## Kayaking, Games and Crafts set to Wild West Theme

by Gail Scott

**H**ampton Girl Scouts enjoyed a fun week during their annual summer camp at the Hampton Community Park. *Western Round Up* was the camp theme and it was held on June 13-15 for Daisys, Brownies, and Girl Scouts. All of the values of scouting are incorporated into this camp.

All the Scouts made western crafts, including painting horse shoes and deco-

rating their own cowboy hats. They practiced their sewing skills by sewing yarn on burlap fabric. The girls also got to decorate glass jars to take home.

Camp included cooking outdoors with self prepared snacks each day. The scouts made hamburgers and grilled them for their lunch. One day, they used pie irons to make grilled cheese sandwiches. They also enjoyed a tasty dish called one-pot-

pasta.

Western activities included learning archery and playing outdoor games. There was a lot of laughter at the outdoor game of lasso practice, where the girls used hula hoops to try to lasso a wooden horse.

Girls in grades 4 through 12 had the opportunity to go kayaking on Friday and attend an overnight. After kayaking, they

## Mullen Earns Award for Research Paper in Biology

by June Gravitte

Emily Mullen, a Hampton High School student, won a sponsor award from the Princeton Alumni Association of Western Pennsylvania at the 79<sup>th</sup> Covestro Pittsburgh Regional Science and Engineering Fair. Emily was recently recognized at the Princeton Alumni Association Annual dinner on May 16<sup>th</sup>, 2018 held at the Allegheny, Harvard, Yale, Princeton Club in Pittsburgh. Dr. Leo Goode, a representative from the Princeton Alumni Association, awarded Emily with a certificate, a medal, and a \$50.00 cash award for her scientific research in the field of Biology. Emily gave a presentation summarizing her work and interest in Science. The attendees consisted of accomplished and recent alumni of Princeton University.

Emily's project was entitled "Scaffold Material Influence on Stem Cell Behavior". In addition, Emily received a Merit Award for excellence in Creativity and an Associate Scientist Award for competing in the Covestro Pittsburgh Regional Science Fair for four years. More than 1,200 students competed in the fair, one of the oldest and largest Science Fairs in the country.

Nico Simakas is a 4<sup>th</sup> grade student at Blessed Trinity and came in 13<sup>th</sup> out of 41 students in the Spelling Bee at St. Louise De Marillac School in Upper St. Clair. He made it to the 7<sup>th</sup> round and was the only 4<sup>th</sup> grade student left standing. The rest of the students were in 6<sup>th</sup> grade.

## Police Log

The Hampton Township Police Department is dedicated to enhancing the quality of life of our residents and guests by providing the very best in law enforcement services. The twenty-two officers and two civilian clerks take pride in serving the community in a professional and proactive manner. Thank you to the staff for helping to keep our community safe.

A summary of noteworthy incidents that occurred between May 5<sup>th</sup>, 2018— June 16<sup>th</sup>, 2018:

### Traffic Stop/ Drug Arrest

 On May 9, 2018 at 2:09 a.m., a Hampton Township officer conducted a traffic stop on Route 8 after observing a vehicle equipment violation. Upon making contact with the operator at the vehicle's window, the officer could detect the odor of suspected marijuana emanating from the vehicle. The operator denied that there were any illegal substances within the vehicle. Upon searching the vehicle, officers located drugs and paraphernalia. The operator was asked to submit to field sobriety tests, which they were able to complete.

 On May 19, 2018 at 9:05 a.m., a Hampton Township officer initiated a traffic stop on East Hardies Road after observing a red light violation. Upon speaking with the operator, the officer detected the odor of marijuana emanating from the vehicle. Upon further investigation, the officer located drugs and paraphernalia within the vehicle.

 On May 31, 2018 at 8:30 a.m., a Hampton Township officer conducted a traffic stop on a vehicle on Route 8 after observing multiple equipment violations. The vehicle and the utility trailer it was towing were also found to have expired registration plates. During the traffic stop, the operator was found to be in

possession of drugs and paraphernalia.

