

A Gift from Wyland Elementary

by Gail Scott

The 4th graders at Wyland Elementary did a very special community service project for Valentine's Day this year. The students collected and packaged needed items for a local homeless shelter.

Homeless shelters and food banks need more help than ever this year due to the effects of COVID-19 on communities. The Wyland project met a very important need for the people at the Rainbow Kitchen shelter. Wyland teacher Elizabeth Howe started this project 12 years ago when she was at Poff Elementary and this is the third year for the students at Wyland. Howe part-

Photos by Wendi Hunter

ners with 4th grade teacher Wendi Hunter and all the students get involved.

The children collect travel size personal care items from donations made by all grades at the school. Each grade level, kindergarten through fifth grade, is assigned a different item. Items include: toiletries, hand sanitizer, lotions and candy. The fourth graders

The Great Vaccine Hunt of 2021: Paying It Forward

by Mary-Theresa Watson

Like many who qualify for Phase 1A of Pennsylvania's COVID-19 vaccine rollout, Hampton resident Leighann Bacher found herself scrambling to secure vaccines for herself and several family members. When her friend, Heather Lucci, posted information about vaccines on her Facebook page, Leighann took note and followed up on a lead. When that lead paid off, Leighann real-

Police Log

The Hampton Township Police Department is dedicated to enhancing the quality of life of our residents and guests by providing the very best in law enforcement services. The twenty-two officers and two civilian clerks take pride in serving the community in a professional and proactive manner. Thank you to the staff for helping to keep our community safe.

A summary of noteworthy incidents that occurred are listed below. These incident statistics included, but WERE NOT LIMITED TO, the following between the dates of 1/20/2021—2/15/2021:

Vehicle Accident

 On January 20, 2021 at 6:47 p.m., HTP responded to Wildwood Road for a vehicle accident. Upon the arrival of the responding officer, they located a vehicle blocking one lane of travel. The vehicle had struck a concrete barrier at the beginning of a bridge. The vehicle operator stated that the vehicle had slid on black ice and struck the barrier. The vehicle sustained disabling damage as a result of the crash and was towed from the scene.

 On January 22, 2021 at 7:53 a.m., HTP responded to Route 8, at Talley Cavey Road, for a two vehicle accident. Upon arrival, officers observed two involved vehicles blocking both northbound lanes of travel. The vehicles both sustained substantial damage due to the collision and had to be towed from the scene. The accident was discovered to have occurred when one vehicle, which was traveling north in the curb lane of Route 8, failed to stop for a steady red traffic signal, and collided with another vehicle that was driving into the intersection from Talley Cavey Road.

 On January 31, 2021 at 4:10 p.m., HTP were dispatched to West Hardies Road for a single vehicle crash that had reportedly caused a gas leak. Upon their arrival on scene, officers were advised that the vehicle in question had slid on icy roads

Students Win Statewide Automotive Competition

by Shawn Annarelli

Hampton Township senior Austin McLean and Avonworth senior Jake Abbott are two of the top Automotive Technology students in Pennsylvania.

The pair combined to place fourth in the 2021 Skip Wagner Automotive competition through the Pennsylvania Auto-

motive Association. It's the seventh consecutive year a Beattie team has placed in the top five. "We have a lot of bright, hard-working and talented students at Beattie, and it was their time to shine," Automotive Technology instructors Larry Parks and Nate Monroe said. "We're really proud of them."

The statewide competition was a 200-question exam. Typically, it would also include an in-person, hands-on challenge.

