

Worship Committee Report - March 2026

It has been another busy month for the Worship Committee.

Laureta , Lisa & I met on March 5th for about 3 & ½ hours to pick the hymns for the rest of the Easter Season and as the Seniors Services was cancelled we proceeded to complete hymns for services until the end of May . It worked really well and is nice to have them done, We will be doing another session in the future to pick hymns to the end of September.

The Vestry will be decorated for Palm Sunday & Laureta has ordered Palm branches for that Sunday. As noted previously the Sanctuary will be stripped on Maundy Thursday for Good Friday & I will arrange to have some Easter Banners up for Sunday . Please note that the United Church Banner had a hook let go this past week . It will be repaired & the banner rehung after Good Friday .

Laureta, Lisa & I are trying to proceed with Seniors Services and are hoping that we can find some help for the music portions . The seniors have been happy to see us return .

Thanks to Pat , Wolff , Freman , Laureta & Clarence for helping to store all the pieces of the Christmas village that were received under the stage. It went well & quickly .

Please let me know if there are any notes that apply to the new Operation Manuals for each committee for setup .

Thanks Ellen Johnstone Worship Chair
