An Equal Opportunity Fitness Program

Fit 4 Boxing Club recently partnered with the Down Syndrome Association of Pittsburgh as well as *Down to Box*, a national non-profit organization offering fitness boxing classes for individuals living with Down syndrome and other intellectual/developmental disabilities. Classes will be held weekly, one for chil-

dren ages 8-13 and one for adults ages 14+. Numerous trainers and staff members from Fit 4 Boxing Club went through national certifications to teach the program and a small demo training class was held at the facility. Liam Wallace responded positively after participating in the adult demonstration and is excited to sign

up when classes become available. Fit 4 Boxing Club plans to launch the program in May with specific details such as class times and pricing coming soon. The weekly class will consist of high energy, engaging fitness boxing training specifically designed for the individual needs and abili-

THON Raises Big Money For Children's Hospital

by Aja Lynn—HHS writer

This year's Talbot THON was one for the books! With everything from dodgeball to a pie-eating contest, there was plenty for students to do as they raised money for Children's Hospital.

Due to COVID, the last "normal" THON event took place during the 2018-2019 school year, and many seniors remember it as a highlight of their own freshman experience. This

Another Community Award

by Mary-Theresa Watson

For the tenth year in a row, Hampton Township has been recognized as a Banner Community by County Executive Rich Fitzgerald and the Allegheny League of Municipalities (ALOM). Initiated a decade ago, the Banner Community Program recognizes municipalities that distinguish themselves as model communities by demonstrating a commitment to effective, efficient, and accountable government principles. Hampton is one of 80 honorees for 2022 thanks to its dedication to professional development, prudent fiscal management, transparency, accountability, and proactive communications to engage community stakeholders.

ALOM is a nonprofit organization whose mission is to coordinate, advocate, and educate the hundreds of elected officials within its member municipalities in Allegheny County and southwestern PA. In delivering essential resources and advocating for sound policy and legislation, ALOM aims to enhance local government operations.

Acknowledging Hampton's ten-year streak of recognition as a Banner Community, Township Municipal Manager W. Christopher Lochner proudly states, "For those of us who have the privilege to live in Hampton, this honor is no surprise. Hampton is a special community and one of the best kept secrets in Pittsburgh's North Hills. It is an honor to be recognized by the Allegheny League of Municipalities and County Executive Fitzgerald."

Recently, Hampton Township Council Member Dr. Joseph Dougherty echoed Lochner's sentiment. Dr. Dougherty, who serves as the Council liaison with ALOM, said, "Hampton's

Banner Community status is formal recognition of what Hampton residents already know. Our township's employees, management, my fellow elected officials, and the citizens-at-large have no agenda other than the continued betterment of our community. It is why my parents raised us here, and it is why I am raising my own family here."

For more information on ALOM and the Banner Community Program, visit <https://alleghenyleague.org>.

National Scholarship Finalists Named

Four Hampton High School seniors have been named finalists in the 2022 National Merit Scholarship Program by the National Merit Scholarship Corporation. HTSD is proud to recognize the following students for this achievement: **Dakota Basista, Brennan Frank, Young Min Oh, and Danielle Sutterlin.**

These students are among the approximately 15,000 finalists who are competing for some 7,500 National Merit Scholarships worth nearly \$30 million. In March, NMSC will begin notifying scholarship winners.

These finalists entered the 2022 National Merit Scholarship Program by taking the Preliminary SAT/National Merit Scholarship Qualifying Test their junior year, which served as an initial screen of program entrants. The nationwide pool of semifinalists, representing less than one percent of U.S. high school seniors, includes the highest-scoring entrants in each state.

To become a finalist, the semifinalist and a high school official must submit a detailed scholarship application, in which they provide information about the semifinalist's academic record, participation in school and community activities, demonstrated leadership abilities, employment, and honors and awards received. A semifinalist must have an outstanding academic record throughout high school, be endorsed and recommended by a high school official, write an essay, and earn SAT or ACT scores that confirm the student's earlier performance on the qualifying test.

