

Broken Bow Country Club

COVID-19 Policy

On Course Policy

- Practice Social Distancing
- Do Not Touch the Flag Stick
- At Risk players should stay home. If you older, have a weak immune system, have felt sick or been around someone sick – you are at risk.
- No rakes or Ball washers will be on the course

This is a very fluid situation and this policy will be reviewed on a weekly basis by the BBCC board.

PLEASE Follow this Policy – the more we adhere to this policy, the sooner we get through this situation and hopefully back to normal sooner.

DE-STRESS at the COURSE

We will get through this together
