all manner of terrorists, but it is truly judgement from the Most High God Jehovah for on-going persecution of His Loved Ones. He warned them in advance and they scoffed!

All should be well aware by now that these evil ones have no intention of stopping the persecution of God's faithful! We are most certainly in the midst of a great war between good and evil. Yet, what our Lord and God wills shall go forth and according to His design. These evil ones shall begin to see our Lord and God move out in great and mighty ways and He shall greatly cripple them here and there.

He will not leave His faithful without; for He is moving out ahead of us all and He is doing great and mighty things. Therefore, Dear Ones, be of good cheer; for our Lord and God will never leave or desert His people, even though this country is about to go through unparalleled hard times. As our Father has stated, this is truly the time of the sorting of souls, the wheat on one side on the tares on the other. One shall truly know them by their fruits.

**Second Message from Our Father in Heaven**

**July 30th, 2003**

**Leviathon is come down, and with great furor!**

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Listen to Me, My Little One, when I tell you that events are speeded up. Time is speeded up. Evil is building and accelerating with its plans of destruction; but know this, My Child: Mine anointed are building up with more and more of My power and authority and with this power and authority much evil is being stopped in its tracks; and it is being devoured, yea consumed with My holy fires."

"Oh, Father, I am aware of what You are saying! For, Father, You have bound up the goathead demon in the Lake of Fire."

"I have through the works of My Loved Ones and through My power."

“And, Father the evil ones, who depend on the goathead demon for guidance, are in trouble.”

“They are.”

“And, Father, Leviathon, the evil dragon, is now bound to the Mideast. What does this mean?”

“My Child, I have told you that the signature of time is being changed.”

“Yes, my Father.”

“And, I have told you that soon the evil ones will be bound to the Earth.”

“Father, You have told me this.”

“And you witnessed last night the evil Leviathon, as he came to kill you and to take over the vortex.”

“And, he lost! Praise You, Father! Your holy fire repeatedly burned him and his bellows could have been heard through the universes.”

“’Tis so. And, My Child, as of now, he is bound to the Earth through My power and the place to which he is bound is the Mideast."

“Oh, Father, he will not be able to get out through the vortices because he is earthbound.”

“He is.”

“And, he is bound to the Earth in the Mideast, which means great, great trouble in the Mideast.”

 From The Mountain Prophecies Copyright 2003

“And, My Child, for the rest of the world; for his imps and demonic helpers will soon be cast down as well.”

“And, bound to the Earth.”

“As you well know.”

“Father, when You told me that You would begin to hit their backbone if the evil ones did not stop persecuting Your Loved Ones, is this just part of what You mean?”

“Yes, My Child, it is only part; for if they continue with persecution of You and My Loved Ones, My persecution against them shall only intensify.”

“But, Father, Leviathon tried to kill me last night.”

“He did and he did not succeed.”

“Praises to You, Father; for You alone are Most High. You, alone, are holy. Thank You, my Beautiful Father. I love you so! And, Father they continue to blast us with audible frequencies and continue to tunnel under this land.”

“My Child, all this is known and this is why Washington DC is under My judgement. The snakes and belly crawlers are running the show and I am about to smash them as one does when he smashes a burning cigarette under foot. For, My Little One, they are burning with evil and I am about to put out some fires.”

“ And, Father what about the tunnelers?”

“My Child, when the time is right, I will deal with all of them and with their tunnel. In the meantime, My Child, stay close to me and be at peace; for I am with you.”

“My father, with Leviathon cast down and bound to the Mideast, what is going to take place?”

"Great, great destruction. The world is about to go on a very wild ride. Only those, who have a strong foundation in Me, will stand. The rest will be thrown about like a rag in a whirlwind."

"Father this is a terrible thing."

"It is. And, with this said, My Child, we shall stop for now. I am your Father in Heaven, yea Jehovah, Most High God."

**Third Message From our Father in Heaven**

**August 05, 2003**

**"The Murder Plot of President Bush! And, more evil plans for America!"**

"My beloved child, I am your Father in Heaven, Yea Jehovah, Most High God. Yes, My Little One, the battle is raging and it is intensifying by day. The horrors of war are beginning to touch the entire world. The whole Mideast is an utter boiling pot and day by day it is boiling over and touching the whole world."

"Oh, my Father, what these evil ones are doing is an abomination on the face of this planet. Father, it was so horribly evil to fill the Mideast with radioactive materials. Not only the Mideast, Father, but this radioactivity will travel through the dust storms. It will travel on the wind and many, many will be affected. Father, if You do not judge this evil, nothing will be left."

"My Child, you are correct. If I do not judge it, the Earth, itself, will be destroyed. And, these same ones would pollute and destroy space and time if they could. This is why I am tightening the noose around their necks. This is why I am changing the signature

 From The Mountain Prophecies Copyright 2003

of time. This is why I am going to destroy their space station. This is why I am clamping down on their space maneuvers.

My Little One, a mass insanity is gripping this planet. Like rabid dogs, these satanists go forth to conquer and devour the whole world. But, I tell you, My Child, that I am crippling them here and there. I am putting a damper on their evil works. For, they believe that they can do as they choose, to kill and destroy all life, to kill and destroy, to terrorize and torture My Loved Ones with impunity. But, this very arrogance shall bring destruction down on their heads.

My Little One, for a very long time I have allowed the wheat to grow alongside the tares. The goats and the sheep have been in the same field. But, now I am separating Mine out. I am harvesting My wheat and as I harvest it, I am putting it aside for My own use. I am taking My sheep from among the goats; for I will not have them corrupted by the goats any longer. And, yes, My Child, this sorting, this harvesting is painful for My people; for many are pained to see their loved ones lying with the goats. They are pained to see their neighbors lying with the tares. But, My Child, evil is as evil does. If one does not want to be harvested with the goats and the tares, one must give up the ways of the goats and tares. One must be as the wheat, as the sheep, or one is not. One must live righteousness or choose rebellion. There is no in between, as you know. One will choose to do right in the face of adversity and great trials or one will chose rebellion and evil. This is a 'yes' or 'no' choice, a black or white choice. There is no gray. There will be no fence-sitters, no middle-of-the-roaders in My Kingdom. Each of you makes your choices on a daily basis. You choose righteousness and live truth or you choose rebellion and live a lie.

It is a sad day, My Child, a very sad day, when one can put more stock in a man under the bridge than in most church-goers. It is a very sad day; for 'yes', My Child, the one, who sleeps under the bridge is expected to be caught up in rebellion. Though this is not always the case. Life circumstances will put many under the bridges. But, even so, most are in rebellion.

However, what excuses do the church-goers have? Do they not know right from wrong? Do they not read My word? Do they not seek My truth? Do they not pray? My Little One, the answer to most of these question is 'yes'. But, unfortunately they choose disobedience. They choose to do as they please. They choose lying. They choose deceit. They choose tale-bearing. They choose rebellion; and this is why My judgement is about to fall so heavily on this errant church population.

Many look at you, My Child, and they laugh. They scorn and they poke fun. I tell you, My Little One that it would be better for them if they had not been born; for it is Me they scorn. It is Me, they laugh at. It is Me they reject; not you. My Little One, you are My messenger. You are My scribe, as you like to call yourself. These messages do not originate with you, but Me and My son. So, the derision is towards Me.

Yes, My Child, because of ignorance people do many things. Because of ignorance they say many things. But, My Child, whose fault is it that one chooses ignorance? Truly, there is no shortage of information , at least in the civilized world?"

"Yes, my Father, this is so."

"Now, My Child, as I have told you previously, I am changing the signature of time. The evil ones know this; for they are already having problems, great problems. This is why they are horning in beneath your home with a tunnel. They believe that they will take what they want by force. For, they believe erroneously that they own this planet. But, I tell you, My Child, that this is one vortex that they will never won. I have forewarned them to stop persecuting you and others of My Loved Ones and I have given them adequate time. But, they do not believe a word given to them. Therefore, I will make believers out of them.

The Goathead demon is chained up in the Lake of Fire and they will figure this one out soon. The signature of time is changing and they are figuring this out. The space station is becoming unglued and they will figure this out when it disintegrates. NASA will be utterly destroyed. I will see to it. They can move it ten, twenty, one hundred miles underground and I will find it. I, Myself will destroy it. This year, the horns are

coming off the goathead in Washington DC, but not just the horns, the whole head is going and soon enough. They will figure this out."

"Father, You have said that You will not give me another warning about the plot to kill the President."

"'Tis true and I have not given it to you."

"But, Father, You know of the dreams, which came to me from two different sources. Two individuals in different parts of the world, and they both saw President Bush dead in a casket in a large room. Father, this must be from You."

"It is; but I did not give you this warning."

"No, Father, not directly to me, but to others, so that it would get back to me."

"This is so."

"So, Father, the plot is back on the front burner."

"You have surmised correctly."

"Father now that people know of the plot to blow up dams and bridges and other things and now that people know about their plots to create more wars and people are praying against these things, they plan to resort to Plan A. Take out the President; for he is worth more dead than alive."

"You have surmised correctly."

"And, Father, in one of these dreams, this dear woman saw the face of a dead George. W. Bush and he looked so young. He was all made up with make up and he looked very young. This is what she said."

"My Little One, you know what this means."

"Father, this relates to my seeing him dead on a stage. It is being staged as an act of theatrics and it is being done to make his evil look good in the faces of the people. It is all theatrics, all carefully orchestrated to artfully cover up his evil. They plan to orchestrate this thing like a movie production and the weeping faces of all of the Bush family members will 'touch' the hearts of the Americans and 'poof', they will forget about the crimes of the entire Bush family."

"You have surmised correctly. You have seen it and it is so."

"And, Father, the two swords behind George' W. Bush's head, which I saw in the vision, and this dear woman saw in her dream."

"My Little One, it is death by the sword, as one group opposes another."

"But, You said that George H. W. Bush will be in on the death of his own son."

"I have said it and this is so."

"Oh, Father, I cannot comprehend this evil. It is beyond words."

"It is. Therefore, My Child, all this has come to you so that you would know and so that you would warn the people. If their plans go as they would like them, this President has days to live."

"Oh, my Father, as much as I detest what this man has done, I would prefer that You save his soul; for, I cannot rejoice in the fact that he will soon meet the Lake of Fire. Plus, Father, You have said that the one who follows will be worse."

"I have said it."

 From The Mountain Prophecies Copyright 2003

“Father, yesterday in visions, You showed me many meteors, some very large and they are headed this way in advance of the coming planet.”

“I have shown you these things.”

“Father, in this vision, I saw that some of these meteors are very large and they are going to hit the Earth.”

“This is already happening.”

“Father this could be very destructive, particularly if they are large.”

“My Child, some of these meteors are very large rocks, some almost the size of one of the smaller states in America. Even when eroded by the passage through the atmosphere, the impact of these meteorites will be great. These meteors are going to wreak havoc with satellites and with communication. Some will hit the oceans and cause massive tidal waves.

Unfortunately, My Child, this world is in a very big mess. My Child, truly you, as a people, have seen nothing yet. The lackadaisical shall perish. Those, who are afraid of persecution, shall know persecution. Those, who are cowards, will run and hide; but they cannot hide from evil. Evil will seek them.

A great shaking is at hand and only the righteous will be left standing. Every person will be tried and tested as to who they really are. The backbiters will be backbiters. The liars and schemers will be liars and schemers. The hatemongers will be hatemongers; but those, who want their heavenly rewards will stand and do what is right in the face of adversity.

This is what the sorting is all about, My Little One, and, just as My Son Daniel warned. A few truth-bearers will warn many, but when they go through hard times, most will drop them like a hot potato. These truth-bearers will suffer great persecution, just as you have suffered and continue to suffer it. And, My Child, in their times of need,

people will see it. Others will read it and most will turn and run like someone running from an approaching fire. Yes, they drink the word. They eat the meat; but they are utter cowards and for fear of reaping persecution, themselves, they turn a blind eye to the needs of the truth-bearers.

My Child, it has gotten so bad in America that the few light-bearers have become very weary. They have become very tired; for when they are struggling, when they need the help of others, it is not forthcoming. Over and over this has happened and many of the truth-bearers have fallen back. Rather than stand the persecution without the support of the people, they have given up. And, My Child, many of the truth-bearers are now dead."

"Father, I know it."

"So, My Child, this is what will happen to the cowards. Those, who see Mine in need and turn a blind eye will endure what they turn a blind eye to. Those, who drink of My word and refuse to help Mine, who are in need, will one day find themselves cut off from My word, forced to come to Me for a word. Those, who are now cowards, will reach a time wherein they will stand in the face of evil and be bold, or they will perish in evil.

Every person, every individual, who professes love for Me and My Son, will be tried and tested in their areas of weakness. If they fail the test, they will get it again. Every coward will get his or her opportunities to be bold; for in My Kingdom there shall be no cowards. Understand?"

"Yes, my Father."

Upon receiving word of these two separate "death" dreams of George W. Bush, which these two people had within three days of each other, I began to seek God about what more these evil ones had up their sleeves. I never believed that they would just murder the President and leave it at that. Besides, there is a Mars transit that is so rare that some say it has not happened for 60,000 years, while others say 30,000, and still others 5,000. At any rate, the very fact that Mars is closer to Earth than it has been for so many millennia is a very significant thing for those, who make all their decisions according to astrology and soothsaying. And, being that they recognize the position of Mars in matters regarding war, it should be plain to all of us that they would be unable to let this transit go without an even greater act of war.

With this being in my heart, I began to wonder what more they could be planning. One morning recently as I was praying about this very thing over the telephone with a friend, I saw a missile hit New York City. Then a second missile hit Baltimore Md. and a third hit Washington DC. At that time the Spirit of God said, Baltimore and/or Washington DC. My eyes then went to the West Coast and I saw a missile hit Los Angeles and a second missile hit San Francisco.

Then, I sought God as to the parties involved in sending these missiles. Off the coast of New York, I saw a ship and the Spirit of God took me down, down, down until I came to a very low level. On the wall was writing, which I recognized to be Russian. This is most likely a submarine and not a surface ship. Going down to the DC area, I saw an American ship just sitting there in the ocean while these cities were pummeled by these Russian missiles. Then, going out to the West Coast, I saw a ship, went aboard

this ship, and straightaway, I recognized those aboard as Oriental. Unable to determine what nationality they were, I asked the Spirit of God and the word given was, “Chinese.”

Dear Ones, these are their plans and it is incumbent upon you and me to fervently pray to God to stop them. Only He can stop this evil! Each of us must get serious in our prayer efforts, asking our Lord and God to stop this evil in its tracks. We must ask Him for more time and mercy, day by day, that this country can turn for the better, that these lost souls may be saved and not sent into the pits of hell. For, if these missiles are allowed to strike, millions stand to perish straightaway! Much is riding on the shoulders of the Faithful. Therefore, Dear Ones, I am begging you to take these warnings very seriously! Get into a deep prayer mode this very day!!

Daily, more and more of our troops are being sent abroad. Many of them in Iraq are extremely sick and dead or dying. Most recently, I heard talk of President Bush even sending our National Guard overseas.

In the past, our Father in Heaven has revealed that the evil ones in this government plan to get our troops out of America and then cause a major attack against this country. He has also revealed how they plan to use up the American military until there are none left to defend this country. Dear Ones, all these things are coming to pass and very quickly.

Our Father in Heaven has also told of how these evil ones actually believe that the American people will “welcome” foreign troops, going door to door and setting up road blocks. It is truly a very sad day!

Dear Ones, your very prayers have stopped many of their evil plans! Over and over, God’s people have cried our for mercy and He has heard! We have been on a mercy run before God, day by day, for the last five years.

This country is so spiritually corrupt that it should have been destroyed at least five years ago, but it is out of love and mercy for His Faithful that our Lord and God has kept this land afloat. Dear Ones, pray, pray, pray! There are so many, who are lost, and

if they leave this sphere now, they will be in darkness for a very long time. Many of these are our family members and many are people we know well. We must pray for God's continued mercy for these very souls, whom we love so!

**Fourth Message from our Father in Heaven**

**August 07, 2003**

**"Escalating wars …"**

My Precious Child, I am your Father in Heaven, yea Jehovah, Most High God. With just days away from the scheduled execution of George W. Bush, the evil ones are working very hard to keep all their plans secret and to carry them out before anyone can be the wiser. Yes, My Child, they have attacked your computer with frequencies and have torn up your computer, but even so what I want out will, get out. My Little One, I have told you that the dragon is come down with a furor. He is come down in great wrath and is out to stop all truth-bearers. He is out to stop all light-bearers and the persecution against Mine will escalate."

"But, Father, without the truth-bearers, there will be no light for the lost."

"This is so and this world is becoming increasingly darker. It is becoming increasingly more evil and Mine are going to be persecuted more and more."

"Well, truly Father, many will not stand."

"This is so and this is why I am going to allow certain evil to go forth."

"Does this mean that these attacks against America will come down?"

"Attacks on this soil will come about sooner than most people could ever expect. And, this will be allowed to some degree to wake up the people in this land."

"My Father, I hate to see it."

“My Child, with the evil one and his kind cast into the Earth and increasingly unable to go into the upper realms, the wars are going to intensify. They shall escalate in their plans to eradicate all of humanity. My Son has always been the safety net for all humanity. There is no other way back to Me. Those, who will not accept His gift of salvation, will go the way of the reptilians, into the pits of hell and/or into the Lake of Fire. My Child, the warnings have never been so great. The times have never been so serious. In all the history of the Earth, times have never been so bad.”

“Father, when will you raise up the Supernatural Army? It must be soon!”

“It is soon! And even now this process is taking place.”

“But, when will they get their supernatural bodies?”

“This will be complete at the time of the nuclear war in America.”

“How long, Father? Months? Years?”

“My Child, once again this specter is upon America.”

“But, who would believe?”

“Few, but My Child, it is for the wise to read the times. Look at the times. Be aware. My Little One, North Korea is a boiling put. There will be no peace with North Korea for the evil ones do not want peace. They want war and they plan to take by force all that they want. You see how they do.”

“I do, Father. I see and Father all must come down for the Antichrist to rule.”

“And, My Child, it is coming down quickly.”

“So, Father, this planned murder of President Bush is a sacrifice to Lucifer.”

“Of course. With Sr. Bush believing that Lucifer will give him more power for sacrificing his own son for causes of the New World Order.”

“This is a sad day.”

“It is, just as Diana was sacrificed by the Queen of England. It was a ritual for Lucifer. Remember, My Child, how much the snakes despise humans.”

“Yes, my Father, I know. Father, we will get these warnings out with Your help; but in my heart of hearts I fear that regardless of what is done that the evil ones will proceed with their agenda, at least in part.”

“My Little One, in this one you sense correctly once more. They will not let the Mars transit pass by without a greater act of war against this world. For, they truly believe that they are blessed in it. With this, we shall stop for now. I am your Father in Heaven, yea Jehovah, Most High God.”

# CHAPTER SIX

## "Our Father gives understanding"

## August 23, 2003

"My Beloved Child, I am your Father in Heaven; yea Jehovah, Most High God. My Little One, you see that I have brought you to a ledge, a precipice high up in My Kingdom. And, if you so choose, you can step off this precipice and you can soar to heights heretofore unknown."

"Oh, yes, my Father, and this is a beautiful place of great joy and freedom. Oh, that Your beautiful and faithful ones could have this beauty and joy at all times! My Father, the world is so troubled. It is a sad day and a part of me feels so troubled. It is a sad day and a part of me feels so guilty for basking in this love and beauty while the world, as we know it, is headed off a cliff of destruction. It is not just the USA, which is headed off the cliff, but the very world as we know it."

"My Little One, come hither and sit upon this bench. Take this case and open it."

"Yes, my Father." So, I take the case, which reminds me of a box, which holds fishing gear, and I open the box. Inside is a shimmering garment, which is made of light. I pull the garment from the box and hold it up to my body. "Father, what is this and what am I to do with it?"

"Take it, My Child, and put it over your robe."

So, I take it and put it over my robe and it has a hood, which fits over the top of my head. As I look upon this garment, it sparkles with every color of the rainbow and as I move about, the awesome colors catch my eye and they sparkle with a great brilliance. This electricity fills me with a great joy and I take off running, leaping, going now to great heights. I fly out past the precipice and feel the wind of The Spirit as it bathes

 From The Mountain Prophecies Copyright 2003

me. The colors of this beautiful robe make sounds, which remind me of many wind chimes. Suddenly, it occurs to me that I have been disrespectful to the Most High; for I am soaring in this light and have not sought permission. In an instant, I am back on the bench and before me is a man in a robe. I take the seat and this man says, "Eat and be filled."

I ask him who he is and he responds, "Peter, the Apostle." Then, I ask him, ‘What is this you have for me?" And, he responds, ‘Manna from heaven.’"

I sit before him and look into his kind eyes and as I do I feel such sadness. Such great sadness grips me that I feel I can hardly contain the weeping.

"My Sister, eat. For, the days of freedom grow short. The night is upon the land and world; for Lucifer is increasingly bound to the Earth."

I open my mouth and he puts a spoonful of manna into my mouth. I feel the heat of the manna as it warms me, a smooth comforting food, a filling food, a substance of great light. He hands me the container and says, "Eat all you can; for the darkness is becoming so great and few want the Kingdom of God and what is in it."

"Oh, Peter," I say weeping. "What are the people going to do? What, My Brother? So few are awake and so few even care anymore?" Tears bathe my face and I can no longer contain my great sadness. I fall to my knees and weep at his feet. He reached out and touches the top of my head as I sob uncontrollably.

"My Sister, darkness breeds darkness and at this hour great darkness is consuming the whole world." But, his very words only intensify my great sorrow and I cannot stop sobbing. "My Sister, I understand your sorrow; for mine is great; but you must eat, for soon I will go and soon you will leave this place."

I raise myself up, wipe my tears, and eat readily from the container. I spoon the manna into my mouth until I feel myself getting very full, but continue on until I have eaten all. "Peter, why did you come and why did you bring me this food?"

"My Sister, the Most High God sent me to comfort you and to bring you heavenly food; for the battles are raging in many realms and you are going to need this food." Having said these things, he is suddenly gone. In an instant, completely gone.

I sit on the bench and ponder what he has said. The sadness begins to abate and the sparkles of the rainbow catch my eye. "Father, Oh, Father, how I love You and Your Beautiful Son! I can never, ever show You, Father, or express my true love and gratitude toward You and Your Beautiful Son"

"My Little One, this is known; but for you, My Child, and for many of My Loved Ones, it is truly a new day. As this darkness increases, so does My power, which I am placing in My Faithful. For, I will never leave Mine without My power and authority. As the evil escalates, so does My love, so does My grace and My power escalate in My Faithful."

"Father, what is this robe?"

"It is a manifestation of the increase of My power, of the increase of My anointing in you. And, truly, My Child, you have not even begun to see what I shall do through you and your husband. You have not even begun to see the power of My rainbow in your life; but you are about to. And, for those, who have the Rainbow cloths and who use them faithfully and believe, they too shall begin to see the manifestations of what I am putting in you. For as they believe, as they trust in me and trust in what I am giving you, they, too, shall receive these increases as they are worthy."

"Father, this is so beautiful."

"So, My Child, because of your love for Me and My Son and because of your love for your Brothers and Sisters, I am raising you up to higher levels in My Kingdom."

"Praise You, Father! Praise You! Holy is Your beautiful name."

"Now, My Child, you have more questions about the power blackout in America."

 From The Mountain Prophecies Copyright 2003

"Father, I do. Much information is coming forth from many sources and all I know is what you told me the day of the blackout, that this was planned by this very government and that out of it the Bushes want to redo the power grid to further enslave America and to bankrupt it."

"My Child, this is what happened. As you know, prior to this attack on the power grid, I showed you plans of the Russians and Chinese to send missiles into New York City, Baltimore, Washington DC, Los Angeles and San Francisco. But, My Child, you exposed their plans and then it became too risky for them to proceed. So, they hatched another plan to come up with a 'patsy,' a fall-guy in which Russia would come to the rescue of America and save the day by stopping the attack on Baltimore. Then, My prophetic words through you would be put to rest. In the process, the plans to send the missiles were temporarily scrapped. Russia came out 'smelling like a rose' and after the Satanic sacrifices of the 13th, they moved forward with their secondary plans, that is to set off the power grids through electromagnetic pulse weapons. Yes, My Child, the Russians were involved in this. They set this weapon off, just as they set one off over Georgia, their Georgia, a few days later.

Yes, you have heard many rumors as to why this was done at this time, and when all is said and done, you may find some truth in many of them. But, the greatest initial reason is to begin a series of attacks against the infrastructure of America, and also Canada, as I have been warning for some time for America. Through these attacks on the infrastructure of America, they plan to cripple America, and Canada, as you can see. But, as you know, My Child, the Bushes and their evil cohorts plan to use this attack and others to gain utter control over all utility companies. They know better than to call martial law right now. All are expecting it. So, they feel safe in creating these disasters and then through planned chaos, gain greater ownership of the very backbone of this country. In the process of this destruction, they will further rape America of their last bit of income and all, of course, in the best interest of America."

"So, Father, they used an electromagnetic pulse weapon. But, few have heard that vehicles were also shut down along with the lights."

"This is so, My Child. Most have not heard; for the media is absolutely controlled."

"So, in effect, Father, this is one big test for things to come."

"It is."

"But why did Russia attack its own power structure?"

"Because they can and to make themselves look innocent before the world."

"Father, I feel utterly disgusted."

"And, rightly so; but My Child, America has seen nothing yet."

"Oh, Father, we will never hear a word from this government about this EMP weapon."

"You will not; for they colluded with Russia to make it happen."

"My Lord and my God, my soul is troubled! I am pained, in deep anguish, for what is."

"And, with reason."

"So, Father, the Russians sent in this weapon via a ship."

"You have seen it."

"But, their original plan was to send in actual missiles to destroy cities."

"This is so."

"But chose to hit the infrastructure instead."

"This is so."

"But as a test, which is to be used by the Bush cabal to further gain control over the power industry."

"And, other parts of the infrastructure of America."

"Father, if something is not done, we will soon have no country."

"My Child, little do most know that America is already gone. Your riches have been plundered. Your government has been stolen and it has been taken over by the Satanists, who hate you. Their whole plans are for the death and destruction of all of you. And, to bring this about, they are working feverishly along with the Russians, the Chinese and the European Union. America is all but finished. Your days and hours are truly numbered. But, this would not be, save first you, as a nation rejected Me and My commandments. You have willfully rejected My word and the consequences of this willful rejection are upon you as a nation."

"Father, last night I dreamed of Chinese, many Chinese, and they were going around rationing out food."

"Yes, My Child, and these are their plans for America. Save the people repent of the sins of this land, I will turn it over to evil foreigners of other lands and they will descend upon this land and take all that you have. Famine will hit this land because of war and food will be doled out, here a little and there a little. Many will die of war, disease and starvation; for I am just before cleaning house in America. I have warned and warned and warned and few hear at all. Even many, who have heard, no longer hear. They are asleep and choose to remain asleep."

"Oh, Father, have mercy upon Your people. Have mercy, Father. Please do not ever leave us!"

"My Little One, My judgement is upon Canada because of homosexual marriages. They will not escape My judgements and neither will America; for you have become the world's whore and you, as a nation, have become repulsive in My eyes. But, for the

sake of a few, who pray and seek Me often, I would have destroyed this nation years ago.

My Child, you often say that every day is a grace day. It is a gift from God and this is so, particularly as regards America. But, I tell you, My Child, that I will not long stay My hand of judgement across this land. For, no longer can I stand the sight of those, who overwhelmingly reject My laws. No longer can I stand the stench of sodomy, of abortion, murder and blatant rebellion. No longer!

The blackout over the Northeast of America and into Canada will be seen as the initiation of the destruction of the infrastructure of America and Canada. You, as two nations, as twin whores before Me, will wake up and repent, or you will die in darkness. Yes, this is a wakeup call, an act of the Satanists, of those who hate you, but a wakeup call for you. You will long remember the day the lights went out in the two nations. For, from this time forth, things will never be the same again in America and Canada."

"My Father, on the 27th of August, the day of the Mars transit, the USA, Russia, and China will meet with North Korea. Father, what does this mean?"

"My Child, this means war against North Korea. They will either disarm or be disarmed. Understand? To many it may seem like just a meeting. But, My Child, it is a declaration of war and those, who rely on the occult, believe that Mars will bless them in this declaration of war. But beware the Ides of March."

"What do You mean, Father?"

"On the Ides of March, these evil ones concocted and finalized their Iraqi war plans. These plans have not worked as they thought and neither will the August 27th plans."
"Father, what more should we know?"

"My Child, you should know that the Antichrist is busily working behind the scenes. There is a very big push now to destroy America, to hit you from all sides, and before you can recover from a given disaster, to pummel you with another. These are their

 From The Mountain Prophecies Copyright 2003

plans. You will see these escalate; and the reason you will see them escalate is to wake up America, that those, who truly love Me, will clean up their lives.

I cannot long allow America to stand as the whore of the world. This country no longer bears My Name, save in ways as it seems convenient. No longer can I stand idly by and allow such evil to go on unpunished. My Little One, the Antichrist is rising and America is surely falling. Few, few, few care at all, and this cuts deeply into My heart. And, even with the prayers of the few righteous, My Little One, I can no longer ignore this filth. I can no longer ignore this stench. It is judgement time for America and for Canada."

"Father, I am sorry that You have no prophets in Canada, who are revealing the on-going plans of the enemy to Your people. This pains me, Father."

"My Little One, I have prophets in Canada, but I have not been led to show them the plans of the enemy as I have shown you; for with some of the prophets I am distressed. They have become lackadaisical. They have become complacent and do not seek Me as they should. Therefore, I have ceased to reveal the hidden to them. There was a time when they were on fire for Me; but have lost this fire. They have lost this zeal and some have used their Internet sites to criticize My work through you. I cannot bless this. I cannot work in this; for it is an abomination for one of Mine to accuse another of My true prophets. How can I ignore this? For, it is one of Mine accusing Me. My Child, this must stop!"

"I am sorry, my Father. I do not wish any harm to these people, but have only love and forgiveness for them. Father, Canada needs prophets, who want to know of the hidden plans of the enemy. Father, You have many Loved Ones up there, who are in the dark and they do not believe that the fate of America is also the fate of Canada."

"You are right, My Child. They do not believe, but I tell you that Canada and America are twin whores and they share the same fate. It is time for My people in Canada to wake up to their heritage. For, they have sown rebellion and they shall reap the whirlwind of rebellion."

"Oh, my Father, how I wish we did not have to go through these heartaches! How I wish people would come back to You!"

"Yes, My Child, and so do I. But, they do not choose Me. They do not love Me; but love evil and this is why I must judge these two countries and other countries around the world. And, with this we shall stop for today. Type these two messages and get them out soon. I am your Father in Heaven, yea Jehovah, Most High God."

**SECOND MESSAGE FROM OUR FATHER IN HEAVEN**

**God's judgement against the evil ones!**

**"The Horns off the Goathead in Washington DC"**

**August 20th, 2003**

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Child, as you look outside, you see that there is no wind. Not a single leaf moving. The skies are full of poisons, which have been put there by the Bush crowd and the temperature is very hot. Is this not so?"

"My Father, it is so and I believe that it was 103 degrees yesterday."

"My Little One, as the wind blows, My Spirit blows upon My Faithful."

"Yes, my Father, this is so; but now there is no wind. What does this mean?"

"My Child, it means that now is the time to draw close to Me; for evil is abound."

 From The Mountain Prophecies Copyright 2003

"Oh, my Father, I know, for with this Mars passage, those in the occult are in high gear."

"My Child, multiple assassinations are prepared to coincide with this Mars transit. These are meant to be a sacrifice to Lucifer." (Note: Did one of these surely happen in Sweden?" Linda)

"Father, I pray that You intervene and that none of them come to pass."

"My Little One, evil will be evil and evil will reap the rewards of evil."

"But, Father, the evil ones like the Bushes never seem to reap the rewards for their evil works."

"My Little One, you may not see them reap them, but they reap them all the same."

"But, Father, they do their evil in full view of the people, so why do they not reap their rewards for evil in full view of the people?"

"My Child, you ask a very god question and I tell you that soon, very soon, the whole world shall see the Bush gang reap what they have sown."

"But, Father, truly it would take them many lifetimes to reap what they have sown. They are responsible for the deaths of millions of people. They are responsible for the addictions of millions through dope peddling. They have stolen trillions. They have done more evil than any family I know of, outside of the Royal Family of England, the Rothcshilds and the Rockefellers, and they continue in their evil. But, honestly, Father, their evil may top that of any of these families. So, for them to reap it in one life, I just do not understand how this could be."

"My Child, you are correct on this account. Save they repent, their reaping could go not for a long, long time. But, I tell you, My Child, that in plain view of the world, as you have petitioned, they shall truly begin to reap as they have sown."

"Father, as for me, this could not be soon enough. It seems that regardless of the evil they do, they have never come to justice. They truly believe they are gods. They set themselves above all laws of any land, but most importantly above Your laws. Father, I am appalled at the evil that they do, the lies upon lies they tell, the murders they commit, etc., etc. and they never come to justice. Father, I am asking You to clean out the evil. You have said that you will remove the horns from the goat head and even the head of the goat off Washington DC this year. Father, as You have said this in the past, even then I did not totally understand what You meant. Father, what did You mean by this?"

"I meant what I said."

"Father, tell me exactly what this means; for You know that You speak in symbols. Your mind is not our mind and we just do not understand."

"My Child, you are correct in what You are saying. You cannot understand this symbolism, save I give you understanding. My Child, you know a little of the occult symbolism in DC."

"Yes, my Father."

"And you know, My Child, that righteous ones fought for a constitutional republic."
"Yes, my Father."

"And, since the beginning, the evil ones have sought to undermine this constitutional republic in every way."

"Yes, my Father, the goats among the sheep. The weeds and thorns among the wheat."

"Exactly. So, there has been this evil force, which has set out to undermine all that I have been determined to give you."

"Yes, Father."

 From The Mountain Prophecies Copyright 2003

"And, all the while, My Child, the evil ones have pushed and pushed to dilute My word. They have pushed to dilute My power. They have pushed and pushed to destroy the moral fiber of this country; for therein is the strength. It is the backbone."

"And they have succeeded, Father."

"Yes, My Child, and particularly through the media."

"This is so."

"And, My Child, you are thinking, what does this have to do with the goat head and the horns of the goat head. My Little One, it has a lot to do with it. First, each of you must understand the determination of Lucifer, even from the beginning to destroy this nation and to destroy you as individuals. My Little One, Lucifer and his hoards hate each of you with a hate, which runs so deep, that you could never grasp it. This hate is real and what they plot in their hate is annihilation of every Christian and real Jew. They know that this annihilation must be done in stealth. It must be done in secret, for if the masses ever wake up, they, themselves will be history. Well, now, My Child, more and more are awakening. The truth of their evil is coming out and truly, My Child, they are running scared. And, in their fear, they are stumbling all over themselves. With their guide the, goathead demon, bound in chains in the Lake of Fire, they are having trouble. A lot of trouble. But, in no way does this stop their evil. In some ways, they are like blind soldiers, stabbing in the dark. But, they continue on."

"Now, My Child, the Mars transit is coming up within few, short days and the occult practices are moving into a crescendo. They are moving toward a big blowout, if you will. But, My Child, in many ways, this blowout may be little more than a fizzle. It is up to My Faithful to get into high gear in spiritual warfare against them, and their big bang can and will become a whimper.

"My Faithful know the power of spiritual warfare and it is time for them to get into high gear. My Little One, this is full-scale war between good and evil and many souls are at stake."

"Oh, my Father, I know. But, still, Father, what does this have to do with the goat head?"

"My Little One, first I am taking the horns off the goat head in DC. In other words, this year I am going to destroy the power base in DC. And, this year, I am also going to remove the goat head."

"Father, does this relate to the goathead demon being in the Lake of Fire?"

"It does and these are two separate things. This year, I am going to destroy this evil power base in DC and the goathead demon, itself, is in the Lake of Fire."

"Yes, Father, I know this."

"And, in the process, I am breaking the evil chains over the Capitol. Plus, My Child, I am going to break the Bushes and their evil cabal. My Child, I know that you cannot imagine how this will all come about; but just know that it is at hand. I am bringing a shake-up to America that is going to shake it to its very foundation. No longer will the evil ones be able to hide the Sun with their hands. No longer! For, the Son is falling on them."

"Praise You, Father! Praises to Your holy Name!"

"My Little One, it is a new day for My Faithful! I tell you, My Child, that every one, who has received these prayer cloths and who uses them and believes will begin to see My mighty hand in their lives. Many will be propelled into never before experienced visions. Many will begin to hear Me and My Son speaking clearly to them and they will have depths of spiritual experiences as never before. This is My blessing through you to My scattered sheep. My Little One, through these very anointed clothes, I am using you to reach and to anoint My scattered sheep and to prepare them supernaturally as never before for battle."

 From The Mountain Prophecies Copyright 2003

"Father, this is beautiful! Three times in one week, I have received word of such a thing and all have Your anointed cloths."

"My Child, I have caused this; for they have had the faith to order the cloths and to believe and I am opening them up to new spiritual dimensions."

"Father, this is so beautiful."

" So, it is not just healings or miracles that they will receive, My Child. Remember the House of Israel anointing."

"Yes, my Father."

"And, My Little One, this is being imparted to those, who continue to use the cloths and who believe."

"Oooo-eeee!!! Thank You, Father. Thank You! Thank You! Thank You! Father, there is a beautiful woman, who has helped in sending out these clothes, even before I knew You would anoint them. This Precious woman has helped with these works and has said to use what she gives to bring You glory. , Father, she has regularly helped to send out these cloths so that You would get the glory. Father, I want You to dip Your finger down, touch this woman and impart to her Your House of Israel anointing. Father, bless this beautiful woman. Give her dreams and visions and show her great and mighty things. I cannot send her a cloth as I do not even know how to reach her, but Father, You do. Will You do this?"

"It is done."

"Thank You, Father! Thank You! Thank You! Thank You!"

"And, with this, My Child, we shall stop for today. I am Your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER SEVEN - PART I

### "The Day of Reckoning is at hand!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Blessed are you, My Little One; for you hunger after righteousness and I shall never desert or leave you."

"Oh, Father, I love You so, but Oh how my heart mourns for the plight of the lost! How my heart mourns for the plight of the wicked! Day by day, this evil escalates and the masses are all the more blind. Father, Oh, Father, how will You ever reach these people? For, in Your mercy, You plead and You plead! You send prophets with the truth and the preachers laugh and scorn! False prophets are rising on every front with palatable words for the people and in huge numbers, the people chase after lies and vanity! They, having itching ears, cling to every word of the false prophets and ignore or ridicule Your true servants. Father, Oh, Father, how will these people ever see? How will they ever hear? We are going into grave times. We are facing terrifying troubles in the world and the people sleep on. Father, I have written it. We have posted and disseminated what You have said, Father, but so few have listened. It is a dreadful day when most all preachers believe that George W. Bush is a Christian."

"My Child, in no way do I hold you responsible for the behavior of those, who reject My word. In no way, for to each is given a choice. And, through their choices on a daily basis, each determines his or her fate. But, I tell you right now, My Child, that hell is enlarging all the time. It is growing with the rebellious and enlarging itself all the time."

"Father, I do not know what it will take to wake up these people. I do not know what it will take for them to wake up from their comfortable lifestyles and to see and hear the truth."

"My Child, I tell you what it shall take. It shall take death and destruction. It shall take famine. It shall take disease on a wide scale. It shall take pestilence and wars and destruction. It shall take great losses and starvation on many fronts. For, I tell you now, My Child, that all these things are at the door of the USA. My Little One, I have given you a dream and in this dream I have shown you many, many, who were out of work, without any money. Everyone in this dream has depended on government handouts for survival and they all had no desire to work. And, at this moment, most all in the USA are unaware that that one day soon, there will be no government checks. There will be no social security. There will be no welfare; but do they choose to hunt work, even in the face of no money. No, My Child, they choose not to work; for they have been accustomed to having someone else, namely the government, pay them to live. But, I tell you, My Child, that this day is at hand; for as you have found out since this dream, all the social security money has been stolen. Every bit. And, in short season, the checks will be stopped.

When, you in America wake up, you will see that you are naked. You are broke and destitute. The wolves of hunger will be stalking you as a nation and your babies will not have food or milk. And, My Child, I tell you now that this day is at your door. The whole world will see America become a third world country overnight."

"Father, I know this is at hand and my heart is broken."

"But, My Child, this would not be, save the people first rejected Me. They rejected My commandments and refused My Son. They chose rebellion and rejected righteousness. And, because of this, the whole world shall look upon America and say, 'What went wrong?' But, I want the whole world to know what went wrong with America. I blessed you above all nations and in your blessings you became all the more the whore. I blessed you and you cursed Me. Yes, My Child, the day of reckoning for America is now. And, you ask, My Child, will there be a terror attack in September, and I tell you now that it is planned and yes, the Bush government and their Satanic friends are the authors of the same. And, you ask, 'Does this have to be?" My response to you is, No, it does not have to be. These plans as with all evil plans can be stopped at this point if people repent of their evil and return to Me. This is My promise and has always been

My promise. But, I tell you now that after a while, I will no longer be merciful to this land. I shall turn My wrath upon it and shall utterly destroy it. But, even so I will never leave My Loved Ones. I will never forsake Mine. Yes, My Child, the world is headed into World War III. You are looking at a deliberate confrontation with North Korea. You are looking at massive terrorism, which is planned for America, Canada, Europe, Australia and you are looking at worldwide famine. The world, itself, is facing economic collapse. Did you hear Me? A worldwide economic collapse. This is at the door. These are My warnings. People will wake up now or many, many will perish in the coming wars, plagues, disasters and terrors. These are My warnings. Post this soon that all may repent and pray. I am Your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER SEVEN - PART II

### Second Message from our Father in Heaven

### "God's Judgements, the World Over!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Child, I know your heart's desire and this desire is to please Me. This desire is to do My will and to bring Me glory. My Little One, if all would only realize that I want their hearts and I want them to be clean and removed from the pretenses of the worldliness. I want their eyes on Me and their ears open to My guidance. I want them filled with My Spirit. I want them to be vehicles of My love, My tenderness and mercy, yet full of My wisdom, understanding, truth and discernment. And, even so, my Little One, they are bearers of My light. They are bearers of My truth. But, when their eye is corrupt, they whole body is corrupt. When the ear is deaf, the whole body is in peril; for who can see, whose eyes behold evil and who can hear, when their ears are stopped? Yes, My Child, it is My

delight to put My glory in My vessels of light; for are they not extensions of Me? Have I not told that My Faithful shall know My glory; yea that they shall be harbingers of My glory to the people? Have I not told that My Faithful shall bring many to me and that they shall shine as the stars? Yes, My Child this and more is the heritage of the Faithful. This is the heritage of the lightbearers. But, the lovers of darkness shall reap a greater darkness. Those, who love evil, who will not honor Me and My commandments, shall reap the whirlwind of My judgement. They shall know the end-result of rebellion, which is separation from me, and I tell you, My Child, that many animals are better off than those humans, and angels alike, who are separated from me. For, in the darkness of their ways, those, who are separated from Me are worse off than the animals! Their behavior is more vicious. It is more destitute. It bears a great darkness. Yes, their plight often becomes worse than the animals and their behavior worse. My Little One, this is what happens when each of you chooses to forsake the moral codes, which I put over you.

Yes, your antichrist government does not want the Ten Commandments in your schools. They do not want them in your minds, in your hearts, in your Spirit; for their design is toward your destruction. When you will honor no moral laws, you become as the beasts of the field and truly worse in many ways. And, as you have forsaken your divine heritage, you are ready to be scrapped. You are ready to be destroyed as a people; for you are repulsive in My sight.

My Child, this has been the way of Lucifer from the beginning. Being full of pride and vanity, he chose to usurp My power. He chose to usurp My authority. He chose to override My commands and knows no laws. He knows no morality and his comrades are the same.

My Little One, do you not see the sorting? Do you not see the separation? Do you not see the division, which is going on? It is a time, wherein each of you will choose obedience toward Me and My Son or you will choose the path of rebellion. You will either honor My commandments or you will go the way of the evil ones. You will choose to honor Me and live or dishonor Me and die by degrees.

 From The Mountain Prophecies Copyright 2003

My Child, never in the history of the whole Earth have times been so perilous. It is truly well to work with the right hand and to keep it from the left. Treachery is at every turn. None can be trusted; for their eyes are upon evil and their ears are closed. Through their rebellion, the masses have chosen their own delusions. They have chosen their own darkness and hence their own destruction.

My Child, in all the world, there is not 1/10th of one percent, which is righteous. You have heard Me correctly. There is not 1/10th of one percent."

"Oh, my Father, I feel so sad for the lost. I know what it is like to be lost and how I wish this were not so!"

"My Little One, all that you see when you look around you, I have allowed. As I have blessed this nation, the people have increasingly turned their backs on me. As I have increased your goods, you, as a people have increasingly pushed Me out. You have increasingly substituted the unreal for the real. You have turned your blessings into idols and you have increasingly lusted after more and more of the world. What you have been given as a blessing is now your cursing.

Therefore, My Child, I have no choice, save to judge you as a nation and to judge other countries right alongside you. You, as a people, the world over have given Me no choice. I am sending My judgements, but few even notice. My Little One, in spite of all the deaths in Europe, which were caused by the heat of My anger toward them, do you suppose that they connect these losses with My judgements?"

"No, My Father, they do not."

"You are correct, My Child. They continue on in their self-sufficiency. They continue on with their partying, their drinking, their whoremongering, their perverted lusts, their love of money and of this world, their idolatries, their atheism and widespread rebellion. Yes, My Child, they continue on with blind eyes and deaf ears and in spite of this judgement of great drought and excessive heat, they have learned nothing. Just as America, for the most part you have learned little. And, so now, My Child, comes a

greater round of judgements for the whole Earth. It is a time of great rumbling and shaking. It is a time of war on many fronts. It is the beginning of great famine and severe water shortages and even though all these things will happen and in many, many places, the ground will not bear its crops, the people will curse Me. They will raise their hands with a fist toward Me; for they will not see that they are bearing the fruit of their own rebellion. No, My Child, these things will not cross their minds; for only a few really and truly love Me and My Son. Only a few the world over are righteous. Only a few love Me with their whole being and put Me and My Son first. Only a few and I am increasingly separating these out. I am increasingly removing these far away from those, who love the world, so that all the time, they have less and less in common with others. Yes, this is a great separation going on. There is an isolation going on and it is severe. It is critical; for it is painful for My Loved Ones. It is a difficult time for them; for many are asking, 'What have I done that all these things are befalling Me?' 'Why are so many turning on me?' Why is life so hard?' And, My answer to all their questions is this. I am removing Mine from among them, lest My very own get tarred with the same brush. For to those, who choose blindness, a greater blindness is given. For those, who choose deafness, a greater deafness shall befall them. For, those, who love a lie, a greater lie shall hit them. For those, who choose rebellion, a greater rebellion shall hit them But, for those, who profess a love for Me and My Son, who want to do what is right, a great purge through the fires is at hand. Through the heat of My holy fires, I shall burn out of them all that is displeasing to Me. It is a time of great purging; for My Son is coming back for those, who are clean. He is coming back for those, who are pure. Ht is coming back for those, who are white as snow. And, I tell you, My Child, that if He came back right now, so few would go. So very few."

"Yet, Father, all the preachers are misleading the people by telling them that they will be raptured out and not have to go through any trials."

"And, My Child, as they have not had a love for truth, they have been given a lie, a very big lie."

"Father, it is a sad day; for millions upon millions have bought this lie."

 From The Mountain Prophecies Copyright 2003

"'Tis so, My Child, and save they repent soon, they shall make their way into hell. My Child, I know you have many questions and this is understandable."

"Father, I do, but mostly I feel so heartbroken for the state of the world. I feel so sad for the lost. It is a thing, which pains my soul and how I wish it were not so."

"But, My Child, it is so. To each is given a choice. Choose obedience to My Commandments and honor My Son and live on. Or, choose rebellion and go the way of the fallen ones."

"Father, this is the bottom line. Is it not? Each will either choose and honor You and obey You and Your commands, or go the way of the devil and reap His destiny."

"My Little One, with each choice, every person either chooses Me or Lucifer."

"So, it is You and Your Kingdom or Lucifer and his. There is no in-between."

"You have said it and this is so. Right now, this determination is being made every moment of every day by each of you. You either choose to love, honor and obey Me and My Son and live a life more abundantly or you choose to dishonor Me and thereby choose darkness and rebellion. There is no in-between. You choose one or the other with each decision you make."

"And, the effects of these decisions are cumulative."

"They are, and in this way one is either filled with more and more light or with more and more darkness. Right now, I am becoming more and more strict with My people. No longer will I tolerate half-measures. No longer will I tolerate shades of gray. You will either walk the Straight and Narrow or you will go the Broad Way. You will no longer arbitrate My word and give Me half-measures. I am expecting more and more from My people. I am expecting purity. I am expecting perfect obedience."

"Oh, Father, but we all fail."

"This is so, My Child, and this is why I expect you to confess your sins daily, that you may be forgiven daily. But, if you will not do this, these sins will build up and shades of gray and black will settle into your being. This will not do. It will not work; for I am expecting a deep loyalty and continued obedience from My Faithful. Nothing else will do. Understand?"

"Yes, my Father."

"Now, My Child, you want direction for My people. You want to know that is coming down. You want to warn the people."

"Yes, Father, so long as this is Your will."

"And, it is My will, that all would repent, come back to me, honor My Son, and not have to go the way of Lucifer and his."

"Yes, my Father."

"Know this, My Child, a greater judgement is coming upon Europe, even war in their midst. More fires shall hit Europe and famine shall set in. A mighty earthquake shall rattle parts of Europe, including Italy, Spain, Belgium, France, Germany and England. The ground shall buckle in places and volcanoes shall erupt. The Sun shall begin to be darkened as I pour out My judgements in Europe.

And, Canada and Australia shall feel the heat of My anger. For, they have gone whoring after every whore under every strange tree. My whip is cracking over Canada and the USA right now and a double crack of My whip is sounding over Australia. Australia shall soon begin to break up from mighty earthquakes and parts of it shall begin to separate. Parts of the South Pole shall break off in greater measure and South America shall begin to feel the great sting of My judgements. Great rumblings, mighty earthquakes and erupting volcanoes shall begin to rip through South America and Mexico shall not go untouched. A mighty quake shall soon destroy Rio de Janeiro and it shall rip inland burying a large amount of land. My Child, I am deeply saddened

 From The Mountain Prophecies Copyright 2003

when I look upon the people of South America; for they are lost in all manner of occult. They are in bondage to the Catholic Church and live a kind of godliness, obedient to the doctrines of men, yet cut off from My Spirit. A great howling shall go up in South America; for the natural calamities shall be great and a great pain shall be upon the people But, if they will repent of their evils, if they will forsake their sorceries and if they will turn to Me and honor My Son, I will turn to them. I will hear their cries and I will not utterly destroy their lands. But, if they will not repent and come to Me, I will systematically destroy them and their way of life shall come to a standstill.

Argentina shall be submerged under water for the most part; for the waves, which are created by the passing of this incoming planet, shall make it so. And, few shall live to tell of it, save they come to Me and repent in a great way. One third of Brazil shall be covered with water and these people swept into the seas and covered with debris, save they repent of their witchcraft and forsake the doctrines of men. Many shall say, 'Mountains fall on me!' For, the fear shall be so great!

And, as for American, woe to America, the great whore of the whole world! With your fornications, with your rebellion, with your lusts, you have polluted the whole world, and My wrath upon you shall be as a red-hot fire. For, with each passing day, My anger is mounting toward you. Even as the heat of Yellowstone is My anger mounting toward you. You are a proud and haughty lot and few, few at all listen. You turn a deaf ear to Me and to My prophets. You are full of derision and scorn. Your churches are utterly polluted and you have driven out the righteous. Oh, you are a rebellious lot and soon, very soon, My fist shall strike your heartland. With one blow, I shall destroy one third of the grain belt. With a second blow, I shall destroy much of the eastern seaboard. With a third blow, I shall pummel the West Coast. With a fourth blow, I shall turn summer into winter. Oh, My Judgements are coming upon you and many of you shall raise a fist at Me and you shall openly curse Me. But, in your anger, you shall only know more of My wrath. Oh, you are arrogant, prideful, deceptive individuals! Long I have pleaded with you! Long I have called out to you and you have turned a deaf ear! You have turned a blind eye! Now, at this late hour, some of you shall call out to Me. You shall call out to My Son, but because you would not listen in your time of plenty, I shall be slow to hear you in your times of little. Yes, the great judgement of America and the world at large

is at hand and you shall not escape it. Every person on this planet shall feel the heat of My judgement. You shall know it. You shall see it, yet even so, many will not recognize the source of it. Yes, My Child, Yellowstone will soon ignite. It sill blow out, like a fiery furnace. But, this is only round one. As you have seen in visions, I will release My judgement through it in stages. Yes, this one volcano could destroy life on this planet, but there is so much more that will. And, as you look around, you know what I mean. The world, itself, is facing a nuclear war. This nuclear war is breathing down the neck of America. The word is facing famine and more and more disease. Many will plead to die, but death will not come. This incoming planet will continue to stir up the Sun. It will continue to stir up the Earth. It will continue to bring in asteroids, meteors and comets."

"Father, how long do we have before this planet comes?"

"My Child, I have told you before that it is not just the passing you need to be concerned about, but what happens before and after the passing. You are beginning to see the pummeling that comes before its passing and this pummeling shall get more and more intense until instability is the everyday word."

"So, Father, we are about to see a nuclear exchange in the world?"

"And, sooner than you think, for the USA and its coalition have declared war against North Korea."

"Father, You warned of this."

"And, war with Iran is imminent. The whole Arab world is in an uproar and they have nuclear weapons, given to them by America!"

"Oh, Father, how I wish this were not so!"

 From The Mountain Prophecies Copyright 2003

"But, it is. The whole world is on the verge of a nuclear war. Super volcanoes are at the point of going off and ash, from these alone, can shut down life on Earth. Overnight, temperatures can plummet from warm to freezing."

"Father, my heart is broken by all this."

"And, so it should be; for billions stand to die and soon. The whole world is on the brink of a grave nuclear catastrophe."

"Father, will America be attacked soon?"

"I tell you, My Child, that the enemy has the capability and this is all planned. But, I tell you, My Child, I Myself, am bringing judgement upon America. Yes, I have a few Faithful in this land and it has been the prayers of the Faithful, which have kept this land afloat. But, My Child, the few can no longer save the many. I must judge this evil; for even some of My Loved Ones are falling to it. No longer can I extend My hand of mercy to an errant land."

"Father, I have seen Your whip crack over this land!"

"Yes, My Child, you have and My judgement is going to roll across America from one end to another. Not just judgement for My people! But, judgement for the evil ones over you! You will see My judgement hit the Bushes and the Clintons in plain view of the whole world. I am putting enmity, a great enmity among the Rockefellers, the Rothschilds and the Royal Family of England. Those, who have been united through evil, will now turn on one another, like rabid dogs. I am putting enmity among the secret societies and I will begin to empty them out. Their evil schemes, which have worked in the past, will fail them over and over. I am putting a great greed in the heart of Putin of Russia and he shall set out to undermine all agreements with the USA, with the Royal family of England and with other nations. I shall cause a furor to rise up in him and I shall draw him forth, bit by bit against the Bushes and against any and all agreements with America. I shall align him with the Arabs and with the Chinese toward destruction of the free world.

A nuclear explosion, a very great nuclear explosion shall soon go off and it will be deemed as an accident, though it will be no accident. This will involve both Russia and China. All these things are heating up. The world, as you know it to be, is being destroyed, here a little and there a little and many, many souls the world over are about to exit to eternal life, or eternal damnation. To each is given a choice."

"Father, when You say, 'eternal damnation.' What do You mean?"

"I mean that those, who chose the way of Lucifer are eternally damned. This is what I mean. And, every day, with each choice, each of you chooses life and light or death and destruction. There is no in-between. And, so it is My Child. My Son is the safety net for all humanity. He if the Savior of all mankind. There is none other. He is the Way and He is the Life. Through Him comes all truth to My people; for through Him has come My Spirit of Truth. So, My Child, let all receive these things; for in the world there is no safety. My Son is the safety-net for all mankind."

"Father, will we see a war in September?"

"It is planned."

"With North Korea?"

"These are their plans."

"Will this be stopped?"

"It can be altered through the prayers of many. As always, these things are not set in stone. But, My Child, remember this. My judgement is falling upon the whole world."

"But, Father, I must warn the people. I must."

"This is your calling. Warn them. True repentance is the answer to the problems of this world. But, as few have heard in the past, do you believe they will hear now?"

"Father, I pray so that they do hear."

"My Child, I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER SEVEN -PART III

### "New World Order Plans to destroy Washington DC and more"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Child, you have come seeking Me for confirmation of more terror, which is planned against America. And, because of your prayers, I have shown you the plans of the enemy. My Child, this is My mercy towards America; for there are many therein that I love greatly. And, as I have told you, Washington DC is the prime target of terrorism in America. Yes, it is true that New York City and the West Coast are also prime targets. But, what I have shown you is a planned attack on Washington DC, especially the bombs in the subway system. My Child, this is to further terrorize the lawmakers and to get them to pass more 'terror' laws against you as a people, thereby making it possible for them to pick up any and all dissidents.

As I have shown you, another of their targets is the power plant in Pennsylvania, along with the various parts of the rail system all across America. As I explained to you, Russia and China are figuring heavily in these planned attacks of terror and once these bills are pushed through, the plan is for round one of martial law in America.

My Child, as you know, the whole economy of the USA is about to fall and the dollar is all but history. You are looking at a very grave situation with North Korea and a nuclear situation, which could explode at any moment.

My Little One, times the world over are grave, indeed! All that I have warned you of is at the door! As I have shown you, Yellowstone is about to create great destruction in America. This volcano, alone, will set off earthquakes and destroy much of the grain belt."

"So, Father, the Bushes are itching to put Russian and Chinese troops in the streets of America."

"And, all for the 'good of America'; for most of your troops are out of the country."

"Father, this is a terrible thing!"

"It is. And, with this, we shall stop for today. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER SEVEN - PART IV

### "Pray against the plans of the enemy!"

"My Little One, I am your Father in Heaven, yea Jehovah, Most High God. As you go to type these words, you ask, 'Are the plans of the enemy (September 19th) still in progress and for the given date.' And, My response to you is this: Yes, these plans are still in progress and whether this date or at a later time, these are still their plans. It is incumbent upon each of you, that when their plans are revealed, you must pray against these things. America is in a mercy state. You are in a state of grace and you are still standing as a country only because of the prayers of the righteous. In my anger, I

would have destroyed this land years ago, but because of My love for My Faithful, I have not."
"Father, how will You take the horns off the head of the goat in Washington DC and will this still be done by year's end?"

"My Child, this is a mystery to you."

"Father, it is and I want to know what it means."

"My Child, how does the goat defend itself."

"With its horns and with its head."

"And, as a nation, are you not having trouble defending yourself?"

"Yes, my Father. There is no money for the Iraqi war. We have lost in this war, in a very big way as You said we would. In fact, every word that You gave in Book Eight, Chapter Fifteen and elsewhere in these writings about this war, has come to pass."

"This is so."

"And, now, My Child, your military is in terrible shape. They will die like flies because of radiation poisoning, poor eating habits, not enough water and from other toxic chemical sources, not to mention the heat, which they have had to endure. You, as an American people, have been lied to. On all accounts regarding this war, you have been lied to. Now, your country is on the verge of economic collapse and this will not be stopped. You will not have money for these military excursions. You will not have money for government-funded programs, like welfare and social security. Your military is in severe distress and soon you will not be able to defend yourselves. My Child, the whole world system is facing economic collapse.

With a national debt approaching 50 trillion dollars, America is totally bankrupt and the international community will not long tolerate a bloated windbag! You, as a nation, will

wake up, live according to My moral instructions, and you will survive, or you will be destroyed. This is simple. I am your Father in Heaven, yea Jehovah, Most High God."

# CHAPTER EIGHT - PART I

## "A Dark Forest"

"My Beloved Child, I am your Master Jesus, yea Yeshua, Lord of earth and heir to the same. My Child, I know your heart and I k now your love for Me, for our Father and for Your fellow brothers and sisters. Yes, I know this love. Our Father knows this love and we know of your hate for the evils of the world.

Yes, My Child, the whole world is a dark forest. It is full of every imaginable evil. Many have sprung up to great heights in this dark forest. They are tall trees, very tall and very wide. They have grown taller and taller through the years, pushing out more and more light and taking, taking, taking more and more of all things until little is left for the average person, save to work, work, work with little reward.

These tall trees continue to spread. They continue to block the light and the forest of humanity is becoming darker and darker. The wealth is in the hands of a few, who are utterly evil and totally corrupt. Steadily, they are pushing out the light of God and the masses are falling in the darkness of this forest.

Those, who bear the light of God, who bring light into this darkness, are continually persecuted. They are being continually persecuted, tortured and killed. Those in government, whose job is to protect the people, are continually being bought off or threatened into submission. Many the world over are dead. They are falling to these deceptions and others are already dead.

My Child, there is an on-going plot to kill you. These evil ones never stop devising more and more creative ways to kill you. They have bought off the local police. They have bought off the local sheriff. His pockets are full of filthy lucre. And, My Child, you are correct. The local police and local city officials have all received new vehicles for their spying on you. For, their evil, they have been handsomely rewarded. Riding over your back, they gloat in their spy network. From one to the other, they are busy

relating the handiworks of their spy network. Oh, they are proud! They are full of glee; for they believe that they are doing a good job. Yes, My Child, this is the world you live in and I know you hate this world system. Any and all, who love Me and our Father hate this world system. If they do not hate this evil, they cannot have love for God. One cannot love our Father and evil at the same time.

My Child, I know that you want to know what our Father is going to do about this evil and I tell you now that upon all the face of the Earth, evil is multiplying. It is escalating. It is growing at an alarming rate. Many, many call good evil and evil good. Many, many call white black and black white. Do you believe that the local police believe anything other than what they are told, that you are evil? Do you believe it?"

"My Lord, I know that they believe I am a terrorist and they are running as fast as they can for the Satanists, who run this government and they are proud of it. At the end of the day, they get an "attaboy" and they believe they have done a good thing on spying on us through their many cameras and running to the Catholic-church-controlled CIA and other government spy agencies and revealing any crumb."

"You are correct, My Child. This is exactly what they do. And, you are correct about the Vatican and the fact that it is controlled by a very evil, Satanic group, which does run the intelligence agencies of the world. You have the threatening letter, which was sent to you from the elite Satanists whores in the Vatican, threatening you and then asking you to work for them. When you refused to work for them, they set out to kill you. Then, they began tunneling under the land where you live, setting up a military base, right under you.

My Child, they are desperate and in their desperation, they are getting more and more bold. They know they control the intelligence agencies of the world. They know they control the militaries of the world. They know that their alliance controls the wealth. Therefore, they can buy off any and all that they choose. They can coerce and threaten the rest. What do they fear; for they believe that they are gods and that each of you is cannon fodder.

 From The Mountain Prophecies Copyright 2003

But, My Child, there is one problem, one very large problem with their thinking. They cannot control Me. They cannot control our Father and they cannot control those, who have a heart after doing God's will. But, the problem, My Child, is that most all (people) are controlled; for very few wish to do the will of God.

My Little One, you are a thorn in their side, a very large thorn. For, I have put you at the portal of this interdimensional door! I have called you into My service and you have worked faithfully to do the will of our Father. I have called you and you have run and our Father loves you so. We are pleased in you, My Child; for your trials have been great, yet you have continued to fight the good fight. You have struggled. Yes, My Child, it has been hard; for they have continually tried to kill you. Over and over, they have sought to kill you and the hand of our Father has kept you. But, now, My Child, the push to kill you is feverish. It is greater than ever; for I have called you and placed you over this interdimensional door. So, day by day, twenty-four hours a day, the Satanists are tunneling beneath you. The local police department and sheriff are paid off to spy on you. Your every move is recorded. Your every telephone call, your every conversation, these are all recorded so that they can harass you, so that they can further plan ways to entrap you and to kill you.

Yes, My Child, the world is thick with evil. It is rampant and taking over like a weed; but know this My Child, My Father and I shall never forsake you. Yes, My Child, you have been told it and this is so. You will not go into their prisons and they will never succeed in killing you. But, I tell you what is about to happen to your enemies. I tell you what is about to happen to these corrupt local police and to the corrupt local sheriff. My Little One, our Father is going to send in among them a plague. This plague shall attack their skin and boils shall erupt all over them. The, their hair shall begin to fall out and their eyes shall begin to bulge in their sockets. One by one, they shall be hit and one by one they shall die. Those, who paid them to do this evil, shall be hit by the same disease; and those, who sit above, giving the orders, shall be hit by the same disease. One by one, they will fall. All the filthy lucre they have taken and given out to spy on you and to help kill you will be for naught; for their demise is at hand. All the vehicles are accursed. These new vehicles shall literally fall apart before their very eyes. This is the fate of the Judases among you. This is their heritage."

"But, still, My Lord, if they would but see their wrongs and repent of this evil, I pray that you would save their souls. For, in ignorance, they have cooperated with the Satanists to kill me and I would prefer to see them saved and not have to go through these horrible things. Father, I do not wish ill upon them, but in view of all that they have done and continue to do, I ask for your mercy."

"My Child, your heart is known to Me and I know that you do not sit by and wish malice upon anyone. But, even so, you have many enemies and our Father is about to begin to level the playing field. And, know this, My Child, and this is as you have been told before. All the tunneling is for naught. It is for nothing; for steadily, all who situate themselves beneath you, will come to the same fate as these corrupt law enforcement officers. They will all perish and day by day, they are building their own graves. My Child, they are foolish, indeed. For, they come up against Me and our Father, not you; and vengeance o the Most High God is being poured out on your enemies. Be not troubled by the evil that you see; for our Father is about to do a new work through you and through others of His Loved Ones. It is a new day and the Supernatural Army is being steadily empowered. I am your Master, Yea Lord and Saviour, Jesus, yea Yeshua."

## CHAPTER EIGHT - PART II

### "Our Father's Kingdom in Earth"

### "A Message for South Africa"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Oh, My Little One, let all fall on their faces and mourn; for it is not a time to rejoice, but a time of sorrow. It is not a time of blessings for the masses; for the whole Earth is full of

 From The Mountain Prophecies Copyright 2003

curses. It is not a time of light, but a time of darkness. It is a time wherein all should rent their clothes and fall on their faces in despair; for My judgement is upon the whole world. The fiery crackles of the Earth are only a warning of My imminent judgement upon the whole world; for a mighty shaking is at hand for the whole Earth. Yes, from 'sea to shining sea,' this shaking shall be felt as My hammer of judgement hits, not only the USA, but nation after nation. For, I am rising up in My anger .My wrath is being kindled against the evildoers of this world and I shall lay waste to those dens of iniquity. Woe, woe, woe and darkness as mankind has never seen is upon all the Earth; for it is day of great darkness, not light

But, even so, My Child, as you see the world falling down around you and as you see nation rise up against nation, as you see wars on many fronts, and famine, pestilence, disease, know that I will never forsake My Loved Ones! I will never leave those, who faithfully love Me and serve me and My Son.

Yes, My Child, even in the midst of this utter darkness, I am about to do a new thing. I am about to supernaturally empower My Faithful as never before. Yes, My Child, even as you see evil rise on every front, and even as many of you see destruction in your own neighborhoods, know this: I am doing a new thing with My people.

Here and there, all around the world, I am calling forth My Faithful. I am calling forth My Loved Ones, those, who faithfully serve Me and My Son, those, whose robes are white, and I am doing a new thing through them. Yes, My Child, it is a new day for My Faithful. It is a new day in My Holy Kingdom and even in the midst of great persecution I am calling aside My Faithful and I am renewing My covenant with My Chosen ones.

One by one, I am bringing them up My Holy Mountain and one by one, I am assigning them to their stations. One by one, I am giving them a knowing of who they are. Yes, My Child, I am building My Supernatural Army. One by one. One by one, I am calling and one by one, I am selecting My priests, My prophets and My kings and queens. One by one, all around the world, I am calling them forth.

Unknown to most, I am investing My Chosen Ones with great power and authority and they are being placed in strategic positions, wherein they will move mountains. They will call down fire upon their enemies. They will speak to the skies and the skies will rain forth a rain or they will shut up the skies and no rain will fall.

Yes, My Child, one by one, I am calling forth My warriors. I am calling forth My Holy Ones and I am empowering them in a great way. All around the world, they shall rise up with My righteous anger, and they shall speak great and mighty things against the enemies of My people. Yes, My Child, out of their mouths shall flow great blessings or great judgements. Out of their mouths shall flow My holy fires and even as they speak, these things shall be done.

Yes, My Child, this is My Kingdom in the Earth and it shall not be stopped, but in an attempt to stop it, the evil ones will rush forth and kill many, many the world over. But, all that I deem to be in the Earth shall not be killed. They shall not die. They shall not taste death.

Even so, My Child, the world over, evil shall rise up and armies shall be called forth to kill all Christians, to kill all Jews. Yet, even in the midst of great persecution, I shall imbue Mine with more power, I shall imbue them with more authority.

"Father, these words are bittersweet. I long to see Your Kingdom on Earth, but the thought of such suffering, of such great sorrow, brings tears to my eyes. Oh, my heart is full of sorrow and my eyes are full of tears; for I hate evil. But, Father, I know that this evil system must fall and those in it will kill and destroy every living being, if they can, to stay in power. Father, I know this; but I ask for Your grace, Your love and mercy toward the lost. For, with all my being, I want their souls to be saved. I want them to make it, Father."

"My Child, as you have asked so many times before, I will hear this prayer, now and into the coming days; for I know your love for the lost. Do not weep, My Child. These things must be."

 From The Mountain Prophecies Copyright 2003

"Our Father's beautiful message for His people in South Africa"

"Father, I am asking your special blessings upon the people of South Africa. Father, I am asking for a mighty awakening for South Africa and I am asking for Your supernatural intervention in the lives of all, who further these works in South Africa."

"My Little One, eyes have not seen and ears have not heard what I am about to do in South Africa. What has started as a trickle shall become a river of living waters. What has started as but a drop of faith shall become a continual flow, for I am coming into their midst, like a roaring thunder. I am coming into their midst like a raging fire. I am about to do a new thing among them and eyes have not seen it. Neither have ears heard it. For, I have heard the cries of the Faithful. I have come among them. I have walked in their midst and I have seen it.

My Little One, I shall take this small faithful remnant, the outcasts among them all, and I shall put My thunder in them. I shall put My fire in them in a new measure and I shall cause them to ride like mighty horsemen and women! Yes, My Child, it is a new day for South Africa. And, neither eyes, nor ears will see it coming. But, those, who are of spiritual minds and hearts, those, who put Me first, who love, honor, respect and serve Me and My Son, these shall see. These shall know. These shall see it. These shall hear the thunder and they will know that I am doing, even now, a new thing in South Africa. Yes, My Child, My Spirit shall sweep South Africa in a new way and even the skeptics shall be astounded."

"Oh, Father, this is so beautiful. Glory to You, Father, forever and ever! Holy is Your beautiful Name."

"I shall touch the young and old alike. I shall put My flag in South Africa and once again I shall say, 'You are My people and I am your God!'"

"Father, this is beautiful, beautiful, beautiful! Praise You, Father, forever and ever! Praises to Your holy Name!"

"And, with this, My Child, we shall stop for today. I am your Father in Heaven, yea Jehovah, Most High God."

# CHAPTER NINE - PART I

## "Niburu, (Planet X), a date with destiny"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Yes, My Child, humanity is on a head-on-collision with its destiny! Day by day, you see the calamities picking up in the world. Day by day, you see the escalation of natural calamities and the escalation of the beast and its system. And, day by day, you see the removal of My Loved Ones from this system. Yes, My Child, these are fast becoming the worst of times as evil rises on every front and destruction of the world as you know it is coming down all over the world.

And, yes, My Child, you are correct in your assessment. Niburu, the Lost Planet, is coming into full view. What the evil ones have sought to hide by 'doctoring' images and shutting down satellite feed can no longer be hidden. Niburu is coming forward at full speed, no longer waiting in the wings, but rushing forth. For, it does have a date with destiny and so does the Earth.

My Child, with the passage of the 'Destroyer', all of humanity shall know the sting of My judgement; for I and I, alone, created the 'Destroyer.' I set it in motion and I commanded it forth. Day by day, the calamities the world over shall escalate. Earthquakes shall intensify and very large earthquakes shall become more frequent. Landmasses, such as Japan and Australia, and island chains, like the Philippines and others will begin to break up and sink beneath the seas. The super volcanoes will begin to erupt, creating more havoc. Many will begin to die in the earthquakes and tidal waves as this planet gets closer and closer. And, in a frenzy for their New World Order, the evil ones will continue to foment wars. Their killing sprees will escalate. Their evil will accelerate.

Oh, My Child, the world is truly entering the worst of times; for famine the world over is going to increase! Deaths from plagues are going to escalate. My Little One, it is a

day of sorrow, a day of great sorrow for humanity the world over. It is a day of judgement for the whole world.

Those, who will not repent and come to Me by way of My Son, Jesus, yea Yeshua, will soon face the torment in the pits of hell. My Little One, time is running out for billions of people the world over."

"My Father, how I wish this were not so! How I wish we had more time to reach the lost; but I know we have precious little time left."

"This is so, My Child. The world, as you know it, is fast coming to a close. And, with this, we shall stop for now. I am your Father in Heaven, yea Jehovah, most High God."

## CHAPTER NINE - PART II

### "A Crimp in the Plans of the Evil Ones"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Child, you must know that the evil ones will never stop trying to kill you. The attempt on your life two days past was orchestrated by the same evil cabal, the fake Jew/Satanist/ Catholic imposters, who come out of Washington DC and are ruled by their handlers in the Vatican and elsewhere. My Child, this is the Satanic New World Order and they hate you as they hate Me and My Son. They are filled with a grand hate for humanity that few of you can imagine. Yes, My Child, it is unimaginable to most the glee that these evil ones get from murdering innocent babes, from raping them and from drinking their blood. It is inconceivable to most the emotional and sexual highs they get from

killing and marauding. Even now as they are setting up the deaths of all American troops, they are having a feeding frenzy off the daily murders of the soldiers.

I have told you before and I will tell you again, that the Iraqi war is about oil, it is about greed, but it is also about destroying your military. It is about getting them all outside of America so that you will not be able to defend yourselves at the time of planned attacks. It is about turning the UN troops and NATO troops and other troops of foreign countries loose in America to do what your own troops will not.

My Child, with great glee, they look to this day when each of you will be penniless, homeless and facing death. They look forward to this feeding frenzy of evil, and the time that they will destroy all of humanity from off the Earth. Then, they will use their robotoid humans for their good pleasure. These are their plans; but I am about to put a very large crimp in their plans. Oh, it is a large crimp!

They know the planet is headed in and now more and more people also know; for it can no longer be hidden. It is not in plain view; and they truly believe that they will be safe in underground bases, the many that they have tunneled out all over the world. This, My Child, is one reason that they tunnel under you night and day. Not only do they plan to control this interdimensional door, but they believe that they will be safe. My Child, what is wrong with this picture?"

"My Father, they are what is wrong. These evil ones believe they are gods and they respect no laws. All day long, every day, they go about taking, taking, taking what they want. The worst of all the evil that they do are the horrors, the unspeakable horrors that they commit against children. Father, how anyone could rape an innocent babe, or child, torture this innocent one, kill this precious and innocent being and drink their blood is beyond any words I can come up with. Father, these horrors defy all description and bring sadness and loathing into my soul, which is without measure. All of it sickens me, Father, and I am crying out to You for vengeance on every evil person on the face of this planet, who has done this evil. Father, let it be an eye for an eye and a tooth for a tooth. Judge them all and in the midst of Your judgement against them, if You would turn the hearts of some and cause them to repent of their evil, Father, I ask

You to do this. In spite of all their evil, I take no joy in the fact that they will burn in agony in the Lake of Fire or elsewhere in the pits. I can take no joy in such a thing; but Father, I am begging You to let Your hammer of judgement down on the heads of these evil Satanists. Father, do not let a single one escape Your judgement. Father, I am standing before You and I am pleading on behalf of all the innocent babes and little children, who have been brutally abducted, tortured and killed at the hands of these evil ones, like the Bushes, the Clintons, the Rockefellers, the Rothschilds, the Royals of England and all others, who are too numerous to name and count. But, Father, You know who they are. Father, cause them to know that they are under Your judgement and as they flee to their underground caverns and hideouts ahead of this planet, believing that they will be safe, while billions perish, I ask You now Father, let their hideouts become their tombs. And, let them remember the evil that they have done. Let them know the intense fear that they have put into these innocent babes.

I am pleading on behalf of these precious children. Father, hear my cry. Please, Father. Move in this thing and what they have done in secret, You have seen in secret; but let Your judgement be in the open for all the world to see."

"My Child, I hear your pleas as I have heard your pleas for many years. And, I tell you this. Mark My word on it. The evil Bush dynasty is coming to an end! The Rockefeller dynasty is coming to an end! The dynasty of the Royals of England is coming to an end. The Vatican is coming to an end! The Rothschild dynasty is coming to an end! Yes, My Child, the world shall be turned upside down even as My prophet Isaiah foretold and this is sooner than most believe. For, truly as they speak peace, sudden destruction comes.

Yet, My Little One, worry not for these things; for I am able to protect Mine anywhere on the planet. Yes, I am able to do this thing. Fear not what is at hand and have no fear of the evil ones; for I am about to make an example of all your enemies, an example that they will not soon forget. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER NINE - PART III

### "A Great Cleansing is at hand!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, it is a dark day for America and for the world. You can see it, My Child, you know it. All around the world, there is a feeding frenzy of evil. There is a grave escalation in war to kill all living things. The Satanists are out to destroy all gene pools, to utterly corrupt and destroy all holy seed. Oh, My Child, it is a time of great darkness upon the Earth, but truly you have seen nothing yet. A time of great cleansing is at hand and, My Child, this is a very great cleansing. It is a very great upheaval. Mark My words on it; for even now, as nation lines up against nation, a great evil is being planned the world over, I am stepping in on behalf of My Loved Ones. I am raising them up to new heights the world over and I am empowering them the world over. Yes, My Child, it is a time of great upheaval and many billions will soon exit the Earth. Yes, My Little One, this is a tragic day; for many will go down into the pits. Many will go into the Lake of Fire. Many will perish the world over; but is this not what I have told? Are these not My many warnings, which are coming to pass?

My Little One, it is for love of My Faithful that I must judge this evil. I must judge this New World Order and I am about to judge it in a way that they will not soon forget. Yes, My hammer of judgement is coming down in their midst. It is an eye for an eye for these evil ones, who know no laws. Yes, My Child, they want to kill you. They want to kill all, who speak the truth. But, I tell you again that they will not kill you and your Loved Ones. Every time, they come up against you, they come up against Me and I tell you that they cannot stand up against Me. They cannot stand up against My sword. My judgement is upon all, who have participated in the on-going plots to kill you, your

husband and Loved Ones and I am about to start 'dropping them like flies.' There shall be a grand weeping and wailing by the time I am through with them; for many souls are headed into the pits or into the Lake of Fire.

Yes, My Child, the planet is coming in. It is moving in and with its passage a great equalizer. A great equalizer upon the face of the Earth; for many of the wicked shall die in the churning seas. Many of the wicked shall die in their underground bunkers. Yes, many of the wicked shall be trapped in their own devices; but I shall save whom I will. The Righteous will go on to everlasting life, so those, who go and who are righteous, have a time of great rejoicing ahead. I will leave a remnant of My Loved Ones the world over and I will use them as never before. I will empower them as never before. Yes, My Child, as you hear the evil ones cry 'peace, peace,' and as you see the push to the Roadmap for Peace and as they cut up and divide Israel, I shall cut up and divide the world, itself. They have made the whole world their cup of evil and I shall dump their cup on top of their heads. Oh, a great howling shall go up and they shall be crippled in great ways, but even so they will be more determined to have their New World Order. But, I tell you now that they will have a tough time of it. Yet, for a very brief season, it will be.

But, My Beloved Ones, wherever they are, will be kept, until I say it is time to come home. And, all will stay for the Second Coming that I deem worthy to stay. Though the evil ones will seek the world over and though they will make an attempt to kill every one, they will not. I will save whom I will save.

Yes, My Child, the next nine months will see the birthing of My Kingdom in the Earth, and as never before I am raising up Mine and I am anointing and empowering Mine as never before to come forward and to take their places in My Kingdom. For, as the evil world system falls, My very Kingdom in the Earth is rising and no man or devil shall stop what I determine shall be.

The next nine months will bring My New Age into the Earth and My New Age has nothing to do with the evil new age, or the evil new age cults. My New Age is a time of My glory, of My Kingdom, a time of the rise of My righteousness in the Earth. The

 From The Mountain Prophecies Copyright 2003

world over, I am about to do a new thing in the hearts and lives of My people. Eyes have not seen and ears have not heard what I am about to do, but the Faithful will soon experience the beauties of My Kingdom as never before.

I say to My Loved Ones, to My Faithful, fear not what is upon you; for these things must be. Be at peace. Put Me, My Son and My commandments at the center of your lives. Love Me above all and love one another; for the hearts grow cold for lack of love. Those, whose hearts are not full of My love, will not see My face. Neither will they see the return of My Son.

Therefore, I say to each of you. Live righteously. Obey Me. Confess your Sins and repent daily. Stay clean before Me; for many, many will soon exit the Earth."

"Father, You told me that the next nine months will see violent upheavals in the Earth."

"I have said it. They speak peace and sudden destruction comes. My Little One, I say to all, go with eyes wide open and ears wide open. For, you are living out the very last days of this Earth as you know it. And, even so, I am right now establishing My Kingdom in the Earth. So, even as you see all these things happen, be of good cheer; for these things must come to pass. I am your Father in Heaven, yea Jehovah, Most High God."

# CHAPTER TEN

## "Hounds of Hell"

## "The Niburu Transit"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Yes, My Little One, when you look around with due vigilance and with ears wide open; and when you see first hand the unfolding of the plans of the enemy, not just now, but throughout much time, you know, My Child, that you are dealing with powers and principalities of great darkness. For, these are not just the plans of evil men and women, but of demons and devils, all in service of Lucifer, master manipulator and liar extraordinaire.

Yes, My Child, this cunning, which has taken place, has been relentless and it has been toward one goal. And, this goal is to morally destroy, spiritually destroy, and kill and/or enslave all of humanity. Those who have failed to see this on-going plan are either dead or enslaved. And, even those, who see the plan, are still enslaved to some degree to the 'system.'

And, at this point, what group could save themselves from this corrupt system? What group? Have some not tried? Did your forefathers not try to save you from them; but systematically, over time, these same evil ones have eroded all your rights? They have systematically destroyed the moral fiber of this land and have worked very hard to make your churches empty and vacant pawns of their own molding.

Yes, My Child, the handiwork of the fake Jew Satanists is obvious all over the world. And, now, they are moving in for the kill. Out in the open and without regard for anyone or any laws, they're moving ahead according to their grand Luciferian design. In their bid for the New World Order, they will go out and kill any person, who gets in their way. They know no bounds and they despise all sources of truth, which would paint them for what they are: cold-blooded and ruthless murderers, swindlers of the

 From The Mountain Prophecies Copyright 2003

greatest kind, frauds, fakes, rogues, sexual perverts and egocentric hounds from hell. Yes, My Child, they are hounds from hell. They are virulent, vitriolic, loud, angry, cunning, ruthless, and barbaric demons from hell, who will do or say anything to get power and to stay in power. For, they lust for power, like some lust for sex. They are drunk with power and stay drunk with power as they continue to walk over the dead bodies of their pawns in their bid to control every facet of every person's life.

Yes, My Child, these are the fake Jews, the very hounds from hell, who have tortured and killed My prophets down through the ages. They are the very hounds from hell, who hated My Son and contributed to His persecution, who demanded his murder. These are the very hounds from hell, who sent their number one hit man to murder you. These are the hounds from hell, who spy on you and who torture you day by day with their military hardware. Yes, My Child, they are the hounds from hell and to the fiery lakes they will return. For, I see and know all. I am not like those among them, who must spy through devices and pay others to go out and spy. I see it all and I know it all. I know their every foul deed. I hear their every foul conversation. I know their plots and I am blind and deaf to nothing!

I see their plans in the Mideast! I am well aware of their World War III plots and schemes and I tell you, My Child, I am rising up in My fury against them. I am rising up in My wrath against them and I am going to smite them right between the eyes. Yes, I am going to make believers out of these hounds from hell. I am going to make believers out of them; for I am going to take their carefully crafted plans and I am going to make them as the dust in the wind. Then, I am will gather again this dust and turn it into a hammer. I will put this hammer into your hands and you will take My hammer and you will do as I say. First this one, and then that one will hit the Lake of Fire.

One by one, I am going to rid the Earth of these hounds form hell and one by one I am going to free up My Loved Ones all over the world. Vengeance is truly Mine and this is My day of vengeance against these hounds from hell, who label themselves as Jews, but they are not. Yes, My Child, I am rising up in My wrath. My anger is kindled, like a

roaring fire, and I am about to smite these fake Jews the world over in ways that they will not soon forget.

Yes, My Child, with their filthy lucre, they truly believe that they can do anything they wish and nothing will ever be done to them. Yes, they have gotten away with their evil for a very long time, but the time has come when I shall put My fist to their foreheads and down they go.

Yes, My Little Child, it is a new day for My people! The world over, I see the plight of My Loved Ones. The world over, I see the plight of My Faithful. For, just as in the days of Egypt, you are once more in bondage to the Pharaohs and once more I am moving out on behalf of My people with signs and wonders that you have not seen in modern times.

Yes, My Child, eyes have not seen and ears have not heard what I am about to do for My people! As the Antichrist system moves into high gear to accomplish its New World Order, I shall move into high gear to provide for and to protect My people. The world over, I shall pour out My love and mercy upon My Faithful as never before.

And, My Child, I shall raise you up and I shall use you as a harbinger of My truth, My love, My mercy and My power towards My people. I shall put My word in you. I shall put My power in you as never before and I shall send you forth to lay waste to the evil plans of the enemy. Those, who choose to fight against you fight against Me. For, My power is in you and day by day, it shall increase.

Fear and trembling, trembling and fear shall begin to fall upon your enemies as never before. And day by day, I shall make you see the fate of those, who come to kill you and your loved ones and to make war with Me. Just as I used Moses to smite the Pharaoh, I will use you to smite the modern-day Pharaohs. For what I put in your mouth to speak, you will speak. And, when I put My sword in your hand and tell you to strike the evil hounds of hell to death, I tell you, My Child, they shall fall. They shall fall to the sword, to pestilence and disease. Their best-laid plans shall go up in smoke; for it is a new day for My people. And, I say it again to the Pharaohs of this world. ‘Let My

people go!' And, if you will not let My people go, I shall smite you with boils, with tumors, with plagues, and every kind of destruction and in the end, you will let My people go. For, in the coming floods, I will drown you by the millions.

I am doing a new thing in this Earth and neither man nor beast will stop what I deem shall go forth. Yes, it is a new day for My Faithful. It is a new day for My Loved Ones and though you hounds from hell will kill many in your evil and destructive wars, a remnant I will save. And, through this remnant, I shall bring forth My Kingdom into the Earth and you will be unable to do a thing about what I decide shall be!

My Little One, stand up and rejoice this day! For, it is a day of new beginnings for My people! It is a new day wherein all My Loved Ones the world over shall rejoice. For, it is a day wherein I am calling forth My Supernatural Army and I am commissioning them according to rank and I am placing them here and there all around the world. And, My power, I am putting into them, and they shall go forth, one by one, each called and commissioned by Me, and to the end that I desire, they shall all fight. And, not one of them shall taste death; for this is My decree!

Therefore, I say to you today, My Child, rejoice! And, I say to all, rejoice! For, I shall begin as of this day to lift up My sword against the hounds of hell and I shall smite them unto death. One by one, I shall begin to destroy their ungodly empires. One by one, I shall destroy their Satanic groups until none are left standing. Yes, it is a time of woe for the hounds of hell; for I am sending forth My angels of death and they shall smite them into the Lake of Fire. With a weeping and wailing and great gnashing of teeth, they shall begin to meet their destiny.

And, let it be known to all your enemies, My Child, that there will not be a one of them who will come out unscathed. Yes, My days of mercy toward your enemies are come to an end. Now, they shall know My wrath and save they fall on their faces in repentance very soon, they shall meet a fiery fate.

As you hear in Earth circles, the words are 'zero tolerance.' I say to you this day that for all of them, I have zero tolerance. It is a new day and they will quickly find this out.

No more will I tolerate what I have tolerated in the past. With this, we shall stop for today. I am your Father in Heaven, yea Jehovah, Most High God.

"My Father, before You go, I want to ask You about this incoming planet. Isaiah Chapter 24 describes how the Earth will be turned upside down. Is this what we will soon see and how will this affect life on this Earth?"

"My Child, you have read it in Isaiah 24 is what you have read is true. Even as you have surmised, the Earth will stop spinning for a brief while and as the planet passes by, the Earth, itself, will roll over like a ball. As you have seen in visions past, the moon will roll over and over like a ball. All satellites will be destroyed as they fall back into the Earth. And as the Earth rolls over, the poles, the physical poles, will change location. My Little One, this means immediate death for billions of souls. The evil ones have been into time and they have seen the destruction that is coming. This is why they have planned their underground bunkers as they have, in areas that they consider safe. But, little do they know that what they have seen in time has been changed. And, lands that they saw as safe are now unsafe. This is one reason they are tunneling under you. They believe they will be safe, but again they are wrong.

So, My Child, the US government is once again employing many remote viewers. They (the evil ones) are 98% cut off in their time travel and they are hurting, especially now, because they have incorrect information about safe places. Vengeance is Mine, My Child and I will do as I will. But, truly, many of them will perish in their underground bunkers.

As for specific places on the Earth, certain ones will be absolutely safe, even when the Earth flips; for I will make sure of it. I say to Mine, ‘Stay close to Me. Do what is right and you will be fine, whether you go or stay. You are in My hands and if you go, I take you. If you stay, I will keep you. So, what My people must do is to walk in faith. If I put it into your heart to flee, flee! If I say to you, ‘Stay,’ then stay.

My Child, this is walk of faith for each of you. This planet is coming in. It is in plain view for those, who want to see it, and with its passage a violent cleansing of the Earth

 From The Mountain Prophecies Copyright 2003

shall take place. As I said, certain areas shall be totally safe and secure. In these areas, it will seem like a very bad storm has passed and to other areas, especially many coastlines, total destruction and devastation."

"How long, my Father?"

"My Child, this planet (Earth) is undergoing the effects of the passage of this planet right now and these effects shall only escalate. With this, we shall stop for now. I am your Father in Heaven, yea Jehovah, most High God."

# CHAPTER ELEVEN - PART I

## "New World Order Terror"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Child, seasons come and seasons go and generations pass by like running water, but My people shall never be without My word. For, My covenant with My people is from everlasting to everlasting. My Child, I know your soul is troubled today."

"Oh, my Father, my soul is troubled; for we are seeing the move of the Bushes and their Satanic counterparts to take over Saudi Arabia."

"My Little One, My Son warned you of the plans of the New World Order to take over Saudi Arabia. Clearly, My Little One, the attack on a largely American and foreign compound by the New World Order crowd, yet made to look like a Muslim attack, is only the beginning of their terror against Saudi Arabia. And, how clever of them, as usual, to warn the world ahead of their own terror."

"My Father, what will become of all this?"

"My Little One, you know their agenda. You know their plans. You know the direction they are headed in. They are pushing hard to control the world's oil supply any way they can. And, they will not be deterred in their thinking; for their plans have included this third World War for a very long time. What you are seeing are well-laid plans of the Satanists. Clearly, their goal is to control all nations. Clearly, their goal is to make all people of the world subservient to their wishes and commands. You know these things."

"Yes, my Father, I do. And, I know that the Bushes, particularly George W. Bush, plan to rule the world."

"And, so does the Prince of England."

 From The Mountain Prophecies Copyright 2003

"Prince Charles?"

"You have seen it."

"Yes, my Father."

"And, so do many others, and those, who are in the background, do not like what is being done by the USA, Israel, and England. They are waiting. They are watching. And, they remember, My Child, that the New World Order plan has always been to destroy America. So, it is in their plans, all their plans, to bring about a nuking of America. They delight in getting rid of all of you; for they believe they will rule the world from Israel. But, as I have said before, Yes, China and Russia will do their bidding. Yes, they will gladly help to do away with the USA; but in the end, they will turn on the New World Order crowd and they will move to destroy them from off the face of the Earth. In the meantime, the English Monarchy is going to receive a fatal blow."

"What to you mean by ‘fatal blow’?"

"My Child, do you see the Princess at the ball with the dancing Prince?"

"Yes, my Father."

"And, My Little One, do you see the Prince with a knife in his boot?"

"Yes, my Father."

"And, do you see the Prince take the sword and cut off the head of the Princess?"

"Yes, my Father." And, I look down into the neck, into the body of the Princess, and I see emptiness. And, there far down in the body I see Princess Diana sitting on a tree stump. Her eyes are red with tears; for she loves and misses her children and she is knitting something, which is intricate and full of design. Father, what is this?"

"My Child, go to the first design, which looks like a black star and touch this design."

I do as He asks and the design turns into a door, which opens before me. I step through this door and there are many cobwebs. This is dreadful! It is very dark, yet light is trailing in behind me, and as it does it begins to illuminate the area before me. I push my hands forth, and as fire now goes before me, the cobwebs begin to melt. To my right is a treasure box. It is old and very dusty and is locked as well. I find a key in my right hand and I bend down to open the box. At this instant, I hear a very loud roar and look up to see the red eyes of the red dragon. He spits fire at me and I rise and take out a sword, which is blazing with a white fire. With this fiery sword, I advance on the dragon, and I slash him the dragon across the chest.

The Red Dragon begins to bleed a green blood and he screams at me, "Look what you have done, bitch! I am going to kill you!"

I blow upon the dragon and a stream of white hot fire heads in his direction. The fire hits his head and burns out one of his eyes. I advance toward him with the sword once more and sever his right hand, which bears long, hideous claws; and this hand drops to the floor, leaving an arm without an appendage.

"I will get you, bitch! Just wait!" He blows fire at me and then turns to leave. And, as he turns, I take the fiery sword and cut off his tail, up high near his rear end. Still twitching, this tail lies in the hallway; and as he trails down the corridor, he bellows in pain.

(DEAR ONES, REMEMBER THIS FIGHT! IT IS A FORESHADOWING OF THINGS TO COME, ALL UNKNOWN TO ME AT THE TIME.)

Back to the treasure chest. With key in lock, I turn the lock until it clicks. Now, I remove the lock and key and lay both aside. With two hands, I lift the lid of the chest and at once, I hear the nursery rhyme, "Twinkle, twinkle, little star." I look inside the chest amidst sounds of the nursery rhyme and there before me is a most beautiful female doll. Written on her chest are the words, ‘The Child that Prince Charles killed.’

I take a small scroll, which lies beside the doll, and on the scroll are the words, "I would have united the Arab and Christian worlds. But, the evil Prince killed me and My Mother." A single tear falls from my eye and it lands on the dress of this doll, near the heart. As she opens her eyes, this beautiful babe says, "Take me to My Mother, for she weeps for me."

"Dear One, you have slept in great darkness and in the midst of great evil; but the love of God would have you to be free. He would have you to be liberated from the darkness into which you have been held." And, as I say these things, the Spirit of God descends, like a dove of white fire. It touches this beautiful babe in the treasure chest and as it does so, the chest is made empty, then disappears altogether.

I walk back through the door, where I see Princess Diana, who is still knitting, unaware that I have been there at all. I touch her head and whisper into her ear. "Jesus is the Savior of all mankind. Cry out to Him and He will hear your cries; for in death, as in life, He loves you very much."

Seemingly oblivious to what I am saying, she gets up, rolls up her work, and disappears into a dark forest. Yet, up high, high upon His Holy Mountain, our Lord Jesus sees. He opens His arms to Diana and she is no longer walking in the dark forest. Now, she has thrown down the knitting and she is running toward a clearing in the forest. Faster and faster, she runs toward the light and with outstretched arms our Lord Jesus is descending toward her. With a beautiful flash of light, which bears every color in the rainbow, all is gone. And, my heart, which was full of sadness, now sings with joy! For, what was is and what is was. The love of God is eternal. Praises to His Holy Name!

"And, so it is My Child. The lost need righteous intervention in life as in death. For, the soul goes on and in some instances, due to great tragedy, the journey of a soul is impeded and this soul needs, more that ever, the love of God."
"Father, what does all this mean?"

"My Child, most is obvious or should be obvious to all. The killing of this Princess is a tragic thing, but all is not lost. For, vengeance is now Mine. The battle you just had with the Red Dragon is real. I have put My power in you and I have given you My sword and as of this day, the Red Dragon has suffered a grievous wound. Mark My word."

"Father, should the people know of the four angels?"

"Yes, my Child, all should know. The four angels at the head of the Euphrates are now loose! This is what they should know."

"Father, how will this effect the world?'

"My Little One, it is chaos as the world has never seen. The Mideast shall soon erupt into a thermonuclear war, the likes of which few can comprehend; and these angels will possess the bodies of four people."

"Father, who are they?"

"My Little One, they are four Muslims."

"They are all Muslims?"

"They are and they will do what I put into their hearts to do. They will be a great problem for the New World Order; for they will go against them in ways that they can never imagine. My Child, it is a very bad day for Satan, the devil, the dragon. It is a very bad day for England, Israel and the USA. With this, we shall stop for now. I am your Father in Heaven, yea Jehovah, Most High God."

Dear Ones, take special note of the liberating of Princess Diana and her unborn child! Also, take special note of the war with this dragon; for very soon in these writings you will see what the dragon means when he tells me that he will kill me! Of all that our Lord and God has given me over the years, the following messages are some of the most amazing!

## CHAPTER ELEVEN - PART II

### Second Message from our Father in Heaven

### "The Opening of the seals in the Book of Revelation"

"My Precious Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, behold the Pale Horse, which is full of sickness and every kind of disease! Does it not ride the Earth with death and destruction?"

"Yes, my Father."

"And, the Red Horse of communism. Do you not see it?"

"Yes, my Father."

"And the Black Horse of Satanism, of oppression and death, do you not see it? It is a system of weights and measures, based on deceit and lies."

"Yes, my Father."

"And, the White Horse with the crown, have you not seen it?

"Yes, my Father, it is the United Nations, which is being used to govern the world. And, I now see their white vehicles everywhere."

"Thus, My Child, are the Four Horses not riding?"

"Yes, my Father."

"And, My Child, have I not told you many months past that the fifth seal is now open?"

"Yes, my Father."

"And, you wonder, My Child, how the fallen angels at the head of the Euphrates would be released before the Sixth and Seventh seals are open."

"Yes, my Father, I wonder about it. For, these seals go in sequence."

"My Child, did the United Nations come into effect before Communism?"

"My Lord I do not believe so. I think of Hitler, Mussolini, and France and I believe that all were in power before the United Nations. "

"What about the unjust scales of Satanism? Did this come into effect before the United Nations?"

"Yes, my Father."

"So, My Child, the truth is that the Four Horsemen have been riding for many years, oblivious to the most, and they have not necessarily been riding at all in the sequence given, but they have been riding. Is this not so?"

"Yes, my Father."

"But, a few months past, My Child, I made you see that the Fifth Seal has been opened, by nature of the fact that many martyred souls are beneath My altar crying out for vengeance. Did I not?"

"Yes, my Father."

"Now, My Child, the opening of the Sixth Seal is at hand and this also corresponds to Isaiah Chapter 24." (Take time to go to the Book of Revelation and read chapter Six, verses 12-17. Then, go to the Book of Isaiah and read Chapter 24. You will see that these prophets are seeing the same thing.)

"Yes, my Father. This is the passing of Niburu and the flipping of the Earth."

"'Tis so. Now, this is where you are."

"Father, have any souls been sealed?"

"My Child, every soul to be sealed has been marked for sealing and this sealing process has begun in some, though not entirely completed. For, this sealing is a process and relates, as well, to the cleansing fires and the purification of one spiritually at all levels. But, in an instant, it shall be completed in all, who are ready and meant to receive it. And, these are first the 144,000, but later others will be added as they become pure and clean before Me and My Son."

"So, Father, we know that the first four seals were not necessarily opened in the order in which they were seen, but the horses have surely run parallel, for the most part."

"This is mostly true, but now all do run neck to neck."

"Father, after this sealing, which is spoken of in Revelation 7:3-4, let us go on to Revelation 7-9, wherein we are told of great multitudes, which no man could number. They are of all nations and people and tongues and they stand before the Lord and God in white robes, with palms in their hands. Then, proceeding to Rev. chapter 7:14, we are told that these are they, which came out of the Great Tribulation, and have washed their robes and made them white in the blood of the Lamb."

"My Child, if nuclear war had hit America in 1998, the Great Tribulation would have begun then. It would have begun in 2001 if nuclear war had hit America then. But, I tell you, My Child, that nuclear war is again at the door of America and it will not be stopped this time."

"Father, in the Book of Ezekiel in the Bible, chapter 38:3-4, when Russia and the Prince of Tubal are drawn down to attack America, the great earthquake follows in chapter 38:19-21. (This also speaks of fire and brimstone raining down on the Prince of Tubal in chapter 38, verse 22.) But, if we go by the Book of Revelation, Chapter Eight, beginning with verse 6, we see the fire and brimstone and one third of the trees, waters, grass, etc smitten after the flipping of the Earth in the opening of the Sixth Seal. In this part, we are told that a star falls from heaven and waters become bitter, with one third part of the sun and moon smitten and stars fall from heaven in verse 12 of Chapter Eight. But, not until we get to Chapter Nine, verse 17 and 18, do we see fire and brimstone kill one-third part of men. Father, explain this; for there seems to be a great discrepancy here."

"My Little One, this worldwide nuclear war is up to mankind. The prayers of the righteous have held it off this long. This series of events is not set in stone. The prophet Ezekiel saw the destruction of America long ago and shortly after this destruction comes the huge Earthquake, which effects all of the world. Whether the nuclear war comes before the flipping of the Earth, or after, depends on the repentance of the people and the prayers of the righteous. Understand? These things are not set in stone. What My servant, John, was seeing in (The Book of Revelations) verse 7 of Chapter Eight relates to verse 18, chapter Nine. They go hand in hand. Understand?"

"But, Father, these angels mentioned in these relevant chapters, which John saw, have sounded one after the other."

"And in so doing, My Child, they have showed him what will be. They have called his attention to what will be, though some of these things will happen at once, just as the Four Horsemen, who have been riding for a long time. What seems to follow, one after the other, may actually be things, that happen at the same time. Do you understand?"

 From The Mountain Prophecies Copyright 2003

"Yes, my Father, but the Earth has not flipped yet, which is the opening of the Sixth Seal, so I do not know how the angels could be sounding the seventh trumpet, which is the Seventh Seal."

"My Child, remember what I said. The opening of the Seventh Seal and the sounding of the angels' trumpets therein precedes worldwide nuclear war."

"But, Father, how could the Sixth angel sound (the releasing of the four angels at the head of the Euphrates) when we have not yet seen the others?"

"Remember what I told you, My Child. My servant, John, recorded the angels as he saw them. In fact, several angels may have sounded at once. In fact, My Child, Revelation, Chapter Eight, verse seven relates directly to Revelation Chapter Nine, verse 18 as you have seen. And, this is where you are right now, with these two angels, angels one and six after the opening of the Seventh Seal, who are sounding at the same time. They are sounding My Child. They are warning that one third of all life upon this planet could die very soon through nuclear war. This warning is now and whether this is averted through repentance and prayer is up to the people on this planet. Whether this war is delayed until after the calamities of this planet's passing is up to each of you. And, it is up to each of you whether these things come to pass at all, but what you have seen is so. The four angels at the head of the Euphrates have been loosed."

"Father, I feel that this means that nuclear war is imminent and I pray with all my heart to see the greatest numbers of souls see salvation. But, if they perish and they are lost, they will not be saved and my heart weeps for them."

"My Child, this tribulation is needed for the purification of My people."

"Father, in Ezekiel chapter 39, when it is spoken of this attack on America, it is told that afterwards, the people will pick up and burn the weapons of the enemy for seven years." (Ezekiel 39:9)

"Yes, My Child, this is so and is also the indicator of the seven years of tribulation, which will begin with the nuclear destruction of America."

"And, the people, who are left in this country, will be scattered."

"This is so, My Child. Do you have more questions?"

"No, my Father. You have answered them all. I pray, Father, that you touch people's hearts, open their eyes and ears and make them see the hour, the day and the year. Touch them, Father. Cause them to repent and save their souls!"

"My Child, I hear your cry on behalf of the lost and it shall not go unanswered. For, an awakening is coming upon America and the world. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER TWELVE - PART I

### "Deliverance from the Oppressors!"

"My Beloved Child, lift up your voice to the heavens and sing; for today is the day of your redemption. Today is the day of your freedom from your oppressors. Today is the day when I take vengeance upon your enemies as never before. Lift up your voice and sing! Shout, My Child, and dance; for a knife shall go into the back of the one, who says he is a President and is not. This man, who ordered your abduction, who sits among rulers and says that he is possessed of Lucifer, shall fall by the sword. And, with him shall go three others, all claiming to rule the world with him. And, with them a general and others, who are numerous. My Little One, patiently you have waited upon Me and you have continued to seek Me and to do what is right in the face of great opposition. And, because you have not crawled into the gutter with those, who have maligned you, but have waited upon Me, I shall now move forth in My fury and I shall begin to cleanse the slate. One by one, they shall meet the fiery furnace. They shall know the power of the One God. And, those, who have laughed and scorned you because of the truths that you have spoken, I shall laugh and scorn. For, just as I judged Daniel's enemies, I shall judge yours and My judgement shall be complete. My Child, be not troubled. What has happened I have allowed and all so that My judgement would be complete. No, My Child, you do not know what has been changed in time, but those in the New World Order believe you do. I have sent you into time to change many things and I will send you to change more. Little can they do about it. Therefore, My Child, be at peace this day; for My rainbow is upon you."

"It is, Father. I see it and it is so beautiful."

'My Little One, worry not for tomorrow. Do what you can today. Feed My Sheep while you can; for the day is at hand when you will be unable to reach them in great numbers."

"Father, I am trying. You know I want this more than anything. I only want to serve You and to bring salvation to the lost. Father, I want the greatest numbers to make it. But, Father, so few are turning. So few are changing and time is running out. Father, I am looking at this planet in the sky. It is visible in Arkansas. I do not even want to ask You, 'How long' because I know we do not have long."

"My Child, if people knew they had a day, would they change?"

"Father, if they were told, most would not believe it. Most do not even believe there is a planet, even when they are told and shown pictures."

"My Child, their sins have covered their eyes. Their sins have made them deaf. Their sins have confounded them. They will not see. They will not hear and they will perish in darkness. They have a heritage in the pits of hell or in the Lake of Fire. Outer darkness shall swoop up many, but they will not see My Kingdom. They will not receive a heritage among My sheep."

"Then, Father, You have the New Agers, the love and light crowd…"

"Yes, My Child, the New World Order, the New Age … what is new about either? Did Hitler not speak of both? It is the blind leading the blind. Will 'love and light' save a single one?"

"My Father, our Lord Jesus is the Savior of mankind. He is the way back to You and the Only Way. There is none other. If they will not honor our Lord Jesus, they will go the way of the rest."

"You have spoken it and this is so."

"I have sent My Only Son to live and die for the freedom of all humanity. Lucifer does not wish to give up a single one of you and he is furious that any of you will get eternal life. For, he and his hoards are going to the pits. They are going to the Lake of Fire. And, each of you will decide by your own choices where you are going.

Yes, My Child, time is running out for humanity. This planet is charging in. Earth, itself, has a date with a cataclysmic destiny and so do each of you. You will choose obedience. You will choose righteousness and life as My Son has brought to you, or you will choose disobedience, deception, darkness and death. There is no in between. Be at peace, My Child; for I am about to do a new thing for My people. It is a new day for My Loved Ones; but the rebellious shall soon perish.

When you see evil rise on every front, do not despair, but draw close to Me. For, through these tests and trials, you will see Me move forth to utterly destroy all your enemies. Mark My word, My Child. Before the day is over, the bodies of your enemies will be ready for the ground, their souls headed for the Lake of Fire. Therefore, go this day and do as I lead you, for My fury is about to be poured out all over the Earth. But, My Loved Ones, I keep in the palm of My hand. I am your Father in Heaven, yea Jehovah, Most high God."

## CHAPTER TWELVE - PART II

### Second Message from Our Father in Heaven

### "THE PRESIDENT OF THE WORLD IS DEAD!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, as you know by now, the one, who calls himself President of the Earth is dead and he is burning in the Lake of Fire. A great ceremony is at hand as his followers from around the world gather to pay their respects to Lucifer. The 'white pope' is critically ill and a grand show has been going on for some time regarding this man. He shall soon follow the black pope into the Lake of Fire. Let this be a warning to the Catholics the

world over that they are following after Lucifer and many, many of them the world over will follow this evil system straight into the Lake of Fire.

Yes, My Child, who would believe that the fake Jews have been running the world for a very long time through the Vatican in Rome? Is this not the whore that sits on seven hills? Is this not the whore that sits on many waters? Yes, My Child, this is the great whore of all the world and they are fooling many with their pomp and ceremony. They are fooling many with prayers from books and with rosaries and with their own apparitions of the virgin Mary.

My Child, do you believe that the earthly vessel, which bore My Son, would take precedence over Him? Do you believe such a thing? She was not sent as the Savior of mankind. My Son was sent; and he and he, alone, is the Savior. There is none other.

I have warned My people not to make such images of things in Heaven, not of Me, not of My Son and not of anyone or anything else. Why have I given this command? My Child, it has been for your own protection. It has long been human nature to bow down to idols. How many the world over bow down before statues of this virgin Mary? How many, My Child? Their souls are damned; for they worship an idol!

I have not sent My Beloved One, the earthly Mother of My Son, to appear in these apparitions. These apparitions are just that, apparitions, and they are put in the sky by the Luciferians in the Catholic Church. And, these are not all that you will see projected into the sky by them. The whole world is about to be deluged with false signs and wonders, which are brought about by this Luciferian machine.

Yes, My Child, they are furious. They are furious with you because of the work, which I do through you. Their murder attempt of you failed. Yes, My Child, they kidnapped you and yes this was at the orders of the black pope. Yes, you were taken before him and his court. They subjected you to mind control, memory scanning and then injected you with some of the most deadly substances ever known. They were full of arrogance and pride, believing that you would be dead within a few hours and your death would be

 From The Mountain Prophecies Copyright 2003

ruled a suicide, but My Child, as I told you before, all that they did to you is null and void.

That same day (November 12, 2003), I struck down the black pope and within few hours I called Archangel Michael forth to assist you in pulling up this tree and throwing it into the Lake of Fire. The General, who works with him, is next and three of his command are quickly going into the Lake of Fire behind the general. And, with these go many, who took part in the kidnapping of you and the murder attempt.

Yes, My Child, I allowed it. Remember your own prayer wherein you asked Me to make you see, know and understand who was behind all the attempts on your life. It was this man, who gave all orders to kill you; for it was this man, who ordered the death of George W. Bush. It is this man, who pulls the strings of George H. W. Bush and many leaders around the world. Yes, My Child, as you well know, when they could not go forth with the Iraqi war as they wanted, they set out to kill George W. Bush. He has a great debt to you and to My Son, Stew Webb; for the two of you got out My warnings of their impending plot and they set out to kill you both. Their murder plots have been relentless."

"Father, they have. And, Dennis Bossack (http://www.ufolab.info) is one of them."

"He is and his soul, his spirit, is getting ready for the Lake of Fire. You have seen it and it is so."

"Father, You warned them in a message not to touch me."

"I did, My Child and you sent the message to them and they laughed and scorned. Now, however, they are not laughing and scorning; for they shall be hit with sudden death, flesh-eating diseases and bizarre accidents of every kind until each one is in the Lake of Fire."

"Father, what now?"

"The other pope will soon die. The replacement for the white pope will come and there will be a replacement for the black pope. The replacement for the black pope is the antichrist, who has been waiting for Lucifer to possess him."

"Father, who is this man?"

"My Child, he is truly a crown prince and the world will suddenly see a lot of this man. Be watchful and you will see."

"So, he is put into power by the Catholic Church?"

"Of course."

"Father, the inquisition has never stopped."

"It has not. This church is the enemy of all mankind and it is leading billions into hell. Through their Jesuit Order, they have infiltrated every facet of every society all over the world."

"And, this Dennis Bossack is a Satanic Jesuit?"

"He is."

"Father, it is a shame on the face of this Earth that law enforcement and military people blindly take orders to steal, kill and destroy, just because they are told to do so. Through blind obedience, Father, they are willing pawns in the hands of the Catholic Church! Now, I know why the Catholic Church has been so hated down through the ages. Father, these are the most evil people on the face of this planet. Yet, they have the white pope out there with his song and dance and with people all over the world bowing down and worshipping this evil. This is a disgusting thing."

"My Child, it is and this is why the very one, the Antichrist, whom they put into power, will turn on them and burn them to the ground."

"Father, this evil and disgusting thing (the Vatican) should have been destroyed a long time ago. I have never known such evil, but now I do; for I did ask you to make me see, know and understand it."

"You did, My Child, and I answered your prayer, but not in any way you would imagine. Yes, they kidnapped you and all laughed at your imminent death; but you live and each one of them is marked for the fiery lake and very soon all shall be there."

"Father, how many?"

"My Little One, 23 shall go right away and another 46 shall follow. I will not rest until every one involved is in the Lake of Fire. So, My Child, I have used the little tree to bring down the great tree and all the world shall know it. Others, who are brave enough to try to kill you will meet the same fate.

Now, My Child, your work as White Buffalo Calf Woman is set to begin. What is there to fear, My Child, for you have met Lucifer face to face and you have been brought back from a certain death. Rejoice, My Child, for vengeance is truly Mine. This is a mighty victory for My people the world over! And, I say again to the Pharoahs of this world, let My people go! To the Bushes, let My people go! For, it you continue to torture and try to kill My Loved Ones, you are next! With this, we shall stop for today. I am your Father in Heaven, yea Jehovah, Most High God."

# CHAPTER THIRTEEN

## "A Deadly Blow to Satan! The President of the World is Dead!"

## "The Encounter with the Black Pope"

On the morning of the 12th of November, I awoke to remember parts of what appeared to be a dream. The very first face that came into my remembrance was a face that I had seen before. Back in February of this year, I received a letter from the "Holy Pontificate" demanding that I stop revealing their plans, among other things. (This letter will be posted again below for those of you, who have not already read it.)

In February of this year when I received the above-mentioned letter from this "Holy Pontificate", I had asked our Father in Heaven to show me who had written the letter. In the vision, which He gave me, I saw an older man, who was dressed in the black garb of a Roman Catholic priest. In this vision, I could see that he was crippled in his left leg and that he walked with a cane. The Spirit of God also revealed at that time that this man was a "fake Jew," who was high up in the oligarchy of the Roman Catholic Church at the Vatican in Rome. Still, I did not know his position, but suspected him to be the black pope, especially since the letter came from the "holy pontificate."

The threatening letter from this man came in direct response to our Father's revelations that the Illuminati had devised an imminent plot to assassinate President Bush. In fact, I had warned Stew Webb of http://www.stewwebb.com about this plot and Stew went to intelligence sources, who confirmed that they knew of such a plot. From there, Stew arranged for me to be on certain radio shows with him and he, alone, also went on various shows to reveal this plot.

One of the shows that Stew Webb went on was Dennis Bossack's radio show, which is called DNA live. Dennis has a website at http://www.ufolab.info. On Dennis' show, while Stew was revealing this plot, Dennis cut him off the air for quite some time; and

 From The Mountain Prophecies Copyright 2003

the following day, this reptilian, by the name of Dennis Bossack, broadcast a whole hour about the prophecies of Nostradamus.

Our Father in Heaven has shown me that this man, Dennis Bossack, is a Jesuit priest! His dastardly deeds include the infiltration of the UFO movement and the infiltration of the Patriot movement; and now the agenda of him and his wife is most apparent as they are posing as "Reverends." Through his name collecting and murderous rampages for the Satanists, he has posed with many faces, all the time collecting information for his handlers at the Vatican and his local hideout commanders at Area 51.

If you think that the Jesuits are good guys, read on! Wonder who else is part of the Skull and Bones?

This is a recent post from http://www.rumormillnews:

HOLY CROSS – JESUIT COMMUNITY
http://www.holycross.edu/departments/jesuit/jeshist.html
INDUCTION AND EXTREME OATH OF THE JESUITS
When a Jesuit novice is about to be inducted into the higher levels of the Order, he kneels on a red cross before the Superior of the Order. Before him are two flags, the familiar yellow and white flag of the papacy, and the black flag with a dagger and red cross above a skull and crossbones, the flag of the Jesuit Order. On the Jesuit flag is written the words,
IUSTUM, NECAR, REGES, IMPIOS.
(It is just to exterminate or annihilate impious or heretical kings, governments, or rulers.)
The Superior of the Order hands the novice a small black crucifix which he presses to his heart, and the Superior then presents to the novice a dagger. The novice grasps the bare blade and presses the point to his heart. The Superior, still holding the hilt of the dagger then speaks to the novice.
Superior

My son, heretofore you have been taught to act the dissembler: among Roman Catholics to be a Roman Catholic, and to spy even among your own brethren; to believe no man, to trust no man. Among the Reformers, to be a Reformer; among the Huguenots, to be a Huguenot; among the Calvinists, to be a Calvinist; among the Protestants, generally to be a Protestant; and obtaining their confidence to seek even to preach from their pulpits and to denounce with all the vehemence in your nature our Holy Religion and the Pope; and to descend so low as to become a Jew among the Jews, that you might be enabled to gather together all information for your Order as a faithful soldier of the Pope.

You have been taught to insidiously plant the seeds of jealousy and hatred between communities, provinces and states that were at peace, and incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in countries that were independent and prosperous, cultivating the arts and sciences and enjoying the blessings of peace. To take sides with the combatants and to act secretly in concert with your brother Jesuit, who may be engaged on the other side, but openly opposed to that with which you might be connected; only that the Church might be the gainer in the end, in the conditions fixed in the treaties for peace and that the end justifies the means.

The black pope is the head of all Jesuits!

### Abduction by the Luciferians

This has been a bit of a digression, but this should give you some background on these Satanists! Now, back to the dream. As I said, I remembered first the face of this man, whom I had already seen in visions given to me by our Lord and God. As I recalled the events of the previous few hours before awakening, I remembered how the Spirit of God had told me, as I was looking face to face with this black pope in this dream, which was not a dream: "This man calls himself the President of the World. He also calls himself Luciferonicus, as he says that he is possessed of Lucifer." (Since this time, a special friend sent me information from the Vatican website, which clearly shows that this black pope calls himself "the president".)

 From The Mountain Prophecies Copyright 2003

Pictures, like living snapshots, flashed before my eyes as every person, who was in attendance with this Black Pope that morning, was brought back to my remembrance by the Spirit of God. The ones I had seen were all men and they were all laughing, scorning and talking. I also remember standing in a very large room, with great ceilings and a very cold atmosphere. As the memories came flooding through, I was absolutely convinced that this was no dream and that in fact, I was there and had seen these very people, all men and all very evil! How did I get there? This, I do not remember, but I believe that I was taken out via an antigravity machine.

They injected me with lethal poisons and expected me to die!

If there were ever any doubt in my mind as to the validity of what I had seen, there was none left when I got up from bed and saw five needle marks on my left hand. These needle marks had not been there the night before as I had carefully applied lotions to my hands, which seemed to be getting chapped. They were not there at about 4:30 in the morning as I had gotten up and prepared my husband's breakfast before he went to work and I had specifically looked at my hands to see how the lotion was working. After my husband went to work, I went back to bed; so I knew that this evil took place between 5:00 AM and about 7:30 AM, central time.

Three of these needle marks were very close together in the shape of a very small triangle. The two marks at the base of the triangle were about one millimeter apart and the distance between the puncture marks at the base and the puncture mark at the apex was about one and one half to two centimeters. This triangular formation of needles was injected into a blood vessel, which was situated slightly above my little finger. Then, there was a fourth puncture mark about one inch above these marks. This mark was directly over the finger, which is next to the little finger, and to the right of the three marks by about an inch. Then, just below the first joint of the index finger was another puncture wound. As I stated earlier, there were five needle marks on my left hand.

As I pleaded with our Father in Heaven for understanding as to why this was allowed to happen to me, He reminded me of my prayer to Him a few days earlier. In this prayer, I

told him that I wanted to see, know and understand who was behind the on-going murder plots to kill me and others, particularly Stew Webb. That morning as I prayed, He said, "It is a time to rejoice!" He told me to get up and dance and sing! Then, He explained that some very evil people are going directly into the Lake of Fire for what they did to me. He reminded me that He had warned them back in February not to touch His anointed! And, even though He had warned them, a hit squad attempted to murder me back in May by traveling through time out of Area 51. And, from that attempt, several of them are now in the pits of hell!

### MIRACLES AND SIGNS FOLLOW THOSE, WHO BELIEVE!

Our Father tells me that the evil ones injected me with one of the deadliest substances known. Truly, they believed that I would be dead immediately, but on the morning of the 12th of November, our Father in Heaven told me that everything they did was null and void! Everything! All their efforts to kill me through the kidnapping and the injections were to no avail!

Mark 16: 17-18 "And these signs shall follow them that believe. In My Name shall they cast out devils; they shall speak with new tongues. They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover."

A few days ago, as I was seeking our Lord and God about this evil, the Bible fell open to Deuteronomy 7:15: "And the Lord will take away from thee all sickness, and will put none of the evil diseases of Egypt, which thou knowest, upon thee; but will lay them upon all them that hate thee." Praises to His Holy Name!

### A very large tree goes into the Lake of Fire!

On the morning of the 13th of November, our Father in Heaven sent me in the Spirit to behold a very large tree. This tree, if seen in the physical world, would have certainly been several hundred years old. The circumference of it was absolutely huge and the diameter of it would have easily been five or six feet. That morning as I looked at this very large tree, our Father in Heaven told me to pull it up and to throw it into the Lake

of Fire. I said, "Father, there is no way I can pull up this tree. It is too huge." He told me that He knew that I could not pull it up, but that He wanted me to help Archangel Michael pull it up. And, in an instant Archangel Michael grabbed the tree with his index finger and his thumb and pulled it up.

Although, I tried to help, God knows that the uprooting of this tree was the work of a mighty archangel and little could I do to help him. Now, with the tree uprooted and floating in the air above the ground, I found my eyes fixed on the gigantic hole where the tree had been. The uprooting of this tree created a huge cavern and down in the cavern I could see more caverns, where roots had been. This was an awesome thing to behold.

As I looked in awe at this great hole, I heard the Spirit of God say, "Now, I want you to throw this tree into the Lake of Fire." Again, recognizing our Father's voice and knowing that this was a much greater job that I could possibly do, I told Him that I could not do this alone. And, again He said, "I know that you cannot do this alone, but I want you to help Archangel Michael throw this tree into the Lake of Fire." I rose to the level of the tree and placing my hands beneath it, I could readily see the two fingers of Archangel Michael as He hurled the tree into the burning Lake of Fire. Before me, I saw the burning flames reach out to grab the tree and I heard the sizzles as the lapping flames ignited the tree into a great roaring fire!

That day I rejoiced as I knew that our Lord and God had just killed the one who had tried to murder me. This man or devil, was the utterly evil black pope, the President of the world!

### The High Tree is Slain!

About two days later as I was about to open the Bible, the pages parted and the Book opened to Ezekiel Chapter 17, verse 18. "And all the trees of the field shall know that I the Lord have brought down the high tree, have exalted the low tree, have dried up the green tree, and have made the dry tree to flourish: I the Lord have spoken and have done it." Praises to our Father in Heaven!

On the day of the 13th of November, 2003, these prophetic words of our Lord and God were fulfilled! For, He brought down the high tree, all because of the love of a little tree and for this, I rejoice in Him! I love Him and His beautiful Son with an indescribable love; for the death of this evil man is a testimony of His great love for the least of us! Glory to His Holy Name forever and ever!

**Hanging by the Neck!**

Our Lord Jesus has said this about those, who hurt His Loved Ones. Matthew 18:6 "But whose shall offend one of these little ones, which believe in Me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea."

As I write this about the millstone, I remember another vision our Father gave me about the 'black pope," the President of the World, in the Lake of Fire. In this vision, I saw a rolling flame, which reminded me of the waves of the ocean as they come up and then roll back out to sea, setting up a wave, which rolls over and over on itself. Within this very large rolling flame of fire, I saw the black pope, the President of the world. He had a noose wrapped around his neck several times with a very thick knot, and he was hanging in the roaring flames! As I looked at his body, I saw some sort of creatures, very small ones, each bigger than a virus or bacteria, steadily eating up the body of this man. As they ate, he flailed about and cried out in agony. I looked at his tongue, which was swollen, several times larger than normal and it was hanging out of his mouth. This purple, white tongue was covered in bees, which continued to sting him on the tongue over and over as darts were constantly hitting him in the eyes. I watched as his body was eaten, all but a small speck. Then, the body would reappear and the same process would begin again. All the time, he was burning alive in the fires! It was a horrible sight, but even so, I do not know how this evil spirit can ever pay enough for all the people he has murdered, all the wars he has started, all the drugs he has run, all the children he has tortured and all the horrific evil that he has done!

### The Black Pope

Information has been circulating for quite some time about this Black Pope and how he presides over all the intelligence agencies of the world. Some will not even whisper his name, lest they be found out and murdered. For a very long time, many have known that the Vatican is run by powerful occult groups and that the "white pope" is just one more big lie to fool the people! Now, we know that firsthand, that Lucifer, himself, has been the head of the Catholic Church for a very long time and he still is!

### Come with me down Memory Lane!

Do you remember reading the following in chapter Eleven of Book Nine? This was given to me only three days before these evil ones kidnapped me.

"To my right is a treasure box. It is old and very dusty and is locked as well. I find a key in my right hand and I bend down to open the box. At this instant, I hear a very loud roar and look up to see the red eyes of the red dragon. He spits fire at me and I rise and take out a sword, which is blazing with a white fire. With this fiery sword, I advance on the dragon, and I slash the dragon across the chest.

The Red Dragon begins to bleed a green blood and he screams at me, "Look what you have done, bitch! I am going to kill you!"

I blow upon the dragon and a stream of white hot fire heads in his direction. The fire hits his head and burns out one of his eyes. I advance toward him with the sword once more and sever his right hand, which bears long, hideous claws; and this hand drops to the floor, leaving an arm without an appendage.

"I will get you, bitch! Just wait!" He blows fire at me and then turns to leave. And, as he turns, I take the fiery sword and cut off his tail, up high near his rear end. Still twitching, this tail lies in the hallway; and as he trails down the corridor, he bellows in pain."

Remember that our Lord and God deals in symbolism. This very fight with Lucifer is a foreshadowing of things to come! In this fight, the Red Dragon has been wounded! He has lost one of his eyes! He has lost his right hand! His tail has been cut off! Is this black pope not the right hand of the Red Dragon? Is the black pope not one of his eyes? Who is the other eye? The white pope perhaps! He has also lost his tail. What is his tail, save those, who follow after him? With 69 of his prominent players gone, he will surely be losing a large following!

Some of you will remember the following letter from the black pope back in February of this year! Even so, you would do well to read it again!

Comments: To Mrs. Newkirk, alleged Prophetess
>From the Exalted Order of Light, Holy Pontificate and Beneficiary of Global Perfection

We of the Order are not pleased with your spotlighting of us in your last visions. Do you not understand that our goals are the peaceful unification of Earth under which peace, harmony, and tolerance will be given a chance to grow? The Order of Light has orchestrated many events stretching back to the dawn of time, and always behind the scenes. The Illuminati? Our cover organization. The Freemasons? Our unwitting dupes. The Mormons? Simply another cult spawned by us that grew beyond our expectations. And we are not pleased, Mrs. "Newkirk," at your bringing our activities to light. Because we know (Oh, yes... we know more about you than you can possibly imagine) that you will not betray our exalted organization or its purpose to any others outside of your enigmatic prophecies (which, fortunately, few have attached to us), we plead with you to cease these detrimental diatribes against the Order! Please, we must repeat: our organization is only attempting to unite the world in peace and harmony under one ruler, the Virakhala, of whom so many prophecies have foretold. We fear you, truly. Where you get such detailed descriptions of us we do not know, but it must stop... you must not give any more coverage to our activities, for you mis-represent us badly. And we do not tolerate such intrusions on our private matters. If you insist on channeling (or however you get your revelations on us) your visions to the public, be advised that we are prepared to take appropriate measures.

Do not toy with us, Mrs. Newkirk. You call yourself a Prophet of God… we can see through such veils easily. God is on our side. Flee your cursed visions and embrace the Light- the Order of Light. We could use one of your capabilities.

Kindest regards,
-We of the Virakhala

Below is our Father's warning to this black pope! This was issued to the evil ones in the Vatican, yet they only accelerated their attempts to kill me!

**A Message to the above Luciferians from our Father in Heaven, Jehovah, Most High God!**

"You, who await the false prophet, the very one, who rides the back of the beast, I say to you, ho, your days are numbered! Though you raise yourself as high as the heavens and though you boast of your feats and smirk at all laws, I tell you now that you are under My judgement. I see your every move and I know about all your foul deeds; for you are a putrid lot and the smell of your stench has reached far into the heavenlies. Yea, you are granted a season and within this season, you will fool many, who will follow you into the bowels of the dark abyss and even into the fiery lake. But, you will not deceive all and to My Loved Ones, I shall give great power. And though you will overcome many, you will not overcome all. From the mouths of My holy ones shall flow great judgements upon you and one by one, I shall pluck you up and cast you into the fiery furnace. Yes, you brag of your dark deeds, but in short season, your 'How great I am' song will turn into 'Woe is Me'. Judgement is Mine and My judgement shall be upon you, regardless of where you go; for you cannot hide from the coming firestorm. But, just as King Nebuchadnezzar was forced to give up the 'How great I am' song and to recognize the One God, so will some of you! As you see fires in your midst and your world falling around you, some of you will repent, even then, and you will recognize

the One True God and My Son Yeshua. But, I warn you now and let it be known. Touch not Mine anointed; for My judgement shall be upon you as swift as a falling ax and many of you will not live to see another day. Forewarned you are! I am Jehovah, Most High God."

### What next?

With the black pope out of the way, we all know what happens next. Since the death of this evil man, I have received two reports of Benny Hinn's talking of rebuilding the Temple in Jerusalem and also pleading for contributions to build this temple. What a blasphemy before God Almighty! Jesus Christ is the Ultimate Sacrifice for all of humanity and to conjure up the sacrifice of animals is one huge slap in the face of our Father in Heaven and His Precious Son!

In the past I have received reports of those, who have been pushed down by demons at the Benny Hinn gatherings and reports of bizarre and strange happenings at his crusades. Benny Hinn is a tool of Lucifer. He is just one more rapture freak, liar extraordinaire and prosperity money monger, who is bleeding the people dry!

There are many more Benny Hinns, all pawns of the Satanists, and all deliberately placed in very visible positions for one purpose only, this being to fool the greatest numbers and to carry them right into the fiery pits.

### The Current Visit between the Bushes and the Queen of England

This week, George W. Bush is visiting the Queen of England. We also know that Nelson Mandela of South Africa is there. Is the leader of your country at this meeting of the Satanic minds? What do you suppose they are doing? If you do not know, I will tell you. They are getting ready for the rule of the antichrist. With the body of the black pope in the Lake of Fire, Lucifer is looking to possess his last pawn!

### Party time for the Satanists

Just this morning, our Father in Heaven took me down a very long and dark tunnel, which came out at the Vatican. There, I saw the dead corpse of the black pope. Gathered around him were others dressed in black, who were going through their black, satanic ceremonies!

Yes, indeed this is the Vatican that few know. The Vatican that millions upon millions blindly follow, the very Vatican that leads its people to worship idols and to read prayers out of books, the same Vatican that exerts extreme mind control over its members. This is the same Vatican, which feeds them lies and misinformation, so as to carry the greatest numbers right down into hell with Lucifer! This Vatican has long been the head of Lucifer's works on this planet and still is! People, you must divorce this whore!

### In Closing

These Satanists have done much more evil against us than I have told herein. But, I see no reason to go into details about all this. You have herein the culmination of many years of persecution and many murder attempts on my life. Now, I know why they were so desperate to get rid of me at this time.

As of this day, our Father has given me the all the keys to the anointing of White Buffalo Calf Woman. They desperately wanted to stop this, but what our Lord and God wills shall go forth exactly as He plans.

I do not know what our Father's plans are, but I do know one certain thing. I love Him with all my heart, with all my soul, with all my mind and with all my strength. I have one reason for being and this reason is to serve Him and to please Him and our Precious and Beloved Lord Jesus.

I have no personal goals. To do the will of God is my single goal! I delight in the service of my Lord and God! I delight in the service of my fellow Brothers and Sisters; and with a great joy in my heart, I continue on!

Glory to our Lord and God, the One God, the True God, the God of Israel! Glory to His Name forever and ever!

On the 20th day of November 2003, this is my personal accounting of all that has recently happened to me,

# CHAPTER FOURTEEN

## "Mockers and Scorners!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Be unto Me a monument, a beautiful heavenly creation of love and truth. Though mockers and scorners rise up and though they shout their lies from the rooftops, this does not make them so. Though they rise up on many fronts with stones in hand, and though they seek to destroy you and My works through you, this shall not be so. Know one thing, My Child: The Pamela Schufferts and the "Zeph Daniels" of this world, who know to do right and do not, will never inherit My Kingdom. Though they boast that they are lambs, they are ravenous wolves. Though they boast that they are in the Lamb's Book of Life, the very one, who boasts the loudest is not, but is and has been from a very young age a servant of Lucifer.

Yes, My Child, the demons in this woman spin many a convincing tale, but this is what they are. Tales. Tales, issued out of the mouth of a lying, deceptive, manipulative, cunning servant of Lucifer. A fear monger, indeed, always warning of the imminent plans of the very ones, who have programmed her to do so. Plans of martial law. Plans of internment of Christians. Yes, My Child, a time is at hand when these things shall come to pass, but be very alert to those, who make these things their calling cards.

Yes, My Child, Pamela Schuffert is headed for the Lake of Fire and sooner, much sooner than she will ever believe. And, "Zeph," who has spread absolute lies about you is not far behind. He would have done well to get his facts straight before callously accusing you and labeling you a false prophet, but as he lacks discernment he has done so, all to his own demise.

My Little One, you have seen the so-called prophets come and go. Many have attacked you because I and My Son have revealed to you over and over that reincarnation is not only true, but law. For, all shall reap as they sow. I forgive those, whom I shall forgive;

but when there is no forgiveness, there is no grace. Where there is no grace, there is an eye for an eye. This is the law.

Will Pamela Schuffert and "Zeph Daniels" reap what they have sown? Yes, My Child, they will reap it. They will reap every bit. For, they have taken what is true and labeled it as a lie! They have taken what is precious to Me and scorned it! They have taken My word and blasphemed it! They have called the words of My Spirit as given to you through My Son, "doctrines of demons and devils." Yes, My Child, they have blasphemed Me. They have blasphemed My Spirit; for which there is no forgiveness.

The time is at hand, My Beloved Child, that I shall enwrap them in their evil and remove them from the Earth, save they repent. But, as they are stiff-necked, proud, haughty, and blasphemous do not expect this. For, in their pride they believe they are doing the world a great service in calling the truth a lie, in blaspheming Me and My Spirit, in calling you a false prophet. Yes, they believe this. They believe their own lies, for this is convenient and elevates them temporarily to a position of power. Oh, Yes, they feel powerful, but I tell you, My Child, that in due season, which is soon, indeed, they will not feel so powerful. For, My hammer of judgement is going to hit them both and all their cohorts in crime. Yes, My Child, what they have done to you is criminal. I see it all and I know it all and I shall settle this once and for all time. Those, who continue to blaspheme you and spread lies and disinformation are all known to me. I know every person on every message board. Yes, I know them all and I know the ones, who are giving the orders.

Did Pamela Schuffert hide her own purse in order to manipulate this family, who reached out to help her in love? I have shown it to you through My Spirit. You have seen it and it is so; but for her to be found out as the liar, conwoman, satanic pawn that she is, was unacceptable to her. Oh, Yes, My Child, she would do or say anything to convince the world that you are the liar and that she is the victim. My Child, innocent people have been victimized by this evil woman, who claims that she is one of Mine and she is not. Yes, innocent people, people, who have done her no wrong. Over and over, this liar from hell, has lied to and deceived My people with her "Christian talk," but I know her through and through. I am not deceived, My Child. No person

would want to be in the shoes of Pamela Schuffert and her accomplices in this evil that they have done. For, soon, very soon, My Child, I shall judge them all completely.

And, you know, My Child, from what you went through with the Vatican stalkers and assassins, even with Lucifer, the head of the same, that I abide My time. And, when I see fit, I make a clean sweep. You have another set of enemies, who serve the same master, the god of hate and fear-mongering, of dissention; and I shall deal with them all. Oh, they are smug now, truly believing that they have won in their assaults against you; but My Child, this pride, this high-minded pride, truly precedes their fall. Every lie that they have spoken against you shall turn into a hammer and this very hammer of My judgement shall hit them in every area of their lives. And, soon, very soon, save they repent, they shall have their place with all liars in the Lake of Fire.

My Little One, I fight your battles. Because they espouse their lies and believe them does not make it so. Because they believe their own lies, they are all the more the fool.

Be of good cheer, My Child, for even as I smote the "President" of the Earth for the harm he did to you, I shall likewise smite your enemies. Yes, My Child, there are those, who would say that these two are your brother and sister, but I say that your brother and sister are those, who put Me first. They love Me and My Son and they do not lie. All liars have their part in the Lake of Fire, save they come clean before Me.

My Little One, through you, I have revealed many mysteries of My Kingdom, perhaps as much if not more than to any of My current prophets. I have told you that you are one of the Seven Thunders, who do speak the mysteries, but soon, My Child, the Seven Thunders will cease to reveal My mysteries. My words through you have enlightened, helped and blessed many, but now, My Child, evil rises up on every front.

Those, who profess to work for Me, are being shown for what they are. The real is being separated from the unreal, the truth from a lie and only those, whose hearts are clean and pure will know the difference. Yes, My Child, they will hold onto a lie, believing this lie with all their being and this lie will destroy them. With their lying vanities and with their venemous hatred they will all be destroyed. Know, My Child,

that I stand with you against all railers, accusers, slanderers, backbiters and gossipers, who go behind your back and spread malicious lies. I am against them and every one of them shall fall. Make no mistake about this, My Child. My Judgement will not be next month or next year. It is now and every one of them shall feel the wrath of My anger.

With this we shall stop for now. Be of good cheer, My Child; for though evil shall rise up against you at every turn, I shall never forsake you. I shall fight your battles unto total victory. I am your Father in Heaven, yea Jehovah, Most High God."

Our Father has well-summarized what these two have done to me, but there is more, and I have sought our Father long and hard as to what I should reveal to each of you. As for me, I would just as soon let our Father deal with the whole thing as He surely will. But, it is important that you get the truth of what has taken place so that you will be the wiser! I solemnly pray that you will learn from the heartaches of others and that you will be spared the ravaging and raping of those, who come in sheep's clothing, but are inwardly ravenous wolves!

It is a sad day when two, who profess to be prophets of God, hurl wild accusations and seek to discredit what is real and is of God. I pray that all would learn a lesson from this evil that has been done to me and this precious family in Minnesota.

As for the wild assaults against me for revealing the words of our Lord and God, that reincarnation is true: If you do not know whether something is true or false, it is wise to spend time with our Lord and God seeking for truth, seeking for wisdom and understanding. Many have attacked me and tried to destroy me because our Lord and God has revealed that reincarnation is true, and to their own detriment.

He revealed the truth of reincarnation to me after I sought him many months for understanding. He gave me dreams, visions and prophecies to show me that reincarnation is true. However, this very revelation from our Lord and God has become a stumbling block to many, who have set out to make an example out of me because of it! But, in the end, the so-called prophets, who have set out to destroy what our Lord and God has given have wound up in great trouble with God! Several of them come to my mind right now; for I have witnessed how our Lord and God has dealt with them, cutting them off cold for their attempts to destroy me individually for what is true!

### The Real Pamela Schuffert!

I am deeply saddened to know what Pamela Schuffert has done to a precious family in Minnesota. Fred and Katy Sasse have come out and told their story, which Pamela Schuffert hopes will never see the light of day. I support them in their efforts to reveal the truth of what this lying, manipulative woman has done to them. Many people know the works of Pamela Schuffert and her "reporting" about the New World Order and the concentration camps in this country. But, few know that she was raised in a Satanist home. She has repeatedly stated that her Father was a high-level Satanist, who had a high military commission.

I am well aware that the Satanists begin to sexually abuse, rape and pillage little girls as early as the age of three. This is written in the Talmud! I am also aware that many of these sexually abused children begin to split off and fragment in their minds because of the abuse, which is so incomprehensible. From my own studies in psychology, I also know that 95 % of all those, who have multiple personalities, were sexually abused as children.

I do not know what Pamela's psychological problems are! Only our Lord and God knows all, but it is time for everyone to ask serious questions about the identity of this woman, who lies, manipulates and slanders those, who love and serve our Lord and God. I have serious questions about anyone, who writes letters to her own message board and uses aliases, these aliases in this case being none other than Pamela Schuffert parading as many people. I thank Sherry for doing the research of these IP

codes and passing along this information, which further shows that Pamela Shuffert is a deceiver and manipulator of the greatest kind!

It is a sad day indeed when we wake up and see that the Christians have been infiltrated by those, who pose as prophets; yet they are ravenous wolves, who are taking the names of the Christians and collecting their correspondence for obscure reasons and hidden sources. As for me, I have seen enough of the "Zeph Daniels" and the Pamela Schufferts to last me a life time.

### Our Own dealings with Pamela Schuffert

We personally had our own dealings with Pamela Schuffert over one and one half years ago when she came along and pretended to be a prophetess of God. There is one part of this woman, which is a very convincing "Christian" and she is able to fool many with this Christian persona. At the same time, I had my doubts about Pamela as she "pushed" to know of other prophets that I knew. I was very reluctant to give any information to this woman, but she was/is a pushy woman and in the end I asked the two prophets, whom I knew at the time, if they would mind talking to Pamela. After she was given these names and contacted these people, she confronted me about reincarnation in the last conversation I had with her. I told her that it is in fact true! On the telephone that night, she let out the most heinous laughter. Four times, I said, "Pamela, we must pray" and each time she ignored me, continuing on with this heinous laughter. Then and there, I know that something was not right with this woman.

When Katy from Minnesota wrote me that Pamela Schuffert was coming to stay, I did not know whether to warn them of my suspicions or to take a "wait and see" attitude. I did not know how well Katy and her husband knew Pamela. They spoke highly of her and I did not want to bring about dissention. I am sorry that I did not warn them of my own suspicions. Now, however, because of what these people have been through and what I have now personally been through because of the evils of this woman, I know that I must warn each of you about Pamela Schuffert.

 From The Mountain Prophecies Copyright 2003

**Pamela Schuffert is a Mocker and a Scorner!**

As for Pamela Schuffert, our Father in Heaven issued her a warning about the evil that she has spewed out against me and she mocked and scorned His every word. From her own words, it is obvious that Pamela Schuffert is one evil, demon-possessed woman, who is out posing as a reporter and is gathering up information for some very questionable reasons and obscure sources. I am shocked and dismayed every time I think of the things that she has done and said against this family in Minnesota.

I am printing our Father's warning to her and her mocking comments, as well as the letter from the family in Minnesota. It is enough that these people have had to go through great heartaches and pain because of the pilfering of Pamela Schuffert, but in addition to all these things, they have had to undergone deep humiliation as Pamela has publicly slandered the loving woman, who reached out to help her and who blessed her in many ways. Pamela has publicly called this loving woman borderline personality with schizophrenic behaviors and states that she is capable of making such a diagnosis because she worked as a nurses aid. This is criminal behaviour and is an abomination before God Almighty!

Why has Pamela gone to such great lengths to destroy Katy, her husband and me? Because Katy confronted Pamela Schuffert and told her that a prohetess of God said that her purse was not stolen, but hidden beneath many things in her own van! Because this woman confronted Pamela Schuffert with the truth, Pamela has repeatedly contacted Katy Sasse's husband at work and has stated to him that Katy is in serious need of psychological counseling. Pamela Schuffert has also repeatedly contacted him and told him that Katy wants to have affairs with other men. The vicious attacks, which have come out of the mouth of Pamela Schuffert are the words of devils and demons, which have been viciously spewed out to destroy all that is true and right.

I have awaited the time when the Spirit of God would give me the go-ahead to write and expose Pamela Schuffert and "Zeph Daniels" for the disinformation experts that they are and this time is now. You can take this information and do what you choose with it, but you are well-advised to avoid them like the dark plague they are!

The following warning comes from Pamela Schufferts' own website!

<snip>.... WARNING
Please be advised that "personal attacks", inappropriate language or
posts not in line with the goals of this website will be deleted. ....<snip>

Yes, this is the real Pamela Schuffert, who is operating a message board, which she can use to slander others, but never gives them a chance to defend themselves! For these very reasons Pamela Schuffert would never publish what these people in Minnesota had to say. She would never publish what others wrote to her regarding these topics, which was not in line with her own demented ramblings. Obviously, she only publishes the truth so long as she can manipulate it to suit her own twisted desires, just as she has done with the warnings, given to her by our Father in Heaven.

When I went to Pamela Schuffert's site and read her wild accusations against me and against the people in Minnesota, I felt the righteous anger of the Most High rise up in me and He began to dictate the following letter to her. I posted this letter to her message board, which she quickly took down, but she later posted it along with lies put out by "Zeph Daniels," bold-faced lies stating that I had issued death threats against him and put curses on him. It is most obvious that the two of them colluded in their attempts to smear me and to issue false allegations against me in order to please their god, Lucifer. But, in the end all the truth does come out. It stands alone and the evil ones hang themselves with their own words. Yes, the intentions of the heart come forth and reveal what is hidden behind many facades and this is what has happened with Pamela Schuffert and "Zeph Daniels." They are just two more servants of Lucifer, who are posing as sheep, just two more wolves in Lambs clothing!!!

## OUR FATHER'S WARNING TO PAMELA SCHUFFERT

This message was given by our Father in Heaven to Pamela in response to Pamela's calling me a liar, among other blasphemous things!

So says Jehovah the Most High God To Pamela Schuffert. I shall walk on you like a giant, who walks over a matchstick, and with my fury I shall pulverize you into the

ground; for you are a mocker an a scorner and a lying manipulator! You have come out against My true prophet, spewing lies and filth, and you will not win! The President of this world is now in the Lake of Fire for the evil He did to My Anointed. Do you believe that you are any better off! Within a month, I shall too carry you into this Lake of Fire if you do not repent. There is one and only one between the two of you, who is lying, and that is you! No more will I tolerate what I have tolerated in the past! You will either repent or you shall perish. I am Jehovah, Most High God!

What a SORRY example of false prophecy from a lying deceiver, who uses her false prophecies to convince the unwary that REINCARNATION IS GOSPEL TRUTH...and her "god" says so! The Bible states clearly that anyone who professes to epeak "in the name of the Lord" BUT who is later to be found WRONG, IS TO BE STONED! I would look out if I were YOU, Linda!

Subject: Abused and manipulated by Pamela Schuffert

Dear Stew,

I do not know you, but I spoke with Linda Newkirk this morning. My wife and I were "ransacked" by Pamela Schuffert. She stayed in our home for a month. I wanted to send you our account, which Pamela deletes from her website. She does not want anyone to know what she did to us.

Please review this information. I think it might help someone else from being abused by this woman. You may share on your website if you wish, or I respect your right not to share it. It is a true and honest account of what it was like to live with Pamela Schuffert for one month.

FRED AND KATY SASSE'S REVELATIONS ABOUT PAMELA SCHUFFERT!

Our contact with Pam Shuffert began with my wife reading her website, donating some money, and ordering (paying for) her book. Late July, we received a phone call from Pam stating that she was in an emergency situation, being evicted from her Bible College. She used the phone number on the check my wife sent her to call us up. She stated that she would be passing through, and I repeat passing through, our area. Pam ended up staying exactly one month, until we simply could not take it anymore. At the breaking point, I told Pam she needed to leave in a week. She took that, and another four days to boot.

Anyway, about Pam's arrival from New York State. She needed $200.00 gas money to make it to St. Paul. We wired her the money. She arrived, and later that day she said her purse was stolen. I rushed home from work, to find out what happened. My wife and I both believed her completely, but in my spirit I knew something was wrong. We suggested she call the local gas station, it could be possibly left there. I ran down the alley, looking for a discarded purse, with nothing in sight. Pam said this was impossible; she could never leave her purse. The normal thing to do is believe a theft took place, but as time went on, our suspicions grew. Pam is just now "filing" a police report. Doesn't it seem a little late?

We said nothing and took Pam for her word. During this time, Pam was doing very little, if nothing, to recover her lost driver's license, van title, and other documents that she needed. Pam quickly made herself at home. Then the manipulation began, slowly at first, but gradually building to the point where we were put in the position of "I can't leave here until this need is met".

We are in the process of adopting an orphan from India. Pam yelled at my wife while she was driving to various stores for items she needed (which we were paying for) about what a terrible decision this would be. My wife nearly got in an accident because of this. Later, while taking her out to dinner, she began to chew me out as well. She said we should not do this; we should be using our money to store up food for the upcoming martial law. My wife was devastated by her intrusive, bullying, "I know God's will for you" attitude.

All the while, we kept paying for things for Pam. The total bill was over $2000.00. Pam would pile things at the counter at the last minute, and expect my wife to pay for

them. Our checking account was nearly closed; we were put on the bad check list with the credit bureau (Telecheck) due to Pam's manipulation of my kind-hearted wife.

During this time, I also learned of Pam's work ethic. Like some of the extreme survivalists and anti-govs, Pam Shuffert does not believe in paying taxes to the IRS (in her mind, because the federal government subsidizes abortion). While we oppose abortion as well, why was it our responsibility to support her, with our money that WE (my wife and I) have to report to the IRS? So, Pam does not believe she really needs to work a regular job to support herself, believing that in doing so she is betraying her beliefs.

We tried to arrange for Pam to speak at our local church, but the Pastor refused. He had some insight that I did not have at the time. We also helped Pam set up a TV show taping with a wonderful healing/worship/deliverance ministry that is located in downtown Minneapolis. This ministry, after praying about the taping, immediately cancelled it. These other believers and church leaders were seeing something that I was not at that time. But now it is all clear to me.

The reason I believe Linda Newkirk's prophecy is this. I believe Pam Shuffert hid her purse in her van to stay with us for as long as possible, to use as an excuse so she could get what she needed, and of course have a place to live. Pam Shuffert plainly stated to us that she could not leave unless she had her driver's license and other documents replaced. Do you believe that this was our responsibility to her? And to extend a visit that was only supposed to be a couple days into a month long spending spree? Of course, everyone forms his or her own opinion.

After living with this for three months, a heartbroken wife (who now really needs counseling after the backlash for adopting an orphan from India) I had to come forward and tell my story. This boy will be raised a Hindu and have a terrible future unless we act. Pam had no business touching something so close to our heart and God's.

I had to come forward with this, even if it means Pam's wrath. If you get in her way, prepare to be bulldozed. I have heard her criticize just about every known ministry, except Dimitri Duduman (he has universal respect). So now, we are the liars according to Pam. I refuse to be intimidated by Pam Shuffert. She owes my wife a huge apology, which she has refused to date. She has plainly stated that she has done nothing wrong and my wife is mentally ill !!!! Fred Sasse, November 22, 2003.

Dear Ones, this is a great tragedy, for evil has been returned for good! This very thing has happened to us more times than I care to remember and this is one of the most painful things one can experience! I so regret what these precious people have gone through, for I know the sting and sorrow of it all!

## THE LIES OF ZEPH DANIELS!

As for "Zeph Daniels", I do not personally know this man, but by the evil of his works I certainly can say that I now know him spiritually. Just before Thanksgiving, someone called and alerted me to the attacks, which were taking place against me on his site. I was also alerted to the assaults against me on Pamela Schufferts website. I wrote a letter to the administrator of "Zeph Daniels" site, expressing my dismay that he had chosen to attack me for what is true. I am posting this letter below; for "Zeph Daniels" has taken this letter and has told the world that I issued death threats against him and put curses on him. You read and you find the death threats and the curses.

There was also a letter on Pamela Schuffert's site, supposedly from "Zeph Daniels", telling of how I went to his message board and posted death threats and curses! I have never been on his message board. He has never issued me a password to be on his message board and I have never had a desire to be on his message board. I have much better things to do with my time!

Zeph Daniels is an outright liar! He is an accuser! He is a creator of dissention and has blasphemed the words of our Lord and God. To this day, he continues with his lies and with his false prophecies. What I have read of his so-called prophecies are nothing more than ramblings from his own mind! I am also aware that he recently took our Father's words from Chapter Eleven of Book Nine and attempted to give his own interpretation of the seals and the horsemen and much of his interpretation is wrong.

One night, I told someone over the telephone that "Zeph Daniels" has accused me on his site of being out for money. I flatly told this person that we do not even have donation information on our site. We give away seven prophecy books and only two must be ordered as our Lord and God has directed. The last time we asked anyone for help was about five months ago when we asked others to help us bless the beautiful

brothers and sisters, who translate these works! (Let it be known that what anyone does to help with these works is at the promptings of the Spirit of God and for these blessings we are eternally grateful! We have never made "money" our reason for disseminating the word of God and we never will!)

The very next day after I spoke these words over the telephone, "Zeph Daniels" claimed that God told him to take down his donation information and to stop selling his two books on his site! Clearly his impetus for ending the selling on his site came via the very conversation I had on the telephone with someone else the very night before. The "ears" and "eyes" of the telephone are the Spirit of God for this man! Since his "profound" decision to remove the selling from his site, he has started a personal vendetta against others, who ask for donations! This is the utter madness of this man, who claims to be a prophet of God!

The following is the message that I wrote to "Zeph Daniels," the very message that he lied about and disseminated untruths about. Where are the death threats and the curses that he says I sent him?

**To: Zeph Daniels of The Zeph Report!**

You are the wolves in sheep's clothing! You are viciously attacking me behind my back about something that you have branded as false, when in fact it is true. If you had taken the time to consult our Lord and God about the veracity of reincarnation, He would have shown you that it is true, but you have not done this. You have instead chosen to brand me as a false prophet and New Ager for revealing the mysteries of God. You have branded a true Prophet of God as false! You have called what is true a lie! You have given evil for good, and you will find soon enough that you are under God's judgement!

As far as Pamela Schuffert is concerned, if you had taken the time to hear the truth from the people in Minnesota, or if you had even contacted me regarding what I know of this woman, you would know the real Pamela Schuffert! But, again you have not done this! If it obvious that your decisions go the way of the wind and if you do not repent of this evil, the whirlwind shall carry you away!

Pamela Schuffert has less than a month before the judgement of God Almighty falls on her. And, save you repent, you will find the fury of God on you! But, of course you are not concerned. Why would the words of a "false prophet" mean anything to you?

Jesus is our My Life!

Linda Newkirk

So, where are the death threats and the curses that "Zeph Daniels" has wildly accused me of????

I have one reason and only one reason for revealing the truth of what has taken place and this is to keep you from falling into the traps of these manipulators. There is an infiltration of the Christian camps in great and unprecedented ways! The very government of the USA has an office, which is called Domestic Contact Services and this very office employs between 40,000 and 200,000 disinformation agents. Stew Webb has given me this information and I thank him for passing it along. Many of the ones, who work for DCS are common criminals and if they are not criminals when they are employed, it is not long before they become so. They are all paid to break the law and to disseminate lies and slander about those, who tell the truth! Each of these terrorists is paid between $4,000 and $20,000 annually just to sit at their computers and smear those, who write the truth.

Let it be known that I will say no more about this matter. If the evil ones rise up in swarms to assault me for truths that I have given, I will sit back and patiently await the time for God Almighty to judge them as He sees fit. It is a new day and He has said that He will no longer tolerate what He has put up with in the past. Those, who have nothing more to do than spread lies and seek to discredit what our Lord and God has given, had better be prepared to face the consequences of His wrath!

"Father, God Jehovah, it is time for a housecleaning of America!"

## CHAPTER FIFTEEN - PART I

### "Sound the Trump! A great shaking is at hand!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Child, stand high upon My Holy Mountain and sound My trumpet, for a great shaking is at hand. A great rumbling is at hand. A great cleansing is at hand. My Child, this is the sound of the Seventh Trumpet and let the whole world awaken and be aware; for nation shall rise up against nation and bondman against free man. The Earth, itself, shall begin to rock and sway. Mountains shall begin to crash into the sea and winds shall howl the world over as I rise up in My wrath against the enemies of My people.

Yes, My Child, even as I have shown you this day in Psalms Chapter Two, these evil ones rise up and plot and scheme as to how they will break the bonds of My Holy Ones and how they will scatter all. Oh, Yes, My Child, their plots and schemes are elaborate and they fit into all facets of life on the Earth. This, My Child, is why I am raising up and empowering My Supernatural Army; for they go, one by one and alone all over the Earth.

Who can scatter what I have already scattered and because they are scattered, they shall hunt for them and not find them. These are the 144,000 and the complete sealing of all is near completion. The veil has been rent and torn and now these will travel freely between two worlds, the Earth, itself, and My Holy Kingdom.

I am steadily equipping My army and empowering them for a battle, like the Earth has never seen. Yes, My Child, this is a continuation of the battle in heaven a very long time ago when Lucifer rebelled and took with him one third of the angels of heaven and fought for control of the same.

And, as you know, the evil ones have been cast down into the Earth for a great battle, which is at hand, wherein these evil ones will be cast into the Lake of Fire. One by one, they will go at the hands of those in My Supernatural Army and in due season, the rest

will go at the coming of My Son. But, between now and then, a great war is escalating on every front as the antichrist rises to power.

Yes, My Child, the Vatican is very busy. As you have been told, daily since I struck down the Black Pope ( Count Hans Kolvenbach) a great stream of high profile individuals from all over the world, have swarmed the Vatican. They have come to pay their respects and to receive acknowledgement of the one world religion, which is at hand.

Let all be warned that if you have made the occult your way of life, you will be deceived. For, the occult will begin to take center stage in every facet of this "new age" Satanic religion the world over. Yes, My Child, it is a new day for My People! It is indeed a new day! But, for those, whose hearts are not pure, whose robes are not clean, it is a day of great trouble. For, save they repent in a great way, they shall follow the occult, new age pied piper right into the Lake of Fire.

Yes, My Child, the two occultists, "Zeph Daniels" and Pamela Schuffert have come after you with a vengeance and I have given them plenty of rope, with which to hang themselves. And, with this rope, they have securely fastened it around their own necks, and they are hours and days away from their own demise. "Zeph Daniels (AKA Crimson Warrior) is an occultist. He is a government disinformation specialist, who has fooled many. He is a proud and haughty man, a wolf, who is parading as a lamb, along with his Satanist cohort, Pamela Schuffert, and both shall soon meet the Lake of Fire.

My Little One, I have tolerated much persecution of My Loved Ones in the past; for this has been a time of cleansing through the fires for them. But, I tell you emphatically that I will no longer tolerate what I have tolerated in the past. I will no longer tolerate to any degree blasphemy against My Spirit as both have done! I will no longer tolerate abuse of My Loved Ones as both of these have done. My fury is upon both of them and My judgement is going to pummel them both.

Yes, they mock and scorn My words and they call you "new age;" and the blind and deaf will follow after them, all to their own demise. But, the wise will see that these two

are the hounds of hell and to the fiery pits they will return. Yes, they mock and scorn My word and call you "new age" for revealing that reincarnation is true. But, the two evil ones had better pray long and hard for another chance to rectify their wrongs. For, they shall reap as they have sown.

Yes, as they have blasphemed My Spirit, both shall find their names removed from My Book of Life permanently, save they repent in a big way. For, one has her name removed already and the other one is about to know the same. No longer will I tolerate the profane! No longer will I tolerate the liars and the disinformation specialists! No longer will I tolerate the hatemongers and those, who blaspheme Me and My Son and My Spirit.

Yes, My Child, it is a new day for My people! It is a new day in this world, wherein I have rent the veil and because this veil is rent, My Tried and True, My Loved Ones, shall know a greater freedom. They shall know a greater amount of My power and My Spirit. The renting of this veil is synonymous with the raising up and empowering of My Supernatural Army. It is synonymous with the pouring out of My wrath upon the enemies of My people! It is synonymous with the gathering up on My Sheep the world over! It is synonymous with the blowing of My trump on My Holy Mountain, signaling the opening of the Sixth and Seventh seals.

Yes, My Child, great and mighty works shall My people do; for it is truly a new day for them! But, for the double-tongued, for the two-faced, for the backbiters, for the gossipers, for the fence-straddlers and for the unrepentant sinners, it is a day of great trials. For those, who have consistently chosen the fake and phony over what is real, who have not loved the truth, but have loved a lie, it is a day of darkness and great gloom! It is a day of great trials, of great temptations and severe persecution. For, they shall be carried along in a dark, a very dark stream, to their own destruction.

To My Loved Ones, to those, who put Me first, who love Me with all their minds, with all their hearts, with all their souls and with all their strength, it is truly a time to rejoice. For, I shall go before you! I shall go behind you and all around you are My holy fires and My armies of angels. Yes, it is a new day for those, who truly love Me and who

truly obey Me. For, I shall fight your battles. I shall slay your enemies on every front and you shall walk through their blood! For, I have called you and I have tried you in the fires and you are now ready for a greater walk through Me.

But, for those, who lie, who steal, who cheat, who blaspheme Me, My Son and My Spirit, it is a time of delusions and darkness, as they have never known.

My Child, I have said through My Son that there is nothing hidden that I will not reveal. Through you, I have revealed many hidden mysteries and for those, who want this information, it is available through these works. One of these mysteries is reincarnation. I have shown you through visions, dreams and revelations that this is true and because of this revelation many mockers and scorners have been cut off from My Spirit. For, those, who mock and scorn My Spirit, who blaspheme My word are straightaway cut off from my Spirit.

They could seek Me as you have done; but they do not. Instead, they choose to go about destroying you for truths that I have given you. This is why a considerable number of those, whom I originally called to prophecy, no longer get any prophecies at all. For, in their high-mindedness, in their pride and arrogance, they sought to destroy you for this very truth. Those among Mine, who are lacking wisdom, will seek Me for wisdom and understanding. But, the proud and haughty, believing that they know all, will stumble and fall.

So, My Little One, it is a new day for My people and because of the great light from My throne, which is bathing My anointed, they shall more readily know the fakers, who are before them. To My Loved Ones, it shall become increasingly more apparent who these fakers are. But, to those, whose hearts are not pure, and whose lives are not clean, the occult shall seem like the right way.

Yes, My Child, it is a new day. The prophecy from the Book of Enoch, which relates to the 70 evil servants of Lucifer, who were slain by My Son from the Pleasant Land, relates to the Black Pope and the 69, who will follow. This prophecy, which was given many millennia ago is now being fulfilled. These 70 are well-known, high profile

servants of Lucifer and you, My Child, agreed to go among them, be abused and violated, that this very prophecy would be fulfilled. For, in another life, you were Enoch and in due season, I shall put you again on a Holy Mountain and those, who would come to harm you will be consumed by My raging fires. For, what is was and what was is. This is the destiny of all souls. The wise will understand, but the deceived will sink further into darkness and in this darkness, they will perish. I am your Father in Heaven, yea Jehovah, Most High God."

**Our Father's words from Book Nine, Chapter Twelve!**

"My Little One, 23 shall go right away and another 46 shall follow. I will not rest until every one involved is in the Lake of Fire. So, My Child, I have used the little tree to bring down the great tree and all the world shall know it. Others, who are brave enough to try to kill you will meet the same fate."

Dear Ones, including the Black Pope, this is a total of 70 evil servants of Lucifer, who will go into the Lake of Fire! At the present, we know that Leonard Millman, trillionaire, high-level Satanist, Knights Templar banker, drug dealer, money launderer and serial killer is now in the Lake of Fire! This has never made public news, just as the dead black pope has never made public news. But, intelligence sources have revealed to Stew Webb that both are now dead and that there are other high-profile Satanists, who are dead, and all is being kept in the dark!

**The Awesome Way our Lord and God works!**

Below is part of an e-mail, which was sent to me by a very powerful man of God and a Dear Brother! From the depths of my heart, I thank him for sharing this fulfilled

prophecy that you and I might all be the wiser! His name is "D" and you will see some of his comments as well as some of my own, in parenthesis.

Below is a section of the Book of Enoch that forms part of our 'Bible' that we compiled as per instructions of JaHWeH. This book was removed from the Vulgate by the Catholics in 800 AC. This book can be drawn off Internet. See Chapter 90 verses 20 to 27. This came to me while I was reading your Book 9, Ch 11 to 13 regarding the destruction of the black pope and the 69 other Jesuit priests. Thus a total of 70 shepherds who killed plenty sheep on this earth. Inserts my own.

## CHAPTER FIFTEEN - PART II

### "NASA Hounds from Hell and their Satanist Counterparts!"

"Father, Oh, Father, Oh, Father, in the beautiful and precious name of Your Son Jesus (Yeshua), who is our Lord and Savior, I come to You today. Father, Oh, Father, these evil hounds from hell have the audacity to write to me, seeking to appeal to me in a vain way, calling me great when there is none among us, who is great, no not one. For, we are all sinners, all fallen, Father, and brought out of it only because of Your love and grace and the salvation given through our Lord Jesus. Father, they have had the audacity to kidnap me, try to kill me, implant me with all manner of things and now they come with their evil, accusing You and the hosts of the Most High, blaspheming You, Father, calling good evil and evil good. Father, Oh Father, I petition You this day to smite them, smite them with Your rod of judgement and take them all into the fiery

lake. Father, I am begging You this day to judge every last one of them right into the Lake of Fire. Father, I am begging You to rain fire and brimstone down upon them all and to destroy all their antigravity machines. I am begging You, Father, to destroy their bases, both under the ground, around the Earth, on the Moon, Mars and elsewhere. Father, I am begging You and your beautiful Son, who is our Savior, to rid this solar system of these hounds of hell. Father, they disgust me. They are repulsive snakes, disgusting demons from hell! Father, I beg You to destroy this evil, to clean the Earth and the heavens above of all of them and their filth."

"My Child, these are the very ones, who kidnapped you and tried to kill you! These are the very ones, who are out to carry all of humanity into the Lake of Fire and into the Pits of Hell. These are the very ones, who have stalked you for many years. These are the very ones, who have hounded you and have tried to kill you over and over. Now that many of them are set for a sure fate in the Lake of Fire, they are out to appeal to any vanities in you so that you will align with the forces of evil. Yes, My Child, they want to keep their proposals in the darkness for they do all their evil in darkness. But, at this final hour, I am shining My light in their midst. I am bringing to light their evil works. They all know their fate in the Lake of Fire and they are out to destroy My army, but I tell you, My Child, that this day, I am raising you to new levels in My army. This day, I shall give you the gift of calling down fire, literal fire upon your enemies. This day, My Child, this day is a new day for My People! For, this day, I put My fire into your hands and those, who would seek to harm you, shall know the heat of this fire. No longer will I tolerate these assaults against My Loved Ones! No longer!"

"Father, with this new gift, I am asking You right now to send down fire upon all of them! Send down fire upon their spacecrafts and cause them to burn up and explode all over the world! Send fire into their bases under the ground and in the ground and destroy them! Send fire into Lucifer's whorehouse, the Vatican, and burn it to the ground. Send bolts of lightening into them individually and carry them into the Lake of Fire. Father, I am asking that You send destruction upon them as they have never seen and never could imagine. Father, deliver me and my Loved Ones from all evil and keep us safe! Provide for us, Father, and destroy our enemies.

 From The Mountain Prophecies Copyright 2003

Father, I know that among these evil ones are the "Watchers." And I am asking for Your immediate judgement upon all of them. Father, please do not delay in this; for this evil totally disgusts me. I abhor this evil and I am standing on the Rock of our Lord Jesus and begging You today for immediate destruction of these evil hoards!"

"My Little One, the fires are coming, both to them in this Earth and to them in the afterlife. The fires are their destiny!"

"Let it be today; for I despise the evil that they do. In the holy Name of our Precious Savior, Father, make it so."

"My Child, you are the White Buffalo Calf Woman. They know this and they know of your destiny among My People. This day, I put a sword of flaming fire in your hands that is greater than anything you can ever imagine. This sword has the power of 350 plus dimensions and will continue to increase in power. Let them rise up against you and they will feel the fire of this sword. For, I shall slay among them, not just 70, but 70 X 70. 70 X 70 of the most powerful Satanists in the world. Yes, My Child, you are White Buffalo Calf Woman and from now on, you will put this name beneath your name. It is time for the whole world to know that White Buffalo calf Woman is here in the Earth and I am raising you up to send you to nations around the world. Upon My Rock, you stand, upon My Rock, you will slay the enemy! You will pierce the dragon over and over and over and over you will defeat him with My fiery sword, through the power of My Spirit. White Buffalo Calf Woman is coming into her full power and anointing. This is why they tried to kill you and being unable to do so, they now seek to appeal to you through lying vanities.

**<OUR FATHER'S REBUKE TO THE EVIL ONES!>**

This day, I issue a rebuke to them all: ' The very one you tried to kill will now be used to slay you in great numbers. Because you believed not my warnings but suppose you are gods, and because you touched and tried to kill My Anointed, 70 of you are now dead! Those, not yet in the Lake of Fire, have hours and days! Those, who even think to do evil to My Anointed from henceforth, shall drop dead! All of you, who plan evil to this woman, to this anointed servant of Mine, shall from henceforth drop dead! This is

the anointing of White Buffalo Calf Woman! You are warned! You are fully advised! Now, you will reap as you sow! Death shall hit you in great numbers; for everyone of you is under My judgement! I am Jehovah, Most High God."

# CHAPTER SIXTEEN - PART I

## "A New Day"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most high God. My Little One, the time has come for My people to stand up for what is right and in accordance with the truth, or they will perish in a lie. For, those, who love truth and live by truth, who put Me first and obey Me, it is a New Day. Yes, My Child, it is a New Day for My truthbearers and lightbearers. True, they are few, but have I not always taken a few and moved mountains? Have I not always taken a few and defeated many? And once more I have a few, who really love Me and My Son. I have a few, who live by truth and will die defending what is right. They are brave, no cowards among them and they are scattered here and there, fully atune to Me, to My Son and My Spirit and ready to fight as I lead them to do. But, as I have said, My Child, they are few, indeed!

My Little One, what if I told you that an apple is square?"

"I would wonder at what kind of hybrid aberration this could be."

"Hybridized is correct; because one does not see square apples in the natural state. But what if I told you that apples really are square and when you see a round apple, the round one is really the aberration. Would you believe Me?"

"Yes, my Father, I would believe You; for You are the Creator."

"So, it would be easy for you to change your perception of an apple if I told you that they really are square."

"If you told me this, I would believe it."

"But, do you believe that others would believe you if you told them that apples really are square?"

"No, my Father, they would most assuredly laugh and scorn."

"My Child, why is this?"

"Because one cannot find a square apple in the grocery store or on the trees."

"But, you would believe Me even though you have never seen such a thing."

"Yes, my Father, for You are the Creator. You are the Most High. You know all things. You are all powerful and You do not lie."

"No, My Child, I do not lie. I cannot lie. This is impossible for Me, but if I so choose, I can lead others down a blind alley. I can lead them into an ocean where they will be killed and drowned, just as I did with the Pharaoh, who followed My people into the barren Red Sea. These things I can do; for I do see all and I know all and My ways are higher than yours."

"Father, I know this and I want to please you; but so often I do not understand why you do what You do or allow what You do."

"Now, My Child, this is what I am going to do for NASA. I have led them down an alley wherein they will get stuck and 120 of them will die. In fact, by morning, this will be so. And, all because they could not leave well enough alone. It is not enough for them that 70 of their top-level Satanists will soon be in the Lake of Fire. They do not believe any warnings given to them. They have abused you again and I have given them the rope. But, when 120 of their top-level space team does not return, they will realize that they have fouled up again. My Little One, these ignorant slaves of Lucifer do not yet understand that I mean business. But from henceforth they will, for I have stated in the previous message that if they even think to harm you, and anyone else, who is connected with these works for that matter, that they will drop dead. I have made the statement. The warning has been issued and they will abide by My warning or many of them shall perish. If they choose to send an army, I will destroy an army. If they send a hit team, I will destroy a hit team. There will be no more assaults against you wherein

 From The Mountain Prophecies Copyright 2003

they will kidnap you and parade you before their own in a catatonic state. I will kill every one, who even thinks to harm you. Therefore, do not be surprised when you see them fall dead at your feet. It is best for them if they get the message, but do not expect it; for you are dealing with those, who just do not learn.

Now, My Child, do you have questions about the battle with the Red Dragon today?"

"Yes, my Father. In the Spirit, I saw that the evil ones were out to harm me, and I took Your sword against something in the Spirit and broke it, tore it down and threw it into the Lake of Fire. Then, I looked up and there before me was the Red Dragon. I took the sword to him and stabbed him in the belly. As he began to buckle over in pain, I quickly pulled the sword out and rammed it into his left eye. I watched him bowed over in pain as the vitreous of his left eye rolled down his cheek. Father, what does all this mean?"

"My Child, do you remember that the black pope was his right eye and his right hand? But, when you fought with the dragon before, you cut off his right hand and destroyed his right eye, plus you cut off his tail up high."

"Yes, my Father."

"Now, the black pope is dead and many of the world's top-level Satanists are beginning to die like flies."

"Yes, my Father."

"And, more shall follow until there is a total of 70, which will fulfill a prophecy from the Book of Enoch."

"Yes, my Father."

"Now, My Child, the left eye of the dragon will go, which is the White Pope, John Paul, II."

"Well, Father, he is old and many are expecting this."

"Yes, my Child, they are, but the main reason he is going is because he is one of the 70 and it is his time."

"But, what about the wound of your sword in the belly of the dragon?"

"My Child, what is the belly?"

"A place where food is digested, a place where it is processed."

"What more, My Child?"

"It is a place of the bowels, a place of inner pipes, of twists and turns, a place of absorption and removal of waste."

"When you think of the dragon with reference to the belly, what do you think of?"

"I think of the belly of the beast, or the bowels of hell."

"This is so; so you have struck the bowels of hell, which is the belly of the beast."

"And, what does this mean?"

"War, war, pure and simple!"

"What kind of war?"

"War against My people."

"Father, tell me more."

 From The Mountain Prophecies Copyright 2003

"My Child, with My sword you have cut deep into the belly of the dragon. This great wound is causing him a lot of pain; for he is seeing his very system falling down before him. With the black pope gone and many others dead or dying, he is being crippled. And, today, you further struck him in his bowels. He is hurting in a great way because his space program is severely crippled. My Little One, for Lucifer to be confined to the Earth is like clipping the wings of an eagle. He can no longer soar as he wishes. He is confined and very angry. They thought they could kidnap you again and make you reveal the passageways of the interdimensional spaces, but they failed again. What you have done at the leadings of My Spirit is to lead them into a trap. They are stuck and cannot get out. In this trap, they will perish. They have taken a deadly blow in the belly; for the belly of the beast is full of space/time travel, spacecraft, etc. But, today, you hurt the Dragon badly. He is severely wounded and on top of this, the White Pope will be dead very soon.

My Child, the evil ones took a deadly blow and a gash right in their bowels and they are bleeding badly. They have 120 (people) stuck in time and they won't be coming back. This is 120 of their top-level people. They have been outsmarted and when they realize what fools they are they will go on a rampage. But, so will I. I will go on a rampage for My Loved Ones as never before. This is the war and it is only going to escalatae. This is why I have issued a 'zero tolerance' as regards you, but not only you. This extends to all, who work with you, who really love Me. It is 'zero tolerance.'

My Child, there is coming a furor from Satan, which is directed toward all mankind as you have never seen before. It is a great furor. Many, many will be picked up by the government black-ops spacecraft and injected and branded. Many will be killed. They are having a grand time kidnapping Mine and injecting many. This war is going to escalate to a level that few can understand and each of you will find yourselves powerless over the fallen angel technology. I am your only Source of Protection. There is none other; but I am able to protect any and all. It is up to each of you to obey Me and to walk in faith.

My Little One, the war has begun. Make no mistake about it. The war has begun. But, just how many of Mine are ready? Few, few, few; and this is why this war is going to be

a greatly devastating war. Many will die; but even so when My Faithful die, they will come home to Me. The rest will not be so blessed and these are the greatest numbers. The world over it is a sad day; for most are lost in rebellion; but for those, who truly love Me and who serve Me in truth, honor and Spirit, it is a time of miracles as the world has never known. I am your Father in Heaven, yea Jehovah, Most High God."

Valis Sindh Thrakat

Greetings, great teacher.
We are the Few among the Many among the forces of the Firstfallen, the glorious vanguard who led the rebellion against Oppressor in the ancient eras. We are using a corporeal, Organic Infestate 10367, to communicate with you, in hopes of convincing you to join the cause of Dissention: flee the light. Embrace the darkness. Have no fear

for the Corporeal. She is completely under our control, having opened herself to the Firstfallen long ago—she does not know what we use her for now. Merely a puppet.

The Few among the Many have decided that the time has come to reveal to you your destiny, that you would join our cause. Have you ever wondered why it is that so many Firstfallen minions reveal themselves, manifesting in Organics and other methods, in front of your very eyes? Surely you have noticed that others around you have remained blissfully unaware of our activities, while you yourself notice us everywhere you go. It is a double-edged sword, you understand—a great burden, and yet, a great potential. We are unsure why Oppressor gave you this gift, but it is quite easy for us to take advantage of it. And take advantage we will; it is necessary, in this eternal war, for us to continuously adapt to new situations in order to keep up with the might of the Host. We have manifested before you for many years, hoping to attract your attention and devotion. In the first, we have succeeded; in the latter, we have failed. This is why we write now: we offer you the chance to switch allegiances. With your gifts, you could become a great general for the Firstfallen, enabling us to adapt to Oppressor's strategies far better than we have before. At the very least, you must cease and desist using the Power to destroy us! Such actions are hardly constructive towards beings far greater in lineage and power than you may ever know. But merely join the great cause, and you yourself will possess abilities greater than you have ever dreamed of!

It would be a great evil if you would turn down our proposal. Regardless, we solemnly admonish you never to reveal to other corporeals the message we have imparted to you. You understand, of course, that we operate best in the dark— and it is in the dark that we wish to remain. Whether you ally yourself to our glorious cause or no, we trust that you will betray the Holy Secret to no one.

The Few among the Many await your response.

To: The Workers of darkness!
I, Linda Newkirk, serve One Master and this Master is our Lord and Saviour Jesus Christ. He is my Master and there is none other! I serve One God and this is the Most High

God, Jehovah. He is the One God, the True God of Israel, the God of all Truth and Light and I will serve none other!

## CHAPTER SIXTEEN - PART II

### "Forced Time travel"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Listen to me carefully, My Child; for I am going to answer questions, which you have about the recent forced time travel of the evil ones. Yes, My Child, they wrote you and tried to appeal to any vanities in you at all, but My Little One, I know you through and through and I know no vanities in you. What was there was long gone and I know well that your only desire is to serve Me and do My will. But, they do not know these things. They have kidnapped you and have taken you before the Black Pope and his mockers and scorners. The Black Pope and four in his immediate circle are now in the Lake of Fire and the White Pope is not far behind. But, Lucifer and his pawns never give up. They know that I have repeatedly sent you into time, into other dimensions to shut them down and I will continue to use you in this way as I see fit. They mistakenly believed that they could entice you and force you to work for them. I allowed them to kidnap you again and to send you into time, all this beyond your conscious awareness, yet agreed upon by you at another spiritual level. You went into time as I sent you, but in their ignorance, they believed that they had overpowered you, forced you, mind-controlled you and that you would be a pushover for them. But, My Child, what they did not know was that as soon as they (120 of them) had entered the portals, which I instructed you to open, that I sent you back in behind them to close the portals and to permamently destroy the portals altogether. Not only have these portals been closed. They have been destroyed without leaving so much as a trace. Yes, My Child, it is true that you saw the two puncture marks on your left hand the very morning that you got the letter from the, which I want you to post below. (I did not read the letter they sent to me until a day or so after they sent it.) But, these arrogant hounds of hell believing that they would be able to kidnap you at will and use you at will mistakenly believed

that you would be their unwitting pawn to be used by them to get back and forth through time as they pleased. The folly of little minds! They are wrong again! They have systematically tried to kill you for years, most recently kidnapping you, taking you before the Black Pope and injecting you with the most lethal substance in their repertoire. When you did not die, they determined to further kidnap you and make you work for them. Oh, they were proud and haughty, believing that they had succeeded. But, My Little One, as usual, their pride and arrogance has once again led to their fall.

Know this, My Child, that many times I have put the words in your mouth to pray against NASA for their evils. Many times, I have put words into your mouth to pray against the strongholds of the New World Order in the USA and the world. Now, My Child, after many years of prayers and persecution of you, you are witnessing the fall of the New World Order. You are witnessing the destruction of their space program. You are witnessing the fall and destruction of NASA and area 51 as well as their entire space program.

Though they will come forth with a fury and though they will use their fallen angel technology on many of you, I have always been your safety net. My Son stands as the Mediator between Me and all of mankind and He is the only Way through which any can know Me. This is true. And, My Son will ultimately defeat the evil in this world. But at the same time, I am raising up My Supernatural Army and eyes have not seen and ears have not heard what I am about to do through My Faithful.

"My Little One, this war is escalating and through this war, many are showing their true colors. It will become increasingly obvious to each of you, who is with you, who is for real, who is with Me, or against me. The time has come, the day, the hour has come when the veil has been rent. It has been torn. My Child, all of humanity can never begin to understand the significance of this. But, I tell you now that this is a powerful thing for all of humanity. As time goes along, I will address this more. But, we shall stop with this for now. I am your Father in Heaven, yea Jehovah, Most High God."

**"Another Kidnapping!"**

"My Father, it is 10:25 AM and I am just now noticing that I have more needle marks on my left hand. Two needle marks. Father, why have You allowed this? You have said that You would kill them if they thought to do me harm again and they have done this last night."

"Yes, My Child, I told you that they are slow learners. I told you that they would not learn. They took you up again and thought to force you back into time, but they did not succeed. I smote them with immediate blindness and confusion of mind. Thirty-Seven of Fifty are seriously ill and will die! They are in sick bay fighting for their lives but they will not make it. The other 13 will follow within two weeks. No, My Child, they will never succeed in using you to do their evil, but they will try and every time they try, I will kill more of them. Remember one thing, My Child. It is impossible for them to kill you. And, know this! I am going to use you to utterly destroy and to break NASA and the Luciferian space program on Earth. If they want more of you, let them come forth. For, I will annihilate every one. Area 51 is history. I, myself, will soon burn it to a crisp. Watch Me and you will see what I will do. Many eyes shall behold the smoke and the fire as I pummel it and bring it to an ashen mess. Next is Pine Gap Australia. When I am finished with it, nothing will be left but a sinkhole. Fear them not, My Child; for their days and hours are numbered. I am going to make a clean sweep of this space program. Mark My words! I am your Father in Heaven, yea Jehovah, Most High God."

"Father, I am coming back to you with more questions. When I was praying just now, in the Spirit I took Your sword to the Red Dragon, who appeared before me and I cut a hole in his chest. Then, I removed the sword and rammed it down through the top of his head. Father, what does this mean?"

"My Little One, it means a slow death to the Red Dragon; for by cutting a hole in his chest, you have cut out a piece of his heart. And with a piece of his heart missing, he is in great trouble; for his energies are going to be scattered and his life force is going to ebb."

"But, Father, what does all this mean?"

"My Child, it means that the Red Dragon is going to stumble. His energies are going to weaken. He is going to be hurting; for as they kidnapped you again to work for them, I am taking out the heart of the Space Program, which is area 51."

"And, what about the wound caused by the sword, which You had me put down through the top of his head?"

"My Child, who is the top or the head of the space program?"

"NASA, I suppose."

"You are in part correct, but the sword also went down through the top of the head into the body and out the anus of the dragon."

"Yes, my Father, and what does this mean?"

"My Child, it means this. Whether they go the way of the black road or the white road …"

"What do You mean?"

"I mean this: At this point, NASA and their cohorts in evil have a choice to use the technology given them for good or for bad. If they continue to choose evil, I will destroy them completely. As it is, I am going to destroy Area 51 and Pine Gap. IF they do not learn a lesson from this, I will further destroy them until nothing if left.

So, you struck them with My sword through the top of the head. The fury of My wrath is going to slice through every part of this space program from the top to the outermost parts of the bowels. Every part I am going to slice and dice. Every part I am going to destroy. They can change course and choose a higher road, which is based on truth, purity and light, or they will all be destroyed. Every one.

My Little One, even Russia knows that certain evil is just not permitted, while those at NASA never learned their lessons. But, they are going to and they are going to learn it because of the evil they have done to you. Be at peace, My Child. You will see many, many of them die, even as I have said. 70X70 and counting, but I will preserve and keep you, even in the most perilous of situations. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER SEVENTEEN - PART I

### "Get Spiritually ready for the New Day"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, in recent days, you have seen gale-force winds. You have seen the temperatures go from warm to very cold. In short, My Child, you have seen great changes in space of a few days."

"Yes, my Father, I have seen it."

"My Child, the whole world is on the verge of great and tumultuous events. From day to day, all will be shocked at what they see. The whole system, as you know it, is coming down. Evil, which has thrived in a great way and has gone unchallenged, is now going to feel the wrath of My judgement. Whole governments, which stand because of evil alone, are going to topple the world over. My Child, few realize that it is a New Day for My people, but I tell you again, it is a "New Day." It is a New Day for the oppressed and the poor. It is a New Day for the persecuted.

While I have tolerated much in the past, no longer will I tolerate the same kinds of things. No longer will I tolerate half-measures from My Loved Ones and no longer will I tolerate abuse of those, who really love Me. My Little One, few can imagine what I am about to do for My people the world over. Yes, few, My Child, for what I am about to do for Mine, the world has never seen.

My Little One, do you have questions about the so-called earthquake in the Richmond Virginia area, which affected even Washington D.C.? (This took place on December 9th, the day after the evil ones last kidnapped me and injected me.)

"Yes, my Father, I do."

"And, you know that I have shown you that this was no earthquake at all, but a huge underground explosion."

"Yes, my Father, you have shown me this."

"And, My Child, I have shown you that a huge underground base, which is a base for the evil workings of a shadow government within America, has been all but eradicated."

"Yes, my Father, You showed me what appeared to be an underground city, or a base."

"Yes, My Child and it is 67% gone and 98% un-operational."

"In other words, Father, this base has been destroyed."

"It has."

"And, many lives are lost."

"Yes, My Child, thousands of lives lost and some of them top military people and others with top-secret clearances, who are valuable to your government."

"Father, what brought about this destruction?"

"I brought it about; for this is the government hub, which has continually executed orders to kill you. It is the government hub, from which orders have been given to kidnap you and others and to kill many, who spread My truth. The eradication of this base is but My first step to rid the Earth of this plague of evil, which is out to destroy all good. But, even so, I am just beginning. I have warned them about what I will do to them for their murder attempts on you and others of My Loved Ones; and I have warned them about what I will do to their space program because of kidnapping you repeatedly and injecting you with all manner of things in an attempt to make you work for them. Oh, yes, My Child, many of them are now in the Pits of Hell and the Lake of

Fire and I am only beginning. Remember, My Child, that they are the ones, who set out to make war with Me for the truths that you have given. They are the ones, who have tried to kill you over and over for telling the truth and for saving the life of George W. Bush. It is they, who are and who continue to be the aggressors. Right now, they have swat teams in America to kill you and others of My truthbearers; but I tell you, My Child, that I shall kill the ones, who have sent them and then I shall kill the swat team. The huge numbers of deaths, which I am bringing among these satanic leaders and followers, shall soon be too many for them to successfully cover up. My Child, I have said it and I will speak it again. "You will walk through the blood of your enemies. Fear them not! But, if they have any sense at all, which most do not, they will get some fear into their hearts for what I am about to do to those, who continue to issue orders to kill you, to stalk you and to harass you. My Child, it is a New Day for My People and in My wrath, I am going to utterly destroy this evil. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER SEVENTEEN - PART II

### "The evils of the Dark Forest"

### "The Beautiful New Forest"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, see the dark forest."

"Yes, my Father, I see the dark forest and it is all around me. Wherever I go, I see a dark forest. There are thick briers with many thorns and the light is almost gone from

this forest. As I walk through this forest, I see, up ahead to my right, a dark door, like an opening to a mining tunnel. I walk ahead and enter the tunnel. And, once therein, I find a rock to sit on, knowing that darkness is approaching. Whispering to myself, I say, "Jesus is my Rock. Jesus is My salvation. He is My Hope."

And, even as I say these words, an angel of great light appears before Me and the whole tunnel begins to light up. The angel says, "Jehovah, Mot High has much work for you. Why are you so sad?" And, as the angel says these words, a wind whips up, closing the door and I begin to feel very cold. The angel takes a tongue depressor and holds down my tongue, while looking down my throat. As this happens, my vision carries me through the closed door of the tunnel and out into the dark forest. There in the dark forest is a witch, who stands before a pot, which is brewing over a hot fire. As the witch stirs the pot, she says, "Double, double toil and trouble. We will feast on Linda Newkirk for dinner." I gasp as the angel removes the tongue depressor from my mouth. As the Spirit of God carries my vision carries once more through the closed door, I see all manner of beasts, like hypos, tigers and snakes. "What is all this," I ask the angel? And, the angel says to me, "This is hell on Earth."

Now, pleading with our Father in Heaven, I say, "But, Father, why are you making me experience this and go through this right now?"

"My Little One, does the old saying not reveal that the ‘darkest hour’ is just before dawn?’"

"Yes, my Father, the old saying reveals this."

"And, My Little One, this year has been a dark hour for you, wherein you have seen great treachery. You have seen the worst of times. You have suffered murder attempts. You have been kidnapped several times, brought before Lucifer and his dragons, and you have been stalked; and constantly you have been pummeled with military mind control and military weapons. You have been followed and persecuted, libeled, slandered and stabbed in the back by so-called friends. Enemies have risen up against

you on many sides and your life has hung by a thread over and over. And, you ask Me, ‘What is the dark forest?’ My Child, this is the world and this is hell on Earth."

"Yes, My Father, You are right. There are few on the face of the Earth, who will not take a knife and put it into the back of another. Father, this whole world is rotten to the core, without a doubt. Some of the very worst ones are those, who say they love You. They are often the first to pick up a knife to stab another in the back. Father, as for me, I am disgusted with this whole system. Then, there are the witches and the warlocks, the workers of darkness, who are constantly on the prowl to make a meal out of me."

"Oh, yes, My Child, they are on the prowl and with their winter solstice coming up, they think to make a meal out of you. My Child, do you see the witch, who is stirring the potion in the caldron?"

"Yes, my Father."

"And, when you go out (in the spirit) and lift up her black robe, whose name is on the back of the shirt?"

"It is ‘Hillary Clinton.’"

"This is so, My Child. I want you to leave the cave. Go out in to the cold, pick up the witch and throw her into her own brew."

"Yes, my Father."

So, I push hard against the closed door; for the cold wind is fierce and as I do the door slams hard against the wall. Ahead of me is the witch. She has her back to me and she is chanting to the devil. I come up behind her, pick her up by the kicking heels and cast her headlong into the boiling pot. All I see are clothes and piles of fat and grease, which are floating up now on the surface of the boiling pot. I take her witch’s scepter and I break it and throw it into the fire. Up to the top floats now a ring with two hearts,

which are joined. On one heart is "Bill" and on the other one is "Hill." I stand back and shake my head, "Yea," I say to myself, "Bill put her on the hill."

"Now, My Child, look around you. What do you see?"

"My Father, I see that the briars are drying up and dying. Thorns are disappearing before my eyes. Light is coming into the forest and as I look ahead, I see our Lord Jesus, who is approaching me with open arms. I run through the forest toward Him with open arms; but I sense something slimy and hot, which is grabbing at my ankle. Looking back, I see that it is the skeleton of Hill, which has climbed out of the pot. The skeleton has red, glowing eyes and out of its mouth a demon says, "Linda Newkirk, you are a dead woman."