A Note from Township Council

by Carolynn Johnson and Bethany Blackburn

You may have noticed that a revision of the Township's Peddling and Soliciting Ordinance is once again on the agenda. In 2018, Council modified the existing ordinance to change the cut off time from 9:00 pm to 7:00 pm based on the belief that our residents would prefer not to be disturbed by door-to-door salespeople in the evening hours when they may be enjoying dinner, putting their children to bed, or simply relaxing. Unfortunately, the courts have determined that such an early cut off time is a violation of the free speech rights of the solicitors. As such, the Township will likely have to revise the ordinance again; this time to allow peddling and soliciting as late as 9:00 pm.

This is not a unique situation. More often than you might expect, the Township has to make concessions like this based on what the courts have decided. For example, did you know that the Township is not permitted to prohibit any type of business from operating within the boundaries of the Township? The Township can regulate where such businesses might be permitted to operate, based on zoning, but cannot ban them.

In this case, however, if you don't want door-to-door salespeople stopping at your house, there is something that you can do. The Township has a "no soliciting list" that any household or business can join. That list is provided to anyone who obtains a solicitor's permit in the Township, which is required for most people who are selling or seeking donations door-to-door. Any homes and businesses on the list should be skipped. You can

join the "no soliciting list" via Township's website (<https://www.hampton-pa.org/formcenter/police-forms-5/add-me-to-the-no-solicitation-list-362>) or by calling the Police Department at 412-486-0400.

On January 28, 2022 at 12:23p.m., Hampton Township police were dispatched to the area of O'Reilly Auto Parts for a vehicle accident that had just occurred on William Flinn Highway. Upon arrival, officers located both vehicles off the roadway and confirmed there were no injuries. The accident occurred when one vehicle was traveling southbound on William Flinn Highway, in the passing lane, when they came to another vehicle stopped and waiting to turn. Freshman Pax Carslaw Dives Into State Competition

Hampton freshman Pax Carslaw was born to flip. First, he was as a gymnast on the floor. Then he was a ninja through the obstacle courses. Now he is a diver.

"I didn't even want to try diving this year," said Carslaw, who was busy with climbing and ninja. But he ultimately agreed because without him, Hampton would be without a male diver. His older brother Koda, who had placed 3rd in the WPIAL the year before, was out with an injury. Plus, his parents, who are coaches, thought he'd be good at it.

They were not wrong. Pax took 7th at WPIAL's, one of only two freshmen in Pennsylvania AA to qualify to States. Plus, in just his first year of diving, he was able to achieve some very difficult dives like a 2 ½ front-flip, a double reverse, and a two-and a half twist. "He has the bravery and the skill," his mom said, "once he has the technique and

form, he's going to be great!"

At the State competition, Pax was successful on 10 out of 11 dives but an unfortunate error on his reverse kept him out of the top ten. "It's okay," he said. It was a really fun experience and I can't wait to do it next year." Hopefully, right alongside his brother.

Three Hampton Skaters Voted Into All Star Game

The Pennsylvania Interscholastic Hockey League has an all-star game at every level each season. Opposing coaches get to choose players from other teams to play on each team.

In the A Division there were 3 Hampton Ice Varsity players chosen to play in the all-star game, on April 3rd, 2022 at 2 p.m. The game will be played at Alpha Ice in Harmerville.

The three Hampton players are: Cody Bianco (defense), Logan Scanlon (forward), and Daniel Venture (forward). We wish to congratulate these three players on making the All Star Team and wish them luck.

