The Islip Horsemen's Association, Inc.
Spirit of Long Island Mounted Drill Team
Post Office Box 39 East Islip, NY 11730

The Islip Horseman's Association Inc. is a non-profit organization sponsoring the continued appreciation and education for both it's members and the public.

NOW IN ITS FORTY-SECOND SEASON! "The Spirit of Long Island" was formed in 1978 by IHA member, John Jorgensen who was a member of the New York City Mounted Police Unit.

The team is currently being coached by Loretta Hall who continues with the team's tradition of keeping the American spirit alive.

The drill team is made up of riders of all disciplines, some of whom have been with the team for over 10 years. Over the years our horses have ranged in age from 4 years to an impressive 33 years old and included such breeds as Quarter horse, Thoroughbred, Appaloosa, Hanovarian Cross, Morgan, Tennessee Walking horse, Paso Fino, Welsh pony, Arabian, Paint and many more. The riders and their horses maintain a high level of discipline, resilience and a strong determination to achieve excellence.

Throughout the year the team performs at local fairs, various horse shows and participates in parades across Long Island. We have had the privilege of performing at both Belmont and Saratoga Race and each year on Labor Day we have the Honor of performing for the Veterans at the VA Hospital in Northport. From 2004 - 2006 we held the title of Northeastern Regional Drill Team Champions and in 2009 more than a few dreams were realized when we were invited to participate in the Macy's Thanksgiving Day Parade.

"The Spirit of Long Island" Mounted Drill Team enjoys showing that a little hard work and lots of fun can result in a performance that not only entertains but is also an excellent example of good horsemanship.

Looking to improve your riding skills? Would you like to be a member of a team? Do you want to learn a new way to enjoy your horse?

An equestrian drill team is a group of horses and riders performing choreographed maneuvers to music. Drill teams are intended to entertain, show sportsmanship, horsemanship, team work and dedication.

The IHA Spirit of Long Island mounted drill team is looking for riders of any discipline who want to have a great time riding in parades and drill performances!

All types of riders welcome, we just ask that you have the confidence and know how to control your horse (walk, trot, canter, back, etc). No drill team experience necessary. Team training is provided! Practices are held at the Bohemia Equestrian Center on Sycamore Avenue in Bohemia on **Wednesdays, 5:45 pm to 7:15 pm.**