 On June 3, 2018 at 1:05 p.m., a Hampton Township officer initiated a traffic stop on Route 8 after observing the vehicle speeding and tailgating other vehicles. Upon approaching the vehicle and making contact with the operator, the driver appeared to be very nervous and was unable to follow basic requests. During the traffic stop, the driver was found to be in possession of drugs and paraphernalia.

 On June 3, 2018 at 10:36 p.m., a Hampton Township officer initiated a traffic stop on Bella Vista Drive after observing that the vehicle's registration plate was expired. Upon making contact with the driver, the officer detected the odor of marijuana emanating from the vehicle. When advised of the odor, the operator handed over a bag containing drugs and

### DUI/ Drug Arrest

 On June 1, 2018 at 5:39 p.m., Hampton Township Police received a traffic complaint through dispatch regarding a vehicle being operated by a possibly intoxicated driver. Officers were able to intercept the vehicle, and observed it almost strike another vehicle. Upon initiating a traffic stop on the vehicle on Route 8, the officer asked the driver for a driver's license, proof of insurance, and a registration. The operator had trouble retrieving the requested documents. The operator was observed to have pinpoint pupils, and slurred speech. The operator failed to complete field sobriety tests as had been explained and demonstrated and was placed under arrest for DUI. The operator was also found to be in possession of drugs.

### Single Vehicle Accident/ DUI Arrest

 On May 12, 2018 at 8:04 p.m., Hampton Township Police responded to Richland Road for a single vehicle accident in which the sole occupant was said to be unconscious. Upon the officer's arrival, the vehicle was located off of the roadway, after it had driven over bushes, and sheared off a gas meter, creating a gas leak. People's Gas was notified to respond to the scene. Upon making contact with the operator and sole occupant, the first officer on scene observed the operator attempting to open a half empty bottle of whiskey that was within the vehicle. The operator showed visible signs of impairment and was subsequently placed under arrest for DUI. The operator was transported to the hospital by ambulance.

### Property Damage/ DUI Arrest

 On May 16, 2018 at 9:08 p.m., Hampton Township officers responded to Chardonnay Circle for a hit and run that had just occurred. The reporting party stated that a vehicle had just struck their vehicle, which had been legally parked on the roadway. The responding officer encountered a vehicle matching the description as he was approaching the accident scene. The vehicle had damage conducive to the reported vehicle accident. Upon conducting a traffic stop on the vehicle, the operator showed visible signs of impairment and the officer detected the odor of an alcoholic beverage emanating from the vehicle. The operator was asked to submit to field sobriety tests, which she was unable to complete as had been explained and demonstrated and was placed under arrest for DUI.

### Vehicle vs. Motorcycle Accident

 On June 16, 2018 at 9:41 p.m., Hampton Township Police were dispatched to Route 8, at McNeal Road, for a vehicle versus motorcycle accident. Upon arrival, the operator of the motorcycle was observed to be lying in the roadway with a compound fracture affecting one leg. The operator was transported by ambulance to the hospital. Two witnesses and the involved parties stated that the motorcycle was traveling northbound on Route 8, when the other vehicle attempted to

Please note the library will be closed July 3<sup>rd</sup> and July 4<sup>th</sup>!

**Libraries Rock... READ!** You can still join in the fun of Summer Reading Club! There's something for everyone! Babies through adults can "rock" the summer away reading! There will be prizes and programs for everyone to join in!

The programs are simple: read books, get raffle tickets, win prizes! Winners for all 3 programs will be announced **Tuesday, August 14<sup>th</sup>, 2018**. To help encourage children and young adults to read, we will also be offering a variety of programming related to the summer themes. Please check our website for a complete listing. [www.hamptoncommunitylibrary.org](http://www.hamptoncommunitylibrary.org)

For students- if your school has asked you to read throughout the summer, please consider our program as a way to fulfill your assignment! Read one book – and it counts for both programs! At the library, magazines, books on CD, eBooks, and age appropriate books all count! If you received new books, they count too! We love when you check out books from the library, but we are happy to see you reading books from home too!

