Socks With a Mission

by June Gravitte

This past winter, Senior Seton Hill University student Megan Maers, started a social action project called “Socks with a Mission” for her Senior Seminar Class. Teens Competed for Best Pizza/Burger Title

by Gail Scott

Three local young men are making their mark on the culinary world and the surprising thing is that they are still in high school. Perry Bogacz, Alex Levine and Justin Hansen competed in late February at the Mid-America Restaurant Expo in Columbus, Ohio.

Perry Bogacz, 18, is following in the footsteps of his father Nick Bogacz who is the owner of Caliente Pizza & Draft House. Nick claimed the title of Best Pizza in America at the World Pizza Championship in Parma, Italy last year. Perry was excited to compete in the Pizza Pizzazz tournament where he made his creation of "The Polish Hill" pizza which incorporated many items including homemade pierogies. This was his first Mid-American Expo and he hoped to bring home another Bogacz family victory. Perry is the manager of the Caliente Pizza Monroeville location as well as attending high school full time.

Alex Levine became friends with Perry when they met in second grade. Alex is a manager at Caliente's Hampton location and took home 2nd place in the largest dough stretch competition at the US Pizza Team Trials last year. He competed at the Expo making his "Down on the Farm" pizza which included smoked brisket, cheddar cheese, and many additional items.

Justin Von Hansen, 16, was one of the youngest competitors at the Expo and participated in the Burger Battle. He

Suspicious Incident/Drug Arrest/DUI Arrest/Vehicle Accident

 On January 23, 2020 at 8:10 p.m., a Hampton Township officer observed a vehicle traveling on Route 8 that appeared to be having difficulty staying in its own lane. Upon the officer's arrival, the vehicle operator was found to still be inside the rolled vehicle. The officer immediately detected the odor of an alcoholic beverage emanating from the vehicle. The operator was able to exit the vehicle and showed visible signs of impairment. The accident was said to have occurred when one vehicle was stopped in the traffic lane, waiting for another stopped vehicle, when it was struck from behind. The one operator was subsequently placed under arrest for suspicion of DUI. Both vehicles were towed from the scene due to extensive damage.

someone's quality of life substantially better. From children in hospitals to homeless veterans, all could benefit from a new, warm pair of socks."

The donations were collected in a box at R.A.W. Training in Gibsonia, PA. Megan chose to donate to Veteran's Place of Washington Boulevard for her first "Mission". It is the only single-room occupancy transitional housing center for homeless vets in the region. In 1998, Post 718 purchased a parcel of run-down row houses on Washington Boulevard and 10 years and 2.5 million dollars in government/foundation grants later, the site was transformed to encompass an administration/service building with 12 townhomes that can house up to 48 Veterans at one time.

Although the donation went to Veteran's Place this past year, she plans to donate to different groups with each new mission. "Though this began as a result of a course assignment, it is something I would like to continue on with for years to come," Megan remarked.

The Weather Did Not Spoil Winterfest

by Gail Scott

There wasn't snow on the ground on February 1st but that didn't stop the festivities at Hampton's first Winterfest celebration. Winterfest was held at the Hampton Community Center with hopes for a planned sled riding party. The temperatures were cold but there was no snow for the party. Still, a large crowd of Hampton residents showed up to enjoy the many lighted bonfires and a fabulous fireworks display in the sky above the soccer fields.

The temperature didn't stop the families from enjoying gooey s'mores over the bonfires with hot chocolate. Pasquale's pizza, hot dogs, snacks, and drinks were served inside. The Hampton Community Association

(HCA) organized the event for the community's enjoyment. The Hampton Rotary assisted the HCA with the event and provided snacks and great assistance with setting up the bonfires. HCA member Hal English said, "I'm glad my vision for a community backyard get-together could be achieved and I hope it can become an annual event to look forward to in the bleak midwinter." The HCA is accepting donations for improvements to the Hampton Community park playground with hopes of adding a shade structure and other equipment.

Justin works with Alex and Perry in Caliente's Hampton store and for the past two years, has been training with his uncle, Eric Von Hansen who is Caliente's regional chef and creator of America's Best Pizza.

These 3 young men did not bring home an award, but will be a force to be reckoned with at the next competition!

