And, immediately thereafter, I would see a great wave, huge and taller than I could ever imagine, powerful and fiercely destructive, as it came barreling down on the California coastline! Immediately upon impact, I would see the coastline of California as it cracked and parted, breaking up beneath the power of such great and unimaginable force!

Our Saviour spoke of his wrath regarding the great wickedness in California, indeed in this whole nation; and He warned that He is going to send this great tsunami against the West Coast of America! He spoke clearly to me that night, warning His people to get away from the California coastline, to pick up and move out of there! For, this great judgement is not far away!

Oh, so great and powerful were His words of warning that night, and deeply frightening; for I saw such power in His hands and such power when He struck the Pacific Ocean! Oh, so greatly He caused the undersea mountains to move and the great plates to bend and buckle! Oh, so frightening it was and is to see such power in the hands of our Mighty God!

My Dear Ones, this is a great warning to you! Take note of what I am telling you! A great tsunami is going to hit the Coast of California! Get out while you can; for many, many souls will be swept out to sea, to be seen no more! Do not wait any longer to get out of there; for the whole State of California is about to come under great judgement from our Father in Heaven! Wickedness and gross wickedness covers the whole state! Hollywood has polluted the whole earth with its violence and with its fornications; and our Saviour is going to clean up this mess! Hear what I am telling you! Get out now while you sill have time! For, I do not believe that you have much time to do so!

I repeat again! Hear me, oh you people! These four earthquakes, which occurred on August 03, 2009, shortly after our Father in Heaven warned that He had let His hammer down, are a great warning of the grievous destruction, which will soon hit the California Coast! Do not turn a blind eye and a deaf ear to what I am telling you; for this great tsunami could travel inland via the various water tributaries for as much as 100 miles! Get up and move far from the coastline of California and do not allow yourself to be lulled back to sleep after you read this warning! For, great judgement is upon this nation, and indeed upon the whole world!

My Dear Ones, heed our Father's warnings to get right with Him, to get real and to get truthful! Weep and mourn for you sins and for the sins of this nation; and for the sins of your nation, wherever you live! The Lord, our God, wants to see our tears of

 From The Mountain Prophecies Copyright 2009

repentance! He wants to hear the groanings of our hearts for the lost! Don't sit idly while so many are filling up the bowels of hell! Do your part! One person can make a difference!

Remember, my Dear Ones, that our journey through this sphere truly is all about love, to love our Mighty God with all of our heart, with all of our soul, with all of our mind and with all of our strength; and to love for one another, even as we love ourselves!

"Oh, Father, grow Your love in our hearts! Grow Your mercy, Your compassion, Your grace and long-suffering in our hearts! Father, the whole world groans beneath the weight of unspeakable evil! Oh Blessed Saviour, Your word tells us that where evil abounds, Your grace abounds in an even greater measure! Oh, Blessed Saviour, pour out Your grace upon us! Have mercy upon Your children! Have mercy upon the Lost, upon the hurting, upon the downtrodden and the poor!

Help us, Father; for we are all sinners, full of every kind of wicked sin! Remember us with compassion in the midst of Your great judgements! Do not utterly destroy us; Father, though we are worthy of it, the world over! Hear my cries, oh Merciful God; for You are above all, full of love, mercy and grace!"

And, with this, I will leave you, my Dear Brothers and Sisters!

Sending you all the love of my heart …
Your sister and friend through our Blessed Saviour,

Linda Newkirk

# CHAPTER FIFTY-EIGHT

## More Messages for the Bride of Christ!

Greetings of much love to you, my Cherished Brothers and Sisters! It has been a while since the last message, but I must tell you that much has been going on in the works of our Father regarding His Precious Little Son, the Manchild of Revelation Twelve! These events have been most astounding in many ways and have added great and wonderful dimensions to the awesome works of Revelation Twelve!

Unfortunately, I am not able to give you the particulars of these on-going events at this time; for our Father has not released me to do so! But, very soon, I hope to be able to share with you these most profound of events regarding the Precious Little Son of the King and what is transpiring regarding Him!

Also, my great apologies to those of you, who have written to me, fully expecting to hear from me by now! I am busy catching up on my mail and hope to catch up on this backlog of mail very soon! What has transpired has taken up a lot of my time and energy and I have thereby fallen behind, but as I have just told you, I am busy making many efforts to catch up on my obligations to you.

I thank each of you, who has come forward to help with these works, whether financially, or in other ways! I love you greatly! You are most assuredly blessed to be partakers of these wonderful works of Revelation Twelve! Our Father is mindful of you; and He will surely bless you!

My Dear Ones, this Precious Son of our Saviour is so beautiful, so holy, so powerful and strong! He is beginning to spread out into new and wonderful areas. He is so wondrously kind and full of love! I tell you for a certainty that he is surely full of love for the downtrodden and suffering. Yet, he surely hates evil and he will soon bring great correction upon those, who thrive on evil, and inflict their evil desires upon the

 From The Mountain Prophecies Copyright 2009

whole world! Praises to our Mighty God; for He is doing a great and awesome work for all of humanity!

My Precious Brothers and Sisters, the Little Son of the King is the heritage of the faithful! He is the heritage of the Bride! He is your heritage, my Precious Friends; and I encourage you to take very seriously the words of our Saviour in these messages; for He is busy making ready His beautiful Bride! Therefore, read carefully Our Saviour's words of warning and His teaching messages; for all is given for love of you!

The Kingdom of our God is great and it is full of His holiness; and it is holiness that calls out to holiness! So, I warn you, my Precious Brothers and Sisters, to busy searching your own hearts, and to be busy making yourselves ready; for the King of Kings is coming for His Holy Bride!

What glorious love He is, my Dear Ones, absolute and pure love, but He is also a God of great and awesome perfection.

It is when we really die to self, die to the world and all of its cares that we can truly begin to glimpse His divine presence in our lives! Oh so lovely is this walk of total submission to our King; for in total submission to Him we find His overflowing peace, regardless of the chaos around us!

So, clean up your lives, my Precious Friends, and sort out your lives, clean removing all that is not right, all that is not good, and all that does not line up with the will of God for you! Make your lives simple and keep them simple; for it is amidst the clutter of the world that Satan comes in to wreak havoc. Come away from all that is sinful! Resist evil! Resist Satan; and He will begin to lose power over you!

Daily, put our Mighty God first in your lives; and keep Him first! Start you day with prayer and thanksgiving; and sincerely repent daily of your sins! Praise and thank our Mighty God all through the day; and end your day with prayer and thanksgiving towards Him! Trust Him! Believe in Him and keep your focus on Him! Seek His perfect will for your life and ask Him to order your steps, indeed to order your whole life! Be

busy asking Him to make your spiritual robes white, your soul, your spirit, your mind, your heart and thoughts clean and pure; and to weed out of your life all that is not His will for you! Pray these things daily; and then, trust Him to do these things! For, this cleansing is a process and can take some time!

When one door closes, do not be sad; for when He is ready, He will open another door for you! When the persecution and torture arise for His Namesake, thank Him for all things and praise His Holy Name! For, our Saviour suffered and died for us; and all through the ages, many have been tortured, persecuted and have also been killed for love of our Mighty God! So, when you are persecuted for love of Him, just know that you are on the right track and rejoice in your suffering for love of our Mighty God! How blessed we are to suffer for love of our Blessed Saviour; for indeed He first suffered for love of us! Truly, my Dear Ones, all things do work together for the good of those, who are called by our Mighty God! So, our suffering is but for a little while, but His promises to us are eternal!

Refuse to be bitter about your suffering, and if a root of bitterness has crept into your heart, ask our Saviour to pluck it out, to heal you of all of your hurts, to purge and burn out your painful memories and to put into you instead His divine attributes! Remember, my Dear Ones, that bitterness is like a terrible disease! If left in one's heart, it will grow until it pushes out all of the light of God! Therefore, refuse to hang onto old hurts and wounds, but pray daily for healing of all old hurts and wounds and for a healing and purging of all sad and bitter memories!

When sad, it is good to weep for your sorrows before our Mighty King; for He knows that we travel a road of great travail, but do not stay in sadness! Do not stay in bitterness! Ask our Saviour regularly to take all of your burdens and to make your journey light; and He will!

Ask Him to govern your thoughts, to make your thoughts His thoughts, to make your goals and aspirations His goals and aspirations, and to make your prayers His prayers, to fill you to overflowing with His love and compassion and to make you an instrument of His perfect will!

 From The Mountain Prophecies Copyright 2009

Daily, ask our Saviour to make your more like Him; and to put you in a holy place and to keep you there! That holy place, my Dear Ones, is the Straight and Narrow! Stay so close to our Saviour that evil will find no place in your thoughts or in your life! Be kind; and love others!

Remember that many perish for lack of love; for the hearts of so many have gone cold! Therefore, my Dear Ones, let your love light shine! Bestow here and there anonymous acts of love and kindness!

To know and to love our Saviour is to truly love others! Be kind to the poor, to the suffering and to the downtrodden and lost! Remember that many perish in darkness, lost in fear, clean cut off from the love of God! Love is true! Love is real; and love is lasting! Your loving acts of kindness truly make it to heaven before you do! So, be busy storing up your treasures in Heaven; for these beautiful gifts of love are your eternal joy!

My Dear Ones, soon, I will be able to update you on the most awesome of events, which have been transpiring regarding the Precious Little Son of the King! So, keep checking back!

Until next time, I send you my heartfelt love and so many, many thanks to each of you, who have so lovingly helped with these works and who continue to be such great blessings!

Jesus is our Precious Life,
Your Sister and Friend,

Linda Newkirk

**He is Coming for the Wise Virgins!**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Blessed Child, even, and just as surely as the wind blows, and just as surely as the sun rises in the East, My promise is ever so true, that I am coming for My Bride! Many can sense when a time of crisis is at hand; and My True Ones can also sense the time of My Coming!

My Little One, I long to come for My Bride, even as My Bride is longing for Me! And, I warn Mine through dreams and visions and through the prophetic word to make themselves right before Me; for the time of My coming is at hand! And, over and over again, during the past few years, I have sounded the alarm to My Bride to make herself ready; for My coming is at hand! And, truly I have wanted to come (for My Bride) and could have expedited many things so that My coming for My Bride would have already taken place! But, even so, My Little One, I have continued to tarry and I have further delayed significant world events; for some, whom I wish to marry, would not make themselves ready! My Little One, I am saddened to look and see that so many raise their arms towards Me and say, "I am ready," when their hearts are full of every kind of darkness! At a time when My Bride should be in her closet praying, confessing her sins, and pleading for Me to make her whole and clean, this is not the case with many! Instead, many, upon hearing that My coming is at hand, drop all, and shout, "I am ready!" Do these think that I am blind, and that I will not see all? Do they think that I will whitewash their sins and take them as they are, overlooking their darkness, even as they overlook it? Do they believe that I will work some magic, erase their sins, and take them away? My Little One, the sins of Satan and the sins of his hoards have polluted My people! They have polluted My churches and they have come to occupy My Bride! I will marry none, save they are clean before Me! And, to be clean is a great work! To be clean requires a great desire to be clean! To be clean requires spiritual discipline and obedience to Me! To be clean requires that one forsake the world and all of the evil that is within it! To be clean requires that one loves Me above all! To be clean is a work and no amount of whitewashing will make one clean!

My Little One, it is important now for Me to list the characteristics of My Bride! Alongside these characteristics of My Bride, I will also list the corresponding

 From The Mountain Prophecies Copyright 2009

### The Children of Satan

Remember, My Little One, that the children of Satan may not know at all that they are the children of Satan! They may not be avid "devil worshippers" as many imagine!

You are well aware, My Precious Child, that there has been massive genetic experimentation going on in the vast laboratories beneath the earth; and these offspring of Satan have mixed their seed with that of humans! Therefore, in this world, there are many, who are hybrid children of Satan!

Can these ever know Me? Yes, they can, but for them to get free will take a great deal of effort on their parts and a great deal of praying and longing before Me; for Satan does not easily to let go of those on whom He has made a claim! But, even so, my Blessed Child, great is My love for all of these souls, who have been born into such great slavery! Above all, I am full of love; and I am full of compassion and mercy for all souls, who end up in such misery! I am their freedom!

(For your information: Daniel 2:43 "They shall mingle themselves with the seed of men,…")

Our Saviour continues …

And, regarding the above characteristics, there could be more still; but with these things, we shall stop for now! My Little One, may all remember that I am giving this list

 From The Mountain Prophecies Copyright 2009

so that all can sort out their lives, and weed out of their lives those characteristics of Satan's children! Too many of the ways of Satan's children have crept into My flock, into My Bride; and these must be recognized and purged through true repentance, and a regard for right behaving and right living before Me! I have not given this list so that others can rise up and judge others and call them the children of Satan! I have given this list so that many can look and be circumspect about their lives and do away with these offensive behaviors, which have crept into their own lives! It is time for My Bride to make herself right for me; and I am making sure that all know what I expect!

I have called My Bride to a walk of perfection and I expect perfection! I will not marry anyone, who is not clean before Me! My standards are very high; and I will have it no other way! May all read and may all evaluate their lives and may all be the wiser and repent of their wrongs! For many are called, but truly few are chosen! The way is narrow and the gate is straight; and there has never been any other way!

I am your Father Yahweh, yea Jehovah, Most High God!

## Second Message to the Bride of Christ!

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! Listen to Me, and write as I say that all may be the wiser!

My Little One, I wish to tell you a short story about a man, who went out to purchase a horse! An honest man went out to purchase a horse! He was a goodly man and was clean, sober and honest in all of His affairs! He was generous ,kind, kind even to his enemies, and when he gave, he always gave more than was expected of him!

This man went out to purchase a horse! The horse was a white horse, and from the photos, showing that it was for sale, it looked to be a beautiful horse, clean, pristine in its appearance, big and beautiful, its coat glistening in the sunlight!

So, the honest man sent money ahead and he purchased the horse and he looked to the day when he would bring such a lovely horse back to his own land!

It was something of a journey for the honest and kind man to pick up his prized horse, and also a bit of time had lapsed between the time that He paid for the horse and the time that he actually went for his prized possession.

But, the honest man was kind and trusted and believed that when he went for his beautiful horse, that his beautiful purchase would look exactly like the picture that he had in mind.

However, on entering the barn, where the horse was kept, the kind and honest man was so greatly shocked to see the state of his prized purchase! The coat of the horse was no longer white, but full of mud and was matted with briars and thorns! One shoe was missing and another shoe was loose and flopping around! The barn was full of numerous flies and the horse was skinny and bloated with parasites and diseases!

The kind man longed to take this horse back with him, but knew that He would not! This horse would need a lot of work before it would be able to make the journey! And, the kind and honest man, being a very good farmer and husbandman, would not allow the infected horse to come amidst his pure ones and to pollute them!

So, the honest man called aside the owner of the farm, where the horse was kept, and he demanded more time on the farm for the horse! He left the owner of the farm with strict instructions for exercises, care and a very strict diet for the horse! He laid out very strict standards for the horse, demanding that it would be brought forward and caused to look like the perfect photo, or he would not be taking the horse!

 From The Mountain Prophecies Copyright 2009

The owner of the farm knew that it would take some time to bring the horse back to its original beauty, but he also knew the strict standards of the kind and just man! He also began also to fear the kind and just man, knowing that he would carry out the requests of the kind and just man, who had purchased the beautiful horse! He would therefore exact the strict measures, which were needed to bring the horse in line with the expectations of the owner!

My Little One, that horse, that beautiful, white, pure, lovely horse is my Bride! This is the image of My Bride! On many occasions, I warned that I have intended to come for My Bride! But, I have looked and I have looked and with each warning that I am coming, I look, and the state of My Bride is not clean! It is more filthy and full of all manner of trash!

I tell you, My Little One, that as time has passed, and as I have warned of My intentions to come, that more have fallen away and fewer have made themselves ready! For, they truly believe that they have a perfect escape from who they are and what they are! They believe that I will come and clean remove them from their much needed corrections and from their suffering!

My Little One, I am coming for My Bride! I am coming for the Pure of Heart! I am coming for those, who revere Me and fear Me, who truly do work out their salvation with fear and trembling before Me! I am coming for those, who are humble and lowly before Me, who sing to Me the pure praises of their hearts! I call for purity, for holiness, and My Bride throws me chicken feed and garbage!

I am not coming for this! I will not take this! I have not paid a price for this! I am not a magician that I will work some magic and take what is rotten and filthy, snap my fingers and make it clean! I will not!

But, I will, and I am about to, put My Bride through the fires of purification. I am about to put My Bride through the furnace of afflictions! For, I demand purity and they throw Me chicken feed and garbage!

Make no mistakes about it! I am about to scrub My Bride! I am about to purify My Bride; and in severe and harsh ways, I will scrub these; for they have overwhelmingly become, before Me, as the filthy horse; and I will not have this in My presence!

Go in peace, My Little One; and know as well that not all of My Bride is filthy and unkempt! A few have made their robes white, their hearts pure and their lives holy before Me! But, there are indeed few!

However, I shall not ignore what these few have done and continue to do in their love for Me! But, a few I shall surely reward in great and wondrous ways!

So, be of good cheer; for truly each is rewarded according to his own works before Me! (For your information: Rev 2:23"I will give unto every one of you according to your works.")

I am your Father Yahweh, yea Jehovah, Most High God!

# CHAPTER FIFTY-NINE

## "A New Set of Laws; and My Laws are in Him!"

Come unto Me, My Blessed Child; for My arms are outstretched wide to you and My heart is overflowing with love towards you and My Little Son, who lives in you!

My Blessed Child, I am setting you up high on My olive branch; for from this perspective I shall cause you to see far and wide! For, I shall soon give you new eyes, new ears, and a new power, which is unlike anything that you have ever seen! And, I shall put into your mouth a sword of fire; and into your hands a sword of fire; and through this fire, I shall wreak havoc on the enemy!

My Blessed Child, eat from My hands what I now feed you, and drink from this cup what I now give you to drink, for a day of great reckoning is at hand! It is a time wherein I will raise up My Two Witnesses, and a time wherein I will also raise up a few Joshuas and a few Elijahs.

Blessed are you, My Beloved Child, for even as My Chosen One, Moses, was called and was sent down with My law, with My Ten Commandments, I have likewise called you, have chosen you to come forward, even unto Me, and to bring forward a set of new laws and commandments, which will go out through My manchild, which you have born into the earth; and whom you are now birthing into the earth!

Yes, My Little one, My work through the little manchild, through My very own Son, will bring into the Earth a new set of laws! For, He is the birthing of My Kingdom Come and My Will Be Done in the Earth! And, he is My new set of laws and My laws are in him! And, it is through him that I shall bring forth My New Covenant with My people, that through this Covenant, each is the living law, the law manifest; for I AM THE LAW AND THE LAW IS ME!

My Little One, this is My Kingdom Power, and I am the basis of this Kingdom Power, a power, which is built upon truth, honesty, integrity, love, compassion, faith, and honor, among other divine attributes. But, the basis of this law, My Little One, is My pure love! And, none will walk in this new power if they will not love Me above all, and truly love others, even as they love themselves! For, this power comes to each one through My Little Son, the Manchild of Revelation Chapter Twelve!

It is time, My Blessed Child! It is time for him to return to My throne! It is time for him to go out into My faithful, to take up residence in them! When this takes place, I will begin to rise up My Supernatural Army in and through these!

It is time for My Little Son to come back to My throne! Yes, My Little One, you have waited a very long time! And, you have suffered great and unspeakable tortures and persecutions! And, I have watched! I have looked! I have weighed many things; and I have tarried for a season, but My promise to you is that the time (to take My son home) is truly now at hand! For, I have set the stage! I have moved many pieces of the puzzle into place. I am busy preparing the Two Witnesses, for these shall soon appear and they will shock the world. For, I shall bring them forth in a way and in a place, wherein many shall be shocked! But, even so, I shall bring them forth!

My Little One, you see great and marvelous things taking place around you regarding My Little Son, and you are amazed at My handiwork in My Son; and rightly so! For, I have prepared Him for such times as these!

My Blessed Child, My Little Son will help many, who are sick and dying from all manner of diseases, but he will set free especially many, who have the Morgellons Implant Disease! Yes, it is an implant disease, one in which Satan and his many hoards have viciously implanted the bodies of many with foreign substances, the purpose being to siphon off their light, and to override their electrical (neurological) systems until they are either mind controlled slaves, or dead! They really do not care, but delight in all of the suffering, which they have inflicted upon these unsuspecting souls!

 From The Mountain Prophecies Copyright 2009

My Little One, you know the work of My son, that he is able to clean remove all such implants from the bodies of these Morgellons sufferers. And, I have brought him up amidst the most horrendous of implant technologies! Never has a living soul suffered what you have suffered, not any of the Morgellons sufferers, not anyone, not another living soul!

I have brought up My Little Son in you, amidst the most horrendous of conditions, beneath the feet of Satan and all of his hoards! And, I have done so all in order to make him ready to go into My Bride, My Supernatural Army, and to equip them for these most horrendous wars, which involve these most terrible of implants and implant diseases! For, these implant diseases are now rampant and are going to increase in an exponential way! You will see this in the world, when these creatures come up out of the earth and sting the people for five months! (Rev 9:10) As you well suspect, they will sting them by driving fibers and other implantable objects into their skin and tissues! Almost overnight, the implant diseases will skyrocket, and escalate to pandemic proportions, and many will not know at all what has caused such pain, such red whelps, and such stinging!

Therefore, My Little One, as this is already going on and there are no cures for these implant diseases, except for My cure through My Little Son, the manchild of Revelation Chapter Twelve, I will most assuredly take him to My throne very, very soon; and I will also call all, who are deemed ready and worthy; and I will impart My Little Son into these, who will them become the Manifest Sons of God!

My Little One, these Sons will then become your seed, as mentioned in Revelation Chapter Twelve, verse seventeen! And, Satan, on seeing them, will make war against them!

In My army, There will be many ranks, and not all will walk in the same power! For, in some the manchild will be of great power and in others, he will be of small power! Those, who walk in great power, will do great and marvelous works and will exhibit much of My power, the most powerful of these being the Two Witnesses! But, others

among them will also walk in much power and will manifest many miracles, many healings and many deliverances in My Name!

But, others (among My army) will struggle greatly; for they will be severely tortured by Satan, even as you have been severely targeted and they will be greatly troubled; for they will have little power and Satan, on seeing this, will trouble them greatly! But, it is important that each remembers what you have taught them: to be grateful for all things, to praise Me and thank Me for all things, and to seek My perfect will in all things, lest bitterness set in and defeat should rear its ugly head!

My Little One, you have shown them by example; for I have put My perfect example in you, that is long suffering, patience, trust and faith in Me, a loving heart and kindness towards others, to daily die to self and things of the world! And, these are not all, but of most importance are these basic attributes and concepts in surviving and doing well, even in captivity under the feet of Satan and all of his hoards! For, you, My Little One, have surely been in prison and in a very terrible prison for too many years.

And, you ask, “My Lord, considering that it has been Your will for me to be in prison for these years, how is it too many years?” And, My answer to you is this: “It has been too many years, My Little One, for your time of suffering has been extended! I have tarried and delayed because too many have not made themselves ready!” But, I warn you now; and I warn all now, that I am coming! This time of tarrying and delaying is running out! I will take whom I will take, but great and severe shall be the disappointment in the hearts of My people! For they believe that they are clean and are not clean! They say that they love Me, but do not obey Me! They say that they love others, but do not love others! Therefore, My Little One, many, many will be shocked at what I about to do and how I am going to do it! For, in this situation, many of the last shall be first and many of the first shall be last!

I am a God of My word, My Little One! I have forewarned that I would tarry, and I have tarried for many, many months! But, I tell you now and believe and receive it, that all that you long for is yours in just an instant of time! The heritage of My son, he is now embracing; and your very heritage, My Little One, is now on your plate! Likewise, all,

 From The Mountain Prophecies Copyright 2009

who are clean, whose hearts are pure before Me, also have their heritage before them, even on their plates; and in an instant of time, this heritage for all, who are pure of heart, shall be realized!

Let the wise get more wise! The clean, even more clean! The faithful even more faithful! The loving, even more loving! For, at this late hour, I am extending an abundance of My love, My mercy, and My grace to all, who have made themselves ready; and to all late comers, who are still struggling with a few issues!

Go in peace, My Little One; for I tell you the truth! Rejoice! For, all that you long for, all that you wait for, is only an instant away!

I am your Father Yahweh, yea Jehovah, Most High God!

# CHAPTER SIXTY - PART I

## "Salvation for the Children of Satanic Lineage"

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. My Little One, do you remember a vision, which I gave to Peter, and it was about eating the foul and abominable? Yet, My words through that vision were what I make clean is clean! For, there was a controversy among some of My apostles about giving and preaching the gospel of salvation to the Gentiles.

Yes, my Father, I remember this vision. (Read: Acts 11:1-18)

And, My message was then, as it is now: What I make clean before Me is clean!

Now, My Little One, my people come to yet another obstacle in the road! And, this obstacle is regarding My salvation for the children of Satan! For, many argue that they cannot be saved! But, I tell you that the one that I make clean is clean indeed!

And, this brings us to another point, that point being a journey into which I have placed you for nearly three months! And, most being oblivious to this journey, I will now expound upon this journey on which I have placed you! And, this journey being your helping in the rescue of a child of Satanic lineage, who was about to be devoured by them!

Did I have her contact you? Yes! Did I have you, thereby, set upon a course to help rescue her and her little ones from an otherwise helpless situation? Yes! Has this been easy for you? No! Has this caused you additional and great travail? Yes! For, you have still suffered greatly and this one is now under even more persecution than when she came!

 From The Mountain Prophecies Copyright 2009

So, what is the point here, My Little One? The point is that I have caused you to share the Manchild with her; for she would not have made it otherwise, her body being full of implants, wires, fibers, and crystalline structures, to the point that without My intervention, she would have soon died!

Now, be advised that the Manchild is still primarily connected to you and is released out into her through something akin to a heavenly umbilical cord! So, he has been born, yes, but not in the sense of an earthly birth; for he is still attached to you. And, as such, the power, which comes to her through the Manchild in her, comes through My Manchild, who is in you.

Now, who is this woman? She is of the Satanic lineage, having been born into it and brought up in it since birth! Yet, she has loved Me and has longed for Me and has pined for Me, loving Me and seeking and believing in Me in the midst of such great evil.

My Little One, you may or may not remember your heartfelt prayers before quite some time ago, that if it would be possible that I would save the children of Satan, even those in high positions of world powers.

Yes, Father, I do.

My Little One, you are seeing but one of the tragic cases of those, who are called the children of Satan! They are hybridized, genetically altered through the mixing of the Satanic, genetic makeup with the seeds of humans. (Daniel 2:43) They are all in hopeless prisons of constant torture, mind control, rape, sodomy, interbreeding and on and on goes the long lists of horrors, which they endure.

I have already told you that they can get free; however, only, I am able to save them! But, it will not be easy for them to get free! For, they are not only full of a vast array of implants, wires, and mind control, but also full of many demons. And, anyone, who sets out to help one of these, will raise the ire of their controllers and as a result will also heap upon himself or herself an undue amount of trouble, of persecution, of

harassment, not only through their controllers, but also from the demons, who reside in them and through the heavy mental programming, which is easily intensified via all of the wiring and implants, which are in them! So, anyone, who sets out to help a true child of Satanic lineage is in for some heavy trials, some heavy persecution, intimidation and even torture, possibly even death! For, Satan and all of his hoards are viciously protective and absolutely controlling of their own!

The truth, My Little One, is that only I can free such a child of Satan. And, this being the case, reconsider My words wherein I told you that the one that I make clean is clean indeed!

Furthermore, My Little One, I brought along this woman and her little ones at the very end of the 40th month of My Little Son! He had spent His forty months in the wilderness place when I brought her along! This date was the 10th day of September 2009. On the 7th day of October of 2009, I released the Manchild to take up residence in her also, for you have begged and pleaded for the salvation of the greatest numbers of souls; and I have told you that I would give you your heart's desire in this! Therefore, I reach out now through My Little Son to save many, who are hopelessly chained to Satan through their birth lineage! And, I have caused My Little Son to enter into a woman, who is hopelessly imprisoned, in order to give him training in making free the children of Satan!

My Little One, this very thing, which I have done, and also because you have pleaded for it, for the salvation of the children of Satan, has caused your time of suffering to be extended! For, what you ask for in terms of salvation of souls, will also cause you to pay a great price!

Therefore, My Little One, upon you, suffering has been heaped upon suffering, pain upon pain, and despair upon despair! For, you have not only been more greatly victimized by the intensified assaults of Satan, which I have allowed, you have born the pain of the verbal and spiritual assaults of the many demons, which are in this woman! And, you have struggled within to witness the great mind control, which rests upon her; and over this, you are powerless.

 From The Mountain Prophecies Copyright 2009

Nevertheless, remember My previous words! The one, whom I make clean is clean indeed! I am doing a marvelous work through My Little Son in teaching him how to free the children of Satan. But, as for you, My Little One, I have caused you to remove yourself at this time and all in order to save you more suffering and pain!

Through all that is taking place here with this woman and with My Little Son, whom you share with her, I shall bring forth a mighty miracle for all of humanity, but especially for the freedom of many of the children of Satan. So, be not troubled; for an even greater harvest shall come forth! For, I shall set free many of the children of Satan. (Thank you, oh Precious King!)

And, have faith, My Little One! For, I shall cause to be brought forth all of the funds that are needed to acquire more land and to build a house of worship for My people! For many will travel for long distances also, so that they can be set free, healed and delivered! To whom much is given, much is also expected!

I am giving! And I shall set free many of the children of Satan! For, I am firstly a God of great love, mercy and grace!

You, My Little One, have paid and continue to pay a heavy and indescribable price for My people and even for the children of Satan; and I shall greatly glorify Myself through you! Throughout the generations, My people will know of you and of the great and terrible price that you have paid for all of humanity! And, your name shall not be trampled anymore, but you shall be greatly revered.

Take all messages, which I have previously given you for posting in this chapter, set them aside; and make this chapter sixty!

I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY - PART II

### "Behavioral Traits of the Children of Satan!"

Come unto Me, My Blessed Child; for I wish to tell you more regarding the children of Satan! For, I am firstly pleased in your heartfelt prayers to Me on their behalf, for the salvation of the children of Satan! And, because of your prior heartfelt prayers for their salvation, I am now making it possible for the salvation of more of them! And, this work, My Little One, is on-going through the training of My Little Son, the Manchild of Revelation 12, who now indwells one, who came out of a satanic lineage.

My Blessed Child, many will be appalled to know that they are of the satanic bloodline, or the satanic lineage; and they will deny this genetic link, even when the evidence is overwhelming and right in their faces. For it is greatly disturbing to them and rightly so; but even so, am I not able to do all things? And, have I not promised you that you would see the salvation of the greatest numbers of souls; but you have not understood in the least manner how you would see the salvation of the greatest numbers of souls. But, I tell you now, My Little One, that you will see the salvation of the greatest numbers of souls through the work of My Precious Little Son, who is in you! For, My Blessed Child, he brings forth a new power into the earth, a new way, a heavenly way! He is My Kingdom Come, and My will be done; for through Him will come forth the Sons of God manifest! And, My very own Son in these will rule the world with a rod of iron! You, My Little One, are his spiritual mother! There is none other! You have paid

 From The Mountain Prophecies Copyright 2009

the price to bear him full term and you still pay a great price, an extended price now for the salvation of the children of Satan!

Now, My Little One, I will proceed with more information regarding the children of Satan. Yes, Satan and his own have mingled themselves with the seed of humans and have thereby produced hybridized offspring! (Daniel 2:43) This is why they are called the children of Satan and this has been going on in some capacity since the beginning! However, within the last 200 years, and most especially within the last fifty to seventy-five years, this process has escalated in a very grand way! And, this escalation has been because of the fact that Satan sees that his end is near. Therefore, he is out to weaken and totally destroy all of humanity through his hybridized, mind-controlled slaves and breeders.

So, there has been a great explosion in the births of the children of Satan, with vast underground labs and air ships, which are utilized full time for the purposes of interbreeding of humans and Satan's own. Therefore, My Little One, these hybridized children of Satan have permeated all facets of society and particularly government positions of leadership, not only governmental leadership positions, but also in the sciences, in all areas of the sciences. In addition, they have made their presence strongly known in the medical field, and they have infiltrated and heavily permeated every area of My spiritual work, with certain colleges and universities being dedicated to turning out spiritually dead, mind controlled, robotic arms of Satan! And, many of these graduates have risen to positions of spiritual power and leadership over My people! Many of these highly elevated preachers are "secret" freemasons and "secret" members of dark, secret, and ugly satanic cults! Others of these, who graduate from such schools, do not even realize that they are children of Satan! They are attracted to the spiritual walk because they know that something is terribly wrong in their lives! But, they do not know how to get free。

Many of those, who graduate such schools, are scholarly Bible types, and can expound upon My word in great depth and to an great degree! But, some of these are the children of Satan; indeed, they are as sounding brass and tinkling cymbals! For, they make a loud noise! They talk, talk, and talk, but are hollow inside, devoid of My Holy

Spirit, and also filled with many demons! Many of them become preys upon My people, some of them falling into diverse sins of the flesh and into diverse scandals, ruining and wreaking havoc in the congregations of My people!

Be advised, My Little One, that the children of Satan, will always wreak havoc in any congregation of My people! They will stir up strife! They will spread dissension, gossip and tale bearing among other things! They will come with many different faces, some of these faces actual multiple personalities, and some of these faces, the faces of the many demons, who inhabit them. But, when confronted with the truth of what they do, their first response will be invariably DENIAL!

For, through all of their lifetime of suffering, denial has become their best friend and ally! And, not just one denial spirit, but layers of denial spirits, denial heaped upon denial! For, these children of Satan have not been brought up like normal children! Instead, they have all suffered extreme and intense emotional, physical abuse, this degree of emotional and physical abuse varying from one to the other. Many of these have been raped and sodomized almost from the time of birth! Many of these have suffered great emotional pain as they would become attached to someone, or something, only to see the object of their affection taken away under brutal and harsh conditions.

These children of Satan have been mocked and ridiculed from an early age, all to make them cold, heartless and distrusting of all humans! As the years go by, these, who have been so mocked and ridiculed come to distrust everyone, thereby manifesting a deep sense of paranoia regarding all people! They are constantly on edge, looking for someone to “do them in” and as a result, they constantly sabotage their own relationships! They will, therefore, overlook goodness, even when others heap goodness upon them, for amidst the goodness, they are busy looking for a “bogeyman” in every closet. Therefore, they drive others away with their constant railings, accusations, and denials. They have built such shells around themselves that none can really get close to them, for any, who attempt to help them, will ultimately become their victims.

 From The Mountain Prophecies Copyright 2009

My Little One, these children of Satan are monitored via systems of implants, some of these systems of implants being massive! And, all of the children of Satan are under various forms of mind control, whether this mind control is primarily through implant technology, hypnosis, drugging, or absolute and pure demonic, Satanic reptilian possession.

Many of these children of Satan are possessed of a group of demons from the time of birth and via torture; some fetuses are even possessed of demons before they are born! So terrible is the torture, which is inflicted upon these unborn and also upon the women, who are the Satanic incubators!

To most of the children of Satan, will be assigned a primary fiery, reptile spirit. This fiery spirit will occupy the body of the child, at first now and then. But as the child grows and as the human spirit in that body is progressively suppressed through torture and mind control, that reptile will inhabit the body more and more until the human spirit is so suppressed that it is encased in a total prison of helplessness and darkness.

My Little One, what I am describing here is much more than demonic possession. For there is genetic hybridization also, which gives Satan a claim to this body! So, for these to be free requires not only the casting out of all such demons, but a total breaking of the Satanic bonds through genetic manipulation. And, only I am able to break such bonds and to make them null and void.

In addition, My Little One, such a child of Satan will bear huge amounts of trauma-based memories, which will be hidden and tucked away in their memory bank, in their bodies, in their minds, souls and spirits. And, this memory, emotional bank of traumas must be healed and purged.

My Little One, in addition to what I now elaborate upon, remember what I have told you about the system of implants, which are implanted along the neural pathways of these children of Satan. Therefore, via constant mind control, through constant drugging and on-going abuse and through the use of mind control handlers, many of them real

people, some of them begin personal acquaintances; these individuals cannot in anywise get free!

At this time, My Little One, many of the children of Satan, are no more than robotic elements in Satan's army! They are helplessly captive and cannot get free! Also, My Little One, none can really help them; for none can remove the vast system of implants, fibers, strings, metals, glass, etc, which is within their bodies.

Therefore, at this time, many, many souls are imprisoned, many children of Satan and they will not get free, not in this lifetime, unless I do a great work.

This is the work, which my Little Son is doing in this woman that I have sent to you! My Little One, he is being trained to set free the captives of Satan. And, when this work is done in this woman, whom I have sent to you, his work will be done in the Earth, and he and many others, who wait and pray for Me daily will see My face!

This is not a lengthy work, My Little One, but a short work! Today, you are one week past the forty-two month birthday of My Little Son, the Manchild of Revelation 12! But, My promise to you is that I will not tarry much longer!

Your added price for the salvation of these children of Satan has been very, very great, My Blessed Child! For, great, great has been the Satanic persecution against you, mountains upon mountains of it! Therefore, you have become so exceedingly tired; for vast cages of their terrible technology have been heaped upon you, the darkness of their evil technology extending around you at times, up to 50, 75 and even 100 feet, or more! Yet, this great and additional amount of suffering will truly not be long!

My Little One, even when My Little Son goes to work on this woman, who lives several miles away from you, he must go there to work amidst these terrible cages! For, he, too, is a prisoner, but he delights also in knowing that I will empower him to set free many of the children of Satan! And, though he also suffers greatly, he is delighted that I will cause him to do such a wondrous work! For, he has been under the feet of such great evil since I gave him to you on May 10 of 2006, and by now he greatly hates evil!

 From The Mountain Prophecies Copyright 2009

With this, My Little One, we shall stop for now! Put these messages into Chapter Sixty!

I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY - PART III

### "A Precious, Little Child of Mine!"

Oh, Glorious Father, I come back to you today to ask if there is still nor more, which You wish to impart to me for this chapter; for still I hear Your voice.

My Little One, I continue to speak to your heart, for you hunger after My work! And, yes a few more things I wish to impart to you; for your heart calls out for more understanding in all things. My Little One, you greatly love this woman, and all of the precious little ones, who are with her; and you have wanted the very best that I have for them!

My Little One, I caused her to find you on the Internet; for she so travailed and cried out to Me! I caused you to write quickly to her and for you and a few others to reach out and to love her! I caused you to help this woman in many ways; for I also love her greatly! For, amidst all of the suffering, amidst all of the pain, amidst all of the hurt, all of the sorrow, and amidst all of the mind control, amidst all of the implants, amidst all of the demons and denial, anger, etc, there sits a precious, little child of Mine! A bewildered, sad, lonely, confused, little child! This little child loves Me greatly and she

is begging to see clearly all things; for she needs to understand well that I also love her greatly and have been with her amidst all of her suffering!

There exists some confusion, my Little One, regarding salvation and the word saved! For, many erroneously believe themselves to be “saved,” when salvation is actually a journey, which goes across much time! At the end when all of the books are opened, then one will truly know the meaning of salvation. Until that time, all are on a journey towards salvation!

So, my Little One, as far as this one, she is only now beginning to know Me for the all powerful God that I am; and in this, I am growing her! I am cleaning her up; and I shall call her forth, once clean before Me, into a mighty calling! I will use her greatly towards the salvation of the prisoners of Satan, and towards the calling forth of judgments against them! Just know this! To whom much is given, much is expected!

After I have thoroughly cleansed this child of Mine, she will embrace her past and no longer try to hide from it! When she truly embraces her past, she will begin to emerge victorious from it all, and then I will cause My light to shine forth through her in a grand way and she will then help do a mighty work towards the salvation of many souls! This is what I am doing, My Little One! And, in due season, this woman, this Child of Mine, will do a great and mighty work alongside you!

So, be of good cheer; for through this added tine of your suffering, I am bringing forth a mighty victory for many, many souls! And, I will also bring forth a very anointed servant of Mine, who will also work alongside you! This work is coming! Soon, you will see it come to pass, even as I have already told you! So, be of good cheer!

I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY - PART IV

### "So that I Might Glorify Myself! and

### "The Fiery Furnace"

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! Blessed are you, My Beloved Child; for you ponder on My words and you seek after Me, longing for Me from day to day, even as deep calls out to deep!

My Blessed Child, I wish to impart to you some additional thoughts regarding this woman, my little and dear child, whom I have brought to you! For, even as you know, she is appalled, yes horrified by the great depth of evil, which has surrounded her since birth! And, greatly doubting and absolutely overwhelmed she is by it all and wondering also about the veracity of so many things!

But, be advised, My Blessed Child, that even as I caused Joseph to go into captivity, that I might purify him and refine him as pure gold in my hands, I have caused this child of Mine, this soul, who is dear to Me, to be born into a Satanic lineage, into a house of slavery and to spend over fifty years therein before I would begin to stir within her, to show her the truths of her very existence! Many will ask why I would take a beloved soul, who belongs to Me, and to cause this one to be born into utter slavery and non-stop cruelty! And, My response to this question is, "so that I might glorify Myself,"

For, in the face of her controllers, in the face of her wicked father, in the faces of some of her wicked family members, and wicked Satanic pawns and peddlers, even in the face of Satan, himself, I am visiting this woman! I have shared My beautiful, little Son of Light with her! I have visited her mightily in the face of her great afflictions! I brought her forth out of a wicked city, with a mighty outstretched hand, even in the face of armies of evil and in the face of terrible, wicked technology of the U.S. Government!

Yes, I have poured out My miracles on her, and still hold her in the palm of My hand, though she has much to overcome!

My Little One, I have called you as her friend, but also as her overseer; for she is still under much bondage via the enemy! As she will listen to My words to you, as you feed her My words of counsel, and she eats accordingly, I will thereby continue to break many bonds of the enemy, to uproot, to pluck up and bring down all controls of the enemy! And, there will come a time, and soon, when I will make her free in all ways, radiant, white and sparkling clean in My hands.

But, at this point, she is not free, but subject to My help as it comes both directly to her from Me and via all that I give you! I have told you that you must help her if she is to be free, and you are to do as I do direct! And, if she will put Me first and obey Me, this work will go quickly, but if she allows other things to come before Me, chastisements will befall her and all of her household! Because she has the little Manchild, My Son, in her also, these chastisements will be quick, harsh, and brutally painful until she gets the message that I expect purity, truth, honesty, clarity of intentions and holiness! For, My Little Son is holy and holiness calls unto holiness!

Yes, I want you to write this; for what I do with My Son in this woman I shall soon do with others! This is My directive! I am calling out for holiness, for My bride is to be perfect, even as I am perfect! Let all understand and be the wiser; for the breaking of My rules and directives is coming to an end! Evil and sloppy spiritual behavior will not be tolerated in the presence of My Little Son of Light! For, I am He and He is I!

My Little One, you know this hard walk, this walk through My brutal and horrific fires! You have lived in it some years now; and you are at peace in all things, which concern Me and My will! But, who else is ready for such a walk through My refining fires? Who is ready? Come forward and receive your cleansings at My hands; for I will cast you headlong into a furnace, that is seven times hotter! I will turn up the power and I will polish you, and refine you! Are you ready for the furnace of afflictions? For, I am about to polish and refine My Bride! For, you come and you say, “Marry me! I am ready! Marry me!” But, you have not born the heat of My hot fires of refining! Now, come your

 From The Mountain Prophecies Copyright 2009

refining fires! I shall make these fires seven times hotter and the greater your sin, the greater your pain and suffering! Also, the greater your calling, the greater your suffering! Are you ready?

Oh, Blessed Father do I understand correctly that You are about to put Your Bride through great and horrific fires of testing?

My Little One, I have pleaded with My Bride (to make herself clean) as a beggar would plead for a crumb of bread! Am I a beggar, that I should plead with her to make herself clean before Me? No, I am not a beggar! I am Creator! But, I love My Bride with an everlasting love; and I plead with her to make herself clean; yet she comes to Me with filthy hands and with filthy clothes.

Am I coming for this? Am I going to marry this? I am not; but will cast her headlong into the furnace of afflictions, even as I cast you some years back! Yes, I will toughen up My Bride, even as I would toughen up a diamond! And, through these great fires, I will burn out all dross, until each one is a pure and radiant diamond in My hands!

My Little One, you know this fire! You know this heat! You know this purifying process; for you live in the midst of My hot and all-consuming fires every day! Yet, you are not consumed, but clean! You are not destroyed, but refined and built up in Me!

So, be not troubled by what must take place in My own house! For, so much I would have already done for My Bride and for My people, but they would not make themselves clean before Me. Today, you know of only one, who shares My Son with you! But, soon, you will know of others! For, I shall begin to release Him into others, even as I see fit, and these, too, shall know My refiner's fire! For, this refiner's fire is My Little Son! He is I, and I am he; and in this way I will begin to bring forth and to purify exceedingly my very own sons! Be not troubled about how this will be; for it will be! And, also this will be much to your surprise, even as it was to your surprise when I shared the Manchild with My little child, who came from a far-away city!

Soon, I shall also share him with others, but even so, he shall go out to them via you and he shall be connected to them through you! For, you are the spiritual mother of my Little Son, and as such, you are also the spiritual mother of those, who receive My Little Son. And, with this, we shall stop for now!

I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY - PART V

### "Oh, Glorious King!"

Oh, Blessed Father, I feel such an awesome overflowing of your Holy Presence in my midst, that I so long for you to tarry, even a while longer! For, I so hunger and thirst after you and I so long to be fed the deeper things of You, oh Blessed and Mighty King! For, you are my Delight, oh Blessed Saviour! Oh Cherished and Holy One of All Creation! You are my portion, oh Holy and Blessed Saviour! You are my daybreak and My Beautiful and Holy Morning Son! You are my rearguard and My loving place of comfort! You are the Eternal Song of Joy in my heart! You are my Budding and Blooming Garden of Multicolored and pure truths, My Ever-present Orchard of Pure and Holy peace, my Glorious and Pure heavenly Fragrance! Oh, yes, oh Mighty King, you are my Heart's Delight, My Rivers of Great Joy, my Great and Awesome Glimpse into Eternity! You are my First Love, my holy, pure and true love and I so delight in you, oh Glorious King! Blessed Saviour, thank You! Oh, Radiant, Pure and Holy One, thank you! For, You, Oh Blessed King, have heard my cries and you have answered My calls! Glory to Your holy Name forever and ever!

 From The Mountain Prophecies Copyright 2009

Thank you, oh Blessed Saviour for all that you have given and for all that you have shown! Oh Blessed King, I have toiled and I have travailed greatly beneath so much evil and beneath such great torture and persecution, but you have been My faithful staff, my rod of strength, of hope and corrective fire! Thank you, oh Glorious King; for all things truly do work together for the good of all of us, who are called of You! Glory to Your Holy Name, oh Mighty king!

I ask You, oh Blessed Saviour, how will such wonders come about? Will you take some soon to your Holy Mountain, or will there be yet at time of great affliction before you take any?

My Little One, I will do both! For, I will soon take some to My Holy Mountain, who will also return, and I will also cast My Bride into the furnace of afflictions. Just as you have received My holy Son and just as you have walked through the furnace of afflictions, so shall it be with all, who receive My Holy Son! For, to whom much is given, much is expected! Oh, how many wish that they would have another way, but there is not another way for My Bride! Great tests and trials shall be heaped upon tests and trials until I am satisfied that each one is clean! There is no other way! Yes, all want another way, that I would come and rescue them from their evil and filthy ways! But, this is not My way, has not been My way and shall not be My way! It is time for all of My people to get right, get honest and get real with Me!

Father, will you “soon” take some upon Your Holy Mountain? Or, will it be some months yet?

I will answer this with one word, “Yes!” “Yes, very, very soon, I will take some to My Holy Mountain!”

But, even as I met with Elijah and Moses on my Holy Mountain, how many did I take with Me? Be circumspect and be wise!

I am Your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY - PART VI

### "Two Types of the Children of Satan!"

My Little One, I am your Father Yahweh, yea Jehovah, Most High God! And, I come back to you today; for I linger still! And, this time, I come back to you to answer a few questions regarding the Children of Satan, the two types of the children of Satan! Firstly, there is the "goat manifest" and secondly there is the "hidden goat!"

Within those human bodies, who are called the "goat manifest," there has not ever been a human soul to occupy that body, but since birth and even since the time of conception, a fiery serpent has been attached to that human body! This fiery serpent cannot, therefore, be cast out of this body! For, it is the legal occupant of the body!

The second type of satanic lineage is called the "hidden goat," for there is resident in these bodies a human soul! These are the ones, who are so terribly abused, so beat down. Some of them being mind controlled murderers, sex slaves, prostitutes, spies, and breeders, among other kinds of slaves! The human soul is the rightful occupant of these bodies, but because of the fact that this soul has been born into a Satanic lineage, this soul is constantly beat down, oppressed, maligned, accused, and raped and controlled via all manner of drugging, and other kinds of mind control techniques.

Those of the "hidden goat" lineage can be saved and many of these will be saved through the power, which I put into my Little Son! But, I warn you again, that even with him as their ally, it will not be easy for these to overcome the vast amount of mental programming and adverse effects of rape, torture and other evils, which have been

 From The Mountain Prophecies Copyright 2009

done to them! But, true to My promise to you, I am going to set free and save many of them!

It is within this latter group of the "hidden goat" lineage also, My Little One, that there will also exists a plethora of demons, each tied to a negative physical, mental, or spiritual attribute! And, once these negative attributes are purged, the demons will have no closets to hide in!

Father, You gave me a greatly disturbing vision of Satan's Wall of Terrible Shame, and on this wall, I saw people, who were placed into cavernous areas on the wall, not deeply cavernous areas, but slightly cavernous, and reminiscent of an open tomb, a perfectly carved out area, into which bodies were snugly placed! And, on some, there was a shackle on the left leg, and I would see the hidden goat in this shackle! The right leg was free, but both hands were pulled back behind their backs and heavily chained together and held in place via a great lock! Also, on the throat was a terrible cage and into the head also a terrible cage, which held stationery the head! And, behind each person, a terrible, black demon, who peered out through the eyes! And, this was only for the ones, who had the "hidden goat."

I saw others, who had both feet in chains and shackles! Both hands in chains and shackles and terrible bars of metal through their bodies and heads; and there was in these a fiery serpent! These with such fiery serpents could get off the wall whenever they wished, but would nonetheless be always chained to the wall, regardless of the distance that they went from the wall! These were the goat manifest.

I saw some on the wall, whose bodies were withered up, but their eyes were still alive! And, I saw some on the wall, whose bodies smelled so terrible, like putrid and rotten flesh, and worms and other terrible things crawled out of their flesh!

Oh, Father, Satan's wall of terrible shame is beyond any horror show! But, Father, it is real! So terribly sad, so terribly wicked and so terribly evil! Father, how long will you continue to look upon such evil? I am so grieved, Father, so terribly grieved!

My Little One, I have begun a work to rescue the first of many, who are among the prisoners on this wall! You will see what I will do; for many of these helpless and hopeless prisoners, I shall set free! And, through it all, in the face of Satan, and all of his wicked hoards, I shall glorify my own Name! Indeed, I shall set free many, many of these captives! They shall know Me and they shall love Me greatly! Many of them I shall raise up to do great and mighty works for Me! Indeed, I shall multiply My harvest in and through many of Satan's captives!

Be of good cheer, My Little One; for I show you so very much, all to encourage you and to encourage My people during the very worst of times!

I am your Father Yahweh, yea Jehovah, Most High God!

**" An Update for you regarding the Little Son of the King,**

**The Manchild of Revelation, Chapter Twelve!"**

Dear Ones, such wondrous things are taking place with the Little Son of the King! He is now over forty-two months old; and during these years he has grown greatly! When our Saviour first gave him to me, he was a small pool of liquid light in my body, this pool of liquid light being about the size of a hen's egg! But, he is so huge now, extending far outside of my body, even for several hundred feet! He sees so much, is able to travel great distances, and to see into such great depths! He is becoming a beautiful teacher and he is a source of such great comfort and overflowing peace and kindness. He is so wise and precious in every way! His body is full of the fire of our Mighty Saviour and his constant rotation is reminiscent of being in the midst of ocean waves.

 From The Mountain Prophecies Copyright 2009

At times, when the persecution is so great against us and when the wicked ones have pummeled us with vast amounts of their wicked technology, I must lie and rest, sometimes for many hours, especially in the afternoon hours, for he works with such strength and the rotating is so great.

Approximately seven years ago, our Saviour told me that He was going to give me 360 degree DNA. And, what a journey this has been! For, I have endured experiences unlike anything I could have ever imagined, with persecution more intense, and suffering greater than anything I also could have possibly envisioned! But, even so, blessed is the Name of our Mighty God; for I am indeed so greatly blessed to endure such persecution for the love of our Mighty God!

My Dear Ones, 360 degree DNA is the ever-moving, ever-spiraling DNA of our Saviour! This DNA rotates constantly and is full of the fire, this fire being the all-consuming fire of our Saviour! This Little Son of the King, has been able to clean dissolve and rotate out of me vast amounts of foreign substances, which the wicked ones have forged into my body, day after day, week after week, and month after month, for over 42 months!

However, these assaults are not just directed at my body, but now form a dark cloud, a great mass of dark matter, which now reaches far outside of my body, even at times by several hundred feet! And, the Precious Little Son of the King must now extend far outside of me to be able to dissolve and clean away from us this terrible mass of dark matter!

There are really no words to describe the Satanic, hideous assaults, which Satan and his wicked hoards, are able to create through their vast array of Annunaki (Anakim) technology! If our Father did not bring forth His Little Son at this time to fight on behalf of captive humanity, surely none would be left! For, so horrific is this terrible technology and so many are now full of varying amounts of wires, strings, glass and crystalline structures, and a whole array of horrific implantable substance, which is too vast to even begin to describe!

In past writings, I have sought to describe this terrible technology to you, and I am sure that I have failed miserably in my attempts, but it is real and capable of disabling any person and also capable of bringing about total Satanic slavery! There is no hope of getting free of this horrific technology, except through our Saviour's Precious Little Son, the Manchild of Revelation Chapter Twelve!

My Dear Ones, the Manchild is a Little Saviour, the Little Son of the King; and He is going to rule the world with a rod of iron! And, oh so greatly I long for this day! For, surely through the Sons of God Manifest, through the beautiful Bride of Christ, the little Son of the King is going to do a great and mighty work in the earth!

However, at this time, Satan is still in my face, even as told in the Revelation Chapter Twelve; and many of his wicked hoards, reptiles and humans alike come and go from my house with many kinds of terrible torture; and they target us again and again and again! Yet, because of the fire in the Little Son of the King, all that they do to me now only causes a minimal amount of pain and suffering; for our Saviour cushions me and His beautiful Little Son through His great fiery power, and his overflowing mercy and grace. However, I must rest often, and at times for long hours; for the war against us is very great! Therefore, the work of our Saviour's little son is also very great, even from day to day!

Beautiful Ones, we have such a great an awesome heritage before our Mighty God! For, the Kingdom of God is upon us! Glory to the Name of our Mighty God, forever and ever! Therefore, live worthy! Be obedient, humble and fearful before our Mighty God, loving Him above all, that you might receive a place in the Glorious Kingdom of our Mighty God! For, His Kingdom is truly now in our midst and it is reaching out to you! So, make yourself ready! Make yourself clean before our Mighty King; and wait patiently for Him; for all good things truly do come to those, who wait humbly and obediently before our Mighty King!

Big, big hugs to you, my Precious Brothers and Sisters and many, many thanks to each of you, who helps with these works in any way! For, "those, who sow into good ground,

 From The Mountain Prophecies Copyright 2009

will reap great rewards!" Very true words from one, whom I call, with heartfelt love, "My Little Friend." Yes, indeed, our Father truly rewards and blesses the faithful ones!

Keep watching; for I will soon post much more, which our Father has given, regarding the Children of Satanic lineage! And, there will come some powerful prayers, which, when used properly, will enable you and your loved ones to be free of hidden, Satanic controls!

All the praise, all the glory, all the honor and all the power to our Mighty Lord of Lords and King of Kings!

Sending much love to you all,
Your sister and friend,

Linda Newkirk

PS: My great apologies to any of you, who are waiting on my e-mails back to you! Due to such great activity around me, I have been so behind on many things. Thank you for your understanding hearts; for I get things done, but am so much slower at it; for the war is indeed very great!

# CHAPTER SIXTY-ONE

## "The Bruised and Broken-hearted Child, Who lives within each of the Children of The Hidden Goat Satanic Lineage!"

My Blessed Child, come unto Me, that I may feed you from the well of My deeper truths! For, you and many others will need these truths in your desires, and in your works, to set free the children of Satanic lineage!

Father, yesterday, as you visited with me for so very long, a horse-drawn carriage pulled up outside of my house and to the rear of the carriage, was a flatbed wagon! An angel came out of the covered carriage and unloaded from the flatbed wagon and into my living room, a vast number of wrapped packages! A whole pallet full! On peering inside one of these packages, Father, I could see that these were many, many packages of spiritual meat. Is this information, which you now give, part of this spiritual meat, Father, and will this meat go into Book Twelve, or even into other books?

My Little One, this spiritual meat is a lot of the meat of the word for My people, who hunger and thirst after truth! You will begin to write of much and to feed the people from My deep wells and some of this meat will go into this message.

Now, My Little One, I shall continue to teach you today about the children of the hidden goat Satanic lineage! And, in this message, I shall tell you about the bruised and broken-hearted child, who lives in each of them! For, each of those, who are so abused and who belong to the "hidden goat" lineage, will be severely fractured in their emotional growth, that severe fracture having taken place early on in their infancy or childhood. And, for this reason, it will be nearly impossible to have a conversation with these of the hidden goat lineage without dealing with this fractured child! Any adult conversation, which would be directed towards one, who is so abused, from the hidden goat lineage, will invariably not go well when one expects to have an adult-to-adult conversation!

 From The Mountain Prophecies Copyright 2009

For, invariably, any look, which reminds them of their parents, or controllers, any hidden work, any symbolism, any bold truth, will be addressed and answered by the fractured child and not the adult! When the fractured child arises, an adult-to-adult conversation is impossible; for there will arise various manifestations of the fractured child, there being among them the "angry child," the "sullen child," "the explosive child," "the child of denial," "the rude child," "the crying and emotional child," "the hurt and abused child," "the manipulative child," "the needy, little child," the bully child," and other manifestations of the fractured child.

I stress this, My Little One; for all, who will ever work with these emotionally fractured children, which are within these adults of the hidden goat Satanic lineage. And, plain truths, which most could accept regarding themselves, and deal with on an adult-to-adult level, will not be dealt with in such a manner by these of the hidden goat lineage! It will be impossible for them to sustain any lasting relationships whatsoever; for the rationally minded adults will invariably flee from the continued anger and drama of this fractured child, who rises up to control nearly all situations.

My Little One, it is important to be vigilant for this fractured child; for this fractured child is a broken child, one with broken dreams, broken expectations, and broken trust, who is full of anger, pain and suffering! And, the presence of this fractured child is huge in these adults of this lineage! Nearly all of these will not overcome this behavior, not in this space and time! However, My Little One, I am able to heal all of the fractured parts of this fractured child! And, I will herein break down these parts of the fractured child as follows: 1. emotional; 2.physical; 3. sexual; 4. and spiritual and 5. mental. And, I include sexual here as the sexual abuse will begin at a very early age in the midst of these abused children of the hidden goat lineage!

As one deals with this fractured child, in due season, one will be able to see which part of the fractured child is emerging! Indeed, my Little One, these fractures can be so great that the child can split distinctly into "separate children," or separate and distinct multiple personalities! And, although some of these fractured or multiple personalities may not even manifest until adulthood, the beginning of all multiple personalities begins early on in childhood! And this breakdown begins because this little child

cannot assimilate such suffering and cruelty and begins to split off into distinct parts, or compartmentalize, in order to escape or hide from such great pain and suffering! Multiple personalities are not always manifest in this hidden goat lineage, but the fractured child, or the "fractured children" are always manifest!

Therefore, My Little One, for these to overcome, in all situations this fractured child must be addressed and I must bring healing into each fractional part! For, this fractured child, as I have told you, can manifest as "fractured children," each manifesting the above characteristics, as I have so outlined!

In all cases of these adults, there will always be layers upon layers of denial and on each layer, specific spirits of denial! These denial spirits will utterly fight to keep hidden all of the truths of the past pain and suffering! Therefore, when working with any of these adults, it is important to seek Me to bind up these spirits of denial so that all that they are covering up can be seen! However, this can be done only one layer at a time, but when each layer is uncovered and dealt with, the denial spirits will no longer have anything to cover up or hold onto and their hold will be broken at that level! But, remember that I have told you that these levels of denial are levels upon levels!

My Little One, I have placed My Little Son, the Manchild of Revelation Chapter Twelve, into this woman, whom I have sent to you, who is also My Child, and My Little Son is learning much about how to free the children of Satan. What he learns, My Little One, will bring about the salvation of many souls!

So, when the Spirit of God reveals a truth to you and you share it with any child of the hidden goat lineage, especially those, who have been so abused, expect that it will first be rejected! For, this hidden, fractured child may very well receive it as a "put-down," and will lash out at you! And, the layers of denial will also block truths, that are most often not pleasing. Kind words, these fractured children will probably hear, though they will probably not believe kind words either; for at their very core is the teaching that they are no good!

 From The Mountain Prophecies Copyright 2009

From an early age, these little ones have been mocked, berated, ridiculed, scorned, abused and mistreated! Therefore, they will receive kind words on the surface, and will not usually reject in anger, kind words, but because of the inherent distrust and suspicion in them, they will not believe that the kind words are true! But, instead, they will seek to find ways to disbelieve them also!

My Little One, this is the sad dilemma for these abused children of this Satanic lineage! They desperately desire to be loved and to receive love, but they can neither give it nor receive it! The love that they give will often show cruelty in some form, rejection and cruelty, yet they will deny this; for the demons of denial will stop them from seeing this behavior! Therefore, they will struggle in all of their relationships, most often choosing those, who will treat them cruelly, all in order to further substantiate their own feelings about themselves!

In addition, My Little One, their controllers, as well as the number of demons in them, will cause them to attach to others, who are also full of many and varied demons, who are cruel, under mind control, or who play emotional, barter games, and who are also unable to love! So, there is manifest in these relationships a bruised child, who is combating a bruised child!

To those on the outside, these relationships will seem bizarre, but to these fractured children, such relationships will seem right, with a very distorted love, alternating with hate, which is apparent in all dealings! Indeed, a love/hate relationship! But, remember that this very way of behaving, though obviously dysfunctional, is what is considered normal and functional to these, who have been brought up in such amidst such abuse in such a Satanic lineage. Therefore, any attempts to cause such a fractured child to see the truths of such a relationship will be met with resistance and denial! For, this way of behaving is deep-rooted and normal to both, who are in such relationships!

So, any and all healing must begin at the level of this fractured child/ fractured children, personality. This can be lengthy and can also be very draining to those, who set out to help them! For, there will be a plethora of angry outbursts, dramatic, crying

spells, undue accusations, rejection and added stress to those, who help these of the hidden goat lineage!

The good and wonderful news, My Blessed Child, is that I am teaching and training My Little Son in grand ways to expedite this healing process and to thereby bring about a much faster healing in this fractured child/children of the hidden goat lineage of Satan. Therefore, My Little One, it is important to be guided by My Spirit always in dealing with these fractured children and even when the truth of a situation is apparent to you, it may not be wise to reveal it to these fractured children! For, as long as the fractured child/children, is still there, there will seldom be an adult conversation about any emotionally charged issues!

So, observe and then seek Me; for I am able also to do all things! I am able to bring in healing through My Spirit to emotionally charged and hidden areas! Therefore, be at peace, My Little One! For, I will do a work; and what I do is real and lasting!

I am your Father, Yahweh, yea Jehovah, Most High God!

# CHAPTER SIXTY ONE - -PART II

## "The Backdoors into the minds of the Fractured Children of the Hidden Goat Lineage!"

My Little One, I am your Father Yahweh, yea Jehovah, Most High God! At this sitting, I will bring you back to the hidden goat lineage of Satan! And, I will continue to teach you regarding the fractured child/children, who is/ are manifest in the abused children of the hidden goat lineage.

My Little One, at this time I shall address the back doors of mind control, which are inherent into the minds of many of these fractured children, some of them having more backdoors than others. From an early age, many of these little ones have been traumatized and mind controlled by their satanic/human handlers!

I stress here two types of handlers and I make a distinction here between handlers and demons! For, although demons do exert a great control, I am not speaking of them, but handlers! And, these are the two types of handlers: 1. human handlers; 2. and Satanic handlers, which include those, who are of Satan's own, whom, many refer to as "greys", "reptiles", "insectoids", and various other workers, who work directly under Satan and who serve him, of his own kind, and of his own mindset, and pure genetic makeup!

These hidden ones will always exert a hidden control over these abused children of the hidden goat lineage! And, this hidden control will come via backdoors into the mind of the fractured child! On these backdoors will manifest certain images, non-verbal cues, words, phrases and simple commands, which, when presented, will shut down a behavior or direction, which is deemed unacceptable by the handlers!

One thing, which the handlers deem as unacceptable is the truth that their influence will be known and recognized and also terminated! Therefore, any attempt to uncover these controllers and to uncover their backdoors into the mind of the fractured child

will be met often with intense emotional upheaval, denial, angry outbursts, and other means of emotional overload within the one, who is under mind control! For, the controllers, on seeing what is taking place, will unleash a series of behavioral commands and controls, which will serve to bring about great despair, unrest, anger, apathy, or even sedation within the mind of such a victim!

For, there exist in these backdoors certain “trigger” words or phrases! And, when these “trigger” words or phrases are spoken and brought into conscious or even subconscious awareness, these words or phrases will thereby proceed to unlock well-learned and well-scripted behaviors, which will provoke an automatic response! This is deep-seated and deep-rooted mind control; and there will come often a seeming detachment in emotional continuity, as if a breaker has just tripped in an electrical box. This discontinuity of behavior will often manifest as a monotonous and expressionless characterization of often meaningless and nonsensical behaviors!

Others will term such behaviors as “spaced-out,” as “goofy”, as disconnected, or disjointed behavior, and such behaviors will be monotonous and absolutely counterproductive. Such a stream of behaviors can go on for hours, with a corresponding loss of time and unaccounted for delays, wherein a great amount of time lapses but with little accountability for this loss! Hours can thereby be spent in meaningless pursuits, with endless delays, procrastinations, with corresponding mindless verbal excuses and delays!

Remember that I am speaking here of backdoors into the mind of the fractured child, words, images, phrases, and sentences, which, when projected into the thinking, or into the subconscious thinking of the individual will trigger a string of automatic behaviors. Often, this victim is unaware of just what happened in this time lapse and quite often nothing did happen of any great consequence! But, at times other shocking and automatic behaviors do happen, the victim being totally oblivious to just what has happened! This is the case, My Little One, in all automatic killings, wherein the victim has gone on a killing rampage, only to turn, thereafter, and to kill himself!

 From The Mountain Prophecies Copyright 2009

My Little One, such a one could spend many, many years in expensive psychotherapy and still be under the control of the controllers! For, when one such trigger word or phrase is found, the controllers are back with more of the same! Only I can go into the backdoors and dissolve the power of such words, phrases or images and free one from such abuse! And, only I am able to clean remove the controllers, human and otherwise, who have been pulling the strings from behind the scenes in the lives of so many of these, even since and even before birth!

So, My Little One, I add here this dilemma of the hidden, or backdoors into the minds of these of the hidden goat lineage; and warn you and all, who would work with these, who were so abused as children and still as adults, that these doors are real! These trigger words and phrases are real and the resultant and detached behaviors are real! Therefore, be observant of any monotonous behaviors of "suddenly going through the motions." For, by observation, you will see the results of those, who manipulate through the hidden backdoors!

Remember that these "triggers" may not always be words or phrases, but also sharp images, which will seem to totally disable the fractured child and to lock it into an automatic mode! When such behavior is observed, seek Me in prayer; for only I am able to clean out such hidden backdoors and to correct prolonged, meaningless, speech patterns, which are deeply imbedded recordings in the emotional/mental databases of these fractured children!

These prolonged and repetitive, verbal patterns serve no purpose other than to hold captive the fractured child and to monopolize the time of others with empty verbal assaults. These empty, verbal assaults can actually serve as a weapon against all, who would try to help them! For, after a while, those, who are barraged with these empty, verbal assaults, will seek to be free of them, realizing that such one-sided conversations are a waste of time!

This is what the handlers and controllers want, all in order to further isolate such victims, and to cut off all meaningful relationships. Therefore, when such automatic and meaningless behavior is observed, it is most important to seek me in prayer,

asking that I not only destroy the impact of all trigger words, phrases, and or images, but also asking that I destroy and clean remove all hidden, as well as obvious, controllers! Remember to seek me and ask me in prayer to clean dissolve all hidden trigger “images,” for these, when projected into the mind, can trigger powerful and quick emotional responses!

In any one individual, there may be many such backdoors; and some of these doors, being deeply hidden! So, the prayer needs to be to ask Me to go in and to find all hidden backdoors and to utterly destroy them all, so that no back doors of any kind remain and no hidden controllers of any kind are left standing! Furthermore, the extended prayer needs to be for Me to put up holy hedges of protection within all areas of the mind of the fractured child, so that no more hidden doors can be put into place and no more handlers can be set up in positions of control over these souls!

Seek Me further in prayer, asking that I raise up and establish that I place powerful angels of great light in all of these areas within the minds of such individuals, where there have been such hidden doors. These angels will thereby serve to prohibit the establishment of such doors again and will thereby also prohibit the establishment of such controllers and such hidden trigger words of mind control!

My Little One, it is very important to address the hidden doors through this way in prayers to Me! For, all of the mind controllers use hidden doors and hidden cues, trigger words and visual images to utterly control their victims! And, not all of their victims are of the Satanic lineage! So, if there be any among you, who suspect that there could be any backdoors into your thought processes, or into the thought processes of anyone, whom you know, pray as I have so directed herein! For, I will honor this prayer on behalf of many, who have fallen under mind control the world over!

Be advised, however, My Little One, that there is one condition under which I will not honor this prayer on behalf of others, who are under obvious mind control, this condition being wherein a certain one agrees to undergo mind control, as is the case with many, many in the intelligence services and among those, who have top secret

 From The Mountain Prophecies Copyright 2009

clearances, these being among others, who are in satanic secret services! In such situations, the one, who is under mind control, has agreed to it and this one must thereby come to Me in prayer under his or her own volition, asking Me for this freedom through the above prayer! I will not override the free will of any, who clearly choose mind control!

Furthermore, I wish to address here that these hidden backdoors, which are full of hidden and subtle mind control messages exist in untold millions, and have been carefully laid in the unsuspecting minds of untold millions of people! They have been carefully laid via constant barrages of mind control messages, which are inherent in massive television programming, radio programming, sleep programming in those, who fall asleep while watching television or who sleep with the television on, or through the massive implanting of the unsuspecting population, via brain and neural implants.

Therefore, every person could possibly benefit by appealing to Me through prayer for the cleaning away of these hidden back doors and hidden mind control directives, or trigger words, phrases, sentences or images, even as I have so directed. For, the amount of mind control, which is in the masses, whether through the above methods, or via video games, or other mindless, hypnotic behaviors, is massive all over the world!

So, through this prayer, which I have promised to honor, when prayed as I have directed, I will help free millions upon millions of souls and allow them to grow spiritually, when previous to this prayer, they found it impossible to connect to Me spiritually! Therefore, I give this spiritual prayer at this time as a spiritual weapon for the salvation of many, many souls! For, this is My love for the captives and My promise to you, My Blessed Child, that I would allow you to see the salvation of the greatest numbers of souls!

With this said, I will stop for now. I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY ONE - -PART III

### "A Prayer of Deliverance for those, who suffer from hidden mind control!"

Blessed and Holy Father, beautiful and glorious Most High God, I come back to you today, Father, to ask for clarification regarding certain things and in particular, Father, regarding Your message in chapter Sixty-one of Book Twelve! This message, Father, is the prayer, which you would have others to pray regarding hidden mind control.

Father, my question is this: Would You give me, through Your Spirit, a particular prayer for Your people, that if any, who wish deliverance from such terrible mind control, would stand in agreement with me in this prayer, their hearts of one accord with mine, for the deliverance from such terrible mind control, that you would honor such a prayer!

And, Father, these are my reasons for asking that you give me such a prayer through Your Spirit: 1. Father many people, especially the severely oppressed, do not know how to pray! 2. Father, secondly, they do not know how to pray from their hearts, but only through their minds! And, Father, you told me some years back that mind prayers fall to the ground, that mind prayers do not reach you, that we must pray from our hearts! But, Father, You know that many have hearts that are so dark and full of so many demons, that the prayers cannot come from their hearts! Therefore, Father, for these reasons, I am concerned that those, who need the most help through this prayer, even when they pray as You have so directed, will not be heard! For, their prayers may not reach you!

 From The Mountain Prophecies Copyright 2009

Very well said, My Little One; and your concerns herein are grounded in reality! Therefore, I will touch your heart through My Spirit to pray a prayer, which when prayed to Me by those, who are under mind control, even if they pray only through the agreements of their minds and with only a very small, or even absence of agreement within their hearts, I will hear this prayer!

Furthermore, I will release untold millions of angels of mercy, whose job is also to listen for these, who recite this prayer and who so long to be free! These angels will collect these prayers unto Me! Therefore, it is important for all, who want deliverance from mind control, to take this prayer and to continue to recite it and believe and trust in Me until they begin to feel the freedom of deliverance! The angels must collect these prayers and bring them to me; for in these cases, these, who are so much under mind control, will be devoid of My Spirit. For this reason, it is necessary for these, who want to be free of mind control to hold tightly to this prayer and to repeat it daily, even several times a day! And, the angels, whom I dispense, will be on the lookout for this prayer, which I will now release unto you via My Holy Spirit!

Herein follows this prayer as given to you for My people, as it comes to you via My Spirit:

**Holy Prayer for Deliverance and Freedom for the Victims of Extraneous Mind Control!**

Oh Blessed and Holy Father, God of All Creation, Lord of Lords and King of Kings, Mighty and Holy Deliverer of Your people! Hear me, Oh Blessed Father, as I come now on behalf of myself (or “name of another person”) and I beg You to deliver me from the effects of extraneous mind control! Father, I understand that this mind control has entered into me from sources, who are outside of me and that this mind control has caused a great and dark shadow over my whole life! Father, it seems to me that any good intentions on my part are blocked! For some time, there has existed a series of road blocks and many obstacles, which when I would try to overcome them, I would only meet with more obstacles.

Father, life has been so hard for me, and now I appeal to you, that if there be any extraneous mind control on me, Father, that You would burn it out of me! Clean burn out of me, Father, with your holy fires, any and all verbal and non-verbal cues, whether conscious, or subliminal, any hidden "trigger" words, phrases, or sentences and all images, which have been programmed into me to elicit certain well-learned responses!

Father, please burn up totally and destroy absolutely any such mind control "triggers", which are hidden in me, and which are well hidden behind any hidden mind control doors. Father, You are able to see all such "trigger" words, phrases, sentences, cues, and images in me and I so deeply desire that You burn them up totally and that You do not leave so much as a vestige of these things in me!

Father, I also ask You to burn up and consume in Your holy fires all such hidden mind control doors, and that no such doors remain in me! Father, please do not leave even one fragment of any such door remaining. Thereafter, Father, I ask You to place holy hedges around my whole mind and throughout my whole mind and to make these holy hedges permanent hedges of protection in me, Father, and that no such evil mind control will ever have such power over me, ever again!

Thereafter, Father, I ask You to set up powerful angels of protection in the midst of these holy hedges and to prohibit, absolutely prohibit, any such mind control in me, ever again. And, lastly, Father, I ask You to punish severely all, who have perpetrated such mind control on me! For, it has been done to me without my conscious awareness or permission and I so desperately wish to be free!

Father, forgive me of my sins! Purge and purify my thoughts and my memories with Your holy fires! Purge and purify my heart with Your holy fires! Have mercy on me, oh Mighty King; for I realize that through this prayer, I have only addressed mind control from extraneous sources; and I have not addressed mind control, which comes from the many demons, who may also occupy my body!

 From The Mountain Prophecies Copyright 2009

Father, I am a prisoner and have been a prisoner for a long time! I have been cut off from Your Spirit and this terrible mind control has left me weak and without direction, Father, even as a wayward traveler through this sphere.

Father, I long to be free! Father, I long to have your Spirit and to know You! Will I continue to sojourn through this sphere as a wayward and lonely traveler? Please, Father, have mercy on me; for I am a sheep, who is lost from the fold! Father, I am a continual prey for the wolves and cannot advance spiritually; for I am cut off from Your Spirit!

Father, have mercy on me and please give Me Your Spirit! Deliver me, oh Holy King, from my oppressors; for I am alone, Father, so full of anguish and heartache! Father, in the Holy Name of Jesus, our Mighty Saviour, hear my cries! Amen!

As dictated by the Spirit of God, a prayer for all, who suffer the terrible effects of any kind of mind control! Given on this24th day of November, 2009, Linda Newkirk

(COPY THIS PRAYER AND KEEP THIS PRAYER IN A VERY SAFE PLACE! There will come a time when the mind control/ re-education camps will be filled to capacity right here in this nation! But, even now mind control is rampant, not only in America, but worldwide! My Dear Ones, wherever you are, just know that as you say this prayer, I stand in agreement with you! Before our Mighty King and Saviour, my heart agrees with you for your total freedom and complete deliverance from the horrors of mind control!)

**OUR FATHER CONTINUES …**

My Little One, I will hear this prayer! I will also honor this prayer even when it is prayed on behalf of others! Just substitute the name or names of the others in the places of “me” and “my!”

But, Father, this prayer is for those, who are under mind control from extraneous sources, even as you have previously told. Father would You list some of these extraneous sources.

My Little One, I will! As I have told you, My Little One, abused children of the hidden goat lineage are major targets. Some of these of the hidden goat lineage are sharply and heavily targeted, and some, more than others. Those, who are sharply and heavily targeted, will be like puppets, who are on very short and tight strings. For, these, who are on such tight and short stings, carry out and have carried out very specific mind controlled functions for their handlers, in particular such functions as serial killers, spies, breeders, sex slaves, etc.

These, who are on very short strings, or mind control leashes, will be closely watched and will be under the most severe forms of mind control and as such will often be used, from time to time, by the U.S. Military, and other militaries for covert operations! For, this reason, they always keep the backdoors open and fully functional through their various "trigger" words and cues, using their victims regularly, and most often without their conscious awareness or permission. In these cases, their handlers are most often both military (humans) and Satanic, meaning non-human servants of Satan. These, who are on such short leads, will not get free, not under any conditions, unless I set them free! For, these of whom I speak, are also "of the hidden goat Satanic lineage," and Satan has a legal claim on them.

The mind control, which I am addressing herein comes from sources, which are coming from the outside, that is extraneous to the individual. And, it comes via psychiatrists and other types of handlers as well as non-human entities. Therefore, it is rightly termed as extraneous mind control.

Extraneous mind control is also rampant in this world and it comes both through implant technology, the implants being both brain implants and implants, which follow the neural pathways to the brain. Most of this implant technology cannot be removed by normal means; for it is too pervasive! And, this, I will address more in later messages.

But, here I wish to address backdoors and automatic behavior, which is due to mind control cues and trigger words. And, many such trigger words, phrases, and subliminal messages appear widely on television, radio, internet, and various sorts of

 From The Mountain Prophecies Copyright 2009

publications. Some individuals are more susceptible to such mind control than others. Any, who abuse alcohol or drugs, are prime candidates; for in their alcoholic or drug induced stupors, such messages are more readily programmed deeply into the mind, or thought processes, and will thereby more easily cause automatic behaviors. Also, my Dear One, it is most assuredly true that drug-induced mind control is frequently used by all handlers, human and otherwise, in all kinds of extraneous mind control! And, indeed such kinds of mind control is often very quick and effective. Yes, this is a terrible blight upon the whole world and few are the wiser!

Others, who are under certain sources of hidden mind control are many within the military services! Many, who are in the military services have brain and neural implants and also have them in their bodies without their conscious awareness or consent. It is through the presence of such implant technology that hidden backdoors, mind control cues and triggers can be set up in vast numbers and programmed through the use of cell towers, televisions, movies, etc. Mind control triggers may therefore, appear in such places as the evening news on television, at commercial breaks on television, and at other times, released to the mind control victim (s) to elicit certain automatic behaviors. Such mind control cues or triggers may also be released to the victim through “strange” telephone call messages, or even through caller IDs.

In addition, many in the police forces are heavily laden with such implants and backdoor mind control messages, triggers words and cues. Most, who are in the various governmental bodies over this nation, and also over other nations, are micro-chipped, and under various forms of mind control, many of them being little more than robotic arms of Satan! The same is also true at the state levels of government within this nation, but in some cases not as severe.

My Little One, total and near total mind control is also exerted on many, who are in prison, or in mental hospitals, most often without their conscious knowledge or consent. This whole area of mind control, which is rampant all over the world, is greater than any could ever imagine.

And, I have not addressed yet the degree of mind control, which is exerted upon such huge numbers by the demons, who are inherent in them. This is a different kind of mind control, but is severe, My Little One, just as severe and just as real as the extraneous mind control. This mind control, which is exerted by the demons, who reside within these individuals, is called herein intrinsic mind control.

Many should be able to see, to know, to understand why the world is in such a mess and only through My overflowing love, mercy and grace and forgiveness will any be saved!

My Little One, I wish to add herein that I have given this prayer to you on behalf of My people! For, you are the Woman of Revelation Chapter Twelve, the spiritual mother of My Little Son, who lives in you and who has now lived in you for over forty-two months. My Blessed Child, you have paid a heavy price to "see the salvation of the greatest numbers of souls." And, this has been My promise to you, since early summer of 2004, that I would give you this desire of your heart. This prayer is but one facet of the manifestation of that desire! For, many, who are set free of mind control, will then turn and serve Me.

Blessed are you, My Little One; for you have paid a heavy price to receive this prayer, one, which I will surely honor on behalf of My people! Now, I come again to you and I ask you, My Little One, what would you desire of Me! For, a great and mighty calling is being given to you; and you will walk in this earth with great power and will do many marvelous works for me and for My children.

Father, I only ask You to give me a greater servant's heart and that Father, You fill this servant's heart with all of the beautiful attributes of You that You want in this servant's heart! This is what I now ask of You, Father. I only wish to have a greater servant's heart and that You enlarge Yourself in me in this way.

So, it shall be with you, My Little One, and what more would you, or could you ask for? For, you are spiritual mother to the House of Israel and spiritual mother to My Manifest Sons of God. Blessed are you, My Little One; for your request pleases Me. However, I

 From The Mountain Prophecies Copyright 2009

shall give you so much more, so much more than you could ever imagine! Yes, indeed, there will come to you various and manifold keys to My very Kingdom and these are everlasting. I am pleased in you, My Little One, Blessed Child of Mine. For, you have heard My call to holiness and My cup of holiness in you is full to overflowing.

Father, I am so humbled and afraid! Have mercy on me, Father, for I do not know how I could possibly deal with such a calling. Father, I am but dust, as ashes is to ashes; and I so fear Your mighty power and Your mighty hand. Father, I only desire to be a servant and am happy at the end of the line. Father, I wish no honor for myself and am afraid before You.

This is known, My Little One and this is why you asked me to give you a greater servant's heart. For, you only desire to serve Me first above all, and to be of service to your brothers and sisters. Therefore, I will exalt you among My people; for only a true servant am I able to exalt.

Still, Father, you say, "exalt," and this frightens me. For, I do not wish to be exalted, only to be a lowly servant and being at the back of the line is fine with me.

Be not troubled, My Little One; for what I give you will be a calling of great love, mercy, and grace and you will walk humbly before Me in all that I give you; for you fear me.

Father, I wish to fear you always; for You are Almighty! Therefore, Father, I do ask of You one more thing and that is that You will put into me a deep fear of You and that such a deep fear of You will be with me always, for I desire to walk humbly before You always. Father, I ask for this gift from You, and that it will be an intricate part of me, which follows me throughout the eternities.

Well said, My Little One! Even as you so seek, I now give!

But, Father, neither do I wish to be overpowered by this fear, but that this fear of You is balanced with a profound, deep and exceedingly great love for You!

This is understood well on My part, My Little One. So it is with you and so it shall be!

And, with this, we shall stop for now. I am your Father Yahweh, yea Jehovah, Most High God,

## CHAPTER SIXTY-ONE - PART IV

### "The Genetic Link, which Manifests in the Children of Satan!

Come unto Me, My Little One; for I wish to impart to you more truths concerning the children of Satan! I am your Father Yahweh, Lord of Lords and King of Kings. My Little One, you have pondered on the Satanic, genetic link, which surely exists in the children of Satan and how it manifests! Yes, there is a definite genetic link to Satan, himself, the father of all lies!

And, this genetic link, My Little One, manifests through striated light patterns. These striated light patterns, which are also unstable, striated light patterns, exist within the actual DNA and it is through these striated light patterns, that Satan is able to recognize his own.

These striated light patterns carry codes, My Little One. This is what is termed as coded light and within these light patterns there exists one prevailing code, which is absolutely characteristic of Satan and all of his progeny. And, this characteristic is that of a pervasive lying spirit!

 From The Mountain Prophecies Copyright 2009

This lying spirit manifests within all, who bear this striated light code! And, from a very early age and over time, this lying behavior will infiltrate all of their activities, somewhat like a lying thread, which goes through all of their dealings.

Because of this lying thread, which is inherent to the very making of the children of Satan, they will waffle and waver when confronted with the truths, which are not to their liking! Just as the light wavers within them, they will waver! They will flounder around, will flop from one side to the other, in the midst of such truthful accounts, which stand against them! In other words, they will go from one side of the road to the other and back again as they attempt to wiggle out of their guilty ways!

Within their verbal repertoire, they will manifest a wide array of excuses, of naming and blaming, of denials, and of angry accusing verbal assaults. This flipping and flopping will wear down those, who attempt to communicate or reason with them! For, they will come first as one way, then as another way, seeking always to get their own way and to come out on top, by making those, who confront them with the truth, to be the liars! This is why Satan is called the Accuser of the Brethren; and these, being his children, will bear this same trait! It is almost impossible to make many of them see the truth, for they have in their arsenal a whole array of twisted and distorted rationalizations and excuses! When backed into a corner, so to speak, many of them will be forced to admit the truth and they will do so, but not because they come willingly to do so! They admit their wrongs because they are forced to admit them!

These kinds of erratic, unstable, lying behaviors are inherent in the makeup of those of the hidden goat lineage! Just as some are born with the inherent desire for truth, to tell the truth, and to be truthful in all of their affairs (a deep connection to Me), these are born with an inherent desire to lie! And, lie they will! Those, who confront them with the truth, will soon become their victims, even those, who have shown them consistent kindnesses!

It is this inability, this natural-born inability, to tell the truth, and to be truthful in their affairs, which will cause them to wreak havoc in all of their relationships. However,

these of the hidden goat lineage will not see themselves at fault, but, when the truth is told against them, they will blame others for “mistreating” them!

When confronted with the truths of what they have done, they will often fight back with angry tirades! Then, many will quickly return with “sweet and innocent” manipulative behaviors, almost childlike in their cunning! If these manipulative behaviors do not allow them to override their opponents, there will come more accusations and more verbal lashing out! These ways will tire out and wear down their victims; for these of the hidden goat lineage wish to have control over those, whom they consider their accusers; and they will set out to have control over them in one way of the other! For, with these of the hidden goat lineage, it is about their being right and in control, although they may not be in control and are most often not right. But, it is through their chaotic behaviors, that they do often manifest control over many situations; for they will get this control through the havoc, which they wreak.

This is how they create strife among My people! They will stir up strife through their many manipulative and angry ways, through their bending of the truth and through their spreading of outright lies They will spread tales of gossip behind the backs of My faithful and will attempt to create discord or to smear the names of My faithful servants. In this way, they are indeed just like their father, the devil; for they are also accusers of the brethren.

Quick to forget the good, which others have done for them, these of the hidden goat lineage will find one or two things, which are displeasing to them about their benefactors. And, with these one or two dislikes, whether founded in truth or fantasy, they will verbally beat those, who do good for them!

Therefore, their lives will be chaotic and they will bring this chaos into the lives of others. My Little One, this is the inherent nature of the striated light pattern, the inherent nature within each of these, which comes from their father, from Satan, himself.

 From The Mountain Prophecies Copyright 2009

My Little One, these “lying” and chaotic characteristics are inherent. These characteristics are part of who they are and no manner of cajoling, of crying, of pleading, of confronting, of scolding, and explaining will change this inherent way! For, it is to these of the hidden goat lineage as a hand in a glove! It is a covering, which permeates every facet of their lives and they cannot, in and of themselves, change this way!

At this point, there are huge numbers of the children of Satan in the Earth! Millions upon millions upon millions, even some few billions. There is no hope for these souls, except through My love and mercy for them. But, the wonderful news to all is that I am their hope! And, through the work of My Little Son of Light, My Little Manchild of Revelation Chapter Twelve, I am going to eradicate this genetic link, this striated light pattern out of many of them! Then, they will be free of their inherent lying and cunning ways and I will begin a work to save many of these hopelessly lost souls!

But, Father, some of these of this hidden goat lineage know You! So, is it not true that some of them have Your Spirit?

My Little One, due to the other part of the genetic makeup, which is human, some of them do receive My Spirit! However, because of the inherent lying nature of these genetic qualities of Satan, which is in them, My Spirit will only visit them. It seldom stays for very long! However, because I do love them greatly, I allow them the presence of My Spirit, as they so long for it; and My Spirit is their companion, due to the longings for Me! But, My Spirit is resident in them only erratically.

Yet, Father, many of them are drawn to Your work.

Yes, My Little One, even as Satan is drawn to My work! They want to have power over others! This is a controlling factor also, which is inherent in this striated light! These will always rise up and desire to have power and control over My people and over My true servants. Therefore, it is very important for My true servants to be vigilant for those, who seek to be in control and to undermine My work! When these controlling

ways are manifest and are coupled with a deceptive and lying way, may all be the wiser! For, these are earmarks of Satan's own!

So, Yes, My Little One, they are drawn to My work, even as the Scribes and Pharisees of old were drawn to My work! But, even as I have told you, they are drawn to My work because of their desire to have control over My people! Watch and listen; for their conversations are peppered with "how great I am" words and phrases! Their focus is not on Me, but on what they have done and what they have achieved! They do not have a servant's heart, but a controller's heart! And, their desire to be right, an inherent pride, will create chaos in all of their relationships! Through all of their dealings, they will show their many faces! Even as the light is striated and unstable in them, so will be their speech in their dealings with others. And, many of them will show a great flare for the dramatic! In these situations, the fractured child, eager to be heard and to get his or her own way, will rise up and put on a show of drama and flair! Such a dramatic show will often manifest with loud accusations, angry outbursts and loud, accusing crying spells!

This great and inherent desire to have their way, or to be in control, is also one of their main inroads, which these will take in order to break down the morale among My people! For, they will override the truth! They will muddy the truth! They will distort the truth! They will, therefore, mingle the truth with their versions of predigested lies! Many of them come out on top, and fully in control, in this way; while my own little servants, who strive for truth, are often labeled as the liars!

So great is the havoc, which these are able to wreak, in the midst of My people! When one or more of these children of Satan enter into the midst of My people, it is as if a tornado has suddenly ripped right through the middle of the hearts of My people! And, these children of Satan just continue on spinning, spinning and spinning through homes, spinning through relationships, spinning through groups, with their discord, with their chaos; and few are the wiser.

Herein, I tell you about these children of Satan! Herein, I have warned you! They are the same today as they have been since the beginning! Since the beginning, Satan has had

 From The Mountain Prophecies Copyright 2009

his own children; but not as he has them now! For, in this day and time, they rule the world! And, few there be that are righteous! But, true to his nature, Satan is out to destroy all of My righteous ones! Yet, he will not succeed in this; for I am about to raise up the Manifest Sons of God, and there will be some among them, who were previously Satan's children! For, I will set them free in every way; and they shall testify against him in a great and mighty way! Indeed, they shall rise up with a great hate against him! And, I shall thereby empower them through My Little Son, and cause them to do great and mighty things for Me and for My people! And, with this said, we shall stop for now. I am your Father Yahweh, yea Jehovah, Most High God!

### The Children of Satan from the Beginning!

### An Inheritance for the Children of Satan!

Blessed and Holy Father Yahweh, I come back to You today; for so many questions are swirling in my mind regarding the children of Satan! And, also, Father, very many scriptures come to my mind, which are not only puzzling to me, but surely these same scriptures have been puzzling to many for a very long time. But, Father, as You know my heart and all of the questions in my heart, I pray that You address all relevant questions at this time.

My Little One, yes, indeed, I am aware of all of your questions and all of them (are) relevant to the current teachings.

Firstly, My Little One, I wish to address the issues regarding the fractured child, who appears in many of the hidden goat lineage. My Little One, I wish here to make some distinctions regarding this fractured child! For, this fractured child is inherent in all of those of the hidden goat lineage, who have suffered abuse from an early age, whether physical, verbal abuse, extreme neglect, mind control, etc.

My Little One, such abuse is rampant among families, wherein one or both of the parents are of the hidden goat lineage, or goat manifest lineage. For, therein, one or both of the parents, as the case may be, have actually "sold" their whole families to Satan, to do with as he so pleases! And, they have done so through secret, Satanic, occult rituals, wherein they have pledged such evils through oaths, in order to gain power, money, and prestige at the hands of Satan. Within such families, it is agreed by one, or both parents, that all such family members, current and future descendents, should belong to Satan, to do with as he pleases!

My Little One, this is evil, which is added upon evil. For, all of the souls, who are born into a family of hidden goat lineage, or even into a family of goat manifest lineage, where at least one of the parents have a human soul, may not have the striated light patterns, the specific markings in their DNA. In other words, there may be born into Satanic families, those, who do not bear any Satanic markings in their DNA! When this is the case, these (who do not have these markings) will be treated brutally and cruelly! And, I speak here of the families, who are sold out to Satan by oaths or allegiances of one or more of the parents.

Such Satanic organizations, as you know, are the Freemasons, but not limited to the Freemasons; for these types of utterly evil, secret organizations of Satan are many and varied, all over the world!

I make this distinction regarding the appearance of this fractured child, which will manifest throughout their lifetimes; for this distinction is peculiar to the above situation, which I have just described.

 From The Mountain Prophecies Copyright 2009

However, not all of the children of the hidden goat lineage will manifest the fractured child! Only, those, who have been abused, as I have told you! There will exist many, who have this hidden goat lineage, who will be born into loving and caring families. The genetic manifestations of the hidden goat lineage can skip a generation, or be erratic in appearance down through the family lines.

In such cases, when those of the hidden goat lineage are born into loving or otherwise functional families, certain behaviors of the hidden goat will begin to manifest at an early age. In these cases, these patterns do not evolve because of parental abuse, but because they are inherent to the hidden goat lineage! Such behaviors, as the following, will begin to manifest in these, even from a very early age, from the time that they can talk or walk. These are the kinds of behaviors, which others will see: 1.undue aggression; 2.covetousness; 3.bullying behaviors; 4.temper tantrums; 5.lying; 6.stealing; 7.inability to learn through correction; 8.promiscuous sexual behavior from an early age; 9.controlling behavior; 10.and substance abuse, often from an early age, among other behaviors.

As these children mature, they will be at odds with many, who are in authority! Their desire to undermine authority may be subtle and cunning, or outright abrasive and harsh. As adults, many of them will work their way into positions of authority; for they despise authority and wish to be in control. Therefore, many of such types will be seen in high levels of governmental bodies, as well as high levels of military and police forces. Others will be seen in the sciences, particularly in the medical field; for in this profession, they have authority over life and death. Others of them will be seen also in shadowy, criminal enterprises, where they thrive in both shunning and combating all authority! The whole area of mind control is saturated with them! For, to these wicked ones, the ultimate control is to control the minds of others and to make them their absolute slaves!

There is also inherent in these of both the hidden goat lineage and the goat manifest lineage a specific kind of heartless behavior. Sometimes, this heartless behavior is pronounced and at other times, it is more subtle. However, this tendency towards heartless and cruel behavior will be just below the surface in all of them, whether seen

at first or not! For, many will try to hide this inherent trait, and many of them will be drawn also in the helping professions, only to do cruel things in a covert way.

Father, it seems that we can recognize such behavior, even from the beginning! For, the Scriptures tell us that there came first Cain, (Genesis Ch4) he being the first son of Adam and Eve! However, we can read in the Bible that Cain did evil!

From the beginning, the offering of Cain was not acceptable to You, Father, as we read also in Genesis Chapter Four! However, Abel, the brother of Cain brought forth his offering and you were pleased in him, receiving his offering of his first sheep and the fat of the sheep! But, from the beginning the offering of Cain was not acceptable unto you, Father! And, Cain, being greatly enraged at you for refusing his offering from his crops, thereafter went into the field and killed his brother Abel!

Then, Father, we can read that Cain was angry with You, and lied to you about the whereabouts of Abel, knowing that he had killed him! And, for this, Father, you cursed Cain and caused him to be a vagabond. Your words to Cain were very strong! Father, please tell me more about Cain.

My Little One, in your spirit, you hear the rumblings of the truths about Cain! And, you surely understand by now that I was not very pleased with Adam and Eve! I was also not at all pleased with Satan (for lying to and deceiving Eve)! For, what are My words to Satan in Genesis?

Father, in Genesis 3:14, these are Your words to Satan: “And, the Lord God said unto the serpent, because thou hast done this, thou art cursed above all cattle, and above every beast of the field, upon thy belly thou shalt go, and dust thou shalt eat all the days of thy life. And, I will put enmity between thee and the woman, and between thy seed and her seed. It shall bruise thy head, and thou shall bruise his head.” These are Your words, Oh Lord. (King James version of the Bible)

Yes, indeed, these are My words! For, I was indeed wroth with Satan and I pronounced upon him and his seed this curse!

 From The Mountain Prophecies Copyright 2009

But, Father, my question is this. You are Most High. You created all things! You created evil! You created Satan! Father, in Job, (Job 1:6) we are also told that Satan came and sat among the Sons of God! Father, he was sitting among the Sons of God, so he must surely be one of Your sons, though an evil one. Father, will you explain some of these things, regarding Satan and the fall of Adam and Eve in the Garden of Eden?

My Little One, I am Most High and I set into motion all of creation! I create and I set up! I set into motion! What is created to be evil does evil and what is created with great light, to do right, does right with some exceptions here and there. The closer any is to the Source of All True Light, the more perfect and holy is that soul! The closer a soul is to darkness; the more difficult it will be for that soul to connect with Me and with the Great Light Source of All things.

My Little One, I created Satan and I knew what he would do. I put into him arrogance, rebellion, anger, pride and an array of behaviors, which are not pleasing to Me! I raised him up, nevertheless, to serve Me, knowing also that he would wish to supplant Me, to take My place!

I took two little innocent spirits, the two little cherubim, who stand before Me, and I put these into two bodies, which I fashioned. My Little One, they did not know evil, but were pure and innocent; and I put Satan in their faces in the Garden of Eden, knowing that Satan would tempt Eve! For, he is evil and he also disdains all true light; for he wishes to have power over it all! He will always, therefore, set out to destroy what is good and right! This is the way I created him to be! He cannot be another way. So, yes, I knew that he would disobey Me, that he would set out to destroy these two in My garden.

I also knew that I would, therefore, also have reason to punish him; for I must also justify My actions. I am Most High, a God of great righteousness and justice! So, yes, I knew how all would unfold with Satan. I also knew how all would unfold with humanity from the beginning! I knew that I would create a very difficult and harsh world, wherein I would cast many souls, who would return over and over again in their purification

journeys. I knew that none could or would ever be saved from such evil and darkness if I did not pay a great price for their salvation. For, Satan would be always in the faces of My righteous and pure ones, seeking to utterly destroy them.

However, amidst such a terrible furnace of afflictions, in such a terrible place, I also knew that I would train, and that I would raise up a few, who would be co-rulers with me, co-rulers of all creation. For, in My whole Light Kingdom, which if far greater and more expanded than any of you could ever imagine, there are none, who have so suffered across so much time as the little ones, the little humans on this planet Earth.

For, I have forced you back, life after life, causing you to take on new bodies, your having swallowed your cups of forgetfulness, to face your wrongs, to face your unsettled sins, to try you and test you across much time, so that I could indeed harvest some, who will be co-heirs, who will work with Me as co-creators in all of My creation.

My Little One, this very lengthy process is about to bear fruit! The very first Manifest Sons of God are about to appear in the Earth! And, you, My Little One, are their spiritual mother. You were Eve in the Garden of Even and you fell to the temptations of Satan! You came along as Sarah, mother to the House of Israel and you have been in the Earth as other very important mothers in this whole growth process of My Manifest Sons. I have brought you back over and over again, sometimes at critical junctures in this whole process, and at other times as an almost insignificant presence, as far as these works. Yet, I bring you back now as the birth mother of My Little Son of fire, the Little Manchild of Revelation Chapter Twelve. My Little Son of fire, who lives in you, will soon be taken to My throne and he will thereafter begin to bring forth great power into the Earth. For, he will go into the Manifest Sons of God!

My Little One, I know that many will balk at My words to you, which tell of the reincarnation of souls! But, they balk out of ignorance and so the ignorant will be ignorant; but those, who hunger after truth, will not choose ignorance and will not balk and mock at what they do not understand, but will seek me with an open heart and teachable spirit.

 From The Mountain Prophecies Copyright 2009

My Little One, you are the spiritual mother of My people the world over, both of the peaceful, loving ones and also of the unruly ones. For, you fell to the wiles of Satan in the Garden of Eden and because of such; you would bear first his own son, his own bloodline, so to speak.

But, Father, the Scriptures say that Adam "knew" Eve and they bore a son, who was named Cain. (Gen. 4:1)

Yes, Adam knew Eve, but the first Son, Cain, was the Son of Satan.

Father, this is so terrible, too terrible for words.

So, out of you came two lineages, even from the beginning, a lineage of holiness into which Enoch would be born, Noah and others, but also a lineage of evil into which Cain would be born, also Esau and many others. Do you see how the duplicity evolved? This duplicity was inherent in my plan from the beginning. For, within the humans would be the seed of the woman, a holy seed, and also a seed of Satan.

Now, after so may years, I call you forth again, My Little One, and I put My holy seed in you, even My own little babe, My seed from my own holy body; and this also reads in My Scriptures as the seed of the woman. (Rev 12:17) This holy seed is still in you, but it is now, not just a seed. For, My Little Son is an all-consuming fire and he extends by several hundred feet outside of your body! He is indeed a child but even so a man! For, he is now quite large, even a little giant!

And, even as it is written in Revelation Chapter Twelve, I put Satan in the face of the woman, who is you, My Little One! (Rev.12:4) I put him in your face to tempt you, to mock, scorn and berate you, to repeatedly rape you, to torture you and to cause you great pain and suffering! These have been your great tests and trials, your price to pay for bearing My Little Son of pure and holy fire and great light.

And, Satan, on seeing My Little Son in you, greatly wishes to devour My Little Son of Light; for he wishes to supplant Me. However, My Little One, I have sustained you! I

have been with you through the unspeakable, daily horrors, which you have lived through and which you still live through. My Little One, you have paid the price for the righteous ones to receive My Holy Little Son and now you pay an additional price for the seed of Satan to be free once and for all of him and for some of them, indeed some of them to be My very own sons, even as their Father Satan is one of my very own sons.

I will totally remove the "mark", the striated light pattern, which I put into them and I will raise up some of them to be my very own sons. But, your price for these, My Little One, will not be as great. In over forty-two months of your suffering, you have paid your greatest price. But, as you were mother to both from the beginning, you shall be mother to both as regards their inheritance in My Light Kingdom. For, this shall come to pass through My very own Son of Light, who is in you!

Blessed are You, oh Holy King! Blessed are You forever and ever! Thank you, Oh Glorious Creator! So, Father, through all that you are now doing, all of the children of Esau will not burn as stubble, as we are told in Obadiah 1:18.

My Little One, many, many of them will burn as stubble! But, it is My promise to you that I will set free huge and untold numbers of the children of Satan, who are in the hidden goat lineage. For, at some point and soon, I will begin to totally eradicate the striated light patters from their DNA, thereby freeing them of the inherent lying stream, which makes it impossible for them to know Me. When this inherent lying stream is removed, huge numbers will find themselves wishing and desiring a deep walk with Me. I will then draw them into such walks and will ultimately save many, many of their souls.

My Little One, it is for you to return to Esau and to give back to Esau his heritage with Me! For, he was the firstborn; but his heritage, I took away from the beginning; and I would not allow Rebekah to see the heritage of the righteous go to the children of Satan. (Genesis chapter 27) However, now this heritage will go out, my heritage to the Sons of Cain and to the Sons of Esau, even as I have so told you herein. And, this heritage goes to them through My Little Son of Light, who is in you! For, he is also I; and I am he; and I come back as He to bring salvation, especially to the sons of Cain,

 From The Mountain Prophecies Copyright 2009

even to the sons of Esau, to whom it was previously denied. For, through My Little Son and through My Kingdom Come and my will be done, my cup of love, mercy and grace is overflowing.

Remember also, My Little One, that Esau hates his mother; for he blames her for taking away his birthright. He has always hated his mother for this; therefore, when he sees his mother, he will hate his mother until I make him free.

Yes, it is true that his mother, Rebekah, did not take away his birthright, but I took it away, even from the beginning (at the time of Cain). And, as such it is absolutely counterproductive for Esau to hate his mother. For, his mother only did My will! However, My Little One, soon I will set free Esau and many, many of his children; and they will know that what I took away, I now also give back abundantly and with great mercy. And, with this, we shall stop for now! I am your Father Yahweh, yea Jehovah, Most High God.

## MORE MEAT FOR THE BRIDE

### "Total peace and joy;

### The heritage of those, who walk in Perfect Obedience to Me!"

"Come unto Me, My Blessed Child, that I may water you from My deep and hidden wells and feed you from the hidden manna of the treasure chests of My very hands."

"Oh, so lovely is this pure, clean and sparkling water in which I am swimming and so warm and so comforting, oh Blessed Saviour! Oh, that I could stay and live in this place of such eternal peace and joy! For, oh so lovely is this place, a place of such perfect refuge in You!"

"My Little One, this is My deep well of My all-encompassing peace; and this deep well of My all-encompassing peace is your friend! It is Your companion and it is the companion of all, who walk in perfect obedience to Me!"

"Oh, thank you, oh Blessed King! But, the world seeks to take this away! So many people of this world seek to rob this from me, oh Lord! For, many are full of strife and the world is full of strife! And, just by going out and being among those in the world, so many of them seek to rob me of this peace, Oh Lord! For, the demons hate this place of peace! They hate this place of such all-encompassing peace and the joy of the silence. Constantly, they come from all directions, to suck up this peace and to take it away."

"Nevertheless, My Little One, this place of total peace and peaceful joy is the heritage of those, who walk in perfect obedience to Me."

 From The Mountain Prophecies Copyright 2009

“Yet, Father, the price that we must pay for being harbingers of truths is to suffer assaults against our very being. For, the demons and wicked servants of Satan, and their wicked human counterparts, on seeing that we speak the truth, assail us through their dark spiritual swords and they impale us with their wicked demons. They pick up their assaults against us via their wicked technology, all to cause us grief and pain. For, they see us in this place of peace in You and they wish to utterly destroy our peace in You!”

“My Little One, this is all true! I know well that you have spoken truth! But, even so, am I not able to take all of your burdens? Am I not able to heal all of your wounds? Am I not able to cast out all demons, who would come to do you harm? Am I not able to defeat all of your enemies?”

“Oh, yes, Father! Oh, yes, indeed!”

“Then, be not troubled; for this deep place of peace is My gift to My Faithful! Those, who walk in perfect obedience to Me, will rest and live in this place, and though the gates of hell should be opened and My Faithful should be assaulted by every demon from hell, I am able to keep Mine in this place of perfect peace! Do you believe this?”

“Oh, yes, My Lord, I do!”

“But, if one chooses to become a “buddy” or personal friend with a rebel, he or she will suffer greatly! For, by deciding to become friends with a rebel, such a one will open up many areas within his or her mind, body, soul, heart and spirit, through which the enemy may attack! And, I, on seeing that one of My Chosen Ones has taken a path, which is displeasing to Me, will thereby begin to exact a series of punishments on My Faithful servant. These punishments will be, at first ,only slight, and may seem to be only coincidence; but if My chosen one does not cease to sit in the congregation of the ungodly, I will cause My hand to come down heavy, increasingly more heavy on this one of Mine! And, even though these judgments begin to escalate, My Chosen One, may not see, even then, that this is My hand of correction.

Therefore, My warning to My Bride, and to all, who truly want to walk in holiness and righteousness is to come away from the rebel! Do not sit in the congregation of the ungodly! If I send you there, go there and do or say and as I so direct in their midst; but do not linger there among them! And, do not become their friends or companions. For, I am jealous for My Chosen Ones and I will not allow such companionship with the rebellious and with the ungodly.

My Little One, it is extremely important that My Chosen Ones extricate themselves from all worldly things and from all worldly attractions, like television, movies, and most publications of the world! For, therein are spiritual traps, hidden mind control, hidden “trigger” words, images and phrases, which are put there to elicit strong behaviors, which are antichrist!

If Mine will not heed My warning and come away from these traps, they will fall among such traps. Regarding these things, I have repeatedly warned, but so may believe that these warnings do not apply to them! The fact is that too many, who consider themselves to be Mine, are addicted to things of the world!

Hear Me in this; for I am going to begin to make the journeys of My Chosen Ones difficult, increasingly difficult until they understand My strictness in these measures.

Hear Me, oh My People! I am going to marry a Bride, who is holy, whose robe is radiantly clean and sparkling white! NO manner of world or worldly lusts will be in My Bride! Have you heard Me? Do you understand Me? For, holiness calls out to holiness! Deep calls out to deep! Make your way straight and stay in that straight place. For, there will be none, who are waffling and wavering, in My Kingdom!

I am calling for righteousness, holiness, purity and truth! There is no other way and I will have no other way in My Bride! Hear Me, oh, My People; for I proclaim that this is so! Stop undermining your own inheritance; for the one, who is holy, will stand in My presence.

 From The Mountain Prophecies Copyright 2009

What is true will stand! What is pure will stand! And, what is right will stand in My presence! For, I am an all-consuming fire; and My Little Son, the Manchild of Revelation Chapter Twelve is an all-consuming fire! He is holy, even as I am holy; for he is I and I am He; and He is the heritage of the Manifest Sons of God!

Who will walk in this power, in this all-consuming fire? The one, who has a clean and pure heart, who has clean and pure thoughts, the one, who walks in truth, who loves Me above all, and who obeys Me in all things. This one will walk in such power! All others, who come into this power, who will not see the errors of their ways, and who will not repent of their evil ways, will trip and fall in this power!

For, this power is great! This power is heavy! This power is indivisible! This power is uncompromising! This power is perfectly holy! It does not bend and yield in the presence of the accusers! It does not arbitrate with evil!

This power is holy! Holiness calls out to holiness and this one, on whom this power falls, this power of My Little Son, will repent and walk in obedience, or this power will utterly break such a one and consume such a one from off the face of this planet! This is My Kingdom Power. Who can walk in such power? Who can stand in such and all-consuming fire?

The one, who has a clean and pure heart, who has made his or her way straight, who loves Me above all, and who fears me, who does not sit in the congregation of the ungodly, who does not love the world and what is in it, who is holy, pure, clean, truthful and righteous, even as I am holy, clean, pure and righteous. Such a one is My Son! This One is My Son; and in this one I am well-pleased. And, with this, we will stop for now.

I am your Father Yahweh, yea Jehovah, Most High God."

## CHAPTER SIXTY-TWO - PART II

### "Hear Me, oh My People! Love the world, and know… that you are cut off from Me!

"My Little One, I am your Father Yahweh, yea Jehovah, Most High God! Do you hear that noise?" "Yes, My Father, I hear it and it is dark, very dark, heavy and discordant music! Oh, so terrible is this sound! And, Father, I see in the darkness that it is Satan's music. He is the author of it. He is the director if it! So loud, so abrasive, so harsh, so utterly and absolutely horrific are these sounds!"

"My Little One, you hear it. You see it. You recognize it and you know that it permeates the whole earth. And, look, My Little One; for through the perverse quality of these harsh tones, there they go, the hoards of wild ones! There they go, like blind mice, who are going off the cliff and down, down, down into the dark abyss.

My Little One, already this discord is so great in the world, the noise so loud, that if My people do not come away from it, they, too, will become quickly blinded; and they, too, will go steadily off the cliff and into the dark abyss."

"But, Father, they will not hear! They will not listen, but believe in television. They believe in a Satanic, Freemason, world government! They are gullible, Father! They love the world and what is in it; and they will not listen."

"Hear Me, oh My People! Hear Me! For, I speak what is plain and what is true! Live in the world and perish in the world! Love the world and what is in it; and know for a certainty that you are cut off from Me! Chase after the vanities of the world and after the flesh and die in the flesh! Love the harsh, the ugly, and the discordant plans and practices of Satan and perish in them!

My warnings to you are becoming evermore final! My directives to you are becoming ever more dire! My pleading is turning into direct and severe chastisements for all of

 From The Mountain Prophecies Copyright 2009

you! Love evil and die in evil! Love things of the world and things of the flesh and die in the world and in things of the flesh.

For, if you, My people, will not come away from the evils of the flesh, fornication, adultery, pornography, child molestation, sodomy and other things, which oppose all that is good and right, I will open up the pits of hell and I will cause to come upon you the horrors of the demons of hell! If you will not repent now, but continue to put in My face these great evils, I will heap upon you untold suffering, suffering so great and demonic torture that is so great that you will wish that you had never been born!

Who am I that you think to parade such filth in My face? Do you think that because you get away with such evils and I have done nothing yet to you, that this will continue to be the case? For, what you do, you do in My face, and in the face of My Little Son, who is in the Earth and who also sees and knows all things!

Harsh, harsh, harsh and bitter shall be your cup; oh you unrepentant sinner, who calls yourself by My Name! For, what you have previously gotten away with without great travail and punishment, you will no longer get away with!

Hear Me, oh My people! Come away from your lying, deceitful ways! Stop parading your evils in My face! I am a God of great righteousness and holiness, a God of purity, truth and perfection! Stop parading you evils in My face! I will not endure it, but shall cause My wrath to be poured out on you! Do you not know that My eyes are upon you and nothing that you do escapes My eyes?

I shall pluck you up and put you into chains and shackles if need be to save your soul! Do you not know, My little flock, that this is a new day, the time of My Kingdom Come and My will be done in the Earth, even as it is in heaven?

Do you actually believe that I will not bring My fire down on you for your evil ways? Am I not the same God, who punished My own house when they rebelled against Me in the wilderness? I am among you now, even as I was then; for My Son is in your very midst, The Little Manchild of Revelation Chapter Twelve.

Do not think to get in My face with such evils; for I will cast you out of My face! For, holiness calls out to holiness, righteousness to righteousness, purity to purity, and truth to truth! I will have it no other way! My Bride is holy! The Manifest Sons of God are holy; for I am they are they are I! Will you get in My face with your ungodly ways and think that all is well? All is not well; and I will not have it!

Go, therefore, sink into what you love! Go headlong into the discordant, worldly music of Satan! For, he will harvest you, straight down into hell! And, I will be quick to turn many of you over headlong and quickly into all of your lusts; for you long after Me and you long after things of the world! A divided house will not stand in My presence! This is a new day and the old way, the ways of this wicked world do not and will not fit into My way! Blessed is he, who fears Me and who walks humbly before Me! This one is teachable and I can save this one!

But, cursed is he, who fears Satan, and does not fear Me! Cursed is he, who loves the world and what is in it! Cursed is he, who loves the evil discord of Satan! Cursed is he, who turns from the truth and will not honor or receive truth! Cursed is he, who mocks Me, who mocks My words and who will not abide in truth! Cursed is he, who has a divided heart, and who speaks with a divided tongue! Cursed is he, who sleeps in Satan's lair, who cuddles up to evil and sees no wrongs therein! Cursed is he, who eats the abominable things of this world and who feasts on television, movies, and the sinful things of the flesh! Cursed is he, who shuns sound advise from Me, and who comes to create strife in the midst of My faithful! Cursed is he, who gossips and spreads hate against My true servants! Cursed is he, who loves and lives a lie of any kind! Cursed is he, who will not repent of his evil ways, but heaps evil upon evil, and wickedness upon wickedness. Yes, cursed are all, who stand in the congregation of the ungodly, who embrace the ways of the ungodly and who will not repent!"

"Oh, my Father, these are strong words!"

"Yes, My Little One, we have come to the time of strong meat! My kingdom power is my meat power! It is not a power of milk and milk toast; but a power of pure holiness! It is

 From The Mountain Prophecies Copyright 2009

sharp! It is holy and it is final! Swift now comes My punishment upon the ungodly, who have defiled My house! Swift now comes My correction upon My own, upon My Chosen Ones, upon My Bride!

Yes, many will think such corrections to be ‘chance,’ or ‘bad luck’ and they will fail to see that this world has now entered into a time, wherein I will have none in My house, who will compromise with evil, who will make themselves friends with the ungodly! For, My word is strict! My way is narrow! There is no other way!

And, those, who love Me above all, who walk and live in this narrow, holy place, who obey Me in all things, who repent quickly of any and all sins and infractions against Me, these will be and are the Manifest Sons of God! And, My Little Son, my very own Little Son, the Manchild of Revelation Chapter Twelve, will rule the world in and through these, even with a rod of iron.

This is so; and the Manifest Sons of God are now beginning to manifest. May all be the wiser!

I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY-TWO - PART III

### "The Solitary Walk of the Bride!"

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! And, I call you back now to expound upon more truths, upon more expectations for My Bride! For, I am holy and My Bride is holy!

I have not called My Bride to mix herself with the evils of the world! I have not called her to sit in the congregations of the ungodly, but only to go there and to give My messages of salvation, healing, deliverance and correction! I have not called My Bride to be a groupie, but to walk a holy, pure, and righteous walk before Me! Groups are not a part of My Bride; although My Bride wants fellowship! My Bride wants to belong to a group, even though I have set apart each one unto Myself! And, I have called each one unto a solitary walk before Me! Yet, some of these are still believing that they are to be comrades with the ungodly! Why do I continue to expound on this? I continue to expound upon this issue; for this part, many do not understand!

Have I ever told you that the straight and narrow is synonymous with the Broad Way? Have I ever told you that the two ways mix? I have not; but the worldly, lying preachers of My word have! They have embedded themselves in the worldly and have lusted after the world and all that is in it! They have polluted My churches! They have polluted My people! They have wreaked havoc in My Congregations; for they have overwhelmingly rejected the straight and narrow! I hate their worldly prayers! I hate their worldly ways and their empty praises! And, I will throw them and their wicked ways out of My face, and violently so!

My Bride, I have called to holiness! I have called you, My Bride, to separate yourselves out of the world! Come out of the assembly of the wicked! Go there to give My teachings, to give them My words, to warn them, to bring salvation to them; but do not abide in the assembly of the ungodly! Do not go there with a 'yea, yea,' or a 'nay, nay,' for your agreement with them, in any of their evil ways, will open up doors within your very being through which the demons in them, will rush headlong, all in order to

 From The Mountain Prophecies Copyright 2009

destroy you! The world and all that is in it is enemy to My Elect! My Holy Bride, do you not know this? Do you not see that I am your portion?

What is to be gained by making friends with the ungodly? Do you not know that they are your stumbling blocks? They are the foes of the righteous! One rotten apple truly will spoil the whole barrel! Listen to Me! It is far better to be alone, far better, indeed and to be separated out unto Me! For, I am your Sustenance, oh My Holy Bride! I am the pure and holy light, who guides You, your Ever-present Source of truth, peace, and calm. I am your Provider! I am your Protector! I am your All, oh My Holy Bride! Therefore, you must look to Me in all things; for truly I, and I alone, am the Author and Finisher of your faith.

And, with these words, My Little One, we shall stop for now!

## CHAPTER SIXTY-TWO - PART IV

### Plain Talk from our Saviour: An Extended Delay!

"Come unto Me, My Blessed Child; for you have come seeking, asking that I speak to you in plain talk, in talk, which is devoid of mysteries, devoid of visions, dreams, similes, and metaphors. Plain talk, you seek from Me regarding My coming for My Faithful, how it will appear, how it will "look," how it will manifest. And, I am not offended in this! I am not angry with you for asking this, but what you ask I now give readily.

My answer to you is plain! Soon, very, very soon, I will take My Little Son back to My throne! Yes, I have added a short time to your suffering; for you have asked for the

salvation of the children of Satan! And, I have placed My Little Son in one, wherein I am training him to set free the children of the hidden goat lineage. Yes, I have added onto your time of suffering some additional amount of time; however, this is not lengthy, but short, as I have told you."

"My Lord, forgive me if this statement is not appropriate; and please do not be offended in me, but My Lord, a short amount of time for You can be 1,000 years! For, Scriptures tell us that 1,000 years is as one day to You. (II Peter 3:8) Therefore, I ask You, Oh Blessed Saviour for clarity. My Lord, what is a short amount of time to You? Is it weeks, My Lord? Is it months? Is it, as of yet, an undetermined amount of time? I ask, My Lord, because the very concept of time has varied meanings to You when it represents time in this human world.

My Lord, I have seen You give dates, as I asked to see dates, only to see You give more time and make the dates, which You gave, null and void. Therefore, I ask in earnest, My Lord; for I do not understand what a short amount of time means to You!"

"My Little One, I am still looking! I am still weighing! Therefore, I can only be honest with you when I say, a short amount of time. I can expedite this time and compress this work into a very short time of some few days, or a few weeks; or I can extend it by some few months."

"Father, is this time, this amount of extended time, whether it be compressed, or stretched out, dependent upon me in any way? Is there something that I must do, or not do? What must I do? Am I able to expedite this time in any way?"

"My Little One, continue on as you have continued! Be obedient. Be faithful in all things! Love Me above all. Do as I say. Speak when I tell you to speak. Write what I tell you to write. Be silent when I tell you to be silent, and I will do the rest. This is My work. I am Most High! In no way are you able to determine what I am looking at, what I am observing, or what I am doing. For, I am looking at many things the world over. So be at peace; for I am with you in all things.

 From The Mountain Prophecies Copyright 2009

Now, My Little One, I have given you plain talk regarding your questions. And, this plain talk, which you seek from Me involves other things, as well. Therefore, I will tell you some other things in plain talk! Yes, I will soon take My Son, My Little Manchild, back to My throne. When he goes, you will go also, and few others will go with you! Soon, I will seal the 144,000, and soon I will begin to release My Little Son, the Manchild, into My Sons, who are my Bride! These, who receive My Little Son, will be greatly persecuted, and tried and tested in severe and harsh ways, even as you are tried and tested.

All of these things will take place before the first Great Harvest. Great travail and great hardships will begin to come upon My people to cause them to repent before Me. For, they talk, talk, and talk, but they do not wish to repent.

My Little One, you know how bad it is in this world! You know just how few have stayed the course with you! You know how wicked the hearts of the people are; and you know how their hearts have grown cold for lack of love towards Me. My Little One, you know the state of this wicked nation of the USA, that it is the harlot of the whole world! It is Sodom revisited. You see and you know the truth of things; for I have put you into the midst of My very fires, the all-consuming fires of My Little Son. You live there, My Little One, and you have lived amidst persecution and torture, which has been so great that anyone, who could really see and understand would shudder! In addition, the enemy has tried every kind of mind control on you, day after day, week after week, month after month; and now year after year. But, through it all, they have failed! However, they have succeeded in driving many away from you. For, they have seen the corruption in their hearts; and due to such corruption, the wicked ones have been able to easily mind control many of them by expanding the wicked thoughts of their hearts, and instilling in them further lies as well!

But, some few they have failed to control, even though the wicked ones have also victimized these and have sought to turn these against you. They have not succeeded because these are humble before Me! They desire righteousness! They truly love Me above all! Their hearts are right and in the right place before Me! Therefore, the

repeated attempts of the enemy to turn them against you have failed. But, not so with many others!

My Little One, these wicked children of Satan and his many hoards have gone after many, abducting them from their homes, drugging them and mind controlling them, all without their knowledge or permission! Over and over again, they have done such things to your so-called friends and their assaults have worked over and over again! Therefore, many of your so-called friends have fallen by the way!

However, as I have just stated, the assaults of these wicked ones did not succeed against a few! A few have remained faithful! The evil attempts of the enemy would not work against them; for their hearts are right and clean before Me! When you look among your few friends, who have stayed the course with you, this is what you see! You see humble, obedient, little children, who love Me above all, and who truly love others. These few desire to please Me and to do My perfect will. They are part of My humble, little flock! But, how many are these, My Little One? Few, few indeed! These are the numbers!

Therefore, My Little One, through this observation, you can surely get a glimpse of just how many faithful, little ones I have in the whole world. These, who are your friends, have been stalked by the enemy; and many of them have been stalked through covert means, just as I have already mentioned. Yet, they are still your friends. I have been busy trying them all; for I have also allowed all of the trials, which have come upon them. However, My Blessed Child, most in the world have not suffered what these few have suffered. I have not put them through such tests to test their faithfulness.

Do you see why I cannot now take My Bride off this planet? They are not ready! Through so many warnings of My imminent coming, I have laid tests before My Bride to see if she would come to Me with a broken heart and with a contrite spirit, so that I could wash and bathe her through her own tears. I laid the tests out when I told over and over again that My coming was at hand! Yet, My Bride overwhelmingly failed My tests.

 From The Mountain Prophecies Copyright 2009

Instead of coming before Me with a broken heart and with a contrite spirit; they raised their filthy hands before me; they flashed their soiled robes in My face and they overwhelmingly said, 'Here I am, Lord! Come for Me! Marry Me!'

Yes, this is so! This is what they have done! Yes, indeed! Therefore, My Little One, I am bringing forth a time of pleading with My people, pleading amidst severe and harsh judgments! My Bride will not come in tears and on bended knees in deep repentance! Therefore, I will put her on bended knees, even in the midst of great travail. However, I will not unleash such suffering and travail upon My people without also pouring out a great measure of My grace, My love, My mercy and power!

My Little Manchild, who has lived in you for over forty-two months, must soon be known to the whole world. He must soon take his place in the Sons of God, who are ready for Him. For, some of these are ready! Not all, but some!

A time of the manifesting of My great power must now enter into the Earth! For, Satan's Kingdom is rampant! Its ugliness is roaring across the planet and he appears like a lean and hungry lion, seeking whom he can devour. My Little One, terrible things are taking place all over the earth and Satan's Kingdom of great darkness rises quickly now to rule the whole earth.

Therefore, I will soon take My Little Son to My throne! He will receive great power and will thereafter go into some, who are ready to walk in such great power! He will go also into others, but with a lesser degree of power! Some will, therefore, walk in great power, as My Manifest Sons of God; and some will walk in a lesser power! These, who have My Little Son in them, the Manifest Sons of God, will also do great works and wonders among My people! Yet, Satan will hate them greatly and he will set out to make war against them.

My Little One, as you have often spoken regarding My written words in Revelation Chapter Twelve, Satan only persecutes you! (Rev 12:13) Yet, he tries to kill you daily! However, he will make war against these, who have My Little Son in them; and he will kill some of them! (Rev 12:17) Others, he will not be able to kill!

My Little One, during this time of great persecution, I will release a great amount of My power into the Earth! This release will take place through My Sons and will be for the salvation of the greatest numbers of souls! This must be! There must come a time for the trying of the Sons of God, a time for pleading for the rest of the people to repent, and a time for the salvation of the greatest numbers of souls. As I have told you, this must be!

I will severely try and test all, who receive My Little Son. What I require in the Sons of God is a walk of perfection, a walk of holiness! For, My Holy Son will be in them; and I will require such a walk before Me! Therefore, any sins, if not repented of immediately in the Sons of God, will be met with a sharp and quick judgment. These judgments can be so sharp, so hard, so fierce, so quick, that some of these will wish that they had never been born!

For, Satan will see and will monitor also every one of them; and any unrepentant sin, if not repented of immediately, will cause a release of the hoards of hell against that person! So great will be the suffering upon such a one, that if he or she does not repent, that same one may wish for death!

Yet, if this one will quickly repent, only a little punishment will come upon him, or her; and this little punishment will come about to get his or her attention and to cause a remembrance of such sins, thereby bringing about an avoidance of such behaviors in the future.

My Little One, this is black and white. There are no gray, or shady areas! The Little Manchild, who lives in the Sons of God is I! I am in these Sons of God and what many would have easily gotten away with previously, they will not get away with once they get the Little Manchild. For, if these Sons of God will not immediately repent of any and all sins, I will reduce the power in My Little Son in such offenders; and they will be left powerless in the face of armies of demonic hoards from hell. Great, great shall be their pain and suffering; and it will come immediately!

 From The Mountain Prophecies Copyright 2009

The walk of the Manifest Sons of God is strict, stricter than any walk that anyone in this earth has ever known. You know how it is, My Little One! You have lived amidst it! This walk requires a total surrender to Me, a total death to self, a total death to the world, and all of its traps; a total faith and trust in Me; a great fear and respect for Me; and, a great love for Me, which means to love Me above all! The walk of the Sons of God also requires a great concern for what I think and a great desire to do what is right, yet a lack of concern for what others think, and lack of concern for 'pleasing' others.

For, each one must know, each one must understand that I am the Author and Finisher of his, or her faith! Therefore, each must put Me first and obey Me in all things! I will not allow these to put others and other things before Me! To those Sons of God, who put people or things before Me and My work, I will give a sharp rebuke; and there shall follow an immediate decrease in My power to My Little Son, who is in them. My Little One, this is My Kingdom Come, My will be done in the earth, even as it is in Heaven!

After this time of the testing of trying of My Bride, and after this time of pouring out My Spirit and power in the Earth, I will bring forth a Great Harvest.

This first, small harvest of these, who appear before me, and who are sent back, would not be considered to be a harvest by some! Yet, it is a harvest, but very contrary to what people are looking for and expecting.

Yes, I am coming for My Bride, but I will first put her through the fires before she walks in her full power!

I have talked plainly! I have spoken clearly! I have said My piece! Now, go in peace, My Little One; for I will do for you and some others even as I have told you! So be of good cheer!

I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY-THREE - PART I

### "The Developing Pyramidal Structure Within the Manchild!"

"Come unto Me, My Blessed Child; for I am your Father Yahweh, yea, Jehovah, most High God! Listen to Me, My Little One; for I have important news for you! I have an important message for you! See the angel, who has just arrived, who even stands before you now with food from heaven?"

"Oh, Yes, my Father, it is the same angel again! At least, I believe that this angel is the one, who brought me the pallet full of meat! For, I see the horse, the carriage, and the wagon, which are parked outside of my window."

And, oh what a beautiful robe, such beautiful threads of light, such beautiful, heavenly embroidery on the robe of this angel! And, oh what beautiful and ornate shoes. The face of this angel, so beautiful, so pure, perfect and holy, the hair so perfect in every way. Oh, so lovely is this angel, who sits on one bended knee and just to my right. And, this angel has in hand a platter of food, this food resembling little pieces of cake, which are cut into separate square pieces, somewhat reminiscent of cubes.

Then, this angel takes one such portion and puts it on a white glass plate, and then hands a portion to me. On looking at this piece of food, I can see that it is divided into colorful sections, which remind somewhat of the colors of the rainbow. And, as I look at this food, it begins to radiate with much light! It sparkles and swirls, expanding now to become much larger than the plate, changing also in its appearance, from large to small. So, back and forth it goes in this changeable way. "Father, this is quite awesome to behold! What am I to do now?"

"Take this food; for it will fit into the palm of your hand! Eat it! It will seem very sweet in your mouth."

So, I take this food and eat it and it is indeed sweet and also has a somewhat granular effect, as if there exist within this food tiny sugar crystals. And, as I swallow it, there comes the sensation of being amidst a swirling, moving current of blue/green waters.

This current grows as it pulsates down my throat, this great power now moving far outside of my body and encircling my whole body! This powerful current continues to move and to swirl, moving now to the level of my abdomen, where it remains!

I look now to behold this blue/green current, that it has taken shape around my abdominal area, the nature of this shape being that of narrow, thin layers of blue/green colors, actually various and distinct shades and hues of blue and green.

This layered effect of this liquid power, or light, I cannot tell which, reminds me somewhat of the rings, which encircle the equatorial plane of Saturn. And, even as the rings of Saturn move, these rings move also as they encircle my abdominal area!

I look now to see the angel place this platter of food on the stack of meat; and cubes of this very awesome power begin to leave the platter, one by one, and to enter into various packages of this spiritual meat, which are still wrapped up and still on the pallet!

“Oh, Father, what does this mean?”

“My Little One, this cube is one block of heavenly power from My throne. I have given you one block today, just one block. I have instructed My angel to put the remaining cubes into certain of the packages of My spiritual meat, which is food for My people! So, within certain of the packages of spiritual meat, there is also placed for you another cube of My spiritual power.

My Little One, you saw the rings of power around your waist; for these cubes of power will take place, or assemble themselves around your waist, though this power will permeate all of you; and though it will empower all of you, it will gather and form layers around your waist, yes, even like the rings, which encircle Saturn. As you need

 From The Mountain Prophecies Copyright 2009

this power, it will be available to you, for you to be able to travel in My Spirit, both upwards and to other places in the Earth! So, as you receive the meat of My word and get it out to the people, these cubes of power will be released also into you."

"Oh, so lovely are these words, Father. Yet, with so much meat, this process could take some time."

"Yes, my Little One, because of the lack of readiness in My Bride, this could be longer than you think."

"Oh, Father, there are so many questions, and so many mysteries in Your works. Just when I think that I understand something, I realize again that I understand almost nothing!"

"So, My Little One, when you look at so much meat on the pallet, realize that you also do not know when you will open a package of meat, which will also have one of these cubes of power."

"This is really awesome, Father!"

"My Little One, these cubes of power will form a certain pattern within your spiritual makeup. Only I know what this pattern is and only I can bring about this pattern! But, today, you have in place your very first piece of this pattern."

"Father, how will this new power manifest in me?"

"In ways that you could never imagine; for this power is My Kingdom Power."

"Father, I am so excited, so eager and also so afraid. I am really afraid of such power, Father! I know that I am as dust is to dust; for this is truly Scriptural! (Gen 3:19) This is who we are! Therefore, Father, I am so afraid of such a grand power from You!"

“My Little One, there exists a triad within this power. See this pyramid, which is divided into three sections. There is a triad, a base, onto which the greatest number of cubes of power will be placed, then a second level, or intermediary level, which is akin to the body of the pyramid and then the third level, which is akin to the head of this pyramid.”

“Yes, Father, I do see it and am also reminded of Satan’s pyramid of power, which has the capstone, or his all-seeing eye at the top.”

“Yet, is he not the big pretender? Is he not the fake one, who wants to be the REAL ONE, who therefore, mimics the real, all in order to deceive the people?”

“Yes, Father.”

“Then, know, My Little One, that these cubes of power, when fully in place in you, will form a pyramidal shaped structure of My power in you. Yet, you will not see this pyramid and few will ever be able to see such a pyramidal shape of power within them also. This is My Kingdom Power and My will be done in the Earth, even as it is in Heaven.”

“Father, how does this pyramidal power structure work?”

“It moves on a plane, not only, but partly, or particularly, at the equatorial plane of the body! This pyramidal structure can be both flattened, or stretched out horizontally, or can exist also longitudinally, or vertically. It can be extremely compressed or very flattened out. This pyramidal structure, which few will ever be aware of, can also twist, or distort itself, appearing as you saw, a swirling mass of liquid, or liquid light.

As I add to this structure in you, you will become increasingly more aware of very deep spiritual manifestations, not only in this sphere, but in many dimensions and spheres. With each new addition, a newer and greater power from Me will be added into this pyramidal structure, which is building in you!

 From The Mountain Prophecies Copyright 2009

My Little One, when completed, this pyramidal structure will move and rotate extremely fast and with much power, enabling you to move quickly from one location to another, just through thought alone."

"Father, from what You are telling me, such power will not be given to me in Heaven, but I must earn, sort of, for lack of better words, such power."

"My Little One, I have told you in plain talk what I am about to do; but I have not given you a specific time. Because of My great mercy, I will continue to plead with My people and I will continue to warn them and to pour out My truths on a spiritually starving people before I begin to pour out My severe judgments. My Little One, this time could be weeks, or still some months. Because of the great mercy, which stirs in My bowels, I may extend this time for some months. This is where My heart rests, My Little One, and this is also according to My promises to you, that I would cause you to see the salvation of the greatest numbers of souls.

Therefore, I am now looking to give some more months in which you will teach My people from the deep wells of these profound truths in Me. During this time, I will cause some few others to seek you out to find you and you will pray for these also, imparting the Manchild to them.

At this time, I will only release the Manchild through you via the laying on of hands. It will not come another way. And, I will not release him to any and all, who would seek him. So, some may seek you out. They may come to ask this of you; and I may not honor their requests at this time. Do you see?

Only some few will come, who have a spiritual foundation, which is strong enough to bear him. For, any, who receive this Little Son of Mine, will indeed become targets, great targets for Satan and his many vicious and evil hoards. Who is ready for such a flood of evil to assault him or her day and night?

Yet, there are some, who are already assaulted by a flood of Satanic and human evil, assaulted terribly via their wicked technology and some of these will come and they

will be able to bear My Little Son! For, they are already within the flood of evil and my Little Son will do great wonders for them! Some of these are those, who suffer from the Morgellon's Implant Disease, some who love Me greatly and who travail beneath the terrible weight of the horrors of Satan's terrible technology!"

"Thank You, oh Glorious King! Thank You, Father! Thank You, thank You, thank You!" Now, Father, I, I wish to ask you, why is this pyramidal light blue/green?"

"It is now two colors because the green is connected to the Earth! The blue is connected to My throne! As more and more pieces of the puzzle are put into place, the only remaining color will be a deep, deep blue. This deep, deep blue, the color of beryl stone, connects directly to My throne.

Once this pyramid is fully in place, you will be able to come up to My throne quickly and even as your heart so deeply desires! You will be able also to travel to distant locations in the earth, just by thinking to do so!"

"So, Father, if I understand correctly, this part of the spiritual pyramid will be in place before You come for these, even as you have told me in your Plain Talk message?"

"My Little One, your price is no easy, quick-fix, price. It is a great price, one very great price that you will pay for My people! I have told you that I have added more time to your price for the salvation of the Children of the hidden goat lineage. However, with every cube that you eat, with every piece of the puzzle, which I cause to enter into you, you will walk thereafter, in a greater freedom and power.

So, My Little One, as I progress in My work to set free the children of Satan and as you progress, in My work to teach My people from My deep and hidden wells, I will cause you to progress in the establishment of My pyramidal power in you! As each piece of this pattern falls into place, you will begin to see that you walk in a greater freedom and power!

 From The Mountain Prophecies Copyright 2009

This Kingdom Power will steadily grow in you and as it grows, there will grow also your freedom from your oppressors. For, indeed, a new heavenly body is beginning to form in you! And, it is unlike anything that has ever been known in the whole earth!"

"Father, there is a lot of meat on this pallet and from the looks of it, quite some months could be needed for me to receive such meat and to get it to the people!"

"Yes, My Little One, this could also be so! For, My people will also need a little time to both receive and to digest this meat! But, even so, many, many shall be fed! Many, many shall be set free! Many, many shall be healed; for I shall continue to put great power into My holy anointed cloths as well. Yes, much good will come about for many all over the world as they eat of My hidden truths and as they drink of the deep wells of Me!"

My Little One, how long have you prayed to be able to drink of the deep wells of Me?"

"My Father, I believe that this has been a very regular prayer of Mine for about the space of one year."

"And, so it is. And, now after you have sought Me in this for so many, many months, I shall take you into the deep wells of Me and I shall begin to water you and to feed you from these deep wells of Me." "Oh, thank You, oh Blessed and Mighty Saviour! Glory to Your Holy Name!"

"And, blessed are you above all women, My Little One; for you are mother to My People the world over! And, I call you now to teach them My Kingdom truths and as you do so, you shall steadily walk in more of My Kingdom power."

"Thank you, thank you, Father! Open their eyes, Father! Open their ears, their minds and hearts to receive. Now, Father, I would like to ask You how this pyramidal structure relates to the Manchild."

"It is an intricate part of him, an intricate part of his vehicle of travel."

"What about the 'wheels within the wheels,'? Is the Manchild not also the 'wheels within the wheels?'"

"He is; yet unseen at this point to you is that, which is yet to be formed, the pyramidal structure, which is yet another facet of Him! This pyramidal structure will also steadily change your whole body, My Little One! It will, when fully in place, allow you to appear and disappear at will, even as the angels of heaven."

"Oh, so awesome, Father! I long to be able to travel in such a way; but I am also remembering the words in Isaiah, Isaiah 28:8-10 " For all tables are full of vomit and filthiness, so that there is no place clean. Whom shall he teach knowledge? And, whom shall He make to understand doctrine? Them that are weaned from the milk, and drawn from the breasts. For precept must be upon precept; line upon line, line upon line, here a little, and there a little." These are Your words, Oh Lord; and this is why this process of teaching and learning as well as the laying of these pieces of power into the pyramidal structure could seem to take a while. For, it must go line upon line and precept upon precept."

"Very well said, My Little One! These are My words and this is how My Kingdom is established, line upon line and precept upon precept and none go from an initial or beginning point to a point of ending, just because they wish to. All will learn, all will earn. This is My way and all, who truly want My Kingdom Come will come away from the false doctrines, which permeate nearly all churches, the world over! Some of these false doctrines are: 1. once saved, always saved; 2. Do not worry about your sins! You are saved by grace!

Yes, you are saved by grace, but the Pure of Heart shall see My face; and the Pure of Heart shall know salvation. Who among you is Pure of Heart? Few indeed! And, for this reason, I must now scrub My Bride and purify her through My fires."

And, with this, we shall stop for now!

## CHAPTER SIXTY-THREE PART II

### The Coming Manifestations of the Pyramidal Power in the Manchild;

### What the Sons of God can Expect!"

Oh, Blessed and Holy King, oh Lord of Lords, Great and Almighty God, I come back to You today to thank You, oh Glorious King and to lift up and magnify Your Holy Name! Father, thank You for such a huge amount of meat from the deep wells of You! How blessed we are to receive such hidden truths from You! These are, for a certainty, Your Kingdom truths!

Father, I ask You to station great angels of protection around me as I speak with you today; for You know how Satan and his hoards come flying through the walls when I pray to you and when You speak to me. Father, I ask You to confound them all and to blind them all, to deafen them all and to cause a profound sleep to befall them all! For, they are in my face all of the time, seeking to disrupt, to steal, or cause confusion in some way! And, I do not even mention the horrors, the great and terrible persecution, which they inflict upon me and Your beautiful, little holy Son!

Father, I have been under their feet for so long, even before You gave me your beautiful, little Son of Light. So hard has been this journey, Father! So great has been my suffering, my heartaches and travails. Father, You have seen it all and you have been in our midst. You have miraculously carried us through it all; for by the hour and by the day, these wicked ones plot to kill me through any and all means and they never

cease in their schemes to put out the light in Your Precious Son, to steal his light, to overpower him altogether and/or to take him through one thieving manner or another.

So hard has been our journey! So terrible and it is still very hard! It is still terrible; for they do not let up in their wicked assaults against us. Father, You see how they fire so much of their evil technology into us as if we were things! They fill us with terrible stuff, Father, so terrible, such great amounts of hard plastics and hard fiber boards, such substances extending far outside from my body, at times by several hundred feet. We exist in the midst of such great evil, Father, and though this cannot be seen outside of me, it still exists, but at a different vibratory rate!

And, my body becomes so full of it, My head, my throat, my legs so heavy, for so much of it goes all the way through me. Oh, Father, to do the simplest of things at times can feel like moving mountains. Therefore, I must often rest; for the great accumulation, the sheer mass of this "stuff" encapsulates us both and extends far beyond us. Father, this is a terrible prison and we have been in a terrible prison since You gave me Your Precious, Little Son.

And, before that, Father, there was the War in Heaven, wherein I suffered greatly from the attacks of so many hideous Dragos and Satan's hoards and these wicked Dragos implanted my body with massive amounts of implantable strings and threads.

And, before that, this U.S. Military was repeatedly burning me with microwaves and lasers and the sheer pain of those assaults was so terrible that I truly did wish to die!

And, before all of that, there were the continual abductions of the wicked Satanic creatures, who work with the U.S. military, the many needle marks here and there over my body, the abduction into the Vatican, where Hans Kolvenbach and all of his wicked men mocked me and did terrible things to me! And, for those terrible things that they did to me, you killed Hans Kolvenbach. Yet, they were quick to replace him with a look-alike!

 From The Mountain Prophecies Copyright 2009

And, before that, Father, as You know, even in 2001, I was in the hospital in intensive care because of the attacks via beam weapons against me, which were carried out against me by arms of the wicked U.S. Military!

Oh, Father, why am I going into all of this? Father, I go now into so much again with You for two reasons! Firstly, I stress that I am alive because You have kept me alive! You are Almighty! You can do all things! Blessed is Your Holy Name! Thank You, Father; for through it all, You have been with me, to keep me alive and to get me through such terrors, that few, if any, could ever imagine. And, surely none could ever live among such things, not even for a moment. Yet, Father, You have carried me all of these years, even when I was lost, you carried me and You sustained me! You did not forget about me and when you were ready for me to serve You, You found me and you cleaned me up! Thank You, Oh Glorious God!

Father, the second reason that I have gone herein dredged up memories of so much suffering, which I do not really need to do as you fully understand already, is to stress to You that I am so very tired! I wish that this were not the case! I wish that I were overflowing with great energy and power, but Father, this is not the case.

I do not wish to be tired, Father, I wish to have a lot of energy for Your work! Yet, Father, I am tired so much of the time and I struggle to get things done, for there is but one of me. For this latter reason, Father, I so pray for this new spiritual body; for then I will be able to do more work for You!

Father, I just wanted to say these things today! You know my heart and I do not like to complain! And, I truly do not need to; for You see and know all things! But, Father, if it would be within Your will, I ask You to expedite the acquisition of this new body for me and Your Little Son. For, I truly would like to do more for Your people! But, both of us are in a terrible prison. Have mercy on us, oh Blessed Saviour; for we have been in a terrible war and we are still in the midst of one horrific war!

My Blessed Child, I know that you write the truth! But, I also know that in no way have you written all of the truths regarding your great travails and suffering. For, many,

many volumes could not contain all of such truths! Yet, I know these truths, My Little One! I know all truths about your most exceedingly difficult journey! This is why I am adding unto you these blocks of power, which, when fully positioned, will allow you both a great opportunity for a greater work in Me, and also will cause you to walk in a greater freedom.

Yet, Father, if it would be within Your will, I do pray that You would consider my prayers regarding your expediting this process of our receiving this pyramidal power. Father, You have told me that You have extended my time of suffering for the salvation of the children of the hidden goat lineage. And, Father, I thank you so for this great work to save them. I desire this, Father and I know that You will give me the abundance of love, compassion, grace and mercy, which I will need to get through!

But, Father, regarding one of Your children, whom You have sent to me, this child of Yours, Father, who is of the hidden goat lineage, what I am to do, Father? For, You have told me that You called me as an overseer to help her spiritually and to help her in other ways. But, Father, she refuses to speak to me because I tell her the truth! I tell her the truths, which You give me to tell her and I tell her the truths regarding other things.

Father, how then am I to be an overseer towards her, when she behaves in such ways? And, Father on seeing these behaviors in her, the work of the Manchild in her, which he needs to complete to learn how to save the children of the hidden goat lineage, is being and will be further oppressed or delayed!

Father, You have revealed the much of the work that must be done and these are often profound things, yet, Father, I cannot be an overseer; for there comes against me frequent railing against the truths that You often reveal. So, Father, due to this willfulness, my own time of suffering is extended and Your works are being held up! What will You do here, Father? For, I do desire to see the salvation of the children of the hidden goat lineage, yet Father, these delays are troubling! So, what am I to do then?

 From The Mountain Prophecies Copyright 2009

My Little One, do you see Me take this piece of wood, a small, narrow, thin piece of wood and I break it into two pieces. Once I break this piece of wood, only I can miraculously put it back together again! Look at this broken piece of wood! See the splintered and jagged edges! Can this be glued back together?

“No, my Lord.”

“Can it be nailed, or stapled back together, or put back into place with tape, or through any other worldly means?”

“Father, only if both pieces are cut at angles, bonded with glue, and then held in place via the placement of screws.”

“Yet, My Little One, it is still two pieces, which are made to look like one!”

“This is true, Father! Father, will You explain to me why You show me this?”

“My Little One, this broken piece of wood is My Little Child, the very woman, that I brought to you. She is this broken piece of wood; for I broke her! I could not use her the way she was, so I broke her! When I put her back together, she will not appear as a broken piece of wood, but as a heavenly tool in My hands. This wood, her appearance when she was sent to you, was unusable to Me. So, I have had to break her. I have had to break her apart, literally apart. When she is clean in My hands, she will not be wood; for wood decays. Wood rots. Wood is only temporary. She will be one of My shining lights.

My Little One, I caused such behaviors in her; for her many and varied denials, angry outburst and fragile and unstable ways became an overload to you. Great is the work, which I need to do in her. And, yes, I called you to be her spiritual overseer. A seer, who looks over the work of another so as to guide the other one, is an overseer! For, as the seer looks over and is above, the seer sees better than the one, who is below the seer! This is the way that it should be with a spiritual overseer.

However, My Little One, the spiritual shortfalls, which this child of Mine faces are many, deep and varied! Yes, you can help her. Yes, you could help her and you have helped her; but due to so many resentments in her towards you, which go back for a long time, you are unable to do much to help her. And, yes these rebellious ways in her do slow down and hold up the progress of My work in the salvation of the Children of Satan, the hidden goat lineage. And, yes these rebellious ways do hold up your own advancement! Therefore, I have set up a way for you to spiritually progress and steadily go towards your own freedom and deliverance, which is not dependent upon her and her actions, or the lack thereof. When the many demons are gone from her and when she cleans out so many storage lockers of anger, hurt, denials and rejection and rebellion, I will show her thereafter, and also steadily so, the errors of her ways. But, yes! This could take some time! Therefore, I remove you as her overseer; and I will cause you to write for My people a great amount of truths from the hidden and deep wells of Me. As you go forward in this, you will also go forward in the development of a new spiritual body in you and in My Little Son and you will thereby advance towards your freedom in Me. Due to your prayers and due to your pleadings before Me, I am able to do this for you at this time.

These cakes of power, when added steadily to you and to My Little Son, will begin to manifest in you a greater strength, greater power and greater freedom in all things. I am with you in this and I will not fail you! Be hopeful; for this work may progress more rapidly than you think! For, due to your heartfelt pleadings with Me, I have caused these cubes of power to be distributed in a different manner, not evenly distributed through the spiritual meat, which you will give to My people. But, in some packages you will find several cubes of power!

“Oh, thank You, Father! Father, will I know when the Little Manchild and I get these cubes?”

“You may know and you may not know. But, soon, as you pray, you will begin to see clearly the faces of certain ones all over the world, who are in need! You will be able to see their faces, only, at first. Soon thereafter, you will be able to know certain intimate things about these ones that you see, so that you can thereafter pray for them. Soon

 From The Mountain Prophecies Copyright 2009

after this time, you will be able to reach out in the Spirit and to touch such a person, whom you will clearly see. And, as you touch such a person, you will be able to impart healings and other blessings.

Soon after this latter phase, some of these, whom you see, will be able to see you also! They will see your face or will see you entirely, dressed in white, and surrounded by a blue light. After a short time of your manifesting in this way, you will be given the power to rotate, or to manifest yourself in the presence of these, whom you see; and to rotate back again. Yet, for only a short while at first.

After this latter phase or rotating there quickly and back, you will be able to go to distant places and to manifest for increasingly greater amounts of time, and to teach My people in their own language and to bring and to cause to manifest in their midst great miracles, signs and wonders.