For young adults who need to fulfill **volunteer hours**, don't wait for school to start! Stop in and sign up to volunteer at the library during the summer. Those ten hours will be done before school even starts! Please call Miss Eileen for details.

The library can't wait to see you and we wish all our readers a fun and safe summer!

**Summer Hours!** Please come visit us; Tuesdays thru Thursdays – 9:30 a.m. to 7:30 p.m., Fridays – 9:30 a.m. -4:00 p.m. and Saturdays -9:00 a.m. – 1:00 p.m.

# The Skip Palmer Dugout Project Capital Campaign

The project includes, among other things, new dugouts on all three fields. Field 2 will feature the **Skip Palmer** dugouts in loving memory of Skip Palmer, who suddenly passed away in August of 2017. He was the Hampton Varsity Baseball coach for many years and most recently the Shaler Area Varsity Softball Coach. Skip was very much loved and an inspiration to all.

Field 3 will feature a dugout in memory of **Will Pilarski** and **Connor Michalek**. Will and Connor both lost their courageous battles with brain cancer at a young age. Will and Connor both loved the game of baseball and could often be seen playing ball at McCully. They will always be our “Angels in the Dugouts”.

Field 1 will feature the “**HAA Honors**” wall for anyone else who would like to have a permanent presence at the complex in recognition of a current or past player, in loving memory or tribute of someone or just to show your support of the project!

Example of “HAA Honors” Plaque to be installed on the outside wall of the dugout at McCully Field #1.

Tier Level	Tier Amount	Benefits
Hall of Fame	\$25,000+	Naming Rights of a Dugout (2 available) as well as Recognition on HAA Honors Wall
Champion	\$10,000—\$24,999	Naming Rights of Scoreboard (3 available) as well as Recognition on HAA Honors Wall
Grand Slam	\$5,000—\$9,999	Recognition on HAA Honors Wall
Home Run	\$1,000—\$4,999	Recognition on HAA Honors Wall
Triple	\$500—\$999	Recognition on HAA Honors Wall

## Blessed Trinity Academy are Diocesan Champions

by Meredith Kandravy

Blessed Trinity Academy (BTA) varsity soccer team was excited to end its athletic year as it started. For the second time this year, BTA is taking home a Diocesan Championship. This time it was earned by their coed varsity soccer team. After a tough 1-0 win over St. Peter and Paul in the semi-finals, BTA took on previously undefeated Holy Trinity on June 10<sup>th</sup>, 2018 in the championship game, which was played at La Roche College. The Bulldogs Team were thwarted in the first half on a great save of a header by Zach Katz off a pass from Matt Graper. They finally broke through on a 25-yard shot by Trip McSorley that sealed the 1-0 win with 4 minutes remaining.

It was an outstanding season for the Bulldogs, who won their section with an overall record of 7-1. The team went 7 straight games without having a goal scored on them. In total, the team only had 4 goals scored on them the entire season! This helped them secure the number one seed going into the playoffs.

BTA was established in 2017 with the merger of the parish schools of St. Bonaventure, St. Mary of the Assumption, and St. Ursula. Blessed Trinity Academy is located at 2510 Middle Road, Glenshaw, PA 15116.

# “Hit-A-Thon Contributed to Dugout Project

by Roberta Schwartzbach

**A** way to earn money for a worthwhile cause while allowing kids to play a sport they love? That was the concept behind this year’s inaugural Hit-A-Thon fundraiser for HAA. Mike Dolinger, VP of Fundraising, heard about a similar fundraising idea in California and adapted it for Hampton. The basic idea is that youth baseball players collect pledges per hit. Then on the day of the event, each athlete gets 10 pitches. The number of hits multiplied by the pledge per hit equals the amount earned. This was a unique way to raise money because it included the kids, too. While past events such as Night at the Races and a partnership with the Pittsburgh Pirates have also been successful, this time the kids got to participate in an all-day event and cheer for their teammates. According to Mr. Dolinger, it also took away the boundaries of only involving people in Hampton or in

Western PA. Because the pledging is done on a website, players could contact family from out of state to also be involved. In the first year for this particular fundraiser, the HAA raised over \$13,000, an amount that well exceeded expectations.

