Play will consist of individual matches of 9 or 18 holes. 18 points are available on each match - 1 point per hole.

If you play less than an 18 hole match, the holes not played will be split equally.

Normal match play rules apply - including splitting points on holes where ties occur (1/2 pt each)

Players are encouraged to pick up on holes when needed to keep speed of play intact.

Regular rows will play "straight up" except if the league committee determines row integrity has changed. Bottom 8 rows will use a league based handicap.

Matches may be played before the match date or split if both players agree.

Players are responsible for securing a sub if they are unable to make the match. Subs can be found on sub list.

Sub points will count toward team totals, not credited to the individual player.

All teams will make the playoffs - lose twice and you are eliminated (3 weeks total)

Any no shows result in 12 points for the available player.
