New Business:

Community Center Little League- Millville Little League has requested permission to create a dirt infield on the current field. Discussion followed. Supervisors have no problem with this providing it's done at the Little Leagues expense. Little League coordinates with building rental schedule so there are no parking issues when the center is rented. Building rental has to take priority. Also, they need to coordinate with soccer schedules. Madison Twp Community Center steering committee needs to handle this.

For the Good of the Community:

Daniel Ovelman – Mordan Rd expressed concern about businesses moving into residential areas. Since Millville Industrial Svc. Opened on Mordan rd there has been an increase of traffic and some increase in noise. Mr. Ovelman stated he's not trying to prevent business from moving into the township, but how do we prevent business in residential/agriculture zoned areas?

After discussion:

1. Madison Twp does not have zoning
2. Referred Mr. Ovelman to Chris Bower

Time of Adjournment: at 7:28 p.m. a motion was made to adjourn by Larry Hartzell, 2nd Mark Shellenberger Motion carried
