

# CCC MEN'S DAY ON COURSE EVENTS

As a result of Covid-19, Men's League has been unable to put out normal on course events onto the golf course. For the second half of the season, we have come up with some (hopefully) fun alternative ideas to replace those contests. Here is the schedule of the events each week...

Winners of each of the following contests will receive a free drink ticket. Players are responsible for signing the event sheet in the Golf Shop for any contests won on the course. We would like for someone in your group to verify the results if possible. Drink tickets will be issued immediately following your round, but may be used on other days.. No contests will be paid out after Thursday. You must be playing your match on league day (Thursday) to qualify for these contests. Events are subject to change prior to each week - stay posted for updates (online & at Golf Shop counter).