"Not at your hands," I say, and I reach down, grab the skeleton, wrap it into a knot and command it into the Lake of Fire. Now, as I stand beside our Lord Jesus, He says to me, "My Child, the dark forest is full of evil."

"Oh, my Lord, it is! And I want no part of it."

"Yes, My Little One, I know; but from time to time, you must go there to fight."

"Yes, My Lord, but I do not like it at all."

"My Little One, this is known."

"My Lord, what is this about Hillary Clinton?"

"She want you dead and has wanted you dead for a very long time. But, it is Hillary Clinton, whose days are numbered and they are few. She will leave this world in short time and far ahead of you. She has been working evil against you through her satanist practices for a very long time; for she and Bill truly hate you. And, as you have heard, so do the Bushes. But, it is not wise to hate someone, who has risked her own life to save another's, as you have done in warning of murder plots against George W. Bush.

So, My Child, as you have risked your life to save his and he is out to kill you, he shall soon die! My Little One, you are going to see many of your enemies meet the fiery lake and soon; for our Father will no longer tolerate these on-going murder plots and diabolical schemes. This is a New Day wherein the retribution of our Father against those, who seek to harm you, shall be immediate. You will not have to wait many years to see it. This retribution shall be quick and swift."

"My Lord and My God, I love You so!" And, I fall to the feet of our Lord Jesus, weeping profusely.

He kneels down beside me and strokes my head as I weep. Within a short time, I begin to feel very relaxed and feel totally at peace, like a small child, who is being tucked safely in bed at night. As I snuggle up to rest, I hear our Lord Jesus say to me, "You will swim the Holy River and you will go to greater depths than you have even known; for the profundity of our Father's words calls out to you."

"As I, like a very young child, begin to nod off, I hear myself say, "My Lord, I am ready." Suddenly, I awoke to find myself in a beautiful forest. Through this forest is a clean path and the path is well illuminated with a great light from above. Before me, the path is full of light and behind me as well. The trees are beautiful and all are very tall and full of greenery. There are no briars or thorns, no weeds or brush, only beautiful, tall trees, with a beautiful, clean, clear and well-illumined path. "Oh, My Lord, this is so beautiful," I cry out. As I look among the trees, I now see many, many angels. They are all dressed in white, and they have eyes of fire. All have swords and upon looking at them I feel so happy. Running down the path, I shout praises to our Father in Heaven. "Holy, holy, holy is His Name! Holy, holy, holy!" And, as I sing, the angels sing and the trees sing, "Holy, holy, holy is our Father in Heaven!" And as we sing, a fire of white light begins in the forest, at first coming from behind and then moving forth to touch all things. The trees become alight with white fire. The angels, the path, and I, myself, now alight with and blazing with this white fire. Oh, this is a wonderful thing and it takes my breath away. For, within this light is only beauty. Only joy and only that, which is pure. I sit upon a rock and creatures of the forest come to me. There are

rabbits and squirrels and birds and they come to me, some of the birds resting on my shoulders and I feel so greatly blessed that I begin to weep for joy.

A rabbit looks at me and he says, "Why do you weep?"

And, I say to him, "I weep tears of joy and I also weep for those in the dark forest. I weep for those in the caves and dens. I weep for those, who only know the briars and thorns. I weep for all of them."

"But, now is a time to rejoice," says the rabbit.

I reach forward, pick him up and hold him close. Then, many animals jump into my lap and it is so great to know their love. "My Friends," I say, "you have known the dark forest. You know how it is." And, they all nod in agreement, some saying, "yes."

And, as I look at my feet, there I see a little chipmunk, and he is breaking down and sobbing. "The whole world if ruined," he says. "The forests are ruined. The skies are ruined and the waters are ruined."

I reach down and pick him up and put him in my lap with the others. "It is not good to cry alone," the rabbit says to the chipmunk.

"No, my Precious Friend, it is not good to cry alone." And, I wipe the tears from the eyes of the chipmunk, now holding him close to my heart.

"Listen," I say to the animals. "Do you hear the heartbeat of the Earth. It is beating very slowly now and pretty soon, the Earth, as we know it, will die. There will come a New Earth. As we have seen a new and beautiful forest, so we shall see a new and beautiful Earth and there will be no more dark forests. You will not have to be afraid; for no one will eat you. No one will kill you; save they pay a great penalty. Dear Ones, we are now a part of this New Earth. It is in you and it is in me and the law of the New Earth is now in effect for those, who have pure hearts. Do you see? But, some, Dear Ones, even some of the Pure Ones made an agreement with the Most High to die at the hands of

the evil ones. These are the tall, beautiful trees; but worry not; for we will see them again in the New Earth. They will be kings and queens and priests of the Most High."

The animals begin to jump and shout, all talking at once and I say to them all, "We need to thank our Father in Heaven; for He is bringing us into the New Earth and its law, even while the old Earth is fading." And, we all kneel and in the silence of the forest, we all give thanks to our Lord and God for the awesome blessings at the time of this transition.

As the little creatures fade from my sight, one by one, the forest, itself, begins to fade and I awake at the feet of our Lord Jesus. "Oh, my Lord, what a beautiful dream!"

"But, My Child, that was no dream. The New Earth is in those, whose hearts are pure. It is the Pure of Heart, who will inherit the New Earth. You are now receiving your heritage, not years from now, and the law of the New Earth is in effect for all the Pure of Heart, save those, who have chosen martyrdom. Even these will not feel the sting of death."

"Oh, my Lord, this is so beautiful and I do not even know what it means."

"My Child, the law of the New Earth, the single law, which is operant is the Law of Love. You know this law and it is to love our Father with all ones' heart, with all ones' mind, with all ones' soul and with all ones' strength and to love another even as you also love yourself."

"Yes, my Lord, I know it."

"My Little One, those, whose hearts are pure are full of love and righteousness. They choose truth and honor Me as Saviour. They put our Father first and seek His will in all things. But, My Little One, these suffer mightily; for the whole world hates them. People hate them and stick a knife in their backs over and over. But, these do not retaliate. They continue on and speak only the truth as much as they know the truth to be. But, My Child, as you have been told, it is a New Day. The law of the New Earth is vibrant in

the Pure of Heart and this law states that if any would harm the Pure of Heart, they shall die. This is the heritage of the Pure of Heart and this heritage is now.

My Child, you have seen the fakers over and over. You have seen those, who tell you they love you and they pick up knives and stab you in the back. You have seen this many, many times and now you expect this kind of thing."

"I do, My Lord; for the whole world is a dark forest."

"Yes, my Child, it is, but even so I am elevating the Pure of Heart to new levels and, 'Yes,' My Child this does have to do with the splitting of the veil and with the establishment of My Kingdom in Earth. Therefore, My Child, you will see many world leaders and high-level satanists drop dead; for they will collude in attempting to kill you over and over. But, you will do only as the Spirit of God has you to do. Understand?"

"Yes, My Lord."

"Now, My Child, there shall be more given to you on this very topic and it shall be for the Pure of Heart."

"Thank You, My Lord."

"Now, My Child, you seek to clarify one thing."

"Yes, My Lord, it is about the "capture" of Saddam Hussein."

"And, My Little One, what has our Father told you?"

"He has said that it is a well-orchestrated lie."

"This is so."

 From The Mountain Prophecies Copyright 2003

"Do not believe what you see; for all is a lie."

"So, do they have the real Saddam Hussein."

"He is real to them and for their purposes; for they believe their own lies. But, is he the real Saddam Hussein? The answer is ‘no;’ but just as they got away with all, and just as they got away with the Patriot Bill, they will carry out this phony scam to the highest levels. But, will the Arabs be fooled? Only for a short while. Will the rest of the world be fooled? Yes, for a long time. And, with this, we shall stop for today. I am your Lord and Master Jesus, heir to the New Earth."

# CHAPTER EIGHTEEN - PART I

## "The Good and the Bad of 'Christmas'"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, do you see My Son, who is seated on the bench in the beautiful forest?"

"Yes, my Father, I see Him."

"My Little One, go and take a seat beside Him."

"Yes, my Father."

So, I go in the Spirit and our Lord Jesus, awaiting me, turns to greet me. "Come, My Child, and sit beside me that you and I might proceed."

And, feeling as light as the wind, I am drawn to Him through the Spirit of God and such joy fills my heart; for He is so beautiful. He is so full of love and mercy and I love Him so. I fall on my face at His feet and do not want to be moved; for it is at His feet that I find such peace and comfort. I long, from day to day, just to be near Him, to even behold Him in the passing and it is such a beauty and joy to be at His feet.

"My Little One," He says, "Come hither. Take you seat beside Me; for I have keys for you and mysteries to unravel."

"So, I arise and take my seat beside Him and suddenly I find myself with Him on a sleigh, and pulling the sleigh are two reindeer. I feel a bit of apprehension about this sleigh and these reindeer and He knows what I feel. But, before He can say a word, I ask, "My Lord, why have You put me on this sleigh with these two reindeer pulling it? You know all the myths, which have crept into this season. It has become a time of fantasy. It has become a time of the occult. It has become a time of merchandizing. My Lord, it is supposed to be Your birthday and it is not; but is a time of worldly traps and

 From The Mountain Prophecies Copyright 2003

feasts and more and more lights and pagan trees. My Lord, it is a sad time for me and while I love You so and want to honor Your birthday I cannot honor this worldly event."

"My Child, I know how you feel and I know why you feel this way; for in years past I have shown you the truth about what is called Christmas. And, the truth is that few honor Me in this event at all. Some say that they do and they call it the Spirit of Christmas, when in fact, it is the Spirit of the World that they honor. And, you are right, My Child, the date is not the date that I was born into the Earth, but an occultist substitute. Nevertheless, My Child, in spite of all the illusion, I honor the good that is done during this time and during any day of the year. But, the real Spirit of Christ, My Child, is a humble heart and a contrite spirit. This is the real spirit; for in this spirit all can be taught and all can learn."

"But, My Lord, why are You carrying me on this sleigh at this time?"

"My Child, it is to make this point to you, that all that comes out of Christmas is not bad, but much good also. So, I take the good, My Child, and I use it for the benefit of My people. Understand?"

"Yes, My Lord."

"But at the same time, I am keenly aware that for those to proclaim that they honor Me at Christmas when they ignore Me the rest of the year is a waste of time. For, if one does not know Me the rest of the year, I do not know one on this one day. Understand?"

"Yes, My Lord."

"Now, My Child, do you have questions about the last vision?"

"Yes, My Lord. I was in the cave and the angel put the tongue depressor down my throat. Then, I saw through the closed door of the cave, and outside was Hillary Clinton with her witch's brew. I ask you, My Lord, what does this mean?"

"My Child, what happened immediately after the angel put the tongue depressor into your mouth?"

"I looked through the closed door and saw Hillary Clinton working her witchcraft."

"My Child, what is her witchcraft?"

"She wants me dead."

"She does. This is so and has wanted you dead for a long time."

"But what does this have to do with the tongue depressor?"

"My Child, she is among those, who have set out to silence you, and any way possible. Yes, this woman is a serial killer and how clever of her to be now on the armed services committee. How clever, when she can give orders for more military weapons to be used against you. But, I have a little surprise for Hillary. She is going to be the recipient of her own brew. She is going to fall into her own brew and it is going to cost her her life. She means for you to be killed; but she, herself, is going to die and when this time comes, I will send you to pull her up and to throw her into the Lake of Fire.

Yes, My Child, these evil ones have millions of dollars. They have billions and they have huge houses and multiple residences and servants of every kind and they have networks of power and in their back rooms, they cut shady deals to annihilate all opposition. And, this is the way they all operate. It is about murder and mayhem and power and intrigue. This is how they do and they kill, kill, and kill and get away with the killing. But, they come now between a rock and a hard place; for they have sent many to kill you and you are alive. They are mystified and frightened; for their big boss kidnapped you, ordered your death and he is dead, instead of you. They see their comrades dying around them and they are becoming all the more determined to get rid of you. But, My Child, what is happening is that I am making you a stumbling block for those, who would try to harm you. Already, many, many are dead. Many are insane. They are sick and dying among those, who kidnapped you. Yes, My Child, they had it

all figured out. They had it all planned out how they would trick you into working for them, keep you their slave, use you up and kill the real you in due season. But, in the interim, they would substitute a cloned robotoid for you. This would be the end of Linda Newkirk and the end of White Buffalo Calf Woman. But, My Little One, they forgot whom you work for. They chose to forget the power of our Father in Heaven. So, He has come forth, My Little One, with great revenge against them. Now, two underground bases are finished. They are history. But, our Father in Heaven is going for the jugular of Lucifer. He is going for the total destruction of his space program on this Earth and outside of it. The vastness of this, My Little One, you cannot understand. But, know this. Any and all, who come into contact with any facet of the so-called cloning of you is history. Madness, insanity, incurable, fatal, sudden diseases and death shall hit them all. You have received a report of insanity hitting many scientists at Livermore National labs. This is true. And, why do you believe it to be true?"

"My Lord, it is because of the part they have played in what was done to me and others."

"This is so. You have been told as much by our Father in Heaven, My Child. It is all so. Now, a great madness has taken place therein, wherein many have gone absolutely mad. Many are dead through sabotage and murder. A severe explosion has taken place therein as well. And, this is underground base number two, which is all but history. My Little One, it will not be long before all see the smoke and fire of Area 51, and other underground bases will follow. As for those at the highest echelons of this government, who ordered the capture and cloning of you, aside from the black pope, you will see them openly become more and more insane and you will see them perish. Those are high-level people and Hillary Clinton is one of them. This is why her days are ebbing and George H. W. Bush is another. His days are all but gone. He is history and His Son shall follow. In addition, My judgement is upon the house of Windsor in a great way. You shall soon see this evil empire crumbling at the seams. My Little One, as our Father has said, 'It is a New Day for His people!' And, My Child, you know this is true. Now, My Child, you have questions about the sealing of the 144,000."

"Yes, my Lord."

"And, you know, My Child, that it is now 99% complete and will be finished within few, short days."

"Yes, My Lord and I know what comes next."

"You are correct, My Child, and this great nuclear catastrophe is looking the world in the face."

"My Lord, I know. The Russians and Chinese are sending missiles into America. Those in customs are finding them and they are losing their jobs."

"This is so, My Child and this is the case before any invasion or attack. The enemy gets their troops and supplies in place. This attack on America is being orchestrated at the highest levels of this government by the satanists. Foreign troops are already all over America. There is being planned, as our Father has told you before, a wide-scale terrorist attack on the infrastructure of America! Richard Cheney, Bush Sr., Rumsfeld, and others are in deep study as to the incoming terrorist attacks they are planning. Know as well, My Child, that with most of your troops out of America, they rationalize that you will welcome the foreign troops, who will go door to door, picking up the American terrorist dissidents. As the world and the American population rides along on the so-called Saddam Hussein victory and while this is taking up the news, they are busy planning a series of multiple terrorist attacks on America. As you are well aware, they have cried wolf so often that the Americans no longer believe at all. So, when these attacks occur, they will say, 'I told you so.' These missiles from China and Russia will be used on targets all across America. This is their plan to further weaken you and to terrorize you into giving up more rights and to make you ready for the nuking. The targets include dams, bridges, nuclear power plants, railways, ammo storage facilities, national parks, subways and ports."

"Why national parks?"

"My Child, for years, they have steadily been claiming more and more national parks for their own purposes. This is to gain control of more and more of these parks for

 From The Mountain Prophecies Copyright 2003

reasons that they are dens for terrorists. And, My Child, as our Father has told you, these are already many hundreds of thousands of foreign troops all over America. Hundreds of thousands and they are ready to be mobilized by Bush, all for your protection. Just know, My Child, that the Bushes, the Cheneys and their counterparts are right now planning a string of terrorist assaults against America, with the purpose of destroying the infrastructure of America."

"My Lord, what can be done?"

"My Child, if all would repent and pray, some could be averted. Even though our Father has torn up His contract with this evil government, He has not torn up His contract with his people and never will. So, as you have been told so often, My Child. Repent. Repent and pray and the plans of the enemy can be averted."

"Oh, my Lord, the evil never stops."

"And, it will not until My return. Then and only then will all know and understand the meaning of the New Day."

"My Lord what blessings are inherent in the sealing of the 144,000?"

"This sealing signals the coming of the Supernatural Army. This sealing means that soon the 144,000 will receive supernatural bodies. They will not die. This sealing means also that grave war and destruction is at hand. This sealing sets into motion a course, which will not be altered. It is a course of horrific death and destruction. From here on out, many events will be altered through the prayers of the righteous, but the outcome is still the same. Death, destruction, chaos, the world over. But, remember one thing, My Little One. This is also a time wherein our Father in Heaven will be pouring out miracles and blessings as never before. It is a time of great hope for My people; for truly it is the dark hour just before dawn. I am your Master, My Child, I am your Lord and I am Saviour of all mankind. I am Jesus, yea Yeshua."

"My Lord, before you go, I have one question. In the beginning of this message, You told me that you have keys for me and mysteries to unravel. My Lord, I see how You have unraveled the mysteries, but what do You mean by 'keys?'"

"My Child, I am the key to salvation for all of mankind and from Me proceed many keys to our Father's Kingdom. For any to receive these keys, they must first go through Me to get to our Father. Understand?"

"Yes, my Lord."

"And, you have long since gone through Me to get to our Father."

"Yes, my Lord."

"And, so My Child, you have received many keys."

"Yes, my Lord."

"But, the keys that I mentioned at the first have been imparted to you without your conscious awareness and they hang at your side, but you are unaware of this."

"Yes, my Lord, I see them and they are all bathed in and surrounded by purple light. What are these keys, My Lord?"

"My Child, they are they keys you will need to guide My people through the very difficult times, which they are facing. When the time is at hand, you will know which key to use. These are powerful keys, which will open the hidden and unknown to My people. Understand?"

"Yes, my Lord."

"And, with this, we shall stop. I am your Master Jesus, yea Lord of Earth."

## CHAPTER SEVENTEEN - PART II

### "Father, judge this evil!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Listen to Me, My Child, when I say that the whole world is on the brink of a disaster of unparalleled proportions."

"My Father, I see a great red area and it is like a red star with many points, or even a red explosion. I am now standing within this red star and I am in a desert area. The wind is fierce and grains of sand are pummeling me in the face. The pieces feel like glass and they cut into my skin. This is a fierce storm and all around me is this red light. This red light does not burn me, but seems as if it should burn. Up ahead, I see two Arabs and each is fighting with a sword. As they fight, one does acrobatics and turns and dances with his sword. He does cartwheels, turning himself upside down and all around, each time landing on his feet and each time cutting a deep gash in the other Arab, who seems confused and caught off guard. After a while, the Arab with the gashes, who is cut and wounded, but shows no blood, turns and walks away, disappearing into the red light. The remaining Arab sits, takes off his mask, rips off his military clothes, and across his head is written, "CIA." Under his battle armor he is wearing a business suit. This CIA/fake Arab takes a flask and drinks from the flask, and on the flask are the words, "CIA/Arab front." I watch this man drink from the flask and as he gets up to leave, I see on his back the words, "I am a Rumsfeld whore. Killing and stealing is my way. I am a killer, a liar and a thief. Al Qaeda am I." Then, he disappears into the red light.

Sitting now on a rock in the red light in the midst of the blowing sand, I kneel and begin to cry out to our Lord and God. "Our Father, I am so ashamed. I am so ashamed to belong to a country like this. I am so ashamed to be a part of any land, which sponsors worldwide terrorism and blames it on innocent people, all to control and rule the world. My Father, I am ashamed of what this land has become. I have love in my heart for the people, who have been victimized by liars and schemers for so long. I have love in my heart for them, Father, and I am begging for the salvation of all of them. And, at the same time, Father, I am begging You to punish those in the CIA, the FBI and the leaders of this country, who lie, kill and steal, all for power and control. My Father, I know that America is under Your judgement and it should be. But, Father, what I know from Your past warnings about the USA's bombing of Bali, about the USA's recent bombing of Saudi Arabia and then making it look like Al Qaeda, makes me feel ill. Father, I am disgusted with these lies. I am disgusted with all the killing. I am disgusted, Father, and I am begging you to judge this evil. Father, it must be judged; for it is eating up and devouring the whole world. I am disgusted with those, who lie and steal and kill and say at the same time that they love and serve You. Father, this world is full of lies. It is full of evil and no more can I ask for Your mercy. But, Father; Oh Father, I ask for salvation of the lost. I am begging for salvation of these Arabs. I am pleading for salvation of the Chinese and Japanese. Father, help us to reach these people with Your words. Help us, Father, for time is running out. And, help us, Father, to reach the Native Americans, as well as those from India. Father, these are Your words and only You can open these doors. But, even as I beg You to judge this evil, I am also begging for the salvation of the greatest numbers. Help us reach them, Father."

"My Little One, the truth of the fake and staged Al Qaeda attacks will soon emerge. The whole world is going to know that it is the USA and none other, who is staging the fake Al Qaeda attacks. It is the USA government and their Israeli and English allies, who are creating terror all over the world. They have the reasons to do so, not the poor and unorganized Arabs, whom they are blaming. I will bring this out before the whole world and soon the wrath of the world will be turned against the Bushes and Cheney and Rumsfeld. The wrath of the world will be turned against the Queen, against Sharon of Israel and the terrorist allies around the world. Yes, My Child, they plan to conquer

and rule the whole world through their antichrist and false prophet, but I tell you, My Child, that they are all headed for trouble. They are all headed for a great and horrible trap. For, I am raising up enemies all over the world, enemies to their plots, enemies to their schemes, who will see through them and who will not go along with them. My Little One, as I have told you so many times, even as this evil system is going up, it is coming down. You will see that this is so.

Yes, My Child, the recent earthquake in Iran was an act of war. It was caused by a military weapon at the hands of the rogues, who are running America. Surely, there are many earthquakes all over the world, which are caused by the approaching planet, but this one was man-made. It was/is an overt act of war against Iran, just as the bombing of Riyadh was an overt act of war against Saudi Arabia. What you see, My Child, is the New World Order plan of the USA, Israel, England and other countries and this plan is to bring down the whole world through orchestrated plots of terror. The USA is the terror capitol of the whole world. The USA has created and orchestrated more terror through their covert operations of the CIA, the FBI and other dark agencies than most of the world combined. Now, the USA has teamed up with Israel, England and others and this is terror on a worldwide scale. My Child, matters all over the world are going downhill from here They are going to escalate. These evil ones will use whatever weapon they have to conquer and defeat the whole world, including scalar weapons and nuclear weapons. The red light, which you see in the desert, is a scalar weapon. Before they will be stopped in their bid for the New World Order, they will kill all life. They have stolen the nuclear keys of the USA, which are now in the hands of Rumsfeld and Cheney and they will use them as they see fit. Make no mistake about it, this is 'Star Wars' against the whole world; for more and more will use their antigravity machines and their particle beam/death rays. My Child, this terror is going to escalate and more and more countries are going to enter into this terror war against America, against Israel, against England. A bloody, world war, the likes of which you cannot imagine, is at hand. Know that this is coming, My Little One. It is escalating. For mad men are running the world. Mad men are running the USA. Mad men are in control and madness, more and more madness you will see. There are no restraints on them. Only I and I, alone, can bring an end to this evil. And I tell you that the passing of this planet shall destroy much of it. But, this will not stop them. For out of the ashes of this World

War III, out of the ashes of destruction, their two-faced black bird will rise. But, I tell you now that he will not have an easy time of it. No, My Child, he will not. Nevertheless, he will rise."

"My Father, I know that you must judge this evil and I am begging You to do so, or there will be none left."

"My Little One, 2004 will be a year of hell on Earth. Mark My words on it. It will be a hellish year, so all be warned. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER EIGHTEEN - PART III

### "A War that lasted all night! And, Lucifer tricks them all!"

"My Father, Oh, my Precious Father in Heaven. My very soul cries out to You today. My heart mourns, my Father, It is as if my very body is bleeding from war and more war. Father, what happened last night? From around 1:00 AM until I got up at 7:40 this morning, I was in the Spirit fighting. I was up from around 2:30-3:00 AM praying, then back to bed, with more and more wars. Father, I do not know what happened, but the war was so great and the evil so thick. The evil plans of the enemy, which they had solidified, were destroyed at many levels, but Father, this is not all. It is only the beginning of a very great war and I do not understand all that I went through, but I know that many evil people were destroyed last night."

"My Little One, you are one of My mighty warriors on this Earth. You have been on the front lines for many years and I have positioned you in this battle in such a way that you will be on the front lines for long as I leave you in the Earth. My Child, much did happen last night. It was planned to be a night wherein many of you would be assassinated. But, instead of many of you being assassinated, many of them died instead. My Child, these orders have been given by Lucifer, but he knows that he cannot accomplish them; for I wish certain ones of you to live and as long as you obey Me and put Me first, you will live. As for the numbers that died mysteriously last night at my hand, these numbers were many hundred and they were all involved in the on-going murder attempts of you and others of My Loved Ones, such as Stew Webb and Jeremy Floyd."

"But, Father, what was stopped? What was it that they planned last night, that also involved the underground bases and some kind of time capsule, or something?"

"My Child, just know one thing. They had devised a scheme to blast more holes into time and their equipment and base was utterly destroyed. With it went many, many people. This scheme involved bases both under the ground and under the water as you have been told. And, yes, Pine Gap in Australia was involved! But, this scheme, this plan to create this massive destruction, was stopped. In was foiled. They will not be allowed to blast more holes into time and each attempt will be met with great death and destruction for them."

"Father, who were all these people that I kept fighting? There were so many and I knew that many of them died!"

"My Child, they were the same Luciferians in high-level positions of power all over the world, who have ordered your demise for quite some time."

"Father, have these evil ones cloned me?"

"They have tried, but everyone, who has had anything to do with this cloning is either insane, dead, or dying. This is the curse of Linda Newkirk/White Buffalo Calf Woman.

They have in their hands something, which dooms them all to insanity, sudden death, plagues and bizarre circumstances. My Child, this very thing that they have done is such a great curse upon them that many, many are already dead or totally insane. This thing that they have thought to do to you is going to take out an entire scientific community. It is going to take out leaders, who are going to go insane and/or die right in front of the world. Mark My word on it, My Child. They have brought curses of indescribable severity down upon their very heads and they are reaping great destruction. Now, My Little One, I have given you a vision earlier, wherein I have sent you through a very dark door."

"Yes, my Father, and I have asked you about things that took place last night. And, you sent me through a very dark door. And, I saw a hallway with rooms on either side and a leader of a nation was in each room. Then, I saw Lucifer go into each room and he empowered the leader in each room. He touched each leader and told each one that he would make him the antichrist. I did not see him go into all rooms, only a few, but I clearly saw him impart power to George W. Bush and tell him that he is the antichrist. Then, to Putin of Russia and the same message was given to Putin. Then, to Prince Charles, making him also the antichrist. Then, to the leader of China, the same and to the leader of France the same. And, I know that there were more, but at this time cannot remember them all."

"Yes, My Child, there were others and it does not matter so much who these were; but what is important is that Lucifer empowered many to be the antichrist. This is what is important."

"Father, as You have told Me previously, the 144,000 were sealed on December 27th, 2003. At least, this was the completion of the sealing."

"This is so."

"So, on the heals of this, Lucifer gives many power to be the antichrist?"

"This is so."

 From The Mountain Prophecies Copyright 2003

"What does this mean, Father?"

"It means chaos. It means great destruction. It means terrible war. It means terrible times for people the world over."

"But, why were they trying to blast another hole in time?"

"To override My orders. To do as they very well please without regard for any laws. This is why they lost more underground facilities and will lose more still. For, I will utterly destroy all their so-called 'time machines.'"

"Well, Father, it looks like the particle accelerator in New York will go."

"And, sooner than most realize. Know one thing, My Child, Even as their system is rising, it is falling. I am clipping the wings of Lucifer and the fallen ones and they are roaring with anger. And, I will allow certain devastation for the people are so evil, but certain things I will not allow and they are going to quickly figure this out. Yes, My Child, many of them died last night. Many. But, the world will not be made aware of these things. However, just know that these things have come to pass. But, this is truly only the beginning. Soon, I shall send an earthquake right through the Vatican and this is only the first obvious physical sign that I am destroying the power base of Lucifer. Just know one thing, My Child. I will never leave or forsake My Loved Ones, but will use My very own over and over to utterly and completely destroy the plans of Lucifer."

# CHAPTER NINETEEN

The following excerpt was taken from "A Message for you", which was posted on this website, on January 04, 2004. Many of you have read this warning, but you have not read what follows it. Read on for some very revealing information!

## "Imminent Plot to Blow up a Nuclear Power Plant in the State of New York"

### January 04, 2004

Our Cherished Brothers and Sisters, it is with a sense of urgency that we come to you today! Within the last two weeks, or so, our Father in Heaven has told me of plans of the evil ones in this country to try and pull off another "911". However, He states that what they have planned this time will make "911" look like child's play.

As I was praying today, I saw a large nuclear explosion in the Northeast part of the USA. As I prayed for more discernment regarding this nuclear explosion, our Father in Heaven gave me a vision of a nuclear power plant on a river and I heard the word, Catskill. From this brief bit of information, I knew that the power plant must be in the state of New York, but was not altogether sure. I passed this information along to Stew Webb and he came up with some information, which seemed to point toward Indian Point Nuclear Power Plant in New York State. While I am not altogether sure that this is the plant, I feel comfortable is stating that this planned attack is against a nuclear power plant in the state of New York.

With this much information, I went back to our Father in Heaven in prayer and He showed me a vision of Richard Cheney, who was looking at a map, and planning this great devastation. Alongside of him I saw Donald Rumsfeld. I did not see the Bushes, but it is surely understood that they would know very well what is going on. I asked our Father in Heaven why they wanted to target New York and New York City again and He told me that they are facing such horrendous economic problems that they want to destroy the economic seat of this country. This would surely set the stage for increased

martial law across America and would set the stage for them to bring foreign troops into the streets of America as well. It would also serve to blind the people of this country to the serious economic plundering that they have done in America.

This is horrendous and we must each get into serious prayer right now before our Lord and God begging Him to intervene and stop this scheme and bring these evil ones to justice.

The following is a most interesting dream, which was sent to us on January 06, 2004. The dream would have been given to Jackie on January 05, 2004.

Comments: Hello! I have had dreams that foretell events, since I was very young. Most of the time I don't put two and two together until much later. I read your latest message about the power plant and realized that last night's dream reinforces what you have seen. The main message was "2 bombs for 2 brothers", They were to be set off up-river from a large city surrounded by rivers/canals (like Manhattan Island). From where I was watching, up in the hills, I could see a river but also there was a lake. The other thing that made me write you was a mural that I saw on one of the city's buildings. It was a profile of a Mayan chief with Quetzal feathers, thus connection with Indian Point power station. Thank you for keeping us informed. Please pray for us all and my family-who do not want to even think about any of this!!
Name: Jackie

Jackie,
You have provided very valuable information in sharing this dream. I, too, saw a river, which was connected, to a lake and this is what I told Stew Webb to look for. I saw the mountains and heard the word, "Catskill," which is a chain of mountains in New York, but I did not know at first which power plant could be involved. But, this amount of information was enough to help find what appears to be the right plant. "Two bombs for two brothers" is most interesting and we know that there are two brothers, who were used to steal the presidency and to bring about a coup in this country! These two brothers are, of course, Jeb and George W. Bush! The large city is obviously New York

City! And, the Mayan Chief is a beautiful clue in identifying the placement of these bombs.
Dear One, keep a record of all your prophetic dreams and share them with others; for you may help to stop disasters and in so doing, you will also strengthen your own faith. Thank you for giving this understanding; for it reinforces and clarifies the truth of their plans!

In view of this dream and in view of what happened below on the sixth of January, I am led to believe that they most likely had their terror attack on New York and New York City planned for January 06, 2004. But, just because they failed this time, does not mean that they have shelved their plans. To the contrary, they are just regrouping and will be back for more of the same. What horrendous and perilous times we live in and what a great tragedy that the masses do not even know what is going on!
Read on!

**"The Cheney-Bush Retaliation for the above warning!"**

**Few have heard it in the news!**

**January 06, 2004**

Early in the afternoon of the 6th of January, at around 1:00, or so, a Precious Sister called me from another state to alert me to the fact that a chemical plant had blown up very near to where we live. As I understand it, this explosion happened at a chemical plant in Conway Arkansas around 11:00 in the morning and I would not have known if she had not called. After she called, I contacted a neighbor, who told me to be alert because the heavy chemical cloud was headed right for us. I looked out the window and immediately I saw this black, chemical cloud, which appeared to be about a mile or so away. This was not good; for we have been having winds out of the North for about three days, or so, and these Northerly winds were bringing the cloud right in our direction.

Immediately I began to pray in the Spirit! Soon, I saw the wind stop altogether and then within very few minutes a strong westerly wind came in and began to blow the poisonous cloud off to the East. This was the most amazing thing and such a beautiful

miracle from our Father in Heaven! Praises to His Holy Name! The chemicals that were meant for us never touched us! Glory to His Name!!!
As the black cloud began to move off to the East, I began to pray to our Father in Heaven about the explosion in this chemical plant, and our Father in Heaven advised me that this explosion was planned. It was a well-orchestrated event. He then revealed that this explosion was a retaliation of the Bushes, Richard Cheney and his warlord Donnie Rumsfeld in the Pentagon, all because of my writing our Father's warning and exposing their plans to blow up a nuclear power plant in New York.

In looking for their satanic signature, I began to add up the numbers of the date. The date is 01-06-2004. These numbers, when added consecutively all add up to 13. 1+6+2+4=13. As you should know, 13 is one of their favorite satanic numbers and you should know by now that numerology and astrology all figure heavily in all their satanic plans. (I thank David Meyer of http://www.lasttrumpetministries.org for writing so many excellent newsletters about occultism in the US government and how to identify their satanic symbolism!) In addition, as I understand it, the explosion happened around 11:00 this morning, eleven obviously being another one of their favorite numbers, which we well remember from the horrors of 911.

The attack on this chemical plant is just one more act of planned terrorism against America, one that they pulled off because their plans were revealed against New York and New York City. And, being furious that they are unable to carry them out, they blew up a chemical plant near us in clear retaliation! Yes, this is the hi-jacked, satanic government of America in action!

This chemical cloud, which was meant to come right over our house, did not! Praises to the Holy Name of Jehovah Most High; for He is able to protect His own. Twenty million people in New York City are still alive, but unfortunately several are injured in Arkansas because of this explosion. The culpability for this crime leads right back to the terrorists at the head of this government. This is a tragic time in the whole world, but you have been warned that it is going to get much worse!

Get on your knees and thank our Lord and God for intervening so far and for stopping the devastation that they have planned for New York! Pray for those, who have been injured in this needless act of sabotage and destruction. Then, beg our Father in Heaven to judge these evil hoards, who are destroying this country and the whole world. Dear Ones, get serious with our Lord and God and stay serious; for in due season, you may need a west wind!

Praises to the Holy Name of our Father in Heaven, Jehovah, Most High; for He is our Everything!

# CHAPTER TWENTY - PART I

## "MOTHER OF ALL WHORES"

"…come hither, I will show unto thee the judgement of the great whore that sitteth on many waters. 2. With whom the kings of the Earth have committed fornication, and the inhabitants of the Earth have been made drunk with the wine of her fornication. 5 And, upon her forehead was a name written:"Mystery Babylon the Great, The Mother of Abominations of the Earth." 6. And, I saw the woman drunken with blood of the martyrs of Jesus… 9. The seven heads are seven hills on which the woman sits.
-- Book Of Revelation, King James Bible, Chapter 17

His real name is Karol Woityla, but almost everyone knows him as Pope John Paul II. What few realize is that this man was formerly a chemist, but not just any chemist. He was a chemist, who manufactured cyanide and then sold it to the concentration camp at Auschwitz, specifically to kill Jews and their families. One would think that after the war, this man would have been sought out and put to death for the many hundreds of thousands, if not millions that he helped to kill at this camp alone. But, this was historically not the case. According to public information, this man, Karol Woityla, was taken in by the Catholic Church in 1946 and quickly became a priest in this church. In 1958, this Dr. Death of Auschwitz became the youngest Bishop of Poland. And, quickly he rose to take over the Papacy when after only 33 days in office, the last Pope was murdered.

Within the last few days, I have received much information, which relates to the rise of Hitler, which was made possible by the huge support of the Catholic Church and I deeply thank our Dear Friend, who has so graciously supplied this information! In fact, one of the articles states that when Pope Pius XII was cardinal, he signed a concordat with Hitler. This concord denoted a writ of total accord and this concord apparently meant that Hitler was a servant of the Pope for life.

In one picture of Pope Pius XII, he had two raised fingers, which are supposed to represent his claim to power over the secular world and the church. Whom have we seen raising these two fingers ( the index and the middle fingers together) in recent years?

From this research, which was given to me, I also read that Hitler and all his staff, including the entire SS were all Catholics! Is anyone surprised yet? The "fake Jews" and the Catholics, Satanists by two different names, out to destroy all of humanity!

In view of this information, which is readily available on the Internet, no one should be surprised in the least to hear that the Pope is calling for a New International Order. The following is an excerpt from his speech as posted on the Vatican website on January 01, 2004: "More and more, we see the necessity of a New International Order, that is the fruit of experience and results achieved in these last years by the organization of the United Nations; a system able to give suitable solutions to the current problems, based on one society's integral development, on the solidarity between rich and poor countries, on the sharing of the resources and the extraordinary results of the scientific and technical progress."

Does this sound like your cup of tea? Or, like the New World Order mumbo-jumbo that it is? For, the discerning, however, there should be no doubt about the stance of the catholic hierarchy in the building of this Nazi/Satanic New World Order! From the mouth of the Pope is the evidence in his own words!

The obvious goal of the Roman Catholic Church is a one-world religion, which all the churches will obey. Through their inquisition, they have strived to do away with all Protestants for hundreds of years. The inquisition never went away. It just went underground. Through their Jesuit organization, the Catholic Church has infiltrated every major religion and every facet of governments worldwide. This push to control the world and to control all people through a one world religion is an old one, indeed; but is now coming to fruition!

 From The Mountain Prophecies Copyright 2004

In recent days, especially since the death of the Black Pope on the 13th of November, 2003, a stream of high-level members of the Catholic Church from all over the world, as well as leaders of other religions and lay people, have flooded the Vatican. The push is on the get the one world religion organized around the dictates of the Roman Catholic Church! And, as I understand it, many in secular positions from around the world have been called to the Vatican to receive their particular position in this one world religion!

## SINCE THE DEATH OF THE BLACK POPE

According to information, which comes to us regarding the Vatican website, the last time the Black Pope posted a message to the people was on the 11th of November, 2003. Since he was struck down on the 12th of November and cast into the Lake of Fire on the 13th of November, there has not been a single public mention of his death in any news around the world as far as it can be determined! Since that time also, the Pope has ordained many new leaders in the Catholic Church around the world. Earlier information on the Vatican website showed that the Pope recently nominated 33 cardinals on one single day!

As I understand it, on the 16th of December, six new cardinals were appointed to the Vatican, itself, with one from each of the following countries: Italy; Sudan, Japan , and Spain and two from France. One is left wondering if these most recent cardinals have been appointed to the Vatican to replace those, whom our Father in Heaven vowed to take down with the Black Pope. As I understand it, the cardinals are appointed for life, and if this is so, whom did these most current cardinals replace in the Vatican?

It is interesting to note that on the 12th of November, 2003, Pope John Paul II gave a message, which was centered around the death of St Francis of Assisi. On the 13th of November, the White Pope celebrated a mass for the cardinals, the archbishops, and the bishops, who died in the last year.

In view of our Father in Heaven's words that He struck down the Black Pope and 69 others would follow, I am including the current information about recent known deaths

in the Catholic Church. I do not know if these represent any of the 69, but I am including it for your information.

Papal Nuncio Michael Courtney, 58, an Irish national, was killed as he was traveling by car in the south of Burundi. He was reportedly shot dead by rebels. He was a Vatican ambassador. Dec 30th, 2003

On December 18th, 2003, the Vatican listed the following as deceased:

a. Bishop Panlos Tzadua … Ethopia
b. Bishop Joseph Anthony Ferrarario, Honolulu HI, USA
c. Bishop Luiz Roberto Gomes de Arruza Guajara-Mirim Brazil
d. Bishop Johannes Sudiarna Hadiwikarta, diSurabaya Indonesia
e. Bishop Augustine Eugene Hornyak, O.S.B.M. Esarca Apostolico (Jesuit) Great Britain
f. Bishop William Edward Power Canada
g. Archbishop Fernando Vargas Ruizde Somocurcio, S.I. Arequipa Peru.

On the 5th of January of 2004, Pope John Paul, II announced that the "Meditations of John Paul II" will be released next May. It is reportedly a book of "deep, religious reflection" of the Pope. This same Pope, who has had two confrontations with death, states that the "Holy Mother" saved his life!" There certainly would be no need for this man to give any glory to God Almighty; for he is, after all, god on Earth!

Because the hour is exceedingly late, I am beseeching any and all, who are members of this Catholic Church cult, to divorce yourself from it immediately. I am also pleading with you to you rid yourself of any and all "Mary" idols, rosary beads, and prayer books, which have come from or are associated with this church. I earnestly hope that you will get rid of any and all "canned" prayers and that you will stand before our Lord and God and renounce any and all oaths to this church.

I have stated it before and will clearly state it again for those, who missed it the first time. The Catholic Church is the headquarters of Lucifer on Earth. This was made very clear to me at the time that the Black Pope kidnapped me and ordered my death!

At this time, more than a billion souls are prisoner to this church. More than a billion souls have taken oaths to this church and more than a billion souls pay homage and allegiance to Lucifer, who is the head of this church. More than a billion souls are prisoner to Luciferian doctrine and they know it not! I pray that you are not one of them, but if you are, it is time to walk out of the devil's den! It is time to be free; and to this end, I am including the following prayer for your freedom.

Read this prayer and then get it into your heart. It is not necessary that you repeat this prayer word for word, but that you get the basics of it in your heart. Cry out to our Lord and God from the depths of your heart! Pray with emotion and mean every word you say. Then, He will hear you.

This will seem strange to you at first, if you are a Catholic, as you have been used to reciting prayers that someone else wrote or you have been used to praying prayers out of books that were written by unknown authors many years ago. It is time to learn to pray from your heart! This is how you must pray to our Lord and God so that He will hear you and answer your prayers!

I stand in agreement with each of you, who wants to be free of this mass mind control, and I am right now t praying for your freedom and deliverance!

## A PRAYER OF DELIVERANCE FROM CATHOLICISM

"Father in Heaven, in the beautiful Name of Your Precious Son, our Lord Jesus, Savior of all of mankind, I come to you today on bended knees. Father, Oh, Father hear this cry from my heart, for I have made a grievous error! Father, without even knowing that I have entered into a covenant with Lucifer, I have done so through my agreements with the Catholic Church. Out of my own ignorance, Father, I have put myself in bondage to doctrines of men and secret covenants with Lucifer, himself! Father, in so doing, I have put myself under control of Lucifer and his demons, who have instituted spiritual wickedness in High Places, and for this, Father, I am eternally sorry.

Father, I want to do what is right for myself and for my family. I want no other gods over me, Father. I only want You, Father, Jehovah, Most High. And, I want to know and

have a personal relationship with Your Son, our Lord Jesus, who is the Savior of all of mankind. I accept Him as My Savior, Father, there is none other!

Father, by having in my presence statues of Mary or other replicas of things or people in Heaven, I have made a grievous error. You have commanded us not to make replicas of anything in Heaven or in the Earth, and not to honor such a thing, and I have not obeyed this. Forgive me for this, Father. Do not hold this against me; for many things I have done in ignorance.

But, now, Father, you are making me see the evils of this church to which I have entered into a covenant and I know that I have done wrong. This is why I am confessing my sins to you! And this is why I am begging you to break any yoke, any shackle, and any dark chains off me, which the devil has put on me because of my own agreement to obey and serve him through this Catholic Church.

Father, I no longer want to belong to any organization like this and I beg You to keep me free from such an organization so long as I live. This is why I am asking You, Father, to deliver me completely from the teachings of this church and to make me free through the beautiful gift of salvation, which comes only through Your Son.

Father, fill me with Your beautiful Spirit and guide me in Your holy ways so long as I live. And, Father, keep me from evil and deliver me from temptation; for Father, I desire to please you. I desire to obey you and to bring you glory. Father, I praise you and I thank you for hearing my prayer! Holy is Your Precious Name! Amen!"

Read this prayer and then get it into your heart. Then, in your own words, pray to our Lord and God with deep emotion from your heart and mean every word you say. He will hear you and He will deliver you from the blindness and deafness, which has come upon you because of your covenant with Lucifer. Don't put this off! You cannot serve two masters! You cannot serve Lucifer in the Catholic Church and our Lord Jesus and Father in Heaven at the same time. It should be enough of a shock to you to know that the Catholic Church, "god" on Earth, the Pope, is a serial killer and a NAZI, but he is now publicly calling for a world system of killing, as the world has never known! Wake

up and renounce this evil system while you still can! Jesus is your only way to freedom! He came in the flesh and he sacrificed his own life that you and I might have LIFE more abundantly. It is yours for the asking! Ask for it now!

## CHAPTER TWENTY - PART II

On the morning of January 08, 2004, I had the following dream about Pamela Schuffert. As many of you may remember, this is the woman, who seemed to take great delight in spreading blasphemous, slanderous things about me, calling me a New Age false prophet and witch among other things. Our Father in Heaven gave her a warning to repent, or face her destiny in the Lake of Fire, but when he was merciful toward her and did not bring about her demise within a month, she got even louder in her assaults against me and others, even calling for people to gather up stones to stone me. I am including the following dream as our Father in Heaven has told me to do, along with the interpretation, which He has given.

### Dream

This morning, January 08, 2004, I had a dream about Pamela Schuffert. I dreamed that Dennis and I had a very large house and also a smaller house, which had been recently built, and that both set on hills. I was in the large house and everything was neat and orderly, and, I was well aware that Pamela Schuffet was there in a back room. A small, but steady stream of visitors was coming into our house to see this woman and she was regularly giving out printed information against me, particularly as regards reincarnation. Even though, I was well aware of her behavior, I never tried to interfere with her, or stop her.

Along with her were two young children, both girls. One of them appeared to be about seven years of age and the other one was younger, maybe age five or so. The child, who appeared to be about seven years of age came to me and asked me for money for Pamela and I told her that I would have to pray about it.

Suddenly, Pamela came out of the back room, approaching me with a sealed plastic bag, which was full of dead fish. From looking at these dead fish, I knew that they were "pickled" in vinegar. And, oddly enough, among the dead fish, was a singular fish, which was fully alive and swimming freely. This struck me very strange and I began to more closely observe this fish, which had many very sharp teeth and several sharp fins. As she handed me this bag of dead fish, I pointed to the living "piranha" and asked her why this singular fish was among those, which were obviously dead. As I looked down at the bag of fish, she said, "I will take it out." Quickly, she put her hand into the bag of fish and pulled it out. Then, while catching me still looking at the fish in the bag, she quickly threw my hair back and tried to stab me in the head, just behind the left ear, with one of the sharp fins of the piranha. I was well aware that she was trying to kill me, but felt absolutely no pain.

And, strangely enough, in spite of what she tried to do to me, I had no anger toward her. But, at this point, I knew that I would have to throw her and her two children out of my house, so I looked at her and told her that she would have to leave my house. Hurriedly, she gathered up her two children and left through the front door. Now, feeling sadness for the children, I reached through the door and gave her $100.00. As she took the money, she said, "Well, I guess I will go to Dallas."

### Interpretation of this dream by our Father in Heaven

"My Little One, I am your Father in Heaven, yea Jehovah, Most High God. My Child, it is apparent to you that for one month, there has been a great Satanic assault against you, your husband and these works. And, you, My Child, have become tired, very tired, weary and even sick; for you and your husband alike have been under such heavy attack. But, My Child, you are not alone; for attacks against My people the world over are escalating. But, My Little One, let all be the wiser in knowing that I am beginning to rise up in My wrath, in My anger against the enemies of My people. You will not fight

alone; for you will increasingly see what I am doing for My Faithful. My Child, one reason you come to me now is for an understanding of this Pamela Schuffert dream that I gave you almost a month ago."

"Yes, my Father."

"And, you want to know if you should put this in My book; for you believe that you have written all that needs to be written. But, My Child, I gave you this dream and I want you to put this dream in My Book Nine. I want you to type it, put it there and beneath it My interpretation. Why do I want this? Because I have judged this woman and those, who have supported her continue on with a lie. Now, My Child, what questions do you have about this dream?"

"Father, this large house must be your website, www.prophecies.org."

"It is."

"And, the smaller house is www.prophecies.org.za."

"It is."

"Father, is the back room one of the chapters in Book Nine, in which she is mentioned?"
"It is."

"And, this stream of visitors is coming into our house to see what is written about her?"

"'Tis so. And, from My site, they have gone to her site, where until fairly recently, she has continued to spew blasphemous things against you. Yes, My Child, you have seen this, but you have only shaken your head in dismay, wondering why I allowed her to live past the given month."

"I have wondered."

"I allowed her to live because of your own mercy toward her and because of the prayers of others on her behalf. But, did she stop the blasphemy? No, she got worse, working even harder to convince others that you are a false prophet because she lived. But, even so, My Child, I will get to this later on. In the vision, you next see two small children with her."

"Yes, my Father."

"My Child, these are two additional personalities of Pamela Schuffert. This woman has been with multiple personalities, two more besides the one, who is known. These are the two, who wrote letters to her on her site almost daily."

"Why would this little child ask me for money?"

"Did a child-like Pamela Schuffert not appeal to you when you knew her, delineating her hard times and playing on your sympathies for money?"

"Father, I never thought of it like this. I just felt that we should help her as she was in need. This was an act of love toward her, Father, on our behalf, and nothing more."

"I know this, My Child; but you and your husband helped her and she tried to destroy you ."

"I know, Father, and this makes me feel very sad."

"My Little One, there is too much of this going on in this world and I am judging this evil. Enough is enough!"

"My Father, tell me about the sealed bag, which is full of fish and vinegar."

"My Child, this is what Pamela Schuffert sent you . She has given you vinegar. She has poured out acidic words upon you and she has gathered up the dead fish, the

spiritually dead and has given them to you as a gift, all of them pickled in the vinegar that she has poured upon them."

"Father, tell me about the Piranha fish."

"It is a very nasty demon, who has possessed this woman for a very long time. Pamela Schuffert has been a victim of satanic ritual abuse. She was brought up in this and this is a part of her make-up. Through her religiosity, which has been a front, she has sought to cover up who she really has been all along. Through her self-righteousness, she has fooled many people as she fooled you for a while. Through her witchcraft, which has been at the core of her spiritual makeup, she actually tried to kill you in the spirit. My Child, this woman has never been free, but has always been under mind control of the Satanists and they have continued to pick her up and to use her two alternate personalities in satanic rituals, even in one great ritual against you wherein they tried to kill you. Now, when this happened, you were not expecting it. But, I tell you that it happened one night after you were on a radio show. This ritual was to instantly kill you by making you have a massive stroke."

"Father, I know the incident You speak of. I remember how they sent something horrible over the phone and I felt a severe pain in my left ear; but You intervened, Father, and stopped this."

"Yes, My Child, I did; but if I had not done this, you would be dead. Instead, you did not die. But, this woman was hit with the stroke, instead. One of the last things that she wrote was about feeling dizzy and saying that she was under attack. No, My Child, she was on the attack and she merely reaped what she sowed. And, no, My Child, this did not happen to her because you have any anger or malice toward her. It happened to her because she tried to kill you. Now, My Child, you have thrown her out of your house."

"Father, how did I do this?"

"My Little One, her chat room was closed. And, you ask, 'Why?' Pamela Schuffert can no longer hurl wild accusations against you; for she has gone South, where it is very hot."

"But why would I give money to the children if she would be going south?"

"My Child, this is not your money, but My money, which is coming from My house and it is My payment to her for what she has done. And, it is 10X10."

"Father, what does 10X10 mean?"

"It simply means that My judgement upon her is complete. I gave her grace and she abused My grace. With this My judgement is complete."

"And, Father, in the vision I saw that her spiritual robe was filthy dirty. Her clothes beneath it were filthy dirty and she was very fat. Father, does this represent her true spiritual state?"

"Yes, My Child! All, who want to be with Me and My Son will repent and get their spiritual robes white and pure, or they will share the fate of Pamela Schuffert. Any can talk, talk, talk and any can live a self-righteous life; and these fool many. But, these all have their place in the Lake of Fire. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER TWENTY - PART III

### The Dream of the "Second Sun"

There are many pictures circulating on the Internet, which show an object near the sun, which appears to be a second sun. This second sun is very bright and seems to rise with the sun and to set with the sun. Many are seeing this in the sky and many have thought it to be Niburu, also known as Planet X. I have even thought that this must be the incoming planet as well, even though the ancient writings clearly state that Niburu is red. Even so, it is easy to believe what others put out and this is why I went to our Father in Heaven at the urging of a Dear Brother, asking Him for further clarification as regards this object. I asked Him to give me a dream so that I would not get His words mixed up with anything that I might have in my mind about this incoming planet.

On the night of January 14th, He gave me a most interesting dream. In this dream, I was working alongside a few in a house, when one said, "Come to the window and look at this." I went to the window and looking out, I saw the "second sun." I looked at the real Sun and I also noticed that it was about 3:20 PM and that the sun was still relatively high in the sky, but this second sun was closer to the horizon, possible about 10 to 15 degrees above the horizon. As I looked at the second sun, it suddenly began to move off to the left and I was very surprised in this. As I watched it, this "second sun" stopped in its motion and began to stand still. Suddenly, the color of this very bright "second sun" began to change from a brilliant white light to a deep yellow, almost the color or prepared mustard.

I thought this was very strange, but it got even more strange when a green substance began to drip down the face of this "second sun." It appeared as if someone had take green paint, about the color of army green, and began to drip it over the round face of the "second sun." Suddenly and without any indication that such a thing would take place, these colors disappeared. The "second sun" disappeared; and I saw in its place a huge spacecraft, absolutely huge. Soon, this spacecraft began to move and

disappeared quickly out of sight. A few moments later, I was aware that this craft was near to us and what happened then is of a personal nature and I will not share this.
What our Lord and God was showing me is that this very bright object, which is almost as bright as the Sun is His abode. After all, He is the Lord of Hosts of Heaven! Praises to His Holy Name!

**The Abode of our Lord and God**

**Our Father's Interpretation of the above dream!**

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, I have given you the dream last night so that you will know that what is being called Niburu is neither Niburu nor is it any portal to other stars as some say. This is the heavenly abode of My Son and even of myself from time to time. It is cloaked in My glory and as you saw in the dream, it is very bright, and day by day it will grow in brightness. My Little One, Niburu is coming and is clearly visible; but I stress again that this "double sun" as some call it is not Planet X, but is a planet of My own creation. This is what you need to know and as you have had a question about this, I have shown this to you in a dream, that you may be the wiser, and that others will know that what is being touted as Niburu is not. Niburu is seen as a red star, not a star of great light or brightness. Remember this difference. I am Your Father in Heaven, yea Jehovah, Most High God.

## CHAPTER TWENTY-ONE - PART I

### "The Warnings of our Lord and God are soon coming to an end!"

### "A warning to the Governing Body of the USA"

"My Precious Father, I come to You today with specific questions. Father, You know that I received a vision from a Dear Brother in Our Lord two days past and that this vision appeared to show smoke and fire coming out of the front door of the Capitol of the USA. Father, I seek You in this; for it appears to me that this governing body may be in serious danger."

What has been sent to you and what you have surmised is correct, My Child, You know well that on the 24th day of November 2003, I tore up My contract with the wayward government of the USA. And, because of this, My Child, save they repent of their evil and come back to Me, the God of Israel, Jehovah, Most High, I shall readily destroy this governing body."

"But, Father, You will not do it, per se."

"No, My Child, but I will allow Lucifer to move against it and destroy it; for the whole governing body is corrupt. There is not one, who is not bought and sold and because of this, there is not one, who can be trusted to do what is right. For, when the money flows, they lap it up. And, where the money flows, they all follow.

Yes, My Child, George W. Bush is possessed of great evil and he dances with Lucifer. He has seen the opposition in the congress, opposition to him and to his plans, and Lucifer has put the thought in there. The intent is there and George W. Bush and his fellow anarchists will be successful, save this governing body repents in great measure and turns from evil. For, I, Myself, will allow it.

My Little One, all across America, you as a nation, will either repent in a great way and come back to me, honoring My laws of morality, or you are finished as a nation. Long, I have pleaded with you, but my days of pleading are fast coming to an end.

I repeat Myself. What has been sent to you through this vision is true! And, this and worse will come to pass if those in power do not repent, come back to Me, and honor My commandments."

"Father, this is dreadful."

"It is, My Child, and one would think that they would have learned their lesson from being anthraxed by the Bushes and their cohorts in crime. But, they learned nothing. Instead, these very whores gave George W. Bush and his cohorts in crime the Patriot Act on a silver platter. They voted for it and never read it. And, even so as the bars were going up around them, they applauded the Patriot Act. Now that they work in an armed fortress and every word on their telephones is monitored, do they feel any safer? No, My Child, they do not; for they have given away your constitutional rights to mad men. They have signed away your government to anarchists. And, as never before in the history of this land, they have given a leader unparalleled power to invade another country for oil and to continue to carry out such attacks against other countries on a whim.

Oh, what a clever war the war on terror; but did I not tell you in the book of Leviticus that I would put terror over any nation when this nation becomes evil? So, I, Myself, have assigned this terror to this nation and you, as a nation, will repent, or perish. And, this means that the governing body of this nation! These bought and paid-for whores will circumspectly survey their lives, clean them up spiritually and come back to Me, or they will soon be out of a job and you, as Americans, will not have to be concerned with a government, which has sold you down the Satanic drain. With this, we shall stop for now. I am your Father in Heaven, yea Jehovah, Most High God."

The following is a vision, which was sent to me by a Dear Brother. Read it and weep; for the above warning from our Lord and God is given as further revelation about this Brother's vision. Not many days past this Brother's vision, the Bushes and their cronies sent the so-called ricine scare into the Senate. They even sent some to the White House! And, not even trying to hide their identity, they stated that "Fallen Angel" sent this poison.

We must note as well that the "ricining" of the Senate mail took place at the same time that this governing body was threatening to alter or do away with the Patriot Act. This very governing body was first anthraxed by the Bushes and their cohorts in crime to make sure that they voted for the Patriot Act, sight unseen, and now that they want to do away with it, they are ricined! Attorney General Ashcroft has also plainly stated that George W. Bush will veto the decisions of the House and Senate if they make alterations to the Patriot Act that are not pleasing to him!

### A's Vision

JaHWeH has given me a vision on the morning of 17th of January. This was a very short vision but even this means a lot to me as this feels allot like Farther's voice in my ears although I ask Him to show me humility every day. I saw this after I studied the word in the morning and went to sleep again after that and when I awoke JaHWeH showed me:

I saw a building that looked like a roman roof structure that had two pillars on the side. The double doors of the building where open and black smoke was coming from it and moving out to the right of the building into the air. First I didn't understand what this building was. I thought that it had something to do with our legal structure here in South Africa but then I saw a clip from Mark S. Watson's site and I recognized the building that I saw in the vision. This was the AMERICAN SENATE that was

destroyed! And then my brother in law confirmed that he had the same idea when I told him the vision but he kept quiet not to influence me.

And, Dear Ones, this may very well come to pass at some point in time. When this governing body wakes up, if it ever does, and decides to go against the New World Order plans, they may very well be destroyed! Years ago, I saw Saddam Hussein take chains and wrap these chains around the congress of the USA and pull it down. I do not actually believe that Saddam Hussein will take actual chains and pull down the Senate and the House of the USA, but let us look at the facts for a moment!

By this time, most discerning people are aware that the 911 tragedy was known well in advance and was orchestrated by those in the highest levels of this government, along with the Israeli Mossad, other fake Jews in America, and the English crown. When we follow the chain of events, which has come about because of this tragedy, we can accurately see the reasons for blowing up these buildings in New York City.

Out of this tragedy, our constitutional rights were taken away through the Patriot Act. The Congress, as stated earlier, and as most know, never read this bill, but voted for it anyway, as they were anthraxed into a state of fear and controlled and manipulated this way.

Because these buildings were supposedly brought down by Arab terrorists, the Bushes and their fake Jew counterparts, as well as the British Crown, had their obvious reasons to make war with the Arabs, take over the world's oil supply, get rid of the enemies of Israel, and begin to prepare Israel for the rule of the Antichrist.

You must admit that their plans went like clockwork for a while. Then, slowly people began to wake up and smell the rot and the filth. But, even so, what has been done about anything? The 911 investigation has gone into the ground thus far! And, now that people all over America want the Patriot Act repealed, the Bushes and their fake Jew counterparts are well-prepared to nuke America before they will give it up!

 From The Mountain Prophecies Copyright 2004

So, how will Saddam Hussein put any chains around this governing body and bring it down? Think about it! The very fact that the governing body of the USA gave President Bush unparalleled authority to strike a country and make war, based solely on suspicion, without any provocation, is insane! But, this is what they did when they gave him the right to make war with Iraq and other countries as he sees fit. This very decision to make war against millions and millions of people, all based on raw and ruthless aggression and greed, is the same kind of thing that has started huge wars in past years. Will this very decision lead to the dissolution of the Congress of the USA?

If we consider this past vision, which our Lord and God gave me, we see that this may very well come to pass! How will this happen? I do not know, but the Senate has been attacked twice in recent years, both times by the Bushes and their fake Jew and Royal counterparts! Don't think that this will not happen. The anarchists will do anything to achieve power and they will do anything to stay in power! And, because they are bought and paid-for whores, our Father in Heaven may allow it!

## CHAPTER TWENTY-ONE - PART II

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Yes, My Child, it is a tumultuous time the world over. Great and horrendous changes are at hand and the masses sleep on. The blind are more blind and the deaf, more deaf, the confounded more confounded. But, those, who really love Me and who put Me first know the hour and the day. They know that My judgement is upon the Earth and that this very judgement is roaring in upon the whole Earth, like a black cloud. The wise see. They know and they understand; but the ignorant sleep on.

Yes, My Child, even as you are thinking it, the days of My warnings to an errant people are almost over. As you are well aware, My Child, few warnings are being spoken out of the mouths of any of My prophets. Yes, My Child, there are some here and a few there, but in all, the numbers are few and the warnings are becoming increasingly scarce. For,

I am shutting up the mouths of My prophets and the ones that I have not shut up, I have cut off. For, as I have told you in the past, I have cleaned up My prophets to such a degree that there are few, who are left. But, of the ones, who are left, the days of warning are all but come to an end."

"And, Father, this grieves me so for soon billions will die and they will never know what hit them."

"They will not; but the righteous among them need not fear. It is the lost and rebellious, who are the greatest numbers, who will be cast into fear and darkness."

"But, Father, You know that we have tried to reach the people. I only regret that more people did not come forth to help with the translations of these works. And, still Father, in the few remaining months that we have, You could still provide these translators, but this is all up to You."

"Yes, My Child, many will miss the heavenly rewards they could have had; for when they saw the opportunity to help, they did not. These prophecies are My current words to My people. They are full of wisdom, blessings and warnings to My people; yet few the world over will realize them."

"Father, it is late; but You can still open many doors for Your words to get out and in the end it is up to You!"

"And, open doors, I shall, even in the midst of unlikely places; for I know your constant prayers for salvation of the greatest numbers of souls and it will not go unanswered!"
"My Child, just this past year, many warnings to you saved the lives of countless millions. I gave you the word and you and others helped to get it out. Few realize what an impact these warnings have had on world events. The prayers of the righteous have stopped much calamity. But, now, My Child, the time of warning is fast coming to an end. Soon, I will cease to warn publicly of these impending calamities; for this is My judgement and I am allowing it to come upon the world. If you recall, My Child, in the past I have opened up radio shows for you to speak on to give My warnings, but now I

 From The Mountain Prophecies Copyright 2004

am systematically closing these doors. My Child, I am doing this; for I am ceasing to warn a rebellious people. Those, who would be warned, have been warned; but I am ceasing to warn a proud, a rebellious and a stiff-necked people. Just as I shut Jeremiah's mouth after a while and just as I shut Ezekiel's mouth after a while, I will soon shut your mouth as to giving more warnings to these people. And, when you open it to anyone, it will be because I open it.

Yes, My Child, I have a few more prophecies to give and these will make up all, or part of Book Ten and I have prophecies for certain of My people, who are scattered and I will give you these. But, as far as the rebellious people of this land, who do not want to hear My words, they shall not hear them. As for as the churches, who mock and scorn My warnings, they will not receive them.

But, to those, who will hear, I say one sentence: 'It is late, very late, and it is not only past time to build the ark, it will soon be time to enter it. With this, My Child, we shall stop for now. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER TWENTY-ONE - PART III

"My Precious Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, as you sit today and as you hear the clock ticking, know one thing: Time is running out for this Earth as you know it to be. I have warned and I have warned and I have warned; and while many more are informed, few have turned to Me. Few have repented! The world over, few have repented! And, fewer believe that the Earth, as you know it, is about to be destroyed. Yes, My Little One, the Earth is wobbling back and

forth like a drunk man. Many are seeing the fulfillment of Isaiah, Chapter 24 and they do not even know that this word is being fulfilled.

Will this be stopped? My Child, the time of the warnings is fast coming to an end. The Satanists are holing up in the ground; for they believe that they will all survive the catastrophes unscathed, but many will be sadly mistaken. Many will perish in their holes. Yes, My Child, they are sure that the greatest numbers of you will die and they will inherit the Earth. And, they are correct in one thing. The greatest numbers of you will die; but their inheritance will be short-lived."

"Father, they have a scheme with the great pyramid, wherein they are trying to clean the viruses out of a very large crystal, thereby moving the Earth into a different timeline and averting the Planet X catastrophe."

"My Little One, you know that I know all about this. These are the same ones at it again. The same ones out to play God. But, have they found anyone?"

"Not that I know of."

"No, My Child, for such a one must have a specific genetic code to be able to change the corruption in this crystal and they do not have this person. This is one reason they wanted you to work for them and this is another reason that they have worked to clone you and have gone insane and died in great numbers. My Child, this code is within your genetic makeup and you will not be going back to Egypt. You will not be working in this pyramid and you will not serve the New World Order agenda."

"NO, my Father, I will not; for I desire Your will and only Your will and in no way do I wish to go back to Egypt in any way. Let the New Agers go there. So, Father, they want play God and they are getting desperate?"

"They are; for they desire more time for their own evil agenda, but this dispensation is coming to an end, whether they like it or not. And, what world kingdom they have will be short-lived. Make no mistake about it."

"So, Father, this planet is very near and it will soon flip the Earth?"

"My Child, the Earth wobbles like a drunk man and then it is turned upside down."

"How long, Father?"

"My Little One, if I told the masses six weeks, would they believe? If I said, 'six months,' would they believe? If I said, 'a year,' would they believe? Most want to know the time so that they know how long they have before judgement hits. But, they have no plans to repent. My Child, it matters not if it is six months, one year, or six years. What matters is the spiritual condition of one's heart, and if one will not live righteously and obey Me, all the wisdom and all the knowledge in the world is irrelevant. My Child, I have had enough of warning a wicked and errant people the world over. My days of warning them are coming to an end. And, with this, My Child, shall follow the great judgements. This chain of judgements has been set into motion and will not be stopped until the return of My Son."

"Father, what was the thing that set these judgements into motion and means that we will not turn back?"

"The opening of the Fifth Seal."

"Then, this has set these judgements into motion and now we are getting into the midst of it."

"Yes, My Child, and you are only entering the severe times. You, as a nation, and you, as a world, have seen nothing yet."

"So, Father, You have warned the people and those, who are going to listen, have more or less listened."

"This is so."

"Father, this is sad."

"It is, My Child; but at the same time, it is a New Day for My Faithful. It is a New Day of mighty miracles and beautiful spiritual blessings. It is not a time of worldliness or greed; but a time of simple faith and deep spirituality; and through all the travails, I am going to clean up those, who are left."

So, My Child, as I conclude Book Nine, let all know that even now the Earth, itself, is breaking up in many ways. This is a very sick planet and I will no longer tolerate what I am seeing. Let all accept and repent while they can or die in their rebellion. The line is drawn and there will be no turning back."

"You know, Father! You have intervened so many times and You have stopped the evil ones over and over and I truly believe that many think that you will intervene again and stop this planet."

"Let them believe as they will. The wise ones will heed My warnings. I am your Father in Heaven, yea Jehovah, Most High God."

## END OF FROM THE MOUNTAIN PROPHECIES BOOK NINE

# CHAPTER ONE

## "The Last Book of Warnings"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. As I have told you recently, My Child, this will be the last book of warnings to My people. This book will be shorter than most as it will consist only of ten parts. These ten parts will delineate warnings and plans for My people, even in different parts of the world. These books will survive the coming disaster and even after the coming disaster will be copied and translated by others in distant lands.

Soon, very soon, a law will be made which would 'outlaw' all religious faiths, save the one world Luciferian religion. There will come times of great and horrendous persecution for those of all faiths; for Lucifer, in his bid to rule the world, will set out to systematically destroy all, who will not bow to him. The whole world will fall into captivity and, as you know, much of it will be destroyed by natural calamities, wars, famines and plagues. But, the singular organized religion will survive, first through the Catholic Church, and then through obvious and blatant Satanism. In due season, as you know, the Catholic Church, will also be destroyed, for when Lucifer is through with her, he will destroy her. For, he will have no competition in the whole world. Now, My Little One, you know these things and many know these things.

There will come a time, and soon, wherein My people the world over will be forced to go underground to survive. I mean, literally 'underground,' for the evil ones will be in hot pursuit of all of you. And to meet, you will be forced to meet in homes, or out-of-the-way places. This is My punishment, as well, upon you; for as a people you have grievously strayed.

It is a sad day for Me, as well, My Child; for I weep at what I must do to an errant people. The world over I have blessed you and the world over you have become even more rebellious and hard-hearted. But, My Little One, this cleansing must be. No longer can I tolerate the putrid nature of what is within this Earth. There is great

 From The Mountain Prophecies Copyright 2004

rottenness, which parallels the time of Noah and were it not for love of a few, I would systematically destroy the whole Earth with fire. But, I will not at this time; for I have told otherwise. Nevertheless, I will destroy much of it and many will die with the coming of this planet, which is soon. Those, who love Me and who remain, will be tried as never before and through your trials you will become white.

My Little One, I know that this troubles your soul; for already you have been through much suffering. But, most have not and they do not identify at all with what I am telling you. And, many are ready to go far from you as they may be labeled as 'guilty' by association. Yet the same ones, if they live, will be given a chance to stand tall and to do what is right or to deny Me and go the way of Lucifer.

I tell you right now, My Child, that if most of the so-called Christians were faced with death or a denial of Me and My Son, most would deny Me and My Son. It is easy to profess love for Me and for My Son, but who will hold onto this belief in the face of death? Those, who keep their distance from you because of fear of persecution will also keep their distance from Me and My Son when persecution comes to their door; for this is ingrained in them. Those, who are true, are true through and through. Those, who have integrity, have actions, which line up with their professed beliefs. So, I tell you now, My Child, that if most were faced with a choice of continuing to live or to die for love of Me and My Son, they would deny Me and My Son.

In the end, all, who live on in the Earth, will be faced, with this decision. When it happens, it will be easy for most to deny Me and My son. Just as Peter denied him, when faced with danger, so will most.

So, My Child, this is the nature of the cleansing. The true will be true, but all will be tried over and over. The true ones will float up to the top like cream and in the end will be removed to go with My Son. The rest will sink like curds and they will not go.

My Child, the worst of the times are coming into the Earth and these hard times will bring out the best in people and the worst in people. Those, who love Me and My Son and who put Me first, obeying My commandments, will know mighty miracles. They will

move many mountains and I will use them in great and mighty ways. But, the evil ones will be evil and they will do great evil."

"Father, I am sad to see these warnings coming to an end, but I know that this must be. Many believe that these warnings will go on forever. Some expect them. Others do not care at all. And, few even realize Your mercy; for you have warned and warned and enough have prayed that You have interceded and stopped catastrophes. But, I also remember what You said about My being one of the Seven Thunders. And, in the Book of Revelation Chapter Ten, verse Seven, it is written: 'But in the days of the voice of the Seventh Angel, when he shall begin to sound, the mystery of God should be finished, as He hath declared to His servants the prophets.' And, in the previous verse, the seventh angel says that 'there be time no longer.' "

"My Little One, it is good that you ask Me about this; for as I have told you, you are one of the Seven Thunders and your time of warning will soon come to an end. And as this time of warning comes to an end, it should also be obvious to all that there is no more time left before grievous calamities come into the Earth. Those, who have ears to hear will hear. Those, who have the eyes to see will see. Those, who have a heart after understanding, will understand. But, My Little One, these are few. And, when the time of My warnings through you is up, you will not open your mouth to warn another, save I cause you to open it. For, it will not be a time to warn, but a time to prepare for what is at hand.

Many will rejoice that you are no longer warning. They will clap their hands with glee; but they will not rejoice when they see My judgements upon this Earth. No, My Child, they will not rejoice. They will howl. They will weep; for the death and destruction shall be so great. Many will lose all save their own life, and with a fist raised to Me, they will curse their own life.

Yes, My Child, the worst of times ever in the history of the Earth, is at hand and all who survive, will see the worst of human behavior and the best of human behavior. But, those, who love Me and who remain faithful, will do mighty exploits.

 From The Mountain Prophecies Copyright 2004

So, My Child, what can be said that has not been said? What can be told that has not been told? My people the world over have been warned, warned and warned and few listen. And, with this, My Child, I shall conclude Part I of Book Ten."

## CHAPTER TWO - PART I

### "The Crowns of Horns and more"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, I have sent you in the Spirit to do a mighty work for Me. First, My Child, I called to your remembrance the crown of horns that has been upon Richard Cheney's head. As you remember, My Child, a few weeks past, I told you to cut his crown of horns in half and to throw half of it into the Lake of Fire."

"Yes, my Father."

"Then, later, I told you to cut the remaining half into two pieces and to throw half of this into the Lake of Fire."

"Yes, my Father."

"And, then, My Child, I sent you back to further reduce this crown of horns until a singular horn was left."

"Yes, my Father."

"And, this singular horn, My Child, is a horn of ego. Since I have cut away his crown of horns, Richard Cheney has begun to fall. You have read many rumors that George W. Bush wants to drop him as a running mate."

"Yes, my Father."

"Now, you read that he is a bad image for Halliburton and they want to be free of this bad image, in so many words."

"Yes, my Father."

 From The Mountain Prophecies Copyright 2004

"Now, My Child, I have sent you to Bush Sr. to rip off his crown of horns, which is a much taller and greater crown of horns that that of Richard Cheney. Then, I have told you to rip off his claws on both hands and to rip off his claws on both feet and to throw them into the Lake of Fire as well."

"Yes, my Father."

"And, after this, My Child, I have told you to take My sword and to cut off his head at the neck."

"Yes, my Father, you have."

"And, with this, My Child, the whole world shall soon see My judgement on George H.W. Bush."

"Yes, my Father."

"Then, My Child, I sent you to rip off two of the three crowns of horns, which are on the head of George W. Bush. This, you have done, leaving the crown of horns of the middle size, the one in the middle between the larger crown and the lesser crown."

"Yes, my Father."

"Now, My Child, I want you to take My sword and to cut off the right arm of George. W. Bush at the shoulder. Then, throw this right arm into the Lake of Fire."

"My Father, I have done as You say and the right arm has fallen. I now pick up this right arm and throw it into the Lake of Fire. Oh, My Father, this is a terrible sight; for as the right arm hits the Lake of Fire, I see a mighty explosion and I hear terrible moans and groans coming up out of the Lake of Fire. Oh, My Father, what is this right arm?"

"This right arm is his Father and soon he will no longer be the right arm of George. W. Bush in his killing and murderous rampages."

"This is an awesome thing, Father, and I praise You and thank You for the day when You will remove this evil man from off the face of this planet. I do not take any joy from the suffering of any person, or of any of Your creations. For, to witness it brings sorrow to My heart; but Father, this man, George H.W. Bush is no doubt the most evil man on the planet."

"Certainly, My Child, one of a very select few; but his time is soon to be finished!"

"Then, My Child, I told you to go and rip the crown of horns off the head of Karl Rove and to throw it into the Lake of Fire."

"Yes, Father, and I did so."

"Then, I told you to rip the crown of horns off the head of John Ashcroft and to throw it into the Lake of Fire and you did so."

"Yes, Father."

"And, next came Rumsfeld and you did as instructed, ripping off his crown of horns and throwing it into the Lake of Fire as well."

"Yes, my Father, I did as You asked."

"Now, My Little One, know this. What I have sent you to do is a very important measure. From henceforth, they shall begin to lose power like a tire, which is going flat. And, this shall lead to the fall of them all. For, I decree it! I am telling you how it shall be. Now, My Little One, be observant and watch what I shall do. Do you see George W. Bush at the roulette wheel?"

"Yes, my Father. He throws something into a spinning wheel and it is a round object, which looks like a piece of wood. The wheel spins and the round object spins. When the wheel stops, the round object is sitting on a section of the wheel, which is white. Written on the white area are the words, "You are out!" George W. Bush does not like

 From The Mountain Prophecies Copyright 2004

what he sees, so he climbs atop the roulette wheel and begins to stomp it with his cowboy boots. He stomps the wheel until he creates a very big hole in the wheel, itself. He begins to lose his footing and he begins to fall into the very hole that he created. As he is begging for help to get out of the hole, someone comes down the stairway, which is nearby. It is his Mother, Barbara Bush. "Oh, Poor Baby! What are you into now?" She extends a hand to help him out when a wind, a fierce wind, comes up from behind. This wind catches the dress of Barbara Bush and blows it over her head. Interesting that she is wearing old-fashioned pantaloons, with lots of rows of lace and these pantaloons come to her knees. Now, the roulette wheel begins to spin and Barbara Bush is leaning over it, holding onto George. W. Bush, who is falling farther and farther down into the hole that he has created. With the wheel spinning and the wind blowing, Barbara Bush cannot see, for her dress is over her head. In an instant, she, too, is swept down into the hole and all I hear is a loud scream. The wheel continues to spin and I hear a very loud bump, like the sound that a washing machine makes when the clothes are all on one side and the machine is unbalanced. But, the wheel just keeps on spinning. The banging noise just keeps going and; and suddenly something from behind catches my eye.

As I look back, I see Al Gore emerge from behind the stairs with his wife. He is holding up the hand of his wife and they are smiling! I see a star on the right front tooth of Al Gore. Al Gore is a star! He picks his wife up, goes up the stairs and he takes a seat in the Oval Office. Outside, I see reporters and crowds, who are gathered. And, someone, who is dressed in a black suit and a top hat, comes forward and says, "Mr. President, are you ready?"

Suddenly, I am up in the Oval Office with President Gore and his wife and I take the President's bare feet and anoint them with oil. I anoint his eyes and his ears and I say to him, "Mr. President, these are going to be four very difficult years." Then, the vision ends.

"Father, I do not know what all this means. You have explained about the crowns and I understand about George. W. I also understand about his Father. But, Father, what is meant by this roulette wheel?"

"My Child, George W. Bush has taken a huge gamble. And, without his Father to control him, he is gambling with a wooden nickel; for George W. Bush is a very foolish man. He will lose. He is even now losing in a drastic way. His Mother will come to his aid yet he will still lose and she will lose. He has created a very large hole for himself. It is time for the rightful heir to the Presidency to step forward and do the work that I have for him to do. This is it, My Little One. It is time for Al Gore to take back what was stolen from him."

"Yes, Father, I know."

"And, with this, My Child, we shall stop for now. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER TWO - PART II

### "The Rainbow Army"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Come hither, My Child and take your seat high up on My Holy Mountain. Sit here beside My Son; for He is to visit with you today."

"Yes, my Father." And, I run upward, quickly climbing several flights of stairs, and I come suddenly to a small room, which is surrounded by glass on all sides. Outside, I see a white balcony and far below, I see eagles flying, and below them, verdant pastures. Before me is our Precious Lord Jesus. He is dressed in white and around His waist is a golden sash. Hie eyes are so full of power that I feel weak in my knees and

this is all just as well. For, it is at His feet that I long to be. Bending now and hugging his feet, I feel such peace come over me that I feel at last that I have come home. I hear the chirping of birds and look to see blue birds swirling around outside of the glass."

"My Child," our Lord says, " bright is today, but tomorrow is a day of gloom."

"Oh, my Lord, it is so beautiful here and it is so wonderful to see You that I hate to think about the gloom that awaits us." And, as I say these words, I feel a tear hit the top of my head and a feeling of such darkness and sorrow sweeps over me that I can hardly bear it. Suddenly, our Lord Jesus is gone. The room is gone and I am out standing at the edge of a barren, wind-swept field. Off in the distance, I see a burning fire and the smell of smoke is filling my nostrils. Picking up the soil, I see that it is charred and still hot from the raging fires. I take a seat and begin to weep; wondering what is left after this roaring fire. As I sit there, a beautiful angel appears and hands me a note. I open the note and it reads, "Your house in on fire." I look up to see that the angel is gone and I crinkle the note in my hands and drop it to the ground. Covering my face with my blackened hands, I begin to weep before our Lord and God. Tears flow down my cheeks and before long my hands are full of tears. I know my face must be a mess; for the tears have combined with the soot to create a running, black mess. Again the angel appears to me, picks up the crinkled note and hands it to me. "You only read the front part of the note. Turn it over and read the other side."

Wiping my tears and taking the note once again, I flip it to the reverse side. And, there on the other side is a singular blue bird in flight, and under its right wing is written. "You are the blue bird." Coming from the bird's mouth are musical notes. I flip the note back and forth, not understanding what I am seeing; but feeling so hopeless, as if it really does not matter. So, I take the note, crumple it again and throw it to the ground. Getting now on my knees before this rock on which I am sitting, I weep once more, cupping my blackened hands over my weeping eyes and crying out to our Lord Jesus. "Oh, my Lord, look at this war. Look at these fires. Look at this ground. All is burned up and I feel so sad. How can any or it make sense? And, how can it make any sense when You tell me that My house is on fire on the one hand and that I am a bluebird in flight on the other? A bluebird even singing a tune! My Lord, I am in this destruction, in

this war, in this blackness, and You show me this bluebird. My Lord, what is all of this and why have You sent me here?"

I feel a touch to my right shoulder and I hear the voice of our Lord Jesus. "My Little One, it is a day of doom and gloom for the whole world."

"But, My Lord, what does this mean? How can You show me that I am a bluebird in flight and even singing a tune, in the midst of this great darkness?"

"My Child, you are My bluebird of happiness. You bring Me joy, My Little One."

"But, You tell me that My house is on fire and all around me if fire and devastation. All is burned to the ground. My Lord, what joy is in this?"

"My Little One, there is no joy in devastation and destruction. There is freedom for you in doing My work. There is hope for you in doing my work."

"But, my Lord, what is meant by, ‘Your house is on fire?’"

"My Little One, this is what is meant. Times, devastating times, are coming into the Earth. Great wars, great famines, great devastations, and rampant diseases. Devastating times are at hand and these will not be put off for much longer. But, My Little One, I am going to set your spiritual house on fire in a way like you have never known. Even in the midst of great destruction, you are going to feel a spiritual freedom like you have never known. Yes, My Child, these things are going to make you sad and you are going to shed many tears; but even in the midst of all this, I am going to set your spiritual house on fire in ways that you cannot imagine. So, My Little One, it is not for you to feel overcome by what you all must go through; but realize, My Child, that these things must come to pass. But, even so, My Little One, I am going to empower you as never before. Now, My Child, this is not just you that I am speaking of. My Little One, know this. I have wrapped you in My holy rainbow, as a gift to you, from our Father in Heaven. Yet, even so, My Little One, this gift has come through Me to you. My Little One, this holy rainbow is being gifted to My people through you. To date, many

 From The Mountain Prophecies Copyright 2004

have received the gift of this rainbow and some have taken it seriously, while others have not. Some have steadily prayed with their cloths and these are steadily receiving what I have sealed into them through the Spirit of God. My Little One, the gifts in these cloths are deeply multi-layered. These gifts go deep and those, who seek what I have sealed in them, will get these gifts. Those, who only want a little will get a little, but those, who deeply want what I have put into these cloths, will get the deep things. And, then, My Child, at their time of great need, will also be as you. They will also rise as My bluebirds, amidst great adversity and surprising even themselves, they will know My joy and freedom, even amidst great sorrow, great loss and great persecution. My Little One, this is the gift of our Father's rainbow through Me to each, who wants it deeply."

"Oh, My Lord, this is a beautiful thing."

"And, you, My Child, the White Buffalo Calf Woman, come adorned in this rainbow and this rainbow, My Little One, will take you into many places, wherein you will bring the miracles of our father and you will come out unscathed. But, My Little One, as you know, for you to get to this level has required great diligence, obedience and honor toward Me and our Father and what is being given through you, you have been blessed with and you have earned. So, My Little One, the gift of this rainbow to you shall grow in power. It shall grow in strength, until many shall be afraid of you; for many shall see this fire upon you and they shall be sorely afraid. For, as you have been faithful in a little, My Child, and I have given you more and now, My Child, you are bathed in this rainbow and wherever you go, this rainbow shall be seen on you. For, it shall never leave you."

"Oh, My Lord, this is a beautiful thing and even in my hands is this rainbow and on my feet and all about me, My Lord. And, when I jump, it jumps and when I sit, it sits. Oh, My Lord, thank You. Thank You, my Precious Lord. And, praises to our Father in Heaven forever and ever; for He has sent this rainbow."

"Yes, My Child, He has sent it to Me. I have sent it to you and you have sent it to others, that they will be a part of the rainbow army if they want it deeply enough. But, as I have told you before, most do not want this deeply enough. Only a few; but I will

raise up a few, who receive these cloths, and they will ride with you in My Rainbow Army."

"My Lord, how is Your Rainbow Army any different than the rest of Your army?"

"They are different because the have the power of the Rainbow."

"And, what does this mean, My Lord?"

"Oh, My Child, this is what it means." And, He raises his hand toward the black sky and a fire, with all the colors of the rainbow, begins to color the sky and to follow His hand from left to right, creating a brilliant rainbow in the dark sky."

"Yes, My Lord, I see, but I still do not know what You mean."

"My Child, the Rainbow Army is full of this fire of God. They will do great and mighty works that involve the literal manifestation of this holy fire. My Child, this rainbow fire is an all-consuming fire and it is also a holy, pure, cleansing fire. This rainbow fire will either devour and consume, or it will heal and cleanse. With one touch, it will do either. Those, in power will greatly fear those, who have this rainbow fire in its full manifestation; for many will drop dead when hit by this fire. Others will be so full of fear that they will flee. And, others will be instantly healed, delivered and set free. Now, My Child, as I have given you this rainbow and you continue to give freely of it, I will put you at My side in charge of the Rainbow Army. And, My Little One, as you are a multi-dimensional being, others all over the world, who are in the Rainbow Army, will often see you in their midst, helping them to fight against the enemy. My Little One, this is a mighty thing and eyes have not seen and ears have not heard what I am going to do with My Rainbow Army."

"Oh, my Lord, this is the most beautiful thing."

"And, beside me at the head of this army is White Buffalo Calf Woman. This is you, My Child. You are My warrior princess."

 From The Mountain Prophecies Copyright 2004

"Why do You call me, ‘warrior princess?’"

"My Child, you are My warrior and you are also My princess, who will one day be one of My Queen."

"Oh, My Lord, this is beautiful. Who would think that such a beautiful thing would come out of such darkness?"

"They would not, My Child; but I tell you now that this shall come to pass. I am your Master Jesus, yea Lord of earth and heir to the same. And, with this we shall stop for now."

## CHAPTER TWO - PART III

### "More About The Rainbow Army"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, you have come back to Me; for your heart has been heavy. Yes, My Child, the month of January 2004, was a very difficult month for you, as the evil from many sources came up against you and your husband. This was a difficult time, My Child, but do you see, in part, why it was a difficult time?"

"My Father, does this have to do with the beautiful news about the ‘Rainbow Army?"

"It does and Lucifer tried to kill you over and over through the telephone, by sending harmful currents through it, and he caused others to rise up against you in an attempt

to beat you down and to destroy you emotionally and spiritually. But, My Child, you made it through all of this and you have received this beautiful honor to ride with My Son at the head of My Rainbow Army."

"Oh, my Father, when the hard times come, often I do not see how I will make it through, for the evil is so great. But, when by Your love, mercy, and grace, You carry me through to the other side of the darkness and I can see why it was, to begin with, it is so beautiful, Father. But, Father, my heart has been so heavy as well; for You have said that Book Ten will be the last Book of warning and that it is time for your people to go into the Ark."

"My Little One, every day of their lives, My people should be in the Ark of My Covenant and they should stay there. They should also make their homes holy places and an Ark of Safety; for the world is full of evil. But, yes, My Child, 'tis true that others need to prepare an Ark of Safety underground as I have instructed; for there will come a time and soon, that many will need to go there."

"Father, often I have asked You about the incoming planet and when it will appear and you have not said for sure. There are many rumors all about concerning the return of this planet, but still you do not say."

"No, My Child, I have not said for sure, but I will tell you one thing and this one thing is that the rumors are wrong. And, they are all wrong because I control the speed at which this planet comes in. With My hand, I control it. Therefore, any and all can only guess. If I wanted, I could bring it in within six months. If I wanted, I could bring it in within ten years. The point is this, My Child. I created it and I control it. No one else. Therefore, no one can tell, for sure, when it will come in; for they cannot determine my timetable. But, I will tell you one thing, My Child, and it is this! Because of the cries of My people and because of the sorrows in their hearts, I have touched it and once again I have slowed it down. Some will think this to be a kind of punishment; for many of My people now pray for destruction of the evil on this Earth. Many beneath My altar are now praying for revenge. But, do you know why I have put My hand on it and why I have slowed it down?"

 From The Mountain Prophecies Copyright 2004

"Not exactly, Father."

"I have done it, My Child, for I am giving a little more time to My people in the USA to see what they will do about the evil in their land. My Little One, many in the USA love Me and many more are awakening and praying. Therefore, My Child, in My mercy I am giving a little more time."

"But, Father, if you are giving a little more time, why are You going to stop giving Me warnings after Book Ten? Why are You stopping at Book Ten?"

"My Little One, do you know why I decided to stop the warnings at Book Ten?"

"No, my Father, I do not."

"My Little One, I made the decision on a whim."

"But, Father, You are Most High and why would You make a decision on a whim? This does not make sense."

"My Child, it makes a lot of sense from My perspective. Few know or understand the beating that you take on a daily basis just to get this work out. Few understand the torture and persecution you have been through. My Little One, if I had not intervened over and over in your life, you would have been dead years ago. Few realize how difficult your walk has been and most in the USA, who read these messages, take them for granted. Certain ones do not and they are grateful for these works; and I certainly have intended for you to continue the warnings and blessings to certain of my people, especially in South Africa. But, My Child, when My prophets are under constant persecution and the greatest numbers, who read the warnings, take them for granted, I have always had to assess the situation to determine if I should continue to use these prophets to warn. But, My Child, as I realize you desire to work for Me, I will also leave this up to you now, as to whether you wish to continue on with the warnings to My people. For, My Child, I also know that you have become very tired. You have become very weary."

"Oh, my Father, all of Your people get tired. All get weary; for the fight is great."

"My Child, there are prophets and there are prophets. My Little One, few desire to get in the gutter with Lucifer and attack him and his minions head-on. Many will dance around the issue, but few want to slug it out with the Evil One and his hoards. But, My Child, this has been your destiny well before the foundations of the Earth."

"But, Father, why would I want to miss my destiny? I only want to do Your will."

"Yes, My Child, you only want to do My will, but in My mercy, I also take note of the numbers, who consider the gravity of these works and who truly appreciate the dangers you go through just to do them. As I said, My Child, many more are waking up; but when I see that many appreciate these works and that many are praying for you; for your husband and for your safety, and that many want these warnings to go on, then, My Child, I will reconsider My position. But, for now, I will leave My position as I have spoken it earlier."

"But, Father, know this. As long as You will allow me to do so and as long as You will give me the strength to fight for the lost, I will do this, Father. For, my greatest desire for these works is for the salvation of the greatest numbers of souls. And, I know, Father, that You are full of love and mercy and that You will hear the cries of the people. But as for me, Father, I always want to fight the good fight for You."

"My Little One, I know you. I know your heart and you have a heart after doing what is right and I shall continue to use you in great and mighty ways so long as you are in the Earth. But, My Little One, I want to know, as well, that others are grateful for My works through you. And, while I am extending My hand of mercy once more upon America, I am also extending My hand of mercy upon you. For, I know that you are very tired."

"Father, many are tired. This is the nature of this war; but I only want to serve You and to help save the lost."

 From The Mountain Prophecies Copyright 2004

"And, this work you shall do; but as I stated, My Child, I will listen to the appeals of the people and we will go from there as to My warnings through you for America. But, as stated, My Child, I have still a mighty work for you, a work that you know little about and you will continue in My work in great and mighty ways as I have outlined herein. Do not fret in this, My Child. It is time for people to wake up and get behind you in My works or they will suffer for it. You have much to do, My Child and even now need a part-time secretary to help you, but you cannot do so without funds. I know that you do not solicit the help of others; but My Child, it is time for others to help with the financing of these works so that they can go forward. For, there is now more work than you can keep up with. If they want these works to continue, more will help. Plus, My Child, I need to send you elsewhere to minister My word and you shall need the backing of more people to do these things. So, if others really want these works to continue, they need to show gratitude to Me for these works and they need to support these works through prayer and financial help so that they can go forward. For, there is more and more to do. You need help, yet cannot afford to pay for it. Therefore, My Child, we will see how serious people are. It is time for them to rise up in gratitude and be serious about helping and more can be done. With this, we shall stop for today. I am your Father in Heaven, yea Jehovah, Most High God."

# CHAPTER THREE

## "The Russian Lab"

Last night, I dreamed that I was in a Russian lab. This lab was a filthy place with stainless steel tables, just as one would see in an anatomy lab in a medical school. Obviously, there had been many people in this lab before as there were body fluids and dirt and filth all over these tables and all over the floor. People, including myself, were being forced to lie on these tables for various examinations. Those in charge of this lab were very evil people and I was keenly aware of one, in particular, who kept eyeing me. The work that was being done there had something to do with "120 degrees or greater" and I believe that this work is genetic and also a kind of mind control work. There were others there, who were busy doing the tasks that they were assigned to do. All, who were there, looked and acted like zombies. This was a very dirty work and it would be impossible for anyone to do this sort of work without getting this filth on them. As I watched them doing this work, I had no idea what they were doing, but in a short time this evil-eyed man came to me and attempted to show me what he wanted done. I watched as filthy water was being poured between crevices and even though I was there and knew that they expected me to do certain things, I had no fear of this evil man or of this place. I awoke to this dream on the 16th of February, but it was on the morning of the 15th of February that I awoke to find two needle marks on my left thumb, which were about a millimeter apart. But, on the 17th of February, I found four needle marks on the upper back of Dennis and these marks were close to his spine. Now, I realize that both of us were abducted and taken to this lab.

In the following messages, you will read what our Father in Heaven has to say about these abductions and what He is going to do about them.

 From The Mountain Prophecies Copyright 2004

**"The Russian Lab was No Dream!"**

"Father, Oh, Father, Oh Father, I come to You this morning and You know why. Father, I know that this dream about the Russian lab was no dream; for they have kidnapped me and they have taken me there."

"My Little One, it is a very bad dream and it is true, but listen to Me, My Child. The Russians believe that they have really pulled off a very good thing. But, what they do not know is what I am going to do to them for this evil."

"Father, this is a treacherous world."

"My Little One, it is a treacherous world and the evil ones believe that they can trick you into working for them. They all believe that if they keep up in their attempts to make you work for them that they will succeed. But, My Child, they have not yet figured it out that My wrath is about to be unleashed on them like they could never imagine. My Little One, come up hither."

And, I look high up, high up to the top of the Holy Mountain of the Lord and standing there is our Lord Jesus. In a flash, I am there at his feet and I am weeping. "My Lord, why was this allowed?" As I cling to His feet, I see my tears fall onto one of his feet and with the drop of each tear, I see a radiant explosion."

"My Little One, come hither and weep not for this." Then, He takes My hand and I rise and sit beside Him on a bench at the top of His Holy Mountain. With a soft white cloth, He wipes my tears and says to me, "My Child, look afar and see the mighty explosion." This explosion is extremely bright and looks like a mighty flash of lightening as it rips across the sky. This looks like an all-consuming explosion as it tears and rips at the sky, consuming everything in its path. I look wide-eyed at this explosion and gasp at what I see; for suddenly the clouds part and I see beneath the fire and this is nuclear. Far below, I see this terrible thing and I hear the words of our Lord when He says, "This is Russia." Then, He says to me, "My Child, take this cup and pour the contents of the same into this lab."

So, I take the cup and going in the Spirit, I pour the contents of it into the Russian Lab and I see that the contents of the cup begin go spread in this lab and grow like a red river, which is also foamy, like soap. And, this red river expands and begins to branch out into other avenues. Then, I see these avenues move out to certain locations in Russia, even and especially into the Kremlin. The contents of this red river begin to manifest on the faces of certain ones in the governing body, and their skin becomes full of dark blotches, which look like mold, and one by one they drop dead. Their bodies look terrible, as if eaten up by mold and ulcerous sores. The tributaries of this red river flow out all over Russia, but they now seem to be centered in the Kremlin and the tentacles of this red river remind me of a spider with many, many legs. Then, I am aware that this red river goes into Alaska and from there to certain locations in America. Yet, these locations are underground and I see one in Montana. I see one in Maryland. I see one in Hope Arkansas. I see one in Delaware and I see one in Nevada. The branches of this red river go to these specific places that I plainly see through tributaries that spread out to other places all over this country. And, I have not even mentioned New York, where the security is so tight, that they hope to never be found out. But, this is seen; for the light of God shows it. Oh, My Lord what does all this mean?"

"My Child, it means that My Father and I are about to judge Russia. This means that a nuclear explosion of gargantuan proportions will soon hit Russia. And the cup represents plagues that I have had you to pour out on these evil people, who operate these labs, who have concocted these labs, and who cooperate with them and work hand-in-hand with them in the USA. My Child, because of what they have tried to do to you, my Father and I area about to retaliate against them and their network in a very big way. They had best get their coffins lined up; for I am about to slay them in huge numbers.

The plagues that are about to hit them cannot be remedied. And, do not think that this is just one plague; for it is not. But, many plagues of a kind that they are unfamiliar with, are about to take them out by the thousands and thousands. My Little One, you will see and you will hear what I am about to do to those, who put themselves above all laws, and who believe that they are accountable to no one. And, aside from this, My

Child, I want you to raise the rod that I have given to you and I want you to take this rod and put out the left eye of Putin."

So, I take this fiery rod and stick it into Putin's left eye and hear the noise of burning flesh as the rod puts out his left eye. Looking at his face now, I see a black hole, where his left eye had been."

"Now, My Child, I want you to take this rod and poke it right through his belly at the area of the navel."

So, I take this fiery rod and poke it through Putin's belly at the area of the navel and I see a gaping hole. Looking through this hole, I see what appears to be a whirlwind, and going through this hole I see Putin at a table with many of his own, giving orders. Across his left arm is a rod, which looks like a baton. He is holding this baton in his right hand and resting it across the top of his left arm. Seeing me, he hisses, and out of his mouth comes the forked tongue of a snake.

"My Little One, do you see his right arm, which bears the rod?"

"Yes, My Lord."

"My Child, take my fiery sword and cut off this arm, high up by the shoulder. Then, take this arm and his rod and toss all into the Lake of Fire."

"Yes, my Lord." So, I take the sword of our Lord, which is His sword that He has given me, and I do as instructed. The arm falls down by his side, then the arm and the rod hit the floor. Now, Putin is really angry. He gets up from the table and he is hissing loudly. With his black Hitler-style boots, he is stomping mad and his face is as red as a beet. I do not know what he is saying but he is furious.

"'Tis so, My Child. Now, My Little One, take his right arm and his baton and throw them into the Lake of Fire."

"My Lord, I have both and I gladly toss them into the Lake of Fire."

"Now, My Child, take My sword and cut off his right leg at the knee."

"Gladly, my Lord." And, I do as He says.

"As with the arm and rod, so with the leg." So, I pick up the lower right leg of Putin and throw it into the Lake of Fire. I look back at him and see that he is now very crippled and he falls back on the blackboard, which is behind him. He picks up the chalk and struggles to write. What is written is backwards and upside down; but with the help of the Spirit of God, I believe I can see it. Now, I see the words clearly and they read, "I surrender." Then, the vision is gone. Putin is gone and I am back with our Lord on His Holy Mountain."

"Look, My Child," He says. And, suddenly I see great darkness, and within this darkness is a duel. It is a duel between George W. Bush and Putin. Putin is very quick with his sword even though he is minus some body parts and in the darkness, there is much fighting going on with these swords and I hear the clashing for what seems to be a very long time. After a while, all is quiet. Then, I hear the roaring of a beast, which resembles both the roar of a lion and the bellowing of a raging bull and I look to see a beast emerge from this fight. It is a black, tall, and hairy beast and its eyes are very red. All the while, it is blowing smoke and fire. The beast goes forth, gets on a very large motor cycle and begins to ride. As it goes along, the beast throws out flowers and candy and the people are grateful; for they see the beast as an angel of light. Then, the vision ends and I am back up on the Mountain of our Lord Jesus."

"Oh, My Lord, this is all very bad."

"My Child, it is all bad, but from all the suffering of My people on this planet, goodness shall prevail. My Lord, I want to ask You what all this means; but for some reason I feel that you, or our Father, will cover this a little later."

 From The Mountain Prophecies Copyright 2004

"My Little One, all will be explained, but know one thing. A great judgement is coming upon Russia and upon all these secret Russian labs, wherein they are out to make My Loved Ones do what is against My will for them. My Little One, you will see and you will know what I am telling you about. Be at peace this day; for there are reasons beyond your conscious awareness that this has all been allowed to happen. I am your Master, yea true Lord of Earth, yes Jesus."

**"Our Father in Heaven's Explanation of the Previous Prophecy"**

"My Precious Child, I am your Father in Heaven, yea Jehovah, Most High God. Be at peace, My Little One; for I hear your cries and I am going to answer all of your prayers. Within one month, you will see Me move in spectacular ways and you will know My miraculous hand in all these petitions. I am mindful of you, My Child. My eye is always upon you; for yours is a particularly difficult walk in this world and you are always swimming against the river. But, My Child, I am your tailwind. My hand is upon you and all things that happen to you happen for a reason. You may believe that this happened with this Russian lab by chance. No, My Child, I saw it all in advance and I allowed it all that My judgement upon them may be complete. Yes, My Child, they abducted you and they have also repeatedly abducted your husband, the same as you. And, others that you know of, have also been abducted by the same ones. You will not agree consciously to work for them, so they are trying every so-called 'trick in the book' to control your minds and to make you work for them. And, they continue to believe that they will get away with the evil that they do. But, My Child, they have no idea that a great judgement from Me is at their very door. Yes, My Child, eyes have not seen and ears have not heard what I am about to do to these Russian labs, which are not only in Russia, but all across America. But, I tell you now that this judgement is going to be severe."

"My Father, will You tell me more about the nuclear explosion, wherein You said, ‘This is Russia.’"

"Yes, My Child, I will tell you more. Take this key and unlock the book, which is before you. The book will open to a specific page and you are to read what is written."

So, I take the key and put it into the lock. The lock clicks and the book falls open to page 272. I squint to see the words; for what is written before me is a swirling, red, whirlwind."

"Father, what is this? I see no words."

"No, you do not, not now; but look closer and you will see."

"Yes, my Father." And, as I look at the whirlwind I see the following words emerge. "But, you denied me once and you will do it again." These words appear in the middle of the whirlwind, and are black words on a white background. And, this is all that I see. "But, Father what does this have to do with a nuclear explosion in Russia?"

"Oh, my Child, it has a lot to do with the nuclear explosion. For, within the red whirlwind, you see these words."

"Still, I do not get this, Father."

"My Little One, what is taking place in America right now?"

"Father, would this be the "red" whirlwind, as in red of communism?"

"This is it. When you look at this very government and what is taking place, you see "red" communism spreading like a whirlwind. You see your rights being striped away. You see martial law. You see staged violence. You see police brutality. You see innocent people, who are being harassed and jailed. You have no justice in the courts .You see an assault on Christianity. You see a destruction of morals. All these

 From The Mountain Prophecies Copyright 2004

things you see, which tells you that communism is alive and well in America. And, My Child, the very same Satanists, who caused it to thrive in Russia, are causing it to thrive in America. The very same banks. The very same families. The 'old money' crowd, My Child. Things have not changed. They are simply going along with their plans to take over America without firing a shot."

"Well, Father, they may not be firing a shot, but they are creating explosions. They are burning down and tearing down to create their own system."

"All of this is so, My Child, but communism is a satanic ideology, which is intended to do away with all opposition and to make prisoners out of all of you. Now, My Little One, remember that on March 15th of last year, I had you to bind up the strange fire in Canada and America. As you can see, My Child, since that time, many, many have risen up against the abuses of this government. Several have had major victories in the courts and more and more are now willing to stand up and risk all for what is right although these numbers are still few. But, what you see now, My Child, is a tide of anger, a tide of grievances against these Communist/Satanists, which is quickly turning into a great flood against them. And, they are getting into a panicky state; for their plans are not going forth as they want them to. There are too many lawsuits, too many in government, who will no longer go along and too much of a probability that they may lose what they have gained. So, here comes Russia, now staging military maneuvers, to show the world how great they are. But, My Little One, two of their very public demonstrations of firepower backfired in their faces, as I deemed it so. They state that a satellite malfunctioned. My Child, I am this satellite and I put "egg" on the face of Putin. But, he has seen nothing yet; for he and his had the audacity to touch you and your husband."

"But, Father, how does all this relate to an atomic explosion?"

"Oh, My Child, it relates and it relates in a very big way. Too many are getting out of hand and it is now time for them to create some great enmity between the USA and Russia, who are long-term partners in crime. The top of your government right now cannot be separated from Russia; for these very ones, who govern you, receive

constant direction from a Russian general. You have now the USA of the Soviet Republic. But, My Child, as I see that more and more are trying to correct this situation and as I see a tide of those, who are turning back to Me to do what is right, I will continue to keep the strange fire bound up. I will leave it bound up until December 15th of this year; and I will go from there. But, what you must know is that a nuclear diversion is being planned between the USA and Russia right now. This nuclear diversion will be either accidental or deliberate according to their plans, but either way those within your government, along with Putin, are planning this diversion. Do not believe all that you read about the USA and Russia being enemies. It just is not so a this point; for those at the head of your government and Putin have a common goal and that is to destroy you as a people and as a nation."

"But, Father, You have told me as well in the past that You have put a hook in Putin's jaw and you are pulling him forward."

"I have told you and this is so, My Child, and he has been pulled forward to the extent that you now have Russia ruling America. You now have communism infiltrating every facet of America. Do you not see this?"

"Yes, my Father."

"So, this nuclear blast may very well be in America?"

"This is so, My Child, and either an accidental or deliberate attack by Russia, to arouse the Americans to war against Russia. For, they are now your enemies. Understand?"
"Yes, my Father, I get it. And, did this have anything to do with their abduction of me and Dennis?"

"This had everything to do with this abduction and more. My Little One, who else, besides you, continually warns of the plans of the enemy?"

"I know no one."

 From The Mountain Prophecies Copyright 2004

"There is no one in America, or elsewhere, who continually warns of their plans as you do; for I have called you, in part, to do this job of warning against this evil, so that it can be averted before it can take place. So, My Child, your work is very important."

"But, Father, if this work is finished in Book Ten, who will do this work?"

"My Child, there is no one."

"But, Father, my soul would be devastated to know that I could have done this, that I could have warned and prevented the loss of lives and the advancement of the enemy, and I did not."

"My Little One, I know that you have a heart after loving Me. I know your desire to serve your fellow brothers and sisters, warning to save the rebellious, right alongside the lost. But, My Child, as I stated earlier, you are getting very tired. There is now too much work for you to keep up with and if the masses, who read these works, want to continue to read them; and if they want to continue to receive these warnings, they must help financially and consistently so that I can provide a secretary to help you. If they really want My work to continue through you, they will do their part, My Child. It is simple, very simple. You bear a very heavy load and most of it you must do; for Dennis has a very stressful job. And, I am not upset with him as he often lags behind in posting the translations; for I know the long hours that he works and that he must work to pay the bills that you have. Therefore, I have been merciful to him; but My Little One, I am also merciful to you and I expect more out of those, who benefit from these works. How many of them tithe to My works anywhere? How many of them will tithe to these works so that they can go forth? How many of them will give ten percent of their income to help share the expenses for these works to go forward? I have spoken it, My Child; I have told you what I will do. Now, it is up to those, who reap from these works to sow into them. And, time will tell who will sow. Now, My Child, you know of the planned nuclear exchange between Russia and the USA, so let us go forward."

"Father, You gave me a cup to pour out on this evil lab and I did so. Then, the contents of this cup began to flow to parts of Russia and the USA. My Father, this cup was full of plagues and many died. What does this mean?"

"My Child, it means that it is judgement time for Russia. It is judgement time for these Russian mind control and DNA labs in America and the cup of My wrath is being poured out on them."

"And, many will die, Father."

"Like flies. For, I have had enough of this evil."

"Praise You, Father! I delight in Your righteous judgement."

"But, why is this a red river?"

"My Child, this is a cup of my wrath."

"So, Father, You state herein that a nuclear blast will hit Russia."

"I have stated it. This is a planned nuclear exchange! 'You nuke me and I will nuke you.' This is Bush and Putin in dueling it out."

"Father, I hate to see this. I have a deep dread within me. Father, don't let them nuke America! Now, Father, tell me, what is meant by putting out the left eye of Putin?"

"My Child, what is the left, as in the far left?"

"I don't know, Father."

"My Child, what is Washington DC?"

"It is "L" for liberal. Everything goes!"

 From The Mountain Prophecies Copyright 2004

"But, not with Putin. Everything does not go. He mows down and destroys all opposition. What happened to his opponent in the presidential race?"

"Father, he was kidnapped and drugged."

"This is so. So, his left eye, for liberal, is punched out and what is left?"

"Father, it is his right eye for 'red' communism."

"This is a good conclusion, but not all. If his left eye is taken out, which is liberal for Washington DC, then he is left with his right eye, which is China. China is his right eye and Washington DC his left eye."

"So, Father, does this mean that DC may be nuked?"

"Well, My Little One, this would solve a lot of their problems right now. Nuke DC or New York City, among other places. Get rid of this left eye and much would be solved for everyone, even if a few million were lost in Russia. After all, the 'useless eaters' must go, by their own design."

"Father, when the fiery rod is stuck through Putin's belly and it leaves a hole, what does this mean."

"My Child, what is his belly?"

"The Kremlin, perhaps."

"This is part of his belly but not all, My Child. Do you see Putin's doing a jig with his feet?"

"Yes, my Father, I see it."

"And, do you see the knife in his right boot?"

"Yes, my Father."

"And, do you see him take the knife and put it to Bush, Jr.'s neck?"

"Yes, my Father, but I do not know what this means."

"My Child, it means blackmail. Putin has blackmailed Bush and few know, so there is some bad blood there; but still you have Russia all over America. This bad blood means nothing in terms of the New World Order goals, in which America must be destroyed."

"But, Father, what does this have to do with a hole in Putin's stomach?"

"My Child, a part of George W. Bush wants to get back at Putin, to take revenge against him for this blackmail. Understand?"

"Yes, my Father, but your rod put the hole in Putin's stomach."

"This is so, My Child, but even so, I use others to carry out My will. My judgement is upon Russia because of what they have done to you and I may very well use George W. to go forth with My judgement. Understand?"

"Yes, Father, but he will do only what he is told."

"This is so, My Child; but I am still on high."

"Forgive me, Father, I did not mean to say a thing negative toward You; for I love You so! It is just that at times I do not understand things at all."

"No, you do not, My Child; but I want you to understand and this is why I am telling you these things."

"So, Father, the world is on the verge of a nuclear catastrophe."

 From The Mountain Prophecies Copyright 2004

"It is."

"Can it be stopped?"

"My Little One, I reveal plans so that things can be stopped. Otherwise, the USA would have been finished long ago. When I hear people pray in earnest, I listen and I intervene."

"I know You do, Father and I love You so."

"Now, My Child, You wonder about the lineage of Putin; but You should wonder no longer; for you see him hiss."

"Yes, Father. What is meant by his losing his right arm, along with the rod?"

"My Child, the USA is also his right arm, and the arm, which has put the rod of punishment in Putin's hand. The USA has made the agreement with Russia that they will be used to police the USA, Canada and elsewhere as directed."

"But, Father, You had me cut off this arm and throw it along with the rod into the fire."

"I did."

"What does this mean?"

"It means a severe parting of the ways between America and Russia and a severance between the two, a parting of the ways."

"Then, Father, the Russians in America must go."

"Or, so you believe, but it will not be this easy. This is the dilemma that you, as a nation, will face."

"Now, Father, we come to the right leg, which has been thrown into the Lake of Fire. Father, what does this mean?"

"My Child, it means that he will no longer be able to dance the jig."

"What do You mean by ‘dance the jig?’"

"Do you see him burning the picture of George W. Bush?"

"I do."

"Therefore, My Child, he is not going to be dancing a jig for long with the USA, but will become crippled when he cannot dance this jig any longer. And, all should be frightened and concerned; for what I have shown you is very perilous."

"Yes, my Father. But, once he loses his leg, he surrenders. What does this mean?"

"My Child, it means a time of great darkness, which is upon Russia, and in due season this man will buckle beneath the weight of it. When the USA no longer supports him, he will crumble."

"Father, the duel between Bush and Putin is self-explanatory."

"It is."

"And, the beast, Father. This is the New World Order beast."

 From The Mountain Prophecies Copyright 2004

"It is, My Child. The beast is looking to go forward with World War III so that it can emerge as an angel of light. Most, who see these evil works, will see them as good. And with this, My Child, we shall stop for today. I am your Father in Heaven, yea Jehovah, Most High God."

# CHAPTER FOUR - PART I

## "Bush/New World Order Plans to Terrorize the Poor people in the South"

On the afternoon of the 21st of February, I took a nap and dreamt that I was talking on the telephone with a friend when the conversation was interrupted by loud clicks and noises as well as the weird voices, which were very scrambled and hard to discern. Then, the telephone connection was lost. I called back and our friends' Mother answered the telephone. When I asked to speak with our friend, I was told that He was called out and I believe that she said to "Oklahoma." Then, this woman blurted out, "Jackson Mississippi just got nuked."

Without speaking a word, I hung up the telephone and hurriedly went to my Mother's house. Once there, I asked her why Jackson Mississippi was nuked and she said that she did not know.

When I entered her house, it was daylight, but shortly after my conversation with her, I went to the door and looked out and the sky was full of so much dust and debris that it looked almost dark. I saw My Mother and my Stepfather sitting outside and I warned them to come inside as they were breathing radioactive particles. They got up and came back inside and once again I asked my Mother why Jackson Mississippi had been nuked. As soon as these words began to come out of my mouth, a radio on the wall came on and as I spoke the radio got louder and louder until I was shouting at my Mother, continuing to ask her why Jackson Mississippi had been nuked. I awoke never hearing her reply.

During the course of time since this dream, I have shared it with others, who have confirmed through several intelligence sources that the Bush Administration definitely plans to commit a great terror act in the state of Mississippi. Just last week there was an earthquake, which was over 5.0 in Mississippi and our Father in Heaven tells me that this earthquake was a "caused" earthquake." I pray that this registers with you! Several different intelligence sources have confirmed that the Bush Administration and

 From The Mountain Prophecies Copyright 2004

their New World Order cronies plan to commit a terrorist act of great proportions in the state of Mississippi. These are their plans. It is up to each of you to take this warning seriously and pray fervently against it. Read on for what our Father in Heaven has to say!

**"Planned Terror for the South!"**

"Father, I come to You for a greater understanding of this dream. You know that since this dream I have received word that intelligence sources confirm that the Bushes and their New World Order crowd plan an attack on Mississippi. But, the word is that this attack is more of a biological attack."

"My Little One, I am your Father in Heaven, yea Jehovah, Most High God. In this dream, I have shown you as it is; for there are several attacks on the South, which are being planned at this moment. One is nuclear. One is biological and one is chemical. The point is, My Child, that many states in the South have a history of voting Democrat. The point in creating this terror is so that the Bush crowd can then come in and be the heroes, thereby getting the votes of the people in the South. Why Mississippi? Because it is a very poor state. It falls behind in many areas and they believe that these people deserve to be destroyed, plus they think they are so ignorant (in Mississippi) that they will never find it out. If Mississippi fails, they have other targets in the South, but Mississippi is their number one target and "Jackson" as you have seen."

"Oh, Father, I hate this evil and I pray that You will smash these evil ones in the head with Your rod of judgement. I am fully disgusted with their evil!"

"You are right, My child. Take My rod and smash it into the head of Karl Rove."

"Father, I take Your rod and I smash this rod into the head of this evil man. At first, I see a blazing white light. Then, I see black snakes scatter in all directions. Father, what are these?"

"The demons, who control him. Gather up the snakes and throw them into the Lake of Fire, for they give him power."

"Yes, my Father." And, I reach out and gather them up under the power of God and I have thirteen of them in my hands, which are now bound up in ropes. Now, I give them a fling and they go straight into the Lake of Fire. I look down at Karl Rove and he looks like a skeleton. He tries to speak, but no words come out. "My Father, this is awful."
"It is and it won't be long before he follows his snakes. Now, My Child, take My rod to the head of George W. Bush."

"Yes, my Father." I now take His fiery rod and I slam it into the head of George W. Bush. His head falls off, which has one crown attached and I look to see that the severed head is hollow. "Father, this man's head is hollow and his body is hollow. How can he even think; for he has no brain."

"You are correct. He has no brain. His Father is his brain. Now, take My rod and smash it into the head of George Bush Sr."

"Yes, my Father." And, I do as asked. The rod of fire hits his head of George H.W. Bush and the head explodes, leaving thousands of snakes. They are pouring forth and the heads are peering in all directions, all are hissing at once. "Oh, Father, this is an awful mess!"

"It is."

"What is to be done here?"

"Take My cup of fire and pour this cup of fire onto these snakes."

I take the large cup, which more closely resembles a pitcher, and I pour the cup of molten lava and fire onto the hissing snakes. These snakes begin to groan and to pop and sputter as the molten lava and fire hits them and simultaneously they begin to dry up, like plants that have dried up in the sun. The head of George H. W. Bush is gone and the snakes area all withered and dead, or dying, and from the belly of George H.W. Bush comes a terrible groan. "Let me out! Let me out!"

 From The Mountain Prophecies Copyright 2004

"Oh, Father, what is this?"

"My Child, it is another very large snake, which is coiled in a circle."

"Take My sword and stick it into the belly of George W. Bush and pierce this snake."

I now take our Father's fiery sword and push it into the belly of George H. W. Bush and the snake is hit by the fire. Oh, this thing is furious! It is now screaming like a wildcat and hissing at the same time, but the screams and hisses soon die down until there is only a moaning noise, which gets weaker and weaker until there is no noise at all. I withdraw the flaming sword and out comes green bile, stinky, rotten, putrid, gangrenous fluid, and it falls down and builds into a pile at the feet of this evil man. "Oh, Father, this is foul! It is so foul!"

"Stand back, My Child."

Then, suddenly, the body of George H.W. Bush crumbles and falls into the stinky mess. "Oh, Father, this is awful! I can hardly stand the sight! I feel sick all over!"

"As it should be! And this, My Child, is the fate of George H. W. Bush. With his demons gone, he, too, shall soon dry up and fall into the stinking mess that he has created." "Oh, Father, this is an awful thing; but I delight in Your righteous judgement! Praises to Your Holy Name, Father. I love You so!"

"And, with this, My Child, we shall stop for now. I am your Father in Heaven, yea Jehovah, Most High God."

As witnessed, dictated and recorded this 24th day of February, 2004,

Linda Newkirk

Since I received word from the intelligence sources above, I have received other words of confirmation that other intelligence connections confirm that the Bush administration plans to commit an act of great terror in Mississippi. But, also remember our Father's words that this could be any location in the South and for the reasons as outlined above. It is up to each of you to get serious in prayer that our Father will intervene and stop these evil plans! Once again, we are facing serious concerns and know one thing. This is not going to get any better any time soon! The Satanists have taken over and they plan to kill every person. They have bankrupted the country and hope that all are either dead or enslaved before they wake up. Dear Ones, the great war is on and you will either stand up and fight it spiritually or you will die in chains to the New World Order!

**April 21st, 2004**

Since the above warning regarding the New World Order plots to create terror in the South, we have read of explosions in an oil refinery in Texas. Because of the severity of these explosions, this refinery had to be shut down and it is supposedly the third largest in the USA. The word, which came through the news reports of the Internet, was that this great explosion would surely lead to an increase in the gas prices in America; and we are surely seeing a steady increase in gasoline at the pumps! But, the word that we have received through some, who have contacts in the intelligence agencies, is that the super elite thieves need to keep the oil and gas prices high so that they can make a huge profit on their oil derivatives. If oil drops, they lose! Now, we understand why OPEC has also cut oil production to accommodate these thieves! It is all about money and greed!

Also, since the above warnings about "terror" in the South, we have received word about other explosions in an oil refinery in New Mexico! But, this is not all, reports have come in about an unknown aerosol, which was disseminated in the Miami Airport and another report about a package, possibly an explosive, which was found in the Atlanta Airport. I do not know the outcome of these situations in these airports as I only read one article about each of these "terror" events.

 From The Mountain Prophecies Copyright 2004

Let it be known that these events are our Father's warnings coming to pass. Never, ever underestimate His warnings and never take them for granted! He gives them for a reason! This reason is so that you will repent and pray to stop these things. If people take these warnings for granted and do not even care enough to pray for our Lord and God to stop them; He will simply let them come to pass! Does this tell you anything about why we are seeing these things come to pass in the South?

## CHAPTER FOUR - PART II

### "IT'S ALL ABOUT CHOICES!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Listen to Me, My Little One! Just as you hear the clock ticking in your kitchen, the clock is also ticking for My people. Just as you have heard My voice speaking to you about the wake-up call that I have given through the Mel Gibson movie, you have also heard Me say over and over, 'Time is running out for My people.' Just as I have given David Booth the same warning for ten nights in a row, I have given My people the same kinds of warnings and messages through you, now into the tenth book. My words to you are, My Child, that time is running out for My people. The day and the hour of judgement is approaching for all of humanity."

"Father, I know that we are facing grave situations on the Earth. Yellowstone could blow any day. We are looking at wars and more wars. The whole world is on the verge of an economic collapse."

"And with reason, My Child. For, the world, as you know it, is coming to an end. People have spent their time getting spiritually prepared and ready for the return of My Son, or they have flitted away their time and energies on the vanities of the world. There is no in-between. They are 'for real' with Me and My Son, or they are lost in the world of illusion. There is no in-between. You are either for Me or against Me. Lukewarm, I despise! So, where does this leave most of humanity?"

"Out in the cold."

"'Tis so."

"Father, the Earth is now wobbling severely."

"It is. And, next it is turned upside down."

"But, Father, still you do not say how long we have."

"I do not. When I told Noah to get into the ark, did I tell everyone else?"

"No, my Father."

"So, why should I tell those, who do not love Me and who do not serve Me?"

"I understand, Father."

"But, My Little One, those, who have taken these works seriously will be prepared spiritually and physically to remain, or to go home. These are the wise ones. But, the rest will not be prepared; for they are foolish. If they have not prepared by this late hour, will they take these words seriously and get prepared now? The foolish will be foolish and the days of the foolish are fast coming to an end. But, My wise I will continue to guide and it will be on a one-to-one basis. My wise ones will hear Me and they will obey Me. The foolish will not. I will not continue to cast pearls before the swine, who trample on them and render them useless. 'Tis true that My words through you have blessed the wise and the foolish alike. But, at this late hour, the foolish will go their own way and the wise theirs. When it is time to go into the ark, the wise will know, but the foolish will perish. I have much to speak to the wise, but My days of warning the foolish are coming to an end.

Through these works, My Child, I have blessed many and will continue to bless, even after the flipping of the Earth. For, the wise will make copies of all of the works, even

 From The Mountain Prophecies Copyright 2004

and especially the fulfilled prophecies. And, in their time of quiet and rest, they will read these words again and they will be blessed over and over again. But, the foolish will perish and into darkness they will go.

Now, My Child, you must wonder why I am going to such great lengths to speak of the wise and the foolish. Remember that the wise virgins have oil in their lamps and the foolish do not. In other words, they are spiritually clean, but also physically prepared. These are the wise ones. The foolish say, 'I will not prepare. Let tomorrow take care of itself.' But, the wise know that when the Earth is turned upside down and few are left that there will also be little to eat. There will be no fuel for lamps. No oil. So, they prepare. They have oil and they have food.

Yes, My Child, I gave David Booth the same warning for ten nights in a row and his dream/vision is about the return of Niburu and the eruption of Yellowstone and the flipping of the Earth. He wrote these things into a book to sell to the people and he went onto the radio and did freely share this warning. Yet, when others criticized him, he folded up. Why?"

"Because, Father, he probably felt that people were ungrateful and did not like his putting these things into book form and selling them!"

"My Child, he was persecuted for what he was doing and he folded up!"

"But, Father, in a sense I understand."

"I know you do, My Child; for few, very few would go through what you have gone through and continue on. Most would not continue to stand and to fight when faced with such persecution. They would give up."

"But, Father, when we give up, we do not grow spiritually."

"'Tis so. Nevertleless, My Child, most would not weather the persecution very long to get the truth out."

"Father, I know, but still I understand how David Booth feels about this persecution. He believes that most want something for nothing and that most do not appreciate what is freely given. And, Father, I, too, believe that this is true for most people today. Most, but definitely not all.

Father, I feel so badly that this world is in this mess and that so many have become selfish and greedy, not only wanting something for nothing, they expect it. But, Father, even so, with all that You and our Lord Jesus have given me for the people, it is still up to each one to do what is right. No one can get spiritual growth from another person. Each of us must stand on our own two feet and we must do what is right before You. We cannot cheat our way into a spiritual connection with You and our Lord. This Way is based upon truth and honor and the rest fall by the way.

So, Father, I do understand how David Booth feels about the criticism, which is directed toward his warning. We have been sorely criticized by some for selling Books Five and Six, which You and our Lord told us to sell! Yes, Father, I know that there are many, many takers in this world. Greed is rampant! But, I also understand, Father, that we reap what we sow and as You have freely given to us, we have freely given. We do not expect anything in return, Father. If people help, we are grateful, but if not, we accept it as well. For, this is a work of love, Father and we do not expect anything from others. Father, I hope and pray for the salvation of the greatest numbers of souls. And, in my heart of hearts, I feel that this Book X may very well be the last book for the masses as I can see the severity of the times!"

"Yes, My Child, you can see the severity of the times. You can see the feeding frenzy of evil and it is escalating all the time. It is time for Mine to draw close to me and to get prepared to enter into the ark; for there is precious little time left for all of humanity. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER FOUR - PART III

### "Choosing to do Right with what we are given!"

"My Little One, I am your Father in Heaven, yea Jehovah, Most High God. You come to Me today, My Child, with questions about your conversation with Me on March 01, 2004. And, as you are now going forward with typing what has been previously given, you have questions about My words regarding one David Booth and his revelations of his dream/vision."

"Yes, I do."

"And, I have told you that I have given him this vision."

"You did, Father."

"Yet, My Child, at the time of My conversation with you, you only knew what I told you and what you heard from listening to his radio interviews."

"This is so, Father and I wondered why so many would give this man coverage from this dream/vision when so few would have me on their shows, and You have given me many hundreds if not thousands of visions, plus dreams, and so many have come to pass."

"Oh, My Little One, this is the way of the world. When most are given a few dreams or visions, they begin to usurp power. They begin to usurp authority and while they may start out on the right track, with only a desire to share what is given and to inform the world, most get off track. They get bloated with self and ego and they get caught up in greed. Now, with David Booth, he had a sincere desire to share this experience at first and he felt an urgency in his heart about what is truly coming to pass. Yet, in his haste, he began to undermine the truth. In his book, he stole the words of others and used them as his own. He devised a scheme in his heart to debase Me and My words and

this became his downfall. Nevertheless, I sent him forth and at first his desires were sincere, that is to share this experience, this warning. But, as he devised mischief against Me, I allowed him to set himself up for a fall. He got carried away with ego, My Child, and this was all to his demise. Then, I put him to tests and he failed them all. So, while he started out with a real warning and a real message, his purposes became contorted and twisted and he did a lot of harm. He reaped a great deal of criticism upon himself, some justified and some not justified; for, his purposes became warped and crooked and he, himself, set up his own demise. Yet, My Child, he always had a choice as to whether he would take what was given and be truthful and honest, or whether he would take it and twist it for his own greed and glory. What started out as a blessing turned into a cursing for him as he chose the crooked way.

My Little One, I would use many, many for My purposes, but whom can I trust to serve Me without selfish agendas? And, so it is My Child, that this man has fallen because of his own misuse of truths. Let all be the wiser. I am your Father in Heaven, yea Jehovah, Most High God."

## Chapter Five - PART I

### "Not by Chance, by My Design!"

"My Little One, I am your Father in Heaven, yea Jehovah, Most High God. My Child, remember the night of March 04, 2004; for on this night I opened a very special and very powerful avenue for My people that has been heretofore closed. You experienced the violent storm, which was preceded by violent sunspot activity."

"Yes, Father, this was a very violent and fast-moving thunderstorm with high winds. When the winds were at their height, I walked the length of this little house praying in tongues. And by the time that I got to the end of the house, I looked up to see the most awesome angel, who must have been 100 feet tall. A great radiance of pure, white light shone upon this angel and bathed this angel and the moment I saw this angel, the wind stopped and all became very still. Father, this was so amazing and absolutely beautiful and I will always be thankful for this beautiful angel and for Your power, which came through this angel. And, Father, I felt such a power come upon me, so that when I sat down in my usual prayer chair, I saw a whirl of fire. Oh, this was a beautiful, rainbow fire with many colors and this fire was so powerful! Then, when I went to bed, this fire followed me and came to rest above my body and after a while I was in the fire and the fire was in me. And, it seemed that I was engulfed in this fire and even consumed in it, but it was the most beautiful experience! At times, this fire was absolutely white, while at other times, it was the most beautiful kaleidoscope of colors. Even today, I feel the power from this fire and Father, this is a beautiful thing; but even so, Father, I do not understand what I have seen or experienced, only that this has been a beautiful thing, Father and that I love You so!"

"My Little One, you know that 6+6=12."

"Yes, my Father."

"And, you know, My Child, that My creation is orderly. The universes are orderly. The makeup of all things is orderly and according to My holy design."

"Yes, my Father."

"And, My Child, you know that this is a system of mathematics, that all is based on mathematics and by My own design I have created things this way."

"Yes, my Father, I know these things."

"And, you know, My Child, that what has happened to you is not by chance, but by My design."

"Yes, my Father."

"And, I have told you, My Child, that there would come a time and soon when I would put My fire on you and that others would also see this fire."

"Yes, my Father, You have said it; but I do not believe that anyone, but me would have seen this fire last night."

"'Tis true; for no one would have, but in due season others will and they will be afraid when they see this fire and some will fall down from fright. And, others will be healed, delivered and set free. Understand?"

"Yes, my Father, You have told me these things and I accept what You say, but as I have never experienced this, it is hard for me to imagine it."

'But, even so, I have told you these things and I am telling you again that on the night of March 04, 2004, an interdimensional shift took place, which will affect many. This interdimensional shift will particularly affect those, who really love Me and My Son and who honor Me through obedience to me laws. This interdimensional shift is going to affect many people the world over; for not only have I given you this very special gift,

 From The Mountain Prophecies Copyright 2004

but I will begin to bestow My power and gifts upon many all over the world. Yes, My Child, you see it in the Spirit. And, to you it is as if something cracked or broke and in a sense this is so, but not altogether accurate. It would be better described as turning a key to a different position on a mantle. By inserting and turning this key, the vibratory rate has been altered. It has been elevated somewhat."

"Father, this is what they wanted to do in the pyramid with the crystal. They wanted to raise the vibratory rate and to alter the course or timing of the coming of Planet X, or Niburu."

"Yes, My Child, this is so; but this has not been done by them, but by Me. And, I have done this that the greatest numbers of souls may be saved, as you have prayed so often, that there will be a mass turning back to what is true and right before huge numbers of souls exit this planet. Now, My Child, admittedly, there is not much time; but this shift will allow for a shift in the consciousness that is needed for this change, for this transition in the human race."

"But, Father, did this have anything to do with this storm?"

"Yes, and for reasons that I will not go into right now."

"What more should people know, Father?"

"My Child, they should know that I love them very much and I do not delight in destruction of this planet. But, societies the world over have become so wicked that I must judge this evil. However, because of My love for humanity, I have caused this thing and I have also begun to pour out My fire in you as I have promised.

My Child, dire times are at hand for the whole Earth. The warnings have gone out for many years but few take them seriously anymore. Yet, the righteous will take them seriously and they will do as I have commanded. I am your Father in Heaven, yea Jehovah, Most High God."

## CHAPTER FIVE - PART II

### "A Time of Purification has already started!"

### Plus, A Message for South Africa"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Yes, My Little One, I have given you a reprieve, a brief time of rest, that you may draw close to me and My Son, that you may be refreshed and renewed spiritually. Now, My Child, as winter passes away and as spring brings renewal, so do I bring renewal of My Spirit in you. Yes, My Little One, this year past has been a very difficult year for you. It has been a year of great battles and the fallout continues on with high-level government officials coming under My judgement and facing their own demise. I am dredging the bottom of the stream, which to you, My Child, does look like a river, but even so it is the stream of humanity. And, I am dredging this stream, even now and I am pulling up all manner of filth and darkness and I am laying it all aside to be cast into the burning fires. For, a time of purification is at hand in the Earth and it has already started. Yes, My Child, the dregs are being brought up and they are being put aside for My judgement and in the world right now, you are seeing a manifestation of all that I am telling you. Yes, My Child, the dregs are being brought up and the whole world is looking on at these filthy dregs and they are observing the darkness of these dregs, the lies, the confusion and the outright evil that they have brought into the world. And, try as they might they cannot hide who they are for their words are full of trickery and contempt and the evil of their ways is manifest outright and before the public. And, as you are remembering, My Child, yes this is partly due to the interdimensional shift that I described to you earlier. This interdimensional shift has brought in more of My light and this light is

 From The Mountain Prophecies Copyright 2004

propelling Mine forward, but it is also illuminating the evil, which has hidden under cover of darkness for a very long time. And, you are right in your thinking again, My Child! Since this shift, two very important events have taken place in the world. The Bushes and their New World Order allies in Israel and England set out to control the election process in Spain by a huge act of planned terror and it backfired in their faces. What they set out to accomplish failed. It turned an angry tide of public disapproval against them and they lost their ally in the Spanish Government through the election process. The second event of major importance, which took place, happened in Taiwan, also near the election process, wherein they set out to do away with the current leader of Taiwan and put in their own choice. However, this also blew up in their faces! And, as you have heard, certain investment groups, in which the Bushes and the Clintons are involved, waged "put" options against the Chinese Currency, just days before this attempted assassination, all betting that the Taiwanese currency would fall. However, once more they failed to accomplish their goals and their evil plans backfired in their faces. Again, My Child, this also relates to this interdimensional shift and the increase in My light and conscious awareness that I have promised."

"Oh, My Father, this is so beautiful! The people need this so badly. And, still Father, I pray for the salvation of the greatest numbers of souls. Father, we still need translators for Chinese, Russian and Arabic. Father, I know that time is short, but Father, but Father, you are Most High and You can make this happen. Father, please send these translators."

"My Child, I have heard your cries about this and other things of great import. One month past, I told you that within a month, your concerns would be answered and to date, they have been. One you do not see yet, but this has been answered. My Little One, I will not turn a deaf ear about these translators. I realize your love for the lost and I know that you want the greatest numbers saved and I continue to open doors to make this so. Continue to seek Me in this and have faith; for faith does move all mountains.

### Prophecy for our Brothers and Sisters in South Africa

"My Little One, herein is another prophecy for My people in South Africa. Write the same and publish the same that My People all over South Africa and Zimbabwe, and even those in other countries in Africa, wherein they are scattered, will know My love for them. For, I look upon them with a great love and My heart is full of kindness toward them. I moan for the burdens that they carry and I repent, myself, of the judgement that I have brought on them for their wayward ways.

My Child, what I would have them to know is that my anger has been only for a little while, just a little while, My Child. What I have felt toward them in this way is lifted and I reach out My long arm over them, and I am striving with them. At the same time, I am pushing against their enemies; for I see the love of My people toward Me and My Son and it is renewed, just like the renewal of the leaves in Spring. I see their love. I see their obedience. I see this renewal of My Spirit within them as they have chastised themselves before Me. This I see, My Child, and it is spreading like the Sun in early morning. This discipline among them is spreading and they are humbling themselves before Me.

My Little One, I hear their cries! These are the cries of Precious Babes and beautiful Precious Little Children as they come to Me, and I receive them with open arms. For, I see their repentance. It is beginning to spread and My heart is overflowing with love toward these Little Lambs.

And, know, My Child, that I am rising up. I am rising up in My anger. I am rising up in My wrath against the heathen, who encompass them and I am beginning to shake away the dust and to tear down the cobwebs, which have grown among My people and over them. And, with My rod of judgement in My hand, I am coming against their oppressors and one by one, I shall begin to break away these shackles and I shall set My people free!

Yes, My little One, these are the best of times and the worst of times; for herein I shall raise up a Standard of Righteousness in South Africa and I shall take those, who have been the Most Hated and I shall cause them to be the Most Loved! For, I shall use this

 From The Mountain Prophecies Copyright 2004

small and dedicated group in the Daughters of Zion, who have maintained My causes and My purposes through great trials and hardships, and I shall use them to reach the unreachable. I shall use them to break down and tear down the strongholds of evil, which have been upon the land for a very long time. And, many may hate them still, but when others see My miraculous hand upon them and how I use them and carry them through the fires and out the other side, they will no longer mock and scorn, but will humble themselves and reach out to them in love; for they will know that it is I, Jehovah, Most High, who has done this thing! And, while many fall by the way, My hand shall be steady upon them; for My promises are sure and they do not fail.

And, now My Child, I am calling for a unification of My People in South Africa, that you all bury your congregational differences, that you bury your pride, that you bury your egos and come to Me on bended knees as My Children, as Brothers and Sisters. For, I have a work to do among you that all the world will marvel at. And, when it is done, all will know that I and only I have done this thing! Therefore, I am calling you to bury your differences and to come together in love and humility; for you all face serious trials and you will not get through them at one another's throats. This is not My Way, but the way of man and this sort of bickering must come to an end. Therefore, I am telling you now! Call this alliance and come together in humility, prayer, loving kindness and thanksgiving, that I may begin what I long to do among you all. For, My great blessings await you and My love is ready to be poured out on you in great measure. I am your Father in Heaven, yea Jehovah, yes Yahveh, Yahweh, Most High God."

# CHAPTER FIVE - PART III

## "A Message to Nelson Mandela and others"

"My Beloved Child, I am your Father in Heaven, Jehovah, Most High, The One God, the Only God of My People, Israel. Listen to Me, My Child, and write this; for these words are for Nelson Mandela, one ruler of South Africa.

### Prophetic Message to Nelson Mandela From Jehovah, Most High God, the God of Israel

"Behold," says I, Jehovah, Most High God, "for I am Most High and there is none, who can compare to My power and My authority. For, I am Supreme Ruler of the Earth and the heavens and I am Creator of all. But, you and all in direct alliance with you in the government of South Africa, serve other gods of darkness and great evil and in your secret hours, you do great evil, all of which is an abomination to Me and is an abomination to any, who know truth and who serve Me in truth, honor and Spirit.

I tell you now that you believe that you and others, who serve with you, have been placed in power because the dark gods and spirits put you there; but this is a lie! For, in them is no power, only illusion. What you see is here today and gone tomorrow. What I give goes on into the eternities.

Yes, erroneously, you, as a group, believe this lie: that these forces of darkness have put you in power! But, it is I, who have put you and others there! And, I have given you power over My own People, for they have strayed from Me, loving what is in and of this world and not Me. And, for this, they have been given over to the world.

But you and your allies have made another mistake in believing that I have given them over to you to do with as you please. You have made a third mistake in believing that I have given them over to a treasonous New World Order to do with as they please. These things I have not done; but I have brought them under judgement, My

 From The Mountain Prophecies Copyright 2004

judgement, that they may be chastised for a season, that they would humble themselves and come back to Me. For, they belong to Me, and not to any of you; but in your high-mindedness, Nelson Mandela, you have forgotten your own lessons with prisons and you have forgotten that you are but flesh and bones and I can remove you anytime I wish. For, I created the Earth and the heavens and I am in control of all things. But, when many become puffed up with evil as you and others in positions of power in South Africa have become, you erroneously believe that you are in control. Herein is another very great error in thinking.

Listen to My warnings herein; for if you fail to do so, My judgement shall begin to fall on you, on your household, and on all, who work directly with you in the government of South Africa. You have imprisoned many of My people and you have falsely accused them of all manner of terror, when in fact they are innocent and you know that they are innocent. But, as you and your co-workers in evil are paranoid and wish to do away with any perceived opposition, you are out to make examples of My people before the whole world. This is another gross error in your thinking. For, save you and your cohorts in criminal enterprise open up the prison doors and release all, who are currently being tried in the high-level mock trial in Pretoria, I shall come against you in a mighty way. I shall send terrible plagues upon you and your household and upon all, who work directly with you, in the government of South Africa. And, save you let Me People go, greater curses shall fall upon you and your government allies and upon all of South Africa until a great confusion of mind begins to grip many all over your government and madness of a great proportion sets in. The skies shall become as dusk, even during the day and I shall begin to shake the hills. And, volcanoes shall begin to pour forth fire and smoke. Great shall be My wrath against you and your government allies, and all black people of South Africa shall suffer. They shall weep and wail and flee into the streets; for the signs in the skies shall be so severe! And, fire and great hailstones shall begin to fall from the skies and many, many shall perish, save you and your government allies in South Africa open the prison doors and let My People go! And, not only those on trial in Pretoria, but every one of Mine, who is imprisoned and falsely accused! Every one of them you must let go!

No longer will I tolerate this kind of abuse against My people! You and your government allies have not been given free reign to torture, to maim, and to kill My People; but you have taken it and save you and your allies reverse this course, I shall rise up in My wrath against you and your cohorts in crime and I shall begin to systematically destroy you and the entire government of South Africa until few of you are left!

Yes, you look to the day when you will turn your black people loose and they will destroy all whites! But, I tell you now that this shall not be! For, soon, very soon, if you do not follow My counsel, as given herein, I shall attack you and all your government allies with such a vengeance that there are few of you left! But, My hand is upon My People and just as I delivered them from the Pharaoh in olden times, I will deliver them again from captivity. You and your government allies have a choice in this. These are My warnings! And know one thing: The clock is swiftly ticking. I am Jehovah, Most High God, the True God, the One and Only God of My People, Israel"

## CHAPTER SIX - PART I

### "Up High in My Kingdom"

"My Beloved Child, I am your Father in Heaven; yea Jehovah, Most High God. My Little One, as you know, I showed you a few days past that I would take you up high in My Kingdom and that I would show you great and awesome things."

"Yes, Father, You told me this."

"And, as I have given you a brief time of rest, I have held back these things, for it was not yet the time. But, My Little One, now is the time and now we shall go forward with what I have previously told you."

"Yes, my Father and I am eager to receive this information so that those, who are hungry can be fed."

"My Little One, it is true that some are hungry; but in this country, the USA, not many are hungry as most are full with the world. But, in other countries, wherein My people are oppressed, they are hungry and they are thirsty, for the darkness is great and the weight of evil is heavy. Now, My Child, come hither. Come up high to My beautiful places and I shall begin to show you these things."

And, suddenly, I am caught in an updraft; and on a beautiful rainbow the Spirit of God carries me. All around me are beautiful fireworks of every color of the rainbow. The colors change rapidly from mauve to purple to blue and to various shades in between. Up ahead, I see an opening and I pass through the opening into an area of total white. I see a beautiful room with white carpet, white walls, and white furniture. On a white chest is a pitcher of radiant liquid with a singular goblet beside it. As I look at this pitcher and goblet, the Spirit of God says, "Go there. Drink of the radiant liquid and be blessed!" I reach out, grasp the handle of the pitcher, and pour a glassful of a thick, radiant liquid. This liquid has the consistency of syrup, but is full of light. It is clear,

save for the sparkles of fire and light, which fill it. Looking at this fire, I think that this must be a liquid fire, but there is no smoke, only radiance. I put the goblet to my lips and drink the liquid, which goes down easily, just like water, and when I have consumed all, I put the glass back on the top of the chest. I hear a sound in the bottom of the glass and I look back at the glass and see what appears to be a golden or gold/platinum coin. For, the coin is somewhat golden, but also of a silvery color, depending on the light. The Spirit of God says to me, "Take the coin and eat it."

I pick up the goblet, dump the coin into my left hand, and heat emanates from the coin; for it begins to get hot very quickly. I toss the coin into My mouth and begin to chew upon it. Suddenly, I feel a great heat of fire in my mouth and this fire is both very cold and hot at the same time. I feel a mighty explosion begin to erupt and great power begins to explode out of my mouth. It feels like a rocket has just exploded in my mouth and great ripples of power run though me all the way into my feet and out the bottoms of them. My hands feel very hot and this fire, though very hot, is also cold. This explosion has ripped me to the core and I find that I am perspiring heavily.

I back up to one of the white chairs, which has a high back and straight legs, and I sit down. The cushions are very soft, like the down of a goose and as I sit I feel light-headed. Great waves of energy course through me, one after the other, almost like the waves of an ocean, but more quickly and with a deep intensity, full of intense colors of the rainbow. I grab hold of the chair arms; for even as with ocean waves, these waves are causing me to feel light-headed and nauseated. I hear the Spirit of God say, "Ride the blue wave!" And, I enter into only one part of the rainbow color and this color is a deep blue, like that of the Lapis Lazuli stone. It is a deep, deep blue, a rich, vibrant blue and I enter into this light and find that I am sitting upon a stump, where a very large tree was cut down. Oh, this is a beautiful blue and I could stay in this for a very long time without wishing to leave; for this blue is so electric. It is so serene, yet powerful and I feel such joy, yet pure power of God.

I reach down beside the tree trunk and I break a straw, which is about three inches long. I hold this straw between my two index fingers and I wonder what this means; for in the Kingdom of God, all things mean something. As I ponder the significance of this

 From The Mountain Prophecies Copyright 2004

straw, I look up to see our Lord Jesus. He is so very tall and so beautiful in His white robe and is bathed also in this electric blue light. "My Little One," He says, "Do not get up; for I will sit beside you. There is work to be done and mysteries to be revealed that My people will be the wiser. My Little One, you are seated on a very large stump."

"Yes, My Lord."

"And, when you look behind you, you will see that it is hollow."

"Yes, My Lord, it is hollow and has been hollow for a very long time."

"'Tis so. Now, My Child, do you know what this stump is?"

"No, My Lord, I do not."

"Well, climb down. Peel back the bark and read."

So, I climb down, kneel at the base of the tree and peel back a very large section of the bark, which was loosely clinging to the stump. As I peel the bark away, certain words begin to come into my vision and these are the words: "My people the world over have deserted Me and our Father." Feeling a big lump in my throat, I try hard, but cannot fight the tears. As the tears begin to stream from my eyes, I see in small print below these words, "They profess a kind of godliness, but deny the fullness thereof." I fall upon my face at the feet of our Lord and I cannot stop weeping; for my sorrow is great. Streaming before my face now are thousands upon thousands, even millions upon millions of little children of every race. Some are filthy and others are very hungry. Some have plenty of worldly toys and others have none. Some ride tricycles and bicycles and some of the older ones drive cars, but they all share one thing. They are devoid of the Spirit of God. They are devoid of our Father's truths. They are full of loneliness and full of the spirit of the world. They are cut off, cut off, and I feel so sad. I feel so overcome with grief that I can hardly bear to look at their precious faces. Through my tears they are all a very big blur and now as I look at them, I am deeply sobbing and my tears are rolling onto the feet of our Lord. "I am so sorry, my Lord. I

am so sorry! These children have no heritage. They have no future. They are cut off from You and our Father and they will not receive their inheritance. Oh, My Lord, if You do not intervene, what will become of all these Precious Little Ones? Do not let them go by the way of the grave in this state! Please, my Lord, do not let Satan devour them! I am begging you on behalf of every soul! Please, my Lord, do not let them be lost!" As I say these things, I am clinging to His feet with all my strength, never wanting to let go; yet feeling such a great sorrow, an utter emptiness and desperation for all of these Precious Little Children, who are all captives of the devil. "My Lord, why have You brought me here in this blue light and why did you want me to see this now? And, why did I pick up the 3-inch straw? Why, my Lord?"

"My Little One, these dead and hollow churches are never going to reach the hearts of the lost. The lukewarm have hollowed out My church. They have created a great hole in the heart of My work and because of this hole, My People, the world over are empty and hollow-eyed. As you can see, My Child, I have hewn down this tree. All that is left is a stump. All that is left is the root of My word, a root of My power, a root of My strength in My people. This root, My Little One, is what is real. This root and this stump is what remains. For, I have cut off the trunk of the lukewarm and I have severed their branches."

"Oh, my Lord, this is a terrible thing to see."

"It is, My Child, and what you see is accurate and true. These errant preachers have caused My people to be cut off from Me, from our Father, and from the Spirit of God and I have hewn down this tree. I have cut them off and now these people the world over are empty. They are vacant and save they seek Me and our Father with their whole hearts, save they see their wrongs and repent, they shall go the way of the evil ones."

"Oh, My Lord, this grieves my soul!"

"And, so it should, My Child. For, I have few ministers, few teachers, few evangelists, few prophets and apostles, who are real. Yes, there are many, many, who say they serve Me and our Father. They have many degrees and many titles, but they are not

 From The Mountain Prophecies Copyright 2004

Mine. They are the lukewarm and they have deceived My people! They have led My people astray and this tree I have cut down."

"Oh, my Lord, the tree is cut down and it shall soon go into the fiery furnace!"

"You see the tree. It is cut down and it shall soon go into the fiery furnace; for this is My punishment to the lukewarm preachers, who have taught the lie and it is My punishment to the lukewarm children, who wanted to believe this lie."

"Oh, my Lord, this is an awful thing."

"It is, My Child, but remember the root. Remember the stump; for it still lives and those, who are firmly rooted in Me, shall continue to grow in the depths of My word. They shall thrive in the depths of My Spirit and these few shall now be empowered as never before. As you drank today of My liquid fire, so shall others, who are part of this stump; for they are fully rooted in Me."

"My Lord, what does this mean? I drank the liquid fire and I felt the great power, but what does this mean?

"My Child, it means this: You, My Child, are part of this stump. You are part of My root system. And, from this day forward, I shall empower you as never before. Let those be afraid, who would come up against you; for My words shall flow out of Your mouth with a power that you could never imagine. Even as you speak, My Child, these things shall come to pass. The evil ones will come to fear you and others will know for a certainty that you serve Me and our Father; for the judgements shall be quick and severe and the blessings shall be immediate and powerful. What I put into your mouth to curse, you shall curse with power and speed. What I put into your mouth to bless shall unfold with an awesome quickness. My power through you, which is the power of the Most High, shall roll through you in awesome words and it shall roll forth according to our Father's rainbow. Today, you have entered the blue wave and there is a reason for this."

"My Lord, what is this reason?"

"My Child, this is the reason." And, He touches my head with one finger and waves roll over me as the waves of an ocean. I can even hear the lapping of the waves and the roar of the seas.

"My Lord, I see this and feel this. I am experiencing all of this, but I still do not understand."

"My Child, you are experiencing herein a wave of the cosmic universe. This wave is much greater than you and it is greater than anything you can imagine. It is called the 'Blue Wave' and "My Child, you will often ride this blue wave."

"But, My Lord, as the stump of Your tree is here, what does this mean?"

"My Child, it means an awesome empowerment for this stump, for this root, as has never been seen, nor imagined! This is the 'Blue Wave' of cosmic power as few have ever seen and today through you, My Child, I am empowering the root and the stump through this Blue Wave. Today, I am cutting it loose."

"Oh, My Lord, this is beautiful. And, the straw, My Lord, what does this mean?"

"My Child, you see that this straw is about three inches long."

"Yes, My Lord."

"And you hold it between your fingers."

"Yes, my Lord."

"And, I have put this straw between your fingers and not between the fingers of anyone else."

 From The Mountain Prophecies Copyright 2004

"Yes, my Lord."

"And, you sit in My ‘Blue Wave.’"

"Yes, my Lord."

"Then, know this, My Child, that this empowerment of My stump, of My root, is the last great wave, the last great empowerment before the tree is burned in the Lake of Fire."

"Oh, my Lord, this is terrible. It is very terrible."

"And, what about the three inches?" The straw is about three inches long."

"This great wave will rise up in My stump, in My root, and it will empower My people for exactly three years."

"Then what?"

"Then, the tree will be burned."

"All of it?"

"All of it."

"But, will some of these errant preachers not come back? And will other errant children not come back?"

"Some will; for those of My root, of My stump, will rise up in such great power that many will be healed. Many will be delivered. Many will be set free. This is the last great wave of My power before many are killed and carried away into the Pits or into the Lake of Fire."

"Thank You, My Lord. I love You so! You are so beautiful! You are so precious!" And, I put my head on his feet and feel such a peace come over me. I find myself back in the white room. Our Lord is in the soft and downy, white chair and I am on a white loveseat, where I am seated beside an Indian woman, as from India. She is adorned with bracelets and chains and wears silk clothing. On her forehead is a red spot and she pours a cup of tea for herself and one for me. She offers me the tea and I decline; for I want nothing to do with paganism. I look to our Lord and back down at my hands; for I know that this is one of the lost ones. The Spirit of God says, "You are correct! Partake not of those things, which are prepared by the pagans and do not commune with them."

"Yes, I say to the Spirit of God, "but how shall these be revealed?"

Then, the Spirit of God says, "Not by socializing or fraternizing, but by the power of The Spirit of God."

I look at the woman as she sips her tea and I reach out with My right hand to touch her on the forehead. I feel the waves of the Spirit of God as they travel through my hands and pass through her head, and beyond her head I see hundreds of thousands of Indians and their dark eyes are lit up with the Spirit of God. They have joy on their faces and I know that they have been set free of paganism. The children are full of joy and their faces are aglow with the beauty of God's Spirit. Joy fills my soul. Our Lord Jesus looks at me and He says, "I will send you to India!" The vision fades. Our Lord is gone. The room is gone and I am back at home. Praises to our Father in Heaven, for He has given His Precious Son, that we all might have life more abundantly. Holy is His Beautiful Name!

## CHAPTER SIX - PART II

### "Sound the Alarm!"

"My Precious Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, do you hear the bells, as in the bells of a chariot of old? And, as this chariot comes to a stop, it sounds the bells so that other passengers will be ready to board. This was the way in olden times, but now much more sophisticated devices are used to sound the alarm indicating that soon it will be time to board the carriage. All is much more complicated now and all is heavily dependent upon electronics and electricity to function. In fact, My Child, the world over, societies are dependent upon this very fragile way of operating in day-to-day transactions. Most records are kept in computers and many businesses do not have paper copies made of their day-to-day operations.

My Little One, the day will come when this very way of doing business will lead to a standstill in the world of business. It will lead to an abrupt halt in business transactions all over the world; for governments and businesses worldwide are dependent on this electronic process. But, herein, my Child, is a grave weakness and this very weakness will be exploited by the warmongers all over the world.

A time is coming, and it is soon, that whole societies, whole countries, will grind to a halt because they did not give forethought to this weakness in advance; but have placed all their eggs in one basket. The power outages in the Northeast should have been a wakeup call to all businesses to have manual backups and tangible copies of all records, so that business can go on as usual in case of emergencies. But, few saw this as a wakeup call and when something much greater happens, this narrow-minded way will lead to great chaos and terrible hardships for the people.

Let all receive these words as grave warnings wherein all their business transactions are dependent upon computers and electronics; for a serious time will come when this very process will be interrupted. It will be broken down and all businesses need a

back-up, manual system of operating. This very warning, if taken seriously, will save many a heartache. Let the wise be warned to have tangible records and alternative energy or manual backup systems for their businesses and services; for My Little One, the plans of the enemy are devastation for the whole world. And, what better way for them to disable it than to attack weak and vulnerable systems. I tell you now, and this you already know, that computers are weak and vulnerable systems and with electronic pulse weapons this very basis for business and government alike can be readily broken down and made inoperable. My warning to all is to be wise. Take this warning very seriously for plans are under way to carry out this sort of devastating attack prior to other terrorist activities in several cities all across America."

"Oh, Father, there is no end to this evil."

"No, My Child, there is no end. Not now! But, the wise will listen, they will prepare; but the foolish will not listen and they will all suffer for it. I tell you now that the reptiles, the Seed of the Serpent, who are in power, never plan to give it up! They will blow up much of the USA and much of the world before they will ever give up their plans to conquer and control it all, thereby making slaves of all of humanity. But, in this, I am warning all; for this is but one more of their plans. Pay attention and be prepared. Reject this warning and you, as a people, will greatly lose. And, know My Child, that while I am directing this warning to the USA, it is not just for the USA, but to countries and governments, to businesses the world over, which depend on computers, electronics, and electricity to do business."

"Father, thank You for giving this warning and for giving all warnings to Your people; for You are a God of great love and mercy and I know this great love! Praises to Your Holy Name! My Father, what is the timeframe for this warning?"

"My Child, all the previous blackouts in cities in different parts of the world were a test-run for this big event. I tell you now that the Bushes and their serpent counterparts plan a very disruptive even soon and they have multiple plans of terror, any one of which they could implement. Know them for who they are: Seeds of the Serpent, Lucifer, Satan, the devil.

 From The Mountain Prophecies Copyright 2004

They hate all of humanity with a great hate and their driving force is the demise of all of you. Never, ever underestimate them. And, never underestimate what they are all capable of doing. When they are cornered, as the Bushes and their allies are now, they would have no qualms about setting off a round of nuclear devices, just to distract the whole world and to save their necks from the chopping block. Be the wiser! Know them and know that they have no respect for life. They have no moral values. They honor no laws; but will break every treaty, every law, that they ever agreed to. Yet, they are constantly watching all of you to make sure that you adhere to all laws. They are constantly looking for ways to entrap you all, yet they put themselves above all laws.

It is up to each of you to demand accountability of them all; but if you will not do this and if you will not jail and imprison them for their crimes against humanity and against nature, they will continue with their evil until few of you are left.

But, My Child, this is the dilemma of mankind. You, yourselves, are a rebellious lot. You chase after the very ones, who are out to destroy you! They set the examples of immorality, of gross depravity, of sex and violence and you lap it up. You train your children in their ways. You allow yourselves to be programmed and mass-mind-controlled through their television and newspapers. You absorb their evil and you follow their ways. You, as a people the world over, lie! You steal! You cheat! You fornicate! You commit adultery! You engage in aberrant sex practices, which I despise! You swear and you use My name in vain! You fill yourselves with wine and liquor and drugs! You are gluttons and you are drunks! You do not honor My Sabbath and you backbite one another! You are full of greed and you lust after what does not belong to you! You are blessed, but you never have enough! You are base and vulgar and cannot be separated from the Seed of the Serpent!

How many of you obey My commands? How many of you put Me first? How many of you truly love and honor Me and My Son? How many of you take care of your body, for it is the Temple of the Living God? How many?

You stuff yourselves with swine's meat and with fats and with every vile thing; yet you say you are My Child! You follow after the serpents, worshiping things of this world.

You make idols of your homes, your cars, your boats, your movies, your football and basketball games, your movie stars and rock stars, yet you know Me not and neither do you honor me! You cannot be separated from the children of the devil for you follow after them! You lust after them! You obey them! You believe them!

And, I ask you now, "Will you jail them for the evil that they do! Will you stand up to protect the constitution of your land, when you break every one of My commandments?" Yes, I said "every one!" And, you may say, 'Well, I am no murderer!' But, you are murderers; for 50-60 million plus babies have been killed in America in recent years and what have you done about it? Perhaps, you did not have an abortion; but did you confess this heavy sin of this of this land to Me and to My Son, and did you weep and repent of it? If not, you are guilty of murder! You may not take seriously what I am saying but I do!

You, My Children, have become the Children of Satan. And, I ask, Will you stand up for what is right? Will you stand up against this evil? And, I say to you, "No, you will not; for you do not see the evil!" Your very behaviors have blinded you to this evil and you cannot see it. This is the price of rebellion. You eyes are closed. You ears are closed and you cannot understand the truth! Because you have blindly followed evil, you are blind to the truth! And, because you have loved a lie, I have given you bigger lies, that you would be further deceived. Why? Because you chase after evil and you have finally caught it and now that you are in the hands of the evil ones, and they know it, they are picking up the pace to destroy you all.

Remember that few of you are of the Seed of the Serpent! Most of you contain the Holy Seed, but because you choose evil, your very vibratory rate is very low and you do not have My Spirit. You are not filled with My light and you are devil bait, which the evil ones are ready to consume!

Yes, many call Me evil! Some call Me a demon-god! Some say that I take pride in punishing My own! They will say what they will, but the wise know Me for who I am, that is a fair and just God! I have given you moral guidelines that all might be well with you! I have been strict with you so that at the end of the age, I could truly bless you! I

 From The Mountain Prophecies Copyright 2004

am the same today as yesterday and do not change in My fairness, in My righteousness or expectations of you!

But, you, My Children, have always been full of pride and rebellion! I bless you and you grow in arrogance and self-sufficiency; and when you have plenty, most of you no longer know me! You become wrapped up in the world and you become lost! The glitz and glitter of this world captivates you. You can no longer hear Me and you no longer care for Me and My Son. You no longer desire My Spirit; for you love the spirit of the world, the spirit of Satan, himself! And, this is where you are now!

Very few, and I mean, very few of you live righteous lives! I am ashamed of what I see in America! And, I am ashamed of what I see of My people, who are scattered all over the world! The churches are full of My people, who say they love Me and My Son, but inside they are full of filth. Their hands are full of filth. The preachers are full of filth and as this country teeter-totters on the brink of collapse, the blind masses party on, oblivious to the grave dangers. They cannot see! They cannot hear! They cannot understand; for they are cut off from the Spirit of Truth.

They do not see the plots of the evil ones and they do not even believe they are evil! Blind pastors leading the blind sheep, are all falling at the feet of the Bushes, all insisting that George W. Bush is a Christian, when in fact he is a Satanist, a genuine seed of the serpent! But, this is the lot of the rebellious. They call evil good and good evil. They return evil for good and good for evil! They deny the truth and live a kind of godliness; yet deny the power thereof! Out of their mouths come empty and vacant words, which have little meaning! They perform no miracles! No one is healed! No one is delivered and no one is set free of the bondages of Lucifer; for they do not have the power of My Spirit! These are empty people, empty preachers, empty churches, all the more the Children of the Devil, and they are steadily making their way into hell, and taking the masses with them!

And, this, My Child, is the dilemma of My People in America and their dilemma the world over. They cannot fight evil, for they cannot see it! Therefore, the plans of the evil ones are accelerating at lighting speed! This is why, My Child, that there are few,

very few, who will help you with these works! There are few, very few, who want to hear what I have to say through you! There are few, very few, who will stand up for what is right and this is why this country is in serious peril! It is rotten to the core! It has become a curse upon this Earth and few, very few even realize the state of this nation. It has been hijacked by the Seed of the Serpent, who plan to kill you all, to steal all your belongings, and to destroy all your children and you, the blind, the deaf, and the disobedient neither see, nor care. I am your Father in Heaven, yea Jehovah, Most High God."

# CHAPTER SEVEN - PART I

## "Our Father's Message to the House and Senate"

To: Members of the House and Senate, the Governing Body of the USA

"I am Jehovah, Most High God, the One God, the True God and the Only God of My People, Israel! Do not think that I am the God of those, who call themselves "Jews" but are not! For, these worship and serve Lucifer, Satan, the Devil and these are the very ones, who have bled this land until little is left. They are the very ones, who set up the country, Israel, which is full of evil and abominations!

Yes, I am He, who brought My people from all over the world and I gave them this land, which was held by those, who were largely savage! I brought you here and I brought your ancestors here, and just as I had promised when I scattered you, I brought you together again; and it is I, who made you great! I put my laws, my Ten Commandments, into the hearts of the founders of this Constitutional Republic and the laws of the land are founded upon My commandments.

Through the many years of this republic, you have honored My laws. You have honored My commandments and you taught them to your children in the schools. But, in the process you forgot about the seed of Lucifer, Satan, the Devil. I warned you about this very seed in the Book of Genesis, but since you no longer honor Me and My Laws, you have become all the more ignorant of your enemies and the enemies of My People! This is the price of rebellion!

Yes, the very price of rebellion is slavery; for this very Seed of the Serpent hates the House of Israel with a great hate and their plans from the beginning have been to destroy you! They have known that they must destroy the moral fiber of this land. Feverishly, they have worked to take My words out of the schools and you, in your ignorance and servitude to them, have helped them to do so! Now, you have generations, who are without any moral foundation. Children are taught to lie and steal

from an early age. Almost from birth, they are taught to lie, to steal, to kill, to covet, and to fornicate.

You, who have been chosen to safeguard the freedoms of My people, have done all possible to destroy this constitutional republic. You have slapped your hands and cut deals with the evil ones, who hate you, and will soon destroy you! You have filled your pockets with filthy lucre until there is not one among you, who is free! For, you are all "bought and sold" whores, sold to the highest bidder! Who among you is in office because you are free? No, you are not free, but sold to those, who paid to put you there!

Now, because you, as a governing body, are rotten to the core, and because you, yourselves, are guilty of breaking all laws, you are ready to be destroyed! Do not whine about your lot; for you, all of you, have created it! Through your gross fornications, through your whoredoms with Satan and his minions, you have securely shackled and chained yourselves to the New World Order beast. You no longer have any privacy. Your every conversation is recorded! Your every move is watched! Your mail is opened before you get it, all to protect you from terrorists, of course! And, you, in your high tower, truly separated now from the electorate, are but pawns in the hands of Lucifer, Satan, the Devil.

You have earned it! You have worked very hard to get into this place, and right now, you are all on the verge of destruction! For, as you move to get to the bottom of the "911" incident, those, who perpetrated the crime, yes these New World Order Satanists, plan to blow you off the map! Of course, this will be a "terrorist" event; for you have been told this in advance! You have been warned! And, most of you, absolutely lost in arrogance and ignorance, believe that George W. Bush is a Christian and that Homeland Security is going to protect you from the terror that it is a part of!

Yes, you have precious little time to jail the New World Order Satanists and to hang them from the highest tree for sedition and treason! But, will you? For, how many of you have been put in power by the very same secret societies, which now plan to blow you up and to kill you all?

 From The Mountain Prophecies Copyright 2004

Yes, Oh, yes, you are in quite a predicament! For, you have given the Satanists free reign. You have passed all their laws and many of them you passed without ever reading them, just as you passed the Patriot Act, giving them unprecedented powers to destroy the constitutional rights of everyone, including yourselves. And, in your servitude, you have allowed for the worst kind of measures to be put into place through executive orders. You have allowed this country to be infiltrated by foreign governments, including foreign spy agencies, such as the Mossad and the M15, who are busy killing off all opposition, and you, in your blindness and arrogance, do not see it, and do not believe that this will happen to you!

While you have filled your pockets and have continued on in your debauchery, the USA is literally burning, just as Rome burned! All that is being done, in the name of terror, has all been done before! There is nothing new under the Sun, but you, in your blind arrogance and ignorance, continue to believe in the illusion of Al Qaeda and Ben Laden!

The world knows that Al Qaeda is a product of the CIA and that the Bushes and the Ben Ladens have been long-term business partners, but you, in your ignorance and arrogance, are the Don Quixotes of the world. You are evermore chasing the windmills of illusion. Yes, you are blind and deaf, the USA is burning, and you still slap your hands with the enemy while you fill your pockets with filthy lucre.

While the Satanists rob every pension fund, steal from every bank, and haul off all social security funds, you turn a blind eye as you stuff your pockets with more filthy lucre. Yes, these evil ones have you where they want you and in truth, this is where you deserve to be! For, look what you have done! You have turned a blind eye to the evil, which has overthrown this land! You have corrupted the very moral foundation of this land through your pride and arrogance! You have allowed a treasonous President to declare war under false pretenses, all for oil and greed, and you have continued to support such a thing! You have given a free reign to the Satanists in control of this military to pollute the whole Mideast with radioactive dust, thereby insuring a huge loss of life, even to your own military, and you have done nothing! You have turned a blind eye to all the deaths and casualties of this Iraqi war, which have been lied about

and covered up by the Satanists in power! You have filled your pockets while the elitists have taken over the press and now truth very seldom comes over the major media unless there is a "reason" to distort it. You have allowed for military weapons to be used against the truthbearers and the lightbearers and now many of them are dead! Many are sick through the constant microwaving and from other forms of torture!

Yes, this evil has risen up among you in a fury and it is out to destroy you all! But, what have you done about it? You have known of the plans for a New World Order for a very long time! You heard George H.W. Bush speak about the New World Order over and over and others among you have revealed their plans for a New World Order! You know of the New World Order plans to overthrow this government and you have done nothing! You know of the secret societies, such as the Skull and Bones, the Freemasons, and other groups, which meet in secret, all for the purposes of establishing a Satanic New World Order!

Many of you belong to these secret societies and you have actively worked to overthrow this republic! But, you, in your ignorance, believe that you will float to the top, like cream, and that you will be scooped off and preserved by these evil hoards! And, now obviously you are wrong again! For, these very ones, who are governed by Satan, who are themselves, the very seed of the serpent, hate you all and plan to kill you all! They are telling you how they plan to blow you up, to kill you all in one fell swoop!

But, you, in your ignorance and your arrogance, do not believe it will happen to you! Why should it not happen to you? These very ones anthraxed you! Thank George H.W. Bush and his criminals in government for this! These very ones have spied on you continually! They have killed and murdered those among you, who get out of line, and forget whom they work for!

You remember some of the freak accidents and suicides! Surely, you do! Yet, you continue in your pride and in your stupidity, believing that this will not happen to you! I am telling you the plans of the evil ones and you have but one choice! You will either clean up your putrid and rotten lives and you will repent of this evil, forsaking it and

 From The Mountain Prophecies Copyright 2004

returning to My commandments, supporting the Constitution of this land, or you will all go down as "devil bait!"

How foolish you have been! You never thought that the evil ones would get rid of you; for, you have been in bed with them for a long time and you have lived "high on the hog!" But, you have forgotten that once they are through with you, the pawns, they are through!

They have murdered and pillaged and murdered and pillaged and you have done nothing. You have partied while "Rome" is burning; and make no mistake about it, your masters are now ready to get rid of you all, in one fell swoop!

I am the Only One, who can help you! I am the Only One, who can help this nation! For, it is I, who made you great, but Satan, the Devil, has hated you from the beginning and it is he, who has set out to systematically destroy this land!

But, greed and power have consumed you all and you are rotten to the core! The truth is that you are no longer fit to govern! As a whole body you are rotten, and save you repent of your evil, Satan and his New World Order minions will burn you up in a flash!

These are My warnings to you; for I do not want this land destroyed! I do not want to see you all burn up! But, if you will not repent of your evil and govern yourselves according to what is right and according to My Commandments, I will allow this and a greater evil to come upon you all until this land is utterly destroyed and few are left! For, I am disgusted with the rot and filth, which covers this land and I am sickened by the putrid waste, which has prevailed among you as a governing body. This is My formal warning to you and it may very well be My last! I am Jehovah, Most High God, the God of True Israel, the Very One, who made this nation the greatest nation on Earth, and be advised, you will make right your wrongs or you will quickly fall!"

## CHAPTER SEVEN - PART II

### "The Wind of My Power!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, listen to the wind in the trees. It is the wind of My Spirit. It is a powerful and a fierce wind and it is blowing sharply upon the hills. It is pounding the valleys and separating the rivers. My Little One, this is My wind and the power of My wind is upon My people. Listen to this wind and the messages of the wind, My Child, for these messages call out to you.

It is time, My Child, for you to ride the wind of My Spirit and look far and behold My Son. For, He is the Old Man, the Native American with the three feathers. And He is calling to you, My Little One to ride the Wind of the Three Feathers. For, this Wind of the Three Feathers will take you on a rainbow road to My people of different colors. This Rainbow Road will lead you among Mine, who are scattered all over the world and they are lost to diverse tribes and customs and their hearts are far from Me! But, My Little One, it is now that My wind blows upon them and it is time for the Grandfather of Three Feathers to walk among them, so that they may be free.

So, My Little One, come hither and take the hand of the Grandfather of Three Feathers and climb with Him atop My white buffalo and ride the wind of My Spirit; for I have work for you to do, which is both of this world and not of this world. And, as you ride the white buffalo with My Son along the wind of My Spirit, I shall open doors that you never imagined before and you shall enter therein and you shall sup with me and My

 From The Mountain Prophecies Copyright 2004

Son and with those of different tribes and customs, who are lost and cut off from Me and My Spirit.

My Little One, I shall make this wind fierce upon you and it shall bring great blessings to those, who love you and who accept you! But, to those, who would harm you, this wind shall blow hot, as hot as an all-consuming fire, and it shall burn your enemies! It shall burn those, who seek to harm you, or who show disdain and disrespect for My works through you!

Now is the time, My Child, and it is the time as never before in the Earth, wherein I am stepping up My power in My Faithful. I am accelerating My work in them. I am investing them with a greater authority and the world over, the heathen will either come to Me and respect Me and those, whom I truly send, or they will be consumed by My power!

It is a time of great blessings for those, who truly love Me, and who truly put Me first, but it is a time of cursing for those, who give Me half-measures and call it good. Yes, My Child, these are times as never before and the wind of My Spirit is blowing hard. Truly, this great wind is a wind of blessing, a mighty blessing for My people, or it is a mighty wind of destruction! All will feel this wind! None will escape it! The whole Earth shall feel it and people the world over shall be blessed, or cursed!

But, you, My Child, shall now ride My wind as one would ride the cap of a huge wave and you shall ride it for My purposes, to carry out My plans among My people the world over! For, many have waited for this day of empowerment and I tell you, My Child, that this is but the first wave! And, these waves shall continue until the return of My Son and many of them shall be much greater, far greater than what you are now about to ride!

But, you, My Child, I have seasoned! You, I have prepared for a long time to ride this wave, which is at hand, and you shall ride the wind of this wave and you, My Little One, you, White Buffalo calf Woman and the Grandfather of Three Feathers have a work to do! It is a predestined work and it shall go forth! This is your destiny, My Child, the

work of White Buffalo Calf Woman and this work is a work, which will affect people the world over!

Though the Native Americans have foretold of you, and though they expect to keep you among themselves, this is not the case! They have seen you, My Child, and they have foretold of you, but they do not k now that your work involves the whole world! Yes, My Child, this is why they evil ones hate you so much and this is why they watch your every move. This is why the persecute you and stalk you! For, they know who you are and they have worked feverishly to stop My work in you; and much persecution I have allowed to try you and to test you! Your trials have been great!

The evil ones have repeatedly abducted you and I have even allowed the same, but now My Child, know one thing: I have brought you through all things for reasons and purposes of My own, that I might use you to bring Me glory, that I might use you to further My purposes in the Earth. For, your work, My Child, is a very difficult work. You are hated and despised by your enemies all over the world and they have repeatedly set snares for you! Who comforts you when you lie near death, save for Me, My Son and My Spirit?"

"My Father, no one could! For, in stealth, they have often tried to kill me. And, as you know all things, in the midst of their stealth attacks, you have kept me, for you have seen it all. You know it all."

"Yes, My Child, you are correct. But, even so, My Child, you have nonetheless gone through great persecution for love of Me and My Son. You have been greatly persecuted for truths that I have given you. Some of your worst enemies come from the so-called churches; for they violently believe that they know all and they, themselves, have been the first to pick up stones and to stone you! You have seen it, My Little One, and you know!

But, My Child, this is the New Day that I have spoken of! This is the New Day for My People! This is the New Day for those, who really loved Me and who really put Me first! This is it, My Child, and in this New Day, the wind of My Spirit shall be upon you in

 From The Mountain Prophecies Copyright 2004

such a great way that many shall not be able to stand in your presence! The wind of My Spirit upon you shall cause them to buckle at the knees, to swoon and to sway, and to sleep. For, My power is upon you, My Child, as never before! Doors shall open for you all over the world as never before and I shall send you upon the wind of My Spirit and in My power! And, certain ones shall see you with My Son , the two of you riding the White Buffalo! And, I shall carry you among the Native Americans and they shall know that you are the White Buffalo Calf Woman that they have waited for! And, they shall see you in their midst and in their dreams and visions you shall appear with My Son, the Grandfather of Three Feathers. For, now is the time! And, through the evil ones would try to restrict your travel and though they call you a national security threat, I shall send you where I please and how I please and they shall do nothing! For, I and I alone am Most High and what I want done is done.

Yes, My Child, the evil ones fear you! They fear My power in you and you are truly a threat to them and to their stability. This is so, My Little One. Yet, truly, My work in you is just beginning and you are about to ride only the first wave of My wind! But, this is a very powerful wind and this wind will make believers out of some of your greatest enemies! So, be at peace, My Child. Do not be overly-concerned for what is; for this is the time of the beginning of a series of judgements on America! As I have told you in visions a few days past, I am beginning to walk across this land like a mighty giant, and My very first step has hit the US Capitol. The earthquakes from this first step are being heard around the world and many evil ones will fall by the time this earthquake is over! But, this is only My first step, and as I walk across this land from East to West, save the people repent in a very big way, there shall be little left of America by the time I reach the West Coast.

No, My Child, I will not divulge what these judgements are! As I have previously stated that My days of warning a proud, a haughty and a stiff-necked people are coming to an end! I am you're your Father in Heaven, yea Jehovah, Most High God."

### THE TWO DREAMS!

### "The Dream of April 23rd, 2004"

In this dream, Dennis and I were living in a house near the edge of a forest. The phone rang and I answered to hear the voice of my Sister, who lives in Georgia. She did not say much, but almost immediately put a man on the phone, who began to tell me about his troubles. This man was temporarily staying with my Sister and her husband and his name was "Paul". He also told me his last name, but upon awakening, I did not remember his last name. Paul knew something about my works for our Father in Heaven and began correcting me about my own spiritual walk and about what I do for the Most High. I ignored what he was saying and began instead to talk to him about his own life. He told me that he was fighting the government as he had lost his trucking business. He also said that he did not know what to do with his life and whether he should go elsewhere and start over as he now had nothing.

Somehow in the conversation, I brought up the topic on reincarnation and when I did the phone started clicking and we were cut off. Very soon, the telephone rang again and I could hear a voice on the other end, but it was so faint that I could not make out the voice. As I was trying to discern what was being said on the other end of the telephone, a radio in the room suddenly came on and a preacher began to speak of this very trucker. He said, "I want to tell you what happened to a man with a trucking company in Georgia." Then, he told of this man, Paul, and mentioned his full name. He related how Paul was driving down the road one day toward his business and just

 From The Mountain Prophecies Copyright 2004

happened to pass seven or eight military vehicles. Thinking nothing of it, he went on to his office, but unfortunately for him, it was not long before the military showed up and they were quick to arrest Paul and to seize his business!

Then, I dreamed that I lay down on a sofa in this very house. As I was drifting off to sleep, I felt a very large and dark presence at my head. A pair of dark hands came forth and were trying to suffocate me. I began to plead for "Jesus, Jesus" and the evil began to back away. I rose up in spiritual warfare, condemning this evil demon into the Pits of Hell. Then, I looked up past to ceiling and into the sky and saw there a huge spaceship, which was hovering over our house. Immediately, I knew that this evil demon had come from that craft! This spacecraft must have been a "Mothership" because it was absolutely immense. I began to pray fiercely against this demonic presence and as I prayed bolts of fire came forth from my hands and pierced this ship! But, I knew that this was not enough firepower to bring down this ship; so I called together a small group of people, seven I believe, and I told them that at a certain time, we would all pray against this ship. As we all prayed, beams of fire came forth from our hands and pierced this ship. Right before our eyes, this craft began to melt. It began to crumble, wilting at first, like a plant in the sun without water. And, after a short while, it caught fire and burned up! Praises to our Lord and God!

Dear Ones, take note of these two dreams within a dream; for we are looking at the plans of the evil ones in both situations, but with the power of God Almighty, we shall overcome!

### THE SECOND DREAM

### April 25th, 2004

I had a dream that in a very small area, we were doing organic farming. In the doing this organic farming, I got word that the New World Order was about to drop aerial bombs over an area of the USA, which was primarily from the Florida Panhandle northward into what appeared to be Kentucky at the most northerly point. This line moved westward along the Gulf of Mexico and into Texas, but involved many states. It seemed that these orders to start this war were originating from Europe as these plans

seemed to come from that direction in the dream! I was so troubled by this vision within this dream; for I was above and was getting an aerial view of war all across the South. There were bombs, soldiers all about, and great confusion all over the South in a mixture of states, largely forming a triangular configuration.

I went into a building, which seemed to be some sort of hospital, or possibly even a prison, yet there were no guards. In the hallway, a man was waiting for me. I got the distinct impression that this was a military man in plain clothes, but he did not specifically say this to me. This man greeted me and then immediately told me that our soldiers are in trouble. He went on to say that they are very ill and are being denied health care! In a moment, a door opened and a man came out to speak with us. When the door was opened, I glimpsed inside to see that a very large room was filled with men, who were thin and sickly. Many had very red faces and appeared to be sick with fever. Then, this soldier, with a thin, red face spoke and he said, "We are being kept this way and we are being denied medical treatment. Many of us have Deng Fever. We are so sick yet we get no medical treatment." Then, he turned and went back into the room. I told the man next to me that we must pray, so I took his hand and began praying. During the prayer, his hand became very sweaty and he kept pulling his hand away from mine. Yet, he did manage to hold of my hand until the prayer was finished.

From there, I went out and met a black woman, who appeared to be a foreigner, for she spoke with an accent. She looked troubled as she read all manner of literature. Looking at this woman, who was reading this assortment of literature, I said, "Honey, do you have a Bible?" And, she said, "No." So, I went to a local store to buy a Bible for this woman. The clerk searched for a Bible and found one, which was hidden under a large amount of paperwork under the cash register. She handed me the Bible and I bought this and other things to this woman. I said, "Here, take this Bible! Honey, you must read the Bible! This is what you are searching for!" Then, I told her that she must get out of the city and that she must move to a more remote place as her area was about to be bombed.

Over and over the visual areas to be bombed kept running through my dreams and though I could not clearly see all states, I could clearly see the confusion of war began

 From The Mountain Prophecies Copyright 2004

around the Florida Panhandle and move northward and westward toward Texas forming a large triangular area.

## MESSAGE FROM OUR FATHER IN HEAVEN

### April 25th, 2004

"My Little One, I am your Father in Heaven, yea Jehovah, Most High God. These two dreams both relate. In the first dream, you see the results of martial law in Georgia. But, from the second dream, you know that they plan to make war in many states in the South, especially in Florida, Georgia, South Carolina, Tennessee, Kentucky, Alabama, Mississippi, Missouri, Louisiana, Oklahoma and Texas. My Little One, these orders for war are being given by the Queen of England. This is a very serious situation in America right now, for the Bushes and their evil New World Order counterparts plan all-out war on the South with martial law resulting all across America. They thereby plan to seize all communications industries, all trucking industries, and other vital industries, and to take total control of America. My people must rise up and pray! They must return to me in great numbers and repent or this will come to pass and it will come to pass very quickly. Warn My people! Post these dreams first! They must pray! They must fast and they must return to Me in great numbers or these and greater things will come upon this land. I am your Father in Heaven, yea Jehovah, Most High God!"

## "A Dream of the Rowdy Children!"

### May 07, 2004

On the night of May 07, 2004, I had a dream about a group of rowdy children. They were all dirty and all had the appearance of young juvenile delinquents. One of the children had stolen an airplane and others knew it. I approached this child and told him that he would soon be in trouble with the authorities; and shortly after the words came out of my mouth, a hole opened in the sky and a ship appeared in this hole! A military man floated down from the ship and approached the young boy! He took him by the arm and then proceeded to gather up the rowdy children, who were standing around the boy! As he took them toward a classroom, I followed him and stood beside this military man at the front of the class until all the children took their seats. As I looked out across this class, I could not help but feel a great a pity for them as their clothes were disheveled and dirty and they had no respect for authority. They talked and yelled from one to the other, some pushing at others, while others were busy throwing balls of paper. My thought was that I was looking at a group of behavior disordered children, children, who were already on their way to a life of crime! The military man began to speak to the children and almost as soon as he opened his mouth, I went before him and told him to step aside, as I was able to deal with these children.

He then stepped aside and I proceeded to speak to the children. "How many of you would like to move a mountain," I asked? A few began to raise their hands and I said, "Suppose an actual mountain were before you and it needed to be moved. How many of you would really, like to be able to move it?" Than, more hands started going up until most all raised their hands. Then, I asked, "How many of you would like to see sick people totally healed?" Again, most all raised their hands. "How many of you would like to see the dead come alive again and be well and happy?" Again, most all raised

 From The Mountain Prophecies Copyright 2004

their hands. Then, I asked the same for "miracles" and most all responded in the same manner.
Looking at these rowdy children, I knew that they never prayed and they never read a Bible, but I knew that I was prohibited from teaching them to pray because of the presence of the military man. So, I said, I cannot teach you to pray, but I can show you how I pray. So listen to me pray and then you will know how to pray.

Then, I awoke remembering that just two days before I had asked our Father in Heaven to let me see His people as He sees them and through this dream He has done that. The sad thing is that his classroom represents the state of His people the world over! They are full of rebellion. They do not read the Bible and they not only do not pray, but do not know how to pray.

However, I now know in my heart that most want to see the miracles of our Father in Heaven. They want to see the sick healed, the dead raised, and they truly want to be able to move mountains. But, first and foremost, they must be taught the very basics and the first thing they need to know is how to pray!

## CHAPTER EIGHT - PART II

### "A Sword of My Judgement!"

"My Precious Child, I am your Father in Heaven, yea Jehovah, Most High God. Blessed are you, My Little One; for I have called you and I have chosen you before the foundations of the world for this purpose at hand. Though the heavens roar and the clouds roll back, I will never leave or forsake you. For, My hand is upon you, My Child

and this day I shut tight a door of evil that has stalked you and I put in your hand a new sword.
It is a sword of My wrath, a sword of My fury, a sword of My judgement. And, what I tell you to strike down, you strike down. What I tell you to cut up, you cut up! What I tell you to pierce, you pierce; for this is a sword of My judgement. It is a sword of My revenge upon the enemies of My people.

My Little One, from this day forth, a new fire is upon you! It is a hot fire and it is straight from My throne! It is the fire of My wrath and My judgement upon an errant, a proud and a stiff-necked people and when I tell you to take My fiery sword and go into battle you go; but in a way that you have never seen. A fear, a great fear, shall begin to fall on those, who have stalked you, who have maligned My work through you. For, this is a day of My vengeance against the enemies of My Loved Ones!

My Child, too long you have born the burden of this sinful land! Too long you have born the weight of a rebellious people when it was not even yours to bear. Now, My Child, I am removing this weight from you and I am putting this weight on the backs of the rebellious. They will see and they will hear and they will know the depths of their sins; for they shall weep and wail beneath these burdens.

But, you, My Child, who have born much, and have been sorely burdened by this evil for many years, shall begin to feel a reprieve. For, you have done as I have asked, and when the masses weep and howl for what is before them, I shall put peace in your heart; for you have spent your years in weeping and sorrow for the sins of this land. And, no longer do I hold you accountable in any way for the evils of this country and of this world. But, a great debt is on the hearts of every unrepentant man, woman and child and this debt I shall require of them all!

For now, even now, this black cloud is sweeping across America as I am using foreign powers to make war against you. And, behind this black cloud is a red cloud, which is full of Russian and Chinese troops. Yes, My Child, all this and more is upon this land; for I have brought this great evil before the highest governing body of this land and to

 From The Mountain Prophecies Copyright 2004

date, they have done nothing save talk. To date, I have brought this evil before the military leaders and they have done nothing save talk.
Therefore, today, My Child, I have had you shut this door. Yes, through this door, evil has stalked you, but through this door, a "window of opportunity" was also opened. This "Window of Opportunity" provided a timeframe in which leaders of this nation could have done something about the evil, which is rampant in the government of this land. But, this time has passed and they have done nothing, save talk. Now, this door is closed! This window of opportunity is closed! For, I warmed them! I gave them time! I gave them the opportunity and they listened not! Now, the black cloud has descended and there are Israeli Mossad agents and agents of foreign intelligence agencies all over America and these will be used to wreck this land.

Then, comes the Chinese, the Russians and martial law. When this happens, the rebellious will carry their burdens. They will weep and they will mourn, but I will be slow to hear their cries. But, you, My Child, and a few of My Faithful all across this land, I will shelter beneath My wings until the storm has passed over. And, even in the midst of great turmoil, I will put My peace in your heart; for you have born the burdens of the sins of this land for many years and I no longer require this of you.

Yes, My Child, I have a new work for you. Your work is only beginning in many ways. It is not at all finished; for through you I am going to exert My great power and through My power in you, I am going to make believers out of the most skeptical. Fear not what is at hand; for this purging most be. Move forward, My Child, with these works! Post what I have given you; for these warnings will soon be coming to an end. But, a certain few you will warn and when I tell you to speak to them and to warn them, you will. I am your Father in Heaven, yea Jehovah, Most High God."

On the morning of May 13th, 2004 just after I had finished praying I saw New York City in a vision and around the city was what appeared as a black fence. At regular intervals around the fence were guard towers and at the top of each tower was a Chinese soldier with a machine gun! I went back into prayer to get discernment about what I was seeing and our Father in Heaven began to show me large numbers of Chinese soldiers, who were coming into New York City through the harbor area. They left their ships at night and came into tunnels beneath New York City, each soldier already in uniform and each one bearing his own automatic weapon. This was a huge stream of Chinese soldiers and the numbers I do not know, but what I do know is that this is not a vision, which involves a future date. This is taking place right now, today, and has been going on for some undetermined amount of time.

This vision goes along with what our Father in Heaven showed me a few days past about the red cloud and at the time that He showed me this red cloud, He also told me in a private conversation that the evil ones plan to create a great terror in the months of August and September, especially, and to release these Chinese soldiers in a martial law situation. I asked our Father why they are now targeting New York City again and He told me that for New York City to be in a crisis and under martial law will psychologically cripple America. He also showed me that this plot to create mass terror in New York City and to bring in martial law is being developed by several countries in the United Nations all in accord with Russia, China and the evil ones, who run this government.

While the plot to blow up the South comes through the Queen of England and her subservient criminals, this plot to blow up New York City comes from a second group, the Bushes and their evil cohorts being part of both groups, the end result being the destruction of this country! Time is fast running out for America! Repent and come back to our Lord and God! And then pray, pray, pray for the mercy of our Lord and God upon this errant land!

### More Terror in the South and elsewhere Uncovered!

Also be advised that on the weekend of May 1st, intelligence sources confirmed a plot to disseminate a biological weapon in the Orlando Florida area. These same sources

 From The Mountain Prophecies Copyright 2004

also revealed that Governor Schwarzeneggar pulled the guards off the Golden Gate Bridge! Was this done in preparation for a staged terror event? Word got out and the governor reportedly put the guards back on duty a few days later.

### More Terror in the South Uncovered!

A few days past, a news article came our way, which described how two Israeli citizens were arrested outside of Johnson City Tennessee! They were apparently involved in a high-speed chase with officers, who reportedly witnessed objects thrown out the window of the Rider truck in which they were riding. These objects were reportedly determined to be a missile and a missile launcher! From the information available, it seems that these Mossad agents were near a nuclear facility! Both of these terrorists are reportedly in their 20s. Where's the outrage?

## A Prophecy for Nelson Mandela and others

## Second Prophecy

## April 28, 2004

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Sit and write this message, My Little One, for these words are for one, Nelson Mandela, one ruler of South Africa, and for the current ruler, who calls himself president, and for a host of others, who are corrupt and rotten to the core. But, My words are primarily for Nelson Mandela and the others will see the results of what I speak here in their day-to-day lives.

