Handicap Levels

Handicaps are numerical Based on the player's skill level.

- There will be no high cap level,
- While 30 is the bottom cap level.

Player can only drop 25 points from their starting Handi cap.

The difference between the players handicap is the spot. Matches "start" with the spot added to lower handicap players score. Ending scores "include" the spot.

The spot will not go lower than 30 balls that the player is required to make.

In case of Forfeit: Person who forfeits receives -2 points and goes up 10 balls in handicap. Winner receives 4 points.