When the latter stage happens, the pyramidal structure in My Little Son and in your body will be completed. My Little One, this is My unexpected gift to you! This is what I am able to do for you as you wait, as My work in the salvation of the children of Satan progresses, and as I am cleaning up others and making them ready.

Oh, Blessed Saviour, glory to Your Holy Name! Blessed is Your Holy Name forever and ever! Oh, how great shall be that day when You will allow me and Your Little Son to travel in such a way and to minister to those, who also greatly travail in such darkness. And, great will be that day also when the manifest Sons of God are also able to travel in such a way! All the praise, all the glory, all the honor and all the power to You, Father, forever and ever.

And, My Little One, what I have not explained fully here is that even as you are progressing in the development of this pyramidal structure within you, and within My Son, even as you witness in the earth, even as I have just told you, there will be also many occasions when you will travel upwards to the heavenly realms and you will witness much. Some of what you witness, you will write of, and some you will not write of. Yet, two new levels shall begin to unfold within you: the ability to travel to distant

places around the world, as guided by Me, and the ability to travel upwards and into My midst as guided by Me.

Oh, Blessed Father, I am so grateful. Oh, how grateful, Father! I am so exceedingly blessed! Praises to Your Holy Name forever and ever!

And, with this, we shall stop for now. I am your Father Yahweh, yea Jehovah, Most High God!

**A Closing Prayer!**

"Father, in closing, I pray for your abundant mercy upon this little child of Yours, this woman, whom You have sent to me from afar! Father, pour out Your mercy upon her, Your manifold grace and Your abundant blessings, oh Holy King. Father, do not hold anything against her; for she, too, suffers greatly beneath so very many attacks from Satan, from all of his evil hoards and from those in the wicked U.S. Military. Help her to see, Father, that the cup is neither half-full, nor half empty, but overflowing with Your mercy, with Your love and grace. And, through all of her suffering, Father, cause her to see just how blessed she really is! For, surely, Father, You will raise her up to do great and mighty things for You and also, Father, You will surely use her in great and mighty ways to help save the children of the hidden goat lineage. For, Father, You chose her and you sent her into this life for just such a mission, one not to be ashamed of, but one, for which, to be grateful! For, Father, you will turn around all of her suffering and you will use it to bring forth a mighty victory for You! Father, I also ask You to show her the many demons, who live behind certain small doors, which she has not yet addressed and I ask You to clean remove all such demons! Father, I also ask You to show her the hidden storage lockers, where she stores the anger, the denial, the rejection and other things, which need to be cleaned out. And, Father, I do hope that

 From The Mountain Prophecies Copyright 2009

you do a quick work in her; for her suffering also is very great! Therefore, oh Blessed King, I ask You for great mercy for her and her precious, little ones, even as I so regularly ask it for myself. And, I pray that You put an additional amount of Your power into Your Little Manchild, who is in her, all to help her to overcome all things in the face of such great evil. Thank You, Father! I bless and praise Your Holy Name! Amen!

## "Who Can Receive Such Truths?"

"Oh, Blessed King, I return to You on this very day to seek You again as to whether there should be any remaining material, which You would share regarding this pyramidal structure of travel, which You are now developing in Your Beautiful, Little Son and me. For, Father, I feel such a deep stirring in my spirit."

"My Little One, as far as the east is from the west, this is how far My words, My Kingdom Works, shall be from the unrighteous and ungodly. What I tell you herein is holy! It is from the deep wells of Me. As holiness calls out to holiness, My hungry, little sheep, who so long for holiness and righteousness, who so long to do My perfect will and to marry Me, will come and they will lap up My words. For, their little eyes are wide open and their ears are attuned to Me, their hearts longing after Me; and they shall come and they shall lap up My words.

But, the unrighteous and ungodly will mock and they will scoff and I will cast them far from Me! As far as the east is from the west, this is how far they shall be cast away from these truths of My deep wells. But, My hungry, little ones, who so hunger and thirst after the deep things of Me, they shall eat! They shall drink and they shall be satisfied.

This is what I tell you now! My all be the wiser; for profound truths I now give for My Holy Bride! For, holiness calls out to holiness! Deep calls out to deep!

Who can receive such truths? Who can walk in such truths? The one, who has found the Narrow Way and the Strait Gate. (Matthew 7:14) This one can receive and digest such truths. To the rest, such truths will seem like a little flock of birds! For, just as quickly as such truths are put before the faces of the ungodly, such truths will also rise up and take wings. Such truths will flee from the ungodly. The ungodly shall not hold onto them and they shall not attain them in any way. May all be the wiser!

## CHAPTER SIXTY-FOUR - PART II

### "The Two Trees"

### "My Little One, take My hand; for I am your Father Yahweh, Most High God."

And, I take the hand of our Saviour, his hand so huge and mine like that of a little child. And we enter into a building, which seems to be made of white marble. As we cross the threshold, we enter into a well lighted hallway, the floor of this hallway also made of blocks of white marble. I look ahead and down a long hallway, but to my right and to my left, on either wall of this very long hall, are large drawers, which are built into the wall. These are very big drawers, so big that I feel that I could pull one out, walk into one, sit down, and have a cup of tea.

"Father, what is this place, and why are so many drawers built into the walls of this hallway?" Then, as I ask this question, I am very suddenly carried in a vision to the end of this hallway, where I had earlier caught just a glimpse of darkness! And, from light to darkness, very suddenly, I went, still holding our Saviour's hand. Within this darkness were many sets of eyes, some red eyes, some blue eyes, some brown eyes, some weeping eyes, some still and quiet eyes, some bloodshot eyes as if from alcohol, some, the eyes of children, some the eyes of old people. This was a dark scene, yes very dark, but I could get certain impressions about those, who possessed these eyes. Still holding our Saviour's hand now and back to the lighted part of the hallway, I

looked up at him curiously; but he looked straight ahead, his look, quiet and solemn towards me.

Suddenly, we came to the end of the hall, the end, where I had just seen and experienced the darkness and we both now stopped, his feet partially hanging over a steel ledge. Then, He raised His arm and as He did so light began to move out into the darkness. It was then that I glimpsed many, many people! At first, they seemed to be near; for I saw them only in a quick glance, but then I realized that we stood on a ledge and they were beneath us, looking up at us, their eyes peering upwards.

It was as if someone suddenly lighted a great torch in the darkness and there below, where so many eyes had stared back from the darkness, there now appeared the faces, which belonged to those eyes. The faces were lighted up with the light of our Saviour; and people assembled there, almost shoulder to shoulder! For a great distance, these great numbers could be seen, for they reached far out across the plain. There were surely hundreds of thousands, if not millions, all congregated together, assembled in a valley! Yet, I could also see in the distance that many were also camped out on the hills!

Also, rather near to us, down below and to our left, there stood a very huge tree! I could not tell the type of tree, only that the trunk of it was very large and had big, thick branches; and it bore leaves, but not as many leaves as some trees in America. Near the top of the tree trunk, there appeared a recessed door and I could quickly see that this door also opened into a long hallway, which was not very well illuminated! In a quick glimpse, I perceived that this hallway seemed to be a replica of the lighted hallway that we had passed through; for drawers lined the walls! Yet, it also seemed that there were many old things in this hallway; for there I sensed therein a slight musty smell.

I now glanced up at our Saviour, and he looked at me with a stern look, now increasing His grip on my little fingers, this little correction getting my attention. “Pay attention,” He said. And, His countenance went from kind to that of a strict disciplinarian! And, with that quick reminder, we took one step and came to a rest among the limbs of this

 From The Mountain Prophecies Copyright 2009

great tree, both of us taking a perch on a branch, overlooking this huge crowd of people!

“My Little One, can you count My sheep?’’

“No, My Lord, I cannot count them.”

“Are you, in any way, able to number My sheep?”

“No, my Lord, I am not able to number Your sheep.”

“My Little One, what were My words to Abraham?’’

“That you would make him a Father over many nations.” (Gen 17:5)

“My Little One, do you know why I so severely punished King David, and sent a plague upon My people, killing over 70,000?” (II Sam 24:15)

“Yes, my Lord, I do know why. He numbered Your sheep.”

“My Little One, do you know why I gave directives not to count My people, not to number My sheep?”

“My Lord, it would seem that You gave the directive because they cannot be numbered.”

“You are correct in this, My Little One. My sheep cannot be numbered and they are not to be numbered.”

Then, our Saviour took a twig, a small, short, stubby twig, and he threw it out among the people! A little child saw the twig fall and went to pick up the twig. “Oh, a gift from Heaven,” he said. And, he looked up and thanked our Mighty God for the twig. However, on looking at the twig, which was in his hands, I saw that it no longer

appeared as a twig, but a small scroll. And, right before my eyes, the little child suddenly turned into a humble, old man; and the old man got down on his knees, looked heavenward and said, “Thank you, Father!” And, the old man then went away into the crowd and he told many of the word from Heaven.

“He published the word from heaven there in the darkness among My people and I am pleased in this old man, who is one of My humble, little sons. For, as the old man is humble and as he is exceedingly grateful for My words and as He reaches out in joy to share My word with all, whom He sees, I will call him unto Me! I will take him under My wings and I will prosper him in My works of the salvation of souls. For, in such a vast crowd, who all stand in darkness, I have only one, little humble sheep. He receives from Me and he is excited to receive from Me! I have groomed him all of his life and I shall make him as this tree.”

“Oh, Father, this is a beautiful tree. The birds of the field surely nest in this tree and You and I can sit upon its branches. Father, please tell me about this tree.”

“My Little One, this tree is very old, having been in the earth since the beginning. This tree was in My Garden and this tree has loved Me for a very long time! This tree hears My voice! This tree is humble before Me and is grateful for all that I do for him. This tree, who is old now, even old in this life, is one of two trees!”

“Bur, Father, I only see one tree. Where is the other tree?”

“Look, My Little One! Look there on the other side of the hills and across the big waters. There, My Little One, see! Look far! Look with you telescopic eyes.”

“Oh, yes, my Lord! I see the other tree! It is also a very big tree, but I do not see the trunk of the tree, only a vast amount of limbs, its limbs reaching upwards, as if the limbs are praying to You. There are very many leaves and many birds are busy in the tree. For, the tree also bears much fruit and many are able to eat from this tree. And, below from the tree, I see little rabbits, squirrels, foxes, crows, ravens and all kinds of animals, who eat of this tree.

 From The Mountain Prophecies Copyright 2009

Father, I see so many branches, which remind me of arms; for they are reaching up. But, I see no tree trunk on this tree! It is as if this tree is suspended in air. Where is the trunk of this tree?"

"The trunk of this tree is Me. I am this tree trunk. You can not see the trunk of this tree or where it is rooted; for this tree is not rooted in this world.

"Father, it is not rooted in this world?"

"No, my Little One, it is not rooted in this world; but is rooted in another world, and that world is I! I am this tree trunk! I am the roots of this tree!"

"So, Father, You say that there is another tree, a tree, Father, who grows with this tree, which is in the darkness?"

"I have said it and I have shown you! One tree is in a very dark place, a very old tree! Even from the beginning, this tree existed. Yet, it is in darkness, among a very dark people! This tree loves me very much, yet I have put him in a dark place."

"Father, why do You show me these two trees?"

"I show you to cause you to know that I feed one tree from another. For, one is still grounded in this world! The other is grounded in Me. One is ready to go before My face! One is not! One needs some slight molding and shaping. The other one is sold out to Me."

"Father, what do You want me to see here?"

"I want you to see two trees that I love a lot. I want you to see My two faithful trees, one to whom is given a very great responsibility and the other one, a great responsibility also! Yet, this is not well understood by either tree!"

"Yet, My work knows no distance! It knows no time! I feed My tree, who lives in the darkness! I feed him from My tree, who is rooted in Me! My Tree, who lives in the darkness, is my humble, little Son! He is grateful for My word. He is hungry for My word and he is eager to share My word with all, whom he knows. Their shunning of My word does not take away his joy for My word.

One day soon, I shall ignite this tree, who sits in the darkness. I shall set afire this tree with my blazing fire and My fire in him shall bring great light to a very dark part of the world! I have been busy trying him and testing him, all to make him ready for a great work! For, this tree I love greatly; and have so loved him since the beginning. This is why My hand is often sharp and heavy upon him. For, I shall ignite My fire in him soon and the great darkness will see and will know My humble tree!

"Father, this is really an awesome message! Thank you, Father, for sharing these things with me. Blessed is Your Holy Name, oh Beautiful King!"

"My Lord, is there more that You would tell me about this vision?"

"Only, My Little One, that this lighted hallway represents My works in and through you. You are this lighted hallway. These many drawers are My works in and through you, many already given to you and many, which are yet to come! My Little One, you are the tree, who exists beyond the hills and great waters. This is you, My Little One, and My works in and through you have born a mighty fruit. Yet, a greater work lies ahead of you, and greater and mightier branches shall be added unto your tree and many, many shall eat of My words through you. And, I shall ignite your tree with a great fire and this fire shall be seen around the world. For, I shall cause you to see the salvation of the greatest numbers of souls.

Yet, when you look at My big tree, which stands in the darkness, you see there a long hallway as well and also you see many drawers on the walls. My Little One, that, which is in these drawers, goes back to the beginning of the time of mankind and passes down through many, many generations. I have a great love for this humble, old man. He is My Child, even from the beginning. His works through time are stored away and

 From The Mountain Prophecies Copyright 2009

forgotten to him; for all must drink of the cups of forgetfulness and return over and over again! He does not know what is within those dusty, old drawers, which line the walls of his tree! But, I do! I know all things! Soon, I shall put a great fire in this old tree; and I shall use him to bring light into the darkness."

"My Little One, do you now see the two trees?"

"Yes, my Father."

And, you have so longed to see these two trees; but I have kept your vision cloudy and have continued to send confusion upon you regarding these two trees. For, I was not ready to show you the two trees. Yes, I have allowed Satan to come in and sow confusion into your mind about these two trees. For, I was not ready to reveal what I now show you!"

"Father, why do You show me this now, seeing that I have sought You so very much about this and I have truly thought that others among my acquaintances would be one of these trees?"

"I show you now for this reason: See the two little sheep! They stand on a trap door; and at any minute of My choosing, I could open that trap door and these two would be in My hands of fire! This is why!"

"Oh, Father, this is really an awesome thing! Is this word for the masses?"

"It is; for I wish to clear up confusion in your mind, and among others, regarding these two trees."

"Blessed is Your Holy Name, Father. I have surely had a time of confusion regarding these two trees."

“Yes, and I caused such confusion. For, what you sought I was not yet ready to confirm. However, Satan on seeing your desire to know of these trees, has been quick to come with his own version. Yet I stopped that also; for in My time, I reveal all things.”

“Oh, Blessed Saviour, is this why Your look towards me in this message has been so stern?”

“Yes, for this is a very stern message; and I do not want your mind wondering away from me and My word. I want you to hear Me clearly in this; for you have sought to know these truths for some time. But, I would not reveal these truths; and Satan, on seeing that you so wanted these truths, was also quick to fill the void.”

“Oh, forgive me, Father; for I so wanted many confirmations from You; but there came so much confusion.”

“Am I the author of such confusion?”

“My Lord, You created Satan and You use him to accomplish Your will. Yet, in this case, were You the author? Father, I cannot say whether You caused Satan to come and to tempt me to cause me to believe that another could be one of these trees. I do not know.”

“My Little One, what do you see?”

“I see that You have lighted a fuse! The fire travels along this cord, along this fuse and then disappears into a building, which is a metal, dome building. Then, I see Satan as he comes and wakes up your little child, whom You have brought here. He wakes her up from her sleep and puts new crystalline eyes into her. She does not see him do so and she does not know that Satan has given her new crystalline eyes. Yet, she looks and she is amazed that she sees so well.”

“My Little One, who gave her the new crystalline eyes?”

 From The Mountain Prophecies Copyright 2009

“Satan did, Father.”

“Then, know, My Little One, that Satan used this one to muddy the picture, so to speak, and to bring about confusion regarding these two trees. Satan showed her much and since the visions were so clear, you thought them to be of Me.”

“Oh, Father, forgive me in this! How easily we can be deceived. Please forgive me, father, and Father, please remove such things from her eyes. For, she does not know, Father; and I did not know. Have mercy upon all of us, Father! Yet, Father, did You allow this to be done to her?”

“Yes, I allowed it; for you have had to learn more lessons regarding Satan and about those of the hidden goat lineage.”

“Oh, Father, how great are our lessons!”

“When you believed the visions, which he gave her, you temporarily opened up yourself to him and to his lying words to you. My Little One, I am your tree trunk. Keep your eyes on Me! Trust no one and believe in no one! I am Your Source! If someone tells you that he or she saw this, or saw that, bring it all to me. Neither believe nor disbelieve, but bring all to Me. My Little One, when I brought this child of mine to you, the wicked ones saw her as their tool, whom they could use to destabilize My works in you! They have thought to use her as one of their religious infiltrators, now knowing that I have plans of My own for her!

You have not seen clearly many things regarding this one of the hidden goat lineage; for you have been in the midst of it! I have had to remove you so that I could cause you to see with clear eyes.”

“Yet, Father, Your promise is to clean up this little child, whom You have brought to me, this child of Satanic lineage, and that you will do a beautiful work in her, that she will work alongside of me.”

"This is My promise and I will clean her up! I am doing so; for I love her very much! But, this work will not be as you have thought and this I needed to clarify today. Do you understand?"

"Yes, My Lord! You have told me plainly.

Oh, Blessed Father, as I ponder Your words to me today, I have some additional thoughts! Father, if it is alright with You, I would like to ask You some questions."

"Yes, My Little One, as My spirit stirs in you, I do churn my own waters. And, your thoughts are well grounded in Me. This is one of your concerns, My Little One! You ponder our sitting in the tree together on the tree limb. And, from that very tree, I broke a small twig and tossed it out to My very own Son. He received My word with gladness! But, as I have told you that I feed him from your tree, you wonder how it is that I also feed him from his own tree! And, My response to you is that the second tree, your tree, was taken from his own tree! So, what comes to you came to you initially from his own tree! But at this time, his tree is greatly dormant, when compared to yours. Yet, still, it is full of much life! Do you understand?"

"Yes, my Father, I do understand, but most, who read this message, may not understand."

"This is well, My Little One. What is important is that you understand. If the rest do not understand, they may understand, and very soon!"

"Thank You, Father! Blessed is Your Holy Name! Also, Father, why did You allow me to be deceived by Satan regarding these two trees? You have said that it was not yet your time to reveal this information. But, is there not more also, Father?"

"Yes, My Little One, there is more! This was also part of your price for wishing and praying for the salvation of his children. You had to enter into a time of much greater travail and your suffering increased greatly. This time of great travail and increased darkness caused more difficulties for you! You struggled with many issues, this being

 From The Mountain Prophecies Copyright 2009

one of them! Yet, even so, you sought and I gave not! For, in all things I try and test My own in severe and harsh ways."

"Oh, my Lord, I so hope that the wait is not long! Oh Blessed Father, I will continue on to come back to You for this meat for Your people; for I am so greatly thankful for so much meat! Yet, I still hope for a quick ending to this part of these works; for, as You know, my suffering is and has been very, very great!

This is known, My Little One! Keep praying, and keep feeding My people! For, I am also a God of Great Surprises!"

"Father, just a few more questions, if You don't mind. Father, what is that word on the scroll, which You tossed to Your Son, who lives in the darkness?"

"My Little One, that word is this word, this word that I give you now. For, we sit in his tree and I feed him My truths through you, but also from his own tree! For, as I have said, the second tree is of the first tree. Therefore, My Little One, the words that I give now, he will receive quickly and gladly so."

Father, I ask great protection for him; for the evil is so great around him. Keep him in the palm of Your hands and protect him in all things, Father."

"So, it is, My Little One. So, it is. And, with this, we shall stop for now. I am your Father Yahweh, yea Jehovah, Most High God!"

# CHAPTER SIXTY-FIVE

## "The Fiery Chastisements!"

## My Update to you after some time …..

Hello, Dear Ones! Greetings to you in the Name of our Mighty Saviour, Lord of Lords, and King of Kings! As I begin this message to you, it is now the 20th day of January, 2010, a bleak and dreary day! Peering due north through my office window, I watch dark clouds as they ride the swells of a deep and pulsating winter wind. A heavy blue mist covers the nearby hills! Tall pines blanket the near sky, their wispy presence a peaceful reminder that there is indeed life amidst the vast and unappealing shades of grey! Hoping to catch a glimpse of the occasional squirrel or sparrow, I longingly search the carpet of brown leaves, which so artfully hide the rocky terrain. But, it seems that even the little creatures of nature have withdrawn into their own places. The words of Solomon still my mind with a sure knowing that "to every thing there is a season, and a time to every purpose under the heaven."

This deep knowing, my Dear Ones, rings true and loudly that a gross darkness is upon the face of the whole earth! Just as surely as the wind caresses the wispy bows of the looming pines, there is stirring another kind of wind, a silent, almost unseen, yet vicious and destructive wind. Dark storm clouds hover all over the world; for the foul breath of the dragon blows forth its smoke and mirrors. Indeed, the dark face of great evil is pushing into the heart of all that is good and right! Seeds of terrible discord have been sown in the midst of the unsuspecting; and a harvest of treachery is unfolding! What has been sown in darkness is now being reaped in the light of day!

Yet, even as dumb sheep to the slaughter, the masses forge ahead, totally oblivious that Satan has already recruited them into his own armies. Blind and deaf, lackadaisical, uncaring, naïve and ignorant, these sleeping hoards have already been branded for deliverance into the fiery chastisements! Evil has overtaken them. They have lapped up violence! They have lusted after the flesh and they have craved all that

 From The Mountain Prophecies Copyright 2009

is destructive and vacuous. They have forsaken truth; for truth is too painful for them! Instead, they have loved the world of illusion and they have made the world of lies and fantasy their mainstay! Their souls are full of rot and darkness and this very darkness calls forth their own terrible destinies!

Like a horse, who craves a carrot, they so crave the world of illusion! And, because they have loved such lies, they have all been given over to even bigger lies! For, it is the Father of All Lies, who courts them! It is the Father of All Lies, who seduces them; and they are caught up, even caught up as in a great whirlwind of darkness; and they see it not! For, darkness calls out to darkness, evil to evil! Oh, so terrible is the fate of those, who love a lie, and, who waste away their lives in illusion; for their destiny is in the burning fires! And, in such fires, many of their souls are burned up!

OH, FATHER, HAVE MERCY; FOR EXCEPT FOR YOUR GRACE, THERE WE ALL GO INTO THE FIERY PITS! FATHER, BY THE HOUR SO MANY SOULS ARE CAST INTO THE FIERY CHASTISEMENTS! HEAR MY CRIES FOR THEM, OH BLESSED KING! SO GROSS IS THE DARKNESS IN THIS WORLD! THEY ARE LOST AND CANNOT SEE TO GET FREE! OH, GLORIOUS KING, YOUR KINGDOM COME AND YOUR HOLY WILL BE DONE IN THE EARTH AS IT IS IN HEAVEN! LOOK UPON US, OH MIGHTY KING; FOR GREAT EVIL IS OVERTAKING THE WHOLE PLANET! HAVE MERCY, OH LORD!!!!!

### Pray for the Salvation of the Sinners!

Oh, howl, oh you Faithful Ones, for surely your cries will be heard by our Mighty Saviour! Weep for the souls, who will soon be destroyed! For, a great stench has arisen over many great cities; and the gates of hell have opened up into their midst. The dark demons from hell have come into these great cities and they are busy harvesting their own.

A great complacency has gripped the minds, the hearts and the souls of great masses and with their own blood; they have signed away their souls! Fallen! Oh, how these souls have fallen! Fallen into utter darkness, gripped tightly in the hands of Satan. They

have rooted like pigs and they have bored right down into hell! With their witchcrafts and lusty sins, they have dug into hell; and hell, itself is opened into our very midst.
Oh, howl and cry out, you Righteous Ones! Weep for the sins of these souls! Beg for their souls before our Mighty King; for He is the Only One, who can help! A Dark Reaper is in our Midst and He is out for very great harvest.

Go into your prayer closets, You Sons of God; for the Lord of All Creation will hear your cries. Perhaps, He will extend mercy; for the gates of darkness having been swung wide open, a feeding frenzy of evil is set to devour the masses.

Go into that holy place, oh Blessed Servants of the Most High; and howl in deep prayer for the unrepentant sinners; for oh so great shall be their suffering in the fiery chastisements!

### Our Saviour has laid a Very Straight Line!

Our Mighty King has laid a measuring line and He is busy sorting out the Precious Ones, who love Him above all, who seek and desire to live righteously. He has aforetime called this place the Strait and Narrow; and this is but on one side of this measuring line.

Yet, opposite this holy place there is yet another place; and this one is called the Broad Way! The Broad Way is but another way of describing “Satan’s Army!” For, the Lord has surely said, “If you are not for Me, You are against Me!” And, those, who will not love Him with all of their heart, mind, soul and strength are surely against Him! He has told us that one, who commits one sin commits them all! He has also said that He will spew the lukewarm out of his mouth! Therefore, if you are not “sold out” to our Lord, you are against Him!

Few indeed find this Straight and Narrow, but the masses run headlong into the Broad Way; and they are all in the camp of the enemy, whether by one sin or by many. For each unrepentant sin, every soul will pay hereafter in the fires of correction. For this reason, The Lord has said, “Be ye perfect, even as I am perfect!” Once in these fires, unless the Lord should have mercy upon them, none will be released until they have

 From The Mountain Prophecies Copyright 2009

paid “every last farthing!” For, the Judge, the Great Ruler of the Law, who oversees the punishments of the soul, will make it so!

### Our Saviour has laid a Very Straight Line!

Our Mighty King has laid a measuring line and He is busy sorting out the Precious Ones, who love Him above all, who seek and desire to live righteously. He has aforetime called this place the Strait and Narrow; and this is but on one side of this measuring line.

### Hard Times for those, who walk the Strait and Narrow!

If you are a true believer, it is indeed time for you to draw exceedingly close to our Mighty Saviour and to stay there! For, Satan is seeking to devour you! He is on the prowl for you! He sees you and he wishes to destroy you! He is after you and he will not stop until he has tempted you with every last sin in your heart, with every last bit of evil in your thoughts. He will not stop until he has exhausted all in his power to

destroy you! You, oh Precious One, who seeks eternal life, are his worst dread! You are his worst enemy, indeed his most hated enemy!

Oh, you Seeker of Eternal Life, did you believe that your journey would be easy? For, it is not only Satan, who wishes to destroy you! All, who are in his army wish to destroy you, not only his many demons and wicked angels, but all, who love the world and what is in it, that is all, who are on the Broad Way! These, who do not love our Saviour with all of their hearts, with all of their souls, with all of their strength and all of their mind, are not only enemies to what is good and right, they are also your enemies. Not all of them will appear to be your enemies, but where Satan has an open door into them, he will use them against you. His demons will climb into them and Satan will assault you through them. The spirit of the world, which is in them, is your enemy and it will attack you and/or try to entice you in some way to enter back into the world.

Oh, how difficult is the walk of those, who choose the Strait and Narrow. Indeed, a lonely place, a place of great tests, trials and great sorrows. But, do not give up, ever! Do not ever give up; for this is the Only Way into Eternal Life! There is no other way; and do not be deceived by the nonsense, which you hear from the mouths of so many in both the prophetic community and elsewhere. The Straight and Narrow is a place of great tests and trials! Yes, it is a heavenly diamond mine!

Therefore, my Dear Ones, crucify the flesh. Die daily to this world and to all of its traps. Do what is right and according to the commandments of God, regardless of what others do. Stand for what is right and do not arbitrate the word of God! Do not arbitrate Our Saviour's teachings and His commandments; for when you do so, you make a deal with the devil! And, if you will not repent, you will slowly sign away your soul to this great and evil monster; for he will surely carry you headlong into destruction!

### Pistis Sophia

My Dear Ones, in previous writings, I have referred you to some very old mysteries, which our Saviour taught to His disciples. These can be found in a book, which is called "Pistis Sophia." It is translated by G.R.S. Mead and I highly recommend that you get a

 From The Mountain Prophecies Copyright 2009

copy of this book and read it. It is available on the Internet and can be freely downloaded.

I recommend that you get this book in printed form, whether you make your own printed copy from your own printer or whether you buy a copy from a bookstore or elsewhere. For, you will benefit from making copious notes along the margins of your printed material. This will not only help you to learn what you read, but will also serve as an easy reference guide to help you easily find those topics, which may seem of great and of utmost importance to you!

These are extremely important writings and I cannot in any way overstress the importance of your procuring these writings and reading them in great detail. Take very seriously our Saviour's teachings through His words in Pistis Sophia, and you will be greatly enlightened. Through our Saviour's teachings in this book, you will have a deeper foundation in His eternal truths; not only having the necessary wisdom and truths to help save your own soul from destruction; but also having profound truths, which are invaluable in your quest for eternal life! As we know, our Saviour taught mostly in parables to the masses, but He taught the mysteries to His disciples.

## CHAPTER SIXTY FIVE - PART II

### The Terrible Fiery Chastisements!

Though much is contained in these great teachings of our Saviour, I wish to expound on the terrible chastisements, which await the unrepentant sinner. For, without sincere and sustained repentance, none will be able to attain the great promises of the Light Kingdom, which our Saviour describes in great detail in these teachings!

Through the many wars, which are coming, and through the terrible calamities in the Earth, there is about to be a mass exit of souls from this planet. Look upon the horrors of the Haiti earthquake and you will surely understand that I am telling you the truth!

There is a great urgency in my soul to warn you of what awaits the sinner; for my heart greatly grieves so for those, whose souls will be burned, up in the fiery chastisements. My Dear Ones, I take no joy in the suffering of anyone, and greatly desire to see the salvation of the greatest numbers of souls! have laid my plea before our Saviour back in the summer of 2004. When He told me then that He would give me my heart's desire, I told him that I want nothing for myself, only that I may see the salvation of the greatest numbers of souls! Therefore, I regularly plead for your souls! My heart grieves for so many, who will surely be cast headlong into these fiery chastisements and will not get out. Oh how grievous that in these fiery chastisements, many souls are regularly burned up!

The book, "Pistis Sophia," is replete with our Saviour's warnings like this one: "Keep watch over yourselves and sin not, lest ye heap evil on evil and go out of the body without having repented and become strangers to the Light-kingdom forever!" (Pistis Sophia, p257) Read on; and take heed!

## "OUTER DARKNESS!"

### "The Dragon of Outer Darkness!"

Jesus reveals: "The Outer Darkness is a great dragon, whose tail is in its mouth, outside the whole world and surrounding the whole world. And, there are many regions of chastisements within it. There are twelve mighty chastisement-dungeons and a ruler is in every dungeon and the face of the rulers is different one from another." (p263)

### Those Souls, who go into Outer Darkness

Jesus continues: "No soul will be led into the Dragon (of Outer Darkness) through these doors, but the souls of the blasphemers and of those who are in the doctrines of error, and of those, who have intercourse with males (males with males) and of those stained and impious men and of atheists and murderers and adulterers and sorcerers. All such souls then, if while still in life they do not repent, but remain persistently in their sin, and ….. those, which have had the number of the circuits, which are appointed to them in the sphere, without having repented, well, at their last circuit will those souls, they

 From The Mountain Prophecies Copyright 2009

and all the souls of which I have just told you, be led out of (into?) the jaws of the tail of the dragon into the dungeons of outer darkness. And, when those souls have been led into the outer darkness into the jaws of his tail, he turneth his tail into his own mouth and shutteth them in. (pp 267, 268) Note: In the above paragraph, and in the following paragraphs, I have written what is in parenthesis and have emboldened certain words for emphasis. By the completion of the circuits, our Saviour means completion of all appointed incarnations into the flesh.)

Our Saviour continues: Not only are they (the chastisements in Outer Darkness) more painful compared with all the chastisements of the judgments, but all the souls which are led into that region, will be frozen up in the violent cold and the hail and (punished in the) exceedingly violent fire which is in the region, but also at the dissolution of the world, that is at the ascension of the universe, those souls will perish through the violent cold and the exceedingly violent fire and be non-existent forever. (p268)

The fire in the Dragon of outer darkness and in all the chastisements in him is seventy times more violent than the fire in all the chastisements and in all the judgments of the rulers of the midst. (P269)

Yet, my Dear Ones, we will learn later on that the fires of the rulers of the Midst are so fiercely terrible that many souls are rendered as useless and must be made anew.

### Who will go into Outer Darkness?

In summary, the following will be led into the jaws of the tail of the Dragon of Outer Darkness? Those, who leave the bodies and are full of any of these unrepentant sins: 1. the blasphemers; 2. those, who are in doctrines of error; 3. those, who have intercourse with males (males with males), those stained and impious men; 4. atheists; 5. murderers; 6. adulterers; 7. sorcerers and 8. those, who die in sin and have completed the number of their circuits. (the appointed number of their incarnations into this sphere.) TAKE NOTE OF THOSE, WHO GO INTO OUTER DARKNESS!

**Outer Darkness and the Rulers of Outer Darkness!**

Jesus words again: "The Outer Darkness is a great dragon, whose tail is in its mouth, outside the whole world and surrounding the whole world. And, there are many regions of chastisements within it. There are twelve mighty chastisement-dungeons and a ruler is in every dungeon and the face of the rulers is different one from another." (p263)

Following, I list the names of these twelve rulers and their appearances.

Ruler of First Dungeon …his name is Enchthonin and his authentic face is a crocodile's face.

Ruler of Second Dungeon … his name is Charachar and his authentic face is a cat's face.

Ruler of Third Dungeon … his name is Archaroch and his authentic face is that of a dog's face. Note that there is to be a long vowel mark over the o in Archaroch, and this o is pronounced as the "o" in old.

Ruler of Fourth Dungeon … his name is Archrochar and his authentic face is that of a serpent's face. Note again that there should be the mark of a long vowel sound over the "o" and this "o" should be pronounced as the "o" in old.

Ruler of Fifth Dungeon … his name is Marchur and his authentic face is that of a black bull's face. Note again that the "ur" should have a mark over it indicating a long vowel sound. This ur should be pronounced as the "ur" in sure.

Ruler of Sixth Dungeon … his name is Lamchamor and his authentic face is that of a wild boar's face. Note again that the "o" is to be pronounced as the "o" in old.

Ruler of the Seventh Dungeon … his name is Luchar and his authentic face is that of a bear's face.

 From The Mountain Prophecies Copyright 2009

Ruler of the Eighth Dungeon … his name is Laraoch and his authentic face is that of a vulture's face. Note again that the "o" is to be pronounced as the "o" in old.

Ruler of the Ninth Dungeon … his name is Archeoch and his authentic face is that of a basilisk's face.

Rulers of the Tenth Dungeon … Xarmaroch is the name of the one, who is over these rulers. For, for in the tenth dungeon is a multitude of rulers and on each authentic face is seven dragon's heads. Again, the "o" is pronounced as in the word, old.

Rulers of the Eleventh Dungeon … Rochar is the great ruler over these rulers; for in this dungeon there is a multitude of rulers and every one of them has seven cat-faced heads as his authentic face. Again, the "o" in Rochar is pronounced as the "o" in old.

Rulers of the Twelfth Dungeon …Chremaor is the chief ruler in this dungeon, but in this dungeon there are a multitude of rulers and every one of them has seven dog-faced heads as his authentic face. The "e" in Chremaor is pronounced as the "e" in eve and the "o" is pronounced as the "o" in old.

"These rulers….. each and every one of them hath a name every hour and every one of them changeth his face every hour." (p267) " …but, the twelve (names) are one in the other, so that he who speaketh one name, speaketh all. (p274)

### The Great Mercy and Grace of our Saviour

### "How to get out of the Dungeons of the Dragon of Outer Darkness!"

And, all men, who shall find the mystery of one of the twelve names of that dragon of the outer darkness, and all men even if they are very great sinners, and they have first received the mysteries of the Light and have transgressed, or they have performed no mystery at all, then if they have completed their circuits in the changes, and if such men go forth out of the body without having repented anew, and if they are led into the chastisements which (are) in the midst of the dragon of the outer darkness, and remain in the circuits and remain in the chastisements in the midst of the dragon,

these, if they know the mystery of one of the twelve names of the angels, while they are in life and are in the world, and IF THEY SPEAK ONE OF THEIR NAMES WHILE IN THE MIDST OF THE CHASTISEMENTS OF THE DRAGON, then, at the hour when they shall speak it, the whole dragon will be tossed about and most exceedingly convulsed, and the door of the dungeon in which the souls of those men are, openeth itself upward, and the ruler of the dungeon in which the souls of those men are, openeth itself upward, and the ruler of the dungeon in which those men are, casteth the souls of those men out of the midst of the dragon of the outer darkness, because they have found the mystery of the name of the dragon."

### Other Fires!

Yet, my Dear Ones, there is mention of other fiery chastisements; and herein I shall write what our Saviour says of these other fires: (pp268 add 269)

1. Fires of Amente …nine times fiercer than the fire of mankind.

2. Fires of the chastisements in the Great Chaos …nine times more violent than the fires of Amente.

3. Fires of the Rulers, who are in the Midst …nine times more violent than the fires of the great chaos.

4. Fires of the Dragon of Outer Darkness …seventy times more violent than the fires in all of the chastisements of all the rulers.

5. Not included in this list are the fires of hell!

 From The Mountain Prophecies Copyright 2009

Indeed, it is very late. The dark clouds of the time of Jacob's trouble are looming all over the world. A feeding frenzy of evil is roaring across the world and great evil is looking to devour you! Silly prophets and silly preachers of the word are lulling you to sleep with their witchcraft spells, many of their words compelling and highly believable; for they put on a good show and because of their good show, many are deluded. Many fall to their charming wiles; and they are shaping and forming by the day more souls, who are just like them. Indeed, they are forming their own hell-bound groups! Oh, so terrible is the destiny of so many in the churches and in the prophetic community! Have mercy, oh Blessed King! Have mercy!

### The Five Great Rulers over the Fiery Chastisements of the Midst

Our Saviour continues: Yew came and took other three-hundred and sixty rulers… who had not faith in the mystery of the Light and bound them into these aerial regions... He established over them… these, who are on the way of the Midst.

My Dear Ones, following are the five great rulers, who are over the way of the Midst; and they are all evil. Herein, I write their names; for they are over terrible chastisements. You will also read of the kinds of sins, which they punish and how long a soul is in these chastisements. From all that I can discern from our Saviour's teachings, many souls are burned up or in these terrible chastisements.

First Ruler on the Way of the Midst … Paraplex is the name. This ruler has a woman's shape, whose hair reaches down to her feet. Twenty-five archdemons stand under her power and these archdemons rule over a multitude of other demons. "And, it is those demons which enter into men and seduce them, raging and cursing and slandering; and it is they which carry off hence and in ravishment the souls and dispatch them through their dark smoke and their evil chastisements." "They dispatch them through the dark smoke and destroyeth them through her (Paraplex's) evil fire, so that they begin to be undone and dissolved. One hundred and thirty-three years and nine months, do they spend in the chastisements of her regions while she torments them in the fire of her wickedness." (excerpts from pp301-302)

Second Ruler on the Way of the Midst … Ariouth the AEthiopian, a female ruler is the name. She is entirely black. Fourteen archdemons, which rule over a multitude of other demons, stand under her. These demons, who stand under Ariouth "enter into strife seekers until they stir up wars and murders arise, and they harden their heart and seduce it to wrath in order that murders arise. And the souls, which this authority will carry off in ravishment, pass one hundred-and-thirteen years in her regions, while she tormenteth them through her dark smoke and her wicked fires, so that they come nigh unto destruction. "…And, all the souls which are in her chastisements are carried off and cast back into the sphere anew, because they are ruined through her dark smoke and her wicked fires." (pp303,304)

Third Ruler on the Way of the Midst … Triple-faced Hekate is her name Under her authority are twenty-seven archdemons. "They enter into men and seduce them to perjuries and lies and to covet that which doth not belong to them." The souls, who are carried into these fires "spend one-hundred-and-five years and six months… and they begin to be dissolved and destroyed." "…and all the souls which are in her chastisements, are carried off and cast back anew, … because they are dissolved…"(pp 303,304)

Fourth Ruler on the Way of the Midst …Parhedron Typhon is the name. Thirty-two archdemons are under this ruler. "They … enter into men and seduce them to lusting, fornicating, adultery and to the continual practice of intercourse." The souls then which this ruler will carry off into ravishment, pass one-hundred-and-twenty-and-eight years in his regions, while the demons torment them through his dark smoke and his wicked fire, so that they begin to be ruined and destroyed. "…All the souls…cast back anew …because they are reduced through his dark smoke and wicked fires."

Fifth Ruler on the Way of the Midst … Yachthanabas is the name. This ruler is over a multitude of demons. "It is they which enter into men and bring it about that they have respect of persons, treating the just with injustice, and favour the cause of sinners, taking gifts for a just judgment and perverting it, forgetting the poor and needy,….. they (the demons) increasing the forgetfulness in their souls and the care for that which bringeth no benefit, in order that they may not think of their life, so that when

 From The Mountain Prophecies Copyright 2009

they come out of the body, they are carried in ravishment." These souls "pass one-hundred-and-fifty years and eight months" in these terrible fires…" "they are ruined in his chastisements." (pp306, 307)

**Specific Chastisements for the Unrepentant Sinner!**

**These are our Saviour's teachings!**

**The Fiery punishments of The Persistent Slanderer!**

Jesus tells of the man, who "persistently slandereth:" (p316) "… Abiout and Charmon, the receivers of Ariel come, lead this soul out of the body and spend three days going round and instructing it concerning the creatures of the world. Thereafter they lead it into Amente, before Ariel, and he chastiseth it in his chastisements eleven months-and-twenty-one days." Thereafter, they lead it into the chaos before Yaldabaoth and … his demons fall on it another eleven months and twenty-and-one days, scourging it with fiery whips. Thereafter they lead it into fire rivers and boiling fire-seas, to take vengeance on it therein for another eleven months and twenty-and-one days. Thereafter, they carry it on the way of the midst and every one of the rulers on the way of the midst chastizeth it in his chastisements another eleven months and twenty-and-one-days."

And, thereafter, my Dear Ones, it will be purified greatly in "seething fires" until it is totally purified. This soul is then given a "cup of forgetfulness" and this soul will be cast back into a body, where it will "spend its time being afflicted." (p316, 317) For your understanding I will further entail what our Saviour teaches regarding other specific chastisements for certain sins!

Chastisements for one, who has committed only one sin, murdering, and who also dies in this sin:

Our Saviour's words: "Yaldabaoth come and lead his soul out of the body and bind it by its feet to a great demon with a horse's face, and he spendeth three days circling round with it in the world. Thereafter they lead it to the regions of the cold and snow and they take vengeance on it there three years and six months." Thereafter, they lead

this soul into the chaos, where it is punished for three years and six months. Thereafter, into the midst, where the wicked rulers take vengeance on it for three years and six months. Thereafter, this soul is cast into outer darkness….where, eventually it will be destroyed! THIS IS THE FATE OF THE ONE, WHO HAS COMMITTED ONLY ONE SIN, MURDER! (p317, 318)

Peter said, “My Lord, a robber and a thief, whose sin is this persistently…?” And, our Saviour describes: (If this one dies and does not repent,) “Adonis will come after him and lead his soul out of the body, and they spend three days circling round with it and instructing it concerning the creatures of the world. Thereafter, they lead it down into the Amente before Ariel, and he taketh vengeance on it … three months, eight days and two hours.” Thereafter, into the Chaos, where the demons take vengeance on it for three months, eight days and two hours. Thereafter, into the way of the Midst, where the wicked demons take vengeance on it for another three months, eight days and two hours. Thereafter, this soul is purified with seething fire, given a cup of forgetfulness and is cast into a “lame, halt and blind body. This is the chastisement of the thief.” (p318)

“Andrew …said, an arrogant, overweening man, when he cometh out of the body, what will happen to him?” (p319)

Our Saviour replies to Andrew’s question: “If the time of such a one is completed through the sphere, the receivers of Ariel come after him and lead out his soul and spend three days traveling round in the world with it and instructing it concerning the creatures of the world.” Thereafter, … this soul is taken into the chastisements of Amente, where he chastises it for twenty months. Thereafter, into the chaos, where it is chastised another twenty months. Thereafter, on the way of the midst where every one of the rulers takes vengeance on it another twenty months. Thereafter, this soul is purified exceedingly in a seething fire, is given a cup of forgetfulness and is then so cast “into a lame and deformed body, that all despise it persistently.” (p319,320)

“Thomas said, ‘A persistent blasphemer, what is his chastisement?” (p320, 321) And, our Saviour responded: “If the time of such an one is completed through the sphere,

 From The Mountain Prophecies Copyright 2009

the receivers of Yaldabaoth come after him and bind him by his tongue to a great demon with a horse's face; they spend three days traveling round with him in the world and take vengeance on him. Thereafter, they lead him into the region of the cold and snow, and take vengeance on him there eleven years." Thereafter, into the chaos, "where the demons taketh vengeance on him another eleven years." Thereafter … into outer darkness… And that soul becometh frozen up and destroyed and dissolved. This is the judgment of the blasphemer.

"Help us now, Lord, and have mercy upon us, in order that we may be preserved from these wicked chastisements which are prepared for the sinners. Woe unto them, woe unto the children of men! For they grope as the blind in the darkness and see not. Have mercy upon us, O Lord, in this great blindness in which we are. And have mercy upon the whole race of men; for they have lain in wait for their souls, as lions for their prey, making it (sc the prey) ready as food for their (sc the rulers) chastisements because of the forgetfulness and unknowing which is in them. Have mercy upon us, our Lord, our Saviour, have mercy upon us and save us in this great stupefaction." (p307) THESE WORDS, MY DEAR ONES, ARE THE PLEAS OF THE APOSTLES AS THEY "FELL DOWN AND ADORED" OUR SAVIOUR!

My Dear Ones, these great chastisements, which I have entailed to you from our Saviour's own words in the book, Pistis Sophia, were some of the mysteries that He taught His disciples! His great revelations are indeed, greatly troubling; and I hope that you read all of Pistis Sophia; for there is much meat of the word for all, who will dig deeply to receive it. Take your time and make copious notes; for this material is indeed very deep spiritual teaching! As I have previously written, you may freely download this book, Pistis Sophia, from the Internet. I do hope and pray that you will not only take seriously these words, but that you will copy the words of this book and share them with everyone you know.

Hear me, oh you Precious People! What a great a terrible shame to lose your soul in the fiery chastisements because of unrepentant sin! Oh, how deeply troubling it is to see a great rise in the numbers, who bear false witness and spread lies far and wide just because the think that they can do so with impunity. Woe to the workers of darkness,

who infest the intelligence branches of this nation and elsewhere! Woe to the children of Satan, who delight in spreading hate an evil! Great will be your suffering, if you do not stop this great evil! For, you are working towards the very destructions of your souls! Do you not realize that you do not get away with anything, that you are only being deluded! Oh how terrible that you have signed away your souls, just so that you could get away with evil in this earth! You do so, not realizing that every sin is recorded on your soul, and a record also exists in front of the great rulers of the chastisements! None will escape the consequences of sin; for according to our Saviour's own words, "Yes, he will receive it (the chastisements) if he hath committed three sins, he will receive chastisements for three."

Therefore, I can only plead with each of you again to stop sinning and to love our Saviour with your whole heart, with your whole mind, with your whole strength and with your whole soul, and to love others, even as you love yourself. Make your life totally centered on our Saviour and come out of the traps of this wicked world. Indeed, renounce this wicked world and all of its wickedness; for it is full of great snares, which may bring your very soul to destruction!

### The Bold-Faced Liars,

### Who Say That They Serve Our Mighty God!

In closing, I wish to address some more lies, which have been spread against me on the Internet; and not just small lies, but gross lies, which bear false witness against me! Again, these lies and smears, these gross attacks against me, have been spread by one Elizabeth Sheri Eliljah Nikomia, who says that she is a prophetess of God, but her very own words and her very own works bear witness that she is a true servant of Satan, having been married to a high-level Satanist for over thirty years! She is not only heading fast into these fiery chastisements, but she is busy molding and shaping many more of you to follow in her footsteps!

My Dear Ones, it was last October that a woman from Oklahoma City wrote to me and detailed a very chaotic dream! I skimmed over the dream, but did not pay a lot of attention to it as I was already going through a great amount of persecution and stress

 From The Mountain Prophecies Copyright 2009

due to our Father's work towards the salvation of the children of Satanic lineage. Great evil was rising up against me; for Satan was furious about the turn in these works. His attacks against me were great and unrelenting and I was also exceedingly tired.

I read over this woman's email and also called her as she had sent me her telephone number. We spoke for a short while and she told me her concerns about living in Oklahoma City! She called me again and told me that our Saviour had told her to flee Oklahoma City! She also asked me if I would pray for her using my heavenly language. I did so and did not find this strange as another woman calls me from time to time and asks me to do the same, as our Saviour will frequently reveal the hidden and unknown after I pray in this language.

I could only agree with her that it was probably a good idea to come out of Oklahoma City; for if there is not a great repentance in Oklahoma City, there will most assuredly come a time when it will be destroyed. This is one of the cities, which our Saviour sent me into in the Summer of 2008, to speak judgments; and He spoke a terrible judgment over that city, though I truly do pray for His mercy!

She called me again and told me that she, her "man" and her "baby" had fled Oklahoma City and that their car had shut down on the Expressway! She said that they were about thirty-five miles outside of Oklahoma City and that they were also about thirty-five miles from the next eastward exit. She told me that they had about $200.00 in cash, probably not enough to hire a tow truck and to get their car repaired. When I asked her if they knew someone in Oklahoma City, who would come to help them, she told me "no." I felt compassion for them, also believing that she had a "baby" in that broken-down car."

She had told me as well that they were on their way to North Carolina as they had a friend there, whom they planned to stay with. So, feeling great compassion for them, I told them that I would pray for a miracle for them regarding their car (which they apparently did get) and that I would also send them $500.00 to help them with the possible repair needs! And, if their vehicle could not be repaired that they would then have the funds to catch a bus to their destination in North Carolina.

However, they would reportedly receive a very great miracle with their car, and the repair would apparently not cost them any money! I did not want anything from them and helped them out of the love of my heart. In closing, I wish to add that told this woman that I felt that I would see them one day.

Some days passed and I received yet another call from this woman, who called herself "White Dove," and she told me that our Lord had spoken to them as they neared their destination in North Carolina and told them to come to my place in Arkansas. I really did not have a place for them, but they assured me that they had brought much camping equipment. Normally, I would have allowed visitors to sleep in my old motor home, but it had sprung a leak and the roof needed to be repaired!

When they arrived, it had been raining exceedingly hard; and as they had camping equipment strapped on the top of their car with ropes going across the inner ceiling of the car, a great amount of rain had entered into their car and they told me that the floor board of their war was literally full of water. So, I told them that they could unload their things and put them into the motor home and that they could spend the night in a small chapel on my land.

Previously, there was an old storage shed, which was partly put together and stood on my land in disrepair, for over two years. In 2007, I hired a carpenter to do what was necessary to turn it into a small chapel. He put a nice window into the building, paneled the walls, put tile on the floor and also put a screened porch on the chapel. I began to acquire furniture for the little chapel, some new couches, a new table and chairs, a beautiful rug and matching curtains; and last year, I was able to find a good used piano. I dedicated it to our Lord and to His work; and also have greatly thanked our Mighty King for those of you, who helped me with the finances to build this little chapel!

This little chapel belongs to our Lord; yet, I had compassion on them and allowed them to spend the night out there. I honestly could not have thought otherwise; for in my heart, I did not believe it right to allow them to sleep in a tent outdoors; for there had come a lot of rain.

 From The Mountain Prophecies Copyright 2009

I only have one small bedroom in my small place, but also had no inclination to allow them to sleep in my house! This house is Holy unto the Lord; and I do not allow many to sleep in here. For, the Beautiful Little Son of the King, the little manchild of Revelation Twelve, lives within me! This is his abode; and He is indeed very precious!

They offered to help me with things that I might need to have done around the land, but the only thing that I really needed help with was to patch the leaks on the roof of the motorhome. So, that morning, the morning that they had arrived, I made them breakfast and I went with "White Dove" whose name is apparently April Matyro/Reimer and we purchased things, which might be needed to repair the roof. She and her husband went also to the nearest hardware store and purchased some roofing tar for me, which I paid for. That night, I would prepare dinner for them.

April's husband is named Brian Reimer and they have a son, whose name is Montana. I was surprised to learn that Montana is not a "baby" but is ten years old. I was also surprised to see that April calls him "my little autistic boy," as I have worked with both autistic children and adults and am very familiar with their behavioral traits. In "Montana," I saw absolutely no behavioral characteristics of the autistic child. What I witnessed in Montana was a very loquacious boy! He was exceedingly talkative, inquisitive, asking many questions about most anything. He seemed to be a bright child, only very hyperactive.

I was kind to them and they were in no way unkind to me. And, so the day passed! But, as it was nearing darkness, and April and Brian were outside unloading their car, April came into the house with a very wild tale. She told me that a "wolf" had suddenly appeared, was crouching, and about to pounce on her husband, who was squatting and putting things into a plastic bag. She then told me another tale, which I found most strange; and this tale was that my little dog, who is so afraid of strangers, came running and pounced on the wolf and saved the life of her husband. She then went on to tell me that other dogs gathered in my back yard, (which is only a few feet from my back door) and began to fight. Yet, I was not very far from the supposed great "fight" and heard nothing. I found this most unusual since I can clearly hear my dog when she barks outside, even when she is down in the forest.

I went out to check my dog and she bore no marks on her anywhere! Most certainly, she had not been in a fight! Also, there were no other dogs in my yard at all. At times, however, some dogs do come into my yard from neighboring houses. So, this was a great mystery to me and I really did not know what to think, so I just let it slide; for our Mighty King will always enlighten my understanding, given time.

The next morning, I made them breakfast and asked them if they slept well in the little chapel and they said, “yes.” I also told them that I would go to Goodwill (a place, where one can buy used clothes) to buy clothes for Montana, as they had brought no changes of clothes for any of them, which I found most strange. So, I left and bought some clothes for Montana and also some toys. Before I went, I also laid some changes of my own clothes out for April and told them that I would return in about two hours.

It was surely shocking to return and see that they were gone and did not leave so much as a note. They were kind enough, however, to lock up my house and to lock the little chapel. I never heard another word out of them. This all took place in October of 2009! However, recently a young man sent me an excerpt from something, which Elizabeth Sheri Elijah Nikomia had written, wildly claiming that I was “locking people up in a shed” on my land. To read this bold-faced, outrageous lie was too mind-boggling for words! Firstly, I do not even have a shed on my land, but only a chapel! To write such a thing without any true and reliable source of information is beyond wild and extreme! Yet, this “rant” of Elizabeth Sheri Elijah Nikomia would not even be the beginning of the gross lies, outright slanderous accusations, and false witness, which this woman, April, would bear against me.

I do want to add that April showed up in military attire! She wore a camouflage hat with a big, camouflage coat. She told me that she was in the military for four years and that she had been a nurse; and she also spoke of the “intelligence” connections that she still had in the military. Oddly, her husband only spoke two or three words! Even when asked how he would like his eggs for breakfast, he would not speak a word! April said,” He doesn’t speak much!”

 From The Mountain Prophecies Copyright 2009

After leaving my house near the end of the week, April wasted no time in contacting Elizabeth Sheri Elijah Nikomia to spread such hate and bold-faced lies as I have seldom read against anyone!. What she wrote does not even bear printing as it is full of such unbelievable lies! I only read her accusations once on the Internet and was again too shocked for words, but I will address some of her lies that stick in my mind right here:

APRIL'S LIES:

1. that I had told her that I intend to "kill" Stew Webb. Oh, so terrible is this lie!!!!! I have absolutely no hard feelings for Stew Webb, even though he surely turned on me and told terrible lies against me over five years ago. I fully understand that Stew Webb works for the Intelligence agencies and this is what they do! They lie!

2. A second lie that comes to mind, which April wrote, is that I intend to destroy certain cities, among them Chicago! Another bold-faced, utterly outrageous and bizarre lie! People, who know me personally, will tell you that I do not even like to kill a bug! I get along with the creatures of nature as I see that they are appointed a work; and some are appalled that I admire the work of wasps and watch eagerly to see what the little lizards and other beneficials do to help me in my garden. I am absolutely against any kind of violence and seek to live at peace with all of creation.

3.. Another grievous lie that this woman told is that I said that my son is evil! So grievous is this bold-faced lie!!!!! I have surely said that my son is rebellious and has been rebellious; but I love him greatly and have NEVER EVER said that he is evil. I pray for him a lot and I know that our Saviour hears my cries on his behalf; for he is very precious to me!

There are a string of other lies and outright misrepresentations, such as her telling that I called those so-called dogs, (which she supposedly saw) my "hounds from hell." Such outright evil is too terrible for words.

Furthermore, in her rant to this supposed prophetess of our Saviour, who definitely does not serve our Saviour, April goes into a bizarre dream, which she claims that she

had in the chapel! But, I can attest to the fact that this so-called dream is nothing more and nothing less than one huge Satanic falsehood!

Furthermore, in her e-mail, April is cajoling Elizabeth Sheri Elijah Nikomia, to "get" two souls that I love very much! Sadly, these two would come under great satanic attack and one would make a grievous decision to return to a man, who beat her so badly and crippled her. The other one, whom they intended to "get" would come under great attack from Satan and suffer greatly as they tried outright mind control on him! But, our Father would totally deliver him. So, when you read April's words to Elizabeth Sheri Elijah Nikomia to help her "get" these, realize that this is a call from one servant of Satan to another; and words, which would bring great Satanic assaults against those, whom I love very much!

My Dear Ones, April Matyro/Reimer, (if that is her real name) threw a slew of lies into the face of Elizabeth Sheri Elijah Nikomia, who avariciously devoured them; and put them out as truth! Then, mysteriously "April Matyro/Reimer" disappeared herself, disconnecting her telephone and internet service.

Elizabeth Sheri Elijah Nikomia did not even research one lie, but cast them again into the faces of the gullible and naïve and pushed them again down the throats of the unsuspecting as if they are truth. In addition, she continues to expound upon the same old lies!

I am greatly pained for you, who follow after the lying ways of Elizabeth Sheri Elijah Nikomia and equally pained that any of you truly believe that she serves our Saviour. I warn you now that if you do not stop following after this bold-faced lying woman, you will surely share her fate in the boiling, fiery seas.

I used to wonder why our Saviour allowed this woman, Elizabeth Sheri Elijah Nikomia, to continue on with her great lies; but now I fully understand why. She remains to try and to test you all and to drag you right down into the flames with her! This is what I now know; and I know that soon enough our Father will let His hammer down on this lying machine.

 From The Mountain Prophecies Copyright 2009

So, who is April Matyro/Reimer? She is a servant of Satan and his many hoards! She is a servant of the lying intelligence apparati. Woe to this wicked woman; for if she does not repent with weeping and wailing before our Mighty King, her soul will end up in one of the fiery chastisements!

Our Saviour is clear about those, who bear false witness and slander others, who rise up to lie and seek to destroy others through lies. Go back up and re-read what is said about many of the souls, who go into the fiery chastisements of the First Ruler and Third Rulers on the Way of the Midst. Many of their souls are surely destroyed! What will be the chastisements for those, who return evil for good? What a shame to see so many destroy their own souls because they will not humble themselves and repent of their wicked ways! For, our Saviour is full of love and mercy; and He forgives!

But, obviously many do not repent, Elizabeth Sheri Elijah Nikomia being just one of them! Even as our Saviour warns, the demons in them cause them to harden their hearts unto the destruction of their own souls!

**In Closing!**

All is otherwise well with me and with the Little Manchild! We are more than fine. We are greatly and exceedingly blessed in spite of all that Satan does and has done in his attempts to destroy us! That monster is wroth with us; for the little Son of the King is becoming a great fire! And, soon Satan, the monster from the burning fires, (who so desperately needs to go back there); is going to have a very formidable opponent.

My Dear Ones, this little, precious Son of the King is of very great size now, extending far outside of my body. It was only a few nights past that I looked and saw his light, that it extended by about sixty feet or more outside of my body! It extended also far into the earth and into the overhead skies! He is full of love and full of kindness; and I know that his time in the earth is growing shorter by the day!

All of heaven is waiting for him to return to the throne of our Saviour; and the wicked ones are having to deal with him and his powers more by the day. They are seeing the growth of their great enemy; for this little Son of the King is going to rule the whole

earth with a rod of iron. He is going to bring great corrective powers onto the forces of evil; and he will soon take up residence in the Sons of God. My Dear Ones, I have every reason to rejoice and I do rejoice. We are entering into a new set of laws, the laws of the Kingdom of our Saviour in this earth.

Take heed to all that I have given you! I warn you because I love you! I tell you the truth that you might repent, serve our Saviour in truth and spirit, and enter into the Kingdom of God! Make a determination to live righteously; and do not be moved in your determination. You know that the way is narrow and the gate is strait. There is no other way to enter into the Kingdom of God!

Copy this message and spread it far and wide. One person can do much to save the souls of many! Do you love them enough to tell them the truth, to warn them, to tell them about our Saviour! For, He and He, alone is Saviour! Only our Saviour can save a soul!

Every soul, who will not receive the love, the grace, the mercy, and the forgiveness of our Saviour will eventually be destroyed! Do you understand what I say? Look around you! How many are atheists? How many are arrogant, unyielding and unbelieving? How many are fornicators, adulterers, murderers, thieves, liars, deceivers? How many are full of sin? How many will not bend a knee and repent? How many?

My Dear Ones, few have found the strait and narrow and even fewer wish to stay on it. There is no other way into eternal life, except through this strait and narrow! Do not be deceived into thinking otherwise. This Strait and Narrow is our Saviour's Way. He is the Only Way! He is holy! He is pure! He is righteous! He is loving! He is forgiving; and He came and died for our sins that we might be saved. He has also warned us aforetime to be perfect, even as he is perfect! We have all been warned through the holy scriptures. There is not another way! Do not be deceived!

If he had not died for our sins, not a one of us would be saved! Do you understand out great gift? The Lord of the Universe came down into this wicked place and died for us?

 From The Mountain Prophecies Copyright 2009

Do you cherish this gift enough to go and share it with the world? If you love our Saviour and if you love others, you will work hard to help save the souls of others!

Copy this message and share it with others. Then, begin a regular time of prayer and study of the scriptures. Dig in with all of your might and be determined! Confess your sins daily and ask for forgiveness. Love our Saviour above all and pray with your whole heart! These times are exceedingly serious and Satan is out to sift every soul!

Many, many thanks to you Faithful Ones, who are my true friends! I love you greatly! We have labored long in the vineyard, greatly anticipating the glorious harvest of the King; and our wait is now very short!

I send you much love and big hugs.

Your sis through our Blessed Saviour,
Linda Newkirk

# CHAPTER SIXTY-SIX - PART I

## "Two Little Children!"

"My Blessed Child, I am your Father, Yahweh, the Most High God! My Little One, do you see what I have in My hands?"

"Yes, My Lord, I see two little children, who are full of fire! And, they are on bended knees before You as they sit, one in each one of Your hands. Then, Father, I see that around each one there forms a pool of liquid light, of white, liquid fire; and from this pool the two little children now arise as two little olive trees. And, Father, also I hear a popping, a roaring and a crackling, like that of a fiery wind, which is in the midst of these two."

"My Little One, do you remember My words from Joel Chapter Two?"

"Oh, Yes, my Lord, these words are especially about Your Supernatural Army! You tell of the fire, which is upon them and how the terrain before them will seem like the Garden of Eden, yet behind them will follow a great wasteland. For, they will be full of Your all-consuming fire!"

"My Little One, is it time for the world to see My army ride in this way?"

"Father, I do not think so. For, surely Your army is Your Bride; and You have already said that You must scrub Your Bride."

"But, what do I have here in My hands?"

"Father, You have two, little ones, two little children, who are on bended knees before You! They are clean! Their robes are white and they are humble and fearful before You! You have them both in Your hands, one on Your right and one on Your left!"

 From The Mountain Prophecies Copyright 2009

“Are these My Army, My Little One?”

“No, My Lord; for they are only two. Two is not an army.”

“No, My Little One, this not an army! But, two ride at the head of My army, one on My right and one on My left. Do you see?”

“Yes, my Lord.”

“So, My Little One, from what I tell you now, it is important that You know that two not only ride at the head of My army, but two also precede My army.”

“But, Father these are humble, little children, lowly and afraid. How will they be at the head of Your army? For, they do not wish to fight, but are lowly, Father.”

“My Little One, this is a good question. And, I am pleased in this.”

“These are at the head of My army because they do not wish to fight. They are at the head of My army because they do not wish to lead. They are at the head of My army; for they have died to self and to things of the world. They are at rest and peace in Me. I am their First Love and their Only Love! This is why they are at the head of My army. My Little One, they are also at the head of My army because they were at the head from the beginning.”

“Father, why are You showing me these things now?”

“I show you because you need to fully understand that these two are considered to be two very unlikely ones, unlikely, indeed, according to the expectations and beliefs of many! Yet, even so, I will soon take them. I will open up a trap door beneath them and sink them into this deep pool of My pure and radiant fire. It will happen suddenly and suddenly I will send these two into the Earth, the forerunners of My army of fire. These two will pave the way for My incoming Supernatural Army. They have been around

since the beginning and they are back now to begin their power walks. They will usher in My Kingdom Come and My Will be done!

Few will now believe what I tell you herein, and it is irrelevant whether any believe! But, soon the whole world will see that I now tell you the truth about these two. And, yes, they are humble. And, yes they want no part in strife. They DO LOVE ME ABOVE ALL, yet a little molding I will yet do in one! And, yes, they are unlikely ones to be at the head of My Army. But, remember, My Little One, that I DO what is done in and through them. For, I am in these two and these two are I. What they do is My perfect will and they do not deviate from My perfect will.

So, do not be troubled in how this will manifest. It will manifest and even as I tell you. It will manifest and ever so soon. So, be of good cheer in this. For, as I have told you, I am a God of Great Surprises; and I am about to surprise the whole world. I am your Father Yahweh, yea Jehovah, Most High God.

## CHAPTER SIXTY-SIX - PART II

### "The Two Witnesses!"

### "At the Mouth of Two Witnesses, or Three Witnesses…." Shall a thing be established.

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. Blessed are you, My Little One, even blessed above all women; for I have chosen you, I have selected you to be the earthly mother of My very own Son of Fire! In due season, even as I have told you, I will exalt you; for you have been severely trampled in the Earth!

Your name has been slandered! Lies have been spread about you far and wide! Your enemies have lined up to throw mud at you! Satan and his many hoards have persecuted you and tortured you! Militaries from around the world have colluded in their terror assaults against you to destroy you, to take you over and to steal My Little Son of Light, who is in you!

But, I am with you, my blessed child, and I have been with you throughout these many years, even when you were lost and did not know Me. I never took My eyes off you; for I have known My great work, which I would do through you! Do not be troubled, My Blessed Child, it is but a little wait for you and I will raise you up in fire! And, in a great fire, you shall walk! I shall cause the earth to tremble beneath your feet; for I shall shut the mouths of the mockers and scorners!

And, I shall raise up the two witnesses of these very works, of these works of Revelation Twelve, the very works, which so many mock! Yes, I shall shut the mocking mouths; for out of the mouths of these two witnesses, I shall establish these truths all over the world, that Revelation Twelve is true, that My little Son of Fire and Light is real and that you are indeed the mother of My Son of Light and Fire in the Earth! Yes, out of the mouths of these two witnesses, I shall indeed establish the fact that you are indeed the Woman of Revelation Twelve; for the fire of My Son shall proceed forth out of your very mouth!

And, this same fire shall also proceed forth out of the mouth of the other witness, out of the mouth of the humble, old man, who has been your friend since the beginning of these works in the summer of 2004. Yet, what you do not know or fully understand, is that he has been your friend for a very long time. And, I have put him in the Earth at this time for this specific purpose, to be a witness to these works!

And, yes! There are other witnesses to these works; and for a while this was very confusing to you and also confusing to others; for My Spirit also testifies to their hearts that they are witnesses; and so they are! For, they see and they know that these works are true and real and they know that you walk under My power and anointings.

So, Yes, indeed! There are other witnesses! But, they are not the two, whom I have selected to be the two witnesses of these works.

These two witnesses of these works, whom I have selected to testify about these works and (to) walk in great fire and powers, the powers of My Little Son, are you and the humble, old man! There are only two; for even as I have had Moses to write, even so many years past, "at them mouths or two witnesses, or three witnesses,…" a thing is established. (Deut. 17:6)

And, I have established the truths of these works in all phases out of the mouths of these two witnesses. This is what the two have witnessed. And, these two shall speak freely of what they have witnessed and their very words will sting the prophetic community. Their very words will sting the naysayers in the wicked churches. Their very words will sting the mockers and the scorners; for they bear a true witness to the great trials, the tests, the humiliation, the degradation, which you have endured. And, they bear a true witness to the fact that My Little Son of Light and fire is real!

These, My Little One, are the Two Witnesses of these works. (Rev.11:3) And, these two will soon walk in great power and great anointings from My throne! I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY-SIX - PART III

### "More about the Two Witnesses"

### "At the mouths of two Witnesses or three witnesses…" Shall a thing be established.

And, with this said about the two witnesses, My Little One, the mystery of the two witnesses is revealed! For, you have asked for some time, "Why are they called the two witnesses?" "What have they witnessed?" These have been your questions and this is My answer. These are two, who have witnessed the most things about the works of Revelation Twelve. You, firstly; for you are the Woman of Revelation Twelve; and the old man secondly, for I have called him in early summer of 2004 and brought him forth to be your friend, although he did not know it (the nature of his work) at that time; and neither did you!

But, by early fall of 2004, you would know him and since that time, I have caused him to be your friend from a great distance and your confidante. From your almost daily conversations with him over the years, he has witnessed more than others, who only converse with you now and then!

As I have told you, there are indeed other witnesses, who know of the truths regarding these works! But, I have chosen only two, who will testify before the people with fire, with many signs and wonders and with great judgements! And, I have shown you these two!

For, this is a rebellious house; and I will soon call forth these two, who will plead with them through great fire and through great judgements. And, with this settled, I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SIXTY-SIX - PART IV

### "More Confirmations from our Father Regarding the Two Witnesses"

### "At the mouths of two, or three witnesses…" Shall a thing be established.

My Dear Ones, I have been slow to print what our Father has given regarding the Two Witnesses; for I have waited on our Father in Heaven's confirmation to me through several prophetic revelations. I know that great confusion has arisen regarding these witnesses; and I have needed for my own understanding and confirmation to hear from our Father in Heaven on various occasions; for several, who are near to me, have believed themselves to be one of the two witnesses. And, for many months, I really did not know who the two witnesses were. So, I waited for our Father to confirm deeply within my heart all that He has given me; and also to give me time to consolidate His words in my Spirit; for I so greatly fear Him and I take very seriously His words regarding these two witnesses!

More than a year ago, our Saviour began to give me a series of visions, perhaps dozens of visions, in which He showed that I was one of the Two Witnesses. These visions were very frightening to me; even as I was also frightened when our Saviour began to tell me that I am the Woman of Revelation Twelve.

You must understand that I know that I am no one, in spite of the wild accusations, which many throw against me. Our Saviour tells me about his blessings for me, but I am deeply humbled by His promises, knowing that I was out in the world in years past, and in the midst of terrible sin. Therefore, I realize daily that I am nothing, but as dust is to dust; and remember well all of my many sins in my youth.

Therefore, when He tells me about great things, which He has for me, I greatly travail in trying to grasp what He says. I know that He is speaking to me, but also I am trying

 From The Mountain Prophecies Copyright 2009

to assimilate such things in my spirit. For, I am but a child, so I wish to know that I have heard him clearly. This was most assuredly the case when He told me that I am the Woman of Revelation Twelve. I believed, but I so often wondered how such a walk would be.

When the war in Heaven broke out, and Archangel Michael told me that the many millions (and even billions) of Dragos were heading right for me; and that I would take some hits, which I did from their terrible burning weapons and terrible implants, I then knew then for a certainly what it was like to be the Woman of Revelation Twelve! And, there has been no let-up of Satan in his great war against me and the Little Son of the King; for Satan has now been in my face for over four years!

I have digressed somewhat in describing this work of Revelation Twelve, but I felt that this was necessary so that you would understand why I sought further confirmations from our Father regarding the truths of the Two Witnesses! I did not doubt our Father when He showed me a series of visions, perhaps dozens of visions depicting that I am one of the Two Witnesses. But, about the other witness, there arose much confusion, so that I needed to seek our Father much about the truth of this other witness, not only for myself, but for others, who truly believe that they are one of the two witnesses. So, I delayed in publishing these confirmations until I felt the absolute peace of our Saviour to go forward with these revelations.

In the following confirmation, some of you will see that I originally intended for these revelations of the two witnesses to be chapter Sixty-Five, but I delayed, seeking the overflowing peace of our Saviour before I would or could go forward in typing what I am now typing.

Therefore, I wrote as chapter Sixty-Five, the Fiery Chastisements and stored this current information, which would have originally been chapter Sixty-Five. I also re-labeled it and waited upon our Father, but when I retrieved chapter Sixty-Five to send it out to be posted, I would retrieve this one, the original chapter Sixty-Five and send it out to some of you. For, when I changed the name of the original chapter Sixty-Five, it

did not change in my computer. Therefore, I sent out a partial chapter Sixty-Five to a few of you by mistake.

Yet, our Father was also in this; as you will read in His latest message to me about these two witnesses; for He was also showing me that it is time to send out this most important information. Therefore, there follows a most recent message from our Father about these two witnesses.

### Our Father's Latest Message About The Two Witnesses

#### "At the mouths of two, or three witnesses …" A thing is established

"My Little One, come unto Me; for I am your Father, Yahweh, yea Jehovah, Most High God! My Little One, do you know why I released chapter Sixty-Six before it was finished?"

"Yes, my Lord, I believe I do, or at least have some understanding."

"My Little One, do you see the old man, who is holding onto the very last step?"

"Yes, my Lord."

"And, this step is also your very last step, the step, where you reside with My Precious, Little Son."

"Yes, My Lord, I do see this."

"And, as the old man clings to the very last step, Satan has wrapped his serpentine hold onto the lower body of this old man, all to keep him from reaching the last step."

"But, Father, he has hold of the last step."

"Yes, but Satan, through doubts and fears, is trying to make him let go of the last step, which is a step of faith and knowing.

 From The Mountain Prophecies Copyright 2009

Therefore, My Little One, I blinded you and had you send out two chapter Sixty-Fives, the one, which was originally intended to be chapter Sixty-Five and the current Chapter Sixty-Five. So, the intended chapter Sixty-Five will be chapter Sixty-six; for you have waited on Me for more confirmations. But, the old man needed to receive chapter Sixty-five; for Satan wishes to destroy him through doubt!

My Little One, you do not know who this old man is, but he is beloved of Me down through much time! He is very near to Me and very dear to Me and while he has been sickly and at times weak in his faith, My hands are strongly upon him and My promises to Him are very great! He will receive a boost in his faith through My words in what is now chapter Sixty-Six; and this boost in his faith will carry him up and onto the step beside you and My Little Son.

I have carried him down through much time and he has been faithful to Me throughout many lifetimes. I will not fail him in My promises to him! When I removed you from your marriage, I brought him then as your friend! Separated by many miles, yes indeed, but nonetheless your faithful friend and ally, a witness to the many tragedies, that you have suffered, and also a witness to your great suffering and much travail. I have also caused him to be (physically) near to you for eight months and as such he has also witnessed very much!

My Little One, I planted him in the earth and I raised him to bear witness to these works of Revelation Twelve. Though others also bear witness (of these works of Revelation Twelve), he has born witness to these works on a very personal level, almost since the beginning of Revelation Twelve in South Africa.

Therefore, My Little One, though there are surely other witnesses, he is the only other witness, who has witnessed so much about these works, other than yourself.

So, My Little One, you are the first witness, having been intimately connected at all times with these works. And, he is the second witness, having maintained

communication with you very regularly, almost daily and even several times per day much of this time!

So, now that you stand on the last step with My Son, and he (this old man) holds onto the last step, Satan is trying to drag him down by causing doubts in him, to thereby cause him to lose faith and hope! Therefore, I caused you to be blind to what you sent out and to send out ahead of its completion, what is now chapter Sixty-Six. For, My son, the old man, needed a boost in his faith. So, when you finish chapter Sixty-Six, add this small part. For, truly I am in charge of these works. I am your Father Yahweh, yea Jehovah, Most High God! (BLESSED IS YOUR HOLY NAME, OH BEAUTIFUL KING!)

As witnessed, dictated and recorded this 30 th day of January, 2010,

Linda Newkirk

And, so it goes regarding the Two Witnesses! Yet, I also know that this work will not end when the Two Witnesses finish their work, but that an important work will also follow! Death will have no hold on these two; for, there will come a time of the gathering of many souls, who would not otherwise make it during the last few terrible years.

So, be of good cheer; for if you have faith and live in obedience to our Father, He will never leave or forsake you! However, you must have faith and persevere in obedience and righteousness! For, during terrible times of great famine and upheavals in the Earth, our Saviour will supernaturally gather many souls unto Himself, carrying into “safe” places, many, who would not otherwise make it. For, so great shall be His love and mercy to those, who repent and call out to Him with their whole hearts! Yes, souls will be supernaturally picked up and carried into “safe” places, even souls, who would most assuredly perish!

The world armies of Satan must also know that the end is near for this part of Revelation Twelve; for I have received word today that Satan has reportedly gathered

 From The Mountain Prophecies Copyright 2009

his warships in the Gulf of Yemen! Reportedly, these warships are parked in a circle in this Gulf, even warships from many nations. These wicked servants of Satan are most assuredly in high hopes of taking over a certain interdimensional portal in that area. For, Satan still maintains his grandiose plans of fleeing the earth and escaping his punishment in the fiery pits!

Yet, they will not escape! And, when they see that they do not escape through any interdimensional portal, for such portals are all closed to them; they shall then be consumed in anger and shall begin to bring about their great third world war! They shall thereafter forge ahead in their attempts to either kill every person, or to enslave every person through their electronic chip and mind control technology!

Yes, indeed! When Satan sees that he cannot get off this planet, he and his many hoards will wreak havoc on the face of this planet! For, Satan will clearly know that his time is short; and on seeing that their doom is imminent, these wicked hoards will set out to destroy every last soul! For, a great envy and jealousy shall rise up in Satan and in his many hoards; and they shall then do all in their power to stop any and all from receiving their inheritances in the Kingdom of God!

Take heed; for this is where we are! Repent, oh you people! For, so terrible are our Father's judgements against an unbelieving and utterly corrupt generation!

However, some have made their robes white and clean! Their lamps are full of oil; and the wicks are trimmed in their lamps! They are spiritually clean, full of Spirit and power; and they are humble little children! Soon, these will surely see the face of our Mighty King!

Dear and Faithful Ones, I am hoping to see you very soon!

Sending you the love of my heart,

Your sister and friend,
Linda Newkirk

## CHAPTER SIXTY-SEVEN - PART I

### "Another Day on the Mountain!"

Hello, my Dear Friends! It is yet another cold and wintry day upon this little mountain and if it were not so frigidly cold, it would be an otherwise sunny and beautiful day. But, Old Man Winter sneaked in to visit us night before last; and yesterday morning I awoke to see a dusting of several inches of snow. This dusting was followed yesterday with several more inches of snow, rain and ice!

I look north through my office window and I see that the tall pines strain to stay upright under the thick, white fleeces of snow! On their bows hang great icicles, some of them perhaps 20 inches, or longer, their sharp and dagger-like projections reflecting a kaleidoscope of colors.

Now and then, a snow kite break loose from the snow-covered bows and works it way down, seemingly on a peaceful flight, until it explodes into thousands of pieces, leaving its own snowy trails. Deep snow covers the once leaf-laden hillside; and I am thankful that I remembered to have food for the flocks of starving birds! So delightful to see them come to feed when the food is scarce, the hillside frozen and barren.

Back in the fall when I was raking leaves, I saw that the mighty oaks had cast forth a great crop of acorns! An old "wives tale" came to mind at that time: "If you see a bounty of acorns in the fall, be mindful; for this portends a very hard winter." Last spring the trees thought to make food for the hungry little animals, who would otherwise starve in this wintry cold! Perhaps, we could all learn something from the trees!

I also chuckle a little to myself, thinking of how this Earth has fooled them all, having succeeded, hopefully once and for all, to bury the hollow threats of global warming. How delightful when the earth rises up to mock and scorn the mockers and scorners.

Praises to our Mighty King of Kings, the Author and Finisher of our faith and the Creator of All! He is in the midst of all such things!

This is how it is looking from this little mountain! I hope that all is well with you, that you are staying warm, keeping well, and walking in the love and power of our Mighty King of Kings! Blessed is His Holy Name forever and ever!

### Salvation for the Children of Esau!

My Dear Ones, I was so greatly saddened to receive our Father's message, which follows! I know that many of your hearts will be burdened also, even as my own heart was and is still burdened. Read on and be prayerful! Who knows whether our Father will open the Book of Esau and extend him mercy once again?

## CHAPTER SIXTY-SEVEN - PART II

### Our Father's Words

### "The Children of Esau!"

### "The Power in the soul is like the species of the soul." (Pistis Sophia)

Come unto Me, My Blessed Child; for I have words for you, even words of great importance. My Little One, I am your Father Yahweh, Most High God, Lord of the Universe, Saviour, the Only Saviour of any and all peoples on the face of this planet! My Little One, you are very well aware of My willingness to save the children of Satanic lineage; for you, and another one, stood in agreement, seeking Me for the salvation of their souls! And, I added more time to your suffering, and to the suffering of My Little Son (of Revelation Twelve); for I heeded your cries for the salvation of the souls of the children of Satan.

 From The Mountain Prophecies Copyright 2010

And, because I heard, I found Esau and I brought him from a place of great suffering, of great tests and trials. I brought him out with a mighty outstretched hand and with great signs and miracles, as Satan, also seeing what I was doing, set out to kill Esau! Yet, Esau would not know who he is and you would not know the soul of Esau! However, I would bring him and give him his heritage; for many have also wondered why I denied Esau his heritage.

And, all of this was unknown to you in advance! You only saw a woman, who was suffering greatly under the feet of Satan; and you greatly desired to help her and her little ones. You knew nothing in advance of My overall plans! And, in no way did you know in advance that I would cause you to share the little manchild with her, that I would unexpectedly cause this to happen on October 07 of 2009.

And, even in advance of your writing anything about the “hidden goat” lineage, I would show you, as well as Esau, the truth of this hidden goat lineage, which existed in Esau! And, as such, the soul of Esau was being transformed in the presence of my fire in My little Son of Light, in the fire of the manchild! And, he would do much for her (the soul of Esau) in the dissolving of the many implants, which were in her, and also in the dissolving of the many fibers, which are associated with “Morgellon’s implant disease.” During some few weeks, she would make much progress towards being set free from Satan forever! I would even send angels and archangels to speak with her and to tell her the truth! I would do all that I deemed necessary to cause her to walk in the great light that I truly wished to give her!

However, she was adverse to the truth and in many ways loathed the truth, as it did not fit in with her preconceived ideas. Therefore, in short season, she would turn against you, against the truth and light and long again for the darkness. For, in the darkness, she had lived her whole life. The darkness, therefore, she knew and was also comfortable in the darkness; but the light she did not know, having experienced it sporadically! Yet, the great light of the manchild, of My Little Son, she would not like; for the light also illuminated the darkness. And, it was too painful for her. Therefore, she longed for the darkness and chose, therefore, to go back into the darkness! For, the darkness was her place of comfort, as odd as this may seem to you and to many!

Therefore, My Little One, I have closed the book of Esau and his house! It is a locked book, one which Esau, himself, locked! But, even if anyone from his house would come forward in the same way, each and every one of them would equally reject the light! For, the darkness they are comfortable in, but not in the light.

Oh, Father, this is so sad to me and has been so sad since this woman refused to speak to me, that time being around November 15th of 2009. Lord, I know that she wanted to go back into the darkness and I greatly warned her not to consider it! But, I also knew that my pleas fell on deaf ears and that she had made up her mind! Father, I am very saddened be these choices; for so many souls were and are at stake. I so pray for Your mercy, that not all of the souls of Satanic lineage will be lost!

Yes, my Little One, I caused you to warn her, to tell her the truth, as I so gave it to you, to give her! But, most often, as you would see, she would become angered at the truth and would subsequently lash out at you! For, it was not the truth that she wanted, but for one to agree with her in her choices! So, she sought those, who would agree with her in her choices!

And, if these do not repent of their helping to destroy these works to help save the House of Esau, they will also share in Esau's chastisements. For, there came those, who helped to form and shape a collective mindset, that Esau would find happiness in the darkness. Therefore, Satan used some to enable Esau's trip back into the darkness!

Oh, Father, I feel so sad and so terrible about this! But, also, Father, You know how very great my travail was from around the time of the winter solstice, one of Satan's big blow-out Satanic feasts, even until the 17th day of January 0f 2010.

Yes, My Little One, I know how greatly you suffered! For, Satan and his many hoards would bring great evil upon you; and your spiritual suffering, and also the spiritual suffering of My Little Son, would be exceedingly great! So great would be your suffering, that you would need to draw into Me in deep prayer for several weeks!

 From The Mountain Prophecies Copyright 2010

And, then, My Little One, on the 15th day of January, Satan waged such a great war against you and My Little Son, that he truly believed that he would devour you amidst his assaults! For, he would send upon you and My Little Son a river of over 22,000 demons! So great would be your travails because this woman had chosen to go back into the darkness; for I had allowed her to keep My Little Son until such time came that I could in no way justify it! (For your understanding, my Dear Ones, I add, that her choice to go back into the darkness created an open conduit into me and the Little Manchild! Through this open conduit of darkness, Satan could enter into me and the manchild to wage his exceedingly great assault against us! For I shared the manchild with her; and for this reason, her choice to go under the dark waters caused a great flood of darkness to come upon us!)

Our Lord continues: As you saw her go under the black waters on the weekend of the 16th and 17th of January, I withdrew My Little Son of Light. For she had thrown him away for the darkness! And, though I sent angels and archangels to speak with her and to warn her, she did not believe! For, the darkness she knows, but the light, she neither knows, nor appreciates! So, when she was forced to walk in the light, which is the truth, or to walk in the darkness, which is a lie, she chose a lie! Yet, I gave her time to change her mind, and to come away from evil; and she did not do so! Therefore, I have closed the book on Esau!

Oh, so sad, Father! I feel so sad about this!

My Little One, you and My Little Son paid a very heavy price during these months from the last week of August of 2009 until the weekend of the 16th and 17th of January of 2010. Great was your suffering and travail, your hardships being greater than anyone could imagine! For, you so desired the salvation of the children of Satanic lineage; and I caused you to share My very own Son of Light with the soul of Esau!

Yet, you would see that although I would take the greatest gift from Heaven and give it to Esau and his house, this gift would be tossed aside for love of the darkness! You warned this woman that she could lose the manchild if she did not walk the strait and

narrow, yet her response to you was, “I have not lost him yet!” Not only has she lost him, but she, the soul of Esau, has forever lost him!

So sad, Father, so sad!

Yet, my Little One, look beyond the closed book of Esau and you will see many blank pages! On these blank pages, I will add the names of others, who come from other houses of Satanic lineage. For, I will save some and I will add their names on these pages! All is not lost! My Little Son travailed greatly! You travailed greatly, and your faithfulness will not go unrewarded! For, some numbers of those, who are of Satanic lineage, will be saved!

Be not discouraged, My Little One! I know that you have been troubled about the outcome of this particular work; but just know that it is not in vain!
Father, You told me that in due season this woman will work alongside me! How is this, Father? For, she has chosen the darkness and you have closed the book of Esau!
My Little One, see the little drops of golden oil, which flow out of Esau’s book!
Yes, my Father!

Then, know that from Esau’s book, a host will come, who will work alongside you in years to come. This is what I mean.

Oh, Father, as you are a merciful God, I can only hope and pray that you will revisit Esau again, that you will have mercy on Esau once more! For, none of us can tell what you will do in the future! You are able to do all things! But, even so, Father, I pray that you finish these works and that You do not extend the days of our suffering in order to accomplish any additional works in Esau; for great are our travails!

Be of good cheer, My Little One! For, great are your rewards and they are very near! Indeed, very close!

Oh, Father, I am so thankful and also, Father, I long to see Your Little Son receive his heavenly glory! I also long to see the Sons of God come forth. Father, we so

 From The Mountain Prophecies Copyright 2010

desperately need Your Kingdom down here! Have mercy, Oh Blessed King; for Satan is out to devour everyone and to destroy the whole world in the process. Please come quickly, Father!

Go in peace, My Little One; for all that you wait for is exceedingly close, I am your Father, Yahweh, yea Jehovah, Most High God!

Linda Newkirk

I write the closing words of this chapter with great sadness in my heart. It is as if a dark shadow has moved over my heart and has left a deep print of pain and suffering. So great is my mourning for so many souls, who will perish in the flames, their destinies sealed in the fires, their souls forever un-retrievable.

With tears in my eyes and with a great mourning in my soul, I plead for all such souls; for I take no joy in the suffering of any soul and so wish to see the salvation of the greatest numbers. The words of Obadiah ring too clearly in the recesses of my mind and they are hauntingly clear: "And there shall be a fire…, and the house of Esau for stubble, and they shall kindle in them, and devour them; and there shall not be any remaining of the house of Esau; for the Lord hath spoken it. (Obadiah, Part IV, verse 18).

### A Message to the Soul of Esau!

I saw you yesterday, Elena, your long, red hair draping your shoulders, like so many burning embers. You beheld your reflection in the mirror and so did I, but I was not seeing what you were seeing. I saw your vacant eyes staring back at you, and all light was gone, except for a tiny flickering. Big, black hollows sat where your two eyes had been; and the Spirit of God said, "Come and see," and I went back, far back beyond what you were seeing in the mirror.

And, I saw, Elena, there beyond your eyes, the work, which the Spirit of God, our Saviour and the manchild had done in two of your very dark rooms. I saw that the fires of the Almighty had cleaned two rooms; and in the second room there remained only a freemason closet, which had not been cleaned!

Yet, the third room was full of much evil! I passed, therefore, the third room; and went on, walking around a semi-circular walkway, which led off to the right. Along that walkway, I saw a series of rooms, all padlocked and closed tightly away from your awareness.

Looking upwards, I saw a great door, which led to an attic, and this door was also locked tightly with a padlock; and on the door were these words, “Me, Tarzan, you Jane!”

Then, looking downward, I followed a short stairway and found myself in a dimly lighted basement and there immediately opposite me was a very large and heavy door; and this one was also padlocked.

Going back up to the top and behind your eyes, I was also aware of a very large metallic suitcase, which was standing on its end. It was not locked, so I was able open it and see that it was full of many kinds of different corkscrew shapes, these shapes hanging in the midst of this metallic suitcase. They were not heavy, but the suitcase was very heavy; for the sides of the case were stacked with many photos and negatives of you, Elena! Some of these photos were very provocative poses of you, and others were not yet developed, but all were of you!

I exited you mind with a great sadness, knowing that if you had persevered in your determination to be free of your Satanic roots, the fire of Manchild and the presence of God Almighty would most assuredly have helped you clean out all of these rooms. But, you would not persevere and did not persevere; for you were adverse to the truth. So, today, Elena, you remain evermore a captive of Satan and his many hoards, a product of the shadow works of the CIA and other secret, Satanic, occult organizations.

How sad for you, that you have chosen the darkness. Indeed, I warned you what the Spirit of God said: that, you, Elena, look to the dark waters for sustenance. I told you to look to our Mighty King; for He is able to sustain you! Yet, you would not do so and did not do so, but rushed headlong back into the dark waters, for you look to them for your sustenance! In the end, you would forsake all that our Father was doing to set you free! For, He surely called you to give you your inheritance, but you loathed the truth and forsook the goodness of the Light.

How blessed you were, Elena, to have the Manchild, and to have him in such power. You did not have to suffer to see him grow into such power! You did not have to pay one moment in pain to have him in your body in such fire and power! For, He was a gift to you and His power a gift of our Great and Mighty Saviour. But, even so, you did not value the Son of the King enough to treasure such a grand heavenly gift. Indeed, you did not value him, but quickly cast him aside; for you did not and could not appreciate what you have not worked for and travailed to receive. Therefore, you did not recognize him as your great gift and your great freedom from the bonds of Satan!

I mourn for your soul, Elena, and for all of the children of Esau. I can only hope and pray that our Saviour will look upon you with compassion and reconsider your cause again at some future point. For, what you have seen as “all about you” is not about you! Our Father called you, not only to help you, but to help so many like you, whose souls will perish in the fires and surely burn as stubble.

May the Lord of the Universe, the Only Saviour, have mercy upon you, Elena. For, above all, He is kind and full of compassion!

Your Friend in deed and truth,
Linda Newkirk

## Tools for Salvation!

## How To Clean Your Spiritual House!

My Blessed Child, come unto Me; for I am your Father Yahweh, yea Jehovah, Most High God! My Little One, look at this pallet of spiritual meat, which is before you; for this pallet of spiritual meat is divided into three sections. This first section, I have opened; and I have given you all that you are to write from this first section, save one piece. Yes, I have given you messages, which you have not released; for I have not yet moved on you to release them! And, I have carried you spiritually to places and have had you to do certain things; yet, I am not yet ready for you to release these things! I have caused you to type and to release what I wanted you to type and to release. Yet, there remains one more piece of spiritual meat from this first section, which I wish to impart!

### Tools For Salvation!

My Little One, before you is a tool box and on it are the words: Tools for Salvation. My Little One, remember My words to the prophet, Isaiah! ( Isaiah 10:22) “For, though thy people Israel be as the sand of the sea, yet a remnant shall return…” And, stated again by my Son, Paul, (Romans 9:27) “Esias also crieth concerning Israel, though the number of the children of Israel be as the sand of the sea, a remnant shall be saved.” And, confirming these words are the words of My Son, Peter: “If the righteous are scarcely saved,”…what about the rest? (1Peter 4:18) My Little One, these words are true! IF THE RIGHTEOUS MAN IS SCARCELY SAVED, WHAT ABOUT THE REST?

My Little One, look inside this tool box, and on the left side, see some documents. Pull out the first document and read the words, which are on the title and look and see what is beneath the title.

 From The Mountain Prophecies Copyright 2010

My Lord, I have the first document in my hands and the title of this document is "Fine Arts."

**Fine Arts!**

Very good, My Little One! Now, put on these glasses and read what is small and difficult to see.

My Lord, thank You for these wonderful glasses that you now allow me to look through; for I know that all that you give me here is for the salvation of souls! Help me, therefore, oh Blessed King, to see very clearly and to read very clearly what you want me to see!

Then, I see a very large building. It is a round, white building with white columns, which encircle the perimeter of the building. I go now up some white, stone steps and open the double doors of this stately-looking building! Inside, it is very dark; for the lights have been shut out, as a movie is playing on a very large screen.

I do not wish to look at this movie, for on the screen is man and a woman, and I see clearly that it is Scarlett O'hara and Rhett Butler in a passionate scene from the movie, "Gone With The Wind." So, I back out the door.

Father, I do not wish to see this! I am not interested in any of it; for I renounce this wicked world and all of the lusts of it! I renounce every wicked thought and every wicked deed! I renounce every material thing in it and want no material thing; but that, which is necessary for me now and for Your people now and in the future! I want only what You want Me to have; and I choose and desire only Your perfect will for my life, nothing more and nothing less!

Father, why did You show me this; for, approximately ten years, I have only seen small glimpses of television in restaurants or other places, where I would be visiting. You have told me to forsake television and movies; and for around ten years I have sought to do so! So, Father, why did You have me go there and look at this; for You also know

that I do not desire either television, or movies, or any lusty situation of the flesh! I have given up these things and want no part in them!

My Little One, this is what people call fine arts, but continue on. Pull up the next document and read the title.

**"Hunger for Me!"**

My Lord, I have this second document in my hands and the title of this document is "Hunger for Me." Now, Father, with Your help, I will reveal what is obscure. Suddenly, I see myself and I am in a bathtub, where I have made myself a nice, soapy bath and the water is very warm. As I lounge in this wonderfully warm water, I am reading Your words in the ancient writings of Pistis Sophia. Suddenly, I realize that I am a very young child, of perhaps two or three years of age, and I am standing beneath a white table, and very near to one of the table legs. I am crying for food. I cannot see the top of the table; but I know that some are eating a very nice meal, and I can also see that these beings, who are at this table, are very huge beings.

No one speaks to me, not yet; but as I wail for food, a kind voice says to me, "Shhhh, shhhhh! You are interrupting holy conversation! You are interrupting a very important meal! You must be quiet! Be patient and wait your turn; for these must first be served and then you will be served!"

I sense the seriousness of this very kind voice and I take a seat on the floor beside the white table leg and I begin to sing a song! "Jesus loves me. This I know; for the Bible tells me so!" And, ever so quietly I sing to myself! Then, in a vision, there appears before me our Beautiful Saviour, and He is so very near to me. He reaches out then to me and He says, "Come unto Me, oh you little children! Come all, who are heavily burdened; and I will take your burdens! I will heal your broken hearts! I will make light your way; for My burden is easy and my yoke is light!"

### The Wicked Witch of the World!

Then, I look to behold a terribly ugly witch, a dark, evil, foul woman; and even as our Saviour says these words to me, she is snatching away many dirty and hungry, little children, who cry out; for so many are in need! And, before they can even think to turn to our Saviour, for they hear Him, this wicked witch snatches them away and seats them all at little tables and feeds them swine's meat, animal fats, blood and guts, and nutritionally empty sweets. Then, she gives them "free" passes to movies; and then suddenly reaches into her treasure chest and says, "A bike for Timmie, A four-wheeler for Marianna, a new computer for Joel, a skateboard for Little Johnnie," and on and on she goes; for her treasure chest of things and stuff, which placate the senses!

### They Love the World!

Oh, my Lord, this is so terrible; for so many do hear Your voice; but, My Lord, even before they can come to you, this wicked witch snatches them away and entices them with things of the world! Oh, Father, this is too terrible for words; for they cannot see that they are being tricked! They cannot see that they are being fooled! They cannot see that they are feasting on the counterfeit, upon the illusions of the world! They do not realize that all that they crave today is literally gone tomorrow. Father, so sad it is that so many souls will also be gone tomorrow, even gone with the wind, and many of them into the terrible and fiery chastisements! Oh, Blessed Saviour, they love the world and what is in it, failing to grasp the concept of eternal life and failing to grasp the concept of salvation! Father, the world they know and love. This is where their hearts are. This is what they long for; but, Father, You, You, Oh Blessed Jesus, the Creator of All, who came and died for our salvation, that we might be saved, yes, You, they neither know or desire!

Oh, Father, if You do not cause them to awaken to the wicked witch and her many tricks and to awaken to the temporal nature of this world and all that is in it, they will not know You! For, the clamor of the world shuts out the soft callings of the Spirit of God!

### …Only A Remnant Will be Saved!

Now, My Little One, do you understand the words of Isaiah? (though the House of Israel be as the sands of the sea, only a remnant will be saved…)

Oh, Father, I do understand them and I have well understood them. For, My Lord, I have warned the people through these prophetic messages to come out of the world, to give up television, to give up movies, to forsake the useless social outlets, the endless mind games in the world, like mind control video games, like pornography and so many terrible traps in the world. I have warned them over and over again, and through Your very words, to repent, and to make their way Straight before You, oh Mighty King, to obey Your commands, to love You above all and to love others. I have told them, even as You have told me to tell them, to be truthful in all of their affairs; and so many other warnings I have given them, even as You have told me to give them and to warn them.

### They are Addicted to the World!

But, Father, they are addicted to television. They are addicted to movies. They are addicted to computers. They area addicted to video games! They are addicted to pornography! They are addicted to wine and strong drink! They are addicted to all manner of worldly things and these worldly things are their idols and gods; and they will not forsake them, but turn a blind eye and a deaf ear to all such warnings to forsake such worldly traps! For, they believe themselves to be entitled to such things and to have a free will to choose such things, even though their choices cause then to sink into darkness and despair, and to be also cut off from You and from Your Spirit!

Father, I have forsaken such things as television and movies, only because of Your strictness towards me concerning these things! Regarding other of my worldly choices when I was lost, My Lord, I can only say that You heard my cries towards You! You knew that I longed for You, but I was lost and could not find You in the churches. Therefore, You visited me and brought me under correction until I would do what was necessary to forsake evil and to clean up my life!

 From The Mountain Prophecies Copyright 2010

My Lord, that was almost twenty-one years ago and almost twenty-three years ago since You visited me and healed my broken heart. Father, I thank You for all of the correction, which You put on me, which You brought upon my very head! For, these corrections were sorely needed for me to see the errors of My ways and to repent of many, many things!

But, My Lord, many do not long for You! They do not seek You; for You have not make their lives miserable enough! Therefore, they do not want to repent, but continue on with their dysfunctional lives.

Now, My Little One, do you better understand My words through Peter, which also reflect My words to Isaiah: "If the righteous are scarcely saved…" what about the rest?

Yes, My Lord, I do understand these words well; but, My Lord, You promised me that You would allow me to see the salvation of the greatest numbers, so how will this be when the greatest numbers will not seek You, but love the world and what is in it!
I will Begin to Take Away What the Masses Love!

Very well said, My Little One; and so true it is! And, your words are indeed correct, that I promised to allow you to see the salvation of the greatest numbers; and as the greatest numbers love this wicked world and what is in it, and do not love Me, I will begin to take away what they masses love, that is of this world.

### I have Torn Up My Contract With This Nation!

Make a record of this! For, I have already shown you what I have done! Look and behold, Oh, my people in America! For, I have torn up My contract with this nation! I take first one half and put it into the flames; and I take then the other half and put it into the flames! Do you hear Me, oh people of America? I no longer sit at the head of this nation! Satan, his many hoards and strange gods sit at the head of this nation.

### The Churches Have Gone Bad and are not fit for use!

The churches in this nation of America are overwhelmingly rancid! They smell of a foul smell! They are not fit to use! They have gone bad! They are either full of the strange fire, or no fire at all! They are full of dead men's bones and dead men, women and children; and they are rancid! They have gone bad and are not fit for use! Therefore, I have torn up My contract with America! The wolves have arisen and have taken over at all levels! The sheep are blind, all but a few; and this few I have in the palm of My hand! With these few I have a contract; and I have a contract with these for the following reasons:

### Why I have a Contract with the Faithful!

1. These sheep love Me above all;
2. These sheep love Me with all of their hearts, with all of their souls, with all of their minds and with all of their strength;
3. These sheep hear My voice and these sheep follow Me; for they are "sold out" to Me;
4. These sheep have come out of the world and all of its traps; for they have both heard and received My warnings to come out of the world, to forsake the world and all of its illusions and traps;
5. And, lastly, these sheep are all clean before Me, spotlessly clean; for they have spent much time in deep prayer, seeking Me with their whole hearts, seeking Me to forgive all of their sins and to heal all of their wounds, both spiritual and emotional; and seeking Me to put forgiveness in their hearts towards all, even towards their worst enemies!

And, I have done a work in these sheep to make them both clean inside and out! There are no "whited sepulchers" among these sheep; for what one sees on the outside, one also sees on the inside and throughout their affairs! For, these are righteous and holy unto Me! And, with these, both in America and throughout all nations in the Earth, I have made a covenant! But, with America and with all nations in the whole earth, I have torn up My contracts; for they have given themselves over to the BEAST!

 From The Mountain Prophecies Copyright 2010

### A Great Dividing Line…I have drawn!

Hear Me in this; for a great dividing line has been drawn! I have drawn it! There is and will be with Me and My house from this point on, no middle of the road! Those, who are in the middle of the road, are in the world; and if you are in the world and love the world and what is in it, you are in Satan's camp.

### Beware of the False Doctrine: Serve Me; and You will not Have to Suffer!

Hear Me, oh you people, not just in America, but all over the world! My way is the Strait and Narrow. There is no other way! Be warned, oh you preachers and prophets, who teach the false doctrine, that if you serve Me and do right, you will not have to suffer! For, if you serve Me and do right, you will suffer. For, Satan the wicked witch of this world, on seeing that you are spiritually white and clean, will come after you with a vengeance. He will lay every possible trap and snare before you! He will tempt you and his demons will come after you! He will trouble you in dreams and he will do all in his power to control your mind! He will abduct many of you and carry you into his ships, where he will drug you! He will see all of your weaknesses and he will pound you in these areas through various kinds of mind control, demonic assaults and temptations. He will send his demons to rape you and to stir you up in things of the flesh until you confess every last sin and forsake things of the flesh. If you weakness is alcohol, he will send powerful demons against you, who will enter into your body, and who will take over your mind and force you to drink alcohol! And, you will drink it in most cases, if this is your weakness, until you confess all of your sins and seek Me in earnest to heal the holes in your hearts!

### The Terrible Lie!

What folly you speak when you tell My people to live right and Satan will not tempt you! Have you forgotten about Job? Have you forgotten about the prophets and apostles, who were killed for love of Me? Have you forgotten that I, too, was killed, because I came to save you?

### Those, who Desire Salvation, Will Pay Dearly!

Those, who choose righteousness, who desire salvation, which is eternal life, will pay dearly! They will pay through great suffering in their bodies. They will suffer great losses in their families and among their friends; for Satan will seek to cause them grief in all ways! Many will forsake them and rise up to bear false witness against them; for Satan will enter into them, even as he entered into Judas, who betrayed Me! Yes, many will rise up to betray the righteous, to do them all manner of hurt, to slander their good names, and to help destroy them, even to kill them.

### Wanting to Live in the Safe Zone, Which is Living in the World!

Too many of you wish to be naïve! Too many of you wish to stay in that "safe" zone, which is the "in the world" zone and you rejoice in yourselves, that all is well with you, and that you do not have to suffer, as my daughter, Linda Newkirk has suffered! Yet, you, in your vast ignorance, do not even realize that my chosen daughter, Linda Newkirk, is exceedingly blessed; for she hears My voice and obeys Me! I have called her and I have a contract with her; for she is mother to My very own son of fire and light!

### Beware of Satan's servants!

But, too many of you look upon her with derisions, with scorn, with mocking and ridicule and you are quick to believe all such lies as those that are distributed by one of Satan's very own, Elizabeth Sheri Elijah Nikomia! Yes, quick you are to follow this one, Elizabeth Sheri Elijah Nikomia! She calls herself My servant, when she is no servant of Mine, but a choice servant of Satan and the occult forces within the CIA and other mind control branches of the U.S. Government! With her loud and abrasive mouth, she has spewed forth her lies and insults and her false witness against My servant, Linda Newkirk, for over nine years! And, the spreaders of hate and malice in the U.S. Government and intelligence branches of the U.S. Government have kept such hate at the top of the number one internet search engine in this country and elsewhere; for they hate these works! Satan hates these works; and how many of you are even the wiser? Yes, you follow after this woman, Elizabeth Sheri Elijah Nikomia, who claims to

 From The Mountain Prophecies Copyright 2010

serve Me, when she does not serve Me at all, but is a product of her Satanic upbringing and CIA occult mind control organizations!

### The Blind are Following the Blind!

Oh, you wicked and adulterous generation! Blind and deaf, you go running off the cliff! For, you will not repent! You will not spend quality time with Me so that I may clean you on the inside! No, this you do not do, but wish to think yourselves clean when you make yourselves clean on the outside, but inside you are full of dead men's bones and rotted flesh!

Oh, you wicked and adulterous generation! For so long I have pleaded! But, you did not want the Strait and Narrow; for it is too hard for you! So, to suit your own cravings, you find another way and this other way is full of rot and filth, but you see it not! For, you, too, are full of rot and filth! This is why you do not see the errors of your ways and why so many of you follow after these worldly prophets and worldly churches. They tell you what you want to hear. Therefore, you remain in your comfortable place in the midst of your worldly desires, your worldly heart at peace! For, you continue on and your life remains the same. Therefore, according to your reasoning, you must be doing the right things.

### Many cannot tell Right from Wrong!

On the other hand, you look upon My servant, Linda Newkirk, and many of you reason among yourselves, that she must be on the "wrong" path; for so great have been her travails, her heartaches and suffering! Yet, how wrong you are! For, I have put her in a holy place, indeed in a wilderness place and I keep her there with My very own holy Son of fire and light! Unfortunately for her, I have also put Satan in her very face; for this is also My written word! And, some of you think her "cursed", but I tell you that Linda Newkirk is blessed, blessed indeed; for she is mother to My Little Son of light and fire; and she is spiritual mother to all of My Sons in the whole earth, indeed spiritual mother to all of My children! Therefore, Linda Newkirk is exceedingly blessed, even blessed above all women!

**Our Father Yahweh's Warning**
**To Elizabeth Sheri Elijah Nikomia**

Yet, how many evil ones rise up to gloat in her suffering, to rail and shout even above the treetops, and to the whole world, spreading strings of lying accusations. And, you, Elizabeth Sheri Elijah Nikomia, being the ring leader among them all! And, if you do not repent of your evil ways, Elizabeth Sheri Elijah Nikomia, you will see the flames of hell and you will not come out for a very long time, if you come out at all.

For, witchcraft, I hate! Lying, deceptive ways, I hate! False doctrine, I hate! Slander, I hate! High-mindedness, I hate! Murdering, I hate! Elizabeth Sheri Elijah, do you get My message? I despise your evil ways and the way that you use up My people and then toss them aside! I warn you to repent of your wicked ways; for you do not know when I shall bring my hammer of judgement down on your wicked house! For, I have given you over nine years of grace! You are into your tenth year of your evil lies against my servant, Linda Newkirk; yet you still rise up to spew your lies, to mock Me and my true servant! If you do not repent and soon in a very big way, I shall lay my axe to your root! For, I am Creator! I, alone, am Creator; I, alone and Saviour, and I, alone have both the power to save a soul and the power to destroy a soul!

And, with this, My Little One, we shall stop for now, but will resume with this message later!

**Our Father's Message Continued …**

**Very Important Concepts…for My Bride!**

**Much-Needed Help for All!**

My Little One, I am your Father Yahweh, Most High God; and I come back to you today on this very same day, that we may resume in this work! For, I need to share herein some very important concepts as to what I expect for My Bride, but also, My Blessed Child, I will include herein some much-needed help for all, who so desire to be clean, but are unable to escape the terrible sufferings of their pasts! And, because they

 From The Mountain Prophecies Copyright 2010

cannot escape such terrible sufferings, they are daily all the more prisoners of them. My Little One, do you understand what I have given you up to this point and why?
My Lord, I believe that I do understand well what you have given; but for the sake of some, who may not understand, I wish to further clarify some points! My Lord, the fine arts building, where the movie was being shown, represents the traps of this world and how they are made to look, in many cases as pristine and as pure as the elaborate, white and clean building; yet the building was darkened inside and full of fantasy and flesh!

You have said it well, My Little One.

So, Father, because so much evil is painted to look good and is labeled as "fine arts," many, many are deluded and fall into these many lures and traps of the "fine arts."

You have seen it, My Little One; and the world is full of it!

### Come Away from the Worldly Traps!

So, Father, this message is yet another warning to your people to come away from such worldly traps! For, no one can enter into such and allow such into his or her heart, mind, spirit and soul, without paying a price! And, that price, Father, is even, as the darkened theater! Darkness enters into their minds, their hearts, their souls, spirits and bodies to tempt them, to push out Your Spirit, to dilute Your power and to cut them off from Your light, to consume them totally! For, once Your Spirit has fled from them, if they ever had Your Spirit, there remains in them a vacant hole and many demons then seek to fill such vacant holes!

### The Latter State is Worse than the First!

"Tis so, My Little One and the latter state of those, who once had My Spirit, but insulted it with evil, so that it fled, this latter state is by far worse than the former state, when they did not know me and did not have My Spirit. Therefore, the travails, which will come upon these are worse than the travails, which they would have had if they had never known Me!

But, Father, so many do things in ignorance! They are spiritual babes and the churches do not teach them; for the churches are overwhelmingly full of the world!

### Seek and you will find!

This is why I have told you to knock and it will be opened unto you, to seek and you will find! Yet, most do not want to trouble themselves by studying My word and by calling out to Me in deep prayer, even with their whole hearts! They would rather believe that I have given all to them on a silver platter and that they do not have to work for anything! But have I not told you that by your works I will judge you? However, the rancid churches will tell you that works are unimportant, that salvation is all about grace! But, I tell you that My grace is great and through My great grace, I brought you salvation; but I will judge you according to your works; for your very actions reveal who you are! Your very actions speak of your love and obedience towards Me and your love for others! Therefore, when your day of judgement is upon you, I will judge you according to your works, not what you profess out of your mouth! (Rev 2:23 I will give unto every one of you according to your works. Eccl 12:14 For God shall bring every work into judgement, with every secret thing, whether it be good or evil.)

### A Tree is Known by its Fruits!

For, even the demons know Me and profess Me! Satan knows Me and professes Me! Many know Me and profess Me, but by their works, their fruits, you will know who really loves Me and serves Me! For, a tree is known by its fruits. Therefore, your fruits will show whether your tree will stand and be gathered unto Me, or whether your tree will be hewn down and cast into the fire!

So, this false doctrine needs to be put to rest once and for all! I judge you by your works and through My love for you, I save you! Yet, if your works were evil, and the end was upon you, your very works would also judge you, even into the destructive flames of hell, or the Lake of Fire! Therefore, your works bear testimony of who you are, of who you love and who you serve! So, your very works judge you and I, at that

 From The Mountain Prophecies Copyright 2010

last day, will look upon your works, and I will say, “Come unto Me, My Faithful Steward; for I have prepared a place for you,” or I will say, “Be gone from me, you worker of Iniquity; for I never knew you!” Therefore, by your works, you are both known and judged!

### Use Your Spiritual Gifts, or Lose them!

For, to some I have given one talent and to some I have given ten talents. The one, who truly loves Me and who truly serves Me, will not hide his or her talents (their spiritual gifts), but will use them in some manner to help others! Therefore, if they will use them in some manner to help others, I will multiply both My spiritual gifts and power in them! But, if they hide My spiritual gifts, if they are ashamed of them and will not use them, I will remove My spiritual gifts, and even My Spirit from them and will give the little that they have to those, who will use My Spiritual gifts to help others! Therefore, to those, who have My spiritual gifts, and who use them, will be given even more spiritual gifts and manifestations of My power and Spirit! But, even so, so much greater is their price; for to whom much is given much is expected!

### As A Thief, I shall come for My First Harvest!

And, this is where we are right now, My Little One! We have come to the time of the first harvest, wherein I am busy separating My wheat from the tares! And, as such, I have made notice to My Bride that I shall come for her as a thief in the night! None shall know the time and there shall be no great manifestations in the sky or elsewhere; for at this first coming, I shall come as a thief! Therefore, none shall know the exact date, or the exact hour wherein I shall come as a thief! For, as a thief I shall come for My first harvest!

### A Message to the Bride!<br>One Last and Final Shout!

And, with this message, I am giving one last and final shout for My Bride; for the wise virgins, who wait for Me! For, some of you are holding onto things of the past! Some of you have not worked through the pain and suffering of your childhoods! Some of you have suffered traumas and severe emotional trials and you have not been healed

by My Spirit and power! Therefore, you have also not forgiven, neither have you forgiven yourselves, or the offending person, or persons! And, you carry within your spiritual makeup spiritual holes and hollow places of darkness! And, because of these hollow places of darkness, demons enter into you from time to time, to tempt you and to cause you to sin! Therefore, some, whom I would like to take, I cannot take; for you must make peace with your past, and because the pasts of many of you are full of much suffering and pain, you wish to block out your pasts! You wish to run from your pasts and to hide from your pasts and you will not go back into your pasts, either to remember your choices, to recall your great suffering, or to make amends in any way with those, whom you have hurt! So, you cover it up and seek to look clean on the outside and try to live clean lives. But, you are the whited sepulchers, who are full of dead men's bones and rotted flesh!

### Seek Me with Your Whole Heart; And, I will Heal Your Traumatic Past!

Therefore, I am bringing forth now a plan for each of you, wherein if you do as I tell you, and if you seek Me with your whole hearts, I will heal your traumatic past! I will heal your wounds of mind, spirit, heart and soul! I will make you clean, not just outwardly so, but inwardly so! But, you will have to do a very important work! And, you will have to desire to be clean and free with your whole heart! And, if you seek Me with your whole heart and you do as I say, I will heal your painful emotions. I will heal your painful memories and I will heal your brokenness; and for the first time in your whole life, you will know what it feels like to have Me take all of your burdens and make you whole!

### In No Way and at No Time Will I Marry A Whited Sepulcher!

Take heed to what I tell you now; for in no way and at no time will I marry a whited sepulcher! Now is your chance to grow spiritually and emotionally in a very great way and if you will seek Me with your whole heart, I will do for you, even as I now promise! For, what I now tell you, few preachers of prophets will ever tell you! What I now show you, few preachers or prophets will ever show you, even though some of these are very well aware of this deep spiritual work, which must be done in all, who wish to marry

Me, to be My Bride, to be My Sons, and to inherit eternal life, which is salvation! For if you will not do this inner work, which is extremely important, you will not find a resting place in the light, but will be cast back again until you learn this most important lesson!

My Little One, we shall stop for now so that you may take a short break!

### Our Father's Message Continued

### February 21, 2010

My Little One, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, I ask you now, have you well understood what I have given?

Father, for the sake of clarity, I do have a question. Father, the second document at the beginning of these messages, was labeled, "Hunger for Me," and there followed a scene, where I was a little child, and was very short, standing beneath a table and near a table leg. And, very large beings were eating a nice meal and I could smell their food and wanted to eat, but they told me that I must wait. Yet, then I sang to You, Lord, and You held Your arms wide to me and to all little children; for you love us so! Father, who are those great beings, who eat such a fine meal, but told me to be quiet and wait my turn?

My Little One, look there, high up, on the back of the chair.

I see it, Father! I see the words. "We are the Elohim, some of the watchers."

But, Father, why would You show me such a scene? For, I do not look to them to feed me?

No, not that you know of; but they do a very great work for those of you in the earth; and you are not aware of the nature of this great work!. However, the truth is that they do feed you, many of you in the Earth, but they do not feed you salvation and eternal life.

But, Father, I do not ask them to feed me in real life. So, how is this that I sit under their table and wait to be fed?

**The Elohim!**

**Much of what they feed you… is evil!**

All of you sit under their table and while you are not even aware of it, you still sit under their table! And, they have much to do with very much that goes on in the Earth; for I created them and put them over you! So, while you do not consciously go to them for food, you are nevertheless fed by them and much of what they feed you, and I mean all of you, when I say, "you" is evil! For, many of them do not wish to see salvation come to the humans; and out of jealousy and anger they set out to destroy you! No, you do not consciously go to their tables to eat; for most of you know nothing about them! But, they lure you, all of you, to their tables to eat and they make you eat what you do not want to eat and have no interest in eating!

Hear Me! For, I have said that they "lure" you all and they court you all with all manner of temptations, which smell good, taste good, but are destructive to your soul! For, many of them do not feed you what is good for you, but what is destructive for you! For, many of them are full of jealousy and envy towards you, so they continually plot your demises.

However, My Little One, when you were told to be quiet and to wait your turn, you did wait as a humble little child. And, you have waited as a humble, little child, amidst so many of your terrible trials, you have known, "Jesus loves me;" for you have cried out to Me and you have praised Me amidst your great suffering! And, I have reached out to you! I have fed you and I have comforted you! How blessed you are, My Little One; for you have waited upon Me and I shall soon reward you greatly! Now, My Little One, do you have more questions?

No, My Lord, not at this time; for I understand what You have given and I believe that most will understand as well!

 From The Mountain Prophecies Copyright 2010

Now, My Blessed Child, I want you to go back to the open case and retrieve the next document and the tab on the top of the document will show the title.

**There is Fire and There are sparks!**

Thank You, My Lord! Oh, Blessed Saviour, there is fire and there are sparks, which are coming from this document! I could use a welder's visor; for these sparks are many and also very bright!

My Little One, there is only one document and it is rather thick, so pull it out! I am placing some Son-glasses over your glasses and this will dampen the brightness of these sparks!

**My Life Diary!**

Oh, thank You, Oh Blessed Saviour. I have the document now in my hands and this document is still sparking! I know that Satan must hate what is in here! For, this one is full of Your power. My Lord, this document is like a small diary and I see that it is locked, but I see now that the key is fastened to the side of this diary; so I will remove the key, and with ease I am now able to place it into the lock, which is on the side of the diary! And, it surely must be a diary; for I see the name of this little book and it is called, "My Life!"

I turn the key once and nothing happens. Then, I turn it again and nothing happens, only the sound of a single click! Father, I believe that I am to try again, so I turn the key again and the cover of this little book flies open as if it is spring-loaded! Father, I do not know what to think about this little diary; for there are many pages, but it seems as if someone has taken a cookie cutter and has cut out the center of the diary! The center of each of these pages is missing, leaving a hole in the center of all of these pages! Father, what good is such a diary when the center is missing from each page? This book would be of no value to anyone, especially of no value to the one, who wrote it!

My Little One, do you know why I showed you such a diary?
Father, I think that I have some ideas, but, Father, I would rather hear what You have to say about the diary!

My Little One, the name of this diary is "My Life." These words, "My Life", could refer to any of you! In other words, this diary could belong to anyone!

And, Father, the fact that a good segment is missing, is most assuredly important.

**Holes in the Lives of Most Souls!**

**Big Holes in their hearts, in their Minds, in their souls and in their spirits!**

My Little One, this is the very sad state regarding the diaries of the lives of most people on this planet! Very few have a whole diary! Very few have whole lives; for trauma, trauma-based memories, anger, sadness, lost hope and dreams, abuse, neglect, unforgiveness and a myriad other things have left holes in the lives of most souls! Very few wish to go back into the hurt, the sorrow, the pain and into the terrible behaviors of their own past and to own the hurt and pain, and to thereby bring these things to Me for healing!

Instead, what most do is to cover up their great sufferings from past years with mountains of busy work, or with mountains of good work, or rather to escape into so may worldly things, lusts, drugs, pornography, etc. They sweep under the rug, or into hidden closets, so much of their pain in their dysfunctional lives, never dealing with these things!

And, when they bring their diaries to Me, this is what they look like! Big holes in their hearts, in their minds, in their souls and in their spirits! For, they have stored up within themselves, so very much trauma, so very much heartache, so very much anger, sorrow, fear, embarrassment and other kinds of negative emotions and thoughts; and they try to hide these things from themselves and from others!

 From The Mountain Prophecies Copyright 2010

Most do not know of these great holes in their lives, in their thinking and feeling, but I know; and these surely are crippled in their spiritual walks because they will not come to Me for healing in such painful areas of their lives.

My Little One, many of these are the whited sepulchers! They look good on the outside and they sound good; but on the inside they are a wreck! For, they carry so much pain, hurt, sorrow and forgiveness; and until they resolve all of these situations with Me, they will not be whole and clean before Me!

### Take Heed!
### This is an Urgent Hour... A Most Urgent Call to My Bride!

My Little One, this message is most important, an extremely important message for any and all, who seek salvation and eternal life! For, it you will not clean out your spiritual closets now; and if you die in this state, you will come again and again until you clean them out, or perish in the flames! Take heed! This is an urgent hour! Take heed to what I now tell you; for this is a most urgent call to My Bride! It is the Twelfth Hour and I could come at any time now! But, I delay for a few of you, who very much need to read this message and do as I tell you to do! For, some of you, I wish to take at this First Harvest; but you are as whited sepulchers, and I cannot and will not marry you! Therefore, this is a most important message to you; and you, who are wise, will listen! Hearken to me, and do as I say that I may cleanse you and make you whole!

My Little One, we shall stop for now so that you may take a little break.

### Our Father's Message Continued

### February 21, 2010

My Little One, I am Your Father Yahweh, yea Jehovah, Most High God! Now, My Blessed Child, we will resume with this most urgent message to My Bride! Do you understand well what I have given, My Little One?

Yes, Father, I believe that I do understand well what You have given, but I have a couple of questions; and I would like clarity regarding these things.
Say on…

My Lord, why was it necessary for me to turn the key three times in the lock?

### You May Fail to See Your Life as it Really is!

My Little One, this is the reason: It you look in the mirror at your reflection, what do you see?

Father, I see a hazy, distorted image. But, what does this have to do with the three turns of the key?

My Little One, if you go back to the mirror and look again at your image, what do you see?

My Lord, it looks like my reflection in the mirror, but when I turn sideways, I look very thin, almost like a slice of loaf bread, which is turned sideways. But, Father, what does this mean?

My Little One, look at your image in the mirror again. What do you see?

My Father, I look and I see an image of myself; and I perceive myself to look the way I do in real life! But, Father, why do You show me all of these things?

### If one will not Operate in the Realm of Truth, He, or She will not be Healed!

My Little One, this book is a diary and this diary could be anyone's diary! With the first look at one's self, or in the first attempt to truly look at one's self in truth and honesty, there may come no results! For, the spirits of denial may block ones entrance into his or her own book. And, not only will spirits of denial block ones entry into ones own diary, but an inability or the lack of a desire to see will also block ones entry!

 From The Mountain Prophecies Copyright 2010

In other words, many do not wish to look into their own lives and re-experience the pain and suffering so that they can be free! There is also, as I have said, often a tendency to refuse to own up to emotions, or behaviors, especially when they are negative or unacceptable!

For, instance, when one is not allowed to be angry as a child, one may grow up to deny the emotion of anger! If one is not allowed to be sad as a child, one may grow up to deny the emotion of sadness, but may instead hide behind a jovial front! So, it is very important to learn to claim one's true emotions and behaviors! If one will not operate in this realm of truth, he or she will not be healed!

So, not only must one claim his or her true emotions, but one must be truthful in his or her accounts regarding these past behaviors. Many get into the "blaming" game and wish to blame others for their past hurts and wrongs. If one is to be healed, one must be willing to forgive and to allow Me to come in and to heal all past hurts (emotions) and memories. So, this is why you needed to turn the key three times.

**You must persevere Until You are Healed!**

For, others to clearly view the past hurts and emotions, the past hurtful memories and other painful experiences, he or she must be willing to persevere! For, initial attempts to truly access such painful emotions or memories may be blocked by the mind, where the mind often seals away painful memories. Or the initial attempts may be blocked by hardness in the heart, where the heart has built up walls of anger, denial, sadness, fear, among other negative emotions, and has thereby become hardened! So, the hard-hearted will have trouble looking at their diary, and seeing clearly the truths of their own hurtful behaviors, as well as the truths of what other have done to them!

Therefore, I show you this now; for many will sit down to look at all of their hurts, sorrows and pain and all of their many hurtful behaviors, and some will come up blank, or almost blank. For, they have built such walls in their thoughts and in their hearts. Do you understand?

Yes, My Lord, I do understand. I know that so many trauma-based-memories are like this and many suffer greatly just to maintain.

My Little One, in some situations, these memories are so traumatic that they cannot and will not be opened by desire, alone, as was and is the case with Elena. And, this is one reason that I am raising up My Little Son of light, the manchild of Revelation Twelve! For, he will be able supernaturally to open such stored memories in many and to bring fire into them, My power and My light and fire, which will completely dissolve and heal such memories and their associated emotions.

### Emotional and Mental Scars Are Something Like Roadmaps!

But, as far as these diaries, most will not see that their memories are blank, and their emotions are blank. When they go back to review their diaries, most will remember well their greatest numbers of emotional traumas and mental traumas. Most will remember well who hurt them and also will remember well how they hurt others. They will also see well how they hurt others! They will also see well that they have not dealt with all of the hurt, the pain and suffering, which is associated with such things!

And, these I will readily help if they will honestly and truthfully address these many emotional and mental traumas, which they have buried! Yes, many ask Me to forgive them and I readily forgive them; but many emotionally and mentally charged situations and occurrences in people's lives leave deep imprints in their memories, in their hearts and in their souls; and it is these sorts of things, which must be healed before one can be free!

For, these emotional and mental scars are something like roadmaps and these roadmaps, once laid, tend to produce the same kinds of behaviors, and to prod one to repeat the same sorts of things over and over again! If this is not the case, it will nonetheless take a great deal of emotional, mental, and spiritual energy just to keep these traumas and these many unresolved conflicts and unforgiveness pushed down and kept out of sight and away from one's awareness!

 From The Mountain Prophecies Copyright 2010

**Many are Busy, Trying to Fill the Vast Holes in their Lives!**

For, what is hidden in this way can create a very large hole in one's life and this hole will wish to be filled with something! Therefore, many are busy trying to fill the vast holes in their lives with something! And, some do fill such holes with religion! You will see them in the churches, busy at one thing, or at another and seeming to do well, and also doing well, but most often fighting the void, which is in their lives! Others will fill such voids with excessive work, or excessive play, or excessive exercising, or excessive eating, or drinking of alcohol or taking drugs. Others will fill such voids with sexual addictions, sexual perversions, or other kinds of addictions! For, they feel hollow inside and wish to fill this void with something! Others will talk, talk, talk, and do little more! And, so it goes! For, many will do all sorts of things to fill the voids in their lives!

And, many are afraid to look into these voids, which for many began at an early time in their lives! Many do not want to look back! Many do not want to see, either what others did to them, or what they did to others!

But, there shall come no healing into them, into their hearts, into their memories, into their bodies, until they look back, examine their own lives in great detail and ask Me to come into all of their broken dreams, into all of their hurtful emotions and memories and ask Me to heal them!

And, if any and all are sincere in their pleas before Me, I will hear them; and I will not only show these all of their past hurts, sorrows and painful memories, I will heal them! I will forgive them! I will set them free; and make them new persons, from the inside out. This is what I will do for any and all, who so desire it and who seek Me with their whole hearts.

Oh, Father, I know that this is so and I pray that all will take note! For, You wish to do such a wonderful thing for so many!

And, with this, My Little One, we shall stop for today! For, you have done much and this is all that I require of you today. I am Your Father Yahweh, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 21st day of February, 2010,

## Our Father' Message Continued

## February 22, 2010

My Blessed Child, I am your Father Yahweh, Most High God! Blessed are you, My Little One; for you are spiritually hungry and you are back at the spiritual trough today; and even as you so come, I will feed you! My Little One, do you understand well what I have given, or do you have more questions?

Father, as is usually the case, I have a few more questions still about the Elohim. And, I am wondering now why I was told to wait my turn, that they must be fed first, and that I must therefore wait my turn. Father, what more will you give me about these Elohim, and also about this comment.

### Some of the Elohim want us to keep quiet about The Mysteries of the Light Kingdom!

My Little One, you have been told to wait your turn and you will wait your turn; for what is on their table, what they eat, you cannot now eat of! But, you have been making a clamor in their midst! You have made quite an uproar among them; for you have been busy in seeking Me for the light mysteries! Many of them are and have been irritated with you; for you long to go on high, into the Light Kingdom and receive your inheritance! Therefore, you and a few others have been very busy in praying for these mysteries of the Light Kingdom!

 From The Mountain Prophecies Copyright 2010

These, who sit above you, would have you to be quiet, to sit and wait your time! But, pay no attention to those remarks; for not only will you receive your inheritance in the light, but you will sit high above them, neither desiring to eat at their table, nor eating from their tables; for your table shall be high above theirs!

Yes, My Little one, you long to go on high and to inherit your place in the Light Kingdom and you shall, but some of these rulers, the Elohim, wish for you to be quiet, to be very quiet about My messages in Pistis Sophia. They wish for you to sit down and be quiet!

Yes, My Little One, you will wait your turn, and your turn is so very close now! So, be not puzzled about these things, but just know that they are all aware of your great yearnings to go on high and to receive these mysteries and seals of the Light Kingdom, your heavenly food, yet they wish to silence you! They do not want you to receive or to be fed, these great mysteries!

But, you are being fed by Me and I will give you great mysteries of the Light Kingdom, some of which you and My Little Son of Light are already receiving; for I know the true longings of your heart, and these longings are for Me! For, I know that I am your first love! I am your Treasure, and where your heart is, which is upon Me, there also is your treasure! For, I, and I, alone, am your Treasure! Blessed are you, My Little One; for indeed I shall give you the whole Light Kingdom!

Oh, thank you, oh Beautiful King!!! You are My Everything! Glory to Your Holy Name forever and ever! I love You so, oh Mighty King and so long to be in Your wonderful presence!

Are there more questions, My Little One?

No, My Lord, not at this time, not that I am aware of.

### A Plan for You to be Spiritually Clean!

### "Repent and Turn to God and do Work that is meet for Repentance." (Acts 26:20)

Very well, My Blessed Child, we will proceed; for I will now outline a plan, wherein, if those who love Me, wish to be spiritually clean, inside and out, and to be healed of all their brokenness, all of their sorrow, pain, sadness, anger, denial, embarrassment, self-loathing, hate, malice, contempt and other negative emotions, which are associated with traumatic events; and if they will come to Me with a sincere heart, a broken and contrite spirit and seek Me with their whole hearts I will not only heal them, but will also take all of their burdens! I will not only forgive them, but even as they seek Me to do so, I will forgive those, who hurt them!

Now, this is what I would have all to do, who truly want their spiritual and emotional houses to be cleaned out.

Firstly, My Little One, I would have them to get on bended knees before Me and to pray this prayer from their hearts. It is well to paraphrase this prayer and to put it into one's own words, but to pray this prayer to Me with a sincere heart and with a broken and contrite spirit!

### The First Prayer

### A Prayer to Seek our Saviour's Help in Exploring Your Life Diary!

Oh, Father, My Father in Heaven, Creator of both heaven and earth, I come to You as a child, Father; and I seek You as a child, for the brokenness in my heart is great! Father, You know how I have suffered in my past! You know all of My trials and You know that at times My pain and heartache has been great! Father, I have stuffed so much hurt away in my heart! I have tried not to think about so many painful things! I have made some terrible decisions, Father; and I know that I have not only caused great pain to myself by some of my many bad decisions, but I have also caused much pain and much heartache to others.

Father, I have not wanted to think about many of these painful events; for the burden of such things is so great in my heart and in my mind! But, Father, You know that the

 From The Mountain Prophecies Copyright 2010

memories of these traumatic events is not far below the surface of my mind! And, even though I wish to forget about so many of these very traumatic events and to go on with my life, I cannot forget them!

Father, I have truly wanted You to hear Me and to forgive Me regarding many of these painful behaviors and painful events, and I know that You forgive! But, Oh Blessed Saviour, my soul is heavy with so much pain and suffering! Father, I want to be free! With all of my heart, I really want to be free!

Father, take my hand and go with me into the diary of my own life! Give me very clear eyes so that I may recall with great clarity all of these hurtful and unresolved situations, which still exist in my heart, in my emotions, in my memories and in my thoughts. Father, please take my hand and walk with me into all of these hurtful and painful situations, and let me see and recall each painful situation very clearly.

Father, burn down the walls, which I have built within my own heart and within my own mind! Father, bind up and cast out all demons of denial and burn up and consume all denial, which is within me! Father, cause me to look upon my life, upon my own choices and behaviors, and upon the choices and behaviors of others with great clarity and pureness of sight and hearing, to recall in truth all things, which have so troubled me; for, Father, I do not wish to blame others any longer for my own bad choices. I do not wish to treat others unfairly because I will not forgive them, but hold grudges against them! I do not wish any longer to be a prisoner of my own past; but to be clean before you, knowing that You have forgiven me, oh Lord, that I have also forgiven myself and that I have also forgiven others!

Oh Blessed Saviour, please take my hand and hold tight to my hand and walk with me into the diary of my own life; for I truly wish to be free! Thank you, Father! Amen

### I Will Hear This Prayer!

Now, My Little One, I tell you now that for all, who pray this prayer and who pray it with a deep and sincere longing from their very hearts, even praying it with their whole hearts, I will hear this prayer! I will honor this prayer and I will indeed take the hand of

such a one, who prays this prayer and I will indeed cause such a one to see with great clarity and with great truth his or her past and to see it is truth and honesty!

### Make Three Distinct Lists!

Next, my Little One, after one prays this prayer, indeed, with his or her whole heart, there is much work to be done and this is what I would have each one to do! Make lists! Make three distinct lists and the first list is to be called: 1. What others have done to me! Then, make a second list and this second list is to be called: 2. What I have done to others! Then, make a third list and this third list is to be called: 3. What I have done to myself!

For, as one spends time with Me in going back into his or her life; and as one sees and reviews the painful and unresolved conflicts, indeed emotionally charged situations, such a one is then to make lists, indeed three lists, and on the three lists, one will list these painful memories and emotionally charged situations, indeed, as I have just told you, in three lists: 1. What others have done to me; 2…What I have done to others; 3…What I have done to myself.

I add also, my Little One, that for one to be the most successful at achieving the deepest and most lasting spiritual healings, one needs to spend some days alone with Me, without any interruptions whatsoever! In deep longing and with a singleness of purpose, one needs to spend this time of deep prayer and longing with Me, seeking Me and only making these lists! To make such lists, for some, can take days, or even weeks! For, it will take some time to go back and to remember these things and to make these accurate lists.

But this is what one is to do first of all! Spend the time to make the lists! Keep adding to these lists until no more painful memories and emotionally charged experiences are remembered! These lists are between Me and you, the one, who needs healing! I am not asking you to make a list of your deep personal concerns and to share these with others, unless you really desire to do so!

 From The Mountain Prophecies Copyright 2010

For, you will come next with the following prayer and with your whole heart, you will ask Me to take your hand again and to go with you into each painful situation, that I may burn out and totally heal your wounded memories and your wounded emotions, that I may also forgive you and others, as you must also forgive yourself.

### I Will Heal Those, Who Desire Healing, With Your Whole Hearts!

When such healing is done, there will come a great freedom in your mind, in your heart, in your soul and spirit! For, I will heal those of you, who so desire this healing with your whole hearts! And, if you do not at first experience this healing release after praying this second prayer regarding a given situation, come again and again in tears, weeping in your great sorrow also for your sins and hurts, and I will eventually heal you and clean away all of your emotional and mental traumas regarding these situations.
So, here follows the second prayer and you are to pray this prayer regarding each emotionally charged situation, which you have listed on your three lists. Pray this prayer with your whole heart as regards each "wrong" on your list! Do not hurry this, but be sincere and I will hear, as well, on your behalf, this second prayer.

### Second Prayer

### Prayer for Healing of painful Emotions and Memories

In Your Holy Name, Lord Jesus, I come to You; and I ask You to help me! Oh, Blessed Saviour, I travail over so much sorrow and so much pain in my life! Lord, You know the emotional trauma that I have suffered over this incident alone; and You know that I do not want to suffer this emotional pain regarding this situation any longer! Father, I plead with You from the bottom of my heart to take my hand and to come with me into these painful, mental, and emotional wounds and to heal me from the inside out!

Blessed Saviour, please bring Your love and Your light and your healing into this very painful emotional situation and heal me! Heal my painful memories and painful emotions and heal my body, my Lord; for such pain has surely affected my health! Purge and purify my painful memories and purge and purify my painful emotions, so that I will no longer suffer the terrible effects of this very experience.

Forgive me, oh Lord, where I bear wrong in this situation; and forgive this person (or persons), even as I so forgive each and every one, who is and has been a part of this very painful situation, including myself. Lord, do not hold this against me or anyone else any longer!

Lord, I really do want to be forever free of all such painful memories and emotions, which are associated with this traumatic event; and I do not want to remember it anymore in painful ways.

Lord, please heal me in every way regarding this situation and take all of my burdens regarding this painful event. For, I know that this very painful event has help to mold and shape my behaviors in ways that I may not even recognize. So, Father pluck out any and all roots of dysfunctional behaviors, which have arisen in me, because of this terrible event.

Help me, Oh Lord, to see clearly how I have hurt others because of my painful past, how I have shut out others and how I have made decisions, which were not good for me and for others.

Father, all of these terrible memories have served as my own prison and none could help me to be healed. But, Father, I put my faith and trust in You; for You are Most High! You are Creator! You came down here and took on a body and died for us, so that we might find our way into the Light, for this earth is do dark. You, and You, Alone, are Saviour. There is none other and none can save a soul but you; and Father, none can heal like you!

Lord Jesus, I know that you are extremely compassionate and that you forgive. I truly do want to be forgiven of all of my sins and I beg you to forgive me of all of my sins and to heal me completely of these past errors and very terrible memories! I know that you hear my cries and I know that you are mindful of me. Thank you, oh Blessed Saviour! I love you so! Amen

 From The Mountain Prophecies Copyright 2010

**Our Saviour Continues!**

Therefore, with these two prayers, and if you do your spiritual work of listing all wrongs, those of yourself and those of others, and if you pray with your whole hearts, and with great determination, I will clean out your painful memories! I will forgive you and heal you at all levels, making you free indeed. These prayers, I give for all, who will receive them and pray them in earnest! For, I will honor these prayers! I will receive these prayers when you pray them with your whole hearts and I will make you whole and free!

Remember! If you do not feel My healing power and My spiritual release within you at first, keep coming back to Me in prayer and keep praying the same prayer until you feel this spiritual breakthrough! For, if you are sincere and if you persevere, you will receive a spiritual breakthrough! For, I will heal you; but remember also that things, like doubt and a lackadaisical attitude can interfere in your healing, so beware of these things and keep coming back to me in prayer until you feel a spiritual breakthrough!

Also, remember that the walls, which you have built in your own heart, mind, spirit and soul, may not be broken down all at once, but by degrees! And, the demons and thoughts of denial may not be cast out and removed all at once, but by degrees! So, you will need to be determined and to persevere; and if you will be determined and persevere, I will surely heal you and I will surely set you free!

Furthermore, I wish to add that even after you have made such lists, and have spent much time in addressing all issues, which you have listed; other unresolved conflicts, memories and emotionally charged situations may still surface. And, when these surface, be quick to get on your knees and come to Me and pray in your own words again the second prayer! For, this process of uncovering can go on for years; but My gift to you, the determined, who persevere and pray with your whole hearts, will be realized early on in your determination to be free, if you are sincere and pray these prayers and do this work with your whole hearts.

Know, My Little Ones, that I am with you! I desire for you to be free! I also desire to save the greatest numbers of your souls and these prayers are but two tools that will greatly benefit each of you, who so longs to be saved!

Father, there will come those, who will make their lists, and who will pray these prayers, but they do not have Your Spirit. Father, they need Your Spirit, and they also need your baptisms. Father, what will you do for these?

My Little One, the following is the third prayer for those, who have been in such deep sin, that if they did have My Spirit, it fled; and if they never had My Spirit, they most certainly need it! Therefore, I give this prayer as a third prayer for all, who so need My Beautiful Spirit of love, grace, mercy, hope and great and wonderful spiritual gifts and manifestations of Me.

### Third Prayer

### The Prayer to Receive the Spirit of God

Jesus, oh Blessed Saviour, You know of the great holes in Me, which have been there for a very long time! Father, I do not want any holes in my heart or in My spiritual makeup anymore; for these holes are also places for demons to hide in. Oh, Blessed Saviour, please give me Your Spirit! Please fill up these great holes with your Wonderful Spirit of Love, Mercy, Grace and supernatural wonders! I am separated from any, who have the Spirit of God, and who would pray for Me, so that I may receive Your Spirit.

Father, I so deeply desire Your Spirit; for I do not wish to be like the heathen, who live in darkness and who are cut off from You! Father, hear my cries! I beg you to reach down and to impart Your Spirit to me; for I want to be counted among Your Children! Hear my cries, Oh Blessed Saviour!

Father, I also ask You to send Your great power into me and to drive every demon out of me, for I greatly want to be free! And, Father, help me to be mindful of wrong behaviors and to be mindful of behaviors, which will insult or drive out Your Spirit!

 From The Mountain Prophecies Copyright 2010

For, once You give me Your Spirit, I never want to be an empty house again! I never want to be cut off again! I never want to be counted among the heathen again!
I want to know you, Jesus! I want to know You in an even greater way; and if it would be Your will, I would like to serve You one day! I would like to help save souls, who are just like Me, lost and cut off!

Father, I know that without Your Spirit, I am cut off from You and if I do not find you and receive Your Spirit, at the last day, my soul will burn; for I will be counted among the rejects! Father, I do not want this! Have mercy on Me! Please bless me to have Your Spirit and help me to do what is right; for I so greatly treasure Your Spirit! Don't let me perish, Oh Lord! Give me your Holy Spirit; for I long to be counted among Your children. Thank you, Jesus! Thank you, Oh Blessed Saviour! Amen!

My Little One, for each one, who will pray this prayer, and who will pray it with their whole hearts, know one thing, that I will visit this one, and I will give to this one My Spirit in a supernatural way! For, I also realize that many will not know where to go to receive the Spirit of God! And, any can receive My Spirit through the laying on of hands, but many in the churches, who would pray for others to receive My Spirit, do not even have My Spirit!

So, in these end-times, I will do some extraordinary things to save souls! And, this one prayer I will also honor when one so seeks My Spirit with a whole heart. I will even visit this one, just as I have told you, and I will so impart My Spirit! This prayer will also benefit many in My house, who are called by My Name, for many, who claim to know Me do not know Me, but are as dead wood! So, this prayer is for many so-called Christians, who have never had My Spirit, or who have driven out My Spirit by doing things, which have offended My Spirit, and have not repented!

By giving this prayer, which I will indeed honor, when one prays it with his or her whole heart, I am indeed giving a very grand gift, and a very great tool for salvation! For, if one has My Spirit, this one is given special consideration, even if he, or she dies in sin, there is still hope for many! Hear Me in this! This is a very important prayer!

So, if you are not sure whether you have the Spirit of God, or not, pray this prayer and do not pray it just once, but day after day, with a whole heart, until you know that you have the love and light of My Spirit within you! For, if you have had My Spirit and if You have insulted it and have driven it away, you may have to pray with a greater determination and with a greater longing to receive it again; but if you are truly sorry for all of your sins and if you have worked well the previous steps in cleaning up your life diary, praying these three prayers, I will hear your pleas to receive My Spirit.

With these words, I will close this section! Take these teachings very, very seriously. Do this work and I will not only make you clean, but if you will thereafter walk in love, forgiveness and obedience towards Me, loving Me above all and loving and forgiving others, even your enemies, I will also save your soul and you will thereafter go on high and receive a mighty inheritance in the Kingdom of Light, which is joy and beauty beyond any and all things, which you could or would ever imagine!

Father, in closing, I have a couple of questions.

Say on…

Father, in the beginning of these visions, which relate to the life diary, I saw many sparks when I brought forth this diary. Father, why was that?

My Little One, this part, this work on ones life diary, is anointed with much of My power! These prayers are My prayers. These words are My words! This work, I am giving and I am honoring! Therefore, this work is anointed by Me and these sparks and fire are My sparks and fire! For, if any and all will seize upon this teaching, which I now give, and do as I so direct, I will hear their cries to Me! For, this work I now ordain! This work I empower through My power! For, through these prayers alone, and through this heartfelt work, I will truly clean up and save many if they will pursue Me with their whole hearts.

Oh, thank You, oh Blessed Saviour! How I delight in You! I love you so!!!!

Now, My Little One, you know why I allowed the enemy to attack you and to cause you to fall in the snow and ice, injuring your spine? This is your price for this work towards the salvation of souls, your price to receive this chapter, Sixty-Eight of Book Twelve, a very powerful work indeed! Many need to copy this chapter and to send it far and wide, to make copies for their families and friends, to make and leave anonymous copies in public places and to give them out in the streets.

Satan and certain of the Elohim are also very angry about My desire to give this chapter and wish to impede My work in the salvation of souls! The revelations in this chapter, in chapter Sixty-Eight of Book Twelve, are exceedingly important towards the salvation of many, many souls!

### The Impartation of the Fire Baptisms!

Father, before you go, I have but one last question; and Father, this is a very important question. Your word tells that we are to be baptized in water for the remission of sins; but Father, with this baptism, people face the same dilemma. Few know how to find a truly anointed servant of Yours, who is anointed by You, Lord, and empowered by You, so that they can be baptized for the remission of sins and thereafter receive Your Spirit through the laying on of hands! Therefore, Father, to receive such a baptism, for many, is impossible! Father, will You now freely impart Your fire baptisms? Father, I know about these fire baptisms! Will you now freely release such fire baptisms into Your people?

My Little One, I was tugging at your heart stings and I was waiting for you to ask Me if I would release such fire baptisms into the hearts of the true seekers; and My answer to you is “Yes!” I will now give such a prayer, so that when one seeks Me with his or her whole heart, I will supernaturally impart into him, or her, my fire baptism, according to his, or her readiness, to receive such baptisms and according to his, or her deep and sincere prayers for these fire baptisms!

For, these fire baptisms are, as you know, exceedingly wise fires, who will continually go into the soul and seek out and hunt out sin, which is stamped on the soul and will thusly burn out sin! These fire baptisms are different than water baptisms, but both

are for the remission of sins! However, the fire baptisms, once imparted, will work continually over and over again to seek out and to burn out sin, even as one so seeks to be forgiven of sin. This is how the fire baptisms work, yet these fires will also do much more! So, yes! I will now give such a prayer and I will honor this prayer, when one does pray it with a sincere heart and truly does desire, and deeply desires, such fire baptisms.

### Fourth Prayer

### The Prayer for the Fire Baptisms

Oh, Blessed Saviour, Jesus, Our Lord, and Only Saviour of Humanity, I know of these fire baptisms; for You now tell of them and I know that these are exceedingly wise fires, which will seek out and burn out every sin, which is stamped on my soul! My Lord, this fire baptism is a most amazing spiritual gift; and Father, with all of My heart, I long for this gift! Please, Father, hear My cries and impart to me this fire baptism, that I may be clean before You, Oh Lord, and that My soul may be purified and made exceedingly clean through these purifying fire baptisms! Thank You, oh Blessed Saviour! Blessed is Your Holy Name, Lord Jesus! Glory to You forever and ever; for You are mindful of a sinner like Me! Holy is Your Name forever and ever! Amen!

Some, who pray this prayer will receive this fire baptism right away, but some must persevere in faithfulness and determination before receiving this fire baptism. And, yes, the heat of these fire baptisms will be felt in ones body; for these are hot, heavenly fires, which will find sin in ones soul and burn out such sin, but you must also walk as humble, obedient, little children; for if you continue to consciously do things to insult this fire baptism, it will leave you and so much worse will be your plight!

Now, My Little One, do you know why I allowed the enemy to take a whack at you and to cause you to fall on the snow and ice? On your back, I would put you so that I would have your full attention! In this way, you would write this chapter! For, you would pay a price to bring these very important works to My people! If they will read and if they will take seriously these works, many will be made clean and may will be made whole and many will be saved!

For, I am your Saviour! I am Jesus! I am Yahweh, Most High God, and I am Creator; and besides Me, there is none other; and I give these teachings. I teach these words! Now, go in peace; for I have given all that I intend to give at this time.

**Blessed is our Mighty King forever and ever! Holy is His Beautiful Name!**

Few of you know that I wrote the last chapter after I had fallen in the snow and had injured my back. At the time, I really did not understand why our Saviour had allowed this to happen to me, but as I rested, waiting for our Saviour to heal my back, I asked Him why He is delaying! For, He had previously told me that soon after the work for the salvation of the children of Satanic lineage is completed, that He would finish these works.

Then, He gave me a vision and in this vision I was standing on a ledge with the little manchild. We were high up, as if we were standing on a ledge, which had been built on the side of a mountain. The little manchild was in my arms and it seemed as if we could fly away at any moment.

However, when I asked our Father what we were waiting for, He dropped me and the manchild down by a few feet and there before us were some white basins, which were covered with white tops. These basins actually resembled bathroom sinks, yet they were not open, but covered with white lids.

I went to these basins and lifted some of the lids to these basins and I saw that some appeared to be clean and others were partially clean, but others were full of dead, black crawfish, which smelled of a putrid smell. So, I closed the lids and our Saviour said, “This is what I am waiting for!”

My Dear Ones, His love for each of us is very great and because of His great love, He has given this chapter. Our Saviour wanted me on my back so that He would have my full attention and it was during this time that He began to show me many things, to speak with me, and to show me why others are not ready.

It was during the early days of this recovery that I had a conversation with a friend; and it was during this conversation that my friend told me that I was wrong in what I saw regarding our conversation. I simply told my friend to seek our Saviour and that our Saviour would show the truth. So, I went on about my business and the Lord said, "The next time that you speak with this friend, this is what you will be told: I cannot see what you are talking about." And, some hours passed and this dear friend called and said, "I cannot see what you are talking about."

