Generous Donations for Presents from Police

by Sandy Giannuzzi

The Hampton Township Police Department along with multiple surrounding police departments took part in the "Presents from Police" program this December. Boxes were placed at the

police station, Municipal Building and the Community Center and residents of the township, businesses and organizations generously donated toys and gift cards. There were enough presents to fill two

police vehicles. The presents were delivered on December 21 to the Children's Institute in Shadyside and the Sunrise School in Monroeville.

Little Medical School Returns

by Melanie Martino

We are excited to announce the partnering with Little Medical School again this winter!

Little Medical School® brings medicine, science and the importance of health to children in an entertaining, exciting and fun way. Both programs aim to inspire children to aspire for careers in healthcare through demonstrations, crafts, and games! Children will also learn how the body and organs work, how to use instruments that real doctors use, and even tie knots like a real surgeon! All programs are taught by a

A Challenging Production!

by Jenn Edmonds

The old adage "The Show Must Go On" has never been truer than this year for the Hampton Middle School musical. Despite the challenges of COVID over the last year and a half, the students worked tirelessly to prepare an exciting compilation featuring songs from the last 16 years of HMS musicals in the format of an award show.

The process for creating "The Above Average Middle School Musical Award Show" began in August. Much about the

Police Information

The Hampton Township Police Department is dedicated to enhancing the quality of life of our residents and guests by providing the very best in law enforcement services. The twenty-two officers and two civilian clerks take pride in serving the community in a professional and proactive manner. Thank you to the staff for helping to keep our community safe.

A summary of noteworthy incidents that occurred are listed below. These incident statistics included, but WERE NOT LIMITED TO, the following between the dates of 10/30/2021—11/25/2021:

DUI

 On November 25, at 1:10a.m., a Hampton Township Police Officer was on routine patrol in the area of William Flinn Highway and East Hardies Road when they observed a vehicle traveling at a high rate of speed. While following the vehicle, the officer noticed the vehicle cross the double yellow line, weaving within the lane and continuing at a high rate of speed. The officer then initiated a traffic stop on Turner Road. Upon approaching the vehicle, the officer detected the odor of an alcoholic beverage coming from the vehicle. The officer also observed that the driver displayed slurred speech and bloodshot eyes. The officer then requested the driver submit to a series of Standardized Field Sobriety Testing. After testing, the operator was placed under arrest for suspicion of DUI.

Fraud

 On November 16, at 1:10p.m., Hampton Township Police received a phone call from a resident in regard to unemployment fraud. The resident stated they received payments from the unemployment office that they had not filed for on their behalf. The Hampton Township Police advised the resident to contact the PA Department of Labor regarding the fraudulent checks.

Holiday Spirit Fills this Neighborhood

by Sandy Giannuzzi

The Greybrooke neighborhood hosted their second annual "Holiday Spirit Contest" on December 11 and 12th. The residents of the neighborhood competed against one another for having the most "holiday spirit." The event was organized by the Greybrooke Neighborhood Association. Each resident that competed placed donation jars on their property to collect money to benefit The North Hills Community Outreach program. First, Second and Third place prizes were awarded and sponsored by Baierl Acura.

Despite the bitter temperature and high winds on Saturday, the Holiday Spirit Contest was in full force. Saturday evening featured the "Knock About Coffee Truck" and Sunday evening featured the "Franktuary Food Truck" where visitors grabbed a warm beverage and a delicious hotdog while enjoying all the Christmas lights and holiday spirit!

The Krieger family held a "Guitar Holiday Mini Concert" each night and took First Place in the contest. A large amount of money was raised along with a generous donation from Bill Brown, of Baierl Acura, a huge supporter of the North Hills Community Outreach program.

Aquinas Academy's High School Performs *Our Town*

Aquinas Academy of Pittsburgh's high school theater students performed Thornton Wilder's Pulitzer Prize winning play *Our Town*. Using two casts, Mike Flynn directed four shows in Aquinas Academy's Rhodora J. Donahue building on the school's campus. The first show was performed for students at the end of the school day on Friday, December 3. The remaining shows were open to all audiences on the same Friday evening, Saturday evening December 4, and a Sunday matinee on December 5.