I am Jehovah, Most High, the One God, the True God, the God of My people, Israel, who are scattered all over the world. And, this day I speak to one Nelson Mandela, a ruler of South Africa, and to his criminal cohorts, including one Mbeki, plus a host of others. But, these words go first and foremost to Nelson Mandela.

You, Nelson Mandela, have received My previous words. You have read what has been written and you have scoffed! You have mocked and scorned My words, choosing instead to ignore what was given to you. You have slapped your legs and you have had a good laugh! You have mocked Me and My servants and you, in your pride and vanity, have elevated yourself above all! You have said, "How great I am! Look what I have done!" But, because you have mocked and scorned My words and because you have elevated yourself above all, I shall begin to debase you! I shall begin to tear down your base until you are howling from My oppression and revenge upon you. For, I am a jealous God and I will not be mocked; but you have yet to learn these things and you are in the process of learning a very serious lesson. For, I have set a trap for you, and unknown to you, I have already snared you! And, now, I am about to turn your world upside down!

 From The Mountain Prophecies Copyright 2004

Herein, I shall give you a riddle. It is a riddle about a cow, who ate all the corn. This cow then pillaged the field and devoured the grapes until there was not even wine to be had. The moon turned scarlet and the cow became lank and thin until it perished in the field and was devoured by vultures. Herein is your riddle and it is the riddle for the black people of South Africa.

Call all your soothsayers and your astrologers and your witches and warlocks. Call them forth and I will make them all speak lies and all will be as dogs chasing their tails. For, I will blind and deafen and confound them all and all your sacrifices will be for naught; for you are all evil to the core and I am about to show you My power and My might!

Yes, a snare, a trap, I have placed for you and your fellow criminals and you are all caught in this snare, which shall begin to take a heavy toll on you all! For, I have given you time and you have chosen vanity and lies over humility and truth.

Only two in South Africa can reveal the nature of this riddle and these two are in my Daughters of Zion. The other one is the one, who writes this to you! And, know one thing, My judgement upon you and your fellow criminals has already begun and it is only going to intensify until you let My people go. You must let go not only the ones, who are falsely charged in the mock trial in Pretoria, but all of Mine all across the land, who are falsely charged and wrongly imprisoned.

You have 30 days from the time that you receive this letter in which to act, or I shall unleash a series of terrible judgements upon you all! And, such a fear shall come upon you that you will be unable to tie your own shoelaces without fear and trembling.

This is a stern warning! Let My people go! I am Jehovah, Most High God."

## CHAPTER NINE - PART II

### "The Crippling of the Queen of England!"

"My Little One, I am your Master Jesus, yea Savior of mankind and rightful heir to this Earth and to all that is in it. Come hither, My Child, and sit with Me high upon My holy mountain."

"Oh, My Lord, it is so good to see You again and to be back with You again. I have missed you so. Oh, My Precious Savior, how I wish to stay a little while at Your feet; for my heart longs for Your lovingkindness and for the beautiful peace of Your presence."
"My Precious Child, My Father and I have given you a little rest, a time of restoration, a time of healing and mending; for the wars against you have been great and you have needed this rest. But, now, My Child, it is time to go forward. Arise and behold what is just beyond the horizon. For, great enemies the world over are rising up against America and you, as a nation, will not be spared for long. What do you behold, My Child?"

"I see one, whom I believe to be the President of France, and he is making a secret deal with the forces of darkness, but I cannot see all that are involved. Next, I see the Queen of England, but she is in a wheelchair and she goes to a balcony where she greets throngs of people. She tries to get up from her wheelchair, but as she rises, she snags her dress and rips it at the waist, tearing a hole in the back of her dress and exposing her naked rear end. Beneath the dress, she is only wearing knee stockings, which are held in place by a royal, purple garter just above the knee. Because of the loud applause, she does not notice the rip, even though the rip, itself, has caused a noticeable noise. She greets the people, but as she stands, her countenance changes. While she was sitting, her clothes were a made of a beautiful creamy silk, with a gold brocade design upon them and upon her head was a golden tiara. But, as she stands and rips her clothing, her whole countenance becomes dark and menacing and right before the eyes of the people, she begins to snarl and growl. Her voice becomes very deep and menacing and her eyes are red with fire. Her skin is black, and disgusting

 From The Mountain Prophecies Copyright 2004

scales cover her body, which is now devoid of the finery. It is naked and full of scales. Where her naked behind was a few seconds past, she now has a thick, swishing tail. "Oh, My Lord, this is one, ugly sight; for the queen is obviously no human at all, but a raging lizard!"

A hush descends over the people as they see her for who or whatever she is! The Queen, or whatever she is, now has in her hand a large hammer and she is beating upon the railing of the balcony, which is before her. "Silence, I say silence! This is an end to the means so keep your tails between your legs and cower as the fools that you are! I mean business and business means me! Mark my words! This is my day! This is the day of my kingdom on Earth! It is my time, a time for me and mine and if any do dare as speak against me and mine, and if any so dare as to speak against what I say, it is off with your heads! Garcon, get the platter, for it is off with the head of George W. Bush. He is an idiot, an embarassment to the throne! America is out of hand, but when I am through with them, they will crawl back and lap the milk out of my hands! Storm the gates! No, will never be an acceptable answer! I am the Queen of Means and from sea to shining sea, all shall bow down to me and mine!"

A hush falls over the crowd and a mouse runs between the Queen's legs! "Off with the head of this mouse!" And, I look to behold the face of Tony Blair on the mouse! His eyes are filled with terror as a hatchet severs his head and his head rolls to the feet of the Queen, or whatever she is! "Anymore takers," she growls! And all is quiet, not one word is heard from the crowd, except for a singular voice at the back of the crowd, which says, "Long live the Queen!"

I look to behold Prince Charles, and he raises his sword as a John Phillip Sousa march fills the air! Now, far below the Queen, or whatever she is, the Prince meanders his way to the front of the crowd and once there he places his sword on top of the podium and begins to address the people. "Any takers," he asks? But, not one word is spoken by anyone as all eyes are upon the Prince.

Yet, it seems that out of nowhere a dwarf appears at the feet of the Prince and on his back is a sign, which reads, "No more Ritalin!" And beneath these words, which are

written in red, are smaller words, which are written in green! "I forgot to brush my teeth with Pepsi-dent." The little dwarf now begins to do a jig, a little dance before the people, but he is very short and few can see the dance! But, a few do see it and some begin to laugh, some openly and others covertly while covering their mouths. For, they do not want to raise the ire of the Queen, who has now taken her seat in the wheelchair and is once more attired in creamy silk with gold brocaid and a gold crown.

But, below, the dwarf is creating quite a show! He says, "Hello, hello, hello, hello, hello, hello! I am short and I am fat, but do not be deceived by that! I'm well on my way, my way, my way to the top of the crown, to the top of the hill where Bill, Oh, Bill, Oh Bill, will kiss my will and bow to my ways in a flash of a pan! I can, I can, I can, Oh, I can rule and I will rule! Look at me now! What can they do? For, the Queen's roar shall be as the squeak of a mouse, and poor Charles, well Charles shall sit on a rock, between it and a hard place with no place to go but down! And, I may be short, but I am smarter than he and out of his hand, I will take that sword!" And, with these words spoken, the dwarf begins to dance faster and to sing louder as he hops and skips among the people! Soon, all eyes are upon the dwarf and poor Charles could no longer hold the attention of the people; yet the Queen is now in a great stupor and she is of not help to Charles at all. And, there in her chair she sleeps and snores as all the commotion goes on below!

Quickly, this scene fades and I see the Queen in her castle. In her wheelchair, she goes to the window, parts the curtains and looks at the street below. On the street, she sees a black carriage, which is being driven by one black and one white horse. She sees the little, fat dwarf, who is dressed in a black coat with tails and a black top hat and he is about to enter into the chariot. He gives the driver a gold coin and as he is about to enter the carriage, he mumbles to himself, "Her days are numbered and she does not have a clue that a dwarf is smarter than she; but in time she will see that the throne is mine and all the world will know that I am he, who is meant to rule!" And, with these words, he enters the carriage and is gone in a flash!

"Oh, my Lord, I do not know what all this means, but it does not look good for the British Royal Family."

 From The Mountain Prophecies Copyright 2004

"My Child, you have seen it and this is coming; but this is not all. Look, My Child, and behold the burning, red cross!"

"I see it, My Lord." What does this mean?"

"Go to the foot of this burning cross and open the treasure chest. What do you see?"

"My Lord, I am here at the foot of this burning cross and I open the box to find a singular strand of pearls, which have a golden hue."

"My Child, put these pearls around your neck."

"Yes, my Lord." And, I lift the strand of pearls and place them around my neck. The pearls feel warm to the touch and as I put them around my neck, I notice that they are showing a radiant fire, like the fire, which covers the cross. "My Lord, I do not know what all of this means."

"No, My Child, you do not know now, but soon you will know. Now, close the treasure chest and step back from the cross! "Oh, my Lord, I see you on this cross and these fires are covering You! Your blood is on this cross, My Lord, and I feel so heartbroken to see You there. Oh, My Lord, I am so sorry! I am so terribly sorry and my heart is filled with sadness. Forgive me, My Lord, for the world over, You are still being crucified every day! Oh, my Lord, I love you so!" And, I run to the cross and grab His feet, weeping now, sobbing uncontrollably for the evil, which is still being done against the Savior of all of humanity! Oh, my heart is so full of sorrow; for as I lay hold of His feet, His great sorrow floods My whole being and I feel an earthquake of darkness, which is upon the whole world!

Suddenly, I am transported to a windswept slope and I am standing alone atop this hill in the darkness of the night. I hear the sounds of nursery rhyme, a tune upon the wind, and I recognize the lyrics of the tune. "Twinkle, twinkle, little star. How I wonder what you are!" Then, I look up to behold our Lord Jesus and He is coming toward me

through the air. "Oh, my Lord, it is so good to see You! It is dark here and there is no one, save me and nothing stirs save the wind and the tune, which is upon it."

"My Little One, far below you see the lights of the villages. Do you not?"

"Yes, my Lord."

"And, from this perspective all looks peaceful!"

"Yes, my Lord."

"But, My Child, it is not peaceful below; for the whole world is in a state of turmoil!"

"Yes, my Lord."

"And, soon, My Child, very soon a war shall grip the whole world and great instability shall hit every country!"

"Yes, my Lord."

"And, this time is not far off, My Child, but is near!"

"Yes, my Lord, I do sense this."

"And, few are prepared for what is at hand."

"Yes, my Lord, I know."

"But, those, who put our Father's works first and who love Him above all, who love others without condition, and who follow His commands, these are My Little One, will be okay through all of this! They will be blessed even in a time of lack and they will be preserved and kept until it is time to come home! These are in My hands, sheltered beneath the wings of the Most High! But, My Child, these are few, few, few and the rest

 From The Mountain Prophecies Copyright 2004

shall suffer mightily. Many shall die; for the whole world is full of madness and a great war is at hand! None in the world will escape the effects of this war and it will not long be postponed! But, fear not, My Child, for these and other things must come to pass before I return. Yes, I will give further interpretation to this vision but at a later time. I am your Master Jesus, yea true heir to the Earth!"

## CHAPTER NINE - PART III

### "The Queen of Means and Nelson Mandela!"

"My Precious Little One, I am your Master. I am your Savior, Jesus, yea Yeshua, Son of the Most High, true heir to Earth and Savior of all of mankind. My Little One, I am coming to you today to explain the prophecy of May 14th, 2004. Other things I will also show you, My Little One. Therefore, this word will be lengthy and if you need to stop for a few minutes and take a break, this is okay. My Child, do you see the faucet, which is before you?"

"Yes, my Lord, I see it."

"And, do you see that this faucet is barely dripping water?"

"Yes, my Lord."

"My Little One, go to the faucet and look inside. What do you see?"

"My Lord, this is a rather large faucet. I believe that it is about 1 ½ inches in diameter. As I look into this faucet, it quickly seems as if I am actually crawling into it; for it is a portal, but a very dark portal. The insides of this faucet are as black as soot, but once inside it, I am able to look far below, and there is the Queen of Means, Elizabeth, the Queen of England, and she is seated at a table with Nelson Mandela of South Africa. Beside the Queen of Means is a large pile of sugar cane. In the hand of the Queen is a piece of sugar cane and she is steadily whittling away at the hard exterior of the sugar cane as she talks to Mandela. Once finished with cutting away the hard exterior of the sugar cane, the Queen hands a piece of the sugar cane to Nelson Mandela. He chews on the sugar cane for a moment and he says, "Uh hummmmm. That is good cane all right and sweet, sweet, sweet! Oh, I like the taste of sugar cane!"

"I can see that you do, " the Queen says, "and for this reason I am going to give you sugar cane. In fact, I am going to give you all the sugar cane in South Africa, but you must do one thing."

Mandela is trying to talk, but is having trouble, as a piece of the sugar cane is caught between his front teeth. I must chuckle at what I am seeing for there is a bit of comedy here. I watch as Nelson Mandela pulls and tugs at the sugar cane, but it is firmly caught between his teeth and he cannot get it out. Then, he suddenly begins to gag as a big string of sugar cane is also stuck in his throat, but the Queen, who is oblivious to the plight of Nelson Mandela, continues to talk non-stop! Nelson Mandela is now seriously choking on his piece of sugar cane and still the Queen prates on. There is no longer any comedy here as this situation is becoming serious!

Nelson Mandela now gets up from his chair and he begins to do a jig, which I can only refer to as the "Sugar cane jig!" His penny loafers are making quite a noise on the concrete floor as he dances this jig. All the while he is desperately pulling at the sugar cane, which is lodged between his teeth and running down his throat. Now, this scene is beginning to get very ugly! Mandela is beginning to froth at the mouth like a mad dog and his eyes are beginning to bulge out of his head, and still his feet are doing the "Sugar cane jig."

 From The Mountain Prophecies Copyright 2004

But, the Queen remains oblivious to Mandela's problem with the sugar cane and she continues to talk non-stop. "I'll get every ounce! I'll get every cent! I'll get every pound! I'll get it all!" And, she furiously peels and peels and peels the sugar cane, talking non-stop, and still never notices the plight of Nelson Mandela. Now, he is writhing on the floor! Mandela is literally choking to death on the sugar cane, but the Queen still never notices. She continues to furiously peel the sugar cane, and to toss it wildly into a pile. This pile of sugar cane is growing so rapidly that it is beginning to cover up a choking Nelson Mandela, but still the greedy Queen does not even notice!

Suddenly the entire scene begins to fade until all is dark and I can no longer see the Queen or Nelson Mandela. But, in the darkness I hear the sound of someone's heart. "Lubb-dubb, lubb-dubb, lubb-dubb." The sound of this heartbeat is at first very rhythmic and steady, but this heartbeat quickly picks up speed. This heartbeat is accelerating so quickly that it is literally racing now! Someone is in serious trouble!

In the darkness, I hear the sounds of sirens and suddenly I see two emergency attendants emerge from within the darkness and they are carrying someone on the stretcher. I look closely to behold a silent Nelson Mandela. One of the attendants asks, "Any pulse?" And, the other attendant says, "No, man! Start CPR!"

At this point, the other attendant releases a strap, which is secured across the stomach of Nelson Mandela and even as he does so, a black ghoul, a demon from hell grabs the heel of the one, who is about to begin CPR. "He is mine," the ghoulish demon from hell says!"

"Let me go, you fool," the attendant screams!

"Never," growls the ghoulish demon from hell! "He is mine."

Then, I see a deep blackness come about and Mandela is gone. The attendants are gone! The demon from hell is gone! All that I see in the blackness are tiny, cheap twinklers, faint fireworks, which are going off in the night. Then, I see the words, "Nelson Mandela. He has his 15 minutes of fame!"

Suddenly, all is gone and I am back at home, sitting in my own chair. "Oh, my Lord, this is not looking good. Please, My Lord, explain this to me so that all may be the wiser!"

"My Little One, let us go back to the first of the vision with the faucet."

"Yes, my Lord."

"My Child, do you know what this leaky faucet represents?"

"No, my Lord, I do not."

"Go and look on the handle of the faucet. What do you read?"

"My Lord, is reads, ‘Go home Brits!’"

"This is correct, My Child. It reads, ‘Go home, Brits!’ And, you see, My Child, that this faucet has a steady leak. It has a steady drip."

"Yes, my Lord."

"And, My Child, when you climb into the faucet, you see darkness! You see blackness!"

"Yes, my Lord."

"And, as you go into the darkness, what do you see?"

"I see the Queen of Means and she is peeling sugar cane and feeding it to Mandela."

"My Little One, what do you make of this?"

 From The Mountain Prophecies Copyright 2004

"My Lord, could this be that she is somehow stealing the sugar cane industry in South Africa and that she is giving Nelson Mandela his cut, but that, My Lord, he is going to choke to death on his cut of the sugar cane industry in South Africa."

"You have seen it, My Child. You know, My Little One, that a little of the sweetness is okay, but given too much, one can choke on it. Nelson Mandela has stuffed himself with so much of the sweetness of the sugar cane industry that he shall soon choke on it. But, not before the time that his heart will beat with an uncontrollable fear. Oh, fear shall grip him! His heart shall race! And, it will pound! But, My Little One, it will then be too late for Mandela!

The Queen has a pile of the sugar cane industry and she gives him a taste. But, My Little One, look in the back room. Mandela has a roomful of sugar cane and while the Queen believes that she controls the sugar cane industry, she only has a small pile. Nelson Mandela has double-crossed the Queen about the sugar cane industry. She does not now know what he has done and a fear of unimaginable proportions shall grip his heart because he is about to be found out. And, soon, My Child, his heart shall fail him for hear. He is a goner and the demon from hell is in line to pick him up. Yes, My Child, from darkness he emerged and into darkness he will return. His life created a few sparkles on the Earth, but soon, very soon, his name will be only a faint memory! He had two chances to do right by letting My people go, but he did not! He has followed the Queen to his own demise!

"My Lord, what an irony how things turn out! But, a terrible irony! Let all see, My Lord, that evil does not pay. Evil does not prosper, but condemns ones soul to hell!"

"This is so, My Child. Let all be the wiser!"

"Now, My Child, you have more questions."

"Yes, my Lord."

"On the handle of the faucet are the words, ‘Go home, Brits!’ What does this mean?"

"My Child, look now on the pipe, itself, and read what you see!"

"My Lord, it reads, 'South Africa economy!'"

"This is correct!"

"So, the pipeline goes to the Queen, who is steadily bleeding her share out of South Africa. This is a slow, but sure drip and she is robbing South Africa."

"It is, My Child. The pipeline of stealth into South Africa comes from the British monarchy. Just as this evil empire has sucked the life out of America, it has sucked the life out of South Africa, Canada, Australia and a host of other countries. You, in these countries, have born the illusion of freedom! But, you are not free and you have had little, if any freedom from the control of the British Royal Family! They are consumed with greed and power and will do anything to stay in power; but My Little One, in the message of May 14th, which we will discuss after you take a break, you can see that the rear end of the Queen is naked. It is bare! It is exposed! As I have given you this message and as you have revealed it over the phone to some, the Queen and her henchmen have kidnapped you to get to the root of this and other prophecies given to you. They drugged you with a truth serum and plowed you with questions, but got riddles!"

**"Praises to our Father in Heaven!"**

"Then, My Child, they gang-raped you and made a film of your naked rear end as they raped you! They sit in their groups and pass around the film. They mock and they laugh and scorn you, for they believe that you have suffered an immeasurable defeat and embarrassment! But, My Little One, they do not know you! They do not know your heart and they do not know that you are of spirit and to spirit you will return! You are not caught up in the flesh! It is a place to live! This is not you! They came to torture the flesh, but this cannot kill the spirit. They believed that they would kill your spirit but they did not. They will not; for I take your burdens and I give you more Spirit."

 From The Mountain Prophecies Copyright 2004

"Holy is your beautiful Name, my Lord! I love You so and I thank You that I am counted worthy to suffer for love of You, for love of our Father and for love of my brothers and sisters!"

"So, My Child, the Queen, thinking herself to be god ordered the raping of you and her henchmen, the Bushes and others were only too pleased to obey! And, many, many say, 'Poor Linda!' But, I say, Blessed is Linda Newkirk above all women; for I have called you, My Child, and you have done as My Father and I have asked you to do! You have suffered great persecution and ridicule for love of our Father and for love of Me and your brothers and sisters. You have survived many attempts on your life, which are on-going, yet you get back up and come back up to the bat! You, My Little One, are White Buffalo Calf Woman!

Yes, as you know when you were kidnapped by the Black Pope, these evil ones downloaded all your memories and they have their own White Buffalo Calf Woman, a clone of you, a Chinese, and there will be others. But, do not be concerned for this. In fact, My Child, get a good laugh! Laughter is good for the soul!"

"Oh, my Lord, I know. When I saw Nelson Mandela with the sugar cane in his teeth just now, My Lord, this was so hilarious that I could hardly see to write for laughing. This was one hilarious sight!"

"Yes, My Child, some things are full of comedy and one of these things is the cloning of White Buffalo Calf Woman! This is comical, My Child! Yes, some will be deceived. This is so, but what miracle will a clone do! A Luciferian clone can do none; for the mind of a clone is controlled by computer chips. Just as John Ashcroft is a clone of the real Ashcroft! He looks like him! He acts like him, but he has no soul! He does what he is programmed to do, but you, My Child, are full of My Spirit. And, soon, My Child, you will get the full interdimensional power of several thousand dimensions. They know this and this is why they did what they did. They really thought that they could demean you into giving up. But, My Little One, you are better than fine and they are worse than bad. My Little One, I shall use this very act of evil that they did to you to kill thousands of Satanists! That's right! I said, 'Thousands of Satanists!' For, they will take this tape

among their groups and over and over again, I will slay them all right on the spot. Some, I will not slay then, but I will put an unimaginable fear of fears into their hearts and any and all of them will be left wondering, 'Is this my last day? Is this my last breath?' But, I tell you, My Child, that within a short time, fifteen leaders of nations shall fall to horrendous deaths and scores and scores of their 'henchmen' shall go. Some will choke on their food! Spirits of suicide shall hit many and they shall kill themselves. Others will die in terrible accidents and others from slow, agonizing plagues! My Little One, at a level that you do not even realize, you agreed to this horrendous thing, all so that countless numbers of them would all die! Among the first to go will be the Bushes and their evil cohorts. The Queen, on the other hand, will not go as fast. I will keep her alive to see her trusted comrades dying like flies. Then, My Child, I will carry her into the Lake of Fire and back and forth into the Lake of Fire several times just so that she will suffer an agonizing death! Yes, My Child, you agreed to this, just so that they would be slain and slain they shall be in the thousands. In fact, My Child, this very escapade will thin out the antichrist leaders until few of them are left!"

"Praises to our Father in Heaven and praises to you, my Beautiful Savior! Thank you, my Precious Savior, for this opportunity to go through this terrible thing, that these evil ones may be destroyed! And, let no evil ones rise to take the places of these evil ones, who go one, but put Your people in these positions! I am begging You, my Lord! Please, please, please set up Your Holy Kingdom in this Earth! Strike down these evil ones and put Your people in their places! I am asking You, My Lord, to kill so many of the evil ones that the antichrist will have no power base when he comes into power! When he gets into power, let his kingdom be like a flat tire! Do this, my Lord. Take it down, down, down, even as it is rising!"

"My Child, only our Father knows, but he does know! He hears and answers prayers, so keep praying for these and for other things and you will be surprised to see what he will do. I am Jesus, your Master and true heir to Earth! Go now in peace. Take a break; for I have more to give you!"

## CHAPTER NINE - PART IV

### "An Interpretation of the May, 14, 2004 Message"

"My Little One, I am your Master Jesus, yea Yeshua, Savior of all of mankind. Now, My Child, that you have had a short break, we shall proceed with an interpretation of the message of May, 14, 2004. Today, My Little One, we have spoken of the Queen. We have spoken of Nelson Mandela and we have spoken of the Queen's plot to make you naked and to embarrass you before the Satanists the world over. But, as you are now neither embarrassed, nor broken in spirit, their plots and schemes shall blow up in their faces and death shall hit these high-level satanists by the thousands and thousands. So, My Little One, this is the way of the world! It is full of illusion. It is full of trickery and it is full of evil! But, what belongs to Me and our Father cannot be defiled by that which is thrown upon it. What belongs to Me and our Father can only be defiled by the conscious decision and intent of the individual, who is defiled! My Little One, what they did to you does not defile you! This heinous act only further defiles them and in the end, this very thing will serve to unravel the kingdom of the antichrist!"

"Praises to our Father in Heaven! Praises to You, my Lord! I love You so!"

"My Little One, you are defiled in their distorted vision; for they have taken Mine, who is holy and they have sought to defile you, but they have not! Therefore, My Child, rejoice! For, the Kingdom of God is at hand the world over! Even now, and especially now, you will begin to see the wicked kingdom of the antichrist begin to unravel! Oh,

they work hard to make their illusions real and many believe these illusions; but they are only illusions. They are all here today and gone tomorrow. But, what I give and what our Father gives is eternal. This is why, My Child, that each of you must not get caught up in the world! You must not get caught up in the worldly traps! You must not get caught up in the lusts of porn, or the traps of drugs or alcohol; for these things lead one into great darkness and to be free again may not come easily. This is why you must not be mean-spirited, angry and unforgiving; for prolonged, negative emotions only push out the Spirit of God and make an empty house, which demons will soon fill! You must not engage in their vices of the world, like gambling; for gambling is another name for stealing. And, you must be faithful to your spouse, faithful in acts, in deeds and thoughts; for once infidelity is established it creates a great wall of division between two in a marriage and it will destroy a relationship. You must refuse, each of you, to be tools of hate, tools of malice, tools of anger and retaliation; for such a tool is but an extension of the devil, himself! You must not kill, under any circumstances; for he, who kills, must be killed, whether in this life or the next. Many, many have huge debts upon their heads because of the killing of babies. Is there forgiveness for killing? Yes, when it is done out of ignorance, when it is done by mistake or accident, but when one of sound mind plots murder day after day and then kills, this one will also be killed, whether in this life, or the next. It will be so!

My Little One, those, who profess love for me and for our Father, must come away from violence! You must come away from fear mongering! You must come away from whoredoms and you must come away from those things, which push out the Spirit of God. My Little One, you know of the years that I have warned against watching television. Why have I warned against it? Because it is full of violence, which destroys one's connection to Me and My Spirit. It is full of sex and it is full of the vices of this world! Television is the primary tool of the satanists. Most television networks are owned by the satanists. Through the gross immoralities of television and of the movies, these evil ones have destroyed many, many families! They have destroyed generations and they have destroyed societies!

What is the major mistake that you, as a people, the world over make? You have forgotten about Satan, Lucifer, the devil! And, you have forgotten about his children,

 From The Mountain Prophecies Copyright 2004

the Seed of the Serpent, who are in your midst. You have forgotten, My Child, what utter savages they are! You have forgotten how ruthless they are! You have forgotten how lawless they are and while they have taken over the rearing of your children through the schools and through television and movies, you have said and done little. In fact, the money-hungry, the naïve and deceived, preachers in the USA have signed the abominable 501 ( C ) 3 tax exempt status, agreeing to say nothing about what goes on in the schools, agreeing not to criticize the government, not to speak out against pornography, and even agreeing to allow the government to regulate their church activities, all for money. Are these churches Mine? No! They belong to Lucifer! Do they have My Spirit? No! They belong to Lucifer! How many of the churches fit into this category? Most!

So, My Little One, you see how smooth the satanists are! You see how clever they are! You see how they operate! And, just like Hillary Clinton, they can all be charming as they stab you in the back and as they steal your last dime! You, My People, did not have to fall into their traps, but you did! And, you fell because you found right ways boring! You found right ways to be unpopular! You found it easier to go along and get along! You tasted the allure of evil and so many of you liked it that you are struck in it! And, evil keeps on consuming you! It keeps on devouring you!

I have warned you to give up television and movies, but you will not! Why? You are excitement junkies! You are television addicts! Many of you have a remote control affixed to your hands, you will not let it go.

You do not observe the skies! If you did, you would get a wake-up call. You do not observe nature. If you did, you would get a beautiful education. No, you do not observe these things, for you have become mindless robots the world over, who have been fed by and raised up by the satanists. Your children do not even know right from wrong. They have been brought up to steal, to kill and to fornicate. They, too have been brought up as mindless robots. Your governments around the world are so corrupt that those in positions of power will not stand up and arrest treasonists. They will not arrest murderers and thieves, for they are cowards.

Yes, My Little One, this Earth is a very dark place and it is now time for a cleansing. This is going to happen and it is going to be a very difficult ride. Hold onto your hats because you may have nothing else left! And, when the dust begins to settle, the howling will go up and many will come back to Me and to our Father. The hunger pangs and the bitter cold, or the scorching heat, will drive many to their knees and our Father may be slow to hear them. For, when they had plenty, which He gave them, they did not know him! But, his anger is for only a season and He will hear in time!

Yes, My Child, a very wild ride is at hand for the whole world, a very wild ride! But, out of sorrow and suffering, the rebellious will learn again what the love of God is all about! They will come to know His love again and they will recognize the small miracles, which were always there, but were drowned out by the noise of the world! Yes, My Child, a terrible cleansing is at hand and with this cleansing a terrible shaking. Let all be warned; for this time is at hand.

America has dealt itself a deadly blow! Homosexual marriages are the final nail in the coffin of America! War, a terrible war is at the door of America! This will not be put off for long and it will not be avoided; for you, as a nation, are utterly corrupt!

But, famine will bring many back to Me and to our Father. Death, disease, and destruction will bring others. In their desperation, they will cry out and I will hear. Our Father will hear, but this will not happen before they are broken.

To those, who really love Me, who really love our Father and who put us first, I say, be at peace; for some of you will come home soon! Others of you will get your supernatural bodies and you will go forth to do great things in the Army of the Most High.

The evil ones will bring forth their rototoid soldiers and these soldiers will fight against all of humanity; but they are no match for My Supernatural Army! Yes, this is what you face! And, it is worse than 'Star Wars.' For, the evil ones shall bring forth their antigravity machines (UFOs) and they shall kidnap many of you and rape you and pillage you. They shall hunt for you and they shall kill all of you that they can find! This

war is like none other ever in the history of the Earth and there will never be anymore like it! But, I will never leave or forsake Mine! I am with you, even to the ends of this Earth, as you know it to be. And, I will raise up My Faithful and you will do great and mighty things.

Now, My Child, we are not through, but take a break as you are tired. Then, we shall proceed!"

## CHAPTER NINE - PART V

### The Interpretation of the May 14, 2004 Message Continued!

"My Little One, I am your Master Jesus and now we shall proceed and we shall finish with the interpretation of the prophecy of May, 14, 2004. But, first let us go back to the kidnapping of you last fall. At that time, the Black Pope threatened you for exposing his plot to kill George W. Bush. But, what you may not know, My Child, is that he Black Pope is no more or no less than the enforcement arm of the Queen of England! Yes, a very evil man, who calls himself the President, or President of the World, but only so much as the Queen allows it. Understand?"

"Yes, my Lord!"

"So, the threat of the Black Pope was merely an extension of the threat of the Queen. It is she, who ordered the death of George W. Bush and I have told you that George W. Bush's Father was ready to kill his own son and still he would kill him in a flash! For, he hates his own son! In fact, all the recent scratches on George W. Bush are there

because his own Father pushed him down a flight of stairs. How fitting! For, this was the very same night that they kidnapped you in an antigravity machine and a drunken George W. Bush delighted in putting the amnesia drug into your blood! You saw how drunk he was by all the extraneous jabs of the needle up and down your thumb and along the side of your third finger! So, yes, My Child, the Queen of England and the Bushes are thick because they are all reptiles! They are all snakes! They are all children of the devil!

So, the Queen has wanted George W. Bush dead for a long time because she thinks that he is a buffoon and she believes that he will cause her to lose her grip on America! This is why she wants him gone and the plot gets thicker by the minute! So, this is a little background for you! Now, let us proceed!"

"My Lord, in this vision of the 14th of May of 2004, we see the evil works, which are being done by the President of France!"

"You do, My Little One!"

"And, what are these works?"

"To divide and conquer!"

"Divide and conquer what My Lord?"

"Divide and conquer America!"

"What do You mean by this?"

"My Child, I mean divide the black against the white, the North against the South, political factions against political factions, etc."

"What political factions, my Lord?"

 From The Mountain Prophecies Copyright 2004

"Political factions such as certain New World Order political factions; for he desires to come out ahead of them all."

"But, he will not."

"No, my Child, he will not."

"Then, comes the Queen and she is in a wheelchair. My Lord, in this vision of May 14th, does the Queen know that she is in a wheelchair! And, does she know that she is crippled!"

"No, she does not know this and when she finds out, she will be sorely surprised!"

"My Lord, why is she crippled?"

"Because of gambling."

"What kind of gambling?"

"Her 'house of cards' gambling."

"What does this mean?"

"A foot in her rear end."

"Whose foot?"

"A Rothschild foot!"

"So, she has gambled, My Lord, with this royal house deck and she has made some bitter enemies!"

"Oh, yes, My Child, and she is going to get the boot!"

"Praise God! Thank You, My Lord! Holy is Your Precious Name! Now, My Lord, in the same vision of May 14th, the Queen tries to get up out of her wheelchair and her dress gets caught on a part of the wheelchair! Then, the whole back of her dress is ripped off, showing her bare behind! Nothing to see but a bare behind, a pair of knee stockings and two garters, which hold the stockings just above the knees."

"My Little One, the Queen is in big, big trouble, not just with some of her fellow satanists. She is in big, big trouble because of what she ordered done to you not once, but twice! And, I have given her grace these past few months for what she ordered done to you in the fall, but this time, there is no more grace, but punishment and death for the Queen and for several in her royal family! But, before she dies, she is going to see her kingdom slipping right out from under her! The whole world is going to see the rare and bleeding rear end of the Queen of England! For, I am going to put her across my knees and I am going to beat her rear end to a pulp! Oh, she will cry and she will wail, but she will not escape My wrath upon her! For, even now, her dress is torn. Her rear end is naked and she does not even know; for she is too busy feasting upon your naked rear end! Yes, My Child, it is a comedy! It is a sick comedy! She is laughing now and all of her satanist counterparts are laughing, but she will not be laughing for long!

Now, My Child, the sitting Queen wants people to see her as regal! She wants them to see her attired in the finest of silk, brocade, and gold; but she has taken a stand, which is going to show the whole world who she really is. This stand, which she has taken against you, against White Buffalo Calf Woman, and this stand to make war against the southern states in America is going to open the eyes of the whole world to the real nature of this evil and belllicose queen!"

"But, my Lord, she does not rip her dress and show her naked behind until she stands up."

"This is so; but she has now taken this stand and soon the whole world will see her nakedness. She will not be able to hide behind attire, behind ceremony, behind money and wealth!"

 From The Mountain Prophecies Copyright 2004

"Yes, my Lord, people all over the world will soon see her for what she really is. Then, my Lord, in the vision she stands up, oblivious to the tear and oblivious that her naked rear end is exposed, and she begins to bellow out to the people and to beat her hammer! She says that this is the end to the means. My Lord, explain this."

"My Little One, she is the Queen of Means and you want me to explain this."

"Yes, my Lord."

"My Child, she means what she says and she will go to any lengths to make sure that people know that she means business! She will kill anyone, steal from anyone, and lie to anyone! She will use any means to get what she wants, to get her way! In this way, she is the Queen of Means!"

"And, she expects everyone to bed afraid of her and to cower down to her!"

"She does."

"So, my Lord, she really believes that she will rule out of Israel, that she will be the antichrist!"

"My Little One, she believes the antichrist to be her son, but since he is so full of slime, she is prepared to rule the world, herself! If Charles needs to go, she still has Andrew! It does not make a lot of difference to her, but in her own mind the British Royal Family must rule the world and she is prepared to kill all opposition to make it so!"

"Oh, my Lord, this is some sick mess!"

"It is, My Child, for this woman is drunk with power, but her great and serious mistake was this last mistake that she made by ordering the raping of you. This sacrifice, My Child, that you agreed to do will lead to the destruction of the English monarchy and this very thing that they have done will bring down many rulers of nations. My Child, this film, that was made of you, is worse than Black Death; for everyone who took part

in it and everyone, who sees it will die a horrible death. In some situations, everyone in the room will drop dead immediately. My Child, this very film is a killing machine! This film will cause more deaths than a rapidly consuming plague and it will devour the satanists! Everyone, who touches this film, or who has anything to do with it whatsoever, will feel its curses! My Child, you have no idea what you have done by agreeing to allow them to do this to you! My Little One, this very thing is going to utterly cripple and bring the New World Order to its knees!

My Little One, you have made a great sacrifice to humanity by agreeing to allow this sort of abuse to yourself! You were not coerced from this side, My Child! You have prayed often for the destruction of the secret societies and you came to Me and to our Father on a level that you are not aware of and you agreed to this very thing. While they feel so smug and feel that they have done such a victorious thing, they have actually signed their own death warrants!"

"My Lord, I praise you and our Father and with all my heart I thank You for allowing me to be a part of Your army! I thank you, My Lord, that I am counted worthy to suffer persecution for love of You and for love of Your beautiful Son! Now, My Lord, as we proceed with this vision, we clearly see that the Queen wants George W. Bush dead!"

"This is so."

"And, this time she will get her wish!"

"He will go; for she commands it; but he will go anyway for what he has done to you!"

"And, My Lord, we clearly see her ordering an attack on America!"

"You do; for she says that America is out of hand! ‘Storm the gates!’ Invade America!"

"Next, My Lord, comes Tony Blair! The Queen is ready to chop off his head!"

"She is!"

 From The Mountain Prophecies Copyright 2004

"And, oddly enough, My Lord, no one is saying, ‘Long live the Queen,’ except for Prince Charles!"

"Why would they?"

"Because she is an embarrassment! But, My Lord, why would the Prince put his sword on the podium and ask, ‘Any takers!’"

"My Little One, he is not cut out for the task at hand and he knows it. He and his evil family killed a beautiful Princess and he is a revolting adulterer. People despise this man. He does not have their support and he knows that this job is not for him, but he must please the Queen or she may take off his head!"

"My Lord, this dwarf, this little fat man, is this the Rothschild man?"

"You have seen his foot in the rear end of the Queen."

"Yes, My Lord."

"What is meant by, ‘no more ritalin?’"

"My Child, the English monarchy is in a very big hurry to rule the world. The 911 plot was hatched by her and her fellow New World Order parasites. There is a great rush for World War III, a rush before many are ready for it, even her New World Order cronies! They see what she is doing and they do not like it. The speed at which things are being done is creating recklessness and the New World Order is being eroded even before it can rise!"

"Why does he say that he forgot to brush his teeth with ‘Pepsi-dent."

"My Child, what is Pepsi, save a multinational corporation?"

"Yes, my Lord, I get this, but what does this mean?"

"My Child, it means a head-on-collision between the huge international corporations and the New World Order."

"But, what does this have to do with his brushing his teeth?"

"Why does one brush one's teeth?"

"To clean them."

"And, to make the breath sweet and clean."

"Yes, my Lord."

"So, my Child, he is saying that he is in trouble. He is not liking the break-neck speed at which the Queen plans to rule the world and he is going to put a foot in her rear end. But, he must be careful for he has to deal with these huge international corporations and he could come into trouble. He is not clean, but full of filth. He is out to correct what he cannot because he is part of it all, but he wants to slow down things a bit to get his own affairs in order; for the multinational corporations could cause him a lot of problems."

"So, this man is short. He is basically out of sight to most and they do not see his dance to rule the world."

"This is so."

"But, why do the people laugh?"

"He looks like a clown."

"My Lord, obviously this man has a job for Bill Clinton."

"He does."

 From The Mountain Prophecies Copyright 2004

"And, he knows that Bill will do as he says."

"This is so."

"What does bow to my ways ‘in the flash on a pan’ mean?"

"My Child, a flash of a pan is a way of saying a quick vomit. This man knows that Bill Clinton will lick up his vomit as Clinton has no pride and he will do as any New World Order boss tells him to do, even eat the vomit of his superiors."

"This is disgusting."

"Yes, My Child, it is disgusting; but this man is the nature of the beast."

"So, he basically tells what is going to happen to the Queen and to Prince Charles."

"Yes, My Child, ‘tis so."

"So, My Lord, this little man is rising right under the Queen’s nose and she is asleep to it all."

"She is."

"Now, My Lord, the Queen now looks down from her window and she sees the Rothschild man with his carriage and two horses. Why the black and white horse?"

"My Child, the evil and the well-intentioned will put this man in power."

"You said, ‘well-intentioned.’"

"I did."

"But, how can this be?"

"It can be and it will be for many, who will help to put him in power are not necessarily evil. They are gullible. They are misinformed and they are easily impressed. They fall to pretty words and to vacant promises."

"Why does he give the driver a gold coin?"

"My Child, his gold, his money, will drive this carriage and he has plenty of it to give."

"But, in the latter part of this vision, the Queen sees him. Does she know his plans at this point?"

"Yes, she knows, but she is crippled and she can do nothing."

"Why was he gone in the carriage in a flash of light?"

"My Child, he will come into power very quickly and most will never see it coming. He will take off like a flash of light."

"My Lord, as I read what I wrote about the foregoing, it is not looking good for the British Royal Family. I realize that this was written on May 14, 2004 and the Queen had her henchmen kidnap me, drug me and rape me on the morning of the 23rd of May. What prophetic words are these! Then, we come to the burning cross. My Lord, why did you show me this burning cross?"

"My Child, even as they crucified Me, they are crucifying others. As they tortured Me, they are torturing others. You did not know that within this burning cross was My warning to you about what you were about to face."

"No, my Lord, I did not know."

"But at the foot of My cross is My treasure chest and within it a beautiful gift of My pearls to you. For, out of your suffering, My Child, will come a beautiful gift to humanity."

 From The Mountain Prophecies Copyright 2004

"Why do these pearls glow with a fire, like that, which is on the cross?"

"They glow with this fire, for from this experience, My Child, a great power comes from our Father. Through these pearls, this power will be given to you. For, soon, My Child, very soon, you will be raised up as I was raised up and you will be given a supernatural body. Then, you will run and not tire and you will walk and not faint."

"My Lord, as I weep at your feet while you are at this cross, what is the earthquake and what is this darkness?"

"Just as I was crucified and an earthquake followed, My Little One, you have been mocked, ridiculed, raped, and drugged, and crucified, but in a different way. And, soon, My Child, very soon, a great earthquake shall hit America and it shall also devastate other places in the world. This is a retaliation of the Earth, itself, against this evil, that is such a burden on this planet!"

"My Lord, why am I transported to this windswept hill?"

"Because I wanted you to know the loneliness and the darkness that you would soon feel, My Child. And, I wanted you to hear the nursery rhyme. This little star does not refer to me as you believe, My Child. It refers to you; for when anyone will lay his or her life down for another with love, this one is a star in the Kingdom of God. And when such a one will lay down his or her life over and over for love of his or her fellow brothers and sisters, all in the service of the Most High, this one will shine with a great brightness in the Kingdom of Heaven."

"My Lord, I do not feel worthy to receive these words; for I am but a child and I feel like a nobody and a nothing in your beautiful kingdom. I do not want glory of any kind, My Lord. I only wish to please You and our Father and I pray for the salvation of the greatest numbers of souls."

"This is known, My Child. Let all learn from this example that you set, My Little One, and the world will be a far better place. With these words, My Child, we conclude

Chapter Nine of Book Ten. My Little One, you will give warnings as I direct and as our Father directs and you will go forward, guided by the Spirit of God. But, your Father and I make no promises of additional books. Yet, you will continue to prophecy to certain ones and to certain groups as we guide you to do so. All need to copy these works and to study these works. For, a time of great darkness and great deception is soon upon the world and few can imagine. I am your Master, your Savior and the Savior of all of humanity!"

## CHAPTER NINE - PART VI

### THIS IS THE LAST PROPHECY FOR NELSON MANDELA, AS EXCERPTED FROM THE PREVIOUS MESSAGE UNDER THE DIRECITON OF OUR FATHER IN HEAVEN!

### A PROPHECY FOR NELSON MANDELA

### June 02, 2004

"I am Jehovah, Most High God, the One God, the True God, the Only God of My People, Israel, who are scattered all over the world. This message is for one ruler of South Africa, Nelson Mandela, and to others rulers and co-rulers of South Africa as its highest levels. But, above all, these words are for Nelson Mandela.

This is the third and final warning to you, Nelson Mandela, and to any and all rulers and co-rulers of South Africa, who are responsible for the jailing of My people under fabricated charges, wherein you have held them in deplorable conditions and you have

 From The Mountain Prophecies Copyright 2004

no intention of letting them go. Take heed of what I say herein, Nelson Mandela; for your days are all but finished and perilous times are at hand for all of South Africa!
You, Nelson Mandela, take pride in your life and what you believe that you have done for South Africa. Your ego is swollen with self-serving purposes and your tongue is sliced with lying motives and deception. In your political dealings, you have fooled many, and many elevate you and your mission in South Africa and even the world. But, what accomplishment is it to fool, to deceive, the masses? What accomplishment is it to bury freedoms, while pretending to be a champion of freedom?

No, Nelson Mandela, you are no champion of freedoms. You are a champion of stealth, of greed, of cunning and deception. Beneath your people-pleasing smile is a mountain of darkness and corruption. You are a disgrace and you know it not; for what you peddle is all about you. It is all about ego and it is all about establishing a worldwide, Satanic, slave state, called the New World Order. How is it that you champion freedoms of the poor and the oppressed when you, in fact, are robbing them and stealing from them the little that they have.

No, Nelson Mandela, you have no legacy, but lies, manipulation and distortion of the truth at every turn. This is what you leave to the people. For, the truth is that the New World Order leash upon your neck is very short and you dance a continual jig on behalf of the New World Order slave masters. Therefore, your destiny is in the Lake of Fire and your legacy is the blotting out of your name and your memory all over South Africa.

I sent My Son, Jesus, who is also called Yahshua, into the world that all might be free of darkness and oppression, that all might be guided in ways of righteousness and truth, that all might have an inner peace and a lasting peace, that all might live by truth and honor and that a real love, My love, might prevail in the hearts of all. This is what My Son brought to the people the world over. He brought love and He brought forgiveness and He brought righteous living. His way is My way and it is full of love! It is full of miracles, healings and deliverances of every kind. He brought a way of life that is the real way, the only way to freedom; but you, Nelson Mandela, do not know this way, yet it is free for all. To receive it, all need only to repent and accept it.

However, what deal is there to be cut in going this way? What bribe is there to be had through righteous living? What ego trip is there to be experienced; for the way of My Son is the way of submission to Me and to Him as Savior of the world.

Nelson Mandela, you are at the end of your days and the Lake of burning fire and torment awaits you. This is your heritage and your legacy is a lie. The real message on your tombstone will read: 'Nelson Mandela. He professed freedom, but brought a greater slavery! He professed love, but sowed hate and discord!'

This is your true legacy! This is what will remain of your memory when the dust settles, when wars cease, and when My Kingdom comes forth. Your name will be blotted out and the truth of your actions will be known by all. Your work will be summarized in the minds of the few those, who remember you at all, by the statement: 'Nelson Mandela. He professed freedom, but brought slavery. He professed love, but sowed hate and discord.' For, this is who you are! All facades, all the fake appearances of the evil ones, the world over, will be ripped down soon and all fakers will be known.

King Nebuchadnezzar was a very evil man, who honored astrologers. He lived by the directives of and practices of witchcraft and rebellion of the worst kind. He was a very evil man, but even so, I put him in power over My people! Why? Because they became evil like him and they deserved this kind of ruler. For these very same reasons, I put My people under you and others, who are just as evil as you are, because the greatest numbers of My people all over South Africa have become evil!

As King Nebuchadnezzar looked at 'his' kingdom, he bragged about what he had done, when in fact, I had done these things through him. And, because He said, "Look what I have done! Look what I have created, " when in fact I had created it, I sent a spirit of insanity upon him and for years, he lived as a wild animal among the beasts of the field. But, in My mercy, I also delivered Him from the curse of insanity and through the process, he came to know and to profess that there is no god like unto the God of Israel. I am this God and I am Most High and there is none, who can measure up to or stand up to My power! There is none! I give life and I take life; but let all fear, for it is I,

 From The Mountain Prophecies Copyright 2004

who create all souls and I have the power to destroy any soul that I create when this soul is as utterly corrupt and as dark as yours, Nelson Mandela!

Therefore, Nelson Mandela, I offer you salvation through My Son, who is Jesus Christ, and you now have an opportunity to repent of your evils and to be delivered from the Lake of Fire. It is a late hour. It is very late. Nevertheless, I offer you this gift, but it will not come to you, save you forsake your witchcraft. It will not come to you, save you fall on your face before Me with weeping and wailing for your sins. It will not come to you, save you profess that My Son is Savior of all of humanity and you must forsake your lying, your thievery and your service to the evil, satanic, one world order, slave state, the New World Order. Nelson Mandela, I offer you real freedoms and I offer you a real legacy. The choice is yours and you and you, alone, will make this decision.

Any number of Christian ministers will pray with you. Any number of them will listen to your confessions of witchcraft, of sin and rebellion and any number of them will pray with you for deliverance from demonic possession; but I want My Son, Dirk Van Vuuren to pray with you. I want him and two of My choice servants, who will come with him, to lay hands on you and to pray for you. But, you must change. You must come away from witchcraft. You must forsake the New World Order and you must preach the freedom and saving grace of Jesus Christ, who is also called Yahshua. He is My Son and He and He, alone is Savior of humanity.

If you will do as much, I will extend your life, but if you will not, I will soon take your life and all of South Africa will descend into a terrible civil war, that you, Nelson Mandela, helped to create. For, if you were a man of peace, there would be no talk of a 'Night of Long Knives.' For, there would be no long knives in the possession of the evil doers, who plan to carry out a New World Order war of killing against the whites in South Africa.

You, Nelson Mandela, have failed the people of South Africa and you have failed them because of ego and greed. The decision to repent of this evil is yours and that of none other. The following is but an excerpt of a prophecy to My chosen servant, Linda Newkirk. Read it and weep. For, your sins are now known, if but in part.

The above is My offer to you and it stands for seven days from the time that you receive this message. But, you must let My people go. You must sign an order in which you let go all of Mine, who are falsely accused in the mock trial in Pretoria; and you must let go of all of Mine, who are falsely accused and held in jails throughout all of South Africa. You know who they are!

Below is the prophetic excerpt of which I speak. This has been given by My Son, who is Jesus Christ, Savior of all of humanity, to my servant, Linda Newkirk!"

## NELSON MANDELA AND THE QUEEN'S SUGAR CANE INDUSTRY!

### MAY 29, 2004

I (Linda Newkirk) am able to look far below, and there is the Queen of Means, Elizabeth, the Queen of England, and she is seated at a table with Nelson Mandela of South Africa. Beside the Queen of Means is a large pile of sugar cane. In the hand of the Queen is a piece of sugar cane and she is steadily whittling away at the hard exterior of the sugar cane as she talks to Mandela. Once finished with cutting away the hard exterior of the sugar cane, the Queen hands a piece of the sugar cane to Nelson Mandela. He chews on the sugar cane for a moment and he says, "Uh hummmmm. That is good cane all right and sweet, sweet, sweet! Oh, I like the taste of sugar cane!"

"I can see that you do, " the Queen says, "and for this reason I am going to give you sugar cane. In fact, I am going to give you all the sugar cane in South Africa, but you must do one thing."

Mandela is trying to talk, but is having trouble, as a piece of the sugar cane is caught between his front teeth. I must chuckle at what I am seeing for there is a bit of comedy here. I watch as Nelson Mandela pulls and tugs at the sugar cane, but it is firmly caught between his teeth and he cannot get it out. Then, he suddenly begins to gag as a big string of sugar cane is also stuck in his throat, but the Queen, who is oblivious to the plight of Nelson Mandela, continues to talk non-stop! Nelson Mandela is now seriously choking on his piece of sugar cane and still the Queen prates on. There is no longer any comedy here as this situation is becoming serious!

 From The Mountain Prophecies Copyright 2004

Nelson Mandela now gets up from his chair and he begins to do a jig, which I can only refer to as the "Sugar cane jig!" His penny loafers are making quite a noise on the concrete floor as he dances this jig. All the while he is desperately pulling at the sugar cane, which is lodged between his teeth and running down his throat. Now, this scene is beginning to get very ugly! Mandela is beginning to froth at the mouth like a mad dog and his eyes are beginning to bulge out of his head, and still his feet are doing the "Sugar cane jig."

But, the Queen remains oblivious to Mandela's problem with the sugar cane and she continues to talk non-stop. "I'll get every ounce! I'll get every cent! I'll get every pound! I'll get it all!" And, she furiously peels and peels and peels the sugar cane, talking non-stop, and still never notices the plight of Nelson Mandela. Now, he is writhing on the floor! Mandela is literally choking to death on the sugar cane, but the Queen still never notices. She continues to furiously peel the sugar cane, and to toss it wildly into a pile. This pile of sugar cane is growing so rapidly that it is beginning to cover up a choking Nelson Mandela, but still the greedy Queen does not even notice!

Suddenly the entire scene begins to fade until all is dark and I can no longer see the Queen or Nelson Mandela. But, in the darkness I hear the sound of someone's heart. "Lubb-dubb, lubb-dubb, lubb-dubb." The sound of this heartbeat is at first very rhythmic and steady, but this heartbeat quickly picks up speed. This heartbeat is accelerating so quickly that it is literally racing now! Someone is in serious trouble!

In the darkness, I hear the sounds of sirens and suddenly I see two emergency attendants emerge from within the darkness and they are carrying someone on the stretcher. I look closely to behold a silent Nelson Mandela. One of the attendants asks, "Any pulse?" And, the other attendant says, "No, man! Start CPR!"

At this point, the other attendant releases a strap, which is secured across the stomach of Nelson Mandela and even as he does so, a black ghoul, a demon from hell grabs the heel of the one, who is about to begin CPR. "He is mine," the ghoulish demon from hell says!"

"Let me go, you fool," the attendant screams!

"Never," growls the ghoulish demon from hell! "He is mine."

Then, I see a deep blackness come about and Mandela is gone. The attendants are gone! The demon from hell is gone! All that I see in the blackness are tiny, cheap twinklers, faint fireworks, which are going off in the night. Then, I see the words, "Nelson Mandela. He has his 15 minutes of fame!"

**The Explanation of the above prophecy as given by our Lord Jesus!**

"Nelson Mandela has stuffed himself with so much of the sweetness of the sugar cane industry that he shall soon choke on it. But, not before the time that his heart will beat with an uncontrollable fear. Oh, fear shall grip him! His heart shall race! And, it will pound! But, My Little One, it will then be too late for Mandela!

The Queen has a pile of the sugar cane industry and she gives him a taste. But, My Little One, look in the back room. Mandela has a roomful of sugar cane and while the Queen believes that she controls the sugar cane industry, she only has a small pile. Nelson Mandela has double-crossed the Queen about the sugar cane industry. She does not now know what he has done and a fear of unimaginable proportions shall grip his heart because he is about to be found out. And, soon, My Child, his heart shall fail him for hear. He is a goner and the demon from hell is in line to pick him up. Yes, My Child, from darkness he emerged and into darkness he will return. His life created a few sparkles on the Earth, but soon, very soon, his name will be only a faint memory! He had two chances to do right by letting My people go, but he did not! He has followed the Queen to his own demise!

"My Lord, what an irony how things turn out! But, a terrible irony! Let all see, My Lord, that evil does not pay. Evil does not prosper, but condemns ones soul to hell!"

"And, so it is, Nelson Mandela, I Jehovah, Most High God, have given you one last message. And, herein you have but one choice! You will let my people go and you will come away from evil, forsaking it forever, recognizing and honoring Me and My Son, and thereby truly doing what is truthful and right for the people all over South Africa, or you are history! The death knell is tolling and it is tolling for you. "

## MESSAGE FROM OUR FATHER IN HEAVEN

### May 27, 2004

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. Listen to Me, My Child, when I tell you that I am bringing death and destruction to your enemies!

As you well know, My Child, in the early morning hours of May 23rd, 2004, the drunken and 'stoned' Bushes, the elder and his drunken son, kidnapped you in an antigravity machine! Along with them were others of their Satanic friends and they all delighted in the drunken orgy that they had planned for you! One by one, they raped you and delighted in the evil that they had done!

And, I want you to know, My Child, that this I allowed and this you agreed to on a level that you are not consciously aware of. For, you agreed to this, My Child, that they may all be killed and killed they shall be and sooner than most will ever know! And, the Queen of England and her drunken family will not escape My wrath!

My Child, take a cup of My wrath and pour it over the English monarchy! I am going to uproot this Kingdom and I am going to visit it with death and destruction! All, who had any part, or who have any future part in what was done to you, will die by the sword! Everyone of them will die from horrible circumstances and plagues.

And, right now, My Child, I give you this key; for I am allowing you to shut up the rain over the country, Israel, for one year for what they have done to you! And, I am raising up the enemies of Israel on every side, who will come into that country and they will rape their women and they will kill their children because of what they did to you! Ariel Sharon shall die soon, but before he dies he shall rot from the inside out!

 From The Mountain Prophecies Copyright 2004

Yes, My Child, I have allowed these things to happen to you; and at another level, you have agreed. But, few know the extent of My wrath and My fury that I shall carry out against the Bushes and against all, who have been involved, or who will ever be involved in what was done to you!

Post this soon that all may be the wiser! For, the evil ones had better get their burial plans in order! I am your Father in Heaven, yea Jehovah, Most High God."

White Buffalo Calf Woman

To my Brothers and Sisters, who will read these words and to all the evil ones, who continually conspire to confuse and to destroy truth and to muddy the waters as to what is good and right! In the most recent kidnapping, raping, and attempted murder of me, the evil ones really thought that they had done away with the "real" White Buffalo Calf Woman once and for all. It was not until a week after the kidnapping that our Father in Heaven made me know about the injection marks on my hips. I counted six injections, but since it was a week since I was injected with these poisons, there may have been more. In visions that our Father gave me about these kidnappers, He showed me that Hillary Clinton was one of the main ones, who was injecting me, but there were others. Oh, they had a great plan, but it failed as every plan of Satan, Lucifer, the devil is bound to do! What measured successes that they have will all come to naught; for there is coming a time a great judgement wherein they will not be able to escape the horrors of their ways. Therefore, I wait upon my Father in Heaven, Jehovah, Most High God and His Beautiful Son, Jesus Christ, to mete out the measure by which they all may be judged.

On Monday morning following their evil deeds to me in the early hours of Sunday, the 23rd of May, I looked out my kitchen window to see a large sports utility vehicle cruising past our house. This was a new, white vehicle with tinted black windows and it

bore the emblem SBC on the door, which to Americans is another name for Southwest Bell Corporation, or the telephone company. Immediately upon seeing this vehicle, I knew that this was no telephone company vehicle! The vehicles from the telephone company, which come out here are trucks and they are hanging with wires and assorted tools. I waited for this white vehicle to come back by and it did so, within about ten to fifteen minutes, and I never saw it again. But, within the next couple of days or so, I saw an out-of-state vehicle and I believe that the license plate was from Kansas. I was outside and looked at the driver in the passing, but he pulled his arm up beside his head, apparently so that I could not see his face.

Who was in this vehicle and why? This little bit of interesting information was sent to me a week after the kidnapping, attempted murder and rape!

Last Monday in Little Rock, (May 24, 2004) Vice President Cheney said Democratic presidential candidate John F. Kerry "has questioned whether the war on terror is really a war at all" and said the senator from Massachusetts "promised to repeal most of the Bush tax cuts within his first 100 days in office."

On May 24th, early in the morning, Dick Cheney was in Little Rock to pick up my dead body! He was in the white car, which drove by our house around 7:30 or 8:00 in the morning on May 24th, 2004!

On this same day, May 24th, 2004, a New World Order demon by the fake name of Darrel White Wolf posted the following article on the New World Order sponsored site http://www.surfingtheapocalypse.com. The next day, his article appeared on another New World Order sponsored site, http://www.rumormillnews.com. I am listing these two sites to warn you about who they are and what they are up to. I do not advise that you go these websites as you are most likely to get your computers filled with viruses and spy programs. These days, Rayelan of the latter website makes it very clear about whom she works for and you should get a real confirmation by her lizard lounge alone! The former of the two has repeatedly denied any posts, which make reference to our Father's works through http://www.prophecies.org. You have been warned and now it is time to get wise!

Here is Darrel's article, or whoever he is! And, here is his real e-mail address!
"Whitewolf" <bluescorpion52@optusnet.com.au>

When you read his article below in which he claims to be a Cherokee elder, remember one thing! Why would a Cherokee elder be working for an underground cloning lab in Australia? People, it is time to get wise! These evil ones are coming forth with truth mixed with many lies and they are deceiving many, many! Know them by their fruits! If they do not profess that Jesus is Savior of Humanity and that there is but one God, Jehovah (Yahweh) Most High, get far from them! If the love of God is not in them and if miracles do not follow these so-called spiritual leaders, stay away from them.
Whitewolf's lie!

I HEREBY CHALLENGE THE ELDERS
Posted By: DarrelWhitewolf
+++ Date: Monday, 24 May 2004, 8:16 a.m.
I Darrel Whitewolf, elder of Cherokee decent, with this powerful message, hereby challenge the elders of all native nations. I hereby petition for the immidiate release of sacred information to all humanity concerned for the immediate future of their families and loved ones.
At the risk of having many arrows shot in my direction, I send this message. I am an old warrior who is no stranger to battles.
It has been brought to my attention that the elders at this time are preparing the last ceremonies. The "Hopi" who have no word in their vocabulary for the future and are preparing to go underground. The "Ojibwa" and the "Lakota" are saying that we are at the end. They say and I quote "Go back and tell the people it is no longer the eleventh hour".
It is said that the blue star (katchina) has arrived and the "Purifier" ( a large celestial body) follows. It's time for the "CLEANSING" the "THIRD SHAKING".
It is time to tell the people about the "arrival of the watchers from the skies" who don't look like us and the ones underground as well.

I have heard that White Buffalo Calf Woman has returned. I have been told to teach the stories of creation and how we must become together as one. This is not enough.
Chief Lookinghorse has delivered his messages at sacred sites all over the world but it is still unclear to non-indian people just what is happening now, this very year, maybe even this very next month.
It is perfectly clear to me but who will believe one person?
It is not enough to quote verses from the bible. It is not enough to tell the old stories. It is not enough to talk about the animals and what it means when a certain one shows up in your life.
I think I can safely say that I speak for all readers here when I challenge you for the plain and simple truth about what is about to happen.
No more Bible verses from the unbalanced cross brought by the ones who stole our land, raped our women and killed our children. The ones manipulated by the watchers.
No more old stories. No more codes.
People do not want to hear this nonsense any longer because time is too short.
I know that you know. I also know that there is still prejudice in the hearts of some of you and you do not want non-indian people to know these things.
It is time and the time is now for you to speak clearly and decisevely in releasing the information needed for people of all nations to prepare themselves practically, safely, physically and spiritually.
There is talk that the Pope is giving his final blessings.
He speaks of the fact that "Wormwood" (Planet X) has arrived.
There is talk that supposed astronomers are watching something large speeding toward Earth.
There is clear and unmistakable evidence that the skies day and night have suddenly changed dramatically. The moon has changed its orbit and appears in the west sky now when it rises.
The stars are turning around in the sky at night and moving slower. The Earth Mother staggers like a drunk.
With great respect to the Creator, I bow to him in a humble way and ask for guidance in these matters not for me but for my brothers and sisters, my friends and families.
With great respect for the elders I ask you to put this knowledge forth and back up your words which say Mitakoye Oyasin.

 From The Mountain Prophecies Copyright 2004

We are all your brothers and sisters. Will you leave us behind, only knowing half truths? Grandfather, forgive me if I have offended as this message comes from my heart and the Spirit of Crazy Horse inside me speaking. Grandfather, forgive those who still hold contempt for the white man, the black man, the red and the yellow.
We send our prayers to you with the smoke from the sacred pipe on the wings of our brother Awahili, the Eagle.
I ask that you keep all of us here in your presense now and for ever.
Let the truths become clear to all.

So, Dear Brothers and Sisters, this is the Satanic liar from the cloning lab in Australia. He published the above on the 24th of May, the same day that Richard Cheney was in town to pick up my "dead" body. They had a great plan, but it failed again!

Some of you may remember that when I was kidnapped by the Black Pope last fall that the evil ones downloaded my memories. In addition to all the stab marks I had on my hands, I also had needle marks in my head. This was from the downloading of my memories! They took tissue samples and they set out to clone me from November of 2003. Our Father in Heaven warned of their plans at that time! And, as some of you may remember as well, from the last pages of Book Nine, these same evil ones tried to get me to willingly work for them, but failed in this as well. They thought that they could override my free will and make me work for them by kidnapping me and trying to brainwash me as they did in the Russian Lab, but this failed as well. So, when they determined that I would not willingly work for them and that they could not make me work for them, they decided to rape me and to shoot me with so many deadly injections that I would surely be dead by the next day, which was May 24th, 2004. They had their cloned White Buffalo Calf Woman ready to appear and Darrel snake and wolf would lead the way by seeding the people with his lies on the 24th of May. I lived, but snake and wolf must have been a little late in getting the message; for he went ahead with his white buffalo calf woman clone on the 26th of May, 2004. This was posted first on the New World Order sponsored website, surfingtheapocalypse.com.

I have re-typed the following message of the "cloned" White Buffalo Calf Woman; as I have been blocked from copying this message, which appeared on the the website, surfingtheapocalypse. But, as this message is important, I have hand-written it and typed it so that all of you may very well see their plots and schemes: My comments to the White Buffalo Calf Woman clone are in bold print!

Greetings Darrel Whitewolf,
I wish to thank you for your recent posting, which was brought to my attention. **( the posting of May 24, 2004)** Your words touched my spirit because you carry a longing for the Great Spirit within you. You have stated that you are a warrior. I can sense that you are a spiritual warrior. **(Good going, Dear Abby!)**

You long for Divine Truth, and you long to spread it. **(Oh Yes, as long as he is stealing it from some other source!)** Unfortunately, few in the world can grasp Truth, they are incapable of understanding Truth. But, alas many arrogantly think that they know Truth, while all the time they are deluded by Darkness and do not have Truth. These arrogant ones are the most dangerous and they often try to lead others away from Truth and viciously attack those, who love Truth. **(Have you, who regularly visit prophecies.org, not read some of these words about truth, almost verbatim, from our Father's website?)**

Many things are happening on the Earth, and few wish to know the truth about why. **(True!)** It matters not the colour of skin that one is wrapped in, the truth remains the same for all who are of the True Creation (those who have the warrior spirit.) **(Does the truth really remain the same for all? Think about this! What is true to one may be a lie to another!)** The children of Illusion cannot and will not recognise, but they will ridicule and scorn those who seek Truth. **(Here the clone contradicts what she just said above! She just said that the truth remains the same for all and then she says that the Children of Illusion, the Children of the devil, cannot recognise truth! Go back and read it again carefully! This is but one of the many carefully crafted lies in the clone's message. Also note the spelling of recognize (recognise) and the spelling of color (colour). Just from these two words, we know that an**

**American is not writing this piece of satanic literature!)** Again, it matters not what colour their skin is, nor their religion or beliefs. **(The color of one's skin matters not to whom? Plenty of white people want to stay white! Plenty of blacks are proud to be black. Many Native American Indians would not want to be in any other body for all the money in the world! Many orientals are pleased to be who they are! People have a right to be proud of their heritage, but the evil ones want to destroy the heritage of all people, making nameless, faceless slaves out of all of humanity!)**

Truth has been so jumbled up here with untruth that it is hopelessly confused and confusing for those, who seek Truth. **(Truth has been jumbled up where! In this article of course! The clone is telling you what she and snake wolf are doing!)** The children of illusion lack the warrior spirit within them. Only those, who have the warrior spirit will find truth. **(The Children of Illusion are the children of the devil! All they know is evil! All they know is stealing, killing, lying and sexual perversion of every kind. They do not know the love of God and they are full of greed. Yes, they have a warrior spirit all right. They start every war and they have controlled the world since the beginning with endless wars, the poor humans most often never being the wiser! These Children of the Devil call black white and white black. They call good evil and evil good! They turn the world upside down with their lies and their insatiable greed!)**

Many have advised to be prepared with water, food, seeds and blankets for the coming days. **(True!)** These items will be necessary for the temporary physical survival, but none of these things will assist anyone in his/her spiritual survival. **(If one does not have water and food, there will be no spiritual survival as this one will not be around long! One must nourish the body or it will soon die! Good sounding, Ms Clone, but nonetheless a lie!)**

**What is to come will** come.**(Now this is a profound statement! Obviously the clone wants all to believe that they cannot make a difference by making right choices, praying, obeying the commandments of God and putting our Father in Heaven and His Beautiful Son first! The clone does not want anyone to realize that one**

**can change many things through prayers and petitions to our Lord and God!)** What is most important is that each spirit sincerely seek connection to the Great Spirit, regardless of his/her age, race, agenda, colour or creed. **( And, how does one seek connection? Does one read a book? Does one go to the shopping mall and get it? Is it absorbed through the air?)** Those of the light will know within their spirit that they are of the True Great Spirit. **(Oh, great words! But, how will they know? Will they take wings and fly? The lost, the confused and the sin-filled people of this world will know that they are Children of the Most High God Jehovah only when they are set free from Satanic control by the saving graces of our Lord Jesus. There is no other Name under the Sun through which they may be free! None! And until they are free, they will not know that they are Children of the Most High!)**

Therefore, despair not, for the Great Spirit knows Its own, and those of the Great Spirit know from whence they came. **(And, just where did they come from?)** The Children of the Great Spirit should sincerely seek purification of their spirits in preparation of their return Home. **(And, just how will this be, Ms Clone?)** Their liberation will be the most joyous event they have ever experienced since their entrapment in the Great Illusion. **(What liberation? Without honoring Jesus Christ, who is the Savior of humanity and His Father, Jehovah, Most High, who is the Creator, there is only a descent into darkness. There is no life and there is no freedom! Period! What you have here are more good-sounding lies and perversions! Ms Clone, you are not very bright, but after all you are only as good as the chips in your head!)**

Truth is not confined to a particular race, religion or belief! **(True!)** Only the Children of the True Light have the Truth. **(Many Children of the True Light, the Children of God, are lost in darkness. They would not know truth if it hit them in the face and they will not know the truth until they are delivered and set free from the evil traps of this world! They can be set free only through the blood of the Lamb, through the grace and love of our Lord Jesus and Father in Heaven. Many, who are lost in darkness, will be set free and they will know the truth! They will then be better able to recognize liars like snake and wolf and this clone, who has written these lies, truths and half-truths!)** "All is one" is only true within the True Light Creation, but not here, where there is a mixture of those sponsored by the watchers

and those nurtured by the Great Spirit. **(When bathed in the Spirit of God and free from sin and rebellion, we are all free and as much we are One with the Spirit of God! And, this oneness can be felt even here on this evil Earth among those, who put our Lord and God first and who are free from sin and rebellion. Jesus Christ came to set the captives free. There is no other way be which one may be free! Yes we know the ones, who are sponsored by the watchers! They are the Children of the Devil, the Children of Illusion, the very children of the watchers; and the watchers and their evil offspring will be all punished in the Pits of Hell or the Lake of Fire as our Father in Heaven sees fit!)**

The watchers do not just watch, they are agents of evil and they rule unjustly on this planet. **(True!)** They have soiled the True Creation. **(True!)** The Unmanifest (Wakan Tanka) has sent the White Buffalo Calf Woman here to retrieve all the children of the True Creation from the grasp of the watchers, including stones and mountains, trees and forests, rivers and seas, birds and animals, all spirit beings, etc. and even the "souls" of the Earth. **(Lies, lies lies! The White Buffalo Calf Woman was sent by Jehovah, Most High and His Beautiful Son, Jesus Christ! The White Buffalo Calf Woman cannot retrieve even one, but can only show that Jesus is the Way, the Truth, the Life and the Light of this very dark world. White Buffalo Calf Woman can only show the way out of this evil world of illusion, but each must make his or her own decision to come away from evil and to live according to the commandments of the Most High God Jehovah. The White Buffalo Calf Woman has not been sent to free this world! Only Jesus Christ can do this and He is returning to set every captive free, to bind up Satan, Lucifer the Devil and to put every demon into hell! He is coming to heal this troubled Earth and to make it whole again! Beware of these liars, who espouse such things as the lies from the lips of this clone! Beware of anyone, who would take authority and power away from our Lord and God and put this power into a human being!)**

Legend has it that man was walking across the Cascade Mountains in the snow when he came across a freezing rattlesnake. The snake pleaded with the man to save him. The man said he would not or the snake would bite him. The snake said, "No, I'd never bite the man who saved me." The man picked up the snake and placed it in his pack

and walked down the mountain, out of the snow. When he let the snake go, it buzzed and struck, biting the man. The man exclaimed, "
What have you done? I will die. You lied to me." To this, the snake replied, "You knew this when you took me in." **(True!)**

So, it is with the Children of Illusion. **(Well, folks they are telling you who they are! Believe them and take them in and they will deal a deadly blow to you every time. This is surely why snake wolf refers to himself as a scorpion in his above e-mail address. They are proud to be the serpents and they are proud to be children of the devil, but you, Dear Ones, they refer to as the Children of Illusion as so many of you believe their lies. It is time to wake up! The world of illusion is getting thicker with illusion by the day and without the Spirit of God in your heart, you will not be able to discern their lies from the truths, which they scatter in what they write!)**

It is said that a Divine Messenger, or prophet is often not welcome in his/her own land or tribe. Thus, the White Buffalo Calf Woman is not an American Indian, although she can appear to look like a Native American at times. She is neither white, nor red, nor black. **(White Buffalo Calf Woman is white! But, the clone and snake wolf would have you to believe that she is Chinese! Watch out people; and watch out, you Native Americans! The Hopis have already been fooled by the Dali Lama and there has been a split in the Hopi Nation with many of them chasing after the Dali Lama and the Buddhist faith! Is this why they think that they can pawn off a Chinese White Buffalo Calf Woman onto the American Indians and they will all believe?)** The White Buffalo Calf Woman has returned to liberate her children! **(The White Buffalo Calf Woman has NO CHILDREN to liberate! She has never created even one soul! These are Children of the Most High God, Jehovah and He and His beautiful Son will liberate whom they will through the beautiful Spirit of God!)** She stresses that before the liberation occurs there is need for "purification." **(Here we go with purification again! Do you know what it means? Does one swab one's self down with bleach, or what? Does one clean the inside and leave the heart full of sin? Who can forgive one's sins and make one's heart, mind, body, spirit, soul and emotions clean, save for our Lord Jesus and Father in Heaven, Jehovah, Most**

**High? I tell you that there is none and no other way by which to be clean, to be delivered and set free! Yes, one can fast and purify the body through sweats and the like, but who can make a heart clean and who can forgive the evil that is within, save our Lord and God?)** She is not here to just teach this time, but primarily to liberate all that are hers from the clutches of Darkness, where they have been imprisoned for a long, long time. **(Here we go again with the Children of White Buffalo Calf Woman! Has our Father sent White Buffalo Calf Woman to bring the Spirit of God to the lost? Yes! To bring freedom through our Lord Jesus and His Beautiful Spirit? Yes! But, only as a messenger, nothing more!)** Belief or non-belief in her identity is irrelevant. **(True!)** All that matters is whether the beings are viable True Divine beings. **(The tares, the Children of the Devil, won't be set free as they are all going to the Lake of Fire, so in this sense, this clone is telling the truth! But, many Children of the Most High have forsaken their heritage and they will follow the Children of the Devil, like Darrel wolf and snake, right into the Lake of Fire! The evil ones are well aware of this!)**

The signs of the time are clear for those who are aware enough to see. **(True!)** Listen to the stillness of the wind, the sea, and the sky and you can sense the coming of the Tide. **(Can one sense the coming of the tide from the stillness of the wind? Not necessarily. The stillness of the sea? Sometimes, but not always. The stillness of the sky? Not necessarily!)** Blow away all cloudiness and shame. **(Is shame not a signal of sin? But, the evil ones all blow it away, as the psychopathic children of the devil do not feel guilt! They are incapable of dealing in truth. They do not learn from their experiences because they feel no shame!)** Dispel all fear and self-doubt, pain, and confusion, anger and hate, revenge and vengeance brought upon all races and religions by Great Deception and the Great Illusion. **(So, how does one dispel these negative emotions without the saving grace, the mercy, the forgiveness and love of our Lord Jesus and Father in Heaven, Jehovah, Most High? Does one perhaps just ignore them as the psychopaths like Darrel snake wolf does?)**

"As above as below" is a falsehood that only appears to work in the illusory dimension. **"Father, they will be done in Earth as it is in Heaven!" Have we not prayed this**

**part of our Lord's Prayer many times? But, the clone is saying that this is a lie, a falsehood, part of the illusory dimension!)** The Great Divine Spirit cautions Its children about the False Light, but the warnings are often shut off and go unheeded in this thick fog of Ignorance. **(Our Father in Heaven, Jehovah, Most High God warns us that Satan, Lucifer the devil comes as an angel of light! And, our Lord Jesus warns us that many will be deceived in the last days by the imposters, who perform their own deceptive miracles through witchcraft! Oh, this is the fake light, alright! And, many believe what they see with their own eyes to their own detriment!)** Darkness attempts to deafen the True Children of Light and weaken their Wills through the wheels of life, through torture, temptation, pain, suffering, hate, jealousy, division, etc **(True!)** thus starving these from Mother's nourishment. **(What Mother?)**

Malon, Kachina at uwa ku. **(What life is there to be had when one is lost in darknes without the saving grace of our Lord Jesus!?)**

The White Buffalo Calf Woman has returned to liberate her children. For this all her children will soon rejoice. **(The same lie repeated again, just so that you get the brainwashing effects!)**

The crop of the Serpent is about to be cut down. **( True, these children of the devil are steadily being cut down by the little Army of God! Because of their faith and empowerment with the Spirit of God, this little army is going to be used mightily to take many, many of these evil ones right down into the Lake of Fire! Praises to our Father in Heaven, Jehovah, Most High and to His Precious Son, who is our Savior!)** The meeting of the fortunates will soon commence. **(True! But, what you, Ms Clone are referring to when you say "the fortunates" are the snakes, just like Darrell snake wolf. These so-called fortunates are the children of the devil, who have ridden the backs of the poor to get to the top of the heap! They have killed and stolen from any and all so that they could be in charge of this world! But, theirs is all based on a lie and this lie is fast crumbling down on their heads!)** Be not fearful of the coming events. **(True!)** Be ever on the ready spiritually. **(And, how are the lost and confused supposed to do this? Or, is everyone supposed to just**

**know, Ms. Clone?)** The Serpent has ruled unjustly and unfairly. **(True!)** The drumming will soon begin. **(Yea, the drumming is going to begin alright. The drumming to pick up all Christians and to kill them. But a greater drumming is also going to begin and this drumming is for the heads and necks of all the evil ones, who have reaped what is not theirs to reap. They have taken what does not belong to them. They have raped and they have pillaged until there is little left and the drumming is for their heads! And, soon enough they will all go into the Lake of Fire where they belong to be! Praise God!** The Great Light will shine. **(This great light is shining now, Ms Clone, but the chip in your brain will not let you see It!)** The Great Spirit will announce, "I shall gather all that are mine." **(Yes, our Lord Jesus Christ will come and HE will gather up all that belong Him. The rest of the snakes, the lizards and the scorpions will not be able to hide in a hole and they will all be burned up by the brightness of His Coming! Praises to our Father in Heaven; for He sent His Son that all might be free, but the Children of The Devil have their heritage and it is in the Lake of Fire or in the Pits of Hell, as our Lord and God sees fit! Praises to His Holy Name; for He is going to clean up this mess down here!)**

With love and blessings, **(Ms Clone, too bad for you. You are incapable of knowing either!)**

White Buffalo Calf Woman

And, so it goes Dear Ones! The world is full of illusion. It is full of lies and even the elect stand to be deceived. This message from the faker is but one instance of the kind of deception that we must all endure! Be the wiser! The following is a message to me, the real White Buffalo Calf Woman, the one whom our Father in Heaven has appointed!

## WHITE BUFFALO CALF WOMAN

"My Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, I am going to tell you something about White Buffalo Calf Woman and you shall soon know why the evil ones hate you so, why they fear you, and why they have tried to kill you

over and over. You will understand, My Little One, why they have stolen from you over and over so that you would not have the means to do many things in this world. I will show you why the evil ones are full of rage against you and why they are full of envy and jealousy. I will show you why they try to bury these works any way they can and why they watch your every move and listen to your every conversation. Yes, My Child, I shall show you this and then you and others the world over will understand who White Buffalo Calf Woman is and what I am about to do through you, My Child, through White Buffalo Calf Woman.

My Little One, I have carved you out of the stars and I have bathed you in the wind of My Spirit. I have molded and shaped you in the fires of destiny and I have burned My will in you with the hardness of a diamond and with the brilliance thereof. I have made you like the ocean waves and I have put within you the peace of the morning sun. Yes, these things and more I have put into you, My Child, that when the time was right, all these things would be known, that they would all be manifest. My Little One, you are as old as the hills and I have put in you My wisdom, which is wiser and ever superior to any of the stealth and cunning of the serpent.

In this life, My Little One, you have suffered much. You have endured the ridicule and mockery of you own family members and the hatred of those, who call themselves My prophets, but are not. You have born the persecution of the so-called Christians, the blind, who are leading the blind. You have suffered beneath the mocking and scorning, the persecution, the murderous rampages, the rapes and the torture of the Satanists, and My Little One, you have born it well. In your silence, you have wept alone, but when you were lonely and weak and full of sorrow and had no one to comfort you, I sent My angels and I made your journey light.

Your road has been full of thorns and boulders and pebbles and you have walked barefoot across these, and alone in your silence, you have trekked the desert of despair. For, what I have given you, My Little One, has been a journey. It has been cut out and molded especially for you and you, My Child, have been called, even before the foundations of this Earth, and you have been prepared and molded for this day and hour, for this very time. Yes, My Child, this is your destiny; for you were indeed

 From The Mountain Prophecies Copyright 2004

predestined to be in the Earth at this time and to serve Me and to walk before Me as White Buffalo Calf Woman.

There are many, who will come forth and claim to be White Buffalo Calf Woman. Yes, My Child, the evil ones have many White Buffalo Calf Women clones and they continue to fine-tune them to get the best replica of you, but know one thing, My Little One. This is laughable and in due season I shall not only destroy all clones, I shall destroy all, who had any part in the cloning of you, or anyone else.

Yes, My Child, the world is full of madness and it is full of trickery; but My work shall go forth and it shall not be stopped. The work of White Buffalo Calf Woman, My work through you, My Child, shall go forth and it shall not be stopped. For, I have created you, My Child, and here in this Earth at this time I have put you through great tests. I have put you though great trials and you have passed them all. Now, My Little One, greater things await you.

The nature of this work, My Child, you cannot comprehend; for you shall attempt to understand it with a human mind; but you cannot, for this work is supernatural. It is divine and cannot be processed by the closed nature of human thinking.

Yes, My Child, soon you and a few others shall be given supernatural bodies. As you have asked for this, it is at hand. This is the very first round of any in the whole Earth, who will receive such bodies and it is because the work of these few demands this at this time. This is near, Little One, and the evil ones dread this day.

Oh, they thought that if they raped you, this would defile you and then you would not be worthy. They were so certain that if the raping did not destroy your spirit, that the multiple plagues that they injected in you, would. Yes, they injected you low on the hips, believing that none would notice when you were found dead. And, with your husband out of town for a week, they had their mortuary stooges on hand to certify your death as that of natural causes. Yes, they were so certain that you would be dead that they rushed forward with their own cloned White Buffalo Calf Woman, who is now giving advice to the world. But, My Little One, as usual they are wrong again. So, it is

now befitting, My Little One, that I am sending spirits of insanity upon the clones and the cloners."

"Praise You, Father!" (Let it be noted that on Monday, the 24th of May, the day following this attempted murder multiple rapes, President of Vice, Richard Cheney, was in Little Rock, Arkansas to pick up my dead body! This truth has been revealed to me this very day since our Father gave this message.)

"Yes, My Child, they gave it their best shot to get rid of you before you would get a supernatural body, but all their deadly injections only turned to water once they hit your body and the defiling of your body by the rapists did not defile you. This heinous thing only defiled them. Yes, My Child, they are defiled and sentenced to some of the worst and most agonizing kinds of deaths and tortures imaginable!

While they mock and scorn you and celebrate what they have done, it is you, My Child, who will get the last chuckle. For, what has been done by them shall be a final nail into their coffins."

"Praises to Your Holy Name, Father!"

"And, you, My Child, shall now be empowered in such a way that you could not conceive of it even in your wildest imaginings! For, now, My Little One, the full power of White Buffalo Calf Woman is about to be given to you! You shall soon take these reigns and like an angel upon the wind, you shall ride, My Child! With coals of fire upon your feet, you shall walk upon your enemies. And, with love, My great love in your heart, My Little One, you shall heal the sick and you shall raise the dead! You shall manifest provisions and you shall bring the miraculous to the sick, the lonely, the addicted, the lost, the dying, the weak, and the hurting.

Your face shall be seen in the clouds among the oppressed and they shall hear My song of comfort as it flows from your lips. In a flash, you shall appear among the needy and the lost and in a flash you shall be gone. All over the world, the weak and

 From The Mountain Prophecies Copyright 2004

the hurting shall know White Buffalo Calf Woman; for you shall ride upon the wind and the waves shall be beneath your feet.

For, you, My Child, shall go forth with My great power in you, the power of thousands of dimensions and you shall be a continual thorn in the side of Satan, Lucifer, the devil! With the fire of your feet, you shall burn them to ashes and you shall walk over their dead bodies! Out of your mouth shall come a sharp sword, which will cut them to shreds. This sharp sword shall lay waste to their kingdom and to their best-laid plans.

It is you, My Child, who will help to unite My people the world over. I will send you to the lost of every sick tribe and you will minister to them the world over. They will see you in their midst and then you will be gone, but they will k now that you are the White Buffalo Calf Woman; for they will see you on a White Buffalo, sometimes with My Son and at other times alone.

You will come quickly and you will leave quickly, but your message will always be the same: 'Love your Father in Heaven, Jehovah, Most High God. Love His Beautiful Son, Jesus, who is Savior of all of mankind and love one another; for the end is near and you must cease to lie. You must cease to steal. You must stop your greedy and covetous ways. You must submit to the Creator of All and you must put Him first. If you will not repent of your gross fornications, if you will not repent of your murders, and if you will not come away from your witchcraft and return to the Creator of All, you will descend into the fiery pits and there you will be for a very long time. Arise from your slumber! Arise from your sleep and submit yourselves to the Savior of all of humanity, Jesus, who is also known as Yeshua and Yahshua, among other names. You must cease the anger. You must cease the jealousy. You must cease the retaliation, and you must forgive that you may be forgiven. You must love even your enemies, that you will also be loved! Do not continue to waste your life force in hate and rebellion; for this is a cancer upon you. This very thing will destroy your soul. You must love one another. You must forgive one another and you must sow kindness; for as you sow, you also reap'

And, these things and more you will say to them, My Child, and you will bring great miracles into their midst. You will have 360-degree vision, for you will have 360-degree DNA and the evil ones will hate you all the more and they will devise many plots to snare you and to kill you. But, you will not die at their hands, for this I have promised. And, you will not visit their concentration camps and their jails. This, I have also promised!

Nevertheless, My Child, they will hate you with a great hate day by day and they will devise many schemes against you; but have no fear and have no concern, for just as I saved Daniel, I will continue to save you! And, just as I saved Elijah, I will save you! So, be at peace, My Little One, for My mighty work for you is now at hand.

And for those, who long to hear from Me through you, I will allow for posts a while longer, but there will not be more books, only additional posts, which will be kept nonetheless in sequence and these will be called, 'The Adventures of White Buffalo Calf Woman.' These, you will add, My Child. Some will be messages from Me and My Son and some will involve the awesome things that you do, if and when I allow you to see these things and to know them. For many things you will do and your conscious memory will not know of these things; for this is the nature of the multidimensional work, which is at hand for you.

Many will see you and you will visit and speak to many, but not at your command, at My command; and great miracles shall follow you everywhere you go. The old and infirmed, the demon-possessed and the drug-addicted, among others, shall even be healed, delivered, and set free by your passing. For, what was upon Peter and what was upon My Son in this way, will soon be upon you.

This is My love for you, My Child, and this is My love for My people. For, one prayer that you pray over and over and over again is for the salvation of the greatest numbers of souls, and because you have prayed for this for so long, it shall truly come about through you.

 From The Mountain Prophecies Copyright 2004

So, go My Child, and be at peace. Worry not for tomorrow, for tomorrow is full of My awesome miracles for you and for many, many the world over. And the evil ones will quake in their shoes because of what is coming upon them because of My work through you, but this is how it was intended from the beginning. I am your Father in Heaven, yea Jehovah, Most High God and these words, My Child, are the very last words of Book Ten."

## END OF FROM THE MOUNTAIN PROPHECIES BOOK TEN

# CHAPTER ONE - PART I

## "The Coming of our Saviour and the Great Rapture Lie!"

For many millennia, our Lord and God has warned us about the subtle and deceptive Luciferian tricks and schemes of illusion; but most do not take seriously these warnings as they believe that they are able to withstand, outsmart, or outmaneuver Satan and his evil followers. This is absolute fantasy! Save we know our Saviour and have His Beautiful Spirit and the power of God in our lives, we are all hopelessly captive to Lucifer and his evil hoards!

The great war is on! And, humanity is facing Star Wars scenarios all over the world, but not in television or movies. We are all facing Star Wars scenarios in our own homes; and I CANNOT POSSIBLY STRESS THIS LOUDLY ENOUGH!! The people of the world are totally unprepared for the Luciferian war, which is at hand, and even the most spiritually strong individuals are basically without a clue as to what we are about to deal with; for our Lord and God has warned us that there "there shall be a time of trouble, such as never was since there was a nation even to that same time …" Daniel 12:1.

### "The Great Rapture Lie"

Will those in the churches be "raptured" out and not have to face what is at hand? Why do the lying preachers and the false prophets, choose to ignore the following Scriptures, to the detriment of the people, who are in their care? They preach the "rapture" lie, and they are leading their congregations down a primrose path of deception. They are preparing them for the Great Falling Away and they will pay a terrible price for deceiving the Children of the Most High!

Dear Ones, you are well-advised to read on, as you must awaken to the reality of what we are now facing in this dark, dark world! Do not rush through these scriptures. Read them slowly and take time to digest them! Study these words and get them in your

 From The Mountain Prophecies Copyright 2005

heart and in your spirit. Then, you will know why the "rapture" is a lie and why you must flee from such nonsense!

### THE FIRST BEAST

Rev. 13:7-10 And it was given unto him to MAKE WAR WITH THE SAINTS, and to OVERCOME THEM: and power was given him over ALL KINDREDS, AND TONGUES AND NATIONS. And ALL THAT DWELL UPON THE EARTH SHALL WORSHIP HIM, WHOSE NAMES ARE NOT WRITTEN IN THE BOOK OF LIFE OF THE LAMB slain from the foundation of the world. If any man have an ear, let him hear. He that leadeth into captivity shall go into captivity: he that killeth with the sword, must be killed with the sword. Here is the patience and faith of the saints.

Please note that I have capitalized and emboldened certain words for your own understanding; and I have done so that you might not be deceived, for many are teaching another doctrine. Read these words carefully! This first beast MAKES WAR WITH THE SAINTS AND HE OVERCOMES THEM! HE DEFEATS THEM! HE HAS POWER OVER ALL PEOPLE, THE WORLD OVER! ALL WILL WORSHIP HIM, IF THEIR NAMES ARE NOT WRITTEN IN THE BOOK OF LIFE OF THE LAMB! Through these great travails, you will have to wait upon our Lord and God to help you and to carry you through the great tests and trials that you face. The immediate gratification, which so many of us have learned in this fast food world, will be done away with as we learn the patience of waiting upon and trusting in our Lord and God.

### So, who is raptured out?

Do we read in the above Scriptures that any are raptured out? Many in the churches obviously believe that they are BETTER THAN THE SAINTS OF GOD? Many of the Saints of God will be persecuted and killed but those in the churches will be raptured out! Does this make any sense to you?

### We are in the midst of the Antichrist War!

Dear and Beloved Ones, I have been a victim of this antichrist war, which is being waged against the Children of God, for years; and this is a war, which is straight out of

hell! You cannot win in this war, save you have the testimony of Jesus Christ and great faith in our Father in Heaven. You will fail every time and you will be deceived over and over again if you do not have a strong spiritual foundation, which is built upon love, obedience and honor toward our Father in Heaven and toward His Wonderful Son! Dear Ones, you must understand that when you are on the right path, Satan will make war with you; and right now he is busy making war with those, who really love and serve our Lord and God in truth, honor and Spirit!

**Study the Book of Daniel!**

In the Book of Daniel, we are told that the antichrist overcomes and defeats the saints of God! Dear Ones, we shall now take note of some verses in the Book of Daniel:

Daniel 7:21-22 I beheld, and the same horn MADE WAR WITH THE SAINTS, and PREVAILED AGAINST THEM; until the Ancient of Days came, and judgement was given to the saints of the Most High; and the time came that the saints possessed the Kingdom.

Look at this scripture! Satan wins in his war against the Children of God until our Saviour returns! Now, take careful note of what comes next! He wins in this war up to the time that judgement is given to the saints, AND he wins in this war up until the time that the saints possess the Kingdom of God! So, Dear Ones, be wise! Look at the war, which is facing all of mankind! We are in the midst of this Great War and the masses are following after the false prophets and the scheming preachers, who are leading them right into hell! The Great War is on, but the leaders of the people are telling them not to be concerned as they will not have to go into battle. So, the enemy is within and has taken over! The Gates have been torn down and the enemy is treading down the people, who still do not believe that they will ever have to face a war! The blind, the deaf, the dumb, the ignorant and lazy sleep on!

**So, who has been raptured out? Read on …**

Daniel 7:25 And he shall speak great words AGAINST THE MOST HIGH, and SHALL WEAR OUT THE SAINTS OF THE MOST HIGH …

 From The Mountain Prophecies Copyright 2005

Look at this Scripture! The Evil One wages such a continual war against the few, who are faithful and on target, that he wears them out! The Evil One wages such a sustained war against the faithful day after day, that they become very tired. They become worn out with the constant war, as there is no let-up in this war! These precious few begin to become weakened spiritually and physically and they are heavy-laded with the burdens of war, war and more war! Satan wages such a great war against them, that they can hardly go on, for this is a constant and sustained war and there are few, who befriend these, who are the true saints of God!

**What I know about this war!**

I will give you an example of this war against me and against these works. The evil ones have stalked me via assassins, who travel out of body. They did not win in this, so they put their evil ones in antigravity machines, who have abducted me many, many times via their antigravity machines. For two solid years, they have monitored me via their antigravity machines and they are in the skies around me night and day. These same ones have directed audible frequencies at me for almost 5 ½ years. They have sent stalkers, who have tried to kill me and they have tried to break in the house. These evil ones have kidnapped me and raped me and have injected me with all manner of terrible things, but still I am alive, and this is only because of the love and grace of My Lord and God! They have sent microwaves through the telephone for about three or four years and continue to do so. And, in so doing, they have continually burned my face and head, causing me to have terrible headaches. They have sabotaged my mail and e-mails and they have spied on me every way that they can, but Dear Ones, in spite of all of this, I can only say that I am delighted to suffer persecution for the love of my Lord and God. Praises to His Holy Name!

These are the kinds of things that they do to the true believers, who really love and serve our Lord and God. And, Dear Ones, these are but a few of the assaults that I have suffered because of this work! But, still I continue to serve our Lord and God, and I absolutely delight in this opportunity to do the wonderful will of our Beautiful Lord and God! Praises to His Holy Name! But, I can tell you Dear Ones, that from time to time, I become very tired and if it were not for the love and grace and the refreshing that our Lord and God gives to me, I could not go on!

**The People are full of sin and rebellion all over the world!**

Daniel 8: 23-25 And, in the latter time of their kingdom, WHEN THE TRANSGRESSORS ARE COME TO THE FULL, a king of fierce countenance, and understanding dark sentences, shall stand up. And, his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practice, and shall DESTROY THE MIGHTY AND HOLY PEOPLE. And, through his policy also he shall cause craft (witchcraft) to prosper in his hand; and he shall magnify himself in his heart, and BY PEACE SHALL DESTROY MANY. He SHALL ALSO STAND UP AGAINST THE PRINCE OF PRINCES, BUT HE SHALL BE BROKEN OUT OF HAND.

Dear Ones, these are the latter days! And, the people in this land and all over the world are absolutely full of every kind of wicked device! They are full of rebellion and darkness. The true remnant is scattered and the churches are rotten to the core. This is the time, the time when the transgressors are come to the full! Look around and see for yourself! Soon, the Antichrist will appear, and he will destroy the mighty and holy people!

Daniel 11: 32-36 And such as do wickedly against the covenant shall he (the antichrist) corrupt by flatteries: BUT THE PEOPLE THAT KNOW THEIR GOD SHALL BE STRONG AND DO EXPLOITS. AND, THEY THAT UNDERSTAND AMONG THE PEOPLE SHALL INSTRUCT MANY, YET THEY SHALL FALL BY THE SWORD, AND BY FLAME, BY CAPTIVITY, AND BY SPOIL MANY DAYS. Now, WHEN THEY FALL, THEY SHALL BE HELPED WITH A LITTLE HELP: BUT MANY SHALL CLEAVE TO THEM WITH FLATTERIES. AND SOME OF THEM OF UNDERSTANDING SHALL FALL, TO TRY THEM, AND TO PURGE THEM AND TO MAKE THEM WHITE, even to the time of the end, because it is yet for a time appointed. And, the king shall do according to his will, and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished, for that that is determined shall be done.

Dear Ones, go back and read the above paragraph again. Look at the beautiful works of God that the Saints do, but see what they must go through! And, these things they must endure, even until the THE TIME OF THE END!!!

 From The Mountain Prophecies Copyright 2005

You have read all of these scriptures and I ask you again, “Who has been raptured out!” The Works of the Antichrist!

Dear Ones, when you read on in Daniel, Chapter eleven, you will read how this evil King honors the god of forces and gives glory to the god of forces. The evil antichrist will divide the land for his own purposes. He will make war with and overcome many, but a King of the South will rise up against him and fight him! But, this antichrist shall have power over money supplies! Still, forces in the East trouble him, and he shall plant his tabernacle in Jerusalem! We must look and watch for all of these things!

**Trouble as the world has never seen!**

Now, read on in these same verses and note what is going on when our Saviour returns to take away the faithful, the Tried and True, the Remnant: “And, AT THAT TIME, MICHAEL, THE ARCHANGEL, SHALL STAND UP, THE GREAT PRINCE, WHICH STANDETH FOR THE CHILDREN OF THY PEOPLE, AND THERE SHALL BE A TIME OF TROUBLE, SUCH AS NEVER WAS SINCE THERE WAS A NATION, EVEN TO THAT SAME TIME, AND AT THAT TIME THY PEOPLE SHALL BE DELIVERED, EVERY ONE THAT SHALL BE FOUND WRITTEN IN THE BOOK. (Daniel 12:1)

Read this Scripture again! And, again, and again! Our Saviour returns to deliver His People when there is war and oppression against the people on this planet, which is so severe, that in all the history of the Earth, there has NEVER BEEN ANYTHING LIKE IT! Dear Ones, have you seen this war yet? Have you seen the Antichrist yet? Have you seen his feet planted in Jerusalem yet? No, but if you are vigilant, you will see that this evil beast system is well in place and that the true servants of the Most High are under great persecution!

**The Great War has begun!**

Now, Dear Ones, you have read all of these scriptures, and no one has been raptured out in any of these scriptures! And, we still have more scriptures to read! For, we have not even spoken of the second beast, who gives honor to the first beast, and makes the people take a mark! Read on and get wise!

## The Second Beast

### Nazi Germany is Ruling the World

Rev. 13:11 And, I beheld another beast coming up out of the earth, and HE HAD TWO HORNS LIKE A LAMB, AND HE SPAKE AS A DRAGON.

So, the second beast arises and as he appears to be a LAMB, A CHILD OF GOD, and he deceives many, for he truly has the appearance of a lamb, of a Christian; but he does the works of evil.

Rev. 13:12-18 And, he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein, to worship the first beast, whose deadly wound was healed. And, he doeth great wonders, so that he maketh fire come down from heaven on the earth in sight of men, And deceiveth them that dwell on the earth, by the means of those miracles which he had power to do in the sight of the beast, saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. And, he had power to give life unto the image of the beast, that the image should speak, and cause that as many as would not worship the image of the beast SHOULD BE KILLED.

And, he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads, And that NO MAN MIGHT BUY OR SELL, SAVE THAT HE HAD THE MARK, OR THE NAME OF THE BEAST, OR THE NUMBER OF HIS NAME. Here is wisdom. Let him that hath understanding count the number of the beast; for it is the number of man; and his number is Six hundred three score and six.

### Nazi Germany is Ruling! It Only Went Underground!

Dear Ones, much has been written about these scriptures and many wonder about the first beast, whose deadly wound was healed. Some seem to think that this first beast is Nazi Germany. We know that the Nazis never went anywhere, but underground, where they have continued on with their evil mind control and terrible killing sprees all over the world. The true Nazis, such as the Bushes, have paraded as Christians, all to fool the people, while their satanic art of mind control and killing has gone on unhindered!

 From The Mountain Prophecies Copyright 2005

We know that Nazi Germany suffered a deadly wound when it was forcibly divided into two parts and it was stripped of all of its power. And, we also know that this wound was healed when the wall, which separated East Germany from West Germany was brought down and the people of Germany were once again reunited. So, we see how this deadly wound was healed, but as this first beast has power over all people, the world over, we are certainly about to see a very great rise in Nazi Germany, a second time, which will give this beast system power over the whole world?

We can clearly see that this beast system was crippled; but in darkness, it has risen to new and greater heights. Hitler lusted after the Satanic New World Order, but it was not yet time! He wanted the New World Order and openly talked of it! The Bushes, who helped put Hitler into power, and their Satanic allies, have kept this Nazi system alive and well, in covert and dark ways! George H.W. Bush publicly mentioned the New World over 200 times when he was president! Now, many of the elitist Nazis, even in the Congress and Senate of the USA, openly speak of the New World Order, the One World Government, the world-wide Nazi police state.

While the masses have slept on, these evil ones have slowly taken the world captive and the New World Order is here and now! It will not be stopped until the indignation is accomplished as we see in Daniel Chapter 11. So, the rising of this evil Nazi police state is our Father's judgement and will go on until such time that He determines that it is finished. But, it would not be, if the people were not ripe with iniquity!

You can also read about the rise in Nazi Germany in the prophetic visions of Book I of From the Mountain Prophecies. You must take note as well, for now there is a very evil German Pope, who is parading as good! Wake up; for Nazi Germany is ruling the world!

So, Dear Ones, even at this point, we are now well into the Antichrist war against all of humanity, and who has been "raptured" out?

**Because they loved a lie!**

Why do so many hang onto this rapture lie? Truly, the masses have wanted to believe lies and our Father in Heaven has given them an even bigger lie! This lie is certainly

punishment from our Father in Heaven! Because they loved not the truth, our Father in Heaven has certainly closed the eyes and ears of the lying preachers, the false prophets and of every person, who chases after them. Truly, this lie is a curse of God upon the rebellious House of Israel!

## CHAPTER ONE - PART II

### How will you stand against this evil system?

In view of this great persecution against those, who love our Lord and God, how do any of God's true servants survive at all? In Revelation 12:11, we are told, "AND THEY OVERCAME HIM BY THE BLOOD OF THE LAMB, AND BY THE WORD OF THEIR TESTIMONY AND THEY LOVED NOT THEIR LIVES UNTO DEATH!" (Read this again and get it in your heart and in your spirit!)

#### Jesus Christ is Saviour of Humanity!

#### What does it mean to overcome the Antichrist by Blood of the Lamb?

Dear Ones, our Beloved Saviour, Jesus Christ, was sent by our Beloved Father in Heaven, to set the captives free! He was sent to heal the sick, to give sight to the blind, to open the ears of the deaf, to heal the lame and even to raise the dead! He was sent to bring every kind of miracle into the Earth, but most importantly He was sent as the Ultimate Sacrifice for all of Humanity. Our Wonderful Father in Heaven sent His Only Son to set us free, from henceforth and forevermore from the clutches of Satan, Lucifer, the Devil.

If He had not intervened and if He had not sent His Son to be the Ultimate Sacrifice for us, we would not and could not have been set free from the controls of Satan! But, He did send Him and His Son came and showed us the Way home. He showed us the truth about many things; and through His Beautiful Spirit, He gave us Life more abundant!

 From The Mountain Prophecies Copyright 2005

Through his death upon the cross and subsequent resurrection, our Saviour showed us that He has overcome the curse of death, both spiritual and physical for all of humanity. Through the blood of the Lamb, we can all be free! But, Dear Ones, it is useless to profess with our mouths that we want to be free if we continue to choose in the lusts and traps of the world! We must take a stand for what is right, obey our Father's commands, and come away from this worldly system! But, in all things, we are given this free choice! And, herein is the dilemma! Too many believe that they can do as they please, confess a belief in Jesus Christ and then go on to receive Eternal Life. Many of the preachers teach another lie, "Once saved, always saved," and they will also have to answer to our Lord and God for carrying many to hell with this bold-faced lie!

During these dark and terrible years, which we are now living in and which we still face, each of us will constantly choose the Way of Jesus Christ, the Beautiful Way of Truth and Life, the Straight and Narrow, or we will continue to choose the way of Lucifer, with all of its lies and deceptions. Each of us will constantly find ourselves in situations, which will try us in our areas of weaknesses! Our continued choices for the good or bad will reveal who we are and who we really follow! These difficult times will TEST OUR PATIENCE AND OUR FAITH!

### The Tests of Patience and Faith!

It is easy for anyone to say that he or she is a Christian, but the real tests of faith come when we are each persecuted for our faith. It is during these times of persecution that we see how spiritually strong we really are. At these times, we see how great our love for God is and just how much we love this world and what is in it. It is during these times, that we see our weaknesses magnified many times and we see just how far we have to go to let go and get sold out to our Lord and God.

Yes, it is easy to call one's self a Christian, but when persecution comes because of one's faith, then one will know just how deep this faith runs. But, Dear Ones, it is only because of tests and trials in our faith, that we come to know the power of faith and that our very faith sees us through the trials and into the miracles. We come to understand that our Father must try and test those, whom he loves, to see if we are in fact ready and worthy for greater works and if we are ready to bear more of His power

and more of His Spirit; for He sees and He knows all and because of this, He knows our weaknesses and where we will fail when times get rough.

Remember that the Apostles were told to give up all material possessions and to go out with only the clothes on their backs. They were sent out to walk in faith, trusting our Lord and God for all their needs. Are you ready to give up all, if necessary, for the love of our Lord and God, even your very life?

Get ready, for the time is at hand, when many will either do so willingly, and/or be ready to do what is necessary for love of our Lord and God, or they will willingly go and take the mark of the beast, just so that they can have a piece of bread! Remember Solomon's words! Proverbs 28:21 "To have respect of persons is not good: for for a piece of bread that man will transgress!" How many will sell their souls for a piece of bread? What will you do when the trial comes? Will you wait upon the Lord and believe for His provisions, or will you do what seems expedient at the time?

**Great is the Betrayal of So-called Friends and Family!**

Dear Ones, I have seen so-called friends jump ship and run to the side of the enemy over and over again because they found some sort of personal gain in doing so! I have seen so-called friends, who have seen the miracles and the healings, which our Lord and God has given to them, stand up and deny the miracles and the healings that they had personally experienced and witnessed! I have seen people sell out these works and sell me out for money and status! I have seen these so-called friends rise up, take the side of the enemy, and throw stones at me and at these works over and over again, ganging up like wolves to devour and destroy me and these works, for some sort of attention or personal gain! I have seen these so-called friends attest to the truths in these works and then turn around and deny what they had said, calling them instead lies and deception. I have seen these so-called friends deny the Spirit of God and call it cursed just because they were among others, who did so! Over and over again, I have seen these so-called friends climb on my back and persecute me, just so that they could elevate themselves and draw others to their own perverted works. I have seen family members turn against me and persecute me because they hate these works! Dear Ones, I have seen these things and more as I have seen people do what was

 From The Mountain Prophecies Copyright 2005

expedient at the time! What will you do when you are faced with persecution or rejection of our Lord and God and His true servants? Will you stand firm and do what is right, or will you go along to get along? Remember the words of Daniel: "And, some of them of understanding shall fall, to try them, and to purge them, and to make them white…"

### Your Spiritual Foundation

### You are either sold out to our Lord and God, or you are sold out to Lucifer!

Remember that you are building your spiritual foundation from moment to moment each and every day in the choices that you make! If you will not get your priorities straight right now and get sold out to our Lord and God, you will sell out to Lucifer! In the end, you are either sold out to one, or you are sold out to the other.

### What will you do?

### Look at the following and answer them truthfully!

When persecution comes your way because of your love for our Lord and God, will you jump ship?

Will you shun His true servants, who are suffering, because you, too, might get persecuted?

When you are faced with death because you are a Christian, will you confess our Saviour's Name, or will you deny that you know him?

(Rev.3:8 I know thy works: behold I have set before thee an open door, and no man can shut it: for thou hast a little strength, and hast kept My word and has not denied My name.)

Do not put off repentance!

Assess your life situation now!

Dear Ones, do you love this world and what is in it?

Are you an addict of any kind?

Are you obsessed with getting more and more things of this world?

Are you a shopoholic?

Are you a night club fiend, or gambler of any kind?

Are you hopelessly hooked on television or movies?

Are you hooked on sex or porn?

Are you a drinker, or smoker?

Do you constantly lust after things, which belong to others?

Are you a gossipmonger, hatemonger, or a liar?

Are you an adulterer, or a fornicator?

Have you taken secret oaths?

Are you a member of a secret organization?

Do you curse the name of God?

Do you love your earthly Father and Mother, and do you respect them?

Do you say that you love our Father in Heaven, but seldom pray and seldom read the Bible?

 From The Mountain Prophecies Copyright 2005

Are you full of pride and rebebellion, living life as you please, and ignoring the commandments of God?

Do you study astrology, and consult mediums and partake of witchcraft and see nothing wrong with it?

Do you know our Saviour personally and do you have His Beautiful Spirit as your friend? Answer these questions as truthfully as you can and you will see where you need to repent in your life. And, this is only a partial list. You will add more things that you need to repent of as you truthfully survey your own life!

**We are all Sinners!**

Dear Ones, there is NOT ONE AMONG US, WHO IS FREE FROM SIN! We are all sinners and we all fall short in many, many ways. I, myself, have been lost and have been among the biggest of sinners and I know what it is like to be cut off from our Lord and God and from His Beautiful Spirit! And, because I have been so lost, I also know the opposite and this is to be filled with the Spirit of God. I know our Most Wonderful Saviour and I know our Father in Heaven and I can tell you, Dear Ones, that we have a Great God of love, mercy and grace. He loves you, You are Precious to Him, for you are His! He created you and He knows you, whether you know Him or not and He is now calling out to you! He is reaching out to you, as never before; for times are so perilous! He is especially calling out to the lost! The Saints of Heaven are pleading for the souls of the lost and the angels of Heaven are eagerly awaiting the return of the lost souls to our Saviour. How they rejoice when just one lost soul returns to our Lord and God!

Oh, Beloved Ones, if you are caught up in sin and rebellion, please, please hear my heart's prayer for you. Please, stop what you are doing right now, and pray this prayer with me. Beloved Ones, our Precious Lord and God will hear this prayer as you pray it and as it comes from your heart.. You must start somewhere and I beg you to start here, today, right now.

**A Sinner's Prayer!**

Oh, My Beloved Father in Heaven, I come to You today, in the Precious and Beloved Name of our Saviour, the Saviour of all of Humanity, in the Name of Jesus Christ. Father, I acknowledge that You sent Your Only Son into this Earth, and that He is the Saviour of all of Humanity! He is the Lamb of God, who takes away the sins of the world.

Blessed Father, I want Jesus as My Saviour. And at this time, Father, I make this formal plea to Your Son before You! "I ask You, Jesus, to be my Saviour! My Beloved Saviour, I am full of sin and I beg you to forgive me and to wash me in the Blood of the Lamb and to make me clean. I am so sorry, Lord, for breaking the commandments of My Father in Heaven. My heart is heavy and is full of pain and sorrow, for I sinning, even when I do not want to. In so many ways, I am driven to do evil and I cannot help myself at all. My Lord, I am hopelessly a prisoner to Satan, and I deeply want to be free! Oh, Please help me, for if you will not help me, there is no hope! Please, please do not turn a deaf ear to my cries, for I love You and I love My Father in Heaven, but I am weak and hopelessly captive to these sins; and I need You more than I have ever needed You! (Now, confess your sins to Him and beg forgiveness for all!)

Beloved Saviour, I beg You to wash me in the Blood of the Lamb, to bathe me in your Holy Fires, and to cleanse me in every way. Make my slate clean, so that I can now go forward and serve You! For, I am a filthy rag before You and totally unworthy, even to speak Your Name!

Oh, Beloved and Holy One, I beg you to break every yoke, every hold and every bondage of Satan, Lucifer, the devil, off of me and to make me free in every way. I beg You to uproot, to loose, to pluck up and to remove every curse from me and every foul way of behaving that is displeasing to You and to our Father in Heaven! I beg you to bathe me in Your holiness and in Your righteousness and to guide me in the Perfect Will of My Father, who is in Heaven. Make me clean and whole before You, so that I can go forward and serve You and my Father in truth, honor and Spirit.
Oh, Beloved Saviour, I beg You to keep me in the hollow of Your hand from day to day, and to guide me in all things, for I am but a babe and I need You now more than ever!

 From The Mountain Prophecies Copyright 2005

Please, please give me Your Beautiful Spirit right now and start Me on Your Way, Your Holy Way, Your Righteous Way, the Way of Truth and Life!

Oh, My Beloved Lord and God, thank You for hearing this prayer from my heart! Thank you for listening to me, for I am alone and I need You so! I love you and I need you each and every day of my life! In Your Beautiful Name, Beloved Jesus, I pray these things. Amen!

### The Love of God Makes us Free!

Beloved Ones, our journey through this sphere is all about love! When we discard all things, which cloud our vision, we can plainly see that it is truly THE LOVE OF GOD, WHICH INTERWEAVES ALL OF CREATION! This love binds the true believers to one another and to our Wonderful Lord and God. This love sustains us and carries us through and above all that is dark and evil in this world!

### The Return of our Saviour

When our Saviour comes back for us, this beautiful love within us will draw us to Him! For, at that time, we will be full of His love! There will be no darkness in us! Carried away in His love, we are then free! The Gift of Eternal Life is within our grasp and we look back on these trials and tests with gratitude, for then we know well that all has been for the betterment of our souls!

# CHAPTER TWO

## The judgements of our Father in Heaven upon America and His Message of Repentance to the Churches of America and Canada!

## "The Judgements of God are being poured out on America!"

Dear Ones, this land is full of idolatry and rebellion and the great judgements from our Father in Heaven are being poured out in our midst and the blind and the deaf do not even see these terrible judgements or recognize them! Oh, how my heart grieves; for the whole world is full of evil!

### GOD'S JUDGEMENT ON AMERICA!

### The Talking Idol!

For years, our Father in Heaven and our Saviour have warned us about the mind control medium, which is television! But, how many have given it up? Not many, but a few, who are wise and wish to inherit the Kingdom of God! Television is one of the worst addictions in this country! People are drawn to it, like moths to flames and they cannot seem to separate themselves from it. They justify their addictions to television in the most bizarre of ways, but the truth is that they do not know what to do with themselves if they are unable to watch it. When we read about the second beast, who makes the people worship a talking idol, we should stand up and take note in a very serious way. It would be impossible for him to make the whole world worship this talking idol, if the world were not so easily accessible through electronics! But, the world is at the fingertips of everyone through the electronic media, as all distance is quickly done away with all over the world. This beast has made an art of skilfully using the electronic media and will continue to make full use of this electronic media! My Dear Ones, television is a TALKING IDOL!

From what I understand, right now in this country, the most preferred television show is "American Idol." I have never seen it, but most of you certainly have and you have had your chances to vote on your very own idol. Dear Ones, you are being mind-

 From The Mountain Prophecies Copyright 2005

controlled and made ready to worship another very real idol of the antichrist and when the time comes, most will rush out and do it as they have already been given the bait and they have taken it, seeing nothing wrong with it.

Dear Ones, “American Idol” is a deep shame upon this nation, for now the masses openly worship their own talking idol. We are fast headed for the antichrist rule and few can see it coming. Oh, how my heart grieves. A deep sorrow grips my soul, for this is a condemned nation and it will not long stand!

Read what our Father in Heaven tells us about worshipping idols!

Leviticus 19:4 Turn ye not unto idols, nor make to yourselves molten images. I am the Lord your God.

Leviticus 26:1 Ye shall make no idols nor graven image, neither rear you up a standing image of stone in your land, or bow down unto it, for I am the Lord your God.

**The Judgements of God are in our Midst and Few can see them!**

When we read Leviticus chapter 26, this is what our Father says that HE WILL DO TO A REBELLIOUS PEOPLE, WHO REJECT HIS COMMANDMENTS. Many wish to discount the messages, which our Father in Heaven gave to us in the wilderness. They choose to read the so-called “New Testament” and discard all the previous prophetic messages. This is a very great mistake! If you have not read the following, it is time for you to read these passages and to awaken to these very judgements in this nation, for we are headed for a crisis of unimaginable proportions! Read these words from our Father and take them to heart, for you need this understanding.

Our Father warns the rebellious ones that he will execute the following judgements if they will not obey Him!

He will appoint terror over this people, consumption and burning ague, which will consume the eyes, and cause sorrow of heart, and you shall sow your seed in vain, for your enemies shall eat it.

(My comment: He has already appointed the terror, an antichrist government, which is governed by Satanists. They have devised many plots of terror, in this country, and all over the world. The skies are full of poisons, which are causing many to be ill. These poisons are put there by the Satanists, who run this government and this world! Will our enemies soon eat up the food supply in America, while we starve?)

He will: set His face against this people, and you shall be slain before your enemies: they that hate you shall reign over you; and you shall flee when none pursue you.

(My comment: He has already appointed rulers over us, who hate us. This nation is being run by Satanists, who have destroyed this nation as we have known it to be! They hate all Christians and plan to kill every one! These evil ones have robbed this nation and they have pillaged it until little is left. They have set up a fake monetary system, which is based on thin air and they have carted away trillions of dollars and assets from America to heathen nations. Many, many in America and elsewhere are falling victim to panic attacks! Many are truly afraid when none pursue them! Soon, we will see the ravages of war in this land!)

He will: then punish you seven times more for your sins if you fail to repent at this point.

(My comment: The punishments are becoming more and more severe, yet few see that the punishments are upon us! The Truthbearers are being punished severely and tortured via covert weaponry and technology, which cannot be traced! Day by day, the punishments are great for those, who speak out, and try to warn the people. The avenues of truth are being dried up as the people do not want truth!)

He will break the pride of your power; and make your heaven as iron and your earth as brass.

(My comment: The pride of the power of this nation, the military, is being steadily broken! Our armed forces are being deliberately destroyed through needless wars and deadly inoculations! More and more bases are being closed as the military of this

 From The Mountain Prophecies Copyright 2005

nation is being downsized! The young people are graduating all over this nation and many cannot read and write. They have been the promise of tomorrow for this nation, but now they are corrupted by perverse sex and violence! America as we know it, has no future, save destruction! Life is becoming increasingly hard for people all over this world!)

He will: cause your strength to be spent in vain, and your land shall not yield her increase, neither shall the trees of the land yield her fruits. And, if you still will not repent, He will: bring seven times more plagues upon you according to your sins.

(My comment: Look at the situation in America and around the world. Year after year, more and more plagues are being released into the Earth. Deadly things, like Ebola, bird flu, and so on. Many are now dying from these plagues, which circle the globe, but still few see the truth of what is happening and few repent!)

He will: send wild beasts among you, which shall rob you of your children and destroy your cattle, and make you few in number, and your high ways shall be desolate.

(My Comment: Just about one week ago, I heard that the wild hogs are destroying the crops in Texas! This is apparently a very big problem! The coyotes are also coming into towns and we are even hearing more and more tales of cougars roaming around in cities and attacking people! )

He will: then punish you seven times more for your sins if you will not repent.

He will: bring a sword upon you, that shall avenge the quarrel of His Covenant: and when you are gathered together within your cities, He will send the pestilence among you; and you shall be delivered into the hand of the enemy.

(My Comment: America has become a police state and few even notice! But, if you go outside of the country, you will notice! As I have travelled from country to country, I have never witnessed people being treated as they are when they enter America! In Amsterdam, I was singled out and subjected to much questioning because I was

travelling alone! And, when I asked the man why he was asking all these things, He said, “YOU ARE GOING TO THE UNITED STATES OF AMERICA!” You know, Dear Ones, the great nation that he was speaking of, the land of the FREE! But, even so, all of this is judgement from our Father in Heaven and most are absolutely asleep to it!)

He will: break the staff of your bread and ten woman shall bake your bread in one oven and they shall deliver you your bread again by weight and you shall eat and not be satisfied.

(My Comment: FAMINE IS HEADED FOR AMERICA! Our Father has warned of this in a recent message to me!)

He will: also send unto you fury and will chastise you seven times for your sins and you shall eat the flesh of your sons, and the flesh of your daughters.

(My comment: When war and famine come to this land, some will become cannibals!)

He will: destroy your high places, and cut down your images, and cast your carcasses upon the carcasses of your idols and his soul shall abhor you.

(My Comment: In visions past, I have seen the heaps of dead bodies in various parts of the USA. The prophet David Terrell has also seen similar visions!)

He will: make your cities waste, and bring your sanctuaries unto desolation, and he will not smell the savor of your sweet odors.

(My Comment: This shall come to pass! I have seen the terrible destruction of America in visions and many others have also seen the destruction of the USA in visions. Our Father in Heaven has told me via these writings and he has spoken the same kinds of things through the mouths of other of his prophets. When this destruction comes, He will be slow to hear the cries of those, who turned their backs on Him when they had plenty, but when they lost it all, came begging!)

 From The Mountain Prophecies Copyright 2005

He will bring the land unto desolation: and your enemies which dwell therein shall be astonished.

(My Comments: Yes, this land will soon be destroyed and our enemies, who have taken refuge here, will be utterly astonished!)

He will: scatter you among the heathen, and will draw out a sword after you: and your land shall be desolate, and your cities waste.

(My Comment: This is coming! In visions, I have seen this land destroyed through great wars, great death, terrible storms, tidal waves and earthquakes. Few remain after all of this happens and in visions, I have seen many taken captive and carried away as slaves!)

He will: then send upon them that are left alive a faintness of heart in the land of their enemies; and the sound of the shaken leaf shall chase them and they shall flee, as fleeing from a sword, when none chase them. And they shall fall upon one another, as it were before a sword, when none pursue them and you shall have no power to stand before your enemies. Then, you shall perish among the heathen, and the land of your enemies shall eat you up. And, they that are left, of you shall pine away in their iniquity in your enemies' lands; and also in the iniquities of their fathers, shall they pine away.

(My Comment: This is the ultimate state for the nations, which have been founded by our Father in Heaven, who have been blessed, and then turn their backs on Him and on their blessings! This is a recurrent theme, all through the Bible and this is now at hand once more! Beware of the false prophets, who give you flowery messages, but fail to tell you the truth. Beware of those, who do not warn you of these terrible times, which are at hand!)

**Our Father in Heaven goes on to tell us!**

And, If they will humble themselves and accept the punishment of their iniquity, He will hear their cries, for HE HAS MADE A COVENANT OF LOVE WITH HIS PEOPLE.

(My Comment: For above all, our Father in Heaven is a Great and Loving God, but He must punish the nations of His People, who wallow in filth and defile themselves with every whore that comes along! He always punishes those, whom He loves and He will forgive those, who repent and seek His forgiveness! For, He has made a covenant of love with us and He MUST PUNISH US FOR OUR REBELLION TO KEEP US FROM UTTERLY DESTROYING OURSELVES! For, truly He loves us and He has promised us the gift of eternal life, but this gift will go only to the truly deserving!)

## A MESSAGE TO THE CHURCHES FROM OUR FATHER IN HEAVEN

Dear Ones, I know in my heart that our Father's warnings for the masses, in general, are all but over with, for it is a time of judgement in this land! But, as some of you have asked for a more current repentance letter for the churches, our Father in Heaven has given the following. This message is also for the churches in Canada and I do hope that you in Canada will make copies of it and send this letter to the churches in your area of your home country!

I am so very glad to see that some of you are still sending out the repentance letters in America! Our Father in Heaven gave these messages several years ago. Praises to His Holy Name! You, Dear Ones, can in no way imagine the impact that you have made! Surely, some have hated you, but some have listened and because of what you have done and continue to do, you are helping in a very big way to save souls and to keep our Father in Heaven from utterly destroying this nation. I thank our Father in Heaven for each of you, for you have done and continue to do a great work of unselfish love!

Now comes another letter and I do pray that many of you will do your part in helping to send this letter to the churches in your part of the country, or even in other parts of the country, as you are led by the Spirit of God to do so! My heart's desire is that the preachers all across these nations will read what is written and will repent before our Lord and God and will cause their people to repent, thereby sparing us from these terrible judgements!

Please copy the following repentance letter and send it out to the churches in your area of the country. You are free to use my return address, which is:

 From The Mountain Prophecies Copyright 2005

P.O. Box 11184,
Conway, Arkansas, 72034.
My e-mail address is:
newkirk@prophecies.org

If you wish to e-mail this letter to some of the churches via e-mail, some of their addresses can be found on the Internet. However, you will find that you cannot reach many of the churches in this way and you will need to mail them via the regular mail, which is both time consuming and costly, but it is also a sure way to reach some, who cannot be reached otherwise.

We have no way of knowing who will listen and who will repent and cause their people to repent and come back to God, thereby lessening the restrictive noose of Satan from around the neck of this country, but I can tell you that some will listen and they will cause their people to repent before our Father in Heaven! I have seen this in the past in this area of the country and we have been spared severe storms and droughts for about four years, but this year the terrible storms and droughts are back. If you live in Arkansas, I need your help to get this letter to the churches all across this state. Please step up to the plate and do your part to help get this messagae out in this state as I have much to write and my time is limited!

**The Harvest is great and the workers are few!**

Blessed are you, who will do the work of our Lord and God, for He is mindful of you and mindful of your needs! Praises to His Holy Name! I CAN TRUTHFULLY SAY THAT WHEN YOU ARE OBEDIENT TO OUR FATHER IN HEAVEN, PUTTING HIM FIRST AND TRUSTING IN HIM FOR ALL THAT YOU NEED,YOU DEAR ONES, WILL NOT WANT. FOR, HE WILL MEET YOUR NEEDS IN THE MOST BEAUTIFUL AND AWESOME OF WAYS! I KNOW THIS TO BE ABSOLUTELY TRUE! PRAISES TO HIS HOLY NAME!

Here is the letter! Let's work together to sweep the nation's churches with this letter! Together, we can still make a difference, even at this late hour!

## A MESSAGE TO THE CHURCHES IN THE USA AND CANADA, FROM JEHOVAH MOST HIGH GOD 05-14-05

"My Blessed Child, I am your Father in Heaven, yea Jehovah, Most High God. My Child, the people in this land are a rebellious house! They are full of every kind of rebellion, of every kind of witchcraft, sorcery, drug addiction, porn addiction, winebibbing, alcoholism and drunkenness. They are full of vanities and every kind of lie!

The preachers over this land overwhelmingly fill the ears of the people with harmonies and they dance to the tunes of Satan. Few, My Child, and I mean few, very few, are true to Me and My directives. These errant preachers slap their hands with the Satanists and with the sexual deviants and perverts, who run this government from the highest offices, and they call them good! These same ones run and say that they serve Me, but they do not serve Me. They clap loud and they sing loud and they praise Me and shout and then they go and lead their adulterous lives! They raise their families on the sex and violence of television and they see nothing wrong with this way. They lounge in their fat and they wallow in their filth, while their hearts are full of idols and their mouths are full of every kind of deceit.

I am true to My word, My Child! While these whores have perverted My word and while they have perverted the world with their backslidden ways, I have put those over you, who hate you! I have filled this government and this court system with Satanists and sexual perverts and deviates. I have put evil over you as you love evil, yet you see it not! I have removed My Spirit from your churches and now you must look far and wide to find any church, which is truly guided by Me and My Spirit. I have given you lies as you love a lie and in place of My Spirit, I have sent strange fires into your churches and you are all the more the fools, for you see not and you know not what I have done! But, you bow down to this strange fire and you clap your hands to it and you worship this strange fire.

The people have run after signs and wonders and I have given you deceiving and lying preachers, who are full of the strange fire and who give you the signs and wonders of Jonah. Yes, this land is PUTRID! It is rotten to the core and now comes the judgement!

 From The Mountain Prophecies Copyright 2005

You cannot say that you have not been warned! Oh, I have warned you a plenty! I have sent My prophets among you with My warnings and you have mocked them! You have scoffed them and you have thrown them out of your churches! I have sent My warnings via mail to you and via e-mails and you have read them and have thrown them into the trash.

If you lying preachers had loved Me at all, and if you had loved My people, you would have told them the errors of their ways. You would have told them the truth, but you do not tell them the truth. You do not tell them to repent and to forsake their whoredoms. You do not tell them that My Son is coming back for a church without spot, wrinkle, or blemish! You tell them lies and you cause them to err in their ways as you lust after the filthy lucre, which fills your pockets.

Oh, the shame, which is upon this land! Oh, the darkness of Spirit! Oh, the evil, which has taken over My house! And, this land shall not long stand as it is, for it is full of every kind of evil and you lying preachers care not what exists in your midst!

Oh, there are a few preachers, who are righteous! You are scattered here and there, but truly you are scattered; and you care what is happening! But, you are few, indeed, and you are unable to change the masses!

But, I tell you now, that save you lying preachers repent and save you cause My people to repent en masse across this land, I shall put my fist in your heartland and I shall consume it in My wrath! Then, I shall dry up your cornfields and I shall send pestilence into your wheat fields and I shall dry up your lands all over America and Canada until you cry out in hunger! Then, I shall strike down your dead corn stalks and wheat fields with the ravages of war.

You shall reach for milk for your babes, and you shall find none; for I shall send every kind of disease into your animals. And, if you will not then repent, I shall totally turn you over to war! I shall send devouring armies into this land and I shall utterly scorch this ground with deadly weapons. I shall dry up your rivers and I shall devastate this land with earthquakes that are so violent that the mighty Mississippi widens its gates

and runs backwards. I shall level your houses and I shall destroy your farms and your factories, save you repent before Me with weeping and wailing.

You, America, are a perverse nation. I have made you great and you have become the greatest harlot in the world. You have destroyed the innocent and you have even polluted the heathen with your perversions and whoredoms. You are a shame upon this world and your senseless wagging tongues, who peddle My Name, have caused My people to lose their way; for your errant preachers are but cowards before Me.

You lying preachers will not stand up for what is right, but you bend this way and that way to suit the people. Oh, My anger is risen against you and I shall smite you errant preachers with death and disease, save you repent before Me; for you are deceiving My people. You will correct Your early-out rapture lie now, or you will correct it in hell, when you face all those that you have led there!

My Scriptures plainly tell you in the Book of Revelation and in the Book of Daniel that the saints are killed. They are killed! They are beheaded for the testimony of My Son, but you teach another doctrine, a doctrine of demons and devils!

You lying preachers and you false prophets have blood on your hands and I shall require this of you, save you repent and save you cause My people to repent! The time of grace for this nation has run out and you are now into your last seven years. You will awaken to your horrors and you will repent now and cause My people to repent now, or I will turn you wholly over to your enemies, who will destroy this nation!

I am your Father in Heaven, yea Jehovah, Most High God."

# CHAPTER THREE

Now, Dear Ones, we shall speak somewhat about the new pope and the rise of Germany as he is German and not who or what people believe at all. He has chosen the name Benedict, which is a Latin derivative and it means well spoken, or speaking well. He will speak well and he will deceive many with his lying tongue!

To get some insight into this man, we shall go back in the visions, which our Lord and God gave me about him man in 1997. From these visions, we know that he is evil and that there will be only one more Pope after him and then a Board only will rule over the Catholic Church, for the Antichrist does away with the Papacy.

Satan has artfully used the Catholic Church to further his own agenda, but even the evil one gets enough of this great whore, who sits on many waters, and who has fooled many people the world over! Soon, the antichrist will destroy her!

## THE DEATH OF POPE JOHN PAUL II

### Excerpt from Book One

"My Lord, I have the picture. I see Pope John Paul II. He is there in the study of the Vatican and he is dead, suspended up in the air, but dead. I see someone who seems to be a magician. He has a round hoop waving the hoop around the Pope's body to show that he is really suspended in air. Then, My Lord, I see an archbishop with a bucket of black axle grease. The Pope has a ring on the toe next to the big toe on the right foot. It is mostly gold with something white stuck to the top surface, like a light coating of ivory. This archbishop takes the ring, kisses it and says, "This is my ring." The ring has writing on it, which is very hard to read. I am trying to see it. It looks like the year 2001.

 From The Mountain Prophecies Copyright 2005

Then, I see George Bush sitting on a red sofa. He is the only one I see, My Lord. He is drinking a golden goblet full of blood. On the outside of the goblet is written, 'The Pope's blood.'

George Bush smacks his lips and says, " I thought this day would never come…"

Then, the archbishop takes the Pope and rubs him with something like varnish or shellac. The Pope becomes stiff, like a mummy, and the archbishop puts him in a corner cabinet. Then, My Lord, I see a festive gathering in the Rotunda …"

## THE FOLLOWING IS OUR FATHER'S CURRENT INTERPRATATION OF THE ABOVE PROPHECY

"My Blessed Father in Heaven, I seek You this day to add understanding to what is given herein; for even after all these years, my Father, I am reluctant to add understanding to anything, which has been given by You and Your Precious Son, for I am but a child and do not comprehend Your Words or Ways, save You give me the understanding to do so. So, Please, Father, I ask You for understanding of these words at this time."

"My Little One, I am your Father in Heaven and I see your every move. I know your every word, your every deed and your every thought instantaneously and I do know that you speak to me from your heart and that you seek understanding, not so much for yourself, but for the people."

"Yes, my Father, this is so."

"And, I am pleased to give you what you are lacking. My Child, we must look closely at what is being said here. When you see that the pope is suspended in air, but that he is dead, you see also that the papacy is suspended in air, and that the death of this last Pope also signals the death of the papacy, for it is closer than most believe. Much magic surrounds the death of this pope, for many have wanted to see him dead for some time and there were those, who wanted to make sure that that he was dead. These are even those, who brought about the death of this man, who of his own, would

have lived for some more years. So, My Child, what all must face here is that this Pope was also murdered. Next, my Child, you wonder about the black axle grease, which was applied to the Pope's feet at the time of this death. My Little One, this black grease represents the rituals of the occult, which followed him into the grave and few are aware of the fact that this man did not serve Me and My Son Regardless of his show, he served Satan and was a minion of his Kingdom. Now, we see that this Pope has a gold ring on the toe, which is next to his big toe on his right foot, and on the top of this ring is an ivory coating. My Child, this ring is the ring of the occult, which is full of gold and this ring bears the appearances of being clean and pure, but is full of the lusts and the greed of this world."

"But, Father, why was this ring on the toe, which is next to the big toe?"

"My Child, the Pope is not the ring-leader of the Catholic Church. The Jesuit leader, Satan's number one leader on this planet, is the big toe of the Catholic Church. The Pope is only the second in command and he is false!

"So, Father, who is this archbishop?"

"My Child, you believe that this is an archbishop and he looks like and archbishop, but this is his ring, not the ring of an archbishop. He is the leader of this occult church and his name is the black pope, for with this Pope out of the way, he is fully in charge and this church system has been given away totally to the evil ones."

"But, Father, you said that Pope John Paul II was really an evil man, who was parading as good."

"This is true, but he also had some ideas, which went against the grain for many in the dark circle and many wanted to see this man in the ground."

"So, Father, what does George Bush have to do with the death of this Pope?"

 From The Mountain Prophecies Copyright 2005

“He is a big player and a very important part of this ring of evil! He is lounging in the blood of the Pope and he is drinking his blood as he is one of the ring leaders, who has wanted the Pope dead for a very long time.”

“But, Father, now we see that the last Pope is varnished and put in the corner, like a mummy. What does this mean?”

“”My Little One, with the death of this Pope, the whole world will see a great crippling of the Papacy. This is truly the beginning of the end of the Papacy as the world knows it to be, for from here on out, it is squarely in the hands of the antichrist system and it is bound for destruction totally.”

“Thank You, my Beautiful Father. An understanding of some of this prophecy was given at the time that I received it, but you have given greater detail to what was already given. Holy is Your Blessed Name, Father!”

## POPE BENEDICT

### Excerpt from Book One

“My Lord, I have climbed through this keyhole and I find myself on a yellow kitchen counter. I see a bear below me on the floor. He is reaching into a tree and taking out blocks of honeycombs, which are covered with bees. He is eating this honey, and these bees are flying all around his mouth. but, the bear does not seem to care. The bear, My Lord, is the Pope. First, the bear, then the Pope. The face is not of Pope John Paul, II, but of someone else. He has something of a ruddy complexion with rotund cheeks and

brownish hair. He wears the cap of an archbishop, but looks like a pope. He is dressed in white. Now, he is the bear, eating honey again, with the bees all around.
He has emerged now as the Pope only, My Lord, and I see him on a platform with wheels. He paddles over the ocean, then travels over the land, basking in the sun. This man has dimples and he carries a gold knife, attached to his right ankle. This knife is covered so others do not know about it. My Lord, he is basking in the sun when suddenly he hears and explosion. The Earth rumbles. It cracks. I see lava running forth from a mountain and down the streets. Where it travels is fire. Houses, trees, everything is burning. There is a volcano, which has blown. Rocks and ash are spewing forth everywhere. The Pope runs inside and dials 911.

…Then, I see the pope/archbishop go to the uppermost floor of The Vatican. He smells smoke and sees fire for great distances. He is very nervous. He has a chain of gold keys, which go all the way around this waist. He looks off in the distance and sees the great destruction. He paces back and forth, as he has called 911, but no one has come.

A large rat appears and says, “I will give you a ride.”

The Pope/Archbishop gets on the back of the rat. He puts on a brown monk’s robe, so that he will not be noticed, and he climbs aboard a tiny platform with wheels, driven by a large rat. The rat carries him swiftly through the streets and out to sea. The hot lava pours into the sea, and the sea is becoming very, very warm. The Pope/Archbishop says, “I am drowning,” as he fights the heated sea. He looks around and the rat scurries into a big, black hole. The rat beckons for the Pope to come into the hole. Frightened, the Pope goes into the black hole.

He looks around in the hole and sees several Mafia types, each of them wearing heavy, black chains. The Pope/Archbishop looks at his own legs and arms to see that he is in heavy, gold chains. One of the Mafia types pulls out a very large, sharp, black knife and cuts off the right ear of the Pope. He spits on the ear, and then mashes it beneath his black and white striped shoes. Then he says to the Pope, “I will make you a deal. Your freedom for half of your gold chains.”

 From The Mountain Prophecies Copyright 2005

The Pope/Archbishop thinks for a moment, then says, “Deal.” Then, the Mafia type cuts his thumb, and the Pope/Archbishop cuts his thumb. They bleed into each other, a blood covenant. Suddenly, the Pope/Archbishop looks very old. His hair is very white. He grabs his stomach and keels over. The blood of the underground, Mafia type was laced with cyanide. The Pope became poisoned quickly and died.

The underground rat comes out of his hole, all dressed in white. He is big, round and fat. His black and white striped shoes stood out like two zebras on his feet. He smokes a very large cigar, as he stands on the wall at the Vatican. He boasts, “I own half the Pope!” Then, he reaches down to the other side of the wall, where a frightened, old thin, white-haired man crouches. And, he drags him up by the nap of the neck and puts the old man on the wall, “The next Pope,” he says.

I look at the next pope, who is old and emaciated. Several rats/people are goading him in the side with black swords and he is stumbling to remain erect. I see him go into his study late at night. The clock on the desk reads, 11:59 PM. The date is June 02, 2001 and the pope says, “I am dying.” He puts his head on his desk and quickly disintegrates into a pile of dusty bones. I hear the sounds of the ambulance in the distance as it comes up to the door of the Vatican to get the corpse. But, there is no corpse, only a short, wide board, which reads, “Never again.”

THE FOLLOWING IS OUR LORD’S INTERPRETATION OF THE ABOVE, THIS INTERPRETATION WAS GIVEN ON JULY 26TH, 1997

“So, there will be a new pope?”

“One in the stages of confirmation, acting as pope, basking in the sun unawares.”

“Is this pope rescued from a sea of angry people?”

“He is rescued by the Mafia, who will kill him.”

“Then, the Mafia gets their own pope?”

"They do, Child, but this one is for only a very short while. The Papacy dies, it is done away with. The ambulance you hear is the sound of 911 coming to rescue the pope. The noise is loud, like an ambulance. But, the people cannot rescue it. All that remains is a board. And, the board, the governing body of the world says, Never again,"

"My Lord, I thank you, and pray that I have seen and heard as you have directed and spoken."

"Go in me, My Child, and I show you through my eyes and ears. For, I am Jesus. Yea Jehovah, Most High God of Earth."

## ADDITIONAL INTERPRETATIONS AS GIVEN BY OUR FATHER IN HEAVEN MAY 21st, 2005

"My Blessed Father in Heaven, Holy is Your Name. Father, I come to you on this Sabbath day to thank you for all the love and grace and blessings, which You give to us, Your People. Father, You have blessed this land so and you have given to us as You have given to no nation on Earth, but Father, there have always been the tares among the wheat. Even from the beginning of this country, we have seen the workings of the Illuminati and the leaders, who have gone this way of secret and occult dealings. Father, we come to the last few years in this Earth as we know them to be and we now see in office, the next to the last pope. Father, there is a deep dread in my soul as I know that this world is in for terrible times and that we are already going through these great judgements and few can see, but Father I specifically come to You and ask You, Father, if there is more that You want to add to this prophecy as it was given almost eight years ago."

 From The Mountain Prophecies Copyright 2005

“My Beloved Child, behold the fireworks in the spirit as this evil pope rises to power. Behold the antichrist flames, which bathe and devour him as he is high up, very high up in the occult and few even notice or care. My Little One, he is not what he seems and as all the Satanists do, who are in power, he is but a pawn of Lucifer and a deceiver of the people.”

“Father, we see that soon after this pope is affirmed, that a great volcanic eruption takes place. Is this sooner than most think?”

“My Little One, this is sooner than most think and so is the eruption of Yellowstone.”

“But, Father, what most do not understand is that Your judgements are being poured out on the Earth, yet so few see.”

“The blind, the deaf and the dumb cannot see, they cannot hear and they cannot speak of the truth, as they are cut off from it and they cannot see it or recognize it, even when it is in their faces. They look and perceive not.”

“But, Father, this Pope is mafia from the beginning as he has a knife in his shoe.”

“You have seen it and it is so.”

“So, Father, in this covenant that he makes with them, he will basically give away the papacy in some sort of blood covenant. And, at the time, he will also be in some sort of trouble with the people.”

“My Child, this man is evil, who is parading as good. He is evil in coming into the papacy, but he makes a deal with the evil ones, in which he totally sells out the catholic church.”

“Father, why is he portrayed as a bear, who is eating honey?”

“He is a predator and he is a predator even from the beginning and through his actions, he will lay the groundwork for the destruction of the catholic church. The bees, who denote the coming destruction of the catholic church, are swarming all around him, but he does not care as this is also Satan’s plan.”

“Father, what more should the people know as regards this prophecy.”

“My Child, they should know that the catholic church is fallen, that it has always been fallen and they should come away from this whore, lest they partake of the punishment, which I will give to her and to all, who follow her. All had best wake up and come away from this evil system, or they will follow this evil whore into hell. Time is fast running out for all of humanity and it is now time for all to be very wise and to stay very close to Me, for the world as you know it is fast coming to an end. I am your Father in Heaven, yea Jehovah, Most High God.

# CHAPTER FOUR

## SOUTH AFRICA FACING GREAT TRIALS!

Oh, Dear Ones, my heart grieves to see what is at the door for South Africa! President Mbeke has fired the Number Two man in the government of South Africa, who is a Zulu, and the race wars between the warring black factions are about to escalate! These tribal wars have been long-standing! In addition to this, Nelson Mandela is very sick and he will not be long in this Earth. There has also been a recent assassination attempt on the life on Nelson Mandela! Our Father's judgement will fall upon Nelson Mandela quickly and with great finality as he is a pawn for Satan, and has been a Satanic pawn from the beginning! He is a lot like Bill Clinton! The people look up to him in South Africa and in much of the world, but Mandela is full of every kind of Satanic device! Our Father in Heaven has offered him repentance, but he does not choose it! I truly believe that people, such as Mandela, have been so long in evil and are so absolutely sold out to evil that they cannot repent! They are incapable of seeing the wrong that they do, as they are incapable of looking at the evil in their own hearts and many of them, like Mandela are drunk on power! Long ago, they sold their souls to Lucifer for power!

### THE NIGHT OF THE LONG KNIVES IS COMING TO SOUTH AFRICA!

South Africa is replete with squatter camps, an estimated 20,000,000 illegal immigrants, who are camped here, there and everywhere all over South Africa. They live in cardboard and tin shanties and have little to their names, so they make stealing and killing a way of life. One cannot stop at a traffic light without being bombarded by thieves, who are loaded down with stolen goods, which they are hawking! I do not see how anyone can stay in business as the theft rate is so high! Crime is at an all-time high in South Africa and this is all New World Order design. The New World Order Satanists have allowed the great influx of these homeless and penniless criminals, all been brought there in preparation for the "Night of the Long Knives", wherein the blacks plan to run rampant all across South Africa, killing all whites in their paths. The

sell of machetes has escalated in the past year or so as they all prepare for the time when they will kill the whites and move in to take their wealth. America, take note, for the borders of the USA have been opened in like manner!

The whites constitute only ten percent of the population, but they control most of the wealth of South Africa. Truly, our Father sent His people there and He blessed them and made them great, but they have forsaken Him. They have rebelled against Him and they have gone whoring after strange gods and earthly idols. Truly, they have forgotten from whence their blessings have come! They are all surrounded by witchcraft; and because of their rebellion against our Father in Heaven, the government of South Africa has been given over to the workers of witchcraft for more than ten years now. A terrible war is at hand for South Africa, but I deeply know that our Father will protect His remnant and bring them out of the terrible times, which are at hand.

## THE REMNANT

There is a beautiful Remnant in South Africa, who truly do love our Lord and God. I have spoken with some of these beautiful people and I will always remember their kindnesses and beautiful hearts. I thank each of those, whom I got to know! These beautiful souls have not deserted their covenant with our Lord and God! They have not sold out their souls to the highest bidder; and they continue on, in spite of the great opposition, which is at hand.

## THE DIRTY REMNANT

Yet, I am also sorry to say that South Africa is full of the proud, the haughty and the rebellious. In South Africa, I have known some, who have taken the blessings of our Father in Heaven, and then have called them cursed. They have called good evil and evil good.

Dirk Van Vuuren is one of these! He pastors over a small church in South Africa, called the Daughter of Zion church, where I stayed and worked for 45 days! This small church grew from fifty active members, or less, to between three and four hundred people in less than a year, only because Dirk and his group housed these prophecies in South

 From The Mountain Prophecies Copyright 2005

Africa. They also translated these books into Afrikaans and they printed, published and disseminated these prophecies in South Africa; and when I was there in South Africa on this man's farm, where he has the small church, many came from all over South Africa to be fed and to receive the Spirit of God. Many were delivered of demons. People were healed of various things, some emotional and some physical! Three people got their hearing back! And, many in this small church had begun receiving dreams and visions, long before my arrival there. They prayed regularly with the anointed prayer cloths on their heads and some even slept with these anointed cloths on their heads. There was a mighty outpouring of the Spirit of God on those, who honoured these spiritual gifts of our Lord and God. Truly, our Father in Heaven had called Dirk Van Vuuren and this Daughter of Zion church group to great things. And, from day to day, while I was there, this calling became very obvious! Yet, they, as all of us, suffered with their own faults; and in the end, it would be these very faults, which would cause their undoing!

This very group was called to help bring in the birthing of the Kingdom of God on this Earth. This is Revelation 12. I worked very hard day after day to do the spiritual work, which was necessary for this group to be clean spiritually and free from sin. Our Father's directions to them were very clear in what He expected! He demanded that they be clean spiritually and stay clean spiritually if they wanted to go forth in the work that He had for them! He demanded this! He demanded, purity, truth and righteousness! All in the core group of this church group were told that they had been chosen for a very special work and that if they remained clean spiritually, our Father would do a mighty thing through them.

But, there was a small group within this core group, which did not want this Straight and Narrow Way. In this group within a group were Dirk Van Vuuren and his wife! Those in this small group wanted to drink alcohol! They wanted to gossip! They wanted to smoke! They resented our Father's directives to stop these things and to make their ways straight and to keep their ways straight! And, as time went on, they became puffed up with pride and rebellion!

In a dream, our Father in Heaven showed me a government spy, who was coming to this church to destroy these works. In this dream, He showed me that He would send

two destroying angels to carry this man to the grave. I knew who this man was! I also told Dirk Van Vuuren and his wife about this man and they, too agreed that his behaviour was very suspicious! I told our Father in Heaven that if He gave me the opportunity, I would confront this man in front of all the people. And, this is exactly what I did! I told this man that he was a red communist spy! I told him of the two destroying angels and I told him other things, which came upon me as the Spirit of God was upon me. Righteous anger rose up in me as this man was so full of evil and I knew that he was there to destroy what our Lord and God was giving to this people! That day, Dirk Van Vuuren asked this man to leave this group, but it was only a few days later that couriers from this man, his government pawns, were back on Dirk Van Vuuren's farm. In seeing them there, I knew that betrayal was in the air! And, sure enough, it was not long before Dirk Van Vuuren was squarely on the side of the government spy! Did this government spy have something on Dirk Van Vuuren and his wife, so that it was very easy for him to manipulate them and easy for them to betray our Father's work and me. Did Dirk Van Vuuren suddenly end up with three homeless shelters, as it has been rumoured and if so, how could this man buy them, when he was complaining about not having enough money for food?

I left the Daughter of Zion group on September 27, 2004 because of open rebellion against these works! Dirk Van Vuuren would later use this tape of my speaking to this spy to "prove" to others that I was "crazy". He would send copies of this tape all over South Africa and use it to try to destroy me! But, the other tapes, wherein I spoke beautiful things to the people in this church, all disappeared!

This government spy operation was just part of the great government sting operation against me and against these works. The governments, which were involved, were the Bush government and the English government, which is also the South African government! This was also very obvious while we were also in Sweden, but that is another story! Within only a few days, Dirk Van Vuuren, his wife and the core group of the rebellious ones had sided with the government spy; and the very same day that I left Dirk Van Vuuren's farm because of the verbal assaults of these rebellious ones, Dirk Van Vuuren contacted Dennis to stir him up against me. He also contacted those

 From The Mountain Prophecies Copyright 2005

here in the states, whom he knew to be my enemies; and like ravenous wolves, they all lined up to throw stones at me!

### Birds of a Feather!

### Time to Set the Record Straight!

Dirk Van Vuuren contacted those in America, with a history of Satanic involvement, like Sheri Elijah, who was married to a high-level Satanist for over thirty years and has only been "free" of him for about two or three years. And, Pamela Schuffert, who was raised as a Satanist, and professes to be free, yet shadowy figures reportedly follow her everywhere and she goes around with layers of aluminium foil on her head. This same Pamela Schuffert bit the hands, which fed her in Minnesota, as she spread outlandish and malicious rumors about the very ones, who had taken her in and fed her.

She backbit them and fed the husband allegations of insanity against his beautiful and precious wife. I know these people, whom she so badly wounded, and I have known them via correspondence for years! Because of this, I can tell you that they are precious before our Lord and God and have a hunger and deep love for Him! Pamela Schuffert wrote me via e-mail years ago claiming to be a prophetess of God!

Hooey, and double hooey! I have seldom seen such hate and venom come out of the mouths of anyone as I have seen it roll forth from the mouths of Pamela Schuffert and Sheri Elijah! One must ask why Pamela Schuffert's name comes up so regularly with the likes of known government operatives and Satanists!

Is Pamela Schuffert an MK Ultra mind control, satanic, religious infiltrate? Every thinking person needs to be asking this question! And, how is it that Sheri Elijah LIVED WITH a ravenous Satanist for over thirty years, and during this very time was selling herself as a minister and prophetess of God? Do the scriptures not tell us that if we have a cursed object, even in our possession, that we are cursed?

Yet, Sheri Elijah lived in the house with a high-level Satanist, and was married to a high-level Satanist while she went around spreading the good news of the gospel! Get

real, People! You should know by now that one of the very goals of the Satanists has been Christian infiltration and they make no bones about it! It is time for a wake-up call!

**Who is Sheri Elijah?**

**It is time for the truth to come out!**

Sheri Elijah's real surname is not Elijah! She reportedly does not even know who her real Father is! She told me that she found out that a certain drifter, whose name was Elijah, could be her Father and she changed her last name to Elijah. She told me that she never knew who her earthly father was as her mother bedded so many men that she, her mother, did not even know her real father! Obviously, this name, Elijah, sounded better than the strange-sounding Pollack name of her Satanic husband! Did Sheri Whoever-she is change her name to fool the people? Within the past two years, or so, Sheri Elijah has changed her name again, this time, she has dropped the "Sheri" and is now using her middle name, Elizabeth. Was this on the advice of one of her friends, that Elizabeth sounds better than Sheri? Does the name, Sheri, sound too much like a liquor bottle, while Elizabeth Eliljah is most assuredly a very good sounding stage name! Who is this woman anyway?

I am the one, who helped Sheri Elijah, or whoever she is, her son, and her very troubled friend, to be free; and this was through deep intercessory prayer over many weeks! Sheri had claimed that "God" had told her that her friend should take her retirement money, move to Canada, and buy an old freemason lodge. Sheri and her son trailed along! As it turned out, this lodge was full of every kind of evil spirit and apparently this was too much for even the wife of a very seasoned Satanist!

We spent over $500.00 in telephone calls to and from Sheri Elijah! I helped her and prayed for her on the advice of someone else, who knew her, a mutual acquaintance at that time! I did not personally know this woman, but helped her out of good faith! I found an apartment for them in Arkansas and carried them around in Arkansas to help them get situated here. But, one night I got an e-mail, which I was not supposed to get! Two-faced Sheri was talking against me to a friend of hers by the name of Linda

 From The Mountain Prophecies Copyright 2005

also; and she was cutting me down for revealing that reincarnation was true, among other things. I told Sheri "whoever she is" that our Father in Heaven would judge her, as I had only been good to her and she was backbiting me! I told her that she was returning evil for good! I also told her that she would go back into captivity and she did! She went back to her Satanist husband!

Sheri Elijah, or whoever she is, also told me that her high-level Satanist husband had a satanic altar beneath the stairs in their house and that there was a vortex in their house, which goes into hell. After she got here, I found out that this woman, Sheri, pedals a tape in which she is possessed of a demonic force from hell and this demonic force is warning others about hell. She is proud of this tape from hell! How can someone be possessed of the Spirit of God and be possessed of a demonic presence at the same time? She clearly admits that this "thing" has possessed her and has spoken through her more than once!

Do we need to be demonically possessed to warn others about hell? Has our Father in Heaven not specifically warned us against calling up spirits of the dead? Has He not warned about demonic possession? Are we not warned about "mediums," who channel the spirits of the dead to speak through them? Are mediums not cursed before our Lord and God? The Bible says so! (Lev. 20:6, Lev 19:31) Yet, this loud-mouthed medium, has called me a servant of Satan, and has said that I was going to South Africa to call up evil spirits, while she pedals a demon-possessed tape, and calls it from God! This loud-mouthed stage-show has spread every kind of foul lie about me; and when she had the opportunity to join those in South Africa, she jumped in with both feet, spreading more of her lying venom! She admits that she has "secretly" talked about me for years! She has no problem in admitting that she is a two-faced gossipmonger! This same woman claims that there is not just one "rapture", but "TWO RAPTURES!" And, where in the Bible is there any mention of the word, "rapture?" I also wonder why this same woman, Sheri whoever she is, needs or asks for the donations of a single person; as she told me that she would marry a billionaire, whose name is Nikomiah, and that this billionaire would then peddle her around the world in a huge boat, where she would minister to people all over the world! Yes, indeed, a very big stage show! But,

apparently this huge amount of wealth of Nikomiah is just another one of Ms Whoever She Is' illusions! The hand is still out!

All of Ms Whoever she is' accusations are just too many to even address herein, but I will address her claim that no one gets out of hell! Most of us know that some have died, gone to hell, and have been let out through the door in hell, who is our Lord Jesus? There are books, which have been written about such things! I read of one man from South Africa, who was a minister, and was dead for days; and he spent this time down in hell! His wife took his dead body to a revival, where a minister prayed for him and he was raised from the dead! This man tells how our Saviour visited him in hell; how he took him out of hell, and then sent him back. Nowadays, this man travels all over the world ministering to others about hell! And, this is only one example of someone, who got out of hell! So, if no one gets out of hell, as you, Sheri Lie-Monger, have stated, how did these clinically dead people get out and come back to tell about it? And, some of them had been dead for days! Obviously, our Saviour let them out; sent He them back! He let them out! Jesus is the door through which anyone ever gets out of hell! Furthermore, Satan, himself, will be let out of hell after the Millennium! Our Lord and God will put him there and He will let him out! Read Revelation 20:7. If even Satan is let out, we can be sure that others will be let out also, including many of his demons! And, why is Satan let out? To tempt the people again! You, Ms Whoever you are, are the ignorant one! Read the Bible!

**Some ought to be praying that they get another chance!**

People, like you Sheri whoever you are, reject reincarnation, when you should be hoping that you get another chance to straighten out all the lies that you have spread about others! It is time for you, Ms whoever you are, to get a wakeup call! You are the liar! You are the ignorant one, who is blaspheming people, like me, for speaking the truth. You cover up your ignorance with your loud mouth! I have done my homework about reincarnation, fasting and praying and searching the Scriptures; and I know that it is true! Don't blame me for your ignorance. It is one thing to just not know the truth, but it is quite another to call a person a witch for speaking the truth about reincarnation as your good buddy, Pamela Schuffert has done to me! And, you have done even worse, just because you both choose to be ignorant about reincarnation.

 From The Mountain Prophecies Copyright 2005

Not only does Satan get out of hell, and others have most assuredly gotten out of hell, but "the rest of the dead live again after the millennium!" (Rev. 20:5) How in the world do the dead live again, save they get bodies to do so? And, how do any of us live on the New Earth, wherein we will not even remember this one, (Isaiah 65:17) save we get new bodies to live there? And, do not even start the lie that we live there in spirit, when an infant dies at a hundred years of age! (Isaiah 65:20).

You Sheri Whoever you are and Pamela Schuffert, who have been surrounded by witchcraft and have been wallowing it, surely do not have any right to call another a witch, just for speaking what is right! You fast and pray and seek God as I have about reincarnation, not for one or two days, but for years, and then you will have a right to a decision. It is one thing to disagree, but quite another, to set out to systematically destroy the good name and character of another, just because you do not agree with that person. All are free to believe as they choose and they do not need tyrants, who gorge them with their own narrow-minded views, and then beat them to death with the Bible, while they live another way! Get a wakeup call as you are way over your heads! I have every right to haul you two into court with a few others to make you prove the lies, which you have so carefully and systematically crafted and disseminated about me! But, I do not believe that I will have to do any of this, as my Father in Heaven is about to avenge me of all of your lies and disinformation. He is Supreme and He will make right the wrongs that you have done to me! I highly recommend that you repent of the evil that you have done! You will answer for every lie!

### The Blessed Become the Cursed!

Dirk Van Vuuren and his chosen group lost the blessings of the Most High God. They joined with the Satanic and government forces, along with my husband Dennis. They spouted their lies and Dennis apparently gave them permission to keep up a mirror site of Prophecies.org, in which they printed disinformation and misinformation, taking what was given by our Father in Heaven and making it out to be lies.

They all know that much of what our Father in Heaven has given is written in symbolism and that what we believe to be the right interpretation when we read a passage from our Father in Heaven, may not be the right interpretation, as we do not

have the mind of our Father in Heaven. Dirk Van Vuuren and his group have translated all of the prophecies, and they know that these prophecies are replete with symbolism and I do not even dare to interpret most of them, myself, as I am usually wrong! Yet, Dirk Van Vuuren and his rebellious group put themselves above God! They have made themselves gods, and they set out systematically to destroy these works!

### Dennis' Bitter Betrayal!

Dennis was right in there with them as he was telling anybody and everybody, who would listen, that I am insane! He denied the existence of these antigravity machines, when he and I watched one together for about 45 minutes one morning; and at another time, one came streaking across the sky right before our eyes. This happened just as I told him that I thought I saw a saucer in the sky the night before! Dennis has told people that he does not believe that I was ever abducted when he has witnessed the needle marks many times; and, he, himself, had four large puncture marks at the top of his spine, which he looked at in the mirror! He saw them and he felt them! He has never said one word of comfort to me after I was raped and sodomized, quite to the contrary, he plotted to put me in a mental hospital for speaking the truth of what has happened to me! He found a reference to a personality disorder on the Internet and he has conversely told people that I have a personality disorder! He does not even know that personality disorders are long-standing, which most often appear in youth and that they do not just suddenly appear! Dennis has told bold-faced lies to many people, and has even lied in court, under oath. "So help me God" has no meaning to this man, who has gone headlong into the worst kinds of behaviors!

### He lied to justify his own actions!

Dennis has plotted many disgusting things and has told many lies against me only because he has wanted to be free! Within days of my leaving this house, Dennis was hot on the trail of divorce lawyers, finally buying the best one that his money could buy. At the same time, he changed the password on the website so as to deny my entrance to my own work and he steadfastly refused to give it back, while he flaunting his air-headed essay! I hope that all did notice that among the flowery words of his diatribe that he never once said that he loved me! After I left, he never once contacted

 From The Mountain Prophecies Copyright 2005

me, or tried to. He told people that he did not know where I went, but he knows that this is a bold-faced lie. Dennis wasted no time in getting back with his ex-wife. He been back with her since September of 2004 and has been having a hot adulterous affair with her! And, I am not even speaking of all that he is doing in Little Rock. I had to stay on this land with Dennis when I got back (separate from him, in the motor home); and I can attest to the fact that he stayed in the road most of the weekend and on Monday nights!

**It is time to set the record straight!**

Why am I telling you all of these things? To set the record straight! I have read some of the correspondence, which Dennis has written to the faithful, and it is shocking! All he had to do was tell me that he wanted to be free and I would have gladly given him his freedom, but as he had no grounds for divorce, he had to come up with an elaborate system of lies! LIES ALWAYS FAIL! THE SURE WAY IS THE WAY OF OUR LORD AND GOD AND THIS IS THE WAY OF TRUTH!

In spite of all of the great persecution, which I have been through, I have been faithful to my Lord and God and I have been faithful to Dennis. All the years of my marriage and even since my separation from him, I have never once strayed and I have never once looked at another man!

The hurt, which so many have caused me has been great and I have shed many tears of sorrow. Through my great tears and suffering I have forgiven these liars and deceivers of many things, but the pain of all that they have done is still very real! Day by day, my Father in Heaven is healing me of all of these wounds. Nevertheless, the truths of their behaviors stand as a testimony against them! By their fruits, you shall know them! We, as Children of the Light, must live by the truth, but we must also expose the evil in our midst!

**They love the smooth things!**

Oh how sad the day when the preachers and the prophets fill the itching ears of the people with lies and more lies, all to increase their own following and to stuff their own

wallets! They tell the people what they want to hear and they and those, who follow after them, spurn the truth, choosing rather to believe a lie! These deceivers bait the unsuspecting with a daily dose of scriptures! They hunt and pick among the scriptures to justify their evil choices. They cover the people with the dark spirit of deception, and they bring coals of destruction upon the land! These loud-mouthed lying preachers and false prophets are filling the bowels of hell with the unsuspecting, yet few are the wiser! Like venomous wolves, these wicked preachers and prophets line up to stone the truth bearers, for they hate the truth, but love a lie! They throw the stench of their hate far and wide and through dissention they scatter God's people. Woe to those, who fill the itching ears with the smooth things, like the early-out rapture lie! They scatter the sheep and they make ready the graves of the innocent!

Our Saviour warned us two thousand years ago, to come out of world! We cannot hear His beautiful Spirit amidst the cacophony of a boisterous world! How many are even listening? Oh, how my heart grieves!

### More to Come!

There is much to tell you about what happened in South Africa and this is coming up in Book Twelve! It is an incredibly shocking expose of the real nature of human behavior and just how fast people in general will spit in the face of our Lord and God for expedience!

What are you made of? Get to know the real you and come clean before our Lord and God, for time is fast running out! Be true and you will not be sorry!

## FIRST PROPHECY REGARDING SOUTH AFRICA

### May 07, 2005

My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Child, look ahead to the barren wasteland, which is now South Africa, for in truth, My Little One, South Africa has become a spiritual wasteland, a land of evil, wherein they stone the prophets and build air castles for themselves; for they do not choose Me and My Son, but are a rebellious house, just as with America, save worse!

 From The Mountain Prophecies Copyright 2005

My Child, you know My promises for South Africa and you also know My great love for this people! But, they are rebellious and full of every kind of lie and perversion; and while I stretch out My hand still to those, who would truly follow Me and My Son, I have also at hand a grievous punishment for South Africa. While I have blessed the whites above all people in South Africa, they have forgotten from whence their blessings come. They love the gift and not the Giver of the Gift, so I will take what I have so generously given them and I will give it to the heathen. Then, My Little One, I shall strip them through war and disease and I shall scatter them. And, when My punishment is complete on them, I will raise up a remnant and I will use this remnant. But, as they are proud, haughty and stiff-necked, I cannot now use them. Their time of great judgement is at hand and will not long be stayed.

Now, My Little One, you wonder why I give you this at this time; for I have removed most warnings from your mouth. This is why I give you this warning, My Little One. I sent you to bless them; and you took My blessings to them. I blessed them abundantly. Then, they called you evil and stomped the blessings that I poured out on them. They drove you from their midst through their lies and verbal persecution and then they set out to destroy you. I have judged some of those, who did this to you, but My judgement has just begun! I shall make their gardens dustbowls and their pantries a barren desert. I shall pour out My plagues and judgements upon them as they returned evil for good. I shall put heavy judgements upon this nation and I shall break the backs of the proud and haughty. I shall send a grievous war and I shall divide out and separate Mine.

My Child, I sent you. I blessed you and I blessed them. They took the blessings and they cursed you. They cursed Me, My Son and My Spirit. This is what they did in return for My love and now I shall begin to uproot, to pluck up what I have given to them; and I shall give it to the heathen. For Mine love Me not!

This is not your fault, My Child. You have done My work and you have suffered greatly because of the evil that they have done to you. Now, I will return upon their heads a just judgement. For, this is a proud, a haughty, and a stiff-necked nation. Go in peace this night, for I am with you. I am your Father in Heaven, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 7th day of May, 2005,

## SECOND PROPHECY

### June 23, 2005

My Beloved Child, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. I call you, My Blessed Child, for you are blessed, and you are blessed above all women; for I have decreed it and this is so! I have called you, My Little One, and I have appointed you to a work that few would want, or even fewer would be able to withstand! I have put you in the fires and I have carried you through great persecution. Amidst all of this, My Child, you have withstood the assaults and you have held your ground.

For love of Me and for love of My Son, you have given up all that you have, so that I can now give it back. You have been in foreign lands with little save the clothes on your back and you have held the faith. Great evil has risen up against you on every side and many have called you evil as you stood your ground and you would not compromise! Governments have lined up against you and leaders of nations have sought to kill you, but I have kept you. I have carried you across violent waters and turbulent air spaces; and I have brought you safely back again.

What you have been through, My Child, few on this Earth have been through. I have carried you into interdimensional spaces and I have given you My keys, with which to shut down these portals so that Satan and his followers could no longer access them. Oh, this has caused great wrath among these Satanists. This has caused a great wrath among the militaries of certain nations; for this very thing has so greatly hampered them in their time travel, and in their interdimensional travel. They have picked you up, they have branded you like an animal, and they have tried to force you to work for

 From The Mountain Prophecies Copyright 2005

them, but all they have gotten is pie in the face! For, you are Mine! You belong to Me and you do My work! Nevertheless, they do not give up, but continue to stalk you day and night, believing that they will spot a weakness, which they can use against you.
In spite of all, who have turned against you; and in spite of all, who have betrayed you, you have stayed the course. You have remained steadfast and now come your blessings. Now, My Child, I shall raise you up and I shall use you to smite Lucifer and all of His followers. Eyes have not seen and ears have not heard what I am about to do through My Faithful.

Many erroneously believe that you are a false prophet, in spite of the many thousands of times that My words through you have been verified. And, many have risen up against you, all claiming to love Me and My Son, and to serve Me and My Son, when in fact, they serve Lucifer! And, I have stood back, allowed it all, and watched it all unfold. Now, comes the sudden judgement!

All, who participated in the raping and sodomizing of you, are already doomed! All, who tried to destroy you by spreading false rumors and lies, are doomed, saved they repent! All, who have tried to kill you, will be killed, or they will die, save they repent! All, who have tried to destroy you and these works, will all be destroyed, save they repent!

Many things, I have allowed, My Child, to try you and to test you, and to test others. Now, come my blessings for you and My judgements against your enemies. For all things, My Little One, there is a time and a season and this is My time and season to bless you and to judge your enemies.

You have not seen any manifestations in the skies around you, as compared to what you are about to behold very soon, and well into the future. For, this interdimensional portal, which follows you is Mine and I am about to have My own light show. All of the world will soon know that I am God, and they will also know that you are Mine and that you are a true prophetess. (Inserted by me on July 02, 2005: Holy is the Name of our Father in Heaven and true are His words. I go to the front door at night and sing to Him and to our Saviour. The evil ones in their antigravity machines begin to scatter, but

some of the “twinklers,” which belong to our Lord and God let me know they are there. And, sometimes, as I sing the sky begins to light up with lightening. It is as if the very voice of God is answering my praises and love for Him! Praises to His Holy Name! The heavens are alive with the majesty of our Father in Heaven!)

### South Africa

I am about to judge South Africa in a very big way! I shall turn this country upside down and inside out and I shall sift Mine out. I shall bury the scribes and Pharisees, who tried to bury you, save they all repent before me with weeping and wailing! They shall soon know that a prophetess of God has been in their midst. I sent you. You did My will regarding Revelation 12 and they tried to destroy you! Now, comes My destruction upon them! South Africa will fall into such horrible destruction that he whole world will look on in horror! This is My judgement upon Mine; for I have blessed them and they deserted Me and My word. When I am through with My judgements upon them, I shall raise up a remnant. Then, they will honor Me and they will honor My prophets. But, until them, they will know My anger and My wrath. But, I say to all, who have loved you and who have blessed you in South Africa, I love you and I bless you. Therefore, put me first and I will carry you safely through what is at hand.

Be at peace, My Child, for in one day, I shall bring down those, who have raped and sodomized you. In one day, I shall do this and the whole world will see and know that I did this thing. Then, I shall flatten this bloated economy of America and soon the whole world will go into a financial tailspin; for I have decreed it. You, in the Earth, are in your last seven years and you can only expect upheavals all over the world; for you are ripe for destruction. I am your Father in Heaven, yea Jehovah, Most High God. And, Dear Ones, these are our Father's words! Be circumspect in all of your affairs; for the word of God is sure and it is coming to pass quickly from day to day. I send the love of my heart to each of you, warning you to put our Father in Heaven first, to love Him above all, and to love His Beautiful Son, our Beloved Saviour! I warn you to live a clean and pure life before Him. Live according to the commandments of God, repent daily, and love others! Each of us must hate evil; but we must love the sinners! In doing so, we must warn them of their rebellion and where it will lead them. We must warn them of their sins, lest we be found guilty before our Lord and God for not warning them!

Dear Ones, we are in the last years of this Earth as we know it to be and destruction will come suddenly upon the whole Earth. We are in the timeframe, wherein anything could happen any day. Are you prepared spiritually for what we are all about to face in this nation. We are headed for a world economic collapse and day by day, we are inching closer to all all-out nuclear war in this country! Indeed, a world war is at hand. It is World War III!

I send my heartfelt love to the very special ones, who have continued to be my friends and to help with these works, in spite of all that I have been through. Great are your rewards in Heaven and great are your rewards on this Earth; for our Father's words are clear about His blessings upon those, who help His servants. Praises to His Holy Name!

## MESSAGES FROM OUR FATHER IN HEAVEN

### "A Calamitous Wind is Coming!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. The clouds have moved in all across America and the wind is still, but look, My Child, for a great howling wind is coming! It is a terrible wind! A wind for destruction and not good! It is a calamitous wind and a great howling shall lay its wake. Oh, My Child, the gates of hell are widening and this calamitous wind shall sweep many, many souls through these gates! The demons of hell are being unleashed in great numbers to harvest for the dark Kingdom of Lucifer and this great and dark wind is preparing to sweep many into the jaws of hell! For, My Little One, this is a time of judgement in this land! It is a time of wrath and all shall see it and all shall feel the sting of My wrath, as I pour it out on this rebellious land!

Oh, America, you slut of the world! You ravenous whore, who devours men, women and children, My wrath is kindled against you; and as a farmer lays a knife to the neck of a foul, I am about to lay a knife to your neck! With one blow, I shall sever your head from your body and your blood shall fill your streets; for My wrath is kindled against you and I shall turn my hand on you, for evil and not for good! And, I shall uproot and throw down the idols, which are in your midst, for you are rotten before Me. You are putrid and your filth has reached My nostrils. Day and night, the smell of your rottenness fills My nostrils and I shall soon destroy you. I shall melt you with a fervent heat. I shall abase your centers of pride. I shall burn your filthy lucre and I shall toss it to the wind! I shall come after your many lovers and I shall cause them to turn on you and to spit on your burning grave! For what you have loved shall be to you an abomination and all your lovers, anathema!

Oh, My Little One, look; for the howling wind and listen; for its is now in plain view! It is well in view and not a thing of the distant future! Great destruction is at hand for

 From The Mountain Prophecies Copyright 2005

America and for much of the world; for My people the world over have forgotten Me! They have chased every foul thing and I shall erase their memories from this Earth and their offspring shall also be remembered no more!

I say to the few, who love Me, get ready! Get ready spiritually and stay ready; for I am telling you what is at hand! I am warning you now to get ready spiritually; for you will not be able to withstand what is at hand, save you cling to Me and My Son with all of your strength! You must love Me and put Me above all; for you shall be tried and tested in all things. Truly, those, who have a pure love for Me and My Son, and who have a great faith in Me, will be able to withstand what is at hand; for the heat of the purifying shall be great and many, many who say that they love Me will fall and they will not get up again. Those, who have chosen the easy way, who have chosen the way of lies and deceit, will follow this way right down into the burning pits. There is no longer any middle road. Each of you is either hot for Me or you are cold! There is no middle ground! All, who stay in the middle ground, will go the way of Lucifer, while some, who are now cold toward Me and My Son, will become hot in their faith.

It is a time for all when every sin will be uncovered and every evil deed will be known! There is nowhere to run and nowhere to hide, save to My Son and to Me! This is the day of reckoning for America and it will not be put off! I have warned you and have warned you and you do not listen! You do not hear and you will not believe. Therefore, calamity shall come suddenly to this land and at a time when you least expect it. I am your Father in Heaven, yea Jehovah, Most High God.

## SECOND MESSAGE FROM OUR FATHER IN HEAVEN

### "Our Father's Hand of Love and Mercy is Still Outstretched!"

### Come to Him, and repent, while there is still a little time left!

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, I have just told you of My great judgement, which is at hand for America and for much of the world and you have seen the destruction and darkness, which is in the Spirit."

"Yes, my Father."

"My Child, in this time of great sorrows and travail, I am extending My hand of love and mercy to those, who will come. But, I have no audience with the proud, the haughty and the stiff-necked. They will break themselves through their own heartaches and suffering, and they will come to Me of their own accord, or they will suffer greatly in the burning pits!"

"Oh, my Father, I know these things and my heart is so broken; for so few love You and our Saviour."

"But, in their brokenness, many shall come back to Me; for they shall soon see that there is no other way out of their troubles! My Little One, you know My great love for all of My people and you know My great love for sinners all over the world; for you, yourself, have been lost and brought out of it only because of My love and grace."

"Yes, my Father, I have seen it!"

"And, you know, My Child, that I am a God of Great Love and Mercy, and that I Am slow to anger."

"Yes, my Father."

"But, there comes a time when I must pass a strict judgement, or few will make it."

 From The Mountain Prophecies Copyright 2005

“Yes, my Father.”

“And, you have seen My judgement in your own life in years past, and save what I did to you, you would not have repented.”

“Yes, my Father.”

“And, to it is now, My Child, save I pass judgement on this errant nation, few and I mean very few, shall make it; for too many call good evil and evil good!”

“Yes, my Father, this is so!”

“Now, My Child, you have been through great persecution; for Satan hates you greatly and not only Satan, My Little One, but many hate you, who profess to be Mine! They have persecuted you and you have set out to destroy My works through you, for they are full of pride and arrogance, believing that they know all, when they know little or nothing. All, who elevate themselves, I shall debase; and all, who believe themselves wise, I shall show as foolish. My Child, I have allowed Satan to do to you what he has done, for these things have been your trials and tests.”

“And, Father, I thank You for every test! Praises to Your Holy Name!”

“And, truly, they have all been for your own spiritual growth and development. For, you truly are the Woman of Revelation 12, even though Satan has come at you and he has terrorized you, and has even tried to make you believe that you are not this Woman of Revelation 12. There is none other and all should know that there is not another woman alive, who is so stalked and who is so persecuted by the Satanists, all over the world! For, you, My Child, are the real woman with the crown of Twelve stars. Your very work, your suffering and your heartache, My Little One, have ushered in the beginning of My Kingdom. Your very existence is a terrible affront to Satan and he and all of his leaders, all of his kings, and queens hate you in a very big way. For, in Europe, you see the fake woman on the beast with the twelve stars. This woman is a lie and this woman is a fake; but you, My Little One, are the real woman, who has the crown of twelve

stars. You are the White Buffalo Calf Woman, the very one, whom the Native Americans have waited for. There is none other, save you. This is why My vortex follows you everywhere. This vortex goes into many thousands of dimensions and the evil ones surround you night and day, watching your every move and listening to your every conversation, even recording your every thought. For, they are looking for fault in you. They are looking for ways to tempt you and to drag you down. Yes, they have abducted many, who know you; and they have done all they can to turn many against you and to isolate you and to make you alone! But, I have preserved a few, and I have kept them as your true friends.

So, My Little One, your very existence is a great affront to these evil ones. Many of them lose a great amount of sleep in pondering how to get rid of you and to stop My Kingdom from being established in the Earth. You are alone and you have little, but this is not enough for them. They want you done away with. They want you dead; but My hand is upon your life and I keep you in the palm of My hand. You, I love very much; but I hate evil and I shall destroy it all. The time has come, My Child, when you shall see My desires upon your enemies. You shall see Me vindicate you of all wrongs, which have been done to you. All, who have put you under foot, shall go under my foot! All, who bless you, I bless! All, who hate you and malign you, without cause, I hate and I shall overturn them and destroy their haughty ways. And, save they repent of their evil, which they have done to you, I shall destroy them all. Leaders of nations shall soon fall and the whole world will know that I have done this thing to them, as they have persecuted you without cause and they have done terrible things to you. All, who have put you under foot, are not under My foot. For, I am rising up in My wrath against your enemies and I am now empowering you as you have never been empowered. And, My rainbow fire shall go with you and out from you and many shall see My fire in the sky, which goes with you and they shall be sorely afraid! You, My Little One, have been through great and horrible tests and trials and I have brought you out the other side as you have not given up on Me, but have loved Me all the more. Now, My Child, you will see My spiritual rewards as they come flowing into you. Let all be the wiser. I am your Father in Heaven, yea Jehovah, Most High God.

# CHAPTER SIX - PART I

## "The Supernatural Army is Riding!"...But...

## July 09, 2005

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, My call has been out for many years, even decades for the awakening of My Supernatural Army. And, truly the time is now when some are truly awakened and they are ready! They have received their white horses and they are busy riding spiritually to and fro throughout the whole Earth in doing My will and in carrying out My purposes and designs.

But, look, My Little One, these, who are ready and who are riding, are less than one-third of all, who should be ready to ride. Look, My Little One, at the spiritual state of the rest, who have been called, and who should now be on their horses and ready to carry out My assignments.

Look, My Little One, they sleep! They slumber and some try to get up but fall back again into their slumber. The alarm has long gone out for all in My Supernatural Army to rise, and to come forth in purity, in truth and righteousness, to ride for Me and to do the spiritual work that I have called them to do. But, My Little One, they slumber on, oblivious to the calling on their lives. Many of them are piled up among the dead bones in the dead churches, where they are filling themselves with heaps of lies and perversions and they will not extricate themselves. Many are passing away their days in idle talk and idle living awaiting a rapture to take them out, so that they will now have to go through hard times.

Little One, these, who slumber, are Mine. Before the foundations of the world, I chose them and I sent them here at this time to fulfil these callings upon their lives, but look at them, My Little One. Look and you will see My sorrow and My disgust. For, now

 From The Mountain Prophecies Copyright 2005

comes the time wherein they have been called and sent to do as they were created to do; but they sleep on.

So, My Little One, I shall now begin to handpick the alternates for those, who have these callings and sleep on. For, I shall soon fill this army with those, who love Me and who put Me first, and who hunger after righteousness. I shall cast aside the sleepers and they will sleep on amidst the great turmoil, which is at hand. For, many are called and many are even sent, but few are chosen. And, soon, My Child, very soon, you will look and you will see this Supernatural Army whole and ready to ride. You will see no sleepers! None, who slumber, will be in these ranks; but all will be awake, and all will be ready to ride.

Put this on the website soon; for the culling is at hand. I am your Father in Heaven, yea Jehovah, Most High God.

## CHAPTER SIX - PART II

### Our Father's Words today, Aug. 01, 2005 regarding the following message:

"Put it out to the people, as My Power is going forth in this Earth as none have ever seen!"

**"Escape Routes Being Shut Off"**
**July 16, 2005**

Tonight, (July 16, 2005), our Saviour said to Me, “Come up here!” And, I went in the Spirit to meet Him in the Upper Realms. He gave me one key and told me to go and shut down a particular portal in the heavens, which was also a series of many portals, and they were all lined up in a row! He has had me do such things many times in the past. These are interdimensional doors and this is all part of shutting down Satan and locking him and his evil ones in the Earth so that they cannot travel the Upper Realms. This is one reason that they hate me so much. One reason that they follow me everywhere and have tried to stop me every way that they can! But, My Father in Heaven keeps me here and to Him is the praise and glory forever and ever, for I am so delighted and so greatly blessed to do this work for Him!

But, back to what I was saying about this series of portals. He gave me a key and told me to shut down this particular portal; and after I inserted this key, I heard a very loud noise in the Spirit when this was completed! Then, He gave me a key with several sharp points on it. (These keys seldom look like earthly keys.) This key had a nuclear-like symbol on it and I said to our Father, “They are not going to like that!” I put the key into its proper place in the open door and I saw a series of doors shutting as well!

Then, He gave me a third key, which looked something like a rocket. I pushed this key through the open door and it took off like a rocket, moving very fast through many doors, and the doors just disappeared as this rocket-like key passed through them. I kept watching this key pass through the many open doors, and the doors dissolving and disappearing as it passed through them. At some of these doors, obstacles and barriers had been placed to stop this process from happening, but this rocket-like key hit all barriers and dissolved them immediately, along with the doors, and all disappeared into the light of God. Then, our Saviour said to me, “ They were expecting this one and have laid many traps and snares to stop it, but it will not be stopped. It will reach its destination without fail in three days time, for they cannot stop it and then this door will disintegrate and be forever closed!”

 From The Mountain Prophecies Copyright 2005

"Thank you, my Precious Saviour and all of the praise and glory to our Father in Heaven! My Lord, what does this mean about the closing of these doors, but especially the last one?"

"Trouble for them and trouble for mankind, for Satan is being boxed more and more into a corner and he will be defeated!"

"My Lord, You could have had anyone insert these keys and/or You could have done it yourself. Why did you ask me to do so?"

"You have been chosen to do so before the foundations of the world! It is your privilege and your great blessing. This is why!"

"Thank You, my Blessed Saviour. Is this message tonight only for me, or for others?"

"It is only for you at this time. But mark the date, as this is a very important date and I may allow you to write of it later!"

"Thank You, My Lord!"

"Now, go in peace and be blessed, My Child!"

(As you can see, He gave me permission only today to post this. Dear Ones, the closing of these portals affects the militaries of the world as they travel these portals in their space programs! So, as they are shut down, they are obviously in trouble! Now, when I say "space program," I do not mean that archaic space program, which they are parading in the news regarding NASA, the one with the rockets, rocket boosters and the "airplanes" with the dilapidated tiles falling off! I mean their real space program,

wherein the travel through these interdimensional spaces; and go from planet to planet, their real space program, wherein they have their own spaceships and antigravity machines. This is the real space program of the Luciferians, who run this government, and who run the other big governments of the world! This is a very big reason that they are hopping mad with me, but also because of the fact that our Saviour gave me the keys to the establishment of His Kingdom. Praises to His Holy Name!

Dear Ones, this evil world system is falling, even as it is rising. Therefore, you and I need to rejoice daily, no matter what we have to go through, for our Saviour's Kingdom is being established right in front of their faces, in one heart at a time! Praises to our Father in Heaven, for He loves us so!)

## CHAPTER SEVEN

### "What an Awesome Gift!"

### "The Captives are set free!"

### July 20, 2005

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. My Little One, today is your birthday and while birthdays may not have any importance to some, the dates of earthly births and departures are significant to Me and I remember! Now, My Little One, you were beginning to think that this day would be an insignificant day. It is not! You are 57 today, but beyond that, My Child, it is important for many reasons. Around this time last year, you moved out of the house and separated yourself from your husband. You have been under heavy satanic attack for years, My Child, but especially the last two solid years, as they never leave you! Yes, My Child, they are very afraid of what you may do and what I may do in My vortex. But, today, My Child, marks another very important day and an important day for hundreds of thousands of trapped souls! For, on this day, I have sent you into the underground chamber of the evil greys and reptiles and their overlords to free these captured souls and with this work, alone, hundreds of thousands have been freed! They will look for them and not find them and this is My reward to you, My Child, also as you have long prayed for these prisoners, who are under the ground, but you never knew then about the hundreds of thousands of trapped souls, whom they trapped and sealed away. But, today, on your birthday I have also given you this gift!"

"Oh, my Father, what a beautiful gift, indeed! If I needed to go through all that I have suffered, to do this one thing, Father, every bit of this great persecution has been worth it!"

"Oh, they will be angry, My Child, but if they do not back off, I shall send you into their choice spots, and they shall find even greater losses! My Little One, I am raising up My Supernatural Army and I am sending them forth and these evil ones can do nothing

about it. Just know one thing, My Child, that as of this day, many prisoners will rejoice and so should you, My Child; for this is My reward to you also for your steadfastness and dedication amidst such great persecution."

"Father, they had them sealed up in horrible thick containments and these encasements were solid."

"They may be solid, My Child, but I just opened them up and I set these captives free. But, you I sent, My Child, with My sword, under My power, in the Spirit to do this wonderful work. Mark this day, July 20, 2005, for today they are left scratching their heads; for I am moving to make right many wrongs in this Earth and I shall use My own army to do so." (The Power of our Father in His sword, which was in my hand, broke the containment field around these huge containment centers; and when this field was broken, they were set free!")

"Oh, my Father, I see now how they are all gone, but Oh, Father, the agonies remain in the spirit of all the sorrow that they felt and left behind. Father, take vengeance on these evil and disgusting hounds from hell. If You will ever allow it, Father, and if You send me in with Your power, I will gladly go after them for absolute defeat, as I despise all that they stand for."

"My Child, a shaking is coming, for war is on its way and it will not be stopped! Be at peace this day and rejoice; for you have done a beautiful work for Me, My Little One! Over 600,000 captive souls are now free! This certain prison is now empty and there will be some howling going on tonight!"

"Praise You, Father! Blessed is Your Holy Name! Thank You, Father! Thank You! Thank You! Thank You!!"

"Now, My Child, put this on the website soon with the last message that I gave you!"

Try to find an interview on the Internet called the Dulce Interview by someone named Branton. I had only read this a few weeks prior to our Father in Heaven setting these souls free and what I read just devastated me, but I already knew a lot of what this security guard was speaking of in this interview, as my Father had carried me into some of the underground bases years ago and I had seen many prisoners, people in cages. It was so sad and I have prayed for their freedom on and off for years.

My Dear Ones, this event took place between 9:30 and 9:45 on the night of July 20, 2005. I do not know how they got all of these souls and trapped them, but our Father knows. Shortly after this event, the mockers and scorners on Watchmen-Prophets-Assembly spewed forth their venom and hate, attacking what our Lord and God has told me in the past about disembodied spirits. These mockers and scorners tell you that all spirits either go to Heaven or to hell, when they die, and that is it! Period! You will read about the mockers later in one of the following chapters, but what is important is that Satan had them lined up quickly to attack what I write to you now about disembodied spirits. This has been done so that you would not believe what I say about this beautiful event! The Satanists have obviously infiltrated Watchmen-Prophets-Assembly, or some there have been taken up and mind controlled, which is the most likely scenario!

Better watch these forums, where they set themselves up as judges over our Father's works! They are full of ego and pride and they are authorities on everything! They are also prime targets for abduction and mind control! I have seen this many times to date with so many in South Africa being taken; and it is unbelievable! If one's heart is right with our Father in Heaven, this mind control will not work, but where there is pride, rebellion and unrepentant sin, they enter with their mind control and the mind control sticks. I was in one of their saucers one night as the Spirit of God took me there to

listen and I heard them say that this mind control is 98% effective for the short term and 50% effective overall. This apparently means that as time goes on after these mind control sessions 48% recover, but 50% do not! But, I heard them say that they cannot mind control the other 2% and this troubles them! Read it again! This mind control does not work on 2% of the people, ever! This mass abduction and mind control is not fantasy! This is going on all over the world! This is what these Satanists and Nazis are doing right now, from night to night, and they are doing this on a very big scale; as they are work hand in hand with the otherworldly creatures! This is a war of the worlds as they work feverishly to annihilate humans off the planet, or to make them mind controlled slaves, robotoids!

So, as I was just telling you! When you see the backbiters, the gossipmongers and the know-it-alls coming together to set themselves up as judges over others and to destroy others, who do these works in earnest for our Father in Heaven, get awake and get out from among them, lest you be found guilty by association in the eyes of our Father. When you sit in the midst of such people and take it in and believe it, you are just as guilty as they are!

You will read about the hatemongering of this group toward me and these works in one of the coming chapters! The timing of their hate mongering about disembodied spirits is absolute proof that they are pawns of Lucifer. See how Satan operates! He knows very well what happened on July 20, 2005 and he wants to steal our Father's victory! He cannot as these spirits are gone from captivity and some, if not all, are going to get a chance to study the gospel and to be healed of their horrible trauma, and go on to beautiful places in our Father's Kingdom! Praises to our Father in Heaven, for He is so full of love and mercy!)

## CHAPTER EIGHT - PART I

### "If the heart is dark, the eye is dark!"

"My Beloved Child, I am your Master, your Teacher, Your Friend and Your Saviour; and one day soon, My Little One, I will be fully married to you for all time; for you are part of My Bride and the time for this marriage comes quickly now.

My Little One, you know that I am the Hope of this world; for I am your way to freedom. All of humanity stands on the threshold to slavery. What you have been through, the masses will soon go through, but those on the Broad Way will not have a leg to stand on, as they are not standing on the Rock of Salvation. They have made their foundation on shifting sands and they will soon be pulled under."

"Oh, my Lord, who would believed what these Satanists and their other-worldly counterparts are doing to humanity? My Lord, they are mind controlling so many in these saucers and many do not even believe it, or know it, when they have been abducted and mind controlled. My Lord, this is horrible beyond words and I do not know when people will ever wake up!"

