

St. Lucie County Senior Softball League (SLCSSL) Sponsorship Form

Revised and Approved by the SLCSSL Board (8-12-25)

The Mission of the St. Lucie County Senior Softball Association (SLCSSA) is to provide recreational opportunities for softball enthusiasts aged 60 and over in an environment and *atmosphere based on the principles of fun, camaraderie, mutual respect, safety, inclusion, and friendly competitive rivalry.*

The SLCSSL relies on local businesses to help offset our costs, including those for fields, umpires, softballs, our website, and insurance, which are achieved through sponsorships. We hope that after reading through our website at www.SLCSSL.com, local businesses and corporations will gain an understanding of what SLCSSL provides to the community and why we need your sponsorship support.

Our sponsors are featured on the SLCSSL website and on the uniforms and softball caps worn by the participating team players. Both the SLCSSL Board and individual team players share these team sponsorships with family and friends by encouraging them to frequent our sponsors' establishments and services.
