2026 General Rule Information

All gymkhana classes will be run in accordance with the Islip Horsemen's Association rules & regulations along with AQHA's current rule book. IHA rules supersede any other others. The Islip Horsemen's Association encourages qualified persons with disabilities to participate in its programs and activities. If you anticipate needing any type of reasonable accommodation or have questions about the physical access provided, please contact Kayla Hollborn or Allison Schwab in advance of your participation or visit.

Pre-entries will be accepted until 9:00p the Thursday preceding the show date. All entries are the responsibility of the entrant and must be received by the above deadline. Entries are to be submitted via the Google Form located on the organization's website under the "Gymkhana" tab. Pre-entries sent through Facebook WILL NOT be accepted. No one will be permitted to perform without payment of all fees. All exhibitors must sign a release form and a parent/guardian's signature is required for all junior riders.

When a horse show extends the courtesy of taking an advance entry, it is with the understanding that said entries will be paid and credit is extended on these terms. If said entries are not canceled by 9:00p as per the deadline above, and not paid for, the exhibitor will have their name posted. Future IHA shows/events may refuse entry unless indebtedness is settled. Returned check fee is \$30.00.

After closing dates there will be no refunds without a licensed veterinarian's certificate of the horse's unsoundness or a doctor's note of the rider's inability to perform. Notes are to be submitted to the show committee within 10 days.

If your horse is unable to perform, you will be allowed to use another horse. Then upon presentation of a valid veterinary note (within 10 days of the show) you will be eligible for end of year awards. You may revert back to your original horse if he/she becomes fit. You must finish the season on that horse and will be allowed no other changes to remain eligible for end of year awards.

Champion and Reserve ribbons will be awarded in each division. Grand and Reserve High Point End of Day will also be awarded. In order to qualify for End of Day awards, riders must participate in four out of the five classes. End of Day Tie Breaking: In the event of a tie, the rider with the most first-place wins will be ranked higher. If the first-place finishes are equal, the rider with the most second-place finishes will rank higher, and so on for subsequent places. The committee has the final decision on tie breaking.

End of the Year Tie Breaking: Will be resolved in the same manner. If riders have identical finishes across all places, it is up to the committees discretion to break it (I.e which rider scored higher in a more challenging class, fastest time in a class, etc).

No exhibitor will visit or socialize with a judge the day of the show. Furthermore, exhibitors shall not approach judges for any reason prior to or after the completion of judging unless a request is made to show management and with the ring steward or other show official present.

Conduct by judges, IHA members and non-members, volunteers, exhibitors, trainers, owners (and their representatives), spectators and all other persons present on the show grounds or in show facilities shall be orderly, responsible, sportsmanlike, courteous and respectful. Direct abusive and threatening conduct while on the show grounds will not be tolerated and the offending person(s) may be asked to leave the show grounds in order to preserve the decorum of the show.

A violation of either of these rules will first result in a written warning from the show committee to the party(ies) involved in the initial violation, which shall also be forwarded to the IHA Board, within five (5) days of the incident; a second violation of these rules will be brought to the IHA Board for review and any action will be left up to their discretion, which may include but not be limited to removal of points earned on the date of the incident, disciplinary action and/or suspension from IHA club activities for a period of time to be determined by the IHA Board.

Classes with less than three (3) riders will be combined or if canceled money will be refunded. Junior beginner will be combined with Adult beginner, Junior Novice combined with Adult Novice and Junior Open combined with Adult Open where warranted. All class entries will be closed when the preceding class enters the ring.

Should a question or dispute arise that is not covered in the rule book it shall be referred to the **Show Management, whose decision will be final**. Any and all disputes must be made within 24hrs of the commencement of the show.

Protest must be lodged the day of the show, and in writing, with the show management or committee chairperson. All decisions will be final by said person and will also be answered in writing if necessary.

All judges, committee members, IHA Board Members, and volunteers shall be treated with courtesy, cooperation and respect. No person, exhibitor, owner, or otherwise, shall direct abuse or threatening conduct toward them. *A violation of this rule will result in a written warning from the show committee, a second violation of these rules will be brought to the IHA Board for review and any action will be left up to their discretion.*

Conduct by judges, IHA members and non-members, volunteers, exhibitors, trainers, owners (and/or their representatives), spectators and all other persons present on the show grounds or in show facilities shall be orderly, responsible, sportsmanlike, courteous and respectful. No one on the show grounds or during any event associated with IHA shall engage in misconduct that is irresponsible, illegal, indecent, profane, intimidating (including but not limited to bullying, either verbally or physically), threatening or abusive misconduct, nor emotional misconduct, which includes but is not limited to verbal acts, such as verbal assault that repeatedly attacks someone personally or repeatedly and excessively yelling at any person in a manner that serves no productive training or motivational purpose. Any and all direct abusive and threatening conduct while on the show grounds will not be tolerated. Anyone witnessing such misconduct shall immediately report the act(s) to a committee person at the time of the incident, and the offending person(s) will be issued a warning as to their behavior. If the conduct persists, the offending person(s) will be directed to leave the show grounds in order to preserve the decorum of the show. A violation of either of these rules will first result in a written warning from the show committee to the party(is) involved in the initial violation, which shall also be forwarded to the IHA Board, within five (5) days of the incident; a second violation of these rules will be brought to the IHA Board for review and any action will be left up to their discretion, which may include but not be limited to removal of points earned on the date of the incident, disciplinary action and/or suspension from IHA club activities for a period of time to be determined by the IHA Board.

Correct western attire is mandatory in all gymkhana classes, except where noted. Shirts must be properly fastened and tucked in. We hate to disqualify a good ride because of improper dressing before you enter the ring. Riders are NOT allowed to have their feet strapped in the stirrups. The only exception will be if rubber bands are used.

Please note- NYS LAW requires that all children under 18 years of age must wear ASTM approved helmets at all times when mounted. Parents and trainers are responsible.

INFAMOUS HAT RULE! If your hat falls off to the ground, at any time you are in the arena, a one second penalty will be assessed and added to your time. You are strongly encouraged to wear a *stampede string* to keep your hat with you! The hat rule does not apply to the money class.

Division eligibility when switching disciplines, amendment to Rule #36. Any rider, with the exception of trainers, may go from one discipline to another with no instruction as to what division they should enter. It shall be left to the rider's discretion.

Amateur Eligibility Rule- To those who have not received payment to show, judge, train or assist in training a horse whether monetary or otherwise, either directly or indirectly, nor received payment whether monetary or otherwise, for instruction a person in riding, driving training or showing a horse for 5 calendar years to application for amateur membership regardless of the discipline.

Trainer/Professional- Any person who has shown, ridden, judged, trained or assisted in training a horse for remuneration, either directly or indirectly; has received remuneration for instructing another person in riding, driving or training a horse; or has received remuneration for instructing another person in showing a horse in competition.

Exhibitors (or their trainer) are responsible for entering their correct division/classes. Any exhibitor found to have entered the incorrect division/class shall forfeit any points earned in the incorrect division and shall start from "0" points in the correct division.