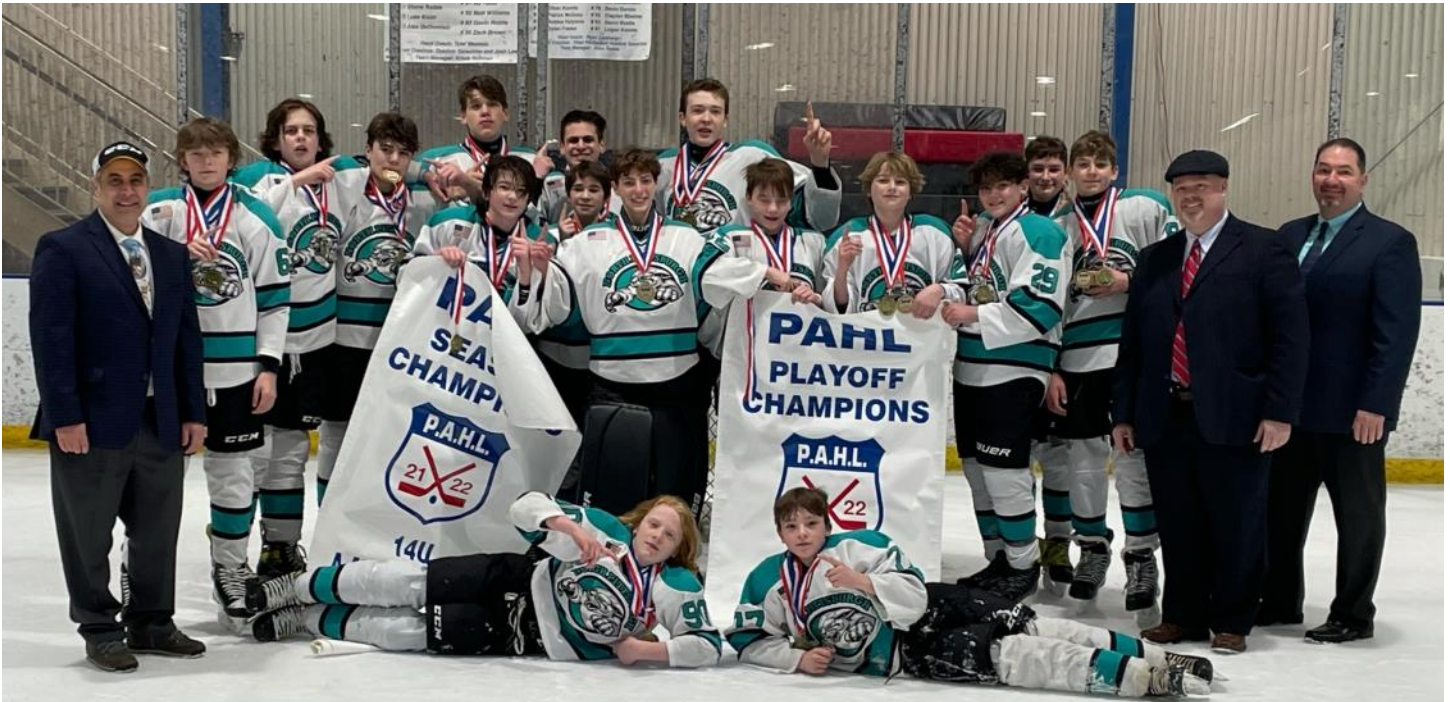

Wildcats Take Ice Hockey Championship

The North Pittsburgh Wildcats Bantam 5 team consists of players from Hampton, Pine Richland, Mars, North Allegheny, and Seneca Valley school districts. The team had a tremendous season, fighting their way to winning their division banner and the number 1 overall

seed.

They played their playoff game against the Arctic Foxes and won 4-1 to advance to the Championship game hosted at Baierl Ice in Warrendale. They played rival Morgantown Blades who were the 2nd overall seed. These teams met 3 times prior with each team winning once and a tie. The Wild-

Nothing Could Stop This Train

by Jenn Edmonds

Coming from behind and facing adversity is something that the Hampton Talbots Middle School 14u B ice hockey team is very familiar with. The middle school did not have enough kids to participate in the larger PIHL division but that didn't stop Coach Brian Fogle and a dedicated team of 11 players from playing... and winning.

This season was the first time that Hampton 6th through 9th graders joined other smaller districts like Shaler, Deer Lakes and Mars to play ice hockey in a relatively new league, the Scholastic Development league, hosted by Alpha Tournament Company. The Hampton team won the championship!

