Eligibility Routes: Review Eligibility Route breakdowns and requirements found in the Application Instruction Book.

To qualify for the Orthopaedic Technologist Certified™ (OTC®) Certification Examination, an applicant must provide evidence that the OTC® certification eligibility requirements in this Policy have been met.

I. CERTIFICATION ELIGIBILITY ROUTE B.

An applicant must satisfy the requirements of Eligibility Route B to qualify for the OTC® Certification Examination. In its sole discretion, NBCOT reserves the right to accept, reject, or request any additional information concerning, any information or material submitted by, or on behalf of, the applicant, in order to ensure conformity with the OTC® eligibility requirements in this Policy.

➤ **Eligibility Route B (OT Training Program Applicants):**

The applicant has completed a qualified Orthopaedic Technologist (OT) Training Program that satisfies the following requirements:

1. The Program is administered by an educational institution accredited by an accrediting agency recognized by the U.S. Department of Education, or the Council for Higher Education Accreditation; and,
2. The Program includes the following components:
 - a. **Program Curriculum**: The OT Training Program curriculum must be consistent with the current NBCOT OTC® Job Analysis, and all OTC® Certification Examination domains (qualified Curriculum).
 - b. **Instruction Hours**: The OT Training Program curriculum must consist of at least four hundred and fifty (450) hours of qualified Curriculum instruction, including both classroom lecture and practical laboratory instruction. Each curriculum course must be related to an OTC® Certification Examination domain or OTC® Job Analysis subject.
 - c. **Military OT Programs**: A qualified military OT Training Program curriculum must include at least four hundred and fifty (450) hours of qualified Curriculum instruction, including both classroom lecture and practical laboratory instruction, and must include the following courses: a Medical Services course; and, an Orthopaedic Specialty course.
 - d. **Clinical or Externship Component**: The OT Training Program curriculum must include a clinical rotation and/or externship component of at least two hundred (200) practice training hours. Clinical rotations and/or externships must provide students with experience in all of the following settings:
 - 1) Hospital (orthopaedic floor/department).
 - 2) Operating room.
 - 3) Orthopaedic physician's office.

NOTE to Military OT Programs: A qualified military OT Training program curriculum must include a clinical rotation and/or externship component of at least three (3) months.

- e. **Instructor Qualifications**: Each OT Training Program instructor must be licensed, or otherwise authorized, to practice in the health care field that is the subject of his/her OT Program course and **coincides with the OTC Examination Qualified to Teach Table found within the current OTC Application Instruction Book**. In addition, the OT Training Program must include at least one (1) instructor who is certified as an OTC® by NBCOT.
- f. **Physician Advisor**: The OT Training Program must include at least one (1) licensed Physician Advisor, specializing in Musculoskeletal System, who can: confirm that the applicant has successfully completed the OT Program; and, attest to the eligibility of the applicant for NBCOT Certification. The Physician Advisor must provide a signed, notarized Physician Advisor Verification form, confirming that the applicant has satisfied the requirements of the NBCOT OTC® Examination Application, and this Policy.
- g. **Certificate Requirement**: The OT Training Program must issue and provide to all students a Certificate of Program Completion, or Certificate of Graduation (diploma), within ninety (90) days after the student has successfully completed all Program requirements. University transcripts will not be accepted to satisfy this requirement. No OTC® Examination Application will be accepted by NBCOT until such certificate documents are issued by the OT Program and reviewed by NBCOT.

Military OT Programs: Applicants who have completed a military OT Training Program will be required to submit a Certificate of Course Completion issued by the relevant branch of the U.S. Military, or a certified copy of his/her U.S. Department of Defense DD Form 214 "Certificate of Release or Discharge From Active Duty."

- h. Program Appeals Policy: The OT Training Program must maintain a fair and appropriate student appeals policy, which permits students to appeal an adverse Program decision or action to an impartial Program representative with authority to reverse or modify the decision.
- i. Ethical Business Practices: The OT Training Program must operate in a lawful and ethical manner.

