Hands on Criminal Justice Program for Students

by Gail Scott

The West Deer Township and Hampton Township police departments have teamed up to form a program for teens in the area who are interested in pursuing a career in law enforcement and criminal justice fields. Known as the North Hills Law Enforcement Explorer Post, the program is affiliated with the Boy Scouts of America.

The program is designed for boys and girls ages 14-18 who live in the Townships of West Deer, Hampton, East Deer, Frazer, Indiana, and Richland. The goal is to educate students on law enforcement and the criminal justice system, while allowing them to gain first-hand experience. The students will be exposed to law enforcement procedures, emergency medical treatment, the court system, and other aspects of the criminal justice and public safety systems.

An open house was held on February 1st, 2018 to explain the program. The township law enforcement officials were very pleased with the number of youth who attended. As of February 22nd, 17 boys and girls had signed up as members. The group meets the 2nd and 4th Thursdays of each month, and applications are accepted year-round. If you would like to join or inquire about the program you can contact: Officer Ed Newman of the West Deer Township Police Department, 724-265-1100, Ext. 310, Chief Jon Lape at 724-265-1100, Ext. 301 or Officer Sarah Hoffman of the Hampton Township Police Department at 412-486-0400, Ext. 348.

Taste of Hampton

by Gail Scott

The 2nd annual "Taste of Hampton" event was held on Saturday, February 10th to a large crowd of over 200 people. The classic rock sounds of the Austin Drive band flowed through the Hampton Community Center and kept people dancing throughout the event.

Many local restaurants wowed the crowd with delicious donated entrees, appetizers, and desserts. There was so much food this year and the attendees kept coming back for more. This HCA fundraiser supports the new trail system. The new trail will run through the Hampton Community Park and near the new playground.

Participating sponsors who took part in a Taste of Hampton were: The Hartwood Restaurant, Il Pizzaiolo, LeDonne Catering, Messina's Pizza, Pasquale's Pizzeria, Primanti Brothers, Wagner's Market, A Fare at Home, Amazing Glaze, A Sweet Morsel Co., Atria's, Caliente Pizza & Drafthouse, The Clubhouse, and Giant Eagle - Shaler.

The Hampton Community Association wishes to thank all the restaurant sponsors, the Austin Drive Band, the guest bartenders-Mike Peters, Dr. Mike Mooney, Darryl Fabian, Bryant Wesley, Hal English and Denny Schlegel and all the attendees who attended this awesome event. The HCA is continuing to raise funds to make this new trail system a reality soon. The next event will be the Community Easter Egg Hunt on March 31st, see page 17 for details.

Kanlaya Thai Kitchen Opens of Rt. 8

by Gail Scott

Kanlaya Thai Kitchen opened on Route 8 this fall and they have quickly become a hit with the local community. They serve traditional Thai food with many choices of entrees, appetizers, soups, salads, noodles, curries, rice entrees, desserts, and specials.

The restaurant has a nice comfortable decor for dining inside but Kanlaya also has a large following for take-out orders. They are open 7 days a week for dinner, and every day for lunch except on Monday. The hours do vary each

day so call or check out their website.

The Thai restaurant is run by a family with over 20 years of experience in food service. They came to the U.S. from Thailand 8 years ago and this is their first time owning their own restaurant. Kanlaya means beautiful individual or flower, but the restaurant is actually named after their owner, named Kanlaya. When I asked them to tell me their favorite dish, they responded that it is impossible to choose because they are all their best dish!

Kanlaya is located at 4779 William Flynn Highway, Allison Park. Phone # 412-213-3800. website www.kanlayathaikitchen.com. Be sure to stop in soon for lunch or dinner!

A Day of Mentoring with the Pitt Panther Cheerleading Squad

Pitt had a cheer day where cheerleaders from the Pittsburgh area cheered with them for a Pitt basketball game. There was a two hour long clinic before the game and then they cheered on the sidelines during part of the game. It was a fun experience for all the Hampton Middle School girls especially Marissa Martinowski. She mentioned, "My favorite part was cheering in front of such a large crowd and seeing all of us on the Jumbotron". Kendall Pryal was most excited to actually experience a day in the life of a Pitt Panther cheerleader.

