

ETERNAL

Wiggle Room Exhibition Live Painting + Beatmaking Sept 24, Oct 22, Nov 10 12:15pm-1:05pm

“ETERNAL is a collaboration between visual artist LESN101 and music producer NAGO. In this project, the two Springfield artists compose paintings and songs alongside each other, showcasing their artistic processes in real time. LESN101 and NAGO demonstrate that the quality of composition is not governed by the complexity of materials, but by the strength of the cypher.
