Aquinas Academy high school students performed Cole Porter's 1934 musical *Anything Goes* under the direction of Mike Flynn. *Anything Goes* is a classical musical comedy set aboard an ocean liner bound for London. Antics abound as stowaway Billy Crocker tries to win the heart of debutante Hope Harcourt from her unfortunate engagement to Lord Evelyn Oakleigh. *Anything Goes* features some of Cole Porter's most memorable tunes including "I Get a Kick Out of You," "You're the Top," "It's De-Lovely," and "Anything Goes." Mike Flynn, who has directed over twenty-five middle and high school plays at Aquinas, counts this as his fourth musical. Mike was assisted by student stage manager Corinne Reed (sophomore). Music was under the direction of junior Benjamin Stalder and the choreographer was junior Juliana Tambellini, assisted by sophomores Sabrina Knox and Katelyn Buchanan. Director Mike Flynn was impressed with Juliana Tambellini's work as the choreographer.

Aquinas Academy Student and Hampton resident, Juliana Tambellini, was Choreographer for Aquinas Academy Production of *Anything Goes*.

DUI Arrest

 On November 16, 2019 at 11:25 hours, Hampton Township Police responded to the area of Route 8 for a vehicle that was reported to be operated in an erratic manner. The reporting party advised dispatchers that the vehicle had struck a barrier and drove up onto a sidewalk. A Hampton Township officer intercepted the vehicle in question, along with an officer from a neighboring jurisdiction. A vehicle stop was initiated after the officer observed traffic violations. The driver showed visible signs of impairment and was unable to complete field sobriety tests as had been explained and demonstrated. The driver was subsequently placed under arrest for suspicion of DUI.

Vehicle Accident

 On November 15, 2019 at 1:48 p.m., Hampton Township Police responded to Route 8 for a two-vehicle accident. The accident occurred when one vehicle was traveling south on Route 8 in the curb lane, and was slowing down to turn into a driveway, when it was rear-ended. One operator was transported to the hospital by ambulance due to sustained injuries. Both vehicles had to be towed from the scene due to disabling damage.

 On November 18, 2019 at 8:42 a.m., Hampton Police responded to Route 8, near Duncan Avenue, for a three-vehicle accident. Al Pulls in 1245 Bikes for Toys for Tots

by Gail Scott

Al's Bike Drive broke a donation record this year with 1,245 bikes given to the *Marines Toys for Tots Program*. Al Todd, his colleagues at Thrivent Financial, and all the volunteers were overwhelmed with gratitude by the generosity of donations to this wonderful cause.

Amy and Al Todd extend their deepest gratitude for all the support with the annual bike drive

The big distribution event for Al's Bike Drive took place on December 5th. It was a chilly morning as the volunteers and Al's team gathered in the Gibsonia Walmart parking lot to move the bikes from storage to waiting trucks, cars, and trailers. Al stood on top of a large fire truck as he addressed the waiting crowd with morn-

ing instructions and the big reveal of 1245 bikes donated which was met with cheers from the crowd. I was lucky enough to be able to participate in the event this year, and I experienced firsthand the overwhelming positive attitude and excitement in the air. Many hands make light work and all the bikes were loaded onto the vehicles as we all assembled for the large caravan to travel south on Route 8 to the Wildwood Country Club, where the bikes would be loaded on to tractor trailers for the Marines.

"There's always something to do here to keep you occupied. You'll never be bored."

-Jim Quinn, retired Marine Machinist

Local fire departments have a friendly competition to raise money for Al's bikes. Hampton and North Hampton fire companies took 1st place this year with Richland taking 2nd and West Deer taking 3rd place.

Police and fire fighters from Hampton, Richland, and West Deer joined in the caravan with sirens wailing as we s down Route 8, and was waved though all the traffic lights for a speedy trip.

Once at Wildwood Country Club, everyone gathers for lunch as the bikes are formally presented to the Marines who represent Allegheny, Butler, and Beaver Counties. The Marines shared stories of the families who will receive the bikes. The volunteers can't see the gleaming faces of the children on Christmas morning as they find a new bike under the tree. The Marines share stories of the gratitude of the families and how a bike will change a child's life with exercise, joy, and transportation. Al says "I can't express enough thanks to everyone involved in the success of this year's

have thin sheets for covering, it became her mission to make enough no-sew fleece blankets for each resident, approximately 120.

