

CAPABILITY STATEMENT

CORE COMPETENCIES

KEC Services, LLC (KEC) is a woman owned and operated small business. **We are DBE, WOSB, EDGE and MBE certified.** KEC Services owner, Kimberly Kegley, has a background in geology with over 15 years of experience in project management, construction inspection and coatings inspection. KEC's experience also includes asphalt inspection services for parking lot rehabilitation projects, shop drawing review, project specification and test result review. Our mission is to always provide quality inspection services to all our clients. As a small firm KEC knows the importance of having knowledgeable, skilled, and qualified staff. Excellent employees allow us to bring many years of invaluable experience to every project.

Our company is based on trust, integrity and reliability.

We work closely with our clients to ensure we meet the needs of every project and exceed expectations.