The goal for the HAA is to build new dugouts at McCulley Fields as part of the Skip Palmer Dugout Project. The dugouts have already been approved and construction is set to begin in July. With a date set for a dedication event in September, these dugouts should be complete in a few short months.

Prizes were awarded to both individuals and teams who raised the most money.

### Individual winners:

**First place:** Alivia Hanna. Alvia will receive four tickets to a Pittsburgh Pirates game plus field passes. Alivia is the granddaughter of Skip Palmer, making this an even more special honor.

**Second place:** Declan Nolan. Declan won the honor of throwing out the first pitch at a Washington Wild Things game as well

as being invited to sit in the dugout with the players for an inning.

**Third place:** Aiden Russo. Aiden will receive a brand new baseball glove, donated by A-1 Glove Repair.

### Team winners:

**First place:** Mustang Team Eichas by raising over \$2000 this team wins a team visit to Urban Air.

**Second place:** 8U Softball Team Catone. For their prize, the team gets to choose designing their own donuts at Amazing Glaze or making their own pizza at Pasquale’s Pizza.

**Third place:** Shetland Team Bordonado will get to experience whichever prize Team Catone does not select.

Thank you to everyone for helping to create a unique and enjoyable experience for the kids and the whole community!

## Hampton Boys Take Northern 6 League Tournament Championship

The Northern 6 league is a community baseball group consisting of teams from the Pittsburgh area, ages 10 and under. After the regular season, teams are placed by seed into a small one day tournament. On Father's Day, Hampton played Moon in the first round. Hampton fell behind early (6 to 1), but with a great team effort, they managed to come back and take the lead 8 to 6. Moon then battled back to tie the game 8 to 8, but Hampton was able to secure the victory in the last inning on a walk off single! In the finals, Hampton played Keystone Oaks and started off on fire leading 7 to 0 in the first inning. Hampton managed to hold off a valiant comeback effort from Keystone Oaks to win the game 18 to 9.

# Connor Michalek Remembered by His Friends and Classmates

by Gail Scott

Connor Michalek lost his battle with medulloblastoma in 2014, but his class-

mates are honoring him as they graduate from Wyland Elementary. In 2014 his classmates planted a tree in his memory that has grown tall throughout the years. This spring, each classmate painted a special stone to place under his tree and purchased a paver stone at the high school in his honor. Connor's classmates are gradu-

ating from 5<sup>th</sup> grade this year and will be attending Hampton Middle School in the fall.

Connor was a huge WWE fan, and the WWE bestowed Connor with the honorary name of "The Crusher". He was able to meet Daniel Bryant who was his favorite wrestler. The WWE posthumously in-

## Presenting The Hampton High School Class of 2018 Graduates!

by Gail Scott

It was a warm summer evening for Hampton's Commencement Ceremony on June 7<sup>th</sup> at Fridley Field. Some years, rain has forced the ceremony indoors in the high school auditorium but the weather was perfect for this year's outdoor graduation service. The students entered the stadium in a long procession of blue and white robes as friends and family members applauded.

The commencement ceremony began with music including *America The Beautiful* and *The Star Spangled Banner*. Senior Class President Jessica McGinley welcomed the

graduates and the audience. Next, the Distinguished Alumni Award was presented to Frederick M. Andreas (1971). After high school graduation, Mr. Andreas studied Biology at the University of Pittsburgh and the University of Colorado and later went on to obtain a Masters Degree in Design Studies from Harvard University. He has achieved numerous awards, hon-

ors, published works, awarded grants, and many speaking engagements throughout his extensive career.

Two senior class members addressed speeches to the gathered group of students and the audience. Senior Stephen G. Andrews gave the first speech titled "Life Works in Pairs". He was followed by senior student Matthew W. Bagley with his speech titled "A Greater Generation".