With the help of her youth group and donations from parishioners, the group made 25 blankets. When they realized they would fall short of their goal, Rhiannon set-up a GoFundMe online donation request. Enough money was donated to purchase the fleece needed for the other 95 blankets.

Rhiannon on delivery day

Rhiannon remarked, "This project has become so important to me over the past couple of months, and it means the world to me that

so many people are so supportive. I couldn't be more excited to take the blankets to the residents and see their reaction when we give them Christmas gifts that are theirs and only theirs. Everyone deserves at least that much."

choruses and quartets for years, they wanted to be a part of something bigger. Their solution? The Backyard Barbershop Bash. Ultimately, this meant that various barbershop quartets would perform in the Hengelsberg's backyard right here in Hampton. In 2018, International Sweet Adelines champion quartet, Lustre, was the headlining act, drawing over 180 people to the Hengelsberg's backyard.

The event itself requires much preparation: Michael and Allison build a stage on their front lawn, contact quartets to perform on the show, and rent the sound system each year. In total, seven quartets performed at the Bash in 2018. Michael and Allison got the idea for the Bash from Lustre themselves, who host their own concert in their backyard in Baltimore.

Allison performed at the event in her own Regional Championship winning quartet, Wicked, in both 2018 and 2019. Before each competition, quartets put in hours of practice and rehearsal, including on

High School Student is Flying High

by June Gravitte

It has been a year in the making. Ben Cutuli, a senior at Hampton High School, has earned his private pilot's license. For the past year, Ben has been taking flying lessons at the High Flight Academy at the Pittsburgh-Butler Regional Airport. On Monday, December 23rd, Ben successfully completed an oral exam and check ride to earn his license. "Ben is so excited, and we are so very proud of him to have accomplished something like this at the age of 18," remarked his parents, Tony and Noralynn Cutuli.

Ben explains, "Last Christmas my dad bought me a discovery flight gift certificate and that is how I got interested in flying. I have 55 + hours of flying and that enabled me to do my check ride. After my first lesson I was hooked and did what needed to be done to get my license." Ben has played Hampton ice hockey all through high school and has played on Hampton golf team for 3 years. In addition, he has worked in food service at St. Barnabas for the past 2 1/2 years. He plans on studying Aerospace Engineering in college.

On November 22, 2019 at 8:06 a.m., Hampton Township Police were dispatched to Route 8 for a three-vehicle crash. Upon arrival, one operator complained of injuries and was transported to the hospital by ambulance. The accident occurred when two vehicles were stopped in the roadway, one in the curb lane, and one in the passing lane, due to a school bus that was stopped with its red lights flashing. A third vehicle was traveling around a bend in the roadway and was unable to come to a stop in time. This concluded in a rear-end collision involving the other two vehicles that were stopped as a result of the stopped school bus. One vehicle had to be towed from the scene.

Hampton Light Up Night Sparkled

by Gail Scott

Light Up Night in Hampton was better than ever this year when the sky filled with colorful fireworks and Santa and Rudolph the Red Nosed Reindeer arrived on top of a fire truck.

The annual event took place at the Community Center on December 5th. It was chilly outside as the Hampton Police and fire trucks arrived but it was warm inside as the community center was filled with activities. The large Christmas tree in the lobby was lit up and a line formed as

families waited to get their picture taken with jolly old St. Nick, compliments of the staff at Berkshire Hathaway Home Services. In the gymnasium, a large crowd gathered to watch Premier Dance Studio perform wonderful

holiday routines with dancers from elementary school all the way up to high school. In the large community room, local boy scout troops were handing out cookies and Rudolph walked around greeting children. The library remained open that evening for residents to stop in for a fun craft and kick off the season.

Thanks to the staff and family at Berkshire Hathaway to coordinate photos with Santa near the fireplace. Pictured above Mary Pat Petrarca, Drew and Nicole Chardon, Dan Casciato, Brittany Edmiston. Front: Shannon Madigan, Santa, and Rachael Schaffer

Cheer

(Continued from page 1)

cheerleading program from Hampton has not been to Nationals since 2018. That season they made it to finals and placed 14th. While coach Kathy Long has experienced competing at the venue in Disney; this will be her first time going as a high school coach. She remarked, "Representing a great school like Hampton, while having my old high school coach, Phyllis Schatz, of Shaler Area High School there, I am excited and ready."