3-Pointers Spark Playoff Comeback Win

The Aquinas Academy High School Girls' Basketball team, #9 seed, won their first round game in late February over #8 seed Monessen in a game for the ages, to advance to the second round of the WPIAL Class 1A Girls Basketball playoffs. After finding themselves down 13-0 in the first quarter and 17-3 at the end of the first half, they scored 19 points to bring the game

within one in the third quarter. They finished the comeback in the fourth, outscoring Monessen 31-13 in the second half, winning the game 34-30 in what may have been the best comeback in school history. Sophomore Emi Kartsonas led the team's scoring with 13, her dominating play in the second half and sophomore Laura Richthammer's three 3-pointers in the third sparked

the comeback. Superb ball-handling by freshman Bella Hite, a clutch shot off the bench by sophomore Elizabeth Hardy, a whole team effort on defense, and 3 for 3 foul shooting in the fourth quarter by sophomore Elizabeth Russell sealed the victory for Aquinas. This victory is sweet for first year Aquinas coach Chris Labakken who told his girls to "Play like you belong here on offense and have confidence and believe in yourselves." A large contingent of Aquinas fans gave the team the extra boost they needed with shouts of "DEFENSE" and timely cheering to help propel the team to victory.

In the second round of playoffs, Aquinas traveled to Sewickley Academy to take on the #1 seed Rochester. A win was not on board for Aquinas, but they still have an opportunity to make it to states. Hampton Divers Compete With the Best in the Region

by Gail Scott

Four divers competed at the WPIALS on February 22nd at North Allegheny High School. Junior Ethan Apaliski took 12th place and his brother, freshman Ryan Apaliski placed 22nd. Freshman Koda Carlaw placed 9th in diving. First year diver Annalise Craig was 25th out of 31 divers.

Koda Carlaw, 15, just started diving this year. He was a member of the Pittsburgh Northstars gymnastics team and has made nationals for trampoline and tumbling for the past 2 years. Hampton High School does not have a men's gymnastics team so with a little

convincing from the Apaliski brothers, Koda decided to try diving. He won his first meet and qualified for WPIALS. A few meets later he broke the school record and then re-broke it again at the Pine Richland meet.

Diving coach Keith Hart said he is most proud of this years' diving team with 4 divers going to WPIALS and the fact that 3 of them are first year divers. He is looking forward to the next several years as these young athletes develop. He sees a bright future for the Hampton Diving Team.

Sensational Sensations!

by June Gravitte

The Sensations Marching Unit of Glenshaw, PA is comprised of baton, flags, fire twirling teams & winterguard teams. It began with six majorettes called the Show Stoppers just over a quarter of a century ago and quickly grew to 102 members in the first four years. The unit attends parades throughout the local community, in towns throughout Western Pennsylvania and in neighboring states. Numerous outdoor and indoor national level awards and titles have been achieved by the Sensations, as well as individual titles, scholarships and awards.

Major invitational parades have included Majorette Day at Kennywood Park, St. Patrick's Day Parade in Pittsburgh, Maple Festival in Meyersdale, and Oglebayfest in Wheeling, WV. The Sensations proudly marched down Main Street in Disney World in past years along with other Twirlmania competitors. Members have won over \$8000 in scholarships through their performance opportunities. The Sensations Winterguard teams compete annually at the Tournament of Bands Indoor Association All Chapter Championships held in Wildwood, NJ each spring. You can catch the team perform at Hampton

Braces or Clear Aligners

While several aligner companies aggressively market clear aligners to straighten teeth, clear aligners are clearly not for everyone. For responsible adults, clear aligners *are* beneficial for those that want a removable teeth-straightening solution. It is important, however, to compare the wearing of aligners to braces. Clear aligners may cause speech impediments and non-wear of the aligners may create a lack of expected results or extended treatment time due to non-wear. For teens and children, clear aligners may be an option for extremely disciplined individuals, but aligners are easily misplaced, accidentally thrown away or just simply not worn enough hours per day. Despite the onslaught of aggressive marketing by aligner companies, clear aligners are a luxury and parents should be realistic about the substantial expense and possibility of lack of expected results. Clear aligners need to be chosen with caution and with realistic expectations for children and teens, otherwise the results may be disappointing.

