

FAMILY FORWARD

Family Forward is a comprehensive, evidence-informed program designed to address a critical gap in services within our community by extending wrap-around support to Rutherford County families with children, who are impacted by substance use and/or mental health issues.

Our Services:

- **Individualized Recovery Support for the whole family, by a Certified Peer Recovery Specialist and a Licensed Master Social Worker**
- **Stability Services: financial assistance, transportation, employment, budgeting**
- **Substance use treatment, mental and physical health referrals**
- **Parenting skills support, early relational health education, household management**
- **Strengthening Social Capital: safe and trusted friends, family, social networks/ community connections**