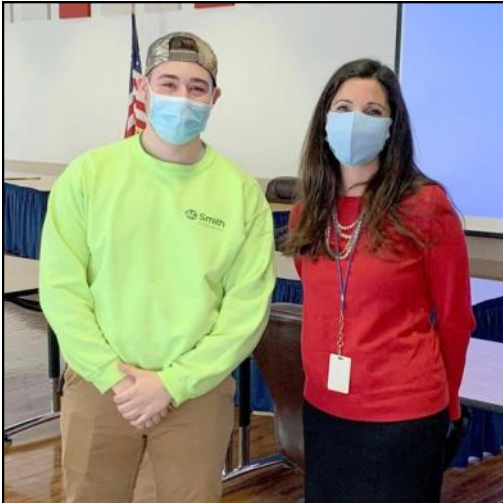

"I'm really more of a hands-on learner, so I didn't expect to do so well with a written exam like the one for the competition," Austin said. "When you look at how it was done and how well we did, it's exciting. It shows what we're doing here isn't only developing hands-on skills. You have to be really smart to be in this industry."

Austin plans to attend college for

Diesel Automotive Technology, and Jake will continue to work in the Automotive Technology field. He is currently an em-

Austin McLean, Larry Parks and Jake Abbott

Austin McLean and Hampton High School Principal, Dr. Imbarlina

ployee at Mt. Nebo Automotive.

"I was motivated from the first day I walked into this program three years ago, because this is something I've always wanted to do," Jake said. "My dad owned his own body shop and still tinkers with automobiles. Right now, we're building a '66 Mustang from the frame up. It's what I like doing, too, and maybe I'll also own my own body shop one day."

We are open and happy to see you! Feel free to drop in and see what new books we have to get you through the cold winter nights! We also very pleased to be continuing our virtual programming! See below for more details!

On the Road:

A Family Adventure Wed. Mornings @ 8am!

We care about the important learning that happens through reading, writing, singing & playing. Tune in to a new adventure each week with Ms. Annie & get ready to go places, make things, think about stuff & share ideas.

This will be posted on the Hampton Community Library Facebook, Instagram & Blog pages on Wednesday mornings at 8:00 a.m. Now through April.

ABC Storytime Thursdays @ 1pm

Miss Suzy is still traveling down alphabet lane. Each week will star a different letter of the alphabet with stories, songs & smiles! Posted on the Hampton Community Library Facebook, Instagram & Blog pages on Thursday afternoon at 1:00 p.m. Now through April.

Listen Up! Friday Afternoons @ 1pm!

Somewhere between book club, podcast & digital workshop lives an opportunity for children & youth to get inspired by a story. Each week, listen to the first chapter of a book guaranteed to light a fire in the brain. Explore discussion questions, a journal prompt & project extension, or just check out the entire story using your library card (eBook, print book & audiobooks available.) Posted on the Hampton Community Library Facebook, Instagram & Blog pages on Friday afternoon at 1:00 p.m. Now through April.

Good Night – Sleep Tight!

Sundays @ 7pm

Sundays are a good time to relax and wind down from the weekend. Join Miss Suzy and Fluffy in your pjs and with your favorite bedtime friend for bedtime stories, songs and rhymes. Posted on the Hampton Community Library Facebook, Instagram & Blog pages on Sunday evenings at 7:00 p.m. Now through April.

Murder by the Book!

A Mystery Book Discussion

Wednesday, March 17th at 6:30 p.m.

Dry Bones, by Craig Johnson.

The Mystery Book Group will be meeting by ZOOM. Books will no longer be available at the circulation desk. Please call the library to request a copy of the book. Everyone who is interested in great reads is invited to join us!

Betty's Book Buzz Discussion Group

Friday, March 19th at 1:00 p.m.

The Flight Attendant, by Chris Bohjalian.

Betty's Book Group will be meeting in the library, after the library closes. This will only happen weather permitting and that we are actually open! Books will no longer be available at the circulation desk. Please call the library to

Seniors Get a Real Treat

Brielle Connelly is a 6 year old who enjoys walking, playing with her dolls, being a Girl Scout and spending time with her brother Brody. But what makes her so special is the desire to volunteer. Brielle and her mom Jennifer were discussing how volunteering brings joy to your life and how nice it would be to do a mini-

Brielle, age 6, and former Girl Scout Annetta Lang at Hampton Fields Village

service project locally. That is when Brielle decided to collect Girl Scout cookies and deliver to on an independent living facility in the area. The six year old phoned the manager at Hampton Fields Village and set a goal to gather enough boxes for each resident to receive one. She met her goal by making a video and hanging

door hangers to neighbors and family to help her reach her goal of 100 boxes! Brielle said, "I never knew I could donate and it make me so happy to see someone smile!" During the pandemic, it was a perfect place to bring a smile with a box of cookies. The retirees received their treat in time for their evening dessert.

