AGENCY NAME: Recovery Resources

PROJECT TITLE: Children of Alcoholics Outreach Collaboration

The budget and budget narrative should clearly outline all expenses the applicant agency will incur to successfully implement the proposed project.

PERSONNEL

In the second column, list percent of effort and primary responsibilities and tasks for all key project personnel. **If Executive Director is directly involved in the project, a percentage of effort may be allocated. Otherwise, Executive Director's effort should be allocated to Indirect Cost category as executive oversight.**
