WE BELIEVE IN YOU

ACTS 22:6-7 “As I was travelling and near Damascus, about noon an intense light from heaven suddenly flashed around me. I fell to the ground and heard a voice saying to me, ‘Saul, Saul, why are you persecuting Me?’”

Dear Family and Friends of The African Union,

Well, here we are in 2022, the so-called new normal. Do you remember why Britain’s King Arthur and his knights had a round table? Because it meant that all men were equal. But are we really? The exercise of preaching democracy and equality has been the calling-card for nations and states in Europe and the Americas. While Western powers enjoyed prosperity, peace and tranquility for the past four-hundred years, the Children of Israel worldwide, and people groups who have a physical resemblance, have been consistently neglected and short-changed in an unprecedented manner. Why? Because men can feign to be equal, but it is the divine right of the Most High YAHAWAH’s righteous sons to shepherd and govern global affairs.

PROVERBS 29:2 “When the righteous are in authority, the people rejoice, but when the wicked rule, the people groan and sigh.”

It is important that people born into privilege lead by example. That’s why THEO WW INC Ministries and New Wine Technology have created a national RITE OF PASSAGE Quest entrepreneurial program for the American Descendants Of Slavery. Helping others, not hiding behind our divinely, chosen status for superficial, selfish and oppressive agendas is the second most important lesson we have learned while living in the United States of America. The greatest lesson that my generation has discovered is “To whom much is given, much is required.” Visit www.djgladtv.com to view video content.

Some of our Israelite ancestors were terrible, unprincipled, devilish men. They (like many of us today) habitually broke the Most High YAHAWAH’s laws as given to Moshe (Moses). As people read through our national history, popularly called the Old and New Testaments, there is plenty covenant breaking, lying, stealing and murdering of the holy prophets. Until one day in the year 33 AD the leaders of our nation committed high treason and murdered the King of Israel, Christ Yashiah, the only begotten Son of the Most High YAHAWAH. Once again proving that the fallen human condition is not an evolutionary ideal, but a curse.

Not to be out done, the nations who reaped the fruit of the Arab Slave Trade and the Transatlantic Slave Trade were also horrible people. They robbed, lied, pillaged, double-crossed each other and kept the entire world at large in the dark in regards to the true identity of “American” slaves. Today their descendants find themselves the leaders of the West.

As informed and intelligent representatives of Mother Africa, I know you are aware that 2019 marked the 400th year of the Children of Israel’s enslavement in America under English management. The sins of my Israelite forefathers’ murder of Christ-King Yashiah earned them a maximum sentence of 400 years.

The first wave of Israelites leaving the shores of West Africa and arriving in America’s Florida territory in the 16th century (under Spain’s management) was the first leg of our 400 years. The 1960s U.S. Civil Rights Movement served as an international announcement of completion (1565-1965). When the English gained control of North America, they legally gained Spain’s management powers over the Israelites. The final generation of Israelites arrived on the shores of Virginia in 1619, and their 400 years (1619-2019) running concurrently with the first term finally ended in August 2019.

Genesis 15:13-14 “And YAHAWAH said unto Abram, know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them, and they shall afflict them 400 years. And also that nation, whom they shall serve, will I judge and afterward, your descendants shall come out with great substance.”

The World Economic Forum’s long-term objective to create a less inclusive “New World Order” was cancelled by divine mandate in the summer of 2019. Where conspiracies and truths cross paths in regards to the 2020 pandemic is neither here nor there. But know this, the WEF’s plan to quickly reorganize society through new technologies, social credit scores and mandatory I.D. passports is a framework to stop the above Israelite **Genesis 15** prophecies.

We wouldn’t blindly assume that these new global agendas were negative if there weren’t evidence for it. But the track record of Western nations speaks for itself. The West’s shared interests and how these un-elected leaders operate beyond national governments, while nullifying the will of the people, should no longer be viewed as coincidental events. This narrative, their narrative before 2020, has forced many non-western nations to either go along with the agenda or be financially ruined.

For instance, in 2018 Namibia’s President Dr. Hage G. Geingob expressed his gratitude to Prime Minister Trudeau for Canada’s support during Namibia’s liberation struggle and particularly their support which led to the implementation of Resolution 435. Unfortunately, Namibia’s classification as a upper-middle income country led to that nation being penalized financially in terms of access to grants, and infrastructure development assistance in the form of favorable loans.

It’s no secret that when it comes to doing business with international financial institutions such as the World Bank (WB) and the International Monetary Fund (IMF) that many sovereign African nations face

identical challenges in regards to growing their economies. In the current WEF narrative, the strong cooperation of African countries with the oligarchy's globalist agenda is crucial for the African Union's collective economic growth. Would you honestly agree?

