President's Welcome.....

Welcome everyone to our Annual Awards Dinner Dance! Tonight is an evening of celebration for all your accomplishments this show season. To the riders- your horse, trainer, barn staff, family & friends had a huge part in getting you to this moment tonight; be sure to give all them a hug!

IHA had another great show season thanks to the members and of course our volunteers. IHA is solely run by volunteers and without them these shows would not be as successful as they are. Our volunteer's time and dedication to this organization does not go unseen and is immensely appreciated by myself along with the rest of the IHA Board of Directors.

IHA has been doing some big fundraisers the past several years and thanks to everyone's generosity we were able to complete the project of re doing the fencing on Ring 1 & 2 at the Bohemia Equestrian Center. We have also been able to better maintain the arenas throughout the show season. The committee's are already working on the 2024 show season which will include new divisions, new equipment and much more.

Tonight is not only a night to commemorate the riders & horses for their achievements in English, Western Pleasure & Gymkhana but to also recognize the IHA Youth Group & the IHA Mounted Drill Team. A big thank you to this year's youth group advisor, Michelle Murphy, for arranging fun, educational events that the youth group had the pleasure of participating in. Not many can say they got to go on a tour at the Nassau County Mounted Police Barn. It has been amazing seeing some of them grow over the years. These kids are the future of IHA and definitely will be doing big things as they get older in the Long Island horse community. Our Mounted Drill Team was very busy this year performing not only at the Saratoga Race Track in front of 30k+ people but for Warrior Ranch's Annual Benefit, The Long Island Fair & many more. The team also participated in virtual competitions in which they won! Congratulations to the team & a job well done by the coaching staff, Loretta Hall & Gina D'Amario.

From Your Committee.....

Every year we sit back and say, "wow, that was a great year!", and we truly mean it! And each year, it's better than the last. 2023 was no exception, lots of returning faces, and the scenery of new new horses and riders in the rings. We hope you heard the laughs across the grounds, we hope you had the laughs with your people, and felt the successes we saw while we watched you all step it up when you needed to.

We'd like to take a minute to thank all of the volunteers who keep our rings in motion across the disciplines during show season. We are so very fortunate to have some of the best right in our backyard who help us out at every corner, for small details or big.

Enjoy your quiet time, you've deserved it. We will see you before you know it! This night is for you!

Saddle up & Ride out, see you in 2024!

Lynn & Annmarie

Thank you all again for coming out tonight. Without all of you, IHA wouldn't be what it is today. Cheers to each and every one of you for being a part of our equestrian family! Enjoy the evening!

From Your Committee...

I can't believe we are back here again so soon! Thank you all for another amazing English Show Season. We couldn't have survived without everyone's incredible patience and support. As we wrap up this year's event, we're already counting down the days until we can do it again next year.

On another quick note, many of you know Cindy Laskow, who has been an integral part of the IHA community for countless years. Her dedication and contributions to the development of the English discipline here at IHA have left an incredible mark on our community. Recently, Cindy moved to North Carolina to run her new beautiful farm. It was only a short time that she was there when she was diagnosed with a rare, aggressive, form of cancer. She could use all the support and love we can offer during this challenging time. We kindly ask you to keep her in your thoughts and prayers.

Additionally, to assist Cindy with her medical expenses, we have organized a 50/50 raffle. All proceeds will go directly to helping her cover her medical bills. If you are able, please consider participating and lending a helping hand to a valued member of our IHA family.

That being said, we would like to acknowledge some more important members of the IHA community without whom, we wouldn't be able to run the way we do. A huge thank you goes out to all the amazing folks who helped make the three-show series at the Islip Horseman's Association such a resounding success:

- *Our gorgeous horses, who were the real stars of the show
- *Our talented riders
- *Our dedicated volunteers

- *The unwavering support from the families and trainers
- *Special thanks to April, our incredible secretary, for keeping things running smoothly behind the scenes.
- *Lou for making sure we have a functional PA at each show and Salli for announcing.
- *Shoutout to Riders Choice Saddlery for their invaluable support with the saddle award.
- *I would personally like to take a moment to thank Wendy, Sheila, and Salli. Wendy and Sheila go above and beyond to make sure that everything behind the scenes runs smoothly. Also, Salli, who would like to point out that she is NOT on the English Committee, certainly does a lot for not being on it. Without these three we would never have enough ribbons, the first place and grand champion prizes at the horse shows wouldn't exist, and these amazing awards would not be set out here so beautifully for you tonight.

We'd like to thank all of the participants in this years Most Versatile horse & rider program. You were all a blast to watch cross into all the disciplines and were clearly super successful.

The Board, on behalf of the club, would like to thank the diligent work of Diane Boothe, who, though not here on the Island any longer, still contributes to the club from afar by continuing to run the Versatility program.

We'd also like to thank Michelle Murhpy for her generous sponsorship in the Versatility program since its inception. Without both of you, it would surely not be as successful as it has become.
