President's Welcome.....

Welcome everyone and thank you for joining us tonight for our Annual Awards Dinner! It's hard to believe another year has come and gone, and what a wonderful year it has been for the Islip Horsemen's Association!

First and foremost, I want to extend my sincere gratitude to our volunteers. Their time, hard work and dedication are truly the backbone of this association. Without their continued support, our show series and events simply would not be what they are. We are incredibly fortunate to have wonderful volunteers willing to step up, lend a hand and help make each year a success.

I would especially like to recognize one of our newer members, Davy Poggi. Having grown up around horses, with his father working as a track veterinarian, Davy wanted to reconnect with the equestrian community and found his way to IHA. What makes his contribution so special is that he made it a point to volunteer at every event throughout the year. Davy, your willingness to give your time and support does not go unnoticed. Thank you for your dedication and for being such a wonderful addition to our association!

To our sponsors, many of whom return year after year to support IHA, please know how much we appreciate you. A simple thank-you hardly seems enough to express the gratitude of our Board of Directors and Show Committees. Your generosity helps make so much of what we do possible. To our members, I encourage you to support these businesses whenever you can. Many, if not all, are small businesses that continually support our association. Let's be sure to return that support!

To our riders, trainers, families, and members, thank you for continuing to show with us, participate in our events, and make IHA such a great community. Your involvement and enthusiasm are what keep this association moving forward.

Finally, congratulations to all of tonight's award recipients! Each of you has worked hard throughout the season and it is wonderful to have the opportunity to recognize your accomplishments. Whether you're taking home an award tonight or simply celebrating another year of riding, learning and making memories, you should all be proud.

Thank you again for being part of another successful year. I am incredibly grateful for the people who make this association what it is and I look forward to seeing what we accomplish together in the year ahead.

Enjoy your evening and congratulations to everyone!
Kayla Hollborn

2026 Most Versatile Horse & Rider

Congratulations to all the riders and horses who participated this year! Thank you to Lea Johnson for curating these awards through your hard work. We can't wait for next year!

Youth Group.....

We have had such an incredible year of learning and thriving. We are pleased to recognize our newly elected President, Abby Quartararo, and Vice-President, Riley Bruno. We have been able to get actively involved in the horse commuity and we have had a blast! Here are a few words of from our President about how Youth Group has begun to shape her life:

My name is Abby Quartararo, and I am the president of the IHA Youth Group. I've been a member of the Youth Group for four years. During that time, I have done volunteer work, made many new friendships, and grown as a person.

I have volunteered at the Island Harvest farm, harvesting fruits and vegetables, and have helped run the Jack Benny show many times. I have also participated in the IHA cleanup, our Youth Group toy drive, and helped out wherever I can at IHA shows. Not only do we do volunteer work, we do a bunch of fun activities. We have gone on trail rides, walked in parades, seen a veterinarian's practice, and even visited the NCPD Mounted Unit's horse barn. Being a member of the Youth Group has also helped me realize how many different kinds of jobs are out there. When we had a guest lecture from a Purina employee who works with equine nutrition, it inspired me to look into horse science careers. I never knew that interested me until that lecture.

The Youth Group has helped me step up and be a leader while taking others' opinions and thoughts into consideration. It has taught me responsibility and determination. My favorite part of the IHA Youth Group is that I'm able to help people in ways I had never imagined. This is important to me, because it helps me to feel involved in my horse community.

We are busy planning 2027 andhope to see you around!

We will never have to tell our horse that we are sad, happy, confident, angry, or relaxed. He already knows – long before we do."

– Marijke de Jong
