School Board Remembers Litwiler

by Gail Scott

Gail Litwiler was a respected and valuable member of the Hampton Township School Board for 30 years. The Board held a moment of silence at the January 6th meeting and shared words of remembrance for Gail, who passed away on December 28th. The Hampton resident was 80 years old.

During the meeting, Mr. Bryant Wesley complimented Mrs. Litwiler as a forward-thinking role-model and an incredible asset to the Hampton Township School District. Mrs. Jill Hamlin said that although she did not know Mrs. Litwiler as long as the other Board members, she finds herself always considering how Mrs. Litwiler would approach a decision. School Superintendent Dr. Michael Loughhead described Mrs. Litwiler as "the pinnacle of what you expect from a school board member. She was always focused on what was best for the students."

Deep Sea Fishing

(Continued from page 1)

Luke hooked a 60 pound Mahi Mahi Bull Dorado. Luke said he was excited when he felt the tug on his fishing rod and he saw the large fish. After 20 minutes, Luke reeled the fish in on his own and he was exhausted when they got the fish into the boat. Luke's family received half of the fish and the captain and deck hand took the remainder home to feed their families.

Besides fishing, Luke enjoyed the whales that were jumping in the sea beside them. Also, sea lions swam up to the boat and climbed aboard to be fed fish. Luke is 13 years old and is an 8th grade student at Hampton Middle School.

Food Mart-Makes for a Welcome Addition

by June Gravitte

If you think there is something new at the Hampton Community Center, you are correct! A new Food Mart has been put in place in the lobby just beyond the check-in desk. The Township Manager saw the concept at business he visited and asked that it be implemented at the Community Center. Next, the Community Center followed through to get it up and running, working with Aramark Corporation to install the Food Mart.

It is designed to assist fitness minded people for energy replacement before or after workouts. It supplies healthy snacks, vitamin drinks, and traditional drinks (sodas). In addition, the Food Mart even provides hot meals such as soup, sandwiches and entrees. Aramark services the Food Mart up to twice a week. The kiosk check-out also conveys to Aramark the items that have sold and what needs replenishing.

So far, the Food Mart has been well received by the community. Kids and adults alike are enjoying the convenience. In addition, it is also a benefit to the employees of the township as well as all of the visitors to the Hampton Community Center and Parks.

Musical Selection Featured at Twilight Night

Four Hampton High School seniors, Chris Chengshi, Joe Fish, Noah Lewis and Rachel Simms will perform a selection from the musical at the Twilight Night event held on February 6th & 7th at Memorial Park Church. Each year, Memorial Park hosts high school musical cast soloists from around the North Hills area as they present songs from their upcoming musicals and give an exciting sneak peek of their shows in the spring. In what is usually a highly competitive atmosphere, this event brings students and musical lovers together to use their gifts for the good of the community. Performances begin at 7 p.m. The event is free and a goodwill offering will be collected at the door to benefit North Hills Community Outreach. For more details, visit mpcepc.org/Twilight Night. Hampton High School Theater Department presents "The Mystery of Edwin Drood" on April 17th, 18th, 24th and 25th at 7:30 p.m.

Sebestyen Joins HHS

Owen Bargar, student writer HHS

After Dr. Amick moved on from Hampton High School, there was a need for a new assistant principal. Shortly after, Mr. Joseph Sebestyen came to Hampton and has been well received, but many residents and students of Hampton don't know much about him. When interviewing him, I found Mr. Sebestyen has many interesting features and hobbies that many people don't know about.

Joseph Sebestyen

Growing up, he played baseball, soccer, and football. After graduating from high school, he went on to attend school at Clarion University for his bachelor's degree. He then went on to Virginia Tech for his master's degree, and he is currently attending the University of Pittsburgh for his doctorate. Mr. Sebestyen went for social studies as his undergrad and education leadership for his masters.

Before coming to Hampton High School, Mr. Sebestyen previously worked as a history teacher for seven years at other schools. He has also coached football, baseball, and soccer at other schools. He has future goals as becoming a head principal, and a superintendent. Interestingly enough, when asking Mr. Sebestyen on some of his hobbies he responded with a love of model trains and railroad sets. He also loves movies and collecting famous autographs. He mainly likes to collect autographs of famous athletes and actors. Overall, Mr. Sebestyen is a very interesting guy!

Kindergarten Registration

School year 2020-2021 registration for kindergarten and any grade one students new to Hampton Schools will take place from 9 a.m. to 3 p.m. as follows:

Wyland Elementary—Tuesday, February 4, 2020

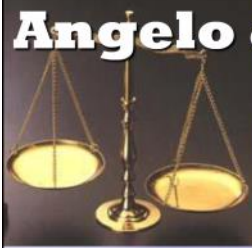

Poff Elementary—Wednesday, February 5, 2020

Central Elementary—Thursday, February 6, 2020

Children ready to enter kindergarten should be 5 years old by August 15, 2020. First graders should be 6 years old by August 15, 2019. A birth certificate or other acceptable evidence of birth and proof of Hampton residency and immunization are necessary before children can be enrolled.

