

A Homecoming Like No Other

by Gail Scott

Yes, Hampton’s homecoming felt different this year, but the teachers and administration of HTSD still made it special for the students at the high school. During the last week of September, HHS students had Spirit Week, leading up to the crowning of the Homecoming king and queen on Friday, September 25th before the football game against Highlands.

In this unusual year, changes had to be

made and many activities, such as the Talbot Tailgate and mascot contest, had to be shelved. However, there was still a Homecoming Court! Congratulations to: Mia Adamski, Elaina Antosz, Abigail Castle, Danielle Perrone, Rachel Perrone, Julia Resch, Adrianna Rossetti, Lindsay Schwarzbach, Emi Suyama, Adeline Sygowski, Ethan Apaliski, Dawson Dietz, Gage Galuska, Elliot Gmitter, Matt Huskey, Robert Leppert, Ben Lish, Juan Oliver,

Max Saltrelli, and Gus Wolf, who were this year’s court representatives.

The Homecoming Court and their parents met for a group photo complete with masks before making their way to Fridley Field, where the king and queen were announced at 5pm. This years' king, Ethan Apaliski, said, “Homecoming 2020 was bittersweet. Our senior class had hopes of finishing off with a homecoming full of

Drama Club Returns with Mysterious Comedy

by Mary-Theresa Watson

The long-held theatrical tradition of “the show must go on” has taken some hits this year. Today, however, the Hampton High School drama club is hitting back as the group begins work on its fall production of the farcical whodunnit, *Clue: On Stage*. Six months after the heartbreaking cancellation of their spring musical, the performing arts students and faculty are back doing what they love most, albeit in a

Police Log

The Hampton Township Police Department is dedicated to enhancing the quality of life of our residents and guests by providing the very best in law enforcement services. The twenty-two officers and two civilian clerks take pride in serving the community in a professional and proactive manner. Thank you to the staff for helping to keep our community safe.

A summary of noteworthy incidents that occurred are listed below. These incident statistics included, but WERE NOT LIMITED TO, the following between the dates of 8/25/2020—9/4/2020:

Transformer Fire

 On August 30, 2020 at 7:54 p.m., Hampton Township Police and Fire Department were dispatched to Sample Court for a power line that was reported to have caught tree branches on fire. Upon their arrival, officers observed an active fire resulting from the live wires. The fire remained contained and Duquesne Light Company arrived on scene, disabled the power, and fixed the issue.

DUI Arrest

 On August 26, 2020 at 10:45 a.m., Hampton Township Police were dispatched to the area of Route 8 for a report of an erratic, possibly intoxicated driver. The reporting party advised dispatchers that the vehicle in question had almost

way no one could have predicted a year ago.

Refusing to allow the student-run production to become yet another casualty of Covid-19, Directors Zoey Case and Sydney Meyers, both seniors, are working closely with faculty advisor, Dan Franklin, to creatively support their beloved theatre program. While the Drama Club runs independently from the musical, many of the students participate in both, making this production doubly meaningful. For the first time, auditions were handled virtually, with students submitting recordings for consideration.

Because social distancing guidelines prohibit the group from gathering, individual performances will be filmed and edited into a final show. Planning is still underway for just how the show will be presented to the public, but the group is strategizing ways to gain financial support since traditional seating cannot be sold. The directors are working closely with Mr. Franklin and Tech Advisor Lucky Monroe to adapt the show as needed, aiming for the performance weekend as originally scheduled, November 12-14. While it will look vastly different from the club's previous productions, it's sure to be an enjoyable escape for all who tune in.

struck another car and guide rail and was swerving all over the roadway. A Hampton Township officer was able to intercept the vehicle on Route 8, observed multiple traffic violations, and initiated a traffic stop. Upon making contact, the operator displayed signs of impairment. Upon further investigation, the operator was also found to be in possession of drugs and paraphernalia. The driver was subsequently placed under arrest for possession and suspicion of DUI.

Vehicle Accident

 On August 25, 2020 at 2:30 p.m., Hampton Township officers responded to Route 8, near Hardies Road, for a two-vehicle accident. Upon arrival, officers located both vehicles, which sustained disabling damage and were towed from the scene. The accident was said to have occurred when one vehicle, which was traveling north on Route 8 in the passing lane, stopped for a vehicle that was stopped in the roadway ahead, partially obstructing the passing lane. Upon doing so, the vehicle was struck from behind. One operator was transported to the hospital.