The Egg Hunt Continues! A Safe and Innovative Event

Due to COVID-19 guidelines for health and safety in the state of Pennsylvania we will not be able to host our traditional Easter Egg Hunt. However, we hope that you and your families will enjoy some socially distant holiday fun by participating in this years' Community Easter Egg Hunt!

The Township of Hampton has asked local businesses to participate in the 2021 Easter Egg Hunt by adding an Easter egg to their storefront window! We encourage families to drive around the Township to look for as many eggs as they can find. This is a socially distant event that can be done from the comfort of your own car. Any Easter egg that will be part of our hunt will be visible from the outside of the business.

Please keep in mind; Easter eggs can be painted on windows, cut-out paper shaped as an egg, or a 3D object shaped as an egg - so be sure to look for any item in the window that resembles an Easter Egg! The Township is also participating in the Easter Egg Hunt, so do not forget to drive by the Community Park Complex & Township Buildings to see if you can spot any eggs there, too.

The Socially Distant Community Easter Egg Hunt will take place March 27th - April 3rd. After you have completed the Egg Hunt there will be a form on our Easter Egg Hunt webpage to complete. This is where you will tell us how many eggs you spotted throughout the Township and we hope that you will include a photo of either your favorite egg or your family participating in this activity!

What fun is a contest without a prize?! Three prizes will be awarded to the families who spotted the most eggs. While anyone is able to participate and join in on the fun, you must be a Township of Hampton Resident to be able to win a prize. Prize winners will be announced Tuesday, April 6th on the township Facebook page.

WE ARE STILL IN NEED OF HAMPTON BUSINESSES TO PARTICIPATE IN OUR COMMUNITY EASTER EGG HUNT!

PLEASE CONTACT MELANIE MARTINO AT MELANIE.MARTINO@HAMPTON-PA.ORG FOR INFORMATION!

Little Medical School Participants

Hampton Community Center partnered with Little Medical School® (LMS) and offered two new youth programs, Veterinary School and Little Doctor School. Both programs provided the importance of health to children in an entertaining, exciting and fun way with crafts and

games! The children also learned how the body and organs work, how to use instruments that real doctors use, and the veterinary class even received a stuffed puppy to care for! These programs are designed for children 5 - 9 years old. Other classes offered through LMS are Wilderness Medicine, Little Nursing, Sports Medicine, Teen Medical, Little Dental and Little Pharmacy School.

More classes will be offered in June at the North Park Lodge. Check LMS website for additional classes near you. www.littlemedicalschoo.com.

Vaccine

(Continued from page 1)

ized just how fortunate she was to be able to navigate the system, all thanks to a simple tip on her friend's Facebook page.

Sensing a community need, Leighann approached Heather to discuss how they might help people schedule vaccinations. Heather connected Leighann with Liz Huber of McCandless who was sharing vaccine tips on her own Facebook page.

"After seeing what Liz was doing," Leighann says, "I realized the best way to help might be to make a Facebook page where people could share tips about appointment openings in the area."

Soon, an unofficial partnership was forged and the "Getting Pittsburgh Vaccinated—COVID-19 Appointment Tip Page" was born, the brainchild of these three local women whose goal was to bring people in the area together in their search for 2021's version of the proverbial Golden Ticket: a COVID-19 vaccine and its promise of hope.

