President's Welcome.....

Welcome everyone to our Annual Awards Dinner Dance! Tonight is an evening of celebration for all your accomplishments this show season. To the riders... your horse, trainer, barn staff, family & friends had a huge part in getting you to this moment tonight; be sure to give all them a hug & a high-five! Trainers...you have out done yourselves AGAIN! Your coaching & guidance has made many well rounded horsemen/women that IHA is so proud to have as members. IHA had another great show season thanks to the members and of course our AMAZING volunteers.

This organization is solely run by volunteers; without them these shows, including all other events we put on, would not be as successful as they are. Our volunteers time & dedication does not go unseen & is immensely appreciated by not only myself but by the entire Board of Director's. Tonight is not only a night to commemorate the riders & horses for their achievements in English, Western Pleasure & Gymkhana but to also recognize the IHA Youth Group & the IHA Mounted Drill Team "The Spirit of Long Island".

A big thank you to this year's new Youth Group advisor, Denise Davidson, for arranging fun, educational events that the youth group had the pleasure of participating in. It has been amazing seeing some of Youth Group members grow over the years. These kids are the future of not only IHA, but the Long Island horse community too. I most certainly see a future Board Member or two in some of them!

Our Mounted Drill Team had many outstanding performances this year under their new coaching staff, Lauren Cheng & Samantha Stump. Both of these ladies grew up riding on the Drill Team when they were younger! The dedication from this team is like no other & it has truly shown in all their performances as they proudly carry the American Flag & represent this organization.

Lastly, I would like to take a moment to extend my heartfelt thanks & recognition to the entire IHA Board of Directors. Your dedication, vision, & tireless efforts have been instrumental in guiding our organization toward its goals & ensuring its continued success. Your leadership & commitment to excellence inspire many. I am deeply grateful for the countless hours & energy you invest in shaping the future of IHA. Thank you for your unwavering support & for being the driving force behind our achievements.

From Your Committee.....

Every year we sit back and say, "wow, that was a great year!", we take great pride in saying this was a truly exceptional year! With the largest turnout in over a decade, you are all truly spectacular competitors. We enjoyed all of the new faces, and look forward to seeing you back for bigger and better things in 2025!!

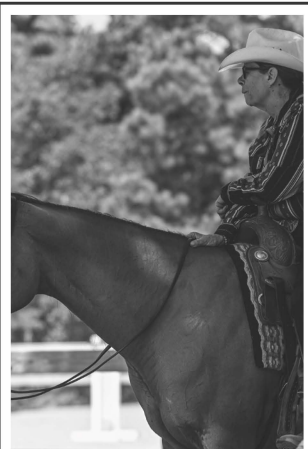

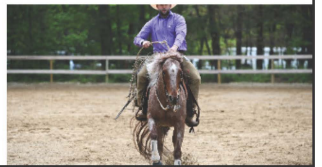

We'd like to take a minute to thank all of the volunteers who keep our rings in motion across show season. We are so very fortunate to have some of the best right in our backyard who help us out at every corner, for small details or big. From the ring stewards, to the set-up crews, to the takedown crews, to Nick in the booth, Salli & Lou, and those we forgot- believe us, it is not intentional!! Enjoy your quiet time, you've deserved it. We will see you before you know it! This night is for you!

Saddle Up & Ride out,
Lynn & Annmarie

HIGH POINT OVERALL & WINNER OF THE SADDLE
Taylor Carpentieri

Thank you all again for coming out tonight. Without all of you,
IHA wouldn't be what it is today.
Cheers to each and every one of you for being a part of our
equestrian family!

From Your Committee...

As this season comes to a close, we want to thank every one of you for making it such a memorable one. Your support, patience, and dedication are what keep our IHA community strong, and we couldn't be more grateful. As always, we're already looking forward to next year!

We also want to take a moment to acknowledge some sad news. Many of you knew Cindy Laskow, who was a pillar of our community and an invaluable part of the IHA family for so many years. It's with heavy hearts that we share the news of her passing. Cindy's contributions to the development of the English discipline at IHA were immeasurable, and her spirit, passion, and kindness will be dearly missed by all who knew her.

Finally, we'd like to extend our deepest thanks to those who made this season possible:

Our beautiful horses, the heart and soul of our shows
Our skilled and dedicated riders, who inspire us every day

Our tireless volunteers, who made this year's events such a success. Thank you for being a part of this season. Let's continue to support one another, celebrate our accomplishments, and carry Cindy's memory with us into all that we do.

With heartfelt gratitude,
The IHA English Committee

A round of applause is just the beginning.....Thank you!!

*The unwavering support from the families and trainers

*Special thanks to April, our incredible secretary, for keeping things running smoothly behind the scenes.

*Lou for ensuring we have a functional PA at each show and Salli for announcing.

*Shoutout to Riders Choice Saddlery for their invaluable support with the saddle award.

*I personally want to thank Wendy, Sheila, and Salli. Wendy and Sheila go above and beyond to ensure everything behind the scenes runs smoothly. Also, Salli, who would like to point out that she is NOT on the English Committee, certainly does a lot for not being on it. Without these three we would never have enough ribbons, the first place and grand champion prizes at the horse shows wouldn't exist, and these amazing awards would not be set out here so beautifully for you tonight.
