

Under the Wings of Hampton Cheerleaders

The Hampton High School cheerleaders' annual fund raiser was a success! Nearly 150 elementary students signed up and attended a cheerleading clinic held on the evenings of September 10th and 12th. Then the young-

sters had the opportunity to cheer along side their leaders at the varsity game on Friday night September 14th versus North Hills until half time. Each girl received a T-shirt, a pom-pom, a hair bow, and a Talbot paw print tattoo to wear to the football

game. The upcoming basketball cheer clinic will be held in early 2019. Watch the school district website for more details and come cheer on the Talbots!

granted this rank after a very arduous review process.

To obtain the rank of Eagle Scout, a scout must meet numerous requirements. Some of these requirements include: being active in his troop for a period of at least six months after he has achieved the rank of Life Scout; demonstrating that he lives by the principles of the Scout Oath and Scout Law in his daily life; presenting several personal recommendations;

earning a minimum of 21 merit badges; planning, developing, and giving leadership to others in a service project helpful to any religious institution, any school, or his community; taking part in a unit leader conference; and successfully completing the Eagle Board of Review.

Andrew's service project was to install a side walk and patio at the Memory Garden Gazebo, an eagle project of a scout from a previous year, on the grounds of St. Catherine of Sweden Church

in Hampton Township. The project took about 240 hours to complete, including help from other scouts from Troop 195. Andrew is a member of the boys' varsity soccer team and also a member of the marching band. Supplies for project

were generously donated by APLS, a landscape supply company in Allison Park, and also by R. I. Lampus, a brick, masonry, & hardscape supply company headquartered in Springdale, PA. Andrew recounts, "Going through this ten-year journey has helped develop me into the person I am today. It has taught me lessons and experiences that I wouldn't have typically encountered in my daily life."

Vizzoca is Making a Difference For Elderly Adults

Hampton resident Nick Vizzoca was recently featured on the Point Park University website for his work as President and CEO with the Vincentian Collaborative System. VCS is a Catholic not-for-profit health care and human services organization that coordinates the care of three senior care communities in the greater Pittsburgh area. Mr. Vizzoca has spent most of his career in the health care industry and brings a patient's perspective to the table as a pediatric cancer survivor. "At the time I didn't realize what having cancer as a child really meant; my only goal was to survive. As I got older and looked back on the experience I began to understand better the impact not only on me but on all those around me, particularly my family, and the toll mentally, physically and financially. This has led me to focus my energy on making a difference in healthcare for everyone."

Nick Vizzoca

Nick continues, "This is an exciting time to be involved in healthcare, particularly in Western Pennsylvania. Our area is the epicenter of healthcare innovation. Don't waste your chance to become a part of something bigger than yourself and truly make a difference in our region!" Nick and his wife Marie support several charitable organizations, including the local chapter of the National Hemophilia foundation. In his spare time Nick enjoys playing golf, watching baseball, and finding fun activities to do with Marie and their three children.

 On August 23, 2018 at 8:06 a.m., officers were dispatched to Route 8 near McCully Road for a single vehicle accident. Upon the officer's arrival, the involved driver denied injury and stated that he was driving southbound on Route 8 when he observed a vehicle turning left up ahead. As he slowed his vehicle, the load of granite that he was towing shifted forward and struck the cab of his truck. After utilizing a boom crane to re-position the load, the operator was able to continue on his way.

 On August 30, 2018 at 4:27 p.m., Hampton Township Police responded to Wildwood Road Extension for a two-vehicle crash. The responding officer located one vehicle off of the roadway head on into a tree. The driver of the vehicle sustained a potential injury and was taken to the hospital by ambulance. The accident occurred when a vehicle traveled off of a side street directly in front of the other vehicle. The one operator attempted to swerve and avoid the collision, but was unable to do so. The two vehicles impacted, causing one vehicle to veer off of the roadway and into a tree. One vehicle had to be towed from the scene.

 On September 4, 2018 at 2:47 p.m., Hampton Township officers were dispatched to the intersection of Route 8 and Wildwood Road for a two-vehicle accident. A Different Look for Boys' Golf

by June Gravitte

The Hampton High School Boys' Golf team includes one female teammate and her name is Arianna Erka. She is a sophomore who started golfing at the age of eight with her dad and grandfather. Hampton does not currently have a girls' golf team, so she decided to try out for the boys' team along with her older brother, Brendan, when she entered high school.