With group membership exploding, Leighann says, "It truly has become a second full-time job. We try to deliver information as quickly and accurately as possible, and we're gathering resources to enable people to navigate the system on their own. The group has evolved from a 'free-for-all' source of information to an organized 'hub' of information. I believe this model is the best way to get a lot of people vaccinated."

Heather is quick to point to Leighann as the hero of the group, declaring, "Leighann is a local humanitarian and, in my eyes, an inspiration, spearheading this group and recruiting helpers who are just as kind and generous with their time."

Note: This QR code provides a link to the group's information for seniors. Readers are urged to print out the document and share it with the seniors in their lives.

A Lot to Celebrate for Hampton Diving

by Hope Walton, HHS writer

Although Hampton High School’s diving season has come to a close, Koda Carslaw, Annelise Craig, Caitlin McCarthy, and Kayla Berkebile competed in the WPIAL championships. Championships took place at North Allegheny High School, with boys competing in AA and girls in AAA. Diving coach Keith Hart explained he was very confident in the kids’ abilities going into the championships, and that he’s extremely proud of how far the team has come in such an unpredictable season. Hart said, “I hope the kids enjoyed it, and did not put too much pressure on themselves. Instead of focusing on being first, they focused on improving their own personal goals. I’m so proud of the four of them, and the whole team for the amount of effort they’ve put in these last few months.”

For junior Annelise Craig this year has been about improving mindset going into meets. “Although the nervousness was there, I’m putting less pressure on myself and stayed relaxed,” Craig said. Koda, who is currently a sophomore, has had an extremely successful season, including breaking his school record, which he had previously broken freshman year. Carslaw explained, “This season has been my best by far; I feel like I’ve improved in every aspect of diving since last year. I felt very confident and was ready for WPIALS.” Going into next season he hopes to be the first boy at Hampton with a score of over 300.

Mr. Hart emphasized that he’s extremely grateful that practices and meets were able to go on safely, and the kids were able to find a healthy balance between fun and work.

Note: Due to the pandemic, only one diver from AA and AAA went to states this year. Under normal conditions, Koda Carslaw would have qualified.

Student Wins School Geo Bee

Seventh grade Aquinas Academy of Pittsburgh student, Mark Bence, won the school Geo Bee on January 29, 2021. All Aquinas Academy fourth through eighth grade students participated in the bee. Preliminary rounds were held in classrooms and produced two finalists per grade. Mark was one of ten finalists in a strong field that included both last year's champion, Michael Greppi and last year's runner-up, Sam Ennis, along with three additional students who had qualified as finalists in previous years. Sixth grader, Brigid Mercer, carried away the runner-up award this year.

Geo Bee winner, seventh grader Mark Bence, coming up with an answer during the final rounds of the competition.

The following students were finalists: Mark Bence (7th grade), Elizabeth Bird (4th grade), Sam Ennis (5th grade), Anna Ravotti (4th grade), Laura Greppi (8th grade), Michael Greppi (6th grade), Felicity Koble (7th grade), Peter Koble (5th grade), Brigid Mercer (6th grade), and Alice Rothfus (8th grade).

Sam Ennis, Mark Bence, Alice Rothfus, and Laura Greppi were repeat finalists from previous years. Both Michael Greppi and Felicity Koble were competing as finalists for their third time.

Although the National Geo Bee Contest was canceled this year, Aquinas Academy's sixth grade geography teacher, Mike Flynn, was determined to give students an opportunity to compete at the school level this year. Thankfully, Flynn was able to draw upon his archives of previous competitions to reuse ques-

Geo Bee winner, seventh grader Mark Bence, (middle) with high school teacher George Lizardo (left) who read the questions to the students during the final rounds, and sixth grade geography teacher, Mike Flynn (right).

tions from over five years ago. In a regular year, Mark would take a test to qualify for the state level competition, with the chance to compete nationally for prize money if he qualified. Unfortunately, this will not happen this year, but Mark's name will be added to the school's plaque of Geo Bee school champions.

Are you spending a lot of time looking at your empty walls during this pandemic?