So, this, my Dear Ones, began five days for this friend, wherein our Father would have this one to do as outlined herein, yet not totally with the same prayers, but in a very similar way. Our Father said that this work was to be done for five days and that on the sixth day, He would give something to my dear friend. True to His word, on the sixth day, our Saviour did visit this dear friend and imparted wonderful heavenly gifts.

So, my Dear Ones, take note! For, not only will our Saviour heal many of you of your painful pasts, but He will give you so much more!

As the days have passed, our Saviour has been steadily healing my back! He sent angels to minister to me; an on this day as I write these last words, my back is nearly completely healed.

As I have already written, and as our Saviour has told us, to whom much is given, much is expected. And, when He gives us an important work, we will most assuredly pay a very great price.

WAKE UP, OH YOU BRIDE AND TAKE NOTE! YOU WILL YET PAY A GREAT PRICE TO MARRY OUR MIGHTY KING. IT IS TIME TO GET OUT OF THE MAGICAL THINKING AND GO AFTER HIS PROMISES WITH YOUR WHOLE HEART. REALIZE THAT HE IS NOT COMING

THERE IS A LITERAL DEARTH OF THE LOVE OF GOD IN THIS EARTH! THERE ARE SO MANY, WHO ARE ABSOLUTELY SELF-CENTERED AND DO NOT CARE ABOUT OTHERS. TOO MANY ARE PRISONERS TO TOO MANY THINGS OF THIS WICKED WORLD. IT TRULY IS TIME TO DO A GREAT HOUSE CLEANING. WRITE ME AND TELL ME ABOUT WHAT OUR SAVIOUR DOES FOR YOU AS YOU GO ABOUT YOUR SERIOUS HOUSE CLEANING; AND I WILL PRINT YOUR RESPONSES.

I LOVE YOU WITH A BIG LOVE!

PS Soon, I will be writing and posting more of your wonderful testimonies about the beautiful blessings that you have received through our Saviour's anointings on the prayer cloths! Keep them coming, so that our Saviour might be magnified in this earth and so that the faith of the spiritually weak might be strengthened!

If you are looking for prayer cloths, I am about to send out a few hundred. After these, I must then fast again and pray over some more, but be patient with me; for there is only one of me. If finances permit this year, I hope to have a part time helper.

Perhaps, our Father will bring in the extra finances for this; and I will then be able to get some things done a little faster. Praises to His Holy Name; for He is so precious in every way!

# CHAPTER SIXTY-NINE

**"…and there shall be a time of trouble, such as never was since there was a nation…" Daniel 12:1**

**"For then shall be great tribulation, such as was not since the beginning of the world to this time, nor ever shall be." Matthew:24:21**

Greetings to you, my Precious Brothers and Sisters! I hope that all is well with you and that you are living for our Mighty King every day of your life, loving Him above all and keeping your hearts attuned to Him at all times!

Blessed and Holy God that we have! He is full of love, grace and mercy, but He also has very high expectations for His Bride. He is a God of great perfection and He expects righteousness of his people!

If you will not get clean before Him and stay clean, you will in no wise inherit the Kingdom of God! He will not be doling out His Kingdom like an entitlement check; for only those, who truly love Him above all, will be a part of such glory!!!!!

Pay attention to what I am showing you and telling you in this message; for even as you read from the title above, we have entered into a time of great travail all over the world. For, Satan and his many hoards have been cast down from the Upper Realms for over four years. The god of the wicked ones is in their midst; and he and his many hoards are busy wreaking havoc all over the earth. These wicked hoards are out to stamp out every last bit of light in this earth; and that means the light within you! They are out to harvest every soul for destruction; and if you have made a determination to live for our Mighty King of Kings, you are their target. For, it is absolutely true, moreso than ever, that those, who desire to do right and strive to live righteously are a continual prey!

**Satan and his many hoards are out to Destroy Your Soul!**

It is time to wake up, take note, and realize that Satan and his many hoards are working night and day to ensnare every one and to destroy forever anyone's chances of inheriting the Kingdom of our Saviour; and they will surely succeed in overcoming great numbers in this world.

For, most of you, the very ones, who say that you love our Saviour, fail to know your great enemy, the king of darkness, that old dragon, who has elevated himself over the whole earth! And, because you do not know your enemy and are unaware of his wily ways and great determination to destroy you, you will surely fall to his many sneak attacks. For, many of you sleep and slumber and you falter in your faith, you slumber in sin; but Satan has his eyes always on the people of the world and he is doggedly determined to harvest your soul into destruction.

Oh, how sad that so many underestimate him and his wicked hoards; for we have all been warned that we "wrestle not against flesh and blood, but against principalities, against powers, against rulers of the darkness of this world, against spiritual wickedness in high places." (Ephesians:6:11-12) What a great shame that so many of you, who say that you love our Mighty King, do not even realize the tenacity of your great enemy, Satan! And, so very sad and shocking is the very state of some of the churches, who teach that Satan does not even exist! Oh, what a wakeup call they will have in hell!!

### Get Serious About Your Spiritual Walk and Stay Serious!

This is serious message; for you need to get serious! This is a timely message; for the time of great trouble is upon the whole world. This is a most important message; for if you do not wake up to the wily ways of your enemy, you will surely be consumed by him. It is not a time to slumber and to be caught up in the world, but a time to be sober and to be very attentive to what is happening all around you, but most importantly, it is a time to withdraw from all of the traps of the world; for if you will not withdraw from them and come away from them, you will perish in them!

### Clean Your Spiritual House!

 From The Mountain Prophecies Copyright 2010

Firstly, I will speak to you of the great need for your continued spiritual house cleaning! It is a necessary component of our spiritual lives; for Satan comes as a thief, yes indeed a thief, a murderer, and sexual pervert of any and every kind. His hopes are to catch you off guard, to catch you in a relaxed and worldly state and to overpower you, to lead you into sin, and to thereby cause the Spirit of God to flee from you! For, he is surely out to kill, to steal and to destroy; and you, my Dear Ones, are his targets.

### Satan Deceives the Whole World!

When I say "you" that means everyone on this planet, even and especially me; for he never lets me out of his sight, his wicked ones always watching me. Therefore, I know him well and am in a position of great knowing about this wicked one; for the little manchild and I have continual dealings with him. Therefore, because I know well, I warn you!

Furthermore, we are well warned of him and his wicked ways through the holy scriptures when the Lord tells us that"…the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world." (Rev.12:9)

Regarding Satan, our Saviour also spoke these words to the rebellious Jews: "You are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it."

These words clearly tell that Satan deceives the whole world! There is no truth in Satan! Satan is a liar and the father of lies! Everything that he does in this wicked world is full of deception.

Satan has in his hands all of the major television networks, all of the major motion picture producers, the car manufacturers, the major corporations, the media all over the world, the kings and leaders of nations! He has a vice grip on the whole world; and he has most certainly infiltrated the churches and the prophetic community all over the world.

You, my Dear Ones, who sit in front of television and who sit and soak up movies, are but lap dogs for Satan, yet you think that you do not belong to him. Our Saviour has warned us to forsake the world and all of its lures and traps; yet people will not and do not want to come away from them, for they thrive on these addictions. If you die in his hands, you will share in his fate. Read on! Understand what I am telling you and be warned!

### A Lackadaisical Spiritual Life is Satan's Campground!

If you are relaxing and taking pride that so many terrible things are not happening to you, be alert and awake, for you may very well be in the hollow of Satan's palm. He is not going to do great and terrible things right now to trouble those, who already belong to him! Wake up, you hypocrites! "This people draw nigh unto me with their mouth," says Jesus, our Saviour, "and honoureth me with their lips; but their heart is far from me. But, in vain they do worship me, teaching for doctrines the commandments of men." (Matthew 15: 7-8) All hypocrites are liars, and they will have their place in the Lake of Fire!

Wake up, you, who love the things of the flesh. Wake up, you who love the world and what is in it; for you are coasting along oblivious to the fact that Satan has you right where he wants you; and he is not going to do much to rock your worlds; for he does not want you to repent, to come to our Saviour, and to make it into the light!

Wake up, oh you people; for the great sifting is at hand. Satan is sifting his own and our Saviour is sifting His own. Therefore, I warn you to continue to do your housecleaning, even as our Father so told you in Chapter Sixty-Eight of Book Twelve! I warn you to continually repent and to come clean before Him. For, our Father has said to me, "I will see what they do with these words," and He was speaking of His words in chapter 68!

I truly hope that you have well understood His directives and that you have taken very seriously His words in chapter 68 of Book Twelve; for our Saviour is coming for a Bride,

 From The Mountain Prophecies Copyright 2010

who is without “spot, or wrinkle, or any such thing, but that it should be holy and without blemish.” (Ephesians 5:27)

### Your Works Testify of you!

Be reminded, my Precious Brothers and Sisters, that you are, by the day, laying a groundwork according to you faith; and you are laying this groundwork through your very choices! Yes, indeed through your very actions, even through your very works; for, your works testify of you! Your works paint a true picture of you; for your works reflect what is in your heart! Your works show who you are; and it is through your works that you are known to our Saviour.

Remember His words in the Book of Revelation: “I know thy works, and charity, and service, and faith, and thy patience, and thy works; and the last to be more than the first. Notwithstanding, I have a few things against thee, because thou sufferest that woman Jezebel which calleth herself a prophetess, to commit fornication, and to eat things sacrificed unto idols. And, I gave her space to repent of her fornication; and she repented not. Behold, I will cast her into a bed, and them that commit adultery with her into great tribulation except they repent of their deeds. And, I will kill her children with death; and all the churches shall know that I am he which searcheth the reins of the hearts; and I will give unto every one of you according to your works.” Rev 2:20-23

### Make your Heart Clean!

Please take note of what our Saviour is saying here; for HE is telling us that He searches the reigns of the hearts. HE looks both within and without; for some will try to justify their so-called spiritual works before Him, when their hearts are full of all manner of sin. Many will come before Him and will say to Him, “Lord, Lord, open unto us; and He shall answer and say unto you, I know you not whence you are: then shall ye begin to say, we have eaten and drunk in thy presence and thou has taught in our streets. But he shall say, I tell you, I know you not whence you are; depart from me, all ye workers of iniquity. There shall be weeping and gnashing of teeth, when ye shall see Abraham, and Isaac, and Jacob, and all the prophets, in the kingdom of God, and you yourselves thrust out.” Luke 13:25-28

For, daily many go through the motions of serving our Lord and God, but for a fact their hearts are far from Him. Yes, indeed! He is coming and He is going to "thoroughly purge his floor, and gather his wheat into the garner; but he will burn all the chaff with unquenchable fire." Matthew 3:12

### Dead Spiritual Works

### Make Your Heart Clean!

So, I warn you, my Dear Ones, works for our Saviour, which are just mindless "busy" works, are indeed "dead" works! For, He "searcheth the reins of the hearts," and will give unto every one according to His or her true works, whether their works be evil or good. And, knowing that our Saviour is searching the reigns of all hearts, it is imperative that each of us spends a great deal of time in searching our own hearts, that our Mighty King might purge our hearts of all dross and make our hearts clean before Him!

May we remember our Saviour's words to Samuel: "But the Lord said unto Samuel, Look not on his countenance, or on the height of his stature; because I have refused him: for the Lord seeth not as a man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart." Samuel 1 16:7

### We Must Love our Lord with Our Whole Hearts!

And, let us remember the words of King Jehoshaphat to the people of Judah; for "He charged them saying, Thus shall ye do (in judging the people) in the fear of the Lord faithfully, and with a perfect heart. Note these two directives! For, these two components in our spiritual walk are exceedingly important! We shall: 1. fear of the Lord, our God; and we shall love him and serve Him 2. with a perfect heart!

My Dear Ones, this is how we must work out our salvation, remembering that we have all sinned and it is only through the love, the mercy, the forgiveness and the grace of our Mighty God that any of us makes it into His presence. Therefore, we must come

 From The Mountain Prophecies Copyright 2010

humbly before Him as little children, with clean hearts, loving Him above all. Then, He will hear our cries and HE will move mountains for us!

May we all remember our Saviour's directives to us in the wilderness: "But, if from thence thou shalt seek the Lord thy God, thou shalt find him, if thou seek him with all thy heart and with all thy soul. When thou art in tribulation, and all these things are come upon thee, even in the latter days, if thou turn to the Lord thy God, and shalt be obedient unto his voice; For the Lord thy God is a merciful God; he will not forsake the covenant of thy fathers, which he sware unto them." Deuteronomy 4:30-31

**Things, which Defile One's heart!**

My Dear Ones, the key here is to seek the Lord our God with our whole hearts, but the great problem in this world with the great numbers, who seek Him, is that they do not and cannot seek Him with their whole hearts. "For, out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness and blasphemies. These are the things, which defile a man." Matthew 15:19-20

True to human nature, too many discount the great lusts, which come from their hearts. They forget the coveteous nature of their own hearts and they forget the fornications and adulteries, among other things, which they have committed in their hearts; and they maintain that they have not sinned as they have not actually committed such gross acts, but I warn you that thoughts are things and to commit such thoughts in your heart is a sin. The words of our Saviour are all too clear: "Ye have heard that it was said by them of old time, Thou shalt not commit adultery: But, I say unto you, that whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart."

Also, may we remember the words of James, "But every man is tempted when he is drawn away of his own lust and enticed. Then when lust hath conceived, it bringeth forth sin: and when it is finished, bringeth forth death."

### Unrepentant Sin Causes the Spirit of God to Flee; Then, comes a Blind Heart!

My Dear Ones, terrible things are conceived in ones' heart. This is where temptation begins and this temptation begins to draw one forward to accomplish the goals of that very spirit of temptation. The very sin begins with the temptation and if not checked and repented of quickly, this very temptation proceeds until one immerses himself or herself in such sin!

Thereafter, comes spiritual blindness, and this blindness begins to develop almost immediately after the incubation of such sin "…walk not as the gentiles walk in the vanity of their mind, having the understanding darkened, being alienated from the life of God through the ignorance that is in them, because of the blindness of their heart."

Because of sin, they have been cut off from the Spirit of God because, "… He hath blinded their eyes, and hardened their heart; that they should not see with their eyes, nor understand with their heart, and be converted, and I should heal them." John 12:40

My Dear Ones, you may wonder why I am going to such lengths to warn you about what is in your heart! But, I warn you; for most people do not have a clue as to what is in their hearts, or whether their hearts are clean or unclean! For, so many people are deep in sin and have been so long in sin that they are blinded by their very own sin. And, too many convince themselves that all is well with them; for they do not want to take the time to seek our Lord in deep prayer, asking Him to reveal what is in their hearts, so that they can repent and be made clean by the love and forgiveness of our Saviour. And, also others cannot see what is within themselves; for such sin is covered with many layers of denial and demonic presences; and they cannot see what is holding them back. (Lord, have mercy on Your people! Help them, Father! Show them the errors of their ways!)

### Why Many Cannot Seek the Lord, our God with Their Whole Hearts!

My Dear Ones, such hardness in ones heart and such blindness to one's own sins and shortcomings begins with sin; and as unrepentant sin piles up in one's heart, it cuts off the light of God, chasing out the Spirit of God, thereby bringing about even greater

 From The Mountain Prophecies Copyright 2010

blindness and hardness of heart over time. Therefore, it is impossible for many to seek the Lord with their whole hearts and with all of their strength; for their hearts are darkened and filled with all manner of sin, making it impossible to even pray sincerely from the heart.

I repeat: It is impossible for many to seek our Saviour with their whole hearts; for their hearts are full of all manner of sins! All such sins take up space in their hearts and when they try to pray from their hearts, it is impossible for many. So, they pray from their minds and their mind prayers fall to the ground.

True repentance must begin with a great sorrow for one's sins, with a deep sorrow and it is this great sorrow for one's sins that begins to break the ice in one's heart.

My Dear Ones, weep for your sins! Weep and wail; and then our Saviour will hear your cries of repentance! May we remember the words of the prophet, King David: "The sacrifices of God are a broken spirit: a broken and a contrite heart." When you come to our Saviour with a broken spirit and a contrite heart, He will hear your cries and He will have mercy on you!

Remember our Saviour's mercy, even upon King Ahab, who had done great wickedness before the Lord, putting up idols and causing the people to greatly err spiritually. "And, it came to pass, when Ahab heard those words (of the Lord's judgement against him) that he rent his clothes, and put sackcloth upon his flesh, and fasted, and lay in sackcloth, and went softly. And, the word of the Lord came to Elijah the Tishbite saying, Seest thou how Ahab humbleth himself before me, I will not bring evil in his days: but in his son's days will I bring evil upon his house."

Oh, merciful God that we have! He hears the cries of those, who humble themselves before Him and who come in great sorrow for their sins! For, he is a God of great love and mercy! He forgives sin, even those, who have so greatly sinned! Our Saviour forgives! Blessed and Holy is His Name!

### You May need the Laying on of Hands; For, the Anointing Breaks the Yokes!

Many of you will need for an anointed servant of the Most High to lay hands on you and to pray for your deliverance from many demons, who are also bound to you because of your sins! You will need the anointings to break such yokes from you!
For this reason, I so regularly pray for our Saviour to bring forth His Kingdom with His great kingdom power; for so many captives desperately need to be set free; and so few in this earth walk the Strait and Narrow, thereby assuring them the power from our Saviour, which is needed to set free the captives! (Father, bless me and your precious Little Son, the Manchild of Revelation Twelve, to be able to help more of Your people! Father, have mercy on these precious souls, who are captive and so want to be free!)

### The Only Way To Salvation!

My Dear Ones, I really hope that you take seriously all that I tell you herein; for I will tell you much, which will help you and will also give you much insight if you will listen and study this message. Therefore, I ask you to make a printed copy of this message and to sit and read it carefully so that you can retain what you read and can even sit and read it again and again. For, you really need to understand the consequences of sin, and to understand that if you continue on in sin and continue to reject the Strait and Narrow, you will be eventually cut off from the presence of the Mighty King! And, at some point in the future, if you continue to be cut off from our Saviour, your soul will perish in the flames of destruction.

### Our Mighty Saviour !!!

There is absolutely no other way through which your soul can be saved from destruction except through the sacrifice and the saving grace and forgiveness of our Mighty Saviour. It is clear that He is Saviour and He alone is Saviour and beside Him, there is no Saviour. These are His words in Isaiah: “I am the Lord and there is none else. There is no God beside me: I girded thee, though thou has not known me. That they may know from the rising of the sun and from the west, that there is none beside me, I am the Lord, and there is none else. I form the light, and create darkness: I make peace and create evil. I the Lord do all these things.”Isaiah 45:5-7

 From The Mountain Prophecies Copyright 2010

BLESSED AND HOLY KING OF KINGS AND LORD OF LORDS! He is full of grace and mercy! Glory to His Holy Name forever and ever!

So, if you refuse Him and if you refuse to get clean and to stay clean, you will not make it into His presence. For, if you are full of unrepentant sin, you will not be allowed into the Light. Read on and understand our Saviour' words regarding the worthiness of those, who will go into the Light!

### Who Will Stand in the All-Consuming Fires with our Saviour?

These are our Saviour's words regarding those, who will be able to stand in His all-consuming fires! "Who among us shall dwell with the devouring fire? Who among us shall dwell with everlasting burnings? He that walketh righteously and speaketh uprightly; he that despiseth the gain of oppressions, that shaketh his hands from holding bribes, that stoppeth his ears from hearing of blood, and shutteth his eyes from seeing evil." Isaiah 33:14-15

My Dear Ones, who will dwell in the all-consuming fire of our Saviour?

1. He, who walks righteously and speaks uprightly;
2. He, who despises the gain of oppressions;
3. He, who refuses bribes;
4. He, who stops his ears from hearing of the shedding of blood;
5. He, who shuts his eyes from seeing evil.

My Dear Ones, pay very careful attention to these few sentences; and understand what our Saviour is saying here! Be circumspect about your life and remember our Saviour's command to come out of the world and to find that Strait and Narrow! For, there is no other way into eternal life!

### Television and Movies!

### Satan's Great Mind Control Agenda!

Hear me when I stress to you that if you regularly watch television and movies, YOU ARE MOST LIKELY IN VERY GREAT TROUBLE WITH OUR LORD! Yes, some tell me that they watch only the Discovery Channel or such things, but I warn you again that our Saviour has said to come away from television and movies; for there is much subliminal

mind control, which is coming over the airwaves, that you, as the viewer, are absolutely unaware of. And, with the new digital TVs, all watchers are becoming evermore the slaves. Therefore, I WARN YOU TV ADDICTS AND MOVIE ADDICTS, THAT BY THE DAY YOU ARE RISKING YOUR ETERNAL SALVATION!

DO NOT TAKE LIGHTLY WHAT I TELL YOU; FOR ALL, WHO LOOK UPON EVIL AND LISTEN TO AND WATCH THE SHEDDING OF BLOOD AND DO NOT REPENT AND COME AWAY FROM IT, WILL NOT ENTER INTO THE LIGHT WITH OUR SAVIOUR! GO AND READ OUR SAVIOUR'S WORDS AGAIN, AS LISTED ABOVE!

TELEVISION AND MOVIES ARE FULL OF BLOODY VIOLENCE, FULL OF EVIL, AND FULL OF SEX AND SEXUAL PERVERSION! YOU WILL NOT ENTER INTO THE HOLY PRESENCE OF OUR SAVIOUR AS LONG AS YOU WILLFULLY ALLOW SUCH EVIL TO FILL UP YOUR MIND AND TO FILL UP YOUR HEART.

### Our Saviour Has Warned us to Come away from the worldly traps!

Our Saviour has given us His words about the way into eternal life, yet most do not understand His words. "Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat. Because strait is the gate, and narrow is the way, which leadeth unto life, few there be that find it."

HE has warned us that few find this way into eternal life; and the great reason that few find this way is that few really want to give up the love of the world and what is in it. And, because so many love the world and what is in it, they are cut off from the Spirit of God! Therefore, because of their love for the worldly things, they cannot simultaneously love the Lord our God with all of their hearts, minds, souls and strength, which is the first greatest commandment. "For, no servant can serve two masters: for either he will hate the one, and love the other, or else he will hold to the one, and despise the other. You cannot serve God and mammon!"(Luke 16:13)

Most want to mix the things of the world with their spiritual walks and as a result there are great, great numbers, who are lukewarm in their spiritual walks! You must surely

 From The Mountain Prophecies Copyright 2010

know what our Saviour says about those, who are lukewarm in their spiritual walks: "I know thy works, that thou are neither cold nor hot: I would thou wert cold or hot. So then because thou are LUKEWARM, and neither cold nor hot, I will spue thee out of my mouth." (Oh, Lord, our Mighty King; have mercy on Your people! For, they are stalked from every side! Have mercy on their souls, oh Blessed Saviour; for the time of great travail is upon us all!)

My Dear Ones, the word is clear! The way into salvation is a strait and narrow way! There is no other way! If you pollute your soul with things of this world, you will become lukewarm in your spiritual walks, or will become totally cut off from the Spirit of God! YOU CANNOT LOVE THE WORLD AND WHAT IS IN IT AND EXPECT SALVATION. YOU WILL NOT ACHIEVE IT. YOU WILL NOT MARRY OUR SAVIOUR! YOU WILL NOT BECOME ONE OF HIS SONS! YOU WILL NOT RECEIVE ANY INHERITANCE IN THE KINGDOM OF GOD! FEW, FEW, FEW, FEW WANT TO GIVE UP THE WORLD! WHAT DO YOU WANT??? YOUR ACTIONS SPEAK LOUDLY! THEY TELL WHAT IS IN YOUR HEART!!

Hear me, oh you people! The Way is narrow! The gate is strait and few find it! Come away from the worldly traps, oh you people! Weep for your sins and repent of your sins! Seek the Lord, our God with your whole hearts! Love Him above all! For, the Way is narrow and the gate is strait!

### So Many Souls Headed For The Fiery Chastisements!

THE LORD SPOKE THROUGH THE PROPHET DAVID TERRELL AND SAID THAT THERE ARE NOW SEVEN TIMES MORE WICKED DEMONS IN AMERICA THAN IN SODOM AND GOMORRAH AND THAT AMERICA IS SEVEN TIMES MORE WICKED THAN SODOM AND GOMORRAH! AND, SO IT GOES WITH THE WHOLE WORLD!!!

OH, YOU LOST ONES, YOU DO NOT EVEN KNOW THAT BY THE DAY YOU ARE BEING PROGRAMMED TO TAKE THE "MARK"! YOU ARE BEING PROGRAMMED THROUGH THE VERY ELECTRONIC MEDIA TO WHICH YOU SO WILLINGLY SUBMIT!

COME OUT OF THE WORLD, OH YOU PEOPLE. FORSAKE TELEVISION! FORSAKE MOVIES! FORSAKE PORN! FORSAKE HORRIBLE AND DESTRUCTIVE VIDEOGAMES! FORSAKE THE

EVILS OF THIS WORLD! REPENT BEFORE OUR SAVIOUR! COME AWAY FROM THIS EVIL AND RECEIVE THE LOVING FORGIVENESS OF OUR SAVIOUR; FOR IF YOU CONTINUE ON IN YOUR DESTRUCTIVE CHOICES AND WILL NOT REPENT AND COME TO HIM WITH A BROKEN HEART AND A CONTRITE SPIRIT, YOUR SOUL WILL ULTIMATELY BE DESTOYED.

(Oh, Blessed and Holy King, have mercy on these precious people! So many do not understand; for they are cut off from Your Spirit! Have mercy, Father; and save them!)

My Dear Ones, all of these things I tell you because I love you and care about you! I really want to see the salvation of the greatest numbers of souls, even as our Saviour promised me that I would. I know Satan well, and sadly you do not! Most of you do not understand that the fiery chastisements are real and you do not understand that the ultimate consequence of unrepentant sin is the destruction of your soul! Oh, hear my cries to you, oh you people. Repent of your sins! Come away from the traps of the world; for you are being programmed to take the mark of the beast!

**The Precious Son of our Saviour**

**The Manchild of Revelation Twelve,**

**The Holy Heritage of the Sons of God!**

I so love to speak about the Precious and Holy Son of our Mighty King! I so love to think on him and to praise him; for He is so beautiful, so full of love and so faithful! He is so holy and so precious! He is so pure and and is lovely in every way. He is my precious and holy friend from Heaven; and he, being the Son of the King of Kings, is also Saviour! He will surely save many through the power of the Mighty King of Kings. He is the heritage of those, who find and choose the Strait and Narrow! Oh, how awesome he is and how wondrous is his work!

In no way, could I ever describe my great love for Him; for by the minute He saves me. He works so hard, never resting, neither by the day, nor by the night. He is always alert and awake and always fighting the evil ones, who would have killed us and destroyed

 From The Mountain Prophecies Copyright 2010

us both years ago if our Mighty Saviour, our Awesome Redeemer, had not kept us both.

I have been so amazed in the varied and awesome ways in which our Saviour has grown his precious son, who is in me. For, when He gave his son to me he was a puddle of liquid light in me, which was about the size of a hen egg, but over these past four years (for, he is now four years old), he has grown so very much and his great work is so awesome and reaches far outside of me.

He is so delightful; for he has told me that he can see many of you all around the world and is able to touch your hearts and minds. He is too precious for words and I am, by the day, so in awe of him and so in awe of what our Mighty King of Kings is doing in and through him.

Throughout these four years, Satan and his many hoards have worked twenty four hours a day, seven days a week to destroy us, to steal him, to kill me, or to stop these works in some way. Satan has barraged us with a never ending series of wicked schemes; and through it all, we have most assuredly suffered greatly. For, I, being but a little person before our Mighty King, and powerless to do anything, but pray, have often had to suffer in silence, sometimes in great pain, as our Saviour has brought the manchild forward in more power and strength.

For, when he was given to me, this precious, little son of the King was so pure and holy, having just come from heaven; and he did not know evil! He has had to learn evil and to know it through and through and to grow under the feet of evil, but he is so pure and holy! Even the angels of Heaven come in and bow down to him! This is so humbling and so frightening, a constant reminder of the great magnitude of these awesome works!

Never in the history of the whole world and never in the history of all of creation has there ever been another manchild; and never will there be again. He is the very first and as far as I know, he is also the last. But, there will come many, who will have the manchild in them; for he is the heritage of the Bride of Christ. He is the heritage of the

Sons of God! And, as such, he will rule the earth during the millennium through the Sons of God! And, he will rule with a rod of iron; for I can tell you one thing: he and I both hate evil and we, for a fact, hate everything that these workers of great darkness stand for!

And, when I say, "workers of evil," I am not referring to the lost, as some of you may think! I am referring to those in Satan's camp, who thrive on evil and who take great joy in committing evil, whose goals are the complete destruction of all light on this planet! Oh, that some of them repent and come out of such great evil; for they have sold their souls to Satan and his many hoards; and their souls shall surely be required of them!

The little Son of the King and I know them well and we have greatly suffered in their hands. In January of 2009, I heard the precious manchild weeping; for he so wanted to go home; and his cries caused such pain in my heart and in my soul that I never wanted to hear him cry again. For, even now to think of his precious cries, I am once again brought to tears; for he is so precious and holy. But, he is also full of joy and I so love to hear him laugh.

Recently, a man from California called for prayer! He had three addictions, though he only asked for deliverance from one addiction! Also, this man did not tell of three addictions, but only of one, but the precious manchild saw the three addiction "cores" and he reached out over the phone and opened up the addiction "cores" in this man's body! Then, he took away these demons of addiction and put them into the pits of hell. On grabbing one of these very dark spirits, which had the exact shape of this man, the little Son of the King was laughing; for he was so happy! He was happy to help this man and he was also very happy to grab hold of this certain demon; for he said that he had not grabbed hold of one like this one before!

On that day, that man was delivered from three different addictions when the precious little son of the king grabbed hold of all of these demons, put them into hell and freed this man! And, yes, this man was immediately freed of all the desires, which are associated with these addictions and he no longer desired these things!

 From The Mountain Prophecies Copyright 2010

Glory to our Mighty Saviour, King of Kings and Lord of Lords! Precious is our Holy Saviour and precious is His holy and precious little son!

Lately, as well, four different persons have called me for prayer; for the wicked ones had forged many foreign substances into their bodies and they were each in various kinds of pain. For, these foreign substances, once implanted in one's body, can certainly cause great pain; and this is but one reason that the little manchild is being prepared to help so many! For, these wicked ones are on a rampage with implanting all manner of foreign substances into the bodies of many people; and the manchild, being fire, is able to dissolve such thing and to remove them from within one's body!

As these four called me, one by one, I would pray to our Saviour and seek Him, and also asked the holy little Son of the King if he would go into their bodies and remove the large amount of foreign substances! In all cases, while they were on the other end of the phone, he went to work to help rid their bodies of these foreign substances and I know that he was so happy to help them. As he was working in them, I could often see the progress of the little manchild as he worked in them; and I would ask them from time to time how the pain was. When these substances were removed, their many pains disappeared. Glory to our Mighty Saviour forever! Praises to His Holy Name; for He is doing a great and marvelous thing through His precious little son!

My Dear Ones, the little Son of our Saviour is not in any way human; for he is fire! He is a great fire and he rotates and spins. He is being prepared to go into those, who will become as the stars of heaven and as such they will be like the sun, which shines in our very own sky, but some will shine, by far, much greater than our own sun. They will look exactly like giant stars and they will spin. This precious Son of our Mighty King spins in and around me. He is always spinning and when I lie down at night or even lie down to rest, I feel much like I am out on a boat on the ocean. And, when he is working very hard, this ocean can feel like a choppy sea. For this reason, I must rest often; for his work requires it.

Oh, what joy to be a part of such a grand work. I am so exceedingly blessed and each of you, who has chosen that Strait and Narrow, who chooses holiness, has such a grand heritage, one so great that you cannot possibly imagine. This is why I plead with you, my Dear Ones! This is why our Father pleads with you; for He so desires for you to become His Sons.

Will you forsake such a heritage for a momentary pleasure of the flesh? Oh, Precious Brothers and Sisters, all that is of this world is fleeting and utterly destructive; and one day our Saviour will totally burn this earth. Do not fasten your hearts to this world and what is in it; for you do not know the hour of your own death; and life without our Saviour is a wasted life!

Sadly, so many cling to what is only a temporal pleasure and do not know of eternal life. Others know of eternal life and believe that they still have much time to clean up their spiritual houses! I used to be one of those, who was so lost in the world. I know what it is like to be lost! Therefore, I am not here to judge you, but to warn you. For, I know our Mighty King and I so want you to know Him and to be free of the bondages of Satan. I also know His precious Son, the manchild of Revelation Twelve, who is so holy and so beautiful in every way; and I want you to receive him as your precious heritage in the Kingdom of our Mighty God.

Is our Saviour the love of your life? Is He your first love? If you answer is truly yes and you remain clean before Him, you, my Dear Ones, will inherit this holy son of our Saviour. He will come to live in you! You will be full of his great fire; and in due season, you will spin and shine as the stars in heaven! Oh, what a heritage for the faithful! Is anything more important than the work of our Mighty King and His promises for the faithful!

Will you make yourself ready for that awesome moment in Heaven when you will marry our Mighty King? The days are slipping away quickly and the time of great trouble is upon the whole earth!

 From The Mountain Prophecies Copyright 2010

All, whose names are not in the Book of Life, will take the mark of the beast. They will fall down and worship Satan, who will soon enter into the antichrist; and their souls will be destroyed for this choice.

Will you choose to die for love of our Saviour? Or, will you bend to Satan's directives, take his computer chip, and fall down and worship him just to eat, to have money, to shop and to live? If you do so, your soul will perish. Do not, any under any circumstances, take the mark of the beast, even if it means that the wicked ones kill you.

For, through this great test, many will be harvested into the light, but many will be harvested into eternal damnation. A very great sorting of souls is at hand. Therefore, I warn you to get prepared for these most horrific of times when Satan will enter into the body of the antichrist and declare himself God; and through this computer chip, he will cause great numbers to fall down and to worship him, just so that they can buy and sell.

When anyone takes this mark, he or she will do what Esau did! Such a one will sell his, or her own soul for food, or money, or possessions; and in so doing will lose his, or her very soul! They will have no place in Heaven; for they have traded their birthright!
If you do not remember anything else from this message, remember these words. DO NOT, UNDER ANY CIRCUMSTANCES, TAKE THE COMPUTER CHIP IN YOUR RIGHT HAND OR IN YOUR FOREHEAD, JUST SO THAT YOU CAN BUY AND SELL. FOR, IF YOU DO, YOU WILL FALL DOWN AND WORSHIP SATAN, WHO WILL TAKE OVER THE BODY OF THE ANTICHRIST.

YOU WILL THEN BECOME HIS CHILD AND YOU WILL BE FOREVER CUT OFF FROM THE SPIRIT OF GOD AND FROM SALVATION. FOR, YOUR SOUL WILL BE DESTROYED! Hear what our Saviour is saying in the Book of Revelation, ch 14: 9-11: "…if any man worship the beast, and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: and the smoke of

their torment ascendeth up forever and ever: and they have no rest day nor night, who worship the beast and his image, and whosever receiveth the mark of his name."

HEAR ME IN THIS! THIS WARNING IS EXCEEDINGLY IMPORTANT. FOR, TRULY GREAT NUMBERS WILL TAKE THIS MARK, THIS COMPUTER CHIP IN THEIR FOREHEADS, OR IN THEIR RIGHT HANDS; AND GREAT NUMBERS WILL FALL DOWN AND WORSHIP SATAN; FOR THEY LOVE THIS WORLD AND WHAT IS IN IT AND THEY WILL NOT REPENT!

THE DECISION TO TAKE THIS MARK WILL SEAL THE FATES OF MANY, MANY SOULS, JUST AS THE MARRIAGE TO OUR SAVIOUR WILL ALSO SEAL THE FATES OF THOSE, WHO TRULY LOVE OUR MIGHTY KING AND THEREBY MARRY HIM. THEIR FATE IS THEREBY SEALED. AND, SO IT IS WITH THOSE, WHO TAKE THE MARK! THEY "MARRY" SATAN AND THEY WILL BURN IN THE FLAMES WITH HIM. THIS IS THEIR FATE!

A TIME OF GREAT SEPARATING IS AT HAND! THE WHEAT ON ONE SIDE AND THE CHAFF (ALL TO BE BURNED UP) ON THE OTHER.

OH, WEEP, OH YOU PEOPLE! HOWL FOR YOUR SINS! REPENT, THAT OUR SAVIOUR MIGHT HAVE MERCY ON YOU! FOR, HE WISHES TO SAVE YOU!

## Our Journey

### The Journey of the Manchild and I beneath the Feet of Satan and His Many Hoards!

My Dear Ones, I wish to describe a bit some of the tests and trials of the manchild and myself; for some of you are already suffering through the vast amounts of foreign substances, which are in your bodies. This war is intensifying and all, who choose righteousness, are the preys of these evil ones!

My Dear Ones, I stopped telling you of much of our suffering; for so many of you did not believe! Others of you mocked and scorned! Some of you fled and so it went; but I will tell you some of these things so that you can know more of your enemy; for the heads of so many are on Satan's chopping blocks.

 From The Mountain Prophecies Copyright 2010

### Why You need to Know what You Face!

Sadly many, who believe that they are going to be raptured out and not have to suffer, are going to be thrown headlong into the Great Tribulation; for they are full of wishful thinking and have not done the deep spiritual work before our Lord to make sure that their spiritual houses are clean.

So, when many of these in the churches are left behind to face Satan and to live through the Great Tribulation, many of them will lose faith and turn away from our Mighty King! For, Satan's means of torture are varied and severe, his mind control extremely advanced, and his many servants hideous, deceptive and full of evil! Therefore, many, many will fall to the wily ways of Satan and his many hoards! And, many, who are in the churches shall fall and not get up; for they have no real spiritual foundation in our Saviour! They profess him with their mouths, but their hearts are far from Him! (Oh, Lord have mercy!)

Hear me, oh you people. The time of great trouble is upon the face of the whole earth. The little manchild and I have suffered through it for the last four years, but even before the manchild was given to me, I was greatly persecuted by those in the U.S. Government and also through other sources, such as the wicked Satanic Jesuits, the greys, the reptiles and other wicked creatures in Satan's army.

My Dear Ones, I have been in this war for a long time and I can speak with a great knowing when I tell you of Satan's many tactics to kill, steal and destroy! Yet, most of you do not have a single clue as to what I am talking about when I tell you of the gross wickedness, which is upon the face of the whole earth.

### The Churches Have Failed!

Sadly, the churches are overwhelmingly in the dark ages and are full of all manner of strange fire and other strange stuff and most of them do not get their power from our Mighty King, if they have any power at all, but they get it from Satan. They have his strange fire and this is why so many strange things go on in these churches. They have not told the people the truth of what is upon them and they are absolutely powerless

to do one thing about Satan and his many hoards and wicked devices; for they are one very large part of the problem.

Therefore, it is impossible for anyone to go into most churches and receive any help whatsoever if confronted with the vast array of wicked technologies of Satan and his many wicked hoards. IN no way are these vast numbers of churches prepared to help you and they are also in no way prepared to help themselves. For, it is the blind, who lead the blind; and the people are fast asleep, thinking that they are on the right track, when in fact so many are being fed through the strange fire, if any fire at all.

Oh, what a mess this world is in and what a very sad state of affairs in the churches all across this land! So greatly I regret this state, but as for me, I am powerless to do one thing about it. I write the truth, which so many have mocked and ridiculed and outside of warning them, and praying for our Father to correct them and to clean up this mess, I am unable to do one thing!

### Great Judgment of the Most High Will Soon Fall on the Errant Preachers and Prophets!

### For, A Great Judgment is about to begin in the House of the Lord!

So many preachers are going to be greatly surprised to find themselves in the flames of hell; for they have had many under their counsel and they have let them down! And, most of the prophetic community have put themselves in the same basket with the blind preachers.

In the days of King Ahab, around 400 prophets gathered around to tell what was pleasant and good, and out of their mouths spoke lying spirits, which the Lord, our God has caused to come upon them!
So it is now with most of the so-called prophets. They rush to tell a good things, the kind words, or the pleasing words; and their words do not come from our Mighty Saviour, but from Satan and his many agents, or from the wells of their own minds. The prophetic community in this nation is one great mess; and all will fall under mighty judgement of the King of Kings; if they do not soon repent!

 From The Mountain Prophecies Copyright 2010

In this day of great peril, it is few, who are warning the people and telling them the truth! Oh, how great the destruction, which is coming onto the heads of these who love to tell the smooth things. And, how great the destruction, which is coming upon the heads of those, who run to lap up the smooth things! For, it is but one fate for the blind preachers and but one fate for those, who follow after them; and but one fate for the lying prophets, who love to tell what is soft and good! It is but one fate in the burning flames, unless they repent and soon. For, oh so great shall be the judgment of the Mighty King upon those, who have helped to destroy his people!

Oh, Blessed Saviour, have mercy on these many souls, who have been so led astray! For, the shepherds have not made themselves clean vessels before you! Therefore, the pot is full of rottenness and the stench if piling up! Oh, Lord, save these souls, who have been so misguided! For, they are about to be thrown headlong into the Great Tribulation; and they do not see it coming; for they have believed a lie that they will be raptured out and not have to suffer. Therefore, Father, they are not in any way prepared for what they will suffer. Father, have mercy on their souls! Have mercy!

### Proceeding with More about the Manchild of Rev. 12

Having said all of these things, I will proceed to give you an understanding as to why the manchild and I have suffered so greatly under the feet of Satan and his many hoards. Many so erroneously think that I suffer such things because I must be full of sin! They do not know that if I were full of sin, our Saviour would not have given me the manchild to begin with. I profess no perfection before our Mighty King; for I am aware that I am but a child before Him and I plead with Him regularly to examine my heart and to forgive me of all sins; for I know that He brought me forth out of great sin; and I know that I am but a sinner, but I am by the day before our Saviour, pleading for Him to forgive me of any and all sins and to make me clean and to keep me clean.
So,, why have the manchild and I suffered so beneath the feet of Satan? I bring to your mind the very words of our Saviour: “And, the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born; … And when the dragon saw that he was cast unto the earth, he persecuted the woman, which brought forth the manchild.”

My Dear Ones, Satan is in my face and has been in my face; for it is written that he would be in my face. Furthermore, he persecutes me and the little manchild; for it is written that he persecutes the woman.

Why is he in my face? The Lord, our God, has put him there, that both the manchild and I might be tried and tested!!! Why is Satan allowed to persecute me and why is he allowed to do all that he can to steal the manchild? It is written that he persecuted the woman, and it is also written that he is out to devour the manchild as soon as it is born.

My Dear Ones, our Saviour determined a long time ago that this would be a very difficult walk! He determined that this woman would be in great travail and that Satan would be in her face! He determined that this would be no easy road; for His Son, the precious, little manchild, lives in this woman. My Dear Ones, I am this woman of Revelation Chapter Twelve; and there is not any other in the whole earth. Also, I can assure you that there is none in the whole earth, who would want this job! Yes, many will want the heavenly rewards, but not the great persecution and suffering!

Our Saviour also previously determined that His Son would have to grow up under the feet of Satan and suffer greatly before He would gain great power over Satan and over the darkness of this world. His Holy Son would pay a very great price to go into the Sons of God, into the Bride, and thereby bring forth the Sons of God, who would not only rule the earth with a rod of iron. But, they would go forth to become co-rulers under our Saviour, that is co-rulers over the whole universe, when it expands and becomes even greater than it is.
The whole kingdom of God, which is coming forth through the manchild, is coming forth in a child, but this child, the Son of our King, has had to withstand Satan and his many hoards twenty four hours a day, seven days a week; and now for over four years.
All growth, which our Saviour has put into the manchild, has come with great suffering, not only for the manchild, but with great suffering in my body, with great travail and I stress the word, great!!!!

 From The Mountain Prophecies Copyright 2010

This very work is about both bringing forth the Kingdom of our Mighty King into the Earth and it is also about to bring forth the destruction of the wicked kingdom of Satan in the Earth! The little Son of the King has had to pay, and is paying from day to day, a very great price, a very great price indeed, to receive power over Satan and his many hoards!

The Lord, our God, is not doling out His kingdom power like a welfare check! Every day of our lives, this power is coming forth into the manchild because it is being earned. Through great tests and trials and through much suffering, this precious son of the King of Kings is earning and growing into such power!

Glory to our Mighty King forever and ever; for His ways are always right. His ways are always holy, righteous and pure. Blessed and Mighty Saviour! He is the love of our lives!!!! Glory to His Holy Name forever and ever! For, He is doing a new thing in the whole earth and this new thing is the work of the manchild, who was four years old on May 10, 2010!!!!!

### A Glimpse of These Horrible Tests and Trials!

My Dear Ones, I will go back to the late spring of 2008 when these wicked ones began to weld vast amounts of fiberglass into my body. The greys and others would then actually bring in strips of this stuff and use lazers to weld it into my body, creating all manner of boxes within my body, which were made of fiberglass.

It was during that Summer, the summer of 2008, that I was also traveling a lot and our Saviour was releasing the giant geographical angels; and at times when I was staying in motels, the room would fill up with so much of this smoke from their welding that I was concerned about the smoke alarms going off. This never did happen; and our Father carried me forth in these very tiring trips and He was faithful in releasing these giant angels.

These wicked ones continued on in this way of welding into me this vast amount of fiberglass; and to this day, they continue to put these cubes into my body, changing

the composition of these things from time to time and also very much changing the thickness of the walls of these boxes, or cubes.

However, these days, they do not weld such boxes into me, they forge them into me; and they are already welded together. Oftentimes, they will hit my body with such things and will cause my body to move greatly; for the force of these things entering into my body is often of a great nature. But, after these years, I am not concerned about such things; for I live in the midst of such awesome power of the manchild. And, from day to day, I truly do rest in the love and grace of our Mighty King, no matter what happens!

As the days went by, these wicked ones began to fill up these many boxes, which they put into me. I will note here that these boxes, or cubes, have become smaller as the many months have passed, and now their size is generally about one centimenter square (about one half inch square). The infilling of these boxes has varied from toxic liquids to more solid kinds of things. There has been no end to their variations of stuff and things, which they have packed into these cubes and to this day, they regularly keep me and the manchild filled with such things!

I have previously told you how they cause such substances to exist just beyond the visual spectrum, and as such they cannot be seen with the physical eyes; but once in one's body, these things can cause much pain and suffering. With the vast amounts of toxic substances, they could readily kill anyone, if such a one is not protected by our Saviour.

All of these various substances in my body have been continual tests and trials for me and the manchild; for in and through all that they have done, he has had to do the work to achieve mastery over them. And, in spite of all that they have done through such boxes and other kinds of torture, they have always failed. Even though they put stuff into us, over and over again, the manchild is steadily burning up such things, and then rotating these things out of my body. Yet, my Dear Ones, I am, from day to day, not in any way free of such foreign substances in my body; for as the manchild removes such things, Satan and his many hoards put such things back again.

 From The Mountain Prophecies Copyright 2010

We have suffered in the midst of what they call a “full body suit” of these foreign substances since April 11 of 2007. Since that time, the manchild has grown greatly and this great trail of stuff now extends far outside of my body. From time to time, I will ask him to show me how far such things extend outside of my body and he will ride out to the far reaches of what is around us, which will carry him outside of my house, into the trees and into the forest.

The manchild also must be able to go that far outside of my body to dissolve these substances, so he is, for a fact, very large at this point and also very strong and full of much fire, which has been given to him by our Mighty Saviour. But, through all of his growth, he has only grown in increments and now, just after his fourth birthday, he is most certainly quite huge.

However, the war against us has only accelerated; and especially since around last September it has accelerated greatly, but over the past two to two and one half months, this war against us has been exceedingly great!

I realize that so many of these things have been for the growth of the manchild; for he must pass many tests before our Saviour and he must accomplish many things! Yet, surely I have had my own tests and trials and they have also been quite severe! Recently, the Precious little Son of the King said, “Mama, if it were not for me, you would not have to go through such things!” And, I said to him “Well, how blessed I am to suffer for love of you! I would do it all over again!” (And with pleasure!!!)

So, when you do not hear from me, as has been the case for the last few months, just know that there is probably much work going on, many wars, which the little Son of the King must fight. And, when the fight is great, I must rest a lot; for a great stress comes to bear against my old body and the precious little manchild will begin to rotate furiously and I will literally be unable to do anything; for my body will begin to feel as if it weighs a thousand pounds. Then, I know that I must draw very close to our Mighty King and put my trust in Him; for He has always brought us through and He always will.

### More on Satan's War Against Us!

I have described to you the use of these boxes, but Satan's war against us has not been in any means limited to these boxes. When Elena came along last fall and the work was done in and with her as I have entailed in previous chapters, Satan and his many hoards began to flood us with fibers, even at times storms of fibers. On winter solstice, he sent a whirlwind of fibers into us and thereafter pummeled us with tar! When this tar was carried out of me, I felt as if it would also carry out with it my whole bowels. When Satan sent the whirlwind, the whirlwind of great fiber, and Satan began to suck this whirlwind out of us, I knew that they were trying to suck the little manchild out of me. He said to me, "Mama, do not worry. They will not succeed," but the war against us was furious!

After the above war, about a month later, Satan sent over 22,000 demons against us. They were all tightly bound together and they entered into the space of me and the manchild and totally surrounded us. The manchild fought them for some hours and through the power of our Mighty King, he was victorious in carrying them all into hell. All the glory to our Mighty Saviour!!!

Satan followed these demonic assaults with many variations of such demon attacks, with their binding of many sorts of demons into us; and on all occasions the manchild would grab them all and carry them into hell.

As the winter months went by, Satan and his hoards continued on with their fiber wars and would drive great amounts of hard straw-like things into us, which were often mixed with strings of plastic and tiny hard square-like plastic, or fiberglass beads. They would forge such things into us, into my legs and throughout my body; and this great evil went on for some months and I might add often with great suffering in my body. For, through such things, I have truly been, even as the word says, "travailing in birth, pained to be delivered."

However, on the night of March 21, the night of the spring equinox, one of their big devil days; they forged into me these boxes and the walls were much thicker than

 From The Mountain Prophecies Copyright 2010

normal. They forged them into my throat and head and into my esophagus and stomach and as I lay in bed and began to feel a little nauseous, they turned these things into pumps in my stomach and caused them to begin to rotate furiously in me, causing me to projectile vomit from around 11:00 at night until around 4:00 AM in the morning of March 22. The next day, I was so tired and took on a little fever and for many days I was so exceedingly tired that I could do little. Still, they doggedly pursued me, filling up my body with all manner of things and trying to control my mind.

The Spirit of God showed me that they had bound one of their evil praying mantis type creatures to me and that they were trying to suppress my own personality so that they could make another personality out of the praying mantis (insectoid) creature, which is one of Satan's many wicked and evil servants.

The Spirit of God allowed me to hear their so-called programming as they were attempting to make another personality within me from this insectoid monster that they bound to me and the manchild. I even knew the name, which they intended to give it! I really just chuckled to myself and praised and thanked our Mighty King.

Then, all of the calling began. They knew that I would not answer their ridiculous telephone calls so they left their supposed "trigger words" as an ID on my telephone caller ID! I just laughed and praised our Mighty King. I remembered the singing times I had with my friend, MISANI, when she came from South Africa and stayed with me for six months. She had a song, which I also liked very much and we would sing it together "I laugh at the devil! Ha ha ha ha ha! I laugh at the devil! Ha ha ha ha ha! I laugh at the devil! Ha ha ha ha ha! The joy of the Lord is my strength!"

These tests went on for about ten days, but I knew that I was just to rest in the Lord and trust Him; for this was also a very great test for the manchild! Through it all, the manchild would overcome; for our Saviour would give him power over these wicked insectoid creatures, who serve Satan! They look like praying mantises, but are very tall and walk erectly! So, there went another one into the burning flames and there came more power over them into the manchild! Glory to our Mighty King forever and ever!

They were so angry that they lost in their attempts to create another personality in me, that they determined to get rid of me, only one more attempt in their hourly and daily attempts. As I lay on my sofa, once came into the room; and I heard him say, “She is about to take a very long trip!”

That night, I would find out their intentions about this “long trip,” for they packed my stomach with explosives and set off these explosives, not the first time that they have tried to blow us up. When they ignited these explosives, it felt as if a great eruption had gone off in my stomach; for my whole abdomen was rocking with the force of this explosion. The smell of burning iron came out of my mouth and began to fill up my room; and I just mused at them! I praised and thanked our Mighty King and loved His Precious Son with an even greater love! For, we had won again! Glory to our Mighty King forever and ever; for every victory is HIS!

But, they were wroth and came again and again with other variations of their wickedness and they filled up the boxes, with a bitter liquid and this bitter liquid surrounded us. They enveloped us in a bitter liquid, which both smells and tastes like rubbing alcohol, or propanol! Through so many attacks, I also became very tired and had to rest a great deal; for the little manchild also had to work long hours. So, during those weeks, I could do little, but if I could go outside and sit in the shade under the tree and stir around in my flower beds for an hour or two, I was grateful!

As time went by, I went into town one day and thought to drive through the Walmart parking lot to see if they had any spring perennials sitting outside, so that I might price them. They did not and I was about to exit the parking lot when I saw a few children, who were standing with their parents in the parking lot and they were giving away puppies.

I had wanted to get another puppy for my remaining dog; for her two friends disappeared under strange circumstances, which I can only attribute to the wicked ones, and my remaining dog has had no friends for over a year. So, I had wanted to find her a little friend and I had prayed to our Father about it, that if it might be His will, that He would give me a little friend for her. So, that day, I saw these precious

 From The Mountain Prophecies Copyright 2010

little puppies and I stopped and took one. I had intended to name him Jeffrey, but the little manchild told me that I should name him Samuel, so Samuel he is. Samuel also means, if I remember correctly, from the Bible, “asked of God,” so I was very happy to name him Samuel. For, I had asked of God, and God gave me Samuel!

Samuel liked to go under the little deck at my back door and I was just a little concerned for Samuel; for garter snakes and other kinds of snakes also like to go there to eat the little lizards, etc. But, I should not have been concerned at all; for he is asked of God and God will protect and keep him; for He gave him to me. So, I really should not have been concerned at all. “Father, forgive me for this; for this was a lack of faith!”

Now, Satan, who is ever watching me, on seeing that I was somewhat concerned about this, caused a garter snake to come right up to the edge of the deck, which was only about eight inches off the ground. I saw him and just tapped the side of the porch and he went on.

As I was sitting there on the porch in the cool spring breeze, I got up for a moment and left the porch to do a little errand around the yard; and when I got back the garter snake was lying up on the side of the porch, stiff, like a dummy. So, I took the rake and raked it off. Yet, I looked again and there he lay, looking again like a dummy on top of the mulch at the edge of the porch. So, I took a watering can and doused him and he went away.

But, Satan on seeing this, decided that he would carry this to the nth degree; for he supposed that I would freak out about snakes, so he bound two pythons to the sides of my throat and wrapped them around my body. I heard him say, “King python,” and this is when I looked in the spirit to see that he had bound them to me in tracts. But, I refused to be either afraid or concerned about this; for I knew that it was work for the manchild, who would removed the snakes.

After the pythons, Satan put into me and the manchild all manner of snakes, including boa constrictors, some of them very long and quite huge, and he bound them to me and filled up my body with them, even binding them to my knees, filling up these

various tracts with snakes and binding them to us and into us! They were even bound to us for some distance outside of my body. So, at times, we were immersed in various kinds of snakes and there they remained until our Saviour gave the manchild authority over them!

It was during this snake attack, that a young man called me and alerted to me to article, which I will insert below in its entirety; and you will also find this story to be most informative; for it entails how these wicked servants of Satan can change themselves into snakes, etc.

But, I was already aware of their being able to change their forms through the war which was directed at us in Sweden, when the witch doctor changed into a cat and entered into my room. In years past also, some from the island nations have written to me, asking for prayer to stop some of these witch doctors from entering into their churches as animals and terrorizing their people.

So, I was aware of what the witch doctors do in this way, but when he alerted me to this article and a friend of mine read it to me over the phone, I realized that these were most likely some of Satan's top general witch doctors, who were turning into snakes and binding themselves to me and to the manchild.

But, they came not only as snakes; for Satan also bound some large lizards to us! However, Satan also lost many of them, for they were also either killed, while they were in me, or dragged into the fires of hell while still alive. This war with Satan and the snakes went on for about ten days or so. And, through these many tests and trials, my Dear Ones, the little manchild was given power and authority over these many hoards of Satan's wizards, witches, warlocks, witch doctors, etc. Oh, what a mighty victory! Praises to our Mighty King forever and ever!

Just this morning, (May 21, 2010) I saw one of Satan's wicked servants as she was fleeing down some dark stairs to get away from the manchild; for we both saw her. And, as I prayed against this evil woman, whom I believe to be one of Satan's high wicked ones, and commanded the evil spirits out of her and into the fiery pits, I was

 From The Mountain Prophecies Copyright 2010

exceedingly glad! In a short time, the manchild said to me, “Mama, I will do the rest!’ And, he went after her and dragged all of her powers out of her and took them into the burning flames. She was left destitute and without powers, lying there on the floor, her body seemingly dead! I believe that I may know who this one is; and blessed and mighty is our King; for He is going to clean up this great evil, which is upon this planet!

When they did not prosper in these snake attacks, and most assuredly lost many of their top level wizards and high level witches and other wicked servants, they continued on with their fiber attacks of various kinds and with their boxes, which were filled with bitter substances and then came the concrete attacks. They filled the boxes with concrete and tried to concrete us in. They put massive amounts of solid concrete all around us and tried to trap us in concrete, and it was during so much of these many trials that I would need to lie in one spot for eight to ten hours at a time, and that is during the day, after a night’s sleep. I became exceedingly tired, and knew that I could only rest in our Mighty King of Kings and wait upon Him. For, He would surely bring us through. He has and He did! Blessed and Mighty Saviour

I know now that the manchild has been in an accelerated growth phase and during so much torture for me, he has grown in leaps and bound. Oh, how grateful I am for all that our Father has done for us and for all that He does for us by the hour and by the day.

We had surely hoped that our Saviour would come and take him home by now, but we do not know what our Saviour is looking at and what he is expecting of His holy Son! We also do not know what he is looking at in the world and just how many of you he is watching, looking to see if you will seriously do your repentance work before Him so that He can make you clean. He will surely hold up things because of the righteous prayers of only one person. So, I do not know what He is waiting for; but as for us, I know that He will get us through.

My Dear Ones, in no way can I accurately describe to you what we have suffered and what we have been through. For, it has been great! I have only given you a very brief

outline, but you, my Dear Ones, need to take note; for Satan is on a warpath and he has his eyes set on you!

I am posting below this most informative of messages; for as you read what this former servant of Satan writes, you can understand just how advanced Satan and his many hoards are in their evil. Also, in the Book Pistis Sophia, which is translated by G.R.S. Meade, our Saviour tells how some of these wicked ones are able to go to those great Elohim in the 13th eon and summon up powers of magic. In this article, you will see how this man Emmanuel Amos went into outer space, stayed there for two weeks and summoned up powers from these great beings out there and used them greatly to try and to destroy those in the churches. Read this testimony carefully; for through it you can learn much.

In closing, I wish to say that some of you have a problem with our Saviour's words to seek Him with your whole hearts and He will indeed impart the fire baptisms into some of you. Some of you preachers strain at the gnat and swallow the camel; for our Saviour's promises of these fire baptisms are in His word. (Luke 12:49-50) "I am come to send fire on the earth; and what will I, if it be already kindled? But, I have a baptism to be baptized with; and how am I straitened till it be accomplished!"

And, this awesome fire, which he is sending on the earth is coming through His holy son, the manchild of Revelation Twelve; for he is pure fire. Yet, it was already kindled through our Saviour! Now, our Saviour has a baptism to be baptized with and this baptism is the baptism by fire!" He, who has the ears to hear, let him hear! He, who has the faith, let him come unto our Saviour as a little child; and he will receive!

For bringing you the truths about this fire baptism, I suffered greatly in my body; for our Saviour required a price of me just to bring you this truth; and Satan was surely wroth with me. But, praises to our Mighty King, Satan is going under the feet of the manchild and then under the feet of the elect.

These fire baptisms are coming to the righteous! They are coming to the true believers; and the Kingdom of God is coming into our midst in spite of and even because of the

 From The Mountain Prophecies Copyright 2010

blind railings of so many, who say that they love and serve our God, when in fact they are only self-serving.

And, so it is with so many preachers, who strain at the gnat and swallow the camel. For, these truths they cannot grasp, but the strange fire and all of its accompaniments, they can grasp.
A day of great reckoning is at hand. Make yourselves clean in every way; for the devil is using many in the churches to lead astray many others, who are just like them! Glory to our Mighty Saviour; for he is finely dividing all things! He is separating the truth from the profane! And, in so doing, he is raising up a mighty people, great and strong in him. (joel ch2) Blessed is His Holy Name! Praises to Him forever and ever!

My Dear Ones, I thank each of you, who has helped me financially with these works. Many the Lord bless and keep each of you. I have a wonderful dream to build a little church here on the land; and our Saviour has shined His light on this plan. What is needed are the finances to go forward. Some of you are able to help this dream to become a reality; and I believe that this dream will become a reality; for so many need the laying on of hands for deliverance and healing. So, if you are able to help fulfill this dream and can me financially to achieve this goal, you will surely be blessed! The building of this little church is for a time that is yet to come, but now is the time to get started on it!

#### Chapter 1: My Escape to "New Life"

"Train up a child in the way he should go and when he is old, he will not depart from it" (Proverbs 22: 6).

This is a story of God’s works – mighty, wonderful and mysterious – in obedience to the command of JESUS CHRIST to me saying: “Go and testify what I have done for you.”

 From The Mountain Prophecies Copyright 2010

One usually thinks of misfortune as an act of fate and that we can do nothing to alter the events of our lives. To an extent this is true. In the case of a child of God, his life is planned1 (Proverbs 16: 9). Whether that plan is fulfilled or not depends on a number of factors, the individual's closeness to God, his view about the ultimate purpose of life, and the socio-spiritual environment he finds himself.

The course of your life is challenged by some external factors. The crisis is reached when you give over your WILL one way or the other, for good or evil. You can love or hate. You can wish to understand or misunderstand. The will to obey is the greatest force of a new born Christian, while the will to disobey is the most destroying force of the sinner.

A child when left alone in the world is controlled by one of two powers: good or bad, right or wrong, God or the devil. Everyone is challenged by these two forces of life, and each must choose which life he must live. And I believe that is what the Bible says: "Train up a child in the way he should go and when he grows he will not depart from it." You will agree that the dearest and closest person to any child's heart is his mother. An orphan is an unfortunate child and more exposed to attacks of the devil than children with parents. A mother is a protector of body and soul but it becomes double tragedy when both parents are lost and more so in most mysterious circumstances.

My story started 22 years ago in a little village called Amerie Iriegbu Ozu Item in Bende Local Government Authority, Imo State. My parents were not classified amongst the rich but my dad was privileged to inherit 42 hectares of land from my grandfather, a blessing which has today brought the greatest misfortune ever recorded in the history of the family. My dad was greatly envied by his distant and near relations for reasons I do not know, perhaps for his vast land inheritance.

We were a happy family, my parents having got four of us: Love, Margaret, Emmanuel and Chinyere. After having the first two daughters, my parents waited for 14 years before having me (the only son) and later my younger sister Chinyere. This brought real happiness to the family but this happiness was short-lived as the first tragedy

struck. My lovely and caring mother died. She was alleged to have died owing to witchcraft, and four years later my father died, again through an alleged work of juju involved against him. Two years after the death of both parents my eldest sister, Love, disappeared mysteriously and Margaret, the second daughter of my parents, went mental. It was a chain of tragedies in the life of a humble and otherwise happy family. My younger sister Chinyere and I were sent to our grand parents. There I completed my elementary education and was later admitted into Item High School. I read up to Class III and dropped out of school as a result of lack of fund for fees etc. Shortly after that, my grand parents also died. After all the ceremonies that go with burials, an unknown relation collected my younger sister Chinyere, and up to this date I do not know her whereabouts. I was forced by severe maltreatments to go back to my father's house, and there to live alone at the age of 13 years. How does a child of 13 years feed himself in the midst of his father's enemies and consequently his own enemies? How very afraid I was! These events seemed to have brought me to the end of worthwhile living. Was there anyone who cared? Was there anyone who was concerned about "a little boy's misfortune?"

One day I met a friend I knew during my elementary school days named Chinedum Onwukwe. Chinedum loved me very much and having heard all that befell took me to his parents who readily received me and took me as a second son. Life came back to normal again. I was well cared for. I was happy again: then I knew that the God my mother prayed to when she was alive was alive somewhere hence He had provided me with new parents, so I thought in my mind. I enjoyed this goodness for about two years and then the devil struck again.

Chinedum and his parents were traveling to Umuahia and their car ran into a tipper carrying laterites. Chinedum and his parents died on the spot! On hearing the news I collapsed. My sorrow could better be imagined. I managed to survive through the burial ceremony, supplying those cooking with firewood and running errands: at the end of which I went back to my father's house and resumed the menial jobs to be able to feed.

 From The Mountain Prophecies Copyright 2010

I continued doing odd jobs on the farm, in gardens, going a fishing with elders until one day, a man from my compound hired me to work in his farm for 50k. At the farm he subjected me to a series of questions. First, he asked me to show him my father's lands; secondly, to hand over such lands to a man, no matter how closely related he was. In either case I objected and he was offended. He then vowed to kill me in the forest. I became afraid and ran and shouted for help. Unfortunately, because the area was far into the thick forest, no one came but help came from God. He pursued me with his knife but being younger I was too fast for him and fell into a pit of about 1.82 meters deep and was covered by the grass in it. He searched for me and after a while he gave up. I later struggled out of the pit and through another route returned to the village. I reported the incident to the elders in the compound but no action was taken – the common plight of orphans. This incident created real hatred in my young heart; no one loved me, no one cared. I reflected in my mind why anyone would want to kill me knowing I had no parents. Life was full of misery. Now I know that God in His love restrained the devil from suggesting suicide to me. I turned to the Church and became a full member of the Assemblies of God church in my village (I still am) but unfortunately no one cared even when some of the members knew about me. It is important to note that I became a full member of the church without knowing Jesus Christ. I never knew what it meant to be BORN AGAIN. If you are in the Church of Jesus Christ and find yourself in the situation I found myself, give your life to the Lord Jesus Christ. The Scripture says: "Let Him have all our worries and cares, for He is always thinking about you and watching everything that concerns you" (1 Peter 5: 7 – Living New Testament).

In the midst of all these hardship and suffering ALICE appeared! Alice was a girl I knew during my elementary school days. She was five years older and from the same village. We were in the same class, sat on the same bench and became very friendly. With this childhood's 'love' affair, we promised 'getting married' when we would be old. Ridiculous! A child of 11 years then, without parents, no education, no food to eat, promising marriage to a girl of five years his senior! Alice later left for Akure for her secondary education and sent me dozens of 'love' letters.

The next time I met Alice, I was 15 years and she was 20. She had finished her secondary school education and was working with the Standard Bank Lagos (now First Bank), where her parents lived.

Alice having known my background and my plight took advantage of it. She told me to join her at Lagos and handed me her house address with N50 (Naïra: National Currency of Nigeria)! That was a fortune for a young boy of 15 years who had never earned up to N2 a day! This was manna from heaven and this meant that Lagos must be a wonderful place with plenty of money and the good things of life for all to enjoy. Then I must go to Lagos to make my own money and get riches too. Going to Lagos to my mind was my only way of escape. Escape from my father's enemies, escape from my enemies, escape from hunger and ALL my problems. Escape! Escape! Yes, escape from All that is evil!!!

### Chapter 2: The Initiation

« There is a way which seemeth right unto a man, but the end thereof are the ways of death. » Proverbs 14:12

« But the wicked are like the troubled sea, when it cannot rest, whose waters cast up mire and dirt. There is no peace, saith my God to the wicked. » Isaiah 57: 20-21

And life outside Jesus Christ is exactly as stated in the above Scriptures. I left my village armed with N50 and the address given to me by Alice, escaping to freedom, liberty, enjoyment and all that go with them: but as you will see later it was far from what I had conceived in my young heart. When I arrived in Lagos, it was so beautiful in my eyes and I compared it with Heaven, whatever Heaven is like. I saw all those tall and beautiful buildings and on each face I could see happiness (so I thought). People appeared very busy each one minding his/her business. I was excited and said to myself, now I know I am free!

I arrived at Akintola Road, Victoria Island and was well received by Alice and her parents. The parents knew me and my background as we came from the same village but never knew of my relationship with their daughter. Alice then introduced me to

them as a man she has 'chosen' to marry. The parents were shocked but after some discussions with her, agreed on the condition that they would further my education. Alice rejected their offer and requested that I be allowed to live with her in her own flat. The parents could not accept this but she insisted. They had a strong argument for four days and under some unexplained influence they agreed and I moved in with Alice.

Alice, a very beautiful girl, told me that she was an accountant with the Standard Bank and that she would make me rich and give me all that I needed in this life and said: "Just settle down and enjoy yourself!" My first impression about Lagos was true after all; few months ago I was in a small hut in a small village surrounded by hatred, starvation and suffering and here I am, living in a big city, in a well furnished flat with a beautiful 'wife' who had promised to give me all that life could offer. She showered me with gifts, money, clothing, 'love' etc. I never knew that the world was filled with these 'good things'. The devil indeed is a deceiver! The Scripture rightly says: "The thief cometh not but for to steal, to kill and to destroy. ONLY the son of man (JESUS CHRIST) can give life and give it more abundantly" (John 10: 10). Dear reader, the devil has no free gift! Whatever he gives you is for an exchange with your soul. This state of euphoria was short-lived, because after a period of three months strange things started happening.

### The Mysterious Experiences

One night, I woke up in the dead of the night and found a boa-constrictor beside me. I wanted to shout but could not. Some nights, I would wake up to see Alice's body as transparent as a cellophane bag. Some nights, she would disappear and reappear. Some nights I would hear strange noises or dancing in the living room etc. I could no longer bear these fearful happenings so I decided to ask her, and the first reaction was violence and serious warning. She said: "Do not ask me this question again or else I will deal with you."

From then I knew my life was in danger. I then preferred the sufferings in the village to what I came to discover. I became afraid of her. Two days passed and she came with smiles, gifts and hugged me. She told me how much she loved and cared for me and

encouraged me not to be afraid and promised to explain things to me later. She took me to a night club and there reminded me of her promise to make me rich etc., and told me: "ONE DAY YOU WILL KNOW ALL THAT I KNOW!" We came back and life continued as normal between us. Inwardly I knew I was in danger, but how could I escape and where would I escape to? It is important to note here that Alice's parents did not know that their daughter, though young, was involved seriously in occultism and spiritualism and she seriously warned me never to tell them if I loved my life. Dear reader, can you imagine, a 20 year old girl doing all these things? The outside world saw her as a very beautiful and harmless girl working with a big Bank but she was the devil's agent. There are a lot of Alices in the world today as you will find out later in this book.

### A Horrific Discovery

One day, after she had left for work, I decided to search the flat. As young as she was, the flat was well furnished. She had four refrigerators and on opening one, I saw human skulls, different parts of human body both fresh and dry. Inside the ceiling were skeletons. In another corner of one of the rooms I saw (what I later knew as a 'chamber') a water-pot filled with blood and a small tree in the centre of the pot, a calabash and a red cloth by it. I could not continue. Now I knew that I was a dead man and since I had no where to run to. I surrendered my life to whatever comes, life or death and kept sealed lips. Alice came back from work and from the way she looked at me, I knew that right in her office she knew what I did in the house.

### Encounter with the Occult World

The following day she requested me to follow her to a meeting. I was already a captive and had no choice. We went to a very big building on the outskirts of Lagos. On arriving (the building had an underground conference hall), I was instructed by Alice to enter backwards. I obeyed and entered with my back, she also did the same. The hall was so large with about 500 young men and women seated in a circle, and seated above them was a man whose head could only be seen and without a body, as the Leader. Some of these young people were students, undergraduates, graduates, teachers etc. Alice pressed a button on the wall and a seat came out from the ground

and I sat. She did the same and another came out for her and she sat. She introduced me to the congregation as a new member and they applauded and welcomed me. Alice was promoted as a result of this. All that they discussed in the meeting I never understood. At the end of it and as we were about to leave, I was asked to come back alone the following day by the Leader. This was my first encounter with the occult world.

That same night, at 2.00 a.m. (and this is the usual hour of meetings and dangerous operations by all the forces of darkness and their agents), Alice woke me up and revealed certain things to me. She said: "I am not an ordinary human being. I am half human and half spirit but mainly of the spirit. What you see in my chamber is what I use during my prayers every morning, so that the spirits will guide me through the day. As for the skeletons I will tell you later."

I never said a word. She brought out some books on world mysteries for me to read, and with my inquisitive mind I decided to read them. Shortly I became interested and immediately she saw that I was now interested. Unknown to me, she sent my name to an occult society in India. As previously instructed, the following day I went back to the society alone and there met nine others and some witnesses. We were to be initiated. We were called out to the centre of the hall and the following things were administered to us:

1. A concoction that looked like putty was rubbed on our bodies. This qualifies you as a full member.
2. A glass shot of oil-like liquid was given to us to drink. This qualifies you to be an agent.
3. A gunpowder-like substance was rubbed on our heads. This qualifies you to study their mysteries.

Unknown also to me, this initiation ceremony was being recorded in India and the next day I received a letter from them. In the letter I was instructed to stain the letter with my own blood and to post it back to them through a means they described, not the

Post Office. I did. From this point, there was no turning back; turning back meant death as one was always reminded and I knew there was no more hope for me.

### Covenant with Alice

Early one morning, she told me there was an important ceremony to be performed in the house. At 2.00 a.m. she brought a crawling child, a girl, alive. Before my eyes, Alice used her fingers and plucked out the child eyes. The cry of that child broke my heart. She then slaughtered the child into pieces and poured both the blood and the flesh into a tray and asked me to eat. I refused. She looked straight at me and what came out of her eyes cannot be explained in writing. Before I knew what was happening, I was not only chewing the meat but also licking the blood. While this was happening she said: “This is a covenant between us, you will never say out anything you see me do or anything about me to any human on earth. The day you break this covenant your own is gone.” Meaning that the day I break this covenant I will be killed.

After this incident I started having strange feelings inside me. I was changed and could no longer control myself. A word of warning to mothers. Do you know your house helps? What is his/her background like? Do you care to find out all about him/her before entrusting the lives of your children etc. to him/her? How did Alice get the little child she slaughtered, you may ask. Therefore parents, know the background of your house helps.

When Alice saw that she had succeeded in getting me fully involved in SPIRITISM and was fast growing in it, she was satisfied an knew her mission was accomplished. She found a flat for me, helped furnish it and thereafter severed the relationship.

### Covenant in India

The Society in Delhi, India sent me a second letter asking me to come over to India. In it also I was instructed to do the following: “Eat excreta, eat decaying smelling rats, and to have sexual intercourse with spirits in the cemetery at night.”

 From The Mountain Prophecies Copyright 2010

After fulfilling the above I was bound never to have any sexual intercourse with any women on earth. I sent a reply to their letter informing them that I had no visa neither do I know how to get to India. At this time I had started doing 'business'. I was a serious smuggler but because of these powers behind me I had no trouble with customs etc.

I started having a lot of money, food and materials were no longer scarce. One day, I locked my flat and went out; coming back, I opened the door and behold a man sitting in the parlor. I was afraid. He said: "Are you not Emmanuel Amos?" I said I am. He said: "I have been sent to come and collect you to India, so get ready." I locked everywhere, went and sat beside him on the cushion ready for the next order. But like lightning, he touched me and we vanished.

The next place I saw myself was in a big conference hall in Delhi, India, with a large congregation already seated and waiting to welcome us. They brought out files where my name had already been written and asked me to sign beside it. I did. A tray containing human flesh, cut in pieces with a basin of blood were brought. An empty jug was given to each person, then a man without a head went round pouring the blood and flesh into the jugs. Different candles and incenses were being burnt also. The headless man made some incantations and everyone drank the blood and ate the meat and the meeting was over.

### The Initiations in India

Now the period of my testing had come. I was sent to a valley about 200 metres deep. In it were assorted dangerous reptiles and wild beasts. These were to torture me. I was not to shout, for if I did, I have failed the exam and the consequence was DEATH. After seven days of agony I was brought out and sent to a place called 'INDIA JUNGLE'.
In this jungle, I saw different types of demonic birds; demonic because some had faces like dogs, some like cats, etc. Yet with wings. Inside this jungle was a cave, and this cave is only opened by these demonic birds. They opened the cave and I went inside. The things I saw are hard to explain. There were terrible creatures, some looked like human beings but with tails and without human faces, etc. This was another place of

torture. The torture there could best be described as semi-hell. I was in that state for 7 days and was brought out.

I was then sent to a very big library that contained large volumes of mystic books to study. I later picked two books: Abbysinia, which means destruction, and Assina, which means giving life or curing. Later I was given more books. I was instructed to build a chamber as soon as I return to Nigeria with the following things in it: "A native water pot filled with human blood, a living tree inside, a human skull, vulture feathers, wild animal skins, boa skin and a big shiny laterites beside the pot." The blood inside the water pot is to be taken every morning with an incantation. I was also instructed never to eat any food cooked by HUMANS but that I would be fed supernaturally. With all these instructions I came back to Nigeria the same way I went, and fulfilled all.

### Back Home in Nigeria

I had now become a part and parcel of the spirit world and could travel at will to any part of the world. According to the books I brought, spirit beings are living in space. Perhaps they would increase my powers, so I decided to try. I came out of my house, made some incantations and called the whirl wind and disappeared. I found myself in space and saw these spirit beings. What do you want they asked; I told them I wanted powers.

I came back to earth after two weeks having acquired powers from them. Like I said earlier, I no longer could control myself. Despite all these powers I had already received, I still needed more and more powers! I then decided to go into underworld to prove what was written in the books given to me.

One day I went to a hidden place in the bush, made some incantations as stated in the books and commanded the ground to open. The ground opened and the demons created steps immediately. I stepped in and went right inside the ground. There was total darkness that can only be compared with one of the plagues that occurred in Egypt as recorded in the Bible. I saw a lot of things that are hard to explain. I saw people chained, people used for making money - their duties are to work day and night to supply money to their captors.

I saw some elite society members who came in to do some sacrifices and would go back to the world with some gifts given to them by the spirits controlling the place. I saw some church leaders who came for powers, powers to say a thing that is accepted without questioning in the church. I stayed for two weeks and came back after receiving more powers. People saw me as young and innocent but never knew I was dangerous. There are lots of such people around; only those in Christ Jesus are safe in real sense of safety.

### Covenant with The Queen of The Coast

One evening, I decided to have a walk. Along Ebute Metta bus-stop, I saw a young beautiful lady standing. I never spoke a word to her. The next day while passing also I saw her still at the same spot. The third day I saw her still at the same spot and while passing she called me. I stopped and introduced myself to her as Emmanuel Amos but she refused introducing herself.

I asked her name and address but she only laughed. She asked me mine and I told her the street ONLY. When I was about leaving, she said she would visit me one day. In my mind I said, that was impossible, I did not give her my house number how then could she come. But true to her words, I heard a knock on my door after a week of that meeting at the bus-stop. There she was, the mysterious lady! I welcomed her in my mind. (I wondered who this beautiful lady was, and did she know she was treading on dangerous grounds?) I entertained her and she left. After this first visit, her visits became regular without any relationships.

I noticed that in her visits she kept to a particular time, and would not come a minute earlier or later! In some of her visits I would take her to the Lagos Barbeach, or to the Paramount Hotel or Ambassador Hotel etc. All these while, she still did not tell me her name. I decided not to worry since I knew the relationship would not develop more than that. I had already been instructed never to touch a woman.

Suddenly she changed the day visits to nights. During one of the visits she told me: “Now it is time for you to visit me.” We stayed together that night and at 8.00 a.m. the

following day we took off. We joined a bus and she told the driver to stop at the barbeach. As we stopped, I asked her: “Where are we going?” She said: “Don’t worry, you are going to know my house.” She took me to a corner of the barbeach, used something like a belt and tied around us and immediately a force came from behind and pushed us into the sea. We started flying on the surface of the water and straight to the ocean. Dear reader, these happened in my physical form! At a point we sank into the sea bed and to my surprise I saw us walking along an express way. We moved into a city with a lot of people all very busy.

### The Spirit World

I saw laboratories, like science lab, designing lab, and a theatre. At the back of the city, I saw young beautiful girls and handsome young men. No old people. She introduced me to them and I was welcomed. She took me to places like “darkroom”, “drying room”, and “packing room”. She then took me to a main factory and warehouse and then came to her private mansion. There she sat me and told me: “I am the queen of the coast and would like very much to work with you. I promise to give you wealth and all that go with it, protection and all that go with it, life and an ‘angel’ to guide you.”
She pressed a button and a tray came out with human flesh (in pieces) in it and we ate together. She commanded a boa to appear and asked me to swallow it. I could not. She insisted but I could not, how could I swallow a live boa. She then used her powers and I swallowed it. These were three covenants: The human flesh and blood, the boa and the demonic angel were always there to make sure no secret was revealed.
But the ‘angel’ was given power to discipline me if I went astray and also to bring me food from the sea any time I was here on earth. I promised to obey her always. After this promise she took me to another part of the ocean, this time an island. There were trees and each of these trees had different duties:

- tree for poisoning,
- tree for killing,
- tree for invoking, and
- tree for cure.

She gave me powers to change to all kinds of sea animals like hippopotamus, boa

constrictor and crocodile and then she vanished. I stayed in the sea for a week and through one of the means (as crocodile) mentioned above I came back to the world.

### The Underworld Laboratories

I stayed in Lagos for a week and went back to the sea, this time for two months. I went into the scientific laboratories to see what was happening. I saw psychiatrists and scientists all working very seriously. The work of these scientists is to design beautiful things like flashy cars, etc., latest weapons and to know the mystery of this world. If it were possible to know the pillar of the world they could have, but thank God, ONLY GOD KNOWS.

I moved into the designing room and there I saw many samples of cloth, perfumes and assorted types of cosmetic. All these things according to Lucifer are to distract men's attention from the Almighty God. I also saw different designs of electronics, computers and alarms. There was also a T.V. from where they knew those who are born again Christians in the world. There you see and differentiate those who are church goers and those who are real Christians.

I then moved from the laboratories to the 'dark room' and 'drying room'. The dark room is where they kill any disobedient member. They kill by first draining the person's blood and then send the person to the machine room where he/ she will be ground to powder and then send the dust to the 'sack room' where they will be bagged and kept for the native doctors to collect for their charms. There were more things which are hard to explain in writing. Despite all these powers in me, I was not yet qualified to meet with Lucifer but only qualified to be his agent. All the same I was satisfied that I now had powers and could face, challenge and destroy things at will. Could there be any other powers any where I mused within my mind.

## Chapter 3: The Wicked Reign

«The thief cometh not, but for to steal, and to kill, and to destroy. I am come that they might have life, and that they might have it more abundantly» John 10:10

On returning to Lagos, I continued in my business and after two weeks I went back to the sea. The Queen of the Coast gave me what she called her “first assignment”. I should go to my village and kill my uncle, a prominent powerful native doctor who was responsible, according to her, for the death of my parents.

I obeyed and went but having not killed before, I hadn’t the courage to kill him, rather I destroyed his medicines and rendered him powerless. As a result of this act he lost all his customers till this date. I came back to give a report assignment but she was wrathful with me. She said the consequence of disobeying her instructions was death, but because of her love for me she would send me back to the same village to kill two elders who she said gave a helping hand in the killing of my parents. Whether this was a punishment for disobeying her or not, I did not know.

However, I obeyed and went back to the village and ‘managed’ to kill these men and sent their blood to her. As a result of the mysterious circumstances of their death the elders in the village went to inquire from another powerful native doctor who normally sent lightning to investigate the killer. Unfortunately for these men, I met the native doctor in spirit where he was consulting with spirits and warned him not to say anything if he loved his life. He came out and told the elders to go home and beg one of their sons whom they had offended and never mentioned my name.

The lightning he sent returned and struck in their midst killing some and leaving many wounded. After this first act, the powers in me started manifesting themselves. I would deform a girl for refusing me friendship etc.

### My Meeting with Satan

I later went back to Lagos. One day, a girl named NINA came to me. NINA whose parents were from Anambra State was a very beautiful young girl but lives mostly in the sea, i.e. the underwater spirit world. She was an ardent agent of the Queen of the Coast and very wicked. She hated the Christians to the core and would go all length to fight Christianity. I first met her during my visit to the sea. NINA came for an errand from the Queen of the Coast.

 From The Mountain Prophecies Copyright 2010

We left immediately and reaching there I learnt of our having a conference with Lucifer. Satan, in this meeting, gave us the following instructions: To fight the believers and not the unbelievers, because the unbelievers were already his. When he said this, one of us asked: “Why?” He said the reason was that God drove him out of ‘that place” (he refused to call the word ‘Heaven’ and all throughout our meetings with him he never mentioned the word ‘Heaven’. Rather he would always use the word ‘that place’) because of pride, and therefore he does not want any Christian to get there (Heaven).

He also told us that we should not fight the hypocrites. “They are like me”, he said. He continued his speech and said: “We should only fight the real Christians.” That his time was near, therefore “we should fight as never before and make sure no one enters 'that place'.” So one of us said to him: “We heard that God has sent someone to rescue mankind back to God.” Satan then asked: “Who is that?” One member answered “Jesus” and to our greatest surprise, Lucifer fell from his seat. He shouted at the man and warned him never to mention that name in any of our meetings if he loves his life. It is true that at the name of Jesus every knee must bow (Phil. 2: 10), including Satan.

After this incident he encouraged us and told us not to mind “these Christians”, that he Lucifer would soon come to rule the world and would give us, his agents, a better place so that we would not suffer with the rest of the world and he would make us rulers. He continued that since man likes flashy and fanciful things, he would continue to manufacture these things and make sure that man has no time for his God and that he would use the following to destroy the church:

1. Money,
2. Wealth,
3. Women.

At the end of this speech he dismissed the meeting. This was my first meeting with Satan. Several others followed after this meeting. As we were leaving, the Queen of the Coast, who now appears in different forms, invited me to her mansion. She inserted human ashes with other things inside the bones of my two legs, a stone (not an ordinary stone) in my finger and something else inside the bone of my right hand.

Each of these things had their duties. The stone in my finger was to know the thought of anyone against me. The one in my right hand was to empower me to destroy and the ones in the legs are to make me more hardened and to become more dangerous and also to enable me change to a woman, beast, bird, cat, etc. She took me to one of the laboratories and gave me a telescope, a T.V. and a video. These were not ordinary things but were to be used in detecting the born again Christians and the church goers inside the Church.

Finally she gave me sixteen girls to work as my agents. NINA was one of them. I came back to Lagos armed with the above mentioned 'gifts'.

### Transformed into Satan's Agent

I had no human feelings nor mercy in my heart any longer. I went into operation immediately and destroyed five duplex at a go. They all sunk inside the ground with their inhabitants. This happened at Lagos in August 1982. The contractor was held responsible for not laying a good foundation and paid dearly for it. A lot of destruction happening in the world today are not man made. The devil's duty is to steal, kill and destroy. I say it again, satan has no free gift".

I went into causing accidents on the roads etc. A case I would like to mention is about a young convert who went about testifying of his salvation and deliverance. He was causing a lot of harm in the spirit world for doing this, so I planned an accident for him. One day he was on a luxurious bus to Lagos. He had an appointment where he was to give his testimony. As the bus was on high speed, I wheeled it out of the road and it went and crashed onto a tree. All the passengers died except this young convert.

His escape was miraculous because he came out of the vehicle through the boot of the bus and shouted: "I am safe! I am safe!" We tried to stop him from testifying but we failed.

Through the T.V., we would know a man who repented newly and would pursue him seriously to see if we could make him backslide. If after six months we do not succeed, we would go into his business and make it go bankrupt. If he/she is a civil servant we

would oppress him/her through the boss, and if possible make the boss terminate his/her appointment. If after all these he refuses to backslide then we would give him up. But if he backslides he would be killed to make sure he does not have a second chance to repent.

I destroyed lives to the extent that Lucifer became very pleased and made me chairman of the wizards. A month after my chairmanship, a meeting was called. We attended that meeting as birds, cats and snakes. These creatures are used for the following reasons:

1. Turning to birds make wizards more dangerous.
2. Turning to cats make wizards able to reach both spirits and humans.
3. Turning to rats enable wizards to enter into a house easily, then in the night turn to shadow, and then to human being and suck the victim's blood.

In this meeting we had only one item on the agenda: “The Christians.” We then scheduled to hold an African wizard conference in Benin city in 1983. We published it in all the dailies and all the public media. All the forces of darkness were mobilized and we were very confident that nothing was going to interrupt this meeting. In fact everything was well planned and there was no loophole.

Suddenly, the Christians in Nigeria went into prayers and praises unto their God and all our plans were shattered. Not only that our plans were shattered but also there was real confusion in the kingdom of darkness. As a result, the witches' and wizards' conference could not be held in Nigeria. Christians should note that the moment they go into real praises to God almighty, there would be trouble and confusion both in the sea and in the air, and the agents of satan would have no resting place. Prayer is like throwing a time-bomb in our midst and everyone would escape for his/her life.

If Christians would realize and use the power and authority God has given them, they would control the affairs of their nation! Only Christians can save our nation.

After the failure of this conference, which was later held in South Africa, I was called back to the sea. When I arrived, I was told from that moment I would make the sea my

home and only visit the world for difficult operations. I was given a new assignment: inventing charms for native doctors, in charge of the control room and sending the gifts, i.e. opening of white garment churches (prayer houses), opening of maternities, opening stores and making them prosper, giving 'children' and money. These will be explained one after the other:

1. Opening of White "Garment Churches":
When a man comes to us for an assistance to build a prayer house and help him performing healings etc., he would be given some conditions:

a) He will agree to donate to us one or two souls every year.
b) b) At a certain level of office in the church the person would be initiated to our society.
c) c) No member would be allowed to come into the prayer house with shoes on.

When he accepts these conditions, he would be given something like a white gravel, human bones, blood and charms, all in a native pot. He would be instructed to bury this pot with all its content in front of the church and bury the cross on its top. After the burial, only the cross should be seen. He would be advised to build a pool or keep a basin where spirits would continue to supply special water. This water is what you hear them call "holy water."

Many people when disturbed by evil spirits go to these “prophets” to cast them out. The truth is, they only add more demons to them. A devil cannot cast out devil. What the prophet would do is, he will pray for the member and then give him/her a red cloth to put in his/ her house, and then would advise him/her to always pray with candles and incenses. By this act the person invites us into his/her house. Sometimes the member would be advised to bring a goat etc., for sacrifice. These sacrifices are for us to come and help cure the man. The prophet has no power to cure or heal.

2. Opening of Maternities:
If a woman comes to us for assistance in opening a maternity and making it prosper, she would be given this condition:

"A month would be chosen by us in which all the children born in the maternity would die, but the other months the children would live."
If she accepts, she would also be given a charm which would attract people into the maternity. There are such maternities in Onitsha, Lagos, etc. shoes are not allowed into such maternities.

3. Opening of Fancy Stores:
When a man approaches us for assistance in this respect, he would be given a ring with a condition that no woman should be allowed to touch it. He also must agree to be our member. If he accepts to fulfill these conditions, his store would be stocked always with the best and latest materials by us.

4. Giving of Children:
If a barren woman goes to some native doctors, after laying her complaints, she would be asked to bring the following: a white cock, a goat, native chalk and baby care. She would be advised to go and in her absence, the native doctor will come to us bringing these things. We would then mix certain things which are difficult to explain in writing, and include human ashes. He would use this charm to cook food for the woman etc. She would become pregnant and give birth, but it's not a normal human being. If the child is a female she would live and even get married but would remain barren all her life. If the child is a male he will live and even be trained only to die suddenly. They never live to bury their parents.

I would like to mention here that barrenness is mostly caused by demons. You may see a woman barren here on earth, but she would have children in the sea. I therefore advise God's children to wait on God alone because only God gives real children.

5. Giving of Money:
If a man comes to us for money, he would be given these conditions to fulfill: He will be asked to give a part of his body or if he has a family he would be asked to bring his son. If single, he would be asked to bring his elder or younger brother.

Whoever he decides to bring must be from the same womb. Something worth mentioning is: during the killing of the victim, the person who brought him would be given a spear or an arrow. His relations would be made to file past in a mirror. As soon as the one he had donates passes, he would be asked to strike and as this happens the victim would die where he is.

There are other methods but one thing Satan does is that: He makes sure that in the different methods, the donor becomes responsible for the death of the victim, by making the donor strike the victim. remember, satan has no free gift!

### Chapter 4: How Satan Fights Christians

For we wrestle not against flesh and blood, but against principalities, against powers, against spiritual wickedness in high places.» Ephesians 6: 10-12
Fighting Christians

After the command by Lucifer to fight the Christians, we then sat and mapped out ways of fighting them as follows:
1.Causing sicknesses.
2. Causing barrenness.
3. Casing slumber in the church.
4. Causing confusion in the church.
5. Causing lukewarmness in the church.
6. Making them ignorant of the Word of God.
7. By fashion and emulation.
8. Fighting them physically.

Amongst the above I would like to explain two:

1. Fighting physically:
With the T.V. given to me, I would see the born again Christians. We do not fight hypocrites because they belong to us already. We would then send our girls first to the big churches. Inside the church they would be chewing gum or make a child cry or do anything that would distract the people from hearing the word of God. They may

decide to come spiritually and cause the people to sleep while the preaching is going on. The moment they see you have a sober reflection because of the preaching, they would wait on you outside the church and as soon as you come out, one of them would greet you and even present you a gift (and it's always what you love) and would appear very friendly. She would do everything and before you knew what was happening you had forgotten all you learned in the church. But for a real Christian, one of these girls, after the service, would jump out to greet you and would desire to know your house with the pretext that she was new in town and did not know many Christians around. On taking her home, she would quickly buy bananas and the Christian would take this as a gesture of love. She would continue her visits until she finally puts off the light of Christ in you and then stops coming. Major operations in the living churches and fellowships are: discouraging the Christians from reading and studying the Word of God, and thereby making them ignorant of their authority and of the promises of God. In crusade grounds these girls would be sent to cause disagreements and quarrels.

**How Christians are Known?**

The born again Christians are not known by the Bible they carry always or the many fellowships they attend. They are known in the spirit world by the light that shines continuously like a very bright candle in the heart or a circle of light around the head or a wall of fire around them. When a Christian is walking along, we see angels walking along with him/her, one by the right, one by the left, and one behind. This makes it impossible for us to come near him/her.

The only way we succeed is by making the Christian sin, thereby giving us a loophole to come in. When a Christian is driving a car and we want to harm him/her, we find that he/she is never alone in the car. There is always an Angel by him/her. Oh if the Christian only knows all that God has for him, he will not meddle with sin or live carelessly!

2. The Making of Backslidden Christians

As a chairman appointed by Lucifer, I would send these girls to living churches and fellowships. These girls would be well dressed and after the preaching would come out for the altar call, pretend to have received Christ and would be prayed for. At the end

of the fellowship or service they would hang around waiting for the preacher who naturally would be very happy for these new converts.

The converts may even follow the preacher to his house. If the preacher does not have the spirit of discernment she would lure him into the sin of fornication or adultery. This takes place the moment he admires her lustfully. She would make sure he continued in this sin until she finally quenches the Spirit of God in him and then leave him, mission accomplished.

At this juncture, I would like to give a testimony of a Minister. In the evil spirit world he is known as a man of God. When he went on his knees there would be confusion among us. We therefore sent these girls to him. This man would even feed them but would refuse to be enticed. They did all they could but never succeeded. As a result, these girls were killed for their failure.

I then changed to a woman and went to him, and by words an actions tried to entice him, but he was adamant. This was too much for me, so I decided to kill him physically. One day, this Minister went to Oduekpe Road market town. I watched him and as he bent down to price some commodities I wheeled an oncoming trailer loaded with drums of oil into the market where he was. The trailer struck the NEPA high tension pole and fell right into the market, leaving many people dead, but this Minister escaped. How he escaped was a miracle. Another day, I saw him traveling to Nkpor town on foot. I again wheeled an oncoming army lorry loaded with yams to kill him. The lorry went straight into the new cemetery road, killed many people, but this Minister again escaped. After this second attempt we gave up. He is still alive!

Because of a single Christian, the devil may decide to destroy many souls, thinking he could kill him, but he always fails. These incidents had happened to many Christians unknown to them, but their God always delivered them. The trouble is, the devil does not give up. His thoughts are always: “I may succeed.” But he never does. As long as the Christian walks with God's Love and remains in Him and does not get entangled with the affairs of this life, the devil can never succeed, no matter how hard he tries. Only the unbeliever is at his disposal.

### The Oppression of the Christian

This mostly happens in dreams. A Christian may see in his/her dreams the following:

1. A dead relation visiting him/her.
2. Masquerades pursuing him/her.
3. Mates swimming in the river.
4. Mates bringing food and asking him/her to eat.
5. A single female having sexual intercourse or even a married one having sex with a man. This, if not dealt with, sometimes leads to barrenness.
Or a pregnant woman sees herself having sexual intercourse with a man. This, if not immediately dealt with, could lead to a miscarriage.

If a Christian experiences the above in his/ her dreams, he/she should not put it aside by the wave of the hand, but on getting out of sleep he/she should examine himself/ herself and confess any known sin unto God, bind all those demons and ask God to restore whatever had been tampered with. This is very important. The person should also seek the help and counsel of a mature Spirit-filled Christian, older in the faith.

### The Devil's Soul Winning

When Jesus Christ was leaving this earth; He gave His disciples a command: “Go ye into all world and make disciples of all nations.” While some Christians are still waiting for a more suitable and convenient time to obey this command, the devil has also given this command to his agents. The difference is, the devil's agents are more serious in winning souls than the Christians!

One of the areas of the devil's soul winning is the secondary schools, especially girl’s schools. Some of our girls are sent into the schools as students. We supply them with all the latest and expensive underwear. This is first priority, because in girls' hostels, they like using underwear only. Our agent would never lack anything, cosmetics, dresses, underwear, books, provisions and money. A particular bathing soap would be given to her to lend to any student who requests for soap from her. A girl desiring to be like her would be attracted and would befriend her. Gradually our agent would

introduce us to her. At this point we would visit her physically and would start giving her gifts and meeting her needs. With this, she would join us willingly. She in turn would win another and so on. This is taken as a mission and it is carried out with a determination to succeed.

One thing should be made clear: satan does not force anyone. What he does is to attract and make you come to him willingly. That is why the Bible says: “Resist the devil and he will flee from you” (James 4: 7). Another area of soul winning for the devil is giving lifts. We would send our girls to stand on the road, and usually they are very beautiful and attractively dressed. You will also find them in hotels and through these avenues we get men and women. Many people we see advertised in the papers as missing, got lost through giving lifts to girls they did not know.

You should therefore be careful who you lift in your car.

### Chapter 5: My Encounter with Jesus Christ

In the month of February 1985, we had our normal meeting in the sea, after which I decided to travel to Port Harcourt in Rivers State, to visit my late uncle's wife. I met a man called Anthony. He has a workshop at Nwaja Junction, along Trans-Amadi Road, Port Harcourt, Rivers State. He sent for me and since in our society we have a law never to refuse calls, I decided to answer his call. I went to him in the afternoon on a Thursday of that week. He started by saying God has given him a message for me. He brought out his Bible and started preaching. There were three other Christians seated (a male and two females). He continued his preaching for a long time and I wasn't sure I heard all he said. He asked me to kneel down for prayers. I obeyed and quietly knelt down.

Immediately he started his prayers. I was knocked down by the spirit of God and I fell flat. I struggled up and stood like an iron. I destroyed the iron chairs inside the workshop. I looked outside and saw three of our secret society members, a man and two girls. They came in human form and moved towards the door but because of the power of God they could not enter.

I am sure the alarm in the sea alerted them of the trouble and with the T.V. they knew where the problem was and had sent the 'powerless' rescue team. This always happens when any member runs into trouble. While the two Christian men pulled me down on my knees, the girls continued praying and binding the demons, but they were not specific. They asked me if I believed in Jesus Christ, I said nothing. They asked me to call the name of Jesus, I refused. They asked me my own name and I told them. They struggled for hours and released me to go. No spirit was removed from me, so I went out the same way as when I came in.

### The Church Events

The following day being Friday, I was invited by the same Anthony to attend their night vigil at the Assemblies of God church, Silver Valley, Port Harcourt. I accepted this invitation because attending church services to cause slumber and confusion was part of our assignments. The program started with choruses. We sang until one of the members raised a popular chorus by a particular Christian Band, of the powerlessness of other powers except Jesus' power.

Then I started laughing. I laughed because when in the spirit I looked into their lives almost three quarters of the people singing this chorus were living in sin. I knew that because of the sins in their lives, they were exposed and could be harmed seriously by these powers. It is important that Christians obey the word of God and not allow besetting sins to remain in their lives. In that service we were four from the sea and were singing and clapping with them. Again I want to stress here that when a service is started, members should be advised first to confess their sins, then go into a period of real praises to God. This will make an agent of Satan present very uncomfortable and in fact escape for his/her life.

In this particular service we were very comfortable and even went into operation. Many started sleeping, choruses were sung weakly and things went zig-zag. Brother Anthony had already told them about me so at about 2.00 a.m. they called me out to pray for me. As soon as I came out to the front they started pleading the blood of Jesus. I stopped them and said: “It is not pleading the blood that is the solution. I am a deep secret society member. If you agree that you can deliver me, then will I kneel down.”

These words I spoke were not premeditated. The blood of Jesus scares the demons and protects the believer, but does not bind demons. Binding of demons only takes place when the Christian uses his authority and gives the command.

They agreed and I knelt down. At that point a sister led by the Sprit of God shouted and said: “If you are not worthy, do not come near!” I am sure many did not understand what she meant. It is dangerous for a Christian living in sin to cast out demons. Many withdrew and a few came out to pray for me. As they started with “In Jesus name,” I heard a big bang inside me and fell on the floor. Immediately the flying demon in me went into action. I started running with my chest. Anybody possessed with this flying demon is always very wicked and dangerous. The brethren never saw what was happening spiritually. I was running because of the stronger power in the room.

Two opposing forces went into action and the atmosphere changed. I suddenly stood up and became very violent etc. A demon went out of me and possessed a boy in their midst and he started fighting them, trying to rescue me. The brethren never wasted time with him rather they took him and others who were afraid to the church vestry and locked them inside. This continued till 7.00 a.m. I was physically exhausted and became quiet, so the brethren gathered around me again and started shouting: “Name them!” “Who are they?” etc. I kept quiet. After waiting for a long time and I said nothing, they were deceived to believe that I was delivered. They prayed and we dismissed. I was so physically weak that I found it difficult to walk out of the church. But something happened, for as soon as I walked out of the church and crossed the road, I became very strong physically. Perhaps some of the demons that left came back. I became very angry and decided to take vengeance on the church. “This people had insulted me” I said to myself, and for this insult I was going back to Lagos and get more powers with others as wicked as myself, and then come back to Port Harcourt to take vengeance on ALL the members of the Assembly of God, Silver Valley.

### En Route to Lagos

On getting to my uncle's wife house, I told them I was leaving for Lagos immediately. I refused to be persuaded to stay and I took a taxi to Mile 3 motor park where I took a taxi for Onitsha. My intention was to stop at Onitsha, see a friend and then proceed to

Lagos. At Mile 3 we took off and on getting to Omagwe, at the International Airport Junction, I heard a voice calling me by my native name “NKEM.” I turned around to see if there was a known face in the taxi but there was none. Who could this be? Only my late mother calls me by that name, all others including the spirit world knew me as Emmanuel.

While I was still wondering, the voice came again: “NKEM, are you going to betray me again?” I did not recognize the voice but the voice continued asking me: “Are you going to betray me again?” Suddenly I had severe fever. The heat that came out of my body was so high that the other passengers felt it. One of them asked me: “Mr., were you well at-all before traveling?” I told them I was well and that I never had even a headache before leaving Port Harcourt.

At Umuakpa in Owerri, I collapsed inside the taxi. The next I knew was that two men, tall and huge, came to take me, one on my left and the other on my right, and they never spoke a word to me. They led me through a very rough road with bottles and metals. As we moved along, these bottles and metals gave cuts and I started crying but these men still did not say a word. We moved on and came out to an express road. It was here one of them spoke and said: “You are a wanted man!” and we continued. We moved on to a very large and long building that looked like a Conference Hall. As soon as we climbed the pavement a voice from inside said: “Take him in!” They took me in and disappeared, leaving me alone.
What I saw inside this hall is difficult to explain, but I will try to explain as much as I can. The hall was well decorated and so large and long that one finds it difficult to see the end of it. I walked to the middle and then was able to see the end. At the end was an altar. I saw a moon and stars surrounding the sun. Then I saw a throne and seated on it was a very handsome man with a garment shining like the sun. He said: “Come!” But because of His brightness I could not go. Whenever I tried to move a leg I would fall.

I stood up, tried again and fell. Suddenly a moon came out of the throne where He was sitting and moved on the ceiling right up where I stood. Then two hands came out of the moon, held my head, shook me and my physical body pulled off, like pulling off a

dress. And the real me stood. The hands folded it as if folding a cloth and dropped it at the corner. The moon then moved back to the throne and then He that sat on it said again: “Come!”

### The Spiritual Cleansing

I walked to a point and He stepped out of the throne to me, removed my legs one after another and poured out what was inside them and fixed them back. He did the same with my hands and put them back, in fact all the places the Queen of the Coast kept powers. I wondered in my mind, who can this be and how did He know the spots these things were kept. After this He went back to His throne and asked me to come. As I started walking, certain objects started falling from my body, scales fell from my eyes, etc., but before I got to the altar it stopped. “WHERE ARE YOU GOING?” He asked.

I answered and said: “I am going to Onitsha to see a friend.” He said: “Yes, but I will show you what you have in your mind.” Up till this moment I did not know who He was, but one thing was certain and that was He was more powerful than all the powers I had come across. He beckoned on a man and asked him to show me what I had conceived in my heart. This man took me to a room and opened something like a blackboard. In fact, if there was a way to escape I could have escaped, for before me was written all that I had planned against Christians and my plan against the Assemblies of God church, Silver Valley. The man brought me back to the altar and left.

He came out of the throne and took me by His hands and said He was going to show me certain things. On our way He said: “I do not want you to perish but to save you and this is your last chance. If you do not repent and come and serve me, you will die. I will show you the abode of the saved and the disobedient.” When He said this, I then knew He was Jesus Christ.

### The Divine Revelations

We entered a room and He opened something like a curtain. I saw the whole world, the people and all the activities going on. I saw both Christians and unbelievers all doing one thing or the other. We went into a second room. He opened a curtain again and

 From The Mountain Prophecies Copyright 2010

what I saw was a sorry sight. People chained! He called these people “the hypocrites.” These people looked very sorrowful and He said: “They will remain this way until the judgment day.”

We went into a third room. He opened a curtain and I saw many people rejoicing and wearing white garments. This time I asked him: “Who are these?” He said: “These are the redeemed awaiting their rewards.” We went into a fourth room and what I saw was very frightening.

Dear reader, it is difficult to describe. It looked like a whole city on fire. Hell is real and terrible. If you had been made to believe that Heaven and Hell are here on earth and that man has no hereafter but total annihilation after death, you better be well advised here and now that there is a real hell and there is a real heaven! No wonder when Jesus Christ was on earth He warned man about hell. I say it again, hell is real. I saw it and it is a terrible place. I asked Him: “What it is?” His answer was: “This is prepared for satan and his angels and for the disobedient.” He named them as recorded in Revelations 21: 8: “But the fearful and unbelieving and the abominable, and murderers, and whoremongers and sorcerers, and idolaters and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.”

We went into a fifth room and when He opened a curtain, what I saw can only be described as GLORIOUS. It was as if we were looking at it from mountain top. I saw a new city. The city was so large and beautiful! The streets are made of gold. The buildings could not be compared with anything in this world. He said: “this is the hope of the saints. Will you be there?” Immediately I answered “Yes!” After this we went back to the throne and He said: “Go and testify what I have done for you.”

Again, He took me to another room and when He opened a curtain I saw all that I was going to encounter on my journey to Onitsha and Lagos and how He would finally deliver me. After this He said to me: “Do not be afraid, go, I will be with you.” He led me out of the hall and vanished, and I woke up on a bed in another man's house. I shouted, so the man and his wife ran out from their room. They first peeped and then came in. “Why am I here?” I asked. The man then narrated how I collapsed in a taxi and

how they carried me to the Catholic Cathedral there in Owerri. How they sent for a Doctor, who came and after examining me said my pulse was normal and that they should wait and see what would happen. The Doctor gave them the assurance that I would revive. The man then took me in his car to his house and had been waiting. He also confessed he never knew why he believed the Doctor and why he took responsibility of taking me to his house.

They asked me my name and address which I gave them and after that I kept quiet and never told them my experience. I stayed calmly with this kind family for two days and then the man and his wife drove me to the Owerri motor park, where I took a taxi to Onitsha. All that the Lord showed me about my journey happened one after the other. I took another taxi to Lagos first thing the following morning. I obeyed and left Lagos for Port Harcourt the following morning. I often ask myself, why would the Lord save a man like me. A man so wicked and destructive, an agent of Satan! I found the answer in these three words: God is love. Indeed, God is Love!

### Chapter 6: Temptation and Victory

«My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand» John 10: 27-28

After my conversion to Christ, the first thing that happened was all the gifts from the sea, the telescope, the T.V., shirts, photographs I snapped inside the sea laboratories and the photograph of the Queen of the Coast which were displayed in my flat vanished.

On returning to Port Harcourt, I had the urge to testify what the Lord had done for me but was not allowed in the church. My late uncle's wife, who is also a Christian, took me to one of the pastors, but the question he asked was: “Did he bring the paper?” It was later that I understood that the paper he meant was a 'membership letter.' What has membership letter to do with my testifying the power of Christ and what He has done for me- God, translating me from the power of darkness into the kingdom of His

 From The Mountain Prophecies Copyright 2010

dear Son, in whom I have redemption through His blood, even the forgiveness of my sins?

I was sad, having known that Satan does not allow young converts to go about testifying, especially those who previously were deeply involved in his activities, and would do everything to stop such testimonies. Again I remembered, the Lord clearly instructed me to “go and testify what I have done for you” and here I was faced with rejection. Perhaps it was not yet time. So I decided to shelve giving my testimony to anyone. I traveled with three traders from Aba to Togo for a business trip. There I bought goods worth N160,000 (One Hundred and Sixty Thousand Naïra). Out of this amount my personal money was N70,000 while the remaining N90,000 was borrowed from traders in Aba. Amongst the things I bought were bundles of laces, assorted drugs (especially antibiotics), injections, thermometers, etc. At the Nigerian border, we were held by the Customs and later were asked to pay some bribe. We refused and the goods were seized including those belonging to my colleagues. A few months later, those belonging to my colleagues were released, except mine. I went back later and was asked to pay N40,000, but on checking the goods I discovered that all the valuable goods, bundles of laces, injections, drugs, etc., were already stolen. I assessed the remaining goods and knew that paying N40,000 to the Customs would only increase the loss, so I decided to forego the remaining goods.

The traders whose money I borrowed started chasing me. Some called the police, others took the laws into their hands and planned to do away with my life. The only solution was to close my Bank accounts and use all the money I had to settle all the debts. By God's grace, I paid all except N1,000 meant for my landlord in Lagos. I went completely bankrupt and would borrow even 20k for taxi fare.

I went to a few business Christians I knew then, to seek for help to enable me start afresh. None said yes or no, rather I would be asked to come the following day repeatedly until I would be tired or find help. I did not know the Word of God and with all the confusion in my heart, I would read the Bible and would not understand. Still contemplating on what to do, I received an urgent call from my village. I rushed home and found that the little building I was setting up had been pulled down by my uncle

who was also present and threatened to kill me. The old nature in me was challenged. I remembered when I was with the secret society, how he dreaded me and would go on his knees before me. But now he knew I was a changed man (how he knew I did not know as I had not traveled home since my conversion) and he now threatened me. I called on the Lord and said: “So you saved me to leave me frustrated and to allow my enemies to rejoice over me!” I wept and decided to go back to the society.

At least I would be saved from all the confusion and would also teach my uncle a lesson he would never forget all his life. Although I took the decision, I had two prominent fears within me: 1. During my conversion, the Lord clearly told me: “This is your last chance.” My going back to the society might mean death, not only physical but also spiritual death. 2. If I remained in the Lord, my uncle was breathing threats to kill me.

I was so confused and I needed help. I was ignorant of the Word of God and never knew what the Word says in respect of the above. Dear reader, you will realize here that I had all these confusions because of lack of follow-up as a young convert. Follow-up for young converts is very important and Christians should take this seriously. If you know you cannot follow-up your converts, please do not go out for witnessing. Jesus Christ emphasized this three times when he asked Peter: “Simon, son of Jonas, lovest thou Me more than these?... Feed my lambs.” Many converts backslide because of lack of proper follow- up. If you love Jesus, take care of His lambs!

### The Battle with Satan's Agents

During this period the Queen of the Coast's agents started pursuing me. I suffered greatly in their hands. I had nightmares. On the 1st of May 1985, a month after my conversion, at about 2.00 a.m., others in the house were asleep. I was awakened by these agents. They commanded me to walk out of the house. I obeyed, walked out and they followed behind. It was all happening like a dream but this was in reality. We moved on to the burial ground by St. Paul's Anglican church, off Aba Road, Port Harcourt.

On reaching there they said: “You must come back. If you refuse we will kill you or make you a destitute.” After this instruction they left. I regained my senses and wondered how I came into the burial ground. I went back to bed and slept. They decided attacking me in the afternoons. At times, while walking along the road they would fight me. Others around would see me fighting with the air or see me running as if being pursued. I alone would be seeing them. This they did for four times and stopped. Then their leader, the Queen of the Coast, took over. The first day she came in a car and parked beside our house. She was well dressed and as usually very beautiful. People around took her to be my girlfriend. Immediately she came in I knew who she was. She came at about 12.00 noon when the whole area was less busy. She sat down and among other things said: “You can go to your church, believe whatever you want to believe, but if only you will not reveal me, I will give you anything you need in this life.” I had not known the Scriptures so I only listened and watched her walk. She pleaded and tried to persuade me to come back to her. I never said yes or no to her. She stood up, walked into her car and drove off.

About two times my uncle's wife entertained her without knowing who she was and I never told my uncle's wife who the lady was. During her last visit she changed her approach. This time she gave me a stern warning saying that she had tried during these visits to persuade me to come back to her and that I had been very stubborn, and that this was her last visit. If I still refuse to come back, she would come to me in August and would either kill me, or disfigure me or make me destitute. With this she left.

I was afraid, so one day I went to the church and called out a brother. I told him my problems and my observations on some members of the church, etc. This brother gave me the SCRIPTURE UNION'S (S.U.) office address and told me: “There you will find help.” Incidentally that was the last day I saw this “brother.” I have never seen him anywhere in Port Harcourt up till date. I took the address and the following day, took a taxi to No. 108 Bonny Street, where the office is and met the typist who gave me the quarterly program of activities of the S.U. Rumuomasi Pilgrims Group, being the one nearest to me. She said: “Come on Sunday!” I was there at the Fellowship Centre – St. Michael's State School, Rumuomasi – at 2.00 p.m., not knowing that the fellowship starts at 3.00 p.m., but I met the prayer band, so I joined them.

After the fellowship that day I knew this was the right place for me. God provided me with a Christian lady, whom I took as a mother, who took interest in explaining the Word of God to me and counseled me as well. The brethren became very interested in me and cared. I saw real love. The Holy Spirit began giving me understanding of the Word and my faith grew. But the Queen of the Coast did not show up as she threatened. Psalm 91, God's protection, was fulfilled in my life. Isaiah 57: 17: "No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, said the Lord." This also was fulfilled.

September 1985, I received a message that my name appeared as a distributor with the Silver Brand Cement, Lagos and that I was expected to report at the office on 27/9/85. I left Port Harcourt on 26/9/85 and arrived in Lagos in the night. The following morning 27/9/85, I went into the office only to be told by the Personnel Manager that my allocation had been assigned to someone else. He asked me to repeat the following day 28/9/85 to see the Managing Director. On my way back to my flat, passing through a path, someone came from behind and gripped me and tried to suffocate me i.e. held my nose and mouth together. I struggled for life and while people passed by, none came to my rescue, but the Lord intervened. While I still struggled with the hands I heard her shout and pushed me away saying: "Who is that person behind you?" She repeated a second time and disappeared. From the voice I knew it was a woman but never saw who she was. I was dazed and staggered to my flat.
Here again my landlord was very furious and said: "Why did you run away with the money of my rent?" I pleaded with him and tried to explain that presently I was not working and would pay all his money as soon I had money. With the way he consented I thought this matter was settled. The following day 28/9/85, I went back to the office and met the Managing Director who apologized for having given my allocation to another. While he was still talking a young man walked in and asked me: "Are you not Emmanuel?" I said: "Yes, I am." He said: "Yes, we have got you at last! Have you finished running? We have visited Port Harcourt several times and found that you were always with your spiritual mother. She had been a stumbling block to us and now that you have come to Lagos we have caught you! You can never go back to Port Harcourt. I

am the one that took your allocation." I challenged him and told him: "You can't do anything!" The Managing Director was surprised at what was happening in his office. I excused myself and left for the flat.

Few minutes later I heard a knock on my door and NINA entered. She asked me if I was going back to Port Harcourt. I answered yes. She pleaded with me to come back to them and that the jobs I was particularly trained for were still lying unaccomplished: KOTIPARI (in the Yoruba language). I had been trained:
- to be in charge of the agents of demonic powers.
- to be in charge of the "sea control room," to monitor the happenings in the world, to send and receive signals, and to mobilize forces, etc.
- to be next to the Queen of the Coast. This involved not only ceremonies, sacrifices, execution of special assignments by her, but also other things difficult to explain.
- with the assistance of the powers of darkness, to establish new secret societies that would appear harmless so to attract young people and more church goers.

She said, if I accompanied her, what awaited me was double promotion and many blessings. She confessed they were responsible for my goods being seized and stolen, also that they instigated my uncle to destroy my building and to threaten my life. That if I refuse following her, they would do more and make sure that I did not prosper. That they had decided to fight my spiritual mother: "If we get her, we've got you" she said. At that, I started preaching to her. She stood up and said: "They are deceiving you," and left. This took place in the evening of 28/9/85
Not quite fifteen minutes she left I heard another knock. This time they were four men. They beckoned on me to come out and I saw myself going along with them. We walked up to about 2 poles and one of them asked me: "Do you know us?" I said no. He continued: "We have been hired by your landlord to kill you." While he was still speaking one among them brought out a gun and another brought out a dagger. I was defenseless and knew that they would kill me, but God in His supernatural manner performed a miracle that surprised both myself and themselves. The man with the gun fired at me but there was no sound. The man with the dagger used it on my back but it never penetrated rather it sounded like using a rod on someone. They were as frightened as I was. The Spirit of God came on me and I started preaching. Three of

them ran away, but the fourth man broke down and started weeping and pleaded that I should pray for him. I did not even know what to pray at that time but only said: “Lord, please forgive, forget and pardon him. Amen!” He gave his life to Christ so I took him to a Pentecostal church and explained what happened to the Pastor. I handed him over to the Pastor and left. As I walked into the house the landlord ran out and on his knees started pleading and said: “Please forgive me. I thought you decided to run away to Port Harcourt because of my money (N1,000).” I forgave him and we finally agreed that the money be paid by installments.

That same night, about 2:00 a.m. the Lord woke me up. I did not know why I woke up so I walked to the living room and what I saw was a large tortoise facing me. Immediately I remembered the Bible study we had in Port Harcourt, about the power in the word. I then spoke these words: “Tortoise, since I was born, the home of the tortoise is either the bush or the sea, but for coming into my house while windows and doors are locked you have sinned, and for this you must die.” As soon as I said this it vanished. I went back to the room and slept. A second time again, I woke up and heard some noise in the living room. I went and there standing before me was a horrible looking vulture. I repeated the same words and as soon as I said: “For committing this sin you must die,” it vanished also. During this Lagos trip I saw God's goodness, greatness and faithfulness.

The following morning 29/9/85, I took a luxurious bus to Port Harcourt. Reaching Ore, the bus ran onto a tree. It got damaged but no one was hurt. The driver pulled it out back to the road and as he drove along, the bus started swerving from one side of the road to another. I remembered NINA's threats, so I stood up in the bus, preached to the passengers and concluded by saying: “It is because of me that these accidents are happening. But from now on, there shall be no more accidents until we get to Port Harcourt, in Jesus' name!” And I sat down. In fact, when I sat down, I wondered at what I had said. And so it was. The vehicle moved smoothly to Port Harcourt. No more accidents or breakdowns. The Scripture rightly says: “Behold, they shall surely gather together, but not by Me: whosoever shall gather together against thee shall fall for thy sake” (Isaiah 54: 15). They (the Queen of the Coast and her agents) tried, but because their gathering was not unto the Lord but against His child, they all stumbled and fell.

### Chapter 7: Activities of Satan's Agents

«Put on the whole armor of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places» Ephesians 6: 11-12

This book would not be complete if the different methods of operation of these powers are not exposed. Also it is important that the different forms in which they manifest themselves be exposed.

One thing is clear and that is, the devil would either encourage you to believe that he is a myth or simple evil thoughts, or would make you see more of his powers and less of the powers of God. While the Bible says: "We wrestle not against flesh and blood but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places," the Bible also says that the weapons of the Christians against the devil and his agents "are not carnal but mighty through God to the pulling down of strongholds, casting down imaginations and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ" (2 Corinthians 10: 4-5). Again the Scriptures clearly declare: "For this purpose the Son of God was manifested that He might destroy the works of the devil" (1 John 3: 8). And Jesus having spoilt principalities and powers, He made a show of them openly, triumphing over them.

"Thou art snared with the words of thy mouth, thou art taken with the words of thy mouth" (Proverbs 6: 2) say the Scriptures. Therefore the child of God must be careful to confess the Word of God, which God has promised He will hasten to perform. There are three confessions stated in the Word of God:

1. Confession of the Lordship of Christ.

2. Confession of faith in the Word, in Christ and in God the Father.
3. Confession of sin.

When we hear the word “confession,” we easily think of sin. The dictionary definition of confession is:
1. Affirming something we believe.
2. Testifying to something that we know.
3. Witnessing of a truth we have embraced.

It is therefore to be regretted that whenever we use the word confession some minds run to sin. The author is here encouraging the child of God to start today to confess what God has said. You who were dead in trespasses had God quickened together with Christ and He has raised you up together and made you sit in heavenly places (far above principalities and powers) in Christ Jesus. Christians should therefore realize where they are seated. They should know that they are operating from that height, above Satan and his agents. The Lord Jesus Christ has given you all powers and authority just as He has given you all that pertaineth to life and godliness (2 Peter 1: 3). God never intended that circumstances should control His children, rather that the Word of God in the mouth of the Christian should control his circumstances. God spoke in Jeremiah 23: 29 saying: “Is not my word like as a fire? saith the Lord; and like a hammer that breaketh the rock in pieces?” Christians, I mean born again Christians, should realize that when the name of Jesus is pronounced, what comes out of their mouth is fire. When a Christian stands on the authority given him by Christ and gives a command in Jesus name, fire pours out of his mouth and any demon controlling the circumstances must obey. Jesus is alive today to see to it that every word of His comes to pass. Again, I want to highlight an important fact many Christians overlook, and which Satan is using. Jesus, after Peter pointed out to Him the dried fig tree cursed by the Lord, said:

(Matthew's account) “Verily I say unto you, if ye have faith and doubt not, ye shall not only do this which is done to the fig tree, but also if ye shall say unto this mountain, be thou removed and be thou cast into the sea, it shall be done. And all things, whatsoever ye shall ask in prayer, believing, ye shall receive (Matthew 21: 21-22).

 From The Mountain Prophecies Copyright 2010

(Mark's account) “Have faith in God. For verily I say unto you, that whosoever shall SAY unto this mountain, be thou removed and be thou cast into the sea, and shall not doubt in his heart, but shall believe that those things which he said shall come to pass, he shall have whatsoever he saith” (Mark 11: 22-25).

Here the Lord points out to us the power of the spoken word and also encourages the Christian to be specific in his prayers and in exercising his authority. Some Christians ask the mountain to move but do not tell the mountain WHERE to go. Jesus said if you shall say to the mountain: “Be thou removed and be thou cast into the sea...” Let us take the case of casting out demons for instance. Some Christians bind and cast out demons without sending them to specific destinations. This is dangerous. When you bind a demon it is bound. If you cast it out without sending it to a specific destination, it remains within the vicinity. If the demon is only rebuked out of a man, he may later come back or enter into anyone around who is not a Christian. Therefore Christians should be careful when dealing with demons. Make sure the demon is bound, cast out and sent to a specific destination.

Some Christians while praying would say: “I arrest you demons in Jesus' name.” In the spirit world you really see demons standing erect waiting for the next command. But if the Christian stops at that point, he has not helped the victim. Do not play around with the devil. You don't play around with your enemy. God has sent you out on a ministry of deliverance and reconciliation (reconciling men to God). Therefore you must be careful to do a thorough work. I repeat, when you bind a demon, it is bound. When you cast it out to any destination it is so. As long as you do not meddle with sin but live in the will of God, whatever command you give the devil or his agents in the name of Jesus must be obeyed. God has promised to back every word of His. As we go on to the next phase, manifestation of Satan and his agents, I want you to have the following passages on your mind: 1. “Ye are complete in Him which is the head of ALL principality and power” (Colosians 2: 10). 2. “Behold, I give you power (authority) to tread on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you.” 3. “Behold, they shall surely gather together but not by me. Whosoever shall gather together against thee shall fall for thy sake. No weapon

that is formed against thee shall prosper: and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me."

I want to show you in this book that these evil forces operate mainly in churches, market places, graveyards, jungles, hotels, sea and air.

### In the Churches

We are witnesses today that there are many possessed persons in the churches. Some speak in tongues and even prophesy. Only those with the Spirit of God can discern these fellows. But we are here discussing the agents of Satan in the churches. Again, we are not discussing the secret cult members who are in the churches (some are even leaders), we know they are there. What I am talking about is those who come in as agents of satan:

1.To cause quarrels and confusion in the churches.
2. To scatter the churches.
3. To make men and women sleep while the sermon is on.
4. To cause distraction of various sorts when the service is on.
5. To win souls for Satan.

Since I had already said a few things on the above in chapter three, I will only give you a testimony of what happened in the recent past. Christians should abide by every word of the Lord Jesus Christ, because when they disobey or compromise they are prone to fall at the slightest attempt of Satan or his agents. Christians have been called out from darkness into God's own marvelous light. Christians have been called to total separation from the world and what it offers. "Come out from among them and be ye separate," says the Scripture.

There was this sister, sister J (name withheld). She was born again and was full member of one of the 'living' churches. She later transferred her membership to my own denomination. She partook in all the activities in the church and was very active in them. But her character at a point became suspicious. So a few of us decided to visit

her at her house and to find out what was really wrong with her. While interviewing her, the spirits in her were provoked and began manifesting, and then told us she was their agent in the church. These demons were cast out of her and deliverance was ministered to her. “Sister, how come you are an agent of Satan, yet a full member of the church?” we asked. What she told us was the following: It all started one day, after a Sunday service, a 'sister' (female believer in Christ, so she thought) came to her and expressed her desire to be close to her because, according to this 'sister,' she admires sister J's Christian life. She accepted her friendship without reservations. The two went to sister J's house and the so-called 'sister' brought out bananas and ground nuts, which they both ate. She stayed with Sister J for a while and later left.

Her visits became regular, and on each visit she brought gifts to sister J. The gifts ranged from dresses, shoes, money, etc. On some occasions sister J's friend would come with many other girls. This continued for a period and when the 'sister' saw that she had succeeded in putting out the light of Christ in Sister J, she changed and started visiting Sister J in the spirit. Sister J was then given a red cloth, a water stone, a ring for her right toe, and a chain for her ankle. Because she had eaten so much with them and had taken so much from them, there was no chance of turning back. She entered into covenant with them and started attending their meetings. She could change into snake, bat, etc. She then became their agent to win souls for them in the church.

Praise God she is now delivered! All the gifts given her were destroyed and she is now happy again in the Lord. Dear reader, it all started with an unusual friendship, and because Sister J lacked the spirit of discernment and was not watchful as is commanded by the Lord “watch and pray that ye fall not into temptation,” she went astray and fell deep into the hands of the enemy and her race could have ended in hell because of carelessness. You can easily identify Satan's agents with the following: - They wear rings on one of their big toes, chain around the ankle, nose-rings, unusual bangles, etc. - They could enter into a church or fellowship and be very zealous in the activities of the group or church, just for a single Christian they are after. Some behave abnormally, others are wicked, etc.

That is why the child of God should ask God for the spirit of discernment, to enable him/her identify them at a glance. The moment they know you have recognized them, they make sure they do not come near you. The reason being that their master will warn them about you!

### In the Market Places

They operate in various forms in the market. The market is one of their major areas of operations, just as the hotel is where they lay in wait for men. In the market, they pick their victims, some pregnant women whose miscarriages they cause to enable them get the blood for their blood banks. Some victims they would accompany to their residence in order to visit such in the nights. This happens to the unbelievers! Certain fanciful products sold in the market e.g. necklaces, lipsticks, perfumes, and food items such as sardines “Queen of the Coast” etc., have strange origins.

There are certain actions Christians have to watch out, for you might see a lady or perhaps a gentleman who suddenly touches your stomach or any part of your body. It causes sickness. The Christian therefore should, on experiencing this, give the word of command in Jesus' name, scattering or destroying the plans of the devil, etc. And sure enough whatever you scatter or bind here on earth shall be so.

### Cultural activities

It is also very important to note that many people get initiated into Satan's activities or get possessed through most of these cultural ceremonies and dances. Most of our cultures are demon oriented. Some through friends, others through reading some pamphlets or novels. Demons hover in the vicinity of every idol. They function through idols in the practice of idolatry (Zachariah 10: 2). As a definite part of religion, idolatry ascribes divine power to natural agencies and pays divine honor to a created object (Romans 1: 18-22). The Scripture defines idolatry as spiritual adultery (Jerimiah 3: 8-10). Therefore a child of God should have no connection whatsoever, directly or indirectly, with idolatry. So called high life, juju and disco music are inspired by Satan and his demons.

 From The Mountain Prophecies Copyright 2010

I do remember, that before the Lord saved me, in one of the meetings we had with Satan, he said: “This world is mine and I am going to rule the whole world in my power, and would destroy all who believe in the name of the Righteous One.” Satan does not mention the name of Jesus. If anyone does that in his presence he/ she stands the risk of losing his life. He promised making those of us his agents, governors, etc. Satan is a liar and indeed the father of lies. There were also plans to silence the Christians in Nigeria by restricting importation of Bibles and Christian literature.

He operates through unbelievers in positions of leadership and authority, to initiate anti- Christian policies and programs. He establishes healing centers which would appear very religious and through them claim souls. These centers usually called spiritual healing homes are all around us. Here many lying wonders are performed to deceive their clients. Satan is very much aware of the second coming of Jesus Christ and constantly urges his agents to hurry and be ardent in their operations, always saying: “We have no time left.” Dear child of God, Satan is not sleeping, why must you sleep?

### Chapter 8: The Believer's Weapons

- THE NAME OF JESUS
- THE BLOOD OF JESUS
- THE WORD OF GOD
- CHRISTIAN PRAISES

« Finally brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God that ye may be able to stand against the wiles of the devil » Ephesians 6: 10-11
« And they overcame him by the blood of the lamb and by the word of their testimony... » Revelations 12: 11

I have already said much on this earlier, but just to give a few instances. Please realize that there is POWER in that name of Jesus! There is Power in the Blood of Jesus! The Scripture says: “And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross. Wherefore God also had highly

exalted Him, and given Him a Name which is above every name: That at the Name of Jesus every knee should bow, of things in heaven, and things in earth and things under the earth: And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father" (Philemon 2: 8-11). Again the Scripture says: "And they overcame him by the Blood of the Lamb and by the Word of their testimony" (Revelations 12: 11). Let the name "Jesus" always be on your lips! These two, the name and the blood, scatter the plans of Satan, and in fact destroy the strategies of Satan and his agents.

Secondly, you must learn to sing praises to God always. There is power in praises. There was this Pastor - Pastor I.K. (name withheld). He was pastoring a church in Ebute Metta. He became my target and his offences were:

1.He disturbed our peace by carrying out early morning calls i.e. preaching in the early hours.
2. He went about with his megaphone and stationed himself at # 2 Bus-stop along Akintola Road, Ebute Metta. There he would preach. He would not stop at that but would keep binding demons, etc.
3. In his church he would preach, exposing the works of darkness, after which he started binding demons.
4. He prayed a lot.
5. He was always singing and praising God.

I sent my messengers to him but they could not kill him so I decided to carry out the mission myself. On the said day, I saw him walking along the new G.R.A. A thing worth mentioning here about this Pastor is: any time we went for him, we would see pillars of cloud by his right and left hands, walking along with him, so these hindered us. But this particular day I saw nothing, so I was doubly sure my mission would be very successful. I commanded rain to fall to enable me to strike him with thunder. The rain started and the thundering began. All the trees in the area started losing their branches, but this Pastor was singing joyfully. I still remember the chorus: "In Jesus Name every knee shall bow."

 From The Mountain Prophecies Copyright 2010

As he continued with this chorus the rain stopped, the thundering ceased. There appeared immediately two angels, one of each side, with flaming swords. Their eyes and the swords were like flames of fire. Then a strong wind carried me away and I found myself in another town! In fact I was baffled, but because we were so hardened, what I said was: “This man has escaped again!” The Pastor did not know the spiritual war that was fought on his behalf. So, you can see, the child of God is well secured. When the Bible says: “Nothing shall by any means hurt you,” it means what it says!

The second testimony is about a Christian who boarded the same taxi with me. He was very zealous and started distributing Gospel tracts inside taxi. When he gave me the tract I rejected it. He started preaching. So I became disturbed and knocked him with the ring on my finger. That was to kill him. This boy shouted: “The blood of Jesus!” Immediately lightning and fire and an angel appeared. A strong wind again removed me with great force out of the taxi and into the thick jungle. Had it not been that I was a man backed by evil powers I could have got lost in the jungle. The Christian did not know the war that went on his behalf. All he knew, including the other passengers, was that I had disappeared from the taxi!

The name of Jesus or the Blood of Jesus in the mouth of the believer sends out fire etc. The Scripture says: “The Name of the Lord is a strong tower: the righteous runneth into it, and is safe” (Proverbs 18: 10).

Dear reader, if you are a child of God, remember that God has magnified His word above all His name (Psalms 138: 2), therefore confess the Word (the Word of God) believing that what you said shall come to pass, and it shall be so. That is God's promise!

Again I would like to mention here that you can only confess what you know. The Scripture enjoins us to delight in the Word of God, meditating on it day and night. For you to rightly divide the Word of Truth, you must know it. Colossians 3: 16 says: “Let the word of Christ dwell in you richly in all wisdom.” Again Psalm 1: 1-3 says: “Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord;

and in His law doth he meditate day and night. And he also shall be like a tree planted by rivers of water, that bringeth forth its fruit in his season; his leaf shall not wither; and whatsoever he doth shall prosper." Get close to your Bible; pray without ceasing; have a singing heart and stand, exercise the authority given to you by the Lord Jesus Christ!

### Chapter 9: Now What Next?

« The Spirit and the bride say, "Come!" And let him who hears say, "Come!" Whoever is thirsty, let him come; and whoever wishes, let him take the free gift of the water of life. » Revelations 22: 17

Having read through this testimony, you need no further preaching to give your life to Jesus Christ. The Scripture says: "The thief (Satan) cometh not but for to steal, to kill and to destroy. I (Jesus Christ) have come that you might have life, and have it more abundantly" (John 10: 10).

Satan hates you and has devised various means of taking you to hell with him. That, you can testify from this testimony. If Satan makes a promise to you or even gives you a gift, know that it is ill-intentioned. Satan is a liar and the father of lies. God called him your enemy, why not believe God and His Word?

It is not by accident that you came across this testimony. Examine yourself and make sure you are in Christ. You will only succeed in deceiving yourself if you choose to remain a 'church goer' and worst of all, if you still decide to put up an nonchalant attitude to this most important decision of your life.

We implore you on Christ's behalf: Be reconciled to God. If you are not yet saved, that means if according to the Word of God you have not accepted the Lord Jesus Christ as your Lord and Personal Savior yet, following by water baptism by immersion, we encourage you to do so without delay.

Tomorrow may be too late

## CHAPTER SEVENTY

Greetings to you, my Dear Brothers and Sisters! Blessed are some of you, my Dear Ones; for our Father has revealed that the Precious Manchild has been released to some of you! I do not know who you are; and I do not know where you are, but for a certainty, the Precious Little Son of the King has been released to some of you! Blessed is the Holy Name of our Mighty Saviour, Lord of Lords and Kings of Kings, Jesus, our Blessed Redeemer!

Our Saviour is beginning to bring forth His mighty kingdom, even in its infancy, but it is coming forth.

If you really wish for the precious Son of the King, the manchild of Revelation Chapter twelve, to come and live within you, go and read our Father's directives in chapter fifty-four of Book Twelve.

As I have told you in the last message, this precious Son of the King is so awesome that I hardly have words to describe Him; for He is not of this world, but comes from our Saviour. He is full of our Saviour's powers and is pure fire. He is the fire, which will cleanse and make ready the Bride. Glory to our Mighty King forever and ever!

I am so thankful and so deeply humbled; and I am hoping that many of you receive him and very soon also. Big hugs to you, my Dear Ones and much love to each of you, who will receive him; for through him you will be sorely tried and tested as to your faith! You will be made spiritually clean in every way and you will be made ready for the Marriage of the Lamb. Holy, holy, holy is our Mighty God; and He is calling for holiness! Read on, my Dear Ones; for my heart has been heavy about so many things in this world. And, our Saviour is speaking …

"Father, have mercy!"

 From The Mountain Prophecies Copyright 2010

"Oh, Blessed and Holy Saviour, oh King of Kings and Lord of Lords, In Jesus' Name I come to before You, Oh Mighty Creator! For, my heart mourns and my soul groans before You! Great is the darkness, which is within the hearts of mankind!

Oh, Father, were it not for Your great grace and mercy, none of us would make it into Your presence; but oh, Blessed Saviour, You are full of mercy! You are full of love and grace and You do not take any joy in our great suffering in this life, or in the fiery chastisements after this life!

Father, my heart is in travail; for I know the great evil, which covers the planet! I believe that I know more about it than most people on the planet; for Your Precious Son, the little Manchild of Revelation Twelve, and I have suffered so greatly beneath the feet of evil! Father, I really do hate evil; for it is utterly destructive and it is because of evil that so may are deceived and their souls perish in the burning flames. But, My Lord, You clearly tell us in the Scriptures, that You create evil! (Isaiah 45:7)

Now, Oh Blessed Saviour, this has us in a great and sorrowful state; for You have created evil and You have created good! You have created all things; but, My Lord, if we do not come away from evil and get far away from evil in our own personal lives, as far as East is from West, that is to forsake evil, we will in no way enter into the Light!

But, Father, we are told to love the lost and I truly do love the lost; but My Lord, I have learned to hate evil! For, having been under the feet of Satan these past years and having seen and known the utter destructiveness of evil, having suffered so beneath the terrible pride and arrogance of the evil ones, I really despise what they do!

But, Father, we are all under their feet! The whole world groans beneath the feet of evil! And, while I really want to see you destroy evil and to bring forth Your mighty kingdom, I also desperately want You to save the lost! Father, I know that You can save anyone, but the Scriptures tell us that our Father must draw a soul to you! (John 6:44)

Therefore, Father, as I so want You to destroy evil and as I so despise the works of the sorcerers, Father, I find it so hard to pray for the salvation of those souls, who kill

babies alive and eat their flesh and drink their blood! Father, my bowels are full of compassion for those, whom they murder and eat! My heart is so full of sorrow for the innocent blood, that they have shed! Therefore, Father, I really do not know how to pray for some of this great evil; for my heart is so full of grief for the innocent whom they have killed and devoured. Father, have mercy on me; for I do not with to pray in error!

While I so want to see You destroy this great evil, which is destroying, consuming and devouring so many souls, I also long to see You save the greatest numbers of souls! Father, what would You have us to pray as regards these wicked sorcerers? Please help me in this, Father; for I do not wish to pray outside of Your will in this, but to pray Your will."

## "Our Father's Response!"

"My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! I am He, who gave command to shape the Earth and all that is in it; and I am He, who stretched out the heavens! I, alone, am Most High! I am Lord of the Universe and besides Me there is none other! And, yes, I create good and I create evil; for there is a black and a white! There is a night and a day!

My Little One, you have said that you hate evil and you have done well in saying this! You have said that you love the lost and desire to see the salvation of the greatest numbers and you have done well in saying this!

Hear Me when I tell you that all unrepentant sorcerers, and all workers of witchcraft and all purveyors of false doctrine will have their place, first in Outer Darkness and then in the Lake of Fire! Hearken, when I tell you, that I will destroy the evil that I have, Myself have created!

Yes, this evil has been a yoke, a burdensome yoke, upon the blind and unsuspecting all over the world! This evil has been a burdensome weight upon My people the world over! For, all that is evil is out to devour all that is good and right and of the light!

 From The Mountain Prophecies Copyright 2010

Therefore, a great war goes on around the world every day of every week; and sadly many are unaware of this great war, as the works of evil are full of deception! The works of evil are appealing to the senses and they are tied to momentary pleasures of the body and the senses. Therefore, what is evil is often very appealing; for it brings a momentary sensory pleasure! And, for these reasons, many, many do not recognize evil and they readily slip into evil and quickly become slaves to it!

As they slip further and further into evil, they become cut off utterly from My light! Some of them become greatly demon possessed and possessed of destructive powers, which come from light beings, who are far outside of this planet! For, it is the power, which they want! Power to kill at will, and power to enslave at will! For, they become as their Master Satan, and believe themselves to be gods!

These demons, who indwell them and these powers, which are on loan to them, are all destructive and the great goals of these powers is to utterly, totally, and completely destroy the light, which is within each of you! For, it is these dark powers, who wish to rule this planet, and who wish to destroy you!

Be advised, as well, that these sorcerers have willingly, and by choice, traded away their souls and the ownership of their own bodies in exchange for these dark powers and quickly they lose control of their own bodies.

Remember, as well, that so many have blindly entered therein! They have blindly entered into witchcraft and they have blindly entered into sorcery, but once in could not get out! After a while, they do not desire to get out; for they become greatly drunk in this power, and they greatly rejoice and take pride in their great evils, and rejoice in their powers over the life and death of others!"

**My Travail before our Saviour …**

"Father, I feel so heartbroken for the victims! I feel so sad about all, who have suffered beneath their hands and often I just wish to see evil destroyed, failing to have compassion for the souls of the sorcerers! Father, forgive me in this; for I do wish to see You save them! But, Father, this is a dilemma in my heart; for when I think of their

plucking out the eyes of children while they are still alive and of their cutting up the bodies of these precious little ones while they are still alive and eating their flesh and drinking their blood while they are still alive, I am so repulsed that I so greatly wish to see you destroy this great evil, that the innocent may be vindicated!

Oh, Father, I come to You because of this great dilemma; for when You will deliver but one sorcerer, oh what a great testimony to You and how greatly You can then use but one such person to warn the unsuspecting and to help save others, who are lost it! Therefore, Father, this is my dilemma and I ask You now, Father, how would You have Your children to pray as regards this great evil? For, it is a grievous thing, oh Lord! Please give your great guidance in this thing!"

### Our Father Continues…

"My Little One, salvation is still My promise! I have not changed! I greatly rejoice when but one turns from evil and comes to love and serve Me! But, I also hate the shedding of innocent blood and I am greatly angered by what I see on this planet: how the masses follow after evil and will not repent!

Therefore, My Little One, I am bringing My judgements into the Earth! I am bringing My fiery corrections, wherein many will repent! But, all sorcerers, all workers of witchcraft, all, who teach and follow after false doctrine, if they will not repent, will go into outer darkness and thereafter into the Lake of Fire!

### Our Saviour's Warning to His People!

Hear Me, oh you people! My heart is overflowing with mercy towards the lost and I desire to save your souls from destruction; but if you die in your iniquities, you will pay a price for your rebellious ways, a terrible price in the fiery chastisements, even to the destruction many of your souls!

### Our Saviour's Continued Response to my Requests!

Now, My Little One, you have asked me from your heart and I shall answer you from My heart! OF this nature, I would have you to pray about all, who are lost and, in

 From The Mountain Prophecies Copyright 2010

particular, all, who are lost in the teachings and beliefs of false doctrines, in witchcraft and sorcery!

### A Prayer for the Workers of Sorcery, Witchcraft and False Doctrine!

### Our Father's Prayer, as Given Through The Spirit of God!

Oh, Blessed Father, Saviour of humanity, in Jesus' Name, I come to You, Father; and my heart is heavy because of these great evils in this world! Daily, the innocent are either killed or have no opportunity to grow up in their innocence; for evil has devoured the innocence of the innocent! Evil has decided the fate of so many, even before the very times of their births. Evil has conceived and it has born a great destruction all across this planet!

Father, have mercy on the innocent, who have been slain in their innocence and bring justice, Father, in a world, where there is great injustice. Hear the cries of the innocent and bring justice against those, who have destroyed them in their innocence!

Father, only You can bring justice in such situations, where witchcraft abounds and sorcery is exalted! Father, bring down the high looks of the evil ones and exalt Yourself through the works of the meek and lowly! Father, show Yourself strong in the hearts and minds, in the works of those, who know and love You! But, Father, destroy the evil works of sorcery and witchcraft and inspect finely their souls!

Father, who among them would you save? Father, only You know the history of a soul and only You can understand what is required of each of us in this earth!

For, Father, You also know that some of the Elohim are evil and their works towards the humans are evil and as such they have bound evil to us and have caused us to walk in evil, even to do evil against our own wills. Therefore, Father, only You know whether You will save a sorcerer, or whether You will save those, who call upon familiar spirits, or whether You will save those, who are full of false doctrine and who teach it!

Oh, Father, have mercy on the lost! Have mercy on the workers of witchcraft! Have mercy on the sorcerers, if perhaps You could and would save some of their souls! Have mercy on those, who teach and follow after false doctrine!

But, Father, have an even greater mercy upon the innocent, who have been sacrificed beneath the bloody hands of these workers of great iniquity! And, Father, for the sake of these precious and innocent souls, bring a quick end to this great witchcraft and evil, which is devouring this planet! Destroy the works of these workers of witchcraft and sorcery! Put an end to their terrible works!

Father, take their powers away from them in mass. Loose and bind the wicked demons, who are in them all over the world; and put these wicked demons into hell, in the lowest levels, bound up, Father, so that they cannot come back to enter into another soul! And, Father, after You have rendered powerless these sorcerers and workers of witchcraft, prevent them from going and finding seven times more wicked spirits, but, Father, I beg You to lead many of them into righteousness, that they may help to save many souls!

Hear my cries, Father! For, I ask You to fight the cause of the innocent, to bring justice into the midst of incorrigible evil, to destroy the plans of the wicked, to save the greatest numbers of souls; and through all that You do, Father, to exalt Your Mighty and Holy Name! Thank You, Father!

In Jesus' Name, Amen!

**Our Saviour Continues …**

"And, My Blessed Child, these are My words, which I put into Your very heart! For, you have written as My Spirit has inspired you to write!"

(My Dear Ones, this is our Saviour's prayer as given to me by the Spirit of God! When you pray for those, who are in witchcraft, sorcery, or false doctrine, remember His words of guidance. And, when you pray this prayer, re-state it in your own words and

 From The Mountain Prophecies Copyright 2010

pray it from your own heart, not from memory and not from your mind, but make your own similar prayer and pray it from your heart!)

### Our Saviour's Great Warning
### To Those, who Believe and spread False Doctrine!

"Hear Me, oh you, who teach and believe false doctrine! For, if you will not repent of it and if you will not come out of it, and if you die in it, you will enter into the terrible dungeons of the dragon of Outer Darkness, from which you will not be cast back up again! Come out from among them, oh My People, lest you perish with them! Heavy is My sentence upon all, who teach and spread false doctrine; but great is My mercy towards all, who have been so deceived! If only you repent and come away from false doctrine, I will forgive you! I will wash and scrub you and I will make you clean through My forgiveness.

### Our Saviour's Great Words of Warning to the Mormons, the LDS Church!

Hear Me, oh you Mormons! For, Satan sits at the top of your church! His fiery whip is in his hand and he is steadily beating you, by the hoards, into Outer Darkness!

Oh, My People of the Mormon Church, who blindly follow after the blind, who sit in the congregation of the lukewarm, do you not know My word to the lukewarm: I will spew you out of My mouth! (Rev. 3:15-16)

Do you not understand My great anger against those, who lead My people into Satan's arms through the teaching and disseminating of false doctrine? For, I have sharpened My sword and I have made it ready! It is a terrible sword, a fiery sword, it sharply divides every word; and, My fiery sword of corrective judgement is even now falling on the Mormon Church!

Come out from among them, oh My people! For, if you will not, you will share in the cups and bowls of My wrath, which I am, even now, pouring out on the Mormon Church!

If you are an active member, turn in your membership! Renounce all that is false! Remove yourself from among them; for if you will not, the false oaths and doctrines will carry you into great judgements, which could lead to the destruction of your soul!

Hear Me, oh you Mormons, who have married one another forever! Have I not told you aforetime that in heaven, all are neither married, nor given in marriage, but are as the angels in heaven! (Matt. 22:30) Your oaths to be bound to one another forever are but very great Satanic oaths, for these oaths are binding upon all before the author of it, Satan, himself! Such oaths make you spiritually blind because they chase out My Spirit!

It is because of such oaths that the Mormon Church is full of the lukewarm and full of those, who do not have My Spirit, and who do not walk in My power!

Come out of her, oh My people, lest you suffer in the terrible judgements, which I will bring upon the Mormon Church! For, through secret oaths, you have bound yourselves to Satanic doctrine!

Have I not told you to forsake oaths, but to let your “nay” be your “nay” and your “yea” be your “yea!” (Matt. 5:37)Yet, you, being ignorant of My words, have bound yourselves through all manner of oaths and superstitions. Throw away your temple garments, and put your faith and trust in Me; for I am your shield and I am your armor against all that is evil!

Hear Me, oh your Mormons! You have made a covenant with Satan through your many oaths and he will require it of you! Hear Me, oh you people in the Mormon Church! Do you not see, do you not know that the Mormon Church is rife with Satanism, even from the top, that you have a prophet, who is no prophet of Mine, but a mouthpiece for Satan? Do you now know that there sit twelve above you, who call themselves my only true apostles in the earth, but they are none of My apostles; for they all sit bound in chains!

Yet, many of you, My people, cling to every word of your false prophet and you follow his every directive! Do you not see all such false things in your midst? Do you not see

 From The Mountain Prophecies Copyright 2010

that they are your blind leaders, and they are carrying you with them into the flames of Outer Darkness?

Renounce your secret oaths! Come to Me in openness and I will forgive you for what you did in secret! I will wash you and make you clean!

For, I have a marriage and My marriage to My Faithful is the only marriage, which is eternal! I have an eternal marriage to give and I will marry some to Me, even My Bride, even My Faithful and Pure Ones! (Rev. 19:7) These, I will marry unto Myself. Besides this eternal marriage, there is none other!

Therefore, I warn you to come away from such evil oaths, to renounce them, and to forsake these evils of the Mormon Church! For, blindly you depend upon a Satanic church to save you and blindly you will go into Outer Darkness!

You missionaries have a heavy price upon your shoulders; for you have blindly brought many into Satanic slavery! If you do not repent, you will have your place in the jaws of the Dragon of Outer Darkness!

Come out of her, oh My People! Come away from the Mormon Church and come away from all harlot churches, oh my people! For, if you will not, you will have your place in the fire, which burns forever!

And, with this, my Little One, we shall stop for now! I am your Father Yahweh, yea Jehovah, Most High God!

Please copy this message and help us to get it into the hands of the Mormons, the LDS Church all over this nation and around the world. If you do not have access to their e-

mails, please make copies and hand deliver them to members of the LDS Church. Put them into the handles of the doors of their cars as they gather for their services on Sunday mornings, or put the copies into their hands as they come out of their churches!

We all need to fight for the salvation of the Mormons! They do not know that they have been deceived! In addition, the doctrines of the church exert a great mind control over many of them and they many remain in the church because of fear, particularly the fear that they will go to hell if they leave this church!

### In Closing!
### A Message from my heart to the Mormons!

I wish to say in closing that many of you do not know that I was a member of the Mormon Church for seven years, during my mid twenties to my early thirties. I say in all honesty and with great sincerity that some of the Mormons are among the dearest and kindest of persons that I have ever met. To this day, I hold in very high regard some of my precious Mormon friends and love them greatly.

I am sad to say that the great problem with so many Mormons is that they have blindly accepted as truths many things, without questioning whatsoever! I include here also myself and the decisions, which I made regarding my membership in the Mormon Church, so many years ago.

It is for love of you, Dear Souls in the Mormon Church, that our Saviour has given this warning; for He also loves you greatly and He knows the deceptive and crafty ways of Satan. Therefore, I warn you: do not throw away our Saviour's warnings to you, or to cast His message aside and consider it as naught. For, if you do so, you could risk destruction of your very soul.

I adjure you to begin to search out the truths regarding all of your beliefs! Indeed, I beg you to seek the guidance of our Mighty Saviour with your whole hearts regarding your every belief in the Mormon Church and its teachings.

 From The Mountain Prophecies Copyright 2010

For, our Saviour has told us aforetime that if we seek we shall find; and if we knock it shall be opened unto us. (Matt. 7:7) Know that He will open your eyes. He will unplug your ears! He will show you the truths about the errors in the teachings of the Mormon Church, if you but seek Him with your whole hearts.

If I can be of service to any of you, please write to me at lnewkirk_46@msn.com, or drop me a note at: Linda Newkirk, P.O. Box 17277, North Little Rock, AR, 72117. For, there is much mind control in the Mormon Church and many stand in fear of what will befall them, should they leave the Mormon Church! For, the LDS Church clearly teaches that it is the ONLY TRUE church in the whole world and if a member should leave, this member will go to hell!

Hear my cries to you, Dear Souls in the Mormon Church! For, it is out of love for you, that all is now given to you!

My Dear Ones, pray, pray, pray for the salvation of the Mormons!

Your Sister through our Blessed Saviour,
Linda Newkirk

## The Gulf Oil Disaster:

## Our Saviour's Warnings

Rise up, oh blessed daughter of Mine! For, I am your Father Yahweh, yea Jehovah, Most High God, King of Kings, and the Only Saviour! Sit and write; for My word must go out to a hungry people, to a dry and parched land!

My Little One, do you see what I have done? Do you see? For, I have taken My axe to a dry tree and I have hewn it down! I have taken My axe to an unproductive tree and I have hewn it down! Great is the fall of this tree, a place, where many dark and evil, black birds have nested!

Wickedness and gross wickedness has continually spewed forth from this tree until it has killed itself; for the whole tree has made itself a haven for what is evil and abominable in My sight! A foul stench has continually come up into My face from the wickedness of this evil tree; and I have hewn it down!

My Lord, what is this evil tree and where is this evil tree?

My Little One, this evil tree is the whole coastal region of the Gulf States! This tree is but one offshoot of a greater tree; and this greater tree is the whole of the United States of America! What you do not see from this vision is that this hewn tree is but one very large branch of a large tree; but to you it will surely appear to be a very great tree! And, it is a tree, unto itself, but still a branch of something much larger!

Make it known, My Little One! Publish what I give you and send it far and wide; for I have looked upon the whole Gulf (of Mexico) region of the USA and upon all Gulf (of Mexico) states and I have marked them! I have taken My mark-out pen and I have colored them all in black! I have set a determination against them and I shall totally

 From The Mountain Prophecies Copyright 2010

erase them from off the map of the USA if they do not humble themselves and repent en masse before Me!

For, they are full of evil! Full of adultery! Full of fornication! Full of sexual perversions of every kind! Full of extravagance! Full of witchcraft! Full of idolatry! Full of whoremongering! Full of lying mouths and deceptive ways! Full of the "good-time Charlies!" Full of every kind of evil!

Mark My word in this! For, if those in these states, and those in these states, who are called by My Name, do not repent, I shall send storms, I shall send tsunamis, I shall send earthquakes; and I shall send famine and disease until I have eradicated this evil out of My face! I have set My face against these Gulf Coastal States and I shall not be satisfied until I have destroyed this great evil!

The time of great woes has begun in America! Woe, woe, woe to you, oh America, the slut of the world! Woe to you pornographers; for if you will not repent, you will burn in the fiery chastisements! Woe to you adulterers; for if you will not repent, you will be destroyed in the Lake of Fire! Woe to you preachers, who do not have My Spirit, who preach for gain, and who lead My people astray! For, if you do not repent, you shall have your place in the fires of Outer Darkness! Woe to you covetous, to you liars, to you workers of witchcraft; for if you do not repent, your souls shall be required of you in the fiery chastisements! Woe to you, who love this wicked world and what is in it; and you do not love Me! For, if you do not repent, your soul will perish in the burning flames!

Oh, you mockers and scorners! Woe, woe, woe to you mockers and scorners; for if you will not repent of this great evil, your soul will languish in the flames of correction for a very long time!

It is time for all to stop wondering about the Gulf oil disaster, about who did what and who did not do what! For, I, Yahweh, yea Jehovah, Most High God, set My sights upon it, I set My determination upon it; and I brought it to pass!

Yea, you marvel that Satan caused it and you marvel that British Petroleum caused it; and you marvel that the fall of the fail-safe measures caused it; but I tell you that I, Myself, determined it! And, unless great numbers of you in these coastal states fall upon your faces before Me with weeping and repentance for your great evils, for your great sins and rebellions against Me, you will not see it stopped, not in your lifetimes! Not only will you not see it stopped, but if many of you, on reading this warning, mock and scoff this message, I will further blow out this well and further inundate you! I will so greatly destroy these coastal states until few of you are left!

Oh, you have thought to contain this great mass of oil and contaminants through your self-sufficiency; and you have thought that British Petroleum would contain it, or that your government would contain it; but I tell you that if you will not repent in great numbers, in weeping and in great tears for your evil ways, and turn from your evil ways in great numbers, you will not be spared! For, I have marked you, oh Gulf States, and I will not be satisfied until I have eradicated this great evil out of My face!

Oh, wake up, you harlot nation of America! For, I have put you in My grinding machine! You have entered into the time of great and terrible woes! My hand of correction is upon the whole nation and you shall fall, oh America!

The time of the fulfillment of all My warnings against you has come! And, now nation shall rise up against nation! Hunger and famine shall cover the earth! Missiles shall fly between nations; and America will surely be attacked and greatly destroyed with nuclear weapons!

For, I have raised up My prophets and I have sent them all across this nation; and to many I have given dreams and visions and warnings of things to come! But, as I have delayed in My great judgments against this nation, many of you have said, “Aha, these things did not come to pass!” And, you have labeled as “false” my true prophets! Oh, what a mistake, what a very great mistake you have made!

For, I tell you now; and this is what I do know! Though this message should be disseminated far and wide in this nation, few of you will repent, though I tell you to

 From The Mountain Prophecies Copyright 2010

repent! For, your hearts are hardened! Your spiritual eyes are blind and your spiritual ears are deaf! Therefore, so many of you will look upon this message and you will further lift yourselves up in your pride and arrogance!

For this reason, these judgments will surely befall you! For, though I warn you now, even as I have warned you so many, many times to repent and to forsake evil, the greatest numbers of you will not listen; for you are lovers of selves, proud, haughty, boasters! You love this world and what is in it and you will not turn from your evil ways!

However, a few of you, will read! You will hear! You will see and you will repent! But, not the greatest numbers! This is why you are now seeing the great judgments of the Book of Revelation as they unfold in this nation and in the whole world! For, judgment begins here in this nation, in My house; and I will not be satisfied until I have purged My whole house!

I am your Father, Yahweh, yea Jehovah, Most High God!

## CHAPTER SEVENTY-ONE - PART II

### Our Saviour's Great Judgments Against America!

Come unto Me, My Blessed Child; for I am your Father Yahweh, yea Jehovah, Most High God! Hear Me this day, My little one; and may all be the wiser; for now comes the times of great woes on My people, Israel, who populate the United States of America! For, even as I promised you aforetime, I blessed you! I fulfilled all of My promises to you

and I gave you lands of the heathen in those times! I exalted you among the wicked and in the process I made a name for Myself! But, as time went on, you rose up to worship other gods, to worship idols, and to pollute My very house! And, even then, according to My promises, I scattered you across the Earth! Yet, in My mercy, I gathered you again and I gave you this nation of the United States of America, which I founded on principles of righteousness!

Yet, as I prospered you and made you the greatest nation in the world, you became evermore the whore! You also rose up in your greed to covet many nations and you went forth to pillage the whole Earth! You, oh nation of America, filled your bowels with possessions that do not belong to you and you dropped your pants to every whore, who came along! You defiled yourself with every sin of the flesh until filth lay across the land!

You, oh people of America, made your every possession your idol and you worshipped the works of your hands! You pillaged the innocent and killed them, even before they could be born! You degraded yourselves to the perpetual state of the swine through your wicked ways; and you polluted your bodies with every kind of perversion and filth! You closed your eyes while your leaders rose up to worship strange gods and you allowed human sacrifices to become rampant in the land! Every year, hundreds of thousands your children come up missing; and you are no more the wiser; for you do not consider that the children of Satan rape them, torture them and sacrifice them to their strange gods!

I called many prophets and I sent them to warn you to repent, or perish; yet you hardened your hearts and stiffened your necks! I extended grace and mercy unto you because of the pleas of the righteous and you further trampled My grace and mercy! Also, many prophets, who were called by Me, polluted themselves and many in the churches became even more vain and arrogant. The stench in the churches became so foul that I removed many true ones and I brought them into their own wilderness places.

 From The Mountain Prophecies Copyright 2010

Yes, America, I blessed you above all nations and soon, oh so soon, I will put you under the feet of all nations! The heathen will look upon you, shake their heads and say, “Look what their God did to them!” For, I shall make you a mockery before the whole world! Yea, they shall mock you and spit upon you and curse you as they load you up and carry you afar to strange lands! For, once again, you, oh House of Israel, shall go into slavery and captivity!

Yet, you sit in your comfortable places and you lift up yourselves in pride, you take comfort in all of your money; but I tell you that you are already prisoners and know it not! The antichrist sits at the head of your nation and you know it not! You blindly trust in the arm of the flesh; but that very leader, in whom you trust, will betray you to the enemies, to the very end!

No longer will I plead with you as I have in the past to repent, or perish! For, I know that the greatest numbers of you will not repent! Yet, in your times of great travail, more of you will see the errors of your ways and you will repent!

This is My word to you, oh America! The time of great travail is upon you and from this time forward, there will be no turning back for you! I will carry you forth into the fires of testing and I will not let up on you! I will not let up on the whole world until I am satisfied in My great judgments against you! Yes, indeed the terrible woes and great judgments of the Book of Revelation are now upon you and no amount of prayer and fasting will change what I, Myself, have caused to be written in the Book (of Revelation).

Woe, woe, woe to the USA! Woe, woe, woe to all liars! For, you shall burn if you do not repent! Woe, woe, woe to all workers of witchcraft, to all fornicators, to all adulterers, to all porn addicts, and to all addicts of any kind; for hell, itself, is your inheritance! Woe, woe, woe to the homosexuals; for if you do not repent, you will find yourselves in the extreme cold and heat of Outer Darkness! Woe, woe, woe to all, who break My commandments and will not repent; for you will surely burn in the fiery chastisements!

Wail, oh you nation of America, like a woman in mourning! Put on your clothes of mourning and cover your shame; for you have greatly erred and I shall now require it of you! Howl! For, so great shall be your suffering, oh America!

And, with this, My Little One, we shall stop for now. I am your Father Yahweh, yea Jehovah, Most High God!

My Dear Ones, our Father has told me that He will allow me to go down to Louisiana to meet and pray with some of you, if you show an interest. However, you will have to pay for my expenses; for this could be quite costly for me. If a group or two of you wish for me to come and to pray for you and with you, I will also bring several hundred anointed prayer cloths! You can read of the miracles and healings, which some have received through our Father's anointings on these cloths on http://www.prophecies.org.

The manchild of Revelation Twelve lives in me; and he is fire! I do not know whether our Father will allow him to do anything to help with the great catastrophe, which now rages in the Gulf; but I know his great power and fire and he is a precious and awesome blessing!

I must tell you that I am a prisoner and that when I come, the many ships of Satan will also follow me. But, if you do not mind this parade, I will come!

It was during the Winter of 2008 that two dear brothers invited me to come to Tucson AZ! They are two naturopathic physicians and they offered to give me "free" ozonated colonics as I was so tired back then. At the time that they offered to fly me out there, I did not know that our Father would be sending me through Arizona, and out to

 From The Mountain Prophecies Copyright 2010

California in the Summer of 2008, as He would release many of the giant angels, who are called geographical angels.

So, in the Summer of 2008 when our Father sent me out for His release of these giant angels, I made a trip through Tucson! These dear brothers gave me “free” ozonated colonics, which did later boost my energy levels! I was there for only three days and awoke one morning to hear our Father tell me that I must pack my things and be on my way, so I did not get to stay very long and visit with these two, who have since become some of my very good friends.

While there, I had promised to travel with them around Tucson and to pray over the city, yet did not get around to this before I had to leave! However, I knew that I would be coming back that way. So, on my way back through Tucson I stopped and prayed over Tucson and saw that our Father released one of the giant angels over Tucson.

These angels are about two miles high and the distance between their feet can surely be one half mile. As I traveled that summer in the USA and Canada, I marveled to see these giant angels as they would come down the interdimensional pathway, which leads to the Upper Realms, and go out across the land with great and wonderful strides. What awesome beings they are, great gifts from our Mighty Saviour to all of us in these great and terrible times!

I was so delighted to receive a call within the last two months, or so, from one of my friends in Tucson, who told me that a preacher, “who walks in the prophetic,” had seen four giant angels, who were standing around Tucson! He estimated that each angel was about 10,000 feet tall, and the four angels held a canopy over Tucson.

Blessed Saviour that we have! I saw only one angel, but He actually released four! For the love of these two brothers, it was done; for if it were not for the love in their hearts, I would not have traveled through Tucson, but would have gone to California via another route!

That Summer of 2008, I did a lot of traveling and had hoped to tour the coastline of the Gulf of Mexico, across Texas, Louisiana, Mississippi, Alabama, down the length of Florida, up the Atlantic seaboard and then back through the mountains and into Arkansas.

The great problem was that I was so exceedingly tired, having traveled about 12,000 miles that summer and all the while I was also under great persecution. I was also sad to see that the expenses of these trips were falling on the shoulders of the same few of you; and this considered as well, I did not make the trip along the Gulf states and up the Atlantic seaboard. I regret this very much at this point, but my Dear Ones, you are the ones, who will be regretting this for a very long time. For, these giant angels are able to go under the earth and to help stabilize the earth and to help lessen the effect of the shifting plates during earthquake activity, among other wonderful things.

Yes, my friends in Tucson saw the ships in the sky! They heard the roaring of these ships and I know that they were truly concerned! My visit with them was a real eye opener for them, but even so, our Father has kept them! He has preserved them; and they are much wiser for having invited me and for having helped me. If it were not for these two men, there would be no geographical angels over Tucson.

Many of you could have helped! You could have volunteered! You could have done something! But, sadly, you did not believe! Just as so many of you do not believe about the manchild of Revelation Twelve, who has lived in me for over forty-nine months! My Dear Ones, your apathy, your disbelief and your unwillingness to help will cut you off cold from the bounty of our Saviour!

 From The Mountain Prophecies Copyright 2010

Now, I offer to come with the holy manchild and to pray over and for some of you and to do other things to help you, who are so greatly suffering! What will you do now??? Soon, you, who are along the Gulf, will be dying in great measures! May our Mighty King have mercy on us all!

Sending much love to you all,

# CHAPTER SEVENTY-TWO - PART I

## "The Monster in the Gulf of Mexico is Gone!

All the praises to our Mighty Saviour, Jesus, King of Kings and Lord of Lords!

Glory to our Mighty Saviour forever and ever; for He is full of mercy! He is full of love and grace!

My Dear Ones, since our Father gave the first part of chapter seventy-one a dear brother in Canada has been working night and day to send these messages of warning and repentance to hundreds of thousands, if not millions of people all along the Gulf states. Within recent weeks, he has enlisted another brother in California; and together the two of them have worked exceedingly hard to get our Father's message of warning out to as many people as possible in and along the Gulf states.

This morning, I called this dear brother in California and he told me that he had a most interesting dream last night and was asking for an interpretation of this dream!

### The Dream of the Monster in the Gulf of Mexico!

My friend said that he dreamt last night (the night of July 14th/15th, 2010) that he was walking along the edge of a body of water, but was unable to determine the size of the body of water, as there were reeds and other sorts of vegetation, which were growing along the edge of the body of water. As he walked along the water's edge, he said that he became aware that there was something very evil in the water, a very evil entity. He went on a little further and finding a shovel, picked up the shovel and began to swing it out across the edge of the water. Then, he said that there began to appear a fire above the top of the water, yet a very light fire, reminiscent of a fire, which is lit on the top of some mixed alcoholic beverages. He then went on and said that he saw some

 From The Mountain Prophecies Copyright 2010

houses down a bit further and thought that he must go down and warn them of the evil that lurked in the water. End of dream.

On hearing of his dream, I knew that we must pray, so I went into prayer with him, seeking guidance from our Saviour. Almost immediately after beginning to pray, I could see the black monster in the water, and I knew that this body of water was the Gulf of Mexico.

Far out in the Gulf, I could see a very great, black dragon! Initially, I wondered if this could be Satan in one of his many disguises! But, as I was quickened by the Spirit of God, I knew that this was not Satan at all, but a great and evil monster, which had most assuredly been released from the bowels of the earth through the British Petroleum drilling disaster.

I began to ask our Saviour to loose this monster from the waters and to bind him up; and within a very short time, I saw him come up out of the water! His great bellows filled the spirit world, his deep growls portraying his great wrath!

Quickly, I asked our Saviour to release some of the giant geographical angels, most of them around two miles tall, to grab him and to drag him into hell, to be bound up in the lowest levels! Also, as this monster was putting up such a fight, I then asked our Saviour to please release Archangel Michael and other archangels to help in the process of dragging this monster into hell.

This was one very great fight! Oh, he was one very great angry monster! But, soon, I would look to see that this great dragon was bound, almost as if someone had taken ropes to him and had snuggly fit them tightly around him, locking in place all appendages so that he could no longer beat the water with his great tail or lunge out with his giant claws.

With this monster being bound in this way, these great angels grabbed hold of him; and I then saw where they were headed for him; for the great doorway was opened into hell!

So often, my Dear Ones, I see this door opened into hell! For, the precious manchild, who lives in me, so regularly takes demons right down into hell. I was also hopeful that this precious manchild would be able to help these giant angels in this great work! So, I asked our Saviour to allow His precious little Son, the manchild of Revelation Twelve, to get in on the action; for this was one very great catch! Glory to our Mighty Saviour!! Blessed is His Holy Name!

As I then watched the angels, they worked their way down through the door, which went into hell, and together they were carrying this very great dragon! It seemed to take a little while for them to pass through this door with the bound dragon; yet, in a relatively short time, I would see the last vestiges of this great dragon, along with the angels, disappear through the doorway and into hell.

After a brief while, I would see the angels emerge through a series of doors and as they passed these doors they would close behind them. Finally, they came through the last and outer door and I saw a great angel, whom I believe to be Archangel Michael; and he was holding a shiny gold key in his hand! He then took that gold key, placed it into a lock, which was in the center of the closed door, and he locked the door, which went into hell.

All the praise, all the honor and all the glory to our Mighty Saviour! Blessed is His Holy Name forever and ever!

My Dear Ones, I ask each of you, who reads this message, to get on your knees and to thank our Saviour for what He has done today! We cannot fight these great battles! For, we are truly up against powers and principalities of great and terrible evil!

Sending you much love,
Your sis,

Linda Newkirk

 From The Mountain Prophecies Copyright 2010

PS I had to re-type this message three times as Satan was so wroth with me about losing his buddy in the Gulf and he both attacked my computer and disconnected me from phone conversations! Still, this is but a little price to pay for the love of our Mighty Saviour and for the love of each of you!

## CHAPTER SEVENTY-TWO - PART II

### "Amazing Visions and Revelations from our Saviour!"

Greetings to you, Dear Ones! Greetings in the Name of our Blessed Saviour, the Almighty God, Creator of All Things, the Very One, who came in the flesh that you and I might be forever free! Free from the wicked tentacles of Satan, his many demonic hoards and free from many evil beings, who are far from this Earth, yet their tentacles run deep into each of us, all to make us evermore the prisoners! Glory to the Name of our Mighty King, forever and ever! Blessed is His Holy Name!

#### The Visions

Our Saviour began to give me a string of visions, which began, if my memory is correct, on the day of July 12th of 2010. Please note that I could be wrong as regards the dates as regards some of these visions, but if so, it is but an honest error; for I did not write them down at the time! Yet, I will try to recall them as accurately as I can!

#### "British Petroleum and the Victory Torch!"

In the first vision, I saw a bronzed and muscular man, who was running along a beach, and he was carrying a torch. In watching the man, I perceived that he was carrying a victory torch and I wondered then about the so-called cap, which British Petroleum claimed to be placing on the blown-out well-head, and how this apparent "victory" torch could or would relate to that venture.

But, just as suddenly as I wondered about the meaning of this vision concerning the man with the torch, I was taken up and was suspended in air above the man, looking almost eye-to-eye with him. Then, very quickly, I saw that his eye sockets began to turn very dark and his eyes disappeared into the darkness. Then, there followed very quickly the same pattern upon the whole body of this "victory" man. Indeed, quickly his flesh began to dry up and disappear from his bones! And, there was left only a skeleton, who was still running along the beach, and still carrying the torch.

Then, I looked behind this skeleton, who was carrying the "victory" torch and there, behind him on the beach, and as far as the eye could see, was a throng of people, all neatly running side by side, as if everyone of them were assigned to a particular place. So strange it was: many rows of them, all running alongside one another, and all in their places; yet, all of them were skeletons.

I looked then towards the shore and saw some very expensive houses! The doors of the houses were cast open and I could see that they were vacant.

I did not really have to ponder much about the vision; for its meaning seemed clear enough to me, that there would seem to come a victory about the capping of the well, but that there would be no such victory. Many, however, would believe the Satanic lies and they would stay in harm's way, their destiny marked and sealed. Many would surely die because of the terrible toxins and many would leave their residences empty along the Gulf of Mexico, but not necessarily because they would choose to move.

### The Next Vision

### July 13th, 2010

### "The Tablespoon of our Saviour's Wrath!"

The next day, on the 13th of July of 2010, our Saviour appeared to me while I prayed with a dear brother; and our Saviour held in his hand a cup, which was full of liquid light fire. When He tipped the cup, a small amount of liquid light fire rolled out! Then, He made the cup upright again, taking the cup and setting it aside! As the cup set there alongside our Saviour, I could see that it was boiling with liquid light fire.

 From The Mountain Prophecies Copyright 2010

I enquired of our Saviour regarding the meaning of what He has just showed me; and He told me that the cup in His hand is a cup of his wrath. I asked Him about this cup of wrath and how much of it He had poured out; for I had seen a small amount leave from this cup. And, He told me that He had poured out a tablespoon of his wrath into the Gulf of Mexico.

I then thought of some, who had written to me in the past, rebuking me for some of the words, which our Saviour had given to me. For, some had told me that the Bride would not see the wrath of God; for they would be raptured out first.

Later in the week, that is the week of the 11th of July, came the dream from our Saviour, which was given to a dear brother; and his dream became the basis for the first part of chapter seventy-two of book twelve on http://www.prophecies.org.

**The Next Vision**

**July 17th, 2010**

**"I am about to harvest some unto Me!"**

In this vision, I saw our Saviour's white horse. His horse was standing still and he was not on the horse, but my eyes were drawn to a strange-looking disk, reminiscent of the kind, which follow many tractors and till up the land so that a harvest can be planted. But, this was not like any disk that I had ever seen; for it was not for planting, but for harvesting. This disk was set to be lowered into the ground; and I was truly marveling at its uniqueness as I examined it. Then, our Saviour said to me, "I am about to harvest some unto Me!"

**The Next Vision**

**July 17th, 2010**

**"Sealed into the Book of Light!"**

Following these visions came another vision of the Sabbath, July 17th, 2010! While I prayed that day, our Saviour took me and placed me on a bench before a book of light;

and as a little child I sat there and marveled at such beauty! This awesome book was opened to a particular page, but I was not allowed to read what was on the page.
Suddenly, to my amazement, the book began to move and to wrap itself around me and to enclose me in this great and wonderful light. I found myself in a room of pure light; and I studied the floor, which appeared before me; for it was made of beautiful stones of pure and radiant light.

I looked around me in great amazement; for I was in the midst of such joy and great light. Then, suddenly, I saw the hand of our Saviour, which was outside of this beautiful room of light; and he zipped up the book and sealed me in the room of light. Glory to His Holy Name!

My Dear Ones, I do not know the full meaning of what our Saviour did on the day of the 17th of July of 2010, but I believe that I am beginning to sense some of what this means; and I am so greatly delighted by what I am seeing, sensing and experiencing! As you read the following, you will also sense that our Saviour is bringing these works of Revelation Twelve to a grand, new and glorious place! Blessed is the Name of our Mighty Saviour; for He is full of love, mercy and grace!

### Prayer and the Next Vision

### July 18, 2010

It was around 8:00 PM, and I knew that Satan and his wicked hoards had great plans against me and the manchild; and they were eager to get underway with their wicked plans. The ships were a roar outside and the walls were clicking and popping as these wicked hoards were coming and going through my house, eager to get underway with their schemes. Note the date: 07-18-2010, which is also seen by them as 7-666-2010! 07-18-2010 could also be seen as 07-(1+8+2) 1, or 07-11-1, or 7111.
Also, my Dear Ones, the following day would be 07-19-2010! Look closely at this date and you will see within the date a 9 with two ones on either side, and a two. They meant for this date to be a double 911. However, they failed and the little manchild and I are doing better than well! We are exceedingly blessed, and preserved and kept by the Mighty Hands of our Blessed Saviour from day to day! All of their wicked

 From The Mountain Prophecies Copyright 2010

schemes to kill us and to destroy us throughout these years have failed! For, on the 10th day of July of 2010, the manchild was 50 months old; and we are both doing exceedingly well!

My Dear Ones, you will find that these wicked hoards will always have Satan's mark on any of their schemes, which are of importance to them! It is their way of marking their own actions and also of bragging among themselves about their victories. It is irrelevant to them that they also often fail on these days, but what boosts them up and gives them even more belief in their numbers is a success, like the 911 event! Eleven is Satan's mark! Look at 911! It is 9+1+1, or 11!

His number is not 13 as many think! I believe that 13 refers to the 13th aeon, the place of many of the Elohim exist and particularly where many of the sorcerers go to get their power! Therefore, many of the sorcerers honor 13; for it also represents the home of some of the Elohim, who wish to keep us as slaves and to destroy our souls!
So, on that night, the night of the 18th of July of 2010, Satan and his hoards came forth with their wicked schemes; and it was then, at that time, around 8:00 PM that I called a dear brother, with whom I pray regularly and we sought our Saviour for a great judgement against them. It was while we was praying that the following vision was given to me.

**The Vision**

**July 18, 2010**

**"The Pillar of Fire!"**

In the vision, I looked around to see that the walls of my house had totally disappeared; and I could see plainly that I was enclosed in a tube of light. On looking down, I could see that the tube of light extended far into the earth. And, on looking upward, I could only see light and could not see where this tube of light ended! This tube of light extended far outside of my house, but I could not see the outside parameters of this great tube of light. However, I could see that within this tube of light there were many angels of fiery countenance, who bore flaming swords of fire. Glory to our Mighty Saviour; for He is doing a new thing in the whole earth. Obviously,

Satan and his many hoards failed in their schemes against us again on that night of the 18th/19th of July!

In our Saviour's message, which will follow, you will see that He refers to this tube of light as a pillar of fire. How blessed we are; for we are beginning to enter into the Kingdom of God in this earth!

Lift up your voices, oh Precious and Dear Ones and praise our Mighty King; for He is faithful. He is true! He is full of love, mercy, grace and forgiveness; and He keeps His promises.

Make yourselves spiritually clean and stay spiritually clean; for the Kingdom of our Saviour is coming into the Earth! And, so great and awesome is the Kingdom of our Mighty King!

Blessed is the Name of Jesus, Lord of Lords and King of kings! He is to be revered, praised and honored; for He is holy! He is Almighty God! He is Saviour and He is the Only Saviour! There is no other Name under the Sun by which our souls might be saved from destruction. Love, honor and obey Him; for He came in the flesh and died for us, that you and I might have life, even eternal life! Oh, how blessed we are; for His love for us is from everlasting to everlasting! Glory, glory, glory to the Name of our Mighty Saviour!

**The Love and Mercy of our Mighty Saviour!**

**The Kingdom Power Manifesting!**

Then came Monday, the 19th day of July and I thought to go to a certain produce store to buy some fresh vegetables. Often, I had thought of a woman there, who seemed so oppressed, so beat down by the cares and the evils of this world; and I so longed to see her filled with the Spirit of God, for in her eyes there was such pain and travail.

And, as our Saviour would have it, when I went there that morning, this woman was there and was upset about others, who regularly take advantage of her. I could see that

 From The Mountain Prophecies Copyright 2010

her concern was for the children and that she was laboring to take care of many children, who did not belong to her. Suddenly, I sensed that she felt unloved and appreciated, yet I also sensed her real love and concern for the little ones. I told her that I really hope that others appreciate what she does for them and told her also that her concern for these little ones shows that she is a good-hearted person. My heart was filled with such love for her; and I said, "The Lord bless you, honey!"

Immediately, something so awesome happened; for where there was no light in her eyes, there was suddenly light. I was so humbled, so thankful, so moved by what I saw and the love of God moved all around that little store! For, there before my very eyes, our Saviour had imparted His Spirit and Light into this woman, who was in such great travail. She then reached out in love and drew one of the little ones close to her.

As I looked back upon what our Saviour so instantly did for this woman, I knew in my heart that a new and wonderful gift from our Mighty King was beginning to manifest! For, immediately when I said in love, "The Lord bless you, honey," He did, at that moment, bless her! I so pray that through this awesome kingdom power, many, many souls will be so touched and saved from destruction!

For more regarding the Kingdom Power, go to http://www.prophecies.org and read about the Kingdom Power on the front page!

When I got home after my errands that day, our Saviour was speaking to me. All the time that I was washing the peas to put them into the freezer, his beautiful words were comforting me. I asked Him if He wanted me to stop what I was doing so that I could write what He was telling me, but He said, "No, but when you finish, I will give you these words." Following are His words!

**Message from our Father in Heaven**

**July 19, 2010**

Come unto Me, My Blessed Child; for I am your Father Yahweh, yea Jehovah, Most High God! I am Creator! I created and hung the stars! I fashioned the Universe! I formed the

depths! I, alone, created all, even from the beginning; and I set all in motion! Also, I am Saviour and besides me, there is none other. For, I came in the flesh and I paid the price for your salvation; and if I had not come down and paid the price, none of your souls would have been saved from destruction! Therefore, I and I, alone, am your Saviour and besides me, there is none other.

But, now, My Little One, I turn My attention to you and to My Holy Son of Light and Fire, who both lives within you and around you! For, in his over fifty months of residing within you, He has grown exceedingly! Yes, he has grown exceedingly; for He has overcome much!

Blessed are you, My precious child, even blessed above all women! For, you have been a prisoner for love of Me, for love of My Precious Son of Light, and for love of humanity! For over seven years, you have been their prisoner! You have been captive, just as surely as those, who are in the prison system! For, hoards of government and Satanic ships have hovered over your dwelling and they have followed you in all of your travels!

Greatly, you have suffered, My Little One! For, they have also greatly tortured you and they have done all manner of evil experimentation on you and My Holy Son! Night and day for over seven years, they have stalked you and have tortured you! Oh, how you have travailed, as so many foreign substances have pierced your flesh, over and over again, night and day, for so many years!

Through all of your suffering, you have wondered if your travail would ever come to an end! Yes, My Little One, your travail, at least in part, will come to an end! For, I am bringing you into a place of new and great power in Me!

Woe to those, who mock you and who scorn you, and who do not and have not repented! For, great judgement shall befall them all! For, I tell you now that I bring you to a new place of power in Me and those, whom you bless, I bless! And, those judgements that you speak, I speak; and you shall see them come to pass readily against the wicked!

 From The Mountain Prophecies Copyright 2010

Woe to the wicked, who will not repent and who rise up in your face to do evil; for a whirlwind of My anger shall go forth straightaway into their midst! For, all of the powers of Elijah and Elisha I now give you and more! For, there is within you and around you a continual pillar of fire! And, this pillar of fire is My holy Son of Light and Fire, the manchild of Revelation Twelve!

My Little One, I shall soon send you down to the Gulf States! Those, who welcome you, I bless! And, I tell you now that I shall have you walk the beaches! I shall have you pass through the marshes, and what you bless, I bless; and what judgements you speak, I speak, and all that you pronounce shall readily come to pass! For, your footsteps shall bring light and power and blessings and healings, even to the waters, to the sea and to the air, or your footsteps shall bring even greater judgements!

Blessed are those, who welcome you in love and with open arms; for where your feet rest, My Son of Light rests and where He rests, there comes healings and blessings!

My Little One, you are the Woman of Revelation Twelve and there is none other! And, as this woman, you have paid a great and terrible price! Every evil hoard and every wicked group under Satan has had a stab at you and My Holy Little Son! And, others beyond him, the Anakims, (Annunaki) and even some of the great light beings, the Elohim, have worked alongside Satan to destroy you and My Holy Son!

But, you have not given up, My Little One! In your darkest hours, you have praised Me. You have sung to Me amidst great torture and persecution!

You, My Little One, are the long-awaited White Buffalo Calf Woman; and you are the very one, whom many of the lost refer to as the Woman of Scars!

Yes, you have been hidden, yet in plain view! However, I have kept you to Myself, for I have nurtured you in your own wilderness place!

The time is now, My Little One; and I shall bring your forward! You will do a very great work for Me; for My Holy Son of Light is in you and He is also My Pillar of Fire! For, you cannot be separated from the fire of My Son, who is in you!

Therefore, I tell you that in the fall of the year, I will send you to the Gulf region, from Galveston to Miami and back again! Blessed are those, who come forward to receive you in love! For, the light of My Holy Son, will fall on all, who receive you in love!

Type what I have given and send out, that all may be the wiser! For, I am your Father, Yahweh, yea Jehovah, Most High God!

**The Vision, which followed this message!**

**"Standing up, free from the terrible constraints!"**

Immediately following the above message from our Saviour, He gave me a vision! In this vision, I could very well see that I was a prisoner. My legs were bound in ropes and held in place via the ropes, which were attached to stakes on the ground. My arms were bound and pulled down to the ground! Ropes were wrapped over the back of my neck and shoulders These ropes pulled my head down; and also kept me in a bent fashion, bound to the ground.

But, suddenly a most wonderful thing began to happen. A new power came into me and with my hips I began to push upward; for I was attempting to stand. And, as I pulled against the ropes, they began to weaken and to break. With little effort, I stood up and to my amazement, I was quite tall! As my body went up, I could see that I was now towering over the robotoid greys, whom Satan has so often sent torture me. They were now far below me; and I was indeed pleased to see that they were scampering behind rocks and into holes within the earth; for they sought to hide!

 From The Mountain Prophecies Copyright 2010

I glimpsed that I held in my arms a small baby, but this baby vanished quickly! Then, the holy manchild said to me," Mama, you have carried me; and now I will carry you!'

However, I tell you, my Dear Ones, that I do not feel that I have carried him at all! For, our Mighty Saviour has carried us both.
Yet, I understand what the Holy Son of our Saviour was saying; for I have physically carried him in my body; but now he is so huge, that for a certainty He truly does carry me.

So deeply humbled I am and so eternally grateful! What an awesome work our Mighty Saviour is doing in the whole earth!

**The Vision of July 20th, 2010**

**"The Great Rip in the Seabed of the Gulf of Mexico!"**

**"Help from our Saviour!"**

Then came July 20th and there came another vision; and this vision was also given as I prayed with a dear friend! As we prayed, I asked our Saviour to cause us to see what He wanted us to see regarding the situation in the Gulf of Mexico and to cause us to know what He wanted us to know regarding this situation, and also to cause us to do what He wanted us to do regarding this terrible catastrophe in the Gulf!

Almost immediately after praying these words, I found myself standing on the shore on the Gulf and it was as if the water had disappeared and all that was left was the blackness, the darkness. Suddenly, I was aware that the manchild and I were beneath the blackness, deep in the oily darkness. We descended and saw there at the floor of the Gulf a deep gash in the earth. We entered in through these open crevices and began to descend down through the rocks and into the great gaping gash in the ocean floor. We went down, down, down and from time to time, I was aware that the manchild was rotating in his power! I was also wondering if he were doing something to close up parts of this gaping wound. As we descended, I realized that this rip in the earth went down for a very great distance and I felt such sorrow in my heart because of what I was seeing.

I asked our Saviour if He would release some of the giant geographical angels! For, as I have previously told you, He sent me and the manchild out in the Summer of 2008! Together, we traveled many thousands of miles across the USA and Canada; and our Saviour released many of these giant angels into the New Madrid Fault and even into some of the fault lines in California! For, we had prayed for our Saviour to delay the great ruptures of these fault lines, that the greatest numbers might be saved and not die early on in the great tribulation!

So, I was once again pleading for our Saviour to release some of these giant angels into the great rip, which has appeared on the floor of the Gulf of Mexico! He then told me that He would release three geographical angels to take up residence there within that great crack in the floor of the Gulf of Mexico; and as the manchild and I lingered there between those great crevices, I saw the giant geographical angels come down and go past us!

Blessed is the Name of our Mighty Saviour; for He is full of love and mercy! He has heard the cries of some of you in the Gulf area; and He does not wish to destroy you through these great judgements; for He truly does love you and wishes to save you!
Dear Ones, get together in groups! Pray with your whole hearts and repent of your sins! Beg for our Saviour's mercy, for His great grace and forgiveness during these times of judgememts; for He truly does wish to pour it out! Remember His great love for us; for He died for our salvation! Truly, He is a God of great love; yet his great ire is boiling against this nation!

Sending you the love of my heart,

Your sis, Linda

# CHAPTER SEVENTY-THREE

## Some are not ready, "But offer unto Me the crumbs of their prayers, their praise and thanksgiving."

### A Vision

I look and behold that I am but a child! I am walking along a wooden floor, the boards being very wide and reminiscent of some of the floors of the old, country barns of my youth.

Ahead of me is our Saviour, his white robe wafting in a slight breeze as He walks along. We come quickly to the end of a very great room, the smell of grass, grains and dust permeating the air. As we pass through a great door, He whisks me up and sets me on a banister, my feet suddenly clinging to a pole, which protrudes from the floor beneath the banister.

The doors to the large room are still open and I sit looking inward into its vastness, our Saviour to my right. These words flow into my thoughts and I feel so humbled, so fearful and lowly. "Blessed is the Lamb of God. Holy is the Lamb. Glory to His Holy Name!" Tears of humility and lowliness begin to fill my eyes and I begin to weep. I do not really know why I weep, but big tears begin to flood my cheeks until I am now sobbing in great pain and sorrow.

Our Saviour comes to me and He begins to dry my eyes and cheeks of so many tears! Such pain and sorrow flows from within my heart and rushes forth from my very bowels until I am greatly and uncontrollably sobbing! Yet, in His great love, He catches all of my tears.

"Oh, Lord, forgive me! I do not know why I weep, but I am so sad!"

“My Little One, you do not know why you weep; but I know why you weep. You weep, for I am about to cleanse the threshing floor! The harvest is rolling in, yet the floor of My house of harvest is about to be purged and cleansed through the fires of correction. Look back again at the floor! See the piles of debris, the old dust, the piles of dead weeds, and the waste, which fills My house.

Hear Me when I tell you this! I am about to clean My own house of harvest and this cleansing will be through great fires of testing and persecution! I am going to purge my house and thoroughly so; and when I am done, there will remain no waste, no dead bushes, no weeds, no piles of rubbish!

This is why you weep! This is why you cry; for a great purging is at hand! And, all, who have born a good fruit for Me, I will keep, but all, who have born an ugly fruit, I will cut down and cast into outer darkness! For, all unproductive servants shall be so dealt with, where there shall be a perpetual weeping, wailing and gnashing of teeth, amidst the great heat and severe cold.”

“Oh, Father, what are we to do? Oh, Blessed Saviour, some of us do love You above all! We adore You, oh Blessed Saviour! We have come out of the world and have sought to live and walk in the Strait and Narrow. And, as such, Father, we have become a continual prey! For, Satan, on seeing our love for You and our true desires to do what is right, has made us a continual prey! Oh, my Lord, must we yet bear the same yoke as the rebellious? Hear my cries, oh Blessed Saviour, Lord of Lords, precious and awesome Saviour; for greatly have some of us travailed!”

“My Little One, look at this new vision. Do you see where you are?”

“Yes, my Lord, I stand before a turnstile; and I know that when I shall push against it, the bar will move and I will get through to the other side, much as one would push through such a turnstile to board an airplane. I am here, My Lord, at this turnstile, and I have a small suitcase in my left hand, but I am only standing here; for I am not yet allowed to pass through. Oh, My Lord, please show me more.”

 From The Mountain Prophecies Copyright 2010

“My Little One, do you see a key in your right hand?”

“Yes, my Lord, it is a gold key.”

“My Little One, when the time is right, at the appointed time, you will put the key into the lock and the turnstile will be released to open. Then, you will pass through. But, not you, alone; for some small number will also go with you.”

“Oh, my Lord, You have shown such a vision in so many different ways, and the wait has been so long! Through it all, my Lord, the precious holy Manchild and I continue to suffer beneath the feet of the monster Satan and all of his many hoards! My Lord, we have travailed for a very long time and have waited and longed. Oh, Blessed Saviour, how much longer must we wait? Will You yet extend more grace? Will You yet tarry, My Lord? I have had my hopes set so high on so many occasions that You would take Your holy Son home and raise up the Sons of God. But, oh Blessed Saviour, so many times I have seen You delay!

Oh, Blessed Saviour, I know that all of Your promises and all of the visions and dreams that You have given to us will come to pass. But, about the timing, we have not known! Oh, Blessed Saviour, do You truly show me something that is indeed very, very close; or will You, in Your wisdom, mercy and grace extend the timing yet again?

My Lord, I do not want to get my hopes up again, only to be disappointed, as You delay again! Also, my Lord, You know how it is! When You give visions and dreams that You are about to take the manchild home, Satan and his many hoards escalate their great torture and persecution against us!

Have mercy on us, oh Blessed Saviour! Have mercy; for You know that I cling to every vision that You give about finishing this part of Revelation Twelve! So, I ask you, My Lord, is this as near as it seems, or will You, in Your great love and mercy extend yet more time?”

“My Little One, I give you yet another vision.”

"Yes, my Lord, I am now experiencing this vision. As I stand before this turnstile, I am exceedingly aware that the floor beneath my feet has become very hot! The turnstile is hot, the walls ahead of me have become very hot! Even the air has become exceedingly hot! Oh, it is very hot in here, my Lord! It is extremely hot, so hot, that if Your hands were not on me, I would surely be burned to a crisp. Oh, My Lord, what does this mean?"

"My Little One, do you now sense the moving belt, which is beneath your feet, the moving walkway belt?"

"Yes, my Lord, it is moving. But, what does these things mean, the hot fire, and now the moving belt beneath my feet?"

"My Little One, the hot fire is the heat of My fire, which is within My holy Son. It is an exceedingly hot fire, and it has grown in you by degrees. This great and hot fire, My all-consuming fire, has had to grow within you and around you by degrees! Otherwise, you would have been consumed in it! Yet, you have not been consumed in it; for as this fire, the fire of My Son, has grown in and around you, in and through Him, My holiness has also grown in you!

My Little One, you have not known what I have been looking for in Him and in you; and you have not known what I have expected. But, I tell you, that My fire in Him is a roaring fire, and all-consuming fire!

The wicked ones see and know and you also know of this great fire! I tell you, my Blessed Child, that I am pleased in this great fire and I have brought you alone to this holy place! I have also separated out of your life some, who had become distractions! My promises to you, My Blessed Child, are great and My promises to your close friends are also great; yet some drag their feet and put all manner of worldly stuff and things before Me, and the time is running out for all of your friends! Each will go into the light, according to his or her own merit!

 From The Mountain Prophecies Copyright 2010

Yes, you have asked that your close friends be allowed to go into the Light with you when I take you and the manchild; but I tell you now, that some of them are not ready to go into the Light and will not be ready because they do not take My warnings seriously and will not seek Me with their whole hearts, but offer unto Me the crumbs of prayer, praise and thanksgiving after their days meals. Some still lust after the world! Some have fallen into a lackadaisical prayer life, and so it goes!

I tell you now that I show you where you and My Son are as I am pleased in this! But do not be surprised when you do not see some of your friends with you and My Holy Son, as you stand before My throne! For, they are not ready!

Yes, I promised to take them with you, but I will not and cannot take those, who will not make themselves ready, who will not obey Me and humble themselves in honor towards Me, loving Me above all!

Do not be troubled, My Little One! What I give you now is real and will soon come to pass and without much delay! But, you cannot carry others! Each is weighed based upon his or her own merits!

This is the only message that I wish for you to type now! Type this one only and get it out! I am your Father Yahweh, yea Jehovah, Most High God!

# CHAPTER SEVENTY-THREE - PART II

## "A Time of Miracles"

In the Name of our Mighty King of Kings and Lord of Lords, greetings to you, my Dear Brothers and Sisters! All the praise, all the glory, all the honor, and all the power to our Mighty Saviour forever and ever! HallaleuYahweh! How exceedingly blessed are those, who KNOW, LOVE AND SERVE AND HONOR our Mighty King!

My Dear Ones, you can gather from our Saviour's last message that we are getting ever close to the conclusion of this part of Revelation Chapter Twelve, but just how close I cannot surmise. For, as I revealed in the last chapter, our Saviour has given us so many dreams and visions, which seemed to indicate that He would soon finish this part of Revelation Chapter Twelve; yet in the face of such wondrous dreams and visions, of which I have written little, He has continued to extend His great love, grace and mercy to all of humanity; and He has, therefore, continued to tarry!

He told us in advance through His own words that He would "tarry," yet, who can rightfully understand or interpret His meaning of "tarry?" Read on!

### While the Bridegroom tarried

"Then shall the kingdom of Heaven be likened unto ten virgins, which took their lamps, and went forth to meet the bridegroom. And five of them were wise, and five were foolish. They that were foolish took their lamps, and took no oil with them: But, the wise took oil in their vessels with their lamps.

While the bridegroom tarried, they all slumbered and slept. And, at midnight there was a cry made, Behold the bridegroom cometh; go ye out to meet him. Then all those virgins arose and trimmed their lamps.

 From The Mountain Prophecies Copyright 2010

And the foolish said unto the wise, Give us your oil; for our lamps are gone out. But, the wise answered, saying, Not so, lest there not be enough for us and you: but go ye rather to them that sell, and buy for yourselves.

And while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut. Afterward came also the other virgins, saying, Lord, Lord, open to us. But he answered and said, Verily I say unto you, I know you not.

Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh. (Matthew 25:1-13)

### Half of the Bride Will not be Ready!

My Dear Ones, if these words do not scare you, then I do now know what will scare you! For, the Lord came for His Bride and half of His Bride was without His Spirit and light! They were lukewarm and cut off from Him!

Our Saviour has warned us that it is better to be either hot, or cold, but that He will spue the lukewarm out of His mouth. These are our Saviour's words: "I know thy works, that thou are neither cold nor hot: I would thou wert cold or hot. So then because thou are lukewarm, and neither cold nor hot, I will spue thee out of my mouth." (Revelation 3:15-16)

### A Love Affair with the World!

My Dear Ones, as our Saviour tarries, many are finding all manner of worldly things into which to immerse themselves, feeling that they are missing something in this wicked world. Or, they are allowing themselves to be enticed into thinking that they can put off until tomorrow what they need to be doing today.

It seems that the foolish virgins are spiritually clean; for we are told that they are virgins! They are not out there stealing, killing and taking advantage of people! They

are probably hard-working, conscientious, clean and sober-minded people; but what are they doing that puts them into the lukewarm category (no oil in their lamps)?

### The Lukewarm Virgins!

I believe that I know and I believe that I have a basic understanding of what our Lord is telling! I believe that the foolish virgins are sliding along spiritually! They are busy with the cares of the world and they are not focused on their spiritual lives. They know about our Saviour, but do not have an intimate walk with him. Their hearts desire to do what is right, but they are just shuffling along spiritually, their prayer life weak, or non-existent. Though, they might pray, their prayers are most likely limited to a few sentences or words. They probably bless their food, but their blessing is most likely an old "canned" blessing that was passed down from their forefathers. They have a Bible, but seldom pick it up! They neither know, nor study the word.

### The Foolish Bride!

My Dear One, these foolish ones make up half of the Bride; and when our Saviour comes at the midnight hour, half of the Bride will not have any of His spiritual power. They will be unprepared spiritually; for they have not been hungry for Him and panting for Him, like a thirsty doe!

Yes, the foolish bride is just shuffling along, not evil, but not filled with the power of the Spirit of God! And, they are happy in this way, but oh how sad they will be to see that they have been left behind. Not only left behind, but our Saviour will say to them, "I know you not!"

My Dear Ones, I believe that the foolish virgins do not have the Spirit of God! For, if they had it, He would have surely "known" them. Yet, He says, "I know you not!" How many are there in the churches today, who do not have the Spirit of God? I believe that the great numbers would be totally shocking!

 From The Mountain Prophecies Copyright 2010

Oh, what weeping and wailing will go up, for at least half of the Bride does not hear the warnings to repent, to come out of the world, and get into that holy place, that Strait and Narrow and stay there!

### They will not give up the world

My Dear Ones, it is to me really shocking to see how people react to being deprived of their pacifiers, television and movies. This is but one worldly device, which our Saviour has warned to forsake over and over again. And, I am not speaking of this to judge others; for over ten years ago, our Saviour gave me a strong rebuke because I did not readily give it up when He warned me and my husband to do so! So, I know of the addictive lure of television and movies, but I also know of the beautiful blessings, which follow obedience to give it up!

Yet, my Dear Ones, the decadence, which is extant in television and movies today can only be reminiscent of Sodom and Gomorrah! It is full of decadence and fleshly garbage. And, even when people are warned over and over again that the Satanists own all major television networks and that television and movies are major mind control mechanisms, they refuse to receive the word!

Amazingly I have observed some, whom I have so warned, call me, and while they are talking to me, they are also busy soaking in their latest television fixes. Our Saviour's words of warning to them have settled on hard and stony ground, not taking root, whatsoever; and it is as if they never heard one warning to forsake the wicked mind control methods of the Satanists!

### No Longer any Fence Sitters!

My Dear Ones, all, who will not be warned about such satanic programming in television and movies, and who refuse to forsake it, yet sit on the fence, pretending to serve our Mighty King, will be thrown violently soon to one side, or to the other side of the fence! This time is at hand when our Saviour will no longer have it in His face! Be warned! For, those, who are violently thrown to the other side of the fence, will most assuredly also lose His Spirit!

The terrors of the Great Tribulation shall come roaring down on the whole world; and when this happens, many will die in their sins! Many will die in their lukewarm state; and into hell they will go! Yet, so many say, "Oh, He is a merciful God; and He would not do anything like that to me! He does not send people to hell!"

However, I warn you that while you are in the body, you are able to easily find His loving grace, forgiveness and great mercy. But, when you are out of the body, you will pay for every unrepentant sin. Our Saviour makes these things very clear through His words to His apostles and disciples in the ancient writings of "Pistis Sophia!"

### The Great Grace of our Mighty King!

Yet, my Dear Ones, I believe also that during this time of "tarrying," however long it may be, that our Saviour is also beginning to release His Kingdom Power! And, I wish to tell you about some of the most awesome of miracles and healings, which our Saviour has been bringing about. For, even as we see that the world is beginning to tumble down around us, we can also be assured that where the evil is so great, we shall also see and even greater release of the love and mercy, the grace of our Mighty Saviour!

And, my Dear Ones, this great release is sorely needed, lest so many give up and thereby fail to see that all of these terrible things are come upon us; for we will not hear the warnings of our Mighty Saviour to repent, to love Him above all, and to forsake the love of the world and what is in it. Therefore, all of the great tests and trials, which are upon us, are for our own shaping, molding and purifying, for our spiritual cleansing! For, our Saviour is truly coming for a Bride, who is without spot, wrinkle, or blemish! Glory to His Holy Name!

### What you must Understand about the Kingdom Power

Our Saviour is in the earth in a new and great way through His Holy Son, the Manchild of Revelation Twelve. Therefore, my Dear Ones, we must remember how it was for us in the wilderness, after our Saviour brought us out of captivity in Egypt! For, through our pride, arrogance, rebellion and complaining spirits, we sorely grieved Him! We

 From The Mountain Prophecies Copyright 2010

were in his face with much rebellion and as a result, none of us, who came out of Egypt, were allowed to enter into the Promised Land!

What is coming upon us now is the very same thing that came upon us then. For, the Holy Manchild is in our midst! He is also our Saviour, who is in our midst; for He comes from Him, yet He is still a child! He is holy, pure, perfect and awesome in every way. When He sees, our Saviour in Heaven sees! When He hears, Our Saviour in Heaven hears! He cannot be separated from our Saviour; for He is indeed part of our Saviour!
Therefore, we must all guard our words! We must guard our thoughts. We must guard our feelings; and when we think, say, feel, or do something that is wrong, we must be quick to repent.

Many forget that thoughts are things and that they are also recorded. If we think evil of others, we must be quick to repent! For, our God has warned us to not think evil of anyone. He hates this!

Our every thought, our every feeling, our every word will be examined in the Light of God and none will escape the errors of their ways. Therefore, when in error, be quick to get on your knees and repent. If not, your sins will build up and you could be cut off from the Spirit of God!

### A Time of Great Spiritual Perfection is Upon Us

Many will cut themselves off from the Land of Promises, the Kingdom of God, which is coming into the Earth because they constantly complain. Many rise up in pride and arrogance and forget the many great miracles, which our Saviour does for them and has done for them. And, if they do not repent, they will be cut off! They will be shut out of the Light! They will not marry our Saviour, but will inherit the dark and fiery places!
A time of great spiritual perfection is upon us; for this is what our Saviour is expecting. Only those, who are spiritually clean will enter into the kingdom of God; and the kingdom of God is now here in the earth. Surely, the Kingdom of God is within, even as our Saviour has told us, but the Holy Manchild is the very door to that holy kingdom; and we are now beginning to enter through that door; and to enter into the great kingdom power, which comes upon us as we enter through that door! We shall soon

see evidence that that this great kingdom power is coming into the earth through the Sons of God as the manchild begins to manifest in them!

### The Kingdom of God is Holy!

Watch yourselves! BE aware of your sins and repent quickly! Do not offend our Saviour by constantly complaining in the face of great miracles. For, if you will not repent, you will in no wise enter into the Kingdom of God! For, the Kingdom of God is a holy place!

The Lord has told us to be holy, even as he his holy and to be perfect, even as he is perfect. Therefore, we all must be on constant alert as to what we are thinking, feeling, saying and doing and be quick to repent when we are wrong.

Only our Saviour can forgive sins and only He can purge us spiritually, purify us and make us spiritually clean. Therefore, we all need to work out our salvation with fear and trembling before Him. For, the word clearly tells us that the fear of our Mighty God is the beginning of wisdom.

### We have been separated unto the Lord!

My Dear Ones, those of you, who have been keeping up with these works, know that our Saviour put me and the manchild in a wilderness place; and as such He has separated us out from among most people. In fact, He keeps us unto Himself; for He is doing and has been doing an awesome work in and through His Holy Son, the manchild of Revelation Twelve. And, as I write these words, I remember our Saviour's words to the Prophet, King David, "But, know that the Lord hath set apart him that is godly for himself: The Lord will hear when I call to him." (Psalms 4:3)

My Dear Ones, these works of Revelation Twelve are Godly! They are holy! Even as I have told you, the angels come in and bow down to the manchild, the Holy Son of our Saviour! These are Godly works and because these are Godly works, our Saviour is very particular about these works. He has separated many people from us, as He has seen their hearts; and because their hearts are not right, He knew that Satan would enter into them to further cause us pain and suffering.

 From The Mountain Prophecies Copyright 2010

Our Saviour has known that we have needed to stay within His will and to stay in that holy place to which He has assigned us! He has also known that Satan would be in our faces, along with his many wicked hoards; for He foretold of it in Revelation Chapter Twelve. Therefore, our Saviour limits our personal contacts; for He has also given us many tests and trials! Glory to His Holy Name; for HE knows what is best! His ways are absolutely perfect; and His will for each of us is absolutely perfect! Precious is His Holy Name!

### Miracles Among the People!

Yet, my Dear Ones, from time to time, I go out into the community where I am led to pray for others; and I stand in such awe of the healings and miracles, which our Saviour so readily and lovingly gives out. At other times, a few call me over the telephone, and our Saviour imparts healings and blessings through the phone! My Dear Ones, I wish to share with you the marvels of some of these most awesome of healings and miracles; and I will share them with you, not necessarily in chronological order, but in the manner in which they come back into my memories. For, you really do need to know that a great power is being given to the holy manchild and that it is now being released to those, who are so in need!

### The Miracles of the Manchild of Revelation Twelve!

### The Healing of the Herniated Disks

A Dear Brother called me recently and began to tell me that he had hardly slept, with much pain going from his back and down into one or both legs (I cannot remember whether he said, pain in one or both legs.)

Then, he told me that he had problems with defective disks in his back and that he had injured his back again the day before while picking up something heavy to move it.

So, my Dear Ones, I began to pray for our Saviour to heal his back and to give him a very great miracle. And, then suddenly, it seemed as if I were looking at a live movie cam, but a movie cam of the inside of his back.

So clearly, I could see every bone and also could well see the protruding disks. Suddenly, and to my great surprise, I began to see that the bones began to come together, the spacing within the bones totally changing shape, and the bones themselves moving.

After a very short time of this, I asked this man to stand up and to report what he was feeling. He then stood up and told me that all of the pain was gone. He could move around with no pain; and we both knew that he was healed.

He also related to me also that while the work was being done he was afraid to move; as he could feel the bones as they were moving in his back.

So precious is our Blessed Saviour! Oh, so lovely and wonderful! My Dear Ones, we must praise Him; for He is worthy of all of the praise forever and ever.

My Dear Ones, the holy manchild has also been given much power and I know that our Saviour also uses him in great and miraculous ways in all of these healings and miracles. For, He is Son of the King! And, He is also a little Saviour! So precious, so blessed and wonderful is this Holy Son of the King!

### The Homeless Woman!

A woman called me, who was homeless, and who was sleeping in a tent in another state. She was weeping uncontrollably as she told me that she had only been out of the hospital for a short time, a blood clot in her lung. Yet, she had no place to stay and was either sleeping in her car, or was sleeping in a tent. She went on to tell me that her only son has turned against her and that most everything that she attempted to do failed. It seemed that she bore many curses, or yokes of evil and oppression. So, I began to pray for her, that our Saviour would heal the rift between her and her son, that He would totally and completely remove the clot from her lungs and that there would remain no trace of it. I also asked our Saviour to break every yoke and hold of Satan off this woman and to make her free! In addition, I spoke to the demons of various kinds and commanded them out of her and into the Pits of Hell! I also asked our Saviour to give her a place to stay, her very own place of rest.

 From The Mountain Prophecies Copyright 2010

Some few weeks passed and this woman called me again. In the conversation, she told me that she went to her son as I had told her to do, that all of the hard feelings were healed and that their union was healed. She also told me that she had gone back to the emergency room at the hospital and that they had looked for a clot in her lungs and could find none. Afterward, she went also to her doctor and her doctor did further studies and told her that there were no blood clots in her whole body. According to reports from this woman, the doctor was also asking about what this woman had done to get rid of the clot as she had refused to take the drug Coumadin, to dissolve the clot. Then, reportedly, this doctor went on to say, "I do not know what you did (to get rid of the clot), but I need to know as I have four more patients, who need help. All the praise, all the honor, all the glory and all the power to our Mighty Saviour, King of Kings and Lord of Lords, forever and ever!

Also, this woman would tell me that a place to live, a house came to her, and was given to her at a very reasonable rate!

Oh, such beautiful blessings from our Mighty Saviour! And, such a delight to see one person's life completely turned around! My Dear Ones, this woman had been affiliated with some churches in the area, but they did not help her to get free. Blessed are we to be a part of such a wondrous event as Revelation Twelve and the great miracles, which are coming in through our Mighty Saviour and the Holy Manchild! Oh, how I love Jesus!!!!!!!

### The Stove, the Saw and Miracles!

My Dear Ones, a few weeks ago, on a Sabbath morning, I awoke early, wide awake, realizing that I had forgotten to go to the Chinese import place to buy a miter saw. They had the miter saws on sale for the month of July at a very great savings, but had sold out and had advised me to come back on a Tuesday; for a new shipment was to come in then. Yet, the week had gone when I realized on Saturday morning that if they had any saws left, they would all be gone before the day was over! I was eager to have one of these saws, as there will come those, who will help to build a place of worship for our Lord, and such a saw will be needed. I felt that the Spirit of God was tugging me to go and get the saw; yet I also sought our Saviour about it as I seldom go out on

a Sabbath as it is a day of rest. And, I refuse to take care of any kind of business unless it is an emergency. Yet, I felt a great urging in the Spirit as if this were a sort of emergency to get this saw, which would be surely needed for our Lord's work at a later time. And, the savings was considerable, so I got on the road early, leaving my house around 7:15 in the morning.

As I headed into Little Rock (Isn't this an interesting name for a city, as the holy manchild is a little rock), I looked to see that there were certain items for sale in front of someone's house. What caught my attention was an old stove, a cast iron, wood-burning stove, which, if new, would have cost several thousand dollars. I thought that perhaps I would stop and take a look at on the way back! So, I went on past the house and went down for about one half mile and I heard in the Spirit, "When you come back, that stove will be gone!" So, I turned my truck around and headed back. The man wanted $100.00 for the stove and I knew that I was to buy that stove; as it would be needed in the church, which is to be built for God's people.

There was another man, who was there at that house, and he was visiting. He was speaking with a bit of a slur and walking somewhat erratically. At first, I did not pay much attention, but later he said that he had suffered a stroke the day before. I asked him if he wanted me to pray for him and he said, "yes." So, I prayed for his healing and then asked him to get up and walk around and he walked normally and also talked normally. Then, I heard the Spirit of God say, "Three more years." I understood that our Saviour was giving this man three more years; so I said to him, "Man, I do not know anything about how long the Lord intends for you to live, but I am hearing Him say that He is going to add three to your life, to give you three more years."

I was really shocked when he replied to me, "You do not know it, but I have brain cancer and my neurologist has told me that I have a month to live."

How awesome is our Mighty God! So full of love, mercy and grace! I love Him so!

I would later find out that the man, from whom I had purchased the stove, who was standing perhaps fifteen feet away, would feel the power of the Spirit of God, as it also

 From The Mountain Prophecies Copyright 2010

touched him. He would later tell me that the hairs on his head and on his arms were standing up as he was touched by the power of God as I prayed for this man!

This man, along with his neighbor, would bring this stove out to my house, free of charge, having to load it up with the front end loader of a tractor, as it is such a heavy stove.

Later, the man, who sold me the stove, would ask me to pray for him, and to pray over his house, as there were some demonic presences in the house! I went to his house and saw the demons; and as I prayed, our Saviour removed demons from his house; and then I began to pray for this man, who was also an alcoholic. I asked our Saviour to send His power down on this man and when the power of God hit him, he began to shake all over and say over and over again, "I want to serve the Lord! I want to serve the Lord! I want to serve the Lord!" Yet, these words were not being uttered by this man, but by the very huge wolf-like demon, who was in the man! I saw that demon and commanded him out of this man and into the pits of hell; and as he left, the talk about serving our Saviour also left and the man ceased to shake. He would later tell me that he felt the power of God come down through his head and go down into and throughout his body. My Dear Ones, the demons shake in the presence of the Holy Manchild!

I have neither heard from, nor seen these two men since that time, but on that Sabbath morning, I was most certainly appointed to be there.

I would later go on to the Chinese import store, only to be told that they had no more of these miter saws. So, I said to the cashier, "You said that you would have them on Tuesday and I come so far to get one and you now tell me that you have none! What kind of a deal is that?" And, the cashier did not know what to say, so she called the manager and the manager came and took the Coupon, which I had in my hand, took it to the back and momentarily came out with a saw. ON the top of the box, there would be a label, which described the saw and said 2 of 2.

For a certainty, the Lord had saved what must have been the one remaining saw for me; for He also knows that it will be needed for His work. What a day of wonderful miracles! Great glory to our Blessed Saviour; for there is none like Him; and none can do such things as what HE did that morning and on the subsequent meeting with the man, who had owned the stove!

### The Woman in the Restaurant!

I went to eat in a restaurant one Sunday afternoon and there passed by me a very short and very thin waitress. Oh, she looked so sad! And, I could clearly see the darkness of the demons, who were oppressing her. So, I called to her and said, “Darling, you are oppressed!” Then, she came forth and began to pour out her heart about her violent and oppressive husband and how she had to flee from him because of his violence. Yet, he had money and had bought the best divorce lawyer, had turned her son against her and was now even asking for child support, yet she was earning pauper’s wages as a waitress. I felt so much love for her and so wanted to see her free and so I said, “Sit down here and let me pray for you!” So, she sat down and I placed my hands on her tiny bony cheeks and commanded the demons out of her and into the pits of hell. I asked our Saviour to fill her with His Spirit; and then began to pray for very great miracles for her as regards her divorce case. I prayed for deliverance also for her husband and for our Lord to soften his heart, that the divorce would be settled and quickly so in the favor of this woman. I also believe that I prayed for her son, but some time has passed and I do not now remember all that I prayed. She would get up from that prayer, her eyes full of light, being free from many demons. She told me that she felt the oppression leave and knew that our Mighty King had done a beautiful thing for her! Yet, she would tell me that there had come a prophetess to her church that morning, who had give her a prophetic word! I felt sad that this prophetess did not see the great suffering of this woman and did not pray for her deliverance!

About a month would pass and I would go back into that restaurant, again on a Sunday afternoon, and there I would see the petite woman again. She recognized me and was very excited to tell me what our Saviour had done for her only about a week after I had sought him on her behalf. She told me that her husband came to her and offered to give her all that she was asking. He gave her money and a car, free and clear of any

debt. She then traded this car for a smaller vehicle in order to save gasoline. And, in the trade for the very good car, she would even get money back! Everything in her life had turned around! She was all smiles and was headed for training to be a youth minister. Blessed and Mighty King that we have! He is too wonderful for words! Glory, glory, glory to Our Blessed Saviour! I am so in love with Him!

### The Woman at the Post Office

I went to mail prayer cloths and a lot of mail at the post office and I noticed that there was a woman, whom I do not remember seeing before. She told me that her time is split among five different post offices. I told her about sending out the prayer cloths and how our Saviour gives miracles and healings through the cloths and she said that she could surely use some help as she was to go the coming week for medical studies, which would determine whether she had cancer. So, I said, “Would you like for me to pray for you?” And, she said, “Yes!”

Well, my Dear Ones, as is the case so often, when I put my hands on people to pray for them, I feel waves of power, pulsations of power running down my arms and into my hands, exiting into the one, who is in need of healing. This always happens as well when our Saviour imparts His power into the holy anointed cloths, which I have sent out to many of you for healing.

So, that day when I prayed for this woman, I could feel great power coming into her and there came a very great presence of the Holy Ghost in and around me and it began to build up right there in the Post office. Suddenly, I felt that I had prayed enough for this woman and that our Mighty King had surely answered my prayer for total and complete healing of this woman, for eradication of all cancer and that when she went for tests there would be none found as there would be none. Yet, the power on me was so great that I turned and began to ask the few, who were behind me in the post office if they wanted to be touched by the power of the Holy Ghost. There stood a man behind me, who told me that he really needed to be touched by this power, so I put my hands on His shoulders for a brief while and moved on. This man was a black man and behind him was a white man, who stood with his arms crossed. But, beyond the white man was a black woman, who wanted to be touched by the Holy Ghost, and so it went.

Two black people were touched by the power of the Holy Ghost, but the white man refused the power of our Mighty King.

When I left there, the power and the presence of the Spirit of God was very great and I went and sat in my truck. I looked back towards the woman, who was in the post office, yet beyond my physical view; and I saw in the spirit that brown globs were falling out of the woman and hitting the concrete floor. I watched in amazement as these cancerous globs left this woman; and I praised and thanked our Mighty King! Oh, how precious He is. I know He gave a mighty miracle to that woman! Oh, how I love to see what He does for people on the street! So amazing indeed!

Well, my Dear One, these are not all of the miracles, but enough to let you know that our Saviour is doing such wonderful things! He truly wishes to give out miracles! He wants to heal the sick, to raise the dead, to make the lame walk, to restore sight to the blind and to cause the deaf to hear. He greatly desires to set the captives free and delights in doing so! Oh, what a great wonder to be a part of such a glorious unfolding; for the Kingdom Power of our Mighty Saviour is coming into the Earth! Our Saviour sees our suffering, but does not wish to remove us from our suffering, not yet, but instead will bring us through the fires of testing and into a place of great and awesome miracles.

We can never praise our Saviour enough! May our lips be full of praise for Him early in the morning, all through the day and into the night! And, when we awaken during the night, may our hearts be full of great praise and thanksgiving towards Him!

Sending you the love of my heart

Linda

# CHAPTER SEVENTY-FOUR - PART I

## "Martial Law in America

## The Hive Mind!"

"Come unto Me, My Blessed Child; for I am your Father Yahweh, yea Jehovah, Most High God! My Little One, look and behold the vision, which is before you and tell Me what you see."

"My Lord, I see men and women, who are dressed in party attire, the men with suits and clean shoes, their faces cleanly shaven, or their beards neatly trimmed. And, I see women, who are dressed as women of old, who wear long, billowing skirts, their heads covered with bonnets or other attire.

My Lord, it is a party, as I behold that the violin is playing, but the music is of old. I hear some drums also. I smell alcohol, perhaps rum, and I see in the background that this great celebration is taking place on a plantation. For, I see the great house with the very large columns, which adorn the large porch.

This could be a scene straight from the movie, "Gone with the Wind," for I also seek blacks, who are serving the whites. My Lord, what does this mean and why do You show me this now?"

"My Little One, see the romance! See the ideals of a time, which is gone by."

"Yes, my Lord, but why do You show me this?"

"My Little One, so many in the USA are in love with the American past. They believe that the American dream still exists. They believe that you still have a constitutional republic, and they believe in the good life! But, My Little One, the good life for America

is gone! The American dream is gone, yet so many still stubbornly hold onto it. Now, My Little One, tell me what you see."

"My Lord, I see someone, or something, which looks like the evil "Darth Vader" creature of the movie, "Star Wars", of years past. Yet, momentarily, his countenance changes, and even his form changes somewhat. However, there is no doubt that, even as he changes his faces and appearances, he is still one in the same; and he is evil! Yet, as he speaks, his speech is garbled and I cannot discern what he says. It seems that he is speaking in slow motion."

" 'Tis so, My Blessed Child; but when I speed up his speech, what do you hear?"

"My Lord, these are the words that the Darth Vader look-alike speaks: 'This is the day that our God, Lucifer, has made for us; and we shall ride, yet without total conquest, over this once great nation (of America). Get your battle shoes ready; for this is a nation, which sleeps; and we shall take them while they sleep. Yes, some few see and know, but we have (micro) chipped them all, even in our own ways of stealth and cunning; and they neither know, nor perceive, that in a time of darkness, we shall swoop upon them as a great eagle, and we shall take them unawares. For, in our stealth, we have marked all of the loudmouths! We have marked all of the proud and newsworthy! We have marked all of the whistleblowers! And, if any have squeaked, we have found them! We have also made sure that we have found and marked all of the preachers, who have found the secrets of their own light journey; and all are under our constant surveillance!

Have any escaped our vigilant eyes? No, none! No, not one! Now, you see that the gates are closed upon this nation! We have crippled it! We have brought it to its knees and with just one signal we shall blow up the Gulf of Mexico! It is ours and within our very reach to do so; and while they sleep, we will inundate them with water and burn down the whole coastal areas of the Gulf! It is ours and it is within our reach!

 From The Mountain Prophecies Copyright 2010

Who can now stop what our God gives us, for this is decreed! It shall come to pass. We shall bring forth, through our own might, a full rupture of the earth; and we will drown, and we will burn up the evil ones, who live along the whole coastal areas.

Then, it will all come to us! It will be ours! This land comes to us and all that is in it now belongs to us; for our man now rules and he is one of us! His every move is our move! His every word is our word! For, we have created him and made him to be one of us, to think, believe, say and do all that he is programmed to think, believe, say and do. On his shoes are the Marxist, communist, Nazi emblems (the swastikas). These emblems are embedded in his hands, within his heart and mind and he will see to it that America burns! For, he is not of, by and for America, but is of the collective."
And, with these words, the vision ends… "My Lord, this is a terrible vision. Oh so sad! Father, please tell me more."

"My Little One, do you know why I took the great dragon from the Gulf of Mexico; and do you know why I placed the three giant, geographical angels into the great crevice, which now appears on the Gulf floor?"

"My Lord, I believe You did these things for this reason: A friend and I prayed that you would not yet allow the great methane bubble to be released from beneath the floor of the earth. For, My Lord, we are told that this methane bubble is the size of Mount Everest and that if it ruptures, it will cause a great tidal wave, which will flood the Gulf Coastal areas. Also, my Lord, since a great fire is roaring on the ocean as British Petroleum is burning much of the oil and methane, which surfaces, this great methane bubble is sure to ignite and to cause a roaring fire and explosion! This great explosion will move inland to burn up and destroy much of the coastline, and along with it will come a great tidal wave, which will bring an even greater destruction!

So, My Lord, my friend and I came to you in prayer and agreed before You as touching this thing, that You would not yet allow this methane bubble to burst, not now anyway, but that you would allow some time yet for these people to repent, or to move away from these areas of danger. Otherwise, so many will die in their sins and will not be here to repent during the Great Tribulation. My Lord, we prayed these things and

thereafter You removed the great dragon from the Gulf; for he was wreaking havoc. And, You then placed three giant, geographical angels into the great crevice, which is within the sea floor of the Gulf.

"Yes, My Little One, through My great love for the people, I have done these things. Yet, have I in any way, promised you that this methane bubble would not rush forth to accomplish what is foretold?"

"No, my Lord, You have not told this!"

"And, have I told you at any time that I have caused the angels to stop the oil from gushing into the Gulf?"

"No, my Lord, you have not!"

"And, have I told you at any time that the polluted waters of the Gulf are no longer polluted and that the seafood, which comes from the Gulf, is safe to eat?"

"No, my Lord, You have not. My Lord, British Petroleum continues to poison the Gulf and to poison the people, who live along the Gulf, by the spraying of Corexit into the oil to dissolve it! And, most all of the leaders, who are at the head of this nation, are involved in the murder of so many, all for financial gain."

"And, again, My Little One, you see the hive mind! For, they are all micro-chipped, constantly under surveillance and under mind control! Do you see what has taken place, while you, as a nation, have slept?

My Little One, through your much suffering, you have warned them! You have told them what would come upon them; yet few believed and most fled from you!"

"So, Father, what will be? Will the methane bubble soon surface? Or, will You give a little time for the people to repent, and/or to flee from the Gulf area?"

 From The Mountain Prophecies Copyright 2010

“My Little One, the wise ones will both repent and flee from the Gulf area; and I tell you that they will flee inward for several hundred miles! For, there will come a time, and soon, when this great methane bubble will surely make its way to the surface. For, I will also make it so! There must be a very real repentance among the people to lessen, or to minimize what will surely come to pass! But, I tell you now that I know how people are! They love the good times! They also hold onto the American dream and believe that somehow things will be fixed again. But, I tell you now that outside of a very great repentance on their parts, this great destruction will come to pass, and it will be far worse than anyone can imagine! Therefore, the wise ones will both repent and flee from the whole area!”

“My Lord, You have said that You will send me to the Gulf Coast in the fall. Why will You do this when You believe that few will repent?”

“My Little One, you pray for My mercy for these people and as such I am willing for you to go to the Gulf Coastal areas; for I will release more geographical angels in these areas. Yet, if the people will not repent, I will restrict these angels in what I allow them to do.”

“So, my Lord, if there will come large numbers, who will repent, it may be that, even when the bubble surfaces and explodes, that You will also protect certain areas to some degree.”

“In My great mercy, I am able to do this! But, I also warn in advance that the greatest numbers will not repent. Therefore, I warn Mine to get out now and to move inland!”
“My Lord, how long do the people have? For, surely, martial law is about to come down on this nation!”

“You are correct, My Little One! Martial law will close in on America, like an iron claw, and soon! Yet, I hear the cries of My people! I am a merciful God and even in the midst of My great judgements, I will pour out My mercy! Yet, I also now give this wisdom to all, who have the eyes to see and the ears to hear. Repent, take your families and your belongings and flee from the Gulf coastal areas and move far inland!”

“So, Father, You will send me along the Gulf States, where You will release more giant, geographical angels, but what about the healing of the waters, which You previously spoke of?”

“My Little One, I have told you of the great miracles, which I wish to give to the people! Yet, how many care about these great miracles? How many have invited you to come to their areas to pray for them and to pray for the healing of the waters?”

“My Lord, only one has written, showing an interest in this trip. Father, I am concerned that when You send me and the manchild, that you will bring further judgement, as so many do not care about You, and will not repent.”

“My Little One, if others wish for you to come and to pray for them and for the healing of the waters, they must write to you and invite you! Otherwise, I will send you only for the releasing of these angels. But, know one thing! Where your feet go, I go! Where you feet settle, I settle; and your visit will put many things boldly in My face.

With this, we sill stop for now. Type and post soon. I am your Father Yahweh, yea Jehovah, Most High God!

## CHAPTER SEVENTY-FOUR PART II

### "The Great Methane Bubble!"

"My Little One, I am your Father Yahweh, yea Jehovah, Most High God; and I bring you back now to show you what is going on. Look and behold!"

"My Lord, I am back once more on the sea floor; and the holy manchild and I enter down through the great crevice, which is on the ocean floor. My Lord, it seems that this crevice is actually opening up more. This, I can see, when I compare the size of this opening to our last visit. My Lord, this great crevice is now divided into other parts. So, I see now that there are, in effect, three crevices in one! My Lord, the oil is still gushing upward and I do not believe that I am at or near the drilling site. If this is the drilling site, such a bore hole can no longer be seen at all. My Lord, what do You want me to see?"

"Go down into the crevice."

"My Lord, the holy manchild and I continue to descend and quickly so until we come to an area where I can clearly see the three giant geographical angels. They stand around a great area, which is like a big lake, or a small sea unto itself. One of the angels points to show that the small sea is part liquid and part frozen. I see tears in the eyes of one of the angels and I want to see why he weeps. I hear his thoughts, 'This is beyond our hands, beyond our hands to prevent.'

I look beneath the angel to see a great fiery presence, which appears to be molten lava, indeed a very great reservoir of molten lava; and the feet of the angels are within this lava. I now catch the smell of this caustic mix and I feel so much love and compassion for these mighty angels, who stand within it. (These angels are about two miles tall!)
This great bubble of frozen methane is melting. Perhaps, one third to one half, is now liquid and this liquid is restrained from coming quickly to the surface, only by the

power of the Most High God Yahweh. Yet, a great stream of it is most certainly rushing forth in liquid form.

I see the great anguish in the faces of these mighty angels, the sorrow, the pain, and the dread; and I feel so heartbroken! "Oh, My Lord, I feel so sad! The people do not know. The wicked ones conceal a lie, but My Lord, this liquid methane, this great melting mountain of methane, is only being held in place because of Your mercy. Oh, my Lord, I so greatly fear what I see. For, the molten lava, alone, which rests beneath the methane bubble, is surely capable of igniting the methane and creating the great explosion, which will be heard around the world! Oh, what great loss of life will ensue! Oh, my Lord, how my soul travails."

"So, My Little One, which is more merciful? To allow the bubble to escape and to kill many, saving them from the terrible agonies of the poisons, which are already upon them? Or, to give more time, where few may repent, yet great numbers will die terrible and agonizing deaths? For, your government and Satan's new world order crowd will continue to spray corexit, all in order to hide the severity of the problem and to cover up their great crime. And, the great dying will only escalate in intensity."

"Yet, Father, if so many die now, they will die in their sins and will go to hell. Oh, Father this is so sad!"

"Yet, My Little One, I have warned the people of this nation for many years to repent! They have not repented and most will not repent, but will die in their sins."

"Oh, my Lord, how long will you continue to put off this coming devastation in the Gulf?"

"My Little One, My love for My people is great and My mercy is great, but this great catastrophe will not be long averted. For, the time of great woes has come upon America and upon the whole world.

 From The Mountain Prophecies Copyright 2010

Go in peace, My Little One; for even as You have so suffered and travailed as the Woman of Revelation Chapter Twelve, others must also suffer and travail, even as it is appointed to them to do so! Yet, many, many the world over will die; for it is appointed unto them to die in these terrible times. And, regretfully, most will die in their sins. Post this as Part II of this chapter. I am your Father Yahweh, yea Jehovah, Most High God.

### 'WE ARE THE FACE OF THE UNITED STATES!"

### No place for outspoken preachers!

ENTRY DENIED. All MEETINGS CANCELED.
-Andrew Strom.
I am very sorry to announce to those of you who were planning on attending some of our meetings over the next month that we have been denied entry to the USA and sadly will have to cancel all the meetings.
My whole family were detained for over 6 hours at the US border yesterday (the USA side), questioned, photographed, fingerprinted like criminals - and sent back to Canada. We were told we could

not come in to preach to a series of Christian groups like this - even though their website clearly says we CAN - and I have already been in TWICE THIS YEAR doing exactly the same thing. They let me in then - but no more. They even fingerprinted my 15-year-old daughter. None of us (except our 9 and 11-year olds) can even set foot in the USA again without going to the US Consulate and getting special permission. We literally are now in the "criminal" class according to US Immigration.

All this because we were invited by church groups and Christian groups across the USA to come preach a series of meetings. They told me to do that I have to have an "R" visa. (These take months and months to get - often never). This is not what their website says. New Zealand is a "visa-waiver" country and Conference speakers are specifically allowed into the US under those rules. I asked them, "How then can a foreign preacher who is invited by a Christian group to the USA ever get in to preach?" They said maybe that is OK for one or two meetings, but not for a series. So we cannot preach in churches across the nation - even though that is exactly what they have let me in to do before. This is the first time I have ever been denied entry to do that very thing. And now we are all - very evidently - "criminals". Never to darken the door again. My family and I naturally came home from this pretty distraught and devastated. My daughter was crying in the car. Six hours is a long time to be detained like that.

But, you know, at the end of the day, God is in control. I felt sure then and I feel sure now that even though this was so distressing, God was still speaking to us through it all. I believe He is the one who is slamming the door shut on America right now - and doing so in no uncertain terms. We have been praying and many others have been praying for too long for this to have just been "man's" decision. I accept it as the voice of God. America is over for us.

WHERE to FROM HERE?

 From The Mountain Prophecies Copyright 2010

The most likely thing is a return "Down-Under" to New Zealand and Australia. We have been away from home now - traveling and ministering - for 18 months. Perhaps it is time for a return to what the explorer Pedro Fernandez de Quiros called the "Great South Land of the Holy Spirit."

I just want to apologize again to all those who wanted to attend our upcoming meetings. I am very sorry, my friends. Our family is still pretty shaken by all of this, so we would certainly appreciate your prayers at this time.

Our NEXT MOVE

-Andrew Strom.

Sad to say, we do not have as much time as I would like to make this decision. The time in our rented house in Canada is up in a few days. We have fasted and prayed about this decision - but really I believe God already spoke to us very clearly at the US border. And there has been nothing to change my mind on that. I have had Fox News and the Rutherford Institute wanting to get involved. We certainly could have made a big scene about the whole thing and got some real Media mileage and Legal mileage - maybe even "forced" our way into the U.S. But at the end of the day I have to come back to the question - "What was God trying to say to us at that border? And are we going to listen, or are we going to raise a huge clamor and drown out what He was wanting to speak to us?"

I can still clearly remember the sign inside that building that said- "We are the Face of the United States" - and I remember thinking

in that moment that a decision was being made about our future that probably God Himself was behind. It sure was unpleasant and traumatic, but at least it was definite! There were no shades of gray - no uncertainty at all. The door was shutting on America and they were throwing away the key.

Of course I feel sad that we will probably never have another Thanksgiving with my brother and his wife. I feel sad that we will never again see all our precious friends right across that vast nation. I am even going to miss Wal-Mart! But I have to tell you that behind it all I think God is trying to tell us something. And it is so definite that I believe our family has to listen. I have believed this since the moment it happened. Our time in North America is up. Maybe just temporarily - or maybe forever. I don't know. But time is up. This week we fly back home to New Zealand and most likely to Australia as well. I am looking forward to seeing what is going to happen, since God redirected our steps so drastically. He must have something in store.

We are not giving up in any way. Our emails, articles, books and videos will continue. Right now we have a fantastic mixing guy who worked with many famous musicians (now a Christian) mixing our next music album. (His name is Jerry Masters and you can get his book on Amazon if you ever want to). He simply emailed me one day and asked if he could help. Even at this early stage I feel like our songs are sounding better than I thought possible. We truly believe music can set a platform for the speaking forth of Truth. And it is a whole new exciting chapter for us.

Please don't feel sad on our behalf. And don't be angry at what has taken place. God is doing something here and we are perfectly prepared to walk His path - wherever that leads. We will keep in touch with you all on the Internet.

I just want to say a huge thankyou to all our wonderful friends in the USA and Canada. We are going to miss you all very much.

North America remains dear to our hearts. But certainly, as many sense, there are dark and dangerous days ahead.
Our richest blessings to you all, my friends. Thankyou so much for all the prayers and support you have offered up on our behalf. My whole family – Jacqui, Ben, Jasmine, Kirsten, Hope and Holly send their love. We fly out this week. The end of one chapter and the beginning of another.

Yes, my Dear Friends! This is truly where we are! A very dark door has slammed shut on America; and this nation will never again be the great nation it has been in the past. Some of you may remember a message that our Saviour gave me many months back in which He showed that He had torn up his contract with America. I also remember the words of William Penn all too clearly: “Those, who will not be governed by God, will be ruled by tyrants.”

Well, my Dear Ones, the choice of the people in this nation has been to ignore our Saviour’s many directives and pleadings to repent, or perish! Repent, this nation will not do, so now comes the other alternative. “Those, who will not be governed by God, will be ruled by tyrants.”

I will be visiting the Gulf States in the latter part of October and into early November. I will travel from Galveston, all the way around the Gulf Coast and into Miami and then back to Arkansas. If you would like for me to visit with you, or your group, as I travel

this long route, please write to me. I will be glad to visit with you and to pray for you and your concerns.

May we all weep and wail; for the hour of great judgement has come upon this nation. Blessed Saviour, have mercy!

## CHAPTER SEVENTY-FOUR - PART IV

### "Martial Law Coming to the Gulf States"

My Dear Ones, I am eager for you to receive this most important of visions; for I really do not know how long we have before this vision comes to pass!

A dear man regularly calls for me to pray on his behalf so that the holy manchild can remove the implants from his brain and elsewhere in his body, as he regularly comes under heavy attack from the U.S. military. As the holy manchild was working to remove the implants from this man's brain and neck, I began to hear the prayer language of the holy manchild; and it is very unique to him.

 From The Mountain Prophecies Copyright 2010

I also knew that he and I were in one accord as we sought our Saviour about something, which was very important spiritually. And, in a moment, I saw that I was rushing down some very dark stairs! At the base of the stairs I found a dark box, which was closed; and I knew that I was to open the box. In so doing, I took out a very thin and narrow key. I then rushed quickly up the stairs and into the light of our Saviour, where I handed the very narrow key to our Saviour.

Immediately, after giving Him they key I received a vision of the Gulf Coast area, but only a very quick vision. What I saw was barbed wire, which was stringed along much of the Gulf Coast and behind this barbed wire were guard shacks. I looked to see that those in the shacks had terrible guns and I heard the orders: “shoot all that moves.”

Then, I heard our Saviour say, “BECAUSE THEY WOULD NOT REPENT!”

Immediately, I was then carried into a vision of President Obama and he was very bloated, or inflated, much like a balloon. He was sitting in a chair, drinking a martini and smoking a very huge cigarette. Next, I saw that the Jews were coming up, bowing to him, and licking out of his right hand.

“Blessed Saviour, have mercy on us!”

Blessed is the Name of Jesus, Lord of Lords and King of Kings.

Your Sister,

# CHAPTER SEVENTY-FIVE

## "The Trip to the desert northwest and …

## The birthing of the Holy Manchild!"

Greetings to you, my Dear Brothers and Sisters. It is after some time that I am now able to write to; for much has been going on with these works, and as a result of so much travel, I also became exceedingly tired and in need of much rest.

It was around the middle of September that I awoke one morning with a deep realization that I must go to California to visit with my sister, who has been quite ill. However, as this is a very long trip and also costly I did not know how I was to make such a trip. But, as the days went by, our Saviour began to speak to me about this trip and how I was also to visit the Yellowstone super volcano and was to travel also along the Wahsatch mountain front, which passes through Idaho and Utah.

### The Giant Geographical Angels!

Our Saviour has seen the faithfulness of my friends in Idaho and He has seen the faithfulness of a dear sister in North Dakota! Therefore, He has sent me to those areas for the release of these mighty angels, that He might bless them for their faithfulness. For, He is mindful of the faithful and He loves the cheerful giver. He reaches out to the ones, who have humble and contrite hearts and spirits and He blesses them accordingly.

### My Travels

My Dear Ones, I would leave Arkansas on the 1st of October, traveling along Interstate 40, working my way through Oklahoma City and up through I-35 into Kansas, taking Interstate 80 in Nebraska, moving westward through Nebraska and following I-80 through lower Wyoming. I would exit Interstate 80 and head up towards Yellowstone,

 From The Mountain Prophecies Copyright 2010

but as I traveled through the vast wasteland of southern Wyoming, I would take a wrong turn and end up in Casper Wyoming.

To this day, I am not sure how this happened, but can only say that our Saviour intended for me to go to Casper Wyoming, a city of about 50,000 people, quite a large city for such a desolate place as Wyoming! After praying for the release of these great angels in and around Casper, I then traveled north to Yellowstone and spent the night in a small city, which was near Yellowstone.

In the morning, I would awaken and head to Yellowstone, traveling through the breathtakingly beautiful Grand Teton Mountains, arriving in Yellowstone around mid-morning on Sunday. I had planned to travel the figure eight road, which goes in and around Yellowstone, but the ranger at the east entrance to Yellowstone told me to avoid the northeast corner of Yellowstone because of great smoke in the area.

I was greatly surprised to see that many of the great mountains in Yellowstone were nearly devoid of any evergreen life; for according to the ranger in the park, massive numbers of the great evergreen trees were killed by the Japanese pine beetles.

I intended to stay in the park that night, hoping that by the next morning I might be able to travel all the roads in the figure eight, which goes around and through Yellowstone, but all hotels in the park had closed the night before! I stopped there at the Yellowstone gift shop to purchase gasoline and stayed just long enough to buy a few souvenirs, for the gift shop was closing on that very day.

To whole Yellowstone loop is around 200 miles, but as I have previously told you, I would be unable to travel the whole loop because of thick smoke in the northeast corner. So, on leaving the gift shop, I would take the south loop and travel around the lower south loop until I came to the westerly portion of the loop. Then, I went far north around that loop until I reasoned that I must be approaching the northeast corner. Then, I turned around and headed back to the westerly exit of Yellowstone. All along this route, I continually asked our Saviour to release the greatest numbers of the giant geographical angels into the Yellowstone Volcano!

As the sun was going down past the great mountains and the twilight was filtering through the vast stands of evergreens, I was exiting the breathtakingly beautiful natural preserve, which is called Yellowstone. While passing along beautiful tree-lined roads, which were bathed in the last remnants of the flickering sun, I asked our Saviour to show me in the Spirit the presence of these mighty angels.

In great joy, I looked in the Spirit to see their bright radiance, for they had taken their stances here and there, throughout Yellowstone Park. Through His great love and mercy, our Saviour had even placed them in the northeast corner of Yellowstone, where I had been unable to travel! What an awesome and humbling sight! Glory to our Mighty King forever and ever; for HE is full of such great love for His people; and HE hears and answers the prayers of the faithful. Blessed is His Holy Name forever and ever!

Yellowstone is one of the truly unspoiled places in America! If I had not been about our Father's work, I would have spent more time there. At the south end of Yellowstone, there exists a beautifully clean and pristine lake; this watery mountain splendor seeming to kiss the heavens, for it sits at considerable altitudes. And, although it is bathed in a beautiful mist of peace and tranquility, I, wonder if it is not also hiding the gaping mouth of the Yellowstone Caldera. Indeed, Yellowstone is a place of great and beautifully entwined contradictions, a place of great extremes and awesome grandeur; but there will surely come a time when all will know the true nature of this sleeping giant!

### Satan in my Face!

That day after leaving Yellowstone, I would travel further south, arriving in Idaho Falls, Idaho as night had already fallen. I would spend the night there next to the Snake River, but another kind of snake would be highly visible in the sky! For, throughout all of these travels, Satan would be in my face, just ahead of me in the sky. The light of his ship was often in full view at night, and during the day he would camouflage his ship amidst dark and ominous clouds. Either way, he always traveled ahead of me and was by his very presence always in my face, often pummeling and infilling my body with great amounts of foreign substances, working to cause me pain and waiting to wreak havoc! But, through so much evil, I would often remember the song of my

 From The Mountain Prophecies Copyright 2010

friend, Misani, from South Africa, “I laugh at the devil, ha, ha, ha, ha, ha! I laugh at the devil, ha, ha, ha, ha, ha! The joy of the Lord is my strength!”

### Followed by the U.S. Military also!

I spoke to my friend in California one day to tell him that I was being followed by an armada of clouds. As I was telling him over a cell phone about the U.S. military ships (UFOs), which surround themselves with brown clouds, the government terrorists were audibly trying to block our conversation with very loud clicking noises.

I ask you now, “Isn’t this just hilarious?” The military airships are now hiding in brown clouds and so sure that none will notice!!!

### The Persecuting and Torturing,

### A time of great travail!

And, yes Satan and his wicked hoards, both human and non-human, persecuted me and the holy manchild and tortured us every step of the way through their wicked technology. After driving for such long hours, I would try to get out of my truck only to find that my legs did not seem to belong to me. I would often struggle to stand, my back humped, my legs seeming to be as wooden pegs, my hips full of pain and barely movable.

To make my way around the truck to pump gasoline, I would have to grab hold of the side of the truck and clutch the side of the truck bed as I ambled towards the pump, often barely able to feel my own legs at all, or suffering amidst great pain.

At night when I would get a motel room, I would often lay awake for three to four hours; for when the holy manchild would get busy removing such vast amounts of foreign substances, I would often feel great pain as He would drag some of these substances through the tissues in my body and through my bones. And, though he is so precious and does not wish to cause me any pain, such pain is often unavoidable when he must remove such vast amounts of foreign stuff from within us and around us.

Most nights, I would get only about three to four hours of sleep and then lay awake in the mornings for another two or more hours, waiting for the holy manchild to remove enough of the foreign objects from my head and throat so that I comfortably get something to eat or drink.

Yet, my dear ones, I tell you these things, not to complain; for I am used to living this way. But, I tell you these things so that you will know not only what the holy manchild and I endured on this trip, but so that you will also know of the great and miraculous intervention of our Mighty Saviour, His great love, His great faithfulness, His great mercy and His great power.

So beautifully and so wonderfully, our Saviour supernaturally carried me and the holy manchild throughout this very long trip. What a great honor to our Mighty King; for in the face of such great evil, He so awesomely blessed us to be able to make such a long journey! I can never thank Him or praise our Mighty King enough! Precious is the Name of our Mighty Saviour! He and He alone is Saviour and beside Him there is no Saviour! Glory to the Name of the King of Kings forever and ever!

### Being in the Midst of the Holy Manchild!

My Dear ones, when the holy manchild works hard, he produces great heat and fire, which is needed to melt the copious amounts of very hard substances, which these wicked ones drive into us. Then, he moves with a powerful motion, much like the waves of an ocean; and it is through this movement that he removes all that they put into us!

This precious Son of our Holy King has now lived within and around me for over 55 months! He is so holy and precious, truly too beautiful for words! I am delighted that he is meant for some of you, who so greatly love our Mighty King. How blessed you all are, who are found worthy to receive the holy son of the King and to have him to live within you! The holy manchild is our Saviour's blessed reward for the pure of heart, the lowly and obedient! Glory to His Holy Name forever and ever! His Kingdom Come and His will be done in the earth as it is in Heaven!

 From The Mountain Prophecies Copyright 2010

### Now, Back to my trip

Now that I have digressed somewhat to fill you in on the particulars of both Satan and his many hoards as well as the beautiful blessings of our Saviour through His Holy Son, I will now proceed to tell you more about this awesome journey!

### From the Snake River in Idaho

I would leave my temporary residence alongside the Snake River in Idaho Falls, Idaho and travel south to visit my friends, who live in the small, yet beautiful little city of Grace, Idaho! There, I would visit with them for a couple of days, baptize them in a very cold river, pray over them, wash their feet and anoint them. Truly marvelous was this visit; for I would see an angel come to minister to them and to perform surgeries on both of them! The angel would remove a growth from the body of my precious sister, after which she was miraculously healed, and the angel performed heart surgery on my dear brother, as well as what appeared to be surgery on his hiatal hernia; and the following morning, as the holy manchild did work on my dear brother, a bone spur was removed from his neck.

I so enjoyed visiting with my precious and faithful friends and our Saviour most assuredly blessed them greatly. After just two days, I would leave there to go south through the Wahsatch mountain front and down past Salt Lake City, Utah and westward past the Great Salt Lake.

### Why I traveled the Wahsatch Front!

### The Wahsatch Mountain prophecy!

My friend in Idaho had told me of a prophetic vision regarding the Wahsatch mountain front and the prophetic warning of a terrible earthquake, which will rip through the Wahsatch front near Malad Idaho, opening up the ground and causing a great underground river to spew forth. The rupture of this river will flood a great area in Idaho, even possibly extending into surrounding states.

If our Saviour allows this great catastrophe to happen, many will drown in the churning waters, or be covered in the great upheavals of the earth, especially many, who belong

to the Mormon Church. The areas of Southern Idaho and Utah are replete with a great number of Mormons, who settled there long ago, their numbers having increased greatly!

I was surely sent along the Wahsatch front on account of my precious friends, who live very near to Malad Idaho. On account of these dear souls, our Saviour would cause me to travel the Wahsatch Mountains, praying and asking for the release of many giant angels into the Wahsatch area from southern Idaho into northern Utah! And, in coming back through Salt Lake City a second time on my return trip, I would pass through more of the Wahsatch Mountains and would again ask for the release of even more of these giant angels into these great and unstable areas, which are all connected to the Yellowstone volcano.

### A Visitation

My Dear Ones, as I left Idaho and entered into Utah, I passed through Logan, Utah and then came to Sardine Canyon, a great canyon, which traverses the floor of the Wahsatch Mountains! As I was moving past this city and heading into the great canyon, I was given a vision from our Saviour. In this vision, I saw the earth open up and great amounts of molten lava came rolling forth from the tentacles of the great and deep Yellowstone volcano. Chills began begin to pass through my flesh as I headed deeper into the canyon and it seemed that every hair on my head was standing on end. My Dear Ones, I was not afraid and do not fear evil! What I felt was not fear, but at the moment, (as I was busy driving), I could not pinpoint the nature of the strange feeling, which was moving over me!

However, quickly I would be drawn into the Spirit and once in the Spirit, I would look behind me and see a Native American, who was standing on the side of the mountain; and the spirit of this Native American was calling out to me. Usually, my Dear Ones, I do not have a thing to do with spirits of the deceased, unless appointed by the Spirit of God to do something with them.

As I looked back at him in the Spirit, he told me that they (the Native Americans) knew that I would be passing through this canyon with the holy manchild and that they had

 From The Mountain Prophecies Copyright 2010

gathered there to see our passing. He further told me that he knew that the eyes of God, the Creator, looked through my eyes and through the eyes of the holy son who is within me. He further told me that he knew that God was passing along that route with us and that He would see the great evils of the people, who inhabit the land. He further stated that because of our very passing, God would soon judge the evils of the people, who live in that area. Furthermore, He told me that the Native Americans would soon be vindicated for the great evils, which had been done to them.

Then, I heard the sounds of a great horn, the shrill sounds of this horn filling the mountains and reverberating throughout the canyon. It was at that time that I looked behind me again in the Spirit to see someone, who was on the side of one of the great Wahsatch Mountains. This being had eyes of pure, white fire, was dressed in sackcloth, and in his mouth was a ram's horn. As he blew the ram's horn, a great and awesome feeling of reverence and holiness began to creep over me. And, very quickly I began to sense the presence of others there on the mountain. Again, I looked in the Spirit to see many Native American spirits, who were spread across the mountains, sitting there on horses, all of them watching our passing. Amidst such a grand scene, I traveled onward, still in awe of what was taking place, but as I traversed through that great canyon, the sounds of the ram's horn began to fade and the spirits of the Native Americans began to fade from my vision. As I was driving, I also had to pay attention to the road, so I was in fact back and forth between the spirit world and the real world in which I was traveling.

However, as I was nearing Salt Lake City, I was made aware again of the Native American spirits, who were behind me there, still on the mountains; and this time, they had all dismounted their horses and bowed down, their bodies pointed towards us and their faces on the ground! Indeed, they were all bowed in reverence to the passing of the holy manchild.

Then, the same Native American spoke these words to me: "You will come again to visit us; and when you come again, you will bring us many blessings."

### My Trip Continues…

Moving past the Native Americans, having been exceedingly humbled and greatly touched by the holy presence of the Spirit of God, I made my way into Salt Lake City, still on Interstate 80. And, suddenly, a storm began to brew around me and the traffic began to become gnarled; for visibility began to decrease and the wind began to whip exceedingly. As this storm intensified, I looked out across Salt Lake City and in the spirit, I would behold another vision! There, standing in the air just over Salt Lake City, was Satan, the Red Dragon! He was whipping his tail; he was stirring up the wind, the rain and the clouds!

In looking upon him, I asked our Saviour to bind him up and to stop his evil attacks against me that I might pass through the city safely. Then, our Saviour said to me, "I will bind him up so that you can pass through Salt Lake City, but once you are gone, I will let him loose; for he has work to do still. His time is not yet up, so I will let him loose after you pass through."

Sadly, I would later find that in the midst of that storm, Satan would go north and rip shingles from the roof of my friend's house in Idaho, for he was surely wroth towards them and greatly angered about their helping me to make this trip! But, even so, all of this added suffering for these precious people would be but a small price to pay for the love of our Mighty King, for the release of such giant angels, and for the salvation of more of the Mormons, who live beneath Yellowstone. And, I have not yet spoken of the great event, which was yet to unfold!

I would then travel due west, passing through Nevada and stopping in Truckee, California to see a dear brother. This precious man has only been affiliated with these works since the beginning of this year, but our Saviour has poured out miracles upon him; and he has now become one of my close brothers and friends. He knew that he would be following me back to Arkansas and he had been busy packing up his belongings! For, this dear man will help me to build a refuge for our Saviour's people and many will come here in troubled times! But, I will explain more to you about this later in this message.

 From The Mountain Prophecies Copyright 2010

I would spend only an hour, or so, visiting with my friend in Truckee California and then I would go on to Sacramento to visit my sister. I would stay there only for a couple of days and was delighted to be able to pray for her and to help her with a few of her needs.

All along these routes, through Idaho, Nevada and northern California, I would continue to pray for the release of more of the giant geographical angels. My Dear Ones, I cannot tell you how many angels were released, but I can assure you that our Saviour released many, many of these giant, geographical angels. Glory to His Holy Name forever and ever.

**Blessed I am to have such Beautiful Friends!**

My Dear Ones, through all that I have been through, the great suffering and torture, and through the great and indescribable miracles, our Saviour has given me some very beautiful and precious friends; and though they are few, they have been so good to me and they have been faithful. I communicate often with some of them, but not so often with others. These precious souls are my family, a family, which our Saviour carved out and appointed to me, even from the very beginning. And, all along this trip, a few of these precious souls called me, some of them daily! And, during these days of travel, and even during days, which were just prior to this long trip, our Saviour gave beautiful prophetic dreams to some of them. I will share some of these awesome prophetic dreams with you; for they are greatly encouraging.

Do you remember my trip to Los Angeles in the summer of 2008? That long trip, through which our Saviour released great numbers of the giant geographical angels, would carry me through Tucson Arizona? It was there at that city of Tucson Arizona, that our Saviour placed four giant geographical angels, which would be seen in the Spirit by a preacher, almost two years after my visit! And, it was on that visit through Tucson that I would stop and visit some very precious people, two of them being naturopathic doctors! And, if you ever are in need of very good naturopathic doctors, I will give you a little hint! These two are among the best, so if in need, write to me and I will direct you to their clinic!

It was about two weeks before I left for the trip to Yellowstone and beyond, really even before I knew that I was going on such a long trip, that one of these precious men called me to share a most beautiful dream. So, the timing of this dream would have been in the earlier parts of September, if I remember correctly; for he was given this dream before I knew that I would go on such a long trip to a very great desert area!
Rev 12:2 And, she being with child cried, travailing in birth, and pained to be delivered
The Birthing and the Latter Rain!

I will recount to you the details of this dream, as it was told to me, and I hope that I remember all of the details correctly. If I remember something incorrectly, forgive me, my Dear Brother!

In this dream, this Dear Brother would hear loud and accusing voices, indeed a lot of verbal commotion. In the dream, he walked out into the desert to determine what all of the commotion was about! (This would not be a far walk for him as Tucson is truly in the desert.) But, as he walked out into the desert he heard some, who were yelling and saying, “You will not have that baby! You will not have that baby!”

Then, he said that he saw a very pregnant woman, who was dressed in purple attire. She appeared to be about eight or nine months pregnant and she was standing out in the desert all by herself. Surely, this brother had great compassion for the woman and he then walked up to her and said, “You will have that baby.”

He also said that there appeared a few near him in the dream, perhaps five, or so, who had some purple on their garments and he also noticed that he had purple on his own garment. (In Rick’s dream, which will follow, you will know who these are, who wear the purple!)

In a short time, this dear man saw clear water, which was coming from two crevices in a large rock and he went and walked in this very pure and clean water, which made something of a stream. Then, suddenly there came down from above a grapefruit, but not a yellow grapefruit, a purple grapefruit and he knew that he was to partake of the grape fruit.

 From The Mountain Prophecies Copyright 2010

In sharing this dream with me, this dear brother thought that the pregnant woman must be the bride, but I said, “Darling, I am that pregnant woman; for I am pregnant with the manchild, and He must be born back to the throne of God.”

I believe that the two crevices in the rock indicate that the living waters will come both through our Saviour and through His Holy Son, the manchild of Revelation Twelve; for it is one rock but water is coming out through two crevices. The clear water, in which this man will walk, is surely relevant to the callings and the anointings, which he is yet to walk in.

I believe that the purple indicates royalty, even as my friend so believes, and I believe that those few, who stood beside my friend and who also had purple on their clothes. These Sons of God, who will also receive the manchild, the purple, royal garment, who encompasses and infills me. I also believe that these “sons”, who are in the dream of my precious friend, are also the very few faithful ones, who called me almost daily throughout my travels on this trip. Furthermore, I would travel vast desert lands during much of this very long trip! Hence, the woman, who was alone in the desert!

I believe that the purple grapefruit is referring to the fruit of the grape, or as it is also biblically called, the fruit of the vine, or wine. In this case, what is coming down is the new wine, or the latter rain. A very beautiful dream indeed!

### The Latter Rain is Near!

Another friend of mine also had a very interesting dream a few weeks before I left on this trip. He dreamed that it was night and that he was looking up at the night sky. He said that in the dream there began to fall a few shooting stars, but quickly there came so many shooting stars that the light from them was illuminating the whole sky! I believe that this brother’s dream is telling of the coming latter rain, indeed a rain of great and holy fire!

### Another Dream of the Latter Rain

Another friend of mine had a dream while I was on this long trip; and in this dream he saw an American man and woman, who came to visit him; and while he beheld them, the woman threw something up into the air. Immediately after she had done this, there came great fireworks. “Typically American,” he said in his dream!

I believe that I am that American woman in his dream and that the American man is my friend from California, for this dream was given to this dear brother while I was in route back to Arkansas and this dear brother was following me back; for as I have told you, he has been sent by our Saviour to help in the building of a place of refuge and a House of Prayer on this very land. But, back to my dear brother’s dream: what was to go up in his dream is the holy manchild and following his going up, there shall come the Latter Rain, the great and holy rain of fire. The great rain of fire is the holy manchild, who is returning from the throne of our Saviour, full of holy fire, and ready to enter into the Sons of God!

### Another Latter Rain Dream!

This precious man, who had the above dream, has been faithful to these works for the last six years. He is now elderly, but indeed, very much in love with our Mighty King. He is also something of a “map man,” and really enjoys studying maps, so he was most interested in calling me daily and following me and the holy manchild throughout this road trip, to find our whereabouts on a map. One day, as I was traveling the dry and thirsty desert roads on my way home again, this precious brother called me to tell me of a most interesting dream. In this dream, he was trying to find someone, who was traveling on a dusty road. As he was out on the road and was trying to find this person in the dream, it began to rain and the rain became very heavy, such a great downpour that the whole road turned into a river.

A couple of days after this dream, the evil ones would block some of my incoming calls, and I would not be able to speak to this Dear Brother! So, his dream would come true as he sought to find us, but could not find us there on Interstate 80, that long, dusty road, which goes through the Wyoming desert.

**How the Latter Rain Began to Fall!**

As I was coming back to Arkansas, my dear friend from California would following me back, driving an old 16 foot U-Haul truck, which he has bought in years past, and behind the old truck, he would be towing another truck, an old Ford double cab truck! The old U-haul truck would be filled up to capacity and the second truck would be piled 11 feet high with many of his tools and personal belongings. As I have previously told you, this man would be coming back to Arkansas to help me build a church and a campground on the land, which our Saviour has so wonderfully and miraculously given to us, all to make a place of refuge for His people in very hard times.

But, as this brother's trucks were both heavily-laden, he would have great trials in trying to crest the great summits of some of the mountains, which we would have to traverse between northern California and Laramie, Wyoming.

It was on Donner Summit, a very steep mountain summit, which is to the East side of Salt Lake City, that his truck would begin to overheat in a very great way. As I was following him, we were once again creeping up a very great mountain at around ten miles per hour. His truck was smoking, his old truck engine groaning its way up the steep slope; and I was following him, gulping down great amounts of diesel fumes! For two days, I followed behind him inhaling diesel fumes and praying; for his trucks were so greatly over packed and overloaded.

On that night as we creped up Donner Summit, I prayed constantly behind my friend's two trucks and then began to remember the mighty works, which I had seen our Saviour do amidst heartfelt praise! So, I called ahead to my precious brother and said, "My Dear Friend, we must praise the Lord!" So, over the phones, we began to praise Him greatly in prayer! And, suddenly amidst our praises, I saw angels descend into his truck! Angels began to work on the engine of his truck and soon he would see the excessive temperature of his truck decrease and enter into the safe zone.

Rev. 12:4 And the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born…

It was during our praises that my friend said to me, “Do you see that light there over that mountain?” Yes, I beheld that light and had already seen it, but as I was looking again at that light, I saw that it was speeding quickly heavenward and fast disappearing into the clouds. At that moment, I thought that perhaps that light was the light of one of the angelic hosts of heaven; and believing that one of the host of heaven might be leaving, I asked it to return, and quickly it did return! However, at that moment, I quickly realized that this was not one of the beautiful hosts of heaven, but Satan, himself, his very ship glowing in the night sky.

Yes, Satan, the Prince of the Air, was very low in the sky, and he was carefully observing all of our travails as we struggled to climb Donner summit. I can only wonder what went on in the thoughts of the monster as he watched us in our great travail as we sought to climb that great summit; but whatever defeat he might have imagined did not befall us. Instead, to our great surprise, wonder and deep gratitude, our Saviour heard our cries and He intervened to give us the angelic help that we would need for our brother’s two heavily-laden trucks to crest that great mountain summit! However, this would not be the end of the angelic interventions, for our Saviour would supernaturally carry us over many impossible mountain situations, but none could compare to His divine intervention, which took place just outside of Laramie Wyoming. As we were exiting Laramie, Wyoming on the morning of the 13th day of October, we would have to climb another very steep summit, just to the east of Laramie. I watched as my friend’s two trucks creped past me again at around 10 miles per hour, the diesel fumes filling the air; and once again I was praying for our Saviour to supernaturally intervene to help this dear man to crest this great summit with his two heavily-laden trucks. There, just outside of Laramie, Wyoming, I had stopped to retrieve a few of the red rocks, which lay alongside that great mountain summit. So, it was from this vantage point alongside the busy mountain road that I watched my brother pass with the two trucks, his old, diesel truck groaning and whining amidst a vast trail of smoke.

As I watched him pass, I was steadily praying for divine intervention from our Saviour; and, it was at the top of that summit, the last great summit, that our Saviour sent a mighty angel to work on my friend’s truck. In the Spirit, I could see the angel as he was cleaning out the engine and fixing and repairing certain engine parts. This angel

 From The Mountain Prophecies Copyright 2010

traveled with us for some time, there in the truck engine; and I was so absolutely and greatly amazed! As you read on, you can easily understand who this "angel" really was! At the time that I began to see the angel, I was then ahead of my friend, and I was shouting to him on the phone in great excitement, "My Dear Friend, there is an angel in your engine. He is working on your truck. And, to our great amazement, his two trucks immediately began to pick up speed and to climb great inclines, now traveling at 60 miles an hour up these great stretching hills. Indeed, his two trucks were traveling under awesome supernatural power!

When I allowed him to get in front of me again, I was indeed somewhat regretful, for he and his two trucks were traveling steadily at 65 miles per hour! By this time, nightfall had overtaken us by that time, but we were both still so very excited about the great divine intervention, which had taken place that day!

True to my dear map-man friend's dream, a great rain of miracles would begin to befall me and my friend from California as we traveled those dry and dusty desert roads, the two of us being the two Americans in his dream! What had this American woman cast up into the air?

**What our Saviour kept from me!**

After two long weeks on being on the road and traveling in my truck, I returned home on the 14th of October, so exceedingly tired, having slept so little for the entire time, my body having been ravaged by the constant assaults of Satan and his many hoards. Into the afternoon of the 14th day of October, I would leave my friend in Oklahoma City, his having assured me that he felt comfortable in making the rest of the trip alone, for I was so pressed in the Spirit to get home.

However, I would be only a couple of hours away when I would call back to check on my brother, to find out that he had experienced a breakdown of the second truck. One of the tires had blown out, but my friend, who was traveling in the first truck would not be immediately aware of the blow-out of the tire of the second truck. And, this towing of the second truck, which then had a blowout, would begin to eat away at the wheel and to break the axle of the second truck, which would be quite costly, but still

covered under his insurance. So, he would remain stranded on the road and need to stay over to take care of the many repairs, this necessitating his return at a later time to retrieve the repaired truck!

After returning home from this very long trip, I was so very exhausted. I was so exceedingly tired and still the holy manchild and I were under very great and severe attacks through the wicked and terrible technology of Satan; and I had no time in which to recuperate.

Therefore, as I needed to rest a great deal, I had little time to reflect on the exceedingly wonderful chain of events, which had taken place since I left on the 1st of October. However, as I began to write of this most astounding journey, a friend of mine called me from Tucson on the afternoon of the 12th of November. It would only be through this man's dream and through another brother's dream of the 13th day of November, that I would realize that a birthing had truly taken place in the desert northwest. So astounding are the ways of our Saviour!

Rev 12:5 And, she brought forth a man child, who was to rule all nations with a rod of iron…

**The Dreams!**
**The Birth of the Baby Boy, The Manchild of Revelation Twelve!**

It was on Friday, the 12th of November, as I was nearing completion of this message that my Dear Friend from Arizona called me and told me of a dream that his brother had. In this dream, his brother saw a woman, who was very pregnant and the baby was very overdue. He knew in the dream that if he did not deliver the baby, that Trina would die. So, in the dream, this brother, whose name is Chris, took a carpenter's knife, drew it out, cut beneath the breastbone of the pregnant woman and pulled the baby out. He performed a C-section and there was no blood. He noted that there was someone else, who was standing beside the woman and the baby; and after the delivery, the mom and baby began to laugh, both of them being exceedingly happy.

My friend went on to advise me that the name "Trina" in Greek means "pure," and in this case I believe that "Trina" refers to the pure of heart, who wait and long for a mighty move from our Blessed Saviour. Surely, many are about to lose hope; for the wait has been so long! Therefore, the holy manchild had to be born, for sake of the pure of heart.

Please note in the above dream that this dear brother, Chris, seems to represent Christ, our Saviour! Please take note that he mentioned that there was someone with the woman when the child was born; for you will see this again in Rick's dream, which is below!

A few months past, Chris had another dream of the holy manchild. In this dream, he saw that a baby had just been born and that it was wrapped in a blanket. As he looked at the baby, he was amazed to see how beautiful the baby was, indeed such a perfect babe! He picked up the baby and as he did so, the blanket fell away! He marveled to see that the baby had muscles and also hair on his private parts, the latter most likely meaning that he is ready to bear seed.

### Another Holy Manchild Dream!

My Dear Brother, who came here from California to help in the work on the land, had another dream of the holy manchild on the night of November 13, 2010. Note that this is one day after my brother called me from Tucson to give me the details of the "Trina" dream, which is above.

I had called this brother from California early in the morning of the 13th of November, and he told me that he wished to speak to me as he had something important to share with me. I could hardly wait to get dressed and get outside to hear of his dream; for I knew that he had received something very important from our Mighty Saviour! I listened in great excitement as he shared his dream from the night before! The following is his recollection of his dream in his own words!

## The birthing of the Holy Manchild

### The Christ Child Dream of 11-13-2010
### Rick W.

This dream began as I saw myself and Linda sitting on the floor in a private room. Linda appeared to be sitting in the middle of a bed mattress on the floor, with lots of comforter blankets surrounding her and spread out in a circle around her. I looked at her just as she said, "The baby is born." I glanced around at the blankets and covers and I then saw the baby moving around at the outside edge of the covers on the floor. We both watched in amazement as the baby was crawling around, playing, and then stood up. He was laughing and waving his hands around and clapping. I was astonished to see the new born baby acting and playing like a small child, and for a few moments we just watched him moving around on the blanket covers in amazement.

Next, I got up and went to the new baby. He held his hands up in the air and I took both of his hands in my hands and walked with him right behind him, his left hand in my left hand, his right hand in my right hand, as we moved forward. We walked together out of the birthing room and into a hallway. We went to the room next door, where my parents were located. I wanted my Mom and Dad to see the new born baby that walked from birth. This was a happy time and my parents were amazed at the baby's laughing and walking as they watched too.

They asked me when he was born. I looked at my watch, which read 2:46. I glanced at Linda and we guessed we had watched him playing for about one and one half minutes, and so I replied… "2:44."

Next, we all went outside into the back yard. This was a close family gathering around the baby. I walked with the newborn on the side walk with the family loved ones watching. At one point, the baby stepped in a little circle of dirt, which was laying on the edge of the sidewalk. He immediately pulled his foot back, frowned, turned around and looked down at the dirt. We all looked too, and I saw that he was barefoot. He didn't like the feel of dirt on the bottom of his bare feet. I noticed that the sidewalk was clean except for a small dirty space, and the dream ended. Rick W.

 From The Mountain Prophecies Copyright 2010

Notice the small circle of friends in this dream and remember the small group, which appeared with my Tucson friend as he stood with the woman in the desert. Remember also the small group, which followed my travels, my very close friends. The truth of the birthing of the holy manchild would go firstly to these, who are my very close friends.
Later on, our Saviour will explain in his own words some of the time frames, which relate to Rick's dream. As we understand it, the time of approximately one and one half minutes represents about one month and a half, or the 40 days that the manchild would play outside of my body before going to the throne of God. The time 2:44 represents the number of days, which would pass from the time that we left Truckee California, when the birthing process began until it was completed in the early morning hours of October 13th in a Motel Eight in Laramie, Wyoming.

### The meaning of 10-10-10

We would leave Truckee California around noon on the 10th of October of 2010, or on 10-10-10 and would spend three nights on the road, the third night, the night of the birthing bringing us to Laramie, Wyoming. In Laramie, Wyoming, we found a Motel Eight, which was sitting far back from the road and seemed to be a trucker's haven, an adequate place, but not very well kept in many ways. We got rooms at the Motel Eight, eight also meaning new beginnings, or birthing.

It was cold in Laramie, Wyoming and the room was also cold. But, when I turned on the heater, it made so much noise that I no longer saw the need of it. I gathered up covers from the other bed and doubled and tripled these covers over myself and after a while of shivering, began to drift off into a warm rest amidst the waves of the holy manchild. My body was full of vast amounts of foreign stuff and he needed to work very hard to remove such things from within us!

Since I was sleeping, I do not know what happened with the holy manchild on that cold night in Laramie, Wyoming! But, after the revelations, which have been given to these brothers through their dreams, and through the direct revelations of our Saviour, I do know that the holy manchild was born in a Motel Eight in Laramie, Wyoming in the early morning hours of the 13th day of October, 2010, that birthing process having

begun three days earlier! Since that birthing, I have come to know that Laramie means origin.

Our Saviour knew that this birth would take place in my sleep and that I would also be so very tired and not aware of what had taken place. For, this reason, my Dear Ones, I know that he so chose the city of birth so that there would be no doubt in my mind that Laramie, Wyoming was the place of origin of the holy manchild's birth. Glory to our Mighty Saviour; for He attends to every detail!

My Dear Ones, I also believe that He picked Laramie, Wyoming as a tribute to the native American spirits! For, it was our Saviour, who caused them to awaken from the dust, that He might give honor the His Holy Son! For, He will get his own honor and bring honor to His holy son, even if he must raise spirits of the dead to bring him honor!

Sadly, you in this nation of America, have so trampled these works, and in so doing you have trampled the Kingdom of our Saviour, even before it could be born. Great shall be your travail, oh nation of America; for you shall bear your shame! Many, who sleep in the dust shall awaken to eternal life; for they shall be made to know the love, mercy, grace and forgiveness of our Mighty Saviour. He will give this grace to many, who so sleep in the dust; for in their lifetimes they were not blessed to know Him! But, you, oh nation of America, oh harlot nation, if you do not repent, you will surely perish in your great sins!

Now, for our Saviour's most important words, read on …

### Message from our Father in Heaven

### Travailing in Birth!
### 11-28-2010

Come unto Me, My Blessed Child; for I am your Father Yahweh, yea Jehovah, Most High God! Be at peace, My Blessed Child and be joyful, for the expectations of some are about to be fulfilled! Gross darkness is falling upon the whole earth and now My light and fire must come into the earth in even greater measure!

 From The Mountain Prophecies Copyright 2010

You have travailed, My Blessed Child, and you shall travail even more; for the birthing, which has taken place, even the birthing of My son of fire and light from your very body, and back to Me, must now bear fruit in the earth. And, even as he was given to you as a small pool of liquid light, which came from My very own body into yours, he must now be given to My faithful, to the pure of heart, yes conceived in each of them, even as he was conceived in you! So, what you have endured with such a traumatic gestation and birthing process, must now be endured by the faithful, by the pure of heart.

He will be released to live and grow in some now, a very few at first, and then into progressively greater numbers. But, he must grow in them, even as he has grown in you and then there will come another birthing, a great birthing back to My throne, as My sons are birthed back to Me through a birthing canal, which is most certainly one of great fire and light.

When he was birthed into the world from your body, My Little One, his birthing took place over a short time of a little more than two days; and then he and he, alone, was caught up to My throne; for the birthing canal of fire and light, which goes to My throne is not ready for the birthing of great numbers, or for any humans at all. For, this birthing process comes later! But, it was ready for My very own Son of light and fire to travel through.

Now, My Little One, do not despair; for a much greater power of light and fire will begin to come into you through My holy Son. Already, you walk and live amidst very great miracles and wonders, and the miracles and wonders will begin to increase and grow within and around you!

But, for the rest, who will now have My Son to come and live in them, for these, My Little One, My Holy Son of light and fire must grow in them. Yes, it is true that even while he grew in you, he did visit others, and he did linger in their bodies for a while to bless them and to help them, but he did not yet go to live within anyone else!

Now, he will be released to live within a small number at first and as the days, weeks and months go by, I will release him to live in greater and greater numbers of the pure of heart.

When I am pleased with his growth in these, My Sons, I will then birth these sons back to My throne! It is at this coming time, that I will fulfill My promises to you, that I will take you first and along with you a few faithful and there will be a very special and holy celebration at My throne for My Son, the holy manchild of Revelation Twelve. So, My Little One, there comes a time of great tests and trials for the faithful, for in this way I will cleanse and purify them all through the holy fires of My holy Son of light and fire, as gold and silver are tried, tested and purified.

Hear Me in this; for so many wish to escape; yet My rewards for My faithful are not based upon escape, but upon overcoming!

All need to take note of your suffering; for what you have endured will now come upon the whole world.

Hear Me in this! I have greatly tried and tested you, My Blessed Child; and you know that you cannot determine what I think, or what I will do! Through My very words, I try and test the hearts of all. Who can tell what I will do or what I will say, all in order to test the hearts of the faithful, even as I tested Abraham when I told him to sacrifice his son.

What will I tell any of you, all in order to try and test you? Hear Me in this; for I am about to bring My faithful through the fires!

Hear Me also, My Blessed Child, and know that I will proceed to bring forth My promises in Book Five and will prepare a place of gathering for My people! I have given you a small area of land and through the hearts of the faithful, I am helping you to prepare a place for the faithful! Yet, I will also touch the hearts of the faithful to help even more, for I shall yet give you a greater, far greater parcel of land, a much larger parcel yet, where I will also prepare for even greater numbers. And, in times of great

 From The Mountain Prophecies Copyright 2010

trouble, even after I make you My queen, I will hear the cries of the broken hearted, the starving, the homeless, the weak and dying; and I shall send you out supernaturally, and with you a few others, and you will gather up these hurting ones and supernaturally carry them to this very place of refuge, which I am now preparing. All over the world, I will send you to retrieve a few here and a few there and in this way I will look after some, who will survive to see Me come in the clouds. In this way, I will preserve and keep them and assure them of their heritage with me; and to keep My promises to those, who await My coming in the clouds!

### The Latter Rain

Just know, My Blessed Child, that this latter rain, this latter and former rain will begin slowly at first and over time, will accelerate in quantity and in its purity in those, who both receive it and bear it.

Be at peace, My Blessed Child; for even as I have told you so many times, you are indeed blessed above all women, having been called and chosen before the foundations of the earth to be the spiritual mother for My people! And, therefore, My Little One, the very task of the birthing of My kingdom into the earth has been laid upon your very shoulders, a great task indeed; and some of those of the heavens, the Elohim, the Anakims and those of the lower parts, Satan and all of his many hoards, and their many human and non-human counterparts have set out to destroy you and My precious Son of light and fire. Their torture against you has been great, their persecution against you both has been tremendous, the travail of you both has been constant and immeasurable, night and day!

On the day of the 53rd month since his conception in your body, that day being the tenth day of the tenth month of the year 2010, My holy Son of light and fire would begin to be born, and at that time only emerging from your body for a brief second or two. But, by the early morning hours of October 13th of 2010, he would be severed from your body, and would remain in the earth, severed from your body for forty days. For this reason, it is written that Satan wanted to steal him as soon as he was born! For, Satan would see My holy Son there at the edges of your bed covers, playing

around, flying a bit, and clapping joyfully, and he would make every attempt to steal him or to destroy him.

During this time, I caused a great lethargy to come over you, my Little One, that you might rest in Me until you fully understood what had taken place. For, a very holy time, a time of reverence was upon you, a time to draw very close to me. And, aside from your sharing the truth of this birthing with a very few souls, I would not allow you to share or publish this event! For, this event is My holiness!

However, the wicked ones would know and they would then escalate their plans for World War III! For, they all hate what is taking place and wish to destroy My kingdom before it can even begin! (This escalation of WWIII is the North Korean attack upon South Korea!)

You, My Little One, have suffered the intensity of their non-stop hate and arrogance and you have greatly travailed amidst such great suffering. Soon, you will begin to see the fruits of your great labors as they begin to manifest in the earth through the faithful, through the pure of heart!

Those, who have mocked and scoffed these works of Revelation Twelve, will be cut off, clean cut off from receiving My Holy Son, unless they repent with great tears and with great weeping. The holy inheritance, which was meant for many in the USA, will go to the pure of heart of other nations; for so gross are the sins of the people of this nation!

Hear Me in this, oh you proud, haughty and stiff-necked nation of America! Oh, how wickedly you have behaved towards My chosen servant, Linda Newkirk. How you have risen up to put your shoes in her back and to walk upon her face as she travailed and struggled to bring My holy Son to maturity! How you laughed at her and mocked her and called her insane and threw stones at her and did all that you could to destroy her and to destroy My kingdom as it was only beginning and before it could even be born! Yes, you, who call yourselves Christians, colluded one with the other and you have spread hate, lies and slander. You threw mud into the face of My chosen servant, Linda

 From The Mountain Prophecies Copyright 2010

Newkirk! You became Satan's willing pawns and many of you became his children, your hearts intent on destroying my holy work through Linda Newkirk.

Now, I shall put My foot in your backs and I shall cast mud upon your faces and I shall take your inheritance and give it to the humble and faithful in other nations! The last shall be first and the first shall be last! For, I made you first, oh America and you trample what is holy, preferring instead what is profane! Now, I shall make you last, oh you harlot nation! And, I shall give your heritage to the pure of heart in other nations; for they do not sit in judgment of Me and My works. They do not profane what is holy!

And, to you, my pleasant daughter, Linda Newkirk, I shall fulfill all of My promises to you, and even though you must travail yet, and even though you must suffer still, even until the birthing of these Sons back to My throne, I will bless you, even exceedingly bless you in the face of all of the mockers and scorners. And, if they will repent with a broken and contrite heart and spirit, I will forgive them. But, even so, they will travail, longing and pleading for the gift of My holy Son of light. For, I will try and test every one of them.

I am your Father Yahweh! Go in peace, my Little One; for I now give you permission to publish these works.

As witnessed, dictated and recorded this 28th day of November, 2010,

Linda Newkirk

(Yet, my Dear Ones, as the days went by and as I thought to publish these holy works, I was held back by the sheer holiness of all that was taking place. I knew in my heart that the swine would come up to devour the holy pearls and I pleaded with our Saviour to preserve all that was holy, keeping the swine away from the great and holy events, which were unfolding. I felt so conflicted about releasing this information and I knew that our Saviour was, by this time, also holding me back from releasing these events until a new, appointed time.

It was last night, on the night of the 2nd of January of 2011, as I was reading the holy scriptures and pondering before our mighty Saviour, that I saw a clean and beautiful little calf, and this calf was standing on the hillside and kicking up its heels. As I watched the calf, I wondered why our Saviour was showing me this calf; and as I wondered, I called a dear brother and told him of this lone and happy calf, who was so playfully and happily kicking up its back feet.

It was after we both prayed for a greater confirmation that I saw that the calf had come out of a stall. The stall had iron bars and inside the stall was a circular area of clean straw, where the calf had been resting. Our Saviour stood looking over the now empty stall, where the calf had been, and as I wondered about the identity of the calf, our Saviour said to me, “You are that calf, who has been let out of the stall.”

And, this morning, on the morning of the 3rd of January of 2011, our Saviour spoke to me and told me to go forward with the release of these very holy events. The release of these words are to feed the pure of heart, to bring hope to those, who suffer and long for the coming of our Mighty King, to feed and to nurture the babes, that they mighty grow and make themselves ready for the meat of the kingdom of our Mighty King, and to minister to the lost, that they might know the hope of our Blessed Saviour and His Kingdom Come and His will be done!

Now, my Dear Ones, I will proceed to tell you more regarding the birthing of the holy manchild and his ascent to the throne of our Mighty Saviour!

Rev 12:5 And, her child was caught up unto God, and to his throne …

My Dear Ones, as I prayed on the night of the 21st of November and was down on my knees in front of my sofa, I looked in the spirit to see that the holy manchild was standing at the end or the sofa, his height being about one and one half feet taller than the arm of the sofa, the height of the sofa arm being about three feet. And, although I did not see the face of the holy son of the king, I saw his royal vesture of light and I sensed that he had already been to the throne. And, it was two nights later, while I was

 From The Mountain Prophecies Copyright 2010

on my knees and praying in the same place, that I saw him again, this time seeing very clearly his royal vesture of light and seeing as well his perfect and beautiful face, even beholding the beauty of his eyelashes. I noted also that he bore a crown of gold.

Then again, perhaps two nights later, while I was praying in the same manner in the same place, he appeared again, so full of light and fire that I thought that I beheld an angel, and this time he bore many keys, and on his head were crowns within crowns.

It was on the same night that I first saw him with the crown of gold on his head that I saw that the holy manchild had in front of his robe something that reminded me of a pouch on a kangaroo; and as the holy son looked intently within that pouch, I saw that there within the pouch were many, many tiny babies and that these tiny babies were each wrapped in a very tiny blankets.

On proceeding nights, the holy son would appear to me again showing me the tiny babies and even taking one and causing him to rest in a tiny baby bed, which was in plain view. So precious and so tiny were these babies.

And, then about two weeks before Christmas, I saw a door open and as this door opened, I saw holy fire and light come through the door and then there appeared in the door our Saviour. Alongside Him was His Holy Son. And, in his hands the holy Son held a large, heavy tray, but I did not see at that time what was on the tray.

Yet, within very few minutes, I saw our Saviour as He was standing on the threshold of my back door and alongside Him was the holy manchild; and on the tray were many tiny babies and they were all crying.

The next day after seeing the holy manchild with the many crying babies, I received a call from my friend in Arizona and he said, “I have a baby dream to share with you.” And, as his words to me went, a mutual friend, who is very dear to us both had a dream of crying babies. In this dream, he saw many babies, who were on an assembly line and they were all crying. The babies were in boxes and these boxes were all separated by straw. Some of the babies were young, perhaps two months old and

others were older, perhaps two years old. And, as I understand it, these babies in the boxes were being carried straight up on a conveyor belt. Glory to our Mighty King! (The different sizes of the babies represent different amounts of power, which is coming to the Sons of God!)

As the days passed, the holy manchild would appear to me again and again to show me the state of the babies. And, through these visitations, I saw that the babies were all being fed and from visit to visit, I could see how much of the holy formula remained in their bottles. Finally, there was nothing left to feed them and I saw that the babies were being prepared for their "mothers" in the earth, and yes men will also be mothers and women will also be sons.

Lately, I have seen that the babies are all very strong and are kicking and flailing their arms as they very ready to go to their mothers.

During these most awesome of events, I also received a word from a Sister in another nation, that the holy Son of our Saviour had visited her, a most precious visitation. She saw that he bore a white robe with a gold sash and on his head was a crown of gold. This dear woman knew who he was and the precious little son of the King went up to her and so tenderly called her, "Mom." This sister was at first shocked to see him, but he wanted her to know that his visit was real and he thereafter visited her two more times. So precious and so holy are these dreams, visions and visitations!

And, today, the 3rd of January of 2011, as I was writing the final words of this message, a precious, young man called me to tell me of a very beautiful dream that he had on the night of the 13th day of December. This was two months to the day since the holy Son of the King was born in Laramie, Wyoming. Remember Rick's dream of the 13th day of November and our brother's dream of the 12th day of November; but unknown to me, our Saviour had given a dream to a precious, young man on the 13th day of December, a very important dream, indeed.

 From The Mountain Prophecies Copyright 2010

### The Crying Babies

I will attempt to recount what this precious, young man told me today, for this dream is but one more dream, which has been given to others to confirm the very events, which we know to be taking place. I share this dream with you all; for it is no accident that our Saviour touched the heart of this dear one to call me at this time. His dream is but one more very great confirmation of what is taking place and what is coming soon into the earth to the faithful! If I do not quite remember all details, forgive me, Luke, but these are the details of Luke's dream as well as I remember them!

Luke told me that in his dream, there seemed to be someone, who was holding him, as if draping him over their arms. But, I do not know whether he realized that he was being held, before or after he was slapped on the forehead. The slap on the forehead startled him and perhaps then he realized that someone was holding him, as if draping him over their arms, as I understood it. He looked around the room to see someone, who was standing in the shadows of the room and that this one had wings. Then, there appeared many crying babies in his dream and he could so clearly see their flailing arms. Luke wondered what this dream meant. (Now, Luke, you can understand.) Luke wondered about the slap on the forehead and whether this has to do with the sealing of the 144,000. A very good question, Luke! Perhaps, our Saviour will soon show us more!

### The Latter Rain!

My Dear Ones, the holy little babies will come down as streams of fire and these streams of fire, the holy little babes, will enter into the Sons of God. I do not know when this will happen! It could happen today, or it could happen next week, or even later. I really cannot say! But, I call out to you to make your hearts clean. Make your spiritual lives clean. Repent of your wrongs and seek forgiveness of the Mighty King. Make your way straight and walk in the love and grace of our Blessed Saviour! He is about to reward the pure of heart; for He is about to raise up His Sons. The Kingdom of the Most High is surely coming into the earth.

At this time, I wish to thank those of you, who have been my faithful friends! Some of you I know very well; for you have been called to be a very intimate part of these works. Others of you, I do not know well at all, but our Saviour knows you very well and many of you, who remain at a distance will be so richly blessed; for you have believed the truth about these holy works. Be of good cheer, my Dear Friends, for our Saviour is about to richly bless those, who are of a humble and contrite heart and spirit.

May we all sing and rejoice and be glad. May we all continually lift up our voices to our Mighty King in praise and thanksgiving; for He is doing a new thing in the whole earth. True to His promises, He is bringing forth His kingdom and He is raising up His Sons in the whole earth. Glory to the Holy Name of the King of Kings forever and ever!

Sending much love to you all,
Your sis,

Linda Newkirk

My Dear Ones, I now add these very important scriptures as the Spirit of God quickened my understanding this morning!

Who it the manchild? I have told you that He is the Son of our Saviour and our Saviour has also told you these things. Now, I give you scriptures to ponder!

**Isaiah 11:1**

And, there shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots.

Who is the rod, but our Saviour? In the first chapter of Matthew, you can read the genealogy of our Saviour, that He did indeed come out of the stem of Jesse, or the Davidic line.

 From The Mountain Prophecies Copyright 2010

And, a branch shall grow out of the roots of the rod! And, who is this branch, but firstly the holy son of our Saviour, or the holy manchild? Remember the rod of Aaron, which budded. This budding of the rod was symbolic of what was to come, the time when the "branch" would spring up from the rod of our Saviour! That budding of the rod has already happened and now the branch shall flower! The holy manchild is that branch and this branch will bear the sons of God, the true sons of our Saviour!

### Isaiah 11:2 (More about the Branch!)

And the spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord.

My Dear Ones, these are the seven spirits; and in Revelation 1:4, we can read of "…the seven Spirits, which are before his throne…"

So, in summary, the seven spirits come straight from the Lord, Himself and these seven spirits are the holy manchild, or the Branch of the Rod, as we see from reading above. So, the Sons will be the seven spirits!

### Isaiah 11:3-5 More about the Branch…

And shall make him of quick understanding in the fear of the Lord, and he shall not judge after his eyes, neither reprove after the hearing of his ears: But, with righteousness shall he judge the poor, and reprove with equity for the meek of the earth: and he shall smite the earth with the rod of his mouth, and with the breath of his lips shall he shall he slay the wicked. And righteousness shall be the girdle of his loins and faithfulness the girdle of his reins.

Why are these verses not speaking of our Saviour when He was in the earth? My Dear Ones, through His words, our Saviour has told us that he did not come to "judge" but to "save." He did not come to smite the earth with his rod, or with the breath of his lips to slay the wicked. Our Saviour came as a Lamb, full of great peace and love. Blessed is His Holy and Precious Name.

My Dear Ones, there is one verse still that you need to take note of:

**Isaiah 4:2**

In that day shall the branch of the Lord be beautiful and glorious, and the fruit of the earth shall be excellent and comely for them that are escaped of Israel. Get your bible and read the verses that follow. You will be delighted!

Blessed are the little lambs, who are faithful and true! Theirs is the Kingdom of God!

PS: If you have written to me within the last two months, or so, and have not heard from me, please forgive me. I am exceedingly grateful for all that you have done to help with these works in any way! Many, many thanks to each of you! Soon, I hope to answer your letters. Sending my heartfelt love to each of you!

# CHAPTER SEVENTY-SIX

## "The Sons of God!"

"Thou art my battle axe and weapons of war: for with thee will I break in pieces the nations, and with thee will I destroy kingdoms; And, with thee will I break in pieces the horse and his rider; and with thee will I break in pieces the chariot and his rider; With thee also will I break in pieces man and woman; and with thee will I break in pieces the young man and the maid; I will also break in pieces with thee the shepherd and his flock; and with thee will I break in pieces the husbandman and his yoke of oxen, and with thee will I break in pieces captains and rulers." Jeremiah 51:19-23

### "The Sons of God are Coming!"

"Hear Me now, My Blessed Child; for I am your Father Yahweh, Most High God. Hear My word, My Blessed Child. The whole world is broken in darkness. It is broken. The whole world mourns. It weeps and it howls. Great is the darkness upon the face of the earth and the deeps sigh and mourn. A curse is gone out; yea a great curse and it is devouring the whole earth; for iniquity, great iniquity has budded! It has bloomed and has born an ugly fruit. The ugly fruit of sin, of evils unparalleled, worse than the times of Sodom and Gomorrah, yes unparalleled evils have taken root, even covering the whole earth, and a spell has been cast upon the people. Darkness has covered their eyes and darkness has filled their ears. Darkness has consumed their hearts and thorns have multiplied to cover the whole earth.

A great and terrible stench has come forth, the stench of darkness and evil, and a devouring darkness has rolled forth upon the whole earth. The earth is in pain! The earth travails! Smoke and fire flow up from the depths. The earth has been moved from its foundations, the works of evil hands and evil minds, a technology so great and evil that if I do not intervene, the wicked ones will advance in their evil plans to destroy the whole earth.

Hear Me, oh you wicked ones, you, who call black white and white black, you who love evil, who tell every lie, who blaspheme what is good and of Me. I have laid a great stone, a great stumbling stone in your path, a great stone indeed, and you will push at this stone, you will beat upon this stone and you will seek still in greater ways to destroy this stone. But, I say to you, oh great harlots, who whine and whisper, who dance and shout for Satan and for the gods of other worlds, I have drawn a line, a sharp line, a line of division. The line and this stone are one and this line and this stone are both in My hands; for I have laid a plumbline and it is straight. I have raised up a standard and it is holy! I have sent forth My branch and he is holy. He is My holy Son, my pure child of Revelation Twelve; and he is in your midst, oh loud and raucous sons of evil!

He has paid his price and now he is your price! A great price, indeed; for as you stumbled upon Me, you shall not stumble upon him and he is both a mark and a reward. He is the reward to my faithful and the mark of destruction to the wicked. For, all, who make him their mark, will thusly be marked; and all who trouble themselves with him, he will now trouble. All, who goad him, will thusly be goaded. All, who mock him, will be mocked. All, who torture him, will be tortured. All, who seek to annihilate him, will be annihilated. All, who trample on him, will be trampled!

And, all, who meditate on him, will be blessed! All, who love Him, He will love! All, who honor him, will be honored. All, who bless him, will be blessed! All, who receive him, will receive Me! All, who make their hearts pure and who love Me above all in truth, honor and spirit, will know him. These will have him as their eternal companion!

For, My BRANCH is of Me. He is Mine and the pure ones are Mine. They are My Holy Sons and through My Son, the BRANCH, they are even My Holy Seed.

Break through, oh woman of great travail! Break through, my chosen servant, Linda Newkirk. Break through as a breath of spring air, even after a long winter's night. Break through, my chosen daughter. Break through in My might, in My power, in My freedom, in My love, honor, purity and truth! For, I shall make your feet big and I shall make your shoes wide and the wind of My power shall be beneath your feet! You shall climb

 From The Mountain Prophecies Copyright 2011

tall mountains, you shall soar as an eagle, and I shall carry you in My hand. Where the wind of My spirit goes, you will go in My truth, in My love, in My mercy and power. And, no good thing shall be withheld from you! For, you have travailed, My Little One! Your travails have been long, your suffering has been great. In all ways, you have suffered and now I am turning a new page in a new book.

Yes, they shall see you upon the wind! In the night sky, some will see your face in great love and kindness! For, I shall send you upon the wind and they will say, "Who is this woman, who rides upon the wind." And, I shall say, "She is My child, the mother of My Son, the Branch, and she rides the wind of My Spirit! Her feet are of brass and her shoes shine with My light and fire; for I have given her victory! She is the victor over all of her enemies and the dragon is beneath her feet! For, she is the one, who slept night and day for so many years beneath the feet of the dragon! And, the dragon and all of his hoards did as they would to her, but her mind neither faltered nor wavered, but rested in the knowledge, the truth, the purity and the love of the Most High! And, though her tears were many and her pain and suffering great, her travail a great and terrible travail, she trusted in the Most High and He gave her victory over the dragon and all his many hoards. And, she brought forth, not wind, but brought forth the holy son, the son of the king of kings, and through her travail, she birthed the very sons of God."

Stand tall, oh you distant hills and rejoice, oh you trees! Be joyful, oh you brooks and streams; for the Sons (of God) are soon upon the whole earth. In their feet shall be the sounds of running horses. Their gait shall shake the whole earth. The wind of their mouths shall breathe forth a pure stream of My fire and light! For, these are Mine! These Sons are of Me! They are chosen, even before the foundations of the earth; and they are appointed. They shall not lie! Neither will they take bribes! They shall not love evil and no evil shall be found in them! For, I shall make their hearts tender and My love shall flow out though them. No evil will be found in them; for they shall be quick to repent. My mercy shall overflow them and if they err, their errors shall be on the side of mercy. Yet, they will hate every evil and destructive thing and shall plead against evil. Their call shall be to repent, or perish. Their great love shall be towards the underlings, towards those, who suffer. But, their hearts shall be set towards the

destruction of every evil and wicked thing. And, through their very words, they will bring to pass My perfect will towards every evil thing. They will not use a sword. They will not be violent in any way, but will speak My word; and when they speak My word and move in My will, My word will move forth to accomplish My perfect will towards all things.

These are My Sons, full of love, mercy, grace, full of long suffering, full of kindness, slow to anger and quick to repent, full of every good virtue; and these, My Sons, will rule the earth; for these are also My BRANCH. They issue forth from Me! I will get My glory; for these shall glorify Me night and day and in them shall be no guile.

Hear Me in this, oh you heathen nations! Repent of your evil ways, lest you fall to the cunning lies of Satan's new world order. For, if you take his mark and if you fall down and honor him as god, you make your final choice and your soul will suffer destruction.

Hear Me, oh you careless ones! For, you are careless with your souls! Hear Me, oh you liars and all, who mock what is holy and of Me; for your place is in the lake of fire. Hear Me, all who blaspheme My works of Revelation Twelve, through My chosen servant, Linda Newkirk; for if you do not repent with great weeping, your place will be with all liars in the lake of fire.

A time of great finality is upon the earth. Woe to you, who love evil, who parade in the filth of the flesh and will not repent; for if you will not repent, and soon, you will burn! For, I will stir up the earth! I will stir up the stars! I will stir up the heavens and in one second of one minute, many, many of you will be taken unawares. Woe to the inhabitants of the earth; for Satan and his many hoards have been cast down and many, whom I sent to prison in the fires in the hollow of the earth, will soon be unleashed upon an unsuspecting world! For, they shall come up, out of the fiery flames; and they will come to devour you! They will torture you! They will greatly trouble you!

 From The Mountain Prophecies Copyright 2011

Blessed is My chosen servant, Linda Newkirk, for she withstood their fires, tortures and torments for her appointed months and through her great suffering, she paid the price for all of My Sons, that when these come again, their sting will not affect My Sons, who will then be totally sealed.

Hearken, oh you mockers and scorners of My servant, Linda Newkirk. Hearken, all, who have spread vicious lies and slander against her. For, if you do not soon repent of the great evils that you have done against her, I shall take you in an instant and I shall melt you as wax in the heat of the sun. From the puddle of your burning, you will cry out, but your cries will not be heard. Yes, I warn you now, all of you, who have delighted in putting your feet in the back of My chosen servant, Linda Newkirk, even as she travailed for the salvation of the greatest numbers of souls, woe to you! Woe to you liars and slanderers; for you mock what is holy! Repent now, or perish! For, you have had your time to delight in your evil and if you will not quickly repent, the flames of hell will catch you! For, I have drawn a line, and this line is a line of finality!

Who among you will now mock what is holy and of Me? Even as the sands in the hourglass, your days are numbered and short, indeed!

I am your Father Yahweh, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 29th day of January, 2011,

Linda Newkirk

Dear Ones, our Saviour has given me visions, which concern an imminent martial law situation in America. This nation is falling very quickly; for the people love evil and will not repent. So sad, indeed; but even so this is all upon us.
Fall upon your faces, oh you people of America, and repent of your wicked ways, that the Most High might be moved to mercy and spare your souls. For, so great is his anger against this nation. A net, a great net, is falling upon America; and woe to the inhabitants of this land.

For, many will soon disappear as they enter into trains, airplanes and cruise ships. Many will disappear when they go to get visas for travel. Many will either be denied entry into the USA or exit from this nation; for our Saviour has shown this to me through recent visions.

A great howling is about to go up in this nation; for you, oh America, have forsaken the Living God, the One and Only God, the Almighty God, Yahweh, who made this nation great.

Hear me, oh you back slidden nation of America, you will not escape what is upon you. For, so great shall be the judgments of the Most High against you, oh arrogant nation of America.

Woe to those, who have mocked the warnings of our Saviour to repent, or perish. Oh, so great shall be your punishment if you do not repent of your evils.

**"Now, our Saviour is speaking to you, America!"**

"In a flash, you will be taken," says the Most High God Yahweh. "In a flash, you will be gone, oh you mockers, scorners, you harlots, you whoremongers, you winebibbers, you adulterers, you porn addicts, you liars, schemers, you lovers of selves, vain, proud, haughty boasters! Your sins have polluted the whole earth. Your sins of flesh have corrupted the whole world and oh so great shall be your burning, oh America! For, you have had your time at the head of the world. I put you there and I shall take you down, oh your wicked nation of America! In one day, you shall fall and in one day, your cries shall be heard all over the world; you nation of adulterers, you nation of mockers and scorners, you blind, who lead the blind, you filthy preachers, who struggle with the gnat and swallow the camel. Hear me now, you back slidden nation; for I have marked you, oh harlot nation, and as I have marked you, I now bring my judgments upon you! I am the Most High God Yahweh and besides me there is none other!

Yes, you have a scratch, oh perverted nation of America! You have an itch. You have a boil, a great sore, and this great sore is the stench of your own sins. Your bowels are

 From The Mountain Prophecies Copyright 2011

full of puss and your breath is full of corruption. Your ways are crooked and your road has reached a dead end.

What will you do now, oh you spoiled nation; for your once great light is flickering. I will flip the switch on you and I will shut down your once great way of life. Then, I will sift (you) and I will plead with you through great wars and through great calamities.