Then, Hampton Superintendent Dr. Michael Loughhead presented the class of 2018 to the gathered crowd. The presentation of academic recognition was given by high school principal Dr. Marguerite Imbarlina. Then came the moment that everyone was waiting for, the presentation of diplomas. When the diplomas were dispersed, the gathered crowd stood and raised their

## Depreciation Lands Museum

### Museum Celebrates 45<sup>th</sup> Birthday

by Gail Scott

Come out and enjoy an old fashioned Ice Cream Social at the Depreciation Lands Museum on July 15<sup>th</sup> from 1-4PM. In years past, an ice cream social was an opportunity to relax the social code and visit with friends and neighbors. Enjoy the peaceful atmosphere and help celebrate the museum's 45<sup>th</sup> birthday with a piece of cake. Ice cream and lemonade are complimentary with your paid admission to the museum on July 15<sup>th</sup>.

Enjoy a day of treats, special demonstrations and hands-on activities. Let special music take you back to colonial times with The PHMS Orchestra and the Wayward Companions. PHMS is short for the *Pittsburgh Historical Music Society* and performs late 18<sup>th</sup> and early 19<sup>th</sup> century music. The *Wayward Companions* performs music that transports their audiences back to the taverns and parlors of the 18th century, performing instrumental and vocal selections in a style that would have been familiar to Washington, Jefferson, and their contemporaries.

Take time to visit the "Fleece to Shawl" demonstration, presented in collaboration with the Butler Spinners and Weavers Guild. A recently shorn sheep fleece will be spun into yarn, and woven into a lovely shawl, all in the space of the afternoon. Purchase a raffle ticket for the handmade shawl. The lucky winner will be chosen at the Hydref Fall Festival in October. As always, there will be the savory scent of woodsmoke from the cooking and baking in the Armstrong's log house and treats from the bee-hive bake oven.

Event Admission is: \$5/Adults, \$3/Children & members. The museum is located at 4743 S. Pioneer Rd. For more information e-mail [DLMuseum@gmail.com](mailto:DLMuseum@gmail.com) or call 412-486-0563 and leave a message.

## Middle Schooler's Contest Finalist Will Have Play Produced

by June Gravitte

Hampton Middle School student, Emily Hodil was selected as one of six finalists, out of over 400 competitors, in the annual EQT Young Playwrights Contest for her play titled, "I Promise". The plays were judged by a literary panel of 45 readers nationwide. She will receive a professional production of her original one-act

Emily Hodil

play during the EQT Young Playwrights Festival, running October 16<sup>th</sup>-October 27<sup>th</sup>, 2018, in the Lester Hamburg Studio at City Theatre.

The play was one of Emily's first assignments in the creative writing class taught by Mrs. Cupps. The students worked on the assignment for at least a month, and then submitted to the contest in March. The Young Playwright's Contest is based in the Pittsburgh area, but it's open to anyone in grades 7-12 in Western PA and Northern WV. Emily's play,

"I Promise" is a comedic half-fantasy with relatable characters. She noted, "This was my first time competing in the contest, and I'm honestly thrilled to have won and excited to work on it with professionals from the City Theatre Company."

"We were truly impressed by both the quality and quantity of plays we received in the contest this spring," said Ms. Link, Director of Education & Accessibility at City Theatre. "All of the student writers should be commended for their bravery and imagination. I cannot wait to challenge and entertain Pittsburgh audiences with the exciting plays they've created."

Public tickets will go on sale July 30<sup>th</sup>. City Theatre, located in the historic South Side, is entering its 44<sup>th</sup> season. Called "Pittsburgh's most innovative theater company," by the New York Times, City Theatre's mission is to provide an artistic home for the development and production of contemporary plays of substance and ideas that engage and challenge a diverse audience. ## Help to Pack 100,000 Meals for Serve Day

Allison Park Church (APC) in partnership with Network of Hope, will host Serve Day, a service campaign to impact local Pittsburgh communities and beyond, on July 14<sup>th</sup>, 2018. APC leadership, staff, and congregants will serve their communities through service projects at campus locations in Hampton Township, Deer Lakes, Ambridge, Butler and Ohio Township.