Students of the Year

(Continued from page 1)

on March 26th, when the winners will be announced. Maggie was nominated by the runners up from last year. She explained that the planning and prep was all helped along by their campaign manager, Alli Kenneweg. They met through Zoom meetings to fix a goal, brainstorm team members, etc. Perkins commented, "In a

LEUKEMIA & LYMPHOMA SOCIETY STUDENTS OF THE YEAR

way it was overwhelming to start and set it up but it was not hard per se." Maggie and Ayumi worked together on everything. They both contacted their families/friends to donate to their personal fundraising pages, but it all totals to the same team. For things like sponsorships and all other aspects they work together.

Maggie's friend Sam was diagnosed with Leukemia

when he was in high school and she saw how it affected him. Maggie comments, "Luckily, with the support of friends and family he battled through and is now in remission. However, this fate is not common enough with children battling blood cancers and I intend to make a difference." She further commented, "I've definitely received many kind words of encouragement, I learned many people's stories on blood cancer, and I've learned so much about reaching out and making proposals. Also, I would definitely love to help out future candidates because this experience has

been very fulfilling for sure."

Maggie and Ayumi ask you to join them in supporting LLS by making a donation that is put towards research, patient and family support, and avocation at the state and federal levels. Since the LLS was founded in 1949, it has supported its mission to do more for blood cancer patients and families than any other organization in the world, including close to \$1.3 billion in cutting edge cancer research worldwide. Since the 1960's, survival rates for many blood cancer patients have increased significantly. Ayumi commented, "My reason for participating is that blood cancer research is the easiest to gain information from because of accessibility, so research done on this specific type of cancer can really benefit all types. This definitely made me more inclined to get involved because of how many people cancer impacts."

Maggie explained, "I feel as though COVID has affected my results more from the corporate aspect of my campaign. Many businesses/NPO's have had less money to donate because they obviously have had less funds this year themselves. However, individuals have been very considerate and donated the majority of my campaign's total. I focused my outreach to parents of students because I felt as though I would be more successful. The Hampton families have been incredibly generous."

Please visit and share the website with everyone you know who would also like to join the fight against cancer! All donations are tax-deductible.

The link to donate to their campaign is: <https://events.lls.org/wpa/wpasoy21/tkindnessc>

Choosing Insurance is Hard. I Can Help!

If your needs have changed or your current plan doesn't offer the benefits and features you're looking for, it may be time to review your options. You could spend hours searching for coverage or let me do the legwork for you!

I can help answer your questions and review your options.

Volunteer Fire Department

January 2021, Chief Michael Piovesan's Monthly Report

Monthly Incident Summary:

Commercial Fire Alarm	7
Commercial Structure Fire	2
Gas Leak	1
Odor / Smell of Burning	2
Residential Fire Alarm	3
Residential Structure Fire	3
Vehicle Accident No Entrapment	7
Vehicle Accident with Entrapment	1
Vehicle into Structure	1
Wires down or on Fire	3
Total Incidents for the Month	30

Noteworthy incidents and events:

- NHVFD responded to Wildwood Road for a report of the smell of something burning in a residence. NHVFD crews arrived to find a smell of electrical burning. Crews were able to locate and isolate the issue. Duquesne Light assisted in disconnecting the power to the house until repairs could be made.
- NHVFD responded Hidden Pond Drive for a report of a chimney fire. NHVFD crews arrived to find the fire had extended from the chimney into the walls and roof of the structure. Crews were able to bring the fire under control within 30 minutes and spent several hours completing salvage and overhaul.

- NHVFD responded to 2 separate vehicle into structures on West Hardies on 1/31 as the result of the winter storm that blanketed our area.

New Membership:

We can always use new members who are interested in fire-fighting, fire police or as drivers only. There is a place in the department for anyone who is interested in helping. Please contact an officer at 724-443-5250, or visit our website at

Block Party To Go – March 19-20

A virtual fundraiser benefiting North Hills Community Outreach

Our annual Neighborhood Block Party will look a little different this year. Have fun at home with a Block Party To Go Party Bag and join us for a great time while helping your neighbors in need.