Eligibility Route B Submission Requirements: To qualify for NBCOT Eligibility Route B:

- The applicant must submit a complete OTC® Examination Application within twelve (12) months of his/her completion of a qualified OT Training Program, **including all applicable OT Program certificates, consistent with Section 2.g, above.**
- The OT Program Director must submit to NBCOT a complete and accurate Program Director Verification form, confirming that the Program satisfies the identified requirements; and,
- The OT Program Physician Advisor must submit to NBCOT a complete and accurate Physician Advisor Verification form, confirming that the applicant has: successfully completed the OT Program; and satisfied the requirements of the OTC® Examination Application, and this Policy.

OTC® CERTIFICATION EXAMINATION.

1. An eligible applicant must complete and achieve a passing score on the current OTC® Certification Examination. NBCOT reserves the exclusive right to void an applicant's test score based on a violation of an NBCOT Policy or any other requirement.

ID Photos Requirements: Items outlined in A & B below are REQUIRED.

Failure to comply will result in your application being returned.

A. One (1) clear photocopy of your valid U.S Driver's License or valid U.S. Passport.

B. Two (2) Professionally taken Passport style color photos. MUST BE ON PHOTO PAPER. No Self taken photos accepted.

To identify the certificant and to issue an ID Certification, two (2) Passport type photos are required. ID Photos can be taken in your local area and need to be sent with rest of your documentation for processing. As you can see by the illustration given, ID Photos have certain requirements and must be professionally taken. When you have your ID photos you will receive **two** identical photos to submit. **Both photos** are to be sent in for processing. **Print and sign your name on the back of both photos.** Selfies or photos on regular paper will not be accepted.

**NATIONAL BOARD FOR CERTIFICATION OF ORTHOPAEDIC TECHNOLOGISTS, Inc.
(NBCOT, Inc.)**

CERTIFICATION ELIGIBILITY POLICY

The National Board for Certification of Orthopaedic Technologists, Inc. (NBCOT, Inc.) requires that all NBCOT, Inc. applicants disclose any criminal, legal, or other disciplinary matters when applying for certification or within sixty (60) days of the occurrence of any such matter, unless otherwise specified by NBCOT, Inc. in writing.

NBCOT, Inc. has an obligation to carefully review and deny the certification, or renewal of any certification, consistent with this policy.

I. PRESUMPTIVE DENIAL

A. Criminal Matters (convictions, guilty pleas, or deferred adjudications)

Applications for certification from individuals who have been convicted of serious crimes will not be accepted for certification or renewal. Specifically, crimes involving the following circumstances will presumptively disqualify a candidate for certification or recertification unless: there are significant and extraordinary circumstances supporting certification or renewal; a period often (10) years has elapsed since the completion of all court-ordered requirements; and, significant rehabilitative actions have been taken by the applicant or certificant. Submissions regarding circumstances, rehabilitative actions, etc., will be considered in context of NBCOT, Inc. policies and procedures.

1. Crimes involving death, physical harm, or the threat of physical harm to another person (e.g., murder, aggravated assault, domestic violence, assault, battery, communicating threats).
2. Sexual crimes (e.g., rape, indecent assault).
3. Crimes involving the abuse of children, the elderly, or individuals of diminished mental or physical capacity.
4. Crimes involving intimidation, harassment, involuntary enslavement or restraint (e.g., hate crimes, terroristic threats, kidnapping, human trafficking).
5. Crimes against the property of others, or involving the deception of others (e.g., theft, arson, embezzlement, forgery, fraud).
6. Crimes involving the manufacture or distribution of controlled, dangerous substances.
7. Crimes involving possession of a schedule I or II controlled substance (e.g., heroin, cocaine, oxycodone).
8. Multiple offenses of driving under the influence/driving while ability impaired.

B. Submission of Inaccurate or False Application Information

Applications for certification from individuals who have submitted inaccurate or false information to NBCOT, Inc. in connection with his or her application will not be accepted for certification or renewal.

Applicants for certification who submit false information will be considered ineligible for certification for a minimum period of five (5) years. Following this time period, applicants may submit for consideration written documentation of how prior unprofessional behavior has been addressed and resolved. Such submissions will be considered in accordance with established NBCOT, Inc. policies and procedures.