Competitive Cheer Ranks Nationally

by Gail Scott

The Hampton High School Competitive Cheer Team competed at the National High School Cheerleading Championship in Orlando Florida on February 10th and 11th. Hampton competed in the Small Varsity 2 division of the tournament, which is highly competitive. After making through the prelimi-

nary rounds, Hampton delivered a fantastic performance in the finals and placed 14th in the nation.

This was the team's third time attending this competition although the team has only existed for five years. This was their last competition of the 2017-2018 cheer season. Team coach Amanda Kerestes said, "I am so proud of the girls for making it all the way to the finals this year in one of the most competitive divisions at Nationals. They hit three good routines in Florida and they have come so far since the beginning of the season. I cannot wait to see what next season brings! I am sad to see this routine come to an end as it is my favorite routine we have ever put forward in competition."

High School. It is a great winter sport that spans 10 weeks from the 1st week of December through the middle of February. Coach Thomas points out some of the benefits, "There is not a huge time commitment for the members with only 1 practice on Tuesdays and 1 match on Wednesdays throughout the season. Also, you do not have to already know how to play – we will teach you. Finally, if you join then you are automatically put on the team!" Hampton High School junior Garrett Thomas attended the WPIBL Singles Championship on February 21st, where he qualified to participate in the Western Pennsylvania Regional Championships on March 9th. He placed 16th out of 116 students!

A Bright Future for Hampton Basketball

Coached by Matt Mignogna, Geoff Long, and Scott Andrews, the Hampton 6th grade boys started their season the first weekend of November at the Hampton Tip-Off Tournament, where they took second in the tournament, losing to Pine-Richland 33-31 in overtime. The following weekend, they played in the Kiski Area tournament. In the championship game, they played Franklin Regional and were down by three and forced it to overtime with a 3-pt buzzer beater, shot by Peter Kramer. At the end of overtime, Brady Long made a 2-pt buzzer beater to win the game 38-37.

In January, the boys went on to win the Chartiers Valley tournament, beating St. Killians 41-25 in the championship game. At the beginning of February they played in the Franklin Regional tournament, and fought back from a 15-point deficit in the semi-final game against Penn Trafford. They forced the game to overtime and won that game to take them to the championship against Franklin Regional. In the championship game they never gave up the lead and beat Franklin Regional 34-24. They just ended their season this past weekend at the Mars Scott Lang Memorial Youth Tournament. They went into the championship game undefeated as the overall number two seed and unfortunately lost to the number one seed North Hills 54-52.

In addition to the great tournament run, the boys had a winning regular season at the Pine Richland Youth Center league. They also had a fantastic opportunity to play at the Petersen Events Center against their friends on the other 6th grade basketball team during halftime at a Pitt basketball game on Saturday, December 16th. To top off that amazing opportunity, they also had the chance to meet and talk with current Pitt basketball player and Hampton alum Ryan Luther after the game.

Lewd Acts

On February 2, 2018 at 10:10 a.m., a Hampton Township officer responded to the parking lot of a business on Route 8 after a complaint was filed involving an occupied vehicle at that location. Upon the officer's arrival, the vehicle's occupant was found to be performing lewd acts within the vehicle. Associated charges were filed on the vehicle occupant.

Hit and Run

On January 28, 2018 at 8:24 p.m., Hampton Township officers responded to Apple Ridge Drive for a hit and run report. Upon arrival, officers spoke to the reporting party, who stated that their vehicle had broken down in the roadway down the street from their residence. They parked the van where it had stalled out, and while they were away from the car briefly, it was struck by an unknown vehicle. The accident caused disabling damage to the passenger side front tire and wheel well area.

Single Vehicle Rollover/DUI/Drug Arrest

On January 30, 2018 at 12:12 a.m., Hampton Township officers were dispatched to a single vehicle rollover accident on Duncan Avenue. Upon arrival, the responding officer verified that no injuries were being reported, and both occupants were out of the vehicle. The driver stated that the accident happened as a result of the vehicle sliding off of the roadway due to icy conditions. The vehicle in question had the odor of marijuana emanating from it. The operator was subsequently placed under arrest for suspicion of DUI, and during the investigation, the occupants were also found to be in possession of drugs and paraphernalia.

WPIAL Basketball Championships

by June Gravitte

Congratulations to the Hampton Boys' and Girls' basketball teams. Both teams qualified for the WPIAL Championships this year!