I will call to you and some of you will hear, but through it all, great numbers of you will perish. And, when I am satisfied in my judgments against you, I will have in my hand those, who will look upon me and say, “You are our God and we are your people. We are the sheep of Your pasture.”

Return, return, return, oh you back slidden daughter of America. Return, return, return, that I might be moved to mercy. Return, return, return, that I might alter somewhat your course. Return, return, return, that I might dust you with my great forgiveness. Return, return, return, that I might lessen your judgments.

For, if you will not return to Me in great numbers, with weeping and howling for your great sins, I shall raise up your many enemies, I shall bring them down onto you; and I shall strike you unawares.

Hear me, oh you harlot nation of America; for my great judgments are now unfolding in your midst.

I am your Father Yahweh, yea Most High God.

# CHAPTER SEVENTY-SEVEN

## "Message for Japan From Yahweh, Most High God

## April 01, 2011 "

My Blessed Child, sit and write, even as I so tell you, that My truths might go out, even to a nation, which is now sinking beneath the waves! I am your Father, Yahweh, Most High God, Lord of Lords, and King of Kings, Creator of all.

Hear the words of Yahweh, you people of Japan!

### Repent of your pride!

Hear Me, oh you proud, you vain, you self-sufficient people of Japan! How you have lifted up yourselves! And, in so doing, you have made idols of the works of your hands! You have prided yourselves in your self-sufficiency, and you have lifted up yourselves regarding your financial status in the world.

Hear the words on Yahweh, you people of Japan!

### Repent of your idolatry!

Hear me now, those of you in Japan, who worship a false god, Buddha and who worship the ideals of Confucianism! Hear Me and hear Me well; for your lives are in vain! For, all, who will not come unto Me and who will not honor Me, will not only die a spiritual death, thereby cut off from Me and cut off from My light, but cut off from eternal life. And, at a given time, all such souls, who have died such a spiritual death without Me, will also be destroyed!

Hear Me, oh you vain people of Japan! The death bell is ringing for your island. Only I can save any of your souls and only I can save any of your nation! If you will not see the evils of your ways and if you will not repent of your witchcrafts and of your

 From The Mountain Prophecies Copyright 2011

vanities, you will see it come to pass, that Japan will sink beneath the ocean with only a remembrance that you ever existed at all.

Hear the words of Yahweh, you people of Japan!

**Your worship a false god! Repent!**

You worship Buddha, who is in hell, as he will not honor Me. And, your pride and your vanities have cut you off from the truth of who I am.

Do you expect that your self-sufficiency will save your island? It will not! Concrete will not save you; for concrete will not stop a nuclear reaction once it has made its way into the earth, with plenty of fuel to feed it.

Hear the words of Yahweh, you people of Japan!

**Repent! Turn to The Most High God and He will save you!**

Turn to Me, oh you people of Japan and I will show you My great love, mercy and forgiveness. Destroy the temples of Buddha! Burn up the idols of your own making! Remove the witchcraft from within your nation! Honor Me and I will save you! For, I am Creator of All things! I am the True God of Creation and the Only God, who came in the flesh that I might save humanity. Besides Me, there is no True God. I am Most High and all are subservient to Me. Yes, may call themselves gods; but they are all subservient to My will and all this is false will be destroyed!

Awaken, oh you people of Japan! Your Buddha will not and cannot save you; for he is in hell! No one can or will help you, except Me, the Creator, whom you will not honor!

Hear the words of Yahweh, you people of Japan!

**If you will not turn to the Most High God, Japan will be destroyed!**

If you will not repent in great numbers and turn to Me, you will not only see this nuclear catastrophe escalate until it consumes much of your islands, but you will see an increase in earthquakes until you are carried beneath the ocean. No longer will I allow such gross witchcraft, such gross idolatry, to pollute the earth.

Nation by nation, I will destroy, I will destroy, I will destroy, until I am satisfied that such evil and such witchcraft is removed from My sight.

My Faithful will inherit the earth and though Satan's kingdom will rise, it will also quickly fall. My Faithful and My Righteous Ones will inherit the earth and My kingdom of holiness and righteousness will come forward. I will rule this planet and no witchcraft will be found on it.

These are My true words to you, oh you nation of Japan! Repent, or perish!

I am Yahweh, Most High God, even Jesus, who came in the flesh.

As witnessed, dictated and recorded this 1st day of April, 2011,

Linda Newkirk

Oh, you people of Japan, hear the words of the Mighty God Yahweh! He is God Almighty. There is no God like Him. He is merciful and He forgives; but all, who will not turn and serve Him, will perish.

He has shown me in a vision that martial law will also come upon Japan. If you will not repent in great numbers, with great weeping for your sins, many among you will soon be carried away to camps and annihilated because of nuclear contamination.

Turn, oh you people of Japan! Repent and turn to the Most High God with all of your hearts! Weep for your land and repent in great numbers; for He is merciful!

 From The Mountain Prophecies Copyright 2011

Burn down the gross temples of Buddha worship; for they are witchcraft. Get rid of all of the idols of Buddha that you worship; and get rid all idols, that you have made with your hands, to worship and to fear! They are dumb idols. They do not speak and they have no power. They cannot help you.

Humble yourselves before the Creator of All and He will most assuredly have mercy on you. If you will not do this and soon, you will soon be carried off to camps and exterminated in great numbers; and the horrors of greater destructions will escalate in your midst.

“Oh, Blessed Father, have mercy on the lost in Japan! Visit them, oh Precious King! Show them who You are, that their souls might be saved from destruction. Thank you, oh Blessed Saviour.”

# CHAPTER SEVENTY-EIGHT

Greetings to you, my Precious Brothers and Sisters. Blessed is the Name of the Mighty King, our Blessed Saviour; for He is truly King of Kings and Lords of Lords and He is making His Bride ready for His Kingdom. But, even so, great are the travails upon the people of the world; for Satan has truly been cast down and he comes with a great wrath; for he also knows that his days are short.

## The Holy Son, Rev.12:5 "And, she brought forth a man child, who was to rule all nations with a rod of iron…"

My Dear Ones, all is well with me and the Holy and Precious Son of the King. He continues to grow in both fire and strength as the wicked ones continue to pummel us with all manner of hard stuff, which the Holy Son must remove from within and around us. This material is so very hard and thick; and as it also impinges upon my body, I must rest often. This is why I get things done very slowly as I do not know what my days will be like from day to day. Some days are not as bad as others, but for the most part, I must rest a great deal as he has so much work to do.

So, when you do not hear from me for a while, just know that the Holy Son and I suffer through great persecution and yes torture, as the presence of so much foreign and hard material in us causes pain and suffering and also at times great lethargy.

Just know that the Holy Son is advancing. He is growing, due to the great amount of very hard work that he must do in and around us all of the time. And, as for me, my Dear Ones, I will be 63 years young this summer, so I have some very valid reasons for slowing down.

Still, my Dear Ones, work in going on here to build an office and this will soon be finished. When this is done, I wish to open a prayer line for those of you in need, even though I will be there only part time. In addition, we will soon begin to build a house of

 From The Mountain Prophecies Copyright 2011

prayer; for in the near future some of you will come here to worship our Blessed Saviour and to be ministered to through His Beautiful Spirit and Precious Son.

To those of you, who have made possible these works, I thank you from the bottom of my heart, send you the love of my heart, and as you know, some very big hugs. We had surely hoped to have the office finished by now, but as you mighty surmise, Satan does all that he can to hinder and prevent and to stir up strife. Yet, even so, we are still advancing and getting very close.

### The Sons of God are Coming

As the days pass, the time is also nearing when the holy, little babes from heaven will come down and will enter into the Sons of God, who are also called the Bride. Stay in that Strait and Narrow place and follow after our Saviour with your whole hearts. Love Him above all and obey His commands. Keep your hearts clean and stay ready; for we do not know when this very great event will come to pass. But, we can see Satan's desperation, as he pushes to bring the whole world under his rule. Even so, may we continually rejoice; for the Kingdom of our God is on its way into the earth. Glory, glory, glory to our Blessed Saviour forever and ever; for He has a perfect plan and it is unfolding, just as it should.

If you are looking for mail from me, or for prayer cloths, just know that I plan to catch up soon on all that is past due. Blessed is the Name of our Mighty King; for He will help me.

### Our Saviour's beginning great judgments Against the Bible Belt of the USA!

My Dear Ones, the spring came and went in Arkansas, yet not with a whimper, but with a very great bang! For about two weeks, beginning on or around the 18th of April of 2011, the deluges came to Arkansas. A great rain cloud formed and stayed over the state; and over a two week period, approximately six to seven feet of water fell over this area. Yet, only a portion of this precipitation was reported by the government agencies.

And, with this great deluge, there came great winds and many tornadoes, which swept across the south. There also came lightening as none have ever seen. Great beams of lightening, some of it ball-like, with squared edges, and some of it circular, like “Os”, or zeros in the sky. And, in the midst of such great storms, great hail pummeled many areas and the people cowered, as the terrible winds and tornadoes ripped across many states. And, when the great storms were finished, there lay very great destruction across the south and central parts of the USA, and many were dead.

When these great rains ended across this region, waters converged from across the surrounding states and fed into the various rivers, which feed into the Mississippi River; and great floods roared down the Mississippi River, inundating great amounts of farm land.

I have read, that in Arkansas, alone, a million acres, which were mostly east and south of Little Rock, were flooded and much of the rice crop was destroyed. But, this great flood would wash southward and into Louisiana, where it roared forth to bring a greater destruction. It was after this great flooding event that our Saviour gave the first message, which will follow.

### Great Judgments of our Saviour in America!

We would then see the great flooding to the north of us, as great amounts of water from Canada and from the highlands of Montana would cascade into the Missouri River and threaten to collapse six dams and to destroy two nuclear power plants, which are in the flood zone of the Missouri River.

My Dear Ones, as many of you know, this great flooding, which involves the Missouri River, is on-going, and I have recently read that this great flooding could rupture scores of earthen agricultural berms, which have been erected to protect farmlands, thereby causing massive flooding of these farmlands; and yes, this is now coming to pass.

There arose, during the flooding of the Missouri River, another calamity, which concerned Los Alamos Nuclear Laboratory, wherein a fire suddenly started up on the

 From The Mountain Prophecies Copyright 2011

26th of June of 2011 and within a very short time, the city of Los Alamos, New Mexico was evacuated and the fire reportedly raged within fifty few feet of critical nuclear storage units of the Los Alamos Nuclear Lab. Yet, how many were even the wiser, for there was limited news about these two very great catastrophes?

### The Second 911 Event!

Our Saviour had given me a vision on, or around the 11th of June, of a black train, which was heading down the tracks, when suddenly the train came to a screeching halt. Then, our Saviour said, "I am bringing this train to a halt?"

When I asked our Saviour to allow me to see more about this train, He carried me in a vision into the interior of the train; and there in the back of the train was George Herbert Walker Bush Sr. He had a small device in his hand, and on this device were several buttons; and he had his fingers on these buttons. I knew, as I watched him, that he was giving the commands to set off several explosions. To his rear, Bill Clinton was seated; and he was wearing his usual open-mouthed grin. And, in the front of the train was George Bush Junior.

As the days passed, my friend, Mark, in Canada, would tell me of a report of some French speaking men, who were seen in northern Colorado, the report being that these men were being escorted around in expensive motor homes, which were adorned with satanic symbols. There would come also rumors that Bush Senior and other high level Satanists were in secret meetings in an undisclosed location in Colorado at or near the time that these French speaking men were seen. From conversations that were reportedly overheard, some began to wonder if these French-speaking men were actually imported into the USA to wreak havoc, possibly to set fires or to ignite explosives.

So, we prayed, and we prayed some more, that our Saviour would intervene and not allow them to bring such great destruction at this time, with the loss of so many souls, but that He would intervene and stop their plans for destruction and carnage; and HE DID, at least for now. AS I WRITE THIS MESSAGE, THE DAMS ARE STILL INTACT AND AS I UNDERSTAND IT, THOUGH CURRENT INFORMATION IS HARD TO COME BY, THE LOS

ALOMOS FIRES HAVE BEEN CONTAINED. BLESSED IS THE NAME OF THE MIGHTY KING OF KINGS AND LORD OF LORDS, THE PRECIOUS AND HOLY LOVE OF MY LIFE!

As the days went by, a few of us came to understand that we were in the midst of a very great and second 911 event. On their 11 days, or on days, which added up to eleven, like 29, or even days, which had many sixes, which the Satanists also consider to be nines, we would see things escalate, as was the case with the eruption of the fires around Los Alamos, which took place on June 26, 2011. The Satanists, of course, would see this date as June 29, 2011, or 9-29-2011, or 9-11-11, or a double nine-eleven.

Also, on that day of June 26, 2011, an earthen berm collapsed, which was protecting Fort Calhoun nuclear facility from the incoming flood waters. And, we understand that Fort Calhoun was partially flooded as a result of this breach, but we do not know how much; and we do not know how much radiation was released.

So, my Dear Ones, two critical events occurred on a double nine eleven day, the setting of the Los Alamos fires and the flooding of Fort Calhoun nuclear power plant. That was their double nine eleven and due to the great mercy, love and grace of our Blessed Saviour, they did not win, at least not now.

But, we must also remember that their planned 911 was far greater; for they had plans to destroy six dams, to wash away two nuclear power plants, to flood huge amounts of land and to kill untold millions of people, as they would have been washed away in the violent churning of the Missouri River.

Satan has been cast down. Keep your eyes open; for his handiwork is everywhere; but remember that he does what our Saviour allows. Nevertheless, he has been promised His time and his time is now, as his kingdom is rising all around us.

Glory to the Holy Name of our Saviour forever and ever! For, He is full of love, mercy and grace. My Dear Ones, get down on your knees right now and thank our Saviour for intervening to stall their second, great 911 event!

 From The Mountain Prophecies Copyright 2011

It was during this time also that the U.S. marines were conducting a massive exercise along the eastern seaboard, which was called Operation Iron Fist. We can only wonder what such an exercise means, when there was such a push to bring great destruction upon this nation and to thereby declare martial law. We can also only wonder, whether these three, who were mentioned in the above train vision, also intended to overthrow this current regime and to regain control of the presidency. In past visions, our Saviour has shown their plots to kill the current president and to take control of this nation again.

**Prepare; for a worldwide economic crash is not far away!**

As the days go by, we are all feeling the effects of the downfall of this economy, particularly in the grocery stores. We can truly see the prices of food as they rise by the week. I warn you all over the world, to fill your cupboards, while you can; for the severe weather is putting great hardships on the farmers and they are being crippled in their abilities to grow crops. When you see a good price on something, buy some extra; and if you are able to do so, preserve some in jars, dehydrate some, or freeze some of it; for the agricultural situation in the USA, and indeed all over the world, is becoming very unstable.

Hear me, oh you people, who have lived high and have not had to worry about what you would eat, or how you would get it. A great famine is coming upon America; and many will go hungry. Even as our Saviour warned the Pharaoh through His dream to Joseph, to prepare for the hard times, He is now giving us a preview of the terrible times, which are upon us. Fill up your cupboards and get ready for the times, when you will not be able to afford food. Get ready for the times, when you will be unable to get food stamps. Get ready for the times, when you will be unable to grow food, even in your own garden. Get ready; for great travail is upon the whole world. And, we truly have seen nothing yet.

**Repent Now! Come to our Saviour now!**

Repent, oh you people. Stop your evil ways. Come away from the Satanic mind control devices of television and movies. Limit your time on the Internet. Give up video games

and give up porn and the filthy things of the flesh. Make you way straight and stay in that holy place; for Satan desires to sift your souls and to carry your soul into destruction.

Do not be naïve; for Satan is not at all naïve. Satan has made it his business to deceive the people, even from the beginning. Do you think that he will not deceive you? If you do, you are really in a very dangerous situation.

Come, oh you people and humble yourselves before our Mighty Saviour. Repent of your sins and stop doing evil; for Satan has been cast down and he is full of wrath; and to him has been given powers to make war against the nations and to destroy their sovereignty and to kill the peoples of the nations.

If you do not love our Saviour above all and if you are not sold out to Him, you will serve Satan and you will fall. Many will soon lose their souls; for they will take the mark of the beast. Through the taking of this computer chip, either in the hand or in the forehead, and in the worshipping of the Antichrist, many will forever give up their birthrights, even as Esau gave up his birthright for food. Oh, how grievous these times. Read on ….

### First Message from our Saviour

### "Judgment Begins in the House of the Lord"

My Blessed Child, I am your Father, Yahweh, yea Jehovah, Most High God. My Little One, you have come seeking Me, if there is a word, or if there is anything that I would give you to write, or to send out to My people.

My Little One, you know that I have held you back. I have closed your mouth tight and I have sealed it, that you utter not, neither show not to the world, the many visions that I have given to you.

Yet, My Little One, I know that your heart travails, that you suffer in despair for all of My great judgments, which are falling upon America. But, My Little One, have I not

 From The Mountain Prophecies Copyright 2011

called you and have I not sent you forth with warnings for My people, to repent, or perish. Even for more than a decade, I have given you such warnings and I have called a few, here and there, to take up the torch of My word and to help spread such warnings, even My Son, Mark, who, alone, and through his own efforts, has electronically mailed to millions of people, and to untold numbers of churches all over America and Canada, these very messages of repentance. Yet, My Child, you know how those in the churches have mocked and scorned at these messages; and you know how others have risen up against him to shut down his computers and servers, over and over again. For, they were wroth at him because of My warnings.

And, you know how you both have wept and prayed and travailed in your spirits, in your hearts and souls, because of the gross decadence in these two nations, because the people are blind and deaf spiritually. The churches are full of rot and filth and the preachers will not tell the people to repent; for they, themselves, will not repent.

My Blessed Child, what is My word for such a dark and evil nation? What is My word for America, whom I have made great above all nations, yet you, oh nation of America, have loved the world, and not Me. You have fallen, oh you nation of America! You have fallen to every evil and cunning trick of Lucifer; for you refuse the Way of Truth, the Way of Light, the Way of Life; and I am that WAY. There is none other.

Now, as My judgments roll across this nation, as My great judgments pummel the putrid churches in the Bible Belt of the USA, how many are the wiser?

Still, you rotten preachers serve up your filth to Me! You serve up your spiritually dead meat to Me! You waddle in your decadence and in your abundance of things of this world and of the flesh and still you will not cause My people to repent. I shall destroy you, oh you decadent churches in the Bible Belt of the USA. For, your flesh is rotten and your bones are rotten. You are blind, deaf, and you are the spiritually dead, who lead the spiritually dead.

What is your excuse? You spiritually decadent churches in the Bible Belt have fed yourselves well from the fat of the land and you have heaped unto yourselves all that

money could buy. Furthermore, you have polluted yourselves with the prideful and vain things of the world. Oh, how you have lifted up yourselves, oh you harlot daughter; for you cry, “Lord, Lord,” and you boast of yourselves in your big and spiritually vacant churches; but I know you not!

Now, to you wicked preachers, who pride yourselves in your wicked churches, hear Me and hear Me well; for I shall thoroughly purge you until you repent, or until I clean remove you from My sight. For, you unrepentant harlots shall be seen on one day and the next day, you will be gone. You have not seen the extent of your destruction, oh you rotten, whorehouses in the Bible Belt of the USA, who do indeed call yourselves My people and who do indeed proclaim My word. But, you are dens of iniquity, full of evil and full of every perverse thing. My hammer of judgment is upon you and I shall further pummel you until I have clean removed you from My sight. For, I have sent My prophets among you to warn you to repent, or perish, and chief among these prophets has been My servant, Linda Newkirk, but you laugh her to scorn. You mock her, ridicule her, blaspheme her, and spread every lie about her. Now, I will judge you for your evils and for your falsehoods, for your vain and profane ways, until you will most certainly repent, and quickly so, or you will most certainly perish.

Hear Me, oh you bastard prophets, who are none of Mine. For, you run, but I do not send you! You proclaim words of Me and by Me yet I do not speak to you.

Hear Me, oh you bastard prophets, you sons and daughters of iniquity; for I have further blinded you. I have further deafened you and I have turned you over to the lying and deceiving spirits of Satan. For, to everyone of you, who has mocked the works of Revelation Twelve, which are on-going through My servant, Linda Newkirk, and who has not repented, but continue to mock the truths of these works, know one thing and know it well, I have turned you over to lying spirits, oh you lying, mocking and scorning prophets, who are none of Mine! For, I have cut you off clean and if you ever did hear from Me, be warned that you no longer do. For, I will not allow you to taste the fruits of My Kingdom and you will perish in your lies and in your witchcrafts. For, you refused to seek Me for truth and understanding regarding My Kingdom works of Revelation Twelve, but chose instead to believe lies. Therefore, I have turned you

 From The Mountain Prophecies Copyright 2011

over to lying spirits, oh you lying prophets; and few there remain of you, who write and speak the truth.

This is but one reason that I have held back My words through My servant, Linda Newkirk, that the greatest numbers of you, who love a lie, might further fall to the lies of your own choosing and making. For, I have cut off all liars and deceivers and you have no place in My kingdom.

Hear Me, oh you perverts, you adulterers, you sodomites, you whores, you whoremongers, you lovers of porn and lovers of flesh, who have filled My house with perversions. Your place is in the burning flames of hell. And, in the midst of your great evils, I shall cut you off unawares, and without so much as a moment's notice, I shall cast you headlong into the burning flames of hell. For, I have pleaded with you. I have warned you to repent, or perish.

Now, and even at hand is your time of great judgment, oh you harlot nation of America. But, even so My great judgment begins in My own house. And, where, in this nation of America, are there more churches, wherein the people claim to serve Me, than in the Bible Belt of the South? See My handiwork? ( the great rains and floods in southern USA in the spring of 2011) This is my judgment; for I am now purging this filth from before My very eyes!

Send this to them, My Little One; for I am wroth with My own house; and I am wroth with this nation. I am your Father, Yahweh, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 24th day of May, 2011,

Linda Newkirk

### Second Message from our Saviour

### "The Pearls of Holiness"

My Blessed Child, I am your Father, Yahweh, yea Jehovah, Most High God. Blessed are you, My Little One; for you are called and chosen to be the spiritual mother of My Sons. Yet, My Little One, you have travailed greatly through so many years of persecution; and many ask, "Where is she, what is she doing? She is silent. We have not heard from her." Still others say, "Good that she is quiet. Enough of that manchild stuff and Revelation Twelve stuff." And, still the mockers mock and the scorners scorn. Yet, some few all over the world have believed and they desire to receive their own holy, little Son and therby to become My true sons.

Yet, My Child, have I not given you much to post? Have you not written much, that they might be fed? Have I not sent you, and you have run, and you have warned them for many years to repent, or perish; yet few hear and few repent. Yet, My Child, even if I were to reveal to you the deepest and most hidden mysteries of the Universe, few would believe; and most would mock and trample what is holy and truly of Me. Is this not what they have done with My holy works of Revelation Twelve?

You have cast out My pearls of holiness and you have written of your great travails and suffering beneath the feet of Satan, your great price to pay for being My Bride and the earth mother of My very first Son. Yes, you told the truth, you have written it; yet they still rise up to tell that you write for Satan and that you are insane. They deride you and curse you and My holy works.

Yes, you have cast out the pearls and the swine have trampled them. And, few believe, but of the few, who do know the truths of these works and who do believe, know one thing. They could only believe because I caused them to see, to know, and to receive the truths of these holy works. And, the greatest numbers of these, who know the truths of these works and who do believe, are not of this nation of America; for this is a decadent nation, a great whore, who truly does sit upon many waters.

However, my words to you, who do know the truths of these works, and who do believe are these: stay close to Me. Love Me above all. Love others and love yourselves. Forgive

 From The Mountain Prophecies Copyright 2011

all and find My holy place and stay in it. For, Satan is watching each of you, that he finds, and he is laying snares for you by the minute, by the hour, and by the day. Let go of your pride. Let go of your arrogance. Let go of your vanities. Die to self and to the things of the world. Stop your vain pursuits. Do not be disrespectful before Me; for if you do and will not repent, I will cut you off from My Spirit and cast you headlong into confusion. Stop being know-it-alls. You know little and what you are so certain of may turn out to be a lie. Come out of the world and away from worldly traps; for if you will not, you will fall into them and you may die in them.

I AM THE LORD, YOUR GOD, MAKER OF HEAVEN AND EARTH! I, THE LORD, AM YOUR GOD AND BESIDES ME, THERE IS NONE OTHER!

But, now, I come with a whip in My hands and with this whip, I will beat down the nations. For, they have perverted My everlasting covenant, the very covenant, which I made with My people long ago. For, I am your husband, oh your harlot nations of My House of Israel; yet you have forsaken Me and you have whored yourselves with every foul and corrupt thing.

Now, I have laid the rod to the stone and I have made a fire in My house and this fire will not be extinguished until I have purified every one, who is My Bride. For, I have brought forth an everlasting fire, an all-consuming fire, and this fire is I. It is of Me, an all-consuming fire. And, this fire is going to burn away all dross. This fire is going to burn away all harshness and all darkness until My Bride is holy and pure and clean before Me. For, I will have no filthy Bride. I will have no worldly Bride. I will have no haughty Bride. I will have no vain Bride. I will have no Bride, who loves the world and what is in it. I will have no bride, who is a whore. I will have no Bride, who has a wandering eye.

Yes, I have determined it. I have laid the rod to the stone and I have ignited a great fire, a holy fire and this fire is I and I am this fire, a holy fire, of Me, in Me and for Me; and this fire is My Holy Son. And, only one in this whole earth now carries My Holy Son, this this one is My First Son, My First Born, My true wife and my first wife.

Yet, who wants to walk in her shoes, for she is persecuted and tormented year after year, while the rest of you either await and hope for the holy, little babes from heaven to come down, that you may receive one and thereby also become My Son and my Wife; and you are few; or you mock and scoff what you neither believe, nor understand. But, the sad truth is that so few of you are even ready to receive these holy sons. So, I have waited and My wife, the mother of My Son in the earth, has continued to travail and suffer.

But, I stand upon My word and I bear witness of the truth of My own words to you, that I will not continue to require this of her. For, she suffers in great travail from day to day, while you behave as you do!

I am going to grind down the corn fields. I am going to drown and destroy the wheat fields. I am going to break your financial backbone, oh you wicked nation of America; and I am going to scatter your wealth among other nations. I am going to cut you off, oh America; for you have been blessed above all nations, yet you have polluted the minds and hearts of the people the world over with your perversions and with your filth. I am going to bear down on you, oh your perverted nation of America and I am going to strip you down.

How close you have been to another 911 event, which would have brought you to your knees, oh you wayward nation! And, by now, you would have been filling up the camps. Yes, at the last moment, I intervened to stop such great destruction, yet it could have already come to pass, with more than three nuclear plants destroyed and six dams. Who intervened to help you? I did, and only because of My mercies towards you, to give you a little more time. Only I could have stopped Satan and his wicked hoards from proceeding.

How long do you think that you have, oh you wicked nation of America? I tell you that my great judgment is sweeping across the land; and most of you cannot see it.

Oh, Father, what is that? It seemed that You spit in the heartland of America and there came a great swirling, like a cyclone? What is that?

 From The Mountain Prophecies Copyright 2011

My Little One, be not troubled by what you see. Just know that I am now placing a period at the end of this sentence, a period, and not a question mark. My great judgments upon this land are progressing and unmistakable.

Be at peace, My Little One. Be not troubled by all that you see and by all that you suffer and experience; for Satan is very wroth with you. He hates you greatly, but I am always with you to bless you, to protect you, and to provide for you.

What is My word to My Little Ones, who wait for Me? I LOVE YOU, MY LITTLE FLOCK AND I AM CALLING YOU TO HOLINESS, TO PURITY, TO CLEANLINESS AND TO RIGHTEOUSNESS. ABIDE IN ME AND I ABIDE IN YOU. MY EYES ARE UPON YOU AND MY HEART IS SET UPON YOU. FOR, YOU ARE MY WIFE. NOW MAKE YOUR OFFERING UNTO ME, HOLINESS UNTO THE LORD.

I am your Father Yahweh, yea Jehovah, Most High God.

**Third Message from our Saviour**

**"A False Rapture, An Alien Invasion,**

**The Skies the World Over well erupt with UFOs"**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. Listen carefully to My words to you this morning; for you come and you ask Me about an event in the skies the world over, which shall surely come to pass.

Hear Me in this, My Blessed Child, and write what I say, that My people may be the wiser. I say to you, oh My people, "All eyes upon Me. All eyes upon Me. All eyes upon

Me!" For, any and all, who take their eyes off Me, for even a moment, in these most perilous of times, may very well be deceived and carried into the enemy's camp.

Do you think to outsmart Satan? Do you not know that he has been the deceiver, even from the beginning? He is master of deception and very fine at it; and he has, at his disposal, great resources and great armies, which you, as a people, are ignorant of. And, his armies are far greater than you can imagine, even one third of the stars of heaven, who were cast down with him. Yet, these are not all, but in his army are cleverly disguised robotic elements, and robotic humans, as well as great numbers of his own children, who are also human.

Then, he also has at his disposal billions of humans all over the world, who have fallen to his wicked and deceptive ways, who do his bidding and are not even aware that they do his bidding. They kill at command. They steal at command. They lie at command and all under cover of government and official business. His chain of command is very great and you, oh My people, are grossly ignorant of him and his vast armies and means to both deceive you, and to destroy you.

Yet, many of you think to fight these battles. For, even as some few of you know and understand, you fight not against flesh, when you fight Satan and his many non-human hoards, but you fight against powers and principalities of great darkness, who are not human, and were never human, but fell from the Upper Realms. They aligned themselves with Satan/Lucifer to fight against the Light, for they wished to overtake the Light. They rebelled and fell, in pride and arrogance, and are thereby filled with every evil and perverted thing; and they wish to destroy all light on this planet and /or to consume it for themselves, that they might still rise up and overtake you, who bear My light. So, they war against those of you, who bear My light.

None of you true ones escape their watchful eyes and as I have said to you, these vast armies have been cast down, but in My mercy and for the love of My Elect, I bound them in a secret place, until there would come the right time, the time of My own choosing, to release them. So, billions, many billions of them are bound up in this secret place, but at the time of My own choosing, I shall release them and they shall

 From The Mountain Prophecies Copyright 2011

come forth, many, many billions of them; and they shall fill the skies the world over. They shall come at a terrible time in the earth and at a time when many feel hopeless and in despair, at a time when many think that they will escape such terrible times.

Through vast mind control techniques, they will gain control over the minds of many! The curious and the spiritually weak listen and many of them will obey the commands and they will willingly go and enter into these ships. And, many, who believe what is called the "early-out rapture" will believe that these ships are of Me; for their thinking is twisted and they will fall for the great mind control, which will come at them from many directions.

Many televangelists will be used, and preachers will be used, as mind controlled stooges at the hands of Satan and these very evil creatures; and these preachers, and even certain prophets, will trumpet the arrival of Jesus for His people.

Great lies, storms of lies, will beat down on the people; and such lies will seduce the weak, as great numbers, even millions upon millions of people the world over, will agree to enter into these ships.

Oh, the woes! Oh, the great woes! Oh the fright! Oh, the pain! Oh, the suffering! Oh, the sorrows! For, many of you will be killed straight away! You will be served up to these evil hoards as one great feast, and they will feast on upon your flesh and upon your blood. For, they are not at all human, but you will see many, who are part bird and part reptile; and these are the Dragos. They will eat you alive, pecking and clawing at you and delighting in your fear as they gobble your flesh and drink your blood; for it is your life force that they wish to consume. It is your light, that they wish to devour.

But, some of you, who enter into these ships, which will fill the skies, will be saved for greater horrors. For, they will invade your bodies and will take over your bodies and will use your bodies to further deceive great numbers of people. For, their ways are not your ways. They were once of high standing in the Upper Realms, but they fell! Nevertheless, they are not without certain supernatural powers. And, you will not understand their powers; but when you later see some that you have seen and known

to go into these ships, appear again before your very eyes, you will delight to see once again your friends and family, only to be consumed and devoured alive, by the Drago, who has taken the body.

Therefore, when you see those, who go up into these ships, consider them gone and do not trust your eyes regarding them again.

These Dragos will use these snatched bodies to take over many key positions in government, in armies, in important trades, and in important services.

Therefore, My warnings to you to come out of the world, will be more important than ever! For, in your day to day activities, you will encounter them, yet you will most certainly be deceived by them, that is, all but some very, very few of you.

And, this deception will be to your own undoing; for I warn you now that this is coming. This is going to happen, an alien invasion/false rapture; and this will be the reward for so many, who have loved a lie and who have spread the lie, that I would come for you before you have to suffer in the earth. Have I not told you that you would be tried in the fires and tested as gold and silver, yet many of you want the easy way and you will not hear the truths, but would rather believe the lies.

Now, the great liar is among you and he is not at all stupid. He is crafty, very crafty; and he watches you and analyzes you, when you have no clue that he is even in your midst. For, Satan, that old Dragon, has been cast down, even as My servant, Linda Newkirk, has written.

There came a war in Heaven in the late Winter and Spring of 2006, just as my servant, Linda Newkirk, has told you in the writings of Revelation Twelve, and Satan was cast down. Along with him were cast down many billions of Dragos, but I commanded Archangel Michael and others of My archangels to fight and to subdue them and to round them up and to hide them in a secret place. For, it was not time for them to come forth and to take their place in Satan's army in the earth. But, I tell you now, that

 From The Mountain Prophecies Copyright 2011

there shall come a time, when I will set free these vast information of Dragos and few of you will be the wiser.

Hear Me, oh you nations, who sleep and slumber. Satan is given his time in the earth and his kingdom is in place. By the day, you can see his great evils, and they escalate in the earth, yet so many of you prefer deception. You will not see the truths of what is, of what has been, and of what is to come.

The time of the great sifting is at hand and many souls will be sifted into the fires (of hell). Also, at this time, many will make the most terrible decision to take the mark of the beast; and these souls will be destroyed. Yes, indeed, a great sifting is at hand.

Beware, oh you, who sleep in the midst of such evil; for in your ignorance, you will be carried away.

For, you will most certainly now either seek Me with your whole heart and you will walk in My statutes and keep My commandments, or you will be in the camp of Satan. For, it is either one, or the other.

Make your way straight, oh My people. Keep your eyes fixed on Me. Consider Me in all things, lest you be deceived and carried away and end up in the fires! For, since there was a nation, there have never been times as severe, as what you are now entering into.

Make copies of this message and distribute far and wide, that the blind may see and understand what is upon the whole world.

My Little One, My words, which you just heard in the spirit, when translated mean, “Stay away from the Dragon,” and I have allowed you to hear these words, even in My own language, a language that you do not know; for these words are for all nations, but especially for My people in China and the Orient. “STAY AWAY FROM THE DRAGON!”

And, with these words, I say unto you and unto all of My people. The light of My Kingdom is in the earth and it shines to every humble and obedient heart. Receive My light, oh My people and be filled; for this light is My pure love to you. And, when you see all of these things come to pass, then know that My finger tip is about to touch you, oh My Faithful Bride.

I am your Father Yahweh, yea Jehovah, Most High God.

**Some background information**

My Dear Ones, this last message was given to me as I sought our Saviour regarding information, which I was receiving regarding an upcoming alien invasion. In the past, I have not personally received any visions or messages about this invasion. But, I was alerted to this upcoming invasion though my friend, Mark, who lives in Canada.

My friend, Mark, has had three dreams about an alien invasion, and in these dreams, he saw that the sky was filled with spaceships; and he further describes how great numbers of people were mindlessly carried up into these ships. He was given these three dreams before I came to know him in 2007, and since that time, he has run across several dreams in which others were also shown an alien invasion. In these dreams also, others saw that the sky was full of alien ships. Such a dream was reportedly given to one, who lives in Australia, so my Dear Ones, we know that this invasion will be a worldwide event.

Very recently, my friend, Mark told me about a dream, or visitation, which was given to a young child. In this visitation, our Saviour visited with this young child and told the child to warn people NOT TO GET ON THESE SHIPS. Our Saviour warned that those, who entered into these ships, would be killed and eaten. If you search for these dreams in

 From The Mountain Prophecies Copyright 2011

the Internet search engines, many of you will find them, but I will not include them here at this time.

So, my Dear Ones, over time, I pondered these things, which Mark told me, but only recently did I seek our Saviour regarding this upcoming alien invasion. From our Saviour's above words, He both verified and added to what others have been shown in various dreams regarding this alien invasion.

### The War in Heaven

### Rev.12:7

And, there was a war in Heaven: Michael and his angels fought against the dragon, and the dragon fought and his angels.

Because I was aware of the War in Heaven (late February to early May of 2006), which few are aware of, I knew of the great numbers of Dragos, who were cast down from the Upper Realms. For, during this great War, I was often their victim as Satan ordered them to come after me. In past messages, I have written of this Great War and how I suffered from their many assaults and was tortured through the assaults of their beam weapons.
For over two months, the archangels and the hosts of heaven fought them; and these great numbers of Dragos were rounded up by the archangels, under the direction of our Saviour, and cast into an interdimensional portal.

### Rev.12:4

And, his tail drew a third part of the stars of Heaven, and did cast them into the earth.
During this war, Archangels Michael and Rafael were often at my side and Archangel Michael would often tell me that certain numbers of the Dragos were being cast down; and he would say to me, "They are coming for you." And, often he would tell me the numbers, which were headed into the earth; and the sheer numbers were often shocking: hundreds of thousands, millions and even billions. He would tell me to "get ready to take some hits" as it would take them some time to round up the Dragos. I

would then cringe, knowing the pain and torture that I was about to endure. But, at that time, I had no clue as to why they were coming for me.

During this war, I would often watch the archangels as they would corral the Dragos into an enclosed area, and then the Dragos would disappear. I also saw many, many of their ships as they were coming into the earth and some of the ships were very vast in size; and they, too, would disappear.

**Rev.12:16**

And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth.

The interdimensional portal into which the Dragos were cast, was the mouth in the earth, which opened up and swallowed up the flood (of Dragos), which Satan sent after me. For, Satan ordered them to come after me and to torture me and to persecute me.

Oh, what a great flood of evil, far worse than any can ever imagine; for they are not at all human, but have lower bodies, which are black and scaly, like lizards, yet they stand upright. They have about ten black claws on each of their hands and feet and they have heads of birds. Some of their heads resemble the heads of hawks, and others have the heads of eagles and still others have other sorts of bird heads.

When coming into the earth, they often made shrill bird calls and as they came near me, many of them took their claws, wove electrically conductive threads into my body, and then fired electrical currents into me.

Oh, the pain and oh the suffering as I sought to flee from them. I went into the city and they followed me. I flew to South Africa to see my friends, and they followed me. The war raged for more than two months; and as this war was drawing to a close, our Saviour appeared to me in Centurion South Africa and gave me the holy little babe of pure light and fire, his very own holy, little son. That date was May 10, 2006.

 From The Mountain Prophecies Copyright 2011

With this revelation, you can understand why Satan sent them after me. He surely knew that I was about to receive the Holy and Precious Son of our Mighty Saviour, and that the arrival of this holy son would herald his very end in the earth!

My Dear Ones, these Dragos are vicious, oh they are vicious; and they hate us with a hate that is more profound than any of you can ever imagine. I cannot imagine that there is anything or anyone, who is more evil, in all of the Universe, than Satan and his many hoards.

The people the world over are in for one very great surprise. Oh, how sad that so many will die this way, but I absolutely believe that untold millions, perhaps hundreds of millions, or even some few billions will be consumed by the Dragos. My Dear Ones, billions upon billions of Dragos were cast down, and from what I understand, that number is around 40 billion.

Remember the warnings of Revelation Twelve, that the tail of the Dragon drew a third part of the stars of heaven. In other words, these Dragos were at one time stars in heaven, great light beings, as our Saviour tells us; and they fell; for as our Saviour also tells us, they fought against the light. The final battle is now and it is right here on this planet! Are you at all ready for it?

My Dear Ones, as I continue with more about this great war in heaven, I can tell you that at the time that they were cast down, I was so grateful that our Saviour locked them up; for I knew that if HE allowed them to descend upon humanity, there would be a bloodbath all over the world! For, their numbers were so great and none, I mean none, are prepared for them.

But, those, who have faith and trust in the Lord, who live for Him and who love Him above all, will make it through such terrors. They will have victory; and they will overcome!

My Dear Ones, here is your wisdom. Listen to me. Love the Lord, your God, with your whole heart. Make Him the love of your life. Keep your eyes on Him; for the world is

full of trickery, and the foolish will be carried away with the many temptations in the world. Stay far away from movies and television and even limit your Internet to business work. Do not stay on it out of boredom, just surfing and looking around; for if you do, you will stumble into temptation; for the Internet is full of evil.

Hear my warnings to you; for you cannot fight these battles. Repent, oh you people; and come away from all of the worldly traps.

Satan has been cast down and he full of wrath; for he knows that his time is short; and all of these Dragos know the very same thing. Therefore, they descend with a great vengeance to destroy all of humanity, surely hoping that none will be left to enter into the Kingdom of our Saviour.

Much of humanity is about to be destroyed. Repent, while you still have time to repent, and give up the lusts of the world and all of its traps and illusions.

Jesus is the Way into Eternal Life, which is salvation; and there is no other way. All souls, who refuse Jesus, who will not accept the salvation that He so freely gives, will, at some point in time, be destroyed. Do not allow this to happen to you.

My Dear Ones, I love you very, very much and so want you to turn to our Saviour and to accept His great love for you. Do not try to go it alone in this wicked world. You will end up in hell, a place of great torture. See the signs of the times and repent and come to Him while you still have time. For, He loves you with an everlasting love.

You know, my Dear Ones, that our Saviour is Creator, and that He came into the earth as a human. He came to set the captives free, to give us His beautiful Spirit, to show us the truth, and to lead us into eternal life. And, as you know, He died the most horrible death for our freedom.

My Dear Ones, He has paid the price for your salvation. Do not let His gift to you be wasted. Give your life to him totally and love Him and serve Him with your whole heart; for this is how He has loved us all, even from the beginning. Be dedicated! Fervently

 From The Mountain Prophecies Copyright 2011

love Him and fervently serve Him; and then, my Dear Ones, when you need Him, He will show Himself strong in your life.

Sending you the love of my heart,

Your Sister through our Blessed Saviour,

Linda

## CHAPTER SEVENTY-EIGHT - PART II

Greetings to you, my Precious Brothers and Sisters. I am up rather late tonight, later than usual for me. But, this is a very urgent message and you need to receive it, for it is very serious, indeed!

My Dear Ones, I know that many of you have been following the shock and awe of the financial bartering and whimpering in Washington DC, the threats, the denials, the accusations of those in the House and Senate, and the utter contempt, which has been shown by the President of this nation, both towards the Houses of the Congress and towards the people of this nation.

Some have been shaking their heads in a state of confusion, as they witnessed both the nonchalance and the arrogance of the President of this nation regarding the financial gridlock, which has been taking place in Washington DC. Yes, this has been shock and awe at its finest.

And, some may think that this was just a matter of disagreement among those in Washington, but my Dear Ones, we know better. Our Saviour has already shown us that this chaos is well planned, planned through the Queen of England and her counterpart,

the wealthy Rothschild family of Europe. And, many in Congress are a part of this treasonous plot.

Some years ago, our Saviour showed me in visions that President Obama is a Rothschild man, who is put into power through the Rothschilds of Europe. We also know, from what our Saviour showed back in 2008, that Obama is the long-awaited antichrist. So, we have watched and waited for that time when he would seize power; and this, my Dear Ones, is that time.

We have precious little time in this nation; for it is falling right before our very eyes; and when you see it fall, remember the warnings of our Saviour to the people of America for the past three decades; and plenty of them, that if the people of this of nation do not repent, He will bring severe judgment upon it, including nuclear war and massive enslavement and carnage of the people.

Yet, you know how it has been. The rebellious have become more rebellious. The mockers and scorners have multiplied. The sins of the people have piled up. The churches are overwhelmingly spiritually rotten and without the Spirit of God. The people refuse to hear the warnings of God and will not repent; and now comes the quick downfall of this nation. You are seeing it right now. This nation is falling fast.

### A Vision from our Saviour today

### August 02, 2011

I was rather tired this afternoon, as Satan and his wicked pawns in the U.S. Government, and even elsewhere, had targeted my body heavily and I could hardly walk, amidst so much foreign stuff in my body. Therefore, I knew that I must rest so that the Holy Son of our Saviour, who lives within me, could dissolve and remove such a vast amount of foreign material.

So, I lay down in my living room beneath a ceiling fan, a very good place to be in 105 degree plus weather, and I was just settling in, when I was given a very powerful vision. In this vision, I saw a horse-drawn buggy, which was being pulled by a couple

 From The Mountain Prophecies Copyright 2011

of horses. It was coming quickly down an old brick street; and it came to a halt very suddenly in front of an old building.

A man exited the buggy, ran up a long flight of stairs and came to a very large door. He did not knock on the door, but rushed right in. In the room was President Obama, who stood behind his desk; and the man from the buggy handed a book-like object to the President.

I saw the president as he opened the book and he read the words, "There has been a delay." Then, the president turned to a man, who was standing behind him; and the President said, "Give me a glass of water." President Obama then took the glass of water and drank a few sips.

I looked now to see that a midget was standing to the left of the President's desk; and the midget said to the President, "What will you do?"

The President said, "I will fart and make a very stinky wind."

End of vision

Then, I remembered a vision, which our Saviour had given to me some months past and I felt gravely concerned for the people of this nation; for there shall surely come a great carnage. So, I sought our Saviour about the above vision. Following, you will read these words.

**A Message from our Saviour**

**August 02, 2011**

Oh, Blessed Saviour, oh Glorious Most High God, I come to You to ask about Your meaning of this vision. Father, I believe that I well understand this vision, but would You please speak to me about it.

My Little One, there are dragons and there are meadows. Do you know the difference between the two?

Yes, My Lord, I know the difference between dragons and meadows.

And, there are roses and chrysanthemums. Do you know the difference between the two?

Yes, My Lord.

And, there is hearsay and there is gossip. Do you know the difference between the two?

My Lord, the two are often the same.

And, so it is, My Little One. Do you know that a delay in the (passage of) the spending bill, a significant delay, is the same as martial law? Do you know this?

My Lord, I believe that I do know this.

My Blessed Child, the satanic elite are desperate to bring down this nation, and this, you well know.

Yes, Father.

But, why are they so desperate?

Father, there must be many reasons, but what are the main ones?

My Little One, they are desperately afraid that the people might wake up, become united and empowered, and throw them out.

This, I understand.

 From The Mountain Prophecies Copyright 2011

So, My Little One, any talk of a balanced budget must be squashed. It will not be allowed. So, now, all such talk will be squashed through President Obama's special committee; and the Congress and the will of the people will also be squashed.

So, Father, President Obama plans to make a big "fart" and create a "stinky wind."

I have shown it and I have told you already that a time would come when he would release poisonous gas into various parts of America. No, My Little One, he, himself, will not release the gas, but he will give the nod (of approval) and it will come via foreigners.

Father, how soon does he plan such a thing?

My Little One, if there comes a delay, or a significant delay in his plans for financial imprisonment of the U.S.A., per the orders of the Queen of England and the Rothschild man, he plans to give the nod for the release of poisoned gas. Will he do it? My Little One, he is planning it and he is planning to do it sooner, rather than later. I tell you his plans. Understand?

Yes, My Lord.

Post this soon, My Little One. I am your Father Yahweh, yea Jehovah, Most High God.

**ALERT! ALERT! ALERT! THERE IS A GREAT ON-GOING COUP IN THE GOVERNMENT OF THE USA. PRESIDENT OBAMA PLANS TO GET RID OF THE HOUSE OF REPRESENTATIVES AND TO GET RID OF MOST OF THE SENATE, MAKING HIMSELF DICTATOR! THESE ARE HIS PLANS!**

# CHAPTER SEVENTY NINE

## "Urgent Message"

## The Sons of God are Coming; and

## A great coup is on-going in the U.S.A. Government

Come to Me, My Blessed Child and listen; for I have a message, both for you and for My people. And, this message concerns the escalation of the New World Order in this nation of America, and indeed all over the world. For, I tell you now, that fear is at the heart of all that they do. And, this fear is of Me and regarding what I will do.

My Blessed Child, I often shield your eyes and ears from the constant flood of beings, both human and non-human, who come through the walls of your house, both to gawk at you and to torture and punish you. Yes, My Blessed Child, you have no clue, but their great unrest is about My work, which is on-going in you. Their great unrest is about the great power, My power, which I have placed in My Holy Son, who is in you. In wonder, they gape and they gawk at you; and also in great disbelief they gawk at my fire in Him. For, this fire quickly dissolves great amounts of the hardest substances, which are known to them. And, these are the very hard substances, which they forge into your bodies, their terrible weapons against you.

Yes, they are in great amazement, yet fear is at the root of their eyeing of you; for they also see their own coming demises. And, yes they come from many nations, from the military, medical and scientific areas, human and non-human alike; and in and through their great assaults and attacks against you and My Holy Son, they have spared you nothing.

 From The Mountain Prophecies Copyright 2011

Yes, My Little One, great has been your suffering and great has been your travail; and I do not require much of you at this time, for you are under very great persecution.

Yet, My Blessed Child, One comes close to your door and will soon knock on your door; and I am this One, who will soon knock on your door, and scoop you up and into My arms. And, one day, you will appear as you now do, but in the next moment, you will be made new. A great fire will erupt in you, the great powers of My Kingdom; far greater than you can imagine.

And, the whole world will also know that I have done a new thing in the whole earth. For, My Sons will be born into the earth and they will come forth, even amidst great suffering and hardships, even as you have suffered and have come forth.

Yes, My Little One, this time is very close. Yet, as I stand so near to your door, I pause, just for a short while. Yes, I pause. And, then after this short while, My Little One, I will knock at your door and it will be a new day in the earth, both a very good day and a very bad day, at the same time.

So, tell My people, that it is but a little while, a little wait; and I shall knock and I shall raise up My Sons in the earth. For, I shall soon release the holy babes of light and fire, who rest in Me. And, they, too, are in very great anticipation of what will soon unfold. Understand?

Yes, My Lord.

So, My Little One, they come now from many nations to behold the fire of My Son, who is in you and as the case has been for so many years, the roaring of their ships is always heard around you. For, many of them still think to escape; but they will not escape and enough of them now see that they will not escape. So, they now prepare to fight. They prepare for a worldwide police state and worldwide concentration camps.
So, My Little One, this is what you see now at the upper levels of the government of the U.S.A. You see very great treason.

I have shown you the plans of President Obama, which are the plans of the Queen of England and the Rothschild man. They now want and demand total control of the U.S.A., and at the same time a total financial stripping of the U.S.A., which will most certainly cause chaos all over the nation. And, of course, their remedy is martial law and concentration camps. This is their plan.

Now, as I have shown you: what Obama plans is to totally dismantle the House of Representatives, and to do away with the House of Representatives totally, at the national level. And, he plans to get rid of the Senate, all but a few, who will remain, according to his plans. And, those in the Senate, who are strict and devoted to his coup to derail the U.S.A. financially at this time, will remain.

A plot is on-going and it involves a few in the Senate, who have aligned themselves with President Obama, for the swift and total destruction of the U.S.A. financial system and the destruction of the U.S.A. Government, as you know it. Your president has promised great power to these, who are loyal to him in the Senate, when the system is brought down.

Father, how many are these in the Senate, who do this plotting with Obama?

My Little One, reach down into the darkness and bring out the numbers. What do you have in your hands?

My Lord, I have the numbers: a two and a seven, or a 27. So, Father, twenty-seven senators are playing a great part in Obama's current coup plot.

Yes, My Little One, he plans to keep twenty-seven (27) senate members, who are put in place by the Queen of England and the Rothschild man and he plans to do away with the House of Representatives and the rest of the Senate.

And, Father, what does Obama plan to do with these 27 senators?

 From The Mountain Prophecies Copyright 2011

He plans to put them over all intelligence agencies in the military and in his special police forces.

So, Obama will then answer to no one.

These are his plans.

Father, how will this go?

My Little One, it will go badly, very badly. This is how it will go.

My Father, what do you wish for me to do?

Type this and release it, that My people may be the wiser…

I am your Father Yahweh, yea Jehovah, Most High God.

**A VISION OF JULY 28th, 2011**

**President Obama's Plan to Destroy the House and Senate!**

Night before last, I had a vision in which I saw President Obama in the Oval Office. With him, in the vision, were the Queen of England and the Rothschild man. The Queen was demanding of President Obama, that this nation be stripped down financially; and when I looked at the Rothschild man, he had something in his mouth, like egg beaters and these beaters were stirring up blood, and blood was coming from his mouth. Then, I understood that he is ordering the blood of the American people. It is carnage that he wants, and through the stirring up of strife, he will have his blood.

Then, I saw that a strange object was given to Obama, which was like a baton, but when it opened up, there inside were many slim swords; and our Saviour said, "Obama will shred the fabric of this nation."

Then, there came a vision of the House of Representatives and I looked within the House and all seats were empty, not a single person inside. And, then I looked again, and there was President Obama and beside him certain people, whom I knew to be senators, but I could not count them. SO, I did not know how many there were.

Now, today, my Dear Ones, our Saviour gives us the rest of the picture. May our Precious Saviour have mercy on our souls; for the capitol of this nation has become a very great hog wallow, full of every kind of filth and full of every perverse thing. And, according to the righteousness of the Most High God, He will surely judge these whores, perverts, liars, thieves, murderers and traitors. For, every one of them is bought and sold and has no allegiance to the people of this nation. Now, the sword hangs over this nation.

Repent, oh you people of America; for this corrupt nation is under judgment of the Most High God Yahweh; and He will not long allow such evil to stand in His face.

## CHAPTER SEVENTY-NINE - PART II

### THE DESTRUCTION OF AMERICA

### "A Fire has been kindled…and this fire will not be stopped…"

### A Message from our Father in Heaven

"My Blessed Child, I am your Father, Yahweh, yea Jehovah, Most High God. My Blessed Child, do you see the fire and do you see the kindling of the fire?"

 From The Mountain Prophecies Copyright 2011

“Yes, my Father, I see the fire and I see the kindling of the fire.”

“My Little One, this is no brushfire, but a set fire, one which is being fed and fueled.”

“Yes, my Father, I see that this is so, but Father, why do You show me this fire, which is being kindled and fed, one which is growing?”

“My Little One, do you see the Darth Vader character look-a-like?”

“Yes, my Lord, I see him and this is one ugly scene; but why, Father, do You show me these things?”

“My Little One, many know of the Darth Vader character. This character is well known. But, few of you know of the Darth Vader character look-a-like.”

“Father, who is this Darth Vader character look-a-like?”

“My Little One, who sits behind the eyes of this Darth Vader character look-a-like?”

“My Lord, it is the face and the body of Barrack Obama.”

“Yes, and this is my comparison to you and to all, who read this message. This Darth Vader look-a-like sits in power over this nation.”

“But, Father, this character was evil, was wired up, programmed and controlled.”

“You speak what you know; and now I will tell you what I know. Your President, the one, who sits over this nation is a Darth Vader parallel, a very evil man, who is totally programmed and programmable. He is wicked and totally under the control of his programmers. For, much of the time during his presidency, he has been heavily drugged. There have been times when he was under such strict mind control, that he was barely seen, and others spoke for him. Many saw only the back of his head, as from front view, his blank stare would have given away his mind control.

My Little One, I am responsible for his new-found freedom, which many have witnessed since the Spring of 2011.

Barrack Obama is your first-ever totally programmed and wired up president. His callousness is a deeply-programmed cold hatred towards this nation, towards the American people, and towards all that is good and right. If he seems heartless and cold, then be sure that he is; and he will do all that he is programmed to do to hang onto power and to destroy this nation.

Since the creation of this nation, you have never had one like him, and will never have another, who is so evil. And, his wicked wife is his counterpart, and also programmed and programmable.

My Little One, you see in office, in the highest office of this land, one, who is for all practical purposes, a robotoid president. Yet, you have seen little yet; for one will take over his body, who is of total and utter darkness.

No, you have seen little yet. For, the worst is yet to come. You will see the rise of the world's great dictator, mindless, heartless, cold and calculating, eager to destroy and eager to bring down all, who oppose him, master of deceit, tyrannical, heartless, willing to do any and all things to hold onto power. Do you see it coming?"

"Yes, my Lord, I see it. You have given me many visions of this man and who he is; but I have not written most of these visions. Through these visions, You have made it clear that Obama's handlers are the Queen of England and the Rothschild man."

"My Little One, a part of his brain has been surgically removed. He has no conscience. He has no concern for others, unless he has another motive, and this motive may come across as concern for others. But, there is no true concern, only a temporary interest in others for his own sake, or for his own use.

 From The Mountain Prophecies Copyright 2011

Now, My Little One, he is in power. The antichrist is in power. Will he give it up? What will he do? I tell you that He will do all in his power to hold onto the power that he has."

My Blessed Child, I have shown you in multiple visions that there would come a time, and soon, when violent blacks would be imported into this nation for the sole purposes of stirring up strife, thereby causing racial wars. I gave you repeated visions of a machete, which was cutting down a sugar cane field. And, after some time, I gave you the meaning of these visions. And, that meaning is, and was, that blacks would be imported from other nations and brought here to kill the people, especially the whites, to chop them down, even with machetes, and to start race wars and upheavals between blacks and whites.

Michelle Obama's most recent trip to South Africa was not for the purposes of visiting Nelson Mandela, but to do her husband's bidding regarding the importation of violent blacks into America, explicitly for the purposes of starting race wars and strife.

The recent attacks of the blacks against the whites at the Wisconsin State Fair is but one manifestation of the intended attacks of blacks on whites. (For your information, my Dear Ones, this took place night before last, that was on the night of the 4th of August, wherein it is told in the press that 300 to 400 blacks mercilessly attacked whites, beating them, dragging them from cars, etc., a very violent attack and totally unexpected and unprovoked. Our Saviour continues…)

Hear Me in this. Your president and his handlers will stop at nothing to destroy this nation. Why do I tell you these things, for I am wroth with this nation? I tell you these things; for I still strive with you and out of love for you, I tell you these things. Be prepared, oh you people; for as you see all of these things come to pass, know that these events represent My great judgement upon you, as a nation.

Repent, oh you nation of America. For, this nation is being brought down systematically, even as I have so decreed. Yet, still I plead with you and care enough

about you to continue to warn you; for I have loved you, oh My people, even from the beginning. Yet, you are a rebellious house!

How many of My prophets do I still raise up to carry My words of warning to you? For, out of My anger towards you and because of the rebellion of so many of my prophets, I have ceased to raise up prophets as I once did in this nation, to warn you, and to tell you the plans of the enemy.

But, through My servant, Linda Newkirk, I have often told you the plans of the enemy; and I tell you again, that you might prepare. The streets of the cities will run with blood because of race wars. The countryside will run with blood because of race wars; and you are only seeing the beginning of all that is at hand. For, their plan is also to import many violent Mexicans and to bring the Mexican drug wars over the border, to ignite race wars of one kind, or another, all over this nation.

Hear Me, oh you people of America. Hear Me; for a fire has been kindled. This fire is the destruction of the U.S.A.; and this fire will not be stopped until you are brought down, oh you harlot nation of America.

But, still I plead with you, oh My people. Repent, or perish!

I am your Father Yahweh, yea Jehovah, Most High God.

# CHAPTER EIGHTY

## 9-11 It Just keeps on Burning!

Dear Ones, at this time, on the ten year anniversary of the 9-11 Disaster, so many are still asking, "why?"

But, I remember well at that time, ten years ago, even a few days before this great disaster, that our Saviour spoke to me and told me that He was about to bring judgment upon this nation. And, when the towers went up in blazes, I was well aware of His words regarding a great judgement upon this nation. I could only shake my head in sadness, shock, and shame and know that those burning towers were His judgement!

The terrible 911 catastrophe would have been most horrendous, even of itself, but this great catastrophe was only the beginning. It was the "fake" war on terror with the CIA controlled Al Qaeda, which would be the greatest terror to hit this nation since the Civil War.

But, some may say that the Civil War was fought on this land and the war on terror was fought on other lands. But, no, my Dear Ones, this terrible, ten-year war was fought on this land. It was and continues to be a very great war, a war to strip this land of all of its economic strength, to deplete the military, to dismantle the constitution and to take away the liberties of the people, to suck off many and varied resources and to blind the people with wars of lies. Yes, this has been the war of wars on this land, a war to utterly deplete and to bring down this once great nation. And, they have succeeded!

You are of your Father, the Father of all Lies, you lying satanic machine; and through your lies, you have stripped this nation! You have brought it to its knees. But, even so, you have done only what our Saviour has both allowed and caused you to do. Too bad that the people heard our Saviour's warnings and would not repent!

Yes, this is Satan's time; and everything that is rooted in a lie will seem to flourish, but only for a while. In the end, all that is a lie will be utterly shaken; and only what is true will remain. The storm is brewing now yet many still do now know what is true and what is not true. The wind is beginning to howl and the shaking is picking up in intensity; but the beating has not yet begun.

There is still room for denial; and because the liars still spin a good and convincing yarn, many can still discount the severity of the situation in this nation and elsewhere. But, one truth in this nation is undeniable: the fat has been stripped and we are now down to bare bones! The chill has set in and the night is fast falling. How much longer can the great lie survive?

People will call it what they want, that terrible 911 disaster, but I can only call it as our Saviour said it would be: one very great judgement from the Most High. 9-11 is a judgment, that just keeps on judging, a fire that just keeps on burning!

One would think that with such a great judgement upon this nation, that the people would wake up and take note; for this is but one of the many, which are to come upon this nation. But, most do not wake up; for they still find hope in all the many lies! For, is it the Father of Lies, whom they chase, whom they honor, and whom they love, and whom they believe.

It will only get worse, until the people are broken, clean broken down; and when the enemy descends upon this nation, like a cloud, and the scattered people are humbled, then, then they will call upon our God. And, in His great mercy He will hear. Then, He will fight for His people; and they will say, "You are our God and we are your people."
Hear the wind. Hear the breaking of the twigs and branches. Hear the howling. The great storm is upon us.

# CHAPTER EIGHTY-ONE

## Obama's New World Order Plans to Destroy the House and Senate and The Push for the Hive Mind

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. Hear Me, My Little One, for I come now to answer your questions, but also to impart additional truths to you.

My Blessed Child, many mocked when I told you that the leader of this nation plans to destroy the House of Representatives and also to destroy the U.S. Senate, reserving unto himself only a few faithful friends in the U.S. Senate. My Little One, I have told you his plans and yes, these plans are, from day to day, at the forefront of his mind.

My Little One, you know that the President of this nation, Barrack Obama, is the antichrist; for you are among the very first in the world that I advised of his identity. And, yes, of course, his greatest fear is that a drunk, drugged, morally corrupt and spiritually bankrupt people will wake up, repent from their wicked ways and rise up to throw him out. Therefore, he frets and is filled with insecurities as he awaits that moment when he will declare martial law and fill the streets with foreign troops and fill the gas chambers, the mind control camps and the concentration camps with the dissidents and with the spiritually bankrupt Christians. But, you know, My Blessed Child, that many of the saints will die.

Will he (Barrack Obama) destroy the House and Senate? These are his plans and in due season, you will see many great judgements upon the utterly corrupt and spiritually bankrupt houses of this government.

My Blessed Child, you know that I gave you My prophetic word in 2004; and this word was repeatedly sent to all members of the U.S. House and Senate. My words to them were to honor Me; for I am the One, who made this nation great. And, I, furthermore,

warned them that if they would not honor Me, that I would turn them over to the New World Order.

But, you know, My Little One, that they have not listened, but have only become more corrupt, and that they have not and will not repent. Therefore, I shall keep My words to them, that I will turn them over to the New World Order and they will fall into the great evils of Satanism, which they have overwhelmingly embraced.

Woe to you politicians, who love a lie, who take bribes, who take oaths in secret and who love every evil and perverted thing; for you will all fall to the very evil king that you serve!

Woe to the moneychangers, who sit in high places and love the praises of the people. You will look up in despair from the dungeons in the pits of hell; for you have bargained away the liberties of the people, that you might elevate yourselves in your evils. You are waste, oh you hollow and ruthless ones! You have had your day in the sun and your time of great correction is at hand!

Hear Me, oh you perverts, you liars, you thieves, you murderers, you sodomites, you bearers of filthy lucre, you pedophiles, you, who murder the innocent, you have entered into the scales of justice and you have made your own lead weight. Now, what are you fit for? For, darkness calls out to darkness and it is (through) your own darkness, that you will see your unrepentant end in this evil and wicked world.

The dead devour the dead. The perverted consume and devour the perverted. The hollow consume the hollow and the wicked perish, all on the heavy end of the balances. You have weighted yourselves with your love of evil, oh you wicked leaders of this nation and your destruction is nigh.

Therefore, do not whine, you nation of porn lovers, of wine bibbers, you nation of every kind of filth; for I have warned you, oh nation of America, to repent, or perish. But, you repent not. You look instead in the mirror, oh you harlots of this backslidden nation, and you see beauty. But, your reflection is your wishful thinking. For, your real

 From The Mountain Prophecies Copyright 2011

image is that of the beast. Rot and filth will always sink, and oh how you have fallen, oh you wicked nation of America.

**The Shaping of the Hive Mind!**

Now, My Blessed Child, I know what you have in your heart and what you wish to know about. And, I shall now give you understanding about the loud and cacophonous sounds, which are being directed towards certain areas in the Russian governances.

My Blessed Child, who knows the mind of a bird, or why it chooses to fly in one direction, and not another? And, who knows why some flocks of birds all fly in unison?

My Lord, you know.

Yes, My Little One, I know and relative to the latter, some speak of the "hive mind."

Yes, My Lord, (they speak) of many, who operate as one.

Know, My Blessed Child, that this is the New World Order goal and the New World Order mindset. Understand?

Yes, my Lord.

Now, My Blessed Child, through their great assaults against their own people, many of whom are indeed godless, empty souls, the Russian/Satanic Alliance is intent upon creating one mind.

But, Father, how so?

My Blessed Child, through this barrage of disharmonic sounds, they are seeking to cause the people to emerge as one through the simultaneous opening of the lower neurological centers, which tie them to base human emotions, like sex, fear and dread.

With the opening of the lower and primary nerve centers, they are also preparing for a greater demonic infiltration/possession and a loosing of the soul at the level of the attachment of the soul, at the level of the lowest neurological centers. (Note: at the base of the spine.)

With the soul at loose attachment, they will also seek to drive some souls from their bodies, or to create a dissociative state for the body (and soul), thereby creating armies of automatons. This is one great experiment, but still on a small scale and will most assuredly work, especially on many of those, who are already devoid of My light.

However, My Little One, for those, who love Me, this is a time of very terrible and very severe trials and few will overcome the great inner stresses, which are created by this great assault on the lower nerve centers, if they do not remain extremely close to Me at all times.

To overcome in the midst of such assaults against these nerve centers will truly require that one loves Me above all and truly loves others. For, through true love, one will overcome. See?

Yes, my Lord.

My Blessed Child, you know what you have suffered, as you are the earth mother of My very own Son of light and fire, the holy manchild of Revelation Chapter Twelve; and you have suffered through great torture and persecution. Therefore, My Blessed Child, you know well the depravity of Satan and his many barbaric hoards and that you cannot fight these battles, but must surrender totally to Me, and die to self and to things of the world. You know that you must truly love Me and others and that you must truly forgive, each and every day, that you may be forgiven. My Little One, through your great suffering, you have learned much and I have supernaturally carried you through years of great terror, suffering, and heartache, but, My Blessed Child, the people sleep. The spiritually blind and deaf not only do not see and hear, but refuse to see and hear.

 From The Mountain Prophecies Copyright 2011

The time of the great sorting is now. This is the time that I warned of in previous times, that in the latter days, the times would be more severe that at any times since there was a nation.

### The War of the Worlds

For, Satan and the wicked and rebellious ones, who fought against the light, have been thrown down. They all know that their time is short and now you find yourselves in a war of the worlds. For, they bring into your midst their terrible weapons and terrible technologies and you can in no way fight them. Therefore, all who, will not die to self and to things of this world, and who will not submit to Me in love and obedience, and with their whole hearts, will fall. Many will now die in their sins. Many rebellious ones will rise and take up guns and die by the sword. Many will erroneously believe that they can rebel against the New World Order and its terrible weapons and live, but many, many will die.

I am sorting, busy sorting out souls! And, into My palm go the pure of heart. Though some (of these pure ones) will die a physical death, none of them will feel the sting of death. For, even though some of them will be martyred, indeed the appointed ones, all will leave with joy unparalleled in their hearts.

Send this out, that My people may read and understand. But, the spiritually blind and deaf will not understand. They will not see and hear, though they read.

Oh, my Lord, I am so troubled about this “hive mind” and about those, who will fall victim to such great evils. Oh, Father, have mercy on the lost.

Father, remember Your promises to me, that You would allow me to see the salvation of the greatest numbers of souls. Oh, Father, this great evil (of the hive mind) is so terrible. Have mercy on the lost!

Yes, My Blessed Child, it is truly dreadful. But, even so, it is written; and it shall come to pass. Yet, I shall also bring forth My Holy Sons and My kingdom shall come forth in all of its glory.

The sorting of the souls is now. Hear Me in this, oh you rebellious house; for in My House, there will be no rebellion!

I am your Father Yahweh, yea Jehovah, Most High God.

# CHAPTER EIGHTY-TWO

## "A Time of Very Great Miracles"

Greetings to you, my Precious Friends. Today is the 2nd day of October, 2011 and also a time in which to reflect upon the wonderful mysteries of our Blessed Saviour. For, world events tell us that we have entered into times, which are unlike any since there was a nation. (Daniel 12:1) Evil rises on every front. The motto of the wealthy is to steal, kill and destroy. For, among them are the children of Satan, and it is Satan's goal that they all pursue: the goal of a united one world government and the total enslavement/eradication of humanity.

But, my Dear Ones, we know that these wicked ones do not win in the end. However, they will win for a while and the righteous ones will be hunted like wild animals, imprisoned, tortured, drugged, subjected to all manner of mind control, enslaved, murdered, relocated and stripped down to almost nothing. (See Matthew 24:9)

### Great persecution of the body of Christ

"Not the righteous," you may say! But, ask you this: "Have the wicked ones not killed the prophets? (Luke 13:34, Romans 11:3) Have they not killed the apostles and others? (Acts 7:59) Have they not killed our Beloved Saviour? ( Matthew:27) And, even in this day and time, do we not see that the persecution of Christians is escalating worldwide?" Therefore, now is the time to get prepared for what is upon every nation, this terrible one world satanic government. Do not wait.

### Many are unprepared because of the lies!

My Dear Ones, so many of you sleep in your ignorance, totally believing the great Satanic lie, that you will not have to suffer if you believe in our Saviour, but will, instead, be "raptured" out of the evils of this world, before you have to suffer at all.

Herein, is the great lie that will sink the souls of many! For, in the believing of this lie, many have neither prepared spiritually for the very hard times, nor have they prepared for the times of lack and terrible famine, which are already upon the whole world. This great lie is also akin to another great lie, "once saved, always saved," but that great lie is for me to explain at another time.

Isaiah warned us about such times when he told us: This is a rebellious people, lying children, children that will not hear the law of the Lord: which say to the seers, see not; and to the prophets, prophesy not unto us right things, speak unto us smooth things, prophesy deceits. (Isaiah 30:9-10)

### The Purification of One's Heart

Yet, even so, my Dear Ones, the righteous must not give up, but continue to fight the good fight; for the kingdom of our Saviour comes to the pure of heart. The pure of heart will see His face. (Matthew 5:8)

Make you a new heart … (Ezekiel 18:31)

The Lord looketh upon the heart … (Samuel 16:7)

But, the great tests are in the purification of the heart; for the hearts of most are full of varying amounts of perverseness.

For, out of the heart proceed evil thoughts, murderers, adulteries, fornications, thefts, false witness, blasphemies. (Matthew 16:19)

### Be aware of your thoughts and repent quickly of wrong thoughts

### Wrong thoughts lead to a greater sin

"Commit thy works unto the Lord and thy thoughts shall be established." Proverbs 16:3

The very great problem in the purification of one's heart, is that many fail to see that the contents of one's heart are, most often, shaped and molded by one's thoughts.

 From The Mountain Prophecies Copyright 2011

Thoughts, which run rampant, will settle into one's heart and create much darkness. (thoughts of the heart: Luke 2:35, and Luke 24:38)

### How others reveal what is in their hearts

### Verbal and non-verbal

One cannot speak "love" out of one side of one's mouth and then come with a proud, or mocking attitude towards loved ones and still believe that the heart is clean. Neither can one be non-communicative, sulking in silence, and expect others to read his, or her mind. For, the words of the mouth, or even the very lack of words, will reveal one's heart.

### Through outward behaviors

The intentions of the heart will further manifest through various behaviors. So, where there is a lack of words about what is in one's heart, the intentions of one's heart will be revealed through various actions, or even non-actions, or withdrawal and total silence. Therefore, my Dear Ones, the content of one's heart will be revealed by what one says and does, or even by what neither says, nor does. Understand?

### The Deceptive hearts

Yet, to adequately understand the true spiritual nature of one's heart may take a while; for the hearts of many are extremely deceptive. And, most often, many hurts may be covered up in layers of denial. So, to uncover what is hidden within one's own heart can turn out to be one very great work and will not be done either easily, or quickly.

In all things, each of us must pray and seek to know the truths about ourselves. I am truly convinced that the greatest spiritual work that we will ever do is the spiritual work that we must each do on ourselves before our Mighty Saviour.

If we are sincere in our prayers about overcoming our own faults and overcoming our own humanness, our Saviour will hear these humble prayers of our hearts. And, then, my Dear Ones, He will show us the true nature of our own hearts; and most often, we

will all find that we all have so very much to overcome. I Kings 46: There is no man that sinneth not.

### Kingdom promises for the Overcomers

From time to time, I think of the teachings of the churches, which are stressing that others will escape what is coming. Many are mesmerized by the notion that they will escape. But, my Dear Ones, our Saviour's promises to the faithful are not based on escaping, but on their overcoming. Remember His promises in Revelation Chapters two and three for those, who overcome. Therefore, we must be overcomers, not escapers. To overcome is not easy; and it is through this great work of overcoming that we are all severely tried and tested, that is, until we actually overcome, not only ourselves, but this world that we live in.

### So many tests and trials

My Dear Ones, we will all face many tests and trials as we seek to clean out our hearts. This is the road to salvation and truly a road of great tears and suffering. Oh, so painful it may be for us to be brutally honest with ourselves and to see plainly our many faults, to see them so clearly that they truly pain us and we so greatly wish to be free.

Are you ready to be brutally honest with yourself? If you are not ready to be brutally honest with yourself and to spend many hours pondering the truths about yourself, you are not ready to do the serious cleansing work in your heart. Remember: the pure of heart will truly see the face of our Saviour. They will inherit the Kingdom of God. So, if you are serious about wanting to marry our Saviour and to inherit His kingdom, you must do this most important of works. You must clean out your heart until it is made clean through the love, the forgiveness and the healing of our Saviour. The pure of heart will see our Saviour's face.

### Denial is the easiest way

It is far easier to hide the hurt and pain in one's heart and to pretend that it does not exist; and most do. But, in unexpected times and on unexpected occasions,

 From The Mountain Prophecies Copyright 2011

when ,something happens, which triggers the painful memories, then someone, or something must be to blame. Now, the one, who is blamed, may not be at all responsible, but only stands as a reminder of painful times. Yet, the innocent one, is, without, his, or her knowledge found guilty by association. In other words, when the painful memories, or emotions, come flooding up into one's awareness, others, who are not at all connected to these past hurts, may be blamed because their very words, or gestures, or even non-verbal mannerisms remind the other one of past pain.

**Perhaps, no memories, but only emotional pain**

Yes, the painful memories will arise out of the heart, sometimes obviously so. But, at other times the pain is so far in the background and so traumatic that it is not the memories that arise, but only the pain, or the grief, the anger or the sorrow, which was firstly associated with the traumatic event.

And, instead of the memories, there will come a flash of some dread feeling, like despair, overwhelming abandonment, anger, or other negative emotions. That flash will be either very transitory, or even emotionally destabilizing, and when it is transient, one may want to quickly forget it until the next time; for these are very unpleasant experiences. But, at other times, this flash of emotion will be so disabling that there will be some sort of emotional eruption, or withdrawal, or even detachment.

The one, who has stored this hurt and pain, has learned that this anxious feeling, or this dread, is to be avoided at all costs. This avoidance of the eruption of such hurt, through the release of hidden feelings, can lead to all manner of strange behaviors.

Sometimes, there arises the need to blame others needlessly for this terrible inner emotional turmoil, or the desire for others to rescue one from such a state, or there may arise an eruption of loud, accusing behaviors. What is in the heart, whether good, or bad, will come out.

**"And, ye shall know the truth,**

**and the truth shall make you free." (John 8:32)**

This is why it is so very important that we each be firstly honest with ourselves, and then we can be honest with others; for it is through this truth, this honesty , that true healing can really begin.

But, for those, who have been dishonest with themselves for so much of their lives, to change courses and to be honest, can be very difficult.

But, my Dear Ones, truth is at the heart of our Saviour's work. For, has he not told us that: "The Spirit of truth has come, he will guide you into all truth." (John 16:13) So, our spiritual efforts need to focus on truth, knowing the truth about ourselves and living truthfully with others. And, if we lie on purpose, or by mistake, we need to repent quickly. For, one lie can quickly become a mound of lies. Understand? Honesty must begin with each of us and must begin in our hearts. If we will not be truthful with ourselves, we will not be truthful with others.

**The great liars!**

What is the great difference between the children of Satan and the children of our Saviour? Our Saviour has told us about Satan's children when He said: "You are of your father the devil, and the lusts of your father you will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

Are we to go on lying, either to ourselves, or to others, failing to repent and think that we are still in good standing with our Saviour? We all must be conscious of our words on a day-to-day basis and repent quickly of any lying or wrong-doing. Many say that it is alright to tell a white lie, but a lie is a lie. All lies are black and there are no white lies. Every unrepentant lie is imprinted on one's soul as a sin.

 From The Mountain Prophecies Copyright 2011

My Dear Ones, we all need to be very careful of our words and the thoughts of our hearts. May be all be quick to repent and quick to forgive. The Lord have mercy on us all; for we are all sinners.

### Looking for the truth!

### Past wounds, the hidden controllers

Are you haunted by terrible memories? Are you driven to act inappropriately, even without knowing why you are behaving in a certain way? What is hidden within you that drives you, even without your permission? Sometimes, this can also be demonic, but that is another issue altogether.

What is hidden within one's heart, does not go away. It must be purged through the Spirit and power of our Saviour; and these dark places in one's heart must be healed.

### Forgiveness is so extremely important

### "For, if you forgive men their trespasses, your heavenly Father will also forgive you." (Matthew 6:14)

If we will not forgive others, a root of bitterness may grow within our hearts; and when this root of bitterness grows, it begins to spread to all areas of our lives, leading to feeling of depression, suspicion, anger, resentment and hostilities on our parts. A root of bitterness may also lead to physical illnesses as such a root draws darkness into one's soul. NO amount of evil, which anyone can do to us, can justify a root of bitterness. In other words, no amount of evil, perceived, or otherwise, can justify unforgiveness, that is, if we want to be free and to enter into the Kingdom of our Saviour. Remember the words of Paul: "Look diligently lest any man fail of the grace of God, lest any root of bitterness springing up trouble you; and thereby many are defiled. (Hebrews 12:15)

So, what must we all do to stop such a root of bitterness from developing in our hearts? We must firstly forgive all persons of any and all things that they have done to us, whether real, or imagined. And, if we are unable to do so because of so much hurt, we must ask our Saviour to help us to forgive this person, or people.

We must also continually ask our Saviour to take all of our burdens and to make our journeys light. We must also praise Him every day and all through the day. AND, ABOVE ALL, WE MUST THANK HIM FOR ALL THINGS THAT WE SUFFER AND ENDURE; AND WE MUST BE SINCERELY THANKFUL. A THANKFUL AND FORGIVING HEART WILL NOT HARBOR BITTERNESS.

### How we shut out our blessings

Oh, how we shut out our blessings by groaning and complaining, by making unreasonable demands, and by having an undue sense of entitlement. Remember how angry our Saviour was with us in the wilderness? For, the people whined and they complained? They provoked the Lord, our God, with their complaining, whining, with their lack of gratitude and great selfishness. How they pitied themselves, even in the face of such great and wonderful miracles! (Deuteronomy 14) They thought that they were entitled to so much more! Even the great miracles of our Mighty God were not enough to please them!

### An undue sense of entitlement

What is an undue sense of entitlement? An undue sense of entitlement is expecting things of others that we have no right to expect.

These unmet expectations will then begin to eat away at one's peace of mind and to create resentments within one's heart and thoughts, thereby isolating one from loved ones, or causing burn-ups and blow-ups. For, the one, who feels wrongly entitled to something will have some sort of emotional melt-down when these irrational expectations are not met! At the root of any undue sense of entitlement is one thing: SELFISHNESS.

SELFISHNESS BREEDS ISOLATION. SELFISHNESS BREEDS GREED. SELFISHNESS BREEDS AN UNDUE SENSE OF ENTITLEMENT. SELFISHNESS IS ALL CONSUMING. SELFISHNESS CUTS ONE OFF FROM OTHERS AS SELFISHNESS IS ALWAYS ALL ABOUT SELF. SELFISHNESS SHUTS OUT THE LIGHT OF GOD. SELFISHNESS ALIENATES ONE FROM THE LOVE OF OTHERS. SELFISHNESS ALIENATES ONE FROM THE LOVE OF GOD AS SELFISHNESS IS A

 From The Mountain Prophecies Copyright 2011

BOTTOMLESS PIT, WHICH CAN NEVER BE FILLED.IN SELFISHNESS THERE IS NO LOVE. SELFISHNESS IS A BLACK EMOTIONAL HOLE. SELFISNESS IS MANIPULATIVE AND CONTROLLING AND DOES NOT WISH TO BE SEEN FOR WHAT IT IS. UNDERSTAND? But, on the other hand…

**Love is so precious!**

**Love thy neighbor as thyself (Leviticus 19:18)**

Most importantly, selfishness is the enemy of love; for my Dear Ones, love truly gives without expecting anything in return. Love truly is kind. Love is full of true compassion and real concern for the welfare of others. Love always wishes the highest good for others and is never controlling. Loves gives and love heals.

Yet, at times, love may also be tough; for true love is the absolute flow of the purest light of God and it is true. Therefore, true love must also be true and must deal in truth, but even so, true love is absolutely forgiving; and when it forgives, it truly no longer remembers the wrongs.

True love covers an array of wrongs; for true love, loves, in spite of the faults and shortcoming of others. True love looks past the sins and sees at a level, which is beyond this world; for true love is not based on anything of this world, but comes through us from the very source or all love, FROM THE HEART OF OUR LOVING SAVIOUR.

BLESSED IS THE ONE, WHO TRULY LOVES OTHERS, WHO GIVES AND EXPECTS NOTHING. BLESSED IS THE ONE, WHO IS TRULY HIS BROTHER'S KEEPER, GIVING AND EXPECTING NOTHING.

BLESSED IS THE ONE, WHO WILL LAY DOWN HIS, OR HER LIFE, FOR HIS BROTHER OR SISTER, A SELFLESS LOVE, A LOVE, WHICH IS NOT INTENT UPON SELF-PRESERVATION, BUT IN THE GIVING AND IN THE SUSTAINING OF LIFE.
YES, IN THE LOSING OF ONE'S LIFE IN SUCH LOVE, ONE WILL THEN FIND LIFE, EVEN LIFE ABUNDANT.

Such terrible times are upon us all! Will you love your life unto death, fighting with guns and swords, or will you give your life totally to our Blessed Saviour, loving Him above all, and loving others, even as you love yourself, that you might find your life, even life eternal?

**"And the work of righteousness shall be peace; And the effect of righteousness quietness and assurance forever!" (Isaiah 32:17)**

Blessed are those, who obey our Precious Saviour, for the peace of the living God comes to the obedient. These are the true peace keepers; for the gift of peace is given to the truly obedient, and this gift of peace is theirs to keep through the worst of times. How blessed are the true peace keepers; for they are the obedient ones.

Glory, glory, glory to the Lamb of God, forever and ever. Precious is the Holy Name of Jesus, the Name above all names. He is worthy, worthy, worthy is the Lamb!

**The Pure of Heart will see our Saviour's face**

Are you ready to weep for your sins? Are you ready to plead with your whole heart for our Saviour to heal your brokenness and to make you whole emotionally? Are you truly ready to forgive and to forget? Are you ready to stop playing emotional barter games, which leave others tired and exhausted, who are shaking their heads and trying to figure out what the problem is? Are you ready to be brutally honest with yourself, really wanting to see the truths of all things, which are stored in your heart?

If you will not answer yes to all of these things and be extremely determined to overcome all of your hurts and sorrows and to have a clean heart, you will not overcome. And, if you do not overcome these negative things, which are stored in your heart and will not love and forgive others, regardless of what they have done to you, you will not have a clean heart. The lack of forgiveness will surely grow a bitter root. But, if you are extremely determined, you will overcome. Blessed are the overcomers; for their rewards are great in the Kingdom of our Saviour.

 From The Mountain Prophecies Copyright 2011

And, blessed are the pure of heart, for they will see our Saviour. The pure of heart forgive and understand the need for forgiveness. The pure of heart will enter into the kingdom of our God. Do not put off this most important of works! Don't let this work slide! The Kingdom of our God is truly at hand!

### He is coming for a spotless Bride!

"…that He might present it to Himself a glorious church, not having spot, or wrinkle, or any such thing, but that they should be holy and without blemish." Ephesians 5:27
"And, the marriage of the Lamb has come… and He granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of the saints." (Revelation 19:8-9)

We are warned in the scriptures that our Saviour is coming for a spotless bride. The bride must be clean inside and out before going to the wedding supper. Her heart must be clean and she must have a clean and white spiritual robe. This great cleansing is at hand and it is going to be brutal! These cleansings are the great trials and tests in the fires, even as gold and silver are tried and tested.

### The Great Refining

"And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on My name, and I will hear them: I will say, It is My people: and they shall say, The Lord is My God."

### The Fires of Testing

Did you know that the fires of the holy manchild get so hot that they burn up the hardest substances known to man? The manchild can burn up gold and silver quickly and easily, but they do not fill up my body with things that are burned up quickly and easily, for the most part.
Satan, his many non-human hoards and their allies in the U.S. military and other militaries fill up my body with vast amounts of the hardest substances that are known to Satan and his many wicked servants. They know that it is nothing for the manchild to burn up gold and silver.

### The very hot fires

Do you now see how hot the refining fires of the manchild really are? Has this really registered with you yet? The manchild is also an all-consuming fire. Blessed are those, who are counted worthy to have him and blessed are those, who are tried and tested as gold and silver in our Saviour's fires. These fires of testing are the holy men-children, who are coming to the Bride!

### Your fires of testing are coming!

The fires of testing for the Bride are coming! These fires are the fires of the holy babes of light and fire, which will come down and go into the appointed souls. When these appointed souls receive these streams of light and fire, then they will become the true Sons of God, the true Bride of Christ, and they will then, at that time, marry our Saviour. It is at this point, at this time of the marriage, that the true kingdom of our Saviour comes into the earth, even in its infancy.

But, all, who receive these streams of light and fire, these babes of our Saviour, will be tried and tested in severe and harsh ways. These are the trials by fire, the time of the purification of the Bride; for she must be made white, clean and spotless. Otherwise, she will not be able to stand in the presence of our Saviour; for HE is the ultimate all-consuming fire. THINK: LOVE, FORGIVENESS AND GRATITUDE EVERY DAY FOR ALL THINGS. THINK OBEDIENCE EVERY DAY, THINK REPENTANCE EVERY DAY, AND PRAISE OUR BLESSED SAVIOUR EVERY DAY AND ALL THROUGH THE DAY. IF THIS IS NOT YOUR WAY OF LIFE, IT MUST BECOME YOUR WAY OF LIFE, IF YOU ARE TO MARRY OUR SAVIOUR. UNDERSTAND?

### Some say that our Saviour tests no one.Remember Job?

Some say that our Saviour tests no one. Oh, what dangerous thinking! When King David sinned and killed the husband of Bathsheba by placing him on the front lines, (as King David coveted this man's wife I Kings 11:2), what did our Saviour then do? The Lord was wroth with King David and began to bring a series of judgments upon him.

 From The Mountain Prophecies Copyright 2011

So, King David was given several tests and he failed them. He lusted after another man's wife (one test), he coveted her (a second test); and when he failed these tests, he conceived evil.

King David then ordered that Bathsheba's husband be killed and then he committed adultery with her. The fruit of sinful thinking, if not curbed, is sinful behavior. So, with King David, his great problems began with lust, which led to covetousness and when these two sins were not repented of, these sinful thoughts began to bear terrible fruits, adultery and murder.

Then, in the midst of so much sin, King David was tempted again, this time he was tempted to number, or count the number of people in Israel. The word tells us in II Samuel:1, that "again the anger of the Lord was kindled against Israel, and he moved David against them to say, Go and number Israel and Judah." In previous times, our Saviour had given the directive to NOT number His people. And, it was only after the numbering of the people, that David realized his wrongs, but then, it was too late. But, as strange as it sounds, our Saviour moved David to number Israel and Judah, a very great test, and King David failed.

Our Saviour was wroth with King David and he gave him a choice of punishments. Sadly, in the end, seventy thousand died in the plagues because of King David's decision to do something that he knew to be forbidden.

King David was tested, he was tried, and he failed; and when he failed, he greatly sinned. As a result of his great sins, many lost their lives because of our Saviour's judgments.
So, my Dear Ones, it is with each of us, as it is with King David. Sin is first conceived. And, if such a sin is not repented of, and forsaken at the time of its conception, sin will arise and then bear a very terrible fruit.

**We are all sinners!**

We are all sinners. None of us is worthy and except for the grace of our Blessed Saviour, none of us would be saved. As King David was, we all are; for we are all sinful people. May the Lord, our God, continually have mercy on our souls!

**Repentance and forgiveness, two very precious gifts!**

May we all be humbled unto repentance every day of our lives, lest we act out on the temptations, which are before us. Precious is the Name of our Blessed Saviour Jesus, for He forgives. And, when He forgives, He remembers no more. Holy is the Lamb of God!

**To whom much is given, much is expected.**

**May we all strive to be better servants!**

May we all remember that what happened to King David, regarding terrible temptations. Every day, we are all faced with all manner of temptations and the greater the work that our Saviour has given to us, the more Satan comes after us. Even our Saviour was tempted by Satan, but even so, this was also the will of His Father. But, as for King David, our Saviour had entrusted him with much. And, to whom much is entrusted, much is expected. Remember this great responsibility, all of you, who wish to become the Bride of our Saviour. The Lord expects much of His Bride!
So frightening it is to serve the Most High God; for He is perfect in all ways. He is holy. Blessed is His Precious Name!

**The Need to Walk Fearfully before our Blessed Saviour.**

**He is Almighty. He is Creator!**

**"The fear of the Lord is His treasure." ( Isaiah 33:6)**

Indeed, how frightening it is to serve our Mighty God! May we all walk fearfully before Him, truly seeking the great gift of his holy fear.

 From The Mountain Prophecies Copyright 2011

Yes, the true and holy fear of our Saviour is a spiritual gift, much like the gift of healing, or some other spiritual gift. This is a divine revelation, which our Saviour gave to me some time back.

Therefore, seek the gift of the holy fear of the Lord with your whole heart. The fear of the Lord is truly the beginning of wisdom, that wisdom being a spiritual glimpse of the very nature of our Living God, a very great and humbling recognition of his awesome greatness.

May we all seek to have the gift of a holy fear of our Blessed God, of our Precious Saviour. “His mercy in on them that fear Him...” (Luke 1:50)

**Our God is Almighty!**

**He is Great; and we are as dust!**

**“And the Lord formed man out of the dust of the ground… (Genesis 2:7)**

If we do not recognize and know our Saviour’s greatness, we will disrespect His greatness. And, if we do not fully recognize our humanness, we may begin to think that we are something that we are not.

We are told in the book of Genesis that we man was created from the dust of the ground. Therefore, we are dust and because we are dust, how can we think highly of ourselves?

The great problem with so many, who serve our Lord is two-fold: no fear of the Lord, our God, and thinking highly of one’s self.

**Salvation is of the Lord, our Mighty God!**

Oh, so frightening it is to serve The most High God, God Almighty! He is holy, righteous, pure, perfect in every way; and we are dust. May our lips praise Him every day of our lives; for salvation is of our Lord, Jesus, our Saviour and Mighty God!

May we walk humbly before our Mighty God!

Our Saviour tells us in the writings of Pistis Sophia that if he had not come into the earth to pay His great price for us, that not a one of us would have been saved. So, how can we think that we are anything?

May we all seek the holy fear of our Saviour, always remembering who we are and who we are not. If we are privileged to be called by Him to serve Him, then how truly blessed we are. But, even so, His work is not our work. We are but lowly workers in the vineyard.

LORD OF LORDS AND KING OF KINGS!

BLESSED IS THE HOLY NAME OF JESUS. HE IS TO BE REVERED. HE IS TO BE WORSHIPPED. HE IS TO BE HONORED, PRAISED AND GLORIFIED; FOR HE IS WORTHY AND HE, ALONE, IS WORTHY!

Now, my Dear Ones, before I leave this message about being tested and tried for our faith, I will tell you a little more about tests and trials. Around January of 2003, our Saviour told me to read the Books of Daniel, Isaiah, Jeremiah and Elijah, not only to read them, but to get the words into my heart.

### A Serious Warning

His words of warning came flooding back to me during those times when I was reading the Book of Daniel and I remember thinking: “I really do not like the tone of what our Saviour has said to me.” That was 2003, as I have just told you, and at that time I had no clue as to what would be unfolding in my life regarding the works of Revelation Twelve.

But, now that I know why He told me these things; I can attest to the truths of his warnings. For, I have truly lived a Daniel, Shadrack, Meshach, and Abednigo kind of life. I have been greatly persecuted for the love of our Blessed Saviour; and as I have told you, also greatly tortured because of the precious manchild, who lives in me.

Now, hear me well when I tell you to read the above books, even as our Saviour told me; and get these prophetic words into your hearts. For, even as I have suffered because of having the holy son of our Saviour, you, who receive Him, will also suffer! For, Satan will make war against you. This is the last verse of Revelation Chapter twelve.

When you are suffering amidst your great tests and trails, remember the trials of Shadrack, Meshach and Adednigo. And, remember the trials of Daniel in the lions den.

Remember their great trials. Put these things deep into your heart!

In the Book of Daniel, we are told of how others conspired against these four, to cause them to forsake their God and to fall down and worship idols, or in the case of Daniel, to cause him to stop praying to our Saviour.

Satan and his wicked hoards will also conspire against you in the very same kinds of ways. Are you ready for the camps? Are you ready to be tortured, persecuted, drugged, mind controlled, and killed for your Christian beliefs? Such horrors are upon the whole world!

Will you do as these four did, when you are put to the terrible tests of your faith? They did not fail, but were faithful to our Saviour. They did not care if they lost their lives. They knew that they loved our Lord and they were determined to serve Him, no matter what! They did not crumble in the face of a dictator and renounce our Precious Saviour. They faithfully followed after our Lord and they refused the governmental directives.

Were they not all subjected to great tests? Daniel in the lion's den and Shadrack, Meshach and Abednigo in the fires? Yes, indeed, very great tests of their faith!

They could have taken the easy way out. They could have obeyed the great ruler and could have gone along to get along, but they refused.

Can you imagine what the three were thinking as they were being prepared to go into a fire? A fire, which was made seven times hotter and just for them! A fire, which was so hot that none could really get near it, as it was so blazing hot!

What about Daniel as he was being prepared to go into the lion's den? What must have been going on in their minds?

**Our Saviour will show Himself strong on behalf of the obedient!**

Fear thou not, for I am with thee: be not dismayed; for I am they God: I will strengthen thee…" Isaiah 41:10

Shadrack, Meshach and Abednigo were all tested severely regarding their faith; however, they did not waver. They stood strong in their faith; and our God, on seeing their obedience, showed Himself strong on their behalves.

Isn't this the promise of our Blessed Saviour: that He will show Himself strong on behalf of those, who obey Him, who absolutely trust in Him? Herein is one very great lesson for the faithful!

Hear me in this! This is how the faithful will be tried: the tests and trials of Daniel, Shadrack, Meshach and Adednigo will come upon the faithful, and this will happen, even before our Saviour comes for His people!

**I have lived such a life!**

**Sixty-Five months, and counting!**

For, as some of you understand, I am the very first person in the world to receive the holy manchild and he has now grown in my body for almost 65 months. And, that is 65 months of torture and persecution that none of you could ever imagine, but also 65 months of miracles of the Daniel, Shadrack, Meshach and Abednigo nature.

 From The Mountain Prophecies Copyright 2011

Oh, how blessed I am to be persecuted for the love of our Blessed Saviour and for the love of each of you! Glory, glory, glory to our Blessed Saviour, Jesus, the Name above all names. Precious is His Holy Name!

**Read the true works of Revelation twelve!**

In Book Twelve on http://www.prophecies.org, I have written extensively about what you are going to face when you are attacked and assaulted by Satan and his wicked hoards, both human and non-human. But, as their ways are not our ways, and the nature of their technology seems alien to many, and most assuredly is, the greatest numbers refuse to believe what I write, instead preferring to call me insane, or to assault me verbally with slander and lies, or to insult me in other ways.

**The powers and principalities of great darkness!**

Through those writings, I have told you about some of the ones, whom Satan and the U.S. military have abducted and mind controlled, turning them into enemies against me, just because they knew me. I have told you of their great assaults against my family members and against people, whom I barely know, all in order to raise them up as enemies, and to use them to slander my name and to spread hate, malice and to bear false witness against me. These are the works of the Satanists and of the US military; and their works are full of evil!

**They are skilled at mind control!**

How will you withstand such vicious assaults when your time comes? Our Saviour has warned, that if your heart is not clean, the wicked ones will control your mind, as they read thoughts. Satan and his wicked non-human hoards communicate telepathically. They read thoughts. They see fears. They know what is stored secretly in one' heart; and they take the hidden things and begin to feed them into one's mind, building and building on such thoughts until one's mind is controlled. If they see a fear, they will feed this fear through mind control, causing it to grow until it is all-consuming. IF they see a doubt, they will feed this doubt, until this doubt is all-consuming. IF they see greed, anger, or some other negative emotion, which is stored in the heart, they will do likewise, seeking to consume the person in such things, and to thereby cut one off from the love of our Saviour, to totally destroy one's faith and to make one devoid of the Spirit of God.

**The Road Ahead!**

Are you in any way prepared for such vicious assaults? Only those, who repent daily and who truly come out of the world and all of its traps, who truly love our Saviour above all, and who truly love others, who truly forgive, even if never asked to, and who seek to be obedient to our Saviour in all things, will make it through such terror assaults.

You will be bathed in your tears and your heart will groan in sorrow for all that you will suffer, but if you remain true to our Saviour, He will gather you up into His arms, whether in death, or at the time that He comes for you as His bride.

An easy way? No! A way of great tears and heartaches, but oh what a wonderful way into eternal life!

**How to survive the mind control horrors!**

WHAT IS EXTREMELY SIGNIFICANT IS TO KNOW WHAT YOU ARE REALLY THINKING. KNOW WHAT THOUGHTS ARE TRULY OF YOU AND WHAT THOUGHTS ARE OF THE

 From The Mountain Prophecies Copyright 2011

ENEMY. For, Satan's hoards, and the humans counterparts, alike, are extremely skilled in mind programming and control.

When you hear strange thoughts in your mind, begin to listen carefully and learn to recognize thoughts that are not your own. Perhaps, they are your own thoughts, but represent also some things that you need to repent of. As these wicked ones seek to program you, the reptiles will often make a finger jerk, or will make some other body part move in order to stress, or to imprint into one's thinking what they are trying to program.

So often I awaken to hear such nonsense, or hear it just before I go to sleep at night. So, when I hear their mind control nonsense, I will either pray, or sing praises to our Saviour. Most nights, I sing to our Saviour and when I awake I am thanking Him and the holy manchild for all of their wonderful work they did in my body during the night, such a great work to remove such vast amounts of foreign stuff, which the wicked ones put into us.

My Dear Ones, when these wicked ones cannot kill you, they will not give up on trying their mind control. So, this is why it is extremely important to know what you think, what is really in your hearts. Therefore, each of us must repent every day and all through the day, so that we may remain clean spiritually. We must truly love our Saviour above all and we must truly love others and forgive them, regardless of what they say and do.

### We must work hard to keep our hearts clean!

We must work very hard to keep our hearts clean. We must repent quickly and forgive others, even when they do not ask us to forgive. We must walk in love and obedience towards our Saviour and then when we call upon Him, He will hear our cries!

### Freedom is in True Love

We must seek to walk in love at all times. Negative emotions cannot co-exist with love. When we are filled with the love of God, we are truly free. Understand?'

But, for the rebellious,

Many of them are mind controlled and oblivious to it!

I tell you now that many of you will be abducted, drugged and mind controlled and you will obey the commands of the reptiles and their human counterparts. You will do as they tell you, even when you do not believe that you will work for them. Even when you think that you are thinking your own thoughts, you will be thinking their thoughts and doing as these wicked ones tell you to do. So great is the enslavement of humanity, which is at hand; and so lost are so many souls, who neither know themselves, nor the enemy!

**Know the enemy!**

You would be very wise to seek to know your enemy. Your great enemy in this world is Satan, but your enemies are not limited to him. For, he has many non-human reptiles in his service and they are all exceedingly wicked. They hate you with an everlasting hate and they truly wish to destroy you! He also has in his service many, many humans, some of them being his children and some of them not his children at all. But, they are belong to Satan, nonetheless, having sold their souls to get secret clearances and to be in positions of power, thereby becoming, even as his children.

**Do you now understand?**

Do you now understand why you must have a clean and pure heart to be able to stand in the presence of the all-consuming fires of our Saviour? And, do you understand now, why you must go through such great tests and trials?

Re-read these things, which I am now telling you; for these truths are exceedingly important for your journey into salvation! Those, who receive eternal life, receive salvation; but we must remember that if the righteous are scarcely saved, then what about the rest?

 From The Mountain Prophecies Copyright 2011

**We have entered into a new divine territory!**

But, my Dear Ones, as for me and the holy son of our Saviour, the precious manchild of Revelation Twelve, we have entered into new territory! Many of the mockers will not be mocking me for much longer. Many of the liars will not be able to succeed in their lies against me much longer; and the torturers and persecutors will not be able to succeed in their assaults against me much longer; for the holy manchild and I are beginning to enter into the best of times; and even though we are still greatly persecuted, we still know that we stand on the precipice of great and wondrous kingdom works.

Remember, my Dear Ones, that the holy manchild is the hidden pearl in the field and he is the hidden treasure, that if one could find him, this one would then sell all that he or she had and go and buy this pearl, or this treasure. (Matthew 13) He is the kingdom of God in our midst. He is the holy pearl. He is the buried treasure; for even though he is in the earth and the angels come and bow down to him, and Satan and his many hoards constantly try to destroy him, he is the holy kingdom of our Saviour in its very infancy.

The holy manchild and I have borne the brunt of Satan's wrath against us. We have been tortured and persecuted night and day. Our travails have been exceedingly great, but these travails cannot in any way, compare to our great and miraculous blessings. And, though nations have gathered up against us and though armies have come in their ships to destroy us, and though Satan has done all evils to us that he could imagine, he has failed. And, though the U.S military, as well as Satan's craft, have camped out around us in the skies for many years, they have failed in all of their attempts to kill me, or to destroy the Holy Little Son of our Saviour , or to steal him, or to stop his growth. Now, my Dear Ones, we are coming into very great victories.

**Something so marvelous!**

It was last summer, the summer of 2010, while I was praying one day, and reaching up very high, nearly touching our Saviour, when He said to me, "You are touching my mantle."

As the months went by, I wondered about His mantle and what He meant when He said to me, "You are touching My mantle." The fall of 2010 came and went with so many surprises, but also with great tests and trials. And, the extreme winter came and passed. But, it was in the spring that our Saviour came with a very great surprise for me.

### The First Mantle

Indeed, a very great surprise. For, He brought me a gift, even wrapped in a box, and inside that gift box was a fluffy white robe, which was made of light. He had been telling me that He was about to give me a mantle and I stood in awe of such a grand gift.

When He presented the gift, Satan was most assuredly on hand to see the gift; and as he attacked my physical body again at that time, I heard him say, "I can get into that one," meaning that he could still torture me and persecute me.

My Dear Ones, our Saviour gave me this mantle after he had spoken to me for 21 years. Yes, after 21 years of His speaking to me, and after 21 years of walking in the prophetic, our Saviour gave me this mantle.

I was so delighted to receive this mantle, but did not understand what such a wonderful gift would mean. And, so I waited to see how this mantle would unfold in my life; and what I saw firstly was that our Saviour answered my prayers so quickly. Then, I began to realize that the mantle is something like a hotline to His very throne. I was and am so very thankful and so deeply humbled; but of course, this is not all.

But, as the summer months of 2011 dragged on, I became so tired from many and prolonged assaults against my body and against all areas of my life; and I pleaded once again for our Saviour to bring me to a new place in Him; for I was so tired from so many years of persecution.

 From The Mountain Prophecies Copyright 2011

### The Second Mantle

Then, very unexpectedly, there came a second mantle, this one being diverse from the first one, but also similar. It, too, was fluffy, and made of white light, but without sleeves, as it was to be worn beneath the first mantle. It was also different as it had rows of diamonds around the waist and our Saviour also placed diamonds on my shoes.

It was with the addition of this second mantle that so many wonderful things began to happen. I have entailed some of these most marvelous of events for you below. I am so humbled to receive these mantles and stand in such awe of our Blessed Saviour.

He has explained some things about these mantles: that the first is a single portion of His power, but with the second, I have been given a double portion of his power, much like the double portion, which given to Elisha.

### A Third Mantle

But, even so, our Saviour has shown me that I will receive a third mantle. The coming of this third mantle is very near. This third mantle is much larger than both of these precious mantles combined. I have been able to see it in the gift box, but have been unable to touch it.

Our Saviour tells me that this third mantle is coming soon, but I have no way of understanding what “soon” means. I only wait and hope, even with very high hopes and expectations. Our Saviour tells me that when I receive this third mantle, I will be able to fly upon the wind.

And, when I can fly upon the wind, then, my Dear Ones, I will see many of you. How blessed I will be to see the precious faces of some of you, whom I love so very much. So, make me a place at your table; for surely I will soon visit some of you. I love you so very, very much!

And, now I will share with you some of the beautiful events, which have come about due to the power of our Blessed Saviour in His mantles. Glory, glory, glory to His Holy Name forever and ever. His Kingdom is coming to His Faithful. He tarries for now, but his kingdom does not tarry for long. Make your hearts clean. Make your way Strait. Neither look to the right, nor to the left, but keep your eyes on our Saviour. Get ready!

### Miracles of the mantles

Some weeks past, I went into a restaurant and prayed for some people. One woman, who was elderly, worked in the back of the restaurant and she was a cook. But, she was having a really difficult time in doing her work as she would regularly forget where certain pots and pans were; and this problem with her memory was causing very great problems for her daughter, who owned the restaurant. The problem seemed to be Alzheimer's disease.

I was so delighted to pray for this woman; and as I prayed for her, I could feel waves of the power of the holy manchild as these healing waves went into her brain. There also came much heat into my hands and I knew that our Saviour was doing a wonderful work.

When these prayers were finished, this woman was healed and now she is a very productive worker. BLESSED IS THE NAME OF OUR PRECIOUS SAVIOUR. ALL THE GLORY, ALL THE HONOR, ALL THE POWER AND ALL THE PRAISES TO HIM FOREVER.

It was during that same meeting that I also prayed for others, who were there; and one woman said that she felt the power of God as it went into her body and ministered to her from the inside and felt a great release of heaviness. She was delivered of many demonic assaults.

### The false prophets will be brought down!

Then, there came into that place two, who called themselves "pastors." But, my Dear Ones, they were not pastors, and as I would later find out, one of the two would also call himself a prophet.

 From The Mountain Prophecies Copyright 2011

When the so-called prophet took my hand, he began to shake so violently that he could hardly hold his hands up. He regressed and went and sat alone by the window and then complained that his hands were cold. As he complained, I told him that his hands were cold because his spiritual walk was cold and then I went to pray for him. I could see that he was no prophet at all, and as I took his hands, this man could not stand, but was brought to his knees.

My Dear Ones, this is going to happen to the false prophets all over the world. When they stand before the holy manchild, who is in me, and who will also be in the Bride, or the Sons of God, these false ones will be brought to their knees, not because they choose to humble themselves, but because they are caused to humble themselves before the holy manchild. For, He will rule the world. "And she brought forth a manchild, who was to rule all nations with a rod of iron…" Revelation 12:5

### Our Offering: Holiness unto the Lord!

My message to those few that day was, "Holiness unto the Lord." This is where we are right now. Our Saviour is demanding "Holiness unto the Lord," and He will not have it any other way for His Bride. This is why everyone, who is part of the Bride, will bring to our Saviour a clean and pure heart, that is "Holiness unto the Lord," for only a clean, spotlessly clean Bride, will enter into the presence of our Saviour.

### The Modern-Day Prophets of Baal!

The situation with the prophets at this time, especially in this nation, is similar to the situation with the prophets in the days of Ahab. At that time, there was one true prophet and 400 prophets of Baal. But, the prophets of Baal were not saying "Baal said," they were saying, " Go up, for the Lord will deliver…" Yes, they were representing "The Lord," but were full of lying spirits.

At that time, there was only one true prophet and Ahab threw him in jail and ordered that he be fed the bread and water of affliction. (IKings 22) "This is a rebellious people, lying children, children that will not hear the law of the Lord. Which say to the seers,

see not; and to the prophets, prophesy not unto us right things, speak unto us smooth things, prophesy deceits." (Isaiah 30:9-10)

### The False Prophets will be brought down!

Hear me when I tell you that these same times are upon us again. The greatest numbers of the prophets today wish to tell the smooth things, just as they did in the times of Ahab. They wish to gather together and be of one accord in telling the good things, just as they did in the days of Ahab; and our Saviour is cutting them off cold. They do not hear from our Saviour, though they say that they hear from Him. Instead, they hear from lying and deceiving spirits.

These same lying and deceiving prophets overwhelmingly reject the truths of Revelation Twelve and they stay far from me. In fact, over these years of having the manchild, only one true prophet in this nation has wanted anything to do with these works, whatsoever. They lying prophets run far from me, they mock me and they scorn these holy works of Revelation Twelve; and I understand why. These are holy works and their sins have caused them to be blind and deaf to these works; for these works are hidden in a field, and our Saviour does not mean for the rebellious ones to wake up, to see and hear, and to receive the kingdom of our God through these holy works.

### Some True Prophets

Some prophets have come forward from other nations, however, who are meek, humble, and teachable; and our Saviour has shown them the truths of these works. Blessed are the humble of heart. Blessed are those, who are broken and contrite; for these are precious to our Saviour.

### These truths will be taken from the proud!

But, if these same humble ones should rise up and be proud, the truths of Revelation Twelve will be taken from them. Don't play around with these works. If you have been made to know and to receive the truths of these works, you are exceedingly blessed. These prophetic works are like none other in the whole earth; and until this time, there has not been any such works as these works of Revelation Twelve, for these works are

 From The Mountain Prophecies Copyright 2011

kingdom works, the culmination of our Saviour's promises about His Kingdom Come and His will be done, in earth as it is in heaven. Understand?

### More Miracles

### Now, I will proceed to tell you about more miracles

### The Healing of the painful joint!

My Dear Ones, there came a woman, who had suffered a fall and had injured her arm. As I prayed over her, and as the holy manchild ministered to her, I could see inside her troubled joint, that there was a ligament, or tendon, which was detached from the bone. I could also see a round ball, like a cyst and some fluid, which the holy manchild released. The ligament or tendon was re-attached to the bone and the woman was healed. BLESSED IS THE NAME OF JESUS!]

### The Precious Baby is Saved!

I must tell you also about a precious friend, who was about to lose her baby. When I prayed, the holy manchild showed me what the problem was, as she was going into labor. There was a tear in some tissue and this tear, or rip, was causing bleeding. But, as I watched, the holy manchild went and repaired this rip, or tear, and this baby was saved.

This precious woman would later tell me that in the early morning hours, she sensed the presence of angels in her room and at that time, she knew that she was healed and that her baby was saved. This woman was in a nation, which is very far from us. GLORY, GLORY, GLORY TO OUR BLESSED SAVIOUR FOREVER AND EVER. THERE ARE NO BOUNDARIES IN OUR SAVIOUR'S WORK.

### Fibromyalgia healed and occluded vessel opened

Then, one morning as I was driving into town, the Spirit of God told me to stop at a certain house and to pray for a certain woman. Yet, when I stopped, they were not yet awake, so I then went on into town. And, when I came back through, on my way home,

and passed this house, the Spirit of God told me to turn around and to go back and to pray for this woman. So, I turned my vehicle around and went back.

When this woman came to the door, she began to tell me how sick she had been, that her feet had been so painful and swollen and that her doctor had also diagnosed her with the very painful and debilitating disease of fibromyalgia.

As I began to pray for her, I could see that the holy manchild had also entered into her body and he was so happy. I could hear his precious, little child laugh and I could see his many eyes. I do not know if I have told you about the many eyes, which the holy manchild has in this spirit body, but for a fact he has many and he sees in all directions. Oh, so precious is this holy son of our Saviour.

As the holy manchild worked on this woman, I could see what he was seeing and he was working on the very painful parts of her body, which were greatly inflamed because of the fibromyalgia. Then, I saw that there was a blockage in her lower body, that a tube was blocked; and then I saw the manchild remove this blockage.

When the holy manchild was through, I asked this woman about her pain and she told me that she had none. Then, as I was praying for her again before I left, her husband grabbed my arm, and as he grabbed my arm, I saw four entities flee out of his body. Then, I heard the holy manchild say, “He will feel better now.” GLORY, GLORY, GLORY TO OUR BLESSED SAVIOUR FOREVER AND EVER.

### Multiple Healings

Then, there came a man to my house, who was to repair my air conditioner. I saw that he was really struggling to breathe. His stomach was also very large and extended.

During the course of my speaking with this man, he told me that he had been to the doctor the day before and that he was concerned that the doctor would put him on medicine to control his blood sugar; and he commented that he really did not want to be on this medicine. So, I asked him if he would like for me to pray for him before he left; and he later indicated to me that he would like this.

 From The Mountain Prophecies Copyright 2011

As I prayed and as the holy and precious son of our Saviour, the holy manchild, began to work on this man, I could see that his problems were not just limited to his blood sugar levels. Immediately, I saw three blockages in blood vessels around his heart. As I prayed, the holy manchild just rolled these blockages out of this man's blood vessels and he opened up these vessels.

Then, the holy manchild showed me that this man had a partial occlusion in his pancreatic duct and that this partial occlusion was caused by the buildup of scar tissue. And, then I saw that the holy manchild removed this scar tissue and opened up this duct.

Next, I saw that the bile duct was also nearly occluded and this man had many liver and bile stones; and then the holy manchild went to work clearing out this bile duct and removing great numbers of stones from this man's liver and bile duct.

Then, the holy manchild showed me that tiny tubules in this man's kidneys were stopped up and he began to clean out these tubules. GLORY, GLORY, GLORY TO OUR BLESSED SAVIOUR FOREVER AND EVER. TO JESUS IS ALL THE GLORY, ALL THE POWER, ALL THE HONOR AND ALL OF THE PRAISES FOREVER AND EVER. BLESSED IS HIS HOLY NAME.

This man left and as he was up near his truck, I called him back and said to him, "How is your breathing now?" And, he said, "My breathing is fine now."

The holy manchild had shown me that one of the three partially occluded blood vessels, which was very near to the heart of this man, was 90% occluded. This man was in serious condition and very close to heart attack status.

And, in addition to these many miracles, our Saviour has answered so many prayers on behalf of others, and He has answered these prayers so very quickly, even in some cases within minutes, or seconds. I AM SO AMAZED AT THE GREAT WONDERS AND MIRACLES OF OUR SAVIOUR AND I STAND IN AWE OF THE PRECIOUS WORK OF THE HOLY MANCHILD.

My Dear Ones, make a printed copy of this message and keep this printed copy nearby so that you can read it over and over again. As the days go by, you will tend to forget much of what you have read here, but, my Dear Ones, you need to remember what I have shown you in this message. For, these words come from my heart to you. I have also directed you to some very important Bible teachings which are so relevant to the end-times and to our eternal salvation.

I love you all so very much and so want to see you receive your own holy manchild, but you must prepare yourselves spiritually. Make your hearts ready; for we do not know when these holy babes of light and fire could come down. But we do know that this will happen very unexpectedly.

Linda Newkirk

# CHAPTER EIGHTY-THREE - PART I

## "The Kingdom of our God is Now Within our Midst!"

## "The Holy Babes of Light and Fire!"

Greetings to you, my Precious Brothers and Sisters! Blessed is the Holy Name of our Glorious Saviour; for He is worthy, worthy, worthy of all the praises, all the glory, all the honor and all the power, forever and ever.

My Dear Ones, more is coming to you in this chapter. So, come back for more messages from our Saviour. These messages will be in Part II of this chapter. But, firstly I must tell you about a vision, which our Saviour gave to me, on the night of October 24th of this week.

### The Vision

In that vision, I saw the white robe of our Saviour as it was flashing in the light; for He was before me and He was in motion. I then saw Him as He brought his fingers together, his thumb drawing down to join his other fingers, much like one would position his or her fingers, when eating something, like a strawberry.

His hands were full of light and as he reached out to different persons here and there, all over the world, I saw that he brought his hand very near to each person's mouth, and from his hand a light went into that person. It seemed to me that his hand touched each person on the lips, but it may have been only the light in His hand, which touched the lips of each person.

This went on for some time in the Spirit as I was watching Him reach out all over the world, touching different ones all over the world. I knew in my heart what was taking place and so greatly rejoiced. Most assuredly, Our Saviour was releasing the holy, little babes of light and fire, which He promised to release to His Bride, to His Sons, to His

faithful, to the pure of heart. Blessed is His Holy Name. And, after a while, He said, "This is a seed, and not a weed."

Through His words, I understood that those, who are receiving these babes of light and fire, are receiving small babes of light and fire, "seed," which must grow, even as I received the Holy Son and he was small, even a "seed."

At the time when our Saviour gave him to me, He was about the size of a chicken egg and was made of liquid light fire. But, now he has grown greatly and has been given much power through our Saviour.

Our Saviour also told me that this is only the beginning of the release of these babes of light and fire. So, my Dear Ones, this release is a progression.

Soon, I would receive verification from a very precious soul, who sees in the Spirit. This Dear Soul had received a holy babe of light and fire and is well aware of having this babe of light and fire. I have also understood that this Dear Soul has regularly seen ships (UFOs) and has been stalked by the greys and military types.

You, Dear Ones, you Sons of God, you, who are the Bride of our Saviour, will suffer greatly, even as I have suffered, when you receive the manchild, who is to come and live within you. Oh, what a war Satan will make against you.

### Reprobate America!

How foolish you people have been in this nation of America; for now comes the kingdom of our Saviour into the earth; and you are totally unprepared for it.

Oh, what a shame that so many of you in this nation have mocked these works. Unless you repent, you will not enter into the Kingdom of our Saviour; for the Holy Manchild of Revelation Twelve will not enter into those, who mock him.

 From The Mountain Prophecies Copyright 2011

Oh, so wise our Saviour has been to hide the holy manchild in the wilderness, in the countryside. For, He has not wanted you rebellious ones to wake up and to see him, to know him, and to be saved!

But, even so, it is because of your own sin that you are blind and deaf to these works. And, because of your own sin, the kingdom of our Saviour is rising up in your midst and you cannot even see it.

In this nation of America, I have received only one report of the holy manchild, ever visiting anyone in dreams or visions! Yet, elsewhere in the world, I have received various reports that the holy manchild has visited different ones in visions and in dreams. Some have written to me, and have told me of their dreams of having a healthy baby boy. But, also I have heard most amazing reports of the Holy Son actually appearing and saying the most precious things!

The holy manchild, the precious Son of our Saviour, has spoken to some people in other nations; and they know that He is real. They also know who he is, but you, oh blind and deaf ones in this nation of America remain clueless. For, you have mocked what is holy.

Now, these holy babes of light and fire are going out and you, in this nation, remain clueless. But, even so, this is according to your own behaviors.

Through my seven years of intense persecution and torture, you have run from me. You have shunned me. You have believed the many lies, which have been spread against me. You have joined forces with those, who spread hate and malice against me. Many of you have tried to destroy these works.

Now come the holy babes of light and fire; and I truly wonder how many in this great nation will receive one of these holy, little men-children. America is worse than Sodom!

Through the holy manchild, one will become the Bride of our Saviour. Through the holy manchild, one will become as a little child, who will enter into the kingdom of our

Saviour. For, the manchild is a "child" and will always be a "child." Yes, "a little child will lead them."

A little child will rule the world with a rod of iron. A little child will carry these souls (the Bride) into eternal life. For, the holy manchild is this vehicle through which these souls will enter into the light Kingdom and enter into the presence of our Saviour.

The Holy manchild has many eyes and he also has many wheels. He has 360 degree DNA and this DNA is constantly rotating. This rotating DNA makes wheels. Sound familiar? The eyes and the wheels?

Remember the "creature" that Ezekiel saw! The eyes and the wheels and the four faces: the face of a cherubim, the face of an eagle, the face of a man and the face of lion. See: the face of a cherubim is a child; and then there is also the face of a man. This is the manchild.

The holy manchild is also the Branch, which is connected to the Tree, the Tree being our Saviour. For, the Branch emanates from Him and enters into us. Through the holy manchild in us, we become part of the Tree.

The Holy Manchild is the Missing Link! He is the part that so many have failed to grasp and have failed to see, or recognize. But, not for long; for soon, these sons will make their presence known.

### Watch the World Events!

The next day after these babes of light and fire went out, such chaos broke out in Europe that the whole European Union was threatening to collapse. This was in direct response to the birthing of the first round of these holy babes of light and fire. The Occupy protests have since escalated in a very great way and we have now seen violence entering into the Oakland, California protests.

My Dear Ones, we know that as the weeks and days go by, violence will enter into these protests. For, the wicked ones will not let such an opportunity pass. We have all

 From The Mountain Prophecies Copyright 2011

seen what happened in the Mideast with the rebels, who quickly became violent. The, London protests! And, now the USA protests. Through chaos, the Satanists will bring forth their New World Order.

Our Saviour showed months ago that the Rothschild man and the Queen of England are the main ones, who were behind the rebel wars in the Mideast. They have their man in office over this nation and they are behind this “occupy” movement.

This evil will progress all over the world and will move forth at an alarming pace. It must; for Satan watches my every move. He monitors all that I do, say, or think. I am a prisoner and have been a prisoner solidly for more than seven years. But, the Kingdom of our God must come into the earth; and it will come forth through great travail, great pain and suffering. For, even as we are told in the last verse of Revelation Twelve, Satan will surely make “war against the seed of the woman.”

Sending my heartfelt love to you all,

Linda

Keep watching for PART II, words from our Saviour.

## CHAPTER EIGHTY-THREE - PART II

### "Bringing Down the World System"

My Blessed Child, I am your Father Yahweh, Most High God. Draw close to Me, My Blessed Child; for a great fury is about to be unleashed upon the whole world. My Little One, look and behold, and write what you see.

My Lord, I see a carriage, which is driven by two horses. These horses are running very quickly. Their eyes are wild, their manes are flying in the wind, their feet are digging up dust and their mouths are frothing.

My Blessed Saviour, I see two people, who are accompanying these horses. Firstly, I see the Rothschild man, who holds the reigns of these horses; and beside him, in the front of the carriage is the Queen of England.

My Lord, You have given me so many visions of these two, and through the many visions, You have shown me that these two are the main ones, who are behind all of the rebel uprisings of the Mideast and the overthrow of these governments.

Oh, how dreadful are these two wicked ones. Yet, My Lord, I know that You show me these two, who are in a flight of fury, for reasons, perhaps reasons that are different than what You have previously shown. Father, please tell me more. Please show me more.

Yes, my Blessed Child, I have shown you much about the Queen of England and the Rothschild man; and I have also shown you that Barrack Obama is their puppet. He does as they tell him to do and they make sure of it. For, he is their automaton.

Yes, Father, You have shown me repeatedly how Obama's wicked controllers have wired up his brain. And, the evidence of such wiring is clearly visible in old photos, the

 From The Mountain Prophecies Copyright 2011

evidence of this wiring being made apparent through the appearances of strange geometric markings on his head.

### Our Saviour Continues

### Warnings to the U.S.A.

Now, you come, Oh America, to your crossroads. You would not listen to Me! Oh, you spiritually rotten people of America, you would not heed My warnings. You would not repent of your evil and wretched ways. And, though I raised up My prophets; and I gave visions and dreams of your coming destruction to many, you still would not listen. But, the more I warned you to repent, the more you rebelled. The stronger My words were to you, the more you turned from Me.

### Blind, Deaf and Rebellious People!

Yes, you, who have ears, which itch to hear what you want to hear, would not hear the words of My warnings, which came to you through My servant, Linda Newkirk. You flocked to those, who spoke the pleasant words. You loved those, who told you what you wanted to hear. And, you joined, one with another, to shut out and to exclude My true words of warning to you.

### The blind prophets Mocked the True Works of Revelation Twelve

You, oh you wicked prophets, who call yourselves by My Name, rose up in mass to persecute My true servant, Linda Newkirk. While Satan and his many hoards and the wicked ones in the U.S. military and in the militaries of other nations persecuted and tortured her, you, oh you wicked prophets put a knife in her back and a shoe in her face.

How you prided yourselves in your evil deeds! How you lifted up yourselves in your wicked ways. But, what seemed right to you then will now come upon you as a club to beat you down in your pride and in your self-righteousness.
For, Linda Newkirk is Mine. She is My true prophetess. She is the earth mother of My very own Son of light and fire, the holy manchild of Revelation Chapter Twelve. She is

your spiritual mother, oh you wicked house. She is My wife. She is My firstborn. She is and will be honored for all time and for eternity for her love for Me and for her love for you. For, it is through this tortured and persecuted woman that My kingdom is coming into the earth.

Linda Newkirk is Mine and the hate-filled words of many of you against her will be for your own undoing. You, who hate her and who smear her name, will in no way enter into My kingdom. For, any, who enter, will enter in only through the Holy Seed, which is in her. Yes, you will enter only through My holy seed, which is in My Child, in My Son, who lives within her.

### Seven years to repent!

You have had your time to repent. Seven years have been given to you to receive these truths of Revelation Twelve and to repent of your hate towards Linda Newkirk, to repent of your lies towards her, and to be found worthy to receive My holy son of light and fire, who is within her. For, he is your vehicle into eternal life. You must have his seed, who is My seed, before you can marry Me. But, you looked. You saw My words, but you still would not repent.

### The Shame of the Harlot Prophets!

How greatly you grieve me, Oh you harlot prophets! In this great nation of America only one prophet has recognized the truth regarding My servant, Linda Newkirk. Only one prophet, only one of My prophetic sons in this nation acknowledges her. And, why does He acknowledge her? Why does he know that she is indeed the Woman of Revelation Twelve, that she is the earth mother of my very own son of light and fire. Why? He has sought Me and I have shown him. He knows because he has sought me. He has also been kind to my servant Linda Newkirk. He has blessed her and I have blessed him to know the truth.

I drew him to know the truths regarding My servant, Linda Newkirk. I drew him to My servant, Linda Newkirk, and he knows the truth. I have made him see. I have revealed much to him through dreams and visions and he knows. But, the rest of you, who call

 From The Mountain Prophecies Copyright 2011

yourselves prophets, and, who know of her, stay far from her. You are destined to fall and to suffer greatly.

### Great Judgements upon the Harlot Prophets

Now, you may ask, why do You tell us this now? And, I say to you, oh you harlot prophets, who are none of Mine: My foot is in your back and My bridle is in your mouth and I shall bring you down, down where you belong. Except you repent in great ways, none of you mockers, liars and slanderers will enter into My kingdom.

### The Great Rush for the New World Order

Now, My Little One, I know that you understand what you see about the Queen and the Rothschild man. Yes, they are in a very great hurry. They are in a very great hurry to bring down the whole world financial system. They are in a very great hurry to bring down and to destroy the U.S.A. and to destroy all freedoms to buy and sell. For, they do Satan's bidding.

Their eyes are upon you, My Blessed Child, Linda Newkirk, every minute of every hour of every day. My Little One, you know why their eyes are upon you! This has been your time of great suffering.

### "The Stork and the Storm"

### (My Dear Brother, this is the fulfillment of your dream.)

### Firstly, the "stork!"

They do not want to miss one of your thoughts. They do not want you to receive even one prophetic dream. So great are their assaults in your sleep and dream states. They do not want you to receive one prophetic word; and for all that I give you, they persecute you greatly. They wait and they watch. Satan and all of his kingdom are in great angst. They wait in great despair; for they do not know when I will release the holy babes of light and fire, the holy seed of My Son, who lives within you.

But, they watch. They wait. They know that you have received your third mantle. This third mantle will carry you into places, and through situations that no human has either been in, or has lived through. So great shall be My miracles in your midst. Many will come from great distances to be blessed by you, My Precious Child.

As the great persecution, torture and wars come upon My House, I will begin to make you free in every way. Those, who have mocked you, will now suffer what you suffer, that is, if they live long enough to suffer these things.

### Then, the "storm"

For, as the communist/Satanist revolution is ignited in America, many, many will die. Many will also disappear, and will not be seen again. Many will be taken and will be carried straightaway to foreign nations. Many will be stacked into airplanes and into ships and will be hauled away as slaves.

Many will become robotoids, mind controlled slaves, who will be used to fight against the rest of you and to create and sow discord, becoming the in-house spies, wrecking and ruining homes.

### The great rush!

Yes, these two, the Queen of England and the Rothschild man are in a very great rush. They are frothing at the mouth to destroy any and all capitalism in the world! They will achieve their goals quickly; for they are aware that you, My Blessed Child, have reached a threshold, a threshold to very great works, My great works, works, which will not be confined to walls, or geographical barriers. They see and they know.

Hear the sounding of that bell. The very loud sounding of that bell. That is the ringing of the death knell of the USA. It will happen quickly now and without much delay. For, it is time.

### Great Judgements upon America!

Woe, woe, woe to the idolaters. You will be taken unawares. Woe, woe, woe to all liars and all hypocrites. Your place is in the burning flames. Woe, woe, woe to all, who

 From The Mountain Prophecies Copyright 2011

worship strange gods. Your howlings will fill hell from one end to the other. Woe, woe, woe to all pornographers. If you will not repent, you will suffer mightily in the fires, even to your own destruction. Woe, woe, woe to all television addicts and to all, who love fantasy, who spend your hours in great fantasy, the fantasy of sex, of video games, of movies, of cell phones, of i-phones, and other addictions of fantasy. The greatest numbers of you will not repent of it; for you are so far gone from reality; and sadly you will die in it.

I have warned you for years through My servant, Linda Newkirk, to come away from these addictions, to come and to serve Me and to make your way straight; but you would not. Now, you are the subjects of the vast mind control networks.

Many, many of you are already implanted with microchips in your brains, yet you have no clue. You are thusly being constantly monitored and constantly mind controlled.

Through their vast networks of towers, computers, televisions, movies, etc., many of you are under very great mind control in this nation and all over this world. Most of you will succumb to it totally and you will die in it. You will not escape, though you could have and still could with great persistence; and with an anointed servant praying for you. But, sadly, even as I have said just now, you will not escape, but will die in it as their will has now become your will and through your own choices you have made it so.

### The Destiny of the Harlot Generation

You would not listen to My warnings, oh you harlot generation and you still do not listen. The mark in the hand, or in the head, is looking you in the face.

Those of you, who now mock these warnings, which are written by My servant, Linda Newkirk, may mock for your last time. A great carnage will sweep this nation, from one side to the other. So great shall be your losses! But, even so, did I not raise up My prophets to warn you, but you would not listen. Now, you will either repent, or perish.

I am your Father, Yahweh, yea Jehovah, Most High God, yes Jesus, Saviour of humanity.

As witnessed, dictated and recorded this 23rd day of October, 2011,

Linda Newkirk

As some of you know by now, many of the holy babes of light and fire, the holy seed, the little men-children, were recently released by our Saviour.

On the night following this message, on the night of October 24, 2011, these holy seeds of light and fire were released to some of you, who are ready to receive them.

Remember Our Saviour's words from Part I of this chapter. His words were that these streams of light, these holy babes of light and fire, which were released, are "seeds, not weeds."

Furthermore, since the release of the first part of this chapter, our Saviour has told me that only small numbers of people have received the holy, little menchildren of light and fire.

As some of you may, or may not know, this verse in the Bible refers to the release of the holy babes of light and fire. "The kingdom of heaven is like unto leaven, which a woman took, and hid in three measures of meal, till the whole was leavened. Matthew 13:33.

From this verse, we can see that these babes of light and fire will be released in three significant stages. The manchild is the holy leaven. The first release is now underway, but still the greatest numbers of the first measure must still be released.
So, stay very close to our Saviour. Pray and seek Him. Forgive everyone, even if they do not ask you. Truly love our Saviour above all. Obey Him and love others. Precious are those, who receive this holy, little son.

**You may not discern the presence of the holy manchild, at first.**

 From The Mountain Prophecies Copyright 2011

If you cannot see in the Spirit, you may not yet know that you have received one of these holy seeds. So, be very vigilant, be prayerful and be determined to do what is right with your life. Continue to dedicate your life to our Saviour, loving Him above all. Love others and forgive them for all things, so that your heart might be clean and stay clean.

### In Due Season, You will know His Presence

Remember that the holy manchild, this holy seed, will produce much fire and heat within your body; and as He grows, you will feel a greater presence of this fire and heat within you. He also rotates; and as he grows, you will feel this most wonderful rotation within you and around you, much like ocean waves.

Do not fight these waves, just rest in the waves, pray, love the holy manchild, and love our savior. And, when times are very hard and when you are so very persecuted because you have this holy seed, sing praises to our Blessed Saviour. Truly be thankful for all things and be determined to persevere and to receive your great gift of eternal life. For, all, who receive this holy seed, are then married to our Saviour. All, who receive this holy seed, can then truly say that Our Saviour is their husband.

Oh, what marvelous times. Do not let the wicked ones steal your hope. Do not let them steal your joy. Praise our Blessed Saviour every day and all through the day, and pray, pray, pray about all things.

But, when you are tired, then you must also rest, for these holy babes must also grow and as the holy seed has grown in me, the holy seed will also grow within you, through great suffering, even torture and persecution. For, Satan is wroth about these holy seed; and he is looking for each of you, who receive this holy seed.
Remember the last verse in Revelation Chapter Twelve. Satan makes war against the seed of the Woman. But, even so, my Dear Ones, consider yourselves extremely blessed to be counted worthy to be persecuted for the love of our Precious Saviour and His precious holy seed.

**Look at these words, which were given so long ago to the prophet, Isaiah:**

"But yet it shall be a tenth and it shall return, and shall be eaten: as a teil tree, and as an oak, whose substance is in them, when they cast their leaves: So the HOLY SEED shall be the substance thereof." (caps are mine) Isaiah 6:13

Are these the ones, who will return to the earth, to rule the earth? We can only wonder.

I give you also another very interesting verse. I also wonder about this one!

"Therefore, he will give them up, until the time that she which travaileth hath brought forth: then the remnant of his brethren shall return unto the children of Israel."

Is our Saviour telling us that a remnant of our Saviour's brethren, his apostles and those, who sat at his feet, the ones, whom he called his "brethren," will also return. And, how wonderful when they return in their supernatural bodies! With much of the kingdom power, they will help to save many, many souls.

It surely seems that we being told of those, who will marry our Saviour, go up to the marriage supper and then return to help rule the earth! The Bible is so full of mysteries! We can only marvel at so many wonderful teachings!

How blessed we all are to be a part of such a grand heavenly event. "Thy Kingdom come, thy will be done in earth, as it is in Heaven.."

GLORY TO OUR BLESSED SAVIOUR FOREVER AND EVER. PRECIOUS IS HIS HOLY NAME!

Big hugs to you precious ones, Linda

## CHAPTER EIGHTY-THREE - PART III

### More Visions and prophecies from our Saviour

### THE ROTHSCHILD MANIFESTO

"My Blessed Child, do you recount, and recount well, what I have just shown you?"

"Yes, my Lord, and this vision was a most extraordinary vision for your people and for a great understanding of these truths, My Lord, I am eager to write of this vision. For, I am eager for a greater understanding of this vision.

My Lord, You showed me a screw, which was embedded in the left cheek of Evelyn de Rothschild's buttocks. In the vision, I was given a bolt removed, like the kinds of bolt removers, which are used to remove tire bolts, or lug bolts.

I attacked the bolt remover, or the lug wrench, to the head of the screw, or the bolt, and with all of my power, I tried to unscrew the bolt, but could not move it whatsoever. Then, my Lord, your hand was brought down on the bolt remover, on the lug wrench, and the bolt began to turn quickly until it fell out of the left cheek of the Rothschild mans' buttocks. (Pay attention. This is very important! Also, note the timing.)

Then, I saw a passageway, which led in through the left buttock of the Rothschild man, where the large screw had been; and I entered into his rear end through that passageway. This narrow passageway carried me into a room, which was very old and smelled of dust and mold; and standing around the walls were many skeletal remains.

I really wanted to exit this terrible place, but You told me to cross the room and to open a drawer. When this drawer was opened, I saw a pair of very sharp shears; and You told me to remove these very sharp shears. So, I then took these shears; and You then directed me to look to the wall, which was on my left, as I was then headed back towards the exit. And, on that wall, You told me to behold the Rothschild Manifesto,

which was attached to the wall and hidden beneath a covering of clear, but heavy plastic.

You then told me to take the shears and to cut into the heavy, plastic housing, which held the Rothschild Manifesto; and I did so. But, when I cut through the plastic housing, it seemed that I also cut the Rothschild Manifesto, and it appeared now as two pieces, like two rolls, which were thick, resembling sausage-like rolls, each roll perhaps three to four inches thick.

Then, You told me to take the two rolls in my hands, one at a time, and to step forward and to put these two rolls, one at a time, in the grinder. Then, I saw that the contents of the rolls were ground into many pieces as they passed through the grinder. And, when the contents came out of the grinder, they rolled onto the desks of various individuals, as documents, or even books.

I saw stacks of these documents on the desk of Bill Clinton. And, I saw shelves of these documents in the library of Queen Elizabeth; and I saw pages of these documents in the hands of many people in the street. And, I saw stacks of these documents in the hands of news broadcasters. All over the world, I saw pieces of these documents, pieces of the Rothschild Manifesto.

My Lord, what does this mean? Why did you open the door, which is in the left buttock of the Rothschild man? What is the meaning of all of this?

My Little One, what do you see now?

My Lord, I see a backwards R, a mirror image of an R. But, Father, what does this mean, as well?

My Little One, it means this: The whole world only sees a mirror image of this wicked man and what he does, but a few see and understand him for who and what he is; for his true intents and purposes. His truths are hidden and few know and understand.

 From The Mountain Prophecies Copyright 2011

My Lord, he is so evil. How long will you allow his evil empire to stand before you? Father, please bring judgement upon his wicked head! Have mercy on the lost and innocent. Have mercy on Your own people, who will suffer so greatly, and who have suffered so greatly because of this wicked man. Oh, Blessed Saviour, show me more.

Now, My Little One, I have shown you a little. Yet, you have but a glimpse. Do you see the ring around his right, big toe?

Yes, My Lord. And, I am now looking at this very big toe of the Rothchild man; and the ring around this big toe emits a very brilliant light. But, this ring only reflects light; for it has no light of its own.

My Little One, what does this ring represent?

My Lord, I do not know altogether, but I can only imagine that this ring represents Satan; for he is able to appear as an angel of light; but he is evil in every way. So, his light is not real. Nevertheless, he can give the illusion of light.

My Little One, you have discerned well. Satan is the great ring of reflective light on his right, great toe. For, Satan is his god and his manifesto is Satan's manifesto; and Satan empowers Him and has empowered him.

But, My Lord, I ask you to bring down this wicked man and to cut down his power and to divide his wicked kingdom. My Lord, how long must the people groan beneath the weight of such unspeakable evil?

My Little One, I tell you a truth, that the left ankle of this evil Rothschild man is swollen. It is red, a continuous pain and a great aching. This pain in his left ankle keeps him awake at night and he frets about this pain. For, this one pain is before him continuously and because of this one pain, he has no rest. For, he cannot conquer this pain. All of his resources and all of Satan's resources cannot conquer the great pain in the Rothschild man's left ankle.

My Lord, tell me about this great pain in the Rothschild man's left ankle.

My Blessed Child, you are that great pain.

But, how so, My Lord? For, how did I get into his left ankle?

My Little One, you did not get of your own accord, but they placed you there. It is not your choice to be there, but their choice to make you their prisoner. Do you not know that the very great war against you comes not just through the President of this nation, or even from the leaders of other nations. This great war against you comes through this man, Evelyn Rothschild, Satan's number one man in the whole world.

So, Father, tell me about this pain.

My Little One, the great pain is one great obsession in this Rothschild man because they cannot kill you. They cannot eradicate you. They cannot stop My works in you. They cannot succeed in their great efforts to destroy you. They cannot succeed, though they come at you full throttle. You, My Blessed Child, are their obsession, night and day, day and night. You are their obsession. Do you not know this by now? Do you not see how this man makes his every move based on what I tell you in visions and dreams?

My Little One, you are at the head of the world agenda. You are their obsession. Not their wealth, not their possessions, not even their great powers. You, My Little One, are their obsession; for through you come My Holy Sons. Through you comes My holy little son of light and fire. Through you comes My infant kingdom. Oh yes, My Blessed Child, you are their obsession, night and day; and you are also their very great dread! For, they well understand whom you serve. They well understand that they cannot defeat Me and My power. They well understand that all of their weapons against you have failed.

For, you are Mine. You are married to Me and I fight for you. You, My Blessed Child, are the very great pain in the left ankle of the Rothschild man and the pain will grow.

 From The Mountain Prophecies Copyright 2011

It will not lessen, but will grow and consume his whole left leg, until he has no left leg, and must then have a wooden leg and will then walk with a cane. For, my work through you, my will be done and My kingdom come into the earth, will absolutely cripple him.

And, in due season, he will be as dust in the wind and all of his manifestos will be as dust in the wind. For, My Kingdom of pure and holy fire will destroy him and all of his wicked servants. And, this, My Little One, you well know: that the righteous inherit the earth and holiness is one's true offering to Me.

Blessed are you, My Precious Child; for I have created you and even from the Garden, I called you to be mother of My people. You fell, but now I shall raise you up high, high above all of Satan's dominion. For, through your suffering, you have paid, and continue to pay a very great price for the birth of My Kingdom, for the freedom of My people, and for their advancement into the eternal life. For, My Holy Son, who lives within you, is the very bridge of the righteous into eternal life.

For this reason, they seek sleep. They seek rest, but it escapes them. For, they know that Mine win; and for their crumbling kingdom and for their lives, they fight.

I am your Father, Yahweh, yea Jehovah, Most High God,

**The Rothschild Manifesto is Unfolding, all over the world!**

Note the date of this message from our Saviour. Also, note the time of the escalation of the Occupy Wall Street movement. Watch how quickly these so-called protest movements escalated all across this nation, and even elsewhere around the world. We are witnessing the Rothschild Manifesto as it unfolds around the world.

The Occupy wall Street Movement is firstly the pride of the Satan, secondly the pride of the Rothschild man and his sidekick, the Queen of England. Thirdly, this "Occupy" movement, which is sweeping the nation, is President Obama's pride and joy! He is happy to do his masters' bidding. The Rothschild Manifesto: "Order out of chaos!"

Don't go among these protest crowds! Stay away from these crowds! Violence will overtake them! These wicked Satanists have baited the people to come forward and to stick their necks out. But, they will pull a switch on the protesters, in typical satanic fashion. This is one big "bait and switch" game!

Many of you protesters will soon be hauled off to parts unknown, and you will not be seen again. Violence will erupt around this nation and all over the world.

In the midst of such instability, Rothschild and his world elitists will crash the world markets. Then, they will bring down the iron curtain all over the world. This is how the Rothschild Manifesto will spread and cover the nations.

Get your spiritual houses in order. Repent. Stop doing evil! Come away from the lusts of the world; or you will die in them. There is little time left. We are seeing the beginning of the end!

## THE BLACK THRONE

I stood up high, up on the rocky side of a hill, and as I looked up into the early evening sky, a bundle came falling down into my arms. At first, it seemed to be a round bundle, but then the bundle began to change shape and the weight of the bundle began to pull it downwards until it slipped out of my arms and went tumbling below.

I watched as it went down, down, down and then crashed on the side of another hill, its contents now spreading into the cracks and crevices of the hillside. A gooey, dark stuff was covering the nooks and crannies of the rocks with a thick, grey covering. And, some of this dark covering was then making its way into the lighted streets.

 From The Mountain Prophecies Copyright 2011

My eyes were drawn again to the side of the hill, where the bundle first crashed. There among the rocks, hidden within a rocky niche was President Obama. I looked intently at him and saw that the dark covering from the now burst package had settled around him and was draped all over the rocks. President Obama stood there in the shadows of the darkness; and to my amazement, there in that darkness, amidst that dark cover, I saw that a chair began to take shape. And, quickly this chair began to grow in height and width, a chair, which was dark, like ebony, but quickly had grown to resemble a throne.

I pondered this chair before our Saviour and wondered how a chair could grow so quickly to become a throne. So, I walked behind the chair and began looking for a lever, or a handle, which one might use to quickly raise up a chair in this way.

As I looked behind the chair, I found a handle, which could be used to raise the chair, but as I tried to turn the handle, I saw that it would only spin around. The gears in the handle were stripped.

Then, our Saviour told me that this chair has not grown so quickly into a throne because of others, who might be standing visibly behind this chair. He told me that this chair has become a throne because of those, who are beneath it.

Then, I was carried beneath the chair and found myself in an underground meeting room. There, beneath the chair, in that room, I saw those, who were growing the chair. There, beneath President Obama and his black throne I saw many reptiles and also some of Satan's own human children, like Bill Clinton, the Queen of England and others. And, though I did not see him, I knew that Satan was hiding in the shadows.

Then, so many things made a lot of sense: President Obama's disdain for the Constitution of America; his disdain for the flag of this nation; his disdain for the U.S. Congress; his disdain for Christianity; and his disdain for all freedoms of the people of this nation, to name only a few.

President Obama has been given his throne; and his chair for this nation, the presidency, means little to him. This nation and all that it stands for is but dust under his feet.

This must surely be why so many photos of President Obama have surfaced, photos, which show his great disrespect for the office of the presidency: many photos of this man with his dirty shoes draped over furniture, over the sides of antique desks, alongside tables and on other kinds of White House furniture.

President Obama has brought a greater filth to the White House than all of the rest of the presidents combined. He knows that he is not there because of the will of the people, but because of the will of Satan. So, he wipes his feet on its history.

President Obama knows who he is, that he is the antichrist. He is well aware of his throne; but few others are aware it; for his throne is hidden in the crevices of the rocks. It is well known in underground circles, but still in this world, few accept the truth of who he is.

“Father, what would You add to this vision that You gave to me?”

“My Little One, I would add this: 2+2 may be four, but it this case 2+1=4.”

“How so, My Lord?”

“My Little One, through this man, all will receive more than they ever bargained for. For, I have told you, My Blessed Child, who he is; but few believe. His throne is in the shadows, but not for long.”

“My Lord, why did this package come to me in this vision?”

“My Little One, this comes to you as you are faithful. My Blessed Child, his throne is because you are. If you were not, he would not be. My Little One, this is but one way of showing you, that this comes about because you are. Understand?”

But, even so, oh Blessed Saviour, I fully understand that I am but a little human and I know well that I am but a vehicle for Your holy son to come into the earth. Truly, oh Lord, if I did not have your holy Son, this great war would not be, not at this time anyway.

And, so it goes, My Blessed Child; but you are in the earth, and you are the vehicle. Therefore, you are also the target.

Happy reading, Dear Souls! I love you very much.

# CHAPTER EIGHTY-FOUR - PART I

## The Mideast Rothschild/Queen Elizabeth Agenda

My Dear Ones, this is a very urgent warning. Listen to what I am telling you now. The world is on the verge of very terrible things.

### A Vision from our Saviour

Two nights past, as I was praying, our Saviour gave me a vision. In this vision, I saw the Rothschild man of England, Evelyn de Rothschild; and he had left his place beside the Queen of England at the front of a wagon. I did not see any horses at the front of this wagon.

In this vision, the Rothschild man had left the wagon, and was walking around to the side of the wagon, but the Queen remained in her place at the front of the wagon.

As the Rothschild man stood alongside this wagon, I saw that there were two wagons, which were parked alongside the Rothschild wagon and to its rear. From one wagon, the Rothschild man took some very long missiles and loaded them into the back of his own wagon; and from the other wagon, he took two rows of shorter missiles and loaded them into the wagon. This second row was stacked beneath the top row of the long missiles.

I heard him say to the Queen of England, “Better wrap up, it’s about to get very cold.” And, then I saw the Queen of England put on a thick, fur coat.

Immediately, I understood in the Spirit that the long missiles were long-range missiles and that the short missiles were to be used for internal conflicts, and I was thinking that these would perhaps go to Syria, but they may not be going to Syria.

 From The Mountain Prophecies Copyright 2011

I saw the Rothscshild man climb back into his place at the front of the wagon, alongside the Queen of England, and the wagon supernaturally took off from its position and began to fly through the air, as if it were an airplane.

This wagon landed suddenly and I heard the words, “In Israel’s back yard.” Then, I saw that the Rothschild man quickly left the wagon and went to a small pile of coals. With a shovel in hand, he began to stir the pile of coals. Suddenly and unexpectedly, this small pile of coals erupted into a very great fire.

From this vision, we can see that a smoldering situation in the Mideast is going to quickly erupt into a very great war. Where is this great fire to erupt?

Yesterday, I read that there had been an explosion in or around one of the nuclear facilities in Iran. Was this caused by one of the small missiles that I saw in the above vision? Today, I read that a group of rebels has stormed the British embassy in Iran. We must all be asking ourselves one question? “Did the Brits, under the direction of the Queen of England and her side-kick, Evelyn de Rothschild, order an attack on the British Embassy, to inflame the people to go to war?

Through the escalation of such attacks in Iran, are we seeing a repeat of the rebel attacks, which have plagued the whole Mideast and have destabilized the whole region?

And, although the USA and other nations in NATO took part in the invasion and ruination of Libya and other Mideast nations, these well-organized attacks did not originate in this nation. They are the works of the Queen of England and her sidekick, Evelyn de Rothschild. Over and over again, our Saviour has shown me the culprits, who are behind the terrible rush for war, in the Mideast. And, they are none other than the Queen of England and her sidekick, Evelyn de Rothschild. Of course, they have their puppet in this nation, who is President Obama; and he does what they tell him to do.

Have you read the antichrist prophecies on http://www.prophecies.org? If you have, then you know of our Saviour's teachings. He showed us in the fall of 2008 that Obama is the antichrist. He is a Rothschild and he is a subordinate of the Queen of England.

So, concerning the attack on the British Embassy in Iran today, is this just another false flag attack: one, which may be orchestrated by none other than the British crown?

Oh, would they do such a thing? They have and they will!

Remember the long-range missiles in the above vision. These missiles went soaring through the air with the Rothschild man and the Queen of England. Is this what we are truly about to see? Are we about to see these long range nuclear missiles soaring through the air? Are they getting ready to nuke somebody? Or, will these long range missiles be some other sort of long range missiles? The Lord knows; and he has shown their plans. They are getting ready to greatly escalate this war; and they intend to escalate it quickly.

In addition, we are now seeing an escalation of the cold war. But, why? We know that they all work together to achieve their Satanic goals. Are we seeing something like the false bullying before the wrestling games? Is there really a breakdown in Satan's kingdom, or are we watching a carefully orchestrated lie?

