

Professional Recognition

Be recognised as a professional in the sector and expand your knowledge through training and networking events. Strengthen your job applications by endorsing your skills, competence and experience.

Be Informed

Get information and practical advice on the issues that really matter in fortnightly bulletin of the Institute, written by expert (both in private and public sector) and compiled by ICPSP.

Career Development

Drive your career forward, enhancing your pay and promotion prospects. Demonstrate your commitment and provide evidence to support your achievements. Access ICPSP dedicated CPD Programme.

Mentoring

Through this powerful personal development and empowerment tool, ICPSP provides an effective way to help people progress in their careers.

Networking Opportunities

Share ideas and make connections at all levels through a programme of events, both sector specific and regional.

Job Vacancies

An efficient way for you to be notified of the latest vacancies and enabling you to apply for them quickly. Store your CV securely.

Professional Qualifications

ICPSP works with leading education providers (locally and Internationally) to offer a suite of qualifications developed to meet industry needs and further your career. All ICPSP are entitled to 20% discount on all qualification offered by our Educational Partners.

Technical Articles, Sector focus News, Blogs, Forums and Surveys

Read the stories that affect you directly. Make your views known through surveys and forums or submit your ideas to the 'Idea Box'.

Knowledge Bank

Access a growing database of guides, best practice technical articles and new ideas from both private and public sector.

Discounts and partnerships

You'll have the opportunity to receive significant discounts on webinars, conferences, and events organized by our partners such as the London Centre For Training & Development.
