- Sue Robelotto moved that the budget be approved

Vice-President / Handicap report (Toni Mannix)

Toni reiterated the 5pm deadline (Tuesdays) for posting scores. She requested that when submitting a photo of your scorecard that you "turn" the photo so the scorecard properly positioned when looking at the photo. It is much easier for the sender to edit the photo prior to sending than for Toni to have to edit an attachment.

Major Tournament report – Cindy Denny/Dallas Poffenroth

Cindy announced that the eclectic tournament is scheduled for February 7 & 14. To date only 12 signed up. She reminded everyone that even though it is a two week tournament, you may contest with only one week of play (albiet at a slight disadvantage...). She reminded everyone that all tournament related correspondence is to be sent to: wwgamajor@gmail.com

Weekly Games report (Jane Wortman)

Nothing notable to report

Membership report (Sally Elenitsky)

Sally expressed concern with the number of golfers unable to play and those who opted not to rejoin in 2023. To keep membership "up" Sally solicited ideas for boosting membership. The following ideas were presented for consideration:

- Reduce # of qualifying rounds (Sally brought up the concern that it has been expressed that five qualifying rounds was onerous. It was emphasized that that requirement is for new golfers only. Those with a GHIN record only need 3 qualifying rounds.)
- Request that the Pros and Proshop staff "tout" our club.
- Flyers in Ladies Restroom (already there)
- Facebook ad
- Article in Hometown news and/or Argonaut
- Have a Guest day on occasional Tuesdays

Westchester Women's Golf Association

- Print Business Cards for the Proshop and the Pros
- Develop a QR code for flyers and business cards for ease of contact

Sally thanked everyone for their ideas; the board will discuss further and devise a plan.

Play Away (Cindy Denny/Monika Rogasch)

Cindy announced that the play away is scheduled for Monday and Tuesday May 15 & 16. Venue TBA.

Rules report (Dianne Aquallo) –

Dianne shared a flyer for discussion on how to play a ball that comes to rest on the wrong green. (attached) There was also a spirited conversation re: a ball "lost" in a tree. Further details will be provided to clarify the various scenarios and definitive decision for each scenario.

Social report (Carol Earle)

No report, other than she is looking for venues for two of the three luncheons. One will be a back yard picnic.

LACWGA report (Debby Christian) – No Report

WPLGA report (Janet O'Donnell)

- Janet announced that Christine Bucklin will be the Captain of the WWGA Team for WPLGA Team Play.
- Janet reminded everyone that WPLGA was currently accepting reservations for the Far Away From Home (FAFH) in Colorado in August.

Special Achievements report (Suzanne Borenstein) - No Report.

Starter report (Diane Liebenson) – No Report

Goodwill (Toni Mannix for Ruthie Cote)

Toni shared that Tom Stevenson, husband of Linda Stevenson has been hospitalized since late December. Linda is hopeful he will be able to go home soon. She is understandably stressed at this time.

Blue Book/Roster (Nancy Mandoky)

Nancy asked if the content has been shared electronically. It has not. At this time distribution is on hold until the calendar is finalized (some Major Tournament dates may be revised) -- hopefully at the February 7 Board Meeting.

New Business

Helen's Room Contribution (Naomi Jones) – Naomi acknowledged the \$950 gift Helen's room received from WWGA. Naomi also shared an article about Helen's Room for those who were not familiar with the extraordinary services provided by this organization.

DIAGRAM 13.1f: FREE RELIEF FROM WRONG GREEN

When there is interference by a wrong green, free relief must be taken. The diagram assumes a right-handed player. Ball A lies on the wrong green, and the nearest point of complete relief for Ball A is at P1, which must be in the same area of the course where the original ball came to rest (in this case, the general area).

Reference Point	Size of Relief Area	Limits on Relief Area
The nearest point of complete relief (P1)	One club-length from the reference point 	The relief area: <ul style="list-style-type: none"> • Must not be nearer the hole than the reference point, and • Must be in the same area of the course as the reference point

Player Notes:

You must take complete relief from all interference by the wrong green.