In addition, we may be already seeing evidence of their use of the smaller rockets, in or around the nuke plant in Iran.

Get ready! This evil is about to go global! And, why is this? The holy babes of light and fire have already been released to many of you. The Kingdom of our Saviour is already in the earth, if only in its infancy; and our Saviour continues to tell me that he is about to give me some eagle wings. What more will He soon do? Only He knows. I do not, and they do not, so they are running scared. But, we can truly see that as our Saviour's kingdom is coming into the earth, this world situation is getting really ugly!

 From The Mountain Prophecies Copyright 2011

Repent of your sins and stay very close to our Saviour. Anything could happen any day; and many people could be removed unexpectedly from any area of this world. Are you ready to enter into Heaven? To do so, you must be spiritually clean. If you are not ready for Heaven, you are ready for the flames of hell. Do not take these warnings lightly. Linda

## CHAPTER EIGHTY-FOUR - PART II

### "They come as sheep, but are really wolves!

"…a corrupt tree bringeth forth evil fruit." Matthew 7:17

"He that entereth not by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber." St John, 10:1

But he that is an hireling, and not the shepherd, whose own the sheep are not, seeth the wolf coming, and leaveth the sheep, and fleeth: and the wolf catcheth them, and scattereth them." St John 10:11-12

Greetings to you, my Precious Friends! In the Blessed and Holy Name of our Saviour, Jesus, Lord of Lords and King of Kings, I come to you today. Holy is His Wonderful Name!

Today, I must write to you about things, which are very sad. I must tell you some truths; as if I do not the wolf will carry more of you away. I must tell you also that this wolf has already carried many of you away; and for this I am deeply saddened.

My Dear Ones, also, I must honestly tell you that I did not see the wolf coming, but as I now know of this wolf, I must rectify this situation. For, this wolf has caught many of you; and this is a very grievous thing for me.

My Dear Ones, we must all be vigilant; for there are many wolves in the Lord's House. There are many, who claim that they serve our Saviour, but they do not serve Him. They ride the backs of the people for their own gain; and they wish to gather unto themselves many of the sheep, so that they might get the glory, which belongs to our Saviour.

And, then, there are those, who are not really looking for the glory, but they come as they are paid to come. And, as they are paid to come, they infiltrate the House of the Lord for the very reasons that they are paid for. They work with Satan and with his servants in the various governments around the world. I have seen these and they are of the very worst sort; for they are sneaky wolves and their works are deplorable.

Who is this wolf that I wish to speak of at this time? His name is Jesse Fei. Some of you know Jesse Fei, but most of you, who will read these messages, do not know him. If you do not know him, or if you do not know of him, this message may not mean much to you. But, even so, I would advise you to read on; for this message is but one testimony of the works of the Satanists and their war to find and to cut off the Bride.

Jesse Fei contacted me a few years back. He was busy translating these prophecies and was placing these translations on his own website. He wrote me and told me of his work; and I was very thankful and delighted that he was working so hard to get these translations into another country.

Jesse was faithful and he translated many of these works. He was a blessing to many of you and I was also grateful for him and for all of the work that he did to help so many. Jesse bought many handkerchiefs and sent them to me; and I, in turn, prayed over them, anointed them with oil, and our Saviour put His power, miracles, and healings into these cloths. Many of you received blessings and miracles from our Saviour's anointings on these cloths. Many of you were healed. Some of you received spiritual gifts and were able to see in the Spirit immediately. Our Saviour gave beautiful prophetic dreams to some you, which came to you through His anointings on these cloths. The Lord, our Precious Saviour, blessed many of you in wonderful ways.

 From The Mountain Prophecies Copyright 2011

My Dear Ones, these healings, deliverances and miracles, which our Saviour gave to many of you, are a testimony that I truly do serve Him. Signs, miracles and wonders truly do follow those, who truly do serve our Saviour. Thus, these miracles and wonders testify that I am one of His servants. Blessed is His Holy Name! It is important that you remember what I tell you about these healings and miracles, which our Saviour has freely given to many of you; for the wolf would come. Read on about this wolf, who is named "Jesse."

Jesse also helped me in many other ways; and I will always be grateful for the good things that he did to help me and for all that he did to help you!

But, early in this year, I received an e-mail from one of you; and I was very surprised to receive such an e-mail. In the e-mail, this precious soul was telling me that Jesse had called her and had made certain statements against these prophetic works, some of these things shocking; and that Jesse was confessing doubt about these works. It would not be long before I would hear even more profound, outright bold-faced lies, which Jesse was reportedly telling to some of the rest of you. His telephone bill must have been very great; as he was calling you from Canada! But, then again, maybe he was not paying the bill at all!

Immediately, upon hearing these terrible accounts, I contacted Jesse and asked him if these reports were true. I sent him e-mails. I sent him text messages and I also called Jesse on his phone. But, he would not answer my calls. And, he never responded to any of my messages to him. "…the wolf catcheth them and scattereth them…" St John 10:12

As the days went by, the reports increased about Jesse's very sad behaviors. He was apparently calling many of you on the telephone; and was obviously expending a lot of time and energy to turn many of you against these works. I thought that Jesse had come under mind control and even wrote him and told him so, but sadly this is not really the case, though this could be true, in part. Sadly, he caused many of you to forsake these works; for you believed him. You did not know the truth; and you had an allegiance to Jesse.

But, my Dear Ones, if Jesse were not guilty of doing evil, he would have contacted me and he would have tried to resolve these issues. But, he was guilty! The sad truth is that he had gone behind my back, in secret, like a snake, or a wolf, and he had done much evil to destroy the faith of many of you. Jesse truly fed you with one hand and slapped you in the face with the other!

"…the wolf catcheth them, and scattereth them…" St John 10:12

When the warnings went out to the people in Japan to repent of Buddhism, I never heard another word from Jesse. He refused to translate that message! This was after March 11 of 2011. Jesse refused to translate any warnings for you to turn from Buddhism, or to give up your Buddhas. Read on; and I will tell you more.

My Dear Ones, all along there were some troubling things about Jesse. But, I dismissed some of these troubling things, as I knew that Jesse was also translating the works of other prophets, and also understood that he was also working a job from time to time; and I did not really wish to keep troubling him.

Jesse had offered to translate any mail that you sent to me, which might be in your native language. I thanked him for this kind gesture; and then began to forward him your mails. I forwarded Jesse many of your mails to me, your e-mails and also your mails through the postal system; but I tell you the truth, that in the many months that I knew him, Jesse translated very few of your e-mails, or letters to me. The mail that I sent to him and asked him to translate just seemed to disappear down a rabbit hole. Yet, also I continued to justify in my mind that he must be very, very busy.

But, my Dear Ones, this was not and is not the case. Jesse told me that he was often laid off from work; and would be out of work for many months at a time. So, he really did have time to translate this mail if he had wanted to translate it. But, he did not intend to translate your mail to me. Instead, Jesse was collecting your mails; and he was going behind my back and saying things to turn you away from these works. Jesse was working all along for the enemy. He was and is an infiltrator; and I tell you these

things as our Saviour has revealed these truths about Jesse. "…the wolf catcheth them and scattereth them…" St John 10:12

Here, I will give you some messages from our Saviour about Jesse.

**Message from our Father in Heaven**

**November 02, 2011**

Oh, Blessed Saviour, I come to You today as I am so troubled about the state of the world. I am so troubled about the rebellion, by the mocking and scorning of Your holy works. I am so deeply troubled, Father, for so many souls stand on the precipice of great destruction. Yet, they are blind. They are deaf. They cannot see and they will not see. They cannot hear and they will not hear. Father, so many mock the Holy Manchild. They also mock Your words in Pistis Sophia. They mock Your orders to repent, or perish. Oh, Father, how sad! Oh, how troubling is this wicked world!

Hear my cries, oh Blessed Saviour; for so many say that they serve You, but, instead, they draw the people to themselves for praise, glory, and honor. They want the honor for Your works. They want the praise. They want others to look up to them, and not to You. They divide and separate Your House. They are true servants of Satan, but they lie when they say that they serve You. Father, what will You do?"

"I will mark them with a mark."

"Father, what sort of mark?"

"I will mark them with a mark for destruction. I will cast them headlong into the fiery chastisements."

"Father, now that You speak of the fiery chastisements, I remind You that most only know of hell. Why is this, Father? For, in Pistis Sophia, You tell of more places of fiery punishments, which are not in this earth. Father, will You explain this?"

“I will and have. I have shown you much through My teachings in the work, which is called “Pistis Sophia,” Much is lost from these teachings to My disciples, but much also remains intact. Through these teachings, I have shown you the truths about Outer Darkness. None in the earth now, at least none of Mine, would know the severity of the punishments of Outer Darkness if I had not allowed these truths to surface.

Outer Darkness is a dreadful place, a terrible place of condemnation. Many souls will perish in Outer Darkness. Outer Darkness is real.

Woe to those, who mock My truths in Pistis Sophia. Those, who mock My words in Pistis Sophia will draw others unto themselves, who also mock. Those, who mock My words, blaspheme My words. The blasphemers will find themselves in Outer Darkness with no way to get out. Woe to the mockers and blasphemers.”

“Father, in Pistis Sophia, You also speak of a fiery place of punishment, which is called the “Midst.” Father, I do not believe I have seen reference to this place in the Bible. So, You know that there are those, who will say that this place is not real.”

“It is, indeed, real, a real place and a terrible fires, which is designated for the sexual predators. It is designated for those, whose sexual sins are abominable and the soul is very filthy. And, the fiery chastisements, which are due to that soul, are so great, that this soul does not recover, but is burned so badly that it is basically destroyed.”

“Father, you said, ‘basically.’”

“Yes, there remains a remnant piece of this soul, but most of the soul has perished.”

“Father, in Your words in Pistis Sophia, You have said that these souls must be made anew. What do You mean?”

“I mean that the remnant of the soul is taken. There is then created a new soul; and it is is infused with more light.”

 From The Mountain Prophecies Copyright 2011

“Will this soul be the same soul in any way, or a new soul altogether?”

“It will be a different soul. The old one cannot exist any longer.”

“So, the light remnant is recovered.”

“And, a small bit of fabric.”

“Father, what do You mean, ‘fabric?’”

“Fabric of the soul. But, that is another word for another time.”

“But, the new soul has no remaining identity of the old soul?”

“It does not. For, that identity has been consumed in the fires.”

“Then, many souls are lost.”

“Yes, in particular the sexual predator souls, who will not repent.”

“But, Father, in this day porn is epidemic. Bestiality in on the rise, the raping of children and babies is escalating. Sexual crimes are occurring that are so hideous; and few can grasp the depths of such depravity and evil.”

“Now is the time when many souls will be removed forever from this planet. Many souls will now terminate their own existence on this planet. They will not be back. Many sexual predators will never come back to the earth again.”

“Father, people will not believe that some souls are destroyed.”

“Yes! For, they do not fear the One, who has the power to destroy their souls. In fact, they fear nothing of Me, but fear evil and their losses of stuff and things.

But, now comes the time of determination for many, many souls. Those, who mock these truths, will mock! Those who scorn these truths, will scorn. Those, who laugh at these truths, will laugh; and they are all cut off from Me. For, I allowed you to write of My deep messages in Pistis Sophia because you desired for the people to have these truths.

I have allowed you to write of the Fire Baptisms and have given the fire baptisms to many through the holy, anointed cloths that you sent out. But, you have also paid an additional price for these truths to go out and to be received; and for others to receive the fire baptisms. Yes, you have paid an even greater price so that others could have this holy gift, the gift of the fire baptisms.

Some could receive these truths. And, they could receive the truths regarding this gift (of the fire baptisms) but in no way would they receive the truths regarding the fiery chastisements, that there exist fiery chastisements besides hell.

Woe to the mockers! Woe to the blasphemers! Your place is in the bottomless pit, in the Outer Darkness of the Bottomless Pit.

“But, Father is the Bottomless Pit also called Outer Darkness?”

“They are two, but also one. For, Outer Darkness is also part of the Bottomless Pit, though one is not the other, but within the other. Outer Darkness is in the Bottomless Pit.”

“So, there is much that we do not know about the Bottomless Pit.”

“Much, indeed!”

“Yet, Father, if these things were told to the people, they would mock. Few would believe.”

 From The Mountain Prophecies Copyright 2011

"Yes, and every mocking word will condemn the mocker! When in doubt, do not shout, but seek Me for understanding in all things. Do not seek discernment from the mind. For, the thoughts are full of evil and subject to every kind of seducing demon; but many truths will be imparted into the one, who has a pure heart. So, My Little One, what is the great problem? I will tell you the problem.

The hearts of the greatest numbers are wicked and perverse. The hearts of most people are full of evil. Therefore, they reject the deep things of My word; for it is not the truth, My truth, that they want. But, instead, they want to be told that they are right. This is what happened to Jesse.

Through pride, ego, vanity and double-mindedness, he made himself a judge over Me, over My works, and over My works through you. A scribe is only a scribe. Scribes write and they copy. Jesse is a scribe; but he has made himself higher than Me and My works and My words. For, he has made himself judge. Woe to the judges. You will all come up lacking."

I am your Father, Yahweh, yea Jehovah, Most High God.

Yet, read on, Dear Ones; for there is much more about Jesse. Our Father reveals even more shocking details about him.

Do not be surprised about these revelations. So great have been the assaults of the Satanists against these works! They have left no stone unturned in their attempts to destroy me and to destroy these kingdom works!

Hold onto your faith; for everyone, who enters into the kingdom of our Saviour, will be tried and tested in the fires, even as gold and silver. The war is very great against the

"true ones," and the enemy is very sneaky. Satan is a liar on all accounts and his servants are also liars on all accounts.

Be strong in your faith! Be determined to do what is right and to serve our Saviour. Many are being killed for their faith in our Saviour; and this is taking place all over the earth. But, remember, if you are persecuted and are killed for the love of our Saviour: to be absent from the body is to be present with our Saviour.

**Second Message from our Saviour**

**"Uncovering the Layers of Jesse Fei"**

**"…the wolf catcheth them and scattereth the sheep…" St John 10:12**

"Father, I come to You now; for You have shown me a most profound vision. Father, You so amaze me; for you reveal things when You are ready. And, often You reveal things in layers, firstly one layer and then the next.

Father, You have told me that Jesse is a scribe and that he lifted himself higher than You; for he made himself judge. But, Father, today, You showed more about Jesse. Father why did You wait so long to show me these things?"

"My Little One, to reveal things is My good pleasure; but to reveal in My own timing is also My good pleasure. Through all things, I try and test many souls. See? And, through these tests and trials, I want to see what many will do; for through many tests, I try the hearts of others."

"So, Father, through this situation with Jesse, You have tried not only my heart, but the hearts of many."

"I have and I will."

"Father, I will write this vision of Jesse, so that those, who know him, or who know of him, might also understand who he is. For, Blessed Saviour, You have also kept me in the dark, only revealing certain things until now.

 From The Mountain Prophecies Copyright 2011

Father, in this vision that You gave me of Jesse, he was wearing very strange glasses. There were layers of glasses and the effect of his looking through these layers of glasses was one of tunnel vision. Then, You showed me that Jesse had a fake plastic nose, like a nose that one would buy for a joke. Then, You showed me that he wore flippers on his feet, like the ones, which scuba divers would wear. Then, You showed me a piece of fabric and when it was rolled out in front of Jesse and was put on a wall, it made a cross. Then, I watched Jesse as he marked certain names on this cross. For, there were many names on this cross; but he only marked certain ones. Father, is there more to this vision?"

"Yes, My Little One, there is more; for you saw Jesse swim under water to secret locations and in the secret locations, he met in secret; for it is a secret work that he does."

"Father, about the fabric on the wall, which is in the form of a cross, with certain names circled, what is this?"

"These are the true ones that he has found, the true remnant."

"But, why do they need Jesse to spy? Satan has his own spies."

"But, he works for government agencies, who do not know all that Satan knows."
"You mean, government agencies in China?"

"I mean, specifically, China, but not only in China."

"So, why did he refuse to translate anymore messages?"

"He did not wish to translate those things, which would profoundly affect so many: My teachings from Pistis Sophia, My words against Buddhism, which is one of Satan's main religions.

As long as he was using you to find the true ones, your work would be allowed; but your work would not be allowed to reveal many deep and hidden, important messages from Pistis Sophia; and/or to target Buddhism. Then, they drew the line; but the original intent was not to let go of My works through you; for these works drew many to his website.

But, with the release of the holy babes of light, then their goal was to work to destroy your credibility, but to be rather quiet about it, as Jesse is an infiltrator and continues to seek to find the true ones. So, he has had to go about these attacks on your credibility rather quietly, and not so directly. This is why he has gone behind your back to tell lies against you to so many and to plant seeds of doubt. He wanted to send them away, one by one, and not lose credibility on his website; for he is still an infiltrator."

"Oh, Father, this thing is so terrible. Father, why did You wait so long to tell me?"

"My Little One, through this one thing, I have tried the hearts of many. The true ones have remained true, but the weak ones and the double-minded ones went his way. This is happening all over the world; and when this sifting is finished, only the true will remain."

"Thank You so very much, Father. I love You so very much."

"And, I love you, My precious child. I also greatly love My Little Ones in China and this is why I now tell you these things.

I am your Father, Yahweh, yea Jehovah, Most High God."

 From The Mountain Prophecies Copyright 2011

“Oh, Father, Precious and Blessed Saviour, I come back to You, as I have a few more questions about this vision. Father, what does the “fake” nose on Jesse mean?”

“My Little One, if you put a “fake” nose on your face, what does it mean?”

“Oh, Father, I cannot imagine it. I would not wear a fake nose.”

“No, you would not wear a “fake” nose; for you are My true servant. But he wears a fake nose; for he is not My true servant; but a fake servant. He does not serve Me at all.”

“And, Father, tell me about the layers of the glasses, which give him the tunnel vision. What does this mean?”

“The layers of the glasses mean that many intelligence agencies are looking through his eyes and the tunnel vision means that he is very focused on his work.”

“What do the flippers mean?”

“You have seen it. He is into some very deep work of infiltrating the Christian movement, especially in China.” Note: In the vision, I saw Jesse swim to a secret place, beneath the deep waters; and there he sat in a room among others.

“But, why would they wish to use him to bring these works into China anyway?”

“To find the true ones. They take the risk to find the true ones. Then, of course, at some point, they must also discredit you. And, for some time Jesse has been doing this, but in secret, behind your back.”

“Father, thank You for answering these questions and for showing me the other things about Jesse. The wolves come to scatter Your sheep; for they are hired to do so. Father, punish the wolves, who come into Your house to scatter Your sheep. There are many of the wolves in sheep’s clothing. Hear my cries against them, Father. Bring your hammer of judgement down on the wicked heads of the wolves. For they always come

to bait the people with their smooth words, and then to snare them and to scatter them. Oh, how sneaky they are! They work to gain the trust of Your people, and then having gained their trust, they begin to change dramatically and to reveal their evil intents. The end result is that many lose faith. Many are scattered. They are left alone and their faith is often broken and destroyed.

But, Father, regarding this evil that Jesse has done, I pray that his wicked works will not prosper, and that You turn this all around and bring these truths of Revelation Twelve and the holy manchild to even greater numbers of people. Blessed is Your Precious Name, Father. You are to be exalted, glorified, honored, blessed and magnified in the whole earth! I love You so.

End of message

May we all learn from this "wolf" lesson. All that Satan needs to destroy one's faith is to plant seeds of doubt.

Dear and Faithful Ones, your great desire to marry our Saviour will not be fulfilled easily. For, as soon as you set your sights upon this everlasting gift, Satan sets his eyes upon you to destroy you. Your heavenly rewards will not come easily to you. You must be spiritually disciplined. You must obey our Saviour's commands. You must not give up when hard times come upon you, but you must persevere in faith. This is no easy road, but a way of great and terrible travail. Yet, it is the Only Way into Eternal Life. The Lord has already told us that this way is the Strait and Narrow and few find it. The Scriptures tell us that if the righteous are scarcely saved, what about the rest.

Stay away from the magical thinking. This will only carry you into the fiery chastisements. It is not "once saved always saved," and you will not be suddenly raptured out and not have to suffer anything. Now come the tests and trials by fire.

Keep your eyes on our Saviour. Love Him above all. Love others and forgive them, even if they do not ask you. Do not love this world and what is in it; for it is all passing away.

 From The Mountain Prophecies Copyright 2011

Keep your heart clean by walking in love and forgiveness. Confess your sins to our Saviour every day and ask Him to forgive you of your sins every day. Don't let sins pile up in your life. A pile of sins in one's life is a nest for Satan.

Read and study the holy scriptures, so that you will know the word of God. Pray every day and all through the day; and seek to have the Spiritual gifts that our Saviour would give to you. Seek to have the holy little manchild and pray that our Saviour makes you ready to receive this precious child of light and fire. You must have him to marry our Saviour, as I have explained in previous writings.

Hold onto the truths of these kingdom works; for Satan wishes to steal these truths from each and every soul. And, if you are not very determined in your desire to serve our Saviour, truly loving Him above all, Satan will easily distract you. He will steal spiritual truths from you! He will take from you the spiritual progress that you have gained. He will steal your faith. He will bring strife into your life. He will turn others against you to cause you problems. He will sow doubts. He will attack you in any and every area of your life and when you least expect it, he will put you in great distress through his attacks. He is vicious and he is unrelenting. Therefore, you must be very determined.

Call upon the Name of Jesus; and He will save you from Satan's attacks. Only He can fight these battles. We are truly up against powers and principalities of GREAT darkness and we cannot fight these battles. But, Jesus can fight them; and He will fight them. He delights in doing for us what we cannot possibly do for ourselves. Oh, how I love Jesus!!!!

And, when all of these terrible things come upon you, sing to our Blessed Saviour. Praise His Holy Name. And, thank Him for all things that you must suffer for love of Him.

How blessed we are to be counted worthy to suffer for love of our Mighty King. Glory to His Holy Name forever and ever.

I love you with a big love,

Linda

PS I am receiving reports from some of you, who have received the Holy Son of light and fire; and some of you are under very heavy attack! When your road gets very hard, do not give up. Regularly sing to our Saviour and praise Him all through the day and night. He will help you. He will bring you victory. Blessed is His Holy Name.

If you have spiritual needs, write to me. I will arrange for a time of telephone prayer.

# CHAPTER EIGHTY-FIVE

## New World Order Satanic Plots and Schemes

## Our Saviour's Warnings Coming to pass!

Greetings to you, Dear Ones! I hope that you have been keeping up with the fast pace of world events. What our Saviour revealed to me in the last message about the fast-paced movement of the Mideast War Situation has surely come to pass. He showed us that there would be a fast acceleration of the warring factions at the back door of Israel, which would be propelled forward by the Queen of England and her Satanist banking pal, Evelyn de Rothschild.

### Our Saviour's Words Quickly Fulfilled!

Within a very few days of our Father's showing me those visions, we saw the attacks escalate against Iran's nuclear facilities. We also read reports that rockets were being fired and across Lebanon border; and we heard reports of rockets, which were being fired from the Gaza strip into Israel. Most recently, there has been tales that the Israelis are firing missiles into Gaza! We have also read that Iran has captured a high-class spy drone, which belongs to the USA. All of these events, if true, tell us that the war in the Mideast is heating up!

### The Cold War Game

In the last visions, we also saw that the Rothschild man told the Queen of England to put on her coat, as it was about to become very cold; and she did so. And, since those visions, which foretell of the coming of a new cold war, we are now reading of an upsurge in the Russian/West cold war.

### Russian Long Missiles Put in Place!

What more is our Saviour showing? You will want to know. Some few days past, I was given another vision, this time a vision of Prime Minister Putin of Russia and he was busy making ready certain long range missiles, some being made ready for the USA, some being made ready for Europe; and other missiles, which were mostly mobile, and they were being made ready for the Mideast war.

### Behind the Scenes, Putin Receiving His Marching Orders

A day, or so, after the above vision of Putin's readying his long range missiles, I saw the Queen of England again and she was riding with her banking buddy, Evelyn de Rothschild. Their wagon had come to a stop and while the Queen remained onboard the wagon, the Rothschild man went down and visited with Putin of Russia. I saw the Rothschild man as he fastened many long knives all around both ankles of Putin and locked them in place; and I knew that Putin was receiving his warring marching orders from the Rothschild man.

### An Angry, Controlling, Controlled Putin: A Big Game!

During the few days since that vision, I have read several references to the renewal of the cold war between Russia and other nations. Putin seems particularly angry as regards the NATO missile shield. He also seems particularly angry with the "interference" of the West in his preliminary election. From Putin's protests of the election tampering in Russia, we can determine that the international bankers and their ruling elite are reminding Putin that he will play according to their rules. He will not be going off on his own.

Neither Putin, nor any of the worldly satanic elite leaders will be going off on their own and doing as they please. They will do as Satan tells them to do; and according to the pressures of the international bankers they will march. True to their past history, the world bankers and their ruling elite will play both sides of the equation. And, by now, we understand that what we see in their controlled press is seldom the way that things really are.

 From The Mountain Prophecies Copyright 2011

### Setting the Stage for a greater World War!

Therefore, the new world order's media marketing of the presence of the Russian warships around Syria, their missile defense of Syria, and the near simultaneous intervention of the Chinese, who come to protect Iran, is nothing more than a war game of the elite. They are setting the stage for their World War III arena and will go forward as they busily lay their groundwork.

This war is going to escalate. It must; as they must gain control of the finances of all nations. There will be no financial renegades, or military renegades, in their One World Order. They will make certain of these things.

### More Rothschild, Royal Schemes!

### Bullets and Missiles for the Brits!

And, now, I will share with you another significant vision, which our Saviour has very recently shown me about the Queen of England and her rich buddy, Evelyn de Rothschild. In this vision, I saw a heavy, plastic covering. I lifted up this covering and I saw many, many wooden crates, which were full of ammunition, this ammunition consisting of very long bullets. I climbed under the heavy plastic covering and crawled on top of many, many crates of these very large bullets. I climbed on top of the boxes for a while, moving forth across a vast number of crates of these huge bullets, until I eventually came out on the other side of this plastic covering.

As I looked up, I realized that I was on the Rothschild/Queen of England wagon. I looked ahead to see the Big Ben clock; and I realized the Queen of England and the Rothschild Banker we were coming to a slow stop in London. The Queen did not see me to her rear and she got up to leave the wagon, but before she left the wagon, I saw her lift up her seat; and there beneath her seat were a stack of short missiles.

From this vision, we can see that the Queen and her banking buddy are packing the ammo into London; and as this wagon was going slowly, it seems that this descent into violence will be slowly introduced. The world, as we know it, is spiraling into a violent

breakdown. We are witnessing the unfolding of the New World Order Satanic plan; and our Saviour is showing us their plans. Blessed is His Holy Name!

### Is Satan's Way also your Way?

### Time to take stock!

We are beholding the shaping of the new world order scheme, the creation of Order from Chaos. This is Satan's way. Do you like it?

If not, you must find the ONLY WAY. JESUS IS THE ONLY WAY. He is the only way into salvation. He is the only way into peace. He is the only way into joy. He is the only way into love. He is the only way into eternal life. He is the only way into the Light. JESUS IS THE WAY. THERE IS NO OTHER WAY.

### Blackmail in the works!

Now, as regards this nation, our Saviour is revealing through visions that Hillary and her three allies are still trying to take control of the U.S. Presidency. But, this takeover is not known by most, but only visible through the introduction of some very strange information. One may wonder why this strange information if rolling forth now. And, the timing may not make any sense, unless, or course, the ones, who are doing the telling, are also doing the blackmailing. What is this strange stuff, that is being stressed at this time?

There is talk that President Obama's father is really the former head of the Black Panthers, a real black radical, whose name was "Malcolm X," or Malcolm Little. Go and find current internet posts by Martha Trowbridge. She is not the first one to make these allegations, but perhaps the loudest! Who is really behind Trowbridge's posts? Who is Trowbridge? Where does Trowbridge get this information? And, why is he/she coming forth with this information at this time?

 From The Mountain Prophecies Copyright 2011

### The Little Horn!

What I find so fascinating about the possibility that Malcolm X could be President Obama's biological father is our Saviours' mention of the Little Horn is the Book of Daniel (Daniel 11:21). The Little Horn is another name for the Man of Sin, or the Antichrist. If these rumors are true, and Malcolm Little is really the biological father of Barrack Obama, his real last name, "Little" adds new dimensions to the title for the antichrist, "The Little Horn." Some also say that President Obama is a "little" man.

Oh, how mysterious are the teachings of our Saviour! Remember that our Saviour has already established the fact that President Obama IS the antichrist. Our Saviour confirmed this to me more than three years ago and has re-confirmed these truths to me, that Obama is the antichrist, over and over again, through many, many visions.

### The Obama Tree,

### Rockefellers in the Rothschild House!

Now, I shall tell you about another recent vision, which involves this nation. Just last night (December 08, 2011), I had a vision of a black tree, a totally black tree without any leaves. In the vision, the Spirit of God told me to walk around to the back of the black tree; and in so doing, I saw that there was a great crack in the back of the tree, which was really a hidden entrance.

### A Tri-Fold Cord of Evil!

I entered into the tree through the hidden entrance and I saw no one inside except Hillary Clinton. It was late at night. She was alone in an upper part of the tree and was working beneath the light of a singular lamp. In the vision, I saw her turn rather quickly and begin to braid three thick strands of yarn. She braided them and clamped them together at the bottom; and then hung the three braided strands of yarn on the wall behind her. Then, she shut out the lights and sat there in the darkness.

There has been talk that Hillary could become the vice presidential running mate of President Obama, but if this is her ambition, it remains in the shadows. She is sitting in the darkness of the Black Tree, Obama's tree.

However, some of us have wondered about the timing of the Malcolm X postings on the Internet and who is behind these postings. We can only wonder who is wishing to blackmail President Obama. We cannot be sure, but we have some very strong sentiments about the possible guilty parties.

### A Thick and Deadly Plot!

About three years past, I had a vision and I have written of this vision in previous posts; but in this vision, I saw that some past presidents were plotting to take the life of President Obama; and in that same vision, I saw him lying outside in a pool of blood.

### The Plotting Three!

Then, later in another vision, I saw once more the caskets of the three dead presidents. I have had many visions of either the three caskets with the dead bodies of these three presidents in them, or the tombstones of these three presidents, all side by side. Does this repeated vision of these three, who are either in their coffins, or under their tombstones, fulfill these words from the Book of Daniel? “And, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots…Daniel 7:8)

Those three presidents are the two Bushes and Bill Clinton. Are they plotting something? What are those three pieces of thick yarn that are tightly woven together and placed on the wall behind Hillary Clinton? Does this represent the tightly woven plan of the three to recapture the presidency through some very dark means?

Surely, our Saviour shows me their plans. Indeed, He has, he does, and he will! For, surely through their thick braid, they have made a plan and that plan is closely connected to Hillary. Their plans are in the darkness, and involve President Obama! Yes, in the darkness, they plot. None see them; for their schemes are hidden.

 From The Mountain Prophecies Copyright 2011

### A Terrible Plot!

What dark schemes are now afoot? Will we soon see an assassination attempt on the life of President Obama? In the past, I have had many visions of an attempt on his life; but in spite of the fact that he is killed, he comes back to life. However, when he comes back to life, he is not alone in that body. He has some company! Is this plot now very near?

Although our Saviour has given me many detailed visions about such attacks on President Obama's life, I have not written most of these visions. However, some few people know of many of these visions.

### Seven Terrible Years!

How near are we to the beginning of the last seven years? Except for the love and grace of our Saviour, and his years of tarrying, we could have entered into these last seven years as early as 1998. But, through these years of grace and mercy, and His continued tarrying, He has added time.

### How much Time do we still have?

Today, on December 08, 2011, I had another vision. In the vision, I was upstairs in a room and parted the curtains on a window to look below. Standing there in the street was the Wall Street Bull. He was speared in the back, between the shoulders, and was bleeding profusely. He stood in a massive pool of blood and I knew that he would not live long.

There, in front of the Wall Street Bull was President Obama. He was standing behind a podium and was under a canopy; and as he looked at the bull, he said, "He (the bull) has served his purpose; but now we must look at the number seven, seven, as in seven days."

Will the last seven years, or seven days in the above vision, soon begin? Will the world market crash mark the beginning of the last seven years? Take note of what our Saviour is showing in the above vision of the bull.

**When will the Bull Fall through the floor?**

Do you remember the vision of the stock market bull, which our Saviour gave to me about fifteen months ago? I still find this a most interesting vision.

In that vision, I was standing outside and saw a heavy plastic covering, which was draped over a large part of the ground. I went there and lifted up the heavy, plastic covering; and when I did, I saw that this heavy plastic was covering an underground gathering and people were rallying loudly. In the vision, I saw a pole and climbed down the pole to find myself standing amidst a crowd of people. These people were looking at an arena and were all cheering about the contestant in the arena.

There was only one contestant in the arena, and this contestant was the Wall Street Bull. I, too, stood in amazement at the height and strength of that black bull. He was very big and strong. The people were rallying around him and saying, "Who is like the Bull?" Then, they answered their own question. "There is none like the Bull!" And, this loud rallying, shouting and praising of the bull went on for a while; but suddenly, and without any expectation, whatsoever, a trap door opened alongside the interior wall of the arena, and there rushed forth a giant crocodile.

This crocodile charged into the right front leg of the bull and badly mangled the bull's front leg. However, the people continued to cheer. They continued to rally around the bull saying, "The bull is still strong. The bull still has three strong legs. The bull is still strong! Who is like the bull?"

This rallying and praising of the bull continued on for a while; and then suddenly, and without any expectation, whatsoever, the floor fell out from beneath the back legs of the Wall Street bull. And, down went the bull. He went crashing down for many stories in that great building and he came to rest far below. When the bull came to a stop, his body was full of giant wooden stakes, which had pierced his body on the way down. The bull was bleeding profusely and he would not be coming back. But, still many shouted and proclaimed, "He is coming back. The bull is coming back." Yet, I knew that the bull was finished.

### The Mangled Leg of the Stock Market!

Now, my Dear Ones, this is my question. What is this right front leg, which is so badly mangled? I have not known for sure, but as of now, I am feeling more and more confident that this mangled leg might be the futures market, the so-called derivatives market, or the options market. Are they all one in the same? I am most certainly not an expert, but I believe that they are all three peas in the same pod.

So, are we already witnessing the badly mangled leg? Has it already happened? And, is the Stock Market now in the rallying phase before its fall? It is most certainly rallying and climbing higher at this time!

Think about this fall of the derivatives market. I have read reports that the international losses, which have occurred in the Derivatives Market could top 1.5 quadrillion. This may be the signal our Saviour warned me about, the mangled leg that would lead to the crashing of the bull. Is this the warning bell that the crash of the bull is very near? Read on.

### The Derivatives Market!

### A Sea of Floating Debt!

This is what our Saviour is showing at this moment on this day of December 10, 2011. Even as I am writing this update, He is giving me the following vision.

Through a doorway, I now enter into the back of this big lizard, the crocodile, who mangled the right front leg of the bull, and I find myself on a bridge, but a very unstable, floating bridge. This bridge is floating wildly; and I am holding onto the sides of this bridge so that I do not fall, for this is a very shaky bridge. On the bridge, I see the word, “derivatives,” and wonder what more our Saviour wishes to show me.

### The Derivatives Scheme Orchestrated through London!

Our Saviour gives me a very short telescope and I look to the other side of this bridge and into an open window. There sits the Queen of England and she is in a chair

opposite the desk of the Rothschild man. He is smoking a fat cigar and on side of the cigar are the words, “Gone with the wind.”

The Queen sniffs as if she is about to cry and then she sheds one tear. She pulls out a new, clean handkerchief and spits a big wad of something into the handkerchief, which is brown and gooey. Then, she puts the handkerchief into her pocket and looks out the window at this bridge that I stand on, but she does not see me.

“Well, there is no other choice,” she ways, “we must fold it up. We have inspired and we have acquired, but now the flow is low, so it must go. Then, she takes a knife, oh a butter knife and she puts some butter on a piece of toast. As she takes a bite of the toast, she says, “It is toast, this false market. It rode and it spelled and it was felled as it should have been. A useless tree, so we must be free of the hassle of this bad baggage, so rescind the orders to put and to sell, that we may quell the rumors of the many tumors. We will halt the grind until we find a better way to stay atop the backs of the people, the ignorant sheeple, whose behinds are nothing but fodder for the greater plan. Who can win against us? We are the privileged, the chosen ones, so put a sword into the leg, which is sick and swollen and bloated with air! No defense needed, but as time is speeded, call the shot. Take the wins and close the door.” And with those words, she got up, took her purse, and left in haste.

### The Sinking of the Derivatives Market!

And, I being on this bridge and seeing it sway now so violently amidst the terrible and destabilizing waves, wondered if I would get off before this derivatives bridge sunk beneath the waves of terrible unrest.

But, I did not get off the bridge before a great sinking began to take place all around me. For, as I was seeking to exit the bridge, it seemed as if someone flushed a giant toilet and down, down, down went the turbulent waves. Everything was carried down, suddenly and unexpectedly.

I stood on the edge of this bridge now, the turbulence gone, and I looked down into a great abyss. I gasped to see a great void beneath me. Everything was gone!

 From The Mountain Prophecies Copyright 2011

As I looked at this great loss, I said to our Saviour, “My Lord, when did they order the mangling of this derivatives leg?” And, I then looked at the back of the Queen; for she was walking towards a waiting limo and as she was about to get into the limo, I saw her drop a piece of paper; and this paper fell behind her.

From my distance on the bridge, I could see the writing on the note and I knew that the writing was the answer to my question: “When did they order the mangling of this derivatives leg?”

Suddenly, I was given telescopic vision and I could now see the answer to my above question: “When did they order the mangling of the derivatives leg,” and the answer on the paper, which was dropped by the Queen plainly told me, “yesterday.” The mangling was ordered some time ago. That right front leg of the Wall Street Bull has now been mangled!

I remind you again, that after the mangling of this right, front leg of the Wall Street Bull, the Wall Street Market will “rally” for a short while; and then suddenly, and without any notice whatsoever, the back legs of the bull will fall through the floor. We are now in the rallying stage. Lately, Wall Street has been in a steady climb; and this, too, is like looking at the theater of the absurd, considering the financial struggles of so many nations and the downgrade of the U.S. dollar. How long do we have? I believe that the following vision will give us some understanding!.

### Stalling the Stock Market Crash!

### The Presidential Race

I wish to take you back to a vision, which our Saviour gave to me in the Spring of 2011. In that vision, I saw President Obama. He was standing on a ledge and was reaching back behind him to hold onto a wall, and this wall was about to make a turn, almost a quick half circle.

### A Very Narrow Margin!

He was facing outward, holding onto this wall. As he moved around the half circle of the wall, as it was turning, the ledge on which he was standing became increasingly narrower, until the ledge became so very narrow that I wondered how he could possibly be holding on. I thought that he would surely take a fall at any moment, but he continued to hold on.

### The Presidency: Obama will go back in!

Suddenly, just when I truly believed that he would fall off the ledge, which had become so very narrow, and I marveled that he was hanging on at all, he jumped off the ledge and ran across the White House lawn, grabbed Michelle's hand, their arms held high, and they both ran towards the White House.

Up ahead, I could see bright streamers and festive, party decorations. But, amazingly, I could now understand what I had been seeing in the vision. For, in great glee, they ran towards the White House, and Obama shouted, "We won! We won!" Within about two weeks of this vision, Obama announced that he would seek a second term.

I tell you about this vision, for many believe that he may not complete his election before he and more of his communist controllers pull the plug on this nation through a martial law scenario. But, from the above vision, we see that he will carry out his election. Most certainly, our Saviour is showing us that Obama will be elected again, yet through a very narrow margin. That narrow margin is the "narrow ledge."

### The Timing of the Stock Market Crash!

What does this mean regarding the world stock market crash? It means that this crash may very well be postponed until after his election. If this market crashes before Obama's re-election the Queen of England and hers Rothschild buddy could lose their prince. But, they will not lose him as our Saviour has already established the truth regarding the Jew/Muslim/Satanist Antichrist, who is now in office. Yes, he will finish his job, for he is the Antichrist! Our Saviour has shown me this truth in many, many visions.

Are you ready for the concentration camps? There is precious, little time.

### Our Saviour's Great Move!

I tell you a little truth that many of you do not know. About two years past a woman contacted me, who was suffering from Morgellon's disease. If you know about this disease, you understand that this is a very terrible disease and is incurable. But, it is not incurable for our Saviour; for He can do all things.

I sent this woman several holy, anointed prayer cloths; and she was healed of this terrible disease. As she described it, a great heat came over her body and this heat, our Saviour's anointings on these cloths, literally burned up the terrible fibers and implants of this horrific Satanic diseases Blessed is the Name of our Mighty King, Jesus, Lord of Lords and King of Kings. All the glory and honor to our Blessed Saviour!

### New Bodies For Some, At or Near the time of the Economic Crash!

Our Saviour also blessed this woman in other ways. He gave her some prophetic dreams. I well remember one of the dreams that she shared with me. In this dream she told me that she was in a bank. There had been a run on the banks and she looked ahead of her to see a holy woman, who was standing there. She commented, that in the dream, she knew that this was a holy woman; for she knew that this woman was old, but in her dream she looked very young.

What does this dream mean for us? Firstly, I believe that this was/is a prophetic dream; and it most certainly seems, that by the time that the markets crash and there is a run on the banks, some will have new bodies. Glory to our Mighty King forever and ever! Precious is His Holy Name!

### Judgment Coming to the House of the Lord!

My Dear Ones, as I continue to write this message, today is the 9th of December, 2011. With that stated, I wish to tell you of another vision, which our Saviour gave to me about four nights past. This is a vision of His own house.

In the vision, I was standing with our Saviour, up high, very high and looking down. He was standing behind a podium and in his hand was a gavel. I looked down to see that we were situated high above a very large gathering of people; and this gathering was taking place inside a very large, round building. Inside this very great building were many round rows, which were full of people. So, the rows of people were both before us and behind us; and as I have said, this was no small gathering of people, but indeed a very large gathering.

### Great, Unrepentant Sin in the House of the Lord!

At first, I could only see that there were people below, but suddenly I was given telescopic vision and I could look below and see the people very closely, almost as if I were in their faces. And, what I saw, I did not want to see; for this was not a pleasing sight. I knew that I was looking at people, but their faces did not look like the faces of people, but faces of monsters, or animals. For, their faces were overwhelmingly twisted and contorted and many of them had faces of various animals, or demons.

### Precious, Little Sheep

Sadly, most of the faces were of these bizarre sorts, but alas, here and there among these with the bizarre countenances, there would be sitting one of a different sort, but all alone. Such a person would invariably be wearing a clean, or near clean spiritual robe, exhibiting a calm demeanor, the hands folded and the face peaceful.

I must tell you that in my Spirit, I felt a gasp in looking at these precious ones, who were surrounded by so many of these foul-looking types. I so wondered about this terrible vision but in the midst of such a vision I felt so helpless and bewildered.

 From The Mountain Prophecies Copyright 2011

### Come out From Among them!

Then, our Saviour beat the gavel down on the podium and as His light went out over the heads of the people, He said, “Get you up and get you out!”

I knew that He was speaking to His little sheep, the few humble and quiet ones, who were scattered here and there amidst those, who were full of, and overflowing with, so much unrepentant sin. I felt such despair in my spirit.

### Terrible Judgment Coming to the Lord’s House!

Then, after a short while, and I do not know how long that short while could be, or might be in the real world, it seemed as if the flood gates of hell had opened up; and there came forth among the people a river of fiery demons, of many shapes and sizes. And, as these demons descended upon the people, I saw that one half of this great building went dark; and I felt such despair in my spirit, wondering what happened and where they went.

Still, this vision haunts me; for I know very well what this means. JUDGEMENT IS COMING UPON THE HOUSE OF THE LORD. OH, WHAT TERRIBLE TIMES AWAIT THE UNREPENTANT. Oh, how dreadful is the spiritual state of the Lord’s house. The House of the Lord is full of every kind of filth and perverse thing!

Oh, you faithful ones, if you sit in a church, in the midst of such a decadent bunch of unrepentant souls, get up and get out now! If you stay there in the midst of the lukewarm and the unrepentant sinners, you will partake of their judgments.

Hear my cries to you; for these are the warnings of our Saviour to you. “Get up and get out!” He is calling his House to Order. Judgment is coming upon the House of the Lord! Stay in that holy place. It is far better to be alone than to sit in the midst of the ungodly.

### What is going on in your church?

If you belong to any church, and there is not a regular outpouring of healings, deliverances, blessings and assorted miracles, get up and get out. If you belong to any church and the music is as loud as the music of any bar room, get up and get out. If you cannot hear yourself think, you cannot hear the Spirit of God. If you belong to any church and the people are running around in the church, like a pack of wild dogs, get up and get out. If you ever see strange behavior, which makes you uncomfortable, or which seems disrespectful towards our Saviour and His Spirit, like the so-called holy laughter, get up and get out. If you belong to any church and the preacher does not regularly tell the people to repent, get up and get out!

### Strange Fire in the Churches

My Dear Ones, the strange fire has invaded many churches; and what seems to be the miraculous is nothing but demonic. Most of the churches are so utterly corrupt that the Spirit of God is not a part of them.

More than eight years ago, I visited the congregation of a small Pentecostal church in this town and as I sat watching the two preachers, I saw two columns of yellow/orange fire come down from the ceiling and enter into the two Pentecostal preachers. That was the strange fire of Satan, for the Spirit of God is not yellow/orange, but a brilliant white light!

That church had a black ring around the inside of the whole church; and this black ring was a curse, which the people had brought upon that church because of their running around in the church. Yes, they were literally running around inside the church, like someone at a jogging track, or better said, “running like wild animals”, running outside of the rows of seats and back up in the front of the church: a demonic show that few could imagine! The preacher over this church regularly warns his people against me! Wonder why?

 From The Mountain Prophecies Copyright 2011

### The Lord's Punishment!

Our Saviour taught me a great lesson about going to that church. I was not to sit among them! Black, stinky, furry demons, like pigs, followed me out of that church; and I had to pray against these demons for the better part of a week to get rid of them. That was our Saviour's punishment to me for my going into that swine pit.

### One Clean Soul!

But, one thing about that church experience still sticks in my mind! As I looked around in that church, I saw one person, who had a clean, white spiritual robe. At that time, I also wondered why there was only one soul in that whole church, who was clean spiritually.

### Get up and Get Out!

Our Saviour has now given this warning to the one, or two, clean ones, who sit in such hog wallows! "Get up and get out." Get up and get out now! Do not wait! Get up and get out now! If you spiritually clean ones do not get up and get out now, you will share in the punishments of the wicked ones, who will not repent! For, by your very presence in their midst, you are in agreement with their spiritual hog-wallows. Judgment is upon the House of the Lord!

### Dear Souls, Turn to our Saviour with your Whole Heart!

Are you spiritually hungry, but cannot get fed? Do you really long for our Saviour, but cannot find Him? Then, fast and pray! Study the Bible and call out to our Saviour in prayer until He fills you with His spirit. He will feed you! He will hear your cries! He will answer your cries, but be persistent; for He also tries and tests us! Be persistent!

### Whose Fault is it?

### The People want to hear the good things!

The churches in this nation are overwhelmingly corrupt. There are few, which are not utterly polluted. The people have itching ears and the preachers delight in telling them what they want to hear.

**Few find the Strait and Narrow!**

**They don't want it!**

The Way into eternal life is the Strait and Narrow. There is not another way. If you love the world and what is in it, you are not on the Strait and Narrow. If you will not give up mind control television and movies, which are full of sex and violence, you will not inherit the Kingdom of our Saviour.

Isaiah 33:14-15. …Who among us shall dwell with the devouring fire? Who among us shall dwell with the everlasting burnings? He that walketh uprightly, he that despiseth the gain of oppressions, that shaketh his hands from holding of bribes, that stoppeth his ears from hearing of blood, and shutteth his eyes from seeing evil.

Who is that devouring fire? The devouring fire is our Saviour! None will be in the presence of our Saviour, who does not live righteously and obey Him. None will be in His presence, who likes to oppress others!

Well, that one, oppressing others, immediately shuts out a lot of people, who have tried to destroy these prophetic works! I remind you of the huge numbers, who have mocked me and these works, who have oppressed me with their hate and smear campaigns; and they sit in churches, calling themselves "faithful," "preachers," and "prophets," among other so-called callings.

Many have also come to rip me off through their "hired" work on this land, as they have believed the lies, which some so-called servants of God, have spread about me.

You oppressors are only kidding yourselves! Your place is in the burning flames of hell! You will not stand in the presence of our Saviour unless you repent of your great evils! Go back and read the above words of the prophet, Isaiah!

None, who takes bribes of any kind, will be in the midst of that devouring fire. None will be in His presence, who turn a blind ear to the shedding of blood, or who shuts the eyes to the seeing of evil.

 From The Mountain Prophecies Copyright 2011

**Television and Movie Addicts Headed into Hell!**

The television and movie watchers have overwhelmingly put knives into their own backs! Television and movie addicts will not enter into the presence of our Saviour! All television and movie addicts, addicts of violent video games, or those, who love to behold violence as in violent sports, will not enter into our Saviour's presence!

You are only kidding yourselves! Our Saviour has warned us; and I have been giving you His warnings for ten, or more years. Give up the perverted television box. Stop watching movies. Movies and television are not only full of sex and violence, but also full of subliminal mind control messages. This is common knowledge these days! Television is, for a fact, the number one mind control tool of Satan in the whole world!"

His Watchmen are blind: they are ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber. Yea, they are greedy dogs, which can never have enough, and they are shepherds that cannot understand: they all look to their own way, every one for his gain, from his quarter. Come ye, say they, I will fetch wine and we will fill ourselves with strong drink; and to morrow, shall be as this day, and much more abundant.

Messianic Jewish Lamb and Lion Ministries, tell me that it is not still going on! More than three years ago, a brother told me personally that he left your group in Oklahoma because, according to him, you were having alcoholic parties on the weekend and whooping it up under the guise of church business! What do you say for yourselves?

So-called prophet, Chuck Johnell, tell me that it is not so! Someone from your group told me that you are telling the people what television programs to watch and that you are picking lottery numbers for your flock, telling them that Jesus told you to! Chuck, apparently you do not see the errors of you ways! You are too busy calling me "false prophet."

Woe, woe to those, who tell the people what they want to hear and will not cause them to repent! The false and profane has invaded the House of the Lord and it is going to be cleaned up in a very great way! You have been warned, again!

**Precious, Little Sheep! The Wolves are Plenteous!**

**Stay close to Jesus! He loves you greatly!**

Dear Souls, I know that some of you truly love our Saviour. Sadly, you have almost nowhere to turn! The churches have overwhelmingly made a mockery of our Saviour. The prophets are full of the good-sounding words and the profane has invaded the House of the Lord. My heartfelt warning to you is to draw very close to our Saviour and to stay there. Stay far from the double-minded and the hypocrites! Come out of the lukewarm churches and re-dedicate your life to our Saviour.

**The Two Kingdoms in the Earth!**

This nation is going down fast, but so are the nations of the world. This whole world, as we know it, is coming apart at this seams; but something new is coming into the earth, and it is the Kingdom of our Saviour! But, even so, Satan's kingdom is now taking over the world!

Daily, you are either choosing the Kingdom of our Saviour, or Satan's kingdom. You will not have one foot in both kingdoms. If you have not believed what I have written about my own sufferings and persecutions because of having the holy, little manchild, then perhaps you will believe another. I will post this woman's account of what it is like the have the holy, little son of light and fire, but firstly, I will share one more important vision with you!

**Terrible earthquake Vision**

It was on the night of the 9th of December; and I was in bed, but felt restless and was having trouble going to sleep. It was late, well past 11:00 PM and I called a friend, who was also up late and doing work. We felt the need to pray; and as I was praying I saw something so strange in the Spirit; but I could not understand what I saw.

There came in that vision a round, black, ball-like intrusion; and I was so puzzled about the nature of this "thing." For, as this intrusion entered into the vision, I saw that it hit the side of a mountainous area and there followed a great cracking, a literal blasting and pulverization of the hills, the rocks and all that was within them.

 From The Mountain Prophecies Copyright 2011

I told my friend that I was so puzzled by what I was seeing and feeling that this must be one of their terrible, Satanic, warring weapons. We both wondered about the creation of some sort of "antimatter," for lack of a better explanation. But, whatever it was, it was most assuredly a force, a very dark force, which ripped the land asunder and caused a massive earthquake.

**A Terrible Earthquake Is Being Planned for the West Coast!**

I continued to pray, and was back in the Spirit once more, seeking to know where this great earthquake was taking place; and though I was not given a specific location, it seemed to be north of Washington State, perhaps even up into Canada, along the Pacific coastline, though, as I said, I could not see the exact location, but the general location. Oh, what great destruction! Yet we are absolutely powerless. Only our Saviour can help us!

**Repent, repent, repent!**

**Our Saviour hears the cries of the repentant heart!**

But, our Saviour can help us; and He will! There is nothing too great for Him. Glory to Jesus, Lord of Lords and Kings of Kings! He is our Saviour and He will save His people.

Make your hearts right with Him. Repent and get clean spiritually. Be obedient to Jesus, our Blessed Saviour; and see what HE will do for you! For, through His many judgments upon the wicked and unrepentant sinners, He will hear the cries of His people!

The following letter is printed with the permission of Elizabeth M. Caro. She has also given me permission to use her real name. I hope that her very true words touch the hearts of many.

**A letter from a Sister,**

**She has the Holy Little Son of Light and Fire**

**November 21, 2011**

Dear Ms. Newkirk,

Where do I start? Thank you for your bravery, faith and love of God. I don't know how you have persevered through these horrors much less for 42 months and counting. I absolutely know that you could not have survived through this without faith and love of Him. (My comments: Darling, today, December 10, 2011, is the 67th month birthday of the holy, little child of light and fire. LN)

In the last five months, I have endured a lot of the same things. The Father showed me your website days before they started. As I read Book Twelve, I kept thinking to myself that this is true.

I have experienced endless popping through the walls and for years that they have been coming into my house. I bought and made orgone to help keep them at bay and for a while it worked, I thought. I believed that they were only remote viewing me, not knowing they had the technology of using a space within a space. They have poisoned my dog, hit me with microwave weapons, heart attack weapons, put chip implants in me and now wired me up daily and yet, I'm still here. I think He has given me His Little Man Spirit because now they fill me up with wires and liquid metal and it lasts for hours, then they start all over again. (My comments: How blessed you are to have "His Little Man Spirit!" LN)

Now, they have resorted to their relentless jabs to every part of my body. I feel like a pin cushion and my body if starting to look like a spotted pickle. It must be some kind of substance to create electrical current. You would think they would give up seeing that it doesn't stop my praying but, they are either real stupid, or just hell bent on trying to create torture. (My comments: the forced entry of the foreign objects into one's body causes brown scars. These scars will soon fade, only to be replaced with other brown scars. This is why you have the spotted pickle effect. LN)

 From The Mountain Prophecies Copyright 2011

I'm tired of this Battle! Everyday it is a challenge to shower and sit in front of a vanity mirror. They like it when you are stationary and vulnerable. I have forgotten what it feels like to just do what everyone takes for granted. My son and husband just think I'm crazy. I tell them very little since they can't even see the truth of the simplest things. I try to act as normal as possible when everything around me is anything but this. (My comments: I know, Sweetheart. This is a very difficult path. But, even so, remember that you are exceedingly blessed. Do not blame them for what they cannot understand. It is hidden from them. LN)

I live in a world that no one sees or understands. Who would want to believe this even if they could understand?

It is too horrific and unbelievable.(My comments: we fight not against the flesh alone, but truly against satanic powers and principalities, which are too terrible for words. Their ways are not our ways and their weapons would not be in the hands of humans if they had not sold their souls to Satan. Unfortunately, for us, the humans also have their terrible weapons. But, be of good cheer; for your suffering has a finite number of days. If you are like me, you will most assuredly thank our Blessed Saviour for the passage of every day and for His divine intervention to keep you and to carry you through in victory. LN)

I have been doing Divine Will prayers, "The Hours of Passion of Our Lord Jesus Christ" for well over ten years now and because of the lateness of the hour, I have increased the amount to the whole book a day. It saves a soul for every word that is said, but is an endless fight to get through it. They obviously don't like saving souls for Yahusua. (My comments: I do not know of these prayers. LN)

Needles and lasers to the eyes, shoulders, head, electrical shocks, you name it, it's done. Oh, how my faith has been tested!

I don't understand why He does not protect us from these assaults. Why is it necessary to go through this? I am not like you that I can see them all the time but He did allow

me to see the Military man go through the bedroom window and the Big Hairy Creature standing next to the bed before it all started. I do see them sometimes out of the corner of my eye. I guess this was given for confirmation that I'm not just crazy. He had me make two orgone wands a few months prior to things starting and I am able to kill and protect myself while awake but the night and sleep are still difficult. I don't know what He has done to these wands seeing that the orgone doesn't stop them from coming in but I appreciate them nevertheless. (My comments: the orgone will not stop them. We cannot fight them. We have no power over their terrible technologies. So, we must continually die to selves and to things of this world and keep our Saviour at the forefront of our lives We truly must love Him above all. He must be the love of our lives; for all, who receive the holy little children of light and fire are then married to Him. So, be of good cheer, Dear Soul, and always know how blessed you are regardless of what they do. LN)

How does one fight against Fallen Angels, Principalities, Dominions and the countless hoards of demonic people and creatures they create?

I want to give up every day amidst the tears. I've never felt so alone as I do now. I don't know how to do anything but just keep going on with the hope that this too shall pass. Forgive me for rambling, knowing that you withstood all of this and more for years. I should not complain for these five months of Hell when you have had it much worse and a lot longer.

Nothing makes any sense these days and days just move from one to the other. I'm tired and just want to go home where nothing can hurt me. (My comments: Praise the Mighty King of Kings. Glorify His Holy Name. How blessed you are to be counted worthy to be persecuted and tortured for love of Him. Thank Him for all things. Rejoice and be glad. He will help you; and He is the Only One, who is able to. Big hugs, Dear One. I love you very much. LN)

Obviously, they don't seem to be able to kill me although, not for the lack of trying. He doesn't give me answers to the thousands of questions but "soon and not much

longer" and of course, his not long could be years. How I wish this was just a bad dream and I could wake up!

Elizabeth M. Caro

Glory to our Mighty King forever and ever! I am so delighted to know that some of you are receiving these holy sons of light and fire. I must add here also that Elizabeth told me of two very important dreams. As she greatly travailed beneath so much pain and suffering and was crying out to the Lord, He gave a dream to her son. In that dream, her son was shown that there is a "baby" which needs to be protected. And, as she continued to travail and to call out to our Lord, He gave another dream to a different relative with a similar message about protecting a baby. If I need to make corrections about these dreams, please let me know, Elizabeth. From these dreams, Elizabeth came to understand that she has received a holy, little babe of light and fire, the holy seed light child of Revelation Twelve.

I have spoken with Elizabeth twice and have received another letter from her! I have been so delighted to know her and to speak with her; and I am also delighted to speak with any of you, who are suffering such terrible persecutions and tortures for the love of our Mighty Saviour.

These terrible trials can be overwhelming, our isolation so intense and the rejection of others so humiliating. It is suffering, which is poured upon suffering. How great is this road of suffering and travail and despair!

I can only say to you, Elizabeth and to each of you, that I have written these many chapters of this journey, so that you would know in advance about these most wonderful works of Revelation Twelve and have knowledge of the Holy Little Son of Light and Fire.

But, I have also written of these terrible tortures and persecutions so that you would know of them and learn to recognize these terrible and other worldly weapons when they are used against you.

I have warned you through my own sufferings, so that you would not give up in your despair when these terrible trials come upon you, but that you would recognize this very Strait Way, the road into eternal life. This is the road into salvation, a road of travail, despair and persecution, which the Bride must travel.

Therefore, Dear Ones, I have warned you that you must persevere, not falling down in despair, but rising up in praises to our Mighty Saviour, walking in praise and thanksgiving, being truly thankful for all things.

And, in the midst of your great suffering, remember how our Saviour was mocked, scorned, tortured and crucified for love of us.

Therefore, may we all rejoice in the face of their terrible persecution and terrible weapons and not love life until our death, but if need be lay down our lives willfully and gladly for love of our Saviour, or for love of our Brother and Sisters.

It is so extremely important that we have thankful hearts, which are full of praises for our Saviour, regardless of what evils others do to us. Remember these things that I tell you; for I have travelled this road of great persecution and even torture at the hands of the Satanists for more than ten years.

How blessed we are to be persecuted, tortured, mocked, scorned, ridiculed and debased for love of our Mighty Saviour, Jesus, Lord of Lords and King of Kings; and for love of humanity.

 From The Mountain Prophecies Copyright 2011

Glory to the Name of our Blessed Saviour! He is worthy! Worthy of all the praises and honor and glory forever and ever! Worthy is the Lamb of God! May we all sing His praises.

Worthy, worthy, worthy is the Lamb!

I love you, Dear and Precious Ones!

Sending you some big hugs,

Linda

# CHAPTER EIGHTY-SIX - PART I

## The Satanic Sacrifice of Whitney Houston and, the deaths of the Songbirds!

Greetings to you, Dear Ones! Blessed is the Name of our Saviour, Jesus, Lord of Lords and King of Kings!

I have been working on Chapter 86 for some weeks, but have been slow in finishing it for many reasons; and I will discuss some of these reasons with you when I post the rest of chapter 86.

I still have work to do on the rest of chapter 86, but as I feel so distressed about some truths, I am making these revelations part I of Chapter 86. My Dear Ones, I must bring to your attention some truths, which have become increasingly apparent to me. Indeed, these are some terrible tragedies!

Dear Ones, it is extremely clear to me that the death of Whitney Houston is a terrible satanic sacrifice. The warning signs are there and are most evident in the very date that they chose to sacrifice her; and that date was a February 11, 2012, or 2-11-2012. Here, you see three elevens. Firstly, the obvious eleven; and then the twenty-two, which is two elevens. This makes three elevens. 11-11-11!

We should all be aware of the very fact that the Satanists are predictable in their heinous crimes against all of us; as they have repeatedly chosen certain dates on which to do their dastardly deeds, namely dates, which are multiples of eleven. And, these dates are even more important to them if they contain the number nine, which is also a six to them. Or, they will choose multiples of these numbers: nine and eleven. Sound familiar?

All that you must do is to go back and look at significant dates for their important assassinations, or satanic sacrifices; and you will see this number eleven, or its multiples, over and over again. You will see frequently also the number nine.

There is no doubt in my mind that the murder of Whitney Houston was one very great Satanic sacrifice. And, through that sacrifice, the evil culprits were guaranteed a huge reward for their works. For, that sacrifice would be honored through the mouths of many of Hollywood's elite. It would occur on the eve of the Grammy Awards; and would be instantly televised around the world. That sacrifice would guarantee an immediate surge in the money making sales of her recordings and would be instant cash for her killers, for now, and possibly for many months to come.

It should be no secret to any of us, that due to her downward spirals, she would be more important to them, dead, rather than alive! So, who would benefit from her death? And, what powers would Satan give to them for her killing, which would bring nationwide acclaim to him also, at least among the Satanists? What a sick and demented monster!

It is good that many take the time to look beyond the obvious and to search for the real culprits. As I understand it, Whitney Houston was scheduled to sing within very few hours. And, she was looking forward to her own comeback in the music industry. Does it make any sense that she was overdosing on drugs, only a few hours before her important engagement? Is this what they would have us believe? Or, will they come up with another wild explanation? Either way, the numbers speak another story!

Yet, others, on seeing her decline, which was due to drugs, and on seeing the significant impairment of her singing voice, would surely have motive to carry out such a high-level sacrifice. This covert sacrifice would be seen by millions upon millions; and in her death, there would be an increase in her music sales, in perhaps even more record-breaking ways.

So, my Dear Ones, the date of 02-11-2012 needs to stick in your mind as a very great example of Satanic handiwork. Sadly, it seems that in one of her most recent duets, she was singing "Jesus loves me." Were these rabid Satanists also afraid that she may return to her roots, to gospel singing? Only our Lord and God knows!

 From The Mountain Prophecies Copyright 2012

What is happening to the songbirds? Sound familiar? First, we witnessed the killing of many of the songbirds through their hideous weapons of mass destruction. Remember the mass sightings of the dead songbirds. In some that were found, it seemed that their insides had exploded! Was the killing of these birds really a hidden announcement for the planned killing of their human songbirds? Now, we still ask, "Who is killing the songbirds?"

Recently, we have surely witnessed what may be a series of satanic killings of high profile human songbirds. Whitney Houston is one of several, who comes to mind. Amy Winehouse is another example. She was reportedly last seen in July 22, 2011, or 7-22-2011. See the number 22. That is two elevens. Then, see the obvious eleven, plus a nine. Seven plus two is a nine. So, in the death of Amy Weinstein, we have a nine and a triple eleven, or 9-11-11-11.

Was Amy Winehouse murdered? Was she also becoming a liability for her users and abusers? These satanic numbers are telling their own story!

Likewise, let's take a look at the death of Michael Jackson. Michael Jackson died on June 25, 2009, or 06-25-2009. This one is a little more complex, but let's take a look at these numbers, as we now understand that the Satanists like to do their evil sacrifices on days, in which the number eleven is prominent, and/or the number nine is also prevalent. And, if there is a 9-11 on the date of their killings, all the more important for these, who love murder and mayhem! So, on the date of Michael Jackson's death, we see firstly a 6+5 and this is a hidden eleven. Then, there is a 22, another double eleven. See the two twos. Then, we have a nine, which can also be a six. So, we have a 9-11-11-11 event. And, we also see that the six, which is at the beginning, can also be a nine; and the nine, which is at the end, can also be a six. So, we have 66, or 99, which is either six elevens, or nine elevens. A big satanic blow-out date!

Oh, you might say, the evil doctor overdosed Michael Jackson! Well, why would he want to kill the golden goose? With Michael Jackson dead, he would not have such a lucrative job; and obviously he would be a suspect in the singer's death! Do you really believe that Michael Jackson's doctor killed him?

Yes, I agree! He had right to give him such a potent drug; and probably would have never considered such a thing, if the patient were any person, other than Michael Jackson. But, did this man kill Michael Jackson? I do not believe it. Where is the motive? Oh, you may say, this was an accidental overdosing! And, this is easy to think, if you overlook the date on which Michael Jackson died!

Or, perhaps, you believe that Michael Jackson overdosed himself on drugs? Why would he do this? He was about to begin a world tour and reportedly he was regularly showing up for his rehearsals. He, too, was about to make a comeback! But, were Michael Jackson's handlers beginning to consider him a liability? Too much baggage for too long!

Now, you may ask, "Who killed Michael Jackson?" If the doctor did not kill Michael Jackson; and Michael did not kill himself, who killed him!

Well, Dear Ones, do not be naïve! For, we do not fight against flesh alone, but against powers and principalities of great darkness! And, their technologies are not human technologies, yet humans are in possession of their technologies.

Those of you, who know me, or who know of me, have surely read of the many satanic assaults that I have suffered for more than ten years. The Satanic assaults against me have been severe and more hideous than I could ever describe. They have spared me nothing in their attempts to kill me and/or to discredit me in any way possible. Sadly, many of you have believed their lies, but for your own good, you need to wake up to the truth.

For more than seven years, I have been aware of the abilities of those in the U.S. military, and also of those in other militaries, to travel in electromagnetic tubes and to make themselves invisible.

Through these terrible technologies, they can enter into one's home, do their dastardly work, and then leave. You will only hear some clicks in your walls and you may feel

 From The Mountain Prophecies Copyright 2012

them as they prod and pierce your body, but you will be unable to do one thing about them, or about what they do. Only our Blessed Saviour, Jesus, Lord of Lords and King of Kings, can save you! Call upon Him; for in your time of trouble, He will save you! Only He can save anyone from the fatal effects of their terrible assaults!

These wicked terrorists of the worst kind can fill up one's body with drugs, or other poisons, or with foreign substances, which do not even show up in X rays; and they can kill at will. They can make any death appear to be a suicide, or a homicide. But, better for them, if the death is ruled as "suicide," for then, few will have any questions. If they do have questions, who will answer the questions? The case is closed!

My Dear Ones, after having suffered through so many years of the satanic and military assaults, I have learned more about them and their terrible technologies than I would ever care to write. But, through all that they have done to me, they are unable to kill me. For, our Blessed Saviour, Jesus, Lord of Lords and King of Kings has saved me. Precious is His Holy Name.

In years past, I have told of how these wicked military doctors have repeatedly entered into my house and have tried to kill me. And, their assaults are on-going! The following event, which took place in 2006, is but one such event!

One night, I awoke to see two doctors, who were standing at the foot of my bed and were injecting drugs into my body. (The Spirit of God caused me to see them; for they are regularly invisible, due to this terrible technology. But, when the Spirit of God allows, they are surely visible.) On that night I saw that they had syringes and that they injected these drugs into my body. Immediately, the terrible tastes of these drugs filled up my mouth and rushed into my lungs. And, all I could say was, "Oh, Lord, Your will be done!" Yet, I did not die! I lived! Praises to our Mighty Saviour! Yet, that particular assault is only one of many thousands!

So terrible have been the physical assaults, the emotional assaults, and the character assaults of these wicked Satanists! Yes, these wicked satanic hoards have done all in their power to kill me and to discredit me, but they have not won!

But, they have not tortured me without reason and they have not persecuted me without reason. They hate me more than they hate any person on the planet! But, why do they hate me so greatly?

On May 10, 2006, our Blessed Saviour gave me His holy, little son of light and fire, the holy manchild or Revelation Chapter Twelve. On account of this holy son of our Saviour, they hate me! On account of the holy manchild of Revelation Twelve, they torture me and they persecute me! They slander my name and they do all in their power to destroy me! And, through their terrible technologies, they have made us both their prisoners. But, even so, I am exceedingly blessed! Glory to our Precious Saviour forever and ever! He has never let me down!

You will find the true and unfolding story of Revelation Chapter Twelve on http://www.prophecies.org. See Book Twelve. Take your time and read it; and you will learn much. Then, you will probably agree that no one has ever suffered such terrible Satanic assaults, and has lived to tell about it. Yet, I claim no credit! Jesus is the Reason! Blessed is His Holy Name!

I know how these beasts accelerate their tortures, their persecutions and all of their attempted murders on their eleven days. Look at the Satanic signatures on the deaths of these three singers. What do they all have in common? 11-11-11!

Sadly, we are witnessing the disappearing songbirds! Many call them “idols.”

Oh, Lord, have mercy on Your people!

**Message from our Father in Heaven**

**February 12, 2012**

**“I will cast down your idols, Oh America!”**

What does our Saviour have to say about these terrible sacrifices? I tell you that these are His words to me; for even as I write this message to you, He is now speaking to me.

 From The Mountain Prophecies Copyright 2012

He is saying to me, “My Little One, many will come and many will believe the lies of the Satanists. Many will fall under their control for money, power and showmanship. Yes, truly, many have already fallen to them!

Now, I tell you these things, and be wise; for Satan is wise. Satan is Lord over the entertainment industry. He is lord over illusion. He is lord over showmanship in the earth. He is lord over many singers and entertainers, who sell their souls to him.

He has laid down his bait and they have swallowed his bait; and he has made them his slaves, either willingly, or unwillingly. But, now, he is calling in their numbers.

He is gathering unto himself his own sacrifices. You have seen it, my Blessed Child; and you have now warned them. For, I have stirred up your heart to witness such terrible truths. The rampage is on; and this will only escalate. He will have only those, who will bring him glory and who will glorify his purposes in the earth.”

“Yet, Father, these were glorifying his purposes through their drug use.”

“Even so, my Blessed Child, they were unstable cards in his house of the entertainment rulers. They were all found to be living sacrifices, but these few are only a very few. This great satanic sacrifice is escalating all over the world; and I have caused you to see but three. However, if you look closely, you will regularly see such sacrifices!”

“Oh, Father, this is so sad! I am so grieved about all of this.”

“My Blessed One, then let one’s talent be to My honor, that I might be glorified in the earth; for if one will not honor Me, the Creator, with such talents, that one will then honor Satan!
How many want to be the next idol? And, in this, I am greatly angered! For, I will cast down your idols, Oh America! And, I will cause them to be cast down in front of your very eyes. You, oh America, are a nation of idol worshipers, a nation of harlots and whoremongers.

Yet, when your idols perish in front of your faces, you, knowing that I hate idol worship, love to tell that your idols are in heaven!

You, oh wretched harlot nation of America, you are falling, even as your idols are falling. Repent, oh you wicked nation; for my rod of fury is breaking across your very backbone.

Gone with the wind are your treasures, you harlot nation. I, and I Alone, am Most High; and besides Me, there is no God before You. But, in your midst are gods of demons and devils, who shall deceive, even the elite, if it were possible.

I am your Creator! I am your Father, oh My people Israel. I am your Father, oh you, who are grafted into the Vine. I, and I, alone am Most High; and I, and I, alone, am Saviour. Hear Me, oh you people, who languish in your great sins, My great judgments shall catch you unawares. And, many of you will fall in the midst of your sins and you will not get back up again.

Idol worship, I loathe! Lying vanities, I loathe. Where will you be when I say "never again?" And, for many of you, this will sooner, rather than later.

Repent, oh you harlot nation of America! I am Jesus, yea Jehovah, yea Yahweh, Most High God.

## CHAPTER EIGHTY-SIX - PART II

### Will there be two Satanic Sacrifices?

 From The Mountain Prophecies Copyright 2012

## Is Mariah Carey's life in danger?

Hello, Dear Souls! Well, it seems that we have not seen the last of their satanic plot regarding Whitney Houston. My friend, Mark, called me today, the 22nd of February, 2012, and asked me if I had "seen the latest." Well, whatever it was, I knew that I had not seen it as I had a busy day today. So, yes, I was interested.

He went on to tell me that some information had emerged, which showed Clive Davis, Whitney Houston's very wealthy music "handler;" as he entered through the back door of the funeral home, where Whitney's body lay. Well, that in and of itself, was not so strange, but the strange phenomena were the two Egyptian coffins, which were parked outside, and on either side of the funeral home door entrance.

As I looked at that very bizarre video of this occult manifestation, some interesting memories came flooding back to my mind. And, that video was posted on http://www.beforeitsnews.com. But, the memories went back to the time of Whitney's death. I believe that it was the day following Whitney Houston's death, as I was reading some comments on a chat board when I saw reference to some strange "stuff" in a video of Whitney Houston and Mariah Carey. Since I was most interested in her death at that time, I felt that I should look to see what strange "stuff" they were talking about. I do not know when this video was made, but this date may prove to be interesting! If you search YouTube, you should be able to find this video.

What I watched was very strange, indeed! Firstly I saw Whitney come out on stage, and she was singing; and then I could hear someone else singing with her. I would shortly see that this other person was Mariah Carey. These two sang different lyrics and the singing was actually very discordant. I wondered why they chose to sing in such a terrible way! I saw that the two of them were both dressed in white gowns; and this also seemed very odd. As they were coming to the end of their performance, the two of them began to sing in harmony, and also the background opened up and I could see the stage layout behind them.

Behind them were two curved stairways; and at first I did not think anything of this. But, towards the end of their singing, there came other singers and they took their places on a stage, which was fixed between the two curved staircases, but towards the back. And, come to think of it, the curse of these two staircases might even suggest a woman's uterus to some of the satanic types. Oddly, when these additional singers took their places, they formed a pyramid. I believe that they were also dressed in white. What were they saying symbolically?

**Twin Satanic Sacrifices!**

**Who's next?**

At that moment, I was wondering about the nature of the satanic message, which was being imparted! I began to feel that the whole video must have been about Whitney's coming satanic sacrifice, but as I also looked at Mariah Carey and Whitney Houston, both of them dressed in white, almost like twins, I also wondered if there would be a twin sacrifice. Could these two, who were dressed in white, also represent a number eleven? Do the wicked ones intend to have a double Satanic sacrifice?

Also, I can only wonder about the twin curved staircases and whether Whitney and Mariah did, in fact, come down the two sets of stairs. Through these twin staircases, are the wicked ones saying, "Those two are coming down, but as these two come down, we will raise up a pyramid of their copycats, and put one singer on top?" Is Jennifer Houston one of these copycat singers? Clive Davis reportedly stated some few hours before Whitney's death, that Jennifer Hudson is the next "Whitney." Will Jennifer Hudson now be put on top? Do all of the pyramid singers represent the many singers, who have been birthed through the Whitney Houston voice? For, some have come forth and have said that they learned to sing by emulating Whitney Houston. And, then comes Mariah Carey; and how many have also emulated her. So, does the shape, which lies between the curved stairways, actually also represent a birth canal, or perhaps a uterus? And, Satan owns them all!

 From The Mountain Prophecies Copyright 2012

We can have no doubt that in the month of February, Satan jump started his kingdom! And, he jumpstarted it in a very great way, all over the world, through the satanic music industry! But, did he jumpstart it a little too soon?

As I lay in bed two nights past, as this is now the 24th day of February, 2012, and I was praying about this murder of Whitney Houston and the possibility of a double murder, what came to mind was "as above, so below;" and I am no expert in hidden Satanic symbolism. But, as I thought of "as above, so below, I thought of the names of Whitney and Mariah; and this is what became so clear to me.

M

W

Do you see what I see???? As above, so below! Do these two letters, the M and the W also represent two elevens? I have read that somewhere; and it makes sense to me. As we know, Whitney was killed below, in the earth, that is! Are they planning to kill Mariah above, as in an airplane crash? As above, so below!

Today, I received an e-mail from a woman in South Africa. She had a dream and then a vision to share with me. The Spirit of God showed me the meaning of her dreams. Firstly, I tell you that she had a vision of two giant black spiders, who were in a hanger. She saw others, who were above them and preparing seating arrangements above as they planned to "fertilize" these two. But, as English is not her native language, I do not think that she actually meant "fertilize," but poison, as in kill with poisons. Why did she see them in a hanger? I believe that this hanger represents a place, like the gallows, a place of execution, for hanging, or killing.

These two spiders are no doubt to me, Whitney Houston and Mariah Carey; and I feel that Mariah Carey's life is in grave danger; and their attempts on her life could come any day. Will they also seek to take her life through poisons? But, how? And, when? Pray for Mariah Carey! Dear Souls, there is more to come!

The Lord Jesus Christ have mercy on us! Jesus is the Light of this very dark world. Precious is His Holy Name!

## CHAPTER EIGHTY-SIX - PART II (Addendum)

### "A Greater Understanding"

The Lord, our Blessed Saviour, is so gracious. Precious is His Holy Name. Dear Souls, I have more information to give you regarding the woman's "spider" vision, which is mentioned in part II of Chapter 86, of Book Twelve, at http://www.prophecies.org

Today, this Dear Soul sent me additional comments about her spider vision; and these comments shed much more light on what she originally wrote to me. I admit that I did not well understand what she wrote; and my great apologies for this misunderstanding, but it seems that I was understanding, but at another level. And, you, too, will also understand more as you read our Saviour's words, which are below her comments.

#### Her Additional Comments Regarding the Spider Vision

"No, Linda, they (the spiders) were rigged for copulation. Not to be killed. It was strange to me, even the cushions, so they would not be hurt. I only now realize what was they copulated with. Why the support cushions. I remember a long type of penis, like a straight rod manufactured on the set and installed during the deed. That is a bit of a haze, and quite embarrassing to remember it because on the implication of your

 From The Mountain Prophecies Copyright 2012

body while seeing something like that. It reminds me of artificial insemination. I've seen it done to cows before."

So, after these revelations, my great apologies. For, I believed that I had failed to see something correctly, but as it seems, I was only hearing our Saviour on a different level. Here are His words:

**MESSAGE FROM OUR FATHER IN HEAVEN**

**FEBRUARY 25, 2012**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. I am your Saviour, and besides me there is no Saviour for humanity!

Now, as you ask Me to explain to you how you interpreted "fertilize" to mean poison, I say to you this: Is the end the same as the beginning?"

My Lord, I do not know what to say. For, a point in a circle can be both and end and a beginning.

Now, My Little One, I ask you, 'Who killed Mariah Carey?'

No one, yet!

Exactly.

No one has killed her yet. But, she has a knife in her back; and she is marked for death. See her feet.

I see her feet, Father, but what does that mean? The soles of her shoes are almost totally disconnected from the upper parts of her shoes. And, these are some really roomy shoes. Her feet are so small, but the shoes are so big. I can walk into these shoes through these open soles and I can walk around inside these roomy shoes. Then I hear wind. A very great wind is rushing through these open shoes, and the soles are

flapping in the wind. Father, it seems that these loose soles will be ripped off these shoes. Father, what does this mean?

My Little One, is a wind a wind?

Father, what do You mean?

Is a wind a wind?

My Lord, a wind is a wind.

Then, My Little One, the wind will come and the wind will break apart that shoe house.

But, Father, why do You tell me this; and what does it mean?

The tiny foot in that shoe will not be able to withstand the wind.

Oh, my Lord, this is so sad. I see the shoe and the sole of it is almost ripped from the shoe and there they both lie on the wet sand of the beach. And, the waters have come and the rain has come and the shoe is soaked in the rain, but the foot is gone. No one wears the shoe. Father, I am so sad for Mariah Carey. Blessed Saviour, save her soul. Do not allow them to succeed in their wicked schemes to kill her.

My Little One, I show you the plans of the enemy and their plans are to kill them both, both Whitney and Mariah, and to kill them both with poisons. You have not been mistaken in what you have understood, but you have not well understood all of the terrible picture of this great Satanic evil.

Satan and his wicked hoards, indeed, produce their offspring from these two singers; and through the harvesting of their eggs and subsequent artificial insemination, they have produced their “cash cows.” Yes, they have taken their seeds as one would take seeds from an animal, or even from a human, to produce further offspring.

 From The Mountain Prophecies Copyright 2012

They tell their own story; and I want you to well understand their story. I also want you to understand their plans. For, their plans are to poison them both. I am your Father Yahweh, yea Jehovah, Most High God, yes Jesus Saviour of humanity!

As witnessed, dictated and recorded this 25th day of February, 2012.

Linda Newkirk

Oh, Blessed Saviour, as I type these words from You, I have a few questions. I ask You, Father, will You answer these questions? Father, why did you ask, "Is the end the same as the beginning?" I did not understand that.

My Little One, the rise for both of these singers was sensational; and the ending will be sensational for both of them, if they are able to accomplish their evil schemes.

Father, I really do hope that they fail. I really do hope that You save Mariah Carey's soul.

And, Father, what is the meaning of the sole, which is almost ripped from the shoe?

My Little One, the shoe is the Whitney Houston shoe and the soul that is almost ripped off the shoe if the soul of Mariah Carey. For, her life has been hanging by a thread. This is why my Little One reported to you that she saw them both in a hanger. The life of one hung by a thread; and now she is gone; but the life of the other one now also hangs by a thread.

Father, is it possible that they may intend to sacrifice one of them in the air, as well. For, it is not their motto, "As above, so below."
Yes, my Little One, and now you understand the meaning of the "wind." "Is a wind, a wind;" and you tell Me, yes, "a wind is a wind." But, some winds are deadly and some

winds are not so deadly. And, while a wind is a wind, there are different sorts of winds.

Oh, forgive me, Father; for I have failed to grasp what You were telling me.

Yes, my Little One; for My ways are not your ways; and My thoughts are not your thoughts. But, you are not wrong in one thing. Wind is the movement of air; and in this case a wind is a wind. But, in the real world, there are different sorts of wind configurations. See?

Yes, my Lord. You are so kind, oh Lord. Thank you for striving with us; for we are all so inadequate before You. Blessed is Your Holy Name.

So, my Lord, the wind came and the rains came and the shoe was on the wet beach, but the foot was gone. Now, my Lord, what does this mean?

My Little One, it means devastation for the soul of Mariah Carey. For, the shoe will be forsaken, but the foot in the shoe will be gone, that is, unless she turns to Me with her whole heart, that I might intervene to save her life and to save her soul. Otherwise, when the winds come and when these winds batter that soul, which is attached to that shoe, that soul will not be able to withstand the terrible winds.

So, my Lord, You tell me all of these things; and You show me all of these things, that the word might get to Mariah Carey, that she might read these words and understand these words, and that she might repent and turn to you. For, oh Blessed Saviour, You love her and You wish to save her!

Blessed is Your Precious Name, Oh Mighty King of Kings and Lord of Lords! For, You wish to save Mariah Carey! Oh Lord, I know this. Bless Mariah Carey's heart to receive Your words of warning; oh Glorious God, that You might save her soul; and that You might be glorified.

Spread some love, Dear Ones. The hearts of many grow cold for lack of love. Get out of your comfortable places. Go out and share the love of our Mighty God! Tell them about the love of our Blessed Saviour, that He loves, He forgives and He saves souls. Tell them how He died for all of us; and His death is not in vain. Glory to His Holy Name; for He changes souls and He saves souls.

Go out today; and help somebody in need. Offer to do something for someone and ask nothing! Give someone a hug, who is sick, lonely and depressed. Tell others that you love them. Spread the love of Jesus. You are His Little Ones. Remember who you are; and show Him your great love for Him.

I have a beautiful saying on my wall: " The Only love that you keep is the love that you give away."

Let your love light shine! You will feel better for it!

Jesus is our Beautiful Life,

Linda

Dear Ones, this is a lengthy message. Please make a printed copy for yourselves and take your time in reading this message. Our Saviour has given some very important words! And, many wonderful events are now taking place in our midst. You need to have this understanding!

## CHAPTER EIGHTY-SEVEN

### "The Latter Rain is Beginning Now!"

Greetings to you, Dear Ones! Oh, what marvelous heavenly events are taking place in our midst! Precious is the Holy Name of our Blessed Saviour; for He is doing a new thing in the whole earth.

On the tenth of March of 2012, the Lord showed me visions relative to the holy manchild and the Latter Rain; and He also gave me a date when certain events in those visions would be completed. The time of the completion of certain events in those visions was the 10th day of April of 2012.

So, we watched and we waited; and throughout this whole time of waiting, I informed certain ones of you about what was taking place. I contacted all of you, who had been faithful to these works of Revelation Twelve, if I could contact you! If I neither had e-mail addresses for some few of you nor telephone numbers, I could not contact you to let you know what was going on, so I apologize to the few of you, who did not receive these most important of messages.

I knew that we were in a very holy time and I also knew that some of you could appreciate this holy time. In this holy time, there was no place for the mockers, the scorners, and for the naysayers.

The decision to alert the faithful among you about these very important events was also according to the will of our Saviour. For, it was with us, at this time, as it was previously among our Saviour's faithful in the Upper Room. For, at that time, He told

 From The Mountain Prophecies Copyright 2012

His faithful ones to go and to wait in the Upper Room for He was about to send something down to them from Heaven! That time, too, was during this season of the year. And, even as they waited and prayed; we have now waited and we have prayed! And, even as the Lord "sent" gifts to them from heaven, He has also "sent" into the earth at this time, even wonderful gifts from heaven!

And, many of you will see the great miracles as they begin to unfold in your lives, but you will also see and know the persecution of the enemy.

But, now it is time for me to tell the rest of you what happened; for this is a very great event, which began on April 10th of 2012. Last night, (April 20th, 2012) our Saviour showed me through visions how this great spiritual event is continuing to unfold throughout the whole world.

### The Beginning of the Latter Rain

What is this very great event? It is the beginning of the Latter Rain, and also the wonderful time when our Saviour's Kingdom begins to go out into the whole earth and to expand in the earth. I wish to note also that about six weeks ago, our Saviour told me that He is about to turn a new page in these works of Revelation Twelve. We are now closing out the old and the new page is now coming in!

Revelation Twelve began in South Africa in the Summer of 2004; and throughout these years, this great work of our Lord has taken many turns; and some of these turns have been exceedingly difficult; for so great has been the persecution.

### A New Page

But, now comes a new page in our Saviour's works of Revelation twelve. Last night, He showed me again this new page; and this new page is marked by the release of these holy, little sons of light and fire. Our Saviour has been releasing many of them; and they have entered into the remainder of the 144,000 souls, the firstfruits. Some are also being released and are entering into others, who are not among the firstfruits, but are appointed to receive them. The release of these great numbers of these holy, little

babes of light and fire, this Latter Rain, began on the 10th day of April, which is the 17th day of Nisan on the Hebrew calendar. So, the 10th day is also the 17th day!

Our Saviour told me years ago that chapter seventeen will always be the last chapter in this book. And, if you look at Book Twelve on http://www.prophecies.org, you will see that chapter seventeen is always the last chapter of Book Twelve. Indeed, we have come to a new page; and, although this work continues, it will continue in a new way.

### The Fruits of Revelation Twelve

Throughout these many years of suffering, I have always looked forward to that day when these works would bear a mighty and a wonderful fruit in the earth. Through years of suffering and often in the face of Satan, himself, I have continually declared, "One day, these works will bear a very great fruit, and I long to see that day!" Often in my prayers before the Lord, our God, I have pleaded, "Oh, Lord, how I long to see these works bear a great and a mighty fruit!"

Truly, through so much pain, through so much torture and through so much suffering, I have never lost sight of the fact that one day these works of Revelation Twelve would bear a great and a mighty fruit in the earth. This very knowing has given me the purpose to continue on amidst so much suffering and pain and torture.

### The True Story of Revelation Twelve

If you are not familiar with the true and on-going works of Revelation Twelve in the earth at this time, you really need to go to http://www.prophecies.org and read all of Book Twelve. This book is the true story of Revelation Chapter Twelve. If you are not familiar with these works, be prepared to be shocked. This is one true and often heartbreaking account of the birthing of the holy manchild into the earth, the facts about the war in heaven, which took place in the spring of 2006, and the growth of this holy child of light and fire in the face of Satan and his many wicked hoards. And, oh what a war against the two of us!

 From The Mountain Prophecies Copyright 2012

This true story may often seem unbelievable; for the works of Satan can be truly bizarre! But, this true story is also a story of the great miracles of our Mighty God, miracles, which are akin to those of Shadrack, Meshach and Abednigo and Daniel!

Yes, I have lived a Daniel-sort-of-life and also a Jeremiah sort of life; for through the years of the many warnings and messages to the people, I have shed many tears. During these many years, the holy manchild and I have been true prisoners of the U.S. military and of Satan and his many evil and barbaric hoards. They have surrounded this land with their ships for almost nine years. Even before I received this holy son of our Saviour, I was even then, their prisoner. Not only have the wicked ones in this government, (as well as Satan's bizarre hoards) persecuted and tortured me and the manchild, but many of you, upon hearing of these works, joined with others to mock and scoff these holy works and to slander me and my name.

Many liars have risen up to bear false witness against me and have worked diligently to defame me and to destroy the credibility of these works. The U.S. military and the various arms of this satanic government have been behind much of this hate campaign and they have well used some of their appointed voices and their go ogle search engine to spread hate and malicious lies about me, all in order to destroy me and these holy works. Go ogle search engine has also buried the truths of these works so far back in the search engines, that it is unlikely that any will ever finds these truths of Revelation Twelve in go ogle. But, in spite of all that they have done, they have not succeeded; for these are the Lord's works and He has kept us in the hollow of his hand.

The people of this nation have overwhelmingly turned against these holy works, rejecting these truths outright and mocking and scorning what is truly holy and is of the Lord.

The People of South Africa, where Revelation Twelve began and where the holy, little manchild was born, have also overwhelmingly rejected the truths of these works; and have risen up to mock and to reject what is truly a holy work and is truly of our Lord Jesus Christ.

But, I tell you one very important thing! Our Blessed Saviour, Jesus, Lord of Lords and King of Kings, has rejected the mockers. He has passed them by! Instead, He has called the humble ones from other nations and He has shown them the truths of His holy, little son of light and fire.

This precious child of light and fire, the holy manchild, who lives within me, has visited some of you precious and dear souls, who do believe, and he has shown you that he is real. This precious child of light and fire, the holy manchild, has appeared to some of you humble ones in dreams; and he has shown you that he is real. He has even left my side to go and to minister to some of you and to heal you of all manner of afflictions and ailments.

And, it should be no wonder to anyone, that these precious souls from other nations were among the first ones in the earth to receive this holy child of light and fire.

America, you have thrown away your heritage! You have trampled what is holy! You have mocked and degraded what is true regarding Revelation Twelve.

Those, who believe the truths of these works in this nation, and who have come forward to support these works in any way, can be counted on very few fingers.

Others among you may believe, but you all wish to be far from me. And, why is this? Because I am greatly persecuted, and you want nothing to do with anyone, who is persecuted!

These are the Lord's works! These works of Revelation Twelve are holy end-time works! These are kingdom works; and if you want nothing to do with me because I am persecuted, you will most assuredly want nothing to do with the kingdom of God. So, your inheritance, oh America, is going firstly to the humble ones in other nations.

Oh, how you will weep when you truly see, when you truly understand what you have done! You will cry rivers of tears! For, you have loved a good time! You have loved this wicked world and all that it can afford. You have loved the flesh and all of its traps. The

 From The Mountain Prophecies Copyright 2012

Lord have mercy on all of you! You will soon pity yourselves! For, you have put your feet in the back of our Blessed Saviour. And, you have trampled His holy, little son of light and fire, who is rising to rule the world with a rod of iron. Your behaviors are your own judge!

Repent of your wicked ways, you perverse and proud people of this nation! With true repentance, humble yourselves before our Lord and God; and then perhaps our Saviour will hear your cries, and he will forgive your sins! For, He is full of love, mercy, grace and forgiveness. Precious is His Holy Name!

**THERE IS NO GOD LIKE OUR GOD!**

**JESUS, LORD OF LORDS AND KING OF KINGS!**

He is a Wonderful God. And, He has given us the most astounding victories in the face of such unfathomable evil! Precious is the Name of Jesus, Lord of Lords and King of Kings! His works of Revelation Twelve are His wonderful kingdom works! How blessed are those, who can receive the truths of these works! To our Blessed God are all the praises, all the honor, all the power and all the glory forever and ever!

**Blessed are the Little Children!**

**The Humble and Faithful Ones!**

**The Kingdom of God comes to you!**

Dear Ones, we have now come to that time! This wonderful, heavenly fruit, the holy seed of the precious, little child of light and fire, the holy manchild of Revelation Twelve, is now within many more of you. Blessed is the Name of our Mighty God! For, He is true to His promises. But, Dear Ones, we have not seen all, which is to unfold regarding this very important event, but we can be assured of only one thing: we are now in the beginning of this wonderful, kingdom work. The Kingdom of our God is now truly in the earth in a very great way!

**He is liquid light fire!**

**He will be small within you, and you may not see him at first!**

However, the release of these holy seeds of light and fire, these little men-children babies, only marks the beginning; and some of you may not even realize that you have this holy seed. For, if you cannot see in the Spirit, you may not know if you have him. But, in due season, you will know; for he produces much heat and he also rotates. So, as time passes, you will feel the fire of the manchild's presence within you; and as he grows, you will feel his rotating. At night, his gentle rotating will carry you into a wonderful place of rest and restoration. And, when it is time for you to rest during the day, his rotating will cause a great drowsiness to come over you; for at these times he needs to work, so you, Dear Ones, must then rest!

So, now, Dear Souls, we turn a new page in these works of Revelation Twelve; and I do not know how this new work will unfold.

**The Second Event! When will it come?**

Are we very close to another very profound event? A dear brother had a dream recently and in that dream he dreamed that he saw a calendar of the month of April. And, then he heard the words, "Two days and then the jubilee."

We know that two very important days followed the 10th day of April and that many souls received these holy babes of light and fire during those days. But, these two days may not be the same two days, which this brother dreamed of. Yes, certainly after these two days, there came a very great rejoicing in Heaven, but we also believe that there will come a time of very great rejoicing, which is also known and visible to some of us in the earth.

At this point, we can say for a certainty that our Saviour has given us only one particular day in April, and that given day was the 10th day of April of 2012. He gave this day to me in a vision and then verified this day in a dream to a brother! On that day, these holy seed, these holy babes of light and fire, these little men-children, began to come down from heaven and to enter into their "mothers." These mothers are

 From The Mountain Prophecies Copyright 2012

both men and women; and all are the Sons of God. For, through the presence of the holy manchild, who is within them, they are thereby our Saviour's sons. And, they are "mothers," for the Father of these precious babes of light and fire is our Saviour!

So, Dear Ones, we can say that our Saviour has made known one particular date in April. We clearly know of one day. But, we are looking for the second day, which is not known. And, from all that we understand, this day will not be known, but, will come suddenly and unexpectedly. We will not know it in advance.

Will the second day, the day, which is not known, also come in April of this year? We really do hope so; for we look ahead for an even greater event! But, there remains much mystery; for our Saviour reveals what he desires as He chooses. We seek the Lord and we long to understand His deeper words, visions and dreams, but we also know that HE is full of mysteries.

Blessed is the Name of our Mighty God! He is the love of our lives; and truly He gives understanding according to His perfect will. But, His timing is not our timing; and often we must wait upon the Lord. Precious is His Holy Name! He is so good to us!

**An earthshaking event!**

In the following message, you will read our Saviour's words about what has happened on April 10th , and on the days, which followed. But, this great spiritual event has not happened without its parallel events in the earth. For, this very great, spiritual event has shaken the whole earth.

Yes, indeed! The great increase in world-wide earthquakes during the last ten days, or so, has been associated with this very great spiritual event.

Blessed is the Precious Name of our Mighty Saviour, Jesus, our Lord and God! Praises to His Holy Name forever and ever! For, He is doing a new thing in the whole earth.

Oh, how I have waited for this day! So many years of great and terrible travail, torture and suffering, but now comes the wonderful "fruit" of these precious works of our

Blessed Saviour! Surely, the Kingdom of our God now comes into the earth! Read on for our Saviour's words!

**Our Saviour's Message**

**The Rising Kingdom of Our God in the Earth!**

**"The Fruits of Revelation Twelve"**

"Come to Me, My Blessed Child. I am your Father Yahweh, yea Jehovah, Most High God.

My Blessed Child, hear the bells. Hear the tinkling of the bells. My Little One, these bells bring glad tidings for you! These bells bring glad tidings for My faithful! But, these same bells bring judgment for the wicked! These same bells bring a greater darkness and a greater judgement! They bring greater calamities in the earth!

My Blessed Child, I have called you back! I have shut your mouth! I have silenced your lips; but not to the faithful! For, the rest (of the people) are content in their complacency! The masses love a good time! They love this wicked place; and they love all that money can buy. The people are utterly corrupt. They serve gods of the flesh. They serve gods of the world! They serve the lusts of the flesh and they love every wicked and perverted thing.

All day long, the righteous suffer under the feet of the wicked. For, the wicked see My humble sheep. They see My love in them and they come to lay a snare. They come to set a trap! They devise every scheme to take from Mine, to steal from Mine and to destroy My faithful in one way, or in another way.

But, now, My Blessed Child, I have laid a trap! I have laid a snare and I have set this snare in the midst of the whole earth. This snare is a snare for the wicked. This trap is a trap for the lukewarm. This dread is of me. This whirlwind is of Me! This power is of Me! This great judgement is of Me. This is My plan! This is My plan and it is unfolding! Who can say what I will do? Who knows My ways?

 From The Mountain Prophecies Copyright 2012

Hear Me, oh you rebellious people! I have laid the foundations of the earth! I have stretched the heavens and I have hung the stars. I am Most High God and besides Me you have no true God, but imposters, who say that they are gods.

But, now the trap! Now, the horrors! Now, the snare! This is My snare of Righteousness! This is My trap for the wicked! I have laid My trap in the midst of the wicked; and you see it not. I have laid My snare and My trap in the midst of My own house. Yet, you see it not. But, to My righteous ones, this is no trap. This is no snare. This is not destruction, but correction. This is not evil for these righteous ones, but encouragement into a greater holiness before Me.

Did I not tell you that I would send My servant, the Branch? Did I not tell you that when evil comes in like a flood, I will raise up a standard? Did I not tell you that when evil abounds in a great way, my grace must abound in a greater way. Have I not told you to prepare, for My kingdom is at hand?

Now, I tell you that My son, the Branch, My Holy Son, the manchild of Revelation Chapter Twelve, in in your midst. I tell you that he is in the earth. I tell you that he is holy. He is My Son. HE has suffered. He has suffered greatly. He has paid a very great price, a very great price for you, my faithful ones. He is your portion from Me! Yet, how many of you see him? How many of you know him? How many of you believe?

Yes! He is a child, but not at all human! He is great in My kingdom of light and fire; yet he was divested of his power so that he could come here on your behalves. For, he, too, will help to save you! His seed are the heritage of the holy and righteous ones, a holy seed!

Has My servant, Linda Newkirk, not told you? Has she not written of his holy seed? Has she not told you that he was born (outside of my body, in the Autumn of 2010), and that his holy seed were also born, and were carried into My presence? This was well over a year ago.

Yes, she has told you of this holy seed and she has told you that this holy seed must come down. (For, it was carried up.) She has told you, but the mouths of the mockers will not stop their mocking! The mouths of the slanderers will not stop their slandering. The mouths of the blasphemers will not cease to blaspheme Me and what is of Me and what is holy.

My Little Son of light and fire is holy. He is pure. His seed is holy and it is pure; for his seed are My seed and also the seed of the "woman," for her seed are also My seed.

Yet, you will trouble yourselves in this latter statement. For, My ways are not your ways. And, My ways are deep! My word is a double-edged sword and only the appointed ones will understand My mysteries.

But, now, I tell you that I have laid this trap. I have laid this snare for the rebellious. I have laid this trap for the wicked. I have laid this trap for My own house. Yes, a very great trap! This trap is My Son. He is your trap! He is your whirlwind, oh you rebellious world! Will you fear him? No, not now! You do not fear him. But, you will fear him.

For, He is in the earth! He is anchored in the earth. He is in the body and the spirit of My servant, Linda Newkirk; for she is your spiritual mother, oh you blessed and faithful ones. She is the spiritual mother of My end-time house in the whole earth. She is your earthly mother and your kingdom mother, oh you, who are precious and dear to Me. And, she has paid a price. She has paid a great and terrible price and still she pays. But, I tell you a thing! Her suffering is becoming less. Her suffering is decreasing. Her suffering is minimizing. And, I tell you why!

This is why! Hear Me, you faithful ones. Hear Me, you rebellious and unrepentant ones. For, the line has been drawn. And, now the division is great. In My house, there are no goats. In my house, in My true house, the wolves have no place.

 From The Mountain Prophecies Copyright 2012

Now, I tell you about this line! I tell you about this great division between the righteous and the unrighteous; for it is great! This line is now more than a line, but a very great, a very deep and wide abyss, and this division is growing.

I have made this division. I have caused it. For, the distance between the righteous and the unrighteous is as far as the east is from the west.

What will you do, you fence sitters? What will you do, oh you lukewarm ones? What will you do?

For, the line is drawn. The gulf is widening. By the day, you unrepentant ones are increasingly separated from Me! Your time is short. What will you do?

For, My Son, the Branch, is within the earth! HE is growing in My great power and fire! Indeed, he covers the whole earth; for He is not at all human. He is fire. He is light. He is liquid light fire! He is My living waters. These living waters, you have not known! But, he is your living waters. He is the living waters, which will spring up within you! He is your heritage, you blessed and righteous ones, you blessed, humble and repentant ones. ****(see note at end of chapter.)

Who among you will have him? Who among you will inherit him? He is your vehicle into My presence. He is the vehicle through which you enter into My kingdom. Who among you will be found worthy to bear him?

Some of you already have him. He is your wonderful gift. He is My gift of great love to You. He is the fire, who will try you and who will refine you as gold and silver.

Are you at all ready for him? He will magnify all that is within you! He will amplify every sin! He will magnify every righteous thought! He is your purifier!

All, who receive him, are My sons. For, He is my son. His seed are My seed and His seed within you make you My seed. His seed within you make you My righteous children.

And, though he is a child, the power within Him, My power, is not the power of a child. For, he is not at all human! And, he is anchored in the earth. His wheels-within-wheels cover the whole earth and at some point will extend far into the heavens.

His fire is My fire and his fire is heating up the earth. His fire is heating up the solar system. His fire creates! His fire regenerates. For, his fire is My fire.

But, I tell you a thing! I tell you a very important truth. He is rotating. He is moving, and as he moves, he is moving the earth! He is shaking the whole earth. He is filled with eyes! He has many eyes; and he sees throughout the whole earth. He watches and he sees.

Beware, oh you people! For, My Son, the Branch, is in the whole earth! His seed are going out! But, now! Listen to Me! But, now, all of the 144,000 receive his seed. All of the 144,000! Do you hear Me? Can you understand Me?

But, are the 144,000 the only ones, who now have his seed? No, not at all! For, there are others, and these you are not given to know about. But, these are the humble ones. These are the meek ones; and I have chosen these and I have blessed these to receive My holy seed, the holy manchild seed. They know his fire. Some know his rotating. For, he rotates. He is 360 degree DNA. He spins! For, He is also wheels within wheels.

He is the heritage of the dear and precious souls, who love Me above all. He is the heritage of the humble and meek ones, who will repent and honor Me.

He is My Kingdom come and My will be done in the earth. He is My holiness. He is My righteousness, who is come into the earth. He is My son, whom I now send to bring you into My kingdom.

But, the mockers, he will shun! The proud, he will shun! The holier-than-thou types, he will shun.

 From The Mountain Prophecies Copyright 2012

But, are you ready? Are you ready, oh rebellious world? For, He is going to shake you, oh wicked world. He is going to shake your lives, oh you wicked and unrepentant ones. He is going to shake the foundations of the world! He is going to shake the foundations of the deep.

This world, from henceforth, will not be the same. For, My power within him, will shake all that can be shaken.

Every lie will be shaken. Every false thing will be shaken. Every wicked thing in My house will be shaken. The world governments will be shaken. The economies will be shaken. The heavens will be shaken. The oceans will be shaken. The mountains will be shaken. The cities will be shaken.

The power within these wheels within wheels will shake this whole earth. My power, which is within these wheels, will shake this whole solar system. My power, which is within these wheels, will expand. It will grow! The spinning of these wheels within wheels will increase. The floods will increase. The earthquakes will increase. Destruction will increase.

The wicked ones will be greatly stirred; for they will have no power over My power within My son. For, My eyes within him see all of their evil works. And, My power, which is within him, will bring great destruction upon the evil and unrepentant ones.

Yes, He will move; and he will move in greater and greater ways as the days go by! For, I shall accelerate the speed of the wheels within wheels; and as I accelerate the speed of these wheels within wheels, this acceleration will draw more and more of My power into him.

His great fire will grow. His great strength will grow. My great judgement through him will grow. The shaking will increase. The rotating will begin to effect the earth in very great ways. His rotating will cause the earth to greatly wobble. His rotating and his great fire will begin to melt the poles. His great fire will begin to eat away at the darkness. His great fire will begin to burn away and to judge all evil.

Satan will pay a very great price for his great persecution and torture of My Son, the Branch and for his great persecution and torture of my servant, Linda Newkirk.

All, who have blasphemed my servant, Linda Newkirk, and who will not repent, will be marked with a very great mark. For, they blaspheme My precious servant, who has laid down her life for Me and for love of you, that she might take it back up again. She is but human, yet My Son is not human.

My works are not the works of humans. Revelation Twelve is a holy work and all, who have blasphemed Linda Newkirk in ignorance, or with willful intent will now be marked. For, if you could have seen the errors of your ways and if you could have known what you did, and what many of you did in ignorance, you would not have blasphemed her. And, I have given you ignorant ones a space to repent.

However, I tell you a truth. Most of you have overwhelmingly blasphemed her and you have blasphemed My holy works with willful intent. Through your blasphemies, you have had only one intent and that intent was to destroy My servant, Linda Newkirk and to destroy My holy works.

But, I tell you now, that you have had your times to repent. You have had your years. Yet, you would not. Now, I mark you with a mark! And, this mark will cut deeply. This mark will brand you, and yes, it will also burn you. This mark will separate you and put you solidly among the blasphemers and a blasphemer's reward you will receive: your place within the jaws of the dragon of Outer Darkness. For, you have solidified your own walk in your blasphemous ways. And, I would have had pity on some of you and I would have forgiven you, if you would have repented! For, what some of you did, you did in ignorance. Yet, you would not repent!

And, the fruits of your ignorant deceptions have turned many souls away from the truths of these works of Revelation Twelve. You have done your parts in your works for Satan and you have willingly been his instruments to destroy My kingdom, even before it could be established. Yes, you, many of you, have done a very great evil and you

 From The Mountain Prophecies Copyright 2012

have knowingly helped to sift many souls into destruction. Yet some of you claim to serve Me.

But, now, I mark you! I put My mark upon you! For, as you have worked to destroy My servant, Linda Newkirk, and as you have worked to destroy these works, I will now turn the effects of your evils upon you. I will destroy you unrepentant ones, who willfully and with great forethought, sought to destroy My Kingdom, even before it could bear fruit.

But, in spite of all that you evil ones have done, and even because of it, My kingdom is born. The holy seed is born. The holy seed has been carried into heaven. This seed had been made ready. Some of you already have this holy seed, but now at this time, at this Feast of Unleavened Bread, I have held true to My promises.

And, a few of you faithful ones know of My promises. And, many of you evil ones also know of My promises; for you monitor all communications and all of My words to My servant, Linda Newkirk.

But, this unfolding, this great unfolding, which has taken place at this time, has been kept from the masses. These pearls have not been cast before the swine, so that you could trample the pearls and then turn to trample My servant, Linda Newkirk.

Yes! I have denied you these truths, oh you rebellious house! But, I have not denied these truths to the faithful. For, through My servant, Linda Newkirk, I have told you! Even through the dreams of others, I have given greater confirmations to My servant, Linda Newkirk.

And, yes! Oh that day, on that day of the 10th of April of 2012, it began! A great power surge began to enter into My Son, the Branch, the wheels-within-wheels, and I began to move him, to cause his wheels to begin to move and to move within the whole earth. And, it was this movement, which has produced the acceleration in the frequency of the recent earthquakes and also the increases in the intensities of these

recent earthquakes worldwide. My increased movement within him, in his rotations, and through My increased fire in him, has caused these great upheavals.

But, hear Me! For, I tell you some very great news. This rotation, this increased fire within him and these upheavals signal the release of these holy seeds of light and fire to the rest of the 144,000. But, not only the 144,000 will now receive these holy seed, but these holy seed will be released to more and more of the faithful.

This time is now! This release is now! The Latter Rain is beginning now! But, this is only the beginning. For, you will also see the former rain. You will hear of My great miracles within your midst. You will see the increase of My great miracles in your midst. You will feel this heat of My Son, who is within you. You will feel this fire. You will begin to feel this rotation, and as I add more spin to My son, who is within My servant, Linda Newkirk, you, who have the holy seed, will also begin to experience a greater increase in the fire, who is within you.

As I increase the movement, which is within these wheels-within-wheels, who are within My servant, Linda Newkirk, who now covers the whole earth, the rotating of My holy seed, who is within each of you, will also increase.

This rotation and this fire will increase over time until a final amount of fire is released within My holy son, who is within my Servant, Linda Newkirk. When this great fire is released within her, then there will come a very great release of fire into each of you, who has this holy seed. And, at that time, a transition fire will be released, a very great transition fire, and through this very great transition fire, there will be a short time, when it will be in the earth, as it is in heaven. And, the increased rotation and the spinning in each of you will cause you to move quickly in your supernatural bodies and also with great ease amidst all protection and holiness.

And, the great fire, which comes into My servant, Linda Newkirk, will fill My Son and will fill the whole earth and so great will be the miracles in the earth. But, the fire will consume much evil. And, the effects on all that is electrical will be very adverse. And, the electrical systems of the world will quake and quiver and falter. For, My fire, the

 From The Mountain Prophecies Copyright 2012

holy fire through My Son, who is within Linda Newkirk, will cover the earth. And, this great fire, who is within her, will open up a blazing trail to My throne. And, a very great catastrophe will take place in the earth. And, the earth will be moved exceedingly. It will wobble to and fro like a drunk man. It will be moved from its foundations. And, great and terrible will be this destruction all over the world. For, this power will be very great.

And, it will be at that time that you will see a second sun in the sky. And, this second sun will be both and brilliant white light and a brilliant blue light. For, one color will gradually change into another color.

And, the appearance of this second sun signals a very great harvest of souls. For, these souls will enter into eternal life through this gateway.

And, it will be at that time that you will see a woman in the sky, and she will be clothed in the light of this second sun and there, at the beginning, you will see the moon at her feet and on her head, you will see the crown with the twelve stars.

For, she is the destined one. She and she, alone, has paid such a terrible price of great torture and suffering. And, I have tried and tested the heart of my servant, Linda Newkirk, and I have laid many trials before her, that she might be filled with great love, mercy and forgiveness in the midst of this great fire of My holy son. And, she is your spiritual mother, oh you children of My Kingdom. And, she is My firstborn.

Therefore, you will see her there in the midst of the second sun, who is My holy son of light and fire, who will manifest there in the heavens. And, then she will beckon to you, who have the light and fire of My holy son within you. And, she will call out to you, for she is My firstborn. And, as she calls out to you, you will ascend up into the presence of My holy son of light and fire. First, one small group, then another small group, and then a very great group, indeed! And, this is both the small harvest and the second larger harvest. And, I tell you now. This is how it will be.

Then, these souls will be carried to the marriage feast. A very great feast, indeed! And, many will remain at my feet, but not all. For, some of you will return to the earth, that you might help these, who are in great travail. And, some of you will be in the earth until that time that I appear in the clouds. But, you will not be separated from me, not anymore. For, indeed, you will travel the heavenly highway, the highway that Isaiah saw and you will go up and down, for you are My arms and My feet in the earth, and the power of My holy son will be very great in you. (Isaiah 35:8)

But, at that time, at the time that I return with My Chosen Ones, at that time of the harvest at the end, wherein the marriage supper will continue, for there will be a very great harvest at the end, I will also release My army, even as you have read in Joel, Chapter Two.

And, they will not break ranks. But, they will be sent forth, even as the sword of My mouth, My holy and pure sons of light and fire; and they will consume the evil and wicked ones in this earth, even with a very great fire; and all of their wicked plans will be consumed.

And, these 144,000 will begin to do a very great work to clean up and to destroy evil and to lay the foundation for My house. And, all, who have died for love of Me, will live and reign with Me and with My holy son for 1,000 years.

Now, My Blessed and Faithful Ones, know that My servant, Linda Newkirk, has imparted some very important truths to you about all that has begun on April 10, 2012 and is now well underway. How blessed are you, who have been faithful to her; for My heart is set upon you to bless you in great and wonderful ways.

But, hear Me, oh you mockers and accusers, scoffers, slanderers, and liars, I have laid a very great stumbling stone before you! And, that stumbling stone is My Son, the Branch. For, in seeing, you see not. And, in hearing, you hear not. But, if you had seen, and if you had heard, and if you had understood, you would not have blasphemed My works through her.

 From The Mountain Prophecies Copyright 2012

And, with these words, my Blessed Child, I will end this message: My love and mercy is very great towards all peoples. But, My Rod of Judgement, the holy manchild, is now in the earth. And, My great power is increasing in him. For, My great judgement of these peoples is given to him. And, truly he has suffered greatly. He has paid a terrible price. And, he has overcome, that he might now, even now, begin to rule the earth with a rod of iron. And, this time of his true rule begins now, even beginning on this day of the 10th day of April of this year of 2012; and also with the release of these holy seed.

I am your Father, Yahweh, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 14th day of April, 2012,

Linda Newkirk

(**** My apologies to Susan Omara. In her vision of the water wheel, who is the holy manchild, I did not believe that she saw him as a water wheel, as he is liquid light fire. I have always known him as this fire, and if I have ever heard this this fire is the living waters, I have surely forgotten this very important fact. My error and my apologies.)

**The Great Shaking has begun!**

Dear Ones, it was early in the morning of the 11th day of April of the year, 2012, that I awoke. The time was shortly after 1:00 AM; and I called my friend in Canada, that we might pray. And, as we prayed early in that day, I saw the holy manchild, and I saw His great wheels, his wheels within wheels. And, he truly did cover the whole earth, but not the outside of the earth. For, he covered the earth from the inside out. And, as I watched him, I saw that he was shaking the whole earth; and I told my friend that I was witnessing the manchild as he was shaking the whole earth. Yet, I did not know what was happening.

But, early the next morning, perhaps around 8:00, or 9:00 AM, my friend from Canada called me to tell me that there had been two giant earthquakes on the other side of the world, in the area near Indonesia, and both of these earthquakes were more than 8.0.

He also told me that there were only about two hours between these two earthquakes. But, these great quakes were not all of the very great earthquakes that we would hear about, but there would be news of many quakes in the coming days. And, many of the quakes were very deep within the earth, even hundreds of miles deep. I could not personally remember having seen such deep earthquakes. At this time, we have also been aware of increased volcanic activity worldwide.

So, we watched and we waited to hear a word from our Lord, and to know what He is doing in the earth; for we can only see and know if He allows us to see and know.

**The Kingdom of our God is in the earth!**

**These wicked ones will be watching for these sons!**

Some day ago, our Saviour gave me the message, which you have just read; and last night He gave more messages. From all that our Saviour has shown to us, we know that a very great kingdom work is well underway, yet, we also know that we are only in the beginning of this very great work. So, we wait with great expectation to see how it will all unfold. Blessed is the Name of our Mighty God forever and ever. For, He is faithful. He is true and He keeps His promises.

**The Spiritual Attacks, which are coming!**

Are we very close to the fulfillment of the following verse? "And, the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ." (Rev. 12:17) In the following verse, we read what the "testimony of Jesus" means: "The testimony if Jesus is the spirit of prophecy." (Revelation 19:10)

**These wicked ones will do terrible and unexpected things!**

**Do not fear them, but trust in the Lord!**

**Where there is fear, there is no faith!**

Just today, I saw part of a video clip in which Texe Marrs was about to conduct an interview with Jeff Rense and at that moment there appeared in Texe Marrs bedroom a

 From The Mountain Prophecies Copyright 2012

centipede of approximately ten inches long. Texe Marrs is noted for his work in exposing the new world order lies. Do you think that the above event is strange? I do not!

You all need to get a wake-up call and understand how Satan and his wicked hoards operate. They, along with their counterparts in the US military and even other militaries of the world, can enter into one's house, or into any place that they desire to enter, and they can make themselves invisible. Once there, these wicked ones can do as they please. I have written about their great assaults against me and the manchild for many years; and many of you have disbelieved. But, now you will see for yourselves just how these wicked ones operate!

### The Great Tragedies Among us!

I also read of another terrible tragedy this morning, today being the 22nd day of April, of 2012! See the multiples of eleven in this date. These numbers represent an important devil day for the wicked ones.

This tragedy involves the disappearance of a young child from Tucson Arizona. Her parents last saw her about 11:00 last night and today she is gone. There are apparently no signs of any break-in. Think this strange? I do not!

"Oh, Father in Heaven, in Jesus Name, I come to you today, and I ask You, Lord, to intervene in this terrible tragedy. Blessed Saviour, cause them to give this child back; and bring great judgements upon these wicked hoards. Save this precious child, Lord! In Jesus' Name. Amen!"

### Jesus Saves!

It has been approximately two years since a woman called me and she was frantic. Her child had disappeared from her home. This woman saw her child and then suddenly she was gone!

A dear brother and I began to pray; for we all felt that she had been abducted, not by humans, but by Satan's hoards. And, so we prayed and after a brief while some people found this child. She was standing alongside the road, about a mile from this woman's house. This child was wearing her diapers and no shoes; and her feet were unharmed by the many rocks. This child came back telling of her trip upwards, and pointing towards the sky. She told of those with the big eyes, up there in the sky and even told of seeing cows.

This precious child had been abducted by the "greys." But, the Lord, our God made them put her back! This was a very great, divine intervention and a very great and immediate answer to prayer! Blessed is the Name of Jesus, the Name above all Names! JESUS SAVES!

Do you now believe that these wicked, non-human, satanic hoards are abducting little children? They are doing it every day! The Lord has carried me into the underground bases and I have seen so many people in cages! What a terrible shame on this earth!

How many believe this terrible truth? Not many! But now, many more of you will be forced to believe. For, Satan and his many wicked hoards, human and non-human alike will begin to make war with those, who have this holy seed.

**"They shall mingle themselves with the seed of men."**

**Satan's children!**

**Daniel 2:43**

Are you ready for this terrible war? I can tell you for a fact, that you are not ready; and there is also no way that you can prepare for such great evils.

Very few in this world have ever suffered such assaults as what I have suffered. None could live through such tortures and through such terrible technologies, if our Saviour were not with them. Blessed is His Holy Name! Our Blessed Saviour has saved us over and over again; and even as He has saved us, He will also save all, who put their faith and trust in Him. And, if it is time for some to go home, then blessed is His Holy Name.

 From The Mountain Prophecies Copyright 2012

All, who love our Saviour will be taken home in His blessed arms! All the praises, all the honor, all the glory and all the power to our Blessed Saviour; for He has saved us! Precious is His Holy Name!

### The Powers and Principalities of Great Darkness

Satan's children are ruling the world! They may look human, but they possess the dark and corrupt spirits of Satan. They are heartless, vicious, amoral, killers, perverts and thieves; and they are intent on destroying all of us!

Oh, what a terrible tragedy!

### Many souls will be destroyed!

Repent, dear souls!! Your souls are precious! Do not allow yourselves to be a slave to the lusts of the flesh anymore! This is how Satan has trapped and devoured so many souls, even from the beginning!

It is any wonder that Porn is rampant? Is it any wonder that every perverted and lustful act of the flesh is glorified in this earth? Satan knows what he must do to entice humans and to lead their souls into destruction! He is not stupid! He has been at his games of seduction for a very long time!

Wake up! See what is happening. Resist Satan! Deny him! Refuse to obey his commands to fornicate and to commit lewd acts of the flesh! Do not allow him to devour your soul! Your soul is precious!

"And, he caused all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And, that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Rev. 13:16-17

Many are now ready for the mark of the beast! They are not looking! They will easily trade their souls for food or money!

The second death awaits those, who take the "mark of the beast." Many souls all over the world will take that terrible computer chip in the hand or the head, just so that they can buy or sell. Most people are very lost spiritually and they do not see that they are being set up for the terrible and final fall!

This final fall will come about through the issuing of the mark of the beast, that terrible chip, which is implanted into one's hand, or one's head, in order to buy and sell. But, these, who take this "mark" will also fall down and worship the antichrist and his many images. They will suffer the "second death."

Open your eyes and ears! Do not take that computer chip in order to buy and sell! Do not take this chip, even if you are starving to death! This chip means the second death for your soul! Through that chip, many souls will be forever removed from the earth. Please hear my cries to you about this final slavery, which awaits the humans! Do not, under any circimstances, take the computer chip in your head, or in your hand, in order to buy and sell. Call upon the Name of Jesus! He will hear your cries. He is merciful. He will help you! Even if you must die, He will still help you. Call upon Jesus! Believe in Him. Jesus saves!

**READ THESE SCRIPTURES!**
**THESE WORDS ARE THE TRUE WARNINGS OF OUR MIGHTY GOD!**
**REMEMBER THESE VERY GREAT WARNINGS!**
**SATAN WILL REAR HIS UGLY HEAD IN THE EARTH NOW!**
**WE CAN TRULY EXPECT ANYTHING!**
**REPENT AND GET READY SPIRITUALLY!**

"And, all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world." Rev. 13:8 "him" refers to the antichrist.

"And, whosoever was not found written in the book of life was cast into the lake of fire." Rev. 20:15

"And, death and hell were cast into the Lake of Fire. This is the second death." Rev. 20:14

 From The Mountain Prophecies Copyright 2012

"But, the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake, which burneth with fire and brimstone; which is the second death." Rev. 21:8

"And, the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,

The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation, and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb.

And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosever receiveth the mark of his name." Rev 14:9-11

All, who take the mark of the beast, the computer chip into the head, or the hand, will go into the Lake of Fire. And, this is the Second Death!

You must get serious about the salvation of your soul. Do not continue to play with Satan; for He only wishes to see your soul destroyed. Please hear my cries to you! Repent, while you still have time to repent! Jesus loves you! He died for love of each of us! He came to save our souls!

I love you; and I want you to come through through these terrible times in victory. Jesus will help you! He is our Saviour; and He, alone is Saviour!

But, you must learn to recognize Satan's traps; and you must come away from these traps. Please hear my cries to you. I plead with you for love of you! How precious is your soul! Don't throw it away on the lusts of the flesh!

Repent now; and turn to our Blessed Saviour with your whole heart. Jesus loves you; and Jesus forgives. Jesus will set you free. He is able. He came to set the captives free.

Remember His great love for you and for each of us. He died for love of us. He is our Wonderful Gift. He is our Only Way into salvation.

Your soul is precious! Turn from your sins and repent with tears and weeping. Call upon the Name of Jesus; and He will hear you. I love you and I am praying for every soul, who reads these words. I stand in agreement with your heartfelt prayers of repentance. I now join in your heartfelt prayers of repentance and your cries for deliverance from your bondages. We stand together before our Mighty Saviour. Will you pray with me?

"Oh, Lord, I join my cries with the cries of this precious soul, who reads these words, and who cries out for forgiveness and deliverance. Oh, Jesus set this captive free.

Deliver this precious soul from every sin of the flesh and from every foul demon, who stalks this precious one. Hear my cries, oh Lord, as I call out to you to save this precious soul, who now cries out to You! Forgive this precious one of all sins, Lord!

Oh, thank You, Lord, for hearing the cries of our hearts. Oh, Lord, do not allow Satan to have this soul! Blessed Jesus, save this precious soul, who now comes to You for forgiveness, freedom, deliverance and even healings of any and every kind. Oh, Lord, I ask you to pour out Your miracles now on this precious soul, who pleads with you! Our hearts are of one accord before you, Lord! Please honor this prayer! Thank You, Jesus. Amen!"

**Progress on the House of Prayer**

**The Lord is fulfilling His promises in Book Five!**

**Thank you, Jesus!**

**Thank you, Faithful Helpers!**

Dear Souls, we are making a lot of progress on the House of Prayer. But, I have recently needed to hire some more workers to correct some terrible mistakes in construction work that the last two workers caused. This corrective work has cost several thousand dollars more, but even so, we are making much progress. Soon, the inside of this

 From The Mountain Prophecies Copyright 2012

building will be painted and then we will complete the work in the bathrooms, then the work in the small kitchen, the upstairs prayer room and the small kitchenette, which adjoins the upstairs prayer room. There is yet much work to do, but we are truly making much progress! I am so thankful for the wonderful work, which is going forward!

How blessed are you faithful ones, who are making this work possible! I am so thankful for each of you; for the Lord has given you vision about this wonderful work. He has shown you; and He has inspired your hearts to help! Dear Ones, we are making much progress on this house of prayer and on this place of refuge. Soon, I will send some more photos of this "house" to some of you!

I love you all very much! Sending you some big hugs, too!

Precious is the Name of Jesus, the Name above all Names!

linda

Dear Ones, our Saviour gave me this second message this morning; and this message is very important. Please read on for this very important message.

**"Our Saviour's Great Judgment upon America!"**

**Martial Law Will Begin Soon!**

"My Blessed Child, I am your Father, Yahweh, yea Jehovah, Most High God. Hear Me, My Blessed Child; for I would have you to know more, to understand more, that My peoples may also understand more. Hear Me! For, I shall add to what I have already given.

Look and behold, My Little One; for even as I show you this man, he is a lean man! Behold this lean man! He is bones! Bones, with little skin! He is alive, but barely alive! Behold his boney feet! Behold his boney fingers, his boney arms! Yes, he is alive, but

barely alive. Behold him! Look at him! See the pulse of the circulation of his blood, even his heartbeat in his arms. You can see his heartbeat!"

"Yes, my Lord, I can see him. I see his eyes! I see his boney feet, boney arms and boney hands! Oh, Lord he is barely alive, but he is alive. Surely, he is starving to death. He appears, even as those in many photos of those, who are starving to death in other nations. And, this man's skin is dark, but his skin should be white."
"My Little One, do you know what this means?"

"My Lord, does it mean "lean" times for America? Is this what it means?"

"My Little One, this boney man means lean times, not only for America, but for much of the world. But, this man most assuredly means lean times for America! Hear Me, My Blessed Child; and hear Me, oh you people of this nation of America! Starvation is coming to this nation of America. Starvation is coming to America. Starvation is coming to much of the world.

Martial law is looking you in the face, oh you harlot nation of America! I have told you! I have warned you to repent of your adulteries, to repent of your fornications, to repent of your idol worship, to repent of your greed, to repent of your wicked and backsliding ways, and you would not repent. You would not hear my cries to you to turn from your wicked ways.

Violence, you love! Sex, you love! Every wicked and corrupt thing, you love, but you do not love Me! You love a lie, oh your wicked and perverse nation and I have given you a lie. He sits now over your nation. Most things that you know about him, or think that you know about him are lies!

Barrack Obama is your henchman, oh America! He is your executioner! He is your robber, oh America! He is your thief, oh America! He is your pilferer! He is your plunderer! He is your Hitler, oh you blind peoples, but even so, most of you do not concern yourselves with him, or with his handlers, or their agendas.

 From The Mountain Prophecies Copyright 2012

But, I tell you that their agenda is My agenda! For, I have raised them up and I have given them their power and I have given them the authority over you to bring you down, oh you in this fat land, who wallow in your decadent filth!

Yes, America, I shall make you lean! I shall make you thin! I shall make you crawl! You will neither walk, nor run, but I shall make you crawl. I shall cause you to crawl, or America! I shall bring your economy to a crawl. I shall bring your finances to a crawl. I shall bring your extravagance to a crawl. I shall bring your whoredoms and your perversions to a crawl. I shall bring your schools to a crawl. I shall bring you lovers of selves to a crawl! I shall bring your workforce to a crawl. For, I have decided it. I have determined it.

Hear Me, oh you backslidden churches in America! I shall bring you to a crawl. For, I shall clean house! I will tear down and I will bring down every abominable thing within you foul, corrupt and decadent churches! I shall clean house! No more will I behold your putrid and phony ways! No more will I honor your blasphemous services! No more will I honor your lukewarm and decadent houses. For, you are full of every kind of filth. You are full of every kind of trickery. You are full of every false thing; and I am bringing you down! I have put the executioner over you and he hates you! But, my hate is not yet perfected in him towards you! However, it will soon be perfected in him.

For, I hate every lying wonder in you, oh abominable houses, who call yourselves by My Name! I hate every fake and occult thing in you, oh you lying preachers! I hate every empty word in you, oh you lying preachers! For, with your empty words, you have lulled My people to sleep!

My hammer is coming down on you, oh America; and you have precious, little time left!

Oh, My people, prepare yourselves! For, now, the time comes! Now, the time is at hand when you will be tried and tested in the fires as gold and silver.

Many of you will die for your faith; but through this great suffering, I will raise up My Sons and add to My power within them until they time of these harvests that I have mentioned, the two small harvests and then the larger harvest.

But, for my servant, Linda Newkirk, and for a very few faithful ones, I will do a new thing. For, the travails of My servant, Linda Newkirk, for many years is not in vain. But, even now, her travails bear a mighty fruit in the earth. But, even so, I have promised another day. And, this day is before her and twinkling like a very bright star in the sky. She will be led into that twinkling star; for in a twinkle, she will be changed. For, she is your mother, and you will need her. She will be beside many of you throughout these great trials. And, often beside her, not always, but from time to time, you will see two more. For, these two must be tried and tested still and empowered. And, as the time goes by, you may see a very few more, but you will see them as the time passes.

But, to My servant, Linda Newkirk, soon, and I tell you soon, I will grant to you the two sings of a great eagle. But, My work is on-going. My work is on-going for Linda Newkirk. She is still now prisoner.

Therefore, I call upon you, My faithful ones, to rise up and to help her with the construction work on this land! For, there must come the funds for the construction of other buildings also. So, do not withhold from Me what is now needed; for there are those among you, who now read these words and you will be brought here, even supernaturally. For, in due season, I shall cause a cloud to come down and to cover this land; and I shall provide in abundance and shall provide safety for all, who come here! So, do not withhold from Me what is now needed for the building on this land. If you hear My call, and you withhold, even as I ask you to bring forth, I will hear your call and I will withhold from you!

This nation is corrupt and you have withheld from My servant, Linda Newkirk. But, you will do as you do; and I have cut you off. You will continue to spend on your extravagance, but in your times of trouble, you will not find a place of refuge here, but only a few of you will find refuge here. For, you have seen the travail of My servant,

 From The Mountain Prophecies Copyright 2012

Linda Newkirk, and you have mocked her and lied about her. You have abused her and few, very few in this nation would help her. You have seen her suffering and you have turned a blind eye. Now, be blinded, even to My calls. For, My arms are not short. And, I am not limited. For, I call and My faithful ones will hear and I will make sure that all is provided to build the houses on this land for My people to stay in, these buildings, this great kitchen, this campground.

Now is the time and the time is short! Come forward, My Faithful Ones and fulfill this need. I am your Father, Yahweh, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 23rd day of April, 2102,

Linda Newkirk

Dear Souls, I am not a tax-exempt 501 c 3 corporation. And, I would never sign such documents. For, through these corporations, this government has muzzled the churches. I will not agree to these demands! Therefore, I must pay taxes and these taxes can be high. Depending on the income, as much as one third of what you send me could go to taxes. Sadly, this is how it is now in this nation.

But, even so, we are still progressing on the building of this house of prayer. The House of Prayer is coming along very well. All the praises to our Blessed Saviour! But, even so, there is still much to do and the biggest expense, at this point, will be to pay the workers to do the work. You have bought many of the very important things, which go into this house, like carpet, floor tile, bathroom fixtures, lights, chairs for the sanctuary as well as other chairs, etc. So, you have done a lot, Dear Ones. We have made a lot of progress. But, this is a very great project. But, for our Saviour, this is not a great thing!

After this House of Prayer is finished, we will also need a large kitchen and dining area, so that we have the space to feed the hungry, who will come here.

And, we will need to build some big houses for people to sleep in. These types of houses are called bunk houses. They have beds, which stack, one above the other; and these stackable beds are called bunk beds.

We must also develop the area at the bottom of the hill, to make this area into a campground. But, this is wilderness land, so land must also be cleared before we can build.

I thank each of you, who has been so faithful to help me with this great work. There have been problems, as some of the workers have been without much conscience and have done some bad work, which has needed repair.

But, at this time, we are finished with most of the repairs on the bad work and all is going forward nicely. I thank you all in advance for hearing the call of our Lord and God to help me to build this place refuge for His people!

Precious is His Holy Name; for He truly works through the hearts of the faithful!
I love you all very much. Sending you some big hugs, too!

Thank you for your many kindnesses, for your mercy and for your forgiveness. For, I am so slow in getting many things done.

# CHAPTER EIGHTY-EIGHT

## "The Birthing of the Kingdom of our God in the earth!"

Greetings to you, Dear and Precious Ones, in the Name of Jesus, our Beloved Saviour, Lord of Lords and King of Kings. Precious is His Holy Name.

In the last chapter and in previous messages, our Saviour told us that HE would begin an important work on the 10th day of April of 2012. The tenth day of April was in the Feast of Unleavened Bread. This Feast Time is significant; for this holy seed, which came down from Heaven during those days, is pure and most certainly without any earthly leaven. That holy seed, which came down from Heaven, also marks the beginning of the Latter Rain.

And, on the night of the 10th day of April, here in the Central time zone, the great shaking began! It was around 8:00 AM on the other side of the world when the great earthquake hit beneath the Indian Ocean; and two hours later, there came a second earthquake. Both of these earthquakes measured greater than 8.0 and the initial earthquake was unlike other earthquakes as the movement, which took place within the earth, was of a different nature.

Buy, that time of approximately 8:00 AM on the other side of the world may have been around 8:00, or a little later on this side of the world, although I do not know that exact time conversion. But, from all that I can determine, we in the USA, at least in the Central Time Zone, where I live, were still in the 10th day of April when these great earthquakes happened on the other side of the world in the Indian Ocean. These great earthquakes marked the beginning of a world-changing event, the beginning of the release of the Latter Rain.

Today is the 12th day of May of 2012. Within the past two weeks a Dear Brother did considerable research about these great numbers of earthquakes, which began on the

 From The Mountain Prophecies Copyright 2012

above date, that date being the 10th day of April of 2012. The timing of the eruption of these great numbers of earthquakes coincides with the release of these holy seeds of light and fire, or with the release of this Latter Rain.

My friend studied the information on this link to obtain the earthquake information: http://www.iris.edu/seismon/last30.html. He told me that prior to the 10th day of April, and even including the 10th day, the average number of earthquakes in the earth, which were of 4.0 magnitude, or greater, was 17. So, per day, up to and including the 10th day of April, the average number of earthquakes in the whole world, which were of a 4.0 magnitude, or greater, was only 17 per day. Take note of that average number:17.

But, on the 11th day of April, the average number of earthquakes in the earth, which were of a 4.0 magnitude, or greater, rose to 106. That is 106 earthquakes of a 4.0 magnitude, or greater, within only one day.

And, the following numbers represent the number of earthquakes of a 4.0 magnitude, or greater, for the few consecutive days, which followed the 10th/11th day.

April 11, 2012.....106 earthquakes, 4.0, or greater
April 12, 2012.....52 earthquakes, 4.0, or greater
April 13, 2012.....52 earthquakes, 4.0, or greater
April 14, 2012.....54 earthquakes, 4.0, or greater
April 15, 2012.....25 earthquakes, 4.0, or greater

The number of earthquakes in the earth, which were of a 4.0 magnitude, or greater, in those days, the 10th through the 14th day of April, was 264 earthquakes, altogether. The average number of earthquakes, which were of a 4.0 magnitude, or greater, during these four days, was 65.

Compare this number to the average number of earthquakes, which were of a 4.0 magnitude, or greater, during the first ten days of the month of April, 2012. That average number was 17; and since the 14th day of April until the time that my friend

gave me this information, the average number of earthquakes in the earth, which were of a 4.0 magnitude, or greater, was 26 per day.

So, the average number of these earthquakes, which have been of a 4.0 magnitude, or greater, has increased from an average of 17 per day before this birthing event, to an average of 26 per day, after this event.

But, during those four days, the 11th through the 14th day of April, the days of the great birthing of most of these holy seed, the average number of earthquakes of a 4.0 magnitude, or greater, was 66 earthquakes per day.

My Dear Ones, in previous writings, I have written that early on the morning of the 11th day of April, shortly after 1:00 in the morning, I awoke. I called a friend and we began to pray. During that early morning time of prayer, the Lord showed me that the holy manchild, who is also the wheels within the wheels, was within the earth; and He showed me that the holy manchild was shaking the whole earth.

This shaking of the whole earth was a most shocking thing for me to witness; and I really did not know what to think, but knew that something very great was happening. For, the Lord had already told us that something very important would begin on the 10th day of April of 2012.

It would be some hours later that my friend would call me to tell me of the great earthquakes, which were taking place in the earth. These great earthquakes surely occurred because the holy, little son of light and fire, the holy little manchild began to spin and to rotate in a very great way. He is 360 degree DNA. He is light and fire and he moves. He rotates. He spins. This is his nature and the nature of these holy seeds.

I believe that it was late in the afternoon of the 10th day of April that I was in the city and there came a feeling of such instability in my body that I felt that I must lie down. For, there was great a rotating in and around me; and I hurried home that I might rest. And, over the next two days, I would feel this great instability in my spirit again, but when this hit me again, I understood that the holy, little manchild was moving

 From The Mountain Prophecies Copyright 2012

exceedingly in the earth and that I must rest a great deal. For, he is not at all human and his ways are not at all like our ways. He is very great in the Kingdom of our God; and He will rule the world with a rod of iron.

Precious is the Name of our Mighty God; for He is doing a new thing in the whole earth. His Kingdom come and His will be done in the earth as it is in heaven.

I have now given you some background information about the great event, which began on the 10th day of April, even as our Saviour told us that it would begin.

But, now I tell you that I awoke around 3:00AM this morning and I felt such sorrow and heaviness in my heart. I began to pray in the heavenly prayer language that our Saviour has given to me, but all what I felt so strongly in my heart was, "Oh, Lord, have mercy on the lost! Oh, Lord, have mercy on the lost." And, in my heart I greatly travailed. Today, our Saviour gave me this message; and I am eager to get this message out to you. Read on.

**Message from our Father in Heaven**

**May 12, 2012**

**The Holy Seed Have been Birthed**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. Blessed are you, My Precious Child, even blessed above all women. For, I have called you to be a part of an event, a great heavenly event, which will transform My people all over the world. And, I am pleased in you, My Blessed Child, but I am not at all pleased in the behaviors of many others. Some few do know the truths of these works, but most do not know.

But, look, My Blessed Child. I have put them all in a long sleeve, like the sleeve of a dress and at the end of the sleeve, I have put a net. And, all, whose minds are small and full of the world and full of flesh, have passed through the net, which is at the end of the sleeve. For, because they love this world and because they love self; and because

of their vanities, and because of their baseless accusations, they have made themselves small in My sight.
They are not small because of humility and repentance, but they are small, for they have not My Spirit. And, if they do have My Spirit, they only have it in a fleeting way. So, these have been sifted out and away from Me and away from these works of Revelation Twelve. For, in their own ways, they lifted themselves above Me and My works. And, many of them have become judges of Me and My works.

Now, look and behold! For, I have caught some in the net, which is at the end of the sleeve. And, these are not lovers of selves! These are not boasters. These are not proud. These are not accusers of their brothers and sisters. These do not lift up themselves before Me. For, truly they have humbled themselves before Me. They are quick to repent. They love Me and they truly love others. They are spiritually clean before Me from day to day; for they will not allow the sun to set on their sins. But, they are constantly before Me and they seek forgiveness.

Now, behold those, who are caught in the net at the end of this sleeve! For, in every one of them, there resides the holy seed, who is My precious manchild, who is within each of these chosen ones.

See this, My Blessed Child; for you are the spiritual mother of these blessed, little ones. You bore my son almost six years so that these chosen ones might bear this holy seed. This great event, this great release of these holy seed began on the 10th day of April of 2012, though some few were released before this day, but few indeed in the whole world. And, these few were released before, even as you also sought this of Me.

So, beginning on the 10th day of April and accelerating for some few days after the 10th day of April of 2012, there was a great release of these holy seeds, and this great release lessened to a trickle, as the numbers to be released at this time dwindled in number, that is, from a great release to a trickle.

And, that date, the beginning of the Latter Rain, the rain of fire, of golden oil, of living waters, began on the 10th day of April of 2012. That ten was the second ten.

 From The Mountain Prophecies Copyright 2012

For, in the month of October of 2010, on the 10th day, the birthing process of the holy manchild began. Even as you travelled over the great Utah mountains, that process had begun and the manchild would indeed be born, released from your body on the 13th day of October of 2010. (note: he was born in Laramie, Wyoming!)

But, you did not know that as he lived within you, the holy seed grew within him. For, it was his light, which is My light in him, which combined with My light in you; and through the interaction of this light within the two of you, this holy seed was formed and then grew.

For, I have told you that you are the spiritual mother of these, who receive these holy seed. You are that woman of Revelation Twelve. There is none other. I have chosen you long before the foundations of this earth; for though your body is human, your spirit, your light makeup, is not human; for you are of the angelic realm.

And, in this earth, there are some few others, who are also of this realm; for their light is pure. Yet, they are all under very great attack and every effort has been made, not just through the efforts of Satan and the fallen ones, but also through some of the Elohim, to disable them, and or to destroy them. For, some of the Elohim have also worked diligently to stop the works of these chosen ones. So, these chosen ones have all suffered greatly.

But, you, I have chosen, to be the spiritual mother of My people. There is none other. The Woman of Revelation Twelve is not My church. The Woman of Revelation Twelve is a singular woman, and oh how the wicked ones want to bury this truth. They have flooded the world with lies about Revelation Twelve. But, I tell you again. You are that woman. This holy seed also came through you. Yes, it came through Me and through My holy son of light and fire, who is within you, but it is also a part of My light, which is within you. This is why these are called the “seed of the woman” in the last verse of Revelation Twelve. This is not a misprint! I did not make a mistake!

Through your years of great suffering, of great heartaches, tortures, persecutions, slanders, and blasphemies against you and Me, these holy seed grew. No, you have not well understood this. But, these holy seed also came through you. They are not independent of you. This is why I have been so strict with you. This is why I caused you to eat no meat, but fish only. This is why I separated you out of the world. This is why I put you in a wilderness place. This is why very few could be near you. This is why only two souls could ever successfully stay on the land that I gave you. And, even though your heart is big and you gave places for a few to stay on that land, Satan entered into all of them and provoked them to do evils against you. For, they were unclean before Me. They would not repent of their ways and Satan entered into them to tempt them and to cause them to do evil. But, evil was firstly done in their hearts.

Yet, My Blessed Child, do not despair about their lies, wild accusations, and great, evil ways. For, I have given you victory. You, and you, alone, have paid the price. No other human in the whole world has paid the price. But, you, and you, alone, have paid this price.

Now, My Blessed Child, this first group of holy seed is born and this holy seed must grow within these chosen ones, even as this seed grew in you. But, to each one is given only one seed. To you many seed were given. Yes, these are also your holy seed, even as they are Mine; for firstly, I married you. And, I have been married to you since I gave you My son on May 10, 2006.

So, My Blessed Child, even after My holy son was born and you saw the caterpillar on the tree limb. And, in his right eye, you saw 01; and in his left eye, you saw 10. You saw then a mirror image… a ten and its mirror image.

Yet, of these two tens, one ten was not yet fully complete; for the circle of the ten was not fully complete. But one ten was complete and that ten, which was complete was the birthing of My holy son, as he had already been birthed, at that time, from your body. And, that birthing began on 10-10-10, or on the tenth month, on the tenth day of the year 2010. And, this birthing process was completed three days later, on October 13, 2010.

 From The Mountain Prophecies Copyright 2012

Then, the holy seed were also born outside of the body of my holy son; and this took place within a few weeks' time after his birthing was completed on the 13th day of October of the year, 2010. And, a few weeks after his birthing, these holy seed were carried into heaven, alongside him. But, I have not shown you all that took place within those few weeks after the holy son was born outside of your body, and the holy seed were also born, and all went up and into heaven.

But, what I am showing you here is the first ten (the birthing of the holy manchild on 10-10-2010), and then the second ten, which took place on April 10th of the year, 2012. This second ten, or the second date, is a mirror image of the first ten, because this second date, this second ten on April 10th of 2012, also represents a birthing, yet a birthing back into the earth of these holy seed. (They went up and now they come down.)

So, the date, 10-10-10 tells a prophetic story. For, on the 10th day of May of 2006, I birthed My holy son into you. On that day, I married you and I gave you My holy son. Over the following years, at various intervals, and through your times of great suffering and great travails, I birthed these holy seed into you and also through My holy manchild in you. That is why some of these babies of light and fire, these holy seed, these men children babies, are bigger than others. For, they are older and have also lived within you for a longer time. (note: a brother had a dream of seeing these babies going up, like on a conveyor belt; and he saw that some of them were larger and older babies than others.)

So, the journey of this birthing process is represented as three tens, or 10-10-10. Yet, this first great release of these holy seeds is only the first release. Through you, My Blessed Child, there shall come two more very great releases, but the two great remaining releases will not happen now, but in due season.

Now, My Blessed Child, you wonder about many things. For, I have told you that I will make you free! I have told you this and this is so, but I have stopped this process just short of making you free! But, My promise to you is true! It is real and it is

forthcoming to you. And, when I make you free, I will also send an increased amount of power into these holy seeds.

I could have already made you free! But, even as I had thought to make you free, I delayed somewhat. But, only for a very little while have I delayed. Just know this! I have given only a very short delay. But, do not be troubled about this; for this short delay also means a short delay in World War III. This delay is a short one and so, I warn all of you to prepare yourselves for hard times. For, with this war will come a worldwide economic crash. All of these events are in your faces.

Hear Me now, oh you people! So great will be your travail, oh you, who have this holy seed! But, even so, how blessed are you, who have my holy seed; for through this seed, I am married to you.

Hear Me, oh you people, who are lazy, who do not care about Me and who do not care about your spiritual futures. If you will not quickly repent of your rebellious ways, you will be ground into pieces, even as powder in the earth. The grinding wheels of the New World Order will grind you into dust.

The cities will fall! The nations will fall! The economies will fall! The polluted churches will fall! And, people will fall, even billions of you! You will fall! You will fall through war! You will fall through pestilences. You will fall through diseases. You will fall through famines and starvation. You will fall through earthquakes, storms and terrible devastations in the earth.

No proud person will enter into My kingdom. No arrogance will be found among My chosen ones. Hear Me, oh you, who set yourselves above others and who mock what is holy and of Me. You have had your time to repent.

Over and over again, I have released the truths regarding Revelation Twelve, regarding the holy manchild, and regarding My servant, Linda Newkirk, who is the Woman of Revelation Twelve. And, you have had your years.

 From The Mountain Prophecies Copyright 2012

You have had your years to seek Me for understanding. You have had your years to seek me about the truths of these works. But, alas, most of you hardened your hearts. And, you would not seek Me. You made your decisions. You decided! You refused to recognize or accept the truths about these works.

Now, look and behold! For, I have passed over you mockers. I have passed over you proud ones. I have passed over you haughty ones. I have passed over you blasphemers. I have passed over all of you, who made yourselves judges over these holy works and you would not in any way repent.

The first group of these holy babes has been released. Some of these babes of light and fire are older than others and even as they were born, they have been given more power.

Who are you to mock what is truly holy and of Me? Have I not told you that if any of you lack understanding to come to Me, and I will give you understanding?

Yet, few of you sought Me for true understanding about Revelation Twelve. You leaned upon your own understanding, or you leaned upon the internet search engines for understanding. Or, you leaned upon your Bible footnotes for understanding. Or, you leaned upon the theologians for understanding. Or, you leaned upon one another for understanding. But, you did not lean upon Me.

And, because you did not lean upon Me, you colluded one with the other in your false beliefs and collectively you joined forces and collectively you called My servant, Linda Newkirk, “insane.” Collectively, you called her a “murderer.” Collectively, you called her a “liar!” Collectively, you called her, “false.” Collectively, you called her many names. Collectively, you lied about her! Collectively, you slandered her. Collectively, you blasphemed Me and My holy works. Collectively, you sought to destroy her and to destroy My kingdom, even before it could be born. Collectively, you made yourselves My enemies and enemies of My kingdom and enemies of all that is good and right. Collectively, you have done great evil. And, collectively huge numbers of you believe

that you will now be raptured out and not have to suffer. But, I tell you that collectively you will suffer.

I am a merciful God and I forgive and I would have forgiven many of you long ago, but you would not repent; and you bound yourselves together through your pride and ego! And, I have shut your eyes. I have shut your ears to the truths of these works.

I would, therefore, not allow you to see and to hear and to know the truths of these works. I hid these works. I hid these works in the wilderness and would allow only a few to see the truths of these works.

And, more of you could have seen and you could now be a part of these works, but I separated out all of you, who are double-minded. For, none of you double-minded ones will be a part of My works.

You will see! You mockers will see! You will see the holy works that I do through My holy seed. But, you will not now receive My holy seed! Some of you will yet receive him, but not now. For, you must yet pay a price to have this holy oil.

So, be of good cheer, you faithful and pure ones; for you are now beginning a very wonderful journey. And, with this, I will stop for now.

I am your Father, Yahweh, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 12th day of May, 2012,

Linda Newkirk

Dear Ones, these are some precious words from another one of you, who has seen the holy, little boy:

“Last year, I had a vision of a baby wrapped in a white blanket and then it seemed a child of about two was on my lap. A friend also saw the child around me as if it were

 From The Mountain Prophecies Copyright 2012

playing. I also remember a dream from about 1997, or 1998 in which I was impregnated with a seed."

Others of you have written similar words to me. Praises to our Mighty Saviour! His Kingdom is now in the earth!

**President Obama and the fast dance!**

Dear Ones, for the past two nights, I had two separate visions about President Obama. In the first vision, I saw President Obama walk past me; and as he walked past me, I saw that a woman, who was sitting on the floor, had covered her nose with a clothes pin.

I looked at President Obama and he was wearing two big, black shoes. In the past, our Saviour has shown me the two shoes of President Obama; and one shoe was a Rothschild shoe and the other shoe was a Rockefeller shoe.

