

Ni'kuma

SOLEMN DECLARATION: THE LAW OF ORIGIN (ARHUACO)

Balance (Kunsamu) is the **UNIVERSAL MANDATE**.

Human survival depends on choosing between two energetic axes:

1. THE VERTICAL LINE (ORDER)

- **Name:** *Ta'a Ywykúnusi*
 - **Essence:** The **INFINITE AXIS**. It is the path of **RECTITUDE** and **JUSTICE** (*Ta ' a*), representing **TRUTH** and **STRENGTH**.
 - **Mandate:** A **UNIVERSAL LAW** (established by *Kakü Serankua* and *Aty Seynekūn*), not subject to human law.
 - **Guide:** The **Sun** (*Ywy*) confirms the Law.
-

2. THE HORIZONTAL LINE (CHAOS)

- **Name:** Butisinū Gansinna
 - **Essence:** The **FINITE** path of egoism. It is the root of **WAR** and **DISORDER** (Butisinū).
 - **Domain:** Originates from Seynzare , the realm where **NEGATIVE ENERGY REIGNS** (ruled by Father Kakūsey' ukukwy).
 - **Consequence:** Breaking this axis unleashes the **FIVE DESTRUCTIVE BRANCHES**, including diseases (Wichamū) and the **Fire Mind**.
-

FINAL DECREE

Human beings must **immediately return** to the **STRAIGHT PATH** of the **Vertical Line**. Continued alignment with the horizontal axis leads to **PLANETARY ANNULMENT** of balance.

Which brings forth **PLANETARY ANNIHILATION**.
