

My Best Friend

Fran Block, Dave Slater & Kids

Based on grades 3-6 survey responses

You can go it alone, but it feels a whole lot better
to have a friend along for the ride.
Someone that you can trust, through clear or stormy weather
It's good to have a friend by your side.

Together we have been
Together we will be
Forever together in my memory

(chorus)

I'll be your friend
F- R- I- E- N -D- S
Through all the joys and sorrows
That spells friends and you're my best
I'll be your friend
F- R- I- E- N -D- S
Through a million more tomorrows
You'll always be my best friend

Well I know my secrets safe, when I share it with my friend
I trust there won't be talk behind my back
When I hear that I've done well, I know that it's the truth
When I'm bad I hear it too- that's a fact.

Together we have won
Together we have lost
And stood the test of time no matter what the cost

(chorus)

Now my friend can make me laugh, whenever I feel lonely
And always picks me up when I'm down
If I need someone to talk with, I know there's someone listening
The one who's somehow always been around

Together we have laughed
Together we have cried
Forever you'll be with me walking side by side
