Presidents Welcome.....

Good evening everyone and welcome to the Islip Horsemen's Association Awards Dinner!

This year was truly one to remember, not only because of all the fun and success we had, but because 2025 marked the 55th anniversary of the Islip Horsemen's Association! What an incredible milestone for a local club. In a world where things are constantly changing, it's something special to see a community like ours continue to grow, thrive and bring horse lovers together for over half a century. That's a legacy we can all be proud of.

Our show series this year was nothing short of amazing. Each show was packed with talented riders, beautiful horses and plenty of smiles- rain or shine! The camaraderie, sportsmanship and laughter at every event truly capture what IHA is all about.

Our Youth Group continues to shine bright! From putting on the Jack Benny Horse Show to helping around the grounds and cheering each other on, their energy and teamwork remind us all that the future of IHA is in great hands.

And of course, our Mounted Drill Team wowed us once again! Their precision, creativity and spirit brought excitement to every performance. You make us so proud every time you ride into the ring.

To our volunteers and sponsors- thank you from the bottom of our hearts. You're the reason this club continues to succeed year after year. From setting up rings and running gates to donating prizes and supporting events, your time and generosity keep the IHA family strong.

As we celebrate 55 years of friendship, horsemanship and community, let's take a moment to appreciate just how lucky we are. Clubs like ours don't thrive for this long without a lot of heart; and this club has plenty of it.

So tonight, let's raise a glass to another incredible year, to the memories we've made and to the bright future ahead. Here's to IHA, 55 years strong and still going full speed down centerline!

From your Committee...

What a fantastic year it's been for our IHA Gymkhana riders and their amazing horses! From start to finish, every show was packed with speed, smiles and sportsmanship. Congratulations to all our riders; you and your equine partners truly lit up the arena this season!

A huge shoutout goes to the incredible trainers and supportive families who kept everyone motivated, cheered from the sidelines and helped make every run a success. Your dedication is what keeps the Gymkhana family strong!

Of course, none of this would be possible without our awesome volunteer crew—Ken Yanke, Rob Diehl, Linda Krenicky, Connor Hollborn, Jorja Stadier, Rich & Franni Li. You're the horsepower that keeps everything running smoothly and we can't thank you enough!

And finally, a big thank you to our generous sponsors for backing the fun and helping us keep this series thriving.

Here's to another amazing year of fast horses, fearless riders and fabulous memories with our IHA Gymkhana crew—see you next season!

From Your Committee.....

Well, that was fun! We welcomed many new faces, and some new classes...and some of the largest classes we've had in a long time! We could not be more excited for all of you tonight, we've seen so many of you come so far from the first show to the last....you left us smiling!

From the bottom of our bar shoes, we cannot thank all of our generous sponsors, the entire IHA Board, our sponsors, and the special individuals who volunteered their time and energy for making this an incredible season! The dynamic duo of Nick & Bob in the booth, ring steward extraordinaire Ruth, Chrissy, Matt & a whole host of others, who tended to the gates, and those who picked things up, and put things down

We're getting excited, and looking forward to bigger and better things in 2026!

See You In 2026,
Annmarie & Lynn

We'd like to give a massive shout out to the one and only, Joey Artego, for keeping our arenas in top shape all season long!

Joey has gone above and beyond, rain or shine, early mornings and late nights, to make sure our footing is perfect, our grounds are safe, and our shows go on without a hitch. Because of your hard work and dedication, we never had to cancel a show, and every horse and rider could compete with confidence.

Your commitment doesn't go unnoticed, Joey. Thank you for all that you do for our organization.