The girls played on Friday, February 16th beating Connellsville 51-26. Senior Layrn Edwards scored 24 points in the game. They advanced to the quarter finals on Saturday, February 24th versus Mars. Coach Anthony Howard reported, "Unfortunately we lost today 48-41. Still, the team had a very successful regular season with an 18-4 record. They were 11-1 in the section and won the section title." Laryn Edwards averaged 22 points per game, Ali Collins averaged 20 points per game, and Brooke Fuller averaged 9 rebounds per game. Sophomore Maddie Long commented, "It was so much fun being a part of the varsity team this year with 6 seniors to cheer on!"

The boys beat Gateway, 52-50 on Tuesday, February 20th, advancing them on to the quarter finals. Senior, Adam Bittner scored 20 points in the game. The quarter final was played on Friday, February 23rd versus Mars. Unfortunately the team was defeated 72-51. Sophomore Isaac DeGregorio stated with much insight, "We were a young team, but we worked to improve the whole season. We dealt with a lot of injuries down the stretch, but we got some key wins that enabled us to qualify for play-offs. The playoffs are always tough and of course it's hard to lose, but even a loss is an opportunity to learn and get better for the next season."

The Fastest Game on Wheels

by June Gravitte

There are 5 In-Line Hockey teams in Hampton Township. The elementary team is headed by head coach Joe Pascucci and assistant coach, Steve Valenza. This team just was eliminated in semi-finals after a great season. They finished the season overall 6-12-1, playing in the top division. So it was truly a great year!

The middle school team is coached by Rick Yobbi and assistant coach, Steve Hurst. This team is currently in the semi-finals with the deciding game on March 3rd. The winner moves on to the championship. The middle school team's overall record is 10-7-1, with at least one more game to come, but hoping for more. This team also played 1 top division.

HS 4 is headed by coach, Tom Sullivan and assistant Paul Schwerer. This team made it to the quarter finals of playoffs before losing to the top team, and undefeated team. They had an impressive season as well, finishing 9-8.

HS 3 is coached by Nate McCollum and assisted by Matt Radinovic and Ken Kroneberg. This team is currently in the championship series, up 1 game to none, with game 2 next week. They are 1 win from being the champions! They are having a phenomenal season so far with a record of 15-2-2-1, with hopefully one more win to come!

V1 is the top high school team that is headed by coach Paul Schwerer, and assisted by Dave Beam and Rick Yobbi. This team lost in the quarter finals, but had a magnificent season, finishing 10-7.

Coach Rick Yobbi has been with the program now for 7 years. The season starts around September, and runs until March with playoffs. The season is 16 games, and then playoffs are held. There is also a beginning of season mini-tourney to place the teams. Other schools that have teams include: Shaler, Pine Richland, Senaca Valley, Canon Mac, Penn Trafford, Hempfield, Upper St Clair, Norwin, Butler, North Allegheny, West Allegheny, Bethel Park, and others. Yobbi states, "It is a great sport, filled with wide-open, fast-paced and end-to-end action! Once kids try it, they love it!" He also wants to let all Hampton students know that they are in need of players at the elementary (grades 2 – 6) and middle school levels (grades 7 – 8) They will be holding an open skate on March 9th.

Cooking Classes

Open Hearth Cooking Class Sat., April 21st 10:00 a.m.—4:00 p.m.

Bee Hive Bake Oven Class Sat., May 19th 10:00 a.m.—4:00 p.m.

Cooking over an open fire? Of course! In April, you have the chance to learn how to make a terrific meal over an open fire! While today's meal will focus on 18th century foods, what you can learn can be applied to any era. Beginning with the making of the fire, you will be expertly guided to prepare the mid-day meal, recalling the days when the fireplace served as both heat for the home and the center of the kitchen. Cooking at the hearth is not limited to stew and soup! You will make breads, meat dishes and of course desserts! The day is completed by sharing the meal you have prepared.

In May, you will have a chance to find out how to make an entire meal in a Bee Hive Bake Oven. Classes are open to teens, 14 and older, and adults.

Children's Heritage Day—Sunday, May 6th from 1:00 p.m.—4:00 p.m.

Rain or shine, there will be plenty to do! This is a very special family oriented day filled with story tellers and hands on activities. Children's Heritage day is a chance for both today's and yesterday's children to reconnect with the "pass times" of past times. For this day, you can go to school in a one-room schoolhouse, play games, visit the blacksmith and help your family with needed tasks such as gathering wood, carding wool and grinding corn. For more information email DLMuseum@gmail.com or call 412-486-0563 and leave a message.

