

High School Musical was “Nice Work”!

by Gail Scott

On Saturday, April 21st, Hampton High School students performed their final show of the musical “Nice Work If You Can Get It” in front of a packed house and the cheers carried on long after the curtains closed. The show

was incredibly funny and the audience erupted with laughter at all the right places. The tap dancing numbers were top-notch, with the highlight coming when the whole company performed a tap routine to the song “Fascinating Rhythm.”

The audience was not just made up of Hampton residents. People came from all over the North Hills and Pittsburgh to see the show. Before the show, most people did not know how funny the show would

Everything You Ever Wanted to Know About Local Law Enforcement

by June Gravitte

The Hampton Township Citizens Police Academy is a very intensive seven week course that is giving local residents the opportunity to learn more about the criminal justice system, the role of the local law enforcement, and what it does to serve the community. Officer Chris Finnigan presented the information to the township council in order for the program to get started.

Throughout the academy, students are presented information on several key law enforcement topics including:

overview of 911 centers, forensics, court system, interviews, arrests, K9 demonstration, overview

of the academy, and SIMTAC (Simulated firearms training for police), just to name a few. Resident John Parrish remarked, "It was very inciteful to hear the scenarios of what they (police officers) get put into in conjunction with the thought processes they have to go through during the situations, making decisions in split seconds." Another student of the academy, Lisa Sickles, stated "Overall it is a wonderful program. Everyone

enjoyed the SIMTAC class. It opened our eyes to what the officers experience in a situation." She further commented on the Forensics class, "DNA results do not get done in one hour like on the TV crime shows. There is simply not enough manpower to get the tests done that quickly."

Officer Chris Finnigan and Chief Tom Vulakovich

She observed that everyone hears everything each speaker has to say because the topics are so interesting.

"The programs are a result of the goal to increase community relations within the township, said Hampton Township Chief of Police Tom Vulakovich. The course has been very well attended and there are plans to continue the program in the future."

Interest Rates are on the RISE

According to money.cnn.com, the Federal Reserve plans to raise interest rates even faster. In March there was an increase of a quarter of a percentage point, the 6th increase since 12/15. What does this mean for home SELLERS & BUYERS? Rising rates indicate prospective buyers should find a home now and lock in a lower rate now before they rise again. Thinking of selling? With the urgency to buy before rates increase even further, now is an excellent time to put your house on the market.

Hampton Swimming and Diving

by Gail Scott

The Hampton Swimming and Diving Team had a busy year and now their season has come to a close. The boys swim team finished the season with a record of 2-5 in their section and the girls finished with 4-3 in the section.

Above and Below: Adrienne White

Photos by Madia Photography

Several swimmers qualified individually for WPIAL's. They were Catie Kress, Rosy Oh, Lia Appel, Julia Adamczyk, Brett Scheib, Drew Scheib, Ethan Apaliski, Matt Belch, Richie Donato, and Jack Lindquist. These individuals were also on relays along with Emily Berkebile, Claire Williams, Lydia Quaglia, and Joe Fish. Alternates that qualified were Nathan Kwiecinski, Keira Lang, Laurel Lynn, Ava Retsch, Blake Watson, and Gus Wolf.

This was Coach Morgan Zwegardt's 2nd year coaching the swim team. Morgan told me about the season. "We had a great year focusing on individual performances as opposed to our record. We had more individual qualifications this year and several first time qualifiers. Brett Scheib made it on to States in the 500 Free where he went from being 25th to 20th in the state." She added, "I am

excited with the work the kids have been putting into the pool this year. I am learning how the kids train, their strengths and weaknesses and they are learning how I coach. I like the kids to be motivated by their goals and push themselves where they exceed their own expectations."

Hampton Diving Team senior Adrienne White placed 2nd at WPIAL's and she went on to States where she finished 11th in the state. Adrienne will be attending Duquesne University in the fall and she will be diving for the university.

Opening Day Celebration

by Gail Scott

The Hampton Athletic Association (HAA) held its baseball and softball opening day celebration on April 21st, which began with a parade to kick off the festivities. Two Pittsburgh Pirate Pierogis joined in the parade and had a race which everyone enjoyed. Middle School student Carissa Williams sang The Star Spangled Banner for the large gathered crowd. The first pitch of the day was thrown out by Tom Pilarski, Will Pilarski's dad. There was a Hampton Fire Truck and Hampton Police participated in the opening day.

The Hampton baseball and softball teams are made up of boys and girls ages 4 to 18. Teams played all day at the baseball fields at McCully and at Central Elementary. The weather was sunny and beautiful which was perfect for all the games.

The day was filled with festivities such as a DJ playing tunes, 3 food trucks and Pasquale's Pizza. A1 Glove Repair was on hand, as well as a shirt vendor. There

An Undefeated Season!

by June Gravitte

On Saturday, March 17th, the Hampton Township Department of Community Service's 5th & 6th grade boys basketball team not only won 1st place but they went undefeated! Coach Jason Killmeyer commented, "This was a great group of boys to coach. They were all eager to learn and all contributed in some way to the team's success. It was really exciting to see their development throughout the year both individually and as a team. They really worked hard collaboratively, shared the ball, and everyone scored. I think our success had a lot to do with their participation and attendance and focus at the weekly practices. Having never coached organized basketball before, it was extremely helpful hav-

ing my friend and assistant coach Craig Kaforey's continuous help and ideas throughout the season. 6th grade player, Alex Gravitte, expressed, "It was really fun playing with my teammates and the games were really exciting. Our coach was really cool and helped us by telling what to do and explaining the rules."

Churn is one of Hampton's most popular coffee and ice cream shops and now there is a 2nd location in Cranberry for you to enjoy. Churn's Cranberry store opened in March and it is becoming a favorite stop for Butler residents who love good coffee, fresh homemade ice cream, and excellent service.

Kelley Costa is the owner of both stores and she prides her store on quality products and impeccable customer service. She opened the Hampton location on Route 8 in front of the North Park Clubhouse 2 1/2 years ago. The coffee is always hot and brewed to perfection. They make their ice cream fresh every day on-site with the best ingredients that they can find. They have made hundreds of different flavors over the years but their most popular have been Oreo, cookie monster, Kitkat chocolate chip, lavender chip, banana cream pie, black raspberry, and cake batter just to name a few. Their flavors can change daily and they are also open to suggestions for new flavors to try. For Churn's coffee, they offer espresso, lattes (hot or iced), coffee (hot or iced), cold brew, iced tea, and frappes.

You can also try a milkshake, arctic swirl, smoothies, and sundaes.

When you are in Cranberry, stop in and visit the new Churn in Piazza Plaza at 20550 Route 19, Cranberry, PA 16066. You will find the best customer service and the freshest ice cream in the area. Look for their website coming soon at Churngetsme.com.

Vodde To Represent the USA in Overseas Lacrosse Tournament

Hampton native Breanne Vodde has been selected to participate in a lacrosse series that will take place in Great Britain in June of 2018.

The USA team, comprised of select athletes across the nation, will travel to Scotland and England to compete in a series of games designed to foster international goodwill and friendship between the countries. This select team will be coached by Vodde's college coach, Kelsey Van Alstyne, currently the head coach at Slippery Rock University (SRU). Vodde, who lettered in both slow pitch softball and lacrosse at Hampton High School, is currently a Senior on the lacrosse team at SRU.

Players from all over the country are selected for this team based on two key elements: (1) their athletic ability and (2) their ability to represent their country, school and hometown in a positive manner.

"As a three-time PSAC Scholar Athlete, Breanne is an excellent example of the type of athletic ambassador USA Athletes International seeks to bring into international competition." stated Rick Mathieu, Lacrosse Program Coordinator at USA Athletes International. "She is taking the opportunity to represent Hampton, SRU, and her family as an ambassador for the sport of lacrosse and the USA. Breanne is definitely making the most of this opportunity and we are all proud to have her as a part of our program."

In addition to competing, in the classroom at SRU, Vodde will receive her BE in Middle Level Mathematics in December, she is a perennial Dean's List recipient with a current collective grade point average of 3.94 and has started working towards her master's degree in education.

USA Athletes International, Inc. is a non-profit organization dedicated to giving amateur athletes and coaches the opportunity to participate in International Olympic-style sporting events throughout the world, while also allowing them to broaden their educational and cultural knowledge of the world through the experience.

be. The twists and turns of the plot made the audience roar with laughter. Comments continued during intermission and after the show about the fantastic dancing and the superb singing voices of the actors. Senior Caroline Collins played the role of Billie Bendix. Caroline commented, "I'd like to say how amazing this show must have been for the audience! It is the kind of show that relies on audience participation, and I believe the crowd was completely captivated. The show was cast so well, and everyone really became their characters. It was thrilling to play Billie because her character changes constantly throughout the show. It was quite fun to keep up with Billie. The show has been an absolute pleasure to be in." Caroline plans to study Voice Performance in college next fall.