The 15-game regular season began in October. Injuries and the covid outbreak both affected the team. In January, they needed subs to have enough players to keep playing. The kids reached out to others in the district that they knew played hockey and those kids stepped in and stepped up. "It was a great recruiting tool and generated more interest in getting kids to play hockey for Hampton,"

said Coach Fogle. "They did not get down and were able to make minor corrections, keep playing hard and get better results."

Both rounds of the playoffs included 3 on 3 overtime for Hampton and were come from behind victories. Hampton was down 4-0 halfway through the first playoff game against Deer Lakes and tied it up 5-5 at the end of regulation. In the championship game, Hampton was down 3-1 and tied Peters Township at the end of regulation. Hampton's Luke Bowser scored the game winning goals in overtime for both the first playoff and championship games.

was all the more reason for student body president Nicole Fortes, student body vice president Mia Conte, senior class president Quentin Romero Lauro, and fellow student council members to take charge in planning and executing this event. Conte even indicated hopes to see THON grow in coming years and is “looking forward to checking in while [she’s] at college next year.”

After months of preparation, THON arrived, and it was a major success! The night kicked off with 2020 Hampton graduate and current Pitt Student Sam Triulzi, a cancer survivor himself, who spoke on the significance of THON. And in the end, it was

revealed that \$35,000 was raised!

While zumba and the food trucks were both crowd favorites, volleyball, wing-eating contests, and raffle baskets topped off the night, creating a fun experience for everyone involved. Reflecting on the event, Sophomore class vice president Andrew Kaehly said, “Just the action of people raising money and spreading that kindness was a virtuous and inspiring thing,” mirroring the pride that many students felt following the success of Talbot THON. TICKETS ON SALE NOW Enjoy An Energizing Evening with Herschel Walker, April 28

Enjoy an energizing and inspiring evening as St. Barnabas Charities honors Herschel Walker at the 121st St. Barnabas Founder's Day Celebration to be held Thursday, April 28, 2022 at the Pittsburgh Marriott North in Cranberry Twp. Founder's Day tickets are on sale now and event proceeds support residents and patients who rely upon the Free Care Fund at St. Barnabas.

Herschel Walker will receive the 2022 St. Barnabas Hance Award. The Hance Award was named in honor of St. Barnabas founder Gouverneur Hance, who was inspired to provide medical care for poverty stricken and chronically ill and injured men and boys in 1900. The Hance Award is presented to a person of national acclaim who exemplifies Hance's ideals of benevolence, patriotism and service to others. Previous Hance awardees include President Gerald Ford, First Lady Barbara Bush, Elsie Hillman, Fred Rogers, Dr. Patch Adams, Rocky Bleier, Debbie Reynolds and many others.

Herschel Walker is nationally known for his 15-year NFL career and his outstanding collegiate performance at the University of Georgia, where Walker carved out an equally successful business career. To this he adds the role of mental health awareness advocate. His compassionate, enlightened leadership has earned him the St. Barnabas Hance Award in memory of Gouverneur Hance, whose compassionate leadership led to the founding of St. Barnabas in 1900.

In his business endeavors he is President and CEO of H. Walker Enterprises and Renaissance Man Food Services, a certified minority enterprise that supplies poultry, pork and bakery products to the marketplace, custom bedding, solar blinds and draperies to the hospitality industry as well as promotional products.

Walker's book, *Breaking Free*, tells of the joys and hardships of his childhood leading to his remarkable college and professional career. He is living testimony of the strength of the human spirit and the ability to overcome challenges.

The St. Barnabas Founder's Day Celebration will bring together corporate sponsors, prominent business people and community leaders to honor Herschel Walker for his contributions. The event begins at 5:30 p.m. with a cocktail reception, auction and raffles – followed by a dinner celebration. A VIP photo pass is also available to guests. Following the Hance Award presentation, Herschel Walker will deliver a speech inspired by his career.

Tickets range from \$300 – \$475. For event tickets or to purchase books or raffle tickets, call 724-625-3770 or visit stbarnabashealthsystem.com/founders-day. Proceeds benefit the St. Barnabas Free Care Fund, which supports elderly patients and residents who cannot afford their care.