After directing musicals the pre-

Katelyn Buchanan (Senior, Emily Webb) and Michelle Imani (Senior, Mrs. Webb)

vious three years, Mike Flynn was eager to have his students perform a play. "Plays have more depth than musicals," according to Flynn. *Our Town* does not disappoint, as its gripping story of ordinary life in a small town of the twentieth century New Eng-

land town delivers a powerful message of the eternal value of each moment of life. Lead actor, senior Than Archer (George Gibbs), relished his role in bringing to tears to the audience, "I love laughing and crying on stage because it brings out the most emotion from the audience and when you do it right it is very rewarding as an actor." Flynn appreciates the minimalist approach to scenery favored by Wilder's play. The backdrop was just a black sheet and students mimed all actions without using props. The narrator of the play is the Stage Manager, played masterfully by senior Theo Austin. The Stage Manager is able to address both the audience and the players on the stage; he even acts as different characters in the play.

Theo Austin (Senior, Stage Manager), Katelyn Buchanan (Senior, Emily Webb), Than Archer (Senior, George Gibbs)

Flynn ran two casts to highlight the significant talent of the senior class. Although the boys' parts remained the same for all four performances, the main female roles were split for two plays each.

Additional senior lead roles were played by Anna Myron and Katelyn Buchanan (Emily Webb), Charlie Dingle (Mr. Webb), Laura Richthammer and Michelle Imani (Mrs. Webb), Steven Giacobbi (Dr. Gibbs), Anna Keverline and Emilia Kartsonas (Mrs. Gibbs), Elizabeth Hardy and (junior) Bella Hite (Rebecca Gibbs).

Seniors performed major roles off-stage as well: Sabrina Knox (Assistant Director), Coco Reed (Stage Manager), Sydney Libell (Head of Stage Crew), Nick Tarquinio (Sound Board), and Gio Vella (Spotlight).

Teachers Rosemary Meland and Brady Buchanan contributed much time and talent as Costumes Director and Set Construction, respectively.

This play marks Mike Flynn's thirty-fourth dramatic production for Aquinas Academy.

Dickensheets Finalist for Teacher of the Year

by Gail Scott

Kathleen Dickensheets, Hampton High School math teacher, has been selected as a Pennsylvania Teacher of the Year finalist for 2022. She was nominated for this honor by former student Brooke Hathorn.

The nomination was originally made in 2019–2020 for the PA Teacher of the year 2021 award. Due to the Covid pandemic, the National State Teacher of the Year committee decided to postpone awarding a PA Teacher of the year for 2021 and instead postponing it to 2022. There were more nominations for the PA Teacher of the Year Award during this time than in any year prior, making it an

incredible honor to be selected as one of the 12 Finalists for PA TOY for 2022.

Dickensheets says, "While it is a wonderful honor to be recognized as a PA TOY Finalist, I am not at all unique among the Hampton School District family of teachers, staff, and administration. Hampton is an amazing school district because we all work with incredible dedication and creativity to maximize the learning for every individual student. My colleagues are each equally deserving of this award as I am."

Aquinas Academy Students Earn AP Scholar Awards

Fifteen Aquinas Academy of Pittsburgh seniors (Class of 2022) and recent graduates (Class of 2021) were awarded AP Scholar awards by the College Board.

Helayna Baer (2022), Steven Giacobbe (2022), Isabelle McGowan (2021), and Macrina Vollmer (2021) earned the AP Scholar award "granted to students who receive scores of 3 or higher on three or more AP Exams."

Nathan Anthony (2022), Theo Austin (2022), Samuel Everson (2022), Maria Figucia (2022), John Griffith (2022), Emilia Kartsonas (2022), Anna Keverline (2022), and Therese Solomond (2021) were

awarded the AP Scholar with Honor award "granted to students who receive an average score of at least 3.25 on all AP Exams taken, **and** scores of 3 or higher on four or more of these exams."

Genevieve Archer (2021), Alica Lenartova (2022), and Benjamin Stalder (2021) earned the AP Scholar with Distinction award "granted to students who receive an average score of at least 3.5 on all AP Exams taken, **and** scores of 3 or higher on five or more of these exams."

HMS Musical

Continued from page 1)

school year and activities were still up in the air due to COVID, but director Greg Shumaker planned for a musical where he could have as many kids as possible on-stage, especially since there was no show last year.

“We had two grades that had never done a musical before and that was a new challenge,” said Shumaker. He explained that there were more costume and prop changes than ever and worked with the students on how to make all of that happen along with the traditional blocking, choreography, and rehearsals.