Her father and "Pop Pop" took her and her brothers golfing frequently to many different golf courses over the years. She started taking lessons from Denise at Denise's Golf Academy and is currently taking lessons with Korre Madden, a Class A PGA Professional, at Pine Creek Golf Center in Allison Park. Arianna competed at US Kids Golf Tournaments when she was in 4th and 5th grade. Once she entered middle school, she played basketball and softball for the school and golfed in the summer.

Arianna has qualified for the WPIAL golf championships on October 3rd at Diamond Run Golf Club, Sewickley, PA. She qualified at the WPIAL sectionals with a score of 82!

Arianna hopes that in the future more girls will become interested in golf and Hampton will form a girls' team. She remarks, "I love playing golf, basketball and softball with my friends and I'm excited to see where my journey takes me in the future."

Long Awaited Dugouts Dedicated at Hampton Park

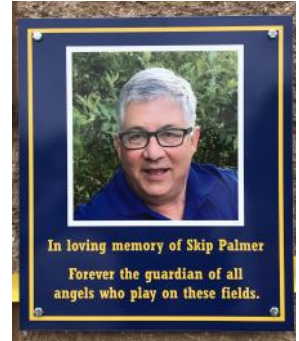

by Gail Scott

The Hampton baseball fields were extremely busy on Saturday, September 22nd as the Hampton Athletic Association (HAA) sponsored the Skip Palmer Dug Out Ribbon Cutting event at the brand new baseball dug-outs. The fields were packed with young baseball and softball players, coaches, families, friends, and representatives from the Pittsburgh Pirates.

Ribbons were cut on the six dugouts in the morning and numerous competitions and activities followed. HAA president Jason Carr introduced Pittsburgh Pirates president Frank Coonelly who helped some of the children cut the ribbon on the first dug out. One was dedicated to Skip Palmer, who was a longtime HAA board mem-

ber and former Hampton head varsity baseball coach. Other dugouts were dedicated to Nate Suddeth, Will Pilarski, and Connor Michalek.

The Pirate Parrot was on hand to dance and play with the children, to their delight. The Pirates sent some of their minor league players to join in on the festivities and help with the ribbon cutting. In the afternoon there were kids competitions for the fastest baserunners, slickest infield, and team sluggers. Other activities included: food trucks, a radar gun for fast pitch, fitness demos by Fit 4

Wildwood Highlands Transforming Into State of the Art Sports Complex

by June Gravitte

Wildwood Highlands North Parks Family Fun Center is being taken to the next level by the commercial real estate firm PCGRE, Penn Cove Group Real Estate. PCGRE is owned by PCG Capital, a venture capital firm headquartered in Pittsburgh, PA. The Family Fun Center will expand to include a new sports center, complete with a soccer-sized, two-acre indoor field in an enclosed inflatable dome structure that can accommodate various adult and youth field

sports. The sports complex will be connected to the current entertainment center, which will undergo major renovations as well. The center will probably be used the most during the fall and winter seasons and will meet the high demand for youth athletics and programming. Hampton residents and residents of the surrounding North Hills communities will enjoy the various benefits of the local complex.

PCG Capital currently owns Cool Springs Sports Complex in Bethel Park and recently purchased the Oxford Athletic Club located in Pine Township, PA, which is currently undergoing a substantial multi-million-dollar renovation. PCG purchased the entertainment portion of Wildwood Highlands from its current owner, Vince Rutledge, said Erin Remaley, director of marketing at PCG Capital. She went on to explain, “Both the president and vice president of Penn Cove Group Real Estate, the company responsible for the actual transformation of Wildwood Highlands, are from the Hampton area so they are excited to

Girls Tennis Looking for a Big Finish to Grow On

by Gail Scott

The Hampton Girls tennis team is nearing the end of the regular season. Their current varsity team record is 5-6 and the JV team is 7-4 with 5 matches remaining to play. The team goal is to play strong and finish with wins in all of their remaining 5 matches.

There are 7 senior girls on the team this year. They are: Lehka Pendyala, Rachel Karman, Grace Kang, Rachel Weber, Rachel McGinley, Anna DeMatteo, and Katelyn Sullivan. For most of the season, the team was missing two of their best players. Freshman Madison Cordisco was out with a shoulder injury and has only been back for 2 matches. Senior assistant captain and 3 year varsity starter Rachel Karman is

out all year with a lower body injury. The coach commented that it has been inspirational to see both girls deal with their injuries with class and positivity. They both have been cheering and encouraging their teammates all season long. Rachel said, "I am out with a stress fracture on

my tibia but I have loved watching each girl develop in their game. I think this season was particularly bittersweet because I have been playing with these girls since freshman year and they are the most supportive and compassionate group of girls to be teammates with!"