 On August 28, 2020 at 2:07 p.m., Hampton Township Police were dispatched to the area of West Hardies Road, at North Pioneer Road, for a two-vehicle accident. Both vehicles sustained heavy, disabling damage as a result of the collision. The accident was said to have occurred when one vehicle operator was waiting at the stop sign on North Pioneer Road to turn onto West Hardies Road. The operator was waved out by another vehicle operator but failed to see an oncoming car and entered the intersection, which resulted in the collision. Both vehicles had to be towed from the scene due to extensive damage.

 On August 28, 2020 at 2:27 p.m., Hampton Township Police responded to East Bardonner Road and Haberlein Road for a two-vehicle accident. Both involved vehicles were found to have sustained disabling damage, and both had to be towed from the scene. The accident was said to have occurred when the operator of one vehicle attempted to turn left onto Haberlein Road from East Bardonner Road. The second involved vehicle was traveling on East Bardonner Road, and as they were driving through the intersection, the other car turned left in front of them, resulting in the collision.

Hazardous Conditions

 On August 27, 2020 at approximately 6:40 p.m., Hampton Township Police and Fire Departments were dispatched to multiple locations for hazardous conditions resulting from a storm system that affected the township. The calls for service included fallen trees, utility wires down, transformer fires, and water condition problems.

Phone Scam

 On September 4, 2020 at 12:35 p.m., Hampton Township Police were advised of a phone scam by a resident from Sylvan Drive. The reporting party stated that they received a phone call from a male with an accent who claimed to be an agent with the FBI. The male told the resident that they were under

traditions. We were happy to at least have spirit week and a court that I was honored to be a part of. It will definitely be a cool memory for me to look back on." Julia Resch was crowned the 2020 Homecoming queen. Julia remarked, "Having to wear masks and keep a distance from each other was extremely awkward. But, I am so grateful that the school was able to organize something for the homecoming court because I will definitely remember that evening for the rest of my life!"

Student council president and court member Matt Huskey said, "It was an awesome experience to participate in homecoming court, especially under the current circumstances. The court is very appreciative for everything Mr. Green, Ms. Byrne, Dr. Imbarlina, and all involved did to make homecoming possible this year."

It was also fun to have a set of twins on the court this year, Rachel and Danielle Perrone. Rachel commented, "It was really exciting to be able to be on court with all of my best friends and my sister. It is something I won't forget. I really appreciated the teachers going out of their way to do this for us especially with everything going on and adjusting around the coronavirus." Her sister Danielle added, "Being on the homecoming court with my sister Rachel is a memory I won't forget. I'm glad we got to share this experience together." Rachel and Danielle's mother, Liz Perrone, is a long-time Homecoming volunteer. Said Liz, "I was so proud to have both of my daughters picked to be on the Homecoming Court. It was a beautifully run event and I thought the

school district did an amazing job keeping within the Covid regulations."

All the events on Friday were staggered so that there were no large groups at Fridley Field at one time. The Hampton Band performed their show, the music of "Queen," at 4:30. Each member invited 2 family members to see the show. The band was well-spaced and didn't perform their typical intricate marching moves during the show. Nevertheless, the music sounded wonderful and the color guard and dance team performances were great. Sophomore color guard member Leah McConnell said, "I'm glad we were able to have performances this year. It's really fun doing the music from Queen and since we aren't fully marching, the color guard and dance team were able to put in a lot more complex and interesting choreography." Because of state limits for gatherings, the band is not able to perform at the football games, but they can perform before the home games at Fridley. A small pep band will perform at home games, but the band will not travel to away games and all the usual local band festivals have been cancelled for this year.

The football game began at 7 pm. Students were not permitted to attend because of state gathering limits, but there was still roaring crowd noise as the families cheered the Talbots to victory by a score of 28-21. The Talbots are now 2-1 on the season with next weeks' game at Greensburg-Salem.

Serving the Community Strong

COVID-19 stopped many things this year including Hampton Rotary's main fundraiser, the Firecracker 5K, but it has not stopped them from following their motto, "service above self" and helping folks in Hampton and the surrounding communities. The club is in its 35th year and has built bridges on the Irma Kost and the Rachel Carson Trail, built the fishing pier in the Township Park Pond and delivers Meals on Wheels every week thanks to Cindy Ryland's weekly coordination. Members Herb Ferguson, Carole Galletta, Lou D'Angelo, Dana Pietrzak, Chris Lochner, Jack Richardson, Bob Rylands, John Readal, John O'Data, Bill Leja, Dick Sittler, Geff Young, John Chomko, Bill McWilliams, Ted Martin, Ron Barnes and Steve Goodman enjoy the smiles from the recipients of a warm meal when they step away from work to volunteer and deliver.