What about the aligner companies where you don't see a doctor? The rise of Amazon has caused consumers to shop for products based on price. Orthodontics is a service though, not a product. These companies usually cannot bill for dental insurance benefits and they require customers to sign away their rights to recoup losses if bite problems or other failed expectations result. Although the price may sound appealing initially, one is still risking a nearly \$2,000 investment that is not followed by an orthodontist or dentist.

Our office offers a wide variety of treatment. Clear aligners for those that are good candidates, clear ceramic braces with white wires, traditional metal braces, or braces behind the teeth to cover each individual personalized case. Contact our office for a free consultation to determine what may work best for you!

Unified Bocce Moves On to Regional Championship

by Gail Scott

The Hampton Unified Bocce Club team has had an exciting 2nd season. They play 4 games each season and their record this year is 1-4. The team had a win against Montour. The losses came against Franklin Regional, Fox Chapel, and Norwin.

The Bocce Club had an exciting home game on February 20th against Norwin. A large home crowd attended to cheer on the team with Hampton cheerleaders, dance team, and the HHS pep band members helping to get the crowd fired up. It was a close match but unfortunately Hampton could not pull out the win. The team is coached by special education teacher Sarah Rassau. Rassau said, "I am overwhelmed by the amount of support that Hampton High School and the Hampton community has shown in promoting and cheering on our team."

The Unified Champion Sports is a program that was created by the Special Olympics in order to promote inclusion within schools and interscholastic sports so that special education students and regular education students can participate in these events together. The special education students on the team are called "athletes" and the regular education students on the team are called "partners". In order to promote inclusion and friendships, they are required to have an equal number of both students on the team.

Team member athletes for Hampton are: senior Abigail Molinaro, junior Bobby Huckestein, sophomores Liam Wallace and Sydney Loebig, and freshmen Molly Bernett and Austin Wang. Hampton partners are: seniors Brooke Hathorn and Isabella Carde, sophomore Kelsi Lang, and freshmen Lucy Modlin and Abi Green.

The bocce team will now compete at the Regional Championship on March 4th at the Cool Springs complex in the south hills. The winner will advance to compete in a state-wide competition in Hershey, Pa.

Zach Wright & Justin Hart earned their 100th win this year!

Winterfest (Continued from page 5) ment. New swings have already been ordered for summer installation. Thank you to Hampton Township and Hal English for providing the wonderful fireworks display. Special thanks to Pasquale's Pizza for the delicious pizza and Howard Hanna Real Estate for the hot chocolate.

Ironically, it started to snow as the event ended about 7 p.m. There was an inch of snow on the ground within the

first hour and a few brave souls stayed to take a few rides on their sled down the community center hill.

A Beloved Hampton Educator

by Micaela Eberly, HHS student writer

Unlike some teachers, Mr. Thomas Gleason is not from Pennsylvania. After growing up in the Bronx, he was in the military for 21 years. Now a history teacher in his 18th year at HHS, he has found a sense of community in Hampton.

"Everything that Hampton does well, I take pride in," Mr. Gleason said, "whether it's athletics, whether it's academics, or whether it's the arts."

Gleason, of Bethel Park, tries to make it to at least one of every sport event each year. He enjoys seeing what students do outside the classroom. "What I enjoyed about being

in the military," he commented, "is the sense of comradery, and [when] teaching, I want to try and replicate that feeling."

After giving a speech at Hampton's Independence Day celebration one year, he recalled that "it was like every time I turned around, I was running into a student or a parent that I knew."

In the classroom, he encourages students to build a connection to history. "I like to try and bring in the human aspect of things [by telling personal stories], and quite honestly, I'm not reluctant to show videos," he said. "You can describe something for an hour and a half, but if students can watch something for five or ten minutes, they probably will get a better appreciation of it."

Each year, Mr. Gleason enjoys making kids laugh by jumping off his desk to simulate a parachute landing fall. "I know it's not very graceful, but I know that kids get a kick out of it."

Overall, he is very involved in the Hampton community, inspiring and supporting his students. "I am very happy teaching [at Hampton]. I have no desire to teach anywhere else." That goes both ways, Mr. Gleason. Hampton is very lucky to have you.