Team coach Grant McKinney has been with the team for the past 12 years. Coach Kieran Vora is in his rookie season with the team and has been a great addition to the staff. Coach McKinney commented on the season so far, "This season has been a glorious mix of three new freshman on varsity with the wealth of senior experience. As a reflection on the season I applaud this senior group as a commendable, classy group of young ladies who are committed to be great teammates and the best tennis players they can be. They are easy to coach because they are a focused but fun-loving group."

Hampton Junior Football Association, a Hampton Youth Sports Tradition

by June Gravitte

Hampton Junior Football Association, HJFA, has been a central part of Hampton Township's youth sports programming for almost a quarter of a century! Encompassing over 100 boys and girls ages 6-12, there are three age groups for the players and cheerleaders: Spikes (ages 6-8), K9's (ages 9-10), and Dawgs (ages 11-12), who participate in the

United Youth Football League. The league features eight teams from the tradition-rich Northern Pittsburgh Area including: Butler, Hampton, Highland, Mars, Pine Richland, Saxonburg, Seneca, & Shaler.

"The program is developmental, and the primary goals of the organization is safety for the kids by teaching them the fundamentals of the game and the proper way to play," explains Pete Halli, HJFA President & Assistant Coach. In addition, the

players all receive baseline testing through the school trainers and there are EMS present at every game.

Halli further shared information regarding some exciting updates to the program. A new incentive offered to the first 25 kids who sign up for an age bracket is that they are now guaranteed a spot on the team. In addition, they are forming a Winter Flag Football League to play at the Wildwood Sports and Entertainment Complex (on the site of Wildwood Highlands) inside a new inflatable dome structure with a two-acre indoor field sports dome. Registration started September 26 and will run through Nov 15th. You can register online at hamptonjuniorfootball.com and the cost is \$135 which includes field time, jersey, flags, & end of season reward. This program is a great way for your child to see if they are inter-

ested in playing football and it is at the very least, a great way for them to exercise, socialize, and have some fun!

If your son or daughter is interested in joining this reputable and popular program, please visit the website www.hamptonjuniorfootball.com. Regis-

tration for next year's tackle football season will start in April of 2019. Football practices are held, rain or shine, five days per week (M-F) from early August through the start of the school year and then scaled back to three days per week (Tue/Wed/Thur) from the start

of school through the end of season (mid to end October depending upon playoff participation). Their season begins mid-August, with a possible 3-game post-season beginning mid-October. The 2018 Super Bowl will be held on November 3rd, 2018. All games are played on Saturdays.

If you would like to support this time-honored program, please consider joining them for a fun filled night out during their annual **Night at the Races Fundraiser** on October 20th, 2018 at the North Hampton Fire Hall from 6:30 till 11 p.m. You can pay at the door or send an email through their website.

Cardiac Arrest

(Continued from page 21)

vid Gallagher also arrived on scene and assisted in the resuscitation efforts. Mr. Butcher was successfully resuscitated and regained pulses while being transported to UPMC for further treatment.

This is a classic example to the chain of survival working; early recognition, early CPR, early defibrillation, and quality ACLS.

Shaler Hampton EMS, UPMC St. Margaret, the Sudden Cardiac Arrest Association, and the Township of Hampton recognize the performance of those individuals whose teamwork led to Mr. Butcher's survival, and to Mr. Butcher for surviving his out of hospital cardiac arrest.

Race For The Troops

by Gail Scott

Operation Troop Appreciation will host the 13th annual Veterans Day 5K Race on Sunday, November 11th at 9:00 a.m. in the Hampton Community Park. Race organizers anticipate a competitive and fun event. Unique this year will be the participation of radio station Y108 including morning host "Broadway," star of Broadway's Back Yard, and former morning host Brian "Monty" Montgomery as Master of Ceremonies. The Y108 team will operate their game wheel, complete with great prizes!

The course will traverse the scenic Hampton Community Park. Participants will compete for medals in each of 13 age categories (male and female). The Team Challenge will offer 5 person teams the opportunity to win a special prize. Participants will also have the opportunity to win one of the special door prizes. All participants will receive a complimentary race Tee Shirt and a 'fill your own' goody bag. An All-American post race buffet will be served after the race.

The best part of the race is that runners will be especially motivated knowing that their efforts will help provide care packages to our active duty troops. The Veterans Day 5K is one of the fundraisers organized by Operation Troop Appreciation that sends care packages to our active duty troops around the world.

Interested runners/walkers are invited to register on line at: <https://runsignup.com/Race/Dashboard/Overview/24403>. You can learn more about Operation Troop Appreciation at <http://operationtroopappreciation.org/>