Two days prior to opening night a new obstacle emerged. There was a small electrical fire in the auditorium which delayed the production for two weeks. All costumes had to be dry-cleaned after the fire and props had to be reassembled, but the re-scheduled shows went on December 2-4. Seventh grader Logan Brady said, “After the fire, I was a little worried the show might be cancelled and the sets and costumes would be destroyed. I was so relieved that we still got to do the shows. They were really fun.”

“The kids were a little disappointed and rebounded nicely. They got to enjoy two more weeks together and it was a great experience,” explained Shumaker. In good humor, the fire was even incorporated into the beginning of the show.

There were lots of tears on Saturday after the final show as the kids become a family during this process.

There are so many wonderful photos from Madia Photography to share, but we do not have enough space in the print edition. Visit the website to view more: www.thehamptonnews.net.

Youth Basketball League Up and Running

by Sandy Giannuzzi

The Hampton Basketball Association (HBA) is excited to announce that they are finally up and running. The President of the league, Drew Bosetti, and the league’s board members began putting the league together over two years ago, but were abruptly halted due to the Coronavirus. “We’ve received a lot of support from both the Boys’ and Girls’ Varsity programs and their booster organizations to help get this off of the ground,” added Bosetti.

The season runs from the end of December and goes until early March. The boys play in the “Caveman” League and the girls play in the Pine-Richland Youth League. Hampton will host half of the games at Central Elementary and the other half will be held at rival gyms. There will be 10-16 league games and a few tournaments for each team.

The league consists of three girls’ teams: Fourth Grade, Fifth Grade, and Sixth Grade and four boys’ teams: Third Grade, Fourth Grade, Fifth Grade, and Sixth Grade. The HBA plans to have a walk-up clinic in the spring in hopes to add First and Second Graders and also plans for board expansion. You can find more information and follow the Association at www.hamptonba.com.

14 Years For Al's Bike Drive

by Gail Scott

Al Todd

This was another successful year for Al's Bike Drive as volunteers loaded bikes into cars, trucks, and tractor trailers to deliver to the Marines Toys for Tots on December 2. A long caravan of fire trucks, police cars, trucks, and cars made their way

south on Rt 8 from the Gibsonsia Walmart parking lot to the Wildwood Country Club where the Marines accepted the bikes.

Al Todd and his volunteers successfully completed the 14th drive with donating 427 bikes and \$30,000 to the Marines Toys for Tots program which supports Allegheny, Butler and Beaver Counties. They had hoped to donate more bikes this year but Covid has affected the available supply of bikes, and many bikes are still on cargo ships. Volunteers bought all the bikes they could find from every local Walmart store in recent months. Over the years, Al has donated over 6400 bikes to the Marines Toys for Tots program.

Many local businesses and organizations participate in the annual bike drive. The Gibsonsia Walmart donates their time assembling the bikes and storing the bikes. Hampton VFD #164 and North Hampton VFD #165 volunteer their efforts during the bike drive and they always have a friendly competition. This year Hampton #164 Lt. Dan Lennon and North Hampton #165 Chief Mike Piovesan had a fun bike race in the Walmart parking lot riding very small pink and blue kids' bicycles. It was a close race as all the volunteers cheered and clapped and Dan Lennon won by a narrow margin.

Al's Bike Drive is already starting to plan for next year and hope to donate 1,000 bikes if the supply chain issues are resolved in 2022. To donate, go to their website at alsbikedrive.com or email at alsbikedrive@gmail.com.

Traffic Accident

On November 12, at 3:20p.m., Hampton Township Police were advised of a single vehicle accident located on McCully Road. The vehicle was driving east on McCully Road when a deer ran out in front of the vehicle and the driver was unable to stop in time causing the deer to strike the vehicle. The vehicle was able to be driven from the scene of the accident.

On November 13, at 6:08p.m., Hampton Township Police were dispatched to the area of Napa Auto Parts on William Flinn Highway for a report of single vehicle accident versus deer. The accident occurred as the vehicle was driving north on William Flinn High-

way when a deer ran out in front of the vehicle, resulting in the collision. The accident caused disabling damage to the vehicle, and it was towed from the scene.

On November 17, at 12:39p.m., Hampton Township Police were dispatched to the area of Mount Royal Boulevard and Sample Road for a report of a two-vehicle accident with no reported injuries. Upon arrival, officers confirmed there were no reported injuries. The accident

occurred when one vehicle was attempting to make a left turn into a driveway on Mount Royal Boulevard and did not see the other vehicle approaching, which resulted in the collision.

