Homecoming Tailgate Better Than Ever

by Gail Scott

The annual Talbot Tailgate was very successful this year with warm weather and great crowds enjoying all the different activities and booths. It was a busy night full of great food and opportunities to support the Hampton school clubs and sports groups.

One of the favorite activities of the night was a wrestling game activity. For \$2, a

student could try to take down a wrestler dressed up in a blow-up Sumo costume. Everyone had a blast!

The Hampton Band performed their show titled "City of Stars" before the football game began in front of a huge crowd. Then at halftime, the king and queen were crowned. This years' homecoming queen is Elizabeth Dolan and the king is Kero Kamel.

There is always a lot of excitement over the Talbot Dog contest winner. This years' winner was Skye Fogle, a 7-month old golden retriever. Skye lives with Poff students Dillon (grade 4), Morgan (grade 2), and their sister Taylor, (age 2), parents Brian and Lisa, and Clutch, a six year old chocolate lab. Morgan and Dillon have

Halloween Parade 2018

Hampton had a beautiful sunny day for their annual Halloween Parade at the community center on October 20th. A long line of children dressed for Halloween paraded through the Hampton pool parking lot and past the community center.

Children enjoyed hayrides and snacks after the parade. Prizes were awarded to the king and queen of the parade as well as many categories such as cutest, most creative, and more. Coleman Joyce, 8, was chosen king for

Al's Bike Drive 2018

by Gail Scott

Al's bike drive is in full swing as they gear up for their Christmas delivery to the Marines *Toys for Tots*. This is Al's 11th year raising money to purchase bikes to be given to local children through the *Toys For Tots* program. Last year Al's group donated 1093 bikes and this year their delivery will be scheduled for early December.

The bike drive began when Al learned that the Marines program didn't have a lot of bicycles for children for Christmas. When you donate funds directly to the *Toys for Tots* Program, there's a \$30 limit to what the Marines can spend on a toy. Anything bigger, like a bicycle, must be donated directly. That's where Al and his team come in. Al's Bike drive supports two Marine-groups who distribute the bicycles to underprivileged children throughout Allegheny, Butler, and Beaver Counties as well as throughout Western Pennsylvania.

Donations are needed, as well as volunteers to help load the new bikes onto trucks, vans, and cars. Volunteers can also help transport the bikes as part of Al's caravan when they gather to load bikes and deliver to the Marines in December. Volunteer information and donations can be made securely on the website at www.alsbikedrive.org or by check payable to "Al's Bike Drive" and mail to 1736 Ferguson Road, Allison Park, PA 15101. Check out their Facebook page by searching for Al's Bike Drive to watch videos and more. They can be reached via email at alsbikedrive@gmail.com or by phone at 412-229-7783.

 On September 9, 2018 Hampton Township Police were dispatched to Middle Road for a single vehicle accident. Upon arrival, officers located a vehicle that had crashed into pillars in the driveway of a residence. The operator was not injured during the crash. The vehicle had to be towed from the scene. cle was negotiating a bend in the roadway. It traveled off of the roadway while trying to negotiate a bend and struck a tree stump, which caused the vehicle to rollover. The vehicle was towed from the scene and the operator was transported to the hospital.

Vehicle Accident

On September 9, 2018 at 4:54 p.m., Hampton Township Police were dispatched to Route 8 for what was originally reported to be an overturned tractor trailer. Upon the officers arrival, they located a T350 man-lift that was rolled on it's side, blocking a lane of travel. Hampton Fire Department responded to the scene and utilized a winch to lift the machine upright. The vehicle operator stated that he was turning right out of Hampton Plaza when the right side tire of the trailer struck the curb and the machine turned over, causing the trailer to flip. Once upright, the machine was able to be loaded onto the trailer and towed from the scene.

On September 14, 2018 at 12:14 a.m., Hampton Township officers were dispatched to Route 8, at McNeal Road, for a report of a single vehicle rollover accident with injuries. Upon arrival, officers located a vehicle resting on it's side in a parking lot. The two occupants were already out of the vehicle and denied injury. The accident occurred when the operator attempted to make a tight turn, was unable to navigate the turn, struck a concrete light pole base, which resulted in the rollover. The vehicle sustained disabling damage and had to be towed from the scene.

The Boys of Fall

The Hampton Talbotts High School Football Team had a season filled with both high and lows. Head Coach, Jacque DeMatteo explains, "We as coaches felt

the senior players demonstrated great leadership by their work ethic and commitment to the program both in-season and out of season. With only 9 seniors graduating we feel optimistic about the future of our program with the underclassman receiving a lot of valuable play-

ing experience this season. In our conference our defense was third in least amount of points given up. We were 4 points away from being 4-1 going into the middle part of the season. Our last 5

games of the season of the teams we faced had a combined record of 30-4. Considering that we moved up 2 classifications and playing some of the best programs in the state, I'm extremely proud of the effort and grit our players put forth each and every week."

