

Aspen Park Pediatrics Information

Aspen Park Pediatrics' mission is: to provide exemplary pediatric care; to foster channels of communication and respect patients' individuality; to maintain patients' accessibility to their medical provider; to serve and engage the local community in a responsible manner; to support our employees' growth, education and involvement.

Dr. Carol Turner is board certified in general pediatrics and pediatric emergency medicine. She received her M.D. in 1986 from Baylor College of Medicine, Houston, Texas, and completed her residency in pediatrics at the University of Colorado Health Sciences Center in Denver, which included training at both The Children's Hospital and Denver Health Medical Center. She then completed a post-graduate fellowship in pediatric emergency medicine at Harvard Medical School/Boston Children's Hospital. In 1991, Dr. Turner returned to Denver. She spent 10 years as an attending physician at The Children's Hospital Emergency Department and Associate Professor of Pediatrics at the University of Colorado and 3 years practicing general pediatrics at Mountainland Pediatrics in Thornton. Dr. Turner and her husband, who have 3 children, have been residents of the Conifer region since 1998.

Emily Balch, LCSW is a Licensed Clinical Social Worker and has ten years of experience working with youth and families from diverse backgrounds. Emily has worked with youth who experienced trauma, depression, anxiety, social pressures, strained relationships, adjustment difficulties, behavior and learning needs, youth in foster care and adopted youth. Emily believes that parents and caregivers are an integral part of a youth's growth and involves them in the treatment process as appropriate. She uses play, movement, and conversation in therapy and respects the unique needs and desires of the individual and family. Emily graduated from Colorado State University in 2009 with a Master's of Social Work degree. Emily is a resident of Conifer and enjoys exploring hiking trails with her family, practicing yoga, and knitting. Emily is excited to work with the youth of Aspen Park Pediatrics.