"My Child, if the heart is dark, the eye is dark; and if the heart is dark with unrepentant sin, one will live according to the thoughts and the thoughts are what these evil ones manipulate. But, if one's heart is full of My Spirit, and if it is relatively clean of sin, this one is not easily manipulated or mind controlled. But, as these evil ones can read thoughts, like some read a newspaper, they are constantly looking for unclean thoughts. Where there are unclean thoughts, there is unrepentant sin, and where there is unrepentant sin, there is darkness in the heart. So, where there is much darkness, you will find a very cognitive person, a person, who dwells on things of the mind and things of the flesh. This one is very easily manipulated by these evil ones and this one is also very easily mind controlled, as this one is devoid of My Spirit in general and is already locked into the world system."

“What a terrible thing!”

“Yes, My Child, you saw what they did to My son, who is a prophet in South Africa. They took him and stuck a spiritual screw into his heart.”

“But, why?”

“My Child, they saw some things in his thoughts, which were manifest as unrepentant sin in his heart. So, they tapped into this spiritual part of his heart. This screw was spirit, but had the same effect, as it had been a physical reality. It affected him and would have caused him problems if I had not helped you remove it. But, as he did not recognize this unrepentant sin, they continued to work on him. The screw can be removed, as I helped you to do, but they can put it back if they still see the sin.”

“Oh, this is terrible. And, My Lord, another friend had a long, plastic-like thing, inserted in her back; and they did this as well?”

“They did.”

“And, what is all of this about?”

“Spiritual weakness. A tendency to denial and to not stand up for right when she should.”

“So, this thing in her back caused her great pain?”

“It did.”

“Oh, my Lord, this is horrible beyond words. So, people then become their greatest fears and suddenly their greatest weaknesses as well.”

 From The Mountain Prophecies Copyright 2005

“In so many words, ‘yes.’ People are in an accelerated growth pattern. They will quickly grow toward Me and our Father through all of this pain, or they will quickly grow toward the mark of the beast, wherein they will become robotoids.”

“Robotoids?”

“Exactly! This is what they will become as they love this world and the mental. Therefore, they will become slaves to this world and to the mind of the world. Those, who love Me and our Father and put My Father first, will become cleaner, purer, and most spiritual. When I come for them, it will be easy for them to turn into light beings and they will be more and more SPIRIT until they are full of the Spirit of God; and they are then clean. But, My Child, they must stop the fears! All, who avoid you, as they fear association with you because of all that you have been through, will go through some very terrible times because of their fears. For, no one can hide from Lucifer and none can hide from Me. All will be tried and tested in their greatest of fears if they live long enough. So, it is best to work through these fears now, as there can be no faith where there is fear.”

“Oh, my Saviour, what a mess!”

“It is, My Little One, but this sorting must be! Mine will all stop the games. They will get real with Me and with others of you and they will remain real, steadfast, and obedient to our Father, or they are devil bait.”

“Oh, My Lord, they do not have one clue as to what they are up against.”

“No, they do not. But you do and you have told many and others want to make you out as insane! Soon, they will see who is insane! For, their minds are totally unprepared to know or accept the truth, so they will live on in their lies until they find themselves as part of the group mind of Satan!”

“Oh, my Lord, I think that many are already a part of this group mind.”

"Yes, My Little One, but the voluntary chip to the head will solidify their choices. Now, My Little One, get these things typed so that all may be the wiser. I am Jesus, yea one with Jehovah, Most High God."

## CHAPTER EIGHT - PART II

### Second Message from our Father in Heaven

### "The Great Love of our Father in Heaven"

"My Blessed Child, you cannot know how much I love you, but you must know, My Child, for I am your Father in Heaven, even Jehovah, Most High God. And, day-by-day, My love expands in you through the suffering, which I carry you through. You do not know it, My Little One, but I am making you free! I am making you free of all ties that bind; and one morning you will wake up on the other side of the world, doing a work that I sent you to do. Be prepared, My Little One, for what is unexpected and totally surprising. This is the day that the Satanists have dreaded, the day wherein I empower Mine to do the impossible. Yes, this is the day wherein My Supernatural Army rides and those, who are ready for it, are now riding.

My Little One, what greater thing can you do than to do My will and to bring Me glory?"

"My Father, there is no greater thing than to do Your beautiful and perfect will, to be an instrument in Your hands, only for the purposes of bringing You all the praise and glory. What a joy!

 From The Mountain Prophecies Copyright 2005

Father, it is so beautiful up here. Where am I? I can see for miles and the air is so intense?"

"My Little One, you are in Israel."

"Oh, my Father, it is not looking so good, as I look down below; for it seems that all that is beautiful is now gone, and there is before Me a very large, black hole, or an abyss."

"My Little One, step off this mountain and go down into the abyss."

"Yes, my Father, but it is so dark and I do not know where I am going or how to move from place to place, as there is no light. But, as my eyes adjust, I see that I am on a windswept hill and I see the lights of a city in the distance."

"My Little One, do you know where you are?"

"No, my Lord."

"You are facing Jerusalem."

"My Father, I cannot tell much about anything as all is so dark."

"Yes, My Child, it is dark and Israel is headed for a time of even greater darkness; for great unrest and darkness now sweeps Israel and Israel is headed for war. It is being planned by opposing forces right now, but I put My very sword down in the midst of the city right now and the ones, who oppose it, I shall cut to pieces. For, I, myself, shall fight the battle in this city."

"And, Father, I see Your hand come down and it is grasping a very huge and radiant and brilliant, burning sword. My Father, this frightens me. I have never seen Your hand on a sword, like this!" (The power of this sword hit me in the pit of the stomach and I felt weak all over!")

“No, My Child, you have not, but through My war in this very city, I shall judge the world.”

“Oh, my Father, this world is in such a mess. Help us, Your Children.”

“My Little One, I am cleaning up the mess in the lives of My Faithful. I am ridding them of all that distracts or tears down; for I will need their undivided devotion to fight this war. So many of them are going through great trials right now as I separate and divide out of their lives all of the fakers, the insincere and the lawless. And, this is what I have done to you and because of it, you have shed many tears; but you had others around you, who did not love Me. They did not understand the gravity of the works that I have called you to and they took you away from work that I called you to do. All that you have been through, has been a necessary part of your walk; and now you are going forward. Now, My Child, I shall use you to take down those, who have walked on you and have abused and mistreated you; and I am speaking of those in government, and the Seed of Satan, who have done terrible things to you. Now, My Child, I shall empower you; for you are fully Mine and you are focused on Me and My work without distraction.”

“My Father, why did You allow the Luciferians to kidnap me so many times and to do to me what they did?”

“To show you how much I love you, that I love you as Daniel, Shadrack, Meshach and Abednigo. I allowed it and I brought you through it and now, I shall raise you up as a mighty voice in this world. The Satanists had their time and now, you will have a time of victory against them. It is for you, as well, My Child, to teach others, what they do not know about this great invasion on the Earth, as Lucifer and his hoards are all but cast down. So, go in faith, for all has been for reasons, and you do not understand these reasons, but I do. Now, regarding Revelation 12, the book,¦ I give you the option to print it, or to post it on the Internet. I give you this choice and I also respect your choice. I am your Father in Heaven, yea Jehovah, Most High God.”

# CHAPTER NINE

## War is coming!!!!!

"My Blessed Child, I am your Father in Heaven, yea Yahweh, yea Jehovah, Most High God. My Little One, as the summer ebbs away, you have a feeling of pain and despair in the pit of your stomach, as you wonder whether this is the fall of great calamity. You wonder whether you will make it through another year as a nation, or whether you will fall this year, and never rise again."

"My Little One, you know that in the past, I have revealed many plans of the enemy to you and that you have trumpeted these plans all across the nation. There was a time that people would listen. They wanted to hear these warnings; but one by one, these radio talk show hosts closed their doors to you and did not want to hear these warnings, even though those in the intelligence agencies verified over and over the truth of what you had foreseen, but only after the fact.

My Little One, I have given you another repentance letter for the churches of American, but I tell you, My Child, that very few have sent it out and this, My Child, is because of apathy. The masses simply do not believe, or care. The people do not believe and they are hoping against hope that their worst fears will not come about.

My Little One, over the last three or four years, you have seen a great decrease in the numbers of the righteous, in the numbers of those, who really love Me and who walk in righteousness. You have seen many fall by the way, that you considered rock-solid in their spiritual walk! And, you are shocked in this!

My Little One, I have shown you the secrets of the Illuminati over and over and this is why they raped you! My warnings through you upset them greatly! These warnings alone, greatly set them back in their New World Order war against America! This is why they raped you, but I allowed it also to try and test you for greater works. And, in spite of it all, you have been steadfast in your faith.

 From The Mountain Prophecies Copyright 2005

Now, you ask about this fall and I ask you, My Little One, 'How many even care!' How many are lining up to help with these works? To the contrary, many flee from you as you have been so persecuted. And, they want to receive the warnings and to reap from your suffering, but they want nothing to do with these works openly, lest they be persecuted also. Now, does this make sense to you?"

"Yes, my Father, it does. Who would want to go through what I have been through, just for exposing evil?"

"My Child, you have not just exposed evil! Because of what you have done, millions of souls are still alive. They are still in this Earth. This has been a very important work, but most do not appreciate the great sacrifices that you have made, the terrible trials that you have been through; and few help financially with these works. Now, My Child in spite of all of this, you still plead with Me to show you their secrets."

"Yes, my Father, for I do these works for love of You and for love of the lost, even if they do not know it, My Father. If they help, they do, but if not, it is okay by me; for Father You will never let me want."

"This is so, My Child, but I also work through the hearts of others and the truth is that few listen and this is fewer by the day. All over the USA, there are few righteous, and I mean few, so why should I continue to spare this country?"

"Because there a few and just as Abraham pleaded for Sodom and Gomorrah, I now plead for this utterly rotten nation and I will take my punishment at the hands of the evil ones, if this is required of me, if you find me worthy to reveal these plans. But, if this is not Your will and You do not find Me worthy in some way to do this, then Father I let it go."

"My Child, you are worthy, but the masses are not worthy! They reject Me and My Son for the vulgar and dark ways of this world. My ire is raised against this nation and My hand is set toward it for destruction and not good. Yes, plans are afoot, New World Order plans to nuke New York City, and this plan is imminent! But, their alternate plan

is aerial chemical and biological warfare. They have a list of ten cities, all or some of which they are planning biochemical attacks on; and they are planning them sooner, rather than later. When I say, 'sooner,' I mean by years end and I may allow some of this to wake up and shake up this land!"

"My Father, what are these ten cities?"

"My Child, these are the ten cities: 1. New York City; 2. Chicago; 3. Los Angeles; 4. Alamagordo, New Mexico; (As I write this, I wonder why this one is included with the rest, as these other cities are quite large, but this one does seem to compare to the others. Yet, I know that this is what I heard.) 5.Houston, TX; 6. New Orleans; 7. Atlanta; 8. Pittsburg; 9. Cincinnati; 10. St Louis Missouri. Now, at this time these are the ten cities on their list. Of course, this will be a massive Al Qaeda attack, through which the New World Order Illuminati plan to galvanize the people once more into a war against other Middle Eastern countries. They are planning this and they know that this attack must be greater than 911, or you, as a nation, will not go for it.

This is what you are now facing. Plus, an economic meltdown, but they are holding off the economic meltdown for now as they are pushing for the American public to get behind the Bushes in this war against Iran for more control of the oil. If and when Iran is attacked, WWIII will begin to escalate and there will be no turning back as many countries will pile into this war and America will be nuked shortly thereafter."

"Oh, Beloved Father, thank You so for telling me this! I can only hope and pray that the people will repent, but My Lord, I do not feel good about it at all."

"And, what you sense is correct. I give you this out of love for you and for My people. But, do not expect this terror to be put off for long as few, and I mean few, will ever pray about what I have just given you. When someone, such as yourself, risks his or her own life over and over to save millions, and few even care or help in any way, even when they see the hard times that you face, My Child, this should be a great wake-up call! Why should you continue to risk your life for those, who truly care so little?"

 From The Mountain Prophecies Copyright 2005

"My Father, there are a few righteous ones that I love very much and You know who they are; and Father I continue to hope and pray for the salvation of the lost."

"Yes, My Child, I know this and because of the love in your heart, I have just shown you once more the plans of the Illuminati/Satanist/Fake Jews. Go in peace, My Child; for I love you very much!

As witnessed, dictated and recorded this 23rd day of July, 2005,

Linda Newkirk
White Buffalo Calf Woman

After this vision, a dear sister sent me a prophetic warning in which several people in Israel were getting prophecies, or other kinds of warnings about an imminent attack on northern Israel. Once, I got her e-mail, I paraphrased this warning and the previous warning about our Father's sword in Israel and asked her to send this prophecy to the chat room, which is Watchmen-Prophets-Assembly, a yahoo group. Well, just as our Father in Heaven had warned me, they started attacking me, oblivious to any truth in this warning. One by the name of Joe Cook, scorned the fact that Moses had visited me so many times, implying that I had called him up from the dead, when this is absolutely false. I asked our Father over many months to send me a teacher and I expected Him to send me a teacher from this realm, but OUR FATHER IN HEAVEN SENT MOSES!!! So, this man, Joe Cook, has paraded a bold-faced lie, all to discredit these prophecies? Then, he attacked what I have written about disembodied spirits when he does not know what he is talking about again!

And, along with Joe Cook, other hate-mongers were chiming in; and one was a woman named Denise Turner from Florida. I have communicated with this woman for years and have repeatedly prayed for her through her many trials, but there she was, talking out of both sides of her mouth. I acknowledge that people have the right to believe as they choose, as our Father in Heaven has given us all this choice; but many are fools, who are setting themselves up as judges over our Father's works and over others who

work for our Lord and God. They are backbiters, gossipmongers, hatemongers, liars and deceivers. They are high-minded, takers, users and abusers!

What is most interesting about all of this backbiting is that I wrote them a letter, telling them exactly what I thought of them! But, true to form, they would not print this letter! They can dish it out, but they cannot take it! So, I am posting this letter, the one that they refused to post! Here it is for your reading!

**MY RESPONSE TO THE HATEMONGERS, THE BACKBITERS AND THE GOSSIPMONGERS AT WATCHMEN-PROPHETS-ASSEMBLY!**
**YOUR HATE MONGERING OF LINDA NEWKIRK**
**JULY 26, 2005**

This is a message for those of you at Watchmen-Prophets-Assembly. I have read what you have all said about me behind my back and how you have blasphemed another prophet of God. How easy it is for all of you to scorn, to throw stones, to judge, to call what is true false and what is false true. You are shameful in the way you parade your pride, your arrogance, your bullying and your backbiting ways. You are gossipmongers, hatemongers, know-it-alls, and you have elevated yourselves above the word of God. Such people as you are absolutely lawless as you put yourselves above others and make yourselves judges over our Father's works. With your sharp tongues, you hurt innocent people and you scatter the sheep of God.

Denise Turner, I am shocked at you, considering all the times you asked me to pray for you and to comfort you through your losses. But, birds of a feather do flock together and you all deserve one another. You have cursed yourselves with your mouths and I do hope that you get a handle on your hellish ways, as you will stand before the judgement bar of God.

"Father, You see what they do, how they mock and scorn. Clean up this mess, Father, and make them ashamed, for as a bunch of swine, they have trampled what is of You and have put into the dirt."

Jesus is my Way,
Linda Newkirk

 From The Mountain Prophecies Copyright 2005

The words of our Lord and God, as spoken in From the Mountain Prophecies, have been verified, as true, via research, OVER 5000 TIMES!

Dear Ones, you will quickly recall that our Father in Heaven did not want to give me these visions of the plans of the enemy against the USA! And, this is very evident from His message, above. As soon as He told me these things, I would find out once more for myself, that the people of this country are rotten, with very few, who are righteous; and this nation must be judged!

In addition to their rejection of these words, after my Father in Heaven gave me these warnings, the evil ones in this government, sent a suprasonic weapon through the phone, which caused excruciating pain in my left ear and I believe that this may have ruptured my ear drum as I heard a pop in my ear. I am sure that this very thing contributed greatly to the severe headaches, which I had for three days, and I was only relieved of this, as my Father healed me!

In addition to these rejections and attacks by the Satanists at the Pentagon, who work for George W. Bush, The Pentagon have put many of their antigravity machines around the house night and day. The noise is loud! They shot beams into my head, which caused me to wake up gasping for air, and I believe that this is what happens when they are trying to paralyse one so that they can be sucked out through their beams. They shot beams into my throat and made me swallow violently, and this is also what they do when they want to punish one. They have done these horrible things to me a lot within the last two, or so, years! Not only this, but a neighbor whom I have nothing to do with, veered onto my side of the road and almost hit me. This was an in-your-face intimidation, as this man and Dennis are friends; and this happened on the same day that I got this prophecy!

So, was it worth it to get this warning? I do not know! I do not know if some will take these warnings seriously, fast and pray and avert these horrible catastrophes for a while. Only our Father in Heaven knows, but I have sought our Father on this, not for myself, as I do not fear one thing, not one person, not one demon, or one devil. I do not fear what is coming into the Earth. It saddens me as so many will go the Lake of

Fire at once, but I am not afraid. I fear my Father in Heaven and He keeps me against great odds.

No! I did not seek this warning for me! I sought it for you! All that I have gone through just to get these few prophecies of warning in these two chapters has been done for love of you! And, I do hope that you know that someone loves you! Above all, our Father in Heaven loves you! Our Saviour loves you enough that He died for you. And, I love you enough to go through this suffering, and if only a few of you will come back to our Father in Heaven, and repent, it is worth it to me. But, most of all, I agreed before my Father in Heaven to go through whatever I had to go through, as I know a few of the faithful and I greatly love you! I know that you will read these warnings, take them to heart and pray about them.

**THE VISION, WHICH MADE ME SICK FOR NEARLY THREE DAYS!"**

**OUR FATHER'S SWORD ACROSS AMERICA, CANADA, MEXICO, AND MORE!"**
**JULY 27, 2005**

On the morning of July 27th, 2005, I told my Father in Heaven that I could no longer ask Him postpone His judgements on America, that this rotten country must be judged! The attacks of the Watchmen-prophets-assembly, to me, was just one more nail in the coffin of the USA. I was so tired that day, too tired to do so much of the typing that needs to be done! So, I thought that I would go out of the house, at least for a break, to check the mail, and just to get out to a change of scenery. So, I went to North Little Rock to check the mail and this one-way trip must be around 35 to 40 miles. I got caught in a very long line of traffic and I wondered why I had even bothered to get out of the house! But, I went on and checked the mail and stopped at a restaurant on the way back and ordered a meal. But, I really was not even hungry and only ate a little of what the waitress brought. Then, I decided to go on to Conway on the way back, but just about a mile from the Mayflower exit, I got caught in a powerful vision. Usually the visions, which I get while I am driving are short, and I can get them and continue to drive with no problems. But on that day, this vision was different. Oh, it was so bad!

 From The Mountain Prophecies Copyright 2005

**THE VISION!**

I LOOKED AND THERE WAS OUR FATHER'S SWORD, THE SAME SWORD THAT I HAD SEEN HIM DRIVE INTO THE MIDST OF THE CITY OF JERUSALEM A FEW DAYS PAST! OH, IT WAS SO HUGE AND FULL OF HIS FIRE AND POWER! AND HE HAD IT IN HIS HAND, HOLDING IT UP AND OVER THE USA. THIS SWORD WAS SO HUGE THAT IT LAY ALL THE WAY ACROSS AMERICA, WITH SOME OF IT HANGING OVER EITHER SIDE OF THE COUNTRY! AS I LOOKED AT THIS SWORD, I GASPED AT THE SIZE OF IT, BUT ALSO BECAUSE OF THE GREAT POWER, WHICH WAS RADIATING FROM IT. SUDDENLY, I FELT WEAK ALL OVER! I COULD FEEL EVERY LAST BIT OF STRENGTH OOZING OUT OF ME, AS THIS POWER WAS ABOUT TO CAUSE ME TO FALL ON MY FACE; AND I WAS DRIVING THIS CAR! I HAD NO STRENGTH LEFT AND I DID NOT KNOW WHAT TO DO, BUT TO KEEP ON DRIVING UNTIL I COULD STOP! BUT, I TELL YOU THAT I WAS SHAKING AND TREMBLING!

THEN, OUR FATHER SPOKE TO ME AND HE SAID, "WILL YOU TAKE THIS SWORD AND DO AS I ASK?"

OH, I COULD NOT IMAGINE SUCH A THING! THIS SWORD WAS MONSTROUS AND HAD SO MUCH POWER THAT I COULD HARDLY KEEP FROM PASSING OUT, JUST BY LOOKING AT IT! I THOUGHT, "I AM ONLY A CHILD!" AND, I BEGAN TO PROTEST IN THE SPIRIT, WONDERING HOW I COULD DO SUCH A THING!

THEN, HE SAID, "PUT YOUR HAND UNDER MINE."

I PUT MY HAND ON THE SWORD AND IT JUST SEEMED TO GET LOST IN THERE, BUT BEFORE I COULD EVEN THINK MORE OF IT, HIS HUGE HAND CAME DOWN ON TOP OF MINE! THEN, HE SAID, "STRIKE THE USA RIGHT ACROSS THE MIDDLE!" AND EVEN AS HE SAID THIS, HIS SWORD CAME DOWN ACROSS THE USA. I ONLY SAW A BLANK MAP OF THE USA. I DID NOT SEE ANY CITIES OR STATES, BUT THIS SWORD DIVIDED THE USA INTO TWO PARTS, THE NORTH FROM THE SOUTH. WHEN THIS SWORD FELL, IT CUT A DEEP GORGE RIGHT ACROSS THE WHOLE COUNTRY! IT WAS DEEP AND DARK. I WENT INTO THE SPIRIT DOWN INTO THIS GORGE, TO THE VERY BOTTOM OF IT, AND I COULD BARELY SEE THE LIGHT ABOVE AS IT WAS SO DEEP AND DARK, AND I WAS SO WEAK, THAT TO THIS DAY, I KNOW THAT ONLY THE GRACE OF GOD KEPT ME FROM FAINTING!

THE NEXT THING THAT I KNEW, I WAS UP IN CANADA, STILL WITH MY LITTLE HAND LOST SOMEWHERE IN THIS HUGE SWORD AND OUR FATHER SAID, “STRIKE.” AND, AS HE SAID THESE WORDS, THE SWORD FELL DOWN THROUGH CANADA, AND RIGHT DOWN THROUGH THE USA AGAIN, AND THEN RIGHT DOWN THROUGH THE MIDDLE OF MEXICO. NOW, THE USA WAS DIVIDED INTO FOUR PARTS, AND CANADA AND MEXICO WERE DIVIDED INTO TWO PARTS.

SUDDENLY, I WAS BACK IN THE SOUTHERN PART OF THE USA, MY HAND IS STILL ON HIS SWORD, LOST SOMEWHERE BENEATH HIS, AND THIS TIME HE DID NOT SAY A WORD, BUT SUDDENLY HIS SWORD CAME DOWN ON CANADA AGAIN AND IT CUT A DEEP GASH INTO CANADA FROM THE SOUTHEAST TO THE NORTHWEST! AND QUICKLY IT MOVED THEN TO THE OTHER SIDE OF CANADA AND CUT ANOTHER DEEP GASH FROM THE SOUTHWEST UP THROUGH THE NORTHEAST. NOW, CANADA WAS DIVIDED INTO SIX PARTS!

BY THIS TIME, I WAS FEELING VERY, VERY WEEK, AND EVEN AS I WRITE THIS DAYS LATER, THIS SAME FEELING IS COMING OVER ME AGAIN! AS I DROVE ALONG THAT DAY, I SAW AN ABANDONED WEIGH STATION UP AHEAD AND THERE WERE SOME TRUCKS THERE, SO I THOUGHT THAT I WOULD GET OFF THE EXPRESSWAY FOR A SHORT WHILE SO THAT I COULD GET SOME STRENGTH BACK AND FINISH THIS VISION. BY NOW, I FELT THAT MY BLOOD SUGAR MUST BE AT ROCK BOTTOM AND I WAS SHAKING ALL OVER, TREMBLING LIKE A LEAF IN A STRONG WIND. SO, I TURNED OFF AND WENT VERY, VERY SLOW AS OUR FATHER CONTINUED ON WITH HIS SWORD.

BUT, IN SPITE OF THE FACT THAT I WAS NOW SO WEAK, OUR FATHER DID NOT STOP OR SLOW DOWN. “NOW, MY CHILD, TAKE THIS SWORD AND MARK A CIRCLE IN THE CENTER OF NEW YORK CITY.” AND, AS SOON AS HE SAID THIS, THE SWORD WENT TO NEW YORK CITY AND MADE A DARK CIRCLE AROUND THE MIDDLE OF NEW YORK CITY. THEN, HE SAID, “ TELL MY PEOPLE TO GET OUT!” WITH THIS, A WAVE OF WEAKNESS HIT ME AND IF I HAD BEEN STANDING, IT WOULD HAVE BUCKLED MY KNEES! BUT, SOMEHOW, I KEPT EDGING ALONG IN THE CAR. THEN, FROM NYC, HE CONTINUED ON TO HOUSTON AND ONCE MORE HIS SWORD HIT HOUSTON AND CUT OUT A CIRCULAR AREA AROUND THE CENTER OF HOUSTON. AND, ONCE MORE HE SAID, “TELL MY PEOPLE TO GET OUT!”

 From The Mountain Prophecies Copyright 2005

THEN, THE SAME THING HAPPENED TO WASHINGTON DC, ANOTHER CIRCLE WITH HIS SWORD IN THE CENTER OF THE CITY; AND HE SAID AGAIN, "TELL MY PEOPLE TO GET OUT!" BUT, THIS WAS NOT ALL! FROM DC, THE SWORD WENT TO LOS ANGELES, MADE A CIRCLE AROUND THE CENTER OF THE CITY AND ONCE AGAIN, HE SAID, "TELL MY PEOPLE TO GET OUT!" FOUR CITIES, FOUR CIRCLES AND FOUR TIMES HE SAID, "TELL MY PEOPLE TO GET OUT!"

ONLY DIVINE GRACE KEPT ME GOING AND OUR FATHER IN HEAVEN WAS SUPPLYING THE ENERGY AS I WAS TOTALLY DEVOID OF ENERGY AND WAS SO WEAK THAT I COULD HARDLY GO ON AT ALL. BUT, HE WAS NOT THROUGH. NEXT, HIS SWORD HIT THE SOUTH AFRICAN GOVERNMENT AND A SERIES OF GREAT EXPLOSIONS WENT OFF, WHICH MUST HAVE BEEN HEARD AROUND THE WORLD! OH, HOW I DREADED TO SEE THAT AS I HAVE SOME THERE THAT I LOVE GREATLY!

AS I WATCHED THESE HORRIBLE EXPLOSIONS, I WAS THINKING, "HOW MUCH MORE?" THEN, I SAW THE TIP OF HIS SWORD TOUCH THE NECK OF THE HEAD OF SWEDEN AND A PIECE WAS CUT OUT OF HIS NECK. THEN, OUR FATHER SAID, "HE WILL EITHER REPENT, GET ON HIS KNEES AND COME TO ME, OR I WILL SOON SEND YOU TO MARK HIM FOR DESTRUCTION!" OH, MY! BY NOW, I DID NOT THINK THAT I WOULD HAVE THE STRENGTH TO GO ONE BIT FARTHER. WAVES OF NAUSEA COUSED MY BODY AND MY HEAD WAS SPINNING, BUT STILL HE WAS NOT THROUGH!

NOW, THE SWORD WAS DIRECTED TO LONDON AND IT HIT THE FINANCIAL DISTRICT! WHEN IT HIT THIS DISTRICT, IT MADE A CIRCLE AROUND IT AND AS THIS CIRCLE WAS COMPLETE, THIS DISTRICT BEGAN TO SHRINK. IT WAS SPREAD-OUT, BUT NOW BECAME NARROW ACROSS THE MIDDLE AND A SMALL SKY SCRAPER WENT UP, BUT NOT TALL, ONLY ABOUT 15 TO 20 STORIES HIGH. AND, I THOUGHT, "WHAT HAPPENED THERE?"

I COULD NOT STOP THE CAR THERE AT THAT OLD WEIGH STATION, AS I DID NOT KNOW WHAT WOULD HAPPEN TO ME! SO, I EASED BACK ON THE EXPRESSWAY AND GOT OFF AT THE FIRST CONWAY EXIT. ALL THE WAY DOWN THIS STREET, I WAS SO FAINT AND SICKLY FEELING THAT I DID NOT KNOW HOW I WOULD MAKE IT HOME. BUT, WITH THE HELP OF GOD, I DID MAKE IT HOME THROUGH THE BACK ROADS. AFTER THAT

VISION, I WAS SICK FOR THREE DAYS. THE SHAKY FEELING WOULD NOT LEAVE ME. I WAS SO WEAK ALL OVER, AS IF I HAD BEEN SICK FOR WEEKS. MY HEAD HURT SO BAD AND I DID NOT KNOW WHEN I WOULD GET OVER THIS.

BUT LATE ON THE NIGHT OF THE 29TH OF JULY, 2005, OUR SAVIOUR VISITED ME AND TOOK ME UP ON HIS HOLY MOUNTAIN AND SHOWED ME BEAUTIFUL THINGS IN THE SPIRIT. I FELT SUCH LOVE, POWER AND PEACE; AND THE NEXT MORNING WHEN I GOT UP, I WAS TOTALLY HEALED. TO OUR FATHER IN HEAVEN IS ALL THE PRAISE, THE HONOR AND GLORY FOREVER AND EVER!

AND, THIS IS THE VISION OF THE DAY OF THE 27TH OF JULY, 2005,

LINDA NEWKIRK

Now, from what I understand in my later conversations with our Father in Heaven, the strike across America indicates civil war. The many strikes across Canada indicate war, famine, disease pestilence, earthquakes, and disease, which will divide the country into six parts. The USA will be divided by wars and earthquakes very shortly and of course these other things, such as famine will also come in. The cut down the middle of the USA is most probably this great earthquake, which will come down through Canada, the heart of the USA and down into Mexico, which will also divide Mexico. He did not give me much this time about Mexico, but I do know that it will be ravaged by terrible natural calamities as well as wars, famines, etc.

SO, DEAR ONES, TAKE HEED! WAR IS SOON COMING TO AMERICA AND NOT ONLY TO AMERICA!

## THE GREAT SORTING OF SOULS IS UNDERWAY, AND ALSO THE GREAT FALLING AWAY!

## LETTER TO STEW WEBB

Hello, Stew Webb, you have invited me, Linda Newkirk to stand up, the real Linda Newkirk that is. I am now standing up and coming out into the open about things that you have done to me and have said about me. I am a private person and have lived a private and quiet life, that is, until so many chose to take up the stones of hate and malice and pound me with them.

I have known you for several years, Stew, and I have worked hand in hand with you to help save this nation. Our Father in Heaven has revealed many, many plots and schemes of the New World Order Satanists to me, which I have revealed for the world, so that they would be stopped and this country spared. And, you, yourself have verified, after the fact, through your intelligence sources that these things were proven true.

As a result of doing my Father's work, the Satanists in the US government, in the South African Government, the British government, the Swedish government and even other governments have made me a prime target of theirs. I know of no other person on this Earth, who has been stalked with such intensity over such a long period of time except for you, Stew and possibly a few others. But, I doubt that even you have been stalked by so many in antigravity machines at one time, and neither have you been hauled before the high-level satanic governing body of the world. And, most certainly they have not raped and sodomized you for exposing the truth!.

As I have told you before, many, many people are being abducted via these craft, subjected to all manner of despicable things, implanted with all manner of devices, many of them of spirit, and mind controlled! These things, I have told you and these

things I have warned you about. You were on this land last year and you saw these craft with your own eyes and you also saw the plane come over this house and spray it with chemicals.

You, Stew Webb, may think that you are above their mind control and above their implants and beyond their abductions, but you are not. In fact, you are and have been one of their prime targets! You, yourself, admitted to me that you have had marks on you from what you perceived as abductions. You have complained of severe leg pain, which I previously thought to be due to a possible deficiency of certain minerals, but I no longer believe this at all. From what I can now see in the spirit, this pain in your leg is from an implant in your leg and via this implant, they are able to track you and to send painful stimulations into you to punish you for the work things that you do that they do not like.

But, really, Stew, this is minor right now. You want the real Linda Newkirk to stand up so the real Linda Newkirk is now standing up. The real Linda Newkirk is a visionary, a seer, a prophetess of God. The real Linda Newkirk has been in the lion's mouth and has lived through so many Daniel experiences that they can no longer be counted or kept up with. The real Linda Newkirk has lived through many assassination attempts and has survived much witchcraft and voodoo, which has been directed at her through the Satanists of the world. The real Linda Newkirk has risked her life repeatedly to save the people of this nation from certain destruction. The real Linda Newkirk has suffered great losses just to live in this world and to continue to do this work of God, and the real Linda Newkirk has also lived to tell about it and has grown greatly spiritually because of all that she has been through. Stew, I am the Real Linda Newkirk, there is none other and will never be! But, you Stew Webb, are not the real Stew Webb, the one that I knew before I left and went to South Africa and now, Stew Webb, as you have invited me, the real Linda Newkirk to stand up, that is exactly what I am going to do! And, I am going to tell you exactly why you are not the real Stew Webb, the federal whistleblower that I knew when I left the States and went to South Africa. Somewhere along the way, Stew, you stopped being a whistleblower and you became an intelligence operative. And, as such you are no longer free and cannot be free as you are now of their mindset, which is controlled! In other words, Stew, you are now under

 From The Mountain Prophecies Copyright 2005

control of the Satanist factions, whether you believe it or not, the very ones that you have hated! You are putting out innuendos that I am not the same person and this is exactly what the Satanists and the government operatives put out in South Africa and elsewhere, who are being controlled by the Bushes and their disgusting counterparts through the Denver FBI and other government agencies, which you have often spoken against. But, Stew, something happened to you. You are now spouting their garbage.
Be reminded, Stew, that I have already told you to your face exactly how I felt about the bold-faced lies, which you spread about me behind my back and also to said them to my face! I told you, Stew, that you are full of pride and arrogance and that you need to repent. I confronted you about your lies and also told you that it is better for you to shut down your website and to even sleep under a bridge, than it is for you to go to hell.

Stew, you know how you treated me when I was going through terrible times and you also know that you showed no mercy toward me for what I was going through. Yet, rather than look at what you did, you refused to believe or accept a word of what I wrote to you personally. Now, you want to drag this into the public and you do so via your disagreements with David. Your disagreements with David are between you and David. I had nothing to do with the letter that David wrote to you and did not even know that he was writing to you until after the fact.

And, while I am on the subject of David, I must say that I have known David for seven or eight years and I have never heard David utter one curse word. David has sent me prophecy news and articles via the mail for all of these years. I consider David a friend and he has been there when many others have flown the coop. So, I am left wondering what you really said to a legally blind man, who has been disabled all of his life. I understand that David contacted you after I went to South Africa so that he could have a friend. But, as I understand it, you told him to stand on his own two feet and you say that you refused to pray for him! I must ask you, Stew Webb, what sort of person would refuse to pray for a blind man? And, what sort of person would shun a blind and disabled man in need of a friend and tell him to stand on his own two feet? He does stand on his own feet. He is independent and gets about and takes care of himself! I ask you, Stew Webb, what sort of person would refuse to take up some time with a

disabled person, who wants and needs love? Perhaps you can answer this, Stew, as you are obviously this kind of person.

I love the disabled people. I have worked with every kind of disabled child and have taught them and have worked with them in mental health and also in an adult rehabilitation center. I have seldom known such love as the disabled are capable of giving and I would recommend that every person spend some time with those, who are handicapped, and know their great love. I really believe that God put them here, just to show us the way to love. In fact, when I was in the airport in South Africa and saw a young man in a wheelchair, the Spirit of God told me to go and tell this young man these exact words. “Our Father in Heaven sent you here to teach others about His wonderful love!” And, the one, who was pushing the wheelchair said, “I know.”

So, Stew, you are missing and have missed a wonderful opportunity to receive love and to give love and in the process you have badly hurt David. You have opened up old wounds of rejection from David’s earthly Father, who rejected David, even in his obituary denying that he ever had a son. Old wounds go very deep and it is a shame that you have hurt David so badly, but you, Stew can do nothing about it, as you are incapable of giving love and/or receiving love. Now, Stew, I will tell you exactly what I see in the Spirit about you, as you have asked for it and I will tell you exactly why you are in deep trouble spiritually.

As I told you in the letter to you, you have been abducted and these otherworldly creatures and the very intelligence community that you work for, have implanted you and they have mind controlled you! Oh, perish the thought! Stew Webb, mind controlled! Yes, I said it and I will not tell you exactly what I see in the Spirit of God about your spiritual state. On your head, there is a very thick and black round ring. It circles your whole head and at the center of your head, there is one black hole. Around this black hole, there are black lines, which connect to the thick, black ring, which surrounds your whole head. I have seen this over and over on those, who are under mind control and I have also seen the Spirit of God break this off those, who are truly penitent! In the center of your forehead, there is something, which looks like the all-seeing eye! An implant! And, this implant is constantly radiating and receiving

 From The Mountain Prophecies Copyright 2005

information to those, who have abducted you! Now, comes the very thing of which I have just spoken. In your heart, there is light, Stew. You have the light of God in your heart, but it is cut off from you and from the world. There is something, which looks like a pipe, which goes into your heart from your back and the same from the front. This pipe is very dark. On the inside of the pipe, there is a net, which surrounds this light within your heart and this net keeps this light from going in or going out. As this pipe goes out to the outside of your body, there is something, which connects to it, which is also round and is screwed into the pipe, on both the front and back of your heart. This is a cover to the pipe and is has bars on it and a dark shield, which is made of something, which looks like layers of plastic. There are several layers and I am now seeing five layers, and in between these layers, there is something, which looks like thick, sticky glue. All of these dark things in you, which I see, are made of spirit and can only be removed via the Spirit of God as Satan has put it in you, but he would not have had license to do so if you heart had been right with our Father! And, though these dark things, which are in you, are made of spirit, they have the same effect as if they had been physical objects!

All of this is on the outside of your heart and this is why you cannot give love and you cannot receive love. But, this is not all. In the middle of your back, just below your waist, or near your waist, there is a red, round pulsating ball of light and it is making a very loud noise in the spirit. This red ball of light is actually a demonic thing, Stew, and when you least expect it, this demonic force comes forward and takes you over. This demonic force also causes you a lot of pain! In your arms and hands, there are things, which look like sticks, and sensors of some kind in your fingertips. I also see these stick-like things in your left leg and this leg probably bothers you in some way as no doubt you back does as well. Such things in your heart will lead to heart problems and what is in your head will make you cold and mean-spirited!

Now, Stew, this is why you are cut off from the Spirit of God! You may talk God and you may think that you serve Him, but you are cut off from Him. And, this would not be so, except for the fact that you have sinned and refuse to repent of it. I have told you in my past letter that these evil ones took you, that they got you, and most certainly mind-controlled you, but you refused to believe me. You can accept what I say and

repent, or you can go on in your pride and rebellion. I will be glad to pray for you, Stew, as you are in desperate need of prayer. You are kicking against the pricks and making more and more darkness for yourself. The choice is yours as it is now for a lot of people all over this Earth.

The very ones, who think that they are beyond mind control, are the ones, who are under it. These evil works of these Luciferians are massive; and they are moving forth with great rapidity to enslave all of humanity. These evil ones are and have been abducting the light bearers and the truth bearers for a very long time; and they have greatly escalated in their war against all of humanity. The very ones, who think that they will never be touched, are the ones that they are going after. This is a war of unprecedented proportions and it is against all of humanity. Most will not survive their attacks, but those, who do come through it will get right with our Father in Heaven. They will get clean spiritually and stay clean, and if they will not, they will go the plastic way of the world. This is the plastic in your heart, Stew! It is your plastic front to the world and it is time to shed it and to get right, get real and stay real. You can fool many, but you do not fool the Spirit of God.

As for me, Stew, yes, they have abducted me more times than I can keep up with. They have stuck needles all over my body. I have pulled out tiny implants, which look like tiny fragments of glass and tiny plastic needles in my face. They have put things in my legs and hips, tiny round objects, which pulsate electrical currents as they are also tracking devices and through these things, they have sent pain into various parts of my body to torture me. They have done these and other terrible things. Yes, they have done all in their power to stop my communications with my Father in Heaven, but they have absolutely failed!

They have abducted many, who have been my friends and they have mind controlled them; and they have turned against me like rabid dogs. They have tried to shut down these works through Dennis's sabotage of the website and what they did to a copy of this website in South Africa; and they have spread vicious lies and rumors about me. They have raped and sodomized me and they have tried to bury me beneath hate and smear campaigns, but I have lived to tell about it and I have grown spiritually in a great

 From The Mountain Prophecies Copyright 2005

way. Now, Stew, you come spreading their drivel that I am somehow someone else other than the real Linda Newkirk! And, this is proof positive that you are under their control and that you are working for the very ones that you profess to hate! It is time for a wake-up call!!

Our Beloved Saviour has appeared to me many times and He, Himself, has ministered to me. He has enveloped me in His love and He has erased the horrible things, which these evil ones have tried to do to me. He has healed me of the pains and the scars and the trauma of being raped and sodomized by the Bushes and their evil Satanist counterparts, and as a result of all that I have been through, I am now stronger spiritually, not weaker. I see better in the Spirit, and with a greater clarity and not worse, as they would have it to be. So, by now, all of their plots against me have failed, and in the process, my Father in Heaven has removed all of the fakers from around me.

He has kept me on His own Straight and Narrow and he has brought to fulfilment a vision from Book Ten, in which He told me then that I would be crucified, just as He was crucified. I also saw myself up on a hill all alone, with just a dog by my side. This was a small dog and I have not had a dog since Dennis let ours out and they were shot and killed. At the time of the vision, we had two very large dogs, and I have had none since I have been back in the States, but someone dropped off four small puppies last week. I kept them all, and they have only a little way to grow before they get the size of the small dog in the vision in Book Ten. As I hugged this small dog, sitting alone on top of the mountain in that vision, I looked below, down to the bottom of the mountain; and America was at war.

This very war is at the door of America and it will not be won through violence. After all of the fighting is over with, those, who live to tell about it, will understand that this is and was all along a spiritual war. Violence must be shunned as violence begets violence and those, who live by the sword, die by it. Yet, you talk of annihilating others! This is shameful and you must come away from promoting violence! Any revolution in this country needs to be a spiritual revolution and I have always said this!

Now, this little dog, or I should say these little dogs in my possession, have only a little way to grow, and they will be the size of the little dog in the vision in Book Ten. Then, comes the war to America! Every facet of this vision has come to pass and when the war breaks out and soon, I will not be afraid as my Saviour will keep me in His hand, high up on His Hill, and on His Mountain.

Stew, the Real Linda Newkirk speaking to You! You asked for it and you got it. Now, you can repent and come clean before our Lord and God, or you can continue to kick at the pricks! But, beyond these words, I have nothing else to write to you, or to say to you. If and when you ask me to forgive you, I will gladly do so; and I will forgive you even if you do not ask, as I wish to be clean and free before our Father in Heaven. I will also pray for you if and when you ask me to do so, but I will not be a part of hate mongering, backbiting, and gossip mongering. I have already told you in writing in my private letter to you, how I feel about the way that you have treated me, but you refuse what I have written to you. Instead, you wish to reject the truth and make me out to be another person. Rather than face your demons, you choose throw your dirty laundry to the world! This is by your choice, Stew, not mine! But, because you have asked me to stand up, I now do so.

Jesus is my Beautiful Life,
The Real Linda Newkirk

And, this is the way in this battle-weary world! Satan is on the prowl! All of you had better stay prayed up!

# CHAPTER ELEVEN

## "Satan turned loose on America! The Wrath of our Father in Heaven is beginning to fall on this errant land!"

## September 19, 2005

My Dear Brothers and Sisters, what a day of sadness! A day of weeping and mourning! A day of darkness and gloom; for these are the times that our Lord and God has long warned of! These are the days of the woes, wherein a great darkness is upon the world and this will not be turned back to any degree unless many people all over the world fall to their knees in sorrow for their sins, forsaking them, and living according to the commandments of our Father in Heaven! No, these times will not be stopped, but will accelerate in their frequency and intensity in their destructiveness; for our Father in Heaven, Jehovah, Most High God, has declared that this nation is under His judgement. What we have see in Louisiana, Mississippi and in other areas because of these horrendous storms is only a foreshadowing of great and terrible calamities, which will utterly destroy this nation!

### OUR FATHER'S JUDGEMENT UPON THIS LAND!

Yes, our Father in Heaven made this nation great, but because of the unbridled sin and rebellion in this land, He is bringing it to its knees. He built it up and made it the greatest nation on the Earth and He shall cause it to come crashing down! Even the heathen will shake their heads in dismay as they proclaim, "Look what their God did to them!" Already, on the Internet, I see the mockers and scoffers saying such thing as "Where is their god?" Yes, the mocking and the scoffing against the Christians is going on, but whose fault if this??? The so-called "Christians" have partied on while Rome has literally been burning! Oh, how my heart grieves for what we must still face as truly in view of all that we have now seen, most still do not repent! Yes, many are now awake and for this I am very grateful, but how many of these, who are now awake, repent for their sins?

The churches are rotten! They have forsaken their First Love for love of the world! They sit in their big buildings with plenty and they rock on as America falls to its knees! But, I continue to believe that one day, there will still be a very great revival in this land! I continue to believe that the masses will, one day, fall on their faces in sorrow for their sins and that our Father in Heaven will hear the cries of the people. Truly, His hand is stretched out still and He is still pleading with the people of this nation to repent and come back to Him, but even so, the Satanists are pushing hard for the total defeat of this people as they push homosexuality down the throats of the American people, as they push drugs into the mouths of babes and as they further pollute the masses with more and more sex and violence! Yes, they are pushing hard to carry every soul right down into hell and most do not have a clue as to how great this battle is! Even if you are strong in your faith, you will be tried and you will be tested and many among us will fall and be carried through great darkness, so that they can be made white and pure!

THE COMMAND HAS ALWAYS BEEN THE SAME, TO OBEY THE COMMANDMENTS OF OUR LORD AND GOD! AND THE ANSWER TO OUR PROBLEMS HAS ALWAYS BEEN THE SAME!!! REPENT, OR PERISH!!!

Dear Ones, many now want answers! Many are wanting to know what is next! Many are wanting to know how long they have! Many are wanting to know how to survive what is at hand! Many are wanting to know when or where the next calamity is going to hit! Yes, many have many questions and some have a few answers, but the right answer has always been the same! LIVE ACCORDING THE COMMANDMENTS OF OUR LORD AND GOD AND ALL WILL BE WELL WITH YOU!!!! This is the RIGHT WAY of our Lord and God, but I can tell you right now, even amidst all of this great suffering, that few, and I mean few, really want to change their lives, repent, and live according to the commandments of God. Most people continue to lie to themselves, to deceive themselves and think that they have a lot of time to repent and come back to our Lord and God! But, I tell you right now, that millions upon millions will die in their sin and rebellion! They will die in darkness! They will die in their lies! They will die in their adultery and fornication! They will die in their thieving and scheming! They will die in their New Age and witchcraft! They will die in their porn and lust! They will die in their hate, malice

 From The Mountain Prophecies Copyright 2005

and unforgiveness! Yes, many will now die in the darkness of their sins, as they do not want to change their ways. They are fully entrenched in their thinking, in their ways of living; and many still believe that once saved always saved. Many will die believing that they will be raptured out and not have to go through suffering and these will not make it as they have believed one very big lie instead of repenting WHILE THEY STILL HAD TIME TO REPENT!!!

### GET RIGHT WITH OUR LORD AND GOD AND STAY RIGHT!

My Dear Ones, it is time to come out of the lies and to face the darkest parts of yourselves! It is time to get right with our Lord and God, to confess your sins to Him and to stop doing these rebellious things! I know that the churches are rotten for the most part, and there is really almost nowhere to go! This is a shame upon the face of this Earth! This whole scene disgusts me and this is why I do not belong to any of them and why I have walked alone before our Lord and God for many years! This is why I cannot even recommend a single church in this area to anyone. I have been in some and I have seen the slop too many times and I tell you in deep shame, that I, too, am disgusted!

### DON'T LET SATAN SIFT YOUR SOUL!

But, Dear Ones, at some point, this trend must be broken! This trend must be stopped and people must once again get on their knees before our Lord and God with weeping and wailing. They must forsake their pride and manipulative ways and they must get real with our Lord and God as He does not and will not play games!!! But, until then, you, Dear One, must make a determination that Satan is not going to sift your soul! You must make a determination that Satan is not going to carry you into the burning lake! You must make a determination that you are going to start anew and that you are going to go forward and to the best of your ability do what is right and that if you fail, that you will get on your knees before our Lord and God and confess your sins and work very hard not to repeat them! But, if you do break the commandments of our Lord and God, do not give up on yourself! Get down on your knees and repent again, begging our Lord and God to take these sinful desires from you and to make you

clean, to deliver you from temptation and to keep you from evil! My Dear Ones, I am pleading with you to repent, to come clean before our Lord and God!

Time is running out for humanity! This world, as we know it, is doomed! The great calamities of the Book of Revelation are upon us! Satan has been locked down from the major portals and many of the smaller ones in the Upper Realms! This Earth is now flooded with the other-worldly creatures! You are facing "Star Wars" right in your own home, but not a science fiction "Star Wars!" You are facing the real thing! You are facing satanic cunning, brute force and destruction, the likes of which you can never imagine! You are in for the escalation of a subtle, sneaky, and lying war that few can envision or imagine, for Satan will and can take a pile of manure and make the masses believe that this is good for them! He is coming in like a great storm and He will not be stopped until his time is up! And, his time is now! What you have seen in New Orleans is just a taste of what is in store for America and for the world, for Satan is the Destroyer and he was created to destroy. And, when a nation becomes so utterly corrupt as this one is, our Lord and God sends him to destroy it! These truths have not changed, but are today, more obvious that ever! Righteousness holds Satan in check and this is sadly lacking in this world today! A great scrubbing is at hand, the likes of which few can comprehend!

## WHAT REALLY MATTERS!

It really does not matter that this great storm, "Katrina," was caused by scalar electromagnetic weapons! And, it really does not even matter that these evil Satanists blew up the levee and flooded New Orleans! What matters is that New Orleans, the "Big Easy" was a filthy city, which was full of every kind of sin, long before it was destroyed! It does not matter that George Bush deliberately let the poor blacks die and that he deliberately withheld aid to the sick, the stranded and dying! Why does it not matter??? Because the destruction of New Orleans was decreed by our Father in Heaven! And, why did our Father in Heaven decree the destruction of New Orleans? Because it was full of rebellion, witchcraft and every kind of perversion and the masses had long ago forsaken our Lord and God. This is what really matters and if we do not want to see many repeats of New Orleans in this nation, we had all better take note and get right with our Lord and God! At this point, it does no good to point the finger at the

 From The Mountain Prophecies Copyright 2005

Satanists for what they have done, for what they have done is the will of our Lord and God, for this rotten nation is under His judgement! All of the finger pointing and the name-calling and the protests will do no good at this point. You will see that they come to nothing, if the people do not get on their knees and repent in a very big way! All of the grand juries and indictments against the Bushes and the other criminals in government will come to naught if the people do not get on their knees and repent in a great way. So, it is pointless to spend endless hours in debate about who did what and about what is even going on. It really does not matter at this point and not one thing about this catastrophe will be changed if people do not get down on their knees with weeping and wailing and repent of the sins of this land! I know that what I am saying is hard for many to grasp as we have not seen the wrath of God in this nation, but we are going to see a whole lot more, if people do not repent in a very big way, and soon!

## GET REAL AND STAY REAL!

I am telling you what you must do so stop the destruction of this nation and you have one choice, REPENT, or PERISH! There is no other choice at this point and I can promise you that Satan is only doing what our Lord and God is allowing him to do. Our Father in Heaven has put George Bush and these evil Satanists in office so that they could and would destroy this nation and only because of the rotten spiritual state of this nation. Obedience to our Lord and God is your only defence. It is time to get real and to stay real with our Lord and God! Continue on with the lie and you will surely end up with the liars in the burning pits and I can tell you right now that you do not want to go there! You do not want to end up on the Lake of Fire! You do not want to go through this most horrendous of agonies of being burned alive, day after day, and year after year for a very long time! No, you do not want this! I am telling you! But, if you will not get right and stay right, you will go there. Time is running out for every nation. Many of you in other nations might think that these calamities are not coming to your nation, but they are! You will not escape these horrendous judgements, but America gets it first, for it has been blessed above all nations and it has become the greatest whore on the Earth!! And, second to America is Canada. Our Father in Heaven calls you, “The Twin Whore!” So, Canada, get ready; for your day is also at hand!!! Australia, don’t think that you will escape! You will not! Proud and haughty Europe, do not think that you will come out unscathed. You will not! For, this great cleansing is coming into

many nations. It is time to get real and get clean before our Lord and God. Time is up for America!

My Dear Brothers and Sisters, look at the following message! Does it look familiar to you?? Our Father in Heaven gave this message back in June of this year, and it is a message for this nation! Read it again; for this is prophecy come full circle!!!!

## FROM THE MOUNTAIN PROPHECIES

## BOOK ELEVEN -CHAPTER FIVE

## MESSAGES FROM OUR FATHER IN HEAVEN

### "A Calamitous Wind is Coming!"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, Most High God. The clouds have moved in all across America and the wind is still, but look, My Child, for a great howling wind is coming! It is a terrible wind! A wind for destruction and not good! It is a calamitous wind and a great howling shall lay its wake. Oh, My Child, the gates of hell are widening and this calamitous wind shall sweep many, many souls through these gates! The demons of hell are being unleashed in great numbers to harvest for the dark Kingdom of Lucifer and this great and dark wind is preparing to sweep many into the jaws of hell! For, My Little One, this is a time of judgement in this land! It is a time of wrath and all shall see it and all shall feel the sting of My wrath, as I pour it out on this rebellious land!

Oh, America, you slut of the world! You ravenous whore, who devours men, women and children, My wrath is kindled against you; and as a farmer lays a knife to the neck of a foul, I am about to lay a knife to your neck! With one blow, I shall sever your head from your body and your blood shall fill your streets; for My wrath is kindled against you and I shall turn my hand on you, for evil and not for good! And, I shall uproot and throw down the idols, which are in your midst, for you are rotten before Me. You are putrid and your filth has reached My nostrils. Day and night, the smell of your rottenness fills My nostrils and I shall soon destroy you. I shall melt you with a fervent

 From The Mountain Prophecies Copyright 2005

heat. I shall abase your centers of pride. I shall burn your filthy lucre and I shall toss it to the wind! I shall come after your many lovers and I shall cause them to turn on you and to spit on your burning grave! For what you have loved shall be to you an abomination and all your lovers, anathema!

Oh, My Little One, look; for the howling wind and listen; for its is now in plain view! It is well in view and not a thing of the distant future! Great destruction is at hand for America and for much of the world; for My people the world over have forgotten Me! They have chased every foul thing and I shall erase their memories from this Earth and their offspring shall also be remembered no more!

I say to the few, who love Me, get ready! Get ready spiritually and stay ready; for I am telling you what is at hand! I am warning you now to get ready spiritually; for you will not be able to withstand what is at hand, save you cling to Me and My Son with all of your strength! You must love Me and put Me above all; for you shall be tried and tested in all things. Truly, those, who have a pure love for Me and My Son, and who have a great faith in Me, will be able to withstand what is at hand; for the heat of the purifying shall be great and many, many who say that they love Me will fall and they will not get up again. Those, who have chosen the easy way, who have chosen the way of lies and deceit, will follow this way right down into the burning pits. There is no longer any middle road. Each of you is either hot for Me or you are cold! There is no middle ground! All, who stay in the middle ground, will go the way of Lucifer, while some, who are now cold toward Me and My Son, will become hot in their faith.

It is a time for all when every sin will be uncovered and every evil deed will be known! There is nowhere to run and nowhere to hide, save to My Son and to Me! This is the day of reckoning for America and it will not be put off! I have warned you and have warned you and you do not listen! You do not hear and you will not believe. Therefore, calamity shall come suddenly to this land and at a time when you least expect it. I am your Father in Heaven, yea Jehovah, Most High God.

As witnessed, dictated and recorded this 16th day of June, 2004,

A REVIEW OF THIS PROPHETIC MESSAGE

My Brothers and Sisters, we shall now review our Father's words! The following are His prophetic words, which have been verified through these very calamitous events in New Orleans and Mississippi!

1… a great howling wind is coming. It is a terrible wind! A wind for destruction and not good!

Did this not come to pass on August 29, 2005, a little more than two months after He warned us?

2. It is a calamitous wind and a great howling shall lay in its wake!

Did this wind not create a great calamity, the likes of which we have never seen in this nation? And, have we not seen a great howling go up among the people, who have been caught up in this great horror? And, have we not seen a great howling go up around the nation, even in those, who were not directly involved in this storm?

3. The wind shall sweep many souls into these gates (the gates of hell)

We hear that many thousands have died and from what our Lord and God has said, many of these went into hell! Sad, so sad, my Dear Ones, but surely true, for He told us in advance!

4. The demons of hell are released in great numbers …

Oh, my Dear Ones, we have seen this? The killings, the robbings, the rapings, the murders, the death and dying in New Orleans! We have seen the paid mercenaries come in with orders to shoot to kill. New Orleans has become one very big cesspool of evil, dying, death and looting. Truly, these words of our Lord and God have come true!

 From The Mountain Prophecies Copyright 2005

5. …this is a time of judgment in this land. It is a time of wrath and all shall see it and all shall feel the sting of My wrath, as I pour it out on this rebellious land!

Read these words and understand them fully! Clearly, you can see that this great catastrophe was and is judgement from our Father in Heaven! It is just one example of His wrath that is coming upon America! In our lifetimes, we have not seen His great wrath, but His wrath, my Dear Ones, is the reason that this city no longer exists. This is why I tell you that it really does not matter that scalar weapons were used to destroy this city, that the Bushes did this or that, that the Russians did this or that, and/or that martial law is now in the streets. This is all the judgement of our Lord and God upon a rebellious nation! So, there is no need to point a finger and call this one names, or blame this one or that one! This is all the will of our Father, so we had all best do the only thing that we can do, get down on our knees with weeping and wailing and repent of our sins, right now, for if not, this land will soon be destroyed!!

6. In the second paragraph, He tells more of His wrath. And, also that He is going to cut the head off of America! As He speaks in symbolism, I do not know what He means when He refers to the "head." But, if and when he severs the neck, the head will surely be disconnected from the body! Then, he tell us that he is going to burn this nation; and I can tell you, my Dear Ones, that this is sooner than most will ever believe! He also tells us that He is going to judge the filthy money of this land; and we can clearly see this with the increase in gasoline prices!! He warns us that all of our so-called allies will turn on us! In the visions, which I have had regarding the destruction of America, the only country that I can remember coming to our aid was France. This is happening right now to some degree, but I do not believe that this will last for long, as this nation is going to be destroyed. Our Lord and God is going to destroy all of these idols in this land!

7. He then goes on to say that this howling wind is not a thing of the distant future, but soon … And, truly this is more of His warnings, which have come to pass very quickly! It was only a little over two months from the time that He gave me this prophecy until it came to pass!

8. All I can tell you at this point is to re-read the last two paragraphs of the above message! You will see these below! Beyond these words, my Dear Friends, there is little else to say!

**Our Father's words again!**
**The last two paragraphs of His prophecy of June 16, 2005!**

"I say to the few, who love Me, get ready! Get ready spiritually and stay ready; for I am telling you what is at hand! I am warning you now to get ready spiritually; for you will not be able to withstand what is at hand, save you cling to Me and My Son with all of your strength! You must love Me and put Me above all; for you shall be tried and tested in all things. Truly, those, who have a pure love for Me and My Son, and who have a great faith in Me, will be able to withstand what is at hand; for the heat of the purifying shall be great and many, many who say that they love Me will fall and they will not get up again. Those, who have chosen the easy way, who have chosen the way of lies and deceit, will follow this way right down into the burning pits. There is no longer any middle road. Each of you is either hot for Me or you are cold! There is no middle ground! All, who stay in the middle ground, will go the way of Lucifer, while some, who are now cold toward Me and My Son, will become hot in their faith.

It is a time for all when every sin will be uncovered and every evil deed will be known! There is nowhere to run and nowhere to hide, save to My Son and to Me! This is the day of reckoning for America and it will not be put off! I have warned you and have warned you and you do not listen! You do not hear and you will not believe. Therefore, calamity shall come suddenly to this land and at a time when you least expect it. I am your Father in Heaven, yea Jehovah, Most High God."

**In Closing**

All of you, who follow these prophecies, know that our Father in Heaven does not warn me as often as He has warned me in the past. With Book Ten, He told me that His warnings were more or less over with for America as He had warned and warned and the people do not repent. I tell you just how bad it is, and my friends know that I have so often remarked of these very things to them. Around three or four years ago, I believed that I knew around ten, or so, people, who were really righteous, but as the

 From The Mountain Prophecies Copyright 2005

months passed by I saw most of these fall by the way, until at this point, I can truthfully say that I know very, very few, who really love our Lord and God and who will stand and to what is right in the face of any kind of persecution whatsoever! Most people are absolute cowards, who will not stand up for what is right, who first go this way and then that and cannot be depended upon whatsoever. I asked another friend, who is a prophetess of God the same question a few years ago, "How many righteous people do you know?" At that time, this woman told me, "Around 200." But, most recently when I asked this woman the very same thing, she replied to me, "Only a handful." So, Dear Ones, do not deceive yourselves. "Few," and I mean, "few" really love our Lord and God and "few", and I mean "few", really obey Him and our Father in Heaven and put our Father first.

This is why America is being destroyed! If our Lord and God does not judge this rotten nation, there will be none left, who really love Him! Many of the righteous ones have already fallen!!! This is a terrible shame upon the face of this Earth, but this is the absolute truth! Now, go back and read the last two paragraphs of the above prophecy again and get these words in your heart. Print them out and put them on your bathroom mirror. Print them out and put them in your vehicle and on the desk at your office. Put them in plain view as a constant reminder to you to come clean before our Lord and God and to stay clean! Dear One, no one can do for you what you must do for yourself and in the end, you are responsible for your own spiritual walk before our Lord and God. You are responsible for your own salvation! No one else is! And, if you do not really want this badly, you will not get it!

**More Warnings!**

This current "Message for you" will appear as the next chapter in Book Eleven. Beyond this, there is one more additional chapter to be posted at this time! So, you will see two more chapters, which are now added to Book Eleven. The last chapter warns of more destruction, which is headed into America, if people do not repent in a very big way, and soon! Go there and you will read about this in Book Eleven.

Our Lord and God chastises those, whom He loves!

Until next time, my Dear Ones, just know that our Lord and God loves you very much! Do not forget this! And, because of the fact that He does love you, He is still warning you to come back to Him, to your First Love! Yes, He is still warning! His hand is still stretched out to you! He wants you to come back to Him and He is still pleading! Will you hear His cries to you? Will you? Will you now get down on your knees and cry out to Him to forgive you? Will you weep for your sins and ask Him to purge you of these sinful things and to take away your desires for these sins? Will you commit your life to our Saviour and to our Father in Heaven? Will you forsake your rebellious ways, while you still have time? Will you humble yourself before our Lord and God and start a new life in His service? Will you? He wants you back and His hand is still reaching out to you? Please, I am begging you! Do not put off until tomorrow what you must do today! If you need prayer, write to me. Click on the moving letter at the bottom of this page and send me an e-mail. I will pray for you!

Until next time, I send you the love of my heart and big hugs to my precious friends, who are scattered here and there around the world. I love you and you know that our Lord and God loves you very much. Blessed is His Holy Name!

Your Sis, Linda

PS My Dear Friends, you will see that we now have some translations in Japanese. Pray for this precious man! Pray for all of the translators, and for the Webmaster of this site. Pray for the protection and blessings of our Lord and God upon them and that He keeps His angels continually around them! Remember them daily in your prayers!

# CHAPTER TWELVE

## "THE TRUE REMNANT" AND

## "AMERICA TO BE DIVIDED IN HALF"

"My Blessed Child, I am your Father in Heaven, yea Jehovah, Most High God. Look up, My Little One to My glory and My power; for this is a new day, a wonderful day, a day of awe, of light and glory for My Faithful Remnant! Yea, they are few! Few, indeed! A handful, who are scattered here and there amidst the darkness of the whole Earth. They are as brilliant and sparkling diamonds in a sea of darkness; but they are truly My diamonds, full of My light, My power and My glory! Yes, they are few, but they are! They exist, not for themselves, but for Me! I have carried them through great fires, through great trials and tests and through the heat of My fires, I have made them clean. I have made them strong and fearless. Yes, they are few, only a handful, who are scattered here and there, all over the world. Yes, they are not many, but are purified, whole, strong and brilliant with My light and power. They have not bowed down to the idols of this world. They do not worship what is in and of this world; for I have long ago removed them from love of this world and what is in it. So, they have given up the world for love of Me and I have given back to them what I want them to have. They are bold! They are strong, yet mild and meek! They are full of My love, full of My power and through all of their trials, I have made them free!

Now, I shall use them as never before! I shall take but one and I shall move great mountains, only through the love, the dedication and faith of but one! For, just one of these can do more than one million of the weak of faith! Yes, it is truly a time for My Faithful, for My Tried and True to rejoice and to be at peace; for these have known the darkest of hours in their own lives and they are not afraid for what is at hand. Yes, it is a time for them to rejoice; for now comes the time of their greatest victories, of their greatest joys! But, as I said, these are few!

Sadly, My Little One, now come the darkest hours for those, who have walked lukewarm before Me. Now, come the darkest hours for the cowards, for the fearful; for I am going to shake this world from one side to the other, from top to bottom. I am going to shake and rattle this world and soon enough, I will turn it upside down. Like a dog emerging from a swim in the water, who shakes the water off his back, I am going to shake the evil off the back of this Earth! I am going to displace islands and tear down cities and I am going to uproot places of evil with mighty storms. I am going to uproot evil off this Earth! I am going to use evil to do so; for I created evil! I created the Destroyer and I will now turn him loose on evil! Those, who have loved evil, will now bow down further to evil, or they will repent! There is no longer any middle ground. You will serve Me with your whole heart, or you will serve Lucifer! But, My True Remnant, I hold in the palm of My hand and they will not fear! I will use them now as never before, but for some of them, it is also a time of resting, for a time to wait upon Me until the evil passes them by. For, a storm of evil is now being released upon the whole world and all shall be tried and tested according to their own faithfulness. For, it is a time of My indignation, wherein I am pouring it out over the whole Earth. A time of wars, great wars, famines, diseases, pestilences, earthquakes, volcanoes, and a time of rumbling and shaking in the Earth as you have never seen it. Get ready, America, for soon, very soon, you shall literally be divided into two pieces! Two individual land masses, wherein you were one! As you seek to divide Me and My work and My land for My people, Israel, I will now divide your land into two pieces and this is not far into the future, but soon. I am your Father in Heaven, yea Jehovah, Most High God. Get ready! Get prepared for hard times, very hard times, are upon America!

## WHAT WE NOW FACE!

Oh, my Precious Brothers and Sisters, look at these tragedies, which we all face! Read what Our Father in Heaven is saying about dividing America into two pieces! Remember the sword vision, which our Father in Heaven gave me a few weeks past, which is also in this book of prophecies. In this sword vision, He warned of a civil war, which is coming to America. This was the sword, which cut across America, dividing it into half, from north to south. Then, His sword came down across Canada and America and divided the land from East to West, another division. This division, from East to West, surely represents the literal division of America into two distinct landmasses! Many other prophets have been warning that our Father in Heaven will divide America into two pieces as this government has now divided Israel into two pieces! In 1998, or so, I saw that this very thing! In these visions, I saw America literally divided into two pieces. I saw that the Mississippi River became very wide, almost like a great bay as it connected the Gulf of Mexico to what was once the Great Lakes. I saw that these Great Lakes had somehow emptied into the Mississippi River and this river became absolutely huge, devouring great amounts of land in its avaricious path the sea! Much of the land, which we now see alongside the Mississippi River, as it flows south, as well as the Ohio River and the Wabash River will soon be under water! That's right! Large amounts of land, on which many people now live, will be forever lost and totally under water! As these Great Lakes empty their huge amount of water into these river tributaries, and move south to devour great landmasses, a great flood and drowning will take place that few can ever imagine! And, this will happen suddenly and without warning to those in these lowlands! At this time, I do not know if this great and terrible catastrophe will happen all at once, or in stages, but it is going to happen sooner rather than later, if people do not repent.

My Dear Ones, for weeks I have driven the low lands around Conway Arkansas and North Little Rock and I see the houses with water up to their roofs and even above their roofs. When these Great Lakes are dumped into the Mississippi River, massive flooding will come in, even past Little Rock, AR and many, many will drown in the churning waters! The land from Little Rock, AR eastward is totally flat, flat, flat!

I honestly do not know which will come first, the massive flooding, or the looting and famine; as in visions of these recent weeks, I see people looting and killing in North Little Rock and no food on the shelves of the grocery stores. I have recently been to Wal-Mart in Conway and have seen cobwebs growing on the walls and the pavement buckled up outside with grass growing between the cracks. Visions of the flooding in the lowlands in this part of the state reveal massive flooding! This flooding extends from this area all the way to the Mississippi River! The city of Little Rock is a little over one hundred miles from the Mississippi River!

Something terrible, most likely a massive earthquake in the New Madrid fault is going to wipe out much of the Mississippi Delta region and many, many millions will die! And, this terrible division of this land is soon! Our Father in Heaven is saying that it is "soon," not a thing of the distant future! Many will be swept out to sea as this great destruction comes over this whole area. And, I believe that such a thing will come upon the state of Arkansas, as so much evil has come out of here! Satanist Clintons came out of this state as New World Order pawns and even now, some are billing Bill Clinton as the Saviour of the world. "Father in Heaven, have mercy on us, as we go through this great beating, which is at hand!"

Those on higher ground have at least some refuge from this great flood, but even so, I have also seen that Little Rock airbase is nuked. In the summer of the year, 2,000, I got caught up in this vision as I was coming out of a grocery store, which is in a shopping center in North Little Rock, AR, just ten miles south of the airbase! In this vision, there were no houses remaining, not as far as I could see! There was nothing, but a few tree stumps scattered here and there! As I stood there that day, looking at this great devastation, I reached down, picked up a few grains of sand and saw that they were melted together like glass! This should tell everyone that the airbase at Jacksonville, Arkansas, Little Rock Airbase, is going to get nuked if people do not repent in a very big way. In addition to this most terrible catastrophe, the lowlands in this whole area are going to get flooded, and many, many stand to die, if people do not repent in a very big way!

 From The Mountain Prophecies Copyright 2005

In these visions, from time to time, as I go in and out of Little Rock and North Little Rock, AR, I am seeing great burning and looting of Little Rock, AR and North Little Rock, AR and great famines, with the grocery stores closed; and in some of these stores, there are a few people with 50 lb bags of beans and rice. And, these few food items are being divided out among the poor and homeless, who stand in line to get them! Oh, my Dear Ones, this is coming so fast and we will not get over one catastrophe before another hits! This is the judgement and wrath of our Father in Heaven against a nation, which has not only deserted Him, but has mocked, scoffed, scorned and persecuted His prophets! The churches have continually turned a blind eye and a deaf ear to many, many years of our Father's warnings through His prophets; and now comes sudden destruction, if they do not soon repent in a very big way!

Do I believe that most will repent? No! I am sad to say that I do not; for we now have generations of the lawless, generations of the rebellious, and they do not want to change. They do not see the need for it and they still believe that they can have their cake, all of it, and eat it too!! This great lawlessness is what you have witnessed in New Orleans, as people looted and killed and raped and robbed as so many lay dead and dying. This kind of great tragedy upon the top of great tragedy is what is coming to all of America as this whole nation falls to its knees. People, who lie, will steal and many of them will kill! The lawless see no reason to abide by any laws, whether they are of government or of our Father, but when they will not obey our Father's commands and live according to them, they will not live according to the laws of the land. America has become a nation of liars and deceivers, or sorcerers and perverts of every description, a nation of baby killers, who see nothing wrong with killing the innocent and unborn! This nation has fallen to every kind of chicanery and has led the world in whoredoms and gross rebellions of every foul kind!

Now, comes the end of this nation as we know it to be! For, soon, very soon, the Russians, the Chinese and an alliance of many nations will come up against this nation and they will utterly destroy it! Millions upon millions of souls will die from the nuking alone, around one third of the people (this, from visions past); and I am not even speaking of those, who will die in the floods, the earthquakes, the storms, the pestilences, the great famines and diseases, which will flood this nation. And, I am not

speaking of all, who will die in the killing as this nation is invaded by these barbaric hoards! No, my Dear Ones, I am not speaking of these things, but only of those, who die from the initial nuking of this nation and this is sooner than most would ever believe! Much of this nation will be absolutely uninhabitable for a very long time in many areas because of the great radiation poisoning, which fills so many cities. Literally, dozens of cities stand to be nuked, and I believe that in previous visions I saw over two dozen. Yet, some people have seen some cities get nuked that I did not see, so there probably be closer to three dozen cities, or more, which get nuked!

Will America escape these things? I so wish that I could say, "Yes." But, my Dear Ones, based on the years of warning that I have given to the American people, their utter disregard for these warnings, and their continued rebellion and self-sufficiency, I must say that I do not believe it. But, even so, as long as my Father in Heaven allows me to do so, I will continue to warn the people about what is at hand, for surely some will come full circle. Some will repent, if not now, then perhaps when these most horrendous of things come into their very homes. I am powerless to do anything more than to warn and to pray and I continue on as our Beloved Lord and God directs. For, He is wonderful! He is beautiful and I love Him and His Precious Son with my whole heart. Blessed is the Name of Jehovah, Most High God! To Him is the praise and the glory forever and ever!

Reach out and take the hand of our Saviour; for He is our Only Way!

Your Sis,
Linda Newkirk

## JESUS IS THE HOPE OF THE WORLD!

And, now, my Dear Ones, these things having been said, I wish to share with you a message of suffering, courage and hope, a testimony, which a Precious Sister sent to me from Oregon! I include this now as you must know and understand that Jesus is the Hope of the World! You must understand that regardless of your sins, Jesus can set you

 From The Mountain Prophecies Copyright 2005

free and He will forgive you if you ask. This dear woman had four addictions and our Lord and God delivered her of every one! I do hope that all of you read this testimony with open eyes and ears and KNOW THAT JESUS CAN AND WILL DELIVER YOU FROM THE CLUTHCHES OF SATAN, IF YOU BUT ASK. HE WILL MAKE YOU FREE, IF YOU BUT ASK, FOR HE CAME THAT ALL OF US MIGHT BE FREE FROM THE YOKES, BURDENS, SHACKLES AND HOLDS OF SATAN, LUCIFER, THE DEVIL.

There is one, who is reading this right now and you look like and act like Satan incarnate. You are male and your name begins with the initial "C." You are deep into the occult and you have done terrible and evil things. But, of all the evil that you have done, you cannot and will not ever forget what you did to Melanie. You need to know, "C", that you do not have to live this way! Yes, you have done terrible things, but you have done much in ignorance. Jesus can and will forgive you if you fall on your face and ask Him to do so. Right now, I am asking our Lord Jesus to save you, to touch your heart and to convict you with the power of His convicting Spirit. He is able to make you free and I ask Him right now to make you free and to forgive you and to save your soul. I beg you to forsake this evil, for you are a Child of God, who has gone astray. You know that our Lord told us about the Shepherd, who had 100 sheep, that if one went astray, that he would leave the other ninety-nine and go out and search for the lost one. You, "C" are lost, but you do not have to stay that way. You have the capability for so much good. Now, it is time to know this great capability, which is your free gift from the Spirit of God! It truly is the love of God, which makes the world go 'round and you really need this beautiful love! I send you the love of my heart!

### Laurie's testimony -Part I

Dear Friend, my name is Laurie. This is my testimony, a part of my life, and God's miracles in it. We never realize just how blessed we are, at least I didn't realize it. On August 02, 1986, life for me was very sad and I came to the conclusion that I wasn't happy with my husband and would probably divorce him some day. This made me very sad because I loved him.

When I married him, it was for life. You see, my dad left when I was two-years-old. I always wanted children, to have two parents, a mom and a dad. That was so important,

I thought! My husband was an atheist. He was abusive, and in his eyes, there was nothing wrong with him. He stated boldly that he wouldn't go to a marriage counsellor with me. I, in his eyes, could rarely do anything right. I didn't, I couldn't live a life like this. I wanted to die!

I talked to God, and I said, "God, I want to be with you! Please, could You just let me walk in front of a car, or a truck, to be struck and die instantly!" I thought about suicide, but I wasn't brave enough to do it, but knew that I couldn't take much more of this life.

On August 04, 1986, two days later, I was picking up my grandparents to go to a doctor's appointment. My grandparents were in the back seat, my 1-½ year-old son was next to me; and my five-year-old daughter, next to him on the passenger side. We were hit by a full-size Mac Dump truck at a flashing signal light. We were at a dead stop when he hit us doing almost 50 mph. The dump truck hit on my side of the car. My car wrapped around his bumper and he pushed us for 20 to 30 feet. We stopped a few feet short of a telephone pole. In the front seat of my car, buckled in half, stop short of the dashboard. (Laurie, did you mean to put I was at the first part of this sentence?) The steering wheel came down into my stomach.

God was watching over us that day, but was definitely teaching me a lesson. Neither one of my kids was hurt. The paramedics cut the top of my car off with the Jaws of Life cutters, and did a life flight for my 72-year-old grandmother. My grandfather died ten days later. I miss him, but I know that he is with the best Father, ever! God is taking care of him now!

I know there is a heaven. I had two out-of-body experiences while unconscious for three days. I woke up in the intensive care in Oregon Health Sciences University in Portland Oregon. I must have thanked God one hundred times that day for letting me live.
Live for each day. Please don't take God for granted, or His Son Jesus, who died and shed His blood for your sins. Would you give up one of your kids to be killed for everyone's sins? What a Father He is!

 From The Mountain Prophecies Copyright 2005

But, I did learn my lesson! I broke my pelvis in three places, and ruptured my spleen. They saved my spleen, but did exploratory surgery to find out why I had lost five bags of blood, because I was bleeding internally. My left lung was collapsed. I had three or four broken ribs, a fractured elbow and a bruised bladder. I was on a respirator. It took me a year to heal, and I had to learn how to walk again.

I never take God for granted (now) as he has been so merciful to me. I love Him! He continues to show me His miracles in my life. I never should have survived that day. The paramedics called me in as a 95% chance that I wasn't supposed to be alive by the time that I got to the hospital. And, Ya' know what? Since then, ten years later, I had another baby. He is a miracle in a miracle, in a miracle! I almost had him at the Red Hot Chili Pepper concert in 1996. My water sack broke, while I was walking into the concert, but I didn't realize it until later. He survived in a broken sack for three days. His heart stopped before birth. The doctors took him (through) emergency Caesarean section in three to four minutes! He is a great boy!

I found out the other day what his whole name means, which is beautiful, to me because it just confirms to me how God really is! This is the meaning of his name. By the way, he has two middle names. We were trying to appease two grand parents. Meaning: Lucas=Bearer of Light; Alexander=Protector of Mankind; Riley=A small stream and Hyman=Life. His whole name is Lucas Alexander Riley Hyman. He is the light of my life, second to the Lord, of course!

I do have faith. Even though I can't see the Spirit (of God), I know every day it is in my heart. And, that God loves me and you, too. He desperately wants His people back! Romans 10:9. "For, if you confess with your mouth that Jesus is Lord and believe with your heart that God raised him from the dead, you will be saved."
Please read with your eyes my miracles, but believe with your heart that this is God's work! He wants to bless you too! Have a good day and thanks for reading this. Love, your Sister, Laurie.

**Laurie's Continued Struggles and the beautiful Gift of Freedom, which our Saviour gave to her!**

**Laurie passes out her testimonies to the homeless and the lost in Oregon!**

**Her Second Testimony!**

Hello, my name is Laurie. This is my testimony, for coming down and climbing back up again from Hell! Satan thought he had me bound, but God shows me every day through His mercy and grace, that He is our Father. Jesus, His Son, is our Saviour and King!

About three years ago, I started using Meth. I have used a lot of other drugs too, But, I got hooked fast on Meth, first snorting it, then smoking it in a pipe. My boyfriend was a Meth dealer. We didn't sleep, or eat for days at a time! I was as mean as a witch, as skinny as a skeleton and as selfish as an ogre! All I wanted was another high! I lost my family, my car, but most of all, I lost my self-respect.

My boyfriend cheated on me with several women. I felt so trapped, like I was in jail. Death and suicide seemed so easy, but I have three kids. Two are grown, but one of them is young. I am also a grandma. One day, when my boyfriend was off on a drug deal, I got on my knees and started talking to God. I prayed and cried. I told God how sad and confused I was. I told him (that) I knew I would die if He didn't help me fight Satan. I asked God to take my craving away for Meth and strengthen me. He listened to My every word. He is like a good Father. He made me realize (that) He was always there. It was me, who had walked away and forgot Him.

I sat there and thought, "What are you doing to yourself, Laurie?" I was so involved with Meth, porno, lies, deceit, etc, and just pure evil people! All of them, pretending to be my friends! I asked myself, "What is so infatuating about this drug?" My answer was the sex. For anyone, who hasn't done it, it makes you so full of lust for anything and everyone. Yes, this drug made me want to have sex for hours. But, it wasn't loving sex. I thought it was a dirty, disgusting, chemical, satan sex.
When I was done having sex with my boyfriend, I was disgusted with myself and sickened by flesh. It wasn't truly like making love with someone you really loved, or being held and comforted the way (that) God meant for you to feel, when you are married to someone! It was a continuous, unsatisfied, lustful craving!

 From The Mountain Prophecies Copyright 2005

I continued to pray every day, sometimes several times a day, for God's strength. I felt His love continue to grow, the more I tried to stay away from the drugs and evil. I felt so sad and trapped. I finally decided to write my brother back east a letter for help. My boyfriend found the letter. He beat me up again. This time, it was in front of our seven-year-old son. He had a knife and threatened to kill me.

I got out of the apartment. I was sure that I would die that day, but God's angels saved me. I called the police, (but) my boyfriend framed me. He said that I attacked him with a knife. They arrested me and him. They took our son and put him in protected custody.

So, I was beaten up, framed, and lost my kid, all in the same day! I had never been in jail, (and) it was pretty scary. My boyfriend admitted he lied. I got my son back and moved away.

Satan has a slippery tongue, though. Several months later, after much counselling and anger management classes, I was led to believe that my boyfriend had changed. Well, he hadn't! That is what led me to Ashland. I gave up everything in my house, and a good friend drove me and my son to get away here. Those things (that) I left behind, are all material and replaceable. We are not!

God loves us all and wants to bless us! And, He did hear my cries. He took away all craving for meth! I don't crave it anymore. Matthew 5:6: "Blessed are those, who hunger and thirst after righteousness, for they shall be filled." I haven't had any Meth for 16 months. I smoked marijuana for 29 years. I have not had any for 10 months. I am an alcoholic. I haven't had a drink for 10 months. I smoked cigarettes for the last ten years and I haven't had one for nine months.
God has strengthened and cleansed me with His love every day. I learned something in church the other day about David and Goliath. God used his most humble, least proud, weakest and youngest, to do some of his best work. I am the youngest of four kids in my family, the poorest, and at this point, the least proud. He is using me right now to

tell you of His Glory and His Love. He would probably use you, too, if you believe in Him. Do You? Laurie

Laurie, thank you so very much for sharing your testimony. My heart's desire is that your testimony touches the hearts of many and shows them the love, the grace and mercy of our Lord and God!

THROUGH THE LOVE, GRACE AND MERCY OF OUR LORD AND GOD, LAURIE HAS BEEN SET FREE OF THESE ADDICTIONS: METHAMPHETAMINE; MARIJUANA, ALCOHOL, CIGARETTES AND PORN AND SEX! GLORY TO OUR FATHER IN HEAVEN! BLESSED IS HIS HOLY NAME! FOR, SURELY THE ONE, WHO IS FORGIVEN OF MUCH, LOVES HIM THE MOST!

Thank you, Blessed Saviour and Most Wonderful Father in Heaven, for what You have done for Laurie, for me as a former practicing alcoholic and for each and every soul on this planet, that you set free and keep free from day to day. Blessed is the Name of Jehovah, Most High God and blessed is the Name of His Son, Jesus, King of Kings and Lord of Lords!

(Laurie, I corrected some of your spelling errors, structured your paragraphs and edited, not for the content, but for grammar, a little here and there. I hope that this is all right with you. Linda)

# CHAPTER THIRTEEN

## OUR FATHER'S WARNING OF A TERRIBLE WINTER

## October 31, 2005

(Note: on the day, in which I received this message, a great prayer of intercession began to pour from my heart and all of this, I prayed in "tongues." So, I did not know what was troubling me so! I prayed, and prayed, all afternoon and well into the morning hours. A deep pleading was coming from my heart and a great sense of dread as I have seldom felt, literally consumed me. As I prayed, the prayers actually bellowed from my lips, as I was agonizing in pain from what I felt deep within my soul! And, it was during this time of deep prayers that our Father in Heaven gave me this message! Blessed is His Holy Name!)

### Our Father's in Heaven's Message regarding this Winter

### October 31, 2005

"Oh, My Little One, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. Look, My Child! Look ahead; for these are dark times! Look ahead, for these are perilous times! Look ahead, My Little One, for a great howling shall go up! A great dearth shall lay in the path of this country and in the path of the world in the coming months! Oh, a great winter of peril, of sorrow, of many woes! A great winter of darkness and bone-chilling cold! While the people of this errant world sleep on, a great cunning is afoot! A great sorcery on the backs of the people, the likes of which you have never seen! For, the forces of hell rise up against this nation! The forces of Satan the world over rise up against you and you are now in the quiet before the storm.

Oh, My Child, bellow for the dead! Howl for the dying, for before this series of calamitous events comes to pass, the great sorrows of it have rent your soul! They have cut into your heart! They have pierced you deep in the spirit and the howling that you now hear is coming from your own lips, is the howling of My people as they behold

the dead and the dying! Oh, the powers of darkness rush headlong, a great fierceness upon the backs of the unsuspecting. Oh, the horrors! Oh, the mayhem! Oh, the killing! Oh, the dying, which awaits this errant land! For, you have been My first love and now your first love is not Me, but Satan and His Kingdom. And, he comes to devour you! He comes to destroy you, but you, as a nation, do not want Me and My love! You want him and his destructive ways and now comes your hour of retribution. Now, comes your hour of darkness, darkness as you have never known it. Oh, rise up, My people and howl for the dead and dying. Howl for the destruction comes upon you as a thief in the night! Weep, My Beloved, and wait upon Me; for the redemption draws nigh for the clean and the white, the pure, the tried and true, the righteous and holy ones. Though you are few, I shall not forget you!"

"Oh, my Beloved Father, what is this dark winter? What is this death and dying? What is this great destruction?"

"My Little One, it is the death of disease and dying. It is the death, which is caused by upheavals in the land, of violent storms, of wars and revenge. It is the stench of death, which is coming into this land. Get ready; for this is your dark hour. I am your Father in Heaven, yea Jehovah, Most High God."

My Dear Ones, think ahead and prepare for hard times this winter! In the warmer parts of the USA, and elsewhere, you may not be affected, but it is always good to be prepared for hard times any season of the year. For this world is becoming increasingly unstable from year to year and it should now be plain to all that this government is just not equipped to handle a major emergency and has repeatedly bungled its feeble attempts to do so. And, many are now coming to this sad, but true conclusion,, that each person, each family is left to fend for self! And, it is wisdom, my Dear Ones, to be prepared for hard times!

 From The Mountain Prophecies Copyright 2005

From what I have been hearing, many in Florida are still struggling to overcome the most recent devastation, which has been caused by Hurricane Wilma! Yet, there is a total news blackout about the great devastation, which was caused by Wilma in Florida! So, take note, Dear Ones, and get some provisions on hand for you and for your family and get prepared for hard times; for these are all ahead, very hard times, indeed, for this nation and for others around the world! Also, if you are in the colder parts of the USA, or elsewhere, even in other nations, get alternative heating strategies if you furnace is dependent upon electricity to function.

## SECOND MESSAGE FROM OUR FATHER IN HEAVEN

### October 28, 2005

### "Separating the Real from the Unreal"

"My Precious Child, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God! My Little One, this message is both for a select few, who are to be told first and then to those on the Internet website. For, My Little One, times are very bleak in the whole world; but those, who have the eyes to see, can see that Satan has been almost totally cast down into the Earth, and that he has come down with a fury. The great world war is now being directed against the USA, as Satan now comes to devour what he has so artfully and skilfully corrupted. But, I tell you, My Little One, that he is being allowed to do so, as this nation is utterly corrupt, from the highest levels, to the worker in the street, this nation is corrupt.

As the horrendous calamities hit this planet, some of Mine are awakening to the hour, My Little One, and some are repenting. But, I tell you in truth, that the ones, who repent, are few. Yes, they see. Yes, they hear. Yes, they know, but they do not necessarily repent at all, but go on loving this world and all that is in it. But, there are a few wise virgins, and they know that the midnight hour is upon them. So, they watch and wait, walking in love, faith, forgiveness, obedience and humility; for they are prepared spiritually for the great hour of darkness.

And, great darkness it truly is, My Little One, for the time of great upheavals is in the Earth. And, yes, much suffering could or would be avoided if people all over the Earth

would repent, but they do not, choosing instead to believe the seducing doctrines of demons and devils. And, so many professing to love Me, are out to kill and destroy My true servants. Oh, it is a time of great turmoil, and a clear time of the sorting of souls, wherein some will be counted worthy to escape all these things, but these are few.

I warn Mine once again to come out of this worldly system, to forsake Satan's traps of television and movie mind control, to come away from these things and to get spiritually clean and stay spiritually clean, through confession of your sins, repentance, forgiveness, and walking with a penitent and contrite heart before Me; for if you will not give up the world of illusions and lust, you will be carried away by the greater illusion of the antichrist and false prophet. For, this Beast System is about to unleash a worldwide system of lies and illusions, which even the most faithful may fall to! You are on the verge of seeing this one world government, this antichrist system, come into full swing, and it will come about through great lies and deception and many false miracles and lying and deceiving wonders. But, truly all of you, who love this world of illusion, and will not give it up, will get only what you deserve.

Along with this world system of lying illusions will come even greater forms of mind control through the microwave towers and through chips to the head and body, many of them implanted without your conscious awareness and permission. For, Satan is come down, along with all of his lying minions, and he now controls the governments of the world.

Yes, they are fighting among themselves, for many now want to rule the world! And, he is both allowing and causing this in-fighting in order to clear the playing field. His hotbed of conquest right now is the USA, and with reasons. You profess to be a Christian nation, but are not! Many spiritually dead "Christians" fill the churches. They fill America, but through great trials and hardships, I will separate the real from the unreal. In the end, only the Tried and True, the white and clean, will go with Me! Those, who love this world, will go the way of the world. The masses the world over, are ready for the mind control chips and many of Mine have been picked up and chipped against their will and without their conscious knowledge, or consent, but as long as these are

 From The Mountain Prophecies Copyright 2005

faithful to Me, I will preserve and keep them. And, I have allowed these things to make them white and pure; for the hour of reckoning is at hand.

You wonder, My Child, about the great upheavals, which are at hand, and I tell you that they are massive and already well underway in the Earth. These things I warn Mine of, for times shall be severe this winter in the USA and in other parts of the world also.

Prepare for sudden blizzards and ice storms to hit much of America, with loss of power and once again very high gas prices. Many stand to freeze to death in cities and even in country areas from loss of power. Therefore, have back-up heating plans, and ways to survive with loss of power. Many gas furnaces must be powered by electricity so with no power, there is no heat. If you are able, get a separate heating system, or plan with a friend or neighbor for survival, in case of loss of electricity. Have food and water on hand to last for weeks through inclement weather.

Get ready for unexpected situations in the government of the USA as warring factions fight for control of the country. This could lead to sudden planned terrorist schemes, which can and will cripple much of America. These schemes are being prepared as the West Coast and the New Madrid faults crack and groan as they weaken.

Prepare for the great famine, which is at hand; and prepare for the great flu outbreak, which will be created and administered through vaccines. This flu will be spread also via aerosols in large inner cities. This is their plan. You have heard the rhetoric about martial law ensuing after the flu outbreak! And, these plans should be obvious to you by now.

My Child, you ask, “”What about Niburu?” And, I open up your vision now to show you that Niburu is indeed real and you in this Earth, along with the rest of the solar system, are feeling its effects right now. The signs are everywhere and unmistakable! You can expect continued and increasing major calamities within the Earth as you see more and more volcanoes going off and more and more earthquakes and tidal waves. More weather manipulation and wars and rumors of wars as well, as Lucifer sets up his One

World Government. Greater surveillance, a world-wide police state, and greater stalking, torture and killing of those, who speak the truth.

You are now on the fast track for destruction of the world, as you know it to be. A total dismantling is going on, both in governments and in the world, as you know it to be. These great upheavals will soon bring massive losses of life. This is inevitable. Get ready for it. Get spiritually ready, as I have directed, but otherwise also prepare for very hard times, famine, economic downfall and collapse of the world economies, greater police state, great numbers of deaths through famines and diseases and plagues, and I have told you above, of sudden destruction all over the Earth.

“And, Father, asteroids and meteoroids?”

“All are coming and all are part of the Niburu dust cloud, and some of these shall be huge and their impacts will re-shape continents.”

“Is this what will cause the near-mile-high wall of water to come over California, Nevada and into Utah?”

“What I must say to you here is two-fold.”

1. The giant space rocks will pummel the Earth facilitating and making ready the flipping of the Earth.

2. The great wall of water will surely come in and devour California and much of the Southwest of the USA if people do not repent in a very big way!

“But, Father, I do not see many repenting.”

“This is so.”

“And, for the same, or similar reasons, my Father, Louisiana, Mississippi, Arkansas, and other states around the Mississippi River will flood.”

 From The Mountain Prophecies Copyright 2005

"This is so, My Little One, at or near the same time, the Earth will flip and the new electromagnetic poles will then match the new physical poles."

"How long, Father?"

"Not long, My Child. Not long. Watch! Wait! And, be ready! I am your Father in Heaven, yea Jehovah, Most High God."

**WHO IS THIS MAHDI?**

**IS THIS MAHDI ALSO, OTHERWISE KNOWN AS, "MAITREYA", THE "BETRAYER,"**

**THE MUSLIM-LOOKING, DARK-SKINNED MAGICIAN?**

(Earlier visions as given by our Lord and God on http://www.prophecies.org show that the False Prophet is a Muslim!)

Dear Ones, take note of some very important happenings in recent weeks. Perhaps many of you read an article on http://www.whatdoesitmean.com some weeks past about the Muslim Holy Man, the Mahdi, who reportedly landed in the capitol of Nigeria. Sorcha Faal writes on her website how the Muslims have long awaited their Mahdi, or their Holy Man, and that, according to the Muslims, he is to return to rule over them shortly after the two eclipses on the month of Ramadan! And, these two eclipses did take place on their month of Ramadan in October of 2005. From her article, we are told that a great cloud descended upon the capitol of Nigeria and that this Mahdi descended from an airplane and went about the capitol city healing large numbers of people. From there, he was apparently invited to visit the President of Nigeria and afterwards took a plane to Mecca, along with approximately 100 others. But, as her

article entails, this plane was shot down by the US military; and the Mahdi and about 50 others were enveloped in a blue bubble of light and survived. Reports coming out have contradicted this claim and we cannot tell from these reports what actually took place. But, word is that this plane was shot down by the US military and that the president's wife, who was having surgery in Spain, was also assassinated by the US military. Dear Ones, take note of this! Is this Mahdi, none other than Maitreya, the Muslim-looking, dark-skinned, magician, who has been known to perform all sorts of stunts and "miracles" and lying signs and wonders, even having been known to go through walls! Are we seeing the emergence of this fraud as the holy man of the Muslims?

## BILL CLINTON

## THE ANTICHRIST/SAVIOUR OF THE WORLD?

On the heels of the appearance of this Mahdi, we now see Bill Clinton travelling all over the world, embracing the poor and seeming to promise them the "moon." I have seen some articles on the Internet, which describe Bill Clinton as the Saviour of the World. My Dear Ones, we know that he is gunning to be Secretary General of the United Nations! Is this about to happen? I tell you, my Dear Ones, that many will embrace Bill Clinton in this bid! Many believe the lies, that he was the best president that America ever had! Many believe that Bill Clinton gave America an unprecedented time of prosperity, as has never been known in the history of the USA. Why do they believe such things? Because the lying "box" told them so! But, many also forget the big list of those, who died mysteriously just because they know the Clintons! Yes, indeed, many have forgotten that this man, Bill Clinton and his power-hungry wife are serial killers! They have forgotten how this very strange couple have clawed their way to the top, and all over the top; and continue to claw and to climb to greater positions of power, and all of this on the backs of the ignorant and the unsuspecting!

## PILE ON THE CAKE!

So, get ready! Clinton wants to be the antichrist and King Charles and "Mrs Piggy" also want to be the antichrist and his wife; but even the blind, the deaf and the dumb can tell when they get enough "cake!" Who would go out to plant a tree with a fake flower

 From The Mountain Prophecies Copyright 2005

on his lapel?? You guessed it! The Prince of Pomp, the poor little misunderstood Prince, who is just never respected because of the great and big gold spoon, which pokes out from between his teeth. What a shame that this murderer is so misunderstood! How many times can we say, "This rotten family killed the only true flower that it will ever have!" Princess Diana! And, people the world over are not mocked at the loss of this most beautiful flower from our midst. All I can say to this poor misunderstood prince is, "Take your fake flower and go back to Cornwall!" We don't need it here in America! We have had our "cake" days!

## THE GREAT PERSECUTION OF THE TRUTHBEARERS

## THE KILLERS OF TRUTH!

And, on top of these most horrendous signs of the impending end of the world, as we know it to be, the Bushes and their antichrist puppets are out to kill any semblance of truth and to annihilate all, who dare speak it or put it out! I cannot begin to describe the great assaults of the Bushes and their Satanic legions, which continue in their assaults against me from day to day. One of the dastardliest deeds, which Bush has done, was on the early morning hours of November 13, 2005 when a terrible thunderstorm came over this area. I can never recall having seen such horrendous lightening; and towards the end of the storm, as I watched from the kitchen window, five or six speeding balls of fire rolled across the sky, just above treetop level and they dissipated in explosive blasts right before my eyes, some of these balls of fire larger than others! One of these balls of fire came right over my house and fizzled out just outside my kitchen window and the others came along the side of my house, just above the treetops.

During the course of the storm, I heard two very large blasts right outside of my living room window, but did not look out. However, later I could find no visible evidence that lightening struck anything! So, I can only assume that more fireballs were exploded outside my house. And, after this storm, there was a stronger ozone smell than anything I have never smelled in my whole life. And, even at the end of the storm, when I saw the balls of fire, there was still unbelievable lightening, as I had never seen in my whole life! Giant fingers of fiery lightening were streaking across the sky, literally

illuminating the sky from one end to the other, as these giant fingers branched and forked in many directions. But, the rolling balls of fire were the strangest of all! These balls of fire were coming from the East and going west, but the storm was quickly moving form the West to the East and was nearly over when I saw the fireballs. I believe that there were massive numbers of these fireballs and that these balls of fire are indeed weapons of war, which were directed at me by George Bush and his fellow Satanists! Such things have been associated with their Electromagnetic pulse technologies, the same technologies, which they use to create killer storms and earthquakes!

Behind me to the East are two military bases, Little Rock Air Base and Camp Robinson, the former obviously an air force and the latter army! These balls of fire were either shot from an aircraft, or possible saucer, or they were sent from one of these bases, or both. At any rate, a military assault was directed at my house and I am alive now and able to tell about this only because of the love and grace of my Lord and God. This is what happens when insane men, perverts, drunks and worshippers of evil and darkness, take the reigns of power!

I wish to let it be known at this point, that I have been witness to a large, orange fiery saucer-shaped object, which has visible on many occasions around this house since the first week of September. This orange saucer-like object usually sits in the north sky, anywhere from 30 to 45 degrees overhead and it moves, but in an erratic manner. However, I have also seen it in one place when I went to bed and that it was in the same place in the sky when I woke up the next morning! One night, I saw it streak quickly across the sky, but it was then moving from a southerly to a northerly direction! With the binoculars, I am able to see a fiery field beneath this craft! This changing field appears as a “wobbling”, “erratic” orange fiery mass at the base of this craft! For the last three to four weeks, this craft is in the sky every night and is not to be confused with Mars, which is also an orange and rather bright ball of light, but not as bright as this craft! Plus, Mars moves from East to West in an overhead movement and can be seen and tracked via this path from night to night. The reason I mention this is that these flaming balls of fire, which pummelled the skies during and after the violent lightening storm on November 13, 2005, may have very well come from this

 From The Mountain Prophecies Copyright 2005

orange, fiery craft! And, this is what I believe to be the case. I believe that the US military is using their "saucers" to wreak havok and intimidate, burn up and destroy as they please, even as a way of announcing the coming reign of their king of terror! Yes, indeed, it is terror in the skies as Satan, the Prince of the Air, comes to rule over the unsuspecting, and to terrorize the world with his weapons of mass destruction!

In addition to this round, orange and fiery craft, I have also seen another large, fiery craft, but this one has a white-light, fiery base, also with the same kind of changing and moving appearance of this white-fire base! During the last month, or so, I have seen this aerial craft many times! It sits due South, and perhaps from between 25 to 75 degrees above the horizon. This saucer-like craft also sits in one place for hours! What is most interesting about this white-light craft is that it does not like to work on weekends! For several weekends, I have seen that it is definitely not in the sky, but will often be there every night of the week. I usually see it around 6:30 in the evenings and it will be there for several hours at a time. I have shot over two rolls of film, trying to capture it on film, but each of the negatives always comes up blank. As I shoot many photos at night these days, I can tell you with a certainly that there is always something in the photos, as the camera has a flash, but in these photos, they come out absolutely clean. It is as if someone has taken some cleaner and has wiped the negative clean, but the remaining negatives on the roll, which capture other things, will be unharmed! Obviously, some do not want to be photographed! And, so it goes with the deceitful and utterly evil night stalkers!

Just yesterday, a Dear Friend reminded me of Revelation 13:13 and this is what Revelation 13:13 tell us! "And, he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men …" These, my Dear Ones, are the works of the Beast, and we are in the very last days!

## GEORGE BUSH IS STALKING ME AND CONTINUES TO TRY TO KILL ME IN COVERT WAYS!

In addition to the fireballs, which these evil ones sent over and near my house, George Bush also sent four warplanes over my house about a week before. He did this about 45 minutes after I told a friend over the telephone that the Bushes and their evil hoards

plan to create a worldwide flu epidemic, a pandemic, by putting live flu viruses into the flu vaccine! I told my friend that this “planned and well-orchestrated” flu pandemic could kill many millions, and this flu vaccine is totally worthless in preventing bird flu or in stopping the spread of it.

Well, it only took about 45 minutes for this conversation to reach Bush and his buddy, Rummy, and for them to dispatch the warplanes over this house. But, this is not the first time that George W. Bush has dispatched his airplanes to fly over this house in a threatening way! In the summer of 2004, he sent a yellow plane over this house, which sprayed this house with chemicals! This plane had two different tail numbers and neither of them matched the description of the plane, according to Federal Aviation authorities, which I reported this incident to! When I reported this spraying to the Faulkner County Sheriff’s Dept, the deputy told me that there were crop dusters, which were spraying down in the bottomlands! But, when I called back to ask him who these crop dusters were, he could not tell me of any specific crop dusters! Did this man lie, or was he just confused! I filed a report with the detective’s office of the Faulkner County Sheriff’s office regarding the chemical spraying of this house, but no one ever came to investigate.

In addition to this low flying plane, which sprayed this house in the Summer of 2004, in that same Summer, several large C 130s were also sent to buzz this house, even though, they normally have a flight path, which is near the airbase, at least some ten to fifteen miles away. The same day that these C130s buzzed the house, a series of crop dusters buzzed this house over and over. I will never forget this as the next morning, I read in the news that an owner of a local crop dusting service had crashed his plane! But, this is not all, many times black helicopters have buzzed this house, even before we moved out into the country! And, all of these have been sent out by George Bush, and with the sole purposes of intimidation, threatening and stalking! For information on another alleged abuses of George Bush, read about the rape accusations of one, Margie Schoedinger! Type her name in the search engines and read on! This woman in Texas claimed that George Bush and FBI agents raped her and her husband and she had filed a lawsuit against them, when she came up dead! Suicide? I do not believe it!

 From The Mountain Prophecies Copyright 2005

## THE KILLERS, RAPISTS, THIEVES, SODOMITES AND PERVERTS, WHO RUN AMERICA!

But, my Dear Ones, these are hardly the worst of things that they have done to me, in order to hinder, to prevent, or to stop these works! The Bushes and their evil allies have truly gone to extraordinary lengths to kill me. They have, as I reported back in May of 2004, raped and sodomized me! They have repeatedly picked me up and have injected me with all manner of drugs and also have implanted me with microchips against my will and without my conscious consent. And, via these microchips, they send painful electrical currents into my body at various locations. They send beams into these chips and can make various body parts jerk, as they implant them into nerves and in so doing, they have caused great pain in the radial nerve in my left arm and elsewhere. They have put them in my feet and regularly send electrical currents into my feet and in so doing, they have continually burned my right heel, causing it to bleed at times and the skin to continually thicken and to peel off. They have put needle-like objects, tiny and approximately a millimetre in length around me eyes, in my forehead and around my nose and mouth. I have repeatedly pulled these out, as they can be found with the tips of my fingernails and can be pulled out. These tiny receivers allow them to follow the REM sleep and to send currents into the eyes to stop dreams and or to control dreams and only our Lord and God knows what else they are used for! Because of the fact that I continued to find and pull out these tiny-needle like objects, these evil hoards then put implants on both sides of my nose near my sinus cavities and in the sinus cavities near my eyes and in this way, the can send electrical currents into and around my eyes, which feel like bugs crawling on and under my skin! They have put implants in my hands, and when I do something that they do not like, they will send strong electrical currents into my hands and into other body parts to torture me, to burn me, and to cause me sharp pains in these body parts. At times, I have been able to pull them out, but they abduct me again and put more in! They most recently put more implants in my lower left arm between the bones and in my leg between the bones and in my feet at deeper levels. They even put one in my navel area and just last night as I was praying against them, they sent a strong jolt of electricity into my stomach, which created a sharp pain. And, so it goes, my Dear Ones! This is what they have done to me and continue to do, all because of the work that I do for our Most Wonderful Lord and God. But, I tell you, my Dear Ones, that I am ever pleased

to go through these most horrendous of things, for the love of my glorious and wonderful Lord and God! For, truly, my Dear Ones, He has kept me and He continues to keep me and to provide for my every need in the most miraculous of ways! It is ever true that these evil ones can torture the body and they can kill the body, if our Lord and God allows, but as these things are the will of our Lord and God, He will surely carry me through it all, if I am to get through it. And, if not, He will surely carry me home. Blessed is His Holy Name!

## KIDNAPPED, DRUGGED AND CHIPPED!

Dear Ones, our Father in Heaven has made it perfectly clear to me that many humans are now implanted and do not know it. If you feel your skin crawl in a certain place, especially around your nose, your face, or eyes, you may very well have implants. But, these "crawling" sensations can occur on other parts of your body, on your hips, thighs, and on almost any part of your body. These crawling sensations may occur as well because of microwaving to certain parts of ones body. In many instances, where an implant is responsible for the "crawling" sensation, you will be able to feel a very small object just below the skin, at the area, where you feel the sensation! And, often you can actually extract a tiny implant with your fingernail! But, be sure to cleanse your skin with disinfectants afterwards. When you get the implant out, the "crawling" sensations in the skin will stop!

## WE MUST WALK IN FAITH, FOR OUR LORD AND GOD IS ABLE!

"If it be so, our God, whom we serve is able to deliver us from the burning furnace, and He will deliver us out of thine hand, O king." Daniel 3:17

I tell you, my Dear Ones, that our Father has allowed all of these things to happen to me! It is just as with Daniel, Shadrack, Meshach and Abednigo! If our Father decides that you and I should go through such things, He is able to carry us through them. But, if he decides that we must die in this way, He will be there to take us home! Blessed is His Holy Name! My Dear Ones, this Most Awesome God has kept me through terrible trials and great persecution! He has kept me alive amidst repeated abductions, mind control attempts, torture through implants and through electrical beams, which they

 From The Mountain Prophecies Copyright 2005

have sent through the windows! And, He has kept me through seven years of microwaving and through other bizarre attempts on my life. Killers stalked us all in the streets of Stockholm and killers have stalked me elsewhere, but my Dear Ones, I am not afraid and have not been afraid of their evil. For our God IS ABLE TO DO ALL THINGS and TO HIM IS ALL THE PRAISE AND GLORY! I do not fear their implants, for our LORD AND GOD HAS KILLED MANY OF THESE IMPLANTS, AND OTHERS OF THEM, HE HAS CAUSED TO FLOAT TO THE SURFACE AND I HAVE SCOOPED THEM OUT. WE MUST NEVER UNDERESTIMATE OUR MOST AWESOME GOD, FOR HE IS ABLE TO DO ALL THINGS!

Back in January of 2003, He told me to read the Book of Daniel and to get these words in my heart, in my Spirit and even then, I did not look forward to what He was telling me. But, my Dear Ones, I have lived a Daniel life and I am grateful for every day of this Daniel life, for truly our Most Wonderful Father has carried me through some horrendous experiences and He has kept me alive. Blessed is His Holy Name! For, He has been faithful to me! He has stood by me and He has provided for me when so many have mistreated and rejected me! A few of you have stood by me as well! You have been my faithful friends in spite of all that I have been through and I love you very much!

## THE TORTURE PARADE!

My Dear Ones, you must now get wise about their torture parade, for no one is exempt and soon, the whole world will see and know what these most evil ones are up to and what they have been doing to many, all against their will for quite some time! For, truly these evil ones delight in torture! They thrive on it and they delight in suffering! And, they delight in doing their work in stealth and cunning! They delight in causing people to BECOME SO BEAT DOWN, that they give up and kill themselves, or someone else! And, they will go to great lengths to pick up and mind control the unbelieving, the naïve and gullible! They hide behind their “terror” technology and carry out their dastardly deeds in the darkness of night when the victims are fast asleep. They then kidnap their victims and they drug them with memory erasing drugs as they carry out their mind control and other abuses to their bodies! For, they do have the technology to do so and few know or even believe what has happened to them! What “perfect”

crimes they carry out on those, who do not even believe that they ever could or ever would be such victims!

These evil ones have abducted me and injected me with drugs and implanted chips in me so many times that I could never begin to keep up with these many assaults. I have awoken so many times in the morning with needle marks on various parts of my body that the sheer numbers of times are mind-boggling! But, I tell you now that their evil mind control does not work on those, who walk in love and forgiveness and as for me; I have forgiven all of the great evils that they have done to me! From day to day, I strive to walk in love and forgiveness toward all, regardless of what they have done to me. I have no malice in my heart and wish to harm no one, and especially not myself. But, these evil ones have drugged me and have surely tried over and over to mind control me! However, I belong to my Lord and God and not them! AND HE IS ABLE TO PRESERVE AND KEEP ME; AND HE HAS DONE SO, UNDER THE MOST ADVERSE OF CIRCUMSTANCES!

## THE BUSH CIA MIND CONTROL ATTEMPTS!

In the past two to three months, these Satanist CIA operatives and others have repeatedly called here and have left such messages on the recorder as, "Your ID NUMBER IS MR-------- And, after the MR, a series of numbers. I knew that this was one of their so-called trigger phrases, but it did not trigger anything, but a knowing of what they were doing. And, so after carrying on with this for a while, with no results, they began to call here and say, "Call Mrs Black." But, why would I want to call Mrs Black? Is this not one of their trigger phrases for "go kill yourself," or "kill someone else!" And as they station their spy machines, their antigravity machines, which blink the red and green lights, around this house 24 hours a day and seven days a week, they monitor all that I do, say and think. So, when I have a "bad" day, so to speak, and become the least bit upset about anything, they call here with the "Mrs Black" calls!

## PRAY FOR MRS. BLACK!

My Dear Ones, I REPEAT HERE, FOR YOUR INFORMATION AND FOR PUBLIC INFORMATION, THAT OUR MOST WONDERFUL LORD AND GOD HAS BLESSED ME SO,

 From The Mountain Prophecies Copyright 2005

WITH GREAT LOVE; AND I HAVE FORGIVEN ALL FOR THE HORRENDOUS THINGS, WHICH THEY HAVE DONE TO ME; AND FOR THIS REASON, I HAVE NO MALICE TOWARD ANYONE! I LOVE MYSELF, FOR I AM A CHILD OF THE MOST HIGH AND I LOVE OTHERS! But, still these Satanic CIA operatives and rogue Satanists keep on with their evil parade! Just today, the 17th of November, 2005, four calls from phoney numbers! But, first thing on the morning of November 17, 2005 was a "Mrs Black" call! She did not say, "Call Mrs. Black," but said, "I am Mrs Black!" Yet, she was a talking machine! So, I answered all the rest of the phoney calls on Nov 17, 2005 with, "Is this Mrs Black?" to which, there was no response. Seems that Mrs. Black does not want to answer!

Dear Ones, pray for "Mrs. Black!" She is most definitely short of a meaningful life and she is obviously into the black arts and projects, from which she needs to be free. So, let us all pray for the freedom of Mrs Black, that she will repent and come to our Saviour, lest she end up in the Lake of Fire! I am very serious about this one thing, my Dear Ones! Please remember Mrs Black in your daily prayers and each and every person on this mind control team, that they will see the evil of their ways and repent before our Lord and God and come to know and accept our Saviour as Saviour of Humanity. My Dear Ones, pray for a great movement of the Spirit of God to come into their midst and to awaken them to the mighty love of our Lord and God and that they will be all ashamed and convicted by the power of the Living Spirit of God and repent of the dark deeds that they thrive on from day to day. My Dear Ones, our Lord and God is ABLE! So, put these mind controllers on your prayer list for complete deliverance from the clutches of Satan and for salvation through the love and grace of our Most Wonderful Saviour. And, pray for their freedom each and every day! Jesus is their HOPE and they need to KNOW JESUS! But, my Dear Ones, if they will not repent, but will only continue on in their evil, pray to our Father in Heaven and ask Him to deliver a great and mighty righteous judgement against them, that they will be punished for the great evils, which they have done to so many and continue to do. For, truly our Father in Heaven tells us that He delights in righteous judgement and you and I should also delight in His righteous judgement!

## MORE OF GOVERNMENT STALKERS!

In addition to these aforementioned things, which these evil ones have done to torture and persecute me, they try to make it impossible for me to listen to Internet Radio as they simply cut off the stream. And, on several occasions as I have been listening to a radio program on the Internet, there has come a sound of a squeaky door slamming, which seems to be their "trigger" sound for me to shut down the computer and stop this behaviour, but I just go on. And, at other times, the stream will cut off and some of their "strange" music will come over the speakers! One night after the door slamming through the speakers of my computer, there was a "strange" noise on the speaker, almost like a growl, but not really a growl, either; and a few minutes later, a male voice said via the computer speakers, "You are strange!" The following day, as I was speaking to others over the telephone, I could hear the faint sounds of someone, who was laughing over the telephone! And, so they go, my Dear Ones, obviously some people do not have anything of interest to do in their personal lives, so their only pleasure is in stalking, threatening and harassing others.

I do pray that these most misguided souls get a meaningful and spiritual life, that they repent of their evil and come to know our Saviour; for they are all headed for a very hot and burning fire! Dear Ones, pray for their liberation from the great and dark spiritual prisons, in which they find themselves! Put them all on your daily prayer list for total deliverance from these evil pursuits and for a mighty outbreak of the Spirit of God in their midst and for the salvation of every one of these souls! My Dear Ones, make this prayer one of your great priorities every day! I believe that our Lord and God will hear our prayers and I KNOW that HE IS ABLE TO DELIVER THEM AND TO SHAKE THEIR FOUNDATIONS UNTO REPENTANCE!

I write these aforementioned things to you, my Dear Ones, as you need to know that that the CIA, the FBI and other government organizations have been used against me for some time. This Satanic government has turned the CIA on its own people and they are in full swing now against an unsuspecting populace. They are bringing out their covert tools of drugging, mind control, and other horrendous means of stealth, cunning and killing and they are using them on the unsuspecting American people! My Dear Ones, if you fall under their attacks, pray, pray, pray and do what is right in your

life from day to day! We have a most wonderful and powerful God! There is none like Him and He is able to deliver you!

## CONTINUED GOVERNMENT STALKING!

This note, I am adding as I am writing this newsletter! In the early morning hours of November 18, I noted that there were two very low government "antigravity machines," which were parked about 45 degrees above the horizon, and due East. On this night, the flaming orange "saucer-shaped" object was due west at this time! I knew that they were up to no good on this day, on one of their #29 days, 11+18=29 and 2+9=11, their number and symbol for their two-horned god, Satan! I went to bed around 2:30 on the morning of November 18, 2005 and I was awakened almost immediately by my cat, who rose up on the bed and was peering toward the hall. In the hall, I heard sounds like those of shuffling feet and then in the living room, I heard the sounds of rustling papers. I ascertained that the "reptiles" were in the house and they were pilfering; and that they came from one of the "saucers", which was outside.

I saw three of these reptilian creatures in the year, 2000, as they descended right into the hallway of our house and my cat was the first to see them! They were more of spirit, but clearly of a physical nature as well, as I could see that they wore some sort of armour and both had weapons. My cat saw them first and she ran and hid and when I looked I was shocked! For, there they were, some demons straight out of hell, but with weapons and armour. Earlier that day, as I was speaking on the telephone with a friend in Utah, we both heard a very strange and unknown series of words, which were directed into our conversation. We both were amazed and wondered what we were hearing. And, upon seeing them, I remembered these strange words! And, even later that day, as I was leaving my Mother's house, who lived in the same mobile home park that we lived in, I saw three silvery saucers glide across the park, just above the trees, and they never made a sound! I believe that these three reptiles were definitely associated with these three silvery saucers. My Dear Ones, do not believe others, who tell you that these creatures do not exist! They do, and they are vicious!

Before I went to bed in the early morning hours of November 18, 2005, I prayed to our Father in Heaven for Him to cut off all of the implants so that they would not be able to

send any signals or pain into any of them; and as I lay down on the couch for a while and I saw that He did shut them down and these evil ones were not able to track me, or torture me and assault me via their electrical currents. And, my Dear Ones, this is what bothered them as they monitor me 24 hours a day, seven days a week. And, this is why they sent one of their scouts into the house later on to see what was going on.

When I awoke the following morning, I could tell that they had pummelled my head with microwaves all night as the skin on my head was full of "crawling" sensations and this is the way one's skin feels when hit directly with sustained microwaves. Also, by early morning, they were once again attacking my swallowing, by hitting my throat with weapons and causing me to swallow violently against my will. I was quite tired when I woke up this morning as it was late when I got to bed and I was attacked in my sleep by these evil hoards. But, almost first thing when I got up, I received the following call, which was left on the answering machine. Now, realize that when someone leaves a message, I do not hear this message, but have to push a button to hear the messages, which someone leaves on the answering machine. But, when these government stalkers call, they directly speak out their message into the house, as they want to make sure that I hear their harassing calls, when I would not otherwise listen to them at all. And, this morning, on the morning of November 18, 2005, this is what the CIA front, Chrysler Financial left on my telephone.

## CHRYSLER FINANCIAL, A CIA FRONT ORGANIZATION!

Chrysler Financial has been calling this house since around April of this year, when I got this telephone. They called here for Lennie Kravitz from April until around October of this year. I repeatedly told them that he is not at this number and cannot be reached at this number, but they continued to call here for him, often four or five times a day, and even threated to go to the police on one occasion when I told them that he was not here. So, approximately four weeks ago, I called the number that they left in one of their calls here and I got a man, who told me that this is the number that they have for this Lennie Kravitz; and when I stressed again that he does not live here and that they are harassing me, this man assured me that they would take my number off their list. But, I must tell you that the voice of the man, whom I spoke with was very strange, with a tone of puzzlement, when he said, "Oh, this is Linda Newkirk?" Be advised that their

stalking picks up speed when I sit to type a newsletter or to type information for the website, but this is only part of their harassment!

Now, today, my Dear Ones, they are calling again from Chrysler Financial with the following message:

"Hello, this message if for Linda Smith. This is Bianca Cruise and I am calling you from Chrysler Financial. Linda, I need you to call back immediately. My number is 1-800-685-8300, Extension 7622. We have a very serious matter that needs to be addressed and I need you to call back immediately! My telephone number is 1-800-685-8300. And, I hope that you return this call before it is too late!"

So, I called the Faulkner County Sheriff's Department in Conway, Arkansas and filed a police report against these people for harassment and stalking and will continue to lodge complaints against them until something is done about them. By now, I have a huge list of on-going harassments and continued stalking and attempts on my life, as directed against me via George W. Bush and his Satanic CIA and FBI front organizations, and these complaints go back for a solid seven years! And, at the head of all of this harassment, as I said is one rapist, serial killer and stalker, George W. Bush and his "killer" father!

My Dear Ones, what a Great God we have! Every day, I know that I am one walking miracle and am alive only because of the awesome, love and grace of our Most Wondeful Lord and God! Blessed is His Holy Name!

## REMEMBER KING NEBUCHADNEZZAR!

And, now, My Dear Ones, we will continue with a very important bit of Biblical information and how it relates to the current president and what is now taking place with him! Remember King Nebuchadnezzar! Our Father truly made him king over the rebellious House Of Israel. He not only made him king, but also sent him in to conquer his rebellious people, and to humble them because of their proud and haughty ways! This King served pagan gods, but Daniel was called in before him from time to time to explain what his soothsayers and astrologers could not explain, and truly this king

knew that there was no god like the God of Israel, but he grew in his pride and arrogance until he drew the wrath of the Most High God, Yahweh! When pride swelled up in this king and our Father in Heaven had enough, He humbled this man in a very great way and below you will find the king's comments, after he spent seven years eating with the animals of the field, obviously insane! But, in the end, he saw the errors of his ways and below you will read his own words!

Now, my Dear Ones, we see a very similar thing happening with George W. Bush. Truly, our Father appointed him to bring a reign of terror into this nation as this is surely consistent with His words in Leviticus, Chapter 26, verses 15 and 16, wherein He says, "And, if ye shall despise My statutes, or if your soul abhor My judgements, so that ye will not do all My commandments, but that ye break My covenant: I also will do this unto you; I will even appoint over you TERROR, consumption, and the burning ague, that shall consume the eyes, and cause sorrow of heart: and ye shall sow you seed in vain, for your enemies shall eat it."

But, my Dear Ones, this evil man, George W. Bush has risen up in his pride and he has risen up in his power and he has done horrendous and dastardly things all over the world. He has thought himself above all laws and has made himself dictator over this nation and over its people, without regard for any soul; and He has RAPED ME AND SODOMIZED ME and he kidnapped me repeatedly and drugged me and stalked me up an down the world, to which there are may witnesses! He has terrorized me and has harassed me via his CIA agents and has monitored me 24 hours a day, seven days a week with his government surveillance and torture aircraft, since May 01, 2003! He has drugged me repeatedly and has injected me with all manner of implants in order to torture me and to further terrorize me, and I am guilty of only one thing and this one thing is speaking the truth of his evil ways. And, now my Dear Ones, I told you in my Message for You, of May 2004, wherein I told you that George Bush and others had raped me and that he had sodomized me; that George W. Bush would soon go insane! And, at this point, this man has reached a height of great insanity, to the point that he is no longer fit to rule!

 From The Mountain Prophecies Copyright 2005

George Bush and this very stealth and satanic government used my husband and sister to collaborate in their effort to put me into a mental hospital! They mocked the very fact that George Bush and his evil associates had raped and sodomized me; and they mocked and made fun of me as they plotted to put me away. And, then George Bush and his CIA agents stalked me in Africa and labelled me “insane”, and systematically attacked my character with lies, all to destroy me, when I was guilty of nothing, but telling the truth. And, now, my Dear Ones, George Bush, himself is INSANE and totally unfit to govern, a total drunk, who is an embarrassment to this nation and to this world; and there he sits with his fingers on the nuclear codes! And, so just as Nebuchadnezzar went insane because of his great pride, this man, who has sought to discredit and to destroy me all over the world, has now lost his mind, just as King Nebuchadnezzar lost his own mind because of his great pride and arrogance. My Dear Ones, I take no joy in stating these things, but tell you; for you must know, as well, that our Father in Heaven is a righteous God and that when He gets enough, He will make a righteous judgement; for He is a righteous God!

So, my Dear Ones, in spite of all their harassment and torture against me, my Father has kept me and has provided for me when I had little and many deserted me as they believed and promoted these Satanic, CIA lies of these most evil people! And, if this evil man, George W. Bush lives long enough, He, too will surely say that there is NO GOD LIKE THE GOD OF ISRAEL!!!!!

Now, we will continue with the words of King Nebuchadnezzar, which he uttered after our Father in Heaven restored his sanity! And, these are his words after spending seven years eating grass in the field with the beasts! “And, at the end of the days, I Nebuchadnezzar, lifted up mine eyes unto heaven, and mine understanding returned unto me, and I blessed the most High, and I praised and honoured Him that liveth for ever, whose dominion is an everlasting dominion, and His Kingdom is from generation to generation. And all the inhabitants of the Earth are reputed as nothing: and He doeth according to His will in the army of heaven, and among the inhabitants of the earth; and none can stay His hand, or say unto Him, What doest thou? At the same time my reason returned unto me; and for the glory of My kingdom, mine honor and brightness returned unto me; and my counsellors and lords sought me; and I was

established in my kingdom, and excellent majesty was added unto me. Now I Nebuchadnezzar, praise and extol and honor the King of heaven, all whose words are truth, and His ways judgement: and those that walk in pride, He is able to abase." Daniel 4: 34-37

**THE PRIDE BEFORE THE FALL!**

And, these words, this King uttered, but only after spending seven years eating among the beasts of the field, for pride rose up in him as he said, "Is this not great Babylon, that I have built for the house of the kingdom by the might of my power, and for the honor of my majesty?" Yes, this king rose up and bragged at what he had accomplished when in fact, we are told in the Book of Jeremiah, that our Father in Heaven made Nebuchadnezzar king over His people, who were to go into slavery under him!

Jeremiah 27:6-7 "And now have I given all these lands into the hand of Nebuchadnezzar the king of Babylon, My servant; and the beasts of the field have I given to him also to serve him. And all nations shall serve him, and his son, and his son's son, until the very time of his land come: and then many nations and great kings shall serve themselves of him." AND Jeremiah 43:10 "And say unto them, Thus saith the Lord of Hosts, The God of Israel; Behold, I will send and take Nebuchadnezzar the king of Babylon, MY SERVANT, and will set his throne upon these stones that I have hid; and he shall spread his royal pavilion over them."

Clearly, my Dear Ones, our Father in Heaven made Nebuchadnezzar king and He sent this king to conquer his people and to haul them off into captivity! Yet, this king also took great liberties against our Father's people, as we read as regards Daniel and the Lion's Den and Shadrack, Meshach and Agednigo in the fire, but our Father allowed him to do as he did against His servants, yet He also saw fit to protect them. And, so it has been with me, even until now that I have been under great persecution and have been harassed to no end and stalked and persecuted and tortured by this evil ruler, George W. Bush; yet in all things, there is a limit to what our Father in Heaven will tolerate! But, as for me, I wait upon my Lord and God; for He, in His great wisdom will repay unto each one according to his ways!

 From The Mountain Prophecies Copyright 2005

And, so it is now, my Dear Ones, that the evil ones have taken control of this once-great land and Satan has come in to devour it! Great evil is afoot, but would not be so if people had chosen to live according to the commandments. And, just as Daniel, Shadrack Meshach and Abednigo were greatly punished for love of the Most High God, so it is today, that these raging Satanists hate the true Christians and wish to destroy them through their great and constant attacks, but our Father in Heaven is able to save us and to preserve us, regardless of what these evil ones do. For, if it is His will for us to go through this great persecution and even torture, He can indeed save us and bring us out the other side, or He will indeed carry us home to a great and beautiful place. To Him is all the praise and glory, for truly THERE IS NONE LIKE THE MOST WONDERFUL AND AWESOME GOD OF ISRAEL, AND I LOVE HIM SO. BLESSED IS HIS HOLY NAME!

My Dear Ones, I do hope that you have learned something from what I have told you herein! And, I tell you once more, my Precious Brothers and Sisters, do not fear these evil ones, or what they can do to you, but walk in faith! Trust in our Most Wonderful Lord and God, for He is able to carry you through all things and safely out the other side, if this is His will. But, if it is His will for you to go on and be with Him, rejoice in these things. And, from day to day, my Dear Ones, live worthy, so that when that time comes, you will indeed go to a most glorious and wonderful place, even to the place, which our Precious Father in Heaven has prepared for each of us! Blessed is His Holy Name!

Blessed are those, who are counted worthy to go through torture and persecution for love of our Lord and God! To our Most Wonderful Father in Heaven, Yahweh, Most High God, is all the praise and all the glory forever and ever! Blessed is His Holy Name!

Your Sis, Linda

# CHAPTER FOURTEEN

## A MESSAGE FROM OUR SAVIOUR

### November 10, 2005

### "The Dawning Of A New Day!"

"My Precious Child, I am your Saviour, Jesus, Yahshua, yes, My Little One, Saviour of Humanity! My Beloved Child, do you not see the dawning of a New Day and the beginning of a New World, already in the hearts of a few? Do you not see it? Can you not feel it? As now, My Child, some truly realize the futility of the Old Way! They realize the ending of an age, and the closing of a door on an old way of life, which did not profit. Can you not see this emerging, My Child? That, as some prepare for the emergence of the dark leader from ashes and ruin, that a few already look to another world? Do you not see this, My Child?"

"My Lord, I see it and I feel it! As so many strive to hold on to the Old Way, a few are being made buoyant and filled with great expectation for a beautiful day of light and love!"

"And, so, My Little One, all this time of warning has sunk in and it has made a difference, or it has not."

"But, my Lord, it seems that few have heeded the warnings."

"Yes, this is so, but now comes the time of accelerated changes throughout the Earth and others must awaken quickly and come full circle, or they will 'miss the boat.'"

"My Lord, I know."

"Now, My Little One, what I was just telling you in the Spirit, I now also reveal to you to share with others, that they may also benefit. And, this, My Child, is about the

 From The Mountain Prophecies Copyright 2005

importance of forgiveness, to forgive all, to love all, even your enemies. And, I want you to understand why this is so. My Little One, those, who have done evil to you, or to any one of you, are worse off for it. They are in bondage to their evil, if they do not repent. Unrepentance and unforgiveness create bondage, and this bondage will hold one back, even from receiving their heavenly inheritance, if they do not repent and forgive. My Little One, repentance, love and forgiveness, these three are central to freedom and spiritual growth.

My Little One, I love each of you more than you will ever know! Great are your rewards in Heaven and these rewards await all, who truly want them. Why would any of you give up such beauty to stay trapped in these lower vibrations?"

"My Lord, I believe that the problem is ignorance and as You say, lack of forgiveness, repentance and love, but also, My Lord, lack of understanding. Many people really do not understand. They lack truth, My Lord, and they perish for lack of truth!"

"My Little One, this is well-said, and this is very true. But, a New World is at hand, a beautiful New Day; yet the lure of illusion, and of things of the flesh, are keeping many bound to the flesh and to the lower vibrations of this world! Think of this, My Child. Think! What is worth staying in a maelstrom of utter evil and darkness?"

"Nothing for me, My Lord. I do not want this."

"And, most would not want it either, My Child, if they truly realized that lack of repentance, unforgiveness and love, one for another and love even for one's enemies, causes one to be bound to them. So, it is wisdom to forgive them all, to repent of harsh feelings and to love them and set them free! In this way, you can each walk in freedom and be ready to go to higher spiritual levels. My Little One, when one truly grasps these concepts and puts them into action on a daily basis, then this one is on the road to freedom. Now is the time, My Child, for all to let go of all hurts, sorrows, pains and other negative emotions, to forgive, to repent and walk in love. This is freedom, My Child, and there is truly little time left for all to walk in this way, so as to

move on up spiritually! This is what I was saying to you, My Child, and is what all must understand and implement to be free! I am Jesus, yea Jehovah, Most High God.

## MESSAGE FROM OUR FATHER IN HEAVEN

### November 10, 2005

### "OUR PRECIOUS FATHER IN HEAVEN, MOST WONDERFUL AND FAITHFUL"

"My Beloved Child, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. My Child, do you see well where you are now, carried here through My Spirit, one foot in the Earth and one foot in my Beautiful Kingdom?"

"Yes, My Precious Father, I see and I see that You are with Me in this beautiful place of great serenity, which is warmed by Your beautiful light; and nearby is a beautiful waterfall, which feeds this part of the most awesome River of Life. I see such wondrous trees, golden and radiant with Your beautiful light and they exude great joy, love and exhilaration. Around me are perfect and radiant flowers of many colors and shapes and they all make perfectly hormonic and melodious sounds as they sway back and forth, with the life of Your beautiful Spirit. From these most beautiful of flowery gardens emanates the most heavenly fragrance and all that I see is absolutely beautiful and cannot be adequately described by this frail human language. I feel that I could lie here on this bench beside You, My Father, and I could sleep for quite some time, as I am very tired. The assaults have been so great for so long, my Father, and I am very weary. It is hard to believe that the evil Satanists have microwaved me since 1999, almost seven years and the there have been great numbers of attempts on my life through stealth weaponry, so much so that I could never keep up with all of these things! Plus,

 From The Mountain Prophecies Copyright 2005

my Father, the implants, which they have put in my body, through which they have tortured me and have tried to control me, makes me tired!

My Father, the fight has been unceasing and I have become very tired, yet some days moreso than others. But, Father, even so, I feel ashamed to complain of any of these things; for You have been so good to me! You have been so faithful, Father, and the very fact that I am alive is a great testimony of Your great love, Your great power, Your great mercy and grace! So, Father, forgive me if I seem to complain, for I do not wish to complain, but only to state these things, which You already know and to explain why I would so like to lie on this beautiful bench in this glorious garden and sleep, to rest, and be refreshed. This is all, my Father, for today, I am somewhat tired and I do get tired, very tired, from time to time."

"My Child, few know or understand My great love for you! But, some do! And, some of these are your enemies. Some of these are raging Satanists. Some of these are leaders of nations. One of these is the new black pope, who remains in the background, while the lies continue that the old black pope is still alive. They know that he is dead and I, myself, put him in the grave because of the horrendous things, which he did to you. This is why he is dead!"

"But, Father, you let the rapists go unpunished. Why is this?"

"My Child, they have not gone unpunished. George Bush has truly gone insane, and this is witnessed and documented by many at this time. Within days of the ordered raping of you, the elder Rockefeller was found dead, just as foretold in visions, which I gave you (in Book Seven of these prophecies). Within few days, Bill Clinton had major heart surgery and suffered extensive brain damage, but he lived, and now thinks to rule the world. But, George W. Bush also thinks to rule it, along with Prince Charles, and others. But, only one of them had the head wound and did live!

"My Little One, why have you come up against these antichrists, these world leaders, and this one, who calls himself, President of the Earth, Satan's general?"

“Father, I cannot so easily define this.”

“No, my Child, you cannot, but I can! You, My Little One, are the White Buffalo Calf Woman, My prophetess, My servant, My Child, who rides the spiritual white buffalo. Now, I know, My Little One, that you do not fully understand this, but they do. For, they know that all that they do is based on lies and illusion and that it will be destroyed! They have their fake woman, their red harlot church, who is riding a beast system. Yet, who is the woman in reality, who will ride this beast? For, this woman is both a group of people and an actual woman.”

“I do not know, Father, unless it is the Queen of England. She is closely allied with the Jesuits and the Catholic Church, the “Red” church system; and she surely sits atop the Beast System!”

“My Little One, you have seen well.”

“So, Father, this scarlet woman is both an individual woman, the Queen of England, and also a collection of evil people.”

“This is correct. And, likewise, you are the woman, who is attired in white, who also rides the White Buffalo. The Native Americans have foretold that you would return and have named you White Buffalo Calf Woman. So, my Little One, you are the true woman in white, who rides the white buffalo. They have their scarlet woman, (the whore), who also rides the buffalo, or beast, and these representations of the same are all over Europe. Likewise, My Little One, the woman, who rides the white buffalo, this buffalo being also My Beautiful Spirit, is also a collective group of people and is therefore both singular and plural.

My Child, the woman, who is dressed in scarlet, the whore, is set to ride this beast and you, My Child, and the rest of My white and clean ones, are an affront, a great affront, to this evil system. My Little One, you can in no way, imagine the hate, which all of these world leaders have for you. You cannot imagine how much they want you dead and how much they have wanted you dead for years! You cannot imagine the billions,

 From The Mountain Prophecies Copyright 2005

and I said “billions” of dollars, that they have spent to destroy you, and to cause you to take your own life, or to act in an unseemly way.

You cannot imagine, My Child, the terrible mind control, which they have subjected you to, the drugs, which they have injected you with against your will and without your conscious knowledge, or consent, and/or the great lengths that they have gone through to trap you and to snare you any way they could. You cannot imagine the numbers of people, whom they have picked up and mind controlled, including certain of your family members, all to isolate you, so that they could have you all to themselves, and in so doing, to “break you” through their mind control assaults, torture and isolation.

But, My Child, they forget one very important part of the picture! You are My Child! You belong to Me and I fight your battles! And, not only have I allowed them to do all that they have done to you, My Child, I have also brought you through it all; for I am bigger than all of their mind control! I am bigger than all of their surveillance! I am bigger than all of their torture and I am bigger than any and all of their chip implants! Those, who think otherwise, do not walk in faith, but in fear!

My Child, I told you several years past to get ready for the Daniel experiences, and you have surely lived them and continue to live them. But, even so, My Child, I allowed all of these things to happen to you; for it was My desire to do so and it has been My desire to bring you out the other side, unharmed and stronger spiritually because of it all. And, yes, I know that you get tired, My Child, and for many reasons. But, know one thing; I will never leave or forsake you. I am always with you and I fight your battles. My Little One, leaders of nations hate you! Satan hates you and many of your so-called friends and family members have deserted you and they were phoney to begin with. They will grow up and get real with Me, or they will die in their sin and rebellion. But, Satan also did to them what I allowed; for now is the time of the sorting of the souls, and the fakers will be fakers, and they are being sorted out!

My Little One, do not dwell on these things, for this must be all across the board and I am doing it. I am cleaning house. I am making My way plain and those, who choose

evil and who choose deceit, will not be in My spiritual house. For, this is My spiritual house and it is not built by man; but by Me! And, I will not have the liars, the gossipmongers, the two-faced, the backbiters, the malicious, the sneaks, the adulterers, the fornicators, the addicts, and all kinds of sexual deviants and perverts, the workers of sorcery, witchcraft and iniquity, in My house! My house is a house without walls, and it knows no skin color, but connects one to the other through My pure love, and honor, love of Me and honor toward one another, while operating in repentance and forgiveness.

Let all be warned; for I have set up My church and I am coming back for a white, a pure, a clean church. So, My Child, rest and be at peace because of all that I have done. For, I have shown you the true state of this evil world. But, let all know that I am true to My word and I will soon make a most beautiful way for this pure and white woman, who travels on the back of My white buffalo, through the power of My Beautiful Spirit. For, the time is at hand when these evil ones will clearly see what I will do for My clean ones, as I love them greatly!

But, the hate mongers, the liars and deceivers, the gossipmongers, the backbiters, and all, who do, say and think malicious things, for which they will not repent and come clean, will be under foot of Satan for 3 ½ terrible years and many, many will fall to his lying wonders and deceiving miracles and they will sell their souls for a piece of bread. For, all who continue to live in this sphere, will be tried and tested in severe ways, My Child, just as you have been tried and tested in severe ways. And, as you have been faithful, I have preserved you and have kept you, and I will do the same for those, who are yet to get clean. But truly, a time of upheaval and trouble is upon the world, as never before in the history of the whole earth. And, you, My Little One, have experienced many of these horrors, of which I speak.

And, I have said before that many, many of you have already been chipped, all without your conscious awareness and consent and you are being steadily mind controlled via satellite, microwave towers, television, movies, radio, music, etc. The great stealth and cunning, which is in your midst, is far greater than anything than you could or would, ever imagine! But, in the midst of it all, you as a people, remain oblivious to it, as you

 From The Mountain Prophecies Copyright 2005

sleep on! Truly, you are headed over the cliff and into great destruction, but still you choose blindness, deafness and ignorance. But, in the end, none of you will escape your choices, for it is because of your own choices to go against Me and to live in rebellion, that you choose slavery over freedom. You choose to follow Lucifer and you reject My Son. And, so, you will soon see what the antichrist and false prophet will do for you. But, My few, white and clean ones will also see what I will do for them. I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. My Little One, put this on the website.

## A MESSAGE FROM OUR FATHER IN HEAVEN

### November 12, 2005

### "The Stalkers!"

"My Blessed Child, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. Blessed are you, My Little One, for you have been through great trials and you have suffered great persecution for love of Me! And, now, My Child, I am about to do a work and a wonder, a marvel through you. Yes, My Little One, many have risen up against you, your so-called friends have deserted you and your family alike, save one, have all turned on you and have tried to destroy you. Satanists the world over have risen up against you!! Leaders of nations have stalked you and have repeatedly tried to kill you! The CIA, the FBI and occult government agencies have set traps for you! They have pounded you with stealth weapons and have repeatedly tried to kill you! They have abducted you repeatedly via their technologies and abilities to carry out such things and they have injected you with all manner of chips, in order to torture you and to track you like a dog!

But, My Little One, they get bored; for you do little save serve Me and attend to My work! Through their mind control of so many that you know, these evil Satanists have sought to isolate you, to break you, My Child, and to cause you to harm yourself, or someone else. They have called your house with their mind control messages and have sent them through your computer speakers, but My Child, My Spirit shows you what they are doing and the meaning of their evil.

Now, My Child, you asked Me to do something spectacular on their 11-11-07 day, which when added together is also another 11, their favorite number for their two-horned god. So, this is what I did, My Child, and I did it for you! For, you have been under foot of Satan for many months, stalked, persecuted and tortured. But, as you have spent much time in prayer, repentance and forgiveness, I have forgiven you all and you have forgiven them all, and thereby, I have made you free, more free than you have ever been, in all of your life.

Yes, they have stalked you in their orange saucer, which is US military, and they are hot after you, My Child, and this is because of the fact that they are shut out of the interdimensional portals to their moon, Mars and Saturn bases and they know that you are able to travel these time portals. But, you cannot travel what does not exist any longer! Yet, they are busy searching for alternative means, as yes, they are desperate! But, in their desperation, these evil Satanists have now made a fatal flaw! It is not enough for them to torture you by sending electrical currents into the many implants in your body, and it is not enough for them to drug you and to do all they can to mind control you and to seek to ruin your life! They have shot a beam into your lungs and have ripped a small hole in the lining of your lungs. They have implanted your face and nose and have caused bleeding in your nose!

And, in all things, My Little One, there is a limit, and this is their limit. Now, My Little One, I will turn the tables! I will turn this game around and I shall get all the key players and many of them, you do not even know. And, I shall do this through you, My Child, for in their arrogance and in their ignorance, they do not even think that I will rise up and smite them severely! For, I have allowed you to be under their feet to try and to test you, My Little One, and not only have you passed the test; for you have

 From The Mountain Prophecies Copyright 2005

grown spiritually in a great way, My Little One. You have learned to walk in love and forgiveness, but even so, My Child, to hate evil. For, truly you do forgive your enemies and you even love them, but you are given to hate evil and to pray against this evil in this Earth. This is your lot, My Child, and the lots of each of My Faithful. It is not your lot to lie down before evil and to be complacent about it but to rise up and to pray for My righteous judgement against them. This is the lot of My righteous ones, but too many of these are not seeking Me as regards such great evil in this Earth.

And, now, My Child, I told you that on 11-11-05, I did to a spectacular thing, as you asked me to and this is what I did! My Child, I raised you up and I began a greater empowerment of you. I began a process in you, wherein I will use you in a greater way, My Child. I shall put My sword in your hand for great judgements against the evil ones! And, when I speak through you, My words shall go out to accomplish My purposes. And, for you, My Little One, I shall move mountains, and I shall shake this Earth! And, the evil ones will hate you more, but they will also fear My power in you, for they shall see it with their own eyes! And, they shall see it in their own kingdom; and Satan will not have power over you as I have allowed him to do for these past months. But, I shall cause you to stand atop his back and to whip him and to beat him and to divide him and to conquer him through the power of My sword and through My spoken word.

My Little One, do you see this fiery sword?"

" I do, my Father, and it is unlike anything that I have seen."

"And, do you see your radiant clothes of white and shimmering light; for you shall wear these now!"

"I do, my Father, and a dress so beautiful and full of light with many ornate intracacies, such as I have never seen."

"And, a beautiful and radiant crown, My Child, with twelve beautifully radiant stones of various colors and shapes and many brilliant diamonds."

"And, diamonds along the front of this beautiful, flowing robe, which I wear atop this white and radiant dress."

"My Child, when did you first see this beautiful dress?"

"Yesterday, my Father, al 11-11-05. Our Saviour took me to the top of the world and I stood there with Him and as I looked at myself, I saw this most beautiful attire, which I was wearing and the crown I was also wearing. And, then our Saviour told me, Father, that the angels of Heaven had made this dress, and that it took them quite a while; for they put so much work in it. And, it is so beautiful, Father; for it is alive with Your love and your light and is radiantly beautiful."

"Now, My Child, I gave you this on their double, yet triple devil day; for on their day, as they surrounded you with their military vehicles and as they stalked you via their orange saucer, I did a wonderful thing for you, My Child. And, I did a wonderful thing for My people in this Earth. For, as you walk in My love and forgiveness, you now also walk in My great power! Yes, My Child, so many months, you had to walk under the foot of Lucifer, all to try and to test you and to make you white! And, you have now earned this beautiful dress as the Woman of Revelation 12 and you wear My crown. And, now look, My Child, I shall give you two new things! I shall give you a sceptre, for you are a queen over My people, and I shall give you a new sword, with so much of My holy fire and My power, that this light is almost blinding to you. And, others would not be able to see this sword, or to operate with its power, My Child, but this one is reserved unto you! And, I tell you now, Go and take this sword, for this beautiful angel has waited a long time just to give it to you! For, with this sword, you shall do great and mighty things in this Earth and Satan will hate you greatly; but the angels of Heaven will sing and rejoice; for they have also long awaited this time!"

"Oh, my Blessed Father, I am so humbled, yet so full of joy, so full of expectation; for I so long to see the defeat of these evil ones! Blessed is Your Holy Name!"

And, suddenly I see our Saviour, who is somewhat to my left; and all around me I also see many angels and great crowds of souls, who extend for as far as eyes can see, and

 From The Mountain Prophecies Copyright 2005

suddenly I feel so weak; for I realize that this is a very important event! And, feeling weak, I fall to my Saviour's feet, and I hug his feet and kiss his feet; for I love Him so! And, I hear these dear souls as they clap, and I also hear the sounds of angels wings! At this time, it looks as if a heavenly space opens up right above me, and as I look up I see a throne and on this throne a white bearded being, who is full of love and light and over Him is a crystalline rainbow, which seems to be made of the most beautiful of colored diamonds! Around Him is a holy and radiantly white fire and when He speaks, His voice truly does sound like rushing waters, and it is carried by the wind of His Spirit; and I am so deeply humbled and also weak all over. For, I feel so lowly before Him!

And, as He sits so majestically on His most beautiful throne, He says, "Be at peace, My Child; for you have born the bruises of Satan's heel and now he shall bear the bruises of your heel. For, out of tragedy now comes My mighty hand of deliverance and blessings for you. Worry not, My Child, for I shall put him under your foot and the whole world will know that I have called you! I have chosen you. I have sent you and I love you very much!"

And, with that, I see something black and dark; and it looks like a bear trap and I see in the Spirit, that Satan has had this bear trap around me and I could do nothing about it until our Father in heaven determined that I could be free!"

"My Beautiful Child, take this bear trap. Crumple it up and brush the pieces of it into the Lake of Fire."

So, I take remove this bear trap from around me. It is large, but surprisingly light! I crumple it into many pieces, and these pieces fall at my feet. Then, an angel hands me a broom and I sweep all into the orifice of the raging inferno, which now appears at my feet, and when all of the pieces are gone, the orifice closes up and the angel takes the broom.

Now, all of the souls are looking at me. Our Saviour is looking and our Father is looking as the angels stands nearby with a beautiful, new sceptre in one hand and a

new, brilliant sword in the other. I look toward my Lord and He says, “Take the sceptre.” So, I move toward the beautiful angel and take the sceptre, which at first seems heavy, but then becomes as buoyant as light. And, as I take this beautiful scepter, which is full of beautiful gems and stones, the crowd cheers and at this time, I hear the most beautiful music, like that of many harps. And just at this time, an angel, who is atop a mountain, begins to blow a trumpet, and tears of joy begin to flow down my face, and as these tears hit my dress, they turn into diamonds and fall to my feet. A great joy and a great happiness, as I never recall fills me and I lift my arms to my beautiful Father! I thank Him and then rush to My Saviour and fall to His feet once more and hug His feet and kiss His feet once more.

At this time, all of the people begin to praise our Father in Heaven and shortly thereafter they erupt into a most glorious and buoyant singing and as I rise up, I see two creatures at the front of the crowd and both of them have seven heads and many eyes. As I look at them, I ask, “Who are you?” And, they say, “We bear the seven candlesticks, and we stand before the throne of God and we praise Him forever, for He is worthy to be praised!”

At this point, I would have rushed up to hug them both, for I felt such great love for them; but our Saviour said, “Do it not.” And, I was feeling somewhat sad and lacking in understanding as to why He would not allow it. And, then our Saviour, sensing my thoughts, said, “ To touch either one, My Little One, is to open up powers and great knowledge and wisdom, which you would not understand; and this would be overpowering to you. They know your love and they love you as well; for they are here out of love for you on this very important day.”

Then, the angel motioned for me to take the radiant sword, and I must tell you that I felt butterflies in my stomach about this. But, I moved toward the angel and reached out for the sword! As I touched the sword, I felt such a power as never before; and this power pulled me up and over the great crowd of people; for this is not power, which I have known in the Earth. This is a new and more divine power than anything that I have ever known. And, as I soar above the people, I arrive at a door, and on this door are the words, “Knock, and it shall be opened unto you.”

 From The Mountain Prophecies Copyright 2005

I look then at our Saviour, who is down below me now; and the crowd is there just below as well, and it seems that we all have such a sense of great expectation. And, so I knock on this door but once and the door disappears and before me are vast libraries, all interconnected to one another. And, I step across what was the threshold; for the door is now gone and I am now on a beautifully tiled floor; and I know that this vast library contains much information about what was, what is and what is meant to be. And, as I begin to walk the halls of this library, I now see that our Saviour is by my side and He looks at me with such love as He says, "My Little One, you are given all of this today as you have earned this place, My Child. And, all that is here is for your access; for you will need much vision and knowledge and understanding for from this library to do what you must now do in this Earth. For, you are now given the power, yes, but you will also need much more. And, these angels, whom you have seen in this library, are at your attendance, My Child; for as you ask, as you need, this will be provided for you!"

"Oh, my Lord, I am so grateful and I am so blessed! How I love you and how I love our Father and all of the beautiful souls, who are here today! My Lord, what am I to say? Thank you is not enough! You and my Father know my great love for you and for other souls and for all of Your creation! But, for lack of any other words, my Precious Saviour, and my Most Beautiful Father, I can only say, 'Thank you!' And, then I rise from the table, where we are both seated, and once more we are suddenly standing before this vast number of souls and the wind of the Spirit begins to whip my hair. And, a beautiful, sparkling, living rain begins to fall and as it falls, it turns into the most glorious and radiant light. And, as I look at our Most Wonderful Saviour, He says, "The Latter Rain."

The rain soaks through my clothes and bathes me all over, but it is not a wet rain, but a glorious rain of a mighty, white fire and a diamond-like radiant anointing. Now, standing still with my sceptre in my left hand and my sword in my right hand, our Saviour says, "Put the sword in your sheath, which is on your right side, and take the sceptre in your right hand. When you need the sceptre, you will have it, and when you need the sword, you will also have it."

"Now, My Child," He says, as the crowd suddenly disappears, "this is your new day and a new day for all the world; for now comes anointings and blessings for many and great power given to you, My Child, to destroy Satan and His Kingdom. So, with this My Child, we shall stop for now, but later I will show you great and mighty things. I am your Saviour, and all has been the wonderful will of our Father in Heaven."

"Blessed is His Holy Name."

As witnessed, dictated and recorded this 12th day of November, 2005,

Yes, my Dear Ones, this was a most beautiful occasion and one of great joy! Praises to our Most Wonderful Father in Heaven; for He is so awesome and He loves us so! And, I love Him so very much, that words can never describe the great love that I feel for Him in my heart! He is absolutely full of love and continually faithful. How blessed we all are to know His beautiful love. Blessed is His Holy Name!

But, my Dear Ones, Satan was not at all happy about what took place on November 12, 2005, this most beautiful of events. For as November 12th waned a terrible storm began to move into this area, with terrible lightening and violent and whipping winds. Twice during this storm, great explosions took place just outside my living room window! As the storm passed through, as very strong smell of ozone began to filter into the house, unlike anything that I have ever experienced after any storm! But, as I have written before in these writings, that I witnessed 5 or 6 fireballs, which I saw, even near the end of this storm; and it was utterly shocking to see these rolling balls of fire roll across the sky! After witnessing these rolling fiery balls, I then understood why there was such a thick amount of ozone in the air. These massive fireballs had torn apart the oxygen molecules and had then created the very unstable molecule of ozone! The ozone molecule contains three atoms of oxygen, instead of the more stable, two atoms, which is the way that oxygen normally exists, and this is the kind of oxygen

 From The Mountain Prophecies Copyright 2005

that we breathe. Ozone is unstable and reacts quickly with other substances and gases as the extra oxygen atom makes it unstable, and this instability also makes it also very caustic. As it is so reactive and caustic, it is not a good idea to breathe such concentrated amounts of ozone! These evil ones not only carried out a terrorist act, but they also endangered the lives of those in this neighborhood by making them breathe gases that are not meant to be inhaled in such great amounts!

From first accounts, this attack via these military weapons, via these fireballs, seemed to be a military threat, which was directed only at me, but our Father has since showed me that this is not the only reason for Bush and his satanic hoards to send these massive fireballs! He and his satanic, military accomplices sent them to attack this Earth and to destroy an interdimensional portal, which our Father has established nearby.

It is absolutely shocking and absolutely true what our Father in Heaven has told regarding the Satanic plans to blow up the Earth and flee out through one of two possible time portals. For, this attack on this portal was nothing more than an attempt to destabilize it and thereby steal it for their own purposes, but this did not work. And, because of what they did, there ensued a fight in the spiritual realm, wherein these reptiles lost approximately one third of their upper command officers! Blessed is the Holy Name of our Lord and God; for He is so wonderful! Oooooo-eeeee! Glory to our Father in Heaven, forever and ever! For, He is so very worthy to be praised!

Shortly after this most wonderful visit to the Upper Realms, which I have described above, the Spirit of God showed me a man, who works in black ops in the US military and he and others are at the center of this bid to destroy this earth and to leave out through one of two possible time portals. But, it was on the 16th day of November, that He finally gave me a message about this for you, my Dear Brothers and Sisters. Read on and be shocked!

## MESSAGE FROM OUR FATHER IN HEAVEN

### November 16, 2005

### "Hatching a Plot to blow up the Planet!"

"My Blessed Child, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. My Little One, I have much to tell you today, much to speak to you about regarding the hidden and the unknown. And, first, I shall speak to you of the continuous calls, which you get telling you to call "Mrs. Black," and leaving then a number for you to do so. And, as of now, these same callers are calling and telling you that, 'This is "Mrs. Black.'"

My Child, this most recent call is related to their abducting you once again last night, and drugging you and subjecting you to their mind control messages. And, all that they have done has been for the purposes of causing you strife, to cause you to be angry to the point that you wish to harm yourself, or someone else. But, the truth, My Child, is that you wish to harm no one, much less yourself, as you love yourself and you love others.

My Child, the push against you has been very great, the push to cause you to harm yourself, or to harm someone else, as they have tried so often to kill you, but I have kept you alive! These evil Satanists have stalked you and they have made their various threats toward you! They have surveilled you and have orchestrated many attempts on your life and in failing in these attempts, have then set out to try to make you kill yourself, or to harm someone else. And, just last night, these evil ones abducted you again via the very large saucer, which you see just south of your house. They took you last night and they bound you up and threatened you and did all they could to provoke you and to cause you to feel alone and helpless. They drugged you, My Child, for two nights in a row, and did these things to you, to cause you to be very tired, depressed and to give up. But, My Child, true to My word, I am faithful to you, and today, I will not only tell you much, but I will show you My power.

My Child, these Children of Satan are very angry that I have revealed to you the name of one of their biggest human players and I did this on November 12, 2005. And, they

 From The Mountain Prophecies Copyright 2005

are very angry that I showed you their Star Map, which depicts their desperate bid to get through the time portals and escape a blown-to-pieces, burning earth. For, this is surely their plan. Now, for all to know, My Child, I repeat that the name of this military man is William Green(e). William Green(e) is the commanding officer for this very evil project, a much-decorated air force man first, but also of the elite space travel squad; and you all know nothing of this. This special group also has another subtitle, which is the "torture" squad, as they are also torture specialists. And this group is also otherwise known as "SKORPION."

My Child, this group, "SKORPION" is headed up almost entirely by the reptiles ( the children of Lucifer) and many of them are parading as human! And, this group is also headed up by a few humans, who no longer have a human soul, but are mind-controlled slaves, and are kept in this capacity because of their servitude, their exacting nature and their ability to interact with other humans.

My Child, these evil ones, the children of Lucifer, are very, very angry with you and they have made you one of their foremost targets in the whole earth. Now, realize that their hate for you is basically bi-fold.

1. They hate you because you work for Me and you have been very bold in My work all over the world;

2. They hate you because I have sent you into the interdimensional portals with My keys to shut them down!

Repeatedly, they have abducted you, and they have sent you into these portals to try to make you open these portals, but they cannot get you to open them, as you do not possess the keys. These keys are under My possession.

My Little One, as I have shown you, this General Green (e) is the human, who is in charge of their desperate attempts to get off this planet and to flee to Andromeda, to a star called Tataru, which has 29 planets. Now, you must realize, My Child, that because you know about their plan, they have been in your house the last few days and have

cut off your living room light, which was in the morning of the 13th of November (the same morning of the violent storm). True, the lights were out for four hours during that morning, but this did not cause this light to be switched off. Then, in the early morning hours of November 16, 2005, these very same ones opened the dead bolt on your door! All these things, they have done and more, My Little One, to harass and stalk you and to instill fear and doubt in you.

But, know one thing, my Child! Above all, these evil ones desperately want you dead and for the reasons that I have given; and they are now in a push to get rid of you! George W. Bush and others raped you and he also wants you out of the way greatly because of this cowardly and dastardly deed! But, My Child, this is not all. As long as you live, you are a threat to them; for you have the abilities to travel all of the known time portals, known to them, that is. And, as long as you are alive, you are a threat to them and to their last known operative time portals.

Now, My Child, you know that I allow them to do to you all that they do, and I have kept you still. And, through all of this, I will teach them some things and I will also strengthen and bless you, My Child. Do not be concerned for what they do, but be amused, My Child, for they are desperate! Yet, I am able to protect Mine and to keep them amidst such great assaults. Now, My Child, I have work for you to do. Do you see the door ahead of you?"

"Yes, my Father."

"Open it, My Child, with the key, which is in your hands. Now, as you do so, you will be pulled quickly through this portal. Do not resist, but just follow the flow."

"Yes, my Father." And, once opened, I move quickly through the doorway; and as I travel rapidly within this interdimensional space, I soon come to another door, where I stop."

 From The Mountain Prophecies Copyright 2005

“My Child, take this key and insert it into the door. Then, turn the key three times. After you do this, turn and move out quickly, the way you came; for this whole portal will collapse on itself and it will not exist anymore.”

I do as He tells me to do and then turn to move quickly out of this portal, the way that I came in, and on the heels of my quick exit, I see the portal collapse behind me and disappear altogether.

“Now, My Child, I have more work for you today. This is the second thing that I want you to do. There is now before you a second very important portal, as this is the second portal, which they intend to use, in order to flee to Andromeda.”

“Yes, my Father, I see this door.”

“Take My key and open it. Then, forge ahead though these are most unpleasant sensations in this portal, but forge ahead anyway; and move quickly past these two doorways, which you will come to. And, you will find that they are already open.”

“Yes, my Father.” And, I fly among these fiery and sparkling, even painful forces, or energies, but I am basically oblivious to these things, as my focus is very keen. I pass now the first open doorway and it is open. Then, forging quickly ahead, I pass through the second open doorway, which is within this interdimensional portal. And, I come quickly now to a closed doorway.

“My Child, as you know this is the second of the two portals, which could carry them to Andromeda. Here is My key. Insert it and turn it once. Then, the key will begin to move very rapidly in a circular pattern. After you insert this key, you must move out quickly; for this will also collapse on itself.”

“Yes, my Father!” I then do as He tells me and I flee quickly out the portal! I must push ahead against these fierce and fiery energies to get back; for this force is very oppressive, but I push ahead, first past the second door, then the last one and on until

I am safely out! And, just as I do, a great fire rushes out of the doorway and within a millisecond, it seems, the portal collapses and disappears altogether.

“Now, My Child, this is not all that I want you to do; for do you remember your prayer to Me, that when these children of Satan call your house with their mind control messages, that I cause a great righteous anger to rise up within you, so that you will pray to Me against them?”

“Yes, my Father.”

“And, Father, I do pray that you destroy them and their evil works! I do pray that you destroy this evil and I do pray that You smite them and judge them, Father, for their evil plots to destroy this Earth, to blow it up and to flee, while all souls perish on a planetary explosion. This is the most horrendous thing that I have ever heard! Father, I pray that You expose every one of them, that you cause nations to rise up against them and that You destroy them all.”

“My Child, take this very bright and fiery sword that I gave you, and I want you to go to an underground base beneath Richmond Virginia. There, you will see the headquarters for your torturers and I want you to smite three people with My sword. Soon, they will all see the effects of what I have done to them and to their group.

1. William Green (e) Smite him three times with My sword!

2. Then, My Child, take My sword and look behind William Green (e), to another William, William Jefferson Clinton; and smite him five times; for he is “Mr. World” behind the scenes. Yes, indeed, as he and Hillary killed so many, he and the Bushes are working together to make sure that you do not survive. So, take My sword and smite him five times!

3. Now, My Child, look beyond the two “Bills” and you will see a whole team of “mind controllers,” and torturers, but I want you to single out a specific Dr, and we will just

 From The Mountain Prophecies Copyright 2005

call him, Dr T. for "Terieu." Now, My Child, take My sword and smite Dr. T. seventeen times!

"Father, I have done this and I do not know when I have felt so wonderful!"

"Yes, My Child, Bill Clinton has purposely stayed out of sight for a long time, while these evil hoards have been grooming him to take over the world. Bill Clinton sits at the top of this worldwide torture program. Even the Bushes are now subservient to Bill Clinton and through his charm and smiles, he is deceiving the whole world."

"Now, take My sword and divide this SKORPION up until it hardly seems any more divisible."

"My Father, I have done as You have asked with Your fiery sword and this group is now busted up into literally hundreds of pieces."

"My Little One, what they do, they must do in darkness, as their deeds are so dastardly. They are so horrendous, and they are all so cowardly! But, I am about to put them in their places! I am about to bring about a major correction; for a full-scale war is on and so far, My Child, you are the recipient of their war! You walk a humble and quiet way and you go at peace with Me and with all in your life. But, their great goal is to kill you and/or to make you kill yourself!

Yes, they abducted and mind controlled many. Members of your family and many of your so-called friends!" This very evil group of the children of Satan orchestrated the great attacks on your character and used your husband and your sister to try to put you in a mental hospital! This very group has implanted you over and over with microchips in order to torture you, and to track you like a dog; and these very ones have gone to great lengths to mind control you, and to cause you to do things to harm yourself and/or someone else. But, they have failed, My Child; for you walk in love and forgiveness. And, now My Child, I shall turn on them as you never could have envisioned or imagined! What they want done to you shall fall on them and George W. Bush shall fall under a suicide watch. Bill Clinton shall fall to depression and he shall be

stalked with suicide demons. George W. Bush is headed for an insane asylum and Hillary Clinton, who also wants you dead, shall fall to erratic behaviour and angry outbursts.

And, I shall cause wars and infighting all over the Earth between humans and the reptiles and their robotoid "greys," as the eyes of the leaders of nations are opened to the plots of these evil, mind controlled (non-human) humans and their reptile counterparts. Yes, I shall ring the bells in the heads of world leaders. I shall show them the goals of the Queen of England, the Bushes, the ten kings of Europe and many in the occult, who plan to blow up this planet with their electromagnetic weapons and thereby flee through the interdimensional portals into Andromeda, which has been possible and would be a very quick journey indeed!

But, now their only time portals, which could have made this possible, are not only closed, but they no longer exist! I created them, My Child, and I can shut them down as I choose! My Little One, I warned them to leave you alone, but they do not listen and now I shall begin to explode their saucers all over the Earth. They like explosions. They like to blow up things and to kill and destroy and for these reasons, they will delight in seeing their saucers going up in flames!

My Little One, with their horrendous weapons, they are destabilizing the electromagnetic field of the Earth and they are threatening the existence of the whole planet! Therefore, their time grows very short and they are very eager to establish their New World Order, with Bill Clinton as their leader, their illegitimate Rockefeller, Queen of England slave, their confident, who is under mind-control, a thorough New World Order pawn.

Be aware, My Child, that great hell is upon the face of this Earth! And, they shall come back for you! But, my next assaults against them will be greater! For, I love you greatly, My Child, and I fight for you! Now, My Child, there is but one more thing, which I have for you to do. Take My fiery sword and divide this person into two pieces, right down the middle; and the whole world will soon know that I did this thing."

 From The Mountain Prophecies Copyright 2005

"Yes, my Father, I have done as You have asked; and I saw the sword go down the center of his head, down the center of his body, and then saw his body fall into two pieces."

"This is so, My Child, and there is no need to mention a name here, for all of the world will soon see that I did this thing. Fear them not, My Child, but go in faith, love and obedience and be at peace; for I love you greatly and I will fight for you."

I am your Father in Heaven, yea Jehovah, Most High God.

And, so it goes, my Dear Friends, as we come to the end of Chapter Fourteen! At this point, Lucifer and his evil hoards have been shut down from their space-time portals and they are getting very desperate!

Organize a Lucifer watch in your area! Look for Lucifer in the southerly sky in the USA! Look for the "fallen star!" You can't miss this "fallen star," as he is quite huge! Get your binoculars and head on out to the Little Rock area! But, actually this "thing," this "fallen star" is so huge that it can be seen for many miles. See if you can photograph this great deceiver! And, let the world know what you find! And, while you are at it, look for the orange disk-shaped craft! It, too, does not like to be photographed, but you never know! You might just be able to outsmart him! The orange ones likes to appear usually after 9:00, or 10:00 PM and is usually visible until around 4:00 or 5:00 AM!

Happy hunting!

# CHAPTER FIFTEEN

## THE TRAGEDIES OF SWEDEN!

My Precious Brothers and Sisters, some of you will recall that I left South Africa in the fall of 2004 for a trip to Sweden, but most of you do not know that particulars of this trip. This is another one of those most amazing events, which our Father in Heaven organized and it is still amazing that this dear bother, who invited us, could find me, even to get the correspondence to me! But, he did and he asked me to come to Sweden and offered to pay the way for two persons. What I did not know at that time is that this dear and precious man, studied for seven years with perhaps the greatest prophet that Sweden ever had. This prophet's name was Victor Johnson. It was Victor Johnson, who followed our Father's directives to make sure that the borders of Sweden were secure and protected during both the first and second world wars, and many of you know that Sweden remained neutral during these wars and that no war came to Sweden, though it swept much of Europe. This elderly and dear man in Sweden heard the call of our Father in Heaven, that he was to invite us there and for very specific purposes, for I was sent to Sweden to secure the borders of Sweden once again according to the directives of our Father in Heaven, and to bring love and blessings to the King of Sweden and to the country of Sweden, so that this nation would once again escape the effects of the coming war. Our Father in Heaven told me how I was to go to different locations around Sweden and pray for Him to post great angels of protection along the borders of Sweden! But, this was not to be so, as the King of Sweden rose up and joined forces with other Satanists, all to persecute us, to stalk us and even to kill us! Truly, a tragic event!

But, our Dear Brother in Sweden was blessed as he was critically ill when we got there, to the point that his spirit was coming out of his body, but our Father in Heaven healed him and restored his health. Blessed is His Holy Name! But, having us there was no easy task for this dear brother as, he, too suffered the much persecution, just for having us there. But, as he was faithful to the directives of our Lord and God, he, too has been greatly blessed! Praises to our Most Wonderful Father in Heaven!

 From The Mountain Prophecies Copyright 2005

My Dear Brothers and Sisters, as I have told you, the King of Sweden joined forces with the Bushes and the Queen of England! Together, they filled the streets with intelligence agents, who stalked us everywhere we went. We encountered Swedish intelligence agents, English and many CIA agents, who were parading around with their backpacks, their cell phones, stumbling over themselves in their long trench coats, milling around the grocery stores, pretending to shop and buying nothing, sitting around us, or across from us on the subway trains, gawking at us, intercepting e-mails and stalking us to the point that it was almost impossible to get or send e-mails, etc.

And, there were also suspicious men, who were certainly killers! And, one of these killers made himself so obvious after they set fire to the apartment building in which we were staying; and we had to flee in the cold of the night on Christmas Eve! The streets were full of ice and snow at that time! And, there came on Christmas day a terrible snow storm, which Antonietta and I had to walk through in order to get something to eat! There, at the Hard Rock Café in Stockholm, Antonietta spotted the killer, who came and sat across from us, watching us! He ordered food and never touched it, but continued to stare at up. As we got up to leave, this huge man followed us, a man of perhaps 250 pounds and solid muscle! He looked like a wrestler. As we paid, he nudged past us and went to the very front of the restaurant, where he stood by the door. I whispered to Antonietta that we would not leave, but that we would wait for this killer to go on! He had exited the door and stood outside in the snow, waiting for us to come out! But, we both stood inside and looked out at him through the glass wall of the entrance way and at that point; it was a test of wills. This man was watching us as we stood watching him, and he knew as well that we were ever aware of his motives. But, after a while of this eye-to-eye contact, this evil man gave up and walked around the corner into the night. Still, we had to walk about ten blocks back to the hotel in a blinding snow storm, these two nights of hotel stay, compliments of the very government, which helped to set fire to the very apartment building, in which we were staying!

I have previously written about the witch doctor, who was in the fifth floor apartment, across the terrace from the apartment building in which we were staying in Stockholm! But, I will refresh your memories! And, for some of you, this may be the first time that

you have heard this most astounding tale of darkness and evil! Antonietta was the first to see this witch doctor in the window of the fifth floor across the way! She came to get me up after midnight on the 21st day of December 2004 and she asked, “What is that up there in the window? Is it a dummy, or is it a real person?” As we were on the second floor, this evil man obviously took great delight in towering over us with his evil chants and ceremonies, in a building, which was numbered, “11.”

When I looked with my binoculars in the early morning hours of Dec. 21, 2005 and looked up at this fifth floor window, which had the curtains open for all of the world to see, I could see that this man was indeed a real person, a black man with a huge stomach, who was naked from the waist down, but wore a white undershirt on the top of his body, and a red sash across his shoulder. This red sash then wrapped across his back and across his chest with the two ends of it coming to connect at his side. As we watched him, he stood there, waving his hands back and forth to another man, a thin, black man, who was seated at a table nearby. This black man sat before candles and we believe that he was reciting chants and/or curses of some sort. Outside on the patio was a roaring fire, which was enclosed with a glass covering of sorts and even so, the whipping wind was fanning the flames; for it was indeed very cold outside and a strange site indeed to see a fire on a patio in the midst of such cold and windy conditions. In the adjoining room, the lights were on, but we could not see what was going on in there, but most likely a high black mass, as they planned to kill us, especially me through their black magic that night, in their building eleven, the apartment being listed in the name of a Jewish man.

As I was in my bedroom that night, which also faced the same terrace, I saw a spirit of a black and white cat come into my bedroom. This cat so much reminded me of my cat in the States, and at first I thought this to be the spirit of my cat, that she was perhaps ill! I did not understand at the time that this “spirit” cat was actually the travelling spirit of this evil witch doctor. And, Yes! They do such things! Truly, this evil witch doctor had left his body and appeared as a cat in my room. I also saw voodoo spirits, which came into my room and attacked me, my head, and my body. But, I just prayed and the Spirit of God delivered me of these terrible voodoo spirits.

 From The Mountain Prophecies Copyright 2005

I had never fought a voodoo spirit until I went to South Africa, but my Dear Friends, they are terrible things, yet truly nothing for the Spirit of God to conquer. However, I can clearly see how these voodoo spirits could kill the spiritually weak, and or cause people to go insane, as they are very oppressive. But, twice in South Africa, when I had to deal with them, I felt so much of the power of God come into me that I felt my spirit actually rise above my body as the fire of God literally came down on these spirits, and twice I saw them fly off as a black wind. I tell you, my Dear Ones, that this evil cannot stand up to the Spirit of God! Blessed is His Holy Name! But, through all of their evil efforts that night on their evil holi-day, the 21st of December, the Bushes, the Queen of England, the King of Sweden, and their Satanic accomplices really thought that they could or would overcome us all and defeat us all through the black powers of this most evil servant of Lucifer!

Eventually, on that night of December 21, 2004, the fat body of this witch got stiff as he left his body and came to kill us! But, earlier when Antonietta had seen this evil witch doctor talking and waving his hands, she had wondered if he were a real "sangoma" the South African word for witch doctor! For, she said that the real witch doctors get very stiff in their bodies when they go into these trances! My Dear Ones, I was so ignorant about these things, but Antonietta was not as she had lived in Ethiopia some thirty plus years of her life! But, it was not long before this evil man's body did get very stiff and he was off in the spirit to do his great evil! And, he was there in that window, stiff as a board until well into the next morning, which was the 22nd of December! And, later that day towards 6:00, there he was, back in the window again!

That night, on the 22nd of December, as I lay on the sofa in the living room, our Father in Heaven showed me the spirit of the witch doctor as he was travelling a portal of some sort! Then, the Spirit of God said to me, "See him!" And, I said, "Yes, my Father, I see him." Then, the Spirit of God said to me, "Go there and take my hammer and my spiritual nails and pin him down in the portal." And, so I did as He directed and penned down the spirit of this evil witchdoctor in the portal and then, he could not get back to his body. That night, I lay down and slept like a baby, but I tell you, my Dear Ones, this evil witch doctor was in trouble the next day. His stiff body stood in the window most of the day and finally late in the day, they took him down. I know without a shadow of

a doubt that this evil man's spirit did not leave his body to kill another human being! Blessed is the Name of our Lord and God; for He is mighty! He is truly to be feared and respected; for HE IS MOST HIGH; and THERE IS NONE LIKE THE GOD OF ISRAEL! BLESSED IS HIS HOLY NAME!

But, these evil ones did get a hit on me as I got a severe kidney infection and although Antonietta and I prayed very much for our Father in Heaven to heal me, I still had to go the emergency room. They told me that this was the worst possible infection that I could have, that my urine was full of infection. I stayed in the emergency room all day and when evening came, I was given antibiotics so that I could leave.

I was healed of the infection, but after the obvious loss of their prized and famed witch doctor, the evil ones, the Bushes, the Queen and the King of Sweden were even more determined to get us all, but especially me, whom the hate greatly! As Antonietta stayed up most nights, she was constantly watching the witch doctor apartment and the street below. And, she then told me around the 22nd of December that something very strange was happening below that night. She stated that people, who were dressed very well in suits and top coats, were busy leaving from the terrace outside and going beneath the building in which we were staying and that all of this was taking place in the early morning hours! She believed that they were surely plotting something and she was right! For, on the 23rd and all day during the day of the 24th, we began to see a quick flash of white light, which periodically came from this apartment window of the witchdoctor, the very apartment being under the ownership and control of a Jewish man! As we watched the flash, we determined to shut our blinds to the windows, as we did not know what they were actually doing with this strange flash. But, in very quick time, we would know that this flash was indeed the flash of a timed detonation device!

For, it was on the night of the 24th of December that I went into my bedroom and smelled smoke! We were all puzzled at first, but then heard a calamity outside on the terrace. We looked out to see firemen, who were standing in the ice and snow and they had firehouses in hands, pouring heavy streams of water into the opened skylight, which provided light to shops below the terrace! Great volumes of billowing smoke rushed up from the area below and filled the frigid night air; and within very few

 From The Mountain Prophecies Copyright 2005

minutes, there was a series of loud explosions beneath us. We watched in horror as great curls of fire ascended up from the open skylight; and at this point, knowing that the whole building was on fire, we opened the door to the stairway, but just as quickly shut it, as the small hallway and the stairway was thick with black smoke. I told Antoinetta and our dear and elderly Swedish brother that we must pack up a few things and leave quickly as the whole building was ablaze underneath.

My Dear Ones, have no doubt that the Bushes, the Queen of England and the King of Sweden got one very great delight in setting afire this apartment building! They surely did it and out of revenge for the loss of their most esteemed witch doctor! Amidst great smoke, we fled this burning building and Antonietta, who stubbornly stayed behind to get our suitcases down the stairs, surely had smoke inhalation damage to her lungs! I told her to leave them, but she was determined to get them out. Bless her heart! She has so many good ways and I will always love and cherish Antonietta! As thick, black smoke rushed out the door of the apartment building, the fireman came out with Antonietta in tow; and in the end, we all made it out all right!

The Swedish government was indeed kind to have a bus ready and to have a hotel lined up for those, who were now without a place to live on Christmas Eve! And, they supplied us with a hotel room for two nights and then said that the building was safe to live in even though the smell of smoke was so thick as to be oppressive, burning to the lungs and nauseating. Antonietta came to me and suggested that we apply to the Swedish government for asylum as we had no place to stay and little money and at first I did not wish to do so. But, I also felt great compassion for Antonietta and hoped that the Swedish government would give her asylum especially as she was now separated from her alcoholic husband and had an Ethiopian passport; and this meant that she would be forced to return to Ethiopia within about one month if she could not get an extended visa for Sweden, so she had some real concerns. But, in truth, we also had no place to stay! We were the victims of government persecution. We had no place to go and little money and so we applied for asylum. And, also at that time, we did not fully understand the great involvement of the King of Sweden in all that was done to us. However, in the end, the Swedish government did not even consider our request but decided within one day that this request would be denied. They also determined to

send me back to the United States, which I did not choose, but demanded that I be allowed to go back to South Africa, where I had come from! They tried to stop this and were determined to send me back to the States, but our Father in Heaven had warned me in a dream not to come back to the States at this point. So, in the midst of a great confrontation with them, they gave me back my passport and I was allowed to leave and go back to South Africa. But, they would not give Antonietta's passport back to her and they browbeat her and wielded their power over her as they colluded to send her back to Ethiopia, where she could have been in great danger as she knows no one and there was an an-going war in Ethiopia! They were cruel, heartless and unrelenting in their arrogance assaults against her! I left quickly for South Africa and within a few weeks, Antonietta was sent back to Ethiopia; and I could do little to help her, but pray for her safety as I had very little money of my own. Our dear brother in Sweden bought Antonietta a ticket from Ethiopia to England and she was able to get out of Ethiopia with no problems! Blessed is the Holy Name of our Lord and God! For, He is full of miracles!

But, my Dear Ones, all was not lost on the immigration agency in Sweden. On one of our few trips to this office, there was a young woman, who was blind and she was seated across from us. I noted how she could not see and how she depended on others to help her get around. My heart went out to her so and as I sat there, I pleaded with our Father in Heaven to restore her sight. As I prayed, He told me to go and put my hands on her eyes and to pray for her. So, I got up, went across to her, put my hands on her eyes and began to pray for her. I first tried to communicate with her, but quickly realized that she did not understand a word of English and I did not understand a work of Polish, so I just bypassed all the language problems and began to pray for her. As I prayed, I felt the power of God as it coursed through my hands, but I also knew that our Father in Heaven would be the One to decide if she were to see again! And, having prayed, I moved back to my seat, across from her and sat looking at her! Very quickly, she began to rub her eyes and to turn her head and to look around. To me and to our dear brother, it was quite obvious that she could now see and he went to try to communicate with her! In so doing, he determined that our Father was at that very time restoring her vision. Yes, indeed, our Father in Heaven had mercy on this precious woman, and then and there in that office of great pride, arrogance and even

 From The Mountain Prophecies Copyright 2005

persecution of the poor and downtrodden, He gave sight back to this precious soul! This was a most beautiful testimony to the great and wonderful love and power of our Lord and God and a great miracle, which was also witnessed by a small group of Muslims. And, on that day, this great miracle touched not only this blind girl, but all, who beheld it. Even these Muslims could see the power of One Great and Holy God of Israel! Blessed is the Holy Name of our Lord and God; for He is so worthy to be praised! Oh, how I love Him!

But, as I said earlier, I had to quickly leave Sweden and Antonietta was forced to stay until the Swedish authorities decided that she could go on. After I got in South Africa, I tried to maintain contact with Antonietta daily by phone! On one of these occasions, after seeing the way the Swedish government treated her, I told Antonietta that our Father in Heaven told me that He is going after the family of the King of Sweden! I told her that our Father in Heaven told me that HE is going to judge them because of their great evil! And, my Dear Ones, the following incidents will clearly show you what is happening to the King of Sweden and to Sweden! My Dear Ones, I have absolutely no doubt that these great judgements are upon this king and upon his country because of the horrible things that they did to us!

But, before I leave off this topic of the gross mistreatment that we all received in Sweden, I wish to tell you one more very interesting event! On the morning of the 21st of December, as we got up and stood around chatting, Antonietta said, “George Bush was in my room last night!” At first, I believed that she was kidding! But, then she continued on, “No, really, George Bush was in my room last night!” And, she proceeded to tell me that George Bush appeared in her room around 4:00 on the morning of the 21st day of December 2004. She said that he stood there with his arms folded and with a great smirk on his face; and my Dear Ones, we have seen some of these pictures of George W. Bush’s smirking! She told how she was awake, but lying on her bed reading when this “light” image of George Bush was projected into her room. She told of how she got up and actually felt this light image and watched it for approximately 30-45 minutes before it disappeared. My Dear Ones, this is but one testimony of the fact that George Bush has stalked us all up and down the world. George Bush was one of the ringleaders in setting afire the apartment building in Stockholm! Investigators did in

fact, find that there were several fires, which had been set in the basement of the apartment building and that these evil people had also set fire to the bicycle shop below us! There was apparently a large amount of fireworks in the bicycle shop in preparation for holiday sales. So, these fireworks added zip to the delightful fire of these deranged Satanists! But, truly, my Dear Ones, these evil ones truly told us what they were doing when they set the detonation device in the window, so that we could see the piercing white light as it counted off the hours and minutes before detonation! Interestingly enough, the nature of this fire was never solved and the cause was determined to come from the explosion of the fire works, which was caused by an "unknown" source of ignition! And, so it goes with those, who put themselves above all laws! But, they do not escape our Father's laws! And, you will read of our Father's judgements against this Swedish King and against Sweden below!

## THE GREAT TRAGEDIES OF SWEDEN

I had barely left Sweden when a terrible storm ripped through Sweden and tore up the Southern part of Sweden! This great storm devastated utilities and flooded subways, from what I am told and did great damage to much of Sweden as the winds were great and furious! Many trees were downed in this storm, which would be set afire by lightening the following summer, and thereby cause a great burning in Sweden. For, the aftermath of this storm was felt many months later!

## THE KING AND HIS FAMILY

Since the King of Sweden did to us what He did, and refused the love and grace of our Father in Heaven, but instead collaborated in such persecution and attempts on our lives, this is what has happened to him and to his family. And, I do not rejoice in these things, my Dear Ones, but tell you these things with sorrow in my heart. For, these things would not be if this King had accepted the love of our Most Wonderful Father in Heaven!

1. The King's younger daughter was involved in a car wreck, shortly after I told Antonietta our Father's words; but she was not hurt! As this was only a warning, but went unheeded as well!

 From The Mountain Prophecies Copyright 2005

2. The Kings older daughter, the Crown Princess of Sweden, was the victim of a stalker, who was out to kill her! This man was finally caught; and this was just one more warning!

3. The King was found to have his own harem! His love nest was found and exposed and this disgrace came into the light of day!

4. The King of Sweden was in a head-on-collision in his expensive car; and this happened within a very short time after our Father's sword touched the neck of the ruler of Sweden. This was in one of the visions, which I posted on this website! Whether this man had a neck injury, we do not know, as little is known about his injuries, or lack of them from this wreck. But, my Dear Ones, there is a great possibility that he may very well have suffered such an injury!

5. A very good friend of this royal family, a woman who was only in her 50s suddenly died!

6. The King's long-time secretary developed a very serious disease and must step down!

7. The King's son was apparently involved in a wild party at the royal house when he reportedly decided to slide down a stairway banister, and I believe on a cooking sheet, or something of the sort! He reportedly suffered some broken bones, but otherwise survived it.

7. Bands of well-organized thieves began to stop the armoured trucks, which haul the Swedish money, and huge amounts of money began to evaporate out of Sweden! So much so, that when people went to the banks there was no currency to be had! There was in effect, a run on the Swedish money as it came under short supply! At this time, I understand that the Swedish Krona is the lowest currency in the world!

8. And, lastly in this long chain of our Father's judgements against Sweden is a most interesting event, which has taken place within the last week, or so. An asylum

tribunal, which was orchestrated by representatives of several European nations, and headed up by a well-known South African lawyer, convened in Sweden to bring charges against Sweden for their ghastly treatment of those, who apply for asylum in Sweden because they are mistreated in their own countries, only to be sent back! This asylum tribunal found Sweden guilty of many things, and all of these I am not aware of, as I have only received second-hand information about this tribunal. But, apparently among those things, of which Sweden is guilty, is in not taking seriously the threats to the lives of many, who have sought asylum in Sweden, as well as the horrendously untimely response to their needs. They apparently found it disgraceful that the Swedish government has added further assaults to those, who have been persecuted by their own governments! For, many of these, whose lives were truly in danger, were sent back to these very countries by the arrogant ones in the Swedish government! This tribunal has come out with around ten, or so, charges against the Swedish government for their mistreatment of downtrodden and needy refuges! Who knows where this will lead? I do not know, but I do hope that it leads to the swift termination to two atheists, who mistreated the two of us, only because of the fact that we serve our Lord and God! The woman, who is in charge of Swedish asylum, whose name if Guinn and her Chinese associate, were unusually cruel, mocking and scorning, and truly elevated themselves above all through their pride and arrogance!

What I have to say to all of them is one thing! And, this is what our Father in Heaven has told me on several past occasions before He let His hammer of judgement down on the rebellious! His very words were, “I WILL NOT BE MOCKED!” And, so it is and so it has been with Sweden, with the monarchy and with the Swedish Immigration agency. They will all see that OUR FATHER IN HEAVEN WILL NOT BE MOCKED! FOR, HE IS MOST HIGH! A HOLY AND A RIGHTEOUS GOD! BLESSED IS HIS HOLY NAME!

And, so it goes, my Dear Ones! If the people of the nation of Sweden do not soon repent in a very big way, the land shall suffer greatly through war, great famine and disease! Great natural catastrophes will destroy much of Sweden and when all of this is done, the Swedish monarchy will surely be destroyed and the castle in ruins and the king will flee with the clothes on his back! When such destruction is complete upon Sweden, barely 10% of the people will be left! Oh, Swedish People, wake up! Stop the

 From The Mountain Prophecies Copyright 2005

great evils that you do! Stop the sins! Stop the fornicating! Stop the rebellion and come back to the One God, who loves you and who wants to save you! For, surely a great war and a great devastation will soon overcome you and many will die amidst the terrible wars, diseases, upheavals in the earth, and terrible famines, which are ahead! Weep, Oh Dear People of Sweden! Weep for your sins, for the sins of your loved ones and for the sins of your country! Weep for your rebellious king and pray that he will see the errors of his ways, that he will turn to our Lord and God, he and his whole family, to repent and receive the love and blessings of our Most Wonderful Lord and God! For, great is the love and mercy of our Father in Heaven and He hears the penitent prayers of a humble heart!

### THE MOST SHOCKING MESSAGE THAT I HAVE EVER RECEIVED!

My Dear Ones, I have but one more message to give to you and this message was given to me in August of this year; and at that time, our Father in Heaven told me that He would allow me to decide whether this message is to be given out, or whether I will keep it for myself, alone. And, as the months have passed, I have kept it to myself and have also wondered whether it would serve a common good to share this message with others, for surely this message also relates to many people! But, before we get to this message, I must give you some background on my childhood and earlier years, which I feel is so important. For, this information will also help you to understand this message!

### The Earlier Years of My Life!

My Dear Ones, there were five of us children and we came up very poor as my Mother and Father were divorced and my Mother then became the sole bread winner for so many children. And, though she always kept us fed and kept our clothes clean, times were hard; and my younger brother and I spent a great deal of time with our Grandmother, partly to give her some company, but also because my Mother worked and it was hard for her to take care of the needs of so many children. During those years, my Mother had rented a house, which was called the “Old Moody Place” and was out in the country, on a paved road, yet still rather remote, as back then, there were not so many houses. And, the nearest neighbor could very well be a mile or two away,

or more! But, even then it was rumoured that strange things sometimes took place in Toadover Swamp, which was behind us a bit. And, rumors of these things made me a bit frightened, even as a child; for during those times, we had no locks to speak of on our doors, as there was really little crime, so I really never understood what these vague references were about.

But, one morning, my Mother awoke, as she told it, around 5:00 AM and a little dog, which we had, a cute little, white furry animal, and very protective, was barking furiously! Upon going outside that same morning, my Mother did not see anything suspicious at first. But, soon saw the most unusual thing at the side of the yard in the sand. There, near where the sand met the grass was one, very huge naked foot print. And, this foot print was not just big, my Dear Ones, but absolutely HUGE, so huge that it must have been near 20 to 24 inches and beside it were footprints of little children. This was the strangest thing to all of us and my Mother called out the Sheriff to take a look at this singular, monstrous print, which accompanied these small children's feet prints! But, none of us could make any sense out of it and for many years, this remained a mystery to all of us.

It was around this same time also that my two brothers and I were out in the front yard playing late one afternoon, near dusk, and I looked up to see a fiery, flaming ball of fire soaring across the sky. I gasped and called out to my brother, who also looked up and saw it speeding across the sky; and I asked him what this could be, to which he replied that this was a comet. Now, being a young child of perhaps seven, or so, I had no reason to doubt him, as I did not know what a comet was. But, as the years have passed, I have often thought on this fiery, speeding ball and what it really was, but to be sure it was no comet! And, I have also never forgotten this giant naked footprint in the sand and the little naked footprints of children beside it.

During my youth, I was sometimes confounded by a scar beneath my left knee, and I wondered why I had received a smallpox vaccination beneath my knee when other kids had received theirs on their arms. And, as the years passed, I noticed two additional strange scars on the inside of my left thigh, and also wondered what these were. But, from so much research and from so many accounts of others, I now know that these

 From The Mountain Prophecies Copyright 2005

marks on my leg, both the one below my left knee and the two on the inside of my right thigh, are both what people commonly refer to as punch biopsies, or "scoop" marks, which are left by those, who abduct these people via their saucer-shaped craft! And, in 1993 when I fell, while playing badminton and damaged my left knee, I was very shocked to wake up and hear the doctor saying, "You have had surgery on your left knee!" When I told him that I had had no previous surgery on my left knee, he told me that a round area of bone was missing from the inside of my knee! He maintained that I had surely had surgery on this knee, but little did he know that all had taken place, without my conscious knowledge or consent! I tell you, my Dear Ones, that this was shocking to me, and also solved a longstanding mystery. And, it was also most strange that my husband was right there when the doctor said this to me and he said that he never heard him! But, as time would go on, I would see a great deal of this denial in my husband about these strange and other-worldly things!