There were more than 120 students involved in the production including actors, stage crew, costumers, set design, hair and make-up artists, sound, lighting, property department, the student production team, and a fantastic student orchestra. Plus, teachers and administration were involved in "Nice Work" as well as many parent volunteers. For some students, this was their last year in the HHS musical since they are seniors graduating in June. Senior Anna Shumaker played the role of Millicent Winter. Anna will be attending Temple University in the fall and plans to major in Global Studies. Anna said, "This musical was a wonderful way to end my senior year. From the nonstop dancing to the hilarious dialogue to the camaraderie amongst members of the cast, crew, and (orchestra) pit, this production has been one of my favorites."

When the last show finished, Musical Director and Producer Dan Franklin was asked for his thoughts. Dan responded, "I am so proud of the students involved in the musical. Each and every one of them contributed 100% to make this production into what many of my colleagues have called, 'the best musical they have seen since they've worked at Hampton'." Hampton Alum Publishes Novel

by Gail Scott

Kip Sieger is a 1975 graduate of Hampton High School and he recently published a novel titled "A House Divided: A Saga of the Sixties". The story is set in the greater Pittsburgh area. The book is the story of a family and country that is being torn apart by the upheavals in the pivotal decade known as the 60's. It is set against the tumult of the 1960's, including the fabled Summer of Love, contentious civil rights and anti-war demonstrations, and the shocking assassinations of Martin Luther King and Bobby Kennedy.

Kip currently lives near Austin, Texas with his wife where he is a Social Studies and PE teacher. You can find his ebook on Amazon and also at the following link: <https://store.bookbaby.com/book/A-House-Divided>. The trade paperback edition is due to be released this spring.

Spirited Student Competitions Raises Money for Worthy Charity

by Gail Scott

Hampton High School students participated in Mini THON on April 6th to raise money for Four Diamonds. The Four Diamonds is a non-profit organization that works to cure pediatric cancer. Over 700 students participated in this great event for the 4th year in a row.

There was an enormous cheer from the crowd at the end of the night when the students had the big reveal of their total amount raised and the total was \$32,675.89! The students raised money in the weeks before the event by getting donations from friends, neighbors, businesses, and family members. It is a huge effort by students to organize this event, gather donations, and then participate in the over six hour Mini THON event.

The students participated in many activities at Mini THON including: volleyball and dodgeball tournaments, dancing, karaoke, a wing eating contest, relay races, raffles, and more. There were food trucks parked outside of the school for the students and for community residents to sample. There were many different trucks selling food from tacos, burgers, fries to salads and more. Hampton residents were invited to come and see what Thon is all about during a community hour.

If you would like to learn more about the Four Diamonds, their website is www.fourdiamonds.org.

At this event, the middle school volunteers collected everyday household items such as plates, silverware, bedding, etc., sorted them, and then loaded them on trucks to be reused by non-profits, including Catholic Charities, Goodwill of Southwestern PA, and The Free Store in Wilkensburg.

There were many other groups of volunteers collecting and distributing for other non-profits, such as animal accessories to benefit Humane Animal Rescue; art/craft supplies and vintage items to benefit Pittsburgh Center for Creative Reuse; biking supplies to benefit Free Ride Pittsburgh; and business casual shoes, jewelry, & purses to benefit Dress for Success Pittsburgh... the list goes on!

ReuseFest also featured many other activities such as: The Reuse Marketplace where anyone could purchase reused goods, children's crafts, or even enjoy local zero-waste food trucks such as Franktuary, Sinkers and Suds, and Revival Chili!

Brian Duggan, Director of Middle School Formation and Youth Ministry, enthusiastically reports, "The event was a great way to get out and try to make some sort of difference in the community. We were able to assist Catholic Charities in assembling bags of household items for those that couldn't afford it. The thing that inspired me the most was the enthusiasm of our volunteers. Hampton Litter/Clean-Up Day A Big Success!

A big THANK YOU to the Hampton residents, Councilmembers Peters and Johnson, as well as State Representative English who came out to volunteer on Saturday, April 14th for the annual litter clean-up of roadways throughout the Township. Also, a special thank you to members of the Fire Police, Police and Community Services Departments for assisting with the clean-up.

Of the 14 local roads that were cleaned, we were able to fill 214 bags with trash, 9 tires and a bunch of miscellaneous large items.