DeMatteo further explains, "Playing teams with a roster of 70 + players and the majority of the teams having 20+ seniors has been hard. Our facilities struggle to accommodate our program and equipment let alone the other teams'. Injuries have been a big concern, losing a player due to an injury places a young player who should be in our developmental JV program into a part of Friday night lights. We dissolved our 9th grade program several years ago to help build a stronger varsity and JV program and unfortunately, we lost some of the paid coaching positions. Now that we are a 5-A program we are in desperate need of more coaches throughout our program."

"Hampton is a tremendous place to raise a family and attend school. I hope that we can support our football program and get it back to the 2014 season in which Hampton football captured the Conference championship," added coach DeMatteo.

Library Renovation is a Community Effort

Prior to the school merger that formed Blessed Trinity Academy, the school's library was an underutilized space, more of a storage area than a functioning, modern library. Last year, after seeing a need for an updated library, parents, teachers, and administrators saw an opportunity to renovate the space to make it a place that students and teachers would want to use on a regular basis. So began the library renovation project that has taken a better part of a year to complete. Parent Amy Hill began the project with a simple grant request from the Shaler Rotary that was awarded to BTA in the amount of \$4000. In the end, the library renovation has taken over 345 volunteer hours from over 50 volunteers. BTA is especially grateful for the 5

Left to Right eighth graders: Claire Stevens, Mia White, Abby Stover, Anna Waskiewicz, Claudia Clontz, Maddy Cigna, Gigi Palmer, and Elisa Tolomeo.

artists who created the murals, the Eagle Scout who

designed and created the benches, the three librarians who went through every book and developed an overall organizational system, the parent and student volunteers who sorted, labeled, and cleaned all of the books, and the countless donations that have been given to purchase new books, furniture, and other necessities. BTA's library is now a modern space which offers quiet spaces to read, a large assortment of books and reference materials, and a place where teachers can continue to instill a love of reading in their students.

Free Preschool Program

by Gail Scott

The Family and Consumer Sciences Program at Hampton High School is accepting applications for the 2018-2019 Preschool Program. Enrollment forms will continue to be accepted until all slots are full.

Hampton High School students in the Child Development 2 class are juniors and seniors who plan to study child related careers after they graduate. Students spend the first semester studying about children ages birth through age 6. Students then apply their knowledge of physical, intellectual, social and emotional development to the preschool program. During the program, teacher Melinda Jackson determines weekly themes for the preschool and creates a rotating job list. High school student teachers then have ample time to plan lessons and activities for the preschool. Jackson said, "It is so exciting each year to watch them work with the preschoolers. They are so

English Steps Down as State Representative

by June Gravitte

Hal English looks forward to returning home full-time to spend time with his family and clients in his elder law practice. In his law practice he helps people prepare Wills, Powers of Attorney and plan how their assets are transferred to family, friends or charities. He also helps with administration of estates and planning for the next generation.

He is a 31-year attorney who lived in Shaler for 10 years before moving to Hampton to raise his 2 sons with his wife, Sue. While in Hampton, he served on the boards for Hampton Community Association and Hampton Alliance for Educational Excellence; 2 terms as President of Hampton Rotary; and many other leadership positions at his church and in the legal community.

Hal earned recognition as the Pittsburgh Business Times Fast Tracker of the Year 2005, Pine Creek Journal Citizen of the Year 2007 and Northern Allegheny County Chamber of Commerce Business Man of the Year 2009. English did all that while serving as the commanding officer for the Marine Corps Aviation Unit, Motor Transport Unit and Judge Advocate General in the

Marine Corps Reserves.

All of this set the stage for Hal to serve for the past 3 terms as State Representative representing 65,000 residents in Shaler, Hampton, Richland, Fox Chapel and O'Hara. Now he is hopeful that his Chief of Staff, Lori Mizgorski, will win to replace him on November 6th. Lori has been a Shaler Township Commissioner for 9 years and has worked as his Chief of Staff for the last 5 years. Hal remarked, "I asked Lori to join my team as Chief of Staff to help constituents in the 30th District while I was away in Harrisburg. I was looking to the future and thought Lori could be a great Representative someday to represent the district in a bipartisan manner and to keep the 30th District a great place to live and raise children."