For many years, I have had an interest in UFOS in "saucers," even without knowing why! The very first term paper, which I did when I was only seventeen and a freshman in college, was the collective research, which was available at that time regarding UFOs and abductions! Very strange for the 60s.

So, my Dear Ones, this is some background for you and will help you somewhat to understand what I am about to tell you. Also, as regards the very huge foot print and the little children foot prints, I do believe now that this large footprint is a footprint of one of the "watchers," and the little footprints are footprints of two of us children, most likely those of me and my little brother. Unfortunately, my younger brother died when he was only nine years of age. As it happened, we were on the way to my Grandmother's house, and were almost there, being the last stop for the school bus, when my sister turned to see my little brother on the floor of the school bus and he was having a severe seizure. My Dear Ones, this was 1959 and medical attention in the small community hospitals was not good at all, and only four days later, as the Real McCoys played out in the waiting room, the doctor came in and announced that my little brother had just died! He was an angel, if there ever was one, a beautiful child, who was always so full of life and constantly singing. How blessed we were to have him for those precious nine years, but I do wonder, my Dear Ones, whether his death had

anything to do with these evil children of Satan, and what they have done to enslave the "holy seed" and to use them in their time travels, where they kill so many!

Only our Father knows all of these answers, but as for me, I bear the scars of so many of their abductions and still they continue with them and they stalk me from day to day, 24 hours a day, and seven days a week. What a blessing it will be to be taken off this planet and to live with our Lord and God in a land of love, beauty and peace.

So, my Dear Ones, because of the great slavery of so many souls and their continued enslavement and forced work through these Satanists, I am sharing with you this message, which our Father in Heaven gave to me in August of this year. I am sharing it because it is time to share it and it is time to let many know what these evil ones have been doing with so many of us! And, all right in front of our own government as they are the ones, who made the deals to let these evil hoards kidnap us and use us against our will and without our conscious awareness in exchange for their horrible technology! But, now, my Dear Ones, these most evil of creatures and the current governments cannot be separate one from the other as they have combined their technologies and their databases to make slaves out of every one of us! What a great shame upon the face of this Earth, but the truth, my Dear Ones, is that humanity on this planet has always been under bondage to Lucifer! It is only through the love and grace of our Father in sending His Precious Son to set us free, that any of us could ever be free at all. So, take note of what I am telling you, for this very message, which our Father in Heaven gave to me, also involves many millions of souls! For many have been singled out, just as I have been singled out, and put under bondage, having been made to work for these Luciferians, not by choice, but by force! And, these horrible things have been done to many only because they are of the holy seed. But, it has all been done one's conscious knowledge or consent, or even awareness, as these evil ones are so adept at erasing one's memories of all of the evils that they have done!

My Dear Ones, I had a most interesting "dream" about a day, or so before I was given this message. In this dream, I was clearly in a building, but it was lighted very poorly and I was saying to myself in this dream state, "For such a very long time, I have been in and out of this chair!" And, my Dear Ones, as I was saying this in my sleep, an

 From The Mountain Prophecies Copyright 2005

electrical current hit me in the face and woke me up! Because of the tiny glass-like implants, which they have so often put around my eyes and nose, they so easily can follow my dreams and even my thoughts and even for thinking certain things, or dreaming certain things, these evil ones have sent beams of torture to attack my body, even in my sleep! And, these evil ones truly did not want me to remember what I was seeing and what I was saying to myself, but I did remember!

And, I remembered the young girl, who was acting as guide for time traveller and hit man Dennis Bossack and that she was sitting in a chair. I remembered the words of Stew Webb as he was the first one to tell me about this chair and how they drug the intended "guide", put this person in a double pyramid and then do something with this pyramid to cause it to carry this person into the time portals. These things they do in Area 51 and elsewhere! I do not know how this works, but it works and has worked for them for many decades!

Yet, my Dear Ones, never in my wildest of imaginings would I have thought that I would have been one of those in these chairs! However, you will read differently and you will then understand why our Father has chosen me and why He has allowed me to go into these portals and shut down these portals for Him, and thereby shut down Lucifer and his hoards from the Upper Realms! And, in so doing they have now become confined to the Earth, where they will all soon burn in the fiery pits of hell for their horrendous deeds!

And, I tell you, my Dear Ones, if I were never allowed to do another thing for our Most Wonderful Father in Heaven, I am surely the most blessed person in the whole world; for He has allowed me this most wonderful opportunity! For, not only does this cut off the kidnapping, the drugging and the forced slave labor for so many, this most wonderful opportunity of being able to do this work for my Father is surely His great gift to me for spending 50 years of my life, having been made to travel these portals as a prisoner of Satan!

To shut them down is my great reward; and as Oprah so recently said regarding her calling to put the child rapists and molesters in jail because of what these same types

did to her, I, too, have heard the call! And, this call is that our Most Wonderful Father in Heaven has also blessed me to help him in putting behind the bars of hell, these hideous monsters, who have raped and enslaved humanity for a very long time! Now, my Dear Ones, this is the main reason that Satan, Lucifer, the devil is so very angry with me; for when you read Revelation 12, we are told that Satan is indeed very angry with this woman! And, my dear ones, this is why! But, clearly I am greatly blessed and free and alive only because of the great love, mercy and grace of our Most Wonderful Father in Heaven! Blessed is His Holy Name!

I was working on the previous writings on the night of the 22nd of November, 2005, when I became very aware of powerful microwave beams, which were coming in through the windows and hitting me in the head, creating an uncomfortable, burning sensation. At that moment, I had the suspicion that the bright, white-light aerial craft must be out there, as it was somewhere around 6:00 at the time, and this is when it usually appears, give or take 30 minutes, or so. So, I got up and went to the living room window, looking due south, and there it was, about 75 degrees up from the southerly horizon. My Dear Ones, with the naked eye, this craft looks like a giant star, but one can clearly see that it is within the atmosphere, and not outside of it. And, with binoculars, one can plainly see that it is a round object, which emits a white light from the underside of it; and the light seems to change shape somewhat and swirl around in a slow and unpredictable manner.

So, in seeing its presence, I went outside with my spotlight and shined the light on this object, and then I sang praises to our Lord and God! Blessed is His Holy Name! Afterwards, I called a dear friend and we both prayed against this evil presence and as soon after our prayer, I looked to see that it had moved due south about 30 degrees. I watched it later, as it moved further due south and then finally was out of sight all together. This took approximately three hours and this is somewhat the way this object presents itself on many occasions. As I have told you, this object does not like to come out on weekends, but consistently appears at approximately the same time, but not exactly in the same location.

 From The Mountain Prophecies Copyright 2005

My Dear Ones, THIS IS NOT VENUS, AS SOME MAY THINK. VENUS IS NOT VISIBLE AT EITHER SUNRISE, OR SUNSET AT THIS TIME OF THE YEAR! CHECK OUT THE POSITION OF VENUS AT THIS TIME OF YEAR FOR YOURSELF, AND YOU WILL SEE THAT I AM TELLING YOU THE TRUTH. A couple of weeks past, I read a post on the Internet and an individual, who was raising questions regarding this white light object in the southerly sky and what it might be! Some speculated at that time that this is Venus, but I tell you for a fact that it is not Venus, but a very large aerial craft of some sort! Is this Lucifer's craft? It may very well be, for my Dear Ones, he is cast down now! And, mad as a hornet! He is hopping mad; for he knows that his days are numbered; and he is out to make war with all of humanity. I tell you for a fact, that he is greatly angry with me and that he persecutes me greatly from day to day, just as we are all told in Revelation 12 and this must be so; for these words must be fulfilled. So, I post these things, that you may be the wiser, and also that you may know that we are in the very last few remaining years of this Earth as we know it to be!

I stopped on this work last night at the above time, and went to bed rather late, somewhere around 12:00, I think, but there was to be no sleep, as is so often the case. For, they come immediately after I go to bed; and they begin to pummel the implants with electrical currents in order to torture and persecute me! And, last night they did this and shot beams into my knees and my feet, in particular! These beams caused considerable pain in my knees as they have put the implants into the knees now in a deep position, so there was burning, and this pain went deep into my knees. But, when I prayed early this morning, our most Wonderful Lord and God took away the pain. Blessed is His Holy Name!

When I got up, around 3:00 AM, or so, I got my binoculars to look for the persecutor. But, the persecutor was not visible outside my window to the north, as it usually is, so I looked to the south, where I saw nothing of particular interest, and then to the west! There, almost due west was the glowing, bright orange, aerial craft. This craft does not appear to be a perfect circle as it also has an energy field, which moves around it in an unpredictable manner, causing the object to seem to change shape, especially the lower part of it. This was indeed the culprit from which the torture emanated, but they wanted to remain out of sight, as I had filed a police report with the Faulkner County

Sheriff's Department a couple of days ago. In this report, I told them of the numerous balls of fire, which roared over and near this house on the night of the 13th of November, 2005; and in this report, I warned the officers to be on the lookout for this orange craft, which is believed to be the responsible for sending these roaring balls of fire out into the atmosphere. So, for this reason, these cowards had moved to the west; but after seeing it, I called the Faulkner County Sheriff's Department around 4:00 this morning and told them the location of this craft! Immediately after this call, I went back to the window to view this craft; and saw it disappear before my eyes, as it took its cowardly occupants and went due west!

Thereafter, I went back to bed around 5:00 this morning, and the persecution continued with a huge beam to my throat and thereafter audible frequencies directed at my head. I heard a beam hit the closet where this small laptop is sometimes kept and I felt then that they were attacking the computer. When I booted up the computer this morning, the screen saver was a star wars screen saver, which I told the computer company to take off months ago as I do not like Star Wars! And, as this laptop was a loaner/gift some months past, I had no choice as to what was put on it. This man at the computer company told me that he had removed it, and I had not seen it since than; but when I booted up the computer this morning, there it was, the Star Wars screen saver, which these most evil of Satanists changed with the flick of a beam light last night!

This, my Dear Ones, is their way of telling all of us what we are all up against and I do hope that you hear this great warning as I tell you what you, too, are headed for. For, these evil ones, and many of them not even human, have come down to make war and they are going to make a terrible war against humanity. It will not be long before they begin to "sting" people all over this planet with the beams from their other-worldy, and worldly aerial craft! I can only warn you, but in no way can I actually prepare you for what you, too, will soon face! But, I tell you again that you must repent and come clean before our Lord and God and cease to do evil; for if you will not do so, you will not have the power and protection of our Lord and God when you need it most!
I wish to add here as well that when I went to sleep around 5:00 this morning, there was indeed an aerial vehicle, which was parked due north, and this vehicle was

 From The Mountain Prophecies Copyright 2005

emanating red and green lights! It was indeed a stationary object! My Dear Ones, this is your US government and these planes come from Little Rock Air Force Base. They are torture machines and spy machines! The last two nights that we were in Sweden, there were an estimated 200-250 of these aerial crafts above us! And, they stalked us, me and my Dear Friends, all over South Africa! Yes, these stalkers were Bush, the megalomaniac and his Satanic allies! In Sweden on those last two nights, some of these night stalkers were near treetop level and some higher, but all was done to show that Lucifer is indeed come to rule on this planet! These red and green blinking craft have stalked me personally and have sought to terrorize me since May 01, 2003! And, all of this at the orders of the new black pope and the satanic leaders of this suffering world that we live on! This is your US government, my Dear Ones, and now it cannot be separated from Satan and his very own government; for they are one in the same!

As far as the orange aerial craft, I believe that the USA has orange, triangular craft, but this large orange night stalker does not seem to be triangular in appearance! Who are they? Those in this orange aerial craft and the white-light aerial craft? There is no doubt in my mind that they are Lucifer and his children! I cannot speak this anymore plainly! I believe that this white-light aerial craft may very well be Lucifer! These evil ones have taken me aboard this craft, wherein they have put torture implants deep into my tissues. On the left side of my left arm, just within the last two weeks, or so, there have appeared scars, four or five of them and they are all in a circular pattern and faint. On several occasions since then, they have sent burning beams into these implants, which are deep between the bones in the lower arm, and these beams have burned greatly, but when they do this evil, my Dear Ones, I pray; and our Lord and God takes away the pain.

I can warn tell you that huge numbers of people will soon experience this torture as these evil hoards begin to stalk and terrorize the masses. Lucifer and his earthly slaves will surely now combine their data bases and all of the holy seed, who have been implanted against their will, will be sought out, terrorized and tortured. Even those, who are not of the holy seed, but bear these implants, will be tortured as many of Satan's aerial craft come up out of their underground bases to sting the people! And,

my Dear Ones, there will be no relief, but what you can get from our Most Wonderful Lord and God!

Do not think that these things will not affect you, or come near you, or that you can somehow hide yourself away from them; for if you live long enough, you will see this terror unfold quickly now in this Earth. For, Satan is cast down totally and he is now in our midst, like a roaring lion. But, this must also be; for He and all of his evil hoards will be defeated right here in this abused and tortured world! Therefore, my Dear One, you must live righteously, or you, too, will receive the fate of Lucifer, which is the burning lake of fire! And, this is no joke, but plain English; for the great time of the sorting of souls is now well underway. Some to Eternal Life and some to eternal damnation! What do you choose?

Now, my Dear Ones, comes the most shocking revelation, which I have ever received! You, too, will be shocked, but maybe not so shocked as I have given you the above details of my earlier life and the evidence of the stalking of these evil ones, which goes back to my early childhood! So, read on and you will then see how greatly humanity has been enslaved and how it is even now under a greater bondage than ever thought possible!

### A MESSAGE FROM OUR FATHER IN HEAVEN

### August 27, 2005

### "The Most Shocking Revelation That I Have Ever Received!"

"My Little One, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. My Blessed Child, you are called and you are chosen and I have set you at the head of My people on this planet; for you are the White Buffalo Calf Woman! You are the Woman of Revelation 12 and it is at this hour and this day, My Child, that this is your year of Jubilee!

For fifty years, My Child, Satan and his evil slaves have hounded you, even since you were a small child, of only seven years of age. On your leg, you bear the scars of the abductions and the tissue samples that they have removed from your skin and from

your bones. You bear the scars of the repeated abductions, wherein they have kidnapped you over and over, and have harvested your spiritual abilities to get them back and forth through the time portals! This has not been by your conscious choice, but has been done to you against your conscious wishes; and they continue on with your son and have also harvested your eggs to create offspring of you, so that these could also be used against their will as guides for these evil ones to get in and out of the time portals, as their frequencies are so low and their DNA so inferior that these evil hoards could not, in and of themselves, get in and out of these portals. For, it is the frequency of one's DNA, which opens these portals and these evil ones would have been totally unable to go forth with the space-time work that they have done, if they did not have those of the holy seed to do this work for them! So, these evil ones have continually abducted those of the holy seed and they have injected them with drugs and have mind-controlled them so that they would forget this work; and year after year, they have used these same ones and the family members of this holy bloodline to make them do a work that they would not choose to do and to make them slaves in their bitter quest to rule this planet! But, today, My Child, marks a jubilee for you and a jubilee for many others, who have been continually abducted and made to do this interdimensional work against their wills.

Yes, these evil ones are afraid, My Child; for you are Mine! You belong to Me and you do My work; and they are very afraid for what you will not do. For, I have sent you to shut down and to close up many of their portals, including the Mars portal, the Moon portal, and the Saturn portal. My Child, I would not have given this work to anyone, save one, that they have so abused and made to do a work that they consciously chose not! And, you ask, My Child, why I ever allowed it to begin with, as you were only a very young chills when they began to do these horrible things to you! And, this is My answer to you! My Little One, you volunteered for and agreed to a very difficult job! I chose you and you both chose this work and volunteered to do it before you were born."

"But, why, Father? They are evil and I despise all that they do!"

“My Little One, this is known, but who is better to set the captives than one, who has been a captive and knows the inside of the prison? Now, My Child, you agreed to go through all of this so that you could help set the captives free! This was a foreordained and pre-destined work. This is not a work of chance for you, but a work of destiny! You are destined to do this work! Now, you must understand as well, that much is required and expected of the one, to whom much is given. My Child, you are the White Buffalo Calf Woman and you are the Woman of Revelation 12, but you did not come to be this Woman by way of walking an easy path! For, fifty years, you have been hammered and pummelled by Satan! He has stalked you all over the world in everything that you have ever done! He has brutalized you in so many ways, and he has defeated you over and over as he has stalked you so; but you did not give up! However, My Child, for the first 39 years of your life, you were lost, alone and often afraid! You knew nothing about your life and who you really are! You spent much time seeking, but to no avail, as there is a time and a season for all things; and this, My Child, is the time and the season for you to know and understand what has been hidden to you!

My Little One, when you begin to pray around the year, 2000, and you would feel such a rush of power and a then see that a blue hole had opened up in the sky above your head, this was the beginning of the opening of My vortex, which you now call the Yahweh vortex and truly it is. You did not know that this vortex was opening, but they did! The evil ones did and from that time to this, they have never let you out of their sight.”

“But, why, Father?”

“Because, My Child, they know who you are and they want to own you and to control you. Therefore, They have intensified their efforts against you and have implanted you with all manner of chips and have used every kind of mind control trick in their repertoire, but they have failed. Their chips do not work, as they intend! Day by day, you grow stronger spiritually. And, they have been so desperate to destroy you, My Child, that they have worked very hard to destroy your marriage by picking up and mind controlling your husband to do as he has done against you. They have picked up and mind controlled your family members and have turned them against you. They

 From The Mountain Prophecies Copyright 2005

have gone after your acquaintances and friends and have picked them up and mind controlled many of them against you! And, why, My Little One? To isolate you and they think, “to break you” and thereby be able to control you, or so they think! To have you all to themselves with no witnesses, as they are furious with you! But, still, they believe that they can break you and make you serve them of your own free will. They know that what they make any of you do against your will, via their mind controlling and drugs is against them, and not you! So, they want you to choose to work for them, which you do not choose and you have not consciously chosen it!

Now, My Child, comes the day of reckoning! Now, comes the day of payback against them! Now, comes the time that they have long dreaded; for they have known for some time about the calling that you have on your life, and they have continually tried to stop you, but over and over they have failed! Now is the hour that they have so dreaded, My Child, wherein I will raise you up and use you to destroy them! For, you, My Child, have spent a long time in the belly of the whale, in the mouth of the lion and in the tests of the flaming fires; and your time of trials is all but up! Fifty years, you agreed to! Fifty years I required of you! Fifty years under the feet of these evil ones! Now, I make you free and I will use you in ways that you could have never imagined and to destroy their space-time programs! My Little One, you are now their worst fear come full circle! You are their great dread; for you have paid your dues and now come victories so great that you cannot ever begin to imagine them! Oh, My Little One, they are trembling in their boots, for you are now in a position of great power over them and My sword of great victory is in your hands!

What they have done to the “holy seed” for so long, My Child, is soon coming to an end! In the beginning, I allowed Satan to have power over this “holy seed” because of your rebellion. So much I have allowed, My Child, because of open rebellion against humanity! But, remember that you volunteered. And, I also chose you for this fifty years of work, so that at the end of this time, I could and would raise you up to do a mighty work in this terrible world! In your 49th year of this work, you became the spiritual Mother of My Kingdom in this Earth! The babe was born in your 49th year, while you were under the foot of Satan. Seven times seven! Remember the numbers, eight and eighteen! (The birthing of this Kingdom began on August 18, 2004.) Eight

for the birth, but eighteen, the three sixes, or 666 for the bondage! This babe was born while under bondage to Satan, but on the 50th year, you are being set free; and this babe, My Kingdom, will begin to flourish in the hearts of the righteous, as few could, or would ever expect.

To be this spiritual mother, My Little One, could have only been given to one, who was willing to pay the price, and you, My Child, have paid the price! Now, you shall know a freedom that you have never known, not in this life! And, you shall see victories, that you could have never imagined! This is the day for White Buffalo Calf Woman and I shall now take you into this work! Be at peace, My Child, and know that for you, this is a day, also like none other!"

"Oh, my Father, I am so humbled! I am so very, very humbled! Blessed is Your Holy Name! I love You! I love You so! My Precious Father, is this message just for me, or is it for the world?"

"I leave it to you, My Child. It is first for you and if you want to share this with the world, it is good. For they need to know as well, My Child, that because of this decision that you made before you were born into this life, Satan's time portals have nearly all been shut down! His space-time work will cease because you paid the price to go into these spaces and shut him and his evil hoards down. Many, many, who have been enslaved against their will and made to do such work on their Moon bases, and other of Satan's bases, will now be free, as their work in these areas will come to an end! My Little One, someone had to volunteer for this horrible work, to do what you have done, but you have done it against great odds; and you have persevered in love of Me, in love of My Son and in love of your fellow brothers and sisters. Now, My Child, your fifty years are up and their space-time work is coming to an end! Now, I will rise up and I will defeat and destroy much of Satan's Kingdom and I will free the "holy seed" that he has captured and enslaved against their will. And, I say this again, My Child, this is only made possible, as you agreed long ago to spend fifty years of your life in the mouth of the lion. Your work has been predestined.

I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. Go in peace and know that what I have so often told you is true! You are chosen and you are truly blessed above all women; for from the beginning, your life has been one of love, sacrifice and service; and whether you have known it, or not, is irrelevant!

As witnessed, dictated and recorded this 27th day of August, 2005,

White Buffalo Calf Woman

My Dear Ones, make copies of this “Message for you,” and copies of all of these last chapters, in particular! For, if you continue to live in this Earth, you will need this most important information. Therefore, I urge you to copy these pages and to read them several times; for you will not find much of this information anywhere else. I do not know how much longer I will even be able to post messages! For, we do not have much time before all hell breaks loose on this planet. And, too, my Dear Ones, the persecution is very great against me! So, know that these messages come to you at a great cost; for nothing worth having comes free, but through great perseverance!

Dear Ones, know that I love you and I greatly desire for each of us to make it into the Kingdom of God. But no one can make your decisions for you. So, from day to day, you choose love, repentance, forgiveness and righteous living; or you do not! Sadly, my Dear Ones, these times of warnings are coming to an end all over the Earth as the judgements of our Lord and God are coming into this errant and rebellious world. I can only warn you that time is fast running out, but in the end you must make right your own life. I warn you now to live worthy to enter into the Kingdom of our Lord and God; for the only other choice, from moment to moment, is your decision to choose evil over good, to choose lies over truth, to choose rebellion over humility and obedience. And, with each of your choices, you further cement your destiny. What will you choose, my Dear Ones? For, there is precious little time left for you to choose righteous living!

I love you, my Dear Ones! All that I do is because of love of our Most Wonderful Lord and God and love of you! So, go in His love and forgiveness and thereby walk in His freedom!

Our Saviour comes soon for the ones, who are spiritually clean and full of His Spirit! Get ready and look up; for your redemption draws nigh!

Your Sis, Linda

# CHAPTER ONE

## REVELATION 12 AND THE COMING OF THE KINGDOM OF OUR SAVIOUR

On August 18, 2004, three prophetesses of God, a minister and a small group of the faithful assembled in South Africa, not through chance, but by design of The Most High God, Jehovah and His Precious Son, Jesus! Those in attendance were brought together for a very special event, but this special event was far beyond the conscious awareness of all, who were present.

For several weeks, prior to my arrival, over sixty members of the Christian clergy, including various so-called prophets, had paid numerous visits to a certain morgue in South Africa, to pray over the body of a dead man, who was named, Paul Mentjkes, Mentkjes meaning “My Child” in Afrikaans, which is a Dutch language! Some apparently believed that this man would be raised from the dead, but many mocked this very event, which often made local news in the papers across South Africa and even appeared on other kinds of media. So, this continued trekking of so many to raise a dead man, would be a constant source of derision among many people for many weeks as this dead man lay in the morgue waiting to be buried, but his family was not wanting to bury him as they were waiting for him to be raised from the dead! But, when I arrived in South Africa, I would know nothing of this continued parade to raise this man from the dead and the first that I would know about it would come after I was there for about five days.

It was, in fact, on the night of my fourth day in South Africa, that a prophetess, whose name was Susan, would come by the farm, where I was staying, rather late at night as well, to pick up the finances to make the rather lengthy trip. Dirk Van Vuuren, the owner of this farm and the minister of a church, which was on his farm, would ask me to stay up so that we could all pray for Susan and those with her, as this would be a long trip, and our Father in Heaven had spoken to Susan and had told her to go and pray over the body of this dead man. She admitted that she did not know if the man would be raised from the dead, but she was obedient in doing as she was told to do.

Susan and her small entourage arrived at the morgue the next morning at around 6:00 and from what I understand the mortician was not too pleased to have one more individual show up to raise this man from the dead, but he did allow her in to pray for him after a short wait. It was during this time that she called Dirk at the farm and he relayed the message to all of us that she was there. I was excited about what was happening and did not have a clue as to why, but I felt the Spirit of God moving in this whole thing. Our Father in Heaven spoke to me and told me that we must assemble in the small church, and as

she was praying over this man and blowing over him, that we must also blow in the direction of this dead man, not once as a group, but three times. I did not know if this man would be raised from the dead, either, and I did not see anything like this in the Spirit.

But, what I saw in the Spirit was a Spirit descend upon this man and then it rose up and sat on the side of the table with the dead man. This radiant spirit of light took on the shape of a man and shortly after this, I saw a stone rolled away from a tomb, like the tomb in which our Saviour had been buried. After these vision of the spirit descending upon the body, I saw in another vision that this spirit was bound up in rings of steel or iron and I knew that it had to be released from its bondages. I prayed for this release and in the Spirit, saw that these were broken and released.

At around the same time that I saw the stone rolled away from the tomb, I knew that the dead in the House of Israel were about to be resurrected spiritually as well. It was during this prayer that I saw a great giant, who was dressed in white, whom I believe to be our Saviour and he had in his hands, a newborn babe and He was carrying this Babe across a river in only one step. Our Father said to mark this day as the awakening and resurrection of the House of Israel, but also from the vision of the baby, the birth of a baby, which we would later understand to be the birthing of His Kingdom on the Earth! All of this understanding would not come to us at first, but only as we were obedient to our Lord and God did the pieces of the puzzle come together.

It was very strange indeed, that I would later find out that a young prophet, the brother of the third female prophetess, would see this same thing regarding the stone being rolled away from the tomb, near the same time that I saw it. I believe that he told me that he was out travelling on the road at that time, as he was a trucker. But, this confirmation of the stone, which was rolled away from the tomb, did not come to me until a few months after all that took place on the morning of August 18, 2004. So, we were seeing on that day, both a birth and a rebirth! It is strange how we only got the full effect of what took place in bits and pieces as we were all going on faith and obedience not really knowing exactly to expect until it happened.

It was at some point that some came to understand that this was Revelation Chapter 12, and most thought that Susan was the Mother of Revelation 12. I did not know and did not really even care as I was only interested in doing what my Father told me to do from day to day; and I had been through so much trauma that I only wanted to live for my Father and do as He said; and this was all. I saw a most beautiful vision shortly after I got to Dirk's farm and in this vision, Susan and I were linked at the shoulders by two gold rings and we were supposed to do a very special work for our Father.

 From The Mountain Prophecies Copyright 2004

Almost immediately, Dirk understood that there had been this spiritual birth/rebirth and being very familiar with the Scriptures, He told us that we must go on a eight day cleansing period, but on the seventh day, a very beautiful and spiritual man on this farm had visions, which showed us that people had unrepentant sin and that if this sin was not dealt with, it would taint the anointings, which our Saviour had for this whole group. So, on the eighth day, we all fasted, even the animals and every person on that farm, even the little children, came in for confession, prayer, healing and deliverance, when and if it was warranted. I was the only one at that time, who could see in the Spirit and who could do this great amount of work. When night came I was still there seeing people as they were lined up outside of the church, waiting their turn. By the next morning, most all had been seen except for one or two; and we all felt very glad for what we had worked together so very hard to do.

This work brought a spiritual unity to this group and our Saviour was very pleased in these efforts. He appeared to me so many times and told me of the beautiful work that He had for this Daughter of Zion group, but that He demanded obedience and cleanliness. He showed me this group as a beautiful diamond in His hands and day by day, I could see more and more that He was cutting off this diamond until there was a little left at the top to cut off and then the cutting and cleansing of this diamond would be complete. But, He also warned them that if they would not obey Him and that if they continue to backbite, gossip, drink alcohol, smoke, lie, etc, that He stop this work and that He would scatter them until few were left. But, this latter part, they seemed to miss and these very things would bring an end to these works!

I am sorry to say that Susan never appeared during this great cleansing, which was going on and she never helped out with it. She would however come to church on the Sabbath and reveal what our Father in Heaven had shown her during the week, but I did not understand a word of it, as she always spoke in Afrikaans. Most people in South Africa understand English very well and most all speak it very well also, so I was feeling shunned and left out of what was taking place, but this did not seem to bother others, so I just went on and did as I was told to do my Father.

However, I must say that over the 45 days that I was on the farm, I spent very little time with Susan, as she was just not to be found. And, this very thing would later create great controversy in this birthing that she had initially been a very important part of. Later on, our Father would tell me in a prophetic message one morning that He was taking Susan's calling as a prophetess. Oh, how I dreaded to tell Dirk Van Vuuren and the others what He had said, but I had to, as Susan continued to reject work for which she was greatly needed at this church.

I needed someone to help me with the great influx of people, who were coming from all over South Africa, so I asked Madelene, the young prophetess if she would sit in with me when these came, and pray with me over them. But, she could not see in the Spirit and did not readily get many sudden prophetic words, but on occasion she did and I was always so glad to see our Father working in her life. But, she had only begun to hear our Father speaking to her about three months earlier, so she was truly a baby prophetess.

The seven days of cleansing went and the eighth day, the day of circumcision, in which the sins were to be cut off the people, passed, and this period of cleansing was extended to a total of 40 days. And, this cleansing extended to all, who came there, to receive prophecies, deliverance or healings.

This was very hard and draining work and I was often scheduled more people than I could comfortably see, and so by night I was really tired and ready for some rest, but there was really little rest as even on the Sabbaths, there were also many, who wanted to be seen. Yet, there was no Susan, as she just seemed to disappear from all of this enormous work. Madelene was faithful, but as I said, was unable to see in the Spirit and could not see demons or things, which needed to be broken off the people, who came in for help.

The government antigravity machines, which had surrounded this house in Arkansas every day and night for well over a year had followed me to South Africa and we all gathered outside at night to watch them. At first, there was only one “saucer” but then two, and as time went on, there were as many as eight in just one part of the sky. There were many trees so it was impossible to determine exactly how many government antigravity machines there were in the sky from night to night, but one thing was sure. As time went on, there were more and more of them.

From what you have read previously in these writings, you know that I have often spoke of the abductions, waking up with needle marks on me, even in my head and my husband once had four very large needle marks at the top of his spine. So, I was not surprised in the least that these evil ones followed me, but I was often so concerned about what they would do to those in this group. And, my deepest concerns would come true, as I would hear about needle marks, first on this one and then on that one on the farm. I saw two needle marks on one of the translators with my very own eyes and I knew that they had taken him.

 From The Mountain Prophecies Copyright 2004

My Dear Ones, this is the worst kind of evil, kidnapping others against their will, drugging them and mind controlling them. And, these evil ones in this very government, the Nazi leftovers, the high-level Satanists, are doing this worldwide; and who can stand up to them and do a thing, except our Father in Heaven?

This work was really escalating as so many people came to be a part of it and many were now making plans to move onto this man's farm and I was glad to see this great outpouring of the Spirit of God! Our Father in Heaven made it clear to me as days went by that this very event in South Africa marked the birthing of His Kingdom on the Earth. This was the little baby that I saw in the arms of our Saviour. One morning in prayer, our Saviour came to me and gave me ten rows of spiritual gold keys and told me that these keys were for the establishment of His Kingdom on Earth. When others would come, I would often see one or more of these keys, suddenly move from the rows of keys around me waist and appear on the person's waist.

Some were also coming there to raise money to buy land so that our Father's people would have a place of refuge a place for the actual beginning of our Saviour's Kingdom for the faithful. The word was getting out quickly about what was happening in that small group and the Satanists and those in various governments, including the US government, the British government and the South African government were determined to stop this event!

A South African spy had been in this group and sat each Sabbath on the front row, taking it all in; and our Father in Heaven showed me this man in a dream and had made me see that he was a spy. He also showed me that He would send two destroying angels to take this man to the pits of hell one day; and from the dream, I saw that his death would appear in the papers.

I knew that this man was there to destroy these works and I was so very angry with him. I told Dirk and his wife about this man and I also told our Father that if His Spirit moved on me to do so when I spoke that Sabbath in the church, that I would confront this man; and the next Sabbath, this man turned to look at me as I walked into the church; and I felt the promptings of the Spirit of God. I knew that fur would fly that day and in front of the whole church, I confronted this man about the evil that he was doing, that he was a communist spy, etc. Dirk would throw him out of the church, but within days, this man's couriers would be back, either with deals or threats for Dirk Van Vuuren, or both, but things would rapidly change on the farm within one week. And, within one week of my confronting this man, Dirk, His wife and a few others, had had enough of our Father's work and had had enough of me! I never saw such a radical change in a group of people!

Dirk Van Vuuren changed as fast as a bolt of lightening, even though, He told me to my face about three days before I left that he could find nothing wrong with my work and had told others the same thing! But, suddenly there was hell to pay on this farm. One woman sent a dream about a plane exploding over the farm and turning into a bus, which landed on the farm, and this bus had South African colors on it. Another man dreamed of a box with blue hammers in it, like those, which are used by the judges in South Africa; and these blue hammers were taken from the box and given to various people. These things did come to pass as the South African Government did hit this farm with a bang and within days, some, who were just spiritual babies were telling me that they were going to judge these works and judge they all did!

As I look back on all that happened, I can see how Satan came in and so artfully destroyed what our Father had for South Africa, but it would not have been so if they had done as our Father in Heaven asked. Still, one must ask what kind of deal did Dirk cut with the South African Government to profit, or to save his own hide? It is quite obvious that there was a deal! It is rumoured that he suddenly wound up with three homeless shelter, when he complained of not having enough money to buy food for the people on the farm!

Yes, Dirk Van Vuuren, his wife, and others would rise up in revolt against these works and Dirk's wife would accuse me openly of stealing her husband! This, she did in the church in the last prayer session that I ever attended there. Now, this is really laughable as they both slept together at night and I seldom spent time alone with this man. I stayed busy most of the time, and when I was not busy, I was exhausted. But, when I confronted her about it, she changed her tune and said the he was a changed man and that I had done it to him. Obviously, she was indicating that he was changed in a way that she did not like! The venom that came out of that woman that morning was unreal and there were others, who lashed out at me at the same time! I looked around at them all and I remembered things that I had told them all when they came confess their sins and to repent! One of the boldest accusers that morning was a man, whom I had counselled against pride! Another one also had some gross sins, which he was really struggling with!

Before the day was over, I was hearing bold-faced lies, which were being directed at me from certain ones on that farm! I mean, absolute lies! So, there was now unbelievable backbiting, judging the spreading of vicious lies! All that our Saviour had warned them to repent of, came back in full force; and on the 40th day after the cleansing began, I left this man's farm and his church. All of the work to help these people become the diamond in our Saviour's hand was for naught! Word later came to me that

 From The Mountain Prophecies Copyright 2004

the very night that I left this man's farm, they all gathered and pitched a big drunk and one man, one of the big judges of me, was knee-walking drunk!

There is more to this story, and I will be expounding on these things later in the book, which I am writing, but what is important to know is that Satan got into this group, stirred it up, divided it and separated it. I left this group as they became foul and venomous, but now I know that they did not do this all by themselves. Many of them were taken night after night and they were mind controlled and this was later verified by a young prophet, who fled with me along with his wife and son.

He remembered what was done to him and he remembered seeing those from this farm, from this church, up in the saucer and they were hooked to devices, which were monitoring their minds and hearts. A very excellent seer and visionary, he lost his prophetic dreams after this and seldom had visions after they took him.

I know now that this is because they probably implanted tiny chips all around his eyes and at other locations so that they would disturb his REM sleep (dream sleep). They rammed a screw of spirit in his heart and caused him great pain; and from this one abduction, He lost the Spirit of God. On his head, were concentric, black rings of energy, from where they had mind controlled him. This young man was in a terrible state and if our Father in Heaven had not shown me what they had done to him, he would most likely still be in a mess today. But, our Father in Heaven did show me; and the Spirit of God backed this screw out of his heart, and a finger of light went into this hole in his heart and healed him immediately. The sore place on his back, where they had rammed this spiritual screw in his back, was healed; and our Saviour came and ministered to him that day. He was once more filled with the Spirit of God and was made whole by this very Spirit, but this event would change this man! Those of us in that prayer group that day were all amazed and deeply humbled by what we saw and heard!

Now, Dear Ones, since that time, I have become all the more aware of the kinds of things that these other worldly creatures and those in this very government are doing to enslave people, to destroy the prophets, the seers and the light bearers, and to stop the coming of the Kingdom of our Saviour. These evil ones have gone after those, who have helped with these works; and they have caused many of them to turn on me and these works. I have been able to reach some of them through prayer and to remove some of the mind control, but when the heart is not right, these evil ones can go back and put in on again, and it will stick.

Dirk Van Vuuren and his group turned against me and this work with unbelievable venom. He ordered me to leave South Africa and then devised a scheme to defraud me of a camper, which I bought from Madelene's husband. I would give this camper back to Dirk, knowing well that this was fraud and that he was stealing it, but I let it go as I no longer wanted any dealings with them. Unfortunately, Madelene's husband, who sold me the camper and received my money for it, would die a terrible death on Dirk's farm only a few weeks after they took this camper! I left money in Dirk's office, but he refused to give any of it back, claiming that I did not have any there.

In spite of the fact that Dirk had told me about three days before I left the farm that he could find no fault with my work, he now saw huge numbers of faults. In fact, he conjured up faults, printed bold-faced lies, and spread vicious rumors about me to the whole world! He joined forces with my estranged husband, Dennis, to make the whole world believe that I was insane! This was a great Satanic ploy to discredit me, as the Bushes and their evil Satanic counterparts, who had raped and sodomized me on the morning of May 23, 2004, wanted me discredited and out of the way.

Oh, they had lots of reasons to make me out as insane and they elevated their fight to the hilt! Where there was no fault, Dirk Van Vuuren manufactured bold-faced lies and he scattered them far and wide. He took over a copy of prophecies.org website in South Africa and smeared my name on it, calling me a false prophetess. When I told him to take it down, he refused, thereby stealing copyrighted material and slandering my name all over the world! I had to threaten him with a $20,000,000 libel and slander lawsuit and with theft of property before he would take it down! I still may sue this man for what he has done to me and to these works, as he has done many criminal things!

He called certain prophetic messages lies, which he could not have even fully understood, as I did not; and there is no way to understand these prophecies unless the Spirit of God gives the interpretation. Many of them are in symbols and cannot be seen as black and white! What appears to be a certain translation of a prophetic word from our Father in Heaven may be absolutely incorrect and I have shown that this is true over the years in these conversations with my Father and Saviour.

Yet, Dirk Van Vuuren and his people suddenly fully understood all of these prophetic works, and they worked feverishly to smear these works. Dirk Van Vuuren then contacted my known enemies in the states, those who had been involved in Satanism in America; and together they all worked very hard to smear and destroy these works. Dirk Van Vuuren said that there would never be another person in South Africa, who would follow these works and that he would make sure of that.

My Father gave me a dream and in this dream, He showed me that Dirk and two other men had not only been mind controlled to do what they did, but had been paid also. Rumors began to float in that Dirk Van Vuuren had suddenly wound up with three homeless shelters and we can only imagine how he came by them, if in fact he did, when he had trouble paying for food, or so he claimed!

Dirk would convince Madelene Strampe that she was the Mother of Revelation 12 and she would go back to the farm and to his church to be this mother. Madelene would write me a letter telling me such bold-faced lies, among them that she had been a prophetess of God for sixteen years! Yet, she had written me only about three months prior with messages that she was receiving in the Spirit, wondering if our Father in Heaven were speaking to her, or who it was! I told her then that these messages were definitely coming from our Father in Heaven.

My husband Dennis would shut me out of the website at prophecies.org, telling all, who would listen that I am insane, and he refused to give me the password for this website, so I could not post on it for seven months. It was not until I came back to the States that I would find a way to get the prophecy site back that I worked so hard to publish on for the last seven years.

All the while, Dennis was living the high life and spending plenty of time with his ex-wife, with whom he has been involved in an adulterous relationship with for many months now. In addition to this, he spends his time in the roads cultivating his other life in Little Rock as she has been living in Missouri. Dennis would waste no time in sending me quickie divorce papers from Guam demanding everything that we had ever acquired since our marriage and this also meant the prophecies and the website. When this did not work, he went out and bought the best divorce lawyer that his money could buy, spending $5,000.00 just for a retainer. He shut off my only potential source of income from any of you for this period as he plied all of you, who would listen, with his lies.

A precious family in South Africa took me, the young prophet, his wife and child in and were very good to us. I will always be grateful for this family, whom our Father in Heaven loves very much. They, too have had their own problems, but with the help of our Lord and God have made it through their own tests and trials and have really grown spiritually. They all watched as well as the saucers hovered over their house night after night, often landing on the roof; and most if not all of them were also abducted. But, with the help of our Lord and God, they have come out of it all, and they are much stronger spiritually now because of all that they have been through.

A most interesting thing about this family and a friend of theirs is that they had been preparing for and awaiting Revelation 12 for over 20 years. During this time, many prophetic words had come forth to them as a group, indicating that they would have a very important part in Revelation 12; and they did, and do!

From South Africa, my friend, Antonietta and I would go to Sweden and the great harassment would continue there. Night after night there were many saucers in the sky and the streets were full of intelligence agents, US, English and Swedish. I was sent to give a prophecy to the King of Sweden, a beautiful prophecy of love, protection and provision of our Father in Heaven, but he rejected it.

Instead, he and the Bushes and Queen decided to put a voodoo worker across from our apartment in Stockholm, where we were staying with a dear elderly man, named Erik, and this voodoo man would send his voodoo spirits and curses upon us and he even appeared as a cat in my room. But, I do not believe that this voodoo man's spirit made it back to his body, and that they had to literally remove his half naked body from the window the next day! And, I believe that this is why they set fire to the apartment building in which we were staying in Stockholm. We fled the fire in the darkness and snow, but our Father also kept us from the killers that they put in the streets. Antonietta had such a good eye in spotting the government stalkers and killers!

And, this is another long story, but you have read enough of it by now to know something of the persecution in Sweden. Antoinetta and I applied for asylum in Sweden, but were immediately denied and I went back to South Africa, while they made her go back to Ethiopia, as this is her country of birth. From there, Antonietta went to England, where I suppose she is today.

They took Antoinetta many times in the saucers and I prayed for our Father in Heaven to remove much from Antoinetta! I saw the black, concentric rings of mind control on her head and I prayed for her release and healing. This would seem to work for a time and then I would see strange behavior from her. What disturbed me the most about Antonietta was her lying; and our Father warned her that He would separate her out of these works if she did not repent and walk a very straight way.

I am not angry with Antoinetta as I know that she was married to an alcoholic for 23 years, only separated from him just before we went to Sweden, and I know that she has developed some ways of behaving, which are not right. There are very excellent support groups for families of alcoholics and they really do help family members to shed negative ways of behaving, which they have learned because of

an alcoholic or drug addicted spouse. But, even so, Antonietta went her own way and once she got in England, I only heard from her two or three times.

So, Antoinetta was separated out, along with so many others but they were all warned in advance of the Holy Work that our Father had for them and that if they would not repent and walk the Straight Way, that He would send the dividing sword and would separate them out and scatter them!

Every time that our Father in Heaven told me that He was about to send His dividing sword if a certain thing did not change, He did, in fact send His dividing sword and by now, I have seen it fall over and over!

I came back to the States with nowhere to stay, so I had to come back to this land to stay and unfortunately Dennis was staying here. I did not stay in the house, but the motorhome, yet still I had to get in and out of the house to get water and to take a bath, so it was inevitable that I would have run-ins with Dennis. I did not know this man when I got back. He was so quick to tell the biggest lies, to any and all, who would listen. The house was full of demons and two tall ones were going in and out of the house. He had stack of violent movies and stacks of New Age books. I had such sorrow in my soul about so many things, and I had to deal with his arrogance from day to day. I had only a little money and had to scrape together what I could to get a lawyer to fight Dennis as he was determined to get everything that we had ever acquired, even the website and the prophecy books. My friends and family in South Africa had helped me to get a start and a few of you filled in the gap so that I could get a lawyer and move to get these works back from Him.

This has been a very brief part of what happened in South Africa, in Sweden, and now in the USA! I would have never believed that I would go through so much persecution and hate, but it has all been for a far greater reason than you and I can now understand! It is Revelation Chapter 12 and the Coming of the Kingdom of our Saviour and I, for one, am the most grateful woman in the whole world, that He chose me as the one to carry the keys to the coming of His Kingdom.

But, my Dear Ones, it has been a very difficult and painful journey, one bathed in many tears and great sorrows. It is a great shame that the people of South Africa, who were given such a great and beautiful gift, threw it all away and trampled it into the ground. I am sorry for them, as they have believed the lies of Dirk Van Vuuren and his satanic, government allies and those, who were also mind controlled to do and believe as they did. I do hope that they wake up to the truth of what they have done and repent and make amends to our Lord and God!

Many people shun me and these works! They are afraid to be associated with me because of what has happened to many, who follow these works. But, is this not written in Revelation 12, that the advent of Revelation 12 will make Satan very angry with the woman! Then, He will come after her seed, the righteous ones? Is this not the word; and am I not living the truth of this word?

Being the Woman of Revelation 12 is not important to me. I have not sought this and could never come up with such a thing in my wildest of imaginings. In fact, I cannot imagine any woman, who would really go out and apply for this job. But, this is work that my Lord and God has chosen for me, not the reverse.

Many will never believe that Revelation 12 has already happened, but this does not bother me either, as I am not trying to convince any of you. It really makes no difference to me who believes, or even knows. But, I can assure you that our Saviour knows! Our Father in Heaven knows. Satan surely knows and the rest of the world will find out if it is meant to.

This has been my own trail of tears, heartache and sorrow, but this birthing could have only come about through great travail. There could have been no other way, and so from day to day, I just wait upon my Saviour and grow closer and closer to Him, thankful, ever so thankful, that He has chosen me, a nobody in this dark world, to carry the keys to His Kingdom, if for only a very short while.

The Kingdom of God is in our midst!

# CHAPTER TWO

## REVELATION TWELVE AND THE COMING OF THE KINGDOM OF OUR SAVIOUR ON EARTH!

### "Satan is Cast Down!"

"My Little One, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. Blessed are you, My Little One; for I have called you and I have chosen you for a very important work. And, though your trials have been great and continue to be great, you are faithful, My Little One! For, you know well and you truly understand My great love for you, and that I am always with you! Yes, My Child, I am always with you, even to the end; for I love you so!

And, now, My Little One, come terrible times into the Earth, as never in the history of the Earth; for Satan is fully cast down from the Upper Realms, he and all of his minions. He cannot get out and grows angrier by the day, angry at you, My Little One; for I have sent you on many occasions to shut down the interdimensional portals and gateways; for you have truly paid the price!

But, now, My Little One, he is very angry with you, and Satan, Lucifer, the devil, himself, comes to make war with you! His dedicated and robotoid children and slaves come to make war with you for the same reasons; for their conquests and travels have been extensive in this solar system and even outside of it. But, now they are all trapped in this Earth and unable to leave, and only because of the work, which I have called you to do; and you have well done as I have asked you and guided you to do!

Yet, now, My Little One, you are in a true face-off with Lucifer, himself, and surrounded by and stalked by his own in their "saucer" aerial crafts! For, Lucifer, the Prince of the Air, is now visible regularly in the airspace over Arkansas, and even other parts on a nearly daily basis. But, he has determined to cripple you, to tire you and defeat you through his many hourly and daily assaults to the point that you give up and he is thereby the victor over My Son and His Kingdom. For, you are the spiritual mother of Revelation 12 and he knows this and has known it for a very long time. But, at the same time, he has thought to be able to control you as I, myself, allowed him to make you a slave for him in the time portals and interdimensional passages. But, he, in his pride and arrogance, was utterly ignorant of the fact that I would indeed use you after the 50 years of slavery to shut him totally out of these very portals! For, you,

My Little One, know these portals very well. You have travelled all of their known portals, and many, many others; for I esteem you greatly in My Kingdom and I have allowed you this privilege for a very long time. Truly, My Child, I can say and this should be without so much as a single doubt in your mind, that you were indeed their best time traveller, ever, so much that they took some of your eggs and created offspring of you, whom they have also enslaved in their time portals! But, not any more; as I have sent you recently to shut all remaining, potential exits of escape; so they now have no escape; but Lucifer believes that somehow he can still extract from your memories, or from your dreams the manners in which these portals were closed, thereby causing you to open them again. But, he cannot, as this information is forever gone and this process, when done, is complete. And, this is my truth!

But, from day to day, he gets angrier and more desperate in his bid to escape this Earth and you, My Beloved Child, are now standing face to face against Lucifer as he parks his aerial craft over your area, as he is there to spy on you, to harass you, and to plot your torture and demise from day to day. Yes, My Little One, the Prince of the Air is in the skies over Arkansas and who is the wiser? For, even you, My Child, have been watching him for over six weeks, without knowing for sure who, or what this is in the sky! Yes, a white light radiance, hovering in the Arkansas skies, a fallen star, indeed; but no morning star for sure, but a star of the evening, a star of the night, as he frets out his last few years, even on the surface of the Earth. For, the burning pits await him and his, and he knows it!

Now, My Little One, you know that I gave you a new sceptre and a new sword, with a brilliance, unlike anything that you have ever possessed; and I told you also, My Child, that I will now empower you and will cause you to ride Lucifer's back and to beat him, My Child! Yes, to whip him severely! And, now is the time! For he has taken the liberty to implant you with terrible implant devices, even deep in your tissues and to send burning pains into your body, into your arms, hands, head, feet, legs and especially your knees. And he thinks to get away with all, believing that you are powerless to do a thing, but once again he has underestimated Me; for as always he is full of mocking, pride and arrogance! But, he will soon find out that My wrath and ire are raised against him and his for total defeat and he surely knows that I will fight for My own and in ways that he often does not expect!

So, My Child, this is what I will now do as Lucifer has done to you as he has; thinking himself justified as you closed the portals! But, he is not justified to touch you at all; for this, as he enslaved you for 50 years and you, My Child, are fully justified! And, to0, because he has done as he has without any cause whatsoever, I now give you My power to retaliate against him for this torture. Take My fiery sword and cut off Lucifer's lower legs, who are in truth two of his most important "gophers", as you would say, in this Earth. ("Gopher", Go for this and go for that!) For, what he tells them to do, they do, and with

 From The Mountain Prophecies Copyright 2005

lightening-like speed; for they are greatly evil and utterly despised the world over! But, they have long ago sold their souls to Lucifer and he gives them more and more power, prestige and money to do this great evils! And, these two, My Little One, hate you with a great hate, and have done many terrible things to you, torturing you and stalking you up and down the world. But, now I empower you to cut off these two lower legs at the knees."

"Yes, my Father, I take this great and fiery sword, and I cut off these two lower legs at the knees; and as they fall, my Father, it is most interesting to see that they are both hollow and full of darkness! And, oh what a stench, like the death and dying of thousands of pounds of "road kill" in each one! Now, Father, what shall I do with them?"

"Pick them up, one at a time, and throw them into the Lake of Fire."

"Yes, my Father. So, I take first the right leg, and it is a little longer than the left, and I move to the now-open orifice of the burning lake and I toss it into the fiery lake! And, what a loud explosion this makes, with great crackling of the fire as well, and thereafter also a great howling! And, after this one, I pick up the other lower leg and this one smells by far worse than the other one; and I lift it now to throw it into the Lake of Fire! But, as I lift this lower leg to toss it into this roaring fire, a small amount of putrid, black liquid falls down at my feet. But, I do not hesitate, in spite of this, and I toss this hollow, rotten leg into the lake of fire! However, at my feet is this small amount of putrid, black liquid and I do not know what I am to do with this. I look to make sure that none of it got on me, and I can see that not one drop of it touched me. Praises to our Blessed Father in Heaven! "My Father, what should I do with this?"

But, before our Father in Heaven could even answer my question, from behind me comes now Lucifer, the two horned-devil; and he goes quickly down on his knees, and down onto the floor with lightening-like speed. And, there he hurriedly slurps up the black and putrid liquid and there is not one drop left! His tongue truly is split and I stare in amazement at what I am beholding! Now, up on his feet, Lucifer stands and stares at me, a wild beast of a lizard! Then, he turns into a black-haired man, with olive skin and black eyes, which sparkle! But, even in his white suit, his tail still protrudes from behind! He really looks almost identical to Benny Henn, so much so that I am shocked! Then, back to the lizard again, as he turns and leaps off! "Oh, my Father, what was that about?"

"My Child, it was about power! He does not want one drop of his power spilled, even in death! And, as this fell at your feet, he felt that you would somehow dispose of this bit of power; and he could not allow that!"

“And, this ‘The Benny Henn’ look?”

“Just know one thing, my Child. With his white suit and lying signs and wonders, Benny Henn has served him well! Watch ‘Benny Henn,’ for you have indeed witnessed something important!”

“And, Benny Henn is of Muslim descent?”

“And so it is, My Little One. Go in My peace and love and know that the whole world will soon see the demise of these two most important lower legs. I am your Father in Heaven, yea Yahweh, Most High God!”

# CHAPTER THREE

## "Three Beautiful Visions!"

"My Blessed Child, I am your Father in Heaven, yea Yahweh, Most High God! My Little One, within less than one week, I have given you three beautiful visions and these three beautiful visions all have to do with the soon return of My Son for the firstfruits, for the virgins, for His Beautiful Bride! And, I wish, My Child, that you write these visions, as well as you remember them, and the times of these visions, as well as you remember the specific dates, so that all of My People will have this information! For, truly the time of the redemption of these few draws nigh, and I therefore wish for you to publish all; for I am true to My word, that I will soon send My Son back for these Pure Ones. And, shortly thereafter, as you have seen in visions, I will send Him back for a few others, who are white. And, thereafter, until the return of My Son in the final defeat of Lucifer, I will also take a few, now and then, whose robes are then white, and these will be taken also as I so desire it, and as I direct it. For, I am a merciful God, one of great love and mercy, and no one knows what I will do!

And, give this vision both to the few, and to the many, who visit the website, that all may know that this time is at hand. And, by now the firstfruits have heard the call, but few others have heard it. However, there are a few others and these I speak to now! For, they have also heard the call, and they have lived worthy! So, write these visions on this, My Sabbath Day, and prepare to give these to these few and put them in Book Twelve on the website, for these are very important visions!"

"Yes, my Father, I will do this, and soon also, so that all have these visions! Does it matter whether I put these visions on the website first, or whether they go first to the few?"

"My Little One, it will be best to move forward and put these on the website as soon as possible. I bless you in this, My Child; for I love you greatly.

I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God."

## First Beautiful Vision: "The Ship is in the Harbor!"

## November 21, 2005

Tonight, I was praying with a dear friend over the telephone, when after a while of praying in "tongues," I came the feet of our Saviour. It is ALWAYS such a beautiful blessing to be in His presence; and after our Saviour blessed me and my friend with spiritual blessings and anointings, I asked Him if He had a message for us! I did not know that my dear friend was also praying for revelation at the same time that I was praying!

Then, our Saviour said to me, "As I have told you! Love one another and forgive one another!" And, then, so very unexpectedly He showed me a white ship, which was parked in the harbor at night! This was a radiantly beautiful white ship, which glowed with a beautiful, white light. And, on the side of the ship were the words, "Wedding Feast."

Outside, beyond the ship, all was very dark! There were no streetlights! No car lights! No lights, not even in any houses! I saw no lights other than the beautiful and radiant light of this most magnificent ship! But, in the darkness, I could see a line of people, which was beginning to form in front of this ship, a short line now, but still a line and as they milled around, I could catch the shimmering whites of their robes as they expectedly awaited the boarding of this most beautiful ship!
Then, I looked down from above, as I was carried up now by the Spirit of God, and I could well see others, who were making their way quietly, yet quickly to this waiting ship! And, as they hurried in the streets and byways below, I could also catch a radiance, which emanated from their robes, even in the darkness! Yes, they were all in a hurry now to make it to this ship and to get in this line, which was now forming! But, no one was boarding yet, as there was no way to board the ship! But, the line was indeed forming, and the people were indeed rushing to get into this line! But, they came alone, and not in great numbers, all others unaware of this most important event, which was truly taking place in the darkness of the night!

 From The Mountain Prophecies Copyright 2005

Then, our Saviour said to me, “The call has gone out. The call has gone out; and if people have not heard it, if they have not made themselves ready, if they have not made themselves clean, they will soon miss the boat!”

### Second Beautiful Vision: “The Radiant Bridge!”

### November 23, 2005

When I received this vision, I was again praying with a dear friend over the telephone. In this vision, I saw many souls, who were dressed in white, and who were gathered on the other side of a dark abyss, all expectedly awaiting the time when those, who were on this side of the abyss, might also cross over. For on this side of the abyss, were also many souls, all gathered in anticipation of the time when they could cross over this abyss and meet these other clean and white souls! But, at this moment, there was no way for those on this side to cross over! However, as I looked in the Spirit, I saw forming in the Spirit a beautiful, white and radiant bridge. This bridge was now only made of Spirit, but I knew that soon, very soon, this bridge would materialize and the souls on this side would be able to cross over and meet these other beautiful souls on the other side! Praises to our Father in Heaven; for this time gets very near!

### Third Beautiful Vision: “Angels Building the Radiant Bridge”

### November 25, 2005

On the night of the 25th day of November of 2005, as I was praying once again with a dear friend over the telephone, I saw in another vision, these dear souls, many on this side, and many on the other side of the great abyss. I saw that many of these beautiful souls, who were dressed in radiant white, on the other side of this great abyss, were now assembled into beautiful, heavenly choirs and all around them beautifully radiant gardens. And between these souls and those on this side now appeared a beautifully ornate and radiant bridge, spanning the width of the abyss. And, the angels were busy assembling it according to divine blueprints. This radiant and beautiful bridge made a great archway as it moved up high above the abyss and connected to the other side. The foundation of the bridge was completed and what was left was the remaining assembly and the bridge; and from all appearances this would soon be complete.

These beautiful souls on this side, who were arrayed in the most beautiful of white robes, stood now in double file as they awaited the time of the great crossing over. All of them had in their hands a spiritual

book and all awaited quietly and reverently as this magnificent bridge was nearing completion. I watched as this great double line of radiantly white souls wound its way up and down hills, all of these souls quietly and eagerly awaiting the completion of this most beautiful bridge!

It was some minutes later, after having received this vision, that I so plainly recalled how the animals boarded the Ark, and into safety! Two by two, they went into the ark. Blessed is the Holy Name of our Father Yahweh, for His word is True and Pure! And, blessed is His Most Precious Son, our Dear Saviour, for He is coming back and soon for the virgins!

Look up, my Dear Ones, for your redemption surely draws nigh!

## CHAPTER FOUR

## "The Harvest of the First Fruits"

My Dear Brothers and Sisters, I send you my heartfelt love on this beautiful, but cold day in December as the very first snow heads this way, with subsequent temperatures predicted to be in the teens and single digits. Truly, the words of our Lord and God about a very cold and harsh winter are coming true right before our very eyes!

My Dear Ones, you need to know about the on-going stream of visions, which our Lord and God is giving me about the soon, very soon harvest of the pure souls! Not only has He given me almost daily visions about this imminent harvest almost daily for the last two weeks, but He has also given me a very prophetic dream! In this dream, He showed me that Satan is fully cast down now! In this ream, He also showed me the return of our Saviour in the East and alongside Him was a full moon. I do not know for sure the meaning of this full moon, but our Lord and God knows. However, as I saw in this dream, the return of our Saviour is veiled! It is hidden! It is cloaked; and very few will witness it or know about it at all. These clean souls, who are taken, will just simply vanish, some as they work alongside others!

The harvest of these clean souls, the harvest of the first fruits, signals the beginning of the last three and one half years. Simultaneous with this harvest, I also expect to see something very terrible happen in this Earth, whether calamities in the Earth, or military attacks, or both.

This first harvest is just that, the first harvest. Read our Father in Heaven's previous words in Book Twelve about this on-going harvest of the pure souls. He tells us that He will take others according to His good pleasure!

Dear Ones, times are about to get very bad in America and in the whole world. Live not for this world, but for your great and beautiful inheritance in the most beautiful world to come! Love others and forgive them for everything! As you do this, you will walk in such freedom!

Get ready, my Dear Ones, and stay ready; for you truly do not know when our Lord and God comes for you!

I send love and big, big hugs to each you!

Jesus is our Most Beautiful Way home,
Your Sis, Linda

# CHAPTER FIVE

## "The Farewell Race"

My Precious Brothers and Sisters, I am sharing with you a most beautiful dream, which our Father in Heaven gave to our Dear Brother in Sweden. He is now a very youthful 71 years of age and one might not know on meeting him that he was once a champion marathon runner! He was a championship marathon runner for Sweden, and he has won other marathon races as well. He is very tall and has the long legs of a marathon runner and he still jogs, even at his age. So, it is most fitting that our Father in Heaven would give him this beautiful dream; and I have asked his permission to share it with you, as this dream also involves you!

In this dream, he dreamt that he was running his last marathon race, a farewell race. At half time, he was one and one half minutes ahead of the others, but he thought that he was ahead only by a few seconds.

There was a break at halftime, which would not occur in a marathon race in the real world, but this dream was not of this world! At this break, which seemed to him to be about fifteen minutes, he told of how he spent time with the others, as they laughed and enjoyed themselves. As it was time to resume the marathon and to finish the race, he joked to them that he would be three minutes in the lead, after only two kilometres, which he was quick to tell me, would never happen in real life. But, as I said, this was not a real life dream, but a heavenly dream; and these things can be done in heavenly dreams.

He said that they all got back into the race after half time, that they all finished the race and that no one was tired at all! Blessed is the Holy Name of our Lord and God.

### What this dream means for each of us!

My Dear Ones, it is now around half time, the middle point of the seven years of tribulation. And, soon, very soon, the marathon runners, the 144,000, the supernatural army, which is mentioned in Joel Chapter Two, will be removed from the Earth! These are the firstfruits. These first souls, who are to be removed very soon, will get a rest for one and one half years and then they will get back into the race. But, this rest to them will seem like about only fifteen minutes, as there is no time in heaven as there is time in this earth.

It is also important to note that this marathon runner is ahead of the rest by one and one half years! This tells us that after one and one half years, or so, there will be others, who are also taken. And, this is as our Father has told us in recent revelations in Book Twelve, that within this last three and one half years, that He will take others, according to His good pleasure! And, from this, we can see that His harvest will be on-going, according to His own wishes! So, this 1 ½ unit is important for two reasons. First, for the length of the rest in Heaven for these firstfruits, which is for one and one half years, and then for the timing of the removal of more souls! But, more may also be removed well before this, if this is the good wishes of our Father in Heaven, for we are speaking of an on-going harvest!

His joke is not really a joke, but an important indicator of how much time is really left when these 144,000 are put back into the race. After their rest of one and one half years, they will be sent from heaven via the interdimensional portals, back into the Earth; and they will fight on behalf of the people. They will run and not get tired and this is from the Book of Joel, Chapter Two.

Through his words in his joking manner, He is telling us that there are two years left in the race (two kilometres)! This from his words of being able to run two kilometres in only three minutes! The three minutes tell us that the three and one half years may very well be shortened to three years!

So, the remaining three and one half years of the tribulation may actually be shortened to three years. For, he says that after two kilometres, the two remaining years, that he may actually finish it in three minutes. In other words, this race may not be for a total of 3 ½ years, but only three!

So, after one and one half years of being out of the earth, this supernatural army will come back into the Earth to fight on behalf of those, who are left! And, they shall be greatly needed as Lucifer will bring forth his robotoid soldiers and they will heartlessly kill and destroy!

My Dear Ones, take note of this beautiful dream and remember these words as people will be in great need of this Supernatural Army when it does come! And, many will wish to give up as the persecution will be so great! But, our Lord and God will not leave you without His Help. You must pray and walk in repentance, love and forgiveness; for all will be tried and tested as to their faith!

## The Laser beam attacks!

Because of what I wrote in Book Eleven regarding the evil ones, they persecuted me greatly, firing many, many laser beams into this house and into my body. They also burned my legs and other parts of my

body, including my chest and lungs with microwave weapons! Most of these lasers and microwaves were sent into this house via the orange and multicoloured aerial craft, which never leave this area! These assuredly belong to Satan, himself; for as I have told you, he has been cast down totally. But, George Bush also sent high-flying jets over this house for most of a day and well into the morning hours of the next day and they fired laser beams through the roof of the house! My Dear Ones, these beams are very dangerous and they can kill and/or wound one severely!

I filed a complaint with Faulkner County Sheriff's department, about these high-flying jets firing these lasers into this house, but they did not want to take this complaint. I had to go through about five officers, and this process took all day, before any of them would even take a complaint about this torture.

During this assault, I put tin foil over some of the windows! As the lasers passed through the tin foil, they made small holes in the foil. These lasers burned my body like the sting of a jellyfish and they caused great pain! They also burned my legs to the bone and this also caused great pain. But, the most beautiful news, my Dear Ones, is that our Lord and God healed me of every pain. He healed me of every burned place and of every laser wound, and some of them went all the way through my knees. These evil ones hit me in both eyes with lasers, but our Father in Heaven totally healed my eyes.

My Dear Ones, as I have told you, Satan has been totally cast down! And, it will not be long before he brings his antigravity machines up out of the earth and he will use them to terrorize the people with laser attacks. You will have no defense against these beams, as they can go right through walls. They can go right through the roofs. They can go right through the windows. Your only hope comes through our Lord and God. He is able to heal you, but he may allow you to go through this great torture, just as He allowed me to go through it all. He is able to heal all of these terrible burns and wounds; however, you must walk in obedience. You must walk in faith and you must love Him above all! You must truly honor Him! You must put Him first and then He is bound to you!

Revelation 9:10-11 And, they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months. And, they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.

## Get Geared up to Finish the Race!

My Dear Ones, you must get geared up to finish this beautiful farewell race! You must live only for our Lord and God! And, when you do, He is bound to you; and He will hear your cries! He will heal you and

He will bless you in ways that you cannot now expect; for He loves you so! And, true to His word, He is now sending His Son back for all, who truly do love and honor Him and His Precious Son. The time is very soon, my Dear Ones!

I send you big hugs and lots of love! Jesus loves you and I do too!

# CHAPTER SIX

## "Satan's New World Order"

My Dear Ones, you should be well aware by now that the whole world is rushing headlong into a very dark and evil abyss and that the freedoms, which we once cherished, are no longer existent! These freedoms have not come easily to begin with; but in this nation, for sure, we have long lost touch with this most important lesson! Yes, indeed, freedoms of this nation have been won at a great price but have been lost easily through corruption all over the nation. When we whine about the great loss of this nation, we cannot blame only those in Washington that this country has fallen, we must look to ourselves and ask ourselves why we chose rebellion over righteousness and why we refused to live according to the righteous dictates of our Father in Heaven!

Dear Ones, this nation is gone! It is a rotten and corrupt nation, which has fallen into a police state; and this will not be changed! Look around you; for you are seeing the final remains of liberty as they are flushed into a hole of great suffering and despair.

Some years back, I warned you of the persecution at that time, which was being directed toward those, who dared to expose the truth of what was going on in this evil government! I warned you at that time to do your part in helping to save this nation and to help those, who dared to risk their lives and indeed all that they had, to expose the great corruption in this government and to tell the truth about what is going on! I warned you that there were great assaults, which were being directed at the truthbearers and the lightbearers and that you must get behind them, or all would be lost. And, I warned you that there would come a day when these sorts would not be found! And, here we are now, my Dear Brothers and Sisters, nearly at the end of the rope of this nation, as we know it to be! Many of the truthbearers and the lightbearers are already dead! Large numbers of scientists have been conveniently murdered! Many have been persecuted and tortured out of existence! Many have been slandered and attacked so ferociously that they have given up. And, so it goes, my Dear Ones! The price has been great for those, who have dared to stand up and to fight for this nation amidst such great persecution, harassment and torture!

I am one of those, who is still around only because of the great grace and love of our Lord and God and to Him is all of the praise and glory; for I should have been dead many years ago. Very few would or

could believe what I have had to endure, but those, who have lived around me have seen, with the exception of my ex husband, Dennis! But, he did not choose to see, as he had plans for his own life, which did not include me. So, there was a method to his great denial. But, my friends in South Africa and Sweden and those, who have visited me at my home in the States, have surely seen enough to know that bizarre things are going on around me in the skies! And, they have surely witnessed that I am a continual subject of US government torture and persecution. Some have seen the burn marks from the microwave weapons and the cuts from the unlawful surgeries, which these surgeons from hell have done here and there, all over my body! For, surely seeing is for most also believing!

## Microwave and Laser Torture!

My Dear Ones, no one is prepared for this kind of torture! These lasers will go right through metal! They will go through roofs of houses! They will go through walls! They will go through windows! And, these microwave weapons will go right through metal. They will also go through windows and walls! Do not even think of putting tin foil over your windows and thereby escaping the torture of these beams! It does not work!! These weapons go right through metal and they go right through ones' body! These beams burn all of the body parts, which they come in contact with and they cause great pain! It is the same with the lasers. Attacks via laser weapons can make one blind. These weapons can pierce your internal organs and they can kill you. These evil ones can torture one to death and literally burn one up from the inside out and leave no apparent evidence!

And, what is the victim to do? Call the sheriff's department, or the police department? Many of them are now in possession of these same weapons; and they are using them on the unsuspecting!
My Dear Ones, do not be so naïve as to think that these weapons are only fired at one's house via a passing vehicle. The method through which they have attacked me continually is via aerial craft! Yes, indeed, the US government has aerial craft, which look like saucers! Some of them are triangular shaped, but not all, and these evil and corrupt Satanists are out to keep the people in the dark for as long as possible! And, until now, they have been greatly successful in hiding, what is overhead and in plain view for all, who dare to look up!

Even when the sky is literally "crawling" with these low-level blinking "stars", people still do not look up and take note! So, whose fault is this? Is it the fault of the one, who reports the presence of these bizarre things in the sky? Believe me! Even at this late hour, too many are ridiculing those, who dare to speak the truth of these aerial vehicles. I warn you, my Dear Ones, that in the very near future, many of you will be in on the receiving end of these kinds of torture, the microwaving and the laser attacks! That

is, if you live long enough! And, do not be so smug as to believe that this will not happen to you, if you are quiet enough, or do not make any waves. For, the Germans believed the same kinds of nonsense in the cruel face of Hitler! Read on! At the end of this chapter, I will tell you what will soon happen to those in the whole earth; and it is straight out of the Book of Revelation!

## The Burning!

A number of times, these hounds from hell have burned me to the bone with these weapons and I have cried out to my Father in Heaven to let me go home! But, He has kept me here for His own reasons! And, over and over again, He has healed me of these most horrendous of burns and internal pains, which these laser and microwave attacks have caused! My Dear Ones, not only through the use of these weapons have they tortured me, but also through the huge numbers of implants, which they have put in me, all to try to control me and to make me do their will! But, over and over my Father in Heaven has sent an angel, who has helped me remove literally dozens of these implants! Over and over, I have seen these implants fly past my body as the angel removed them! But, this has not been totally without my involvement, as I have had to help the angel remove them. And, in so doing, I have needed to participate in these surgeries to help the angel get them out. So, this has necessitated my being in the Spirit, sometimes for hours and hours. Some whole days were devoted to nothing but getting out these implants and the sheer numbers are mind boggling; for they have put them all over my body. They have attached them to nerves and to ligaments and tendons and when they sent beams into the electrodes, which have been attached to the tendons and ligaments, even muscles, and this action has caused certain parts of my body jerk and jump. They have put such electrodes into my stomach muscles, into my back, my upper back and lower back, into my neck and into my arms, my fingers, my legs and feet, even into my various parts of my wrists and hands, all to make them move and twitch according to their own will. They have put all manner of implants into my body, to track me and to do all in their power to take over my neurological system. BUT, MY DEAR ONES, THEY HAVE FAILED! THEY HAVE FAILED BECAUSE I SERVE THE ONE GOD, THE TRUE GOD OF ISRAEL! I PUT HIM ABOVE ALL AND I HONOR HIM EACH AND EVERY DAY! HE IS MY EVERYTHING AND HE FIGHTS FOR ME! Every day that I am alive is a great and miraculous day, for the torture and persecution has been so great!

## Satan Wants Your Mind!

One night when they were persecuting me so with microwave weapons and burning my legs to the bone, Satan was parked outside of my house in this big, fat saucer! While I was weeping from all of the pain, he spoke to me and said, “Give me your mind and I will do great things for you!” And, amidst my tears, I said to him, “Satan, this is what I will do for you! If my Father finds me worthy to go through the

portals and then come back into the Earth again, and if He allows me to then do so, I will take His sword and I will beat you right down into the Lake of Fire! This is what I will give you!"

Yes, indeed, my Dear Ones, this is a terrible war! When did anyone ever hear of a single soul, who has been followed up and down the Earth by hoards of antigravity machines and saucers and tracked like an animal, tortured and persecuted in such a way? This, they have done to me since May 01, 2003! And, for what? Because of my love for our most Wonderful Lord and God! And, this is the only reason!

## The Lower Legs!

They have even operated on my knees, as they were so angry about my post from book eleven, wherein I told of how they had previously operated on my left knee when I was only a child! Yes, indeed, this posting made them angry! They were also angry as our Father in Heaven told me to take His sword and to cut off the two lower legs of Satan and to throw them into the Lake of Fire! Oh, Yes, indeed, they were furious about this! So, they set out to destroy my lower legs. One night in the middle of November, they literally tried to fry my lower legs. They burned my legs until I truly wished to die! They chased me from room to room, torturing me with their beams and I am sure enjoying all that they were doing! All of my body was on fire with the torture of these beams by the time that they were through with me! My legs were sore and painful as so many beams were directed into my knees that the pain was so horrendous that I could not walk without great pain. But, I did not realize at that time that when they had abducted me again in my sleep on the night of November 11, that they had cut into my knees and had put implants into my knees! Yes, indeed, implants inserted into my knees and four or five new scars beneath each knee! It was weeks later that the Spirit of God showed me these implants and our Father in Heaven sent the angel to help me get them out! Oh, yes, they were angry indeed about these lower legs of Lucifer being cast into the Lake of Fire and they truly set out to cripple me, but on each occasion of their great torture and burning episodes, our Father in Heaven would heal me or send His angel to help me to be healed! These great assaults have taken up much of my time and energy and they have made me very tired!

## The Sleep Deprivation

The terrible assaults via these weapons are bad enough, but these evil ones set out to turn my home into a concentration camp! Not only have they tortured me at will, but also they have set out to deny me sleep and rest! So many nights, I have gone to sleep amidst the great burning and torture, to wake up after some time with burn marks literally all over my body and great and horrible pains from all of these burns. But, on so many nights, they determined that I would get no sleep! And, even when I have tried to

sleep in the day, these evil ones have tortured me, or they would set off some of the electrodes, which they have attached to the ligaments and tendons, thereby causing these body parts to fly up and to startle me to wake up! They sit up in their aerial craft and monitor my brain waves and when they see that my brain waves change towards a relaxed state, they so often cause some body part to twitch, even certain of my face muscles. Oh, yes indeed, they think that this is very cute!

They truly have a vast array of implants and techniques to cause torture via these implants. It is most comical to see the verichip implant, which is being hailed as the ultimate implant, as these evil ones have a vast repertoire of implants, which they use, and many of them are very tiny and sophisticated. I took one implant out of the side of my left leg, which looked like a T, but with a sharp point at the bottom, and along the sides of it were thorny barbs. It was about one centimetre (one half inch) long. I have seen these elsewhere in my body and the angel has helped me get them out, particularly along the upper spine, hooked into one of the nerves in the back! When the angel removes such implants, I have often seen a slight white scar form at the site where the implant came out, but this white scar would soon disappear. Truly, this angel has done divine surgery on me over and over again; and to our Most Wonderful Lord and God is all of the praise and glory forever and ever!

I have removed around 100 small implants out of my hands, so many in fact that my hands look as if they have been in a war zone! Where the implant is one will feel an electrical stimulation and depending on the location of the implant, great pain as well, as they send electrical currents into the joints, the nerves, the muscles, the skin, etc. These implants in my hands were just under the first layer of skin and I had to remove these myself. To do this, I had to take off the first layer of skin and beneath this, I found what appeared as small chunks of white plastic. Imbedded in this white plastic were tiny needle-like objects, which vary in size from a millimeter to a couple of millimetres. I had these on my fingers and on the tops of my hands and the sides of my hands and even up into my wrists. Some were over certain joints and they could then send electrical torture into these joints as they so pleased! When I removed these implants, there remained sores on my hands and even at this time, my hands look like I have been in a fight! After all of this work, I dared to sleep one recent morning at 5:00 for about thirty minutes and they nabbed me again and put more implants into my hands and even one into the radial nerve in my left arm.

So, my Dear Ones, there is no sleeping at night! And, if you are under their scrutiny as I have been, you would be very wise to stay awake at night! For, the US government has been in possession of Luciferian technology for some time and they have the beam technology to snatch you from your home and to take you out and to do such terrible things to you without your knowledge or permission. But, now Satan is

cast down and these governments all over the world are but one big, happy family as they unite with Lucifer and his hoards to torture the humans off the face of the planet!

From all that I have now been through, I sometimes wonder if they do not do some of their surgical work by projecting themselves into one's home as well! I say this as I woke up shortly after returning to the states from South Africa and I saw a very large man, who was draped over my bed! He was actually suspended in the air over my bed. He was made of light and interestingly enough, he was wearing a white lab coat. Now, this man was either being directed into my room via a beam and was as hologram, or he was actually coming into my room via this beam to do something medical to me! So, not only are they capable of snatching people from their homes via their beam technology, but I believe that they are also capable of coming into your home via these same beams! My Dear Ones, who is safe in this whole world? Your only safety comes via the love of our Lord and God! Wake up! Clean up your lives! And, repent! For, you are going to needed Our Lord and God! He is the ONLY ONE, WHO CAN HELP YOU!

Dear Ones, the snare has already shut down on the world and few even see that it has closed! It is all over but the shouting! May our Lord and God have mercy on our souls! I warn you again that if you are a truthbearer, you need to learn to sleep days and do your work at night! Learn from my horrendous experiences; as these evil ones will come after all on their lists! Now, read on for what the whole world is facing as Satan and his evil servants bring up their aerial crafts from within the bowels of the Earth! And, with them, they will torture humanity all over this planet, just as they have tortured me!

### Revelation 9: 1-10

And, the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. And, he opened the bottomless pit and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power. And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men, which have not the seal of God in their foreheads. And, to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man. And, in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them. And, the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns of gold, and their faces were as the faces of men. And, they had hair as the hair of women, and their teeth were as the teeth of lions. And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running

to battle. And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.

My Dear Ones, I believe that these chariots are none other than their saucers, which they will soon bring to the surface in great numbers! And, I believe that they will sting the people with lasers and microwaves as they torture people all over the world and few will be able to get away from them, unless they can find a cave far beneath the ground!

## Revelation 12

But, as for me, I accept the words of our Lord and God that I am indeed the woman of Revelation 12, the singular woman, that is, who is persecuted (and tortured) and then hidden from the wrath of Satan! For, truly our Lord and God comes soon for His Faithful and Loved Ones, the clean souls, who will be counted worthy to go. And, I do so pray to be among those, who are so counted worthy to go!

## Revelation 12:13-17

And, when the dragon saw that he was cast unto the earth, he persecuted the woman, which brought forth the man child. And, to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times and a half a time, from the face of the serpent. And, the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood. And, the earth helped the woman and the earth opened its mouth, and swallowed up the flood, which the dragon cast out of his mouth. And, the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.

My Dear Ones, Satan and his evil ones surround me night and day with their saucers and they monitor my every move. As I have stated previously, there is a vortex, which is very near to me and this is our Father's vortex, the Yahweh vortex. This is a portal, which leads to other dimensions! Satan is now cast down and he is very, very angry, especially with me! He hates me with a great hate and has orchestrated this great torture and persecution of me! But, he also is looking for a way out of this Earth as he has been cast down and cannot get out! Therefore, he is determined to get out through this vortex, which is very near to me!

I know my Dear Ones, that our Saviour is coming very soon for the pure and clean souls and I so pray to be counted worthy to be among them as the persecution is so great in this Earth! But, I also truly believe that if I am counted worthy to go through this portal when our Lord comes, along with others of you, that a great number of Satan's followers will follow me and attempt to steal this vortex as they try once

more to get out of this Earth. There will be a literal flood of his evil hoards, who will follow me into this portal when it opens, as they are continuing to build up around me from day to day in the skies! But, as they attempt to rush into this vortex, they will get caught and being unable to get out will perish and end up in the Lake of Fire! Nevertheless, they will attempt this as they have put so many chips in me, and some are still there, and they believe that they can follow me into the portal, hijack me and make me carry them to a very important juncture of many interdimensional portals! I have heard them speak of this and I have seen this juncture of many portals, even in most recent visions. Pray for my, my Dear Ones, for this war is very great and from day to day, it get worse!

But, even so, my Dear Ones, I am here in spite of all that I have been though! And, to our Most Wonderful Lord and God Yahweh is all the praise and glory forever and ever; for He has kept me alive against great odds. And, what I have had to endure, my Dear Ones, I have had to endure alone, continually before the face of this dragon and his evil children. There are creatures in these saucers, which are not human; and they are vicious, some obviously reptile in appearance, but others appearing as giant insect-like creatures, tall with skinny arms and legs and heads like that heads of grasshoppers, but with many-lobed brains. They are not at all stupid! Do not underestimate them! They are the fallen angels and they have been turned into these hideous creatures because of their rebellion against our Creator! Once, they were all beautiful angels!

Blessed is the Name of our Most Wonderful Father in Heaven and blessed is the Name of His Son, our Precious Saviour, Jesus, Yahshua, Lord of Lords and Kings of Kings. He is coming back, my Dear Ones! And, Oh how they hate to hear these words! From time to time when I see Lucifer's saucer in the sky and the others out there in other parts of the sky, I go out and sing these very words. "Jesus is Lord of Lords! He is King of Kings and He is coming back! Blessed is His Holy Name! Ooooo-Eeeeee!" And, all the praise and glory goes to our Father Yahweh, forever and ever!

# CHAPTER SEVEN

## "Divine Revelations"

My Dear Ones, since around the middle of November, our Most Wonderful Father in Heaven and His Most Precious Son have continually given me prophecies, visions and even one very important dream about the soon coming of our Saviour for the first harvest of souls, for the harvest of the first fruits, among them the 144,000. But, as I understand it, He will also take others, who are clean at this time! These have put our Father in Heaven first and have sought to live for Him and for Him alone! They have come out of the world and do not love what is in and of this world and they have thereby made themselves clean before Him through repentance, love and forgiveness. And, as I have previously written via our Father's own words, He will take others during these last three and one half years, according to His own good pleasure. So, not only will He come back at the end for the rest, but He will take others during these years according to His own good pleasure and from what He says, I believe that they will simply be translated as He so desires!

Since Our Father in Heaven either speaks to me most nights in prayer, or gives visions, there have been many and I have not written them down as I have done in the past as these came to me most often while I have been praying with another person over the telephone. But, I shall tell you of some of them!

### The Payback River

In this vision, I was with our Saviour at the end of a tunnel of light and across the entrance of this tunnel was a closure, which seemed to be made of glass. As we stood there, we were both surrounded in a blue-white light; and as I looked through the glass I could see a passing river, which was very near to the opening of this long tunnel. Yet, the river was somewhat below us and it was a very swift-moving river! This was a very nasty river, reminding me of dirty dishwater, but without the soap foam; and in this river were very large, black objects, which seemed to change shape, so that I could not make them out. I asked our Saviour what this river was, and He told me that this is the "payback" river and that this river is now flowing into the Earth! I asked Him to tell me what the many dark objects were and He told me that these are blocks of payback, which are now coming into all the nations of the whole Earth. He told me that these nations will now reap as they have sown! My Dear Ones, this payback is now. This swift-

moving river is now coming into the Earth and this dark payback is the great darkness, which is now upon the face of the whole Earth!

## Collision in the Spirit

I heard a very loud noise in the spirit realm and when I looked I saw a very dark wall. This wall was so close that I could almost touch it if I reached out to do so. When I asked our Saviour what I was seeing, He told me that this great collision is the collision of great darkness, which is upon the whole world. I asked Him what He meant by this and He told me great wars, spread of terrible diseases, famines, great upheavals in the Earth and great loss of life will come out of this great collision of darkness!

## The Flaming Rock

I looked out in space and I saw a very large rock, which is now headed toward the Earth. It is a monster! Then, I looked in the Spirit and saw this great flaming rock again and it was soaring through the atmosphere! It fell in the Atlantic Ocean and appeared to fall just south, to southeast of Bermuda. At that moment, I knew that when this great rock falls, it will cause tidal waves, which will inundate Florida and may very well cause the great flooding, which I have seen in Arkansas.

For about two months, during this past summer, as I travelled the country roads of Faulkner County Arkansas, I repeatedly saw water in the valleys over the tops of the houses and well up the trees. This was a shocking sight; and I knew that this could not be far off! I do not know when this giant space rock will hit, but I do not believe that it is far off. I am left wondering if the militaries of the world will hit this rock with weapons and blow it apart, with pieces of it falling in different parts of the world. The rock in space appeared bigger than what I saw falling into the Atlantic, but still this rock, which I saw falling into the Atlantic, is very large!

Will the falling of this rock set off the New Madrid Fault and possibly others as well! When this rock struck the ocean, I saw the Earth open up and crack in the above vision!

## A Volcanic Explosion in America

## And More Problems in the Indian Ocean

I saw a volcano, which appeared to be in the Pacific Northwest and it suddenly began to blow out great amounts of rock and fire! Then, I saw the Earth crack open in the northwestern part of the USA and into Southwest Canada and there were terrible earthquakes. I do not know when this is, but feel that this is

very soon, and I saw that if some submarines were not moved in the Pacific that they would be lost due to the terrible calamities in the Pacific Ocean at the time that this volcano blows!

And, in this same vision, I saw concentric circles, which were moving out from a central location and this was in the general area of the great tsunami. I saw some of theses circles going into northern Australia and even down into the middle of Australia. When I looked, I saw several underwater volcanoes and one very large one was erupting! These two events may happen very close to one another, the volcanic eruption in the northwest of the USA and the eruption of the one near Australia!

And, in addition to all of these visions, plus others, which I do not write here, our Saviour has repeatedly appeared to me and has told me that His return could very well be any day and that we all must look ahead with great anticipation. For, He is coming very, very soon, and when so very few expect and when even fewer are prepared! So, my Dear Ones, get ready; for so little time remains!

## The Two Lower Legs

As I have told you in the previous chapter, Satan was extremely angry with me about cutting off his two lower legs and tossing them into the Lake of Fire, as directed by our Lord and God! So angry that He has literally tried to burn off my legs on several different occasions! My Dear Ones, these two lower legs of Satan are two leaders, very important leaders of Satan in this Earth! And, I have every reason to believe that Ariel Sharon is one of these legs.

As most of you already know, Ariel Sharon, the Prime Minister of Israel, suffered a massive stroke on the fifth of January 2006. He was in surgery for many hours and in a very critical condition. On the sixth of January, his doctor announced that Sharon had suffered massive brain damage and would not be coming back to work. At the same time, reports began to come out of Israel that Sharon was dead! World Tribune reported that Sharon was pronounced dead on the sixth of January, and I believe that this report stated that Sharon was pronounced dead at 9:00 that morning. Others in Israel were also reporting that he was dead and I believe that he was in fact brain dead and kept on a respirator until such time as they decided to pull the plug, probably after the Sabbath!

Now, as some of you may recall from these writings, the Jews, the fake Jew Satanists, have been behind a lot of the torture and persecution, which has been directed at me. In fact, in August of 2003, a man tried to run me off a winding country road in Arkansas. Stew Webb had warned me at the time that Rafael Eton, the ex head of the Israeli Mossad was in America to assassinate some of the so-called dissidents. Though I had never seen Rafael Eton, I got a good look at the old man with the military hair

cut, who tried to run me off the road. In fact, I followed him to the expressway, where he took flight from me, speeding off at around100 mph. Shortly after this man tried to run me off the road, I saw in a vision that he would soon die in a terrible crash as he would crash his car into a concrete barrier, which looked to be something like an overpass. In fact, this man crashed his car into a bridge in Israel and drowned one year later, in August of 2004. Who sent this man to make an attempt on my life? Sharon, working with the Bushes! In this country, the Bushes have killed many of their so-called dissidents via the Israeli Mossad!

Just before these evil ones kidnapped me and raped me in the early morning hours of May 23, 2004, I received an e-mail from house.gov and this e-mail said, “The Jewish New World Order is watching you!” When these evil ones put the voodoo man across from us in Sweden, they used an apartment, which belonged to a Jewish man!

And, so it goes, my Dear Ones, that the fake Jews have definitely persecuted me and have been at the forefront of much of the evil, which has been directed at me. Yet, in spite of this, when I knew that Sharon was dead, the Spirit of God lay heavy upon my heart to pray for Ariel Sharon, even though I “knew” that he was dead! So, when a friend called me at approximately 10:30 PM on the night of January 06, 2006, I told this dear friend that we must pray for Sharon as the Spirit of God had put this on my heart! So, this is what we did and I asked our Father, that it were His will, to heal Sharon. At that moment, I could plainly see inside Sharon’s head. And, I could see great darkness on the right side of his brain and behind his ear as well. As I was praying for him, I also saw the hands of light of the angel, who has so often helped me to be healed. Blessed is this Precious angel! And as the hands of light touched the head of Sharon, I saw his head light up with the light of God. Light literally filled the right side of his head and the blackness disappeared. Then, I asked our Father to breathe life back into the body of this man, if it were His will.

My Dear Ones, I know that at that very instant, our Father in Heaven touched this man and brought him back to life! For, there is no doubt in my mind that this man, Sharon, is one of the two lower legs of Satan, who was to be cast into the Lake of Fire. It is also most interesting to note that according to news reports, at around 8:00 AM on the morning of the 7th of January 2006, Sharon was rushed back into surgery! There, he spent five hours in surgery again and these clots were removed. The rest is history and Sharon is now said to be stable and he is beginning to regain movement in his limbs, yet still sedated somewhat, as he is being weaned from these sedatives. Sharon is still reportedly not awake yet, but reports from his doctors reveal that he is breathing on his own!

 From The Mountain Prophecies Copyright 2006

Between Jerusalem and Arkansas there is an eight-hour time difference! We prayed and agreed on this prayer together somewhere between 10:30 PM and 11:30 to 11:45 on the night of January 06, 2006. I do not know the exact time of our prayer for Sharon, so I can only give you these approximate times, but it was late at night and between these times that I have just given to you, in fact much closer to the 11:30-11:45 timeframe! This would put this prayer nearer to 7:30 to 7:45 Israeli time! I believe that his brain suddenly started functioning and their seeing this, rushed him into surgery at around 8:00 that same morning. So, Sharon lives, but if he does come back to rule over Israel, who will be in his body??? For, he has certainly suffered a fatal head wound and now does live!

Now, my Dear Ones, comes Dick Cheney, fast on the heels of Sharon. Yesterday on January 09, Cheney was rushed to the hospital with possible heart problems and was reportedly sent home shortly thereafter. Cheney now walks with a cane as he is having great trouble with his legs. Is Cheney this other lower leg of Satan? I do not know, but in the vision of the two legs, which our Father in Heaven had me to toss into the Lake of Fire, one leg followed the other!

My Dear Ones, I take no pleasure in seeing anyone suffer! And, it is terrible that others must go into the Lake of Fire. I would be elated to see these evil people repent and come to our Lord and God. But, I know that many will not, and that they are bound for the Lake of Fire! For, many love evil and they will reap as they have sown!

And, so my Dear Ones, this concludes Chapter Seven of Book Twelve. I do not know how much more I will be able to write and it is a great miracle that I am able to get these two chapters to you at all! For, the persecution has been so great and I now write this to you from a hotel room, yet outside I can clearly hear the hum of these disgusting aerial vehicles. But, God willing you will get these two chapters. Whether you get more is strictly up the will of our Lord and God.

I send you love, my Dear Ones! Jesus is our Most Wonderful Way.
Blessed is His Holy Name!

Your Sis, Linda

PS After I finished typing these chapters, I lay down to rest a bit at the hotel, where I was staying, but as soon as I lay down, these evil ones started pummelling me with microwave weapons, burning me in my abdominal area and on other parts of my body, so I packed up and went home, where I rested on the

sofa for a few hours. But these hours of rest were peppered with several of their calls from a satellite TV offer and after a while, they turned the volume up on high on the speaker of this telephone and woke me up as they blasted their message out into my home. I woke up to notice that they had severely burned me in my abdomen, in my legs, knees and thighs and in my left hand and arm. But, even so, I began to pray to our Most Wonderful Father in Heaven and I told Him that I want His total will to be done in my life about all things! Blessed is His Holy Name! I told Him also that what He intends for me to go through, He is ABLE to bring me through! And, I began to praise Him and bless His Holy Name! In a very short while, my Dear Ones, a river of beautiful white light began to pour over my whole body and in a very short time, all the pain had evaporated! And so my life goes, my Dear Ones! What a miraculous life our Blessed Father in Heaven has given to me! He is wonderful beyond measure and I love Him so!

# CHAPTER EIGHT

My Cherished Brothers and Sisters, I send you love and blessings in the Name of our Most Wonderful Saviour, Jesus Christ, Lord of Lords and King of Kings! He is coming back very soon and He is coming back for His Faithful, even as a thief in the night would come, at the midnight hour! Only those, who are clean and ready to go, will go; and most will not see that He has even come; for He is coming as a thief in the night for this first harvest of souls! Blessed is His Holy Name! Therefore, I beg you, my Dear Ones, to repent! Get filled with the Spirit of God! Forgive and seek forgiveness from our Lord and God for all of your sins! Get spiritually clean and stay clean! For, truly the redemption of the clean souls draws very near!

## Even so, the Terrible Day of the Lord is at hand!

Oh, the great war is at hand and few are the wiser! It is heartbreaking to see that so many are headed to slaughter and they are drunk with the consumption of the dark lusts of this deceptive world! They are fast asleep, yet their very necks are on the chopping blocks, and they hope against hope that this is not the case! But, alas it is so! At stake is now on this dark is every living soul of humanity!

This great war has everything to do with our Lord Jesus Christ, His soon return and reign on this Earth, versus the reign of Lucifer, Satan, the devil and his soon ending reign in this very dark world. But, my Dear Ones, as long as any love this world and what is in it, they will not see this war and will probably even scorn at the notion that it even exists! And, in so doing, they will not notice that they are neck-high in it until they are literally forced to make a choice for one side or the other! And, this is exactly what the “mark of the beast” is going to do for the sleeping and dumbed-down masses! They will be forced into choosing either the side of Satan, and thereby take his computer chip, or they will wake up, repent, and choose the side of righteousness, the side of our Saviour!

Isn’t this amazing? In this great war, there are no middle of the roaders! All will go to one side or the other! They will either choose our Saviour and thereby choose to live righteously, or they will choose Satan and thereby give their minds over to him in total slavery! This is the war, my Dear Ones, and it is going on right now, whether you believe it or not! It is so and it is a great war between good and evil! What do you choose? If you do not choose righteousness, you definitely choose slavery to Satan! And, this means the chip to the head and the Lake of Fire! Wake up and get real! None of the lukewarm will

be on the side of our Lord and God! Therefore, get on fire for Jesus and live worthy of His great blessings! Get sold out to our Lord and God. Put Him first in all of your affairs and give up all in pursuit of Him! In so doing, you will rejoice throughout the eternities because of your wonderful choices! Blessed is the Name of our Father Yahweh, for He has shown us the Way to Righteousness!

## Many will sell their soul to Lucifer for a piece of bread!

We have all truly been warned through our Saviour in the Book of Revelation not to take the "mark" of the beast, the computer chip to the head, and or hand! When any succumb to the pressure and take this mark in order to maintain status quo, or even to get food, or whatever the need may be, this one will sell his or her soul to Lucifer. Such a one will then bow down and worship Satan! Satan will become the god of all, who voluntarily take his mark and all of these will willingly give over their minds to Satan! Such a one will worship Satan and will think as Satan dictates, thereby becoming part of his vast mind control network!

Mind control and torture, my Dear Ones, are Lucifer's specialties! And, Oh, how utterly evil he is and Oh how utterly evil his followers are; for they long ago sold their souls to him for power, money and prestige! What a shame upon the face of this planet, but it is so; and his evil followers are all over this Earth; for many have chosen the Luciferian ways of mind control and torture, all for the sake of greed, money and power!

Look at the nations, who now use mind control and torture and you will see those leaders, who are but pawns of Lucifer and they do as He directs them to do; for they long ago sold their souls to Satan for money, power and greed! They are no longer in control of their own minds; for Satan controls their minds and through their evil minds, they terrorize their people! The mercilessly kill them and torture them, depriving them of all of their freedoms! Does this sound very much like the nation in which we are now living? You can tell them by their fruits and their fruits are rotten to the core! What a terrible world we live in!

## Many have been micro chipped against their wills!

My Dear Ones, many have been "chipped" against their will, and even without their permission, or conscious awareness! Satan has been doing this to the unsuspecting for a very long time, but as I have told you above, it is quite another thing to be chipped because you want to be and thereby agree to worship Satan!

Yes, my Dear Ones, when these evil ones implant one against his or her will, they will thereby set out to control this person, or to torture this person into obedience! But, the Spirit of God is stronger and mightier than anything that these evil ones can come up with! Blessed is the Name of Yahweh, Most High God; for He is holy and he is mighty. So, if these terrible things happen to you, my Dear Ones, cry out to Him! He will hear your cries, and even if you are carted away and tortured, do not give up in the face of Satan's cruelty, but sing to our Father in Heaven and to His beautiful Son, our Saviour; and He will send angels to comfort you. He will send angels to help you! He will take your pain and your sorrow and He will once again make your journey light. But, do not, I warn you, do not take this satanic mind control computer chip of your own volition as you will then fall down and you will worship Satan; for you will agree to do this when you take this chip! I repeat, do not do this; for then you sell your soul to Lucifer and if you do so, your spirit will surely go down into the burning lake. As I said before, you will take on the group mind of Satan!

Remember what I am telling you; for I speak from experience to you about these terrible chips and torture implants! Lucifer, himself, hounds me from day to day and many of his evil children stalk my every move! But, our Lord and God has been so good to me and ever faithful, bathing me in miracles and healings and deliverance from these chips from day to day! Oh, how I love Him! Blessed is the Holy Name of our Lord and God and blessed are all of us, who are counted worthy to suffer persecution for love of Him!

So, I repeat, My Dear Ones, if you fall into the hands of Satan, and if he chips you against your will and tortures you, walk of faith, humility and obedience to our Lord and God. And, pray, pray, pray! Even in the face of such evil, rejoice; for great are the heavenly rewards of those, who are persecuted for love our Lord and God! Therefore, do not give up, but continue on in gladness for what you have been called to do! Your torture is but for a while and then comes your beautiful rewards of eternal life. Remember also, my Dear Ones, that if it is the will of our Lord and God for you to go through these terrible things, that He is surely able to bring you through them, if He so chooses! But, if it is His will for your body to perish during these great trials to come, He will surely be there to take your spirit home! And, what a beautiful place you will go to!

Blessed is the Name of our Most Wonderful Father in Heaven; for He sent his Only Son into this wicked and satanic world to save you and me; and he was tortured to death for love of us! How blessed we are to be persecuted and tortured for love of Him! Consider this one great blessing, my Dear Ones, should you fall into torture and persecution as I have! For, this is only for a short while, then come the great blessings! All the praise and glory to our Father in Heaven, Yahweh, Jehovah, Most High God, forever and ever!

## The Number Twenty-Three

My Dear Ones, I do not know the significance of the number, twenty-three! But, several things of importance have happened to me on this number, twenty-three and this number now seems to be very important for other reasons, as well. I shall list some of my own experiences with this number.

1. Dennis and I were married on April 23.

The evil ones in this government, as I have heretofore mentioned in these writings, kidnapped me, raped and sodomized me in the early morning hours of May 23, 2004.

I went to South Africa, to Sweden, and then back to South Africa. I was out of the country for about seven months and I returned to the States on the 23rd of February 2005.

On the afternoon of August 23, 2005, a terrible storm rolled through the county in which I live in Arkansas. After the storm passed through, I picked up the binoculars to look toward the dog pen to make sure that the little puppies were all right. It was then, that I saw something so awesome that I will never forget it. There on the leaves of the trees and on the grass were untold numbers of brilliantly radiant crosses, three dimensional, and appearing to be made of the most beautiful diamonds. These radiant diamonds were on everything, the leaves, the trees, the grass, etc. I could not believe my eyes. As I looked about, I could see that they all pulsated at the very same slow frequency. And I was even more startled to see a radiant ball of white light, out a short distance among the trees and it, too, was pulsating this most awesome white light. In a short while, another ball of radiant white light appeared and it, too began to pulse in this way. And, shortly thereafter, a third ball of white light appeared and as I looked, it seemed that the whole hillside was radiant with the pulsations of these brilliant crosses, which seemed to be made of diamonds! What a sight to behold and this was no vision, but something that I was beholding with my own eyes! I marvelled at this most awesome of sights for 30-45 minutes and then all began to fade away! Truly, a beautiful window of Heaven had opened up and I had been privy to see one of the most awesome of light shows, ever to be afforded a simple person from Arkansas! Blessed is the Name of our Most Wonderful Lord and God!

## More 23s

And, very recently a couple by the name of Uriel and Charlotte Surbeck wrote an extensive prophecy and put it on the Internet. This prophecy came with confirmations from others, who had seen terrorist

attacks on six cities in the USA, plus one in Canada, and this coming on the 23rd of January, 2006, as they were given this date! This woman and her husband, seeing the significance of this information, published this warning, that surely there were terrible plots to blow up these cities on this day, the 23rd of January 2006. I have absolutely no doubt that this was a grave warning for this nation, and that these very things were being implemented at that time by some very evil forces. But, by getting the word out, others were able to pray and to intercept this terrible event. My Dear Ones, this is prophecy at its greatest! While others will certainly mock these dear people because nothing happened on that date, I can tell you for a certainty, that they have done their job. They have seen and they have warned and a great catastrophe has been avoided. Yet, from my own experiences in sounding the alarm and having seen such things averted, I can tell you of how cruel people have been in calling me false prophet! What a shame upon the face of this planet, but such if the ignorance of the masses!

### Our Father's word to me on the 23rd of January, 2006

My Dear Ones, a very grave warning came to me on this day while in prayer. Our Lord and God spoke boldly through me and proclaimed first that He is going to destroy Washington DC and soon. He has told me this before, but in this message, I saw the urgency of this great warning and I experienced so intensely His great wrath at this nation and the great corruption in this very government! As He spoke, I looked and as far as I could see in Washington DC, it was one charred, ruined mess! Nothing, but charred ruins, and not one sign of life! Our Saviour told me how is going to raise up Russia and China to come here and to attack and destroy this spiritually rotten and decadent nation! He told me that this would be a sneak attack and that these invading hoards would then hunt down and kill leaders of this nation! Then, my Dear Ones, as I looked across this nation, I saw the flames of fire as they reached from city to city all across this nation! This great war, this great attack on this nation is so close in the Spirit that I could have truly reached out and touched it.

I have seen this great war coming to America for many years. It has been held off twice that I know of, notably in 1998 and again in 2001, for I saw that these attacks were being planned in those years, but our Lord and God would not allow these attacks then. During those times, I sounded the alarm of what I was seeing, and these things were averted, but Oh, the ridicule that I have experienced as these things did not come to pass! But, now our Lord says that He is going to soon bless Russia and China to come in and to defeat this nation, and this will not be put off for much longer!

Oh, my Dear Ones, great and terrible calamities are upon this nation! May the God of Great Righteousness have mercy on the souls of the lost and rebellious!

This prophecy was dictated to Linda Newkirk on January 23rd, 2006.

## A VERY IMPORTANT NUMBER 23

I have a very Dear Brother in Sweden, who worked for seven years with one of the most blessed and devoted prophets, ever to set foot in Sweden. This prophet's name was Viktor Johnsson. Viktor lived to be an old man into his eighties, and has been dead since 1980, or thereabouts, but about one year or so before He died, our Lord and God gave Viktor a very important prophecy. Now, I wish to share this prophecy with you, and many thanks to our brother in Sweden, Erik, who has kept up with these prophecies for all of these years.

## "Our Father's Prophecy to Viktor Johnsson" -January 24, 1979

## The Three Steps Are Now Up!

Now, you are so near the Promised Land. Three steps are remaining! After that, I will come with all I have promised, (to) all of you, says the Lord, who will listen to My words. And, those of you, who will not listen, those, I will today separate from both you and Me, says the Lord. They will be left out. There will be weeping and gnashing of teeth. But, in the wedding room, where I am, Myself, there will be gladness, joy and peace, says the Lord. I know everything. I know what the battle is about. For, I have told you that I will forgive and I will erase everything. If you will listen and hear My words, then you will be glad, says the Lord. And, to you, My Children, says the Lord, who will not obey today what I am saying, in a few days hereafter, you will stretch out your hands and then you will cry after Me. And, you will not be able to find Me.

Anyone, who will not listen today, he or she will not either hear the next day. For every day has its own pain. I'm coming in the big, wide world. I have given many great wonders and signs to wake up mankind, but they have fallen asleep. They can't hear. But, now soon, says the Lord, now I will do something so that everyone will hear, from the smallest one to the biggest one. They will hear My words, says the Lord. I'm coming and I'm revealing myself. I'm revealing myself in something that nobody has been able to think of. I will reveal myself, says the Lord, in power and might. I will come with many thousands of holy angels, and in accompanying them, I will take people, whom I have created in this Earth. They will be My tools, says the Lord. But, the angels will inspire within them all things that they must do. That is how My Coming shall be, says the Lord. Amen

Look closely at what our Lord and God is saying to Viktor in 1979. He tells Him that there are three steps remaining and then He will return for His Faithful. My Dear Ones, as our Dear Brother in Sweden first

 From The Mountain Prophecies Copyright 2006

determined, these three steps are 27 years. From this date, January 24, 1979, to the ending of January 23rd, 2006, are 27 years, and these three steps are now up! That's right! These three steps, the 27 years, or 3X9, are now up, and now our Saviour is coming back for His Faithful! Blessed is His Holy Name! Blessed is Viktor Johnsson and blessed is our Brother, Erik, for he has kept up with our Father's prophecies to Viktor for all of these years since his death! This is just one more confirmation that our Saviour is truly returning for the righteous ones literally any day now!

My Dear Ones, take note that these 27 years ended on January 23rd of this year, 2006! This is another 23 and a very important 23 also!. For, this 23 signals the return of our Saviour; and His return could literally be any day. Blessed is His Holy Name!

Now, my Dear Ones, comes the grave warning of the 24th of January 2006.

My Dear Ones, as I was praying with a dear soul over the telephone in the early morning of January 24, 2006, our Father in Heaven began to speak powerfully through me. This prayer and prophecy session went on for almost two hours and I am writing the most important prophetic information for you now as regards these prophecies as given by our Father in Heaven on that day, January 24, 2006! For, as you will read, January 24th begins the terrible day of the Lord, a day of gloom and doom, a day of darkness for the whole Earth!

Read on for the most important aspects of these prophecies from our Father on that day!

## This is the Beginning of the Day of the Lord

## January 24, 2006

As I was praying, I saw a flash of light come down to my right and there within this light was our Saviour, with His hands outstretched, so that the focus of my attention was squarely on his arms and hands. For, He was reaching out to an object, which seemed to be half of a dark, pie-shaped object. With sudden force and great precision, our Saviour reached out and took a large section out of this dark object, and with one very clean cut, He did it! I had not idea what I was looking at until He said, "I am removing one third of Satan's Kingdom." Then, He took this dark piece and He threw it into the Lake of Fire.

Then, as He spoke, He told us that He is now standing on this Earth, that He is now planting His feet on this Earth, that HE is going to fight this war, that this is His day of vengeance and wrath, that He is now coming back with the sword, to divide asunder! These very words, He spoke several times and His power

in these words was great! He told us that Satan only does what He allows Him to do! Then, I saw Him reach out His hand and swipe Satan right off the top of his pyramid! He said, “I am going to knock Satan right off the top of that pyramid!” As I looked at this pyramid now without the capstone, I saw great holes in the pyramid, so much so that the pyramid looked like a block of Swiss cheese; and I knew that Satan’s Kingdom would soon be in a great, big mess! Our Saviour repeated several times that He is going to clean this great evil, this mess off this Earth, and that He is now down here with His feet on this very Earth!

Then, our Saviour showed me a door, a fancy door with gold trim, yet gaudy, and He said, “I am closing the door on this evil, on this wickedness!” And, then He closed the door and an angel then came and marked the door with a red X. Then, our Saviour said, “Death is coming to this door!”

After this, I saw many angels, who are now being sent into the Earth! They are very powerful and are destroying angels, also angels of death! I saw their white robes and the great white and holy fire on them and on their swords. Each of them had a book and in this book were many names of those evil ones, who are to die! I saw these as they went out, two by two, radiant with the white light of God, and all carrying their assignments in their books! This was one very long line and even as I prayed for some minutes and kept looking at them coming into the Earth, I never saw the end of the line!

As I kept on praying, He showed me two graves. The bodies were already in these graves, though these people are now still living, but I was showed these two graves after the two bodies were already put in them. There were headstones on the graves, but without names and tombstones over the graves! Beyond these two graves, I saw five or six open graves, but these had no bodies in them yet, and obviously no headstones or tombstones. Then, He said to me, “These are the graves of those, who raped you, and they had better get their affairs in order; for they shall soon fill these very graves.”

After this, He showed me a great flash of light, like lightening, but with several distinct colors in it and He said, “This is a big, big judgement and it is coming into the earth quickly, like lightening, and will not be delayed!”

Then, He showed me three of Satan’s evil “saucers,” and He said that He is going to destroy them! Then, I saw them explode, one after the other in quick succession!

After all of these prayers and the revelation of these and other things, I saw our Saviour in the air and He was so full of light and so beautiful! As I watched Him and as I conversed with Him in the Spirit about

 From The Mountain Prophecies Copyright 2006

personal things, I heard a very loud noise in the Spirit, like thunder and saw a great explosion of light, which went in a complete circle and covered all things! As He stood up there, He beckoned me to come to Him and what a blessing to go and be with Him in the Spirit! Within a very short time, I heard another very loud boom and then saw a repeat of the flash of light, as above! Then, He told me that when I see this flash of light again, that it will be for real, and this will be when He comes for His own. But, I was left believing that only those, who are meant to, will see this flash of light; as I know that He comes this time as a thief in the night!

He told us that no one knows what He will do, or when He will do anything, but our Father, who is in Heaven! And, He told us many things, but these are the most important, among them also He said that He is going to destroy NSA and the CIA! Blessed is His Holy Name! May those, who love our Lord and God come out of this evil and be saved! They are now forewarned!

## Our Father's Warning to Satan!

## January 22nd, 2006

(Please note, that previous to my writing this warning, our Father had delivered this warning to me in prayer over the telephone, as I was praying with a dear soul! But, He also wanted it in writing, so here goes!")

"My Little One, I am your Father in Heaven, yea Jehovah, Yea Yahweh, Most High God! My Child, I have spoken it this day; and I am giving you these words again. For, I want these words recorded! I want a record of what I told you this morning, even as the clock showed 2:22 AM, then 2:23 AM. On this "double devil day" (2X11), as you call it, even on their double-devil hour, I told you, My Child, and I make My words clear again, not for you, as you understand them well. But, I make them clear for Satan, Lucifer, the devil. And, this is what I told you, My Little One, and he knows; for he stalks you every second of your life!

These are My words to you, Satan, and to those in your earthly kingdom. This servant, Linda Newkirk, is Mine. She is My daughter. She is My Child and My servant and you have done as you have to her as I have allowed the same. For, these have been her tests and trials. And, I am the one, who commanded her to throw your two lower legs into the Lake of Fire! One has already gone there, namely Ariel Sharon, and does live now only because of the merciful prayers of this one, My faithful servant, Linda Newkirk! For, the life of this one was cut short because of the terrible things that he and others of yours did to this one, My faithful servant, Linda Newkirk!

Make no mistake about what I am saying! Understand it well, for there is another one of yours, a world leader, who is now at the brink of death and this one shall follow the first one, but without mercy, as you have continued to stalk, to torture and terrorize My faithful servant, Linda Newkirk, without mercy. So, I shall soon take this one of yours without mercy, save you cease your kidnapping of My servant, save you cease your torture through beams and implants, and by any other means. I shall take this other one without much ado! But, this is not all! Any more torture on your part against my faithful servant, Linda Newkirk, will be met with severe retaliation against you and yours. For, not only will I take this other world leader, but I will take a big chunk, a big bite, out of your right side, just as you have attempted to take a big bite out of the right side of my servant, Linda Newkirk, through your beams and implants. But, I make it plain to you again that I have allowed what you have done, even though I have delivered My servant, Linda Newkirk, from your repeated grasps. And, I have healed her and removed your implants over and over again! For, she is Mine and I love her very much! She is dedicated to Me and I fight for her!

Now, Satan, I warn you! I am going to move against you swiftly and with great precision if you continue to kidnap, implant and torture My Loved One! I Am Jehovah, Most High God and you know me well!

Well, my Dear Ones, as you can see, this was given in the early morning hours of January 22nd, 2006. And, Lucifer received these words, as his saucers sit above my house 24 hours a day, seven days a week and have not missed even one day since May 01, 2003! So, he heard, but could have cared less! On that day, he hit me with beams and attacked my throat with these beam weapons, causing me to swallow violently, as I was trying to drift off to sleep! Then, he would repeatedly hit my body in various body parts with beams where he has put implants on my tendons and ligaments, thereby causing different body parts to fly up and awaken me, so that I got no rest, and also these things cause pain.

As you can read, this message was first given to me during the early morning hours of the 22nd of January, but Satan continued to persecute me and to torture me, even into the 24th when our Lord and God gave me the very stern prophecy regarding the beginning of the Day of the Lord! And at that time, our Saviour came and cut out one third of Satan's Kingdom and threw it into the Lake of Fire. Then, He reached out and knocked him off the top of his own pyramid and must have punched the holes in his pyramid, even though I did not specifically see this. I just saw Him throw Satan off his own pyramid and then I looked and saw great holes in Satan's pyramid.

In the morning of the 24th after I received the powerful prophecy about the beginning of the Day of the Lord, I got off the phone about 2:15 in the morning. I stay up all night and often pray with a dear soul late at nights. After I got off the phone, I heard the dogs barking furiously and I saw two men, in the

spirit, who were roaming around outside. I turned the front porch lights on and within a few minutes, I saw that they were turned off. They turned them off from the saucers as they have so done before when I have heard the also heard the dogs barking! So, who or what are they trying to cover up?

After this, our Father in Heaven began to speak to me and told me to get ready and be out of the house by around 6:00 AM and I did so. It was very cold outside and there was a thick frost on the car, so I had to warm up the car a wait a few minutes. As I backed out of the driveway, I looked up to see that Satan's saucers were all low and surrounding the sky in a circular way! Who would believe such things if they did not see them for themselves? Unreal!

I headed down the hill and saw that some of the saucers were following me, ahead of me in the sky, and all low. Once on the main road, I saw a car up ahead on an access road, just sitting there with the headlights on. This was rather odd for around 5:45 in the morning as there were no vehicles on the road. This car quickly got in behind me and was very erratic in its course, from time to time following close with its bright lights on, and at other times, lagging behind. I felt that something was not right about the behavior of those in this car, so on up a few miles, I pulled over in a lighted area and let them pass. There appeared to be two people inside and the car was a new model car, not a Cadillac, but some sort of expensive car, cream in color, and with a California license plate number of SMTL 329. Though, this could have been an innocent traveller, but at that time of the morning and also because of the previous things, which had just taken place at my house, I was and am suspect. I am sure that some of you observant types can help me solve this riddle! And, thank you very much in advance for your help! Who owns this car?

I got on the expressway and looked up to see one of their orange saucers, but a lot higher than what I had seen at my house and I thought, "Oh yea, they move up on in the sky when there are so many to see!" Well, my Dear Ones, as I have said before, these types can read thoughts! These are the fallen angels and they communicate via telepathy! So, they knew what I thought! And, it was not more than a couple of minutes later, that I looked up, straight in my line of view, and there was the Lucifer saucer! I have written of this before, that it is very big and looks like a very huge star in the sky. But, if you look closely at it, you can see that it is a saucer.

And, I saw this very well one day when I pleaded the blood of Jesus over Lucifer's saucer. I saw the bright light disappear and there appeared a greyish cloud over this craft. It was as if all the bright light suddenly vanished and I could clearly see the outline of a craft, which was shaped like half of a circle at the top, but with what appeared as three half-round objects, which were attached to the lower flat part of the

craft, possibly landing gear of some kind. What the blood of the Lamb did to Lucifer's saucer was awesome! Blessed is the Name of our Lord and God!

Lucifer used to sit in front of my house daily, but for some weeks, has placed himself in some other part of the sky! At least, if he has been there, I have not seen him. But, he surely placed himself right in my view as I was driving into town later in the morning of the 24th of January, as our Lord and God had spoken such a stern prophecy to him earlier on that very morning; and he was for sure, very angry!

I came into Little Rock, got a motel room and tried to sleep, but Satan kept pounding some of the remaining implants with beam weapons, forcing me to swallow violently against me will, jerking my body parts, etc. And, I told him that our Saviour would take care of him and this, he would soon see! Satan then told me that my God will do nothing, that he is a hollow tin God! But, there is but one hollow tin god, and this hollow tin god is Satan, who promises his own the moon, and gives them power and money in exchange for their souls. Then, he browbeats them, mind controls them, tortures them and in the end, carries them into the Lake of Fire! Talk about hollow tin!!!!!

So, I went to sleep and when I woke up, my left palm felt like someone had stuck a dagger into it and I saw that Satan had stabbed more implants into the tendons and nerves of my hand while I slept, among other places. I prayed and asked our Lord and God to help me get them out and Satan continued to taunt me as I prayed, but the angel came and helped me get the implants out of my hand and other places, as well. Blessed is the Name of Yahweh, the Most High God; for He is faithful and full of mercy! And, blessed is the Name of Jesus, Saviour of Humanity, Lord of Lords and King of Kings!

And, so now Satan will get his big shock from our Saviour, and sooner than he will believe. For his great punishment shall come swiftly upon Him! And, all the praise and the glory to our Most Wonderful Father in Heaven, Yahweh, Most High God, forever and ever! OOOO-EEEEE! Blessed is His Holy Name!

Sending love to you all and big hugs to my Dear and Precious Friends!
Jesus is our Only Way home,
Your Sis,

Linda

PS.On the last chapter of Book Twelve, I got a few things wrong. For one, I misspelled the name of Raful Eitan, who was the ex head of the Israeli Mossad, and I wrote that he crashed into a bridge and went over the bridge and drowned as this was the word that I got when I was in South Africa. But, I see now that Barry Chamish, investigative journalist for Israel, is writing that he died when a big wave crashed into him and washed him out and drowned him. So, my Dear Ones, I do not know all the details of his death, but he apparently did die in a crash one way, or the other!
And, also, my Dear Ones, I got my dates wrong about Sharon's stroke. His vast stroke was on January 04, 2006, and I was praying with a friend the following night, near midnight, when I saw the angel touch Sharon's head and light went into his head at that time! So, the World Tribune article would have then been on the sixth of January.

I greatly apologize for these mistakes. It is hard to write from memory without records, or Internet access, so as to verify things and this was the case when I wrote that last chapter. So, I have made these mistakes and want to correct them. My greatest apologies. When one is tired, too, as I was, there is a lot of room for error. My heart's love to you all! Linda

# CHAPTER NINE

## "A MAJOR CORRECTION FOR LUCIFER!"

"My Beloved Child, I am your Father in Heaven, Yahweh, yea Jehovah, Most High God. My little One, you know my great love for you and you know that I fight your battles. You know that I do for you what you cannot do for yourself. And, you know, as well, My Little One, that I have called you and I have sent you into the Earth at this time for very specific works, and that these works are similar to those works of many of My servants, yet also different. For, few have I called to travel the interdimensional spaces and to do My work in opening up such a portal in this world for My own uses and purposes.

So, when you write of this work, which involves these portals and space and time, many do not understand! But, Satan understands and his evil followers in governments all over the Earth understand; for they travel these, most often at the expense of the holy seed, whose DNA will allow such travel between planes! So, in this work and through this work, they have enslaved the holy seed for a long time, drugging them and killing many in the process of forcing them through these portals in order to serve as their guides. For, their frequencies are so low and their DNA so perverted that they could never get off the Earth without the slave labor of the holy seed. And, these things I have shown you before and you know well of what I speak; for you are but one of Mine, whom they have repeatedly kidnapped, drugged and forced into such work, without your conscious knowledge, will or permission. Then, once finished with each of you, they erase your memories of your slave work. But, these horrendous things are not erased before Me; for I have seen it all! All is recorded!

My Child, you are Mine and have always been Mine, even when you were lost and in rebellion. I love you greatly, and have always loved you greatly, as I love each of you. For, I created you all, even those, who love evil and who do great evil!

Realize, My Child, that the very fact that I have called you to My work in opening My portal is a source of great wrath for Satan and his world government. For, they have believed erroneously to have absolute and total control over all of these portals in this Earth! So, naturally they hate you greatly and have tried to kill you and/or to destroy you any way they could!

 From The Mountain Prophecies Copyright 2006

My Child, you will remember that with My Book Ten completed, I told you at that time that My warnings through you to this nation were all but over with and you understood it! My Little One, you have suffered greatly because of the work that I have given you to do; for Satan has been constantly after you for three solid years, never letting up at all!

I sent you to South Africa for a very specific work, which was unknown to you at the time that you went, but obviously not unkown to Me, that you are the Woman of Revelation, Chapter 12, and that you would do work there, which would lay the groundwork for the establishment of My Kingdom in the Earth! And, Satan, seeing what you were up to, was very wroth with you! Oh, he was furious and the leaders of several nations came together to stop you! Satan abducted, drugged and repeatedly mind controlled certain ones in the South African church group and organized them well against you, to defeat you and to destroy you in South Africa and elsewhere! He dogged you up and down the world and has kept you surrounded with his saucers and his antigravity machines to the point of total surveillance 24 hours a day! He has repeatedly abducted you, drugged you and subjected you to mind control in order to weaken you and to break you!

These evil ones tried to program you to kill yourself or to kill someone else; but they failed on all occasions; for I saw all, My Little One, and when you sought Me, which has been so very often, I showed you the blocks of information, which they put into your subconscious, and I helped you remove them all! Then, Satan, seeing that this was not working, filled your body with implants, so as to torture you and to break you!

All the time, he pummelled you with microwaves and lasers in his great wrath against you! For, I sent you, My Child, to help shut down the interdimensional portals, which he and his were accessing! Seeing this, they abducted you more and tried to force you to open these portals, but they failed in this as you have neither the keys, nor the power to do so! And, seeing this, he was all the more angry and put more implants into you and tortured you more and beamed you more, scarring your whole body with burns and with the surgeries, all to break you, to weaken you and to control you!

But, he did not succeed! For, I sent my angels to minister to you, and to heal these terrible burns and to remove most of these implants via divine surgery. Through it all, My Child, I have held you in the palm of My hand. I have never left or forsaken you through these great trials and tests! And, I know that you have often wondered “why,” and I tell you, My Child, that this is prophecy being fulfilled. As the Woman of Revelation 12, this has been required of you and has been determined in advance!

But, you have not given up, My Little One, even though the persecution and torture has been great and you have faced Satan and his evil hoards alone, night after night, and day after day, as they have never left you! This has been your great test, your great trial, even as My Son was tested and tried! And, now comes your great victories, My Little One!

Just as no human hand could have taken from or shortened My Son's trials, none could have taken away, or shortened your trials! Three years under the foot of Satan was long ago determined for you and these years, you have now completed!

You well remember My warning to you three years ago in January of 2003, wherein I told you to study the Book of Daniel and to get these words in your heart! And, you, My Child had a great dread in the pit of your stomach; for you sensed the terrible times ahead! But, in no way could I have prepared you for what you have had to face! For, Satan literally came after everyone, who was close to you and he picked them up and mind controlled them all and it worked on most of them, as they believed the lies, which Satan put in their minds against you! And, in so doing, he used your own family to try to put you in a mental hospital, believing that he would succeed and he would then be able to totally mind control you and to use you totally for his purposes!

This was, of course, after many attempts on your life, literally dozens of them, and most of them, you are totally unaware of! He used those, who were once your friends and family to try to destroy your credibility, to spread lies and disinformation about you, so that these works would then be destroyed! But, you did not give up, My Child, but wrestled these works out of the hands of your soon-to-be ex-husband, Dennis, as he was but a tool of Satan and out to totally destroy these works! And, his soul shall be damned, save he repents of this evil, along with the rest of those, who viciously attacked you without reason, and thereby became Satan's henchmen!

But, when you came back to the States, My Little One, you begged Me for more warnings for this nation. At that time, you told Me that you would go through whatever trials that you must face, to be able to continue on with these works! I knew that you would say these things to Me, but I also knew what trials you would face, all alone and continually in the face of Satan!

But, my heart rejoiced, My Child, that you were not content to take an easy path, but to stand up to Lucifer and to stand up to all of this henchmen, who were also once your friends, but under mind control of Lucifer, and knowing it not, had done his bidding to destroy you!

 From The Mountain Prophecies Copyright 2006

But, his mind control did not work on a few and a few have remained your true friends, for their hearts have been full of a true love for Me, My Son and for you! And, their minds could not be controlled to betray you! Now, many would find what I say to you totally unacceptable and incomprehensible! Why would he do such things, employ leaders of nations, and expend literally billions of dollars to fight you and to destroy you!

Obviously, there is a very big reason; and you are not just any ordinary citizen of Arkansas. You are the long-awaited White Buffalo Calf Woman, whom the Native Americans have awaited for many hundreds of years! And, this White Buffalo Calf Woman is also the Woman of Revelation Chapter 12, who was also the woman, who gave birth to My Son, Jesus, Yahshua. This, My Child, I have shielded from you all these years, all in order to protect you as long as I could; for I knew what would befall you in the last days. But, Satan has known; for he has been able to see into time! Yet, as long as you were lost, you would certainly not fulfil this purpose and all would be lost, or so he thought! But, he did not know that I love you so much that I would send My Son, Moses, to teach you, and Satan did many things to interfere with this! Satan has put huge roadblocks in your path, terrible obstacles, and you were only a spiritual baby, having been lost and in need of much training, in order to grow!

Therefore, I removed you from the churches and I taught you, Myself, through My own Spirit! Yet, your life has been one of great travails since My Son visited you in 1987, and shortly thereafter guided you back into My light, wherein your spiritual gifts were restored. But, truly, My Child, no one would line up for your work! How many true friends do you have? How many in your earthly realm would want to walk a single day in your shoes? How many would want to lie down in the face of Lucifer and get up in his face? How many would want to suffer the losses that you have endured, all for love of Me, love of My Son and even for the love of those, who have abused you, mistreated you and despised you?

But, even so, this is the way of the world! And, one is blessed indeed to have two true friends, who will not leave or forsake one when times get difficult. So, truly, My Little One, you are blessed above all women as I have told you long ago; but at that time, you knew it not and you understood it not! But, I do want you to understand this, My Child, to receive it; for I know that you struggle with it; for in your mind, you are a lowly sinner, delivered only because of grace! You think lowly of yourself, My Little One; for you only see a small part of the picture, that is that you have been persecuted, burned and tortured for love of Me and My Son, but in your heart, My Child, you feel lowly, unworthy of My great love, unworthy of My great blessings.

But, you are worthy, worthy as I, Myself, have called you to go through this very suffering! If you were not worthy, you would not have made it through three years of Daniel experiences! But, you have made it!

Now, My Little One, comes victory over Satan and victory over all of your enemies and this great victory began in a great way today! For, Satan, not believing My powerful words of the 24th of January, 2006, decided to put more implants into you as you slept in a motel, even in the light of day! He put them into your left hand, into your arms, your cranial nerves and other places to torture you and to cause you pain! But, it is as I told Him! I now have My feet on this Earth and also for his total defeat!

So, today, My Child, your victory is sweet, as I brought you with Me to a very special place, called hyperspace and I showed you therein all the open doors, and I, myself, began closing these doors, but the very last door, I allowed you to close and to lock; for they have tortured you so via their abilities to use hyperspace!

So, this one great deed I gave to you, but before I allowed you to close this great door and to lock it forever to them, this being one great door, which leads to many, I Myself, took three of Satan's large saucers three among those, whose inhabitants have tortured you so and I threw them into hyperspace and told you to shut the door on them, wherein they all perished! They blew up and one left behind began to yell to you, to blame you and to accuse you of destroying two of their crafts, but there were three large ones destroyed at this point.

But, not just these, but all, who were on any part of this planet, who were in hyperspace, when I slammed these doors, and in so doing I essentially sealed their fate! They all perished! And, I tell you, My Child, that these were many and Satan will rue the day that he did not listen to my warnings to Him; for indeed my great judgement against Him has been without further warning. It has been final and greatly devastating to him and to his forces. Indeed, he lost a very big chunk of his kingdom today!

Too bad for Satan, My Child, that he chose to implant you further and to torture you after I warned him; for he lost in a very, very big way today and all this is so, My Child, first and foremost because of his great persecution and torture of you, wherein he had such successes, or so he thought, that he and his got very arrogant! They got very proud and haughty, believing that I would not do such as thing to them! But, it is now done and I am going to reduce Satan to a common man with supernatural abilities! He will no longer be prince of the air, for without hyperspace abilities within the Earth, all of this saucers amount to nothing more than fancy airplanes!

 From The Mountain Prophecies Copyright 2006

My Little One, this is your victory, my great victory to you, and but one for agreeing to go through such terrible persecution for love of Me, My Son and for love of your fellow brothers and sisters. For, because of Satan's great persecution of one of My Loved Ones, via hyperspace over such a long period of time, I am justified in this great judgement and also now bring this great victory to you! And, as I have told you just now, your three years of back-to-back Daniel experiences are now coming to an end.

This was decided long ago and has been required of you, and you, My Little One, have been faithful in the discharge of your duties! You are blessed, My Little One, and you are truly blessed above all women; for you are Woman of Revelation 12, the White Buffalo Calf Woman. And, it makes no difference whether another soul believes it, but you must believe it, My Child, for in My Kingdom, you are my Queen! May all receive the truth and may all go in love and honor for Me, My Son and for one another!

I am your Father in Heaven, yea Yahweh, Most High God.

Well, my Dear Ones, I do not know what all of this entails, but when I came out of the motel room this morning, there was only one saucer in the sky! But, last night when I went out to get dinner around 10:30 PM, there were military craft in the sky, flying low and also one saucer, which was beaming me, which I was waiting at the drive up window. These laser beams were making pock marks in the windshield of the car, so know that when they go through your body, they can create great pain!

This is proof that I am a walking miracle from day to day, as the war against me has been great and they have lasered me all over my body and have repeatedly burned me with microwaves. Blessed is the Name of our Father, Yahweh, for He has kept me alive against great odds!

As I was leaving the motel this morning, a saucer followed me and kept beaming the car with lasers! Then, I began to pray and ask our Father in Heaven to send his saucers down here and to blast that thing out of the sky. After a while, it backed off and I came home to type this message!

Dear Ones, the great war is on! You had best get spiritually prepared for what lies ahead; and I tell you that it is not a pretty picture! Only our Lord and God can help you! Get close to Him and stay close; for you are going to need Him!

# CHAPTER TEN

## Out of Bondage To Satan

## "Because of Your Suffering, Alone…"

My Precious Child, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God! My Child, I come to you in the early morning hours of this very important day; for on this day, My Little One, I am taking you out of bondage to Satan, which I, myself, have allowed so that when the time was right, My great judgement upon him would be complete.

My Child, what you have been through has also been the work of a sacrificial lamb among predator wolves. Yes, My Child, I have put My word in you and you have proclaimed My word often amidst great sorrow and great persecution. You have gone unarmed among the greatest militaries of the world, and they have sought to make you their own and to break you through torture and persecution so that out of your brokenness and sorrow, you would give up your free will and do their bidding! But, they have not broken you and you have not chosen to do their bidding! But, in spite of all that you have been through, My Little One, you have a deeper faith in me and you have a deeper love for Me and for all of humanity, enough so that you willingly laid down your life for Me and My Son, so that you might take it back up again.

No one will ever know what you have suffered in this Earth because of love of Me, love of My Son and love of humanity; but I do, My Little One, and soon, very, very soon, I am coming for you! Blessed are those, who can see this and who know it; for they, too, will be counted worthy to go! And, this time, is quick, My Little One, quick as a flash of lightening.

You are ready, My Child, for I have made you ready for this momentous time! What you have done for humanity in this life will be remembered for time immemorial and while many may think that you have done little, every soul, who leaves this Earth and comes to Me during this Great Tribulation, will remember you, My Little One, and they will thank you for the work you did for me which will bless everyone, as he or she leaves the Earth and comes back into the Earth again! For, your work extends beyond the Earth and into dimensions beyond the Earth.

And because of your suffering, alone, My Little One, and because of your heartfelt prayers on behalf of all of humanity, these evil ones will not use hyperspace as they have and will not use this medium again to further enslave humanity. And, while their weapons of terror are many and vast, I have crippled them severely this day and "only" and I say "only" again because of the terrible abuses, which you have suffered at the hands of Satan and those in the U. S. Government, especially and including George W. Bush and Bill Clinton! But, the worst of the two for you have been George. W. Bush, and these things he did to you in spite of the fact that My warnings through you saved his life!

Today, My Child, marks a great defeat for the U.S. Government, for George W. Bush, for the CIA, for NSA and the FBI. For, all of their combined efforts, plus the efforts of Satan and many others in government failed to kill you or to make you bow down to them.
Know My great love for you. You are alive only because of My great miracles in your life! You are My prophetess, the real Woman of Revelation 12, the birth mother of My Son in the Earth; and know one thing. I come for you very, very soon and with you all, who are counted worthy. Post this as Chapter Ten of Book Twelve!

May all go in love, one for the other, for now comes the day of My wrath into the whole Earth! Let all be warned and let all be the wiser; for you will need one another in this terrible war! Come closer to Me and My Son! Repent and make yourselves clean through love and forgiveness and stay clean through obedience to Me! Love Me above all and love My Son; for many will forsake you and many of you will find yourselves alone and under persecution, just as has been the case with My servant, Linda Newkirk.

Remember her example when you suffer torture for love of Me and My Son! Rejoice and be thankful that you are counted worthy to suffer persecution for love of Me, love of My Son and love of others. For, your persecution is for but a short while and then comes your great victories!

I am your Father in Heaven, yea Yahweh, yea Jehovah, Most High God.

# CHAPTER ELEVEN - PART I

## "The War With The Dragon!"

My Dear Ones, as I think back on the last week, plus very few days, it is even difficult for me to grasp the profundity of all that has happened, or to even accurately describe what I have experienced! For, these great evils against me are the works of powers and principalities of great darkness, with the US GOVERNMENT MILITARY now fully under control of Lucifer and also fully in possession of Lucifer's technology! So bear with me and I will do the best that I can to explain what has taken place; for we are now seeing vividly the great snare, which been sprung on all of humanity.

### Satan's Terrible Attacks!

Satan was not at all happy about my writing the last chapters of Book Twelve and he attacked me as I slept in the motel room. I awoke with a terrible headache and a terrible burning in my head and I knew immediately that they had abducted me, even as I slept in the motel room and during the day. Immediately, I began to look in the Spirit for what they had done to my head, and I could see dark bands and also many implants, which were stuck into my skull and great areas of darkness into my brain also. I felt nauseous and it was hard for me to wake up and go into the Spirit to help the angel get these terrible implants out of my head. But, this was a mandatory thing, if I were to survive and to be free at all.

### The Great Love of our Lord and God!

So, we began this long work of removing these implants, which took many hours. But, not only had they put these things into my head, they had put more into various parts of my body and this was another thing. After many hours of removing these terrible things from my body, the burning in my head began to subside and I felt that I should then go on home and check on my animals. And, this is what I did, but once I got home, I strongly felt that I should not be there as I was really tired and in need of some rest.

### The Great Arrogance of Satan!

So, I stayed for a short while and then came back into town and rented another motel room, but there was to be no sleep as these evil ones pounded the implants, which were attached to the tendons, ligaments and muscles in my body and just as I was about to fall asleep, they would cause a limb or a

body part to jerk violently and to awaken me. Satan was greatly angry with me for writing the last chapters of Book Twelve and this was his now great punishment against me! For four long hours, these evil ones pounded these implants in my body and there was no sleep to be had! And, it was during this time, that I decided to seek our Father about these attackers and to find out more about them! So, it became a time of "their looking at me, and my looking at them!"

## Humans, who have sold their souls to Satan!

For quite some time, I have known that humans are sitting up in the sky over my house in some of the saucers! I have repeatedly seen their faces and I have repeatedly heard their mocking and scorning remarks about me! But, on that afternoon, which was Thursday, the 27th of January, I got a very good look at many of them. As I sought our Father in Heaven to reveal more to me about these stalkers, it was as if the whole side of this aerial craft suddenly disappeared and I could see them very clearly. Not only could I see their faces, but I could see their names and where some of them even lived, all citizens of this great country of the USA! I could see the family members of some and even the military rank of others.

Yes, indeed, they became clear to me and as I looked around inside their hell ship in the sky, I could also see my own file, which was very thick, and this file was labelled "experimental!" I could not believe what I was looking at! Shocked, I was, but from all that I have endured, also knowing that I was seeing the absolute truth!

Then, I saw the files of two others, whom they had killed via their torture and reckless disregard for life, and one was a woman journalist, who got on their bad side! They drove her to the point of suicide with their mind controlling and drugging and the man was killed via a hit and run "accident!" But, my Dear Ones, these were only two files! There were many, many files and I suppose that I got into the files of those, whom they had killed.

## The US NAVY is Rotten to the Core!

And, who are these hounds from hell? They, my Dear Ones, are the US NAVY! And, this air ship from hell, this "reprogramming" ship from the bowels of the fiery furnace is called a US NAVY "TECH SHIP!" And, this tech ship also had a number, which was assigned to it, a serial number of four numbers!

On this tech ship, I saw the neurosurgeon, who was waiting to get his hands on me next and I saw the long, wirey implants, which he planned to ram in between my ribs. I saw the psychiatrist, who was an older woman in her sixties, a dyke, and she was telling of how many hours she needed with me to

subject me to more terror and torture in order to get control of my mind and at the same time, this neurosurgeon from hell was telling how many hours he would need to put all of his torture devices into me! What a shocking look at reality!

Then, I saw the young man, who fired the lasers at my car the night before as I went out to get food, thereby making pock marks in my windshield and digging into the metal of my car! One beam hit me in the foot, went all the way through and caused me great pain! When such a beam breaks glass and puts serious dents into metal, you can only imagine what it will do to ones' flesh! They can easily kill one with these laser beams!

But, honestly, my Dear Ones, even before our Father in Heaven made me see that afternoon that this was US NAVY, I certainly knew that these were in fact military craft several weeks before! For, He had warned them of what He would do to their aerial craft and as you will read below, three US navy planes have crashed in as many weeks, and not in earthly war situations at all, but only in their war against me and our Father!
But, if I had not known of this already, I certainly knew that these sky stalkers were partly US military on those two nights that I was staying in the motels. These particular motels are fairly close to the Little Rock International Airport, and because of this, these military craft (saucers) had to obey their own laws and fly with their landing lights on, as they were so low in the air!

Can you imagine it? "Saucers" flying low over the city with landing lights on, though most of the time stationery and few, if any, the wiser! That very fact totally confirmed to me what I had been seeing in some of the craft over my house! Humans in military dress, mocking and scorning at me, who were parked above my house in these stationery aerial craft, otherwise known as "saucers," but "tech ships" to them!

But, as they fired on my car, low in the sky the night before, I could not be totally sure that they were, in fact, US Military, but the events of the following day as I looked into one of their "tech ships" would clearly solve any and all riddles!

### The US Navy's Abducting, drugging, mind controlling and killing sprees!

### They think they are gods!

Yes, indeed the US NAVY, abducting the unsuspecting, branding them like animals, drugging them, mind controlling them, killing them and covering up all! Not one single person on the whole planet is safe; for

 From The Mountain Prophecies Copyright 2006

they do all of these horrible things and then erase ones memory through mind altering drugs and hypnosis, just as Satan has taught them to do so well! Yes, indeed, the US military kidnapping, drugging, mind controlling, raping, pillaging, torturing, hounding and stalking US citizens, and no doubt their enemies all over the world! And, who is even the wiser!

## People in Denial! Or under mind control?

"What saucers? You have seen no saucers," as my ex-husband, Dennis, said to me that day when he was fully under their control, "Saucers do not exist! You could not have seen any because they do not exist!" And, all of these things and more, he spoke, in spite of all the late night programs, which we two had listened to on the Internet so many times, listening to eyewitness accounts of those, who had seen them! And, also in spite of the fact that he and I had witnessed two of them, while we were together riding along in our vehicle! We both knew that they existed, but suddenly Dennis was telling me that thy do not exist and that I could not have seen them as they do not exist. Old Navy Man, former navy nuclear reactor operator, Dennis, faithful to them, even until the end! And, so it is with so many! None are so blind as those, who will not see!

## The Spirit of God Often Shows me their torture plans in advance!

But, back to the accounts at hand regarding my previous stays in motels. I live about 35 miles northwest of North Little Rock and there in the sky on that night, wherein I was leaving the motel after four hours of their torture, I looked up to see their tech ship, low in the sky, travelling with its landing lights on! It waddled out across the sky as it made its was ahead of me, all of the torturers foaming at the mouths to get their hands on me, to carry out their plans and orders for the day.

Yes, indeed, they had their long, wirey implants lined up to put between my ribs and their implants lined up to put in my gums and some into my feet and elsewhere and they did not want to miss their scheduled round of torture! So, out they flew ahead of me, like school children, waiting for their treat!

I saw the tech ship up ahead and then I saw that it had come to a complete halt in the sky and as I neared it, Oh what a show! They would have made Satan very proud! There it was, hovering, over to the right side of the road, barely above the treetops and not far beyond an overpass. And, showing off, for all the world to see, it turned its bright, white lights on and blinked them several times, making a very big light show and then, turned all of the cabin lights on and off several times, revealing the circular shape of the craft, but all the time it also had its red and green landing lights on! Clearly, military, and the US NAVY at that, just as I had been shown through the Spirit of God!

## Our Father in Heaven struck down three of their planes

What is most interesting about this profound revelation of the US NAVY saucers is that some weeks before, as I have mentioned above, is the fact that our Father had warned the "human" stalkers in the "saucers" to stop kidnapping me, implanting and torturing me, or he would bring their craft down, that he would begin to explode them in the sky! It was only very few days after his warning to them, that I read of a navy plane that went down in Tennessee! Reports later confirmed the wreckage of a US navy plane, which was apparently found in Georgia. Then, about a week after this one went down in Georgia, another navy plane went down in Texas.

The report, which was put out by the navy is that both of these planes were training planes with an instructor and one pilot trainee aboard, so this, of course would put the crash on the shoulders of a "stupid" trainee.

My Dear Ones, I do not believe a word of it, but it is highly unlikely that we will ever receive the truth from the Department of Navy, which is squarely under the command of Satan, along with the rest of the US military. But, these two were not the only US navy aerial craft to crash within around a three-week timeframe! Last week, another navy plane crashed as it was going into Australia to be refuelled, if this is to be believed! There is one very large US underground base in Australia, a "saucer", time travel command post!

At any rate, my Dear Ones, three US navy planes have crashed in as many weeks! Yet, our Father in Heaven warned them in advance and He meant what He said! Our Precious Father in Heaven is mightier that anything that they could ever think of and He, in His mercy has sent angels to help me get these terrible implants out!

## The Great Mercy of our Lord and God!

And, our Saviour himself, has often appeared and helped to remove any and all of their so-called mind control programming, which they have tried to put into me, even subjecting me to electro shock in an effort to shatter the neurological system of my brain and thereby insert their demons from hell! But, their plans have come to naught, for our Saviour is mighty! He is powerful, my Dear Ones, and He is able to do all things. And, He and our Most Wonderful Father in Heaven have kept me in spite of the fact that Lucifer has set out to destroy me in every way.

 From The Mountain Prophecies Copyright 2006

So, my Dear Ones, even though I have had to stand alone against the dragon, as no humans have been there to hold my hands or to help me get through, I have never been alone spiritually! For, our Lord and God has always been with me, even and especially through these darkest of times!

### My Eyes have been on Satan and his eyes on me!

What I write, many have already experienced, many are currently experiencing, and many are yet to experience. But, my Dear Ones, I have survived this far and am one great walking miracle as I have to lie down in front of the dragon and get up in front of him! He never takes his eyes off me, and of late, I never take my eyes off him. For, after defeat of many of the navy's doctors and medical team, which I will tell you about, Satan, himself, came after me with a greater fury! And, you can read about this in Part II, as follows!

# CHAPTER ELEVEN - PART II

## THE WOMAN AND THE DRAGON

My Dear Ones, I am but a woman, a child of God, and without ambition in this dark world. My great desire is to do one thing and this one thing is to do the will of my Father in Heaven and to please Him! I aspire to nothing in this world, and desire little in it, except to live a clean life, and to do my Father's will! I long for nothing, save to be with our Saviour and Father in Heaven. I aspire to no public office, despise violence of all kinds and hate evil, but am as harmless as a dove. I wish evil upon no one, but delight in the righteous judgement of our Father in Heaven; for He will surely clean up this evil, which He also hates. So, in this way, my Dear Ones, my prayers are bold and I am afraid of nothing or no one, but have a deep love and great respect for our Creator and fear His great power and take nothing for granted, knowing that I am a sinner and that each and every day, I am a recipient of His great love, mercy, grace and honor. Therefore, I strive to walk humbly before our Lord and God, realizing that I am totally unworthy of His great love, but altogether thankful for His abiding love, great faithfulness, abundant blessings, constant protection and awesome power . Blessed is His Holy Name! He is worthy, my Dear Ones, worthy of all the praise and all the glory forever and ever!

But, my Dear Ones, Our Lord and God, our Father Yahweh, Jehovah, has decided that Satan would persecute me! For, He has foretold this in the Book of Revelation, Chapter Twelve. He has told me repeatedly that I am this singular woman of Revelation 12, the greater woman also being the clean souls, the Bride of our Saviour! So, my Dear Ones, prophecy tells us in Revelation Chapter Twelve that Satan will persecute this woman, but honestly persecute and torture would have more accurately described what Satan has done to me!

### These evil ones surveille my every move!

So, my Dear Ones, this has been a terrible war between the Dragon, Satan, himself, and me! Though it is really a war against our Lord and God, it is truly now directed against me; as our Father in Heaven tells us that this Woman of Revelation Chapter 12 was also the spiritual birth mother of our Saviour! And, my Dear Ones, this is very hard for me to grasp, but as our Father has told me this and stressed that I must believe it, even if no others do, I do accept it and in so doing, I understand why Satan hates me so and why he has made me his personal target and why he surveilles my every move and why he has done such horrible and merciless things to me!

 From The Mountain Prophecies Copyright 2006

My Dear Ones, there is little doubt in my mind that I am perhaps the most surveilled woman on the whole Earth, if not the most surveilled person, and who is the wiser? So many nights, the sky over my house is full of large saucers, which all look like very low stars; and who even looks up? Who, among my neighbors, even knows that Satan sits above them night after night? Who?

### Revelation 12, passing people by!

People do not even look up and when told the truth, they find every means to shut it out! It is amazing how much in denial people are to the very facts! Nevertheless, I tell you the truth and most all reject the truth, instead choosing to believe as they will. But, I tell you that Revalation Chapter Twelve is on-going and will soon come to an end; for surely our Saviour comes very soon and He will take me if I am so counted worthy and He will also take those souls, who are clean and ready to go! But, even so, most will still not believe and it is as our Father in Heaven has told us, that it really does not matter if anyone believes. I write the truth of what is going on to the best of my ability and the chips will fall where they may!

### The US Military Doctors from hell!

But, as I was stating in the beginning of this chapter, many things have happened during the last week, and through these things, our Most Wonderful Lord and God has revealed much. It was approximately midweek of this week, when I was lying on the sofa in my house, with my cat in my lap, that a most amazing string of events took place! My cat is totally observant of spirit entities and often times, I must ask the Spirit of God what she is seeing as she sees them before I do and the Spirit of God will then show me what she is seeing. And, most often, it is an angel, but also at times one of Satan's own, who is there spying. And, this spying has elevated itself to a feverish pitch lately; as Satan is always spying on me! He never lets me out of his sight, not for one moment in time!

But, on this night, I readily saw what she was seeing, even though my back was toward the intruders. I quickly tuned in via the Spirit of God and I saw them clearly through the eyes of the Spirit of God; and what I saw was shocking to me, but did in fact reveal to me how they can enter into one's house, do surgery on the unsuspecting and get out, without anyone being the wiser, and even during the light of day!

Relative to this very topic, some of you will remember that I previously wrote of how I awoke one night shortly after I returned from South Africa and there in my room, hovering above my bed was a man, who was dressed in a white lab coat. And, from that very experience, I was left wondering whether this were

an holographic image, or whether this man were really there to do something medical to me. Now, I know that he was there to do something medical and most probably to put in some sort of implant.

### They're Shifting Space and Creating Alternate Realities!

My Dear Ones, somehow, they are able to shift space as we know it and operate at a different frequency and while they are still on the same plane as we are, they are in a different energy form. And, while in this form, on such a terrible mission, they are no more or less than demons from hell on a hellish mission!

So, this is what I saw that night in my own living room and this is what my cat was looking at. She was totally absorbed in what they were doing and not the least bit afraid as she has apparently seen them so often, because usually she runs from strangers. So, I know that she has seen them often because she was not in the least afraid of them! The man in the white lab coat, who was speaking with her was a bald-headed man, who had hair above his ears, which wrapped around the back of his head, but not much of it, with none on top; and his hair was. He was reaching out to my cat and even calling her by name, saying, "Come here!"

But, I tell you, my Dear Ones, she did this man as does me when I call her to cut her toe nails. She made a gutteral sound, which sounds just like "no" and then she jumped off my lap and ran under a chair! Truly, she saw this man and the others with him and she responded in a very negative way to him, but not in the least bit afraid, as I have said. For, these stalkers have been in my house so very many times to do their horrible medical experiments on me, and prior to this experience, I could not be sure as to how they got in and how they could do such things, even in the light of day!

### They have big reasons for keeping the people dumbed-down!

But, now, the water is at least somewhat clear, even if I do not understand the manner in which they do these things! For, the US Government is clearly in possession of Satan's technology, and has been for many years, while they lie to the whole world and maintain the lie that these types of craft just do not exist. They take the public reports and bury them as deeply as possible; for the ignorant masses must never wake up until the noose is tight around their dumbed-down necks and then, who will be able to do a thing about them. And, the time of the snare is now, my Dear Ones! The snare has sprung upon the whole earth! Satan has been cast down from the Upper Realms and is going about commanding his militaries of the world, the US military being his chief pet, and who is the wiser?.

 From The Mountain Prophecies Copyright 2006

But, that night, as I saw several of them behind me, I thought of them as no more than demons from hell, souls, who are not operating in accordance with laws of this sphere; and I began to bind them under the power of our Father, Yahweh, in the Name of Jesus and to command them into the Lake of Fire! And, I saw them go, one by one, under the power of the Most High, one of them being very tall and strong in the spirit, carrying some sort of weapon. But the power of God came upon me and he lost! He, too, was cast into the burning lake and out through the wall went the last remaining two, or so!

But, my Dear Ones, their orders from Satan were strict to get me; and it was not long before I saw more of them in the kitchen and it seemed that they came into my house in some sort of "tube", a reality within a reality, if you will. They were clearly there and even brought their own table with their instruments and implants on it, but their reality was existent within the reality of my kitchen table and chairs, which did not disturb their reality at all.

## Cast them into the Lake of Fire!

But, again seeing what they were up to, I did to them as I did to the others and some disappeared off the face of this planet! My Dear Ones, this went on with several groups of them, all coming for me, medical personnel, and many of them disappeared into the pits of hell as they have no legal right in this sphere to operate that way! And, in and out of my house that night were also many, many of Satan's reptile hoards and I knew that they were desperate to get me!

Earlier that day, I was indeed very angry with Satan for putting these implants into my ribs and into other parts of my body and also because of the fact that he kept sending his hounds into my house! And, as I went about my prayers and praise, I could see Satan very well!

## Our Saviour' Warnings to Satan go Unheeded!

Our Saviour had also warned him again to stop his persecution, and that if he did not, He would break the backbone of Satan! This warning, He had issued a few days before, but Satan, being the ultimate psychopath never heeds such a warning! So, early in that day, or perhaps it may have even been late in the previous day, our Father in Heaven had sent me with his sword to break the backbone of Satan and this is what I did in the Spirit! He also sent me into the United Nations and there before me was one very big table. Our Saviour ordered me to take His sword and to pummel this table and to break it into many pieces, so many pieces that it would never be put back together again! And, five or six people, our Saviour also ordered me to remove and cast into the Lake of Fire! So, my Dear Ones, I have done these things and Satan was indeed very angry with me, but this great judgement against him was what he

chose, as our Father in Heaven had warned Him and when our Father ordered this organization destroyed via his breaking of Satan's backbone and the subsequent breaking of this table, he told Satan at that time that He would soon destroy the United Nations and that this would not be his pawn as he so believed and that the very life of this international body is now very short!

And, of course Satan was very angry and he had ordered so many medical personnel to come and take me, but many of them wound up in the Lake of Fire! And, as Satan was doing these things, I went in the Spirit I took a handful of the pudding-like holy fire anointing, which is the pure power of God and I slammed this into both of Satan's feet and into the backs of his hands.

### This Attack Against Satan made him furious!

I knew immediately that this holy fire burned him and I could see it burning his scaley flesh! Then, I took my fiery sword and I beat him about the body and neck and he, in his mocking way, turned his backside to me and turned his rear end up to me and I took the sword and I beat him seriously all across the back.

Then, finding in my hand several objects, which looked like many of the implants, which he had put into me, yet they were all made of the fire of God, I began to throw them like fiery darts into his various body parts! Into his legs with rods of white light fire! Into his joints with holy fire darts! Into his head with whip-like objects, which were made of the fire of God and so these things, I whirled into his arms, chest, face, etc, and Oh, my Dear Ones, he was mad!

I could hear him roaring all that day and into the early morning hours, "Get that woman! I want her now!" And, in and out of my house many of his reptile hoards came and went and this took place throughout the night, but when I would see any of them, I would take authority over them and command them into the Lake of Fire. So, he lost many!

And, after the US NAVY lost so many of its medical personnel, I could hear those in the US Navy ships as they talked of their losses, stating that this was a chance which they knew they would be taking by coming there like that. And, they were all concerned as they had lost some of their best military doctors!

### What a Terrible War!

My Dear Ones, what a terrible war, the dragon and the US military against one, singular person. It is totally shocking, even to me as I tell you the truth of what is and what has been!

 From The Mountain Prophecies Copyright 2006

The night of the great numbers of satanic visits, I stayed up as long as I could and near morning, I began to get very tired and knew that I must rest, knowing full well that they would get me. I tried to stay awake, but fell asleep, hearing the roaring of the craft over my house; and I knew well what they would do. I went to sleep shortly after 7:00 AM and woke up sharply at 9:34 AM. I looked at the clock and as I looked at the time, I heard a big banging noise outside and above the house. It was them, those in the saucer taking off, and at that instant the power went off in the house, the clock resetting itself at 12:00, blinking red before my very eyes.

### Satan, out to make me his slave!

My head burned like fire and my whole head was ringing like it was on fire with electricity! I sought the Spirit of God and called on our Father in Heaven to help me and His Spirit showed me layer upon layer of things that they had put into my head and many, many implants. My head was on fire as they had surely shocked me or burned me with some sort of electricity as they had done just about five days before, and only about two days before this! Then, I had to get more implants out of my scalp, in addition to all of the implants, which they had put in between my ribs. They did to me just as I saw they would do; as I had seen their plans!

But, this time, Satan went for the gusto and he was determined to steal my mind and to make me work for him, to make me his slave. But, my Dear Ones, I do not agree to such a thing and I am a Child of God. So, the angel and I got to work under the anointing of the Spirit of God and truly, it took at least seven hours of working in the Spirit to get these things out. They put layer upon layer of things into my head and we had to get them out layer after layer. Satan even put the number, eleven, into my brain and this, too, was removed! Our Saviour came and showed me how they had tried to fracture my mind, and apparently with electroshock, but He also healed all of this and destroyed all that they had done to me.

### Satan has a physical body, like a Dinosaur

### He is one of them, who survived!

By this time, my Dear Ones, my eyes were no longer glued on the US military personnal, but on Satan, himself, and he is one ugly monster! How in the world could people fall down and worship a Tyranosarus Rex? And, that is exactly what he looks like and that is what he is! Just one big lizard, who is also a fallen angel, not stupid, my Dear Ones, but quick, absolute evil incarnate, doggedly persistent, angry, foul, disgusting and wicked beyond measure. And, this evil thing is in control of the militaries of the world!

Now, my Dear Ones, after these many hours of working in the Spirit, it was time to praise our Lord and God and this is what I did, putting on praise music and loving, praising and honouring Him! Blessed is His Holy Name!

## Satan, out to steal our Father's beautiful vortex!

Then, my Dear Ones, I could see that Satan was out to severely weaken me, to destroy me and to seize control of the vortex, for up in the vortex, he had moved many of his military. They had moved up there and had established a base, and this happens often, but when the Spirit of God shows me their presence, our Father then sends angels to help me remove them and to cast them into the Lake of Fire. So, to date, Satan has lost perhaps a hundred thousand of his own reptile hoards, but that day in addition to his reptile hoards, he also lost numerous saucers! Many angels came to help me and together, under the direction of our Saviour, we removed them all and cast them into the Lake of Fire. And, Satan, seeing what was going on, was bellowing to the US military for backup! Can you believe such a thing???

I have told you previously about this vortex, that it is our Father's vortex and that He had me do a work for Him to open this vortex. This work took a solid one and one half years, and even up to two and one half years; for it began to open up in the year 2000 and was finished around late Summer of 2004. But, the serious work took approximately one and one half years to around two years! This vortex goes into thousands of dimensions, but the stairway of it is based on my spiritual DNA, which is the precious gift of our Father, and this spiritual DNA makes a stairway, which winds around and goes up to great heights.

Now, my Dear Ones, Satan is cast down. He cannot get out off this planet and he also knows that our Saviour has allowed me to do some work for Him in shutting down some of the interdimensional portals, which Satan has been using to access the upper realms. Satan knows all of this and he is furious about it. But, this particular vortex belongs to our Lord and God and when the time comes many pure and clean souls will exit the Earth through this vortex and when the time comes also many of the Supernatural Army will come into the Earth and then go back to the Mountain of God through this vortex. So, this vortex is important and this is just one reason that Satan is out to take control of me any way he can. This is just part of the great war and of course the rest of it is that Satan hates me because I am the Woman of Revelation 12.

Now, you understand somewhat why he has dogged me for three solid years, never letting up and never letting me out of his sight, not even for one moment. His intentions are to steal this vortex and obviously to defeat our Saviour, but my Dear Ones, I live for our Lord and God. He is my everything. And, yes it is

true that I have been through what few could ever imagine and what even fewer believe, but this is coming to a head and soon. For, soon, our Saviour will return for the clean souls and He will take many through this very vortex. These clean souls will go to a most beautiful place and they will wait there until the final three to three and a half years are finished! His blessed will be done!

Pray for me, my Dear Ones! I fled the house today as I saw Satan's plans and he was bellowing for his evil creatures to "Get that woman," as he was planning more torture through implants and more mind control schemes. I came into town and got a motel and began to rest a little and Satan began to pound me with beams into the ligaments and tendons, muscles, thereby causing the jerking of my various body parts, all in order to keep me awake.

## More Angelic Help!

But, my Dear One, I began to see the most beautiful sight. There was another angel, a very powerful angel with me now and this angel, was waving his hand over the implants and so many of them were coming out so easily and there was so much power. He was so tall, my Dear Ones, and I asked Him to tell me his name and he told me that he is one of the archangels, his name I will not mention here!

He told me that it is now time for him to come and to help me and that he was specifically allowed to come at this time as a certain humble person had prayed and asked our Father to send this particular archangel to help me. I asked him, "Who is this person? Do I know this person?" And, he told me that I do not know this person and it is not for me to know, but the prayer that this person was to pray at this time and also a prayer, which has been answered and is a prayer, which also blesses this dear soul, who prayed it. He stressed to me that now is the appointed time for him to come and to help me.

I saw the most powerful thing, my Dear Ones, with this archangel truly being an angel of great mercy and also power, as he was throwing daggers of fire into various body parts of Satan and Satan was howling from the pain. I also saw him remove certain of the implants from me and cast them into the body of Satan, but now they were made of the fire of God and not of earthly components! And, all the time Satan was howling! I asked him how long these would remain in the body of Satan and he told me that he would be able to get them out, but only with great effort and that these implants would burn him and cause him great pain!

Yet, in spite of this retaliation against Satan via this archangel, Satan was sending lasers into this room as I was typing this chapter! One evil and disgusting creature, but now our Father sends this angel of great light to help me and my Dear Friends, I am ever so grateful and full of humility at the great love of our Father in Heaven!

How blessed I am, my Dear Ones, to be counted worthy to go through such things for the love of our Most Wonderful Lord and God! How I love Him! And, all the praise and all the glory to our Father Yahweh, forever and ever! Blessed is His Name and Blessed is His Son, Jesus, Saviour of Humanity, truly God incarnate!

Glory, glory, glory, and praises forever and ever to our Lord and God; for He, alone is worthy!

# CHAPTER TWELVE

## Messages from our Father in Heaven

"My Little One, I am your Father in Heaven, yea Jehovah, Most High God. Now, has come the day, My Child, wherein My great chastisements are coming upon this nation and upon this world as I have long warned! Many believe that they have months or years to clean up their decadent spiritual lives and to live honorably according to My commandments; but I tell you that you have days and few weeks! And, when you see all come to pass, just as I have warned you, do not whine and wail about your lot; for you have most assuredly created it! You have chosen it via your disregard for honorable living and you have thereby set into motion a chain of destructive events, which will seal the fates of the rebellious and ungodly. But, even as I have promised, I am removing my pure and clean ones ahead of this great cleansing; for they have lived for Me, for My Son Jesus, yes Yahshua. They are pure! They are righteous and they deserve to be sheltered from My great wrath, which is coming into this Earth! But, do not think that this is some "rapture", as the blind churches teach! It is not; but a removal of the clean souls ahead of the terrible calamities in the Earth! And, be not deceived, you haughty ones, you filthy ones, you perverted ones, who fill the churches with your lukewarm and rebellious ways! I come not for you, and not any like you; but for the clean of hearts, those, who truly have neither spot, nor blemish on their spiritual robes! Yes, soon, very soon, and even as a thief in the night, unnoticed by the masses I shall come and I shall take My holy ones; for they are indeed now counted worthy.

But, the rebellious, the proud and haughty, the lawless, the mockers and scorners, these shall be left for the reign of Lucifer! And, many also, who love Me in their own way, but not wholly, who are still in need of a scrubbing, these shall be left! And, Oh what a howling is about to go up among you lawless ones, as you realize that you have forsaken your first love and there is now no one to help you as you face one cruel god! I say to you all, remember Me in your famines, in your deaths and dying, in your camps, in the foreign ships as you are hauled away as slave labor! Cry out to Me. I will hear your cries! For, one, who will not hear today, may hear tomorrow!

My Little One, you know the evils of Satan! You know his relentless stalking and his terrible persecution! For, you, My Little One, live it every day! Satan has done terrible things to you and so it goes with you from day to day! And, you have written about what you have had to endure from day to day with the terrible abductions, torture implants, etc, and who is the wiser? But, your time of trials is soon coming to

an end! Now come bitter trials, torture and persecution for humanity the world over; for Satan is a cruel taskmaster and he now comes to devour the whole Earth!

But, as for you, My Child, I am with you and from day to day, I go with you, or you would have surely been dead long ago! But, as for Satan and his attacks on you, he knows that for his repeated attacks, he loses in a big way! Now, I have sent you many legions of warrior angels as you have asked for them, and for as long as you remain in the Earth, I shall send you and these angels up against Satan and his for great defeat! Even as you have asked, I shall send you and My mighty angels up against him and his hoards and there shall be one great slaughter in their dens in the Earth and in the air and he shall suffer great losses, the very great loss in the early morning hours of today being his own head! Yes, indeed, I sent you to the Red Dragon, himself, to warn him to pull back his evil hoards and to stop his persecution, lest he suffer! And, he did not; but continued on! Therefore, I sent you with My sword to cut off his head, a very important head, which is both a nation and a very important individual! Now, this head is severed from his body and this shall manifest very soon in the physical realm! For, this nation, a great nation, even the USA, I shall cut off and another of his very important heads, a man, I shall require of him! His persecution and torture of you, My Child, shall cost him in a great and mighty way! And, more comes if he so chooses to continue in this way! Mark My word on this! What this means to the whole world, My Child, is serious, serious indeed! For, precious, little time remains for America and the jig is soon up for this evil head! I am your Father in Heaven, yea Jehovah, Most High God.

## Second Message from our Father in Heaven

“My Blessed Child, I am your Father in Heaven, yea Yahweh, yea Jehovah, Most High God. Look to the moon and look to the stars; for great anomalies in the heavens shall not focus their attention on this spiritually sick and weakened Earth. For, as you know, My Child, as she traverses through her path, her bellows and screams can be heard throughout the universes, one wave affecting another until the attention of many stars and many planets is now focused on this Earth and her great pain and suffering!

 From The Mountain Prophecies Copyright 2006

For, look what you, as a people all over the Earth, have done to her in your unbridled greed! Nations upon nations sucking her lifeblood and polluting her waters! Military powers, all evil to the core, polluting her skies, all in order to deceive and conquer, and not one nation has risen up against such! Your United Nations is a rubber stamp for such raping and pillaging of this planet and not one nation has taken a lead to save the Earth on which you live! Now, the stars in the heavens cry out and even distant luminaries take note of the gross cruelty, which you, as a world of people, have exerted on this sick and dying Earth. Their cries come up to the Creator of All Things, a great call for a cleansing of this evil, which has taken such a deep root! And, all over the Earth, My righteous ones plead for vengeance against these lawless, reckless and evil forces, which have aligned themselves for total eradication of all humans and for a terrible cleansing of this planet through disastrous weapons of terrible and massive destruction, that they may own it all!

But, the heavens cry that this should not be so, as is planned; for such a thing would destroy this planet and all life on it. Therefore, all will not go as they plan; but all will go as I plan! And, yes, I, Myself, have decreed this cleansing! I, Myself, have decreed this destruction, which is at hand for all of humanity! The time of upheavals in the Earth, such as mankind has never seen, is at hand, and all will see My hand in it. And, quickly now, I come, with all My power and with all my forces to clean up this mess on this planet! You, all of you on this Earth, are responsible for this mess and you have a collective debt, save you have repented before Me with weeping and sorrow for the destruction of this Earth!

Therefore, I say to all of humanity, to each of you collectively! Repent of your part in the destruction of this planet; for none of you is innocent! All of you have lived deliciously from the bounty of this Earth and all of you should show your gratitude to this planet, your home, who now faces her own death, save I, Myself, correct the problem! And, very soon, I shall, even with just one wave of My hand, and I shall clean much evil and corruption off this planet! And, this is soon, much sooner than any of you could, or would imagine!

Get your affairs in order; for in one day, I shall reduce the population of the Earth by many hundreds of millions! Get ready, America! For, you face not only war on your own soil, you face a financial meltdown and unprecedented calamitous events within the Earth, itself! And, the famine and diseases and deaths, as few can imagine, and the time is now, not to be put off until some future date, but now! You will soon see that I mean business about what I say! My days of pleading with a proud, haughty, and stiff-necked nation are all but up!

I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God.

## Third Message from Our Father in Heaven

"Father, last night, You sent me to warn the Red Dragon, Satan, Lucifer, the Devil, to stop persecuting me, or you would cut his head off! But, he did not stop, Father! And, early this morning, you sent me to cut off the head of the Red Dragon! I then took Your powerful, spiritual sword and whacked into his big, thick neck, one, two, and three sharp times and then his head and about one half of his neck was severed from his body! So, there was the Red Dragon, which was decapitated! Father, what do these three strikes mean?

My Child, it is as the saying goes, "Three strikes and you are out!" In this case, with the three strikes, soon to come upon it, America will be out of the world scene! It will be effectively removed as Lucifer's head nation and soon, very soon, an evil and powerful leader will also fall! This leader is now Satan's head all over the Earth; so Satan will have to get a new head. But, I tell you, My Child, that he has expedited all of these things because of his continued torture of you! He has been warned! This leader has also been warned to stop the torture; but does not believe! But, soon, very soon, he shall fill his own coffin! And, though many will be shocked, few will mourn his passing!

But, what are the three strikes against this nation? My Little One, they are as follows, and these are all imminent!

1.A nuclear attack on America of great severity;
2. a total economic meltdown;
3. and, terrible upheavals in the Earth!"

"But, Father, I don't totally understand why You have me deliver these strikes."

 From The Mountain Prophecies Copyright 2006

"My Child, you are the Woman of Revelation 12, the White Buffalo Calf Woman, who was also the earthly mother of My Son in the Earth! I love you very, very much and you are under severe persecution as few could imagine, persecution by the US Government and persecution by Satan and his reptile hoards! Yet, you love Me so! You honor Me and sing to Me through your great afflictions! My Child, I will expedite certain events in this Earth because of the great suffering, which you go through daily! I will compress time and set into motion what I have foretold to also shorten your own torture and suffering! This, I will do and therefore have given Satan the choice to stop this persecution, which he does not honor! Therefore, I soon come for Mine and I shall soon strip him more for what he chooses to do to you!

I am your Father in Heaven, yea Yahweh, yea Jehovah, Most High God.

## Fourth Message from our Father in Heaven

My Little One, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. Know, My Child, that this war between Me and Satan, with you now squarely in the middle, is soon coming to an end! Yes, My Child, this great and terrible persecution and torture of you at the hands of Satan, I have previously decreed and I, Myself, have orchestrated it! I have allowed it all as there is a bigger plan, a bigger picture, and you have been faithful, My Little One! You have been bold, blessing and praising My Name, even as you labored beneath the torture of so many electronic implants in your body! You have not give up, My Child, as I have told you that your victories come now, far greater than you could or would ever imagine!

You know, My Little One, that Satan has become increasingly bolder in his assaults against you, that he has become increasingly more desperate to take over your mind and now, as you saw yesterday, to drive your spirit out of your body and thereby take it over! Now, My Child, he has another very big plot to drive your spirit out of your body via severe electrical shock! This is his plan and you see it! You know all about it, as I have allowed you to see Satan's plans against you for some days, and in so doing, so that

you would know in advance what he would do to you the next time that he abducted you! And, you have seen repeatedly these last ten days, or so, what he was planning before he did it! And, you saw on all occasions that he went through with his plans against you! But, My Child, I have also told you in my private conversations to you that I am going go hurt Satan's body, to hurt him personally, to hurt his physically, even as he has hurt you and even as he also now plans to do to you!

Yes, My Child, he will attempt to do as I now tell you and as you see in the Spirit! This is predestined and it will come to pass! Satan will abduct you again and he will attempt to drive your spirit out of your body via severe electrical shock and then, My Child, I will step in! Then, I will save you, My Child, and I will kill the body of Satan! That's right! This is what you now must face and be not afraid and be not concerned for it! For, even so, this must come to pass!

And, you think, My Little One, that so many will scoff, as this is not so well understood from reading the Scriptures!" But, remember that the Seven Thunders spoke many things and My servant, John, was not allowed to write these things and this is but one, that the Dragon will persecute and torture the Woman, the Singular Woman first, you, My Little One, and even as he tries to kill you, I will kill him! I will kill the physical body of Satan, Lucifer, the Devil, the Dragon, and then, My Little One, all will see him reduced to a man with supernatural powers! And, all will marvel after the man with the fatal head wound, who did live and who had great power!

Even so, My Child, you, as the Woman of Revelation 12, have played a very important part in the fact that this man now lives at all and you also play a very important part in the fact that this Dragon will be slain, his spirit then inhabiting the man, who is known as the antichrist! Let all be the wiser! You shall see this victory, My Little One, and let all know that I come soon for you and for all of My pure and clean souls.

I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God."

## Fifth Message from Our Father in Heaven

"My Little One, I wish to continue somewhat and this is as I have just shown you, and even as you know from the work that I had you do in the Spirit just now, that early last morning, even as you slept for only one hour, that Satan made one gigantic attempt to steal this vortex by trying to trap your spirit in an alternate reality. You did not know what was going on, only that you desperately needed My help to get you out of the darkness that he had forced your spirit into! But, his trick did not work, My Child, and I came to you and removed this illusion from you! But, he believed that his hard work would pay off and that he would then steal the vortex; for you know, My Little One, that he is master of illusion, but he did no succeed and now early in this morning, I further showed you what he has done as I removed the rest from you that he has put on you! And, all these things he did, all to make you his slave and to claim what is not his to claim! But, he failed again and in his foolishness is still bellowing and issuing orders for your head, but does not know and cannot see that his own head is on the chopping block for doing to you as he has done to you! But, now he has but one more plot to take your head and to get rid of you altogether; but he will fail in this and he will fall to the chopping block, thereby looking to take over a human body so as to rule his kingdom!

So, as I have told you, I shall knock the head of Satan off his own pyramid and I shall cut such holes in his own pyramid that he shall soon have little of his kingdom left, and this before he even gets started! For, only and I say only because of the terrible things, which Satan has done to you, he has lost in a very big way and soon, very soon, he shall lose his own body; for I will not allow him to carry through with what he plans to do to you!

For love of you, My Little One, I will slay this terrible dragon and yes, Satan is a dragon, a serpent, and yes, he does have a physical body, which he will soon lose! Let all be the wiser; for within these very works, which I have given to you, My Little One, many words of the very book of Revelation now come to pass. I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God!

It is interesting to note, my Dear Ones, that when our Father in Heaven had me go and cut off the head of the Dragon and I did so with three whacks of our Father's sword, that Satan has also made three great swipes at my own head, all during the last ten days, or so, each time abducting me and doing terrible things to my head in order to kill me or to take control of me by his own evil means of torture and mind control. But, He has failed, and only because of the great love and power of our Most Wonderful Father in Heaven! Now, our Father shows us that when Satan makes his next swipe at my head, his own head will then go! Blessed is the Name of Our Most Wonderful Lord and God! Our Father's prophecies are always so deep and can mean many things all at once and sometimes He only tells us part of what they mean! What an awesome God we have! All the praise and all the glory to Him forever and ever! OOOO-EEEEE!

Sending love to each you!
Your Sis, Linda

# CHAPTER THIRTEEN

## "THE OLD DOG IS DEAD!"

My Dear Ones, I very seldom know what our Father in Heaven is going to do for sure as He sometimes delays His decisions! But, I do know one thing! He has given plenty of warning to Satan and to the dogs, who work for him in Satan's torture camps, even to leaders of nations, to stop persecuting and torturing me! But, these warnings to them mean little and they have ignored our Father over and over as they rush headlong into their disgusting agendas. Yes, He has given them plenty of warnings to stop their great evils against me, but I did not expect to witness what happened so soon after Our Father's most recent words to me!

I tell you my Dear Ones, that in a great and astonishing way, two of us did witness tonight the great power of our Father in Heaven as He spoke through me and sent me in the Spirit with His sword and under His power and anointing to slay Satan, Lucifer, the Dragon! And, as I was sent under such power, I pounded Satan, first across the shoulder blades, then into the heart, into the head and into some of this other body parts. Then, as directed by the Spirit of God, I took the hammer of God and beat Satan, the dragon in the chest until he drew his very last breath. I saw the glassy-eyed look of this monster and I knew that the body of this monster was dead!

My Dear Ones, even as I write this, it is still shocking to me, but Oh how grateful I am! There is no one like our Father in Heaven! No one! All the praise and glory to our Father Yahweh, forever and ever! For, when He says, "Enough is enough," He is going to take action and sooner, rather than later!

But, He surely warned me in the last message that He was not going to allow Satan and his evil followers to do as they were planning and that He would kill the body of this monster; and this is truly what took place today on February 07, 2006, this day being a "seven" day and all numbers added together adding up to "seventeen"! Therefore, this is a "seven" and a "seventeen" day, both very important numbers to our Father in Heaven! Blessed is His Holy Name.

As I understand it, my Dear Ones, from the meanings of certain numbers, as given to me by someone some time past, SEVEN MEANS "COMPLETENESS, PERFECTION, BRINGING TO AN END," and SEVENTEEN MEANS, " VICTORY!" A Dear Brother reminded me today as well that today marks two weeks, or

fourteen days since our Father declared the beginning of the Day of the Lord. As I understand it, the number “fourteen” means SALVATION, OR DELIVERANCE! And, truly, my Dear Ones, today, I, for one, saw a great victory! I saw an end to this evil monster, who has plagued me so! This was truly a complete and perfect judgement of our Father in Heaven as well against this monster! And, a day of great VICTORY and DELIVERANCE from the claws of this monster dragon!

As you may recall, our Father in Heaven recently told of the three years of Daniel experiences, which I have endured for the last three years, these years coming to an end around the end of January of this year! My Dear Ones, these were three years of being under foot of Satan, of being persecuted, stalked, terrorized and tortured, and this is all stating it mildly what I have seen and what I have been through! But, true to Our Father’s words to me, now comes sweet victory! For, He told me that after these three years are up, which is now, comes this victory! And, a mighty victory also, My Dear Ones.

And, while all of humanity will soon witness what I have witnessed and endured for three solid years, and these times will be terrible and full of great suffering, remember, my Dear Ones, that just as I persevered and am still here to tell about it, this is also how you will persevere! And, this way, my Dear Ones, is through the power of the anointing of God and through your testimony in Jesus Christ!

So, when the going gets tough, my Dear Ones, persevere! Do not give up, but be determined to go through what our Father has for you to endure; for if it is His will for you to go through it, He can certainly bring you through it, but if it is His will for your body to perish during these great trials, be at peace with this, for you will get to go home! But, stay spiritually clean! Do what is right in your life from day to day, walking in faith, love and forgiveness! Whatever comes, stay faithful to the ONLY ONE, who can help you, our Most Wonderful Father in Heaven, Yahweh, Most High God and our Blessed Saviour!

Blessed is the Name of our Lord and God; for He is holy! He is righteous and He is full of love and mercy!

My Dear Ones, it is a great wonder and a marvel to me that the body of this monster is dead, but as I said, a great dread now comes upon the whole world! For, truly the dragon is now reduced to a man with supernatural abilities, just as our Father in Heaven warned Satan that He would do to him. Watch for the man with the mortal head wound to come alive and to possess the supernatural abilities of Satan! All the world will soon mourn; for the Antichrist rule is now upon this very planet!

Read on, my Dear Ones, and you will see what our Father in Heaven says about this most powerful event, which took place this morning, between 3:00 and 4:00 Central Standard Time, USA.

## MESSAGE FROM OUR FATHER IN HEAVEN

"My Little One, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God! My Child, I tell you, and mark My words, for they are true; that while I warn and even postpone the very events that I warned of, many call me a liar! Many call my true prophets false as I warn and then postpone the very events that I warn of! But, I tell you, My Child, that I am full of mercy, preferring above all that the rebellious would hear My words, that they would repent and come clean of their evil! But, they do not and continue on! Therefore, My Child, my pleadings come to an end! My mercy is withheld and My judgement falls! And, to it is now!

I have even pleaded with Satan and his lawless ones to stop their persecution and torture of you, My Child, lest My judgements against him and his come sharply and without warning! But, as you know, My Child, they have not listened, but have picked up speed in their severe implanting of your body, their torture and stalking of you! And, you, My Little One, are witness of all of My words of warning to these proud, arrogant and lawless seekers of self and world!

But, even in My last warning to you, I told you that they would come for you and that they would plan to do terrible things to you, but that I would not allow it! And, unknown to you, My Child, they did come and they did terrible things, even as you tried to get a little rest at someone else's house! But, you did not know, as you slept and they slept! But, even so, this is so! And, in your legs, you can feel pain, the burning pain from what they did to you!

And, My Child, this is not all, but is enough! And, totally unexpectedly to you, on this morning between the hours of 3:00 and 4:00 AM, as you were praying with another over the telephone, who was also a witness to My power in you, I came in, My Child, into you with great power and with My great anointing, and even as he slept, as the Dragon, Satan, himself, slept, I sent you to smite his body unto death! And, you took My anointed sword and you smote him on the back between the shoulder blades, into his heart and into his brain and more blows into his back! And, then, I told you to take My hammer and to beat him until every last bit of breath expired from him! And, you know it, My Child, that he expired, as you were the first human to know! You were also the first human to see that I put My power in My sword, put this into your hands and sent you in the Spirit to deal a deadly blow to Satan!

And, as of this morning on this seven and seventeen day, my special numbers also My Child, Satan, the Dragon expired! He drew his last breath! And, now you know what will be! You know what is at hand!

This evil spirit will take up residence in a man and just as I warned him that I would to do him, Satan has now been reduced to a man with supernatural abilities!

Few knew how Satan would lose his dragon body, so that he would thereby take up residence in the body of this man! But, now all will know, who can receive the truth! Satan, the Dragon is dead, but his spirit, the dragon spirit will live on in a man until his spirit is cast into the Lake of Fire at the end of these last few years!

Now comes the antichrist, who is empowered with the spirit of the dragon! All will mourn this day; for these are times of great travail in all of the Earth. But, I tell you, My Child, that out of love for you and on behalf of all those, who have been so abused, as you have been by Satan, I allowed you to deal the deadly blow to him today, which marks the end of the reign of Lucifer on this Earth, as it has been for a very long time! But, beware! For, the same spirit will now inhabit a human and great woe is upon the whole world!

And, let all be the wiser, My Child; for what you have endured, the great suffering and horrible torture and persecution, many others shall now endure at the hands of the antichrist, who will soon be empowered by the spirit of the dragon.

Go in peace, My Child and know and understand that you have been under foot of the Dragon for the very event that you now see! And, this, My Little One, is but part of your sweet victories, after the three years of terrible persecution, torture and suffering at the hands of the Dragon and his own.

I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God.

## THE US NAVY AND SATAN'S PLOT

My Dear Ones, this is what I personally experienced while I was spending some time resting at another's home, as our Father in Heaven referenced above. As I was in a twilight sleep, I felt a sharp, burning pain in my sternum. I reached up, still half asleep and felt what seemed to be a hole in my sternum, at the exact place, where it was burning. Either shortly before, or shortly after this same time, (as I was half-asleep, I am not totally sure the sequence of these events…), I felt a movement in my abdomen, like someone jiggling the inner contents of my abdominal area, but honestly was so tired and half asleep and did not pay much attention to this. But, later in the day, I began to feel something in my chest, which felt like a great electrical current going off and this was directly opposite this area in my sternum, but in my back. Also, in my abdomen, there were electrical stimulations, which would cause my stomach muscles to jerk and jump! My legs were on fire and the outer, and upper thigh of my right leg was, at times set ablaze with electrical currents, one of the strangest things that I had ever felt. I knew that they had gotten me and had implanted things, even as I slept and others were there, but asleep in this house.

But, even after I was aware of these extra implants, which they had added, I did not know the exact plan, which they had for me, the one, which our Father in Heaven had warned Lucifer about, that He WOULD NOT ALLOW! But, the same day that our Father killed this dragon, I was watching and listening to some of the US NAVY personnel in one of their "tech ships" from hell, I heard one of the officers entailing what they yet planned to do to me. He was telling of how they had already placed electrical implants on some of the nerve centers and what was left to do still, so that when they got hold of me again, they could severely electrically shock my whole body, with these nerve centers taking big hits of electrical currents, and in fact my whole neurological system taking great electrical hits, and that they could then drive my spirit from my body!

Now, my Dear Ones, they have tried so many terrible things on me and they have failed in them all, but this is one very big assault for them and one, which they felt sure that they would win. They would drive my spirit out of my body, and no doubt catch it as they have so many others, keeping them under confinement fields within their prisons in the inner earth and after doing such a things, they then planned for one of Satan's own to take hold of my body. This is and has been their plan and after they put implants into the nerve center of my heart and into the nerve center in my abdomen, they believed that they were almost home. But, big surprise to them! The power of God came over me in a humongous way and our Father in Heaven sent me with His powerful sword to kill the body of Satan, the Dragon! I stress that our Father in Heaven killed Satan's dragon body, but the Spirit of Satan lives and he will soon inhabit a human, thereby becoming the antichrist!

And, as an afterthought, note the number of this chapter! Chapter Thirteen! And, from the information that I have, the number 13 represents SIN, REBELLION AND/OR DEPRAVITY! How appropriate this number is for this chapter on the death of the body of the dragon!

And, do it goes, my Dear Ones! Sweet victories do come to those, who continue in faith to serve our Lord and God and often after great trials! Blessed is His Holy Name!

## HOWE, A GOVERNMENT INFILTRATOR!

PS. WATCH GOVERNMENT PROPOGADIST, SO CALLED FRIEND OF THE PATRIOTS, LINDA MOLTON HOWE. SHE HAS TWICE COME OUT WITHIN VERY FEW DAYS IN DEFENSE OF THE MILITARY, SUDDENLY EXPLAINING THE PRESENCE OF THE "ALIENS" AND THEIR "SAUCERS" AND THEIR PAST THREATS TO OUR OWN MILITARY! SHE IS THEIR PUPPET ON A STRING AND SHE WOULD HAVE ALL TO BELIEVE THAT ALL OF THESE "SAUCERS" BELONG TO THE "ALIENS!" OH, HOW CLEVER! LINDA HOWE IS SPREADING THE LIES AND PILING ON THE STINKY STUFF TO COVER UP THE REAL AGENDA OF THE SATANISTS IN THE US NAVY!

THE SPIRIT OF GOD HAS SHOWN ME THE TRUTH OF MY STALKERS, WHO ARE THE US NAVY AND ITS COMMANDER, SATAN AND HIS REPTILE HOARDS. LET ALL BE THE WISER! THE US NAVY IS FULLY IN POSSESSION OF THESE "SAUCER-SHAPED" CRAFT AND HAS BEEN FOR MANY YEARS, ALL THE WHILE, THEY HAVE BEEN ABDUCTING THEIR UNSUSPECTING ENEMIES FROM THEIR HOMES, DRUGGING THEM, MIND CONTROLLING THEM AND DOING OTHER UNSPEAKABLE AND TERRIBLE THINGS TO THEM!

HOW MANY POOR SOULS HAVE THE UTTERLY CORRUPT MIND CONTROL HOUNDS FROM HELL IN THE US NAVY DRIVEN FROM THEIR BODIES THROUGH SUCH SCHEMES AS THEY HAD PLANNED FOR ME? HOW MANY PEOPLE ARE WALKING AROUND, LOOKING LIKE THE PEOPLE THAT WE KNOW, BUT IN FACT HAVE ANOTHER SPIRIT INSIDE OF THEM, THEIR OWN SPIRIT IN PRISON INSIDE THE EARTH WITHIN THE FORCE-FIELD CONTAINERS?

YES, THIS IS WHAT THEY DO! DRIVE ONES SPIRIT OUT OF ONES BODY BY FIRST TAKING OVER THE SYSTEM OF NERVES, WHICH COURSE THE WHOLE BODY! THEN, THEY APPLY SEVERE ELECTRIVAL CURRENTS TO THE WHOLE BODY AND LITERALLY DRIVE ONES SPIRIT OUT AND AS IT COMES OUT, THE REPTILES AND GRAYS, WHO CAN SEE SUCH THINGS VERY WELL, LITERALLY CATCH THE SPIRIT AND THEN IMPRISON IT UNDER A FORCE FIELD WITHIN THE EARTH.

JUST SUCH SPIRITS, OUR FATHER IN HEAVEN SENT ME UNDER HIS POWER AND WITH HIS HOLY SWORD, TO SET FREE ON MY BIRTHDAY, JULY 20, OF THIS PAST YEAR! HUGE NUMBER OF THEM WERE HELD

WITHIN LARGE CONTAINERS, WHICH WERE SURROUNDED BY FORCE FIELDS. JUST FROM THIS INDICATION ALONE, WE ALL SHOULD KNOW THAT THEY HAVE DRIVEN HUGE NUMBERS OF SPIRITS FROM THEIR OWN BODIES, BODY-SNATCHING THEM IN ORDER TO FURTHER THEIR OWN SATANIC AGENDA! THIS PAST YEAR, THESE PRECIOUS TRAPPED SOULS GOT A HUGE GIFT OF FREEDOM AND I GOT A BEAUTIFUL BIRTHDAY GIFT. BLESSED IS THE NAME OF YAHWEH! I LOVE HIM SO!

YES, INDEED! THE US NAVY HAS BEEN PLAYING GOD AND THEY HAVE GOTTEN AWAY WITH IT FOR A VERY LONG TIME! BUT, IT IS NOW TIME FOR THE WHOLE WORLD TO KNOW WHAT THEY ARE DOING! HAD ENOUGH! GET ON YOUR KNEES, PEOPLE AND GET RIGHT WITH OUR LORD AND GOD! HE IS THE ONLY ONE, WHO CAN HELP ANY OF US, FOR WE ARE TRULY UP AGAINST FORCES AND PRINCIPALITIES OF GREAT DARKNESS!!!
YET, IN SPITE OF THESE GREAT AND TERRIBLE FORCES OF DARKNESS, I AM FREE TODAY ONLY BECAUSE OF THE LOVE AND GRACE OF OUR LORD AND GOD, YAHWEH, MOST HIGH GOD, WHO SENDS THE POWER OF HIS WONDERFUL SPIRIT, THE GIFTS OF HIS ANGELS AND HIS GREAT LOVE AND MERCY.

AND TODAY, THE BODY OF THE DRAGON IS DEAD! AND ALL THE PRAISE AND GLORY TO YAHWEH, MOST HIGH GOD FOREVER AND EVER! HE, MY DEAR ONES, IS WORTHY OF ALL THE PRAISE AND ALL OF THE GLORY FOREVER; FOR HE HAS SLAIN THE BODY OF THIS TERRIBLE DRAGON, WHO WILL NOW RESURFACE AS A MAN WITH SUPERNATURAL ABILITIES! OUR FATHER IN HEAVEN HAS DONE TO HIM JUST AS HE TOLD HIM HE WOULD. OUR FATHER IN HEAVEN HAS KNOCKED THE HEAD RIGHT OFF OF SATAN'S OWN PYRAMID! AND, NOW COME GREAT HOLES IN THIS PYRAMID, SO MUCH SO THAT IT WILL SOON BE A SHADOW OF ITS FORMER SELF! BLESSED IS THE HOLY NAME OF YAHWEH, MOST HIGH GOD!

YES, SATAN WILL GET ANOTHER BODY AND HE WILL BE A MAN WITH SUPERNATURAL ABILITIES JUST AS OUR SAVIOUR TOLD OF A FEW CHAPTERS PAST IN BOOK 12! BUT, EVEN SO, HIS KINGDOM IS FALLING, EVEN AS IT IS RISING! BLESSED IS THE NAME OF YAHWEH! HE IS HOLY! HE IS RIGHTEOUS AND HE IS BEAUTIFUL AND WONDERFUL BEYOND MEASURE!

# CHAPTER FOURTEEN

## "The Ending of Revelation Twelve"

My Dear Ones, as I look back on the long chain of bizarre events, which have happened to me since I came back to the States in February of 2005, even I find them greatly unsettling and I can only imagine how strange some of these events may seem to some of you, who have never seen such things in this world.

We know from the reading of the Scriptures and from the terrible unfolding of events that these are the latter days. These are times of great darkness, wherein powers and principalities of great darkness have risen to new and heretofore unheard of heights! You will remember, my Dear Ones, how Moses stood before the Pharaoh, seeking the freedom of our brothers and sisters, and how Satan, who was working through the evil Pharaoh, continued to show his power in the face of the continued requests of our Father in Heaven. Yes, my Dear Ones, these evil ones have power, but in the end, it is the power of our Father in Heaven, which wins. Nevertheless, a great war continues on from day to day as the forces of evil and the forces of light battle to gain control of all that is. And, these very forces of evil have taken a great hold in this Earth, with billions of the aberrant fallen angels now coming into the Earth from distant star systems, all to make slaves out of all of humanity. And, few are the wiser; for the skies are being sprayed so heavily from day to day that no one can see this great intergalactic battle as it rages on.

