## **Refugee Sponsorship Vegreville 2021**

***Help a  
Refugee Family  
Affected by the  
War in Syria***

When refugees can't go back home, they need to rebuild their lives in another country. Refugees are people running for their lives. They are driven from their homes and communities by factors outside of their control.

**All  
donations  
are welcome!**

We are your friends and neighbors, committed to helping a refugee family rebuild their life.

**Our immediate focus is raising sponsorship funds.** Then we will focus on welcoming the family and helping them adjust to life in Canada.

We believe this is a very worthwhile cause and one that will benefit not only a refugee family in great need but also our community. It is a chance for many of us to work together on a shared goal and to make a very concrete difference in one family's life.

The Canadian Government requires sponsors to have the financial resources to support refugees. The estimated cost is **\$30,000**, which covers a year of living expenses for one family. All funds raised will be used to benefit a refugee family's settlement in Vegreville, Alberta.

Stay tuned for  
fundraising initiatives!

How can you help?

- **Volunteer** on the committee
- **Donate** to the project
- **Promote** the project by telling others
- **Build a stronger community**, making a difference in a family's quality of life
- **Pray** for all those who have been affected by civil war

Together –  
one family at a time!