English is thankful to his constituents for the overwhelming support over the years while he served as their Representative in Harrisburg. He served on important committees such as judicial, aging, education, insurance and fish and game. English commented, "The experience I gained has been invaluable and will be a tremendous help in my law practice in Hampton. In the meantime, I will enjoy coaching and playing ice hockey, not having to commute to Harrisburg with the grinding schedule and not being away from home. I am looking forward to being home with Sue, doing some of the "honey do" list items that she has patiently waited for me to tackle and for us to travel and visit our boys. Thank you very much to my friends in Hampton and for the honor to serve as your State Representative in the General Assembly." Hal will surely be missed and we thank him for his overwhelming service and dedication to our community!

It's Showtime at HHS & HMS

by Gail Scott

The Hampton High School Drama Club takes on the Woody Allen classic "Don't Drink the Water" Nov. 8-10 at Hampton High School. Tickets are \$10 for adults and \$8 for students and can be purchased at the door. All show times are 7:30 p.m. in the auditorium.

"Don't Drink the Water" is a comedy about an American family who visits an unnamed European country and accidentally sneak in to a high-security area to take photos. The Communist party thinks they are spies so the family flees to the American Embassy for help. Unfortunately, the American ambassador is away for business and his incapable son Axel gets involved. Mayhem ensues!

The play is put on by the HHS Drama Club, which is a student-run organization, from the scenic design and set building to the fabulous costumes. The fall play is directed by seniors Allison Crouch and Mia Saltrelli. There are 85 students involved in all facets of the play. Allison said, "Putting on this show alongside of my co-director and best friend, Mia, has been a dream. The process is so rewarding. The show itself is laugh-out-loud funny and our actors are so perfect for that. Our artistic director is extremely talented and the set is beautiful. We couldn't be more proud. It's everything we ever wanted it to be." Mia is also enjoying her experience as a director. She commented, "I never realized how rewarding directing would be. I leave every rehearsal with a smile because I'm amazed by what the actors are putting on stage. Everyone should come see this show because it's HILARIOUS! I guarantee you will laugh the whole time."

The Hampton Middle School Theater Department presents its fall musical production of "Once on this Island," running November 15th-17th.

With its poignant story and catchy, Caribbean-flavored score, "Once on This Island" is a highly original theatrical adaptation of Hans Christian Andersen's popular fairy tale, "The Little Mermaid" and the Tony-nominated Broadway musical was written by the legendary writing team of Ahrens and Flaherty.

Through almost nonstop song and dance, this full-hearted musical tells the story of Ti Moune, a peasant girl who rescues and falls in love with Daniel Beauxhomme, a wealthy boy from the other side of her island. When Daniel is returned to his people, the fantastical gods who rule the island guide Ti Moune on a quest that will test the strength of her love against the powerful forces of prejudice, hatred and even death. HMS 7th grader Kathleen Milon stars in the role of Ti Moune, with 8th grader Brooks Brady as Daniel Beauxhomme.

Opening night is Thursday, November 15th in the HMS Auditorium. Show time is 7 p.m. Additional performances will be at 7 p.m. on Friday, November 16th and 17th, with a 1 p.m. matinee being offered on Saturday, Nov. 17th only.

Tickets are \$8 for adults and \$7 for students for reserved seating, and \$7 for adults and \$6 for students for general admission.

Eagle Scout

(Continued from page 1)

Troop 17 is a very active troop, holding weekly meetings and participating in monthly activities. At the weekly meetings, scouts can work on merit badges or have scoutmaster conferences for rank advancements. Older scouts teach younger ones skills, like knot-tying, that help satisfy rank requirements. Sometimes there are special activities, like learning how to pitch tents (for newer scouts) and how to use a two-man saw.

The monthly activities vary, but always involve camping. During July, Troop 17 attended their annual week-long summer camp at Camp Mountaineer, outside Morgantown, WV. Also, in July, families attended the Altoona Curve baseball game and camped in the outfield overnight. A group of scouts ventured to Algonquin Provincial Park, Canada, for the Algonquin High Adventure canoe trip that happens every four years. In August, Troop 17 hosted scouts' families at the traditional family camping weekend in Moraine State Park. In September, the scouts planned to brave the rapids at Ohio Pyle; however their trip was cancelled due to dangerous waters. In October, the troop participated in the Fall Shooting Camporee at Heritage Reservation and took a weekend trip to the Pittsburgh Zoo Conservation Center in Somerset where they camped at the elephant sanctuary.

Every month until the 90th celebration, we will offer information about Troop 17 happenings. Stay tuned. There will be more activities to share. Visit www.thehamptonnews.net for photos.