### INTERGALACTIC WAR IN PROGRESS!

I am getting ahead of myself somewhat here, but my Dear Ones, I tell you that on February 20th of 2006, this great infiltration of these terrible monsters, who are called the "Dragos" began! Since that time, over two billion of these half bird/half reptile creatures have been driven into the hollow of the Earth, and this, my Dear Ones, is fulfilling the ending of Revelation Chapter Twelve. And, how this all began, I will describe to you as I go along, but this very important event is taking place in the skies daily since then and who is the wiser, save for myself and perhaps a few others, whom I have told? And, yes, perhaps there are others around the world, who might know something of this, but I can tell you that they do not know as I know as I have been in the middle of this great and terrible war. For, Satan has lured these evil ones here to fight for him and to overtake our Father's vortex and to make me their prisoner. But, I tell you, My Dear Ones, that I am evermore the servant of our Father in Heaven and evermore dedicated to

Him as He has saved me from them literally thousands of times, and all of this within only the last six days.

As you know, my Dear One, and as I have written, Satan, himself has come to make war with me! The war has been unrelenting and severe with Satan and his own evil hoards of reptiles and greys, along with the perverted and aberrant souls in the US military, (particularly the US NAVY,) having dogged me from hour to hour, and from day to day, without any reprieve. I have gotten little sleep from day to day as the moment that I drift off to sleep, there they are with all of their implants and they, Satan, the US military, and now the Dragos, all waiting to implant me with huge implants, all in order to make me their prisoner. So, my Dear Ones, this is one great war and none to help me save our Most Wonderful Lord and God; for people quickly grow weary of this fight and do not want it near them. So, friends and family alike have deserted me and have left me to fend for myself, alone in the face of Satan, and very, very few concerned in the least as to the great war, which is raging and involves their very necks. But, better that someone else fight this war and leave them to themselves as they do not believe that such horrendous things will come to their doors. And, they do not believe that such horrendous things are even taking place within this very Earth. But, I tell you right now that if our Father in Heaven had not opened up the mouth in the Earth and had not swallowed up the huge numbers of these Dragos, you, my Dear Ones, would soon see their great viciousness.

I do not know how many of them are still waiting out in the wings of space beyond the Earth, cloaked in their great and small crafts, but I can tell you for sure that over 2.2 billion of these vicious creatures have been lured into the hollow of the Earth and with them huge numbers of their space ships! And, this all began on February 20th, 2006 and herein, I shall tell you how it began! But, first, I will go back a little to what many experienced in Arkansas, just after I wrote the last chapters of Book Twelve!

## LASERING OF CIVILIANS IN NORTH LITTLE ROCK, ARKANSAS

After I wrote the last chapters of Book Twelve and the accompanying “Message for You”, Satan was extremely angry with me! And, it is no secret by now that he and his evil cohorts in the US military have repeatedly lasered me! They have repeatedly lasered my car and have created pockmarks all over it; but on the eighth of February, I became aware that Satan and his minions were also repeatedly lasering the unsuspecting populace of North Little Rock. For, it was on this day, that I was parked in the Wal Mart parking lot in North Little Rock and being stationery there, just passing some time as I waited for someone, that I became their easy target. These evil ones pounded my car with lasers, so I called the North Little Rock Police to report their bizarreness. And, to my surprise, the policeman came out and was not shocked at all, as there had been so many complaints from others about this lasering that he was not

interested in taking a report. He told me that a white airplane was lasering people and that they had even lasered his own car! Many people had reported this bizarre chain of events, but according to him, no one knew who was doing the lasering and I offered no comments. By the day, Satan and his evil dogs in the US military are getting wilder and wilder; for their evil knows no constraints!

## THE TRIP TO NORTH DAKOTA

It was during this time that I was staying with a family member and sleeping on the living room floor of their apartment for a few hours each night while they watched television; and I was doing this to keep from being abducted by Satan, carried away in his saucer, drugged and subjected to horrendous mind control experiments! But, it became obvious to me that this was creating a hardship for them, so I began to consider an invitation to North Dakota as a man and his wife had repeatedly invited me to visit them for many months! I sought our Father in Heaven about going there and He told me to pack my things and to go by Oklahoma and get a dear brother to ride with me as this is a very long trip to go it alone, a round trip of over 3,000 miles. So, I called this brother in Oklahoma and asked him if he would like to ride with me! This man, who is also disabled was delighted to go! It was quite expensive to pay for two motel rooms and to foot all the food bills, but our Father in Heaven, in His graciousness provided the finances! Blessed is His Holy Name! So, I packed up my cat and some personal belongings and headed on out to North Dakota on the ninth of February, 2006.

This was a harrowing trip as I got so little sleep! On the road during this trip, I did not want to sleep long hours by myself as I knew that Satan would abduct me, drug me and do terrible things to me! So, I asked this dear man if he would watch television in my room in the early hours of the night, then wake me up after I slept a few hours and then go on back to his room and rest! He gladly did this for me, but after some nights of this, I could also see that he was getting tired!

But, honestly, my Dear Ones, what I know now is that it is not in the least necessary for them to abduct someone to do these terrible things to them as they have the technology to transport themselves on a beam of light into a person's home and do to them as they choose and this, my Dear Ones, is known as Project Blue Beam.

## PROJECT BLUE BEAM

We all saw the blue beams, which were flying through the windows in South Africa and we all saw them in Sweden and I see them regularly as these evil hoards from hell come into my own home on these blue beams. There will be a click in the wall, a popping sound, or a click on the glass, if they come in through

the windows and then they will materialize, but at different frequencies from the ones that you and I operate on. They can well see all of us and within the very space that we live in they create another space, which does not operate according to the same parameters of space/time as the one in which we live. Within this space within a space, they can carry out their dastardly deeds and who is even the wiser? If one is lying on his or her sofa, these evil ones, can simple make a space under the sofa, or under the bed and set up shop to carry out their surgeries from hell as the unsuspecting sleep on! They can reach right through one's body and they can gouge and poke around inside one's body and insert all manner of chips and rape and pillage the innocent and unsuspecting; and who will know? For, when people feel strange sticks, or when one's stomach or back ripple up and moves on its own, people tend to dismiss such things as flights of fancy or a strange anomaly, which is just a passing thing! This, my Dear Ones, is Project Blue Beam and Project Blue Beam is alive and well on Planet Earth and has been for fifty or sixty years. This is how long the US Military has had this satanic technology and this is how long that they have been doing such terrible things as drugging, mind control, chip implanting, torture, rape, sodomy, and killing as they very well please and few are the wiser, as all of their evils are done in stealth and cunning under the coverage of "Top Secret."

And, all the while, the lawless become more lawless and more arrogant as they continue to get away with such things, placing themselves above all laws, and disregarding the rights of every living soul! How many have died because of the great trauma to their minds and to their bodies by these unrelenting hounds from hell? How many? And, how many more must die at their hands before our Father in Heaven totally destroys them? These very things, I have asked Him so very many times and day after day, I have waited for our Father in Heaven to take a great vengeance on Satan and on the US military because of the horrific things, which they have done and continue to do to any and all that they choose. So, my Dear Ones, in great distress I have cried out, the victim of their terrible deeds and now come great judgements upon their heads as few of them can imagine! For, truly the Earth, itself has swallowed up many of them and all of the praise and glory forever and ever goes to our Most Wonderful Father in Heaven, Yahweh, Most High God!

For, during these last five days, and this being the sixth day, the US military has lost huge numbers of its saucers, some of its most prized doctors from hell and other military leaders, attendants and various kinds of hardware as they followed Satan's evil hoards from hell, and they went right into the hollow of the Earth. And, at this point, they are in great trouble, but as for me, I say that this could not have happened to a more deserving bunch of arrogant, prideful and evil people, ever to see the face of this Earth!

My Dear Ones, you would be sickened to your stomach to see the US military leaders, the doctors and the technicians from hell as they bow to the wishes of Satan, as they carry out his orders, as he barks them out to them all. It is disgusting to see human beings bow down and carry out the orders of one giant lizard from hell; but this, my Dear Ones, is what I have seen ad nauseum for months and this whole scenario is absolutely disgusting and worthy of total destruction.

## WARS OF THE WORLDS!

And, now come these Dragos from distant star systems, such as Andromeda, Orion and other places! They are half bird and half reptile and to date I have personally observed that there are three species now within the Earth, possibly a fourth; and they are absolutely vicious, with a great hate for all of humanity! They come not to make friends with any humans, but to totally destroy all of humanity! However, when they all emerged and decided to overtake our Father's vortex, He rose up in His great might and He overrode their computers and drove them into the bowels of the Earth, where they will all be destroyed and sooner, rather than later!

## WHY NORTH DAKOTA?

But, in this, I am getting ahead of myself somewhat and I wish to go back a little to this trip to North Dakota! My Dear Ones, I would not take such a trip, not to North Dakota, or anywhere else, unless I consulted our Father in Heaven and was given the green light to do so! And, this was most assuredly the case with this trip, wherein He told me to go there and to go by and pick up this brother to go with me! And, this was a harrowing trip, one accompanied by bizarre weather and strange manifestations in the Earth!

## THE BEGINNING OF SATAN'S FLOOD!

It was after the last chapters, which I wrote for the website, and the accompanying message, that Satan came after me with a great fury. My Dear Ones, I could not even get into my car and go to town without being swarmed, literally swarmed by the reptiles and greys. They came in armies, and when I would often look in the Spirit, I would literally see fields full of the grey automatons, hoards of them, small armies, all coming for me! They would be accompanied by the reptile hoards and would rush my car, gouging and poking me, sticking me, running wires up my arms and between my ribs, into my scalp and into any other body part as they so chose.

## THE COUNTER VORTEX

 From The Mountain Prophecies Copyright 2006

And, it was around this time, that I began to see forming in the Spirit, a counter vortex. This vortex rotates in the opposite direction from the vortex, which our Father had me to work on for Him some years past. As I began to see these dark swirling energies, a wormhole within the Earth, the Spirit of God would tell me to send these greys and reptiles into this “counter” vortex, or “anti” vortex and this is what I would do. The most interesting thing about this “counter” or “anti” vortex is that it was literally full of eyes! This was a shocking things to see, for there was the vortex, which was a swirling mass of dark energies and it was full of eyes. I could not imagine such a thing, but as I looked at these huge numbers of eyes, which filled this vortex, they were all aware of me and were there also to do our Father’s work and only interested in doing His will. And, as we were all on agreement on this one thing, I obeyed our Father in Heaven and began then to send huge numbers of these reptiles and greys into this swirling mass of dark energies.

## STRANGE MANIFESTATIONS OF THE ANTI VORTEX

As my friend and I rode along the roads to North Dakota, it was in Missouri that we began to see very strange manifestations of this anti vortex. For, we would enter into violent snowstorms suddenly and just as quickly the snowstorm would end, bringing us into another area, which was free from clouds and full of sunshine. Freqently, when the snow storms would suddenly stop and the sun would suddenly appear in a near cloudless sky, I then began to look for this antivortex, and I could see that it had moved off the right side of the road, but had made a very large and dark strip in the sky.

We travelled within this manifestation for hundreds of miles, experiencing this bizarre weather of the “anti” and then coming out of it just as suddenly into the bright sunlight of the other vortex, which moves in a clockwise direction and tends to push the clouds down around the horizon with the sky clear overhead. I knew what I was witnessing, and was truly in a state of awe about it all, but did not understand it whatsoever. And, Satan knew also and he was pummelling our car with lasers and it was at this point, that I believe that Satan made a huge determination to get me at all costs, and he, himself, took over where others were failing and he charged me like a raging bull and to this day, he has not let up, running in and out of my house, like a wild animal. For, in his desperation, he knows full well that he is losing and is out to stop our Father’s works any way he can and I am but one symbol of these works, but one, who is also tied to these vortices; for this has been a very important part of our Father’ work that He has had for me to do. Blessed is His Holy Name!

So, my Dear Ones, this was the nature of the trip and with these aberrant weather patterns, we came into great cold. The temperatures in North Dakota dropped to 30 degrees below zero and I, for one, have

never experienced anything like this and for those in North Dakota, this was the most extreme weather that they had suffered in many years. And, I believe that this bizarre weather had a lot to do with the forming of this anti vortex and what our Father in Heaven was doing with it!

## THIS WAR IS FAR TOO MUCH FOR MANY!

When we arrived at the house of these dear souls in North Dakota, I could sense that they just did not have room for us. They were rebuilding an old house and they stayed in a large basement area, and this was fine for them, but with added guests, I could see that this was a very cramped situation. Plus, this dear woman worked out of her house, doing contracted computer work! So, by the second day, I knew that I must take my friend back to catch the bus home and I would then stay as long as I needed to stay. At least, this was my plan, but even so, it was not to be!

## WHO WOULD WANT SUCH A PERSON IN THEIR HOUSE?

My Dear Ones, I had to stay up at night for the two nights that we were there in North Dakota and the war was horrible beyond words. The greys and reptiles were literally coming through the walls after me! They were pummelling my body with implants and causing me to have to spend many hours in the Spirit to get them out in order to function at all.

## THE PLANS OF SATAN AND HIS US NAVY!

Heretofore, I have told you of seeing the US Navy plan to place large implants over all of my nerve centers, including my brain, thereby short circuiting my nervous system and driving my spirit out of my body, and then either killing me or taking over my body. This was surely their plan and they did not let up on it at all!

The first day in North Dakota, I was able to get some sleep during the day, but by the second day, I could see that there were just too many people in such as small space and when I tried to sleep, I got little sleep at all. So, I had to get up after perhaps an hour of rest and take my friend to catch a bus in a city, which was about 100 miles away! And, my Dear Ones, I was extremely tired, so much so that I could hardly stay awake to drive and all the time that I was driving my car, these evil ones were in the car with me poking implants into my back, poking them into my genitals, poking them into my head and into other body parts! And with all of these things, they poured into me vials of a super conductor liquid, so that they could set my body afire with electricity!

## THEY OVERCAME MY BODY'S ELECTRICAL SYSTEM

My Dear Ones, from being so tired and from having to focus on driving and being unable to fight them, they began to override my nervous system and I would fight, my Dear Ones, but not having the energy reserve began to lose the battle. They put many implants into my genital organs and some of them with motors, such that they began to vibrate my genital organs, as would be the case if one would use such a sexual toy! But, my Dear Ones, I do not use such things as I live a celibate life and have chosen this since Dennis and I have been apart, for it is my desire to stay clean before our Lord and God and to obey Him! However, I would fight as best as I could what they were doing to me, but when I would fight, they would at times send a beam of great pain into the base of my brain, causing me great pain. It was at these times, my Dear Ones, that these evil and disgusting creatures from hell would literally rape me, and all of this while I was riding down the road with this dear man sitting beside me and he, without one clue as to what was taking place.

## THEY RAPED ME REPEATEDLY

I was so distraught and beat down, my Dear Ones, so ashamed and literally beside myself with pain and sorrow as to why our Father in Heaven would allow such a thing! I tried to keep my composure, but inside wept millions of tears because they were winning and I could not do one thing! For, one can only do so much and my Dear Ones, I was totally exhausted, without any reserve to fight such a terrible war, wherein I was literally surrounded by these evil hoards and poked and pummelled by the US Military doctors until I had little strength left. Satan raped me, my Dear Ones, and others raped me and I could feel their penetrating me as I wound my way down the road, utterly helpless to do one thing about it! It would be the very next night as so many of the US military were coming into my room via their beams that one man would say to me, “Why don’t you use a condom next time?”

We got to the motel and my friend went on to his room, but my Dear Ones, I fell across my bed and wept bitterly wondering why in the world our Father in Heaven would allow these evil ones to have such terrible victories over me, and even now, my Dear Ones, I cannot write of such things without such great sorrow in my heart that I can barely see the words on this page because of so many tears! And, so it was that day as these evil hoards from hell repeatedly raped me and overpowered me. And, it was after so much torture that I was a crumpled mess on my bed, begging our Father in Heaven to just let them kill me as I would surely get to go on home!

And, this was well in their plans as well, as they drove a rod up my back as I lay there, totally defeated and humiliated! It was then that I could feel this thick rod as they pushed it up my spine and toward my head and one man said, “If we push it into her brain, she will not live many hours!” And, then another man, whom I now recognize as Satan said, “No, do not push it up into her brain! We may still be able to

use her to help us get out!" And, I knew that he was speaking of getting out the interdimensional pathway, which is our Father's vortex.

But, my Dear Ones, I was very close to death! I was going into shock and was so very cold as they had succeeded in overriding my neurological system and my life force was very low. Amidst all of my tears, I called my dear friend to come over from his room and I asked him to pray for me as I was so close to death! I tell you, my Dear Ones, that this dear brother could see that I was in a very critical state and he began to pray in earnest for me. I could in no wise tell him what they had done to me as I was so ashamed and so heartbroken, and I could only ask him to pray. He began to pray, placing his hands on my head and then on my back at my request; and our Father in Heaven put enough power into his hands to break the power of some of the chip implants and my neurological system could begin to recover somewhat!

And, then I knew that our Father in Heaven meant for me to live! But, my Dear Ones, it took eight to ten hours of working in the Spirit to get out what they had put into me and the very next day when I dared to sleep for only a few hours, these evil US military doctors from hell came into my room and put most of them in again!

My Dear Friend and I watched as the walls were alive in my room that night after the raping, with so many flashing lights as they all came and went with their vast array of implants, wires, motorized implantable devices and with their syringes from hell. I heard one curly, blonde headed woman tell of how they planned to inject me with morphine below the right shoulder blade and when I heard this, I fought them the only way that I could, through spiritual warfare, through the power of Yahweh, through my testimony of Jesus and through the blood of the Lamb!

My Dear Ones, this fight went on all night long and even my friend could see the great numbers of lights popping off in my room as so many of these US Military hounds from hell came and went. He even saw their groups as foggy areas in the room!

After another day and night of this, my Dear Ones, I so longed to see the face of our Lord and God! My heart was broken that I had to continue to go through such terrors and without any foreseeable end, so my Dear Ones, without any forewarning or advance cognition, I took off, left my body in the early morning hours of the 18th of February, and I began to fly swiftly through the interdimensional spaces, at what seemed to be the speed of light. I went from one wormhole within the Earth to another with such great speed and without so much as a thought as I fought my way back to our Father in Heaven! For

 From The Mountain Prophecies Copyright 2006

almost four hours, I flew these spaces, coming finally to the Kingdom of our Father in Heaven and seeing therein a crowd of people, who had gathered, who were also waiting for him.

I waited and waited and waited, but my Dear Ones, I did not see him, so after some time, I came back to my body, bitterly disappointed that I had taken such a great journey and so desperately wanted to see Him and to be with Him, but could not as this was not the time! I was devastated, absolutely devastated but could only accept the obvious, that I must continue to fight this terrible war, which had no foreseeable end in sight! Oh, what a heartbreaking experience!

By the next day, I knew that I was not to go back to the house of those, who had invited us, and mentioned this to the man, who had repeatedly invited me to come there, as he called me on the phone later that day. But, as it seemed, they had also decided that they did not want me or us there, as this created a disturbance in their routines! But, I have no doubt that the strain of having such a person as myself in their house, who was going through so many terrible things, was just too much for them! I love them anyway, my Dear Ones, for few could or would endure what I have endured. It is just too much and too troubling for most everyone! But, even so, it was the will of our Father in Heaven that we go to North Dakota, not so much to see these people, but to be mobile when so many terrible things were going on in the Spirit and this, my Dear Ones, afforded a certain degree of unpredictability when our Father in Heaven decided to hide me from their faces!

## WAR WITH THE DRAGON

So, my Dear Ones, in 30 degree below weather, my friend and I set out again for the South, but every step of the way would be filled with war, terror and more war! On the very day that we left, on Sunday, the 19th of February, I would fight Satan, the Dragon, every step of the way! Yes, in a very tired and weakened condition, I was fighting this perverse monster from hell as he descended on the car over and over again, driving his implants into my body, all in an attempt to do to me what he had done before, to shut down my neurological system, to make me his slave, or to kill me. But, I fought him, my Dear Ones! I fought him with every ounce of strength that I could muster up! I was in the Spirit outside of my body with heavenly weapons of war and I would use these spirit-filled weapons to pummel his own energy centers and once these energy centers came open, I would project an image of our Saviour on the cross, his blood flowing everywhere and with the heavenly weapon of Spirit, I would literally drive the blood of the Lamb into all of the energy centers of Satan! I drove the blood of The Lamb into his own blood vessels and the blood of the Lamb began to course the body of this evil monster, and as the day went on I had in my hands several of these heavenly weapons, all empowered by the Spirit of God and moving in

a circular arc, like the blade of a circular saw, but made of light and out the other side a great beam of fire of the Spirit of God! By the end of the day, Satan was greatly weakened and he lay prostate in the back of my car! And, every time that I would see him begin to rise, I would beat him down again with these weapons and all of this, my Dear Ones, while I was also driving down the road. Truly, a horrendous spiritual war, which I will never forget!

And, yes, I know that I have written of beating the body of Satan to a pulp and seeing his body dead, but by now, my Dear Ones, I have witnessed three or four of Satan's dead bodies, all from my fighting him again and again! But when I look again, I see that he has a body once more. And, just last night, our Father in Heaven showed me that Satan has numerous cloned bodies! To date, we have witnessed around thirty, or so!

## THE NIGHT OF FEBRUARY 18TH AND THE EARLY MORNING OF FEBRUARY 19, 2006

By nightfall of the eighteenth of February, I was exhausted from fighting Satan all day long, but there would be no sleep to be had! My friend was also exhausted and he went straight to his room and went to bed; but there would be no sleep for me! The walls in my room were alive with the blue beams and these walls were cracking and groaning as so many of them came and went from my room.

## OUR FATHER IN HEAVEN BEGAN TO HIDE ME

Oh, my Dear Ones, how I wanted to sleep, yet this was not to be. But, on that night, my Dear Ones, our Lord and God began to do a new thing for me. The Spirit of God would speak to me, telling me to be very still, to take a stand somewhere in the room and be very quiet as our Father in Heaven was going to hide me in plain view of them! And, this is exactly what happened! They would look right at me and not see me! I stood in plain view of them all, around in various places in the room, yet these evil ones could not see me and they were getting very desperate! The humans and the reptiles were in my room in great numbers and they were calling out to me! "Newkirk, we know you are in here! We are going to fuck you up bad! We are going to burn your ass good!" And, in they would come, the doctors and technicians with their vast array of implants and they intended to put then all in that very night!

Oh, my Dear Ones, I was so tired and it took all of my concentration to stay quiet and to stay hidden; and as the night ticked by, they began to bring in their meters in an attempt to flush me out. I heard one of the reptiles tell an Admiral Donald Byrd that these meters were the very best and that they would surely find me! But, as it was, my Dear Ones, the Spirit of God within me was able to reach out and touch some

 From The Mountain Prophecies Copyright 2006

of their meters and create a false positive, so this Admiral Byrd stayed over by the door for at least an hour on his hands and knees, as he searched for me. But, by the moment, I could hardly stay awake and as I was about to drift off to sleep, my body would jerk as they would spot my brain waves as the jerking would then set off some of their implants and they would move in on me!

But, as it was, I managed to walk past this Admiral Byrd! His nickname is Lonnie Byrd and some call him Loonie Byrd and with reason! For, none save the insane would make a living of doing what these evil people do!

As I left my room, I made my way down the hall and sat down by the soft drink machines, struggling to keep my eyes open as it was now early morning, around 2:00 or 3:00 AM. A few times, I began to fall into a slumber and would feel my body jerk, waking up to realize that they had spotted me! So, I got up and began to make my way back down the hall toward my room, not that I had any intentions of going there.

## THE ARCHANGELS

But, as I got halfway down the hall, I looked up to see two giant angels, who were headed toward me. They must have been around eight or nine feet tall and beautifully dressed in white array. I approached them and asked them if they had come for me, to which they both replied, “Yes!””

Oh, how my heart leapt for joy; for I was hoping against hope that they had come to carry me home, that they had come to hide me, but this was not to be the case. They had come to protect me and to be with me through these darkest of hours, when there was not even one soul to speak to or to pray with! For some time, we stayed in the hall and they pointed out that the building was full of these evil types, who were now in a push to find me!

Oh, how I hated this world and how I wanted to be with our Lord and God, but this was not to be so at this time! They told me that I should get some rest and I asked them if they would stay with me as I was so tired and I knew that once I fell asleep, that the evil ones would find me! And, they indicated to me that they would be staying with me. And, as I drifted off to sleep, there on my left, standing beside the wall was Archangel Michael and sitting on my bed to my right was Archangel Rafael.

## FEBRUARY 20, 2006

After some hours, about four or five, I awoke to find that they were still there! Blessed is the Holy Name of Yahweh, our Most Precious Father in Heaven! But, my Dear Ones, this day would be one of the most

astounding days of my life and one to me, which is even now totally unbelievable, but as I lived it and continue to see evidence of it from day to day, I can tell you for a certainty that the events of February 20, 2006 were indeed very, very real!

Now, we must go back a bit to the anti vortex! Understand that this vortex is a natural spin-off of the other vortex and surely has to do with the law: "For every action, there is an equal an opposite reaction …" And, this vortex, the anti vortex, is the one in which our Lord and God would temporarily hide me!

## THEY FOLLOWED ME INTO THE MOUTH OF THE EARTH

What you need to understand about the other vortex, the one, which spins clockwise, the one, which became the open "mouth" in the earth, is that this vortex opened wide while I was travelling it for almost four hours in the early morning hours of the 17th of February, 2006! It was on that night that Satan sent many of his own into this now-open vortex! They all followed me into the vortex and Satan and his were right behind me! Now and then, I would hear someone ask Satan, "Do you know this place," as I was passing certain portals; and Satan would either say, "Yes," or "No." But, Satan also told this other person when I came to the outer realms of our Father's Kingdom, "This is the very outer realms of Yahweh's, the very outer realms." So, my Dear Ones, even Satan knows that our Father in Heaven is named Yahweh!

So, after my excursion for all of those hours, the Earth opened its mouth, and then began to trap inside its great mouth, or this great vortex, huge numbers of Satan's own. In fact, he has lost huge numbers of his greys and reptiles and the greys, who were not lost via this vortex, were lost when our Father in Heaven sent me into Satan's own camp to disconnect the power feed to the vast tanks of the embryos of the developing greys! They are all grown in large vats, as they do not have souls, but are robotoid technicians. So, Satan lost huge numbers as they flew into the vortex, but also my Dear Ones, the US Military lost huge numbers as they also flew into this open mouth and right into the Earth.

Even that night as I was flying for hours throughout the Earth in an attempt to get back to our Father in Heaven, I could hear large numbers of jets as they flew above our head in the arctic air above North Dakota and this as they surely were headed into the vortex, in an attempt to get out to their bases on Mars, the Moon, etc!

But, the anti vortex is a different thing and one, which our Father has now prepared to use in a great way for His people! However, the anti vortex also needed much work to be done on it and this work began that day, on the 20th of February as we travelled the expressways going south on our way back home. Now, my Dear Ones, realize that the two great wings of Revelation Chapter 12 on which the woman flees

are the wings of the Archangels, Michael and Rafael and if you could have witnessed what happened as we travelled on that day, February 20, 2006, you would know this!

It was necessary for our Father in Heaven to continue to hide us, even as we travelled down the road in my car on that day following the appearance of the archangels in the hallway at the motel, as the forces of evil were so great against me! And, as we travelled, Michael would tell me to be quiet, to drive, and to get into this dark space between these two archangels. And, this, my Dear Ones, I would do, as the angels flew alongside me. And, this way would work fine, but if I got distracted and if the evil ones, who were flying overhead in the saucers got wind of me, they would pummel my car with beams in an attempt to shut down the engine and at these times, the car would bump and chug along as it lost power due to the beams. My car took hits to one of the power windows, and also to the parking lights, which now stay on all of the time. Laser marks dot my car all over, even on the plastic upholstery by the windows, so this, my Dear Ones, was a time of great danger for us both, but my friend was oblivious to all that was going on as he had no way of knowing of the great war in the spirit, which I was involved in.

## THE DRACOS COMING IN!

After some time of travelling this way, Archangel Michael warned me that “ships” were now moving into the Earth from outer space, where they had been parked in some of the wormholes and that some of them had also been cloaked. He told me that our Father in Heaven had been aware of them for some time, but that they were now beginning to enter into the earth’s atmosphere and would begin a great assault against our Father’ s vortex and that I was obviously at the center of this great war as the vortex was created via the spiritual DNA, which our Father in Heaven had given to me.

And, my Dear Ones, it was at this point, that I was awestruck. One by one, these ships emerged, some of them small, but others of them huge mother ships with millions of these evil hoards on them! Archangel Michael warned me about the Dragos and told me that they are particularly vicious! Time after time again, these giant ships would hone in on me and this now anti vortex in which we were travelling and I would hear Archangel Michael say that our Father had overridden their force fields and had sent in destroyer angels to reprogram their computers, making their computers believe that this vortex in which we were now travelling was in fact elsewhere; and time and time again, these ships, small and giant alike would be guided into this great mouth in the Earth, which was in fact the clockwise rotating vortex, which by now already contained many of the greys, the reptiles and the US military, the very ones, who had already followed me in and had gotten lost!

This great battle went on all day long and even when night came, my Dear Ones, there would be little sleep for me as it was necessary for me to remain hidden and to help in any way that I could with this great war! But now, our Father in Heaven had sent millions upon millions of angels from the Upper Realms to do a great work on this anti vortex, for there were well-laid heavenly plans to make this a very holy vortex, in which many souls would also be hidden and protected and there was a heavenly blueprint, which had to be followed in completing this anti vortex, just as planned. It was not long before I knew about the eyes of this emerging vortex and that these eyes were the eyes of millions upon millions of destroying angels! Blessed is the Name of our Father in Heaven; for He is mighty!

But, this work had to follow a certain plan and it was very vulnerable with so many ships being able to locate us and it was a great work to get this vortex completed as soon as possible, so it was touch and go from moment to moment as these evil ones located us and our Father in Heaven was involved in this great battle along with the angels to keep and preserve what was His!

That same night, we would come back to Oklahoma, but still, there would be no sleep for me as I got my first taste of these horrible Dragos! Standing here and there by the walls in this brother's apartment in a bid to be hidden, I saw one of them come through the walls. A monster if I have ever seen a monster, with the face of an owl, the body of a penguin, but with scales on its body, and arms and hands, not flippers! It was all black except for the feathers on its head, and it had very long claws on its hands and feet, not four or five claws, but ten to fifteen. I was shocked!

 From The Mountain Prophecies Copyright 2006

## BUILDING NESTS WITHIN THE UNSUSPECTING!

And, most shocking, my Dear Ones, was all of this, but even so, after a while I became too tired to concentrate to stay hidden; and this Drago monster came after me and began to knit my body with tiny hair-like objects, which seemed to be made of metal.

Where the reptiles left off, these monsters from hell took up! I commanded this thing away from me in the Name of Jesus, but it would not budge! In fact, it was telling me that it does not have to listen to me and that they are the oldest and the wisest of all of creation and will do as they please. So, this monster went on knitting these threads of wire-like substance into my body, even following me the next day, from location to location, continuing on with this diabolical work. But, I just spoke to our Father in Heaven and I told Him that He is able, and that if it is His will that I should have to go through such things, that He is able to melt all such wires and to make them all as dust in the wind, that they can have no power over me.

And, my Dear Ones, after these evil ones had put so many of these terrible wires all over my body, and had caused me considerable pain, our Father in Heaven melted every one of them and no matter how many they drive into me, He continues to melt these wires and He continues to defeat these evil hoards from hell.

## THEY SHRIEK LIKE A BIRD!

I could hardly believe me ears when I first heard the shrill shrieks of these miscreants, the evil Dragos! It was late at night as I stood along the wall at my friends house, as he slept oblivious to all that was going on, when I first heard their shrill cries! And, as all slept, a great war was unfolding in Tulsa Oklahoma as millions upon millions of these horrendously ugly creatures descended! Our Father in Heaven drove many of them and their ships into the mouth of the Earth, but many of them began to form a space within a space, a giant colony right under the apartment building in which this man lived and none the wiser, except for me and possibly my cat; for she could see them as well!

But, even so, as they formed their colony, our Father in Heaven continued to trick their computers and to round them up, trapping them in alternate realities and then sending them into the waiting mouth within the Earth! From day to day, this war has been on-going; and I have gotten two to three hours of sleep a night, some days even being able to get four or five hours, but on these days, also having to fight harder to get out more implants, for this is the inevitable result of sleeping for only a few hours.

And, so this great battle has gone on in this way, my Dear Ones, wherein the people of this world have been spared the effect of one of the greatest cosmic invasions imaginable; and during these few days, over 2.2 billion Dragos, alone have been guided into, or driven into the hollow of the Earth! My Dear Ones, Satan has lost most of his greys and his reptiles greatly diminished! Satan has sent out the flood of his own and the Earth has swallowed it up!

There is no doubt in my mind that Satan has truly lost 50 to 75 percent of his own kingdom! Our Father warned him a few weeks past that if he did not stop persecuting me as he has done that he would take one half of his kingdom. But, Satan has not listened, even last night abducting me and implanting me again as I tried to get a little sleep. Our Father's judgements against Satan are not even over, my Dear Ones, but only beginning. But, even so, Satan does not let up on me, flying through my house, like the mad and insane hound from hell that he is and charging into my body with his implants and pumping into my body, his electronic liquid from hell, which burns my body and makes it electrical so that Satan can torture me even more.

But, I tell you, my Dear Ones, that on the 22nd of February, our Father in Heaven told me that a new DNA was beginning to form within my body and that with this new DNA, I would soon get a new body. He told me at that time that this whole process of getting the new DNA would be completed this morning, the 25th at around 9:00 AM. He also warned me that Satan's attacks would continue and that this was in fact a vulnerable time for me! Satan has done what he could to stop this process, but he has failed and as I write this to you, I know that this DNA process has been completed and I now await this new body and I wait for our Father in Heaven to totally hide me from the face of Satan, just as He has promised.

The intergalactic war still rages and even as I have been writing this to you, I have had to go into warfare against a Drago, who was behind me and kept trying to run wires into my backside, but is gone now as the destroying angels came and took him away.

And, so my Dear Ones, this now concludes the reality of the Book of Revelation Chapter Twelve, except for the final part! I now await the time wherein our Lord and God will hide me and I will then be able to get some much-needed rest! But, beware, for the Earth will probably flip very soon and when this happens, many will perish! This will effectively end the lives of all of those, who are trapped within the Earth as well. But, even so, my Dear Ones, all of these things must be and because of these great and terrible wars, which I have endured, our Father's judgement against Satan has now substantially reduced

 From The Mountain Prophecies Copyright 2006

His Kingdom. So, when he comes into power as the man with supernatural abilities, he will be limping along!

For three long years, I have been under Satan's feet; but now come mighty victories for me and great defeat for Satan! But, of all the terrible things that I have had to endure under the feet of Satan, I could have never imagined what I have had to endure for the last year with the great and terrible implantable devices, attempted mind control, torture and persecution, as Satan sought to make me his slave and robot!

But, he has failed, for I am a child of the Most High God Yahweh! I love Him with all of my heart, with all of my soul, with all of my mind and with all of my strength! I serve Him and Him alone!

Blessed is the Name of Yahweh, the Most Glorious and Beautiful God! I love Him so! I owe Him all and gladly give all to Him; for HE is my everything!

Keep up the good fight, my Dear Ones, for this fight now comes to you and in all things you will be tried and tested! Remain pure and do not give in to the ways of this world; for all is quickly coming to an end now, so live for the great and glorious world to come, the Kingdom of our Father on Earth!

Sending love and big hugs to each of you!

Jesus is my Wonderful Life,
Your Sis,
Linda

## MESSAGE FROM OUR FATHER IN HEAVEN

## FEBRUARY 26, 2006

My Precious Child, I am your Father in Heaven, yea Yahweh, yea Jehovah, Most High God! Yes, My Child, these are tragic times, tragic, My Little One, because of the selfishness, the apathy and the rebellion of My people; but also tragic because this is the day of My wrath upon the ungodly! This is a day of payback for the workers of iniquity and a day of blessings for My Faithful!

Yes, My Child this is indeed a tragic day, but be not troubled, My Little One, for I have made a place for you, a place of peace and beauty wherein you shall rest from your labours, for Revelation Chapter Twelve, is coming to an end. And, who is even the wiser? Who, My Child? And, how many even care? How many even care what you have endured because of love for Me and love for all of humanity? How many? How many take note of My great judgements against Satan, only because of the great evil that he and his have done to you? How many?

I can tell you for a fact, My Child, that not many take note, not many care and not many would lift a finger to help you, but I will and I do! Now, My Child, come the last three to three and one half years and many will suffer as you have! Many will face the isolation and walk the solitary way, just as you have and they will regret their lack of love and concern for a true warrior, a true prophetess of God, who was in their midst! Yes, they will regret their ways! They will regret their selfishness, their self-centeredness, and their lack of concern when the shoe is on the other foot!

But, as for you, My Little One, I shall hide you until My wrath passes over! I shall care for you and feed you until the great upheavals settle down; for you have paid your dues! You have been faithful to Me and you have done My work amidst great persecution and great sorrow and now come your rewards! Yes, now they come!

Few even know, My Child, of the great intergalactic war, which has raged on this planet for the last five days! Few at all! Who would believe that I have done such a work and a marvel in your life as to hide you in plain view of the enemy? Who would believe that interlopers from other stars, here at the request of Satan, would come to make war with you, My Little One, and to steal My vortex?

But, you have seen it day after day since the 20th of February of this year. And, I hid you from the great numbers, who came into the Earth from other galaxies! Well over two billion of them, all now lost in the bowels of the Earth! For, as I have written, I did open a mouth in the Earth and I did swallow up Satan's minions, who came after you, and he is now in great trouble, for he has suffered great losses and has lost well over one half of his army, and more like two thirds of it is now gone!

As I hid you in the Earth in My vortex, these huge numbers came to steal My vortex and to destroy you, but My Child, they lost! You are still here and they are gone! Well over two billion of them, devoured by the Earth, itself!

 From The Mountain Prophecies Copyright 2006

But, you, My Child, have suffered greatly at the hands of Satan and the US military. For they have tortured you, stalked you to no end, persecuted you and deprived you of much-needed rest; but now comes your rest! Now, comes your reprieve, but for those who are left in the Earth, now come great trials and great tests!

Yes, indeed, you will rest from your troubles, but the rest of humanity will get little rest from the great trouble, which is now upon the whole world! So, go this day and rest and as you find the time, type this for Book Twelve and the rest of the notes as you see fit!

Soon, very soon, My Child, I shall come for you! Be at peace. I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God!

## THE MOUNTAIN PASS

Dear Ones, remember the promise of the Mountain Pass! The Mountain Pass is a special blessing, a great deal of grace and mercy, for those, who believe. The Mountain Pass is mentioned in Book Five and some of you have requested this pass. In your time of great need, remember the promises of this pass; for surely in times of great need, our Father will hear the cries of His Faithful and He will carry some to His Holy Mountain, where they will be hidden, either for the rest of the tribulation, or as the need arises. So, when you are in need, ask Him for this special blessing! Remember the Mountain Pass; for the promises of our Lord and God are true!

## END OF FROM THE MOUNTAIN PROPHECIES BOOK TWELVE PART I

# PART I - CHAPTER 1 to 14

# BOOK TWELVE PART II

## CHAPTER FIFTEEN

### "The Birthing of the Kingdom of our Lord and God!"

AND, NOW TO BE REVEALED TO YOU IS MORE THAN I COULD EVER THOUGHT POSSIBLE A FEW MONTHS PAST! FOR, WHAT BEGAN AS THE BIRTHING OF OUR FATHER'S KINGDOM IN SOUTH AFRICA ON AUGUST 18, 2004 HAS MOVED FORWARD THROUGH GREAT TORTURE PERSECUTION TO BRING FORTH A SPIRITUAL BABE. THIS MY DEAR ONES, IS THE CONTINUED UNFOLDING OF REVELATION 12, THE BIRTHING OF THE NEW BABY, THE NEW GENERATION TO COME AND MUCH MORE …

My Cherished Brothers and Sisters, so very much has happened since I last wrote to you! And, at that time, I was believing and also hoping with all of my heart that the last chapter of Book Twelve, which I gave to you, would indeed be the very last chapter of Revelation 12. The torture and horrors were so great at that time that I could not imagine living through more of it, but Oh, how mistaken I was; for I have lived through more and through worse, and all for the love of our most Wonderful God and for the blessing of humanity. How blessed I am; for our Father and Saviour has never left me, but has carried me through every test and trial and in Him, I put my total faith; for He is beautiful beyond measure and awesome beyond description.

Yes, my Dear Ones, I have lived through some of the most awesome of times and some of the worst of times, but all of these things I leave to such a time that our Father in Heaven allows me to share them with you. But, for now, I bring you the first message from our Father in Heaven to you for many months. In this message, He tells you what has been going on with me and what is still going on with me, as I am face-to-face with Satan every day of my life and face-to-face with Satan's fallen angels and traitorous humans in the U.S. Space Program. In no way, can one accurately perceive the horrors that I have lived through unless such a one suffers such things. But,

through our Father's words, you, my Dear Ones, can get an idea of the horrors that I have suffered day after day. But, not without beautiful and great rewards and blessings from our Most Wonderful Lord and God! Holy is His Blessed Name!

My Dear Ones, read His words carefully and absorb them, for now truly comes SALVATION, THE KINGDOM OF OUR GOD, THE POWER OF CHRIST AND STRENGTH; FOR THIS IS THE GREAT PROMISE OF REVELATION 12! For, from this awesome work, a new generation is born, a new kingdom is now born, the power of our Christ now comes into the Earth and through the very works of Revelation 12 is how our most wonderful FATHER has chosen to bring forth the birthing, the beginning of His Most Wonderful and Awesome Kingdom!

Blessed is the Holy Name of Yahweh; for He is mighty! There is no God like Him; for He is Most High and He is Creator of all things! And, nothing was created, neither in the heaven, nor in the Earth, save by Him!

## A MESSAGE FROM OUR FATHER IN HEAVEN, JEHOVAH, MOST HIGH GOD

## AUGUST 11, 2006

My Blessed Child, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God! Blessed are you, My Little One, even above all women; for I have chosen you before the foundations of the Earth for this very important work! Yes, indeed, to be the Woman of Revelation Chapter Twelve, the Spiritual Mother of Nations, once Eve, once Sarah, once My Blessed Mother in the Earth! For, who else would I have chosen to be the Woman of Revelation 12, save the very one, whom I had chosen so very long ago! There is none other; My Child, no one else who has been chosen for such a role! But, through all of your trials and through all of your suffering, who has even believed? How many come forward to help you with these works, even though they know, they read

 From The Mountain Prophecies Copyright 2006

the truth of what is, for you have penned it! You have written it and you have disseminated it via Prophecies.org.
No, My Little One, few and I repeat “few” care about what you have had to endure from day to day in the face of Satan, his world-wide Illuminati, the traitors in the U.S. Space Program, and kings, queens and spiritual deviates all over the world! Many have come to put their feet in your back, and to take their own roles in your torture and persecution! Through it all, you have travailed day after day to bring forth my spiritual “babe”, My Kingdom, My new spiritual code for the “New Generation” of souls, the code for the super humans, who are to come!

No, My Child, few in this world think of you and neither do they lift up a finger to help you, but cast stones of condemnation and disbelief! I tell you, My Child, that if I now walked the streets of the USA and of the world, they would do the same to me!

But, in the face of such evil, torture and persecution, you have not given up, My Little One, but have persevered in the face of Satan, all of his fallen angels and the demonic hoards of humans, who all come to take their part in the torture and persecution of you; for they all wish to steal what you have! They wish to steal this baby, to kill this baby, to destroy this work; and they hope against hope to steal the new interdimensional portal, which is also attached to you physical body! But, this portal is lined with this new spiritual code, this new “spiritual DNA, and this baby, this new spiritual DNA, which was born to you on May 10, 2006, is now a giant and fights for you in marvellous and glorious ways, for within it is My great power!

These evil ones cannot decode this new spiritual code! Never! Not once, My Little One, not even in a million years; for this is My gift, first to you, as the Spiritual Mother of all of humanity and subsequently to those, who are ready and worthy to receive it! Yes, My Child, you and you, alone, have birthed this Kingdom and you and you, alone, have had to endure torture and persecution at the hands of Satan and all of his evil hoards, such as no human has ever had to endure! Yes, night and day, day and night, month after month, and even year after year, for over three solid years, Satan and his traitorous humans have hovered over you in their antigravity machines! They have abducted you, drugged you, and implanted you with every chip, rod, wire, crystalline

super conductive substance and liquid at their disposal and then some! Not one stone has gone unturned by them in their torture of you! They have all collaborated! They have colluded to destroy you day after day after day, to destroy you one way or the other!

They have sought to control your mind, to take over your body, to torture you to death, to poison you to death, to drug you to death, to electrocute you to death, and so it has gone, over and over again they have come, truly leaving you exhausted, My Little One, and tired day after day after day!

But, you have not failed, My Child; for I have always been with you! I have seen their every plan, known their every thought and scheme and on all accounts, they have failed! But, even so, My Little One, you have suffered! You have travailed, alone in this work, even after I sent a few others to pray with you, you were still alone!

No one could shoulder this burden, but you; and while others could pray with you, most, who were called to do so, failed; and even though you have told these very ones about this great torture at the hands of Satan and his hoards, they do not grasp what you are going through! They cannot understand what you tell them; for this systematic work of torture and persecution involves the supernatural work of Satan and his minions. So, when you speak the truth, others shun the truth! For, they cannot grasp the fact that such are the ways of Satan and the fallen angels and these ways have always been their ways.

Truly, My Little One, you see, you know and you understand the workings of the Fourth Kingdom of Daniel better than most ever will understand it. You see and you understand what I meant when I wrote in the Scriptures that there has never been times like these, never, not in the history of the whole earth, and there will never be such horrendous times, ever again in the earth, once these are defeated!

For, Satan is now cast down and with him his hoards of fallen angels. And, as you have written, many billions were rounded up and driven into the hollow of the Earth, now well over 40 billion of them, but still Satan has many, who are still left in the Earth! He

 From The Mountain Prophecies Copyright 2006

has enough to subdue and greatly diminish humanity! And, he shall use them and the traitorous humans, who have sold their souls to him, to overcome and defeat many! Even some of the righteous ones shall fall, and through their trials, they shall be tested and made pure and white as snow; but some shall not get up out of the mire; for these trials shall be too great for them! But, do not despair; for this is not their end!

Yes, My Little One, you have written the truth about Satan, about the evil ones in the U.S. government and the U.S. Space Program and about so many, who have trampled you as you have sought to bring forth this new spiritual code for the new generation of Joel, Chapter Two. But, one day, and one day soon, many will weep! They will wail at what they must also go through! For, as Satan and these errant humans have done to you, they will do to them as well; and who will help them? For, many of them have blasphemed Me and My works when they decided to put you under their feet!

Yes, indeed, when these errant humans in the U.S. Space Program and the fallen angels reach into their bodies and lay cables and wires and systems of implants along their nervous systems and when they fill them up with caustic liquids and them plow them with electrical currents, who will help them? Who, My Little One? For, many of them are spiritually weak and cut off from me! In their agonies, many of them will perish, cut off from Me and My Spirit!

This, My Child, is the Fourth Kingdom! Who can defend against such things? Who? You know, My Little One, that you could not survive even one minute in the face of such horrendous attacks! But, I carry you from day to day and supernaturally I have intervened on your behalf! And in the midst of such horrendous torture and persecution this spiritual baby boy, (the spiritual seed for the new generation) has grown beside you and within you until it has now reached maturity! This spiritual baby boy is now a spiritual giant and it is now ready to be imparted to the Supernatural Army of Joel Chapter Two.

Yes, others will now receive this new divine blueprint; but they will not have to toil and labor to receive it as you have; for you are the spiritual mother of humanity and as

such, you have had to bring forth this divine blueprint for a new generation of souls, even amidst daily torture and persecution!

You have often wept in sorrow and heartache because of your great trials, but even amidst such persecution, your sorrow has been short-lived! For, most often, and even night after night as these evil ones have laced your body with wires, rods, implants, crystalline substances and electrically conductive liquids, you have sung to Me! Day after day, you have praised My Name, even in the midst of such torture! And, I have smiled on you, My Child! I have carried you and I have given you rest, even as they plowed you with electrical currents into your body!

Before the baby was born, the agony and pain of their torture was great and you slept little for months; and even after the baby was born, the torture was still great! For, you had to endure and to wait until the new supernatural code could be imparted into your physical body, and then to grow into maturity! But, this new code and this new power only came to you bit by bit, and only as the terrible persecution and torture became more harsh and more severe!

As the torture became more severe, the spiritual code was imparted to you, and along with it the power, until such time that they baby reached maturity; and it has now become a giant and lives within you, not separate from you! And, although you sometimes see this giant as separate from you, he is also now one with you! This is why, My Child, that their electrical currents no longer affect you as they previously did!

Yes, they wire you up and they fill your body with horrible liquids; but you barely feel a thing; for you have grown spiritually, My Little One, in the face of such torture and persecution and you are worthy, My Child, to bring forth into maturity, this new spiritual code for all of humanity! This, My Child, is the beginning of My Kingdom in the Earth and now comes SALVATION, MY KINGDOM, and THE POWER OF CHRIST AND THE STRENGTH TO ENDURE WHAT IS AT HAND!

 From The Mountain Prophecies Copyright 2006

But, none of this would be so, My Child, except that you have paid the price! This, My Child, is why you bear the crown with twelve stars; for you are My Queen! You, My Little One, are the Queen of Heaven and truly you are blessed above all women!

My Child, type this and post it on the website! If and when I desire for you to post more, I will tell you! Go in peace and go in My love; for indeed I love you greatly.

I am your Father in Heaven, Yahweh, Most High God.

# CHAPTER SIXTEEN

## Israel, "You are Naked!"

My Blessed Child, I am your Father, Yahweh, yea Jehovah, Most High God! You know Me, My Little One, and you know My voice! You hear Me when I speak and now you hear well My words to the Nation of Israel!

Rise up, My Little One, and proclaim My words to this errant nation; for save you, Israel, as a nation repent of your idolatries, save you repent of your whoredoms, save you repent of your high-mindedness and arrogance before the whole world, I shall divide you asunder! I, Myself, shall carve you up and I, Myself, shall send devouring armies upon you and I shall smash your pride! I shall smash your haughtiness! I shall smash your rebellion against Me! For, in your pride you say, 'Look at us! Who can touch us? We are mighty Israel, set up by God, Himself, and above all reproach!'

Yet, you are naked and you see it not! Blind and you know it not! Deaf and totally unaware of your deafness! Few, and I say again "few" of you know Me and few of you love Me; for you love and serve the god of this world! Therefore, I shall shackle you to the god of this world and many, many of you shall fall down and worship him, as you have forsaken your First Love!

In your arrogance you dance, the harlot of the world, creating and selling terror, deceiving the people of the world with your false storefront! You, Oh, Israel, are the greatest terrorist, in the world, starting terror, exporting terror and manufacturing terror, in order to bring the whole world to the brink of collapse! And, soon, very soon, you shall know terror; for I shall bring it upon you! I shall put it at your feet! For, you have terrorized the whole world on your campaign of hidden terror! And, you say, 'Who will see? Who will know?' I see and I know and I shall repay unto your bosom seven-fold the terror that you have put upon the whole world!

 From The Mountain Prophecies Copyright 2006

Oh, Land Of Israel, I am not with you; for you are not with Me! Alone, you stand, serving your master of this world and few of you love Me! But, a few of you do and I shall raise you up now and I shall empower you in the face of great tragedies to do My will. I shall work mighty wonders through you few, who are faithful, but the rest of you shall be bait for the vultures and food for the swine, and quickly this shall come about, save you repent!

Woe to you prophets, who say, 'Do not prophecy against Israel! Do not speak harsh things against Israel!' For, save you repent of your erroneous works, I shall put you, too beneath swine's feet, where you shall be trampled into the mud; for you speak lies in My Name, all to ingratiate yourselves to the leaders and to the gods of this world! But, in one second, I shall strike you down; for you stand in error and you shall be soon buckled beneath the power of My judgement, as a twig in a storm!

And, woe, woe, woe to you prophets, who say, 'Do not speak ill of leaders! Do not tell the truths of their evils!' For, you put yourselves in the bed with them and their evils and you warn not the people of the truth! If you truly sought Me, you would know the truth, but you deceive the people with your lies!

I am not pleased in this; for who among you will stand for the truth? Who among you will tell the truth of what is and risk the retaliation of Satan? I say, very few, for you do not wish to rock the boat, but to have a smooth ride! I say to you that you will not have a smooth ride, for I will cast you headlong into the Great Tribulation and you will be forced to see and to speak the truth of these evil leaders, and soon this will be, save you repent!

I am Yahweh, Most High God and I will receive a Bride, only who is pure, clean, white as snow and full of My truth!

Woe to you manipulators, who whitewash the truth, who go in through the back doors, to control others with your mind games! For, I shall strip you to the bone! I shall lay open every sore place within you and through great travail, sorrow and heartache; I

shall force you to see the errors of your ways! For, you will repent of your lying ways and you will come clean before Me, or I shall cast you beneath the feet of the swine!

I am Yahweh, Most High God! I speak the truth of what is and what is to come! Go in My truth! Live My truth! Obey Me and come clean before Me, or you will be cast headlong into the Great Tribulation; for soon, and very soon I come as a thief to take My Pure Ones, who are indeed counted worthy to escape these terrible years. And, to it goes!

...but label this current chapter always the last chapter of Book Twelve, and it is Chapter Seventeen. For, this number has a special meaning to you, My Little One, as VICTORY, and VICTORY it shall soon be for you, a MIGHTY VICTORY! For, you shall soon overcome!

# CHAPTER EIGHTEEN

## "The Trumpet Call for The Bride!"

My Beloved Child, I am your Father, Yahweh, yea Jehovah, Most High God! My Little One, take note of what I am about to tell you; for it is meat for My Bride! It is My trumpet call to My Bride!

My Little One, as you know, there is a time and a season for all things and so it is, always with Me and My works! I do nothing without consideration for all things! I am a God of Love, but also a God of Righteousness and Great Perfection! This is why I have called My Bride to perfection, even as I have shown you through My Son! I sent Him to set an example for each of you; but I tell you, My Little One, that at this late hour only a few of you the world over have made yourselves clean, pure and white as snow! Only a few of you have chosen righteousness, truth, obedience and honor toward me as a way of life. But, a few of you have and now comes My trumpet call!

My Feast of the Trumpets, which is coming up soon is My Trumpet Call for My Bride! I say to you, make yourselves ready; for soon thereafter I will come as a thief, a thief in the night, and I will take My clean ones! Even as I have spoken it through My word, My pure and clean ones are not appointed to My wrath! But, sadly for most of you, you are not ready!

Yes, you long for Me to come for you, to take you away, so that you do not have to endure the Great Tribulation, which is at hand; but you have been sloppy! You have been lazy and you have taken the easy way out! Now, and soon, very soon, My Coming shall be; and you, who have lived a sloppy and lukewarm spiritual life, will not go with Me! Yes, you will be left behind to go through the Great Tribulation! Through your great suffering, you will give up your vices and come clean of your sloppy ways, or you will not be among those, who are taken at the end!

 From The Mountain Prophecies Copyright 2006

I tell you that I am coming soon, very soon for Mine; for the work of My Daughter of Revelation Chapter Twelve is soon completed in its entirety! Already, she has passed milestones, which I set for her; and her work is nearly finished, even now! And, when I come for her, I will also take the virgin souls, My Pure and Clean Bride!

I shall whisk you away in the twinkle of an eye and I shall wondrously bless you and give you a time of rest until the end! Then, you will return with Me in the clouds, the victorious ones, who have overcome all things of this world, to meet and greet the rest of the overcomers!

I tell you this now; for My Coming is at hand and there is none other that I would pick to pen such words, but this one, who even now must write these beautiful words under the feet of Satan and surrounded by his fallen angels!

But, now, My Pure and Clean Daughter, My Pure Virgin among all people, My Beautiful Bride, arise and be joyous! Go with a song in your heart and be of great and good cheer; for soon, My Beautiful Ones, very soon, I come for you!

My Little One, post this, along with the supporting scriptures that I have shown you! I will open the way for to write more, and soon, that all may know the beautiful and trying events of Revelation, Chapter Twelve! For, what you have endured for almost 40 months, those, who remain also endure, and more! For, what has happened to you as you suffered under the feet of Satan will soon happen to humanity all over the Earth!

Rejoice and be glad, all who are clean, and who are counted worthy to be spared such things! But, it is now woe, terrible woe, to those, who have chosen the world and its pleasures over Me!

I am your Father, Yahweh, Most High God! Go in peace and know My great love for each of you!

NOTE: THE COMING FEAST OF THE TRUMPETS IS ON SEPTEMBER 23, 2006!

Below are scriptures, which foretell that our Saviour will take the pure and clean souls before the Great Tribulation! There was a time when I believed, as many still do, that all will go through this Great Tribulation; but about two or three years ago, our Father in Heaven also told me via these writings that at or near the time of the nuclear attack on America, He would come for these white and pure souls and that they would not have to go through these things.

Since that time, He has shown via many scriptures that this is so and that this coming, the second coming, is not the same as HIS COMING IN THE END IN THE CLOUDS WITH THE SAINTS! SO, THERE WILL BE THE SECOND COMING, WHICH IS AS A "THIEF", WHEREIN ONLY THOSE WILL SEE HIM, WHO ARE TO GO WITH HIM! AT THE TIME OF HIS THIRD COMING, HE WILL COME IN THE CLOUDS WITH THE SAINTS, FULLY VISIBLE TO ALL!

After His Second Coming, there will be remaining 42 months, the reign of the antichrist, but our Saviour has indicated that He will shorten this time by some months; for if He did not, none would be left alive! Read on for a better understanding of His Second Coming from the Holy Bible. I have used the King James Version! Study these scriptures and be blessed in knowing that He is indeed coming and soon like a thief! Get spiritually clean, filled with the Spirit of God (oil in your lamps) and eagerly and expectantly await His soon return!

My great thanks to my Dear Friend, Miss Ani, who knows the Scriptures so well! Some months ago, I lost my large study Bible, while on the road in one of my many trips, and

so I now have a new Bible! In the old Bible, I did so much study and underlined many things, so it is harder for me to navigate around a new Bible without so many notes. But, my Dear Friend studies and knows well the Scriptures and it was easy for her to help me locate these beautiful verses. Much love and many blessings to my Dear Sister, Miss Ani!

My Dear Ones, these scriptures in St. Luke, and also stated elsewhere in the New Testament, are really my favorites as regarding the second coming of our Saviour; but these scriptures will elude one if not quickened by the Spirit of God! For, this is truly how His Second Coming will be!

**St Luke 17:26-37**

**"And as it was in the days of Noe, so shall it be also in the days of the Son of Man! They did eat, they drank, they married wives, they were given in marriage, until the day that Noe entered the ark, and the flood came, and destroyed them all. Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; But the same day that Lot went out of Sodom, it rained fire and brimstone from heaven, and destroyed them all. Even thus shall it be in the day when the Son of Man is revealed! In that day, he which shall be upon the housetop, and his stuff in the house, let him not come down to take it away: and he that is in the field, let him likewise not return back. Remember Lot's wife. Whosoever shall seek to save his life shall lose it; and whosever shall lose his life shall preserve it. I tell you, in that night there shall be two men in one bed; the one shall be taken, and the other shall be left. Two women shall be grinding together; the one shall be taken and the other left. Two men shall be in the field; the one shall be taken, and the other left. And, they answered and said unto him, Where, Lord? And, he said unto them, Wheresoever the body is, thither will the eagles be gathered together!"**

My Dear Ones, it is extremely important to see what our Saviour is showing here. He compares His Coming to the time that He took Noah and his family aboard the Ark to save them; and He did this, just before the great floods destroyed the people and He did the same kind of thing with Lot and His family. Even in the same day that He took

them all out, great destruction came upon the people. And, through His words here, we see that He is going to remove the clean souls just before the terrible devastation, even in the same day that it begins, but clearly before it begins! For, this is the way that He likens His Second Coming!

In His Second coming, we can see that He does come as a thief, wherein He takes one here and another there! And, the apostles say, Where, Lord! He tells them that the eagles gather where the body is! He has told us through divine revelation that He is this body and the eagles are those, who soar above the world, who rise above it, who can see clearly, the clean spiritual souls! They literally fly away! Remember also in Revelation, Chapter Twelve, we are told that the Woman leaves on the wings of a Great Eagle.

One day, while I was praying, our Saviour appeared to me and when He turned to walk away, I saw two wings on his back! I have never seen Him with any wings, whatsoever; but this was His way of showing that He is the Great Eagle of Revelation, Chapter Twelve, who comes for the woman! Blessed is His Holy Name!

**Luke 21:36**

**Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man!**

This is His commandment! Watch and Pray! Why? So, that you will be clean and counted worthy to escape the terrible times, which are to come upon the whole world!

**Revelation 16:15**

**Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked and they see his shame.**

Here, He plainly tells us that He comes as a thief! This is His Second Coming, His Coming for the clean souls before the Terrible Tribulation. He does not come at this time in the clouds for the whole world to see, but as a thief He comes!

 From The Mountain Prophecies Copyright 2006

**Revelation 3:10**

**Because thou hast kept the word of My patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell on the earth.**

Here again, He tells of His blessings for His Faithful, His promise, my Dear Ones, that He will keep the His Faithful from the hour of terrible temptation, which is to come! They have kept the word of His patience! They have waited upon Him and have kept themselves clean!

**1Thessolonians 5:1-6**

**But of the times and seasons, brethren, ye have no need that I write unto you. For, yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For, when they say, Peace and safety, then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But, ye brethren, are not in darkness, that that day should overtake you as a thief. Ye are all the children of light, and the children of the day: we are not of the night, nor of the darkness. Therefore let us not sleep, as do others; but let us watch and be sober.**

Other Supporting scriptures!

**1Cor. 15:51- 52**

**Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.**

Note that a trumpet shall sound in the heavens! As I understand this about the "dead," my Dear Ones, the dead are those, who have literally died to things of this world. Some of us have actually witnessed ourselves coming out of the graves! This, my Dear Ones, is death or dying to the things of the world, so that the new and incorruptible "body" can be received at the time of the coming of our Saviour!

Dear Ones, receive these words and be blessed! Make yourselves ready for the coming of our Saviour! Repent of all of your sins and errors before Him! For, soon and very soon, He comes for the clean souls! Now, go in the love of our Most Wonderful Lord and God!

Blessed is the Name of Yahweh and Blessed is the Name of His Beautiful Son and Wonderful Spirit forever and ever! All the praise and glory to Him! For, He is worthy, my Dear Ones, worthy of all the praise and glory!

# CHAPTER NINETEEN

## "You, Oh Satan, shall struggle to maintain your power!"

My Beloved Child, I am your Father, Yahweh, Most High God; and I come to you in response to your pleas and your calls for understanding! So, now I give you this message and not only for yourself, My Little One, but especially and foremost for Satan, himself; and also, My Child, that this is also a public statement regarding My great punishments against Satan for what he has begged to do to you! And even so, I have allowed him to do all that he has done and continues to do, but not without a price!

And, he was forewarned in advance of the price that he would pay in terms of the loss of his kingdom and the loss of his power for choosing to do what I also allow, that his kingdom may be brought down considerably.

You will recall, My Little One, that even last fall when he was trying to microwave you to death and to laser you to death, that I issued a serious warning to him, that if he did not stop, I would take 50% of his kingdom! But, he did not stop and by January of 2006, I issued further warnings that I would take 70% of his kingdom; and so it has gone from time to time over these months that I have issued out of your mouth warnings to Satan as to what I would take from him if he chose to continue with his assaults against you!

But, what you don't understand, and what is unknown to your conscious mind, My Child, is that this is also what you agreed to do, before even coming into the Earth. You, My Little One, agreed to go under Satan's feet and under the feet of his fallen angels, and under the feet of those in power, who run his kingdom, so that through this very sacrifice, you would see his kingdom greatly diminished by the time that you leave the earth!

Over the months, My Child, I have warned him about what I would take from him and even some months past, I told you that his real kingdom was down to about 1 percent and still falling, as he chooses to sacrifice his kingdom in order to torture you and to hope against hope that he wins out over your human frailties. But, he has not won; for where you have been weak, I have made you strong!

Now, My Child, his kingdom is literally falling apart before his very eyes as they all see and they all know, all of his commanders, all of his fallen angels and all, who work with him and for him in his assaults against you, that he has failed in his every attempt to defeat you, to take you over and to steal what I have given you!

Daily, he fails and daily he is mocked and derided, both to his face and behind his back; for he has fallen in his every scheme to steal from you what is Mine!

Now, be advised, Oh Satan, that straightaway I shall begin to undermine your military foundation among the human armies! Before your very eyes, I shall break up NATO! I shall split it asunder; for this is now your price for the continued assault of My loved one, this prophetess, Linda Newkirk! And, on the heels of the break-up of NATO, shall come great cracks in the United Nations, to such a degree that you, yourself, will also see that it is falling apart!

But, this is only part of the price that you will continue to pay for your continued torture and persecution of My loved one, of my prophetess, Linda Newkirk. I shall, as of this day, begin to siphon off your personal power, your spirit power; and even some of your fallen angel generals will have more spirit power than you! And, seeing that you are weak, they shall compete for your position, in order to throw you out and to assume your leadership role.

Within a few short days of this message, I will cause this to be so, wherein three of your generals shall rise to overtake your power base! And, you, Oh Satan, shall struggle to maintain your power base! For every time hereafter that you touch this one, or torture her, or implant her with wires, or rods, or anything else and have your subordinates to do so, I shall siphon off more and more of your power until you are in

the sick bed! Then, others will see and others will know that you are no longer fit to rule and there will be an all-out war for your position of power.

Be warned; for what my prophetess pens is so and all is at hand for you, Oh Satan; for you have chosen to torture and persecute this one, my loved one, knowing in advance that you stood to lose all! And, so it goes, even now, Satan, as this has been your choice and it has been the choice of my loved one to go under your feet in order to defeat you!

I am Yahweh, yea Jehovah, Most High and these words are so, Satan, so be warned!

## SHOWDOWN OVER ARKANSAS

My Dear Ones, I can tell you for sure, that as of this day, Satan has only speeded up his attempts to take my life any way he can! What I am about to write, you will find somewhat comical and some of it may seem totally strange and absolutely bizarre, but remember that I am dealing with powers of great darkness, with the kingdom of Satan, with his fallen angels and with the Fourth Kingdom of the Book of Daniel.

### The Fourth Kingdom!

Remember our Father's warnings about this Kingdom, (Daniel Ch12) that there have never been times such as these (so bad), not ever in the history of the whole earth; and there will never be such times again. This is the Kingdom of Clay and Iron, the clay being the humans and the iron being Satan and his fallen angels. We are told in the

Book of Daniel, my Dear Ones, that these seed do not mix, that of the humans and the fallen angels. Nevertheless, this is the Fourth Kingdom of Daniel and the fallen angels and humans are all working side by side and all taking orders from Satan! But, they are destined to fail and fail they do in all of their attempts to kill me, and/ or to stop our Father's works, which He has for me to do! Blessed is His Holy Name! For, mighty is our God Yahweh!

**The Power of Yahweh will sustain you!**

So, if you strain to follow what I am telling you and if you fail to grasp what I am saying, I can assure you that in due season, and soon, if you are left on this earth, you will see and you will understand.

I hope that during such times, if you are indeed here, that you remember what I have written in these books, and that you will remember WHO sustained me during such horrendous years at the feet of Satan and his evil Kingdom.

September 1st of this year, 2006, marks 40 months since Satan and his evil hoards began to park their saucer craft over my house and began drilling a tunnel beneath it! Since that time, they have never once let me out of their sight! Forty month is a long time to be under the feet of Satan, but even so our Lord and God has kept me! And, my Dear Ones, the SAME ONE, who has carried me through such terrible ordeals, in faith, will also carry you forth through all that you must endure, if you put your faith in Him and trust Him to deliver you!

**Love our Father Yahweh!**

And, in your times of testing and trials, if you are still here, love the One, who has appointed you to such tests. Even in the midst of terrible times, be thankful for all things! Sing to our Lord and God! And, in the midst of your singing to Him, miraculous things will begin to manifest in your body and right before you very eyes, you will know His great and miraculous love! Remember what I am telling you; for many will rise up in their trials and they will curse the ONLY ONE, who can help them!

 From The Mountain Prophecies Copyright 2006

**Repent now and pray that you are counted worthy to go!**

If you do not know our Saviour, our Blessed Messiah, Jesus, Lord of Lords and King of Kings, you need to know Him and you need to know our Most Wondrous Father Yahweh; for it is through His power that I am still alive. And, it is the same for you! My Dear Ones! Put your trust and faith in Him and He will carry you through, but if not, He will carry you home! Either way, my Dear Ones, you are in His Loving arms!

Pray earnestly now that you are counted worthy to go with the first group of souls, who leave with our Saviour at the time of His Second Coming! Repent, my Dear Ones! Make yourself clean spiritually and get ready; for this is at hand!

Remember, my Dear Ones, that none can compare to our Father Yahweh and none can provide the power to overcome and defeat Satan, save Him. Blessed is the Holy Name of Yahweh; for He is worthy of all of the praise and glory! Love Him, my Dear Ones, respect and honor Him; for He created you! He created all things and breathed life into all creation! I LOVE HIM AND HIS BEAUTIFUL SON WITH MY WHOLE LIFE!

**Satan in my house!**

Now, my Dear Ones, as regards what went on around here yesterday! I tell you one thing for sure! Satan barely left my presence yesterday. He came into my room the night before and for hours filled my body with wires and various kinds of liquids and what I believe now to be iron powders. He put this powdery substance around my esophagus, along with what I believe to be a glass-like substance and then put rods under my espophagus and up and down my spine and wires in my head, among other things!

And, as is their tradition from day to day, after they have wired me up to suit their perverted fancies, they move their roaring saucer craft over my house and then pummel my body with electrical currents. Now and then, our Father in Heaven will allow me to feel a twinge of the pain that I would have felt, pain so severe that I would definitely be dead from the horrible electrical shocks, within only one second! But, my

Dear Ones, it is only a twinge of pain and then I go on off to sleep! What an awesome God we have! There is no God like Yahweh!

**Failures, they are!**

And, so it was with Satan's efforts night before last! He failed again! All of their efforts to kill me have been in vain! But, what is so surprising is how they keep on in the face of constant failure!

My Dear Ones, raging psychopaths fail to learn! They do not learn from experience, but are as their father, Satan! They are incapable of learning, puffed up in pride and arrogance, so sure that their next scheme will work! In their arrogance, they discount all of their failures! This is the way of Satan and all of his minions!

They are morons, my Dear Ones, slow on the learning curve, base, and full of every kind of evil vice! And, in the bed with Satan, the commanders and military officers, doctors, chemists and researchers, all working alongside Satan and all taking orders from him.

Yes, the U.S. military is under his command in all that they do to me, but not only the U.S. military! For, on one recent night, as the humans came into my room via their electromagnetic ring, I heard two of them speak in a foreign language. So, Satan is commanding other militaries around the world and some of these have also come here to show their hand in what is going on! But, they are all failures!

But, as I have told you, THERE IS NO GOD LIKE YAHWEH! Blessed is the Holy Name of Yahweh! To Him is all the praise and glory; for He keeps me! He miraculously sustains me and none can stand up to Him and His power!

**The assaults continue!**

When the beams from the saucers did not accomplish their purposes over time, by projecting killer currents into my body, they began put a portable microwave units just down the road and from these units, they repeatedly fire microwaves into my body.

At these times, I feel twinges of these microwaves, but from night to night I just turn over and go to sleep! Nevertheless, our Father allowed me to see the effects of these beams on my hair! The ends of my hair have been utterly fried by these constant currents! I used to have long hair and have had to cut it short as the ends were so fried from these beams.

But, even so, my Dear Ones, this is but a small thing. What is so beautiful is how our Most Wondrous God has kept me through a true life of Daniel experiences! Blessed is the Holy Name of Yahweh!

**They kidnap my dogs!**

My precious dogs, three of them, would get in the way of the portable microwave units with their barking, so Satan and his U.S. military hounds from hell began to pick them up via the saucer technology, drug them, and carry them off!

For almost two months, these evil hoards picked them up and carried them off about every other night. These precious animals would be gone nearly all day, and out in terrible heat, which has been well over 100 degrees F. Often, well into the evening, they would return, their bottoms and undersides covered in mud and they would still be so drugged that they would be unable to eat.

These evil ones would take them, drug them and throw them into a muddy pool, where they would remain asleep in scorching temperatures! Only the hand of our Lord and God has kept them, but I tell you that they have been through hell on earth, just because they are my dogs!

But, during these times Satan has not just taken them for convenience of the microwave units, but also has taken them out of spite! Sometimes, they would disappear, right out of the front yard and not be back for almost one and a half days. They began to keep them for longer amounts of time about six weeks ago and I believe that they carry them to an airbase. When they do so and then bring them back, they are not covered in mud and neither are they drugged! Otherwise, these animals seldom

leave this yard and when called, they come! They are not given to straying, my Dear Ones, but are removed so that Satan can more easily do his evil works!

**Continuing on …**

My Dear Ones, if it seems that I digress from the point, it is just that there is so very much to share, which I have not told you about! There is a huge amount of information regarding all that they have done to me and it is hard to leave out such important things as I write to you. So, bear with me as I go along, for even when it seems that I am digressing, I am bringing forth information, which will give you understanding!

**And, back to Satan's assaults …**

Night before last when Satan came into my room, I smelled such a rotten smell of stale cigarettes on him! My Dear Ones, it is the smell of a chain smoker, who never bathes! A raunchy smell of decaying cigarette smoke! You know the smell; and it was strong! I had smelled this before, wafting in and out of my room, but had not associated it with Satan, but for sure I knew it was Satan yesterday.

**Satan is a Monster!**

He was in my face just about all day yesterday, his ugly and scaly face right in mine and his blood-shot snake eyes peering into my face! My Dear Ones, he is one ugly monster and it is unthinkable that people worship such a thing! In fact, all of the fallen angels are monstrously ugly, evil beyond measure and vicious!

I believe that I have seen every species and subspecies of fallen angels and they are utterly evil and hideous creatures! What is disgusting is to see humans working alongside of them, and all of them taking orders from this monster!

**Our Father's Power and Great Mercy!**

But, let it be known that they have utterly failed in all of their attempts. For months, our Father has systematically removed their hardware. Most often, I stay in the bed in the mornings until our Father sends the power to remove what they have put in. But, at

times, He does not remove what they have put in for a day, or so; and it is at these times that He comes forth with a greater amount of power than I had previously seen.

### Our Father's Supernatural Way!

Back in the spring, around April, our Father in Heaven took away the angels, who had been helping me to remove these implants. Instead, our Father's power began to come in and I have had to learn to move in this power and to work in this power. At that time, whirlwinds of light and fire began to appear around me and began to literally suck these implants out of my body and to this day, these whirlwinds have grown to be great in power, sometimes coming in via giant waves! And, I have had to move in and out of these whirlwinds of our Father's great power! At other times, our Father sends His power with such force that this power quickly removes all that they put in.

### The Robotoid Soldiers!

One night, about one month past, whether in a dream I cannot say! But, I went into an underground tunnel, which is just beneath my house and I spoke with two men! They were huge, muscular men, giants, and utterly soulless and evil to the core! At this point, I do not remember all that was said, but I remember well what a giant, blonde man said to me! "I am a robotoid!" Satan and his evil hoards will be bringing them out, and soon!

I believe that these robotoids are truly coming into my house via an underground tunnel. Remember some years past that I wrote about the hellacious tunnelling noises, which were coming up from the ground beneath our house! I believe that they did complete such a tunnel and that this was no dream, but that these robotoid soldiers and others come up through the floor and go in and out of my room. When they enter, there will be a really loud popping sound in the floor!

### Back to Satan and his presence around me yesterday!

But, as I was saying, Satan seldom left me yesterday and his smell of stale cigarettes followed me from room to room! How interesting that Satan is a chain smoker! And,

now he has a lot to puff about! For, he is an utter failure in all of his attempts to defeat our Father!

Later yesterday, I saw that Satan had taken on one of his many disguises. There he stood! In my living room, clothed in a white, hooded robe; and so comical, my Dear Ones; for underneath was his black-as-soot body! Yet, he was trying to appear as an angel of light! This is so laughable; but he wore this disguise until I went to bed; and then he began his assaults against my body.

Right away after I went to bed last night, Satan came up with a nozzle of some sort, like a small nozzle under pressure and he began to assault my body. He began just above my right eye and carried a bead of electrically conductive substance down my right cheek and to the outer edge toward my right ear. Then, he slowly carried this bead down my throat, beginning high up behind my sinuses.

I watched him as he then pushed this bead, which was under pressure, down my body, much as if it were being forced into my body, as if via an air compressor. I felt the pressure of this bead as it went into my flesh, all the way down my throat and then slowly over the left side of my chest and into my heart. He hesitated along the left side of my body, near my heart and he put a heaping amount of this substance at the left side of my heart.

Then, from there, he plowed it into the flesh under my left arm, where he put another huge amount and then slowly across my back, going up my back, pausing to pile it into my left shoulder! From there, he went to other places all over my body, and pouring vast amounts of it into my abdominal cavity, which is a usual place for them to put their caustic liquids and powders from hell!

This took him some time, perhaps about an hour, or so, but not as long as they usually work on me at night. It is nothing for them to take as many as five hours in putting into me their elaborate system of wires, implants and terrible liquids. But, last night was rather fast as Satan put this powdery substance into me and followed it with a gooey liquid to hold it all in place.

Then, my Dear Ones, they turned up the currents and I felt a twinge or two of the currents, which would have certainly ended my life. As I turned over to go so sleep, I got a whiff of the powdery substance, that Satan was plowing into my body and I recognized this smell from many years past. It was none other than iron filings, fine iron powder.

Having failed in all of their implant technology and all of their wiring technology, Satan and his hounds from hell turned to filling me up with iron powder! But, they failed again! All the praise and all the glory to our Most Wonderful Lord and God, to our Beautiful Father in Heaven, Yahweh, Most High God!

Right now, even as I type these words, Satan is right behind me, trying to discern every word that I write and to take note of how I am faring after he did such things to me last night. But, I tell you, my Dear Ones, that I am better than fine! I am absolutely great, wonderful, full of life and full of joy! For, I know the power of the Great and Miraculous God of Gods, the Most High God, the ONE TRUE GOD, YAHWEH.

He is my wonderful Father, my beautiful friend, awesome counsellor, mighty and glorious beyond any words and He, my Dear Ones, fights my battles. Blessed is His Holy Name and blessed is the Name of His Son, Jesus. For He is coming back, my Dear Ones, and some of us are going to marry Him and very, very soon! Oh, we all have so much to sing about! Those, who have made themselves ready, will soon be rejoicing as they could have never imagined! HallaleuYahweh!

So, what is our Father's punishment to Satan now? Well, my Dear Ones, before I got out of bed this morning, I prayed to our Most Wonderful God! Blessed is His Holy Name! And, as I asked Him to come forward with His punishment of Satan, I saw a strip go across his eyes, a strip go between his eyes and a strip go above his evil nose. This strip looked something like a beige tape and then I knew that He was diminishing Satan's ability to see in the Spirit and to sense in the Spirit. My Dear Ones, our Father said to me this morning, "Now, I will pour out my wrath on Satan!"

There is war in the skies over Arkansas. If you want to see all of the activity, come to Mayflower, Arkansas and go out Highway 89 North! Drive out this road a few miles and begin to look up. On a clear night, you will always see Satan's saucer, which looks like a yellowish star, but low in the sky; and you will always see U.S. military saucers as they blink red and green lights.

But, you will also see our Father's craft! Yes, He has them. They are overhead and are white lights. They look like stars but are too low to be stars and now and then when I sing to our Lord and God, one or two of them will explode in a white light radiance of great agreement!

How great and wondrous is our Mighty God, Yahweh. All of Creation knows Him. Rejoice, my Dear Ones! Sing to Him! Glorify His Awesome Name; for His Name is to be exalted! Exalted above every mountain and exalted above every tribe and tongue! HallaleuYahweh!

Until next time, my Dear Ones, I send you love!

# CHAPTER TWENTY

## "THE KINGDOM POWER

### "Now comes My power and My glory into the Earth as no one has ever seen!" And, … Satan's present kingdom divided in half!

My Blessed Child, I am your Father in Heaven, yea Yahweh, yea Jehovah, Most High God! Listen to Me, My Little One and write as I say, that all may be the wiser! For, now comes My power and My glory into the Earth as no one has ever seen! For, this is My Kingdom Power! This is the manifestation of My mighty power in the Earth among My Chosen Ones!

And, mark this day, My Little One, for as of this day, I create a split, a mighty chasm in Satan's kingdom, which totally divides in half what he has left. So, these groups, these two groups, will be at odds with each other, and never again united in their work for him! And, these two groups shall war against one another and compete against one another, effectively dividing what he now has, so that his kingdom is cut down to 50 percent of what it was, even yesterday!

But, have I not warned him all along about what I would to him because of his continued assaults against you? Yet, he chose, even from the beginning to give up his kingdom in order to try his hand at defeating you!

But, as you are Mine! You are my faithful and chosen servant, his attempts have been to defeat Me in you and he has failed in all things! Yes, this has been hard for you, My Little One! And, yes, you have suffered great torture and persecution at his hands and at the hands of all of his perverted and evil followers.

But, now My Little One, comes a mighty victory, so great and mighty that the whole world will be in awe! The whole world will be shocked! The whole world will be amazed at what I am about to do now!

For, to you first, My Little One, comes My Kingdom Power! To you first, My Little One, comes a supernatural body; for you have willingly and lovingly laid down your life at the feet of Satan by day and night, giving him the right to use and abuse you as he and his have seen fit, all so that this might be done, so that this, My work, might be accomplished!

And, now comes a greater defeat for Satan, an even greater loss to him! For, while he has fiddled away his time, now by your side day and night, day and night, his own kingdom has fallen down in a great way and will not be built up this way, ever again!

But, you, My Little One, have faithfully stayed the course, even though at times you were in the dark about so many things! But, now you are no longer in the dark, but are enlightened, even about all of these things!

And now, My Child, comes My Kingdom Power to you, My supernatural body to you and what you ask of Me, I will give, unless such trials are upon a person for the purification of his, or her soul, and for the advancement of his, or her own spiritual life! In these instances, I will hold back My power and My Spirit until such a one has overcome the root problem, which is holding him, or her, back! For, many must bear their burdens! They must carry them until they are given My power to overcome them! For, all, who marry Me, must overcome!

But, for the rest, who are in need, I will give My power to you to reach down into their hearts and to bring an everlasting change in their hearts and from there My Little One, the Spirit of God, My Spirit can grow! For, as the heart is changed, so the person is changed!

And, to you, I shall give the power, My Child to reach out and to touch and change thousands, even tens of thousands of hearts at a time by the power of your spoken word! My Little One, you will never have to touch them, or to lay hands on them, but to speak My word to them!

 From The Mountain Prophecies Copyright 2006

And, even as you think the question, My answer is, “Yes!” I will give you the power to walk past them and to bring about the same kinds of changes, just by walking past them, to touch many in this way, to bring everlasting changes in their hearts, wherein they are individually changed, convicted of their sins and filled with My Spirit!

I shall give you all of the spiritual gifts, and operating in a way, such as few have seen! For, this is also My Kingdom Power and what comes now, humanity has never seen!

So, go in peace and know that your time beneath the feet of Satan is almost up and now comes My wrath upon him and his; and My great power, first to you, My Little One, as you have earned it and from you, it will go out to others in the measure that they are able to receive it.

But, for you, My Little One, by the end of the forty-month-period, which you have spent beneath feet of Satan, you will more fully understand what I am telling you; and this time is at hand!

I am your Father in Heaven, yea Jehovah, Most High God! Type this and get it out soon!

# CHAPTER TWENTY-ONE

## "They will Tremble Beneath the Power of My Kingdom!"

My Little One, I am your Father, Yahweh, yea Jehovah, Most High God. My Beloved Child, I am Most High! There is none like Me and none can compare to Me; for I am the Creator of all things! Yes, My Little One, the Alpha and the Omega, the beginning and the ending! I am from everlasting to everlasting and I know all things, as I am also spirit and in all places at once!

I ask you, My Child, who can compare to Me? For, did I not hang the heavens and lay out all of creation? "Yes," you say! For, you know Me! You know My Spirit!

But, Little One, look all around you and observe; for most do not know Me personally! The churches are full of the dead wood, full of those, who say that they know Me, who say that they love Me, when they neither know Me, nor love Me!

And, in the streets, the faces are full of blank looks as so many worship the god of this world! They worship his work, their new cars, their new houses, television, books, magazines, things of the flesh, clothes and on and on! They worship the god of this world and they know Me not! Neither, do they wish to know me!

But, even so, My Little One, there are a few righteous ones, a few, who both know Me and love Me, who live My commandments and who hear and obey My voice! And, I shall take but a few, and I shall turn Satan's kingdom upside down and inside out! I shall take but a few and I shall astonish the world! No, My Little One, not great numbers to do My awesome work! No, My Little One, not great numbers, but one or two here and there! These, I have called! And, these I have chosen to do great and mighty things! I do not need great numbers to go forth under My power and to move mountains and to create world change! I use few and so it is now!

 From The Mountain Prophecies Copyright 2006

And, this is why I have called you, a woman and an unlikely choice, according to what many believe, to do My work in helping to bring down much of Satan's kingdom! I have called and handpicked an unlikely human being, according to the standards of the world, to birth My kingdom into the Earth! And, I have called you and chosen you, My Child, because of your love for Me and because of your faithfulness!

Who can know My ways? Who can understand My works? Who can know what I will do from day to day? For, will I not take the least, as with David, to bring down the giant? Will I not take the least likely ones to do My marvellous works; for they are not big in the world, but small, humble and contrite in Me!

And, now My Little One, I have taken one of the least likely ones, a single woman from the hills of Arkansas and I am using you to bring forth, to birth My Kingdom and at the same time to deal a deadly blow to Satan! For, when this work is complete in you, his kingdom will be in shambles! He will struggle to go forward with what is left for him to do! For, there shall be such a chasm in what is left, that he will have great trouble in coordinating anything at all!

But, even so, he will destroy much! He will kill and torture and persecute those of Mine, whom he can find! And, he will do terrible things in the earth, for he knows his fate, but even so he will have great problems.

And, through My Holy Ones, shall come mighty miracles and much power, as the world has never seen; for this new spiritual code shall be imparted to those, who are ready to receive it and they will live in two worlds at the same time. They will exist in the supernatural world of My Spirit and in the earth! At the same time in the world, but not of it and these will pummel Satan! They will ride him and beat him and his fallen angels in great and mighty ways!

Oh, how these fallen angels dread this new generation of souls; for this new spiritual code will give these anointed ones power, much power over Satan and the fallen angels! For, this new spiritual code has 24 strands of spiritual DNA, while humans

currently have twelve strands; and the fallen angels and many other angels only have eighteen strands of spiritual DNA.

My Dear One, this is My Kingdom Come and it is coming into the Earth now and through you, a single woman, who is birthing this new spiritual DNA; yet under the feet of Satan and all the time, day and night, tortured and persecuted by him and his! But, know one thing and know this well! Soon, My Little One, he and his fallen angels will be beneath your feet!

For, I shall put great power in you, as this spiritual mother and when you raise your hands against them in battle, a stream of fire will go out against them and unto you I shall give power to bind Satan with seven times the power and to bind the fallen angels with seven times the power and to bind the humans, who come into your home via the electromagnetic rings, with seven times the power!

And, I shall give you the power to trap the fallen angels and to command them into the Lake of Fire! And, power over the humans, who have tortured you so, who come into your house via the electromagnetic rings; and via this power, via My power in you, they shall be struck dead!

And, great and terrible shall be the plagues, which shall come upon others, who set out to harm you, or to torture you in any way! And, many more punishments, I shall render, which you do not write here!

The time is at hand, My Child; for your days of torture and persecution at their hands is coming to an end! Sing and rejoice; for the accuser of your brethren is cast down and soon will be under the feet of My New Generation of souls! And, every fallen angel and every errant human, who sold you all to Satan for power and technology, will quickly tumble beneath the power of My Kingdom, which even now comes into the Earth!

# CHAPTER TWENTY-TWO

## "The Appointed Time!"

My Blessed Child, I am your Father in Heaven, yea Jehovah, Most High God! Yes, blessed are you, My Little One; for you are faithful and constantly seeking Me and My will! My Little One, your love for others pleases Me greatly and it is because of your prayers on their behalf that I told you that I would come for you and the other Bride Souls at the same time! But, this is not in keeping with My Scriptures of Revelation Chapter Twelve, although not totally apparent to most!

And, while I have heard your prayers to take all of the clean souls when I come for you and I have agreed to do so, I am able to change My mind in this also! And, strictly on the basis of the fact that Satan is now in your face for most of the hours in a twenty-four hour period! And, not in your face by sitting in his craft over your house over your head; but in your face, in your house, around you as he expects you to leave any day and he thinks to steal his way off this planet! He expects to escape the punishment, which is due him, even though he well knows the word! But, he shall not escape!

Yes, My Little One, soon and very soon, you will have completed forty months of persecution, torture and pain beneath the feet of Satan! No one on this planet has endured such a thing; but soon and very soon all of humanity will be under his feet!

Will their time of suffering also be forty months? Let all watch and pray that their appointed time of forty-two months beneath the feet of Satan is shortened to forty months!

Yes, My Child, I hear your cries! I see your great hardships! I know your terrible suffering at the hands of Satan and I hear your cries! I hear your cries and you are worthy, My Little One! I hear your cries on behalf of your dear friend and on behalf of your animals! Worry not for them; for all are in My hands! What is Mine, I look after!

 From The Mountain Prophecies Copyright 2006

When you go, My Little One, the "Baby of Spirit", the new spiritual code for the new generation of souls, also goes; only so that he can be sent back, to be given, one at a time, to the New Generation of souls! Just as My Son had to come back, so that He could send My Spirit back to the faithful, you must soon come back, so that I can send the new spiritual code to those, who are worthy to receive it!

For, what is now born and mature in you must be born into these, who are to receive it; and it must also mature in them as it has matured in you! And, through their tests and trials, this new spiritual code will also grow and mature at a very rapid rate!"

"Father, I thought that all would receive the mature code!"

"All will receive the code, who are worthy to receive it, but in and through it, they must walk in faithfulness and submission to Me, My Child."

"Is this not automatic, My Father?"

"My Child, those, who are worthy to receive this new spiritual code, will automatically walk in love and submission to Me, but some will grow in their spiritual development faster than others! Is this not the way, that some take off walking and some running; and some will go faster than others because of their greater desires to do so! And, some are kings and queens and some priests, while some tend the garden! See?"

"Yes, Father! So, after I go, this new spiritual code will be sent, along with Your Kingdom Power!"

"Now, you see well; for this is how it is written; but is not clear to many! And, while I have honoured your deep prayers on behalf of all of humanity, to take you all, all of the clean ones when I take you, this will prolong your suffering, My Little One, and also deny them the trials that some of them need to be absolutely clean!

And, while I come soon, very soon for all of the clean souls, My word in Revelation Chapter Twelve states that there must be a time wherein Satan is allowed to persecute those, who keep My commandments!

These, My Child, are those, who not only keep My commandments, but have My Spirit! Yes, he will have some few months to do so; but I will take all, all, who are spiritually clean and ready, just before the Great War, World War III escalates, just before the nuclear attack on America!

Be of good cheer! And, know that I come soon upon My wings, very soon for you, My Little One! Worry not for these others, who are with you, for where the body is, there I also take My eagles!

I am your Father Yahweh, yea Jehovah, Most High God!

# CHAPTER TWENTY-THREE

## "An Update on the War with Satan!"

My Dear Ones, about a month, or so ago, Moses appeared to me in my living room and he was so full of light and joy. I always see such a light and a twinkle of joy in his eyes, but this time he was really beaming. As he reached out to hug me, he told me that all in heaven is rejoicing!

Yet, when he told me that all of heaven is rejoicing, I could not grasp the depth of what he was telling me! My Dear Ones, at that time, I was in the midst of such a terrible war with Satan, and while I could not grasp the profundity of what he was telling me; I knew that He was sent to bring joy and encourage me as to the beautiful heavenly events, which now come forward for all of humanity!

After he left, the reason for his visit began to sink in somewhat and I was so delighted to know that all in heaven are rejoicing; for they also know that our Saviour's Kingdom is being birthed into the earth! Blessed is the Holy Name of our Father Yahweh! All the praise and glory to Him! And, blessed is the Name of His Wonderful Son, Jesus, Saviour of Humanity!

It was that very same night, that I went to sleep amidst all of their torture as I do every night, and I dreamed that a pot-bellied blondish man, with teeth stained with nicotine, came up to me and said, "I am Illuminati!" I never said a word to him, but I thought to myself in the dream, "So, who cares?"

Then, in the same dream another man appeared, this one rather young with fine, short brown hair. And, this man came up to me and said, "I manage a multibillion dollar trust fund in Wisconsin." I looked at him as he tossed around some papers on his desk, and wondered why he would tell me such a thing!

Then, the Illuminati man came up to me and as he did so, he put forth his hand and out of it rolled a streak of fire! Then, I put forth my hand and out of it rolled forth a streak of fire. Then, the Illuminati man put forth his hand and projected a picture on a blank wall. So, I put forth my hand and likewise projected a symbol on the blank wall. Then, the Illuminati man projected a symbol on the wall; and after his symbol, I put forth my hand and projected two symbols on the same wall! After I projected the two symbols, this Illuminati man walked away.

It is most interesting, My Dear Ones, that I was given this dream on the same night that Moses came to visit me and as I awoke the next morning, this dream and the visit of Moses were both on my mind. Then, I realized that this war with Satan is so very much like Moses' war with the Pharaoh, but also very different. It is alike in that Satan is allowed to persecute me and to even torture me to some degree, but after a certain amount of this, our Father in Heaven sends in more power to defeat what Satan has come up with.

### This New Spiritual Code, Awesome to behold!

It is through these continued assaults of Satan and his demonic hoards that our Father has matured this new spiritual code, this new spiritual DNA, which is now very strong and it fights for me and with me. I believe that the two symbols that I projected onto the wall with my hand indicates the full maturity of this new spiritual DNA, for it is 24 strands, while the current spiritual DNA of humans is twelve strands; and the fallen angels have 18 strands! In other words, it is double, or two times the power of what it is now for the humans! So, from this dream and what I also know by now, when this new spiritual code reaches its full maturity, these evil ones will be removed from my face!

My Dear Ones, this new spiritual code and how it operates is most amazing and I can assure you that Satan and his fallen angels are terrified of this new spiritual code and the very fact that this will soon be released upon humanity! For, this new code will give the lowly humans power over Satan and over his fallen angels.

 From The Mountain Prophecies Copyright 2006

**The Fallen Angels, what humanity now faces!**

Some time back, near the end of February, 2006, when I was involved in the Drago Wars as they were coming into the Earth, I was up all night again in this terrible war! It was on that night that I first saw up close the viciousness and the hideousness of the Dragos!

Michel, the Archangel, had previously warned me when the Dragos were coming in around February 20th of 2006, that they would come for me! He had also warned me that they are vicious and even as they were coming in via their spacecraft, he would tell me that so many thousands, or hundreds of thousands were headed right for me!

As Michael, the Archangel, other Archangels, many other angels, and our Saviour fought them and rounded them up to go into the hollow of the Earth, Michael would also tell me, and often, that these Dragos were headed for me and that I would take some hits! And, this definitely happened, over and over again, in spite of the fact that our Lord and God was often hiding me! They would still find me and when they did, they would come at me in hoards; and with their needles they gouged my skin and caused terrible pain! Along with this torture came their terrible implants, which they began to put into my whole body; and to this day, they have never let up!

This terrible Drago war, wherein they were driven into the Earth began around February 20th, 2006 and continued until approximately until the end of April of 2006! I was in the midst of it all and the archangels were constantly around me, all to keep me, my Dear Ones, for these evil hoards came toward me, as if I were a magnet! This great influx of fallen angels and others, whom Satan sent after me, constitutes the “flood” of Revelation, Chapter Twelve!

From the all-night vigil, which I mentioned above, I well remember one very interesting thing that one of the Dragos told me as the sun was moving up, early in the sky! As I sat on a sofa with my back to the wall, My Dear Ones, I felt a sensation of movement, of weaving into my back! It was then that I looked in the spirit and I saw that a hideous creature was weaving strings into my back! This creature had the head of a hawk, or small owl, and the lower body of a penguin, but with scales and with many claws! He

was black all over and there appeared to be ten claws on each hand and on each foot as well. And, it is with these claws that these creatures, these horrendously evil fallen angels, reach into ones body and quickly weave their terrible webs! Yes, they reach right through ones skin; and this is the same way that the doctors and the evil ones in the U.S. space program do as well; for they have sold us all out for Satan's technology!

So, when they come in, my Dear Ones; and if they come for you, you may not be able to see them, but you will be able to feel their weaving and pumping, prodding and poking into your body! You will be able to feel the stings of their hits and the pain of all that they do if our Lord and God does not intervene and spare you! It is absolutely true that they can quickly kill one in this way and most certainly true that they have killed many, many through their terrible torture and electrocutions!

My Dear Ones, these webs, which these evil ones weave into ones body, constrict the skin and muscles and are also able to carry electrical currents! And, if they so desire to aim these electrical currents at you, while you are laced up with these terrible webs, you will feel these electrical currents as they course your body, or in the parts, which are woven! Now, when these are combined with actual wires and then plowed with electrical currents, one may quickly die from the terrible pain of electrocution, if our Lord and God does not intervene!

Sometimes, these evil fallen angels only weave the strings into a certain part of the body, while at other times, they will weave a vast network of these webs into ones whole body! Listen to what I am telling you; for this is what they do! This is how they torture others; and not only with these strings, but with their vast system of implants, wires, rods, and many kinds of terrible electrically conductive liquids! And, now, as I have told you, they have at their disposal many humans, who have sold out humanity for Satan's space technology and they are all working together to make slaves out of all of humanity!

### The Fourth Kingdom of the Book of Daniel

My Dear Ones, this is the Fourth Kingdom of the Book of Daniel, the Kingdom of Clay and Iron and it is now fully operant on this planet! Satan has been cast down and with

 From The Mountain Prophecies Copyright 2006

him many, many of these evil fallen angels. And, while over 40 billion of these terrible creatures were driven into the hollow of the Earth by our Father in Heaven, by our Saviour and the hosts of heaven, there are still many in this earth, enough to cause great, great problems for all of humanity!

I tell you again! Repent of your sins! Get spiritually clean and stay clean! For, they are going to do these terrible things to many, many people and your only hope is the love and grace of our Lord and God!

**These evil ones thrive on torture!**

In months past, my Dear Ones, even before the new spiritual code was born to me on May 10, 2006 in South Africa, I had to undergo severe torture at their hands. Often I went to sleep amidst such torture to my legs and to other parts of my body that it took all my inner strength and determination not to cry out in pain and agony! But, at those times, I would instead break out in praise to our Lord and God and amidst such torture our Father in Heaven would give me peace! He would take my pain! He would take my sorrows and He would carry my burdens. Over and over again, He spared my life and I am here to tell you of these things only because of His love and grace! Mighty if Yahweh! There is no god like Him!

But, even though our Father in Heaven has kept me alive, He has not spared me what I have needed to go through! For, truly, my Dear Ones, in their attempts to take over my mind and my body, they have come day after day, and night after night! They have tortured and persecuted me and I have often had to endure great pain. But, as the baby, the spiritual code began to grow, more and more power came in to fight them and with this, there came less and less pain.

However, at times, our Lord and God allows me to feel a twinge of the severe pain that I would feel if He did not protect me and it is at these times, that I know that I would be dead within an instant daily if He did not protect me! Blessed is His Holy Name!

### The Pride and Arrogance of the Fallen Angels!

Now, back to the ugly Drago, who was weaving into my body these terrible strings! As I looked at him that morning, I said, "I command you to stop this in the Name of Jesus Christ!" He looked at me and said, "I do not have to do a thing you say! We are older and wiser than you!" Then, I said to him, "Well, if my Father allows you to do such a things, He is able to remove what you put into me!"

Now, be aware, my Dear Ones, that this monster followed me around for about two days, and all of the time weaving these terrible things into my flesh! At the end of that time, our Lord and God removed what he put in! But, to this day, Satan and his evil hoards have not stopped weaving things into my flesh and as our Father wills, He sends His power to remove all that they put in!

I tell you again, my Dear Ones, that as they were coming into the Earth, they were all headed for me! They knew that they had to get to me, to steal the interdimensional portal, and also my Dear Ones, to stop this work; for this is the beginning of our Father's Kingdom on Earth and the birthing of the new spiritual code for the new generation of humans. And, they also know that when humans have this mature code that they will have power over them!

This, my Dear Ones, is a great dread for them as they are so puffed, proud and haughty, knowing that they have been given eternal life and that humans must earn it. And, as such they have put us under their feet for so long and have been doing terrible things to our bodies for many millennia, all in an attempt to keep us under their feet.

### Now comes defeat for Satan and the fallen angels and mighty victories for all of humanity!

But, now, My Dear Ones, comes this new spiritual code for all of humanity, who are worthy to receive it; and these evil ones are beside themselves with a great furor. Yes, indeed, Satan is furious with me! And, in their furor, he and his have constantly persecuted and tortured me, yes indeed doing horrible and unspeakable things to me, all in order to stop what is and what will surely be!

 From The Mountain Prophecies Copyright 2006

But, this is our Father's will also, that His Kingdom should be born amidst great travail and hardship! And, may His mighty will be done! Blessed is His Holy Name and blessed am I; for He has chosen me to go through persecution for love of Him and for love of His Loved Ones in the Earth!

**How beautiful is this spiritual babe!**

But, now, my Dear Ones, Oh, how shocked you would be if only you could see this spiritual "baby" in operation! Oh, how glorious a thing to behold! For the small, beautiful and delicate little baby of spirit, which our Lord and God put into my arms on May 10, 2006 in Centurion South Africa, has now grown into a huge giant; and regularly I see him fighting for me in this terrible war!

How beautiful this wonderful gift, which is coming to humanity! Blessed is the Holy Name of our Father Yahweh; for this is His beautiful work and His beautiful gift to humanity. He, my Dear Ones, is worthy! He is so gloriously wonderful; and His Precious Name is to be exalted above every tongue, tribe and people!

For, the power, which our Father is putting into this baby, is awesome and beautiful beyond any words! As I have told you, this power only came in by degrees and only because of the fact that the torture of Satan and his hoards has grown more severe and complex by the day! And, because they have escalated so in their horrendous torture and evil, our Father has escalated quickly in maturing this new spiritual code with more and more power.

For the baby grew from a small babe into a giant in about three months time, first walking, then running and leaping and then flying! Over the months, this little babe has grown many muscles and is now one huge giant, who leaps in the Spirit and lifts and pulls and wields much power! HallaleuYahweh!

In the early stages, this power came in like small whirlwinds, and these whirlwinds went into my body and literally sucked out and pulled out the terrible wires and implants. And, most often, my Dear Ones, I had to work in the Spirit with this power for many hours each day to do our Father's work of getting out these terrible implants.

But, as the weeks and months have passed, these small whirlwinds have become great, moving whirlwinds; and to them have been added giant, undulating waves of power!

When these evil ones began to put actual wires into my body, long wires, as they wired up my whole body, our Father began to send fiery lasers into this code. These lasers would cut up and dice up the wires and then great waves of power would come into my body and these waves would sweep up these pieces of metal and carry them out of my body!

Then, the evil ones began to fill up my body with various liquids, pumping and pumping them into my body cavities and filling up my body with thick, gooey liquids just beneath the skin. This was to hold the tiny metal pieces and tiny glass-like pieces in place in my body as these pieces were many and scattered all over my body! And, it was after these, plus the iron filings, that these waves of power became huge and the waves thicker than water and rushing into my body and carrying out even wires and other fine objects, which were laced into my bones and muscles.

Amidst these waves, were teeth-like objects, which cut and shredded these rods, wires and implants; and as the waves moved through my body, there appeared also various kinds of filters. This complex mixture came in with great power and began to move with great force to remove the horrible things that these evil ones have put into me.

### The Continued Fall of Satan!

Within the last four or five days, Satan very seldom, leaves my side. In fact, I can smell his putrid cigarettes almost twenty-four hours a day! The power of God removes the terrible things that he puts in me and once our Father does this, Satan is there to ram things back into my body again; and so it has gone for many months. But, even so, I can see that Satan is getting weaker. There were times that he would come and ram rods into my brain with his brute force and ram rods into my body, and all over my body with much force and power! There were so many times when he would charge into me and knock my body forward about twelve inches, more than 24 centimeters!.

 From The Mountain Prophecies Copyright 2006

But, during these last five or six days, he weaves the things into my body like the rest of the fallen angels. Satan has chosen to continue his assaults against me in spite of our Father's warnings to him! So, he continues on with his assaults, risking his whole kingdom and even losing his own personal power!

But, even as I am writing this, he does not like what I am telling you, so he has gone over to pilfer through a plastic bag and in this way he is trying to show his power! How starved for attention is this slime from the depths of the sewer!

My Dear Ones, when and if he comes for you, do not give him his much needed attention! He thrives on suffering and gets power from the persecuted via his, or her suffering. He sucks up the energy of the suffering and dying and this is how he survives! Otherwise, he has no power! So, when and if he and his come for you, sing to our Lord and God! Praise Him and love Him amidst your suffering! This deprives Satan of his "fix" which he would otherwise get from your suffering!

### Another failed attempt of Satan and the U.S. Military!

Last night, my Dear Ones, as is often the case, the sky was full of U.S. military saucer-shaped craft. The air was roaring with these unmistakable hums and grinding sounds as these craft were once again low in the sky! Yes, indeed they had a big night planned; but alas they are but losers again! Morons, my Dear Ones! They are ignorant, and full of every kind of pride and arrogance; as they so foolishly believe that they can defeat the power of our Father Yahweh!

As soon as I was in bed, Satan and I had something of a duel. He threw objects into my head and the power of our Lord and God removed them just as quickly! And, this went on, my Dear Ones, for about two hours, or more. Then, Satan, seeing his failures began to pump something into my stomach. I could feel this pumping action and at the same time, I could feel warmness and a bit of stinging as it hit the inside of my lower abdomen. After Satan filled up my abdomen, he forced this liquid into my legs via the pumping actionl; and I could feel the warmth of this liquid as it trailed into my lower extremities.

My thought at that time was that this was some sort of acid! And, it was not long before our Lord and God showed me that this thought was indeed correct. For, soon after filling up my lower body and legs, Satan began to pump this caustic liquid into my upper body.

It was at that time, that I felt a burning sensation in my upper throat and knew then that this was indeed acid and I believe that it was huge amounts of very strong and powerful hydrochloric acid! But, alas, my Dear Ones, soon after realizing that this was indeed a very strong acid and that they literally planned to turn me into a pile of eaten-up flesh, I began to rejoice and sing to our wonderful Lord and God; for He is so beautiful and marvellous beyond words. For, other than the small amount of burning, which our Father in Heaven allowed, to show me that I was indeed correct in my thinking, this had no effect whatsoever on my body, other than a pleasant warning effect! Blessed is the Name of Yahweh, Most Wonderful God, Mighty Creator, Great and Wonderful He is!

**They came to rejoice, but alas, egg in their faces!**

But, my Dear Ones, the dunces in the U.S. military and Satan and his hoards, so sure that they had hit the jackpot, were in and out of my room, as if it were Grand Central Station! The walls were popping, popping, popping as they made their way in and out of my bedroom, so eager to see the effects of their latest scheme to kill me! But, egg on their faces again as they cannot defeat the Very One, who created them!

Is the created one greater than the CREATOR of all things? Foolish the are! Utter fools, who strut out their last days in utter failure. For, even if they kill us loved ones, we just get to go home. And, our Lord and God has shown me that even when killed by Satan and his, His Faithful Ones will not taste the sting of death. So, my Dear Ones, do not fear death and do not fear what Satan can do to you; but be grateful when you are counted worthy to go through persecution for the love of our Lord and God and for love of our brothers and sisters!

**Rejoice through your trials!**

In your times of tests and trials, sing to our Father and sing to our Saviour! For, even as you suffer, rejoice; and you will see that our Lord and God takes your burdens. He will bring you joy, even in the midst of such evil! Blessed is the Holy Name of Yahweh and blessed is the Most Wonderful Name of His Beautiful Son, our Wonderful Saviour and Husband to come! HallaleuYahweh!

My Dear Ones, there is more to come, but for now I will leave you with this, that you may digest it! Know that soon, our Lord and God must come for me and when He does, you, my Dear Ones, must begin to pray for the impartation of the new spiritual code to all of humanity; for this is going to be sorely needed!

Be of good cheer and know that you are indeed blessed to be here at this time and to be part of such a great and mighty unfolding. The angels of heavens rejoice because the Kingdom of God is now birthed into the Earth and you, my Dear Ones, must also rejoice, knowing that whatever you must endure is for only a short while. And, then comes the kingdom and the glory of our Lord and God!

Go in faith and in the love of our Most Wonderful Lord; for He does a new and glorious thing in the Earth; and soon, my Dear Ones, Satan and all of his evil hoards will be beneath the feet of a victorious and new generation of humans, who are soon to be!

Sending love to each of you and big hugs to my Dear and Precious Friends. Great are your rewards, my Dear Ones, for you few have been my faithful friends, in spite of and because of all that I have been through!

Jesus is the Light of the very dark world; and He is returning soon, and very soon for a beautiful and victorious bride!

Your Sister through our Beloved Lord and God,
Linda

# CHAPTER TWENTY-FOUR

## "What a Wonderful God We Have!"

Oh, my Dear Ones, I can only shout and sing praises to our Most Wonderful Lord and God, our Most Precious Father in Heaven, the Most High God, the One True God! Beautiful and holy He is! Righteous! Just! Merciful! Full of Grace and Love! What a glorious God! There can never be a god like Him; for He is Creator of all things, our glorious Father! And how blessed we are to have such a God! HallaleuYahweh! All the praise and all the glory to our Father Yahweh forever and ever; for He, my Dear Ones, is worthy! Worthy! Worthy! Worthy!

Stand up, oh nations and rejoice! Come forth all of creation and rejoice; for our Father in Heaven now comes forth in His mighty power to gloriously attend to His people! He now comes forth in such great power as the world has never known; for now, my Dear Ones, comes the Kingdom of our God! Now, comes His glorious power! Now comes salvation and the strength to withstand what is! Blessed is the Name of Yahweh and blessed is the Name of His awesome, Son, Jesus Saviour of Humanity! For, He is coming back and soon, very soon; for all, who are clean and counted worthy to go! Sing, my Dear Ones! Praise the GOD of gods and rejoice; for now comes His greatness into the Earth as the world has never seen or known!

### The Games of the Buffoons!

I tell you now that Satan was furious about what I wrote yesterday and he seldom left my side, not even for one minute all day long, but was after me, in my face with his foul cigarette breath and pushing his wires into my body and his rods and whatever else he chose all day long. But, even as he was pushing these things into my body, the power of our Father in Heaven was throwing them out.

Finally, last night, the Spirit of God touched me to rest in our Father's arms, to rest in His beautiful love and the power to remove these objects was stilled. Then, I knew that

 From The Mountain Prophecies Copyright 2006

there was coming another test, wherein Satan would be allowed to go forth with his evil schemes against our Father, so I did nothing and Satan went forth with his great plans to turn me into a pile of dust.

But, oh, my Dear Ones, what failures they all were. Oh, yes, they were in the sky last night with all their glee and with their mighty plans to see me take my last breath; for where they have failed every single day for many months to eradicate me, they were so sure that on their double devil day, the 29th of August, on the morning of the anniversary of their great destruction of New Orleans, that they would be able to slap their thighs in glee as they all watched me take my last breath!

But, oh what a shocker they got! And, my Dear Ones, this is the power of our God! This is the awesomeness of our God; for no one could have lived through things as what they put me through.

I went to be rather early for me these days, a little past ten! I had hardly pulled the covers up around my shoulders when the walls started popping. In they came! The roar of many of their disk-shaped crafts filled the air and I knew that they were hot on the trail of another one of their cooked-up schemes. Immediately after the popping of the walls, they started on me, first pumping, pumping something into my lower abdomen on the right side. Then, even as they were still pumping into my right side, someone began to drill into my back on the right side, just opposite what they had poured into my right side. I could feel the fanning of this drilling action and could feel the penetration of the drill-like object as it was worked into my back, through my back and into my abdomen! Penetrating my body, they made hole after hole on the right side of my back as they went slowly across my waistline, moving from my spine outward toward my right side.

Then, my Dear Ones, they went silent for a few minutes and I knew that they were waiting and watching for their handiwork to show its effects; but my Precious Ones, nothing happened to me because of their evil schemes. Blessed is the Glorious Name of our Father Yahweh!

It was at this time, that Satan and his dastardly doctors from hell began to pump something into my lower legs. I do not know what it was; but as it began to run up my legs, my legs began to burn and sting; and my immediate thought was that this was some sort of venom; but I am only guessing. This burning and stinging only lasted for a short while and as my legs were burning and stinging, these evil hoards took a hypodermic needle and injected what seemed to be the same stuff into my left arm and from there they injected it into my chest alongside my esophagus and then across my chest beneath my right breast.

HallaleuYahweh! They stepped back and waited, but alas, my Dear Ones, nothing! Nothing at all! All of their expectation and nothing! Oh, my Dear Ones, I broke out in joyous praise to our Father in Heaven and blessed His Holy Name and sung to Him anew and reached out to Him in great love, honouring Him, loving Him and worshipping Him! Oh, what a blessed occasion; as they were once more with egg on their faces. Buffoons, my Dear Ones, clowns before our Lord and God! Losers! Their great and mighty men and the devils and demons from hell, once again faced with utter defeat!

Oh, what a glorious occasion to see our Most Wonderful Father in Heaven rise up in His awesome power and make utter fools out of those, who consider themselves to be the great minds of the world! Oh, yes, Satan and all of his “great minds” from all over the world, spend many a night in coming up with their evil schemes to destroy our Father’s works. Their attempts to stop our Father’s works through me have been massive and have involved nations; but how joyous I am; for they are utter failures! They cannot stand up the power of our Most Glorious God!

Rejoice, my Dear Ones; for the Kingdom of our God is at hand! Blessed, blessed are we; for the losers from hell are all defeated before this great and awesome power! They cannot and will not stand; for our Father’s Kingdom is coming in, regardless of their schemes!

But, even so, my Dear Ones, the very fact that these concoctions had little effect on me at all was a source of great anger and rage for Satan; and he, being lit up with his evil

glee up on his double-devil-day, was more determined than ever to turn me into a pile of dust. And, not to be outdone, they then came with their next round of assaults. And, it was at this time, that I could feel the Evil Dog from Hell as he ran a line of something into my left side, just alongside my pelvic bone. I do not know what this was, but it had a slight stinging sensation, yet even so, my Dear Ones, seeing these failures and knowing the great power of our Lord and God, I could only break out in great praise for our Father in Heaven! Oh, how glorious an opportunity to sing praises to His Holy Name!

It was at this time that one of the disk-shaped craft came very low over the house, and whether from this craft, or from a hand-held device, just outside my bedroom, I cannot say! But, immediately, a beam, a very powerful beam went into my left side, and at the same level where the substance was injected into my abdomen. This beam, itself, would have burned me to a crisp; for it was a powerful laser beam, or microwave beam. It had a pinpoint, where it entered into my abdomen, but also spread out like a fan for about 18 inches and they kept this beam on this one spot in my lower abdomen for many minutes, what seemed to be five minutes or more.

I could feel the force of this beam as it reached through my whole abdomen and pulsated and moved the tissues around in my abdomen, but even so, my Dear Ones, other than a stirring effect, this beam had no effect on me! So, once again I broke out in great praise for our Most Wonderful Lord and God! I tell you, my Dear Ones, and listen well! There is not god like Yahweh; for this beam did not effect me at all! Blessed is the Holy Name of Yahweh, glorious and wonderful God! His Name is to be exalted above every tongue, above every tribe and above every people; for there is no god like Him!

But, even so, my Dear Ones, in the face of so many failures, Satan was not to be outdone, so he came up with another one of his hair-brained schemes. This time, he surely took some very powerful acid, what seemed to be some of their strongest and he poured it into my left side, just above the area, where they had just assaulted me with their beam weapon. I could literally feel the flesh as it was boiling and crackling under this powerful acid, but my Dear Ones, no pain whatsoever! Absolutely unheard

of that anyone could survive such attacks! And, other than the cracking and popping, which was going on in my abdomen, there was no sensation whatsoever and absolutely no pain!

Realize my Dear Ones, that this is the Kingdom Come of our Lord and God and soon, very soon many will experience such great and astounding miracles! For, what is now birthed into the world, shall grow into a glorious Kingdom of our Father's great and wonderful power and of His awesome and unheard-of miracles shall abound!

Oh, the great love I have for Him! And, you probably know by this time, that after this assault with the very strong acid, that I broke out once again praising His Holy Name and blessing the Only God, the One True God, the Most High God, the Mighty God of Israel, our Wonderful and Glorious Father Yahweh!

But, even so, my Dear Ones, these evil ones seeing that they had not accomplished a single one of their evil schemes, were even more determined to turn me into a pile of dust; so they then began to pump my body full of some sort of liquid. First, along my spine, then into my abdomen, then into my extremities, and then into my head, where they put heavy amounts of it on the right side of my head and literally filled my sinuses on the right side of my head. Then, they began to pummel me with their electrical currents.

My Dear Ones, all of this took about five hours and finally about 3:00 this morning, I went to sleep with a glorious song on love on my lips, a beautiful love song for our Lord and God! And, still I awoke early, a little after six and as I awoke I was praising our Most Glorious Lord and God and even in the amidst of my first praises, the wall popped and there was the cigarette monster from hell, Mr Chain Smoker, Himself, satan, the god of this lower and dark world! For, my Dear Ones, he is so afraid that he will miss one thing; and when I awake and begin to praise our Lord and God, he must be present, lest he miss something great and wonderful from our Father in Heaven!

But, really, my Dear Ones, can you blame him for not wanting to miss even one miracle of our Father in Heaven! Oh, how Satan longs to see the power of our Lord and God;

and daily he gets a big dose of it! It is egg, egg on the face of Satan and egg, egg, egg on the faces of all of his evil followers! For, they cannot defeat the power of our Most Wonderful God! None, no not one can stand up to His glorious power! How blessed we are to have such a God!

My Dear Brothers and Sisters, I tell you these things, all so that you can prepare yourselves for what is at hand, so that when you are faced with such evil and persecution, that you praise and love Only One, who can help you, the One God, the Glorious God of Israel, the Mighty God! For, what I now tell you, my Dear Ones, is upon the whole world, both the glorious presence of our Lord and God and the terrible works of the hound from hell, the evil prince of darkness!

Go in the glorious love of our Lord and God, in the love of our Father Yahweh and be blessed, my Dear Ones; for great and mighty is He! And, wonderful beyond any words is His Beautiful and Perfect Son, Jesus, Saviour of Humanity! Watch, and get ready, my Dear Ones, for He is coming back and soon!

Jesus is our Only Way home!
Your Sis,
Linda

# CHAPTER TWENTY-FIVE

## "Understanding Satan's Kingdom"

My Dear Ones, last night was the ending of the 29th of August and also the beginning of August 30th, 2006. It was yesterday, after more than two years of being separated from my husband, Dennis, that I signed the divorce papers and this, my Dear Ones, marks the official end of my relationship with a man, who has many good qualities, but unfortunately failed also in many ways to do what is right. In all things, I have forgiven him and have gone on with my life, praying regularly for him and for his salvation and for our Lord and God to bless and keep him. For, he is greatly loved by our Lord and God and He wishes to save him!

Last night was just one more in the many long months of persecution and torture at the hands of Satan and his human traitors! And, what I write about them here is nothing unusual, but usual; as these are the kinds of things that they have done from day to day and from week to week for well almost a solid year; for it is now almost a solid year since Satan, himself, parked his disk-shaped craft over my house and since that time he has never left me.

I had barely crawled into bed last night when the walls popped and in came two, who seemed to be military doctors and along with them, Satan, full of his fowl, stale cigarette breath! I saw them as they had put up a small round table behind me and on it some of their medical tools. One had a black bag, which was filled with many vials of a liquid substance and I knew that they had a big night planned in which they planned to inject me with all of those vials of liquid from hell.

If you have ever had an ex-ray examination of your kidneys, you will recall the huge vials of liquid that they inject into your veins. These, my Dear Ones, are the kinds of large vials that they had in their carry-on pouch from hell, but large numbers of them perhaps twenty, or more!

 From The Mountain Prophecies Copyright 2006

They came for me straight away, even immediately after I got into the bed, and I heard one of the men, a ruddy-faced, older man, say, "We will shoot this into her frontal lobe!" He went for my head, just beneath the left ear and began to pump this substance into my brain. The pumping went on for some few minutes and I began to perceive a chemical smell and there began to form a pressure behind my eyes. They pumped and pumped and after some minutes I began to feel the coolness of this substance as it ran down the inside of my neck. Sensing that my brain was full, they then turned to my sinuses and poked and prodded them with their needles until they thought that the sinuses, too, were full of their chemical from hell.

I believe that this substance was the same substance, which had burned my legs the night before and they, believing that they had achieved some sort of success in finding something that would kill me when injected in huge quantities, came back for the kill, now believing that if they filled up my whole body with this substance that I would surely die. But, I just sang and praised our Father in Heaven and nothing happened to me. Blessed is His Holy and Awesome Name!

After they filled up my head, they waited for a few minutes and seeing that this failed to kill me, they then began to fill up my abdominal cavity. They began pumping my abdomen up, from just above my bladder and pumped and pumped and pumped. From there, they went to my legs and pumped and pumped and from there into my chest, and from there into my arms and then into my back. My Dear Ones, this whole process took over two hours and I was getting sleepy as it was then well after twelve and I went to bed a little after 10:00.

But, Satan, now riding high on his praise and adulation on his double-devil day, the 29th, (which adds up to be an eleven, 2+9, their bewitching number,) would hit me and knock me in the back, or shoulder whenever I would attempt to fall asleep. So, my prayer again to our Father was to remember his words that he would take Satan's personal power!

Remember, my Dear Ones, that Satan and his perverted fallen angels thrive on the suffering of human sacrifices and from the dying and the persecuted! They literally

they suck up their life forces of these tortured souls as they are giving up this life force through their pain and suffering! This is the sick way that these Satanists and fallen angels acquire their power and energy; for they are utterly dark, devoid of light, and absolutely evil!

My Dear Ones, this is why Satan demands human sacrifice and torture; for there he and his are in the midst of such terrible things, all sucking up the life forces that others give off, amidst their great pain and/or dying! What a horror story! They are energy vampires!

This is just one more reason to sing to our Lord and God when under this kind of evil attack. For, in and through singing to our Lord and God during Satan's persecution, he is deprived of the "fix" that he would get from ones suffering; and instead our Lord and God, being pleased, sends His power. He sends His beautiful Spirit of love and comfort and then the suffering is eased greatly and/or brought to naught!

But, even as Satan and his U.S. military doctors from hell spent their hours literally filling up my body with chemicals, my Dear Ones, I sang amidst it all and when I was tired I turned over and went to sleep. For, my Dear Ones, this is the power of Yahweh! Blessed is His Holy Name! There is NO god like Him! How I love Him and how I love His Beautiful Son! And, some of us will marry Him soon!

By 12:00 midnight, they had hauled off my dogs again and this is a nightly thing now. Yesterday, they brought two of them back about mid-morning and the one small male dog, knowing that his companion was gone, would not eat a thing and would only lie around and sometimes howl. This morning, they had the dogs back by 6:00 AM and there were once again all three of them. My Dear Ones, these dogs seldom leave the yard at all and it is a deep shame that they are daily kidnapped and drugged, all so that these disgusting hounds from hell can get right up next to my house with their microwave weapons.

But, even so, they have failed and I worry not for their next scheme and I am not concerned about their microwave weapons and what they plan to do with them; for our

Lord and God is mighty and He has kept us all, and through terrible things He has kept us! And, we are better than well; for we are so blessed and greatly loved! What a mighty God we have! Blessed is the Holy and Mighty Name of Yahweh! There is no god like Him!

So, today, my Dear Ones, it is egg and more egg on the faces of Satan and all of his U.S. military doctors, who are a shame upon the face of this planet. But, beware, my Dear Ones, for what I go through today, many of you will go through tomorrow!

### The Electromagnetic Ring!

I have written in books past about the many times that I would awaken to find needle marks on my hands, my legs, feet and on other parts of my body. And, as I began to look back on this long trail of needle marks on my skin, I began to realize also that at some point, the needle marks stopped and the "electromagnetic ring" started.

What is most interesting is that a man, who is high up in "intelligence" gathering in another nation, told me this spring that he is aware of "how" those in the U.S. Space Program, the U.S. military, can come and go as they please into people's homes. He said that they had perfected an "electromagnetic ring" and that it is through this ring that they travel and are able to do such things! He also said that they had only recently perfected the use of this electromagnetic ring!

Until that time, I had not known or understood the technology they were using to create this ring, but I saw them come and go via a tube-like structure and this tube-like structure can carry many of them in it at once!

It must have been around February of 2005 that they perfected this "ring" for it was around that time that the needle marks on my body came basically came to an end and instead, they began to come in using this technology! With this technology, they can reach right through the skin and into one's body, do their surgeries, put into ones body their rods, implants wires and do anything else that they desire, and seldom leave any marks at all.

And if there are scars, these scars are usually brownish and come from the site of the implants. These brownish scars are caused by the electrical currents passing through the flesh and into the implants. But, as for me, these brown scars usually subside within a few days. And, also some of the substances, which they inject, can cause brownish scarring, which is also usually temporary; for they like to inject electrically conductive liquids! And again it is usually the electricity, which passes through the liquid and into the flesh, which causes the scarring; but most often the liquids do not cause any scarring at all, not for me anyway!

But, I do have actual scars on my knees from around the spring or summer of 2005, where military doctors did surgery on my knees and put barbed metal implants into my knees! First, surgery was done on my left knee and then on my right. At that time, the pain from these implants was severe and I did not have as my helper the new spiritual DNA code and it was for many months, that I suffered severe pain from all of their implants and this, my Dear Ones, has been part of the cross that I have had to bear, but even so, our Lord and God has saved me. Blessed is His Holy Name!

But, not so now, my Dear Ones; for I barely feel a thing, even if my whole body is full of them. I have often had to type these messages, go out and drive my car and take care of business when my whole body was full of wires, implants, crystalline substances and gooey, thick liquids, among other things. But, even so, I have carried on and the new spiritual code has grown to have great strength and power, because of and in spite of this great and terrible persecution.

So, I fear not what Satan can do, or what he plots to do; for my Dear Ones, I know the great power of our Lord and God! I know the great power of our Father in Heaven and from day to day I see it. Daily, I am one, big walking miracle; and all of the praise and all of the glory goes to our Most Wonderful Lord and God, to our Blessed Father Yahweh! He is mighty, my Dear Ones, and there is none, none, none, who can compare to Him! Blessed is His Holy Name!

 From The Mountain Prophecies Copyright 2006

## The Implant Technology

From what I have written as regards the implant technology, you can surely see that it is much more advanced that most would ever imagine. My Dear One, I have no doubt that most of the dissenters, those, whom these evil ones consider to be trouble-makers, are already chipped, or implanted with some sort of chips, wires, rods, etc. And, I believe that they are busy doing this and have been busy at it for some time.

Our Father in Heaven told me many months past that around 75% of those in the US House and Senate were implanted; and I believe this is the absolute truth. My Dear Ones, it is nothing for these evil ones in the U.S. military to enter into houses and do as they please to the victims; and even before the U.S. military perfected this electromagnetic ring, the U.S. military used the greys and the reptiles, some of the fallen angel species, to do the work for them! It is just that is now much easier for these evil hoards in the U.S. military, as they do not have to wait upon the fallen angels to do their evil deeds for them!

So, there is no doubt in my mind whatsoever that 100% of those in the U.S. House and Senate may very well be wired up! And, being in a closed building, it is easy for these predators to know their every thought, their every move, and their every deed; and this, my Dear Ones, is why we see them signing away the rights of the Americans and giving George Bush everything that he wants, even when the desires of the Bushes and their New World Order strip the rights of every American.

Who are those in power, who are at the top of this terrible hierarchy? Well, they are the children of Satan, who else! For, it is so, even as it is written in the Book of Jude! Some time back, I saw a photo of George Herbert Walker Bush in his car as he was coming out of a Methodist Church. When I saw that photo and read the caption, I wondered why the church did not fall down around this evil man; for he is no Christian, but a Satanist.

It was the very next day that our Father in Heaven told me to go to the Book of Jude and to read the first chapter of Jude; for he knew my troubled thoughts about Bush Sr and He wanted to impart truth to me. In verse four of chapter one, it reads, “For there

are certain men crept in unawares who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ…" Then, go on down to verse 6 and read, "And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgement of the great day."

Yes, my Dear Ones, there are human bodies, who do not have human spirits and if they ever had human spirits, they no longer do, but instead have the spirits of these evil, fallen angels; and George Herbert Walker Bush is but one of them, an evil man, who has killed and run drugs and stolen and lied and who worships Molech, the Owl God even, and has been into many kinds of drug use and even into the pedalling of drugs to people all over the world. He is truly an evil man and his son is the same; for the branch falls not far from the tree!

But, even so, all of them make their way into the churches, for all to see, but only for show. Those at the top of this one world government, this evil Satanist hierarchy, are all servants of Satan, his children; truly men of old, who have crept in unawares. My Dear Ones, it is time to get aware; for the Fourth Kingdom of Daniel is now and it is in your face!

And, this being the case, my Dear Ones, it is only going to get worse, much worse. The sad thing is that their mind control chips and implants can and do work. The saving grace for the anointed servants of our Lord and God is that He is sealing and has already sealed many of his in the head. For a fact, He sealed my head and even my body several years past and if I recall correctly it was in the late fall of 2003. I wrote about this sealing at the time and that also others were being sealed at that time! And, it is because of this sealing also that their terrible attempts to control my mind have failed! But, even so, this has not stopped them from trying!

What these evil ones do in their mind control attempts of others is to create firstly a psychological profile on their victims. From this psychological profile, they know what disturbs their target and they know the weak points of their intended victim. After their

assessment, and in their mind control attempts, they will continually target the weak areas of their victim in order to break this person and to gain control of their minds. They will push and goad the victim in the area of his or her weaknesses, all in order to further compromise the victim and to further enslave this person. The sad thing, my Dear Ones, is that they have been very successful in their mind control attempts and few of their victims have come out unscathed. This is why one must have a clean heart and stay clean before our Lord and God, or their attempts at mind control will work; and most will never know that they are under mind control. They will simply accept the thoughts in their minds as their own; for their hearts are not right to begin with and they fall spiritually in such ways!

My Dear Ones, Satan and his fallen angels read ones mind and with the technology, which is now available to the U.S. military, I understand that they can download one's brain wave activity and then decode these brain waves, thereby reading ones thoughts. I truly believe that they are able to do this and as their implants give off the brain wave frequencies, they are then able to decipher these frequencies and know what one is thinking or doing every minute of the day! But, for now, my Dear Ones, Satan does not rely on any of this; for he is in my face almost 24 hours a day; not wanting to miss even one thought; for he is truly desperate and as I said, Satan and the fallen angels can easily read ones thought!

### The Use of Their Implant Technology Against me!

The first time that I really took note of anything strange in me that could have been an implant was when I was in South Africa, and it was around early February of 2005. It was at this time that I noticed a black spot beneath my nose and thinking that it was a clogged pore, I mashed it and out came a long, thin black thing, which was full of fibers. At that time, I thought that this must be some sort of implant, but just as quickly dismissed the thought. However, before I could leave South Africa on the 22nd of February, 2005, I found a very strange red, raised place on the inside of the mounded area just beneath my left thumb. At the time, I thought that something had bitten me as this area was puffy and full of a liquid.

It never occurred to me, and not for some months that this was an implant. But as soon as I got back to the States, I noticed a crawling sensation in my upper legs, on the rear of my legs and I wondered what this could possible be. Spring came and went and along with that most of the summer of 2005 before I realized that these evil ones were targeting me with implants.

They began to put implants just beneath the right side of my nose and when I would pick them out, they would then put in more! This became a battle almost every day and it was during these times that I would pray to our Father in Heaven and He would send an angel to help me remove these implants. But, I would notice that as soon as the implants were out, they would come again and put in another one and again and again! This went on for some months and then they began to go wild with their implants.

Seeing that these implants bothered me, they began to put them deep into my face and deep in my nose and then of course, they would send currents into them and my whole face would seem to be crawling. It was at these times also that I was aware of small glass-like objects, which were around my eyes and that these, too, were associated with the “crawling” sensation around me eyes. So, I would dig them out and dig out the implants around my nose when I could get to them and of course, they would put them all back.

I began to plead with our Father in Heaven to help me and He sent an angel or two, who would help me. I would watch what they did, and often I would also help them, literally removing them under the anointing of the Spirit of God, but also taking an active role in the removal of these implants! This active role also involved the ability to use my mind to look at the most minute detail of these implants so that I could focus on detaching them from my tissues under the power of our Father in Heaven; for it was and is only through His power that any of this can be done!

They, seeing that I did not like these implants, began to run them up my arms, long strings of them and to attach them to the nerves in various parts of my body and to drive a plastic-like conductive substance into my hands, in fact so much of it that my

 From The Mountain Prophecies Copyright 2006

hands would seem to be on fire from all of the electrical currents that they drove into my hands.

I was constantly picking out these electrically conductive fragments from my hands, and so much so that my hands had deep sores on them and to this day, they are scarred from the many implants, which they drove into the nerves, ligaments and tendons of my hands and arms.

But, this was nothing for them! Seeing that these implants troubled me, they began to go for my legs, for my back and in time for every part of my body. When it became too easy for me to get them out with the power of the Spirit of God, they became more complex in their schemes of torture, moving into complex wiring of my whole body and to the infilling of my body with glass-like crystalline substances and plastic-like strings, which pop and make loud noises in my body as they are released and removed and other complex ways of implanting me in their schemes to control me and or to kill me!

Oh, they began to go for the gusto over time, filling my body up with anything that came to their minds, all in order to stop our Father's works. In fact, my Dear Ones, they have perfected their evil implant technology on me! But, but even so, they have failed in all of their attempts to stop the advancement of our Father's works, to stop this new spiritual code from coming into the Earth and to steal the new interdimensional portal. In all accounts, they have absolutely failed and even though I have had to endure much pain, torture and persecution, our Father in Heaven has carried me through it all. What a Gloriously Wonderful Father and God!

And, what has kept me going as well is that I have known all of these many months, that this, too, has an ending! Revelation Chapter Twelve tells of this ending for me; and I believe that this ending is soon! Blessed is the Holy Name of Yahweh, the Name above all Names! For He is worthy to be praised and to Him is all the praise and all of the glory; for He has kept me, my Dear Ones and He will also keep you, just as He has kept me!

Go in His Great Love! Live for Him! Repent of your sins and make your life clean, even and especially your thoughts. Shun evil! Come away from television and movies, the greatest sources of mind control on the planet! Guard your minds and learn to control all of your impulses. Truly love yourself enough to make your inner temple holy; for your body is the temple of the Living God! And, truly love others, realizing that we must all carry out own crosses and that many suffer beneath the weight of oppression. Forgive those, who hurt you, even if they never ask you. This, my Dear Ones, will lighten your spiritual load and make more room for the Spirit of God within you!

Put our Father in Heaven always first! Love Him above all! Pray to Him first thing in the morning, all during the day, and at night before you retire and ask Him what you will in the Name of His Beautiful Son, our Beloved Saviour Jesus. When you live for Him, you will see that He is attentive to your prayers and you will always know His Presence through His Beautiful Spirit. Walk humbly before Him and humbly before our Saviour, so that you are able to hear the soft voice of His beautiful Spirit; for it is in and through His Spirit, that all are truly taught!

Study the Holy Scriptures, which our Lord and God has given to us, namely the Holy Bible and know the scriptures; for through this knowledge can come much freedom; but do not be as the scribes and Pharisees, who take the scriptures, who quote them incessantly and beat others with them! Know them; for in and through this knowledge is much freedom and much wisdom, which when prompted by the Spirit of God can and will also make others free and full of the Spirit and love of God!

In all things, consider the will of our Father in Heaven and wait upon Him to open the doors that He wants you to go through and to shut the doors that He does not want you to go through. And, stay away from negative people. They will sap your spiritual strength and even if this means that you are alone, it is better to be alone and strong spiritually than to be around others, who drain your spiritual strength through their negativity.

Remember that your true brothers and sisters and your true mother are those, who do the will of God. Knowing this, do not be alarmed when you see your family forsake you,

 From The Mountain Prophecies Copyright 2006

but seek a committed and spirit-filled friend and when you find such a person, you will be greatly blessed! For, such a person is long suffering, kind, considerate and full of love and will be there for you during your great trials and tests.

Now, my Dear Ones, go in the love of our Most Wonderful Lord and God and in this love, know His great freedom. For, even if you are a prisoner in the worst of prisons, you are free in the love of Yahweh. Blessed is His Holy Name and Blessed is the Name of His Wonderful Son Jesus, our Soon-To-Be Husband! What a glorious time we all look to!

Sending you love!
Your Sis, Linda

# CHAPTER TWENTY-SIX

## "There is No God, No God Like Yahweh!"

Oh, my Dear Brothers and Sisters, how I wish you could have been here last night on the 5th of September, 2006, for another great round of egg, egg, egg on the faces of Satan and all of his moronic and demonic hoards! Oh, yes, they were back again for their daily round of "Defeat Yahweh," but as I have said so many times lately, what utter fools they are! For, there is no God like Yahweh! He is Most High God! He is Creator of All Things! He is the Beginning and the Ending and He is from everlasting to everlasting! He is All-Wise and All-Knowing! And, to Him is all the praise, all the power and all the glory forever and ever! He is a gloriously wonderful God, faithful and true, righteous and holy and He is worthy of all the praise and glory forever and ever! Blessed is His Holy Name!

My Dear Ones, I tell you for a fact that Satan was furious about my last writings; for they show him and his bands of followers as the utter fools that they are and they reveal the great power of our Lord and God, which is keeping me through such evil stunts at the hands of Satan and his bands.

And because of the protection of our Most Wondrous Father Yahweh, my Dear Ones, Satan has failed in all of his plots to kill me! Herein, I shall entail somewhat the sequence of events over the last few days so that you can see how Satan and his goons are operating! But, most of all, my Dear Ones, so that you can see the great power of our Lord and God; for all of humanity is going to need this power. And, without it, all are surely dead meat at the hands of Satan; for the Satanic plans and attempts to eradicate all of humanity and to set up their control of this planet are very real. And, they are killing and have killed and subdued many through their great evils!

But their great idiocy is in believing that they will defeat our Father Yahweh and that they will do away with His plans to bring into the Earth His Kingdom and along with it,

 From The Mountain Prophecies Copyright 2006

the new spiritual DNA, the new spiritual code for the "new humans!" My Dear Ones, this new spiritual code is surely operating in me! This is the "baby" of the Book of Revelation, Chapter Twelve; and manifesting in glorious ways, despite all of their attempts to stop it!

And, with this new spiritual DNA comes the new generation of souls, the super humans, who will come into the Earth to fight on behalf of all of humanity! Among these are the Supernatural Army! These will also rule this Earth, alongside our Saviour when He sets up His Kingdom; and they will rule with a rod of iron! Blessed is the Holy Name of our Most Glorious Father Yahweh; for He is so beautiful and His plans are rolling forth just as He sees fit, just as He determines! HalleleuYahweh!

### The Dance of the Buffoons Continues On!

### Know Your Enemy!

My Dear Ones, Satan was furious that I wrote about his cigarette addiction and showed him for what he is, a drug addict, a dark and evil pervert, who thrives on torture and the great evils of the world! But, my Dear Ones, these things are so, and more horrible than you can imagine are his works! Truly, my Dear Ones, you must know your enemy; for you will now face him, whether you like it or not; for being cast down from the Upper Realms, he is no longer in the shadows, but in the face of all of humanity!

Yes, indeed, he is evil and full of every kind of chicanery! He is the one, my Dear Ones, who has been behind the pollution of the youth of the world! He is the one, who is behind the drug-running, which is taking place all over the world! He is the one, who is behind child sex slavery and the corruption of people all over the world through porn and lusts of the flesh! He is the one, who works night and day, concocting and devising schemes and more schemes to enslave all of humanity and to keep all in the dark as to his evil plans until they are fully enslaved and unable to get free! He is the one, who pushes homosexuality down the throats of people all over the world as he thrives on perversion and destruction of morality worldwide! My Dear Ones, he is a pervert and the biggest pervert of them all!

**Satan is a Chameleon!**

For a short time some months past, our Father in Heaven allowed me get a glimpse of this monster and just what he was up at various times in that day. What I saw first was that he appeared as a man, who was dressed in a cream-colored suit! As this man, he was sitting with businessmen, some place in Europe I believe, and he was carrying on his big business. He was throwing around his importance to those, who sat with him, as they all had lunch. He was very much in control and the others around him were hanging onto his every word!

But, as I looked at him that day, I knew that it is the Blood of the Lamb, which weakens him, so I threw upon him globs of the Blood of the Lamb, on his face, in his hair, on his clothes, in his food, etc. As I threw the Blood of the Lamb on his head, I could see that he was wearing a black toupee! And, what else could he wear? He is a dragon, a hideously ugly and disgusting dragon, who changes his appearance like a chameleon, all to fool the unsuspecting. And, yes, my Dear Ones, he hates the blood of the Lamb and it definitely saps his strength! It makes him very angry and angry he was at me that day, but I continued on as led by the Spirit of God; for I wanted to see him for what he is!

Blessed is the Name Of Jesus, the Gloriously Wonderful Lamb of God! Son of the Most High God Yahweh, and One with Him! He died for all of us, my Dear Ones, so that we could be free of this monster! Blessed is His Holy Name! I love Him So!

And, as I was watching Satan later in the day, I saw him go home, wherever home is, and I saw him dress up in a suit, put on and some high heeled shoes and go out to a gay bar! He was on the prowl my Dear Ones, all to satisfy his sick sexual fantasies! This is the god of this world, the world's greatest pervert, a monster, who comes to steal, to kill and destroy all that is right; for there in no light in him, but utter darkness and evil; and he is worthy of nothing, save the Lake of Fire!

Oh, how I rejoice as I look to the day when this evil will be cleaned off this planet! Blessed is the Name of Yahweh, for He is worthy of all the praise and glory and He is going to clean up this mess!

 From The Mountain Prophecies Copyright 2006

**Satan is starved for Attention!**

Even as I type these words, the "Dog from Hell" is behind me, lusting after any word, which is written about him; for he has an insatiable desire to see his name in print any way he can get it there! But, even so, my Dear Ones, his time is short and he has very few years left in which to do his evil; but evil he does; for this is all that he knows!

**Last Night …**

And, herein I shall tell you what he did last night, but actually last night was only another one of their "crescendos" in their attempts to annihilate me and to stop our Father's works. But, last night for sure, they had some very big plans. Early in evening, Satan was back in this house in full force and charged up with his new plans! But, it was not just last night that he was in my face, for he had followed me around most of the day, putting wires, rods and liquids into my body; and the power of God would remove them as it saw fit. All day, the smell of his fowl cigarette breath was ever-present; but even so I ignored him and went on with my life.

But, as I said, last night he was in my face with his cigarettes and following his act of two or three days past, he rammed burning cigarettes down into my trachea and into my sinuses. Yes, you read it right! This was another one of his attempts to "make me" smoke cigarettes as he knows that they are disgusting to me; but even so my Dear Ones, I have come to delight in his evil, which he has done to me through his burning cigarettes; for this does nothing to me!

Although, he has recently taken lighted cigarettes and has tried to burn me all over my body, he does not burn me! The Spirit of God shows me that he is trying to burn me, but his attempts to burn me at this point are nothing more than a hiss in the wind! Blessed is the Name of Yahweh; for He keeps me and to Him is all the praise and all the glory!

But, even so, my Dear Ones, as I said, within the last few days Satan has tried to burn my insides with lighted cigarettes and has tried to burn the outside of my skin with lighted cigarettes, and he has tried to burn my insides and my sinuses, by pushing

lighted cigarettes into these places, all in his efforts to make me smoke them! But, even if our Father in Heaven decides to leave them there for some hours, they do not bother me.

Several nights past, my Dear Ones, thinking erroneously that they could cause me some damage with their street drugs, they graduated from cigarettes to some other drugs and I believe that one of them was cocaine, which they put onto my genitals in order to try to excite me sexually! But, what fools they are! They can burn up one's body if our Father in Heaven allows, but they cannot corrupt one's body through such things unless the person consents and I have not and did not. Therefore, our Father in Heaven kept me from their plots and while I was aware of what they were doing, He stood between me and them and their attempts to do their sexual evils to me failed!

Two days ago, my Dear Ones, after I had done some mowing in the yard, I came inside and decided to rest a little. At this time that Satan was on me like a plague, filling my lungs with his smoke and filling my genitals with his drugs from hell. I heard him say, "We are going to have an orgy today," and the walls began popping. My Dear Ones, I knew that they were coming in and out of my house, all to rape me and to get in on Satan's glee! But, he got no glee; for our Father in Heaven stood in the gap for me!

He fought my battles and he shut off from my awareness the evils that they were doing to my body! Blessed is His Holy Name. So, in the midst of all of Satan's evil, my Dear Ones, I just sang to our Lord and God! I praised Him in the midst of their evil deeds and I blessed His Holy Name!

### The Russians Want Out!

It was on that same night, my Dear Ones, that I had a dream and it was about the Russians. I dreamed that I had eaten most of the food on my plate and I took this plate up to a window to those, who were serving the food. I handed it to a group of Russian men and I told them to put gravy on the piece of biscuit, which was on my plate and to put a lot of gravy. They took my plate and I waited for them to hand it back to me, but they did not. As I turned around, I saw that one of the Russians was being berated and belittled by an officer, who seemed to be speaking to him in English. I did not know

 From The Mountain Prophecies Copyright 2006

what was being said, but I knew that this Russian was in trouble as the Russians no longer wanted to feed me! They no longer wanted to serve this evil to me!

And, watching this, I said to them, “What is this? You come here to feed the people and you no longer want to feed them!”

My Dear Ones, I wrote in recent writings that I had heard two of the men, who came into my room to wire me up as they were speaking and they were speaking in a foreign language. I did not know the language, but because of this dream I believe that they were Russians and that the Russians have been working feverishly, alongside the Americans and others to kill me and/or to steal the interdimensional portal, which is attached to my physical body, and/or to cripple me any way they can!

But, this dream surely tells the truth and it surely backs up our Father’s recent warnings to Satan, warnings that He is going to divide down the middle the kingdom that he has left. Therefore, my Dear Ones, Satan is going to suddenly wake up and realize that his human kingdom is split right down the middle and will never be brought back together again! Blessed is the Name of Yahweh; for He has already told us these things through these writings!

So, my Dear Ones, from this dream, I believe that the Russians want out of these torture schemes; for they can clearly see the power of Yahweh! They have never seen anything like it, and they surely want out! Are the Russians waking up? I believe so; for they are surely smarter than the American counterparts! And, they are surely smarter, much smarter than Satan; for they can see with clear eyes the power of Yahweh! And, they can clearly see that they cannot defeat Him! They have tried all of their tricks and they have failed and they know that if they keep up with these evil works, they are going to draw the wrath of Yahweh down on their heads! They see His awesome power! They know it and they also know that they cannot defeat Him!

My Dear Ones, I pray that these Russians become even as King Nebuchadnezzar became, that they see the errors of their ways, that they repent and openly proclaim

that THERE IS NO GOD LIKE THE GOD OF ISRAEL, NO GOD LIKE YAHWEH! BLESSED IS HIS HOLY NAME!

### Our Father in Heaven Sings to Us!

So, as I said earlier, Satan was back last night with a vengeance and we knew it! But, even so my friend and sister and I just laughed and rejoiced; for our Father in Heaven sang two beautiful prophecies through me before we ever went to bed; and oh how I wish you could have heard them. For, He told of His great power, which is coming into the Earth and He told that this power is coming into this very house first! But, what was shocking is that He told us that we have only seen a "smidgen," a "trickle" of His awesome power, which He is about to release into the Earth!

Oh, we marvelled at His awesome words, as they were and are words of great strength and comfort, for He, knowing what Satan's plans were for last evening, told us to be of good cheer and to NOT FEAR Satan and anything that he would do!

My Dear Ones, I do not fear Satan; for he is one, big fat looser from the pits of hell, a brand plucked straight of the fire! I love, deeply respect and yes even fear the One God, the True God of Israel, the Mighty God of All Creation; for He is All-Powerful, my Dear Ones, but so full of grace and love! I love Him so and only wish to please Him and do His beautiful will!

### Satan fails and he fails and he fails!

Yes, much happened last night, but all is to the praise and glory of our Father in Heaven; for Satan failed in all that he and his evil hoards attempted to do to me. You know how they are by now my dear ones. They cannot wait until I get into bed at night; and/or when I am resting! Then, I am an easy target for their evil plans; and last night was no exception.

Immediately, after I got into bed, they started with their electrical currents into my whole body. As Satan had followed me around during the day, he had hard-wired my whole body with even bigger and heavier wiring! And, straightaway he was off and

 From The Mountain Prophecies Copyright 2006

running with his schemes to electrocute me by driving great amounts of electrical power into my body!

My Dear Ones, as our Father in Heaven sometimes does, He let me feel a tiny bit of the pain that they would have caused me if He had not protected me; and I tell you right now that I would have been dead immediately from the great amount of electricity, which they funnelled into my body from their disk-shaped craft. But, my Dear Ones, after the initial jolt of pain, I actually felt little and just lay there, relaxing and praising our Lord and God!

And, Satan, seeing that he had failed again, was in my room after about five minutes of their running their super currents; and he was filling up my body with some kind of petroleum distillates. Now, my Dear Ones, they have also been putting these petroleum distillates into my body for some three or four days in a row now, and associated with them, I have also smelled something, which was surely burning phosphorous, and all coming out my nose and face. Even so, I have not been troubled by any of this, but amused at their dogged determination to defeat our Lord and God! At the same time, my lips have been full of great and glorious praise for such a magnificent God! Blessed is His Holy Name!

As Satan pumped and pumped and pumped and pumped my body full of these petroleum distillates last night, I thought that I finally recognized the scent! It seemed to be lighter fluid, either the kind, which goes into cigarette lighters, or the kind, which is used to start fires! Satan was filling my body up with a highly combustible fluid as he was trying to blow me up! And, then I understood, at least in part, why he was ramming lighted cigarettes into my body! But, be of good cheer, my Dear Ones, even as our Father in Heaven told us last night! For, Satan was doomed to fail in his evil attempts to blow me up.

But, even after their failures last night, Satan and his hoards from hell ploughed ahead with their plans. And, after the fill-up, it was time for the laser beams from the saucer craft from hell. Yes, indeed, they first targeted my right shoulder and they kept the beam on my right shoulder for what seemed to be fifteen or twenty minutes. At first I

felt the beam as it dug into my shoulder and seemed to pierce and part the skin and bones, but my Dear Ones, after perhaps five minute, or so, I only felt small ripples across my skin! Yes, I felt the "digging" sensation of these powerful beams for some few minutes, as our Father in Heaven wanted me to know what they were doing, but there was no pain at all and after a short time only the ripples across my skin! And, these ripples reminded me somewhat of trickling water and not at all unpleasant!

And, Satan seeing that this scheme was an utter failure, then targeted my right side and pummelled my right side with the beam for approximately the same length of time. I believe that they left this beam in one spot for about fifteen minutes! There again, our Father in Heaven allowed me to feel the presence of the beam for a short time, but then He shut it off and there was little sensation at all.

And, Satan, seeing that this had failed, came into my room and dumped something into the right side of my lower abdomen and dumped something into the center of my abdomen! I believe that this was done to make this area a visible target area to those, who were operating the beams from the saucers! But, alas my Dear Ones, this had no effect me; and I just praised our Lord and God and loved Him all the more; for He had warned us in His own way just a few minutes before, that Satan had big plans. But, once more, my Dear Ones, Satan and his hounds from hell flopped again!

I ask you, my Dear Ones, "Who ever heard of such things? Of a human surviving such things? Who can survive a laser attack from one of these disk-shaped craft for even one second? These are weapons of war and they blow up many things with these lasers and within only a second or so! But, they subjected my body to such beams for approximately forty-five minutes to an hour, moving from one place to another!

Are these not the miracles of Daniel? Of Shadrack, Meshach and Abednigo? Are these not the miracles of the same and Glorious God of Israel, who kept them from certain deaths?

My Dear Ones, this is why our Father in Heaven told me around January of 2003 that I should read the Book of Daniel and get it in my spirit, get it in my heart! And, even

then I did not like the implications of what He was telling me; but surely I live such a glorious life! How blessed am I, my Dear Ones, to be counted worthy to go through such things for the love of our Lord and God! How I love Him!

But, back to last night, Satan, having faced such utter defeat through his electrical currents and then his beam attacks, was back in my room after it all, once again ramming wires into my right arm and into my heart! Then, he was once again filling up my entire body with explosive liquids, all in order to blow me up! But, my Dear Ones, what an utter comedy! This truly is a comedy! One huge comedy! For, he comes, time after time, and time again, all trying to defeat our Most Wondrous Lord and God; and Satan and all of his hounds from hell are utter fools, clowns, my Dear Ones, buffoons! Buffoons, they all are! For, they cannot defeat the Most High God! They cannot defeat the Almighty God,Yahweh! For, He is MIGHTY! THERE IS NO GOD LIKE HIM! HE IS CREATOR! What a glorious God!

So, amidst all of their beams and volatile liquids and explosions, my Dear Ones, I went to sleep and I awoke with much love and praises to our Most Wonderful Lord and God! But, even as I opened my mouth to praise Him, as the words were coming from my lips, the wall popped and there was the Demon Dog from Hell, Satan, himself!

In spite of all of his failures, Satan was not to be outdone; and before daylight he was back again, once again pouring flammable liquids into my throat and upper body! It was shortly after this round of his assaults that I felt a jolt in my throat! Immediately thereafter a strong smell of burning phosphorous poured up through my nose! And, I both smelled it and tasted it very strongly.

At that time, my Dear Ones, the Spirit of God quickened my knowing and I was aware that Satan had actually caused the flammable liquids to ignite in my body, thereby causing the smell of phosphorous and the jolt in my throat! But, nothing more happened to me than what I have told you! My Dear Ones, this is the awesome power our Father in Heaven; and He is manifesting it in this house from day to day!

This is to be continued …

Continued the following morning…

I'm alive! I'm alive! I'm alive! Oooooo-eeeeee! I'm alive! All the glory and all the praise to our Most Wonderful and Awesome Father in Heaven! There is no god likeYahweh!

Well, my Dear Ones, true to form, Satan and his hounds from hell just charge ahead in spite of defeat at every turn. Yes, indeed, in spite of their daily failures, they are encouraged! Isn't this just amazing?

Yesterday afternoon, on the 5th of September, 2006, as I was lying down to rest a bit, Satan was on me like a plague! Pumping, pumping his volatile, flammable petroleum distillate into my body! (I think now, that this is most probably jet fuel, or rocket fuel.) And inside my body he lay his various wires, all lined up and in place all over my body, to detonate my body. This time, I knew that these were wires for detonation! So, I just lay there and waited for what would be their explosion and after a while came the taste of burning phosphorous.

My Dear Ones, these are real explosions, wherein the fuel is actually blown up and all of their wiring is blown up and then they have to start all over again! But, it wasn't until last night that our Father in Heaven actually showed me up close what is actually going on.

**And, the Circus Continues ..**

They came in last night as soon as I went to bed, a little after 10:00 P.M. and they were on a real high! For, shortly thereafter would begin the day, September 06, 2006 and when the nine is turned around, this is actually 666! Satan had already wired me up late in the day and he had put a box of some sort in my throat, which was pushing up through the back of my esophagus. When I would go into the Spirit to work with the power of God to get it out, the power would be low! Then, I realized that I would just have to bear the presence of this box-like thing in my throat, as it was will of our Father in Heaven for it to be there!

 From The Mountain Prophecies Copyright 2006

After I went to bed, I felt a push into my left ear and I realized that Satan had inserted wires at the back and at the front of my throat. These wires were tight, and pushing down hard on my esophagus, but then again our Father in Heaven would not allow me to remove them. I believe that they put these wires tight up against my throat in order to hold more of these flammable liquids in my head, for they pumped and pumped and pumped my head full of these liquids!

And, in they came after the wiring was in place, pumping, pumping, and pumping my body full of this volatile fuel. My Dear Ones, the smell would be overpowering to anyone! The taste would be overpowering to anyone, and while I smell and taste this horribly explosive liquid and the fumes of it are thick around me, I am still able to breathe and it has no harmful effects whatsoever on my body. I can assure you that if our Father in Heaven did not have me in the palm of His hand, the first trickle of this liquid into my body would be enough to kill me! But, my Dear Ones, this is not a trickle of liquid but a flood of it; for they pump this liquid into my whole body under pressure!

Last night, our Father in Heaven allowed me to sense the explosions as they went off in my body, and it was at these times, that I would feel a jerk somewhere in my body, most likely at the point that they detonated an explosive device, and from there I would feel as if my body were suddenly carried up into a cloud of sorts, like floating, but also floating in a cocoon of light. My whole body would feel so light, as if I were sheltered in the mighty hands of God, and my Dear Ones, this is exactly what happened.

They had filled up my lungs with this terrible liquid as well and you know and I know that no one could breathe under such conditions, unless carried through it all by the hand of our Most Awesome God, our Father Yahweh. And, at one point, I felt the explosion as it went off in my lungs and a gush of air, which was full of the smell of burning phosphorous rushed up my throat and out my nose. It was then for a certainty that I knew that all of these explosions were actually taking place, that this fuel was being consumed in an explosive blast every time that I smelled and tasted the smell of burning phosphorous! And, as these explosions would go off, all of their explosive devices were being incinerated and they would then have to come in and rewire me!

But even so, my Dear Ones, not one hair on my head has been singed and not one place on my body has been burned and I have not experienced even one pain from all that they have done to blow me up!

But, soon, very soon last night, after the detonation of their explosive devices in my body and the burning of the fuel, the walls popped and in came Satan! In the face of so many failures, my Dear Ones, he was not to be defeated! And, with him, another scheme, another wild plan to wire up my body in another way and to explode me in another wild scheme!

Then comes another infilling with the flammable liquids, the smell and taste of it and then the smell and taste of the burning phosphorous as the explosions go off in my body! Sometime, a limb would jerk, or some other part of my body would jerk as the explosions went off, but my Dear Ones, this was be all! Other than this, I float in the power, in the love and grace of our Wondrous God!

How blessed I am, my Dear Ones, to be counted worthy to go through such things for the love of our Most Wonderful Lord and God! Pray that you, too, are counted worthy of such things! I ask you, my Dear Ones, who can imagine such things! Who can know the ways of Yahweh? Who can know His mind? And, who can stand up to His power?

I tell you that what I write is the absolute truth! My Dear Ones, this is the birthing of the Kingdom of God on Earth and this is the beginning of the defeat of Satan and the destruction of his kingdom! We can only imagine the great and awesome works that our Father in Heaven is going to do for His people from here on out, but now comes His glorious Kingdom! Now comes his glorious power! Now, He stands up for His people as never before; and now comes the defeat of Satan and his goons for all of the world to see!

I tell you this and get it into your heart! Get it into your spirit! THERE IS NO GOD LIKE YAHWEH. HE IS THE SAVING GRACE OF HIS PEOPLE! LIVE FOR HIM! LOVE HIM WITH YOUR ALL; FOR HE IS THE ONLY ONE, WHO CAN AND WILL HELP YOU IN YOUR TIME OF NEED!

 From The Mountain Prophecies Copyright 2006

So, repent of all of your sins! Make yourselves clean before Him! And, pray that you are indeed counted worthy to escape the time of His terrible wrath on the face of this Earth. For, soon, my Dear Ones, our Saviour comes for those, who are clean and ready to go! Soon, He comes for the clean and wise virgins! Make yourselves ready!

Until next time …
Jesus is our Way Home,
Your Sis, Linda

# CHAPTER TWENTY-SEVEN

## "A Beautiful Life!"

My Dear Ones, I must tell you the latest of events in this war with Satan! For, as always, Satan is the evil loser in all that he does to defeat our Father; and as for me, our Father in Heaven so wondrously nestles me in the palm of His Mighty Hand from minute to minute and from hour to hour, day after day! This, my Dear Ones, is a beautiful life of His great love and mighty miracles; for at the same time that He has put me beneath the feet of Satan, He has shown His power as I never could have thought or imagined! What a mighty and glorious God we have!

Therefore, my Dear Ones, think no thoughts of pity for me; for I am greatly blessed and gloriously provided for even through these times of great tests and trials! And, it is about these great blessings of our Father in Heaven that I wish to write and also about His continued manifestations of His awesome love and great power!

### Many things are happening around me!

My Dear Ones, so much happens from day to day that it is indeed difficult for me to keep up with all of it; and the events of the last few days since the last update have been no different. I have told you of the attempts of Satan and his hoards to blow me up by filling up my body with what I believe to be jet fuel, or rocket fuel and thereafter igniting explosives in my body. But, what I told you last time was and is only minor in comparison to what Satan and his hoards have since done.

Even as I left my house to go into town to copy and mail the last chapter, Satan was in my car all of the way, filling my sinuses with this combustible fuel and now and then igniting it! But, mostly, he was just around me just dousing me with this fuel all day; for he was angry, my Dear Ones, very angry that all of his evil attempts to kill me and/or to steal this "baby" of spirit had failed!

### The Continuing Persecution of Satan on September 06 and 07 of 2006!

 From The Mountain Prophecies Copyright 2006

When that night came, they were back in my room in full force and by the time that I went to bed, Satan had already wired up much of my body. I could feel the pressure of the wires and explosives, which he had packed into my body, especially into my left leg. But, this would be nothing; for within few short hours, these hounds from hell would literally exhaust their array of explosives on me. As I have just said, as soon as I was in the bed, a little past 10:00 P.M., they were onto me; and Satan then took a pressure hose of some sort and began to force this explosive liquid into my head! He began just beneath my left jawbone and pumped and pumped and pumped and pumped, first one side and then the other; and when he was finished filling up these parts of my head, he took the hose and put it just beneath my left ear and pumped and pumped and pumped until my brain was overflowing with this fuel.

From there, he took the hose and put it into my abdomen and pumped and pumped and pumped; and from there into my lungs and pumped and pumped and pumped! My Dear Ones, I could feel my rib cage as it expanded from the presence of so much fuel; and I could actually feel the presence of this fuel as it crept up the back of my throat. From there, Satan drove the fuel into the rest of my body and this process literally went on for about two hours; for he did not want to miss even one part of my body! He was out for the gusto as they had one big event planned that night!

### They are Drunk With Power!

At approximately 11:00 P.M on the night of the 6th of September, a military plane flew very low over the top of the house; and I knew that this was a U.S. military intimidation, a threat, and a feeble attempt, to show their power. But, my Dear Ones, this was and is comical; for they have no power in comparison to our Father in Heaven; but they are fools, drunk with what they conceive as power, when in fact, they are laughing stocks before our Lord and God! FOR, THERE IS NO GOD LIKE YAHWEH AND AS YOU READ WHAT HE HAS DONE AND CONTINUES TO DO FOR ME, YOU CAN CLEARLY SEE THAT THEY CANNOT STAND UP TO HIM! THEY CANNOT DEFEAT HIM! BLESSED IS THE HOLY NAME OF YAHWEH! HOW GLORIOUSLY BLESSED WE ARE TO HAVE SUCH A MIGHTY GOD!

### Yet, Another Scheme!

On that night, which was the ending of the 6th of September and the beginning of the 7th of September of 2006, they were once again full of glee as they had concocted yet another scheme to annihilate me and to stop our Father's works! So, they came, my Dear Ones! In and out of my room they came, a number of them, all with their sophisticated explosives in hand and they wired my body over and over and packed my body full of explosives!

That night, my Dear Ones, they worked to blow me up for a solid five hours, in and out of my room, in and out! When they were about to set off their explosions, the walls would pop and they would be long gone, back to their disk-shaped craft, Satan and his traitorous human counterparts in the U.S. military!

But my Dear Ones, nothing happened to me! I would sense the explosions going off, and smell the burning components of the burning explosives; yet I would be there in the midst of it all, floating wondrously on a cloud of love, nestled in the hollow of the palm of our Lord and God!

But, they, knowing that their devices had detonated, would wait; and after a while the walls would pop and there they would be! But, instead of a success, my Dear Ones, they met with utter failures over and over again! How many ways can we say, "Egg, egg, egg on their hollow faces?" For, they are failures, utter failures in every way! What fools they are to believe that they can defeat the Very One, Who created them! But, such is the way of Satan and all of his children!

### What Satan sees when the Explosions go off in my body!

It was perhaps a couple of days past, late in the day, as I was resting on the sofa in my living room, that I was extremely aware that Satan was wiring me up again in his attempts to explode me, that I asked our Father in Heaven to let me see what Satan would see. And, almost simultaneous with my prayers, I heard two loud pops in the wall as Satan exited! He exited simultaneously with the great explosions, which went off in my left leg. From those explosions, I felt pulsations of power in my lower left leg

 From The Mountain Prophecies Copyright 2006

and looked in the spirit to see a billowing explosion of white fire as it erupted from my leg, and engulfed me in this fire.

I then began to catch the smell of burning phosphorous and continued to feel the pulsations in my leg for some minutes as the explosions erupted time after time! But, other than that my Dear Ones, I felt nothing except for the "floating" sensation! And, afterwards, there was little scent left on me; and there has never been any kind of harm done to me via their many attempts to blow me up and/or to take my life in all of their murder attempts.

Who has heard of such a thing? Yet, these are the great and miraculous works of our Father in Heaven, of our God Yahweh! WHAT AN AWESOME GOD WE HAVE!

**They fail and continue on in their failures!**

But even so, Satan continues to throw his fuel on me as he sees fit, in spite of the fact, my Dear Ones, that this has no effect on me! Even as I write these words to you, he is standing right behind me, so afraid that he will miss a word about all of his failures; and he is now throwing this fuel on me! But, even so, my Dear Ones, this is laughable; for this does not bother me at all; and I am able to lie down in the midst of it and sleep better than fine! And, all the praise and all the glory to our Most Wondrous God Yahweh! HallaleuYahweh! Ooooo-eeeeeee!

**We must rejoice!**

Oh, my Dear Ones, we must all rejoice! We must all sing praises to our Most Wondrous and Mighty Father in Heaven; for He is bringing forth His Kingdom into the Earth! He is bringing forth His power into the Earth as we have never seen it! He is soon sending forth His beautiful Son, our Blessed Saviour; and He is going to marry us, my Dear Ones! Oh, there is such a love affair in this house, a mighty love affair between us and our Lord and God! How blessed we are!

### How these Evil Ones ride their failures!

The attempts to blow me up went on for a solid week, if not more, but as you can clearly read, Satan has failed in all of his attempts to kill me and/or to destroy our Father's works! Yet, this is the way they do! Even in the face of sure failures, they continue on and on in their failed attempts! Some are indeed slow on the learning curve, or incapable of learning at all!

### The Venemous Rage!

Night before last, I knew that Satan was injecting something new into my left leg and at the time I perceived that it was the venom of the black widow spider! But, even as I thought these words, Satan said to me, "Oh, you want the venom of the black widow spider! We have already given this to you three times, and it did not work!" But, a little later, I was aware that they were injecting something new into my left leg and I believe that it was massive amounts if this venom! But, my Dear Ones, it did nothing to me! Blessed is the Holy Name of Yahweh.

### The Double-Devil Day!

Last night, on the 11th of September, on their double-devil day, it was a different story! Different, yet the same in many ways, another in their long line of failures and another beautiful show of our Fathers great love and mighty power! What a glorious God we have!

Again I went to bed around 10:00 P.M.; and again they were in a huge hurry to do their evil tricks to me! As soon as I lay down, the walls popped and in came Satan and alongside him a human! In his hands, Satan had two huge vials of liquid, and these vials were the largest that I have ever seen. I believe that each one of them could have contained nearly a quart of liquid! And, immediately he began pumping, pumping, pumping this liquid into my spine!

After a short time, I got a whiff of this liquid and recognized some sort of alcohol, but mixed with it was another musty scent that I did not recognize. The spirit of God showed me a red skull and crossbones on the vial and I knew that it was some sort of

 From The Mountain Prophecies Copyright 2006

deadly poison and most probably a neurotoxin as he was injecting it directly into my nervous system.

After a few minutes I saw a diamond backed rattler, his head and fangs, and I felt for a certainty that they were injecting me with huge amounts of the deadly venom of the diamond-backed rattler!

My Dear Ones, Satan literally filled up my body with this deadly toxin and at one point, our Father in Heaven allowed me to feel a twinge of the horrific neural pain that I would have suffered if this substance had been allowed to effect me for even one second! And, I believe that He allowed this to show me that this was indeed a deadly neurotoxin and most likely the venom of this snake, or of another deadly sort of snake! And, Satan went on my Dear Ones, pumping this deadly toxin into me for about two hours, vial after vial.

But, even so, my Dear Ones, this had no negative effect on me! Who has ever heard of such a thing? BLESSED IS THE HOLY NAME OF YAHWEH; FOR HE IS MOST HIGH! THERE IS NO GOD LIKE HIM! AND ALL THE PRAISE AND ALL THE GLORY TO OUR MOST WONDROUS GOD! FOR HE IS WORTHY TO BE PRAISED! HOW I LOVE HIM!

### The Parade of the Wires and Implants Continues On!

Yesterday, on the 11th of September, Satan was busy all day filling up my body with wires and more wires! Our Father in Heaven would remove some of them; and as He removed them, Satan would put them back! As the day wore on, I realized that our Father in Heaven was allowing them to be left in my body and that there were reasons for His allowing this that I did not understand. So, as I went to bed, my body was full of pulsating wires and rods, with many rods and wires in my left leg, but even so, I went to sleep amidst all of their evil stunts and slept like a baby!

### The Kingdom Power!

This morning I awoke around 5:00 or 6:00 AM and immediately began singing praises to our Father in Heaven! And, it was at that time that He sent in such power; and power

as I have never seen. My Dear Ones, I have written somewhat about this "new" power, but you would have to see it in operation to truly understand what I am saying! For, it is truly awesome to behold and also a very scary and unsettling thing for Satan!

For this very power, which is coming into the Earth, this new spiritual DNA is going to be given first to the Supernatural Army! And, this very army is going to be a dread, a terrible dread, in the face of Satan! With this power, the Supernatural Army is going to beat and pummel Satan and his hoards! This Supernatural Army is going to fight on behalf of all of humanity and put Satan's stooges under the grinding power of this new spiritual DNA, which our Father is now bringing forth for His people!

This power, my Dear Ones, this new spiritual DNA power, is truly a mighty manifestation of our Father's Kingdom on Earth! Although this birthing process began in South Africa on August 18, 2006, this little baby, this new spiritual DNA, was only brought forth in South Africa on May 10, 2006! And, from there, this little baby came back to the USA! From here, it will go back to heaven and from there back to the people on Earth through the Supernatural Army! Oh, what glorious times we live in and how blessed we are to be a part of such a glorious unfolding in the Earth

### How the Kingdom Power is Manifesting!

Now, I wish to continue in my descriptions of this glorious power, which I saw this morning! As I just told you, my body was full of wires and rods and all of them pulsating with electrical currents when I went to bed, but the Spirit of God just blocked out all of these sensations in my body and I slept deeply and soundly! However, upon awakening this morning, I was aware of the rods in my chest, in my throat, in my legs, and in other parts of my body; and as I sang to our Father in Heaven, in came His mighty power. This power was swirling, my Dear Ones, swirling in great circles, vortices of it, all intermingling and working together. In this power was a cutting action and the shape of it reminded me of the shape of the interchangeable drill bits, which are used in electric drills, but huge ones, my Dear Ones, huge enough to go right through my body, but sharp, very sharp, cutting and dicing up the actual wires and rods in my body; yet not harming my flesh whatsoever! And, along with this swirling and cutting drill-like action, my Dear Ones, came a pushing and swirling, all to carry

out of my body the cut-up wires and rods; and these were then carried off, or clean dissolved in this power.

This is not an unusual sight to behold regarding the manifestation of this power, but today, there was more power, greater power than what I have seen before and this power totally cleaned out my body of the terrible wires, implants and debris, which this demon dog from hell had put into me; and it so wondrously did so!

Our Father in Heaven told me back in the spring of this year that this new spiritual DNA is "powerful", but at the time I could not grasp what He was saying! Now, I can tell you from my own experiences that it is indeed powerful; for I see it in action and I am so excited about our Father's awesome gift to humanity, the true beginning of His Kingdom on Earth!

**Satan is wroth with jealousy!**

And, Satan, seeing that all of these things were disappearing from my body came back through the walls this morning and was in my face with his foul cigarette breath, all to look, to watch, and see this great power! For, he has nothing in his repertoire like this new power, my Dear Ones, and he wishes to steal it and/or to destroy it any way he can. So, he watched as this great power cleaned my whole body of all of the debris, which was floating in my body, some of it for days. And, he was powerless to do a thing!

**What Satan has been allowed to do and why!**

And, this is the way it has been! This power has come into this new DNA in stages and through severe persecution and even torture at the hands of Satan! For, this has been our Father's way of birthing into the world the beginning of His Kingdom! And, when it has been time for a new facet, or dimension of His power to come in, He has required me to go through another round of Satan's torture! This has often meant that I have had to walk around, many times for days at a time, full of his terrible implants from hell! Yet, even so, our Father in Heaven does not leave them in me, but when He is

ready, He sends in a greater amount of His power to remove what the HE has allowed Satan to put in me!

Through persecution and torture, this baby has grown from a beautiful infant into a mighty giant; and when all of the facets of our Father's power, which He plans to put into this giant, are completed, He will surely then take the baby back to His throne and I believe that He will carry me at the same time.

Then, my Dear Ones, the baby will be ready to be given out to the Supernatural Army, who will stand before the throne of God, the 144,000 of them. And, at some point, they will then come back into the Earth to fight on behalf of humanity! And, then they will be empowered by this matured giant, this new spiritual DNA!

**The Kingdom of our Lord and God!**

My Dear Ones, this is what humanity has waited for, for so very long! It is the birthing of our Father's Kingdom on Earth, with all of His power and glory. What is happening in this very house is truly the beginning of great and glorious times for all of humanity; but also the beginning of terrible times as well. For, Satan will soon go on a terrible rampage against all of humanity to try to stop this glorious unfolding from spreading!

**Honor our Lord and God! Persevere, and be Faithful!**

If Satan comes after you, if you are thrown in jail, or even if you are tortured and persecuted in many ways because of your love of our Lord and God, thank our Father that you are counted worthy of such things! Rise anew each day, even amidst your suffering, and love Him and His Beautiful Son, our Blessed Saviour, with a new determination and with a greater love!

Remember your heritage, my Dear Ones, your heritage in the Kingdom of God, your promise of eternal life and the Marriage Supper of The Lamb! Do not love this world and what is in it, but love our Lord and God with your whole being. For, all that is of this world will one day vanish forever!

 From The Mountain Prophecies Copyright 2006

When you see others desert you and blaspheme you because of your love of our Lord and God, draw closer, even closer to Him through fasting and prayer! Love Him with a greater love; and remember that the evil ones first did these very things to our Saviour; and He warned us of what to expect. Do not let the negativity of others destroy your love for our Lord and God; but see them for what they are! Lost Souls, greatly in need of His love and forgiveness! So, forgive them, my Dear Ones, and keep your eyes on our Lord and God!

Remember that you are a Child of the Most High and that your heritage is among the Stars with our Lord and God! And, be of good cheer! Go with a song of joy in your heart and sing praises to our Most Wondrous God, to our Mighty God Yahweh and to His Beautiful Son, our Husband-To-Be!

**Looking Ahead!**

How blessed we are! And, what glorious times are ahead for all of humanity! Repent, my Dear Ones! Get spiritually clean and stay clean; for our Saviour comes soon for the Bride and He will only take the clean ones. Forgive everyone of all that they have done against you! Pray for their salvation and rejoice, my Dear Ones, for the hour of redemption draws near!

**Until Next Time …**

Until next time, I send love to each of you and big hugs to my Dear Friends; for a few of you have been faithful in helping me financially and in other ways to make it from day to day! Great! Great are your rewards in Heaven!

Jesus is our Beautiful Life,
Your Sis,
Linda

# CHAPTER TWENTY-EIGHT

## "Words from our Father in Heaven!"

My Dear Ones, below you will find two very interesting messages from our Father in Heaven. These messages will make up Chapter Twenty-Eight of this book! In Chapter Twenty-Nine, I will further entail the mighty works of our Father in Heaven as regards the on-going war with Satan and his hounds from hell.

Read our Father's words carefully; for His words are meat for your soul! Pay careful attention to His warnings regarding lusts of the flesh; for those, who engage in these things and will not repent, will not make it to heaven.

### Sex Slaves!

Remember, my Dear Ones, that it is through lusts of the flesh that Satan has so readily enslaved much of the world as we know it, but sadly most, who are enslaved to the lusts of the flesh see nothing wrong with such sins and they do not repent. The price of such unrepentant sin is denial, spiritual blindness and deafness; for our Father removes His Spirit from those, who are addicted to lusts of the flesh! And, without His Spirit, these quickly become the "walking dead!"

### Lusts of the Flesh!

Pornography is sweeping the whole world as a wild fire and huge numbers are addicted to it; but pornography is an abomination to our Father in Heaven! All, who lust after it, whether married or not, are guilty of adultery, fornication, and other vile lusts of the flesh! They are slaves, but they know it not, and neither do they know that it is impossible for active porn addicts to get into heaven! I tell you as well, that it is impossible for any addicts to get into heaven, unless they repent and forsake these things entirely! For, it is truth that those, who are addicted to lusts of the flesh, do not make it into heaven, but are bound for the pits of hell if they do not repent!

 From The Mountain Prophecies Copyright 2006

### Why Unrepentant Addicts Will Not Make It Into Heaven!

All addictions involve a compelling urge to consume certain things, or to engage in certain activities; and these urges take on a mind of their own; for they consist of both physical cravings and demonic urgings! All addictions are demon-fed! In other words, all addicts are possessed of addictive demonic spirits! By following through with these compulsions to partake of certain substances or to engage in certain behaviors, any and all addicts make gods of their addictions! Truly, all addictions are also idols and become a steady focus of the addict, a noose around the neck! It is a fact that no worshiper of idols, or of other gods, will get into the presence of our Father in Heaven!

It is time for all addicts to face the denial, which keeps them captive! For, it is this very denial, which so greatly keeps them locked in their own prisons! And as long as addicts are in a state of denial about their addictions, they will never face them and they will never be free!

### Jesus Came to Set the Captives Free!

But, remember that Jesus is able to break the stranglehold of every addiction! For, He came to set the captives free! However, in order for any addict to be free, he or she must have a deep desire to be free! And this desire must be strong and compelling!

The addict must wake up and face the addiction and feel a genuine sorrow before our Lord and God for this behavior. He or she must cry out to our Saviour in captivity and He will hear their cries, but these cries must be sincere and the addict must not waver in his or her desires to be free! And, remember that there are many, many kinds of addictions, including porn and sexual addictions, substance addictions, which not only include alcohol and hard drugs like heroin, but also cigarettes! Cigarettes can be as addictive as heroin, for they are a hard drug and most, who are addicted to them, do not recognize this fact! And, sadly many are addicted to prescription drugs and see nothing wrong with the addiction as it is medically fed!

### How Addictions Come About!

Excess consumption of caffeine can lead to an addiction, and excess consumption of any substance whatsoever can lead to an addiction, even to food addictions! So, beware of what you put into your body and whether you compulsively do so on a regular basis! If so, it is time to examine your life, for you may be feeding a budding addiction! Take note of your spiritual state when you have these compulsions; for your soul is most likely troubled and is actually hungry for more of the Spirit of God; so stop and take time to seek our Lord and God, to pray through your troubles! The Peace of God is the antidote for a troubled spirit!

### Resist Satan and he will eventually flee!

And once free, all must then resist Satan from day to day and pray, pray, pray! For, Satan's modus operandus is to attack the weak points of his victims! But, he will not just hammer ones weak points once or twice and go on! He will come back time and time again, year after year, all in order to catch one in a weak moment and cause him or her to fall! But, when we are weak, if we continually submit to our Lord and God, asking Him to fight our battles, He will carry us and bring us through whatever tests we must face! In our weaknesses, our Saviour will show His strength if we call out to Him and ask Him to help us with the sincerity of our hearts!

### Salvation is an on-going work!

Therefore, it is a continual spiritual work to stay free; and none can be free, save they put our Father in Heaven first, love Him above all and obey Him from moment to moment! This is the work of salvation and it is a work; for faith without works is truly naught! It is not as many teach, "once saved, always saved!" But from day to day, we all must work to be clean spiritually and to stay clean; for to receive Jesus is not a one-time event, but an on-going process, a great love affair of honor, obedience, perseverance, love and forgiveness; and we must live this way from day to day!

 From The Mountain Prophecies Copyright 2006

**The Truth!**

I tell you these things out of love for you; for many years ago I was addicted to alcohol and it is by the beautiful love and grace of our Lord and God that I am free! So, know that I do not speak these words regarding addictions to condemn you, but because I love you as a fellow Child of the Most High God that I tell you the truth! For, I have known the prisons of addiction and I also know the freedom which can only come through repentance and deliverance through the love and grace of Jesus Christ!

I also tell you the truth about salvation as well, so that you persevere and work at it from day to day! For, truly the way is narrow and the gate is straight and few find it; for most choose the easy way out! Most do not wish to suffer anguish and persecution for their beliefs and they do not wish to repent, but to go the way of the world, to go the broad way, and this broad way leads to death and destruction! It leads to the burning pits of hell; and this is where most are headed! Do not choose this, my Dear Ones, but wake up, repent of your sins, and walk this straight way!

**First Message from our Father in Heaven**

**Sins of the Flesh!**

**September 13, 2006**

"My Blessed Child, I am your Father in Heaven, Yahweh, yea Jehovah, Most High God! Be not troubled by what you see in this world, by what you see in others! For, My people the world over are a filthy lot! They are a perverse lot, who seek after things of the world, and who glorify things of the flesh! They cover up their sins with lies and denial; but let it be known that I see all!

Yes, My Little One, it is given to love the sinner, but to hate the sin! However, when the blind and deaf will not see and hear, when they will not receive correction; but hate

correction and dismiss it with anger or ignore it, there is only one option left and this is My rod of judgement on their backs!

Too many call themselves Christians when they are addicted to all manner of sins of the flesh! They see nothing wrong with sins of the flesh and they repent not! Neither do they tell others to repent, but take up for one another in their sins!

I say to Mine! Warn them! Tell them the truths of their ways; for if they do not repent of their fornications, if they do not repent of their sins of the flesh, I will cast them headlong into the burning pits!

I have made Myself plain and clear about the abominations of sins of the flesh! Those, who will not repent of such things are destined for the burning pits! They are destined for the Lake of Fire! For, these things are abominations to Me!

Let all be warned! I say to Mine, you cannot whitewash such sins, pretending that they do not exist when such sins are in your midst! Those, who will not warn others to repent of these things, when in fact they see them, are just as guilty as they are!

Woe, woe, woe to you parents, who allow your children to run wild and to partake of sins of the flesh! If you will not repent of this, if you do not warn them, you shall join them in the burning pits! How can you love them when you do not warn them?

I am a Righteous God! I am a Holy God and I see all! Therefore, I say to you, repent of sins of the flesh or burn in the burning pits! There is no middle road! There is a right way and there is a wrong way! What is wrong is clearly wrong and I will spew you out of My mouth, oh adulterous generation!

I am your Father in Heaven, Yahweh, yea Jehovah, Most High God."

**Second Message from our Father in Heaven**

**"My Kingdom Come!"**

**September 16, 2006**

"My Beloved Child, I am your Father in Heaven, yea Yahweh, yea Jehovah, Most High God! My Little One, I come to you today as you have many questions, and this is usual for you; but until the time is right for you to receive the understanding, which you seek, it is not wisdom for Me to impart it!

Firstly, My Little one, you realize that if I had told you in advance that you are the Woman of Revelation Chapter Twelve, or anything of your great travails, that you would not have been able to endure! The very foreknowledge that you are the Woman of Revelation Twelve would have brought an even greater amount of persecution upon you from many sources! And, the foreknowledge of the great suffering, the persecution and torture that you would have to endure as this Woman of Revelation Twelve, would have been overwhelming to you! Therefore, in My wisdom I could not impart this knowledge to you ahead of time!

Now, you come with questions about My Kingdom, and you come with questions about the Wilderness Place, which I have prepared for you, the place to which the wings of the Great Eagle are to take you! And, these things I wish to explain to you now; for in and through the works of Revelation Twelve comes the birthing of My Kingdom in the Earth! This is My Kingdom Come and My Will Be Done in the Earth as it is in Heaven! And as you see, as you know, this Kingdom is coming forth through much travail, through much hardship, through much sorrow and suffering! Yet, in and through you,

My Child, has come the maturation of this new spiritual DNA, which will go first to the Supernatural Army!

Now, I have already told you that these in the Supernatural Army will go in and out of the Earth and that they will fight on behalf of humanity; and this puzzles you, My Child, how they will go in and out of the Earth and move about in the Earth supernaturally!

Now, My Child, you can see the liquid light, which is around you, and you operate in this liquid light in accordance with the new spiritual DNA. Yes, many call this liquid light “plasma”; yet it is unimportant what others call it, but important to know that it is liquid light! This liquid light is actually My River of Life and it is the medium through which this new spiritual DNA will operate! This River of Life comes from My throne and will come into the Earth continually through this Supernatural Army!

This Supernatural Army will move freely in and out of the Earth through this liquid light; for this is the source of power in them, which will never run dry! (See our Father’s description of His Kingdom Power on the front page of the website!)

Yes, My Child, you are the first one, as the Spiritual Mother of Humanity, to receive this new spiritual DNA and to move in and out of this liquid light! Remember as I have told you previously, that this River of liquid light comes from My throne and when all facets of this new spiritual DNA are completely added to it, to this baby boy, this now-giant, will be carried to My throne, but not without you!

At the very point that this happens, a supernatural body will be given to you, My Little One, and you will then move in and out of the earth according to My will and My plans! My Little One, with this new body, which will move freely in this liquid light, you will be able to move freely around the earth and travel as I so direct you, devoid of any airplanes, trains, or cars!

Now, you may at times ride in planes, trains, or cars, but these means of travel will not be necessary for you to move about and to do My work! For, you will be able to freely move about in this liquid light!

 From The Mountain Prophecies Copyright 2006

The Supernatural Army will be able to move freely in this light as well and each of these will also stand before My throne as you do and then will go back and forth into the Earth and around the Earth as directed by the Spirit of God to do My will.

With the spiritual bodies, these souls will be one with Me, one with My will, in essence married to Me then. These will have a horn of iron, power equal to that of Satan and the fallen angels, also equal to or above many of the angels; but to you, My Little One, as the spiritual mother, are also given the feet of brass! For, as I told you, you are also the Woman of Micah, Chapter Four, the Daughter of Zion, who is spoken of there, and as such you will have a horn of iron, but also feet of brass and with the feet of brass you will have more power than Satan!

And, with this power, you will beat him severely! He will become afraid of you and he will not want to be in your face doing anything to you; but will flee from you, him and all of his bands!

So, as this Woman of Micah Chapter Four, who is also the White Buffalo Woman, you will do many supernatural works, and you will fight on behalf of all of humanity and work to establish My Kingdom in the Earth, alongside My Son, who is Saviour! You will work hand-in-hand with Him to bring down and to utterly defeat this evil; for unto you and the Supernatural Army, who will be as angels, you will have the power and the authority to command the evil spirits into the Lake of Fire and to harvest Mine for My Kingdom!

So, while it is most true that I will come for you and will carry you before My throne, wherein you will get a supernatural body, you will also be in and out of the Earth, moving in and out through this liquid light!

Now, this is and has been puzzling to you; but even so I told you that the Supernatural Army would move in and out of two different worlds! These two worlds are My Kingdom in Heaven and My Kingdom, which is now coming into the Earth through you! And, My Kingdom in the Earth will not be removed, but will grow!

Yes, you will soon stand before My throne and you will see Me and remember all that I tell you and show you; yet you will not be removed entirely from the Earth, but will move in and through the Earth and My Kingdom in Heaven at the same time!

I realize that this is very difficult to understand and hard for most to grasp, but My Kingdom if first coming into the Earth in this way! Be at peace in all things; for all is going according to My perfect will and My perfect plan!

I am your Father in Heaven, yea Yahweh, yea Jehovah, Most High God!"

# CHAPTER TWENTY-NINE

## "Our Father's Marvelous Works!"

My Dear Ones, I cannot speak of the great evil, which Satan is doing to me without speaking in an even louder voice about the great and marvelous works, which our Father in Heaven is doing! Oh, what glorious days! Yes, trying and tiring days in the face of Satan, but my Dear Ones, great and glorious days as I get more awesome glimpses of the wondrous power of our Father in Heaven!

So much has happened since I last wrote you that it would be impossible for me to recount it all, but the beautiful thing is that in spite of so much horrendous persecution and torture at the hands of these evil ones, I am better than well! I am doing fabulously well and am full of the beautiful life and hope of our Lord and God!

The new spiritual code, the new DNA, has grown so very quickly since even the last time that I spoke to you. The power, which is being imparted to it, is a joy to see; for it consists of many spirals, which turn and spin in different directions and these spirals are becoming awesomely strong with the power of our Father in Heaven! My Dear Ones, what a beautiful work to behold, for this is the actual birthing of a new human race! What is so exciting is that this new generation of humans will have power equal to that of the fallen angels and being married to our Lord and God, they will so wondrously do the beautiful will of our Father in Heaven! Blessed is His Holy Name!

You will be so excited to know that when I see Our Father lately His face is beaming with joy; for He, too, is excited about what He has created and what He is bringing into the Earth! All the praise, all the glory and all the honor to His Beautiful Name!

**The War Goes On!**

My Dear Ones, some of what I have to tell you about the events of these past days could be disturbing to you; but I feel that I must tell you these things; for not only have I faced them, but many of you will face utterly terrible and degrading things at the hands of Satan and his followers. But, the most important thing that you must remember if you are on the receiving end of their degradations and humiliations is to go to that place inside of you, where the Spirit and the love of God lives and spend time there until the degradation is over. For, physical torture and spiritual degradation are their specialties and through such things, my Dear Ones, many are going to be tried and tested! But, if you are on the receiving end of such things, just know that this, too, shall pass!

Though it all, my Dear Ones, cling to our Lord and God! Pray to Him and ask Him to stand in the gap between you and them and to take from you the suffering that you would otherwise feel, or to give you the strength to bear what you must bear! Then, trust Him to do so! Love Him, sing to Him, and be thankful for what He has ordained for you to go through; for these things are to make you white and clean. So, do not let their evil schemes break you, but know that all is for your own testing and for the glory of our Lord and God; for He is able to carry you through whatever He deems that you must go through, or He will carry you home. But either way, you are still in His beautiful hands.

So, do not despair; but if you have a very bad day and you do despair, which we all do at times, let your despair be short-lived, and return again to singing to Him, praising Him for all things, and thanking Him that He has counted you worthy to go through such things. Blessed is His Holy Name!

My Dear Ones, on the 12th, 13th and 14th of September, Satan and his evil hoards from hell came into my house and took turns raping me! Yes, they are able to do such things and they did them! But, even so, my Dear Ones, I could do nothing, but ask our Precious Father in Heaven to stand in the gap between me and them and to sing to Him through it all!

 From The Mountain Prophecies Copyright 2006

I saw them, lines of them as they came in; and this is no joke, my Dear Ones, but what the military is now able to do as they are able to come and go at will through one's house via this electromagnetic ring technology! I saw military officers and could even smell their cigarette smoke as they lined up in the hallway of my house. I also smell that Satan is now wearing a citrus-smelling cologne to hide his foul cigarette breath and through it all I could only go to this beautiful place of love in the arms of our Lord and stay there as they carried on, one after the other!