Nice Work If You Can Get It

by Gail Scott

The Hampton High School Drama Club is excited to be performing "Nice Work If You Can Get It" as their spring musical in April. It is a newer musical that premiered on Broadway in 2012. According to director and producer Dan Franklin, "The show comes across as a musical written during the Golden Age of the American Theatre, with its library of all-Gershwin songs that are sure to be recognizable favorites for the audience. It pays homage to those musicals that our parents grew up with; it's a fresh spin on a timeless era of theatre."

The show will run April 13th-14th and 20th-21st at the HHS auditorium. Tickets will go on sale on March 6th. They can be purchased at: <https://hhsmusical.wikispaces.com/TICKET+ORDERS> or they can be purchased at the box office on nights of the show.

Senior Tyler Anderson plays the lead role of Jimmy Winter. Says Tyler, "I would say Jimmy Winter is a very dynamic, interesting character to portray. I enjoy the troubling conflicts that Jimmy finds himself caught up in." Tyler also adds that he fell in love with the music the moment he heard it. He says, "The choreography in the show is challenging but stunning." Senior Caroline Collins portrays Billie Bendix, a tough female bootlegger who meets Jimmy the weekend of his wedding. Caroline says, "It is one of those shows that has so much to offer the audience. It will make you cry and laugh. The attention to detail and timing is what will make this show so different from any other. This company is ready for this challenge; I hope the audience is!"

Jennifer Lavella is the musical's co-director and choreographer. "This year's show can't be missed! Our scenic and costume designers continue to outdo themselves every year. They are busy making the art deco and flapper styles of the 1920's come to life! The dancers are incredible and will take the audience's breath away. In my nine years at Hampton, this will be the first high school show that has every cast member tap dancing, and since tap is my personal favorite form of dance, I couldn't be happier! I know this is going to be a fun show that will make the audience want to dance and sing along!"

Over 100 students will be working on this show, including actors, set designers, costumes, orchestra, stage crew, and directors. They are behind the scenes working hard to make the show spectacular. Dan Franklin knows how talented these students are, saying, "I'm extremely excited to be working on this production with these students. Hampton's Performing Arts students are the most passionate and driven students I've ever worked with; they don't shy away from challenging material and find the true enjoyment in the hard work that comes with productions like this."

Girl Scout Day Camp 2018

By Gail Scott

An exciting Western Round-Up theme is planned for the Hampton Girl Scouts this summer. Girl Scout day camp will take place at the Hampton Community Park pavilions on June 13th, 14th, and 15th from 9AM-3PM.

All camp activities will have a western theme including crafts, outdoor activities, and outdoor cooking with self-prepared snacks daily. The scouts will dress up in western clothing for an antique photo. Some age groups will participate in archery provided by Bucks and Bows Archery. Sastre's Martial Arts will also be coming to camp to teach some self-defense instruction. Girls in grades 4 through 12 will have the opportunity to go kayaking and attend an overnight where they will make dip candles. Dance instructors from Dance Unleashed Dance Studio will be there on Friday to teach square dance lessons to the scouts. The Girl Scout Shop will also be open on Friday.

Each year the scouts choose a charity to support. This summer they will support Soles for Jesus. This will consist of donations for new and used shoes for Africa and local shelters. There will be more information about this at camp.

The camp is primarily run by 8th - 12th grade or older Girl Scouts. They incorporate all the values of scouting. The day camp needs more adult parents/guardians to volunteer to help make the camp run. Please sign up to make this event memorable for the younger scouts! Go to the Hampton Township website for more information about the camp and to sign up. The event will be on the website soon. <http://www.hampton-pa.org/>

Local Fish Fries

by June Gravitte

Friday fish fry events during Lent draw thousands of hungry customers to Hampton and its vicinity. Joanne Giovannini, Fish Fry coordinator for St. Catherine of Sweden Church, explains, "The church began holding the fundraiser over 22 years ago to raise funds to build the existing 'new' church. Now the funds are used to maintain the buildings and make improvements." Planning for such an undertaking begins mid-December and volunteers are recruited in early January. It takes about 80 volunteers each Friday and 20-25 on Thursday evenings to run the event. St. Catherine is one of the only fish fry events in the area to serve the food to the patrons – they do not do "cafeteria style." Fish Fry gatherings in Hampton and surrounding area include:
