

NATURAL STONE SERVICE WAIVER

By Signing Below the customer agrees that Custom Kitchen Countertops has been contracted to perform a service on existing stone countertops. The customer understands that natural stone is a product that can break or be damaged during the requested service. Custom Kitchen Countertops is unaware of the installer or manufacturer of the previously installed stone product. The customer understands that in the event of cracking or chipping of the stone surface, is will be under the customers discretion and financial responsibility to have Custom Kitchen Countertops repair or replace none, part of or all of the stone product. The customer also understands that Custom Kitchen Countertops may not be able to replace the exact stone as natural stone has variations in color tone, texture and pattern between slabs of the same color.

By signing below you certify that you are the customer or an authorized customer representative and understand that the countertop you have purchased is not accompanied by any warranty or guarantee.