Each bag includes at least one DIY Pizza Kit, wine, dessert, a game and more! The Children's bag includes a craft kit from Dots and Doodles, snacks, and more!

You could be the lucky recipient of one of our bonus bags, which will include a gift card to a local restaurant or business! North Hills Community Outreach will be hosting two days of Block Party To-Go pickups! Want something more low key? Join us on Friday, March 19th, to pick up your bag.

Want to party from the comfort of your car? Join us on Saturday, March 20th, for a festive and fun drive through experience! **BONUS** - The first 300 boxes will include a link to play [BuzzWorthy Pub Trivia!](#) Purchase your Block Party To Go bag at [NHCO/Block-Party](#) Thank you T-Mobile for presenting this event.

Community Clean-Up Day

The Township will be sponsoring a community-wide program to help clean up township roadside areas from debris on Saturday, March 27, 2021 from 8 am to 12 noon. Each volunteer will receive a t-shirt as a small token of appreciation for their service. **Due to the COVID-19 pandemic, children under the age of 16 must be accompanied by at least one (1) parent/guardian who can drive the children to the clean-up locations. All volunteers/volunteer groups must have a driver.**

Should you be interested in volunteering, registration is required to schedule clean-up locations as well as provide t-shirt sizes. You can register on the Township's website at [www.hampton-pa.org/cleanupday](#). Volunteers will meet at the Hampton Community Center. Gloves, safety vests and trash bags will be provided at that time. Please wear the appropriate work clothes and shoes. Bring your ball team, book club, exercise partner, neighbors, family and friends to help. For more information and to volunteer, please call Assistant Township Manager Susan Bernet at 412-486-0400 ext. 1303.

Pennsylvania House of Representatives

State Rep. Lori Mizgorski will host a free off-site mobile paper shredding event on Saturday, May 15th from 9:00 a.m. to 12:00 noon. The event will take place at the Hampton Community Park located 3101 McCully Road, Allison Park, PA 15101. Limit 2 bags or boxes.

In the interest of public health, walk-in service at ep. Mizgorski's District Office is BY APPOINTMENT ONLY. Rep. Mizgorski's staff continues to provide help by phone or online for state government related matters. To make an appointment for services that can only be handled in person, please call 412-487-6605.

With the help of AARP, United Way of Southwestern Pennsylvania and NAMS Launch Caregiver Support Program

We all know that the best care comes from loved ones. That is why United Way of Southwestern Pennsylvania is on a mission to help caregivers who are caring for their family, friends, and neighbors. Through funding and support provided by the American Association of Retired Persons (AARP), United Way's PA 2-1-1 Southwest and Northern Area Multi Service Center (NAMS) of Sharpsburg, PA, have collaborated to launch a Caregiver Support Program for informal caregivers.

Managing care is a team effort. The Caregiver Support Program provides informal caregivers and care recipients, 18 years of age and older, a proactive and realistic approach for reducing stress and improving outcomes. Trained Care Consultants act as coordinators to help prioritize concerns, provide resources, develop a step-by-step action plan, and provide emotional support throughout the process – all by telephone. Help is just a phone call away, and there is no fee for this service.

If you are an informal caregiver and would like support through your caregiving journey, please dial 211 to connect with the Caregiver Support Program.

NEIGHBORS TO NEIGHBORS FOOD DRIVE

Hampton High School is accepting canned goods and non-perishable food.

Students can drop off items in the high school lobby. Community members can drop off items in the vestibule. Donations are accepted March 15-19, 2021 at Hampton High School during school hours.

Help those in need by donating the most needed items for the food drive:

- Peanut Butter
- Cereal
- Pasta
- Canned Vegetables
- Macaroni & Cheese
- Oatmeal
- Crackers
- Canned Soup
- Water
- Canned Fruit
- And any non-perishable food items!

