

State Champions!

by Sandy Giannuzzi

The Hampton Talbots Boys Soccer Team had a phenomenal season! The Talbots started the season out strong with a huge win against Mars, their section rivals; a team they haven't been able to beat since 2012. The team

achieved a long-time goal when they clinched the WPIAL Boys Soccer Class 3A Final. It was the first such title for Hampton since 2011. The Talbots earned a hard-fought 1-0 victory against top-seeded West Allegheny at Highmark Stadium.

Matt McAwley, Hampton's head coach said, "These boys have had this dream since they were in middle school."

Gabe Vizslay, a senior, added, "I knew we would make it this far after not losing in

Veterans Honored

by Gail Scott

The Hampton Heroes ceremony was held on November 9th at Fridley Field under sunny skies and balmy temperatures in the 60's. The stadium was filled with many local veterans, all the students and staff from the Hampton Middle School, high school students, and community members. The Hampton School District has been recognizing veterans for 20 years, and this year's event was better than ever.

The ceremony began with the playing of "Reveille" on trumpet by HHS senior Zach Har-

Scouts Tree Sale

It's beginning to look a lot like Christmas! Once again, local Scout Troop 195 will be selling Christmas trees in the parking lot of Wagner's Market on Middle Road in Hampton Township. The community has been very supportive over these past years and there are usually many repeat customers. The Troop thanks them very much for their support.

The scouts learn the value of hard work and responsibility, as they staff the sale.

rington. The Star Spangled Banner was performed by the 7th and 8th grade chorus and orchestra. The event's guest speaker was veteran Eric McElvenny who was a Marine Corps Infantry Officer and is now a Paralympic Triathlete. He delivered a moving speech about his deployment in Afghanistan in 2011, where he was injured and lost part of his leg. His journey to overcome adversity is inspiring—he most recently competed in the Iron Man event at the 2021 Tokyo Paralympics. McElvenny challenged the audience to "set a goal that inspires you."

Nine local veterans were honored for

their service and were presented with a gift. They are; Dominador C. Balason (Navy), Thomas R. Berlin (Army), Joe Burneff (Navy), Lester Dieckmann (Air Force), Keith W. Essig (Navy), Louis Naccarto (Marines), Mark Ninehouser (Marines), Daniel J. Paga, Jr. (Marines), Adam Zaffuto (Army).

The ceremony concluded with "Mail Call" where HMS students passed out letters to veterans in the audience. A awe-inspiring performance by the Hampton High School Band titled "Thank You" concluded the event as the band paid tribute to all service

men and women in the armed forces. The HHS color guard, dance team, and marching band performed music from all 5 branches of the US Military and the moving performance was filled with honor and respect to all Veterans for their service to our country.

Operation Troop Appreciation

by Alice McLaughlin

The 16th annual Operation Troop Appreciation Veterans Day 5K held on November 7th was hailed as the most successful race in its history by race organizers. Hundreds of runners participated in the event and participants included spectators and volunteers from many community organizations.

The Hampton Township Police and Department of Community Service provided assistance. Volunteer Fire Companies from Hampton, West Deer and Richland were on hand for multiple tasks including the overhead display of the American Flag from connecting ladder trucks. Shaler Hampton EMS provided on-site protection during the race. Boy Scout Troop 195 worked on the course, registration setup, water service and clean-up. The Hampton High School Pep Band motivated runners along the most challenging stretch and a lively musical atmosphere was provided at the registration/awards pavilion by professional D.J. (Life of the Party Productions.) The course utilized part of the newly constructed Hampton Community Park walk/run cinder trail as well as roads through the park.

The race attracted runners from several states including veterans and military supporters. Two of these runners carried the American flag along the entire course, one of which was inscribed with the names of the 13 service members killed during the recent American withdrawal from Afghanistan.

Troop Appreciation *(Continued from page 7)*

Race finish times were extremely competitive and runners were treated to a number of prizes and awards after the race. First place overall was Noah Ball with a time of 16:27; Susan Barrett was the first female finisher at 20:48.

The race also offered a Team Category featuring a first place prize of Climb North Day Passes. Winning team members were Alex Mitterer, Owen Anderson, Nick Johnston, Carter Anderson and Nolan Smith.

The race has become well known among local runners as the Apple Pie Race because pies are awarded to the male and female winners in each of 13 age groups. Top finishes in the Overall and Masters categories also received unique hand-made plaques, designed and made by Hampton Middle School teacher and veteran Glenn Geary.

