BOARDROOM

Boardroom tables provide modern executives with the distinctive impression of quality, precision & strength that makes a bold, visual statement in any boardroom. Table tops are designed to incorporate power and data capabilities, embracing the latest technology so you can break away from the predictable, old fashioned conference rooms and create new dimensions in boardroom design.

CURVED LEG

Curved folding leg tables combine stylish good looks with versatility and are ideal for use in meeting rooms, conference suites and exhibitions. When folded, the tables stack together neatly for easy storage. The frame design also offers sufficient leg room for users when sat around the tables, and can be used stand-alone or together with the rectangular and semi-circular tables to create your layout.

MONZA

Classic, contemporary and refined are the words most often used to describe the Monza range. Tables are available in coffee and poseur table formats as well as standard height meeting or dining tables. With its slim profile base and tubular column, Monza has a timeless design that never goes out of style, and the choice of circular, square or rectangular tops allows for customisation of design and function.

How it works

Flexible environments that encourage collaboration and promote choice are simply more likely to foster a steady stream of good ideas that will ultimately be the differentiator between a business and its competitors. Traditional desks will continue to exist, but they will no longer be an employee's only option for working, and that is where the Saxon worktable comes in, to help promote creativity in the workplace with a table system that inspires.

OTTO

The Otto table and bench system offers a clever meeting space solution for any office breakout space with its hard-wearing table top and classic leg design. The table and bench combination avoids a mismatched look and adds a consistent look and feel to any space, and if you wish to enhance the look of the bench by including a touch of colour, fabric seat pads can be added to make them more comfortable.