On Saturday, March 20th, residents are asked to drive up to the high school from 10:00 a.m. to 1:00 p.m. for pick-up. Any food that is not distributed on Saturday will be donated to community food banks.

Wyland's Gift

(Continued from page 1)

decorated canvas bags with markers and wrote thoughtful notes on the bags, and signed their names. The 3 classes filled 60 bags with needed items. The teachers said, "The whole school is very generous...the bags were overflowing!"

Elizabeth Howe said, "We usually do this special project for Christmas, but there was so much uncertainty around the holidays with COVID-19, so we decided to wait until Valentine's Day. The bags go to a small, community kitchen in Homestead, PA. When I began this project, I worked with a woman named Marlene who worked at the Rainbow Kitchen. She was a very kind person and she LOVED this project. Marlene passed away last year and I will continue this project as long as I can in her memory."

<http://www.rainbowkitchen.org/>

Upcoming Events

YASU Virtual 5K

Clearly, we all need something to look forward to as Spring approaches. On May 1st at North Park, a special event is happening, and you are invited. Hampton resident Stephanie Scoletti along with her husband Matt, founded and launched Young Adult Survivors United (YASU) in March 2020, just 2 weeks before the pandemic hit. Quickly becoming a virtual health and wellness community for young adults aged 18-39 when diagnosed with cancer, YASU provides comprehensive support with a mission of enhancing their quality of life.

More research continues to show why exercising during and after cancer is beneficial for combatting fatigue, one of the most common side effects from cancer treatment. The Pittsburgh Marathon is virtual this year and Stephanie is taking advantage of their 5k race. Cancer survivors and community supporters are joining and she welcomes anyone else interested in joining for a fun, socially distanced event. For a \$35 registration fee, individuals sign up on www.thepittsburghmarathon.com and select Young Adult Survivors United when registering. With a personalized fundraising page, participants' registration fee is reimbursed once \$150 is raised. When it comes to YASU events, everyone is a winner! Light refreshments will be provided after. Visit www.yasurvivors.org/events for more details.

Best Buddies Friendship Walk

scheduled for Saturday, May 22, 2021 (time TBD) Be awesome and support Best Buddies! Support the Hampton High School team as they participate virtually in the Best Buddies Friendship Walk.

Farmer's Market

If you would like information on becoming a vendor at the Farmer's Market, please contact Bill Ryder at bill.ryder@hampton-ap.org or 412-487-7870 x1316.

2021 Pool Information

Opening day for the 2021 Outdoor Hampton Pool season will be Memorial Day weekend! Stay tuned for further information on membership pricing, programs, rentals events, and daily pool schedule by visiting www.hampton-pa.org.

Police Log

(Continued from page 7)

tor stated that the vehicle slid on icy road conditions and continued off of the road and over the hillside, striking a mailbox in the process. The vehicle had to be removed from the hillside by a tow truck.

 On February 3, 2021 at 10:56 a.m., HTP responded to South Pioneer Road and West McNeal Road for a vehicle accident. It was reported that one of the operators of the involved vehicles appeared to be unconscious. Upon the officer's arrival, it was discovered that two vehicles were involved. The accident was said to have occurred when one vehicle exited its lane of travel, and struck an unoccupied vehicle that was parked off of the roadway. Both vehicles sustained heavy damage and were towed from the scene. The vehicle operator was transported to the hospital.

Fire

 On 1/27/2021 at 11:46 p.m., HTP and Fire Department responded to Hidden Pond Drive for a reported chimney fire. Upon their arrival, they observed black smoke coming from the roof of the residence. All occupants were able to evacuate safely from the residence. Multiple fire departments responded to the scene to extinguish the fire.

Fraud/Phone Scam

 On January 28, 2021 at 5:13 p.m., HTP received a report from a resident on

Henrich Farm Lane regarding a phone scam. The reporting party advised that they had received a phone call from a male with a foreign accent. The unknown caller advised them that he was a Hampton Township Police officer. The male stated that there was a warrant for their arrest. The resident hung up on the male and contacted Hampton Township Police Department and verified that there was no arrest warrant in existence. This is a common phone scam that is utilized by scammers to try and obtain money.