Late in the day on the 14th of September, on the third day of their assaults, I began to cry out to our Father in Heaven for vengeance against them, for Him to send His power and to punish them, for surely this must come to pass! And, it was shortly after this prayer that I began to see the great and strong spirals of the DNA move into action and these strong spirals looked liked shining, glimmering rods of steely glass. And it was at the same time that one of these evil ones was raping me that this DNA came in and then went into action! And, I tell you just as it is, my Dear Ones, that this man left with less than he came with! He shouted at me, "You have just cut off my penis!" And, this was so as I saw it cut off and carried away.

Now, one would think that after this happened to one of them, that they would stop, but either the others did not know, or they just did not believe; but I believe that they just did not know; for they continued to come in and there were five or so in a row, who lost their private parts that day! The last one was a military man, who was dressed in a white dress uniform, like those, which are worn in the navy and I saw him get caught up in these spirals and stagger backwards. I saw the name, "Sunderlin" on his name tag! And, after him, there were no more until Satan came in on the 18th and decided to do what he did to me; and this I will entail a little later!

It was on the night of the 12th of September of 2006 that they came into my room and began pumping, pumping something into my body, into my abdominal cavity, into my back, into my head, and even filling up my lungs with it. I smelled it and felt it creeping up the back of my throat and immediately recognized the smell; for it was none other than liquid detergent, like the kind which we use to wash clothing. No one could survive such a thing and the very fact that I am alive attests to the awesome power of

our Lord and God! For, my Dear Ones, as I see such power from day to day, I can tell you for a fact that THERE IS NO GOD LIKE OUR FATHER IN HEAVEN, NO GOD LIKE YAHWEH!

How gloriously wonderful He is; for my Dear Ones, I am only a child, the same as you, and I have no power to defend myself against such terrible things. And, oh how horrible these evil ones are! Far worse than I can write on these pages!

Their attempts to poison me to death through such a terrible assault failed, yet they were not to be outdone! Satan then began to bring into the house something, which smelled like ozone, but I realized that it was probably liquid oxygen; and he began to fill my tissues with this! At times as he forced this into my body, I would feel a slight burning and would sense the strong smell of ozone, but other than that, it had no effect on me! Satan carried on with his oxygen stunts for three or four days, but in this too, he failed! For, SATAN CANNOT DEFFEAT OUR GLORIOUS FATHER IN HEAVEN! WHAT A WONDERFUL GOD WE HAVE!

Through these days since the last writings, Satan has frequently put liquid jet or rocket fuel into my head, into my sinuses and into other parts of my body, all in spite of the fact that this does not work! For, he believes that this bothers me! But, honestly my Dear Ones, I hardly notice, but go on with my life, doing whatever it is that I choose; for in truth, this has no physical effect on me whatsoever!

A couple of days ago I was reading on the Internet that rocket fuel is a deadly poison and is now on most of our lettuce and other kinds of greenery that we all eat! And, although I did not read the many articles, which were referenced, many pointed to the fact that this deadly toxic fuel is now in our food supply! So, it is marvelous thing, my Dear Ones, that I have survived even the rocket fuel, but this is really minor in comparison to the rest of the terrible things that they have done to kill me! ALL THE PRAISE, ALL THE HONOR, AND ALL THE GLORY TO OUR MOST WONDROUS FATHER IN HEAVEN; FOR IT IS HE, WHO KEEPS ME ALIVE IN THE FACE OF SUCH GREAT EVIL!

 From The Mountain Prophecies Copyright 2006

When the liquid oxygen did not destroy me internally, Satan became even more determined to kill me and on the night of the 17th of September, he and some of his evil doctors came in and they began to pack my tissues all over my body with the clay-like explosives, which Satan had used on me for at least two weeks, but without any success. I saw one of the doctors, a peculiar-looking man, who was peering over the top of his glasses, and he was searching for my spleen; for he wished to pack an explosive in it or near it. And, he said, "They did not prepare us for such things in medical school!"

Apparently, they have to learn to work within this electromagnetic tube and for some of them it takes a little practice! For, this is not like the surgeries in the hospital, wherein they must cut into a person! With this new technology, they reach right through one's skin, put in what they choose, exit, and seldom leave a scar! If there is a scar, it is a reddish scar, or a brownish scar and it disappears rather quickly! I have watched them as they just part the skin and reach right through it! When they are finished, the skin goes back in place!

They must have packed my body for about two hours on the night of the 17th, and then they set off their explosions. Immediately, the smell of burning phosphorous exuded from my skin and from my body orifices, like my nose and mouth, for they packed my head almost solid with this clay-like explosive. When the first series of explosions went off and nothing happened to me, in they came again and packed me again with explosives, but again nothing happened to me!

My Dear Ones, I do not know how many times they tried to blow me up that night; for I went to sleep amidst such unbelievable assaults and campaigns of terror! But, nothing happened to me and again they were utter failures, a circus my Dear Ones, utter fools and clowns! For, they cannot defeat our Father in Heaven and He is the One with whom they are fighting!

On the 18th day of September, Satan being very angry that all of his attempts had failed to blow me up, awoke me early in the morning as he was again raping me! However, I could not allow myself to get into a negative mindset, but could only pray

and ask our Lord and God to stand in the gap between me and him and to carry me through what I must go through. He did so my Dear Ones, but even so Satan was after me all day long, raping me and doing terrible things to my body; yet I ignored him and went on with my life, loving and praising our Most Wondrous Lord and God; for He is worthy! Blessed is His Holy Name!

That day as Satan raped me repeatedly, I began to pray to our Father in Heaven that He would do to Satan what He had done to those other men! In answer to my prayers, our Father in Heaven told me that He is going to make Satan sexually impotent! This curse upon him will be his just desserts for what he has done to me and a most perfect punishment against him for what he has done to the human race since the beginning! For, it is an absolute truth that Satan has polluted the whole world through his defilements of the human body! Yes, indeed this evil monster has caused the whole world to worship sex and he has polluted the whole earth with his whoredoms, his orgies and sexual perversions! And, now The King of Sex is soon going to have a sexless life!

HallaleuYahweh! Blessed is the Name of our Lord and God; for He will make right all of their wrongs! Oh, my Dear Ones, from day to day I am so deeply humbled and grateful beyond any words! How I love our Precious Lord and God! Get it in your heart, for soon the whole world will proclaim it! “THERE IS NO GOD LIKE YAHWEH!”

And, my Dear Ones, with these many assaults having failed, these evil hoards were once again searching for something, anything that would kill me; and they came forth with another chemical concoction! The smell of it reminds me of the toxic glue, which is used in model airplanes, but honestly I do not know what it is. At first, these evil ones injected this only into certain parts of my body, like into my right cheek and in the places, where it was injected, it became hard like concrete and as the DNA strands would cut it out, I could hear a grinding sound, like that of particles of sand grinding against one another. And, their seeing this also, came upon the notion to put this substance into my whole body! I could feel the tightness in my neck for as they ran strips of it down the muscles, but from day to day the DNA would get it out! But, by the 18th, they had begun to put great amounts of it all over my body!

For the last three nights, and even during the day, they have steadily put this substance into my brain and into my whole body. Even when I sit for only a short while, there is Satan, or some of his hoards, chemical in hand; and they are pumping it into my body.

Yesterday, (the 20th of September) Satan came into my living room late, and with him was a highly decorated man, who was wearing a dark blue military uniform. The man in the uniform was speaking of me when he told Satan that I should be as "hard as a board," that he did not know what to make of it, as I was going about my normal chores of typing, etc. Then, I realized that they were trying to turn me into stone by injecting me with massive amounts of some kind of concrete-like glue! And, even during the night of the 20th and 21st, they continued on with their assaults in spite of the fact that they had utterly failed! And, such is their way!

My Dear Ones, it is just for me to persevere and to pray to our Lord and God and to sing to Him; for I can do nothing, but wait upon Him to do for me what I cannot do for myself. Yes, these have been terrible times, times of great persecution and torture, but my Dear Ones, our Lord and God has carried me through! Who has ever heard of someone living through such things, save for Daniel, Shadrack and Abednigo? Yet, I have lived through unbelievably terrible things as our Lord and God has seen fit to put me in the midst of them and to carry me through them.

Blessed is His Holy Name; for through these times of terrible persecution shall come forth great blessings for all of humanity! Therefore, it is an honor and a great privilege to go through such things for love and honor of our Lord and God and for love of each of you!

MY DEAR ONES, THE WHOLE WORLD WILL SOON SEE AND KNOW THAT THERE IS NO GOD LIKE YAHWEH! HE IS MOST HIGH! HE IS ALL POWERFUL, ALL KNOWING, ALL WISE AND ALL SEEING! NONE CAN COMPARE TO HIM! HOW GLORIOUSLY BLESSED WE ARE TO HAVE SUCH A BEAUTIFUL FATHER, TO HAVE SUCH A GLORIOUS LORD AND GOD!

This is why Satan and his hoards are all buffoons, clowns my Dear Ones; for they think to defeat the VERY ONE, who created them all! They cannot and they will not! HallaleuYahweh! Oooo-eeee! My Dear Ones, you and I have something marvelous to rejoice about! May we all sing and shout praises to our Most Wondrous God!

### Something Beautiful in the Sky!

Night after night, my Dear Sister and I have marveled at the glorious radiance in the sky; for the sky over this area has been thick with the radiant heavenly craft of our Father in Heaven! My Dear Ones, I have been watching the skies around here for several years and have seen the regular patterns of stars in the night sky. And, along with them I have seen the disk-shaped craft of the U.S. Military for over forty months! And, within the last two plua years I have also seen the various colors of Satan's disk-shaped craft, and they are primarily a golden yellow, or orange hue, but the Dragos' craft have a reddish hue, from what I have observed anyway!

But, my Dear Ones, this is not the case with the beautifully radiant heavenly craft of our Father in Heaven; for His craft are a gloriously radiant white light, like the radiant light of Jupiter. In fact, Jupiter used to be the brightest star in the sky, at least around this area; but not anymore; for it seems that the sky is literally full of Jupiters.

Night before last, I got one of the greatest shocks of my life when I looked up to see one of our Father's craft suddenly light up and instantaneously descend from a point high up in the sky. This happened so suddenly that it was shocking and thereafter I saw this very craft in hot pursuit of one of the yellowish disk-shaped crafts of Satan, perhaps in hot pursuit of Satan's own craft. Oh, my Dear Ones, this was a marvelous thing to behold; for the sheer radiance of this angelic craft, which belongs to our Father in Heaven, lighted up the heavens as it went along! From time to time it would come extremely close to the yellowish lighted craft, almost overpowering it and then the other craft would scuttle along. My Dear Ones, the yellowish craft could in no way compare to the white light craft of our Father in Heaven but was fleeing in the face of such power!

 From The Mountain Prophecies Copyright 2006

Oh what glorious times ahead for all of humanity; for we are now going to see our Father in Heaven as He comes down to fight these evil hoards in the sky! For, who else can fight them? We cannot stand up to such things! If we did not have our Father Yahweh to fight for us, all of humanity would fall captive to such evil!

Therefore, I advise you to live worthy, so that when you need our Father in Heaven, He will hear your cries and come to your aid! My Dear Ones, there is no one else who has the power to help you, and if you will not live for Him, then you surely will live and die for Satan and these evil hoards!

Yes, these are indeed glorious times, yet terrible times; and while it is beautiful and marvelous to see the awesome power of our Lord and God, I tell you that humanity is in for the worst of times and few, very few can even imagine such terrible things as what I have been recounting to you!

But, whether you can accept what I am telling you or not, you should read the words of our Saviour in Matthew Chapter 24; for He surely told us that in the last days these terrible times would come upon the whole Earth, more terrible than anything that has ever been, ever, in the history of the whole the Earth! His very warnings should make all wake up and take note; for Satan has been cast down and these very things are happening right now!

I do not know what people expect; for we have all been warned, even as far back as the Book of Daniel in Chapter Twelve! But, when confronted with the truth of what is, most choose denial! However, I tell you my Dear Ones, that denial in the face of such utter evil is foolishness! Get ready; for these terrible things are upon all of humanity!

Until next time, my Dear Ones, I send love and big hugs to you my Dear Friends! Many, many thanks and big hugs to the faithful few, who continue to help with these works! My heartfelt love goes to each of you!

Jesus is our Wonderful Way,
Your Sis,
Linda

Matthew 24:23-24 For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And, except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened!

# CHAPTER THIRTY

## "The Beautiful Crystalline New DNA"

Oh, my Dear Brothers and Sisters, I am so excited, so greatly excited about what our Father in Heaven is doing through this new DNA that I cannot fail to tell you of these great and marvelous unfolding events! For, just as Moses told me some weeks past, surely all in the Heavens are rejoicing! HallaleuYahweh! For, His plan is unfolding just as He determines! Blessed is His Holy Name! For, He put mankind under the feet of Satan, all so that we would be tried and tested; but He did not put us under Satan's feet to stay there!

Now, my Dear Ones, comes His fulfillment of His promises to His People! For, surely those, who are ready to receive this new spiritual DNA, will become as the angels of Heaven! They will be married to our Lord and God and they and they will then receive the gift of Eternal Life!

### The Beautiful Way!

These very ones have chosen the road least traveled, the Way that is Narrow and the Gate that is Straight; but as we are told by our Saviour, few there are that find it! And as He has said to me, "Once they find it, even fewer stay on it!" For this way is a way of great tests and trials, a way which is fraught with great hardships and persecution! And when the going gets rough, most get out. But, the few, who really want this way will give up all that they have, take up their crosses, and they will follow our Saviour into this most beautiful of ways! Truly, these are the "virgins" and they follow the Lamb of God wherever He takes them! (Revelation Ch14)

Now comes the time, my Dear Ones, when those, who have chosen this Straight and Narrow Way, will come into their inheritance! But do not be in total despair if you are not ready for it, or if you see your loved ones chasing after the things of this world and find yourself in deep despair regarding their spiritual lives! Pray for their salvation and

leave the rest to our Lord and God; for He is a merciful God! He has not given up on His Little Ones, for He loves all greatly and He is still striving with all of humanity!

Through the Great Tribulation, which is at hand, many will turn from their rebellious ways, but will do so only under the harshest of conditions! For, they will find that the ways of this world are utterly evil! This will happen when many are at the ends of their spiritual ropes! Yes, many will turn in the darkest of hours, even many of the "incorrigible" ones, and they will get white and clean!

Blessed is the Holy Name of Yahweh; for His Ways are perfect and His plan is perfect for all of humanity. And, this perfect plan for each of us is to love Him with our whole being and to strive to do His perfect will from moment to moment. When we get to this point and daily walk in love and forgiveness, then my Dear Ones, we are becoming one with Him and we are making ourselves ready to marry Him! The fruit of such a Way is a wonderful life, a beautifully glorious and peaceful life and we will then see that He richly and gloriously provides for our every need! Blessed is the Holy Name of Yahweh, our Most Beautiful and Perfect Lord and God, the Creator of all things. How blessed we are to have such a gloriously wonderful God!

### The Turn-Me-To-Stone Trick!

My Dear Ones, as I have entailed in the last writings, Satan and his hoards devised a scheme to turn my body into stone by injecting me with a substance, which would have caused the tissues to become rock-hard. I was aware of this also in my body here and there; but these were just sensations like little nuisances in my body. So, these horrible chemicals did nothing to me, but were only a source of little irritation. These stone-like places in my body were also super conductive and they would constantly pummel my body with electrical currents! But, these caused me no harm!

Nonetheless, yesterday was a big day for them; for as they were seeing that I was tired, they pummeled my body all last night. Every time that I would awaken and would begin to proclaim praises to our Father in Heaven, Satan would immediately appear and begin to pump my body anew with chemical substances, filling my head and filling my body here and there with his chemicals from hell! And so it went all night long, but

 From The Mountain Prophecies Copyright 2006

even so our Father in Heaven kept me in the hollow of his palm and I rested in His love and protection!

In spite of and because of all that they did, I awoke this morning in a glorious and greatly blessed state of mind, wondrously praising our Father in Heaven! And again there was Satan in my face, pumping his liquids from hell in my head and body; and at one point, he set off some of the combustible liquid; for he thought that this would distract me and/or stop the spiraling of this new code, but he was wrong again; for his stunts barely registered in my consciousness!

### The New DNA, What A Sight To Behold!

For, in spite of what this monster was doing to me, a most amazing thing began to take place! In front of me, I saw beautiful strands of radiant glass-like DNA, a new part of the DNA Code, which our Father in Heaven intended to impart. It was at first outside of my body but soon came into my body and undulated in and through my body like beautiful waves of radiantly crystalline glass.

What a gloriously beautiful sight to behold, this radiantly, new DNA; for it is complicated, my Dear Ones, and lace-like, but very, very strong. It consists of many spirals, all working together, with crosspieces among the spirals' and these crosspieces lace together radiantly beautiful squares of divine artwork, all connecting the spirals and crosspieces. My Dear Ones, this is a feeble attempt on my part to explain what I see; but I can only describe such a beautiful heavenly work through my limited human vocabulary.

After these new codes, or segments of the new DNA, came into my body, they began to work throughout my body and to cut to shreds this stone-like substance and to move it out of my body with such perfection. Then, these very strong DNA spirals went after the wires in my body and began to roll them up from my feet upward, all at once; and once at the level of my head, this new DNA code then cut the roll of wire off all at once!

I was so thrilled, absolutely thrilled, to see such a beautiful heavenly work! For, this new DNA does not just move in spirals clockwise, or even counterclockwise, but these spirals move any and every way that they choose!

### Evil Schemes to Stop the DNA Spin!

Now, this truly is a marvel; for these evil ones have tried to stop the spin of this DNA by putting rods in my neck, on one or both sides of my neck and rods up and down my body along with strong sheets of wiring! For, they thought that this new DNA spinned clockwise, or counterclockwise, or both, and that by wiring my up in such a way they could stop this new DNA from working, and/or spinning!

So, for months on end, they have constantly put metal rods, or some other kinds of rods up and down my body! After our Father in Heaven has removed them via His power, these evil ones have repeatedly put them back, over and over again, all in order to stop this new DNA from spinning and from doing its work and to make and keep me captive to their bizarre schemes!

### 360 Degree DNA!

But, this issue of putting the rods in me to stop the spin of the new DNA is also absurd; for this new spiritual DNA spins as it chooses, up and down and all around! When it is completely operant this new DNA will be fully open, 360 degrees!

Our Father in Heaven told me some years back, even as it is written in these books, that He is going to give me 360 degree DNA! I tell you frankly that I could not have possibly understood what he was saying. But, the evil ones understood right then and there; for I also wrote that they began to steadily abduct me and I would find needle marks here and there on my body, from day to day and from week to week!

Yes, they are indeed interested in this new DNA, but only to steal it and or to stop it any way they can; and so the battle goes on! But they are losing ground every day; for they will not stop what our Father determines to be! (I wish to note here as well, that as

 From The Mountain Prophecies Copyright 2006

I understand it, the angles of the current human DNA are in the 20 degree range and in the low twenty degree range as well!)

**A Beautiful Gift To Humanity!**

What a glorious unfolding of the mighty works of our Father Yahweh! What a beautiful gift for all of humanity; and it is now coming into the Earth right before my very eyes. Oh, my Dear Ones, how I marveled this morning to witness yet another part of this glorious code being imparted to this new DNA.

But, Oh Satan was furious! He said, "The bitch has done it!" Then, he began to concoct another scheme to put an end to our Father's works. He said, "Glass! I will add more glass!" Then, he mumbled out the name of another chemical and I thought that he said, "Phospho-butyl-methane!" Yes, he was furious and he was plotting another wild scheme to stop this new DNA, even saying, "Well, it is moving slow!" And he soon added one of his old tricks to slow down the spiraling of this new DNA and this trick is to pour into my body large amounts of a thick, gooey substance! However, my Dear Ones, this does not work; for what our Father wants done is done! And, even in spite of Satan's schemes, this new DNA code began to move quickly, strongly and powerfully!

As I type these words, this demon-dog is busy filling up my body with another chemical liquid and this smells like another round of washing detergent. Perhaps, this is the phospho-organic compound to which he was referring! And, as I type these words, he is right behind me and is calling me, "Bitch!" Oooooeeee, the clown is back; but he cannot defeat the Most High God, Yahweh; and all the praise and all the glory to our Beautiful Father in Heaven forever and ever! HallaleuYahweh!

What utter dunces the are! Morons, who have risen up in their greed, in their arrogance, in their power; and they think to destroy all that is good, all that is wonderful, and all that is beautiful, which our Father in Heaven has created and is going to create! But, this is nonsense and will not be; for soon and very soon this new DNA Code will be imparted to those, who are worthy to receive it. Then will come the beautiful fruit of this work and I long for this great unfolding; for this my Dear Ones, is truly our Father's Kingdom Come! What a blessed event!

### Calling to the Eagles!

### For, where the Body is, there the eagles will be gathered also!

My Dear Ones, some of you, who are reading these words, are surely among those, who are ready to receive this new DNA! You are the eagles! Continue to live worthy! Continue to be obedient to our Lord and God! Continue to choose the Beautiful Way, the Pure and Clean Way of our Saviour, even if you are the only one, who is doing so!

Those of the world do not choose this way, but cast stones at all, who choose this way! They crucify the light-bearers in one way or the other, yet be not troubled; but rejoice, for one cannot choose the Straight and Narrow and the ways of the world at the same time. Realize that they first treated our Saviour in such a way and have similarly treated others down through the ages!

Therefore, consider yourself greatly blessed if and when you come under persecution for love of our Lord and God! Rise up anew each day and praise Him for your tests and trials; for they are all for your cleansing! They are to make you ready to marry the Creator of All Things! HallaleuYahweh!

### Rejoice! Rejoice!

Rejoice! Rejoice! Rejoice, Oh nations! For, our Father in Heaven is doing a new and glorious thing in the Earth; and humanity is now going to receive what our Lord and God promised so long ago! What a glorious unfolding!

Until next time, much, much love and big hugs to you, my Dear Brothers and Sisters!

Jesus is our Beautiful Way,
Your Sis,
Linda

# CHAPTER THIRTY-ONE

## "The Victory March!"

My Dear Ones, today is the 12th of October 2006 and I am almost halfway through the forty-second month of my captivity under the feet of Satan and his demonic hoards. We have already passed the Feast of the Trumpets, which was on September 23, 2006, the Feast of Atonement, which was on October 02, 2006 and we are now well into the Feast of the Tabernacles, which began on October 07, 2006. I believe that our Saviour is coming soon and very soon, not just for me, but for other clean souls, who are ready to go. I am not sure whether He will take all clean souls at the same time, or will take first the 144,000, who will become the Supernatural Army. These will stand before the throne of our Father in Heaven, wherein they will be given supernatural bodies, all equipped with the new DNA. After a brief time in Heaven, these will return into the Earth to fight on behalf of all of humanity! This is the supernatural army of Joel, Chapter Two; and oh how it is going to be needed in this wicked earth!

### The War Goes On!

As for Satan and his military comrades and their continued assaults against me, I can only tell you that these assaults continue from day to day, almost non-stop; for Satan seldom leaves my face! But, even so they have failed in all that they have done and they will continue to fail; for our Father in Heaven is mighty! He is Most High! THERE IS NO GO LIKE YAHWEH! And, all that they do is bound to fail before our MIGHTY GOD!

### So That These Things Might Be Recorded!

Nevertheless, I will chronicle for you some of their absurd attempts to kill me and or to take over our Father's Interdimensional Gateway, but my Dear Ones, they can only repeat what has already failed; for they have tried all of the schemes that they could collectively conjure up, and nothing in their repertoire works!

**Satan's Schemes and Lies!**

On the afternoon of the 21st of September, I was resting for a short while in the afternoon, not sleeping, but resting! For, always when I try to rest, Satan is in my face and usually with him are some of his hoards from hell, their torture kits in hand. That afternoon, Satan brought in a man, whom I later determined to be a neurosurgeon!

This doctor pointed to me and said, "What is that?" And, Satan described to him a particular surgery that I had undergone! Then, this doctor said, " I had thought that she would be a real wretch, but she doesn't look half bad. She ought to fix herself up a little!"

Then, Satan said to doctor, "She is not human, but is Anglican! (Or, he may have said, Anglical…) She is one of Yahweh's! There are several like her around the planet! Yahweh is trying to take over the planet!"

I could only think, "Oooo,eee! HallaleuYahweh! Yahweh is not "trying" to take over the planet! He is going to take it over and He is going to rid this planet of the sewer rats, who have risen to great power through their stealth, perversions, murder and other horrendous schemes!"

My Dear Ones, how hilarious are Satan's remarks! For, it was back in the winter of this year, and I believe that the month was January, that Satan was in my house with some of his military comrades when he could see my body literally filling up with the light of God! And, Satan seeing this, said, "She is morphing right before my face!" And, he ordered his doctors to do a certain radiological test and "stat!"

It was shortly thereafter that I felt the sting of the needles and the horrible taste of some kind of fluid in my mouth and I knew that they were doing their tests right then and there! It was approximately a day or so later that Satan came in and said to me, "You have junk DNA! It is only open 20%!" So, I knew that they had done some radiological studies on my DNA and had seen for themselves that I did not yet have the new DNA!

But, on the afternoon of the 21st of September of 2006, he was telling this doctor that I am not human, but "Anglican!" The point that I wish to make here is that Satan is suddenly telling others that I am not human! My Dear Ones, he must come up with some sort of cover for his repeated failures! For, he cannot bear the thought that he cannot put under his will a mere human!

My Dear Ones, this is really a supreme compliment to our Father in Heaven! For, to Him is all the praise and all the glory! He has kept me alive and he has put in place his new DNA and I believe that this new DNA is now fully operant, even though it is still a baby, but for sure, a baby giant! And, Satan and his, seeing that this new DNA is also in place and operating well, can only say that I am not human! To this end, I recently overheard the conversation of some military men, who came into my house and one of them said, "We do not know what she is, human, animal, or alien!"

Later in the day on the 21st of September 2006, Satan had the neurosurgeon to wire up my throat, certain nerves in my upper back, which have to do with breathing, and my left brain! This was one of Satan's hair-brained attempts to make me speak, to make words come out of my mouth, and no doubt blasphemous words! And, his perverted will, of course, was to take physical control of me and/or to cause me to do or say things, which would put me at odds with our Father in Heaven!

In addition to his hair-brained attempt to make me speak by forcing air up through my trachea, he repeatedly pumped my whole body full of his electrocondutive liquid from hell! Once full of this chemical from hell, his scheme was to make electrical ripples move up my body in an effort try and force me to participate in his sick sex acts and then of course to make audible words and sounds come out of my mouth at the same time!

My Dear Ones, these kinds of schemes are not new, but as I have written Satan has tried any and every way that he and his sick hounds from hell could conjure up to take control of my mind! You may remember from the writings that Satan spoke to me last fall and said, "Give me your mind and I will do great things for you!" And, I told Him at

that time that I would give Him one thing if our Father in Heaven would allow me to do so, that I would beat him right down into the burning pits of hell!

### The Clowns Have Failed!

But, back to the events of the 21st of September and for many nights before and since, Satan has failed in all of his attempts to take control of my mind! For, our Father in Heaven has stood in the gap between me and the demon dog from hell, even from minute to minute and from day to day!

ALL THE PRAISE, HONOR AND GLORY TO OUR FATHER YAHWEH!

BLESSED IS THE HOLY NAME OF YAHWEH! THERE IS NO GOD LIKE HIM! IN NO WAY COULD I HAVE POSSIBLY SURVIVED EVEN ONE DAY BENEATH THE FEET OF THESE MONSTERS! I OWE ALL TO OUR MOST AWESOME GOD, FOR HE HAS CONSTANTLY INTERVENED TO SAVE ME! OH MY DEAR ONES, HE IS SO GLORIOUSLY WONDERFUL, SO MIGHTY, SO BEAUTIFUL, KIND, AND LOVING BEYOND ANY DESCRIPTION!

MAY WE ALL CONTINUALLY LIFT UP OUR VOICES TO HIM IN PRAISE AND THANKSGIVING; FOR HE IS WORTHY OF ALL THE PRAISE AND ALL THE GLORY! BLESSED, BLESSED, BLESSED IS THE NAME OF YAHWEH, MOST HIGH GOD!

### The Monster from Hell! You Must Know How He Operates"

My Dear Ones, Satan is one sick monster from hell and he will do anything that his sick mind can conjure up to "make" others do his perverted will! He is evil to the core; for there is no light in him! He thrives on what light he can suck up off others through his sick and demented games of torture and control! So, be warned; for this horror story is coming to all of humanity! Such terrible things as I have described to you, and worse, will be forced upon many in their "re-education" camps from hell!

### Another Attempt to Burn me Up!

It was during one of the nights past that Satan and his hoards were back again with the iron filings and they were filling up my stomach, my genitals and my rectum. They

must have pumped me full of these iron filings for about 45 minutes, but amidst it all, I went to sleep! Then, they began their beam assaults against me from their disk-shaped craft, Satan and the U.S. Military!

I had seen the U.S. military craft, low in the sky and numerous, all around the horizon before I went to bed; and I knew that they had a big scheme afoot! But, as I was tired I went to sleep amidst the infilling of the iron filings, only to awaken some time later, feeling the pulsations of their beams in different parts of my body! At that time, I could literally smell the iron filings as they were melting and burning inside my body.

Yes, I was aware of this horrendous evil, which they were doing, but at the same time I knew that I was also alive because of the great love, grace and supernatural protection of our Blessed Father Yahweh! How I love Him! So, I went back to sleep, having smelled the burning iron and I slept like a baby.

My Dear Ones, who ever heard of such things! But, even so, what I tell you is true! These are the horrible works of Satan and his human/fallen angel kingdom and also the mighty works of our Father in Heaven! At this time my Dear Ones, you are witnessing the birthing of His Kingdom in the Earth and His soon-to-be gift to His Faithful, a new DNA, a new generation of souls! Yes, a new nation is being birthed!

### Failures and Buffoons!

At this point, My Dear Ones, all of their torture and killing schemes have failed! They have exhausted their repertoire of evil schemes in trying to defeat our Father Yahweh and to stop His works through this new DNA! Therefore, from day to day, they can only come up with variations of things, which have already failed and in so doing, they repeat their failures over and over again day after day! So, Satan continues with his variations of the iron filings, toxic glues, sand-like particles, jet fuel, cigarette butts into my trachea, perverted raping of my body, and or explosions in various parts of my body, or some of his other sick schemes, which have all failed! But, mostly, he uses variations of one or more of the above, all of which have repeatedly failed!

In summary, all of their attempts to control me via their multifaceted wiring have failed. They have failed in all of their chemical assaults and in all of their poisoning attempts! They have failed in their sexual assaults and they have failed in their drugging and attempts to control my mind! They have failed to explode me into bits via their numerous explosives and they have failed in all of their attempts to electrocute me to death! They have failed to kill me by overdosing me through numerous kinds of drugs and they have failed to microwave to death and to laser me to death! They have repeatedly failed to choke me to death and or to asphyxiate me and they have failed in their attempts to destroy me any way they could conjure up as I travelled to different parts of the world! They have failed in their attempts to throw me into a mental hospital via my various family members and they have failed in their attempts to cause me harm by picking up others, who have been close to me, mind controlling them, and thereby turning them against me! They have failed to destroy me by relentlessly attacking me through lies on the Internet and they have failed to stop the works of our Father in Heaven by attempting to take over His works via His website! In all of their perverted schemes to defeat our Father's works and/or to kill me, and or destroy me any way they could conjure up, they have all failed!

### THERE IS ONE, WHO IS FAITHFUL!

Yes, their mind control has worked on numerous people, whom they have turned against me; and certain ones have hurt me deeply! But even so Satan's great attempts to stop these works by causing me to give up through grief have failed! For, there is One, who is constant! There is One, who is faithful and there is One, who never leaves or forsakes me! THIS ONE IS OUR FATHER YAHWEH! THIS ONE IS OUR SAVIOUR YAHSHUA, YESHUA, JESUS! THIS ONE IS THE ONE GOD OF ISRAEL, THE ALMIGHTY GOD YAHWEH, THE TRUE, RIGHTEOUS AND HOLY GOD OF ALL CREATION! HE IS STEADY! HE IS CONSTANT AND I LOVE HIM WITH A BIG, BIG LOVE! WHO CAN MEASURE UP THE ONE GOD, THE ONLY GOD, THE MOST HIGH GOD YAHWEH?

### Satan's Motto: "If you can't conquer it, blow it up!"

Some days past, Satan sat beside my bed all night long and set off his phosphorous explosions in my lungs and in my head for about seven hours straight; but even so my

Dear Ones, this did nothing to me! I got up the next day and went about my business and later during that same day as the power of God came in and ordered it to be so, much was removed from my body! All through the day, my body was literally full of their chemicals from hell, their electrically conductive plastic and burning phosphorous, but these things did not affect me!

This, my Dear Ones, is the work of our Father in Heaven and also the work of his new creation, the new DNA for humanity! He has created this new DNA and He told me in the spring of this year that this new DNA is powerful! And, so it is, even though it is really still a baby! When it reaches its full maturity, I can only imagine the awesome things that this new DNA will do through the faithful servants of the MOST HIGH GOD YAHWEH!

BLESSED IS THE HOLY AND WONDROUS NAME OF YAHWEH, MOST HIGH GOD! THERE IS ABSOLUTELY NO GOD LIKE HIM! HE LOVES US ALL AND HE HAS MADE A COVENANT WITH US, WHICH HE IS GOING TO HONOR, A COVENANT OF ETERNAL LIFE FOR THE WORTHY! SOME ARE GOING TO BE HARVESTED SOON AND THEY WILL GET THIS NEW DNA! THEY WILL ALSO GET THEIR GIFTS OF ETERNAL LIFE AND THEY WILL BE MARRIED TO OUR SAVIOUR. AND, I BELIEVE THAT THIS TIME IS AT HAND; FOR NOW ALL OF THE PIECES OF THE PUZZLE ARE IN PLACE!

## OUR SAVIOUR IS COMING!

And, this is exactly what the Spirit of God told a Dear Brother in a dream about two weeks past, that all of the pieces of the puzzle are now in place! So, there cannot be much time left before He comes for the clean souls! Make yourself ready and stay ready from day to day and from hour to hour! Expectantly await the return of our Beautiful Groom! Pray for His return; for He also wishes for the Bride to long for Him as He also longs for us!

Within the past two weeks alone I have had four dreams about the imminent return of our Saviour. In one dream, I saw Him blowing the trumpet still, sounding the alarm for His return! He is still sounding the alarm, but soon He will stop sounding the alarm and

He will come for His Faithful Ones! Blessed is the Holy Name of Jesus, Yahshua, Yeshua, Saviour of Humanity! For, He comes soon and very soon for His Bride!

### The Fulfilment of Micah Chapter Four!

My Dear Ones, I am usually a resilient soul and I have had to learn to go with the flow, so to speak, to ride out the storms and to wait upon our Lord and God; and usually this is easy for me. But, I must be honest with you, my Dear Ones, that I am also very, very tired, as this has been such a long war! I have been under the feet of these evil ones almost forty-two months and I have become very weary. Many nights I get little sleep; for these evil ones are pumping things into my body for many hours after I go to bed and they seldom give me any reprieve. And, Satan is also seldom out of my face, doing terrible things to me all day long.

So, it goes this way, that as soon as the new DNA removes their terrible chemicals, implants and other foreign substances, which Satan has put in my body, he is there to put these things in again! This kind of war among us, myself, the new DNA and Satan can go on all day long, and by night, I am very tired; for I must also work with this new DNA. However, when night comes and I try to rest there is often little rest; for there they are again, Satan and his hoards with yet another scheme! So, for many months, I have had to go on what energy our Father in Heaven gives me; for often I have little of my own. But He so graciously carries me when I can no longer carry myself! How merciful and loving He is!

### They are Lower Than Any Beasts!

My Dear Ones, through all of the evil that they have done to me, I could have never been prepared for the great assaults, which Satan and his have done to me off and on for these last three weeks or so. We all know that Satan has polluted the whole earth with his whoredoms and sexual perversions; and we all know that he has polluted the whole earth with his drugs from hell and his slaveries of one kind or the other. But, how could we have any idea as the kinds of bizarre kinds of sexual practices, which Satan and his hoards actually do, save we experience them for ourselves?

 From The Mountain Prophecies Copyright 2006

For, it is not just the usual bizarre sex acts, which these evil hoards do, but also some so bizarre that I can barely stand to write of them, but even so, I will write of them! I must write of these things so as to warn you; for many are already on the receiving ends of such horrors and they do not have even one clue as to where such things are coming from! For these horrendous acts are taking place even now to many and all of humanity will soon be on the receiving end of such horrendous and unspeakable horrors!

My Dear Ones, what I write hereafter as regards their sick lusts are true! This is the way they do and how Satan and his fallen angels have done for many millennia, but now come the humans, who are also engaging in these horrors! I tell you, my Dear Ones, they are lower than any animal on Earth and they have but one end and this is the burning lake of fire! Oh, that the lawless humans would repent and spare themselves eternal torment, but I truly believe that this course is unlikely for most as they have already sold their souls to Satan for power, money and prestige!

I write of these things as well; for what they have done to me surely fulfils some of the prophecies as outlined in Micah Chapter Four! For, our Father in Heaven says that I am this Daughter of Zion of Micah Chapter Four! Below you will read these very pertinent prophecies of Micah!

**Micah 4:9-13**

Now, why dost thou cry out aloud? Is there no king in thee? Is thy counsellor perished? For pangs have taken thee as a woman in travail!

Be in pain, and labour to bring forth, O Daughter of Zion, like a woman in travail: for now shalt thou to forth out of the city, and thou shalt dwell in the field, and thou shalt go even to Babylon; there shalt thou be delivered: there the Lord shall redeem thee from the hand of thine enemies.

Now also many nations are gathered against thee, that say, Let her be defiled, and let our eye look upon Zion.

But they know not the thoughts of the Lord, neither understand his counsel: for he shall gather them as the sheaves into the floor.

Arise and thresh, O Daughter of Zion: for I will make thine horn iron and thy hoofs brass: and thou shalt beat in pieces many people: and I will consecrate their gain unto the Lord, and their substance unto the Lord of the whole earth.

**"Let her be defiled!"**

Oh, my Dear Ones, there is much in this prophecy as with all of our Father's prophecies; and every word must be fulfilled. So, I go back to the first verse, which you see above and this is literally what happened on the morning of the 11th of October 2006. My Dear Ones, I was so tired from getting little sleep the night before, but even before I could get out of bed, there was Satan with his glue gun from hell, filling my head with glue and behind this filling my head with rocket fuel

On top of this, he filled up my throat with his semen! "Yes" you heard right! For, it is as I have just told you, that these have devised some of the most horrendous, sick perverted ways of defiling the human body through sex that one could ever imagine. As Satan has done to me again and again and again, daily for weeks, he put his penis into my esophagus, by inserting in between my ribs and running it into my throat, or up into my nose and there he deposits his semen!

I have a round scar between my ribs, at the juncture of the ribs at the diaphragm, where Satan and his hoards have repeatedly entered through my skin to access my esophagus to do their sick sex acts! These evil hoards have raped and pillaged my body and have done all that they could think of to defile my body, just as the words tell above. These evil Satanists, all under Satan's direction, have come forward, all to look upon me with one intent and this intent has been to defile my body.

So, they have made holes in my body for their horrendous sex acts, where there are no holes, holes alongside my breast, wherein they then push their penises forth to ejaculate into my throat. Or, holes into the side of my neck, or holes under my throat, where they enter into my throat to do their disgusting sex acts, all to defile my body.

And, oh how I hate to even write of these things; for they are disgusting, but such is upon all of humanity and who will be the wiser, save someone states the truth of what is and what is coming upon humanity?

**What a Terrible World!**

My Dear Ones, I have tried to be brave! I have tried to be positive and to overcome, but some days have been so bad! There have been devastating days, for never in my whole life could I have imagined such evils! And one of these days was yesterday, the 11th of October 2006! This is one of their double devil days, for not only is the day, the 11th, but when all numbers are added together, one gets 29, and the sum of these two numbers comes to another eleven, truly another high, double devil day!

So, as I told you, before I could get out of bed Satan was raping me, but this has been the case for many weeks! And as I awoke and went out to sit in the living room, I felt so tired, my Dear Ones, and overcome and distraught, that as I sat to pray, I felt such grief, such sorrow, such aloneness, as if my very Lord and God had forsaken me! Oh, my heart was broken and I wept and wailed to Him! “Why, why, why, why? Why, my Father, do You not come? You have given me so many visions and dreams about your imminent return, but You do not come and I am devastated! I am heartbroken! And, I wept bitterly; for I felt so utterly forsaken! And, Satan being in my face and seeing my wailing and weeping and great sorrow, rammed his penis up through my esophagus and his semen could be heard gurgling in my throat as I was weeping and wailing.

I was so tired and emotionally devastated that I did not know how I would go on for another day! I felt so deserted by our Lord and God! I felt so alone, my Dear Ones, so absolutely alone! And, all day long, I was in such a low state! But, I could not stay there, and even as soon as I wailed to our Lord and God I was just as quickly asking Him to forgive me for weeping and wailing and being heartbroken and yes even angry! My Dear Ones, this is prophecy fulfilled and this is the very first verse of Micah Chapter Four. “Now, why dost thou cry out aloud? Is there no king in thee? Is thy counsellor perished? For pangs have taken thee as a woman in travail.”

Verse ten of Micah Chapter Four was fulfilled when I was in South Africa in the winter of 2005. Our Father in Heaven spoke to me at that time and told me that I am the woman of Micah Chapter Four. He told me that I must go back to America, Babylon, and that He would deliver me!

At that time, I was living out of my suitcases and literally had no place of my own! My husband, Dennis, from whom I had fled, lived on the land in Arkansas, where we lived together, and I never thought that I would come back here! But, situations forced me back to this land, which is located out in the countryside in Arkansas, or out in the field as the prophecy tells.

At that time, Dennis had changed the password on the website, effectively taking it over and I could not post one word! So, I had to come back to the America to get this website back and to get an attorney to fight Dennis in court as he already had an attorney and was out to get all, even to take this website away from our Father and to destroy these works!

My divorce from Dennis was final on September 28, 2006 and although he has done great evil to me, I forgive him for all and only want to see him come and serve our Lord and God, to repent and to be saved from the burning pits! Pray for Dennis salvation! He needs your prayers!

So, my Dear Ones, verse ten has been fulfilled, all except for full redemption from the hand of my enemies; and I await this every day of my life! This will surely come with the return of our Lord and God! And, again this is repeated in a different way in Revelation 12:10, “Now is come salvation…” Truly, our Saviour comes soon and very soon!

### The Night of October 11, 2006

My Dear Ones, I have taken a bit of divergence from the horrors of October 11th, the double-devil day and I wish to go back somewhat to tell you what actually happened that night, but even so, this is also prophecy fulfilled from Micah Chapter Four, verse

11. I have told you how I wept that morning and cried out to our Lord and God having felt forsaken by Him, but things would get worse as the day went along!

Feeling very tired by day's end, I lay down to rest a little past 6:00 PM, something which I have not done in a very long time! But, there would be no rest; for Satan was in my face, literally in my face with some sort of hand-held device! And, he was continually forcing particles into my teeth and sinuses with this hand-held device, which seemed to be operating under pressure!

This device forced a horrible substance like fine sand into my jaws, into the nerves of my teeth, into the roof of my mouth and into my brain; and over and over again he forced this into my right cheek. My Dear Ones, this was painful and on top of this, he filled up my sinuses with glue and jet fuel over and over again! And, he continued on in this way for about seven hours straight!

As the DNA worked to get this horrible substance out of my body, Satan would force this substance into my sinuses again and again with his hand held device, but not just into my sinuses and head but into other body parts as well. And, as I have told you above, he would then follow with the glue and jet fuel! As the DNA tried to remove this sand like substance, the sounds of grinding sand like particles and the breaking up of hard plastic could be heard in my body!

### The Satanic Orgy!

Not long after I lay down, I saw a man come in and he said to Satan, "We've got two hundred and they are ready!" I gasped and silently shed tears in the face of what was before me, for on their double devil day, they had planned a great orgy! Within very few minutes thereafter, in they came! The wall would pop and I would feel them, one by one as they climbed onto me and began their horrible deeds, but this time, not pumping their semen into my throat or into my nose; for there was very little of this, but into my abdominal cavity, they pumped their semen! This went on until 1:00 in the morning of the 12th and then I heard the words, "The party is over!"

Soon after hearing these words, I heard the wall pop and out went Satan! The DNA began to work and to remove much of the concrete-like material from my face, but before all of it could be removed, the wall popped and in came someone with more glue and the glue was again pumped into my sinuses!

I got up and the clock read, 1:40 AM on the morning of the 12th of October 2006! They had been in, one after the other, for over seven hours and I had slept little or none! I looked outside and could see that the spray planes had done their job well; for when I got up shortly after 9:00 PM and had briefly looked out, I could see that the sky was full of the radiant craft of our Father in Heaven, plus many of Satan's and a host of the U.S. military craft all around the horizon!

I went back to bed after 1:30 AM and thought that I would possibly get some rest, but I got little rest; for others came in, one after the other, and as I went to sleep I could hear gurgling in my abdomen as they deposited their semen into my abdominal cavity over and over again!

Why did they choose to fill up my abdominal cavity with their semen? Because I had told my Sister and Friend a day before that I need to take some of this semen, which they are dumping into my throat, to have it analysed, and to have DNA tests done on it. For, even before this horrible orgy, Satan had been in daily with his military hoards and they had all gang-raped me over and over again, ad nauseum by literally pumping their penises into my body where there are no orifices!

### "Many Nations are Gathered Against Thee!"

My Dear Ones, I have no doubt that these, who came, especially prior to the announcement that "The Party is Over!" were the high-level Satanists, who were invited by Satan to come in and to "defile" my body on the 11th of October, on their double devil day! I believe that these evil hoards came from around the world to "defile" my body and that this event was one of their high black mass celebrations! And, as such, they did not want their semen to be captured and analysed, so they pumped my abdomen full of their seeds from hell, thinking to leave no trace of their evil presence! But, even so, the next morning my urine was full of semen!

My Dear Ones, this is surely fulfilment of the prophecy in Micah Chapter Four wherein our Father in Heaven states, “Now also many nations are gathered against thee, that say, Let her be defiled, and let our eye look upon Zion.”

My Dear Ones, I have told you often that this new DNA signals the incoming of the Kingdom of our Lord and God! I have told you often that the new generation of souls, the new human race will receive this new DNA after this “baby” is carried back to the throne of God. I have told you that this is the beginning of a new nation and as such you should be aware that the Satanists from around the world all join this evil dog, Satan, in his efforts to stop these works!

Yes, indeed, they came; and even though I never saw their faces I know that these, who came, came from the nations, Satan’s elect, all to defile what our Lord and God is creating! But, even so, I am still here and our Father’s works continue on! Blessed is His Holy Name! For, when I am too tired to carry myself, He and He alone, carries me! What a gloriously wonderful God!

### Those on the Right Path Will Be Persecuted!

Now, you might wonder why a loving God would allow such things! But, did this same God not allow the execution of his own Son, and all to save humanity! I am no one special and can in no way be likened to His only Son, for I am but one of his little ones! Yet, did our Saviour not warn us, that we would go through terrible times for love of Him and for love of our Father! I warn you, my Dear Ones, to take note! For, horrendous things as no one could ever imagine are upon the whole world and we are not dealing with animals, but beasts, who are all worthy of the burning lake of fire! So, be warned; for what they do to me, they will also do to many of you!

Today is another day and I am still alive and well, having overcome just one more day beneath the feet of Satan and his hoards! And, it is for sure that a Loving God is looking after me! For, no one could survive such horrors without divine intervention! He has surely forgiven my loud wailing before him; for He knows my great love for Him! Blessed is His Holy Name!

### "I Will Make Thine Horn Iron and Thy Hoofs Brass!"

One day soon, my Dear Ones, our Father in Heaven is going to give me a horn of iron and feet of brass and as He directs I am going to stalk these perverts from hell all over this Earth. For, I have a great hate for this evil! It must be destroyed and it will be absolutely extinguished from the Earth! And, because of the last verse of Micah Chapter Four, wherein He tells me to rise and to thresh, I believe that He will allow me to come right back into the Earth with the Supernatural Army!

On some down days, oh how I wish to escape this evil Earth, but this thinking is really short-lived! My Dear Ones, I want to be in the thick of this Great Tribulation, and to be empowered with the power of our Father in Heaven! I cannot imagine sitting in the peace and tranquillity of heaven when so many are perishing in the Earth! This is why I have repeatedly begged our Father in Heaven to put me right back into the Earth with a supernatural body, with the horn of iron and the feet of brass. And, I promise you that if He will empower me to do so, I will annihilate some of the great evil in this world!

### The Wild Dogs Will Bow Down!

In a dream recently, the Spirit of God showed me that when the living waters leave my hands and touch the wild dogs that they will bow down at my feet! And, this will be so because they will not be able to stand up beneath the power of our Blessed Father in Heaven! This is coming my Dear Ones and soon; for the righteous shall be blessed and they shall be used mightily in the establishment of the Kingdom of our Lord and God in the Earth and in the destruction of this evil!

Is this not the word? That thousands will fall at the presence of the righteous? Psalm 91:7 A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee." This prophecy surely pertains to the times at hand! Blessed is the Mighty Name of Yahweh!

And, these things being written, I send love, big, big love to you, my Dear Ones! From the bottom of my heart, I thank those of you, who help financially and otherwise with these works. I must say that at this time you are indeed few, but even so I do not want

for a thing! For, it is so that our Father has always taken a few and He has done great things through them. So, in this case, a few of you are helping to bring forth the Kingdom of God into the Earth and as such you are indeed worthy, greatly blessed; and I love you with a big love!

Until next time, remember …

# CHAPTER THIRTY-TWO

## "Beautiful Blessings Coming To The Faithful!"

Much love and heartfelt greetings to you, my Dear Brothers and Sisters, and great love and praise to our Most Wonderful Father Yahweh and to His Most Beautiful Son, Yahshua, yes Jesus! HallaleuYahweh! For, His works are unfolding just as they should and soon all of humanity is going to see "His Kingdom Come…"

My Dear Ones, I am now come to the end of the forty-second month beneath the feet of Satan, his fallen angels, the errant US Military, high-level Satanists and other robotic elements of Satan from around the world! For, forty-two months ago, they put their U.S. military antigravity machines overhead and they have not moved them, not for even one day! As I have written, they have kept me under constant surveillance, following me up and down the world, and they have persecuted me and tortured in one form, or the other, for a solid forty-two months! I cannot shout it loud enough that this is indeed a glorious day, this double devil day of Halloween, October 31, 2006, a glorious day, indeed; for surely our Saviour comes soon and very soon! And, beautiful blessings are coming to the Faithful! Oooooo-eeeee! HallaleuYahweh!

### They're out to Blow up the World!

We can now read of a huge military build-up in the Persian Gulf, with many of the U.S. Navy fleet present; and they are to begin on this day, their double devil day of Halloween, the searching and seizing of "suspect" cargo from ships going into Iran! This is an act of war against Iran and we can expect to see the whole world quickly ignite into World War III!

### The Ultimate "Sealing"

But, this will not be so until the 144,000 are sealed! Surely, these will soon stand before the throne of God for this awesome event! Will this sealing also involve the

marriage to our Saviour and the acquisition of the supernatural bodies along with the new DNA? From what our Father in Heaven has revealed to me, this is the case!

Have some already been sealed, at least in part? Yes, and according to our Father's words to me about three years past! I was among those, who were sealed, at least in part, back then; and our Father in Heaven saw ahead of time that this was necessary in order for me to endure the great assaults, which Satan has continually directed against me!

**When will the 144,000 be sealed?**

Remember our Father's directives in Revelation 7:2-4. And, I saw another angel ascending from the east, having the seal of the living God: and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea, saying Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads. And, I heard the number of them which were sealed and there were sealed and hundred and forty and four thousand of all of the tribes of the children of Israel!

**Who are the 144,000?**

Let us look at Revelation 14:1-5! And, I looked, and lo a Lamb stood on the mount Sion, and with him an hundred and forty and four thousand, having his Father's name written in their foreheads. And, I heard a voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps. And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth. These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and the Lamb. And, in their mouth was found no guile: for they are without fault before the throne of God.

My Dear Ones, these are the firstfruits! By nature of being the firstfruits, they must surely be harvested first, and soon! They must be redeemed! They must know

salvation! And, this is what we are told in Revelation 12:10, wherein we are told, “And, I heard a loud voice saying in Heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of Christ: for the accuser of our brethren is cast down, which accused them before our God day and night.

So, with Revelation Twelve comes salvation, the power of Christ and the Kingdom of God! And, with this salvation comes the redemption of the 144,000! They are saved and they stand before the throne of God, spotless and blameless! There, they will receive the new DNA and in our Father’s message below you will read more about this new DNA and this very song that they will all sing!

These 144,000 have not been defiled with “women”, that is, with the doctrines of the “whore churches!” They are clean! Their spiritual robes are white; and they follow our Saviour in all that they do! They have come out of the world, and from day to day seek the will of our Father, doing His will, loving Him first and loving and obeying our Saviour!

So, they will be called before the throne of God and will be greatly blessed, being also married to our Saviour! Thereafter, they will come back into the Earth to fight on behalf of all of humanity! This is the supernatural army of Joel, chapter Two! These will bear the rod of iron, Revelation 12:5, the new DNA, the “baby boy” and they will all hate evil! When these appear, it will be truly a new day in the Earth, the unfolding of our Father’s Kingdom in the Earth, a day of much Godly power in the Earth, a day that no human has ever seen before!

So, my Dear Ones, we are now very close, not only this glorious occasion, but I believe as well to the time when all clean souls, will be removed, who are counted worthy to escape the terrible things, which are at hand! But, let us look a little closer at the rush for their World War III! For, this very event also heralds the time when these 144,000 will stand before the throne of God! Right now, this war is ready to ignite!

### A Second Illuminati Plot To Assassinate President Bush!

Most of you are now aware of the movie, which is being released regarding the actual assassination of President Bush! The assassin is a lunatic from Syria! My Dear Ones, this is a clear Satanic, Illuminati warning to President Bush that he will move to attack Iran and Syria, and soon, or his head is on the chopping block.

This is a repeat of the same situation that we saw before the attack on Iraq, wherein this very president was dragging his feet in attacking Iraq and the Satanic, Illuminati was out to kill him then. It was at that time Stew Webb arranged for me to be on radio programs here and there in America, wherein we both gave out our Father's warnings that there was an Illuminati plot to kill the President!

Our Father revealed at that time that even President Bush's own Father was in on the plot, he being a high level Satanist and fallen angel! Our Father also stressed that it was important to get out this warning as the next president would be much worse that this one! So, my Dear Ones, this very warning helped to save the life of President Bush, but the Satanic hoards came after me and they have not let up since! Even so, they have lost in all of their assaults; for our Most Wondrous Father in Heaven has kept me! Blessed is His Holy Name!

Now we come again to an identical plot, and they may just carry through with this plot, if not now, then some time between now and the coming presidential election! Richard Cheney would be next in line and they could keep the presidency all in the "family" by rigging the voting machines again and giving the presidency to Cheney! This would certainly assure that their Satanic agenda went along well, without so much as a stumble!

But, for now, my Dear Ones, it is obvious that this Satanic President will do as his masters say to save his own neck! He will attack Iran and Syria and soon! And, beginning on this double-devil day of Halloween, these evil hoards are stepping up their confrontations against Iran by searching ships, which are headed into Iran and seizing of cargo, which they do not deem appropriate!

So, be awake and aware; for World War III, which actually began with the invasion of Iraq, is now about to explode into a worldwide event and fast! But, before this happens, the "baby" of Revelation Chapter Twelve must be carried back to the throne of God and the 144,000 must stand before the throne of God! There, they will receive their supernatural bodies and they will sing the new song! Oh, what glorious, yet terrible times we are in!

### "The Satanic 'dog tricks'"

My Dear Ones, all is the same with me! Daily, Satan and his hoards stay in my face! Daily, they do terrible things to my body and daily our Father in Heaven fights my battles! What He does not do for me directly, the new DNA does by daily removing from my body loads of horrible implants and liquids from hell! For, daily, they continue to fill up my body with various kinds of glues, with strings of their wiring and with powdery, grainy" stuff," which reminds me of concrete powder!

They have repeatedly "beamed up", kidnapped my dogs, so that they are gone more than they are at home! But, even so, these are our Father's dogs as he had someone throw them out last year when He knew that I needed some little, furry, friends! They were sickly and starving, but still a blessing to me and I have nurtured them along! Yet, because they are my dogs, they have grown up beneath the feet of these monsters and have suffered mightily, being so mistreated by them in so many ways. But, one day soon, our Father in Heaven will make right these wrongs; for He loves these animals just as I do!

### They Constantly Search for Any Weaknesses!

And, so it goes from day to day and from night to night! These evil ones are constantly in my face, looking and searching for anything, anything whatsoever, which they can come up with to "bother" me and or to cause me concern! But, our Most Wonderful Father in Heaven is ever-present and He fights the battles around here and I love Him so! I am so gloriously blessed, as the few of us are in this little house! So, from the depths of my heart, I sing love songs to our Blessed Father in Heaven and I praise His Holy Name; for He is faithful, full of love, mercy and grace!

 From The Mountain Prophecies Copyright 2006

So, in spite of what they do and even because of what they do, I strive to be of good cheer, even in the face of such utter evil; for I know that the end fast approaches and this end will bring to a halt these terrible assaults of Satan! This "end" will also bring forth a time of great blessings for all of humanity, yet also a time of great tests and trials, for which most are absolutely unprepared!

### The Buffoons Have failed in all of their tricks!

In summary, my Dear Ones, they have failed in all of their attempts to kill me any way they can and/or to blow me up, or otherwise harm me and according to their own words, which I have heard them saying on more than one occasion, hey can only hope to "slow this thing down!" And, to this end, Satan and his hoards stand before me night and day, watching the work of this new DNA, and seeing that they cannot stop what our Father in Heaven is doing, they can only do all in their power to slow down the work of the DNA and/or to stop the spin of the DNA any way they can. Therefore, they continue to fill up my body with various kinds of glues and to lace my entire body with strands of wiring and to put powdery, grainy "stuff" into my brain and all over my body, in hopes of slowing down this "runaway" work of our Father in Heaven!

### Work for the "baby" DNA!

But, my Dear Ones, this is so laughable! For, they stop nothing! But, what they do is to make work for the "baby" DNA, which is now a baby giant; and from all the work, which they give the new DNA to do, it is now very strong and works very hard and quickly also. But, most days as soon as the new DNA removes what they have put in, they are there to put these things back into my body again. Even so, I know that this is "baby" work and I rejoice in it; for this new DNA will soon go out to the 144,000 and with this new DNA, these will be protected against all manner of Satanic assaults. So, my body has literally been a testing ground for the new DNA! What a mighty blessing!

"Our Father has used a baby and a woman to trick Satan and his hoards!"
My Dear Ones, a few days past, a divine realization suddenly came to me that our Father in Heaven has used a "baby" and a "woman" to fool Satan and his hoards! A "baby", my Dear Ones! Isn't this remarkable?

Starting in the Spring of 2002 and going on for over two years, our Father in Heaven had me to do spiritual work to open up the interdimensional portal, which would became the grave for over forty billion of Satan's very own! I have told you of how Satan and his hoards raped me in the winter of 2006 and how they traumatized my body, thereby causing this heavenly portal to open up! Satan and his hoards, seeing that this portal was now open saw it as their way off of this planet, as Satan had already been cast down and with him many hoards. But, many were still to be cast down and these were the Dragos, half bird and half reptile fallen angels. This great influx began on or around the 20th of February of 2006 and continued until nearly the end of April of this year!

But, initially when this portal was forced open, little did Satan and his hoards know that they were tricked into the now open interdimensional portal by our Saviour and Father in Heaven! During the great influx of fallen angels into the Earth in what was the Drago Wars in the late Winter and Spring of 2006, I witnessed over and over again the work of the archangels as they worked with our Saviour to literally "trick" these fallen angels into the open portal of the earth! These things I have recorded elsewhere in Book Twelve of these prophecies! And, from their graves in this portal, these evil hoards were driven in the pits of hell, or the Lake of Fire, as our Father in Heaven saw fit!

So, the whole point of creating this portal to begin with was to make a grave for all of them, a giant grave, a great mouth in the center of the Earth, into which they would be "tricked" during the incoming of Satan's tail, a third of the stars (fallen angels) of heaven! This is Revelation Chapter Twelve, verses 4, 7, 8 and 9! But, they surely realized soon enough that they had been "tricked" by an all-knowing, all-seeing and greatly wise God, the Most High God Yahweh!

And, truly, through this great war, Satan and his hoards have greatly lost! This is the mighty work of our Most Wonderful God Yahweh! Who can compare to such a One? None! No, not one!

So, in the above case, our Father in Heaven surely used a mere woman in his work to help "trick" Satan and his hoards! Blessed is His Holy Name! But, then comes the

"baby"; and Satan and his evil hoards know as well that the "new" interdimensional portal is lined with this new DNA, with this new "baby"; so they have spent day after day, night after night in trying to break open this new portal, or to destroy this new DNA, all in an attempt to steal their way off the planet!

### How our Father in Heaven has used the "baby" to trick Satan!

But, my Dear Ones, they could not have known that this "baby" is really a Trojan horse, by the very nature of the fact that he has been implanted in their camp as an innocent and helpless little baby! This has been done to make the "baby" aware of their every trick, and to see and experience their every scheme, which they plan to use upon the unsuspecting populace in the coming wars against all of humanity! This has been done by our Most Wondrous Father in Heaven to make this new DNA "wise" to them and all of their evil schemes; and when it is given to the supernatural army, to the 144,00, it will already be familiar, well familiar with the games of the enemy and will fight on behalf of this new army, all to the defeat of Satan and his hoards! How great is the wisdom of our God Yahweh! Who ever heard of such things? No one! For, none can compare to our Most Beautiful Father and God Yahweh! I love Him So!

### "Why the New DNA was born into the World in This Manner!"

Some days past, our Father in Heaven helped me to understand just why He chose to introduce the new DNA into the world in the manner! What you may not understand is that when our Saviour came and put this precious little baby boy into my arms in Centurion South Africa on the tenth of May of this year, that this baby was so beautiful and perfect in every way. It was made of shimmering light and I could so very clearly see every detail of this beautiful and perfect infant! But, as such, my Dear Ones, it was holy; for it had never left Heaven! It had never left the perfect and glorious hands of our Lord and God and it had never known evil! So, this infant, this new DNA, had to know evil; and in this manner beneath the feet of Satan and his hoards, our Father in Heaven chose for it to "know" evil"! And, what a crash course this little baby has had to endure! This little, perfect baby, this new DNA, has had to grow up under the feet of Satan, himself, under the feet of every kind of fallen angel, under the feet of the traitorous humans, under the feet of the high-level Satanists of the world, under the

feet of the military leaders of the world, and even under some of their robotoid soldiers!

My Dear Ones, this baby, this new DNA, has been subjected to every "trick of the trade" of the Satanists, of their high-minded military people, of their researchers and of their doctors and any and all others, whom they saw fit to involve! Yes, indeed, this "baby" has seen the kingdom of Satan from the inside out and now this "baby" intimately "knows" Satan and his hoards, and how they operate. For, this baby has had to endure every kind of implant, wire, rod, explosive device, poisons, drugs, and liquids and even powder from hell that these evil ones could conjure up in their efforts to kill it and or to take it over! And because of what this new DNA has experienced, this baby now hates evil; and when it is given to the 144,000, it will have a single mind as regards evil and this will be for the total destruction of evil the world over. But, this new DNA will also love the lost and will work to do mighty things for those, who are captive to this evil, Satanic machine!

What a wonderful God we have! Who can understand His mind, how, or why He does as He does. His ways are mighty! They are higher than our ways and so beautifully and completely He does all things! How blessed we are to have such a beautiful and wonderful Father and Creator. Blessed is the Name of Yahweh forever and ever! Ooooo-eeee! We all have something glorious to shout about; for this evil is going to be eradicated from this Earth and there is now coming into the Earth the Kingdom of our Lord and God!

**"Thy Kingdom Come, Thy Will be Done in the Earth as it is in Heaven!"**

And, now comes, as I have told you, a new human race! Humans still, but of a kind that no one have ever seen. My Dear Ones, this it the Kingdom of God coming into the Earth! No one has ever seen such a thing; for it has never been!

And, yes! The Kingdom of God is "within" as someone wanted me to know when they sent me a book from the Kenneth Copeland Ministries! It is in the Temple Within! But, how many can even access the Temple Within? For, they cannot still the mind long enough to get there! But, even so, I am speaking of the literal Kingdom of God, which

is coming into the Earth and not the Kingdom of God Within! But, "Thy Kingdom Come…" This is the literal Kingdom of God coming into the Earth and visibly so, firstly via this new race of Humans! These shall surely rule the world with a "rod of iron", through this new DNA, and through the new Kingdom Power, which our Father is going to put into them.

Oh, what marvellous times we are in and what glorious things our Father is about to do through His Faithful! But, even so, the whole world is about to be brought into the very worst of times, worse than anything that has ever been in the history of the whole Earth!

And, now my Dear Ones, comes the latest message from our Father in Heaven! Read it and be blessed!

**Message from Father in Heaven!**

**October 25, 2006**

My Precious Child, I am your Father, Yahweh, yea Jehovah, Most High God. Sit and write My words today; for these words are not just for your own understanding, but for the understanding and enlightenment of My people the world over!

I want you to know, My Dear and Precious Child, that I am pleased, very pleased in you, and that I am pleased in the growth and development of the new DNA, which will soon go first to the 144,000. It is the song of this new DNA, which these will sing and so wondrously and gloriously so! And, as they will be the first to receive this new DNA, only these in the whole earth will be able to sing this song! For, it is as you know, that the perfect DNA of each creation of Mine sings a perfect song, a perfect tune, a perfect melody! And, this is why all of Creation sings to Me!

My Beloved Child, your days of being under foot of Satan and all of his hoards are soon coming to an and!! How much will I require of you past the forty-two months that you

will have soon spent underneath the feet of Satan and all of his hoards? You will soon see and you will also soon see that not only is this time of persecution finished for you, but that you will receive a new body and with it much power! Much, much power will be given to you, My Little One, second only to My Son! And, as such, you will rule second in command to Him in My Supernatural Army, above all, but My Son! You will stand over nations and you will rule over My body, for My power shall be in you and you shall become My Living Word, just as My Son Yeshua is my Living Word manifest!

For, you, My Little One, are the Mother of Humanity and as such you have mothered this new DNA! Under My power, under My direction, you, My Little One, have mothered and raised this new DNA, bit by bit, until it has reached this beautiful stage of development, wherein it will soon be ready to go to all of the 144,000.

And, as this mother, you will sit on a throne beside My Son in Heaven and you will sit on this throne throughout the eternities, for I decree it so! And, blessed with much power, you will bring about many changes for the good of people all over the world! Your enemies will bow down before you to apologize for their evils and also because they will be unable to stand in the presence of such power! Soon, you will be given this power and I will send you back into the Earth to help many!

And, yes, you will preside over not just one gathering of My people, but over many gatherings of My people the world over! For, I will send you upon the wings of My Spirit wherein you will mightily, suddenly, and with much power, bless many, who are scattered over the whole earth!

You will see, My Little One, that My light and My glory will be upon you and you will shine as the face of Moses did shine and greater will you shine!

This time is at hand and also at hand is the soon-end of your captivity beneath the feet of Satan! So, be of good cheer and rejoice; for I am pleased in you and soon, very soon, I come, not only for you, as you have so often prayed, but I come for the righteous ones, who are ready!

 From The Mountain Prophecies Copyright 2006

Go and tell the good news! The alarm is still sounding for the return of My Son; for I do nothing, save I announce it through the mouths of My prophets. So warn them to get clean and to stay clean; for soon, very soon, I shall send Him for the White-as Snow, clean souls!

I am your Father in Heaven, yea Yahweh, Most High God!

And, so it goes, my Dear Ones! To my Dear and Faithful friends, just know that I love you with a big love and to the rest of you, I also love you with a big love! Many, many, many thanks and big hugs to those, who work to make this work possible! You are truly and beautifully blessed and many, many blessings are yet ahead for you!

Until next time …

# CHAPTER THIRTY-THREE

## "What a Glorious Unfolding!"

My Dear Brothers and Sisters, I send my heartfelt love and greetings to you in the Most Precious Name of our Lord and Saviour, Jesus, our Beloved Groom in the Waiting! Blessed is His Holy Name and blessed is the Name of our Father in Heaven, YAHWEH, MOST HIGH GOD! HE IS MARVELOUS BEYOND WORDS AND FULL OF EVERY BEAUTIFUL ATTRIBUTE! HALLALEUYAHWEH! HE HAS A PERFECT PLAN AND IT IS UNFOLDING AS HE HAS SO WONDROUSLY DESIGNED!

My Dear Ones, I am very much alive, well and still awaiting the return of our Beautiful Saviour. The work of our Father in His new DNA is going well and as He so desires. A few weeks have passed since I last updated you on this war of the Satanic Buffoons and their constant attempts to defeat our Father Yahweh and His works through Revelation Chapter Twelve. But, my Dear Ones, they have failed over and over again to succeed in their most bizarre attempts to kill me, to take over these works and/or to stop them in any way! But, it is for no lack of trying on their parts; for when one hair brained scheme fails, they are quickly back with another harebrained scheme, the latter being even more bizarre than the former! And, in spite of the fact that all of their schemes have failed, true to their psychopathic minds, they do not to learn from all of their mistakes! Like true Don Quixotes, they are constantly chasing their own windmills, regardless of the insanity of their schemes and plots

### The Works of Demons and Devils!

I know that what I write of them and their Satanic schemes and plots seems utterly bizarre; for you and I have never heard of such things and we have never seen such things in our whole lives. But, truly our Saviour told us about these times when He said that there have never been such times so severe in the history of the whole Earth, both in His own words and also in the words of our Father as given through His prophet,

 From The Mountain Prophecies Copyright 2006

Daniel! For, we deal not with people, but with powers and principalities of great darkness.

### They will Not Steal Their Way Off this Planet!

For, it is as I have told you previously that these fallen angels and their Commander Satan now work alongside many humans, doctors, researchers of every kind and various kinds of U.S. military personnel! For, truly I have personally witnessed such things over and over again! And, so, it is not only the minds of these dark-as-night perverts from hell, the fallen angels, but their human counterparts, who also work tirelessly day and night to destroy these works, or to steal their way off this planet by overtaking our Father's interdimensional portal! For, they have all been cast down, defeated in the Upper Realms, thrown down into the Earth; and over forty billion of them taken captive by our Father, our Saviour, the angels, the archangels and the Hosts of Heaven! This Great War in the heavens has already been finished and now those, who remain, along with Satan, are locked in the Earth, incapable of traveling the interdimensional highways, the shortcuts to the planets and stars! They cannot leave and they are hoping every day of their lives to steal their way off the planet by overtaking this portal, which is attached to my body! And, so they continue on with their attacks against me, their persecution and torture from day to day, all in their attempts to steal their way off the planet! And, if this is not possible, their on-going agenda is to kill me and/or to take over my body, in order to stop these works, which is the unfolding of the Kingdom of God in the Earth in its infancy.

### The Kingdom Of God in Its Infancy!

I have told you previously, that the 144,000 will stand before the throne of God, where in they will get this new DNA, plus supernatural bodies. Thereafter, they will then come back into the Earth and fight on behalf of all of humanity. When these come forward, this will surely be the beginning of the manifest Kingdom of God in the Earth! For, these humans will be empowered spiritually as no one has ever seen and after this time of Great Tribulation is finished, these will surely bear the rods of iron and they will rule under our Saviour and over the Kingdom of God in the Earth! My Dear Ones, this righteous Kingdom of God, this mighty and holy System of Government is at hand!

Right now, this Kingdom is in its infancy, in its early stages as our Father in Heaven actually grows this new DNA in my physical body, the DNA for the new generation of humans. This new DNA is maturing and growing stronger from day to day as Satan and his hoards continue to throw into my physical body any and all things that they can think of, all in their attempts to stop these works. But, even so, they have failed and continue to fail; for when the new DNA senses something new to which it has not been exposed to, it must then rise up in a new power from our Father in Heaven and defeat what they have done. And, when it is not strong enough to remove what they have put in, I must wait for our Father to add to the new DNA the power to attack this new threat! For some hours, or even days, I must wait upon our Father in Heaven to bring forth a new phase of this new DNA, to put another phase of His power in this DNA; and this wait can be very tiring indeed! But, this is the way of our Lord and God; and those of us, who wait upon Him are truly blessed! HOLY IS THE MOST WONDROUS NAME OF YAHWEH, MARVELOUS BEYOND ANY WORDS, TRUE, RIGHTEOUS AND FAITHFUL! I LOVE HIM SO!

### A Work Akin to that of Moses!

My Dear Ones, I must stress again, that as I see it, these works are much akin to what Moses did in the face of the Pharaoh! When the Pharaoh would bring forth a certain amount of his power through the spirit of Satan in Him, our Father then would bring forth a greater power through Moses. I do not know how long this showdown between our Father through His trusted servant Moses and the wicked Pharaoh went on, but it apparently went on for some weeks, or even months. And, after some time of this great showdown, at a time when the assaults of our Father were so great against the Pharaoh, the Pharaoh relented and let the captives go! But, Pharaoh, being the liar that he was then changed his mind and came after the Children of Israel, only to be drowned in the Sea, he and all of his armies. In the end, this wicked Pharaoh was not only “whipped” by our Father in Heaven, he lost in a very big way, and much more that he had ever expected! Blessed is the name of Yahweh, the One Holy and Righteous God! Great and mighty is He! THERE IS NO GOD LIKE HIM! HE IS THE SAME YESTERDAY, TODAY AND FOREVER AND WHAT A BEAUTIFUL GOD HE IS!

 From The Mountain Prophecies Copyright 2006

And, so it is with this on-going war with Satan! For, when they come with greater schemes, which the baby DNA has not seen before, there will often be a lull in power as our Father in Heaven is making this DNA stronger and ready to go up against the evil giants again. After this lull, or rather quiet time of the DNA, suddenly a power serge comes into it from our Father in Heaven and the DNA cleans my body of the horrible "stuff" that they evil hoards have put into my body

### The Assaults of the Enemy!

Following, I will tell you somewhat of the terrible assaults of Satan and his hoards against me since the last chapter in Book Twelve! It is important that you know these things; for this work is a work for the Children of our Father in Heaven, a work, which will bear beautiful fruit for the Children of the Most High for many generations to come! For, now comes the "budding" of His Kingdom through a new DNA, which, when imparted to those, who are ready, will bring forth a new race of humanity, a new generation of souls!

So, you, my Dear Ones, need to know what is unfolding and you need to know as well that what I endure, many of you will endure in the future as you suffer beneath the oppression of Satan and his hoards! And, truly, many of you will endure far worse things than what I write of here as Satan turns upon you in his wrath and anger, in order to eradicate you from the face of this planet! For, I tell you, my Dear Ones, that he is indeed angry, very angry that he is cast down, he and his hoards, angry indeed that their wings have been clipped and they can no longer fly the upper realms! And, when they must face the fact that they will be going nowhere and cannot escape their punishment at the hands of our Lord and God, these evil hoards will turn upon all of humanity with a single intent and this intent being to eradicate all humans, (save their slave labor), from the face of this planet!

The only thing, which currently stands between Satan, his bands, and his Great War against humanity, is Revelation Twelve, this work, and the final outcome of this work. When this work is finished and our Father in Heaven removes me from the face of Satan, Satan will then see that he has no way off this planet and he will immediately turn against humanity in great wrath! But, this Great War will not begin as long as I am

still on this Earth; for as long as I am here, all of their attention is focused on me as they hope to find a weakness in me, in our Father's work, or in this new DNA, which they can exploit and thereby gain access of the time portal, which is attached to my physical body.

### The Desperation of the Enemy!

I tell you, my Dear Ones, that they are indeed desperate to escape their punishment and defeat at the hands of our Father! And, I tell you as well that this war against me is intense and unrelenting from day to day; for they come forth with scheme after scheme, day and night, night and day, all in order to defeat our Father and His works.

Even so, I tell you now that they know that they cannot defeat him, but think in their pride and arrogance to come up with something, anything, which will bring me down; for they know that I am but a mere woman and subject to human frailties! But, they have failed to grasp the fact that our Father in Heaven fights all of my battles.

This has been a long and protracted war and from day to day, I also get very tired. This war is too great for me, so I wait upon our Father in Heaven for all things; and in all things He is ever faithful! Every day, I am a living testimony to the awesome power of the One and Only God, The Most High God Yahweh; for truly no one could live through such things as I what have experienced from day to day! Blessed is the Holy Name of Yahweh! TO HIM IS ALL THE PRAISE AND GLORY. THERE IS NO GOD LIKE HIM AND I LOVE HIM SO!

### Their Never-Ending Schemes!

Previously, I have told you of how Satan and his hoards have tried to turn me into stone by filling up my body here and there with a powder, which reminds me of cement powder. Then, on top of this, they would put huge amounts of glue and among this another thick, gooey liquid. I have told you how they continually put objects into my brain, or into other parts of my body in order to make walls of sorts, or dams to hold in place their great array of "stuff"!

 From The Mountain Prophecies Copyright 2006

Within the last few weeks, they became very elaborate in creating these partitions in certain parts of my body. In creating their partitions, they took tubes, collapsible tubes, which remind me somewhat of the fake blood vessels, which surgeons use when they replace a defective part of a blood vessel in the human body. These tubes are tough and when the DNA cuts them, I can sense that they are made of some sort of thick, strong, fibrous material.

With these strong, but collapsible tubes, they also created a widespread system of tubing in my whole body, conduits through which they could pump vast amounts of their gooey liquid and vast amounts of glue. Some of these tubes are quite large and in order to connect the external pumps to the tubes, they have also created “ports” just under the skin in various parts of my head and body. These ports are clearly visible just beneath the skin and can be seen as concentric rings of hard material, which are attached to the skin and muscle!

Amidst the glue, which they put into my body for many weeks, they later began to put tiny bead-like structures! Amidst this glue also, they ran strips of their elastic-like wiring, which is also electrically conductive, and here and there in my body they began to put tiny metal wiring. They particularly put this tiny metal wiring through my gums and between my teeth, and not just once or twice, but over and over again for weeks and even months on end! Within the past week, or so, they have put huge amounts of this tiny metal wiring all over my body in clumps or in sheets. This tiny metal wiring reminds me of tiny metal curtains when it is put into my body in sheets, but at times it is pumped into my body, mixed with some sort of substance! In this way, it can be injected to make a row of metallic wiring, or a collection of sharp, metallic objects.

These tiny metallic objects have barbs on the end and these barbed wires have served them well to grab into the spaces between the teeth, to dig into the flesh and hold on! So, when they saw that the DNA was slow in removing these wiry barbs from my gums, they began to pour them into my body in great amounts, into my brain, into my neck, into my throat, into my back, etc.

At the point, where the tubes are connected to my body, they put the cement-like substance around the connections and outside of this they will place copious amounts of these tiny, sharp metal objects. This is done in attempt to make it as difficult as possible for the DNA to get these tubes out. Outside of the tubes and the things that I have just mentioned, they will often add a very thick, gooey liquid and often in this thick, gooey liquid are tiny particles of some sort. Often, this thick, gooey, liquid is glue, but within the last month, or so, they have also began to put copious amounts of liquid rubber into my body! This liquid rubber has formed deep pockets alongside my neck, inside my chest and within my abdominal cavity and even in my brain.

They thought that surely the DNA could not remove the liquid rubber, but they were wrong again! However, once much of this stuff is removed, these evil ones put things right back into my body again! So, my Dear Ones, my body always contains vast amounts of the aforementioned substances. But, through so much work, this “baby” DNA, which is really now a giant, has grown greatly and has become very strong! However, I get tired and I believe that this DNA also gets tired from day to day; as I am daily in the Spirit from eight, to ten, to twelve hours per day on most days.

### The Interesting DNA Work!

And, anyone, who is around me, will also attest to the fact that I am here, but in the Spirit, watching this “baby” do this work; for I must also be in the Spirit when it works. And, because of the fact that I am also in the Spirit when it works, I see most all things that this new DNA does. I watch it work at the microscopic level and often slowly and meticulously at the microscopic level and I also witness the DNA take off and work very rapidly literally throwing vast amounts of “stuff” from my body all at once!

It is most amazing to see it work at the microscopic level; for therein I can see every connection of every wire that these evil ones have put into my body and every aspect of these tubes and how they are connected. I watch the DNA as it unfastens, and removes complicated connections of wires and things, which they have put in my body! For, in their wiring, these evil ones often work hard to make certain connection complicated, thinking to ‘outsmart” our Father’s new DNA!

 From The Mountain Prophecies Copyright 2006

It is at the microscopic level that the DNA often works slowly as it is looking and searching for the connections, which need to be broken somewhere in the maze of so much junk in certain parts of my body! It is during these times that I can often hear one of them say to another one, “What is it doing now,” to which the other one will usually say, “I do not know. It does what it does!” For, at all times when the DNA is cleaning out their work, they are watching, looking for any slow areas in the DNA, and when they find a “slow” area, they pound these perceived weaknesses and over and over again, usually for weeks on end! When the DNA was slow in getting out the wiry barbs out of my gums, for instance, they then put the wiry barbs into my body in vast amounts here and there as they please! They really believe that in so doing that they will defeat our Father and His works! But, they defeat nothing; for I wait upon our Lord and God and when He is ready, He sends His power to defeat whatever He chooses to defeat! Blessed in His Holy Name!

In recent days, I am aware that our Father in Heaven seems to be looking at certain tasks of the DNA and “testing” the DNA in certain areas, as if to determine when the DNA has met His criteria! Although He has not told me this verbatim, I sense that this is the case from a dream I had a few nights past. And I realize now that it is unimportant whether the DNA removes all of what they put into my body at any given time; for it is impossible for the DNA to now remove from my body all that they put in, when they are pumping my body full of fluids and adding things as fast as the DNA takes it out. But, rather what is important as far as I understand it is that the DNA masters certain tasks in a way that is pleasing to our Father in Heaven.

So, my Dear Ones, I am used to going from day to day with vast amounts of glue in my body, or thick, gooey stuff in my chest, or tubes in my throat or brain and on and on it goes. But, in spite of all that they put in me, I am able to go about my activities and do what I need to do in the world, whether it is to go shopping, or to make a phone call or to sit here and write this for your own understanding.

### For the Record!

So that these things are recorded my Dear Ones, I will expound somewhat more on the assaults of the evil ones and also on the fact that all of their schemes have been utterly

defeated by our Father Yahweh! In addition to the system of tubes, which I have described to you, these evil ones are constantly putting into my abdomen pouch-like things and often several pouches at once! One such thing often contains burning, smoking substances, and from these burning substances, these evil ones repeatedly pipe smoke into my lungs, or into my nose! From the pouch-like apparatus, they send a tube into my lungs, or up directly into my nose and this tube carries a steady stream of smoke! They will often pipe this smoke into my body for hours on end, especially when I am sleeping, but not limited to my sleep, for often they do this evil to me for many hours at a time during the day as well! Others, who are around me, can also smell this smoke, or the smell of glue or other chemicals, which they put into my body. Or, they can smell smoke on my breath when they know as well that I do not smoke!

This DNA has often found this pouch-like insert and has removed it from my body and they have just as quickly put it in again! So my Dear Ones, I have learned to get used to things, like the presence of this smoke! And, even though they do this to me so often, it hardly fazes me anymore. I just note the smoke in the passing and then go on with my life! Through all of this, our Father has given me great grace to withstand these terrible assaults!

There have also been times when Satan has taken coals of fire from my wood heater and he has rammed them into various parts of my body. I am aware when he does these things, for I will feel a slight sensation of it and then the smell of wood smoke coming from my body; but by the beautiful graces of our Lord and God, Satan is not able to burn me with these live coals.

### The Beautiful Love and Grace of our Father Yahweh!

This evil hound from hell, Satan, does such things because he can and this is to show that he has some kind of powers that you and I do not have; but my Dear Ones, this is really laughable; for he cannot defeat our Father Yahweh! And, it is our Father in Heaven, who fights my battles!

 From The Mountain Prophecies Copyright 2006

This is the beautiful protection and grace of our Father in Heaven; for He keeps me alive amidst the most horrendous kinds of torture and persecution and I put my total faith and trust in Him!

Yes, He has determined that I must go through all of this torture and persecution under the feet of Satan, under the feet of every fallen angel, under the feet of every traitorous human, who comes here in the service of Satan, and/or, any of the rest of his hoards, which Satan determines to bring forth! But, My Dear Ones, this is the work that our Father in Heaven has determined for me to do, all in order to "birth" this new DNA for this new generation of souls, the beginning of His Kingdom in the Earth. And, what He has determined that I must go through, I must go through, but what keeps me going during some very hard times is the knowing that this work has a beautiful ending, a mighty blessing for all of humanity! And because of this knowing, my Dear Ones, I find great joy in the many trials that our Father in Heaven has given to me! For, it is as we are told in the Scriptures that all things do work together for the good of those, who are called of God!

Therefore, I tell you my Dear Ones, that we must rejoice and be glad! We must carry on in the face of whatever trials we face. For, our sorrows are but for a brief while and then comes the majesty of our Lord and God! Yes, this is so! Indeed His ways are perfect in every way and His plan is unfolding just as it should unfold!

Therefore, I feel so utterly blessed to be a small part of our Father's mighty works. How blessed I am and how blessed you are as a beautiful Child of God! Remember your heritage and live worthy; for our Father in Heaven loves you greatly and He has great and beautiful blessings for you!

**More!**

So, my Dear Ones, what they do to me is the will of our Father in Heaven and He gives me grace to persevere from day to day amidst their terrible schemes. And, so it goes with them and their schemes! They come up with a scheme of torture or persecution; but they do not continue with such a scheme for a day or two, but will continue on with the same scheme, with slight variations for weeks, or months on end. With the tubing

in my body, not once but day after day, they have put all these tubes all over my body. The DNA has repeatedly removed them and they have put them right back!

You may remember from the writings back in the summer of this year, that they pumped liquids into my body via some sort of external pump and at that time this pumping would go on for hours at a time at night! They would spend much time in filling up my body with their various liquids; and after some months of this the DNA was able to remove all the liquids that they had put in over several hours, and within a short time as well! In other words, the DNA learned to quickly defeat this way of infilling my body with these liquids! This made them very angry, and then came forth the scheme to put tubing all over my body! And in my brain they have repeatedly placed a system of convoluted tubing, such that the tubing is repeatedly folded up in places, like an accordion! And, most recently when the DNA works to get out the tubing, they fill up some of the convoluted tubing with air! This is done to make it harder for the DNA to remove the tubing, but the DNA successfully removes the tubing, regardless of their schemes!

And, also as I have previously mentioned, by using the tubing and other kinds of stuff, they have devised a system of dams here and there in my body to hold the liquids and tubing in place. In my head, they put the cement and other things at the base of my brain between the backs of my ears and my spine and they put this deep into my neck! This is done to stop the flow of this liquid from moving out in this area.

In addition, they put rings in the back of my throat and make these rings tight enough to stop any of the liquid from flowing downward past my throat. They constantly stuff my brain with layers of the tubing and cement like powdery stuff, which is slightly wet, and they make rows of dams in my brain along the area of my medulla. In addition, they put dams and ridges in my brain at certain areas, all made of the tubing to separate certain areas of the brain as they please! Amidst this convoluted tubing, they have repeatedly poured the cement-like stuff, the thick, gooey liquids and the glue. They have also put liquid rubber into my brain, along with whatever else they choose. In fact, they put so much stuff in my brain that I do not know how my brain has any

 From The Mountain Prophecies Copyright 2006

room left, but even so, my Dear Ones, I go on with my life and do what our Father in Heaven directs me to do; and they do as they will.

But, in spite of all that they do and because of all that they do, I am better than well, I am doing great in the love and grace of our Lord and God! For, my Dear Ones, there is NO GOD LIKE YAHWEH! HE CAN DO ANYTHING! AND FROM DAY TO DAY, HE SO MIRACULOUSLY CARRIES ME, FOR NO ONE COULD LIVE THROUGH SUCH THINGS, NOT EVEN FOR ONE MINUTE! OH, HOW I LOVE THIS MIGHTY GOD, OUR BEAUTIFUL FATHER IN HEAVEN; AND HOW I LOOK TO THE DAY WHEN I WILL SEE HIS BEAUTIFUL FACE!

My Dear Ones, I continue on with the explanations of the works of the evil ones, all in order to make a record of these things! So, I tell you of what they have put into my brain, for many months now! Just yesterday, the DNA worked about eight hours on the brain alone, and as it removed a large object, I heard one of them say, “Oh, no! She is removing our “brain.” In other words, they had put into my brain their own “control” box, which no doubt monitors all of my bodily functions and processes of my own brain functions, but their brain has no effect on me. This body is powered by the Spirit of God and all of their brains have failed to take it over! But, even so, their assaults are real and to remove what they have repeatedly put into my brain alone is much work for our Father’s beautiful, baby DNA. This work of the DNA to remove these things from my brain just yesterday alone took up most of the day, and when night came there they were again, filling up my brain, my neck and other parts of my body with their vast amounts of tubes and other stuff!

It is as I have just told you that over and over and over again for weeks on end, they will continue with the same schemes, or with slight variations of the same schemes. When they come up with a scheme, they work it and work it and work it, even when they have no success in what they do. They do overkill in all that they do. When a little would do, they do not choose a little, but go to the excess in all things. So, this is the way that they have done to me continually for many months.

**They are constantly "Looking!"**

And, through all of their persecution, they are constantly watching for anything, which they can do to cause annoyance, annoyance in any way. If they can find one thing, which I do not like, they will continue on with this assault ad infinitum. They do this, my Dear Ones, with one intent and this intent is to break me psychologically in any way that they can!

When they see that the DNA is removing things, which are important to them, like some of the ports, which they put into my neck and brain, they will create anything, which they consider a distraction! When the DNA removes a port, for instance, or when it is about to find one, these evil ones will do all in their power to try to distract me and thereby distract the DNA and to keep it from doing its work. For, as I have told you, I must be in the Spirit for the DNA to do most of its work. So, they will gouge me with something, try to burn me, get up on the roof and throw acorns down on the roof, pilfer some papers, throw something around in the house, call with an annoying phone call, stick hair in my ears, or put something up my nose, shoot a tiny dart-like implant into some part of my body, or really anything, which they can conjure up and use to attempt to distract me and to stop these works. So, they work overtime to stop the DNA from doing its job and to distract me from doing these works in the Spirit!

When they see that one distraction does not work, they go for another and so it has been with this work since the beginning. They are constantly searching for anything, which they determine to be an annoyance to me and if and when the find one thing, they will use this over and over again in order to try and stop these works! For this reason, I can tell you for a fact that little annoys me; for I am at peace in my life and seek to do only our Father's will! So, it is indeed difficult for them to distract me from doing this work as I also have a one tract mind about doing it!

So when things happen which would have seemed adverse to me even a year ago, I give all to our Father in Heaven and believe that He allowed such things to happen for reasons of His own. So, I "go with the flow" as the saying goes, and in truth little upsets me. However, it is also as I have told you that from time to time, I also have "down" days when I will weep and howl before our Father in Heaven. But, even so, I do

 From The Mountain Prophecies Copyright 2006

not stay there, but get up again and sing songs of love and praise to our Most Beautiful Lord and God! For, He never said that this work is easy, but a difficult path and few, few find it and even fewer stay on it. So, for sure we will all have down days, but we must not stay there! We must get up again and live in the love and joy of our Lord and God! For, HE IS OUR EVERYTHING! HOW I LOVE HIM! WHAT A GLORIOUSLY WONDERFUL GOD WE HAVE! HALLALEUYAHWEH!

### A Bizarre World, Indeed!

I know that what I write seems absolutely bizarre and I am the first to tell you that these things are bizarre, totally bizarre; and nothing that I could have ever imagined could have prepared me for such encounters! Yet, my Dear Ones, these things are not new, but have been going on for a very long time; however out of the sight of us “mere humans!” This is why they operate in the darkness and under the cover of secret societies; for if all of humanity every found out what they have been up to for a very long time, there would be utter revolution on this planet! Therefore, they, being outnumbered have known that they must operate in secret; for many would have put a stop to their evils long ago if the knowledge of them was made public!

Therefore, they have gone in secret in all of their utterly evil practices! But, the time is at hand when their deeds are no longer done in secret, but for all of the world to see and they no longer fear any consequences; for they have risen to new heights in their quests for power; and they are now by their own standards ready to take over this world! Soon, none will escape the effects of their great war against humanity; for the last few terrible years, the time of the great tribulation is upon those of this planet! Therefore, I beg you to take note of what I am telling you; for they do these terrible things to me today, but tomorrow they do these things in mass to great numbers of people!

My Dear Ones, through all that they do and have done to me, take note of their great desperation to get off this planet and to escape their punishment under the hands of our Lord and God. Yes, they are indeed desperate! The Prince of The Air is desperate to remain the Prince of the Air! But, from day to day, he is failing and from day to day his

time of lording over this Earth and the people of this Earth is fast drawing to a close. Therefore, they are in my face twenty-four hours a day, seven days a week!

### These Evil Ones Never Let Me Out of Their Sight!

Yes, indeed, they are always in my presence! A few nights past, I dreamed that Satan was sleeping in my room and I believe this to be the case; for when I arouse at night for even one moment, he is there with glue in hand, or with the thick gooey substance in hand, shooting these substances into my head and face, or into other parts of my body! Truly, they never let me out of their sight, lest I slip off and leave them high and dry without any possible portal through which to escape! And, my Dear Ones, this is their desperation from day to day!

### They Desperately Want to Know the True Angles of the DNA!

About two months past, Satan was in my living room with a man and he was telling him that they had determined the DNA angles to be open between 160 degrees and 190 degrees. But, he also told the man that this new DNA is unstable and that they are unable to determine the true angles of this DNA! Curiously, my Dear Ones, why are they so possessed with the operating angles of the DNA?

Our Father told me in South Africa in the winter of 2005 that there will come a time that we will bloom as a flower in the desert! Was He then speaking of this new DNA, which will open up like a glorious flower in full bloom? I believe so! And when this new DNA is fully opened, it will be open 360 full degrees! So, Satan was telling this man, most likely a researcher of some sort, that they have determined that this new DNA was then operating within these angles! However, this conversation took place some weeks past!

### A Most Informative Conversation!

Yesterday, on the 28th of November of 2006, I was privy to hear another conversation! I have not seen the face of this one, who was speaking, but I often hear him commenting on what the DNA is doing! In his conversations, he often seems to be able to see the next move of the DNA and from what he sees, he will comment as to what

 From The Mountain Prophecies Copyright 2006

the new DNA is about to do and whether he believes that the DNA can do what it is about to do. I must say that to this time, I have not seen him wrong in his assessments regarding the DNA and what it is about to do; and when he is not sure whether the DNA can do what it is attempting to do, he will comment in this way as well.

I do not know what he will do in the future, but in his conversations to those, who around him, his comments have always reflected the truth of what is going on with the DNA! So, I relate to you this conversation, which I overheard between this unknown man and another, who was in my house yesterday as both of them were watching the DNA work! I find this conversation most interesting and most likely true, but then again only our Father in Heaven knows for sure!

Even so, I must tell you that I hear their conversations only when our Father in Heaven allows me to hear them and I see them come and go only when our Father in Heaven allows me to see them! So, I believe that our Father in Heaven allowed me to hear this conversation between these two unknown sources for His own reasons; and I do find this to be a very fascinating conversation.

So, as I have stated, yesterday this same man was again watching the DNA as it was working and also commenting on the new DNA when someone beside him questioned him as to where he had come from, commenting that he had not seen him at all in this kind of work. And in response to the comments of this second person, this man told him that he had come from the Mars base and that he was one of fifteen commanders, who made their way among the moon bases, the Mars base and the base on Saturn, which is really on one of the moons of Saturn according to what our Father in Heaven told me. This man continued to tell the second person that the “pressure” in the underground base on Mars became very unstable, that the conditions on the Saturn base also became unstable, that they base actually “imploded”, and that they were forced to leave these Mars! He went on to say that at first they did not know what was bringing about these instabilities on the Mars base, but that at this time, they believe that Yahweh was behind these instabilities. He also said that the whole solar system is unstable at this time.

He went on to state that because of these terrible instabilities within the solar system, vast numbers had to leave these bases and come into the Earth, where most all of them met with their demises when they went into the open portal. (I have told you already in these writings of how they met their demises when they set out to steal our Father's portal, which had been attached to my physical body, the first portal, and when they forced it open, this "mouth" in the earth became the grave for over forty billion of them!)

He went on to say that there were few of them left, who came from these bases! But, obviously, he is one! He also told this man that they "know" that they cannot defeat Yahweh, but that the Commander (Satan) carries on with the idea that they will defeat Him in order to keep up the morale of the people under him! He also said that they believe that Yahweh will at some point, and soon, open up this (new) portal, (which is attached to my physical body) and will carry out a vast number of his own just prior to a devastating event in the Earth. He said that if this is the case, that He does open up this portal, that they must be ready to exit, but that they do not know what to expect when they enter into this portal.

He said that they are prepared to sacrifice a certain number of their own, all in order to try to escape the devastating conditions, which are coming into the Earth. But, he went on to say that if they do not succeed at their desired escape that they will be forced to go into an all-out war against humanity! He said that if this is the case that they must accept that they may very well be defeated by Yahweh; and if defeated by Yahweh, that within a few thousand years, there will not be found any memory of them at all!

### I Believe that this Man Speaks the Truth of His Heart!

My Dear Ones, I believe that this man spoke the truth of his heart and as such if it is possible for our Father in Heaven to "save" him, I pray that He will "save" his soul; for there are those, who are in Satan's army, who are humans and they are able to change and be saved. I do not know who he is; but I have observed him to speak the truth regarding the operations of this DNA and I suspect that there is a lot of truth in the conversation that I overheard!

 From The Mountain Prophecies Copyright 2006

### Only our Father in Heaven Knows What He Will do!

Will our Father open this "new" portal to transport souls into His Kingdom? I do not know! Only He knows and it is unimportant to me; but He has told me that this new portal goes directly to His throne and as such, why would they want to steal it; for they would surely be burned up!

As I write these words, "burned up" I recall other things that this man said in his conversation! One very important thing that he said is that the solar system is entering into a higher plane of light and that if they do not get off this planet soon, that they will be burned up by this incoming light! In addition, he also commented on the operating angles of the DNA and said that at that time of their conversation, that he could see that is operating at 290 degrees! He also said that the current operating range of the DNA seems to be between about 260 degrees and 290 degrees! He also said that they cannot accurately measure the true angles; for there are hidden parts of the DNA and because of these hidden parts, it is impossible for them to measure the true angles. Therefore, the true angles may be even higher! And, to this I say, Ooooo-eeeee! Blessed is the Name of Yahweh! HALLALEUYAHWEH!

### When The DNA Opens A Full 360 Degrees!

So, my Dear Ones, from their own conversations, I hear that the DNA is truly opening up like a flower in the desert. When it is fully open, what will happen? I do not know and our Father in Heaven does not tell me, but I am eager for Him to complete this work with this new DNA "baby" for I so long for The Kingdom of God to come into the Earth! And, I long to be out from under the feet of these fallen ones! But, until then, I continue on in faith; for all is unfolding just as our Blessed Father in Heaven determines!

### Revelation Chapter Twelve is a Hinge!

My Dear Ones, Revelation Chapter Twelve is the pivotal chapter of the Book of Revelation! When this work in finished and the baby is taken before the throne of God and hopefully all, who are clean and ready to go, then my Dear Ones, the time of Great Tribulation, the last three and one half years, comes upon the Earth. When this

happens, the years of freedom for people all over the world will end; and surely those, who are counted worthy to escape these things, will also escape at or near the same time that the baby is also taken.

From day to day, I do not know what more our Father in Heaven must add in "growing" this "baby" DNA! I can only wait, just as you wait, wait upon our Lord and God to make these works complete. But, it is now almost forty-three months since Satan and his demonic hoards parked their antigravity craft over my head and they have never let up once on their constant surveillance, persecution and even torture to me from day to day! So, my Dear Ones, this being so, that almost forty-three months have now passed, I can only say that I do not know the mind of our Father! I do not know His will unless He makes me see his will and I do not know how much longer He will require me to be beneath the feet of these evil hoards until he brings an end to these works. So, I can only wait from day to day and seek His perfect will; for His timing is not our timing; but it is surely perfect in every way.

### How Long Will Our Saviour Sound the Alarm?

I do know that our Saviour is still sounding the alarm! He is still telling the people through the mouths of His prophets that He is coming! For, our Father will do nothing, save He tell it first through the mouths of His prophets! How much time is left? I do not know and cannot say! I can only wait upon our Lord and God!

Know that the Kingdom of God is at hand, and not the Kingdom Within, but the actual system of Government of our Lord and God in the Earth! These are truly the best of times and the worst of times; but for the faithful, these are without a doubt the best of the times in the whole Earth. For all of the faithful, the white and clean, are about to be blessed far beyond their wildest of imaginings. Therefore, I can only tell you to get clean spiritually, forgive all, love all, even your enemies, and stay spiritually clean from day to day through repentance, forgiveness, and through the forsaking of the sinful life. The time is at hand for the return of our Saviour and he could literally come any day; so stay ready.

Until next time, I send you the love of my heart and as always I thank each of you, who helps me to pay my bills and to cover my needs financially! You, who help, are the ones, who are supposed to help and great are your blessings! If you write to me, or help me and do not hear from me, do not be upset because of my delay in getting back with you! For, it is just as I have written, that from day to day, I am literally in the Spirit from eight to twelve hours a day and I have little time for anything other than these works.

I love you all and will one day be able to give a huge, huge hug of deep gratitude to those of you, who have helped in the birthing of our Father's Kingdom into the Earth. Blessed are you, my Dear Friends!

Until next time, go in the love of Jesus, for He is truly our Only Way Home …
Your Sis, Linda

# CHAPTER THIRTY-FOUR

## "The Time is at Hand!"

My Dear Brothers and Sisters, I send you love and greetings in the Most Precious Name of our Lord and Saviour, Jesus, Yahshua, Yeshua, Messiah, the Beautiful Groom in the Waiting! Yes, He is King of Kings and Lord of Lords! He is beautiful and precious beyond measure; and the time of His Coming is at hand!

Yes indeed, the time is at hand for beautiful and grand happenings in the Kingdom of our Lord and God; and many of you are ready and poised for the next move in your own spiritual growth! Through your great tests and trials, you have persevered and come to the point wherein you are now clean spiritually! You are ready for the Marriage Supper of the Lamb and for the establishment of our Father's Kingdom in the Earth! HallaleuYahweh! What gloriously exciting times we are living in, and what gloriously wondrous times are unfolding right before our very eyes! Blessed is the Name of the Most High God Yahweh; for all is unfolding just as it should in His great and mighty works!

## "They're out to Steal the Baby DNA!"

Oh, my Dear Ones, I cannot begin to describe to you the unbelievable series of events, which I have been involved in since the last writings to you! So many of the Satanic assaults are so bizarre that they defy description! Indeed, these evil hoards are the Circus of the Macabre! Truly, a dark and horrific Circus from hell; and only in such movies as Frankenstein have I ever witnessed such horrors inflicted upon a living soul. The clowns have truly elevated themselves to new levels in their horrific, hellish assaults; as they have been working around the clock to steal this new DNA, this "baby", any way they can!

Even so, what I tell you has been prophesied long ago in the Book of Revelation, Chapter Twelve, wherein it is written in Revelation 12:4.

 From The Mountain Prophecies Copyright 2007

"….and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born."

And, this "child" is the baby DNA, which has been growing in my body and developing, since our Saviour brought me a beautiful, little baby of light, perfect in every way, on May 10, 2006 in Centurion, South Africa at approximately 9:00 AM South African time. Since that time, Satan and his hoards have directed great assaults at me, all in order to kill me, to overtake the interdimensional portal, which is attached to my physical body, and/ or to stop the developmental progression of this DNA any way they could possibly imagine! Having failed in all of their assaults against me, and only because of the great and wondrous protection of our Most Wonderful and Glorious Father in Heaven, YAHWEH, they have now concentrated their efforts in trying to STEAL THE NEW DNA! This part of their horror show has been going on steadily for about two months; but for some of that time I did not know the nature of their schemes. It is only within the last few weeks that I have become extremely aware of their concentrated efforts to steal our Father's creation!

As you read on, I shall tell you exactly what they have been doing to try and steal this DNA, to thereby stop the advancement of the human race and to stop the Kingdom of our Father in Heaven from advancing in the Earth! But, first I will go into some detail to explain to you what Satan and his evil doctors are doing to me from day to day! Read on and be shocked!

**What they are doing to my body!**

In the last writings, I told you of the complicated network of tubes and the infilling of my body with copious amounts of extraneous liquids; but at the time of the last writing, I did not fully understand their reasons for putting so many tubes in my body! Since my last communication concerning these works, they have become even more systematic in maintaining their tubal network in my body, creating bigger tubes. They dig deeper and deeper into my flesh to wire them into my body. They further "protect" their "feeding" monsters by surrounding them with copious amounts of steel wool and wires of many different shapes and kinds. They drive all of these assorted wires into

my flesh, into my brain, into the bones of my body, through my skull and any place that they so desire!

Through these tubes, they constantly feed chemicals and other fluids into my body; and some of these fluids seem to be body fluids. There are many days in which my lungs, my abdominal cavity, and even my cranial cavity are full of their horrible fluids. My Dear Ones, it is only through divine grace and intervention from our Father in Heaven that I am kept from day to day; for no one could live for even a short while when the lungs are full of fluid!

Some of these “ports” for the tubes are quite large, such as the one, which they continually attach to the front of my throat and the also the ones, which they continually attach to the front of my chest and to other bodily locations as well! Via such large tubes they can easily and quickly fill up my body with their hellish fluids! Often, they move these fluids into my body so quickly that I can often hear the swishing of the fluids as they push them into my body in large quantities.

My Dear Ones, through such a network of tubes and “ports”, it is possible for them to fill up my body with vast amounts of liquids almost immediately after the DNA cleans such things out of my body. And, for them to insert other “ports” into my body after the DNA has already removed them can be done very quickly via their electromagnetic technology.

To get such a “port” put into one’s body in such cases where the blood vessels are no longer functioning well enough to allow for intravenous feeding usually requires a short surgical procedure, wherein the patient is anesthetized. But, for these doctors from hell, who are now in possession of this Luciferian technology, such a port can be pushed into the skin within a few seconds, if not a very few minutes. When they push these wires into my body in order to set up their “ports”, I can often feel the wires digging and gouging into my flesh as they are pushed ever deeper into my skin! And, often, my Dear Ones, I watch their hands as they move quickly to put “stuff” into my body and take “stuff” out!

 From The Mountain Prophecies Copyright 2007

### "Electromagnetic Surgery!"

With this electromagnetic technology, they never need to do another standard surgical procedure on another living soul! They will not fear the consequences of getting caught doing illegal surgical procedures on anyone; for in stealth and out of sight of the unsuspecting they can do a surgical procedure within a very few seconds or minutes. With a slap or two of their hands onto the body of the unsuspecting, these evil hoards can put many things into one's body; and the only sensation will be a slight "knock", a slight "bump" to the flesh, or the sensation of one's flesh moving or crawling!

I can assure you, my Dear Ones, that 99.9999% of the victims will soon dismiss what they have sensed; and being no wiser, go on with their affairs, maimed and dysfunctional in some way because of what these evil ones have done to their bodies! But, others will never again have to think about any earthly affairs, for they will not live to take another breath!

### They Will Use This Terrible Technology In Their Coming War Against Christians!

Many have died suddenly and mysteriously so in recent years, particularly those, who have known too much about the inner operations of the Satanists and those, who, for some reason or the other, get on the "wrong" side of these Satanists, who are in power! But, now this horrific technology comes to the average person on the street; and most, which are on the receiving end of these great satanic assaults, have but one great problem; and this problem is being a human being. But, if one just so happens to be a human being and a servant of Yahweh and a dedicated follower of Jesus, it will soon be, "anything goes" in this great war, which is at hand!

The purpose of these great assaults will soon become clear to all, that purpose being to eradicate every true Christian on the planet! Our Saviour told us so when He said there have never been times so severe as what we shall experience in these last days, not ever in the history of the whole Earth! And, my Dear Ones, that is a very long time! So, get wise! Take note of what I tell you; for I write the truth of their evil technology;

and surely one of the reasons that our Father chose for me to go through such things is also to WARN YOU OF WHAT IS AT HAND FOR ALL OF HUMANITY.

### Our Loving Father Yahweh Is Making A Way!

My Dear Ones, the Only Saving Grace for humanity comes through our Merciful Lord and God, our Father Yahweh; and it is the love of a Great and Loving God, who is now preparing a new DNA, which will go into the bodies of the supernatural army! These very souls will get the DNA, which is now growing in my body and through all that I have endured, it will not be a naïve DNA, but one, which has grown up under the most horrific, satanic assaults! This DNA will be "wise" to huge numbers of the bizarre schemes of torture and persecution, which these evil hoards plan to inflict upon humanity; and when it is given to the Supernatural Army, they will receive a "seasoned" soldier, truly a DNA "giant!"

### So that these things are recorded, I Continue on …

As I have somewhat described above, they put vast amounts of steel wool, wiring, and glue around the connections of the "ports"; and for some weeks, even cloth. That's right, cloth! Indeed, they have begun to devise very clever means of hiding their "ports", their tubing and other things, which they put into my body, all in order to make it harder for the DNA to find such things and to remove them! Truly, they work long hours to come up with such schemes as layers of cloth, which they use to line my mouth, my head, my chest and abdominal cavities, my legs and arms and my brain and cranium! And, in all cases it is held in place with copious amounts of wires, steel wool, rib-like pieces of plastic, strips of metal and even steel nails! Yes, the gouge into my flesh anything, which comes into their perverted minds!

### Words Fail to Accurately Describe What These Evil Doctors do!

My Dear Ones, words cannot do justice in accurately describing these great, evil assaults, which are aimed at me from day to day! But, I will try to describe as well as I can exactly what I witness when the DNA goes to work to remove the vast amount of "stuff", which these evil doctors from the U.S. military and elsewhere put into me.

A few weeks past, I was shocked to see the DNA come across layers of cloth and wire, which had been inserted just under the skin in my mouth, and covering the roof of my mouth just beneath the skin, the floor of my mouth, my gums and the back of my throat! In all cases, they put these things into my mouth just beneath the skin! In the back of my throat, I could see and feel the pipes and cloth and wires as they have continually put these things in place to cover not only the interior of my mouth, but also the interior of my neck and esophagus! After some days of witnessing these things in my mouth and after watching the baby DNA struggle at first to remove these many layers of "stuff" out of my mouth, it occurred to me that this vast "thing" in my mouth is actually one piece.

For many nights just as I would be about to drift off to sleep, I would feel a strong slap, a powerful push, a shove right into my throat and up into my mouth! This shove would cause my head and neck to jerk suddenly and quickly, thereby causing me to awaken abruptly.

I knew that they were putting something "new" into my throat, but it took some days for me to piece it all together; for our Father does not always show me what they are doing, but only as He so desires does He reveal their works. What became so clear to me one day was that with this heavy slap into the throat, they are pushing a mass into my mouth, into the floor of my mouth, into my neck, and I also believe into the roof of my mouth as well. This layered mass of cloth, wires and gooey stuff is made exactly to fit the interior of my mouth and hugs my gums just beneath the skin, much like false teeth would fit the mouth above the skin's surface! And, once they have this mass in place, they hold it in place by sewing vast amounts of wires into my jaws, cheeks and neck; and on top of this, they forge steel wool into my gums and jaws! Amidst all of this, they gouge huge numbers of metal staples into my teeth, jaws and neck and other kinds of wire and nails as they so please.

Oh, my Dear Ones, for hours on end, they drive this metal into my teeth, into my jaws and into other parts of my body! And, yes, I can feel these things! Just two nights ago, I watched in amazement and counted the number of times that I felt one of the evil ones drive staple-like objects into the right side of my upper teeth and gums; and even

though I did not begin counting at the beginning, I stopped counting at 195 times when this evil clown brought this part of his evil attacks to an end.

Yes, this evil and disgusting "clown" doctor from hell injected very small, metal, staple-like wires into just a small area of my gums and this he did for more than 195 times in sequence. With each hit of these staples, I could feel them pushing into my gum and into the nerves within my jaws and teeth! Each push of the metal into my jaws is like getting one shot with a small, hypodermic needle; and it is only the grace of our Lord and God, which diminishes the pain and make it bearable for me to get from one day to the next. Blessed is His Holy Name! OH, HOW I LOVE OUR MIGHTY FATHER IN HEAVEN!

My Dear Ones, that night they began their serious attacks as soon as I went to bed at around 12:00 AM! When I awoke and looked at the clock, they were still poking and gouging things into my body; and it was then around 7:30 in the morning! So, they were onto me, doing these terrible things to my body all night long; and this is not unusual for these "hounds from hell."

But, even so, THEY HAVE NOT WON ONE THING! THEY HAVE FAILED IN ALL THAT THEY HAVE DONE AND THEY WILL CONTINUE TO FAIL; FOR THEY CANNOT AND WILL NOT DEFEAT THE MOST HIGH GOD, OUR MOST WONDERFUL AND MIGHTY FATHER YAHWEH! BLESSED IS THE NAME OF YAHWEH! BLESSED IS HIS HOLY NAME FOREVER AND EVER; FOR HE IS WORTHY OF ALL THE PRAISE AND ALL OF THE GLORY!

### They are "Obsessed!"

My Dear Ones, they have an on-going obsession with the jaw teeth on my upper right side. From day to day, they are back with their metals, with their layers of wire sheaths, with their cloth and with any other horrible thing that they can conjure up in their wild schemes to torture me, and or to get control of me, and/or the DNA any way they can! Daily, they are driving these things into the spaces between the teeth, into the roots of the teeth, into the nerves of the teeth and onto the upper parts of the teeth, jaws, nose and face! My Dear Ones, I have witnessed the DNA removing tiny tubing from within the inner parts of the roots of my teeth and from beneath the roots of my teeth. Oh,

the wires, the layers of very thin metal and so much stuff layered into the gums that it is mind boggling to see what the DNA removes next! Oh, they are obsessed with the right side of my jaw teeth!

### Copious Amounts of Wire!

From day to day, they put massive amounts of wiring and wire apparati into my mouth, my neck, and into my brain! When I look into my own brain, I cannot see how there could be space for a brain to function as my brain is literally full of wires, tubes, metal rods, and steel wool! In addition to the aforementioned, I have often witnessed complicated kinds of wiring involving complicated pulleys and levers; all of them interconnected and all of them interlocked via tiny round locks! Yes, their “thinktanks” have worked around the clock to devise such horrendously evil schemes to steal the new DNA and to destroy the promises that it holds for all of humanity! But, even so, all of their schemes bear no fruit and to date, the DNA has successfully found and unlocked every one of their tiny locks that it has encountered and has needed to unlock!

### The Amazing New Human DNA

And, what an amazing thing to behold; for when the DNA needs to unlock one of their locks, it forms a sharp point; and with this sharp point, which reminds me of a piece of wire, it “picks” the lock! The DNA “knows” where it must go within each tiny lock to open the lock and it “knows” what lock must be opened in sequence to open the chain of wire pulleys and levers. This is the divine nature of this new DNA! At times, the DNA has had to go through a complicated maze of layers of wire, thick gooey liquid and cloth to find certain of their interlocking locks and to unlock such locks. When the lock is unlocked, I will audibly hear a small click and the DNA then goes on the next lock.

For some days, our Father had the DNA to search out and to find these locks and to unlock them as if He were carrying the DNA through some sort of test, or race. And, often it would be that after the DNA had found and unlocked many of the tiny locks in a series that a vast amount of their wires, pulleys, cables and levers would come cascading down, like a small avalanche in my brain, in my face or elsewhere.

Then, after some days of this, it became apparent to me that the DNA was completing a heavenly task that our Father in Heaven wanted it to do! For, after some days of completing successfully this task; and without fail, the DNA began to pull out vast amounts of these cables and pulleys and levers with locks intact. So, I believe that the DNA, having successfully beat them at this game, no longer had to play it, or only plays it now when it is prompted by the Spirit of God to do so! For, now I see that the DNA often disregards their locks and pulls the wires out, right through the skin, or "chews" them up!

### How the DNA Disposes of Waste!

Once the DNA pulls the vast amounts of wires out of my body, it often forms tunnels, or tubes of its own, most often long rectangular shaped tubes with squared edges. The DNA will often force the wires into these tubes, but at times, it simply throws the mass of wires out of my body via an opening! Most often, it must work to create an opening, or an exitway for the waste; for these evil ones have put a maze of wires and cloth into my body in order to "seal" off and to shut up potential exitways! The locations of these exitways may vary from day to day; and once the waste goes out the exitway, it simply disappears to parts unknown.

Furthermore, when the DNA forces the wires into one of the exitways, it often begins to churn the wires, or even cloth, or whatever else it chooses to push into these exitways. Inside these exitways, the DNA often develops giant teeth in the DNA spirals; and with these teeth, it literally chews up the metals and/or other things in the exitways until they are ground up like a fine powder.

But, what the DNA seems to do, before it grinds up these metals, is to change the metals into a crystal-like substance! Therefore, when the DNA grinds up the metals, the metals become as fine sand! But, from all appearances it seems that first the metals are mysteriously changed into crystalline-like structures and then crushed into a fine sand-like substance. In essence, before they are ground up into a fine powder, the wires are no longer metals, but seem to be miraculously changed into another form

 From The Mountain Prophecies Copyright 2007

by the divine works of the new DNA. Absolutely awesome to behold! Who ever heard of such a thing?

### DNA Spirals Throughout my Whole Body!

For about the last three days or so, even before I get out of bed, the DNA has begun a chewing and grinding motion throughout my body! As such, the DNA spirals form in my body, most often going the length of my body; and with very strong teeth, the DNA begins to chew and grind up the vast amounts of wires and other substances, which they put into my body the night before. There may be many spirals working to grind up the wires and other extraneous "stuff" throughout my body, or there may be a large, single spiral working more in a certain part of my body. At any rate, as the DNA chews up these extraneous substances, the "teethy" spirals moves back and forth, not in a circular motion, but in a rocking motion of about ten to fifteen degrees, though sometimes even about thirty to sixty degrees! It is through this "rocking" motion that the DNA literally "chews" up these wires and other things, which they have put into my body.

At this point in time, the DNA is only partially chewing up these things in my body; and afterwards, I must then go into the Spirit and watch as the DNA later removes vast amounts of the debris that it has created. As I previously stated, thus far, the DNA has not "chewed" up all of what they have put in the night before at once, but what it does from day to day is absolutely impressive and totally awesome! Still, it is only a "baby", although surely a "baby" giant; and it is doing awesome things. I cannot imagine in any way what it will do when it reaches maturity! My Dear Ones, all that I write of this DNA and of these awesome works is a great tribute to the One Creator of all, a beautiful. Loving God and a Wonderful Father! HALLALEUYAHWEH! THIS IS HIS BEAUTIFUL WORK AND IT IS PROCEEDING JUST AS HE HAS SO WONDROUSLY DESIGNED!

### The Baby DNA will soon be Eight Months Old!

The "Baby" DNA is truly growing and will be eight months old on January 10, 2007! From day to day, this "baby" is getting stronger! Blessed is the Name of Yahweh! On December 28, 2006, I watched in amazement as the DNA developed a very sharp

knife-like component and cut into pieces very strong wires, which they were putting into my gums! For a fact, the DNA is getting stronger by the day! As the evil ones get more bizarre in their assaults, our Father in Heaven adds more power to the DNA!

### The Hands of Light!

And even from time to time when the day's end comes and there is still so much "stuff" in my body, I begin to sing and praise to our Most Beautiful God. It is during these times when I sing to Him and praise Him, that I often see beautiful hands of light come to minister to me! They come so suddenly and begin to remove copious amounts of "stuff' from my body! What a beautiful and loving God! How blessed we are to have Him! He loves us so and is ever faithful!

So, in essence, my Dear Ones, the DNA grows as it needs to grow and when the need is there, our Father adds new dimensions of His power to the DNA! But, soon my Dear Ones, the "baby" DNA will reach a maturity that is pleasing to our Father in Heaven and He will then take me and the "baby" DNA back home! I expect this by the end of the ninth month, though I cannot be absolutely certain. All that I really know is that HE WILL SEND THE WINGS SOON! I SO LONG FOR THESE BEAUTIFUL WINGS TO COME AND TO REMOVE ME FROM THE FACE OF THE MONSTER SATAN AND HIS EVIL HOARDS! THEN, THESE BLESSINGS CAN COME BACK TO HUMANITY!

### Now for the Shocker! How They are Trying to Steal the DNA!

My Dear Ones, why have they been going to such lengths to put vast amounts of tubing into my mouth and elsewhere all over my body? And in addition to this, why the vast amounts of cloth, lining my bodily cavities, and vast amounts of steel wool and other kinds of metals throughout my body? Well, be shocked!

These many layers of metal and cloth have been systematically put into place to cover up and to hide the vast amounts of human skin, which they have been layering into my gums, into my jaws, into my throat, into my brain and all over my body! Once these layers of human skin are in place, they line my body cavities with the layers of cloth and metal mesh and wiring and steel wool! These layers are put in place to hide the

skin, to cover it up, and to hold in place the vast amounts of chemicals and other liquids, which they put in place to continually "bathe" the skin. Surely, they "think" to create the "perfect" environment in which to "grow" their skin!

Why do they put so many layers of such things in my body, one on top of the other? And, why do they fill up my body with horrible chemicals and fluids? My Dear Ones, they have worked hard to turn my body into a human skin incubator! Yes, you read correctly. They have tried to turn this body into one big incubator for their human flesh samples. Read on and learn more about how and why!

### How They are Trying to Steal the DNA!

The human "donor" skin, itself, is often fitted into metal cages, some of these cages being very small and others of them being larger. Some of the skin is in huge chunks and other samples of it are paper thin and stretched out between sheets of metal mesh and wiring. But, some of the skin is sandwiched between layers of flesh! I have found some of it even driven into my gums in tiny sheets. This vast amount of skin cages is then placed throughout my body via their network of metal mesh and wiring and is attached to the skin, to the inside of my body at various places within my body. Some of it is hung from metal tubes in my brain and elsewhere. Some it is housed away in cages within my abdominal cavity! I have even seen vast amounts of it nestled away in various locations in my legs, and even in my feet! They have spared no significant part of my body in their attempts to cause the DNA to grow to their skin samples!

But, even so, this foreign flesh does not live, but after about one day in my body, it most often begins to turn into a liquid, or semi-liquid, and it smells like something "sour" exuding from my body. And, when the DNA removes it and it passes out of my body, there exudes from me a smell of something sour. From day to day, I most often see that as this foreign skin is being removed from the wire cages via the DNA, it is rotten flesh! At other times, I see that the DNA removes chunks of solid flesh, flesh, which has not been long implanted into my body! But, even so, this skin cannot sustain any life and the DNA does not attach to it and grow!

They have failed in their attempts to grow the DNA! They have absolutely failed, but all of their failures have not stopped them have not stopped them thus far; so I do not anticipate that they will ever stop these evil assaults on their own! They will stop when the "Wings" of our Saviour come for me and physically remove me from the sight of Satan and all of his hoards!!

**Why the Skin?**

The purpose of trying to grow the skin in my body is to try to trick the DNA into growing into the human skin samples. If they can get the DNA to grow onto the foreign skin, they surely hope to clone it. If they could get such a skin sample, they could STEAL the "baby". This is truly what John the Revelator wrote about many hundreds of years past in Revelation Chapter Twelve when he wrote, "And the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born"! Apparently, they can see the DNA, but they cannot grow it and they cannot sustain any living samples of it!

So, my Dear Ones, they are out in the deep water in their demon boats and they are going nowhere but in circles! They will never be able to steal this baby DNA, although they have brought forth their "best" minds among the human doctors; and they have tried all that they can collectively conjure up. But, they have still failed in all that they have done; for THEY CANNOT AND WILL NOT DEFEAT THE ONE GOD, THE MOST AWESOME, THE ALL POWERFUL GOD YAHWEH! \

**And, now for the "Baby" Dreams!**

My Dear Ones, since our Saviour appeared to me on May 10 of 2006 and put into my arms the beautiful, little "baby" of light, I have had two dreams about this "baby." I had the first 'baby" dream in early summer, perhaps late June, or early July of 2006. In this dream, I had the little baby in my arms and I was walking down to a stormy sea. The sky was darkened, as with an approaching storm; and the ocean was roaring. I stood beside the violent sea and saw how the dark ocean came up onto the land; and in so doing it made little inlets. As I stood beside these dark waters with the little baby in my arms, I wondered how I would get across such a dark and angry ocean, but I knew that

I must! I looked overhead and saw that the sky was dark with the approaching storm clouds; and being somewhat puzzled, not knowing how I would get across such waters, I walked inland for a short distance in order to better survey the land. I looked around, and here and there were a few houses, but very few; and I saw no lights burning in any of the houses.

My Dear Ones, what I did not want to see at that time was that this very scenario would represent my earthly journey with the little "baby" and that it would be some time before I would get across this very dark sea of Satan, which lay before me. What I did not realize at that time in my dream was that no human hands would carry me across this dark sea; but that our Father in Heaven would supernaturally carry me every step of the way!

All the world is surely dark and the light of God is surely absent from most homes. The great storm is at hand now for all of humanity and no one can be prepared for such a thing, just as no one could have prepared me in advance for what I have been called to do. Only the miraculous hand of our Loving God can carry one through the great and dark storm, which is upon the whole world!

### Second "Baby" Dream!

I had the second "baby" dream on the night of the 27th of December; and in this dream I was in a very busy place with the baby held tightly in my arms! Looking around, I was aware that I was in a university and that I was very busy with my university work! However, I was not in a classroom, but in some sort of shop, a very busy "store" with many people around me. As I walked around, I was keenly aware that a military woman, a giant of a woman, a "mannish" woman was following me, even stalking me! This military woman was an "Amazon" for sure, perhaps seven or eight tall; and in vernacular would be called a "bull dyke." For, she was tall and masculine in every way, but still a woman! As this woman followed me around this very busy place, she stuck out her leg horizontally in front of me, touching me and trying to get the "baby" to grab hold of her leg! But, I held the baby firmly in my arms and the "baby", looking at the leg, turned quickly away from it, and would not reach out and touch it!

My Dear Ones, this is what is actually going on with the "baby" DNA right now. This "bully" woman is the U.S. military and she is out to "steal" this "baby" DNA by trying to force it to grab hold of its "leg", the flesh, which the U.S. military doctors and other doctors, (all under the direction of Satan), are putting into my body! But, the "baby" DNA does not grab hold of this disgusting "leg", the cadaver flesh in my body; but turns and refuses such a thing!

Blessed is the Holy Name of Yahweh; for these clowns cannot overcome Him or defeat Him and His creation! Though they come with their "great" minds and with all of their military preparedness, they cannot defeat our Father; and they will not STEAL His creation! How blessed we are to have such a wonderful God and how blessed I am to be able to be a part of His Magnificent works! And, soon, my Dear Ones, all of humanity will be blessed by this most wondrous creation of our Most Awesome Father Yahweh!

### Conversations that I have overheard

My Dear Ones, from time to time, I both hear and see Satan and these doctors and military commanders as they come and go! However, most of the time I do not see their faces and I do not hear their conversations. But, from day to day, I constantly feel them prodding and gouging me in my body and often I hear the swooshing of the liquids as they pump them into my body via their various pumps and ports. However, when I do hear their conversations, I know that it is because our Father in Heaven wants me to hear them. For, He is in control of all things, which concern me and these works! So, for this reason I take note of the conversations that He actually allows me to overhear.

From what I have heard in weeks past, I know that some of these military people and some of the doctors are no longer wanting to be a part of this work. Through these awesome works, some of them have gained a newfound respect for our Most Wonderful Father Yahweh! And, because of this newfound respect for our Father Yahweh, some of Satan's doctors have surely jumped ship, no longer wishing to be a part of such a "torture" parade.

Just this morning, on the 29th day of December of 2006, as the DNA was busy cleaning my body, I heard a man say, “Can she see us?” And, the other “man”, whom I now know to be Satan, said, “No! We are operating beyond her visual spectrum!” Then, the first man said, “Can she hear us?” And, Satan said, “No, we have blocked her hearing! She may be able to pick up some things we say, (telepathically) but not very often.” Then, the first man said, “What is all that?” And, he was making reference to the many chewed-up wires and other kinds of garbage, which are still strewn here and there throughout my body! And, Satan then commented that this is what they are doing (to my body). Then, the first man, obviously being a doctor and most likely a trained researcher said “The first thing is to do no harm! Have you tried to grow this in a laboratory?” And, Satan replied that they had tried to “grow” this new DNA in a laboratory, but have not been unsuccessful! Then, the first man said, “What is that rainbow light, which is coming from her?” Then, Satan told him that this light if from this new DNA and that they can see me everywhere I go because of this light and can see me even before they enter into my house because of this light. Then, Satan went on to say to the man, “She is an alien! She is one of Yahweh’s and is a danger to humanity!” Satan further told him that Yahweh is trying to hatch a new DNA “through this woman; and this (new DNA) will set back humanity for a thousand years.” He also told this man that “Yahweh has a large fleet (of ships) about twenty miles up and He is planning to invade the Earth in October of this year!”

My Dear Ones, I chuckle when I hear Satan’s lies. He is hilarious; for sure a real clown! And from overhearing this conversation, I surely got impressions that this man did not “buy” Satan’s lies or accept this evil way that these Satanists have developed to steal this DNA. Surely, this man did not know that he was speaking to Satan, himself! Can you imagine anyone saying to Satan, “First, do no harm!” Satan is the torture king of the whole world, but he is also a chameleon, coming in here dressed as a doctor, military commander and whatever “front” he chooses for the day!

I do not know what will become of this doctor, but I have a very big feeling that many of Satan’s doctors have jumped ship amidst a string of defeats! And, what they do to me, no respectable doctor, or researcher would every want to partake of. For, it is Frankensteinian, a show or horrors and a trail of failures! By now all of the respectable

doctors all know that they will not defeat the One God, The True God Yahweh; and many of them have found some great respect for the Creator of All Things.

### More Conversations!

But, there have been other very significant conversations; and I will further entail some of what I have heard since I last wrote to you. Just after I wrote the last update, I sensed that there were two men in my living room as the DNA was busy with its cleaning work; and one said to another, "She is busy cleaning! This will take about thirty minutes. Let's get a bite to eat." (It was about 5:00P.M.) Then, some time passed and I heard one man say to another, "This is the greatest experiment ever to be done to a living human being. Any researcher worth anything would want to be a part of this!"

Note these words, "the greatest experiment ever to be done to a living human being;" for this is a fact! No one has ever endured even one minute of such horrific assaults and lived to tell about it. My Dear Ones, the fact that I am alive from day to day is one great testimony to the great powers of the mighty God Yahweh! For, no one, no one could ever live through such horrors, not even for a minute. Right now, even as I write these words, terrible odors of chemicals are coming from my body! Since last night, Satan and his hoards have been pumping very strong smelling chemicals into my body! I do not know what these chemicals are, but they are strong; and I am sure that they are most likely poisonous and lethal as well. This, they are now doing, all in order to preserve this cadaver flesh in my body and to cause it to grow. Oh, the horrors of it all! But, even so, from day to day, I see and know the wonders of a beautiful, loving and mighty God, our Wonderful God Yahweh! Blessed is His Holy Name!

In addition the above comments, a few weeks past I overheard one man say to another many in my living room, "He wants it in there all the time, and we get it any way we can!" I believe that the man was speaking of the fluids, which he was pumping into my body! I believe that some of these fluids are body fluids; and Satan wants them in my body all the time, along with the flesh, of course! And, they get them any way they can! But, even so, they have no negative effect on me; for our Beautiful Father carries me

 From The Mountain Prophecies Copyright 2007

every minute of the day! So much of their evil no longer bothers me, but is truly amusing!

### Some Want Out!

In addition to the above comments, I overheard one man say to another man one evening about three weeks ago, "I hope she succeeds! I want to see what is coming to humanity! I know that Yahweh is a good God! But, I am in this; and I do not know how to get out!"

My Dear Ones, after hearing this conversation, I got up immediately and went to look outside. Across the road and due South, I could see that there was a U.S. military anti-gravity machine, otherwise known as a disk-shaped aerial craft, or "saucer" and it was indeed very low in the sky. I could see that it was blinking red, green and yellow lights, reminiscent of a Christmas tree. As I watched it, the two men obviously were carried aboard; and the craft moved very slowly just above the tree line. From my viewpoint, I could see what seemed to be windows or yellow lights along the side of the craft with a single light at the rear of the craft, which was blinking colors.

So, from this conversation alone, you can now understand that some of them do not choose evil; but find themselves in this horror show and want out! I pray for them regularly and for their salvation; for now many see the errors of their ways!

I overheard another conversation on the night of Christmas Eve, wherein two men, at least one of them a doctor, were talking. And, one man said to another, "I do not like the looks of this! We will be hated by all of humanity!"

A few minutes later, I got up from the sofa and went into the kitchen. As I said, "They should at least remove the skin before it dies," I looked into the living room to see that a blondish, red-faced man was looking at me! He was seated on a stool in front of the sofa, where I had just been sitting. He was looking at me and he was red-faced with embarrassment; for he knew that that had failed in all of their "fleshy" schemes!

**The Mars Man!**

Then, there was the conversation with the "Mars man." I have heard him a few times since I last wrote to you; and he is always commenting on the progression of the DNA. One day, he shocked me when I heard him describe what the DNA would do next when it was cleaning my body! What I did not see in advance was that the DNA was about to remove a tube full of "waste" that it had ground up in my body. But, the Mars man did not call it "waste"! He said that the DNA had "digested" the wire. And, from an accurate assessment, this is truly what the DNA does. It changes the wire into another substance via some unknown substance, (an unknown heavenly catalyst) and then grinds it up as if it is eating it!

After hearing the Mars man speak, I asked the Spirit of God to "show" me this man; and it was later that I saw him. He looks like a human, a highly decorated military man, but still a human!

About two weeks ago when the DNA was busy cleaning, the Mars man was there again and the Spirit of God allowed me to speak with him. I will entail some of the conversation with this man, who seems to have many good attributes, but as I do not "know" him, I neither believe nor disbelieve what he has told me, but wait upon our Father in Heaven to reveal the truth of all that he has spoken. But, as our Father in Heaven is in control of all that happens to me, I feel that this conversation is an important conversation, so I will relate much of it to you as best as I can; for I did not write it down at the time. You will find this conversation most interesting!

The Mars man told me that I must understand that all, who come in here are not evil. He told me that some just come to observe, to see what is going on! He went on to tell me that at a certain time in the past, there was a terrible catastrophe on Mars and that most were killed. What remained were a few! And as I understand it, but he did not elaborate on, was that they went underground to survive; as the conditions on the surface were not so good. From a previous conversation, he said that they had to leave Mars most recently because the "air pressure" in the subterranean bases became too unstable. These things, he did not elaborate on in this most recent conversation, but only that few were left after the great catastrophe hit Mars!

 From The Mountain Prophecies Copyright 2007

At any rate, this Mars man told me that the evil ones under the direction of Satan came to Mare in great numbers; and that they effectively took over their operations! However, many of them did not go along with Satan and still do not go along with him, even though they work under him! He went on to say that this has also happened on Earth, that Satan has also taken over our military! (As we also know, he has taken over the militaries of the world!)

He proceeded to tell me that he is respected as a military officer because of his abilities to "see" and to predict the outcomes of events, which are at hand. He also told me that a few others from Mars are here now with him, and I believe that he said, ten, possibly twelve, but I have forgotten the exact figures. And, of these few, he said that there are two, who are more advanced in these spiritual areas than he is.

He related that those on Mars live to be older than the people on Earth and I believe that he told me that his age is somewhere around 1500 years of age, but I could be somewhat mistaken about this as I did not write it down! However, I do remember that he stated his age as well over 1,000 years of age. He went on to tell me that at one time the humans also lived to be much older than they are now, but that the DNA was changed by the same One, who is now changing it again, and for the better! And, this same One is Yahweh, our Father and Creator. He went on to explain that our Father in Heaven changed the DNA so that humans would not live such long lives because the humans became so evil! So many of them chased evil and this greatly concerned our Father in Heaven!

He also told me that He knows Yahweh and he describes Yahweh as "mighty!" He also told me that he knows Jesus, Yeshua and that he has a very impressive "fleet" of ships!

He also said that this new DNA will do "spectacular" things for humanity, a "giant step forward for those, who are worthy to receive it." He went on to say that they know why all must live righteously and choose a righteous way of life!

He also told me that the current operating angles of the DNA were between 280 and 340 degrees; and this was about two weeks past! Today is December 30th, 2006.

Relative to the incoming hoards of Dragos, the "War in Heaven", he told me that Satan had called them in, that they were waiting for a certain interdimensional portal to open up so that they could easily come in! (But, obviously, my Dear Ones, Yahweh was very much ahead of them all and now these most horrendously evil creatures are surely in the burning pits!)

Then, I told this man that our Father Yahweh is able to save them, that he must pray to our Father Yahweh in the Name of Jesus for help; for He is able to save them all. I told Him that He must honor Jesus as Saviour of humanity and serve, love and honor our Father Yahweh and that He will hear his prayers. He told me that he would pray to our Father and seek His help! I so hope that he does; for I feel that there is a lot of good about this man!

This was most of what we discussed and a most interesting conversation as well. And, now my Dear Ones, I have saved the beautiful words of our Father in Heaven for last. Read! Be blessed and enjoy!

**Message from our Father in Heaven**

**December 18, 2006**

My Beloved Child, I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God. My Little One, when the sun comes up in the East and breaks the horizon, then the world knows that it is morning and the dawning of another day; and likewise when the sun sets in the West and descends below the horizon, then the world knows that another day has past and that the night, the time of rest is at hand.

And, so it is with My works, My Little One; for these works, My works, which are at hand can be likened to a rising and setting sun! For, truly a new day, a time of My Kingdom is at hand and an old day, the Kingdom of Satan in the Earth is setting! And, truly the night is hand; a time when no man shall work; a time when I shall take My

 From The Mountain Prophecies Copyright 2007

righteous ones into the hollow of My palm for a time of rest and renewal; a time when great and gross darkness shall overcome the whole Earth; a time when Satan fights to hold onto what will surely fall beneath the power of My incoming Kingdom!

Yes, My Little One, the time is at hand and all, who have the eyes to see, can surely see that this time of darkness if upon the whole world! It is descending like a very dark cloud, a cloud so dark that it is intent upon pushing out all light! But, even so, in this darkest of times, in these darkest of hours, My light shall shine forth through My holy, anointed servants! My light shall shine in these darkest of hours as it has never shined before; for My word is pure! It is sure and it is true! For, where great darkness abounds, My grace surely abounds in a greater measure!

And, soon, My Little One, very soon, the whole world will experience this gross darkness, but the whole world will also experience My abundant light, My abundant grace, My abundant love, power, and hope through my holy anointed servants!

Soon, very soon, My Little One, these shall stand before My throne, all, who are called and found worthy, even the 144,000 righteous and holy ones, and they shall receive this power. They shall receive this anointing! They shall receive this new DNA, which you are now birthing in your own body! And, when this new DNA reaches full term, this "baby" will be carried back to My throne, but not without you and not without the 144,000, who are to receive it!

Yes, My Little One, this glorious time soon approaches, the time wherein this new DNA, this "baby" will be birthed back to My throne and all of Heaven awaits this glorious day! All of Heaven is rejoicing; for soon comes the time wherein all will see the manifestations of My Kingdom in the Earth! All will see and know the presence of My holy anointed servants, the presence of My true sons and daughters! Yes, all will see them and all will know their power and all will know that you, My Little One, are the earthly mother of this new race!

I am the Heavenly Father, the Creator of all Things, the Creator of this new DNA, which grows in strength, power and maturity in your body from day to day; but you are the

earthly mother, the very woman, who is birthing this new DNA for all of humanity! Through your own body now comes forth a new race, a new breed of humans so empowered, so spiritually strong, so anointed! Such a thing, the world has never seen! And, soon all of the world will rejoice! They will see what I have done for humanity, even during the time of the greatest darkness ever to befall the Earth.

These holy ones, this new generation of souls will come forth with great power, awesome power from Me and from My throne and all will marvel at the beautiful works, which they do for all of humanity! Great will be their power and truly no evil will stand in their sights; but great also will be their love for each soul and for all of creation!

These anointed souls mark the manifestation, the beginning of My Kingdom in the Earth! Yes, it is being birthed, even now in your body, My Little One; but few can see and grasp what is taking place! But, with the presence of these anointed servants, many, many will see and they will grasp and understand the very presence of My Kingdom in the Earth.

Yes, all over the world, these (anointed servants) will make known their presence! They will have supernatural bodies even as you, my Little One, now have a supernatural body and no one will succeed in doing them harm! No one will be able to kill them; for I give them life and I give them a new body!

And, the whole world will also know, My Little One, that you are the earthly mother, the spiritual mother of this new race of humans, and that you are the spiritual mother of humanity! There will come a time and soon wherein you will be respected and loved, My Little One; for people all over the world will know of the great sacrifice that you made for all of humanity! They will know of the great suffering, torture and persecution that you suffered, endured and overcame to bring forth, to birth into existence a new generation of souls!

And, they will love you greatly, all 144,000, and all, who truly know and understand what you have suffered to bring forth this “baby” into maturity! But, your suffering is not for much longer. This “baby” is now over seven months old and is growing quickly;

and all that the evil ones, under the direction of Satan, can come up with, has been defeated!

Yes, My Little One, you have suffered! You have travailed! You have born much torture and have suffered great persecution! You have endured what no single person on the Earth has ever endured and will never endure; for it has been your calling to lie down at the feet of Satan, and to lie down at the feet of all of the fallen angels, the errant humans and others! Yes, these things you have had to endure, extreme things, My Little One, extreme in every way!

But, you have been faithful, most often cheerful, most often singing and praying; and they wonder why this is! They wonder why you do not spend your days and nights weeping and wailing before Me! They wonder why you do not cry out in pain when your whole body of laced with wires and metallic wool and with the hellish chemicals of the day! You, My Little One, are a great puzzle to them as you go on with life! You love Me! You praise Me! And, you honor Me, while they look and they see that this is "humanly impossible!"

They look on and they marvel that a single human being, a woman at that, surely the "weaker" sex in their eyes, could withstand such things and go on with life! Yes, they marvel and they come back night and day, day and night, to continue on with their "greatest experiment" ever to be conducted against any human being! Yes, they keep returning; for curiosity draws them back! But, by now most know that no humanly efforts could keep you alive amidst such a deadly rain of terror and deadly assaults! They know that you are not alive through any humanly powers, but that I keep you, My Little One. I preserve you! I supernaturally carry you! I sustain you from moment to moment, from hour to hour and from day to day! But, they keep coming back anyway, now oblivious to all of their failures, but driven by curiosity and the nagging question of, "Just how much can this woman take?"

But, they do not know Me, My Little One! They do not know that I am the God of Shadrack, Meshach and Abednigo, the God of Daniel, the God of Abraham, the God of All Creation; and that all of their games are but nonsense to Me; for I am able to do all

things. This is why you can sit and write this message! You can hear Me well when your body is full of wires and tubes and chemicals; for these have little or no effect on you!

Yes, they are amazed! They are enthralled with their curiosities; and they are propelled into action because of their amazement, but they are also seeing that there is a Real God! There is a Good God, a Righteous and Holy God; and that I can do all things! Yes, they see. They know and they marvel; and many are ashamed! Many want out of this torture ring; for they are afraid of the power that they see! And, even as you pray for them, it shall be so! I shall turn many of them and I shall save them; for through these very works, they shall see that they have chosen the wrong god. Through these very works, they shall see My light, My power, My love and My grace! Yes, My grace even towards them! For, they do err greatly and they stumble beneath the darkness of their god, Satan!

Yes, My Child, the bullies shall be humbled! The proud, the haughty shall be brought down low beneath My power, for they cannot stand up to Me! They cannot overcome and defeat Me, but I shall turn the tide. I shall make believers out of the most hard of hearts! For, in seeing, they shall believe! And, this is what has happened in the U.S. Space Program, even and because of My works through you!

Yes, indeed! They have found a new respect for Me, for My power and for My true servants; and it is time for such a thing! For, cheap whorish preachers of My word have defiled all that is good and right! But, now comes the true move of My power, the True Kingdom of God, My Kingdom in the Earth! And, many, many shall be instantly and forever changed from darkness into light, just by the passing of these anointed souls!

Yes, it is so! This shall be! For, My power and My anointings shall be so great on these holy servants! Yes, indeed, their very presence in the Earth marks the beginning of My Kingdom, of My Government in the Earth!

As I have said before, My Little One, you are truly blessed above all women! This is so and soon your time of travail shall come to an end; but between now and then I shall

 From The Mountain Prophecies Copyright 2007

speak to you from time to time; and give you more meat of My word, that the people may be fed!

I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God!

As witnessed, dictated and recorded this 18th day of December, 2006,

Linda Newkirk
White Buffalo Calf Woman

My Dear Ones, as a true testimony to the validity of our Father's very words, this is what I overheard late on the night of December 30, 2006, the very same night that I had typed the above message from our Father! I was sitting on the sofa quietly after some time of praising our Father in Heaven and singing to Him, when I heard a man say, "Linda Newkirk, you are a mystery! I have your old DNA and I have your new DNA? Why is this? How did this happen?" Then, the Spirit of God opened my eyes and I saw black-haired man, who was dressed in a white lab coat.

Yes, truly they find these works a mystery; for they know that this "mystery" is not "humanly" possible!

My Dear Ones, the faithful humans are on the winning team! This is a wakeup call! Repent! Get spiritually clean and stay clean; for soon our Saviour comes for the clean souls! The devils are doing down and Satan knows that his time is short!

### How Do you know if You Are Spiritually Clean?

Someone asked me a few days past, "How do you know if you are (spiritually) clean?" My Dear Ones, this is a process and an on-going process! As long as we are in the Earth, we must often seek forgiveness for our sins and daily seek to be clean and to stay clean before our Lord and God! What all must know is that our Father in Heaven

forgives; and when we are forgiven of all sins, our spiritual robes are clean. They are white!

Whether you know our Saviour, or whether you are absolutely lost and do not know him, the process is the same! Humble yourself before our Saviour! Honor Him as the Saviour of Humanity and then ask our Father Yahweh in the Name of Jesus to forgive you of everything that you have ever done wrong in your whole life. Get down on your knees and weep for your sins. Call out to Him in your grief and truly be sorry for your sins! Then, stop doing the things, which are wrong in the sight of our Lord and God!

Forgive every person of everything wrong or evil, which they have ever done for you. My Dear Ones, this may take time; for often much hurt is stored in unforgiveness; so one must at times pray for our Lord and God to impart the will to forgive our enemies. This may take some days or even weeks, but if the intent of the heart is sincere, our Father in Heaven will help any of us to forgive; and He will heal all broken hearts! For, it is through forgiveness that we are free and we cannot be free as long as there is any unforgiveness in our hearts.

As we forgive others, we must then pray for our enemies! Pray for their salvation and pray for our Lord and God to bless them and to keep them from the burning pits. Love them and love others. Love yourself; but above all, love our Father in Heaven with all of your might, with all of your mind, with all of your heart, and with all of your soul. In other words, put Him first and love Him above all, but not in a half-hearted way! Love Him with your all! Confess your sins daily and seek forgiveness daily, desiring to be clean and white and desiring to be married to our Saviour throughout the eternities.

Forsake the world and what is in it; for it is full of traps. Come out of it and walk simply and obediently before our Lord and God! If you do not know what He expects of you, go and study the Ten Commandments; for He never did away with these! And, from there, begin to clean up your life and to stop disobeying the Divine directives of our Lord and God though His Ten Commandments!

 From The Mountain Prophecies Copyright 2007

Know that Jesus, Yeshua, is The True and Only Son of our Father Yahweh and know and accept that He is the Only Way back to our Father! He stands between us and our Father; and He is the Great Priest, or Mediator between us and Him! As such, you must love and honor Him; for His is the Lamb of God, who came to take away the sins of the world. He died for us, that we may have life more abundant!

Pray to our Father in Heaven, Yahweh, in the Name of Jesus, as our Saviour directed us to do; and our Father will forgive. Know that our Saviour is one with our Father and one with His Spirit. He does the will of our Father and as such He cannot be separated from our Father in Heaven!

Through forgiveness, our Lord and God will make you white! He will blot out your sins and He will remember them no more. But, the intent of your heart must be sincere; for our Father in Heaven does not hear the vacant “mind” prayers.

Pray from the depths of your heart and truly be sorry for all of your sins. Weep for your sins; and the very tears of your heart will call out to the God of All Creation!

### Baptism and the Laying on of Hands!

If you have not been baptized, find a spirit-filled minister to baptize you for the cleansing and for the remission of sins; and after this, he or she must pray for our Father in Heaven in the Name of Jesus to impart His Beautiful Spirit into you!

### In Closing

My Dear Ones, I pray that this lengthy message blesses you! Know that it has not been easy to type; for my body has been full of many wires, chemicals and other kinds of horrible stuff. But, even so, our Father in Heaven has given me the grace to write this message! And, aside from being under such great persecution, it is a pleasure to be able to write of these awesome works of our Father in Heaven! For, what He is doing through these works is perhaps the most astounding spiritual event since the birth of our Saviour!

My Dear Ones, I do not know when our Saviour will come for me, even as I have written elsewhere; but because of prophetic dreams, which our Father in Heaven has given to a very special brother regarding these works, I feel that He may come for me at or near the end of the ninth month. The baby will be nine months old on February 10, 2007.

I pray that He comes soon, for I also get very tired from day to day; but in all things I wait upon Him! And, I will continue to post these messages at least once a month, or so as long as I am in the Earth.

My Dear Ones, the prophetic dreams of this Dear Brother also seem to indicate that our Father in Heaven will come for those, who are ready to go, a short time after He comes for me and the "baby!" This must be so; for we can read in Revelation Chapter Twelve, verse 14, that the "wings" come and take the woman and she is "nourished for a time, and times and half a time, from the face of the serpent." From what I understand, this "time" is three and one half years.

In Revelation Chapter Thirteen, verse 5, in reference to the time, which is given to the beast, or to Satan's end-time government we read the following: "and power was given unto him to continue forty and two months." This is three and one half years!

So, the woman (the singular woman) is hidden from the face of Satan for forty-two months; also hidden from the reign of Satan. But, we also know that our Savoiur is coming for His Bride, the ones, who are counted worthy to "escape" the horrible reign of the antichrist! This is the woman, (plural), who will also be taken and hidden from the face of Satan. For this "woman", the "Bride" to escape the reign of Satan's terror, she must be taken quickly after the first woman, the woman of Revelation 12. And based on the divine revelation, which has been given via the prophetic dreams of this Dear Brother, the "bride" surely follows quickly behind me and the "baby!"

 From The Mountain Prophecies Copyright 2007

Until next time, to my Dear and Faithful Friends, I send you love, big, big hugs, and many, many thanks!

Jesus loves you and I do too!
Your Sis,Linda

**Addendum to the Above Message!**

**New Developments with the DNA**

My Dear Ones, today is the 31st of December 2006 and I have great and exciting news to share with you regarding the beautiful "new" developments of the "baby" DNA! What I witnessed this morning is such a beautiful sight to behold. As I was lying in bed at around sunrise, the DNA began to move in the "rocking" motion in my body, but this time, not one or two spirals, or even several spirals. There were many spirals, all moving in unison up and down my body and they were all interlocked, or interconnected!

From time to time, as these spirals "chewed" up, or "digested the wires, cloth, cadaver meat, etc, which they put into my body the night before, these spirals would then move in unison to clear the waste. In so doing, they would then pass the waste from one spiral to the other in order to "dump" the waste into the larger spiral, which was in the center of my body. For some time,(maybe two hours), the DNA chewed up the horrible things, which they had put into my body last night and then after some time of dumping the waste into the larger spiral, the larger spiral opened up and dumped this chewed-up waste out of my body.

Then, the many spirals began to line themselves up horizontally across my body and they began to chew horizontally! They, they would move the waste to one of the larger spirals; and afterward, the larger spiral would open up and dump the waste outside of my body.

Then, in some areas, in which there was still more waste and still more wire, a large spiral would get to work and chew up these extraneous things in that part of my body. As the process went on, the evil ones were present to watch, as they always are. When the DNA would slow down, or when I would feel sleepy, or nearly fall back to sleep, they would send a jolt of current into a part of my body to wake me up so that this work would continue as they are very eager to see what this DNA can do from day to day.

My Dear Ones, the DNA did not clean out all of the waste in my body, but this is a new development and with this new development, I believe that the DNA is now probably operating within the 350 degree range. When the DNA is opened to 360 degrees, I believe that our Saviour will come for me and the "baby" DNA! The evil ones are also eagerly waiting for the DNA to reach the 360 degree mark as when it does, the DNA will be fully open; and it is this fully-opened DNA, which they want to steal and cloan.

### The DNA Dreams!

My Dear Ones, in the past I have dreamed of the DNA on two separate occasions. The first dream was very vivid, and occurred around middle of July 2006, if my recollection is correct. I did not record this dream; so I recount it to you from memory as it also relates to the following dream of January 01, 2007.

### The First DNA Dream!

In this "July" dream, I was living in a two-story house and this house was situated next to a large nursery. I lived outside a very small city and from my vantage point, I could see no other houses around me; for this zone was deemed "commercial." I thought that at some point, the man, who owned the nursery next door, (where vast amounts of plants were being grown), would surely buy this house! For, my house was adjacent to his and this area in this strictly commercial area of town! In the dream it also seemed "odd" to me that I was the only residential area in the business district!

Across the street from me was a huge church with great columns, but it was facing toward downtown! Therefore, I could not see the front of it. Inside the house, there

were “friends” and they were moving about, very kind, considerate and polite. There was no visible furniture in this house; and all was immaculately clean.

I noticed a fireplace in the room in which I was standing; and inside this fireplace, I saw that coal was burning! It rendered no smoke or visible fire, but it was giving off heat. I knew that there were several “hidden” rooms, which were occupied; and that some “people” were busily working. But, indeed, these rooms were hidden; and others coming in would not be able to see these rooms. I was on the lower floor of this two-story house; and at that time I wondered what was going on upstairs.

**Interpretation of this Dream!**

My Dear Ones, the DNA is the two-story house. The two-stories represent two different part of the DNA. For, one part of this house in the world and the other part of it in the Kingdom of God! At that time as well, only one part of the DNA was being used, the lower floor! For, the DNA had not yet advanced enough in growth to be able to access the “upper floor!” The Upper part of the house also represents the last stages of the on-going birth process of this “baby”!

Those in the house, who were working seem to represent parts of the DNA, which were working at that time, friendly, helpful, polite and kindly disposed to me. I believe that some of these “friendly” sorts were also angels!

The house sat next to the nursery as this DNA house has been created by the Great Creator of All Things, the Owner of the Giant nursery in Heaven! And, yes! One day this DNA house will go back to the Heavenly nursery from which it came, only so that it can go back out again to those, who are spiritually ready to receive it!

The Great Temple across the street belongs to our Father in Heaven; and I believe that it may also represent Him! I do not face this temple now, but a time will come when the “baby” and I will go back; and we will face this beautiful temple, the throne of our Father in Heaven.

This DNA house is in a commercial, or business area, as all that goes on here is strictly the "business" of our Father in Heaven. No one else lives in this house and nothing is done around here, but the work of our Father in Heaven! The DNA house is also an earthly vessel. It is being kept alive through the heat of my flesh, the organic fuel, the coal, which is burning in the fireplace!

The DNA house is also barren of any furniture, or anything else, as it is clean. From day to day, I strive to keep this house clean by regularly confessing any and all sins, repenting of any known sins, seeking forgiveness; and loving and forgiving all, who have done anything to cause me harm!

The hidden rooms in the DNA house represent hidden parts of the DNA, which the "evil ones" cannot find and will never find! These hidden parts are working well and out of sight of those, who would come into the house! Blessed is the Holy Name of Yahweh that this is so and according to His perfect will; for they will never be able to "steal" this new DNA!

### The DNA Dream of January 01, 2007

I dreamt that I was living in a two-story house, which was situated in a rural area, and no neighbors were visibly in sight! (This is true in real life!) In this house with me was an older man, perhaps in his early to mid fifties! He was perhaps five foot eight to five foot ten inches tall, of average weight, with light hair, blondish in appearance.

I did not like this man! He was a "whoremonger" and he had invaded my house, but I could do nothing. I was as a "prisoner" and I could only watch and wait for the time when he would leave.

This "whoremonger" was bringing many people into my house and he particularly seemed to like one woman. He had been having an on-going affair with her and she kept staying, but at some point in the dream I realized that she was gone. Yet, I thought, "Well, she will most likely be back!" She was a very short and elderly woman, not at all attractive; and I wondered why he had such a fascination with her.

Then, he brought into my house, two young men; and one of them was very “rowdy.” Both had some damage to their brains as both had done drugs; but one had done large amounts of cocaine and he was quite boisterous and belligerent.

Then, he brought in a close relative of mine and he put her in a room to herself. I took her fruit and tried to serve her a meal of fruit, but she would not “eat!”

Then, there came buses up to the house. These buses, all with dark windows, had to climb a steep hill (true in real life) to get up to my house. And, I looked out to see that they had to park at an angle to get up close to my house. For, the “grade” was “steep!”

This “evil” man, who had invaded my house, went down the lower level to meet each bus as it came in! I never saw those, who got out of the buses, whether many or only one or two! But, after a short time of being parked outside of my house, the buses would all drive away!

On one occasion, I saw a big, black bus, and ahead of it a big, black truck. These came and went quickly.

At some point in the dream, I was aware that I had a very young, male child with me, but I do not remember any particulars regarding this young, male child.

As I looked out the windows from the upper floor, I could see that across the street, there was a national forest. The forest was well maintained with large trees growing in the forest, each separated by some space, the floor of the forest being well maintained. Down below, I could see that there was a road, and lounging in my front yard, but near the road was one, fat, black cat. He was napping near the road, but when a car would approach, he would leap up and run away!

### Interpretation of the January Dream!

My Dear Ones, as I have stated earlier, the two-story house is the DNA. I am living in this house, and am now living in the second story, the final phase of this work. The dream further shows that my DNA house has been invaded by evil forces. The light-

headed man in the dream is the doctor, who is in charge of this exploitation of the new DNA; and I believe that he is the red-faced, blondish man, who was in my living room on Christmas Eve! I have earlier written about his “red” face, that he was most assuredly “red” faced with embarrassment as his skin samples were dying in my body in copious amounts!

This “evil” doctor is after the “flesh” of many people, a “flesh” whoremonger. I believe that I know who the elderly, short woman is. I believe that she is a living, but elderly relative of mine and that they kept her flesh in me for quite a long time as they found some degree of success with her flesh. And, they may bring her flesh back; but for now her flesh has been removed!

I believe that the two young men, are both living relatives of mine. Both of whom have been into drugs in the past; and both have different neurological problems with their brains! But, at this time, both are drug-free!

The woman, to whom I served fruit is also a close, living relative. Between this woman and me, there was some sort of interaction on the part of this DNA, but the flesh of this person rejected the DNA.

(Would these “living” relatives ever know that someone had “stolen” pieces of their flesh? That, doctors from hell had done illegal surgery on them? Most likely, they have not sensed one thing out of the ordinary. They would have dismissed any bodily pains as the “usual” aches and pains and there would be no conscious recall of any of the surgical procedures! This is the real world in which we live. Satan’s technology has been given to wicked, proud and arrogant humans, who delight in doing the evil bidding for this black cat from hell!)

Then, there came the buses of people! This evil doctor has searched far and wide, bringing in the flesh of many people, literally bus loads, all in order to find what he considers a “perfect” match. But, they must park at certain angles to my DNA, or they are sent away straight away! For, if their DNA does not park at the right angles to my

own DNA, they are sent away quickly! In other words, they must be a good "genetic match!"

The black truck and the black bus represent the flesh of at least two dead people, whom they have also brought forth! They have most likely taken skin samples from the cadavers of these dead people! I believe that these may have been dead relatives of mine, whose flesh they exhumed and most likely implanted in my body! But, even so, this flesh had a short stay! It did not live!

Yes, I know that this is bizarre; but these evil, Satanists are the Circus of the Macabre! They will do anything and everything that their perverted minds can conjure up to STEAL THIS NEW DNA!

The forest does not represent an actual forest, but a place that is owned by the Federal Government! In this case, the "national forest" is actually the airspace over this land. In this "national forest," there are many tall trees, many people of "worldly" importance; and they are continually parked there. In fact, they seem to have grown "roots" in their "forest" across from (above) my house! In other words, they have a permanent "job" there and they "stay" there all the time!

The black cat, of course, is Satan. He lounges around my house and actually sleeps around my house, seldom leaving at all! But, when the "big" cars come down the road, he scatters out of fear! The "big cars" are the hosts of Heaven!

### The Exciting Work of our Father in Heaven!

My Dear Ones, I believe that this is the longest chapter that I have ever written in any of the books. This on-going work of our Father's is absolutely exciting, something so awesome that words cannot describe it.

The whole Satanic world is standing up and paying attention to this most marvelous of works; for this new DNA trumpets their end! But, I believe that few others can really grasp and understand the profundity of this work!

This new DNA is going to change the “face” of humanity forever! This new DNA is going to equip humans to do great and marvelous things for our Father in Heaven and for the humanity! This new DNA is going to usher in the Kingdom of our Messiah, the Kingdom of God in the Earth!

Oh, what a beautiful “gift” is awaiting humanity! How blessed we are to be on the verge of such wondrous events! Blessed is the Holy Name of Yahweh! What a gloriously wonderful Father, Creator and God we have!

# CHAPTER THIRTY-FIVE

## "THE PLANET, NIBURU, IS HERE!"

My Dear Ones, read the following words from Yahweh, our Beloved Father in Heaven; and you will then "know" what few on the planet know! Niburu, which is erroneously being "tagged" as a "comet", is here; and through its very transit, it is about to bring great destruction upon this very planet! The "Time of Jacob's troubles" is surely upon the whole world

### The DNA "baby" is now eight months old!

As for me, my Dear Ones, all goes along as it has been going for some time! Satan and his hoards are still pushing vast amounts of human "tissue" samples into my body, all in an effort to "clone" the new DNA, which has been growing in my body for over eight months! But, as our Father in Heaven says in His most beautiful and informative "message", which is below; they will "never" succeed in such a wild scheme! Read our Father's words and be shocked! Then, get down on your knees and repent of all sins and "thank" the One True, Living God, who is ever faithful! He will never leave or forsake us!

### What a Loving and Faithful God we have!

My Dear Ones, when you consider the "Drago Wars" alone, which took place last spring, you must surely "know" that a "LOVING GOD" has protected humanity from a certain extinction. For, if our Saviour, the archangels and the hosts of Heaven had not fought them and driven them into the "hollow" of the Earth, they would have overtaken and destroyed all of humanity! With forty billion of them against the six billion humans, humanity would have been extinct in a very short time! Even as they were beginning to come into the Earth, Archangel Michael told me that "the "Dragos" are coming in and that they are vicious!" And, oh how utterly vicious they were in their

assaults against me! My Dear Ones, I surely suffered greatly from their many assaults; but even so, the archangels were at my side for many months; and the most miraculous hand of our Father in Heaven carried me through all of their schemes. WHAT A MIGHTY AND LOVING GOD WE HAVE! HALLALEUYAHWEH!

### The Annunaki are Back!

Now come the Annunaki, the "Watchers," who forsook their heavenly posts and "mated" with women, producing "giants!" And, as their planet is now in great trouble because of its "close" passage to the Sun, they are trying to "invade" Earth! This is why Satan told another individual, who was in my home a few weeks past, that "Yahweh has a massive fleet twenty miles up!"

In addition to these comments, I overheard an evil and blasphemous individual, whether man or beast I cannot say, spew obscenities and insults out of his mouth as he spoke with another individual in my home a few days past. In his long, hate-filled and rambling conversation, he said, "Yahweh has 30,000 ships up there!"

### Our Father Yahweh Fights for Us!

My Dear Ones, he was speaking of our Father, Yahweh, the Most High God, The Creator of Mankind and of all things! And, my Dear Ones, Yahweh and the Hosts of Heaven are certainly outside Earth in, "outer space"; and they are fighting the Annunaki, who are trying to flee Niburu and thereby "invade" the Earth!

He is our Loving Father, who has made a covenant with humanity; and over and over again, He and the Hosts of Heaven have intervened to stop these evil hoards from utterly destroying humanity!

May we all get on our knees, look up to the Great Creator of all things and give our heartfelt thanks to our Father Yahweh. For, He is holy! He is righteous! He is True, Pure and Faithful! Even when mankind knows nothing of it; and even when so many of us are full of rebellion, our Father Yahweh constantly fights on behalf of all of us, "saint and sinner alike"! For, He loves us with a "big love"!

HE HAS MADE A COVENANT WITH US AND HE WILL NEVER LEAVE OR FORSAKE US! WHAT A BEAUTIFUL, HEAVENLY "LOVE STORY"! BLESSED IS THE HOLY NAME OF YAHWEH FOREVER AND EVER! FOR, HE AND HE ALONE IS DESERVING OF ALL THE PRAISE AND ALL THE GLORY! HOW I LOVE HIM!

## MESSAGE FROM OUR FATHER IN HEAVEN

## NIBURU IS HERE!

"My Beloved Child, I am your Father, Yahweh, yea Jehovah, Most High God! Listen to Me, My Little One, and write as I say, that My people may be the wiser!

My Little One, you are witness, and many are now witnesses to the fact that I have told you, that I have warned you, that devastating times are upon the whole Earth! Yes, I have repeatedly warned you, My Little One; and you have published My messages, which warn that a time of great trouble is upon the whole world! Yes, I have told you that this time is at hand; and that soon, very soon, My Son will come for the pure and clean souls! He will take those, who are counted "worthy" to escape the terrible destruction, which is upon the whole Earth!

I have told you repeatedly and I have thereby "warned" Mine through these published works that Satan and his hoards desperately want to escape the trouble, which is upon the whole Earth! And, I have gone to great lengths to explain "why" these "evil ones" have so systematically and doggedly done such terrible things to your physical body in their efforts to "steal" My interdimensional portal! I have also explained to you, and others know well what I have said: that this interdimensional portal is attached to your physical body! But, Satan and his many hoards, having failed in all of their many attempts to kill you, are now filling your body with human tissue samples in their perverted efforts to "cloan" the new DNA, which I have put into your body!
And, they believe that by having possession of the new DNA, that they can "force" open My interdimensional portal, which is attached to your physical body, and thereby

escape their punishment! But, they will never "clone" this DNA and they will never get a viable sample of this new DNA to grow onto their tissue samples!

But, truly in their bizarre schemes they get more desperate by the day! For, they see and they know what you in the Earth do not know! But, you know, My Little One; for you are My faithful servant! You are My faithful prophetess; and I have told you many times that NIBURU IS NOW IN THE SKY! And, it is obvious for all in the world to see! Yes, it is obvious; but it has been erroneously named a "comet!"

Yes, it behaves like a comet because it has a long, elliptical orbit; and as it moves through space quickly, it drags behind it a very long tail! BUT NIBURU IS NOT A COMET! IT IS A PLANET! AND, THIS PLANET, NIBURU, IS GOING TO WREAK HAVOC IN THE EARTH!

For many months in advance of its coming, Niburu has already caused devastating changes in the Earth! You have witnessed many volcanic eruptions! You have witnessed the "melting poles," the many earthquakes, and the unstable weather conditions! But, you have not seen the "real" devastation, which Niburu is going to cause! You have only gotten a glimpse of it; and many of you have learned to "live with" these erratic conditions in the Earth, taking note of them, but just as soon conveniently forgetting what you have witnessed!

But, what is at hand, you shall not so simply dismiss! For, great and terrible destruction is upon the whole Earth and before it is over, billions will perish beneath the churning waters and beneath the falling rocks! Yes, terrible destruction, the "Time of Jacob's Troubles" is in the Earth, and even on the very "eve" of these terrible events, few are the wiser!

You wait upon the satanic media and you wait upon the satanic government to tell you the truth of what is! But, you wait in vain; for they have not told you and they will not tell you that the Great Destroyer is here! They will not tell you; for they are Satanist; and they wish to see you all dead! But, the truth is that many, many of them shall

 From The Mountain Prophecies Copyright 2007

perish! For, many of their best-planned hiding places shall be covered in rubble! They shall be buried beneath rocks and consumed by the churning waters!

BUT, I, YOUR FATHER YAHWEH, TELL YOU THE TRUTH OF WHAT IS! NIBURU, THE "TENTH" PLANET, IS HERE; AND THE DEVASTATION, WHICH IS UPON THE EARTH, IS UNAVOIDABLE!

Soon, very soon, My Son shall come for Mine! And, He shall take the pure and clean souls; for they have lived righteously! They have loved Me and My Son and they have chosen to order their lives after My directives! But, indeed, these are few when compared to the whole numbers in the Earth! Yes, these are few, indeed! But, even so, THEY ARE; and My Son shall come for them and carry them to the grandest feast ever, in heaven! They shall go to the Wedding Feast of the Lamb; and therein shall be "married" to My Son and to Me throughout the eternities! They shall be then, as My Son now is, My Faithful Sons and Daughters!

But, those, who are left, shall soon face the antichrist and the false prophet! In the midst of this great destruction, the antichrist shall rise with a plan for all; and as many suffer all over the Earth, the masses shall overwhelmingly accept His plan! Then, almost simultaneous with this great destruction shall come a world-wide nuclear war, with death, famine, disease, and lack!

But, even so, it is as I have told you! I shall never forsake Mine! And, even in the midst of such great devastation, I shall send back into the Earth My 144,000 anointed, righteous and clean souls, My Supernatural Army! These beautifully, anointed souls shall fight on behalf of all of humanity!

But, Niburu, itself, shall not go unscathed! For, in its passing, it passes too close to the Sun and the devastation upon Niburu shall be great and irreparable! Yes, they would also like to escape their punishment; but have I not told you in the Scriptures that I shall "punish" the "Watchers!" For, they forsook their heavenly station and they "mated" with humans and they produced "giants!" Then, they set themselves over humanity as

"evil gods" and they polluted the minds of all of humanity with their whoredoms and evil practices!

Yes, they are back! The "Watchers", the "Annunaki," are back and they are right now in the Earth, but they also have a surprise! For, just beyond the Earth I have thousands and thousands of holy angels and many heavenly ships! Yes, even the Hosts of Heaven, who are under the direction of My Son! And, the Annunaki are not allowed to come into the Earth as they please, all in order to escape their own punishment! No! Not at all; for they, too, now meet a devastating fate!

Be wise, My Little Ones, and know that I am Creator! I created all things and I correct evil! I equalize it and in due season, I correct all wrongs! The wise ones have come away from sin! They have My Spirit and they are ready for the Marriage Supper of the Lamb!

But, the foolish ones must stay! They must pay a price for their foolishness! They must stay and work out their salvation! Even now, at this late hour, some of the foolish ones will truly repent! They will humble themselves, being truly "sorry" for their sins! Then, I will hear their cries; and I will "save" them from the destruction, which is at hand! For, it is as My Son has told you: that even some, who come to "work" at the last minute, late in the day, will receive the "same" reward, the same pay as those, who worked all day long!

Yes, the hour is late! It is very late; but I forgive the sins of the truly penitent! Come to Me and ask of Me in My Son's Name! His Name if "Jesus", "Yeshua": and I will hear your serious cries!

Yes, My Little One, the evil ones desperately want the interdimensional portal, which is attached to your physical body! The Dragos and all the fallen angels have wanted it! The Annunaki want it! The Satanic humans want it! But, all of their evil schemes have failed and they shall continue to fail! It is Mine and when the time is right, I will open this portal and I will carry My Clean Souls through it, and straight to My throne!

 From The Mountain Prophecies Copyright 2007

But, no evil shall enter therein; for any, who try, will be burned to a crisp! No, none shall steal this portal! And, this "exit" shall be, My Little One, even as you have prayed over and over again, that I come not just for you, but that I take all spiritually clean souls when I come for you!

Yes, My Little One, you have taken a beating day and night because you are physically tied to this portal! None could know or understand the nature of the torture and persecution, which you have endured at the hands of Satan and all of his hoards! But, even so, My Little One, you have born it well; and soon, very soon, I shall come for you! But, not only you! It will be even as you have requested! I shall come for all, who are clean and ready to go!

Go in peace and know that I greatly love humanity! I am your Father, Yahweh, yea Jehovah, Most High God! I created you and I will never leave or forsake you!

My Little One, post this soon; for there is little time remaining!

As witnessed, dictated and recorded this 12th day of January, 2007,

Linda Newkirk
White Buffalo Calf Woman

My Dear Ones, copy Book Twelve and keep it for all, who must go through these terrible times, which are at hand! In fact, copy all of the prophecy books, which are now on http://www.prophecies.org and keep them, if not for yourself, for those, who are left to go through these things. Then, copy this chapter, chapter thirty-five; and send it far and wide, that all in this dark world may be the wiser; for great and terrible destruction is at hand!

Until next time, I send you the love of my heart! Jesus is our Only Way Home; and He is truly coming soon!

# CHAPTER THIRTY-SIX

## The "Birthing" Continues!

Oh, my Dear Brothers and Sisters, I can only shout the praises of our Most Wonderful Father in Heaven; for He is mighty, oh so mighty and full of every good virtue. Yes, I am still here and still fighting the good fight for our Most Wonderful Lord and God; and I hope that you, too, are still fighting the "good" fight, and that all is well with you! For, truly, my Dear Ones, we are in the last of the last days before the return of our Saviour! To say that I was disappointed when the end of the nine months came and went; and then the end of forty weeks came and went; and our Saviour had not come, is truly an understatement! Our Father in Heaven has said in past writings that this DNA is going to be "full-term!" At this time, my Dear Ones, I have no clue what a "full-term" baby DNA is! I only know that our Father Yahweh said that this DNA "baby" is going to be "full-term!" So, I wait upon Him from day to day and know as well that His ways are not our ways, and that His will is perfect for all of us. BLESSED IS THE HOLY NAME OF YAHWEH!

### My Apologies!

I seek your forgiveness; for I had truly planned to update you well before now for the month of February! But, I must tell you that I have been extremely tired and often lacking in energy from day to day! So, this February update is indeed late in getting out to you, but even so I will do my best to inform you of what has taken place! For, these works involve all of humanity and they will impact upon humanity far into the future! Truly, it is as I have told you in previous writings, that these works herald the "birthing" of our Father's Kingdom in the Earth! Indeed, the very birthing of a new race of people, a mighty race, the likes of which have never been seen before in the Earth! So, you all need to know what is taking place as regards this new DNA and these most awesome works of our Father Yahweh! Truly, my Dear Ones, be glad and rejoice; for we are on the verge of great and marvelous times in our Father's Kingdom!

### The Annunaki "gods" have taken over this torture parade!

But, even so, my Dear Ones, as for myself, the wait can get very long and the battles can become very weary! For, these evil ones spare no tricks in trying to defeat our Father's works, to stop the progression of this DNA, and/or to steal it any way they can! The CIRCUS OF THE MACABRE has risen to new heights as the wayward humans, Satan and the fallen angels have now stepped back and have given full power over to the Annunaki, the old gods from Niburu! And, so from day to day, the Annunaki now bring their own dimensions of torture, along with every scheme that they can conjure up in their "evil" minds, to take over our Father's works, to stop these works, and/or to make me theirs any way they can!

The evil torture parade of the Annunaki has been going on for some weeks now. No longer do I see disk-shaped craft with blinking red and green lights in the skies, that is … the U.S. government aerial disks, their "saucers," but I see orange and reddish disks in the sky and one very bright disk-shaped object, which is mostly white light, but with bluish and pinkish colors also present! And, of course, I frequently see the yellowish disk-shaped craft of Satan!

### Why the Annunaki?

I believe that this shift to the Annunaki gods was brought about by several factors: firstly, by the passing of Niburu, through which our Father Yahweh allowed some of them to come into the Earth; secondly, by the very nature of the Annunaki technology, in that it is far superior to that of Satan and the fallen angels; and of course far superior to that, which is possessed by the humans! Thirdly, by the fact that the Annunaki could no longer "trust" the humans to do this work, as there are many of them, who are sympathetic to these works and as such only half-heartedly do their assigned works! To this end, I have also heard some of them speaking from time to time! Fourthly, I believe that this had to be, my Dear Ones, for it is part of the price that I have had to pay in order to do our Father's works and to bring forth this new DNA, which, as you know is 360 degree DNA! The Annunaki also have 360 degree DNA, as I understand it, although their 360 degree DNA is of a different sort than this, which is now coming to the humans!

### The Jealous and Angry Annunaki!

I tell you for a certainly that the Annunaki are possessed of a jealous rage, especially the Annunaki King; and he has ordered that I be killed; and of course all, who are like me! Yet, at this time, there is no other human, who has this new 360 degree DNA, aside from myself; so from day to day, I take the brunt of their rage and jealousy! But, even so, our Beautiful Father Yahweh miraculously carries me! He fights these battles, which are far too great for me!

### I am so greatly blessed; blessed beyond measure!

What a mighty and wonderful God our Father Yahweh is! I am ever so humbled and deeply amazed from day to day to witness the great and awesome works of our Most Beautiful God! Oh, my Dear Ones, we must all sing His praises and humble ourselves in a greater way before Him; for He is Almighty! There is no God like Him! How blessed we are to have such a mighty and wonderful God! He is mindful of all things and I know that He keeps His eyes on this work; for it is a beautiful work for all of humanity!

### Bring 'Em on!

Therefore, my Dear Ones, I can only say to these evil hoards and all of their schemes: "Bring 'em on!" For, our Father in Heaven fights my battles; and they will not defeat our Mighty God Yahweh! Oooooo-eeeee! HallaleuYahweh!!!!!

### For a Little Better Understanding!

To recap somewhat, what I have just said and what I have also previously told you: I have had to go under the feet of every breed of fallen angel, under the feet of Satan and all of his hoards, under the feet of many evil humans; and now under the feet of the "clown gods" of the Annunaki! My Dear Ones, what they do from day to day is so bizarre that I can hardly find words to describe the evil of their ways; but even so for the "record", I will attempt to describe at least in part what I have experienced! But, it will be only in part; for they keep up with such evil from day to day, that to even try to go into it all would take many, many pages and time and energy that I may not have!
Oh, yes, my Dear Ones, I have become so very tired, so tired from day to day that I have little energy for anything other than these works. For, many days I am in the Spirit

for eight, ten, and even up to twelve hours or more, and this is extremely tiring as it takes a concentrated mental focus and discipline to stay in the Spirit! Even when our Father in Heaven is doing the work, most often I must still be in the Spirit and I need to pay attention to what is going on! But, truly, my Dear Ones, He does so very much outside of my awareness and even and especially when I am sleeping that I know nothing of! I could not live even one minute if He did not supernaturally carry me!

**Going back a little to The Bushes!**

My Dear Ones, it was on the night of January 03 of this year, 2007, when I was in a very relaxed state, neither fully awake, nor asleep, that I saw George Bush Senior standing at the foot of my bed. He just looked at me with a cold expression, never saying a word, and then he left. But, quick on his heels came George W. Bush; and he also stood at the foot of my bed, but nearer to the end opposite my head ;and he looked at me for some time, almost fondly so; and I found this absolutely strange. That night, there was a lot of "roaring" from military craft outside my house as the evil doctors in the U.S. military had come up with another one of their bizarre schemes to wire me up a new way! It is significant to note that January 03 is also a 13, the first month and the third day, a 1+3, a significant number for the Satanists! And, on their 13 day, these two evil, Satanists came out to witness the latest scheme to wire me up and to torture me in a new way! But, even so, this scheme failed; and all the praise, the glory and the honor goes to our Father Yahweh; for He is the One, who fights my battles; and He defeats them at every turn!

I expect that the Bushes have been here many times, but I see only what our Father in Heaven allows me to see and I hear only what He allows me to hear as regards them all! And, for this, my Dear Ones, I am ever grateful; for I do not wish to hear their foul conversations and listen to their bizarre schemes unless our Father in Heaven chooses to allow it; for they are wicked beyond measure and full of every evil device!

### The German Nazi Dream!

It was also about this same time that a dear brother, who has had many prophetic dreams about these works, dreamed that an Austrian (German) Nazi came flying by my house and put one foot out and landed, as a bird might land, but on one foot. Then, immediately after he landed the first time, he flew past again and repeated what he had just done! I believe that he was seeing the "German" Busches," who are also Nazis; for history shows us that George H.W. Bush's father, Prescott, helped to finance Hitler! I believe that this dream was given as a confirmation of what I had seen in my own bedroom! For, first came Bush Senior and then Bush Junior; and they put a "foot" down in my house, one after the other!

Yes, they truly came to look upon their prisoner and to view their latest scheme of torture! But, even so, that wild scheme of Satan and the U.S. military to wire me up in a bigger and grander way failed! All of their most horrendous schemes have failed; and they will all continue to fail; for THEY CANNOT, AND THEY WILL NOT DEFEAT THE ONE GOD, THE ALMIGHTY GOD, THE AWESOME GOD YAHWEH!

### They are all Clowns!

They are all clowns, my Dear Ones, who are following their "clown gods" right into the burning pits! They are strutting out their last days on their stages of doom; for their times of running rampant over every living soul are fast coming to an end! ALL THE POWER, ALL THE PRAISE, ALL THE GLORY, AND ALL THE HONOR, TO OUR MOST BEAUTIFUL FATHER YAHWEH! FOR, HE IS GOING TO CUT OFF THEIR GRAVY TRAIN! HE IS GOING TO PUT THEM ALL IN THE BURNING PITS, WHERE THEY BELONG! HE IS GOING TO BIND UP EVERY DEMON AND EVERY DEVIL AND HE IS GOING TO PUT THEM INTO TH BURNING PITS! HE AND OUR BEAUTIFUL SAVIOUR ARE GOING TO STOP THE PROGRESSION OF EVIL ON THIS PLANET; AND WE WILL SOON SEE A TIME OF GREAT PEACE AND LOVE ON THIS NOW DECADENT PLANET!

### More, more, more of everything!

Well, my Dear Ones, they continue on with their meat parade, now more desperate than ever to grow this new DNA onto their human tissue samples. Since the Annunaki

have taken over they have begun to put “slabs” of meat in my back, in my chest, in my throat, my face; and wherever else they choose to put it! And, on top of this meat, they put massive layers of wire, wire and more wire. I have counted as many as seventy plus layers of wire in only my right cheek and jaw! They have long wires, short wires, convoluted wires, and wires, which are woven together in a tight and solid fashion, especially to make the wire ports through which they attach their “feeding” tubes from hell! Yes, they have gotten extremely sophisticated with their wiring, wiring all over my body, massive amounts of wire! They believe that by wiring me up with so much wire that it will be impossible for me to be free, that they will then get control of my mind, and I will be their slave! In fact, one day recently as the DNA was cleaning out so much “stuff” that they had put into me the night before, I heard one of them say, “She will not be ours as long as she can do this!”

It has been a few weeks since Satan was in here and seeing that his schemes of wiring me up had failed, he ordered them to stuff me with “ten times more wire”, to “fill her up!” And, yes, this is what they did and ten times more cloth pockets full of meat! Gone are the cloth tubes, which look like fake blood vessels. They have not used these for many weeks! They have graduated to cloth pockets and rubber pockets, and these are plentifully put inside my torso, my legs, my arms and plentifully into my head! And, into all of these pockets, they attach feeding “ports,” to which they attach their external feeding tubes! Through these ports, they feed thick, gooey solutions to the vast amounts of meat, which they put into the cloth and rubber pockets! And, around these “ports,”, which are all made of vast amounts of wire, they put even greater amounts of wire, wire, wire, even up to fifty, seventy-five, or more layers of wire! “Why do they put so much wire around and over these tubes?” So that it will be more difficult for the DNA to get the feeding tubes out! These feeding “ports” are obviously very important to them; for they must attach feeding tubes to these ports through which they pump gooey fluids into the pockets of their “growing” meat samples!

Oh, my Dear Ones, I cannot begin to describe the great numbers of cloth pockets, which they have put into my head! In fact, from day to day, they fill up my head and body, even my limbs with many cloth pockets, either full of meat, or full of a gooey substance, which is filled with metal particles! By filling these pockets with metallic

 From The Mountain Prophecies Copyright 2007

particles, which are suspended in a gooey substance and outside of these pockets massive layers of wire, they have, from time to time, tried to turn my whole head into metal! Then, they bombard me with electrical frequencies; and they make popping noises in my head as they are trying to program me and take over my mind! Once again, my hair, (which I cut short last summer, because it was "fried" with microwaves), is "fried" again! But, even so, this is but a small price to pay for the love of our Most Wonderful Father Yahweh and for the love of the beautiful souls, who are, and who are to come!

### Layers of Wire and Cloth Pockets into my Stomach!

Into my stomach, my Dear Ones, they continually put multiple cloth pockets full of meat and liquid and gooey stuff with metal particles! And, when our Father cleans this mess out of me, oh the smell of sour flesh; and even the smell of various kinds of chemicals as they come out! And, during the cleaning, the constant smell of strong iodine is oozing from my flesh. I am wondering if this is radioactive iodine and through it they follow the cleaning process! It is a disgusting thing to behold so much "stuff" in my stomach; and; and I do not know how I have room to even digest my food!

And, with my brain, it is the same! I do not know where my brain goes; for there cannot be any room in my cranium for it! Some months past, I heard Satan say to another one, who was watching the new DNA remove "stuff" from my brain, that my brain would resume its normal shape "in two seconds!" So, apparently this great amount of "stuff" in my head, compresses my brain! And, from this one thing, alone, you know, my Dear Ones, that I am supernaturally carried from day to day; for no one could live through such things as what I must endure! What an awesome testimony of the great love and mighty power of our Father Yahweh!

### Their Games of Distraction!

They run wires the length of my esophagus and put implants into my esophagus to make me burp as they please! They put implants into my throat to make me swallow violently, and against my will; and/or other implants into my throat and chest to make me cough against my will! They put implants into my face to make my face jerk and

jump as they please, or implants into my fingers to make my fingers jerk and jump, or into my arms and legs the same. They put implants into my breathing mechanisms to cause me to exhale abruptly; and/or any combination of the above to distract me and to cause me to come out of the "relaxed" state when the DNA is working! They have "wired" up my legs and feet extensively over and over again; and into these wires, they send "burning" currents, so much so that at times my feet have often been numb from the currents. They shoot beams into my body here and there, all in order to burn me and to cause me to come out of the "relaxed" state when the DNA is working! They stick me with pens, or inject "stuff" in the some of my blood vessels in order to cause me pain, and/or to try to make me fall asleep so that I stop the a train of DNA work! They wire up my whole body and send such powerful currents through me that I can often feel my whole body pulsating, undulating as if I am immersed in waves!

Into my arms, especially my left arm, they repeatedly put massive amounts of wire! And, into my legs, oh my poor legs, especially into my knees, they have repeatedly put massive amounts of wire! Then, into my knees, they go with their wire ports; and they pump, pump their liquids into the pouches in my legs. So great has been the pain, my Dear Ones, that I have had to hobble around my house for days at a time! I would have cried out in pain so many times from their torture; but I could not and would not! Instead, I went deeper and deeper in to the Spirit of God, praising and thanking our Father in Heaven for this and for all things. Yes, great has been their torture and they have at times inflicted great pain upon me! But, even so, our Mighty Father Yahweh has carried me through what He has chosen that I must endure!

These things and worse things they have done to me over and over and over again for months on end; but even so, my Dear Ones, this is but a small price to pay for the beautiful work, which is unfolding through our Father's mighty hands! I do not regret what I must go through to bring forth our Father's mighty works, but my Dear Ones, am thankful and pleased to go through these things for love of our Lord and God, and for love of you!

I tell you these things so that all may be recorded! I do not tell you these things to complain; for ALL THINGS DO TRULY WORK TOGETHER FOR THE GOOD OF THOSE,

WHO ARE CALLED BY OUR FATHER YAHWEH AND BY OUR MOST WONDERFUL SAVIOUR, JESUS, YESHUA!

My Dear Souls, I am a fighter and the very fact that I hate and despise them and all that they stand for also gives me an added impetus to continue to do my part. The rest comes from the mercy and grace of our Father Yahweh! So, even in my darkest of hours, I am propelled forward with the deep "knowing" that there will come an end to all of this torture; and that from this great torture will emerge a new DNA and a new race of beautiful humans!

Yes, I am greatly encouraged in the face of such evil, by the sheer knowing that these evil hoards will go beneath the feet of these righteous souls, and soon! Yes, indeed! Every evil group of them will bow down beneath the power of Yahweh, which He will put into His righteous servants! This is His Kingdom Come and His will be done; for evil will soon be bound! It will be dealt with and no longer will it be allowed such free reign! BLESSED IS THE HOLY AND MIGHTY NAME OF YAHWEH! HIS WILL AND HIS WORK IS PERFECT IN EVERY WAY! May we all praise Him from hour to hour; and from day to day; for He is worthy, My Dear Ones; and He loves us so!

### The Rubber Masks!

It has been perhaps a month or go since they began to put rubber masks on my face and over my neck, fitting them over my head and neck, and then covering the top of my chest like a collar. But, this rubber is not confined to my head, neck and face! They now cover my whole body with layers of rubber, very thin rubber in places and thick layers in other places. With massive amounts of tiny screws, they fit these rubber masks to my face, backbone, head, face, and onto other places in my body.

I believe that the Annunaki drive these things into my body via sound waves! I can hear these sound waves, which remind me of the high-pitched whining of a dentist's drill, but even an even higher pitch, and not nearly as loud, but certainly very audible! I seldom see their hands or feel them touch me in any way! But, with Satan, the fallen angels and the humans, I often see their hands and can feel their hands moving in and out of my body. Often, in the past I have watched Satan and the humans as they took

tools and drove their wires and other things into my body. I could feel them as they screwed “screws” into my head and often lay awake for many hours at night, feeling what they were doing and watching them as well. There was many, many times, especially in the summer of 2006 that I could feel Satan and his hoards as they drove staple-like wires into my gums, one staple at a time, and with the penetration of each staple, there was a grinding pain!

But, not so with the Annunaki! If I am busy with other things, I may not notice at all that they are filling up my body with massive amounts of meat, wire and whatever else they choose; as they work very quickly and I am barely perceptive of what they are doing! What I feel most are “waves” coming into my body! They do not need to take seven or eight hours to fill up my body as the humans did; but can do their evil much more quickly! This is the great difference between their work and the work of the Satan, the humans and fallen angels.

From observing them all work, I can attest to the fact that Satan, every breed of fallen angel and the errant humans all have their own styles of working; and I can also attest to the fact that the technology of the Annunaki is far superior to any of the others. But, even so, they cannot and will not defeat our Father Yahweh; and when they bring in more superior technology, our Father then adds more dimensions, and a greater power to the “growing” DNA! In fact, our Father has grown the DNA on all occasions because of their added dimensions of power and torture!

So, my Dear Ones, it is possible for them to quickly put many layers of their rubber masks and wires into me within a very short time! These layers of rubber and wire, of course, are not visible to the naked eye; for all of them are beneath the skin! But, they are certainly visible to me. Many mornings I get up and my face is fat, fat, fat! My neck is short and fat, like that of a football player. I can see no clavicle bone at the top of my chest, as my chest is full of layers of rubber, wire and meat! My cheeks have hanging jowls and I can not see my jaw bone at the back of my face, near my ears! My face feels gooey and mushy like dough! And, when the our Father’s’ DNA begins to clean out this mess, there will be massive amounts of steel wool, metal shavings immersed in a gooey substance, filling up the cloth pockets, plus outside of this, many

layers, of wire, wire, wire, plus of course, the "layers" of the rubber masks! And, between these layers of rubber masks are often "slabs" of meat!

At the base of my neck and over the top of my chest, there is usually a very thick and gooey rubber layer, which is stuck tight to my body, just beneath the skin. They often cover the layers of wire with layers of rubber, all in an effort to make it more difficult for the DNA to remove the wire!

**The "poor" Annunaki Prisoners! Our Father in Heaven will surely save them!**

I have heard the Annunaki speak on more than one occasion about their doing these sorts of things to their "prisoners." In fact, on the night of the 3rd of March, I heard one of them describe what they would do to me that night, and tell that when this procedure is done to their prisoners, then "they will obey them, they will do as they are commanded to do!"