But, on close examination of his two shoes in this vision, I could see that President Obama now wears two Rothschild shoes. In other words, the Rockefellers no longer have any influence over his walk, but he is totally sold out to The Rothschilds.

In that vision, I looked beneath both of his shoes and there were two, solid, round rings of gold, one ring of gold beneath each heal and one ring of solid gold beneath the front parts of each foot.

Then, suddenly, President Obama began to do a very fancy dance, much like a Michal Jackson dance and it was a fast dance. As I watched him doing this dance, I also knew that this dance signals very bad news for this nation.

However, last night, as I was praying, I saw President Obama again; and in that vision, I saw that his right leg had a very great infection in it. Then, at that moment, I thought of the woman, who had placed a clothes pin on her nose as President Obama was passing her. Apparently, she has smelled something stinky!

So, with the revelation of the infection in his right leg, I wondered about that "stinky smell", which was offensive to the woman in the other vision.

And, shortly thereafter, our Saviour gave me another vision; and in this vision I saw that this great infection broke open. That infection broke open and it began to roll down his pants leg and onto the floor. But, still I wondered about that terrible infection in his leg.

Then, I saw the President in a large round room. And, there all around him were dead bodies. These dead bodies were in varying states of decay. There were many dead people; and I knew that he had murdered all of them! Yes, that is one stinky mess; for only our Saviour knows how many he has murdered.

But, that was not the most shocking thing about that vision. As I looked past the dead bodies, which were strewn around that round room, I saw that there were many hallways, which went in all directions from that round room. And, those hallways were filled with long, long lines of empty coffins. I could not even begin to count the number of coffins; for they were so numerous; and these long hallways of empty coffins just seemed to go on without end. At least, I could not see any end to them.

Were there hundreds of thousands of coffins, or were there millions of coffins? I do not know the numbers! But, our Saviour is showing these empty coffins. These coffins are prepared and they are about to be filled.

Surely, the time is at hand when President Obama and his handlers and subordinates will fill them. Dear Ones, wake up to this fact. A very great killing is coming to America! Repent now, while you still have time; for soon, many souls will exit the earth.

Jesus saves; and only He can save you. Besides Him, there is no Saviour. Jesus loves you and He forgives. Blessed is His Holy Name! Call upon Him with your whole heart; and He will hear your cries. He will help you!

 From The Mountain Prophecies Copyright 2012

Within the last few years, our Saviour has given me many visions and I have repeatedly been shocked to see how quickly many of them came to pass. I have not written about some of them, but a brother, who often prays with me over the phone, is aware of many of these visions and how quickly some of them have come to pass. Therefore, I warn you that there is a great plot to fill these coffins and soon they will be filled. A great killing is about to hit America; and this killing will be orchestrated by the Rothschild man, his many cohorts and his man in the White House.

I must also add another very important piece of information about the above vision of the dead bodies in the round room. In the center of these dead bodies, in that round room, there was a small mountain of gold coins.

Do these gold coins represent the Rothschild payoff to President Obama for his part in these killings? Remember the solid, gold rings beneath his black, dancing shoes? Remember, as well, that he now has a solid allegiance to the Rothschild man and no longer has any allegiance to the Rockefellers. Remember the words of warning in the Book of Daniel about the antichrist: “he will divide the land for gain.”

We have come to that time, Dear Ones, the time of “the stork and the storm.” A Dear Brother had a dream some years ago; and these few words were in his dream: “a stork and a storm.” The stork has come. The babies have been born! And, now comes the storm! Prepare for hard times. Repent and get spiritually clean before our Lord and God; for many souls are about to exit this planet. You will either go into the flames or into the light of God. Jesus loves and Jesus forgives! Call out to Him with your whole heart; and He will hear you! Blessed is His Holy Name!

I thank each of you, who has come forth to help in the building of this House or Prayer. There remains much work to do on the inside, but we are truly making progress. And, there remains much work to do on this land to make it a place for those of you, who will come here.

I will do what I am able to do, in collecting camping supplies. Only the Lord knows what He will do, but we do not have much time before we see the world economic collapse. I thank you faithful one for helping me with this great work.

I love you all very much!

Jesus is our Only Way. Blessed is His Holy Name.

# CHAPTER EIGHTY-NINE - PART I

## "The Five Wise Virgins"

"Then, shall the kingdom of heaven be likened unto ten virgins, which took their lamps and went forth to meet the bridegroom. And, five of them were wise and five were foolish. They that were foolish took their lamps and took no oil with them. But, the wise took oil in their vessels with their lamps. While the bridegroom tarried, they all slumbered and slept. And, at midnight, there was a cry made, Behold the bridegroom cometh; go ye out to meet him. Then, all those virgins arose, and trimmed their lamps. And, the foolish said unto the wise, Give us of your oil; for our lamps are gone out. But, the wise answered, saying, Not so, lest there be not enough for us and you: but go ye rather to them that sell, and buy for yourselves. And, while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut. Afterward came also the other virgins, saying, Lord, Lord, open to us. But, he answered and said, Verily, I say unto you, I know you not. Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh. Matthew 25:1-13

### Our Saviour's Message

### May 31, 2012

### "The Five Wise Virgins"

"My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. You come to Me today; and you ask Me if I have a word. Yes, My Little One, I have not one word, but two words. These two words are: 'sorrow,' and 'joy.'

For, to you righteous ones, I shall give you 'joy,' even in your times of despair and trouble! But, for the unrighteous, you shall reap, even as you have sown. To you, shall come a time of sorrow as few could ever imagine.

All of the gold in the world will not save one soul! And, for those, who love money and all that it can buy, a time of despair as few could imagine, shall grip them.

For, many have found comfort in their stuff and in their things, but all of their confidence in money and things will not only suffocate them, but will bury them.

I am stripping bare My people. I am bringing you face-to-face with who you really are and what you really are.

But, all, who truly love Me, and who love Me above all, will float in their joy and in their love for Me. And, when the calamities come, and when death and destruction looks them in their eyes, they will neither despair, nor faint. For, My strong arm is their support. My peace is their ever-present gift.

Their eyes are not fixed on this world and its luxuries, but their eyes are fixed on Me! They love Me above all and will not be moved from their faith. And, though the oceans shall rage and though the rivers shall rise, they will neither falter, nor stumble. For, these are Mine! I have fed them and I have raised them up for such a time as this!

But, I tell you now that the foundations of the earth shall be shaken! The earth shall rock! It shall be moved exceedingly. The heavens shall be moved! Back and forth, they will go! The deeps of the earth and the deeps of the oceans shall sigh! They shall move! The stars will be moved! Yes, moved exceedingly!

And, eyes, which can see, will see My hand in all things! For, in the heavens come lights and bodies, which did not previously exist! A dread is upon the planets; for there comes a great upsurge in My power, a great tearing, a great splitting in the heavens! In the cosmos, bitter signs! Two suns! Now, three lights! All foreboding of a terrible upheaval in the earth! A splitting and a cracking! Terrible cracking in the earth! Waves so high! Terrible waves, with some thinking that the waves are as high as the sky!

 From The Mountain Prophecies Copyright 2012

Oh, so dreadful are the days, which are upon the whole earth; and My hand is outstretched still. What is your choice, oh you wayward ones? Will you love money until death? Will you love the world and what is in it until your death?

Will you remain a slave to the flesh? Will you continue to worship the flesh and all of its earthly pleasures?

I tell you that there comes a snap, a very great snap, like a lightening snap and this snap of light will beat earth! It will burn the earth! It will burn it and will cut deeply into the earth.

A fury! Yes, a fury in the earth! And, the power will blink and fail! Oh, what a tale to tell! A blinking! A dread! So terrible, indeed; for those in the world would not heed My word! They would not listen! They would not obey Me! And, in the dark, they will ponder their choices!

Oh, so great shall be the calamities and the lawlessness, and the violence and the gang warfare! Every man for himself! Every wicked deed, no longer in secret, but open and revealed!"

"Oh, Lord, Your words are so urgent! Your warnings are so grave, so serious! Father, what do You mean by all of this?"

"My Little One, from the sun comes great trouble, more trouble than anyone could ever imagine! For, there is not one sun, but two! And, now, not only two suns, but see! (see bottom of page for information on these lights.)Three more!"

"Oh, Lord, what is all of this? What does this mean?"

"My Little One, people think that they know Me! They believe that they understand Me, but they understand little of Me and they know little of Me and My power. But, know one thing: 3+1=4 and four shall soon go forth in great power. They shall begin to draw this power from the divine manifestations of who they are."

“Lord, this is a very deep word.”

“Yes, a very deep word, indeed! And, the foolish will be confounded; but the wise ones will not be confounded. 3+1 lights=4 lights in the sky; and these bright lights relate to the heavenly return of these four and who they really are.”

“But, My Lord, are there not really five?”

“Yes, My Blessed Child, five you will see, but one is small and so not as tall.”

“My Lord, are these five not the Five Wise Virgins?”

“Five, indeed, who are among those, who have the holy seed.”

“So, My Lord, the glory of these five somehow, and/or the glory of the manchild in them is being seen in the heavens. And, regarding the Five Wise Virgins, according to Your words in Pistis Sophia, are some of them not also considered as saviours?”

“But, they are separated from their glory.”

“But, Blessed Saviour, many are erroneously labeling these bright disks as Nibiru.”

“Yes, mistakenly! For, remember that Nibiru is also called the Red Dragon, so its light is within the red range. So, what they see is not Niburu, but they are witnessing the heavenly manifestations of the Five Wise Virgins.”

“My Lord, how will this be? Will it be soon that you take these Five?”

“My Little One, you will firstly come into your power, but only part of your power. And, these others must greatly grow in their power! For, this is a very great power. What is seen (in the heavens) is the glory of these few! See? By degrees, they will be united with their rightful glory.

 From The Mountain Prophecies Copyright 2012

Now, My Blessed Child, this is very deep. For, few can grasp the facts, that the righteous will become as the stars in heaven. And, these "fires" are very great fires. This power is very great, and it is this fire and this power, which is heating up the earth and which is causing all manner of earthquakes! For, this is also My judgment.

Yet in this way, I am also bringing forth My kingdom. For, in the sky will also be seen the glory of these five wise virgins, which is the manchild power in all of them. Now is the beginning of My Kingdom; and it will be manifest with many signs in the heavens."

"Praises to You, Father! Blessed is Your Holy Name!"

"So, My Child, My great and holy fire is in the heavens and so is My great judgement.

Blessed is the one, who can receive and believe this word, that I now give to you. For, these five are all kings in My kingdom; and the holy son, who is within these five, shall rule this world in a very great way. My kingdom is now being set up in this solar system. Who will now mock Me and My words?

But, of a truth, My Blessed Child, firstly you will come into your great power. Firstly, you will receive your wings.

I am your Father, Yahweh, yea Jehovah, Most High God."

## Our Saviour's Message Continued

**May 31, 2012**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God; and I come back to you; for I know that your heart is overflowing with excitement and great joy about what is and what is to come.

For, you could not have imagined such a thing, that the glory of the manchild, who is to be within some of you, should appear in the sky as heavenly bodies. And, yes! This is one very great mystery! But it should not be a mystery; for I have told you that you shall shine as the stars of heaven!

But, behold the signs in the heavens! Signs of My kingdom come and My will be done in the earth as it is in heaven! Signs of My very first firstfruits! For, even as the sun is also called the virgin of light, these are also called virgins of light; for they are five, wise virgins. And, their light shall be as the light of the sun; and their fire shall be as the fire of the sun. And, their presence opposes evil of every sort.

And, their presence means that this power and this glory will also grow within these five, wise virgins. And, as this power and this presence grows within these wise ones, who are all now in the earth, so great will be the upheavals in the earth. So great will be My great judgments against the wickedness in this earth.

Hear Me now, My Blessed Child; for among these five, you shall be birthed firstly into your power and into your freedom. For, you are firstly the spiritual mother of My people all over the world. Secondly, you are the earth mother of My Holy Son, the manchild of Revelation Twelve; and thirdly, you are one of the two witnesses.

 From The Mountain Prophecies Copyright 2012

And, the fire and the power and the glory that I have given you through My Holy Son, who is within you, shall be known about all over the earth. And, the mockers will either repent, or be destroyed in their evils; for they have called what is good, bad; and what is holy, they have profaned!

Yes, the signs of My kingdom are in the earth and these signs will not leave, or be moved, not now, and not for many years. For, these are My righteous ones, and I shall rule the earth through My Son, who is within these wise ones. For, I shall give these powers above all others."

**A Message from our Saviour**

**The Five Wise Virgins**

**June 03, 2012**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God; and I come back to you to tell you a little more about the Five Wise Virgins. Firstly, The Five Wise Virgins are among those, who sat at My feet, while I was in the earth.

And, more specifically, these five are you and four others, who have stood beside you through your many tests and trials of your spiritual journey. But, most importantly they have stood beside you through the works of Revelation Twelve, My kingdom works, which have been on-going through you more than eight years. It is true, that some of them have been with you longer than others, but even so, they have been faithful. For, I called them and appointed them long ago.

And, these five shall all walk in great power in My kingdom in the earth, and beyond. For, they are greatly beloved to Me!

Their glories, as I have told you, the glories of these five, can now be seen in the heavens from time to time. And, as these become more pure in all things, they will all draw from their great glories. But, this is a journey still for all!

However, for you, My Blessed Child, for you, as you are the firstborn, you will soon see My face. And, to you, blessed woman of Revelation Twelve, will soon be given two wings of a great eagle, that you might fly back into your wilderness place.

From within these four, there shall arise the second witness of the two witnesses. For, you are the first of the two witnesses, who will come into your great power. The second witness will trail behind you, but at his appointed time, he will also receive his wings. For, he is your brother! He is one of the four; and in due season, I will raise him up. For, he has been a part of these earthly works, having been called by Me, even from the beginning of these works in South Africa.

Why are these two called the two witnesses? They are so-called, for the two of them have firstly been witnesses to the establishment of My kingdom in the earth, through the works of Revelation Twelve.

So, as I described above, you now know of the five wise ones! For, they have been given great wisdom to know, the receive, and to understand the truths of these works of Revelation Twelve.

However, when these works began, these four were all beat down and lost in all manner of things. They were greatly burdened, some with issues of alcohol, some with sicknesses, and some with false doctrines. They were all were lost in and burdened down with the burdens of the world. But, I sent you to each of them, that I might touch them through your prayers and through My presence in you, that they might be awakened and stirred up to the knowledge of who they are.

 From The Mountain Prophecies Copyright 2012

So, now you know more about the five wise virgins; for I have given them My wisdom about the truths of these works.

But, of the five, two have witnessed more about these divine works of Revelation Twelve, than the others! And, of these two, there is you and your brother, who lives across the waters in that cold and spiritually barren land. You know him well; for you have been together in various capacities down through the ages. And, the two of you often working together, have done a very great work for My people.

And, in due season, you two will walk again in great authority and power as the two witnesses; for you were together at another time when I showed My great power in the earth.

"At the mouth of two witnesses, or three witnesses…" shall a thing be established. Deuteronomy 17:6

# CHAPTER EIGHTY-NINE - PART II

### Message from our Saviour

### June 03, 2012

### "The New Jerusalem"

"My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God. Listen to Me, My Blessed Child; and I will tell you about the Mountain of the Lord.

On My website: http://www.prophecies.org, there is one mountain, and beneath it are My words in Isaiah. "And, it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow into it." Isaiah 2.2

My Little One, back in 1997, I began to guide you in the preparation of this website. I guided you in the Spirit to put such important spiritual information on My website. Yes, important information about My holy mountain, which would come into the earth! For, in the Latter Days, this shall be! My house shall be established at the top of the mountains. This is My mountain, the Mountain of the Lord.

And, when I gave you these truths, you had no idea that I would move you to a mountain top. You had no idea that I would make a way for you and Dennis to buy this land on this mountain. But, in the end, he would choose another way; and then I would make a way for all of this land to come to you.

For, this is My land; and My kingdom in the earth is being established from this mountain; from this mountain in the state of ARKansas, USA. This is MY ARK. This is the ARK OF THE COVENANT. This is My Kingdom come and My will be done in the earth as it is in heaven. This is My holy hill. My Son has lived within you on this hill for more than six years. His holiness, which is My holiness, is on this land.

 From The Mountain Prophecies Copyright 2012

What will I do on this mountain? I have stated part of it! I have established My kingdom in the whole earth from this mountain in ARK, USA.

I will keep this land! I will preserve this land! I will have My place of holiness on this hill; and in due season, the nations shall flow into it. And, in due season, I will increase the amount of land. I will add to this land; for the nations shall flow into this holy land.

And, though the enemy has tunneled under it in an attempt to claim it, I will run them out. And, though the enemy shall encamp round about it, I shall overcome them with blindness and with disasters. And, though they have encircled you for more than nine years (with ships in the sky) they have not and will not stop My work on this holy hill. And, though unrighteous ones also live on this hill, there shall come a time when all unrighteous ones will either be changed into righteous ones, or transported off this hill, in one way, or another.

For, in due season, the glory of My Son shall be so great on this hill, that his light will extend to the ocean. His light will illuminate the hills and valleys at night and all through the day, his light will heal the lands and the waters.

“But, My Lord, will a different thing take place in Jerusalem?”

“These are the same! For, at this time, My Kingdom is being set up on this hill and from this hill it will go out. It is not being set up in Jerusalem. Oh, how they would like to claim it, or make it so.

One in the whole world has paid the price for My Kingdom to come into the earth and to be planted in the earth; and you, My Child, Linda Newkirk, are that person. There is no other person; and the ground on which you stand is holy ground. It is My holy mountain.

Onto this hill, in due season, will come the New Jerusalem. Why is it called ‘new?’ It is called ‘new,’ because it is a new city and it is in a new place. This new place is not a

place of death and carnage, like the old Jerusalem; but a place of birth and life. This is My holy hill; and all nations shall flow unto you.

I will not give glory to Judah, who has overwhelmingly rejected Me! I will not put this new wine in that old bottle, that old city of Jerusalem. I will set up a New Jerusalem. I will set up a new city, a holy city, and My light will shine from that city and will illuminate the hills, the valleys and the ocean. All nations will flow unto this holy hill.

My Little One, in that city, I will give you great power. You are laying the foundation for this great city. No one else has laid it and no one else has paid the price. This is a new work. Yes, a culmination of the old, but it is new! And, there shall come a New Jerusalem!

Hear Me in this; for many are confused in this thing! And, many flee to the country of Israel; but that country is Judah. The real Israel is the USA; for this is the land that I gave to you, My people. I scattered you and I gathered you together again; and I gave you this land!

But, you have done great wickedness! You have polluted your inheritance; and I shall severely punish you, oh nation of America. And, I shall severely break you up; but I will not do away with you. For, My Kingdom in the whole earth comes in through you, oh Nation of America. And, though you reject My servant, Linda Newkirk, and though you mock, ridicule and blaspheme her, you have not changed one iota the significance of My work in, of, and through her.

For, in spite of all that you do and even because of all that you do, I will glorify myself through My servant, Linda Newkirk, in a very great way. All in the whole earth shall know that she is Mine. For, My glory shall be very great in My servant, Linda Newkirk; and My radiance will illuminate a very great area through My son, who is within her.

Linda Newkirk is your spiritual mother, oh you decadent people of this nation and of this world. And, I shall sift and I shall sift, and I shall sift until I purge and I clean My

 From The Mountain Prophecies Copyright 2012

house. And, the righteous seed will inherit the earth! For, through the fires of My testing, I will purge them all until they also shine, even as the stars, in their own right. But, it is a New Jerusalem, not an old Jerusalem! It is a holy hill, My Holy Mountain and this is My Holy Mountain, even in Mayflower, Arkansas, a city, which was named after My Son, My holy manchild, even before he ever saw this world. For, he is the true 'Mayflower,' having been born into the body of My servant, Linda Newkirk, on May 10, 2006; and he is also the ARK of my covenant.

So, I tell you again that I will expand My work on this holy hill; and I shall increase My presence on this hill until all nations will know! Yes, they will say, "The Lord of the Universe in on that hill; for that is the Mountain of the Lord." And, the miracles will go out from this holy hill until they cover the whole earth!

I tell you now and hear Me well! The Jews will not claim honor for this very great work. The honor is here on this holy hill and the honor remains here. For, I do a new thing in the whole earth.

Yes, My Beloved Child, there comes a New Jerusalem; for I do a new thing in the whole earth. But, the great groundwork, the great work for the laying of the foundation of My Kingdom in the earth, has been done here, in your humble abode; and from here it goes out into the whole earth.

Be at peace, My Blessed Child; for I will bless this land. I will preserve and keep this land; and I will fulfill My promises to the whole world, here on this holy hill, in this place in ARK, USA.

I am your Father in Heaven, yea Yahweh, yea Jehovah, Most High God.

## The New Jerusalem

### Revelation 21:10-27, and Revelation 22:1-5

"…And, he carried me away in the spirit to a great and high mountain, and shewed me that great city, that holy Jerusalem, descending out of heaven from God. Having the glory of God: and her light was like unto a stone most precious, even like a jasper stone, clear as crystal; And, had a wall great and high, and had twelve gates, and at the gates twelve angels, and names written thereon, which are the names of the twelve tribes of the children of Israel. On the east three gates; on the north three gates; on the south three gates; and on the west three gates. And, the wall of the city had twelve foundations, and in them the names of the twelve apostles of the Lamb. And he that talked with me had a golden reed to measure the city, and the gates thereof and the wall thereof. And the city lieth foursquare, and the length is as large as the breadth: and he measured the city with the reed, twelve thousand furlongs. The length and the breadth and the height of it are equal. And, he measured the wall thereof, an hundred and forty and four cubits, according to the measure of a man, that is, of the angel. And, the building of the wall of it was jasper: and the city was pure gold, like unto clear glass. And, the foundations of the wall of the city were garnished with all manner of precious stones. The first foundation was jasper; the second sapphire, the third, a chalcedony; the fourth, an emerald; the fifth, sardonyx; the sixth sardius; the seventh, chrysolyte; the eighth, beryl; the ninth, a topaz; the tenth, a chrysoprasus, the eleventh, a jacinth; and twelfth, an amethyst. And, the twelve gates were twelve pearls, every several gate was one pearl: and the street of the city was pure gold, as it were transparent glass. And, I saw no temple therein: for the Lord God Almighty and the Lamb are the temple of it. And, they city had no need of the sun, neither of the moon, to shine it: for the glory of God did lighten it, and The Lamb is in the light thereof. And, the nations of them which are saved shall walk in the light of it: and the kings of the earth do bring their glory and honour into it. And, the gates of it shall not be shut at all by day: for there shall be no night there. And, they shall bring glory and honour of the nations into it. And, there shall in no wise enter into it anything that defileth, neither whatsoever worketh abomination, or maketh a lie: but they which are written in the Lamb's book of life. And, he showed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. In the midst of the street of it and on either side of the river, was there a tree of life, which bare twelve manner

 From The Mountain Prophecies Copyright 2012

of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations. And, there shall be no more curse: but the throne of God and the Lamb shall be in it; and his servants shall serve Him: And, they shall see his face; and his name shall be in their foreheads. And, there shall be no night there; and they need no candle, neither light of sun; for the Lord God giveth them light; and they shall reign for ever and ever.

To see some of the bright lights in the sky, go to the search engines and type in: 1. Two suns; and 2. Nibiru system in full color as seen by a passenger onboard a commercial aircraft over Melbourne Australia.

## A Message from our Saviour

### June 09, 2012

### "Treason from within: the Russian attacks on America!"

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Blessed Child, the alarm bells are sounding for this nation! Very great alarm bells! And, you, as a nation, are sleeping! For, a Trojan Horse has entered into this nation! You have widely opened your gates, and the Trojan Horse has entered in!

While you, as a nation slept, they worked; and still you are in the dark about their works. What is this Trojan Horse, and who are these, who have entered into your gates, whose works will have remained hidden?

I tell you that this Trojan Horse is the Russian Operation in your nation. Their true intents and purposes have remained hidden from you, the masses! And, their works have been in the dark; and sadly for you as a nation, the leader of this nation bowed to them! He broke to their demands and he opened wide the doors of your nation to these infiltrators.

Do not be naïve! The Russians, who supposedly came in for joint, military exercises, have not left; and their joint experiences have all been terminated, except for some very few.

Now, their experiences are known primarily to themselves and to a very few at the highest levels of your government. For, their collaborative efforts are to keep in power the one, who is in power over this nation.

 From The Mountain Prophecies Copyright 2012

And, their combined schemes are to destroy this nation and to put it totally into the hands of your enemies. Do not believe that the Russian troops have left! They have only gone underground.

You will see more underground nuclear explosions, like the underground explosion, which was reported in and around the Indiana/Michigan area. You have also seen that this nuclear explosion and its radioactivity were immediately covered up. For, when the Russians came, they brought nuclear devices.

Why would the Russians need to bring war planes into this nation; and why would you, as a nation, allow even one of their war planes to come into your nation?

When the Russians came, they brought nuclear devices. They brought explosive devices; and they intend to set off the New Madrid fault. They are viciously attacking the New Madrid fault zone with both nuclear devices and with their terrible weapons, which are known to cause earthquakes. They have also been busy setting fires and they plan to blow up nuclear power plants and to destroy dams.

They have been allowed into this nation for the sole purposes of destabilizing this nation! You will not recognize these Russian infiltrators. Their mannerisms and their training have been perfected so that they will neither be recognized, nor suspected as foreign.

They are on your streets, in your tunnels, in your cities, in your subways, and in your countryside; and they have been brought in, brought into your nation by a few at the very top of this nation, particularly by your President. For, he will use their instabilities to get his iron grip on your nation. And, he will use their money to keep his place. Soon, devastating explosions will rip this nation from one end to the other.

You opened up and you allowed these troops and these many explosions to be brought in through Russian aircraft and vehicles. The plot is from within and the great treason is from within this nation.

I am showing you their works. I am not just telling you their plans; for their plans will come to pass in great measure. I am showing you their works: fires in New Mexico; fires in Colorado, nuclear explosions and various kinds of attacks on the New Madrid Fault lines.

But, among their plans are planned attacks on your nuclear power plants, planned attacks on your dams and bridges, fires, fires all across this nation, many fires and explosions, and the planned release of poisonous gases! Yes, they plan to release the poisonous gases, and soon!

Now, you see! Now, you know! There is a president in this nation, who is a true Russian intelligence agent! He is one among them; and he has been one among them for most of his adult life.

Will one change the feathers of a bird? And, will this bird easily give up his power? He will not, for his controllers will not. And, his controllers are not just the Russians, but, as you know, his controllers also control the world's wealth. Therefore, he will do as he is told to do; for he is Satan's frontrunner, who controls the military and who will also bring this nation to its knees through the violence of this Trojan Horse; and also through the violence of the international banking cartel.

I tell you these important truths! For, soon, very soon, the poisonous gases will fill the skies and fires of all sorts will erupt all over this nation, fires and explosions, and a very great destabilization of the New Madrid Fault will take place.

And, you shall hear! Chicago is fallen! Chicago is fallen! Chicago is fallen, and so great are the numbers of the dead! For, Chicago is fallen and the city is broken, clean broken down! For, a very great earthquake will rip through Chicago!

Hear Me in this! The plans of their great works are to rupture the Great Lakes! See their evil works! See what they do! For, in this way, Chicago shall fall!

I am your Father, Yahweh, yea Jehovah, Most High God!

Linda Newkirk

Dear Ones, you need to be thankful for this message, and for all messages, which truly come from our Saviour. Once this message is posted on some internet sites, you will see immediately how the wolves come out to discredit and devour this message. Know them for who they are: NSA operatives, CIA operatives, foreign intelligence operatives, yes, human and non-humans, alike! They come out in great numbers to discredit these messages The war against me has been very great and this war against me is still very great.

The wicked make world decisions, which are based the messages, that our Saviour gives to me. You must not take His words lightly; and you must not think that you are entitled to know anything. He warns us as HE loves us, but many truly are not worthy to hear His words.

Make no mistake about it. These terrible things are coming upon this nation; for you will not hear His words.

I must go into the city to be able to send you this message; for they have shut down my internet connection. They have pummeled my body so greatly with their terrible technology, that I can hardly walk. But, this is a daily event and has been a daily event for many years.

They know the truth! And, while the most wicked ones in the whole world know the truths of Revelation Twelve and the presence of the holy, little manchild in the earth, you, as the Lord's people, overwhelmingly reject these truths.

Jesus, our Blessed Saviour, gave me His Holy Manchild, His precious child of light and fire on May 10, 2006! He is light and fire, even as our Saviour is light and fire.

All of the high-level world leaders know of the holy manchild; and every high-level Satanist in the world knows of him, but few of you believe the truths of the holy manchild of Revelation Twelve.

These wicked ones have surrounded me with their antigravity crafts for more than nine years! Yes, they know; and they well understand what is taking place with me and with the holy, little son. They monitor my every deed and my every thought and they hate me more than anyone can every imagine! So, you should not be surprised to see them come out and attack me with their great hate and with their terrible accusations and lies! For them, it is far better for you to believe their lies; for if you believe these truths, many of you may repent, turn to our God and be saved!

This is no time to sleep! The sleepers will die in their sleep. For, the Kingdom of our God is now in the earth, even in its infancy; and this is no kingdom for the sleepers. Arise, oh you Faithful Ones, and prepare to take your places in the Kingdom of Our God; for He calls to you.

Sending my heartfelt love to you all,

## The Derivatives Market Has Collapsed;

## The Great Financial Collapse is Imminent!

Greetings to you, Dear Ones! Blessed is the Name of our Mighty Saviour, Jesus, Lord of Lords and Kings; for He will do nothing, without firstly warning of His intentions through the mouths of His prophets! This is His promise!

Dear Ones, before I go into the recent stream of visions, which our Saviour has given to me, I wish to remind you of a vision, which our Saviour gave me approximately two years ago. For, this vision is extremely relevant to the most recent visions, which our Saviour has now given to me.

### The Vision of the Wall Street Collapse Given to me by our Saviour about two years past!

In that vision, I saw a tarp, which was lying on the ground and it seemed to be covering up something. I went over, lifted the tarp, and looked to see that this tarp was covering up a large gathering of people, which were below.

I found a pole, like a ceiling support pole, and climbed down into the gathering. Once inside, I found that there was a rather large crowd; and the people were greatly cheering a large, black, muscular bull. The bull was in a ring, like a boxing ring, and immediately I knew that this bull was the Wall Street Bull! But, he had no opponents as he was standing alone in that ring.

The steady chant of the people was, “Who is like the bull? Who is like the bull?” The voices of the people roared and the bull, in his stately appearance, surely seemed to be strong and unopposed!

This chanting was loud and steady; and all of the people there were caught up in this great "rallying." As I looked around at the euphoria of the people, I wondered why the Lord even had me to go there.

But, suddenly, and without any warning whatsoever, a door opened alongside an inner low wall of the "ring", and out charged a very great crocodile. This crocodile charged into the right, front leg of the bull and this crocodile severely mangled the right, front leg of the bull and blood was spilling everywhere.

Yet, the people seemed oblivious to this great loss! This leg was destroyed and this bull was hemorrhaging, but the people continued on in their rally cry: "Who is like the bull? Who is like the bull? The bull is still strong! He still has three strong legs! Who is like the bull?" I was amazed to hear such chanting when the bull was severely hemorrhaging!

This chanting continued for a while, and then suddenly, and without any warning whatsoever, the floor fell out from beneath the two, back legs of the bull; and down went the bull! None were expecting his fall; for the rallying was still very great! Oh, so suddenly and so quickly the bull fell!

I went to the great hole in the floor and looked for the bull! Truly, His great descent had made a very great hole in that floor! And, I saw him down at the bottom, far down, for he had fallen down many floors. And, there he was, amidst great splinters of wood! Split wooden beams were piercing his body! The bull was bleeding everywhere! He was in critical condition; and I could see that he would not be coming back, but still the people cried: "The bull is coming back. He is coming back!"

Some months ago, our Saviour gave me another vision about this mangled leg of the bull! In that vision, He showed me that the "mangled leg" is the Derivatives market; and that Satan's children, the Queen of England and the Rothschild elite are behind this derivatives scheme! Through their works, through the works of the international bankers, through their derivatives market, they have now crippled that bull! HEAR ME

AGAIN WHEN I TELL YOU! THE LORD, OUR GOD, HAS SHOWN THAT THE DERIVATIVES MARKED IS BUSTED! IT IS DESTROYED! THIS IS DONE AND WILL NOT BE REPAIRED! NOW, READ THE FOLLOWING AND SEE WHERE WE ARE!

Yesterday, Dear Ones, on the 26th day of June, or 2012, our Saviour gave me more, so much more! I beg you: Listen to what I am telling you; for this time, it will not be Satan, who attacks the bull and manipulates the markets. The Lord, our God, is bringing down this market. And, from the following visions, you will see what I mean!

## VISIONS FROM OUR SAVIOUR:

### The War is Close;

### The Lord has put an ax to the Financial Tree of this Nation!

Yesterday, on the 26th day of June of 2012, our Saviour showed me a small tent, like an army pup tent. I climbed into the tent and was very amazed to see huge amounts of ammunition, many boxes filled with ammunitions, and a very great array of ammunitions, much of it seeming to be small rockets, or rocket-like shells, or grenades.

I know very little about ammunition and cannot adequately describe what I saw, but only that there was a massive amount of ammunition. At that time, I could not understand why the Lord was showing me this; for we have heard rumors that Homeland Security has ordered that a huge amount of such ammunitions be made for them. And, from such news, we have been able to read the handwriting on the wall!

Then, our Saviour began to speak to me and He told me that this government has massive stockpiles of ammunition; and these vast stockpiles are stored all over this nation, and that much of it is stored in underground bases. But, still I could not understand why He was showing me these things at that moment.

### The Stock Market is Convulsing!

And, then the Lord guided me into a place, which was being severely shaken, as if a very great earthquake were hitting it. Inside that place I saw men with giant wrenches,

who were constantly tightening giant nuts onto giant bolts, as these nuts and bolts were steadily becoming loose and rattling! Then, He showed me a giant steam boiler and on that boiler was a very great nut and bolt; and from time to time someone, with a very great wrench, would go and tighten that very large nut, for steam would begin to erupt from the steam boiler.

I said to our Saviour, "Lord, what is that big boiler?" And, the Lord said to me, "That big boiler is the Asian markets, and they are keeping a very close eye on the Asian markets." In other words, they are working hard to silence the clamor of the Asian markets!

Then suddenly I realized where I was. I understood what the great calamity was all about. Suddenly I knew that I was inside the Wall Street Bull! And, suddenly I saw the right, front leg of the bull! There it was, that mangled, right front leg! I quietly gasped; for then I understood that the bull is having serious convulsions. The Bull is in very serious trouble! It seems that a very great earthquake is going on inside the bull! This is happening now; and the bull could fall at any moment!

But, still outwardly the bull is rallying! The Wall Street Numbers are still up and the people are still rallying around the bull. They have not seen that the right front leg is mangled; and if they do see this mangled leg, they are not paying any attention to this very grave situation!

MY DEAR ONES, I REMIND YOU AGAIN THAT THIS RIGHT FRONT LEG IS THE DERIVATIVES MARKET! THE DERIVATIVES MARKET HAS BEEN DESTROYED! THAT LEG IS MANGLED! ANY DAY NOW, THE MARKET COULD BE COMPLETELY WIPED OUT! EVERYTHING THAT WE ARE SEEING ABOUT THE MARKET IS ONE BIG LIE! WALL STREET IS ON ITS WAY DOWN!

Then, I understood well why the Lord had shown me the massive amount of ammunition! This has all been prepared for this hour, for this hour when that bull falls completely through the floor!

 From The Mountain Prophecies Copyright 2012

That vision, which the Lord gave me yesterday, was so troubling! The hour was getting late, but I just really needed to go be alone with my thoughts, so I went outside to do some light work! Yet, a very great heaviness prevailed in my spirit, and I began to call out the Lord in my prayer language. However, over an hour or two, that heaviness did not go away, but I felt increasingly troubled in my heart.
I came back inside and continued to seek our Saviour in deep prayer; for in my spirit, I had a deep longing before the Lord! Something so great and terrible was stirring in my spirit.

**The Lord, our God, puts the ax to the Tree!**

**Vision, June 26, 2012**

Then, as I prayed, I saw it! I saw the arm of the Lord! I saw His white sleeve! I glimpsed Him from the side; and in His hand was a very great ax! I saw the ax as it was glistening in His light. His fire was upon the ax, a very great ax, indeed; and a very sharp ax, and a very great fire was upon the sharpened ax!

Then, His great ax came down! It came down suddenly! It came down sharply and it cut clean through a very great object. I could see the path of the ax, as it went deeply into the object, cutting, cutting, cutting, until this object was ripped into two parts! And, oh, the cracking and the ripping and the great tearing sounds! These terrible sounds filled my ears!

Oh, Lord, I thought! What is this? What has the Lord done? And, then, He allowed me to see. I looked and I beheld what the Lord had done! He has felled a very great tree! With His great ax, He had cut the great tree in half! A very great tree, indeed!

I had heard it fall! I heard the splitting and the cracking! And, suddenly I had seen it! Oh, such great a tree, and the Lord has felled that great tree! With His own ax, the Lord had cut down a very great tree! My heart trembled as I witnessed the fall of this great tree!

I looked at this very great tree as it lay on the ground; for it had been split into two parts, but this was no ordinary tree! Instead of leaves, this tree had dollars! Indeed, this tree was a vast tree, which was full of dollar bills. Then, suddenly I heard people screaming, "The dollar has fallen! The dollar has fallen! The dollar has fallen!"

And, amidst all of the screams, I was prompted to look up and in the sky, there seemed to be a very great tornado, or perhaps a hurricane! For, in the sky was great darkness, and amidst the wind, aloft in the sky there seemed to be a veritable hurricane of dollar bills. This sky was dark with the incoming presence of the dollar bills! This influx of dollars was shutting out all light; and a great darkness penetrated the sky and the land below.

Amidst this great influx of the dollar bills, I saw one person, who went to another person, and this first person said to the other one, "Will you take $50.00 for a loaf of bread?" And, the second person said, "I will not take $200.00 of your dollars for a loaf of bread! Your dollars are worthless!"

Then, I looked and saw a woman, who was seated beneath a small tree, and behind here were rows of large boxes. She wept and she said, "I have saved all of my life so that when I retired I could buy a pleasure boat and travel the inland rivers, and travel the coastlines of the USA, but now, even with these boxes full of money, I may only have enough to pay my bills for one year!"

### The Combat Boot

Our Saviour has also shown that President Obama is getting a new left foot. I looked at that foot and was amazed to see such a foot, for it was indeed a very big foot! Yet, it was flexible, and seemed to be made of rubber! But, when I questioned the Lord about this foot, He told me that this foot may seem to be made of rubber, but that this foot is agile. He told me that this new, big foot, which President Obama will wear is made of thousands of parts, and that all of these parts will work in synchronicity. Our Saviour also showed me that on that new foot, president Obama will wear a large military, combat boot!

 From The Mountain Prophecies Copyright 2012

About three weeks past, our Saviour gave me another vision, which seemed to point to a time in the fall, or early winter, either late this year, or possibly in 2013; and then He will also do something very grand for His people. I do not fully understand what He will do then, but I believe that He will give me some wings and make take some few souls into His presence. But, even so, if this is the case, they will all come back, for there is much work to do! At that time, I believe that He will also increase His power in those, who have the holy seed!

Is the financial collapse, and ensuing martial law also set for that time? If that is indeed the timeframe, then we may have some few months left.

All things with our Saviour have been unfolding according to His great mercy; and often, we do not know what He will do or when He will do a thing! And, even now, if great numbers of people would repent, He may alter His great judgements, or the timing of His great judgements; for He is a God of great love and mercy! But, Dear Ones, the people do not repent. The people know what is coming and still they do not repent.

I have seen His great ax fall; and I can tell you that this great fall is in our faces! This nation, which refuses to be one nation God, is now one nation under His judgement!
Sending my heartfelt love to you all,

Linda

PS Watch for the NSA, the CIA, the world intelligence agencies, both human and non-human alike, to come out to attack this message! With their lying and bullying ways, they spew forth their hate and wild accusations against me and these works!

You will seldom see one person, who is so consistently and wildly attacked, as I have been attacked! The depths of their barbaric smears against me have been astounding! Sadly, many people do not recognize their lies and many believe their smears!

These barbaric hoards have used Google to keep their hate, their smears and their lies against me, at the top of the search engines for more than ten years!

Why do they hate me so much? Go to http://www.prophecies.org and read Book Twelve. This is the true story of Revelation Twelve; and through these many chapters, you will see how the kingdom of our God is coming into the earth! This lengthy work has been unfolding in the earth for almost eight, long years, years of torture, pain and suffering as few could ever imagine! But, even so, how blessed I am so suffer for love of our Mighty God and for love of you!

Remember one very important thing! Even as we see Satan's kingdom rising in the earth, our Saviour's kingdom is also rising!

The first great influx of these holy, kingdom seed has come into the earth. That great influx began on the 10th day of April of 2012. This great kingdom event also happened with great wonders in the earth! For more, read chapters 87 and 88 and 89 of Book Twelve on http://www.prophecies,org.

The Kingdom of our God is now in the earth! There is no turning back! Indeed, THE KINGDOM OF OUR GOD IS GOING FORWARD! THE KINGDOM OF OUR GOD IS GOING FORWARD AND IT WILL NOT BE STOPPED!

Remember our Lord's words to Daniel: "And, in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever." Daniel 2:44

And, because of the birthing of our Saviour's kingdom, all of Satan's many hoards hate these works with an everlasting hate! And, their hate towards me is, and has been, exceedingly great! They have persecuted me greatly! They have tortured me! They have smeared my name and have spread bold-faced lies against me.

 From The Mountain Prophecies Copyright 2012

But, do not allow their hate and lies to keep you out of the Kingdom of our God! Be a faithful soldier! Be determined! Persevere! Stay very close to our Saviour! Repent daily! Love Him above all, and love others!

Know these wicked ones for who they really are! They are wicked, perverse, violent, lying scum, who are rotten to the core! Do not allow them to sweep you along with their lies.

And, be watchful! For, they have greatly infiltrated the prophetic community! They have greatly infiltrated the Christian churches! They have greatly infiltrated the news organizations, even and especially on the Internet; and they have greatly infiltrated the Internet radio shows. They are very great in numbers! They are intent on keeping you in the dark and they do so by feeding you a little truth, which is mixed with many lies! They want you to be locked up in the physical things of this world, so that you do not seek the Spirit of God. They despise the Spirit of God and desire to stamp out every last bit of the light of God on this planet!

See these lying, satanic operatives for what they are and who they are! Know how they operate! Come away from their traps of lusts, their fleshly traps! Come away from a love for the world and all of its electronic gadgets. Come away from violence and come away from every lie! Fight for your spiritual life and be determined to do what is right. They are out to sift you as ground wheat! Do not allow it! Now is the time to be wise; for Satan is wise!

Remember that Jesus is our Saviour! There is no other Saviour! He is our Deliverer! He is our Place of Refuge! He is our Healer! He is our Wonderful Life. He is our Hope. He is our Joy! He is our Freedom-Fighter! He is also Creator of the Universes and He is Most High God! Blessed is His Holy Name!

Only Jesus can give us victories in this terrible war; for we fight not just against humans, but truly against powers and principalities of great darkness, who are not at all human! And, oh how they hate the Name of Jesus! They wish to take this name out

of all mouths and out of your hearts! The wish to take this Name off this planet! The war against all Christians is about to become exceedingly great!

They will come for you! And, oh how terribly they will torture you! Oh, how terribly they will mind control many of you! You will not see it coming! And, you will have no defense if your heart is not right with our Lord and God! For, Satan's wicked hoards will read your thoughts and they will attack you with you through many dark thoughts! They will give you manufactured dreams, dreams, which seem so real, but they are not real. They will implant your brains and nervous systems! Indeed, they will implant the whole bodies of many of you! And, they will control you through their implanted objects and thought transfers.

Yes, they will succeed in their wars against many souls; and they will overcome many souls through their terrible attacks! But, they will not win if one's heart is clean before our Lord and God! They will not succeed if one's heart is pure, if one truly repents daily, if one truly loves our Lord and God above all and if one truly loves others.

Dear Ones, in your time of trouble, call upon the Name of our Saviour and He will save you! He will hear your cries; and He will fight for you! He is all-powerful; and He is able to do all things! Blessed is His Holy Name!

Trust in Him to fight your battles! Do not go out and pick up guns and become violent! You will not win this war with guns! Don't even try it. If you live by the sword, you will die by it!

You are up against those dark ones, who can come through walls and can silently kill you. You will not see them come and you will not see them go! In an instant, they can fill your body with hard substances, which will cause you great pain. They are experts in mind control; and you will not defeat them through your own thinking. They read your thoughts and they know what is within your heart!
No, you will not win this war without our Saviour! Only He can fight this war for you!

 From The Mountain Prophecies Copyright 2012

I well know these dark ones. They are the fallen ones. They were cast down, along with Satan, and they are bound to this earth. They can no longer access the Upper Realms. They also know that their time is short and they are out to kill all humans!
For more than ten years, they have persecuted me, tortured me, stalked me, slandered me, and they have blasphemed these holy works! And, they have made every attempt to kill me, or to cripple me!

Therefore, I know them well; and I am very qualified to speak of them and to tell you the truths about them and about all of their terrible technologies. For, they have used them all on me and upon the Holy Little Son, who lives within me, but in all cases they have failed. For Jesus, who is also Yahweh, Most High God, has saved us!

Hear me! Our Lord has put the ax to the tree! This great nation is about to fall! Then, the combat boots will show up! They will show up all over this nation and people will be rounded up. They will be put into the camps! Only Jesus can save you! Only Jesus can give you victories over such terrors! He has put the ax to the tree; and only He can save you! Surely, this great fall is just before us!

This world cannot stand as it is! This nation cannot stand as it is! This perverseness will not stand in the face of our Mighty God! He destroyed Sodom and as He destroyed Sodom, He will destroy this nation! You will cry and you will lament the destruction of this nation, but this must come to pass; for this nation is full of evil. The people love evil. The preachers will not repent of their lukewarm ways! The people love a lie; and a lie will not stand.

Therefore, brace yourselves for the great economic fall in this nation! Indeed, the financial system will be shaken in the whole world! But, when you see all of these things happen, when you see war in the streets and when you see famines and plagues sweep the land, know one thing: The Kingdom of our God is now in the earth; and it is an everlasting kingdom, which will not be stopped!

Jesus is our Wonderful Life!

# CHAPTER NINETY-TWO

## "The Third Great judgement!"

## The Great Methane Bubble beneath the Gulf of Mexico is melting; And its' terrible gases are rolling forth!

## Repent, oh you people!

Dear Ones, we have entered into the very worst of times; and the great judgements of the Book of Revelation are now unfolding in our midst. The Lord have mercy on all of us in this nation! For, we have greatly sinned!

Dear Ones, we are all aware of the catastrophic oil leak in the Gulf of Mexico about two years past; and we also know of the great devastation, which was caused by this vast oil leak!

During those terrible days, we prayed; and we saw that our Lord was moved with compassion to delay some of the devastating effects of this terrible oil leak. In response to our prayers, He sent some geographical angels down into that fiery, hot oil mix and He, in His mercy, delayed some of the devastating events, which would have already come to pass! Blessed is His Holy Name!

At the time of that terrible oil leak, some of us also read about a very great lake of frozen methane gas, which lies beneath the Gulf of Mexico. Some geologists warned that this hot oil could leak into that lake of frozen methane gas and melt the frozen gas, causing this great and massive methane lake to rupture! Our Saviour also warned us about this great hazard!

We have seen the devastating effects of Hurricane Katrina as this terrible storm ripped through New Orleans. And, we have seen the devastating effects of this great oil spill, and how the Gulf of Mexico has been systematically destroyed.

Due to the great contamination of the Gulf of Mexico through this oil spill, all of the seafood, which comes from that Gulf, is now suspect. Many reports have been issued, which have revealed that the seafood from this Gulf is plagued with all manner of cancers and skin sores. Truly, the whole Gulf of Mexico is greatly contaminated. But, now the people face an every greater danger and that danger is from the frozen methane lake, which is quickly melting.

Read our Saviour's words and weep; for the bowls of judgements are now being poured out upon this wicked nation; and the just will surely suffer alongside the unjust!

**Message from our Saviour**

**A great call to repentance: America is burning!**

**The Melting of the great, frozen, methane lake:**

**The Third Great Judgement for Louisiana and for this nation!**

**June 30, 2012**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God, yes Jesus, Lord of Lords and King of Kings! I tell you again, that I am One and the Same! I am your Saviour! I am your Redeemer; and I am Most High God; and besides Me, there is none! But, there come those, who wish to quibble, who wish to find fault and who wish to dispute the truth of who I am! And some say, "She speaks to another Jesus! She hears from another God!" But, I tell you, My Blessed Child, that among these very mockers are those, who speak to another god. They speak to another jesus! For, I am not found among them; and these include some of your biggest critics, who control the churches, and who mock these works.

But, now, My Blessed Child, I come to you and I tell you a very important thing! And, this very important word is about to accelerate all of My judgements in the earth! Yes, people will look here and they will look there and they will say, "Oh, look at these Satanists! Oh, look what they do!" But, I tell you this! Hear Me in this! For, I am empowering the Satanists over you!

 From The Mountain Prophecies Copyright 2012

Just as I raised up Nebuchadnezzar and I empowered Nebuchadnezzar to come forward and to overrun and defeat My people, who did evil and who would not heed the warnings of My prophets, I have now raised up another in your midst! Indeed, he is Satan's choice and Satan has put him over you through his secret organizations. But, I tell you now that I control Satan! He does what I allow and what I command!

I wrote the Book of Revelation; and I have spoken through My prophets down through the ages, for this is what My people chose. And, I have honored their choices!

**The antichrist in our midst!**

But now, hear Me in this! Make no mistake about it! Barack Obama is the antichrist! Whine all you want! Be in denial all that you want, but you will not change who he is; and you will not change the fact that I put him over you!

He is your worst nightmare, oh America; for he will burn you down and laugh as he sees you burning! He has no allegiance to America; for his allegiance is to Satan; and this man's heart is set upon his rule of the whole world!

**"The Time of the Burning!"**

You, oh America, are but fodder for his fires, you wicked and adulterous peoples of America! And, burn you will! Yes, you will burn; and the fires will spread all across this nation, even before the nukes come! Yes, you will burn, oh America! For, you will not repent! And, because you will not repent; and I have called out to you for many years to repent of your evil ways, and you will not hear My cries, I tell you that you will burn! (The Lord warned the prophet, Dumutri Duman, that America will burn. We have now come to that time!)

**Terrible Droughts and Famines!**

And, the famines, great famines, will begin to rip across this land, from one city to another and from one part of this land to another! In years past, I warned you through My words, which I gave to My servant, Linda Newkirk. I told you that if you would not

repent that I would dry up your corn fields, that I would bring famines; and you would not hear! You would not believe!

Now come the famines, and you can see it at your door! For, the droughts are so great! And, now the great fires come, yet few of you can see them, and these fires continue on! Now comes also the time when your antichrist president will wallow in his victories! For, now comes also the time when he is coming into his power!

### The Fall of America!

What will you do, oh you decadent nation of America? You will fall! America will fall! Yes, America will fall, and all over the world, the people will shudder! They will panic! They will fear with a great fear! For, they shall soon say, “America is fallen!” Yes, the whore of the world is fallen! That old wicked woman, who made the world to drink of the cup of her perversions, has fallen!

Yet, not all will fear, but only those nations, who have depended upon you, will fear! Many will rejoice! Many will be joyful! They will be glad; for you, oh decadent nation of America have terrorized many nations!

### Terrors From the South!

Now comes the time, and it is at your door, when many nations shall terrorize you, oh nation of America! For, as you have sown, so shall you reap!

The wind is coming! Yes, a very great wind from the South is coming! A very great Southerly wind will come upon this nation and this wind from the South will greatly trouble you!

Yes, the King of the South will rise up and he will collect his own nations; and they shall rise up to defeat and to overthrow this nation, not through war, not yet through war, but soon through war! However, at this time, they shall rise up; and soon, en masse, they will rise up to overthrow the dollar! And, this wind will blow hot! This wind will blow upon you with a great force and this great wind will cause you to suffer

 From The Mountain Prophecies Copyright 2012

an irreparable crack in the economy of this nation. And, the rumbles of this great wind shall crash and crack and beat and dissolve, beat and dissolve, pound and pummel the very economic structure of this nation!

### The Works of the Antichrist!

But, do not be alarmed when you see your president bow to them all; for he is not after your approval. He is after their glory! He is after their support! He is after their admiration; for he champions their causes! He is their man and he is your great enemy, oh America!

Yes, America, your president is the antichrist! He came out of Europe! In Europe, he was conceived and through the European Satanic elite, he was born! But, he is truly a man without a country; and because he is a man without a country, he is loyal to no country! His eyes are on the prize of world governance; for while he bows today to ingratiate himself to foreign rulers, tomorrow he will require that they all bow to him.

### The Fulfillment of Our Saviour's words!

Yes, Barack Obama is a man with a great plan; but remember: I wrote the plan! I put him over you, oh America; for I am going to use him to break your pride! I am going to use him to break your haughtiness. I am going to use him to break your economy! I am going to use him to fill up your concentration camps! I am going to use him to haul you off as slaves, oh you rebellious house! I am going to use him to further pollute you, oh Nation of America; for he hates you, oh wicked nation; and I will drive his hate towards you until he sees you in flames from one end of this nation to the other, from north to south and from east to west!

### The Price of Rebellion

You will not repent, oh you wicked nation of America! You will not heed My calls to repent, or perish! You will not bow a knee to Me, to the Creator of All Things, but you will bow a knee to him! And, many of you will take his mark and will worship him, just to have food on your tables. For, you will not honor Me and My word! You will not repent! Therefore, you will worship him and you will lose your souls! For, you have

loved evil! You have no regard for what is right! You love a lie! You love every perverted thing; and you will perish in your wicked ways!

### The Great Judgements of our God against Louisiana and this nation!

Get ready, people of Louisiana! Get ready! Get ready for one of the greatest catastrophes that you will ever see! I have sent you warnings through the great devastation of Hurricane Katrina! This was My first great warning to you, oh people of Louisiana: my warning to repent, or perish. Yet, you have made yourselves busy in re-buiding that great decadent city of New Orleans, but you have not repented!

Then, I sent you even greater warnings through the Gulf of Mexico oil disaster! Great is this calamity and great have been your losses through this great calamity! But, still you have not repented!

These are My judgments, oh you blind, who lead the blind; but you would not see My handiwork in the midst of these great calamities. You would not see My judgments through these great catastrophes!

### The Third Great Judgement Against Louisiana, and the people of this nation!

Now, you do not see again what is happening to you! For, the great frozen methane lake, which is beneath the Gulf of Mexico, is quickly melting! The heat of the seeping oil, which is pouring into the frozen lake, is melting this great lake of frozen methane!

Yes, you watch in amazement as these methane bubbles come to the surface and some of you are surprised at the shifting of your homes. But, hear Me! For, you have seen nothing yet! This gas is finding its own exits!

A great volume of methane gas is pushing upwards and is seeking to find its own vents! As more of this gas pushes its way to the surface, there will come a shifting in the subterranean land masses. There shall come a subsequent shifting in the lands, both beneath the Gulf of Mexico, and even for some distance from the Gulf of Mexico!

 From The Mountain Prophecies Copyright 2012

Some of these land displacements will be great with ensuing earthquakes. But, the earthquakes will not compare to the unexpected explosions, and in many areas, unparalleled deaths of humans, animals and aquatic life and yes, even birds and other life forms!

Oh, you people of Louisiana, you would not listen! I have sent you two very great calamities and now comes a third. So great shall be your suffering! The stench, the stink of the dying shall be so great! And, many will say, "Who is going to Louisiana?" For, the explosions and the dying shall be so great among you!

And, when you see these terrible things hit Louisiana, know that this is My third, great judgment against this wicked state. It is a haughty state! It is full of idol worship and witchcrafts; and those in the churches will not obey Me. They will not walk in humility before Me. For, their song is, "How great I am!"

But, I tell you, oh state of Louisiana, you are a cancer! You are a grievous sore in My face! You are a great blot upon the face of the whole earth; and I will erase you!

I will continue in My judgments against you; and I will continue to plead with you to repent through My great judgements, until I erase your very existence! For, you are rotten, oh state of Louisiana! You are rotten to the core and I will no longer allow this evil before My face!

I tell you now; and hear Me well! The great methane bubble, which lies beneath the Gulf of Mexico, is beginning to rupture! As this great bubble ruptures, it will push out! It will begin to push out with great force! It will erupt beneath the ocean! It will erupt all along the Gulf Coast!

The great rupture of this methane gas will hit Florida! It will hit Texas! It will hit inland and move up beneath the Mississippi River! It will go south towards Cuba. It will go towards Mexico! It will spew forth, sometimes with small eruptions, but at other times, the eruptions of these gases will be so great that they will easily sink ships! And, there will come a time when travel in the Gulf of Mexico will be extremely hazardous!

Most often, the presence of these terrible gases will go undetected, but the effects of these gases will be deadly! Whole areas will come under attack, and there will be many "unexplained" deaths and sicknesses! This great gas explosion will be seen as the "silent killer."

The time is at hand, oh America! You have come to the time of your great judgements; and this bowl is now full and overflowing!

I am your Father, Yahweh, yea Jehovah, Most High God.

Dear Ones, go to the search engines and type the words: Assumption Parish gas bubbles. There, you will find evidence of these methane ruptures!

Sending my heartfelt love to you all,

# CHAPTER NINETY-THREE - PART I

## More Mysteries Solved!

Greetings to you, Dear Ones, in the precious and holy Name of our Blessed Saviour, Jesus, Lord of Lords and King of Kings! Blessed is His Holy Name!

As some of you know, many important events regarding the works of Revelation Twelve have taken place within the last seven weeks, but I have not written publicly about these events. During these past seven weeks, or so, I have also rested in our Lord; for the travail has been very great, but the miracles have been even greater! I will write of these great events later, but for now, I am writing as our Saviour is directing me at this time.

Our Saviour has given us some very important information! Read on!

### Vision from our Saviour September 01, 2012

This morning, on the day of September 01, 2012, I was caught up in a vision, which was given to me from our Blessed Saviour, Jesus, Lord of Lords and King of Kings. The following is the vision:

### The Vision of the Downfall of the Google Giant!

I saw before me a very great giant; and on his shirt was the word, “Google.” This great giant wore a harness on his

shoulders and this harness was connected to many electrical wires, which ran over his head. Interestingly, however, this giant walked on only one foot, and that foot was his right foot. His right foot was placed solidly on a rocky ledge, which ran its course along the side of a solid stone mountain. The left leg, which was hanging off the mountainous ledge, was absolutely useless to him.

 From The Mountain Prophecies Copyright 2012

I looked at each of these legs for any symbol of who, or what, they represented. And, I noticed that on the right leg were the letters “NSA,” which is the abbreviation for National Security Agency; and on the left leg was this name: “Larry Paige.” Larry Paige is the CEO of Google and as I understand it, he is also the founder of Google, the giant internet search engine.

This giant climbed a little further up the hillside; for he was near to the top of this mountain, and within a very short while, he was at the apex of this stone mountain.

However, once he reached this apex, he quickly began a descent! The ground beneath the giant began to crumble and the descent of the giant was rapid! For, the ground crumbled beneath his feet so rapidly that it became as shifting sands.

I looked again at the giant and I was very surprised to see his new look; for the great giant was no longer a great giant, but was thin, even as thin as metal. And, when he turned to the side, I could see that he was as narrow as a strip of paper, but he was still connected to the wires through a shoulder harness.

However, I saw at that time that the walk of the Google giant began to shift and he was no longer walking on a mountain, but was moving along some rails, like the train rails. And, his motion was controlled through some switches. Through the switches, his course was manipulated so that he would swiftly change his course from one track to another; and at sudden times, he was brought to swift stops.

The journey of the Google giant ended at a very thick wall and as I watched his course of travel, I was very surprised to see that he travelled into the solid wall and disappeared. On the solid wall were the words, “World Communism.”

I then heard some as they came and said, “What happened to Google?”

And, others would answer, “Google walked on the Lord’s anointed! Look what the Most High God did to Google!”

### Words from our Saviour about Google September 01, 2012

And, so it has been, My Blessed Child, that Google/NSA trampled the name of My servant, Linda Newkirk. They smeared the name of My servant, Linda Newkirk by keeping the lies of their willing servants, Sharon Sobczak, also known as "Sheri Elijah," and "Elisabeth Nikomia," and Sherry Shriner, Stew Webb, Pamela Schuffert and others of their lying servants at the top of the Google search engine and other search engines. And, as time passed, they have raised up many others to spread hate and vicious lies, and they have victimized My servant, Linda Newkirk, all over the world. And, all over the world, they have caused many people to believe their hate and wild accusations, the vicious lies of their willing servants. And, because of their lies and blasphemous false charges, they have turned many away from My kingdom works of Revelation Twelve.

Therefore, I tell you a thing a new thing. In one day, many will come and they will say, "What happened to NSA?" And, they will look and they will behold a very great hole in the earth. And, they will stare into that great hole and they will say, "Oh, NSA, they went there! What happened to NSA?"

And, others will say, "This is what happened to NSA: The Lord God Almighty, Maker of Heaven and Earth, was wroth with NSA; for they colluded with their evil giant, Google, to destroy the good name of his servant, Linda Newkirk. Through their years of spreading lies and hate and malice towards His servant, Linda Newkirk, they turned many away from the truths of His Kingdom. And, God Almighty, yes Jesus, Most High God, was wroth with NSA, and He was wroth with Google and He destroyed them both!

And, then He turned His eyes upon those servants of Google, NSA and the CIA, upon the ones, whom they used to lie and to spread hate against His servant, Linda Newkirk, and one by one he cut them down as twigs until not one of them remained. This is what Jehovah, Yahweh, Most High God, God Almighty, did to the enemies of Linda Newkirk and to those, who sought to destroy His kingdom in its infancy, even before it could be born." These are the words that they will say.

 From The Mountain Prophecies Copyright 2012

For, Linda Newkirk is the earth mother of My holy son, the manchild of Revelation Twelve. Woe, woe, woe to those, who have done this great evil to My servant, Linda Newkirk, and they will not repent, but have hardened their hearts and have stiffened their necks.

I am Jesus, Saviour, I am Yahweh, Jehovah, Most High God! Hear Me this day; for My words are now written in stone about these, My plans, and I will surely accomplish them!

**Second Vision from our Saviour The Three-headed baby! Given on, or around, August 30, 2012**

I was praying with a friend on the night when our Saviour gave me this most unusual vision. In this vision, I saw President Obama and he was riding a white horse. I could barely discern that the horse was white; for he was riding in the night and there were various shadows on the horse. But, even so, I knew that he was riding a white horse. And, I saw that someone was accompanying him, and at first I thought that he must be carrying a child along with him. For, he was speaking to this little one and I heard him say, “We may have trouble getting across.”

And, I looked and he was about to cross a stream; and in that stream were some visible rocks, but I did not see other obstacles in the stream, for it was night. But, as he began to enter the stream, I could see that the back legs of the horse were being sucked under by some quick sand, and when the back legs would free themselves, the front legs would then sink into some quick sand. And, so was Obama’s course as he went across this stream until he finally came to the other side.

And, once he was across the stream, I could clearly see who was riding with him. He was holding a three-headed baby! It was not only a three-headed baby, but each baby had only one eye.

As I looked at this three-headed baby, I knew that these three heads represented the three branches of this government. I could see the words, "judicial," and "legislative," but the third word just seemed to vanish from my vision, but then suddenly, I understood. The three heads of the baby were the "legislative, judicial and executive" branches of this government. And, each head is controlled by the all-seeing eye of Satan; and all three branches are under the control of this president. For, they all belong to him. They are of one accord with him, and they are all riding with President Obama.

I watched President Obama as he stood there on the other side of this dark stream and he was looking up towards the top of the hill. For, the White House was up there; and he was wondering how he would get back up to the top of the hill.

I saw that there was a massive rock overhang, and he was standing just under this massive rock overhang. And, I, too, wondered how he would make such a steep ascent. For, there was a very steep incline up to the top of that hill and he was far below.

But, my eyes were suddenly drawn to a secret door in the rocks; and this door was carefully hidden behind the rocky overhang. And, suddenly this secret door opened and President Obama went into that secret room.

### The Blood Oath!

In that secret room, I saw Satan; and as President Obama came into the room with the three-headed baby, Satan said, "How can I help you? You have already sold your sold to me!"

Then, I saw President Obama as he put the three headed baby into the hands of Satan; and Satan said, "I will require blood of the three." Then, I witnessed Satan as he struck the three heads and he drew blood from each head. Next, I saw Satan carry the three-

 From The Mountain Prophecies Copyright 2012

headed baby into an adjacent room and President Obama followed him into that room, where they all disappeared.

### Understanding this Great Plot!

Dear Ones, the first part of this vision is clear: President Obama and the three-headed baby have made it through some very rough times to get to this point! They have all been bogged down in a quicksand of their own making, but through their many lies, cover-ups and bailouts, they have made it through another presidential term. They have come to the other side of his presidency, but all is not looking good for any of them.

President Obama has a long way to go to get back into the White House. He is extremely disliked in this nation! He has carried this nation deeply into a cesspit; and he knows it. But, he is eager to remain president over this nation; for he wishes to totally destroy it. His sights are on ruling the world and the welfare of the people in this nation is irrelevant to him.

However, considering his goals, he knows that the opposition is very great, and that he is greatly concerned that he may not make it back into the White House. So, he has made a very terrible deal with Satan. And, Satan has agreed to give him the presidency again, but Satan has required their blood! (Yes, we know that our Saviour wrote the Book of Revelation and He has chosen Obama; for he is the antichrist. But, we must also remember that Satan has his own kingdom, and at this time, our Lord also gives him much power!)

If any had any doubts about this new world order and how deeply it is entrenched in this nation, they need to look carefully at this vision of the three-headed baby. For, in this vision, these three heads of this baby, the legislative, the judicial head, and the executive heads are all one! They are all one and they all have one Satanic agenda, which is represented by the all-seeing eye in each head of the baby.

But, Satan has no allegiance to anyone! He uses them up and discards them as he pleases! So, even as Satan has used them, he is now eager to kill them! For, he now requires their blood!

These wicked governing bodies have sold us out and they have now been sold! Without the knowledge of the other two branches of this government, and without the knowledge of others in the executive branch, President Obama has promised Satan their blood. This means that Satan will require the blood of those in the Senate, of those in the House, of those on the Supreme Court, and he will require the blood of President Obama.

There will be a bloody rampage in Washington DC! This president will also take a fall in this bloody rampage, but he will surely come back to life, even as the Scriptures tell us. He will suffer a fatal head wound, but will miraculously live. Woe to all of us when he wakes up again; for he will not be alone in that body!

### Vision from our Saviour Given on or around August 24, 2012 "The Rockefeller Shoe"

About one week past, our Beloved Saviour, Jesus, Lord of Lords, and King of Kings, gave me a vision of Barrack Obama. He was sitting at his desk and the Spirit of God showed me his right shoe. His right shoe had a doorway in it and there was much activity within his right shoe. Many people were coming and going from that door, which was within the right shoe of President Obama.

In the past, our Saviour has given me many visions about President Obama's feet. I have not written about many of these visions, but some few others know of these "feet" visions of President Obama. In these visions, the left foot of Obama has always been the Rothschild foot and the right foot has always been the Rockefeller foot. For, these two groups have fought for control of the presidency through this president. So, from this most recent vision, I understood that there was very much activity in the Rockefeller house regarding this president.

 From The Mountain Prophecies Copyright 2012

The Spirit of God then led me into that doorway, which led into the right foot, or into the Rockefeller foot of President Obama and I was then led down a hallway and into the office of Hillary Clinton.

I was surprised to see that Hillary Clinton had the teeth of a horse, and she was quickly eating many things. Her cheeks were puffed out and the horse teeth were busily grinding away at many things.

As she sat there, I then saw President Obama and he had in his hand a whip, or a rope. I could not then tell which, whether it were a rope, or a whip, but I saw that he cast out this whip-like object and he caused it to wrap around the right leg of Hillary Clinton. The whip-like object was firmly attached to her right leg and he then began to pull sharply on Hillary's leg. Then, with a sharp tug, Hillary was pulled out of her chair, carried beneath her desk and quickly cast out among the people.

At first, I was perplexed about this vision, but then I understood that there would be a very great pull against her to cast her out again into the presidential race as the vice president. There has been much talk about her being the next vice president, but it seems that she has not accepted the offer. But, the horse teeth seem to point to her being called and sent out again as a race horse for the Obama campaign. And, from this vision, we can see that she has been chewing on this offer a lot and has been digesting much about this offer.

So, we have waited for some few days and all has been quiet, but this morning, on the 1st day of September, of 2012, our Saviour gave me another vision about Hillary Clinton as I was awakening and before I got out of bed.

### Second Vision of Hillary Clinton "Choosing"

I saw Hillary Clinton and in her hand she had many cards. She laid many cards out on the top of a table and she was carefully looking at each one. However, as soon as all of the cards were laid out, suddenly there came a sharp, dividing line beneath the cards.

Hillary looked at the dividing line and then glanced at three remaining cards in her hands. She placed the three cards before her on the table top, and the first care read, “choose.” The second card read, “Don’t choose,” and the third card read, “choose.”

The second card, or the “Don’t choose,” card had much appeal to her and she was repeatedly drawn back to this card. She glanced at the cards again and again and she then picked up the first card, which read “choose.”

The second card continued to have much appeal to Hillary, but she held firmly in her hand, the “choose” card.

Suddenly the “don’t choose” card began to crumble. And, it began to disappear from her sight, here a little and there a little, until there remained only a thin remnant of its former presence on the table. Reaching out, Hillary picked up the last remaining card, which said, “choose.”

So, I asked our Saviour, “Lord, why does Hillary want to reject this Vice Presidential position so badly?” And, the Lord showed me that President Obama has been in a position of power over Hillary and she has had to humble herself and to enter before him, begging and pleading.

However, with these two cards in her hands, I saw that Hillary was not in an inferior position, but in a superior position and in a position to bargain for many things, and from what our Saviour showed, I know that she likes that position.

### Third Vision regarding Hillary Clinton September 05, 2012

Today, on the 5th day of September, as I was praying, I had another vision of Hillary Clinton. She was seated in a chair and she was still looking at all of her cards. The line had been drawn and suddenly she stood up. But, strangely as she stood up, I saw that her behind was swiveled up, like the face of a hundred-year-old woman. I wondered about this vision and then I realized that she has waited so long that her support is drying up.

 From The Mountain Prophecies Copyright 2012

Interestingly, I find out today through a friend of mine that Hillary was denied an audience with the Chinese leadership. Is this about her support, her behind, drying up?

### Vision of Barrack Obama

### September 05, 2012

This morning, I also received another vision concerning Barrack Obama; and in that vision, I saw that he was crossing a narrow stream in a canoe. I saw him pick up some oars, but these were no ordinary oars. They were very large oars and he did not use them to paddle alongside his canoe. These very large oars went under his boat, and these oars quickly carried him to the other side.

I looked at these oars and wondered about these oars and then I saw that there were words on these oars. And, these words were “Russia,” and “China.”

So, Dear Ones, these two nations, Russia and China, will propel him to the other side of this presidential race.

In that vision, once President Obama was on the other side of that stream, he seemed almost like a caricature of himself, with very big teeth and wild springs of hair; and alongside him stood Michelle Obama. The two of them raised up their hands in victory, but I was very surprised to see that Michelle’s face was totally covered in a faceless, white mask. I was also surprised when I looked behind the two of them to see that they had wooden, puppet legs and open spaces behind their shirts so that a ventriloquist could place his hand within each one and move their lips and speak words through them both.

Yes, they have sold their souls to Satan, but they have also sold their freedom, even to speak their own words, to the Russians and Chinese. What will they do to hold onto power? Will we soon see great bloodshed in Washington DC as these two nations, Russia and China, dismantle the leadership of this nation from the very top?

## The Terrible Money Scheme!

Within the past few days, my friend, Mark, called me from Canada, to tell me about the imminent fall of America's biggest stock house. He was concerned about the next false flag attack and whether they would orchestrate such an attack before the presidential election. We all know that these wicked Satanists are capable of most anything at any time, but we also know that this nation is under judgment of God Almighty. However, we also know that He is full of love and mercy and He wants to extend grace to this nation. Therefore, He continues to plead with the people to repent, or perish

Relative to the news about the imminent fall of America's largest stock house, our Saviour has previously shown me the grave situation of Wall Street. About two months past, He gave me a vision of the Wall Street Bull and He showed me that the bull was entangled in barbed wire and that the bull would not be able to extricate himself from this situation. He also showed me the badly mangled, right, front leg of the Wall Street Bull, which is the hidden crash of the Derivatives Market.

Our Saviour told me at that time, that the Bull is entangled in a mess and he will not get out of this mess.

So, I was not surprised to hear the largest stock house in America is broke and about to go under.

## A Singing Prophecy Given to me by our Saviour on 09-01-2012

## Wall Street in Trouble!

## Mountains of paper!

During this conversation with my friend, Mark, about the fall of America's largest stock house, our Saviour began to sing a prophecy through me and in that prophecy, I saw a large group of people in a high tower. Someone from below called up to them and said, "Come out and play," but one from above said, "We cannot play. We are deeply in the red and we cannot play." Their conversations went back and forth this way and those above seemed to be in great distress. They were trying to determine what they must do. But, suddenly it seemed that someone, or something, struck them and their

 From The Mountain Prophecies Copyright 2012

great numbers were quickly taken away. There remained only a few of them and the size of their high tower was also greatly diminished. And, I heard them say, “Mountains of paper.” This was their solution; and I saw mountains of paper began to appear and rise to the sky in the very places, where so many people had stood.

So, Dear Ones, it looks like this administration will crank up the printing machine to save this nation once more, at least for a little while longer. And, this great stock house will be diminished in size and may be taken over by the Federal Reserve, or the U.S. Government, or someone else. But, it surely seems that the Federal Reserve will print the money to rescue it, and the tax payers will be saddled with yet another huge debt!

Dear Ones, this is the news that our Saviour wishes for me to impart to you today. I hope that you are all taking seriously these words of waning and these most terrible of times. This nation is falling on every side; and only our Mighty God can help us!

Repent, or perish is the urgent warning and the urgent call to all people of this nation. For, our Mighty God is very angry with the people of America! He hates the spiritual decadence, the arrogance and the self-sufficiency of the people of this nation. The death knell is ringing for America!

Get on your knees and repent, that the Lord might hear your cries and intervene in your life to save your soul! The masses are not going to repent, but many will die in their sins! Hell is going to be filling up with those, who love evil and who will not repent!

Times have never been so urgent! Do not take lightly these warnings and do not put off until tomorrow the spiritual work that you must do today. The buzzards are circling the corpse!

Jesus loves you and I do, too! Sending my heartfelt love to you all,

Linda

## CHAPTER NINETY-THREE - PART II

### "Urgent Message from our Saviour:

### America Under Very Great Attack, America is Going Down!

Hear Me, you hard-hearted, stiff-necked people of this nation, America! I am Yahweh, yea Jehovah, Most High God, Maker of the earth and the heavens, yes even Jesus, Saviour of humanity.

I have called to you, oh My people! I have called out to you for many years to repent, or perish; and you have shut your eyes and you have closed your ears! You have afflicted yourselves with your sins; and you have made yourselves lame through your rejection of My warnings. Now, oh, look and behold! For, the wolves have entered in through your open gates and they are set to pounce.

Even as you have slept, foreign troops have entered in. They have set up their armed camps and they have planted their fortifications. While you have slept, they have mounted up in their plans for your great demise, but they have not done so alone, but with the full agreement of those, who are in leadership positions in your government,

 From The Mountain Prophecies Copyright 2012

namely your president and many, who work alongside him, both visible and known ones and others, who are neither visible, nor known.

Your hour has come, oh America! You shall be stripped down as one would strip the bark from a tree. The plans are well laid and the schemes are deeply imbedded now into the very fabric of your government.

They come for a prey; and they come to lay low this nation, to cut off your prosperity and to root out your freedoms. Soon, they will seal up your modes of transit and they will put you into a continual state of fear as they seek to dismantle this nation and to take captive all of the dissidents.

The plots are thick and the steam of their breath is rising as they push harder to meet their deadline. For, their timing is set and their plans are well-laid! Oh, America, I have pleaded with you through the mouths of My prophets, but you would not hear and you would not repent.

Now, the stench of your sins and the evils of your works can no longer be tolerated and My great judgements are coming upon you through your great numbers of enemies."

"Oh, Blessed Saviour, tell what have you shown me in these recent visions?"

"My Blessed Child, I have taken you into a round room, which had a ring of very great clocks in and around that room; and the time, which was on all of the clocks, was 12:30."

"And, my Lord, these large clocks were ticking loudly and I sensed such an urgency in my spirit. Blessed and Precious Saviour, what do you want to show me through these ticking clocks?"
"My Blessed Child, this is what I want to show you. Do you see this peppermint, candy, cane. It is red and white, and the red is interwoven with the white, but indeed they are two separate colors."

"Yes, my Lord, but what does this have to do with the ticking clock?"

"My Blessed Child, this has very much to do with the ticking clock."

"What, my Lord?"

"My Blessed Child, the red does not meet the white, but when one eats this candy cane, the red and white combine. Is this not so?"

"Yes, my Lord, but I still do not understand."

"My Child, all that you value in this nation, which is pure and true and right, and that is represented by the white in this candy cane, is about to be combined with the red, which represents communism. And, all that is pure and right and true will melt into the red communist system; and nothing, which is pure, right and true will remain, except for the ones, who make themselves pure before me and who come out of this system. For, I will separate them out to Myself and I will preserve them, even as many as I see fit to preserve. The great push, my Blessed Child, has been to combine the peoples of the world into one group and make them all as one: everyone the same.

This is where you are now in America; and only I can save any of you. America has come to the end of her road; and now you will mingle yourselves with the others and become as them, for you have loathed My correction. You have not loved the One, who gave you your freedoms and now you will lose your freedoms. America, you are going under the rule of world communism and great destruction will hit this nation from one end of it to the other."

"My Lord, You showed me the clocks in that 'round' room, and as I think of it I wonder why that room was round. Why was that, my Lord."
"My Child, what goes around comes around; and America, you have pillaged the whole world and now the world will pillage you. America, you have shed much innocent blood and now the enemies will come and they will shed much innocent blood in America.

 From The Mountain Prophecies Copyright 2012

What goes around comes around, and America it is now your time to reap as you have sown."

"Then, my Lord, in that vision, you lifted me up above the ticking clocks. You showed me the skyline of Washington DC; and You showed me that there were some, who were working in the darkness to set up incendiary devices. I saw groups of men, who were working in the darkness to set up these devices in several buildings and then also, my Lord, I saw a missile flying over Washington DC.

But, My Lord, as I looked, I saw that incendiary devices were being planted in other cities all across America and some of these cities in which I saw them planting these devices were: Atlanta; Chicago, Los Angeles, Dallas and Tampa, Florida. But, my Lord, I knew that these were not all of the cities, but only part of them. Blessed savior, please tell me more about this vision."

"My Precious Little One, I tell one thing, I have the key in my hand; and I will show you this key. Tell me what you see."

"My Lord, I see a doorway in that key and as the doorway opens, I see a small room, which is below that door. This room is empty and as I enter into that room, I do not see anything in that room, except for a small window. My Lord, I go to that window and I see the President of this nation, and he is sitting at his desk, and as he sits there, he smokes a long cigarette. He is just puffing away at this cigarette, or perhaps it is a thin cigar, for I see on it the words, "Cuba Red." I notice that this cigar or cigarette has a filter on it and I also see that he quickly smokes this cigarette until there is nothing left but the filter of this cigarette. He puts this filter on the side of an ashtray and he gets up and goes into the Rose Garden and begins to speak on his phone. "No, Barney! Hell, no Barney! We will pull the plug on that thing! Get the switch; for we must pull this switch! We must change the course on that boor, er whore, I mean boor!
Then, I see the president as he enters into a black door and he disappears. It is very dark in that room, but I believe that I should go into that room and see what is happening. So, I follow the president and I see that in that dark room, President Putin sits there and behind him a Chinese man, whom I believe to be the leader of China.

President Putin calls him over and whispers in President Obama's ear and he says, "We will come in at midnight. Don't cross your legs. Keep them wide open; for a train will come swiftly through your legs; and when you see it pass, cross your legs again and keep them crossed, for after that train, after that train, then the rain, then the rain. That will be a clean slice, very clean; for these are the best that I have and they will make certain that this goes according to plan and like clockwork. However, the Chinese man was quiet, and he said nothing, but had two sacks of gold and he gave these two sacks of gold to President Obama."

"My Lord, what does this rhetoric mean?"

"My Precious Child, they are planning their attacks in the darkness of the night. This is why you have seen them working in the night, laying their explosives."

"So, my Lord, these are Russians, who are busily laying these explosives."

"Most certainly, but not totally; for among them are also some Special Forces troops from other nations, but primarily they are Russian."

"My Lord, what does he mean by open your legs and let this train pass through and then to close the legs again?"

"My Blessed Child, he is to open the way for these troops to enter into these locations. He is to shut down any and all monitoring equipment and to allow them to come in, for all the train, or procession, of them to pass unimpeded. Then, he is to restore things as they were. Then, my Blessed Child, then comes the rain of terror upon this nation.

Then, my Blessed Child, President Putin assures President Obama that this rain of terror, this massive rain of explosions across America will go without any problems as President Putin has sent his very best explosive experts into this nation to detonate explosions from one end of this nation to the other."

 From The Mountain Prophecies Copyright 2012

“But, my Lord, I also saw at least one missile, which was flying across Washington DC. Will there be more missiles?”

“The release of missiles of varying kinds is among their plans; for amidst so many explosives, they think that most will not take note of any missiles.”

“Blessed Saviour, You are showing me the plans of the enemy. Oh, my Lord, when do they plan this terrible rampage, and will you allow this great evil to unfold at this time?”

“My Blessed Child, go back and look at those clocks again.”

“My Lord, I am here again in that round room with the many clocks and I hear them all ticking so loudly and they all read again, 12:30. But, my Lord, what do You want me to see?”

“My Blessed Child, I want you to go back into these clocks and tell me if you see anything different.”

“Yes, my Lord! As I enter into the first clock and go behind the great hands of this clock, I see a pair of eagle wings, which are attached to the face of the clock, but I did not see these wings before.”

“No, my Child, you did not see these wings; for I did not allow you to see these wings in that last vision. But, now, go from clock to clock and tell Me what you see.”

“Oh, my Lord, as I enter into each clock, I see that these are very great eagle wings and they seem so large and very close. As I enter into each clock, the wings seem even larger and even closer.”

“Then, my Blessed Child, you surely know that these eagle wings mean.”

"Oh, my Lord, with great anticipation, I know what these eagle wings mean. My Lord, I know that these wings mean that you are about to make me free and you are about to add greater power to your sons. But my Lord, I do not know more; for You are full of mysteries."

"My Blessed Child, you have suffered more than anyone could ever imagine. For, you are the earth mother of My holy seed. You are the earth mother of My holy child, the holy manchild; and you have paid a very great price. You have waited and you have waited and you have shed many tears through your many years of suffering and waiting. You have seen me give grace and more time for many years and you have greatly travailed. But, my Blessed Child, you have also known that one day, I would make you free. Time is up for you, oh America; but time is coming in for you, my Blessed Child, and time is coming in for My Faithful.

But, many will pay a very great price; for now is the time when the faithful will be tried and tested in the fires, even as gold and silver are tried and purified. But, to you, my Blessed Child, come two wings of a great eagle.

Time has run out for this nation and there is precious, little time left. Prepare your hearts, oh you people, for the antichrist is ruling over you. He hates you and he will bring you down, oh America!

But, I love you, oh, My People and through My great judgements upon you, many of you will turn to Me again. The hammer is now coming down and you will not escape your time of judgement, oh America.
Hear Me, oh you people of this nation! I have called and I have called and I have called and I have called you to repent, or perish, and you would not hear my call! Now, My rod of great judgement is falling upon you!

I am your Saviour; and besides Me you have no Saviour! I am Jesus, yea Jehovah, yea Yahweh, Most High God.

**Additional Conversation with our Saviour**

Oh, Blessed Saviour, I ask You one more thing: how close are these attacks? How long do we have?"

"My Little One, see these clocks. They are set at the "half-past" mark. Do you remember what I told you in early July? The first half of your time of waiting will pass slowly, but the second half will be speeded up, and by 'speeded up,' I mean that the fires of the holy son, who is within you, will accelerate very much in their heat and fire. So, my Blessed Child, you have passed the half-way mark, or the two month mark since I gave you these words. These words give you one very significant clue regarding the timing of these very terrible events."

"So, my Lord, you truly will come for me and you will truly do all that you determine to do at this time, but we have about two months left. Is this correct?

But, my Lord, I ask you plainly and please answer me plainly: will you give more time, even if many pray? Or, have you made a firm decision? I really do want to know, my Lord; for I have waited so long and I have been disappointed so many times, for I truly believed that You were coming."
"My Blessed Child, time is up for America; but America is not without hope. I am the hope of America.

My Little One, you have suffered greatly under Satan's feet for many years; for you have had to pay this very great price to be the earth mother of My holy Son, and the earth mother of these holy seed. I am truly about to make you free, but now Satan will make war against the seed of the woman.

I tell you this truth. I will not further delay My promise to you; for the eagle wings are ready for you, My Blessed Child."

"Oh, thank You, Blessed Saviour! My Lord, I also seek further understanding. Blessed Saviour, what does the vision mean about President Obama's smoking that cigar, or cigarette; and all is smoked until there are only ashes. What does this mean? And, what does Cuba red mean?"

"My Blessed Child, this vision means that he will burn America until it is in ashes and the state of America will then be as the state of Cuba has been since it fell. When this President is through with this nation, it will lay in ashes from one end to the other. The cities will be truly burned and without inhabitant!"

"Oh, Lord, have mercy on us! Have mercy on us!

As I continue on, my Lord, who is Barney, and what plug is Obama about to pull?"

"My Blessed Child, get ready! For, the stock market bull is going off the cliff!"

"Oh, my Lord, I see him down there; and he is bloated and lying on the side of a hillside. Rigor mortis has set in and his bloated belly is about to burst. The buzzards are coming from all directions; for they are getting ready to pick the rotting flesh from his carcass. Oh, Lord, how long until we see this great evil come to pass?"

"My Blessed Child, what do you see?"
"My Lord, I see a baker and this baker is busily shaking flour on some dough that he has rolled out. But, when he picks up the dough, which is a square piece of dough, this dough begins to stretch in the man's hands and it falls apart leaving a very great hole in the center of the dough. My Lord, what does this mean?"

"My Blessed Child, the dough man is the Federal Reserve. He is accustomed to rolling out the dough and he has been doing it for a very long time, but now comes a very great hole in his dough."

 From The Mountain Prophecies Copyright 2012

"So, my Lord, what does this mean?"

"My Little One, it means that they are preparing a new kitchen and there will not be dough in that kitchen, but all is made of plastic. Plastic, see? No dough! In other words, no cash. The dough kitchen is going cashless!"

"Oh, my Lord, this is a very great and terrible mess."

"Yes, my Little One, you are now into the worst of times, worse than times have ever been since there was a nation. Only I can fight such battles! You cannot fight what you cannot even see, so I warn you all to repent and to draw close to me. Trust Me and believe in Me, that I might fight your battles. For, you fight against an enemy, whom you can seldom see.

As I love you, I must also correct you. Go willfully into your captivity; for I have determined it. Though many, many of you will die through the swords, the famines, the plagues and disasters, I will save those, who are appointed to salvation.

But, know one thing: I am Creator. I love you exceedingly and greatly; and I am full of surprises. As you repent and come back to Me, you will see what I will do for you, My people!

My Lord, I have but one more question and I hope that You will answer this question. How long before the bull falls off the cliff?"
"My Child, see this broken ring."

"Yes, my Lord, but why do You show me this broken ring?"

"I show it to you because I bring back to your memory the vision that I gave to you when the Bull was in the ring, as in a boxing ring, and he was strong and many were praising him. But, then I showed you that the right, front leg would be mangled and that after that he would fall. My Little One, that right, front leg has been mangled and

that leg is the derivatives market. This market has been mangled and the bull has since fallen, time and time again, only to be revived.

What you see in the media regarding the true state of this bull is as full of holes and lies as Swiss cheese. At any moment, they can pull the switch on the bull, for it is full of bloat and falsehoods. So, get ready; for this fall could happen soon after these explosions. But, I tell you one thing: they are all eager to pull the plug on the bull and to shut down the dollar, altogether!

"So, my Lord, what does the broken ring mean?"

"The broken ring means that the bull is no longer a contender in the boxing ring. For, that ring is broken and cannot be repaired!"

## CHAPTER NINETY-THREE - PART III

### The Wedding Invitation

Come to Me, My Blessed Child; for I am your first love! I am your husband! I am your Creator; and 'yes,' as you often say to me, I am the Love of Your Life! Yes, I am Yahweh, Most High God, Jesus, your Redeemer!

My Blessed Child, this is a new day for you, a new time for you, and a new day for My people! For, I have now released very great numbers of My holy seed into the bodies, into the spirits and into the souls of My Faithful! I have imparted these holy seeds into My 144,000 elect, but also to some few others, whom I have so chosen! For, this has been My great blessing to some, who have been faithful to you and faithful to these works, who are not part of the 144,000. Do you remember the marriage invitation, which I gave to you?

Yes, My Lord.

Then, know, My Blessed Child, that I must also make ready all of those, who have believed and who have truly wanted to attend this wedding, as wedding guests. So, My Little One, I must raise up some pearls and make them spiritually ready to attend this wedding. And, in order to do so, I have already chosen some to receive this holy seed, that they may be made spiritually ready to enter in through the passageway of fire.

You see, My Little One, and you know well, that I am a God of great mysteries. I laid out the wedding invitation before the people, a sincere and true offer on My part, but the one key to being a wedding guest has been the presence of a simple faith, a simple trust in Me.

But, My Child, most have thrown away the wedding invitation. Most have forgotten about the wedding invitation, but a few still hold onto this invitation and they long to attend this wedding; for they believe! But, My Little One, these numbers are few; and I promised you that I would take the greatest numbers possible to this wedding as wedding guests. Therefore, I now extend this offer once more, and only once more. Therefore, at the end of this message, post once again the wedding invitation. For, this is My great gift of love for those, who are able to believe and to receive these truths. I have not given this invitation in vain, but in truth; and I honor My words in My offer through this wedding invitation. For, this is My promise to you, My Blessed Child, and I will keep My promises.

Blessed Saviour, as I type this message, this day being the 18th day of August, I have some questions about these wedding guests. My Lord, must all, who enter into this passageway of light and fire have the holy seed within them? My Lord, in years past, you carried me into the light and I stood in Your wonderful light; and I did not yet have the holy seed. So, I do wonder about how that was and how this will be.

You do well to wonder, my Blessed Child; for there are three different levels among these wedding guests: 1. Those, who have the holy seed; 2. Those, who do not have the holy seed, but who have clean hearts, and have lived worthy to go into the light; 3. and, those, who have not lived worthy to go into the light, but at the very last minute, they are changed through My divine intervention and made ready to go into the light. And, because of these three distinctions, these three different types of wedding guests will take their different places at this wedding. See?
Yes, my Lord; and thank You so very much for explaining these important truths to me. Praises to Your Holy Name!

## CHAPTER NINETY-THREE - PART IV

### OUR SAVIOUR'S GREAT ANGER TOWARDS THIS NATION!

 From The Mountain Prophecies Copyright 2012

Now, My Blessed Child, I tell you about My house! I tell you about My house in this nation! For, I called you, oh House of Israel, from the distant lands to which I scattered you! I kept My promises to you, oh House of Israel, that even as I scattered you, I would bring you together again! But, even as I blessed you and made you great above all nations, I shall now debase you and I shall make you the shame of all nations!

Many will lament you, oh America; for they have idolized you! They have thrived on your vanities and they have sucked up your decadence!

**America, The land of the whores and whoremongers!**

Yes, you, My people of America, oh House of Israel, have dropped your skirts and your trousers for every whore and for every whoremonger, that came along! You have perverted yourselves with every sin of the flesh! You have trampled what is holy and you have idolized every vain thing.

**The Idols of America!**

Oh, Yes! You have your idols and you have created them all: movie stars; cars; houses; televisions; movies; cell phones; internet phones; video games; lavish vacations; money, and all that it can buy; and sexual perversions of all kinds! Yes, you have glorified bizarre and kinky sex! You have idolized glamour, and clothes, and every new hairdo and every new kind of make-up and all that pertains to this wicked world!
You whorish woman, America, you have put Sodom to shame! Sodom and Gomorrah, two wicked cities! But, you, oh America, you have surpassed these wicked cities with your decadence, and through your movie industries, and through your perverted music, you have polluted the hearts and minds of the people all over the world.

**Unbridled Greed!**

And, through your unbridled greed and lusts for more and more of this, or that, you have arisen in your military might to conquer every nation on earth! And, you have laid snares for the various leaders of many governments all over the world, that you might

enter in and subdue them, take over their governments and trample the rights of the people!

**The Unbridled Greed for Oil!**

**The Gulf Oil Disaster,**

**We keep on paying, and paying, and paying!**

You are sleeping, oh you wicked woman of America! And, while you have slept your statue of liberty, your symbol of freedom has fallen down into the Gulf of Mexico, even as I showed My true servant (A.A Allen) many decades past. Yes, with the poisoning of the Gulf of Mexico and with the destruction of the Gulf currents, your liberties fell and you will not recover your liberties!

Oh, Father, will You tell me more about this last paragraph?

Yes, My Little One, I will further explain. Firstly, with the massive oil eruption and with the massive release of poisons and toxic chemicals and gases amidst the oil and the following spraying of the poisons into the air and water around the Gulf, and over the Gulf, the Gulf of Mexico has been poisoned and is now unable to sustain healthy sea life. It was poisoned and continues to be poisoned! Therefore, many fish and other marine life have died and will continue to die! (Note: there is now a vast fish kill along the Texas Coast, just one of many, many, which have hit the Gulf Coastal areas!)
You also remember well, My Little One, that due to your cries, I sent giant geographical angels into the great crack, which lies on the seabed of the Gulf of Mexico; and I sent these angels to subdue the flow of oil, to lessen it, so that this flow could be somewhat controlled, though it has never been fully under control. For, there has remained the continual seepage of oil from the ruptured seabed. (Great is the mercy of our Mighty God.)

However, at this time, My Blessed Child, as you know, I have removed the geographical angels from the Gulf floor, who have guarded this great crack in the seabed. And, now many poisonous gases are emptying all along the coastal regions of the Gulf, and

 From The Mountain Prophecies Copyright 2012

under the Gulf of Mexico. (Search for information about the great release of gases in Assumption Parish Louisiana and the giant sinkhole, which recently developed there.) Also, with the poisoning of the water and with the poisoning of the air, many humans have become terminally ill and you will never know the true extent of the great illnesses, which have been caused by all of these poisons. (Search for the 'blue plague' in the search engines.)

So, My Little One, the fish from the Gulf, are greatly contaminated and anyone, who eats them, is subject to being poisoned to some degree!

Furthermore, the vast quantity of oil, which rests on the sea floor has interfered with the flow of the Gulf Stream, as you know, and well understand. But, what many do not understand is that the Gulf Stream has steadily brought copious amounts of moisture not only to the states, which border the Gulf, but to the heartland of America.

Therefore, you, in your great greed, have not only poisoned yourselves, you have cut off much of the rain, which you would have received through the Gulf currents. For, this vast amount of oil has surely crippled the flow of the Gulf stream in the Gulf of Mexico.

(Note: the comments in Italics are mine, In)

**Our Saviour's great anger against the Bible Belt Churches!**

But, even so, this is part of My great judgment against those in the Gulf states and in the heartland of the USA, particularly My great judgment against the putrid churches in the Bible Belt!

To you wicked, perverted, rotten, lukewarm people, who sit in the greatest numbers of the churches in the Bible Belt, who do you think I am? A dog? That you should serve Me rotten, putrid, and maggot-filled meat! I hate your raucous praises! You will do better to find a saloon, or a bar, and to go there and to throw out your loud, discordant and whorish music to those, who thrive on it!

My house is to be a House of Prayer, you raucous and rowdy bunch! I will not hear your decadent praises, and I will not accept the prayers, which come from lukewarm and sin-filled hearts.

I am wroth with you, you Bible-belt preachers, and if you do not repent in great numbers, I will surely divide the New Madrid fault in such a way that I split this nation into two parts; and I will set a great gulf of water in the middle part of this nation and I will cause the Gulf of Mexico to move inland until I have sufficiently removed you from My sight!

**The Lord's wrath against the Bible Belt Churches!**

Overwhelmingly, you preachers in the Bible belt do not have My Spirit. You teach a pre-digested word, one, which will gain you favor with your congregations, and you will not cause My people to repent! Therefore, My wrath is being poured out upon you, oh Bible belt churches, and I will only increase My anger; for I am wroth! And, through this great disaster in the Gulf of Mexico, I am beginning to strip your pride, oh America!

**The Great Famine is Coming!**

Through the lack of rain to much of this nation, which would have come to you through the Gulf Stream, I will take away your independence, oh America; and soon you will grunt and struggle to find, even the grains, which were once plentiful in your nation!

For, my eyes are set upon you, oh America; and My heart is set upon you, oh America, to take away your liberties. And, yes! The lady of liberty has fallen in the Gulf of Mexico. For, not only have you derived much of your food from the Gulf of Mexico, you have derived much of your rain and moisture from the Gulf of Mexico!

**Our Saviour's great warnings to the Bible Belt Churches: Repent, or perish!**

 From The Mountain Prophecies Copyright 2012

In no nation on this earth are there more churches than in America, particularly in the Bible belt of America. You are an affront to Me, you filthy and perverted bunch; and I have set My sights on you! Therefore, you will either repent, or perish!

I have warned you, oh you arrogant preachers, for years, even through the words that I have given to My servant, Linda Newkirk. Yes, she has written My words and I have raised up helpers through the years, to help her to get My repentance messages to you! And, Yes! You have received these messages! Vast numbers of you in these churches have received these messages, and vast numbers of you preachers have received these messages! But, you have not repented! You did not repent when you received the repentance messages and you did not cause My people to repent! And, furthermore, you have not repented, even to this day!

But, you throw your putrid meat and your sour milk into My face! Therefore, I am against you, you harlot churches, and I shall bring you down!

For, now you see droughts and soon you will see the results of the droughts! For, famine shall surely come upon you like a thief in the night!

### The Coming Economic Collapse!

And, as the calamities hit you, your dollar, in which you put so much faith, will also begin to burn! And, it is even now burning, losing value on very front!
But, I tell you one thing that some of you may not know: the Wall Street Bull is caught in a snare! He is in a very great snare and he cannot extricate himself from this snare!
The only reason that the bull has not fallen and you have not yet fallen as a nation is I! I am that Reason! Through My great mercies to you in this nation, I have extended time!

### America, A nation, who will not repent!

For many years, I have pleaded with you, oh America, through the mouths of My prophets, through the mouths of some of My preachers, I have pleaded with you to repent! I have extended My grace! I have extended extra time also, by dragging out

My works of Revelation Twelve. But, what have you done with the time, oh America? What have you done with the added grace, oh America?

I tell you what you have done, you wicked woman, America! You have prided yourselves in your self-sufficiency. You have whored yourself with your many perverted lovers! You have lifted up the sodomites and you have lauded the unnatural act of same-sex marriage! You cowardly ones have bent down to every perverted demand; for you do not care about any right, or moral codes of ethics, which I have set up among you! You care about this wicked world and every perverted and violent act!

### The Invasion of the Foreign Troops!

### The Sexual Assaults!

Therefore, as you love perversions, I will send many foreign troops into your midst! They will rape you and your children; and they will carry many of you away to be their sex slaves and sex toys!

### The Violent Assaults!

Furthermore, as you love violence, any kind of violence, and idolize violence in movies and fill your homes with violence through movies and television, I will send great violence upon you! I shall raise up foreign armies and I shall send a band of armies upon you! They will invade your nation by air, by sea, and by land and they will rain violence down upon you until few of you are left! They will haul you away in vast numbers and will exterminate you violently! They will shoot you down; for they are cold blooded killers; or they will cut off your heads, for you will die violently in great numbers!

### The Violent Mind Control Camps!

But, some of you will be sent to mind control camps and you will suffer much violence as your wicked captors break your will and as they break your minds through violent programming!

 From The Mountain Prophecies Copyright 2012

**The Great Killing of America,**

**The Great Dying!**

What will you do, oh America? For, foreign troops are already within your borders. Your demise is being carefully plotted! Your wicked leaders are ready to begin the spreading of the poisonous gases in great measures. They are ready to spread the terrible and incurable plagues among you, for which there are no remedies! They have gained control of your health care and your hospitals will become massive execution camps! Drugs will be willfully withheld from any and all of you, who find yourselves in their care, so that they might hasten your deaths at will.

**America, you will eat!**

Your plate is full, oh America! Your plate is full and overflowing with your rottenness and with your decadence. Now, you will eat! Yes! You will say, "We will not eat!" But, I tell you that you will eat!

Violence breeds violence! You have loved violence, oh America; and now violence comes to you! You will now reap it, you harlot daughter! You will reap violence in your streets! Violence in your neighborhoods! Violence in your cities! Violence everywhere! Violence all across this nation as people fight for food, as they fight for water, as they fight for sustenance of any kind!

**America, the Wicked!**

**The Wolf is Within!**

For, I tell you this: there is not one small crack in your whole economic structure! There is a giant abyss! This great economic gap is irreparable! Therefore, soon it will be everyone for himself, or herself! The whole world will see My punishment upon America, The Wicked!

Hear Me in this, you decadent nation! The wolf is not just at your door! The wolf is within your gates and the wolf is already devouring America!

I have warned you that the rumors of the great numbers of foreign troops within your borders are not rumors, but truths! These foreign troops, who have been invited into this nation by you Satanic president and his Satanic allies, will soon accelerate in their assaults against a sleeping nation. These wicked foreign troops will be used to attack you, oh America, in any and every way possible, from weather wars against you, to the gassing of the cities, to subtle and not so subtle attacks on the infrastructure of this nation, from one side of this nation to the other. You are on the way down, oh you arrogant nation of America! Now, you will surely repent or perish!

I am your Father, Yahweh, yea Jehovah, Most High God, yes even your Saviour, and besides me there is NO GOD, and besides Me, there is NO SAVIOUR!

## CHAPTER NINETY-THREE - PART V

### Message from our Saviour:

### "The Great Kingdom Events of July, 2012"

"Oh, Blessed Father in Heaven, Precious Saviour, Jesus, Lord of Lords and King of Kings, Glorious Most High God! I come back to You, Father, and I seek you, oh Blessed God, as I would like to know what You would have Your people to know about the events of these weeks past, the weeks since July 10, 2012? Father, what would You have me to them; for many great events have taken place?"

"My Blessed Child, I am indeed your Father, Yahweh, also known as Jehovah, yes your Saviour and Most High God; and I would have you tell them one thing: ABIDE! Abide in Me; for I am about to shake the very foundations of this earth! I am about to shake the militaries and I am about to sift the wheat from the tares! I am about to clean up My

 From The Mountain Prophecies Copyright 2012

own house! And, I am about to purify exceedingly My Bride! For, in My Bride, there shall be found neither spot, nor wrinkle!

But, My Little One, you ask what I would have you to tell My faithful about the events of these weeks past. Be not troubled, My Blessed Child, for words would escape you! True, descriptive words would escape your thinking, if you tried to relay what has happened these past weeks. But, I tell you, My Little One, there has been a birth, a very great birth, and a death.

My Holy Son, who lives within you, has given birth! He has now born the second great birthing of these holy seed; and this great birthing began on the 10th day of July of 2012, and within about five days' time, all of the holy seed, whom he carried within you, were born and I carried them all into heaven!

And, shortly, thereafter, I delivered into My Holy Son of light and fire, who is within you, the third portion of the holy seed, and all in order that My words might be fulfilled that the kingdom of heaven is like a woman, who put leaven into three measure of meal.
My Little One, this parable has one meaning and then two! This is the first meaning: the leaven is holiness, which I put into you; and My holiness comes through you and is added to My son, who is within you; and then this holiness is added to the seed, who are the meal.

But, there is a second meaning: the woman also puts leaven (the holy seed) into the meal, or the bride; for without the help of the woman in the earth, who is you, My Little One, which body would be found worthy for such work?

For, there is only one woman! Therefore, My Little One, your work, your spiritual work, is exceedingly important, though you constantly minimize the work that you do!

So, you see, My Little One, you have come to a very important time in these works. This is the last leg!

And, Yes! I have wanted to escalate these works, so that the time of your suffering might be lessened. But, My Blessed Child, I have continued to add to your time and to your suffering for love of My people, in order that the greatest numbers might be saved.

But, you, My Blessed Child, have often been in the darkness about these works of Revelation Twelve, even though you are in the very midst of these works. But, even so, This was also My great mercy towards you! For, if you had known the ending from the beginning and how long this work would have required, you could have succumbed in the great despair of your terrible trials.

So, My Little One, I have given you false starts and I have even given you false hopes about the timing of My coming, so that you could overcome the times of great despair and terrible travails. And, through these false starts, I have also molded and shaped the enemy in order to provoke them to do certain things! And, truly their eyes are always upon you; for they seek to overcome Me and My plans.

So, My Little One, I could not give you wings at this time in July, but I must wait a while longer, and you must continue to suffer. But, I tell you that I have brought you to a transformative place. For, through all of your suffering, you have truly died to self and to the things of this wicked world, not loving self and not loving this wicked world; but having come to a place of submission to Me and great love for Me and love for your brethren.

This is how, and this is why! Through this process, I could bring you to this place of death, that I might now transform you!

And, this transformative process has been also thing, which has greatly provoked the enemy! This transformative process has been a great fire, which has ignited the jealousies and the fears of Satan and his wicked hoards.

Therefore, My Blessed Child, I have needed to lessen the great fires within you at this time so that I could free you up to write even these words. Their attacks against you

 From The Mountain Prophecies Copyright 2012

have been exceedingly great; for they would not allow you one moment of peace as long as they could witness such great fires in your body!

Therefore, My Blessed Child, I have lessened the fires and I have pulled back My great show of power through My Son, who is within you; for these new seed, this last group of holy seed, who is within you, must now grow! This time of growth will not be slow. This process will take some months, but I have promised you that the second half of this growth period will accelerate. It will go more quickly; for the transformative process will then accelerate within you!

I want My faithful ones to know these truths: in due season I will transform them! But, the fires of testing are severe! This is not an easy ride, but the only true ride!

And, even as you, My Blessed Child, have had to die to self and to things of this world, My Bride will likewise, die! All will be tried and tested in the fires as gold and silver, for My holy seed within each one is a refiner's fire. I AM THAT FIRE and I am cleaning up My Bride!
My love for you all is without bounds! I gave My life for you and now many of you will be required to give your lives for Me! If you hate the thought of being persecuted for love of Me, you love yourself more than Me!

Who will rejoice when persecuted for love of Me? How blessed is the one, who is thankful to be persecuted for love of Me!

My Blessed Ones, draw close to Me and I will draw close to you! If you put things before Me, I will put many before you! Train your hearts and minds! Put your thoughts on Me! Do not love this world and what is in this world, but love Me! I am your Saviour; and I, alone, am your Saviour!

When you die to self and to things of this world, then and only then are you ready for My great transformation. Do you see?

I am your Father, Yahweh, yea Jehovah, Most High God, your only Saviour and Redeemer, Jesus, Lord of Lords and King of Kings!

# CHAPTER NINETY-FOUR

## Great Storm Clouds Over America, and

## Wonderful Promises Fulfilled!

"Come to Me, My Blessed Child; and sit quietly at My feet, for I am your Father Yahweh, yes Jehovah, Most High God! I tell you, My Little One, that a great storm is brewing! Black clouds have arisen and they are hovering over the USA! Over farms, cities, mountains, plains, over rivers, inlets, and bays, these dark clouds hang! From the oceans, they come rolling towards America, banks of dark, rolling clouds!

Yes, My Little One, a great storm is brewing over America and the greatest numbers of the people sleep on! But, here and there one looks up, one looks up and around, and one says, "There is a chill in the air. The wind is blowing swiftly. The clouds are dark and thick and a storm front is approaching! We'd better take cover! See the lightening in the distance!"

But, elsewhere, the pool halls are busy! The gambling tables are full! The one-arm bandits are busy! The parking lots of the liquor stores are full! The movie houses are packed with those, who love violence and pornographic movies! In people's homes, the televisions roll! Their neighbors often work three jobs and the children roam! All over America, this is so!

And, the coffin is about to close, that great coffin of America, the USA, that great nation, which God Almighty blessed and made great above all nations! Yes, the coffin is about to close on this nation, upon the great nation of America; for it is no longer one nation under God Almighty! But, it is a nation under Satan, a nation under strange gods, a nation, which is full of every kind of wickedness and perverseness.

Oh, America, you have fallen! But, you will not be given even a decent funeral! The vultures are within your gates and they are already devouring! They are devouring all

that can now be devoured as you sleep! For, you are preoccupied with your violent movies, with your pornography and sexual perversions, with your alcohol and drugs, with your internet, with your cell phones, and with all things that do not profit you spiritually!

It is a sorrowful day for you, oh America; for the plunderers are plundering; and the warriors are warring, but now they war against you. Now, they come to take a spoil! For, I have put a hook into the jaws of the Prince of Tubal, and I have begun to bring him down on you, oh America, and he comes to take a spoil!

Soon, this Prince will come with all of his bands and they will come to rob you, to plunder and to pillage you! They will come to destroy you, America, once beloved above all nations; and they will spoil you utterly! They will carry away all that they can carry away. They will place your valuables in trucks, trains, airplanes and ships; and they will haul them away! They will seize your fine homes and they will seize your lands! They will take your cattle and your many kinds of livestock. What they cannot carry with them, they will destroy with incendiaries.

They will carry off your women and children and they will load up your young sons and they will turn many of them into their mind-controlled slaves. They will ravage and kill many; for their heart is set to destroy you completely!

Yes, they are now in your gates and they come to take a spoil! They will take your houses in the middle of the night and they will drive you out! They will carry off your many fishing boats, your trucks and cars in vast numbers! A very great spoil they will take and a very great spoil they will make in your nation! For, they will burn you, oh America!

From north to south, and from east to west, they will burn you! Your fields will lay barren and without crops; and your food sources will wither and dry up! Famine, great famine will sweep across this land from north to south and from east to west.

 From The Mountain Prophecies Copyright 2012

Great famines will come; for pestilences will destroy the crops that the droughts and unstable weather do not destroy! And, amidst so much despair, the enemies will release deadly gases and plagues, which will consume you in great numbers!

I will reduce you, oh America! For, I have made you great! I, and I alone, have made you great above all nations, and you have whored yourselves with other gods.

The churches have whored themselves with the government and have become government churches. Therefore, they will not stand up and speak against the government; for they think that they might lose their tax-exempt status.

Oh, you filthy churches of America, you have slept with the enemy! Yet, you claim to work with Me! You have thrown out My Spirit and you have denied My spiritual gifts, yet you believe that you walk in My light! You claim that you know Me and that you serve Me, but you do not know Me and you do not serve Me! You know this world as a woman would know many lovers! For, you fornicate with the world and with every worldly thing! Your plate, on harlot daughter, is full of every perversion! Yet, you lay it upon an altar for Me and I will not have it!

I reject you, oh harlot churches of America! For, you are gall in My mouth! I will not taste your perverted offerings and I will not accept your rotten praises! For, you have made your praises as the substance of bar rooms. They are empty, raucous and noisome to Me!

Come out from among them, My Fair Daughter, My Pleasant Vessel, My Holy Bride! Do not sit among them and do not partake of their excrements, lest you, too, be polluted and suffer and fall back and be denied into My presence!

For, a great wasting is upon America! No longer will you be called America, the Beautiful, but America, the wasted! For, I shall waste you, oh America! I shall send evil upon you and I shall waste you until I remove your filth and your evil from before My face!

And, when I am finished with My wasting of you, there will remain only a portion of you! For, I shall waste your coastlines! And, I shall consume your movie industry in My wrath! It shall fall beneath the waves and beneath the rocks and be no more!

I shall send earthquakes onto your coastlines and I will destroy your gambling industries and your hotspots of fornications, adulteries, sodomies, and drug infestations. And, I shall divide this nation into two parts; for I shall open up the Great Lakes and I will cut a great path down through this nation from north to south; and I shall fill it with water!

I shall utterly sweep away the putrid filth of the Bible-belt churches; for they are anathema! They talk a kind of godliness, but they deny the power thereof; and I shall utterly remove them, for I never knew them!

But, as for you, My Blessed Child, My Woman of Revelation Twelve, the earth mother of My Holy Son, the manchild of Revelation Twelve, and the earth mother of My holy seed, I tell you a sure thing: Even as you have greatly suffered beneath the feet of Satan, and even as you have so greatly suffered under the weight of lies and slanderous accusations, I shall now exalt you!

And, I shall put all of your enemies beneath your feet! For, I shall judge them all, and I shall cut them off to the right and to the left and I shall lay waste their strongholds, whereby they have tortured you and whereby they have persecuted you.

And, many shall hear a rumor, and they will say, “Isn’t that one, Linda Newkirk, that false prophet from Arkansas?” And, even as they say those words, they will choke on their own words. For, their very words will curse them and the power of their own words shall consume them!

For no more will you, My servant, Linda Newkirk, be called, “that false prophet from Arkansas.” But, you will be forevermore called, “Blessed of God Almighty,” “the Chosen One,” “the earth mother of the Son of Jesus, of My Holy Manchild,” and “the earth mother of all of My Holy Sons.”

 From The Mountain Prophecies Copyright 2012

And, I will exalt you, My Blessed Child, above all of My sons. For, you will sit at the head and not at the tail! And, you will dwell in My house, with Me forever, and you will never be separated from Me again, even as long as the heavens exist! Throughout all eternity and forevermore you will reside before Me! Even as a brilliant sun, you will be before Me! For, I will exalt you!

No more will you be called that false prophet! No more! For, your time is at hand, My Blessed Child, and I shall shake this earth from one side to the other side. All over this earth, I will shake it; for at that time when I bring forth My great power within My Son, who is within you, I shall shake the heavens and I shall shake the earth and a great fire will roll forth from the heavens upon you and upon My holy son and no more will you be a prisoner, My Blessed Child!

Behold My words and prepare yourself in all ways; for this very great change is now before your face! NO more will I delay My promises to you! For, I have given many delays for love of My people! I have extended much grace and I have extended much time; but I give you My word, My Blessed Child, and I stand upon My word, that I will not extend your time beyond these few weeks that remain!

Some days back, I told you that you have passed the half-way mark in your time of waiting since your transformation process began on the 10th day of July of 2012. Now, My Blessed Child, your time of waiting is less than two months!

Do not distress yourself about the work that remains on the House of Prayer. This and all of the work on this land will be completed! I will make certain of that! Stay close to Me! Delight in Me! Cherish Me! Love Me above all and truly love others; for I have a date with you! You are My wife and you are My first born! And, soon, I will light up the heavens with the fire, which I will add to My holy son, who is within you!

Be of good cheer! For, all of heaven is of good cheer! For, the doorway into eternity is now being opened through My holy son, who is within you!

I am your Saviour, and besides Me, there is none!

# CHAPTER NINETY-FIVE

## "The Wedding in Heaven"

## Message from our Saviour

## November 25, 2013

Come to Me, My Blessed Child, for you call out to Me and in the quietness of your heart, and I answer you. I am the Holy One of Israel, the One and Only Begotten Son of God, My Father, the One who Redeems, the One Who Guides, The One Who Saves, and the One Who Corrects, the High Priest Who Intercedes before My Father for you and for all of Humanity. I am the Incorruptible, The Lord of Lords and the King of Kings. I am the immeasurable light. I am that I am.

I am your husband, the father of your children. You are My wife. I am your Maker. I am your light, your life, your truth and your way; and I am the Light of this dark world and though darkness roars, My Blessed One, and the evil rises to consume all that is good, I will never leave or forsake you. But, now, My Blessed wife, and now I can call you My wife, and you know that you are My blessed wife, even that you have been My wife for billions of years; but as I say now that you know that you are My wife, and the mother of My children, I tell you a new thing, that soon, I will make you again My bride, my virgin bride, for I have put you through the fires and I have carried you through the darkness of the darkness and I am bringing you through the darkness of darkness in victory. And, I tell you a thing. I shall give you a crown with twelve stars and I shall give you a scepter, and I shall give you a horn of iron and feet, like brass and I shall make you a high tower, a strong tower, a fortress unto Me. And, I shall empower you and you shall beat down the proud and haughty nations and you shall collect from them and you shall bring into My storehouse and when the earth is moved like a cottage out of its place, you shall not be moved and My faithful shall not be moved; for you shall be in My arms, in your place of safety. With our children, you shall be and the faithful, little ones, who have kept their faith and who have neither renounced Me, nor have

fallen into sin and unrepentance will be assembled in our midst and they will honor Me as Saviour and they will honor you as My queen, my wife. For, the heavens will rejoice when I marry you again, but under a new covenant, which is written by My Father; for you have travailed, My Little One, My Precious wife. But, then you will not be a little one, for I will exalt you, and you will be like a tower over My people. And, they will know that you are their spiritual mother and that you paid a very great price for them and no longer will they call you the married wife, who is barren. For, in the light, in the heights, wherein you were My wife and I was your husband, you were not allowed children and you greatly lamented this and you came then into the earth to be deceived by Satan; for your cries for children caused ill feelings in the light and in the heights; for you were forbidden them. We were forbidden to have children. So, you were stripped of your glory and planted in the earth, to bear the sorrows of your sins, beneath the feet of Satan. As Eve, you came and as Eve you fell and you suffered in this earth, in and out of bodies, as mother of many children and as mother to the elect, but your road was a road of rocks and thorns and deserts and boulders; for Satan never forgot who you were, the mother of the firstborn, Cain, his son, and throughout these years, he has demanded that his children have the rights of the firstborn and the children of Satan rose up and lorded over the children of righteousness and to this day, it is so, and the war is very great at this time, for Satan's children will have no place on the new earth. Therefore, the brunt of his anger is cast onto you and his wild accusations against you fly into My face day and night and he persists to lay claim to you, to torture you, to imprison you by the day and night, for he seeks the slightest fault in you and is up and down, up and down through the gateway laying heavy accusations against you. But, I tell you, My Blessed One, that he has the short end of the stick and you have the long end and I will raise up a fire in you and I will send you out again and again and I will empower you through My fire and I will set fire to his computer systems and I will set fire to his underground bases and I will wreak havoc on his Mars base; for I will send you there and I will vindicate you in all that I cause you do to him. For, he has hated you and he has hated all that I have allowed him to do. For, even as Cain was the firstborn and even as I allowed Satan's children, the children of Cain, to discover the new planet and even as I allowed them to put a colony on the new planet, he and his children only came to debase this new planet and to destroy it; for they are lacking in any respect for what is good and right and when I further

 From The Mountain Prophecies Copyright 2013

allowed them to carry vast numbers of people and supplies to their Mars base, they corrupted that venture and they set out, even from the beginning to use their Mars base to make war; for I put them in a vice grip and I began to tighten that grip, for their all-consuming desire was to devour you, to kill you, to keep you evermore the prisoner as they carried vast amounts of supplies through the gateway and into the upper realms, which are attached to you through this gateway of mine. But, they, in their arrogance claim it to be theirs and in their bragging ways, tell that they will keep you forevermore as their prisoner. But, My Blessed One, I tell you that there is one nail left, just one nail and at the appointed time, and soon, I will put the nail into the coffin of the one, who hounds you and I will make his bed hard and I will shut him up for a very long time in his house of flames and horrors. For, he has said, " She is mine and I will forever make her my prisoner and I will make her my target and I will make her my mainstay, her torture if my delight and I will consume her in my jealous rage; for she will not go up, but I will kill her one way or the other."

Yet, I say, My Blessed Wife, you are My wife, the mother of My people, the mother now of our two children. You are My wife, the tower of the flock; and I will revenge you and I will empower you and woe to Satan and woe to this evil man and woe to the U.S. military for what they have done to you and woe to the CIA and woe to the Office of Naval Intelligence and woe to the National Security Agency and woe to Camp Robinson and woe to Satan and to all of the fallen ones.

For, I am addressing this mail and it is to My wife and it is My invitation to her to the Marriage of the Lamb; for she is My bride and I shall emboss it in gold; for she has been tried as gold and I have prepared a place for her. And, I have prepared a place for the wedding guests and I have prepared places for all, who will come to the new heavens and the new earth, to My holy hill. But, all will go through My holy hill in the earth, the mountain, wherein My blessed wife lives; for therein is the gateway that leads to this new earth and all must pass through her body. Yes, I said, you must pass through her body to be a guest at this wedding or to be at the wedding supper, so if you mock her and if you hate her, and if you defile her and if you abuse her in any way and you do not repent, you will not come through her body to get to this wedding. But, some have abused her and some have defiled her and some of these abusers came

here to the new planet, but those, who have done so and will not repent, have been sent down.

Look at your hearts, oh you people! Look at your thoughts! Are you among the guilty ones, who have denied the truths of Revelation Twelve? Are you among those, who have lied against My servant, Linda Newkirk? Have you defamed her? Have you spread hate against her, yet you will not remove your hate and lies from the Internet or elsewhere, yet you think to be a part of this wedding? I tell you now and hear Me well. Unless you repent with tears and with weeping; you will not be a part of it. For, this marriage and this great event will be a time of joy, a time of hope, a time of blessings as none could ever imagine. For, I will re-marry My wife, but under a new covenant, and she will take her new place by My side and she will walk in great glory and power; for she was brought low, that she might be exalted and none will be at that wedding, the Marriage of the Lamb, who have abused her, or have mocked and laughed at her, who have called her "false prophet," "insane," or have called her other lying names or who have cast about other lies against her and will not repent. I tell you now.

My wife is knocking on My door. She is knocking on the door to heaven, itself. I am about to open that door and let her in. I have told you that I would take her first, but those, who are to come to the marriage will not be far behind. Everyone, who enters therein, who comes to this wedding will be blessed and will be changed in great and marvelous ways. For, not all, who come will be pure and clean. These are guests; but I tell you a very great thing. All will be exceedingly blessed and all will be changed in great and marvelous ways and though some will come back to finish their work in the earth, others will be found worthy to stay.

Repent, oh you people! For, I tell you a new thing. The new heavens and the new earth await the faithful and through the wedding invitation alone, I will begin to fulfill My promise to My wife, that I will allow her to see the salvation of the greatest numbers. For, because of My promise to her, I will do great and extraordinary things to save great numbers of souls. For, I told her in 2004 that I would give her her heart's desire and she asked nothing for herself, but to see, to witness the salvation of the greatest numbers of souls, and not only will I make extraordinary moves to save the

 From The Mountain Prophecies Copyright 2013

greatest numbers, I will exalt her and all will know that Linda Newkirk is no false prophet. She is My wife, the spiritual mother of humanity and the mother of our children, and these two children are the holy manchild, whose name is Emeleo, and Jared, the second born, who is now nearly six months old and yes all given by artificial insemination, for this is how it will be until we are married again. But, since I gave her the firstborn, who is Emeleo, My Father, determined that she would never be disallowed to have her own children in the light and HE approved for ME to give her more children. She wants a house full of children and I will give her a house full of children and all the world will know that she is My wife and will sit at My right hand and will ride a white horse alongside Me; for she has paid a great and a terrible price.

Therefore, My Beloved wife, I say to you, look up; for after so many years of heartache and after so many years of sorrow, I tell you this. Your redemption draws nigh. But, redemption also draws nigh for those, who are both ready for it and appointed to receive it. But, know one thing, that I do a new thing in My mercy and among the wedding guests. I will do a new and a marvelous thing.

Yes, My Little One, the gates of hell have swung wide open to devour you and Satan has cast every sort of evil tirade in your face. He has devised every evil scheme, and has laid it upon you, but My Blessed One, you are the victor and your victory, your great victory is just before you. Therefore, My Blessed wife, rejoice and be glad; for you will carry many with you into the Wedding of the Lamb. Tell them who I am, that no secrets remain. For, My Blessed One, I am your husband.

As witnessed, dictated and recorded this 25th day of November, 2013,

Linda Newkirk

Dear Souls, I have very much to tell you about the great and terrible things that happened when Satan tore into the gateway of light, which is attached to my physical body, and that was around the middle of January of 2013 and I will tell you much later, if time permits. But, I will tell you now that shortly after Satan tore into this gateway of

light, a commander in the U.S. military led an expedition up through the gateway of light and they discovered the new earth and the new heavens. And, as our Saviour said, the U.S. Government and the British Government were allowed to put a colony on the new earth, but were forced to shut it down as they took concentration camp victims up there and cut the heads off thousands of people; and when I heard them speak of it, I prayed and asked our Saviour to put their heads back on and to raise them for the dead and He did so.

And, thereafter, on the first day of March of 2013, the holy manchild was taken back to the throne of our God; for he had no safe place with me; and to my great surprise, for I did not know that our Saviour had given me another child, a baby was born to me on the 30th day of May of 2013 and our Saviour and the holy manchild came and took him. This is a most interesting story, how this happened, and if I have time before our Saviour comes, I will tell much about these terrible events and great events and how the gateway opened and the U.S. military and the British and other nations began to send aircraft up through this gateway and the constant passage of these crafts caused me to fall ill with many cancers in my body. But, our Saviour, in His great mercy, came and took me up and spent hours with me and healed me. There, at that time, He told me many things. Blessed is His Holy Name.

Pray for me, Dear Ones, for He told me that I had died many times, and I believe that He said around 26, 27, or so. At this time, I cannot remember the exact number, only the approximate number as I was so ill when He took me up and I was exceedingly tired. Yes, this great war and the passage of these craft through this gateway, which do pass through an interdimensional space, which is attached to my body, have wreaked havoc with my health and with my life and have caused me immeasurable suffering. But, I also know that there comes an ending to this great travail and to this time of suffering and also a very great beginning, so be of good cheer and continue on in faith; for the kingdom of our God is unfolding within our very midst and the Wedding of the Lamb is at hand.

I also wish to tell you that as I understand it, our Saviour has built great hotels, houses and mansions on the new earth and that many, many thousands have been up there

 From The Mountain Prophecies Copyright 2013

visiting since last spring, and that of those many, many thousands, thousands have been sent down, but many thousands also remain, as I understand it, and they have been given grace to stay there for the Wedding of the Lamb. So, stay in hope, and walk in love and forgiveness; for great things await the faithful and the grace of our Mighty God is overflowing at this time. I love you very much, linda

# CHAPTER NINETY-SIX

## Our Saviour's Words about the colonization of Mars

Hear Me, My blessed wife, for I am your husband and I am your Maker. Have I not called you, and have you not heard Me? It is true that the wind blows and it blows where it seems right at the time, that wind pushed at times by Me and at other times by Satan and his evil devices, and at times it blows and moves as it seems right.

And, so it is with people; and so they are pushed and prodded and fed by streams that are of Me and by streams that are not of Me; and they are goaded and poked and prodded firstly in one direction and then in another direction.

Have I not told you of these times wherein even the elect would be deceived if I allow it; and I have allowed it, and I will allow it, to cause them to sway firstly this way and then another way for the settling and the purification of their souls. For, as a chair rocks, firstly one way and then another way, so they will rock until they settle into my place and rock no more and they are no more pushed and pulled, but rest in Me and upon Me and their Rock, which is immovable.

I tell you, My blessed wife, that I have planted you in Me, in that immovable Rock, but the tides of evil are so greatly against you, for you are My wife and these tides roll over you and seek to carry you out and they do all in their power to submerge you and for a fact, they have disintegrated you on more than one occasion with their terrible technologies. But, I have put you back together again. And, they have killed you and yes, even killed you dozens of times since June (of 2013), and I have brought you back to life.

And, the gates of hell have opened and I have sent you there and you put many of them in prison and I brought you back again, for you are My wife and I empower you in many things that people in the earth know nothing of. But, Satan knows and his people

 From The Mountain Prophecies Copyright 2014

know. And, yes! They fear you! They do fear you! For, I am in you and I am that Rock. And, you reside in this Rock and you rest in this Rock and on this Rock and this Rock is your fortress.

But, even so they come against you in full power, all the power and powers that they know to use against you and they beat you with their powers and they assault you night and day with their lies and they do all that they know to do to make you their prisoner and to keep you as their prisoner; for they are trafficking (through) this gateway, I save you my blessed one!

They carry massive amounts of supplies to Mars. And, it is on Mars that they wish to proliferate their war machine and to take hold of Mars and to do to Mars what they have done to this planet. And, they, therefore, fortify themselves in their underground bases and they make ready to save themselves from the catastrophes that come into the earth, for they are consumed with their own selfish desires. So, they go forth with their war machine and they are filling up an underground place, and trafficking Mars with their supplies.

And, they know Me, My blessed wife. And, you know that they know Me, but they wish to disregard Me and to follow Satan to their own demises. But, a whistle comes in the darkness and a call for order in the darkness, but they neither hear this whistle nor this call to order. And, by the day and by the night, they skate upon thinner ice, and now all of them are on borrowed time. For, they travel through this gateway on My mercies, but all the while, they bow down to Satan.

Now, hear ME in this. I have called them to order, but it is not the order that they choose, but the lies. I have laid down My terms, but it is not My terms that they want, but their terms. I have established these terms before you, yet by their own ways, they have already established their decisions. They tell who they are and they are about their own selfish agenda.

But, I tell you a thing about their selfishness. Selfishness is like a rotten fig. It does not hold its shape. It is soft and gooey. It may taste sweet but it is quickly consumed by

rot. Selfishness breeds more selfishness and more rot and decay until the whole lot is consumed. And, so it is with their Mars project. It will consume itself in lusts, in greed, in hate, in malice, in wickedness, in its covertness and secrecy.

The funds have been given. They have been set aside for the Mars colonization. And, My blessed wife, a promise has been given to you, a holy promise from the throne of My Father and one given through Me, that in the habitation of the dragons, rivers will spring up and swell with fresh waters. Streams and fountains will erupt where there was no water. Grass and trees will grow and suddenly so, where there was before none. Where only dragons (Satan and his own) lived, life will flourish.

Yes, on a planet that was conceived as uninhabitable, it will be habitable. And, I will make it so; for I am Creator. I will, therefore, make it so; for this promise is given to you, firstly through My promise to you in June of 2004, that I would give you your heart's desire. And, then you asked for nothing for yourself, but that I would allow you to see the salvation of the greatest numbers of souls. And, you will see the salvation of the greatest numbers of souls; for My Father and I will do unheard-of-things and we will do extraordinary works to save them.

Now, my Blessed Child, for I am both your husband and your Maker, you came to Me and you lamented that billions of humans would be killed in the wars, in the plagues, in the natural calamities and also at the time when the earth is turned upside down. You wept bitterly for the loss of life and also because of the fact that due to the low numbers of people, who would be left on the earth, that it would take a very long time for many souls to re-enter the earth through the birth cycles. And, you are correct in this. Therefore, you asked Me and My Father to make Mars habitable, and to move many souls there so that they could continue their spiritual progression, in view of the great calamities, which are coming into the earth and also in view of the time when the earth will be rolled up like a scroll and burned and consumed by fire. Therefore, this decision was made and it was given, even as you have asked and all to be done for the salvation of souls.

 From The Mountain Prophecies Copyright 2014

And, as you know, a great amount of money was given by those, who have abused you and also given due to the abuses and was to be put into a fund for the colonization of Mars. But, hear Me and hear Me well, that the wicked ones wish to take all and to use (it) as their god directs them to do and to shut out the nations so that none of the nations can traffic either goods or people to Mars. For, these abusers of power wish to have the whole planet to themselves and for their own war machine; and when and if they are able, under the direction of Satan, (they plan) to come here to this holy place, through this very gateway, and to throw Me out of power.

But, I tell you what I am going to do. I am going to throw them a lemon twist. I am going to put a sour taste in their mouths. I am going to dry up that tree. I am going to cause it to rot from the inside out. And, in due season, some will come and they will say, "What happened to that tree on Mars?" And, I will say, "I dried it up and the insects came and devoured it and look there where it was, (there is) only a hole in the ground. And, the wild horses and the asses will come there, where the roots of that tree rested under the earth (their military bases) and they will kick up their heels and throw dust into the air and run and play and be happy in their lot; for that tree did not flourish. It did not prosper. It did not make fruit. It devoured itself; for it was a selfish tree. And, selfishness is a bottomless pit. It consumes itself until not even a root is left.

And, they will then say, (that is those, who know of that lemon twist and the selfish root, that consumed itself), "What happened there on Mars?" And, I will hear those words and I will then snap My fingers and say, "See that woman! She is the Mother of My people and the Mother of our own children and she has loved them and prayed for them and for their salvation and she has shed many tears for the lost. And, she has wept bitterly for the children of Satan and for their salvation. And, look there, over there (is) a piece of that root! I did not destroy it all, for they heard the wind of My Spirit and though they were tossed here and there, they were not altogether consumed."

And, then I will say, "Look there! See! There it is, the first city on Mars. My wife wanted it to be named after Me and she wanted it to have a Righteous God and right laws, not only planted in their midst, but in their hearts. And, I built that city." And, they will say,

"You built it?" And, I will say, "Yes, I built it, for the selfish ones took and they took and they took for themselves for their own selfish purposes and then the day came and without so much as a moment's notice, I shut the gateway and threw Satan down again and no more did they travel the gateway.

But, I saved unto Myself a few and I made them clean and they flew among the hosts of heaven. They flew My (space) crafts, though crafts of a different type and a little inferior to those, which are flown by the hosts of heaven, but still very powerful crafts and comparable in many ways.

And I said to them, (to these human pilots) "Look here and look there and when I send you out, go over there and pick up thirty people and over there and pick up sixty people, for I will save them in this way. They are not ready for the new earth! Their souls are not ready, but to honor My wife and because of her great love (for them) and because of her great suffering, and because of the price that she has paid I will save them from a certain death in this way and they will continue their spiritual progression on Mars, firstly in a city that I made, for love of her and by her requests. For the selfish ones thought to prevail through their theft and cunning; but I will prevail and I will populate Mars and even some will pray words like the following words."

### The Words

"Oh, Lord, if You see that I am not ready to live on the holy hill, in that holy place, on that holy planet and it is Your desire, allow Me to be among those, who are carried to Mars to live there in Your city, or around Your city, as the case may be, or in other cities as you see fit for them to be built there. For, Lord, I know that billions will die and I may be among those, who are set to die in the terrible calamities. But, if it be Your will for Me to live and to carry out My life (on Mars) then I petition You to allow Me to be among those, Oh Lord, who are taken to Mars."

And, some will pray these things and I will hear them and I will commission these pilots, whom I have made ready and I will say to them, "Go over there and take those twenty and bring them to My city on Mars; for I do a new thing to save souls, eve as My wife asked Me to do, even as I was commissioned to do by My Father."

 From The Mountain Prophecies Copyright 2014

The greedy ones have ridden over you, My blessed wife, and Cain got his portion, for he was firstborn, the son of Satan, and you were his mother, having been deceived and raped by Satan. So, the firstborn, these children of Satan came (for their inheritance) and you lay down and they rode over you with their crafts and trains as they carried themselves and their supplies firstly into this new planet, into this holy place, from which they were made to leave due to their killing sprees. And, for almost a year, they have travelled to Mars, carrying vast amounts of supplies and people to Mars.

But, quickly, and without so much as a moment's notice, I will shut them out of this portal and out of this gateway. And, then, My beloved wife, your price to Satan and to the children of Cain will be paid and then the inheritance will come to My people and they will not be shut out of Mars as Satan wishes, but I will populate Mars as I see fit, but the dark, evil and selfish agendas of those, who are now on Mars will perish. But, life on Mars will erupt and flourish and I will keep My promise to you to colonize Mars. Do not be troubled about the trillions of dollars, which were set aside for the colonization of Mars. They are stiffing (stealing from) the nations. But, I will not steal from the nations and I will do a new and grand thing. I will populate Mars and I will cause the dead wood to rot and to perish. SO be of good cheer, my blessed wife. For even as you are blessed above all women and even as you have suffered more than any can every imagine, you shall also be greatly exalted and you shall be at My side, you and our children.

No more shall they say, "The desolate have more children than the married wife." For, I shall give you many children. You are My wife, the mother of My very own children, and by summer Emeleo and Jared will have two brothers, the twins, and as long as you are in the earth, I will give you children; for their light strengthens and comforts you. They love you. They cry, they weep, and they pray for you.

And, when I marry you again, as I have told you that I will, but then under a different covenant before My Father, I will give you more children. We will have a houseful of children, even as you so desire. But, these are our own children, yet you are also Mother of many children in the earth, and when we marry again, these children, who are redeemed, will all be a part of our eternal family.

Blessed are you, my beloved wife, even blessed above all women! Be of good cheer; for I am about to strip Satan, to exalt Myself, and to raise you up and bless you in wonderful ways!

I am your husband, Jesus, your Saviour.

Dear Ones, I could write so very much about the many things, which have happened this last year, but even to go back and to drag up such things from the treasure house of my memories would be so painful; for I have lived a life of absolute horrors.

But, I will share some things with you; for you need to understand that a very great work has been taking place, far greater than any of you can ever imagine.

I must tell you that when these crafts enter into this portal from Camp Robinson, and most often from their underground locations, that they enter slowly into this interdimensional space and as they pass through this space, they travel up and out through my body. If you were to be in my house and these crafts were passing through this portal, (which is about the size of two football fields, as I understand it, and out through this gateway,) and if you touched my body, you would feel the movements of these trains and aircrafts as they pass through my physical body. It is this passage of these crafts through this interdimensional space, which is attached to my body, and the passage of them also through my body, which has caused me to be so very ill for many months of this past year. Also, because of this constant movement, and believe me, it is constant, my body is so terribly burdened and I am continually so tired that I am not able to do much work. As I understand it, I have actually died more than forty times since June of 2013 and of both of necessity and because of His great love and mercies, our Saviour has continually brought me back to life. Blessed is His Holy Name!

 From The Mountain Prophecies Copyright 2014

But, Dear Ones, it is not just the passage of these crafts and trains through these portals. Dear Souls, as I understand it, Camp Robinson has a very great underground complex and as I understand it also, this is Satan's world headquarters. It is no wonder that in the Bible, in Revelation, Chapter Twelve, the word tells us that Satan is in the face of the woman; for I live only a few miles from this base and for twenty-five years, even when I lived in North Little Rock, Arkansas, I have lived only a few miles from this base. Next to Camp Robinson is Camp Pike. This base is named after Albert Pike, the father of modern freemasonry, which is Satan's worldwide occult organization. That Satan would be in my face is foretold in the Book of Revelation in the 12th chapter, but what is told there is only a very brief outline.

Yes, Satan has been in my face. And, his many children and servants, and his cohorts, the greys, have also been in my face. And, they have come to do terrible things to me night and day for many years. I have written that they have continually kidnapped me, raped and sodomized me, burned me with beam weapons and that they have pummeled me with exceedingly hard substances, which filled up my body and caused me so very much pain and suffering. They have drugged me and have done all in their power to make me one of their own, and all of this is because of the interdimensional space, which is attached to my body. And, surely Satan also has known that our Saviour is my husband and this is also an added reason for his torturing me for so many years. Yes, they have continually taken me up in their hover crafts and have come into my house, by travelling in their force fields. They have at their disposal the terrible technologies, which have been given to them by Satan and the Greys. And, you must know that space travel is Satan's obsession; for he does not want to be earthbound, but to run rampant in the Upper Realms! However, he is forbidden to do so!

So, Dear Ones, when you hear of the abductions of people, don't forget about the U.S. military. Those, who have continually assaulted me belong mostly to NASA, but not only to NASA.

The current President of this nation has been in my bedroom, along with his two children, and he sent out homeland security to stalk me. The Office of Naval Intelligence got involved and sought to carry me into court for anything that they could

think of to charge me with, but in all occasions, our Blessed Saviour stopped their evil plans.

The National Security Agency has often been here and their Google puppets have travelled this gateway! And, as I understand it, the CEO of Google was among those, who were doing satanic sacrifices in the portal when they firstly entered into it in mid-January of last year! However, there came something like an earthquake in that portal and it collapsed around them and as I understand it, nearly every one of them died.

The very next day, the Pope announced his resignation! Was he among them? Was the whole resignation process just a sham? Did he die there, or was he saved? I suspect that he may have died there among some of the world's elite Satanists.

They did not make it because of their killing spree in the portal, and you would think that they would know not to come into this portal and pass through this gateway and do their killing sprees, but they have not learned.

After so many died in that Satanic sacrifice in that portal in January of last year, the wife of the Google man went out with her child through that gateway and spent about two and one half months photographing Mars and studying Mars from Satan's underground base there on Mars. In fact, I heard her as she was passing up through the portal and was going out through the gateway. She was talking to her child and she said, "This is why I am doing this. It is not far. We will be there in a little while." Why was she "doing this?" I believe that she was continuing the work that her husband was to do, the one, who was killed during the Satanic sacrifices. I knew when she went up and I knew when she came down; and they would hope that I did not know these things. I heard the NSA man, who threatened her and said, "She will not talk. We will cut her throat. She is one of ours." On several occasions, she travelled up and down through that portal with two NSA men!

Yes! The National Security Agency owns Google. Do not be deceived! Google is a very great spy network and some of the nations know this and the smarter ones will not allow Google into their nations.

 From The Mountain Prophecies Copyright 2014

It is Google, NSA, which is run by Satan and the greys, and they have kept the hate and the smears and the lies against me at the top of the search engines! And, to this day, they continue to pump out lies against me and to keep these lies at the top of the search engines. You would think, that because of their having to pass through my very body, that they would not continue to keep their hate against me at the top of the search engines, but this is not so.

As the google woman and two NSA men were coming back down the portal from the new planet one night some months past, they did not know that I had just asked our Saviour to set fire to all of the debris in the portal and as they entered in through the gateway, they came down through the portal and flew around in the fires.

Those spaceships have heat shields on their crafts, and I saw them as they sought to get out of that space, but could not and I did not know how they would get out. So, I prayed and asked that the will of our God be done. And, the very next morning, that Google woman was in my house and I heard her say, "I do not know how I got out. But, I was just suddenly out!" Dear Ones, this is the love of our Mighty God, but I do not know what happened to her two NSA escorts.

Now, Dear Ones, I tell you one thing. I do not know how some of them can get up in the mornings. They have all had to travel through my body to get out there and to pass through my body to get back through. And, once they leave the portal, which is attached to my body and pass through the gateway, they enter into a very holy place and they travel that space also through the mercies and graces of our Saviour! So many times they have travelled through my body; and their real space program depends upon this interdimensional work, that our Saviour makes possible for them. But, they are not grateful. They keep up the smears against me and keep the hate at the top of the search engines. And, many of them have greatly tortured me and have electrocuted me and have tried to kill me so many times!

But, even so, I forgive them all and I continue to pray for their salvation and for the salvation of very great numbers of souls, who are among the NASA people. I cannot think long about them without weeping; for they are in the worst of prisons and they

cannot get free unless our Saviour sets them free! Blessed Saviour, hear my cries on their behalves and save them from the iron clutches of Satan!

Dear Ones, I can often hear parts of their conversations as they travel through the portal. And, over these many months, I have heard many, many conversations. Therefore, I know very much about NASA, and about those, who work for NASA, and I must tell you that I have shed so many tears for them. I have seen the saddest things. I have witnessed and suffered such abuse at their hands, but I also want you to know that so many of them are abused and many of them have been terribly abused, even to the splitting of their minds, so that they are more easily controlled. And, from time to time, some of them actually do things to help me and I am thankful for each one, who has tried to help me. I can only weep and pray for them! Oh, how terribly they are also treated. Satan and the greys wire them up to large computers and cause the computers to control them. They have turned many of them into sex slaves; for as I understand it, they are forbidden to marry unless Satan marries them; and if he marries them, they are never allowed a divorce. Think of those like the Bushes and Clintons!

I forgive every one of them, and I do not stop praying for them. They have literally had to sell their souls to work in Satan's coveted space program! I am deeply saddened by what I have seen, but I hope that the day comes when I can run up to some of them and see that they are free. And, when that time comes, I have some special tears of joy that I will shed and will praise our Mighty God and thank Him from the depths of my soul for saving those, who have been in the darkness of darkness, without so much as a shred of hope. And, I will greatly rejoice when I see Him save many, who are unsalvageable. Precious is His Holy Name!

Dear Ones, that house in the sky, the international space station, which I like to call the space bucket, is not their space program. That space shuttle and their moon trips also do not represent their space program! Their real space program is built upon interdimensional travel. These interdimensional spaces are shortcuts to the stars and they cannot readily get to other places in space unless they travel through these interdimensional pathways.

 From The Mountain Prophecies Copyright 2014

Dear Ones, the first interdimensional space, which was attached to my body, began to open up in the year, 2000 and since that time I have been involved in the interdimensional work in some way. I have written about the work that our Saviour had me to do when HE sent me out to shut down the interdimensional pathways as He intended to shut them out of these pathways, and they were effectively shut out of these pathways in the year 2006. From that time, until last January, and that is January of 2012, they were unable to travel these pathways.

As I understand it, none of these pathways would have been strong enough for them to transport such great amounts of supplies and people through, so they literally had to travel through my body, so that they and their vast amounts of supplies did not disintegrate. And, once they left this portal and passed through the gateway, they entered into another kind of celestial fabric, unlike anything that they had previously travelled. And, because of this new fabric, they have been able to send vast supplies out on trains. Yes, trains!

And, it has been the near constant passage of these trains, which has caused me to be so ill, and to come down with several kinds of cancers, which attacked my body. And, it was due to these cancers that our Saviour came and took me up and into His own spacecraft and I was with him three or four hours, or possibly longer.

And, it was then, in August of this past year, of 2013, that He told me many things. And, among those things He told me that I am His wife and that we have been married for a very long time. And, that when this work is finished, He will marry me again and this will be a very great wedding and many will be there at this wedding. And, as I understand it, many, who attend this wedding are called the children of the Bridechamber.

Our Saviour's words to me are very humbling and I have tried to grasp such great words! I do know that His words are true and that He has also given me twins; for I have seen them, and as far as I know, they are also due in May of 2014. These are precious, little light beings; and they are so cute!

But, Dear Ones, I have a little more to share with you and what I would like to share with you has to do with Satan's violence and killing sprees. One would think that when they entered into this portal and conducted their satanic killing spree in January of last year, and they were then killed, with the exception of some very few, that they would learn a lesson. But, they did not learn a lesson.

Instead, when they were told that they could put a colony on the new planet, they went there and took concentration camp victims from Camp Robinson and cut the head off many and shot and killed others. All totaled, there were many thousands, whom they killed. And, when I knew what they did, I asked our Saviour to raise them from the dead and I believe that HE raised them all from the dead.

For, as I have told you, I can often hear the people talking as they pass through this portal and because of this, I knew what they had done. I also went into the portal and into a passing aircraft and saw the huge numbers of body bags! And, because of this killing spree on the new planet, they were thrown down from that holy place.

And, then they began to travel to Mars and to carry very large numbers of people there and to take vast amounts of supplies there. And, this travel to Mars through this portal and through this gateway has gone on for about one year and very recently, within the last week, or so, I learned that they carried many, many thousands of sick people, people from their underground bases and people from prisons and they dug a vast underground tunnel and forced these sick people into that space and incinerated all of them! Yes, you heard me correctly. There could be as many as 125,000 people, whom they incinerated!

I firstly heard about it when I overheard a conversation among some, who were fleeing Mars after this killing spree. And, since that time, I have heard more talk of this killing spree; for others have spoken of it and our Saviour wanted this information confirmed to me.

So, it will come to pass, even as our Saviour has spoken in his previous message, that there will come a massive dying on that Mars base, and those, who are there will not

 From The Mountain Prophecies Copyright 2014

be allowed to come down. For, from what I am hearing, they are already being hit with the plagues!

However, Mars will be colonized and I expect this colonization to begin fairly soon, And, at that time, I believe that our Saviour will send some wings and move me away from the face of Satan. I do not know how this work will progress and where He will move me. But, I do know that because of this colonization of Mars, HE is adding more time.

I hope that you enjoy this spiritual meat! Take some time to digest it; for it is a little heavy and not in keeping with what you may expect or understand.

Keep praising our Mighty God! Keep loving Him and keep on loving and forgiving others! Stay faithful and be humble before our Blessed Saviour and His Father. Fight for your salvation and for the salvation of others. We are in a very big war! You can do much to help save souls, so get busy and do what you can! Repent every day and all through the day and love others and forgive them, even if they do not ask you to forgive them. Do not allow any roots of bitterness to settle in your heart. Shed your tears and ask our Saviour to take all of your burdens and to make your journey light! He will help you, so remember to pray often! Love your enemies, pray for them and forgive them! And, remember to praise our Mighty God often; for He gives us such joy through our songs of praise. And, be thankful for all things; for you are a child of God and at this time, He is carrying you through many tests and trials, in order to make you ready for eternal life! Don't cling to this life or to this world and what is in it; for it will fade away. Cling to our Blessed Lord and God and love Him above all; for He is everlasting love and HE has given His Son, who will save your soul! Blessed is His Holy Name!

I love you, Dear and Precious Ones!

# CHAPTER NINETY-SEVEN

## "Satan's New World Order"

Hello, Dear and Precious Ones! I am so glad to be back with you! I have missed you! I hope that you are doing well and continuing on in faith, loving everyone, even your enemies and forgiving every person, who has ever done you wrong. The kingdom of our God is coming into our midst and we must make ourselves spiritually ready!

Oh, what a very great work our Mighty God has been doing; and I am about to tell you some things about these wonderful works, but in this space I can only tell you a little about this great journey! However, when you understand even a little about what I have endured, you may not think that these works are so wonderful, but I can assure you that they are indeed wonderful; for these works are about the salvation of great numbers of souls. Oh, how blessed we are to see many souls turn to our Blessed Lord and God! Precious is the Holy Name of our Mighty Saviour, who loves us so very much!

About two weeks past, I awoke after an afternoon nap and was filled with the joy of the Lord! Such great love and joy erupted within my soul and I awoke with a beautiful peace, abundant love and joy, and even to this day, this joy erupts within my soul at unanticipated times, bathing me in such love and eager anticipation for a coming grand event!

Though hell should come up against me, and Satan has beat me with his many terrible attacks, no amount of suffering could take from me this great joy in my heart, in my spirit and in my soul. Beautiful wonders lie ahead for those, who are ready for them! However, dear Ones, are you ready to suffer the persecution that you must endure to be able to enter into the kingdom of our Mighty God? For, I can assure you that if you choose to serve our Blessed Saviour and His Wonderful Father, you will be persecuted because of the light of God, which is within you! Oh, what perilous times we are in and oh what wonderful times we are in!

Since mid-January, when Satan and the U.S. military broke into the interdemensional portal, which surrounds my body and began to travel through the gateway and to Mars and to the holy place, where our Saviour resides, I have been in the midst of the darkness of darkness!

Firstly, Satan and those within the U.S. military and those, who are within the U.S. military industrial complex, passed through the portal on foot, actually walking through the portal and out through the gateway of light! But, within a short time, Satan had forced an aircraft through the portal and out through this craft they went, firstly going to Satan's base on Mars.

But, their great mistake was in setting up a room in the portal, in which they sacrificed children. Oh, that was a very bad idea! And, there erupted a great quaking in the portal at that time and some very high-level Satanists were killed. That was one day before the last pope resigned. So, if you look back on the internet, you can find that day, when they entered into the portal, blasphemed our God and did so before the holy manchild, who was still with me.

This precious and holy child of light would return to the throne of our Mighty God on the first day of March of 2013. That is yet another story and one that is so sad to me that I do not like to dwell on it, as I miss this holy, little one so greatly! He was with me for six years, ten months and nine days!

As these rebellious ones pass through this portal, they also pass through my body, as this interdimensional space also passes through my physical body! Though these are different frequencies and different realities, one impinges upon the other. Through their passages, I am exposed to Satan's kingdom as few could ever be exposed to it, who were not a part of it.