This year club members helped prepare the beds for

North Hills Community Outreach garden to provide fresh produce to needy families. Past President Shawn Wright, lead the club to donating to Emanuel Lutheran Church for families in Millvale and \$2,500 for needy student families by providing Aldi gift cards to families. Hampton Rotary continues to provide Hampton High School student scholarships totaling \$7,500 this past year and \$2,500 to Beattie Tech students for post high school education courses.

Rotary meets at noon every Thursday typically at Wildwood Golf Club. This summer they enjoyed Denny Schlegel's Pasquale's Pizza and subs each week for their meetings in the

community park at the Rotary Pavilion. While at the pavilion they decided to undertake rehabbing it by power washing and painting with the guidance of Steve Cupcheck and Dave Hengelsberg. Ron Schmidt, Bill Shipley, Les Dieckmann, Roger Eichner, Bob Leuenberger and Keith Davis never saw so many staples on the underside of picnic tables in the pavilions from years of picnic parties! Current Hampton Rotary President, Hal English, has continued the enthusiasm and commitment of the club to help during these difficult times as the Hampton Rotary is providing \$10,000 to purchase food for the neediest school district student families. English said, "We are blessed to have school board members Larry Vasko and Greg Stein along with Superintendent Michael Loughead and Assistant Superintendent Rebecca Cunningham as members of our club to help guide this undertaking." This fall and winter the club will shop and deliver durable food goods to needy student families. Public donations can be added to the Hampton Rotary Food Drive \$10,000 commitment by way of check or grocery gift cards that can be sent to Rotary Club of Hampton Township, P.O. Box 685, Allison Park, PA 15101. For more information or to inquire about becoming a member, please see www.hamptonrotary.com or contact any of the listed members.

Hampton Football off to a Good Start

by June Gravitte

The Hampton High School Varsity Football Team is now 2-1 on the season after shutting out Armstrong, beating Highlands last week 28-21, and enduring a tough loss to Mars in week 1. The team is playing in a new conference this year after dropping to the 4A classification from 5A, where they were one of the smallest schools competing at that level. There is a lot of optimism around the team and the Talbots control their own destiny to make the playoffs. Head Coach Jacque DeMatteo remarked, "There are a bunch of seniors that are providing great leadership this year." In addition, Defensive Lineman Coach, Ron "Goody" Gooden commented, "The seniors are really providing a culture

of winning. They are seeing the product of working extremely hard over the past four years with the past two years battling at a very tough 5A level of competition. This is a difference of playing teams with 60-70 kids vs now playing teams with 40-50 kids. They have been through that storm and are still working relentlessly and it is really paying off!"

Gooden further explained, "During this pandemic, leadership from the senior players has been more important than ever. The players have been immensely resilient during this constantly changing point in time. With the hybrid model of school attendance making it impossible for the kids to see and be together each day, the seniors are really helping the team to stay together."

er. I applaud our kids for hanging in there while being out of their normal daily routines." Athletic Director Bill Cardone reassured that all protocols are put in place to provide a safe environment for all. Cardone remarked, "We have let football and cheerleading parents attend the home games and will look to possibly add visiting fans at the next home game. All home games, and most away games, are also live streamed." As far as how this COVID situation will affect scholarships, Cardone said, "I think with film available and live streaming, that scholarships should be okay. I am not sure how it will affect the schools that have moved football to the spring."

The Talbots overcame some adversity on Friday, September 25th when they beat Highlands. The team persevered without their two starting running backs, Joe and Christian Liberto, who were both sidelined with ankle injuries. Coaches called upon Jake Premick to make his first career start at running back and he certainly delivered, rushing for 151 yards and scoring two touchdowns behind an offensive line that simply dominated the Highland's defensive line. The team also scored when Gage Galuska blocked a punt and then returned it for a touchdown. Matt Dematteo also connected on a great pass to Benny Haselrig for the Talbots remaining touchdown. Haselrig humbly remarked, "It was a fantastic play call and Matt made a great throw, as usual, so that made my part easy." Despite giving up a few big plays, the Talbots defense got some big sacks by Michael Witherup, Jayden Resch and Dawson Dietz to stifle the Highlands passing attack.

