Dear Mr. Vorce:

At Continental's recent annual Design & Construction Summit, we recognized the projects that were successfully delivered in 2020 on schedule, within budget and completed with an outstanding level of quality. The success of Springs at Summer Park was a team effort, but your individual contributions as Superintendent have not gone unnoticed. We appreciate your hard work and look forward to working with you on another successful Springs Apartment Community!

Thank you,
Continental Properties Company, Inc.
