Letter of Support  
Farrier Care

To Whom it May Concern,

My name is Chris Dawson and I am a farrier servicing the Illinois and Colorado areas for the past three years. I was trained at E.L.P. O. In Colorado prior to starting my own farrier practice.

I have serviced the horses in Wendy's care at Serenity in Janesville and also horses in Harvard Illinois and Clinton Wisconsin under Wendy's supervision for the last year. The horses have always been well cared for as Wendy has provided veterinary services, shelter and food to meet each animals needs. The horses are in good weight and worked with to overcome any behavioral issues that may arise in regards to being handled by humans. Wendy has been responsive to suggestions in regards to any additional needs the horses may require for extra shoeing packages pertaining to that individual animal. In short, she is a responsible horse owner.

If you have any further questions, I can be reached at 779.238.2750.

Sincerely,

Chris Dawson