The Talbots play their next game at Greensburg-Salem and hope to keep their current winning streak on track. Haselrig commented, "The coaches always remind us that tomorrow isn't promised. Because of Covid, the season could end at any time, and we have to go 100% every day, so that's what we do!"

for food purchase. Food vendors will not be available during the movie; if you plan on ordering food please do so by 7:00 pm. You are also welcomed to bring your own food or beverages to enjoy during the movie.

We will also be giving out complimentary candy bags for all children (10 and under) in attendance at the Alcoa Pavilion. Be sure to drive by Alcoa Pavilion to pick up your candy bags prior to parking for the movie. *When registering please note the number of children in your vehicle so we can accommodate an accurate amount of candy bags.*

The Township would like to extend a very special thank you to PVE, LLC Engineering Consultants and DRB Construction for their sponsorship of the candy bags, and Susan Bernet, the Assistant Manager of the Township, for baking the cookies for the event!

The FM station that you will need to tune into to hear the movie will be displayed on the movie screen prior to the movie along with fun trivia and safety tips for the evening! Please plan to arrive by at least 6:30 pm so that the movie can start on time.

For the health & safety of everyone in attendance please wear a face mask when you are ordering food or waiting in line and please practice social distancing.

Fallen Tree/Vehicle Damage

On September 2, 2020 at 11:54 p.m., Hampton Township Police were dispatched to the area of Duncan Avenue for a tree that was reported to have fallen across the roadway. The reporting party also stated that the tree had struck a vehicle that was traveling on the roadway at the time that it fell. Upon the officer's arrival, they located a tree blocking a portion of the roadway. The involved vehicle sustained damage to the hood, and the vehicle operator was not injured.

Political Signs Stolen

It has come to the Township of Hampton Police Department's attention that political signs have been stolen throughout the township. We would like to remind everyone that trespassing onto someone else's property to steal anything, including political signs, is a crime. Residents should report these types of crimes to the Police Department as soon as possible. Perpetrators, if caught, could face criminal charges. We are asking that you respect your neighbor's choice, even if it is not your own.

Meals On Wheels

The Meals on Wheels program of the Northern Area Multi-Service Center (NAMS) delivers both meals and wellness to area senior citizens. Meals on Wheels drivers deliver meals to seniors on Mondays, Wednesdays and Fridays and along with bringing much needed nutrition, it provides an opportunity to check on the health and welfare of the participants. NAMS drivers provide an essential service to area seniors and more drivers are needed! "It's the most rewarding job I've ever had. I enjoy seeing their face light up when I come to deliver their meal," said a current Meals on Wheels driver. Drivers and their seniors share smiles and conversation and come to feel like one another's family. Many times, the driver is the only person with whom a senior interacts and it's the highlight of their day. Meals on Wheels drivers also participate in a program where they are able to make note of any changes they see in their senior's health, appearance and even living conditions. These changes are passed along to family, case managers or medical personnel as needed. The drivers truly make a difference in their seniors' lives.

Northern Area Multi-Service Center (NAMS) currently operates a Meals on Wheels program serving over 400 seniors in areas stretching from Tarentum to McKees Rocks, Sewickley, North Shore and the North Hills including Hampton and Gibsonia. In recent months, we have had an influx of seniors in need due to COVID-19. Although the need for Meals on Wheels has continued to grow, our workforce of drivers and volunteers has not. We are currently seeking employees and volunteers to deliver meals to seniors. To find out more about joining the Meals on Wheels team please call Silvana at (412) 781-1175 x4499.

Swain Recognized for Outstanding Work

by June Gravitte

During a Hampton Township Council meeting, Lindsay Swain was presented with a Proclamation for her hard work on the newly offered Junior Lifeguard Program at the Hampton Township Community Pool. Swain was the head guard and supervisor for the informative program aimed for youths interested in life guarding. Department of Community Services Supervisor, Bill Ryder, remarked, "Lindsey did a great job. Hopefully, the program will result with some new guards next year." Swain said, "It is truly an honor to receive recognition for

my hard work with the junior lifeguard program. Lifeguarding will forever be one of my favorite jobs and I hope to see the profession grow".