At the Hampton Township location, participants will package 100,000 meals in partnership with Rise Against Hunger. The meals will be sent overseas to the world's hungriest. Other projects include creating teacher survival kits for local educators, providing free oil changes for single-parent families, and participating in rehab and beautification projects.

"APC is a church that serves. Giving to others and serving our communities is part of our DNA," says Jeff Leake, Lead Pastor of APC.

More than 1,000 individuals are expected to participate in this year's Serve Day.

"Serve Day is a day where we will reach thousands of people in our communities and across the world

with the love of Christ in real and tangible ways," says Julie Mikus, Network of Hope Program Director. "It is a way for us to simply love people through acts of service. It is a great project, because any person can participate, families can serve alongside each other, and we can all contribute to making a difference in the life of another."

## Griffith Places Second at Carnegie Science Center's Science and Engineering Fair!

**J**ohn Griffith, eighth grade student at Aquinas Academy of Pittsburgh, was awarded Second Place - Intermediate Division (7<sup>th</sup> - 8<sup>th</sup> grades) at the Carnegie Science Center's Covestro Pittsburgh Regional Science & Engineering Fair on March 23<sup>rd</sup>, 2018 at Heinz Field. Griffith's project was titled "Soundwave Obstruction - Is CO2 Behind It?"

"I am very proud of John's results at the COVESTRO Fair," said Dorina Manolache, physics teacher, Aquinas Academy. "His highly creative project revealed an awareness of the fragility of the environment beyond his years. Knowing him, I am sure that this is just a sign of things to come. His curiosity, persever-

ance, and love of science are sure to lead him to many more accomplishments."

More than 1,000 students from more than 100 schools across western Pennsylvania and Maryland competed for \$1,000,000 in cash prizes and scholarships this year at Carnegie Science Center's Covestro Pittsburgh Regional Science & Engineering Fair. Also competing from Aquinas Academy were eighth grade students Rosemary Kenny and Celina Whitmer.

John Griffith and other selected middle school winners have been nominated for the Broadcom MASTERS competition.

### Hemlock Groove Concert Series Returns

by Gail Scott

This summer marks another season of the Hemlock Groove concerts at the Hartwood mansion at Hartwood Acres Park. The outdoor concerts will be held under the new metal and glass pavilion behind the mansion.

The band *Good Brother Earl* will perform on Thursday July 12<sup>th</sup> beginning at 6:30 p.m. On August 16<sup>th</sup>, the concert will feature the *Buckle Downs* who play soul rock music. Both are local Pittsburgh bands.

The Friends of Hartwood are sponsoring the concerts, and a suggested donation of \$5 a person will go to help preserve and restore the buildings and grounds of Hartwood Acres. Kids are free and dogs on

leashes. All welcome to join the fun. Food and drinks are permitted.

Please use the Saxonburg entrance. Parking is available in the lots near the Mansion. The music begins at 6:30 p.m.

turn left, while traveling southbound, which resulted in the collision. Both vehicles were towed from the scene.

## Vehicle Accident

🚚 On May 10, 2018 at 4:58 a.m., Hampton Township Police responded to Route 8, near Anderson Drive, for a single vehicle accident. Upon arrival, officers located a box truck that had driven off of the roadway, split a utility pole, and crashed into a tree. The operator was transported to the hospital by ambulance.

🚚 On June 1, 2018 at 10:29 a.m., a Hampton Township officer came across a two-vehicle accident on Route 8. The accident occurred when the operator of one vehicle attempted to make a left from the northbound passing lane of Route 8, entering the path of an oncoming southbound vehicle. The operator stated that they were waved on by another vehicle operator who was in the southbound passing lane and did not see the third vehicle traveling south in the curb lane. One vehicle had to be towed from the scene due to extensive damage.