Race proceeds will be used by Operation Troop Appreciation (OTA) to provide holiday care packages to our active duty troops sta-

tioned throughout the Middle East. OTA is a 100% volunteer organization which fulfills wish list requests from Troops, utilizing funds from events such as the Veterans Day 5K. By the end of this quarter OTA anticipates that it will have provided care packages to 200,000 American Troops.

Regardless of the awards they win and the amenities they enjoy, runners always comment on the special purpose of the race. Runners say they are motivated by the knowledge that their efforts will help provide holiday care packages to our active duty troops.

Hampton Grad Finishes 12th at Boston Marathon

by Gail Scott

Hampton graduate Elaina Balouris Tabb (2010) competed in the Boston Marathon this fall and she exceeded her expectations with a finish of 12th overall and the 2nd American to finish. She ran 2:30.33 (which is a 5:45 mile average).

Elaina and her husband moved to Pittsburgh this summer and she started teaching at Oakland Catholic. She had been disappointed with her performance at the recent Olympic Trials and she contemplated ending her career as a full time athlete. Elaina commented, "This race (Boston Marathon) opened some more doors for me, so it looks like it's not time to hang up my spikes quite yet!"

Girls Volleyball Reaches the State Championship for the First Time

by Garrett Gess

The Hampton Talbots reached the PIAA Girls Volleyball Championship for the first time in program history. After Hampton defeated Freeport in the semifinals, they faced the Spring Grove Rockets of York County on Saturday, November 20th. The match was held at Cumberland Valley HS in Mechanicsburg, PA to crown a state champion. Hampton's journey to the state title took a winding path. Hampton finished the regular season 15-3 and found themselves down 0-2 in the WPIAL semifinals against Plum. The Talbots rallied back and won their following three sets to punch their ticket to the WPIAL Championship. Hampton would lose to Freeport in the WPIAL Championship, but the season was still far from over after the Talbots' loss. The Talbots were hungry for another rematch with Freeport as both teams won their next two playoff games to meet again in the state semifinals. Against the Yellowjackets, Hampton lost the first set 17-25, but came storming back to win the following three by a margin of over five points: 25-18, 25-19,

and 25-16. Hampton and Freeport split a 4-match series 2-2 this year, but the Talbots got the victory when it mattered most as Hampton advanced further in the state playoffs. Hampton had three players who won All-WPIAL awards: senior Kai Herchenroether (1st team), sophomore Emmy Schrom (1st team), and senior Claudia Braun (3rd team).

Hampton's best season before this year was in 2016 when they were WPIAL runners-up and played in the first round of the state playoffs, falling to Somerset. This year, the Talbots made the journey to the state championship and created a memorable season for years to come. Hampton's state-title challengers from the Pennsylvania Piedmont entered the match with a 30-1 record and would make for a great matchup between the two. Hampton battled Spring Grove very competitively but lost 1-3. The Talbots were unable to win the first two sets as they lost 20-25 and 21-25 respectively. Although Hampton won the third set 25-22, they couldn't keep the momentum going and lost the final set 19-25. Although the Talbots came just short of the ultimate goal, it was a very successful season nonetheless. The Hampton volleyball team took home silver at the PIAA Championship.

Cross Country Competes at States After Winning WPIAL Championship

by Garrett Gess

A handful of runners from Hampton headed to Hershey for the PIAA Championships in early November. The Talbots won the 2A WPIAL Championship this year and had the honor of being represented at states. Hampton is in its second season back in 2A and placed 11th at the WPIAL team championships last year. Getting to 1st place after being outside the top 10 just a year prior is a big testament to the hard work and training the cross country

This month we would like to recognize Fire-Police Lieutenant Willie Kendrick. Willie has shown dedication to not only the department but the community. Willie has not only been one of the highest volume call getters but also is one of the first to sign up for any public service details and if he notices something needing to be cleaned or fixed he takes it upon himself to take care of it without having to be asked. Willie is not only an asset to this department but an example of what community pride and dedication looks like. The picture featured is from a recent fire prevention day at a local preschool. Willie not only dedicated the time for the event but made sure that bags of take-home literature and prizes for the kids were put together and ready for each and every kid to get one on the day of the event. Thank you Willie for everything you do, you truly make HTFD and Hampton Township a better place.

Interested in joining our family? Visit us online at www.htwpfd.com, Facebook, Instagram, or stop down any Monday evening after 7:00p.m. We are always looking for more folks to be part of this family.