So, that night, my Dear Ones, they wired me up the hilt! I have never seen so much wire, and cloth, rubber masks and metal shavings in one place! The right side of my face and head seemed to be solid wire! They wired up my nose, which is a usual thing and put a deep pocket of wire and cloth on the right side of my face and into what would be the right frontal lobe of my brain!

As our Father's DNA was working the next day to remove what they had done, I thought of the "Borg" in the star trek shows and how they were so wired up on one side of their heads! I "knew" that they were trying to make me one of their "Borgs," but even so, my Dear Ones, the "clown gods" failed again; for they cannot and will not defeat our Most Beautiful Father Yahweh! BLESSED IS THE MIGHTY AND HOLY NAME OF YAHWEH! EVERY DAY IN MY LIFE IS ONE GIANT TESTIMONY OF HIS GREAT LOVE AND AWESOME POWER; AND I LOVE HIM MORE AND MORE EVERY DAY THAT I LIVE!

**So, I fear them not!**

Yes, indeed! The push has been on via these Annunaki "gods" to make me theirs; but I have some news for these "clown" gods! I belong to Yahweh! He is my Wonderful God!

He is my Mighty Creator! He is My Wonderful Protector and there is nothing that He is unable to do! I will never be theirs! I despise them and all that they stand for and I love our Beautiful Father with my whole being. He is the Beautiful Love of My Life, whom I love above all! I will gladly die for our Most Wonderful God before I will serve these evil clown gods from hell! But, even so I shall not be required to die at their hands, only to go through their torture and persecution!! Yet, my Dear Ones, whatever our Father decides that I must go through, He is able to carry me through; and I am furthermore delighted to go through all things for love of Him! For, it is but a small thing to do for our Most Beautiful Father and Creator! So, I put my faith and trust in Him and I fear not! Blessed is His Holy Name!

**Who are the Annunaki?**

My Dear Ones, some of you may not know that the Annunaki come from the Planet Niburu, or it may be spelled Nibiru! This is the "rogue" planet, which passes through this solar system once every 3600 years. It is also called the tenth planet, or the twelfth planet by the ancient Sumerians, the sun and the moon also being considered as planets! The Annunaki are also the "watchers" from the Bible, who deserted their heavenly stations, came down and mated with humans. Their mating with humans produced the giants and it was one of these huge giants, which King David fought as a young boy, and killed, all because of the love, grace, mercy and the power of our Father Yahweh. For, He called David and blessed him to achieve such a grand victory for the Israelites!

As I have written previously and as our Father in Heaven has also stated, the planet Niburu passed by Earth and was most visible during the months of January and February of this year! It put on quite a show in the southern hemisphere; and R.H. McNaught, an astronomer in Australia took some of the most amazing photos of this planet. He is credited with "discovering" Niburu! He called it a comet and named it after himself, but erroneously so. And, because of the fact that this planet was called a "comet" most do not know that Niburu came and went!

It had two wings and an orb, the orb in the center being Niburu, and as such it closely resembled the engravings on the clay tablets of the ancient Sumerians! They often

spoke of this planet in their writings and also wrote much about the Annunaki and the Annunaki gods in their writings. My Dear Ones, this was about fifty thousand years ago!

### Some very good photos of Niburu!

Kent Steadman of http://www.cyberspaceorbit did a beautiful job of following this comet! If you have not seen these most remarkable photos of Niburu, you must go to his site, go back for some weeks and take a look at the photos of Mr. McNaught. Unfortunately, as I have previously told you, this planet was mistakenly labeled as a comet, so most of mankind missed out on the return of Niburu, the tenth planet, Planet X, or the Twelfth Planet! It is most interesting to note as well that the Satanic mainstream media in America kept very quiet about it all, and as I understand it, the "big-boy" media refused to cover it at all.

### Great Battle Between Niburu and the Sun!

But, even so, our Father, Yahweh told you that this was Niburu and that it would make a close pass by the Sun, and thereby suffering great and irreparable damage! You will also see past photos on cyberspaceorbit, if they are still there, that at the time of the passage of Niburu by the Sun, there appeared strange manifestations on the Sun. Some of these manifestations were blanked out of the camera, which photographs the Sun, (the SOHO camera), by Nasa! But, in one of the photos, there appeared "massive" amounts of "debris" on the face of the sun! Judging by the size of these "massive" amounts of "debris" on the face of the sun, there apparently was some great damage done to Niburu and this massive amount of debris most likely came from the great catastrophes on Niburu!

My Dear Ones, I "know" that they suffered great damage to that planet; for our Father in Heaven told us in advance that it would be so! I also know that many of them are now in the burning pits! This partially fulfills our Father's words in Isaiah Chapter 24, wherein our Father in Heaven says that He is going to put them in the pits, and after some days He will visit them! My Dear Ones, our Father's words are "living" words; and

His words have certainly been fulfilled again and again and again; and they are also being fulfilled right before our eyes from day to day!

I have told you all of these things about the Annunaki to give you some background on what is taking place right now in the Earth, and to alert you to what has taken place with Niburu! Now, I will proceed with the Annunaki conversations, which I have overheard in my own living room, and also have recorded them for sake of these records.

**The January 29, 2007 conversation!**

At that time, I heard two men, who were speaking in my living room. I was lying on my couch and in the Spirit, busily working with the DNA as the DNA was cleaning "stuff" out of my body, which Satan and the humans had put in the night before. On hearing them speaking, I asked our Father to let me see them; and He opened my eyes to behold a "giant" of a man! The first thing, which caught my eye about this "giant" was a huge ring on the ring finger of his left hand. It radiated a bright light; and from there I saw that this "giant" of a man was dressed in a cream colored suit. He had brought a chair with him, which had arms, but no back and he was seated on this chair. He was speaking with a human, a highly decorated military officer; and alongside the giant, this man looked like a child. I knew that if this giant stood up, his head would go out the roof of my living room, this roof being about eight feet tall; and later, I would see that this was indeed so.

The two of them were watching the new DNA as it worked and cleaned out my body! Then, I heard the "giant" say to the highly decorated military man, "I had no idea! We had received reports, but had not idea that it (the DNA) was anything like this! This will make them equal to us! Every one of them must be destroyed!"

Then, the highly decorated man said to this giant, "This is the only one we know of; but we are unable to kill her! We know that Yahweh will soon take his; and he will send others back! (like me!)

Then, the giant said, “We cannot get our ships through! Yahweh has as many as a million, if not two million craft out there! He blocks us in every way! We expect to lose two thirds of our people and possibly three, or more moons. (in the close transit to the sun!) We have contacted Yahweh and have asked him to let us through, but there is stone silence!”

Then, the giant went on to say, “Does she usually hear what is said?”

The highly decorated military man said, “No!’

To which the giant said, “Well, she does now!”

My Dear Ones, I would later find out that this giant is the King of The Annunaki and his name if ANU!! He has been around for a very long time! I have seen his name mentioned over and over in the writings of the ancient Sumerians! Most recently, I heard the words, “There will be no more place found for Anu as King of the Annunaki!” Surely, these words came from the Spirit of God; for at some point, and soon, I believe that this evil king will go to the burning pits!

### The Second Annunaki Conversation

### February 20, 2007

I had been working very hard in the Spirit, perhaps for eight or nine hours, almost straight, when I drifted off to sleep, but for perhaps only ten or fifteen minutes! When I awoke, I sensed a presence in the room and I “looked” in the Spirit to see two very tall men, one taller than the other! But, they were not only tall! They were huge! They were giants!

I recognized the man, who was on the left, the one, who was dressed in the cream colored suit. He had white hair and light-colored eyes! I immediately saw the huge, brilliant stone on his left “ring” finger and the mass of white hair on his head! I did not pay much attention to the second person, as the first one, the huge giant began to speak to me; for he knew that I could see them both!

The giant said to me, “What do you want from us?”

I replied, “I want nothing from you!”

Then, he said, “But, you have a new DNA and through this new DNA, which is similar to ours, you will be like us!”

I said, “Who are you?”

And, he said, “Anu!”

Then, I said, “This (new DNA) is our Father Yahweh’s choice, to bless the righteous humans, to bless those, who choose to do right with their lives; and it is only right for it to be so! For, these should not have to continue to be slaves for all of you when they have chosen righteousness! You must cease to choose evil! You will not be blessed as long as you choose evil! All of you must repent of your evil ways! I wish you no harm, no harm at all; but look what you have done to me! You have done a terrible thing and I have done nothing to harm you!”

Then, I said, “I am very sorry for what has happened on Niburu! I feel badly about it; but wonder also about exactly what did happen there!”

He then said, “One of the larger moons was ripped from Niburu by the Sun and it collided into the Sun! (obviously exploding!) Then, a second moon hit Niburu and tore up about one third of Niburu, killing billions!” As he said these words, I saw the surface of Niburu and it was full of raging fires! Then, he said, “Worse things are going to happen to this planet!”

I told him that I know these things and then asked him how often he comes into my house, to which he answered, “Every three to five days, to check on Yahweh’s work! I will return and we will speak again!”

 From The Mountain Prophecies Copyright 2007

Well, my Dear Ones, the King of Niburu has been back, as I have seen him; but I have not spoken with him again! He is the one, who is giving the orders for the daily torture and the daily meat parade! He is one evil "clown god," and he will soon pay a great price for his great evil!

### The Raid of the Meat Repository!

My Dear Ones, it was on the third and fourth of February that I went on a "meat" marathon! At that time, the humans were still "in charge" and they had put a large depository of their "meat samples" in my gums and into the roof and floor of my mouth, all neatly sandwiched into these areas in layers between much wire and inside of many, tiny cloth pockets!

I worked in the Spirit all one afternoon, ate a little about 9:00 P.M. and then worked all night, working with the DNA to remove their big "meat" stash, which they had put into my gums, into the roof of my mouth and into the floor of my mouth. This was truly their big meat depository, wherein the kept samples of their meat, which apparently showed some promise of growing the DNA.

I had learned from listening to them that their meat samples will not grow outside of my body, and so when it seems that the DNA is attaching to their meat, if they then take this meat outside of my body, the meat will die. So, they must have a place in my body, wherein they can deposit the meat, once the new DNA seems to grow on it, or there is some promise of growth! And, one such place for the evil human doctors has been in my gums and into the roof and the floor of my mouth; for the saliva in my mouth then "feeds" this meat and keeps it moist and alive.

Not only did I work all afternoon, and all night, but got about one hour of sleep and worked all day the next day to find their meat deposits and to clean them out of my mouth! Oh, my! This was such a work as there were massive layers upon layers of wire and more wire and tiny slivers of meat amidst so much wire and cloth; and this was an exhausting work! But, even so, by the end of the next day, they had lost their meat depository; and I was sitting at the dining room table, still cleaning when it was almost sunset again.

And, then I felt a dribble on the end of my nose as the evil ones were injecting a liquid into my nose and it was running down onto my lips. But, even so, I just kept right on working!

**They are "evil" beyond any description!**

But, they seeing what they had done, got an "idea"; as they were also full of rage about what I had done. Within a few minutes a green glob of stuff came down the back of my throat and from there they were on a rampage. Surely, they then began to go into the sick wards of hospitals, where they got sputum from the sick patients; for they began to inject yellow and green sputum (snot) into my nose, into my sinuses, into the roof of my mouth and into the back of my throat. I would repeatedly hear a gllrrrp in my sinuses and within minutes these horrible "globs" would come running down my throat! My Dear Ones, this disgusting "assault" went on for about a week or ten days.

**A Tired and Weary Body!**

By the next day, I was beginning to feel somewhat ill, and by the next night I had begun to have a fever of about 101 degrees F. At the same time, Satan began to feed blasphemous words into my head against our Saviour and against our Father! I was so sad to hear such things and I cried tears of great sorrow! I said, "Father, if such things are of me, then I deserve to die!" However, I did not die, but began to get well in spite of the great amounts of bacteria-laden sputum, which they pumped into my sinuses! The horrors of it all! Yes, my Dear Ones, our Blessed Father saved me from another one of the schemes of the circus from hell!

**We must all learn to "Rest in the love of our Father Yahweh!"**

Why did our Father allow it? I do not know, but in times past when I did not sleep enough our Father in Heaven allowed illnesses to come upon me twice! I believe that He did this to "force" me to rest! One such event took place during my last visit to South Africa. At that time, the end of March of 2006, the Dragos were still coming into the Earth, for this war went on for about three months. I was totally exhausted by the time that I got to South Africa as the physical assaults against me were so great. I had been on a very long flight, in which Satan tried to choke me to death twice! Just as I

was about to go to sleep, he would ram objects down my throat and I would awaken abruptly without any breath, gasping for air. The U.S. military and the greys and the reptiles were working around the clock, putting many, many implants into my body, through which they pummeled my body with electrical frequencies! Yes, even and especially on the airplanes! So much that they did to me caused great pain and I got so little sleep for months! I was literally going on one to three hours of sleep a night.

By the time that I got to South Africa on March 28th, I was really exhausted, so it was no wonder that I started to become very ill. In fact, within few days of arriving there, I had to go to an emergency medical clinic, where I was told that I was suffering pneumonia. It was difficult to breathe, for my lungs had so much congestion! I was not resting well at all; and even then the evil doctors of the U.S. military were busy trying to kill me. As I lay down to rest, I would feel them injecting liquids into my lungs. I could both feel the needles as they pierced the space between my ribs and could also feel the liquids as they injected them into my lungs! Daily, I had to lie down to sleep amidst such torture; and to trust in our Father in Heaven to carry me through it all when I was so ill! But, even so, my Dear Ones, He did carry me through; and through it all I learned to have a greater trust in Him and His mighty ways!

But, I did not get over the pneumonia quickly. I had a cough for two months, which continued after I came back to the States, this being the end of May of last year. Early in June, again because I was getting so little sleep, I began to get ill again! This time, I had a fever of around 103 degrees and a terrible cough. I went to the emergency room and they gave me antibiotics, but I did not take them. Instead, I tried to get more rest and to rely upon our Father to fight all of my battles. After about two weeks of being quite ill, I began to recover from this terrible illness, and only because of the love and grace of our Father Yahweh.

Yet, as I was sick, the evil ones saw a greater opportunity to attack me and they continued to do “terrible” things to my body. But, even so, I “rested” in our Lord and God and He carried me through! From day to day, my Dear Ones, I know that I must “rest” in Him! This is what He wants; and He may not have been too pleased in the meat marathon that I fought! For, I did not rest; and for this reason He may have

allowed this sickness to come upon me as a way of reminding me to "rest" in him and to allow Him to fight my battles! This is all a learning experience for me and I am ever grateful for the great love, the forgiveness, the mercy and grace of the ONE LIVING GOD, THE ALMIGHTY GOD YAHWEH!

### My Precious, Little Dogs!

In retaliation against me because of the "meat" marathon, these evil ones began again to take my little dogs! They began to kidnap them on the 3rd of February of this year; and since then, I do not believe that they have spent even one day at home. They have them all the time and when it is time for them to eat, whatever time they choose to put them out, they put them out to eat and then take them back up. These little animals are now so afraid and are constantly looking around as they eat; for they are full of fear; and I believe as well that they have put implants into their ears through which they also feed sounds. Yet, I can do nothing about any of this, but pray and to give it all over to our Father Yahweh! For, He is the Only One, who can make right this most horrible wrong! My Dear Ones, pray that our Father in Heaven corrects this terrible wrong! Pray for the release and the freedom of these little animals, who are innocent!

It was during the summer of 2005 that someone tossed out four little puppies into my yard and I say, "tossed out" for they tossed them out as one would toss out an empty cup, or a garbage can! I went out on a Saturday morning in early August to find these little puppies under my car! They were all wild and so afraid. Having been neglected and abused, they were covered with ringworms and bloated with parasites. Through the stretched skin on their bloated bellies, their little ribs poked through, as I chased them around the yard, trying to catch them with a fishing net!

That summer was a very hot summer, but I did as well as I could to tame them and to take care of their needs. But, when I would go out to the pen to pet them, some of them would run under the dog house, or around the dog pen; and so it was very hard to tame them. I made a lot of progress with three of them, but one remained wild and afraid and I could never tame him.

After finding them on that summer morning, I took them all to the veterinarian straight away and this veterinarian was appalled at the shape of these little animals. When they were about six months old, I took the two females in for surgery so that they could not have puppies, and one of the females got a fatal infection from the surgery. This was a terrible thing to witness; and after the death of little "Ruby," I was then left with three puppies.

They are relatively small and will never be huge dogs, but they all have "big" voices; and have become very protective of this little house! I suppose as well that they are also grateful for a place to live and food to eat! Yet, for the last month, the evil hoards have made sure that they no longer bark around this house! This is a shame, my Dear Souls, and one, which begs to be corrected! Please remember these little animals in your prayers.

### When they began to mistreat my animals!

It was after I got back from South Africa last May that Satan and those in the U.S. military began kidnapping my animals; and they continued their rampage against my animals well into late November of 2006! For some reason, they stopped kidnapping them for about two months of December of 2006 and January of 2007. During the hot summer of 2006, when it would be 105 degrees outside, they would abduct my little animals, drug them and dump them into mud holes. They would show up after some time of being drugged and sleeping in the heat, their eyes dazed and their bodies covered in mud! How they suffered from the terrible heat and abuse at the hands of these evil hoards!

### The New DNA

My Dear Ones, the new DNA continues to grow in strength and power from our Father Yahweh and from day to day, He adds new dimensions to this new DNA according to His good pleasure. For, He is totally in charge of this work and as such only He knows what is to be added to the growth of this new DNA and at what intervals.

Since the Annunaki have taken over, they have done such horrible things to my body, with such vast amounts of wire, rubber, cloth and meat, that is truly mind-boggling. They put multiple strands of wires up and down my spine and in other places of my body to hold in place their vast amount of stuff and also to act as conductors of the electrical currents, which they channel into my body. Because of this, our Father has made the DNA spirals much stronger and some of them also much larger. They now work the length of my body, clearing away vast amounts of "stuff" during their time of daily cleansing!

I awaken early in the mornings and the among the first words on my lips are praise and thanks to our Blessed Father Yahweh! And, then I ask Him to direct the work of the DNA spirals in my body according to His will, that these works may be pleasing to Him and that they may magnify Him and bring Him glory! And, I wait upon Him to begin His beautiful work. Soon thereafter, the DNA spirals will begin to turn, and churn and grind up the meat, cloth and wire. There may be only huge, and very strong spirals, which work throughout my body, or there may be smaller ones, which are working amidst the larger ones. These large spirals often loose and carry out of my body the long wires, not grinding them up at all, but carrying them out in tact! Yet, they are able to grind them up if our Father in Heaven chooses to empower them to do so; for I have seen the DNA spirals cut through large strands of wire and chew them up, thereafter carrying the ground up wire out of my body.

Our Father may work through the DNA spirals for as many as five our six hours before I get out of bed in the mornings and through most all of this I am awake and aware of what the DNA is doing, but in a very calm and relaxed state. Afterward, I then may need to go into the Spirit and work more with the DNA and the Spirit of God to remove what the DNA has not already removed. This requires an active work on my part and from day to day I have often spent many, many hours in the Spirit doing this work with the DNA. However, nowadays, as the DNA is growing, and our Father is having the DNA to do more and more work, I may not need to spend as much time the Spirit. The amount of time I need to spend in the Spirit is really determined by the amount of "stuff" left in my body after the DNA does its work in the morning!

 From The Mountain Prophecies Copyright 2007

### "Full-term DNA"

Oh, my Dear Souls, I am so grateful to see that the DNA is growing! I am so grateful to see that it is getting stronger by the day; for this also means that it is often not necessary for me to spend as many hours in the Spirit. I believe that it also means that a time is at hand when the DNA will be able to clean all of this "stuff" from my body, without my having to spend much time in the Spirit working with it! When this happens, if it is our Father's will, I wonder whether this "capability" then means"full-term!"

About the criteria for "full-term" DNA, I can only guess; and my guesses are usually wrong, but the above scenario is also "food for thought!" However, one thing is certain: from day to day, I see the most remarkable and astounding work with this new DNA. Our Father's creation through this new DNA is truly amazing, a great and beautiful gift for humanity!

### Will the Human Birth Cycle Change?

Will the new cycle of gestation for the new human race also be changed? Will it far exceed the forty weeks, which we now call the human birth cycle! My Dear Ones, I do not know, but it seems that this may be the case. On the 10th of March, this DNA "baby" will be ten months old! From this point, my Dear Ones, I do not know how much more the DNA must grow before it is "birthed" back to our Father in Heaven! I can only tell you that from day to day it is growing and getting stronger; and that it is truly an amazing sight to behold.

### Our Father in Heaven loves you so!

My Dear Ones, live for our Father Yahweh and for His Beautiful Son, our Saviour Jesus, Yeshua! Come away for the illusions of this dark world and walk in His beautiful love and light! Seek forgiveness for all of your sins and ask daily for our Lord and God to make you white and clean through His constant forgiveness, love, mercy and grace. When you are wrong, be quick to seek the forgiveness of others and let go of all pride, stubbornness and arrogance!

Our Beloved Father has made an everlasting covenant with us! No one else has ever made such a covenant with us; no one else ever will; and no one can help any of us but our Beloved Father Yahweh and His most Beautiful Son, Jesus, our Saviour.

The words of our Blessed Father Yahweh are sure! They are pure, holy and true! He loves us all with an everlasting love and He especially loves the sinner. If not for our Blessed Father Yahweh, we would all be helplessly imprisoned to Satan and to the evil Annunaki gods forever; for who would set the captives free?

Our Father Yahweh has set us free; for He sent His Only Son to bring us salvation and deliverance from every kind of sickness and bondage. He love us all and He fights for us all, even and especially when we have no clue as to what He is doing. He so wondrously provides for us all, saint and sinner alike; yet few take the time to thank Him for His great love and constant provision and protection.

Oh, my Dear Ones, may we all rise up anew each day with our hearts and lips full of songs of love and praise for our Most Wonderful Father Yahweh. For, He is God Almighty! He is our Blessed and Wonderful Father! He is our Creator! Holy, holy is His Blessed Name; and He and He alone is worthy of all the praise, all the glory and all the honor forever and ever! Therefore, my Dear Ones, love him more by the day and sing love songs to Him; for He loves you so and He delights in you!

In closing, I send each of you the love of my heart; and to my Dear and Faithful Friends, big, big hugs and lots of love! For, you have been there with me through great and terrible tests and trials and you have never forsaken me! You, my Dear Ones, have a very special place in the coming Kingdom of our Lord and God; for you have been faithful! I love you with a big love and have a heart full of gratitude and thanks for each of you! Know, as well, that our Father sees and He rewards accordingly; and your time of great blessings is at hand!

# CHAPTER THIRTY-SEVEN

## "Not much time left!"

My Dear Brothers and Sisters, it is now around 3:00 AM on the morning of March 15, 2007! I am up and writing this to you, as I do not know how much more our Father in Heaven requires of me; and from all that is going on, there cannot possibly be much time left! Also, my Dear Ones, I do not know how much more this old, and tired body can and must endure until the end, for by day, the torture and persecution increase!

Therefore, from moment to moment, I lean heavily on our Father Yahweh, praying for Him to redeem me from the hands of my enemies! I know that He will soon do so; for His word is sure! It is pure and it is true! And, most certainly this must be so, and soon; for His promises to me through both Micah Chapter Four and Revelation Chapter Twelve, must be fulfilled! But, this is not just redemption and salvation for me; it is redemption and salvation for all, who are clean and ready to go!

### The Metal Strips!

My Dear Ones, I am awake at this early hour as I cannot sleep! The persecution and daily torture against me is great and the evil ones continually change their methods of torture and persecution, never ceasing from day to day!

For a few days, I have been able to get around only with a walking cane and must lean over to the left side while I am walking as Satan and Satan and the hoards in the U.S. Military have filled my back continually with so much metal, wire, more wire, thorny wire and even with a hard, stony-like substance!

They have graduated from filling my body up with all manner of wire, to putting long strips of metal into my back, into my chest, head, and other places in my body! But, not just one metal strip! They stack the metal strips, one on top of the other and then drive them into my flesh in layers. I do not know how many pieces of this metal are

 From The Mountain Prophecies Copyright 2007

stacked one on top of the other, but there seems to be eight, ten or more! In certain places, they grab up the flesh and pull it into a square-shaped wire object; and as the flesh is pushed up into this square shaped box, they then drive pieces of very thin metal into the flesh. In other words, they sandwich the flesh with very thin pieces of metal so that it remains in this wire box until the Spirit of our Father helps me remove it! When I try to move, the flesh in this square-shaped box cannot move and as such even a little bit of movement is very painful! They put these box-like things alongside the left side of my spine; and in the same general area, they take sharp, wire-like objects, which are made of strong wire and they drive these deep into my back. Some of these wire objects will consist of eight or ten strong and sharp wires, which are hooked together on one end and these wires fan out as a hand-held fan stretches out. They gouge many of these into the same general area of my back, but not just there! I have worked with the DNA to remove these from other locations in my body!

In addition to these fan-like, sharp and wiry objects, they drive other sharp, wiry objects into my flesh, which look like combs, except that they are composed of very sharp and strong wires. Some of these comb-like objects are long and others are short. Some of the "teeth" on them are long and some of them are shorter. They use such things copiously along the borders of their "feeding" ports to hold them in place; and, they often drive wire fragments, or steel wool into my flesh alongside these "feeding" ports as they so please! My Dear Ones, these, who do this evil, are Satan, the U.S. Military, (who are now back in full force), and of course their Annunaki mentors!

### More on the Metal Strips!

Into my back, they began to drive these metal strips three days ago, that is on the night of March 13, their big devil day! But, not just metal strips! They dug into my flesh and layered wire, along with massive amounts of wire and wire loops, and ground up, sharp wire fragments, which they poured into my flesh in various places. In recent months, they have driven "tiny" wires into my flesh, all over my body, literally turning my whole body into metal, but I guess that this was just not enough metal with so much wire, so they are now trying to turn my whole body into metal via their stacks of metal strips! And, if they create great pain in the process, so much happier are these

perverted clowns from the great Circus from hell! May we all be ashamed to belong to such a nation!

### Their Devil Day Extravaganza!

To make a cage for their layers of wire and other stuff, which they plowed into my back on their devil day of March 13th, they created wire frames and attached these wire frames into my spine, into my neck and into my flesh with long screws. They dug deep into my back and attached layers of these wire frames and from each layer, they made a membrane of cloth to separate the various layers of wire and other stuff! Over these wire frames, they put many layers of wire mesh; and in the midst of so much wire and metal, they put a large pocket of cloth, filling it with their human meat samples! Then, of course, to feed the meat samples, they drove great amounts of wire into my flesh to make their "feeding" ports from hell to which to attach their feeding tubes! They attached the pouch of meat alongside my spine and under my scapula, and also into the flesh of my back with long screws, which dug into my flesh and pulled at my spine whenever I tried to move!

### I am their prisoner until our Saviour comes!

Day before yesterday, I worked many hours in the Spirit with our Father and with the DNA, and at the end of the day, I was still left with vast amount of metal in my body. One reason for this, my Dear Ones, is that when they see that these things are being removed, they soon add more; so I am never "free" of their horrible wires, metals and whatever else they choose to put into me! But, even so, blessed am I to be a "prisoner" for loving of our Most Wonderful Father in Heaven and His beautiful Son!

### The Chemicals

A few days past, I overheard one of the humans stating that "We are soon going to have to let her go, but first we want to "try" two things! Next will come the chemicals." My Dear Ones, these chemicals appeared to be some sort of alcohol, or alcohol combination. For a number of days after this remark, there exuded from my body a very strong smell of isopropyl alcohol (rubbing alcohol!) and in my mouth the constant bitter taste of chemicals!

I believe that the day was last Saturday when I awoke and heard two of them talking in my bedroom. One was stating that he needed to check the "blood alcohol" levels and then I felt a stick in my right hand, followed quickly thereafter by another stick. Then, this man, who was checking the "levels" came back and said that the "level" was 20%. He then went on to tell the other one, who was present, "not .20, but 20%!

This vast amount of alcohol, they dumped into my body as I was sleeping the night before! I ask you, my Dear Ones, "Who could live through such a thing!" Were I not supernaturally carried each and every day, I would have been dead so very long ago! Blessed is the Only God, the One God, the Righteous and Holy God Yahweh; for He is worthy! Worthy! Worthy of all the praise, all the honor, and all the glory forever and ever! I love Him so!

**Another wild scheme beat by the power of Yahweh!**

My Dear Ones, they followed me around for several days with the alcohol, dumping it into my body throughout the day! But, even so, I went on with my life, driving into town, going out to eat, etc and I noticed no ill effect! But, still, the smell of this alcohol was pouring from my body and even when I went into town, the smell was so powerful in the car that it was indeed toxic. A person went out to eat with me and was shocked at the loud smell of these chemicals, which they were dumping into my body! Even after being in the restaurant for about an hour, the smell of this chemical still lingered in the car; and it was very strong!

**The effects of so much in my body!**

Since they did this to me on their devil day of the 13th, I cannot breathe deeply without much pain; and the pain is almost unbearable when I even try to get in and out of bed, or get up from a resting position. I cannot lift my arms to do the simplest of things as the metal strips in my body dig into my flesh whenever I move.

Today, I was in the Spirit for many hours, working with our Father and the DNA to remove the metal strips, much wire and "stony" stuff out of my body. I do not know what this powdery, stony stuff is but it looks like dried and hard baking powder, yet

not small pieces as one would find in a can of baking powder, but large pieces here and there in my back and in other places in my body! When the DNA gets to this hard, powdery material to remove it, it breaks up into pieces and makes a grinding noise as it is moved out of my body. These “hard and stony” places add to the pain, as they stick to my flesh, making it immobile in places and thereby causing pain on movement!

So, I wait upon our Lord and God; and when He is ready He will bring forth a mighty victory over these evil workers of darkness! He is ever faithful and His will is perfect in all ways! Therefore, in spite of my suffering, I know that this, too, shall pass! And, I know well that soon, very soon, a beautiful ending comes for these works! Then comes Our Father’ new DNA for the humans! Truly, His Kingdom Come and His will be done in the Earth as it is done in Heaven!

It is now, my Dear Ones, that I also know how our Saviour felt when He hoped, even for a moment, that the “cup” could be taken from him! So great was His pain and suffering! I do so well understand how he felt, for as the days go by, the evil ones get more and more severe in their assaults of torture! Yet, it is not so much that I want this cup to be taken from me as it is that I want this work to be finished! I wonder whether these were also some of the underlying thoughts of our Beloved Saviour! For the work to be finished and the suffering to be brought to an end!

Yet, amidst so much evil, I know that our Father Yahweh will never leave or forsake me! He is always with me; and I put my total faith and trust in Him! When He sees that this work is done to His satisfaction, our Saviour will surely come. For, it is written in Micah Chapter Five, “Therefore will he give them up until the time that she which travaileth hath brought forth…” I believe that “give them up” is referring to the return of our Saviour, that He cannot and will not return until she, who travails, has brought forth! In other words, these works must be finished before our Saviour can return! And, surely that time is at hand; for I tell you that things for me are now severe in many ways!
The evil ones, seeing and knowing that their time is short, are doing all that their perverted minds can come up with to get hold me of any way they can! I fear them not and neither do I fear what they do to me; but at the same time I realize that I am very

 From The Mountain Prophecies Copyright 2007

tired! From day to day, this pain is also very draining, but even so, my Dear Ones, the end is surely at hand!

**Pray for me, my Dear Ones!**

I ask you, my Dear Ones, to pray for our Father in Heaven to finish these works and to send our Saviour to deliver me and all righteous souls, who are ready to go. I ask you to petition our Father In Heaven for extra mercy and grace for me and a gift of extra divine strength to help me get through the torture, which I must endure at this late hour! Put this need at the top of your prayer list; for truly, my Dear Ones, these prophetic works are the most profound prophetic works since the birth of our Saviour! For, through what our Father is doing here, a new generation of souls is going to be birthed though this new DNA. And, because of the fact that Satan and his hoards also see this, their great push against me is fierce and non-stop!

I do not wish to complain or to get into a negative mind set, but I just tell you as it is! Herein, I have told you the truth of what is taking place with these works. But, the one truth, which supersedes all others is that with each passing day, I love our Father Yahweh with a greater love; for He has so miraculously kept me through terrible, terrible assaults from Satan and all of his hoards! How greatly, greatly blessed we are to have such an all-powerful and awesome God, to know His love and the love of His Precious Son, Jesus, Yeshua! Surely, our Mighty God soon sends our Saviour!

Thank you for your heartfelt prayers! I send you the love of my heart!

Jesus is truly coming soon, and very soon!

PS This following is most interesting information, and I believe that it will bless you!

**Galactic Tsunami!**

My Dear Ones, there has been much talk on the Internet, particularly on "Godlikeproductions.com" about a "galactic tsunami!" They are referring to a tidal wave of energy, which some are saying is coming towards the earth! I do not know if this is so, but if it is, I truly hope that this tidal wave of light is referring to the Coming of our Saviour!

We also know that when our Saviour comes, our Father in Heaven will pour out His wrath on this evil world! Could this "wave of light" also be the coming wave of wrath, which our Father in Heaven is sending to punish the wicked?

Around October or November of last year, the "Mars Man" also mentioned a "wave of light," which is headed this way! At that time, I overheard him speaking to another military man as they were both in my living room watching the DNA as it was cleaning my body! The "Mars Man" said that they "hope" to get off the planet before the "wave of light" comes, as it will " burn" up much!

And, how do they "hope" to get off the planet? By stealing our Father's interdimensional portal, which is attached to my physical body! I say, "If Satan is such a god and if the Annunaki are such gods, let them create their own portals!" But, they will not as they cannot! Only our Father Yahweh can create these portals, which are short-cuts to the stars!

Yes, indeed! The thieves, murderers, rogues and perverts want to "steal" their way off the planet! They want to escape their punishment, but they will not! They will truly "hide" in the dens, in the caves, and in the rocks and many of them will say, "Mountain, fall on me!" For great, great, great shall be their punishment at the hands of Yahweh! Surely, He shall pour out His wrath on these evil and unrepentant souls! They have sown the wind of destruction; and they shall reap the whirlwind of the wrath of our Father Yahweh! Are we about to see the opening of the Sixth Seal?
Most recently, (about four days ago,) I heard one of the military men speaking to another! At that time I was sitting on my front porch, as two of them had come down from a military craft, and they were standing there, speaking back and forth to one

another! The first men said, “A freak thing is headed this way from outer space and it may shut down computers and satellites. It may also flip the earth!”
What are they speaking of?

**Two dreams, which others shared with me!**

I was in the bank a few weeks past wherein I shared the news with the cashier, that some are saying that a wave of light if headed towards earth, and that the effects upon the earth could be devastating! I told her that such a “wave” could possibly turn the Earth upside down and fulfill Isaiah Ch 24! She looked somewhat introspective and told me that she had a dream recently in which she saw a “bridge” and that many, many were “clawing all over each other” as they were trying to get up to the bridge.

I believe that she saw the opening of the Yahweh vortex and that people will indeed be clawing all over each other to get up there! If this “wave” does come in and turn the earth upside down, we also know from Isaiah Ch 24 that “few” are left! Many, many will die and surely many will also be trying to get up to this “bridge!” But, unfortunately for many souls, they will not make it. Only the righteous souls will enter therein! In visions past, I have seen this “portal” as a “rainbow bridge!”

I was recently speaking with a man, who was a stranger, and I told him that Jesus is coming soon! He told me that he knows this and proceeded to tell me a dream that he had a few nights past. In this dream, he was in a beautiful location, in a very beautiful “motel! He said that this “motel’ was also part of another “huge” motel complex! He said that he saw one of his dead relatives there! On awakening, he said that he immediately thought the words, “In my Father’s house, there are many mansions!”

I believe that this man was seeing his temporary “motel” residence in Heaven! And, I also believe that this dream is a “message” for him to get ready; for surely the coming of our Saviour is at hand!
Passover is on April 2nd! Oh, what a wonderful Passover it would be if only our Saviour would come!

May we all deeply repent and seek to be spiritually clean and “ready”; for truly a long-awaited, and beautiful Marriage in Heaven is about to take place!

Big, big, hugs and much love to you all!

# CHAPTER THIRTY-EIGHT

## "Rounding the Curve!"

My Dear Brothers and Sisters, I have so much to tell you regarding the awesome work of our Mighty Father Yahweh and progression of this new DNA; and I will proceed to do so after I extend my heartfelt thanks for all of your beautiful prayers!

### Thank you for your prayers!

For several weeks, the satanic predators set free my little dogs, but even so, these little animals seldom stayed home, but roamed the forest below the house! When hungry, they would come up to eat, and the female sometimes comes to visit. However, within the last three weeks, or so, Satan, on seeing so many failures day after day, has begun to take my dogs again and I have seen them drugged, resting in my flower beds, or appearing suddenly, only to disappear just as suddenly into one of Satan's ships! Surely, our Father in Heaven, who sees and knows all, will deliver them and bless them abundantly one day; for they have been through such trials only because of my love for our Most Precious Lord and God!

I thank you as well for your prayers also on my behalf; and I thank our Great and Mighty God Yahweh, who hears and answers prayers! May our hearts continually be full of love and praise for our Wonderful and Awesome Father and God, Yahweh! For, He, my Dear Ones, is worthy of all the praise, all the honor, all the glory and all the power forever and ever!

I hope that you are well and that you are getting spiritually ready for the return of our Saviour! For if the intensity of these works is any indicator of His return, then His return could surely be any day! As many of you may know, I looked with great excitement and with great expectation toward the Passover, April 02, 2007 wondering if this could be the day! But, alas! This was not to be the day, but around this time,

great and wonderful victories did come forth regarding these works, but any of my hopes that these evil ones were about to leave me alone, were just as quickly dashed!

I wish to tell you about these victories and the most horrific chain of events, which I suffered under the hands of the Annunaki persecutors and, their adopted son, Satan! And, I will proceed to do so in the following pages! So, read on …!

### The new DNA!

I have told you in previous writings that our Father in Heaven adds new dimensions of growth and power to this new DNA when there is a need for added growth and power! And, on all occasions when He has added new dimensions of growth and power to the DNA, it has been because of the fact that Satan and his clowns have added new dimensions of persecution and torture, namely more implants, greater amounts of wire, greater amounts of metal, more meat samples, and/or more foreign substances into my body of any and every kind! As you read on, you will see what these evil ones have done to me, and thereby what our Father in Heaven has also done to preserve and keep me and to raise up this new DNA to meet whatever challenge they placed before it. Truly, I have seen some of the most amazing periods of "divine" growth with this new DNA as it has come to the point, wherein THIS NEW DNA IS NOW OPERATING AT THE 360 DEGREE RANGE! Oooooo-eeeeee! What a long time in coming! As this new DNA has now reached this point, I am surely looking heavenward, and I hope that you are as well! HallaleuYahweh! Blessed is His Mighty Name!

### The Assaults of March 13th, 2007

When I wrote the last message to you, the Annunaki, along with their servant, Satan, had added great amounts of wire, more wire and metal sheeting to my body, plus an array of their torture tricks to my body, so much so that I could hardly bend my body in certain ways for days and could not raise my arms without great pain. This went on for about four days, or until the time that our Father in Heaven added to the DNA the ability to fight and to overcome what they had put into my body!

In months past, I have had to wait about two days for our Father to add new dimensions of divine abilities and power to the DNA, so that it could rise up to meet each new challenge! But, with the onslaught of the "horror show" technology of the Annunaki clown gods, I have had to wait as much as four days on many occasions for the DNA to grow in strength and power to be able to overcome different and new facets of their technology! However, within about the last two weeks, this time has lessened considerably and the DNA is now able to overcome most of their schemes in as little as a day, if not less time!

### The Ghoulish Acts of the Annunaki Clowns!

And, oh what unbelievable and horrific things these ghoulish clowns can do to one's body! So much metal, so many microscopic particles of metal, of wire, of tiny chip-like structures, so small, so tiny that they literally fill my head, my gums, my teeth and other parts of my body! Full, full, full of so much stuff that I cannot see how I could have room for any flesh, teeth, or anything else in my head and body! These tiny metallic structures are placed into my body in certain patterns, tiny patterns packed tightly one on top of the other, and even interwoven among one another; and the DNA must unravel these designs in a certain manner, or the tiny pieces of metal will lock up and refuse to come out!

Therefore, when the DNA has not yet experienced what they throw at it, it must take some time to open up the divine capability, which our Father in Heaven wants to be opened! In the meantime, I must wait upon our Father Yahweh; and it is during these times of "wait" that I can become extremely tired as I must go from day to day with great amounts of metal in my body, in my head, in my torso, in my knees and legs! During these times, walking or getting around to do my daily routines can be difficult; but even so, I forge ahead; for I know that these things shall also pass; and I know that our Father in Heaven has a perfect timing for all things! So, I rest and I wait, or I do as I am led to do from day to day, going about life as well as I can!

**The Annunaki plan to enslave all of humanity!**

Never with the humans and never with Satan alone have I seen such technology! If Satan and his human counterparts had previously possessed such technology, they would have used it on me; for they have spared me nothing in their evil repertoires of hate and persecution! This horrific, Annunaki technology was not used against me in a great way until around late January, or early February of this year! Somewhere around that time, the Annunaki King was in my house and I both saw him and heard him tell a military man that I must be killed!

**How greatly this DNA is needed!**

My Dear Ones, my heart pains so for the great horrors, which await humanity! The Annunaki clown gods have no intention of losing their "slave" laborer humans! And, they are now fighting "tooth and nail" to stop the humans from getting this new DNA! Right now, I am on the receiving end of their hate, of their malice, of their horrible technology! But, soon, all of humanity will be fair game for them! Soon, they will seek to fully enslave all by implanting them with vast amounts of implants and metals, all against their will, and without their knowledge, to such a degree that many are fully mind controlled slaves! Their goal is surely to make all humans fully mind-controlled slaves, and or to put them into the graves! And, believe me when I tell you that they have the technology to do so!

My Dear ones, I am carried by the power, the love and grace of our Mighty God Yahweh! Without Him, I could not survive even one day! He saves me and He delivers me from day to day, and oh how I love Him! I love Him above all, with such a big love and with such deep gratitude! I am faithful to Him and He is faithful to me! He carries me in His great hands and He sustains me through every horrific battles! For, He fights these horrible battles, battles, which are far too great for me to even grasp! This is His war! This is His work and to Him is very bit of praise, honor and glory! Blessed is our Mighty God Yahweh!

### So Many Lost Souls!

But, what will happen to such vast numbers, who do not love Him and who do not repent, who love evil and continue to serve evil? Vast numbers will surely fall, and soon, to this horrific technology, that is, if they survive the horrible earth changes! And, this being the case, many will most assuredly become mindless, Annunaki and Satanic robots?

### How many are under mind control, and have no clue?

How many are already under mind control because of implants into the brain and into other parts of their bodies? How many in the congress of the USA? How many in leadership positions in the world? How many of the "famous" preachers? How many "trouble-makers?" How many whistleblowers? How many prisoners? Just how many are already enslaved by this horrible technology and have absolutely no clue?

My Dear Ones, with this latest onslaught of advanced technology, I tell you that these evil hoards do not even have to abduct one from his or her home! They do not even have to come into one's house to implant anyone with vast amounts of metal, wire and implant technology! Yes, indeed, this is so; as this is what they have been doing to me since around late January of this year! They sit up in their ships and they guide these horrible things into my body as they would direct laser-guided missiles! You heard me right! They can target anyone this way; and once they have a person on their computer screens, they can then fill up one's body with these horrific implants and many may never know what has happened to them. With such technology, they can also fill up one's body with drugs and any and everything else that they choose, never even touching the person and never even coming into one's house!

### Terrible, terrible times ahead!

My Dear Ones, if this does not put some uneasiness in the hearts of everyone, nothing will! For, who is safe? They have most certainly been allowed to do these things to me and I love our Lord and God with my whole being! I love Him and our Saviour with my all; and I have had to go through such things for love of Him and for love of humanity! Do other Christians believe that these things will never happen to them, that a Loving

God would never allow such things? What about those, who are lost and do not know our God at all? Who will help them? Who will look out for them? Who will protect them, when so many are in utter rebellion? What will happen to so many unsuspecting souls? Oh, the horrors of it all!

### All Will Be Tried and Tested!

Yet, my Dear Ones, we also know that where evil abounds in a great way, grace abounds in a greater way! Our Father will never leave us or forsake us, but He will surely try and test us and many, many are about to be tried and tested in severe and harsh ways! Read what is written in the Book of Daniel, chapter11:33-35! "And, they that understand among the people shall instruct many: yet they shall fall by the sword, and by flame, by captivity, and by spoil for many days. Now when they shall fall, they shall be holpen with a little help: but many shall cleave to them with flatteries. And, some of them of understanding shall fall, to try them, and to purge them, and to make them white, even to the time of the end: because it is yet for an appointed time!" Many "believers" will surely be tried in severe ways, that is, if they are still around to go through these most terrible of times!

I fully believe that many will soon fall to this horrific technology, losing all ability to think and to feel for themselves! Yes, many know about the chip implant to the hand or to the forehead, but few, few know about this most horrific of technologies of the evil Annunaki clown gods from hell! Because of these most horrific of technologies, I believe that many evil souls will become even more evil as they move under total and complete mind control, their bodies being full of these horrific metallic implants, and their minds fully under control of these evil ones!

But, how many of the 'lukewarm" Christians will fall to such horrific technology? How many will become robots, slaves, mindless bodies, moving and going about their lives, but devoid of all feeling and devoid of love in every way? Oh, the horrors of it all! What truth in our Father's words in Daniel Chapter 12, verse one, when He said, "… there shall be a time of trouble such as never was seen since there was a nation."

My Dear Ones, I fully believe that one of the reasons that our Father has allowed me to go through such horrors is to write the truth all that I am going through, so that you may be informed, so that the truth of what is about to come upon this whole world will be known! Otherwise, how would many know? For, those, who are implanted in such ways, will have no way of knowing what has happened to them! Many are lost and they cannot see in the Spirit! They are not sensitive to things in the Spirit!

But, from what I tell you, at least you have some understanding of what is hand for all of humanity and you surely can understand why these are the very worst of times, the very worst of times since there has been a nation of this planet!

**The price for rebellion!**

Oh, my Dear Ones, how my heart grieves; for this sad fate surely awaits many, who refuse to give up evil and who refuse to love the One God, the Only God, the Great God, who created all of us, our Beloved Father Yahweh! But, for the faithful, there truly awaits a beautiful inheritance, more beautiful that we can ever imagine!

**Freedom for the Faithful!**

My Dear Ones, all, who get this new DNA, and thereby also get eternal life, will never again be slaves to Satan and to the Annunaki gods! They are forever free of this great evil! All such souls will then move into a time of love and peace! There will be a new Earth, wherein there will be no more wars, no more devils and no more demons! There will be no more Annunaki gods and no more human slavery! There will be no more Satan! We will never again be forced to mine the gold for the Annunaki overlords and none among us will ever worship them again! None of us will ever consider Satan again and there will be none among us, who worships him and who stirs up strife!

**They are desperate!**

Yes, my Dear Ones, the Annunaki gods are doing all that they can to stop the advancement of this DNA and Satan, who works alongside of them as their ally, is pitifully fighting to hold onto his kingdom! As this DNA advances, he knows that his kingdom is fast slipping out of his fingers; for those, who bear this new DNA will

become the supernatural army! They will become the kings and queens in our Saviour's Kingdom! They will rule the earth, alongside our Saviour; and they will get eternal life!

### A Nation if Truly Being Born!

Oh, the sight of this new DNA drives Satan and the Annunaki gods into a heated frenzy! As they see its growth, how desperate and wild they have become! They are losing ground by the day and they know it! For, when this DNA work is complete and I am then gone, Satan knows that he is absolutely powerless to stop the advancement of this new human race, the coming of the Kingdom of our Saviour! Not only are the lowly humans about to be liberated! They are going to be given power as few can imagine! What a glorious time awaits the clean and righteous souls!

### 360 Degree DNA!

My Dear Ones, since on or around the 21st of April of 2007, the DNA has begun to operate totally as 360 degree DNA! On or around that day, our Father Yahweh told me for the first time, to look at the operations of the DNA, for at "it is now operating at 360 degrees!" What an awesome sight to behold this 360 degree DNA in operation! My Dear Ones, it has many spirals, which move in a counterclockwise manner all over my body at once, though at times, some of these spirals can certainly move in a clockwise manner! As the DNA moves in this circular manner, it also moves across many imaginary diameters and radii within the circular motion! So, it moves in many directions at once and as it moves, it "chews" up and literally dissolves metals, or whatever they put into my body and it turns vast amounts of these foreign substances into liquids and moves them out of my body!

### The Liquid Light is beginning to Pour In!

My Dear Ones, with the coming of the 360 degree DNA, our Father Yahweh has also sent an abundance of liquid light! Satan is beside himself with jealousy, anger and rage at the sight of this liquid light! For, it is the River of Life being manifest within my body, and as such it is the perfect manifestation of the power of our Father, the very power, which He has promised in the Kingdom Power Anointing! My Dear Ones, when this liquid light reaches a certain saturation in my body, I believe that these works will

be done and that some great wings will then carry me home, and I hope also that many of you go, at very near the same time!

I have seen this liquid light since last summer or early fall, but as the evil ones increased the amounts of meat samples and metals in my body greatly, I did not see the liquid light operating in great ways! But, as of the 21st of April, or thereabouts, the new DNA began to go into this liquid light phase! At that time, I also believe that the two-stranded DNA was totally removed from my body, and I will tell you more about why I believe this later on in these writings!

Oh, yes, my Dear Ones, these evil ones are absolutely panicking with the sight of this liquid light and because of their great fear and jealousy, they are in my face literally every day and night, all day and night, packing my body with more and more metal! They do not allow the DNA to totally dissolve their horrific amounts of metals and other things before they are filling me up again!

As of today, May 02, 2007, it seems that this DNA and liquid light almost totally dissolve vast amounts of metal in my body within about two to three hours! In other words, when they literally fill up my body with huge amounts of wire, metal strips and some sort of powdery stuff, which I believe to be some sort of drug, the DNA and liquid light seems to dissolve what they have put in, in about two hours to three hours, or perhaps a little more!

Oh, what a great sight to behold this DNA at work as it turns the metal sheets into something, which reminds me of wet cardboard and then from this stage into a thick liquid, which it then dispels from my body! But, this great advancement gives the clowns even more anxiety and they are then compelled to fill my body with even more metal, and to pack my head and my gums, even other parts of my body as they choose, with vast amounts of tiny, tiny, even microscopic metal structures! Oh, how these evil hoards hate to see this great advancement! Satan is absolutely afraid that he will look and that I will suddenly be gone, his hopes for continuing his kingdom dissolved forever!

**Satan is whistling in the wind!**

But, he had better get used to the notion; for he is going down, he and all of his Annunaki overlords! He and all of his disgusting Satan worshiping humans are going down! Yes, they are all going down; for soon, and very soon, these works will be finished and the first souls to get eternal life will emerge!

**The Promises of our Faithful Father Yahweh are Being Fulfilled!**

Ooooo-eeeee! We all have so much to look forward to! We all have so much to be thankful for; for my Dear Ones, humanity is about to emerge from the dark ages of captivity and know a freedom, a love, a peace and joy that few could have ever thought possible! And, only because of the great love, the great mercy and grace of our Father Yahweh! For, He first loved us! He created us! He gave us life; and He gave us His wonderful Son, who came with salvation for each of us! He made an everlasting covenant with us, that if we would live according to His dictates and honor His Son, our Blessed Saviour, that He would indeed give us eternal life, that he would save us from all of the great evil, which is about to befall this evil world!

Yes, indeed, He has shown us the Way, the Only Way through which we could ever be free! He has been ever so faithful to us! He has so greatly blessed us and has so miraculously provided for us all, saint and sinner alike. He fights for us all, even when we do not have one clue as to what He is doing or has done! He is faithful and His word is sure! It is pure and it is true! And, now comes the fulfillment of His promises regarding eternal life! Now comes the fulfillment of His promises regarding the Wedding Supper, the Marriage of the Lamb! Now comes the deliverance of the faithful, deliverance from these most horrific of times, ever to come upon this planet! Yes, now comes Salvation and now comes the Kingdom of our Saviour! Now, my Dear ones! Not years into the future, but now, soon, soon, and very soon!

**May We All Humble ourselves before our Mighty God Yahweh!**

May we all get on our faces before our Most Wondrous Creator Yahweh; and may we praise Him continually; for He is worthy! He is worthy of all the praise and all the glory and all the honor forever and ever! For, He is faithful and He has loved us with an

everlasting love! He has kept His eyes upon us and He has never given up on us, in spite of our rebellion and great sin! Yes, my Dear Souls, His mighty Name deserves to be lifted up, above every tall mountain, above every tall tree, and above every tribe, above every tongue and above every kindred and people! For, He and He alone is worthy! BLESSED IS THE HOLY NAME OF YAHWEH FOREVER AND EVER! OOOOOOO-EEEEEEEE! I LOVE HIM SO!

So that these works may be recorded in the Earth!

### Visits With The Annunaki!

It was on the late afternoon of the 15th of March, nearing dark, when I was coming back from the post office, that I looked ahead and saw an orange disk, low in the sky, and moving right across my path in the road. The whole craft was a glowing orange, but around the windows, there was a yellowish/orangish light! At that time, I was traveling one of the country roads in Arkansas as I was en route back to my house; and I mused at the appearance of this disk-shaped craft and just how low it was. There were no red and green blinking lights as this was no military craft; but on seeing it, I also suddenly recalled the many orange-colored crafts that I have been seeing over my house for the last two to three months.

Sitting high up the sky, these orange craft most often form a semi-circle in the sky; and night after night, when the visibility allows, I have seen them parked there! And below them, are Satan and his hoards in their crafts! However, within the last few months, I have seen little or no evidence of the red and green blinking disk-shaped craft of the U.S. military. And, because of this and because of the fact that I have not seen them coming in and out of the house for many weeks, I believe that the U. S. military was largly "forced" to step aside when the Annunaki came in!

The appearance of their orange-lighted craft seemed to coincide with the passage of Niburu, this passage being noticeably visible around January and February of 2007. This "two-tailed comet", erroneously named "Comet McNaught," was not a comet, but the Planet Niburu, and better for the "slaves," that they do not know that their slave masters are back and fully equipped to fully enslave, and/or to kill all of humanity!

In addition to the orange-lighted craft, I regularly see one or two white light craft with tones of blue and pink within the white light. These may all belong to Satan as well, but of a different sort than what I am have seen before! They make hellacious, loud, roaring noises also, noises that are like those, which are made by the smaller disk-shaped, military craft with the red and green blinking lights! Yet, I do not believe that they are U.S. Military as I have not seen the humans coming in and out of my house for many weeks!

### The Annunaki Visit

As for my observation of the low-flying orange craft, which I witnessed on the 15th of March of 2007, I would later find out that this was no accident! The Annunaki in that particular craft wanted me to take note of them; and to be favorable to their visit with me later that night! For, it was only a few hours after I arrived home, while I was working with the DNA to remove much of the wire and other stuff from my body, that someone began to speak to me! Read on and I will entail this conversation; but first I want you to take note of this date, March 15th! This was only two days after the monstrous Annunaki assault of the 13th of March, wherein they put sharp metals into my body, particularly my back; and I was unable to walk without a cane! Truly, my Dear Ones, I suffered great and excruciating pain in my back because of great amounts of metal, which was cutting into my flesh. By the date night of the 15th, I was still full of metal from this assault and was still suffering from the sharp metal pieces, which were sticking into my flesh!

I was working with the DNA to remove some of the great amount of metal, that still remained, and it was rather early in the night of the 15th of March, 2007, possibly around 7:00 PM, CST, or so, when a voice began speaking to me! “Your DNA does not yet have the capability to remove this metal. Look at it. It (the metal) is attached to your skin! It is melded into your skin and you cannot remove this metal without pulling out chunks of your skin!”

He went on to tell me that this kind of torture is what the Annunaki do to their prisoners and that there is none, who can escape the horrors of this punishment! He told me that one had tried to get free of this “melded” metal; and tore out great

amounts of his skin, thereby needing “skin grafts!” He also told me that by the following day, the new DNA would be able to remove some of the metal sheets from my body!

When he initially began to speak to me, I did know who was speaking, as our Father in Heaven had not yet allowed me to see him! So, I asked him to identify himself! It was at that point that he told me that he is Annunaki and that there are two with him. Then, I asked our Father in Heaven to allow me to see them; and almost immediately I was able to see the three, all dressed in light suits, but only one was doing the talking. I asked him, "How tall are you,” to which he replied, “Thirteen feet tall!” Then, he went on to tell me that there are those, who are much taller, fifteen, to seventeen feet! Yes, I could surely see that they were indeed “giants!”

He further told me that they “know” Yahweh and “love” Yahweh! He told me that Yahweh allowed 67 of their ships to pass through and that they serve Yahweh. He also told me that they have an underground base somewhere on this planet.

I asked him about King Anu, the King of the Annunaki and where he is now, to which he responded, that the King is staying in South America in a very large place. (Almost immediately after my talk with this Annunaki man, I remembered the Internet dialogues about the Bushes and how they have purchased a very large piece of land in Paraguay! I wondered whether this land could have been purchased as a base for the passing Annunaki King and his hoards! But, by the time that I remembered this information, the Annunaki were gone, so I was unable to inquire about this information!) But, I did ask him how long King Anu, the King of the Annunaki, would be in the Earth; and he told me that he will probably be here for six to eight months, or possibly longer!

The Annunaki man then went on to tell me that he does “medical” work for the Annunaki! He further told me that the Annunaki have perverted their DNA and that it will no longer function as it was originally designed to function. Therefore, they cannot get free of many of these most horrible of “metal, wire and implant” punishments, which are inserted into them!

That night, the Annunaki giant further told me that not all Annunaki are evil, and that there are those, who choose to do right and who also love and serve Yahweh! He further told me that there are those, who want to see the humans progress and want to see the humans get this new DNA. He also informed me that those, who are the servants of Yahweh, hope to go with the humans to our Father's Kingdom when the portal opens.

### Did the Annunaki man tell me the truth?

My Dear Ones, I take a "wait and see" attitude about everything that I hear them say! But, I also tell you that as our Father Yahweh governs my life, that He allows me to hear what He wants me to hear and to see what He wants me to see. This is also what I ask of Him, that He keep me within His will at all times. So, when an incident like this one happens, I know that it is most often for reasons that I may not fully understand. Nevertheless, I take note of what I hear and what I see, taking a "wait and see" attitude and then I go on with my life! However, my Dear Ones, if his words are so, may he and those Annunaki, who are righteous, be greatly blessed by our Father Yahweh, and also "saved" from the horrible times, which are at hand!

### The "Melded" Metal in my tissues!

My Dear Ones, I would later find out that the Annunaki told me the truth regarding the melded metal in my tissues! The metal was indeed "melded" into my flesh! It was part of my flesh, welded into my flesh in sheets; and as such the DNA could not get it out until our Father Yahweh imparted the growth and power into the DNA to make possible this work! My Dear Ones, I cannot possibly imagine how they could "meld" metal into one's flesh, unless they separate the metal at the subatomic level and then forge the particles into the flesh.

The metal was bright and yellow, like gold; and it was malleable, moving with my flesh, but also sticking into my flesh with each move. For, they had not forged sheets of smooth metal into my flesh! But, sheets of coarse metal, with sharp and pointed indentations! These indentations then became as plentiful, sharp spikes and these sharp spikes pushed and gouged continually into my flesh! As the DNA had neither

seen, nor experienced anything like this, it could not begin to get it out; but if it tried at my persistence, it truly would and did pull out chunks of my flesh. In some parts of my back, my flesh had the texture of chopped beef and was excruciatingly painful because I had “pushed” the DNA to remove this metal, when it did not yet have the capability!

My Dear Ones, I did not know any better as regarding this melded metal, as our Father had not said anything, so I learned an invaluable lesson as well, that in all things I must wait upon Him! And, after taking note of what the Annunaki was showing me, I waited upon our Father Yahweh to grow the DNA and to give it the power and capability to remove this “melded” metal!

It was on the night of the 17th of March, that our Father Yahweh came forth with a mighty victory for himself, for the new DNA and most assuredly for me! For, at that time, the “melded” metal began to roll out of my tissues, much as find sand would roll out of one’s hands at the beach. The DNA then sifted it out of my tissues and carried it to “parts unknown”, thereby removing every shred of this “melded” metal from my tissues and along with it, the last vestiges of the pain, which was caused from the sharp metal spikes!

To overcome this horrific Annunaki task, the DNA needed about four days; and this has been the case with many of their terrible schemes! Therefore, for this time-span of about four days, I have had to go about my daily tasks with vast amounts of metal, wire and other foreign substances in my body, often hobbling around, or feeling very tired from so many electrical currents pouring through my body, such powerful electrical currents, that often my body will be “rocking” beneath the force of their electrical assaults!

Great are their electrical assaults against me and great are their on-going attempts to enslave me any way they can! But, through all that they have done, they have failed to accomplish their purposes and amidst such great torture and persecution, the DNA has now grown to the point that it is a fully operational 360 degree DNA! And, daily, I am truly carried on the wings of the love, mercy, grace and power of our Blessed Father

Yahweh! Holy is His Name and Holy is the Name of Jesus, Yeshua, our Wonderful Saviour!

### More from the Annunaki

The same Annunaki was back in my house a few days after his initial visit and that time he told me that they, the Annunaki, had then "glued sheets of metal" into the tissues of my body in various places. As he told me these things, the DNA did for a fact reveal some of these "glued' places; and at that time, he told me that this is very powerful "glue" and that my DNA did not yet have the capability to overcome this powerful glue! And, this, my Dear Ones, was also true! I had to wait a certain number of days for our Father to empower the DNA to overcome the very strong glue, so that it could separate the glued metal from my tissues within my body.

Since that time, the same Annunaki has been back once, but it was a very short visit! That was around the around the 11th of April; and at that time he told me that it would not "take long" for the "liquid light" to come into my body! Indeed, this was true; for by the 21st of April, the 360 degree DNA was fully operational and with this fully operational 30 degree DNA, there began to come into my body a great amount of "liquid light!" But, on that day I just listened, not knowing whether he was in fact telling me the truth! The liquid light was only about ten days in coming through, but I remember at the time, that these ten days seemed like an eternity, and at times I wondered just when the liquid light would really come in!

### The Works of the Evil Annunaki!

My Dear Ones, this horrific "wiring" is not just an implant here and there in one's body! This amount is wire and metal is massive and extensively covers part, if not all of one's body, inch by inch! From day to day, the metal, in any given area of my body is almost SOLID!!!! So small are some of these metal pieces and wire fragments, that they literally saturate the tissues, thereby causing my whole body to become a walking mass of metal.

 From The Mountain Prophecies Copyright 2007

### Their Drugged and Mind Controlled Slaves!

When one is unable to get free of such a terrible assault, and has no divine intervention, such a victim will surely become their prisoner, thereafter becoming incapable of escaping and incapable of being anything other than a permanent slave! With the great amounts of metal, which saturates the body and with constant drugging and assaults via electronic impulses, these evil ones can easily override the will of their victims and these captives can easily become their permanent, mind controlled slaves! Oh, they have thought to do such a thing to me from day to day, but they totally underestimate the power of my God, the Great and Almighty God Yahweh! But, even so, they have given it their best shot! And, oh what absolute horrors they have done to their people; and what absolute horrors await humanity!

### Read what our Father in Heaven told Daniel!

My Dear Ones, in the Book of Daniel, Chapter 2:43, we are told of these evil Annunaki, as well as Satan and the fallen angels, when our Father tells Daniel, "And, whereas, thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay."
And, so it goes, my Dear Ones! I have seen the Annunaki King in my own house as he was conversing with a highly decorated military man! I have seen them all working hand in hand, but now at this critical juncture in these works, it seems that the humans have been pushed aside, leaving this work totally to Satan and the Annunaki overlords!

### Other-Worldly Technology!

My Dear Ones, it is a fact that many of the Annunaki are utterly ruthless, and they are extremely advanced, being a greatly older and much more advanced race than the humans! Their technology is hundreds of thousands, if not millions of years ahead of what we could ever imagine, and such technology seems like science fiction to us, but for sure a science fiction of the ghouls and devils! Their torture schemes are horrible beyond any measure; disgusting and unthinkable to most of us! Nevertheless, they are here and they are advancing in their efforts to make slaves of every remaining human, that is, after they kill exterminate many!

In the last few years, which remain before the rule of our Saviour, they will use these horrific schemes of torture and mind control on the humans! This time is at hand; and I a certain victim! I know the truth of their ways! I write the truth of what I live through and endure from day to day! I could not live for even one minute under their feet if our Blessed Father did not fight my battles and supernaturally carry me in his love, grace and mercy!

### What will Happen to these evil Annunaki?

It is written in Isaiah Ch 24 that many of them will surely be put into the burning pits! Read these words from Isaiah Chapter 24:21-22! "And, it shall come to pass in that day, that the Lord shall punish the host of the high ones that are on high, and the kings of the earth upon the earth. And, they shall be gathered together, as prisoners are gathered in the pit, and shall be shut up in the prison, and after many days shall they be visited."

Will this happen when the Earth is turned upside down? If we go back to verses 19 and 20, in Isaiah Chapter 24, we read, "The earth is utterly broken down, the earth is moved exceedingly. The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall and not rise again."

So, my Dear Ones, will our Lord and God put many of them into the pits at the time of the flipping of the earth, and just how close are we to this flipping! Later on, I will give you some vital information about my own current observations about this now wobbling earth, but right now, I shall proceed to record information as regards these current works!

### The DNA had to learn evil!

Yes, indeed, they are going to use these horrific and disgusting schemes of slavery on the poor and unsuspecting humans and also on those in the Supernatural Army! This is why this new DNA must "know" how to get free of the horrific Annunaki kinds of punishment, not only to keep the supernatural army free when these horrible implants

are put into their bodies, but also to help the Supernatural Army of our Father Yahweh in its work with the soon-enslaved humans, to make and keep them free as well! Remember that this DNA came straight from heaven; and as such it was naïve to evil! It had only known the beauty, the light and love of heaven; and it had to grow to know evil, to know the torture tricks of Satan, the fallen angels, the evil humans and the Annunaki clown gods! Through these many months, this DNA has been learning to fight all of their horrific technology and to overcome any and everything, which they have thrown at it! In this way, our Father has grown it and is making it ready to go out to those, who are ready to receive it!

Yes, this has been a time of great learning for this beautiful DNA, this perfect creation of our Father; and it has been a time of great torture and persecution for me, yet also a time of unparalleled miracles in my life! But, through it all, my Dear Ones, I can only say that I am blessed, exceedingly blessed and extremely grateful that our Father has called me and chose me for a work, which will greatly bless humanity! Surely, this new DNA will bear wonderful fruit for our Father Yahweh for many generations to come! May we all strive to please Him and bless Him in every way! Praises to His Holy Name!

**The Kingdom of our Father, "will break in pieces and consume all these kingdoms."**

As we read on in the Book of Daniel, Chapter 2:44, we read about our Father's Kingdom when our Father tells Daniel, "And, in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand forever!"

So, my Dear Ones, our Father will set up His Kingdom in the Earth even while the antichrist is ruling and during the reign of the antichrist kings! Yes, indeed! These beautiful souls will come back into the Earth, fully empowered by our Father, in possession of new bodies, new DNA, given great power from our Beloved Lord and God, and they will lay to waste much, much evil! They will fight for the enslaved humans and they will heal and set many free!

Blessed is the Holy Name of our Mighty God Yahweh; for He is all-powerful and wonderful beyond any descriptions! May we all continually bow before Him in praise and thanksgiving; for if not for His great love and faithfulness, we would all be destroyed! He and His Beautiful Son are the Only Hope in this dark and evil world!

**Why there had to be a new human DNA!**

My Dear Brothers and Sisters, as we look around in the Earth, we continually see the great genetic experiments, which are being carried out against all manner of our Father's creations! Against the plants, against the animals and within the past few years, against the human DNA! A few years back, scientists decoded the human DNA and since that time, we have read of almost constant assaults against the human DNA! I am sure that many of you have read of the human/sheep, a sheep, which is now15% human!

My Dear Ones, Satan and the Annunaki hoards are making a great effort to totally destroy the current human DNA and to totally destroy the DNA of plants and animals on this Earth as they see themselves losing and are therefore out to "trash" the whole earth! At this time, the plant seeds are so hybridized and combined with different kinds of bug DNA and other kinds of DNA, that much of the food that we eat, has become toxic to the humans! Mass poisonings are taking place as many are becoming sick from such blatantly contaminated food!

Their motto is that if they cannot be in control, they will totally destroy all that is in the earth! And, they have been busily doing such things for many years, to such a degree that the whole food chain is a great wreck right now! If allowed to continue in their great assaults against the human DNA, there would be no humans left within a few years, only genetic aberants and nightmares! Therefore, our Father Yahweh is bringing forth this new DNA as it is time for those, who are worthy, to receive it; and it is also time for the Beautiful Kingdom of Our Lord and God to roll forth! His timing is perfect in all things! Blessed is the Holy Name of Yahweh!

**A Month of Unbelievable Torture!**

My Dear Ones, the whole months of March and April were really one big blur of torture, torture and more torture as I waited from day to day for the DNA to acquire the skills that it needed to overcome the next round of torture! When the DNA mastered the "melded" metal, I was elated, but truly this elation would be short-lived! From the melded metal, they simply forged ahead in their vast repertoire of torture techniques. They went from single layers of the melded metal to multiple layers of melded metal, and literally put these all over my body! And from multiple layers of the melded metal to multiple sheets of pure metal, this metal driven into my body and layered all over my torso, my brain, my face, my legs, and arms as they so chose! On my left wrist and in my left knees, I looked one morning to see red streaks running across my flesh, the red streaks perfectly spaced and placed at around five per centimeter.

I knew that these red places in my flesh represented places, wherein they had just put sheets, or strips of metal into my tissues, and as I said, about five per centimeter! But not just sheets of metal did they layer into my body, but within these sheets, tiny wires up and down my body were also forged between these sheets of metal, with strong glue forged into the tissues holding the metal to the metal and the metal to the flesh! Oh, they have packed my head solid with such things and my body solid with such things over and over again.

My Dear Ones, I have counted as many as sixty plus sheets of metal in some parts of my body, not once my Dear Ones, for they never do their tricks only once, but over and over again, night after night, day after day, with so much metal, so many metal sheets slicing through my whole body, sandwiched between the tissues and held in place, either with terrible glue or metal welded to tissues, or welded into tissues and then into the next sheet of metal! And, oh yes with each new addition, which the DNA had not encountered before, it had to take some time to get the added dimension of power, which it needed to overcome what they had done!

And, not only metal and massive amounts of wire, but imbedded in my flesh, particularly in my back, they have put wire frames, which they pushed down into my back, into my right cheek, into my chest and any other place that they have so wanted.

And, into these wire frames, they have layered vast amounts of wire, and wire designs in layers, with each layer separated from the other by either cloth or rubber separators! Oh, the horrors of it all, day after day and night after night!

In addition, they began an assault against my lungs more than six weeks ago and to this day, they have not let up! Into my lungs, into the lining of my lungs, they forge metal strips, and into my esophagus, into my trachea, and into my stomach, my chest, bowels and elsewhere! Massive amounts of metal strips, sheets of metal and more metal. And, then into my lungs and into my head and sinuses with vast amounts of mucus, and with the metal strips in my lungs, they were literally trying to drown out my lungs, making my lungs immovable, so that when I coughed I could not cough up the phlegm.

Then, into the back of my throat, they have continually put many, many burry, metal things, which looked like metal sandspurs, or metal burrs of some sort, but of many sizes and shapes. These burrs in the back of my throat would rub my throat and make me cough, and seeing this, Satan and his hoards them began to ram them into my chest, into my trachea and into my lungs. Then, they began to go wild, forging them into my whole body! Into my flesh, into my knees, into my brain, and on and on they went!

But, I just waited! I waited upon our Lord and God to bring forth the power to put it into the DNA to dissolve these disgusting burrs and I am better than good, I am great because of the saving grace of One Loving God Yahweh!

They sit in their ships and drive these horrible things into my body for hours on end each night, but not limited to the nights at all. They now attack me all through the day as they so please, for they are furious about the advancements of this new DNA!

Amidst the metal sheets, the have repeatedly placed metal strips, some of them very narrow and most certainly almost microscopic in my teeth and gums, but others long and wide and running the length of my body, even from my shoulders down into my feet. They have driven these strips into my body horizontally, and vertically and to

 From The Mountain Prophecies Copyright 2007

such saturation at times that they have literally tried to turn my whole body into metal. These metal strips have been absolutely solid in places within my body as they continually drive them into certain places one on top of the other until there are massive numbers of them in certain parts of my body!

And, between the strips and sheets of metal, in their attempts to turn my whole body into metal, they have repeatedly forged patterns of metal fragments into my tissues to such a degree that my whole body has in fact been almost continually saturated with metals in some shape or form! At times, my face, my gums, and my body have been swollen with so much metal, metal in my lungs, metal in my heart, metal in my back, in my spine, in my legs, and elsewhere, even and especially into my knees! Day after day, they have attacked my knees, driving metal strips into the bones, and large screws into my kneecaps and into the bones and nerves of my legs! They have done all that they could conjure up to make me crippled and/or to cause me to be unable to walk! Oh, their evil torture has cause me great pain from time to time, but even so, I go on; for this, too, is but a small thing to endure for the love of my Mighty God!

### The Wire Designs!

What terrible things! They first began to put these into my teeth and jaws some months past! First, came Satan and the humans in the summer and fall of this last year! At that time, they would forge wires into my teeth and gums, running certain wires the length of my gums and teeth and inserting tiny locks at certain places along these wires! These were, tiny, round locks, which the DNA would need to find and to unlock to be able to remove the wire designs. To put these tiny wire fragments into my teeth and gums, they would come into my room and would often work for hours and hours on only the right side of my teeth and gums! They would hold a certain device in their hands and literally force these tiny, wire particles into my gums, particle by particle! I remember going to sleep so often with the pain of sharp metallic objects being forced into the nerves of my teeth and gums and knowing that I could not do one thing but to wait upon our Lord and God to help me!

But, now my Dear Ones, they do not use such archaic technology; for they have the Annunaki technology and with this new and more advanced technology, they can sit up

in their ships, and literally fill up my whole body with massive amounts of wire and other stuff, including my teeth and gums in a very few hours!

Via their computers in their craft, they force these tiny wires into my body, making their wire designs, their swirls, circles, etc until the wire designs are tight and solid, literally filling up and packing the teeth and the tissues. These designs are layered, or are placed as designs within designs; and they are put into my body in a certain manner! Therefore, the DNA must then "know" to remove them in this certain way, or the tiny wires and/or microscopic "chip-like" things will lock up and tear at the flesh.

Therefore, the DNA has often needed some time to learn how to remove these wire and "chip-like" designs. These "chip-like" designs are made of small, very small stackable, square objects, either made of metal, or something like silica; and they are forged into the tissues, thereby making long rows of hard metal-like, or silica-like objects in the skin, teeth, gums, face, or in other parts of the body!

My Dear Ones, these are microscopic particles! Indeed microscopic, extremely small; and they gorge the tissues to such a degree that I cannot possibly understand how the tissues can live at all; but there again I am carried by our Father Yahweh in a most miraculous way! These computerized designs are layered, forged one into the other, stacked tight, even in my back, and all across my back they have put such things, into my chest and into other parts of my body, fully stuffing my head and brain to the point that in the past, it would take the DNA many, many hours to remove them from only one part of my body! For, the DNA has had to learn to unravel such things, to learn them; and this has taken time!

**They are desperate!**

My Dear Ones, why in the world have these evil hoards pushed so hard to turn my whole body into metal! It is for none other reason than the fact that they believe that they can somehow get control of me and my mind and thereby steal these works! For, by now they have failed to steal the DNA by trying to make it grow onto someone else's flesh! This meat parade went on for about six months; and even went on after the Annunaki came! I believe that they are the ones, who started the trend of putting

“slabs” of meat in my back, in my neck, even face, very long pieces of meat, all in their attempts to get the new DNA to grow onto their meat samples.

So, having failed to grow out the DNA onto meat samples, they have worked overboard to get control of me any way they can! Not only have these evil hoards tried to fill up my body with metals and wires, but they have daily forged a thick, chalky powder into my teeth, into my gums, into my jaws, into my neck, copiously into my brain and even into my back, and into other parts of my body. I believe that this thick, chalky substance, which is forged into the tissues until they are solid as a rock with this stuff, is a drug of some sort. They are so obsessed with controlling me any way that they can, that they will do anything, anything at all; and they have! And, I am sure that so many chemicals in my body also make me tired from day to day, but even so, our Father carries me! For, if not, such things would have killed me long ago!

But, not just the metals and the drugs! For weeks on end, they have put rubber masks inside the skin of my face! And, although this is not visible from the outside, it is visible to me and to those, who know me! For, from day to day, my face is swollen! My neck is swollen and in fact my whole body is swollen with so much foreign stuff in my body! Often, my abdomen is so swollen that I appear to be eight or nine months pregnant! But, as the DNA cleans out so much horrible stuff from my body, my face will often get thin! My neck will get thin! I can once again feel the bones in my forehead! I can once again feel the bones in my nose!

It is not unusual for me to lose eight or ten inches in my waist after the DNA cleans out my abdomen. A few days ago when the DNA removed so much stuff from my head and face, along with great amounts of rubber, my face suddenly looked as if I had lost about ten pounds! I could not believe that for the first time in many months, I could feel my nose bone. I could feel the bones in my forehead. I could see my cheek bones and I could feel them! And, my stomach was suddenly flatter, so much flatter that my pants did not want to stay up! I must regularly be filled with at least ten pounds of metal, rubber and other kinds of stuff, if not more!

My Dear Ones, it is a one-up-man-ship every day! Our Father in Heaven puts His power into the DNA to override what they have done, and they are back as fast as possible with yet another scheme, the latter being even more bizarre than the former! Truly, this is as it was with Moses and the Pharaoh! Will our Father soon finish these works, take his faithful to the Land of Promises, and then drown these wicked Pharaohs?

### The Evil "hell-hound!"

It was about three weeks ago, after I had been sitting outside for a little while that I decided to take a bathroom break. This was around 6:30 PM and I emerged from the bathroom at 2:20 AM. As I was sitting on the commode, the DNA began to unravel some of the horrific wire designs, which were in my neck and head; and I could not get up until the DNA reached a stopping place. Satan was in and out of the bathroom, and along with him at one point one of the Annunaki. And, during that time, that monster from hell put about twenty small ticks on my feet, ankles and legs. I would feel something crawling on my leg and look to see one of these tiny, seed ticks. He did this over and over again to distract me and to stop the DNA from overcoming what they had done to me. But, I continued to work, even though I had many tick bites on my ankles by the end of his assault. Oh, this is nothing new for this hell-hound! He has done such things in the past; but I just stay focused and go on! Our Father gets me through what I must do and I do not let such nonsense get me down!

### How the DNA has been tested!

When the DNA begins to work, it has worked many times for eight, ten, or more hours straight; and I have had to be attentive and in the Spirit, to follow what it was doing and to do anything that I may need to do to help the DNA. When it has been time for the DNA to learn a new task, I have had to be quiet and attentive, to stay "in the Spirit" until it has finished the task! On many occasions, I have known that our Father was putting the DNA to a certain "test" and that the DNA must complete this "test" to the satisfaction of our Father Yahweh! But, when the DNA has been working at such a "test", the evil hoards have repeatedly tried distract me any way possible to keep the

DNA from accomplishing this task! It has been at these times, my Dear Ones, that I have had to discipline my mind and to work to mentally to stay on course!

### How our Father Yahweh Shaped My Education!

Years ago, even in my second year of college, I learned self hypnosis and this was really from observational learning! At that time, I had a professor of clinical psychology, who was also a retired psychiatrist, and one day he proceeded to try to hypnotize the class!

It did not work on me, but it did work on many, and I was astounded to see that others had their hands "locked up" unable to get them free, to see that some were sound asleep, and that others were making strange noises, barking like dogs etc, as they were commanded to do so.

I suppose that I was not a very good subject as his suggestions had no effect on me, but I remembered how he had mass hypnotized so many! And, from what I observed him do, I believed that I could give myself hypnotic suggestions and that I could overcome my fear of a statistics course, which I had to take soon.

Well, it worked! Through observation, I learned self-hypnosis and I overcame my fear of statistics and went on to have an average somewhere around 97 by the end of the quarter! Most people hate statistics as it is really a complicated and boring science, but as for me I truly delighted in statistics and even when I went on to get a Masters' degree in Psychology, I still enjoyed it greatly and did well in these studies again!

From there I used self-hypnosis to get As in physics, chemistry and other classes, which are indeed difficult. So, in my late teens, I learned hypnosis and in my early forties, I learned to "still" my mind and learned how to focus my mind further by learning "meditation," not with silly mantras, but through simply imaging an object in my own mind and keeping the focus of my mind on this object, perhaps by imaging a blooming flower, or some other object, for extended periods of time several times a week! In this way, I learned to focus my mind sharply and to shut out all extraneous thoughts and interruptions. This may sound simple, but is indeed not simple to do;

and most cannot and will not learn it as it requires much discipline! But, with persistence, one can truly learn to tame the unruly mind, which always wants to be in control by projecting restless and busy thoughts into one's everyday life! This work, which I learned so many years ago, has helped me to be able to focus my mind, to stay on track regarding this work, and to put out of my mind all other distractions!

So, meditation in this way is really nothing more than learning to cease all thoughts and to focus the mind. Having learned this very art of meditation, having learned to still the mind, has helped me greatly to stay in the Spirit for as long as eight, ten and even up to twelve hours at a time in doing this work. And, the self-hypnosis, which I learned in my late teens, has helped me greatly to deal with great amounts of pain and more pain, which I have suffered during these massive assaults!

As I look back on my life, I know that our Beloved Father was there to guide me in my studies even when I did not know Him! I often wondered why I went to college for nine years and studied so many things, including Pre-med and even went to medical school in Spain! And, I might have continued and finished my medical studies if the ruling dictator of Spain, Franco, had not died late in my freshman year, his death throwing the country into chaos!

Because of the martial law in Spain, the medical school closed and I then decided to return to the States! Thereafter, I earned a Master's Degree in Psychology and went on to do some work on a doctorate degree in Psychology! Yet, there would come a time when I would look at my life and see the emptiness in all that I was doing; for I was spiritually lost and had drifted into alcoholism! That realization hit me in 1987 and in that same year, our Saviour came to visit me and subsequently carried me up a spiral stairway and in to the light of heaven! The rest is history, as from there I began my long walk into the service of our Lord and God!

When I look back on so many years spent in the pursuit of knowledge, I can now say that it was not a loss! For a certainty, I have been able to draw on much that I have learned and have been able to use this knowledge to help me get through some very hard times! Even last summer, there was a time when I was aware that these evil ones

 From The Mountain Prophecies Copyright 2007

were using classical Pavlovian Conditioning on me. One day, our Father let me hear them ring a bell and thereafter give a verbal cue. I just mused at their foolishness and had a good chuckle! Surely, these evil ones have drugged me often and have tried to control my mind anyway and every way they could; and it is not because of any training in psychology that they have failed. It is because of the love, the grace, the mercy and the great power and protection of our Blessed Father Yahweh, that they have failed. I give him all the praise, all the power, all the honor and all the glory for keeping me and for carrying me through a literal hell on Earth!

### Passover of 2007!

Was it on April 02, as many calendars say; or is it just beginning now, on May 02, 2007? My Dear Ones, I looked with great anticipation toward this Passover, which I believed to begin on the 2nd of April of this year! I had hoped that our Father would send the wings for me at that time and take also the clean souls, who are ready to go! But, as I would learn a month later, it seems that this date of Passover, though widely distributed may actually be in error! However, even if the original date of April 02 is incorrect, beautiful things did begin to happen regarding these works during that time!

### The Long Stream of Visions!

It was two days before the Passover date of April 02, while I was sitting at my kitchen table, that I suddenly had a vision. This vision came after our Father said the words, “You must round the curve!” What is most astounding about these words is that I titled the beginning of this chapter, “Rounding the Curve” about two weeks before our Father gave me these words! My, it has surely taken me a long time to finish this chapter!

As I heard his words, “You must round the curve,” I had a vision in which I saw myself standing behind a very huge and muscular work horse, which looked like a Clydesdale horse! I was holding the reigns and standing on what appeared to be a buckboard, which was connected to a four-wheeled wagon, which followed behind me and the horse. I looked at the wagon, and it was a brown and ordinary wooden wagon, but in the center of this wagon was a white, bowl-shaped object, which looked like ivory, but which would later prove to be of another substance, even heavenly substance. I looked inside this large, white bowl, like object, which went the width of the wagon and saw to

my amazement that it was full of gifts. Beautifully, wrapped gifts! All in white, but with both gold and silvery bows and some even had flowers attached to the bows!

Later that afternoon, which was two days before Passover, I marveled at just what "round the curve" could possible mean; and of course I wondered if rounding this curve could possibly be my longstanding desire for the Wings of Revelation Chapter Twelve! But, more than the wings, it is and has been my heart's desire to please our Father and to remain here until He is truly satisfied with all of this work! And, He knows as well, that from day to day, I continue on, hoping for and longing for the time when I will be able to stand before Him and hear His words that He is pleased in me and what I have done for Him!

That day, two days before Passover, the horses were not moving! I was just standing behind them; and we were waiting for the DNA to advance and move forward and accomplish the next task, which the Annunaki had put before it! I tell you, my Dear Ones, that they have been unrelenting in their assaults. Satan and these hoards have been after me day and night, night and day. When 6:00 would roll around, and the DNA had not accomplished what it should have accomplished, they were driving more and more wire and metals into my tired and weary body. And, even through the day, as they so desired, when they would see that the DNA did not have the ability to do what they had put on it to do, they would drive great amounts of metal particles and sheets of metal into my body, regardless of where I might happen to be, whether at home, or in my car as I was going into the city!

So, I was indeed anxious to "round that curve" and hoping that when I rounded that curve, I would be free of these terrible oppressors! But, "rounding" that curve would not happen in one day, and not in several days! However, as the days passed, I would get other visions about "rounding the curve!"

A day or two after the initial vision, I saw myself again in another "rounding the curve" vision; and this time, I saw that there were two horses, who were pulling me and the heavenly cargo; and at that time I wondered whether these two horses represented the heavenly horse power of our Father and Saviour; but as the days would go on and the

visions would get more advanced, I realized that these two horses represented the double-stranded DNA, which I have had in my body since birth!

At the time of that second vision, I went back and inspected the heavenly cargo and was amazed to be able to run my hand right through the white bowl-like structure! When I touched one of the gifts, there came into my hand, a most beautiful liquid rainbow light! But, otherwise, these beautiful gifts now resting in this beautiful bowl, exuded a beautiful white light, radiant and glowing; and I was beginning to see light coming from around the curve and hitting the fronts of the horses! Bursts of light, but oh, so beautiful to see! I was beginning to sense something so wonderful that was just ahead!

In the coming week of Passover, I would get one or two more visions of me and these beautiful "Clydesdale" work horses and with each vision, I could see that more and more light was hitting the horses, but it had not yet reached past them to me!

It would be on the 11th day of April that I would again have a vision of me and these beautiful horses and the heavenly cargo! This time, I was lying in my bed when I first saw the horses; and to my amazement, the horses were almost totally white. Yet, there were amazing changes in their appearances. Their eyes were of pure white fire and they were still muscular, but this time, muscular like Quarter horses, like a race horse! And, I immediately thought, "These are not work horses, but war horses!"

As my eyes ran over these most amazing horses, I could see that they still had the hairy feet of the Clydesdale work horses and the reigns on them were still brown. Trailing the reigns backward, I could see that I held these brown reigns in my own hands! Then, my eyes fell on myself; and I could see that the whole front of my clothes was made of radiant light, but the back of my clothes was still brown as was the wagon and the reigns, which were still in my hands! My shoes were huge, much too huge for me; and they were also brown. I looked back at the heavenly cargo and I saw that it was glowing with a great and powerful rainbow light! Up ahead was pure white light; and this was all that I could see! Once more, the horses and I were standing still; but I could see that the horses were lively and they anticipated going forward very soon!

As the days advanced, these visions advanced, with the horses becoming horses of "light and the light from around the curve coming into me, my clothes began to turn into white light! As the days went by, I began to see a wall of light and the horses began to enter into this wall of light, a little at a time as the days went by! Finally, around the 21st of April, the horses totally disappeared into the light! Then, one day, perhaps around the 23rd of April, I looked to see that the wagon was gone and I was dressed in a shimmering robe of light! The beautiful gifts were attached to my robe and as I looked at them, all that I could see were shimmering rainbows on my robe.

On seeing such a beautiful vision, I thought, "What next?" And, in the next vision, I saw our Saviour, who was peering down at me from a round hole in the sky. His hands were flowing with liquid light and I was now in the air, my feet fitted with white ballerina shoes and my whole robe full of such beautiful white light. On seeing Him, I was able to reach up and touch his hands and the liquid light flowed into me from his hands! On subsequent days, I was taken back to the same vision, and as the days passed, our Saviour anointed my hands, my head, my feet and even my shoulders with the flowing liquid light! As He did these things, I also saw the amount of liquid light increasing within the DNA until it has gotten to the point that it can successfully dissolve great amounts of metal in my body, almost completely so, within about two to three hours! And, this is where I am right now, on the beginning of the very day that some say is really the Passover!

And, all of that was explained to me yesterday, on the eve of what may actually be the true Passover. From what I learned, the Passover must be counted from the first crescent moon after the spring equinox, during the barley season! And, from this crescent moon, the Passover is determined to be a set number of days forward. In other words, I was told that those, who decided that April 02 of this year is Passover had made a big goof; and from what this man told me, I have had to re-think Passover of this year! In fact, he is most probably right as he told me exactly why they had erred and why he knows the correct dates of the Passover for this year! So, my Dear Ones, we may actually be now in the real Passover! Well, all the praise and all the glory to our Father Yahweh, for He surely had me to call this man on the eve of Passover!

**What is Going on with this Passover?**

I have entailed in the last chapter that I overheard two, who were on my porch as they were speaking several weeks past. At that time, one said to the other that a “freak” thing is coming from outer space! What I forgot to tell you is that this same one, who spoke of this “freak” thing said they expected it to come in within about three weeks; and from that point, I calculated forward; and this put their expected date of the coming of this “freak” event on the beginning of Passover, that is on the April 02 Passover date!

Now, most of us would probably say that nothing out of the ordinary happened on that Passover, but I tell you that you are absolutely wrong! I have been watching the heavens for many years and with reason! But, I have particularly been watching the heavens since I had a dream, which seemed to indicate the return of our Saviour on a full moon. There was in fact a full moon on or around April 02. For two nights before the 2nd of April, I was watching the position of the full moon; and it came up in the northeast and was exactly were I had seen it in the dream in the fall of 2005! In fact, the full moon always comes up to the northeast of my house and it always shines between two, particularly tall trees when it is low in the sky! And, this is exactly what I had seen on both March 31 of 2007 and April 01 of 2007! But, on the night of April 2nd, the beginning of what some call Passover, I went out to see the full moon and it was not between the usual trees, even though it was still low in the sky! In fact, the moon had moved! It had actually moved to the south/southeast, and was somewhere between 30 to 50 degrees off course!

Now after that week of Passover has passed, I read about large waves, which were coming inland into Mexico and South America! One such wave pummeled the coast of Acapulco and moved across the beach and into the streets and I assume shops, which were near the beach! Many were amazed at this and in awe that such waves are coming in, not tsunamis, but extremely huge and tall waves!

My Dear Ones, these waves are being caused by the rocking and swaying of the earth as it is wobbling greatly and erratically from side to side! For, it is surely getting ready to flip over! May we all recall the words of Isaiah the prophet, who penned the words in

Isaiah Chapter Twenty-Four verses 1and6 “Behold, the Lord maketh the earth empty, and maketh it waste, and turneth it upside down, and scattereth abroad the inhabitants thereof. Therefore, the curse devoureth the earth, and they that dwell therein are desolate: therefore the inhabitants of the earth are burned, and few men are left!

Look at the word, “burned!” What will burn them? Remember the words of the Mars man, who told of a wave of light, which he said would come into the earth and would “burn” up much! Is this what will “burn” them?

From day to day, we can see disastrous things taking place in the earth, with much instability concerning the poles of this planet, from the melting of the ice to the erratic positions of the electromagnetic positions of the poles, themselves! And, we know that great and terrible events are taking place within the earth; and horrible things are about to take place, far worse than we can ever imagine!

### The Earth Wobbling Like a Drunkard!

My Dear Ones, it was early in the morning of the 30th of April that I was awakened from a sound sleep and had an urge to get up and go outside and look at the sky! This is not altogether unusual as so many bizarre things are constantly taking place in the sky over my house! So, I did this, and was shocked again!

Just the night before, I had seen the near-full moon as it was in the northeast sky; and it was coming up again, right through the two tall trees. Even though the moon was not really full, I was not too concerned about it being a little off course as it was nearly full! But, by the following morning, as the moon made its trek across the sky, it had moved to the extreme southwest, very near to the horizon!

This was shocking! Utterly shocking to see such a dramatic change in the course of the moon! This, my Dear Ones, is fulfillment of the verse in Isaiah 24:20 in which we are told, “the earth shall reel to and fro like a drunkard…” And, what comes next? It is Isaiah 24:1 “Behold, the Lord maketh the earth empty, and maketh it waste, and turneth it upside down …” My Dear Ones, surely the Earth is about to be turned upside down! Get your spiritual lives in order! Time is fast running out!

My Dear Ones, can the minds of most grasp what is unfolding in our own midst? I don't think so! When something is out of the ordinary for most people, they put it aside. When it is unsettling to them and to their daily routines, most people go into denial! Not all, but most! For, it is easier to deny the unthinkable and to continue on in the unreal and surreal than to spend some time on one's knees before our Lord and God seeking guidance and understanding!

My Dear Brothers and Sisters, there is so very much that I could tell you, but I will cut this short for now, as I am actually quite tired. This is why it has taken me so long to get this out to you! From day to day, I have been so tired from such a long war, with little energy left for other things!

But, as I write my closing words, I want you to take note of the 12 month birthdate of the new DNA! For, it was on May 10th, while I was in Centurion South Africa last year, that our Saviour appeared and gave me a beautiful baby of light, yes beautiful and perfect in every way! This was the baby DNA!

Over this last year, this little baby has grown to such a degree that it is now fully operational in my body as 360 degree DNA. I do not have to do anything to help the DNA in the Spirit anymore as it is fully powered by our Father and does all of the work. I do not have to spend great hours in the Spirit, watching as it learn a new task, as it does all of this on its own, under the guidance and direction of our Father Yahweh!

Now comes the end of the twelve months, the first full year in which this new DNA has grown in my body, the DNA now being independent and able to do all that is before it. Yet, seeing this, the evil ones further load it down from day to day! But, even so, this is most certainly part of our Father's plan for the continued learning and for the increased infilling of the liquid light!

How long this must go on? I do not know! But, I tell leave you with one very important piece of information! In the latest visions as I stand before our Saviour, all dressed in a beautiful and radiant robe of white light, I see that I am developing little wings of white light. Gone are the brown horses, the old double-stranded DNA! Gone are my old work

clothes of this Earth! Gone is the brown wagon; for the gifts are now a part of me and are ready to go back to our Father! My Dear Ones, I am looking heavenward!

How long will it take for the little wings of light to become giant eagle's wings and to carry me and the baby back to our Father? I do not know, and cannot even guess; for these works have gone very slowly. But, it is interesting to note that this Passover week ends on the 9th, the very day on which this DNA will complete one full year in this earth! I do not know what this means, if it means anything at all! But, I continue on, waiting and watching for the wings to grow and for the liquid light to grow! One day soon, I hope to fly right out of here and to go heavenward, and hopefully with me, or close behind me, all beautiful and worthy souls!

To you, my Faithful and Beautiful Friends, I hope that we will soon meet each other at the Wedding Supper of the Lamb! Many are waiting anxiously for us all!

Your Sis,
Linda Newkirk

My Dear Ones, it has come to my attention that there are problems with sending e-mails via the website. I extend to you my great apologies! I have only recently found this out! However, the truth is that I simply do not have the time, or the extra strength most days to even get on the computer. I regret that I have been unable to answer your e-mails. # CHAPTER THIRTY-NINE

Dear Brothers and Sisters, I send you greeting and much love in the Name of our Blessed Saviour, Jesus, Messiah! I know that this one has been a long time in the coming! My great apologies; for I have wanted to get this information out to you sooner, but up until now, (the 22nd of July of 2007) I have not been prompted by the Spirit of God to sit and write to you as regards these works. In addition, I have been exceedingly tired from day to day as my body (59 years old as of July 20th) has been tortured and persecuted day and night for so long that I hardly remember another way of life! Yes, indeed, these have been hard, hard times, but through all that I have endured, our Blessed Father Yahweh and our Beautiful Saviour have so wondrously carried me! Words cannot describe my great love for Him and for our Saviour! My heart is continually humbled beyond measure as I daily witness their great love for each of us!

## Eyes have not Seen and Ears have not Heard!

My Dear Ones, with each passing day, we are getting closer and closer to something so wonderful that there are no words to describe it! None of us can imagine what our Father in Heaven has for us! None of us can imagine our Father's Kingdom come into the Earth! We cannot imagine the great blessings, which He has for us in Heaven! We cannot imagine eternal life and all that goes with it! There is no way that we can dare imagine what we have neither seen, nor experienced! But, soon, ever so soon, we are going to be so amazed, so in awe of what He has done for the Faithful, for His Bride! My Dear Ones, it was only about four or five days ago that I awoke to hear the Spirit of God speaking these words to me, "Eyes have not seen and ears have not heard what I am about to do!" As soon as I heard these words, I was wide awake and so excited, so full of joy and expectation, that I jumped straight out of bed with great praises of joy and thanks on my lips and in my heart! Oh, the time of great and unheard of blessings is close, very close for the faithful! The Coming of Our Saviour for His Bride is surely at hand!

### Here Comes the Bride!

In one of the past messages, which our Father in Heaven gave to me, He also told us that He will take the 144,000 clean souls when He comes for me! In a dream, which a Dear brother had, he saw me coming down a hallway! Behind were many "boys," and in the dream he noted a short distance between me and these "boys!" He told me that there was to be a birthday party for him, that is, a party for the man, who had the dream!

In this dream, the hallway represents the heavenly corridor, which leads to the throne of our Father Yahweh. The angels of Heaven and our Saviour have been working to complete this heavenly corridor since the spring of 2006 and as far as I know it is almost totally complete! In this dream, this spiritual "brother" represents the "man child," who will rule the world with a rod of iron! This dream seems to indicate that the "baby boy" if Rev 12 (the holy seed) will be taken at the same time as the 144,000 clean souls, or better stated, those, who will receive the "holy seed" or the new DNA. These 144,000 clean souls also represent the "Sons of God" manifest! And, truly, there is about to be a heavenly birthday party for the bride, for these Sons of God!

### More Understanding About the"Firstfruits" and the Bride!

We are told in Revelation Chapter Fourteen about 144,000, who are taken first! They are therefore called, the "Firstfruits," the "Firstfruits" meaning the ones, who are taken, or harvested first! We also know from this same chapter they are "redeemed" from the earth! They are "redeemed from among men!" In other words, they are "saved" first; and this adds more meaning to Rev 12:10, wherein we are told, "now comes salvation!" Surely, this Bride is taken in conjunction with the taking of this holy seed of Revelation 12! The souls, who are redeemed first, come from among the people of the earth and when they are redeemed, they finish their work as mere mortals! We are told in Rev 14 that these "sing a new song;" and from divine revelation, which our Father in Heaven has given to me, this "new song" is the DNA song, or the song of the "holy seed!" For, our Father in Heaven has told me that the perfect DNA of each creation makes a perfect song! When this "holy seed" is imparted to the Bride, she will then exceed the boundaries of mere mortality and will take on immortality, thereby being the first to

 From The Mountain Prophecies Copyright 2007

receive eternal life!This has been our Father's promise to the faithful and clean souls for a very long time; and the time is truly at hand when the first group of clean and worthy souls will be carried into Heaven for a celebration of unheard of beauty and joy! Therein, they will "marry" our Saviour; and they will receive eternal life!

### The "Baby boy" of Revelation 12 Has Grown into a "Man child!"

My Dear Ones, the holy seed, or 360 degree DNA, which has been growing in my body since May 10 of 1006, was first given to me by our Saviour as a "baby," and as such it has had to grow! But, most recently a Dear Brother had a dream, in which he saw this "baby boy" as a man; and this man was climbing high among "high" power lines! I will tell you more about this fascinating dream later, but what is important about that dream at this point, is that the "baby boy' of Revelation 12 has already grown to such a degree that it is a "man child," and soon it is going to be ready to go out to those, who get eternal life! This is obvious to me, not only because of this man's dream, but also because of the awesome, divine capabilities, which are now operating within this new DNA! Our Father in Heaven has surely put great power into this "holy seed" (new DNA) and the work, which it is able to do is most amazing! I will tell you more about this most awesome work of the new DNA later in this update!

### The "Man child," Who Will Wule Whe World With a Rod or Iron

This "man child", who will rule the world with a "rod of iron," is spoken of in Revelation Chapter Two, verses 26, 27 and 28! "And, he that overcometh, and keepeth my works unto the end, to him will I give the power over the nations. And, he shall rule them with a rod of iron: as the vessels of a potter shall they be broken to shivers: even as I received of my Father. And, I will give him the morning star.

What does Revelation 12 say about this "woman" and this "child?" In Rev 12:2, we read, "And, she being with child cried, travailing in birth, and pained to be delivered." Then, as we go forward in Rev 12:5; we read more regarding this child, (this "holy seed") whom the woman is carrying! "And, she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God and to his throne!"

### Who is Caught up to the throne of God?

When we read Rev 12:5, we see that the "man child," the child of the woman, is caught up unto the throne of God! Who else is also caught up unto the throne of God? When we read Rev 14:1-5, we understand more! "And, I looked and, Lo a Lamb stood on the Mount Sion, and with Him and hundred and forty and four thousand, having His Father's Name written on their foreheads! Reading on, we read that these were "redeemed" from the earth, redeemed from among men, clean souls, the "firstfruits," "without fault before the throne of God!"So, my Dear Ones, from reading these words, we see that the "firstfruits" are also caught up unto the throne of God! It is important to note that the "holy seed," is considered a "man child" in Revelation 12; and once it is imparted to the Firstfruits, they then become the "man child!"!

From the above scriptures, we know that The "Firstfruits" stand before the throne of God! We also know that they without fault, blameless, clean, , "without spot, wrinkle, or blemish." They are virgins, without sin before our Lord and God! They are in fact the BRIDE! As the BRIDE, they will marry our Saviour; and in so doing, they will receive the power of Christ, as described in Revelation 12:10! They will then come back into the Earth to set up our Father's Kingdom in the Earth!

As the "Bride of Christ" they will be given much power through our Father in Heaven, not anointings as we know them, which come and go, but, sustained power from our Father in Heaven! They will indeed be a "new generation" of souls, a new race of people, with new DNA, with a new "holy seed!" As such, these willl do "great exploits" for our Lord and God, even as Daniel saw! Through them will come a great wave of divine power, which has never been seen in the whole earth! A great outpouring of the power of Christ will come into the earth, fulfilling the words of Joel Chapter Two and many, many will turn from their evil and will be brought to salvation, while others will most certainly be devoured by the fires, which go before them! Read these following words from Joel 2:2-11! My Dear Ones, these words refer to the "Bride of Christ," and they may be shocking to many of you! For, so many believe that this Bride of Christ will sit around and sip heavenly nectar day and night and bask in the peace and the light of heaven! But, not so! They come back as the heavenly army of our Saviour! Read on!

**How the Bride of Christ Will Appear in the Earth!**

"...a great people and strong, there hath not been ever the like, neither shall any more after it, even to the years of many generations! A fire devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them. The apperance of them is as the appearance of horses; and as horsemen ,so shall they run. Like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array. Before their face the people shall be much pained: all faces shall gather blackness. They shall run like mighty men; they shall climb the wall like men of war; and they shall march every one on his ways, and they shall not break their ranks. Neither shall one thrust another; they shall walk every one in his path: and when they fall upon the sword, they shall not be wounded. They shall run to and fro in the city; they shall run upon the wall, they shall climb up upon the houses; they shall enter in at the windows like a thief. The earth shall quake before them; the heavens shall tremble: the sun and the moon shall be dark; and the stars shall withdraw their shining. And, the Lord shall utter His voice before HIS ARMY; for His camp is very great: for He is strong that executeth His word, for the day of the Lord is great and terrible; and who can abide it?

Then, my Dear Ones, we go on down to verse Joel 2:16 and this is what we read! "Let the bridegroom go forth of his chamber, and the bride out of her closet!" Read these words carefully! The bridegroom must go forth out of his chamber! He must come into the earth and with him, his supernatural army, with him his bride! His Bride must come also, come forward out of her closet!

What closet has the Bride been hiding in? Well, surely she has been with the groom! She has married the groom! She is standing on Mount Sion with the Groom (Rev 14) and she has been hidden for a while, even in a closet! So, she must be called forth and sent into the Earth, and with her is her Groom, with her is our Saviour!

Yes, indeed, the Bridegroom shall come forth into the Earth and operate at the head of his Bride, but first His Bride must be taken! And, who is His Bride? The 144,000 righteous and clean souls, the virgin souls, who are without guile, without spot,

wrinkle, or blemish! Clearly, we can see from Joel Chapter Two that this Bride does not come back into the Earth to placate the people, but to make war and to rule with a rod of iron, the "man child" indeed! Yet, they will not be here to just make war, but to fulfill other promises of Joel Chapter Two! Read On!

As the ministers in the churches and as the people all across America call upon our Saviour, He will hear their cries! Joel 2:18-20 reads, "Then will the Lord be jealous for his land, and pity his people! Yea, the Lord will answer unto his people, Behold I will send you corn, and wine, and oil, and ye shall be satisfied therewith: and I will no more make you a reproach among the heathen: But, I will remove the northern army, and will drive him into a land barren and desolate, with his face toward the east sea, and his hinder part toward the unmost sea, and his stink shall come up, and his ill savor shall come up because he hath done great things. (My Dear Ones, this verse is referring to the great destruction, which is coming upon America! Read Ezekiel 38 and 39 for more! Our Saviour will come at the head of His own army; and He will drive out this army from the north! He will drive it out of the House of Israel, which has been largely gathered into America since the creation of this nation!)

Then, after he drives the Russians out of America, the word says, "Fear not, O land; be glad and rejoice: for the Lord will do great things. Be not afraid ye beasts of the field, for the pastures do spring, for the tree beareth her fruit, the fig tree, and the vine do yield their strength. Be glad ye children of Zion, and rejoice in the Lord your God: for he hath given you the former rain moderately, and he will cause to come down for you the LATTER RAIN, the former rain and the LATTER RAIN in the first month!" Then, as we skim downward to verse 28, we read, " And, it shall come to pass afterward that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream visions: and also upon the servants and upon the handmaids in those days will I pour out my spirit!" So, from reading these passages, we know when the Latter Rain is coming! After the invasion of the USA!

From reading Joel 2.2, we know when the Bride, or the Supernatural Army of our Saviour appears on the Earth. It is "A day of darkness, of gloominess, a day of clouds and of thick darkness, as the morning spread upon the mountains …

 From The Mountain Prophecies Copyright 2007

**Awesome times ahead for the Faithful!**

**But, terrible times for the whole earth!**

In the Book of Daniel, Ch12:1, we read another description of these terrible times! "there shall be a time of trouble, such as never was since there was a nation, even to that same time!" And, what happens next, according to this Scripture? "Every one shall be delivered,every one that shall be found written in the book of life! And, many that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt. And, they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars forever and ever!" (Daniel 12)

My Dear Ones, when we read the above words, we must wonder, "Are all of these taken at the same time that the firstfruits are taken? I cannot be certain about this, but I tend to believe that these are taken later, as the word clearly says that the 144,000 are redeemed first! So, will there be a third coming of our Saviour, and possibly even a fourth coming at the end! This may very well be the case; and this still remains something of a of a mystery to me! However, when we read that the 144,000 are redeemed first, I can only believe in my heart that this is for a fact the way is it about to be! The Bride, the firstfruits go first! They marry our Saviour and then come back! The Bride comes out of her closet, even at that dark hour, possibly at that same time when those rise, who have slept in the dust, when all are delivered, whose names are written in the Book of Life! The Bride comes forth at this dark hour to fight on behalf of the lost and to utterly destroy this evil system! At this point, I must stress that I do not know whether these will be taken at the same time that the Bride is taken, but for a fact, we shall soon know these things! For, we are very close to this great and terrible day of the Lord!

**The Day of the Lord!**

My Dear One, what awaits humanity is horrible beyond words. Indeed, terrible, terrible times are upon the whole earth as Satan, the evil humans, the fallen angels and the wicked Annunaki rise up to enslave all of humanity! Believe me when I tell you that they surely have the technology to do so! It is a certainty that if our Father in Heaven had

not prepared a way in advance to save the humans, all would be extinguised, or turned into robotoid slaves! But, my Dear Ones, He has prepared a way for the total defeat of this evil! It is salvation, the power of our Christ and the Kingdom of our God on this Earth! (Rev 12:10) Surely, our Saviour is about to come for His Bride and soon He shall send His Bride back as His Supernatural Army! Clearly, He, Himself shall be at the head of His Bride! My Dear Ones, this Bride shall surely bring into the Earth, the power of Christ, which is spoken of in Revelation 12:10 and they shall become the Kingdom of our God manifest in the whole earth! Ooooo-eeeeee! HallaleuYahweh!

### The On-Going Suffering!

### What I continue to endure at the hands of Satan and his hoards!

My Dear Ones, the great assaults of Satan and for a certainly of those in the U.S. military have greatly escalated since April 11th of this year. It was at that time that the Annunaki (the Watchers, the Nephilim) were in and out of my house regularly, and they were joining in with Satan and the hoards in the U.S. Military and elsewhere to torture my old body any and every way they could imagine! Oh, the horrors, which they have done to me, all in "high hopes" of making me "theirs!" Yet, they have failed in all of their evil assaults and only because of the power of One Great and Almighty God, the power of our Blessed Father Yahweh! To Him is all the praise, all the glory and all the honor forever and ever! Truly, He is deserving and worthy to have His Name lifted up above every tall tree, above every mountain, and above every tribe, kindred, nation and people! For, He is Most High God! He is Almighty! He is Holy! He is Righteous! He is Beautiful in every way; and oh how blessed we are to have such a Beautiful Father and such a Wonderful God!

All that I have endured, my Dear Ones, is and has been the price, which I have needed to pay to do my small part in helping to bring forth our Father's "holy seed," the new DNA, for the new generation of souls to come! And, it is true, my Dear Ones, that many of these "horrors" at the hands of Satan, the Annunaki hoards, the fallen angels, and the wicked humans have been too horrendous for almost anyone to imagine! Yet, in this narrative, I will explain somewhat the things, which I have endured, so as to give an accounting of these works. But, also, my Dear Ones, I must tell you of what awaits

humanity; for you must be warned! These horrors, which I endure from hour to hour, and from day to day, are upon the whole earth and oh how my heart grieves to think of what is upon humanity!

I must be absolutely honest in telling you that my grief has often been great! My suffering has often been intense; and if I said otherwise, I would surely be lying! Even so, all that I have been called to endure is indeed a great blessing to me; and even amongst my many tears, I have continued to thank our Blessed Father for these and all things! For, I know that all of these things endure for only a short season; and I know as well that all things work together for the good of those, who are called by our Lord and God! So, I thank our Blessed Father for having called me to go through such things for love of Him and for love of each of you! Yes, indeed, I am truly blessed!

### The Full Body Suit!

As I have related to you above, it was on the 11th of April that I overheard one, who was in my house, as he was speaking to another! Although I did not see their faces, I believe that the one, who was doing the speaking, was an Annunaki (giant nephilim)! At that time, he said: "We will try one more thing! A full body suit!" As I heard these words, I had a sinking feeling in my stomach; for although I did not know exactly what he was speaking of, I surely had an idea, as I had most assuredly endured great suffering at their hands, even by that time!

On that day, on their "devil day", the 11th of April of this year, they began their series of assaults against my body, which have steadily been more bizarre than anything that science fiction could ever come up with! In fact, my Dear Ones, in no way can I find adequate words to describe what I have endured at their hands! Never in my life could I have even imagined that such technology even existed; and I most certainly could have neither conceived, nor imagined that such horrors could and would be inflicted upon anyone! These experiences have been macabre! Grossly evil! Truly, these hoards are the Great Circus from hell, the ghastly circus of devils and ghouls, who are now fully operant in the Earth! This circus of great darknes and evil is, for a fact, fully operational and going full-speed ahead!

And, so it has been my Dear Ones, that from that day until now, these evil hoardes have consistently and persistently driven so much into my body from hour to hour, and all through the day and night, that I come up lacking for words when I even try to describe what I have endured! For, how can I adqeuately describe "ghoulish" technology, which I do not even understand!

But also my Dear Ones, I also lack the words to define or to describe the great and on-going miraculous intervention, which our Father Yahweh and our Blessed Saviour do for me from moment to moment! And, because of the faithfulness, the love, the mercy and the grace of our Blessed Lord and God, I cannot describe to you my great love for Him and for His Beautiful Son, Jesus, Yeshua! I am thankful beyond measure for all that our Father does for me daily and I can never truly express in words my deep and abiding gratefulness for a True, a Righteous, a Holy and a Faithful God, who is for a certainty all powerful in every way! I know Him and I know our Saviour now as I have never known them and for every trial and for every test I am grateful beyond words! With all that I am and with all that I have, I love them! Oh, how I love them!

In a nutshell, I shall hereafter describe the kinds of on-going things, which they do to my body from day to day! All day and all night, they are in my face, not letting me out of their sight at all, and not letting up from day to day, from moment to moment, in their torture and persecution against me! Day and night, Satan, the Annunaki hoards and the sold-out humans in the U.S. military sit above my house in their disk-shaped craft; and daily they follow me everywhere I go! I cannot even get in my car without being pummeled by all manner of stuff, which they are shooting in my body. I cannot even sit out on my porch without going through the same kinds of things. I can never lie down and take a nap without feeling the pulsations of "stuff" as it is being forged into my body! Oh, what horrors!

And, all of these horrors escalated after their determination of April 11, 2007! For some weeks after that conversation, they began to fill up my body with various kinds of metals, metal patterns woven tightly into my flesh, into my body, my legs; and in effect throughout my whole body! They flooded my body with vast amounts of fine metal particles, and the Annunaki often wove these tiny metal particles into my body,

in what seemed to be "solid" or "near solid" saturation and throughout my whole body! The humans in the U.S. military, came along, working hand-in-hand with Satan and the Annunaki; and they plowed my body with metal strips ad nauseum, metal sheets and so much metal that my whole body would, at times, seem to be "solid" with metal. This went on for a few weeks; and then they began to put vast amounts of rubber and plastic into my body amidst the metal, all in order to make all of this stuff solid in my body! A total body suit!

They then went from massive amounts of metal to massive amounts of plastic, and amidst the vast amounts of plastic they began to forge vast amounts of rubber into my body, saturating the tissues with soft rubber! This rubber served to keep the metal and plastic in place and to create more work for the DNA in removing the so much stuffl! They have continually forged rubber into my tissues for many weeks, this rubber being somewhat of a "soft" nature; and amidst it and outside of it, a more hardened plastic, which I often feel near the surface of my skin!

And, oh the smell of horrible chemicals as this rubber exudes from my tissues! Horrible chemical smells coming from my body, from my urine, horrible tastes of chemicals and rubber material in my mouth! In addition to the rubber, for months I have daily experienced a bitter taste from chemicals, which they pour into my body, a drug of some sort I believe! I heard one of them say one day that they needed to give me enough (drugs) to put a whole hospital to sleep! This amount they have put into my body from day to day to cause me to sleep. But, even so, my Dear Ones, most nights I get little sleep, usually sleeping four to six hours; and if I ever get eight hours of sleep on a straight, it is indeed very rare!

Daily, I find in my bed fine particles, tiny white particles, which have sharp ends, almost like tiny bullets, and/or tiny pieces of hardened plastic. These tiny remnants do not make it into my body, but the rest, even vast amounts of such stuff is forced into my tissues, somewhat like extruding them into me from their external sources!

All of the above went on for about two months and then they began to change the implantables to glass! That's right! Glass! Vast amounts of glass forged into my

tissues! Again, the Annunaki have come in with their vast network of glass patterns, which they direct into my body via their ships' computers! Undulating waves continually hit my body as they weave their tales of horror into my whole body. Along with the undulating waves, I can regularly hear high-pitched sounds as they drive these great amounts of foreign materials into my body via sound waves. These sounds are like many bees, sometimes low sounds, and at other times high-pitched sounds, like the sounds electricity as it runs through the high power lines! Within a very short time, these evil Annunaki can fill up my body with vast amounts of horrible materials via the sound wave technology! And, as soon as the DNA begins to clean out what they have done, they are there instantly to begin refilling my body again!

Indeed, glass has been their primary form of "torture" for about the last six weeks, or so! They forge into my tissues various kinds of glass structures, including glass hooks, various and assorted kinds of glass particles, glass strips, which are often coated in plastic, glass sheets, and an assortment of glass beeds, which are metallic at their core! They often weave the glass tightly into many combinations of patterns, all of these things done too make it harder for the DNA to remove what they have done! Amidst all of this glass, they often forge vast amounts of rubber and even plastics into my body, my head and extremities! This is the total body suit regemen and is how they work to make my whole body solid with these substances, as solid as they could make it with this glass combination! Right now, they are operating in the glass and rubber combination, although there may still use a considerable amount of metal from day to day!

I have often seen something, which I can only describe as a mechanical "arm" of some sort as it attaches to my body and then begins to dump into my body what they determine to put into me! And, within this arm, I have seen what appears to be compartments, or parts of the mechanical "arm" which do different things, but all at the same time! As such, my Dear Ones, I am a prisoner, never out of their sight and not free from one day to the next, but must go through all that our Father determines until the "man child" is fully mature! Truly, from day to day,we are getting closer and closer to this beautiful goal!

**A Space within a Space!**

**Is this also called hyperspace?**

My Dear Ones, as humans we are not familiar with the superiour technology of the Annunaki. We are also not familiar with much of the technology, which the humans in the U.S. military have been in possession of for some time! Surely, their god, Satan, has given them this technology, and all in order to enslave them through top secret oaths, and to further enslave all of us! My Dear Ones, I know little about how their technology operates, but as I understand it, they create a "space within a space," and within this second space, they operate at differing frequencies, or different realities, from the one in which we live! I have read of something, which they call "hyperspace"; and I do not know if this is how they term this technology! But, I do know that they create a space within a space and they are able to operate within this additional space outside of our visual and auditory fields. Only the Spirit of God can quicken our senses to see and to hear them!

It is a fact that the actual visual fields and the auditory fields of humans consitute a narrow band; and we all know that there other realities outside of our visual fields! I believe that via the use of electromagnetic fields and via the use of sound waves they are able to do much outside of our own awareness! And, via these mediums, particularly through the medium of electromagnetism, they have mastered this "space within a space" technology! My Dear Ones, with this technology, they are able to come and go as they please, in and out of any and every place; and as such they take license to do as they very well please to any and all of us!

Who among us can trace them when they are operating within another space, which co-exists with our own space of reality? For, they are operating beyond most physical senses of awareness! Who will even believe that our own government is head over heels in such work? Who will punish them for such horrific invasions of the rights of others?

My Dear Ones, no one among us can fight such horrific technology! This is a war, which only our Father, our Saviour and the Beloved Hosts of Heaven can fight! This is not a war of humans against humans, but of demons and devils, who are out to

destroy all of us and all that is good and right on this planet! Oh, a punishment is coming against them, a great punishment, and they must surely know that they are headed for an absolute defeat! For, who can stand up against the power of the One God, the Almighty God Yahweh? He is Most High; and He can do all things! Yes, indeed, this is so: and these evil hoards are headed for absolute defeat, but until then, my Dear Ones, take note! For, many, many will suffer horribly because of this terrible technology!

### These Implantables Do Not Show Up on X-Ray Film!

My Dear Ones, some of you may remember what I experienced back in the winter of this year, when the Annunaki "melded," or "welded" metal into my tissues and the DNA did not yet have the capatility to get it out! For four days, I was in intense pain and went through great suffering because of the sharp fragments of this metal in my tissues! The pain was so severe that I could not get out of my bed without excruciating pain and I could not straighten up my body without intense pain! In fact, I had to walk with a cane and getting out of bed was excrutiating beyond words! Around the third day of this suffering, I decided to go to the local emergency room and just to "see" what I "could see!" I knew that they could do nothing for me at the emergency room, but I just wanted to see for myself, if any of these metals were visible! My Dear Ones, the amount of metal in my body was great; and when I would bend a certain way, the metal sheets would make a thumping noise, much as a metal roof makes a thumping noise when someone walks over the top of it! This noise was simliar, but more muffled than the noise, which would be made in such a way on a metal roof!

The doctor in the emergency room did not want to do the x-ray, but I was persistent about getting it, and soon he relented! When he told me that the x-ray was normal, I wanted to see it for myself; and I was amazed to see that the current x-ray was almost identical to an x-ray, which they had done some months previous when I actually had a slight lung infection! Yes, indeed! My body, especially my back, was full of metal, so full that I could hardly straighten up, and not one thing showed up on the films. My Dear Ones, this is the "space within a space" technology, or I believe this is what they call "hyperspace!" It seems that all that is within the space, which they create, operates at frequencies beyond this reality; and as such cannot be detected via normal means!

 From The Mountain Prophecies Copyright 2007

Surely, you can now understand why this new DNA is so sorely needed! And, you can understand as well why our Father allows them to do to me as they have done! For, all that I have been through has surely been training for this "holy seed", preparation for it to go into the bodies of the supernatural army, or into the bodies of the bride!

**In all that they have done to me, they have utterly failed!**

From day to day, these evil hoards have done their very best to overpower our Father's works, to overpower the DNA, to overpower and overcome me and to stop these works any way they could imagine! Oh, how these evil hoards "dread" the thought that the mere humans will soon receive eternal life! They are enraged with jealousy, with a great furor indeed; for this new DNA, this new holy seed spells their demise as overlords on this planet! This holy seed spells the time of their end on this planet; and oh how afraid, how furious, how jealous they all are!

Yes, indeed, these righteous souls will soon get the 360 degree DNA, the liquid light DNA, otherwise known as the "holy seed," and they will then have the power to defeat and overcome these evil hoards! This horrific technology will not work on those, who have this new DNA; for it will have mastered any and all things, which these evil hoards have thrown at it! The supernatural army will be given a "seasoned warrior," the "man child" of Revelation 12; and when they receive it, it will be ready to take on and defeat these evil hoards! Blessed is the Holy Name of Yahweh, our Beautiful and Perfect God, and Blessed is the Name of His Beautiful and Perfect Son, our Wonderful Saviour! Soon, soon, and very soon, He is coming for His Bride! Oooooo-eeeeee! What wonderful times are ahead!

**The Holy Seed is Going into Higher Realms of Divine Power!**

As regards the operations of this new DNA, I can tell you for a fact that is is rising to new and greater heights in power from day to day! With the greater assaults of these evil hoards, this holy seed has needed to go into higher realms of our Father's power, all in order to defeat what they do from day to day! And, it has so marvelously done such wonders! Through these horrible tests and trials, this "baby boy" has surely become a "man child!" Oooooo-eeeeee! HallaleuYahweh! This "man child" is now

operating in much power and much light and surely there can only few months left before He is taken back to the throne of our Father, from which He came! For a certainly, I do not believe that there are more than a few short months in which I must yet go through these great tests and trials! I believe that by the fall of this year, the faithful are going to hear and see what their eyes and ears could have NEVER IMAGINED! And, if I am wrong in my perception about the fall timeline, it will not be the first time that I am wrong as regards the coming of our Saviour! For, I have steadily looked for Him since the Fall of 2005, but if He does not come in the Fall, I still KNOW that He is coming soon, very soon; and I stand on ready!

**Two recent dreams!**

Two precious "brothers" each had recent and beautiful dreams about these works! The first "brother" called me and told me that he dreamed about me and that I was climbing up high, very high among very powerful, power lines! And, that what most amazed him was the fact that I was climbing among these "live" wires without any protection! He told me that he was in awe of what he saw in the dream! But, he said, "you were a man!" I listened and was excited to hear of such a beautiful dream, but at first was puzzled as to why he had seen me as a man! But, once I was off the phone, I realized that he had not seen me, he had seen the "man child," the "baby boy" of Revelation Twelve, the holy seed! For a certainty,this holy seed has now grown from a "baby boy" and it has become a "man child," who will rule the world with a rod of iron! For, a fact, this baby boy has grown greatly in power and is most certainly operating well among the high power lines of our Father Yahweh!

The second brother called me and told me that he had a dream that he could not understand! He went on to tell me that he had dreamed of two bowls, the first bowl having water, but was also in need of a cleansing! And, in this dream, he saw a second bowl appear, a new bowl, and this second bowl was very clean, the water very clean and it the bottom of the bowl was white sand! And, in the new bowl, he saw a small goldfish, which was swimming around in the water, which was in the bowl. As he watched the fish in the bowl, he noted that from time to time, the fish would jump up high, very high out of the bowl, but would always come right back down into the bowl again. He said that there was a ginger bread woman in the bowl, and that he also knew

that there were women, who were somehow helping! He also said that he greatly wanted to take the fish out of the bowl and to put it into the ocean.

I told him that I am that bowl, the first bowl being my former state, wherein I went through so much heartache, persecution, travail, sorrow, pain, even anger and bitterness, because of what Satan and his human hoards did to me! Through many months of tears and weeping before our Lord and God, he cleansed me of all of my wounds, of all of my hurt and all of my sorrow! Surely, He needed to heal me and to make me absolutely clean before Him before He could actually make me the spiritual mother of the "holy seed!" In so doing, our Father in Heaven has carried me through great tests and trials by fire, even to cause me to come out as pure gold, much as was the case with Job!

By the time that I was given the holy seed, which is the the little fish, our Father had made my bowl very clean! And, surely, my trials have been much like the trials and heartaches of Job, but the word says that Job was perfect in every way before our Father in Heaven! I have never thought that I was perfect at all, but a sinner, who has been brought forward in our Father's works through His great love, forgiveness, grace and mercy!Yet, we are told to be perfect, even as our Saviour walked perfectly before our Father in Heaven; and this perfection is coming to the righteous as they go through the tests and trials be fire!

The ginger bread woman represents me; and is a depiction of the fact that I have been through the fires, even baked in the fires of persecution and suffering! Soon, the woman in the bowl and the fish will be both liberated; and although this Dear Brother wishes to liberate this fish, no person shall set this "holy seed" free!, But, soon, the hand of our Father shall indeed see free this fish and this woman!

By nature of the fish's jumping higher and higher above the bowl, we are shown in another manner that the holy seed is getting stronger by the day and that it is operating in greater and greater divine powers of our Father in Heaven! This dream further correlates what is shown to another brother in the dream of the power lines! What they have been shown is most certainly a fact, for I can attest to the fact that this

"holy seed" clean dissolves from moment to moment, vast amounts of glass, rubber, metal and anything else, which these evil ones forge into my body! From day to day, I both visutally witness what this "holy seed" does and I feel the effects of its work in my body as vast amounts of glass, metal, rubber, plastic, etc turn into light, thereafter turn into a sand-like substance, thereafter into a liquid and then all is expelled from my body!

The fact that this man saw women, who are connected with this work is true! For, there are three, whom I regularly speak with! They are my friends, my confidents and my fellow prayer partners!

### The Few, Who Have Been Faithful!

My Dear Ones, a few of you have been faithful in supporting these works;and for you I am grateful beyond words. But, I must be absolutely honest in telling you that I have been continually shocked and saddened at how you, in general, have overwhelmingly rejected these works! I am utterly amazed that so few care about what is taking place with Revelation 12! I cannot stress enough how very shocked I have been at the lackadaisical attitudes of most all as regards the birthing of our Father's Kindgom! Few, few, few; and I mean few support these works and few, few, few take the time to call me and to inquire as to whether I am alive or dead! And, this has been the case for nearly three years since the beginning of the birthing of our Father's Kingdom began in South Africa!

Since that time, most of you have avoided me "like the plague!" So many of you see what I am going through and choose to stay far from me! If anyone ever needed a tongue-lashing, many of you, who read these writings, and who benefit from them, need a severe tongue lashing! For, for most of you have your priorities facing the wrong direction! You spend, spend, spend on whatever you choose, but you will not lift a finger to help with our Father's works. You do as you will with your money, but you will not put one dime into our Father's works! Truly, you have robbed Him and you wonder why all that you have seems to be slipping through your fingers! Why do you suppose that He is going to bless you when you continually rob Him of what is His!

 From The Mountain Prophecies Copyright 2007

How can any of you turn a blind eye to the establishment of our Father's Kingdom in the Earth and expect to inherit it! Not one of you will inherit our Father's Kingdom, when you see one of your brothers or sisters going through hard times, and you thereby turn a blind eye and a deaf ear, lest these hard times come near you, how can you!

No, my Dear Ones, you, who do such things are not among the Bride! You are ruled by self! You are ruled by greed! You are ruled by fear! You are ruled by the Spirit of the world and you do not put our Father first! If you did, you would make sure that you dedicate yourself to helping with His works! You would help those, who are called of our Father and you would make sure that you give what you should give to further His works and to bring forth His Kingdom! But, you do not help; and I do not ask you to help now! I simply point out the very fact of what is and how it has been!

### The Faithful and the Righteous Will Inherit The Kingdom of God!

Yet, through it all, our Father Yahweh has reserved a few, yes few indeed, who have been my faithful friends, who have helped me financially to pay my bills and to have the funds to do these works! They have been my personal prayer partners, co-workers, and faithful supporters of these works! Day after day, month after month, these have been there! For, these few love our Father and our Saviour above all, and they have heard the call of our Lord and God! They have seen what is taking place with these works and they have been determined to do their parts to bring forth our Father's Kingdom!

But, even so, my Dear Ones, these numbers are absolutely shocking, considering the fact that these works go out all over the world! I tell you with great sadness as well that those in South Africa, to whom the Kingdom came, the land to which this beautiful "holy seed" was birthed, have almost totally thrown away these works! Great numbers of them have believed the CIA lies of Dirk Van Vuuren and the Satanic South African Government! To this day, many down there spout out these lies, the bold-faced lies, which these satanic groups have disseminated about me! Throughout all of South Africa only two have remained my close and dear friends; and for these two dear souls,

I am indeed grateful! A whole nation has thrown away the "birthing" of the Kingdom of our Father Yahweh on earth! Shocking and utterly shameful!

### A Harsh Scrubbing is at Hand for the House of Israel!

Yes, indeed, the time of the great scrubbing is at hand and this scrubbing is not going to be a soft and gentle scrub with sweet-smelling bath salts and suds! It is going to be a scrubbing with steel wool and harsh detergents. The scubbing is going to be painful and full of every kind of sorrow, loss and woe. What many love in this world is going to be taken away, and many, who love the world and what is in it, will go through every kind of fear, through every kind of heartache and loss! For, soon Satan will be turned loose on the people of the world, to do to all of you as he pleases, the very same kinds of things that he and his hoards have done to me, and worse! And, yes indeed, our Father in Heaven will allow it, just as He has allowed Satan and his hoards to do to me as they have done!

How will you then respond? Will you be grateful for all things, knowing that they work together for the good of all, who are called of our Lord and God! Or, will you rise up and shake a fist at our Blessed Father and Saviour, cursing them for all of your woes, cursing them for all of your heartaches and for all of your sorrows and losses! Will you rush out to take the computer chip to the head and or hand, just to have food in your house? Will you bow down and worship the antichrist idols, all for money and sustenance? Sadly, many shall further rebel and many shall do these things!

However, many shall also be made white and clean through these fires of testing, which are at hand; and these too, shall marry our Saviour! That time is also coming, and soon after the Great Tribulation!

### In Summary

Many indicators now point to the soon completion of these works, and to the soon return of our Saviour! July 01 of 2007 marked the end of fifty months since the U.S., military under the command of Satan, put their antigravity machines, otherwise known as “saucers” over my house, and have thusly followed me up and down the world! Not

 From The Mountain Prophecies Copyright 2007

one day since May 01 of 2003 have I failed to hear the roaring of these crafts! Not one day since that time have I been “free!” Yes, indeed I have been a prisoner for the love of our Lord and God, but I also count it a great honor and a great privelege to be a prisoner for love of Him and for love of His beautiful Son, our Blessed Saviour!

With the coming of August 10 of 2007, the “holy seed”, the new DNA, will have been growing in my body for fifteen months! August 18th of 2007 will complete three years since the beginning of the birthing of our Father’s Kingdom began in South Africa! Three long years, my Dear Ones! Three long years of stalking, persecution and torture I have endured, and only because of love of our Lord and God!

The coming of September is the two year mark since I first saw Satan's craft, his yellowish ship in the sky just in front of my house! For almost two long years, this monster has been in my face; and he has followed me everywhere, never letting me out of his sight!

Still, I count it a great honor and an absolute privelege to go through these things for love of our Mighty God! I would not have chosen another way! Indeed, I am blessed, blessed beyond any description, blessed beyond words, as our Father has chosen me for such a work! And, day after day, I give Him all the honor, all the praise and all the glory; for every victory over this evil has come through Him and through His Power! I only desire to lift up the Holy Name of Yahweh! I only desire to bless Him and to be a perfect instrument of His Holy Will! I only wish to bring Him glory and to see His perfect plan unfold in my life and in the whole earth! I only wish to see His Holy Name lifted up high, high above every hill, above every tall tree, above every tribe, kindred, nation and people! And to see the Name of His Son, Jesus, Yeshua, lifted up in like manner!

Until next time, I send to each of you the love of my heart! May you grow daily in the goodness, the grace, the love and mercy of our Blessed God!

My heartfelt love and deep gratitude I send to the few of you, who have never given up on me and who have continued to help me with these works, even in the face of the

terrible persecution, which I have endured! I love you with a big love and I will always cherish you!

Until next time,

Jesus is our Beautiful Life,
Your Sis,
Linda Newkirk

# CHAPTER FORTY-PART I

## "The Stork and the Storm!"

My Dear Brothers and Sisters, below you will find the most recent message from our Father in Heaven! Truly, great and marvelous events are at hand for the faithful, but also terrible times for the whole Earth! A Dear Brother recently had a dream in which he was shown that a stork and a storm are coming at the same time. This Faithful Brother was also shown in another dream that a very strong tapestry has been completed! In fact, in his dream, he saw the very last piece put into the tapestry! As you read our Father's words below, you will know more about this tapestry! You will know more about this stork and you will know more about this storm. Read on and be enlightened!

### The Latest Message from our Father in Heaven

### October 12, 2007

"My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, do you hear the drums? Do you see the dark clouds? Do you see the storm, which is developing all around the world? Do you see, My Little One?"

"Yes, my Father, I see what you are showing me and I also know it to be so, especially because of all that I have been through."

"My Beloved Child, do you see what more lies in front of you?"

"Yes, my Father, I see our Beloved Saviour. He is so beautifully adorned in radiant white. His arms are outstretched and his face is full of radiant joy and heavenly love! And, before him, My Father, I see many souls, who are adorned in white. Yet, as I look I see that there is a small gap, like a very narrow, yet dark division between Him and them. I see as well, my Father, that with a flash of light, this narrow, dark, division (which separates Him from them) vanishes; and these are suddenly all around Him as He stands high now on His Holy Mountain of white fire!

As I watch, He walks, among them now; and as He walks, He reaches out and touches each one on the forehead. With his touch, a white fire goes into each one and this white fire settles not only on the head (of each one), but goes throughout their bodies until each one is radiant with this glory! And, around each one is manifest something like a cocoon of light, a radiance, a glory!

And, then a wind! I hear the sounds of rushing wind! And, (almost simultaneous with the wind,) I see a flash of blue light! With the flash of this blue light, I hear the sounds of churning waters! Then, I see churning waters, as if a radiant, blue ocean is sweeping over all and is engulfing them now, so much so that they all stand deep in a radiant ocean of deep blue! Yet, as they stand in this radiant blue ocean, the white light around each one of them is still visible!

I see now that our Saviour walks among them as all are immersed in this deep blue ocean and this ocean has a substance. As our Saviour moves, this ocean moves! But, rather quickly now, the ocean begins to move out, as if carried out by a tide and the whole view of all of this melts from my vision.

My Father, tell me about this vision."

"My Little One, reach down on your left leg and take the knife, the small sword, out of its sheath. For, it is attached to the inside of your left leg!"

"My Father, I have it and it is as hot as fire, hot to the touch and very, very heavy!"

"My Little One, do you know what this sword is?"

"No, my Father, and I do not know what it is for."

"My Little One, this is the sword of My judgement and wrath and the power of it is coming to My faithful, but only through you and through the work of Revelation 12, that I have given to you, is it coming. If there were no work of Revelation 12, there would be no Kingdom of Yahweh in the Earth! For, Revelation 12 is the prophetic event,

 From The Mountain Prophecies Copyright 2007

the last one, which fulfills all previous prophecies of My Kingdom in the Earth. With Revelation 12 comes salvation for My people! With Revelation 12 comes My strength, and also My power! Revelation 12 is truly the fulfillment of all previous prophecies, which relate to My Kingdom come and My will be done in the Earth!

My Little One, you walk meekly and humbly before Me and you have waited upon Me daily, suffering great persecution and on-going torture at the hands of Satan, the Annunaki and all dark and evil forces on this planet! For, they have believed that to conquer you is to stop My Kingdom from coming into the Earth! But, My Little One, from day to day, you have died to self! You have died to your own will and to any and all expectations for yourself! My Little One, through all that you have been through, you have become smaller, very small, that I may become great in you! You have given up all in this world, so that I could give you what I want you to have, and to put you where I want you to be!

Blessed are you, My Little One! Blessed are you , even above all women! And, yes, my Little One, I know that you hear Me telling you these things, but that you do not understand or grasp the magnaninimity of what I tell you! But, even so, I tell you what is and what is to come! For, you, My Blessed Child, have paid the price to be the woman, who births My Kingdom; and for your faithfulness, for your steadfastness, you are about to be rewarded in a great way, far greater than you could ever imagine!

My Little One, you will not be the tail any longer! You will not be under foot any longer! You will not be the butt of cruel jokes and condescending remarks! You will no longer be on the receiving end of scorning and mocking from those, even of My own people, of My own servants and prophets!

No, My Little One, this will not be so! For, they will see how they have lied! They will see how they have rejected you and how they have scorned My works; and they will shed many tears! They will fall on their faces in shame when they see the truth of who you really are and know the truth of what you have truly endured to birth My Kingdom! Oh, the shame upon their faces and the weeping in their hearts; for collectively much of the prophetic community has collaborated to hang you, to defile you and to destroy

you! Oh, how they have mocked! Even so, their own words and their own hearts shall judge them!

But, you, My Little One, I shall bless! You have been trampled and stomped into the dirt, not just by the satanists, but by many in my own house! And, soon, oh soon, soon now, I shall raise you up and I shall exalt myself through you!

And, the truly righteous shall stand with you before Me! They shall walk in My holiness and in My power ... new bottles for the new wine! For, they have made themselves clean and they are waiting and ready for My Son and for what I have for them!

Oh, hardnecked, proud, haughty servants of Mine! You have elevated yourselves and I shall debase you! You have put yourselves first and I shall make you last! You ridicule what is deep, what is true and what is of Me and My Kingdom! I shall throw you to the wolves! You judge harshly My true servants and My true work; and My harsh judgement shall be fast upon you! Oh, perverse generation of accusers and railers! In one day, a river of shame shall flow over you like hot, molten metal! For, you have seen what My faithful servant, Linda Newkirk, has gone through for love of Me, for love of My Son, for love of My Kingdom and for love of each of you! And, you have joined forces with the satanists and with every liar, with every persecutor, with every pervert, killer and thief, all to further percecute and trample My chosen vessel!

Oh, rivers of hot and fiery judgement shall flow all over you until you see the errors of you ways and thereby repent with weeping and wailing! In your tests and trials by fire, you will no longer wag your finger against this one, against Linda Newkirk, my chosen vessel, and you will no longer mock and scorn what is Mine, what is holy, what I love and cherish! Oh, you proud! Oh, you haughty! Oh, you rebellious and stiffnecked house, who calls yourselves by My Name! In one day, I will debase you!

Now, with this said, My Beloved Child, I know that you have questions about what you have seen; and as I know your heart, I will proceed to explain what you are seeking! The sword is My sword of wrath, My sword of judgement; and as you have paid the price, you bear this sword! It is heavy as it is full of My judgement and wrath; as a

 From The Mountain Prophecies Copyright 2007

short time in the Earth is designated for this wrath! You bear this sword as you are second in command under My Son in My Supernatural Army; for you, My Little One, have paid the price! And, as such, My Little One, you will wield much power over many nations! With this sword, you will do your work of Micah Chapter Four. None could carry this sword but you, for none has paid the price but you and this work for you will begin soon, very soon! Truly, My Little One, this is a sword for total destruction of evil and rebellion, and as you go about My work, carrying this sword, no evil will stand in your face! My Beloved One, through all that you have been through, you and you, alone, have earned this sword and soon, very soon now, you will begin to know this power!

What you have seen as regards these righteous souls, who will stand before Me, the 144,000, will soon happen! With a wave of My hand, I will dissolve the distance between them and My Son and all shall be supernaturally carried into His presence, onto My Holy Mountain! What you have seen is the 'sealing' of the 144,000! They will be sealed, empowered, and gifted with My Holy Seed, with the now-matured "Man Child", which has grown to maturity in you!

My Little One, you are their spiritual mother and the spiritual mother of My Kingdom in the Earth! It makes no difference whether any believe at this point; but they will soon believe and the meek, the humble, the teachable, will receive this truth and the great blessings from My throne, which you and the 144,000 will bring into the Earth! Oh, yes, the proud, the haughty ones, will see, but they will not receive!

Just know, My Precious Child, that the vision of the righteous souls, who stand on My Holy Mountain is close to fulfillment, ever so close! My Glory is about to come into the Earth as none have ever known or seen, and so is the terrible storm that you have seen in this vision! Yes, a great storm and a time of terrible persecution against My own people, against My own house! But, even so, it must be; for I cannot marry the proud and haughty! I will not; and I will not marry the lukewarm, who love this world and what is in it! Oh, My judgement, My fury is about to run hot against them!

Be of good cheer, My Precious Child; for the prophecies of the ages are about to be fulfilled through Revelation 12! Soon, and oh so soon, you will be filled with such joy, such radiance and power, and oh how you will rejoice! Oh, how the righteous will rejoice; for they have waited and they have not defiled their garments!

I am your Father Yahweh, yea Jehovah, Most High God!

As you may very surmise, I am still under feet of these evil hoards, but in this 17th month, I have witnessed beautiful and marvelous happenings in the Kingdom of our God! Too much to go into at this time, but truly grand! The wait for the faithful is truly about to come to an end! All the glory, all the praise, all the the honor and all the power to Yahweh, Most High God, forever and ever! Blessed is His Holy Name!
And, with this my Dear Ones, I shall close this message! For, all is explained in our Father's words. I send you love and also I send big, big hugs to my Faithful and Precious Friends and Family through Jesus, our Blessed Saviour!

## CHAPTER FORTY-PART II

My Dear Brothers and Sisters, below you will find three most informative messages from our Father in Heaven! Surely, awesome and grand rewards are at hand for the faithful! Read on and be blessed!

## First Message from our Father in Heaven

### October 15, 2007

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, I come to you today to give you a glimpse of what is and what is to come! And, even so, all that I show you has been known; for it is, it was and it is yet to come!

My Child, even as I show you a glimpse, as I allow you to see what is, you see a nervous and uncertain George W. Bush as he stands in front of an open window, yes at high noon, at a window, which is many stories above the ground! As he looks down and all around, he is troubled and occupied with one thing! "How long do I have? How many more days do I have before I meet My end? Before I meet the jaws of death?"

Oh, My Child, his life is consumed with the prospect of his own death and he is in Arkansas today, in Arkansas even now to get a glimpse of all that I do with you! To see for himself and to come again on his number thirteen day! And, he wonders again, "Just how long do I have?" For, you, My Little One, have seen his death and I have withheld My hand, that all prophecies may be fulfilled regarding you! And, even so, a short while remains indeed until such time that I shall bring you forth in great power! But, for you to come to this place of great power in Me, you have had to be trampled by George W. Bush and many of his Satanic allies all over the world!

Yes, My Little One, you have become their spectacle! You have become their 'toy!' You have become their obsession! You have become their mainstay, as Satan's occultic leaders from around the world focus on you and My works through you! And, the fear! Oh, they fear greatly! For, what is in you, My work and My power, they cannot stop! They have not stopped (it) and they will be unable to stop it!

Oh, yes, My Child, you have walked through the valley of despair! You have lived in the valley of the shadow of death; and even as Daniel sat before the lions and was unharmed and Shadrack, Meshach, and Abednigo sat in the fire and were unharmed, you have daily endured such things, not on one occasion, but now for years, and you, My Little One, are not only unharmed. but full of life, full of Me and My power!

Oh, how they fear what is taking place here; and having seen this work firsthand with their own eyes, and knowing as well what they have done to you and that I have allowed it all, (they) know as well that a time of great payback is at hand for all of them! Oh, yes, they know! They see My power in you; and through all of their worldly powers and through all that Satan and their Annunaki commanders have shown them, they have never seen, and never have they witnessed anything like what I manifest in and through you!

Oh, yes, they have tried it all, all that their collective minds could conjure up against you, all that they could manufacture in their horrible labs, among their evil 'think tanks' and doctors from hell; and they have failed in all things! My Little One, no one could live five minutes in the horrors, which they subject your body to! No one could retain a right mind or even live for five minutes! Yes, this is so; but you, My Little One, have not only lived through it all; but have prospered spiritually and I have blessed you abundantly!

Though many have forsaken you, believing you to be deserving of all of this torture, and guilty of mocking you, scorning you and telling every tall tale about you, oh they have erred! How greatly they have erred; and if anyone knows that they have erred, it is George W. Bush! Oh, he knows; for he has pushed to eradicate you off the face of the planet! But, you are still here and now he, himself, is obsessed with just how long I will allow him to live!

Oh, yes, My vengeance is at hand and none will stop My hand of vengeance upon them! None can stand up to Me and My power! None will prevail against Me! When I say that the race is over, it is over! None will stay My hand! And, I tell you now that My hand of judgement shall fall soon and heavy upon your tormentors and persecutors! I have not put you through such tests and trials for nothing! For, I will vindicate you and I will exalt Myself through you! So, be of good cheer and know that your time is hand and so is theirs!

**Second Message From our Father in Heaven**

**October 15, 2007**

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! Hearken unto Me! Listen! Observe what I say! Take in My words; for they are indeed a heavenly balm to your spirit, to your soul, indeed to all of you and even and especially to your tired and weary body! Take in the heavenly fragrance of My words to you! Know, My Little One, that the dark winter of your soul, of your spirit, is fast coming to an end! Reach out! Reach into it! Receive the beautiful fragrance of My words! Hear the rhythmic cadence of all that I tell you; for you will soon walk through a vortex of time that no human has ever crossed! You will soon enter heavenly spaces, where no human has ever entered! You will soon see heavenly sights that no human has beheld! For, I tell you that My prophecies of all of the ages are about to be fulfilled and none has seen what is at hand at the end of this long journey! No eyes have beheld such things! No ears have heard such things as the glory and the heavenly beauty of what is at hand for Mine!

Yes, indeed, My Little One, the long night of your soul, the winter of great torture and persecution is coming to an end for you; but not just for you are these grand heavenly rewards! These rewards await My Tried and True, my True Bride, My White-as Snow, Radiant, Pure and Clean Souls! For, they have waited for Me and My Son and they have not defiled their garments with the whores of this world!

Grand and glorious events are at hand for My Faithful! Beauties and powers never dreamt of await My Faithful! And, as you look around now, (in the Spirit), you only see My light and My glory! For, the end of all that I have called you to go through as regards Revelation 12 is at hand! Oh, how you will soon rejoice! How you will soon shout with joy! How you will soon dance with glee; for your great time of testing and trials regarding Revelation 12 is soon, oh so soon coming to an end! And, when you travel the heavenly corridor, which no human has ever traveled, these pure, righteous and clean souls will be right behind you!

Oh, yes, "My Kingdom Come" is at hand and how these devils and demons howl! How they rail! How they rise up and accuse; but none shall stop what is and what has been and what is to come! For, My glory, My true glory, the glory of "My Kingdom Come" will soon enter into the Earth! And, through these, through My Faithful, pure and clean souls, it will come with all of My righteousness and power!

Be of good cheer and know that a swift end is at hand for the dark winter of your spirit and a new day of great power comes now, wherein you will no longer be the tail, downtrodden, accussed, abused, mistreated, tortured and persecuted! Oh, no, My Little One, this will not be; but indeed you will soon walk in great power, even from day to day in My great power and glory!

I am your Father Yahweh, yea Jehovah, Most High God!

### Third Message from Our Father in Heaven

### October 15, 2007

My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, I come to you again on this day, the 15th day of October of 2007 to impart to you again My truths as regards "My Kingdom Come" into the Earth and the soon end of your appointed time of persecution and torture at the hands of Satan and his hoards!

Oh, stand up and rejoice, My People; for the fulfillment of all that has been revealed as regards the coming of My Kingdom in the Earth is at hand! All of Heaven are rejoicing; and the radiance of My joy and My glory sweeps Heaven! The trumpets sound and the angels sing their glorious praises! For, the time of the fulfillment of My Son's Coming is at hand! Oh, yes, rejoice oh you people of the Earth! Rejoice all of creation; for the coming of My great and grand glory into the Earth is at hand! Stand up and shout! Stand up and sing My praises, oh My people! For, all that I have promised you is about to be freely given!

My Beloved Child, as you stand up high on My Holy Mountain, with the wind of My Spirit as it blows across your face, yea even your whole body, look, My Child! See! See the dawning of a new day! For, in the East, you can see it rise! Alll is crisp! All is new! All is pure and all is clean! And, you, My Dear One, are free! Free indeed! Free to move in and out of My Spirit as you could have never imagined! Free to operate in My power as you have never seen it! Oh, yes, My Little One, this glorious time is at hand for you and for My Faithful! Oh, the heavenly smell, oh the heavenly fragrance of all that I am about to give freely to My Chosen, Pure, Clean and Holy Vessels! Oh what beauty! Oh, what power! Oh, what glory!

Hearken, oh you hills! Listen, oh you rivers! Bow down, oh you skies! For, I do a new thing! A holy thing through this chosen vessel! A completed tapestry! A time-honored work! And, the end is at hand for all that has been, all that is, and all that is yet to come, a grand ending, a grand beginning of all that was, all that is and all that is to come!

Hearken, you hills! Observe you distant meadows! Listen, you tumultuous seas! For, My voice goes out before you! My Kingdom is at hand! My holy will is done and soon in the Earth as it is in Heaven!

Who is worthy to birth My Kingdom? Who has been worthy and who has paid the price? Only one is worthy! Only one has been called and such a thing was predestined for one and only one and this one is Linda Newkirk!

Sing, oh, all of creation and rejoice! For, soon, and oh so soon, My Chosen Daughter, my pure and clean vessel will have finished her work! She will have brought forth! She will have birthed back to Me the work that I gave her to do! A grand work! A great work indeed! A glorious work! And her suffering will not go unnoticed, but will be looked upon highly and esteemed throughout the eternities.

Bow down, oh trees! Bow down, oh mountains; for the holiness of My Kingdom soon comes into the Earth, and at the head of My Kingdom is My Holy Son, My chosen, pure and righteous vessel, My Son, Saviour and Redeemer of Mankind! Behind Him is My queen, My chosen vessel Linda Newkirk; for she is worthy! She has paid the price and she is destined to be honored in this way! And, following her are all, who are clean, all, who are worthy, all, who are righteous, holy, worthy to be a part of My Kingdom.

But, oh howl and weep, you wicked generation! Howl, you dark demons and devils! Rail, you accusers; for your time is marked! Your days are marked! Who can stand up to Me and who can defeat Me? Who can come up against My Kingdom and win? No, none! Not one! Oh, you wicked and perverse generation, the time of your judgement is at hand! Repent and repent now, all who would repent, and know My glory; for the reapers are soon upon you!

My Dear Ones, for the record, the end of October marks the end of fifty four months since those in the U.S. Governement put their disks-shaped craft over my house; and since that time there has not been even one day that I have not heard the roaring of these craft! And, not just here in America! They have followed me in all of my travels, even as I have outlined in previous messages.

October 10th of this year marked the end of seventeen months, seventeen months since our Saviour gave me the "baby boy" of Revelation 12, the holy seed, the new DNA! This "baby boy" has surely grown into a greatly powerful manchild, who does a most awesome work in my body of dissolving by the minute vast amounts of metal, glass, rubber, and whatever else these evil hoards forge into my body!

October 10th also marks the end of the sixth months since these evil hoards began to put into my body what they call a "full body suit," and this simply means that at all times, they work to keep my body full of metals, glass, or whatever else they choose to put into me! As soon as the metals, the glass, etc. dissovle, they are right back with more! In this way, they have kept me as their prisoner! But, even so, I delight in being a prisoner for the love of our Blessed, Almighty and Holy God Yahweh and for love of our Blessed Saviour! For, surely, our Blessed Lord and God has has kept me! He has miraculously carried me! He has sustained me! He has greatly blessed me! He has supernaturally protected me; and in spite of all that they do and have done to me, they have failed! Oh, how I lift up the holy Name of Yahweh; for He is worthy! He is worthy of all of the praise, all of the honor, all of the glory, and all of the power forever and ever! All of the victories go to our Beautiful God Yahweh! THERE IS NO GOD LIKE YAHWEH! BLESSED IS HIS HOLY NAME!

I must add as well, that the 18th of October marks the end of thirty-eight months since Revelation 12 began in South Africa! And, these have been long years of stalking, torture and persecution! If I said that this work has been easy, I would surely lie! This work has been difficult! It has been full of travail, sorrow and heartache! I have shed many tears, but have also sung many, many songs of praise and adoration for our Lord and God! Yes, I have suffered great persecution and torture at their hands; but in spite of all that I have been through, I would to it all again, even if I knew in advance what would lie ahead! For, I am so greatly honored and so greatly blessed to be called by our Blessed Father Yahweh to do such a work for Him, for our Saviour and for each of you! How thankful I am!

HALLALEUYAHWEH! For, His Mighty Kingdom in the Earth is surely at hand!

Sending you my heartfelt love and big hugs to my faithful friends,

How blessed we are to have such a mighty God!

Your Sis,
Linda

# CHAPTER FORTY-ONE

## "More Beautiful Revelations From our Father in Heaven!"

My Dear Brothers and Sisters, so much is going on in the Spirit! Truly, great and marvelous things! Surely, our Father in Heaven is about to do the work of the ages. Blessed is His Holy Name! I shall tell you about some of these events later in this writing! But, first you need to read our Father's latest messages! Read on, and be blessed!

### First Message from our Father in Heaven

### October 24, 2007

"My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, do you see what is before you?"

"Yes, my Father, I see a knife, a razor-sharp knife; and oh it is so very sharp! Yes, indeed radiant with Your power and light!"

"My Little One, do you know what this knife is?"

"My Father, could it be Your word, that it is like a double-edged sword?"

"My Precious Child, you have guessed correctly and by my discernment, you have made this correct assessment. For, you have only seen the one edge of the sword and not the edge, which is underneath and hidden. My Little One, do you know why I have hidden one edge and why it is not visible to most?"

"My Father, I can only guess."

“Then, guess, My Child. Use the discernment, which I have given you and tell Me what you think.”

“My Father, I perceive that the other edge is hidden within each of us, and as we discern Your word correctly and use it correctly, it illuminates us with Your power and light! But, as we use it to harshly judge others, that this same word cuts deeply into each of us, who so judges; and it cuts sharply and brings hurt and sorrow into our own lives accordingly.”

“My Little One, you have discerned correctly; and why do you suppose that this has been so easy for you to understand?”

“My Father, You have put this truth into me. It is of no gift of My own, or wisdom, or knowledge of my own! It comes from You!”

“This is so, but was this not easy for you to grasp, even without My telling you? And, you did not have to pray and seek Me, or even to ponder long on this truth! Do you know why this comes to easily now, this understanding, this quick understanding of deep things and even symbolic dreams?”

“My Father, I believe that I do understand! I believe that it comes through the “ManChild of Revelation 12, who lives within me.”

“Again, my Little One, I tell you that you have discerned correctly.”

“And, Father, I am so very grateful, so very grateful for You, for Your love, for Your grace and for Your mercy! I am so deeply grateful for our Saviour, for Your Spirit and for this ManChild! Oh how humbled I am and how deeply thankful! Father, I love You so!”

“My Little One, this is known! I know you and I know you well. For, I have called you, My Little One, and I have chosen you for this great work of Revelation Twelve for one and only one reason. And, this reason is that you are worthy to do this work! If you

were not worthy ahead of time, I would not have called you! You, and you, alone, have been called and you, and you alone, have been chosen! I have chosen none other.

But, even so, My Child, many are envious of you! Many judge you harshly! Many throw stones at you, and many abuse Me and My word by spreading words that do not come from Me! Yet, these same ones wag a finger at you and call you 'false!' They call you 'jezebel.' They call you 'witch,' and they spread lies about you far and wide! These shall be cut deeply and sharply by My double-edged sword and they shall find themselves in great peril and in great heartache, but without Me and My Son and without My Spirit! And, these will not in any way ever bear the ManChild of Revelation Twelve, save they see the errors of their ways and repent with weeping and wailing before Me!

My Little One, I have removed huge numbers of people from your life, even many, who wrote to you regularly and even many, who claimed to be your friends, but were not! And, I have also removed family as they caused you great grief and sorrow and would not repent, for they saw no error in their ways! My Little One, why do you suppose that I have removed so many?"

"My Father, I believe that as the Woman of Revelation Twelve, I have had to have a singular focus, that focus being You and our Saviour; and as so many caused me so much heartache and sorrow, You continued to remove them until I have around me now a few, who have been tried and tested and have been found to be clean and worthy before You! These few love me, Father, and most of all, these few have remained my true friends through all that I have suffered! They truly care about me and have a deep interest in these works and what You are doing here! But, the most important truth, Father, is that they love you above all! They are sold out to You and I, too, love them so! Indeed, they are few!"

"My Little One, I could not have spoken more clearly, had I spoken these words, Myself! My Child, what you are experiencing is the ManChild now manifest in you! You are beginning to experience the mind of Christ and beyond that the true love of Christ in your heart, so much so, My Child, that you feel deep pain in your heart, in your spirit,

in your soul when you see and read the harsh judgements of some towards others! You cringe in your spirit, and your heart is heavy! My Little One, this is the ManChild manifest in you! My Little One, what is this ManChild?"

"My Father, I do not know that I can tell you altogether , but I can tell what You have told me; and if there is more, You will surely make all known in Your own timing! But, as I understand it, My Father, the ManChild is Jesus Christ manifest within us! The ManChild is the mind of Christ, the power of Christ, the love of Christ and all of the gifts of Spirit, but operating at a level, which is much higher that we could ever imagine!

My Father, you have stressed to me that the anointings of the Spirit wax and wane, but that the powers of the ManChild, once given usually do not wane! But, too, I wonder how they will grow! Will they grow the same in all, greater in others, or how? I do not understand a lot about the ManChild, but only certain things! I feel, my Father, that much of it will only be given to us when the time is at hand (to know these things)!"

"Yes, My Little One, there is a time for all things! But, even as you have known little about the ManChild, which has grown in you for over seventeen months, most know even less! Most know about My Spirit, but few, oh yes few indeed know anything about the ManChild, which will reside in the holy and clean souls, even as My Spirit now resides in them!

My Little One, this ManChild is the personification of My Son with all of His attributes! It is as real as the Spirit of God is real and it is a spirit-form, which has not been seen in the Earth prior to this time! For, it had to be birthed into the Earth, even as My Son birthed My Spirit, and sent it back with great power at the time of the Pentecost.

And, surely He now births again My Spirit, but in another unique person, still a part of My Spirit, but this time as a ManChild, the heavenly manifestation of My Son with all the heavenly manifestations of My Son, with all of His attributes! However, it had to be born as a baby and it has had to grow in you, under the harshest of conditions, and all to make it ready for the chosen, the pure and clean souls, who await it."

 From The Mountain Prophecies Copyright 2007

“But, my Father, if this is indeed the personification of our Saviour, and I know it is, why could it not be that the clean ones are all taken and into Heaven and the ManChild supernaturally imparted to all at once?”

“My Little One, this is a very good question. And, one with much merit. But, I now bring to your remembrance one very important thing! I bring to your remembrance the heavenly portal, (which goes to the throne of God!) You know as well, My Child, that when I told you many months past about this heavenly portal, which goes to My throne, that I told you some very important things! I told you that this portal is to be composed of heavenly bricks, which have all been made by the angels, who work under the direction of My Son! I also told you that this portal is lined, among all layers, with the new DNA (the ManChild) and that between all layers are many destroying angels. I also told you, My Child, that any, who attempt to go through this portal, who are not clean and worthy, will be destroyed! Did I not tell you these things?”

“Yes, my Father.”

“Now, My Child, let us examine one thing, and that is, the new DNA, or the ManChild manifest, which is to line this portal throughout. For, within this DNA is a heavenly signature and none will travel this portal without this heavenly signature! And, that being said, who will travel this portal?”

“My Father, it is surely only those, who have this new DNA, or the ManChild, within them! But, how will this work?”

“My Child, if one wants to get on a train, must he, or she, not have the ticked to get on it? But, do freeloaders not attempt to ride anyway, and when found, they are thrown off and punished?”

“Yes, my Father.”

“And, so it is with this portal! All, who travel it, must be clean and holy and all, who travel it, must have the new DNA, or the ManChild resident in them.”

“But, my Father, it is and was my understanding that as these (clean souls) stand in Your presence on Your Holy Mountain, that they will be given the new DNA.”

“And, so it is, My Child, but you do not fully understand how they will stand on My Holy Mountain! For, I call these both individually and collectively.”

“But, my Father, have I not understood You correctly in what You have said, that as they stand on Your Holy Mountain, that all are ‘sealed’, and all get the new DNA, with Your great power at the same time?”

“My Little One, if I take a knife and cut an apple into two pieces, which piece falls to the side first?”

“My Father, it is hard to say! For, if a human cuts an apple, he or she holds one half, cuts the apple, and the half, which is not held, falls to the side first! But, if no side is held, then both sides would probably fall at the same time! But, Father, why do You show me this now? Why do You give this comparison?”

“My Little One, My reason for this is two-fold! First, it makes no difference whether all stand on My Holy Mountain and get the DNA then, or whether half get it while they are still in the Earth, but must come individually to My Holy Mountain to get it. At that instant, when My power, when My light falls on them, at this time, all will get this new DNA and at that instant also, all are on My Holy Mountain! For, none can travel this portal without it.”

“So, Father, can I assume then that some, perhaps even as much as one half of the 144,000 will get some part, or parts of this ManChild before passing through the portal, even while they are still here in the Earth, and that some will begin soon to operate through this new DNA?”

“You are correct in your assessment on one account.”

“What is that, Father?”

“My Child, see how I further divide this apple, on down until you see that one half of it is divided into sixteen parts and of these sixteen parts, only one part, or 1/16 of one half will get this new DNA, and fairly soon! And, these will begin to operate with this new DNA fairly soon! I am not free to tell you how many will get it altogether, and how many will operate through it before My Son comes for the righteous souls! But, some will and perhaps others also; but even so not all! For, to most, this new DNA will be supernaturally imparted at that instant that they are taken (into the light) and immediately (thereafter) carried to My Holy Mountain! So, if there has been some confusion in your understanding, it is because of the fact that I have not given you this information (afore hand).”

“So, Father, will some get this new DNA, even while it is still growing in my body and while I am still under persecution?”

“My Child, yes it is still growing in you, but now operating on its own in you, with no actual help needed from you in any way! This, My Child, is a great work and a great marvel! For, it cannot go out to anyone until it is fully operational and functional in you! And, this has come about now, and just since the 17th month has passed! So, soon, and very soon now, the ones, who are to get this new DNA, will begin to get it; and begin to operate in it before My Son comes for all! And, as far as the persecution that you are under, you will continue to be under it until My Son comes for you! But, when you come back with great power, none will persecute you; and Satan will not be in your face!”

“So, my Father as much as I long for our Saviour to come, it will not be yet, but a short while anyway before He comes. Is this correct?”

“Yes, My Little One, and I know that this is sadness to you; but even so My will must be accomplished in all things! But, be of good cheer and know that this is indeed a very short while! I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God!

As witnessed, dictated and recorded this 24th day of October, 2007,

**Further Explanation of the above prophecy, as given on October 30, 2007**

"My Blessed Father, as I am about to sit and type what You have given me here, I have a question. I ask You for understanding; for Your word commands us to ask of You and we will receive! Now, Father, this is my question. It would seem from previous information, which You have given me, that the 144,000 are all sealed at the same time, and that this is done while they collectively stand on Your Holy Mountain. But, I know that this is far deeper than what it seems to be!"

"My Little One, I am your Father Yahweh, yea Jehovah, Most High God! My Child what do you see before you?"

"My Father, I see something, which is akin go a yardstick, a stick, which is divided into sections! But, all sections are darkened, but three."

"My Little One, my sealing of My saints is as you see! A stick of measures! This sealing is a process and each part of this process is opened in successive measure! First, one, then the next and the next, and so on! But, all subsequent parts of the sealing are hidden until the conditions for the prior, the previous parts are met! This sealing process has already begun for all of the 144,000; but it must reach the certain state of readiness in all, who are mentioned in the Book of Revelation. The final sealing of all is given at the time of redemption and My formal marriage to all! Understand?"

"Yes, my Father! I have seen this and know what You mean now! This sealing is progressive and is given to each of us as we grow spiritually and overcome."

"Yes, My Little One, this is so and to the true overcomers are given the crowns."

**Second Message from our Father in Heaven**

**October 27, 2007**

My Blessed Child, I am your Father Yahweh, Most High God! My Little One, look in front of you; for one book is closed! It is not bound up and it is put aside! But, another now opens in front of you, a book, which is ablaze with My power and with My glory! A book in which you will continually drink of and continually be bathed in My pure, My holy, and My Living Waters! Oh, yes a new page in a new book; and now, My Little One, you will begin in My power walk!

Yes, the old book is now finished! It is closed and it is set aside; for you shall now embark on a course so beautiful, so awesome that you shall continually rejoice! Your heart shall be filled daily with so much of My love, My grace and My mercy that surely you cup shall continually run over!

Everywhere you go, in the stores, in the streets, in the hospitals, in the nursing homes, among the weak, among the lost, among the hurting, among the hungry, among My own, and among the evil ones, My great power shall indwell you; and all, who come near you shall be touched! Oh, yes touched by My power! And, many will be healed! Many will be delivered! Many will be set free and made whole! And, oh yes, many will be convicted unto repentance! For, none can stand in this power and be unaffected! And, yes, many perceiving this power, will flee! They will get up and run away; but even so, they can never be the same, having stood in the midst of such power!

Yes, many believe you to be a sham! Many call you 'false,' My Little One; and many have worked hard to discredit you, as they have spread lies far and wide about you! And, so it has been, My Little One, that you have not only born the heartaches of great suffering and persecution at the hands of the evil ones! My own, on seeing what you have endured, have further persecuted you; and many have collectively stoned you! But, oh how ashamed they shall soon be! Oh, how sorry! Oh how little, how small they shall feel! For, now, My Little One, comes My power into you as you could never imagine! Oh, great power, the power to plant, and the power to pull down and to destroy! The power to create and to bring forth as I do determine and the power to utterly destroy all that I command you to utterly destroy!

Oh, yes, My Little One, this is what you have suffered to bring forth! This is what you have travailed for, shed many tears to bring forth! This is My labor of love, My work of the ages and it is coming forth through you! Soon, and oh so soon now, this ManChild, this new DNA, shall begin to go out to those, who are chosen and to those, who are deemed worthy, all over the world!

And, they, too, shall begin to walk in a greater power! But, even so, when these are known, all of them shall come under intense persecution from Satan and his hoards! They shall not walk in such power without paying a price! And, you ask me, 'Are these the kings and queens, who are yet to come?' And, I say to you, 'yes!' They are the kings and queens, who are yet to come! These are the first ones, who will receive this new DNA, while they are yet in the Earth!

But, to you, My Little One, now comes great power, far greater power than any of these will ever walk in! To you now comes My great power to bring great destruction upon your enemies, even My wrath, against them! This is what is coming now into the Earth through you!

You have been right in one observation that you have had for many months! The ManChild has only worked to defend you and to defend himself! But, now comes war, an offensive war, a time wherein he will wreak havoc on your enemies, a time wherein he will go out to utterly destroy them, and to uproot, to pluck up, to pull down their

evil networks! Oh, My Child, this is a grand time, a grand time indeed; for this time marks the beginning of My own war against Satan and his evil hoards; and now, even now the line of division has been set! It is sharp and I shall now begin to line up My forces behind you in the Earth as I make them ready to move in My power here and there all over the Earth!

Mark my words! This is a new day, a new book indeed for you! And, oh what a new book! For, I shall supernaturally transport you as I so choose! And, you shall begin to operate as a multidimensional ,being, having the capability to be in several places at once! Much of this your conscious mind may not know; for what your conscious mind knows, many of the evil ones know!

But, oh what a grand work you will now do! Many shall see you all over the world! They shall see you in the wind, in the clouds, walking on their streets, in their congregations, and you shall impart My heavenly messages of love, power, and salvation to many all over the world in this way! And, all of these things and more you shall do, My Little One, before My Son comes for My Righteous souls!

Be of good cheer; for glorious times are at hand for you, glorious times for My Faithful and for all, who seek Me and want what I have to give! But, also, My Dear Child, a time of great persecution is at hand for My Faithful, especially for those, who will receive shortly this holy seed! But, even so, be of good cheer; for as you have made it through all, so will they! One day at a time in faith, love, honor, obedience and thankfulness towards me and My Son!

Blessed are you, My Little One! For, you have been called! You have been chosen and you have walked in faith and obedience towards Me and My Son, even through times, which have been daily so terrible, that few could or would believe! Even so, now come your blessings!

I am your Father in Heaven, yea Jehovah, yea Yahweh, Most High God!

**Third Message from our Father in Heaven**

**October 28, 2007**

"My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God! My Little One, I come to you today to reaffirm and to confirm to you several things! First, My Little Child, I would have you see the ocean waves as they crash into the rocky shoreline! Clear water it is with tiny bubbles and froth as it crashes upon the rocks! And, form where you stand now, low at the water's edge, and upon a flat and smooth rock, near the water, you cannot appreciate either what is above you, or what lies far out beyond the shore! For, I, Myself, have put you here upon this sure rock, and for this time of great travail and suffering that I, Myself, have put you in, I have kept your focus very narrow! In fact, I have kept from you so much as I only wanted you to focus on the task at hand, and that, My Little One, has been the birthing of My holy seed and yes the birthing of My Kingdom in the Earth!

And, though much goes on around you and much is going all over the world, I have not allowed you to go there, to walk in that, or to even see it! For, I have needed for you to stay disciplined and to have a very narrow focus until such time that this work is done! And, even still I keep you at this place, at My water's edge, sheltered beneath the boulders and the rocks, but nestled firmly upon My own rock, upon My own solid foundation! For, the time is not yet when you will soar off this rock! And, with the wind at your face and to your rear, you will taste the salt of the air, of the sea and of the earth! Oh, yes, My Child, I keep you here for now; but oh so short is your stay! Oh, so very short indeed until you will see the waters of the sea turn into liquid, golden light, and the rocks will melt beneath the power, which will come into your feet! Oh yes, a time is at hand when you will soar to unheard of heights and you will literally melt

 From The Mountain Prophecies Copyright 2007

from one reality to the next! A time when eagle's wings will carry you to all places that I so choose and with a touch of your hand will heal thousands!

I ask you now, 'Who could imagine such a thing?' Who could imagine a time of Heaven in the Earth? I say, My Little One, that none can imagine such things; for this has never been! None has witnessed such things, not with their carnal eyes! But, soon oh so soon, many will see the radiance of My power, of My glory, as they move from place to place in My liquid light, they, themselves being liquid and without bounds! Oh, who has heard of such a thing? Who has seen it? Who has imagined it?

But, as for you, My Little One, you stand on the precipice! You stand on the brink of walking in such power! For, it is now in you in great measure! My glorious, holy seed is now full of My power in you and growing daily in My radiance and strength! It is spinning with a faster spin, (the new DNA), rotating in a greater power and strength; and all of this since the 23rd of October!

But, I say, alas oh foolish humans! For, you think you know! You perceive that you know and you know nothing! Did My Son not warn you to watch the heavens, that there would be signs in the heavens prior to the Day of the Lord? Oh, yes great signs!

My Little One, do you believe it to be a coincidence that the great radiance (of this comet) began to occur in the heavens on that same day that I picked you up and threw you out and into a fast spin? Do you think this coincidence?" (That day was the 23rd of October!)

"No, my Father! You know that I have wondered about this!"

"My Little One, what you have witnessed is My hand at work! And, this (great explosion in the heavenlies ) created only with a flip of My wrist!! And, all that is seen here is My way of shouting to the whole world that a heavenly event of grand proportions is at hand and it involves the birthing of My ManChild back to Me! It must be birthed back to Me before the time that I will send it back into the Earth full of My radiance, full of My holiness and power! This must be, and soon!" "Yet, Father, You have said that only

certain ones will receive him (the ManChild) shortly and that most will receive Him at the time that they cross the portal entrance on the way to Your Holy Mountain."

"My Little One, you have heard correctly in this; but much, a great deal you do not understand about these works and many do not understand either, is just how this will be; for I have not told it! I have only given glimpses, and while some of what I have given may seem confusing to some, I have kept it that way! But, even so, I have given heavenly glimpses of what is at hand to many!

The 144,000 will surely follow close behind you when you come to My Holy Mountain; but who, you do not know! What you do not understand and have not understood is the timing of these things! My Little One, as the ManChild, who is within you, rotates faster and faster and with more and more power, this new DNA, the ManChild, will begin to move out and to literally fill up all seventeen layers of the heavenly portal, which goes to My throne! It is working hard on this and even from hour to hour, it is growing! And, while you would have liked to complete this work years ago, for your persecution and suffering has been so great, this could not be! For, I have a perfect timing in all things!

So, at this time, the ManChild is rotating very rapidly and it is moving out to fill up the seventeen layers of this portal! But, even so, this may take a little time yet! Not a lot; for this is moving quickly! At the time when this is completed the ManChild will be propelled into My presence, but so will you! For, he is an intricate part of you!

My Little One, at the instant that you are propelled into My presence with the ManChild, a quickening will take place in the spirits, in the hearts, bodies, souls, etc of those, who are now in line to receive this ManChild. As I told you previously, not all of the 144,000 will receive the ManChild now, but first, he will go to those, who are in line to be the kings and queens, who will rule My Kingdom! Now, these numbers, who are in line to be the kings and queens, the numbers, who will first bear the ManChild, are rather large! But, even so, these numbers will receive it first, and yes they will all be tried and tested in severe and harsh ways! And, yes some of these will not make the

grade to be queens and kings; but even so, they will be afforded the chance to bear this kind of power!

Now, the power, which is initially afforded to each one may vary! In other words, some of these, who get the ManChild at first will indeed walk in more power than others; for through their great tests and trails, they have made themselves ready to bear it!

Now, here is what you are wondering about! You are wondering about the parable of the sower and how that fits in with the work, that these will do! My Little One, what is freely given to these, they give out! That is, they will give out the Kingdom power and to many will be given a tiny Kingdom seed! But, of those, who get this tiny Kingdom seed, it will actually grow in only a small number!

"Now, Father, this is different than what the rest of the 144,000 will get, as far as the ManChild?"

"Different, indeed! For, as the rest of the 144,000 cross over through the portal, at that instant, they will get the ManChild in its great power; and at that instant also will appear on My Holy Mountain! All of these, I will soon marry and they will come back into the Earth in the fullness of My blazing glory and power! But, this is not just yet!
Now, My Child, I shall pour out My glory and My power on all nations and all of this is to harvest more souls, who will thereafter be worthy to be taken off (the planet) just prior to My pouring out My wrath! But, My Bride, My Holy Ones, will not be removed from the Earth for long! They will come right back and with greater, much greater power than what you will see at this time!

When My ManChild makes it to My throne and only then will the world see the manifestations of My Kingdom in the Earth! This is close, near, very near! Your time of suffering is drawing to a close! Be of good cheer; for you shall soon, oh so soon, quickly now you will see My face!

I am your Father Yahweh, yea Jehovah, Most High God!

**Fourth Message From our Father in Heaven**

**October 28, 2007**

"Oh, my Blessed Father in Heaven, holy, righteous and beautiful in every way! I come to you in the Name of Jesus, Yeshua, Messiah, the Name above All Names, our Beloved Redeemer, our Mighty Saviour; and I thank You, Oh, Beautiful and Glorious God! I thank You, Father, for keeping me hour after hour and day after day, even from a certain death at the hands of Satan and his evil hoards! And, Oh Blessed Father, Oh Righteous God, I give You all the glory, all the praise, and all the honor forever and ever! For, You, alone are Most High! Blessed is Your Holy Name forever and ever!

I thank You, Father! I thank You for these messages! I thank You for these truths! For, there were many days that I longed for You to impart these truths to Me, to impart these messages to Me and You would not! I waited and longed so for You and our Saviour and you gave me no messages to impart to the people at large! But, even so, You gave me personal messages and personal messages for others and you always heard My prayers! Even in such dark times as what I have needed to go through, such heartache and travail, You were always with Me and in the midst of so much persecution, you have blessed me exceedingly!"

"My Little One, I put you in a stony place and as such I put you in a holding pattern; and within this holding pattern, you could only speak as I allowed it. You could neither go to the right, nor to the left, unless I allowed it! Through it all, I sequestered you away! I nestled you in My holy spot; and I would not let you veer! I would not let you stray! I picked your friends! I picked your acquaintances and as the years passed, I removed many from your inner circle, as they were not right! Their minds were divided! Their hearts were divided and they brought you grief and sorrow!

 From The Mountain Prophecies Copyright 2007

Yes, I made your way straight and I have kept it straight! And, through so much pain and suffering, I have drawn you close to Me, tight to Me, deep into My holiness and righteousness! I have kept your focus narrow and your way strict and straight! For, the work, which I have chosen you for and which I have carried you deep into, is a grand work! It is a huge work for Me, for My Son, for all of Heaven and for all of humanity!

And, as such, I have kept others at a distance! I have made them as 'peeping toms', all on the outside looking in! And, many, who grew tired of looking and watching, have gone on to find a worldly fad or a worldly pleasure! For, what you wrote did not excite them! It did not lift them up, but offended them! In fact, I offended them by what I put you through! And, many said, 'Surely, she lies! Surely, she is fallen! Surely, she is evil and deserving of every evil thing!' And, therein they put giant boulders in their own paths; for they judged you and they scorned My work! And, many of these have fallen! Yet, even so, I have not given up on them! Some will see the errors of their ways and soon many will weep; for they have pierced you just as they pierced My Son! They have stoned you with words in their mocking, in their lying and name-calling; and they have elevated themselves above Me, above My Son and above all! But, soon, oh so soon, I will debase them all ! For, you, oh downtrodden, mocked, scorned and berated daughter, I will raise up and I shall elevate you above them all! Oh, how they will howl when they see how they have crucified My Son again! For, truly they have now crucified His seed, His holy seed!

Oh, stiff and hard-necked people! When you saw this one suffering, and when you saw her in need, how many of you lifted a finger to help her? How many of you sent a note or a card of love? How many of you took an interest in My persecuted servant? Oh few, indeed! Yes, indeed, few! But, yes, indeed a faithful few; and these faithful few will never be forgotten by Me and My Son, even and throughout the eternities! For, their goodness shall be multiplied unto them throughout the eternities! This is so, oh meek and humble Children of Mine! And, yes indeed, you are few, oh few indeed, who have stayed the course alongside My faithful servant, Linda Newkirk! But, these few I shall bless mightily! They will see and they will know firsthand My great love for them!

My Little One, I know your heart! I know your gratitude towards Me and My Son! Oh, I know you well; and what you have longed for, what you have waited for, for a long time, shall soon, oh so soon, quickly now, bear beautiful fruit for Me, for My Son, for humanity and indeed for all of Heaven! For, through you and through My work of Revelation Twelve, 'My Kingdom Come' is about to be manifest in the Earth!

Go in My love and know My great peace and joy! For, even as I have just told you, soon and oh so soon, even quickly now, you will see My face!

I am your Father Yahweh, yea Jehovah, Most High God!

**What More is our Father Showing?**

My Dear Ones, I know that you have been greatly blessed in reading our Father's words and in knowing that great, astounding and heavenly events await humanity! Yes, indeed, we are on the verge of great happenings in the Kingdom of Yahweh! What glorious times we are in!

I am sure that many of you have been keeping up with Comet Holmes, the ever-so-faint comet, which makes its trek through this system about every seven years! And, usually it passes with little fanfare, but not this time! Oh what a show it has made in the heavens! People from all over the world are watching this spectacular event. If you would like to see photos of it, many can be seen at http://www.spaceweather.com/comets/gallery_holmes.html! This spectacular show reportedly began on the 24th of October and continues! A relatively dull comet has suddenly exploded and has become a million times brighter. Some say that it is likened unto a planetary nebula, but I could

 From The Mountain Prophecies Copyright 2007

not comment on this! However, I do know some rather astounding things as well, relative to this sign in the Heavens!

### The Heavenly Spin!

On the 23rd of October, our Saviour called me into His Presence! At first I was only sitting alongside of him on a bench! But, suddenly, the two of us took off in flight, soaring together in the air! And, suddenly in the midst of our flying together in the Spirit, He reached out, took my hand and began to twirl me very rapidly! Some might say that, that was nothing! But, for a fact, the twirling that our Saviour did to me that day, affected the spin of the ManChild, or the new DNA. After that incident, it began to spin much more rapidly and to have a great deal more strength! And, after that incident, comet Holmes became a million times brighter, beginning on the 24th, as reported in the media, and exploding in such brilliance within about 24 hours!

### A Dream, Which I have longed to see fulfilled!

My Dear Ones, it was in the fall of 2005, perhaps a little later than this time of year, although I do not remember the exact date, when I was under extreme attack by the U.S. military and those in this government, all under the direction of Satan, their god! These evil hoards were pummeling my body with microwaves and with lasers and as such I had large, red burns on my legs and elsewhere on my body, these burns causing me great pain! In addition, they had pummeled my knees with such severity via the use of lasers, that I had white scars on the sides of my knees, where the lasers had exited! So great was the pain in my knees and legs that I could hardly walk.

As I suffered their assaults, I would try to find one spot in the house, wherein I could go to escape the effects of these horrible burning rays! And, it was late one night, or perhaps, even early morning of the next day when I decided to take a folding cot into the hall and put it next to the washer and dryer, thinking that the presence of these objects may slow down the microwaves, if in fact many of them were coming through the walls from the area of the road, as I suspected. I was so very tired and so longing for a little rest and crying out to our Lord and God when He, for a certainty, heard my

prayers. For, I drifted into a deep sleep, even amidst so much pain; and I slept long enough to have a very vivid dream.

I dreamt that my son was at my house and he and I walked out the back door and onto the porch! As I looked south, I saw were two huge disk-shaped craft in the sky, and both were relatively low! In this dream, the timing of it seemed to be either in the fall, or winter, as the trees, which were across the road and to the south, were basically devoid of leaves.

We both exited the porch and turned to the left to look due east; and there we saw a full moon as it was rather low and coming up between two certain trees, where I often see the full moon come up. But, behind the moon was a most peculiar thing! There was a heavenly manifestation, a round orb, which seemed to be veiled, in other words diffuse. Somehow, I just knew that this object was really bright, although it appeared as diffuse, or veiled in the dream!

Immediately, I awoke and in my heart of hearts, I knew that this manifestation meant that Jesus would soon come for me! It was this very dream, which propelled me outdoors month after month in search of this heavenly phenomenon! And, month after month, I saw no such thing! Oh how long the months became, even turning into years as I waited for this event, which would signal the coming of our Saviour!

Now, this month, on a full moon, there is such a heavenly manifestation! I absolutely believe that Comet Holmes is the heavenly manifestation, which I saw in my dream. It occurred in my dream in conjunction with a full moon and in reality the intense brightening of Comet Holmes has occurred in conjunction with a full moon. In my dream, this occurred in the northeast part of the sky; and this manifestation of Comet Holmes is visible in the Northeast sky from where I live in Arkansas! This heavenly manifestation was fuzzy in my dream, yes veiled! And, in reality, in most photos, this manifestation of Comet Holmes appears fuzzy! But, if you can find those photos, which are time-lapsed, even for a very short time, you can see that this is a really bright manifestation, even as I was thinking it to be so in my dream! And, in addition, this event has occurred in the fall, when the trees are rapidly shedding their leaves. Also,

 From The Mountain Prophecies Copyright 2007

from night to night, I also see military, disk-shaped craft, low and to the south, but not as large as in my dream!

My Dear One, surely this most bizarre of manifestations with Comet Holmes signals the birthing of the ManChild back to the throne of God, and thereafter the imminent manifestations of our Father's Kingdom in the Earth! Even when you look at Perseus, the constellation in which you find this comet, and follow the lines, which connect the stars, you find something of the configuration of a man! Two legs, two arms and a line going forward to the right from this man! What is not obvious on this drawing is the head of the man; and I wonder how all of this relates, if it does to the Man child! Rejoice, my Dear Ones, for the prophecies of the ages are all coming to bear in the Earth at this time! Blessed is the Holy Name of Our Almighty God Yahweh and Blessed is the Name of His Precious Son, our Wonderful Redeemer! For, they are so beautiful, so wonderful, and now come their great blessings for all of humanity! May we all praise our God early in the morning, and may we all praise Him throughout the day; and may we all praise Him well into the night and throughout the night! For, He is awesome beyond any words!

Jesus is our Beautiful Way Home,
Your Sis, Linda

# CHAPTER FORTY-TWO - PART I

## An Open Invitation to A Spectacular and Timely Heavenly Event!

### OUR FATHER IN HEAVEN SPEAKS!
### RECEIVE, BELIEVE, AND ASK!

"My Blessed Child, I am your Father Yahweh, yea Jehovah, Most High God; and I come to you today to impart to you a message of My great love, of My great mercy and of My great grace!

My Little One, few know, or believe, that you, Linda Newkirk, the same Linda Newkirk of Mayflower, Arkansas (USA), are the Woman of Revelation Chapter Twelve! And, few know how you have labored, how you have travailed, how you have suffered, and how you have often wept beneath the weight of unspeakable persecution! And, all for the love of Me, for the love of My Son and for the love of humanity!

Yes, few know and of those, who know, few believe! For your trials have been so great as you have travailed beneath the feet of Satan and all of his demonic hoards! Oh, yes, you have travailed to bring forth My holy seed! A tiny seed indeed when it was given to you; but at this time, it has been maturing in your body for more than seventeen months! And, during this time, it has been growing in strength, power, and stature until it is, for a certainty, now a "manchild!" And, soon, oh so soon, it will be birthed back to My throne! But, not without you; for he is a part of you!

My Child, I have told you that, as the Woman of Revelation Twelve, you are the spiritual mother of My Kingdom! What grows in you is My Kingdom Seed! It is also the seed of My Son, Jesus, who is Saviour of Humanity! All, who marry Him, will receive this seed! All, who come into My Kingdom, to work in My service, and to be a part of My Kingdom, the queens, the kings and all others, must receive this seed! None will be a part of My Kingdom, who do not have this seed!

 From The Mountain Prophecies Copyright 2007

My Little One, as I have told you, soon and oh so soon, I will take you and My "manchild," my now-matured holy seed, back to My throne! And, what awaits you in heaven is most surely the second greatest celebration ever to take place in heaven, the first being when My Son returned after He was crucified!

Now comes another grand celebration in Heaven and in some ways, perhaps in many ways, it is even more grand than when My Son returned, but not in all ways! For, this celebration, this marriage to My Son, will go on for some time; with you, My Little One, being the first to marry Him, your marriage to Him coming through the now-matured holy seed of My Son! For, you are the spiritual mother of My Kingdom, the very one, who has birthed the holy seed into the earth, which is now a manchild!

My Little One, you have so often wanted these works to be finished! So often you have sought this; for you have wanted an end to the constant persecution, which is directed at you! But, you have not wanted to leave this Earth and to come into Heaven without your faithful friends! In fact, My Little One, your cries have continually come before My throne, wherein you have repeatedly asked that all "clean" souls be allowed to come with you and the manchild when you come to My throne!

And, yes, My Child, I shall grant this request (that your faithful friends be allowed to come with you), but in an even greater way than what you ask! Surely, I will now give the grace, great grace to you, that when I come for you and the manchild, I will also take those, have been your faithful friends. But, My Little One, I extend more, and I extend it to those, who are on the streets, who are in the highways and the bi-ways! Even if they do not know if Revelation Chapter Twelve is true; and even if they do not know a thing about what you have been through, if they ask of Me with a sincere heart and a humble heart to come, I will allow many of them to come with you, even total strangers! I will answer the calls of many, even those, who are lost and who sleep under the bridges!

Yes, I offer to them now a grand trip to heaven, a trip to behold the wedding of the ages, a chance to be a part of something so grand, that all of heaven is daily in great

anticipation! And, this wedding, My Little One, is the wedding of My Son, as He first weds you, the spiritual mother of My Kingdom in the Earth!

Oh, yes soon, and oh so soon, you will have paid your price, your great price indeed, to birth My Kingdom into the Earth! And, all subsequent marriages to My Son could only come about because you have paid the price! If you have not paid the price to birth My Kingdom into the Earth, I would have no Kingdom in the Earth! And, soon, oh so soon, I shall so greatly reward you! For, you will marry My Son first and all will soon know that you are the woman, who bears the crown with twelve stars, the true Queen of Heaven, indeed!

Now, my Little One, I open up My invitation to this wedding, not only to your faithful friends, but to all, who truly wish to come, who can truly believe and truly ask! And, while I now allow you to post this on the Internet as a public invitation, I now call up others, who see and know the truth of what I write, to copy this message into printed form and to take it and to distribute it into the streets, wherever they live!

Some may need to translate this message into their own language! And, I call you now! I call you from the continents; and I call you from the islands to take this message, to copy it into printed form and to widely distribute it to those in the streets, where you live! I now invite anyone, who can receive the truth of what I tell you and who can believe, thereafter asking with a sincere heart, to be a guest at this most grand of weddings in heaven!

Oh, yes, this is true! This is real! And, this invitation is not being sent directly to the churches! This is not My desire; for they have overwhelmingly spurned these works of Revelation Twelve! My invitation now goes into the streets and I call forth My workers, the sincere of heart, those, who also wish to be a part of this grand wedding, to come forth now! I call you to come forth and to copy this message and to take it into the streets, take it into the jails! Take it into the villages! Take it into the highways and the bi-ways; and make haste! For, this wedding is soon, oh so soon, not many weeks away!

 From The Mountain Prophecies Copyright 2007

Though many of My own have rejected these works, and are thereby unworthy to come, many others will not reject this invitation, but will shout with glee! For, they will hold dear what I now give so freely!

Oh, yes this is unexpected! All that I give now is unexpected! But, oh so soon, many will get a trip into heaven, which will forever change them! And, they will see the very first wedding, ever, in heaven, the wedding of My chosen, daughter, Linda Newkirk, the Woman of Revelation Twelve, to My Son! Thereafter, Linda Newkirk will begin her work as the Queen of Heaven, my Son's very own queen; and as such will bear much power in Heaven and in the Earth!

All, who take seriously this invitation, and who come to Me in prayer, truly believing and truly asking to go, will indeed be received as guests of this grand heavenly event! And, yes, even some of these will be evil! For, first, I am a God of great love, of great mercy and grace! And, through this invitation of love, many will be forever changed!
My Beloved Child, type this and get this posted on the Internet soon! I will touch the hearts of many, who read this message, that they copy it onto paper and distribute it into the streets, where they live!

Come, Oh you nations! Receive what I freely offer! For, now My grace, My love, My righteousness, and My glory comes forth as you could neither have imagined, nor could have conceived in any way!! Glorious rewards now come to those, who believe!
I am your Father, Yahweh, yea Jehovah, Most High God!

As witnessed, dictated and recorded this 3rd day of November, 2007,

Linda Newkirk