Originally only 5 girls were signed up to try out for the competition team however, 20 girls ended up trying out after some convincing by coach Long that this would be a great team! Coach Long decided to form 2 teams between 17 girls. One team would be the "comp team" and the other team would be the "game day team". The game day division was new for all girls and the comp team was new for 7 out of the 12 that are on it.

The high school team has 5 seniors. "They will be huge shoes to fill for the upcoming freshmen, but the team now knows what it takes to be successful at competing and representing Hampton High School," said coach Long.

Coach Long lives in Hampton with her husband Gary and children, Landon and Adlee (both attend Poff Elementary). She has been coaching cheerleading for 21 years and is a current owner of

History Lecture

Eager to Serve:

*The Indomitable George Washington
His Seven Trips to Western Pennsylvania*

Wednesday, February 19th

7-8:30 p.m.

Prepaid registration required

Jonathan Klemens

Join us for an evening of history! Destiny ensured that George Washington's life was inexorably intermingled with Western Pennsylvania. He was beckoned to visit our area seven times in a forty-one year period. He responded, eager to serve and graciously accepted the challenges. From spying on the French in 1753 at the young age of 21, to the taking of Fort Duquesne, to suppressing the Whiskey Rebellion as president, Washington narrowly escaped with his life over 100 times! These monumental trips (1753-1794) contributed greatly to weaving the fabric of western Pennsylvania history.

Visit the Depreciation Lands Museum for an exciting and informative evening of history with Jonathan Klemens, local author and 18th century historian. The evening will also include a display of 18th century artifacts.

Pre-paid registration is required for the lecture, and seating is limited.

General admission is \$8, Museum members \$5

Board of School Directors Reorganizes, Swears in New Members

The Hampton Township Board of School Directors held its annual Reorganization meeting on Monday, December 2nd. During reorganization, five board members were sworn in, officers were selected and meeting dates and times for 2020 were established.

Three new members and two returning members were sworn in by district solicitor Mr. Pat Clair. The two returning board members are Mr. Bryant Wesley and Mr. Robert Shages, who were both re-elected to serve. The three new members are Mr. Matt Jarrell, Mrs. Joy Midgley and Mrs. Trisha Webb.

Mr. Jarrell has three children in the District, one at the Wyland Elementary, one at the Middle School and one at the High School. "I hope to sustain our role as a leading, innovative and efficient School District," he said. "The historic thoughtfulness and commitment of the Board is why our students and the rest of the community enjoy the benefits of being at the top of the heap. I want to help keep it that way for years to come."

Mrs. Midgley has two children in the District, both at the Middle School, who are actively involved in baseball, basketball, football and lacrosse. "My goal is to support the District in making good, solid, fiscally-responsible decisions for the students, teachers and taxpayers," she said. "I

will be an advocate for the best interests of the students. I intend to collaborate with other school board directors and district employees to provide a clear vision and strong communication between the district and the community to enhance transparency."

Mrs. Webb has resided in Hampton Township for eight years and has two children in the District. She spent the last two years as president of the Central Elementary School Parent Teacher Organization, and was involved with the District's Special Education Advisory Committee. Mrs. Webb said she believes in working together to achieve success for all students. "I've been lucky to work with so many families in our community through Central's PTO, the District's SEAC committee, HAEE and more, and I

Left to right: Bryant Wesley, Matt Jarrell, Robert Shages, Joy Midgley, and Trisha Webb

hope to continue representing our families on the School Board. We live in a great district and there have been a lot of exciting changes over the past few years. I'm excited to be a part of those changes going forward."

The board also re-elected Mr. Bryant Wesley as President for another term, and Mrs. Jill Hamlin as Vice-President.

On Sunday, February 23rd, 2020 from 1:00 p.m. to 4:00 p.m., the Hampton Township Police Department and the Hampton Township School District will co-sponsor a FREE training designed to educate people on how to respond to a violent intruder or active shooter situation.

Residents, business owners, citizens who attend places of worship within the township, and those employed within the Township of Hampton are welcome to attend the 3-hour training. The training, which will take place at the Hampton Community Center, consists of a 1-hour classroom presentation followed by multiple scenarios in which participants are able to practice the skills taught in the classroom setting. The objective of the training is to empower participants to make decisions and to take action if ever confronted with a violent intruder.

Additionally, this program can be provided to any community group or organization within Hampton Township free of charge. If you have any questions about the training, please contact Chief Vulakovich at 412-486-0400, Ext.1322.