The present world leadership has acquired the power, persuasion, technology and fortune not from wisdom, righteousness or fair play, but rather from being tough, ruthless war opportunists and, most importantly, deceitful in their dealings with the Children of Israel in every corner of the world. History carries real meaning and whether its by way of a national educational system, religious indoctrination or entertainment there is unprecedented psychological and physical violence against non-western nations, including millions of my people in the United States of America who have been illegally stripped of our national Israelite identity.

The International Monetary Fund, the World Bank and many (maybe not all) member states of the U.N. have organized world society in such a way that the will of the Israelites in North America has been methodically broken down and stamped out in some cases.

Poverty is not the mother of criminal activity, ignorance is. The Israelite diaspora here in the United States do not understand our historical plight factually. The elder Civil Rights "leaders" and "Black" political class is incapable of changing course because they are emotionally and financially invested in America. Sadly, in 2022 the American Descendants of Israelite Slaves are not doing nearly as well as our fore parents who had less education and more harsh circumstances in society. We have flat-out been poor stewards of our Israelite legacy. So what are we supposed to do? What is the solution to our collective problems? Throwing money at our challenges in the form of reparations IS NOT THE ANSWER. That is a sure recipe for failure.

The Most High YAHAWAH will not let anyone get the glory for redeeming His people and we are tired of losing. The RITE Of PASSAGE Quest is a program designed to teach us our true history while rebuilding our sense of self-worth. In 2019 THEO WW INC Ministries created an online academy for young Israelite males. Its purpose is to teach the lost art of properly wielding our covenant authority.

Attentiveness to spiritual reality, mental focus, fearlessness, calmness under pressure, and being able to control both fear and anger are just a few weapons we will equip our brothers with. Repairing our family name will require us to see the benefit of ethics, morality and integrity both personally and professionally. Being raised and molded inside of a foreign culture has created pathologies where many Israelites, both male and female, are grown-up children. Simply stated, being "Black" without our language, culture and identity has made us sick in the head.

In 2019 you, the African Union, went to great lengths to help us, the Israelite diaspora in America, reconnect with our roots. We very much appreciate the offer to come back to the Mother Continent and rebuild. But according to our Holy Bible prophecies, the sons and daughters of Abraham, Isaac, and Yacob are ordered to stay put. Despite the amazing opportunity, we must practice **Obedience**.

So how can the African Union support the Hebrew Israelites in the United States?

That's simple. THEO WW INC. Ministries and New Wine Technology is certain that the African Union's verbal and/or written support for the RITE OF PASSAGE Quest program will force my people to step up their 'game' and do better NOW. Regardless of how the West has portrayed the Mother Land, classic movies like Eddie Murphy's "Coming To America" or the more recent Marvel movie "Black Panther" has reinforced in tens of millions of Israelite minds that African leaders, kings, queens, chiefs, and presidents HAVE THE JUICE. Your professional and historical image remains pure gold. A verbal and/or written "CO-SIGN" of the RITE OF PASSAGE program will create more than a buzz. All it takes is the creative power of YOUR WORDS. Like a set of jumper cables, the African Union has the power to jumpstart the pride, confidence and respect for the Divine in the hearts and minds of Israelite children, young adults and elders in the U.S. And, in return, we will be the light that we are purposed to be by the power and authority of Christ-King Yashiah.

In 2022 the political ambitions of the West and their secret agenda to thwart Bible prophecy (they will not succeed) is putting the nations of Africa in danger. Before our 400 years anniversary in 2019, the African Union's verbal and written CO-SIGN would have been a death sentence and not the Mark of Honor it will be in 2022. We are members of the chosen nation of the Most High YAHAWAH, not niggers, blacks, or apex predators as thought by so many people in the international community.

A consequence of U.S. slavery was that we, the Children of Israel, lost absolute faith in His Majesty, Christ Yashiah, the Sovereign King of the Israelites. It is imperative that we regain this power.

NUMBERS 24:9 "The nation is like a mighty lion; When it is sleeping, no one dares wake it. Whoever blesses the Israelites will be blessed, And whoever curses the Israelites will be cursed."

One would have hoped that over the past 400 years Western powers would have matured enough to avoid war, hypocritical double standards and racist policies. As both the media and the Holy Bible can confirm, time does not move humanity towards a higher state of consciousness, but rather creates more opportunity for humanity to express its self-destructive nature.

Thankfully, the Royal House of Yehuda has His Majesty, King Yashiah to guide us through these End Times. With 54 countries in Africa today, I'm certain the African Union can provide my team with a few official statements (videos) and/or official letters of support for the ROP Quest. In 2019 Ghana was willing to declare the "YEAR Of RETURN" in hopes of aiding in the healing of Israelites in the U.S., I pray that the African Union will declare 2022 the "YEAR OF BLESSING THE ISRAELITES". Thank you.

In His Majesty King Yashiah's Love and Authority,

Mikell