II. OTHER MATTERS

Applications for certification or renewal also may not be accepted when the individual has been convicted, entered a plea agreement, or deferred adjudication relating to criminal matter(s); has been the subject of any governmental or professional disciplinary matter; or, has been named as a defendant in a civil litigation relating to his or her professional services or activities. The following criteria will be considered in determining whether an applicant or certificant involved in such a matter is eligible for NBCOT, Inc. certification.

1. The seriousness of the disclosed matter.
2. The relationship of the disclosed matter to the applicant's or certificants professional activities or ethical responsibilities.
3. The amount of time that has passed since the matter occurred.
4. The completion of any court, agency or organizational conditions or requirements including parole.
5. The amount of time that has passed since the completion of all court, agency or organizational conditions and requirements.
6. Whether certification of the individual would negatively affect the public's trust of the NBCOT, Inc. certification.

III. GENERAL PROCESS

Certification eligibility determinations will be communicated to the applicant or certificant in writing. Application fees will not be refunded for certification applications that are rejected by NBCOT, Inc. pursuant to this Policy.

2026 Applicant Attestation Section:

By submitting this exam application, you are attesting to having read and understood the following National Board for Certification of Orthopaedic Technologists, Inc. Certificant Attestation Statement and the information provided in the National Board for Certification of Orthopaedic Technologists, Inc. Certification Application Instruction Book.

Please read this statement carefully.

I attest that I am of legal age.

I have read, understand, and agree to adhere to the provisions of the current National Board for Certification of Orthopaedic Technologists, Inc. Certification Candidate Examination Handbook, Code of Ethics and Standards of Practice, all of which can also be found on the website at www.nbcot.net. By signing below, I am attesting that I have personally completed the exam application and that the information I submit in the application myself and in any required accompanying or subsequent documentation is true and accurate to the best of my knowledge. I also have included all documentation, photo and ID requirements listed within the application

Additionally, I understand that persons who apply for certification as an ORTHOPAEDIC TECHNOLOGIST OTC® or ORTHOPAEDIC TECHNOLOGIST–SURGERY CERTIFIED OT-SC™ or persons who have been certified by the National Board for Certification of Orthopaedic Technologists, Inc., are subject to the Code of Ethics and the Procedures and Standards.

I understand that the National Board for Certification of Orthopaedic Technologists, Inc. may amend its requirements, policies, and procedures for initial certification, certification renewal, and Procedures for Enforcement of the Code of Ethics. During my six-year certification cycle, I agree to notify the National Board for Certification of Orthopaedic Technologists, Inc. in writing within 30 (thirty) days of any violation of the Code of Ethics, specifically as it refers to Item 7.4 “Applicant Ethics Representations and Agreements” which can be found within this Examination Application.

I agree to hold the National Board for Certification of Orthopaedic Technologists, Inc., its directors, officers, employees, and agents free from any damage or complaint by reason of any action taken in connection with the score or score given with respect to this or any other National Board for Certification of Orthopaedic Technologists, Inc. certification examination, or the failure of National Board for Certification of Orthopaedic Technologists, Inc. to issue me certification.

I understand that if it is confirmed that I was not eligible at the time I took the examination; my examination score may be voided. If it is ever determined that I was a participant in any testing irregularity, such as use of any electronic device during the examination and/or break, or cheating, to include discussing, transmitting or copying a test item(s) or answer(s) to a third-party, before, during or after the examination, my certification or eligibility status with the National Board for Certification of Orthopaedic Technologists, Inc. may be changed, and I may be subject to disciplinary and/or legal action.

Further, I understand that if I need to file an examination administrative or technical complaint that I must file such a complaint on-site at the IQT Test Center **on the day of my examination.**

I also agree to notify National Board for Certification of Orthopaedic Technologists, Inc. in writing of any address and/or name change within thirty days (30) after the change becomes effective to remain in compliance. No verification of my credential will be provided if I am not in compliance.

If requested to do so, the National Board for Certification of Orthopaedic Technologists, Inc. may verify my certification status. I hereby give consent to the National Board for Certification of Orthopaedic Technologists, Inc. to release my certification status to any academic institution, employer, regulatory agency, legal entity or other party that may inquire.