🚚 On June 11, 2018 at 5:10 p.m., Hampton Township officers responded to Route 8, near Eat N' Park for a two-vehicle accident. Upon arrival, both vehicles were observed to have severe damage and one operator complained of pain. Both operators stated the same series of events. One operator was traveling southbound on Route 8 when a vehicle, which was traveling northbound, attempted to turn left into a business parking lot. The operator claimed that they did not observe the other vehicle traveling south, and proceeded with the turn, which resulted in a collision. Both vehicles had to be towed from the scene due to extensive damage.

## Suspicious Incident

🚚 On May 13, 2018 at 12:49 a.m., Hampton Township Officers responded to a residence on Mount Royal Boulevard for a possible burglary in progress. Upon arrival, the responding officers were advised that the homeowner's children had heard what sounded like footsteps within the home followed by the family dog incessantly barking. While officers cleared the residence, they located the family dog in a closet, with an empty "flaming hot Cheetos" bag stuck on the dog's head. The officers did not locate anyone within the residence and concluded that the strange sounds were likely all resulting from the family dog's plight.

## Traffic Alert - State Roadway Paving Projects began on June 25<sup>th</sup>

🚚 The Pennsylvania Department of Transportation will commence with their road paving projects in the township. State roads to be paved include: West Hardies, East Hardies, Wildwood/Sample, and Wildwood Road. The work includes milling, drainage and base repairs, and paving. Due to the high traffic on these roadways the work between 6:00 p.m. and 6:00 a.m. will be necessary at times. It is expected that this project will continue through late September/early October. Traffic delays are expected. *end*

funded by a DEP grant for \$85,000. Most of the work was done in February and now only some riparian planting remains to complete the project. Trail improvements including 3 bog bridges, block stairs, and a new entry were financed by a grant from Allegheny County Regional Asset District. Work was done by LandForce, a Pittsburgh based non-profit that develops

job skills in unemployed youth through the means of trail building. But visitors still need to step on rocks to cross the stream! On July 14<sup>th</sup>, to mark the reopening, PCLCT will be providing nature walks, activities for children including stream dipping, and light refreshments. Also there will be a raffle with chances to win a Penguin Encounter at the National Aviary, a garden design consulta-

tion, and native plants and trees. The location is in the gravel parking lot off Wildwood Road (by the now closed Tuscan Inn). The program will run from 10 to noon. If you have questions contact PCLCT at [pclctrust@gmail.com](mailto:pclctrust@gmail.com) or Liz Spence at 412.487.1798.

## Local Municipal Police Officers Receive Valuable Crisis Training

by June Gravitte

In May, thirty-eight police officers from surrounding communities attended a four hour/credit Enhancing Crisis Intervention Skills class sponsored by the Hampton Township Police Department. The class was certified by Municipal Police Officers Education and Training Commission (MPOETC) so officers could get 4 hours credit toward their certification. Under Act 120, officers are required to attend two days of updates each year to keep his or her certification. The emphasis of the class was on crises management skills when dealing with individuals suffering from mental health disorders. Laws governing mental health were also addressed. The class was presented by Dr. Yvonne Eaton-Stuff, a professor at Slippery Rock University. Hampton Township Police

Chief Tom Vulakovich noted, "When I spoke with the other Chiefs about Hampton sponsoring this training, each felt that it was needed due to the difficulties faced by police when dealing with people who have a mental health disability. I felt this topic was extremely important to officers who routinely deal with citizens with mental health issues."

The goal of the class was to provide responding officers a better understanding of mental health crisis issues and the tools needed to resolve them. It addressed concepts to enhance an officer's intervention skills in an area that is sometimes difficult to resolve due to the mental health aspect. Key concepts and topics included: Identifying challenges of crisis situations; risk assessment to officers and others; enhancing listening skills, mental health law; recognizing symptoms of mental illness; depression; suicide;

and bipolar disorder. "Officers who attended the training stated it was very informative and provided them with a better understanding of the issues when dealing with people and mental health related calls" noted Chief Vulakovich.