On November 21, at 11:43a.m., Hampton Township Police were dispatched to the area of William Flinn Highway and East Bardonner Road for a report of a two-vehicle accident. Upon arrival, officers located both vehicles off the road-

Above and Beyond

by Chief Fiore Londino

I would like to highlight Lieutenant Matt Kremer. Lt. Kremer has gone above and beyond in the training department. He has taken it upon himself to go out and take and successfully pass the PA Department of Health Special Vehicle Rescue Technician Certification. Being a rescue company that services high speed roadways with main thoroughfares, this certification will enable LT Kremer to operate on the scene of vehicle accidents with a higher level of proficiency especially when it comes to Commercial and special use vehicles.

As a Lieutenant, Matt is responsible for ensuring the safety of his crew and this new certification will allow him to do just that as well as serving those that need us.

Thank you for your dedication Matt. The community and I are thankful for your dedication to furthering your education and skills.

Noteworthy incidents and events:

- NHVFD responded to Hampton Middle School for a commercial fire alarm, which was upgraded to a commercial structure fire while units were in route. Fire crews arrived to find a school play prop had caught fire due to improper storage next to an electrical device. Custodial staff knocked the bulk of the fire down prior to arrival and fire crews checked for extension. Crews were on scene for an extended period to assist with ventilation of smoke.
 - NHVFD responded to a reported residential structure fire on Harts Run Road. First arriving crews found smoke in the basement and were able to isolate the issue to an overheating sump pump.
 - NHVFD responded to a reported residential structure fire on Greengrove Drive. First arriving crews found smoke in the basement and were able to isolate the issue to a faulty light fixture.
- NHVFD responded to the report of a lawn tractor on fire starting a brush fire. Crews arrived to find a lawn tractor had caught fire on a pile of leaves and was starting a brush fire. Crews were able to quickly extinguish the fire to prevent further damage.

way and confirmed there were no injuries. The accident occurred when one vehicle was traveling southbound on William Flinn Highway and observed the upcoming traffic light to be a steady red light. The vehicle began to brake, but due to the road being wet, the vehicle slid approximately 40 yards causing it to strike the rear end of the other involved vehicle. Both vehicles sustained moderate damage but were able to be driven from the scene of the accident.

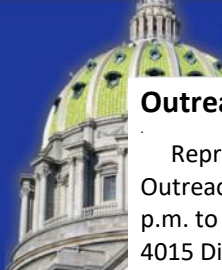

Hazardous Conditions

 On November 11, at 10:47p.m., Hampton Township Police were dispatched to the area of West Bardonner Road and South Pioneer Road for a report of power lines down and a brush fire. Upon arrival, officers located the brush fire and the power lines down. Fire units arrived on scene to contain the brush fire and Duquesne Light arrived to take care of the downed power lines.

 On November 19, at 5:02p.m., Hampton Township Police were dispatched to the area of Wildwood Road Extension and School Drive for a report of hazardous conditions. Upon arrival, officers located dirt and rocks across the roadway, which were causing a road hazard. Officers requested Hampton Township DPW respond to the scene for cleanup and traffic control. Officers remained on scene until the road hazards were cleaned up.

Water Main Break

 On November 9, at 12:08p.m., Hampton Township Police were dispatched to the area of the 5100 block of Hamlet Drive for a report of a water main break. Upon arrival, officers located a large water main break. Officers then contacted Hampton Shaler Water Authority to respond to the scene. *end*

New Year, New Beginnings

You might view the new year as a chance to start over. Whether you just had a year where nothing went as planned, or you had an accomplished year and want to set even higher standards for next year, most people have a new set of goals in mind when entering the new year. However, you might be wondering, "will I still even be thinking of those goals by the time January is over?"

By waiting for your opportunity to begin going after a goal, you are somewhat setting yourself up for failure. It's the idea that everything needs to go exactly how you planned that is holding you back. If you don't start seeing the results you wanted immediately, the hard work must have been for nothing, so you give up. You begin to lose sight of what you wanted in the first place because not seeing your hard work pay off yet makes it feel unattainable.

If you start now, and make consistency the goal, and not "end results" the goal, you could be in a completely different place by the end of next year. Create a vision of what you want to achieve, but remember the progress happens in the everyday details.

Happy New Year!
