## Questions...

### **Can I schedule my appointment online through Patient Portal?**

You may send a request to schedule your appointment and our practice will contact you.

### **Does Patient Portal allow me to send a message directly to your office?**

Yes, you may send a message directly to our office through Patient Portal. Select “clinical” for any type of questions related to your health. You can also send billing or other types of inquiries.

### **Can I refill my prescription through Patient Portal?**

No, you must go directly through your pharmacy in order to refill your prescription.

### **What do I do if my account is locked due to too many failed log-in attempts?**

Click on the “change password” tab and follow the instructions to create a new password.
