## **Warranty Statement**

This Xe-WOM xenon-arc burner is provided with a prorated warranty for up 1200 hours use in the designated Atlas Materials testing Technology Weather-Ometer <sup>®</sup>.

Prorated warranty – credit will be provided failed lamps on a prorated basis for the number of hours short of 1200 hours of operation. [e.g. lamp that fails at 1000 hours will be credited at a [1200-1000] 200/1200 \* purchase price].

Credit will be issued only as a discount on future purchase of identical product, exercised within 30 days of claim.

Warranty claims <u>must</u> be accompanied with an RMA and a correctly completed and signed product operation log card.

This warranty does **not** cover failures due to improper use, mishandling or instrument malfunction.

For warranty claims, please return properly completed and signed log card with RMA#

I attest that the information provided on the reverse side of this card to support a warranty claim is true and correct.