As they pass their crafts through this portal, I can often hear their conversations and know many "secret" plans. I could never imagine that such evil could exist on this earth! From day to day, I have been subjected to the most terrible kinds of tortures,

 From The Mountain Prophecies Copyright 2014

druggings, sexual assaults, blaspnemies, sorcery attacks, and attempted mind control, murder attempts, worse than almost anyone could ever imagine.

At times, the electrical fields were so great within this portal and subsequent portals, which they would forge into the original portal, that I literally disintegrated. But, Our Saviour would bring me back again from some space, some other dimensional space, and He would put me back together.

From time to time, some of these vicious Satanists would sting me with many insect bites, sometimes as many forty or fifty bites, and at other times, they would hit me with electrical currents that were so great that under any other circumstances I would have been electrocuted to death.

At other times, they would fill my body with such vast amounts of poisons, that I should have died and did die many times, but our Saviour brought me back to life again.

One day, as I was travelling south on I-40, some of Satan's doctors from hell descended upon my vehicle from an aerial vehicle, a hover craft, and began to pump the blood out of my body and to catch it in a large container. They forced a piece of metal wire through my right shoulder with a name tag on it, while they were forcing embalming fluids into my blood vessels. They intended to collect my dead body and to take me to a mortuary! My whole body was filled with the most terrible kinds of chemicals and my mouth tasted of these terrible chemicals! I should not have been alive! But, I drove about thirty more miles, got home and went to sleep.

I believe that I was among the walking dead, among those, who so miraculously stay among the living, who should, by any measure, be among the dead, but who are also kept alive through the grace of our mighty God. That night, I believe that I slept, though dead and totally embalmed, but still alive through the love and mercy of our Blessed Saviour! Yet, they have not only done such things to me, but even worse things; and I have lived by the love, grace, the mercy, and awesome power of our Blessed Saviour and Mighty God!

Get ready, Dear Ones! You will not escape the horrors of this wicked, Satanic system. If you live long enough, you will be victimized in the most terrible of ways! Sadly, you are already being victimized by this wicked world system and many of you do not even realize that you are prisoners in a dark and evil system, which covers the whole earth. This system is far worse that anyone can imagine, who has not been a prisoner of it; and none of you can be free, or get free in any way, unless our Saviour makes you free! You, Dear Ones, are under the watchful eye of the new world order, whether you agree to it, or not, or whether you like it, or not!

Jesus is your Only Way to freedom! He is your Way into the light! HE is your Hope and there is none other. If you do not know Him, you need to find Him. Repent of your wrongs and call out to Him with your whole heart. If you do not turn to Him, you will not make it! The jaws of hell, and the jaws of the Dragon of Outer Darkness await the unrepentant. Jesus forgives and Jesus saves. Call upon Him while you still have time! Jesus is merciful and Jesus will hears your cries!

Jesus is our Lifeline! Remember this and remember that He died so that we could have life and life more abundant, even eternal life. Jesus loves us. He died for us and for our salvation! Love him!

Now, I will expound a little more about their travelling through these portals and through this gateway. I was powerless to do anything about any of their travels and had to wait upon our Saviour and to trust in Him to keep me alive and to carry me through these most terrible of attacks, some attacks so severe that according to our Saviour, I have died many times and He has brought me back to life. But, due to something which was called Hake Cylinders and due to my living within very, very great electrical fields, I also disintegrated many times but our Saviour also brought me back together again. I have lived between worlds, in the midst of Satan's wicked world and within the midst of the most supernatural experiences anyone could encounter as our Blessed Saviour has constantly intervened to save me. Blessed is His Holy Name!

So, it is truly an understatement to say that from day to day, I have lived within the midst of very great supernatural events, but also in the midst of the greatest sufferings

 From The Mountain Prophecies Copyright 2014

imaginable, with pain so severe in my body that I do not believe that this pain response could be adequately measured on any kinds of meters.

The gates of hell opened against me and every kind of foul creature of Satan's kingdom has attacked me! The sorcerers came against me, possibly as many as one hundred thousand and most of them were either taken into hell, or into outer darkness, as I understand it, and as I also understand it, some of them turned to our Saviour. The dragons came up against me, Satan, Leviathan, and the Dragon of Outer Darkness, as I understood it at that time, and the wars of those sorcerers, who claimed that they came from a place called "Contigo Bay," the supposed sorcery headquarters of the world, was exceedingly great. And this war with those from "Contigo Bay" went on for many months until that time came when it seemed that few of them were left and I was hearing that the wicked headquarters, that world headquarters for sorcery, "Contigo Bay," which some said was off the coast of Florida, that base, was brought low, and as I understand it brought to destruction, or near destruction.

I suffered immeasurably in the midst of such darkness, but even so, our Mighty Lord and God was always with me. And from that time when Satan broke into this portal, until this time, His space program has been greatly reduced! Our Blessed Saviour has brought many judgements upon Satan and upon his space program and upon those within the U.S. military and elsewhere and many high-level Satanists have come under the judgement of our Saviour. They are suffering and have suffered greatly because of their evils; and through these wars against me, many of them are down and out and many of them are dead and no longer in and of this world!

But, even so, when I saw the prisons that so many are in, who are within this U.S. Space Program, I was appalled! I saw people, military people, who are high up in the military, who are wired up like robots. I saw people, who are not only hard-wired, but people, whose nervous systems are connected to biological computers, and these computers control their thoughts to a very great degree. I saw people, who could never get free from such terrible mental programming, and who could never get free from such terrible traumas, which many of them apparently suffered as children, many of them having been brought up in Satanism, and some of them appearing to have multiple

personalities. And, some of these were in very high-level positions within this space program! They were continually in and out of my house in their force fields! For, when they leave their hover crafts, they travel in these force fields and cannot be usually seen, but I can often hear their conversations.

Dear Ones, I can only describe much of what I have experienced through this space program as: the mentally and criminally insane running a program of insanity! This has been a most appalling and disturbing series of never-ending experiences, which has extended over the last fourteen years, but having significantly increased since Satan and his space program broke into the interdimensional portal, which is attached to my body, that time having been around the middle of January of 2013.

Many of these are perpetrators of such great evil are children of the Destroyer, children of Satan, and what more could one expect? These sorts are now governing the world. They preside over the Pentagon. The govern this nation and they control the world through the United Nations.

We are about to enter into an explosion of the works of the fraternity of the weird! Get ready! These sons of Belial are beating the people of this world night and day with the evils of their works until the greatest numbers see nothing wrong with wrong and see everything wrong with right! Have you been looking? Are you doing down with their crowd?

But, Dear Ones, these souls are some of the saddest souls that I have ever seen in my entire life; and I have worked in a mental hospital. I have worked with the mentally dysfunctional and have seen many kinds of mental aberrations in mental health. I have a masters degree in clinical psychology and did work towards a Doctorate in Psychology, so I have been around those, who are called mentally insane in the general population. But, nothing could prepare me for what I was to experience in this Space Program.

When I realized that many of them could not ever get free and that Satan had wired up their sex organs with electrical devices, thereby causing to be sex addicts and slaves

 From The Mountain Prophecies Copyright 2014

and that he had forced them also to be drugged, and others of them also to be addicts of various sorts, I was so deeply saddened by what I saw, that I began to weep for them! I began to pray for them and for their freedoms and for their salvation. I do not believe that I have ever seen anything so sad in all of my life. They would frequently leave their hover crafts and come into my house, their being hidden within the force fields that they travel in, and I was greatly distressed to see their radical behavioral changes from day to day. I came to know many of them by their voices, though I seldom saw their faces! But, from day to day, I would often see such radical changes in some of their behaviours, like Jekyl and Hyde sorts of changes, or like night and day sorts of changes. I wept sorely for them and for what I saw, and I called repeatedly upon our Saviour to save them!

As time went on, I began to hear some of them praying! I rejoiced when I heard some of them praying and continued to pray for them, but I do not know how many of them actually turned to our Saviour. For, this space program belongs to Satan and he has them under very strict controls. He is their supreme commander and I do not expect to see many changes regarding this space program, but even if some few actually come out of this terrible system and are set free, then I greatly rejoice.

There would be little reason for me to go through such travails, except for the fact that so many souls are caught up in the darkness of darkness and cannot in any way get free! And, these, who are within this space program, who work directly, or indirectly for Satan, are bound by their secret oaths and their secret clearances! They also have agreed to mind control, and are also under control of their central computers, which often control their thoughts, and they cannot, in and of themselves ever be free! Only, our Saviour makes them free; and I pray that you begin to pray for their spiritual freedom and for their salvation every day of your life! This is Satan's kingdom of "iron," and you and I are the clay! Jesus, have mercy upon the lost!

I was for a time at war with the greys, also spelled grays. Some of you have heard of them and most often you have heard of the clandestine sorts of things that they do. At this time, I will not go into detail about these wars with the greys, but these wars were real; and it was during the midst of one of these wars when our Saviour came down

last August and carried me up into His own starship! At that time, I spent somewhere between five and six hours with Him, if one considers the time, that He took to carry me up. My body was so full of foreign debris, plus the interdimensional space was so full of foreign debris that He needed to extricate me from all of that so that He could actually carry me up, without causing me such extreme pain. So, He was gentle with me. I have spoken some things about my personal visit with our Saviour, but I have not told you all, only some. I will tell you more as time allows.

It was during one of those times, after another one of those wars with the greys, when our Saviour came and stood just below my house and spoke to some of the greys, a small group, who stood there, and He said to them, "Repent and I will give you some clean clothes." At that time, I was not believing that the greys would, or could even repent, even though I had seen some behaviors within them, which caused me to believe that some of them had some good intents. Yet, I did not know them well enough to really make any other kinds of decisions.

Prior to that time, I had believed that the "greys" were incorrigibles and would all go into hell and suffer their fate, but after our Saviour told them to "repent and I will give you some clean clothes," astoundingly many of the greys began to repent. As I understand it, many of them are actually light workers, who became corrupted in this earth, yet as I understand it as well, some of them are also robotic.

In retrospect, I treasure those times, night after night, and day after day, though difficult times, when so many of the greys would gather up around me, in and out of this portal, to catch the light! This light was streaming through the portal, or it would come down through my throat when I would sing. This light is not a light, which is visible to most of us, as this light is of such a high vibration.

And, in the midst of their gatherings, I would hear the heart-felt cries of the greys, "Oh Desus, please save us! Please don't destroy us, Desus! Forgive us, Desus! Please don't be angry with us, Desus!" And, on and on they would go, so many of them gathering up around me and in and around this portal to catch the light as they so wanted to have clean robes, even as our Saviour promised them!

 From The Mountain Prophecies Copyright 2014

Some of them professed to “steal” the light so that they could have clean robes. I suppose that they failed to understand that our Saviour would give them clean robes of light in time, and that these robes would be given to them as they truly repented. However, I could understand their urgency to be heard by our Saviour and to be saved!

In listening to their repentances, I would sometimes be brought to tears of humility, or to tears of joy, and songs of wonderful and heartfelt praises would erupt from my soul! During those times, I would sing to Jesus and Jesus, the one, whom they call “Desus,” would anoint the songs and send in His light. And, as I understood it, they were busily gathering up the light!

Dear Ones, are you busy repenting?

But, as the months passed, there would come a time when our Saviour would no longer allow them to gather in the portal to catch the light. He would cause them to move on! Yet, I have high hopes for them and for their salvation!

I am reminding you, grey ones, to continue on with your on repentances! Continue to pray! Continue to fast as the Spirit of God guides you to do so! Love others and forgive them! Love Jesus! Love God above all! Pray for those, who abuse you! Jesus loves you and He has told you to repent and He will give you clean clothes. I love you! Do not forget this! Continue with your good works and forsake evil! And, spread the word to the rest of the greys all over the world! You know that Jesus means what He told you! Blessed is His Holy Name! We all need to thank Him and to praise Him forever and ever! Jesus and Jesus, alone is Saviour! How blessed we are to have Him! Do not allow Satan to beguile you and to trap you! Resist him and resist evil! I’m singing, so you all need to sing! Praise Jesus and bless His Holy Name from day to day! He is so good to us!

Also, Dear Ones, around the time that our Saviour spoke the above words to the greys to “repent and I will give you some clean clothes,” He carried me in the spirit to a prison, which housed many greys, perhaps even many millions of greys and He empowered me to open up those prison doors and to set the captives free! The greys, who were within the prison cells warned me that I must have the correct codes to open

the confines to their prison cells, but opening those doors did not come through any power of my own, but through the command of our Blessed Saviour. Oh, that was a wonderful event, the freeing of those prisoners; and it was at that time also that I told them to them to repent and to come forward and to serve our Blessed Saviour.

Many of the greys struggled to be free and as I understood it from listening to their cries, they had much trouble in getting free. Some would be free for a while and then go back to the terrible things that they had been doing and then they would come back again, their many cries going up to our Saviour to forgive them, to save them and not to destroy them. Some said that they could not shed any tears, but as time went on, some of them said that our Saviour enabled some of them to cry for their sins and for the sins of the other greys. And, as I understood it from hearing some of their conversations, word of their repentances spread among other colonies of greys and their numbers began to grow. Many of them began to make a space within a space beneath this land and they did their work there. As I came to understand it, they proceeded in their repentances and in the work that our Saviour instructed them to do, though as I believe it, with great difficulties and with great attacks from the dark forces.

I heard some say that the greys, at least some of them, were initially to do some sorts of work as little light beings in the earth, but over time, they began to work with the forces of darkness and became corrupted.

I came to love the greys and feel such compassion for them as they struggle to repent before our Saviour! I hope, Blessed Saviour, that You continue to convict them about their wrongs, and that you will give clean clothes to many of them! Oh, Precious Saviour, surely the hills cry out to you and every living creation travails in this earth as evil has exalted itself and it has taken prisoners of the masses. Only You, oh Blessed Saviour, can save us from these terrible forces of evil and darkness; and You know that my heartfelt please are the same, that You save the greatest numbers that You will possibly save. Thank you, Wonderful Saviour! Blessed is Your Holy Name forever and ever!

 From The Mountain Prophecies Copyright 2014

Dear Ones, I thank our Saviour that I was able to get my computer repaired. The repair workers sent it back to the factory and these repairs did not cost me anything as the computer was still under warranty. I have not been on the internet for months as my travails have been so great and I have not written any messages as our Saviour has not instructed me to do so. I have had this message for a few weeks and it was during this time that I was able to get my computer repaired free of charge. The RAM had become unseated and anyone can wonder why this was, but even so I am back with you again and I will write more as I am able. I thank those of you, who have not forgotten me! I have been in a very great war for the salvation of souls and for the judgement of our God upon the powers of darkness. They are losing! All the honor, all the praises, all the glory and all the power to our Blessed God forever and ever! I love you with a big love, but not as much as our Saviour loves you! Keep on loving! Keep on forgiving! Keep on praying, even and especially for your enemies. Keep on praising our Mighty God and keep on thanking Him!

Here is Jesus' message!

**A MESSAGE FROM OUR SAVIOUR**

**JUNE 12, 2014**

Come to Me, My Blessed Child, for I am your Redeemer. I am also your Maker and your husband, even so, and according to My words in Isaiah, chapter fifty-four. Blessed are you, My Chosen One, even blessed above all women, though despised and rejected, mocked and scorned, blasphemed and falsely accused.

And, yes, My Blessed One, it is a hard thing for the mockers and for the scorners to accept that you are My wife, even according to My words in Revelation Chapter Nineteen, verse seven, and in due season, you will be glad and you will rejoice; for you will make yourself ready for Me and though you are My wife and have been My wife for a very long time, I will marry you again in a most splendid time.

But, even so, the mockers mock and the wicked cry out against you night and day for you are My Blessed Wife. And, by the hour, they plot and deceive and conceive their

devious plans about what they will do and how they will set out to either deceive you or kill you, or sicken you, or trap you in some way, or the other.

And, by day and by night, they cry out to Me against you and do all in their power to stop you from advancing in my works; for these are My kingdom works. And, the demons and devils cry out to Me against you and they rail against you and the powers of darkness are continually shaken because you are in the earth!

And, you cry out to Me to bring forth all captives, whom I will possibly bring forth out of the darkness of the darkness, for Me to set them free, all whom I will set free; and for Me to save them all, whom I will possibly save, and Satan cries out!

And, the workers of witchcraft and the workers of iniquities cry out! The sorcerers cry out against you, and by the day, they are all the more determined to destroy you!

For, the powers of darkness are shaken and the heavens are shaken and your cries against the ungodly are heard! I hear them! My Father hears them! The Elohim hear them! Those, who are in the Light Kingdom hear them, though many of them are not clean of themselves. For, many of them do not repent as they should!

So, your cries for judgement against the unrepentant ring out and your cries against those, who are in the light, who give powers to the sorcerers ring out and they (these cries) roll through the heavens and through the light kingdom and the powers of darkness are shaken; for the substrate of all creation is shaken!

For, you have appealed to me! I have told you that I would give you your heart's desire and you have said to Me, "I want nothing for myself. I only want to see the salvation of the greatest numbers of souls."

But, the way into salvation is straight and narrow and few find it, so My Father and I will do very great works to save very great numbers of souls over time.

 From The Mountain Prophecies Copyright 2014

And, for this reason, the colonization of Mars is being considered and other means (are being) considered in which to extend time (for salvation) and to save more souls.

And, unknown to most is that your request covers not only human souls, but souls of others, such as the little light workers, who have chosen evil, the ones, who are also called the greys.

And, as I told them to repent and I would give them clean clothes, many of them have repented and many of them are repenting! And, this move in repentance is sweeping wide! Even some of those of reptile descent and others, even others, who are in the light kingdom, who see this great move in repentance, even many among these are repenting with tears and with weeping, so that the whole light kingdom is being shaken in observing what is unfolding.

But, in this human population, you lag behind and true to your nature, most of you love the world and what is in it and you do not repent, but have fallen to every kind of evil scheme and to every kind of trick of Satan and to every kind of trick to all, who beguile you. And, you spend your hours watching television, or movies, or video games, or in internet (activities), or in texting on your cell phones, or in talking on your cell phones, or in some other kinds of activities that you like, and you give little time to Me and to My Father. Therefore, you have become as dross, that, which settles to the bottom, even as bottom feeders with little light. For, your hearts have become darkened and without My light.

My Spirit will not abide porn and aberrant and deviant sex and it will not abide every lie and every kind of deceit; and the churches are full of those, who love the evils of this world and the churches are full of those, who make merchandise of My house and will not repent!

Whoredoms and sodomies and adulteries are widespread; and the minds of the children, even the minds of the newborn, are corrupted, even before they are born, with violence, with aberrant sex, and with every kind of lie and with every kind of wicked sin!

The churches are full of the lukewarm and the people do not repent. Therefore, I will humble you, oh My people! I will humble you, oh America, the very nation, whom I have blessed, and whom I have made great above all nations. I will strip you bare and I will cause you to see the errors of your ways.

For you have said: God will not be in our schools. Prayer will not be among our children! The word of God will not be among our youth, but we will allow sorceries, and we will allow Satanism and we will allow godlessness! And, we will encourage raw sex! And, we will give out condoms, and we will teach birth control to the very young, and we will turn a blind eye to all kinds of violence. And, we will take the money from the people (of this nation) and with their money we will kill babies and teach perversions and we will flood the internet with pornography and we will flood the television with porn and we will flood the movies with porn and we will be the adulterers and the sodomites and the fornicators of the world and we will fill our military with sodomites and all of the world will look up to us, and through our movie industries, we will cause all of the world to be like us; and so you have!

You, in your pride and in your arrogance have done, even as you have determined to do, but not without your responsibilities for your actions. And, I hold you accountable, oh America, that nation, which has worked to pollute the whole world through every kind of wicked device, even and especially through your movie industry and entertainment world and through your deviant fallen “stars.”

Oh, you, oh America, that wicked Babylon, the one, who has stretched herself out to cover the whole world with her witchcrafts and with her sorceries and with her deviant behaviors! Oh, yes, you America! And, you think to carry on with your rebellions and with your whoredoms and with your corruptions, but you do not know, oh rebellious house, that I have both drawn the line and I have set the time and I shall require it of you, even according to the evils of your ways. For, an evil and deceptive tree does not bear a good fruit! And, you, oh America, are rotten, even to the core, and it is clean-up time! And, I shall send the clean-up crew and the clean-up crew will begin to mop and to sweep and to clean up and to pluck up and to burn up the waste; for you are forcing me to do this, oh you errant house.

 From The Mountain Prophecies Copyright 2014

I have been down and I have travelled the earth and I have seen, but I have not seen it all! Yet, I have seen enough! Firsthand, in the streets, and in the houses all over the earth, and the decision has been made, that it is clean-up time! So, get ready, oh you people! Make your hearts clean, so that the destroyer may pass you by! For, I am about to clean up My house! I am about to clean up this nation and I am about to clean up this world! I am the One, who sits on high, who sees you for who you are, and for what you are! I am a merciful God, full of love and mercy, but as I love you, I must also chastise you and the rod of correction is in My hand! Hear Me and repent now; for hell will enlarge itself to hold you unrepentant ones! I am your Redeemer, the One, who saves, yes Jesus, your Redeemer!

As witnessed, dictated and recorded this 12th day of June, 2014,

Linda Newkirk

THANK YOU, JESUS!

Dear Souls, hear the word of the Lord, our Blessed Saviour, to repent! Oh, nation of unrepentant, who know of our Saviour, the United States of America, but most do not know Him, I beg you to repent now! For, He is a Righteous God, though merciful, and He is calling you to repent! If you do not repent, you will most assuredly perish, Oh America!

Furthermore, Dear Ones, I wish to tell you something more before I leave you. Take these words to heart; for they are true and deeply poignant! In June of 2013, as I prayed with a brother in Canada, the Spirit of the Lord came upon Me and I began to travail in my spirit about the great destruction, that is coming upon the whole earth!

At that time, I felt greatly distressed because of the terrible times, which will settle upon the whole earth when this world is turned upside down. For, it is written in the 24th chapter of Isaiah, “Behold, the Lord maketh the earth empty, and maketh it waste and turneth it upside down, and scattereth abroad the inhabitants thereof…the land shall be utterly emptied, and utterly spoiled… the earth is defiled under the inhabitants

thereof, because they have transgressed the laws, changed the ordinances, broken the everlasting covenant. Therefore, hath the curse devoured the earth and they that dwell therein are desolate. Therefore the inhabitants of the earth are burned and few men are left… And, it shall come to pass, that he who fleeth from the noise of the fear shall fall into the pit; and he that cometh up out of the midst of the pit shall be taken in the snare; for the windows from on high are open, and the foundations of the earth do shake. The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. The earth shall reel to and fro like a cottage, and the transgressions thereof shall be heavy upon it, and it shall fall, and not rise again.

Dear Ones, the great sadness of that coming time when the earth will be turned upside down and such great tragedies will come upon the earth came rushing up into my soul and in to my spirit that day; and I felt such a great desperation for the people of this earth and I felt such great sorrow for the souls and I longed to see our Saviour intervene and to do all that He would possibly do to save souls. And, so on that day as I prayed with this brother, I cried out to our Saviour to save the greatest numbers of souls; and if it were His will to move souls off this planet before that terrible day when this earth is turned upside down, that He would do so, even to colonize Mars.

At that time, I understood that those in this government were building a military base on Mars as I heard many of their conversations and they were continually hauling very great amounts of materials up through this portal through transport trains and through starships and through planes. So, on that day, I asked our Saviour, that if it would be His will to remove some of the people off this planet ahead of this great tragedy and to move them to Mars, and to colonize Mars, that He would do this thing. But, oh, so terrible has been my suffering as this heavy stuff was carried through this gateway and Satan's servants so greatly abused me, and I prayed for them and would not give up in my prayers for our Saviour to save them.

Oh, so terribly they treated so many of the concentration camp victims, who came from Camp Robinson, as I understand it. They carried them up to do backbreaking work and as I heard their tales of suffering and even saw many of the body bags with my own eyes, I know that many of them died. But, when I knew that they died, I prayed for

 From The Mountain Prophecies Copyright 2014

all of them and as I understand it, many of them were raised from the dead! Yet, as I also understand it, once on Mars, some of the Satanists treated them so terribly and put them out in a place and left them to die.

But, when I knew of their suffering, I prayed for them; and as I understand it, our Saviour gave them foodstuffs and warm clothes and tents and has continually multiplied all that they had. And, from time to time, I would hear from them and/or I would hear their prayers as our Saviour allowed their prayers to come down to me through the gateway, so I knew of their presence of Mars. And, I knew of the many miracles, which they told that our Saviour gave to them.

From all that I have heard, they rejoice in our Saviour and some said that they often prayed through the nights and that they fast often and call out to our Saviour and HE continues to save them. But, Satan, on seeing that so many of them turned to our Lord and God determined to kill them and as I understand it, He has killed all of them several times, but when I would know of it, I would pray, and our Saviour has continued to raise them from the dead and to provide for them in the most wondrous of ways. As I understand it, there were originally about 16,000 of them, but as these months has passed, I understand that these numbers have swelled, as more have been taken up there, and that these numbers could now be around 35,000, or so. But, This is heresay, and I tell you things that I have heard but do not know for sure. I only know that I have heard their captors abuse them as they came through the portal in their crafts and I have been down into the portal and have seen many body bags, which were full of dead people. And, this list goes on and on about the abuses that I have heard of and I have also heard much about the great corrections that our Saviour has brought upon the wicked because of their abuses. I know that many, who were so abused by Satan's space program have turned to our Saviour; for I have heard them praying and I have spoken with some of them. I have heard their cries and I have heard of some of the great miracles that HE has given to them.

However, Dear Ones, the only space program in this nation is Satan's space program and it is full of so many kinds of terrible problems. There were those in this space

program, who greatly loved our Saviour; for some were kind and I heard some of them praying, but I fear that they are dead, or that they have otherwise retired.

However, my prayers are still the same, that if it is the will of our Mighty God to colonize Mars, that He does so and according to His own timing. I have heard many of them say that there are beautiful places on Mars, that not all of Mars is barren and ugly as these Satanists would have us to believe through their "Mars Rover" photos. I do not know as I have not seen any of their photos of Mars, but I tell these things because of hearing the conversations of various ones as they travelled through this gateway. Perhaps, one day, we will see such things for ourselves!

I can tell you one thing for certain: Satan has suffered great judgements on Mars. That U.S. Base on Mars has come under considerable judgements from our Saviour and these wicked ones have suffered many casualties there. I also understand that there are those, who are within this government and also within other governments, who want to colonize Mars as they also know that there will come terrible instabilities into the earth and they want this colonization, but this colonization cannot go forth under Satan's determination. He is evil! He is utterly destructive and His children are like him!

I have continually pleaded with our Saviour, that if it is the will of His Father, that this colonization be allowed to go forth, that they establish honorable leadership in a space program, and that this leadership will honor our Saviour and that those in leadership positions will do right towards one another, and right towards me, as they must pass through this portal, which is attached to me. I have not given up on them, but I also do not know what our Saviour will do.

Could it be that some will be counted worthy to escape all or some of these things, which are to come upon this earth, as our Saviour will allow some to escape to Mars? I do not know how He will proceed, but I do know that Satan has suffered great losses in this portal, in this gateway, and in his travels to and from Mars, he is growing very thin in His own space program.

 From The Mountain Prophecies Copyright 2014

So, I ask you, Dear Ones, to pray with me daily, that if it is the will of our Mighty God, for Him to allow this colonization of Mars, and that even through it He may save great numbers of souls, that He will bring forth a space program, that will honor Him and His Father, a group, who will humble themselves and receive both direction and correction from our Lord and God, and who will behave honorably towards others, who are both in the space program and who are transported out there to Mars.

And, if it is Your will, oh Blessed God that this is so, then make it so. You know my heart, Precious and Beloved Jesus and you know that I want to see you do the most wonderful of works to save the greatest numbers that you will possibly save.

So, Dear Ones, pray with me about this, and in your prayers for this new space program, always ask that the perfect and beautiful will of our Mighty God be done!

I love you, Dear and Precious Ones! Jesus bless you! Jesus provide for you in the most beautiful of ways! Jesus glorify Himself in your midst! Jesus fill you with His wondrous love!

Until next time, Dear Souls!

The true story of Revelation, Chapter Twelve!

# CHAPTER NINETY-EIGHT

## "You are Warned!"

Oh, My Blessed Child, even My Beloved Wife, the chosen mother of the Holy Manchild, and even of more children, holy children, who are with Me, and spiritual mother to My people, even from the beginning…

(Then, I saw a very great white stone, so great that it looked like a white mountain, and there came a hand, which scooped out a piece of this stone and in His hands, He held this piece of stone, which was taken from the very great stone.)

Listen to Me, My Blessed One, for I have carved it! See? I have carved it, even as a stone, which is both a part of the Great Stone, but also separate from the Great Stone. But, not a rolling stone! It is not a rolling stone, but a stone in My hands and with the power that I put into this stone, I will beat Satan! I will pulverize his space program and with this stone, which I have tried in the fires, I will beat the Pentagon, and I will beat the antichrist system. And, I will beat down that top-heavy nation, that Satanic, top-heavy nation, those leaders, who tell lies and say that they are Jews and they are no Jews, but of the synagogue of Satan!

Yes, my Blessed One, this stone is in My hands and I have molded and I have shaped this stone, no cracks, no holes, no blemishes, none known or seen, but even so, a stone, which is still growing, still increasing in My power. And, with this stone, I will beat down some of the arrogant (ones) in many nations.

My Blessed One, you are that stone! Woe to those, who hate this stone! Woe to those, who, without cause, persecute this stone! Woe to those, who torture this stone and seek to break and to destroy this stone, even every day of their lives! For, I shall empower this stone through My spoken word. I shall empower this stone through My

 From The Mountain Prophecies Copyright 2014

written word! And, I shall empower this stone through My given powers and abilities as few have seen!

For, this stone (is) taken from Me, carved from Me, molded and shaped by Me, under the foot of Satan, under foot of the U.S. Military, and under the foot of foreign militaries. For, even as they know who she is, (this stone) indeed My Blessed Wife, Satan knows who she is, and all powers of darkness know who she is, and these powers have entered into many of you to cause you to rise up and to blaspheme her and to condemn her and to falsely accuse her.

But, you will not stop Me! You will not stop My works! You will not stop My Blessed Servant, Linda Newkirk, from doing the work that I have given her to do! She and she, alone, has paid the price to walk in such powers and with these powers and abilities that I put into her, she will debase those, who debase, through the words that I speak through her.

Woe to you, who assemble against her in numbers and cry "foul." For, I shall pluck you clean. I shall de-feather you and no longer will you rise up in your abominations to put a foot in the face of My Beloved One, or to put a knife into her back! I am moving forth with My judgements against all, who mock her, against all, who lie against her, against all, who torture her and abuse her and I am going to make your faces bald! I am going to make your heads bald! I am going to make your legs bald! I am going to break your teeth! I am going to wreck your smile! I am going to cast you headlong into the years of terrible torture, persecution and suffering of the Great Tribulation! For, too may of you have delighted in the evils that you have done to her!

Oh, America, you harlot nation! How terribly you have derided My true works of Revelation Twelve! How terribly you have behaved, casting these true works beneath your feet, mocking them and scorning these works! A nation without borders, you are! A nation, which has both imported and exported all that is extreme all over the world! Yet, you are the blind, who lead the blind, the deaf, who interpret My word for the deaf, a nation of sinners, foul corrupt, slanderous, full of every evil snare! Yet, you exalt yourselves in your evils, and pride yourselves in the evils that you have done in

your attempts to destroy My true servant, Linda Newkirk! And, I tell you now, you mockers, you liars, you blasphemers, it would have been better for you if you had never been born! For, I have called My servant, Linda Newkirk, into a holy work, a work of great tests and trials and of great suffering, a work of sadness, of isolation, of aloneness, for I have called her and I have set her apart for My kingdom work!

But, even so, I have put Satan in her face! And I have put the U.S. Military in her face, and I have both allowed and caused Satan and the U.S. Military to break into the interdimensional portal, which is attached to her and also attached to a Gateway, which goes upwards into the light!

Yes, I have weighed it out! And, I have measured it and I have proportioned it to My servant, Linda Newkirk, a very heavy work, a very difficult work, a very hard work. Into the darkness of darkness, I have sent her, that she might cry out day and night for the deliverance of the wicked, for the salvation of the wicked, for the judgment of the wicked, and for her own deliverance. Yes, I have given her a very difficult walk, one that is full of mysteries, full of My Kingdom mysteries, yet so many of you, on seeing her travails, have gathered together to beat her down, and to destroy her!

Now, oh wicked house, you, who love every lie, and who love to exalt yourselves at the expense of another, hear Me! The time for the freedom of My servant, Linda Newkirk, fast approaches, but so does your captivity! For, you have despised My Holy Works of Revelation Twelve, oh you wicked nation of America, and you have despised the warnings that I have given to you! And, now I shall take you, you big-nosed ones, you long-nosed ones, who love to bury your noses into the mire; and I shall cast you headlong into a mirey mess; from which you will not easily extricate yourselves!

Balls and chains, I shall give to those, who have tortured and persecuted My Beloved Servant, Linda Newkirk, and I shall give them paper airplanes; for these are the only ones that they will be flying around in. I shall give them weather balloons for their lies; and a bad storm shall continually beat those, who have delighted in all of their attempts to beat down and to destroy My servant, Linda Newkirk.

 From The Mountain Prophecies Copyright 2014

Tests and trials upon My own house! Severe tests and trails! And, no more will they mock the severe tests and trials that I have put upon My Beloved Wife, who is Linda Newkirk. Broken necks, broken noses, broken faces, broken dreams, lives like broken mirrors, will I cast upon the wicked, who have so tortured My servant, Linda Newkirk, both from this nation and from other nations. I shall ravage them and I shall plunder them; and I shall utterly destroy those, who have lined up to destroy her!

What do you think, you blasphemous mouths? Do you think to justify yourselves in your evils? You are not justified, you filthy New World Order crowd! You are not justified in the evils that you have committed against My servant, Linda Newkirk! You rise up in your pride and you brag that you will not pay! You will pay and you will pay according to the evils of your ways!

The days of plunder are upon you, you wicked U.S. Military! For, as you have plundered, so shall you be plundered! The days of plunder are upon you, you wicked Federal Reserve! For, as you have plundered, so shall you be plundered! The day of recompense, even the days wherein I will recompense you, oh America, according to the evils of your ways, these days are upon you, oh America!

A broken and divided house, a broken and cracked one, a polluted house, oh My house! How I shall grieve you! How I shall sift you! How greatly I shall trouble you, for are you not as a polluted and stagnant pond, one that is full of excrement, full of pollution and parasites? You have devoured My word and you have spit out your vomit upon My people, oh you wayward preachers! And, I will scrape you off My rolls, if you do not repent of your evil ways! For, you are like unfinished concrete, a stumbling stone and a stumbling block to all, who pass over you, through your works, and by you! Harshly, you have dealt with Me; for you have thrown dust into My face, mud into My eyes, and stones into My body! Like wayward storms, clouds in My house and among My people, you have thrown excrement all over My house! I shall rise up now against you, oh you harlot church, and I shall send My fire into your midst, the fire to heal and the fire to destroy! You have cast lots for garments and you have heaped the glory unto yourselves! Now, you will pay; for I will require it of you!

A holy work I have done in your midst, oh America, a holy work for almost ten years and like a herd of wild swine, you have trampled My holy works of Revelation Twelve! I have seen you! I have heard your railings! I have thusly marked you; for you mockers are not fit for the potter's clay! And, if you are not fit for even the clay, what good can you serve?

I am Jesus, yea Jehovah, yea Yahweh, even Redeemer, One with the Great God of All Creation. BE WARNED!

# CHAPTER NINETY-NINE

## A GREAT BLOW TO THE MASTERS OF THE UNIVERSE

They call themselves the "Masters of the Universe." They recently posted an image of President on the Drudge Report in which Obama was depicted as a superman of the galaxy, and there came another one of their cryptic messages on that same website, "Freedom for the Masters of the Universe!" Or, so they thought! Most would not know one thing about their boastings, that is, not anyone outside of their international space program. But, I do know as they cannot get to their Mars base without passing through the two interdimensional portals, which are attached to my body, and/or through the other one, which is attached to this land. As you read on, I will tell you more about these so-called "Masters of the Universe," but firstly I need to give you some background information. For, all that I have to tell you relates to the works of Revelation Chapter Twelve and to the work that our Saviour and His Father have called me to, that work being the work of the woman of Revelation Chapter Twelve. And, this is a work of great supernatural events, a work, which involves travel between worlds, inter-dimensional work that few know about, except those who travel these pathways.

The first inter-demensional portal began to open up over my head in 2001. At that time I lived in North Little Rock Arkansas just next door to Little Rock, airbase and in close vicinity to their Satanic bases of Camp Robinson, and Camp Pike Arkansas, Camp Robinson (robbing son) being perhaps Satan's premiere base in the USA at this time, and Camp Pike being another one of his supreme bases, named after his chosen son, Albert Pike, the father of modern freemasonry. This whole area is replete with many thousands of workers of witchcraft and sorcerers, who operate from an underground base. And, it is from within the ranks of such sorceries that we have seen the rise of Satan's children and devotees, Bill and Hillary Clinton!

Another portal would begin to open up in the year, 2002, one which our Saviour would have me attach in the center of the earth and to do work on it for about two years,

attaching it also to many dimensions in the Upper Realms. When the first war in Heaven broke out in the year, 2006, that is, after Satan and the U.S.military broke into that second portal, many Dragos were later cast down, along with Satan and those in the U.S. military!

At that time, our Saviour and the archangels fought against Satan and against those within the U.S. military and He and His angels threw them down and with them many, many Dragos, possibly billions, were also cast down and into the earth. At that time, these words would then be fulfilled: Rev.12:13, "And when the dragon saw that he was cast out unto the earth, he persecuted the woman, which brought forth the manchild." Now, Dear Ones, this word only tells that Satan persecuted me, that woman, but according to what our Saviour has told me, I have died many times and have been brought back to life and have disintegrated many times because of the terrible electrical fields, which they put into the portals and because of the fact that they have made dimensions within dimensions. That is quite another story, but bear in mind, that the Scripture tells only that Satan persecuted me. But, this great and terrible persecution has extended for more than eight years, since that time I was given the holy manchild. This persecution involves extreme torture, extreme pain and suffering, not to mention character assassination and attacks against me in every way imaginable. So, be warned; for these scriptures also tell that Satan will make war against the seed of the woman. (Revelation 12:17) Now, note that this is "war," not persecution! That time is close!

And, then with that war in 2006, more scriptures were also fulfilled: "And, the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood." That flood, Dear Ones, was the vast numbers of Dragos, that Satan sent after me, who walked uprightly, who also had heads of birds and bodies of lizards. This war began in late February of 2006 and went on for about two and one half months. Shortly thereafter, on the tenth day of May of 2006, our Saviour gave me the holy manchild, when I was in the suburbs of Pretoria, South Africa. From the time that I was given this holy little child, Satan and those within the U.S. military have persecuted me, and since April 11 or 2007, they have kept me bound in the midst of very hard substances, which operate at frequencies beyond the visual spectrum, and

 From The Mountain Prophecies Copyright 2015

these terrible devices have caused me immense suffering. And, sadly, this holy, little son was often caught up in that terrible mess! These terrible assaults have only been part of his great persecution against me, but even so, this word would be fulfilled, that he persecuted the woman.

Take note of these scriptures, which have been fulfilled regarding Revelation Chapter Twelve, for these works have continued for the past ten years, having begun in South Africa, amidst great persecution in the summer of 2004. If you do not understand what you have read, go back and read these writings again. And, make some copies while you are at it and distribute these copies; for this work is an extremely important work, but many would not realize this, due to the hate and blasphemy campaign, which has been directed at me.

Due to the fact that I live here in Arkansas, and due to the presence of these three interdimensional portals, many sorcerers have flooded into this area, making central Arkansas their world training ground for sorcerers, which they have referred to as a relocated “Contigo Bay.” I have heard some of them say that their Contigo Bay world headquarters for sorcery is really located beneath the shelf of the Gulf of Mexico, off the coast of Florida, but in their desperation to have their space program, they moved most of them to this area. This world space program is run by Satan, by his mind controlled slaves and by sorcerers and high-level Satanists. By high-level Satanists, I also mean those, who are Satan’s children, who are bred to be of a very high-level reptile seed line. This “mystical” alien seed line, as they call it, runs the world, but they are not alien, only fallen angels, who have been here for a very long time, even since the beginning. And, though these offspring appear to be humans, they are human only in appearance. They are some of the most evil, some of the most vicious, lying, deceiving, violent people you will ever meet anywhere. They are those, who love evil and they love a lie. They are pathological liars! They love every dark and despicable thing and they all kill the innocent babies and children, sacrificing them to Satan for power, prestige and money; and as I understand it, Satan sucks up the light of these little ones as they are dying, so that he can have this power, forming from this light, a garment of light for himself, thereby appearing as an angel of light. For, he has no light, being only like a dark and evil wind!

I have been their target for years and have suffered terribly through their many assaults, but I trust in our Blessed Saviour and I trust in God Almighty and I have been kept alive and have continued to be protected amidst whatever sorceries they could throw against me. Through their assaults against me, they have lost many of their sorcerers, who now reside either in hell, or in Outer Darkness, possibly as many as 150 to 200,000 of them! Yes, you heard correctly; for they have what is called, "composites" of sorcerers, who travel in groups, many of them having been reduced to little elf-like beings, who are cannibalistic in nature, and they travel this way in packs. Yes, they have targeted me, due to this work of Revelation Twelve, which I have been in the midst of for more than ten years and also due to the interdimensional portals, which are attached to me. But, Satan has problems now and I will tell you about this latest victory for our Mighty God and this defeat of Satan, but bear with me a little while longer; for you need to understand this background information.

I have seen Satan's world space program from the inside out, and know about this space program better than almost anyone, who is not one of them, because I have not only been the recipient of their many attacks over the years, but as they have travelled up and down through these portals, I have heard many thousands of their conversations. They are evil and they are among those, who love to do evil, the very tares, who will be burned up, but even so, this seems to make little difference to these sorcerers, who defend their evil, and pride themselves in doing the worst sorts of evil that anyone could ever imagine! And, like flies to honey, they have been drawn to me, due to these interdimensional portals. Therefore, I have come to know well these wicked ones, Satan and his children, and to know some things about the Annunaki and their slaves, whom some refer to as the Endurictins. And, the greys also, who are varied in their types, could not resist these portals and came to make war against me, although their real war was against our Mighty God and His Precious Son, our Blessed Redeemer. But, even as our Saviour told the greys "to repent and I will give you some clean clothes," so His message has been the same to all of them. And, I have heard the prayers of certain ones of them and believe that some of them anyway, do want to repent, though they have continued on in the service of Satan.

 From The Mountain Prophecies Copyright 2015

After Satan and his U.S. military slaves broke into this portal in mid-January of 2013, our Saviour most assuredly took them up to that holy place! But, they could not have broken in, except for the fact that the portal was opening and because it was opening and they could see light from the Upper Realms as it filtered down through my mouth, and they knew that they had an opening, Satan forced an opening into the portal, and this opening went through the side of my face and into my throat and he, thereby, caused me pain of a very great magnitude. This portal to the Upper Realms was opening because the little manchild was about to be born back to the throne of God, back into the Upper Realms. And, Satan and these fallen angels, on wanting to return to establish their presence in the Upper Realms, were desperate in their attempts to tear an opening into this portal.

This holy, little child was on his way back home, and our Saviour did come to take him home on March 01 of 2013. I was in the portal with our Saviour and with this precious child just before he was taken and I so longed to disappear with the two of them and to never return. A great peace enveloped me that day, a peace that I will never forget. I knew that I belonged with them, but, alas my work was not finished and it is also not finished at this point, but I believe that a great milestone is being reached; and I am going to tell you about this milestone a little later on.

Shortly after they broke in, our Saviour allowed that wicked space commander to send an expedition up and to find that holy place. This would lead them to say later that that place belonged to them as they had discovered it. Not only did our Saviour allow them to find that holy place, but He allowed them to come up the Holy Place, to that Holy Mountain. That was in the early spring of 2013 when our Saviour said to them, “Come peaceably to Me and I will deal peaceably with you,” but they did not come peaceably, they came violently, killing and sacrificing innocent souls to Satan! They did such violence in our Saviour’s face until He threw them down and that little colony, which He allowed them to put there, was dissolved.

But, shortly afterwards, our Saviour began to build, as I understand it, recreation areas, and hotels and some of them wondered if they could stay in these areas. Though that colony was dissolved, they were not thrown down altogether! Our Saviour allowed them

to stay in these areas, as I understood the case to be. I heard some tell how they were treated as royalty. I can only tell you what I heard many say. One day as some pilots were about to leave through the portal in a craft to go up to that holy place, I heard one woman say to another woman, “She does not even believe! But she has seen them! We have all seen them! We are surrounded by angels!” I heard another man say, “I was sitting there in that hotel and looked out and saw those horses. I looked around and it seemed that none of the others saw these horses, the most beautiful of horses. They came and they stood there, just outside of the hotel, so beautiful and majestic and then suddenly they were just gone!”

Yes, they went to a supernatural place. And, from what I was hearing, our Saviour was good to them, putting them up in magnificent hotels, which He built for them, and as I understood it, He spent much time with them, teaching them many things. Our Saviour was indeed kind to the children of Cain, Cain being the firstborn, Satan’s child! So, Satan’s children cannot say any longer that they were denied their inheritance; for our Saviour allowed them to put a colony on that holy mountain, until they began with their killing of the innocents and then He threw them down and He later closed them out from entering into that holy place. As I understand it, the approximate time of His closing them out was around December 2013, although as I understand it again, some were still able to go up there by invitation.

Then, there is the Mars project, another one altogether different. From that first day in January of 2013, when they broke into this interdimensional portal, which is attached to my body and at my expense and suffering, their intent was to get back to Mars. And, to Mars, they did go, firstly building themselves a room within the lower part of this portal, and in that room, they intended to sacrifice children, but our Saviour was not going to allow that; for that holy place had been the resting place for the holy manchild, whom I had with me for almost seven years. And, he was still in that place!

But, they gathered there, to sacrifice children; and they did so shortly after they broke into that holy place. I was shocked one day to sense a great rumbling in that portal, It greatly shook my body and it was then that many of these elite baby killers were killed. I wondered about that last pope, if indeed he were among the dead, for it was the very

next day that he resigned his position with the Vatican. But, others were killed and there is reason to believe that one of the Google upper crust was indeed killed in that Satanic sacrifice. As they went up initially, some of them walking up, I heard one boy yell out to me, “Don’t pray to your God!” And, I thought, “Boy, you had better hope that I pray to My God!” Previously, I had heard one of them say, “That is that Google boy,” but he would not go with the woman, who went up with the small child. I heard her go up, comforting that small child, and she said, “This is why we are doing this.” Doing what, I might ask? Oh, possibly just the mapping of Mars by the Google people, that same woman coming up and going down often with that those two men from the National Security Agency. Was that the Google woman? Did she lose her husband in that Satanic sacrifice?

Then, Dear Souls, with so much activity in the portal, and with this holy and precious child still in that place, the following scriptures of Revelation Twelve would be fulfilled: “The dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.” (Revelation 12 :4) And, Satan stood there in that portal in the face of this holy child as the many craft were going up and down in their initial work to put their colony in that holy place. He had been gone for about three weeks and did not know about the small colony on that holy place, so he came back to see so much activity. Satan was not happy, as he had not given the directives for that small colony; and I heard him ask this precious and holy child: “Who is responsible for this?” And, I then heard the voice of the precious holy manchild as he said, “It is this nation, and that, that… other nation.” So precious, so pure and innocent. He did not know that name of that other nation, or group of nations, “United Kingdom.”

And, another verse would then be fulfilled, “And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne.” (Revelation 12:5) And, he, that precious child, was taken up to the throne of God on March 01, 2013. Oh what suffering I was enduring on that day! Amidst that suffering, so much pain, I would become paralyzed in my legs , then in my back and in my neck. And, in the midst of that great pain, I would hear one say, “Where is the little boy? We have not seen him for about five hours.” And, just like that, so fast, he would be taken, but that precious, little son would return to me that evening and say, “Mama,

daddy is going to do something for you!" And, this Blessed Redeemer did something for me to help relieve the terrible suffering that I was in; for these wicked ones, in attempting to stretch this portal, had lodged a British craft into the portal, which was too big for it and the pain was so great that my nervous system was overloaded and I suppose that this is why I became paralyzed, but He set me free and He also added another portal and gave me some extraordinary supernatural experiences, but that is another story. So, then another verse was fulfilled: "And she being with child cried, travailing in birth, and pained to be delivered." (Revelation 12:2)

Who are these masters of the Universe? Could this truth be well-hidden within the twelfth chapter of the Book of Revelation? Yes, I believe so! And, I believe that this "secret" is within Revelation 12:3. And, there appeared another wonder in heaven, and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads. Dear Ones, there was a time in the past when it seemed that this Red Dragon was most assuredly Niburu, that planet, which was called the "Red Dragon" by the ancients, and this could still soon come to pass, that this Red Dragon returns and makes its showing in the sky. But aside from that, I believe that this Scripture refers to yet another Red Dragon and that Red Dragon being Satan! For, he is a dragon and a very wicked dragon, but he is not the only dragon, there being other dragons, Leviathan being one and the Dragon of Outer Darkness another one. But, Satan also has his own children, children of the dragon, who are like him, evil in every way, loving every lie and loving every wicked thing. But, now let us study this scripture, "And, there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads."

What is this mystery, Dear Ones? Are these those leaders of those nations, who want to be known as the "masters of the universe?" Those seven nations, those G-7 nations? I will tell you about a vision, which our Saviour gave to me about two days past. In that visions, I reached out and caught a particle of dust and that particle of dust was then magnified in my hand. That particle of dust had something on it, which was an octagon shape and within that octagon shape were seven concentric circles and in the middle of these concentric circles was a round area, which resembled cream colored parchment paper. As I looked at that octagonal shaped piece, which was situated atop that

 From The Mountain Prophecies Copyright 2015

magnified particle of dust, I began to question what that octagonal piece meant, and what came to my mind were the G-8 nations, that group, which has a trade relationship, and Russia being the eighth one. But Russia has recently run afowl of those other seven nations, having been cast out due to their heading up of the BRICS banks, which go against the Federal Reserve Bank, and therefore against the world currency, the U.S. dollar. So, there remains seven, though Russia has most assuredly been a part of this space program. Seven nations in that world space program and the whole thing will be turned into dust! Dust! And, I believe that this time is at hand!

So, I then believed that these seven circles represent these seven trade nations, which are part of this world space agency, those masters of the universe as they seem to want to be called, at least by some of them. As I understand it, these seven nations of the world trade organization are: the USA, Great Britain, Canada, France, Germany, Italy and Japan. Have these crowned themselves, having given themselves great importance through their space ventures and through the world trade organization? But, what about the ten horns? Could these ten horns could be ten nations, those ten nations of Europe, those nations being Belgium, France, Germany, Greece, Italy Luxembourg, Netherlands, Portugal, Spain and United Kingdom? This seems that it may very well be the case. And, what a spectacle these nations have made in the heavens, going up and down in all of their arrogance, needing to go up these passageways, which are attached to me, but hating me more than anyone could ever imagine! It is no love/hate relationship! They hate me with a very great hate and though they have needed to pass through these portals and these portals are the only avenues through which they can enter into these Upper Realms, they have tried to kill me over and over again.

But, our Blessed Saviour and His Precious Father have saved me and these holy children, day and night for these many years. How blessed I am! How grateful I am and I will praise them forever and ever! Glory to our Mighty God and to His Blessed Son, our Wonderful Redeemer, forever and ever; for none can save as they can save. Sing their praises; for they are beautiful, so wonderful, so full of love, mercy, and forgiveness. Never forget them; for you will need them! They love you, Dear and Precious Ones. Call upon them often and pray; for they will hear you. Glory, glory to our Mighty God and to His Blessed Son forever and ever!

Now, we will speak a little more about these heads and crowns. Where else do we see mention of them? In Revelation Chapter thirteen, we see these words, “And, I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns and upon his heads the name of blasphemy.”

We have pondered those seven heads and seven crowns, relative to this international space program and this world trade organization, but now we see seven heads and ten horns, with ten crowns. We see again these seven trade nations, but another group of nations, even ten nations, who come into a great power, these ten most likely being the ten European nations; for they now have ten crowns. Now, in this world we see the struggles taking place, where we see NATO, the military arm of these seven nations and of these ten nations, and they are using NATO to go after Russia, for they have meddled with their world trade status. And, NATO, that military arm of these nations, is preparing to make war against Russia, that NATO organization having been established by the USA and still being led largely by this nation. Just keep these things in mind.

But, for now, we will focus again on Revelation, Chapter Twelve, particularly on Revelation 12:7-9. Last night, and all through the night, I was aware of a great dumping, which was taking place, a great dumping from the Upper Realms, indeed a great dumping from their Mars base. It might surprise you to know that this portal, which is attached to me, also opens up into hell and has an offshoot, which leads from it into Outer Darkness. Over these many months, I have seen a steady procession of souls, both human and non-human, as they have been dumped into either hell, or into Outer Darkness on their way from Mars, particularly. And, last night, on the night of September 15th and 16th, I was being bombarded as many souls were being pulled down from Mars and were on their way into one of these places of chastisement, although I understood that some of them were coming back to Camp Robinson.

During their transits, I heard some of them telling of how a great sucking began to take place in that Mars base and some told of how parts of that base began to turn into sand and that many souls were being pulled down from that base. The same mantra

 From The Mountain Prophecies Copyright 2015

was being repeated time and time again as these souls were being pulled down and some were apparently hoping that I would hear what they had to say. Some did not seem to care if I heard, though some are often guarded, on thinking that I could hear their conversations. But, during that passage of so many souls, so many did not seem to care as they apparently thought that they would be going on either to hell, or to Outer Darkness anyway. I heard several of them tell that there could have been as many as 260, 000 people on that Mars base, and that among them there could have been as many as 300-400 tall greys, as many as 500 endurictins ( Annunaki slaves), as many as 50 of the richest people in the world and perhaps some 300 to 400 souls, who have repented and who love our Saviour. I heard some say that this base began to turn into sand and what was in it began to turn into sand and that this sand began to be sucked downwards and back through this portal, with many souls in it. I heard them crying out for most of the night and awoke during the early morning hours, realizing that I was not hearing people anymore, but I just knew that a lot of stuff was passing down. Yet, I went back to sleep and heard more as they came passing through. But, was this all of the souls? And, was this all of this base? That, I cannot say!

In the past, especially when I would know of their sacrificing of the innocents ones, I would cry out to our Saviour. And, I have known of several occasions when our Saviour sent judgements against that Mars base. And, through these judgments, I have understood, that parts of this Mars base were destroyed, and I have understood that vast amounts of their stuff was carried down into the flames and also of many souls, who went also into these chastisements. But, our Saviour would then allow them to go up again and carry up more stuff and more people to Mars. As one went by early this morning, and I heard that one tell that these wicked Satanists have sacrificed as many as 5000 on Mars, during these months since they broke into the portal, that is, since mid January of 2013. I do not know if these numbers are correct, but I do not doubt that they would do such things.

Dear Ones, these people are crazed. Most of them, under any mental health guidelines, are mentally deranged. Many of them are truly insane people, often with multiple personalities and they, furthermore, honor no laws. They are not required to honor any laws, but break them all, telling that they do not work for this government, but work

for Satan. They are those, who call right wrong and black white and they; are working hard to sift your soul into hell! That's right, your soul! If I say, souls, the severity of what I say will not register with you. They are out to destroy your soul! The war is on and it is very great!

Dear Ones, relative to this great traffic, which went on all night, I cannot tell you for a certainty that they were all cast down and I cannot tell you for a certainty that these evil ones will not be back up on that Mars base. But, I know that they suffered a very great loss; and I surely do hope that they are cast down and will not bet back up there. For, these words must soon be fulfilled in their entirety: "And, there was a war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels. And prevailed not, neither was their place found any more in heaven. And, the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him."

Then, we read, "And, I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of His Christ: for the accuser of the brethren is cast down, which accused them before our God day and night."

Dear Ones, I await for that day when Satan will be cast down from the Upper Realms and I will not be under his feet anymore! For, it is written in Revelation 12:14, "And, to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times and half time, from the face of the serpent."

What you need to know, and this is extremely important, is that Satan and these nations have been stacking this base on Mars with many military weapons, with military crafts and with other sorts of supplies, so that they can make war against our Saviour.

About two days past, I heard one woman say, as she was going up in an aircraft, "We are going to go to that place ( the Holy Mountian of the Lord) and we are going to

 From The Mountain Prophecies Copyright 2015

throw him down (our Saviour) and we are going to throw down those children, (the holy children, whom our Saviour has given, not only the holy manchild, but two other children. He has said that He may give me a total of five or six children. He told me about His plans to give me these children last summer when HE took me up, and I spent some time with him.) So, they know about these children! Then, according to the ravings of this woman, they will take over that holy mountain and will appeal to our Saviour's Father to put them back into the Light Kingdom! Yes, these have been their plans all along, to go up, to make war against our Saviour, to take over that holy mountain, to keep me as a perpetual prisoner and to keep any of you from every going up to that holy place to receive your heritage with our Saviour. Oh, Yes! Their threats are real and my sufferering under the feet of Satan and under the feet of these terrible military people and under the feet of those in these nations has been real and extremely severe! They think that they own these portals and they have every intention of keeping any and all of you from ever getting up there to that holy place, which is the heritage of those, who love our Saviour and His Father and who repent! They will not win, but the war against any and all of us, to keep us from getting there, is and will be exceedingly great! Make no mistake about it, for it is written that "Satan is wroth with the woman and goes to make war against the remnant of her seed!

So, Dear Ones, our Saviour and His Father know of their plans! And, whether this war was finished last night, I cannot say for a certainty, but either way, these "Masters of the Universe: will soon be cast down. They will be defeated and thrown down from the upper realms forever. For, it is written, "Neither was their place found anymore in heaven."

I love you, Dear Souls; and you know what you must do! Please do not ignore me! Repent of your wrongs and reach out and grab hold of Jesus! Hold onto Him with all of your strength. Jesus alone is Saviour. He is full of love and mercy! You are gonna need Him and His Father! These blood suckers have hijacked the whole world and you cannot fight against those, whom you cannot even see. You cannot defeat weapons, which cannot even be traced. The powers and principalities of great darkness are running the world; and they are brutal! But, they are no match for our Mighty God.

Even as King Nebuchadnezzar knew and even as King Cyrus knew, none can save like our Blessed Lord and God! Get on the winning team now!

Repent and find a spirit-filled person to baptize you. Then, this spirit-filled person can pray for you and you will be blessed to receive the beautiful Spirit of God! Go for this wonderful gift and do not turn back! The lizards are on the prowl, but Jesus saves! If you want prayer, send me a short note.

I love you all, Dear and Precious Ones,

# CHAPTER ONE HUNDRED - PART I

## The Spread of the Ebola Plague: A Great Dying!

After I prayed today with a friend, our Blessed Saviour gave me several visions relative to the ebola plague, its spread in this nation and also its spread in some other nations.

I saw in that vision an angel, who poured out a large vial of a dark substance upon this nation, near the middle of the nation. Soon after the angel poured out this vial upon this nation, which I understood to be one of the plagues from the Book of Revelation, I saw dark tributaries began to form and these tributaries began to enlarge and to flow outward across this nation. These dark tributaries grew quickly until they began to spread out and become diffuse, fanning out their presence until a deep red mass began to cover this nation from north to south and from east to west. It seemed that the whole nation was covered in blood and I knew that I was seeing the rapid advancement of this ebola virus in this nation! Then, I heard our Saviour say, “Because you have loved the shedding of innocent blood!” (How many slaughtered babies in this nation? Perhaps as many as 100 million?)

After seeing this nation, which seemed to be covered in blood, I saw piles of dead people. The dead seemed to pile up so quickly! In great heaps, they were piled up! Then, I saw workers, who took the dead, who were stashed in plastic bags, and they began to toss the heaps of dead bodies into open box cars and onto long flat-bed trucks. Thereafter, I saw them unload masses of these dead bodies and throw them into empty houses and set afire those houses, which were stacked with dead bodies and they burned the bodies and the houses together! Then, I saw these workers take more bodies and throw them into square pits, which had concrete bottoms and concrete sides, but were otherwise open pits and on top of the bodies, they poured accelerants and set afire these bodies and burned them in this way.

After I received the above part of this vision, I then was taken into an underground base and there I saw the President of this nation. Along with him were a small group of people, though I cannot be certain that they were all humans; and I say this because of the high-reptile hybrids, who look like humans. However, they are not human, but can be up to 99% reptilian and they are very great enemies of all people.

I watched them there and I knew that they were in the midst of a plot, a very great plot, indeed; and that plot was to determine how to spread this virus among the people in this nation at a more alarming rate. I saw what they plotted, at least some of it, and firstly I saw that they were planning to put this virus into packaged meat in some of the grocery stores. Then, I saw that they were plotting to put some of this virus into open reservoirs of drinking water. Then, I saw that they were plotting to release terrorists into shopping centers, who would run quickly from one to another shopper and inject certain of these unsuspecting shoppers with the ebola virus, and thereafter flee!

I was deeply disturbed by what I was seeing, but I also knew that I was being shown only part of their terrible schemes! For many years, our Blessed God has shown me the plans of the enemy and upon knowing the schemes of the enemy, a few of us would pray and we would then see our Saviour intervene to stop their schemes. Yet, sadly, Dear Ones, I believe that we are now reaching a point-of-no-return, not only in this nation, but around the world!

Then, this vision carried me away from this nation and into China and there in China I saw someone turn on a faucet and from this faucet ran blood, a great stream of blood and blood began to run out all over China. I knew from this vision that that blood represented the ebola virus and this was our Saviour's wrath against China because of the killing of the unborn! Then, I heard, "One third died from this plague in China!"

Then, in another part of this vision, I was led to Europe and I witnessed a deep, black cloud as it descended and covered Europe and I strained to see what was hidden beneath this dark cloud; for a great darkness covered all of Europe! But, after some peeping into the darkness for a little while, I began to see there, hidden beneath the

 From The Mountain Prophecies Copyright 2014

grossly dark clouds, great numbers of white crosses, yes great numbers of people buried in massive numbers of graves. As far as I could see, even for great distances, nothing but graves. And, as I looked at the massive numbers of graves, I began to have a terrible discerning in my spirit, a terrible feel that in certain of those nations, most of the people were dead!

And, then my eyes moved downwards to Africa and a red covering went across Africa and covered most of Africa. And, I knew that many in mostl of the continent of Africa would experience this terrible, hemorrhagic disease! As I was seeing this last vision, I began to hear our Saviour's words; and they are as follows!

**Message from Jesus, our Blessed Saviour**

"No more," says the Lord, our God! "No more will I mercifully withhold My judgements regarding your wicked ways! You are a wicked house, oh My house, and all over this nation, you parade your wickedness! I will no longer strive with you, oh America; for you have perverted My word! You have rebelled against Me and I am against you, oh America!

From nation to nation, I will look; and I will rise up now to judge in righteousness; for evil threatens to devour the whole world! And, as you have loved evil all over the world and as you despise truth, I will cause you to fall and to serve evil and to fall to every lie; for you love a lie! And, I will hide Myself from those, who love evil, but the righteous I will keep, even in the midst of terrible wars! Yet, My Tried and True I will take and they will be with Me; for as I am plucking up, I am also reaping!

Woe to the inhabitants of the earth; for Satan and all of his wicked hoards are being cast down and you, oh My people, they hate with a perfect hate!

Therefore, you will either repent, and turn to Me with your whole hearts, or you will perish in your iniquities!

Woe to those, who take the mark of the beast! For, that mark is the end of the line for your souls!

I am a Righteous God and I am going to have a holy and righteous kingdom! Blessed is the One, who seeks firstly the kingdom of God, that righteousness may be added unto you! For, sustained righteousness in you, oh My Blessed and Faithful Ones, is your eternal freedom!

I am Jesus!

As witnessed, dictated and recorded this 11th day of October, 2014.

This is where we are, Dear Souls, at that time of dividing, that time of sifting. Go into your prayer closets! Watch, and pray always! For, surely some will be counted worthy to escape all these things!

Jesus bless you, Dear Ones! I love you very much!

## CHAPTER ONE HUNDRED - PART II

### BEWARE! WE ARE LOOKING AT THE CRASHING OF WALL ST

Dear Souls, this vision was given to me about six weeks past, though I do not recall the exact date, so I say, “six weeks, or possibly a few days less than six weeks.”

On that particular day, I was sitting on a sofa out in the Prayer House. (Blessed are those, who have helped build this house!) And, on that day, and relative to that vision, as I sat there, I saw a wagon come gliding down over my right shoulder. I looked to see that this wagon was being pulled by a giant bull!

As I focused on that wagon and on that bull, I saw that two of my precious friends were in that wagon, both of them in their sixties. Suddenly, the whole room disappeared and all that I saw was the wagon, which was gliding past me, with my friends in it; and it was on its way down!

However, quickly after this wagon passed me, I realized that the bull was in trouble! Pieces of hide began to fly off the bull, along with masses of fat! In amazement, I watched the bull as he continued to glide downward, fat, muscle, fur and other parts of the bull flying in all directions!

In a short while, the battered bull and the wagon, which was carrying my precious friends, reached a plateau, down there somewhere; and I remember thinking that it might stay there on that plateau for a while and it did stay there for a little while! But, only for a short while! And, as I was thinking that this bull may possibly rest there on that plateau for a while, the bull suddenly took off running! It went downward and into a nose dive! So fast, it went down, coming quickly to a stop in front of a lone tree! I looked to see that my friends were okay, but the bull was not okay!

I was no longer looking at a great, strong bull, but an animal, which was devoid of all of its skin, devoid of all of its fat and devoid of all parts, except for its skeleton and this bull was now the size of a dog, about an 80 pound dog!

I called my friends to warn them about the coming stock market crash and I advised them to use careful discernment regarding any of their assets, which might be tied to this market! And, now, just some few weeks after sharing that vision with them, we see that Wall Street has lost all of its 2014 gains and suffered this recent loss within a very few days.

Relative to this market crash, note that the bull glides down! This crash did not come all of a sudden! So, there is time to act, but you need to be circumspect! This warning not only involves those of you, who have investments in the Stock Market, but who have pension funds, or other kinds of savings, which banks have invested in the stock market! So, be advised!

This crash is going to be exceedingly bad for this nation! But, if you live overseas, do not say, “Oh, that is over there!” There will come a world-wide market crash!

God is our Refuge! He is our Provider! He is our Victor! But, hold on! For, everything that can be shaken is about to be shaken! Blessed is the Name of the King of Kings and the Lord of Lords, our Blessed Redeemer, forever and ever!

Jesus loves you! I do, too!

## WARNINGS FROM OUR SAVIOUR

Hear the words of our Mighty God, our Mighty Saviour, oh you people! For, He is rising up in His anger! He is rising up in His judgements and terrible times are upon this nation and upon the nations of the world. Take heed, oh you people and repent; for the time of the sorting of the souls is at hand; and some will be harvested into eternal life and other souls will be harvested into eternal damnation. Read every word that He has given and make copies and keep these copies; for you will soon find that His words of warnings are scarce. The God of All Creation, who is our Blessed Saviour, has some serious issues with the nations and His judgements are falling! Read these messages and be warned!

### Message from our Saviour

### "A Fire in the midst of this land!"

### November 02, 2014

Behold, my Child, My precious wife; for I am Your Saviour and your Redeemer, Most High God, the God of Righteousness and Holiness, the God of Israel!

Hear Me, My blessed one! Take this match and strike it against your lower right leg and set this match aflame. Then, toss it out and watch it land in the heart of this nation! And, behold, My blessed one; for I shall start a fire in this land, not a fire for good, but a fire for destruction, a fire for want, a fire for consumption, a fire for hunger, for hunger of the worldly things, a fire to destroy and consume all that was and all that is to come, all that is not of Me and all that is not rooted in righteousness and goodness!

I am going to burn up all that is evil, that is rooted in darkness, and then I am going to plow up and not plant again in the same way; for evil abounds and evil will be utterly destroyed!

A hunger shall come upon this land, a terrible hunger, not just for food, but a hunger for My Word; for I have given My Word and My Word is to "repent, or perish!" But, the mockers do not like this Word, and the lovers of self and the lovers of this world, do not like this Word. But, not only do they hate this Word, they hate you, My blessed child, and My precious wife; for they do not wish to repent, but to do every sort of foul and rebellious act and to parade their rebellions in My face and to laugh at and to mock My Words of warning!

So, now I am shutting down My warnings all over this nation and around the world; and I tell you now that they will look! They will search for My Word and they will hunger for My Word; but I will shut them off to My Words, both of counsel and of warnings, and they will go headlong now into My judgements!

For, they are high-minded, a proud and a haughty bunch, not only in this nation, those, who profess to be Christians, but all over the world. Yes, all over the world, those, who are called by My Name, My Children, My servants, those in the assemblies and those, who are outside of the assemblies, they have polluted My House! They have polluted My Word! They want to live their polluted lives as they please and they mock Me and My Word and they persecute you, My Blessed Wife, and they call you all manner of names.

And, Satan and his wicked hoards have tortured you and have blasphemed and have persecuted you; for you are Mine! And, the people of this nation and those of other nations follow after Satan, and they ridicule and they mock the true works of Revelation Twelve. And, they will not hear a True Word! Therefore, they follow the false words and they languish and they will perish in darkness, devoid of Me and devoid of My Spirit, unless they fully repent with great sorrow and weeping. For, I am sending a devouring fire and this fire will devour them and all of their false doctrines and they will the either repent or perish!

 From The Mountain Prophecies Copyright 2014

For, My House is a rebellious House and few there be in the earth, who are righteous! Therefore, I am sending this devouring fire and I will remove you, oh you wicked ones, who love to flaunt evil in My face and you will not repent!

And, I will raise up dragons and the dragon seed and they will lord over you and they will be your gods; for you will not honor Me, The One True God, who loves you and who strives with you! But, I have drawn the line, and I say, “No more, oh you rebellious house!”

And, you will know what I mean when I say, “Repent, or perish!” For now comes the time of the dividing, the separating of the wheat from the tares!

But, Mine, I will coddle and I will nurture and I will love and I will grow in My love, mercy, grace and forgiveness!

But, woe now, woe, woe, woe, oh many woes and troubles as none have seen since the beginning of any nations! For, I will turn loose the forces and the powers of darkness that I have held back! And, those, who love a lie, will love one still. And, those, who hate Me, will hate Me still; for I am forcing each of you now to take sides and to make a firm stand about your choices.

Truly, the righteous will be righteous still! Some, who are on the fence, will see the errors of their ways and repent; but if you would not repent when you had plenty and I poured out My grace and blessings upon you, how many of you will repent when you face the choice of taking the “mark of the beast,” so that you can continue with your worldly lives?

Oh, you wretched ones, you boasters, you lovers of self, you lovers of the world, you, who want to have that worldly spoon in your mouths: You will succumb and you will fall and you will be no more!

But, My Faithful, I will not forget, but I will coddle you in My arms and I will comfort you, and I will provide for you until that time when I say, "Enough," and bring you back to Me!

I am your Saviour, Jesus, and there is none other!

## CHAPTER ONE HUNDRED AND ONE - PART II

### "Vision of the President of the USA!"

Dear Ones, since the following vision was given, the Republicans have taken control of both Houses in the Legislative Branch of this government! This President, though he is a democrat, has made more of his own laws.

Without the approval of the legislative branch, he signed into law an environmental treaty with many nations! Again, without the approval of the legislative branch of this government, he made more laws when he recently signed a second treaty, a trade treaty with several nations. I do not know all of the ramifications of this treaty, but have understood that we cannot readily get out of this trade treaty without the consent of these other nations. This may also be the case with the environmental treaty! I do not know!

And, with the stroke of a pen, this president has, since the following vision, overhauled immigration, and in so doing he has paved the way for about 5 million illegal immigrants to become citizens! But, they will not be the only ones to benefit from his

 From The Mountain Prophecies Copyright 2014

decisions to make his own immigration laws! Many say that a great tide of illegals is about to cross the southern border and there will be no stopping them!

Here again, this president has made his own decisions regarding illegal immigration, without the approval of congress! His decisions to act on his own and to make such laws brings to remembrance our God's words in the Book of Daniel, regarding the man of sin, or the "beast," who is both a man and a kingdom! "He shall speak great words against the Most High, and shall wear out the saints of the Most High, and **think to change times and laws**...(Daniel 7:25)

This beast, this man of sin, is also called the antichrist! Through our Saviour's warnings to me, you have been told! Barrack Hussein Obama is the antichrist! Our Saviour gave these words of warning to me in 2008, and many mocked and scorned and mocked and scorned some more!

Read on; for the following vision, which was given only a few days past, is already coming to pass!

**Message from our Saviour**

**"Vision of the President of the USA, the Iron and the clay!"**

**November 07, 2014**

This morning, on the morning of November 07, 2014, as I sat on a sofa in the House of Prayer on this land, I had a vision of Barrack Obama. Firstly, I saw his left leg, that it was cut off at the left knee, and I saw the hands of someone, who began to attach a new lower leg onto his left leg and I thought, "What is this?"

And, I looked again and I saw that within that leg were strong metal rods, and outside of those metal rods were layers, thick layers of a very hard material, plastic-like in appearance. And, his lower leg was fat and bulging, like that of a fat person, and this lower leg was also attached to a foot, which was of the same sort of material, with bones of metal, a hard and shiny metal. But, overlaying these hard, metal bones were

layers of this same hard plastic-like material. And, I began to think that this material must be the same sort of material, which NASA uses in some of their craft. So, I wondered about this leg and what this meant!

I looked again at the lower part of that left leg, that it was larger than the upper part of his left leg, but even as I watched and wondered, I saw that the same process began to take place in the upper part of his left leg and it, too, became large and swollen and fat and strong! And, I thought to myself, “Oh, this leg has changed and it has become much larger than the right leg and much stronger”, and I wondered what it meant.

I looked again at the right leg, and it only consisted of metallic bones, strong bones, which were made of a bright and shiny metallic material. This leg worked well. The toes and the foot moved easily and were flexible, but I thought, “Will this foot work well with the other foot? Will it not be unbalanced?”

But, then I saw the president, Barrack Obama, take off running and as he was running I saw something in that left leg, which was different! It had moving parts, like a machine, which resembled gears; and as he moved these gears began to move, slowly at first. For, firstly, he took off in a slow run, but after a short while, I heard a loud noise and saw an explosion of fire and this fire blew out of his left knee. And, when this explosion happened, those gears began to move so fast and that left leg began to move really fast and along with it went the right leg. For, the right leg was now being forced to go the way of the left leg!

And, I looked then and this sort of assembly, which was in the left leg began to take place within his spine, firstly in a few vertebrae, then in a few more vertebrae. And, then this process of assembly went from the vertebrae and into the right eye. As this process unfolded within that eye, I saw many moving parts in the eye, itself, and I thought, “Will his whole body go?”

So, I said to our Saviour: “Blessed Saviour, what does this mean!”

And, He said, “Hindsight is 20/20.”

 From The Mountain Prophecies Copyright 2014

And, I said, “Lord, in plain talk, what do You mean by that?”

And He then showed me a skunk and He said, “Do you see a skunk?”

And, I said, “Yes, My Lord, I see that skunk?”

And, He said, “Do you know why that skunk is black and white?”

And, I said, “No, My Lord, I do not know, except that it was created that way!”

And, He said, “And, so it is that Barrack Obama was created this way, black and white.”

And, I said, “But, Lord, skunks can also make a big stink.”

And, He said, “He will!”

So, I said, “Lord, what does all of this mean, all of this about his body changes?”

And, He said, “The Daily Mail will not tell about it.”

And, I said, “What will they not tell?”

And, He said, “The iron and the clay! They will not tell about the iron and the clay.” (Daniel 2 ,verses 40-43)

And, I said, “But, Lord, tell me more.”

And, He said, “It is not about stargates. It is about stars, who want to become gates.”

And, I thought, “Blessed Saviour, what does this mean?”

And, He said, “Roses are red and the dead will not rise to talk unless I cause them to.

So, stay close to Me and count your blessings; for when others are starving, I will bless you!"

Then, I said, regarding the continued vision of this president, "Oh, Lord, his buckle is shiny. His teeth are strong! This metal is shiny; and on his face is a Hitler moustache!"

"Then, know, My Blessed Child, one thing!" And, He said, "Starbright, Starlight, the first star I've seen tonight. It is not about stargates, but about stars, who want to be gates! And, try as they might, they will never be gates, so the enmity, My Blessed Child; for the machine is cranking up. And, the war is about to move full-speed ahead.

For, the gates that they wish to possess and to have, even attached to their own bodies, will never be! And, as I shut them down and throw them down, the clay and the iron will ignite in their powers to own these stargates, to have them attached to them. For, they are stars in their own eyes, but this will not be.

It is the machine, My Blessed Child, the machine, firstly of iron and then of clay and it is about to crank up and to run full speed ahead, a grinding machine, even as you saw the gears in the leg, moving forward and grinding into the earth and into the highways and into the nations. Is it the grinding now. It will not be stopped; for it is time! But, do not be troubled, My Blessed Child; for I am with you now and always and the stargates that I have attached to you, will not either be taken or destroyed! But, these (lawless ones) will be taken in due season, and they will be destroyed.

You are seeing what is about to happen! Take heed! I warn all to repent and to draw close to Me; for the great slaughter is about to begin, and would not have been necessary, except that you would not heed My warnings to repent, and so now you will either repent or perish. But, through My Beloved and through My Faithful Ones, I will do many wonderful works!

## CHAPTER ONE HUNDRED AND ONE - PART III

### "The Muslim War in America!"

Dear Ones, it must have been about five days past when I had the following vision, although I did not write this vision. For that reason I do not recall the exact day that this vision was given, for it was given spontaneously as so many visions are given to me by our Saviour. And, I write some of them, but I do not write many of them for He does not lead me to do so.

But, this vision troubles me; for this vision shows where this nation is quickly headed and you need to know these things. In that vision, which was given to me that day, a few days past, I saw a stream of military tanks, or armored personnel carriers, come streaming out of Washington DC and they were headed south. I sat stunned as I saw them steadily travelling south and I wondered before our Mighty God about the meaning of this. But, quickly I saw that these tanks, or armored personnel carriers, as they case might have been, were popping up here and there around this nation, even over towards the west coast. So, I sought our Saviour for more understanding; for this was troubling to me. And, I looked then and I saw a flag, which was flying outside of the White House and it was a black flag with a circle in the center of the flag. And, as I wondered about this flag and what it meant, I saw that wind began to stir and to blow against this flag. And, as this wind began to blow against this flag, I saw that the flag changed into a black and white striped flag.

I called my friend in Canada and asked him about the jihadist's flag, the flag of those in ISIS, and he told me that it is a black flag with some white writing, and I asked, "Does it have a white circle," and he told me that it does have a white circle.

Then, I understood what our Saviour was showing, that the white house is flying the ISIS flag. From that part of the vision, I understood that they must surely be planning to import ISIS, the Islamic militants, and to bring about martial law (the tanks) through them. And, as this flag changed into a black and white striped flag, I then understood that the President and those in his command must surely be planning to use ISIS to stir up race wars, through uncertainties, the blowing of the flag in the wind.

So today (November 23, 2014), "I ask You, Blessed Saviour, if You have a word to give to me regarding this vision."

And, I hear Him say, "Write on, my Blessed Child, for you have well understood what is in the works."

"Thank you, Blessed and Holy One! I love you so very much! Blessed is Your Holy Name forever and ever!"

## CHAPTER ONE HUNDRED AND ONE - PART IV

### "Closing Doors, which none can open, Opening doors, which none can shut!"

### November 22, 2014

"My Blessed Child and My Precious Wife, sit and write what I have to say. For, I am the First and the Last, the Alpha and the Omega, the One, who opens doors that none can close and who closes doors that none can open."

"Oh, Blessed Saviour, I hunger for understanding of the vision, which you just gave; for I saw You with a white gavel in Your hand and You pounded it repetitively for what seemed to be some minutes and here and there in many places, I saw doors opening, which had been closed and doors being closed, which had been opened. Oh, Lord, what does all of this mean?"

"Hear Me, My Blessed One; for the time of My judgement has come into the earth and I tell you now that these are times of chastening and rebuke, times of travail and sorrow, and not joy and laughter, times of war and not peace, times of division and not unity, times of despair when few will have hope, times of want and not plenty, times of heartache and suffering, and not happiness. For, I am closing many doors on this once prosperous nation and I am opening up many doors through which the enemy will come up against you! For, not only is the enemy coming from without, but the enemy is within and the enemy has seized this once great nation!

Hear Me, oh My people! I am sharpening My sword and I am dividing My house, the faithful on one side and the lukewarm on the other. Yes, I am sharpening My sword and I am dividing this land, one portion to war, another portion to famine, another portion to disease, another portion to oppression, another portion to nuclear holocaust, another portion to earthquakes, another portion to total annihilation through earthquakes and terrible weather patterns, another to droughts and another portion to floods!

The fat wolf is lean! He is hungry and he is out to devour My sheep! But, fear not, My faithful ones. I shall make My arm strong on behalf of My faithful, but the rebellious and the evil, the wicked, who love hate and malice and will not repent, I shall grind down as powder beneath My feet! And, I shall cause terrible problems in the heavens and in the moon and in the stars and some will say, "The earth is out of its orbit and it flops firstly this way and then another way." For, the earth is heavy with evil; and the sins of the people pollute the whole earth and they will not repent, but love evil! So, I will loose evil in an even greater measure; for I am wroth with those in this nation and in other nations, who say that they love Me, but they do not love Me! They love every lie and every dark and filthy and perverted thing and they swallow up all that is good and pervert all that is right and lust after all that does not satisfy and crave even more what is dark and putrid!

Therefore, I am opening up the floodgates from hell; for the masses lust after evil. They lust after pornography! They lust after darkness! Therefore, I will loose a tide of evil against this nation, whom I have blessed above all nations! But, you do not choose righteousness! Few of you choose it! You crave what is violent, what is perverted, what is blasphemous, what is evil! Therefore, I will send a great swarm of evil upon you and you will wallow in what is evil and putrid until many of you are consumed in it!

Beware, oh My people! For, a time of the sorting is at hand, a time in which I am sorting the wheat from the tares, a time wherein I am plucking up, a time wherein I, alone am sowing what is of My everlasting cup. Hear Me, oh you nations; for I shall cause nations to rise up against nations, wars of all wars, destructions above all destructions. The fan is in My hand and I am winnowing the harvest! Hear Me, oh My people! For, I shall try you, even as fine gold and silver are tried and tested in the fires!

Who can withstand the fiery gaze of the Almighty? Let him come forward in white raiment, with a clean and repentant heart, with a broken and contrite heart and spirit, and let him humble himself before Me. For, I am that All Consuming Fire, and the time of the everlasting reaping is at hand!

## CHAPTER ONE-HUNDRED AND TWO - PART I

### The Kingdom of Our God is coming into the Earth!

Oh Lord, my God, this is an evil world, truly a wicked and perverse generation! And, oh Lord, a nation of mockers has arisen before Your face, this nation of America, a nation, which loves a lie, a nation, which loves every kind of perversion, a nation, which takes pride in the killing of the innocent and the unborn! Planned Parenthood is now posting it and surely bragging that they killed more than 325,000 of the unborn and innocent babies in 2014! Oh, God, how we have fallen!

Oh, America, how you have fallen! Witchcrafts, pornography, adulteries, fornications, lying and stealing and covetousness abound! Oh, Blessed Saviour, how the people have fallen into these and into every pit of the flesh!

Oh, Blessed Saviour, hear my cries; for a great wickedness is upon this nation and upon all nations! Oh, Blessed Saviour, hear my cries! For a great wickedness is upon the nations and evil is thick and covering this nation and all nations!

Oh, Blessed Saviour, what will You do? For, a great distress is in my heart and a brokenness in my spirit. For, their captives are now many and their slaves are many and these cannot get free from the evil ones. They fill up now their prison camps (and few know) with the youths and they kill them at will and force them into sex slavery or into mental, spiritual, emotional, or physical tortures and bondages!

Oh, Lord, what will You do? For, this evil is great and many do not know You and have not known You, but will be carried away further into darknesss! Oh, Blessed Saviour, what will You do?

My Blessed Child, My precious wife, the mother of humanity and the spiritual mother of our holy children of light, I know your sorrows. I know your heartaches and I know your

 From The Mountain Prophecies Copyright 2015

travails. For, you are the woman, who travails and it is written that the woman travails and you travail so greatly, My Blessed One, for the kingdom of God is being birthed into the earth, firstly through our holy son, the manchild of Revelation Twelve, and subsequently through My sons, who will arise.

Hear Me, oh My People; for the Kingdom of God is coming into the earth. It is a Kingdom of Righteousness, a Kingdom of truth and honor, a Kingdom of purity!

Who will see My face? The ones, who are tried and tested and found to be spiritually clean, the ones, who have pure hearts. For, no guilt shall be found within them, no evil, no dark thing, no spot, or wrinkle, or blemish!

Hear Me, oh My people! For, I am loosing the darkness, and I have sharpened My sword and My sword glistens in the darkness and it overhangs this nation of the USA, and I am now poised to hew down the dark trees and to pluck up their roots and all that is not of Me is being cast into a greater darkness and being made ready for the fires. No more fence sitters! No more lukewarm! No more, who love to be in the middle of the road! No more!

For, Mine will repent with weeping and tears, with great sorrows and with sincerity and with a greater determination to avoid evil and to avoid sin; or I will throw you headlong into a greater suffering and Satan will have his way with you, but I will be slow to hear your cries! For, I cried to you and I cried to you through the mouths of My prophets and you would not repent. And, now I tell you that you will repent, or perish!

For, the antichrist will lure you and the false prophet will lure you and the devil will lure you and the deceiving spirits will lure you and every sort of evil thought will trick you until you either repent and come to Me with your whole hearts, or you will fall and you will take the mark (of the beast) and go into eternal damnation.

Hear Me, oh you people! For the mouse runs up the leg!

Oh, Lord, I see that, the mouse up the leg, up that leg of President Obama. Oh, Blessed Saviour, please forgive me for interrupting You, but what is that mouse?

My Blessed Child, I do forgive you. I forgive you now and I will forgive you, but I am not offended that you ask, but offended when you do not ask, when you do not knock, that the door might be opened to you, and that you might have understanding.

My Blessed Child, that mouse is Pope Francis and you can see that mouse sits there in the darkness of President Obama's trousers and he sits there in that dark room, for Pope Francis is evil and his works are evil, and he looks like a lamb, all dressed in white, but within him is a very evil spirit, who secretly works wonders of witchcraft and sorcery. Now, people do not see, but as months and days go by many will see that he is no lamb, but an evil an ravenous false prophet and he sits quietly there in Obama's shadow, in the shadow of his leg and he conjures up evil and makes evil plans to deceive the whole world and to make all religions satanic and to take Me out of the mouths of the people and to put a false god into their mouths and into their hearts.

Beware the Vatican! Beward this false prophet, who looks like a lamb! He seeks to bring the nations to his feet and to the feet of the antichrist.

Hear Me, oh My people! Repent! For, the Kingdom of God is within your midst! My holiness is streaming into the earth! Who can stand in My presence? Those, who have a broken and contrite heart, who cry out to Me with unfeigned lips, whose hearts are sincere and pure!

I am gathering up My pearls and I am sorting out My gems for the time that is at hand!

Hear Me, all, who live carelessly, and who barter your souls for money, for material status and for things of the flesh! I say to you, Repent, for if you repent not, you have your reward!

 From The Mountain Prophecies Copyright 2015

But, hear Me, My Faithful, Little Ones! Hold fast to your faith! Walk in love, honor and obedience towards Me and My Father! Come out of the world and from all of its evil traps! Keep Me first; for I am Your portion! I am your treasure!

Blessed is the one, who is found faithful and clean at that appointed time when I reach in to reap! No one knows that hour, so stay close to Me!

I love you with an everlasting love and I will never leave or forsake you! I am merciful and quick to forgive, but if you will not forgive, neither will I forgive you! Therefore, forgive all. Pray for all. Be kind to all, even to your enemies. Pray for your enemies; for I bless the wicked along with the just! Am I not able to bless your enemies, to heal them, to deliver them from evil, to draw them to Me and to save their souls, if I so desire to do so?

For, these are the end times and I will do some most remarkable things to save souls! And, none knows what I will do!

I am Jesus, yea Jehovah, Most High God, Saviour of Humanity!

## CHAPTER ONE-HUNDRED AND TWO - PART II

### "Walking among the dead bones"

Oh, Blessed Father and Glorious God of Abraham, Isaac and Jacob, what are these bones? For, I walk among the bones of the dead, some as the bones of giants, some as the bones of people, and some as the bones of children?

My Blessed One, these bones herald a new time in the earth, a time of the end, a time when wicked giants shall fall in their slumber, a time when the darkness within consumes all life, a time from which these shall not re-emerge to stand again.

Hear Me, My blessed one, precious mother to My people, broken and downtrodden, a worker of My kingdom and My will be done on earth as it is in heaven.

For, they have fallen, Satan's elect! They have fallen in their bid to gain total control of these gates and portals, these shortcuts to the stars, which are attached to you! And, they shall not rise again!

Dead men's bones and the bones of giants clutter these spaces, their times spent herein but passing memories, these of a decadent and fallen people, who not only followed after Satan and the powers and forces of darkness, but among them, (are) many who have sold their souls to Satan. They are a hedge, which is fallen, a wind, which does not blow, a false light, which casts its shadow. They have choked on vomit.

Who would know but these, who are so fallen, and who would know but those, who saw them fall, and who would see it, but the one, who sits on high, who is supposed to see it all? But, even so, My Blessed One, you have seen much, but not all, as they persisted in their determination to own these portals and gates. But, in their delusions, and in their illusions, they lived out their lies, now (they are) fallen and but fleeting memories in the minds of those, who knew them.

 From The Mountain Prophecies Copyright 2015

For, in Satan's kingdom, there is no love, and (there) has been no love among them, except for My love, which came to them through you, your heart continually broken for them and your tears falling down into their midst, your faint cries to them falling into their hearts, your love, My love and the love of My Father, calling out to them to repent, or perish!

But, even so, My Blessed One, great numbers of these could not listen, though some have and some have escaped! And, the lives (of those, who escaped) forever (are) changed by My love and light in these portals and gates, this very love that they (have) both craved and despised!

So, My Blessed One, this message is bittersweet; for as they went up, they must also come down; and this intense war now between Me and them is heating up and their stance with Satan at their head is the same, that they own these portals and gates, and will stop My Light Kingdom from coming forth!

So great have been your trials, My Blessed One, as you labor to bring forth My Kingdom and to bear My children of light, whom I have given to you, now totaling five; and few would believe that I have given you one (child of light) much less five!

But, these truths do not rest on their acceptance of them, but on their origin with Me and My Father, these everlasting truths of who you are, the Mother of My children, My wife and the spiritual mother of humanity.

There is no need to continue to expound on truths, which the masses reject, but which are nonetheless true.

Wisdom, my Blessed One, is given to the pure in heart, and they shall see and they shall know and they shall understand and in due season, they shall see My face. But to the rest it is blindness and deafness and shamed faces!

Be of good cheer, my Blessed One, and be not troubled about the mocking and scoffing; for I will not allow these truths to settle into the hearts of the defiant!

I am Jesus, Saviour and Redeemer, that God of Israel, the One, who will come to redeem the pure ones and the clean ones.

# CHAPTER ONE-HUNDRED AND THREE

## From the Darkness of the darkness;

## The Salvation of many precious souls!

Greetings to you, dear and precious souls! I hope that you are well and that you know that your soul is so very precious! Oh, dear souls, because of all that I have suffered and so greatly so, I advise you to cling to what is right and holy and pure and true and honest and virtuous and full of love, mercy, grace and forgiveness. Be just and fair in all of your dealings. Be quick to forgive, loving all, even as our Saviour has told us to do, especially loving your enemies and praying for them so very often. Rule your life with tender kindnesses and with spontaneous acts of love and fill your days with praises for our Blessed Lord and God and be thankful for all things, even for your hard and difficult times; for in great distress one may hold onto unforgiveness and through unforgiveness can come a hardness of heart.

Oh, Precious Ones, do not allow any root of bitterness to be within you; for your soul is so very precious and time is so short. Glorify the Great God, who made you, and who loves you so abundantly! From day to day, quickly recognize your wrongs and be quick to repent before our Blessed Saviour and His Father; for He loves you so greatly and He forgives. But, if you will not forgive, dear soul, He will not forgive you.

Do not go to bed at night, without searching your heart and asking for forgiveness and praying about your life and for those, who are in need, who come to your mind. We are in the worst of times.

Dear souls, I love you so very much and our Saviour and His Father love you so very much. You are greatly loved, dear and precious ones; and from day to day, remember this great love of our Lord and God!

Dear Ones, I am sending along a copy of an e-mail that I recently sent to a friend of mine, whose name is Mark. The following is that e-mail, with a little correction at the bottom of it.

Recently, Mark helped me to get the website up and running again. From all that I understand the Pentagon seriously attacked http://www.prophecies.org;and it had so many problems, so I am very

 From The Mountain Prophecies Copyright 2015

grateful for Mark's help in getting this site back up and running again. He has offered to help me with this website, but he is having to learn some new things about the operations of this website.

I could write many volumes about what I have suffered and also what I have learned during these last three years; for it was in late summer or early fall of 2012, that I came to understand that light was beginning to come into the back of my throat! Satan and all of his wicked ones could see this light; and they then knew that a very special gate and portal was about to open up into the Upper Realms.

So, at that time, Satan, the world Satanists and those in the U.S. military and even in other nations, began a war against me as few could or would ever imagine. I cannot ever describe the great pain and suffering that I have been through because of this gate and this portal, which is attached to my body and also because of the influx of this great amount of light.

So, why did Satan and so many wicked ones see this light coming out through the back of my throat? Dear Souls, the holy manchild, whom I had with me, for almost seven years, was about to be birthed back to the throne of God.

Satan broke into this portal around the middle of January of 2103 and so many wicked ones went up and came down. But, even so, this precious holy child, this holy manchild of Revelation Twelve, was still in that portal, where he lived, and was safe with me and mostly hidden there for almost seven years. But, even after Satan and all of his wicked hoards broke into that portal, this holy, little child would not be taken back to the throne of God until the first day of March of 2013. So, Satan was truly in the face of this precious, holy child for those six weeks, or so and no doubt, was plotting to steal his precious and holy child of light, our Saviours precious son!

So Read on for more information about these gates and portals! For, over time, there would come other gates and portals!

### My E-mail to my friend, Mark!

Hello, my precious friend, Mark! I slept so poorly last night and feel so tired most of the time as this war in the heavens just rages on night after night. These are only some of the wars in the heavens, which are associated with these works of Revelation Twelve. Such terrible wars are going on and the people of this nation would be so greatly terrified if only they knew.

Mark, some of the worst ones, who have come in here from those outer realms are the enduricting and they have regularly come through the portals and gates out here, and also in great numbers, for many months.

Many months past, I heard some of the military types out here refer to those on Mars as the enduricting. And, this is what I believed these on Mars to be called for a while. But, after some time, I heard some refer to those on Mars as the Cyenes, and they said that those on Mars are greatly offended to be called enduricting!

Anyway, I now understand about these enduricting. These creatures have been coming into earth for months, and by this time, there could be as many as four trillion of these, who have come into the earth and most of them have been destroyed through the commands of our Saviour and by the hosts of heaven.

Mark, I know that I have the oddest calling ever. I live in this world, but not really in it at all, as I spend more than half of my waking moments in the Spirit of God! There is just so much going on and I need to be in prayer about so many things, which few in this world know about, or would ever believe. But, of upmost concern to me at this time are these terrible wars in the heavens, and sadly most people just cannot believe the nature of these terrible wars! In addition, so few know one thing about true space travel, which means that those, who travel through space, need to find these interdimensional portals and gates in order to get out there. For, these are shortcuts to the stars and this is the real way that any travel up and down and through the dimensions of this universe complex.

But, this work for me regarding these portals and gates is now on-going for more than 15 years, so my experiences are very odd with these gates and portals. Anyway, Mark, about five months ago, I guess, though I did not write down any times regarding the influx of these terrible creatures, these enduricting, they began to come in!

They look somewhat fish-like in appearance, with small sucking types of mouths and with two eyes and with scale-like coverings. They are part robotoid and can move and flap that lower part, or tail-like thing. They bring their own eggs, which are parasites. These eggs can hatch out and as they grow they make some sorts of worms, or it may be that these robot-like things come with these worms inside, but these worms have very strong teeth. This situation out here is so odd; and I am speaking about these wars in these interdimensional portals and gates in Arkansas, USA.

 From The Mountain Prophecies Copyright 2015

Mark, these endurictins exist within a different frequency other than that of our reality, but the truth is that they can change the frequencies of their existence so rapidly that it is shocking. Furthermore, there are those endurictins, who are striped in nature, these stripes being partly silvery in appearance. They come in swarms, yes in swarms; and these are vicious.

These wicked things have attacked me so viciously because I am here among these portals and gates and from time to time they enter into my body and when they do so, they will flap those tails and beat my back and can actually beat my back from one side to another and cause me to jerk as much as a foot. Our Lord and God removes these from me and He is faithful to do so, but I am in the midst of this terrible war and I have taken some terrible hits!

Firstly, when this war began I did not even know what was happening to me. So severe is this war and so severe it has been for these months! Our Saviour is often out here with the hosts of heaven and the noise of these hosts when they are killing these terrible things reminds me of wings of metal, which are grinding against one another. And, of course, there is the fire, which can often be seen in the heavens regarding these wars!

But, as I have told you, Mark, our Saviour has also given me some angelic hosts to fight for me. These can get tired and he took back the three groups of hosts that HE put here to help me, and a few night ago, but HE put about 500 billion more out here. There are frequent skirmishes of some kind regarding other evil ones, who come through these portals and gates, but it is these endurictins, who are so terrible.

Last night, billions of these terrible endurictins came in again. They did not much attack me, but I could hear them screaming as they came near the portal and through it. They all speak at once, like of one mind and I can understand what they say as they can sound just like us and they can mimic the voices of most anyone.

These angelic hosts fought them all night long! When they are killed, if one is around one, who is killed, one can smell them! They are some of the foulest smelling things, that one can ever imagine.

Mark, they come from a constellation, which is called Po, and this constellation is in the chaos. For a short while, that god of Po was also out here, but I only heard him speak from his starship one day and he was pure evil.

Mark, I do not know how many of these terrible creatures got out and into the earth. When our Saviour sent these most recent hosts, they found so many of these, who were just hanging around out here. The previous hosts had not killed them all! But, as they can move about so quickly, I do not believe at all, that these terrible endurictins have remained out here only, but that so many of them are out in the earth!

This is only part of this terrible war, and there came also those terrible bird-like things from the chaos, but they were not as vicious as these things, and after a while our Saviour sent them back, not to the chaos, but to the first aeon. There were no doubt trillions of them. I do not know why these terrible things are up here from the chaos. From what I understand, those, who are let out of the chaos, should then go into the first aeon.

But, what I tell you is only a small part of the terrible activity out here and these wars have been so severe out here, that I do not either feel well, or have much productive time. But, as our Saviour has placed me here in the midst of these gates and portals I cannot do one thing, but seek to do His will!

The point is that there will come a time, Mark, when these avaricious creatures will be allowed to break through in great measure. Our Saviour is not going to keep on babysitting people, who will neither repent, nor honor Him in any way. Mark, He is kind and He is just, but He is also so strict that people are going to be very shocked. He is judge, Mark, and He is requiring very much from His people, especially from those, who wish to move on upwards in their spiritual journeys. But, Mark, He is doing and will do the most wonderful of works to save souls. It is just that after He evaluates those, whom He gives this grace to, He will pare down those numbers.

I say this as I remind you about these greys, whom He picked up and put into hospitals and into reform schools and clinics, etc. He has taken about 8 billion of them out there to these places, and he has kept them out there for about six months or more. He is making great efforts to save these greys, who were originally created to be caretakers of creation. But, when they fell captive to Satan and to the Annunaki, as I understand it, they not only became their slaves, but began to take on the "group mindset."

Mark, this group mindset is so terribly offensive to our Saviour. It really is, but He took them into these places anyway, and since He has had them there, He has carefully evaluated them. I have personally felt so sad for them, so much sadness as I have witnessed their mental states and you know that I spent some years in studying
this science of behavior and I could see what a terrible mess their

 From The Mountain Prophecies Copyright 2015

minds were in, at least such great numbers of them. Others of them were just psychopathic in nature. Anyway, as I have explained to you, Mark, I was called to preach the word of God to them and to pray for them and to sing to them as they are among the fallen angels, who have gathered out here among these gates and portals. But, you must also understand that I took a beating from them as few can imagine. They can be vicious, but I just would not give up on them, due to our Saviour's words to them, which were "repent and I will give you some clean clothes."

But, as it has turned out, so many of them would not repent and they are not being healed and one very great reason for this is the group mindset. So, during this past week, or so, our Lord and God has begun to send them down from these hospitals and from these reform schools. He had about 8 billion out there and from what I understand He has sent about six billion of these into either hell, or into the fires of the chaos. By now, I know them well; and the worst thing about them is this group mindset!

I thought that He sent them all back into these places of treatment from hell, and that He was possibly moved in compassion to further their treatment, but I was wrong. I was hearing this and believed that He was moved in compassion to do this, as I heard the great racket as they were being moved down through the portals and gates and did pray for their souls! But, I also know that I must be careful about believing what some of them say, as they will also lie. But, as I heard so many of them going down into hell and into the fires of the chaos last night, I came to understand that our Saviour did not take any of them out of hell, or out of the fires of the chaos, but at a later date, He may evaluate those in hell and may consider taking some of them out and may consider saving them at a later date, and this consideration possibly du to His great grace in these last days. So. of the 8 billion of greys that HE took up to help, He has now sent about 6 billion of them down into the fires! But, He did create hospitals and reform school, etc for them and He has been working to save them. But, due to the group mind, I just do not know how it will be for them! This is so sad, as I have reached out to them in love and they know that I love them, Mark! They are the unlovable and I was called to love the unlovable. I have loved them and have prayed for them, feeling so terrible about their terrible mental states; for so many of their minds are so terribly fractured. I feel so badly for them, Mark, and I do mourn for all of creation; for there is coming such a great culling to all of creation. We all need to weep and mourn for all of creation; for darkness coverers this earth like a cloud, but this great darkness extends far beyond this earth!

Mark, I am touching on this as people just do not get it. I am referring here to the group mind. Mark, where do we see this group mind in the earth? Well, it is truly prevalent and these wicked ones are intent to make and create this group mind. I am seeing more and more of the human robots out here, as the military and the CIA just does not seem to want to put any out here now, who are not robots. This is

the group mind, Mark, and this is going to cost them their souls, if HE does not extend some grace to these robots. Some did not choose to be robots, Mark, but this military has turned then into robots. I so pray for great grace for these, who have been forced into such total slavery!

So many in this government and other governments are now hooked up the A1 computer systems, Mark! They are in various stages of being robots. Mark, I could not possibly know about this, except that I know much about those, who pass through these portals and gates; and this whole realm about space travel is full of evil. I could not have ever believed that there could be such evil in this earth as there is among those, who are a part of Satan's space program. There is no other space program in this earth; and I most assuredly did not consciously choose to have anything whatsoever to do with his wicked space program and hate Satan and his wicked works more than anyone can ever imagine. But, it is the will of our Mighty God that I have done His work regarding the building and maintaining of certain of these gates and portals, and He has had me travelling through and into certain of these interdemensional portals for these approximate 15 last years. So, I have been put into their faces and because of this fact, I am forced to witnesss so much and to pray for so many things, which are not a part of any mainstream spiritual work. Nevertheless, this is a very important spiritual work.

So, Mark, I have seen the terrors of this group mind, not only within this military, but within the realm of these fallen angels, and within the realms of some of those, who came into this place from other star systems, and the star system of Antares particularly comes to my mind.

Many of these, who come in here from Antares, have been made into robots, and when I observed them, they did not even have any hearts, but once were something like us, I suppose, at least some sorts of living beings. But, due to their robotoid states, their nervous systems were totally taken over and they only had a piece of their souls left. This is the height of witchcraft and they came in here and set up camp. Yes, they set up camp, in their own frequencies and I do not even know how long they were in here. But, I heard about a large group of them, that they were in here, about one week ago, when a war broke out against them and I looked into some of their starships, which had been set apart from the rest. And, there in those starships, I saw some of the worst workers of witchcraft that I had ever seen. They were all destroyed, Mark, at that time, by some of those hosts of heaven, that our Saviour put out here to help me.

I do not even know how many of their fighters they had out here, or how many of their starships they had out here, as they had hidden them, or our Saviour had just allowed them to build up quietly until He decided that it was time for them to be knonw about and to be taken out. But, the truth is that these

aliens of some sort, or another, are steadily coming in and out of these portals and gates.here. The war is and has been great, but our Saviour will not always destroy these invaders and put them back into their places. And when that time comes and people see that alien invasion, it will be too late.

These avaricious ones, these terrible ones, will annihilate the people on this planet, at least all that they can get to! None is immune to these terrible attacks. It is just that I have been on the front line of these most terrible of wars for so many years due to my work in these dimensions and portals. So, I have been so heavily targeted, Mark, but as I have been terribly targeted, I am in a better position than anybody in this earth, to speak about these things. And, I can tell you that those of a group mind will not be speaking about any of these sorts of things, not publicly!

But, again, back to this group mind, this is what they will set up through the mark of the beast. This is what they have already set up in the military and in the governments of the world; and among those, who rule the world. They will all have the same mind to do their terrible deeds. Mark, we must not ever underestimate the power of the group mind and many will say, "I do not belong to any group mind," but Mark, this group mind concept is flourishing in this world. Look at the obsessions with Facebook, with computers, with cell phones, with porn, with any and all obsessions.

Mark, our Lord and God has warned us to come out of the world and all of its traps, and this means to forsake these addictions and to come away from this group mind. However, it is so difficult for people to get free of addictions. Mark, I understand enough about addictions to know that addicts are no longer even in control of their bodies, or their minds. They are all possessed by all manner of demons. This is just one sort of group mind, wherein the one in the body in no longer in control of his, or her mind. This is so serious, Mark, and I lament so terribly for these precious souls, who are entrapped by these terrible addictions. I pray from time to time for our Lord and God to set up more hospitals in heaven to take care of such great numbers of these souls, who are addicted to all manner of things and cannot get free.

Oh, so dark is this world and so terrible are the times, which are at hand. So many will enter into these agreements to be hooked up these computer systems and they will not think for even one moment that this sort of agreement can be the end of the line for their souls.

Mark, I am giving you permission to share these words with the people out there, with any and all, who will listen. I know that the website is not ready yet, after the severe attack on it by those in the Pentagon, but I believe that some will listen to these words and will repent of their wrongs.

We have so little time, Mark, until that terrible space rock hits. I have not seen it again, since our Lord and God took me out there and I looked at it. But this rock is huge, roughly the size of Texas, and if our Lord and God does not break it up, or move it somewhere else when it impacts, it will hit just south of Bermuda and it could possibly kill as many as 100 million people in the USA alone. And, I am not even mentioning the island nations, or the nations, which are across the Atlantic. This giant space rock could be coming into the earth around the end of February of next year, that is, if our Lord and God does not extend some grace about this timing. Mark, I am continually amazed at the complacency of the people. They will read these words and so many will just not believe!

It may be that our Mighty Saviour will allow me to travel around the Gulf Coast our along the eastern seaboard and pray for Him to release the giant geographical angels. As you know, they are about two miles high, the ones, that He released when He sent me out to California, out to Yellowstone and up into Canada. A preacher in Tucson saw one of them, Mark! They are out there and these angels have held back the earthquakes in California, greatly so, since I went out there those years past.

But, when I asked the people to come forth and to help me financially so that I could make the trips around the Gulf, no additional ones really wanted this; and it was just not right for the few of you to foot the bill for all of these trips, so our Lord and God held me back! So, there are none of these great angels around these coastlines over here; and I have been to the Gulf Coast since that time, but our Lord and God did not prompt me to pray for the release of any of them. These angels can do very great works to hold back the tidal waves and to hold back these earthquakes, but Mark, I do not even know if our Lord and God will allow me to go and to pray for the release of any of these angels.

Our Saviour is angry with this nation, Mark. The people of this nation have seriously run afowl with Him, as they have mocked these very serious works of Revelation Twelve and very few believe. They have tarnished themselves through their own behaviors and this giant rock is headed in here. This rock is so strange. It seems to be
almost totally made of iron and it makes explosions and sends itself off its course and flips around erratically. The base of it seems to be almost round and its course is very erratic. Those in this space program may not even be able to track it as its course is so erratic.

Furthermore, Mark, our Saviour may not even allow me to make these trips; as I have such a work to do here concerning these portals and gates, but if people truly want these angels, I say this, "Get off your behinds and pray and pray and pray for Him to allow me to take these long trips and pray and pray and pray for our Lord and God to give me the finances to make these trips." But, even as I write these words,

 From The Mountain Prophecies Copyright 2015

I am not feeling that He is in favor of releasing these angels at all. He is just very angry with the people of this nation, a spoiled people, who are going down, Mark!

I really do hope that people repent, Mark! I feel so badly about so many souls and I feel just heartbroken for them! People just do not have even one clue about the severity of the times and how greatly they will suffer. This is just devastating to me as I have been on the inside loop of this terrible war, living between worlds, and I know about some of the great evils that the people of the world will face, but the truth is so dark and ugly that people, in general, just refuse to listen.

So, Mark, I hope that you will get this message out and that the people will listen. Mark, it is now, as it has always been. The words are the same: "Repent, or perish!' Our Saviour is forgiving, Mark! He is kind and HE is merciful, but He is also very strict. Few would ever believe what He has required of me, Mark; for He said to me in June of 2004, "I will give you your heart's desire if you tell me what it is." And, I said, "Lord, I do not want anything for myself. I only want to see the salvation of the greatest numbers of souls."

So, Mark, immediately after He told me that HE would give me my heart's desire if I told Him what it is; and I did, my life went into a tailspin, from which it has not recovered. Every evil creature that could come up against me has come up against me and every kind of evil war that these wicked ones could imagine against me, has been brought forth. There are no words for the sorrows and the heartaches that I have experienced since I asked for that! And, this is one reason that I was called to preach repentance to the fallen angels, but not just to the fallen angels.

But, for a greater understanding of these works or Revelation Twelve, Mark, people can go to http://www.prophecies.org and they can read all of Book Twelve. This is what is written about these true works of Revelation Twelve; for as you know, Mark, I am this woman of Revelation Twelve, this terribly hated, greatly despised woman, who so greatly travails. And, one can read about these works, not only in the 12th chapter of the Book of Revelation, but in the 4th chapter of Micah and the 5th chapter of Micah and in the 54th chapter of Isaiah!

Mark, we do not have much time! Please get these words out to many souls. I love you so very much, my dear brother! You have worked so hard to get many truths out to the people and I am so thankful for you! Our Lord and God will bless you, my precious friend!

Before I complete this e-mail, I wish to tell you a few more things.

Many months ago as I was travelling through the countryside out here in Arkansas, and while I was pleading before our Lord and God with great weeping and great despair, I was caught up in a vision. At that time, I was in such distress about so much suffering! I was going through so many hardships relative to their travels up and down and through these portals and gates; and I was so sad.

I do not know what I had been talking to our Saviour about, as I was praying in my heavenly prayer language. But, I was so sad; and I reached out to our Saviour; for He appeared to me; and I said to Him, "Lord, this is all that I have to give to you," and I wept and I wept and I wept and I wept and could hardly see where I was driving.

And, as I saw our Saviour before me, I reached out and gave Him a brown paper bag that I held in my hands. I could see inside that bag and knew that it only had dried fruit in that bag; and when I saw only dried fruit, I cried and I cried and I cried some more.

Our Saviour took the bag of that dried fruit and He looked at me, but so kindly as He so often does, and I just wept and wept and wept. Then, as He held that bag of dried fruit in His hands, He said to me, "But, you do not know what I will do."

And, there before my eyes, those pieces of fruit began to come to life and there appeared some bunches of grapes, which just suddenly appeared, but there remained a few among those grapes, which looked like raisins. And, there came among those pieces of dried fruit, some plums and pieces of fruit, like orange slices and small apples and other sorts of whole fruit.

 From The Mountain Prophecies Copyright 2015

And, I began to feel joy and a peace in my heart that He would bring a great harvest from within this darkness of the darkness, this terrible place, where He put me to minister to the seriously captive, to the fallen angels, to hardened Satanists, to some in the military, who were under total mind control and to many, who were sex slaves and to many, who were even robots. For these sorts go up and down through these gates and portals.

With His good news, my tears were dried up; and, our Saviour gave me another vision, which followed that one.

And, in that vision, He told me that He is going to make some grinders and some souls are going to go into these grinders; for their souls are course and they cannot hold any extremely pure light, but only that wavy serpentine light, and those souls are of a course nature.

But, He stressed that over some time, as these souls pass through these grinders, He will cause those souls to become refined souls; and these souls will then be able to hold a refined light and that HE will save many of these souls.

I rejoiced and was so happy about all of this! But, this news would only signal the beginning of so many of my sorrows; for I would have to pay such severe prices for Him to save these souls.

So, He put me there among them in the darkness of the darkness, where I was so terribly abused and abused and abused and I prayed and prayed and prayed and cried and cried and cried and was so severely abused and suffered through so many terrible things. But, I just could not give up on these souls and I prayed for them and prayed for them and did what I could to help them, and preached the word of God to them and sang to them and read the Bible to them as they passed up and down and through these gates and portals. And, so many of them were healed, delivered and set free and so many of them were raised from the dead. And, He loved them so greatly! And, I cried and cried and greatly rejoiced and sang to them and loved them and was greatly persecuted by them and hated by them and loved by them and so it has been for many, many months.

And, about six months ago, our Saviour began to take up those, who are called the greys and HE took up about 8 billion of them over these months, and as this is how I understand it! As I have told you, He put many of them into hospitals and into reform schools and into clinics, etc.

But, within the last few days, He sent many of these down into hell and into the fiery lake, which is in the chaos; and I was so sad about all that I heard.

Yet, today, I received some more reports that our Saviour would give them grace, those, whom He sent into these fires! And, I began to think that I may have gotten the numbers wrong about those that He sent into the fires.

So, I began to travail about this until our Saviour gave me a word today. And, that word is that He is considering about three billion of those, who were sent into the fires, for placement in the grinders; for He is saying that there could be among these greys about three billion of the grey/reptile hybrids.

I have been dealing with these fallen angels for these past years and when they are repentant, they can be so kind and can deal justly and fairly, but I am careful about readily accepting what any of them say to me; for I must get confirmations on what they tell me.

And, today, some came forth and were telling me that I had these numbers backwards, but from what I understand from our Saviour, I do not have these numbers mixed up. He sent about 6 billion of these greys into the fires, whether into hell, or into the fires in the chaos; but I am hearing that He is considering about three billion of these, plus possibly more for these grinders, as they are grey/reptile hybrids; and in order to save them, He must change the nature of their souls.

I know that He is the God, who would not have one soul to be lost and I know that in these end times, He is doing the most marvelous of things to save souls. For, where evil abounds in a great way, grace must abound in a greater way. And, as we are truly in the worst of times, since there was a nation, we will see Him do the most marvelous of things to save souls.

So, remember this, dear souls! He is a good and a just God, but He is judge and He can also be so strict, oh so very strict. But, He so graciously forgives and HE is both merciful and loving. But, if you are called to help save souls, and you do your work, you will have a very difficult life; for much will be required of you.

I love you so very much, dear and precious ones. But, above all, our Lord and God loves you so greatly. Do not shun Him, but turn to Him with your whole heart; for Jesus is Saviour; and HE is God and He loves you so much. Turn to Him and lean on Him and trust Him and believe in Him. There is no other Saviour.

Until next time, dear souls.

# CHAPTER ONE HUNDRED AND FOUR

## Message from our Saviour:

## "I am your Redeemer!"

My Blessed Child, I am your Father. I am your Creator; and I am your husband! I am your Redeemer; and I am your truth and your way! Hear Me, My Precious and Blessed One; for as the wind blows firstly this way and then the other way, so does My will! For, I am that God, who both gives and takes away.

My Blessed One, many think that they know Me, or that they have a relationship with Me; but I am the God, who sees and though some know Me and others know about Me, few truly understand much about Me. I am that God, who sows and even reaps where I have not sown. I am that God, who sees and understands, but who unfolds all to give understanding, even as I please. For, I am Creator, and I do as I please.

Therefore, My Blessed One, few really know the how(s) and the why(s) of who I am, though many guess about Me and many think that they know Me.

My Blessed One, I have plowed a field and it is barren. Nothing else is to be planted in that field. Do you see this, My precious one? I have plowed it! It is barren and nothing else is to be planted in that field, My Little One. I know that you see that field and it is "the field of disbelief."

Yes, my Precious Saviour, I do see that field, a dusty and a large field with deep rows and with big clods of dirt; and it is in a valley. Barren hills surround this valley of "the field of disbelief."

My precious one, I am not going to do anything about this field. I have plowed it under. It is barren and it will produce no crops. So, there is nothing more that I will do regarding this field of disbelief!
Oh Precious Saviour and Glorious God of ours, I love you so and I would so very much like to see one thing in that barren field! Oh Precious God, I would like to see Your (white) cross in that barren field.

Yes, my Precious One, I know that you would like to see My cross there, but that field it is not likely to bear any fruit.

 From The Mountain Prophecies Copyright 2015

Oh, Blessed Saviour, I love you so very much and I know Your great mercy and Your great grace. That field has been tilled up. Will You not plant a few seeds of belief in there? Will you not plant a few seeds of love in there? Will you not plant a few seeds of mercy in there? Will you not plant a few seeds of hope and forgiveness in there? I love You so, oh Precious Saviour, and I know of Your precious love, of Your infinite mercy and overflowing grace! You are so kind, Blessed Saviour! Will you please hear my cries regarding that barren field of disbelief?

My precious one; and you are My precious one, the precious mother of My children and spiritual mother to so many souls and I know you so well; for you are the one, who pleads for the salvation of the hopelessly lost and for the salvation of the unlovable and for the salvation of some of those, who ae so cruel and heartless; and I have so often answered your prayers for those, who are neither loved, nor able to love.

But, My precious one, the hour is very late and we have truly come to the time when the darkness does cover the earth as a cloud and I have laid the line and I am sorting the souls!

But, My Blessed One, because of this very dark time, My grace is so great so save very great numbers of souls and I am doing very great works to save those, who are in the midst of such great darkness, and who were not meant to be saved at all.

My blessed and precious one, you have worked long and you have greatly travailed and you have suffered such great hardships and such great sorrows in the face of such great evils, longing and praying for Me to save the greatest numbers of souls; and I have heard your cries. I have seen your tears.
Oh, how greatly you have suffered, My Blessed One, for the salvation of souls, who were not meant to be saved! You know who they are: billions of fallen angels, many, who are under and have been under full mind control, but not just mind control, but under full mind and body control.

You have so greatly suffered for (the salvation of) these souls. You have been beaten severely by the terrible technologies of Satan and the fallen angels because you are the Woman of Revelation Twelve and you are indeed My wife.

You have suffered so greatly in the midst of interdimensional gates and portals and you have been placed in their midst so that you would be victimized by them and all of their technologies; for I wanted you to pray for them, to love them, and to forgive them, and to pray for their salvation.

And, your spiritual journey has been so exceedingly difficult, My precious one. Oh, how greatly you have suffered! Oh, how greatly you have travailed and you, My precious one, have suffered in the midst of such severe travails and in the midst of such sorrows, alone, going in and out of death and despair, brutally beaten and wounded by their technologies, hated and despised, rejected, mocked and scoffed and scorned, but loved, My precious one!

For so greatly I do love you and so greatly do so many of the fallen angels love you and they sing to you and about you; and they pray to me so regularly about you. You are greatly loved, My precious one, and these love you so, and I love you so and others, whom I have so miraculously taken from within this darkness, catching them up in My arms and placing them in hospitals and in other sorts of healing facilities, even in reform schools and in other sorts of schools, yes, My precious one, oh how greatly they love you.

They have all been out there, and back in again, through the gates and portals, and they know you. Many previously despised you! They hated you without cause and they so greatly persecuted you. But, you would not give up on them! You prayed for them night and day! You sang to them as they passed through, as they went up and came back down again. You read the Bible to them! You called out to them and you loved the unlovable, some of them so dark and evil! And, they began to turn to Me!

Oh, yes, My blessed one, you know that so many of them began to turn to Me and You blew light out to them, that precious love in your heart, and it settled on them, like little wings of white light and this love light made all sorts of configurations on them and these configurations of light are that precious love, My love that heals, delivers and sets free! Oh, how greatly you have loved them and I have loved them and we do not want their souls to be destroyed in the Lake of Fire!

So, My blessed one, you pay and have paid such a great price for the salvation of their souls and I am doing a very great work to save their souls; for I would not have a one of them to be lost!

But, My blessed one, few know or understand about your years of very great travail under their feet and how greatly you have suffered to see the salvation of these souls!

But, my blessed one, you know that I so greatly love them and you know that I am doing such a great work do save them! Yes, My precious one, you are the one, that I placed in the darkness of the darkness, in their very midst, to suffer and to travail and to weep and to be in and out of death because of their terrible technologies; for I wished to save them!

 From The Mountain Prophecies Copyright 2015

And, I have multiplied My love in you, that old “shirt-off-your-back love,” for you have repeatedly given all that you have, even your last bit of light to them; and you have repeatedly laid down your life, that you might pick it back up again!

My blessed one, this is that old “shirt-off-your-back love,” and it grows right there in your heart, this precious love of great kindness, of extreme hope and precious long-suffering, that love that just loves, that loves, that truly does cover a multitude of sins, that love that is full of suffering and does not judge, but just loves, that love that truly does love the unlovable, that is given freely and without condemnation.

Yes, My precious wife, that it the love that you throw out to the lost souls, the love (light) that comes out of your mouth though your prayers and makes ribbons of light on the bodies, or butterflies of light on the shoulders, or on the backs, or wreaths of light on the heads, that precious love light, My beloved wife.

That love light has been given to you alone, so precious a love light; for it is given to you through extreme, and I do mean extreme suffering and you have so liberally tossed it out to so many souls, who have gone up, and who have come down, through these gates and portals, even to and from some from other star systems.

And, these precious gifts of light have settled on some, and this light is changing their thoughts, changing their actions, just changing their souls, here a little and there a little.

And, later you look back at some of these souls, who have received this light and you see that this pure and holy light has grown. Yes, My precious one, that it has grown and this love light, this precious “shirt-off-your-back love” anointing has so greatly blessed these souls and its very presence is working to change these souls! Yes, My precious one, (this given) to change them in subtle and beautiful ways (through) those precious “shirt-off-your-back-love” anointings!

This love has been perfected in your heart through these past years of intense suffering and great travail as you were placed here in these gates and portals in the midst of the darkness of darkness! For, Satan the fallen angels, wicked Satanists, atheists and others travelled up and down through these gates and portals, firstly to the new earth and then to Mars and beyond, but not just there!

Many have come into the earth from other star systems and you tossed out this love light to them and it fell on them, making those unique configurations of light; and they all carried this "shirt-off-your-back-love" light back with them! Oh how greatly these were blessed because of this "shirt-off-your-back-love" anointing!

But, you, My precious wife, have suffered as none have ever suffered, or ever will suffer again! You have lived in the midst of so many interdimensional spaces and have lived in the midst of their starships, etc., as they left this earth and changed their frequencies to move on out and to come back in through these interdimensional spaces.

Oh, how terribly you have suffered! Oh, how greatly you have travailed in the midst of such a terrible war! But, I have been with you, to save you, My precious wife; and you are My precious wife, the mother also of our precious children of light and the spiritual mother of humanity, though few believe and few care!

But, these fallen ones, who are sincerely turning to Me, and who do greatly love Me, do know who you are and they so greatly love you! Not only do they know who you are, (but) they believe the works of Revelation Twelve; for they have been an intricate part of these works.

Yes, My precious wife, you are that light being, My friend, My wife, who has so greatly travailed. The kingdom of darkness knows you and many from within that kingdom are now with Me in various sorts of hospitals, in various sorts of schools, or clinics, or reform schools, or in the grinders of hell, or Outer Darkness, in those grinders, so that their souls can be remade.

My Little One, you know intimately of these great works and that I have taken nearly nine billion of these so-called "greys" into such hospitals, or clinics and into schools of different sorts and into the grinders. But, I have also taken others, (not greys) who are so sick emotionally, spiritually, mentally and physically into such places; for you loved them, and you prayed for them and you suffered so terribly, having paid such a great, great, and terrible price for them and for the salvation of their souls.

Yes, you did, My precious wife, and no one else paid such a price, or will ever pay such a terrible price. Your suffering has been extreme and severe, your physical pain great and extreme because of their travelling through the portal, which is attached to your physical body! Oh, how terribly you have travailed!

 From The Mountain Prophecies Copyright 2015

Those in the kingdom of darkness know who you are, that you are My wife and they know that these works of Revelatoin Twelve are true and real. But, My blessed one, this is not true for the people of this nation or for the people of this world!

Few in this nation believe, having rejected the truths of these works of Revelation Twelve. And, few in the world believe; for as soon as these truths are planted in the hearts of the sheep, Satan comes along and he dispenses his lies into their midst regarding you and these works.

So, My blessed one, this nation is a field of disbelief about these works of Revelation Twelve and the world is largely a field of disbelief about these works!

But, not the nations, or rather the various leaders of these nations, or the military (leaders) of (most of) these nations, or others of extreme wealth, or power and prestige, who have passed through these gates and portals in their space travel!

They know you, My blessed one! And, they know about the international space program and how these have gone out and have come back in through these gates! And, they also know that I have punished them extremely, that I have thrown them down and that few can now either go up or come down!

Yes, of course, they know you and they have all greatly abused you! But, My blessed one, that beautiful silver lining in this great cloud of darkness is that beautiful “shirt-off-your back-love,” that precious love that I put into your heart, which was and is so precious, perfected through your great and terrible suffering, and so abundant that you toss it out and speak it out, pray it out, and blow it out (through your breath) to the lost, to the suffering.

But, My precious one, a prophet is without honor in his own country and you, My precious one, My blessed prophetess, are without honor in the USA. You are not without honor; for so many, who have come to Me from within this great darkness, so greatly love you. You are greatly loved, My precious one, but not by the masses of people, not by those in this nation, and not by large numbers in other nations. You have greatly loved them, My blessed one, but Satan set out to destroy your name, to destroy your reputation, through his lies, through his mocking, through his scoffing of these works and through blasphemous and slanderous accusations against you! He thought he had won in his great efforts to destroy you and these works of Revelation Twelve, so I put you there in his midst, and they all rode up and down through these portals and gates and they viciously assaulted you and beat you so terribly and severely.

But, I said, "I will do a new work in this darkness of the darkness! I will put My wife there in the face of Satan and in the faces of all of these fallen angels and in the faces of those wicked Satanists and in the faces of those wicked ones in the militaries and in the faces of those wicked ones in the CIA (Central Intelligence Agency), and the NSA (National Security Agency) and the ONI (Office of Naval Intelligence) and Homeland Security and in the faces of those wicked ones, who came from England, and from other nations, and in the faces of the dragons, and in the faces of the hundreds of thousands of sorcerers, (who came to destroy you), and in the faces of evil and strange gods, who came to kill you. And, I will cause them to use their most terrible of evil technologies to kill you and to disintegrate you and I will cause you to suffer the worst sorts of hardships. For, I was angry with you for a little while; and I said, I will settle it all!"

But, I could not be angry with you for long, but only for a little while, (so) that My words regarding you in Isaiah chapter 54, might be fulfilled.

And, I gave you My precious son, (the holy manchild of Revelation Twelve) and I have since given you other children of light; for I found you worthy to bear My children of light; for you are My wife, but (these children have been) given to you supernaturally and through My mind, not that other way!

And, I have so greatly loved you and through all of your suffering, I have forgiven you and have resolved all past angers against you and I have brought you through all that I have determined that you must go through and I have heard your cries.
I have heard your prayers for those, who are lost within the darkness of the darkness, and I will save many billions of these souls; for you, My precious and much beloved wife, have willfully paid the price for the (salvation) of them all!

And, I was angry with you for a little while, but am no longer angry with you; but you had debts to settle, which went back to the beginning! So, at this time, I am not angry with you, but am exceedingly pleased in you, My blessed wife! And, I shall greatly exalt you and all of creation shall know that you are My wife, both the mother of My children, who are light beings, who are with Me, (Isaiah chapter 54) and that you are the spiritual mother of that House of Israel.

And, that truth that you have given this holy seed can be found there in the Book of Revelation in this particular verse, wherein I made mention of the seed of the woman: "… and the dragon was wroth with the woman, and went to make war with the remnant of her seed…".

 From The Mountain Prophecies Copyright 2015

And, I am the Father of these and you are their mother, My blessed wife, the light seeds coming from Me and from you! And, because of these light seeds, I warned you not to mix your seed with those (seeds) of other races and regarding these, who have these light seeds, there are these words, "Do you not know that you are gods?"

Well, they are not yet gods at all, but from godly seeds and some will become gods in the light kingdom, in due season!

But, too many, My blessed one, are in extreme disbelief. They are cut off from any knowledge of who they are and the powers of darkness very much want this! Therefore, the war against all of you at this time is great and will become extremely great! For, the powers of darkness do not want you to become light beings, but to keep you distracted by firstly one thing or another, so that you do not grow spiritually, but remain stagnant and in the darkness.

Therefore, My blessed one, that barren field of disbelief is the USA, but I am not much inclined to do anything about this disbelief at this time. For, I am exceedingly angry with this nation! For, it is in great error before Me and I am greatly angry with this nation; and I will bring great destruction on this nation! For, you are a spiritually barren nation, a spiritually destitute nation, a modern-day Sodom and Gomorrah, a spiritual wasteland, though some do greatly love Me. You (the USA) are an island unto yourselves, but a barren place, which is full of the spiritually decadent, who will neither repent, nor believe.

Therefore, My precious one, I can only judge this errant and wicked nation of the USA; for you throw Me rainbow flags and serve Me plates of emptiness or rot and I will sever you out, oh you haughty people, from among the living! For, you do know to do right, but choose not to do right and this nation is so severely corrupted to this point that your little ones do not have a chance to know Me before they, too, are thrown into extreme decadence!

I have warned you all, through the mouths of My servants, but you do not believe that I will bring a catastrophic judgement against you. You do not believe that I will swiftly put an end to your comfortable lifestyles, for you do not know Me.

I am the God, who came in that human body, the One, whom you call Jesus Christ; and I paid that terrible price for the salvation of your souls! I am a merciful God and I love you with an everlasting love,

but most of you do not even know Me! If you knew Me, you would love Me and you would obey Me! But, you neither know Me, nor obey Me. Yet, I love you greatly, and I call out to you through My servants. However, you not only refuse to hear Me, but you mock Me and you mock and persecute My true servants! You, oh you mockers, will have your places in the Lake of Fire, if you do not repent! For, you mock what is true and holy!

I have laid the line. I have prepared the long and dividing ditch! I will make the great chasm; and I will put the "tried and true" on one side and the disbelievers, and the untrue, the liars, the perverts, the thieves, the whores and whoremongers, the sodomites, the murderers, the proud, the haughty, the covetous, the greedy, the loud, the obnoxious, the rebellious workers of witchcrafts and the lovers of all that is evil on the other side; and I will inspect each of you and I will determine whether I shall extend grace to any of you!

For, I am merciful and I know your innermost hearts and your innermost thoughts and your innermost secrets and I will look and see what sort of mercy I will give to you!
For, My wife does plead for you and she does plead for Me to save the greatest numbers (of souls) and she reminds me often that this great God would not have one soul to be lost, though she also knows that "if the righteous are scarcely saved, what about the rest?"

So, My blessed wife, Linda Newkirk, found this contradiction in the Scriptures and she regularly reminds me that this Great God of Love would not have even one to be lost!

And, I am that God, but in My anger against the sinners and the rebellious, I can make sharp decisions, and I can throw many into hell without giving them even one more thought! But, she is the one, who is before Me and who pleads for Me to take them out of hell and to examine some (of them) more carefully with mercy!

For, I have thrown great numbers (of them) into hell, who came out of the darkness of darkness, but in My great mercy have also taken out great numbers of them, having (thereafter) more carefully examined them and have put huge numbers of them into hospitals, or into reform schools, or into clinics, etc. So, because of her intercessions, I have been moved to great mercies, because My wife has paid such an extreme price for the salvation of many, who are slaves in the darkness. So My mercy is great to save them; for these souls, who are so (greatly) in chains cannot in any way, get free!

 From The Mountain Prophecies Copyright 2015

But, I look at you humans, who have plenty and who love every wicked thing in this earth! You are not in great travail; and I provide plentifully for you! I bless you in very great ways, but you are not interested in doing right with your lives. You are blessed, but you deny Me! You are warned, but you mock Me and My servants! You are comfortable in your sinful, proud, haughty and boastful lives. You love the world and what is in it, but you hate Me and you despise My servants and My words of warning. You (of these sorts) are plenteous in this nation of the USA and elsewhere; and I warn you now that destruction will come upon you and it will come suddenly and unexpectedly. You will not see it coming! You will not expect it and this destruction will catch you unawares; for your pride will not allow you to see it coming!

There is nothing more to say about that giant asteroid! It will come when I say! I am merciful to hear your cries and merciful to receive your repentances! That giant space rock is going to beat you down, oh you wicked people! I could give mercy and I could delay it, but at this late hour, this may not be! I could break it up before it comes. I may do so, and I may take parts of it and beat other rebellious and haughty nations!

I am that God, who judges and I am the One, who is sending destruction on you, oh you wicked people; and it will come when you are not expecting it. For, you are the ones, who love every lie! Therefore, you will not know when it comes, that terrible rock, which is going to beat you and beat you and beat you wicked ones quickly down into the fires of hell!

I have seen the extent of your great wickedness, oh America, and I have warned you to repent, or perish! You do not choose repentance, so your choice is, therefore, to perish!

I am that God, who judges. And, I am that God, who saves! I am merciful to save, but I will not save those, who are so abundantly blessed, even above all nations, who love every lie, and who continually disgust me with their dark and evil rebellions!

I am Jesus, even Jehovah, Yahuweh, that Most High God, even God Almighty the Creator, the One, who sits above it all!

# CHAPTER ONE HUNDED AND FIVE

## The Fall of the USA; and the salvation of the unsalvageable!

Hear Me, My Beloved Child and My precious wife! Hear the felling of the tree; for the ax is put to the tree, not to the root of the tree, but to the tree! It was and is a very great tree; and with many great branches! And, all sorts of creatures lodged in that tree and came and went from its branches, but not altogether good creatures. But as the years passed, there came to roost and to nest in that tree, many sorts of evil creatures, who had never been in that tree!

And, there arose dark and ugly pirates, who came from places, which were heretofore unknown to that tree, and they traded their evil and malevolent wares and great evil and terrible whoredoms sprang up at the base of that tree; and wicked ones made houses within that tree. And, that tree became a very evil tree and that great and terrible crash is the sound that that great tree as it now crashes and the evil in it is cast down and this evil now puts a bounty on everyone's head.

For, there has been one great illusion and a great delusional system of beliefs beneath that tree, that freedom reigns and security is real! But, within that tree and throughout that tree, and beneath that tree, there is only an illusion of freedom and wealth.

And, now I put the ax to that tree and that tree is both the government of this nation, which was once called the USA, the land of the brave and the land of the free. But, the brave are not any longer brave, but cowardly and the free are no longer free, but greatly imprisoned and I have done it!

I have caused it, but the illusions and the delusions hang on and I shall require it of all, who belong to that tree, and to its system! For, you have lived off the fat of the land and off the fat of the nations and now many of you will barter away your very souls to maintain some degree of prosperity or imagined privilege in a system, which is totally corrupt and morally bankrupt!

So, rise up you bedraggled devils, you morally corrupt and you otherwise corrupt and polluted ones, and take your place; for it is given to you: every man's head on a platter; and every man's wages, a flash in a pan!

Though, I have warned you, oh America, you have not listened! Though I have told you to repent, you have shunned My words! Though I have repeatedly told you that you will experience the worst of times since there was a nation, you have chosen to ignore Me! But, you will not ignore the consequences of your rebellious ways!

A slovenly hand yields a slight of hand and slight of hand reveals a lying word and a lying word reveals a lying heart and a lying heart reaps a liars reward and a liar's reward is the Lake of Fire!

You, oh nation of America, once an honored and noble nation, have become a nation with a lying heart and a lying mind; and you believe that none sees; for you have greatly cherished the slovenly rewards of a lying heart!

Who will withstand My gaze when I turn up the heat on you and in that heat, I cast you therein to be tried as gold and silver? Who can withstand such fires, when you have had an easy way and you have rewarded yourselves handsomely with all of the material possessions that you could possess; and you have loved every whore under every green tree.

But, I am the woodsman and I am chopping down and I am cleaning out from under every green tree, under which the whores have congregated!

I am chopping you down, Oh America, here and there; and I am giving you a path of nettles! I am giving you a path of briars and steep cliffs and hard rocks with little water! And, the coyotes will be to your rear and the heat of the sun in your face; for you have said, "I am fat! I am well fed and I do not need either God or a Saviour, but I am a god unto myself! I make my own way! I am my own caretaker; and I do as I please, and answer to no one; but My company is with the wolves and the coyotes and the ravens and the devouring birds! And this pleases me!"

So, I now prepare your plate and on it are some shoots of dried grass and on it are some pieces of dried dandelions and on it are some pieces of dried mushrooms; for you will behold it and you will eat it as this terrible famine rips through this land! For, it is a famine for Me and a famine for My Word and a famine for My Spirit and a famine for My forgiveness! It is an economic famine; for the bull is dead and the buzzards circle!

You, Oh America, you once great and now pitiful nation, will no longer suck at the breasts of plenty, but you will line up to drink of the putrid fountains!

 From The Mountain Prophecies Copyright 2015

I will not coddle you as a Father would coddle a child, but I will turn you over to be ravished by those with the swords, with the black boots! For, you have loved every lie and you have loved every wicked thing! So, you will see My back and not My face! You will see My ire and not My blessings! For you, Oh America, are a corrupt cesspit and a great howling will go up from one end of this nation to the other!

But, you, My Blessed wife, the mother of My holy sons, I bless you. For, I have sent you into the darkness of the darkness to intercede for those, who are not meant to be saved! And, you, My blessed one, have born their burdens! You have born their shame! You have born their curses! You have suffered through the most horrific of assaults that anyone could ever suffer through!

I have put you there by the interdimensional portals and gates; and these wicked ones have imprisoned you; and they have done to you as I have allowed them to do!

For, you paid a price for the salvation of many, who do not reside on this earth, though many of them have passed through this earth, in recent years and have made evil and treacherous deals with this government and with other governments of this world! And, they have brought their terrible technologies of wicked mind control and total mind/body control into this earth and their terrible technologies are widely prevalent in this nation and in other nations! And, the wicked ones in this earth, who have these terrible technologies in their possession, are in a great rush to totally enslave all souls with these terrible total mind/body control technologies.

Who can withstand such terrors? Who can come through such horrors? None can and none will, without Me; yet many will take lightly My words in this message and will believe that they will come through such things and be unharmed by them!

They are wrecking the minds and lives of many in the military and in the intelligence services of this nation and casting them aside to die in the midst of such terrible technologies! And, you know, My precious one, that I have removed thousands of such terribly sick ones from within these starships, which they put out here by the portals and gates. They cast them out here to suffer, to starve to death, under total mind/body control and to die out here under the worst of conditions.

But, you have heard their suffering, My blessed wife, and you have sought after me to save them, but I would not save them unless you also paid a price for their salvation. For, they are corrupt within themselves! But, you have paid a price, a very, very great price to see Me reach out to them and to take

them and to put them into hospitals and clinics and even into reform schools, which I created for them, alone!

My precious wife, I know that I have put too much on you and that I broke you down; and you went into a terrible depression due to all that I put on you. And, I continued to put more on you, as you continued to pray for their salvation! And, I satisfied myself in My great requirements that I put on you, but I troubled My own self and was saddened by My own imprisonment of you before them!

And, I wept bitterly before them and regretted the depths of depravities that I caused you to go through and I said, "I have caused her so much suffering that My wife may never re-marry Me, though she is My wife, yet we have been apart for so long!" And, I held grudges for past grievances and piled more grievances on top of those grievances until I realized that I disgraced myself; for you may not wish to marry Me, but you will forgive Me, My blessed wife, even as I forgive you! For, I have given you beautiful and precious children of light and you labored so greatly to carry them!

And, you called out to Me in your distress and you said, "You have made me the scapegoat of, Deuteronomy (though it is not Deuteronomy, but Levitius!)"; and you have well-stated this truth! Yet, I am not pleased that I made you the scapegoat and put you into that wilderness place to die hundreds and thousands of times in the midst of terrible force fields and to die amidst severe drug overdoses (satan and the u.s. military) or to die in some other terrible way, or to be attacked by hundreds of thousands of sorcerers, or to be cut up in pieces in your secret places, to be eaten alive, only to come back together again and be healed!

My blessed wife, I am not pleased in myself and I lament greatly about some of My own choices; for I am also brought low by My own self and My tears are overflowing about many of My own choices! For, you are My wife and a great light being through your own right. But, you shy away from any real claim to who you are, preferring to be a nobody in the midst of great evil and darkness!

So, I am the one, who now laments! For, I love you so greatly and you have suffered more than any soul has ever suffered in this earth and even beyond this earth, over great numbers of years of your existence as a light being! But, you will overcome, My blessed wife, and you will be free and you will sit alongside living waters and you will be superiorly blessed by the light!

I did not, could not, and would not carry your load, but added to your load. Even when you said to Me, "You will not crush a bruised reed," for this is My word, I crushed you, My blessed wife! For, you

 From The Mountain Prophecies Copyright 2015

bothered Me, My blessed one, with your requests that I save the greatest numbers, yet I only planned to save a few; and you called out and tripped Me on My own words. For, you said, “God is love and He would not have one to be lost!”

And, you angered Me in calling to My attention that I create evil and evil is devouring all things; and (your question was) “What will I do about all of the evil that I created?” So, I put more and more evil on you until I further broke you down and I was not pleased in Myself; for I also broke My own self down and I greatly saddened My own self, because I placed you in the darkness of the darkness and I would not allow you to go free until I satisfied my own self!

But, I stacked up a pile of dust to My own self, and I wounded My own self with the gashes that I put on Myself; for the universe cried out against Me and I was deeply troubled about many of My own choices until I was also broken down and I lamented greatly; for I was not forthcoming about all of My past wrongs regarding you. But, they sprang up against Me, like a stand of fast growing spring grass and they beckoned to Me; for they came alive and I thought, “How will I ever make it up to My wife?”

I have been severely unkind to you, My blessed wife, and I have put more on you than you could bear and I have cast you out into the wilderness to bear the terrible sins of those, who are in the darkness of the darkness; and you have died beneath the weight of it all, even hundreds of thousands of times you have died and I have piled more on you! But, you did not create evil! I created evil!

You wanted me to save those, who are hopeless captives of evil and I did not wish to save any of them, but to destroy all of them! So, I threw all of their sins and curses on you and I said, “Bear them until you die and then bear them some more!” For, I took offense at you and I put the weight of it on you, though I create and I created evil!

Therefore, My blessed wife, I cut into My own self; and I wounded My own self, for I have been both severe with you and unjust, until, I, Myself, now labor with My own choices and I cannot justify many of them! And, I will be forced to save many to undo much evil that I both created and turned a blind eye to!

And, though you are extremely forgiving, My blessed wife, you are deeply wounded by the severity of what I have put on you! But, you are crawling up and you are crawling out of the wicked mess that I put you in! Yet, My plate is stacked high and I have wounded My own self; for I have dealt severely and unjustly with you, My blessed wife!

But, you asked Me to save them and firstly I said, “I will do this,” and then I thought, “No, I do not wish to save them!” But, afterwards, (I was) bound and trapped by My own promises to you, but angry about My own promises and punished you for asking for the salvation of those, whom I never intended to save!

Yes, (I was) bound by My promise to you and I beat you down because you would not stop asking for the salvation of the wicked and as I beat you down, I beat myself down; for you are righteous, My blessed wife; and you are holy; but I became an offense to Myself by what I put on you, until I am now on My own knees and am gathering up those pieces; and I will put the pieces of our lives back together again!

For, I so greatly love you, My blessed wife, and I know that You so greatly love Me, but you know My hardness and you know My jealous and controlling ways and I have brought you down with My hard ways; for I was offended in you. But, even as you died hundreds and thousands of times, and as I caused you to be eaten alive in your secret parts by the wicked ones, you would not stop asking for the salvation of the evil ones. You would not stop asking Me to heal them and to save them!

You put vast amounts of work on Me that I was not much interested in doing; and I was continually angry with you and required more and more of you! But I also forgot, My blessed wife, that you are also a very exalted light being, though you seldom think of it; and I have been terribly unkind and unloving to you! But, My blessed wife, I am in deep repentance and I am putting the pieces of our union back together and I will marry you again, though you are not sure that you want to be married to Me again!

But, I repent before you, My blessed wife and before the whole world; for I have dealt unjustly with you! I love you greatly and our children love you greatly and we will mend ourselves and our wounds will be healed and the pieces will come back together and our union will be made whole again!

I love you so greatly, My precious wife and the children love you so greatly and miss you; and I will do great and mighty things to save the unsalvageable! I am doing so and I will intensify this great work! Please forgive Me, My precious wife and take My hand in love; for it is a repentant hand and a sorrowful hand and loving hand. I love you so deeply, My precious wife; and I ask you so tenderly to forgive Me. I am working very hard to save them; for I did create much evil and I repent of this and because of this evil, this universe system is in great distress and is falling down in many places!

You have been a faithful servant, My blessed wife; and I greatly need you by My side! Therefore, I bless you, My precious wife in many great ways and soon I will send the wings and I will deliver you from the darkness of darkness where I put you!

 From The Mountain Prophecies Copyright 2015

My hand is outstretched to you and yours to Me and I will catch you up one day soon and will carry you on My shoulders as a father would carry a child and I will greatly exalt you, My precious wife! We will bridge the gap and I will nourish you in the light with great healing for three and one half years!

For, I am your Redeemer! I am your husband and you are My blessed wife of billions of years. I am Jesus, the One, who saves, the One, who forgives, the One, who paid the price for the captives to be set free. But, you, My blessed wife, have also paid a very great price!

As witnessed, dictated and recorded around Mid-November of 2015,

Linda Newkirk

"Yes, My precious wife, I would have you to put the verses regarding the scapegoat; for you had to bear the sins of the wicked, their curses and the shame of those in the darkness of the darkness, whom I did not intend to save! And, the weight of their wrongs has broken you down greatly, my Precious One, yet I will heal you and I will save you and you will greatly rejoice when you see the smiling faces of those, whom I am saving in the hospitals, and in the schools and in the clinics and in the grinders, where I am rebuilding their souls and re-making their light and healing their tortured bodies. I am full of love and grace, my Precious Wife, but I came to save the lost sheep of the house of Israel and from that time, I have added others! I love you so very much, My precious wife and my love is very great for those, who are lost, but I truly did not intend to save some!" (These words from our Saviour added this day of the 29th day of December of 2015.)

Leviticus 16: 21-23
And, Aaron shall lay both his hands upon the head of the live goat, and confess over him all the iniquities of the children of Israel, and all their transgressions in all their sins, putting them upon the head of the goat, and shall send him away by the hand of a fit man into the wilderness. And, the goat shall bear upon him all their iniquities unto a land not inhabited, and he shall let go the goat in the wilderness.

# CHAPTER SEVENTEEN!

## "Soon, comes Victory!"

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, take note of this day, of this time and of this season; for this time marks both the ending and the beginning of many things! For, as you know, and as I have spoken, soon and very soon for you comes the ending of your forty months of severe persecution and yes, even much torture at the hands of Satan and his.

How much longer will I require of you to be beneath his feet, so that your time of testing and trials may be complete? My Little One, not long; for even as I told you in the spring of 2006 when amidst such severe persecution at the hands of Satan and his, I told you then that you should go to the Book of Ecclesiastes and read these words; for there is indeed a "time and a season" for all things. And, I could not have come for you then; for it was neither the time nor the season, and as you look back, My Child, you can also see the great gift to all of humanity that I have birthed through you!

So, this spoken, My Child, know also that the time and the season wherein I will come for you is now! It is soon, very soon! So, be at peace in this; for your persecution at the hands of Satan and his will not continue for much longer. Yes, they have done all in their power to kill you in any and all ways that they could concoct among themselves! And, truly, My Child, it is as I told you in the winter of 2005, that you are the Daughter of Zion, as is written in the Book of Micah, Chapter Four!

For, they have come from many nations, all working together, their "think tanks" operating twenty-four hours a day, seven days a week and they have all said, "Let us defile her! Let us look upon her and defile her! And, we will stop this thing from coming into the Earth!" And, hoards after hoards of them, all from many nations, have come in their stealth and in their cunning, with their latest in space technology all given to them by Satan, and they have said, "We will defile her! We will spoil this plot!

 From The Mountain Prophecies Copyright 2006

We will stop what Yahweh plans! We will bring an end to this! We will traumatize her! We will kill her; and as she takes her last breath, the interdimensional portal will open and we will flee! We are not grounded in the earth! We will fly high again! We will roam among the stars again! We will sneak out and Yahweh and the hosts of the heavens will be powerless to stop us! We are gods! We have all of the power and this woman is a nobody! She is nothing before us! It is nothing for us to kill her, nothing for us to steal this new spiritual code! We will stalk her! We will find her weak links and we will break her! She is ours! She is our prisoner! We will never let her out of our sight and we will keep her filled up with wires, rods and implants! Then, we will know her every move! We will know her every thought and this "baby" will not grow! In her weakened state, we will steal this baby! We will steal this new spiritual DNA and we will be even greater than we are!"

And, so their conversations have gone from day to day as they have mounted up in their enthusiasm, My Child. And, Satan, being full of pride and arrogance has been in your face almost constantly. For, he has made quite a study of the new spiritual DNA and how it works and the strength and power of this new spiritual DNA, which is surely coming into humanity, and the power of this new spiritual DNA has astounded him! It has worried him and frightened him; for the power as given to this new spiritual DNA surely surpasses what the fallen angels have!

And, from day to day his fears and his worries have mounted and his attempts to kill you any way that he can have escalated! And, his schemes have become complex and bizarre, even as you wrote yesterday! For, now My Child, he and his can see the handwriting on the wall; for they have all been weighed in the balances and they have all come up severely lacking!

My Little One, you have stayed the course. Even, amidst severe torture, you have not given up; but have been faithful to Me and you have loved Me in an even greater way! May all read your accounts and may all learn from your trials, from your tests and from your suffering! For, even and because of your great trials, My Little One, you have grown by leaps and bounds spiritually and soon, My Little One, very soon, I will come

for you! And, worry not for these Little Ones, who are with you! For, they, too, are in the palm of My hand!

My Little One, I know that you wonder how you will minister to the Lakotas, The Native Americans, who wait for you! You will return to them as you left them! For, I will give you a supernatural body and from time to time I will send you back into the Earth, where you will minister to many souls. Some will see you in the clouds; and to some you will appear in their dreams, while to others, you will come and go in their midst at will!

My Little One, during these last, few, terrible years, I shall do many supernatural things for My people, all to keep them, to encourage them and to save them!

For now, write as I put it into your heart to write; but label this current chapter always the last chapter of Book Twelve, and it is Chapter Seventeen. For, this number has a special meaning to you, My Little One, as VICTORY, and VICTORY it shall soon be for you, a MIGHTY VICTORY! For, you shall soon overcome!

Blessed is he, who overcomes; for great are My promises and mighty are My blessings for ALL OVERCOMERS! I say that you shall overcome and soon, even as Elijah overcame and as he left, so shall you, My Little One! So, be of good cheer! Type this and what I put into your heart to type after this chapter, and be at peace in all things.

I am your Father, Yahweh, yea Jehovah, Most High God!
