- The proposed 2026 schedule was announced

New Business

- The Slate of 2026 Officers for election was presented by Jayne Geisler (attached). The slate was put together by the Nominating Committee (Ruthie Cote, Chr., Jayne Geisler and Lynn Brewer)
 - Jayne called for nominations from the floor. There were none.
 - Jayne called for a vote. The slate as presented was approved by vote of the general membership in attendance.
- Amending the Constitution / By-Laws
 - In accordance to the existing Constitution, the proposed changes were distributed to membership via email several weeks in advance of the meeting; AND were posted at the golf course 14 days prior to the meeting.
 - P5, Article IV, 1. Active Membership, (a), (vi) – Toni explained this change.
 - Nancy Mandoky moved P5 revision be approved
 - Sheri Wiggett 2nd
 - Motion carried
 - P7, Article VII (new) introducing Standing Rules – there was lengthy discussion about this. It was clarified that the content of the standing rules document was NOT a part of the Constitution, and was therefore NOT subject to the same onerous revision requirements. What is being introduced into the constitution is the existence of Standing Rules, and stating clearly that they are the club's governing policies for day-to-day golf activities. This article also clearly states that the Standing Rules can be modified/revised by the Board. There was spirited discussion on this issue. After the topic was exhausted the general membership voted in favor of the Board being able to revise Standing Rules.
 - Jane Geisler moved that P7 revision be approved as presented
 - Mary Hale 2nd

Westchester Women's Golf Association