 On February 12, 2021 at 5:32 p.m., HTP received a phone call from a resident from Grandview Drive regarding fraud. The resident advised that they had received a phone call from someone claiming to be from the Social Security Administration and that her social security card was used fraudulently at the Mexico/Texas border. The reporting party advised that they knew this was a common phone scam and did not provide any information.

Water Main Break

 On February 8, 2021 at 7:30 a.m., HTP responded to Clearview Road, at Simon Drive, for a water main break. Upon the responding officer's arrival, they observed a water main break that was causing icy road conditions. Hampton Shaler Water Authority and the Township DPW were notified of the situation and responded to the scene. *end*

Business Competition for Scholarship Opportunity

My 4-Year Plan Sponsors Business Competition

Hampton-based college planner **My 4-Year Plan** will partner with the Hampton Magazine in sponsoring Talbot Tank, a spring business competition that will culminate in a Shark Tank-style pitch of business ideas presented to a panel of Hampton business professionals, and live streamed by My 4-Year Plan, on Saturday, May 15. The winner will receive a cash prize of \$500 to be used by the student in kick-starting their business idea and a feature article with their picture in the August issue of the Hampton Magazine. The winner and the runners-up will also be invited to a morning of free professional business coaching provided by Hampton professionals.

The contest runs from February 1-May 10, when contestants must submit a PowerPoint presentation to My 4-Year Plan. Contestants will compete in May before a panel of local business professionals, at which time the winner will be announced.

“The goal of the contest is to encourage young entrepreneurship,” says Cathy Lueers, owner of My 4-Year Plan. “Hampton students are creative achievers and being able to both kick-start a business while in high school and enhance their positioning to competitive colleges through their entry in a contest at this level has the potential to serve a dynamic two-fold purpose.”

Business ideas will include a description of the product or service and how it meets the needs of future users, a timeline for implementation, and a marketing outline.

For full contest rules, contestants should visit:

www.my4yearplan.com.

Hampton Business Competition Coaches and Judges Needed for High School Competition

Business owners and professionals from a variety of industries are being sought to serve as coaches and judges for the Talbot Tank high school business competition. Judges will serve in an online panel for the contest in May. Coaches are business owners who have experience starting and growing their own company and can provide business coaching to high school students. The time commitment for coaches is a single Saturday morning in June. For more information or to be considered, please visit the contest co-sponsor, My 4-Year Plan, at www.my4yearplan.com (Click on Talbot Tank at the top of the home page). You may also call My 4-Year Plan at 412.720.9802.

Local Non-Profit Needs Your Help

Northern Area Multi Service Center (NAMS), located in Sharpsburg, PA, has been giving back to the community for over 50 years. Traditionally, the Meals on Wheels program of NAMS delivers meals to seniors who are unable to shop and prepare meals for themselves. Not surprisingly, during the COVID-19 pandemic, the number of seniors in need of home-delivered meals grew considerably, as did the need for additional drivers to deliver the meals.

Northern Area Multi Service Center is currently seeking employees and volunteers who want to make a difference in the lives of so many. Delivery areas are from Tarentum to McKees Rocks, Sewickley, North Shore and the North Hills including Hampton and Gibsonia; Mondays, Wednesdays, and Fridays. To find out more about joining the Meals on Wheels team please call Silvana at (412) 781- 1175 x 4499.

“Residents and their families deserve the **best care possible** through **open communication, respect, and trust.**”

William S. Zillweger, MD
Internal Medicine

Dr. Zillweger brings more than 25 years of **world-class experience** to his role as the Medical Director of St. Barnabas. His dedication to seeing patients through their hospitalization provides the **exemplary continuity of care** that we value. That's what sets us **Apart From Ordinary.**
