## Experience

### 2015 - 2024

Lott Brothers Construction Company | 406 N Lee St, Round Rock, TX

#### Operations Manager

During my tenure at Lott Brothers Construction Company starting in 2015, I've held multiple leadership roles including Project Superintendent II, III, General Superintendent, Field Operations Manager, and Operations Manager, specializing in K-12, hospital, and multi-family projects. Throughout my tenure, I've overseen the successful construction of over 3,145,851 square feet of diverse projects, with a total managed construction value exceeding \$700 million. My responsibilities have included providing effective leadership, coordination, and ensuring project success through adherence to industry standards, project requirements, and aggressive project scheduling.

### 2013 - 2015

EBCO General Contractors | 804 E 1st St, Cameron, TX

#### Superintendent

During my time at EBCO General Contractors, I held the positions of Assistant Superintendent and Superintendent, actively participating in a diverse range of projects. These projects encompassed a small-scale bank renovation, restaurant remodels, and expansive ground-up hospitality developments. Throughout my tenure, I contributed to the successful completion of six distinct projects, each presenting unique challenges and opportunities for growth within the construction industry.

### 2007 - 2012

Truitt Group Commercial | FM 112 Thrall, TX

#### Superintendent

During my time at Truitt Group, a small real estate development company, I had the opportunity to be involved in several diverse projects. These projects ranged from the construction of medical centers and ground-up restaurants to the development of custom homes. While at Truitt Group, I held multiple positions within the company, with my primary role being that of a Superintendent. In this capacity, I played a crucial role in overseeing the planning, coordination, and execution of construction projects, ensuring they were completed to the highest standards of quality and within specified timelines. My experience at Truitt Group allowed me to gain valuable insights into various aspects of real estate development and construction management.