Parents of those who do not meet the above age requirements may register children, but must also submit a written request for early admission to the building principal by April 15, 2020. This request should state reasons why early admission to school is appropriate and test data from the school he or she may have attended previously. Admission will be based upon the recommendation of the instructional support team of the school in which the student seeks enrollment and the authorization of the principal and superintendent.

History Lecture

Eager to Serve: The Indomitable George Washington His Seven Trips to Western Pennsylvania
Wednesday, February 19th 7- 8:30 p.m.

Join us for an evening of history!

Destiny ensured that George Washington's life was inexorably intermingled with Western Pennsylvania.

Jonathan Klemens

He was beckoned to visit our area seven times in forty-one year period. He responded, eager to serve, and graciously accepted the challenges. From spying on the French in 1753 at the young age of 21, to the taking of Fort Duquesne, to suppressing the Whiskey Rebellion as president, Washington narrowly escaped with his life over 10 times. These monumental trips (1753-1794) contributed greatly to weaving the fabric of western Pennsylvania history.

Visit the Depreciation Lands Museum for an exciting and informative evening of history with Jonathan Klemens, local author and 18th century historian. The evening will also include a display of the 18th century artifacts.

Pre-paid registration is required for the lecture, and seating is limited. General admission: \$8

challenges. Upon entering the competition, the students knew right away they wanted to put their efforts into designing a tool for Hampton Middle School math teacher, Bethann Dolan. Well-known throughout the district for her positive attitude and teaching prowess, Mrs. Dolan has used a motorized wheelchair since 2006, when she was stricken with transverse myelitis, a rare neurological disorder resulting in inflammation of a section of the spinal cord. Mrs. Dolan has continued teaching despite the inherent challenges of her mobility limitations.

In assessing the teacher's needs both in the classroom and at home, the students put their heads together to create something special for Mrs. Dolan. Ultimately, they envisioned an assistive glove that would enable the teacher to use her right hand, something she hasn't done in 14 years. For four months, the pair worked hard to perfect their design, which features a glove-like pattern with three fingers essentially sewn together. The glove is paired with a specialized clipboard and pen to help Mrs. Dolan write, enabling her to use teaching methods unavailable to her for so long.

L to R: Bethann Dolan, sophomores Danielle Sutterlin and Dakota Basista

The students demonstrated their invention to the media in mid-January, welcoming visitors to see the device in action right in Mrs. Dolan's classroom. If all goes according to plan, Dakota and Danielle will present their unique design on a much larger stage after competition winners are announced in March.

TICKETS ON SALE NOW An Evening At St. Barnabas with Ben Stein

Enjoy an energizing and inspiring evening as St. Barnabas Charities honors Ben Stein at the 120th St. Barnabas Founder's Day Celebration to be held Thursday, April 23rd, 2020 at the Pittsburgh Marriott North in Cranberry Twp. Founder's Day tickets are on sale now and event proceeds support residents and patients who rely upon the Free Care Fund at St. Barnabas.

Ben Stein will receive the 2020 St. Barnabas Hance Award. The Hance Award was named in honor of St. Barnabas founder Gouverneur Hance, who was inspired to provide medical care for poverty stricken and chronically ill and injured men and boys in 1900. The Hance Award is presented to a person of national acclaim who exemplifies Hance's ideals of benevolence, patriotism and service to others.

Ben Stein is the most famous economics teacher in America. His comedic role as the droning economics teacher in "Ferris Bueller's Day Off" has been ranked as one of the 50 most famous scenes in movie history. But in real life, Ben Stein is a powerful speaker on economics, politics, education, history and motivation and is considered one of the great humorists on political economy and how life works in this nation.

The St. Barnabas Founder's Day Celebration will bring together corporate sponsors, prominent business people and community leaders to honor Ben Stein for his contributions. The event begins at 5:30 p.m. with a cocktail reception, auction and raffles – including a chance to win a trip to Nashville or cash – followed by a dinner celebration. A VIP photo pass is also available to guests. Following the Hance Award presentation, Ben Stein will deliver a speech inspired by his career.

Tickets range from \$295 – \$475. For event tickets or to purchase books or raffle tickets, call 724-625-3770 or visit stbarnabashealthsystem.com/founders-day/. Proceeds benefit the St. Barnabas Free Care Fund, which supports elderly patients and residents who cannot afford their care.
