How I used a simple lighting set up for this

iPhone portrait

FOLLOW THESE 4 steps

SoFro

1 WHAT YOU NEED

iPhone/smartphone

Tripod/prop

Stool or chair

Interesting background

Daylight

Reflector*

*Very cheap to buy or you could make something out of kitchen foil and cardboard

4

USE VOICE CONTROL TO ACTIVATE YOUR CAMERA

SoFro

IF YOU HAVEN'T SET UP VOICE CONTROL

!

DOWNLOAD THAT TUTORIAL FIRST

SoFro

DROP LIGHT FILTERING BLINDS

TOO MUCH LIGHT WILL RUIN THE PICTURE
